

ROKs Fear U. S. Withdrawing Men

Hospital Bond Issue Vote Likely Nov. 2

Says 3 Divisions to Leave Korea by End of Year

Pontiac May Get Second Chance to OK Expansion

City Commission Hears 1st Reading of Measure for \$3 Million Addition

City property owners probably will be asked for a second vote Nov. 2 on a proposed \$3,000,000 tax-supported bond issue for expansion of Pontiac General Hospital.

Pontiac City Commission last night passed first reading of an ordinance placing the proposal on the November ballot.

If given the expected final approval next week by commissioners the ordinance will take effect.

With a slight wording change, the ordinance is the same presented to property owners April 3 which failed to obtain the needed 60 per cent "yes" vote, although a majority of 6,031 favored it with 4,766 opposed.

Voters April 5 did approve a 1-mill (\$1 per \$1,000 of assessed property valuation) tax - limit increase to back a bond issue, and no second vote is required on approval of tax money to retire the bonds.

City Manager Walter K. Williams last night reaffirmed his former statement that only half of the 1 mill authorized would be taxed, if bonds are issued, and the hospital paying the other 1/2 mill from its income.

"We could still hold our tax rate at the 1953 figure of 13.80 mills," said Williams (\$13.80 per \$1,000 of valuation).

He explained the 1/2 mill would in part take the place of the 2 mills now taxed for debt payments no longer needed after this year. The other 1/2 mill would be used for debt retirement will be used for public improvements other than (Continued on Page 2, Col. 3)

Vietminh to Return Gen. De Castries

LONDON (AP)—Peiping radio announced today that Brig. Gen. Christian de Castries, the French commander at Dien Bien Phu, will be among 280 French officers to be turned over to the French by the Communist-led Vietminh.

The broadcast gave no exact date, but a dispatch from Hanoi said the exchange of prisoners between the French and Vietminh was scheduled to begin today at Viet Tri on the Red River.

De Castries was taken prisoner when the French fortress in Indochina fell on May 7 after holding out in the face of greatly outnumbered forces. De Castries' performance won him a battlefield promotion to brigadier general from colonel and praise from Western leaders, including President Eisenhower.

Native of Pontiac Joins Klondike Rush, Stays in Alaska as Trapper and Guide

By JOE HAAS

Pontiac Press Staff Writer

SKAGWAY, Alaska—This furthest north port on our cruise came into being with the Klondike rush of 1898. It now is a ghost town.

It was here the gold seekers left their boats and commenced their long unmarked overland trek through treacherous mountain passes to the Klondike.

It then quickly grew to a town of 10,000. It now has less than 500.

In Skagway's boom days it had 50 saloons, a dozen gambling joints and all of the accessories that go with them.

Today it has a far different claim to distinction; in fact, two claims. It is the southern terminal of the White Pass and Yukon Railroad

which leads up into that same Klondike region, now no longer being strongly worked for gold, and it has become known as 'the flower city of Alaska.'

The railroad was built to make easier access to the gold fields, and is a marvel of engineering skill.

The flower gardens are also possible for two reasons, the enterprise of the few remaining citizens

Housing Probers Due in Detroit

Senate Banking Group Coming Sept. 23; Will Check Loan Chiseling

WASHINGTON (INS)—Senate Housing Investigators disclosed today they will hold public hearings in Detroit and Indianapolis next month to expose racketeering and chiseling on government - insured housing loans in the two big mid-western cities.

The Senate Banking Committee said it has cancelled plans to stop off four days in Cleveland beginning Sept. 20 as part of a series of nationwide hearings on Federal Housing Administration scandals.

Instead, committee officials said the group now plans to spend Sept. 20-21 in Indianapolis and Sept. 23 and 24 in Detroit to investigate home repair racketeering and windfall profits collected by builders on FHA-insured apartment projects.

Meanwhile, a top housing official charged that former high FHA officials were paid "very substantial sums of money" in return for approval of government - insured loans.

Deputy Housing Administrator William F. McKenna said his probe of the FHA has uncovered evidence of "corruption in high places"

UF Elects Two, Sets \$525,823 as Drive Goal

Olson and Muldowney Named as Trustees; Quota Up 7.8 Pct.

Two new members were elected to the Pontiac Area United Fund Board of Trustees Tuesday, as the 1954 campaign dates were set and the goal of \$525,823 announced.

They are Marvin J. Olson, plant manager of the Fisher Body Pontiac Division, who fills the vacancy caused by the resignation of Carl Moyer; and Harold J. Muldowney, new president of the Community Chest of Pontiac.

Muldowney replaces Harold Howlett, whose resignation as Chest president was made known Tuesday.

The United Fund drive will start Oct. 19 and end Nov. 4.

United Fund leaders were confident that the \$525,823 goal would be met. The quota is 7.8 per cent more than the 1953 goal, but only 3.5 per cent greater than the amount raised in last year's campaign.

William B. Hartman, United Fund board president, said the increased sum is urgently needed to meet the growing demand for United Fund services in the area. The 1954 United Fund combines in a single drive the requests of 35 health and welfare agencies.

Fund requests for these agencies had totaled \$488,506, but were reduced to \$404,823 by volunteer budget panel members, who made detailed studies of each agency's need. The final approved sums are considered the least possible in order to maintain adequate services for the people of this area.

The \$525,823 goal includes reserve funds against contingencies and collection losses.

German Strikers Brawl With Police

MUNICH, Germany (AP)—A thousand striking metal workers brawled for an hour with 400 policemen today before Munich's huge Siemens electrical plant. It was the city's biggest riot since the strike idling 220,000 Bavarian Metal workers began 10 days ago.

Twenty-one persons were injured but there were no arrests. The battle started when pickets attacked nonstrikers on their way to work. Two hundred policemen waded into the fray, swinging rubber truncheons. Flying squads of pickets counterattacked the police from the rear and 200 more police were rushed into the melee.

Shortly after the riot most of the pickets left the scene and the plant management said 90 per cent of their 2,000 employees reported for work.

Sheppard Back in Jail

CHECKING IN—Carrying his street clothes after changing to prison garb, Dr. Samuel Sheppard is shown checking back into county jail in Cleveland last night. He will await trial on a first degree murder indictment. Sheppard is accused of beating his wife Marilyn, 31, to death at their Bay Village home on July 4.

GOP to Urge \$200,000 Cut in Ionia Dorm Appropriation

LANSING (AP)—At the start of today's special session of the Legislature, Republican leaders said they would urge a \$220,000 cut in Gov. Williams' recommendation to build a new dormitory at Ionia State Reformatory.

Sen. Elmer R. Porter (R-Blissfield), chairman of the Senate Finance Committee, said he believed the committee would recommend an appropriation of something over \$400,000 instead of the \$660,000 asked by the governor.

May Postpone McCarthy Quiz

Senator Watkins Says Probe May Be Put Off for a Few Days

WASHINGTON (AP)—Sen. Watkins (R-Utah) said today the special Senate committee to investigate charges against Sen. McCarthy (R-Wis.) may have to postpone for a few days the scheduled Aug. 30 start of its public hearings.

Watkins, head of the committee, made the statement at a news conference held in connection with former Republican Congressman E. Wallace Chadwick's taking on the job of counsel to the group.

Chadwick, a Chester, Pa., lawyer, pledged to do "an impartial, objective job."

Watkins also said he had been advised that McCarthy's defense counsel, Washington lawyer Edward Bennett Williams, had refused to accept as a fee any part of a \$10,000 fund the committee had set aside from its own money to provide McCarthy with counsel.

Williams had announced last night he considered it would be "improper" for him to accept money from the committee.

On another front the Senate investigations subcommittee scheduled morning and afternoon meetings in its efforts to hammer out a verdict on the already completed McCarthy-Army hearings.

Chairman Mundt (R-SD) told the Senate last night he expects to file a report before the Senate recesses, which may be by week's end. But since the Senate "has the habit of recessing rather spontaneously," as Mundt put it, he got Senate permission to file during recess if necessary.

Looking toward the investigation of the latest charges against him, McCarthy requested the special committee to pay for a lawyer of his own choosing. But Williams said:

"You can't be McCarthy's counsel and employed by the committee too with propriety."

The lawyer declined to discuss whether he might get a fee from other sources.

Veteran Solon Dies Suddenly in Washington

Michigan Congressman Shafer Was in Congress for 18 Years

WASHINGTON (AP)—Michigan Congressman Paul W. Shafer, a veteran of 18 years in the U.S. House of Representatives, died yesterday in Walter Reed Hospital.

The 61-year-old Republican from Michigan's third congressional district died after complications set in following surgery Friday. The operation was performed to correct a liver condition.

Shafer, a member of the house armed services committee, died just six weeks after the death of his wife in Battle Creek, July 5. His physician said he had been failing since Sunday.

Shafer's death shocked his friends both on Capitol Hill and at his Battle Creek home.

On Aug. 3 he had been renominated for a 10th term in office. He was first elected to Congress in 1936. The term began in January, 1937 and Shafer had been a member of the House since that time.

A few hours prior to Shafer's death, Michigan Republican state central committee headquarters in Detroit said it had received a letter from the lawmaker designating the membership of the Republican committee from his district. The letter was dated Aug. 12.

This committee is expected to nominate a candidate to replace (Continued on Page 2, Col. 2)

Hoover's Son Is Dulles Aide

Senate OKs Selection of Herbert Jr. as New Undersecretary

WASHINGTON (AP)—Herbert Hoover Jr. won unanimous confirmation today as undersecretary of state.

His name was brought up shortly after the Senate met and was approved without debate by voice vote.

The Senate Foreign Relations Committee quickly approved his nomination after the White House announcement last night. He was confirmed by a voice vote this morning shortly after the Senate met.

Hoover succeeds Walter Bedell Smith as right-hand man to Secretary of State Dulles. Smith is retiring at 68 from the military - diplomatic career on which he embarked 43 years ago.

"I am very much honored," Hoover told reporters. But he would say no more pending final Senate action.

Hoover, a petroleum engineer, has been an adviser to Dulles for about a year. As a troubleshooter he recently won worldwide attention and praise for his part in settling the three-year-long British-Iranian oil dispute.

His appointment caught many of guard. As recently as last weekend—and four months before that—he had been saying he would not accept the position.

The under secretary's job involves a lot of paperwork, among other things, and associates said Hoover had a typical engineer's dislike of desk work.

Another factor was a basic disagreement over tariffs reported between Hoover, on the one hand, and Eisenhower and Dulles.

Dick Tracy Promoted to Zanesville Sergeant

ZANESVILLE, O. (INS)—Years of faithful sleuthing have paid off in real life, if not in fiction, for detective Dick Tracy.

Tracy, public eye on the Zanesville force, has been kicked upstairs to sergeant. He got there by scoring a fearless 92.2 on a civil service examination.

Taken By Death

REP. PAUL W. SHAFER

Saginaw Walk Repair Slated

Wrenn Says Work Will Begin Soon in Business Area

At Pontiac City Commission meeting last night City Engineer Lewis M. Wrenn was directed to proceed with repair of sidewalks on Saginaw street in downtown Pontiac.

Commissioner Harcourt S. Patterson requested the program, saying the business section sidewalks needed immediate work in several spots.

Wrenn said he would begin work as soon as possible.

In other action, a SDD package liquor license was approved for Joe Jim and Paul Felice at 229 S. Telegraph Rd. and a SDD package beer and wine permit for Shannon Garner at 27 Mechanic St.

Commissioners Floyd P. Miles (District 4) and Harcourt S. Patterson (District 2) voted against the licenses.

Action was deferred for two weeks on a request from Max A. Maxim that a tavern license be transferred from 65 1/2 N. Saginaw St. to 922 Highland Blvd.

Engineer's cost estimates were accepted and public hearings on intention to construct set for Aug. 24 on proposed construction of (Continued on Page 2, Col. 6)

Showers Predicted for Pontiac Tonight

Occasional showers and thunderstorms are predicted for the Pontiac area tonight and tomorrow.

The U.S. Weather Bureau forecasts a low of 64 to 68 tonight and a high Thursday of 78 to 82.

Yesterday's temperature ranged from 52 to 76 in downtown Pontiac. Today at 8 a.m. the thermometer registered 63. At 1 p.m. the temperature was 69.

Farm Measure Passes, Commie Bill in Trouble

WASHINGTON (UP)—The Senate early today passed and sent to the White House the administration's compromise farm bill, handing President Eisenhower a smashing legislative triumph.

The controversial bill was passed by the Senate shortly after midnight following a last-ditch fight by farm state senators which threatened temporarily to defeat the measure.

Earlier the House approved the bill 208 to 47 after beating down a farm bloc move to kill it.

The surprise Senate attack on the bill was so determined that Senate Republican Leader William F. Knowland (Calif.) sought a recess to regroup his forces in a new session later today.

But Democrats demanded a roll call vote on Knowland's move. The Californian finally withdrew his recess motion after enough supporters of the bill reported on the floor.

Thirty-one Republicans and 13 Democrats voted for the bill; 22 Democrats, five Republicans and independent Sen. Wayne Morse (Ore.) were opposed. Sens. Potter and Ferguson of Michigan voted for the bill.

Senate Democrats were joined

Assembly Fights Move; Army Official Denies Knowledge of Plan

SEOUL (AP)—South Korean National Assemblymen said tonight the United States plans to withdraw all but three U.S. divisions from Korea by the end of 1954.

There are now six U.S. divisions in Korea.

The report was made during an emergency night session of the National Assembly which voted unanimously to oppose a withdrawal.

An Army spokesman in Washington said he had heard nothing of plans for withdrawing part of the 8th Army from Korea.

Assembly Chairman Lee Ki Poong said South Korean representatives in Washington would discuss the matter with top U. S. officials tomorrow.

Foreign Relations Committee Chairman Whang Sung Soo said the United States plans to pull out all but two U.S. divisions and one combined division of U.S. and other U.N. troops.

Wholesale Drop in Coffee Prices Reflected Here

Coffee prices for Pontiac area housewives have already begun to ease in some stores following cuts in the wholesale price of coffee in New York yesterday. More grocers are expected to follow suit as soon as confirmation is received from wholesalers.

One chain of supermarkets even anticipated the drop by trimming four cents a pound off the price Saturday, bringing its price level on all national brands to \$1.19.

An independent supermarket slashed prices 10 cents a pound on all coffee this morning on the basis of the wholesale cut announced by Hills Brothers. The store manager said the market would absorb the loss as the cut doesn't affect coffee already in the store.

Most stores are holding prices at current levels until they get definite information from their suppliers that prices will be dropped.

All were confident, however, that when the drop comes, it will be passed along to consumers.

The cut in wholesale prices came when the Brazilian government reshuffled its complicated foreign exchange setup. While Americans will pay less in dollars for coffee beans, the coffee farmers will get just as much in Brazilian currency.

Yoshida Tour Scheduled

TOKYO (AP)—The influential newspaper Tokyo Shinbun said today Prime Minister Shigeru Yoshida will leave Tokyo by plane for Vancouver, B.C., Sept. 25 or 27

MAKE The Day in Birmingham

Board Awards 1st Contract for High School Addition

From Our Birmingham Bureau
BIRMINGHAM—Board of Education members last night awarded the general contract for the first of an anticipated three phases of construction to enlarge the Birmingham School.

The low bid of \$273,000 submitted by R. Stewart and Co., Inc. was accepted.

Eight classrooms and a new study hall, plus additions to the library, cafeteria and another study hall will be included in the first phase. The one-story structure, extending east and west, will be constructed in the inner court between the library and science wing.

It is anticipated that the new wing can be started at once to relieve crowded conditions there by the end of this fall's semester.

Supt. of Schools Dwight E. Ireland had previously stated that the high school is so crowded that no students will be transferred there this term.

Instead, about 150 students entering the seventh grade will be kept at Adams School, which will be used as a junior high school.

Voters approved a \$3.5 million bond issue in June which will provide for the high school addition, a new junior high school and the purchase of additional building sites.

It was announced last night that bids for the purchase of \$1,750,000

building and site bonds will be received by the board on Sept. 14.

An interview last night was probably the last one to be held by the committee investigating the July fire which took the lives of Mrs. Maureen Couper and her only children, Danny and Larry.

Committee chairman Charles Kass said a self-imposed deadline of Aug. 31 has been set by the three-man committee.

"No one realizes more than we do, that the longer this investigation goes, the less value it will be," he said. "But, unfortunately, mechanical and not man-made delays are holding us up."

All testimony that has been transcribed has been put in order, Kass said.

The investigation was called after a few neighboring witnesses charged negligence on the part of the fire and police department in extinguishing the blaze that started in the den of the Couper residence at 1189 Brookwood.

Mrs. S. Tenney McGraw will open her Buckingham road home to Circle 4 of the Congregational Church at 8 tonight.

Wives of the Lions Club members will be ladies of leisure tonight, for this is the day they've been waiting for, Ladies' Day. The men have worked out an evening of entertainment and no dishwashing involved, for the party will start with dinner at 6:30 at Devon Gables.

Swimming, boating, hiking, all are included on the agenda of tomorrow's YMCA Da-Y program. The hiking and boating will be at Kensington Park, with time for a brief swim afterwards.

City commissioners this week authorized the hiring of Clark J. Adams, attorney, after receiving a temporary injunction restraining the city from selling or restricting zoning on six-city owned lots which voters approved the sale of at the Aug. 3 election.

The suit has been brought by Mr. and Mrs. Mike Harabedian, Mr. and Mrs. Elmer Haack and Mr. and Mrs. Young J. Moore.

The plaintiffs own property near the city lots, in the Maple, St. Andrews, Yorkshire, Coolidge block, which the Commission has refused to rezone from single family residence to business zoning.

State Representative Paul W. Shafer Dies

(Continued From Page One)
Shafer on the ballot in the November election.

Atty. Gen. Frank G. Millard said in Lansing that statutes indicated this committee is empowered to select the candidate since ballots for the election have not been printed.

Shafer was born in Elkhardt, Ind. He entered the newspaper field with his late brother, Chet. The two men published newspapers in Elkhardt, and at Battle Creek and Bronson, Mich.

Shafer got his political start when elected Battle Creek justice of the Peace in 1929 and again in 1933. And when Republican Rep. Henry M. Kimball died in office in 1936, Shafer was elected as his successor by a margin of 4,000 votes.

The margin of that first victory for a House seat was just the beginning. Shafer was never seriously threatened in any of his re-election bids. And only two years ago, he was re-elected on the crest of a 40,000 vote lead.

Shafer is survived by two sisters, Mrs. H. Earl Kanaga of Battle Creek, and Mrs. Frank King of Three Rivers.

Funeral arrangements have not been completed.

Berlin Chimney Sweeps Hired to Bring Luck

BERLIN—It's an old German belief that if you meet a chimney sweeper on the street—or see one on a rooftop—it will bring you good luck.

And Berlin's soot-covered, top-hatted "sweeps" don't discourage the legend.

Many pick up extra change now and then through "accidental" meetings with visiting statesmen, celebrities or plain Berliners.

Newspapers and picture services sometimes hire the sweeps for just such encounters. The papers usually are glad to run pictures of them with their black work suits, silk top hats, soot-streaked faces and "old witch" style brooms.

At the start of the Big Four conference in Berlin earlier this year, news photographers hired a pair of sweeps for "chance" meetings with Britain's foreign secretary, Anthony Eden, and France's then foreign minister, Georges Bidault. The idea was that it would be a good omen for the West in the impending negotiations with the Russians.

Izaak Walton's "The Compleat Angler" first was published in the United States in 1847.

FUTURE GUARDSMEN—Six youngsters who were not old enough to go to Camp Grayling this summer as regular National Guardsmen went along as helpers in Pontiac's 107th Ordnance Co. messhall. The young kitchen policemen are (left to right) Danny Jewell, 14, of 1253 Kirtz, Birmingham; Gale Coy, 16, of 3712 Homewood, Lansing; Warren Marsh, 15, of Wellsburg, W. Va.; Howard Batten, 13, of 67 Mathews St., Pontiac; Charles Shreve, 15, of 4021 Glenwood, Lansing; and Bill Crawford, 13, of 88 Mark Ave., Pontiac. All are relatives of guardsmen. Marsh is a nephew of the 107th commander, Capt. Carl G. Yarling. Batten has five older brothers who are in the 107th, and Crawford is a nephew of Lt. James K. Crawford, 107th executive officer. The mess helpers will be paid by a collection taken among the company's members at the end of the two-week camp this Saturday.

Hospital Bond Issue Vote Likely Nov. 2

(Continued From Page One)
hospital expansion as authorized by voters April 5.

"In my book there would be no tax raise," said Willman. "The \$3.50 figure would be projected."

Although some commissioners expressed opposition to the bond issue, they all felt the public should be allowed to decide.

Mayor William W. Donaldson (District 4) has said that crowded conditions at the hospital have not abated and every reason for the expansion formerly advanced still holds.

Last night Commissioner Floyd P. Miles (District 4) said, "This is a county responsibility along with the city. But it's up to the city residents to decide if they want the entire load."

Commissioner Harry W. Lutz (District 7) said, "I can't see the city of Pontiac working to benefit the whole county. If there's a recession they get the service and we get the debt."

Donaldson stated that the bond issue would mean holding the tax rate where it is rather than letting it drop a half mill. "It only means 20 cents a week for three months to the average city home owner," he said.

If approved, the bonds would be brought back over a 36-year period through 1955. The first tax levy for their payment would be in 1955.

In his opinion, Willman stated, the extent of a hospital expansion would depend on the number of rooms which could be built for \$3,000,000.

A 200 - room addition has been talked of in the past, but there is some doubt 200 rooms could be financed with the proposed sum.

Bertha Claybuesch Dies at Pigeon Home

Word has been received here of the death of Mrs. Ernest (Bertha) Claybuesch, 69, of Pigeon. She died this morning at her home.

Besides her husband, she is survived by a daughter and two sons, Mrs. J. C. Porter of E. Lansing; E. J. Claybuesch of Pigeon and the Rev. Ward H. Claybuesch of All Saints Episcopal Church, Pontiac.

A sister, Mrs. Pearl Hess of Pigeon, also survives.

The funeral will be Friday, at 2 p.m. at the Methodist Church in Pigeon.

In lieu of flowers, the family requests donations be given to either the Methodist Church in Pigeon or the March of Dimes.

HERBERT HOOVER JR.
Sitting at his state department desk yesterday after his nomination by President Eisenhower to be undersecretary of state is Herbert Hoover Jr. He will succeed Walter Bedell Smith who resigned the post. Hoover, son of the former President, has been serving as a special adviser to Secretary of State John Foster Dulles.

County Attorney Allen, 62, Dies

Past President of Bar Association Will Be Buried Thursday

ROCHESTER — Preston Allen, 62, of 485 Gunn road, died Tuesday after a lengthy illness.

Mr. Allen, an attorney associated with the firm of Allen and Kelley, was past president of the Oakland County Bar Assn.

He was also attorney for the City of Royal Oak, and a former member of the Civil Service Commission.

Mr. Allen was a veteran of World War I and was past commander of Frank Wendland Post American Legion, Royal Oak.

Surviving are his widow, Cecil, a daughter, Mrs. Sam McBratney of Washington, D.C.; two sons, John S. and Robert T. of Royal Oak, and a sister, Mrs. Vera Breedlove of Flint.

Service will be held Thursday at 1 p.m. from the Sullivan and Sons Funeral Home, Royal Oak, with burial in White Chapel Memorial Cemetery.

Ask Britain to Aid in Demands on Reds

LONDON — The United States has asked Britain to take over its compensation demands against Red China for the six Americans killed and wounded in the British airliner shot down July 23 near Hainan Island, official sources said last night.

Informants said Washington has proposed that Britain lump its own compensation claims with those of the United States and present them to the Chinese Communists.

Peiping already has rejected two direct American demands for compensation, but has offered to talk over the British claims.

'Wild' Child's Ad Yields Home Offers for Folks

OMAHA — Margaret Mary Howard is, said the ad in the paper, quite a little madcap.

The ad said: "I beat baby sister up, so promise to do likewise to a two-bedroom house or acreage. Have burned down two houses in my 2½ years. Care to make it three?"

The William J. Howards, parents of Margaret Mary, said they received quick offers to rent new homes. Margaret Mary really is, they said, "a nice little mouse" and not a madcap.

Exiled Farouk Yodels With Nightclub Singer

ROME — Exiled ex-King Farouk of Egypt now yodels.

Other guests reported that in the few hours of yesterday morning at a local nightclub, the pudgy former monarch drew up a chair beside a cafe entertainer and sang with her for an hour, topping things off with a Swiss yodeling number.

Dr. John Bolts Eastward at Worst Time for West

By DANIEL DE LUCE
BONN, Germany — Dr. Otto John's treason to the West is a kind of political hydrogen bomb.

In four weeks since the Bonn republic's security chief — a noted protégé of the British Secret Service — deserted to the Soviet zone, his explosive case has:

1. Poisoned Allied-German relations and strengthened Russian diplomacy.

2. Shaken the European army project, which faces the French National Assembly's crucial vote in a couple of weeks.

3. Thrown grave suspicion that all German and Allied intelligence organizations may contain other Soviet double agents.

4. Humiliated Chancellor Konrad Adenauer's government and high Allied officers, who had worked here with John for years in top-secret anti-Communist espionage.

The human suffering from Dr. John's defection ranges from tragedy to trivia:

1. Dead by his own hand, U.S. Counterintelligence Capt. Wolfgang E. Hofer is still a mystery figure. The German-born naturalized American had been John's school chum in boyhood. He shot himself when questioned by other CIC officers in Berlin three days after John's treason.

2. Mrs. Lucie Marien John, seven years her 45-year-old husband's senior, has been left stranded by him in the West. For her, much public sympathy is expressed.

3. A half dozen night club cuties are bereft of the companionship of Dr. Wolfgang Wohlgemuth, the "parlor Bolshevik" who squaled John in his car into Berlin's Soviet sector the evening of July 20.

Thrice married, author of a book on hot trumpet playing and patron of Kurfuerstendamm gay spots, Wohlgemuth has not risked a return to his lucrative Western medical practice.

Glib and dapper, Dr. John is treated as a distinguished guest by the Soviet zone regime and appears to relish the West's consternation. He and ex-Feld Marshal Friedrich Paulus, defeated Nazi commander at Stalingrad, are now propaganda pals in the Red "peace camp."

Paulus is writing to survivors of the German officer corps in the Bonn republic, inviting them to do their utmost to kill the EDC and to agitate for reunion with East Germany on Russia's terms.

Paulus dangles the prospect of revived careers for the officers in a new national army and harks back, to historical periods when German power in Europe was based on alliance with Russia. Intelligence sources estimate East Germany's armed forces at present at 130,000 men.

Dr. John is expected to become a weekly commentator on the big Communist radio station Deutschland, with his political messages beamed at West Germany.

His song is pitched in a different key than Paulus', but it means the same thing for Russia.

He declares former Nazis are back in government power in Bonn — the percentage actually is less than in East Germany — and that incorrigible German militarists are plotting with the United States to attack the Soviet Union.

Dr. John calls on West Germans to imitate the British, who he says are striving to find a modus vivendi with the Communist half of the world.

And he repeats dramatically what many of his countrymen already fear — if there is another war, Germany will be obliterated by atomic weapons at its very start.

The timing of John's treason is one of its most disturbing features to Allied diplomats. Closely associated with the British Secret Service for 10 years, he bolted eastward just when Britain and the United States had hit a post-war peak of dissension in their grand alliance.

Natty in blue suit and wine-red tie, he appeared last week on a flower-decked East Berlin stage to assail what he called the "war-mongering" United States and its best German friend, Chancellor Adenauer, to 400 world newsmen. It was almost the very hour that former Prime Minister Clement Attlee and seven other British laborites had chosen to take off on a flying visit to Red China.

When John spoke of Germany destined to become a field of radioactive death if there is war, his words seemed directed at Britain as well.

It is acknowledged in Western diplomatic circles that for many Britons as for Germans, coexistence with the Soviet bloc looks like the one hope of survival in the thermonuclear age. Their island realm might become a sitting duck for Soviet H-bomb annihilation.

Dr. John's defection has hit a post-war peak of dissension in their grand alliance.

County Women in Service Jobs

Two to Do Consumer Information Work, Part of Extension Program

Two new marketing and consumer agents, Mrs. Josephine Lawyer of Middle Straits Lake and Mrs. Marjorie Gibbs of Royal Oak are now working in the Detroit area for the Michigan Cooperative Extension Service.

The consumer information program is a part of the new Extension agricultural marketing program made possible by recent action of the Michigan Legislature.

As agents, Mrs. Lawyer and Mrs. Gibbs will give homemakers the know-how for getting more food value and dollar value from every food dollar spent.

They will guide homemakers towards improving family diets and food buying practices — ultimately helping not only the consumer but making for more efficient marketing of all agricultural food products.

Prior to her appointment as a consumer information agent Mrs. Lawyer served for six years as the home demonstration agent in Oakland County. Before that time she was a marketing specialist in the Chicago office of the U.S. Department of Agriculture.

Mrs. Gibbs, the second consumer information agent appointed to the Detroit area, has served since 1948 as a senior home economist with the home service department of the Consumers Power Co. in Pontiac.

Working with Extension marketing and retailing specialists, these two consumer information agents will be bringing facts to the food buying public about commodity sources, supply changes, price changes and quality changes in fresh foods.

They will also keep food shoppers up to date on the local situation in frozen, canned and dried foods.

Mrs. Lawyer and Mrs. Gibbs will be working out of the new consumer information office located in room 317B in the Boulevard Bldg. at Grand Blvd. and Woodward in Detroit.

Farm Bill Passes, Red One Held Up

(Continued From Page One)
press conference he believes a majority of the farmers support the overall goals of the administration.

Meanwhile, administration leaders worked behind the scenes today to find compromise language to keep House-Senate legislation "outlawing" the Communist party from damaging existing anti-subversive laws.

Both houses went firmly on record Tuesday for outlawing the party by stripping it of its legal rights and making membership a crime.

But the wording of the provisions brought up a possibility of a veto by President Eisenhower and set the administration hard at work trying to find a compromise to carry out the intent of the law-making bodies without weakening existing laws.

The House dumped the measure into the laps of a House-Senate conference committee which had the job of working out the problem.

The big stumbling block was a relatively short section, sponsored by the Democrats, which would brand as a criminal anyone who "willfully or knowingly" becomes or remains a member of the Communist party. Active Reds would be subject to stiff jail sentences and heavy fines.

The administration strongly opposed the provisions on grounds it would nullify Communist-control laws now on the books and wreck the government's anti-subversive drive.

Its spokesmen talked of hopes to work out a compromise in a Senate House conference committee, but Democrats insisted that the section had been approved and should not be changed.

House Republican Leader Charles A. Halleck (Ind.) said if the bill reached the White House with the disputed section included it would not become law. That was a clear implication President Eisenhower would veto it.

If it chose to do so, the administration could kill off the bill short of the White House merely by failing to call a conference committee meeting to consider it.

2 From County Make Grade in Tourneys

Pontiac High student Bill Martin, and Dick Weyand of Birmingham got past tough qualifying rounds in national junior golf tournaments yesterday. Martin qualified with a pair of 87s at Columbus, O., for the National Caddie championships. Weyand managed to get by the rough 36-hole test at Albuquerque, N. M., with 86-75-161 to join Bob Zimmerman of Jackson, who had 78-80-156, in the 106-man finals field.

Arnold Nedelman, Lansing, with 166, and Jack Reynolds, Pontiac, with 80-96 just missed qualifying for the National Jaycee event, at Albuquerque.

Martin drew Jerry McFarren of Washington, D.C., (76-79-153) as his first round opponent at the OSU course, today. Adam Hardie of Dearborn drew a 1st round bye after a 80-85-165 yesterday.

Rampaging Yangtze Swells Over 97 Feet

TOKYO — The rampaging Yangtze River swelled to another new record high at 5 p.m. yesterday, Peiping radio reported today.

The river, which apparently has run wild through central China, hit 29.7 meters (97.44 feet) yesterday at Wuhan, a tricity industrial complex at the junction of the Yangtze and Han rivers, Peiping said.

Peiping claimed the "dike network guarding (Wuhan) is standing firm."

This report contrasted with those of China travelers whose observations indicate the Yangtze apparently has deluged farm land for hundreds of thousands of square miles in its worst flood in recorded history.

Sharp Sighted Bernard Baruch Locates Estate

BROOKVILLE, N. Y. — Bernard M. Baruch, who will be 84 tomorrow, proved to be a sharp-eyed navigator yesterday during his first helicopter ride.

The financier and elder statesman flew from LaGuardia Airport to the Long Island estate of Alfred Gwynne Vanderbilt for a party opening a hospital benefit drive by the Long Island Industry Fund.

The pilot had trouble spotting the Vanderbilt estate, however, and circled the area.

Then Baruch recognized his own home below and guided the pilot to the Vanderbilt house five miles away.

Hal Boyle Says:
Mare Island Naval Base Marks 100th Anniversary

VALLEJO, Calif. (AP)—Did you ever hear of a community raising \$200,000 to throw a birthday party for a naval shipyard?

It is a bit unusual. But the citizens here have chipped in that amount to celebrate next month the 100th anniversary of the founding of the Mare Island Naval Base by brusque David G. Farragut, later to become America's first admiral.

The long, low island at the northern end of San Francisco Bay had been bought by the Navy for \$83,491, and was the first link in its chain of defenses of the Pacific Coast.

Farragut, who had joined the Navy at the age of 10, was 50 years old then. He had no way of knowing that within another decade he would become the hero of the battle of Mobile Bay, eternally famous for his command, "Damn the torpedoes—full speed ahead."

But Mare Island—named after a lady horse that fell off a flatboat and swam ashore—has produced many another hero since Farragut in the last 100 years. Through five wars it has built 490 naval vessels, repaired thousands of others, served for a century as a major base of America's sea might.

Today it serves the same durable purpose. It is the home of a great portion of our "mothball fleet," carefully cocooned against rust and ready on short notice to prow the sea lanes again.

The entire community is proud of Mare Island's long, proud record. It launched the dreadnaught battleship California—and also Elsa Maxwell. Elsa came here as a refugee from the 1906 San Francisco fire and earthquake, and,

according to local legend, immediately organized a party.

Other Mare Island "firsts":
 The first aircraft landing deck in the Navy was built here on the U.S. Pennsylvania in 1911.

So was the first Navy oil tanker, the Navy's first oil-burning vessel, its first all-welded hull, its first electrically propelled ship (later it became the Langley, our first aircraft carrier) and the largest submarine ever built, the old Nautilus. The destroyer Ward, built here in 17 record-breaking days in 1918, sank a Japanese submarine at Pearl Harbor.

The Mare Island yard didn't exactly launch bandmaster Paul Whiteman, but he once served as a Navy musician here.

During the last World War the shipyard—its shops are among the largest on earth—employed 40,000 workers, including 9,000 Rosie the Riveters, and subcontracted assembly jobs through 50 communities as far East as Denver.

Since Farragut founded it, the yard has grown from 1,000 acres to 2,446, and today is perhaps the largest naval installation in the world. Its equipment has risen to a book value of \$180,000,000. Its 13,000 employees have an annual payroll of \$55,000,000.

Each year its schools graduate 600 trained technicians with the skill to keep on turning out the long line of ships that have kept America's shores inviolate for nearly a century and a half.

But to me one of the most human factors about this sprawling yard is that it not only built the ships that carried men into battle for their country—it also in post-war years made a great record as a naval rehabilitation center for amputees. It taught them to walk on new hopes and new legs.

The war-scarred men who were helped here to rebuild their broken lives are certainly among the brightest testimonials to Mare Island's first century. To repair a ship is an achievement certainly, but to repair a man is a glory.

Red China Cruiser Reported in Service

HONG KONG (AP)—Independent Chinese reports published here today said Red China's only cruiser, the Chungking, has been reconditioned and rearmored and is now in the north China harbor of Tsingtao.

The report aroused unusual interest because of Peiping's current campaign of threats to invade Formosa.

Formerly the British light cruiser Aurora, the Chungking was given to the Chinese Nationalists after World War II.

Her crew defected to the Reds from the Shanghai anchorage in 1949 but Nationalist bombers sank the ship at a mooring in Hulutao harbor, Manchuria. Recently there have been reports that the Communists refloated her and took her to Port Arthur for refitting and regunning by the Russians.

The body of Sir Walter Raleigh was buried in St. Margaret's church, London. The head was embalmed and kept in a leather bag by his widow as long as she lived. What became of it after it was inherited by her son is not known.

Connecticut with a population of two million and an area of 3,202,500 acres has two million acres of forest land.

Providence, (R. I.) College, founded in 1917, is the only college in North America operated by the Dominican Fathers.

2 Texas Counties Hit by Rabies Outbreak

HOUSTON, Tex. (AP) — A U.S. Public Health Service official says Houston and Harris County's rabies problem, in terms of incidence, is the worst he has ever seen in this country.

"I feel very strongly right now that a mass immunization campaign must be made," Dr. Ernest S. Tierkel of the health service's communicable disease center at

Atlanta, Ga., said yesterday. From Jan. 1 through July 30 rabid animals analyzed at the city health laboratory totaled 370. Dogs accounted for 95 per cent of the animals.

How About 'Dry Gulch'?

DETROIT (UP) — A theater showing a revival of the 25-year-old silent film, "The Man In The Iron Mask," with Douglas Fairbanks, Sr., advertised: "There is no reason to stay home. There is none older on television."

LOOKING FOR

A HOME NEAR A SCHOOL?

THE EASIEST WAY

to find it is by reading the "Homes Near Schools" ads in the Classified pages of the Pontiac Press. Featured are homes identified as to school districts in which they are located.

To find the home you desire near the school you prefer, see page 55 in today's Pontiac Press.

Better your living—read the Real Estate ads daily.

She nows kits famous add-a-year hem will take her all through her junior high years. Her off the face velvet hat, with sequins plus gold braid for the first time in sub teen add charm. White wool gloves are a grown up touch, but warmly interlined.

Find 1,000-Yr.-Old Cellar

UPTON, Mass. (UP) — An old stone vegetable cellar on Charles Pearson's property may have been built 1,000 years ago, archaeolo-

gists estimate. Vilhjalmur Stefansson, noted Arctic explorer who inspected the cellar recently, said it resembled one found under ice inside the Arctic Circle and another in Japan.

Changes Seen in Rural School

Warm, Well-Lighted Classrooms Supplant One-Room Buildings

The little red school house is now a vanishing American. It has had to yield to more adequate, consolidated plants, served by buses and serving larger territories. The Central School movement in

New York State offers an interesting example.

"The rural educational landscape is no longer dotted with one-room schools and the old academy buildings of the 1880s," says a report of the Central School Boards Committee for Educational Research.

"In their place stand modern brick schoolhouses—solid, elaborately well lighted, well heated, and designed with thought to the educational program.

"It takes 50 years for an educational invention to reach complete diffusion. The Central School movement has progressed for 40 years. The remaining 10

years should see the job completed.

"The standards by which our schools must be measured are not those of 40 years ago; they must be today's standards. Our goal must be our best estimate of what boys and girls in 1960, 1970, or 1980 will need to cope with the world around them."

35,000 in Extension Work

CHAMPAIGN, Ill. (UP) — The University of Illinois College of Agriculture estimates that more than 34,000 homemakers served as local leaders in carrying out home economics extension programs in Illinois last year.

IQ Tests Determine Intellectual Growth

Parents of school-going youngsters will become familiar with the term IQ, or Intelligence Quotient. The IQ is really an index of rate of intellectual growth, and the score may change with the child's age and experiences. Your child's score is "high" or "low" depending on how others have scored.

This is how the IQ is derived: MA (mental age as measured by tests) divided by CA (actual chronological age) multiplied by 100.

Swimming and Tennis Auxiliary Organized

Bloomfield Open Hunt Members Anticipate Gala Opening of Pool

By RUTH SAUNDERS
BLOOMFIELD HILLS — With just a little over a week left for the new swimming pool at Bloomfield Open Hunt to be completed, committee members for its grand opening on Aug. 28 are hoping for dry weather. The last coat of paint has just been applied and must dry out thoroughly before water can be let in.

A swimming and tennis club has been formed as an auxiliary organization to the Hunt Club and has as its officers Joseph N. Monaghan, Jack R. Davis, Mrs. Everett E. Fisher and Gordon F. Hess. Victor Armstrong is chairman of the pool committee.

His assistants are Mr. and Mrs. Arthur C. Butlerbaugh on the entertainment committee, Mrs. Irving A. Duffy, Mary Collins, Thomas Wagner, J. Curtis Wilson, R. E. Lawlor, David W. Lee and James A. Byers.

Events will start at 3 in the afternoon with a junior and parents' meet, and will continue with exhibitions by Olympic champions until cocktail time in the new patio.

At 6 o'clock there will be a water show and a Gay Nineties bathing beauty contest. An out-of-door buffet supper will be served at 7. Dancing will end the day's festivities.

This Saturday evening Orchard Lake Country Club will celebrate its 28th birthday with an out-of-door buffet supper at the lake-

shore, with strolling musicians and dancing during the evening.

Mr. and Mrs. William T. Gossett and their family will return next week from six weeks in Europe.

Mrs. Warren S. Booth is spending the greater part of each week at her cottage at the Old Club, St. Clair Flats.

Mr. and Mrs. Maynard R. Andree are due back about Sept. 1 with Karen and Cliff from Wyoming. They have spent most of this month there on a ranch.

Mr. and Mrs. R. E. Lawlor have their son-in-law and daughter, Mr. and Mrs. Richard Lynch and their small daughter, Kathleen, as their houseguests. The Lynches are at present living in Libertyville, Ill., but will soon move to California. They left Monday for a week's fishing in Canada, leaving Kathleen in her grandparents' care.

Mr. and Mrs. William Cooper and their houseguest, Ann Kirkwood of Palm Beach, Fla., have gone up to their cabin on Dumdum Island for 10 days.

Mr. and Mrs. Leroy G. Vanderveer and their daughters, Connie and Lindsay, returned today from a motor trip to Cape Cod. They went over to Martha's Vineyard and Nantucket en route home.

St. Dunstan Guild is casting for the opening play of the coming season, "My Three Angels." The

three act comedy will be given in the playhouse Oct. 8, 9, 15 and 16 and Robert Field will play the leading part.

New officers of the guild are Otto C. Thompson, president; John W. Sanders, vice president, and Charles Gieg, treasurer.

Sharing the duties of secretary are Mrs. Waldemar H. Adams and Mrs. David Burnett. Jervis B. McMechan, Mrs. Ted Bennett and Mrs. Benjamin Brewster are other board members.

Going up to Grayling by charter bus on Friday were Mr. and Mrs. W. D. Pittman Jr., Mr. and Mrs. W. W. Drissen, Mr. and Mrs. Lu-

ther Lawrence, Mr. and Mrs. James Wright, Mr. and Mrs. Robert B. Knight and Mr. and Mrs. John S. Judd. They will spend a week fishing on the Ausable River.

Mr. and Mrs. Elliott S. Nichols are in New York as guests of Mr. and Mrs. Frederick Church.

Mrs. John W. Gillette has returned to her home at Wing Lake from a trip to Quebec.

Mrs. Marcus E. Cunningham will return Thursday from a visit to New York City.

Mr. and Mrs. Edwin M. Beresford and Mr. and Mrs. W. E.

Beresford are spending 10 days at Lost Lake Woods. On their way home the Edwin Beresfords will stop off for a visit at Old Trail Inn near Harbor Springs.

Baby's Play Corner Is Ideal Solution

By the time he's a year old, baby needs his own place to play. If you can't give him his own room, then set off a corner of a room that he can have to himself. Here he should have his toys collected, things that he can play with without fear of a reprimand.

MAKE OVER HAIR STYLES FOR SCHOOL

Mrs. Van Johnson WHY DO YOU PREFER BLUE BONNET?

Mrs. Van Johnson, Beverly Hills, California, wife of the prominent movie star, lives constantly in the social spotlight.

"I choose BLUE BONNET Margarine for three convincing reasons. Its sunny-sweet flavor and smooth-spreading quality delight us at the table. Then, while it's loaded with nutrition especially valuable to children—food-energy and both vitamins A and D—it costs little. It definitely gives you all 3: Flavor, Nutrition, Economy!"

Silver Arbor

... By Baronet

LUNCH ON THE PATIO . . . a buffet in front of the fire . . . dinner by candlelight. Any mealtime takes on a new magic when your china is "SILVER ARBOR" by Baronet. The rich platinum and gray of the graceful leaf and flower motif is accented by a delicate platinum line around the rim of the modern Coupe Shape so much in vogue today. On fine, white translucent china made by skilled craftsmen of old Bavaria, "SILVER ARBOR" brings grace and beauty to your table.

'Here Comes Mr. Jordan' to Continue Through Aug. 29

'Unearthly' Hilarity Rocks Will-O-Way as Play Opens

By DONNA ANDERSON
Here comes another good evening's entertainment at Will-O-Way Playhouse.
Producer-director William W. Merrill has brought another new-comer to the stage and has teamed him with one of the season's favorites, George C. Scott. Results? Completely satisfactory.

"The newcomer is punching Paul Barry and Tuesday's opener, Harry Segall's "Here Comes Mr. Jordan," suits him fine.

In-the-know when it comes to the fight game, he is right at home as Joe Pendleton, the pugilist-pilot who is victimized by an over-zealous messenger from heaven and winds up dead 60 years ahead

Creswell Group Hears Speaker

Mrs. William Bray was hostess in her Oakland Avenue home for the Monday meeting of the Eleanor Creswell Society of the Oakland Avenue United Presbyterian Church.

Guest speaker for the day was Mrs. Peter Van Lierop, missionary who has recently returned from Japan and Korea. "Temples of God" was her theme.

She told of the strange temples and shrines she visited. She also cited examples of "living temples," self-sacrificing Korean people whom she worked with there.

Mrs. Walter Napersky was in charge of devotions and special guests were present from the Drayton Plains United Presbyterian Church. Mrs. Donald Wilson assisted the hostess.

Air Conditioning Keeps Car Cool

FORT WORTH, Tex. (INS) — Now you can air-condition your station-wagon without sacrificing seating or storage space.

One company has introduced the new unit in a compact case designed for overhead construction. (Units are installed in the trunks of other passenger automobiles).

Available in either 2-ton or 2-1-3 ton models, the unit case is only 6 1/2 inches deep, clears the top of the windows and does not take up head room. It usually is installed across the top of the vehicle just forward of the rear seat.

In keeping with the new trend for custom-look cars, the cooling case can be painted, or covered with plastic or fabric, to match the interior of the station wagon. Refrigerant lines can be worked in under the upholstery or window frame, or wrapped with matching tape.

Methodist Circles Conduct Meetings

The Prospect street home of Mrs. B. B. Johnson was the setting for the Tuesday meeting of the Mary Eddy Circle of Wilson Avenue Methodist Church. Mrs. G. E. cle. Mrs. Sadie Ritter was in charge of devotions.

Mrs. Fred Johnson of Ferry avenue opened her home for the meeting of the Mildred Pierce Circle. Mrs. Sadie Ritter was in charge of devotions.

Grace Wilson Circle met with Mrs. Ross Woodworth of Hazel avenue. The devotional period was conducted by Mrs. Carrie Young.

of schedule without anybody — or any body.

You'll be just as confused as Joe's friends as the charming Mr. Scott in the title role and the messenger, Robert Bryson, comb the world to find a place to keep Joe's inner being.

You'll have a terrible time keeping body and soul together!

Joan Haddad and Larry Johnson drown husbands in the bathtub and stuff them in refrigerators—but that's all right. They

provide a body for Joe, for a while at least.

Martha Craig plays Joe's heart-throb and Douglas Drury dons his Russian accent from "You Can't Take It With You," only to end up in a straight jacket. As Joe's fight manager, the body-hopping routine tends to confuse him.

Others in on the heavenly hilarity are Mary Shorn, Lois Raisin, Linda Lewis, Martha Buhs, Byron Webster, Bonnie Johnson, Margaret Keusch, Ken Krezel and Frank Dowse.

"Here Comes Mr. Jordan" will play through Aug. 29 at the West Long Lake road playhouse, excluding Mondays. But a word of warning . . . Be careful driving home after the play.

Robert Bryson had an ominous gleam in his eye as he studied his gold encrusted list of who's who in heaven—and watch out for flying saxophones.

"My Three Angels" by Sam and Bella Spewak is next and last for Will-O-Way.

Yanks Win 8th Straight, Fail to Get Tribe Edge

By BEN PHILGAR
Associated Press Sports Writer

"Operation Treadmill" continued in the American League today. The New York Yankees won their eighth in a row, 11-1 over Philadelphia, and again failed to close the three-game gap on the Cleveland Indians who came from behind in the last of the ninth and nipped Detroit 4-3.

Both Chicago teams were doubleheaders. The Cubs whipped Cincinnati 5-0 and 6-1. The White Sox defeated Baltimore 2-0 and 3-1.

Boston edged Washington 4-3 in

their private battle for fifth place in the American League.

A single by Bobby Avila with the bases loaded in the ninth brought victory to the Indians after Detroit twice had held one-run leads. Bob Lemon, who won his 17th game, drove in the tying run in the ninth with a single. Lemon's record shows eight victories in the last four weeks.

The Yankees turned an easy victory into a runaway at Philadelphia with six runs in the ninth inning. Bill Skowron's pinch hit

grand slam homer was the big blow.

Billy Pierce and Virgil Trucks combined for the White Sox' shut-out victory over Baltimore. Pierce, who struck out five in a row at one point, was lifted after walking two men in the eighth. The Sox beat Bob Kuzava for the second time in a week in the nightcap with an 11-hit attack.

Brooklyn scored twice in the first inning on a walk, a single by Pee Wee Reese and a double by Walt Moryn. Surkont walked sev-

en in the first five innings but only his first inning pass to Junior Gilliam hurt him. In the fourth he struck out Duke Snider with the bases loaded and two out.

Three years ago Branch Rickey invited a group of sportswriters to attend the 1954 World Series in Pittsburgh. The only way Pittsburgh will see the 1954 World Series is by television. But the old master's amazing assortment of Greyhound veterans and fuzzy-cheeked youngsters apparently is going to have a lot to say about

where the series will be played. The dead-end but dead-game Pirates own today's longest winning streak in the National League—five games, including a 4-2 triumph last night over the bewildered Brooklyn Dodgers. Pittsburgh has won nine of its last 11, the best record by a Pirate team since 1949 over a stretch of 11 games.

Pittsburgh's streak became the longest when the Milwaukee Braves were beaten 4-1 by St. Louis, ending a nine-game string. The league-leading New York

Giants capitalized on the misfortunes of the Dodgers and Braves with an 8-3 victory over Philadelphia. This put the Giants two games in front of Brooklyn, 4½ ahead of the Braves.

Max Surkont, one of the pitchers Milwaukee decided it didn't need this season, beat the Dodgers on five hits as Frank Thomas drove in three of the four runs.

Johnny Antonelli, also traded away by the Braves during the winter, won his 18th game against three losses for the Giants.

Booker Top Hitter Jets' Nine Dominates Class A Statistics

Statistics released today by the Pontiac Parks & Recreation Department for its 1954 regular-season Class A Baseball League show the reason for the Pontiac Jets' supremacy.

Regular-season champion Jets placed three men among the circuit's top hitters and three of their hurlers among the leading seven pitchers.

Jets' first baseman Judge Booker paced hitters with a sparkling .472 mark, followed by Les Stone of the Auburn Merchants with .405 and Don Russell of the Jets with .403.

Warren Hagyard, also of the Jets, was the top pitcher with a 4-0 mark. Marv Caswell of GMC and Ken Campbell of Auburn had 3-0 records and Jim Williams of the Jets had 2-0. Jack Hruska of CIO was the league's busiest pitcher.

er, working 54 innings. Caswell and Herm Bishop of GMC had the most strikeouts, 36, and Caswell gave up the fewest hits, 10 in 33 innings.

Oliver, GMC Battle to Draw in 'A' Playoffs

Play 4-4 Deadlock in Semi-Final Tilt; Will Play Again Today

Oliver Buick and General Motors battled to a 4-4 standoff yesterday before darkness halted their City Class A Baseball League semi-final playoff game.

Game will be replayed this afternoon at 5:30 at Winder Field. Winner of today's game will meet the Pontiac Jets for the championship Sunday at 2 p.m.

Oliver, trailing 4-1 after 6½ innings of play, came up with a 3-run rally in the last of the 7th to throw the game into a deadlock. Buickmen took advantage of three walks and three GMC errors to score the three runs.

GMC's Marv Caswell gave up only two hits, struck out eight and walked four. Don Ernst relieved him to retire the last man in the 7th. Larry Cates gave up three hits for Oliver, fanned four and walked four.

GMC: 130 000 5-4 2 3
Oliver: 100 000 3-4 2 3
Caswell, Ernst and Berg; Cates and Back.

CADDIE TOURNAMENT MEDALIST—Dick Hauff, 17, a Persian-born war orphan, shows his score card after shooting sub-par golf in the afternoon round of the 36-hole qualifier Tuesday at the National

Ex-Refugee Favorite in U.S. Caddie Meet

By FRITZ HOWELL

COLUMBUS, Ohio (AP)—A decade ago he was a hungry, homeless and frightened kid, dazed by the death of his mother and father as war came to his native Persian hills.

Today he's the No. 1 choice to win the fifth National Caddie golf championship.

That's the big leap made by 17-year-old Dick Hauff of Chicago, who yesterday fired 76-70-146, two over par for Ohio State University's 7,120-yard par 72 "Scarlet" course, to lead the 36-hole qual-

ifier by six strokes. Seven birdies were on his card.

The fine score earned a \$250 college scholarship for the gritty kid. He has another \$250 coming from the 1952 tournament in which he was voted the outstanding sportsman. And if he survives the match play which starts today and winds up Saturday, he'll add another \$1,000.

He'll enroll in Florida State College at Tallahassee in September, shortly after his 18th birthday on Aug. 31.

Dick, a six-year-old, was found by American soldiers. The GI's adopted him, but his No. 1 sponsor was Maj. Frank Hauff of Chicago.

Dick is 5 foot 5 and weighs 142.

He played football for Arlington Heights High School in Chicago but likes golf, which he took up five years ago, much better. He's just like any other caddie-trained American kid, and he does his bag-toting at the Rolling Green Club in Chicago.

Hauff, in today's first round, went against James Dolan of Worcester, Mass., who qualified with 83-86-169. All 53 entrants got into the match play round, no matter what they fired in the qualifier.

Back of Hauff in the 36-hole test were Eugene Borek of New York, and Dick Burgoon of Harrisburg, Pa., who fashioned 75-77-152. John Chimenti of Harrisburg was next with 74-79-153.

Floyd Bartley Wins 'Shoes' Championship

Defeats Walter Cook in Finals of Annual Events Tuesday

Floyd Bartley, a Pontiac Motor employee, last night won the Pontiac Parks and Recreation Department's annual horseshoes pitching contest at Oakland Park.

The champion defeated Walter Cook of Keego Harbor, 25-15, 25-25 and 25-22, in the finals. A field of 16 contestants entered the event.

Bartley, who will represent Pontiac in the state amateur horseshoes contest at the state fair Sept. 4-5, will team with his brother, Lloyd, for tonight's doubles tournament.

Leonard Skaggs, of Pontiac and Cook are defending doubles champions. Competition gets under way tonight at 7 p. m. at Oakland Park.

Georgia Eyes 2nd JC Title

Waterford's Reynolds Cards 86 Tuesday to Miss Qualifying

ALBUQUERQUE (AP)—Davis Adams, 17-year-old Macon, Ga., shotmaker, today spearheaded Georgia's bid to win two successive International Jaycee Junior golf tournaments.

The 9th annual tournament begins today on the 7,250-yard University of New Mexico course with a field of 108 contestants taking part.

Only 106 of these met the 164 or better it took in the 36 holes of qualifying play ended yesterday. The other two were from the Canal Zone and entered the tournament under a ruling allowing all entries from foreign countries to play despite their qualifying scores.

The Georgia bid for a 2nd straight champion meets its most serious opposition from a strong California team headed by Phil Rodgers of San Diego, who lead 73-72-145.

Each state or country was entitled to send a four-man team to qualify for the 72-hole, medal play tournament. Both Georgia and California qualified four men, with the California team edging Georgia by four strokes for the team championship.

Iowan Wins Fierce Scrap in Detroit

DETROIT (UP)—Bob Rossi of Cedar Rapids, Ia., was awarded a six-round decision over Chuck Price, Detroit, Tuesday night in one of the fiercest battles in the history of the Motor City Arena.

The two fighters fought toe-to-toe throughout the fight and had each other alternately in trouble and near knockouts.

Grains Muddled, Good and Bad

CHICAGO (U) — Grains moved in different directions on the board of trade today, wheat and soybeans displaying a firm tone while oats held steady and corn weakened.

All cereals started out firm in active dealings, paced by the high flying September soybean contract. It gained around five cents at one time. After the initial burst of buying was out of the way the market worked lower.

Wheat near the end of the first hour was 1/4 to 1/2 higher, September \$2.13 1/2, corn 1/4 to 1/2 lower, September \$1.64 1/2, oats unchanged to 1/4 higher, September \$1.22 1/2, soybeans 1/2 to 3 cents higher, September \$3.25 1/2 and lard 5 to 23 cents a hundred pounds higher, September \$16.67.
