Man Gets $50,000 in City Holdup

By JIM LONG and MEL NEWMAN

Pontiac police today are searching for a gunman who held up two employes of the GMTC Employees Federal Credit Union, 939 Woodward, about 11 a.m. and stole $50,000 in cash.

The employes, Richard Eldred and Louis Giddings, were in the parking lot of the credit union when they were approached by the bandit, a white male in his early 20s who reportedly was carrying a revolver.

Eldred is the assistant treasurer of the credit union and Giddings is the collection manager.

They were returning from the Community National Bank branch next door when the gunman ordered them to turn over a white canvas bag containing the money, which was to be used for the cashing of payroll checks.

★ ★ ★

Eldred and Giddings told police that they had seen the man sitting on a park bench near the credit union when they went to the bank to pick up the money.

ORDERED TO TURN AROUND

Police said the bag contained $35,000 in 20s, $10,000 in 10s, $3,000 in fives and $2,000 in ones.

After handing over the bag, Eldred and Giddings were ordered to turn around. It was not immediately known in which direction the bandit fled.

He was on foot.

★ ★ ★

Ronald Wilde, treasurer and general manager of the credit union, contacted police, who set up blockades moments after the robbery.

TRACKING DOGS USED

Tracking dogs were brought in for the search.

The gunman was described as about 5-feet-10 and 160 pounds, with brown hair and a thin face.

He was wearing a black leather jacket and dark pants, police were told.

Wilde said that this was the first such robbery in the credit union's history.

★ ★ ★

The credit union was established in 1936 and has been at its present site across from St. Joseph Mercy Hospital for six years.

Pontiac Press Photo

ROBBERY SCENE — Two employes of the GMTC Employees Federal Credit Union, 939 Woodward, were robbed this morning of $50,000 outside their office as they carried the cash from the Community National Bank Branch next door. The bandit escaped on foot.

Gov. Nelson A. Rockefeller

Rocky in GOP Race for Presidential Bid

ALBANY, N. Y. (AP) — Gov. Nelson A. Rockefeller became an active candidate for the Republican presidential nomination today, saying he had decided to fight for the office because of concern over "the gravity of the crises" that confront the American people.

Abandoning the "available" posture he had assumed only 40 days ago for a more aggressive role, the 59-year-old New York governor explained:

"I frankly find that to comment from the sidelines is not an effective way to present the alternatives — the alternatives that I believe can lead us out of our difficulties — to order and progress at home, to peace and understanding abroad."

Rockefeller told of the change in his political posture at a State Capitol news conference televised across the nation. It had been known in advance that he would announce his active candidacy.

★ ★ ★

Shortly before he went before the cameras, it became known that he had sent a telegram to a group of supporters in Vermont saying he would seek the nomination to "give our party a choice of candidates and programs."

The only other major candidate for the GOP nomination is former Vice President Richard M. Nixon, with whom Rockefeller does not see eye-to-eye on government philosophy.

Rockefeller set forth four reasons in his announcement of candidacy.

He said he had decided to run because of:

● "The dramatic and unprecedented events of the past weeks have revealed in most serious terms the gravity of the crises that face us as a people."

He did not elaborate on the point, but Rockefeller associates said he had been deeply disturbed by the assassination of Dr. Martin Luther King Jr.

● He found, he said, that could not offer alternatives effectively from the sidelines "in the new circumstances that confront the nation."

● Numerous people, within and outside the Republican party, "have urged me to take this step—to foster as an active candidate the discussion and debate that sustains our democracy."

● He is "deeply disturbed by the course of events—growing unrest and anxiety at home, and the signs of disintegration abroad." He underscored the word "disintegration" in the text of his official announcement.

Local Girl, 19, Is Found Alive After Kidnaping

A 19-year-old Pontiac wife, reported kidnaped at gunpoint from the Pontiac Mall late yesterday, was found alive this morning near Columbiaville, Lapeer County.

MRS. KINNISON

Oakland County sheriff's deputies said Mrs. Norman Kinnison of 435½ University contacted the Lapeer County Sheriff's Department about 9:30 a.m. after her alleged abductor left her in her father-in-law's car on North Lake Road.

There was no report of her condition, except that she was able to walk from the car to a nearby house and call officers.

Sheriff's personnel from both counties and State Police immediately began a search for the man who reportedly forced her to accompany him from the shopping center about 9:30 p.m.

★ ★ ★

The manhunt is concentrated in a heavily wooded area of the Flint River Reservoir about a mile south of Columbiaville.

FIRST HEARD OF ABDUCTION

Deputies were first told of the abduction shortly after midnight, when Mrs. Kinnison's 14-year-old brother in-law, Frank Kinnison, walked into the Walled Lake Police Department.

He told officers that he and the victim had driven from her place of employment at Hudson's Department Store to a Mall supermarket.

Frank said he was waiting in the car while Mrs. Kinnison was purchasing cigarettes when the man approached and brandished a derringer-type pistol and a long-bladed knife.

★ ★ ★

When Mrs. Kinnison returned to the car, she was ordered to drive to the Benstein-Bass Lake Road area of Commerce Township, where the youth was freed, deputies were told.

WALKED ABOUT 2 MILES

Frank then walked about two miles to the Walled Lake department, deputies said.

★ ★ ★

Deputies said tracking dogs are being used in the search for the abductor, described as a dark-complected white man in his early 20s and wearing dark clothes with a plaid shirt.

News Briefs From Wire

DETROIT (AP) — Michigan Gov. George Romney would be willing to accept a position as Republican vice presidential candidate under Richard M. Nixon, says U. S. Sen. Robert P. Griffin, R-Mich.

And, adds Griffin, a Nixon-Romney ticket is "the best I can think of."

Griffin said if the Republican party decided it needed the governor's services, "George would take it."

Ike Is Hospitalized

MARCH AIR FORCE BASE, Calif. (AP) — Former President Dwight D. Eisenhower, suffering "some chest discomfort," was flown to the March Air Force Base hospital last night for treatment.

"We are not calling this a heart attack," his military aide said.

The 77-year-old general played golf yesterday at Palm Springs, near his winter home, but a short time later called in his personal physician. The temperature reached 100 during the day.

Several hours later, two Army helicopters landed in front of Eisenhower's home in Palm Desert. Twenty minutes later, Eisenhower was being carried into the hospital on a stretcher.

Doctors Not Licensed

LANSING (AP) — A state official said today his department had confirmed reports that at least 10 doctors, not licensed for general practice in Michigan, had been employed by Detroit's antipoverty program.

Thomas S. Van Tiem, chief deputy director of the Department of Licensing and Regulation, said the 10 were foreign doctors who were in the United States for training and were licensed only for limited practice in certain hospitals.

7th Heart Recipient Dead in France

PARIS (AP) — Europe's first heart-transplant patient, a 66-year-old retired French truck driver, died today 51½ hours after he was given the heart of a young man.

The new organ functioned well, doctors said, but the patient could not overcome an insufficiency of blood to the brain.

Clovis Roblain succumbed at 10:30 a.m. never having regained consciousness after the transplant.

He had undergone a nine-hour operation Saturday night.

Dr. Maurice Mercadier, the head of the surgical team at La Pitie Hospital, hinted that Roblain may have been too old to weather the transplant.

"We have learned from this first attempt that technically a transplant is perfectly possible but that we must have a patient sufficiently resistant to have a chance of success," the physician said.

He said his team — which had conducted experiments in a hospital basement for lack of space — would go ahead with another heart transplant "if the conditions of a patient who would undergo a transplant are more favorable."

Roblain's death leaves only one survivor from the seven human heart transplants which have been reported.

★ ★ ★

He is Dr. Philip Blaiberg, a 58-year-old retired South African dentist, who was given a new heart on Jan. 2.

NOW DRIVING CAR

He was discharged from a Cape Town hospital more than six weeks ago and is now reported driving his car in heavy traffic.

FEELING OF CHAGRIN

"My feeling as a man is one of chagrin," Mercadier said.

"My feeling as a surgeon is that one must overcome this chagrin and work hard to renew what we have done."

Pontiac Press Photo

TOP GUNS—Pontiac Police Chief William K. Hanger (right) and Patrolman Richard Adams display the team trophy won by the city department in pistol competition against Oakland County Sheriff's Department and Michigan State Police teams last week. Adams was the individual high scorer in the week-long competition, sponsored by The Pontiac Press.

City Police Win Pistol Contest

Pontiac police won first and second place awards in a week-long pistol competition sponsored by The Pontiac Press.

Other teams participating in matches, which ended yesterday, were from the Oakland County Sheriff's Department and the Michigan State Police Pontiac Post.

Compiling a score of 2,241, members of the first place team are Richard Adams who scored 576, Robert Verbine, 570, Neil McCormick, 548 and Keith Kissinger, 547.

A second Pontiac police team scored 2,150 points. Team leader was James Lafnear, 560, followed by Gerald Kolb, 546, Stanley Helgemo, 543, and Robert Emery, 501.

Third place was taken by a team from the sheriff's department with a score of 2,087. Individual scorers were Robert Potts, 526; Frederick Scholz, 523; William Elliott, 520; and Dennis K. Nash, 518.

Adams' 576 score also won him first place trophy for individual performance.

Fourth and sixth place awards were won by teams from the Michigan State police post in Pontiac, while another Pontiac Police Department team took fifth place.

Seventh place went to a team from the sheriff's department.

Warmer Weather Forecast for Area

Ol' Sol is expected to push the temperatures up through Thursday.

The weatherman forecasts sunny and mild today with the high reaching the mid 60s. Fair and cool, with a low of 40 to 46, is tonight's prediction.

Partly sunny and a little warmer is the outlook for tomorrow. Partly cloudy and warmer is Thursday's forecast.

This morning's northwesterly winds at seven to 15 miles per hour will become north to northeast at five to 10 miles tonight.

★ ★ ★

Precipitation probabilities in per cent are: today and tonight 5, and 10 tomorrow.

Forty-four was the low temperature prior to 8 a.m. in downtown Pontiac. The 2 p.m. reading was 59.

'U.S. Spray Killed 200'

TOKYO (AP) — The Communist Pathet Lao has charged that toxic spray from U.S. planes has killed 200 persons in southern Laos, North Vietnam's official news agency said Monday.

U. S. Says Reds Massacred 1,000 in Hue

SAIGON (AP) — Communist forces executed more than 1,000 persons during the February offensive in Hue, the U.S. Embassy reported today.

The embassy made its atrocity charge as the U.S. Command reported hard fighting around Hue, the former imperial capital, and U.S. B52 bombers extended their raids into Laos to protect American troops sweeping the A Shau Valley gateway to the northern city.

The embassy said its report was based on information from allied sources and the South Vietnamese national police.

It said the victims were found in 19 separate mass graves.

"Many had been shot, some beheaded," the report said. "A number of bodies showed signs of mutilation. Most were found with hands bound behind their backs.

"Evidence also was discovered of victims having been clubbed unconscious prior to being buried alive."

The report said one South Vietnamese political warfare officer who helped investigate the executions estimated that almost half of the victims had been buried alive.

One Buddhist monk told investigators there had been nightly executions during the Communist occupation of the city, which U.S. and South Vietnamese forces retook after weeks of hard fighting.

Across South Vietnam from Hue, America's biggest bombers attacked North Vietnamese troop concentrations in Laos Monday and today, military sources said.

Their aim was to scatter sizable enemy forces reported just across the border from the Shau Valley, the major North Vietnamese staging base in the northern part of South Vietnam.

Allied intelligence officers believe the enemy has been readying a new attack there, to be aimed at Hue and other cities in the northern provinces.

The U.S. Command would not comment on the reported B52 raids on Laos, its customary policy toward U.S. operations in that supposedly neutral country.

Allied expectations of new attacks on Hue were heightened by two sharp clashes yesterday.

U.S. Marines and South Vietnamese infantrymen smashed enemy forces menacing the old imperial city, Da Nang and vital allied supply lines in the northern provinces.

Birmingham

3 Hearings on Rezoning Postponed

BIRMINGHAM — The City Commission last night postponed three hearings on rezoning of property and vacating of an alley in the Ann Street area, as City Planning Director William Brownfield had recommended.

★ ★ ★

However, instead of rescheduling the hearings to early July, as suggested by Brownfield, the commission set a date of May 20 for two hearings and June 24 for the third.

The hearings to be held May 20 include rezoning of portions of Assessor's Plat 4 and Grove's Addition to the city's new row or town-house R-8 classification, and vacating of an alley extending from Landon to Lincoln west of Woodward.

The principal hearing, on rezoning to R-8 property bounded by Ann, Lincoln, Floyd, George, Purdy and Landon, will be held on the June date.

★ ★ ★

Brownfield had urged that the hearings be delayed until after completion of the entire Ann Street study, which has been conducted by the planning board for about two years.

NEW DATE

The commission also set a new date — May 13 — for discussion of two reports from Building Official Harold C. Weber, one recommending reciprocal heating and refrigeration ordinance amendments and the other urging an increase in permit fees.

The report on ordinance amendments also includes a section which would establish a board of building trades appeals, to be the official body for hearing appeals on permit requirements.

The board would include contractors from each of the building trades as well as an architect and, as an ex officio member, the building official.

★ ★ ★

Weber recommended in the second report that the city's permit fees be increased by an average of 88 per cent.

'MUST BE SUBSIDIZED'

"A review of the income of this department received from permit fees," Weber commented, "indicates that this department has to be subsidized by general tax monies for its operation."

At least 40 per cent of the money for the department, he added, must be appropriated from general tax money.

"A further review of the fees currently being charged by other municipalities in the suburban Detroit area, and also the City of Detroit, indicated that our fees are substantially lower than any of the other areas," Weber continued.

★ ★ ★

The proposed rate structure, based on an average $40,000 single-family residence, would result in fee increases of 54 per cent for the building permit, 10 per cent for the electric permit, 116 per cent for the plumbing permit, 135 per cent for the heating permit, and 100 per cent for the air conditioning permit.

RECOMMENDATION

City Manager Robert S. Kenning recommended that the commission delay adoption of the ordinance amendments until May 13 to allow notification of building tradesmen.

In other business, the commission voted against extending golf privileges to residents abutting the city's two courses, Lincoln Hills and Springdale.

Darrel C. Middlewood, superintendent of parks and recreation, had recommended the change, pointing out the possible benefit to public relations.

★ ★ ★

Middlewood also reported on the status of tree planting planned for Chester north of Maple. The planting has been delayed, he said, due to holdups in shipment on both the fall 1967 and spring 1968 planting orders.

★ ★ ★

The superintendent also noted that federal and state planting programs have created a shortage of plant materials at the present time. The order for this fall, he said, would be placed early in an attempt to obtain quality material.

Building Strike Looms as Unions Reject Offer

DETROIT (AP)— Widespread strikes of building tradesmen loom tomorrow in Lower Michigan.

★ ★ ★

The unions have rejected an offer by the Associated General Contractors (AGC) to increase wages and fringe benefits six per cent in each of the next two years, and carpenters and bricklayers have served notice they will strike when current contracts run out at midnight tonight.

Demands for increases ranging up to 45 per cent are being made on all contractors.

Members of the Associated General Contractors employ some 55,000 building tradesmen in the Detroit metropolitan area, and other contractors usually follow their settlement.

★ ★ ★

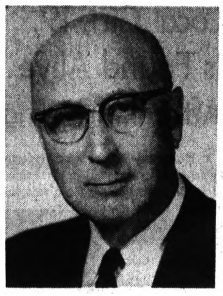
William Stewart, AGC secretary, describes the hopes of settlement as "grim," and builders have forecast that whatever settlement is reached is likely to increase the cost of new homes and buildings by as much as 10 per cent this year and next.

32 PCT. HIKE

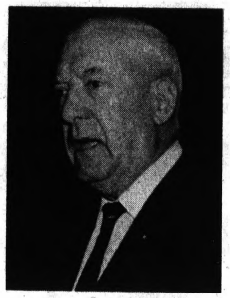
Carpenters, with a base pay of $5.06 an hour, are asking a 32 per cent hike in their gross: a total of $2.10, with $1.50 hourly in base wages.

★ ★ ★

Bricklayers, with a base rate of $5.44 and fringes run up to $6.35 gross, are asking what they say is an unspecified amount that would keep them fourth among building tradesmen.



ELBERT WILMOT



DR. HARRY GODSELL

New Officers Are Elected by Salvation Army Board

The Salvation Army Advisory Board of Pontiac elected new officers and honored one of its members for 25 years service at its annual meeting last night.

Reelected were Elbert Wilmot, chairman; Dr. Ralph D. Wigent, vice chairman; Mrs. Mac T. Whitfield, secretary; and Harcourt S. Patterson, treasurer.

The meeting, held at Greenfield's Restaurant in Birmingham, had approximately 100 in attendance.

Awarded a life membership on the advisory board was Dr. Harry Godsell, in recognition of his 25 years of service to the Salvation Army.

Godsell also received recognition from the Greater Pontiac Evangelical Ministers Fellowship and the City of Pontiac.

New members added to the Advisory Board were Carroll C. Braid, Dr. Walter Godsell and William Lacy.

Guest speaker was Salvation Army Major Walter Kennedy of Detroit.

Teamster Strike at Hudson's to Eventually Affect Pontiac

About 1,100 members of Detroit Teamsters Local 299 went on strike yesterday against the J. L. Hudson Co.

The strike is by teamster members working in the warehouses and on inside deliveries, according to a J. L. Hudson spokesman.

"In addition, our customer delivery and merchandise transfer truck drivers have refused to cross the picket lines and they are not working," he added.

The strike has not yet become a problem at the Pontiac Mall store but will eventually affect the flow of merchandise into the store, according to the spokesman.

★ ★ ★

Local 299 official Otto Wendell said the company's final offer for a new three-year contract was rejected overwhelmingly by the local's members at a meeting Sunday.

★ ★ ★

The old three-year contract expired April 21 but was extended for one week while negotiations continued, Wendell said.

Wendell said the main dispute involved the establishment of a pension program.

Company negotiators made their final offer Friday and a bargaining session was held Saturday to clear up the contract language, the Teamsters official said.

★ ★ ★

No further negotiations were scheduled when the strike began. The contract under negotiation would be the fourth three-year pact between the company and the Teamsters.

Hudson's spokesman added: "At the moment our appliance service department is not on strike and will continue to do appliance service and repairs. Merchandise can still be ordered with delivery and installation to be completed when the strike is over."

DONALD F. LOPER

OCC Student in Trustee Race

A 43-year-old full-time student at Oakland Community College is not satisfied with a seat in a classroom; he wants a seat on the college's board of trustees.

★ ★ ★

Donald F. Loper, 3097 Avalon, Avon Township, will be on the June 10 ballot for election to the board.

He's studying for an associate degree in applied science, data processing, at Auburn Hills and Orchard Ridge campus.

He was a truck driver for 10 years until he was injured in 1966.

A resident of Oakland County for 12 years, he served as a Navy parachute rigger during World War II and attended a Los Angeles business school for one year.

He and his wife, Dorothy, have five children, four attending Avondale schools.

★ ★ ★

His statement:

"My three major objectives are to:

● "Assure all reasonable facilities for the best possible education of the students.

● "Create favorable conditions to attract and retain accomplished and dedicated instructors.

● "Give practical consideration to all expenditures of the taxpayer's federal, state and county funds.

★ ★ ★

"My basic philosophy is to have educational facilities utilized to the fullest extent, enabling students to broaden their horizons and fullfill their educational goals."

Pontiac Press Photo

NEW OWNERS—City Manager Joseph A. Warren (right) hands Charles Brown, Consumers Power Pontiac Division manager, a city check for $129,500, down payment on a land contract for purchase of the Consumers Power Co. 12-acre Wessen Street service facilities.

City Buys Wessen Site

The City of Pontiac today took over the 12-acre Wessen Street facilities from Consumers Power Co. On the site, at 55 Wessen, are an office building and a garage for repair of city cars, trucks and equipment, totaling about 55,000 square feet of building space.

The city purchased the land and facilities on a $520,000 land contract negotiated in March 1967. The down payment, $129,500, was paid by the city to Consumers Power today.

★ ★ ★

The department of public works, city engineering office, electric department and parks and recreation department will move in immediately.

Consumers Power has moved its service operation to a new center at 1030 Featherstone. The 27-acre site includes a 131,000-square-foot office and service building now being completed.

Charles F. Brown, Pontiac division manager for Consumers Power, said the move of equipment and employes from Wessen and the upper floors of the division office at 28 W. Lawrence will not affect customer facilities there.

The appliance store, customer contact employes, and other customer facilities, including payment of bills, free lamp bulb renewal and portable appliance repair, will remain on Lawrence.

The new service center will be open to public for visits later this year, according to Brown.

U.S. Laos Story Is False—Hanoi

WASHINGTON (AP) — U.S. officials voice confidence that agreement will be reached with North Vietnam on where to talk peace, but Hanoi says Washington dreamed up a story about preliminary contacts in Laos.

State Department press officer Robert J. McCloskey said yesterday there were two diplomatic exchanges in three days last weekend between U.S. and North Vietnamese representatives in Vientiane, Laos, adding no agreement was reached on a peace-talk site.

But the North Vietnamese Foreign Ministry said the United States "cooked up the story about 'private discussions' being continued in Vientiane."

NATIONAL WEATHER — Skies will be clear to partly cloudy tonight over the U.S. It will be warmer in the southern Plains and colder in the northeast part of the nation.

Also Powers for Mayor

Pontiac to Eye Police Pact

City commissioners tonight will consider resolutions to enable Pontiac to join a mutual-aid police pact and to give the mayor special emergency powers.

Commissioners last week received proposals on the items.

The proposed pact, called the North Oakland County Reciprocal Police Aid Agreement, has been approved by some of the 17 communities it is expected to eventually involve.

The pact outlines authority of officers who operate in communities other than their own during riots, rebellions, civil disturbances or other emergencies.

The agreement gives the police chief authority to determine when and where his men and equipment would be used in another community, and when a situation in his own community warrants seeking outside help.

★ ★ ★

The proposed ordinance outlining mayor's emergency powers gives him authority to proclaim an emergency situation, to issue orders to control sale and transportation of guns, weapons, explosives, inflammable material and liquor, to establish curfew hours and to control traffic and occupancy of buildings.

In other action at the 8 p.m. meeting at City Hall, the commission is scheduled to:

● Consider appointing a commissioner as representative to the planning commission.

● Receive a report from the State Public Service Commission ordering roadway gates at the Grand Trunk Western Railroad crossing at West Columbia.

● Consider a petition from the Crystal Lake (Street) Block Club opposing a request from the Pontiac Advancement Club for a new Class C liquor license.

Crusaders for Poor Voice Demands

WASHINGTON (AP) — The demands were strong, and they were voiced in blunt and angry words to top government officials. But the poor people who brought them to Washington made it clear they still expect a summer-long confrontation with their government.

"We will be back in 10 days," promised the Rev. Ralph Abernathy, leader of the Poor People's Campaign, at every stop. "We will be back for their answer, not 130 strong but 3,000 to 5,000 strong."

"We are going to back up our words with the most militant nonviolent direct action in this country's history," he added.

Abernathy repeatedly used "beautiful" Monday to describe the day, even though meetings ran hours behind schedule and the 130 advance troops never did keep appointments with some top officials — like Secretary of State Dean Rusk.

Emphasis was on the poor of varied ethnic groups from all parts of the nation—Negro, Indian, Mexican-American and white—coming together to say, in the words of one participant, "We're going to find a way to make these people do what they should do . . . we're tired of living the way we been living . . ."

And while campaign leaders promised over and over again they would start no violence in Washington, many of the participants indicated they might not abide by the same rules back in their home towns.

"We are not coming to Washington again," New York's Manuel Ortiz, a Puerto Rican, told Secretary of Agriculture Orville L. Freeman. "This is the last time. If our demands aren't met, we will stay in those ghettoes and tear them down brick by brick."

Specific demands, ranging from better Justice Department enforcement of existing laws to an overhaul of the Agriculture Department's food stamp and land retirement programs, were given in person to Freeman, Secretary of Labor W. Willard Wirtz, Atty. Gen. Ramsey Clark and acting antipoverty chief Bertrand M. Harding.

Cavanagh Decries Lack of Commitment

CHARLOTTE, N.C. (AP) — Detroit Mayor Jerome P. Cavanagh said Monday night he doesn't know "how much more this country can take . . . before tearing apart at the seams."

Cavanagh, speaking at Queen's College, a Presbyterian school for women, spoke on the problem of the cities, and their ability to meet them.

"I'm optimistic in that the tools are there, but I'm pessimistic that the commitment isn't there," he said. "We have the resources, but we just haven't committed them in the country."

Cavanagh said it was "too early" to say what effect the assassination of the Rev. Dr. Martin Luther King Jr. would have, but he added that the murder had little on the mood of Congress.

"This is very disheartening," Cavanagh said, "because I don't know how much more this country can take of the violence, disorder, riots — the sort of things that are tearing apart the fabric of our country."

Cavanagh said the Negro has become convinced that it is futile to believe in the sincerity of the white power structure and has turned to militancy and separatism for relief.

He added that most of the nation's citizens endorse what "might be called the hard line of their legislators — they willingly accept the proposition that social programs are a failure and that what is needed now is the preservation of order at all costs.

Some examples of "hard line" responses, Cavanagh said, are an increase in individual gun sales, arming of the police with battlefield weapons and a higher level of readiness in the National Guard.

Publisher Is Subpoenaed After Rebuffing Romney

DETROIT (AP) — Detroit News publisher Peter B. Clark was served with a subpoena today ordering him to appear at a meeting with Gov. George Romney at 10 a.m. Wednesday.

The meeting was called by Romney in an attempt to settle Detroit's 167-day-old newspaper strike. It was originally scheduled for today but was postponed after Clark said he would not attend because he felt other efforts to settle the strike were bearing fruit.

★ ★ ★

The subpoena was served on Clark in his office by Kenneth Templin, sergeant-at-arms of the State Senate.

It had been issued by the special Senate Committee to Investigate Newspaper Strikes at the request of Romney and Sen. Robert J. Huber, R-Birmingham. Templin said Clark accepted the summons "graciously." He said Clark indicated he would not take any legal action to counter the subpoena.

★ ★ ★

Clark was not available for comment.

In addition to Clark and Romney, Wednesday's meeting will be attended by Detroit Free Press Publisher Lee Hills and the heads of striking unions. Huber said he and Sen. Stanley Fozycki would sit in on the meeting.

Citizen Panel Suggests 7.7 Mills

New Avondale Tax Vote Urged

By JEAN SAILE

A recommendation that the Avondale Board of Education seek a 7.7-mill increase on the school ballot June 10 was made last night by the Avondale School District Citizens Study Committee.

No action was taken by the board, but a meeting was set for 8:30 p.m. next Monday at which time the report will be discussed and acted upon.

The figure is 5 mills less than the tax turned down by voters in the area Feb. 19.

The 25-man committee recommended the increase in view of: "Total income available under the present tax rate will not be sufficient to operate a quality education program."

The report, presented last night by Sam Sheehy, committee president, said, "To operate in accord with present policies and practices would require a millage increase of arpproximately 15 mills. This is far in excess of the residents' ability and willingness to support their schools."

SEVERAL REDUCTIONS

In an effort to achieve a balanced budget on the reduced increase, the committee recommended several reductions including **a 50 per cent reduction in capital expenditures, and a n administrative cut whereby one assistant to** the superintendent and his secretary would be named principal and secretary respectively at the new R. Grant Graham Elementary School when it opens compeltely next fall.

Other proposed reductions included the realization that Avondale Senior High School, put back on a regular schedule from its present extended day plan, would free 16 teachers.

Said Sheely, "If teachers seek a substantial increase in salary, we will have to reduce the number of teachers." He referred to negotiations now in process in the district.

* * *

A reduction in ancillary services such as elementary physical education, art and music was expected to be offset by the continuation of the community school program.

ADMISSION PRICES

Sheehy reported cuts in athletics will be minimal and admission prices to events will be raised slightly to offset costs.

He said buses would continue to pickup children living within 1.5 miles of their respective schools, but that service would be confined to main roads only.

A main point in the committee's recommendations was that the program be geared to reestablishing harmony and unity in the Avondale district.

* * *

Controversy developed after the last millage defeat when the board imposed severe cutbacks in services on an attempt to reduce the current year's operating budget deficit, currently projected at $80,000.

AIMED AT DEFICIT

Part of the 7.7 mills recommended by the committee is suggested for the elimination of the 1967-68 budget deficit.

The committee laid the fault of part of the district's financial problem on the fact that the assessed valuation of the district is about $4.5 million below anticipated value.

The average annual increase in assessed valuation over the past three years in the district has been about 15 per cent, the committee reported, but this year only a 3.32 per cent increase is foreseen.

Sheehy noted that cost increases due to inflation will call for 5 per cent increases in many areas of the budget.

IN JEOPARDY

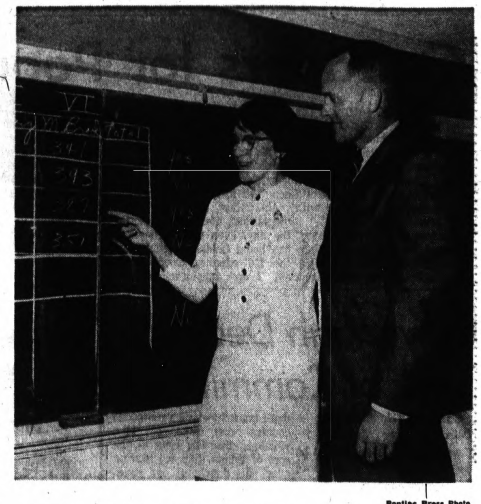
One of the recommendations of the committee was to seek a new means of school financing "since the present method has placed the future of rapidly growing suburban districts in severe jeopardy."

Sheehy denied allegations of Robert Thor, who has headed protest against increased taxes, that the committee was two-thirds composed of schoolteachers or people who have worked for the district.

He said, "There were three of us of the 25-member group who had a former school affiliation."

Thor's resignation from the study committee was accepted over the objection of Trustee Jack Slater. President Ray Isanhart and Trustees Jesse Holmes and Herbert Miller voted to accept.

Trustees Herbert E. Mills, Thomas F. Galloway and Edward I. Turner were absent from the meeting.



Pontiac Press Photo

LONE WIN—Rochester Board of Education Trustees Mrs. William Beardmore (left) and Martin McMurray point out the only bright spot in yesterday's defeated school tax vote. Meadow Brook Precinct 6 carried the 1-mill bonding issue by a margin of 36 votes. Even there the 11.5-mill operating increase and renewal was defeated. On a district basis, the margin of loss was nearly 2-1. Some 4,400 voters, a record number, turned out.

Troy Chooses New Contractor to Collect Trash

TROY — A new rubbish collection contractor will begin picking up this city's refuse tomorrow.

The City Commission has accepted the bid of Tringali Sanitation Co. of Warren in the amount of $213,613, based on current volume.

The city's present collector, Veterans Disposal Co. of Utica, had the low dollar bid of $213,210. However, commissioners, citing pickup schedule difficulties encountered in the past, voted unanimously to accept the Warren firm's bid.

Both companies quoted the same price — 30 cents — on curbside pickup, which comprises better than 50 per cent of the city's volume.

* * *

In other categories, prices differed slightly. **Tringali prices were lower on** off-curb pickup, servicing of special mechanically-emptying containers, and special unrouted collections.

Veterans offered a lower bid on apartment and trailer-park service.

Both bids were more than double the amount of the present Veterans contract, soon to expire. That contract, also based on current activity, was for $99,481.

Improvement Projects Up for Board Action in W. Bloomfield Twp.

WEST BLOOMFIELD TOWNSHIP — Several improvement projects will come up for action by the Township Board at its meeting tomorrow at 8 p.m. at the Township Hall.

On the agenda is the question of advertising the sale of bonds for sanitary sewers in Bel-Aire and New England Estates and for water service in Sylvan Manor.

The board may also set a public hearing on paving Walnut Lake Road and for sanitary sewers in Supervisor's Plat No. 9.

Also to be considered is the final preliminary plat of the 40-lot Lone Pine Valley subdivision on the northeast corner of Lone Pine and Middle Belt.

The plat of Coleman and Moss Inc., Bloomfield Township, has received approval of the Township Planning Commission.

JAYCEE WINNER — Richard Calk, **8798 War Bonnet**, Commerce Township, **has won the Speak-Up award from Oakland County** Jaycee groups for his speaking talents. A member of the Union Lake Jaycees, Calk will face statewide competition at the annual Michigan Jaycee Convention May 9 and 10 in Grand Rapids.

Car-Crash Injuries Fatal to Flint Man

A 22-year-old former Lapeer County man died yesterday in Hurly Hospital, Flint, from injuries received in an auto accident Saturday night.

* * *

A spokesman for the Lapeer County Sheriff's Department said Thomas Roy King, of Flint, was traveling south on Gulf Road at 9:26 p.m. at "what was believed to be a high rate of speed" when he lost control of his car. The vehicle rolled several times, said police.

* * *

King was taken to Lapeer County Hospital, then transferred to Hurly, where he died at 3:15 p.m. yesterday.

Avondale Board Favored in Key Labor Decision

What Avondale School District administrators feel may be a history-making ruling by the State Labor Mediation Board has been decided in the district's favor.

Schools Supt. John W. Dickey said he was informed recently that a suit brought by the Avondale Federation of Teachers and the Michigan Federation of Teachers against the district had been dismissed.

The AFT, though voted out of official capacity by teachers' selection of the Avondale Education Association as sole bargaining agent, had contended that the district should deduct AFT dues from members' pay checks and that the union should be allowed the use of the internal mailing system and faculty bulletin boards.

The district had refused both requests.

The charges were filed in September 1966.

* * *

Dickey said since that time similar suits have been filed against several other districts in the state.

8-Mill Hike OK'd for S. Lyon Schools

SOUTH LYON — Voters in the South Lyon Community Schools district have appfoved an 8-mill tax levy increase and a $530,000 bond issue.

* * *

The recent vote on the millage was 856 to 631; on the bond issue, 825 to 597.

The 8 operational mills for five years will appear on the December tax bill. There is no increase in millage because of the bond issue.

The district now levies 18.1 mills for operations and 8 mills for debt retirement.

* * *

The millage increase, expected to bring in about $300,000, will finance the opening of the new high school on Nine Mile and Pontiac Trail this fall, said Supt. Frank Bartlett.

Pontiac Press Photo

MOTHERS AT WORK — Area women (from left) Mrs. Lucille Hartwick, 365 Kintyre, Lake Orion, Mrs. Clifford Neil, 4719 Waldon, Independence Township, and Mrs. William Glass, 5495 Williams Lake, Waterford Township, sort through some of the donations for shipment to American soldiers in Vietnam.

Benefit for GIs in Vietnam War Draws Big Crowd in Orion Twp.

ORION TOWNSHIP — It was a giant vote of confidence for the soldiers in Vietnam.

Cars lined Baldwin Road for three-quarters of a mile in either direction from the Catalina Lounge, 4313 Baldwin, and people stood two abreast from the lounge to the road waiting for the opportunity to attend a benefit dinner sponsored last night by some 35 area women at the lounge.

Entertainers from Pontiac and Detroit donated their talents and time to provide continuous entertainment for a'n estimated 1,100 diners.

The dinner raised $1,200 for sending gift boxes to the soldiers. Donations of items for the boxes were also accepted at the lounge.

* * *

What the women are looking for now is a means of ferrying some 1,200 pounds of freight to San Francisco where the boxes can be mailed for about 40 cents each.

EXPECT DONATION

Said one worker, "It would cost $5 to $8 a package to mail them from here. We've got to find a way to get them out in the next two to three weeks."

* * *

Some of the women had baked desserts for the dinner. Chief Pontiac Post of the American Legion color guard members turned out to donate $50 to the cause. Items were donated for an Eagles-sponsored auction to raise additional funds.

5.5 Mills Backed in Huron Valley

Forty members of the Huron Valley citizens committee last night affirmed that they will recommend a proposal of 5.5 mills for two years for the June 10 ballot.

The recommendation goes before the board of education May 8. The committee was formed by the board to study the district finances and propose a millage amount.

The committee vote was unanimous, according to the group's publicity cochairman, Mrs. Hugh Davies.

District residents now pay 23.6 mills for operation and 7 mills for debt retirement.

* * *

Each mill brings in $75,000, said Mrs. Davies.

COVER DEFICIT

Three of the 5.5 mills proposed are earmarked to cover an anticipated $237,000 deficit. This figure appears in the tentative 1968-69 budget approved by the board and sent to the Oakland County Tax Allocation Board.

The remaining 2.5 mills are earmarked for expected increased costs, said Mrs. Davies.

Plan for 2-Mill Tax Hike Encounters No Opposition in Hearing at Rochester

ROCHESTER — There was no dissent from the audience of about 15 persons last night as the City Council moved to raise taxes 2 mills, in line with a proposed $938,000 budget.

The open hearing on the budget was last night, but formal action will not be taken until the council's May 13 meeting.

The money, more than $200,000 over last year's budget, is expected to:

- Finance a large increase in garbage collection prices.
- Partially pay for a new fire truck.
- Meet increased wage and salary demands.
- Buy additional police equipment.
- Provide consultant fees for the planning commission.
- Pay for a study of downtown parking.
- "In all likelihood" help to fund the Woodward Memorial Public Library.
- Resurface some streets.

Said Mayor Roy Rewold, "What we are offering is still low in millage compared to other villages around."

* * *

Most of last night's audience was present to hear the council consider the special assessment roll for South street paving.

ORIGINAL PLAN SCRAPPED

Residents objected to only a partial paving of the street, proposed from east of the Main Street bridge to the east city limits. The special assessment roll as originally set up was canceled.

The council voted instead to pave the street from First to the easterly city limits. New investigations will have to be made and new rolls prepared.

Besides accommodating heavy truck traffic, the enlarged project will involve more property owners to share the costs, councilmen decided.

* * *

Of five bids to paint the Rochester water tank, the council accepted the second lowest, $16,000, from George Kountoupes Painting Co. of Detroit.

SANDBLAST NEEDED

Councilmen noted that the inside of the tank would have to be sandblasted and painted as well as the exterior repainted.

The low bid was unacceptable because of technicalities, according to City Manager William Sinclair.

Admission that building plans had "gotten out of hand" in regard to the proposed $125,0000 structure being built off West University by the 134 West University Corp. was made by Rewold.

He said, however, that "we are trying to get it squared away."

BASEMENT IS DUG

A basement has been dug, to accommodate a two-story office and commercial building.

Sinclair said he met with representatives of the builder and the city beautification committee in an effort to bring plans up to code and cooperation had been promised.

In other action, council refused to rezone from industrial to business a small portion of urban renewal property at 202 E. Third.

* * *

Such action had been recommended by the planning commission.

3-Meeting Series on Teens, Parents Is Set in Clarkston

CLARKSTON — An attempt to "Bridge the Generation Gap" will be made here with a series of three meetings beginning at 7:30 p.m. Thursday at the Clarkston Senior High School.

Dr. Arthur G. Riewald, director of the psychological education and consultation program of Birmingham, will discuss "Understanding Your Teen-Ager" at the first meeting.

A second program at 7:30 p.m. May 9 will feature Dr. Armin Grams, head of the human development program of Detroit's Merrill-Palmer Institute, on "Can Adolescents and Parents Communicate?"

The third program at 7:30 p.m. May 16 is labeled "Sex, Morality and the Teen-Ager" with Dr. Riewald as the speaker.

* * *

The programs are sponsored by the Independence Township Pastors' Association and related churches, the Jaycees, Jaycee Auxiliary and area PTAs.

Parents and teen-agers may obtain tickets at the door.

Oxford Twp. Dinner Set

OXFORD TOWNSHIP — The Community Association will serve a Swiss steak dinner at 5:30 p.m. tomorrow at Thomas Community Hall, 487 First.

Commerce Gets Planning Aid

COMMERCE TOWNSHIP—The township has received a $15,525 federal grant, enabling it to complete its master plan.

The township's share is $8,587, said Supervisor Robert H. Long. Already spent is about $10,000 for a preliminary plan finished last November.

Driker Associates, Inc., which did the preliminary plan, will probably have the master plan done in 18 months, Long said.

Besides a master plan, the grant from the Department of Housing and Urban Development also provides for a new zoning ordinance; a study of existing land uses, utilities and resources; subdivision regulations, a six-year capital improvement program; and a report on how to implement the master plan.

The preliminary plan has already been used as a guide for township rezoning, Long reported. It has been distributed to township residents for comments.

QUESTIONNAIRES

Residents also received questionnaires to aid planners in gathering data about the existing conditions. Some questionnaires have been returned and tabulated, said Long. But no conclusions have been reached, he added.

The township asked for the grant in April 1966. It proceeded on its own with the preliminary plan in April 1967.

The preliminary plan suggests that apartments be located near shopping centers or major traffic interchange areas.

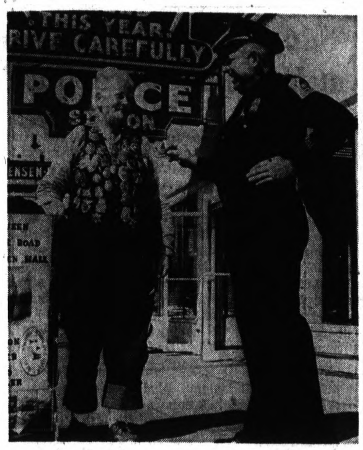
* * *

It also urges that sanitary sewers replace septic tanks as part of a capital improvement program.

Related data shows an increase in population from the current 13,500 to 14,700 by 1970 and 25,000 by 1980. The township comprises 28.33 miles.

* * *

The planning commission has given its approval of the preliminary plan, but amendments can still be made, said commission Chairman Ernest G. Campbell.



AP Wirephoto

NEW TOWN, NEW PATCH — Spokane (Wash.) Police Lt. Chester F. Harris presents Mrs. Helen Hall, a 70-year-old Philadelphia self-styled "queen of the road" with a Spokane police patch. The woman has been pushing a shopping cart across the U.S. and has worn out 10 pairs of shoes. The widow says she started her walk three years ago as a protest against the Philadelphia Welfare Department.

16,000-Mile Walk by Protesting Widow

SPOKANE, Wash. (AP) — Helen Hall, 70-year-old Philadelphia widow, dressed in overalls and pushing her shopping cart, arrived in Spokane Monday 16,000 miles from where she started.

For her it's a kind of national protest march, which so far has cost 10 pairs of shoes and six shopping carts.

★ ★ ★

Wherever she stops, Mrs. Hall heads for the nearest police station or sheriff's office for some food, a place to stay and probably a memento or a badge or patch.

She's found jail cells inexpensive, but "Those jail mattresses are too lumpy for me."

BADGES, PATCHES

She's not easily missed, pushing her market basket along the roadside. If that isn't enough, her overalls are covered with police badges and shoulder patches she's collected along the way.

Mrs. Hall started her marathon walk almost three years ago, she says, as a protest against the Philadelphia Welfare Department.

★ ★ ★

"They wanted to cut off my welfare," she said, "so I told 'em to go ahead."

Since then she's been walking most of the way across 29 states and even into British Columbia. She arrived here from Vancouver, B.C., and then headed for Lewiston, Idaho, but not before talking with local police and picking up a shoulder patch. After a brief stop in Lewiston, the widow said she will leave for Reno, Nev.

Mrs. Hall started the walk on July 8, 1965. Next month, she says, she will be 71 and the only thing that bothers her is a touch of arthritis. Otherwise, she says, "I feel fine."

3 Held in Coin Melting

TUCSON, Ariz. (UPI) — U.S. Secret Service agents have arrested three Texans and seized $79,000 worth of pre-1965 dimes and quarters in the first major prosecution under a new law banning the melting of silver coins.

The three suspects were taken into custody yesterday at a little-used private airfield 15 miles west of Tucson, where they allegedly were melting coins in a smelter.

★ ★ ★

The three were arraigned before a U.S. commissioner and ordered to appear for preliminary hearing May 6. Held in lieu of $2,500 bond each were Ralph W. Swafford, 48, Dan Skanovsky, 53, and Hector M. Carrasco, 40, all of El Paso.

Although the dimes and quarters seized yesterday had a monetary value of $79,000, their potential market value when melted down would be considerably higher.

Woman Is Safe After Kidnaping

Wife of Businessman Held for $250,000

MARTINEZ, Calif. (AP) — Authorities have disclosed that the wife of a rich businessman was kidnaped, held for $250,000 ransom and then returned unharmed.

The officials said a threatening note demanding ransom was left in the Lafayette, Calif., house from which Margaret Edith Louis, 61, was abducted last Tuesday afternoon.

She told officers she was treated well and not threatened before she was released in San Francisco's Golden Gate Park Friday night.

Her husband owns a chain of food markets in this area.

Dist. Atty. John Nejedly said news of the kidnaping was withheld to assure Mrs. Louis' safety and to permit unhampered investigation.

Nejedly said Mrs. Louis told of a medium-built man, about 45, entering the home by saying he wanted to discuss business.

The man bound, gagged and blindfolded her, she said. Then he drove her away to a place where she was kept blindfolded much of the time, but untied.

T.E. Louis, 68, returned home from work to find a typewritten ransom note.

About 10:30 p.m. Friday the Louis' 35-year-old son, Ronald, went to San Francisco as instructed in the note.

He went to a pay telephone in the financial district and received a call telling him to go to a supermarket. There he found a note directing him to leave a suitcase under an oriental statue near the Palace of the Legion of Honor on a cliff high above the Pacific.

No one ever picked up the package. The contents were not revealed by authorities.

Meantime, about two miles away, Mrs. Louis was released in Golden Gate Park. She then encountered a policeman, but told him nothing of her plight, apparently heeding a warning from her abductor. The officer took her to a bus station where she took a bus to her home in the East Bay area.

Mayor vs. Woman in St. Paul Voting

ST. PAUL, Minn. (AP) — Mrs. Walter Butler, 45, wife of a contractor, seeks to unseat incumbent Mayor Thomas Byrne, 45, today in a local election for which some 100,000 voters are expected to turn out.

Mrs. Butler outpolled Byrne by nearly 4,000 votes in a March 12 primary election. Voter turnout then was 70,220.

Both are Democrats, but Byrne has the tacit backing of the party organization for the nonpartisan election. In the primary, Mrs. Butler ran well in traditionally Republican areas.

Parliament Ended, Vote Set in Bermuda

HAMILTON, Bermuda (AP) — Despite continuing tension and a curfew, Bermuda's governor dissolved Parliament Monday and scheduled general elections May 22 to bring representative government to the 284-year-old British colony.

Patrols of local police and troops continued to enforce the 7 p.m.-to-dawn curfew and seized six men Monday night who were looting a furniture store that had been set afire twice during the rioting last Thursday and Friday.

Five other persons were arrested for violating the curfew.

Store owners along Hamilton's Front Street, where generations of American tourists have shopped for bargains in English china, silver, linen and woolens, boarded up their show windows for the first time in history, fearing a recurrence of disturbances.

PARLIAMENT DISSOLVED

Small groups of Negroes wandered the island Monday afternoon and, with Negro demonstrators marching outside, the royal governor, Lord Martonmere, announced the dissolution of the island Parliament, a move he called historic.

Sir Arthur Galsworthy, a deputy undersecretary in the Commonwealth Office, flew from London for the formalities.

Bermuda, a crown colony since 1684, has operated in recent years under semirepresentative government and a voting system which gave property owners two votes each.

★ ★ ★

Next month's one-man, one-vote election is expected to put into power the predominantly Negro Popular Labor party, which has independence from Britain as the first plank in its program. It also wants to stop British immigration, claiming that the whites get the best jobs.

The present majority party in Parliament, the predominantly white United Bermuda party, is fiercely loyal to Britain.

At Lavish Banquet

Film Folk Host King Olav

HOLLYWOOD (AP) — Norway's King Olav V was guest of honor at a glittering assemblage of motion picture people before ending his three-day visit to southern California Monday.

Olav goes to San Francisco and Seattle, Wash., before he concludes his 17-day visit.

The monarch was feted at a banquet Monday night by the Association of Motion Picture and Television Producers.

Olav was to have met with former President Dwight D. Eisenhower in Palm Springs Monday. But the meeting was canceled after Eisenhower became ill. Instead the king was taken on a short tour of Marineland.

Y Goal 2,500

GRAND RAPIDS (AP) — The Grand Rapids YMCA plans to seek 2,500 new members during the annual membership drive in September, officials said Monday.

Charles R. Harris

A wide circle of friends and acquaintances share the sorrow of the area banking community over the sudden death of CHARLES R. HARRIS at 63.

HARRIS

The business career of Mr. HARRIS, a native of England, had been long identified with local finance. He joined the Community National Bank organization in 1939, becoming manager of the bank's home office building as well as playing an important role in the institution's branch expansion program.

A keen sense of civic responsibility found Mr. Harris active in a variety of fraternal and social spheres, the fortunes of the Urban League being one of his principal concerns. He was a past president of the agency.

The genial executive was an ardent outdoorsman who found recreation in hunting and fishing and an outlet for his love of nature in involvement with animal and crop life on a small farm near Pontiac.

★ ★ ★

CHARLES HARRIS well fulfilled his mortal mission. He goes to his reward leaving behind an enviable record of accomplishment and service to his fellows.

Gideons Provide Enduring Spiritual Comfort

As travelers know, some of the ultramodern motels are so fancy it's almost necessary to take an engineering course to learn how to operate the gadgets in their rooms.

Beside operation of the television set . . . multi-effect lighting . . . central aircon—oops, weather control—and other space-age gimmicks. Very confusing.

But one comforting touch of tradition remains — the Gideon Bible.

★ ★ ★

Have you ever wondered how many Bibles and Testaments have been placed in hotels, motels, inns, schools, jails and other public places by Gideon International over the years?

Seventy-five million!

They have distributed in 77 countries throughout the world.

Who are these Gideons?

They are interdenominational businessmen dedicated to spreading the word of God in public places. They form a missionary organization with camps in each state and many foreign countries.

★ ★ ★

The organization was formed in 1899 by three traveling men, and was later enlarged to include businessmen.

The first Bible placement was made in 1908 when 25 copies were left at Iron Mountain, Mont.

Now, 60 years later, the Gideon Bible has become so integral a part of innkeeping that a number of major motel chains in this Country insist on having Gideon Bibles available for their guests before they will open for business.

★ ★ ★

Do guests appreciate the service?

Well, one Bible in a motel room in Bristol, Tenn., contains the names of 30 guests—each of whom has taken the time to write a word of gratitude in the back of the book.

The Gideon Bible is a thoughtful touch in a world too often thoughtless. Thank you, Gideons, for providing it.

American 'Brains' Going Where Action Is

Everyone has heard of the international "brain drain"—how better opportunities in the United States are drawing professional people from other countries to work here.

Less well-publicized is another brain drain right at home, or "how ya gonna keep 'em down on the farm states after they've seen what they can do elsewhere?"

★ ★ ★

The exodus of their best-educated youth to industrialized, higher-paying areas is worrying a number of states, reports the *Wall Street Journal.*

Idaho, for instance, loses more than half the teachers it trains. The romantic drawing power of the West Coast is a constant problem for Midwest firms, according to a Davenport, Iowa, Chamber of Commerce official. A Dallas law firm finds that New York, Chicago and the West Coast are skimming the cream of graduates from Texas law schools.

★ ★ ★

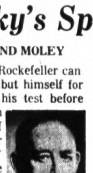
Today it is no longer go West, young man (or woman), but go anywhere the biggest cities abound. Though this is not a new phenomenon in American history—in fact, it has been the pattern for most of this century—the trend seems to be accelerating.

It begins to take on the proportions of a No. 1 challenge to the "less-developed"states.

Rocky's Speech-Writer Choice Hit

By RAYMOND MOLEY

Gov. Nelson Rockefeller can blame nobody but himself for the failure of his test before the American Society of Newspaper Editors.



MOLEY

Despite the popularity of the subject he selected, the speech he delivered had little relevance to the problem of the cities or even to his own personality.

It was a mass of pretentious verbiage and contrived flamboyance, and destitute of originality and substance. The editors heard it in frosty silence.

They knew that a week or two before their meeting, Rockefeller had employed, presumably to assist him in not seeking the nomination, Emmet John Hughes, who is chiefly known as a speech writer rather than a political strategist.

★ ★ ★

Perhaps Rockefeller's first mistake was to permit that selection to be publicized. And it was quite natural for the editors to conclude that the speech itself was in large part the work of Hughes.

WRITER REFLECTED

Morever, in the composition of the speech the writer's, rather than the speaker's, personality was reflected in the words and idiom.

It was apparent in the speech that a vital principle had been ignored by both writer and speaker. That principle is that the speech must sound like the speaker rather than the writer.

The editors who heard the Rockefeller speech had little interest in Hughes, and since their business has to do with writing, they easily perceived the flimsy deception.

★ ★ ★

In 1952 Hughes, then a writer for Time, Inc., was employed to provide speech texts for Gen. Dwight Eisenhower. In the regime that took office in 1953, he served a short time in the White House.

WROTE BOOK

Unfortunately for him, in view of his new role of aiding a candidate for the Republican nomination, he wrote a book in 1963 about his months with General Eisenhower.

In that book his only heroes seem to be Sherman Adams and Harold Stassen. The major members of the President's official family are portrayed as bumbling reactionaries.

In the book Hughes makes clear that his sympathies over the pre-Eisenhower years were with the Democratic Party. Moreover, he was quoted in the New York Post in December 1959 (at the time when Rockefeller bowed out of Presidential contention), as saying that if Nixon were the Republican nominee he would favor the election of a Democrat. And as late as December 1967, he called the Republicans in Congress a "wooden army."

★ ★ ★

It is little wonder that Republicans might question the judgment and Republican principles of Rockefeller when, as he is beginning his noncandidate quest for the Republican nomination, he employs as a major speech writer a man with the political views of Hughes.

And the appearance of the New York governor before the editors of the nation can hardly encourage the draft movement among the dwindling band of Republican "moderates."

Isn't The Idea To Unify?

David Lawrence Says:

Asians Fear a U.S. Backdown

WASHINGTON — A new crisis is emerging in Asia. Many of the smaller countries are beginning to worry about the possibility that the United States may give in to North Vietnamese pressure and agree to let the Communist-controlled rebels in the South — known as the National Liberation Front — play a vital part in the coming truce negotiations.

LAWRENCE

What is mostly feared is that some "face-saving" formula is in prospect which will really mean in the end a take-over of all of Vietnam by the Communists.

It so happens that Communist activity has been sharply increased inside several countries in Asia.

South Korea is fighting stepped-up infiltration and subversion by North Korean Communists. Indonesia is encountering guerrilla warfare with Chinese minorities in the northern part of the country. Cambodia is being troubled by sporadic guerrilla activities in three provinces.

At least one-third of Laos is under the control of Communist forces, and 40,000 North Vietnamese troops are in that country. The northern provinces of Thailand are the scene of Red terrorism and subversion. New trouble has been stirred up in Burma as well as in northeast India.

★ ★ ★

In the face of all this, what is the United States going to do? Pull out of South Vietnam? The prime minister of Malaysia said recently:

"If the Americans for some reason decided to give up this war in Vietnam and the North decided to take over the South, then it will be the end of us all."

FAVOR 'COALITION'

Inside the United States, both Sens. Robert F. Kennedy and Eugene J. McCarthy, two of the Democratic aspirants for the presidential nomination, favor a "coalition" in the government of South Vietnam to include the National Liberation Front.

President Johnson has said that the NLF representatives could be consulted during the peace conference but that he does not favor their participation directly in the negotiations or in the government to rule subsequent to the peace agreement.

Since the presidential campaign undoubtedly will focus attention on the Vietnam issue, the Asian governments are apprehensive that the Johnson administration, despite its firmness heretofore, will indicate a willingness to make concessions which in the long run could only mean the overthrow of the South Vietnamese government and the rise of a Communist regime in Saigon.

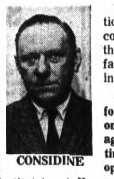
Bob Considine Says:

Organizational Chart for the Mafia Is Updated

NEW YORK — The first comprehensive updating of the organization chart of the Mafia since the Kefauver Committee presented its findings in 1951 has been released by the Research Institute of America.



CONSIDINE

In a special study for its member companies, the Institute's staff, headed by Leo Cherne, lays it on the line in simple, shocking terms.

The basic (Mafia) group is the "family," of which there are up to 24 throughout the country. (New York City is blessed with five.)

The commission, a national advisory group comprised of the heads of the most powerful families is the disciplinarian, and rule-maker of the confederation.

★ ★ ★

The boss is top dog of each family. His mandate is twofold: Maintain order and maximize profits. His authority within the individual family is absolute, barring being overruled by the commission.

STAFF CONSULTANT

In a position roughly comparable to that of a company president, the boss usually has the services of a staff consultant — frequently an elder statesman, retired after a successful and active criminal career.

There is invariably an under-boss — vice president of sales, if you will — who acts as a buffer between the president and the various lieutenants or regional sales managers, who, in turn supervise an army of "soldiers" (salesmen).

The salesmen bear the brunt of the front-line operation of the criminal enterprise.

The relationship among families and among members within a family is analogous to that within cliques of a business organization: no written rules, but a code of conduct; no formal elections, but a leader emerges; no written standards for membership, but members exist and they can be typed.

NATIONWIDE

The organization is nationwide. Some sections of the country are open territories; that is, up for grabs by any family that can turn a profit in the area.

Other sections are reserved for the exclusive cultivation of one family, although agreements do exist permitting more than one family to operate in an otherwise restricted territory. But each has its own sphere of activity so that they do not overlap or compete. Although not an operating subsidiary of the Sicilian Mafia, the autonomous U.S. organization cooperates with and receives assistance from its overseas counterparts.

Approximately 4,000 to 5,000 men are identified members of Mafia families, but many experts consider this figure merely as the top of a huge iceberg.

ARMY OF NONMEMBERS

What's more, a huge army of nonmembers works for them.

Members' specialties are varied. Some are enforcers; others are corrupters, money-movers, legal and accounting experts. Many man the front line of criminal activities.

A few simply act as buffers between the decision-makers and implementers.

The "take" is approximately $40 billion yearly. The bulk of Mafia income ($20-billion) comes from gambling (numbers, dice, bookmaking) followed by a multibillion-dollar loan shark operation.

★ ★ ★

Knowledgeable observers consider it inevitable that organized crime is reaping a higher net income than any single legitimate industry.

Smiles

For most of us, by the time we get to ride in a custom-built auto we're too sick to enjoy the ambulance trip.

★ ★ ★

The difference between a long-play record and some of our co-workers is that you can change the tune — or shut the record off.

★ ★ ★

Conceited people generally have faulty vision. They can't see themselves as they are, or they'd go to an "I" doctor.

★ ★ ★

The fellow who follows a good example better not let his wife catch him at it.

The Associated Press is entitled exclusively to the use for republication of all local news printed in this newspaper as well as all AP news dispatches.

All mail subscriptions payable in advance. Postage has been paid at the 2nd class rate at Pontiac, Michigan. Member of ABC.

Voice of the People:

'Suggest Brief Platforms at National Conventions'

Either the Democrats or Republicans could perform a great service to themselves and to the public if they would dispense with the writing of a lengthy and unrealistic platform to be delivered at their national conventions this summer.

★ ★ ★

Consider this meaty paragraph in the 22,000 word Democratic platform of 1964: "Every penny of Federal spending must be accounted for in terms of the strictest economy, efficiency and integrity. We pledge a frugal government—our goal is a balanced budget in a balanced economy." With the present administration practicing the philosophy of liberal spending, it is hard to reconcile these lofty promises with the actions that followed.

Apparently it seems to be good political strategy to hide solemn pledges amid a sea of words, for that makes them easy to forget. Limiting the platform to one page in length would encourage politicians to think harder about what they value and hope to do. Brevity would also make it more difficult to duck an accounting. The party platforms because of their length have become a meaningless and expendable ritual.

Reader Comments on Demands of Unions

Back in the '30s all these unions started. When you were asking companies to give you your fair share, you forgot teachers, nurses, police, firemen and officials who need to live like human beings. They are paid by you and must pay the same prices as you pay. So long as Mr. Laborer demands higher wages, the circle will continue. There are lots of good benefits besides wage raises the unions could fight for.

'Beautiful Woods Have Become Junk Yard'

We have lived on Henrydale next to the woods in Auburn Heights for 20 years. The woods used to be beautiful but now they look like a junk yard. My children used to pick berries and flowers there but now it isn't possible.

MRS. W. BEAUCHAMP
3004 HENRYDALE, AUBURN HEIGHTS

Letter Suggests We Set the Record Straight

In your editorial "Records Speak Louder Than Words" you failed to complete the record. Let's be fair and set the record straight. You failed to point out the depressions and recessions under the Republican regime. If having a low deficit while millions are out of work and losing their homes is a record, perhaps you are correct. I don't think the "Happy Warrior" would be too unhappy were he around to see the true record.

'Questions About Schools Still Unanswered'

The articles about Waterford Township schools were interesting but left an important question unanswered. I have two children who are brain damaged. They are barely ten points above being retarded but don't qualify for help as retarded children. They are unable to do the work but are placed in junior high with normal children. When they become discouraged and rebellious the school threatens them with juvenile court. The school administration tells me there is no money for help for these children—money has to go for all the normal children and their needs. How long before Waterford Township schools will try to help these children?

EX-WATERFORD SCHOOLS BOOSTER

Resident Regrets Loss of Public Official

I regret to see Les Hudson leave his public office. I have known him and his family since I came to this country in 1953. I know him as hard-working, ambitious, selfless, a man of integrity and one who always lends a helping hand. I am sorry to see Mr. Hudson leave his post since men of such qualities are rare and always needed in our community.

Question and Answer

I understand there are at least two kinds of cigarettes made from vegetable leaves instead of tobacco. I've inquired at 10 stores and can't find them. Where can they be purchased?

MRS. H. U. GARDNER
KEEGO HARBOR

REPLY

We checked with wholesalers here and in Detroit and found nowhere in this area that they can be purchased. One told us he carried them for a while, but so few persons bought them that he discontinued them. However, we are writing for more information, and will let you know if we find a supplier outside this area where you might purchase them.

AP Wirephoto

GETTING IN HIS LICKS — A little gibbon licks at an iced lollipop at the Saigon animal market. The treat was a reward for doing tricks on his pole for passersby. The dealer was asking $81 for the little ape, sweet tooth and all.

Armed Forces Week Is Planned

DETROIT (AP) — A week of activities downtown May 13-17 and an open house at all area military installations May 18 will highlight Armed Forces Week in Detroit.

G. Boyd Stockmeyer, chairman of the Armed Forces Week Committee, said activities will include a ceremony honoring Medal of Honor winner Sgt. Charles B. Morris, a concert by the Coast Guard Band and days to honor each of the services.

Henry Ford II Missing From Richest List

DETROIT (AP) — Henry Ford II of Grosse Pointe Farms failed to make Fortune magazine's list of the richest Americans for the first time this year, apparently due in part to a divorce settlement.

★ ★ ★

Although three other members of the Ford family were listed among the 66 Americans worth more than $150 million, the 50-year-old board chairman of Ford Motor Co. didn't make it.

Time magazine says this week that Ford dropped from the list because of a 1964 divorce settlement with his former wife, Anne, and gifts to his daughers Charlotte and Ann, all of New York. Ford declined comment on the report.

Two Ford brothers, Benson, 48, and William Clay, 43, both of Grosse Pointe Shores, and a sister, Mrs. W. Buhl Ford II of Grosse Pointe Farms (the former Josephine Ford) were listed as worth between $150 and $200 million each.

All four Fords are grandchildren of Henry Ford, founder of the auto empire.

★ ★ ★

One other Michigan man, Charles Stuart Mott, 93, of Flint, made the list. Mott, one of the founders of General Motors, owns 91,571 shares of GM stock in his own name and is trustee for another 683,037 shares owned by his wife and children. Fortune said Mott is worth between $500 million and $1 billion.

Adults build up an immunity that protects them from severe cold infections.

House Pushes Exports

Senate Debates Courts

LANSING (UPI) — The Michigan Senate opened debate Monday on lower court reorganization, while the House, its work on that finished, approved bills to boost foreign export of Michigan products.

But the House postponed until today further work on liberalizing Michigan's sex education laws.

★ ★ ★

Long - delayed action in the court bill, which finally cleared the House last month, began with a lengthy explanation of it and of the 67 amendments the Senate Judiciary Committee proposes.

On tap are many more amendments proposed by individual members, including 17 by the chairman of the chairman, Sen. Robert E. Richardson, R-Saginaw, ran through the bill on the first day of what he expects to be a week's opening debate on the issue. He said it would be a "miracle" if the bill were ready for a final vote by Friday.

The bill, under the Michigan Constitution, requires a two-thirds majority to pass. That means 24 votes in the 38-member Senate.

★ ★ ★

The foreign trade bills, both passed by the Senate, easily cleared the House 81-11 and 86-6. The first sets up a foreign trade section in the Department of Agriculture; the other creates a Division of International Commerce in the Commerce Department.

Whittier Group Seeks Addition

Whittier Elementary School parents tomorrow will discuss with the Pontiac Board of Education a proposal to buy a two-classroom transportable unit for the school.

They will present their views to the board at the public session, which begins at 7:30 p.m. in the administration building, 350 E. Wide Track.

The board tabled a recommendation to purchase the unit to relieve facility shortage problems for the next three years when opposition arose three weeks ago.

Other items on the agenda include consideration of a resolution on instruction of Negro history, culture and contributions; a proposal to name the Human Resources Center after the late Dr. Martin Luther King Jr.; naming of principals for three schools; and purchase of vocational education high school site.

DELTA DREAM VACATIONS '68

DELTA DECLARES:
"FLORIDA IS A FUN FESTIVAL"

Admiral
has the only
3-year warranty
on color picture tubes

That can save you
$165 on 18-inch tube (diag.)
$190 on 20-inch tube (diag.)
$200 on 23-inch tube (diag.)
on color tube replacement.

That's two years longer than:

GE, Motorola, RCA, Zenith and most others—and it's good in all 50 states.

At Admiral we're so confident about the quality of our Color TV that we've extended the warranty on our color picture tubes to three full years. And this warranty is good in all 50 states.

For example, if you buy an Admiral Color TV set in New York and move to Hawaii, this new extended warranty will be valid for the full three-year period.

This unprecedented step began in 1964 with the building of the Admiral tube plant, the most modern in the industry. With its advanced technology, precision, and greater automation, it has enabled us to set new standards of quality.

Result: When you buy an Admiral precision-built Color TV set, you get the finest color picture tube possible to manufacture—with such quality and reliability that Admiral can back it in writing for three full years.

It's the first real breakthrough in color TV—the breakthrough you'd expect from a leader like Admiral.

In short, Admiral has taken the worry out of color TV. And this worry-free color TV is at your Admiral dealer's right now. Choose from a wide selection of handsomely styled portable, console, stereo theatre and Sonar remote control models, in a variety of screen sizes.

Start enjoying worry-free Admiral color TV—the only one that offers you a nation-wide three-year warranty on all its super bright color picture tubes. See your Admiral dealer soon.

Admiral Color TV Picture Tube Warranty

The picture tube in each new Admiral color television set is warranted to the original owner to be free from defects for 3 years after date of purchase. During this period, Admiral will supply a replacement tube in exchange for the defective tube without charge. Service and installation costs are to be paid by the owner. Provided an Admiral replacement tube is used, it will be warranted for the unexpired portion of the original 3-year warranty. To be effective, the warranty must be registered by mailing the warranty card accompanying the set to Admiral within 3 days after delivery.

This warranty applies to all Admiral Color TV sets manufactured since December 1, 1967, when sold through a participating Authorized Admiral Dealer. See him for details.

Junior Editors Quiz on FRESH WATER

QUESTION: Why can't we get fresh water from the sea?

★ ★ ★

ANSWER: This is a good question. We can't drink sea water because the salts in it would drain water from our blood and body cells — and we'd soon be thirstier than ever. But there is a way of taking these annoying salts out.

King Neptune in our picture has the answer: distill ocean water. Joe and Shirley are demonstrating how the distilling process works.

First, on Joe's side, sea water is boiled. It turns to steam, which rises, leaving salts behind. The hot steam is cooled off by going through a jacket containing cold water. This causes the steam to condense into water again. (Shirley's side) but this time it's fresh, drinkable water.

Why don't we distill ocean water into fresh, then? We do, to a degree. Some ships use such a process, and some modern life rafts have distilling apparatus in which the heat is provided by concentrated sunlight.

The catch about distilling sea water is the large amount of heat necessary for the process. Scientists are at work on this problem. By using atomic energy we may some day, have an endless supply of fine drinking water from the sea.

(Shirley Charles of Muskegon, Mich., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize.)

'Language Sellout' Irks Russian Writer

MOSCOW (UPI) — The Moscow motel which posted the two English language signs — "Men" and "Ladies" — no doubt thought it was saving tourists from serious linguistic and social pitfalls.

But to writer Yuri Romanov, the two signs are another sellout to foreigners, who should be required to find their way about in the Russian language.

Romanov is a linguistic Chauvinist who is dismayed by the gradual appearance of signs in English, French and German as Russia slowly becomes a tourist nation.

All this is "shockingly polite," he wrote recently in the conservative magazine Oktyabr.

Even worse, he said, Russian delegates and diplomats abroad "often forget about our language and to show their erudition, start speaking a foreign language.

PATRIOTIC DUTY

"I know of cases," he said, "of diplomats even speaking the language of the country to which they are accredited.

"In an official atmosphere, the representatives of this country should speak their own native language," he said. "This is their natural patriotic duty. If they do otherwise, they diminish the prestige of our country and our language."

Romanov demanded that Tass, the official Soviet news agency, stop translating its news report into foreign languages, on grounds that leading western agencies never translate the news.

This was likely to meet objections from the western agencies, which actually do plenty of translating, and from Tass, which sells its news to non-Russian-speaking lands.

Soviet Researchers: Reached Limit of Solid Strength

By Science Service

The theoretical limit of the ability of terrestrial solids to withstand pressure has been reached by a group of Soviet researchers, according to a report in the November 1967 Russian monthly Science and Life.

The Soviet physicists have produced a thread-like crystal of tungsten that will sustain a load of 230 metric tons per square centimeter.

According to the report, the best kind of special steels can stand not more than 30 tons per square centimeter. In 1956 German physicists made thread-like iron that withstood about 143 tons.

Previously the thickness of the smallest thread-like crystals was two ten-thousanths of a centimeter.

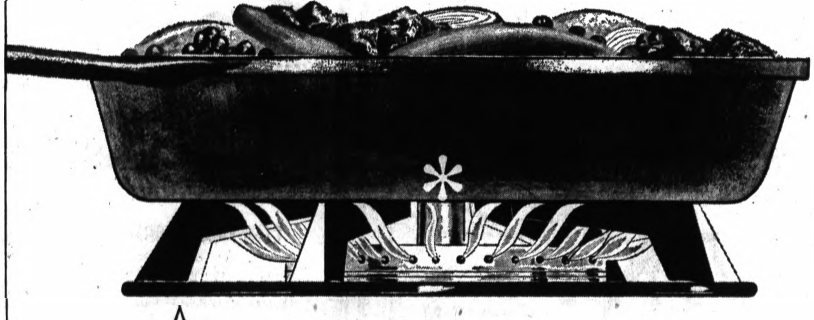
New Skill For An Old Skillet!
Gas Burner-With-A-Brain* Makes Even Granny's Old Skillet Automatic



It may be the same skillet that Granny used, but my what a change when you put it on the Gas Burner-with-a-Brain*! With this modern, automatic "thinker" controlling the burner on top of your range, boilovers and burned pots are old hat. You can go ahead and prepare those tricky sauces and custards without the nuisance of double boiler or tedious pot-watching. And when the recipe reads, "be careful not to get too hot or it will curdle," no need to panic...just dial the heat you want and the unerring precision of the Gas Burner-with-a-Brain* will tailor the flame.

What other magical things can a 1968 Gas range do? Everything from taking the anxious guesswork out of roasting to locking in a steak's juicy tenderness with ultramodern, Infrared Broiling.

Outstanding 1968 Features...Same Wonderful Flame...See Your Gas Range Dealer, Today!

Action on Proposed Drain Is Deferred

Action on the proposed Whitfield Drain was deferred by the Waterford Township Board last night.

Board members said they wanted commitments from the other proposed participants — the county and the state — before taking action on the storm drain which is to run from M59 near Airport south for about 1½ miles to the Clinton River.

No preliminary costs for the project have been disclosed by township engineering consultants Johnson and Anderson, Inc.

Most of the drain water would come from Oakland-Pontiac Airport, engineers said.

★ ★ ★

Trustee Robert E. Richmond said inclusion of the airport in the project would require a two-thirds majority vote by the Oakland County Board of Supervisors.

'MUST PAY SHARE'

"I'm not saying I'm against the project," said Richmond. "But I'm saying we should get a commitment from the County of Oakland that it is willing to pay its share.

"When you have approved this," Richmond cautioned board members, "you have dealt all the cards away. You can no longer stop the project."

In other business, Assistant Fire Chief Russell See stressed the need for a new 1,000-gallon-per-minute pump truck which he estimated would cost about $22,523 — $13,925 for the tank, body and equipment and $8,598 for the cab and chassis.

★ ★ ★

See pointed out that from 1962 through last year repair costs to the township's fleet of fire trucks amounted to $22,300, or about $3,716 each year.

'LACK PROTECTION'

"With the type of equipment we're running out of our stations today, we cannot even provide our citizens with minimum protection," said See after commenting on some of the equipment the department now uses.

See asked the board to permit him to meet with the township vehicle committee to prepare specifications so bids can be let in June.

The request, however, was tabled for two weeks for budget analysis and to find out how many fire station sites are needed.

Also last night, workmen's compensation insurance was approved for nine new volunteer fire fighters.

Approved was an appropriation of $750 for part-time help for the treasurer's office. The board also agreed to submit the fee for membership in the Beautification Council of Southeastern Michigan.

A request for a liquor license transfer for a 1967 Class C and SDM license located at 1055 W. Huron from Harold and G. Lottner to Ken Jones and Frank Newcomb also won board approval.

Granted was a lot split request for lot 192 of Golf View Park Subdivision. The applicant was Dan Mattingly.

★ ★ ★

In other business, the period of May 15 to June 15 was proclaimed Muscular Dystrophy Month in the township.

Waterford News

Group Asks the Status of Land-Fill Bill

A contingent of Waterford Township residents, who fought a proposed sanitary land-fill on a 50-acre site off Maceday Lake Road, came to the Township Board meeting last night to find out where the case stands.

A permit request for the land-fill operation was rejected unanimously by the township planning commission last fall.

However, the applicants took the case to Oakland County Circuit Court. And Circuit Judge Clark J. Adams ordered the case back to the township zoning board of appeals on the grounds that the applicants didn't exhaust all local administrative remedies.

The three-member zoning board of appeals — consisting of Carlos Richardson, Robert Richmond and Carl Bird — has until June 30 to render a decision on the appeal.

★ ★ ★

James F. Peters of 3723 Maiden wanted to know why the people were not informed about the date of the Circuit Court hearing.

PAYOFF?

Peters asked, "Who instructed the township attorney not to call us?"

"Who is paying whom off?" Peters asked.

Township Supervisor Elmer R. Johnson replied, "I won't sit here and see the board take that kind of treatment from anyone."

★ ★ ★

Another resident wanted a guarantee from the Township Board that notice of the meeting of the appeals board be publicized.

Fair Queen Contest Is Planned by CAI

The first Miss Oakland County pageant will be held June 20-23 in Waterford Township in conjunction with the Oakland County Fair.

★ ★ ★

The fair and the pageant will be held at the Community Activities, Inc., building, 5640 Williams Lake.

Donald H. Arsen, pageant director, said young women from all areas of the county are invited to enter the Miss Oakland County competition. Entry deadline is June 1.

A contestant must be between the ages of 18 and 26, single, and sponsored by an organization or school in her community. A 17-year-old girl who will be 18 by Aug. 1 can enter.

★ ★ ★

"We anticpate at least 20 contestants in this initial Miss Oakland County pageant," Arsen said. "The contest winner will automatically qualify for the Miss Michigan pageant later in the summer and will be Oakland County's representative in the Michigan State Fair competition.

MAJOR PRIZES

Arsen, the director of adult education for Waterford Township Schools, said that arrangements are being made to provide several major prizes for the contest winner.

Also in the arrangement stage, according to Arsen, is the selection of a panel of judges for the competition. "The judges will be well-known Oakland County area citizens," Arsen said.

A judges' dinner will be held at the Old Mill Tavern, 5838 Dixie, on June 20. Contestants, then, will be interviewed and evaluated on talent by each judge.

★ ★ ★

Swimsuit and evening gown competition is scheduled the night of June 22 when five to seven finalists will be selected.

PAGEANT WINNER

Final judging and the selection of the pageant winner will take place the night of June 23.

Assisting Arsen with pageant arrangements are Mrs. Arthur Salley, recording secretary; Mrs. Robert Fredericksen, publicity; Mrs. Donald McIsaac, prizes and gifts; Mrs. David Freeman, general planning; and Mrs. Robert Appel, staging.

★ ★ ★

Inquiries regarding contest entry should be directed to Arsen or Mrs. Fredericksen.

Lions 'Eye Ball' May 11 to Benefit Work for Sight

The Waterford Lions Club will hold its sixth annual "Eye Ball" benefit at 7 p.m. May 11 at the Alpine Ski Lodge on East Highland Road in White Lake Township. Featured will be a buffet dinner, door prizes and dancing.

Proceeds will be used to further the club's work on sight preservation.

★ ★ ★

Some of the charities are Leader Dogs for the Blind of Rochester, Pendrickton Nursery for blind and handicapped children; and eye examinations and eyeglasses for the needy.

Tickets can be obtained from any member of the Waterford Lions Club or at the door. Donations are $4 a person.

African Fellow Named by Alma

ALMA (AP)—Thomas E. Fegley, a junior from Grand Haven, has been selected Alma College's African Fellow for 1968-69.

Fegley will spend a year on the faculty of the Mayflower School in Ikenne, Nigeria.

Detroit Postpones Model City Vote

DETROIT (AP) — An election to determine community representatives to help plan model city programs in Detroit has been advanced to May 14th.

Both Detroit's model neighborhood agency and the city election commission agreed to the postponement after a protest was taken to Circuit Court Monday.

★ ★ ★

Complainants contended that the method of filing petitions was incorrect and that some people called upon to vote did not understand the election.

Residents from each of 12 subdivisions within the model city areas in Detroit are to be elected.

CHEEKY — Going into the final week of rehearsals are Milford High School students (from left) John Laidlaw, Annie Salminen and Randy Smith. The trio is part of the "Our American Cousin" cast. The Early American melodrama will be presented by the Drama Club Thursday, Friday and Saturday at 8 p.m. Grace Leppala of the faculty is the director. She is assisted by Randy Smith.

By Milford High's Drama Club

'Our American Cousin' Is Offered

By SALLIE QUEEN

"Our American Cousin" will be presented by the Milford High School Drama Club Thursday, Friday and Saturday.

During scene changes, cast members will sing and recite favorite songs of the era, in front of an old-fashioned Asbestos curtain. Song and dance routines were often a mode of transition between acts and scenes.

The story line is an old one. The father of the family is threatened by a villain, who wants to marry his daughter as payment for an overdue mortgage. Then along comes a clean-cut hero who saves the daughter.

The hero — rough-spun, honest-hearted, Asa Trenchard (Randy Smith) — finds that he is heir to a fortune in England and sets out to claim it.

He arrives at the estate of his cousin, Sir Edward (Charles Baird) and his daughter, Miss Florence (Annie Salminen).

LISPS AND BUMBLES

Lord Dundreary (John Laidlaw) who lisps and bombles about the stage, is smitten by the "delicateness" of the sweet Georgina (Kathy Barit).

Mrs. Mountchessington, (Carol Stiles) Georgina's mother; and Augusta (Gail Davis), her sister; attempt to marry off Augusta to Asa.

The traditional doer of dark deeds is Mr. Cole the villain (Bruce Watson). Jeanne Callan plays the part of Mary, a simple milkmaid who captures the heart of Asa.

* * *

Other members of the cast include Bill Barthel, Charles Hildreth, Dian Schere, Ruth Ann Clay, Keith Kraus, John LaBreche, Mike Arthur and Ken Lawrence.

"Our American Cousin" was President Abraham Lincoln's favorite play, and ironically he was watching it April 14, 1865, when he was mortally wounded by actor John Wilkes Booth.

The production is directed by Grace Leppala of the faculty and student director, Randy Smith.

Kettering to Stage 'Rebel'

By DONNA FURLONG

Waterford Kettering High's Dramatics Club is busily completing preparations for its last production of the year.

The play, "Rebel Without a Cause," will be presented Thursday through Saturday at 8 p.m. in the school gym.

Very few props will be used throughout the play. Instead, pooling of lights will produce the visual effects.

"Rebel" is based on the movie which starred James Dean. Portraying Dean's role as Jim Stark will be Dan Orders.

OTHERS IN THE CAST

Other leads will be played by Erica Schaefer as Judy; and Greg Windeler, Plato.

Supporting them will be Kathy Arkles, Gary Biron, Chet Bottorff, Roger Burris, Curt Darling, Melanie Granfors, Brian Hector and Gail Miller.

Also in the cast are Steve T. Peterson, Mike Salley, Rick Saunders, Mary Sies, Marcia Steehler, Sandy Swain, Rob Tackaberry, John Turnball and Bruce Zollner.

* * *

Working behind the scene as committee chairmen are: Cheryl Wilton, props; Chuck Fraser, lights; Kathy Arkles, costumes; Mary Sies and Gail Sheriff, publicity; Debbie Daubner, tickets; and Cheri Colby, make-up.

2 ON FACULTY ADVISE

Faculty advisers are Patty Looman, director; and Mary Ann Feltzer, producer.

Tickets may be purchased from club members or at the door.

"Love Is Blue" has been chosen as the theme for this year's senior prom.

* * *

Prom night will be June 6 at the Raleigh House. Music for the evening will be provided by the Bob Durand Orchestra.

DINNER IS INCLUDED

Tickets for the event will include dinner, entertainment, a memory book and any other expenses. The memory book will be a place to save tickets, a napkin or any other remembrance for the couple.

Officers for the seninor class are Todd Baker, president; Tim Donaldson, vice president; Nancy Cover, secretary; and Pat Cahape, treasurer.

Tomorrow Student Council will hold its annual election assembly. The assembly is held the day before Student Council elections to enable the students to meet the candidates.

TRIP OPENINGS AVAILABLE

There are a few openings still available to those seniors that wish to go along on the senior trip.

Those interested should sign up and pay their money to Frank Garland, in the audio-visual room.

The group leaves May 8 for Denver, Colo.

* * *

Friday is the fourth deadline for the Kismet staff. Kismet is W-K's yearbook.

Tomorrow, report cards for the fifth marking period will be passed out in homeroom.

Pontiac Press Photo by Rolf Winter

HANDS IN THE AIR—Participating in the Waterford Kettering High School Dramatics Club presentation, "Rebel Without a Cause" are junior Dan Orders (left) and senior Steve Peterson. The play will be shown Thursday, Friday and Saturday at 8 p.m. in the school gym. Faculty advisers assisting the students are Patty Looman, director, and Mary Ann Feltzer, producer.

Pontiac Central High School Selects National Honor Society Candidates

By JAN GODOSHIAN

National Honor Society candidates for 1968 have been selected at Pontiac Central High School.

These students rank academically in the top 10 per cent of the senior class. They have also been judged, by the faculty at Pontiac Central, to be sound in character.

National Honor Society students have contributed, in terms of curricular and extracurricular service and leadership, to the betterment of their high school.

Ceremonies will be held May 8, at 8 p.m., in the auditorium at Pontiac Central. Parents and students who have made the honor roll are invited to attend.

* * *

The candidates are Victor Adams, Greg Arcinaga, Susan Brown, Alana Cargle, Dale Cheal, Diane Cheal and Richard Cody.

Others are Cathy Crew, Anita Crone, Allesia Daniels, Cheryl Dell, Kathryn Doig, Joyce Eaglen and Stephen Embree.

* * *

Margaret Emerson, John Featherstone, Carol Gaydos, David Gooley, Toni Gray, Robert Grove and Dale Houston have also achieved this honor.

Other candidates are Evelyn Klock, Michael Leacher, Linda Lippard, Christine Litwin, Kathy McClure, Steven McKelvey and Ted Mole.

* * *

Charles Morris, Darlene Morrissey, Diane Nicholl, Michael Ninotti, Sandy Nutter, Alan Paterson, Joy Pepper and Charles Porritt are also candidates.

Still others are Bill Rollo, Jeff Ross, Maryanne Schoneman, Janet Shaw, Perry Slocum, Bethalee Smith, Charles Sterns, Mike Stowe, Bruce Strohm, Randy Sutt and Jane Ulrich.

* * *

Completing the list are Beth Vershure, Dave Waffle, William White, Carol Whiteman, Albert Yee and Jan Godoshian.

CONGRATULATIONS

Garth Errington, principal, stated, "Obviously my congratulations are extended to each of these students for their selection to the National Honor Society.

"However, it seems to me that their own deep satisfaction for a job well done is considerably more important than my platitudes of thanks. This school is richer indeed for them having been here."

Central High School Orchestra's annual spring concert will be held in the auditorium at 8 p.m. Thursday.

The concert will feature the entire Central orchestra, outstanding soloists, and advanced junior high strings.

Spring Musical Near at Mercy

By MARY ANNE MADDEN

Our Lady of Mercy's spring production of the drama and music departments will be "West Side Story."

The musical, to be presented in Mercy's auditorium Friday, Saturday and Sunday, is the story of two rival Manhattan gangs.

Starring as Maria will be Donna Rorex. Other main roles include Debbie Moran, Anita; Tim Sanow, Bernardo; Dan Nanni, Tony.

Male roles will star Gary Frundel, Riff; Bob Rice, Action; Dave McIntosh, Chino.

Female parts will present Jackie Regotti, Rosalia; Kim Uphoff, Consuela; Alice Hughes, Velma.

CHORAL SEGMENTS

Choral segments of the play will be supervised by Lawrence Teevens, choral instructor.

Jay Breneman, drama director, will direct the play. Assisting him will be Sue Leone and Michelle Brancheau, student directors. Sister Ann Elizabeth is production manager.

Mr. and Mrs. James Magon will direct choreography, while Donald Palmer, orchestra director, will be in charge of musical arrangements.

Tickets for the play will be available from any cast member or at the door.

Mercy's Latin Club held its annual Roman Banquet Friday in the cafeteria. Following the dinner of pizza, fruit and punch, both slaves and masters were treated to entertainment by second year students.

Cranbrook, Kingswood Will Present 'The Visit'

By DAVID DYE

May 10th and 11th, the Cranbrook Ergasterion will present the Swiss play, "The Visit," by Friederick Durrenmatt. (The Ergasterain is the theatrical company of Kingswood and Cranbrook schools.

The play's major argument centers around the visit of an old lady, Claire Zachanassian (Lesley Penny), to her old hometown.

She offers the townspeople one million pounds to kill Alfred III (Scott Heath), the town's leading citizen.

This man had been her lover 45 years previously and had bribed two boys to escape a paternity suit she had charged him with. He escaped the suit and she had to leave the town in disgrace.

"The Visit" will be done in Greek tragedy style, with masks for the actors and the Greek convention of the chorus.

The play is done on a thrust stage, with only minor pieces of furniture being changed to suggest a change of scene.

The play's conflict is concerned with man's temptation in the face of extreme poverty.

The townspeople don't want to submit to her demands, but eventually they find themselves buying on credit despite themselves.

This reflects the dilemma of many people in our contemporary society.

Other leading actors in the play are Matt Kimbrough, Bob Lochow, Horace Sneed, Phillip Burke, Rikki Van Lennep, Diana Davisson, Don Sweeney and Bruce Bartlett.

The performances will be held at 8:30 in the Cranbrook auditorium.

Lahser High Art Students to Build Playground Maze

By GRETCHEN HAAS

A group of Bloomfield Hills Lahser High School art students has recently made plans to build a maze for playground use at one of the Bloomfield Hills elementary schools.

The maze, designed by Chris White, will measure 24 feet by 24 feet at the base.

Standing four feet in height, it is intended for those children who are fascinated with crawling through enclosures.

Chris, Dave Mateson, Andy Sarver, Win Gutherie and Marla Lott will work on the construction.

* * *

The principal material to be used in the project will be marine plywood.

COLOR ACCENT

Primary and secondary colored walls and optical illusions created by the use of opposite colors in close association will accent the design.

This week tryouts were held and roles assigned for the four one-act plays and excerpts to be presented on May 24 and 25 by Lahser drama enthusiasts.

The production will include a scene from "Anastasia" which was adapted by Guy Bolton from the original play by Marcel Maurette. The empress will be played by Gildana Hegyan and Carol Samuel will portray Anna.

* * *

Student director for the play will be Curt Ostermann.

'ANTIC SPRING'

Cast members for the humorous "Antic Spring" by Robert Nail are Tom Bond, Robert; Tom Atkins, Sam; Gigi Maganus, Gwen; Kim Hendrickson, Ginger; Frank Reid, Elbert; and Robin Dibner, Blossom. Margaret Keteyian is the student director.

"The Acting Lesson" written by Willard Simms, was cast as follows: Bob Winegarden and Pat Hall as the pupils; and Linda Hague as Pupiless. The teacher will be played by Teri Malwitz who will also assist in the direction of the play.

Parts in Edward Albee's "Death of Bessie Smith" will be played by Maureen Sullivan, the nurse; Carole Rummel, the second nurse; Gary Diehl, the orderly; Marc Tirrell, the intern; Jim Balmer, the father; Phil Leach, Jack; and Tim Martin, Bernie.

* * *

Joe Weaver will direct lighting.

Additional School News on Page B-2

4 at St. Lawrence Present 1-Act Play

By JANICE VAN DEN BROUCK

Friday four St. Lawrence High School senior boys presented the one-act play, "The Minor Miracle," at a special school assembly. The actors were Konstantyn Damas, James Devereaux, Donald Rautenberg and Raymond Reckling.

The St. Lawrence Choral group is practicing for its spring concert. The concert will feature choreography.

Among the dance numbers will be an Israeli dance to the song "Hava Nageela."

The dancers for this number will be Kathy Couch, Joyce Kaltz, Debbie King, Janice Van Den Brouck, Ken Olivier, **Don Rautenberg and Ramond Reckling.**

* * *

Girls performing in other dance numbers are: Jane Jurek, Chris Schwartz, Pat Rogowski and Theresa Okonewski.

The choral group is under the direction of Sister M. Kara O.P.

Pontiac Press Photo

MASKED TRAGEDY—The Ergasterion (theatrical company of Cranbrook and Kingswood schools) will present the Swiss play, "The Visit," by Friederich Durrenmatt May 10 and 11 in the Cranbrook auditorium. Readying a mask to be worn during the production are (from left) Scott Heath, Lesley Penny and Matt Kimbrough. Lesley is a senior, Scott a junior and Matt a sophomore.

Foster Children Benefit

By MARY STEWART

Activities for the benefit of three foster children overseas are capturing the enthusiasm of Kingswood students this week.

The Kingswood-Cranbrook Student Cabinet is sponsoring the foster children and the fund-raising project for their benefit.

Tomorrow, a bake sale will be held in the Cranbrook "Quad," with the baked goods provided by Kingswood volunteers.

"Slop Day," when students will be able to wear their favorite comfortable clothes to school for a small fee paid the Student Cabinet, is Friday.

Completing the cabinet's activities for the week will be a dance on Saturday from 8:30 to 11:30 p.m. featuring the band, "The Seven Sounds."

In an assembly last Wednesday, Kingswood volunteers at the Pontiac State Hospital were awarded letters of appreciation from the hospital for their activities there.

Honored for weekly work with children ages 7-13 were Anne Denio, Trinkett Clark, Lauri Stanton, Anne Slocum, Beth Quay, Stephanie Frank, Sue Owens, Anne Meyer, Nancy Vermeulen, Tori Butler and Barb Owens.

Those honored for monthly work with the hospital's teen-agers were Penny Mitchell, Julie Matthaei, Shelley Stern, Jana Darwall, Beth Muzzy, Hannah Morrison, Emily Fisher and Louise Zeller.

Clarkston Seniors Leave Tomorrow for New York City

By KATHY MATLOCK

The Clarkston High School Junior-Senior Prom was held Saturday night at the Atlas Valley Country Club in Goodrich. Music was provided by the Kemtones.

Tomorrow, approximately 80 seniors, chaperoned by Mr. and Mrs. William Dennis and Mr. and Mrs. Max Inman, will leave for New York City.

They will fly from Detroit Metropolitan Airport to Kennedy Airport and will stay at the Taft Hotel.

Some of the excursion sights include Chinatown, Greenwich Village and Upper and Lower Manhatten. They will return on May 4.

Rochester Plans Maifest Fete Sunday

By KARIN HEADLEE

Bringing Germany to Rochester High School may sound incredible, but that's what the members of the German classes will try to do as they celebrate the Maifest Sunday.

Following the German custom of assembling on the first Sunday in May to gather around the Maypole, students will dance and attend the festival in colorful costumes.

Starting at 3 p.m., an entrance parade will launch the afternoon. This year French, Spanish and Russian classes will join in the fun.

Sponsored by Mrs. Elfi Werzer, the festival is open to the public.

The only word that can describe Thursday's exchange concert at 8 p.m., at the high school auditorium is supercalifragilisticexpialidocious.

PROGRAM NUMBERS

The program includes such numbers as "The Perfect Nanny," "Feed the Birds," "Step in Time," and "Chim Chim Cheree," all from "Mary Poppins."

The Rochester High Treble Choir and the Pontiac Northern High School Girls' Choir will open the evening with "Hey Look Me Over" and conclude the concert with "I Enjoy Being a Girl."

Rochester's choir directed by Frank Irish, will also sing "June is Bustin' Out All Over," "The Heather on the Hill," and "Anywhere I wander."

No Leisure for Yearbook Staff at Emmanuel Christian High

By JOHN SINER

The Creative writing class of Emmanual Christian High School, a new addition to the English department this year, has worked closely with the journalism class to publish the ECHS newspaper (The Halberdier) leaving the journalism students free to work on the yearbook.

With the '68 Conqueror off to the press, yearbook staff members anticipated an "hour of leisure" for the remainder of the spring term.

Yearbook adviser Judith Brooks, however, had different plans.

Class members were surprised to find new journalism texts, copy paper and many of the things they thought were stacked away until next year. The class was also divided into two separate groups.

REVIEW, STUDY

One group consisted of juniors and sophomores who have been selected to return as possible sectional editors of the Conqueror in the fall.

They will devote all of their time in reviewing and studying yearbook copy styles as well as the latest innovations of layout forms. Group members are Pam Baslock, Marilyn Landis, Dave McSkulin and Freda Thompson.

The second group will work on a weekly publication that will supplement the biweekly newspaper.

Named Excalibur this publication will be in the form of a slip sheet. It will contain ECHS news and events, features and cartoons.

Marian Students Win at Mock U.N.

By PATRICIA POLMEAR

Sixteen Marian High School students arrived at Georgetown University, Wash., D.C., last week with the secret dream of one more conquest.

They returned to school on Monday with that dream fulfilled.

Marian represented the Republic of China in the annual National Invitational Model General Assembly (NIMGA), sponsored by Georgetown University.

They tied with the Brazilian delegation from St. Louis, Mo., for best delegation in the Security Council.

In addition, Pat Polmear and Tom Westerheide, Brother Rice senior, patricipating in political games simulation won top honors with their country coming in first place.

Following the procedure of the United Nations in New York, more than 1,200 students from 32 states, Puerto Rico and Meixco formed the Security Council, General Assembly and various committees.

Kathi Hoener and Sue Baldwin represented China on the nuclear proliferation committee; Charlene McDonald and Julie Diehl, permanent United Nations peace-keeping forces; Mary Bird and Ann Marie Tracey, Middle East and Vietnam.

Other delegates included Beth Hann and Diane Dwyer, Congo; Kathy Hartman and Rose Ann Wolf, admission of Red China; and Sue Sniesak, nonintervention.

Linda Denomme served as general assistant in all areas.

Peggy Heinen, Anne Nolan and Ruth Fitzpatrick were other political-games simulation participants.

Girls of Country Day Visit Greenfield Village

By SHARON BERRIDGE

Wednesday girls from Bloomfield Country Day visited Greenfield Village. They left after Chapel, accompanied by Mrs. Robert E. Kenny and Mrs. Robert Osborn.

Students are preparing for the strawberry festival, class day, commencement and the Rose Ball.

Senior Prom Near for Brother Rice

By GARY MILLER

After months of planning and preparation, the Brother Rice High School senior prom is almost here.

The dinner-dance will be held Friday night from 8 to 1 at the Detroit Yacht Club.

John Kolezar and Mike Leroy are the cochairmen of the prom and Brother Joseph A. Grimaldi is the faulty adviser. Other members of the committee include Tom McNaught, Tom Glaser and Joe Risdon.

The evening's formal attire will include the controversial turtle-neck.

"We are expecting about 180 to 190 couples to attend," commented Kolezar, "Ticket sales have been very good so far."

At the recent Georgetown University Model United Nations, the delegation from Brother Rice representing the United Kingdom won commendation awards.

The delegation consisted of Tom McNaught, Mike Jackson, Roger McNaught, Mike Jackson, Roger Schreib Schreiber and Frank Mazza.

ARCHAEOLOGICAL FIND — Washington State University faculty members (from left) Roald Fryxell and Richard Daugherty discuss what may be the oldest human bones found in the Western Hemisphere with Sen. Warren Magnuson, D-Wash., at a press conference in the senator's Washington office.

Army Is Shelling Out for M16 Step-Up

WASHINGTON (AP) — The Army, suddenly under high-level pressure to increase sharply the flow of M16 rifles to South Vietnamese troops, is paying premium prices for the lightweight, rapid-firing weapon.

Until April 12, Colt Industries, Inc., was the only manufacturer of M16s. Colt's price has averaged $104 a rifle on recent contracts.

* * *

It is costing the Army far more than that—up to $316 per rifle—to bring two more firms into production of M16s.

"We are paying a premium to get the quantity and quality we want," an Army source said.

BEST ALL AROUND

The pressure to speed procurement of M16s resulted from the decision, announced March 31 by President Johnson, to turn over more of the fighting to the South Vietnamese.

Before that decision, few South Vietnamese units had M16s despite Defense Department studies that called the rifle the best "all-around shoulder weapon in Vietnam," and despite repeated requests from American field commanders that the guns be supplied to the Vietnamese.

The two new M16 sources are Harrington & Richardson of Worcester, Mass., and General Motors' Hydramatic Division at Ypsilanti, Mich.

Each firm received a two-year contract calling for production of 60,000 rifles the first year and 180,000 the second.

Harrington & Richardson will receive $15 million the first year for a unit cost to the government of $250 a rifle. The second year the firm will receive $27 million or $150 a rifle.

Government costs under the contract awarded to General Motors are higher: $316 a rifle the first year, $200 the second.

The difference between the two contracts brought swift challenge from Sen. George S. McGovern, D-S.D., who told the Senate the awards serve "as a painful question of the Pentagon's ability to handle the taxpayers' money wisely."

The Army responded by pointing to differences in wage scales between Detroit and Worcester. Labor Department figures show the average manufacturing employe in Detroit in February 1968 received $167.74 a week. The figure for Worcester was $118.89.

GM and Harrington & Richardson were among four firms with which the Army negotiated after it bought the manufacturing rights for $4.5 million from Colt. The prices include the expenses of tooling up to produce a new product.

Army spokesmen stressed that both new contracts are ceiling prices subject to negotiation downward if the firms' costs prove to be less than anticipated.

No one, either at the Pentagon or at the two new producers, would predict how large Army orders would have to become before GM and H&R could profitably produce M16s for a price comparable to what Colt has been charging.

And Colt's prices now are under scrutiny by General Accounting Office auditors.

A House Armed Services subcommittee that investigated the M16 program reported that "based on information and records made available by the contractor and the Army, it appears that Colt's has enjoyed an excessive profit on M16 production contracts to date."

Scientists Show Rare Old Bones

WASHINGTON (UPI) — Scientists have put on display here what they describe as the oldest human remains ever discovered in the western hemisphere — 11,00 to 13,000 years.

They took to the office of Sen Warren G. Magnuson, D-Wash., yesterday a charred and broken skull found at a site in southeastern Washington state soon to be flooded by a federal dam.

Describing the findings were Assistant Prof. Roald Fryxell and Prof. Richard B. Daugherty, both of Washington State University.

Fryxell found the remains, and Daugherty directed past excavations at the site.

The skull was found in 1965, Fryxell told reporters, but it was dated accurately less than two weeks ago with discovery of a bone speak point and other objects at the same site.

DUG FROM PIT

The skull and remains of other human bones were dug out of a 13-foot pit about 1½ miles from where the Snake and Palouse rivers come together.

The area will be flooded by the $181-million Lower Monumental Dam being built by the corps of engineers.

The scientists said that it was not possible to pinpoint the age of the human remains but that they were the "best dated" of any found so far in the western hemisphere.

The discovery climaxed nearly 10 years of study at the so-called Marmes Rockshelter Site, a cave near the discovery site known to have been occupied by man thousands of years ago.

MORE MATERIAL

The scientists said there was an "excellent opportunity" they would dig up more valuable material in their race to explore the site before it is flooded.

The charred human bones were discovered along with bones of mammals, possibly elk or deer, they said. The animal bones were cracked in a manner used by man of that period to extract the marrow.

The scientists added an additional note of mystery, pointing out that the human bones also had been cracked, suggesting that the man had been eaten.

* * *

"They literally had him for dinner," Fryxell said.

Negro Promoted

DETROIT (AP) — The Detroit Department of Public Works has named a Negro as general foreman of street sanitation, the first Negro to attain such a high-ranking position. Clarence Russell, a DPW employe since 1953 will assume the post immediately.

Miriani Trial Wednesday

DETROIT (AP) — A federal judge has denied a motion to postpone the trial of former Detroit Mayor Louis Miriani on charges of evading $152,000 in income taxes.

* * *

U.S. District Judge C.G. Neese of Greenville, Tenn., set the trial for Wednesday.

Attorneys for Miriani, who is a city councilman, contended he was not healthy enough to stand the stress of the trial.

The onetime Detroit mayor is charged with filing false income tax returns for the years 1959 through 1962. He is accused of failing to report some $260,000 in taxable income.

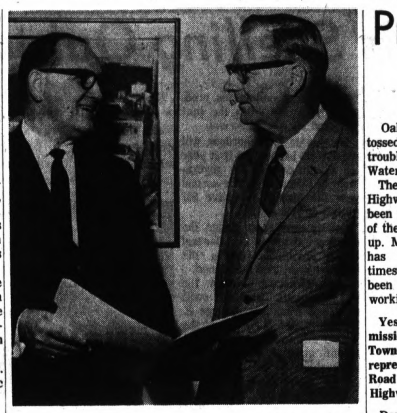
Y.; two sons, George D. of Livonia and Gerald J. of Waterford Township; 25 grandchildren; 13 great-grandchildren; and two sisters.



Pontiac Press Photo

ANNUAL REPORT — George E. Gullen Jr. (left), president of the National Council of YMCAs, reviews the local Y's annual report with James A. Corwin, president of the Pontiac YMCA, at last night's meeting. They discussed the track being built, the new day camp to open in June and a new sun deck on the roof of the Y.

Directors of YMCA Chosen at Meeting

New members were elected and old ones reelected to the Pontiac YMCA Board of Directors at last night's annual meeting at the Y.

New board members are Harold Allen, men's department manager at J. L. Hudson Co. at The Mall; Rev. James Meyer, assistant pastor at St. Benedict's Catholic Church; Dr. Everette Gustafson; Howard Nelson, manager of Sears Roebuck Co.; and Rev. Galen Hershey, pastor of the First Presbyterian Church.

Board members reelected include John W. Fitzgerald, editor of The Pontiac Press; Robert M. Critchfield, retired vice president of General Motors Corp.; Dr. Irving E. Gordon; W. E. C. Hutchwaite, attorney; and Frederick J. Poole of Poole Lumber Co.

Officers will be elected at the May board meeting.

★ ★ ★

Almost 100 persons listened to George S. Gullen Jr., president of the National Council of YMCAs, discuss the changing role of the Y.

He urged the audience to continue increasing the involvement of lay people in the business of increasing understanding.

"In the final analysis, the Y is not a building, it's an association of people," he said.

Problem of Plugged Drain Tossed Back to Waterford

Oakland County officials have tossed the problem of a troublesome drain back to Waterford Township.

The drain goes under Dixie Highway near Walton. It has been flooding the highway most of the spring since it is plugged up. More than a foot of water has been in the road at times. Minor repairs have been made and the drain is working partially now.

Yesterday the drain commission met with Waterford Township officials and representatives from the County Road Commission and the State Highway Department.

Daniel W. Barry, drain commissioner, explained the facility, Drayton Plains Drain Extension, was built in 1923.

★ ★ ★

It is broken in places, inadequate since extensive development in the area, probably badly silted and has been interfered with by construction, Barry said.

UNDERWATER TABLE

As a result, much of the drain lies under the water table, he said. If a new drain were constructed, it would lower the water table and improve the value of the entire township, Barry said.

He gave a "ball park" cost estimate of $600,000 to $700,000 for the job, and said this meant only "pennies a year" to property owners on a 30-year township assessment.

Elmer R. Johnson, Waterford Township supervisor, balked at the suggestion, however. He said he was reluctant to add any further costs to hi's residents' tax bill.

Johnson said he would look for some temporary measures to keep the drain working for two or three more years, but admitted the job would have to be done eventually.

WATER IS DRAINING

The County Road Commission cleared the drain where it appeared to be blocked on the west side of Dixie, officials reported. The water is now draining slowly, but it is not known how long it would remain operative.

An official from the State Highway Department said he thought the state would be likely to raise the highway this summer at that point to get it above the flooding.

Officials said the spot is very dangerous when flooded.

★ ★ ★

The Oakland County Board of Supervisors Drain Committee, chaired by Curtis Potter of Royal Oak, called the meeting. It was its recommendation that the township proceed with a drain construction.

Johnson said the Waterford Township Board will consider the matter.

Lecture Series on Negroes Set

265 PGH Employes to Attend OU Course

What contributions has the Negro made to America? What communications problems exist between Negroes and whites? How do whites look at Negro problems?

These and other questions will be explored in a new lecture series developed cooperatively by Pontiac General Hospital and Oakland University's Division of Continuing Education.

Beginning today, 265 preregistered hospital employes will heave five lectures on "The Negro in American Society." Because of the large registration, the Tuesday lectures have been scheduled for Madison Junior High School's Little Theatre.

Robert Donald, Mott Fellow in English at Oakland University, will present lectures on Negro history and communication problems. Irving Torgoff, associate professor of psychology, and Sheldon Appleton, associate professor of political science, will address the group on issues and findings in psychology and sociology, respectively.

Mrs. Esther Shapiro, consumer affairs representative of the Michigan Credit Union League, will present the final lecutre on metropolitan conditions facing and shaping the NEGRO OF TODAY AND TOMORROW.

CRUCIAL PRIORITY

Harold D. Euler, who is administrator of Pontiac General Hospital initiated the program because of his observation that better biracial understanding is a crucial priority need in our society.

"THise series, so well supported by our staff and the university, is the hospital's response to the need for an improved community awareness and appreciation of the contributions of Negro members of our American society," Puler said.

Soviets Say Craft Communicating From Lunar Orbit

MOSCOW (AP) —The Soviet Union, breaking a long silence, reported today that its Luna 14 unmanned spaceship is continuing to circle the moon and send back scientific information.

Luna 14 went into orbit April 10. There had been speculation that it would perform something new and spectacular.

★ ★ ★

A brief announcement today —the first word on Luna 14 since shortly after it reached the area of the moon—said the spaceship has communicated with the earth 97 times while making 176 orbits. Everything on board was described as working normally.

The nature of the information transmitted was not divulged.

Attorney Seeks Bid to Oppose Rep. Ford

GRAND RAPIDS (UPI) — A 34-year-old attorney today announced he would seek the Democratic nomination to oppose House Minority Leader Gerald Ford for the Fifth Congressional District seat this fall.

Lawrence Howard, a member of a local law firm who attended Northwestern University and was an honor student at Notre Dame, is a native of Ionia where he attended prep schools.

The Democratic challenger said that Ford, a Republican, had been a critic of the administration policies but failed to come up with meaningful solutions on domestic and foreign affairs and the Vietnam War.

GTW Using New Service

DETROIT (AP) — The Grand Trunk Western Railroad put a new piggyback freight train into service yesterday and called it the fastest service offered by any railroad between Detroit and Chicago.

Trains depart from each city at 9 p.m. local time. The westbound train arrives in Pontiac at 9:35 p.m. and leaves 15 minutes later.

★ ★ ★

The eastbound train arrives in the city at 5:05 a.m. and laaves for Detroit 15 minutes later.

★ ★ ★

The nine-hour running time allows loading of trailers on railroad cars at the end of a business day and delivery the next morning.

Girl, 11, Hit by Car, in Critical Condition

A Waterford Township girl, struck by a car Sunday afternoon, still is listed in critical condition today at Pontiac General Hospital.

The victim, Yolanda Whitener, 11, of 1549 Parkway, was hit by a car driven by Richard S. Holland, 18, of 23931 Cora, Farmington Township, on Parkway near Totem Lane in Waterford Township.

Holland told township police the girl ran into the path of his car and he tried to stop.

Prison Terms Ordered for 2

Prison terms were ordered today for two of three Pontiac men twice convicted of a burglary that occurred five years ago in Pontiac.

★ ★ ★

Sentenced to the state prison at Jackson were A. J. Simpson, 33, 256 S. Sanford, four to 10 years, and William Griffin, 35, of 416 Osmun, three to 10 years.

The third man, Arzo Carson, 29, of 399 Prospect, was placed on five years probation.

Simpson was released on $2,500 bond by Circuit Judge William R. Beasley after defense attorney Milton R. Henry filed notice immediately after the sentencing that he would appeal the convictions.

★ ★ ★

Griffin will be returned to the state prison where he is serving a sentence for another offense.

The three were first found guilty in October 1964 of breaking into a motorcycle shop 15 months earlier, but in December 1966 the Michigan Court of Appeals granted them a new trial.

Last month following a two-week nonjury trial before Judge Beasley, they were again found guilty.

The Court of Appeals ruled that in the first trial Circuit Judge Frederick C. Ziem had failed in instruct theh jury that it could consider other lesser affenses in returning a verdict.

Aid to Coldwater

COLDWATER (AP) — Coldwater has been awarded a $1,023,496 Housing and Urban Development Department grant for the downtown phase of an urban renewal project. The money is to be used to redevelop the area for commercial use and public parks, with $83,440 of the total being used for relocation assistance.

Police Action

Pontiac police officers and Oakland County sheriff's deputies investigated 76 reported incidents and made seven arrests the past 24 hours.

A breakdown of causes for police action:

Vandalisms—6
Burglaries—9
Larcenies—10
Auto thefts—2
Bicycle thefts—4
Disorderly persons—2
Assaults—4
Shopliftings—1
Armed robberies—1
Unarmed robberies—1

Kidnapings—1
Bad checks—2
Traffic offenses—16
Property damage accidents—12
Injury accidents—3

Denmark's Pornographers Are Focusing on Exports

COPENHAGEN (AP) — Order up some pornography in Denmark and get trading stamps thrown in.

"Business is business," said one Danish publisher of pornographic material that leaves little to the imagination. "We give trading stamps to our mail order customers."

★ ★ ★

Pornography is now a $50-million-a-year business in Denmark and it is expected to zoom even higher in June when a law goes into effect easing what once were strict regulations on written pornography.

The porno-producers are aiming for expansion in the export market. Their products already are being printed in many languages.

15,000 CUSTOMERS

The man who gives trading stamps has 15,000 mail-order customers.

"Ninety per cent of these customers are from Germany and 99 per cent of them all are male customers," he said.

★ ★ ★

He supplies customers with a catalogue from which they can chose a wide variety of magazines, photographs, 8mm movies in black and white or color, slides and books. He also turns out an international circular in which his customers can advertise their secret desires. Women advertise free and the average response is 400 letters per ad.

"If we can sell it, it must be because there is a market for it," said another porno-producer.

Profits in the business are handsome. A magazine that costs the equivalent of 13 cents to produce brings a return of 15 times that much.

Denmark's photographic pornography leaves little to the imagination and garishly outrivals the stuff peddled by back-street vendors of former times.

★ ★ ★

One porno merchant said: "In the old days we got our material from France and Germany, but now the photographers at Montmartre and Reberbahn back out. The competition from Denmark is too strong. They say soon we will have to produce all of our material ourselves."

Production is already in full swing. It is not difficult to hire "actors" who are paid about $100 for making a sex film.

'NOT BORING'

"I don't mind the work," said one 19-year-old male model. "It is easy money—and the work is not boring."

"It all started with Eve," said a 21-year-old Copenhagen girl who has starred in several porno movies. "We are just a little more techical." Mornings, she studies languages at Copenhagen University.

★ ★ ★

"Very few of the girls are dumb," said an old hand at sex movie producing. "Most of them to do it for money and a few just for kicks, or because they are exhibitionists."

Danes themselves have been inundated with pornography over recent years.

The home market is slowing down. But private film clubs have appeared. One Copenhagen club carries on the facade a flashing title in neon lights: "Star Movie Club." In order to conform with the law governing private clubs, each show is called a membership meeting—there are up to five a day. Membership dues are the equivalent of $5—with a $2 fee per meeting. In return for this, the members solemnly are presented with such movies as "Unexpected Guests," "Teen-age Petting," and "Father and Daughter."

★ ★ ★

But patrons are not entirely pleased.

Said one member after a late night show: "I'd like to have more plot in the films." Another echoed: "Boy, it gets repetitious." A third: "You've got to leave your imagination at home —you don't need it here."

LAUREL AND HARDY

Danish police keep raiding the producers, the distributors and the film clubs. The next day they reopen. One movie club excluded one of the more tantalizing films after a raid and replaced it with an old Laurel and Hardy movie: "Just to show Horw versafile we are," said the club president.

In spite of the fact that the foreign market appears to be a wide-open field, Danes appear to be getting bored.

★ ★ ★

Said one producer: "I feel that we have reached the limit with the hard line. Pretty soon people will want to go back to the point where the seventh veil isn't dropped."

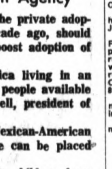
People in the News

By The Associated Press

Marian Anderson, retired concert vocalist, will become the first Negro to receive an honorary degree from Tulane University in New Orleans.

Miss Anderson, who retired from the concert stage in 1965, will be awarded an honorary doctor of humane letters degree tomorrow night.

It will be her 24th honorary degree and the first from a Southern university.



MARIAN

Jane Russell to Boost Adoption Agency

Film actress Jane Russell says Waif, the private adoption agency she founded more than a decade ago, should finance a massive publicity campaign to boost adoption of homeless American children.

"There shouldn't be a child in America living in an institution or in a foster home if there are people available who want to adopt them," said Miss Russell, president of Waif.

"In Texas, for instance, a child of Mexican-American ancestry with no chance of adoption there can be placed with loving parents in Oregon," she said.

Waif has helped place 20,000 homeless children from abroad in American homes, she said. She founded the organization after she adopted a son, Thomas, in England in 1955. "I couldn't forget all the children I'd left behind," she said.

Dutch Queen, Son-in-Law Celebrate Birthdays

JULIANA

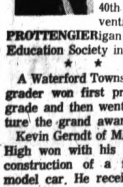
Queen Juliana of the Netherlands celebrates her 59th birthday today while her son-in-law, Pieter Van Vollenhoven, celebrates his 29th.

Soestdijk Palace, the queen's residence near Utrecht, is the site of a morning parade.

Vollenhoven, married to Princess Margriet of the Netherlands, recently became the father of a baby boy, Prince Maurits.

School Official Gets PR Award

Maurice C. Prottengier, Pontiac schools director of vocational and adult education, has been honored as doing the best job in industrial education public relations in Michigan.



Prottengier received the Earl Bedell publicity award at the 40th annual convention of Mich-

PROTTENGIERigan Industrial **Education Society** in Muskegon.

★ ★ ★

A Waterford Township seventh grader won first prize for his grade and then went on to capture the grand award.

Kevin Gerndt of Mason Junior High won with his design and construction of a fiber glass model car. He received a $100 bond. He is the son of Mr. and Mrs. Ned Gerndt of 3600 Lotus.

NOTICE OF LAST DAY OF REGISTRATION

School District of the City of Pontiac, Oakland County, Michigan.

Whereas, the Annual Election is to be held in said school district on Monday, June 10, 1968.

Therefore, notice is hereby given, that Friday, May 10, 1968, is the last day for persons living in the school district to register for this election. Registration will close at 5:00 p.m. on the last day of registration, except for residents of the City of Pontiac who may register until 9:00 p.m. on the last day for registration.

Application for registration should be made to the clerk of the City or Township in which the voter resides.

Persons already properly registered need not reregister.

ELSIE MIHALEK,
Secretary
Board of Education of the School District of the City of Pontiac
April 29, 30, May 1, 1968

NOTICE OF ADOPTION

An Ordinance to amend the map of Township Ordinance No. 45, known specifically as the Zoning Ordinance of the Charter Township of Waterford, Oakland County, Michigan, whereby the zoning district designation of each of the following described parcels of property has been changed:

Case No. 67-45

To change the Zoning District Map of the Waterford Township Zoning Ordinance No. 45, from R-1A, Single Family Residential District to R-2, Multiple Dwelling District and from General Business District the following described parcels:

Parcel "A"

Part of the SE ¼ of Section 4, T3N, R9E, Waterford Township, Oakland County, Michigan described as beginning at the NEly right-of-way line of Dixie Highway and the SEly line of "Eagle Lake Heights" as recorded in Liber 49, Page 44 of Plats of Oakland County Records; located N 43°56'30" E 60.01 feet from the corner of "Eagle Lake Heights Subdivision"; thence N 43°56'30" E 800.00 feet; thence S 46°03' E 325 feet more or less; thence SWly 800.00 feet parallel to and 550.00 feet NWly of NW line of "Dixie Trail Subdivision" to the NEly right-of-way of Dixie Highway; thence N 46°03' W 583 feet more or less along said right-of-way to point of beginning. Containing 9.4 acres more or less; except the SWly 235 feet of the above described property, being already zoned C-3, General Business District.

Parcel "B"

Part of the SW ¼ of Section 3, and part of the SE ¼ of Section 4, T3N, R9E, Waterford Township, Oakland County Michigan, described as beginning at the E corner of Eagle Lake Heights Subdivision; thence N 51°33' W 547.08 feet along the NEly line of "Eagle Lake Heights Subdivision" to the E and W ¼ line of Section 4; thence ELy 735 feet more or less along the E and W ¼ line of Section 4 to the ¼ corner between Section 3 and 4; thence ELy along the E and W ¼ line of Section 3 to the NW corner of "Eyesters Woodhill Lake Farms No. 1"; thence S 39°59'30" W 735.83 feet to school property; thence S 01°41'00" W 330.00 feet along school property to the N line of "Dixie Trail Subdivision"; thence N 89°17' W 1317.72 feet along the N line of "Dixie Trail Subdivision"; thence S 47°28' W 223.13 feet along the NWly line of "Dixie Trail Subdivision; thence NWly 1075 feet more or less parallel to Dixie Highway to the SEly line of "Eagle Lake Heights Subdivision"; thence N 43°56'30" E 16.70 feet along "Eagle Lake Heights Subdivision" to the point of beginning. Containing 22.6 acres more or less.

Case No. 67-104

To change the Zoning District Map of the Waterford Township Zoning Ordinance, Ordinance No. 45, from R-1A Single Family Residential District to C-1, Local Business District and R-2, Multiple Dwelling District the following described parcel of property:

SW ¼ of the NW ¼ of Section 20, and that part of the NW ¼ of the SW ¼ of Section 20 lying N of Pontiac Lake Road right-of-way. Containing 46.42 acres more or less.

Said amendments having been adopted in accordance with the provisions of Act 184, Public Acts of 1943 as amended and in accordance with the provisions of Township of Waterford Ordinance No. 45; said amendments having been adopted in a regularly scheduled session by the Township Board of the Charter Township of Waterford on April 1, 1968; and further said amendments will take effect thirty days from passage.

Arthur J. Salley, Clerk
Charter Township of Waterford
April 30, 1968

Cause No. 23842

STATE OF MICHIGAN, In the Probate Court for the County of Oakland, Juvenile Division.

In the Matter of the Petition Concerning Gary Wayne Neese, Minor.

TO: Willard Neese, father of said minor child:

Petition having been filed in this Court alleging that said child comes within the provisions of Chapter 712A of the Compiled Laws of 1948 as amended, in that the present whereabouts of the father of said minor child is unknown and said child has violated a law of the State, and that said child should be placed under the jurisdiction of this Court.

In the Name of the People of the State of Michigan, You are hereby notified that the hearing on said petition will be held at the Court House, Oakland County Service Center, in the City of Pontiac in said County, on the 9th day of May, A.D. 1968, at 1:30 o'clock in the afternoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in The Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Norman R. Barnard, Judge of said Court, in the City of Pontiac in said County, this 26th day of April, A.D. 1968.

Mrs. Peterson Befriends Foreign Visitors

By JUNE ELERT

Romantic dreams of travel in exotic lands attack most of us at one time or another. Ruth Peterson's urges in this direction have been translated into activities involving foreigners visiting these shores.

She is a member of the International Pot Luck Group which meets monthly at the YWCA, and is cochairman (with Mrs. Glenn Bedell) of the Birmingham-Bloomfield chapter of People-to-People.

This is an organization launched in 1956 by President Eisenhower. Nonprofit and non-political, it exists solely to promote international understanding.

Three million people around the globe belong to People-to-People.

Like another program of the same type — Experiment in International Living — the People-to-People program uses home visits and personal contact to foster respect and friendliness between individuals.

The Detroit International Institute funnels thousands of international visitors through the two area People-to-People chapters; the other one is in Clawson.

Ruth works as one of three joint chairmen arranging hospitality visits and serves as hostess and driver for international visitors also.

The other chairmen are Mrs. James Rae and Mrs. James Long, both of Birmingham.

These three women handle the tri-county area with Mrs. Peterson covering a list of volunteer host families in Pontiac, Rochester, Clarkston, West Bloomfield, Birmingham and Bloomfield Hills areas.

MATCHING

Having served as hospitality hostess herself, Ruth initiated a policy of matching the visitors with families of similar background or interest.

To this end she watches the newspapers for articles which indicate special facts or interests of area residents and files them away — just in case.

She often calls people she's never met, and who may not know of the program, and almost invariably finds them delighted to cooperate. There is no financial cost beyond the home visit which may mean just dinner and conversation.

Some visitors stay overnight and some for longer periods.

Coming in May are ten lawyers from India who will be remaining for a month. The three cochairmen are busy now trying to arrange accommodation for them as close together as possible so they can get together for tours, etc. while they are here.

A number of host families have volunteered already, but others are still needed.

OPTIMISM

Optimism and humor form the basis of Ruth's personality. She says, "There is no problem that cannot be solved some way."

The problem of 16 foreign visitors for one Thanksgiving dinner, along with her own family (seven children) was solved by distributing the folks in layers throughout the house.

The kids went upstairs, the men to the basement, and the women (naturally), remained near the kitchen.

"There is always a better way" is another of her precepts. It was from this idea that the matching of visitors to families grew.

More recently, it has brought about personal contact, over coffee cups, between some Negro mothers of Jefferson Junior High School and Ruth, who is concerned about the chasm between the races in this city.

She is a member of VOCAL and finds attendance at its meetings helpful, but not the whole answer. She says, "You have to sit down and talk, person to person, to begin to understand each other's problems."

★ ★ ★

In her spare time, Ruth bakes bread, attends the PTA, freezes produce from the family garden on Crestview Street and keeps house for husband, Kenneth, an engineer at Pontiac Motor Division.

Laughingly, Ruth claims her greatest talent is the ability to get other people to do things for her.

"Be ye kind," is an oft-repeated admonition around the Peterson household.

It is upheld by example, as mother takes off on short notice to answer any appeal for help, including (while I was there) a request for transportation of a mother and child to the clinic at St. Joseph Mercy Hospital.

When I asked, "How do you find the time?" Ruth answered, "I'm not too busy to do that. I wouldn't dare say I'm too busy to help."

Pontiac Press Photo

MRS. KENNETH (RUTH) PETERSON

Still Need Homes for These Visitors

Homes are still being sought for the group of 10 Indian lawyers who will arrive in the area on May 21.

Their visit is jointly sponsored by the International Visitors Division of International Institute of Metropolitan Detroit and The Experiment in International Living, Putney, Vt.

Each "Experimenter" will live for four weeks as a member of a local family. Through family and group activities, these lawyers, who will probably be in their twenties, will learn about American life and share their ways with their host family.

Tour programs are arranged with allowance for free time. Interested volunteers are needed to drive the guests to scheduled events. The group will leave about June 24.

Interested individuals may contact Mrs. James Rae, Rivenoak Street, Birmingham, chairman of this project.

Ann Arbor Vows Unite Pair

MRS. R. M. FESSENDEN

Newlyweds, the Richard Mial Fessendens (nee Gail Ann Mejeur) departed for a honeymoon trip to Rio de Janeiro following a reception Saturday at the Alpha Delta Phi fraternity house in Ann Arbor.

For the evening ceremony in the Lutheran Student Chapel, the bride carried a cascade of Phalaenopsis orchids and baby's breath. Her gown of Chantilly lace was styled with a scoop neckline, bell sleeves and A-line skirt.

A pearled headpiece capped the bride's illusion bouffant veil.

Marta Kalback and Kenneth D. Fessenden were honor attendants for the couple with Carol Fessenden as bridesmaid and usher Frank Kartheiser.

The bride is the daughter of Mr. and Mrs. Jerry Mejeur of Lansdowne Street. Parents of the bridegroom are Mr. and Mrs. E. M. Fessenden Jr. of Dallas, Tex.

AAUW Art Show Planned for Sunday

Approximately 70 artists will be represented at the sixth annual American Association of University Women Rochester branch Art Fair Sunday at Oakland University.

The invitational art show will be open from 1 to 6 p.m. in Oakland Center, reports show chairman, Mrs. David E. Boddy.

Most of the works will be for sale with a large price range from which to choose.

Open to the public for a small fee, the show will raise funds for AAUW fellowships.

May Hostess Ask Guest to Bring Food?

By ELIZABETH L. POST

Dear Mrs. Post: I am the wife of a veterinarian. There is a need in our area for the veterinarians and their families to get together in order to understand each other better. I would like to invite all 13 families here for an outdoor picnic, but we don't have the time or money to prepare food for that many.

Is it permissible to ask that the guests bring food to contribute to the meal? We are furnishing the soft drinks and tea, plus several of the dishes. In your answer, please include the proper wording of the invitation. Marge

★ ★ ★

Dear Marge: You have a fine idea, and for a party with a purpose, such as this one, there's nothing wrong with asking the guests to pitch in. You can issue invitations by telephone and simply explain your plan and ask each couple to bring one item. Or you may buy informal invitation cards and write at the top "Dutch Treat Picnic."

★ ★ ★

Fill in the necessary information and below write "Would you please bring salad for . . . (8 or 16)." You should also add "We will provide soft drinks."

★ ★ ★

What is your most puzzling etiquette problem? To the sender of the most interesting question that we receive each week, we'll send a free copy of Emily Post's Etiquette.

Send your question to Elizabeth L. Post, in care of The Pontiac Press, Dept. E-600, P.O. Box 9, Pontiac, Mich. 48056, and don't forget to include your name and address.

Yearly Meeting of Federation

The Pontiac Woman's Club will perform hostess duties at Friday's annual meeting of the Oakland County Federation of Women's Clubs.

Beginning with a coffee at 9:30 a.m., the event takes place in First Congregational Church.

Ann Uloth of the Ortonville Woman's Club will be assisted with the opening ceremonies by Mrs. Ray Fraquelle of the Berkley group.

Representatives of each of the 30 clubs will give reports to Federation president, Mrs. Hans Schjolin of Birmingham. Judge Alice Gilbert will speak on the "New Judiciary" after luncheon.

Mrs. Herbert E. Norris, first vice president of the state Federation, will conduct installation ceremonies. Mrs. Schjolin will serve another term as president.

Others assuming duties are Mrs. Charles E. Earl, first vice president and Mrs. Lee Hill, second vice president.

Adventure Lies in Hosting Folk of Other Lands

By JANET ODELL
Pontiac Press Women's Editor

It was time to do the dishes and our guest insisted on being the washer.

"I like to come here and do this because at home in India, I can't do it."

It was an Indian student in a sari, with a caste mark on her forehead, who spoke. The time was 1936; the place, Ann Arbor.

My husband and I were students at the University and often enjoyed having Katie Kama as our guest. Since that time, many foreign visitors have been in our home.

★ ★ ★

Playing host and hostess to people of another country has been rewarding. It has sometimes been a strain when their knowledge of English has beeen slight and ours of — say, the Iranian tongue — has been nil. But we've always managed. Anyway, a smile goes a long way.

Getting acquainted with the women who work on the People-to-People international visitors' program has enlarged our horizons even more. Whenever I hear Ruth Peterson's voice on the phone, I wonder what type of visitor we will have next.

★ ★ ★

You have to be flexible about time with some foreigners, especially those from South America. They do not appreciate our dedication to the exact hour.

CURIOSITY

You have to be willing to answer all sorts of questions, some rather personal. But at the same time, the questioner will usually reciprocate with his own information.

You must not be positive that the American way is the only right way. You must be willing to admit that we do have our short-comings.

★ ★ ★

But it's fun to show off our country. There's no reason why we can't be proud of a lot of things. And we can change some misconceptions that a few foreigners have.

★ ★ ★

So, if the phone rings some day, and a rather harried voice inquires if you'll entertain a visitor from Timbuktu, be sure to say, "Yes." It will probably be an evening or weekend such as you've never had before, but getting shook out of one's rut is interesting.

Number Four Arrives

A son, the fourth for Mr. and Mrs. William G. Berghoff of Fort Wayne, Ind., is the latest arrival.

John Edward's maternal grandparents are Dr. and Mrs. Edward A. Christie of Bloomfield Hills.

Let Circumstances Dictate Action on Your Son's Wedding Celebration

By ABIGAIL VAN BUREN

DEAR ABBY: My husband is suffering from a terminal disease. His doctor refuses to speculate on how long he will live. His life could end suddenly or he could linger on for many months.

ABBY

Our only son is to be married in six weeks. The girl's parents plan a large church wedding to be followed by an elaborate reception. Of course my husband will be unable to attend any part of it.

What position should I take? Would it be proper for me to enter into these festivities? Should I stand in the receiving line without him? Or still worse, what should I do if I am widowed shortly before the wedding day?

If it weren't for the fact that I am the only "family" our son has, I would be inclined to skip it all, even though my son hopes very much I will attend.

We don't know the girl or her parents well, so I don't feel free to discuss this with them.

NO JOY

DEAR NO: Don't anticipate anything. When the wedding day arrives, let circumstances — and your feelings dictate your actions.

★ ★ ★

DEAR ABBY: I am a freshman in high school and this problem has been on my mind ever since I can remember.

I am NOT Jewish, but a lot of people think I am — or that my father IS, but he has been denying it. We have a Jewish-sounding name, and everyone I've ever met with our name is Jewish. To make matters worse, my father "looks" Jewish, and so do I.

We live in a "restricted" neighborhood and belong to a country club that has no Jewish members. All my parents' friends know for sure that we aren't Jewish, but lots of kids at school call me a "dirty Jew."

★ ★ ★

Abby, I have nothing against Jews, and if I WERE a Jew I would admit it, but I was baptized in the Episcopalian church, and I'm a Christian.

My father understands the problem because he has had it all his life, so when I asked him if I could legally change my name when I am 21, he said it was up to me, and he wouldn't object.

Now I am wondering, if I were to change my name for a more Christian one, would people think I changed it because I am really Jewish and want to hide it? What should I do?

NOT JEWISH IN GREENWICH

DEAR NOT: There is no reason why a Christian should continue to wear a Jewish label if he feels it's a handicap. Go ahead and change your name if it will make you happier.

★ ★ ★

DEAR ABBY: In regard to the young wife whose husband is overseas in the army and was told by her lady friends that he was cheating on her because "all men are alike": I'm glad you told her that all men are NOT alike because they aren't.

I am a sailor (they are supposed to be the worst kind) and I have been in service for 13 years, having been in the Mediterranean and the Far East, and I can honestly say that I have been 100 per cent true to my wife.

If that army wife wants to believe her husband is true to her she shouldn't let those jealous old hens spoil her faith.

NOT ALIKE

★ ★ ★

CONFIDENTIAL TO "STAYING TOGETHER FOR THE SAKE OF THE KIDS:" Mucho noble, but try to be a trifle more noble and don't let the kids know it. It makes them feel guilty.

September Wedding for Miss Livingston

The David Livingstons of Lakewind Drive announce the betrothal and Sept. 14 wedding of their daughter, Jean Anita, to Roy James Johnson.

Miss Livingston has attended Western Michigan University and Michigan State University.

★ ★ ★

Her fiance, son of the Bernard Johnsons of Dell Rose Drive, is a senior at Michigan State University where he is affiliated with Lamba Chi Alpha fraternity.

Travels at an End as Residents Return Home From DAC Trip

By SIGNE KARLSTROM

Many local people have returned from a Detroit Athletic Club-sponsored trip which took them to Portugal, Spain, Italy, North Africa, Majorca and Malta.

Among the travelers are: Mr. and Mrs. Lester L. Colbert and their daughter, Mrs. Colbert Noble; Mr. and Mrs. Joseph E. Wellman, Dr. and Mrs. Owen S. Hendren, the Carol O. Bartons, Mr. and Mrs. F. W. Misch, Mr. and Mrs. Thomas J. Peterson, the Arthur Aarons and Mesdames Hooper Truettner and Richard Wagner.

★ ★ ★

Mrs. Edward Proctor who with her husband returned last week from a seven weeks' trip to South America attended the National Cathedral Association's program "Life and Death" (moral issues in modern medical technology) at the Cathedral Church of St. Paul Sunday.

On the panel were the Very Rev. Leslie G. Warren, Dean of the Cathedral; Rev. Michael P. Hamilton, Canon of Washington Cathedral; Dr. Alex Walt, professor and chairman, Department of Surgery, Wayne State University College of Medicine; and Dr. C. Paul Hodgkinson, gynecologist-in-chief, Henry Ford Hospital. Dr. Harold C. Mack, professor, Department of Obstetrics and Gynecology Wayne State University, was moderator.

Among those present were Mesdames: George Cary, H. C. Dumville, M. O. Collision and Maurice Garabrandt.

FOUNDER

Among the fascinating things the Proctors did on their trip was to visit the Collegia Ward preparatory school and junior college located in Buenos Aires which was founded in 1913 by Mrs. Proctor's uncle, the late George S. Ward of New York in memory of Mrs. Proctor's grandmother, Nancy Ward.

It has grown through the years to approximately 1,000 students and is recognized as one of the finest schools in South America.

★ ★ ★

On Friday at the Whittier Hotel a new cultural film on ancient and modern Sweden will be shown. It was produced and will be narrated by the internationally known film producer, Neil Douglas. It is sponsored by the Detroit Swedish Council.

Although the film was taken in Sweden the Santa Lucia scenes were photographed in Detroit last year with the Michigan 1967 Lucia and her attendants.

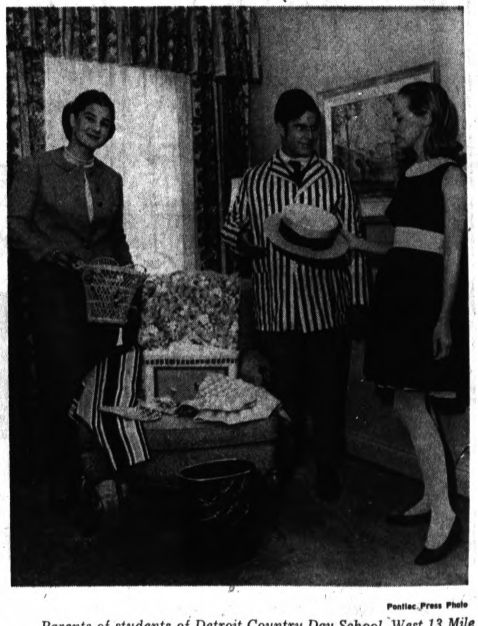
In the scene is also Ernest A. Jones who was toastmaster for the evening. Portraying a Swedish family on Lucia morning in Sweden are Dr. and Mrs. Bjorn Fritzell and their children who presently reside in Ann Arbor.

Others participating are Nina and Lisa McCabe and their parents Mr. and Mrs. Charles Law McCabe of Grosse Pointe who are cochairmen for the event. The film will be shown at 8:30 p.m. following a 7 p.m. dinner.

Among those planning to attend are: Mr. and Mrs. Ata Berker, the LeRoy W. Dahlbergs, Mr. and Mrs. Fredrick Merner who have as their guests Mr. and Mrs. Carl-Gunnar Karlstrom, Mr. and Mrs. Mark Wellman, Mr. and Mrs. G. T. Christiansen.

★ ★ ★

Others are Mr. and Mrs. Don Cargill, Pell Hollingsheads, Mr. and Mrs. Harvey Williams, Svea Kline, Harold Ward, and Dr. and Mrs. John Ylvisaker and their four children.



Pontiac Press Photo

Parents of students of Detroit Country Day School, West 13 Mile Road, are hard at work finishing plans for the school carnival May 17, 18 and 19. Mothers and faculty wives have made many boutique items to sell, some of which are being displayed by Mrs. Richard Schlegel, West 13 Mile Road (left). Mrs. Walter Brown, Haverhill Road, West Bloomfield Township, hands Phillip Fisher of Franklin a hat to complete his barker's outfit. Hours for the carnival which is open to the public are 5:30-10 p.m., May 17; 11 a.m.-11 p.m., May 18; and 12:30-11 p.m., May 19.

Correct Names

The bridal photo of the former Irene Rose Myers in Monday's edition was incorrectly captioned. Her new name is Mrs. George D. Walsh.

Also, Robert Dittman served as an usher in the wedding party.

Consoling Thought for Today's Shopper

By MARY FEELEY
Consultant In Money Management

There's precious little fun these days in trying to feed a big family on a small grocery allowance. So you might as well get what consolation you can by comparing today's costs with those in the "good old days."

MARY FEELEY

Since you won't find that consolation in dollars and cents, how about this bit of cheer:

Around the turn of the century, the average earnings were 22.7 cents per hour for a 58.3 hour work week. So it required 19.3 hours of work to buy $4.38 worth of food. Today's average earnings are figured at $2.85 an hour for a 40.7 hour work week. So after only 4½ hours of toil, you can come home with $12.82 worth of groceries. That's matching identical shopping lists item for item, in 1902 and and 1968.

If that doesn't brighten your day, then maybe this will:

Predictions are that income gains will be larger than increase in food expenditures. So the percentage of income spent for food is expected to decline.

That's about all the encouragement you food shoppers are apt to get in the foreseeable future.

Dear Miss Feeley: I intend to get married this year, and would like to start out with a budget. Of course my fiancee doesn't like the idea of a budget, but I have convinced her this is the best way. So will you please tell me the percentages for the various items, such as food, rent, etc.

I don't want to go into debt. Possibly we will have two incomes, as she may continue to work until our first child is born. R. L., Bronx, N.Y.

* * *

Dear R. L.: however, you set up this first budget, base it on one income—yours. A second income sounds too problematical to risk. Now for the percentages, which are not offered as what people should do with their money, but rather what the history of family spending indicates can prove sound.

You'll notice the range in certain categories is wide, allowing for some tailoring on the part of the individual family:

All figures apply to Net Income: Housing, 15-30 per cent; Household Operating Costs, 5-15 per cent; Food, 15-40 per cent; Clothing and Upkeep, 8-15 per cent; Savings and Insurance, 5-15 per cent; Personal Allowances, 2-6 per cent; Medical (doctor, dentist, drugs), 2-10 per cent; Recreation and Vacation, 2-10 per cent; Miscellaneous, 2-6 per cent; Transportation, 4-16 per cent.

Don't expect your first try at sticking to a budget to be a howling success, especially since the bride-to-be doesn't like the idea in the first place. Just keep working with those percentages until you find a formula that lets you come out a little bit ahead at the end of the month.

Pontiac Press Photo by Ed Vanderwerp

Attic items and antiques, that's what the "Barn Bizarre" of the North Oakland County chapter of the Valparaiso University Guild is made of. President, Mrs. Richard Albrecht (left) of Lonesome Oak Drive, Oakland Township, and Mrs. Arthur Gau, vice president, are setting up booth displays in the Gau barn on North Rochester Road, Oakland Township, the site of Saturday's sale. Proceeds from the affair, slated from 9 a.m. until 4 p.m., will be donated to University projects.

Eileen J. Heyn Wins New Title

ST. JOSEPH (UPI) — Eileen Joy Heyn, 18, a high school senior from Bridgman, Monday night was selected from 33 contestant as the 1968 Miss Blossomtime Queen.

The green-eyed brunette is a varsity cheerleader at Bridgman High School and a member of the National Honor Society. She is the daughter of Mr. and Mrs. Gilbert Heyn of Bridgman.

Chosen runner-up was Rayana Stanfield, 17, the reigning Miss New Buffalo. She is the daughter of Mr. and Mrs. Howard Stanfield of New Buffalo.

* * *

Melinda Sue Bower, 18, daughter of Mr. and Mrs. Samuel Bower Jr. of Lawrence, was chosen second runner-up.

Mr. and Mrs. J. P. Stephens of Branch Street announce the engagement of their daughter, Ruby, to Samuel S. Robinson, who has attended Ohio State University. Miss Stephens and her fiance, son of the Wesley J. Robinsons of Columbus, Ohio, are planning a July 6 wedding.

T. M. Standfest, Karen Hulcher Exchange Vows

Mayor and Mrs. Wendell E. Hulcher of Ann Arbor announce the recent marriage of their daughter, Karen Marie, to Ted Michael Standfest.

Parents of the bridegroom are Mr. and Mrs. Charles Standfest of John R. Road, Avon Township.

* * *

Honor attendants for the ceremony in First Methodist Church, Ann Arbor, were Linda Lefevre and Tim C. Standfest.

Following a reception at the Statler Hilton Inn, the couple departed for a honeymoon trip to New York City. They will make their home in East Lansing.

FROM THE GREEKS
The scaling, itching skin affliction, which we call "psoriasis" today, was known to the ancient Greeks as alphos. The Greeks not only had a word for it, they also discovered remedies based on coal tar to treat it.
Over the centuries, pharmacy has developed many other preparations to cope with psoriasis; but to this day physicians consider products containing coal tar derivatives as their remedies of choice.

Why Grow Old?

By JOSEPHINE LOWMAN

Even though they are not two-faced, today many women are two-headed in a way. While one head of hair is attached firmly to their scalp, their wig is being beautifully coiffed at a beauty salon.

* * *

There is no doubt about it! Wigs and extra hair pieces are a real blessing to the woman with thin unattractive hair and the one whose hair falls flat in damp weather or becomes wild in the wind.

* * *

They also give real aid and comfort to the busy woman who likes to change her hairdo frequently.

* * *

Numerous women have wig and extra hairpiece wardrobes while the majority have a standin of some sort. If you are thinking of buying a wig, there are things you should consider. These vary greatly in price depending on the type hair used and whether they are machinemade or handmade.

REAL HAIR

Those made of real hair are much more expensive than those made of synthetic hair. Sometimes real hair and synthetic hair are both used to create a more natural effect.

* * *

Today, there are some wigs made of synthetic hair which looks so much like the real thing that only an expert would know. I was wearing one of these not so long ago and one of my best friends, who was sitting right beside me at the bridge table, asked "Jo, who cuts your hair?"

* * *

Wigs made of hair from Europe are the most expensive; blond hair most of all. Machine-made wigs are, of course, cheaper than those made by hand. When machine-made, the hair is sewed on in rows. When hand-made, there are no rows.

SYNTHETIC WIGS

Wigs made of synthetic fibers are so greatly improved today that an extra hairpiece or a wig is within the reach of most women.

Take care to match the color of your own hair perfectly. Test the color in daylight as well as under artificial lighting.

PTSA Sets Show

The Pontiac Northern PTSA will present an adult talent and hobby show Wednesday at 7:30 p.m. in the school auditorium. Open to the public with no charge.

New Mexico Territory was annexed to the Union in 1846.

Bride-Elect Is Shower Honoree

A kitchen and linen shower was held recently for Monika Florentine, who will wed Dennis L. Kachinski on May 3. She is the daughter of Mrs. Aino Niedzwiecki.

Hostesses for the event, in the home of the bridegroom's mother, Mrs. Julius Kachinski of Pontiac Lake Road, were Mrs. Walter Lange, Mrs. Robert Toth and Mrs. Charles Austin.

Spacecrfat simulators used by astronauts in preparation for space flights in the future will be fireproofed.

Lake Orion Girl Is Contest Winner

Jacqueline Kitchner, daughter of the Charles Kitchners of Cole Road, Orion Township, has won the third art contest sponsored by Meadow Brook Theatre.

Her winning design will appear on the cover of Chekov's "The Sea Gull" from May 3 through June 2 at Oakland University and from June 5 through June 8 at the Johnson Theatre in Durham, N. H.

★ ★ ★

Her design is a semi-representational composition of shades of grey and tan representing sea, sky and a seagull in flight.

Runner-up honors went to Joanne Hattis of Pontiac Northern High School, Brenda Collom of Waterford - Kettering High School, Kathy Holda and Tammy Larsen, both of Edsel Ford High School, Dearborn.

Ladies Rank High in Court

LONDON (UPI) — Monday was something of a ladies' day in English courts. Evidence:

— In Swansea, Supreme Court Justice Sir Gerald Thesiger ordered Britain's first all-woman jury be seated today to try a mother accused of manslaughter in the death of her child.

★ ★ ★

— In London, a woman judge freed a soccer fan accused of using bad language after he told the Judge his wife had stopped him from attending games.

★ ★ ★

— In London's Old Bailey criminal court, a 14-year-old girl was cleared in the killing of her grandmother.

— In Reading, a 40-year-old woman was found innocent of the murder of her lover's girl friend.

— In Worcester, the betting licensing board granted Mrs. Amy Patterson the right to run Britain's first bookmaking business catering to women only.

★ ★ ★

In London, the government released a repot today on Britain's 800 centenarians, saying women outnumber men six to one in the long-life span.

Two ounces of Mâdame Rochas cologne. It's the closest thing to a free sample.

This is better than a free sample. It's an atomizer of Madame Rochas cologne. It's just enough for you to try this great French fragrance. Available for the first time for a short time—and for only $3.50.

Parfums Marcel Rochas.

Splashy Colors for Party Table

Use squares of bright-colored cotton fabrics as both napkins and centerpiece at your next dinner party.

★ ★ ★

It is suggested that the tablecloth be a solid color. However, for napkins, choose fabrics that are wildly different in color and pattern: checks, floral prints, paisleys, stripes, polka dots.

★ ★ ★

As the centerpiece, arrange napkins in a big brandy snifter, gathering them in folds like a bouquet of fabric flowers.

New!
Profile Bread
is here!
to help prolong your Slender Years!

Light Profile and—for people who prefer dark bread —Dark Profile!...Both in bright, new Sta-Fresh bags!

Now you can help control your appetite... with a wonderful new bread—Profile Bread. New Profile Bread helps you prolong your Slender Years. The years of lovely, youthful lines.

How? By following the Profile Bread Plan. All you do is choose either the light Profile loaf...delicious and tender...or the dark Profile loaf flavored with a blend of honey and molasses.

Then, thirty minutes before lunch and dinner, eat 2 slices of fresh, delicious Profile Bread—light or dark. Like any good protein-carbohydrate food, new flavorful Profile Bread helps you curb your appetite.

So, start right away. Look for the new Profile Diet Menu Planner at your grocer's and diet with the Profile Bread Plan. Remember, by following the Profile Plan you can help prolong your Slender Years. New light Profile and new dark Profile, both high in milk protein, are now available fresh at your grocer's. Look for them both in bright, new Sta-Fresh bags!

Look for the new Profile Diet Menu Planner at your grocer's.

Opening lead—♦ Q

By OSWALD AND JAMES JACOBY

Here is another old-time hand from Fred Karpin's book 'Winning Play in Tournament and Duplicate Bridge.' The bidding was optimistic but strangely enough it went just about the way it would go with modern methods.

North was JACOBY Oswald Jacoby and South the late David Bruce, the locale the 1933 Vanderbilt which was the second winning Vanderbilt for this yair.

★ ★ ★

The play of the hand is worthy of considerable study because it illustrates two important points of play.

Dave won the opening lead with dummy's ace of diamonds and promptly led and finessed the jack of spades. When the jack of spades held, he led a trump and played his 10 spot. West showed out, Dave conceded a trump trick and chalked up his slam.

The play of the 10 of clubs was a safety play designed to avoid losing two trump tricks. Dave risked nothing when he played his club 10. He might lose to a singleton king in the West hand but Dave didn't care about that.

He knew that he was in a slam contract that probably would not have been bid at the other table, and he was delighted to sacrifice a possible overtrick to increase his chance of making the contract.

If the spade finesse had lost, there would have been no safety play in trump. Dave would have played the ace of clubs and hoped for a singleton king.

Incidentally the slam was what is known as a good one. It was certain after the spade finesse worked. If it failed, Dave would still have had the 26 per cent chance to drop a singleton club, so his actual chance for success was 63 per cent.

♥♣CARD Sense♠♦

Q—The bidding has been:

West	North	East	South
	1 ♠	Dble	4 ♠
Pass	Pass	Dble	Pass
5 ♣	Pass	Pass	?

You, South, hold:

♠K 8 7 6 4 ♥K 10 5 3 2 ♦5 4 ♣3

What do you do?

A—We have a slight preference for a pass but would not criticize a double. The one thing we would not do is to bid five spades.

TODAY'S QUESTION

Again East doubles your partner's opening spade bid. This time you hold:

♠A 8 7 6 4 ♥K 10 5 3 2 ♦5 4 ♣3

What do you do now?

It was even more successful than we expected at the time. The other pair reached six clubs also, but that declarer played his ace of clubs at trick two and if he is still alive the chances are he is still complaining about his bad luck.

(Newspaper Enterprise Assn.)

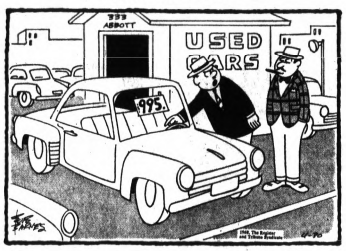
He Didn't Have to Look Too Far

HAYSVILLE, Kan. (AP) — Police here searched for a long time for a man charged with writing a bad check.

They had no good description of him or his car. However, when a good description of the 22-year-old offender was received, he was quickly arrested.

He had been living only a block from the home of the Haysville Chief of Police.

THE BETTER HALF



"How come this little old lady who only drove this crate to church on Sundays had a tachometer installed?"

BERRY'S WORLD—By Jim Berry

"No, Edwin—it's not YOU!"

Astrological Forecast

By SYDNEY OMARR for Wednesday

"The wise man controls his destiny . . . Astrology points the way."

ARIES (March 21-April 19): Wait, check details, read between the lines. Be aware of fine print. Today, do not be in any hurry. Accent on journey which reunites you with relative but don't rush.

TAURUS (April 20-May 20): Money spent on luxury item could create confusion. One close to you could become suspicious, ask questions. Innocent party, including you, could be misunderstood. Remain calm.

GEMINI (May 21-June 20): Cycle high, but financial judgment today might leave something to be desired. Keep eye on security requirements. Includes home payments, responsibility to family members.

CANCER (June 21-July 22): Direct your efforts toward self-improvement. Cycle high—but you are concerned with messages, calls, petty annoyances. Key is to rise above red tape. Express yourself. Get meaning across.

LEO (July 23-Aug. 22): Friends could encourage you to spend more than is necessary. Pull in the reins. Adopt a more conservative course. Remember past promises, responsibilities. Don't be talked or rushed into anything.

VIRGO (Aug. 23-Sept. 22): Tonight, a social affair could drain your energy. Key is to finish important tasks first—business before pleasure. Eccentric actions appear to dominate. Usual course is discarded.

LIBRA (Sept. 23-Oct. 22): People behind the scenes wish to shake you. Be ready for surprises. Stress creative endeavors. Don't feel the status quo is necessarily reliable. Take a more independent course today.

SCORPIO (Oct. 23-Nov. 21): Use your intuition. Be analytical. Synthesize information. Put together bits, pieces. Draw conclusions. Don't delay because of self-doubt. Answers are available and come from within.

SAGITTARIUS (Nov. 22-Dec. 21): People at the top act in unusual manner. You may be confused by unorthodox plans, ideas, proposals. Remember that long-range plans may not appear sensible at moment . . . but go with it. You win.

CAPRICORN (Dec. 22-Jan. 19): Break down barriers. Shove through to creative area. Your travel, vacation plans are subject to change. No need to be discouraged. If not stubborn, suitable substitute is available.

AQUARIUS (Jan. 20-Feb. 18): Work, money, duties are emphasized. You could feel trapped . . . but this is temporary. Study CAPRICORN message. Today you get to core of questions, problems. One who works with you makes confession.

PISCES (Feb. 19-March 20): Good lunar aspect later encourages love, romance, creative endeavors. You may be forced to reach understanding with mate, partner, attorney. Means stop beating about the bush.

★ ★ ★

IF WEDNESDAY IS YOUR BIRTHDAY you are original, independent, able to pioneer concepts, but sometimes you wish only to settle in comfortable groove. Current cycle, however, stresses travel, new contacts and increased social activity.

★ ★ ★

GENERAL TENDENCIES: Cycle high for GEMINI, CANCER, LEO. Special word to TAURUS: welcome opportunity for constructive change.

(Copyright T-M 1968 General Features Corp.)

OUT OUR WAY

BOARDING HOUSE

Today's Almanac

By United Press International

Today is Tuesday, April 30, the 121st day of 1968 with 245 to follow.

The moon is between its first phase and first quarter.

The morning star is Venus.

The evening stars are Mars and Jupiter.

On this day in history:

In 1789 George Washington took the oath of office in New York City, as the first President of the United States.

In 1945 Nazi Dictator Adolf Hitler committed suicide in a bunker in Berlin as World War II in Europe drew toward the end.

★ ★ ★

Also in 1945 Russian troops captured the Reichstag in Berlin and raised the Communist flag over the German capital.

In 1963 to raise funds for education, New Hampshire approved the first legal lottery in the United States since 1894.

D.C. Interpreters Entangled in Housing Jargon

WASHINGTON (UPI) — The patois they speak at the Pentagon may be the most counterproductive, language-wise. But it's the jargon at HUD that tests the mettle of Washington interpreters.

Staff members of the Senate Banking Committee's subcommittee on housing apparently have been around the gang from the Housing and Urban Development Department (HUD) too long.

They talked purest HUD at a recent briefing for newsmen on the banking committee bill providing $5.2 billion in programs that have no names. At HUD, it's the numbers that count.

The following is a reconstruction of exchanges between newsmen and staff members about the bill's program to help the poor buy homes:

Clerk: Now ignore S2700 and look at S3029. This line 1 item will be the same as the other with the ceilings at $17,500 and $20,000. As far as the income ceilings go, it'll be based on 70 per cent of 22 (D) (3) and B-M-I-R.

Q: The what?

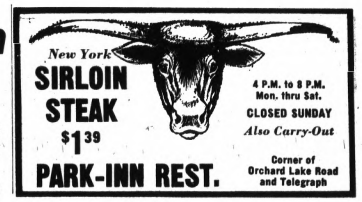
A: The income ceiling.

Q: What is it?

A: Well, as you know 221 (D) (3) has various income ceilings to qualify. Now in Milwaukee, for example, you just take the 221 (D) (3) ceiling and take 70 per cent of it.

Q: What's 221 (D) (3)?

A: Let's move on to page 2 and ignore S2700 and look at . . .



Pentagon Out to Disarm GI Mail to U.S.

WASHINGTON (UPI) — A GI in Vietnam recently sent a gift package to his girlfriend back in the states. It contained two live hand grenades.

Other soldiers, always alert for the unusual souvenir of the war, have sent such items to their loved ones as a live bazooka rocket, Russian and American submachine guns and all kinds of captured or stolen ammunition.

The Pentagon wants to stop this dangerous traffic through the mails and is taking aggressive steps to do so.

The Defense Department told UPI during the weekend it has made substantial progress toward halting abuses of the mail from Vietnam.

Frank A. Bartimo, assistant Defense Department counsel and chairman of the Pentagon's drug-abuse control committee, said that within a few weeks military post offices in Vietnam will be equipped with fluoroscopes — instant X-ray machines — to aid in intercepting illicit mail.

LEAVE POST OFFICES

Mine detectors, normally used in heavy combat areas, also will be employed to detect dangerous items, Bartimo said.

Earlier this month a number of soldiers and civilians ducked out of military post offices in Vietnam when they discovered that officials were using the detectors.

Bartimo said most cases involving shipment of weapons and ammunition involve soldiers innocently sending souvenirs home.

* * *

Some of the fluoroscopes, however, are equipped with instant cameras to take pictures that could be used as evidence if courtmartial proceedings resulted from illegal mailings.

CHECK FOR DRUGS

The fluoroscopes, already in use in the customs office in San Francisco, are helpful in checking for drugs as well, Bartimo said.

A wide variety of war materiel was discovered in a one-day test in San Francisco last November. Ninety packages arriving from the Far East contained such deadly items as hand grenades, submachine guns, carbines, pistols and ammunition.

Parachutes and signal flares also were discovered during the search which was concentrated on smuggled drugs.

Packages, most of them innocent, reach the United States from the Far East at a rate of more than 30,000 a day, with the military services accounting for the bulk of them.

Health Unit Points to Cholera Control

By Science Service

GENEVA, Switzerland — Either tetracycline or chloramphenicol — a drug now heavily under attack because it is prescribed promiscuously — can stop an epidemic of cholera in its tracks, with 95 per cent of the cases controlled within 48 hours, the World Health Organization reports.

Streptomycin is another antibiotic that is valuable although less effective.

Poor countries are urged by WHO if use streptomycin if neither of the other two is available.

10 & 20 ACRES

FOR SALE: 10 and 20 acre parcels of land in the Mt. Pleasant-Middleton area. Many parcels on paved roads. Suitable for building a house, garden, horses or investment. 10 acres $1,500, $300 down. 20 acres $2,000, $350 down. Owner, 13101 W. 7 Mile Rd., Detroit, Mich. 48235. Phone, DI 1-5060.

If a Meteorite Hits Your House

Call the Smithsonian Quickly

WASHINGTON (UPI) — In the unlikely event a funny-looking stone punctures the roof of your house, for goodness sakes, don't just call the cops.

Call the Smithsonian Institution, Washington, D.C. (202) 628-1810.

The Smithsonian and the scientific community generally will love you and be grateful for the gift of the stone.

The odds are that the stone will turn out to be a meteorite — otherwise known as "a poor man's space probe" — from the depths of the solar system.

★ ★ ★

Scientists set great store by these objects because they carry clues which someday may help man understand the history of the sun and planets.

A CASE IN POINT

Last July 17, Nationwide Papers, Inc., Denver, discovered a leak in its warehouse roof. A repair man found a hole and the stone that made it.

The stone was somewhat smaller than a baseball, dull black on the outside, and fine-grained like white concrete inside. It weighed only 2½ pounds.

Luckily, it eventually found its way to the Smithsonian. There it was identified as a meteorite, the first "fresh fall" recovered in the United States since Sept. 9, 1961, the date when a visitor from space arrived at Bells, Tex.

The Denver fall was a stony meteorite, one of only 1,000 ever found in the world since man tumbled to the fact, about 165 years ago, that things from space do occasionally hit the earth.

OLDEST ROCKS

Stony meteorites are the oldest rocks known. Presumably they were formed from the primordial mix 4.5 to 5 billion years ago when it is believed the earth itself was created.

Apparently they are the debris of a catastrophic collision between minor planets which occurred hundreds of millions of years ago, hundreds of millions of miles from earth.

Meteoric hits on people or property are exceedingly rare. There have been reports of animals being killed by rocks from space.

But so far as experts here know, there has been only one confirmed case anywhere of a meteorite actually hitting a human being.

LIGHTLY ON DERRIERE

On Nov. 1, 1954, at 1 p.m. in Sylacauga, Ala., a meteorite plunged through the roof of a house, bounced off a radio, and smote a woman lightly on the derriere.

Authentic cases of meteorites hitting buildings also are few. At 9 a.m. Sept. 9, 1938, a meteorite pierced the roof of a garage at Benld, Ill., and landed on top of the muffler of a late 1920 model car.

At 9:05 in the morning of Oct. 13, 1959, in Hamlet, Ind., a meteorite hit a house and damaged the guttering on one corner of the roof.

★ ★ ★

That's about the list. So if a meteorite hits your house, or even falls in your back yard, nature has singled you out for a most unusual favor.

Don't forget to tell the Smithsonian.

Car-Theft Rate Soaring

WEST ORANGE, N. J. (UPI) — Every 90 seconds an automobile is stolen in the United States. In 80 per cent of the cases, it's the car owner's fault, the Motor Club of America reports.

★ ★ ★

The club's safety department, headquartered here, said Saturday that eight out of 10 cars stolen are taken by teen-agers and that auto theft constitutes the greatest crime against property in the nation.

In the last 10 years the number of car thefts has increased four times faster than the population growth, the safety department said, and almost 20 per cent of the 1,000 vehicles stolen each day in the nation are never recovered.

AN ACCESSORY

The club said that motorists themselves become an "accessory to crime" when they fail to follow these precautions:

- Close windows and lock all doors.
- Park in well-lighted areas, avoiding alleys and strange lots.

★ ★ ★

- Know your car's serial number and license plate number.
- Remove keys from the ignition, even if you park for only a minute.

Cuba Refugee Children Take English Class

MIAMI, Fla. (AP) — By the time Cuban refugee children are resettled in Phoenix, Chicago, New York or some other city, they speak some English, although their parents may not.

The tots learn it at Freedom House, the halfway house in Miami between the Communist island they left and their new home somewhere in the United States. Cubans call the classroom and adjoining sand playground a refugee kindergarten.

★ ★ ★

The unusual kindergarten is observing its first anniversary this month. Since its establishment in April 1967, it has amassed more than 1,000 alumni, scattered throughout the United States.

The pupils are awaiting resettlement from this refugee port of entry. Many move on after a day, others stay a week or a month. New ones arrive each weekday, usually with their parents, aboard refugee airlift flights from Cuba. They are from 2 to 7 years old.

'GOOD MORNING'

"Good morning," beamed 5-year-old Marisela Iglesias, seated at her desk.

The words were the first she had ever spoken in English. Two days earlier, Marisela, then still in Cuba, hardly knew that such a thing as "ingles" existed.

"Hello," said her 7-year-old brother, Bernardo.

★ ★ ★

The children learn simple sentences in English. And they sing songs such as "Mary Had a Little Lamb."

Trading Is Active

Market Posts Moderate Gain

NEW YORK (AP) — The stock market posted a moderate gain in active trading early this afternoon.

The margin of advances over declines among individual stocks was about 150 issues.

★ ★ ★

In early trading, the New York Stock Exchange ticker tape trailed by three minutes in reporting floor transactions.

★ ★ ★

Brokers had expressed the option that a market reaction was likely with progress toward Vietnam peace talks lagging.

However, an expression of optimism by Treasury Secretary Henry H. Fowler over chances for a tax increase apparently was encouraging to investors.

BIG BLOCKS

Some big blocks crossed the NYSE ticker tape, including 31,000 shares of Polaroid at 108, off 3¼; 30,000 shares of Cutler-Hammer at 45¼, up ¼, and 25,000 shares of Commercial Credit at 42½, up ½.

★ ★ ★

Commercial Credit later expanded its gain to 2 points, and Polaroid pared its loss to about 1½.

At noon the Dow Jones average of 30 industrials was up 2.37 points at 910.71.

★ ★ ★

The Associated Press 60-stock average at noon had gained .5 of a point at 325.3, with industrials up .7, rails up .5, and utilities unchanged.

Prices advanced on the American Stock Exchange. Mohawk Data Sciences gained more than 4 points. Transcontinental Investing and Butlers Shoe were up a point or so.

The New York Stock Exchange

Sales figures are unofficial.

Unless otherwise noted, rates of dividends in the foregoing table are annual disbursements based on the last quarterly or semi-annual declaration. Special or extra dividends or payments not designated as regular are identified in the following footnotes.

a—Also extra or extras. b—Annual rate plus stock dividend. c—Liquidating dividend. d—Declared or paid in 1967 plus stock dividend. e—Declared or paid so far this year. f—Payable in stock during 1967, estimated cash value on ex-dividend or ex-distribution date. g—Paid last year. h—Declared or paid after stock dividend or split up. k—Declared or paid this year, an accumulative issue with dividends in arrears. n—New issue. p—Paid this year, dividend omitted, deferred or no action taken at last dividend meeting. r—Declared or paid in 1968 plus stock dividend. t—Paid in stock during 1968, estimated cash value on ex-dividend or ex-distribution date.

z—Sales in full.

cld—Called. x—Ex dividend. y—Ex dividend and sales in full. x-dis—Ex distribution. xr—Ex rights. xw—Without warrants. ww—With warrants. wd—When distributed. wi—When issued. nd—Next day delivery.

vi—In bankruptcy or receivership or being reorganized under the Bankruptcy Act, or securities assumed by such companies. fn—Foreign issue subject to interest equalization tax.

Voters Reject 2 School Issues

Millage Proposals Lose in Rochester

A record number of Rochester School District voters turned out yesterday to defeat both an 11.5 operating mill renewal and increase and another mill for bonding indebtedness. The margin was nearly 2-1.

★ ★ ★

Nearly 4,400 electors decided 2,812 to 1,555 against the operating millage and 2,678 to 1,602 against a bonding proposition.

The operating millage question had included a 7-mill renewal as well as a 4.5-mill increase.

"Obviously the tentative budget for 1968-69 of $5.3 million cannot be met with an estimated revenue loss of $1.2 million—the amount represented by 11.5 mills," said Schools Supt. Douglas Lund.

★ ★ ★

"It must be assumed that the saturation point has been reached relative to the degree of school support from local property taxes," he said.

A board meeting was set for 8 p.m. Monday to evaluate results of the election. Lund said the board had not at this point formulated plans for another ballot issue to be presented to voters at the annual election June 10.

Shopper Trains Cut to One on Saturday

Grand Trunk Western Railroad will run only one shopper special on Saturday during the summer months. The new schedule begins this week.

The Saturday train leaves Huron Street station at 8:47 a.m. and reaches Brush in Detroit at 9:35 a.m. with an 8:54 a.m. stop in Bloomfield Hills and an 8:59 stop in Birmingham.

The return train leaves Brush at 6 p.m., stops at Birmingham at 6:30, Bloomfield Hills at 6:35, and reaches Huron at 6:45 p.m.

There were two trains a day, Monday through Friday, before.

Allied Market Sales Are Up

Sales at Allied Supermarkets, Inc., for the quarter ending March 23 show a 23 per cent increase over the comparable period last year.

Earnings for that period were drastically reduced primarily as a result of extrme price competition in the Detroit and St. Louis area markets.

★ ★ ★

Kmart operations continue to show improvement and are currently producing an over-all profit as contrasted with a loss last year.

Soap Opera Report Added to Newscast

PHOENIX, Ariz. (AP) — Arizona's decision to remain on standard time this summer has caused one major addition to the format of a Phoenix television news broadcast—the soap opera report.

Officials at KTAR-TV say the switch to daylight time in most of the nation led to a rejuggling of schedules, eliminating the NBC serial "Days of our Lives" from the station's lineup.

To provide some relief for the loyal fans who called to protest, the station expanded its evening news to include a report of the day's events on "Days of our Lives."

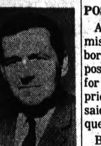
New Thrust Added

Price Controls Closer?

By JOHN CUNNIFF
AP Business Analyst

NEW YORK — As usual, there was little good news in the latest consumer price statistics. True, vegetable prices declined in March but almost everything else was higher, and food prices helped lead the advance.



CUNNIFF

This was the 14th straight month of rising prices. And, government men say, there will almost certainly be a 15th straight advance shown when the April figures are in.

★ ★ ★

The fact that essentials such as food led the advance in March could be interpreted as an omen, for it was increases in food prices a couple of years ago that led to the housewives' rebellion against retailers.

An even more ominous threat is that of price controls. With goods and services that sold for $10 in 1958 now retailing for $11.95, and with the rates of inflation the greatest since the Korean War, controls are a possibility.

POSSIBILITY DOWNGRADED

Arnold Chase, assistant commissioner of the Bureau of Labor Statistics, downgrades this possibility. With prospects being for peace talks in Vietnam, price and wage controls, he said, seem "almost out of the question...at this time."

But who knows when peace will come or inflation end?

★ ★ ★

Many Americans have a tendency to discount the red flags of inflation because, they find, their pay checks are growing also. But last month, purchasing power dropped. Should this continue, the sentiment for controls would grow.

Adding a powerful and steady thrust to the rising chart lines are the costs of services, the prices of which are often less obvious than the price tags at the grocery.

It will surprise some consumers to learn that increases in food costs and housing and apparel during the past 10 years have been at a rate smaller than the over-all price index.

Based on 1958 prices equalling 100, the consumer price index now is 119.5. But the food price index, despite recent sharp increases, is only 117.9, and the cost of clothing and upkeep of clothing is nearly the same at 117.6. Housing is 117.2.

★ ★ ★

The largest increases by far have been in services rather than goods, in items such as shoe repair, automobile maintenance, recreation, taxes, home repairs, college tuition, and especially in medical and dental costs.

Medical care now has increased nearly 43 per cent in the past decade, but even this high percentage doesn't really tell the story. In some areas the cost per day of a hospital room has nearly doubled.

DAMAGE OBVIOUS

The damage to the nation wrought by such inflation becomes obvious when you recognize that many of those who need medical aid are those whose incomes do not rise with inflation. Living on pensions, insurance policies and perhaps on investments, their income is fixed but their outgo runs wild.

But others are hurt also. During inflation there is a tendency in some job categories such as teaching, government and the service industries, for wage increases to fall well behind the rate of inflation.

★ ★ ★

Anybody with investments is likely to be hurt also. With the present rate of inflation in excess of 4 per cent, interest on most bank accounts has been nullified. Insurance policies shrink in value by the same percentage.

Businessmen are hurt. The Federal Reserve Bank of Philadelphia, in a booklet called "Inflation and or Unemployment," comments:

"...the businessman often is deluded into thinking that his company is more profitable than it really is. With visions of artificially sweetened profits dancing in his head, he may decide to expand his operations more than the real potential warrants."

REMEDIAL ACTION

Sooner or later everyone who experiences the distortions of inflation begins to take remedial action. They cut back on spending. They institute economy drives. They drop workers. They postpone purchases.

That is the real danger of those rising prices almost everywhere in the economy. Although inflation hurts, the correction usually hurts more. Although the correction can be mild or severe, it can't be avoided.

AP Wirephoto

CHANGES AT BOEING—T. A. Wilson (left), 47, was named president of the Boeing Co. in Seattle yesterday, succeeding William M. Allen, 67, who was elected to the new position of chairman of the board and chief executive officer.

Ford Nearly Doubles First-Period Income

DETROIT (AP)—Ford Motor Co. reported today its net income for the first quarter of this year nearly doubled in comparison with the January-March period of 1967.

Henry Ford II, chairman of the board, said first quarter earnings totalled $222-million, or $2.03 a share in 1968, compared with $120-million, or $1.10 a share a year ago. The per share increase was 85 per cent higher than in 1967.

Ford said the company's consolidated net income in the first quarter was higher than in any other first quarter in the automaker's history.

The higher profits, he said, reflected a partial recovery of production losses caused by a two-month United Auto Workers strike which shut down all production.

General Motors Corp. reported earlier its first quarter profits were $457 million, up 17 per cent from the $390 million made in the January-March quarter of 1967. Sales were $5.4 billion, against $4.9 billion, a gain of 11 per cent for 1968.

Chrysler Corp.'s first-quarter profits of $69.3 million were a record for that quarter and equal to $1.49 a share. In the same 1967 quarter profits were only $18.2 million.

Ford said the company's increased profits also reflected a higher industry demand for cars and trucks.

Consolidated sales in the first quarter of this year, the company reported, were $3,898,800,000. This was described as a record for any quarter and 36 per cent higher than 1967's first-quarter sales of $2,870,500,000.

The auto firm said worldwide factory sales of cars, trucks and tractors in the first quarter were 1,362,725 units, up 33 per cent from factory sales in the same period last year.

News in Brief

Donna Benning of 1160 Holbrook, Waterford Township, reported to township police yesterday the larceny of hunting clothes and shotgun shells—total value of $81—from her car parked alongside her home.

Dresses valued at $120 and an undetermined amount of change were stolen during a break-in at the Owen Coffell home, 5533 Crescent, Waterford Township, it was reported to township police yesterday.

BRIGGS BORIS

Power Firm Exec Retires Wednesday

Robert P. Briggs of Jackson, Consumers Power Co.'s executive vice president, retires tomorrow. He joined the company in 1951 as financial vice president and director.

He was founding president of the Michigan State Chamber of Commerce and has been a member of the board of regents of the University of Michigan since 1964.

Walter R. Boris, formerly corporate secretary, has been elected vice president for finance upon Briggs' retirement. Boris of Jackson joined Consumers Power Co. in 1950.

Check-Verification Service Is Offered

A new system to provide immediate check-verification service to help retail merchants has opened in Detroit.

Called Comp-U-Check, the service calls for initial commercial operations in Oakland, Wayne, Macomb and Washtenaw counties.

Subscribing to the service will be large department stores, chain grocery stores, drugstores, banks and other businesses in the Pontiac area.

The system is based on a computerized pool of bad-check information obtained from subscribers, police, banks, business associations and other sources and keyed for instant reference to Michigan's permanent drivers' license numbering system.

★ ★ ★

An initial public offering of 300,000 common share of Comp-U-Check, Inc., was sold out after reaching the market at $3.50.

Dial Finance Co. Earnings Are Up

Dial Finance Co., with an office at 10 W. Huron, earned $831,723 for the first quarter of 1968 as compared to $693,162 for the like period of 1967, an increase of 20 per cent.

Net income per share was 18 cents as compared to 15 cents for the first quarter of 1967.

Attacking U.S. Forces Find the A Shau Valley a Living Hell

AP Wirephoto

RED-LETTER DAY — GIs of the U.S. 1st Air Cavalry Division wave their own and captured enemy rifles as they ride atop a captured Russian truck in the A Shau Valley in the northern part of South Vietnam. Other GIs on the road give them the "thumbs up" sign in celebration. The soldiers found this truck and three others in an enemy cache of assorted weapons while on Operation Delaware, which seeks to invade the enemy stronghold.

CAMP EVANS, Vietnam (UPI) — The A Shau Valley is home to cobras, pythons, leeches, scorpions, poisonous spiders, tigers and 10,000 North Vietnamese troops.

"This is the screwiest piece of terrain I've ever seen," said Maj. Gen. John Tolson leading the U.S. forces trying to seize it.

The GI calls it "hell."

Before war and the Communists came, the A Shau was so awful a place that even the mountain Montagnards chose to live elsewhere.

It is 2,000 feet above sea level. It runs 25 miles from the Laos border eastward to within 15 miles of the old imperial city of Hue.

* * *

Some Vietnamese figured gods lived upon the mountains, one of them rising 7,000 feet above the valley where it is always damp and misty and covered by fog 11 months out of the year.

GREAT BIG DITCH

On the map it looks like a jagged double-edged saw. "It is just a great big ditch with mountains all around it and the weather is miserable," said Tolson, commander of the Army 1st Air Cavalry Division.

But, like the Marines on Guadalcanal, Tolson's men found this most-miserable place to fight a war the right spot to fight this war.

The North Vietnamese overran a U.S. Army Special Forces camp in the valley two years ago. Another Green Beret camp had to be evacuated. The North Vietnamese came down the Ho Chi Minh trail.

* * *

The A Shau began growing in importance on U.S. military maps as it became the main Red supply zone.

ALL-WEATHER ROADS

Tolson said he was amazed at the all-weather roads the Communists bulldozed through the valley and kept repaired despite incessant U.S. B52 strikes. He cited one mountain road.

"It's a real shocker. It's a damn well-engineered and maintained highway. They've certainly got some doggoned good engineers and plenty of bulldozers. It's like an Alpine highway," the general said.

The helicopter pilots who whirled in the American troops to the first assault 10 days ago recall the valley like an Armageddon the morning after. All those B52 bomb craters. They would prefer never to see it again. All that North Vietnamese antiaircraft fire.

* * *

Bill Martin Jr. of Seattle, Wash., copilot of one of the 22 U.S. helicopters hit on the initial assaults April 19, said, "The trees we hit must have been 50 feet tall. We came down in a series of bumps, as we hit successive layers of canopy. I remember thinking to myself, 'Well, heck, I'm still alive. I wonder if I will be alive when we hit the next one. We came to rest a few feet off the ground. I got out of there fast, before it burst into flames."

'FIRST TARGET'

Another chopper pilot, Lt. Lawrence Russell of Fort Lauderdale, Fla., said, "The enemy's motto seems to be 'to hell with the infantry, get the choppers first."

Ten days later, with U.S. troops moving toward the Laos end of the valley after days of fog stilled them and their supply helicopters, there has been no official reports of major ground fighting with the Communists.

Tolson seemed sure it would come.

Tolson said the North Vietnamese would have to abandon a vast treasure in supplies to quit the valley. "My mission in the valley is to destroy anything I see, kill any enemy and gather intelligence."

* * *

"We now have key terrain in the heart of the valley under our control. We have had same heavy losses, but considering where we are, we are in a fine position," he said.

"We are sitting right in his back yard. I feel we've hit him in a very tender spot," Tolson said.

Decorations Show Medics Are in Thick of Viet Battle

WASHINGTON (AP) — The Navy's medical chief says Navy medical corpsmen serving with the Marines in South Vietnam have been awarded more than 2,500 Purple Heart medals for death or wounds in action.

Vice Adm. Robert B. Brown, Navy surgeon general, cited that figure when asked in an interview about reports Navy corpsmen had suffered unusually heavy casualties.

Brown said it is not possible to relate the number of corpsmen casualties to the over-all total of Navy medics who have served in Vietnam.

But he mentioned the 2,562 Purple Hearts and more than 300 decorations for bravery as awarded Navy corpsmen to indicate the degree to which the medics had been exposed in combat against the North Vietnamese and Vietcong.

Latest figures show there are some 4,000 Navy enlisted corpsmen in the war zone. Many of them see combat with the Marines while others are stationed on two hospital ships.

Some other sources said the Navy had become so strapped for enlisted medics that consideration was given recently to calling some Navy Reserve specialists to active duty.

* * *

Brown did not comment directly, but did say, "We have never been given the privilege of calling up Naval Reservists."

He described staffing in his department as austere, and added that the number of trainees in the corpsmen school had been doubled and in some cases tripled. He gave no specific figures.

Also, the 16-week basic school has been shortened to 14 weeks to accelerate the output of needed corpsmen, he reportd.

Navy authorities estimated that some 95 per cent of the sailors who become medical corpsmen volunteer for duty in which they accompany Marine riflemen into battle.

* * *

In addition to their basic school, corpsmen receive some specialized training and undergo 4½ weeks of field service school before going out with the Marines.

Eight Navy medics are assigned to each 250-man Marine company. The Marines have no medics of their own.

* * *

In the field, the Navy corpsmen dress like Marines. They wear no identifying marks, such as a red cross on their helmets or a red cross arm band.

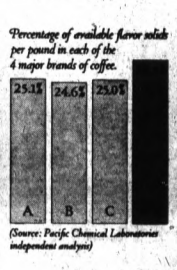
Hills Bros Coffee is more than

10% richer

than other leading coffees

Percentage of available flavor solids per pound in each of the 4 major brands of coffee.



(Source: Pacific Chemical Laboratories independent analysis)

Coffee is all we make. And we've found a way to make it better. A cup of coffee gets its flavor from what scientists call "available flavor solids." We have developed a new way of blending and roasting that gives our coffee more of these flavor solids than other leading coffees. As the chart shows—13% more, 14% more, even 15% more! You get a cup of coffee that has more flavor, more body, more strength. Even with cream and sugar the richer coffee flavor comes through. Enjoy some soon.

Head for the richer Hills!. Enjoy our Instant Coffee, too!

'Coyote' Howls as Tigers Win, 2-1

From the Press Box

BY BRUNO L. KEARNS
Sports Editor, Pontiac Press

If jockeys were needed in Greyhound racing, Willie "The Shoe" Shoemaker would probably have a lot of room to spare between the stirrup and the track itself.

In fact, the Greyhound dog would probably outweigh Shoemaker the jockey.

The diminutive rider, who is the second winningest jackey in North American turf annals, was a visitor to Hazel Park Race Track yesterday, walking on crutches and in the unfamiliar role of spectator.

"The Shoe" is on his way from California to the Kentucky Derby which he will miss as participant for the first time in 18 years.

In January of this year, he suffered a broken leg in a bad spill at Santa Anita and doctors have indicated he may miss the entire 1968 season.

WORST INJURY

"I've had some injuries, but this is the worst," said the personable little saddle star. "I've got a pin in my thigh near the knee which may be there for another four or five months."

Shoemaker exercises the leg carefully by walking a mile a day.

Not being able to ride is bad enough, but as an ardent golfer he finds it tough staying off the links during these recuperative months.

"I was a 10 handicap player before this," said Shoemaker, "when I get back I'll probably have to start over in getting a handicap."

One of his favorite golf partners is another great name of turfdom Eddie Arcaro, whom "Shoe" regards as the greatest jockey of all time.

★ ★ ★

"Eddie had the style and the head to go with it, I'd have to say he was the greatest," Shoemaker commented, "of course Johnny Longden has to be among the great ones."

Shoemaker, who is 37 years old, weighs a "heavy" 103 pounds, wears a size 5½ shoe and is closer to the stirrup than he is to the saddle when he stands alongside a horse, has raced in Michigan only once.

That was a few years back when he was astride Tom Rolfe in the Michigan Mile.

He finished third in the race and he noted, "You might know I'd finish behind a Polish horse, 'Stanislaus,' " he jested.

Last year he was in the saddle for 244 winners and earned a purse totaling $3,052,108, finishing second only to Barulio Baeza, whose $3,060,051 set an all-time record of winnings for a single year.

★ ★ ★

His mounts have earned $40,688,353 in his career which started in 1949 and at 10 per cent commission, his income from riding alone puts more weight on his bank book than he has on his small frame.

There's 23 years difference between Longden, who retired at the age of 59 with 6,032 winners, and if "Shoe" stays at it just a few more years he'll pass this mark easily.

He has 5,758 winners up to now, but he insists he will not "race as long as John did."

"I don't know how long I will race. When I reach that point of retirement, I'd like to get a few of my own horses and enter them in the big events," he said.

Right now, Shoemaker is staying off the oval altogether.

'This Is Our Year,' Says Tigers' Catcher Freehan

"This is the year" says Bill Freehan. "It's up to us."

Detroit has had its troubles in the last 23 years—riots, fluctuating automobile sales, a lengthy newspaper strike and the failure of the Tigers to win an American League pennant in all that time.

★ ★ ★

Last year, Detroit came as close as it is possible to get and still not win—losing out to the Boston Red Sox by one game in a race that wasn't decided until the final game of the season.

"We've got to put some things together," said Freehan, the big, balding Tiger catcher after the weekend series with the New York Yankees. "And we're the team to do it."

The Tigers opened up the season as if they were going to wrap up the pennant by July, winning nine straight games after losing on opening day in their longest winning streak since 1949.

Then, troubles set in. They lost two straight shutouts, bounced back to crush the Yankees 7-0 Saturday, but could only score four runs in a Sunday douleheader, which the two teams split.

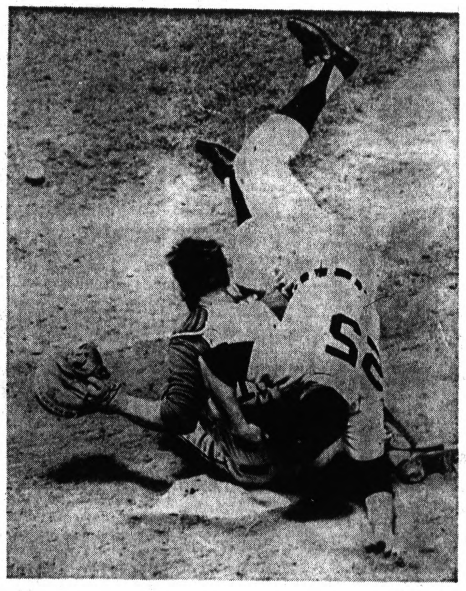
"We've had trouble scoring runs," said Freehan, the team's leading hitter among its regular players with a .327 batting average. "It isn't too impressive. Fortunately, we've been winning games along with nobody hitting."

Some relief is in sight because of the return of Willie Horton to the club on Wednesday. The slugging outfielder was recently the victim of a mild concussion after a collision last Wednesday.

★ ★ ★

Freehan views the pennant race as a battle among four or five clubs, including Baltimore, Chicago, Minnesota and possibly Cleveland.

"On paper," he said, "it looks like Minnesota is the team we have to beat. But, then again, what's paper?"



AP Wirephoto

WINNING RUN — Norman Cash of the Detroit Tigers scores from second with the winning run on Don Wert's two-out single in the last of the ninth inning Monday night. Oakland catcher Rene Lachemann appeared to have Cash out, but let centerfielder Rick Monday's perfect throw get away, allowing the Tigers to win, 2-1.

Don Wert's Bat Sparks Bengals Over Athletics

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

Every game it seems, a new hero emerges for the Detroit Tigers who continue their winning ways in every way imaginable.

Last night, in their first home game under the arcs, the quiet man of the team, Don "Cayote" Wert was the game star as the Tigers defeated the Oakland Athletics, 2-1, with two out in the bottom of the ninth.

★ ★ ★

Sharing the honors was pitcher Mickey Lolich, winner of his first game of the season, who had a two hitter going until Oakland tied the game in the top of the ninth with two hits.

Lolish was only one strike away from a 1-0 victory at the time when Dan Cater reached for an outside pitch and lined it into right field to score Ramon Webster.

Wert, who singled in the second inning, then hit his first homer of the year for a 1-0 lead in the bottom of the eighth, came to the plate with Norm Cash on second and Jim Northrup on first in the bottom of the ninth.

★ ★ ★

After Al Kaline bounced out, Bill Freehan was hit with a pitch but he was forced at second on Cash's grounder.

STAGE SET

Then reliefer Jack Aker, who hadn't given up an earned run in 10 innings of relief, walked Jim Northrup to set the stage for Wert's single into short center.

Centerfielder Rick Monday, who did not play because of stomach illness, went into the game with two outs as a defensive measure.

He took Wert's liner on the first hop and fired a strike into home plate to catcher Rene Lachemann. The ball got away from Lachemann for an error and Cash, who looked like a sure out, collided head on with the catcher, flipping over him for the winning run.

★ ★ ★

Both were hurt on the play and as result Ed Mathews may get the nod to play first base tonight against the Athletics who will start righthander Jim Nash.

Cash hurt his knee and Lachemann, who was hit between the eyes, was flattened. He lay on the ground for several minutes but went into the lockerroom under his own power.

"I couldn't change direction in mid-air," said Cash, who started his slide toward the plate, "I missed the plate and had to come back to touch it."

Lachemann is the third string catcher who got the starting nod because Jim Pagliaroni and Phil Roof are out with injuries.

Wert, who is down from 180 pounds to 165 from last year, said, "I'm off to a better start than last year." He is batting .285 at this time compared to .200 at the same time last year.

★ ★ ★

"He's much better, especially in the field with less weight," said manager Mayo Smith, who also conveyed the note that, "we are winning games this year in the same manner we were losing them a year ago.

GOOD PITCHING

"I hope we start hitting more pretty soon. They way we have been winnings means out pitching has been coming through," he added.

The Tigers have won five of six games by one run this year and it was the second game in a row that a ninth inning hit has been the winning margin of victory.

Oakland starter Chuck Dobson gave up a single in the first three innings and then set 12 straight Tigers down in order before Wert hit the first pitch of the eighth inning into the second deck in left field.

Immediately following, Ray Oyler hit the first pitch for a single and after Lolich sacrificed him to second, A's manager Bob Kennedy removed Dobson and countered with lefthander Tony Pierce against Dick McAuliffe.

★ ★ ★

After McAuliffe flied out, Kennedy then called in Aker to pitch against righthander Mickey Stanley.

Earl Wilson, who has a 2-2 record, is slated to go against the A's tonight. Wilson was 3-0 against the A's last season.

Roseboro Has 'Day of Rest'

By the Associated Press

Johnny Roseboro found a perfect way to ruin a day off. With a little extra effort, he hit his way out of it.

The 34-year-old catcher broke out of an 0-for-29 slump by cracking five hits in five at bats Monday night, setting off Minnesota's 11-2 rout over the Boston Red Sox.

★ ★ ★

"It was just a matter of time," said his manager, Cal Ermer. "However, we planned to give him a rest Tuesday. Now we'll wait and see how he feels."

After his first five-hit game in 12 seasons in the major leagues, Roseboro should be feeling just fine.

Another happy hitter who became a doubtful starter today is Rick Reichardt, who limped off the field after belting a two-run single that keyed California's 3-2 triumph over Cleveland in the only other American League game.

LOW MARK

Roseboro, playing his first season in the American League after his acquisition from the Los Angeles Dodgers last winter, entered the Boston game with only three hits in 49 at bats for a .061 average.

By the end of the night, he had raised his average to .148 with three singles, a double and his first AL homer off four of the six Red Sox pitchers. He drove in two runs and scored three.

"I've never got off to such a bad start," Roseboro said. "When you're young, you go out of your mind. But when you're older . . . I remember what Jim Gilliam told us on the Dodgers. When you're not hitting, stop complaining and go out there and give 110 per cent."

Roseboro's hitting and three runs batted in by Ted Uhlaender made Jim Perry's third victory in four decisions easy. Given a 9-1 lead in three innings, he breezed with a six-hitter.

Reichardt bounced his hit up the middle in the seventh inning with the bases loaded and none out, putting the Angels ahead 2-1. The winning run scored later in the inning on a force out.

Reichardt, however, pulled a muscle running the bases and might not play today.

NMU Rules Out Frosh

MARQUETTE (AP) — Beginning this fall, freshman at Northern Michigan University will be barred from varsity competition in football and basketball, Athletic Director Rico Zenti said Monday.

NMU will participate in separate freshman athletics in those two sports, while freshmen will be allowed to play in all other varsity sports.

Astro Hurlers Pounded, 17-2

Reds Rout Houston's Jim Ray

From Our Wire Services

Holly's Jim Ray got his first starting assignment of the season on the mound for the Houston Astros last night and he, along with three other Astro pitchers were victimized, 17-2, by the slugging Cincinnati Redlegs.

Ray, who had pitched 11 innings in relief prior to last night and had allowed only six hits while striking out 14, gave up a homer to John Bench in the second inning and was pulled in the top of the fourth when the Reds scored six runs.

The Redlegs collected 22 hits, four by Pete Rose in turning Grady Hatton's homecoming in the Astrodome into a holocaust.

The Los Angeles Dodgers gave Walter Alston a warm welcome by snapping the St. Louis' Cardinals six-game string, 3-2 last night.

Elsewhere, Pittsburgh clipped the Chicago Cubs 7-4 under the lights and Atlanta downed San Francisco 7-2 in an afternoon game.

Don Sutton, making his first start for the Dodgers after being recalled from the minors, stalled the Cardinals with relief help from Jim Brewer and made Alston's homecoming a happy occasion. The 56-year-old pilot had missed the Dodgers' first 16 games while recovering from surgery for the removal of kidney stones.

Sutton scored one run, drove in another and blanked the Cards on three hits until the seventh inning, when two singles and Curt Flood's two run double closed the gap. Brewer protected the right-hander's first victory with 28 innings of hitless relief.

Brewer has been touched for one run in 8 — 2-3 innings over-all. Four other Dodger relievers — Jack Billingham, John Purdin, Jim Grant and Hank Aguirre — have yet to be scored upon.

"If we had this kind of bullpen at Detroit last season we would have won the pennant by 10 games," said Aguirre, who came to Los Angeles in a recent deal with the Tigers.

The Reds wasted little time in making it nine of 10 and relegating Houston to the NL cellar.

Tony Perez led the onslaught with his fourth homer and five runs batted in.

★ ★ ★

"It was fantastic," said Houston first baseman Rusty Staub. "They just couldn't do anything wrong."

The Reds' run and hit totals were the highest in the majors this year.

Willie tSargell's two-run single and a two-run homer by Bill Mazeroski carried the Pirates past the Cubs, ending a three-game Pittsburgh losing string. Steve Blass, making his first start, picked up the victory with relief help after Ernie Banks' seventh inning homer.

Ron Reed, Atlanta's 6-foot-6 rookie, held the Giants to three hits in his first 1968 start. The Braves tagged loser Juan Marichal for 12 hits, including a homer and three singles by Tito Francona.

Reed, who played pro basketball for the Detroit Pistons, retired the first 20 batters he faced before Willie Mays poked a two-out single in the seventh.

Calumet Farm Is Looking to Past in Derby Prestige

LOUISVILLE, Ky. (AP) — Trainers Lou Cavalaris and Bill Stevens are looking ahead, while Calumet Farm is hoping to recapture the past.

Cavalaris and Stevens would like to see Saturday bring something new to them. Calumet would like it to be a day when memory once again is reality.

★ ★ ★

What all three want is a victory in the Kentucky Derby.

Cavalaris will be looking for his first Derby victory with Peter Fuller's Dancer's Image and Stevens will be trying for his first with Cain Hoy Stable's Captain's Gig.

Calumet, the owner of the most Derby winners, is pinning its hopes for a return to glory on Forward Pass. The silks of Calumet, now owned by Mrs. Gene Markey, last appeared in the Churchill Downs winner's circle in 1958 when Tim Tam carried them thhere for the seventh time.

Forward Pass is trained by Henry Forrest, who saddled 1966 winner Kauai King for Mike Ford.

The three colts rate as the early favorites for the 94th running of the Derby which will be nationally televised and broadcast by CBS. Post time is about 4:30 p.m., EDT.

OUT OF RACE

The list of probables was cut to 16 Monday when trainer Stanley Rieser withdrew Clifford Lussky's Blarney Kiss from any further consideration for the 1¼-mile Derby.

★ ★ ★

Owner Mary Keim said the horse suffered an eye injury when he banged his head against a fence in the stable area.

"We just hope he won't go blind in the eye," she said.

Alley Fighter is questionable.

"Alley Fighter came out of his last race (the Blue Grass Stakes) a little light," said trainer Mack Miller. "We'll make a decision within 48 hours."

Waterford's Vidor Turns in No-Hitter

Senior lefty Mike Vidor fanned 17 batters yesterday as he pitched Waterford's Skippers to a 3-0 no-hitter over township rival Kettering.

The hard-throwing Vidor fanned the first 13 batters he faced. Outfielder Frank Ballard saved the no-hitter for Vidor when he made a shoestring catch of a liner by Kettering pitcher Mike Harkey in the fifth inning.

The no-hitter was the second of the season for the Waterford staff. Earlier, Rod Kennedy held Romeo hitless in a 9-0 job.

While Vidor was silencing the Kettering bats, his teammates put together three singles with a walk and an error in the fifth to score three times.

★ ★ ★

A two-out single by Gar Clement sent Mike Murphy across with the first run. Clement went to second on the throw to the plate and rode home on a Terry Crawford single to left. Crawford went to third on a safety by Vidor and raced home when the ball eluded the third baseman on a throw from the outfield.

WILD TOSS — A pickoff attempt by Waterford goes awry yesterday as the throw from pitcher Mike Vidor gets past first baseman Mike Murphy during their game against Kettering. Sliding back to first (behind Murphy) is Kettering's Tom Setter. Vidor went on to pitch a 3-0 no-hitter.

Gun Club Meets Tomorrow Night

The Pontiac Gun Club will hold its monthly meeting tomorrow at 7 p.m. at the Waterford CAI building.

* * *

Gun auction and shooting lessons will take place at the meeting. All interested to attend.

Rochester, Oxford Win Easy Victories on Track

Rochester and Oxford put easy track triumphs in the record book yesterday.

The Falcons of Rochester, who lost their first meet of the season by just one point, romped to their fifth-straight win, an 80-38 nod over Romeo. Oxford whipped Warren Woods, 85-33.

Gary Miller led the Rochester parade with wins in the high jump (6 feet) and 100-yard dash (10.5 seconds).

Gary Cummings and Clarence Miller won two events apiece to spark Oxford. Cummings took the high jump (5-8) and the 100-yard dash (10.4), while Millen led the shot put (42-11) and the 220-yard dash (23.6). Oxford is now 4-2.

Oxford 85, Warren Woods 38

Shot Put — Clarence Millen (O), Ostrander (O), Doherty (WW) 42-11.

Easy Golf Triumph

A pair of 37s by Randy Berry and Larry Vallance plus a 38 by Red Skelton helped Waterford to an easy 198-220 golf victory over Farmington. Dave Johnson carded a 40 for the losers.

AP Wirephoto

NO WONDER THEY WIN — Southern Illinois University baseball coach Joe Lutz is joined on the bench by four cuties who act as mascots, bat girls and cheerleaders for the Salukis. They are (from left) Christy Gee, Michele Martin, Diana Tuel and Linda Svoboda. Southern Illinois won three games last weekend to up its record to 23-11.

Blues Trip Minnesota in Overtime

ST. LOUIS (AP) — Billy McCreary said the Minnesota North Stars were laying back waiting for something to happen, but when it did it cost them the game.

The happening was McCreary's goal with 17:27 gone in an overtime period and it gave the St. Louis Blues a 3-2 victory over the North Stars Monday night in their National Hockey League West Division playoff game. It also gave the Blues a 3-2 edge in the best-of-7 series with the sixth game to be played Wednesday in Minnesota.

"They were playing a man to man game," McCreary explained, "waiting for a break."

But the Blues didn't have to wait for breaks, McCreary added. Blues' Coach Scotty Bowman worked his lines on short shifts to keep them fresh. That helped, McCreary said.

It was the other way around for Minnesota, Coach Wren Blair said. "We were really tired in that overtime." St. Louis' 17 shots on goal during the overtime against three Minnesota chances testified to that, but Blair said the shots didn't mean a thing.

"That comes with a home ice advantage," Blair maintained. "If you look at the statistics, I'll bet you find that the home team usually takes most of the shots. But shots on goal don't matter. All that matters is that the score was 3-2."

It was the fifth overtime game in the playoffs for the Blues and the fourth for the North Stars.

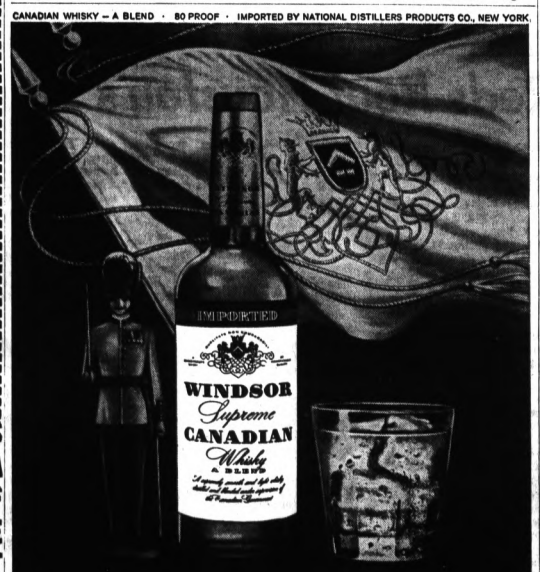
* * *

Terry Crisp had helped St. Louis to its two goals in the first period with sharp assists. He fed Bob Plager for the first goal with less than two minutes gone. Then after Walt McKechnie scored to tie the game, Crisp set up Gary Sabourin.

But the Blues couldn't hold the lead and Bob McCord tied the game with 6:31 gone in the second period. That was it until the overtime.

Minnesota goalie Cesare Maniago had a furious time in net, fending off 52 of 55 Blues' shots. Goalie Glenn Hall of St. Louis had only 28 shots to contend with, but had to make some startlingly quick saves.

CANADIAN WHISKY — A BLEND · 80 PROOF · IMPORTED BY NATIONAL DISTILLERS PRODUCTS CO., NEW YORK



Elegant tradition:
The smoothest whisky ever to come out of Canada!

Tonight serve Windsor Canadian: the remarkable, sippin'-smooth Canadian that's already changing thousands of Americans' ideas on the whisky to serve.

Now compare Windsor! Pour two drinks—highballs or over ice—one with your usual, one with Windsor Canadian. Notice the superior smoothness and the flavor of Windsor.

That's because no other custom-distilled whisky shares these three extraordinary features:

1. *Only Windsor Canadian* is made from choicest northern prairie grains, bursting with fresh flavor.

2. *Only Windsor Canadian* is born of icy mountain glacial water drawn pure and clear from underground streams.

3. *Only Windsor Canadian* is aged in the incredibly dry air of Canada's Rockies. Where, nearly a mile high, it gentles to sippin'-smooth perfection.

Yet it costs no more than leading domestic whiskies, because we import Windsor Canadian, then bottle it here. Thus saving on duties and other charges. Compare the price and the smoothness of Windsor. Once you do, you'll never settle for less or pay more. That's tradition for you!

Prep Front

By FLETCHER SPEARS

The injury bug visited a couple of local baseball teams Saturday.

Pontiac Northern lost a third baseman, while Bloomfield Hills Andover will be without its top pitcher for a week or so.

Out for the season at PNH is Craig Deaton, one of the school's finest all-around athletes, who suffered a broken bone in his left leg while running the base paths against Port Huron Saturday.

Deaton, a senior, is cocaptain of the baseball squad, and when he bowed from the lineup he owned a batting average of over .500 through five games.

Deaton quarterbacked the PNH Huskies last fall and played a key role during the basketball season as PNH won the Inter-Lakes League championship. The injury is likely to take some six weeks to mend.

BROKEN FINGER

Mike Irving has a broken finger on his pitching hand and he'll be out of the lineup at Andover for a week or so. Mike, a senior, picked up the fracture Saturday while trying to bunt in a game at Northville.

* * *

Northville won the game, 4-3, although Andover coach Hal Henderson played the tailend of the game under protest. Northville scored the tying run on a balk in the last of the eighth—a balk which Henderson contended wasn't and following a heated discussion with the umpire, Henderson was encouraged to watch the rest of the game from the stands.

Jim Peterson, an all-Wayne-Oakland League selection in basketball this past season at Northville, is enrolling at Oakland University.

* * *

Peterson is 6-2 and a good rebounder. He averaged about 14 points a game and 16 rebounds while sparking Northville to a runner-up finish in the W-O race.

JOB SWITCH

Don Stuckey, 34, baseball coach at Pontiac Catholic, will be moving to St. David in Detroit this fall as head football and basketball coach.

A couple of former Royal Oak Kimball football stars are watching spring practice from the sidelines after suffering knee injuries early drills at Central Michigan University.

Hobbling are quarterback Bob Miles and center Ken McCarter.

* * *

Miles missed all but three of the plays last season when he suffered a broken leg on the Chips' first series of plays. McCarter is one of the candidates for the starting job at center.

Berkley's Rick Krumm is one of the top pitchers on the Eastern Michigan University baseball team. The junior hurler owned a 2.57 ERA during his first 21 innings of work.

Plan Fete for State Golf Stars

All-time golfing greats from Michigan will be honored at a Michigan Section PGA National Golf Day dinner late in May at Hillcrest Country Club near Mount Clemens.

The dinner is slated for 7 p.m. Tuesday, May 28, with proceeds from the affair going to the National Gold Day Fund. Michigan led in contributions in 1967 with $8,189.

The state of Michigan has produced 34 golfers who have won national titles or represented the United States in competition such as the Ryder Cup, Curtis Cup and Walker Cup.

The majority of those invited have already accepted invitations for the dinner.

General chairman for the event is Lou Powers, president of the Michigan Section PGA.

WALTER HAGEN — U.S. Open, 1914, 1919; PGA, 1921, 1924, 1925, 1926, 1927; British Open, 1922, 1924, 1929; five-time playing captain of Ryder Cup team, 1927, 1929, 1931, 1933, 1935; twice honorary captain, 1937, 1947.

Pontiac Central Suffers 1st Loss of Golf Season

Pontiac Central suffered its first golf loss of the season falling to defending state prep champion Flint Southwestern in a triangular 380-382.

Bay City Central the third team posted a 422 at Pontiac Municipal where Gary Balliet fired a 71 and Al Tipton a 72 for the Chiefs.

Medal honors however went to Flint's Bob Lawrence who had 37-32-69.

Jones Will Speak at Oxford Banquet

Pontiac's Hayes Jones will be guest speaker at the Oxford athletic banquet Saturday at 7 p.m. Jones, former Olympic gold medal winner, is now recreation commissioner of New York City.

The banquet is being sponsored by the Mom and Dad's Sports Club. Awards in all sports will be presented to cheerleaders and athletes.

'M' Pounds Detroit Nine

DETROIT (AP) — Jim Hosler slammed out a triple, two doubles and a single in four trips to the plate, driving in three runs and scoring twice as Michigan won its sixth straight college baseball game with a 10-6 triumph over Detroit Monday.

Bob Hurley, the first of three pitchers, was credited with the victory, the Wolverines' seventh against 10 losses this season. Harry Renko had three hits for Detroit, now 6-9.

Michigan	200	400	120	10	13	2
Detroit	201	300	000	6	9	1

Hurley, Christmen (4), Scott (8) and Henry; Leonard, Schoch (5), Kapla (8) and Eschbach. W—Hurley. L—Leonard.

Win Best-Ball Honors at Tam

A couple of best-ball teams picked up honors at Tam O'Shanter Country Club.

M. J. Fried teamed with Rube Levin in taking the top division title with a 66, while Dr. Henry Small and Milt Pierce (teams with handicaps of 12 and over) took the second division with a 60.

North Farmington Still Searching

North Farmington is still searching for its first baseball victory after taking a 3-1 setback at the hands of Oak Park yesterday.

Ron Ekelman with a single and triple led the triumph as brother Dave was the winning pitcher.

NBA Coaches Stir Manhunts by Resigning

Alexn Hannum, who left his heart in Los Angeles and jobs in San Francisco and Philadelphia, may wind up back in San Francisco. And all because San Francisco's Bill Sharman beat him to Los Angeles.

* * *

That was the jumbled situation today as coaching confusion reigned in the National Basketball Association. Three teams were without coaches and their manhunts threatened to steal the spotlight from the Boston-Los Angeles championship playoff.

It was a lost weekend in the NBA after Hannum and Sharman, two of the league's most successful coaches, stepped down at Philadelphia and San Francisco, respectively. Hannum's plans are indefinite while Sharman signed a long-term contract to coach the Los Angeles Stars of the rival American Basketball Association.

* * *

The third opening is in Chicago, where the Bulls recently lost Coach Red Kerr to the NBA's new Phoenix expansion franchise. College Coaches Ray Meyer of DePaul and George Ireland of Chicago Loyola have turned down the job.

Fifth Golf Victory

Lake Orion golfers won their fifth golf match in six starts by downing Clawson, 180-200 at Arrowhead yesterday with Marty Lietke taking medal honors with 42.

PCH Sweeps Two Contests From Handy

One-Hitter Hurled by Quince; Tremper Wields Hot Bat

A one-hitter by senior right-hander Victor Quince in the opener started Pontiac Central on its way to a doubleheader triumph over Bay City Handy yesterday.

* * *

Quince fanned nine Wildcats and yielded only a fourth-inning single as the Chiefs took the opener, 6-0. Steve Bass and Rich Vine combined for a three-hitter as PCH took the nightcap, 5-1.

The nine whiffs by Quince raised his season total to 44 in 34 innings and the victory upped his record to 5-1. Central owns an over-all mark of 9-1.

Vine led the attack in the first game with two hits and a pair of RBI, while Terry Villereal and catcher Larry Tremper checked in with single RBI.

* * *

Tremper and Bill Rollo checked in with the big bats in the second contest. Tremper chased home three runs with two hits while Rollo sent two runners across the plate.

The Chiefs put the second game away with a three-run first, the big blow coming in the form of a two-run single off the bat of Tremper.

First Game

Bay City Handy ..... 000 000 0—0 1 2
Pontiac Central ..... 112 010 x—5 4 3

DEROSIA and Lupkowski; STEVE BASS, Rich Vine (6) and Tremper, Holsworth (6).

Yeager Paces Win

Dave Yeager fired a 41 yesterday to lead Milford to a 174-197 golf victory over West Bloomfield at Pine Lake Country Club.

Pontiac Press Photo

CHIEF COMES HOME—Pontiac Central's Rich Vine slides across the plate with a run in the first game on a twinbill against Bay City Handy yesterday. Waiting for the throw from the outfield is catcher Tom Lupowski. Umpire is Bob Thatcher. Pontiac Central won both games, 6-0, and 5-1.

Twin Double: (4-3-5-5) Paid $863.60 (22)

Southfield Wins

Southfield's Vance Pesci blasted a double in the second inning to score Paul Hunt, who walked, and lead Southfield to a 1-0 victory over Seaholm in a Southeast Michigan League game.

Dave Timothy has two hits for Southfield which is 2-1 in league play.

Walled Lake Wins

Houston Hill's 38 spurred Walled Lake's golf team to a 211-226 victory over Pontiac Northern at Edgewood Countrs Club yesterday. Ken Moore posted a 42 for PNH.

Fires Hole-in-One

Clifford Hodge of Oxford aced the 140-yard, ninth hole at Clarkston Sunday. He used a 9-iron and carded a 47 for the round.

Mustangs Top Clarkston, 4-0

Northville continues to set the pace in the Wayne-Oakland League baseball race.

The Mustangs of (6-0) Northville blanked Clarkston, 4-0, and that, coupled with Bloomfield Hills Andover's (4-2) loss to Holly, (3-3), boosted the Mustangs into a two-game lead.

In another W-O game, Milford (4-2) shaded West Bloomfield (1-5), 3-2.

Sophomore righthander Fred Holdsworth stopped Clarkston on four hits. He fanned 13 and walked one.

Terry Mills provided him with enough to win in the fifth when he singled, stole second and third and scored on a two-out infield error. Mills started the seventh with a triple, and scored on Doug Anglin's single.

* * *

Dennis Primeau singled and a walk loaded the bases. Two straight squeeze plays gave Northville its final tallies.

Mike Tubbs drove in two runs with a single and sacrifice fly and teammates Phil Morse and Dave Rhoades picked up two hits each to pace the Holly attack. Dick Souther accounted for Andover's runs with a two-run homer in the fifth.

Milford pushed across three runs in the first and held on for the victory. Bob McFarland tripled one home and he scored on an error and a single by Rick Sharp later in the frame brought home Pat Reed who had made it to first on an error.

* * *

In other games, Pontiac Catholic fell to Chippewa Valley, 8-1, Novi downed Whitmore Lake, 16-2, and Royal Oak Shrine blanked Bishop Gallagher, 1-0, on a two-hitter by Jim Chiesa.

CLOUTS HOMER

A three-run homer in the fifth was enought to send Chipewa Valley past Pontiac Catholic (3-6).

* * *

Gary Boyer knocked in four runs in helping Novi up its record to 4-0.

A safety squeeze brought Wally Schwartz home in the second for the only run Shrine needed. Loser Terry Jeziorski gave up only one hit, that a double by Schwartz in the second.

OL St. Mary Defeated

Ed Muir's 38 paved Dearborn Devine Child to a 166-191 golf victory over Orchard Lake St. Mary at Pontiac Country Club yesterday. Dennis Glandon and Ed Valmont posted 47s for OLSM (0-3).

Mustangs Tie Detroit Team

By the Associated Press

The Chicago Mustangs tied the Detroit Cougars in the North American Soccer League Monday night because the Boston Beacons tied the Chicago Mustangs.

The Beacons scored two goals in the final 15 minutes and gained a 3-3 deadlock before 1,133 fans in Chicago. That put the Mustangs in a tie with Detroit for first place in the Lakes Division. Each team has 18 points.

The tie also pushed Boston into second place in the Atlantic Division, a point ahead of New York.

Thanks to two goals by John Kowalik and one by Larry Huffmann, the Mustangs held a 3-1 lead. But John Olsen's 23-yard free kick made it 3-2 with 15 minutes left and Tony Gulin tied it with 4½ minutes remaining. No other games were played.

Ziebart stops rust for life!

Ziebart Rustproofing takes up where undercoating ends! Ziebart patented process innercoats your car; stops rust completely, permanently. Factory-trained technicians use exclusive Ziebart tools and techniques to apply special sealant inside door panels, fender wells, rocker panels . . . all rust-prone areas. Army, Navy, U. S. Post Office, thousands of fleet owners use Ziebart Rustproofing. Win the war on rust. Phone now!

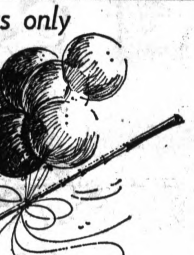
For golfers only



What's 1-oz. lighter... ...and 30 yards longer?
Only the biggest news in golf since steel shafts. Aluminum! And goodby steel! Because aluminum is here to stay. Here to help you stay 30 yards further off the tee, too.
This par bustin' breakthrough in golf has enabled club designers to take the weight out of the shaft and put it in the clubhead. Where it'll do the most good.
So get on over here. Right away. And help yourself to a free demonstration of golf prowess you never dreamed you had. On our heated driving ranges.
And while you're here, get your order in for your own set. Once you've tried aluminum you'll never go back to steel. Choose from Haigs, Wilson, Palmers, Spaulding. The best. And priced so low we won't be able to write your order up fast enough. Terms available. Generous trade-ins, too.

Mathis Eyes 'Line Busting' for AFL Team

MIAMI (AP) — Heavyweight boxer Buster Mathis, who fumbled a chance to be champion, says he wants to play fullback for the New York Jets of the American Football League.

"I've talked to the Jets and I know I can make it," said the 240-pound puncher.

The 23-year-old former sign painter said his credentials include three years as a tackle for the semipro Grand Rapids Blazers back in his home state of Michigan.

"I'm fast and I got all the moves," he said. "I can do the 100 in 10.9. I guess the drawback would be that I didn't go to college. I had to work."

Mathis said he wants to keep boxing, too, while planning a tryout with the AFL team this summer at the Jets' camp at Hofstra, N.Y.

To that end he will take on Cincinnati heavyweight Mel Turnbow in the 10-round feature tonight at Miami Beach Auditorium.

Turnbow, another 240-pounder, is the first opponent for the grid-iron hopeful since Joe Frazier draped him over the ropes in the 11th round March 4 in Madison Square Garden.

Foytack Is Star in Softball Debut

Former Tiger pitcher Paul Foytack made his debut in the Walled Lake Industrial softball league as the roving shortstop and his double with two outs and the bases loaded helped his subdivision team, Kimberly Lanes to an 8-7 victory.

* * *

It was opening day of the 14-team league and Kimberly was losing 7-3 when its rally started with two out in the bottom of the last frame.

In other league games Liberty Tool defeated Williams Research, 10-5 and Wixom Athletic Assoc. won over Big Boy, 11-0.

Wolves Howling

Clarkston extended its season record to 5-0 and chalked up its 19th straight tennis victory over two years by defeating Clarenceville, 5-0 yesterday.

CLARKSTON 5, CLARENCEVILLE 0

Mark Erickson (C) def. Ken Olsen, 6-3, 6-4.
Kirk Beattie (C) def. Bernie Kent, 6-1, 6-0.
Mark Griffith (C) def. Irv Shitman, 6-2, 6-4.
Tom Bullard-Kim Beattie (C) def. R. Sterns-M. Everhardt, 6-1, 2-6, 6-1.
Mark Waterbury-Dave Kelly (C) def. J. Hardland-G. Seelock, 6-0, 6-2.

Consumers Slates Stockholders Meet

Consumers Power Co. will hold a regional stockholders meeting at 8 tonight at the Coolidge Service Center, 14 Mile Road and Coolidge in Royal Oak.

Company affairs will be discussed by officers and a Consumers-produced picture, "Michigan Year," will be shown.

* * *

William A. Hedgecock, vice president, will be the main speaker. He joined the company in 1936 in Flint and has worked in Pontiac and Royal Oak.

Death Notices

BETTIS, BEDFORD J.; April 28, 1968; 241 Clifford; age 71; dear father of Forest and Robert Bettis and one daughter; dear brother of Mrs. Thursday Marshall, Mrs. Lois Smith, Mrs. Polly Logan, Mrs. Day Holden, Mrs. Fay Fletcher, Dennie, Isom and Leslie Bettis. Mrs. Bettis has been taken to Jonesboro, Arkansas for funeral service Wednesday, May 1 at 1 p.m. at the Emerson & Son Funeral Home and interment in Buchanan Cemetery, Sharpe County, Arkansas. Arrangements by the Pursley-Gilbert Funeral Home.

CALDER, ROBERT F.; April 28, 1968; 3015 West 13 Mile Road, Royal Oak; age 67; beloved husband of Treva E. Calder; dear father of Mrs. Christine A. Smith and Mrs. Carol E. Lohr; dear brother of Marguerite, Ralph R. and James J. Calder; also survived by five grandchildren. Funeral service will be held Wednesday, May 1 at 2:30 p.m. at the R. G. & G. R. Harris Funeral Home, 14751 W. McNichols Rd., Detroit. Interment in Roseland Park Cemetery.

CALLENDER, GEORGE L. (Jack); April 28, 1968; 670 Bay Street; age 56; beloved husband of Katherine Callender; dear father of Mrs. Billy (Beverly) King and Arnold L. Callender; dear brother of Mrs. Francis (Murl) Dowling, Mrs. William (Doris) McPhee, Mrs. George (Carrie) Gubanche, Mrs. Elwood (Mildred) Justin, Glenn, Marvin, Frank and William Callender; also survived by seven grandchildren. Funeral service will be held Wednesday, May 1 at 2 p.m. at the Perry Street Church of Christ with Mr. Boyd C. Glover and Elder Willard Green officiating. Interment in Perry Mount Park Cemetery. Mr. Callender will lie in state at the Voorhees - Siple Funeral Home. (Suggested visiting hours 3 to 5 and 7 to 9).

CARLSTEIN, GODFREY; April 29, 1968; 3177 Avalon, Avon Township; age 60; beloved husband of Clara Carlstein; dear father of Mrs. Adele Caldwell and Clare Carlstein; dear brother of Mrs. Dagny Nelson, Mrs. Dagmar Perling and Runo Carlstein; also survived by three grandchildren. Funeral service will be held Thursday May 2 at 1:30 p.m. At the Harold R. Davis Funeral home with Rev. F. William Palmer officiating. Interment in White Chapel Cemetery. Mr. Carlstein will lie in state at the funeral home. (Suggested visiting hours 3 to 5 and 7 to 9.)

May Designated for Water Safety

LANSING (AP)—Gov. George Romney has proclaimed the month of May as Water Safety Education Month in Michigan and urged all citizens to support the promotion of water safety and to obey the rules "that will assure their enjoyment of all water sports safely."

Falcons Fly on Links

Rochester ran its golf record to 3-2 yesterday with a 207-217 win over Kettering. Gene Bauer carded a 35 over the Bald Mountain course to pace the winners. Charles Patrick led Kettering with a 39.

Death Notices

HOUSTINA, ANNA; April 28, 1968; 130 Raeburn Court; age 80; beloved wife of George Houstina; dear mother of Mrs. Mary Mitchell, Mrs. Anna Lamont, Mrs. Julia Puhek, Mrs. Margaret Bartolotta, Miss Susan Houstina, George and John Houstina; also survived by 12 grandchildren and seven great-grandchildren. Funeral service will be held Wednesday, May 1, at 1:30 p.m. at the Sparks-Griffin Funeral Home. Interment in Perry Mount Park Cemetery. Mrs. Houstina will lie in state at the funeral home. (Suggested visiting hours 3 to 5 and 7 to 9.) The family suggests memorial contributions may be made to the Cancer Society.

LOBB JOSEPH H.; April 30, 1968; 2124 Oaknoll; age 83; dear father of Mrs. Pete Messeman. Funeral service will be held Thursday, May 2 at 1 p.m. at the Donelson - Johns Funeral Home. Interment in Oakland Hills Memorial Gardens. Mr. Lobb will lie in state at the funeral home after 7 p.m. tonight. (Suggested visiting hours 3 to 5 and 7 to 9).

MOESSNER, LILLIE B.; April 28, 1968; 1635 Eason, Waterford Township; age 90; dear mother of Emil Moessner; dear sister of Mrs. Grace Roszel. Funeral service will be held Wednesday, May 1, at 1:30 p.m. at the Harold R. Davis Funeral Home, Auburn Heights. Interment in Ottawa Park Cemetery. Mrs. Moessner will lie in state at the funeral home. (Suggested visiting hours 3 to 5 and 7 to 9.)

MURPHY, JAMES F., JR.; April 28, 1968 of 1319 Dorchester Road, Birmingham. Husband of Mabel R. Murphy; father of Miss Sheila Murphy; brother of Mrs. Edward J. Weeks. LADIES
Dreaming of a new home? Can you picture a stately colonial with 2-car attached garage, shuttered cozy windows and covered front porch? Come on into your dream home. Step into your foyer with its wrought iron open staircase and spacious guest closet. Glance to the right — to the private living room and its 8 ft. picture window, or to the left past your conveniently located ½ bath, to the 27 ft. kitchen and family room. Can you picture the quiet secure area above you? Do you need 4 large bedrooms or would you prefer 3 with a 19 ft. master bedroom with "his" and "her" closets? The gleaming oak floors are a breeze to care for and you can't even hear Dad working in the full basement, with all utilities tucked conveniently into one corner. 1428 sq. ft. of individual living space. Wake up gently — this home can be yours.

SPRING IS HERE
And summer can't be far off. Wouldn't your family enjoy their very own swimming pool in the back yard this year? We are proud to offer a large 3-bedroom ranch in Clarkston with 2 fireplaces, separate dining room, and a 42' recreation room as well as the swimming pool we just mentioned. Priced at $39,500 with morgage terms, this could be the ideal home for your family.

RETIRING SOON?
Then consider this 2 bedroom brick terrace within walking distance to shopping in an excellent west side location. Virtually maintenance free, this could be the spot to spend your retirement years. If you want to travel, just lock the door and off you go; it's as convenient as apartment living with the advantages of home ownership. Price just reduced to $9,000.

BLAME NO ONE
But yourself if you miss seeing this home in this popular location. Can you picture a good six room floor plan, lot size 120'x160', large screened-in porch. Try to beat it for $12,500. GI terms. Located East in Avon Twp. just listed, don't miss this. Call today. No. 9-26

CONSIDERING A NEW HOME?
Do yourself a favor and compare before you buy. If a beautiful brick home is your family's desire, be sure you pick a home made of quality brick. Nails may look alike to you, but some are better than others . . . YOUR house is only as sturdy as the materials which go into its construction. Be especially careful about wiring; living in an inadequately wired home can become quite annoying. Don't settle for that old standard lumber. Check the hardware, the plumbing fixtures, the insulation. Your home should contain the finest. HOW CAN YOU BE SURE? Visit our model homes open for your careful inspection at:

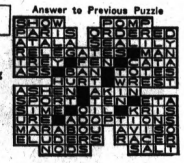
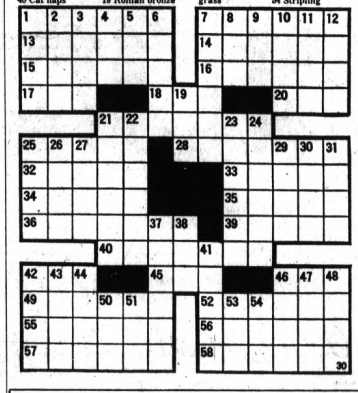
Answer to Previous Puzzle





Penelope Predicts Plunge in Hemline, Neckline Areas

By EARL WILSON

NEW YORK — Penelope Tree, the stunning 18-year-old model who's bigger (thank goodness) than Twiggy, says girls are going to be showing more and more.

But only is certain sections. She and other miniskirtends have dropped their dresses "all the way down to the thigh," she said, but she meant to say, "down to the ankle."

'It'll take a couple of years for the mini to go out in America," says Penelope, who's given them up herself except for hot days and modeling.

"Men will get used to long skirts. They were embarrassed being with girls with thick legs."

However, at the other extreme, at the top of the girl, more will be revealed. This will be the year of the bust. The bosom will be "in" more than ever before. Not on the street, of course, but at parties. "The body is beautiful, why not show it?" Just appointed an adviser to Hazel Bishop, Penelope foresees the hurried development of bosom cosmetics with alluring names to match the exotic titles given to perfumes.

WILSON

* * *

Groucho Marx, whose retirement ended fast, is going back to Hollywood to play a mafia gangster in "Skidoo" with Jackie Gleason. "I've often been a gangster but I've never played one," say Groucho, adding, "I'm only doing this role because Jackie asked me. He's a great admirer of mine and so am I."

* * *

WISH I'D SAID THAT: The only thing some kids'll share willingly is measles and chicken pox.

REMEMBERED QUOTE: "I have one thing to say about life — I wouldn't have missed it for the world." — Ade Kahn.

EARL'S PEARLS: Liberace visited a local jeweler to have his clothes altered.

Gov. Reagan's told the GOP he's willing to run for the presidency — if they'll give him billing above the title. . . . **That earl, brother.**

A Look at Television

ABC Decides to Reprieve 'N.Y.P.D.'

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK — The television networks, as usual about this time, are having some second thoughts about their fall schedules.

* * *

ABC, for one, has decided to reprieve "N.Y.P.D." the police-action series shot mostly on location in New York.

* * *

The half-hour program, costarring Frank Converse and Robert Hooks, was canceled but started to pick up some extra Nielsen steam when "It Takes a Thief" was placed in the Tuesday night schedules ahead of it.

* * *

The pink slip has now been withdrawn, and the show will return to the same Tuesday night spot next September. Meanwhile, "Felony Squad," which squeaked through to a renewal for a third season will be moved to Friday night—and "Dream House," an audience-participation show, will be dropped as evening entertainment although the daytime version will continue.

'HE AND SHE'

There may be some changes at CBS, too. Although the network originally decided to drop "He and She" after one season, its stars, Dick Benjamin and Paula Prentiss are still under option by the network, and the show may get another chance.

* * *

CBS's "Carol Burnett Show" will take a break — after a series of reruns — during July and August when the network will fill the hour with pilot programs of series that never found a network niche.

* * *

Bea Benaderet, who plays Kate in "Petticoat Junction," was ill and unable to appear in several episodes of the series this past season. But she is well now, appeared in this season's final episode, and will be back at the Shady Rest Hotel when shooting is resumed next month.

End Window Problems!

Why Put Up With Old, Worn-Out House Windows Another Season?
Nu-Sash gives a clean, modern appearance while giving superior insulation; keeps out dirt, dust, and noise; snap-out for easy inside-the-house cleaning; increase property value; raise easily —never stick or bind.
Nu-Sash is a window specifically designed to replace old, drafty, out-of-date house windows at amazing new low cost.
Old, loose fitting, rattling, out-of-date house windows — the major cause of cold, drafty, breezy rooms and sooty inside window sills—are a thing of the past since Nu-Sash. Homeowners everywhere are finding that by converting to Nu-Sash aluminum replacement windows, complete and maximum comfort is gained without major remodeling and other unnecessary and costly home improvement projects.
Nu-Sash is a window specifically designed to replace old, out-of-date windows. Furthermore, the Nu-Sash window is fully tested and proved by one of the greatest testing laboratories in the building products field.
One of the greatest features of Nu-Sash is that the window is installed without touching inside plaster and woodwork. This means no dusty and dirty installation work. Expert workmen remove the old sash and track, insert new aluminum jamb liners and tracks, then custom fit Nu-Sash securely into place. Complete installation, which is included in the new low cost of Nu-Sash, is done fast, safely and expertly.
Savings in heating bills will pay for a Nu-Sash conversion. Many more time and money saving features in Nu-Sash are gained since the anodized aluminum unit never needs paint, putty, caulking and other yearly household work and maintenance.
Nu-Sash qualify for low-interest home improvement loans. The window is rated superior to standards set up by FHA for new construction requirements.
The Nu-Sash window recently appeared in issues of the Better Homes & Gardens magazine. It was awarded the guarantee seal of that publication. For additional free literature on Nu-Sash, mail the coupon below. Price samples are also available upon request.

AF Academy Crippled by Illness

AIR FORCE ACADEMY, Colo. (AP) — Classes at the Air Force Academy and adjacent public schools were closed today because of a swift-striking illness that has hospitalized 99 cadets since Sunday.

More than 600 cadets, most complaining of sore throats, began reporting to academy physicians Sunday morning. Classes were suspended Monday and were to resume today until another wave of illness struck Monday night.

In a five-hour period, 22 new cases required hospitalization. Some of the cadets were suffering from diarrhea, vomiting and fever.

"The organisms causing the epidemic among cadets tentatively have been identified as a strain of streptococcus," Col. Harry Green, academy hospital director, said. A team of experts from the U.S. Public Health Service National Communicable Disease Center at Fort Collins, Colo., was called in to help identify the ailment.

BED REST

The cadets were treated with antibiotics and ordered to rest in bed. Some received intravenous injections to restore their fluid balance.

Emergency cots were arranged in the academy gymnasium after hospital facilities were overtaxed.

★ ★ ★

The disease appeared to have centered among the 3,100-man cadet wing. There were no reports of an unusual level of illness among the regular Air Force personnel or civilian workers at the academy.

Classes also were suspended for the 3,650 schoolchildren and 188 teachers in El Paso County District 20, which includes public schools on the 17,000-acre academy reservation and adjoining communities. This was mainly a precautionary measure, officials said.

NEARBY CITY OK

At Colorado Springs, 10 miles south of the academy, health officials said they had no reports of an unusual number of illnesses.

When you want a great whisky, ask for it.

The Canadian Clubman's Code: Rule 3.

There's more than one Canadian whisky up there to choose from. So, when you want a really great whisky, just say, "Canadian Club, please."

That way you can't help but get the whisky that's bold enough to be lighter than them all.

Next time you're in a bar or restaurant, practice the Canadian Clubman's Code, Rule 3: when you want a great whisky, ask for it.

Dental Corporation Legal, Kelley Says

LANSING (UPI) —Atty. Gen. Frank J. Kelley ruled Monday that licensed dentists may form dental corporations but that they must be personally involved in the practice to do so.

He also said anyone owning stock in that particular corporation must have a license to practice dentistry.

★ ★ ★

He said the law, enacted in 1962 to allow professionals to gain benefits allowed corporations under federal income tax laws, also applies to other professions.

Those mentioned in the law as among professionals to which it is applicable include certified public accountants, optometrists, veterinarians, osteopaths, physicians and surgeons, doctors of medicine, podiatrists, chiropodists, architects, professional engineers, land surveyors and attorneys.

Funds for Tuscola

WASHINGTON (AP) — The Department of Housing and Urban development in Washington has awarded a $7,952 urban planning assistance grant to Tuscola County for comprehensive planning for one year.

AP Wirephoto

A SPRING OUTING — The pace was not as fast as it was during his White House days, but former President Harry S. Truman said it felt good to get out and greet people. He has not taken his walks as frequently as he used to but came out yesterday for an eight-block jaunt with Lt. Paul Westwood, a police officer assigned to him.

Young Metro Group Tries to Cool Fears

DETROIT (UPI)—A stopgap advertising campaign "to buy time" for this city—still scarred by last summer's riot—was announced Monday by agroup of young Detroit professionals and businessmen.

★ ★ ★

Their aim is to saturate both the inner city and the sprawling white Detroit suburbs with messages geared to smother "the hysteria and fear represented by the gun-buying taking place within the metropolitan area," said Kenneth M. Davies, an attorney and spokesman for the Men United for Sane Thought (MUST).

★ ★ ★

The group is made up of some 50 persons from legal, medical, advertising, stockbrokerage and other fields in Detroit.

Working through the newspaper, radio and television media, Davies said MUST hopes to get the suburbanite to unload his gun and to emphasize that the entire ghetto population is not seeking a second riot.

POSTERS PLANNED

The group hopes to stop trouble with posters like this:

"Be the first on your block to kill a neighbor."

One ad described an inner-city Negro with a home and family — "Willie made it through Normandy, Seoul and DaNang. He doesn't need the Purple Heart for Detroit."

★ ★ ★

The ads were scheduled to appear in 31 Detroit area newspapers plus radio and television spots, he said.

Detroit major newspapers, the Detroit News and Free Press, still shut down by a 167-day-old strike, weren't included in the campaign.

MEMBERS ANONYMOUS

Davies noted that many of the MUST members refused to reveal their names to the public. They feared "economic repercussions" if widespread publicity linked them to a riot-blocking group such as MUST, he said

When MUST was formed last January, "Our main belief was that violence this summer was inevitable," Davies said, The campaign now is "a stopgap measure, an attempt to buy time for the community."

★ ★ ★

Ads following the pattern of "Anyone looking forward to celebrating the 2nd annual Detroit riot this summer . . . is too sick to go" were soon to spread nationally to cope with the urban crisis threatening all U.S. cities, he said.

MUST was operating a free campaign with members in advertising drawing up the ads and the news media devoting time and space free-of-charge, Davies explained.

SIMPLE MOTIVE

The motive behind MUST was simple, he said. "It would be an insult to the residents of this city to suffer a second riot."

6 Viet Victims From State Listed

WASHINGTON (UPI) — The Defense Department Monday identified five Michigan men among 126 U.S. servicemen killed in combat in Vietnam. A sixth man's name was shifted from the list of missing to the list of dead.

★ ★ ★

They were:

- Army Spec. 4 Thomas E. Raubolt, son of Mr. and Mrs. Alwyn W. Raubolt, Wyandotte.
- Army Spec. 4 Michael J. Cox, son of Mr. and Mrs. Clarence Cox, Detroit.
- Navy Hospital Corpsman 3.C Bernard J. Newhouse, son of Mr. and Mrs. Gerald J. Newhouse, St. Johns.
- Marine Lance Cpl. Thomas J. Worley Jr., son of Mrs. Irene B. Peters, Detroit.
- And Marine Tech Sgt. Russell R. Fyan, husband of Mrs. Ramona L. Fyan, Muskegon.

Army Spec. 5 Janis Miculs, son of Mr. Vladislaves Miculs, Grosse Pointe Park, was identified as having been killed in combat, after he had been listed as missing.

Laser beams have been used successfully and harmlessly in removing unwanted tatooes.

WAKE UP YOUR PERISTALSIS

And Be Your Smiling Best

The muscular action of your digestive system, called Peristalsis, should not slow down. If this happens waste materials can build up in the lower tract and you become irregular, uncomfortable and feel stuffed.

Carter's Pills with its unique laxative formula wakes up the slowed down muscles of the lower digestive tract and stimulates Peristalsis, giving temporary relief of this irregularity. Then you will be your smiling best.

Millions of satisfied users take Carter's Pills. Why don't you. 49¢

DEAD MAN LIVES

"I have been crucified with CHRIST; and I myself no longer live, but CHRIST lives in me. And the real life I now have within this body is a result of my trusting in the SON of GOD, who loved me and gave himself for me."

Rockefeller Enters Race for GOP Presidential Bid

MAKE OVER PAGES

From Our News Wires

ALBANY, N.Y. — Gov. Nelson A. Rockefeller has bowed to pressure from presidential supporters and agreed to become an active candidate for the Republican nomination.

Rockefeller announced his political turnabout at a news conference at 11 a.m. EDT today. His decison to actively challenge front-runner Richard M. Nixon for the nomination was reached last week after a series of meetings with political adavisers and backers.

The 59-year-old governor has said many times he would like to be president but thought GOP leaders who controlled most of the convention delegates were against him.

That was the statement he made March 21 when he said he was available but not an active candidate. Many things have happened since then.

Sen. Thruston B. Morton, one of Rockefeller's most active backers, said the New York governor had misjudged party feelings. He said the leaders believed Republicans should offer the people a choice of candidates and if Rockefeller became an active seeker of the nomination he could become the winner.

President Johnson surprised everyone, including Rockefeller, and announced he would not seek another term.

This unexpected turn of events figured in Rockefeller's switch. And with Democrats locked in a bitter struggle, Rockefeller's advisers told him his chances of victory are now even greater.

Morton and William Miller, former GOP national chairman and Barry Goldwater's running mate four years ago, set out to prove their point.

The pair went on tour across the nation last week to drum up support for the N.Y. governor's candidacy. They reported their findings to Rockefeller over the weekend and urged him to plunge into the race.

Today's announcement was timed also to coincide with the governor's major ventures on the national speech-making circuit.

He is to go to Philadelphia tomorrow to delivere a major foreign policy address, in which he plans to outline his long-awaited views on the Vietnam war.

The following day, he will fly to Cedar Rapids, Iowa, reportedly to press his case for the presidential nomination with the state's prospective delegates.

TOP GUNS—Pontiac Police Chief William K. Hanger (right) and Patrolman Richard Adams display the team trophy won by the city department in pistol competition against Oakland County Sheriff's Department and Michigan State Police teams last week. Adams was the individual high scorer in the week-long competition, sponsored by The Pontiac Press.

Found in Lapeer County

Kidnaped City Girl Is Safe

A 19-year-old Pontiac wife, reported kidnaped at gunpoint from the Pontiac Mall late yesterday, was found alive this morning in Columbiaville, Lapeer County.

★ ★ ★

Oakland County sheriff's deputies said Mrs. Norman Kinnison of 435½ University contacted the Lapeer County Sheriff's Department about 9:30 a.m. after her alleged abductor left her in her father-in-law's car, which had become mired in mud on North Lake Road.

There was no immediate report of her condition.

Mrs. Kinnison was reported kidnaped by her 14-year-old brother-in-law, Frank Kinnison, who walked into the Walled Lake Police Department shortly after midnight.

★ ★ ★

He said he had accompanied Mrs. Kinnison from her job at Hudson's Department Store to a supermarket in the shopping center, where he waited in the car while she purchased cigarettes.

PISTOL AND KNIFE

He said a man approached, brandished a derringer-type pistol and a long-bladed knife, then forced his way into the car.

When she returned, Mrs. Kinnison was ordered by the man to drive to the Benstein-Bass Lake Road area of Commerce Township, Where Frank was set free, deputies were told.

Detectives said the youth walked about two miles to the Walled Lake Police Department, which contacted the sheriff's department.

★ ★ ★

Deputies said they searched back roads and trails in the area where the youth was freed, but found nothing.

DESCRIBES WIFE

The victim's husband, 18, a Pontiac Motor Division employe, described his wife as blonde and slight of build.

She is a 1966 graduate of Waterford Township High School.

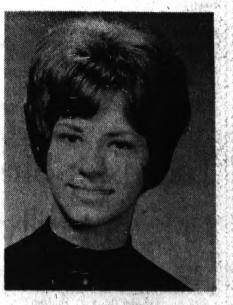
Frank told deputies the abductor was a dark - complexioned white man, about 5-feet-10, with long black hair and wearing dark clothing and a plaid shirt.

Detectives placed the time of the abduction about 9:20 p.m.

Deputies said about three hours had elapsed when Frank reached the Walled Lake Police Department and the search began.

★ ★ ★

The Kinnisons have been married 11 months. They have no children.



MRS. NORMAN KINNISON

Pontiac Police Win Shooting Contest

Pontiac police won first and second place awards in a week-long pistol competition sponsored by The Pontiac Press.

Other teams participating in matches, which ended yesterday, were from the Oakland County Sheriff's Department and the Michigan State Police Pontiac Post.

Compiling a score of 2,241, members of the first place team are Richard Adams who scored 576, Robert Verhine, 570, Neil McCormick, 548 and Keith Kissinger, 547.

A second Pontiac police team scored 2,150 points. Team leader was James Lafnear, 560, followed by Gerald Kolb, 546, Stanley Helgemo, 543, and Robert Emery, 501.

Third place was taken by a team from the sheriff's department with a score of 2,087. Individual scorers were Robert Potts, 526; Frederick Scholz, 523; William Elliott, 520; and Dennis K. Nash, 518.

Adams' 576 score also won him first place trophy for individual performance.

Fourth and sixth place awards were won by teams from the Michigan State police post in Pontiac, while another Pontiac Police Department team took fifth place.

Seventh place went to a team from the sheriff's department.

'Romney Willing to Accept VP Slot'

DETROIT (AP) — Michigan Gov. George Romney would be willing to accept a position as Republican vice presidential candidate under Richard M. Nixon, says U. S. Sen. Robert P. Griffin, R-Mich.

And, adds Griffin, a Nixon-Romney ticket is "the best I can think of."

Griffin made the comment in an interview for telecast next Monday on WKBD-TV's "Lou Gordon's Hot Seat."

Romney said on the same program last September he would not accept a position as anyone's running mate.

★ ★ ★

Griffin said if the Republican party decided it needed the governor's services, "George would take it."

Ike Hospitalized With Chest Pain

MARCH AIR FORCE BASE, Calif. (AP) — Former President Dwight D. Eisenhower, suffering "some chest discomfort," was flown to the March Air Force Base hospital last night for treatment.

"We are not calling this a heart attack," his military aide said.

The 77-year-old general played golf yesterday at Palm Springs, near his winter home, but a short time later called in his personal physician. The temperature reached 100 during the day.

Several hours later, two Army helicopters landed in front of Eisenhower's home in Palm Desert. Twenty minutes later, Eisenhower was being carried into the hospital on a stretcher.

Word that Eisenhower was ill came after he had canceled plans to greet King Olav V of Norway, who is on a state visit in California.

A source close to Eisenhower said the former president had been "pretty busy the last couple of days, and he apparently overextended himself. The activity and the heat seemed to have tired him."

Eisenhower's wife, Mamie, stayed at their winter home.

The couple had planned to leave May 6 for their farm at Gettysburg, Pa.

Rochester Nixes 2 School Issues

A record number of Rochester School District voters turned out yesterday to defeat both an 11.5 operating mill renewal and increase and another mill for bonding indebtedness. The margin was nearly 2-1.

★ ★ ★

Nearly 4,400 electors decided 2,812 to 1,555 against the operating millage and 2,678 to 1,602 against a bonding proposition.

The operating millage question had included a 7-mill renewal as well as a 4.5-mill increase.

"Obviously the tentative budget for 1968-69 of $5.3 million cannot be met with an estimated revenue loss of $1.2 million — the amount represented by 11.5 mills," said Schools Supt. Douglas Lund.

★ ★ ★

"It must be assumed that the saturation point has been reached relative to the degree of school support from local property taxes," he said.

A board meeting was set for 8 p.m. Monday to evaluate results of the election. Lund said the board had not at this point formulated plans for another ballot issue to be presented to voters at the annual election June 10.

Recipient of Heart Dies 51½ Hours After Surgery

PARIS (AP) — Europe's first heart-transplant patient, a 66-year-old retired French truck driver, died today 51½ hours after he was given the heart of a young man.

The new organ functioned well, doctors said, but the patient could not overcome an insufficiency of blood to the brain.

Clovis Roblain succumbed at 10:30 a.m. never having regained consciousness after the transplant.

He had undergone a nine-hour operation Saturday night.

★ ★ ★

Dr. Maurice Mercadier, the head of the surgical team at La Pitie Hospital, hinted that Roblain may have been too old to weather the transplant.

'TECHNICALLY POSSIBLE'

"We have learned from this first attempt that technically a transplant is perfectly possible but that we must have a patient sufficiently resistant to have a chance of success," the physician said.

He said his team — which had conducted experiments in a hospital basement for lack of space — would go ahead with another heart transplant "if the conditions of a patient who would undergo a transplant are more favorable."

Roblain's death leaves only one survivor from the seven human heart transplants which have been reported.

He is Dr. Philip Blaiberg, a 58-year-old retired South African dentist, who was given a new heart on Jan. 2.

NOW DRIVING CAR

He was discharged from a Cape Town hospital more than six weeks ago and is now reported driving his car in heavy traffic.

At a news conference, Mercadier told reporters: "What we feared has come about. . .

"We are sorry to have lost a patient. We are not sorry that we went ahead with the transplant."

Earlier the doctors reported that Roblain, who received the heart of a 23-year-old man fatally injured in an auto accident, had suffered a loss in blood pressure and the brain damage was feared.

Building Strike Looms in State

DETROIT (AP)— Widespread strikes of building tradesmen loom tomorrow in Lower Michigan.

The unions have rejected an offer by the Associated General Contractors (AGC) to increase wages and fringe benefits six per cent in each of the next two years, and carpenters and bricklayers have served notice they will strike when current contracts run out at midnight tonight.

Demands for increases ranging up to 45 per cent are being made on all contractors.

Members of the Associated General Contractors employ some 55,000 building tradesmen in the Detroit metropolitan area, and other contractors usually follow their settlement.

★ ★ ★

William Stewart, AGC Secretary, describes the hopes of settlement as "grim," and builders have forecast that whatever settlement is reached is likely to increase the cost of new homes and buildings by as much as 10 per cent this year and next.

32 PCT. HIKE

Carpenters, with a base pay of $5.06 an hour, are asking a 32 per cent hike in their gross: a total of $2.10, with $1.50 hourly in base wages.

★ ★ ★

Bricklayers, with a base rate of $5.44 and fringes run up to $6.35 gross, are asking what they say is an unspecified amount that would keep them fourth among building tradesmen.

City Takes Over Wessen Site

The City of Pontiac today took over the 12-acre Wessen Street facilities from Consumers Power Co. On the site, at 55 Wessen, are an office building and a garage for repair of city cars, trucks and equipment, totaling about 55,000 square feet of building space.

The city purchased the land and facilities on a $520,000 land contract negotiated in March 1967. The down payment, $129,500, was paid by the city to Consumers Power today.

★ ★ ★

The department of public works, city engineering office, electric department and parks and recreation department will move in immediately.

Consumers Power has moved its service operation to a new center at 1030 Featherstone. The 27-acre site includes a 131,000-square-foot office and service building now being completed.

Charles F. Brown, Pontiac division manager for Consumers Power, said the move of equipment and employes from Wessen and the upper floors of the division office at 28 W. Lawrence will not affect customer facilities there.

The appliance store, customer contact employes, and other customer facilities, including payment of bills, free lamp bulb renewal and portable appliance repair, will remain on Lawrence.

The new service center will be open to public for visits later this year, according to Brown.

Pontiac Press Photo

NEW OWNERS—City Manager Joseph A. Warren (right) hands Charles Brown, Consumers Power Pontiac Division manager, a city check for $129,500, down payment on a land contract for purchase of the Consumers Power Co. 12-acre Wessen Street service facilities. The city will move in immediately. Consumers Power has moved into a new site at 1030 Featherstone.

News Flash

A lone bandit robbed the GMTC Credit Union, 939 Woodward, of $50,000 at 11 a.m. today. The robber was identified as a white male, about 22 to 29 years of age and five feet nine. He was carrying a revolver.

Warmer Weather Forecast for Area

Ol' Sol is expected to push the temperatures up through Thursday.

The weatherman forecasts sunny and mild today with the high reaching the mid 60s. Fair and cool, with a low of 40 to 46, is tonight's prediction.

Partly sunny and a little warmer is the outlook for tomorrow. Partly cloudy and warmer is Thursday's forecast.

This morning's northwesterly winds at seven to 15 miles per hour will become north to northeast at five to 10 miles tonight.

★ ★ ★

Precipitation probabilities in per cent are: today and tonight 5, and 10 tomorrow.

Forty-four was the low temperature prior to 8 a.m. in downtown Pontiac. The 12:30 p.m. reading was 59.

'U.S. Spray Killed 200'

TOKYO (AP) — The Communist Pathet Lao has charged that toxic spray from U.S. planes has killed 200 persons in southern Laos, North Vietnam's official news agency said Monday.

U.S. Says Reds Massacred 1,000 in Hue

SAIGON (AP) — Communist forces executed more than 1,000 persons during the February offensive in Hue, the U.S. Embassy reported today.

The embassy made its atrocity charge as the U.S. Command reported hard fighting around Hue, the former imperial capital, and U.S. B52 bombers extended their raids into Laos to protect American troops sweeping the A Shau Valley gateway to the northern city.

The embassy said its report was based on information from allied sources and the South Vietnamese national police.

It said the victims were found in 19 separate mass graves.

"Many had been shot, some beheaded," the report said. "A number of bodies showed signs of mutilation. Most were found with hands bound behind their backs.

"Evidence also was discovered of victims having been clubbed unconscious prior to being buried alive."

The report said one South Vietnamese political warfare officer who helped investigate the executions estimated that almost half of the victims had been buried alive.

One Buddhist monk told investigators there had been nightly executions during the Communist occupation of the city, which U.S. and South Vietnamese forces retook after weeks of hard fighting.

Across South Vietnam from Hue, America's biggest bombers attacked North Vietnamese troop concentrations in Laos Monday and today, military sources said.

Their aim was to scatter sizable enemy forces reported just across the border from the Shau Valley, the major North Vietnamese staging base in the northern part of South Vietnam.

Allied intelligence officers believe the enemy has been readying a new attack there, to be aimed at Hue and other cities in the northern provinces.

The U.S. Command would not comment on the reported B52 raids on Laos, its customary policy toward U.S. operations in that supposedly neutral country.

Allied expectations of new attacks on Hue were heightened by two sharp clashes yesterday.

U.S. Marines and South Vietnamese infantrymen smashed enemy forces menacing the old imperial city, Da Nang and vital allied supply lines in the northern provinces.

Birmingham

3 Hearings on Rezoning Postponed

BIRMINGHAM — The City Commission last night postponed three hearings on rezoning of property and vacating of an alley in the Ann Street area, as City Planning Director William Brownfield had recommended.

★

However, instead of rescheduling the hearings to early July, as suggested by Brownfield, the commission set a date of May 20 for two hearings and June 24 for the third.

The hearings to be held May 20 include rezoning of portions of Assessor's Plat 4 and Grove's Addition to the city's new row or town-house R-8 classification, and vacating of an alley extending from Landon to Lincoln west of Woodward.

The principal hearing, on rezoning to R-8 property bounded by Ann, Lincoln, Floyd, Geroge, Purdy and Landon, will be held on the June date.

★ ★ ★

Brownfield had urged that the hearings be delayed until after completion of the entire Ann Street study, which has been conducted by the planning board for about two years.

NEW DATE

The commission also set a new date — May 13 — for discussion of two reports from Building Official Harold C. Weber, one recommending reciprocal heating and refrigeration ordinance amendments and the other urging an increase in permit fees.

The report on ordinance amendments also includes a section which would establish a board of building trades appeals, to be the official body for hearing appeals on permit requirements.

The board would include contractors from each of the building trades as well as an architect and, as an ex officio member, the building official.

★ ★ ★

Weber recommended in the second report that the city's permit fees be increased by an average of 88 per cent.

'MUST BE SUBSIDIZED'

"A review of the income of this department recieved from permit fees," Weber commented, "indicates that this department has to be subsidized by general tax monies for its operation."

At least 40 per cent of the money for the department, he added, must be appropriated from general tax money.

"A further review of the fees currently being charged by other municpalities in the suburban Detroit area, and also the City of Detroit, indicated that our fees are substantially lower than any of the other areas," Weber continued.

★ ★ ★

The proposed rate structure, based on an average $40,000 single-family residence, would result in fee increases of 54 per cent for the building permit, 10 per cent for the electric permit, 116 per cent for the plumbing permit, 135 per cent for the heating permit, and 100 per cent for the air conditioning permit.

RECOMMENDATION

City Manager Robert S. Kenning recommended that the commission delay adoption of the ordinance amendments until May 13 to allow notfication of building tradesmen.

In other business, the commission voted against extending golf privileges to residents abutting the city's two courses, Lincoln Hills and Springdale.

Darrel C. Middlewood, superintendent of parks and recreation, had recommended the change, pointing out the possible benefit to public relations.

★ ★ ★

Middlewood also reported on the status of tree planting planned for Chester north of Maple. The planting has been delayed, he said, due to holdups in shipment on both the fall 1967 and spring 1968 planting orders.

★ ★ ★

The superintendent also noted that federal and state planting programs have created a shortage of plant materials at the present time. The order for this fall, he said, would be placed early in an attempt to obtain quality material.

Scores Hurt, 638 Arrested in Crackdown at Columbia

NEW YORK (AP) — Police moved in force onto the Columbia University campus at the administration's request early today and routed student demonstrators — sometimes violently — from five barricaded campus buildings to end a week-long sit-in.

More than 100 youths were injured and 638 were arrested, including about 100 women, in the 75-minute police action that began about 2:45 a.m. Fifteen policemen were injured, and one of them was hospitalized with a heart attack.

The demonstration, which began April 23 basically as a protest over construction of a gym in a park adjacent to nearby Harlem, had faded into one of rebellion against Columbia disciplinary procedures after the students won initial concessions.

At its height, perhaps 600 to 700 youths were involved, including some nonstudents. The Ivy League school has 27,500 students.

★ ★ ★

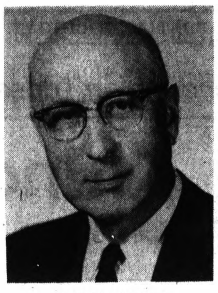
During the police sweep a crowd of nearly 2,000 persons gathered on the Ivy League campus overlooking Harlem.

The bystanders clashed with plice after the last of the demonstrators had been taken away.

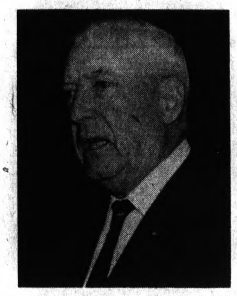
Police used nightsticks freely in breaking up the large crowd and moving it off campus.

Mounted police rode into the surging mass and a large coffee shop window on Broadway was broken in the press of the crowd.

Dan Pellergrin, president of the student council, announced to a crowd near the library that he was calling a student strike starting today.



ELBERT WILMOT



DR. HARRY GODSELL

Teamster Strike at Hudson's to Eventually Affect Pontiac

About 1,100 members of Detroit Teamsters Local 299 went on strike yesterday against the J. L. Hudson Co.

The strike is by teamster members working in the warehouses and on inside deliveries, according to a J. L. Hudson spokesman.

"In addition, our customer delivery and merchandise transfer truck drivers have refused to cross the picket lines and they are not working," he added.

The strike has not yet become a problem at the Pontiac Mall store but will eventually affect the flow of merchandise into the store, according to the spokesman.

★ ★ ★

Local 299 official Otto Wendell said the company's final offer for a new three-year contract was rejected overwhelmingly by the local's members at a meeting Sunday.

★ ★ ★

The old three-year contract expired April 21 but was extended for one week while negotiations continued, Wendell said.

Wendell said the main dispute involved the establishment of a pension program.

Company negotiators made their final offer Friday and a bargaining session was held Saturday to clear up the contract language, the Teamsters official said.

★ ★ ★

No further negotiations were scheduled when the strike began. The contract under negotiation would be the fourth three-year pact between the company and the Teamsters.

Hudson's spokesman added: "At the moment our appliance service department is not on strike and will continue to do appliance service and repairs. Merchandise can still be ordered with delivery and installation to be completed when the strike is over."

U.S. Laos Story Is False---Hanoi

WASHINGTON (AP) — U.S. officials voice confidence that agreement will be reached with North Vietnam on where to talk peace, but Hanoi says Washington dreamed up a story about preliminary contacts in Laos.

State Department press officer Robert J. McCloskey said yesterday there were two diplomatic exchanges in three days last weekend between U.S. and North Vietnamese representatives in Vientiane, Laos, adding no agreement was reached on a peace-talk site.

But the North Vietnamese Foreign Ministry said the United States "cooked up the story about 'private discussions' being continued in Vientiane."

DONALD F. LOPER

OCC Student in Trustee Race

A 43-year-old full-time student at Oakland Community College is not satisfied with a seat in a classroom; he wants a seat on the college's board of trustees.

★ ★ ★

Donald F. Loper, 3097 Avalon, Avon Township, will be on the June 10 ballot for election to the board.

He's studying for an associate degree in applied science, data processing, at Auburn Hills and Orchard Ridge campus.

He was a truck driver for 10 years until he was injured in 1966.

A resident of Oakland County for 12 years, he served as a Navy paracute riger during World War II and attended a Los Angeles business school for one year.

He and his wife, Dorothy, have five children, four attending Avondale schools.

★ ★ ★

His statement:

"My three major objectives are to:

- "Assure all reasonable facilities for the best possible education of the students.
- "Create favorable conditions to attract and retain accomplished and dedicated instructors.
- Give practical consideration to all expenditures of the taxpayer's federal, state and county funds.

★ ★ ★

"My basic philosophy is to have educational facilities utilized to the fullest extent, enabling students to broaden their horizons and fullfill their educational goals."

New Officers Are Elected by Salvation Army Board

The Salvation Army Advisory Board of Pontiac elected new officers and honored one of its members for 25 years service at its annual meeting last night.

Reelected were Elbert Wilmot, chairman; Dr. Ralph D. Wigent, vice chairman; Mrs. Mac T. Whitfield, secretary; and Harcourt S. Patterson, treasurer.

The meeting, held at Greenfield's Restaurant in Birmingham, had approximately 100 in attendance.

Awarded a life membership on the advisory board was Dr. Harry Godsell, in recognition of his 25 years of service to the Salvation Army.

★ ★ ★

Godsell also received recognition from the Greater Pontiac Evangelical Ministers Fellowship and the City of Pontiac.

ADVISORY BOARD

New members added to the Advisory Board were Carroll C. Braid, Dr. Walter Godsell and William Lacy.

Guest speaker was Salvation Army Major Walter Kennedy of Detroit.

2nd Raid in 3 Days

N. Korea Infiltrators Kill 2

SEOUL (UPI) — Two South Korean soldiers were killed and two others wounded in a new attack by North Korean infiltrators in the demilitarized zone yesterday, Korean military spokesmen said today.

★ ★ ★

In the second Communist attack in three days, the North Koreans ambushed a seven-man South Korean patrol in the eastern sector of the 151-mile zone that divides the two Koreas, the spokesman said.

Newspapers in Seoul said the South Korean patrol called for artillery support and batteries near the scene fired 100 shells.

Gold Prices Up Abroad

LONDON (AP) — The price of gold on the London market hit its highest peak today since free sales began April 1. The price also rose sharply in both Frankfurt and Zurich.

★ ★ ★

The price at this morning's fixing in London was $39.10 an ounce against last night's closing of $38.75. This represented a steady increase during the past week amounting to $1.45 an ounce.

★ ★ ★

In Frankfurt the price rose 47.5 cents from yesterday's close to $39.10 and in Zurich the rise was 30 cents to $39.12.

Lake Orion Blood Drive Is Tomorrow

LAKE ORION — A Red Cross Mobile Blood Bank will accept donations from area residents from 2 to 8 p.m. tomorrow at the Methodist Church.

The blood will be used for the needs of area residents.

Neil McGinnes, director of Oakwood Hospital in Dearborn, Mich., is to recieve the assembly's highest award, recieve the assembly's highest award.

34 Die in Iran Quake

TEHRAN (AP) — A severe earthquake rocked a large area of western Iran between Maku and Rezaeieh last night, and officials said today 34 persons were killed. They reported 250 persons injured and hundreds more homeless.

According to official reports slight tremors shook the area at 8 p.m. but caused no casualties or damages. Then, at 11:30 p.m. a second quake hit wrecking at least 12 villages around Maku and near Rezaeieh.

The Weather

Full U.S. Weather Bureau Report

NATIONAL WEATHER — Skies will be clear to partly cloudy tonight over the U.S. It will be warmer in the southern Plains and colder in the northeast part of the nation.

Also Powers for Mayor

Pontiac to Eye Police Pact

City commissioners tonight will consider resolutions to enable Pontiac to join a mutual-aid police pact and to give the mayor special emergency powers.

Commissioners last week received proposals on the items.

The proposed pact, called the North Oakland County Reciprocal Police Aid Agreement, has been approved by some of the 17 communities it is expected to eventually involve.

The pact outlines authority of officers who operate in communities other than their own during riots, rebellions, civil disturbances or other emergencies.

The agreement gives the police chief authority to determine when and where his men and equipment would be used in another community, and when a situation in his own community warrants seeking outside help.

★ ★ ★

The proposed ordinance outlining mayor's emergency powers gives him authority to proclaim an emergency situation, to issue orders to control sale and transportation of guns, weapons, explosives, inflammable material and liquor, to establish curfew hours and to control traffic and occupancy of buildings.

In other action at the 8 p.m. meeting at City Hall, the commission is scheduled to:

- Consider appointing a commissioner as representative to the planning commission.
- Receive a report from the State Public Service Commission ordering roadway gates at the Grand Trunk Western Railroad crossing at West Columbia.
- Consider a petition from the Crystal Lake (Street) Block Club opposing a request from the Pontiac Advancement Club for a new Class C liquor license.

Crusaders for Poor Voice Demands

WASHINGTON (AP) — The demands were strong, and they were voiced in blunt and angry words to top government officials. But the poor people who brought them to Washington made it clear they still expect a summer-long confrontation with their government.

"We will be back in 10 days," promised the Rev. Ralph Abernathy, leader of the Poor People's Campaign, at every stop.

"We will be back for their answer, not 130 strong but 3,000 to 5,000 strong."

"We are going to back up our words with the most militant nonviolent direct action in this country's history," he added.

Abernathy repeatedly used "beautiful" Monday to describe the day, even though meetings ran hours behind schedule and the 130 advance troops never did keep appointments with some top officials — like Secretary of State Dean Rusk.

Emphasis was on the poor of varied ethnic groups from all parts of the nation—Negro, Indian, Mexican-American and white—coming together to say, in the words of one participant, "We're going to find a way to make these people do what they should do . . . we're tired of living the way we been living . . ."

And while campaign leaders promised over and over again they would start no violence in Washington, many of the participants indicated they might not abide by the same rules back in their home towns.

"We are not coming to Washington again," New York's Manuel Ortiz, a Puerto Rican, told Secretary of Agriculture Orville L. Freeman. "This is the last time. If our demands aren't met, we will stay in those ghettoes and tear them down brick by brick."

Specific demands, ranging from better Justice Department enforcement of existing laws to an overhaul of the Agriculture Department's food stamp and land retirement programs, were given in person to Freeman, Secretary of Labor W. Willard Wirtz, Atty. Gen. Ramsey Clark and acting antipoverty chief Bertrand M. Harding.

Cavanagh Decries Lack of Commitment

CHARLOTTE, N.C. (AP) — Detroit Mayor Jerome P. Cavanagh said Monday night he doesn't know "how much more this country can take . . . before tearing apart at the seams."

Cavanagh, speaking at Queen's College, a Presbyterian school for women, spoke on the problem of the cities, and their ability to meet them.

"I'm optimistic in that the tools are there, but I'm pessimistic that the commitment isn't there," he said. "We have the resources, but we just haven't committed them in the country."

Cavanagh said it was "too early" to say what effect the assassination of the Rev. Dr. Martin Luther King Jr. would have, but he added that the murder had little on the mood of Congress.

"This is very disheartening," Cavanagh said, "because I don't know much more this country can take of the violence, disorder, riots — the short of things that are tearing apart the fabric of our country."

Cavanagh said the Negro has become convinced that it is futile to believe in the sincerity of the white power structure and has turned to militancy and separatism for relief.

He added that most of the nation's citizens endorse what "might be called the hard line of their legislators — they willingly accept the proposition that social programs are a failure and that what is needed now is the preservation of order at all costs.

Some examples of "hard line" responses, Cavanagh said, are an increase in individual gun sales, arming of the police with battlefield weapons and a higher level of readiness in the National Guard.

Publisher Is Subpoenaed After Rebuffing Romney

LANSING (AP)—Gov. George Romney's attempt to mediate the 167-day-old Detroit newspaper strike — disrupted when the Detroit News spurned the governor's summons — apparently will get under way Wednesday morning.

The meeting was scheduled to begin today, but was postponed a day after Peter B. Clark, president and publisher of The Detroit News, told the governor he would not voluntarily attend.

The action prompted the special Senate Committee to Investiate Newspaper Strikes to subpoena Clark, requesting that he be present at the meeting scheduled for 10 a.m. Wednesday in the governor's office.

"He (Romney) did request that we subpoena (Clark)," committee chairman Robert J. Huber, R-Troy, said Monday night soon after the subpoena was issued. It was to be served to Clark this morning.

* * *

The action of the committee forced a change in the governor's original plans. As outlined earlier, the governor said that Clark, Detroit Free Press Publisher Lee Hills and heads of striking unions would meet with him.

But Huber said he and Sen. Stanley F. Fozycki, D-Detroit, also would sit in on the meetings Wednesday.

Huber said all union heads have agreed to meet if publishers of both papers attend.

ARCHAEOLOGICAL FIND — Washington State University faculty members (from left) Roald Fryxell and Richard Daugherty discuss what may be the oldest human bones found in the Western Hemisphere with Sen. Warren Magnuson, D-Wash., at a press conference in the senator's Washington office.

Scientists Show Rare Old Bones

WASHINGTON (UPI) — Scientists have put on display here what they describe as the oldest human remains ever discovered in the western hemisphere — 11,00 to 13,000 years.

They took to the office of Sen Warren G. Magnuson, D-Wash., yesterday a charred and broken skull found at a site in southeastern Washington state soon to be flooded by a federal dam.

Describing the findings were Assistant Prof. Roald Fryxell and Prof. Richard B. Daughherty, both of Washington State University.

Fryxell found the remains, and Daugherty directed past excavations at the site.

The skull was found in 1965, Fryxell told reporters, but it was dated accurately less than two weeks ago with discovery of a bone speak point and other objects at the same site.

DUG FROM PIT

The skull and remains of other human bones were dug out of a 13-foot pit about 1½ miles from where the Snake and Palouse rivers come together.

The area will be flooded by the $181-million Lower Monumental Dam being built by the corps of engineers.

The scientists said that it was not possible to pinpoint the age of the human remains but that they were the "best dated" of any found so far in the western hemisphere.

The discovery climaxed nearly 10 years of study at the so-called Marmes Rockshelter Site, a cave near the discovery site known to have been occupied by man thousands of years ago.

MORE MATERIAL

The scientists said there was an "excellent opportunity" they would dig up more valuable material in their race to explore the site before it is flooded.

The charred human bones were discovered along with bones of mammals, possibly elk or deer, they said. The animal bones were cracked in a manner used by man of that period to extract the marrow.

The scientists added an additional note of mystery, pointing out that the human bones also had been cracked, suggesting that the man had been eaten.

★ ★ ★

"They literally had him for dinner," Fryxell said.

Negro Promoted

DETROIT (AP) — The Detroit Department of Public Works has named a Negro as general foreman of street sanitation, the first Negro to attain such a high-ranking position. Clarence Russell, a DPW employe since 1953 will assume the post immediately.

Miriani Trial Wednesday

DETROIT (AP) — A federal judge has denied a motion to postpone the trial of former Detroit Mayor Louis Miriani on charges of evading $152,000 in income taxes.

★ ★ ★

U.S. District Judge C.G. Neese of Greenville, Tenn., set the trial for Wednesday.

Attorneys for Miriani, who is a city councilman, contended he was not healthy enough to stand the stress of the trial.

The onetime Detroit mayor is charged with filing false income tax returns for the years 1959 through 1962. He is accused of failing to report some $260,000 in taxable income.

Army Is Shelling Out for M16 Step-Up

WASHINGTON (AP) — The Army, suddenly under high-level pressure to increase sharply the flow of M16 rifles to South Vietnamese troops, is paying premium prices for the lightweight, rapid-firing weapon.

Until April 12, Colt Industries, Inc., was the only manufacturer of M16s. Colt's price has averaged $104 a rifle on recent contracts.

★ ★ ★

It is costing the Army far more than that—up to $316 per rifle—to bring two more firms into production of M16s.

"We are paying a premium to get the quantity and quality we want," an Army source said.

BEST ALL AROUND

The pressure to speed procurement of M16s resulted from the decision, announced March 31 by President Johnson, to turn over more of the fighting to the South Vietnamese.

Before that decision, few South Vietnamese units had M16s despite Defense Department studies that called the rifle the best "all-around shoulder weapon in Vietnam," and despite repeated requests from American field commanders that the guns be supplied to the Vietnamese.

The two new M16 sources are Harrington & Richardson of Worcester, Mass., and General Motors' Hydramatic Division at Ypsilanti, Mich.

Each firm received a two-year contract calling for production of 60,000 rifles the first year and 180,000 the second.

Harrington & Richardson will receive $15 million the first year for a unit cost to the government of $250 a rifle. The second year the firm will receive $27 million or $150 a rifle.

Government costs under the contract awarded to General Motors are higher: $316 a rifle the first year, $200 the second.

The difference between the two contracts brought swift challenge from Sen. George S. McGovern, D-S.D., who told the Senate the awards serve "as a painful question of the Pentagon's ability to handle the taxpayers' money wisely."

The Army responded by pointing to differences in wage scales between Detroit and Worcester. Labor Department figures show the average manufacturing employe in Detroit in February 1968 received $167.74 a week. The figure for Worcester was $118.89.

GM and Harrington & Richardson were among four firms with which the Army negotiated after it bought the manufacturing rights for $4.5 million from Colt. The prices include the expenses of tooling up to produce a new product.

Army spokesmen stressed that both new contracts are ceiling prices subject to negotiation downward if the firms' costs prove to be less than anticipated.

No one, either at the Pentagon or at the two new producers, would predict how large Army orders would have to become before GM and H&R could profitably produce M16s for a price comparable to what Colt has been charging.

And Colt's prices now are under scrutiny by General Accounting Office auditors.

A House Armed Services subcommittee that investigated the M16 program reported that "based on information and records made available by the contractor and the Army, it appears that Colt's has enjoyed an excessive profit on M16 production contracts to date."

Bottled in the U.S.A. to save you money on taxes and freight.

Trading Fairly Active

Mart Gains on Modest Scale

NEW YORK (AP)—The stock market resumed its advance on a modest scale early today.

Trading was fairly active.

Advances of individual stocks topped declines by nearly 200 issues in initial transactions.

★ ★ ★

Most changes of key stocks were fractional, but a few went to a point or so.

Some brokers said they wouldnot be surprised if a reaction occurred in the market on technical grounds after the recent strong advance.

POINT TO SLOW PACE

They pointed to the slow progress toward selecting a site for Vietnam peace talks and toward enactment of a tax increase as dampening factors.

General Motors advanced nearly a point, and Ford was up about half a point. Both companies have reported higher first-quarter earnings.

★ ★ ★

Boeing, another company reporting a sharp earnings gain, added about half a point.

Opening blocks included General Tire, up ⅞ at 31 on 28,000 shares, and International Paper, off ⅛ at 29⅛ on 7,700 shares.

Monday the Associated Press 60-Stock Adverage advanced 1.0 to 324.8.

Sales figures are unofficial.

Unless otherwise noted, rates of dividends in the foregoing table are annual disbursements based on the last quarterly or semi-annual declaration. Special or extra dividends or payments not designated as regular are identified in the following footnotes.

a—Also extra or extras. b—Annual rate plus stock dividend. c—Liquidating dividend. d—Declared or paid in 1967 plus stock dividend. e—Declared or paid so far this year. f—Payable in stock during 1967, estimated cash value on ex-dividend or ex-distribution date. g—Paid last year. h—Declared or paid after stock dividend or split up. k—Declared or paid this year, an accumulative issue with dividends in arrears. n—New issue. p—Paid this year, dividend omitted, deferred or no action taken at last dividend meeting. r—Declared or paid in 1968 plus stock dividend. t—Paid in stock during 1968, estimated cash value on ex-dividend or ex-distribution date.

z—Sales in full.

cld—Called. x—Ex dividend. y—Ex dividend and sales in full. x-dis—Ex distribution. xr—Ex rights. xw—Without warrants. ww—With warrants. wd—When distributed. wi—When issued. nd—Next day delivery.

vi—In bankruptcy or receivership or being reorganized under the Bankruptcy Act, or securities assumed by such companies. fn—Foreign issue subject to interest equalization tax.

Dow Official Blasts State

LANSING (UPI) — The board chairman of the Dow Chemical Co. told Michigan lawmakers Monday night the state is to blame for making itself into a "second-division club in the chemical league," and asked their aid in helping industry statewide.

The charge and the plea by C. A. Gerstacker got a mixed reaction from the legislators.

★ ★ ★

"I am sure you are aware that many areas of the country, and of the world for that matter, offer special enticements to industry to build a manufacturing facility in their back yard," Gerstacker said.

"Is Michigan doing as much — for the chemical or any other industry? Are we keeping Michigan competitive in a business sense?

★ ★ ★

"For many years there has been nothing other than increasing taxes and expenditures for industry in Michigan."

Shopper Trains Cut to One on Saturday

Grand Trunk Western Railroad will run only one shopper special on Saturday during the summer months. The new schedule begins this week.

The Saturday train leaves Huron Street station at 8:47 a.m. and reaches Brush in Detroit at 9:35 a.m. with an 8:54 a.m. stop in Bloomfield Hills and an 8:59 stop in Birmingham.

The return train leaves Brush at 6 p.m., stops at Birmingham at 6:30, Bloomfield Hills at 6:35, and reaches Huron at 6:45 p.m.

There were two trains a day, Monday through Friday, before.

Allied Market Sales Are Up

Sales at Allied Supermarkets, Inc., for the quarter ending March 23 show a 23 per cent increase over the comparable period last year.

Earnings for that period were drastically reduced primarily as a result of extrme price competition in the Detroit and St. Louis area markets.

★ ★ ★

Kmart operations continue to show improvement and are currently producing an over-all profit as contrasted with a loss last year.

Nudists Help Fire Fighters in California

CORONA, Calif. (AP) — A fire in Temescal Canyon spread so close to a nudist camp that many of the 200 sunbathers fled its path.

Several male nudists took up stations beside the fire-fighting crews numbering 300 or more.

★ ★ ★

"Some of those guys were helping fight the fire in their shoes, and nothing else," a spokesman for the state Division of Forestry said.

Soap Opera Report Added to Newscast

PHOENIX, Ariz. (AP) — Arizona's decision to remain on standard time this summer has caused one major addition to the format of a Phoenix television news broadcast—the soap opera report.

Officials at KTAR-TV say the switch to daylight time in most of the nation led to a rejuggling of schedules, eliminating the NBC serial "Days of our Lives" from the station's lineup.

★ ★ ★

To provide some relief for the loyal fans who called to protest, the station expanded its evening news to include a report of the day's events on "Days of our Lives."

New Thrust Added

Price Controls Closer?

By JOHN CUNNIFF
AP Business Analyst

NEW YORK — As usual, there was little good news in the latest consumer price statistics. True, vegetable prices declined in March but almost everything else was higher, and food prices helped lead the advance.

CUNNIFF

This was the 14th straight month of rising prices. And, government men say, there will almost certainly be a 15th straight advance shown when the April figures are in.

★ ★ ★

The fact that essentials such as food led the advance in March could be interpreted as an omen, for it was increases in food prices a couple of years ago that led to the housewives' rebellion against retailers.

An even more ominous threat is that of price controls. With goods and services that sold for $10 in 1958 now retailing for $11.95, and with the rates of inflation the greatest since the Korean War, controls are a possibility.

POSSIBILITY DOWNGRADED

Arnold Chase, assistant commissioner of the Bureau of Labor Statistics, downgrades this possibility. With prospects being for peace talks in Vietnam, price and wage controls, he said, seem "almost out of the question...at this time."

But who knows when peace will come or inflation end?

★ ★ ★

Many Americans have a tendency to discount the red flags of inflation because, they find, their pay checks are growing also. But last month, purchasing power dropped. Should this continue, the sentiment for controls would grow.

Adding a powerful and steady thrust to the rising chart lines are the costs of services, the prices of which are often less obvious than the price tags at the grocery.

It will surprise some consumers to learn that increases in food costs and housing and apparel during the past 10 years have been at a rate smaller than the over-all price index.

Based on 1958 prices equalling 100, the consumer price index now is 119.5. But the food price index, despite recent sharp increases, is only 117.9, and the cost of clothing and upkeep of clothing is nearly the same at 117.6. Housing is 117.2.

★ ★ ★

The largest increases by far have been in services rather than goods, in items such as shoe repair, automobile maintenance, recreation, taxes, home repairs, college tuition, and especially in medical and dental costs.

Medical care now has increased nearly 43 per cent in the past decade, but even this high percentage doesn't really tell the story. In some areas the cost per day of a hospital room has nearly doubled.

DAMAGE OBVIOUS

The damage to the nation wrought by such inflation becomes obvious when you recognize that many of those who need medical aid are those whose incomes do not rise with inflation. Living on pensions, insurance policies and perhaps on investments, their income is fixed but their outgo runs wild.

But others are hurt also. During inflation there is a tendency in some job categories such as teaching, government and the service industries, for wage increases to fall well behind the rate of inflation.

★ ★ ★

Anybody with investments is likely to be hurt also. With the present rate of inflation in excess of 4 per cent, interest on most bank accounts has been nullified. Insurance policies shrink in value by the same percentage.

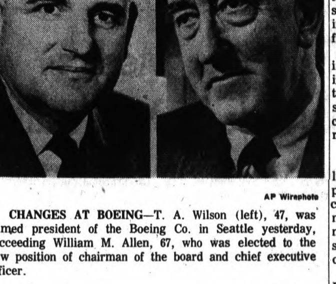
Businessmen are hurt. The Federal Reserve Bank of Philadelphia, in a booklet called "Inflation and or Unemployment, comments:

"...the businessman often is deluded into thinking that his company is more profitable than it really is. With visions of artificially sweetened profits dancing in his head, he may decide to expand his operations more than the real potential warrants."

REMEDIAL ACTION

Sooner or later everyone who experiences the distortions of inflation begins to take remedial action. They cut back on spending. They institute economy drives. They drop workers. They postpone purchases.

That is the real danger of those rising prices almost everywhere in the economy. Although inflation hurts, the correction usually hurts more. Although the correction can be mild or severe, it can't be avoided.



AP Wirephoto

CHANGES AT BOEING—T. A. Wilson (left), 47, was named president of the Boeing Co. in Seattle yesterday, succeeding William M. Allen, 67, who was elected to the new position of chairman of the board and chief executive officer.

Ford Nearly Doubles First-Period Income

DETROIT (AP)—Ford Motor Co. reported today its net income for the first quarter of this year nearly doubled in comparison with the January-March period of 1967.

Henry Ford II, chairman of the board, said first quarter earnings totalled $222-million, or $2.03 a share in 1968, compared with $120-million, or $1.10 a share a year ago. The per share increase was 85 per cent higher than in 1967.

Ford said the company's consolidated net income in the first quarter was higher than in any other first quarter in the automaker's history.

The higher profits, he said, reflected a partial recovery of production losses caused by a two-month United Auto Workers strike which shut down all production.

General Motors Corp. reported earlier its first quarter profits were $457 million, up 17 per cent from the $390 million made in the January-March quarter of 1967. Sales were $5.4 billion, against $4.9 billion, a gain of 11 per cent for 1968.

Chrysler Corp.'s first-quarter profits of $69.3 million were a record for that quarter and equal to $1.49 a share. In the same 1967 quarter profits were only $18.2 million.

Ford said the company's increased profits also reflected a higher industry demand for cars and trucks.

Consolidated sales in the first quarter of this year, the company reported, were $3,898,800,000. This was described as a record for any quarter and 36 per cent higher than 1967's first-quarter sales of $2,870,500,000.

The auto firm said worldwide factory sales of cars, trucks and tractors in the first quarter were 1,362,725 units, up 33 per cent from factory sales in the same period last year.

News in Brief

Donna Benning of 1160 Holbrook, Waterford Township, reported to township police yesterday the larceny of hunting clothes and shotgun shells—total value of $81—from her car parked alongside her home.

Dresses valued at $120 and an undetermined amount of change were stolen during a break-in at the Owen Coffell home, 5533 Crescent, Waterford Township, it was reported to township police yesterday.

BRIGGS

BORIS

Power Firm Exec Retires Wednesday

Robert P. Briggs of Jackson, Consumers Power Co.'s executive vice president, retires tomorrow. He joined the company in 1951 as financial vice president and director.

He was founding president of the Michigan State Chamber of Commerce and has been a member of the board of regents of the University of Michigan since 1964.

Walter R. Boris, formerly corporate secretary, has been elected vice president for finance upon Briggs' retirement. Boris of Jackson joined Consumers Power Co. in 1950.

Check-Verification Service Is Offered

A new system to provide immediate check-verification service to help retail merchants has opened in Detroit.

Called Comp-U-Check, the service calls for initial commercial operations in Oakland, Wayne, Macomb and Washtenaw counties.

Subscribing to the service will be large department stores, chain grocery stores, drugstores, banks and other businesses in the Pontiac area.

The system is based on a computerized pool of bad-check information obtained from subscribers, police, banks, business associations and other sources and keyed for instant reference to Michigan's permanent drivers' license numbering system.

★ ★ ★

An initial public offering of 300,000 common share of Comp-U-Check, Inc., was sold out after reaching the market at $3.50.

Dial Finance Co. Earnings Are Up

Dial Finance Co., with an office at 10 W. Huron, earned $831,723 for the first quarter of 1968 as compared to $693,162 for the like period of 1967, an increase of 20 per cent.

Net income per share was 18 cents as compared to 15 cents for the first quarter of 1967.

MAKE OVER PAGES

Mathis Eyes 'Line Busting' for AFL Team

MIAMI (AP) — Heavyweight boxer Buster Mathis, who fumbled a chance to be champion, says he wants to play fullback for the New York Jets of the American Football League.

"I've talked to the Jets and I know I can make it," said the 240-pound puncher.

The 23-year-old former sign painter said his credentials include three years as a tackle for the semipro Grand Rapids Blazers back in his home state of Michigan.

"I'm fast and I got all the moves," he said. "I can do the 100 in 10.9. I guess the drawback would be that I didn't go to college. I had to work."

Mathis said he wants to keep boxing, too, while planning a tryout with the AFL team this summer at the Jets' camp at Hofstra, N.Y.

To that end he will take on Cincinnati heavyweight Mel Turnbow in the 10-round feature tonight at Miami Beach Auditorium.

Turnbow, another 240-pounder, is the first opponent for the grid-iron hopeful since Joe Frazier draped him over the ropes in the 11th round March 4 in Madison Square Garden.

Foytack Is Star in Softball Debut

Former Tiger pitcher Paul Foytack made his debut in the Walled Lake Industrial softball league as the roving shortstop and his double with two outs and the bases loaded helped his subdivision team, Kimberly Lanes to an 8-7 victory.

★ ★ ★

It was opening day of the 14-team league and Kimberly was losing 7-3 when its rally started with two out in the bottom of the last frame.

In other league games Liberty Tool defeated Williams Research, 10-5 and Wixom Athletic Assoc. won over Big Boy, 11-0.

Wolves Howling

Clarkston extended its season record to 8-0 and chalked up its 19th straight tennis victory over two years by defeating Clarenceville, 5-0 yesterday.

CLARKSTON 5, CLARENCEVILLE 0
Mark Erickson (C) def. Ken Olsen, 6-3, 6-4.
Kirk Seattle (C) def. Bernie Kent, 6-1, 6-3.
Mark Griffith (C) def. Irv Shitman, 6-2, 6-4.
Tom Bullard-Kim Seattle (C) def. Rapanos-N. Everhard, 6-1, 2-6, 6-1.
Mark Waterbury-Dave Kelly (C) def. J. Hardland-G. Sealock, 6-0, 6-2.

May Designated for Water Safety

LANSING (AP)—Gov. George Romney has proclaimed the month of May as Water Safety Education Month in Michigan and urged all citizens to support the promotion of water safety and to obey the rules "that will assure their enjoyment of all water sports safely."

Falcons Fly on Links

Rochester ran its golf record to 3-2 yesterday with a 207-217 win over Kettering. Gene Bauer carded a 35 over the Bald Mountain course to pace the winners. Charles Patrick led Kettering with a 39.
