Gas Explosion Destroys Pontiac Home

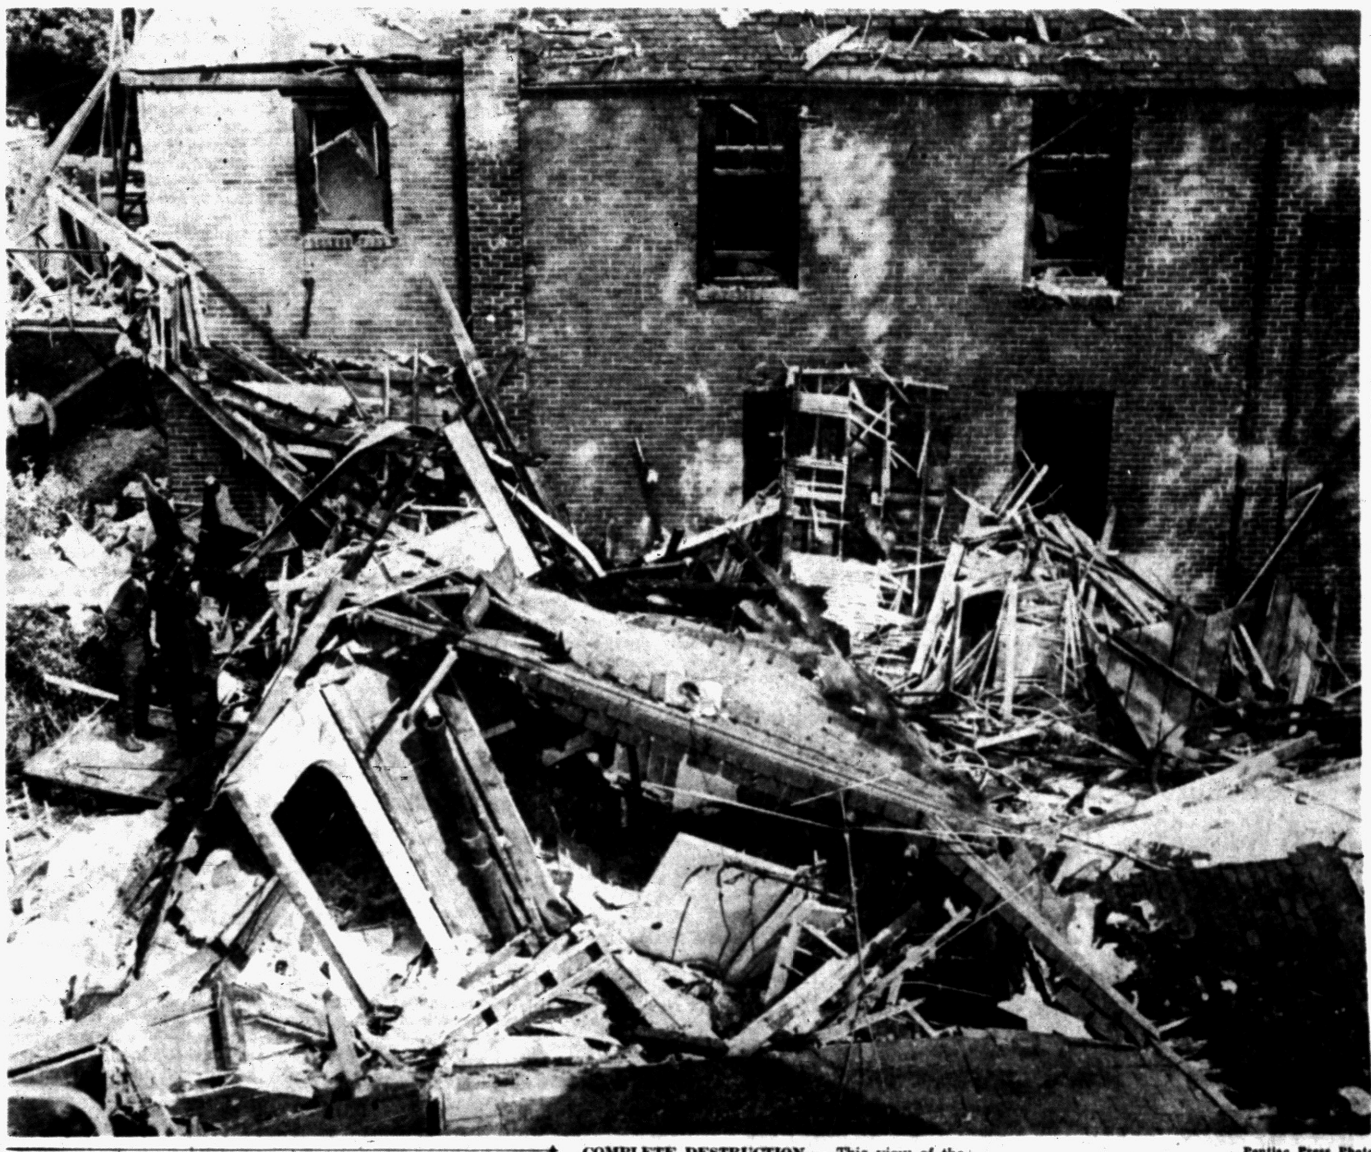

Terrific Blast Turns Two-Story House Into Rubble in Seconds

FRONT DOOR MOVED — This door to the adjacent apartment building was torn from its frame and left leaning by the entrance, as shown above, when the blast demolished the two-story house next door.

NEXT DOOR — Force of the blast tore out window frames in the apartment building adjacent to 6-8 Liberty St. Picture above was taken in the apartment building.

COMPLETE DESTRUCTION — This view of the two-family house on Liberty street razed by a blast Monday afternoon was taken from the roof of an adjacent huose, and shows the complete destruction which occurred in seconds. Some idea of the size of the rubble pile can be gained from the officers in the picture, as they inspect the ruins. (Other pictures, page 2 and 15).

Pontiac Press Photos

Seven Persons Injured in Liberty Street Blast

House Completely Wrecked, Nearby Residences Damaged by Concussion, Debris

By GEORGE T. TRUMBULL JR.

Three men miraculously escaped death yesterday in a mid-afternoon gas explosion that rocked Pontiac's west side and completely demolished a two-story house at 6-8 Liberty St.

The shattering blast, felt for two miles, caused injuries to seven persons, three of them Consumers Power Co. inspectors performing a routine check on gas service installation at the house.

Reported in critical condition this morning at Pontiac General Hospital was the owner of the house, Hugh M. Dana, 45. He suffered first degree burns to the front of his body. His wife was at work at the time of the blast.

The two Consumers employes with Dana in the basement when the explosion occurred were Benson Savedge, 26, of 2401 Opdyke Rd., and Lawrence Abbey, 21, of 37 Cayuga, Lake Orion.

TWO IN GOOD CONDITION

Savedge received first and second degree burns to the head and was reported in good condition this morning at Pontiac General Hospital. Abbey was in good condition with second degree burns to the forearms and feet.

The third Consumers man injured was Clifford Douglas, 26, of 6954 Saline Dr., Waterford. He was standing outside the home beside the company truck at the time. He was treated and released yesterday for minor burns.

Also treated at the hospital were three occupants of the nine family apartment building next door at 4 Liberty St. Treated for minor cuts from flying glass were Mrs. Gay Harshaw, 23, Mrs. Carol Stilwell, 23, and her 15-month-old daughter, Robin Gail.

According to Edward L. Karkau, district manager of Consumers Power, the three men were making an inspection of the company's installation in the neighborhood prior to the explosion.

"We were checking every possible pipe installation on the street in preparation for a city re-paving program," he said.

INSPECTION MISSION

"Our mission was strictly inspection. We were not called on a reported leak and as yet do not know what actually caused the blast," Karkau said this morning.

The manager said the company was conducting an investigation at the scene today. It is believed statements by the injured will help determine the cause.

According to City Fire Marshal Charles Metz, who spoke to the injured at the hospital, the gas that apparently had collected in the basement "was from a sudden flow of gas in a big volume."

RUMORS DENIED

Metz said all three men denied rumors that a cigarette touched off the blast.

Abbey told Metz the blast appeared "like a big ball of fire. I dropped to the ground, looked up and saw daylight above me."

Abbey added he grabbed Savedge and started removing debris to escape when an unidentified man appeared and helped them out of the wreckage. He said he did not know how Dana escaped from the building.

Abbey told the fire marshal he had just removed the meter in the basement of the Dana home. Savedge was next door in the apartment building performing an inspection when he smelled gas, Metz said.

Savedge told Metz this morning

Williams Hazy on Ike Comment

Says AP Reporter Bell Scrambled His Words; Writer Denies It

GREEN BAY (AP) — Gov. G. Mennen Williams says an Associated Press reporter "interpreted" his recent Chicago remarks to mean that he said President Eisenhower was "an old man."

Williams said the AP man was the only one in the group of newsmen to do this.

* * *

The AP story, written by Jack Bell, veteran political writer, quoted Williams as saying Mr. Eisenhower was "an old man who may not want a second term" but probably would be induced to run by the Republican party.

Williams, in an interview last night, was asked if he wanted to add to what he said in Chicago, specifically the quoted reference to "an old man."

"That was the interpretation of one reporter from the Associated Press," Williams said. "In the news conference with a group of reporters, only one seemed to find enough information to draw that conclusion. He took several phrases and placed them in a juxtaposition to make a headline."

Williams was asked if he did or did not make the statement.

"The AP reporter decided that I did," he replied.

BELL ANSWERS

At Washington, reporter Bell commented on Williams' Green Bay statement.

"Gov. Williams," Bell said, "made the direct statement that President Eisenhower 'is an old man' before more than 50 reporters. He supplemented this by saying that Eisenhower might die before the next campaign.

"He also said after a reporter for the Washington Post and Times Herald had asked him to amplify what the reported called 'a cold blooded statement' that he or any other political office holder might die at any time.

* * *

"The Governor's words speak for themselves. He was accurately quoted and his remarks were not misinterpreted in any way."

At Least 50 Jailed

Peron Death Plot Arrests Create Unrest in Argentina

BUENOS AIRES, Argentina (AP)—Government charges that "Catholic nationalists" and opposition politicians had plotted to shoot President Juan Peron brought Argentina to its greatest state of tension since the June 16 revolt.

Police said more than 50 persons had been arrested. Other sources indicated as many as 200 might have been jailed. Previous announcements of such plots during the nine years of Peron's regime have signaled widespread roundsup of his enemies.

This could be the end of the "pacification" campaign launched after the abortive navy uprising two months ago.

It also could mean a new flareup in the feud between the President and the Roman Catholic Church —mostly dormant since the revolt —and a new crackdown on the opposition parties which have refused to go along with the pacification campaign unless the government ends its restrictive measures.

Adding to the unrest were new antigovernment demonstrations, in front of Buenos Aires' Metropolitan Cathedral last night and earlier yesterday in the central Argentine city of Cordoba. Police used tear gas and fire hoses to scatter the crowds, arresting about 40 demonstrators in the capital and 15 in Cordoba.

There were no signs of special measures to protect the President. The government announcement said the plotters had planned to shoot him yesterday, from an apartment they had rented on the route along which he usually drove between his office and his home.

* * *

The announcement charged that the conspirators planned also to kill Maj. Gen. Franklin Lucero, the army minister who quashed the June revolt, and other top officials and army commanders, and to launch a wave of terror by disrupting power lines, communications, radio stations and public utilities.

The government charged the "Catholic nationalist" plotters were "perfectly organized' in Communist-like cells and had secreted their arms in a Catholic seminary. It said some arms caches were seized.

Police refused to reveal the names of those arrested.

Clues Dwindle in Scout Slaying

Lie Detector Tests Show Nothing in Murder of Peter Gorham

MUSKEGON (AP)—The investigation of 12-year-old Peter Gorham's death crept along at what police called a "turtle's pace" today with lie detector tests shedding no light in the slaying of the Evanston, Ill., Boy Scout.

* * *

Two of the camp's counselors were quizzed yesterday in the case.

Police are checking the possibility the 12-year-old was killed by a sex deviate. No charge was made against either of the two counselors.

Peter vanished from Camp Wabaningo at nearby Duck Lake July 5. His body was found Sunday five miles from camp. He had been shot through the head.

William Jannega, 25, Muskegon car salesman who discovered the body while driving through the Laketon area with his wife, also took a lie detector test yesterday.

* * *

He asked for the test "to put an end to cranks" who he said had been telephoning him since his story of the grisly find was published. Police said the tests indicated he was telling the truth in his story of the discovery.

Hot Lunches for Schools

LANSING (AP)—Fourth class school districts may purchase or lease hot lunch equipment from general funds without obtaining competitive bids, Atty. Gen. Thomas M. Kavanagh held in an opinion today.

Diane Poises to Smash South Carolina

CHARLESTON, S. C. (INS) — Hurricane Diane, packing winds of 115-miles-an-hour force, eyed the South Carolina coast today and was expected to hit sometime tonight or Wednesday morning.

The weather bureau, in its latest advisory, said the second hurricane of the year had slowed in forward movement during the night and was traveling toward Charleston at about 10 m.p.h.

It was located some 320 miles east southeast of the South Carolina city at 5 a.m. at latitude 30.6 north and longitude 75.0 west.

Winds estimated at 115 m.p.h., played about the area near the storm's eye, with hurricane force winds extending 125 miles north and east and 70 miles to the southwest.

Gale winds extended 350 miles to the northeast and east and 200 miles to the southwest and west of the center.

The hurricane warning area now extends from Fernandina, Fla., to Wilmington, N. C., where Connie began her march of death and destruction last week.

Storm warnings were posted elsewhere from St. Augustine, Fla., to the Virginia Capes and a hurricane alert extends north of Wilmington to the Virginia Capes.

TERSE WARNING

The Miami hurricane-tracking weather bureau issued this terse warning to the entire alerted area:

"All interests . . . should rush all necessary precautions for the protection of life and property against dangerous winds and high tides."

The steadily rising tide was expected to reach at least six to nine feet above normal in places nearest the center of the season's second hurricane and fourth tropical storm.

Residents and businessmen at low-lying Savannah Beach, Ga., and other endangered areas heeded the weather bureau's advice and began evacuating their homes and businesses overnight.

INUNDATE SAVANNAH

Should the tide get as high as predicted, two-thirds of Svannah Beach would be under water.

Actually the first probing of Diane—high tides and gradually increasing winds—were expected to be felt later today with absolute center of the storm reaching inland by this evening.

In its 2 a.m. bulletin, the weather bureau placed the storm at 325 miles southeast of Charleston. Both Navy and Air Force reconnaissance aircraft were flying into the hurricane to give frequent positions of the eye.

Hurricane force winds extend 125 miles north and east and 70 miles force winds, up to 75 m.p.h., reach out 350 miles north and east and 170 miles southwest.

The storm was moving in the same west-northwest direction at the same speed of 14 m.p.h. it has maintained for a day.

Small craft were warned to stay in port on the upper east coast of Florida and from the Virginia Capes to Cape Henlopen and on the lower half of the Chesapeake Bay they were cautioned not to stray far from port.

Guard Battles Mock Invader

8,700 Michigan Troops 'Defend' Grayling Area in Sham Warfare

CAMP GRAYLING (AP)—Michigan's 8,700 National Guardsmen in training here moved out of camp today in a mock defense against an invader.

The 46th "Iron Fist" Infantry Division, started a two-day tactical problem, rolled by truck into the wooded areas of the Pickert Artillery Range.

Its task was to defend the Grayling-Houghton Lake area against a mythical attacking force which had landed in the vicinity of Traverse City.

* * *

Trucks rumbled back and forth over sand trails in the movement of the troops.

For two days the guardsmen will eat and sleep in the field. They are to get practical experience in camouflage and other phases of warfare.

Army planes will be busy on reconnaissance. Wire and radio communications will be tested.

TRUCK MEN HONORED

Best truck men of the Guard were honored last night. Awards were presented by Maj. Gen. Gordon A. MacDonald of Detroit, commanding general of the 46th Infantry Division.

There are hundreds of trucks in the camp. The awards recognize the best appearing and best maintained trucks. The winning trucks were given metal pennants to be worn for the remainder of the two weeks training.

Mercury to Return to Near 90 Today

A return to near 90-degree temperatures was predicted for today and tomorrow by the U. S. Weather Bureau.

The forecast calls for fair skies and a high mercury reading near 90, followed by a low tonight of 66 to 70 degrees. Tomorrow it will be slightly cooler with cloudy skies and temperatures ranging from 85 to 90 degrees.

Yesterday, the downtown Pontiac thermometer hit a high of 86, while the low reading was 66. At 8 a.m. today, the temperature was 72 degrees, rising to 88 degrees at 1 p.m.

Hunter Planes Shine All Night Around Diane

JACKSONVILLE, Fla., (AP)—Navy hurricane hunters gave their new weather laboratory plane its first chance to shine in an all-night flight over, around and across Hurricane Diane.

The Constellation took off from Jacksonville Naval Air Station early last night and aimed its million dollars worth of electronic equipment at all facets of the hurricane.

'Heard Dull Explosion'

Eyewitness Tells Story

By AL LOWMAN

"I heard a dull thudding explosion, the house seemed to rise off its foundation and debris started flying everywhere."

This was Mrs. F. Dewey Allen's description of what she saw from the front porch of her home at 9 Liberty St., directly across the street from the Hugh Dana home which was leveled by an explosion yesterday afternoon.

"I was talking with a neighbor on the porch when I mentioned that I smelled gas. Just then, three Consumers Power men drove up in a truck and went in the Dana home.

"After they went in the house, two of the men began running back and forth to the truck to get tools," Mrs. Allen related.

The crewmen were inside when the blast rocked the neighborhood. Splinters of wood, chunks of glass, Venetian blinds, pieces of household goods and smoke swept the area.

Mrs. Allen, a former Pontiac schoolteacher, said she was unable to move for a split second but when smoke filled her home, she ran from room to room checking for possible fire.

"It seemed that every window in the house was broken; glass was everywhere," she stated. Figurines were toppled from shelves, vases were smashed to the floor, curtains and drapes were torn by glass.

All windows in the front of Mrs. Allen's home, located barely 60 feet from the blasted home, were blown in.

Reporting a similar experience was Mrs. Amelia Blunt, of 13 Liberty, next door to Mrs. Allen.

"I was talking on the telephone and looking out the front door when I heard the explosion. My first thought was for my two children, Gregory, and Linda," she said.

Mrs. Blunt, holding her two youngsters, 19 months and 4 ran from the house. I don't think I touched one of the steps on the porch. All I could think of was getting my children to safety."

Mrs. Blunt, like several others interviewed in the immediate neighborhood, said she smelled gas just before the blast.

CHIMNEY PLUMMETS — Portion of the chimney is about all that held together when the house at 6-8 Liberty St. was razed by a blast Monday afternoon. A section of the chimney is shown above after it plunged through the wreckage.

Pontiac Deaths

Mrs. Dennis Benard

Mrs. Dennis (Theolam Mary) Benard, 65, of 101 Auburn Ave. was dead upon admittance to Pontiac General Hospital at 6:15 p.m. Monday.

Born in Calumet May 18, 1890, she was the daughter of Andrew and Madeline Geroux De Longchamp and the widow of Mr. Benard.

She came to Pontiac 37 years ago from Calumet and was a member of St. Vincent de Paul Catholic Church, the Rosary Altar and Daughters of Isabella.

Surviving are five sons and two daughters, Alvin, Owen, Clinton, Robert, Mrs. Doris Olsen of Pontiac, Kenneth of San Francisco, Calif., and Mrs. Louise Schram of Saginaw; two brothers and three sisters, Harvey of Flint, Russell and Mrs. Phoebe Graham of Pontiac, Mrs. Vinia Lumback of Detroit and Mrs. Florence Sweney of Lake Orion.

Parish rosary service will be Wednesday at 8:30 p.m. and the Knights of Columbus at 9 p.m. in the Melvin A. Schutt Funeral Home. Funeral will be at 9:30 a.m. Thursday in St. Vincent de Paul Church. Burial will be in Mt. Hope Cemetery.

Mrs. Charles Felshaw

Funeral for Mrs. Charles (Charlotte) Felshaw, 84, of 473 E. Mansfield Ave. will be at 10 a.m. Wednesday from St. Rita Church in Holly. Rosary service will be tonight at 8 p.m. in Huntoon Funeral Home.

Mrs. Felshaw died Sunday at her home.

Mrs. Russell Jackson

Mrs. Russell (Grace Edna) Jackson, 65, of 2086 Walnut Rd. died at 2:25 p.m. Monday in St. Joseph Mercy Hospital.

Born in Lapeer County Dec. 7, 1889, she was the daughter of Nicholas and Elizabeth Niles Stone. She married Mr. Jackson in Port Huron in 1916. She came to Pontiac from Port Huron 25 years ago and was a member of First Baptist Church.

Besides her husband she is survived by her stepmother, Mrs. Emma Stope of Lapeer; two sons and a daughter, Harold Lynch of Flint, Arthur Lynch of Lapeer and Mrs Jean VanValkenburg of Rochester, a granddaughter and a great-granddaughter.

Funeral will be at 1:30 p.m. Thursday from Huntoon Funeral Home. The Rev. William E. Hakes, assistant pastor of First Baptist Church, will officiate and burial will follow in the Stiles Cemetery in Lapeer.

Stephen Johnson

Stephen Johnson, three-year-old son of Duane and Adde Birrell Johnson of 2811 Pontiac Rd. died at 4:15 p.m. Monday in St. Joseph Mercy Hospital. He had been ill nine months.

Born in San Francisco, Calif., April 12, 1952, he is survived by his parents and two sisters, Nancy and Kathleen at home.

Funeral will be Thursday at 10 a.m. from the Brace-Smith Funeral Home. Burial will be in Mt. Hope Cemetery.

In lieu of flowers the family requests contributions be made to the Children's Leukemia Foundation, 660 Frederick St., Detroit.

Mrs. Jay L. Lloyd

Mrs. Jay L. (Flora Leona) Lloyd, 47, of 820½ Baldwin Ave. died at 3:30 p.m. Monday in St. Joseph Mercy Hospital. She had been ill four months.

Born in Romeo March 1, 1908 she was the daughter of Lyman and Mary Combs Matthews. She married Mr. Lloyd at Lake Orion Nov. 4, 1931. She came to Pontiac from Oxford four years ago.

Besides her husband she is survived by three daughters and two sons, Sandra Woods, Mrs. Shirley Coyle, Edwin Lloyd and Franklin Spencer of Pontiac, Mrs. Norma Graves of Snyder, Texas; a brother, Burton Matthews of Lake Orion and a sister, Mrs. Grace Souler of Sagirfaw and six grandchildren.

Funeral will be at 3:30 p.m. Wednesday from Voorhees-Siple Chapel. The Rev. James Luther of Silvercrest Baptist Church will officiate and burial will be in Oak Hill Cemetery.

Thomas B. Smith

After a prolonged illness, Thomas B. Smith, 78, of 784 Melrose Ave., died at Pontiac General Hospital at 6:45 p.m. Monday.

Born at Glasgow, Scotland June 25, 1877 he was the son of Thomas and Allison Smith. He married Florence Piper at Wilmington, Kent, Eng. in 1906 and had lived in Pontiac since 1911. He was last employed in maintenance at Pontiac school system for 29 years.

He was charter chaplain for Clan McInnes.

Besides his widow he is survived by four sons and three daughters, Thomas and Douglas, Mrs. Christina MacKenzie, Mrs. Beatrice Wright, Mrs. Margaret Harner of Pontiac, John of Davisburg, Frederick of Lincoln Park, 11 grandchildren and one great-grandchild.

Also surviving are two brothers and a sister, John in Sydney, Australia, James and Mrs. Annie Hardie in Scotland.

The body is at Sparks-Griffin Funeral Home and the funeral will be Thursday at 2 p.m. at All Saints Episcopal Church of which he was a member. The Rev. C. George Widdifield, his pastor, will officiate and burial will be in Perry Mount Park Cemetery. In lieu of flowers, the family request donations to be made to All Saints Church for use in the Children's Home.

JAMES WALLS

James Walls, 89, Dies in Bloomfield

James Walls, 89, life-long resident of West Bloomfield Township and a retired farmer, died at his home at 7 a.m. today. He lived at 5631 Old Orchard Trail.

Born in West Bloomfield Aug. 3, 1866, he was the son of William and Caroline Walls. He married Nellie Orr there Dec. 31, 1891.

Besides his widow he is survived by two sons and two daughters, Fred J. Walls, Orchard Lake, Dr. Arch B. Walls of Detroit, Mrs. Caroline E. Smith of Pontiac, Mrs. Dorothy M. Selle of Orchard Lake, six grandchildren and nine great-grandchildren.

Funeral will be at 2 p.m. Thursday from Donelson-Johns Funeral Home. Burial will follow in Pine Lake Cemetery. In lieu of flowers the family request contributions be made to the Joan Walls Polio Fund.

Water Group Plans to Talk Pipeline Project

A $300,000,000 water pipeline from Lake Huron to serve parts of Wayne, Monroe and Washtenaw Counties will be discussed Aug. 24 by the Water Committee of the Supervisors Inter-County Committee.

The Lafayette Engineering Co., of Drayton Plains, has proposed that it could finance and build a pipeline which could supply water to communities on a contract basis.

The firm says its project would solve the problem of decreasing water supply in this area.

The company has stated it could supply 12,000,000 people within the next 12 years in Southeastern Michigan. The Water Committee had been considering formation of a public authority to build a pipeline.

Mute Identifies Pair in Symonds Slaying

SINGAPORE (AP) — A deaf and dumb witness identified two Singapore men today as members of a mob which killed an American newsman last May 12.

Ordered to stand trial were Ong Ah Too, a truck driver, and Suppiah Subramaniam, unemployed. They were charged with being members of an unlawful assembly that resulted in the slaying of Gene Symonds, 29, Southeast Asia manager for the United Press, and three other persons.

* * *

The mob was demonstrating in support of a bus strike. Symonds went to the scene to cover it and was beaten and kicked to death.

The mute witness, Lim Yen Lin, testified at a preliminary hearing through an interpreter. He identified Suppiah as the man who pulled off Symonds' watch after the American had been beaten.

Ong and Suppiah reserved their defense for the regular trial scheduled at the next session of the Assizes Court.

Admits Check Charge

James E. Dalrymple, 27, of 526 Bellevue, Lake Orion, will be sentenced for bad-check passing in Oakland County Circuit Court Aug. 22.

He admitted to Judge Frank L. Doty yesterday cashing a bogus $299 check in Pontiac Township Aug. 2.

Gas Blast Levels Home Here Monday

(Continued From Page One)

that after he smelled gas in the vicinity of the Dana home, he went into the house to tell Abbey.

Douglas told Pontiac Detective James Bale he smelled gas while standing beside the truck before the blast occurred.

Officials at the scene estimated total damage to the Dana house and contents at about $22,000. Damage to the apartment building next door was estimated at $20,000.

Carl Alt, Pontiac building engineer said the apartment house wall had been weakened and the 24 tenants sought shelter with relatives.

100 WINDOWS BROKEN

The concussion was estimated to have broken about 100 windows and caused $3,000 damage to more than 30 homes within a two-mile radius.

Pontiac Police and Oakland County Sheriff Deputies roped off the area to keep back hundreds of spectators.

* * *

Mrs. Bessie Briggs, of 14 Liberty St., said the gas company crew had been trying to enter the house all day. She said Dana apparently came home around 3 p.m. and let the crew in.

The upstairs apartment at the house was occupied by Joseph Odorizzi, 28, and his wife Doreen, 23. They had been living in the apartment since their marriage six months ago and both were at work at the time of the explosion.

When notified at work of the blast, Mrs. Odorizzi became hysterical fearing her husband had not left for work and might be trapped in the wreckage.

LEFT BEFORE BLAST

Odorizzi said he had left approximately 15 minutes before the explosion.

Neighbors said children had been playing on the Dana lawn and in front of the apartment building just minutes before the blast.

* * *

A similar explosion in the city occurred on April 4, 1951. The 13-room home of Mr. and Mrs. Frank Mowbray at 115 Ottawa Dr. was destroyed when gas from a line to the furnace was being installed.

Mrs. Mowbray, alone in the moved from the wreckage by two heroic rescuers who crawled through rubble and dug the injured woman out with their hands. She suffered a fractured wrist and minor injuries.

Pontiac firemen removed shattered chimneys yesterday from two adjoining buildings to prevent further injuries. Dana's television set was blown onto his front lawn and his telephone was discovered 40 feet from the house.

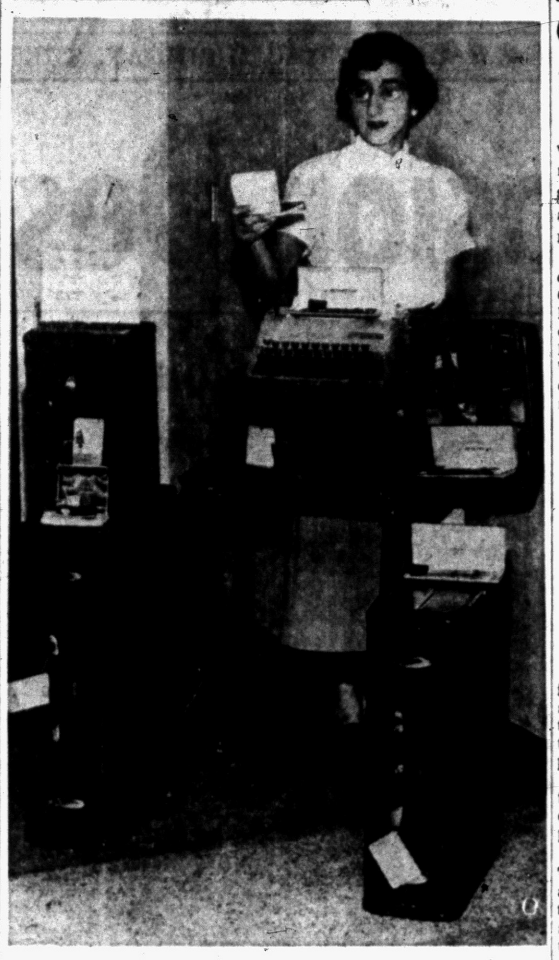

No Bull, There Was Bull in Psychology Office

NASHVILLE, Tenn. (AP) — "This may sound illogical," a Vanderbilt University student told her psychology professor yesterday, "but there's a bull in your office."

"Nothing ever sounds illogical . . ." began Dr. Stanford C. Erickson. Then he turned and faced a young bull calf, a fugitive from the stockyards here.

The bull was caught after smashing equipment and sending students and secretaries scurrying.

Back-to-School Shopping Tip:

Pontiac Press Photo

COLLEGIATE ACCESSORIES—Lucia Arnold of 448 E. Blvd. South, inspects a fine array of equipment which helps to make college life easier. There is a Sheaffers' Snorkel Pen, an Underwood portable typewriter, a matched set of Samsonite luggage, a Bulova wrist watch to keep arriving at classes on time and a man's fitted traveling kit.

Post 66 Scouts Make 97-Mile Canoe Journey

Nine Explorer Scouts and two adult leaders of Post 66, Joslyn Avenue Presbyterian Church participated in a 97-mile canoe trek over the weekend, according to King Stetler, adviser.

The group started the trip Friday at Grayling, and traveled down the Au Sable River, ending their trek Sunday at Mio. Five canoes were employed for the journey, which included fishing, races, campfires, stories and songfests. The 11-man contingent stopped four times along the way.

Post 66 was activated a year ago, and Stetler said the group hopes to make the canoe trip an annual event. Stetler was assisted by Abel Borey.

Only one mishap marred the weekend journey — Stetler and Scout Larry Hoyt lost control of their craft and were dunked into the river. Several scouts came to their rescue.

Pays Driving Fine

Jimmy McDaniel, 25, of Rochester, paid a $75 fine and $25 costs yesterday after he pleaded guilty to reckless driving. He appeared before Pontiac Township Justice Robert Hodge.

Man Stands Mute on Larceny Charge

Earl Dean Scribner, 17, of 1637 Beechcraft, Keego Harbor, yesterday stood mute when arraigned on a larceny charge in Circuit Court and Judge Frank L. Doty directed that a trial date be set.

Scribner is accused of stealing six tires and wheels during the last three weeks off new cars ready for out-of-state transit at the Pontiac Motor Division parking lot and Motorcar Transport Co. here, according to Robert C. Miller, chief investigator for the prosecutor's office.

The accused is in Oakland County Jail under $500 bond.

Africa's Gold Coast has no natural harbor facilities.

The Day in Birmingham

Commission OKs $2,000 to Plan New Interceptor

BIRMINGHAM — A $2,000 advance for engineering studies on a new proposal to solve the city's sewage difficulties was approved at last night's City Commission meeting.

But more talk centered on the decree which is to be given by Oakland County Circuit Court next Monday morning, which will spell out time limitations concerning Birmingham's violation of a State Water Resources Commission order to stop Rouge River contamination.

The proposed decree sets a May 1, 1956, date for determination as to whether Birmingham will proceed jointly or independently to meet its sewage obligations. However, City Manager Donald C. Egbert was instructed to see if the decree can include a recommendation to the water commission that Birmingham be given the same length of time as Southfield Township, also involved.

Because Southfield is undergoing incorporation, it cannot now take steps necessary to push through the $2,740,000 Evergreen interceptor sewer project, considered the preferred solution.

The Evergreen was to have been the joint undertaking of six southeastern Oakland County municipalities.

Now four of them, Birmingham, Troy and Bloomfield Townships, an dBloomfield Hills, are looking to another answer—that of constructing what eventually would be the northern portion of the Evergreen sewer. In this instance, sewage would flow into Birmingham's sewage treatment plant instead of the Detroit system. A $2,000 appropriation has been asked from each community to initiate the engineering studies.

* * *

Mayor Charles Renfrew, who has named three of a four-man committee to study Birmingham's taxation methods (following the complaint of a citizen) said yesterday, "This will in no way be an audit, but more a policy check on our basic approach and procedure.

"The committee will review the system, particularly in terms of the principles we employ in our assessor's office, to determine the adequacy of records and procedure," he said.

Vincent B. Watkins, chairman; John Maynard and Barrett Mason will serve on the committee but because of prior commitments will probably not begin their research until after Labor Day according to Renfrew.

Action was prompted by complaint of T. P. Gobeske, 1466 Birmingham Blvd., who questioned his own assessment and appeared several times before the Board of Review and City Commission.

* * *

After prying open a cash box and helping himself to $40 in cash and $50 in postage stamps over the weekend, a burglar took time to leave this note in a typewriter at the American Spring and Wire Specialty Co., 199 Pierce St.

"It is a smart idea not to keep any money in an office like this. Box has been washed. There are no fingerprints on it."

The theft was reported to police yesterday by E. H. VanNorwick. Police said entry apparently was made through an unlocked door.

A similar breakin occurred at the offices of Drs. J. B. Hassberger and Robert Mason, 620 N. Woodward, where $177.50 was taken from a file cabinet vault which had been pried open.

Polio Shot Program Hits Low on Monday

The anti-polio makeup shot program hit a new low yesterday when only 72 youngsters were inoculated at two Oakland County clinics.

The Pontiac clinic at West Huron street treated 41 first and second graders while the Health Center in Royal Oak inoculated 31 children, according to statistics from both directors.

Yesterday's figure brings to the total of children inoculated during the makeup programs to 1,613. When the regular clinics closed two weeks ago, some 12,746 eligible youngsters had not been treated.

Makeup shots will be given daily through Friday at both clinics from 9 to 11:30 a.m. and from 1 to 4 p.m. The Pontiac clinic is located at 15 W. Huron St., while the South Oakland County Health Center is at 2401 E. Fourth St., Royal Oak.

France Takes Cool View on Showing Big 4 Data

PARIS (AP)—France is cool toward a U.S. proposal to publish official records of the recent Big Four conference at Geneva, informed sources said today.

A request for French approval of the plan was received through the French embassy in Washington, they said.

A British Foreign Office spokesman said in London yesterday that Prime Minister Eden's government also is cool to the proposal to publish the Geneva record.

The average person who attends a convention spends $93.69 in the convention city says the American Hotel Assn.

Marilyn Monroe Can Visit Soviet – Anytime

MOSCOW (INS)—A Soviet cultural official said today Marilyn Monroe—with curves and culture—would be welcomed to Russia.

But the blonde bombshell's proposed "Mission to Moscow" has failed to cause much of a rumble in the U.S.S.R. capital.

A Soviet official issued a tentative welcome to Marilyn who wants to study the Russian theater. Then he asked, "How do you spell her name?"

Not Marilyn, but Deanna Durbin is still the favorite.

This correspondent recently bought a bootleg postcard-sized picture of Deanna, film sweetheart of a number of years ago, for a ruble from a woman peddler outside the farmers' market in Moscow.

So far as is known, no pictures of sexy Marilyn—clothed or as unclothed as in her famed calendar photo—are readily available.

But there is evidence the Russians would take to Marilyn. A member of the Soviet farm delegation now visiting the United States remarked after seeing her in a movie:

"Every man should have a woman like that."

Fedor F. Solomatin, second secretary of the U.S.S.R. embassy in Washington has been quoted as saying that Marilyn's application for a visa "has been in our hands for several days."

A new machine now is able to manufacture butter without churning and is said to be highly satisfactory.

READY FOR CLASS — According to the latest word from campus fashion authorities, Laura Terry of 245 Preston, and Kathy Johnson, 2850 Chadwick Dr., Waterford High School students, are wearing up-to-the-minute classroom favorites: Laura is fashioning a new Black Watch tartan in one of the new corduroy coodinates while Kathy models a nubby tweed skirt topped with a matching cardigan in fine interlocking Orlon. Frosting on this delectable costume is the novelty pique anchor collar with checkered taffeta bow.

Report Red Cells in Government

Un-American Committee Head Plans Probe of Commie Infiltration

NEW YORK (AP)—Rep. Francis E. Walter (D-Pa) says testimony before the House Un-American Activities Committee which he heads has disclosed the existence of Communist cells in government circles.

* * *

He said last night the committee intends to launch a full-scale probe of Communist infiltration in government in February.

Preliminary investigation and examination of witnesses under oath has shown "Communist cells in the United States Senate, the War Labor Board and the National Labor Relations Board," Walter said.

* * *

He explained, he meant staff employes of the senate and not senators.

Walter, who is here in connection with the current probe of Red infiltration of the theater, addressed a rally of the Alliance, Inc., which describes itself as an anti-Communist organization which does research work on subversive activities.

Careless Woman Begins Mishap Chain Reaction

KANSAS CITY (AP)—A taxicab in which Maxine Bruce, 26, was a passenger collided with another car yesterday. While the drivers were discussing the superficial damage, Miss Bruce tried to slide past the cab's steering wheel.

Police said this is what happened next:

Miss Bruce accidentally released the emergency brake and stepped on the accelerator. The cab darted forward, bowling over Sam Russell, 28, and David Williams, 21. Both were taken to a hospital with leg injuries.

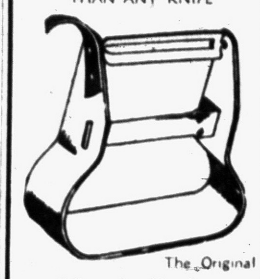

Then the cab rammed another automobile, which in turn was knocked forward and hit Jessie Oliver, 33. He too was hospitalized.

Miss Bruce told police she'd never driven an automobile. She was charged with careless driving.

AT THE BEACH—2

Girls like to play in the sand at the beach as well as boys. Sometimes Molly digs tunnels or builds castles. Other times she is busy looking for shells or other objects on the shore. There are bottles, net floats, pieces of wood and much else.

Her playmate is a big rubber blow-up seal which can be used as a float on the water or as a seat on the sand.

She has brought with her a big sun hat in case it gets too hot and, of course, she has her pail and shovel.

Paste the picture on stiff, heavy paper and color it with crayons or paints. You can color Molly's hair brown, the sand yellow and the hat tan with red tassels.

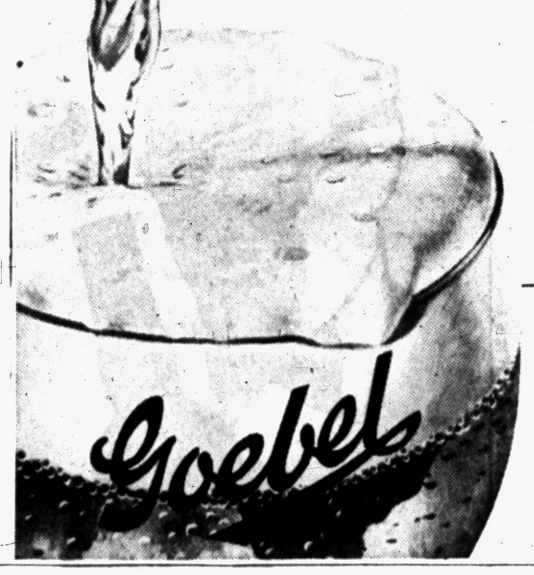

You can make your own little play beach by getting a pan and filling it with sand. Then cut out the pieces in the picture and place them as you like on the beach.

Fold the front and side panel forward to make the girl sit up. Cut through the dotted line under the seal. Put the tab on the bottom of the sand pail through this slot and fold it up at the back. If you cut the dotted slit in her hat

Tomorrow: Making a Boat

New...

Live Taste!

What a difference the new *live* taste makes!

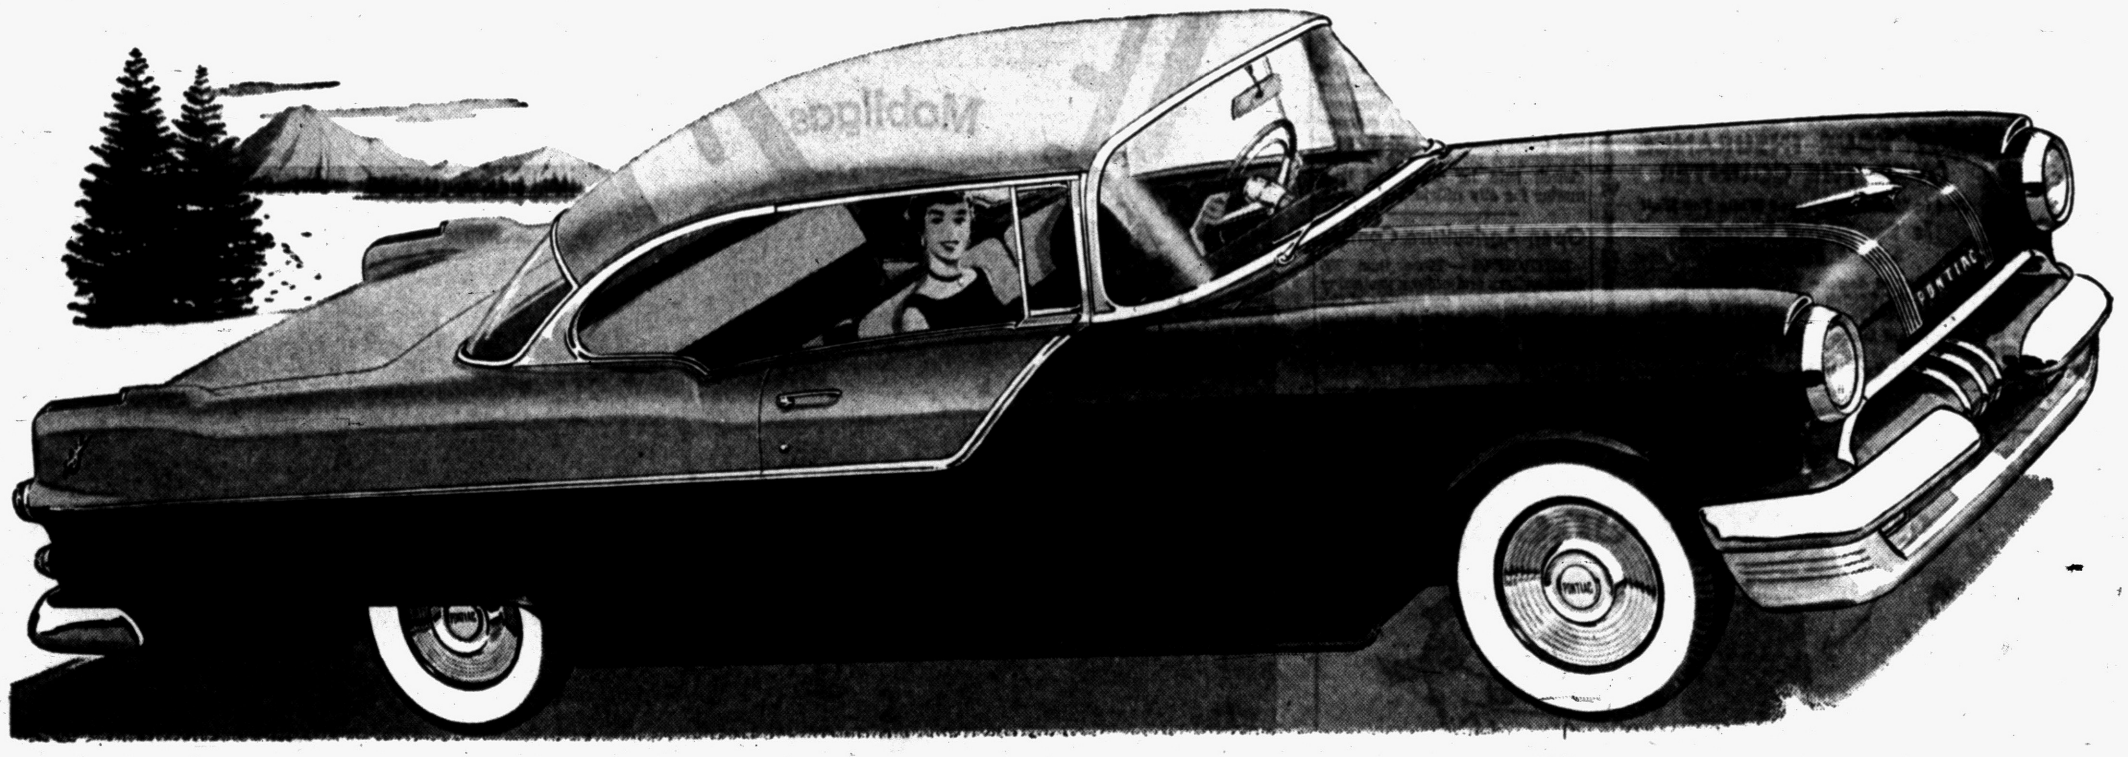

So different from other beers because only the special hops that Goebel uses make it possible.

Pour yourself a golden glass today. See the rich, creamy head and sparkling amber clarity. Enjoy its delicate aroma. Take a refreshing swallow and experience the new live taste of Goebel for yourself! Happy thought . . . try it *now!*

Goebel BEER

THE GOEBEL BREWING CO., DETROIT AND MUSKEGON, MICH., OAKLAND, CALIF.

No Deal in Town Can Give You More Car for Your Money!

THERE'S only one sensible way to judge your best automobile buy—and that's to measure *how much car you get for your money!*

On every important point of motor car value, the 1955 Pontiac stands head and shoulders above any car in its class.

For example, a Pontiac with four-barrel 200-h.p.* Strato-Streak V-8 is priced hundreds of dollars lower than any other car equalling its power! And no car at any price is more advanced in engine design.

Take the vital matter of wheelbase—so important to ride, comfort and stability—and you'll find Pontiac outmeasures any car near its price and many tagged at hundreds of dollars more.

As for style—well, one look will tell you that here's a car so distinctively beautiful it's bound to stay in style for a long time to come.

Certainly all this adds up to a wonderful buy—especially when Pontiac prices fit so easily into any new-car budget. That's why Pontiac sales are at an *all-time high!*

Now consider this important point—this same record sales volume permits us to make trade-in allowances that equal or beat any deal in town! So before you buy *any car at any price*—before you consider *any deal* on *any* car—remember this: When you deal with us for a big, powerful Pontiac, you start with a car that represents an unmatched value—and in addition you save still further from the most liberal trade-in policy in our history.

Come in as soon as you can and let us prove that *our Pontiac deal is the best deal you can make!*

*Optional at low extra cost.

Sudden Explosion Leaves Tangled Wreckage in Wake

Neighbors Survey Wreckage After Home Is Leveled

Pontiac Press Photos

NEIGHBORS SURVEY WRECKAGE — A group of neighbors survey debris strewn over the yard behind the Hugh Dana home at 4 Liberty St. destroyed by a gas explosion yesterday. Windows were shattered in about 30 neighboring homes. A heavy venetian blind in the Dana home was blown 100 feet.

CAR DAMAGED — Flying chunks of wood and bits of glass buffeted this auto parked about 50 feet from the blast. Another car directly across the street was also damaged.

Blast Sets Off Brief Reign of Terror in Quiet Liberty Street Residential Area

By BURDETT C. STODDARD

Terror reigned briefly in the quiet Liberty Street residential area where a gas explosion demolished a home yesterday at 3 p.m.

Neighbors described a maelstrom of flying glass, tarpaper and shingles which sent them scurrying for cover or racing in frenzied searches to make sure their children were safe.

Two men in the severely-damaged apartment house next to the blasted and burning building were credited with keeping order and ushering the occupants to safety.

Clyde Cady, 25, of Silver Lake, was visiting the apartment caretakers, Mr. and Mrs. Otis Rainey, in the building at 4 Liberty St.

CALMED OCCUPANTS

After the explosion, Cady and Rainey moved through the building calming the 12 terror-stricken occupants, helping them through the smashed doorway and checking against fire.

An apartment dweller, Mrs. Gay Harshaw, 23, said, "I was in the living room with my 2-year-old son Donald when the explosion occurred. I don't know what hit me. Donald started screaming and I immediately ran for him.

"I saw Clyde Cady running into the apartments to see if anybody was still in the rooms. He told everybody to get out on the street fast. He unplugged the iron I left on."

Mrs. Harshaw said she had smelled gas all day, but had checked her stove and "thought nothing more about it."

Mrs. Harsha wand her son were treated for cuts at Pontiac General Hospital.

PLASTER, GLASS FELL

Mrs. Rainey said, "I was reading in our basement apartment when something popped. The plaster started falling in and glass and shingles fell all over the place."

Mrs. Richard Stilwell, 23, another apartment occupant, stated, "The baby and I were in our first-floor apartment when it happened. I felt it before I heard it. Window frames toppled on top of the baby (Robin Gail, 1) and I ran to remove the debris. The explosion had knocked me clear across the room. I grabbed the baby and ran out.

"It was just a miracle we came out alive. I thought the baby was dead. We all prayed." She and Robin were also treated at the hospital.

Cady said, "I checked the apartments to see if anybody was injured and might not have gotten out. I thought the explosion was in the basement around the furnace."

WINDOWS BLOWN OUT

George Galstian, of 102 Henderson St., said seven windows were blown out of his house. "I just entered the house after work when glass began to fall. I ran to the front of the house and saw ladies and children running and crying."

Larry Smith, 7, son of Mr. and Mrs. Leon Smith of 75 Henderson St., was playing by the apartment house when the blast took place. He ran home frightened, but unhurt.

The shock knocked merchandise off shelves in a market a block away. Mrs. Edward Vennard, of 102 Washington St., a clerk at the store, said, "it actually looked like the north wall of the store moved from the explosion."

Mrs. Pearl Beetley, of 121 Henderson, stated, "I was never so scared in all my life."

Blast Catches Neighbor on Porch With Parakeet

A near neighbor of the destroyed home was sitting quietly on the front porch of her house at 14 Liberty St., playing with her pet parakeet, Pete.

The terrific blast blew in the windows behind her, and a large, foot-square fragment lodged against the wall just behind Mrs. Bessie Briggs. The blast lifted her from the couch. She grabbed her parakeet's cage and ran to the kitchen.

Neither Mrs. Briggs nor her pet was injured. However, the rooms on the right front of the house were damaged considerably.

Mrs. Briggs related that Mr. and Mrs. Maurice Fitzgerald, at No. 10 Liberty, next door to the wrecked house, left Saturday for a vacation trip. Later it was confirmed that they were in Traverse City, and had expected to return to Pontiac Wednesday.

A daughter, Barbara, is employed in the office of Dr. C. E. Ekelund.

Fitzgerald retired only Aug. 1 from General Motors Truck & Coach Co., where he was a tool designer. The family had resided at the Liberty Street home for the last 13 years, Mrs. Maurice Fitzgerald Jr. said.

Among those drawn to the scene of the blast was barber Pere Secord, former owner of the house (1935).

Early arrival—before firemen, police or Consumers Power crews were there—was Fred N. Stout, 120 Prall St. Stout lives less than a block from the scene. He ran around to the rear of the then-burning house, grabbed the garden hose of a neighbor and began throwing water on flames that shot out from the crushed remains of the rear wall. Mrs. Stout called the fire department.

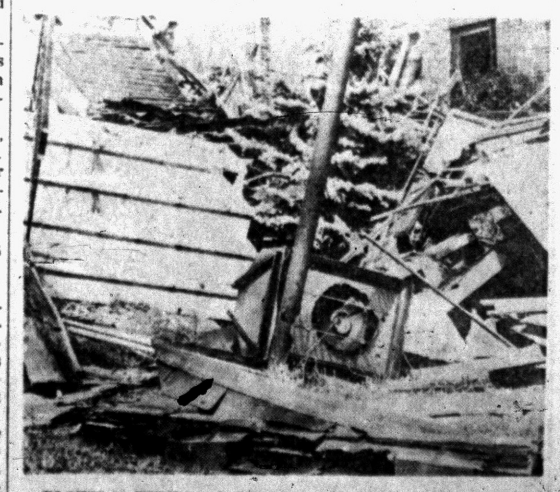

WORRIED — Mrs. Joseph Odorizzi, who lived with her husband upstairs in the demolished building, rushed to the scene worried that he had been caught inside. She was informed by police that he had left for work at Pontiac Motor Division only minutes before the blast. The couple have been married for six months. They lost all their household belongings including a new television set. Mrs. Odorizzi was at work. Odorizzi said he let the repairmen into the house just before leaving for work. The couple stayed last night with Mrs. Odorizzi's mother.

WALL SMASHED — The window frame was torn from the wall by the blast in the Maurice Fitzgerald home adjoining the blast site to the east. The Fitzgeralds had left Saturday on a vacation trip.

CLOSE CALL — Mrs. Bessie Briggs, of 14 Liberty St., surveys damage in the living room of her home, separated from the explosion by only one house. She was sitting on the porch when the blast shock wave blew her from the chair. "It was the closest call I ever had," she said.

BLOWN 30 FEET — A television set was blown 30 feet through the front wall of the demolished house. Three phonograph records were picked up in front of the house unbroken. A telephone was thrown about 40 feet.

Tot Dead From Burns

BENTON HARBOR (AP)—Internal burns caused by a heating pad were blamed for the death of five-week-old Carol Lynn Kunkel. The infant was found dead in her crib Monday.

U. S., Red Envoys Recess Sessions

GENEVA (AP) — U.S. and Communist Chinese ambassadors met for nearly two and a half hours today and then recessed their talks until Thursday. They gave no indication of any progress toward the release of 41 Americans held by Peiping.

At the end of their session behind closed doors, the negotiators said only that they would again take up the issue of civilians repatriation at their next session.

The meeting was the seventh, and one of the longest, between U. Alexis Johnson, U. S. ambassador to Czechoslovakia, and Wang Ping-nan, Red China's envoy to Poland.

Tubby Housewife Admits Faking Diet Prescription

WELLINGTON, England (AP) — Mrs. Josephine Leahy, 31, admitted in court she had forged a prescription for 320 slimming tablets —to trim her 238 pounds to something more suitable to her five-foot height.

The tubby housewife told the judge yesterday her doctor prescribed only 60 pills at a time, and she was not getting the desired results.

The judge fined her 6 pounds ($16.80).

Mrs. Leahy is now down to 168.

Grains Seesaw in Quiet Trade

CHICAGO (AP)—Grains presented a mixture of plus and minus signs in relatively quiet dealings on the Board of Trade today.

The market started out steady, led upward by corn and soybeans. But September corn quickly dropped under the previous close. Some wheat deliveries also fell back.

Main weak spot in the early trade was oats, which have acted a little better than the rest of the list over recent sessions.

Wheat near the end of the first hour was unchanged to ¾ lower, September $1.92⅝; corn ⅝ lower to ½ higher, September $1.26; oats ¼ to ¾ lower, September 57⅞, rye unchanged to ½ lower, September 96¾; soybeans ¼ lower to 1 cent higher, September $2.24⅜, and lard unchanged to 5 cents a hundred pounds higher, September $111.00.

Earnings

NEW YORK (INS) — Curtiss-Wright Corp. reported today net income for the six months ended June 30 of $15,065,859, equal to $2.02 a common share. This compared with $7,569,443, or 95 cents a common share, in the same period last year. Sales totaled $250,-072,134 as against $234,550,689 in the initial half of 1954. The backlog of unfilled orders and scheduled production under advanced contracts as of June 30 amounted to approximately $818,000,000 as against $860,000,000 on March 31, 1955.

NEW YORK (INS) — American Smelting and Refining Co. announced net income for the six months ended June 30 of $16,588,-907, equal to $2.73 a common share. This compared with $9,776,-132, or $1.47 a common share, in the same period last year. Sales totaled $275,641,417 as against $227,-201,315 in the initial half of 1954.

NEW YORK (INS) — Dun and Bradstreet, Inc. reported that nationwide business failures in the week ended Aug. 11 declined to 169, the smallest total for any week this year. This figure compared with 213 casualties in the preceding week, and 253 in the same week last year. Failures thus far in 1955 total 6,974, for a weekly average of 218, as against 7,114, for a weekly average of 222, in the comparable period a year ago.

Admits Larceny Count

Donald G. Bollman, 29, of 415 S. Woodward Ave., Birmingham, yesterday pleaded guilty to larceny in a building and Oakland County Circuit Judge Frank L. Doty set sentencing for Aug. 22.

Bollman admitted steadling $24 from Tom Kaiser's Service Station, Woodward Ave. and Fourteen Mile Rd., last July 15.

Peppers: N.J. bu bskts Bell type medium to large 2.00.

Potatoes: 100 lb sacks U.S. No. 1 size washed unless otherwise stated: Calif. Long Whites 4.00-4.50 mostly 4.25-4.50; U.S. No. 2s 2.75, fair 1.75-2.00; 10 lb sacks 45 cents; bakers 4.75-5.00; Idaho Long Whites 3.75-4.10; Reds 2.50-2.75, few 2.85; Mich. Round Whites unwashed 50 lb sacks 70-90 cents, 10s 23 cents

Strawberries: Calif. 12 pt flats, few 3.75, few lower.

Watermelons: per melon Southern 22

CHICAGO POTATOES

CHICAGO, Aug. 15 (AP)—Potatoes: arrivals 204, on track 263 and total U.S. shipments Friday 382, Saturday 208 and Sunday 20; supplies moderate, demand moderate and market about steady for whites, slightly weaker for Round Reds. Carlot track sales: California Long Whites $3.90-4.10; Idaho-Oregon Long Whites $3.50-3.65; Washington Long Whites $3.50; Idaho-Oregon Round Red Triumphs type $2.10-2.25; Nebraska Warbas $1.75, Pontiacs 1.85-1.90.

DETROIT EGGS

DETROIT, Aug. 15 (AP)—Eggs, f.o.b. Detroit, cases included, federal-state grades:

Whites—Grade A jumbo 61-67 (weighted average 62) large 57-59, wtd avg 58½, medium 45-49, wtd avg 47½, small 34; grade B large 48; peewees 24.

Browns—Grade A jumbo 59-65, wtd avg 61½, large 56, medium 48, small 34; grade B large 47; grade C large 42; peewees 24.

Checks 28.

Commercially graded:

Whites—Grade A extra large 55, large 49-54, medium 43; grade B large 39-48.

Browns—Grade A extra large 52-53, large 47½-50, medium 41-43, small 28; grade B large 38-40.

Comment: Market firm on large and mediums with supplies short to a good, early week's demand. Smalls barely steady with supplies ample and demands slow and disappointing. Some surplus of smalls were shipped out of town to clear supplies. Undergrades easy with demands slow and offerings discounted to clear.

CHICAGO BUTTER AND EGGS

CHICAGO, Aug. 15 (AP) — Butter steady; receipts 588,729; wholesale buying prices unchanged to ¾ higher: 93 score AA 57.5; 92 A 57.25; 90 B 54.5; 89 C 52.5; cars 90 B 55; 89 C 53.5.

Eggs steady to firm; receipts 9,651; wholesale buying prices unchanged to ½ lower: U.S. large whites 60-69 9 per cent A's 48, mixed 46; mediums 43; U.S. standards 38; dirties 28.5; checks 28.

Poultry

DETROIT POULTRY

DETROIT, Aug. 15 (AP)—Prices paid per pound f.o.b. Detroit for No 1 quality live poultry up to 10 a.m.

Heavy hens 23-25; light type #16-17; heavy broilers or fryers (2½-3½ lbs) gray crosses 31-32; whites 29; light broilers or fryers 21; caponettes (4 lbs) 33-34; 5-6 lbs 38-39.

Comment: Market steady. Light receipts of hens ample. Fryers in moderate supply and adequate. Caponettes were of better quality and larger sizes than recently and the demand was generally improved.

CHICAGO POULTRY

CHICAGO, Aug. 15 (AP)—Live poultry steady to firm on young stock, steady on balance; receipts in cooks 922 (Friday 651 coops, 125,823 lb); f.o.b. paying prices unchanged to 1 higher; heavy hens 21-24; light hens 17.5-18.5; broilers or fryers 29-31; old roosters 13.5-14.5; caponettes 4½ to 6 lb 36.

Business Notes

D. H. Pritt, Pontiac representative of the Lincoln National Life Insurance Co. is a winner in a special nation-wide sales contest recently concluded by the company, it has been announced by Cecil F. Cross, Vice President and Director of Agencies.

Each year the Company makes a month-long drive in honor of its president. In recognition of his achievement, Pritt will receive a personal memento from Walter O. Menge, company president.

Robert H. Wilkinson, Pontiac insurance agent, recently addressed the annual National Convention of the Columbus Mutual Life Insurance Company at the Grand Hotel on Mackinac Island.

Wilkinson's subject was "Estate Planning and Paying Estate Taxes with Income Tax Savings".

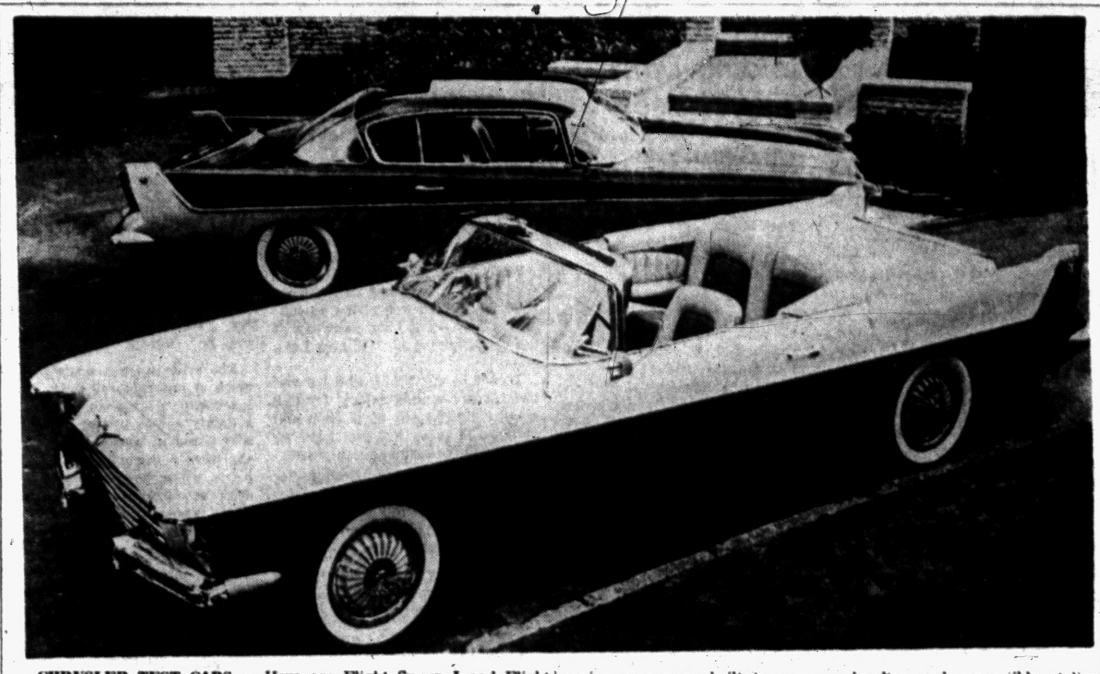

Cuba is 90 miles distant from Key West, Florida.

CHRYSLER TEST CARS — Here are Flight Sweep I and Flight Sweep II, new "idea" cars from the styling studios of Chrysler Corporation's Engineering Division. Flight Sweep I is the four-passenger sports convertible and Flight Sweep II the sports hardtop. The companion cars were built to compare hardtop and convertible styling on the same basic body form. These cars will not be manufactured for sale but new ideas may be employed in the future car production.

Stock Dealings Quiet on Market

NEW YORK (AP) — Prices were mixed today in early dealings in the Stock Market. Trading was quiet.

* * *

The start was fairly good, but the advantage was lost slowly until the list became mixed.

Callahan Zinc, yesterday's most active issue off ⅛, opened today on 1,400 shares off ¼ at 5¾.

The steels were mostly lower while aircrafts and coppers were higher. The rest of the list was mixed to lower.

Yesterday's Stock Market drifted lower in the slowest trading since January of 1954. The Associated Press average of 60 stocks was off .30 cents at $171.60.

Prices initially were fractions higher to between 1 and 2 points lower.

* * *

Foremost Dairies, newly listed on the New York Stock Exchange, started its trading career with three 1,000-shares blocks at 24.

It previously was traded over the counter.

Du Pont was off 1¼ at 220¼ at the opening, and U. S. Steel started on 1,000 shares off ¼ at 51¼.

On the American Stock Exchange many leading issues traded unchanged with others going slightly higher on balance. Creole Petroleum gained ½, Calvan Oil was up 1/16 while Technicolor was off ⅛. Trading unchanged were Giant Yellowknife Gold, Dumont Lab, Wright Hargreaves, and Catalin Corp.

The bond market was mixed at the start.

Chrysler Unveils Newest Experimental 'Idea Cars'

NEW YORK — Chrysler Corporation today premiered three new "idea" cars — the latest experiments in auto styling and design — at the Chrysler International Salon here.

* * *

The sleek, road-hugging models were conceived by Chrysler with a two-fold purpose:

1. To translate into steel and glass advanced ideas from the stylists' drawing boards.

2. To provide "yardsticks" which help to measure public acceptance of new styling concepts.

The new trio consists of a four-passenger sports convertible named Flight Sweep I, a four-passenger sports hardtop, a twin to the convertible, named Flight Sweep II, and the Falcon, a low-slung two-passenger roadster.

The cars are sports types, but were designed to suit American tastes with no European influence.

The powerful Flight Sweep I was built on a modified production chassis, and incorporates many unique construction details. Clean body lines, were achieved by welding the front fenders, cowl and body to the frame. The front sheet metal and rear curves under the bumpers giving the car a finished, closed-in effect.

Only 53-⅛ inches high, Flight Sweep I seats four passengers. Overall length of the Flight Sweep I is 207 inches, more than three inches longer than a Plymouth four-door sedan.

The car windshield slopes sharply at an angle of 56 degrees. Its upswept rear fenders and taillights form a trailing fin motif accented by a sweeping side character line.

Other features include curved side window glass, flared wheel openings with ribbed chassis shield and a unique two-piece counterbalanced deck lid with spare tire externally mounted in the lower lid and tire cover mounted in the upper lid.

News in Brief

Charged with reckless driving, William Schwartz, 19, of Walled Lake, paid a $50 fine and $25 costs, Monday after he pleaded guilty before Sylvan Lake Justice Joseph Leavy.

Paul Maison, 26, of Royal Oak, paid a $100 fine and $25 costs yesterday after pleading guilty to driving under the influence of liquor before Bloomfield Hills Justice Alva J. Richardson.

Firestone Balloting on Strike Thursday

AKRON, Ohio (INS)—Employes at eight Firestone Tire and Rubber Co. plants throughout the country are scheduled to take a strike vote beginning Thursday.

Meanwhile, negotiators from the CIO United Rubber Workers union and Firestone Co, officials continue to huddle in an attempt to work out a wage boost.

Negotiations began last Tuesday, but very little progress has been made.

The company employes some 22,-000 workers.

About one-fourth of all Americans who die from disease before they are 45 years old die of cancer.

Auto Inventory Stocks Rising

Automotive News Says Increase Follows Slack in July Sales

DETROIT (AP)—Dealer inventories of new automobiles totaled 836,262 units on Aug. 1, Automotive News reported today.

* * *

This was the third straight month in which field stocks topped 800,000 units, the paper said on July 1 dealers held 813,591 cars. The trade paper attributed the increase to lower July sales. It added:

"At current sales rates, this stock of cars would keep dealers supplied six to seven weeks without further factory shipments.

"Dealers in some lines are expected to have as long as 10 weeks between the end of 1955 model shipments and the beginning of 1956 model sales, although the average is due to be about five weeks."

* * *

Automotive News said also that in this year's January-June new car sales of 3,519,629 units, Chrysler "scored important new car penetration while Ford declined substantially."

It put Chrysler's share at 638,-195 or 18.13 per cent of the industry total against 390,939 or 13.88 per cent in the comparable 1954 period. Ford's total was 935,370 or 26.58 per cent against 878,838 or 31.20 per cent. General Motors' volume was 1,768,308 or 50.24 per cent against 1,387,-681 or 49.26 per cent.

As previously reported Chevrolet returned to first place in the new car registrations by topping Ford in the January-June sales volume. The figures were Chevrolet 756,317 or 21.49 per cent of the industry total; Ford 741,481 or 21.07 per cent.

* * *

In the fight for third place in new car sales Buick's sales were listed at 381,693 or 10.84 per cent and Plymouth at 343,711 or 9.76 per cent.

Wading Child Drowns

YPSILANTI (AP) — Nine-year-old Steven A. Wallace of Wayne drowned Monday when he slipped into a deep hole while wading in Belleville Lake. Steven and his brother Robert, 11, had been taken to the lake by their brother, Ralph, 19, who had just been discharged from the army.

STATE OF MICHIGAN—In the Probate Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning Ann and William Whiting, minors. Cause No. 14093.

To William and Dorothy Whiting, parents of said children.

Petition having been filed in this Court alleging that the present whereabouts of the parents of the said minor children is unknown and said children are dependent upon the public for support and that said children should be placed under the jurisdiction of this Court.

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Court House in the City of Pontiac in said County, on the 30th day of August A.D. 1955, at two o'clock in the afternoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 11th day of August A.D. 1955.

Seal ARTHUR E. MOORE, Judge of Probate.

A true copy GEORGIENA R. MURTHA, Probate Register, Juvenile Division.

Aug. 16, 1955

NOTICE IS HEREBY GIVEN OF A public hearing to be held by the Waterford Township Zoning Board at the Township Hall, Wednesday, September 14, 1955 at 7:30 p.m. to consider the following changes to the Zoning Map.

1. The change from Residence District 1 to Commercial District 1 the East ½ of lot No. 2 of Supervisors Plat No. 12 located on Cooley Lake Road in Section No. 31.

2. The change from Commercial District 1 to Residence District 1 lots 1 to 5 inclusive of Lincolnshire Subdivision located on Cass Lake Road in Section No. 26.

All persons interested are requested to be present.

A copy of the Zoning Map together with a list of the proposed changes is on file in the office of the Township Supervisor and may be examined by any one interested.

ADSIT STEWART, Chairman Zoning Board.
LOUIS G. BARRY, Waterford Township Clerk.
Aug. 16, Sept. 6, 1955

J. S. MAHONEY

J. S. Mahoney Named to Pontiac Position

Appointment of J. S. Mahoney as an assistant sales promotion manager in Pontiac Motor Division's central office has been announced by H. E. Crawford, general sales manager.

Mahoney, who joined the Pontiac sales organization in 1949, has held positions in the Pontiac zones located in Pontiac, Oklahoma City, and Kansas City. His most recent post was assistant zone manager in the Kansas City zone.

Mahoney succeeds J. C. Cheesbrough who was transferred to Pontiac's Pittsburgh zone as zone manager.

Atom Resistant Plant Planned

Detroit Tool Company Designs Structure in Case of Attack

DETROIT (AP)—A tool manufacturing company announced plans today to build a factory designed to resist atomic radiation in event of enemy atom bomb attack.

Cross Co., which makes automation machinery and special machine tools, said it will build a new $4,000,000 plant which will have walls "of materials that will resist radioactive rays."

The plant will be 16 miles from Detroit. The company said this is in keeping with government policy of asking industry for dispersion of factories connected with defense work.

Cross did not make public the details of the factory walls construction.

Besides the radioactive-resistant walls, the factory will have "waterpond" roofs as a disguise against air attack. The roofs will look like small lakes from the air.

The plant will have an air raid warning system.

The plant, employing 400 persons, will be built on a 65-acre site on 14 Mile Rd. and Groesbeck Hwy.

In announcing the company plans Milton O. Cross Jr., president, said it is the "businessman's responsibility to do everything in reason to safeguard employes and shareholders' investment from the dangers of atomic warfare."

300 Turn Out for Meeting

Troy Charter Gets Point-by-Point Review With Issues Debated at Public Hearing

TROY TOWNSHIP—Some 300 residents turned out for a public meeting at the Troy High School last night, to discuss the proposed charter for the new City of Troy.

The charter was reviewed chapter by chapter by members of the Charter Commission and Norman R. Barnard, township supervisor.

Some residents took issue at the city-manager form of government, and the question arose as to whether election of a mayor by the people might not be better. Those attending were divided on the issue, some advocating the mayor form and others speaking for the city-manager type of government as being more efficient.

Under the tentative charter, a mayor and mayor pro tem would be appointed by the seven city commissioners, rather than elected, and a qualified city manager hired to run the city.

ELECTIONS ARE ISSUE

Some objections were voiced to the proposed non-partisan type of government, whereby city commissioners would be nominated for a single election by means of petitions from resident voters. Some favored the partisan system with a primary election, but here again opinion was divided.

A clause restricting the employment in city jobs of relatives and spouses of commissioners and city manager was generally favored, although some felt that no restrictions should be set.

The Charter Commission will gestions and new proposals. Subsequently commissioners will hold several sessions to revise the charter, preparatory to submitting it to Gov. G. Mennen Williams before the Sept. 9 deadline.

VOTERS TO DECIDE

If the governor approves the charter, it will then come before the people at an election, where it will be approved or rejected by vote of the people. A seven-man city commission also will be chosen at the election.

Barnard today stressed the importance of re-registering.

Registrations are being accepted daily from 8:30 a.m. to 5 p.m. Mondays through Fridays, until 8 p.m. Tuesdays, and from 8:30 a.m. to noon Saturdays.

Everyone who lives in the boundaries of the new city must re-register in order to vote on the charter and city commission, and to sign petitions for nominees to the city commission, Barnard pointed out.

Metamora MOMS Dedicate Plaque to Servicemen

METAMORA—A plaque bearing the names of more than 130 servicemen was dedicated at the last meeting of the Metamora MOMS unit, and officers of the organization were installed.

The plaque will be hung in the Metamora State Savings Bank.

Three officers of the State Board of MOMS were present to install the new officers.

The new president is Mrs. Cleve Raymond; Mrs. Frank Gordert and Mrs. Earl Stone are vice presidents; Mrs. Clarence Rose, financial secretary; Mrs. Rush Miller, recording secretary; Mrs. Harry Whittaker, corresponding secretary; Mrs. Mark Russell, treasurer, and Mrs. John DeGroot, chaplain.

Businessmen Meet

UNION LAKE—The Union Lake Businesemen's Association is holding a luncheon meeting today at Morey's to discuss future projects.

Oxford Church Holding Daily Bible Classes

OXFORD — The Oxford First Baptist Church started its daily vacation Bible school yesterday. Classes will be held through Friday, from 9 to 11:30 a.m.

The school will feature Bible stories, handicraft work and other Christian activities. A number of surprise gifts and contests will be offered the children.

Magic, with a Gospel application, will be a daily feature.

The school is under the direction of the Rev. Hubert Karl of the Rural Bible Mission, Kalamazoo. Pastor of the church is the Rev. Robert G. Morris.

Marlette Man to Marry Kansas City Girl

MARLETTE—The Rev. and Mrs. G. J. Goodwin of Kansas City, Mo. have announced the engagement of their daughter Maxine, to A2-c Gerald Davies stationed at Knoxville, Tenn. He is the son of Mr. and Mrs. Alvin Davis of Marlette.

No date has been set for the wedding.

Marlette Airport Builds 2,700-Foot Landing Strip

MARLETTE—A new 2,700 foot landing strip is being built at Marlette Airport which will permit the landing of heavier aircraft and aid in night landings.

Jay Westover, using heavy farm equipment, is doing most of the work on the project.

Boy Scouts Plan Saturday Event

5 Troops, Explorers Slate Fair at Waterford CAI Building

WATERFORD TOWNSHIP—Five Boy Scout Troops and an Explorer Post have banded together to present a Boy Scout Fair Saturday at the CAI Building on Williams Lake road.

Troops 31, 34, 51, 61, and 120 and Post 34 are uniting efforts for this event which begins at 12 noon and ends at 11 p.m. Proceeds will be used to buy camping equipment.

Exhibits and demonstrations of Scout crafts will be shown throughout the day. Two programs of original skits and stunts are scheduled for 3 p.m. and 8 p.m.

Door prizes and a grand prize of an aluminum canoe also will highlight the fair.

Kenneth Jones, assistant district commissioner, is chairman for the event; George McMichaels is secretary, and Harold Pattison, treasurer.

Walter Day is in charge of the program; Albert Lyons, prizes; Ed Galloway, floor managment; Larry Stack, ticket sales; and Frank Hickok, advertising.

An American patent conveys to an inventor and his heirs the exclusive right to make, use and sell his invention for a period of 17 years.

Margaret JoAnn Calvert Wed to Thomas D. Stone

MRS. THOMAS D. STONE

LAPEER — Nuptial Mass was celebrated Saturday morning by the Rev. Father Jos. J. Bohr in the Church of Immaculate Conception for the marriage of Margaret JoAnn Calvert and Thomas D. Stone.

The bride is the daughter of Mr. and Mrs. Edward M. Calvert of 706 Franklin St., Lapeer. The bridegroom is the son of Mr. and Mrs. Henry Stone of 12527 Strasburg St., Detroit.

The bride wore a waltz length dress of embroidered tulle, fashioned with a strapess bodice and a dainty bolero jacket. The skirt was tiered in bouffant style, and she wore a fingertip veil held in place by a seeded pearl bandeau. Her bridal bouquet was of white roses centered with an orchid.

Mrs. Beverly Lancto of Flint assisted as matron of honor and the bridesmaids were Joan Holden of Trenton and Nancy Gillard of Imlay City. Little Karol Haubrick of Lapeer was the flower girl. Ringbearer was Alan Secord of Saginaw.

Best man was Henry Ruggiroli of Detroit and attendants were Robert Holloway of Ann Arbor and Thomas Dunn of Springfield, Ohio.

Some 200 guests attended the reception, held Saturday afternoon at the Lapeer Country Club.

The newlyweds are spending their honeymoon in Northern Michigan.

On their return they will make their home in Detroit, where the bridegroom is a student at Wayne University Law School. The bride has taught school for the past two years at Auburn Heights.

Bowling Teams to Form Tomorrow at Holly

HOLLY — A meeting of bowlers will be held at the Holly Bowling Lanes at 8 p.m. Wednesday.

The various league teams will then make arrangements for the coming season. New bowlers are especially invited.

Sanilac 4-H Fair Opening Today

Selection of Bean and Dairy Queens Highlight; Prizes Total $4,000

MARLETTE — A colorful performance by the Sanilac Saddle Club will spark the first night's activities at the Sanilac 4-H Fair which opened today at the Sandusky Fair Grounds.

Besides 4-H and Future Farmers of America exhibits, the fair is featuring displays in art, needlework, canned goods, grain, garden vegetables, dairy products, flowers, saddle horses, farm animals and machinery.

Two queens will be chosen to reign over activities. Selection of a dairy queen is scheduled for Wednesday night. A county bean queen will be part of the 8:30 p.m. program Friday.

Thursday afternoon a baton twirling contest will take place.

Cash awards for fair contest winners will total over $4,000.
