## Record number of Business Students attend OU Career Fair

Over 500 Oakland University students and alumni attended the Career Fair hosted by OU Career Services. In fact, SBA students represented the largest percentage of students attending. " Each year we coordinate a career fair in both the Fall and Winter semesters to provide students with access to companies that are specifically looking to hire OU students for full time positions as well as internships", reported Brenda Paine, Assistant Director of Career Services.

The Career Fair held on January 28, 2009 exhibited 43 various employers, such as Compuware, the CIA, Dominos, Walgreens, State of Michigan, PriceWaterhouseCoopers, and Rehmann to name a few.
