Need Millions to Up School Construction

By PETE LOCHBILER

Millions of dollars worth of school construction is needed if the Pontiac School District is to keep pace with enrollment increases, according to a report readied this month.

The report is issued after 18-months study by Dr. Otto C. Hufziger, assistant superintendent in charge of business.

It is intended as a guide for the Board of Education in providing building needs until 1965.

Among other things, it calls for a new senior high school, two junior high schools, eight elementary schools and hundreds of classroom additions.

Hufziger estimated a rough preliminary cost of \$21 million, including a \$1 million program to renovate existing schools.

An existing voted millage is adequate to pay the cost through 1960 if levied at the maximum extent, Hufziger figured. This would only result in an increase over 1956 taxes of 1.74 mills on state equalized valuations.

Hufziger explained that this year the schools only asked for 7.01 mills out of 8.75 mills for construction and operating expenses made available by voters in 1954 and lasting through 1964.

He also assumed that the County Allocation Board would levy 8.75 mills on equalized values for the school system.

(The Board levied 9.32 mills this year, bringing the total school tax up to 16.33 mills on state equalized valuations. The voted increase was variable outside of the Pontiac city limits. In Pontiac, the tax was based on assessed valuation, which resulted in a different set of figures being used: 13.31 mills allocated by the county and 10.16 mills on the voted increase.)

The projects are needed to meet an expected 8,000-pupil increase in the next decade. "They also should provide a sound framework for the school plant needs of the district for a considerably longer period," the report says.

18,000 PUPILS NOW

The school enrollment now is about 18,500. Over 26,500 pupils are expected by 1965, according to the report's figures—17,026 in elementary school, 5,746 in junior high school, and 3,743 in senior high school.

The report is titled "School Plant Needs of Pontiac." In its 230 pages are estimates of the school population through 1965, an appraisal of the school district's financial and cultural background, and a critical inventory of present buildings.

From the conclusions drawn are recommendations for the building program and suggestions about financing.

The recommendations are expected to form the basis for continuing a 10-year building program on which the Board embarked in 1954.

Board members and school officials spent considerable time then "selling" the community on new schools and winning the voted increase in millage to finance them. At that time, however, the cost was figured at \$9 million.

PRaises STUDY

The price difference of \$12 million is in part due to the thoroughness of Hufziger's study, according to Dr. Dana P. Whitmer, superintendent of Schools.

"We have here one of the finest reports of its kind," Whitmer said. "It gives an unusually complete picture for a school district the size of Pontiac's."

The Board already has gone ahead with the first two steps of Hufziger's building plan. It has contracted for \$2,530,317 worth of buildings and improvement and has approved a \$1,796,000 building program for 1956-57.

By the end of 1960, when Step Five of the recommended program is finished, buildings representing over 60 per cent of the total cost will have been built, according to Hufziger's schedule.

WILL STUDY REPORT

The Board will officially see the report for the first time at an informal meeting tomorrow. No action is expected then, nor will the whole report be approved at one time. Approval will be given to the most needed construction on a year-to-year basis. The project (Continued on Page 2, Col. 6)

Ike Charges Dems 'Politick' on Farm Issue

President Returns to Capital Today After Peoria Talk

WASHINGTON (AP)—President Eisenhower accused the Democrats last night of "politicking at the farmers' expense" in his harshest attack on the opposition so far in the campaign.

He told the nation's farmers, on the other hand, that the program of his administration will give them "a full share in our country's good times."

Without making any specific new proposals to increase farm income, he said "good progress" is being made toward that goal.

Accompanied by Mrs. Eisenhower, the President flew back here early today after he delivered at Peoria, Ill., his second major campaign speech to be carried nationally by radio and television.

He followed closely the Republican platform and public pronouncements of Secretary of Agriculture Benson in outlining steps he said now have brought farmers "brighter peace-time prospects than they have had for years" and which he said hold out the hope of "full income parity."

He said the Democratic program holds out to farmers only "mockery and deceit." And he used such phrases as "political expediency," "opposition politicking," and "political quackery."

"Our opponents," he said at one point, "today are criticizing the mess that they themselves left behind."

This strongly worded attack was delivered before a partisan, cheering crowd that overflowed the 10,000-person capacity of the Bradley University fieldhouse.

Eisenhower indicted his Democratic opponent, Adlai E. Stevenson, and all others who back high, rigid farm price supports. Eisenhower did not mention Stevenson by name but he left no doubt he was striking back at Stevenson's proposals.

He accused the Democrats of "politicking at the farmers' expense" by continuing high wartime supports. He said this piled up surpluses and that last year these surpluses cost the farmers two billion dollars in income by holding prices down.

Same Place in 1937!

WATERLOO, Iowa (INS)—Family history repeated itself when a son was born to Mrs. Sheridan Knapp at Allen Memorial Hospital. She was placed in Room 208, Bed 1. Her mother occupied the same bed, same room in 1937—when Mrs. Knapp was born.

Four years is a long time to keep quiet! You'll have a red face if your candidates don't win Nov. 6 because you didn't vote.

So remember—you must be registered before Oct. 8 to vote. Hurry!

DR. OTTO HUFZIGER

Suez Feud Now in U.N. Council

Britain, France Ready for Preliminary Test of Strength

UNITED NATIONS, N.Y. (U)—Britain and France squared off for a preliminary test of strength with Egypt today as the U.N. Security Council tackled the Suez Canal dispute for the first time.

The two West European powers said that at the meeting this afternoon of the 11-nation council they would fight vigorously against Egypt's move to charge Britain and France with actions threatening world peace.

The British-French stand was expected to trigger a sharp procedural debate over just what should be on the council's agenda and how it should approach the bitter dispute over Egyptian President Nasser's nationalization of the strategic East-West waterway.

By the time the opening round is concluded, there should be some indication which way the council will lean when it comes to grips with the basic issues, probably a week from now.

Salt, Sand and Snow Fences

Winter's Here for Road Department

LANSING (U)—The State Highway Department is mending its snow fences this week in the first phase of its annual war with the elements.

The fences—600 miles of them—will start rising next week in the Upper Peninsula, where the season's first snow has already fallen.

What does it take to keep Michigan's highway system free of ice and snow each year?

In terms of materials—22,000 tons of sand, 92,000 tons of salt and 12,000-odd tons of calcium chloride.

In manpower, some 400 state employees and 2,500 county workers.

In money, more than four million dollars.

THERE'S MORE

And that's just to keep the state

highways clear. County roads and city streets are extra.

"People don't realize what a big job it is," says N. W. Paquette, who as assistant chief of maintenance helps direct the state's part of the campaign from a Lansing headquarters.

When Paquette joined the department in 1920, snow removal on state highways wasn't much of a problem.

"People didn't demand so much service then," Paquette says. "The public is getting to the point where it wants to have summer driving conditions all winter."

"When I started with the department the state didn't even have a snow removal service north of the Bay City-Muskegon line."

"In those days, most of the peo-

Kefauver Meets Michigan Native

BIG FISH GIVEN KEFAUVER — Sen. Estes Kefauver, Democratic candidate for vice president, inspects a 42-inch, 21 pound muskie presented to him by Ironwood admirers yesterday.

Kefauver visited several Michigan cities in an 800-mile plane tour and made several campaign speeches.

Typhoon Rakes Okinawa

Winds Run Ships Ashore

NAHA, Okinawa (U)—Mountainous waves and 130 mile an hour winds drove two ships aground today as typhoon Harriet churned across the East China Sea.

The storm kept rescue vessels from reaching 106 passengers stranded on the Japanese liner Hakusan Maru and 34 crewmen aboard the battered British freighter Bedford Earl.

The typhoon raked Okinawa, then turned northward. The Japanese, braced for a heavy blow by their east coast tomorrow. The storm center was 185 miles south southeast of Kagoshima, Japan, today.

Harriet, the season's eighth big typhoon, was the second to strike Okinawa in less than a month. One Okinawan was reported hurt. Only minor property damage was reported in contrast to the more than 20 million dollars damage inflicted by typhoon Emma on this U. S. island base earlier this month.

U. S. Air Force forecasters predicted Harriet's winds would drop to about 105 m.p.h. as it traveled northward.

Huge waves were pounding the 7,129-ton Bedford Earl to pieces on a coral reef at Ike Islet, 15 miles off Okinawa.

Thirty-four crewmen aboard the stricken British freighter prepared to launch lifeboats and abandon ship. The U. S. Army said a tug making its way through 15-foot waves to the ship turned back when it found the Bedford was only 1,000 yards offshore.

U. S. Army vehicles waited on the beach to pick up the crew. Earlier the ship's captain, R. W. Thompson, had said heavy seas made it impossible to launch lifeboats.

The Bedford was en route from Yokohama to Viet Nam to load coal for Europe.

The 4,300-ton Hakusan Maru, running between Kagoshima, Japan, and Okinawa, was driven

aground in shallow water off Amami Oshima Island, some 120 miles north of Okinawa.

The giant seas kept away Japanese coast guard vessels trying to evacuate the Hakusan's passengers in response to a radioed S.O.S.

A U.S. freighter, the American Mail, also ran aground farther north, at a point about 15 miles south of Nagoya, but its mishap apparently was not caused by the typhoon and the ship was reported in no immediate danger.

Adlai Links Ike's Brother to Appeasing Peron Rule

JACKSONVILLE, Fla. (AP)—Adlai E. Stevenson says a member of President Eisenhower's "personal family" is linked with what Stevenson called appeasement of the Peron regime in Argentina.

Stevenson did not name the family member in a speech at Miami last night, but a campaign aide said he referred to Dr. Milton Eisenhower, the President's brother.

In a speech prepared for delivery here today, Stevenson also called on Eisenhower to say whether he has "heard about loose administration of the soil bank to pour money into the farm belt" ahead of the November elections.

Slapping back at Eisenhower on farm policy views which the chief executive expressed in a nationwide television address last night, the Democratic presidential nominee said that if the soil bank program "is debased for partisan political purposes during this election year," the blame must fall on the Republican administration.

Stevenson flew here this morning from Miami for another round of wooing the Florida vote. In 1952 Eisenhower cracked the Democratic "Solid South" to carry Florida, as well as Texas, Tennessee and Virginia.

Stevenson was flying on from Jacksonville to Kansas City, Mo., for a major address there tonight. He will be introduced by former President Truman.

In Miami last night, Stevenson linked "a member of the President's personal family" to a Stevenson charge that the Eisenhower administration appeased Argentina's Peron regime.

Roger Tubby, an aide to the Democratic nominee, said the family member to whom Stevenson referred but did not name in Dr. Milton Eisenhower, the President's youngest brother.

There was no immediate White House reaction, and Milton Eisenhower declined comment.

The President's brother Milton sometimes has represented the chief executive in relations with Latin-American countries.

ONE WAY ONLY

And in the winter of 1935-36—the worst he can remember—there was only one-way traffic from the Ohio line to the Straits of Mackinac for days.

Are there any new weapons in the war against weather? The department has experimented with liquid chemicals, found to be faster and more effective under some circumstances.

Warmer Days Forecast in Area—for a While

Golfers, baseball and football fans, picnickers need not get discouraged—at least for awhile—for warmer weather is on the way for the Pontiac area, according to the U. S. Weather Bureau.

Tomorrow's outlook is for a pleasant temperature of around 76 degrees. The five-day forecast is for the mercury to climb two to four degrees above normal.

A note of discouragement was added when the Bureau predicted showers over the coming weekend.

The mercury is expected to dip to a low of around 50 degrees tonight.

The lowest temperature in Pontiac preceding 8 a.m. was 45 degrees. The thermometer had reached 65 at 1 p.m.

Write-In Count Case Refused

3 Judges Turn Down City Attorney Seeking Nomination

Pontiac attorney Milton R. Henry yesterday lost the first round in his battle for nomination as Circuit Court Judge on the non-partisan ballot, Nov. 6.

Oakland County Circuit Judge George B. Hartrick, with Judge Frank L. Doty and Judge H. Russell Holland, turned down Henry's petition for a court order compelling election officials to count his primary election write-in votes and declare him a candidate.

Henry said today he is filing another suit in the State Supreme Court, asking the court to order Secretary of State James M. Hare to vacate the nomination of incumbent Circuit Judge Clark J. Adams and certify Henry in Judge Adams' place.

Henry has argued that since election officials, following election law, did not declare an election for the non-partisan ballot because there was only one candidate, Adams received no votes in the primary. He said a constitutional provision made the election necessary.

In their ruling yesterday, the three judges said the constitutional provision was passed with "intent" to allow such provisions in the election law.

Under the law, they said, "a few votes surreptitiously cast can have no legal significance."

Fatal Crash Driver Cleared of Blame

The Waterford Township man who was the driver of a car involved in a fatal collision with a Pontiac fireman yesterday is expected to be exonerated of any blame, it was stated today by the Oakland County Prosecutor's office.

Joseph P. Preston, 27, is in good condition at Pontiac General Hospital with a fractured left knee and multiple cuts. He collided head-on with a car driven by Hal O. Lloyd, 30, of Drayton Plains, on Elizabeth Lake road.

Lloyd was dead on arrival at Pontiac General Hospital following the early morning accident. Preston has told investigators the accident occurred when the Lloyd vehicle drove across the center lane at Roslyn road.

There has not been sufficient evidence found to warrant a negligence charge against Preston but the accident is still under investigation, George Taylor, assistant county prosecutor, told The Pontiac Press this morning.

Plan Panama Maneuvers

WASHINGTON (U)—The Defense Department announced today an all-service military training exercise to be held in the Panama Canal Zone and the Republic of Panama next April.

Maglie, Pennant Race Hot

Sal Maglie, "The Barber of Brooklyn," kept the Dodgers on the heels of the Milwaukee Braves in the National League pennant race by pitching a no-hit, 5-0, game against the Philadelphia Phillies yesterday.

Despite the sparkling performance by the 39-year-old Maglie, Brooklyn still remained a half-game behind Milwaukee which stunned Cincinnati's hopes with a 7-1 victory.

Another fine pitching job was turned in by Warren Spahn of the Braves who won his 20th game of the season. (See Sports page 30 for details).

Both Sides Claim Foes Suffered Heavy Losses

2,000 - Man Brigade Blows Up Police Post in Retaliation Raid

JERUSALEM (AP)—A punitive raid into Jordan by artillery-backed Israeli infantrymen, the third of its kind this month, set off a seven-hour battle that ended at dawn today with heavy casualties on each side.

Israeli spokesmen said 50 Jordanians were killed in the raid on army and police positions near Husnan, six miles southwest of Jerusalem. Israel acknowledged 5 of its raiders were killed and 19 wounded.

A Jordanian army officer in Amman, the Arab capital, declared 90 or more of the Israelis were killed and the rest forced to retreat in disorder after blowing up a police post and some houses. By their account, 31 Jordanian soldiers, policemen and national guardsmen lost their lives.

Jordan said the Israeli attack was made in brigade strength, meaning perhaps 2,000 or more infantrymen, 2½ miles inside the armistice demarcation line.

Jordanians had estimated Israeli strength in each of the two previous attacks this month at 1,000 men.

Israel's government grimly labeled the raid as a warning against aggression. Six Israelis had been killed in border incidents since Sunday.

The Israeli army said a Jordan army post as well as the police station was overrun and dynamited. Explosions from the battlefield were heard in Jerusalem through the night.

A U. N. spokesman said the shooting lasted for some seven hours — until about 6 a.m. — although a ceasefire order was requested from both sides much earlier.

Jordan army headquarters in Amman said the Israeli forces launched a "large scale attack on Jordanian positions in the Wadi Fukin and Husan villages south of Jerusalem."

A Jordan military source said the attack was made with heavy weapons.

At mid-morning a spokesman for the U.N. Truce Commission said there had been no further shooting and all was quiet. Maj. Gen. E. L. M. Burns, the chief truce supervisor, left for the battle ground, where four U. N. observers already were conducting an investigation.

Rule Hits 8 Pct. of Election Help

Nonpartisans Ineligible, Attorney General Says; Only 25 in Pontiac

Pontiac City Clerk Ada R. Evans said this morning 8 per cent of some 300 city election workers might be disqualified if Attorney General Thomas M. Kavanagh enforces his ruling that workers must state a political preference.

Mrs. Evans said about 25 workers are listed as nonpartisans.

"I'm naturally going to wait until I see any law in writing before acting," Mrs. Evans explained.

"If this law is handed down, possibly from the county clerk's office, and the workers don't want to show their preference, I guess they won't work."

Kavanagh has ruled all election workers must list a preference with no more than 50 per cent allied with any one political party.

County Studying Drain Planners

May Form Department to Assist Communities in Organizing Projects

Five Oakland County supervisors have been appointed as a Special Committee to study the suggestion a County Department of Public Works be established, Delos Hamlin, chairman of the Board of Supervisors, said yesterday.

Hamlin was authorized to appoint the committee at the Sept. 10 board meeting.

Under Chairman Lloyd L. Anderson of Waterford Township, new committee members are John G. Semann of Berkley, chairman of the board's Drain Committee; W. Ray Ransom of Pontiac; David Levinson of Birmingham; and John L. Carey of Springfield Township.

The new department was suggested by retiring County Drain Commissioner Ralph A. Main to take initiative in organizing and helping finance inter community drain projects such as the Twelve Town Drain.

Under Main's proposal, the new department could take initiative in organizing new drain districts, with natural drainage contours including several county communities.

Previously, such districts could organize only at their own initiative, and county planners could not step in until the participating communities had already agreed on the project.

The new department also would have power to back bonds for new projects with the county's "full faith and credit," and could assess the cost of the project against the areas benefited by it.

If the report is favorable, he said, supervisors will try to find existing state legislation authorizing such a department, and will try to secure new legislation from Lansing to fill any gaps.

Wayne Board Moves to Halt School Funds

DETROIT (INS) — The Wayne County Board of Supervisors has moved to stop the county's \$559,500 annual payment to Wayne State University.

The auditors asked the Board of Supervisors for authority yesterday to cease the payments made to cover the difference in the cost of city and out-county students.

The action was prompted by the fact that the state is taking over control of the school.

Under the accession agreement the state will pay \$18 million to the University in the next three years and take full control in 10 years. In the meantime, the Detroit Board of Education will pay the institution \$10 million annually.

School officials said, however, that the county's action will block plans for future building and expansion.

Robert C. Miller Quits as Leader of GOP Group

Robert C. Miller, Republican candidate for Pontiac's State Representative, today announced he has resigned from his post as president of the Pontiac Republican Club.

Vice President William A. Garling is the new president, Miller said.

Miller, who was elected president at the club's reorganization meeting Aug. 14, said he resigned "to devote full time to my campaign."

Garling, an insurance agent, is a former member of the County Board of Supervisors.

Tornado Kills 60

HONG KONG — A tornado killed more than 60 persons and injured 600 in the suburbs of Shanghai Monday, the Red China radio reported yesterday.

DANES EXAMINE CRASHED RED PLANE — Danish officers inspect a jet fighter which crash-landed on an unfinished airstrip at Roenne, Bornholm, Denmark, yesterday. The pilot, who said he was a Polish Air Force lieutenant, asked political asylum.

Danish Air Force officers said the plane is a revised version of the Russian MIG 15, featuring a taller rudder than any before seen on a MIG fighter outside the Iron Curtain.

Flossy at Sea, Toll Climbs to 13

13 Others Still Missing, Estimate Gulf Damage at Several Million

By THE ASSOCIATED PRESS

Hurricane Flossy, downgraded to storm status with half of its punch gone, swirled into the Atlantic today off the South Carolina coast. The season's sixth tropical storm left 13 dead and at least that many missing, plus property damage in the Gulf estimated at several million dollars.

The Miami Weather Bureau said the storm would regain some force after reaching the ocean north of Charleston, S.C., but probably not enough to get back into the hurricane class.

Flossy formed suddenly in the Gulf Saturday, aimed its center for a time at New Orleans, then swerved eastward and slammed the northwest Florida coast with 100-mile-an-hour winds late Monday. The storm's northeastern journey brought drought relief to Georgia before skipping over the Atlantic. More than 3 inches of rain were dumped on parched farm lands.

The hurricane hit Grand Isle, popular Louisiana vacation resort, destroying the Grand Isle Hotel and many houses and boats on the six-mile-long island. Damage was estimated at several millions of dollars.

Flossy churned high tides in its wake near Panama City, Fla., and caused damage estimated at \$300,000. Damage to oil drilling equipment in the Gulf had previously been estimated at two million dollars.

Still missing were about a dozen fishermen and an undetermined number aboard the tug Rosalie E. somewhere in the Gulf.

Stevenson Tripped in Florida Boo-Boo

MIAMI (INS)—The burning competition of two sunshine states reddened Adlai Stevenson's face last night.

The Democratic presidential nominee, addressing a spirited crowd of 5,000 in Miami, accidentally blurted out the name of his host state as "California" rather than "Florida."

The moment the boo-boo slipped from his lips, Stevenson clapped a hand to his mouth, and sighed: "Oh my!"

He quickly added: "That's a habit I got into in the primary and can't get out of."

Sylvan Lake City Affairs

Candidates Must Submit Petitions by Saturday

Deadlines for filing petitions for four Sylvan Lake city offices and for voter registration for the presidential election in November have been announced by City Manager Ernest L. Ethier.

Candidates must submit their petitions prior to Saturday noon, Sept. 29.

Offices to be filled are for two councilmen, Anthony Kreps and Joseph E. Gilson; Justice of the Peace, Joseph J. Leavy; and Constable Frank L. Scott.

Petitions have been requested from the city clerk for William B. Taylor for city councilman, Joseph J. Leavy for Justice of the Peace, and Harold Hacht and Frank L. Scott for constable.

Ethier said the deadline for registering is Oct. 8. The city clerk's office in the City Hall will be open 8 a.m. until 5 p.m. on that date.

Registrations are accepted Monday through Friday from 9 a.m. until 5 p.m.

In other Sylvan Lake city affairs, Ethier announced that sewer service bills for residents will be in the mail Sept. 30. These cover the period from April 1 to Oct. 1, 1956. On Nov. 1, a 10 per cent penalty is added to all unpaid bills, Ethier said.

Ethier reported that 219 connections have been made to the city's year-old water system. He added that final testing of the storage tank has been completed and in use.

At a recent hearing, property owners of the Pioneer Highlands-Pioneer Telegraph area of the city asked that only road blacktopping be performed in this area. Earlier, residents petitioned for curb, gutter, and storm sewers also.

Ethier said an engineer's estimate on the single project would be aired at the next Sylvan Lake council meeting.

Mrs. Anthony Oiler, chairman of the West Bloomfield Community Chest Drive, announced a goal of \$16,617.25 for the drive from Oct. 6 to Oct. 22.

Meeting Moved Up Day Ten-Point Agenda Faces Pontiac City Commission

A short 10-point agenda—half of which lists routine public improvement items—will be the order of business for the Pontiac City Commission when it convenes tonight at 8.

The meeting was moved up from its regular Tuesday night schedule to allow officials to attend the Kiwanis Club's "Flowers To The Living Program."

City Manager W. K. Willman will report on claims of damages of two property owners in connection with the right-of-way for the widening of Bay street south of Mt. Clemens street.

Action is expected on a communication from the State Highway Dept. on possible city charges for the widening of M 218 from Commerce road to the city limits.

City Attorney William A. Ewart is slated to bring the commissioners up to date on the purchase of a land contract of property at 63 S. Parke St.

Tabulation of bids is scheduled for pavement, curb, and gutter projects planned in the city.

Engineer estimates will be aired on curb, gutter, grade, gravel, and related work for First street from Joslyn to Highway, and on Hollywood avenue from Kennett to Parkdale.

Commissioners will schedule payments during confirmation of the following water main projects: Telegraph Road from Orchard Lake to Golf, Pearsall Avenue from Bagley to Wrenn, and for Durant Street from Ingledown to Pershing.

Ike Denied Time on TV to Advance Fund Campaigns

NEW YORK — The Columbia Broadcasting System has declined to carry a three-minute TV appeal by President Eisenhower in behalf of community fund-raising drives.

The network announced yesterday that it would not telecast the Eisenhower talk because, the network said, the Federal Communications Commission had informed CBS that it would have to offer equal time to all other presidential candidates.

The American Broadcasting Co. granted the request by the United Community Funds and Councils of America to broadcast the speech on ABC-TV Sunday at 8:55 p.m. EDT and on ABC radio at a time not yet set.

The National Broadcasting Co. said its decision was still pending. The Mutual Broadcasting System said it would present the speech on its radio network at 8 p.m. EDT Sunday.

The United Community Funds and Councils of America is the parent fund-raising group for 2,000 local organizations. They include the Community Chest, Boy Scouts Girl Scouts and others.

Collision Set Straight

In a two-car accident Friday on Baldwin avenue, a car driven by Robert G. Almas Sr., 47, of 4281 Quebec St., rammed the rear of an auto driven by Norman R. Saint, 34, of 108 W. Strathmore Ave., according to a Pontiac Police accident report.

The Pontiac Press in Saturday's edition incorrectly stated Saint's car struck Almas'.

Dems Won't Listen to Me, Cobo Charges

PETOSKEY — Mayor Albert E. Cobo of Detroit, says a Democratic "block out" has stymied efforts to take his campaign for governor to "thousands" of voters.

Cobo made the charge before a banquet audience here yesterday as he closed a campaign tour of nine counties in the northern Lower Peninsula.

Cobo said he has tried without success to address numerous Democratic organizations, CIO locals and some Negro groups.

"Thousands of these people will never hear my side of the story because their leaders don't want me to talk," he said.

In another attack on Gov. Williams, his Democratic rival, Cobo described Williams as "the Grover Whalen of the Democratic party—a handshaker."

"You can get handshakers for \$8,000 a year," he said, "but what the state really needs is a working governor."

Long Line of Stars to Be at Royal Event

LONDON (INS) — Buckingham Palace today approved one of the biggest lineups ever of movie stars who will participate in a royal film performance next month.

Among those named to attend—and who will shake hands with Queen Elizabeth II—were Marilyn Monroe, Anita Ekberg, Joan Crawford, Belinda Lee, Victor Mature, Arlene Dahl, Maureen Swanson and Brigitte Bardot.

The film, "Battle of River Plate," will be shown. It depicts an Anglo-German naval battle off South America.

Still Can't Find Cause of Socialite's Death

LOS ANGELES (INS) — The death of wealthy socialite Mrs. Katherine G. Johnson Fernandez remains a mystery.

A coroner's autopsy yesterday failed to disclose the exact cause of the death of the 67-year-old woman. She was found kneeling in death beside a bed Monday in her \$75,000 Bel Air mansion.

Dr. Frederick Newbarr, chief Los Angeles County autopsy surgeon, reported the examination disclosed indications of heart disease, but he ordered microscopic and toxicological tests to pinpoint the cause of death.

Mrs. Johnson was an early stockholder in a major soft drink concern and formerly owned the Atlanta Journal and Atlanta Constitution newspapers.

Pancake Supper Friday

PONTIAC TOWNSHIP — A pancake supper is scheduled to be held at Galloway Lake Church Friday at 6 p.m. Sponsors are members of the Wesleyan Class. Public is invited.

The Day in Birmingham

Community House Invites 9,000 to Annual Dinner

BIRMINGHAM — Lecturers star on special programs slated here, but none will face as large an audience as the Rev. Robert Dewey at the Community House annual meeting on Oct. 3.

A total of 9,000 have been invited to the meal and program. Names have come from the Roll Call, donors list of last year, says Harold Hagan, president of the House's board of directors.

Mr. Dewey will talk on "Bir-

mingham, the Good and the Not so," using observations for the few years here. He is a lively young Congregational minister whose church has more than quadrupled since he took it, and he is an orator who won the Daggett Award on his graduation from Yale University Divinity School.

Son of a university professor, he lived in Pennsylvania, Ohio and Kansas, was a chaplain aide in the war, operated a war-time youth center in East London, and worked in Boston slums in his summers from Yale.

Mrs. Raymond Peck is in charge of the dinner, with Mrs. Walter Jackson sending invitations. Norman Weston procured the speaker.

Board members will elect replacements for four with expiring terms, Mrs. Harry Gruber, Harold Hagan, William Lecher, Mrs. Anthony Daley and Mrs. Richard Brown.

Soroptimist International will hold its first social meeting at 6:30 p.m. tomorrow at Devon Gables with observation of "Founders Week," designated by Gov. G. Mennen Williams as Sept. 24 to Oct. 2.

The week seeks to have citizens recognize their service clubs' contributions to home, community, state and nation.

Delegates to the national and international conferences in New York this summer will report, bringing actual recordings of some of the meetings and speeches.

"The High Calling," a film, will be shown at the Oct. 14 Family Night program of First Presbyterian church, following the 5 p.m. meal. It deals with the place of the church in members' lives.

Mrs. Ralph H. Read, wife of the Rev. Read of North Congregational Church, will talk on "Israel Today," to the Women's Fellowship of the First Congregational Church Oct. 2, at a 12:45 p.m. luncheon.

She spent a summer in Israel on a scholarship from New York university, studied Biblical history, and background for Israel today. Earlier, she had specialized in teaching in public schools for the handicapped children in Melbourne, N. J.

ESTHER CLOUDMAN DUNN

Professor Esther Cloudman Dunn of the Smith College English department will talk to Detroit-area high school girls, their mothers and teachers at the Birmingham High School Auditorium here Oct. 5 at 3:30 p.m.

She is sponsored by the Detroit and Birmingham Smith Clubs, which are headed by Mrs. E. Steven Bauer, of Bloomfield Hills and Mrs. W. Bruce Krag of Grosse Pointe, respectively.

An authority on Shakespeare, she this year won a doctor of letters degree for "The Art of Teaching." Her topic will be "What you have a right to ask from college."

Area-Wide Meeting Asked for Evergreen

BIRMINGHAM — Harold K. Schone, city manager here, was elected secretary of the North Evergreen Authority this morning as the authority took steps toward an area-wide meeting to plan a full-length Evergreen interceptor.

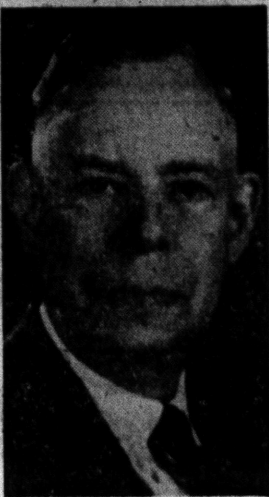

The authority board resolved to call on the drain commissioner for a plan to revitalize an Evergreen interceptor to the county's south limits, at Detroit.

The chairman of the Board of Supervisors will be asked to call a meeting of the interested municipalities plus the drain commissioners, state health department and the city of Detroit, to bring about a final decision.

Not Ready for Rocker

LODI, Wis. (INS) — Mrs. Sidney Fellows, 88, gave this reason for asking permission to ride saddle past the grandstand at the Lodi fair:

"I am not ready for a rocking chair and don't expect to be for many years."

WILLIAM B. BACKENSTOSE

Printing Office Owner Dies

Service Set Friday for William B. Backenstose of Oriole Road

William B. Backenstose, for many years a well-known Pontiac businessman, died at his residence, 85 Oriole Rd., Tuesday. He had been ill for several months. He was 70 years old.

Mr. Backenstose was a lifelong resident of Pontiac, the son of Oliver L. and Laura F. Backenstose. He was a graduate of Pontiac High School and of Eastman College.

He was the owner of the printing and office furniture business which he entered in 1912, retiring in 1946. Later he was employed by the Pontiac Motor Division, where he served until 1951.

He was a member of All Saints Episcopal Church, and was a charter member of the Pontiac Kiwanis Club and the Knights of Pythias.

His wife, the former Ethel Johnson, died about six months ago. He is survived by two children, Dorothy L. Backenstose at home, and Robert O. Backenstose of Omaha, Neb.; by one sister, Frances L. Backenstose, and a brother, Chuyler O., both of Pontiac, and three grandchildren.

Funeral service will be held at the Sparks-Griffin Funeral Home at 11 a.m. Friday, the Rev. James Guinan officiating. Burial will follow in Oak Hill Cemetery.

Pontiac Deaths

Frank Decesare

Frank (Flaviano) Decesare of 158 Earlmor Blvd. died yesterday afternoon in St. Joseph Mercy Hospital. He was 65.

The son of Natale and Marie Suseta Michele Decesare, he was born in Italy on April 21, 1891. A member of St. Vincent de Paul Catholic Church, he had been a resident of Pontiac since 1927 coming here from Ann Arbor.

Mr. Decesare had retired as an employee at the St. Joseph Mercy Hospital where he had worked 27 years.

He is survived by his wife, the former Denise Cotte.

Mr. Decesare's body will be at his home after 5 p.m. today. Arrangements will be announced later by the Melvin A. Schutt Funeral Home.

William F. Maybury

The family of William Frederick Maybury of 110 E. Iroquois Rd. requests that in lieu of flowers, contributions be made to the memorial fund of All Saints Episcopal Church or the building fund of St. Andrews Episcopal Church, Dryden Plains.

Mr. Maybury died Monday afternoon in Ford Hospital, Detroit.

Elmer W. Olson

Service for Elmer W. Olson, 46, of 933 Lakeview Ave. will be at 3:30 p.m. Thursday from the Voorhees - Siple Chapel with Dr. Tom Malone of the Emmanuel Baptist Church officiating. Burial will follow in Perry Mount Park Cemetery.

As a small boy, Mr. Olson sold newspapers from a wagon on the same corner where he presently owned and operated Olson's News Stand, N. Saginaw and E. Huron Sts.

He died Sunday in Pontiac General Hospital after several week's illness.

Fire in French Quarter Kills New Orleans Man

NEW ORLEANS — Fire raged through five small buildings on the edge of the famed French Quarter today. One man was killed.

Fire Chief Howard Dey estimated damage at \$50,000. He said the fire apparently began in a bar on North Rampart Street, one of the city's original boundaries and three blocks from Canal Street.

REFLECTION—The statue of George Washington in the Place D'Iena is reflected in the shiny helmets of American soldiers stand-

ing at parade rest in Paris. The soldiers are stationed at the United States at Orleans.

Needle in Heart Found to Relieve Cardiac Patients

LOS ANGELES — Sticking a six-inch needle through the breast one into the heart sounds lethal, but physicians are using the procedure in the fight to save lives among cardiac patients.

The technique, enabling better X-ray pictures of the heart, was described by Dr. J. Stauffer Lehman of Philadelphia yesterday at the American Roentgen Ray Society meeting.

The hollow needle is used to

squirt an opaque material into heart valves. While the needle is in the heart as many as 12 X-ray pictures can be taken in three minutes.

No deaths have occurred in 77 such examinations, Dr. Lehman reported. He said there is no pain. Patients are given a few special sleeping pills and some novocaine is applied to the chest; the heart is punctured while patients are conscious.

There were about 115,000 women who were widowed by the death of husbands who were less than 55 years of age during the 1955 calendar year.

Plan Giant Market

DETROIT — A modern 10-million-dollar East Side food center was one step closer to being Tuesday. The Eastern Market Merchants Assn. said the 200 food wholesalers, processors and suppliers in the organization have hired Victor Gruen and Associates, architects, to survey their plan.

Joins UD Law Faculty

DETROIT — Dr. Manuel R. Garcia-Mora, 35, son of a former president of the Congress of Panama, has been appointed an

associate professor at the University of Detroit Law School. He is a graduate of the University of Panama and the Yale and Harvard Law Schools.

From the Press Box

BY BRUNO L. KEARNS
Sports Editor, Pontiac Press

To go along with the 100,001 seats in its tremendous football arena, the University of Michigan has now added what is without doubt the dream house in press relations.

No longer is the haven for sports scribes referred to as the press box at Ann Arbor. Writers, radio and TV men, photographers, technicians, newsreel cameramen and everyone else in the field will make their way to the magnificent Communications Center.

Here is a three-tier structure, 180 feet long, equipped with facilities which are unequalled anywhere.

The first deck of the new Center has three leg stretching aisles with 74 working seats in the first row, 64 in the second and 58 in the third, all for the working press.

A concourse with a snack bar is located in the rear of this level.

News photographers, newsreel cameramen and television technicians, along with six darkrooms, photo transmission wires, Western Union wires comprise the middle deck.

On the top level are 17 radio and television booths, bench phones, public address, scouting coaches, and a special box for the University president and visiting dignitaries.

A few additional conveniences include a dining room, statisticians' section and elevators.

It's all there and it opens for business this Saturday.

DITTO FROM THE PRESS BOX
If you want to know how the state sportswriters feel about the football strength of the Saginaw Valley Conference just look at this week's Associated Press Class A poll.

All of the SVC schools except Saginaw were listed in the top ten.

Ann Arbor of the Six-A League was first. Then came Bay City Central, Flint Northern, Saginaw Arthur Hill, Midland, Pontiac, Battle Creek Central, Dearborn Fordson, Flint Central and East Detroit.

Tigers Win, 5-3

Maxwell Blasts 28th

DETROIT (AP) — There's a lot of mileage on the words, "it couldn't have happened to a nicer guy."

But seldom are they more appropriate than when baseball people talk about Charlie Maxwell, personable and hard-hitting leftfielder of the Detroit Tigers.

The 29-year-old Michigan-born slugger sent a Tiger home run record for left-handed hitters yesterday in the 5-3 decision over the Chicago White Sox.

After hitting a grand slam homer off Chicago in Monday's losing effort, Maxwell came through with a jet-propelled shot

into the upper right field stands yesterday that sewed up the triumph for Billy Hoelt.

Earl Torgeson's solo blast in almost the same spot actually was the blow that broke the backs of the Sox. Breaking into the regular lineup for the first time since he was injured exactly two weeks ago, Torgeson sent one of Dick Donovan's pitches screaming into the bleachers to break a 3-3 deadlock. Both homers came in the 8th inning after the Tigers had come from under a 3-1 deficit.

This was the climax to a great

year for Maxwell, whose lusty hitting and superb fielding kept him in the lineup in his first real shot at a regular Major League job.

Maxwell's home run was his 28th and crases the mark established in 1950 and matched in 1951 by Vic Wertz, former Tiger outfielder now with Cleveland.

Hoelt, making good on his third attempt for victory No. 19, will have one more start in Cleveland this weekend to win his 20th. He scattered eight hits as the Tigers equalled their 1955 victories. They now have 79 victories and 71 defeats, compared with 79-75 a year ago.

Today winds up the 1956 season at Briggs Stadium. Paul Foytack of Detroit will oppose Jack Harshman in the finale. Foytack is 14-13 and Harshman 15-10, including five victories in his last six decisions.

Invades Man's Field

Girl Seeks Coxswain's Place on Crew at BU

BOSTON (AP) — A permanent wave may take the place of the traditional dunking for Boston University's crew coxswain if a determined lass from Forest Hills, N.Y., has her way.

Crew Coach Jim Nesworthy still is shaking his head over yesterday's shock when 18-year-old freshman Suzie Sims attended opening practice and asked for the job of coxswain for the freshman shell.

Suzie, a five-foot, 105 pounder who loves athletics, says she has previous experience in this man's rowing domain.

"I was coxswain once in a four man shell," Suzie says earnestly. "I think I ought to have the job," she told Nesworthy. "It's the

coxswain's job to keep the boys' morale up and I think I could do that."

The amazed coach says he won't turn Suzie down until he finds out definitely if a ruling applies to the situation. There are no written rules that women can't participate in intercollegiate athletics.

Miss Sims, who learned something about crew while attending Harvard summer school, has filled out an application form and will be allowed to practice — for the time being, anyway.

Terps' Mentor Can Still Joke

COLLEGE PARK, Md. (AP) — Tommy Mont, knocked off stride in his hot spot as new coach of Maryland's football fortunes by a wholesale string of personnel losses, still could force a joke today.

"If we have one or two more injuries in the backfield, I may have to dip into the student body," he said wryly.

The 33-year-old naturally witty coach was kidding only a little.

Last spring he inherited from Jim Tatum what looked like the lushest crop of backs in years at Maryland.

Folley Outlasts Valdez

PHOENIX, Ariz. (AP) — Zora Folley of Chandler, Ariz., outlasted a sluggish Nino Valdez and won a unanimous decision over the Cuban heavyweight in a 10-round last night.

AP Wirephoto

LIMBER UP FOR MSU — Stanford's highly touted passing Saturday. Left to right are Junior Jack Taylor, sophomore Bob tack gets limbered up for Michigan State's invasion at Palo Alto Nicolet, and seniors Jack Douglas and John Brodie all quarterbacks. The Indians plan an all-out aerial attack against the Spartans.

'Barber' Maglie Clips Phils With No-Hitter, 5-0

By THE ASSOCIATED PRESS
Comebacks? Baseball has had 'em. How about Ted Williams, returned from the wars? Or a "washed up" Johnny Mize tagging home runs for the 1950 Yankees? Or Roy Campanella, most valuable again with a healthy thumb last season?

Now it's Sal Maglie—the pappy guy the Giants had enough of, the old man Cleveland couldn't squeeze, into its second place pitching staff.

It was Sal, the one-time Dodger killer, who beat Milwaukee for Brooklyn's over-night share of the

National League lead two weeks ago. And last night, it was Maglie again, this time using his curve and control to gain his first no-hit, no-run game with a 5-0 masterpiece against Philadelphia that kept the Dodgers within three percentage points of the first place Braves.

NEED POLICE ESCORT — Pitching here Sal Maglie needs a police escort to clear the way to the dugout after his 5-0, no-hit victory over Philadelphia yesterday. Even Dale Mitchell of Dodgers gets a push from one of the officers,

but not before he gives Maglie a congratulatory handshake. Ebbetts Field fans poured onto the field after Maglie got the last Philly out in the final stanza.

Gains Most Important Victory

Brooklyn Happy Over Day It Got Sal

BROOKLYN (AP) — Sal "The Barber" Maglie has done it again.

The ancient mound magician pitched a 5-0 no-hit victory against Philadelphia last night to keep Brooklyn on the heels of the Milwaukee Braves and make it possible for the Dodgers to climb into a first place tie today.

Manager Walter Alston, after blessing the day the Dodgers acquired the former Dodger killer,

nominated Don Newcombe, his 26-game winner, to hurl against Rob in Roberts and the Phillies this afternoon.

Newcombe will work with a two-day rest, one day less than Maglie had when the 39-year-old right-hander pitched his masterpiece which enabled the Dodgers to hang within a half game of the Braves who earlier had all but knocked Cincinnati out of the National League pennant race with a 7-1 triumph.

Sal was at his magnificent best as he faced 29 batters, permitting only three to reach base—hitting one batter and walking two. A double play followed one of the walks.

Only once did the Phillies come close to connecting safely. That was in the second inning when Willie Jones drove a hard grounder up the middle. Shortstop Pete Reese, playing in his 2,000th major league game, darted to his left for a fine stop and throw to retire the batter.

Maglie was inclined to minimize what may have been the best pitched game of his brilliant career.

The chilled crowd of 15,204 stood up and cheered his every pitch in the ninth inning. When he finally disposed of Marv Blalock for the final out, the delirious fans, who so often jeered and hooted him when he was with the Giants, swarmed out on the field, all seeking to hug their new idol.

"Sure, I knew I was working on a no-hitter," Maglie told reporters when he finally was able to make his way into the clubhouse. "I've been around long enough to know what's going on. No, it didn't bother me one bit."

"In this game, you either do or you don't. It's not the first time I had a no-hitter going into the late innings. In fact, twice I was within outs of getting one right here when I was with the Giants. Once, when I was pitching in the Mexican League, I had a no-hitter for 8 2-3 innings but the next guy got a hit off me."

Roy Campanella, whose two run homer in the second inning, was all Sal needed, said he had caught two other no-hitters but called Maglie's the most important he ever handled.

At 39, Maglie is the oldest National League ever to pitch a no-hitter—and ironically, it overshadowed a splendid six-single job by Warren Spahn, another comeback guy, who pitched Milwaukee to a 7-1 victory over Cincinnati and all but shut the door on Redleg pennant hopes. It was the 20th victory for the 35-year-old southpaw, prematurely tagged a has-been last season.

So, with only five days remaining, the race stacks up with Milwaukee on top with a 91-60 won-lost record and a .603 percentage. The Dodgers are a half game back at .600 by virtue of a 90-60 mark. Cincinnati is 89-63 for .586. Brooklyn plays four more, the Braves three and the Redlegs a pair.

Even if the Redlegs sweep their remaining two, at Chicago Saturday and Sunday, the Cincys are dead should the Braves win even one of their remaining three, beginning Friday night at St. Louis. Two more victories by Brooklyn, facing Philadelphia again today with a chance to deadlock the Braves before a windup three-game series with Pittsburgh this weekend at Ebbetts Field, would chill Cincy, too.

St. Louis clinched fourth place by defeating Chicago 5-1 in a doubleheader opener, then lost to the Cubs 6-2 in the nightcap, cut to 7½ innings by darkness. New York's Giants moved within a game of sixth-place Pittsburgh with a 10-0 decision over the Pirates, who had just taken three of four from Brooklyn.

In the American, the champion New York Yankees belted Baltimore 11-6; Cleveland beat Kansas City 4-1 in 10 innings for Early Wynn's 20th; Detroit spilled Chicago 5-3, and Boston whacked Washington 10-4.

Maglie, gaining his third shutout with his 12th victory, allowed but three base runners—walking two and hitting Richie Ashburn with a two-out, 1-2 pitch in the ninth. He retired the first eight men he faced, gave up a walk to loser Jack Meyer, then knocked off 13 in a row.

The Dodgers, held to just four hits by three pitchers, scored three runs in the second on two hits—one a two-run homer by Roy Campanella, his 19th. Stan Lopata's error produced two unearned runs in the third.

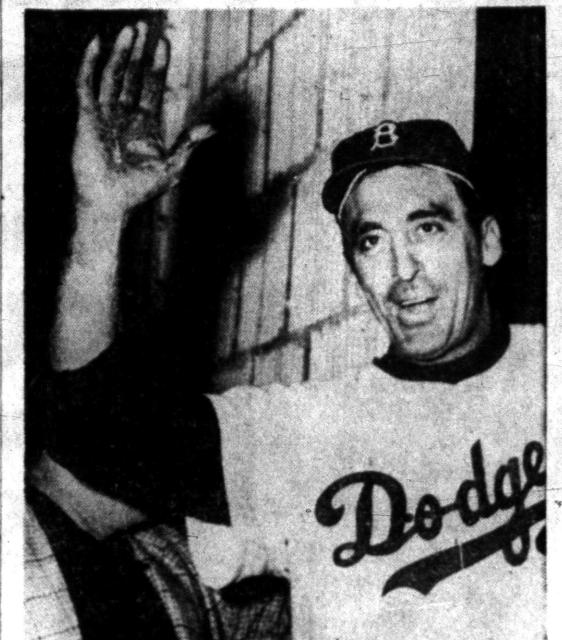

Dodger Carl Erskine has the

only other NL no-hitter this season. He beat the Giants May 12 at Ebbetts Field. Boston's Mel Parnell gave the AL a no-hitter July 14 against Chicago.

Spahn, missing a shutout on three singles in the third, doubled home two runs for a 3-0 lead that chased Larry Jansen in the second inning. The Braves had 15 hits off six pitchers while cracking

Cincinnati's winning streak at six games.

Spahn, a shaky 17-14 last season, now has seven seasons of 20 or more victories—joining Christy Mathewson (13) and Grover Cleveland Alexander (9) in a select NL group. He's also the only Milwaukee pitcher to win a complete game since Labor Day, doing it off six pitchers while cracking

THAT NO-0-0-0-0 HIT FEELING — Veteran pitcher Sal Maglie, old pro at 39, whose hurling has been a real mainstay of the Dodgers this year, smiles happily after posting his no-hitter against Philadelphia yesterday at Ebbetts Field, to enable Brooklyn to stay right on the heels of Milwaukee in the hectic pennant race.

Stanford to Take Air Route Against MSU 11

PALO ALTO, Calif. (AP) — Stanford's 36-year-old football coach Chuck Taylor must rate as one of the nation's top exponents of the forward pass.

Blessed again with a pair of sharpshooting quarterbacks, the Indians of 1956 figure to take the air route as far as it will take them, and the early predictions had the Rose Bowl as the destination.

Stanford opposes Michigan State here Saturday. The Indians opened their season last weekend with a 40-26 decision over Washington State.

Stanford's running attack can be classed not much better than fair, but the passing of T-former quarterback John Brodie and his understudy, Jack Douglas, makes up for the difference. Behind that pair come sophomore Bob Nicolet and Jack Taylor, switched from halfback.

Brodie last season connected on 76 of 133 attempts for 1,024 yards and an average of 57.1 per cent. Only seven of his passes were intercepted. Douglas, then a third stringer, had 22 completions in 46 tosses and only one fell into enemy hands.

That could be true of the Indians this season since in addition to the throwers, they've got one of the best end squads in their history, including Carl Isaacs, Jerry Freis, Gary Van Gilder, Joel Beatie and a sophomore 200-pounder, Ben Robinson.

Michigan State, however, has warm memories of West Coast hospitality. Understandable, since Spartan football teams have beaten their last eight Pacific League opponents.

Mikes, Rams Seek Griffin Award Sunday

An old gridiron feud will be resumed Sunday afternoon at Wisner Stadium when St. Michael and St. Frederick clash in their annual intra-city spectacle.

At stake in this 22nd renewal of a bitter cross-town rivalry will be the Steve Griffin Memorial Trophy, authored by Miss Rose Griffin in honor of her late brother.

The trophy becomes retired by the 1st team to gain three victories. A new trophy was introduced last year and St. Mike scored a 26-13 triumph to take the 1st step toward permanent possession.

Since its inception in 1942, three Griffin Memorial awards have been permanently retired. The Shamrocks claimed the trophy in 1951 and 1954 with 19-14 and 34-0 decisions respectively.

St. Fred has not retired the traveling award since 1946 when the Rams defeated the northsiders, 26-12.

The Mikes now hold six straight victories over St. Fred. The overall series record shows 11 wins for St. Mike, seven for the Rams, and three ties.

St. Michael-St. Frederick record:

St. Michael	Year	St. Frederick
26	1955	13
34	1954	0
25	1953	0
14	1952	13
19	1951	14
26	1950	24
7	1949	26
4	1948	7
13	1947	6
12	1946	26
25	1945	0
26	1944	0
0	1943	25
0	1942	28
7	1941	0

OCSC Sets Up Beagle Trial

Five-Day Event Will Begin Oct. 11 at the Sashabaw Ranch

Dates have been set up for the 5th annual licensed beagle field trial, sponsored by Oakland County Sportsmen's Beagle Club. The affair will run for five days from Oct. 11 to Oct. 15 inclusive.

Trial will attract some of the state's finest beagles, trial officials say. It will be run on the Sashabaw Ranch layout and entries will be taken each day to 8 a.m.

Judges include Leonard Moffet of Kaskauga, Ia., and John Nelson of Battle Creek. Fred Stanley is trial chairman and Ralph Thwing is secretary.

Events include—Oct. 11, 13 males; Oct. 12, 13-14 females; Oct. 13, 15-16 males; Oct. 14, 15-16 females; Oct. 15, open event.

Chiefs, Dales Continue Old Rivalry on Gridiron

By H. GUY MOATS

Renewal of another old-time football rivalry was scheduled Friday night for Pontiac's gridiron fights. Coach Ed Graybill's crew meets Ferndale's club, a better-than-it-showed outfit that lost to Grosse Pointe last weekend, 19-0.

Friday's tilt is set for the Ferndale field. Starting time is 8 o'clock.

Chiefs hold an edge over the Dales in the series, started back in 1931, when PHS won 25-0. In the last engagement between the schools, Chiefs won, 33-0, a year ago. Ferndale won 7-6 in 1954 and down the years previously these PHS-Dale battles have always been hard-fought and interesting.

Pontiac's club has experienced a rash of minor ailments, slight injuries this week that have slowed up some key performers and could sideline some of them Friday night. On this list is No. 1 quarterback Dick Whitmer, who had a slight recurrence of asthma, same thing that kept him out of the opener. However, he was in yesterday's scrimmage and was expected to be ready for at least part-time work Friday.

There was also a possibility that Jimmy Shorter would be cast in another of his various jobs, at fullback in case Whitmer is OK. Shorter probably will go in the

middle-back spot. He's good at it, too.

Other starters will include about the same list that opened against Sexton: ends Cagle and Baxter; tackles Holloway and Kelly; guards Kers and Larry Lamphere (his 1st start); center, Joe Hill; backs—Whitmer, or Shorter, Freeman Watkins (lh), Spann or Shorter (fb), McDonald (rh).

For Ferndale, Coach Ted Meister is expected to start Jack Smith and Jim Santee (co-captain) at ends; Clayton Ploch and Dick Royer at guards; Dennis Blumman at center; Dick Wyatt and Chef Dietrich at tackles; backs, probably Ken Schultz at quarterback where Meister is still experimenting; Larry Brown (rh), Larry Wepling (lh) and Dick Sergio (fb).

Dales were reported in good physical condition, and coaches predicted another close game, if "the club performs up to its potential."

TUESDAY'S FIGHTS
PHOENIX, Ariz. — Zora Folley, 195, Chandler, Ariz., outpointed Nino Valdez, 209, Havana, 19.
LOS ANGELES — Rudy Garcia, 125½, Los Angeles, knocked out Jose Lopez, 134, Mexico City, 1.
LAKE CHARLES, La. — Floyd East, 137, Lake Charles, stopped Pete Sanchez, 143, Houston.
PHILADELPHIA — Bobby Douglas, 146½, Philadelphia, outpointed Bobby Roazgo, 133½, New York, 8.

Open League Play

Maples, Bathers Go Friday

Opening gun of the Eastern Michigan League will be fired Friday night at Birmingham, when Carl Lemle's Maples tackle Mt. Clemens outfit that could prove very difficult.

Both Lemle and Coach Bill Mowry (in his 1st year as Bathers' mentor), believe that if their clubs come along as they should at this time, a victory is not out of the picture. Each has high respect for the other.

Maples split in their two games and Bathers have dropped two.

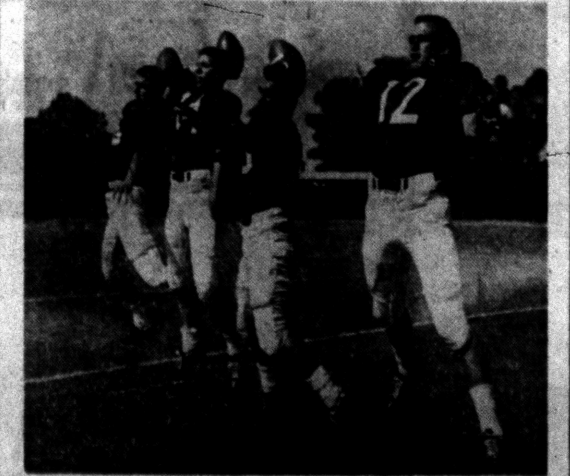

Little change will be noted in either Lemle's lineup, or the starters Mowry used against Grosse Pte. last week.

They include, for Birmingham—center, Dick Miller; guards, Jim Fry and Jerry Rennell; tackles, Carson James and Jack Palmer; ends, Jim Sechrist and Big Bob

Isbell (who is regarded as one of the Maple aces Bathers will have to contain); quarterback, Dave Ritchie; left half, Mike Nordstrom; right half, Tony Evangelista and fullback, Chuck Gibson.

For Bathers—ends, Jim Martens and Glenn Snow; guards, Ron Woltman and Bob Gibson; center, Bill Albee; tackles Harry Zurawski and Jay Hartford; backs (qb) Bob Plonka, (rh) Cornelius Simpson (rh) Joe Dienes and (fb) Jack Smoot, rated Bathers' biggest threat.

Chasing The Home Run Record
Cincinnati Redlegs—220 (major league team record is 221 set by New York Giants in 1907).
New York Yankees — 196 (breaks AL team record of 182 set by Yankees in 1905).
National League—2,154 (record is 2,383 set in 1955).
American League—1,653 (breaks record of 973 set in 1950).
National and American combined—3,247 (breaks record of 2,524 set in 1955).

Jay Back Leads County Scoring

BY BILL CORNWELL

half of the two-game output by walloped Marine City, 33-6, and of the county's leading point-makers.

Ron Brewer of Southfield and Inlay City's Orill Frantz, a pair of classy halfbacks, are leading all scorers of 35 Oakland County and 12 area high schools after the 1st two weeks of the 1956 season.

The shifty Brewer accounted for his six touchdowns in the same afternoon. Held scoreless while the Jays were blanking Birmingham, 21-0, he ran wild last Friday as they buried Notre Dame under a 53-0 avalanche.

Both Brewer and Frantz have rambled to six touchdowns for a total of 36 points, barely under Frantz, meanwhile, was evenly dividing his six-pointers as Inlay

Trailing the co-leaders by only one touchdown are powerful Jim Kearney of Bloomfield Hills and Dryden's tricky Bill Avery. Kearney scored four times in the season opener against Oak Park.

Rochester and Walled Lake, currently ranked among the state's top 10 Class B schools, boast two

Legal Betting Gains Heavily

Inglis Says State's Crackdown Indicated Big Illegal Take

DETROIT (AP) — The state commissioner of racing said today there are "strong indications" that illegal bookmakers made thousands of dollars a day off the state and the Detroit Race Course before a crackdown at the track last week.

Commissioner James H. Inglis said a study of legal wagers placed through the mutual windows indicates that per capita betting jumped \$5.60 daily immediately after official action to stamp out bookmaking.

Inglis said it "is more than a coincidence" that the legal wagering increased so noticeably. He said it is a strong indication that much of the track handle was being lost to bookmakers and that other illegal operators have been frightened away from the track.

CHAMPION — The handsome cocker spaniel, displayed above by Howard Bebeau, her handler, has just become a champion. She completed her championship with a win at the recent Livonia show for the required 15 points. Ch. Model Maid (Taylor's Black Knight, Young's Miss Naughty) is owned by L. R. Stanley of the Pontiac school system (Hawthorne School). She is not quite two years old, and is the star of the Stanley kennels, "Del-Chita."

80-Yard TD Gallop Marks JV's Victory

An 80-yard touchdown gallop by Johnny Zeeman started Milford's junior varsity 11 on a 31-6 victory march yesterday at Clarencville, where a big crowd of junior grid followers watched their team perform. JV's wore brand new red and white uniforms.

Zeeman later on made another TD, along with Jim Schreiber (2) and Terry Anderson's 25-yard pass-25-yard-run TD. Zeeman grabbed a punt on his own 20, raced rest of the way. JV Coach Bill Golden used 36 players, took 47 along.

Clarencville's TD was made by Tom Davis on a short buck.

Hunters Await Opening of State Duck Season

LANSING (AP) — Michigan hunters will be out en masse Monday for the opening of the duck season, the archery deer season and seasons on several types of small game.

Most of the hunters will take to the marshes in search of waterfowl. The State Conservation Department predicts this season will be about the same as last year's—a good one.

Monday marks the opening of Upper Peninsula seasons on sharp-tailed grouse and prairie chickens, Woodchuck and raccoon also may be hunted in northern areas beginning Monday, but will not become legal game in lower Michigan until Oct. 20.

The statewide bear hunting season under small game licenses also opens Monday. Bear may be hunted also under a bow and arrow license beginning next week.

The waterfowl season, covering ducks, geese, coots, rails and gallinules, ends Dec. 9. A shorter

season on woodcock also opens Monday in the northern areas, as well as a statewide season on Jacksnipe.

Obedience Classes Open on Thursday

First of the fall and winter obedience training classes for dogs, under Southern Michigan Obedience Training club auspices, gets under way Thursday at 8 p.m. Classes will be held in Daniel Whitfield School, Orchard Lake road, just west of Telegraph.

Further information may be had by contacting John Eicher, FE 2-4867.

Aggie Gets MVC Vote

By THE ASSOCIATED PRESS

Oklahoma A & M halfback Duane Wood, one of a flock of fleet sophomores who have brightened aggie football prospects, today was named Missouri Valley Conference back of the week.

Wood, who led his team's 27-7 conquest of Kansas State, won over Bill Dando of Detroit in the first weekly Associated Press poll of sportswriters and sportscasters. Candidates are nominated by the Valley coaches.
