

Jordan Crackdown Spurs Arab Feuds

Jaycee Show Full of Ideas for Home

DO-IT-YOURSELF FAVORITES — The Junior Chamber of Commerce Home Improvement Show has just the things for the man of the house and his workshop. There is a booth showing the latest

in electrical tools like this saw being used by Martin C. Uley, of 117 Washington St. Watching the demonstration is L. Clare Uley, of 261 Ottawa Dr.

JUST WHAT SHE NEEDS — Mrs. Thomas Mook, of 4175 Grayton St., Waterford Township, inspects a new sink at the Home Improvement Show. Her husband looks on (at left) and the demonstrator is Curtis Thompson. The show will continue through Sunday night in a huge tent just south of Tel-Huron Shopping Center.

Don't Change Your Clock! Pontiac, Detroit 'Stay Put'

Pontiac will remain on eastern standard time Sunday as other parts of the nation advance clocks one hour for a switch to daylight saving time.

Robert A. Stierer, city administrative assistant, said Pontiac will not make the change. Detroit will remain on eastern time also.

Grocer Forgot 'Don't Disturb' Sign on Door

Firemen rushed in the inhalator truck to a S. Sanford grocery store yesterday afternoon after a citizen telephoned and reported the store was locked up and a man's motionless feet could be seen on the floor of the back room.

Hurrying to the emergency call, the firemen broke a window in the back of the building. They too saw the feet.

They belonged to the grocer who decided to close up shop and take a siesta. The crash of the breaking glass awoke the owner from his dreams.

New England Shaken

BOSTON (INS) — Eastern New England was shaken by an earth shock today, with tremors felt from Brunswick, Minn., to Braintree, Mass., and as far inland as Springfield, Mass., and Springfield, Vt.

Soo Traffic Backs Up

SAULT STE. MARIE, Ont. (U) — One hundred and fifty vessels swung at anchor today above and below the Sault locks as one of the worst fogs in the history of Upper Lakes navigation halted traffic on the St. Mary's River.

U.S. Will Urge Trial of Cairo Canal Plan

UNITED NATIONS, N. Y. (AP) — The United States agreed today to accept Egypt's Suez plan on a provisional basis, but reserved its final acceptance until the plan has been put to trial.

UNITED NATIONS, N. Y. (U) — The United States was expected to tell the U.N. Security Council today that it considers Egypt's new declaration on the Suez Canal not perfect but worth a trial.

U.S. Delegate Henry Cabot Lodge planned to report to the council on the month long U.S.-Egyptian talks climaxed Wednesday when Egypt sent its canal plan to the U.N. for registration as an "international instrument."

U.S. spokesmen said the United States did not plan to propose any action to the council.

They have also expressed belief that the debate would not close the door to further talks—and the hope that it might help to narrow the gap remaining between Egypt and the major Western nations.

A U. S. source said of the Egyptian declaration:

"We're not happy with it. We don't think it's as good as it could be—but it's a lot better than what we started with. We think it ought to be given a trial."

Informants in London said Britain—the canal's biggest customer—and the United States would seek some kind of council pressure on Egypt that would produce new negotiations and better terms.

France was reported holding out for a showdown. French Foreign Ministry officials in Paris described the Egyptian plan as "virtually unacceptable."

WITHIN LIMITS

The 1,000-word Egyptian declaration says President Nasser's government will respect the 1888 Constantinople Convention providing free navigation of the 103-mile waterway "within the limits" set therein—which Egypt interprets as authorizing her to bar Israeli shipping as a defense measure.

The declaration also says Egypt will operate the canal and collect the tolls but will heed the World Court or special arbitration tribunals in disputes and will welcome "cooperation between the Egyptian Suez Canal Authority and representatives of shipping and trade."

Chrysler Notes Best 1st Quarter

Earnings, Sales Soar as Smallest of 'Big 3' Surges Ahead

NEW YORK (U) — Chrysler Corp., smallest of Detroit's "big three," stepped ahead faster than either of its larger competitors in the race for sales and profits in the first three months this year.

Earnings skyrocketed to \$46,545,521 or \$3.34 a share—highest for any first quarter in Chrysler history and more than four times the \$10,905,722 or \$1.25 a share earned in the first three months last year.

Sales jumped to \$1,150,723,712, a record for any quarter, and topped the year-ago total of \$742,349,367 by 55 per cent.

The sensational gains announced by Chrysler yesterday compared with a modest advance in sales and a 7½ per cent dip in profits reported by General Motors Corp. earlier this week.

Chrysler's other "big three" rival, Ford Motor Co., scored a 30.5 per cent increase in its first quarter sales and an 11.3 per cent rise in earnings.

While Chrysler's first quarter volume measured in dollars set a new peak, the actual number of trucks and cars sold by the various (Continued on Page 2, Col. 1)

WHO'S WORRIED? — Concerned about the vaccination her dog, Honey, is about to receive is Cathy Barnett, 8, of Oklahoma City. Honey won't talk but the needle is a magnet for all eyes.

Downtown Boosters Get Ideas From Other Cities

Downtown Pontiac Assn. representatives have been visiting several Michigan cities recently seeking ideas as the association launches into the rejuvenation of the downtown area.

Five men, including A. C. Girard, president of the new association, this week spent a day in Grand Rapids at the invitation of Mayor George Goebel.

"We were very, very much impressed with what we saw," Girard said. "And I think we have some answers."

The other men who made the trip to Grand Rapids were Harold B. Euler, Harold L. Blackwood, John W. Hurlinger, and Nolan Heiden, member of the Oakland County Planning Commission.

Girard said that from this trip

and others to Detroit and Flint, will come suggestions for a program to be submitted "in a couple of weeks" to the association's Board of Directors.

The association was formed earlier this month to promote the welfare and to revitalize downtown Pontiac.

Girard said the Pontiac group was most interested in Grand Rapids' plans to reroute two interstate highways within a block of two of the "downtown loop," and a \$26 million bond issue to be voted on in June, half of which will go for development of a civic center there.

"They're voting a \$26,000,000 bond issue and some of the people around here are fussing about a \$4,500,000 issue needed badly to complete the hospital," Girard said.

Turbulent Weather Will Continue Here

The U. S. Weather Bureau has forecast more turbulent weather for this area.

Tonight will be warm, low near 60, with scattered showers and thunderstorms. Tomorrow will be cooler, high 74 to 78, with thunderstorms ending.

Several sightings of tornado funnels were reported yesterday and near Owosso a "baby tornado" crumbled a cement block building and destroyed a garage.

In Pontiac the mercury dropped 12 degrees, from 77 to 65, in less than an hour as a rainstorm approached, but again rose to the mid-70's when the sun reappeared.

Downtown Pontiac's lowest temperature preceding 8 a.m. was 58. At 1 p.m. the temperature was 78.

King Demanding Syrian Forces Leave Country

Withdrawal of Troops Would Be Grave Blow to Nasser's Leadership

CAIRO (U) — King Hussein's crackdown on his enemies in Jordan spurred intense dickerings today among his nominal Arab allies.

While Hussein's army apparently kept Jordan under tight check, neighboring Syria and Egypt were reported faced with the king's demand that Syria pull back the 5,000 troops it has in northern Jordan, ostensibly for protection against Israel.

Hussein already had accused his "brothers in Egypt" of stirring up the riots which brought on his declaration of martial law and total curfew yesterday.

Withdrawal of the Syrian forces would further threaten Egyptian President Nasser's leadership of

Moscow Has Her Say

LONDON (INS) — Radio Moscow charged today that "mass arrests of patriots were taking place all over Jordan." The voice of the Kremlin said "somber reaction reigned" in Jordan "with the support of the American imperialists."

The four-nation Arab alliance of Egypt, Syria, Jordan and Saudi Arabia.

But failure to pull out the Syrians risked a clash with Iraqi troops and perhaps the soldiers of Saudi Arabia's King Saud.

Syria's President Shukri Kuwatly and an Egyptian delegation were flying to see Nasser today after an urgent conference in Cairo. Where Nasser stands still was not clear, but both he and Hussein have taken a strong anti-Communist line and he has been reported backing Hussein in his crackdown on Jordanian extremist elements.

Meanwhile, the U. S. 6th Fleet sped toward the tense eastern Mediterranean in a show of strength, and the U.S. government accepted Hussein's avowal that "international communism" also was to blame for his troubles — an assessment that could bring American forces to the young monarch's aid if he asks for them. As yet he has not.

RESTRAINT ASKED
American diplomats in the Middle East were reported quietly trying to restrain Nasser's reaction.

Start Puzzle 47; You May Win \$500 Pot-O-Gold

So far as we know, no winning entries were submitted for last week's Pot-O-Gold puzzle, making the prize now \$500.

Of course, there may have been a winner in one of the 31 entries we received in envelopes, or among the 32 late entries. But since we don't check those, there's no way of knowing.

If you're interested in being the one to take home the loot, be sure your future entries are all on postcards and postmarked before the

2	3	6	8
9	12	13	15
17	20	22	23
26	27	30	32
33	35	38	40

deadline. You might remember, too, that if you use a puzzle blank from one week for the answers of the following week's puzzle, be sure to cross out the number and write in the new one.

In other words, if you're sending in puzzle No. 47 on the blank for No. 46, be sure to write in the correct number of the entry. Otherwise it will be thrown out.

Now start working on Puzzle No. 47 which appears on page 44. Be sure to check your answers for last week's puzzle with the correct answers above and with the explanations on page 43. It may help you with subsequent puzzles.

Fishing Season Opens Saturday

GETS TROUT LICENSE — Preliminaries for the opening of Michigan's trout and general fishing season Saturday found The Press outdoor writer Jack Patterson starting properly by buying

his fishing licenses. Jack was "signing up" for his permits with George Hawn (left) at Hawn's store. Jack will write a series of stories from the heart of the trout fishing area beginning Saturday.

Twister Hits Texas City

TYLER, Tex. (U) — A small tornado hit a residential section of this East Texas city early today, causing some property damage and injuring at least one person.

Nixon for President?

MERIDEN, Conn. (U) — John Roosevelt, youngest son of the late president, says he will make an effort to obtain the 1960 Republican presidential nomination for Richard Nixon.

City Manager, Industry to Confer on New Water Source

By GEORGE T. TRUMBULL JR.

Industry in Pontiac holds a key card in the city's search for a new water supply.

With this in mind, City Manager Walter K. Willman has scheduled a meeting April 30 with top industry officials, representatives of the Manufacturers Assn. and Pontiac's engineer-contractors to discuss the problem.

"I hope to get a little indication from industry on how interested they are in a

new supply," Willman said of the Tuesday session.

Mentioning that industry uses approximately 60 per cent of the city's water, the manager pointed out the uselessness of acquiring a new source without a guarantee that industry is interested in buying the water.

"It's got to be a teamwork deal right down the line," he emphasized.

He said industry too would feel the pinch of a dwindling water supply in Pontiac as the "water table" sinks about five feet a year.

Officials Tuesday will hear of the different alternatives the city

has in getting new water. One involves going to Detroit and another is the joining with private capital to bring the supply from Fort Huron.

Willman will brief those attending the session on a National Sanitation Foundation proposal that a metropolitan service area be born to serve a six-county Southeastern Michigan area. The source here would be Detroit.

Willman emphatically said he favored this plan. "I see down there an organization that has been in the water business for 100 years," he added.

He remarked that an Oakland-Macomb Authority had failed to "put down in black and white" its proposal.

Willman declined to comment on a report that Delos Hamlin, chair-

man of the Oakland County Board of Supervisors, was optimistic about a privately-owned pipeline to bring water to Oakland and Macomb Counties.

Representatives of the Bechtel and Co. firm of San Francisco are expected in Pontiac May 2 to discuss a \$70 million project further.

Hamlin and other officials recently returned from the West Coast where they conferred with Bechtel representatives.

This proposal has not been erased as a possibility, Willman stressed. "It such a reputable company like Bechtel comes in here and can sell water cheaper than Detroit, we naturally wouldn't overlook this," he said.

Willman declined to comment on a report that Delos Hamlin, chair-

man of the Oakland County Board of Supervisors, was optimistic about a privately-owned pipeline to bring water to Oakland and Macomb Counties.

Willman declined to comment on a report that Delos Hamlin, chair-

"Price certainly is not the only thing we'll base our decision on," the manager quickly added.

The price of water to the consumer under the Detroit plan must be ironed out before such a deal is entered into, he said.

Plan Tourists Guide

CLARE (U) — Secretary-managers of Michigan's four regional tourist associations are planning publication of a statewide official guide for accommodations and restaurants. The guide would contain listings of over two thousand and cottage resorts, hotels, motels and restaurants. The group met at Clare.

Highway Funds Facing Battle

Bill at Lansing Would Give Cities, Counties More, Roads Less

A bill that could bring hundreds of thousands of extra dollars to Oakland County communities — (but at the expense of state highways, Gov. Williams says)—was ready for debate in Lansing this afternoon.

On the one side, was a predominantly Republican group of Senators, supported by spokesmen for counties and cities.

On the other was Gov. Williams and his Democratic followers, plus probably a few staunch arterial highway advocates in the Republican ranks.

The main issue, was how much in state gasoline and motor vehicle weight fees that now go into state highway construction should be diverted to counties and cities.

The legislative group wants the figure to be about \$12 million. Williams has proposed \$5.5 million.

As the Senate bill was introduced and stood after debate yesterday, the state would get 44 per cent of road construction revenues, counties 37 per cent and cities 19 per cent. This is the formula that would provide an extra \$3 million a year for counties and an extra \$4 for cities.

Further amendments were expected to be proposed today to bring the bill more in line with the governor's thinking.

There is an identical measure in the House.

Chrysler Earnings Highest in History

(Continued From Page One)

Chrysler divisions was not quite up to the first three months of 1955, the industry's biggest year.

38 PER CENT GREATER

At \$20,880 units, factory sales of the corporation's Chrysler, De Soto, Dodge and Plymouth models were 38 per cent greater than the 305,661 cars and trucks delivered in the first three months last year. But they were 7 per cent below the 454,948 units sold in the first quarter of 1955.

The record high in dollar sales in the first three months this year reflected booming sales of optional "extras," Chrysler President L. L. Colbert said.

A "strong preference" among new car buyers for optional equipment such as automatic transmissions, power steering, power brakes and air-conditioning, he said, "is reflected in the dollar sales level in the first quarter."

Chrysler directors at a meeting here declared the usual dividend of 75 cents, payable June 13 to holders of record May 13.

Ground Is Broken for New Post Office

Ground was broken yesterday in Waterford Township for the new Waterford Post Office on Dixie highway near Andersonville road. The new building will be 26x78 feet and will be of cement block construction with a face-brick front.

According to Postmaster Mrs. Robert Amos, the building should be ready for occupancy by July 1. Joseph Long, Milford contractor, is doing the work.

New Zealanders drank beer last year at the rate of 21.8 gallons a head, Wellington reports. This beat the previous record of 20.7 gallons a head.

The Weather

Jordan Crackdown Spurs Arab Feuds

(Continued From Page One)

ing to prevail on all Jordan's neighbors to act with restraint.

Radio Moscow trumpeted that the United States was trying to behind-the-scenes machinations "to set up a Jordan government which would adopt the aggressive Eisenhower Doctrine."

Britain joined the United States in declaring that Jordan's independence is essential to Middle East peace, in effect an invitation to Hussein to call for help to save his crown.

But before declaring martial law yesterday Hussein said he did not need outside help.

The new government named by the King, under 69-year-old Ibrahim Hashem, placed a curfew on Jordan's five major cities and outlawed all 10 of the country's political parties. Though active, the Communists already were outlawed.

Bedouin troops—the hard core of the army that is loyal to the King—guarded city streets and were given control over the police. Barbed wire entanglements were strewn across roadways.

STAY IN HOMES

No one dared to leave his home without official permission. The curfew was lifted for two hours in mid-afternoon to give people a chance to buy food and go on necessary errands. Through loud-speakers the people were reminded constantly that they had to be home at the deadline. They hurried home as soon as they completed their purchases.

In Washington, American officials confidently predicted today that the anti-Western political uprising in Jordan will be crushed within 48 hours, largely because of the powerful U.S. show of strength.

They said that Communist and pro-Egyptian elements will be routed and Hussein, who forced the showdown by ousting leftists from his new cabinet, will emerge as the strong leader of the little kingdom. Responsible officials believe U.S. willingness to intervene in the crisis, made clear by the ordering of the atomic-muscle Sixth Fleet into the area, will deter any of Jordan's neighbors from attacking during the internal crisis.

Meanwhile, in Amman, the new Royalist government tightened security measures and named a military governor-general to coordinate the King's struggle with foreign and domestic foes.

Foreign Minister Samir Rifai, one of the pro-Western leaders named to the new cabinet yesterday, was understood to have summoned home all the Jordanian ambassadors to Arab states. Rifai presumably wants to brief the envoys on the anti-Communist policies of the new government.

Former Premier and Foreign Minister Suleiman Nabulsi reportedly was among the scores of alleged leftist and extreme rightists founded up by security police and Arab legionnaires.

Area Summer Band Program Announced

The summer band program for Waterford Township school students has been announced by superintendent of schools, William Shunk.

The program will begin June 24 and terminate August 2, and each student will be charged \$6 for the six-week course.

Students will have instrumental band training under the direction of Bruce Orr, Waterford Township school band director, and periodic concerts will be held at the high school. One or more outside concerts will be held in the evenings, Shunk said.

Officials estimate that more than one hundred children will participate in this self-supporting program.

Railroad Safety Gates Hearing to Be Monday

A hearing will be held at 1:30 Monday in Lansing to determine the necessity of installing safety gates at the South Saginaw and Wilson street railroad crossing.

City Traffic Engineer Theodore M. Vanderstempel will represent the city at the hearing before the Michigan Public Service Commission.

May Free \$1.5 Million for Building

Senate Passes Courthouse Bill

A bill freeing approximately \$1.5 million, accumulated by the Oakland County Board of Supervisors for a new courthouse, was passed yesterday by the Senate in Lansing.

The measure would allow supervisors to spend the money on a new building and, if passed by the house, was seen as a means to circumnavigate a law tying up funds.

Pushed by Sen. L. Harvey Lodge, of Drayton Plains, the bill would authorize counties, notably Oakland, to spend accumulated public moneys in public repair and construction projects which have been approved by voters.

Proponents of the supervisors' proposed new courthouse in the Telegraph road service center believed the legislation would silence charges of alleged budget padding and illegal transfer of surpluses to building funds.

A suit brought by the Oakland County Taxpayers' League last November made these charges, plus allegations the county could not legally move the courthouse from its present downtown Pontiac site.

A Circuit Court hearing tentatively is scheduled for May 12.

But if the legislation is passed before then, the suit may be left without legal grounds.

Lodge said the bill is retroactive affecting all of the \$1.5 million "and maybe more."

News Flashes

MT. HOLLY, N. J. (INS)—A Greyhound bus, en route from New York to Washington, upset early today after swerving onto a grass center island on the New Jersey Turnpike a mile south of the North Camden interchange. Eight of the 17 passengers aboard were treated and discharged at Burlington County Hospital in Mt. Holly. The other passengers were picked up by a bus sent from Philadelphia.

Wildcat Strikes Bring Layoff at Square D

DETROIT (AP)—The entire day shift was laid off at the Square-D Co.'s plant here yesterday in what the company described as a disciplinary move to stop wildcat strikes.

The one-week layoff of the 330 day shift production workers was announced after hourly rate workers walked out in sympathy with nine press department employees who were sent home for refusing to move materials from one shop to another.

The company said 500 employees on afternoon and midnight shifts would not be affected.

The Square-D Co., manufactures electrical controls and conduits. Officials of United Auto Workers local 351, which represents the Square-D workers, could not be reached for comment.

Detroit on Critical List After Fall Down Stairs

A 28-year-old Detroit man, Harold Johnson, of 15378 Inverness St. was on the critical list today at St. Joseph's Mercy Hospital after he reportedly fell down a flight of stairs.

Pontiac police report Johnny Powell, 486 Branch St., brought Johnson to the hospital unconscious yesterday about 2:30 p.m. Johnson suffered a fractured skull.

Police are investigating to find out where and how the accident occurred.

Man Guilty on 5 Counts, Fine Unpaid, Gets Jailed

Jack L. Giffin, 28, of 245 Nelson St., pleaded guilty and was ordered committed to the Oakland County Jail for 12 days after he failed to pay a \$49 fine for five traffic violations yesterday.

Giffin, who appeared before Municipal Judge Cecil B. McCallum, was arrested by Officer Forest C. Hatfield, on warrants charging an improper left turn; parking in no parking zone; blocking a driveway; parking on the wrong side of the street; and driving without an operator's license.

The comet was recorded by the U. of M. telescope at Portage Lake, near Pinckney. Prof. Miller, who made the photograph, said the bright area in the center is the comet and the two streaks are its two tails.

Prof. Miller said two tails are unusual in a comet. The brighter tail streaks away from the sun and the other towards it. Small dots which may be seen around the comet are stars.

Order Extension of 1-Way Streets

Pike to Be Westbound to Franklin; Feneley Ct. to Be Eastbound.

City Traffic Engineer Theodore M. Vanderstempel today announced two additions to Pontiac's growing one-way traffic system. Both become effective Sunday at 7 a.m.

The first change will extend the present one-way westbound movement of Pike street to Franklin boulevard. Today the operation stops at Williams street.

"This is in order to reduce the congestion at Pike and Williams and at Williams and Orchard Lake Avenue," Vanderstempel said.

The second change will convert Feneley court (south of Lafayette between Cass and Pine) to one-way eastbound traffic. The narrowness of the street and parking on it makes it advisable to make the street one-way, Vanderstempel explained.

Both changes were studied and approved by the traffic committee of the city, he said.

Turnpike Boost Passes Senate

Bill Now in House May Make Toll Road Bonds More Salable

A measure to bolster turnpike financing was passed yesterday by the Senate in Lansing and moved over to the House.

The bill would back bonds issued by the Michigan Turnpike Authority with funds from state gasoline taxes if turnpike revenues fell short.

The legislation was seen as a means to make bonds more attractive for the authority's proposed toll road from Detroit past Pontiac to Bay City.

Last summer, bonds went begging in the face of competing public roads announced in the planning stage by the State Highway Department.

But George N. Higgins, of Farmington, the authority's chairman, believes the bonds will be salable, with the guarantee of up to \$3 million behind them.

If the House passes the bill, Higgins thinks he can find customers. If it doesn't, however, the end to turnpikes in Michigan may be near.

Another group of legislators has urged stripping the all but defunct authority of its operating funds at the end of the fiscal year.

You can't sell the Brooklyn Bridge to some characters nowadays. They think they already own it. . . . Some husbands are so sloppy that the only time they even act tidy is when they order their whisky neat. — Earl Wilson.

Caught in Quest for No. 7; Confesses

CHICAGO (AP)—A 47-year-old machine salesman, who believes he has six wives but isn't sure, and planned to make it seven, was in jail today facing a charge of bigamy.

Two of the wives Warren L. Yemm has been living with met for the first time yesterday when they identified him in a police station as their husband. The two women exchanged no words. He stared silently at them.

"You see how difficult it would have been," he said, "if I married another at this time. Three wives in one town are too many."

One of the two current wives, the former Beverly Simmons, 31, a typist, said she still loved Yemm and would remain at his side.

But the other, the former Wilma Pyzik, 48, a clerical worker, said she wants a divorce and the late model auto she bought for Yemm. He will appear in felony court Monday on a bigamy charge brought by Wilma.

Yemm, a plain-faced man in a baggy blue suit, said he married Beverly May 26, 1951, and Wilma on Nov. 24, 1955. He said he managed to live with both because he told each his job took him out of the city frequently.

He was arrested Thursday after a relative of Yemm's next intended wife asked police to investigate him. Police said he recited a list of four other women he had married, and later left.

Yemm told police he married his first wife in Chicago in 1932 and divorced her in 1938. He and wife No. 4, Yemm said, were legally separated in Indianapolis in 1946. But there were no divorces of his other wives, Yemm said.

His second marriage was in Chicago in 1940; the third in Little Rock, Ark., in 1944; the fifth in Bloomington, Ill., in 1947, and before marrying his current wives, he was married in Chicago in 1948.

Yemm said he couldn't remember the family names of many of his wives.

The Day in Birmingham

Residents Mop Up After Noon Deluge Floods Area

BIRMINGHAM—A water-logged Birmingham swept and mopped its way back to cleanliness after a noontime storm dropped thousands of gallons of water on the area yesterday.

City Hall phones were kept busy as more than a hundred calls came through, reporting flooded streets and basements.

In many sections, sewers backed up, leaving water and dirt in basements, which had never been flooded before.

DPW workers said some furniture damage had been reported but that no estimates have yet been prepared.

Streets were filled from curb-to-curb in many areas. Drivers experienced some difficulty as cars stalled and brakes grew ineffective.

It was thought for sometime that it would be necessary to close off West Maple avenue, where the street goes under the railroad. One truck was stalled there but before barricades were erected, the water had drained to a safe level.

A Michigan Bell spokesman said all exchanges in the area had some trouble.

Occasional phone users found private lines had suddenly "turned into party lines" as drenched cables "overlapped" calls.

Harlan Ritz, speaking for Detroit Edison, said the area as a whole, had remarkably little power damage. The worst spot was Troy's 15 Mile — Dequindre section, where about 50 homes experienced a two-hour service interruption.

Anna Russell, 23, of 3514 Silverdale St., Pontiac received head cuts and an injured ankle in a crash at Telegraph and Long Lake roads this morning at 7:30.

Drivers of the cars were her husband, George, and Donald Sorrells of Detroit. Neither were hurt.

Birmingham Police report 53 accidents on city streets last month — a drop of 15 from a year ago.

Ten of the mishaps brought injuries to 12 persons. Both numbers nearly double the 1956 report.

Following too closely and right-of-way violations accounted for more than half of the accidents.

The May meeting of the Metropolitan Club Auxiliary for Birmingham and Bloomfield Hills will be held at the home of Mrs. Walter Leopold, Cranbrook road. Co-hostesses are Mrs. Ralph Bell, Mrs. Daryl DeVaney, Mrs. Milford Fuller and Mrs. E. F. Mulholland.

President Talks to GOP Workers

Party Members Tending More to Criticize Policy of Ike's Administration

AUGUSTA, Ga. (U)—President Eisenhower talks by telephone from his vacation headquarters today to party workers attending a New England GOP regional conference at Providence, R. I.

Of late some party members have been speaking out a bit more freely in criticism of Eisenhower administration policies—and a few have been directing complaints to the President himself.

There has been some criticism too from a few GOP members of Congress. Sen. Goldwater (R-Ariz.), for example, recently hit out at the administration's \$71,800,000 budget and at the Eisenhower concept of "Modern Republicanism." Goldwater has predicted the concept won't prevail.

Eisenhower has been mixing work and golf here since April 18 and now—barring a major emergency—it looks as if he will stay on until Tuesday or Wednesday.

One thing that might take him back to Washington sooner would be an even more critical turn of events in the Middle East.

He conferred by telephone twice yesterday with Secretary of State Dulles on the Jordan government crisis. After those talks with Dulles, who was in Washington, the State Department asserted that international communism is posing a threat to the independence and integrity of Jordan.

It was the second consecutive day this government has told other nations in effect, to keep hands off the tiny kingdom. Eisenhower said Wednesday they regard Jordan's independence an integrity as vital to American interests and world peace.

Barber Recalls Frank James; Dies at Age 89

DALLAS (U)—Barber Johnny Dickson, 89, who used to number outlaw Frank James among his regular customers, died yesterday.

Dickson, who worked at his trade until late last year, said in April 1956 he had cut his smoking down to nine cigars a day and hadn't had a fist fight in eight years.

The colorful old man started barbering at Paris, Tex., at 14, standing on a box to reach the tops of the customers' heads. He came to Dallas in 1887, when the town was far from tame.

He started working at the Bird Cage Barber Shop, so called because two canaries suspended from gilded cages sang for the customers.

One of the regular clients was a slim blond man with blue-gray eyes, Dickson often related. He would ride up to the shop on a handsome sorrel horse and simply drop the reins. The animal always waited for its owner, Frank James, brother of train robber Jesse.

James was quiet and didn't have much to say, Dickson remembered.

Barbershops have tamed down some, Dickson used to say. Then he'd relate how he won a horse and buggy in a barbershop crap game just before the turn of the century. "Couldn't get away with that sort of thing now," he'd say, with just a suspicion of regret.

Nine years ago he had his last fist fight. He said a youngster of about 4 spoke disrespectfully to him. They say at the barber shop Dickson knocked his opponent down three times and won the fight.

Collective to Collect

MOSCOW (U)—When final balances are struck, collective farmers of the Soviet Union will receive twice as much in advance payments per work day in 1956 as in 1955 Soviet official spokesmen claim. A part of this income is in farm produce.

PHS Band to Compete in Michigan Finals

The Pontiac High School Band will compete tomorrow against eight AA high school bands in the finals of the state contest at Ann Arbor.

The eight other finalists who qualified in district elimination contests are: Ann Arbor, Jackson, Roseville, Flint Central, Owosso, Midland, Benton Harbor and Muskegon.

Deaths in Pontiac Area

NORMAN F. BROWN

LAPEER — Service for Norman Franklin Brown, 35, of 3005 West Oregon St., who died Wednesday night, will be at 1:30 p. m. Saturday at Baird Funeral Home here.

The Rev. Raymond Lamb will officiate.

He is survived by his parents, Mr. and Mrs. Frank Brown and a sister, Mrs. John B. Sutton, all of Lapeer.

PETER W. LINCK

MARLETTE—Service for Peter W. Linck, 84, of 6342 Linck Rd., Burnside Township, was to be at 10 a. m. today in St. Mary Catholic Church, with burial in St. Mary Cemetery, North Branch Township.

Mr. Linck died Tuesday on his farm.

He is survived by his wife, Anna; two daughters, Mrs. Phillip LaLonde, Detroit and Eugenia Linck, Sturgis; three sons, William Linck, of Texas, Sybil, and Bliss, of Burnside Township; one sister and a brother.

JOHN F. FITZGERALD

John F. Fitzgerald, 59, of 280 Erie St. died this morning in Pontiac General Hospital after an illness of several months.

An employee of Briggs Mfg. Co., he was a veteran of World War I, a member of Odd Fellows and the Rebekah Lodges.

Besides his wife, Myrtle, he leaves his mother, Mrs. Michael Fitzgerald; a daughter, Mrs. Mary Beiler of Pontiac; two sons, John Bruno of Melvindale and Earl Bruno of Pontiac; four sisters and three brothers, all of New York.

Service will be at 1:30 p. m. Monday from Sparks - Griffin Chapel with the Rev. Henry E. Wroble of Calvary Baptist Church officiating. The Odd Fellows Lodge will be in charge of the Grave Service at Crescent Hills Cemetery.

MRS. EDWIN LEWIS MANLEY
Mrs. Edwin Lewis (Mabel) Man-

ley, 71, of 822 Corwin Ave., died this morning at her home. She was ill several months.

She was a retired employee of Wilson Foundry Corp. and a member of the Oakland Avenue United Presbyterian Church.

Surviving are two children, Leon C. Manley and Mrs. Florence L. Lehman, both of Pontiac; three brothers and three sisters.

Mrs. Manley's body will be at the Voorhees-Siple Funeral Home until Saturday morning. It will then be taken to the Oakland Avenue Church for service at 1 p. m. with her pastor, the Rev. Theodore R. Allebach, officiating.

Her body will be at the Walch-Bliss Funeral Home, Cedar Springs at 7 p. m. Saturday. Graveside service will be at 2:30 p. m. Sunday in the Elmwood Cemetery, Cedar Springs.

Local Medics Attend Public Health Parley

"Meeting Health Needs Through Joint Action" is the theme of the University of Michigan School of Public Health's third Citizens Public Health Conference held yesterday and today.

State and local health officials are among the 51 program participants. Some 200 public health officials are attending, including Howard Estes, superintendent of the Oakland County Convalescent Home, and Kenneth Gibson, D.D.S., of Birmingham.

Tot Killed on Road

MANISTEE — Jerry L. Leckrone, 1½-year-old son of Mr. and Mrs. Darrell Leckrone of Bear Lake was killed when he was hit by a car on a rural road near his home last night.

About 21 per cent of the atmosphere near sea level is oxygen content.

Crary 9th Grader Wins Regional Speech Contest

Carol Saul, ninth grader at Isaac Crary Junior High School, Waterford Township, placed first in the declamation division of the regional contest, sponsored by the Michigan High School Forensic Assn., yesterday at Howell High School.

She won a banner for her school and a dictionary. Carol is the daughter of Mr. and Mrs. Joseph E. Saul, of 4240 Roseberry Ct., Drayton Plains.

Civil Defense Plans Revised

Communication Set-Up Now Being Organized in Waterford Area

The civil defense plan in Waterford Township is being revised, and a new communication set-up is being organized, according to Louis Dorman Jr., township director.

Dorman has been making speeches at various organizations this week, and says that from questions asked from audience-participation discussions, people are still rather vague on what to do in case a tornado is sighted.

In a recent release from the federal Civil Defense Administration on disaster procedure, one of the most important rules to remember during a tornado, is to go down to the southwest corner of a basement, in the home, school, church or office building, Dorman said.

If driving an automobile, stop and go to the nearest ditch and lie flat. If there is a small tree available, get a good grip on the trunk and hang on.

Periodic drills have been required in schools, and according to Dorman, most of the children are better trained on tornado procedure than their parents.

Arthur Johnson, of the Oakland County Children's Home, is in charge of the Civil defense operation in the schools.

The Jayno Adams school P.T.A. is behind a move to create more active interest in civil defense operations, and establish a ground observer corps in Waterford Township. Mrs. John Mihalik is president.

Deaths Elsewhere

CORAL GABLES, Fla. — John F. Curry, 84, leader of Tammany Hall in the Jimmy Walker era, who quit politics after losing his Tammany leadership in 1934, two years after the forced resignation of Democratic Mayor Walker, died yesterday. He was born in Ireland.

DOVER-FOXCROFT, Maine — Miss Myrtice Oakes, about 77, wealthy sister of the late Sir Harry Oakes, British baronet who was slain mysteriously in 1943 in his Nassau, Bahamas, home, died yesterday.

FORT MEADE, Md. — Harry H. Whiteley, 75, publisher of the Dowagiac, Mich., Daily News from 1912 until his retirement last year, died yesterday.

CINCINNATI — Frank B. Koester, 51, public relations counsel and former promotion director for the Cincinnati Post, died yesterday.

SAN FRANCISCO — Elmore Thomson, 63, former president of the American Nurses' Assn., and onetime professor of applied sociology and director of health and nursing education at the University of Oregon's School of Social Work in Portland, died yesterday. She was born in Illinois.

PASADENA, Calif. — Dr. Arthur S. King, 81, retired physicist who pioneered research in spectroscopy, the analysis of light rays from the stars, head of the physics laboratory at Mt. Wilson Observatory from 1908 to 1943, died yesterday. He was born in Jerseyville, Ill.

John Campbell, who boasted that he had spent only one day of his life in school, died recently at Killmoonan, North Ireland, aged 101.

Williams, Taylor Join Bartlett, Hatcher School Rally Sees Crisis

LANSING — Gov. Williams will join with some of Michigan's top education leaders at an all-day rally here next Thursday to dramatize school pleas for more revenue.

"Financing the public education program at all levels is rapidly approaching a crisis stage," said Dr. Clair L. Taylor, State Superintendent of Public Instruction, in announcing the parley today.

Taylor, along with other school chiefs, has complained loudly that spending programs proposed by Republican members of the GOP-controlled legislature fall far short of school needs for the coming year.

The Republican budget was based on a "hold the line" tax policy, providing for increased costs of operating schools and colleges but proposing no construction starts.

Legislators have four more weeks to agree on a budget before they adjourn.

Appearing with Taylor and Williams as speakers at the rally in Lansing's Civic Center will be Lynn M. Bartlett, who will succeed Taylor on July 1; Dr. Harlan H. Hatcher, president of the University of Michigan; Everett Luce of Midland, president of the National School Board Assn.; and State Controller James W. Miller.

Taylor said the rally would focus attention on education's three major problems. He listed these as the need for:

St. Mary's Presents 15th Music Festival

Students of St. Mary's School, Orchard Lake, will present their 15th annual Spring Musical Festival at 7:30 p. m., Sunday, May 5, in the school auditorium.

Performing will be the nationally-known Schola Cantorum which will present Gregorian Chants, ecclesiastical and Polish poliphonic selections.

The Concert Band, College Choir and High School Glee Club will also participate.

A matinee performance for students will be held without charge at 2:15 p. m. May 4.

Leahy Freed on Bond as Drunk, Disorderly

James Daniel Leahy, 35, of 17 Allen St., was freed on a \$200 bond until arraignment in Circuit Wednesday.

Court May Charge of Drunk and Disorderly, Third Offense

Now! Amazing Reducing Agent helps you—

Reduce Without Dieting

Proved Safer and more effective by Doctors in Clinical Tests...NOW—
Sold WITHOUT Prescription.

Wonderful News! The amazingly safe, tested way to reduce, you've heard spoken about in whispers, at last approved for sale without prescription!
Yes, the same kind of safe, effective, reducing agent used successfully by thousands of doctors... tested successfully on thousands of patients... yours at last in Prescription 812.
Weight losses recorded show pounds the first week, pounds and pounds more the first month, actually up to 25 pounds or more in a reasonable length of time, without exercise, without doing a single unpleasant thing!

HERE'S DRAMATIC PROOF!

In Clinical tests conducted with the wonder ingredient contained in Prescription 812, these amazing weight losses were reported, in a reasonably short time:

Case History 1
Mrs. G. J. lost 25 Pounds!
Case History 2
Mrs. J. B. lost 20 Pounds!
Case History 3
Mrs. M. L. lost 18½ Pounds!

YOU'LL HARDLY BELIEVE YOUR SCALE!

You'll look better, feel better, have so much more pep and energy as ugly pounds disappear! What a wonderful feeling! Your friends will be amazed as pound after pound of ugly fat vanishes. It's all so easy... all so delightfully simple, you'll bless the day you first tried this marvelous reducing tablet!

HOW PRESCRIPTION 812 WORKS TWO WAYS AT ONCE!
Before each meal, simply take one tiny tablet, hardly larger than an aspirin. You eat, sleep, work, play just like any of your thin friends. And all the while, the amazing ingredients in new Prescription 812 go to work for you.

Prescription 812 is not an old-fashioned expanding pill that fills your stomach, not a sickening-sweet wafer! The tested, proven ingredients in Prescription 812 work two ways at once to help rid you of ugly fat.

1. Prescription 812 appeases your appetite more effectively than anything sold direct to the public. You still enjoy your food, but automatically you eat less and down comes ugly overweight.

2. Prescription 812 helps overcome gnawing hunger-pangs. Food stays in your stomach longer, thus helping to eliminate the major cause of those empty-stomach blues that make you overeat.

You lose ugly pounds and inches, safely, quickly, easily and you feel well, too, while those pounds are coming off!

The amazing principal ingredient in Prescription 812 has been tested in hospitals and clinics all over the United States. It has been used

successfully on vast numbers of overweight patients, and now for the first time ever, it is available to you without prescription!

So if you sincerely want to reduce, here is our offer!

GUARANTEE!
TRY AT OUR EXPENSE
DURING 10 DAY FREE TRIAL

The miracle reducing ingredient in PRESCRIPTION 812 was proven remarkably effective in one of the most dramatic tests in Medical History! Now you too can use PRESCRIPTION 812 for ten full days—at our expense! Almost immediately, you must start seeing amazing results—without suffering any discomfort, ill-effects or hunger pangs. Day by day you must lose weight, and as a result, look years younger... feel better and have more pep and energy than you've had in years! Under our 10 day Free Trial and Money Back Guarantee you can enjoy these marvelous benefits, or you will have tried PRESCRIPTION 812—AT NO COST TO YOU!

Nominated as Ambassador

Storms Follow McLeod

By International News Service

Scott McLeod, President Eisenhower's choice as ambassador to Ireland, has packed a lot of controversy into his 42 years.

Damned as a hatchet man for Sen. Joseph R. McCarthy by one segment of American public opinion, he has been praised as a fine, loyal American by another.

Even his boss, Secretary of State John Foster Dulles, has not been able to make up his mind about the boyish-looking McLeod.

Four years ago Dulles wanted to fire McLeod from his job as state department security chief because the young Iowan reportedly was going over Dulles' head to the White House in an attempt to block Charles E. Bohlen's appointment as ambassador to the Soviet Union.

DIDN'T ALWAYS AGREE
Yesterday, Dulles said, there was a time when he and McLeod "did not always see eye to eye about everything . . . (but) those days have passed; and I really think that he has done an extremely able job."

The controversy swirling around McLeod did not stop with the announcement that Eisenhower, on Dulles' recommendation, wanted him to be America's new envoy to Ireland.

Newspapers in the U.S., Ireland and Britain, denounced the appointment. Senate Democrats promised they would take a long look at the matter when it comes up for approval.

JOINED FBI
Shortly after World War II broke out, McLeod entered government service with the FBI following a stint as police reporter on the Cedar Rapids (Ia) Gazette.

Sent to Concord, N.H., in 1943 as a resident agent he met Sen. Styles Bridges (R-NH) and in 1945 became his administrative assistant.

In 1953, McLeod took the State Department security post with the determination to clean out the department. In the first year, some 300 employees were fired or quit while being investigated on

charges ranging from their political opinions to their liking for the bottle and their sex habits.

McLeod was accused of ruining the morale of the Foreign Service. In 1953 New York Republican Edward J. Corsi resigned as deputy administrator of the Refugee Relief Program after accusing McLeod of attempting to torpedo it. McLeod, graying and paunchy, lives with his wife, whom he calls "Pappy," and his three children in the Washington suburb of Bethesda, Md.

Head of Chicago's Schools Best Paid

CHICAGO (AP)—Benjamin C. Willis, superintendent of Chicago's public schools, Wednesday signed a new four-year contract making him the nation's highest paid school superintendent.

The contract provides annual increases until his present salary of \$30,000 reaches \$42,500. His present four-year contract ends Aug. 31 and under the new pact he will get a \$5,000 raise in the first year and a \$2,500 yearly pay hike in each of the three remaining years.

Willis' new salary will top the \$32,500 salaries paid superintendents in New York City and Los Angeles, said R. Sargent Shriver Jr., president of the school board. He said, however, the New York superintendent is eligible for an \$18,000 annual pension compared to \$3,200 in Chicago. He said Detroit pays its school chief \$30,000 a year and provides for a substantial pension.

Willis, who is 55, came to Chicago in 1953 from Buffalo, N.Y., where he was superintendent of schools. He previously had held similar posts in Yonkers, N.Y., and in Maryland.

The 347-year-old castle, Brownlow House in Lurgan, Erie, with 200 rooms, may become the town's civic center. It has been offered for \$94,000.

Son Is Killed Rushing to Injured Parents

CHATTANOOGA, Tenn. (AP)—Wilbert Albert Lee, 30, of Detroit, was hospitalized.

was killed when his car struck a bridge abutment near here yesterday. Another occupant of the car, Cloyse B. Yates, 31, of Detroit, was hospitalized.

Senators Quiz Union Bosses

Labor Chiefs Allegedly Plotted Against Workers in Long Island

NEW YORK (INS)—Long Island labor bosses who allegedly have conspired with management to the detriment of union members were summoned for closed door questioning in New York today by Senate racketeers.

Members of the Senate Rackets Committee hoped to elicit important information from officials of Long Island Operating Engineers Local 138 and a second labor organization merely identified by spokesmen as "another union."

Chairman John McClellan (D-Ark), who last night warned that continued, unchecked labor racketeering could lead to a "gangsterism economy in America," was slated to preside over the one-day executive session in Foley Square.

Committee Counsel Robert F. Kennedy told newsmen, meanwhile, that the pending public investigation of "dummy" unions in the big city has been complicated by a federal judge's decision to try labor racketeer John Dioguardi on May 26.

Dioguardi, known as Johnny Dio, will go on trial for the acid-blinding of labor columnist Victor Riesel about the time the committee hoped to call him in its probe.

Kennedy explained the trial will "affect the presentation" of evidence in the pending committee session because it will be impossible for Johnny Dio to appear before both the senators and the federal court.

The attorney added, however, that the committee will go ahead as planned, even though Dio may have to be summoned at the end of the investigation rather than at the beginning. The committee has not announced a date for opening the New York hearings.

Kennedy said today's closed-door session was not a preliminary to the probe of "dummy" or "paper" locals which union bosses used as vehicles to provide themselves with votes in parent labor organization. McClellan told the American Newspaper Publishers Association last night that union corruption "must not be permitted to continue."

He pledged continued exposure

of wrongdoing in the labor-management field as a means of "correcting and eliminating the evils that now prevail."

McClellan said his committee has been materially aided in its probe by newspaper reporters, including Clark Mollenhoff of the Des Moines Register and the Min-

neapolis Tribune; Wallace Turner and William Lambert of the Portland Oregonian; Ed Guthman of the Seattle Times; and other newsmen, including reporters for the wire services. He said the Scranton, Pa., Tribune and the Scranton Times have also greatly assisted the investigation.

Monroe Girl, 3, Dies

MONROE (AP)—A 3-year-old girl was killed when she darted from behind a parked car into the path of an aut in front of her home. The victim was Deborah Jean Hagen, daughter of Mr. and Mrs. Arnold Hagen of Monroe.

Covers Boats, Liquor, Alcoholics

House Passes on 62 Bills

LANSING (AP)—Bills dealing with air pollution, alcoholics, boats and dozens of other subjects poured out of the House in a torrent yesterday as another deadline in the legislative timetable closed in.

Starting at 9:30 a.m., members worked straight through till nearly midnight with three hours out for lunch and dinner.

At adjournment, 62 bills and one resolution, roughly one-fourth of the output of the year so far, had been approved and passed on to the Senate. Eight other measures were moved up for final action today, leaving 29 bills still to be approved or rejected in the lower chamber.

Except for those involving taxes or appropriations, bills not acted upon today in the house of origin die automatically.

Approved by a 76-19 vote was a bill which would cut the discount rates the state gives on liquor bought by retail distributors. Its sponsor Rep. Don R. Pears (R-Buchanan), estimated the plan would bring an additional million dollars annually to state coffers.

Under the bill, Specially Designated Distributors (SDDs) doing an annual business of more than \$500,000 would get only a 5 per cent discount on their liquor purchases, rather than the present 10 per cent. Smaller business would take a lesser cut and those having a volume of less than \$100,000 would get the full discount.

Another bill getting an overwhelming House okay would provide that 5 per cent of money taken in from retail liquor fees

be used for treatment of alcoholics. Earlier, House members stripped the measure of an amendment which would have made it compulsory for alcoholics to undergo treatment at an institution.

A resolution adopted and sent to the Senate would commute the death sentence of bills on which no action has been taken during legislative sessions falling in an odd numbered year.

The resolution, proposed as an amendment to the constitution, would provide that such bills be carried over to the following session, when elected members would be serving in the second year of their two-year terms.

If approved by the Senate, the proposal would go before the voters in the November, 1958, general election.

Another resolution which met with defeat would have authorized the governor to propose changes in the organization of state agencies within 30 days after the start of the session. They would take effect automatically 90 days after final adjournment if members did

not disapprove them in the meantime.

Drunk and reckless boat drivers would be banned from the water for up to two years under a "boat traffic code" which was approved 83-8. The measure is aimed at controlling reckless boating on all the state's waterways.

It also prohibits night water-skiing, sets the extent of liability of boat owners involved in accidents and authorizes the Michigan Waterways Commission to provide penalties and set up regulations.

Among other bills approved were those to:

Authorize the State Health Commissioner to set up regulations to control pollution of air in industrial areas.

Permit "by the glass" liquor retailers to give away potato chips, pretzels, cheese and crackers with their drinks.

Prohibit false advertising of meat and meat products.

Remove the ceiling on the amount of money counties and municipalities may spend to build and operate armories.

Pontiac Optimists Choose Officers

The Pontiac Optimists Club Tuesday elected new officers at its luncheon meeting.

Gay Hefington, was elected president to succeed Harold Davis who, as past president, will be. Other officers are: Buhl Burt, come a director, first vice president; Leon Bigger, second vice president; Roland Smith, secretary treasurer; and Gerald Stark, sergeant-at-arms.

Chosen to the board of directors were Robert Bradley, Dr. Ernest Denne, Tom Hruska, Rev. William The new officers will be installed July 1.

Proposes U.N. Make 14 Minimum Marriage Age

UNITED NATIONS, N.Y. (INS)—The U.N. Economic and Social Council has called on one of its subcommittees to begin a study on making a global law setting 14 as the minimum age of marriage.

Dominican Ambassador Miss Minerva Bernardino proposed the motion, unanimously adopted by the council, that the U.N. commission on the status of women study the advisability of establishing a minimum age for marriage.

Williams Hits GOP Budget 'Economies'

LANSING (AP)—Gov. Williams says recommendations of Republican budget-makers would short change the State Banking Department, Corporation and Securities Commission and other regulatory agencies.

Their expenditure proposals for 1957-58 have denied the where-withal to hire new bank examiners to keep tabs on increased numbers and size of banks in the state, the Governor said.

"The Corporation and Securities Commission will fall farther behind in its already overloaded work schedules, but GOP leaders apparently couldn't care less," he said.

In 19 regulatory areas, he said, the Republican spending recommendations call for a "penurious \$8,093 increase, or 1.02 per cent, over present appropriations."

"It will be impossible to serve the public adequately at this budget level," he said.

Postal Clerks Push Drive for Pay Hike

Local 1766, National Federation of Postal Clerks, met recently at the Pontiac Post Office, to promote gressmen urging favorable adoption of a letter-writing campaign to combat bills to raise postal employees pay.

Major speaker was Harold Wright, of the Pontiac branch of the National Assn. of Letter Carriers, who reported on a recent seminar in Kalamazoo on the pay problem.

The clerks elected the following as delegates to the state convention May 24 and 25 in Lansing: President Robert Hukka, Robert Sigler, Dorothy Dugas and Morea Timney.

Argentine, German and American firms are expected to bid on Argentina's "Plan de Reactivation" for its oil industry, Buenos Aires reports. It has four main projects including oil pipelines and gas pipelines.

Cold Kwik Compound guarantees a FRESH, CLEAN SWEATER within 9 minutes or DOUBLE YOUR MONEY BACK

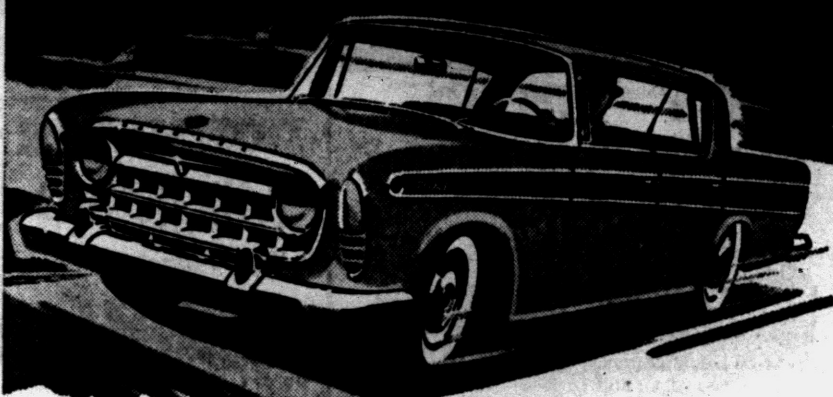

Go to your nearby S. & S. Krups store and buy a box of the sensational new CEC... a cold water cleanser for your sweaters. Try it now, on the whole lot if you wish. Then, if you don't agree that CEC is the best cold water cleanser you've ever used, regardless of price, in 90 full-size sweaters... for only \$1. Best of all, after CEC there's no need for boarding or rubbing.

HERE'S HOW SIMPLY CEC WORKS: Dissolve one CEC packet into a basin of cold water. Soak and squeeze the garment through the mountain of suds until all dirt disappears. Rinse in clear cold water, spread on a towel, and let the sweater dry by itself. Simple! You bet! Guaranteed by Cold Kwik Compound, as well as by us, you know you're getting a safe. Pick up a box of CEC now for \$1 at your Krups store, and try it. We can make this deal even better: after because laboratory tests prove every claim we make, and then... so get CEC now. Bob Considine Says:

Ike Doctrine Leaves Much in Doubt

NEW YORK (INS) — Some of the most collected at Random, a suburb of Allentown, N. J., only way the Eisenhower Middle East doctrine can take firm shape in the minds of the American people and perhaps even the government itself would be for some oppressed ruler like King Hussein of Jordan to look to the White House and yell, "You promised, no more help!"

The doctrine is being interpreted in more varied ways than the Dean's Sea scrolls. Some senators feel that it finds its aid in any government which is beset by outside forces and needs for help.

Whether the forces must be primarily identified as those of the Soviet Union, still others believe that the doctrine is pushed out of the Eisenhower policy by pro-Soviet Arab, Egyptian, and Russian arms, and calls for help, how one can see it to not Soviet aggression.

Under the Eisenhower-cut plan for help, the doctrine may take on the air of a "strategic" effect which is completely without really being understood.

Such a doctrine is now in effect in regard to Quemoy and Matsu, the two Nationalist islands off the Chinese mainland which the Red

Chinese once threatened to invade by the next edition. We never specifically said we would fight if the Reds made their move. But we never said we wouldn't, either.

The Chinese Reds have never moved. With decades of work remaining to alter half a billion people to Communist slavery, the Chinese Red leaders have preferred to believe the latter.

CAUGHT IN BOO-BOO

Always happy to catch Nostradamus in a boo-boo.

The foremost interpreter of the gobbledygook of the 16th Century seer, Henry C. Roberts, has doped out that Nostradamus predicted the great fire of London, the exact date and circumstances of the French Revolution, the fall of Japan, World Wars I and II almost to the day, the American Revolution, radio, TV, submarines, autos, planes, the A-bomb and the rise in time of "The Man of Iron" and "The Man of Steel." (Eisenhower means man of iron, more or less, and Stalin, meaning "made of steel," was the nom de rewolt of Josef Djugashvili-Vissarionovich.)

Anyway, a nice lady who keeps clippings sends me one of mine from nearly a decade ago in which Roberts had his tiger predicting:

"By 1952 there will be a war in

full bloom between the United States and the rest of the world, which will be forced to fight for Russia. It will be initiated by a tremendous explosion of a cosmic nature' on the 48th parallel.

"It will continue sporadically until 1999, after which the survivors will form a world government that works and peace and plenty will reign supreme from 2000 to 3797 A. D."

Well, the old boy came within 10 degrees of the correct parallel

New Alma College President Installed

ALMA (AP) — Dr. Robert D. Swanson was formally inaugurated president of Alma College Wednesday before an audience of 2,000 at the Alma High School gymnasium.

In day-long ceremonies, some 60 representatives from Michigan colleges and universities heard Dr. Swanson emphasize the 700-enrollment college's program in liberal arts education.

Dr. D. Elton Trueblood, professor of philosophy at Earlham College, Richmond, Ind., delivered the inaugural address. He stressed the role a small church-supported college such as Alma plays in promoting a sense of close relationship and common fellowship.

for trouble in the early 1950s. But he seems (or his interpreter seems) to have booted the rest of the guesses.

BACK INTO SHAPE

In response to a number of requests we are repeating, as millions of American men prepare to get back in shape for the summer season, the immortal creed of Satchel Paige—a great and persecuted man who strolled through the major leagues on the way to pick up his social security:

- 1.—Avoid fried meats which angry up the blood.
- 2.—If your stomach disputes you, lie down and pacify it with cool thoughts.
- 3.—Keep the juice flowing by jangling around gently as you move.
- 4.—Go very light on the vices, such as carrying on in society. The social ramble ain't restful.
- 5.—Avoid running at all times.
- 6.—Don't look back. Something might be gaining on you.

We recommend all these to the gentlemen who in time will meet in solemn acrimony and discuss al-

terations in the United Nations Charter.

Be odd if the printer sticks a "e" in the middle of "alterations." We've had some trouble with composing rooms in the past, where U.N. was concerned.

A Lynchburg (Va.) printer once had me calling the United Nations the United Nations . . . and there have been many times since when the typo gave one pause, let us say.

Cabinet in Finland Quits Under Fire

HELSINKI (INS) — The cabinet of Finnish Premier Karl A. Fagerholm, under heavy fire because of its internal economy program, resigned yesterday.

Fagerholm had been premier for 13 months but his position was badly shaken in February when six Agrarian Party cabinet members resigned in protest against a cabinet majority's decision to cut milk prices.

Members of the Pontiac YMCA's Phalanx Club experiment with dry ice which will provide the atmosphere for their 16th annual dance Saturday at the YMCA. The theme this year is "Midnight Mist."

Left to right are Jim Livingstone of Oneida road; Bob Clapp of South Johnson avenue, dance chairman; John Osler of Garland avenue, Sylvan Lake, and Emmanuel Williams of Cherokee road.

Child Culture Club Welcomes New Members

Mrs. Walter Johnson and Mrs. William Thiede were welcomed as new members of Child Culture Club at the Thursday meeting held at the home of Mrs. Charles Tuson of Rowley street.

Topic of the evening, "Playing in the World," was presented by panel members, Mrs. Owen Rindfusz, Mrs. Neil Nelson and Mrs. Charles L. Bowers. Mrs. Dale Swanson, Mrs. Robert Benedict, Mrs. Floyd Blanz, Mrs. William Brannack and Mrs. Jarmo Sarto presented reports on the state spring planning meeting held recently at Linden.

Following the business meeting, members enjoyed a box social.

Pontiac Toastmistresses to Assist With Convention

Pontiac Toastmistress Club will assist the Detroit Toastmistress Clubs in hosting the regional convention to be held at Hotel Statler in Detroit May 17-19. Mrs. W. A. Vernon is serving as convention program chairman.

Mrs. George Gaches was elected voting delegate to the convention, with Mrs. Sidney Olson serving as alternate.

Plans were completed at the Tuesday evening meeting held at Hotel Waldron, with Mrs. Vernon acting as toastmistress. Helen Lapsch was awarded the Oscar for the table topic speech.

Speakers on the program were Mrs. Gaches, who talked on "Exposure"; Gertrude Foley, whose topic was "Gardens in the Sky,"

Over-Devotion to Children Can Mean Failure as Wife

Do You Cheat on Attentions to Mate in Order to Do Youngsters' Work?

By RUTH MILLET
Can a woman be too devoted to mother to be a devoted wife? She can and she is it—She refuses to leave the children, even for a weekend, to go on a brief holiday with her husband.

She is so busy waiting on the children hand and foot and doing things for them she should have taught them to do for themselves that she greets her husband every evening with complaints how tired she is.

She neglects her own wardrobe in order to buy the children more clothes than they need and, therefore, never has "a thing to wear" when her husband wants to take her some place.

She is so sure that she knows what is best for the children that she pays little or no attention to her husband's ideas on how they should be brought up.

HANGS ON WORDS

She is a much more attentive listener when her children are telling her about their problems than when her husband is trying to talk to her about his.

When her husband wants the children to be responsible for certain chores and yard jobs, she pleads that they are only "young ones"—so her husband has to do, after a hard day's work, the jobs the children are old enough to be doing themselves.

She is so determined that her children will have "every advantage" that she doesn't seem to care how hard her husband has

to work in order to provide them with all those so-called advantages.

She insists that the children go everywhere she and her husband go because she "worries so" if she is away from them.

Miscellaneous Shower Given for Bride-Elect

Margaret Cunningham, bride-elect of Gavin Morrison, was honored at a recent surprise miscellaneous shower. Mrs. Robert Cunningham was hostess in her home on Joliet avenue.

Margaret, daughter of Mr. and Mrs. Peter Cunningham of West Lawrence street, will exchange vows with Gavin on June 1 in All Saints Episcopal Church. He is the son of Mr. and Mrs. John Morrison of Detroit.

The bride-elect chose this occasion to announce her bridal party. Lois Hahn will serve as maid of honor and Mrs. Guy E. Bennett of Milwaukee, Wis., will be her other attendant.

Gavin has asked his brother, James Morrison, to serve as best man. Seating the guests will be another brother of the bridegroom, John Morrison Jr., and Irvin Robertson.

Egg Mixture Cooked as Salad Base

Mrs. McMillon Varies Kind of Fruit Added to Recipe

By JANET ODELL
Pontiac Press Home Editor
This rich fruit salad can double as a dessert. The first part of it is cooked, the other part chilled. You can vary the flavor by changing the fruit you use, or omitting the nuts.

Mrs. Henry McMillon is today's cook. She has three children ranging from one year to fourteen. They keep her so busy that her main interest most of the time, she says, is getting enough sleep. She does like to crochet.

RICH FRUIT SALAD
By Mrs. Henry McMillon
2 eggs
3 tablespoons vinegar
4 tablespoons sugar
1/4 pound butter or margarine
Cook first three ingredients until thick, stirring constantly. Add butter or margarine. Let cool.

Drain a number 2 can of fruit cocktail and a number 2 can of sliced or chunk pineapple. Add to first mixture when cooled. Add also a 3-ounce jar maraschino cherries, drained; 3 sliced bananas; half a cup of marshmallows and half a cup of nuts.

Whip one-half pint cream, add two tablespoons sugar and one teaspoon vanilla. Fold into first mixture. Chill in a bowl for 24 hours. Serves 10-12.

Beauty Hint

Here's a make-it-yourself hand lotion for do-it-yourself gardeners. Soothe raw and roughened hands with a lotion made of two ounces of glycerine, three ounces of good quality witch hazel and two ounces of rosewater.

Beauty Hint

If you're going to tint your gray hair to its color in your youth, make it a softer version of the shade your hair once was. Otherwise, it could be aging.

White Sox Hustle Way to Top of AL

By THE ASSOCIATED PRESS

Are the Chicago White Sox just off on their usual spring sprint, or has new Manager Al Lopez got the hustling to go the distance? Either way, nice-guy Lopez—only manager who did not concede the American League pennant to the New York Yankees in spring training—has the White Sox off and flying with a 6-1 record and a half-game edge over the Yankees for first place.

To do it, Lopez has mixed speed ("fastest team I've seen in my 14 years as a manager," says Kansas City boss Lou Boudreau), great defense, youth and so far successful position shifts to win both the neat, close ones and the messy slugfests.

The Sox padded their slim lead with a 9-4 victory over the Detroit

Tigers yesterday in a three-hour

tussle that had 29 hits, 11 doubles and 25 stranded base runners. The Yankees were idle.

In the other AL games, Boston's Ted Williams—off to an unusually fast start—banged a two-run double and two singles for a 3-for-3 day for a .455 batting average, as the Red Sox bagged Washington 12-7; and the Cleveland Indians untroubled the Kansas City A's,

who had won three in a row, 5-3.

Only one National League game was played with the Cincinnati Redlegs pairing six hits with four errors to defeat Chicago's Cubs 6-3 for their fourth consecutive victory and a .500 percentage. Brooklyn and the New York Giants were scheduled, but rained out.

Despite 16 hits, six of them doubles, the White Sox had some trouble making the Tigers swallow their third defeat in a row. They finally got the job done with Nelson Fox chipping in two doubles and a single (putting him second in the bat race with .423), Minnie Minoso and Bubba Phillips each driving in a pair of runs and Phillips and Jim Rivera both getting three hits, with a double for each.

Williams, who picked up three walks, was just one of the boys for the Red Sox despite his great day. The Sox tagged 15 hits off five pitchers as George Susce, making his first 1957 appearance, won it with three-hit relief work over 5 2-3 innings. He came on in the fourth, when Clint Courtney's two-run homer disposed of starter Willard Nixon, and didn't allow a hit until Courtney tripled with two out in the eighth.

The Indians got past the A's with a three-run seventh against Wally Burnette. A two-run double by Vic Wertz did the damage. Gus

Zernial's two-run homer chased

Early Wynn in the eighth, but Ray Narleski then nailed Wynn's first victory.

Ernie Banks had two of the Chicago errors, which provided three unearned runs for the Redlegs. Don Hoak drove in three Cincy runs, two with a double, as Brooks Lawrence won his first. Dick Drott lost it.

Ray Giver JH Jumper Shoes Off Own Feet

Hudson (Goose) Ray, 6-6 state

champion high jumper, all-Saginaw Valley cage star, has just

added another title—one, however, that never will get into the record books.

The other day, working with

other PHS trackmen at a junior high meet between Lincoln

and Washington schools, Ray

noticed Charley Kimbrell, Lincoln high jumper was jumping

barefoot. Charley had never

owned a pair of "spikes."

Kimbrell was having trouble getting

over the bar at five feet.

Without a word, the big Chief,

a 6-5 jumper, slipped off his spiked shoes, handed them to Kimbrell. Charley then went on to

win.

Ray refused return of the shoes

after the meet, and thereby became more than a champ to Charley. Kimbrell is a 6-4 lad, and

has hopes of one day following in Ray's footsteps—the shoes fit perfectly!

Berrios Is Favored

WASHINGTON (AP)—Miguel Berrios and Hogan (Kid) Bassey, a

pair of rugged mites, clash tonight in the next-to-last bout of the world featherweight championship.

Berrios was the overnight favorite at odds up to 2-1.

Around the Prep Front

By CHUCK ABARE

Two brilliant pitching performances and another Bloomfield Hills

golf victory highlighted yesterday's area sports card which was

dwindled considerably by heavy rains. The few events staged were

hindered by wet grounds.

Clarkston and Clarenceville made

it known they will be strong contenders for Wayne-Oakland diamond honors with easy loop triumphs.

Veteran righthander Dave Gaddis

hurled two-hit ball and fanned 17 as the Wolves made up

for an opening setback by tripping winless Brighton, 3-0. Outch

hits by Jerry Wilmot and pinch-hitter Doug DeGraw paced the

visitors along with the defensive play of catcher Leroy Parks.

Clarenceville's Wellman held

Bloomfield Hills hitless losing a shutout on a wild throw in an easy

12-1 victory. He was able to coast to the win after his mates got all

12 markers in the 1st two frames. Baron backstop John Leslie came

up with the play of the day when he made an unassisted double play.

He caught a popup down the 1st base line, and stepped on the bag to

double a runner.

The Bloomfield Hills golfers

made up for the bad day on the baseball field with their 3rd

straight triumph. The final count was 186-207 over West Bloomfield

at Edgewood Country Club.

Bud Badger was the medalist

with a 37 with teammate Bob Thompson finishing with 45. J. Shaw

topped the losers with 47. West Bloomfield is now 1-2.

Northern Oakland County sports

followers are excited about Ortonville

shot putter Bill Wallerman who has been making a habit of

setting a new school record every time. His latest was a heave of

43 feet, six inches last Tuesday in a triangular meet against Imlay

City and Millington. Ortonville finished 2nd.

Today's area schedule weather permitting is as follows:

Baseball

Walled Lake at Waterford Farmington at Southfield

Van Dyke at Berkley Fernalde at Hamtramck

Clawson at Avonlea Walled Lake at Howell

Brighton, Holly at Millard Southfield at Fernalde

Northville at Oak Park Berkley, Rochester at Van Dyke

Kennedy at Cranbrook Bay City at Pontiac

Fitzgerald at Oak Park East Detroit at Oak Park

Fitzgerald at Oak Park

Clarenceville at Brighton

National Ski

Champion Dies

in Auto Wreck

COLBYVILLE, Vt. (AP)—Billy Woods, 18-year-old junior and

senior national skiing champion in 1956, was killed early today when

his car hurtled off the Stowe-Waterbury Highway.

State police said Woods was alone in the car, apparently on

his way back to his home in Waterbury from Stowe.

Woods, a Waterbury high school senior, was scheduled to be graduated in June.

Woods placed 10th in the American International ski races at Stowe last month. He was the

third American across the finish line.

He was selected as a member of the American FIS Alpine team which will compete in the world championships in Austria next

winter.

No. 7 for Celtics

SAN FRANCISCO (AP)—The Boston Celtics won their seventh

game in 11 starts over the NBA All-Stars last night, 119-113.

Celtic Bill Sharman led scorers with 24 and Bill Russell, working

his dunk shot, was next with 22.

On the other side Dolph Schayes of the Syracuse Nationals had 20

and George Yardley 19.

Wins Calder Trophy

Regan Named Top Rookie

MONTREAL (AP)—Boston's Larry

Regan, 26-year-old center, today

was named winner of the Calder Memorial Trophy as the outstanding

rookie of the 1957 National

Hockey League season. He also

will receive \$1,000 in cash.

Regan, top scorer among all

league rookies with 33 points,

drew 107 points out of a possible

180 in balloting conducted among

hockey writers and broadcasters in the six NHL cities. Toronto

goalie Ed Chadwick, who was the

leader in the voting at the halfway

point of the season Dec. 31, was

second.

To better evaluate performances

the writers and broadcasters vote

twice annually, first at mid-season

and again at the end of the campaign.

Billy Dea, a Detroit forward,

was third in the voting, in which

points are awarded on a 5-3-1

basis. Other point totals among

the league's freshmen were

Forbes Kennedy, Chicago, 33;

Pierre Pilote, Chicago, 20; Don

Simmons, Boston, 19; Elmer Vas-

ko, Chicago, 17; Jack Bionda, Bos-

ton, 4; Billy MacNeill, Detroit, and

Barry Cullen, Toronto, one each.

THAT was no exaggeration.

With seinfelds carded today,

Hyndman, 41-year-old Abington,

Pa., insurance man had played

the best golf of the week as he

prepared to eat 33-year-old Bill

Capbell of Huntington, W. Va.,

another insurance man, in one of

the 18-hole matches.

The other paired Hillan Rob-

bins, Air Force second lieutenant

list a n d defending champion,

against Dr. Bud Taylor of Poon,

DAYTON BOWLERS

Second in WIBC

DAYTON, Ohio (AP)—The Longo's

team of Dayton has taken over

second place in the championship

team division of the Woman's International Bowling Congress

Tournament here after rolling

2,650 last night.

Still leading the division are the

Olympians of Chicago Heights, Ill.

with 2,737. In third place are the

Dayton, Ohio Stokers, who shot

2,631 last night, followed by Pad-

dock Pontiac of Dayton, with 2,614.

The division is limited to teams

with 750 or higher averages.

New York, 8.

Selling Lowers
Grain Futures

CHICAGO (U) — Fairly active selling pushed grain futures prices downward slightly today on the Board of Trade.

Losses in practically all cases were confined to fractions. A depressing factor in wheat was a report that the government is selling wheat from its mothball fleet.

Profit-taking sales caused soybeans to turn downward slightly. Soybean oil also was lower in early trading.

Near the end of the first hour old type wheat was $\frac{1}{4}$ to $\frac{1}{2}$ lower. May \$2.23; new style wheat was $\frac{1}{4}$ to $\frac{1}{2}$ lower. July \$2.10; corn was unchanged to $\frac{1}{4}$ lower. May \$1.28; oats were $\frac{1}{4}$ to $\frac{1}{2}$ lower. May 70; rye was unchanged to $\frac{1}{4}$ lower. May \$1.26; soy beans were $\frac{1}{4}$ to $\frac{1}{2}$ lower. May \$2.41; and lard was 5 to 13 cents a hundred pounds lower. May \$13.67.

Lawyer Seeks
Scott's Release

Attorney to Ask Court for Habeas Corpus Writ to Block Extradition

DETROIT (INS)—Counsel for L. Ewing Scott, ordered extradited to California to stand trial for murder, grand theft and forgery, was expected to seek his client's freedom today on a writ of habeas corpus.

Michigan Governor G. Mennen Williams ordered Scott removed to California yesterday.

However, attorney Gabriel Cohn said earlier he would file a habeas corpus writ in Wayne County Circuit Court to block the action.

Cohn said he would carry his battle against Scott's extradition to California to the Michigan Supreme Court if necessary.

Scott, seized at the Detroit-Windsor, Ont., border April 15, has been indicted in California for the murder of his wealthy socialite wife, Evelyn Throsby Scott, who vanished almost two years ago. He also has been accused of grand theft and forgery in connection with her \$600,000 estate.

Gov. Williams said Cohn's main argument at the extradition hearing was that Scott "could not receive a fair trial in California."

"However," Williams declared, "no testimony in support of this contention was offered other than that given by Scott himself and even what he testified failed sufficiently to 'make the point.'"

The governor added that California permits a shift in the location of a trial if prejudice in the area of jurisdiction jeopardizes a fair trial.

Pedigreed Boxer
Escapes Crate—
Spring Fever?

COLUMBUS, Ohio (U)—There he was, \$5,500 worth of pedigreed brindle boxer, sitting all alone by a railroad track yesterday. Star, as he's called, chewed his way out of a crating box Sunday night after competing in a dog show here.

Could it be — just like in the movies — that he was all set to travel hundreds of miles along stretches of railroad track to his owner, Jack Jahr, in St. Louis?

Not likely, said Star's handler Joseph E. Gregory, Valley Station, Ky., after receiving the animal from Mrs. H. C. Hartley, Columbus, who found him.

"He's a top quality three-year-old boxer, and is rather attracted to lady dogs," came the explanation.

Angel Island Barracks
Burned by Contractor

SAN FRANCISCO (U)—The former "Ellis Island" of the West Coast went up in flames yesterday as a contractor burned 21 ramshackle buildings on Angel Island.

The barracks-like structures served as detention headquarters here for the Immigration and Naturalization Service for two generations after their building in 1889.

Angel Island will become a state park.

Chrysler Names New
Advertising Manager

DETROIT (INS) — Appointment of Harry Ault as advertising manager was announced today by Chrysler Division of Chrysler Corp.

Ault will replace John H. Caron, who retired recently.

Active Market
Moves Higher

DETROIT (U) — The following prices, reported by the Bureau of Markets, cover sales of locally produced products of No. 1 and No. 2 grades only, brought to the Farmers' Markets by growers and sold by them to wholesalers.

PRICES WEDNESDAY WERE: Fruits

Apples, Delicious, fancy, 6.00 bu.; No. 1, 5.00; No. 2, 4.00; Golden Delicious, fancy, 5.00 bu.; No. 1, 4.00; No. 2, 3.00; McIntosh, early, fancy, 4.00 bu.; No. 1, 3.00; No. 2, 2.00; Northern Spy, fancy, 3.75 bu.; No. 1, 2.75-3.25 bu.; No. 2, 1.75-2.25 bu.

VEGETABLES: MISG: Beans, topped, No. 1, 1.50-2.00 bu.; Carrots, topped, No. 1, 1.50-2.00 bu.; Cabbage, No. 1, 1.25-1.50 bu.; Cabbage, No. 2, 1.00-1.25 bu.; Cabbage, No. 3, .75-1.00 bu.; Cabbage, No. 4, .50-1.00 bu.;
