Dulles Says U.S. Ships Will Skirt Canal If Closed

Would Prefer Circling Africa to Using Guns, He Claims

WASHINGTON (AP)—Secretary of State Dulles said today the United States has no intention of shooting its way through the Suez Canal if Egypt blocks the passage of ships.

Dulles told a news conference the United States would favor diverting its vessels around Africa under such conditions, regardless of the extra cost involved.

He said the U. S. government is ready to consider dollar loans to friendly countries who might be unable to withstand such a financial burden.

Dulles appealed to Egypt to reconsider its initial violent objection to a plan for setting up an association of Suez canal users.

British Prime Minister Eden disclosed Britain, France and the United States would organize such an authority in a speech yesterday.

While Dulles' meeting with reporters was still in progress, the Egyptian Embassy announced that Ambassador Ahmed Hussein had called on Dulles a few minutes earlier to give him "the urgent message that the scheme which Sir Anthony Eden wants to impose on Egypt is an open and flagrant aggression on Egyptian sovereignty and its implementation means war."

The embassy said the ambassador told Dulles:

"If the United States desires war then she may support this scheme but if her desire is too work for a peaceful solution, the scheme has to be abandoned."

James C. Hagerty, White House press secretary, told reporters at Eisenhower's Gettysburg, Pa., farm that the President had conferred on the Suez crisis with Dulles by telephone before Dulles' news conference. The President was resting at his farm today.

PERPETUAL GUARANTEE — If there is trouble to be found or created, youngsters will do it every time. This pair shown here are prime examples. Above, three-year-old John Durham of Wilmington, Calif. is shown as his mother found him, sitting in a puddle of crude oil near their home. He thought it was a slick trick. Below, Jeffrey Rankin, 19 months, is having a devil of a time with an angel food cake pan. The Los Angeles youngster had no trouble getting it on, but the fire department had to be called to remove his iron collar.

Haulaway Truck and Greyhound Burst in Flames

Center Lane Passing Blamed for Collision; One Listed as 'Critical'

MONROE (AP) — A Greyhound scenl-cruiser bus and an auto haulaway truck crashed headon near Monroe early today, killing three persons and injuring 22, state police said.

Troopers of the Erie Post said the truck driver and two bus passengers were killed. Two of the dead were identified as Francis G. Pesko of Detroit, the trucker, and Mrs. Frankie Mae Semple, 38, of Detroit. The other victim was not identified immediately.

Six of the injured — one of them in critical condition — were admitted to Monroe hospitals, state police said. The others were treated and released. All were bus passengers.

Monroe county sheriff's deputies said the bus, bound from Pittsburgh to Detroit, and the truck, outbound from Detroit with a load of new automibiles, collided at 3:30 a.m. on U.S. 24 just north of Monroe.

Deputies said the truck burst into flames and set the bus afire. Bus passengers escaped by crawling through windows and an emergency exit, deputies said.

The interiors of both vehicles were destroyed by the swift-spreading flames before police and firemen could quell the blaze.

SERIOUSLY INJURED

The bus driver, Charles Kier of New Kensington, Pa., was reported in "very bad" condition by physicians at Mercy Hospital here. He suffered severe burns over most of his body.

Less seriously injured and reported in "fair to good" condition were Joe Zevachak, 56, of Highland Park; Mrs. Lillian Williams, 61, of Detroit; Annie Foxworth, 20, of Darby, Pa.; John Brown, 41, of Philadelphia, and Hattie McCrary, 49, of Savannah, Ga.

Raymond Clancy, 24, of Dearborn, said he and fellow passengers couldn't get Mrs. Semple out through a window. "She fell back into her seat and seemed to freeze there," he said. "Her hair caught fire and that was the last I saw of her."

Clancy said he was dozing when the accident occurred.

"I looked up and saw lights and cars from the truck were flying through the air," he said.

IN CENTER LANE

Deputies said two cars on the top rack of the truck fell off and were sandwiched between the burning vehicles.

State police said the collision caused a "terrific traffic jam." Trucks and traffic on the highway, one of the busiest in the state, were rerouted around the scene.

Greyhound officials said the bus left Pittsburgh last night at 7:45 p.m.

The cause of the collision was not determined immediately. State police said the crash occurred in the center lane of a three - lane highway.

Area Man in Crash

Floyd Sherman Steemrod, of 4708 Hampton, Royal Oak, was listed today as a passenger on the Greyhound bus. He was reported as treated and released.

Stevenson on TV Tonight; President Greets Rally

Adlai to Start Drive; Ike Tells Plans

HARRISBURG, Pa. (AP)— Adlai Stevenson "formally" opens his campaign for the presidency tonight with a $280,000 speech.

The Democratic nominee will speak to a nationwide audience over all possible networks — three television and four radio — in a "saturation" effort to develop what aides call "an important theme" in the campaign. They kept the precise subject secret.

Time of broadcast is 8:30 p.m., EST.

Stevenson's staff members said the cost of the aired speech would exceed $200,000. TV sources placed the figure at $280,000.

Stevenson flew into Harrisburg from New York early today so he could have ample time to put the finishing touches on the address in the privacy of Gov. George M. Leader's executive mansion.

He came by chartered plane with his running mate Sen. Estes Kefauver of Tennessee, Gov. Leader, staff members and newsmen.

Several hundred persons were on hand at Harrisburg State Airport to greet him when he landed at 1:10 a.m.

Two dozen girls in pale-blue "Stevenson" dresses — similar to the costume worn by girl supporters at the Democratic convention in Chicago — were among the welcomers.

GETTYSBURG, Pa. (AP) — President Eisenhower apparently intends to lay stress on his administration's hopes for the future while leaving to Vice President Nixon any direct swings at the Democratic opposition.

That pattern for Republican campaigning was laid out here yesterday at a clover pasture rally of about 500 GOP leaders on Eisenhower's farm estate.

Eisenhower, who said "I feel fine" and looked it in country squire garb of sports coat and slacks, told the picnicking Republicans their first order of business is to get everybody registered and to the polls on election day.

He feels so nonpartisan about that, he said, that even if the Republicans couldn't convert all the new voters "I'd rather they voted against us than not at all."

First Degree Murder Charge Expected Today for Fatal Youth Beating

First-degree murder warrants against four Royal Oak Township youths were sought today by the Wayne County Prosecutor's office.

The four, including a 16-year-old juvenile, are charged with the fatal beating of Gerald Rondeau, 14, of Wayne, Sept. 4 at the Michigan State Fairgrounds.

The victim died three days later of head injuries inflicted by a lug wrench.

It is expected that Recorder Court Judge Joseph A. Gillis will sign the warrants this afternoon and arraign Tommy Rollins, 19, of 10585 Foxton Ct.; Horace Collier, 18, of 21405 Parkside St.; and Odell Gray, 18, of 21423 Garden Lane.

Assistant Prosecutor Joseph Rashid said juvenile court has been asked to waive jurisdiction so that James Grag, of 21014 Ferner St., can be tried as an adult.

Yiffnitz Ponders Prediction

A self-explanatory letter to the Press says:

"If your Herman Lysander Yiffnitz is so good predicting and explaining the weather, do you suppose he can predict the pennant winner in the National League?

Old Fan"

We put it up to Herman.

"That," said Yiffnitz, "is a two Martini decision." He cocked a calculating eye on the ceiling and waited.

Well, we wheedled the price out of the management and sent Herman off to his favorite pub. Herman had the means for a couple himself, and so he didn't phone back but brought in his findings this morning.

"Our readers should know first," said Herman, stroking his long white flowing beard, "that I'm a direct descendant of old Abner Doubleday, the Father of Baseball. In fact, my great uncle, A. Doubleday Yiffnitz, was the most brilliant pitching prospect in the history of the Great Northwest. He could have set big league records that would have lasted for all time."

Herman paused.

"What happened?" we asked.

"Manhattans," said Herman. "He couldn't get used to Martinis so he specialized on Manhattans. Finally he went into a slow, flat spin and never came out. The family etched a Manhattan glass on his tombstone.

"But it wasn't life-like.

"It was full."

Herman looked at the ceiling again. "Also, old man Spaulding was my great grandfather's———"

We pointed to Old Fan's letter.

"Oh, yes," said Herman. "Here's the finish:

Brooklyn
Milwaukee
Cincinnati

"That's final and official.

"There's not much use now in playing out the schedule."

But they will.

Gilliland Appeal in Highest Court

Advisor to Farmers Seeking Reversal of 1953 Conviction

Detroiter Clayton C. Gilliland has appealed to the U.S. Supreme Court to upset his 1953 conviction for conspiracy to obstruct justice in the stormy Lapeer County eviction actions.

Advisor for many years to Lapeer area farmers fighting assessments levied after the failure of a mutual fire protection company, Gilliland is currently in Southern Michigan State Prison at Jackson, serving a 4½ to 5 year sentence.

His appeal to the State Supreme Court was turned down in May.

Gilliland's appeal said he was convicted "without any evidence being offered or admitted to show that he conspired to obstruct the sheriff in serving the writ."

The 62-year old self-styled "investigator" and two area farmers were brought to trial after Lapeer County Sheriff Clark Gregory and a deputy were mauled during an eviction.

His co-defendants were acquitted, but Gilliland was found guilty.

The appeal, filed August 11 during the summer recess of the court, also states Gilliland was denied due process of law because the trial court refused to grant a change of venue, in the face of "Local prejudice created by inflammatory newspaper articles."

Also protested was the trial court's method of selecting a jury, and various rulings by the trial judge.

White Students Boycott Mixed Kentucky School

CLAY, Ky. (AP)—Only two Negro and one white pupil and seven of a teaching staff of 17 showed up for class today in the face of this community's passive resistance against integration.

The mayor said whites would boycott the school.

In sharp contrast to past days, no crowd showed up at the school where the enrollment is 590.

The two Negro pupils, James Gordon, 10, and his sister, Teresa, 8, arrived an hour and a half before class was to start. They played in the school yard and talked to newspapermen and National Guardsmen posted in the area.

Mayor Herman Z. Clark, outspoken integration foe, said:

"I'll not rest until James and Teresa Gordon return to a school where they belong. We will follow a policy of passive resistance by keeping our children out of school until Gordons leave."

Only the schol principal, Mrs. Irene Powell, and six teachers were present.

Maj. Gen. J. J. B. Williams and two State Police cars escorted the Gordon children to school.

At the school, Williams took the children by the hand and led them onto the school ground where he instructed a Guardsman:

"When school opens let the Gordons go in the front door just like the white children."

Crisis Cancels Visit

LONDON (INS) — The Foreign Office announced today Foreign Secretary Selwyn Lloyd has cancelled a scheduled visit to Rome Sept. 22 because of the Suez Canal crisis.

Canal Crisis Stirs World

LONDON (AP)—British shipping companies worked at top speed today on an emergency plan should traffic through the Suez Canal be suddenly dislocated.

British oil companies—and some on the European Continent—temporarily stopped chartering tankers bringing oil from the Persian Gulf to the West.

PORT SAID, Egypt (AP)—A rush for exit visas was on today at this Suez Canal terminus, with indications only half a dozen foreign pilots will remain on the job after tomorrow night.

SINGAPORE (AP) — Every chart of the sea route around South Africa's Cape of Good Hope was sold out here today. The last were bought by the local agents of the Swedish East Asiatic line for the master of the freighter Sudan, which sails tomorrow for Europe.

JERUSALEM, Israeli Sector (AP)—Israel today hailed the Western plan for a Suez users' association. A Foreign Ministry spokesman said it could make "a significant contribution to the pacification of the area."

BONN, Germany (AP)—West Germany is readying emergency plans to evacuate its nationals from Egypt, Foreign Minister Heinrich von Brentano said today. One source quoted him as saying the Suez situation is "extremely difficult," and that he sharply criticized Egyptian attempts to recruit canal pilots in West Germany.

CAIRO (AP)—An Italian Embassy spokesman said today "precautionary" measures have been arranged for the departure of Italian nationals from Egypt in case the Suez situation deteriorates. But he denied reports that special ships already were en route here for a mass exodus. About 50,000 Italians live in Egypt.

CAIRO (AP)—Egypt told U.N. that Britain, France and the old Suez Canal Co. must bear responsibility for any block to shipping from walkout of foreign experts.

NEW DELHI (AP)—Prime Minister Nehru condemned the Western Suez proposal. He told Parliament it closed the door to further negotiations and "consequences will be very grave."

AUCKLAND, New Zealand (AP)—Prime Minister Sidney Holland told Parliament in Wellington today he had cabled London for more information on the newly proposed users' association for the Suez Canal.

CANBERRA, Australia (AP)—Acting Prime Minister Arthur Fadden told the House of Representatives today the Australian government was not consulted on the new proposal for a Suez Canal users' association.

County to Air Road Problems

Highway Chiefs to Meet and Review Situation, Public Invited

Representatives from four county highway groups will meet Wednesday in the County Office Building to review road problems and plans to solve them, J. Robert F. Swanson, chairman of the County Planning Commission, announced today.

* * *

Swanson said the discussion will aim at presenting an over all review of the situation for citizens who have objected to some highway plans.

Representatives of the County Road Commission, the Inter-County Highway Commission, the Board of Supervisors and its Roads Committee will attend.

The meeting, scheduled for 1:30 p.m. in the Supervisors' Room, is open to the public.

Topics will include results of the recent Detroit Metropolitan Area Traffic Study, the jurisdictional split over area roads, possible reclassification of some roads to a higher federal-aid category and plans for major construction by the State Highway Department.

State Republican leaders have accused Pennsylvania Democrats of dunning persons into buying tickets for the dinner.

Democrats have not replied to the accusation.

Meanwhile, the Stevenson-Kefauver campaign coffers were increased by $325,000 at a quiet fund-raising dinner last night in New York. Thomas K. Hodges, press secretary to Gov. Leader, told newsmen.

The dinner, held in the Hotel Ambassador, was attended by about 250 Stevenson supporters. Stevenson escorted Mrs. Franklin D. Roosevelt, widow of the former President, to the social. The press was barred.

Speakers included Stevenson, Kefauver, Gov. Averell Harriman of New York; Sen. Herbert H. Lehman, who is retiring from office; Mayor Robert F. Wagner of New York City, candidate to succeed Lehman; Mrs. Roosevelt; and Louis Nizer, New York state Democratic fund raiser.

Connolly Concedes Election to Elias

Daniel J. Connolly, defeated Democratic candidate for nomination as Oakland County State Senator in the August 7 primary, Monday called off a recount of county ballots and conceded the nomination to Fred Elias of Hazel Park.

The canvassing board had found no mistakes in returns from 97 precincts. There are 249 precincts in the county.

Elias, victor by 145 votes, said today he is "tremendously impressed" by the accuracy of preliminary returns.

Norton Murder Appeal Issued

Sheriff Hopes Witness May Come Out to Help Find Brutal Killer

The Oakland County Sheriff's Department has issued an appeal asking information about the Florence Norton murder.

The 72-year-old widow was found beaten to death in a shed near her Springfield Township home Aug. 1.

County and state detectives have had little success finding the killer. Intensive questioning of residents in the area has been completed. Several have been given lie tests.

The department now asks anyone who was near the Rattalee Lake Road farm July 29 or who owns the late model two-tone green Pontiac seen there or any person having information concerning the murder to contact Sheriff Frank L. Irons.

Pontiac Youths Held in Thefts

Taken in Mount Clemens After City Gas Station Breakin, Car Robberies

Two Pontiac boys were arrested by Mt. Clemens police early this morning in a stolen car after they admitted breaking into a Pontiac gas station and wrecked another stolen car when escaping.

* * *

The pair, ages 15 and 16, were turned over to Pontiac juvenile authorities. They will be questioned today in a series of recent gas station breakins.

They apparently stole a 1953 Ford last night and drove it to a gas station at 4 N. East Blvd. where they broke in through a side door about 10:30 p.m. and stole $12 worth of cigarettes, Pontiac Police said.

They were spotted by Ralph Richards, owner of the Auburn Motor Sales across the street, who said he chased the escape car for three blocks.

The boys failed to make a turn at Auburn avenue and Midland drive, police said, and the car veered into a utility pole. Neither boy apparently was injured.

* * *

They escaped on foot through fields, police said. Later they took a 1955 Buick from a driveway on E. Huron street and they drove to Mt. Clemens. They were stopped in Mt. Clemens about 3 a.m.

The first surgical operation on a hypnotized patient is believed to have been performed in 1821.

Yom Kippur Observances Set in Local Synagogues

A full day will be given to prayer and meditation Saturday as Jews gather in their synagogues for the year's most solemn occasion — Yom Kippur, the Day of Atonement.

* * *

It is a fast day and participating Hebrews, abstaining from food and drink, will concentrate on prayer. Yom Kippur begins at sundown Friday and lasts until sundown Saturday.

SCHEDULED SERVICES

At Temple Beth Jacob, Rabbi Sanford E. Saperstein will preach a Yom Kippur service with the opening service at 8:15 Friday evening.

Atonement service will begin at 10 o'clock Saturday morning; Junior Congregation is scheduled for 2 p.m.; afternoon worship, 3 p.m.; memorial service at 4 p.m. and the day of prayer will close with the service at 5 p.m.

Congregation B'nai Israel has announced the service on Yom Kippur Eve will begin at 6:15 p.m.

The morning service there will start at 8:30; reading of the law will be at 11 a.m.; sermon at 11:30 a.m.; memorial service at noon; afternoon service at 12:30 with concluding service at 5:30.

Yom Kippur follows the Jewish New Year by ten days. It is the climax of the period of prayer and meditation known as the Ten Days of Penitence.

Pontiac Teacher Represents City at Capital Forum

Miss Janice Antona, well-known teacher of citizenship in Pontiac, will represent our city at the 11th National Conference on Citizenship in Washington, D. C., Sept. 17-19. Mayor William W. Donaldson made the announcement.

Miss Antona also attended the 1954 conference.

The theme of this year's meeting is "The Voting Citizen."

Previously sponsored by the U.S. Department of Justice and the National Education Assn., the conference now functions independently under Congressional charter.

It'll Cost Shoppers to Park Friday Nights

Friday night shoppers in Pontiac will have to dish out additional nickels if they are going to use on-street parking meter stalls.

* * *

A new city ordinance extending the times on these meters from 6 p.m. until 9 p.m. becomes effective tomorrow night. It was passed Sept. 4.

City Manager W. K. Willman said signs reminding motorists of the new times have been ordered but have not arrived.

* * *

The ordinance was adopted to provide for more turnover in use of these stalls and to provide additional finances, Willman said.

Dope Suspects Plead Guilty

Two to Face Federal Charges in Mail Theft Before Local Trial

Two key suspects in a Pontiac narcotics conspiracy pleaded guilty to the charge in Oakland County Circuit Court today.

Eddie May Yates, 29, and Paul Baity, 28, both of 502 Branch St., had stood mute to charges of conspiracy and possession and sale of narcotics on arraignment.

A third defendant, William S. Tymes, 22, of 67 Orton St., also stood mute and awaits trial.

According to Chief Assistant Oakland County Prosecutor George F. Taylor, Miss Yates and Baity have been turned over to Federal officers for prosecution on a charge of stealing checks from the mails.

Sentence will be deferred until the two have been through the Federal prosecution, he said.

FIRST COUNTY CASE

All three were among 15 defendants in the case, the first narcotics conspiracy to be tried in Oakland County. Charges against 12 of the original defendants were dropped when a prosecution witness failed to testify to what he had said in his original statements to officers.

Two of the 12, Columbious Tillery, 23, of 592 Wyoming St., and Leon D. Nelson, 21, of 489 Fildew St., were arrested last month in a Detroit hotel room and charged with possession of capsule and bulk heroin worth $400.

In court this morning, Miss Yates and Baity refused further counsel from their attorneys, Milton R. Henry and Emmett D. Traylor.

Ike Reveals Plans at Farm Pep Rally

cism of the Democrats, Eisenhower urged the GOP workers to campaign in every section of the country to make sure that "we stay on the straight road of prosperity, progress and peace."

He urged the GOP workers to "change a campaign into a crusade" and predicted November victory if there is enough hard work. "Don't let our people down by writing off as hopeless any contest, by conceding any area," he said. "This is the road to stalemate or to defeat."

Nixon, in a preview of the 22-state campaign tour he will begin next Tuesday, told the Republicans: "You don't win elections on a diet of dishwater and milk toast."

He made it plain he will aim plenty of ammunition at Adlai Stevenson, the Democratic presidential nominee, Sen. Estes Kefauver, his running mate, and former President Harry S. Truman.

Nixon challenged Stevenson to repudiate a statement by Truman that Truman does not believe Alger Hiss was a spy. Hiss, a former State Department employe, served a prison term for perjury growing out of his denial that he passed secret government papers to a Russian spy ring.

Nixon said that if Stevenson doesn't disown Truman's statement, "we shall have to discuss this issue and let people decide whether we or our opponents are better qualified to handle this problem."

Grocery Clerk Admits Thefts From Market

A series of nighttime thefts from the grocery store ended yesterday for a 17-year-old stockboy, Pontiac Police said.

George L. Baize, of 22 Augusta Ave. admitted after a lie detector test yesterday, that he had left rear and side doors open at the Three Sisters' Market, 608 W. Huron St. to return at night to loot the cash register of small sums.

He was charged yesterday with entering the store Aug. 9 through an unlocked ice box loading door. Baize waived examination on a breaking and entering charge and was bound over for arraignment in Oakland County Circuit Court Monday.

2 Dozing Drivers Injured in County

Two drivers were injured in separate accidents last night after dozing at the wheel.

Robert A. Grimes, 36, of Flint, suffered a cut eyebrow when his auto lurched off M15 in Brandon Township, a quarter mile south of Wolfe road. He was treated at Pontiac General Hospital.

Don C. Socia, 45, of Milford, suffered minor scalp cuts when his car rammed a tree off Jackson boulevard in White Lake Township.

The Day in Birmingham

Set Date for Completion of Remodeled City Space

BIRMINGHAM — Preliminary drawings for revision of the city commission room are progressing since the Monday approval of $15,000 for the remodeling.

Meanwhile Building Inspector Andrew F. Butt, in charge of the extensive remodeling program which in the long range includes $155,000 of work, says that the former firehall offices will be occupied within three weeks.

The east end of the municipal building, being revised into offices for the city manager's staff and others, will cost the city about $55,000 when remodeling is complete, he says.

Tentative drawings are done and cost estimates have been submitted to commissioners, but no approval has been voted for funds for the first floor and basement remodeling. The two projects would cost $70,000 and $15,000 respectively, it has been estimated.

Architect is Linn Smith of Smith, Terapata and McMahon.

ture program of the Village Women's Club on Oct. 3.

Termed a critic who has made "an outstanding contribution to the theater," along with Howard Lindsay and Roger Stevens, by Variety, he was first critic to win the award.

Finance drive of the League of Women Voters begins next Wednesday with a goal of $2,500, up $300 from last year. Funds will be used for the many projects, especially those to remind voters of their civic duties.

The league starts meetings at 1 p.m. Monday with a program featuring Neil Staebler, state chairman of the Democratic party and John Feiken, in the same job in the Republican party.

Members and potential members are invited, as well as guests according to Frances Snelham, membership chairman.

Robert K. Edmonds

Private funeral services for Robert K. Edmonds, 58, vice president of McCann Erickson, Inc., will be in New York tomorrow, with burial in his native Ft. Wayne, Ind.

A MSU graduate and a member of Adcraft Club and the DAC, he leaves his wife, Estelle R. Edmonds of Birmingham, two daughters, in Arizona and San Francisco, and three grandchildren.

Mrs. Adeline Eldert

Service for Mrs. Adeline Eldert, 78, 8860 Manor, Detroit, will be 1 p.m. Saturday from Manley Bailey Funeral Home, with burial in Acacia Park. She died yesterday.

She is mother of Mrs. Ruth Toepfer, and grandmother of Adele and Gail Toepfer of Wormer Lake, formerly of Birmingham.

Mrs. Mamie Oakman

A descendant of Antoine Beaubien, early Detroiter, Mrs. Mamie Oakman, 89, died in Brae Burn Convalescent Home in Bloomfield Hills last night. She was the widow of Detroit Realtor and politician Robert Oakman.

Royal Couple Visits Grand Rapids Plant

GRAND RAPIDS (AP) — The Grand Rapids Division of Lear, Inc., took on a royal sheen today with a visit by one of the firm's sales representatives — Romania's ex-king Michael.

The 35-year-old former monarch, who was forced from his country in 1947 by the Communists, is accompanied by his wife, the former Queen Anne.

He visited the firm's United States facilities earlier this year, but this is Queen Anne's first look at Grand Rapids.

The couple arrived last night by air to attend a Moral Re-Armament dinner. They are scheduled to attend the first performance of "The Vanishing Island," an M-RA film musical today as part of a world tour.

3 Juveniles Confess to Recent Burglaries

Four air rifles and other articles stolen from the Keego Hardware warehouse at 20 Osmun St. Friday night were recovered yesterday with the apprehension of three juvenile Pontiac boys, Pontiac police said.

Ages 12 and 14, they admitted stealing petty loot from several other nearby establishments recently, police added.

The youths confessed after they were questioned in another burglary, police said. Authorities believed boys had stolen the rifles because entry to the warehouse was gained through a broken window.

Cobo Tickets on Sale

Tickets for the Republican luncheon Monday at the Elks Temple honoring Detroit Mayor Albert E. Cobo, GOP, candidate for Governor, now are on sale at Osmun's downtown store, chairman Richard I. Moore said today.

Re-Evaluate Program of Air Bases in Spain

WASHINGTON (AP) — The 200-million-dollar program for building a series of American-operated air bases in Spain is undergoing a routine "re-evaluation." Pentagon sources say no changes have been decided upon so far.

In answer to questions about reoprts that cuts have been ordered in the program for economy reasons, including cancellation of one projected fighter field, an Air Force spokesman said the program is being "re-evaluated." He denied there has been any cancellation of projects.

Mrs. Skelton in Hospital

SANTA MONICA, Calif. (AP)—Suffering from nervous exhaustion, Mrs. Georgia Skelton, wife of comedian Red Skelton, was admitted to St. John's Hospital yesterday. Her doctor said her condition is not serious but she will be hospitalized three or four days. He said she was "worn out from trying to keep up with Red's hectic schedule."

BACK TO SCHOOL — 4
A Modern School

A modern schoolhouse is a pleasant place. It is large, bright and clean with big windows and good furniture. Even more important, the teachers of today are well-trained and interested in their jobs.

One important part of a modern school is the cafeteria which provides food for pupils who cannot go home for lunch. Here are Patty and Peter waiting to fill their plates.

On the table there are veal cutlets, and potatoes, beets and carrots for vegetables with bread and butter beside them.

Color this picture with your crayons, and paste it down on cardboard. Cut out the parts carefully, and cut the slits in the trays and plates. Fold the lower panel forward at the dotted line, then the picture will stand up and Patty and Peter will face the steam table ready to select their food. You will see that Patty chose carrots for her second vegetable and Peter chose beets.

Fasten the plates and the glasses of milk in place by putting the tabs down in the indicated openings and folding the tabs back.

(The Junior Editors $10 award goes to Jeanni Faust for suggesting this idea first. Send in an idea care of this newspaper and it may be worth $10 to you. Violet Moore Higgins; AP Newsfeatures.)

Bill Planned to Hold Delinquent Fathers

LANSING (AP)—State Rep. Willard L. Bowerman Jr. (R-Lansing) will file a bill when the Legislature convenes in January for its regular session to crack down on divorced fathers who are delinquent in child support payments.

* * *

Bowerman said he will bring in the bill because a personal investigation disclosed a "shocking" amount of this type of delinquency.

Bowerman said he will ask the Legislature to amend the divorce laws so as to "make available to distraught mothers the circuit court remedy of garnishment."

"If a working father fails to pay as ordered, mothers would simply institute garnishment proceedings against his employer," He said.

He said the remedy is a "reasonably quick" one and that the threat of it would serve as a deterent to men with a tendency to fall behind in their obligations.

AFL-CIO Board Backs Stevenson, Kefauver

Divide and Conquer

Egyptian President Gamal Abdel Nasser is playing a spirited and dangerous game in his handling of the Suez Canal issue. Although few people believe that it will happen, a world war could result from Nasser's firm refusal to permit the canal to be placed under international control.

★ ★ ★

Diplomats continue to hope that some way will be found to reach a peaceful settlement of the problem that arose when Nasser nationalized the canal, declaring that it would be wholly under the control of the Egyptian government. It was formerly under private company control, with British and French interests holding the larger shares.

The fact that Nasser has let it be known quietly that he wishes further diplomatic discussion of the issue shows that he has no desire to precipitate a war over Suez. However, his suggestion that the number of nations taking part should be increased, thus letting more Communist voices in, has brought stern refusal from Britain.

Whether the Russians dictated the latest move is not of course known, but certainly it plays into Russian hands to prolong the dispute without provoking actual war. The Communists gain through the promotion of trouble anywhere in the world, and they are adept both at promoting disputes and then using them for propaganda purposes. Divide and conquer is an old Soviet trick.

★ ★ ★

Meanwhile the Western Nations can only wait and see whether Nasser still may agree to some compromise, or whether he merely proposes to keep the Suez issue open so that there will be less danger of war.

14 Extension Classes

Increasing interest in higher education in the Pontiac area is shown in the fact that fourteen extension classes will be offered here this year by the University of Michigan. This is the largest number of courses ever offered. It almost doubles the eight given last year.

★ ★ ★

The classes will be held at Lincoln Junior High School. Each will give two hours of university credit to all who successfully pass it.

While these courses may be utilized primarily by teachers in the area who wish to secure additional university credit, they are open to anyone interested in the subjects taught. Last year almost two hundred persons took advantage of the extension courses here.

The classes offered this year cover a wide range, including real estate management, conservation, physical education, children's literature, modern drama, Europe since 1919, government of Michigan, attitudes and social behavior and geography for teachers.

★ ★ ★

Whether these extension courses ever will lead to the establishment of a junior college in Pontiac will depend on the interest shown and the number of persons in the area who desire to attend university classes without going to Ann Arbor or Detroit. There has been a steady increase during the past few years.

It seems that many persons think the way to have the time of their lives is to drive fast and risk them.

More Parking Lots Soon

Pontiac shoppers will find their parking troubles eased considerably by the time the Christmas shopping season rolls around. While five parcels of property needed for completion of the city's $600,000 off-street parking program have not yet been obtained, substantial progress has been made.

★ ★ ★

Only a delay in the shipping of parking meters has held up the opening of portions of several new lots. The meters were due last month. They are expected any day. After their erection, blacktopping can take place.

The lots already have been graded and islands built for installation of the meters. The city is proceeding on the theory that it is better to complete and use as much of the lots as can be made available, rather than wait until all of the land is obtained.

Thus, before the end of October, many more motorists will find parking space awaiting them downtown, and from that date on the situation should be progressively eased.

★ ★ ★

The three lots that will be partially opened this fall are in the Lafayette-Wayne-Pine-Jacokes area, on West Lawrence near Wayne, and on West Lawrence west of Cass Avenue. City Manager Willman hopes to have enough additional space available in these three lots to give Pontiac shoppers added reason for being thankful come November.

With around a half million population,

Clinton Valley Council,

comprising most of the area in Oakland and Macomb Counties in the

Boy Scouts of America,

is preparing to do an intensive job in getting out the vote, also in the advance registration. On the morning of Nov. 6 reminders will be hung on the door knobs of each of the 100,000 homes in the area. Chairman of the committee in charge is

We Don't Seem to Learn Our School Lessons

David Lawrence Says:

Wisconsin Apathy May Hurt GOP

WASHINGTON — Factionalism and apathy tell the story of the Wisconsin senatorial primaries. Only about 450,000 Republican voters went to the polls out of a total of 870,444 who voted the Republican ticket in the final election for senator in 1952. Also, when Sen. McCarthy won his primary contest in that same year, he got 515,481 votes, which is about 65,000 more than the total of the combined votes that all the Republican candidates got this year.

This year's low vote happened in spite of the fact that there was a deep-seated cleavage of viewpoints between Sen. Wiley and Rep. Glenn Davis — both well-known Republicans.

President Eisenhower stayed out of the fight, and so did Sen. McCarthy. But the issues that were emphasized on the stump were national in character and carry with them international significance.

Wisconsin is a state which for a long time has contained a substantial majority in favor of staying out of foreign wars and foreign entanglements. Today it may be said that there is a majority in the state in favor of cutting down foreign aid.

DETEST GIVE-AWAYS

To say this is not to describe the position of Sen. Wiley, the victor in the contest for renomination, as favoring unlimited aid abroad or entanglement in foreign wars. The debate nevertheless is a clear example of what some of the voters believe can be the result if present policies are not qualified or at least given justification by facts not hitherto available. In short, while the Eastern Seaboard accusation that the Middle West is "isolationist" is overdrawn, the truth is that the people in Wisconsin and nearby states just don't like to see money poured out to other parts of the world on the vague and intangible basis that so many starry-eyed Republicans and Democrats advocate—to "win men's minds and hearts." What is understood clearly is money spent abroad for security and for defense—that is, for overseas bases—but not for questionable boondoggles.

Sen. Wiley was very friendly to the international cooperation policies of the Truman administration when he was the ranking member of the Senate Foreign Relations Committee. Some Wisconsin people thought he went overboard on that issue. But when he became chairman of the Senate Foreign Relations Committee, he upheld the Eisenhower administration's foreign policies faithfully. He, therefore, was able to count on the Ike following in the state, though he alienated the other group which had been off the reservation because of the brusque way the administration had treated McCarthy.

When the showdown came, a third candidate entered the field, Howard Boyle, who favored repudiation of the administration's foreign policies and particularly wanted to see a substantial reduction made in the amount spent by the United States for foreign aid. When Boyle's votes are added to the Davis votes, the total exceeds Sen. Wiley's by about 8,500. This shows a majority of Wisconsin Republicans who have some real criticism of the administration's

willingness to spend large sums abroad. The same division probably prevails inside the Democratic party.

Like all local contests, there were in the Republican senatorial race conflicts in personalities and many votes undoubtedly were influenced by those considerations. Sen. Wiley is a widely respected man of high ideals and principles, and it is to his credit that he stuck by his convictions notwithstanding the temptations of expediency which presented themselves. His job now will be to win the support of those who voted for Rep. Davis and Boyle. The Democrats, however, cannot take much comfort out of the situation because these voters are not likely to cross over to the Democratic side.

The danger that exists is among the stay-at-home voters who, by deliberately absenting themselves from the polls, express a form of protest.

There is nothing in the primary returns themselves which would indicate anything of a trend on the presidential situation.

Dr. William Brady Says:

Vanishing Family Doctor Turns to Special Practice

A reader complains: "If a general practitioner's patient has to go to the hospital, the G. P. must turn the patient over to a member of the hospital staff. We had the finest doctor I ever knew, plain-spoken, conscientious . . .he gave up general practice and limited his practice to (a specialty). He had been unable to treat his patients in hospital, as hospital doors were closed to general practitioners. As a specialist he could operate in the hospital. Whose fault is this?"

It's your fault, sir.

Directly or indirectly, financially, or otherwise, you, as a milquetoast or a public-spirited citizen contribute to the support of the hospital, and when you go to the hospital as a patient, you submit meekly to the hospital rules and regulations which bar your physician from attending you and require you to accept instead the fair-haired boy the hospital designates. And nearly always you are too timid to squawk about it. Your professed loyalty to the finest doctor you ever knew is just a bit of hogwash, after all.

That plain-spoken, conscientious general practitioner you loved so well evidently tried earnestly to be a real physician for his patients, but so many of his patients ran to trick specialists or "clinic" racketeers when they thought the "ordinary" doctor was perhaps not hep to the latest methods, that the doctor had no alternative.

According to this year's enumeration by the American Medical Assn. there are more specialists than general practitioners in the United States. This preponderance of specialists is to be expected, from the absurdly long course of training one must take to become a physician today — not less than ten years after graduation from high school. No wonder student advisers in medical schools tell prospective graduates they can't afford to be mere general practitioners — when they have given nearly a fourth of their productive life to learning their trade. The smart thing for the young doctor nowadays is to hold himself out as a specialist from the very first.

The trouble with you, sir, is that you assume other patients will keep your fine, plain-spoken conscientious general practitioner or family doctor busy while you fry this or that specialist. And then, when you have satisfied yourself that the specialist can work no magic and you slide back to the finest doctor you ever knew, you expect him to take as much interest in you as though you were loyal and above-board with him.

It may be because I talk about these things here, but I am unhappily impressed by the steadily increasing number of complaints about the difficulty of getting a doctor to attend one at home. Many doctors, these complainants say, either refuse to answer the telephone or bluntly say, "I do not make such calls" — bring him to the hospital, and I'll attend him there."

Signed letters, not more than one page or 100 words long pertaining to personal health and hygiene, not to diseases, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to The Pontiac Press, Pontiac, Michigan.

Seeks Reason for School Failing to Open on Time

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

We, the parents of children scheduled to attend the Linda Vista school are very much perturbed with the situation confronting us. Wednesday, Sept. 5, we were notified via the Pontiac Press that opening of Linda Vista would be delayed until Monday, Sept. 10. Then on the eighth, we were again notified by the Press that the opening would be delayed until the 11th. So what happens? Once more we're notified that it will be delayed until the 14th or 17th.

I talked with Dr. Hufziger on the phone one week before the scheduled opening, and he informed me that Linda Vista would very definitely be ready on Thursday, Sept. 6. However, on the same day of our conversation, several mothers in this area were informed by men working at the building that it would not be ready then. Are we to assume that the contractors hadn't informed Dr. Hufziger, building superintendent of Pontiac schools, of this situation? Is it possible that the Board of Education didn't know until Sept. 5 that the school opening would be delayed?

We parents would like to know why this building was not finished for this year's term of school. We were promised the building by March, 1956, but it's beginning to look like they meant March, 1957. We've had promises and nothing but promises since September, 1955.

Our children deserve a full term of school, but we do not want half day sessions, nor do we want them attending school during July and August 1957. Somewhere somebody "goofed" and our children are paying the penalty.

U. S. Jazz Wins Goodwill Down in South America

By MILTON BESSER
For HAL BOYLE

NEW YORK (AP)— Jazz provides the United States with its greatest opportunity to win friends and spread good will in Latin America.

* * *

This is the firm opinion of jazzman John La Porta, 36-year-old columnist for Metronome, the musical magazine. He spent nine days in Caracas the past summer as a guest of the Caracas Jazz Club and its president, Jacques Braunstein.

VALUABLE EXPORT

La Porta's venture and his conclusions thus support the rather obvious but recent discovery that popular music can be one of the most valuable U. S. exports and good will agents.

* * *

He found south of the border what others, such as Louis (Satchmo) Armstrong, have encountered in Europe and Africa, and John (Dizzy) Gillespie in Europe and Asia.

"On the cultural level jazz is the greatest open door we have," says La Porta, a serious student of jazz who plays clarinet and saxophone. "It is our unique contribution to music."

* * *

While in Caracas, La Porta played with four different groups and delivered lectures on jazz. The groups included the 15-piece Orchestra Casablanca, the Charley Nagy quintet, Juan Barabbas sextet and the Walter Albrecht sextet.

JAM SESSIONS

The program was varied, including some Dixieland and one composition La Porta wrote especially for the trip, called "South American Brothers." And of course some jam sessions.

* * *

"The response was terrific," La Porta said. "The immediate emotional effect on the audience tremendous."

La Porta teaches in the Oyster Bay and the Farmingdale schools on Long Island, N.Y. He is pursuing advanced studies at the Manhattan School of Music in New York City. He started out playing the clarinet in Philadelphia when he was a youngster.

Last year the Voice of America recorded two hours of his music and other compositions played by the Farmingdale High School band for overseas broadcasts.

Case Records of a Psychologist:

Child's First 5 Years Most Vital

Parents, take care! You are sole custodians of your children for only the first five years. Then the state takes over via the public school system. So be sure you acquit yourself nobly during those first five years. There's a straight road from high chair to the electric chair. Bad children usually indicate bad parents!

By DR. GEORGE W. CRANE

Case S-364: Maude B., aged 27, is the expectant mother mentioned yesterday who wanted to know if her playing of the piano and reading of poetry, would make her baby more cultured and musical.

* * *

And the answer is essentially "No," at least prior to its birth.

For there is no nerve connection between the mother and her unborn baby.

So a cultured mind and a musical inclination in the mother will not have an immediate effect on the baby.

Indeed, the baby is in an almost soundproof container before birth. There is a remote chance that some faint sounds might reach its ears in the latter months of pregnancy.

But that is not very significant. However, it is desirable for an expectant mother to form the habit of reading good literature and playing the piano.

* * *

For those cultural outlets will make her more contented and happy during the pregnancy.

And as soon as the baby is born, they can then begin to influence the infant, too.

PREGNANCY FACTS

Just as the mother's good thoughts and fondness for music will not affect the baby prior to its birth, so a woman's evil mind and immoral outlook will likewise not pass over to the baby prior to its birth.

God Almighty apparently intended babies to have a break before birth so He established a set-up by which evil, immoral or degenerate women could not influence the minds of their unborn babies.

But the moment a baby is born, it begins to learn rapidly. That is when a good mother and a cultured home will pay rich dividends.

If you parents will speak good English constantly the child's first five years, it will probably make top grades in English all through school.

* * *

You can thus insure his high marks before he even enters kindergarten.

And you can likewise predispose him to a fondness for good music and for morality, too, by the early home environment with which you surround your baby.

TESTS FOR PARENTS

In those first five years of life, you parents should thus concentrate on your child's present training instead of upon his future college education.

For example, I have known fathers who prided themselves on taking out a future college insurance policy for their youngsters when they reached 18, yet were preventing the child meanwhile from ever wanting it.

For example, if you fail to impress the child with moral examples, as well as moral stories, in those first few years, he may be launched on the road to delinquency and crime by the time he enters kindergarten.

And that's not exaggeration! There is a straight road between the high chair and the electric chair!

* * *

Many supposedly good parents are accessories to the later crimes of their youngsters because they fail to housebreak a toddler for harmonious group play.

They don't give him brothers and sisters early. Failing that, they even keep him away from nursery school.

And they may be careless about his faithful attendance at Sunday school.

So, parents, beware! Your children are only lent to you for a brief interval during which you are the home tutors of those toddlers.

Be sure you do a good job. For you can sculpture in human clay and produce a greatness of soul, or predispose your child to ignominy and shame.

Always set a good example, even if you can't orate fluently. And send for the "Tests for Good Parents," enclosing a stamped return envelope, plus 20 cents. These 200-point tests will show you how to be topnotch parents.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac Michigan, enclosing a long 3c stamped, self-addressed envelope and 10c to cover typing and printing costs when you send for his psychological charts and pamphlets.

To Link Cleveland - New York City

Ohio Unveils Xway Plans

COLUMBUS, Ohio — The State Highway Department unveiled plans for constructing as freeways by 1963 most of two legs of the proposed north-south turnpike.

Director S. O. Linzell said some of Ohio's plans hinge on Pennsylvania and Kentucky plans.

One segment of the proposed turnpike runs from the Ohio-Pennsylvania state line just east of Conneaut to Boston Heights in Summit County and the other connects Dayton and Cincinnati. They are now being planned as freeways instead of toll roads since they meet federal interstate highway specifications and are eligible for 90 per cent federal support.

Linzell said at a news conference that the northern leg will connect at Conneaut with a Pennsylvania extension of the New York Thruway from Buffalo.

The New York superhighway is a toll road, but the Pennsylvania extension is planned as a free highway.

Linzell said a link with the Pennsylvania road at Conneaut is planned tentatively for the 1962-63 biennium, but construction would be advanced if Pennsylvania construction comes earlier.

The director has asked Pennsylvania to establish a common meeting point near Conneaut and has asked the date at which Pennsylvania construction will start at the Ohio line, but has received no answer.

He promised, however, that Ohio will be ready when the Pennsylvania road is constructed so that "we won't be dumping Pennsylvania traffic into a cornfield in Ohio."

Linking with the New York Thruway would lead eventually to a four-lane divided highway between New York City and Cleveland, he said. The Conneaut-Boston Heights link also would provide another through link between New York and Chicago.

Another such route presently is available via New Jersey, Pennsylvania, Ohio and Indiana turnpikes, the latter still under construction.

Traffic congestion in Cleveland gives top priority to portions of the freeway in that area until Pennsylvania acts, Linzell said.

To Vote on Hospital

PAW PAW (AP) — Van Buren County voters will be asked to decide on a $695,000 bond issue in the Nov. 6 general elections. The bond proposal is marked for construction of a new, 125-bed county medical care facility at Paw Paw to replace the present outmoded facility.

Through Rain, Sleet —Even Biting Dogs

LOS ANGELES (INS) — Postman Leonard Rich, 55, has learned how to handle unfriendly dogs in his 12 years on the job.

* * *

But now he has another problem: A deer.

Rich complained he was attacked by a half-grown buck while on his rounds in the hilly Brentwood section of Los Angeles.

He was knocked down as he slipped a letter into a mail slot, then felled again when he attempted to run to safety.

Rich, uninjured, finally escaped in his mail truck.

Donkey Serenade

RUMSON, N. J. (AP) — No donkey is going to make donkeys out of Rumson police.

Two patrolmen, one on foot and the other in a police car, were led on a 30-minute chase by a runaway donkey before catching the balky beast with a rope.

A record king crab caught near Kodiak Island, Alaska, had a leg span of seven feet.

Team Work Pays Off

CLEVELAND, Ohio (AP) — Research teams can learn more in six months than the "Thomas Edison individualistic approach" can in a lifetime, says J. Homer Winkler, senior technical adviser for product development at the Batelle Memorial Institute.

Many Pass the Test

Poodle Must Travel 160 Miles for Haircut

COLUMBUS, Miss. (AP) — You may complain of the high price of haircuts, but what about Saucy? He has to travel 160 miles for his.

The young French poodle belongs to Mr. and Mrs. Edward Beneke of Columbus. When haircut time rolls around Mrs. Beneke and Saucy head for the airport and board a plane for Memphis, an hour's flight to the northwest.

"I have him groomed about every six weeks," said Mrs. Beneke. "He's a wonderful companion on a plane. He loves flying."

Girl, 15, Aids College by Trapping Insects

NEW LIBERTY, Colo. (AP) — Patricia White is only 15 but she is performing an important service for Colorado A. and M. College. She is sole operator of an insect trap near the Utah border.

The trap is located next to desert country and allows her to keep tab on desert and other dangerous insects invading Colorado. Insects are attracted to the metal cone-shape trap by a bright light. Patricia promptly reports her findings to A. and M.'s insect detection committee.

Meat Production Up

CHICAGO—Meat production in the principal livestock-producing countries of the world, exclusive of the Far East, reached a record of 86½ billion pounds in 1955, an increase of 3 per cent over 1954, some 27 per cent over the prewar average, and 29 per cent more than the average for the 1946-50 period.

Investments Climb

NEW YORK — Direct private investment of United States firms and individuals in Latin-American enterprises is increasing at an average rate of about $400,000,000 a year. Its total is about 6½ billion dollars, larger than in any other area of the world, and constitutes 37 per cent of the nation's entire private investment abroad.

The breweries in the U. S. use products of three million farmland acres a year.

Chicago Hotel Tops All

CHICAGO — The world's tallest hotel is Chicago's Morrison. It has 42 floors and an observatory tower rising four stories more for a total height of 529 feet above the street. The first Morrison Hotel was built in 1860 on land bought 120 years ago for $209, or 2½ cents a square foot.

Lake Chelan Rugged

TACOMA, Wash.—Lake Chelan, in the heart of Washington's Cascade Mountains, has a ranger district considered the most rugged in the United States.

This area is called the "Switzerland of America." This clear lake winds through snow-capped mountains for 55 miles and its bottom is more than 300 feet below the level of the ocean.

There are no leased fishing waters in Nova Scotia.

Sun Charges Radio

CHICAGO—A sun-powered portable radio developed by a Chicago concern is said to operate satisfactorily, even on overcast days. The transistorized unit converts sunlight or artificial light into electricity with a small attachment made of 32 silicone cells. At night the unit works on flashlight batteries.

The word "circus" comes from the Latin word meaning a circular arena.

Dish Drainer Folds Up

WOONSOCKET, R. I.—A dish drainer that folds flat when not in use is being marketed by a Woonsocket molded-plastics company. It has a tray for cups or glasses on one side, a holder for silver on the other, and a set of fingers down through the center that holds dishes of any size upright for draining.

The surface of the Dead Sea is 1,286 feet below the level of the Mediterranean Sea.

GI Re-enlistments Up

WASHINGTON — The Army reports that the re-enlistment rate of United States soldiers in Europe was up sharply in 1955 over 1954. Latest figures show that during the first 10 months of the year nearly 14,000 signed up for another hitch compared with slightly more than 4,500 in the like period of the previous year.

The "boiling oil" used in movie scenes of medieval conflict is actually dry ice and water.

Christmas Isle Entering A-Age

Britain to Test Arms on Disputed Atoll in the South Pacific

WASHINGTON — British physicists, engineers and atom experts are headed for a faraway doughnut of land in the South Pacific, a new stage for nuclear thundermaking.

• • •

They are on their way to Christmas Island, an atoll some 1,200 miles south of Hawaii, where a series of weapons tests will be held early next year.

The island, says the National Geographic Society, is a coral outcrop covered with a layer of hard sand and scanty soil. At its highest, it rises 40 feet above the sea. It is claimed by both Great Britain and the United States.

Capt. James Cook, an Englishman, discovered the island on Christmas Eve, 1777. He named it, and stayed there several days to observe an eclipse of the sun.

The American claim goes back to the 1850s, when an American company worked the island's guano deposits. Later, a British organization did the same. The resulting conflict of interests in the island is one of the most amicable international disputes in history.

OCCUPIED JOINTLY

The British designated Christmas Island part of their Gilbert and Ellice Islands Colony. The Americans occupied Christmas and built an air base there during World War II. For a time thereafter, a group of Englishmen held down one end of the island and a group of Americans the other.

At sunrise each group would raise its own flag. At sunset they would lower them. In between they would go fishing together. There wasn't much else to do on the island.

The Americans have left, but the island is still occupied by the British. Some 100 Gilbertese work in the coconut groves which provide Christmas with copra, its one export crop.

The physicists will find an island of some 200 square miles, one of the largest atolls in the Pacific. It is important as a possible base for airplanes flying between California and New Zealand or Australia. It is at about the middle of such a route.

Dog Trees Cat-Lover Trying to Untree Kitty

ALLENTOWN, Pa. (AP) — This may sound complicated, but:

Police got a call from an angry cat-fancier who said he'd been treed by a dog while trying to untree a treed cat.

That is, the man said a cat had been in a tree, he had climbed up to untree the cat and a dog had treed both of them. The dog had stayed on the ground.

The man said he'd have plenty to say to police about the dog situation.

The police investigated. They couldn't find the dog, the cat, the man — or the tree.

Female Wolf Caught

BACHTOWN, Ill. (AP) — If male ears heard a wolf call hereabouts, it probably was the real thing. Charles Klaas shot and killed an 85-pound female wolf at the edge of his father's farm in Calhoun County and collected a $10 bounty at the clerk's office.

Montana's Numbers Have Grim Meaning

HELENA, Mont. (AP) — The Montana Highway Patrol has adopted a new uniform shoulder emblem—the patrol star with the state seal above the numbers 3-7-77.

The numbers are a symbol of the vigilantes who ushered law and order into a troubled and unsettled Montana territory.

The most accepted explanation of the numbers is they stood as a warning for undesirable citizens to prepare to occupy a grave 3 feet wide, 7 feet long and 77 inches deep.

Has Anybody Found Her Pink Elephant?

PHILADELPHIA, Pa. (AP) — Police are looking for Mrs. Rose Petrella's pink elephant. It was stolen from her front lawn.

But Mrs. Petrella doesn't think it should be too hard to find.

It weighs about 200 pounds and was wrapped in a 2-foot-tall iron frame on a concrete base with spikes driven into the ground.

Firefighters Require 2 Trips to Find Blaze

WILLIAMSPORT (AP) — It took some persistence but city firemen did find out that where there's smoke there's fire.

They were called to the same location within three hours but on the first trip could find nothing.

Receiving another complaint of smoke filling a downtown hotel, they rushed to the spot and finally found a small blaze in a sealed 1-foot space between two buildings. Fire Chief Harold E. Kinley said the cause was either a cigarette or the sun.

New Pan Maker

BRIDGEPORT, Conn.—A Bridgeport company is manufacturing a vacuum forming machine for the lighting industry which can produce plastic ceiling pans up to four feet square for fluores cent-light fixtures. It will take either sheet plastic or rolls and can turn out more than 400 two-foot-square pans an hour.

He Believes in Striking When the Heat's On

OMAHA (AP) — An Omaha appliance dealer demonstrated his sales ability by selling an air-conditioning unit to a heat-ridden family at 2 o'clock in the morning.

The dealer had worked late completing an air-conditioning installation and was driving his truck back with one window cooler aboard. He noticed lights on at one house and could observe the occupants obviously suffering from the heat.

It was 2 a.m. when he knocked at the door and made the sale. He proceeded with the installation, completing it a few hours before dawn.

Earns $10,000 Year

NEW YORK—The typical project engineer, says the publication, Chemical Engineering, is in his late 30s, has a background of five to 10 years in design or construction work, and earns about $10,000 a year.

Liz Taylor Can't Spell, but Todd Doesn't Mind

By EARL WILSON

NEW YORK—We were feeling very brave. So we asked Elizabeth Taylor if she's really "passionately in love" with Producer Mike Todd—with Mike standing right there.

★ ★ ★

"That's a lot of nonsense!" Liz replied.

"What did you say?" demanded Mike . . . glaring . . . but good-humoredly.

"I said, 'That's a lot of nonsense!' " Liz repeated.

"Lissen!" Mike bit off the tip of a cigar. He fixed her with his eye. "I'm not no Svengali or nuthin' BUT WHAT DID YOU SAY?"

"I said, 'That's a lot of nonsense!' " . . . and for emphasis she began spelling it out.

"N-o-n-s-e-n-s-e," she said without even pausing to think about it. The word didn't bother her a bit.

LIZ TAYLOR

Gene Tunney—who was at our table—directed a comment at Mike about his age (he's about 48), with Liz standing by.

"I see you use the same hair oil I do," said Tunney. (Todd's hair is coal black.)

"I use shoe polish and dye mine," flipped Todd. "And don't bother telling her I wear a toupe because she's seen it. Furthermore, she's gonna meet my grandchild. I got to get my son and daughter-in-law's approval of her before I can date her any more."

For all the kidding, Liz appears smitten and smoochy over the dashing globe-trotting producer who actually did take her to see his grandchild.

When the N.Y. Giants had a first baseman who let many throws go through him, Goodman Ace wrote to his insurance company, "I think it's only fair to tell you I have a box near first base at the Polo Grounds."

What's this? Confidential Publisher Bob Harrison told some friends he was going to marry Geene Courtney, the girl who was with him when he was shot. In Hollywood, parties have been held celebrating his shooting.

THE MIDNIGHT EARL . . .

Some Republicans demand Ike bounce Dulles now, fearing he might cost the election . . . Frank Sinatra gets 40Gs for the Dinah Shore show, biggest guest fee yet . . . Billy Rose's bride, Joyce Mathews, brought out a cake with "57" on it at Billy's birthday dinner . . . Comedienne Kay Medford overslept last Saturday afternoon—so understudy Patty Wickes got her chance in the "Mr. Wonderful" matinee.

There's a "Joe DiMaggio Motel" planned near Atlantic City if Joe'll say yes . . . Rota Hayworth's London dates are with ex-Prince Umberto of Italy.

John Ireland and Joanne Dru will sell their $125,000 Racquet Club in Phoenix . . . Not "King" Cole's missus may join the act when he plays the Copa . . . The Army, burned up at the film, "Attack," won't lend its band for the premiere.

Rocky Marciano and Budd Schulberg are around together—working on a movie? . . . Victor Borge returns Saturday from entertaining troops in Europe.

Earl's Pearls . . .

The parking situation's so tough in town, the cops can't even find space for parking meters.

Centennial Set for Appomattox

Restoration of Famed Buildings Nears Finish for Ceremonies

WASHINGTON — Appomattox Courthouse, Virginia, will stand on April 9, 1965, exactly as it did when the Civil War faded into history there a century before.

Restoration of historic buildings begun by the National Park Service in 1940 is scheduled for completion by the centennial. Already the once nearly deserted hamlet holds many landmarks known to Grant and Lee at their fateful meeting, the National Geographic Society says.

The McLean House where the surrender was signed has been rebuilt in faithful detail. The original structure, razed in February, 1893, had been allowed to decay beneath thickets of honeysuckle and locust after post-war promotors tried unsuccessfully to remove it to Chicago and Washington for exhibition. Many of its bricks fell prey to souvenir hunters.

RELICS PRESERVED

Some 5,000 original bricks were salvaged and placed in the walls of the replica building. Authentic furnishings include a horsehair-covered sofa, a small walnut desk and a mantlepiece clock. The spool-legged table where Grant pencilled the surrender terms and the chairs used by the two generals now repose in the Smithsonian Institution.

The house recalls one of history's strangest coincidences. On July 21, 1861, the war's first major battle, Manassas or Bull Run, flamed across Wilmer McLean's farm in Prince William County, Virginia. A shell crashed down the chimney but did not explode.

One year later, in August, 1862, the Second Battle of Manassas roared nearby. McLean gave up and moved to Appomattox. There the war ended in his front parlor.

The drowsing village, 88 miles west of Richmond and within sight of the Blue Ridge foothills, scarcely impressed wartime beholders. One described its "five houses, a tavern and a courthouse, all on one street, and that was boarded up at one end to keep the cows out."

Restoration will include the courthouse and other buildings. Fences and grounds will regain their wartime appearance. The Richmond-Lynchburg stage road will be restored to its 1865 location. Parking areas will lie outside the historic village.

Visitors now may see the sites of Lee's and Grant's headquarters and the location of the apple tree where Lee waited for Grant's reply to the truce message during the morning of April 9th. The position of the last cannon fired by the Confederates at Appomattox is marked. Two tablets and a monument erected by the State of North Carolina describe the last engagement.

LAST DAYS' DEAD

Appomattox holds the graves of 18 Confederate soldiers and one unknown Union warrior, buried side by side on a slight hill overlooking the McLean House. The precise number killed at Appomattox is hard to determine. Some authorities fix it at about 65.

The village declined after fire destroyed the courthouse in 1892. The county seat was moved three miles away to Appomattox Station to be near the railroad. The old settlement remained virtually deserted for half a century.

The stillness now has broken. More than 62,000 visitors came to Appomattox in 1955, and each year the number grows.

'Ski Jump' Lets Fish Descend Dam Safely

TACOMA, Wash.—A "Ski jump" that provides safe passage for fingerling salmon has been built at Baker Dam, near Concrete, Wash., because it was found necessary to prevent the young fish from being dashed fatally on the face of the dam during their downstream passage.

The chute extends 18½ feet from the dam's face and produces a waterspout that carries 130 feet beyond the face into the deep pool below the dam. Small fish can ride this and land with minimum shock.

Cattle Population Up

NEW YORK — The estimated world cattle total is 917,600,000 head—an increase of more than 100,000,000 since 1949. The United States' total is 97,500,000 head.

Ability to Walk

WASHINGTON — According to Dr. Leonard P. Schultz, curator of fishes at the Smithsonian Institution, walking is well-developed among some fishes.

He says the fish that can walk best on land is a common aquarium fish, the walking or climbing perch, which has an extra air chamber above the gills that aids it in staying alive for several hours out of water. It has been known to travel at least 300 feet over dry land in 30 minutes.

Beef May Block Colds

CHICAGO — Some doctors are prescribing beef three times a day to keep their patients from contracting the common cold. The theory is that high-quality protein, such as in beef, has all the essential amino acids, the body's "building blocks," plus the vitamins and minerals needed forbuilding bone, muscle, and blood—and so helps build resistance to infection.

BERKELEY, Calif. (AP) — A 30-year fig breeding program has produced a promising new hybrid variety — the Conadria. The trees have been planted and tested in seven areas in the state. The University of California reports the new variety shows promise for both the fresh and dried markets. The name is a combination of Adriatic and Condit.

Wed Students Get Voting Right

Township Near MSU Told It Has to Register Pupils and Wives

LANSING (AP)—Married students and their wives living near a college or university have a right to register as voters there, the State Elections Division said today.

* * *

Robert M. Montgomery, head of the elections division, cited opinions to that effect today. He said he had received complaints the Lansing Township clerk refused to register Michigan State University married students in the township.

He said Mrs. Mary Ann Orme, wife of a student, complained she was told by Mrs. Belle McMillan, township clerk, "Residents of University Village will not be registered to vote."

Montgomery said other students protested they were required to fill out long questionnaires before being considered for registration. Many of the questions in the form were completely irrelevant, he said.

CITIES CONSTITUTION

Montgomery said the Constitution provides a student, like a member of the armed forces, cannot lose or gain residence for voting while in the armed forces or a student at a university.

But he said a State Supreme Court decision qualified this provision for married students making their home near the university.

"The great weight of the authority," he said, "is that a student at college who is free from parental control, regards the place where the college is situated as his home, has no other home to which to return in case of sickness or domestic affliction, is as much entitled to vote as any other residents of the place where the college is situated."

* * *

Montgomery said there is no ground for refusing to register a wife of a student. The wives are not students, he said, and have the right to make their legal residence at the location where they spend most of their time.

Meet Ed Muskie

Son of Immigrant Tailor's Apprentice Holding Top Spot in Maine Politics

By EDWARD DONN

AUGUSTA, Me. (INS)—Where else in the world could it happen?

A tailor's apprentice flees before the Russian army from his native Poland to America.

His charming son is elected Democratic governor of Republican Maine by a 22,000-vote margin.

Today, Edmund Sixtus Muskie, now 42, the son of the immigrant father, had won re-election by 56,000 votes and was being hailed with such titles as:

"The young political Lochinvar out of the northland."

"The political miracle man."

"The homespun Hercules."

MOVE AROUND

Fifty-six years ago Stephen Marciszewski, then 17, had been pushed around by six different tailors in the Polish town of Iasionowka. In America he worked for tailors in Scranton, Penn., Worcester, Boston, Rumford, and elsewhere.

In Buffalo, N. Y., he had met and married Josephine Czarnecka. Marciszewsik was Americanized to Muskie. The second child of the devout parents, Edmund, was given the same middle name Sixtus as a long line of popes.

"Ed" went through Rumford public schools, Bates College and Cornell, law school where he was Phi Beta Kappa. He began law practice in 1939 in Massachusetts and Maine. During his career he was district director of the office of price stabilization and a member of the state legislature, served in the Navy in World War II and won three battle stars. He lost only one political—for mayor of Waterville.

COTTAGE TO MANSION

His wife, the former Jane F. Gray, is 29 and very pretty. She is expecting a third child next month to join the two other Muskie children in famous Blaine House, the executive mansion. They are Stephen 7½ and Ellen, nearly 6.

Mrs. Muskie said it has been quite an experience going from a six room cottage home in Waterville to the 27-room mansion. Instead of a girl helper three times a week she now has a cook, an upstairs maid, a downstairs maid, a laundress, a houseman and a social secretary. Also two automobiles instead of one.

Like all chief executives, Gov. Muskie has budget problems. He rested today after the hectic election to get ready to go to work on official business again. His favorite possession is a "Bates chair" he won at that college playing cribbage when he was an undergraduate.

Muskie was a good scholar and track man in school and college. He worked his way through Bates by waiting on tables at a Kennebunk Beach Hotel. He was the only Democratic debater on the Bates campus.

His friends say honest and fairness are his chief virtues.

He has been an excellent administrator and has worked in harmony for two years with the Republican-controlled Maine Legislature.

"I guess I'm a natural political curiosity," said "Ed" Muskie.

Best Period of Sleep Is First 80 Minutes

CHICAGO (AP) — How did you sleep last night?

Your best period of sleep was the first 80 minutes after you retired, according to a 10-year study on sleep being conducted at State University of New York, College of Medicine.

• • •

After that your depth of sleep never reaches the same soundness and your sleep pattern alternated between almost awake and asleep.

If you awoke at the end of the night and said you had a "terrible night," you are like the 25 per cent of 30 persons tested during the study.

IT'S A FACT — Sleep comes best in the first 80 minutes according to a 10-year study.

Although recordings of their sleep indicated they slept well, their reports baffled the researchers who attributed such reports to personal differences.

The research on sleep is carried on by the Sleep Research Foundation under a grant from the Simmons Company.

Under the direction of Chandler McC. Brooks, Brian F. Hoffman and E. E. Suckling assist the project in the department of physiology of the university.

Their study revolves around recordings made by an electroencephalogram. Its tracings resemble the pulsations of a lie detector machine.

It records the volume of electrical activity of the brain, which lessens markedly during sleep.

A record of blood pressure is made every five minutes during a subject's sleep. It shows that blood pressure goes down during sleep and the heart beat slows six to eight beats a minute from wakefulness to deep sleep.

It also indicated that the heart rate is more sensitive to quickening during the end of the night than when one first retires.

MOVES OFTEN

A sleeping person moves from one to two times an hour and more frequently during the end of the night.

What unhooks the conscious from the unconscious to put us to sleep is believed to center in the thalamous and reticular formation of the brain.

This is the mysterious function of sleep that puzzles physiologists. No one knows what happens.

Dr. Brian F. Hoffman says the importance of knowing more about the function of sleep is intensified with the flood of new tranquilizing drugs now available.

He said the newer ataratik drugs are not supposed to sedate but tranquilize.

• • •

How they do the job is partially revealed in the sleep study. Electrodes inserted in the brain of laboratory animals stimulated the thalamus and reticular areas.

Sleep was induced when the thalamus center was stimulated. Stimulation of the reticular formation of the brain stem caused the animal to waken, Dr. Hoffman said.

How you slept, however, depends on several factors the scientists are unable to measure.

The surface on which you slept, the sounds and room darkness play an important role in how you sleep.

Subjects sleeping on a hard board or a feather bed didn't sleep as well as persons who slept on a standard mattress.

This is attributed to the fact that temperature and discomfort enter into the problem of how well one sleeps, Dr. Hoffman said.

Another factor revealed in the study is that a sleeper's response to light and sound is greater in the sleeping brain than in the conscious brain.

• • •

Observers believe that this is part of the natural workings of the instinct of survival, and, despite dripping water faucets, we come awake when sudden light or sound disturbs our sleep.

22,300 Students to Live at UM

Flint College Takes 300 More; Michigan Union Completed

ANN ARBOR (INS) — President Harlan Hatcher has reported that and all-tome enrollment record will be set at the University of Michigan when the fall term opens Sept. 20.

The U. of M. President said that at least 22,300 resident credit students will be enrolled on the Ann Arbor campus and that another 300 students will be attending the new Flint college, 54 miles north of Ann Arbor.

The previous enrollment record was set in the fall of 1948 when thousands of veterans returned from the service and 21,363 resident credit students were enrolled.

The expanded and remodeled Michigan Union, men's social center, will be in full operation. A $3 million project was rushed to completion in time for last June's commencement.

In addition, there will be 300 more married student apartments on the new 700-acre north campus, bringing the number of apartments in this area to 400.

Another structure to be ready this fall is a $400,000 "communications center" at Michigan stadium. The new unit, replacing the old press box, will provide expanded and modernized facilities for the sports writers, photographers and the radio and television personnel who will be covering Michigan's seven home football games.

The new construction also has increased the number of seats in the stadium to at least 100,000.

This year students over 21 will be permitted to drive their own cars to school, after a ban of many years standing.

Prospectors Become Has-Beens at 6 and 4

MIAMI, Fla. (AP) — Dewey Blackwell, 6, and brother Wayne, 4, were "digging for gold" in an unpaved strip between the street and their home in suburban Hialeah.

Mother, Mrs. C. D. Blackwell, left them alone because it kept them occupied and happy and soon their toy shovels had produced a respectable hole about 3 feet deep.

Then they struck, not gold but copper. In the form of a cable. Phone service was knocked out for blocks around and the boys immediately became former prospectors.

Collect $41 Million

WASHINGTON (AP)—Indians received a record 41 million dollars from oil and gas leasing of their lands in the year ended June 30. Secretary of the Interior Seaton said this compared with 28 million dollars in 1954-55 and 13 million in 1950-51.

The upland Indians of Peru, Bolivia, and Equador chew stalks of the quinoa plant and coca leaves to reduce hunger and fatigue on long journeys.

Hamburger Is Old

ST. LOUIS — The hamburger sandwich was introduced in its present form at the Louisiana Purchase Exposition in 1904, better known as the St. Louis Fair.

Ike Criticized for Cynicism

Kefauver Tells Farmers GOP 'Get Rich Quick' Plan Omits Them

YORK, Pa. (AP)—Sen. Estes Kefauver accused President Eisenhower today of cynicism about Democratic efforts to maintain a prosperous family - farm economy in rural America.

• • •

"In case you missed the newspapers in the past day or two, I bring you the information that Gen. Eisenhower has come out against 'get rich quick' programs for the American farmer," the Democratic vice presidential candidate declared in a prepared address at the York County Fair.

• • •

He said Eisenhower made the comment at a press conference Tuesday. Kefauver said:

"Get rich quick! Let Mr. Eisenhower tell his banker friends he's against they're getting rich quick. Let him tell it to General Motors. Let him tell it to the well-heeled gentelmen he invites to those stag dinners at the White House.

• • •

"But don't let him tell one of the lowest income groups in the nation that he is opposed to their getting rich quick.

"I believe the farmers of America are ready to turn back to their true friends the Democrats."

In discussing the farm problem with a questioner at his news conference, Eisenhower said:

• • •

"I have said time and again there are two things here we must do: we must preserve our most precious asset, our soil and water resources, for future generations and, at the same time, we must work out a program under which the agricultural community can share properly in our unprecedented prosperity . . .

"Now, if we are going to do that, it is going to take some patience and some working out. And people who get impatient and believe in get-rich-quick cures may disagree . . .

• • •

"My program along this line has been restated time and again. I follow principle, and if that is what they want, that is what I will give . . ."

Collector Buys '38 Car Used by 3 Presidents

ST. PETERSBURG, Fla. (AP) — A Cadillac convertible that transported three Presidents of the United States has found a permanent home in St. Petersburg.

Dr. Paul F. Wallace, an automobile hobbyist, bought the nine-seat car last week after the White House replaced it with a later model.

• • •

The car was used by Presidents Franklin D. Roosevelt, Harry S. Truman and Dwight D. Eisenhower. It can attain top speed of 115 miles an hour. In 1952 it underwent an $8,000 rebuilding job.

Wallace said yesterday he plans to keep the car as a museum piece. He did not disclose the price he paid a Cadillac agency for the 1938 model.

To Probe Tax Laws

WASHINGTON (AP) — Rep. Mills (D - Ark) said today a special House subcommittee to investigate operation of the tax laws has made plans for hearings in November and December.

City Traffic Death Toll Mounts

Pontiac's mounting traffic death toll now stands at five.

With three and a half months left in 1956, it appears possible the city's three-year average of seven fatalities from 1952-54 would be topped.

The safety record this year is "good," police feel, compared with last year when 16 persons died in traffic. There were seven traffic fatalities this time last year.

A Traffic and Safety Bureau summary shows 367 others were injured in 755 accidents through August. There were 383 persons receiving non-fatal injuries in 733 accidents through August, 1955.

CHILDREN STUCK

Last month there were 90 traffic accidents in which one died and 34 were injured. The latest death occurred in a Labor Day crackup.

Six injured during August were pedestrians. Five of these were children under 14. Two others were bicyclists under 14.

Police continued to list these major causes for accidents: Driving while drinking, speeding, failure to grant right of way and following too closely.

Drivers in 77 accidents last month were ticketed.

Romance Ends in Death With Mystical Rendezvous

NEW YORK (AP) — A 34-year-old chemist is being held as a material witness in the mysterious death of a pretty schoolteacher who apparently died of cyanide poisoning.

A judge yesterday ordered Hugo Seinfeld held in $25,000 bail after the finding of the body of 25-year-old Avis Gray in a Riverside Drive hotel room.

• • •

The girl, fully clothed, lay sprawled on a bed. On the floor lay an empty champagne goblet. Champagne and other goblet lay on a table nearby.

Seinfeld, an Israeli citizen and a doctor of chemistry, told police of arranging a hotel rendezvous as a "farewell date" in their romance.

Seinfeld met Miss Gray in Istanbul, Turkey, where she taught English for two years at the American College for Girls.

The couple became "engaged," then the girl broke it off when she learned Seinfeld had a wife and three children living in Israel —according to the young woman's mother, Dr. Sarah Gray, a dental clinic supervisor for the city department of health.

• • •

Seinfeld said he recently obtained a divorce and wanted to marry Miss Gray. For some undisclosed reason, he said, she turned him down.

The couple met at the hotel room Tuesday. A discussion of their dilemma got them nowhere that night, Seinfeld said, and he poured crystals of sodium cyanide into a glass of water.

At Miss Gray's urging, he said, he took a walk to "think it over."

When he returned about half an hour later, Miss Gray was dead, he said.

Determined to take his own life, he said, he penned a "suicide" letter to a brother-in-law, then put cyanide into a glass of champagne. He couldn't drink it. He tried to swallow the crystals from a piece of paper. He lost his nerve.

• • •

Last July 6, police said, Seinfeld was taken to Bellevue Hospital after swallowing an overdose of pills.

Some 12 hours after Miss Gray died, police said, Seinfeld walked into a police station to tell his story.

Asst. Dist. Atty. Manuel Guereiro, who questioned Seinfeld for several hours, termed the death "suspicious."

Seinfeld formerly was a researcher at the Albert Einstein College of Medicine. More recently he was a research technician at Jacobi Hospital in the Bronx.

The dead girl's father Dr. Herman A. Gray, is an attorney and law professor at New York University.

Hurricane Girls Are Here Again

Wild Tropical Storms Come Roaring Along at This Time of Year

WASHINGTON—The season when tropic storm gods set loose whirling dervishes with ladies' names has begun.

• • •

Few rampages of nature can equal the hurricane, the National Geographic Society says. It roars out of the doldrums, a spinning disk of destruction and deluge hundreds of miles across.

Its winds can surpass 150 miles per hour. It can lift two billion tons of water from the sea in 24 hours and dump it all back as rain. It can pile up the ocean until low-lying beaches and islands drown beneath smashing waves.

Yet all its terrible strength—an estimated 500 trillion horsepower—is born simply of warm, moist air caught in a calm, and a twist to set it spinning.

• • •

Only in a few places on the globe are conditions such as to spawn these berserk storms—in the Caribbean area, the Southwest Pacific, and the Indian Ocean between Africa and Australia.

INVISIBLE CHIMNEY

In the sultry region between the tropic trade wnds, an invisible chimney forms. Air begins to rise, expand and cool. The barometer drops, and winds begin blowing in from all directions.

• • •

Deflected by the earth's eastward rotation, this in-rushing air sets up a great swirl. North of the Equator, the spin is always counter-clockwise; in southern latitudes, clockwise. It turns around a calm center, or "eye." As it begins to move, driven by little-understood forces, the storm grows.

Wherever it happens, this is a cyclonic storm. But in different parts of the world it goes by different names: In the Atlantic, "hurricane," in the Pacific, "typhoon." Australians call it a "willy-willy"; in the Bay of Bengal, it is a "cyclone."

The hurricane detection and warning system developed by the United States Weather Bureau over the past 30 years has largely eliminated unexpected onslaughts by the great storms.

• • •

Hurricanes are given girls' names by the Weather Bureau, each beginning with a succeeding letter of the alphabet, but chosen otherwise at random.

• • •

Ten hurricanes smashed across the North Atlantic last year. Three of them—Connie, Diane and Ione—struck the United States across the coast of North Carolina. Estimated damage of $967,000,000, much of it from resulting floods, was the highest annual cost in the hurricane record book.

Chameleons Are Pets

HAMILTON, Bermuda — Chameleons are numerous in Bermuda and these harmless, color-changing lizards frequently become household pets.

Chief Pontiac to Feature in Lincoln Park Pageant

LINCOLN PARK (INS) — An Indian snake dance and a mock attack on Detroit by Chief Pontiac and his men will be part of a historical pageant presented Saturday and Sunday at the Lincoln Park High School auditorium.

The pageant commemorates an Indian council called by Chief Pontiac in 1763 in what is New Lincoln Park.

A new city recreation area on the site of the council will be dedicated Sunday afternoon.

Sand from the ocean can carry enough salt into a concrete mix to rust steel reinforcements.

License Lack May Ban Lions Film Ticket Sale

DETROIT (INS) — Detroit Traffic and Ordinance Court Friday may ban the sale of tickets to a passion play movie sponsored by the Lions Club.

Police said John C. Swan, who is selling tickets for K. Gordon Murray Productions of Miami, violated a city ordinance requiring a license for charitable solicitation.

Judge George T. Murphy will hear the complaint Friday.

More than 35,000,000 persons, or about 23 per cent of the American population, live in suburban areas.

Dem, GOP State Heads to Air Party Platforms

GRAND RAPIDS (AP)—The Grand Rapids League of Women Voters has announced that Michigan Democratic and Republican state chairmen will discuss their party platforms Friday at a Public meeting.

Neil Staebler, Democratic state chairman, and John Feikens, Republican state chairman, are scheduled to appear on the league-sponsored program at Creston High School.

Canada's net farm income rose to $1,454,000,000 in 1955, an increase of 22 per cent over 1954.

Judges Finally Desert the Naive Type

At Last, Miss America Has Sophistication!

By PHYLLIS BATTELLE

NEW YORK (INS)—Marian Ann McKnight, the newer and savvier "Miss America" of 1957, is about the most seductive sight ever to anesthetize Atlantic City.

* * *

She walks with a wiggle that indicates experience in the enticement department, and she talks like Scarlett O'Hara on a settee with Rhett.

Her answers to questions are confidently female — "of cose" she likes Suthn nien better than Nawthners—and she does not giggle girlishly.

Thank goodness, there is nothing in Miss McKnight's makeup that bears a resemblance to the girl next door . . . unless you live next door to a smart supper club.

* * *

She is frankly, openly, unembarrassedly a man's woman, mature for her 19 years, with just an intriguing hint of flashiness, and not averse to perfume at the earlobes and a flick of mascara.

A SINCERE WELCOME

It's a pleasure, Miss McK, to welcome you to the spotlight!

* * *

In the "Miss America" contests of recent years, you could almost figure, looking over the finalists, that the most naive young lady would take the crown and the loot.

If a girl had "been around"—as we say in Sunday School circles—enough to look alluring, she was automatically eliminated.

Last year, watching the finals on TV, a friend made the statement: "That girl looks like she'd know which fork to use on the prosciutto—she's dead."

* * *

She was. The winner was Sharon Kay Ritchie, a pert and saucer-eyed child who appeared to have been recently left the girls' gymnasium stopped for a soda at the local sweete shoppe, and from there been led by the hand to Atlantic City.

Most important, to the people who plan victories of this kind, Sharon Kay looked like she'd never been kissed.

REMAINS NAIVE

She still does, as a matter of fact, though she's about to be married.

* * *

When she gave up her glorious scepter to Marian Ann McKnight, and announced "With your crown on your head and your scepter in your hand, go now and meet your subjects"—well, we would not have been surprised to see the new, self-possessed queen say "Aw c'mon now, who writes y'alls material?"

Probably the reason Miss McKnight is such a thoroughly feminine female is that she was a rough and tough tomboy in her youth.

Any girl child who climbed wisteria vines and swung from trees and was called "Monk" because of her affinity for muscular prowess is bound to get the desire to be a real woman with a sudden jolt.

* * *

Tomboys usually become, seemingly overnight, the most womanly women of all. They have gone at the athletic, male imitation nonsense with a vengeance—and have gotten it out of their systems.

UNDERSTAND MALES

In the process of tagging after boys and getting into their hair and their softball games, they know the male sex a great deal better than the girls who fritter away their yough playing with dolls.

Thus, when the time to become a girl-type girl arrives, they transform dramatically.

This is what happened to "Miss America of 1957," and we all should be grateful. For Miss America is supposed to be the "typical beautiful girl, sharp enough to handle her own life, but alluring enough to make a man handle it for her instead.

It's about time the judges recognized that glamor is not a vice, and naivette is not a girl's greatest asset.

Mayflower Coming to America

BRIXHAM, England (NEA) — This is a true ghost story. It is the story of how the Mayflower II, which started out as an Anglo-American publicity stunt, backfired on her planners — that is, turned into something genuine.

Someone should have warned the bowler- hatted businessmen who dreamed up the Mayflower II project that the ghosts of the Pilgrim Fathers are not to be tampered with lightly.

Thanks to their lending a heavenly hand, the Mayflower II is now rising on the ways down here in Brixham. Her ribs are all in place and are being fleshed out with planks shaped under steam pressure. Already she is a thing of beauty.

The Mayflower II was launched on Sept. 6; then after trials she will sail for Plymouth, Mass., next April, captained by an Australian, Capt. Alan J. Villiers, and manned by a crew of 21.

180-TON VESSEL

The 180-ton vessel will cost $240,000 to build, but not a cent of it will be American money. The Mayflower II is strictly a gift of the people of Britain to the people of the United States, and she will be as exact a replica of the original ship as the human brain can devise.

In the United States she will be exhibited up and down the eastern seaboard and then turned over to the Plymouth Plantation, Inc., a reconstruction of the early Pilgrim settlement.

The Mayflower project was to be another of those "hands-across-the-sea" affairs. It might have died in the oak-panelled board rooms of British businessmen had it not been for the ghosts.

Money? Pilgrims laugh at money, for hadn't the good Lord said that He would provide? And wasn't there something in the Bible about "cast down thy net?" Sure enough when the businessmen hauled in their net, there in its meshes was the Lord Mayor of London.

MAYOR GIVES PUSH

With the Lord Mayor behind it, money began to pour into the Mayflower project — in dribs and drabs at first, then in a steady trickle.

Blue-prints? By coincidence Naval Architect William A. Baker, of Boston, had just completed five years of research into the construction of the original Mayflower, having ransacked maritime museums and naval archives.

There, ready at hand, was as perfect a set of blue-prints as a shipbuilder could desire. Taking a gamble on the payment, Shipbuilder Stuart Upham, of Brixham, Devon, agreed to tackle the job. The keel for the Mayflower II was laid last July.

To enter the fishing port of Brixham (pop. 9,000) is to set one's watch back 300 years. Its people live in houses with the same sort of thatched roofs that the Pilgrims knew, and their way of life hasn't changed much with the centuries.

Their ancestors bowled with Drake, and afterwards sailed with him against the Spanish Armada. So it is not surprising that the men of Brixham should take readily to the building of the Mayflower II, reviving skills that were thought to be dead.

They are learning again how to handle the adze, the gimblett, the chock bevel and the maul, tools with which their ancestors made British square-riggers supreme on the seas.

These men have salt and tar in their veins. They have an eye for the sleek beauty of a ship and a nostalgia for craftsmanship. There are young men among them, too — boys like 18-year-old Martin Tucker, who works as a shipwright's apprentice, and who jump at the chance to sail under canvas.

WORK ON KEEL—Ribs of the Mayflower II began to rise above keel, fashioned from 120-year-old oak tree at Brixham, England.

McNamara Appoints Legislative Assistant

WASHINGTON (AP) — Sen. McNamara (D-Mich) has announced the appointment of Harold D. Beaton, an attorney, as his legislative assistant.

* * *

Beaton, 50, was Mackinac County prosecutor from 1934 to 1938. He became a special assistant to then U.S. Atty. Gen. Frank Murphy in 1939. During World War II he was an Army intelligence officer. He worked for the Justice Department again from 1948 to 1953. Since then he had been in private law practice in Escanaba, Mich., and Washington.

McNamara has not had a legislative aide since Sam Jacobs resigned that position in August 1955, to become a Washington representative for the AFL-CIO United Auto Workers.

UM Institute Points Up A-Development Issues

ANN ARBOR (INS)—A national institute on legal problems of peaceful atomic energy development will be held today through Saturday at the University of Michigan Law School.

Approximately 100 claims attorneys and legal experts from business, labor and government who are concerned with the problems each day will participate in the institute.

Hoffa Named to Wayne County Supervisor Board

DETROIT (INS) — James R. Hoffa, president of the Detroit joint council of the Teamsters Union, has been appointed a member of the Wayne County Board of Supervisors.

The appointment was made by Councilman Blanche Pareat Wise. Each council member has the legal opportunity to make several appointments to the board.

Joins Merged Union

GRAND HAVEN (AP) — Grand Haven's central labor council, representing AFL unions, has become the first in Michigan to unite with the CIO to form a new central labor union council, representing both AFL and CIO. Arthur Stang, president of the former AFL council, was named Monday night to head the new joint council.

River Water Supply Satisfies Wyandotte

WYANDOTTE (INS)—Wyandotte city officials took issue today with a statement that it would be "heathenish" to draw a potential drinking water supply from the Detroit River.

Dr. Henry F. Vaghan, former Detroit health commissioner, made the statement in opposing Wayne County's plan to build its own water plant and draw supplies from the lower river.

The proposed county intake is about 4,000 feet from the one that supplies Wyandotte, and officials of that community said their 42,000 citizens have been thriving on the water, thanks to modern purification methods.

L. C. Megee Heads Society

Plan Crippled Children Building

Future building plans headed last night's discussion at the annual dinner meeting of the Oakland County Society for Crippled Children.

* * *

Officers and board of directors were elected at this meeting held in the Waldron Hotel.

A building fund drive to begin next March was announced by L. C. Megee of Clarkston, group president. The land for the proposed new, larger building is a 15-acre tract leased from the county near the County infirmary on Telegraph Road.

Matthew Cammarert of Birmingham presented a check for $2,758.54 from the Birmingham Rotarians for "whatever the board wishes." Another check for $75 was presented for the building fund by Dr. Lawrence Duncan of the Ortonville Rotarians.

The evening's program, presented by the society teaching staff, explained the pre-school program operating from the present office at 152 W. Lawrence St., Pontiac, and discussed speech problems found in the work.

NEW OFFICERS

Officers elected include Megee, president for a third term; William Bullock of Pontiac, first vice president; Mrs. Fred H. Rollins of Birmingham, second vice president; Mrs. E. Verne McCall of Pontiac, recording secretary, and Richard Poole of Pontiac, treasurer.

ONE-YEAR DIRECTORS

Directors chosen for a one-year term include J. King Ward, Berkley; Floyd Short, Auburn Heights; Cammarert; F. E. Davies, Clarkston; Percy Richards, Ferndale; George Horkey, Madison Heights; James Smith, Milford; Mrs. L. H. Pate and Scott Street, Oak Park; Arlo Davis, Ortonville; H. B. Johnson Jr., Oxford; Wood M. Geist, Rochester; Arthur Mello, Royal Oak; Leo B. Miller, Southfield; James Brooks and Norman Danielson, Walled Lake; George Marble, Waterford-Drayton; Mrs. Garnet Poulton, Clarkston, and David Subelsky, Hazel Park.

TWO-YEAR DIRECTORS

Directors selected for two-year terms include Edward Parkin, Berkley; Edwin Kirbert and Mrs. F. H. Rollins, Birmingham; Mrs. Ira Snader and Megee, Clarkston; Dr. and Mrs. Duncan, Ortonville; Mrs. Mildred Burns, Richard Poole and Mrs. Maxwell Shadley, Pontiac; Nyol Hayes of Royal Oak, and Ernest Hanson of Ferndale.

HOW TO KEEP 'EM DOWN ON THE FARM—A bit of luxury has finally arrived in the farmer's fields. A new all-weather tractor is air-conditioned for summer and heated for winter. Seated in his heat-proof cab, above, a cool farmer rides over his acreage at Doylestown, Pa. An experimental model, the tractor has a steel and glass cabin. There is a push-button radio in the cockpit.

Western Union Hike Approved

FCC Takes Hands Off 8 Per Cent Press Rate Increase by Firm

WASHINGTON (AP)— The Federal Communications Commission announced today it will not interfere with Western Union's announced plan to increase interstate press telegram rates by about 8.22 per cent.

• • •

This means the rates will go into effect on Friday, Sept. 14, along with higher service rates between the United States, Canada and Mexico.

These new press rates come on the heels of an increase averaging 9.6 per cent on general commercial service messages within the United States, which became effective Aug. 26.

The over-all increases are estimated to increase the Western Union Telegraph Co. revenues by about $10,283,000, after allowances for some shrinkage in patronage as a result of the higher charges.

• • •

The company gave public notices of the increases several weeks ago to compensate for higher wage scales in the industry.

In addition to the 8.22 per cent domestic press rate increase, the commission also sanctioned:

1. A 19.3 per cent increase in general commercial messages, a 16.3 per cent increase in press messages and a 3.6 per cent increase in money orders moving between the United States and Mexico, also to be effective Sept. 14;

• • •

2. A 9.9 per cent increase in general commercial messages, a 16.3 per cent increase in press messages and a 10.3 per cent increase in money orders moving between the United States and Canada and the French St. Pierre-Miquelon Island adjacent to Nova Scotia, effective Sept. 24.

STEERS ESTES' DRIVE — F. Joseph Donohue has been appointed Democratic deputy campaign manager in charge of vice presidential activities, according to James Finnegan, Stevenson - Kefauver campaign manager. The Washington, D.C., attorney previously managed Senator Kefauver's bid for the Democratic presidential nomination.

Beer 'Lagering' Ancient

MILWAUKEE — The "lagering," or storing, of beer in cool caves goes far back, probably to about the Eighth Century. The present lager beer, bottom-fermented and effervescent, is of later origin. First developed in Germany, lager beer was brought to America about 1840 and within a generation had outstripped all other types of beer in public favor.

Plan New Plant

WYANDOTTE (AP) — Wyandotte Chemical Corp. has announced it will build a 20 million dollar plant at Geismer, La., to be opened in 1958. The plant is designed to produce 300 tons of chlorine and 330 tons of caustic soda a day.

Attention, Men Drivers —Show This to Wifey

HOWELL (AP) — A dainty hand on the wrong gear sent a woman's car shooting forth instead of back Wednesday and knocked a building eight feet off its foundations.

The car, with Mrs. Evelyn Feneley of Howell hanging onto the wheel, shot through a picket fence and plowed into the office of Dr. Herbert Benson, a veterinarian. It missed him by a foot.

Mrs. Feneley, a home economics demonstrator for the Detroit Edison Co., said, "I meant to put it in reverse.

Two Buck Bills to Show Town Guard Support

COLDWATER (AP) — Coldwater merchants will get a good idea just how much National Guard money goes into their cash registers.

The 35 enlisted men of Company A, 126th Infantry Regt., have received their pay for the two-weeks summer encampment at Camp Grayling with the Michigan National Guard.

And the entire $3,230 was paid off in $2 bills to emphasize the National Guard's contribution of Coldwater's economy.

Strike the Air Force

TOKYO (INS) — More than 100,000 Japanese employes of U.S. security forces are scheduled to stage a one-day strike Sept. 24 in protest against new work regulations. A similar work stoppage was carried out Aug. 27.

Pittsburgh Planning Duo-Stadium

PITTSBURGH, Pa. (AP) — As part of its redevelopment program, Pittsburgh is planning a combination, indoor-outdoor auditorium to provided "major league facilities" for sports and civic events.

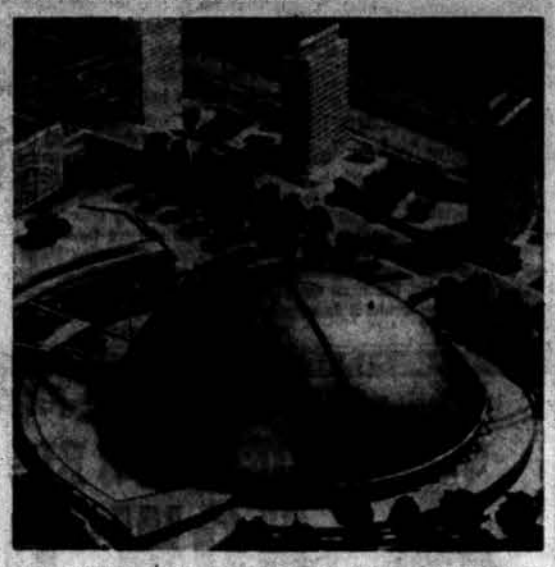

It will be constructed on a 20-acre tract in midtown Pittsburgh near the Golden Triangle district. It is tentatively scheduled for completion in 1959 — Pittsburgh's bicentennial year.

It will have a vast retractable metal roof —a dome 415 feet in diameter, composed of eight sections which will tower 12 stories high. At the touch of a switch, six of the sections will slide over two fixed sections providing an outdoor amphitheater in the summer.

Seats will be provided for 7,500 to 14,000 persons, depending on the event. There will be parking facilities for nearly 3,000 automobiles in and around it.

It is hoped by Pittsburgh officials that the new auditorium will make the city "major league" in such sports as boxing, basketball and ice hockey. The city also expects to gain a larger share of the convention business.

During the year the auditorium also will house the Civic Light Opera, musical shows and other presentations. Plans include provisions for air-conditioning, acoustics, stages and facilities for radio and television broadcasts.

VERSATILE—Here's the architect's drawing of Pittsburgh's proposed new stadium and concert hall. It towers 12 stories high and the moveable sections provide for both indoor and outdoor events.

Need for a new auditorium was emphasized sharply several months ago when The Gardens, the only adequate sports arena in town, was ordered demolished to make way for apartment buildings.

TEAMS HOMELESS

As a result, the Pittsburgh Hornets of the American hockey League and the Duquesne University basketball team are homeless. There is speculation that the Hornets might be moved to another city until the new auditorium is completed. Duquesne, a national collegiate power, has accepted an invitation to share Pitt's basketball floor.

Major indoor boxing shows also are eliminated with the passing of The Gardens. Local promoters are looking forward to presenting main attractions in the new auditorium.

The Public Auditorium Authority of Pittsburgh and Allegheny County began acquiring property on the site early this year. It expects to have construction of the $14,000,000 project under way by March 1, 1957.

Financing of the auditorium is being done in several ways. Pittsburgh and Allegheny County each have pledged $1,500,000, while another $2,500,000 was secured through public subscription. The remainder will come from bond issues and foundation grants.

Red Cross Rescuers Modernizing Their Facilities

IN BETWEEN YEARS OF MERCY—In World War I days, the Red Cross nurse shown crossing a stream in the wilderness (left) was a symbol of the organization. Today she's still the same symbol, but the helicopter has entered the picture to speed her rescue work.

WASHINGTON (NEA) — The nation is now entering an age of greater airborne mercy and electronic life saving. These modern advances are essential if rescue and relief operations are to keep pace with the scope of future disasters.

This is the long-range view of officials of the American Red Cross which is now celebrating its 75th anniversary.

On this historic occasion, however, Red Cross disaster veterans are not too interested in looking back. They're seriously preparing for big trouble that's ahead.

For the floods, hurricanes and tornadoes of recent years have made it brutally clear that communities from California to Kansas to Connecticut are more susceptible to devastation than ever before.

Robert Edson, National Director of Disaster Services for the Red Cross, explains the situation in these terms:

"We've got to keep improving. The marked increase and density of populations in areas surrounding all our large cities means that more people and dwellings are hit by disasters.

"Several years ago a tornado might have blown through a wooded area and caused no harm. Now that same area could well be a suburban community ripe for destruction and death."

ADVANCEMENTS HELP

To cope with the emergencies of tomorrow, the Red Cross intends to take full advantage of modern advancements. These will include television, better air coverage, pocket transmitters and perhaps food capsules, to mention a few.

These methods are a far cry from those used by the Red Cross shortly after it was established in the U.S. in 1881 by Clara Barton.

Recently, for example, a number of tornadoes hit Michigan, killing a half dozen persons, injuring many others and wrecking property.

Immediately Red Cross officials in St. Louis were in touch with cities and towns all over the state and with national headquarters in Washington. In a matter of hours rescue workers and vital supplies were moved to critical areas by automobile, train and plane.

"If these same tornadoes had struck back in horse and buggy days of the 1880's, it would have been days before the same information could have been compiled and adequate supplies and staff provided," says Edson who was on the phone from here one entire night keeping track of the disaster operation.

At the same time he uses the tornadoes to illustrate improvements needed for the future.

"I hope the day is not too far off," he says, "when I can sit here at my desk in Washington and view such a disaster via TV. With a camera attached to a plane we could telecast the total affected area and then make an immediate determintion of the size and scope of the disaster.

"Today there is no spot in the country that is more than six hours away from a major staff effort, thanks to air facilities. But we still have a problem flying into an area shortly after a tornado or hurricane. Improvement of landing techniques in bad weather conditions will be a huge asset."

Edson points out that the use of helicopters in the last two years has improved disaster operations 100 per cent. And within the next decade he is confident no one will be isolated by a disaster for any period of time.

Other improvements may include food capsules that will serve as stop-gap rations, fast acting but safe chemicals to disinfect water and pocket transmitters instead of more cumbersome walkie-talkies.

The Red Cross is also counting on better weather prediction so its teams can move ahead of tornadoes, hurricanes and flash floods.

"It should never be forgotten," adds Edson, "that no matter how many advances we make, we're still dependent on volunteer workers on the scene. They have made the difference in the past and they will in the future."

It's a Girl for 'The Body'

HOLLYWOOD (AP)—Actress Marie McDonald, recently divorced from wealthy shoe manufacturer Harry Karl, gave birth to a 4-pound, 5-ounce baby girl by Caesarean section yesterday at Cedars of Lebanon Hospital.

Salk Vaccine Poses Problem for Examiners

JACKSON (AP) — Salk polio vaccine may increase the risk of contracting polio for children who have not been inoculated, a Jackson pediatrician said Wednesday.

Dr. Frank Van Schoick said children who have received the three-shot Salk series might contract a case of polio too slight to be detected but enough to make them carriers of the disease.

Dr. Van Schoick is district polio consultant for the Michigan Crippled Children's Society and a member of the State Health Department committee on communicable disease.

"The Salk vaccine is a blessing but it also makes the doctor's job of diagnosis more difficult," Van Schoick said. "It works even after elementary signs of polio have been discovered."

He cited the case of a 12-year-old boy, Jackson's first polio victim this year, who had received the three-shot Salk series. A spinal tap showed the polio organism in the boy's system, Van Schoick said, but two days later all trace of the virus had disappeared.

The physician said the Jackson findings are similar to those reported by other doctors in the state by Dr. Albert E. Heustis, state health commissioner.

Jury Knows the Score

ALBUQUERQUE, N. M. (AP)—U. S. Dist. Judge Carl Hatch is a baseball fan. During trial of an involuntary manslaughter case yesterday he announced to the jury at intervals how the Milwaukee Braves-Brooklyn Dodgers game was progressing. By the time the jury retired to deliberate it knew Milwaukee won 8-7.

Hospital Bags Boy Too Soiled With Oil

WILMINGTON, Calif. (AP)—Johnny Durham, 3, got lost, oiled, hospitalized, checked and sacked in that order. Later he got cleaned.

His mother Mrs. Edna Durham had neighbors helping her search for the lost boy when someone heard him sobbing just behind the fence at the rear of the Durhams' yard. There he sat—stuck tight in a three-inch-deep puddle of oil, which had apparently oozed from neighboring oil storage tanks.

At Wilmington Receiving Hospital, attendants put him in a cellophane bag and sent him home, where Mrs. Durham started the job of getting him clean.

17-Pound Girl Born

CHICKASHA, Okla. (AP)—Mrs. Joe Stamper, 36, gave birth to a 17-pound girl at her home here last night, Dr. C. A. Bumgardner reported. The doctor said the birth was a "difficult one" but normal and that mother and child were doing well.

Utah Spurns Lee in 3rd-Term Bid

'Maverick' Governor Is Dumped by Newcomer in Primary

SALT LAKE CITY, (AP)—Gov. J. Bracken Lee says, "If you know anybody who wants a man of my age for a job, why I'm open," now that his bid for a third term has been rejected.

* * *

But Lee, 57, says he "would not encourage" a move to re-elect him via a write-in campaign.

"I just don't think a thing like that would be successful," he said in an interview last night after his defeat in Utah's Republican primary Tuesday by political newcomer George D. Clyde.

* * *

"After all, this isn't the end of the world for any of us. It's just an election. Certainly I feel bad about it. I'm certain my friends feel just as bad if not worse."

* * *

Lee, considered a political maverick by party regulars in Utah for his criticism of foreign aid, the United Nations and the Eisenhower administration, lost to Clyde by more than 8,000 votes in a Republican gubernatorial primary that totaled more than 117,000.

* * *

Some postprimary talk has mentioned the possibility that Lee might make the race for governor anyway, on a write-in basis. But he says of such a move: "My feeling is that I don't want to participate in it. The people have spoken and I'm willing to abide."

Will he support Clyde?

* * *

"I see no reason why I shouldn't support him. Of course, I'm not going to campaign as hard as I would for myself because that's hard work. But if they want me, if they need me, if they feel I won't hurt them — sure I would."

Disaster Unit of Red Cross Plans Autumn Schedule

The Disaster Committee of Oakland County Chapter, American Red Cross has planned its fall schedule of activity, Mrs. Mildred E. Bennett, chapter executive director, said today.

* * *

Sydney J. Winstanley's mass feeding committee will meet Monday at 1:30 p.m. at the chapter house, 118 Franklin Blvd.

Red Cross Disaster Committee members will discuss the chapter's disaster plan for the county at the Community Services class of the CIO in Royal Oak on Sept. 25.

The entire disaster committee will hold a dinner meeting on Sept. 26 in Milford under the direction of Mrs. George Eberle. Oct. 10 the committee will meet at Haven Hill Lodge in Highland with all disaster committee members and Civil Defense officials from the mutual aid areas which include Oakland, Macomb, Wayne, Washtenaw and Genesee counties.

Taking part in the Sept. 25 meeting will be Winstanley; Ora Hinckley, chairman of the welfare and inquiry committee for Oakland County; Ralph S. Forman chairman of first aid, Mrs. Bennett; Arthur Heaton, Ground Observer Corps chairman; Lewis Jarrendt, chairman of Oakland County Civil Defense and James Harrington of Drayton Plains, newly appointed county chairman of the survey committee.

The Rev. William C. Hamm, chapter chairman has appointed Harrington to form a survey committee whose duty it is to estimate the area of damage in disaster, number of persons affected, extent of injuries, extent of damage, needs of persons and cost to the Red Cross.

Find Feral Boy in Chicken Coop

Irish Police Say Lad Can't Eat Human Food, Grunts Like Animal

BELFAST, Northern Ireland (AP)—Police discovered today a boy—apparently about 7—who they said has never bathed, cannot eat human food, who grunts like an animal and roosts like a chicken.

Sgt. Hugh Ross said the "pitiful little boy" was found in a hen house at Down Patrick, County Down, 15 miles from Belfast.

He has been taken to a home in Belfast and turned over to a team of physicians for examination.

* * *

Sgt. Ross said a group of children playing "hide and seek" ran into the hen house, which adjoins a cottage occupied by a widow and her two grown daughters.

The children found the boy perched on a roost with the hens and roosters.

"He cannot talk. He cannot walk and he cannot eat human food," the police sergeant said. "He has been reared like a chicken."

The mat of hair on his head did not appear ever to have been cut or washed. He had clawlike fingernails which probably never had been trimmed.

Said William Hamilton, official of the National Society for the Prevention of Cruelty to Children: "He gets about by hopping like an ape and he replies to voices with grunts in a half human fashion."

Police would not give the name of the widow, who is being questioned.

The Agriculture Department's forest-insect research bureau has presented to the Smithsonian Institution a collection of 230,000 specimens of termites, including 1,286 distinct species of the approximately 2,000 known in the world.

Traverse College First to Apply for State Funds

LANSING (AP) — Northwestern Michigan College at Traverse City is the first such institution to apply for state construction funds under a new aid program, the State Department of Public Instruction reported today.

* * *

The 1956 Legislature made $1,200,000 available for construction by community and junior colleges in a program to encourage expansion by the state's smaller colleges.

Dr. Clair L. Taylor, state superintendent of public instruction, congratulated Northwestern Michigan College for being the first to apply noting "it is the first time in the history of Michigan that state funds are made available for any type of local school or college building construction."

The college asked for $50,000 to match local funds for expansion of a classroom-laboratory building. Taylor said the application had tentative approval and advised the college that an additional $15,000 might be available.

The state administrative board must give final approval before the money is appropriated.

County VFW to Hold Monthly Meeting Tonight

Biggest Revolution in France Yet

Strippers Stir Sensation in Paris Nighteries

PARIS (INS) — Some 1,220 items of feminine wear are being shed nightly before bemused Paris theater and night club audiences in the biggest revolution in the French show world since the advent of the "Can-Can."

"Le strip-tease" is packing them in and knowledge circles in the French capital say it has now become a major attraction of Parisian night life.

So confident in the future are those connected with this form of entertainment that they are setting up a "strip-tease club de Paris," a professional association of young women who earn their living disrobing in public.

Veteran Paris showman Maurice Poggi, who is backing the venture, told 'INS' the club's main aim will be the "protection of the moral and material interests of the artists."

The clubhouse in downtown Paris will feature a restaurant, a bar, a library and an artists' booking office.

A mathematically inclined French researcher has established there are 122 strippers appearing regularly in four Paris theaters and 19 night clubs.

With each of these discarding an average of 10 items during her act, he obtained the figure of approximately 1,220 pieces of apparel being doffed in public each night.

FROM U. S.

Poggi said the popularity of this type of entertainment, virtually unknown in Paris until it was imported from the United States after World War II, reflected the growing desire of Parisian audiences to seek escape from everyday life at the theater.

"Parlor plays do not provide a sufficient sense of flight from reality," Poggi explained. "To many people, what happens on the stage looks to them like just an extension of their daily lives."

Poggi claimed that the elaborate "spectacle" shows of the folies Bergere type, that made Paris famous, were also losing popularity.

"People are tired of looking at nudes on an assembly line basis. They want laughter and a large dose of sauciness," he said.

Poggi said that before attaining its present degree of popularity, strip-tease had to be adapted to French taste. He explained:

"For instance, bumps and grinds are out to a large extent. French people considered them as being in bad taste.

* * *

"We also had to make changes in the 'tease' part. You know how Frenchmen are impatient and we felt we should not keep them in suspense too long."

Willman Attending Managers Meeting

City Manager W. K. Willman left Pontiac today headed for Banff, Alberta, Canada and the International City Manager's Conference, Sept. 16-20.

Some 800 city managers from all 48 states are expected to attend the annual affair.

Willman is expected to return Sept. 23.

Inkster Councilman Decried by Villagers

LANSING (AP)—A councilman in the village of Inkster, Norman A. Bock, is the target of a removal demand sent by village residents to gov. williams.

* * *

The petition, bearing 504 signatures, was received in the governor's office yesterday.

It listed 13 charges against Bock. One alleged he used his official position to swing village building contracts to a construction firm in which he had an interest.

The petition was referred to the attorney general's office for examination as to legal sufficiency.

* * *

The governor's office said the next step will be decided after completion of this scrutiny.

Model Car Contest Offers 18 Scholarships

DETROIT (INS) — The Fisher Body Craftsman's Guild announced today 18 university scholarships plus $77,000 in cash and other prizes will be awarded in its 1957 model car competition.

Guild Secretary James P. Wines said enrollments for the contest are being accepted.

Talmadge Wins Bid for Senate

Pick Herman to Carry Georgia's Racial Stand to Washington

ATLANTA (AP)—Georgia's successor to veteran U.S. Sen. Walter F. George will be Herman E. Talmadge, 43-year-old staunch racial segregationist.

* * *

Talmadge rode to victory yesterday in the Democratic primary—equivalnt to election in thsi state—over Melvin E. Thompson, whom he has twice defeated for governor, but never by such a smashing margin as in the Senate race.

* * *

Thompson, also a former governor, consoled himself that he polled more than 100,000 votes, or more than a fifth of the total.

Talmadge led in all of the counies heard from—147 of a total of 159—and had 378 of the decisive county units in his column to none for his rival. He had appealed in his campaign for an "overwhelming mandate" to carry his battle for "local self - determination"—and racial segregation — to the congress.

The popular vote count from 1,266 of the state's 1,798 precincts gave Talmadge 372,907, Thompson 105,907.

* * *

The 77-year-old George, now President Eisenhower's personal representative to the North Atlantic Treaty Organization, first announced for renominaion but changed his mind in the face of a Talmadge threat of a hot summer political fight.

Six of the state's 10 U.S. representatives had opposition but all won handily.

Nehru-Eisenhower Talk Unlikely in Near Future

NEW DELHI, India (AP)—A government spokesman said today talks between Prime Minister Nehru and President Eisenhower "are not likely to take place in the near future."

He confirmed a fresh invitation from Eisenhower had been accepted by Nehru about a month ago, but said the date of the visit was not set. A visit by Nehru to Washington last summer was canceled because of the President's illness.

Machinists Face Vote on Monthly Dues Hike

SAN FRANCISCO (AP)—The International Assn. of Machinists, facing negotiations this year in the aircraft and guided missiles industry, voted yesterday to double minimum dues and set up a multi-million-dollar strike fund.

The decision, subject to approval by the union's 936,000 members, would raise minimum dues from $2 monthly to $4. The strike fund would pay $35 weekly from the national treasury to strikers.

Drayton Truck Driver Wins Safety Award

Eugene Sutphen of 6789 Macedday Dr., Drayton Plains, was one of three men honored by the Michigan Trucking Assn.

The Association reported today that Sutphen, driver of the month for May along with Ralph Howe of Bay City and Glenn C. Raupp of Melvindale top drivers for April and June, chalked up four and a half million driving miles without a chargeable accident.

Sutphen who makes three round trips to Chicago weekly has been with the company for 14 years. The three received $50 and certificates from the MTA.

Gussy Moran Files Annulment Action

NEW YORK (AP)—Former tennis star Gertrude (Gussy) Moran, famed for wearing laced - edged panties under her short court skirt, has filed an annulment action against her husband of five weeks.

Miss Moran, 31, was married last Aug. 7 to Thomas J. Corbally, 35-year-old industrial engineer.

Since then, she contended in State Supreme Court, she and Corbally never lived as man and wife.

Services Tomorrow for Financier Bray

DETROIT (INS)—Funeral services will be held tomorrow for Charles A. Bray, 82-year-old financier and builder who died in Detroit's Henry Ford Hospital yesterday after a brief illness.

Bray, who was born in Toledo, lived in Detroit for 65 years. He was former secretary-treasurer of the A. J. Smith Construction Co.

Detroit Car Lot Opens

DETROIT (INS) — Detroit's $300,000 Livernois-Fenkell parking lot formally opens tonight. Grand opening ceremonies will include free parking for the evening and valuable prizes to lucky parkers.

The nation's investment companies now hold some $1,178,924,000 worth of oil stocks.

Parents Debate Boy's 1 Good Eye

Cancer Threatens Child but Folks Can't Decide What to Do

ATLANTA (AP) — The divorced parents of a 5-year-old Atlanta boy who has lost one eye to cancer planned today to wait a few days before deciding whether to permit removal of the other eye.

* * *

Doctors said that malignancy which caused removal of Johnny Pair's left eye two years ago now has spread to the right eye.

His mother Mrs. Bessie Pair, 32, and her former husband Arnold Pair, 33, were told there is no assurance that removal of the other eye will save Johnny's life.

The mother and father met with a minister and eye specialists yesterday and discussed their son's future.

"They just told us the facts," Mrs. Pair said, "and they've leaving the decision up to us. We're going to wait a few days before deciding definitely. The doctors said a few days wouldn't make any difference."

* * *

Johnny has not been told of his worsening condition.

Mrs. Pair was granted custody of the boy when the Pairs were divorced.

The boy's case is similar to that of Mike Sjbole, 4-year-old adopted son of a minister at Orlando, Fla. Mike's remaining good eye recently was removed to stop a malignancy.

NBC and Technicians to Iron Out Dispute

HOLLYWOOD (INS) — Issues involved in a temporary walkout of technicians at National Broadcasting System's Hollywood television studios will be argued out by union and company officials in New York.

Agreement to submit the dispute to officials in New York ended the strike after an hour and a half yesterday.

During that time the picture was interrupted on the "Tennessee Ernie Ford Show" and "Matinee Theater."

The walkout was caused by a dispute over union representation for three non-technical employees.

NBC claimed the stoppage was conducted on orders from the National Assn. of Broadcast Employees and Technicians and was in violation of the collective bargaining agreement between the two.

Divorce List Corrected

In a recent list of Oakland County divorces, the Press erred in saying Harwood Gladding won a divorce from his wife, Carole. Mrs. Gladding was granted the divorce.

Crosbys Reconcile

HOLLYWOOD (AP) — Bandleader Bob Crosby and his wife June, who separated a month ago, have become reconciled.

NOTICE OF SPECIAL MEETING
Board of Education
School District of the
City of Birmingham

Please be advised that a Special Meeting of the Board of Education of the School District of the City of Birmingham, Oakland County, Michigan, will be held in the Board Room at Hill School, Birmingham, Michigan, on Thursday, the 13th day of September, 1956, at 8:00 o'clock in the evening for the following purposes:

1. To approve change orders on the Midvale Elementary School.
2. To present such other business as may properly come before the meeting.

This notice has been prepared and mailed to the residence of each member of the Board of Education at the request of Mr. Ernest W. Seaholm, President of the Board of Education.

DWIGHT B. IRELAND,
Superintendent of Schools
Dated this 11th day of September, 1956
Sept. 13, '56

STATE OF MICHIGAN—In the Probate Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning William Rice alias Morrison, minor. Cause No. 14292.

To William Rice, father of said child.

Petition having been filed in this Court alleging that the present whereabouts of the father of the said minor child is unknown and the said child has violated a law of the State and that said child should be placed under the jurisdiction of this Court,

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Juvenile Court, Oakland County Service Center, Court House Annex, 1200-B West Blvd. in the City of Pontiac in said County, on the 25th day of September, A. D. 1956, at nine o'clock in the forenoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press, a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 11th day of September, A. D. 1956.

ARTHUR E. MOORE,
Judge of Probate

TOURING THE HARBOR — Members of the Pontiac Press Theater Special are seeing more than Broadway plays during their trip to New York City. Here a group tours the harbor in one of the many jaunts around the city. Enthusiasm for the trip is continuing to run high among the 100 Pontiac area members of the Theater Special.

Say That Again!

OMAHA (INS)—American faces are the ugliest in the world and the bigger the city the uglier the face. Dr. Harry Wood, head of the University of Arizona Art department says the most beautiful faces are in India, Italy, Greece and Egypt. He blames the alleged ugliness of American faces on strain, tension and inner conflicts.

Buy Pure Cattle

MANAGUA — During the past 18 months Nicaragua has imported nearly 700 head of purebred cattle from the United States for the purpose of improving its livestock. Most of the cattle—Brown Swiss, Brahman, Guernsey, and Holstein breeds—will be sold on long-term credit to farmers. The rest will be used for experimental purposes.

Roosevelt Wins Suit to See His Children

LOS ANGELES (AP)—Rep. James Roosevelt will be able to have his three children visit him in his own home for the first time since he and the former Romelle Schneider were divorced in June 1955.

Roosevelt yesterday won his fight for expanded visitation rights. His former wife opposed his request and particularly objected to the children being in the company of Roosevelt's bride Irene.

As a result of the court ruling, James Jr., 10, Michael, 9, and Anna Eleanor, 8, can visit their father's home on alternate weekends while he is in Los Angeles and on certain holidays. Heretofore, Roosevelt's visits with his children have been permitted only at their mother's home.

Brod Crawford Hurt

SANTA MONICA, Calif. (AP) — Actor Broderick Crawford suffered painful injuries yesterday in a fall from the back of a truck on a movie location, hospital attendants said. He was brought to St. John's Hospital here to remain overnight.

Make Jam and Conserve Now

When your children come home from school, will they have a piece of bread and jam for a snack? They will, if you have been making a batch of jam or jelly or conserve.

* * *

A conserve is simply a thick, rich mixture of fruit chunks and raisins cooked in sugar, and nut meats. One of my food memories is of a delicious rhubarb, orange and almond conserve my grandmother made. I've never found the recipe for it, but how I'd like to!

If you want to try something different this year, try a Plum Conserve like this one:

Plum Conserve

3 cups chopped plums
Juice of one lemon
½ teaspoon salt
1 large stick cinnamon
6 cups sugar
¾ cups raisins
¾ cup chopped walnut meats

Wash, pit and cut plums in half pieces. Place in saucepan. Add lemon juice, salt and cinnamon and cook until plums are soft about 15 minutes. Add sugar and raisins. Cook until thick. Remove cinnamon. Add walnuts. Pour, boiling hot, into jars. Seal at once. Yield: 2½ pints.

Our present short-cut methods of jelly making take a lot of work out of the process. You still have to prepare the fruit, but the long cooking time has been eliminated by use of pectins.

It is possible to make both jelly and butter from one batch of Concord grapes. Perhaps you can set aside a day for this double duty task.

* * *

First, prepare the fruit. Stem about 6 pounds fully ripe Concord grapes and crush thoroughly. Add 2 cups water; bring to a boil and simmer, covered, 5 minutes. Place in a large sieve lined with a double thickness of cheesecloth. Drain and measure 5 cups juice into a very large saucepan. Use juice for making jelly; use fruit remaining in sieve for making butter.

Grape Jelly

6½ cups (2¾ lbs.) sugar
1 box (2½ oz.) powdered fruit pectin
5 cups juice

Second, make the jelly. Measure sugar and set aside. Add powdered fruit pectin to juice in saucepan and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and pour quickly into glasses. Cover jelly at once with ⅛ inch hot paraffin.

Grape Butter

7 cups (3 lbs.) sugar
5½ cups fruit pulp
1 box (2½ oz.) powdered fruit pectin

* * *

Then make the butter. Measure sugar and set aside. Put fruit pulp through sieve. Measure 5½ cups pulp into a very large saucepan. Add powdered fruit pectin and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and ladle quickly into glasses. Cover butter at once with ⅛ inch hot paraffin.

* * *

Tomato Jam is used by many people as a delicious accompaniment to meat dishes. There's nothing to prevent your serving it as a regular jam.

Tomato Jam

2 cups prepared tomatoes, (about 2½ pounds ripe tomatoes)
1½ teaspoons grated lemon rind
¼ cup lemon juice (2 lemons)
6½ cups (2¾ pounds) sugar
1 bottle fruit pectin

First, prepare the tomatoes: Scald, peel, and crush about 2½ pounds ripe tomatoes. Bring to a boil. Simmer, uncovered, 10 minutes. Measure 3 cups into very large saucepan. Grate rind from 1 medium-size lemon, add 1½ teaspoons to tomatoes. Squeeze the juice from 2 lemons; add ¼ cup to tomatoes.

Then make the jam: Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in pectin. Then stir and skim by turns for 5 minutes to cool slightly. Ladle into glasses. Paraffin at once. Makes 9 medium glasses.

For spiced tomato jam: Add ½ teaspoon each allspice, cloves, cinnamon, or Worcestershire sauce to taste.

Chutneys are also good accessories to meat. Originally they were a pickle made in India. In America they are based on tomatoes, apples, peaches, or in this particular case pears.

Pear Chutney

1 large onion (chopped)
1 medium-sized apple (peeled and chopped)
1¼ cups dark brown sugar (firmly packed)
½ cup cider vinegar
water and drained)
½ teaspoon salt
¾ teaspoon mustard seed
¾ cup seedless raisins (rinsed in hot
½ teaspoon allspice
¼ teaspoon cloves
½ teaspoon ginger
1 can (1 pound and 13 ounces) pear halves
2 cloves garlic (minced)

Put chopped onion and apple, ¼ cup of the brown sugar, vinegar, raisins, salt, mustard seed, allspice, cloves, ginger and garlic in a 3-quart kettle. Stir over low heat until sugar dissolves; bring to a boil; boil gently about 15 minutes.

Add remaining 1 cup brown sugar and pears, including juice from can; boil gently until there is only a little liquid left—35 to 45 minutes. Stir often, especially toward end of cooking period. Makes 1½ pints. Store in tightly covered jars in refrigerator.

We would remind you that making jam and jelly in small amounts is the only way to get perfect results. All the reference books tells us never to double the recipe. I tried it once and ended up by throwing the resultant mess in the garbage. Take time and pains and you'll be rewarded by perfect products.

For a final recipe we would commend this Grape and Pear Jam. An inn in Vermont features it on the menu.

Grape and Pear Jam

4 cups prepared fruit (about 2 pounds ripe grapes and 1 pound ripe pears)
7 cups (3 pounds) sugar
1 bottle liquid fruit pectin

* * *

First, prepare the fruit. Slip skins from about 2 pounds fully ripe Concord or other loose-skinned grapes. Bring pulp to a boil and simmer, covered, 5 minutes. Then sieve to remove seeds. Chop or grind skins and add to pulp.

Peel and core about 1 pound fully ripe pears. Grind or chop very fine. Combine fruits and measure 4 cups into a very large saucepan.

Then make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard for 1 minute, stirring constantly.

Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with ⅛-inch hot paraffin.

Chill Evaporated Milk, for Successful Whipping

Evaporated milk will whip stiff if thoroughly chilled beforehand. Pour the milk into an ice cube tray and chill it until ice crystals form around the edge. Bowl and egg beater should be refrigerated until cold too.

To increase stability after whipping, beat in two tablespoons of lemon juice for each cup of evaporated milk used . . . measured before whipping.

The average 2-lb. sugar beet contains 14 teaspoonsful of sugar.

Cook Scallops in Spanish Wine

Scallops are among the most delicious of the gifts we get from the sea, and the secret of their preparation is to cook them quickly to preserve the delicate flavor.

Dust lightly with flour, one and a half pounds of scallops that have been washed and dried. Then saute them quickly in six tablespoons of butter. They should just be heated through, browning lightly.

Remove the scallops from the skillet, then add to the pan two-thirds of a cup of dry Spanish sherry—a fine or amontillado—simmering for two minutes.

Pour the sherry over the scallops and sprinkle with a quarter cup of chopped parsley. Serve immediately with rice or noodles.

A glass of chilled fino or amontillado is an excellent accompaniment.

Despite cantaloupe's satisfying hint of sweetness, half a melon contains only 37 calories. The melon is high in vitamins, particularly vitamin A.

Cook a package of frozen mixed vegetables and drain; mix with mayonnaise and lemon juice. Juice on salad greens as an accompaniment to cold meat.

PLUM CONSERVE — Cinnamon, lemon juice, raisins and walnuts combine with plums and sugar to make an exotic conserve. A conserve is defined as a blend of several fruits, made like a jam. It may or may not contain nuts and raisins.

EASY-DO COOKIES — Easy, easy — brownies and macaroons made with sweetened condensed milk. Serve them with lemonade or other fruit beverage for tempting and satisfying between-meal refreshments. Put them in school lunch boxes, too.

Tot Could Make These Cookies

After a game of tennis or a swim, a bout with housework or a trudge home from school, who isn't ready for refreshments?

And who wouldn't greet with glee a fruit juice drink with brownies or macaroons on the side?

They are easy to make, the brownies or macaroons, with sweetened condensed milk, so they don't really put a burden on the chief cook.

The macaroons are one of those magic combinations—just shredded coconut and sweetened condensed milk—that need no eggs, sugar, shortening or flour. The brownies, too, are quick and easy to make.

Coconut Macaroons

½ cup (⅓ can) sweetened condensed milk
3 cups shredded coconut
1 teaspoon vanilla

Mix together sweetened condensed milk, coconut and vanilla.

Drop by teaspoonfuls on well-greased baking sheet, about 1 inch apart. Bake in moderate oven, (350 degrees) until a delicate brown, about 8 to 10 minutes. Remove from pan at once.

Gold Rush Brownies

2 cups firmly packed coarse graham cracker crumbs (about 18 crackers)
1 package (6 ounces) semi-sweet chocolate pieces
½ cup coarsely chopped nut meats
1⅓ cups (1 1-15 ounce can) sweetened condensed milk

Mix together graham cracker crumbs, chocolate pieces and nut meats. Blend in sweetened condensed milk. Pour into an 8x8x2-inch square pan which has been greased and the bottom lined with waxed paper and greased again.

Bake in moderate oven (350 degrees) until top is golden brown, about 40 minutes. Remove from oven. Let stand in pan 10 minutes. Turn out from pan. Remove waxed paper and cut into bars or squares. Cool.

Cheddar Cheese Tops Bubbling Potato Casserole

Potatoes are always popular when served this creamy way.

Potatoes With Cheese

6 medium-sized potatoes
2 tablespoons butter or margarine
2 tablespoons flour
2 cups milk
Salt and pepper
½ cup grated cheddar cheese
½ cup soft bread crumbs
1 tablespoon butter or margarine
¼ teaspoon paprika

Cook potatoes in skins in boiling salted water until tender; peel and dice; there should be 3 cups.

Make a white sauce of the 2 tablespoons of butter, flour and milk. Mix with diced cooked potatoes; add salt and pepper to taste. Turn into 1½ - quart casserole; sprinkle with grated cheese.

Mix bread crumbs with 1 tablespoon melted butter; sprinkle over cheese; dust with paprika. Bake in a hot (400 degrees) oven until crumbs are lightly tipped with brown—about 20 minutes. Makes six servings.

Spaghetti, Salad in Minute Meal

A great family favorite is spaghetti and meat balls. Conveniently put up in both 2-serving and 5-serving sizes, the tender spaghetti and pure beef meat balls in a delicious tomato sauce make a truly satisfying meal.

Just open the can, pour into a saucepan and heat to tasty perfection in a few minutes. All the real preparation and careful cooking has already been done by a famous chef.

Mother need do no more than wield the can opener, toss together a cool-looking salad with Basil dressing and serve with iced coffee and delicious Italian style cookies.

This is a short and simple meal that will keep the family well-fed and satisfied, too.

Basil Dressing

2 tablespoons basil
⅓ cup olive oil
4 tablespoons vinegar
1 clove garlic
Salt and pepper

Blend above ingredients thoroughly in a jar several hours before using.

For an excellent sandwich filling, combine canned deviled ham with chopped ripe olives, a package of cream cheese and salad dressing.

Try This Delicious Treat:

Busy breadwinners will look forward to coming home to this new type of meal—Oven-Style Veal Cutlets. Prepared in the oven and served with a creamy mushroom sauce, Mrs. Homemaker is sure to be called a culinary whiz by her family.

Veal cutlets, sometimes called or referred to as veal round steak, corresponds to beef round steak, according to Reba Staggs, meat expert. Veal comes from young beef animals.

Both veal and beef round steak are considered less tender cuts of meat and are therefore, cooked by a moist heat cookery method. Most homemakers are familiar with this method—braising.

Oven-Style Veal Cutlets

1½ pounds veal round steak, cut ¾ inch thick
2 tablespoons flour
½ teaspoon salt
⅛ teaspoon pepper
2 tablespoons lard or drippings
1½ cups water
1 10½-ounce can condensed mushroom soup

Cut veal round steak into 6 cutlets. Dredge cutlets with seasoned flour and brown slowly in lard or drippings. Pour off excess drippings. Add water to mushroom soup over cutlets, cover tightly and soup over cutlets, ocver tightly and cook slowly in a slow oven (300 degrees F.) for 1 hour or until tender. Serve mushroom gravy over cutlets. Yield: 4 to 6 servings.

Cabbage Salad Gets De Luxe Treatment

Dress up cabbage salad with the addition of crushed pineapple and some chopped, roasted, unblanched almonds to make it extra special.

Pineapple Cabbage Salad

2 cups shredded cabbage
½ cup crushed pineapple
½ cup chopped, roasted, unblanched almonds
¼ cup light cream
1 teaspoon lemon juice
½ teaspoon salt
Pepper

Combine cabbage, pineapple and almonds. Beat cream with lemon juice and seasonings; pour over mixture and toss lightly. Serves 4.

Canned Meat Slides Out

To remove canned meat in one piece for attractive slicing, punch a hole in the middle of one end of the can. Open the opposite end with a can opener. The air hole releases pressure and the meat shakes out easily.

COOL DRINK — A cool drink for a hot day is Soup on the Rocks — refreshment that requires only ice and a twist of the can opener when you keep a couple of cans of beef broth on hand. Serve it with vegetable nibblers and Anchovy Dip for open-air snacking.

Asparagus Is a 'Natural' in Jellied Soup or Salad

When you find yourself wilting on hot sultry days, put chilled soups and salads on your menu planning agenda.

These two coolers, both recipes featuring canned California white asparagus, are naturals for warm weather dining. They have a refreshing air-conditioned look that's sure to appeal to your family's heat-fatiruged appetities.

• • •

Keep your pantry shelves stocked with several cans of white asparagus . . . you'll find them a ready source of attractive ingredients for summer menu suitables.

Jellied Asparagus-Beet Consomme

2 tablespoons unflavored gelatin
½ cup water
1 14½-ounce can white asparagus
1 1-pound can sliced beets
1 6-ounce can tomato puree
¼ cup chopped onion
1 beef bouillon cube
1 teaspoon salt
2 tablespoons lemon juice
⅛ teaspoon pepper

Soften gelatin in water. Reserve a few asparagus tips, if desired. Combine remaining undrained asparagus, undrained beets, tomato puree, onion and bouillon cube; heat to boiling point. Simmer 5 minutes, stirring occasionally.

Force asparagus mixture through sieve or food mill. Add gelatin and stir until dissolved. Add salt, lemon juice and pepper; mix well. Pour into serving dishes and chill.

Top with reserved asparagus tips. Garnish with sour cream and chopped dill or chives, as desired. Makes 4 servings.

Deviled Egg and Asparagus Salad

½ cup sour cream
¼ cup finely chopped green pepper
1 teaspoon prepared horseradish
½ teaspoon salt
Dash pepper
4 hard cooked eggs
1 14½-ounce can white asparagus, drained
Crisp salad greens

Combine cream, green pepper, horse-radish, salt and pepper; mix well. Cut eggs in half lengthwise; remove yolks. Mash yolks and add 2 tablespoons cream mixture; blend.

• • •

Fill egg whites with egg yolk mixture; chill. Arrange eggs and asparagus on salad greens; chill. Serve with remaining cream mixture. Makes 4 servings.

Fine Barbecue Sauce

Barbecued chicken with a spicy, golden glaze is worthy of acclaim. The barbecue sauce ingredients per broiler are: 2 tablespoons each of unsulphured molasses, prepared mustard, worcestershire sauce, lemon juice and butter. Blend together with 1 teaspoon tabasco. Brush the chicken halves or quarters twice with this barbecue sauce during the broiling period.

Horseradish Gives Zest to Peach Gelatin Salad

A fruit salad with real tang is Peach Horseradish Mold. Mix 2 tablespoons prepared horseradish with lime flavored gelatin and pour over drained canned peach halves, arranged in a shallow pan.

When firm, cut into squares and serve with whipped cream dressing flavored with a pinch of celery seed.

It's Beef Stew Time

Beef stew time is here. Plentiful supplies of grass fed beef will be marketed during September and with fresh vegetables one has an economical, typically American main dish.

Delicious Soup on the Rocks

Sun-worshippers have plenty of good reasons for getting outdoors these days to acquire a tan. Your favorite sport may be tennis, swimming or just plain loafing in the sun. Whatever it is, you're sure to get thirsty after awhile—and hungry as well.

• • •

One of the most cooling and refreshing drinks to come upon the summer scene is Soup on the Rocks —beef broth poured straight from chilled cans over ice cubes. This marvelously refreshing drink with clean, beefy flavor has some excellent qualities to recommend it for summer sipping.

First of all, it's an especially effective way to replace salt lost during hot weather or strenuous exercise. Second, there are less than 30 calories in a nine-ounce glass containing two ice cubes, which make it a favorite beverage with dieters. Third, iced beef broth tastes so good!

By keeping a few cans in your refrigerator, there's a drink of "Soup on the Rocks" available for any-time-of-the-day snacking, or as the beverage served throughout mealtime.

Garnish the glasses, if you like, with finely-chopped chives or parsley, a half-circle of lemon or lime or nutmeg-flavored sour cream. Accent the flavor with curry powder, freshly-ground black pepper or Tobasco.

• • •

For a pick-me-up during a sunbathing session, drink iced beef broth along with a tray of vegetable nibblers and Anchovy Dip — creamy-smooth and flavorful.

Anchovy Dip

1 8-ounce package cream cheese
1 tablespoon anchovy paste
1 teaspoon minced onion
½ cup yoghurt
Cayenne powder or Tabasco

Mash cream cheese and add anchovy paste, onion and yoghurt. Blend until smooth. Add a pinch of cayenne powder or a drop or two of Tobasco and additional seasoning, if desired.

Hearts Stuffed, Seasoned, Baked in Slow Oven

Heart, the least tender of the variety meats since it is the most exercised muscle in the animal body, requires slow, moist heat cooking.

The following recipe for baked, stuffed hearts recommends oven-braising the flavorful meat.

Stuffed Veal Hearts

2 veal hearts
1½ cups fine dry bread crumbs
Salt, pepper
¼ teaspoon marjoram
½ medium onion, minced
¼ cup butter or margarine, melted
¼ cup flour
2 tablespoons lard
1 cup water

Trim white tubes from heart cavities, using scissors or sharp point of knife.

Combine bread crumbs, ½ teaspoon salt, ⅛ teaspoon pepper, marjoram, onion, and butter. Blend thoroughly and stuff into hearts. Skewer openings closed.

Roll in flour seasoned with ½ teaspoon salt and ⅛ teaspoon pepper. Brown in hot lard. Add water, cover pan, and bake at 325 degrees or over low heat on top of the range 2½ hours or until tender.

Make gravy from any liquid remaining. Four servings.

Adds Extra Flavor

Cottage cheese as a stuffing for whole tomato salad is the more intriguing of taste by the addition of tobasco and chopped chives or onion. Tabasco is also a taste boon for all salad dressings whether they be French, Russian or mayonnaise.

Team With Ham, Fowl

Baked fresh Bartlett pears make a delicious accompaniment for ham or chicken. Allow one large half, or two small ones, for each serving of meat.

SKILLET CLUB FOR MEN

By Frank Kohler

SOUTHERN EGG BREAD is from Jack A. Bristol, Tacoma News-Tribune Chapter.

"Makes the best d—d corn bread you'll bite into, believe me! I'm a judge of good food!" thus Mr. Bristol.

2 eggs
2 cups buttermilk
2 tablespoons melted shortening
2 teaspoons salt
2½ cups sifted corn meal
2 teaspoons baking powder
1 teaspoon soda
1 tablespoon water

Beat eggs well, until very light and lemon colored. Add buttermilk, shortening and salt, and beat again. Add meal and beat smooth. Sift in baking powder and beat again. Dissolve soda in water, add to mixture and beat once more.

Pour into a preheated and well-greased pan—best thing to use is a 10-inch iron skillet. Bake at 425 degrees for 25 to 30 minutes. Should be about one and a half inches thick when done, with a good crust on top, bottom and sides. Cut in squares or wedges to serve.

CHERRY COBBLER, a quick and easy idea from Mrs. R. R. Corlett, Oklahoma City Daily Oklahoman Chapter. "I like this much better than cherry pie," avers Mrs. Corlett.

We like it too, but we're still trying to figure out how the elements change places. Try it and you'll see what we mean.

½ cup sugar
1 teaspoon butter
½ cup milk
1 cup flour
2 teaspoons baking powder
Pinch of salt

Mix the ingredients in the order named and pour into a greased baking pan (eight by eight inches). For the filling:

1 can red sour cherries
1 cup sugar
½ cup hot water

Bring contents of the can of cherries to a boil with remaining ingredients. Pour over the first mixture and bake until done, about 30 minutes, at 400 degrees. See what we mean?

ANOTHER SPAGHETTI SAUCE from Mrs. Julia Solan, Trenton (N. J.) Times Chapter.

1 pound ground beef
2 large onions, chopped
2 cloves garlic, minced
½ cup olive oil
1 teaspoon oregano
1 teaspoon salt or to taste
2 cans tomato paste
2 cans mushrooms

Brown beef, onions and garlic in the oil, then add remaining ingredients, and simmer three to four hours. If mixture cooks dry, add a little more tomato juice or water. Stir occasionally.

Chicken, Grass Fed Beef Best Buys of Week

Now that school routines have changed the activity in most homes, let the calendar be a reminder to enjoy the harvest of good foods in most plentiful supply. Food dollars will go farther this week when looking for poultry in the meat department and Michigan grown produce on other counters, says Mrs. Josephine Lawyer, Consumer Marketing Information Agent.

MEATS — Broiler-fryer marketings are now at a seasonal peak with about 20 per cent more than at this time a year ago. Ready to eat birds weighing about two to two and one-half pounds are selling at prices within the budget of most shoppers.

In some stores, chickens cut into pieces are about five cents per pound more than whole birds. For frying or roasting select ½ to ¾ pound per serving; for broiling select ¼ to ½ bird per serving.

Good supplies of turkeys from five to 20 pounds each are reasonably priced. There is only a slight variation in cost per pound between the small and large turkeys. Personal preference and the fact that the larger birds have slightly more meat in proportion to bone are guides when choosing. Birds with wide breasts and thick meaty thighs have more meat in relation to bone than thinner ones.

More range-fed cattle in the fall market means less choice quality, but it also means good quality ground beef and hamburger, for more forequarter beef is ground during this time. Lean cuts are best when cooked with moist heat, for they lack the distribution of fat found between the muscles of finished or grain-fed beef. Short ribs, blade cuts of chuck, and ground beef could be placed in the thrifty beef column.

If cooler days suggest a pork roast, the following might be chosen beginning with picnics, the least expensive cut this week, and continuing in the following order: Boston butt, rib-end loin, and fresh ham.

VEGETABLES — Michigan potatoes, much superior in quality than last year, are the top vegetable to place in the market basket. Excellent growing conditions have made the size and quality of Michigan potatoes the best in many years, and average prices are now 3 to 4 cents per pound depending upon the size of the package. Maturity is improved and fewer potatoes show feathery thin skins than several weeks ago.

Crisp Michigan Pascal celery is very abundant and in general, quality is excellent. Add tomatoes; cucumbers; cauliflower; cabbage; and Italian, summer, or butternut squash as other vegetables on the good supply, good value list.

FRUITS—This month will close the peach season in Michigan, so take advantage of fine flavored good quality peaches for pie, with cereal, and for canning and freezing. Hale Haven and Elberta varieties are most evident in this area. For best flavor look for good background color, and avoid peaches having a green ground color.

Wealthy apples, Tokay grapes and Bartlett pears are other "in season" fruits selling at about 15 to 20 cents per pound.

EGGS—Small and medium sized eggs are in heavier supply. When figured by the pound these sizes are now better buys than large eggs of the same grade.

In the markets eggs should be stored in refrigerated cases. Hustle them to the home refrigerator for heat lowers egg quality.

Eggs pick up flavors easily, so cover and store them away from foods with strong odors.

Country Captain

1 hen or 2 fryers
2 or 3 green peppers, chopped
1 clove garlic
3 medium onions, chopped
1 can tomatoes
2 cups rice boiled until dry (use white, brown or wild rice)
1 teaspoon curry powder (or to taste)
1 teaspoon thyme
¼ cup raisins in sauce
¼ cup raisins to garnish
¼ cup almonds or any nuts (save some to garnish)
1 can mushrooms
Salt and pepper to taste

Boil chicken until done, and bone it. Saute onion, then add all sauce ingredients (everything except green peppers, rice, raisins and nuts for garnish). Add chicken to sauce and simmer 20 to 30 minutes. Serve over rice. Garnish with raw green peppers, raisins and nuts. Thin the gravy. Serves 6 or more.

Children Love Spicy Cookies

Children will clean their plates and call for more when you serve their favorite foods.

Remember, children like food that is fun to eat and cookies are always a favorite.

1 cup sifted enriched flour
¼ teaspoon salt
¼ teaspoon cinnamon
½ cup lard
½ cup sugar
1 egg, separated
2 tablespoons milk
¼ teaspoon vanilla
2 tablespoons sugar
½ teaspoon cinnamon
¼ cup chopped nuts

Summer, winter, spring or fall Reba Staggs, home economist, recommends Cinnamon Crunches.

The children ask for them, and, for the head chief in the family . . . well, they're easy to make. Made with lard, they have a delicious, crunchy texture.

Cinnamon Crunches

Sift together flour, salt and cinnamon. Cream lard; add sugar gradually and cream well. Blend in egg yolk, milk and vanilla. Add dry ingredients gradually and mix well. Spread mixture in ungreased 7x11-inch pan.

* * *

Beat egg white slightly and spread over surface of dough. Combine sugar, cinnamon and nuts. Sprinkle evenly over the top. Bake in a moderate oven (350 degrees) for 30 minutes.

Let Youngsters Help With Party

Your children will be certain to remember their parties if you let them help with the preparations. This means, of course, you should use easy-to-prepare recipes containing food they particularly like.

* * *

Peanut butter is just that. And one brand new peanut butter lends itself ideally to parties. This new product comes packed in crystal clear stemware in both sherbet and goblet sizes. These glasses are perfect for dinner table settings and are especially appropriate for serving party food.

Peanut Butter Ripple

1 quart vanilla ice cream
½ cup peanut butter
¼ cup chopped salted peanuts

Let ice cream soften slightly. With a spoon cut in peanut butter to make "ripples". Return to freezer to harden. Sprinkle with chipped salted peanuts, and serve in sherbet or goblet size glasses.

Tasty Combination

Florida canned grapefruit sections combine beautifully with seasonal fresh fruits for a first course. A happy combination is that of canned grapefruit sections and diced cantaloupe, watermelon and peaches. The citrus fruit will keep the peaches from darkening.

Use Cranberries to Glaze Smoked Pork Shoulder

This ham topping serves as a sweet relish.

Pork Butt With Cranberry Topping

1 smoked boneless pork shoulder butt (about 2 pounds)
whole cloves
½ cup cranberry marmalade
2 tablespoons yellow mustard

Remove wrapping and stockinett cover from butt. Place in a kettle; cover with cold water; place over high heat until water begins to boil.

Reduce heat, cover and simmer about 1½ hours or until cooking fork inserted in center of butt turns easily. Drain well. Insert cloves all over surface of butt at 1-inch intervals.

Place on small oven platter or in small shallow pan. Mix cranberry marmalade and mustard together; spread half of it over top and sides of butt.

Place in moderate (350 degrees) oven for about 10 minutes; spread remaining cranberry mixture over top (not sides) of butt; bake about 10 minutes longer. Slice and serve at once. Makes 4 to 6 servings.

Note: Cooking liquid from butt may be used for split pea soup.

Oomph for Hamburger

Add a seasoned meat tenderizer to hamburger for plump juiciness at serving. Put cheese rounds between patties for extra oomph.

Apple Cheese Cake Has Winning Flavor

Apples and sharp cheese are a "natural" for flavor combination. They complement each other especially well in this Apple Cheese Cake. If you like dairy sour cream, serve it over this quick coffee cake as a dessert:

Apple Cheese Cake

1½ cups sifted enriched flour
2 teaspoons baking powder
¾ teaspoon salt
¼ cup shortening
½ cup sugar
1 egg
¾ cup milk
1 cup shredded sharp cheese
1 cup sliced apples (2 medium)
½ cup brown sugar
½ teaspoon cinnamon
1 tablespoon melted butter or margarine

Sift together flour, baking powder and salt. Cream together shortening and sugar until light and fluffy. Add egg and beat well. Add dry ingredients alternately with milk, mixing well after each addition. Blend in cheese and pour into greased, lined 8-inch round pan.

Arrange apple slices on top. Combine brown sugar, cinnamon and butter or margarine and sprinkle over top of apples. Bake in moderate oven (375 degrees) about 35 minutes. Makes 1 coffee cake.

To Re-heat Vegetables:

To heat canned vegetables, first reduce the liquid one-half by boiling rapidly in uncovered saucepan. Then add vegetables and merely heat to serving temperature.

Fish, Eggplant in 1-Dish Meal

End-of-summer vegetables such as eggplant or tomatoes are seasonal in price and at the peak of flavor.

A woman interested in searching out new flavor combinations will find that she can prepare many an interesting one-dish meal with fresh vegetables as a base.

One unusual dish calls for the inclusion of two cans of meaty sardines from Maine with eggplant, tomatoes and sliced onions. The flavor of the fish gives the casserole an entirely different taste from the more orthodox versions which use chopped meat.

Sardines, Eggplant en Casserole

1 small eggplant
2 medium onions
1 pound fresh tomatoes
2 cans (3¼ to 4 ounces) Maine Sardines
1 beef bouillon cube
½ cup boiling water
⅛ teaspoon pepper
½ teaspoon salt
¼ teaspoon whole basil leaves

Preheat oven to 350 degrees. Pare eggplant and slice into inch slices crosswise. Slice onions thinly and separate into rings. Remove stem ends of tomatoes and cut into ¼ slices. Drain sardines.

In 2-quart greased baking dish alternate layers of eggplant, onion, tomatoes and sardines twice (8 layers in all). Dissolve bouillon cube in boiling water and mix in seasonings. Pour over vegetables and sardines.

Bake for one hour in medium (350 degrees) oven. Yield: 6 servings.

For Good Start: Banana Waffles

This Saturday or Sunday, when mornings are most leisurely, how about treating your family to a hearty, harvest breakfast? Start with your favorite juice. Then on to steaming bowls of quick-cooking or instant oatmeal.

Or do you prefer other cereals such as hot wheat or rice cereal?

As a final treat, bring the electric waffle iron to the table and make something new in waffledom. It's Banana Waffles, with the mellow fruit for flavor and extra breakfast excitement.

Banana Waffles

1½ cups sifted all-purpose flour
1 teaspoon baking powder
1 teaspoon salt
4 teaspoons sugar
2 eggs, well beaten
¾ cup milk
⅓ cup salad oil or melted shortening
1½ cups finely diced, ripe bananas (2 to 3 bananas) (Use either fully ripe or all-yellow bananas.)
Butter or margarine
Syrup, jelly, honey, jam, cinnamon sugar or confectioners' sugar

Sift together flour, baking powder, salt and sugar into mixing bowl. Mix together eggs, milk and salad oil or shortening. Add to dry ingredients and beat until batter is smooth. Fold bananas into batter. Pour batter onto hot waffle iron, spreading batter and bananas evenly. Bake according to directions furnished with waffle iron. Serve immediately with butter or margarine and syrup, jelly, honey, jam, cinnamon sugar or confectioners' sugar. Makes 4 to 6 waffles.

Sure-to-Please Sandwich Ideas

With the opening of school, mothers are glad to have some tasty and nourishing lunch menus on hand. Soup and sandwich lunches are always a good bet.

Why not plan a delicious variation of hamburgers which are a special favorite with youngsters? Season the ground beef with chopped pimiento-stuffed olives and onion, and broil on buttered soft rolls.

On a day the children seem to prefer a cold sandwich, serve Olive Liverwurst Sandwich Filling on bread or rolls. Make any sandwich lunch more appealing with a garnish of stuffed green olives.

Serve olives during National Green Olive Week, September 6-15.

Luncheon Hamburgers

1 pound ground beef round
¼ cup chopped pimiento-stuffed green olives
1 teaspoon grated onion
Dash pepper
Soft rolls, cut in half and buttered

Combine beef, olives, onion and pepper; mix well. Spread olive-meat mixture on bottoms of rolls. Broil rolls 3 to 4 inches from source of heat 4 to 5 minutes, or until meat is lightly browned.

Makes four servings.

Olive Liverwurst Sandwich Filling

1 3-ounce package cream cheese
¼ pound liverwurst
2 tablespoons mayonnaise
½ cup chopped pimiento-stuffed green olives

Combine cheese, liverwurst and mayonnaise; beat until blended. Fold in olives. Makes two cups.

Hash Gets Party Dress

Tomatoes stuffed with canned corned beef hash make a good supper dish. Scoop out the pulp from the tomatoes and season insides with salt and pepper. Fill with corned beef hash. Mix a dash of thyme and savory and a bit of chopped parsley with soft bread crumbs to sprinkle on top of tomatoes. Bake in a moderate oven about 20 minutes.

Making lemon pie? Cool your filling before you pour it into your crust. See that the crust is cool.

MOLDED SUMMER FRUIT — Unflavored gelatine is congenial to any fruit combination for a molded summer dessert. Here watermelon and cantaloupe are combined with grapes and peach slices and chilled in a lime or lemon fruit juice base. Other combinations might be: strawberries, blueberries and orange sections; or raspberries, peaches and bananas.

Mold Flavor-Rich Fruit Into Glamorous Dessert

The wealth of fruits now at market stands suggests beautiful and refreshing desserts. Here, a fruit medley of summer favorites gains handsomeness of design, molded in unflavored gelatine and fruit juice.

For this fresh fruit dessert of shimmering splendor, watermelon and cantaloupe balls are combined with grape halves and peach slices and chilled in a lime or lemon juice base. Other fruit combinations might be orange and grapefruit sections with blueberries and strawberries; or raspberries, peaches and bananas.

All the fresh, natural flavors of these fruits are enjoyed in the molded dessert as unflavored gelatine blends without flavor competition of its own.

Lime or lemon juice and water are the liquids used in the basic recipe with unflavored gelatine. However, orange or canned pineapple juice could be substituted for the citrus juice and water.

HERE'S FORMULA

In creating your own recipe, the formula for using unflavored gelatine is this: One envelope of plain gelatine will gel up to two cups of liquid and up to two cups of diced, drained fruits. If sugar is used to sweeten the juice and fruits, count it as part of the liquid. Sugar goes into solution and thus must be counted as part of the two cups of liquid for a perfect gel.

• • •

The dessert should be chilled until firm . . . about four hours. To unmold, dip mold in warm water to depth of the gelatine; loosen around edge with tip of a paring knife. Place serving dish on top of mold and turn upside down. Shake, holding serving dish tightly to the mold. Lift off mold.

Molded Summer Fruit

2 envelopes unflavored gelatine
2¾ cups cold water, divided
⅔ cup sugar
½ teaspoon salt
⅓ cup lime juice
4 cups mixed fresh fruit (peach slices, halved white grapes, watermelon pieces and cantaloupe balls)

Sprinkle gelatine on 1 cup of the cold water to soften. Place over boiling water and stir until gelatine is thoroughly dissolved. Add sugar and salt; stir until sugar is dissolved. Add to remaining water and lime or lemon juice.

Arrange a small amount of the fruit in bottom of mold to form a design. Spoon on just enough of the gelatine mixture to cover bottom of mold; chill until almost firm.

Chill remaining gelatine mixture until the consistency of unbeaten egg white; fold in remaining fruit. Spoon on top of almost firm layer; chill until firm.

Unmold on platter. If desired, garnish with frosted grapes. Yield: 10-12 servings.

Orange Juice Flavors Tasty Coffee Cake

An Orange Coffee Ring sounds a tasteful wake-up note at breakfast. Serve it with crispy wheat flakes and milk, cranberry juice and hot cocoa or coffee:

Orange Coffee Ring

1½ cups sifted enriched flour
2 teaspoons baking powder
½ teaspoon salt
¼ cup shortening
¾ cup sugar
1 egg
¼ cup milk
½ cup orange juice
Confectioners' sugar icing
Grated orange rind

Sift together flour, baking powder and salt. Cream together shortening and sugar until light and fluffy. Add egg and beat well. Stir in milk. Gradually add orange juice. Add flour mixture to creamed mixture, stirring only until blended.

Pour into greased 9-inch ring mold and bake in moderately hot oven (400 degrees) about 25 minutes. Unmold and frost with confectioners' sugar icing and sprinkle with orange rind.

Makes 1 coffee cake.

Tangy Topping for Ice Cream

Ice cream anyone? Luscious creamy ice cream, that is . . . with tempting almond-flavored maraschino cherries, the year-round fruit, served in a tangy lemon sauce over peaches or integrated into the ice cream to give it that distinctive flavor.

You can't go wrong if you serve Cherry Peach Sundaes.

Cherry Peach Sundaes

1 1-pound 13-ounce can peach halves
2 tablespoons cornstarch
2 tablespoons lemon juice
2 teaspoons grated lemon rind
½ cup chopped maraschino cherries, drained (about 20 cherries)
1 quart vanilla ice cream

Drain peaches; reserve sirup. Combine peach sirup and cornstarch; mix well. Cook over low heat, stirring constantly, until thickened. Add lemon juice, lemon rind and cherries; mix well and chill.

Arrange peach halves in serving dishes; top with scoops of ice cream and cherry sauce. Makes 6-8 sundaes.

Here's a Natural: Tomato Aspic and Deviled Eggs

Old-fashioned and pleasant combination!

Tomato Aspic Salad

1 can (1 pint and 2 ounces or 2½ cups) tomato juice
1 envelope unflavored gelatin
1 bay leaf
2 whole cloves
½ teaspoon celery salt
¼ teaspoon basil
2 teaspoons Worcestershire sauce

Sprinkle gelatin over ½ cup of the tomato juice and allow to stand until gelatin is absorbed. Heat remaining tomato juice with bay leaf, cloves, celery salt and basil; simmer (do not boil) 10 minutes. Remove bay leaf and cloves.

Add softened gelatin to hot tomato juice; stir until gelatin dissolves. Stir in Worcestershire sauce. Pour into individual molds.

Chill until set; unmold; serve with salad greens, stuffed eggs and French dressing or mayonnaise. Makes four servings.

Stuffed Eggs

6 hard-cooked eggs
3 to 4 tablespoons mayonnaise
¼ teaspoon dry mustard
Salt and pepper

Hard-cook eggs, shell; cut in half lengthwise; scoop out yolks and while still warm mash fine with mayonnaise, dry mustard, and salt and pepper to taste.

Pile yolks back into cavities of whites.

Make Pear Honey

Blend finely chopped fresh Bartlett pears and peaches with fresh lemon juice and sugar and cook until marmalade consistency for a piquant pear "honey."

Tasty: Brush cube steaks with melted butter before broiling. Cook as close to heat as possible.

Ever serve ginger ale with sliced strawberries? Pretty and delicious.

Ever Try Squash Pudding or Cabbage in Sour Cream?

Ever try baked summer squash pudding? Squash lovers will enjoy it. So here's the recipe:

Baked Summer Squash Pudding

Beat 3 eggs lightly and mix with ¾ cup milk, 1¼ teaspoons salt, ¼ teaspoon ground black pepper, 1½ cups soft bread cubes, 2 cups shredded summer or zucchini squash and 1 tablespoon minced onion.

Pour into a greased 1-quart casserole. Place in a pan of hot water. Bake in a preheated moderate oven (350 degrees) 1½ hours or until a knife inserted in the center of pudding comes out clean.

Serve as a hot vegetable. Makes 6-8 servings.

Here's another vegetable headline recipe:

Cabbage Baked in Sour Cream

Cut 2¼ pounds cabbage into eating-size pieces. Place in a saucepan with 1 inch boiling water and ½ teaspoon salt. Bring to boiling point and boil 5 minutes.

Cover and cook only until crisp-tender (about 5 minutes). Drain if necessary.

Place half of the cabbage in a 1-quart casserole. Dot with ¼ cup sour cream and sprinkle with ½ teaspoon salt and ⅛ teaspoon ground black pepper. Top with remaining cabbage.

Dot with another ¼ cup sour cream and sprinkle with an additional ½ teaspoon salt and ⅛ teaspoon ground black pepper.

Top with ¾ cup soft bread crumbs mixed with 2 tablespoons melted butter or margarine.

Bake 20 minutes in a preheated moderate oven (375 degrees F.). Makes 6 servings.

Add drained canned small green peas to stewed tomatoes; saves heating vegetables separately. Only one pan to wash!

Fill glasses three-quarters full scoop of chocolate ice cream; sprinkle with cinnamon. Serve at once. Makes about 1½ quarts.

Macaroni Allegro Is Quick, Easy and Oh, So Good

September's the month for hearty, hot dishes like canned macaroni with cheese sauce (the 15¼-ounce size), combined with cooked green beans and topped with browned sausages.

• • •

This tasty dish, "Sausage Macaroni Allegro," is whipped up in minutes in any of the modern, eye-catching skillets which are efficient at the range and decorative at the table.

• • •

Round out your menu with a cool, crisp green salad and wedges of your favorite melon. Now await the praises from all!

Sausage Macaroni Allegro

1 pound link sausages
3 cans (1¼-cup size) macaroni with cheese sauce
2 cups cut, cooked green beans (one-pound can, drained)

Brown sausages in skillet; remove and pour off fat. Combine macaroni and beans in skillet; place sausages on top. Heat. Makes 8 servings.

HAMBURGERS DELUXE — Hamburgers are the mainstay of many families' diets. Summertime cooking out of doors calls for simply prepared meats like beef patties. Try these deluxe hamburgers that have bits of chopped apple, diced celery and tomatoes in them.

Special Addition for Hamburgers

Browned-to-a-turn hamburgers, German potato salad and corn on the cob — formula for a simple and substantial summer supper.

• • •

In this case, however, the hamburgers go deluxe with the addition of a few ordinary ingredients that impart an extraordinary flavor.

Tomatoes, chopped apples, diced celery and oven-toasted rice cereal, are combined with the ground meat and seasonings.

• • •

The mixture is then shaped into patties, browned on both sides and thoroughly cooked, turning only once.

Hamburgers Deluxe

½ cup chopped fresh or canned tomatoes
1 cup chopped apples
1 pound ground beef
½ pound ground pork
¼ cup finely diced celery
¼ cup chopped onions
1½ cups oven-toasted rice cereal
1½ teaspoons salt
¼ teaspoon pepper

Combine all ingredients, mixing lightly but thoroughly. Shape into 8 patties.

Fry patties in small amount of heated shortening over medium heat until browned on both sides and thoroughly cooked, turning only once. Yield: 8 servings.

Broil fresh pear halves with a little butter and sugar; put a bit of mint jelly in each pear cavity and serve with lamb chops or roast lamb.

Broil Peach Halves

Canned peach halves broiled . . . their centers filled with molasses, dotted with butter and sprinkled with cinnamon and nutmeg . . . make a delicious accompaniment for meat loaf.

Gourmet Touch for Baked Fish

When the man of the house returns from a fishing trip triumphantly bearing his day's catch, it usually means fish will be on the menu for several consecutive days.

The flavor and quality of fresh fish is greatly enhanced when simply broiled or baked to perfection and then crowned with a delectable sauce.

A quick and easy way to give your fish a gourmet touch is with canned spaghetti sauce that has mushrooms added. It is inexpensive and comes in two handy sizes — 8-ounce and 15½-ounce.

The sauce needs only to be heated and then poured over the fish just before serving. Made of sun-ripened tomatoes, slow simmered and then combined with delicate mushrooms and characteristic Italian spices, this sauce is devised from the recipe of an internationally known chef.

Baked Whole Fish

Clean fish, remove backbone, and rub insides with salt. Stuff fish with packaged stuffing. Place fish, underside down, in a greased baking dish or in baking dish lined with foil.

Brush with melted butter; season with salt, pepper and dried tarragon. Bake in a moderate to hot oven (350-400 degrees) 10 to 15 minutes per pound, or until fish flakes easily with a fork.

Remove to hot platter and garnish with sliced lemon, radish roses and parsley. Serve with canned spaghetti sauce with mushrooms.

As high as 12-13 per cent of the juice of the full-grown cane plant is sugar.

New Pledges Introduced at Annual Amies Club Tea

The annual tea sponsored by Amies Club for new pledges was held Sunday at the home of Judy Baker on Navajo road. Photographed at the ted table were (left to right) Saida Tuttle of Lake Angelus, president of Amies; Mrs. Ruth Weber Parshall, honorary sponsor, of Mohawk road, and Barbara Patterson, a new pledge, of Hammond Lake road.

Mrs. John C. Napley, active sponsor of Amies Club, goes over activities with Lee Patterson (left), Barbara Berg (second from right) and Judy Baker (right) for the coming year. Judy is chairman of the Needlework Guild program for this year's Ingathering.

Women Gather in Homes

Presbyterian Groups Hold Monthly Meetings

Women's Groups of the Oakland Avenue Presbyterian Church met this week.

ELEANOR CRESWELL

Mrs. William Bray opened her home on Orlando avenue to members of the Eleanor Creswell Group. Devotions were led by Mrs. Bray who used as her topic, "Timothy." A book report on Don McClure's book, "Red Headed, Rash and Religious" was given by Becky Martin.

ANN McGEOUGH

The Ann McGeough Group met in the home of Mrs. Clare Hubbell at Cass Lake. Devotions were given by Mrs. Carl Buckner and the prayer cycle was led by Mrs. Ethel Powley. Mrs. Herman Reeder spoke on "Mission U.S.A."

Plans were made for the Christmas project for the American Indians. Refreshments were served at the close of the meeting by Joyce Sweet assisted by Mrs. Hubbell. The next meeting will be held at the home of Mrs. Buckner on Gerdon avenue.

MARGERY PETERS

Mrs. Giora Luck led devotions for the Margery Peters Group when they met in the Dorcas room at the church. Mrs. Luck also gave an illustrated talk on "Suez Headlines in Bible Prophecy."

ELEANOR VANLIEROP

Members of Eleanor VanLierop Group met at the home of Mrs. Howard Hall on Delevan drive. Devotions were led by Mrs. William Bradley. The work project for the day was making colored posters for the Childrens Hospital.

Refreshments were served by Mrs. Robert McCormack and Mrs. Q. R. Mahan, cohostesses for the meeting.

LUCILLE McBANE

Mrs. James Talmadge entertained members of the Lucille McBane Group at a picnic supper at her home on Maybee road. "The Challenge Accepted by Timothy" was the devotional topic presented by Mrs. Talmadge. Mrs. Lloyd Levely gave a book report on, "The Little Professor of Piney Woods."

The group prepared flannelgraphs for missionary work following the business meeting. Mrs. Walter Messer has invited the group to meet in her home on Pinegrove avenue for their next meeting.

Six pages today in Women's Section

New pledges to Amies Club are Sally Warren, Susie VanTassel and Nancy Donaldson. They were greeted by members of the club at the Sunday tea held at the home of Judy Baker on Navajo road.

Mrs. Ernest Hillman Entertains Group

Twenty members of the Dorcas Bible Class of Oakland Avenue United Presbyterian Church attended their Tuesday meeting at the Short street home of Mrs. Ernest Hillman.

Devotions were conducted by Mrs. Guy Caswell and plans were made for the November Harvest Dinner. The progrem was presented by Mrs. Howard Hall.

Hostesses were Mrs. E. J. Schultz, Mrs. Richard Kelly and Mrs. Park Wagg. Mrs. Lottie Waldon invited the class to meet at her home for the October meeting.

Press Party Sees 2 Plays

By L. JAMES BINDER
Asst. City Editor, Pontiac Press

NEW YORK CITY—It was a day that would have overwhelmed even the most grizzled play-goer: Two Broadway shows in nine hours and each among the best of the current season.

But despite their prolonged immersion in the glow of footlights, "Noo Yawking" members of the Pontiac Press Theater Special were just as exuberant about everything yesterday as they were Monday when they boarded a train in Detroit.

Wednesday's show fare was rich: The afternoon's "The Most Happy Fella" has been termed "great" by critics who are fussy about picking the top note from a rating scale that also includes such labels as "passing" and "good."

The writers haven't reached the same heights in their judgment of "New Faces of 1956," the evening show, but the capacity crowd last night was par for the current run.

SONGSTRESS DRAWS TEARS

A tiny, blonde songstress by the name of Jo Sullivan reached out with her Traubel-sized voice to do things to the tear ducts of the audience in the role of Rosabella in "Fella." (Broadwayites in the know seldom refer to a show by its complete title, hence "Fella," "Faces" and whatever other multiple-name words exist.)

Miss Sullivan as a tired waitress who agrees to marriage with a bald-headed grape grower named Tony (Robert Weede), literally "stole the show" in the opinions of most special viewers.

The story is about the complications that develop after Rosabella comes to live with Tony. Disappointed, she has a brief affair with Tony's foreman. When she later finds herself to be in love with Tony she also discovers that she is going to have a child by the other man.

FORGIVES

Although grief - stricken, Tony forgives Rosabella in a colorful finale. The dancers and singers who participated in this last scene are responsible for adding the lightness that keeps the show from becoming too heavy.

* * *

Main supporting roles to Weede's and Miss Sullivan's were played by Art Lund, Susan Johnson, Shorty Long and Mona Paulee.

"Wonderful show," said one viewer from Pontiac who always manages to get to New York for two or three plays during the season. "I doubt if anything we'll see this week will match it."

"Faces" was an entirely-different type of production in that it was mainly comedy and it consisted of a series of acts featuring relative newcomers.

Although the show avoids mention of stars, T. C. Jones, Franca Baldwin, Suzanne Bernard, Janes Connell, John Reardon and Billie Hayes were, among others, responsible for scenes that brought flurry after flurry of laughter from the Press Special section.

The show leads off with a skit which pans the United Nations, and goes through others with such situations as the plight of a man who is an incurable litter bug, the problems of a teacher who works in a "Blackboard jungle," and a Japanese family's handling of three marauding brothers in "Broken Kimona."

The small cast, incidentally, was culled from an original list of applicants containing 4,000 names. Produced by Leonard Sillman, it took four years to bring it to Broadway's Ethel Barrymore Theater.

Although the crowded day had all the earmarks of a grand climax, it was a prelude to two more full days of events, including a tour and luncheon at the United Nations building today and a look at "Damn Yankees", tonight.

The schedule of planned events is full, but nearly as popular is the amount of free time allowed for at various times of the day. Those who didn't sleep in this morning took in such places as the Empire State Building, the Statue of Liberty, Central Park and the Bowery.

The Nouses' Entertain

Mr. and Mrs. Joseph O. Nouse of Motorway drive opened their home to 35 young people entering college this fall. Given in honor of their nephew, Keith R. Mittledorf, their home was decorated in the college theme. Nancy Jo Nouse assisted with the serving of refreshments.

'Learning Together' Is Theme

City PTA Council Has Get-Acquainted Meeting

A get-acquainted meeting was conducted by the Pontiac Council of PTA Tuesday evening at Wever school. Theme for the coming year is "Learning Together the PTA Way."

A budget for the coming year was presented by Ralph Dawe, and tentative programs were outlined by Mrs. Wayne Weaver.

Council president, Mrs. William Mihalek, introduced officers and committee chairmen to the assembly including Mrs. Cletus Garner, first vice president; Mrs. Wayne Weaver, second vice president and program chairman; Mrs. Lyle Dusenbury, recording secretary; Mrs. William Anderson, corresponding secretary; Mrs. Robert Lake, treasurer; Mrs. Roland Stephison, historian; and Warren Abbott, auditor.

Committee chairmen are Mrs. Clare Hartzman and Mrs. Merlin Sanderson, membership; Ralph Dawe, finance; Mrs. Russel C. Bell, publicity; Mrs. William Wright and Mrs. William White, hospitality; Mrs. Leon Putman and Mrs. Eugene Hoisington, room representatives; Mrs. George Gray, magazine; and Mrs. Fred Weist and Mrs. Richard Stark, publications.

LEADERS NAMED

Mrs. Mary Killian and Mrs. John Turner will head parent education; Josephine Seeley and Mrs. Pete Mihay, health; Marietta Spring and Joseph Zabelski, safety, and Robert Lake and Roland Stephison, civil defense.

Other chairmen are Margaret Scott and Mrs. L. D. McLaughlin, audio-visual; William Wright, exceptional child; J. Cecil Cox, Theodore Wiersema and Mrs. John Leonard, legislation; Mrs. Leonard Saari, parliamentarian; Mrs. Anton Koenig and Mrs. Carson Casadden, telephone; Mrs. Cletus Garner, newsletter; Lester Stanley and H. A. Southworth, scholarship, and Thomas Temple and Mrs. James Dodd, juvenile protection.

Delegates at large are Mrs. William Wright, Mrs. John Turner and Mrs. Leonard Saari.

Mrs. Weaver prepared a program, a demonstration on "Ways of Presenting a Program." She explained that much of the success of a year's program will depend on using the proper or most effective method, and also in varying the method used from meeting to meeting.

PROGRAM DEMONSTRATED

A hypothetical program whose subject was "Reporting to Parents," was carried out.

Members of this committee were Lester Stanley, Mrs. Leonard Saari, William Wright, Mrs. William Anderson and Roland Stephison. Ralph Dawe acted as program chairman.

Various methods and ways such as panels, speakers, symposiums, movies or slides and group discussions were demonstrated as "Ways of Presenting a Program" by the committee.

Mrs. William Wright had charge of the get-acquainted portion of the program. The assembly was divided into nine groups, each depicting different grade levels starting with kindergarten through senior high school level.

VOTED DONATION

The general assembly voted to contribute to the Greater Pontiac Advisory Council's efforts to start a goodwill store.

Hawthorne school will be the scene of a scholarship meeting Sept. 17 at 7:30 p.m.

Pontiac Senior High School's first meeting of the year will be held at the high school Sept. 27 at 7:30 p.m. The theme will be "Knowing Your Senior High."

* * *

Mrs. Melvin Norberg and Mrs. Irwin Mills, assisted by Mrs. Warren Small and Mrs. Loren Kay, were in charge of refreshments. Mrs. Mihalek and Lillian Davidson presided at the tea table.

Eleanor Roosevelt Tours GM Technical Center

Mrs. Eleanor Roosevelt visited General Motors' Technical Center today where she was the guest of honor at a luncheon with top GM executives.

Later she was taken on a tour of the four groups of staff buildings — Styling, Research, Engineering and Process Development.

Mrs. Roosevelt was accompanied by her niece, Mrs. Edward Elliott of Birmingham, and Mr. Elliott.

Executive Vice President Louis C. Goad acted as host in the absence of President Harlow H. Curtice, who is en route to Europe.

Dedicated last May, the Technical Center has been described as a "miracle of industrial architecture." More than 4,000 engineers, scientists and technicians work at the Center, located north of Detroit at Warren.

The high bateau neckline has a surprise in the corner cut-outs on this dress. In jersey, the cut-outs give a special occasion note. The sleeves are three-quarter length and the silhouette is the favorite slim figure-following sheath so popular with the younger set.

Hospital Auxiliaries Slate Tea

Oct. 31 Party Slated by Pontiac General, St. Joseph Units

The annual Friendship Tea to be held jointly by St. Joseph Mercy Hospital Auxiliary and the Auxiliary to Pontiac General Hospital will be held on Oct. 31.

Announcement of the date was made at the first fall meeting of St. Joseph Mercy Hospital Auxiliary, held Monday afternoon in the auditorium of the Nurses' Home.

Mrs. Walter Williams, president, announced committees for the year. Mrs. James O. Goudie will serve as chairman of the finance committee assisted by Mrs. J. R. Davis and Mrs. George Baldwin.

Others serving are Mrs. O. L. Burke, friendship; Mrs Sylvester G. Stauffer, membership; Mrs. H. Guy Moats, publicity and Mrs. Edward Rockwell and Mrs. Carleton D. Wright, program.

Mrs. John A. Reid, treasurer, presented the annual financial report. Progress of the planning committee for the organization's biennial "Denim Dance," to be held Oct. 6 at Bloomfield Open Hunt Club, was reported by Mrs. Goudie.

Martha Burris Tells Attendants for Wedding Rite

Martha Burris, bride-elect of E. Lee Williams, has asked Suzanne Lilliquist to serve as her maid of honor and Mrs. Carl Fifield as matron of honor. Other attendants will be Mrs. Robert Laity and Mrs. John Spears.

The announcement was made at a miscellaneous shower Wednesday evening at the home of Miss Lilliquist on Newport avenue. Mrs. Lowell W. Satterlee served as cohostess.

Martha, the daughter of Mr. and Mrs. W. E. Burris of Pingree street will become the bride of E. Lee Williams, Oct. 6 at the First Baptist Church. He is the son of Mr. and Mrs. Lexis Williams of Baldwin avenue.

Shower guests were Mrs. Burris, Mrs. Williams, Mrs. John Hainey, Mrs. Spears, Mrs. Fifield, Mrs. Laity, Mrs. Paul Webster, Mrs. John Lilliquist, Sandra Lilliquist, Jane Thorneberry and Janet Lawless.

* *

Also attending were Mrs. John Kleinert, Mrs. Jerry Lawrence, Nila Tompkins, Jean Cory, Mrs. William Palace, Mrs. Gene Moore, Mrs. Chelsey Zittaut, Mrs. Mike Spak, Charlyne Deeg, Mrs. Russell Kelley and Mrs. Donald Ostrander.

At Coffee Hour

'Ike' Boosters Gather

Mrs. Howard Scharfenberg of Westacres, a member of the Pontiac Area Women's Committee of the non-partisan "Citizens For Eisenhower," was hostess Tuesday evening at an Ike Coffee Hour.

* * *

Mrs. Scharfenberg's guests were Mr. and Mrs. Harold Welch, Mr. and Mrs. C. R. Baldwin, Mr. and Mrs. J. R. Huntley, the D. H. Brunsons and Mr. and Mrs. Minor White.

The aims and ideals of President Eisenhower were presented the group by Mrs. Scharfenberg, with a comparison of the platforms of the two parties.

She also instructed those present in the services they can render, with special emphasis on the need to enlist the support of discrimminating voters who endorse the Peace-Progress-Prosperity program of President Eisenhower.

Poll Teenagers on Sex Education

BY EUGENE GILBERT
President of the
Gilbert Youth Research Co.

Teenagers in American public schools are insisting that while sex education at the high school level is certainly a necessity, it already is too late for them to be taught.

"My goodness," exclaimed a Jersey City teener, "don't you think we know all the facts of life by then? Why, by the time I was 10 I knew all about the birds and bees! If we are to be taught correctly at all, it must be in grammar school."

The young people we interviewed from public high schools throughout the country are not particularly interested in sex education as far as they are concerned.

They claim they have already gleaned their knowledge, for better or worse. It is for their younger sisters and brothers and future generations that they are concerned.

* * *

"I surely don't want my kids to hear about it the way I did!" a Boston youngster responded. "My friends really had me frightened until my parents set me right. But there were four plenty mixed-up years in between."

PINPOINT SOURCE

Almost without exception the youngsters interviewed were able to pinpoint the source of their earliest contact with the facts of life.

An overwhelming preponderance of them (74.9 per cent of the boys and 83.3 per cent of the girls) had their first brush with the subject in discussions among themselves.

The highest percentage of instructors were schoolmates and street friends. To a much lesser degree, parents were instrumental in educating their children.

* * *

Several youngsters credited their knowledge to conversations with hygiene instructors, camp counselors, close relatives, clerics, doctors and nurses.

LEAST QUALIFIED

On the whole, it was revealed that their approach to this normal stage of physical development was guided by persons least qualified to render this vital service.

A more complete and perhaps less dangerous awakening to the facts of life was shared by the 18.6 per cent of the boys and 13.3 per cent of the girls who read up on the subject—either in medical books, church pamphlets or sex manuals.

Although the vast majority of young people would have preferred to learn about sex from their parents (69.1 per cent of the boys and 89.7 per cent of the girls), another major study by our organization showed that the youngsters felt parents were not equipped to teach them about sex and the school would do the best job.

DEPLORE LACK

Besides, both boys and girls were unanimous in deploring the lack of sufficient clinical instruction. A large percentage told our interviewers that while they preferred to gain first sex knowledge from their mothers or fathers, they would appreciate the clinical explanation that would be added by a course in school.

"Sure, a parent should be the first to let you in on the secret," observed a Milwaukee boy. "But most parents wouldn't know how.

"Maybe there should be a course to teach parents to teach children. That would solve the whole problem."

EARLY INSTRUCTION

Since 60 per cent of all the teenagers interviewed say they learned something about sex before reaching their teens, they are firm in their insistence that junior high school—and even elementary school—is the place for initial instruction.

"Going steady" is becoming more and more popular among younger and younger teens. So, if 13 through 15 year-olds are going to start heavy dating, they surely should be given sufficient sex education to protect them.

Statistics show that 4 per cent of women giving birth to their first child are under 15 years of age and 26 per cent are between the ages of 15 and 19. This means that 30 per cent of American women are 19 and under when they have their first child. Certainly this is ample evidence of the need for early and sound education.

A definite lack of embarrassment was shown by both boys and girls (in ratio of 3-1) when we asked if they were or would be embarrassed by their teachers talking to them on the subject. In fact, many commented that it is far too serious a topic for such childish behavior.

But one-fourth of those interviewed said that teachers talking about sex were embarrassed.

Youth today seems to agree that a natural, matter-of-fact presentation would be an excellent antidote to the misinformation and unnecessary shame brought about by derisive approaches to this all-important subject.

One in six of the teenagers turns to books for the facts of life.

Blue Star Mothers Chose Delegate

Mrs. Wilbur Fitzthomas was chosen delegate to the National Convention of Blue Star Mothers. She will represent Chapter four at the October convention being held in Ohio. Mrs. George Leinen is alternate.

Reports of the regional meeting in Detroit Tuesday were given at the Tuesday evening meeting held at the YMCA.

A report also was heard from the committee on veterans' families being helped by the chapter. The chapter will donate a television set to a disabled veteran. It also made a donation to the Greater Pontiac Advisory Council.

Jean Forbes Wed to Robert North in Home Rite

Jean Forbes and Robert North Jr. were married Saturday afternoon in a ceremony at th ehome of the bride on Fourth street. The Rev. Ira Carpenter, uncle of the bride, performed the two o'clock wedding.

Mr. and Mrs. Norman Forbes of Fourth street are parents of the bride, and Robert is the son of Robert North of Pontiac and Mrs. Chuck Hutchinson of Elizabeth Lake road.

The bride chose a full skirted gown of lace and net over satin for her wedding. Her fingertip veil fell from a coronet of seed pearls, and she carried a bouquet of white carnations with streamers.

Mr. and Mrs. Marvin Forbes attended the couple.

Following a honeymoon in Northern Michigan, the newlyweds will make their home in Lake Orion.

Church Unit Meets at Gaddes Home

Mrs. William Gaddes of Baldwin avenue opened her home Tuesday evening to the Women's Society of World Service of the Baldwin Avenue Evangelicial United Brethren Church. Mrs. Leslie Bell and Mrs. Howard Groome served as hostesses.

Mrs. Barbour Williams, president, opened the meeting with a prayer and a verse from "America the Beautiful."

Program chairman Mrs. Phillip Walde gave the study, "The Land That We Love." Mrs. Fred Lumpke also took part. "The Lord's Prayer," by Emmet Fox was the devotional theme chosen by Mrs. Grant Burlison.

Diet Can Include Wee Bit of Candy

By JOSEPHINE LOWMAN

It takes energy just to stay alive. Even when we sleep our bodies use some of this precious stuff. The greater our activity the more energy we require.

* * *

So often when writing about reducing I warn my readers to leave off candy and so forth. The calorie count is so high that if we ate much of it while losing pounds we would not have enough calories left on our diet for absolutely essential foods. However, even the reducer must have some carbohydrates in her slimming diet.

You often will see the baked potato on my reducing diets. I do warn you about using too much butter on it. You will find breads with the same warning. You may sometimes see whole grain cereals, with the suggestion that you use skim milk instead of cream.

But if your greatest trial in reducing comes from leaving off sweets you can follow the evening meal with a couple of small pieces of hard candy, but do not go haywire with this.

* * *

A moderate amount (and I mean moderate) of hard candy taken after meals can be advantageous in avoiding fatigue and is also good psychologically.

Sugar always has been known to be a source of quick energy because it is rapidly digested and absorbed into the blood stream. That is why athletes often munch on candy before a contest.

DON'T TAKE A MILE!

I really hesitate to mention this because, being human, if I give you an inch you probably will take a mile, and you cannot afford to if you are going to lose those pounds!

One reason for the fatigue women experienced when reducing a number of years ago was the lack of any carbohydrates in their diet, and also because of a low protein intake. Only a rabbit can subsist happily on salad greens!

If you would like to have my calorie chart so that you can count your calories send a stamped, self-addressed envelope along with your request for leaflet No. 36. Address Josephine Lowman in care of The Pontiac Press.

Tomorrow: " 'Old Faithful' Exercise Is Sure to Reduce Hips."

If your greatest trial in reducing comes from leaving off sweets, you can follow the evening meal with a couple of small pieces of hard candy, but do not go haywire with this.

Hold Kickoff to Promote PTA Magazine

Seventeen magazine chairmen members, each representing a different PTA local, met with Mrs. George Gray of East Yale avenue Tuesday for a kickoff breakfast to promote the "National Parent-Teacher" the PTA magazine.

The magazine contains articles on health, discipline, human relations, home and family life, child care, character, recreation, domestic and world affairs.

Features of the magazine deal with movies, radio, television, comic books, books for parents and children, child welfare bills before Congress, and current problems in school education.

The National Parent-Teacher is a non-profit publication. Its income is derived exclusively from subscriptions and is expended only to extend the magazine services.

Mary Jane King to Wed on Oct. 13

Mr. and Mrs. Donald B. King of East Pike street announce the engagement and approaching marriage of their daughter, Mary Jane, to Willis Leist, son of Mr. and Mrs. William C. Leist of Milford.

The couple will be married Oct. 13 at Oakland Avenue United Presbyterian Church.

Club Will Send Representative to Toledo Meet

Pontioak Chapter of the National Secretaries Association International will be represented at the first Great Lakes district meeting to be held in Toledo, Ohio, Oct. 5-7.

Plans were made at the Wednesday evening meeting held at Hotel Waldron.

The invocation was given by Mrs. William Robinson and Edyth Perry conducted the business meeting. It was announced that there are 20 new Michigan Certified Professional Secretary certificate holders, among them Mrs. Harry Ault of the local chapter.

Hostesses for the Oct. 10 meeting will be Mary Eleanor Lockman and Mrs. Charles Renwick.

Some 3,700 persons were killed and 310,000 injured while at work on American farms in 1955.

But—There Are Diehards

Newest 'Fair Lady' Look to Invade College Campus

Smart oe sw ill go back to school this fall looking much more elegant and feminine than they have in lo, these many years.

The new "fair lady" look of fashion seems to have accomplished what the combined efforts of teachers, parents and fashion writers have failed to do until now—take college girls out of blue jeans and into feminine clothes.

Of course there will be some diehards, especially among Eastern women's colleges, but the majority of college girls throughout the country will welcome a return to flattering ladylike clothes this fall.

The Directoire look is important in campus styles as it is throughout the entire fall fashion lineup. You identify it immediately in the placement of the waistline, high under the bosom; in the slender skirt animated with panels and easy drapery; in the new dimension of hats, the tapered-toe shoes, the prevalence of hoods.

Being in constant touch with the fashion moods of the young, St. Louis designers spotlight the new romantic feeling in their collections of junior styles for fall. There's a new softness and elegance to dresses and suits, a new feminine air to everything except strictly casual sports clothes.

In the last category the "Ivy League" look is the thing, apparent in separates and coordinates with styling borrowed from the boys. It is identified by the narrow-lapel box jackets and blazers, Bermuda shorts with buckles in back, dark striped boy shirts and even caps.

Mother's Words Reflect Hard-Earned Experience

Daughter, 17, Should Profit by Advice Against Marrying Too Young

By RUTH MILLETT

She married at 17 but she doesn't want her daughter to marry at the same age.

That doesn't seem either fair or logical to the daughter who asks, "If Mother married when she wanted to is it right for her to try to talk me into waiting until I'm older, even though I don't care about going to school any longer? I'm 17—exactly the age my mother was when she and Dad got married."

If your mother ever secretly regretted marrying so young and cutting her own girlhood short, if she ever felt that she would have been better prepared for marriage if she had waited a few years, if she ever dreamed of giving you a better education than she had, then she certainly has the right to try to talk you into putting off marriage until you are older.

At 17 your mother was as young and inexperienced as you are at the same age. Today she is older and wiser and she is talking to you as a woman who knows and understands a great deal more than she did as a girl.

* * *

Listen to her. Benefit by her own experience. Give her a chance to offer you the opportunities a mother wants to give her daughter.

And remember, too, that education is becoming more important every year, as more and more girls are getting college degrees before settling down to marriage.

It is also true that more and more wives are finding it necessary to work to help supplement their husband's income. The better education you have the better job you will be able to get in case it ever becomes necessary for you to work.

Your mother is talking sense. So pay attention. She is speaking from experience. Also, she is offering you something she denied herself—a carefree youth and all the education you are willing to get before taking on the responsibilities of marriage and a family.

'Christian Living' Program Topic

"Christian Living-Family Style" by Betty Ormslee Mould is the topic chosen for study by members of the November group of First Presbyterian Church. Mrs. Richard Ferris reviewed the book for the group.

Mrs. Keen Haddad of West Sheffiled avenue was hostess at the Tuesday meeting. Mrs. William Godfrey assisted the hostess.

Luncheon plans for Oct. 23 were made by the group and refreshments were served at the close of the meeting.

Period Chairs Deserve Place in the Limelight

NEW YORK (INS) — Don't underestimate the power of theatrical drama as applied to the old homestead.

For instance, if you have two favorite chairs there's nothing more effective than giving them the benefit of a corner spotlight.

Set them off to one side of a room at either side of a small, elegant table which reflects the period of the chairs.

If the chairs happen to be after Louis XIV, then decorate the table accordingly in materials reflecting the period, or if they should be Early American, then use a material with cross-stitching or a provincial print.

Another dramatic effect, as displayed in the national home-furnishings show in New York, can be achieved by emphasizing a bed in a room of soft hues.

One such display, by Patricia Harvey, showed walls of soft tans and browns sparked by a bed with an emerald-green spread and emerald-green headboard.

Another dramatic room was a dinette showing sunset red rattan chairs with contrasting yellow seats flanking a three-tiered table which was topped by a red and white sailcloth awning.

Invitations Out for Hills Teenage Cotillion

By DOROTHY JEAN ZACK

BLOOMFIELD HILLS — Invitations are in the mail today to 300 high schoolers of this area to join the "Cotillion," but only 150 will become members for the five-dance series.

"We hope to have answers back by Oct. 1," says Mrs. Thomas E. Wilson, who was active in founding the Cotillion group a year ago. "We'd like to have more, but the Bloomfield Hills Country Club, where the dances are held can't accommodate more in the ballroom."

Enthusiasm for this year's program is expected to run high among the younger set. Membership, by invitation, is limited to 10th, 11th, and 12th graders in local or area schools.

Last year's list tallied members from Birmingham and Bloomfield High Schools, Cranbrook and Kingswood Schools here and, in Detroit, University of Detroit, Sacred Heart, Immaculata and Country Day schools.

DATES ARE SET

A fifth event has been added to this year's schedule, with supper dances at the club set for Nov. 30, Feb. 22, and April 26, a costume party Oct. 26, and a tea dance on Dec. 21.

All events are from 9 p.m. to 1 a.m. except the Christmastime event, which is from 4 to 7 p.m.

"The parties will continue to be formal," says Mrs. Wilson, "but of course at that age boys don't always have dinner clothes, so dark suits are worn."

"We had a suggestion box at last spring's final event, and when Mrs. William A. Reid and Mrs. Ernst F. Kern and I opened it, we were quite apprehensive."

* * *

"But the suggestions were wonderful," she says, "with no critical remarks. They gave names for the list we'd overlooked, and asked for summer dances."

WELL RECEIVED

"It was so well received last year that it was fascinating to work with the youngsters. It's a neglected age for that type of social affair, and most of them had never been to such nice parties," she said.

Sponsors, all of whom have young people in the age bracket, have already been organized and include the Wilsons, Kerns, and Reids.

Also listed are the Roger M. Kyes', Peter J. Monaghans, E. Curtis Matthews', John K. Stevensons, the Norman J. Fredericks, and the E. A. schirmers.

Also, the Semon Knudsens, Clyde Craines, W. B. Hargreaves, A. C. Girards, Edward E. Wilsons, Robert VanderKloots, John Bugases, Phillip Monaghans, John Annases and the Edgar Flints.

Planning is aplenty, but activities are few this week, with many residents enjoying a respite between summer vacationing and the oncoming football and club season.

* * *

Several parties are on the Maynard R. Andreae family's agenda for coming weeks, but now the Ridgewood drive home centers on outfitting the younger members for school days.

At the George Romney home on Vaughan, too, school news takes the fore. Lynn and Jane have left, driving westward. Lynn will be a senior in history and physical therapy at Stanford University, while Jane will be entering her father's alma mater, University of Utah at Salt Lake City.

She'll be seeing much of relatives who live there, but will live in freshman dorm, Carlos Hall, and major in history.

She was graduated from Kingswood this June.

Kay Perring, daughter of the Raymond Perrings of Yarboro, one of Jane's classmates, will be going to Ann Arbor for her freshman year.

The Thomas Wilsons moved back from Metamora last weekend to ready Tommy for Cranbrook for Boys, and Ann and Jane for Kingswood.

Mrs. Wilson is working with Mrs. Ben Coleman, who is chairmaning a Hunt Ball Oct. 6 at the Metamora Hunt Club. It will be a Saturday night highlight in the Hunter Trial Horse Show.

May Friend Use Party Invitation?

Substitution Is OK in the Case of Big, Impersonal Affair

By EMILY POST

"I have received an invitation to a large semi-public cocktail party given for a celebrity. I will be out of town at that time and will not be able to go.

"I mentioned this invitation to a friend of mine and she said that she wished she could go in my place. I would like to know if it would be proper to have her go in my place?"

Answer: If you are an unknown person invited to a large general party, it would be perfectly all right.

"Dear Mrs. Post: When an acquaintance stops at the house to pay a very short visit, leaving a friend of hers sitting in the car, is it necessary that I give any thought to the person left in the car? Or should I go out to meet her and invite her in, or what?"

Answer: If she stops in only for a very few minutes you would do nothing. But if the conversation runs on to any length, you should certainly ask your visitor to bring her friend in.

"Dear Mrs. Post: The company for which I work is giving a large dance in the near future. While the dance is to be informal, the members of the committee, of which I am one, have been asked to wear evening clothes.

"Since I will be going with my fiance, who is not on the committee, I am wondering whether or not he should wear a tuxedo."

Answer: A man should always wear a tuxedo (or tails) when accompanying his fiancee who is in evening clothes.

"Dear Mrs. Post: I am 17 years old and have been invited to my first big dance. I would like to know if I am supposed to carry on a conversation with my partner while dancing or do I just dance and say nothing."

Answer: You are not expected to carry on a continued conversation. However, if spoken to, you certainly would reply.

Many matrons should keep black as far away from the face as is decent. The wide but shallow neckline becomes larger figures.

This promises to be the biggest season for black we've seen in a long while. If you can't wear all-black, try the wide neckline or newest small scarfs of chiffon, also single skin mink tippets are used as fill-ins.

WCTU Discusses National Affairs

A round table discussion on national affairs was held by members of the Dora B. Whitney Unit WCTU at the Tuesday meeting, Mrs. Mark Cheney opened her home on Dwight avenue for the afternoon gathering.

Devotions were given by Mrs. Herbert Flemington, who used Psalm 107 as her topic, and Mrs. Leland Marion who spoke on Exodus, Chapter 32. The work being done by the United Fund Volunteers was presented by Mrs. Barbara Kinney.

Refreshments were served by the hostess at the close of the meeting.

Banquet Set Nov. 6 by Fashionette Club

Mrs. John Reichert will serve as chairman of the banquet planned by members of the Fashionette Club for Nov. 6 at Hi-Land Manor. Serving with the chairman are Mrs. Galen Joseph, Mrs. Daniel Spence, and Mrs. Gene Skelton.

Plans for the affair were made at the Tuesday evening meeting of the group at the Adah Shelly Library.

The trophy for losing the most weight during the week was presented to Mrs. Pete Hernandez.

VFW Auxiliary Sets Dates for 2 Projects

Dates of future activities were listed when members of VFW Auxiliary 1008 met at the Legion home on Auburn avenue.

The first activity is a money-making project Oct. 15, followed by a sewing session Oct. 20 at the home of Mrs. Paul Bolton on Clarence street. The group voted a donation to the Greater Pontiac Advisory Committee

Secretaries of Solons Plan 'Fling'

Senate Staff Club Set for Junkets to Cuba, New York

By JANE EADS

WASHINGTON—The Senate Staff Club, made up of secretaries and aides to Capitol Hill solons, is talpolitics with an 11-day fling in Cuba, an October weekend in New York, a Florida sojourn in November.

* * *

Mindful of their bosses' need for them in this busy pre-election season, the boy and girl Fridays are lining up for these several escapist junkets only at the times when their senators need them least.

The club, organized about four years ago, boasts some 300 members—private secretaries, committee secretaries, administrative assistants and others, with the senators themselves honorary members.

It is comparable to the Congressional Secretaries Club, made up mostly of people working for House members, which also is planning inexpensive package trips to get the legislative kinks out of members' systems.

OFFICERS LISTED

Joe McSweeny, secretary to Sen. Edward Martin (R-Pa), is president of the Senate Staff Club; Kay Jensen, private secretary to Sen. Thye (R-Minn), is vice president. Diane Kaseman, who works for Senate sergeant-at-arms Joseph Duke, is treasurer, and also chairman of the Cuban trip.

"We all know each other on the Senate side," Diane told me. "We like to get together for some good times every other month or so and always have a big 'do' when Congress adjourns, with refreshment and food.

* * *

"We never discuss politics. There'd be no hair on our heads after meetings, if we did," she added.

PARTY IS SEND OFF

As a gala send off for the group to his homeland, Cuban Ambassador Aurelio F. Concheso gave an embassy cocktail party.

Plans in Havana included a party hosted by President Batista at the Presidential Palace. There was also to be a trip to fabulous Veradero Beach, a night club tour and a visit to the countryside surrounding Havana.

"There are 10 men to every girl in Cuba," Miss Kaseman said. "Our bosses seemed to think it fine for us to go.

"They think the girls need a little relaxation. They say it keeps them in shape."

Here's a jolly playmate for your little one—a lovable puppy made from black felt with crocheted loop-stitch ears and tail. Small hands will have no trouble managing this cute doggie!

Gold Star Moms Hold Meeting

American Gold Star Mothers Inc. Chapter Nine, met at the Henry Clay avenue home of Mrs. John Stockwell Tuesday evening.

Mrs. William Schunck spoke of the work of the Volunteeer Service Bureau and recruited new workers for the Bureau.

William Stormer of the Pontiac Memorial Chapter 101, Disabled American Veterans, also spoke briefly during the meeting.

Plans were made to sew for the American Cancer Society. Members will meet at the home of Mrs. Louise Gutson at Proud Lake Sept. 14 to work on this project. A similiar meeting is planned for Sept. 20 at the home of Mrs. Pearl Kline in Rochester.

Parental Devotion Is Smothering

By ANNE HEYWOOD

One need which we have as long as we live is the need to be needed. Sometimes, it seems to me, this increases with age.

* * *

Older people, no matter how good their health or how comfortable their financial situation, are going to be miserable if nobody needs them.

But, a thing we sometimes forget, it must be a valid need, not an unhealthy one.

Too often, an older couple will smother their children and grandchildren with expensive gifts, will work overtime as babysitters and devote their lives to their grandchildren because of a need to be needed.

* * *

But this is filling that need the wrong way. It weakens the children and does nothing to contribute to the real self-development of the oldsters.

BORN EAVESDROPPER

That is a mistake which Mr. and Mrs. J. made for some time, but no longer.

The reformation came about, as Mrs. J. confessed, "I'm a born eavesdropper. I'm ashamed to say I did eavesdrop one day on our daughter and son-in-law.

"We were visiting them and had brought clothes and toys for the kiddies. We told Hazel and her husband to go off for a nice weekend, that we'd take the children over.

"I went upstairs," Mrs. J. Went on. "And was standing at the bedroom window when suddenly from below, on the terrace, I heard Hazel and Bob talking.

* * *

"'I can't stand it, either,' Hazel was saying. 'They are killing us with kindness. I don't want a nice weekend away. I want our own house and our own children to ourselves! But the poor things have nothing else to do.'"

FIND NEW PROJECT

Fortunately, Mrs. J. and her husband catch on quick. They realize they had been smothering their children and they took steps right away to get a project, a life of their own.

"That very weekend," Mrs. J. told me, "we went back home and decided to do something we'd always wanted to do — start a picture-framing service.

"My husband is handy at such things and our community needed a good picture-framing service.

"We got a gift shop to let us put a sign up in their window and now we have quite a few customers for our service.

"My husband does the actual framing, to order, and I do the bookkeeping and handle the customers.

"And it's wonderful to have something to occupy our time — something all our own!"

If picture framing interests you, send me a stamped, self-addressed envelope in care of The Pontiac Press, and I'll send you a list of good books on the subject.

OES Schedules Officers' Night

Advance Officers Night and the grand chapter session to be held in Grand Rapids in October were announced at the Monday evening meeting of Pontiac Chapter 228, OES. Mrs. Floyd Levely, worthy matron, presided at the meeting held in the Masonic Temple.

A gift was presented the chapter by members of Group Two, OES. Mrs. Levely reported on the recent trip to the Alma Masonic Home and a report on the educational fund was given by Ralph Mapley.

Refreshments were served at the close of the meeting by the past matrons of the chapter.

St. John Lutheran Family Night Slated

Members of St. John Lutheran Church will be hosts to new members of the church at a family night get-together. The affair will be held Sunday evening beginning at 5 o'clock. A short program will precede the buffet supper to be served in the church parlors.

Blue Denim Jump Coat Is Teen Style

There's a new fashion brewing in the back-to-school crowd. It's the blue jean jump coat, and it may turn out to be the most important single item in a high school or college girl's wardrobe.

Local sewing center experts recommend that you make it yourself to wear with jeans to watch football practice, go on hikes or picnics. Sturdy blue denim is lined with warm red flannel.

The hood may be worn up as protection against the weather, or turned down to form a wide collar. Big patch pockets make a handbag unnecessary. The toggle fastenings suit the casual mood.

A slightly dropped shoulder line makes the coat fit easily over heavy sweaters or jackets.

Adapt Sweaters to Person, Use

A girl can wear sweaters from the day she's born until the end of her life but she should adapt them to each period of life.

Casual sweaters are fine in college but in the thirties and forties, they should take on a more sophisticated air. And they should fit well but never snugly.

High School Grid Teams Geared for Season Openers Tomorrow

Typical Rugged Clash Seen for Maples-Jays

If past games are any indication, another rugged battle is on tap Friday afternoon when Birmingham and Southfield clash for the third time in their young but heated rivalry on the Bluejay gridiron.

Birmingham, winner of the past two games by narrow 6-0 and 14-7 margins, will send an entire new backfield into the opening lineup, headed by speedy Tony Evangelista, a 150 pound senior who is considered one of the fastest backs in the area.

Dale Burrows, a 180 pounder who was understudy to Bill Swaney last season, gets the call at quarterback with Mike Nordstrom a 175 pound senior transfer from Royal Oak at left half.

A feature battle of the game should develop at fullback where 225-pound Chuck Gibson of Birmingham and 250-pound Ed Zurcher of Southfield get starting nods.

Coach Carl Lemle shifted Gibson from the tackle post, with Zurcher, a junior, moving in the backfield from the guard spot in a shift for power by coach Monte Charles.

Southfield has veterans Ron Brewer and Fred Rankin at the halves, and Ed Foster, who has shown good passing wares, gets the call at quarterback.

The Maples have a weight advantage in the line with 240 pounder John Forrester at center and Pete Richie at 220 and Jack Palmer at 195 in the tackle slots.

Probable Starting Lineups

LO, Clarkston Squads Primed

Size will be at a premium when Clarkston and Lake Orion clash in their season opener on the Dragon field tomorrow.

Not a single 200-pounder is listed in either starting lineup which will pit two pony-sized backfields against each other.

Clarkston, which has not beaten Lake Orion since the 7-0 win in 1952, has little Leroy Parks, a 5-feet-5, 130-pounder, at quarterback, along with George Lang and Jim Hennig, two speedy halfbacks at 145 pounds each.

Fullback Dave Swayne at 160 is rated the fastest man on the squad.

Lake Orion, 26-0 winner last year, has five regulars returning, sparked by Nick Niera, 150-pound signal caller, and Doug Storey, a 170-pound junior halfback.

Outlook Bright for Romeo High

Inheriting a fine squad of returning lettermen, and with a number of new players showing up well, Romeo High's Ted Engdahl looks with considerable optimism on the 1956 football season. Richmond opens the season Friday night on the Romeo field at 8 o'clock.

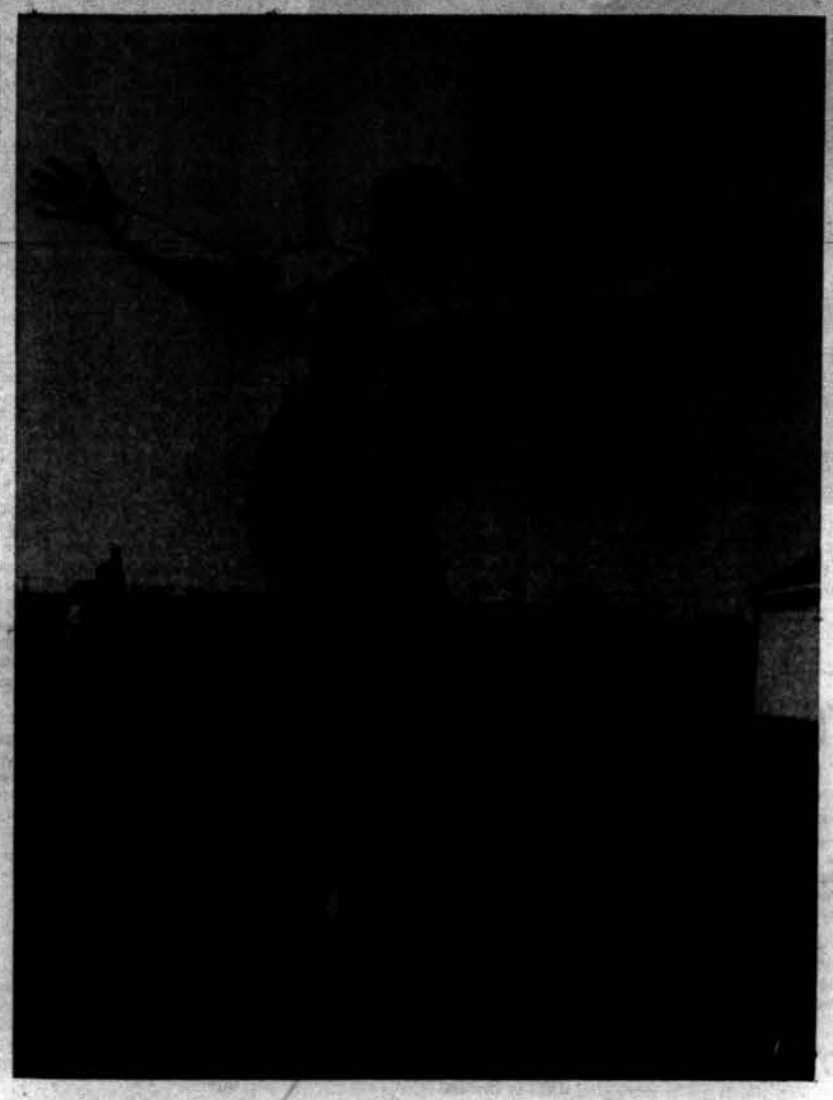

Engdahl took over for the veteran Dan Barnabo this fall, after six years of coaching in other schools. "We should have a good club and I'm sure we'll win some ball games. We have 16-17 of 33 lettermen back, including many of the best boys. It looks good."

Romeo lost only one game in its nine-game 1955 schedule, that one a tough 6-0 win for Lapeer.

Among outstanding lettermen back are John Fowler, senior 180-pound left half, "one of the finest runners I've seen in high school";

CALLS SIGNALS—Starting at quarterback for Pontiac against Wyandotte is Dick Whitmer, 6-feet, 170 pound senior. He lettered as a junior last year but was not the regular quarterback for the Chiefs.

KICKOFF TIME — It's kickoff time, as demonstrated by Art Poe, Pontiac High School punter, for the high schools in Michigan. Most of the Lower Peninsula schools get their 1956 seasons underway tomorrow night, including many top area rivalries. Some schools wait until next week to lift the lid. Some of the top area games tomorrow include Pontiac at Wyandotte, Birmingham at Southfield, Waterford at West Bloomfield, St. Michaels at Avondale, Milford at Oxford and Clarkston at Lake Orion.

Chiefs Ready for 'Dots in Opener; Graybiel Names Starting Lineups

By H. GUY MOATS

Fit and ready, Pontiac High's football Chiefs were primed today for a bit of avenging, come Friday night, at Wyandotte. Coach Ed Graybiel's club seeks to wipe out the sting of last fall's 25-6 opening game defeat at the hands of the 'Dots, inflicted on the Chiefs own lot.

Chiefs completed their preparations for Friday's game with a stiff scrimmage on Wednesday afternoon. They were slated to take it easy today. "We've done everything possible to get ready for this starting test" Graybiel said this morning.

"I think we will score some points. The boys are running hard. Defensive play, particularly in the middle of the line, looked strong in our recent scrimmage session against Southfield. We had fair blocking. Altogether I believe we are in pretty good shape.

"Much of the rough spots that showed up in the game-type scrimmage has been smoothed out.

"Wyandotte will be tough, despite what we hear about a possible 'field day' at Hoffheins' expense."

Graybiel has finally decided on his starting quarterback for Friday. He named husky, easy-going Dick Whitmer to do the signal-calling. He will back him up with a trio of sparkling sprinters.

Here are the starting lineups:

For Pontiac—

Offense—

Ends—Bob Baxter and Marv Cagle

Tackles—John Massingale and Bob Holloway

Guards—Bob Kelly and Dick Kors

Center—Joe Hill

Backs — quarterback Whitmer; left half, Freeman Watkins; right half, Charley Robinson; fullback, Charley Spann.

Defense—

Ends—Cagle and Watkins

Tackles—Kelly and Massingale

Middle guard—Holloway

Linebackers—Hill, Art Poe and Spann

Halfbacks—Bob McDonald and Jim Hawkins

Safety—Jim Shorter

For Wyandotte—

Coach Hoffheins said he could name only his offensive team, most of whom will double on defense, as follows:

Ends—Bill Rose, Ron Cornell and Frank Jaciuk

Tackles—Harvey DeLorme, Jerry Thompson

Guards—Joe Carollo, Ken Crutchers, Paul Williams

Center—Steve Stieler (also linebacker)

Backs — quarterback Jerry Noble; fullback Manny Contino; left half Dick Smith and right halfback John Winn.

Skippers Favored Over Lakers in Rival Clash

In its infant stage Waterford High School had very little choice but to watch the grid forces of West Bloomfield (then Keego Harbor High School) roll to victory in their traditional rivalry.

LEADS SKIPPERS — Lone regular from Waterford's 1955 squad is Lindy Salathiel, 6-feet, 175 pound right halfback. The Skippers open the campaign at West Bloomfield.

Friday night the two teams meet for the 7th time on the Laker gridiron and the Skippers will be favored to make it three in a row.

* * *

The first Waterford victory in the series came in 1954 by a 12-6 count, but last year the Skippers shocked the Lakers by romping to a 58-0 win.

"It was just one of those days on which most everything went right," said Waterford coach Dave Freeman, "and I sure don't expect anything like that again this year."

Freeman will send one regular from last year, Lindy Salathiel, a 175 pound halfback into the starting lineup.

* * *

The Skippers show their best depth at quarterback where three equally capable signal-callers bid for the starting assignment. Warren Miksch, a 160 pound senior, is expected to get the nod, with Dave Struble, a good passer, and Jim Green in line for duties.

Dave Nelson, in his first season as head coach, sees trouble ahead in the shift from the Wing to the T-formation at Keego.

John Lucadem a 150 soph who earned a letter as a freshman last year will start at quarterback for the Lakers. Elsewhere in the backfield it will be Alvin DuBois and Larry Hollister at halves and Gene Meeley at fullback.

Probable Starting Lineups

Waterford	Pos.	West Bloomfield
John Keating	LE	Bud Harding
Bob Masters	LT	Lewis Doyle
D. Stockweather	LG	Jill Gibson
Doug Hales	C	Mike Zaron
Jim Larkin	RG	Don Bradley
Rod Evans	RT	R. Gordhamer

Veteran 1st Strings Meet in Jacket-St. Mike Scrap

By BILL CORNWELL

Rabid football fans at St. Michael and Avondale will get a small sampling of what to expect from their favorite teams when the two schools meet on the Avondale field Friday night in the 1956 season opener.

Avondale, entertaining serious ideas about winning the Oakland B League title this fall, and St. Mike, usually a strong contender in the Suburban Catholic League, have something in common for this engagement.

Both schools boast talented personnel through the first 11 positions. But each squad is woefully thin in capable reserves.

There's something else in common, too—but not quite the same way. Ron Elmy, who starred for the Mikes last season, will be wearing a Jacket uniform.

In fact, Avondale coach Frank Crowell is going to start the hard-running Elmy at fullback in hopes that the former Shamrock will come back to haunt his old mates.

Joining Elmy in the backfield will be quarterback Dick Gronski and halfbacks Fred Hyten and Sven Blomberg, all seasoned campaigners. Jacket veterans will also anchor the forward wall, led by tackle Bill Johnson and end Dwight Moulton.

Coach Bob Mineweaser's Shamrocks will be spearheaded by Dan Dropps and Chuck Brown, a couple of standout halfbacks, and a handful of experienced linemen. Bill Fitzgerald, a 252-pound guard who has been blocking and tackling viciously in drills, may get a starting assignment.

St. Mike nosed out the Yellow Jackets last year, 7-6. Game time tomorrow night is 8 o'clock.

PROBABLE STARTING LINEUPS

Falcons Meet Tough Davison

Rochester High School lifts the lid on its 1956 football season Friday night against a tough Davison team on the Davison gridiron.

Quarterback Fred Weaver, the only returning regular from the 1955 squad which posted a 3-5 record, will direct Rochester's T-formation attack as the Falcons seek revenge for last year's heartbreaking setback.

Davison, defending co-champion of the Genesee County B League, scored a 19-18 verdict over Rochester with a touchdown in the last 20 seconds. Six members of that team were lost through graduation.

Halfback Dave Peters, one of seven lettermen in tomorrow's tentative starting lineup, is a dangerous runner and figures to be the top ground threat for coach Gene Konley's Falcons.

Barons Face Oak Park 11 in 1st Game

Bloomfield Hills, which snapped a long victory famine last year with a mid-season triumph, begins a new football season Friday afternoon against visiting Oak Park.

Buoyed by the thought that things are bound to get better, Don Hoff's Barons plunge into their 1956 schedule with hopes high of improving on last year's 1-6 record. End Bill Stouffer and backs Jim Jones, Al Bowland, Dave Drury and Jim Kearney are among the outstanding returning lettermen.

This will be Bloomfield Hills' final year in the Southeast Suburban Conference before entering the Wayne-Oakland circuit in 1957. Oak Park, a non-league foe, did not play the Barons last season.

THAT ONE HURTS — Champion Johnny Saxton winces in pain after a long right by Carmen Basilio just before referee stopped their welterweight championship fight in the 9th round last night at Syracuse. The TKO returned Basilio the title he lost to Saxton on decision in Chicago last March. AP Wirephoto

Basilio Regains Title

SYRACUSE, N.Y. (AP) — Carmen Basilio, apparently as tough and destructive as ever, wore the welterweight crown again today after annihilating Johnny Saxton "for the sweetest win of my life."

• • •

"This was the one I wanted to win more than any other," said the craggy-faced, 29-year-old Basilio, following his technical knockout in 1:31 of the ninth round over the cocky, 26-year-old defending champion in War Memorial Auditorium last night.

• • •

"I beat him in Chicago and got robbed, this was my answer. If he wants to fight me again, I'm willing. I fight for money. I'll fight Ray Robinson, too, for the middleweight title, if Saxton has had enough. I agreed to give Saxton a return fight and he can have it anywhere but in Chicago."

• • •

Even with his topsided triumph last night, Carmen still is burning over the unanimous but controversial decision which Saxton scored over him in Chicago last March 14. That not only cost the ex-Marine the title but a lucrative outdoor money match with middle weight king Ray Robinson. Now he hopes to get a crack at Sugar Ray before long.

• • •

"I want the fight and I'll beat him the next time," said Saxton through swollen lips. A white bandage covered the left side of his mouth where nine stitches were secured to sew up a wide long gash that had spurted blood during the one-sided fray.

• • •

"I fought his fight — not mine," the dethroned New Yorker said bitterly. "The booing of the crowd upset me. Instead of boxing him like I did the last time and like I planned to do again, I went out and slugged with him. I wanted to show those fans. Next time I'll fight for Johnny Saxton and win my way."

• • •

Gaunt and with his ribs showing through his taut skin, the 146¼ pound local pride took charge in the third round with a slashing body and head attack that had the sleek New Yorker bloody, reeling and helpless in the ninth round when Referee Al Berl halted the massacre. Saxton had not been down, but he was heading for the canvas, so relentless was Basilio's furious assault.

• • •

Looking perfectly conditioned at 145¾, Saxton was only in contention for the first two rounds when he surprised the near capacity crowd of 8,546 and countless television viewers by meeting Basilio in mid-ring and exchanged punches. He drew blood from Carmen's nose and the fans cheered the unexpected early fireworks from the usually back pedalling jabber.

• • •

The three officials, all imported from New York City by Commission Chairman Julius Helfand, had identical cards up to the TKO, 7-1 for Basilio. Each gave Saxon the second round. The judges were veterans Harold Barns and Frank Forbes. The AP card had it at 7-1 too.

Lapeer Favored Over Caro

Viking-Redford Tilt in Grid Spotlight

One of the best football attractions in the vicinity Friday will take place at Walled Lake where the Vikings encounter a strong Redford Union team under the lights.

The Walled Lake-Redford clash shares the spotlight with many others as a large majority of high school teams throughout the Oakland County area inaugurate the 1956 grid campaign.

Walled Lake, under new head coach Dave Smith, tackles a squad it battled to a 7-7 draw a year ago. A good crop of returning regulars boosts Viking hopes for a better record than last season's 3-5-1 mark.

Quarterback Larry Dion, halfback Dick Greig and co-captain John Walker, a power-running fullback, will get starting calls against Union. Co-captain Mike Beebe, tackle Mike O'Donnell, center, Tom Ward, guard, and end Larry Hughes are also slated for heavy duty.

Jack Fitzpatrick's Lapeer 11 is favored over Caro in the Panthers' opener on the home field. Lapeer, which posted a 7-1 record last season, lost few key players and expects another productive year.

The entire startling backfield from 1955, headed by sensational Tom Wilson, is ready for action again in addition to several veterans in the line.

Joe Bechard, new head mentor at Troy, is priming his victory-starved Colts for an all-out effort as they await the invasion of Detroit Lutheran. Troy will be looking for its 1st pigskin triumph since 1953.

Oakland B champion Madison entertains Royal Oak St. Mary, Ortonville invades Goodrich for its traditional curtain-raiser, and Holly welcomes rugged Grand Blanc.

Ferndale plays host to Berkley, Clawson and Center Line collide at Clawson, Farmington goes to Clarenceville, Hazel Park hosts Flint Beecher, Van Dyke invades the East Detroit lair, Fitzgerald entertains Lake Shore, and Brighton plays at South Lyon in additional bill of fare.

Other area games tomorrow include:

Almont at North Branch, Kingston at Brown City, Port Huron St. Stephens at Caspac, Center Line St. Clement at Warren, Flint Hoover at Dryden, Marine City at Imlay City, Bay City Reserves at Mariette, Millington at Vassar, Grosse Pte. at Mt. Clemens, Northville at Plymouth, Port Huron at Hamtramck, Roseville at Harper Woods Notre Dame, and Mt. Clemens St. Mary at Utica.

AL Breaks Homer Record

By THE ASSOCIATED PRESS

The American League, which just missed a year ago, broke its one-season home run record last night, with seven hit in four games for a 974 total.

The old mark of 975 was set in 1950. Last year, the total was 961.

Three home runs in the New York-Kansas City game did it with the A's Eddie Robinson hitting the record-breaker off southpaw Maury McDermott in a 7-4 victory over the Yankees. A first-inning home run by rookie Lou Skizas, off New York's Tom Sturdivant, had tied the mark.

The long Yankee shot was by Hank Bauer, putting New York within five of its own league record for one club set in 1936 at 182 with 15 games remaining.

The National League is well behind its major league record of 1,263, set last season, with a current total of 1,100.

New York has contributed 178 homers to the record, Cleveland 140, Detroit 132, Boston 130, Washington 107, Chicago 106, Kansas City 99 and Baltimore 82.

Braves Back on Top After 8-7 Victory

BROOKLYN (AP)—In one ball game, probably the biggest one of the year for Milwaukee, the Braves shoved the charge down the throats of their critics who had maintained all along that the league-leaders would wilt with the mounting pressure.

If ever there was a "pressure" game, it was yesterday's which the Braves won from the Dodgers 8-7, after a string of misfortunes that would have discouraged another club, and took a one-game lead over second-place Brooklyn.

It was a game that could have been lost several times and in several ways, yet the Braves fought back after each disappointment.

* * *

No wonder Joe Adcock, one of Milwaukee's big heroes, sighed in the clubhouse after the game:

"It was the toughest game I ever played in my life; and the most important we ever won."

No wonder Danny O'Connell another hero yesterday, looked around defiantly at the visiting newspapermen and shouted:

"Who's choking up now?"

No wonder Johnny Logan, the fine shortstop, remarked meaningly: "We came here one game up; we leave here one game up and we'll still be one game up when it's all over."

* * *

The Braves experienced their first discouraging moments in the first inning when Brooklyn batters teed off on their pitching ace, Lew Burdette, for four hits and three runs to jump off to a lightning-like 3-0 lead.

But the Braves stormed back against 23-game winner Don Newcombe to route the league's leading hurler in the second inning and forge in front 4-3.

Brooklyn came back to knot the score again at 4-4 on Roy Campanella's 18th homer of the season, but Adcock put the Braves in front again, 6-4, with his 36th homer of the campaign and 13th against Brooklyn. Milwaukee added another run in the seventh on Del Crandall's 15th homer.

* * *

Gene Conley who had pitched splendidly after relieving Burdette in the first, fell apart suddenly and was derricked after yielding three straight hits, good for one run in the seventh. At this point, Crandall came through with a perfect pickoff throw on a missed bunt attempt to ease the tension. But a walk, a hit batter and O'Connell's muff of Sandy Amoros' routine grounder produced two more runs and the score was suddeny tied at 7-7.

But again the Braves roared back in the eighth to move in front again, 8-7, on a single by Henry Aaron, a walk to Thomson and a scoring single by Bruton, who drove in his third run.

* * *

If any club was hurt by a loss, it was Cincinnati. The third place Redlegs, also with 15 games left, fell three games behind while being held to just three singles by Johnny Antonelli in an 8-0 loss to the New York Giants.

That left Milwaukee one game up on the Dodgers and dropped Cincinnati three games behind the pacesetting Braves.

The Chicago Cubs defeated Pittsburgh 3-0 in the only other NL game scheduled.

The New York Yankees and the Kansas City Athletics, walloping three between them, erased the American League's one - season home run record set in 1950 at 973 as the A's beat the league leaders 7-4.

Early Wynn helped set the Mark, slugging his first home run of the season for his 17th victory as second-place Cleveland beat Baltimore 2-1. Boston took third place from Chicago, defeating the White Sox 4-1. Detroit made it six in a row, beating Washington 3-2.

ON THE DOUBLE — Brooklyn's double play combination of Jim Gilliam and Peewee Reese are a high-flying pair at second base as Felix Mantilla of the Braves is erased in the first out of a twin-killing at Ebbets field. The Braves won, 8-7, to regain National League lead.

Kramer KO'd in Rough Drill

Returns to Play After Hard Jolt Going Down Under a Punt

ANN ARBOR (AP) — Another day of heavy, rough work was scheduled today by coach Bennie Oosterbaan for his Michigan football hopefuls, after a workout so rugged yesterday that big Ron Kramer was KO'd.

Kramer was knocked out as he went down under a punt, but recovered in a few minutes and went back into action, apparently none the worse for wear and tear.

Tackles Al Sigman, Willie Smith and Jim Horwig drew praise for their blocking in yesterday's head-and-head scrimmage, and halfbacks Bob Ptacek, Jim Pace, Terry Barr and Ed Shannon ripped off several nice gains.

The Wolverines hoped for something more approximating football weather, especially for Saturday's scheduled game-length scrimmage in Michigan Stadium. It was a torrid 85 yesterday.

Hoeft Nears No. 20

DETROIT (AP) — Pitchers agree there's a sizeable amount of luck involved in becoming a 20-game winner.

Billy Hoeft admitted he "lucked through" to No. 18 yesterday on a 3-2 decision over the Washington Senators. The Detroit Tiger lefthander was bumped around for 11 hits and the Tigers finally won the contest on a 9th inning error.

But because of it, the club stands at least a fair chance of boasting two 20-game winners despite an almost-certain fifth place finish in the American League. Frank Lary has 17 games to his credit.

"Usually I pick up about the fourth or fifth inning," said Hoeft later. "But I never did throw good out there. My fast ball wasn't fast and my curve ball wasn't curving. The only thing that saved me was my control."

* * *

Hoeft, who struck out five, walked only two batters. The Senators hit safely in each inning except the 9th but still could not avoid their 4th loss at Hoeft's hands. They have beaten him once.

The Tigers' heavy stick men — the first five men in the batting order — produced only one hit in 18 times at bat and it was an error by bonus rookie Harmon Killebrew at third base that accounted for the Tigers' 6th consecutive victory.

With the score knotted at 2-2, Detroit loaded the bases with one out off reliefer Camilio Pascual. A walk to Earl Torgeson, an infield single by recently-recalled Charlie Lau and another pass to pinch hitter Wayne Belardi did it. Killebrew then bobbled Harvey Kuenn's bouncer and Reno Bertoia, running for Torgeson, came in with the tie-breaking run.

The two clubs wind up their 1956 meetings today, with the Bengals' Paul Foytack going for victory No. 13 against the Senators' most effective pitcher, Chuck Stobbs.

Stobbs, a lefty, has a 15-11 record.

Warren Orlick Honored in Testimonial at Tam

Warren Orlick, professional at Tam O'Shanter Country Club, was given a testimonial dinner Wednesday night in the clubhouse in recognition of his 35 years of continuous service to the game of golf.

Upwards of 200 club members and guests, including top area pros, attended the banquet in honor of Orlick, who is now serving his fourth year at Tam.

Honored guests included Joe Devany, Al Watrous, Wally Burkemo, Bill Fassezke, Don Soper, Frank Metzger, John Orlick (Warren's brother), and Lou Powers, PGA secretary.

Announcement was made at the dinner that Orlick has been named the Golf Professional of Michigan for 1956 by the selection committee.

Trophy award night was held as part of the affair and trophies were presented to individual and team winners of this year's club events. Bert White was also honored for his 25 years of service at Tam.

Baby Horse Show, Too

MIAMI — The Hialeah walking ring is the scene of the annual Baby Horse Show staged by the Florida Breeders. Needles, winner of the 1956 running of the Kentucky Derby, was selected as the best colt in 1955. Last January, King Hairan took the best-in-show prize.

4-Team AABC Battle at Critical Stage

BATTLE CREEK (AP) — Eastern playoffs of the American Amateur Baseball Congress reached a sudden-death stage today with the four remaining teams having a defeat apiece in the double-elimination competition.

Still surviving were Kalamazoo, Mich.; East Chicago, Ind., Pittsfield, Mass., and Battle Creek.

Kalamazoo lost its 1st game to East Chicago in 12 innings last night, 8-7.

Irish Resigns City Baseball Federation Post

After six years as prexy of the Pontiac City Baseball Federation Charles Irish has walked out. Irish announced his resignation just prior to leaving on a western vacation.

"I think I have been on the job long enough," Irish said in his announcement. "Maybe somebody else could do a better job of it. Anyway it's time to pass the job around. I hope my successor will be able to make a real drive for a lighted field during the coming year."

Irish says he will continue to work with the board of directors.

Loss of RBI, Batting Lead Facing Mantle

By THE ASSOCIATED PRESS

Mickey Mantle, pressing himself into a slump while trying to keep pace with Babe Ruth's home run title, now is in danger of losing the American League batting and runs-batted-in lead.

The young New York Yankee slugger, with only five hits in 10 September games, now has a .352 batting average with 118 RBIs. Boston's Ted Williams, a four-time bat champ, is up to .349 and Detroit's Al Kaline, last year's batting king, has 116 runs batted in.

Top Coverage Coming

All of the leading prep football games getting under way with area schools Friday will have on-the-spot coverage by members of Press sports department and a staff of correspondents.

Game accounts direct from the scenes of action tomorrow will have:

H. Guy Moats at Wyandotte reporting the season on the Pontiac Chiefs.

Bill Cornwell will be on the scene Friday afternoon at Bloomfield Hills where the Barons open with Oak Park; and Friday night he will write the details on the St. Michael's-Avondale clash.

Bruno Kearns has Birmingham's traditional game with Southfield Friday afternoon coming your way.

Chuck Abair will be at Lake Orion where Clarkston opens against the Dragons.

Paul Ripley is set to do the account of the Waterford-West Bloomfield meeting.

These and the results of all the other area games will be found in Saturday's Press sports pages.

Tries to Steal Home

Thomson Fined $100

BROOKLYN (AP) — When Bobby Thomson took it upon himself to steal home against the Brooklyn Dogders he ran into a tag by catcher Roy Campanella at the plate and a $100 fine by Milwaukee Manager Fred Haney in the dugout.

* * *

"And I'd have fined him even if he had made it," said Haney after yesterday's game, won by the Braves 8-7 to push Milwaukee back into first place in the National League race.

"Thomson ran on his own," snapped Haney. "I don't know why. I had a pinch hitter up their batting for my pitcher. What's the sense of wasting both a pinch hitter and a pitcher? We might have got another run without the attempted steal."

* * *

It came in the eighth inning, after the Braves had snapped a 7-7 tie on Billy Bruton's RBI single.

Thomson admitted it was a bad play. "But I was half way down the line and the pitcher (Roger Craig) hadn't looked at me yet. He was slow winding up, so I kept going.

"Anyway, I wasn't fined for not hustling."

* * *

It was the second fine levied by Haney since taking over the Braves June 16. He tagged Danny O'Connell for $25 in early July for failing to run out a ground ball.

Badgers May Start 4 Sophs

(Following is another story in a series on Big Ten football prospects by Jerry Liska, Midwest AP sports editor, who made a flying tour of conference camps)

MADISON, Wis. (AP)—Completely inexperienced at quarterback where the stellar Jim Haluska and Jim Miller operated last year, Wisconsin's Badgers this fall present a tough assignment for new coach, Milt Burhn.

As many as four sophomores may start for the Badgers, who lost five 1955 starters from the line.

Bruhn was promoted from assistant to head coach when Ivy Williamson was named to replace the late Guy Sundt as Badger athletic director last winter.

Even with the excellent quarterback tandem of Haluska and Miller and such other now-graduated stars as guard Wells Gray and Tackles John Dittrich and Bob Konovsky, the 1955 Badger had only a 4-5 record and placed 6th in the big ten at 3-4.

* * *

Thus Bruhn, former Minnesota star guard, has his work cut out for him in his 1st head coaching job. The only quarterback who has ever been in a varsity game is Dick Simonson, a junior, whose total experience is 7½ minutes.

And Simonson has to beat out Ron Carlson, a sophomore competitively, who stands only 5 feet, 9 inches, and soph Bob Dawson, who is not related to Purdue's great quarterback, Len Dawson.

Despite the fact Wisconsin has one of its smallest squads in history, roughly 50 players early in fall drills, Bruhn is far from pessimistic.

"We're awfully thin and I don't feel we'll be an outstanding team," said Bruhn. "But we'll be a team with quite a bit of desire and we hope to give somebody a headache every time we play. If spirit can do it, we'll better last year's record."

Wisconsin, outside quarterback, should have a respectable backfield, with two experienced flyers at halfbacks in Dan Lewis and Billy Lowe, and a fine 1955 halfback, Pat Levenhagen, 186, at fullback. Levenhagen replaces graduated Charley Thomas, former understudy to Alan (The Horse) Ameche.

Johnny Bridgeman, senior speedster who never quite measured up to great sophomore promise, and a hard-hitting soph, Earl Hagberg, are the halfback replacements. No. 2 fullback is a converted end, Dick Kilian, 210.

Next to the quarterback spot, Bruhn rates the tackle reserves his most serious problem. Soph Rocco Cinelli, 225, is battling letterman Jerry Cvengros, 235, at left tackle. Martin Booher, 236, a letterman gets the right tackle call, backed by a 1955 squad member, John Heineke, 215.

Partello Seeks 2nd Win at Motor City

Chuck Partello, veteran auto racer from Rochester, shoots for his 2nd straight victory in tonight's 30-lap modified hardtop feature at the Motor City Speedway.

Partello nosed out Howell's Mickey Katlin by a foot last week for his 1st win of the season in 13 attempts on the Motor City track.

Other top drivers expected to run in the show are Jim Nelson, Bill Kourt, Joy Fair, Nelson Ward, Skeeter Ross, George Cooper, Rusty Kelly and Bob Gillian.

First base coach Jake Pitler of the Brooklyn Dodgers began his career in organized baseball as a shortstop with Jackson, Mich., in 1913.

Selfridge Team Out of Tourney

MONTGOMERY, Ala. (AP) — Six softball teams moved into the semifinal round of the Air Force World Wide Softball Tournament today with Sewart Air Force Base, Tenn., showing the best record.

* * *

A 1-0 victory over previously undefeated Laughlin AFB, Tex., in a 13-inning no-hit game last night gave Sewart a 3-0 record in the week-long tourney at Maxwell AFB.

* * *

Eliminated yesterday were Selfridge AFB, Mich., and Andersen AFB of Guam 2-1.

Champion's Finish

Ward Among 16 Left as 'Names' Fail

LAKE FOREST, Ill. (AP)—Defending champion Harvie Ward, one down after 15 holes of his fourth-round match in the National Amateur golf championship, was lining up a difficult 15-foot putt when Billy Joe Patton whispered:

"Right here, and on the next two holes, is where you'll learn the difference between a champion and a golfer."

Ward imperturbably stroked his putt into the cup and his opponent, 20-year-old Frank Boynton of Orlando, Fla., jabbed at a four-footer and missed. Patton whispered again: "See what I meant?"

On the next hole Ward poked a four iron shot off the tee within a foot and a half from the pin and won with a conceded deuce after Boynton had three-putted from across the green. And the Florida collegian, who had been three up after the first five holes, saw his last hope vanish with a shot that went into a trap on the 18th.

It was truly a champion's finish yesterday when a lot of really good golfers couldn't win. But it left Ward, seeking to become the first repeater in 21 years in this tournament, in a peculiar position.

* * *

The roll call of beaten favorites in yesterday's two rounds left the committee, which has been screening prospects for the Americas Cup team matches, in quite a quandry.

* * *

There was Ken Venturi, sensation of the Masters and Open this year, who bowed to 38-year-old Bob Roos in an all-San Francisco grudge match. Roos didn't last through the next round.

Then came ex-champions Dick Chapman and Willie Turnesa, former British title holder Bob Sweeny, Intercollegiate champ Rick Jones and long-hitters Dave Smith, Frank Souchak and Doug Sanders in the third round.

The fourth brought the finish for Walker Cuppers Patton, Don Cherry and Dale Morey, husky Jim Tom Blair and young Mason Rudolph, who had shot about the best golf of the day in his morning match.

Bumps Top Opposition

Kocsis Gains 5th Round

LAKE FOREST, Ill. (AP) — Michigan's Chuck Kocsis, the 1936 collegiate champion, was one of 16 golfers left today as the 5th round of the National Amateur tournament got under way.

Ralph Ellstrom of Dearborn, only other Michigan golfer to survive the 1st two rounds won his 3rd round match but was eliminated 4 and 3 by Neil Croonquist of Minneapoolis in the 4th yesterday.

Kocsis eliminated Dick Chapman the 1940 amateur champion, 3 and 2, in the 3rd round and then whipped Dale Morey of Indianapolis, 2 and 1, in the 4th match.

Kocsis was scheduled to take on Robert Shave Jr. of Willoughby, Ohio, in the 5th round.

Ellstrom eliminated Robert Gardner of West Orange, N. J., 2 and 1, in 3rd round competition before falling to Croonquist in the 4th.

Scott's Return Bolsters Chips

Big Tackle a Starter in 1955; CMC Meets Bradley Saturday

MT PLEASANT (AP) — Central Michigan is going through its final drills before taking the field at Saginaw Saturday for its football opener against a reportedly strong Bradley eleven from Peoria, Ill

Coach Bill Kelly's line was bolstered earlier this week when Chuck Scott, a 224-pound tackle from Hamtramck, unexpectedly returned to school and turned out for practice. Scott was the Chippewas' starting left tackle last season.

In the backfield, the Central Michigan coach has a problem most coaches wish they could share. Kelly says he's having trouble finding spots for his many outstanding performers. The backs are led by halfback Jim Podoley, a Mt. Morris senior, who was among the leading ground gainers in the nation two years ago when he was selected on the 2nd team of the Little All America.

Doe Day, Picnic End Group's Golf Year

"Doe Day" activities and a picnic wound up the summer's golfing activities for members of the Silver Lake Golf league Tuesday. After a round of golf in which low net was won by Mrs. Charles Campbell (40), consolation by Mrs. Ralph Bump (65), and putting, Mrs. Robert Zidlund, the group went to the home of Mrs. Grant McDonald, 3975 Clintonville road, for a picnic. Mrs. John McCallum won the best costume, Mrs. Max Richardson, funniest.

Season's awards went to Mrs. Phil Dorman who won a playoff for first with Mrs. Elbert Looney; most improved, Mrs. Tom Powers; ringer, Mrs. Looney; McDonald perpetual award, Mrs. Looney won three-way playoff with Mrs. Myron O'Dell and Mrs. George Zannoth.

Mrs. McCallum and Mrs. Don Herr assisted Mrs. McDonald.

Eagles Get 2 Backs

HERSHEY, Pa. (AP)—The Philadelphia Eagles of the National Football League today added two new backs and released one tackle on waivers.

General Manager Vince McNally announced the Eagles signed Jim Shirley, former Clemson fullback, and Willie Berzinski, halfback from LaCrosse Teachers, Wis.

Two Goals Set in Football Future for Titans

DETROIT (AP) — The University of Detroit has set two goals for its football program. The Titans want to improve their national stature with an impressive performance over a 10-game route for a possible bowl bid, and strengthen future schedules.

For 1956, Wally Fromhart's squad has lined up Marquette, Villanova, Wichita, Tulsa, Boston College, Cincinnati, Drake, Oklahoma A&M, Dayton and Houston.

* * *

But the bigger things are in the future, and the Titans, admittedly hopeful of ultimately gaining comparable status with Michigan and Michigan State, are dickering for games with Indiana, Navy, Maryland and other top schools. The new air force academy team will make its midwest debut with a 1958 contest in Detroit.

Two serious blows have struck down other drives to bring big-time football to the U of D. In 1942 there was the decision to drop intercollegiate athletics during the war. Then followed the "purity" approach involved in reducing the number of athletic scholarships to less than half a dozen three years ago.

But a new scholarship foundation will be used to strengthen the athletic program and already there is evidence to another crack at the big-time.

* * *

Detroit's 1956 varsity roster includes 50 candidates — and 27 of them come from states outside Michigan. There are many freshmen coming in from other states and since there are just six seniors on this year's squad, Fromhart expects more potent teams in the future.

University officials say they will be satisfied with a cautious but gradual rise in athletic fortunes. They realize there can be no major changes overnight. Last year Detroit was 5-3-1 and tied for the Missouri Valley Conference title, as of June 30, 1957, Detroit will withdraw from the league.

As for the 1956 prospects, returning stars include Perry Richards, home-grown senior end whom Fromhart regards as the club's best pro prospect; Billy Russell, speedy junior halfback from Donora, Pa., the team's ground-gaining and scoring leader of 1955.

A pair of ex-marines help to buoy U of D hopes. Cleveland's Steve Piskach is a transfer from the University of Toledo and coaches think he may become Detroit's best forward passer since Ted Marchibroda of the Pittsburgh Steelers.

The other one is halfback Bill Dando of Ashland, Pa. He's a transfer from the University of San Francisco and already he is being compared with Andy Farkas, U of D great of about 20 seasons ago.

Oxford Battles Milford Friday

Wildcats and Redskins Tangle in 1956 Opener at Oxford

Two old rivals, Oxford and Milford, will collide on the football field Friday night at Oxford in the 1956 season opener for both schools.

The Wildcats' gridiron fortunes have descended sharply since they stormed to a perfect season in 1954. Last year they won only one and tied one in nine games.

Only three of last year's starters are back in uniform for Jean Harkness and one of them, halfback doug Chartrand, is out with an ankle injury. Guard Jim McCallum and halfback Les Beardslee round out the list of veterans. Oxford will be experimenting with an untested quarterback in Bob Harrison.

Milford, which also dropped down the won-lost ladder a year ago with a 3-5 mark, will counter with a pair of quarterbacks, Pat Kelley and Jerry Hackett, both transfer students.

Tackle Lon Grantham, another transfer pupil, tackle Jerry Burklund, center Henry Combs, and speedy halfbacks Bob Kauppi and Del Munson, along with five other letter winners, install the Redskins as favorites. Milford trimmed Oxford a year ago, 26-13.

District Legion Honors Junior Baseball Players

Seventy youngsters including the championship Boys' Club team from Pontiac were feted at the Rochester Legion Post at a banquet held for the players of every team in the league.

* * *

Highlighting activities was the presentation of the championship trophy to the Pontiac Club, sponsored by Cook-Nelson Post of this city. Present from the local Post were Don Sutton, vice commander and Floyd Cremer, assistant director for Oakland County Veterans. Cramer also served as toastmaster for the evening.

Don Dodman, commander of the Auburn Heights American Legion Post presented the Walter A. Mather trophy to the Pontiac team. Trophy is in memory of Walter A. Mather formerly district commander and leader in veterans affairs in this area. Mrs. Mather, along with Janet and Harold Mather were present.

Jim Skinner was awarded a medal as the league's outstanding player. Presentation was made by Charles Hetherington, district commander.

* * *

The trophy will be presented to the Cook Nelson Post on Oct. 7 when the district meeting will be held in Pontiac. Members of the Boys' Club team will be present as well as members of the Detroit Tiger baseball team.

500 Join at Romeo in 'Tornado' Cleanup

By LEE WINBORN
Romeo Correspondent

ROMEO — "We learned a lot," was the comment today of Civil Defense Director Maurice Foltz of last night's simulated tornado exercise that involved 450 to 500 members of area emergency units.

"On the whole the drill went very well," he said. "We didn't want to have it too perfectly planned so that we would't know how to proceed in the natural confusion which could result from a real disaster."

The "tornado" hit near the Croswell Street school "destroying" the firehall which was to be used as the main command post in its wake.

Operations were then set up in the old Catholic church, a block west of the hall. Site of the greatest "damage" was the field at the end of South Bailey and Hart streets.

"Casualties" were treated in the medical center in the village clerk's office. Dummies were pinned under real fallen trees and power saws had to be used to remove them.

Other lifeless "bodies" were removed from branches of trees. Seven or eight girls were "found wandering the streets in a state of shock" and were identified and returned to their homes, Foltz said.

"Traffic control and communications still will require further study," Foltz said, "but on the whole the exercise was very successful."

Members of emergency units from St. Clair, Lapeer, Oakland and Macomb counties stayed around almost three hours after the original disaster call, when the "tornado" was "spotted" at about 7:15 p.m.

They first participated in rescue and damage control operations and remained to discuss common problems with their neighboring units.

MR. and MRS. M. C. MURLEY

JaeAnn Harold Becomes Bride of Melvin Murley

LAKE ORION — The Methodist Church here was the scene, Saturday of the wedding of JaeAnn Elizabeth Harold to Melvin Carlson Murley.

The 4 o'clock ceremony was performed by Dr. Mont C. Oliver.

JaeAnn is the daughter of Mr. and Mrs. Clarence Harold of 33 S. Axford Ave. Mr. and Mrs. Samuel Murley of 215 Heights Rd. are the parents of the groom.

For the double ring ceremony, the bride wore a waltz-length gown of imported chantilly lace over taffeta. The dress featured a bouffant skirt with a back panel of lace and tulle tiers, a tulle yoke and lace Peter Pan collar, and long sleeves ending in points at the wrists.

* * *

A small cap of matching lace and pearl orange blossoms held her shoulder-length veil of illusion. She carried a tulle fan with lilies-of-the-valley across the top and orchids and ivy leaves forming the base of the fan. Ivy leaves were tied by lovers knots to the ribbon streamers. A pearl necklace, a gift of the groom, was her only jewelry.

Betty Bergman, cousin of the bride, was the only attendant.

Fred Murley served as his brother's best man. Raymond Murley, also a brother of the groom, was usher.

The bride's brother, Jerry O'Connor was at the organ.

After a reception dinner at the Villa Inn, the newlyweds left for a wedding trip in Northern Michigan.

After their return, the couple will reside at their newly built home at 2639 Lance St. in Perry Acres, Lake Orion.

Money, Zoning Actions Voted at Lake Orion

LAKE ORION — At the Wednesday meeting of the Township board here action was taken on money maters and zoning board terms.

The Gingellville Fire Department appropriated a sum to join the National Fire Fighters Assn. for the year and for other purposes.

John Kuzara and Edward Knickerbocker, members of the zoning board, were asked to continue in their posts until September 1957 and 1958 respectively.

Holly Council Votes Paving

Includes Maple Street in Widening Despite Pleas for Trees

HOLLY — The village council has voted to include East Maple Street, along with North Saginaw Street, in the proposed street widening program.

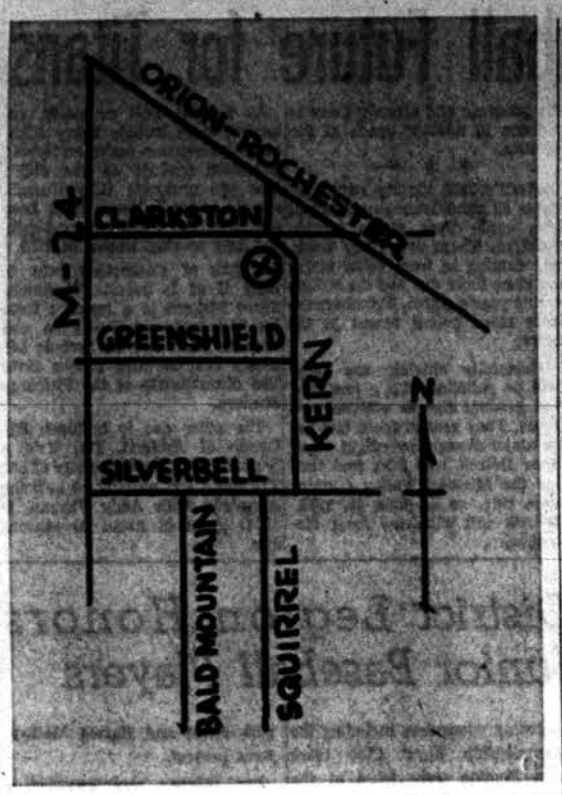

The inclusion of the Maple Street portion brought forth a great many protests. The trees for which it was named were planted there over 75 years ago, and it has long been considered one of the finest avenues in Michigan.

Increased traffic on state highway M87 which goes through the village on these streets has made the widening necessary, according to a majority of the council members.

Residents on both streets and a number of others are continuing their agitation against the proposed widening, and it is assured that further steps will be taken in an effort to bring about its rescinding.

Holly Potluck Dinner

HOLLY — Mt. Bethel Church's second annual homecoming will be held Sunday with a potluck dinner at 12:30 p.m. and a program in the afternoon.

DUMP SITE TO OPEN — A sanitary disposal site for Orion and Pontiac Townships will be open for operation on Monday at the mapped location. Officials announce that residents of the two areas may use the site free of charge by obtaining a permit from their township office. Hours of operation are 8 a. m. to 5 p. m. week-days and 8 a. m. to 12 noon on Saturdays. Authorities requested that private individuals use the disposal on Saturdays if possible. Dumping of brush, trees or stumps will not be permitted they said.

Your PTA Is Planning:

Talk on Half-Day Study

SASHABAW — The PTA here will meet Monday at 8 p.m. with the superintendent and school board of the Clarkston school system.

Purpose of the meeting is to obtain a better understanding of the present less-than-half-day sessions. Residents will also have an opportunity to register for the November election.

Refreshments will be served.

Rochester

Mrs. Howard Sprengel, new project chairman for Hamlin PTA, reported on the progress of the Fall Carnival slated for Oct. 13, when the group met for a luncheon at the school recently. New teachers were introduced.

Rochester Youth to Elect Tomorrow

ROCHESTER — Officers for the Youth Canteen sponsored by the Rochester Junior Woman's Club will be elected tomorrow evening for both junior and senior sessions.

The Canteen reopened its doors at the American Legion Home last Friday and adopted a constitution and by-laws which will govern them.

Hours of the Canteen will remain the same as last year—7 to 9:30 p.m. for junior high students (7, 8, 9 grades) and 9:30 to 12 p.m. for senior high students (10, 11, 12 grades).

Application for membership can be obtained at the Canteen tomorrow evening.

Metamora Man Injured in Crash

Two Killed, Seven Hurt as Two Cars Collide Near Flint

METAMORA — Gerald Goyette, 35, of Metamora, was driver of one car which was involved in a head-on collision on M21 near Flint last night. Two persons were killed and seven injured.

Randall Jentzen, nine months, died in Flint Hurley Hospital last night and his father, Wesley, 28, of Davison, had been killed instantly in the crash.

The mother, Delma Jentzen, 21, is in serious condition and two other children, Daniel, 2, and Sue Ann, 3 are hospitalized with cuts and bruises.

Goyette, who was passing another car on the foggy highway three miles west of Davison and collided head-on with the Jentzen car, is in serious condition, as is Raymond Boyden, 37. William Day, 44, of Metamora and Joseph Rhein, 24, of Lapeer suffered cuts and bruises.

Table Parochial Transport

Enroll Over 5,000

WALLED LAKE—The Walled Lake Board of Education this week noted passing the 5,000 mark in enrollment, tabled discussion of transporting parochial students, and approved student insurance.

Supt. Clifford H. Smart told board members Monday that the new enrollment is Senior High, 808, Junior High, 1,142; Walled Lake Elementary, 699; Twin Beach, 434; Glengary, 438; Commerce, 407; Union Lake, 466; Decker, 386; and Wixom, 222.

The board awarded the Workmen's Compensation insurance to the Roach agency, low bidder.

Approval was granted to allow parents to carry accident insurance on students in a group policy providing the PTA's will aid in collecting for the policy.

The PTA's were represented at the meeting and heard details of the policy discussed.

The Knights of Columbus had a representative present who was interested in the public schools providing transportation for the parochial students.

He was referred to action taken by board members in August in which they agreed to meet with Father Foley and discuss his transportation problems after he furnished the board with a map of his bus routes and the location of his students.

Discussion was tabled until this is furnished and until after the public school problems in transportation are settled.

In this regard several parents were present asking that children in certain areas within the mile limit be driven to school on the buses because they must walk on public highways where there is a safety hazard. Some adjustments may be made where children walking to school are in danger, the board indicated.

Clerical assistants were named for Union, Wixom, Glengary, and Decker buildings.

It was announced that the blacktopping at Twin Beach should be accomplished within a week or ten days.

Marlette Sees Pupil Increase

Latin Course Leading in New Interest; Add New Teacher

MARLETTE — Only a slight increase in enrollment was tallied at Marlette Community Schools when the corrected statistics were in this week. School opened a week ago.

The total of 1,138 compares with 1,138 last fall and 1,104 at school's close last spring. There are 472 in Bea McDonald School and 666 in the high school unit.

There are considerably fewer students in grades 12, 9, 7, 4, 3, and kindergarten, with increases in grades 1, 2, 5, 6, 8, 10 and 11. There has been a 50 per cent increase in the beginning Latin this year over last year.

An additional teacher has been added for the High School, making possible four sections of English.

The school lunch program is operating as previously and milk program starts next Monday.

First Elementary PTA meeting is scheduled for Tuesday at the Bea McDonald School.

First High School PTA meeting is set for Oct. 1st at the high school unit.

Offer Fluoride With Club Aid to Three Grades

OXFORD — The sodium fluoride program will again be offered students of the second, fifth, and eighth grades in Oxford schools, cooperating with the school district and on recommendation of the County and State Health departments.

Mrs. Robert Peterson, a local dental hygienist will do the work. She will be assisted by members of the Child Study Club and P.T.A.

The cost to parents will be as follows: $3 for a single child, $5 for two, or $6 for three children from one family.

Parents wishing their children to have this service should notify the child's teacher by tomorrow as the appointments will begin next week.

SPECIALIST AND MRS. LARRY ROBBINS

Exchange Wedding Bands

Soldier Takes Bride Here

WATERFORD — At a recent evening double ring ceremony in the Waterford Lutheran Church, Specialist Third Class Larry E. Robbins of Fort Riley, Kansas claimed Barbara G. Shattuck of Waterford as his bride.

The bride is the daughter of Mr. and Mrs. Charles Shattuck of Waterford and the groom is the son of Mr. and Mrs. Kenneth Robbins of Drayton Plains.

A white crystalette gown was worn by the bride. A seed pearl and sequin tiara held her pure silk illusion finger-tip veil. She carried white rose buds on a white satin and lace covered Bible.

Deanna Robbins of Drayton Plains was the bride's only attendant. John Dawson of Drayton Plains attended the groom. Ushers were PFC Jack Harshburger formerly of Birmingham and Robert Hunt of the U. S. Navy and Clarkson.

Following the wedding a reception took place in the V.F.W. hall here. The couple are honeymooning en route to Manhattan, Kansas near the bridegroom's camp.

Plans Detroit Trip for Talk on Slums

TROY — W.S.C.S. of the Methodist Church here will meet for a twelve o'clock potluck luncheon at the church next Thursday.

Following the luncheon the group will attend a meeting at Cass Avenue Methodist Church in Detroit where the Rev. Lou Redmond will explain the work that is being done there by the Missionary Society, primarily in the slum districts.

JUDY DOMMER

Mr. and Mrs. Albert Schenkel of 3043 Seebaldt, Drayton Plains, are announcing the engagement of their daughter, Judy Dommer, to James Pletscher, the son of Mr. and Mrs. Henry Pletscher, of 1526 Lochaven, Waterford Township. James is now serving with the U. S. Navy in San Diego, Calif. No date has been set for the wedding.

Bride Chooses Italian Silk

Rochester Rites Unite Alberta Eleanore Werth and Jack Brean

ROCHESTER — Given by her brother in recent nuptial rites in the First Congregational Church was Alberta Eleanore Werth of Castell avenue, bride of Jack R. Berean of Lake Orion.

* * *

The bride is the daughter of Mrs. Julia Werth and the late Ferdinand Werth. Mr. and Mrs. Ray Berean of North Rochester road, Lake Orion, are the groom's parents.

An Italian Duopioni silk gown fashioned with Alencon lace in ballerina length princess style, was worn by the bride. A finger tip Empire line veil was held in place with seed pearls. White roses and stephanotis made up the bridal bouquet.

Mrs. Laurence Holmes of Romeo was matron of honor, and Orian Wilber acted as best man. Ushers were William Porrit of Pontiac, Fred Crosier, James Purdom and Kenneth Purdom.

* * *

A reception in the church parlors followed the ceremony.

Upon returning from their honeymoon trip through the Smoky Mountains and Washington, the newlyweds will reside on North Rochester road, Lake Orion.

Carolyn Clark Weds Lt. Keith Howard

METAMORA—A panel of heirloom lace attached to a small lace cap was worn by Carolyn Cooper Clark for her marriage to Lt. Graeme Keith Howard Jr. Saturday in Grosse Pointe Memorial Church.

Mr. and Mrs. William Reeve Clark are the parents of the bride, and Mr. and Mrs. Graeme K. Howard of Norfolk, Conn, are the groom's parents.

The panel of heirloom lace was a part of the bride's long illusion veil. It was first worn by Carolyn's great-grandmother. An old ivory Italian peau de soie gown with a scalloped neckline and long sleeves was worn by the bride for her wedding.

The bell-shaped skirt of the gown swung back into a cathedral train. She carried a bouquet of lilies of the valley and sweetheart roses.

Attired in American Beauty peau de soie gowns with three-quarter sleeves were the bride's attendants, Lisa Bowen of Lake Forest, Ill., maid of honor and bridesmaids Mrs. Richard B. Hollaman of Rowayton, Conn.; Mrs. Reese E. Howard of Far Hills, N. J.

* * *

The bridegroom asked his father to serve as best man. Ushering were William Reeve Clark Jr., Emory Wendell Clark II, Reese E. Howard, Richard Hollaman and Lt. John A. Williams.

* * *

The Lake Shore road home of the bride's grandfather, served as the scene of a small reception following the ceremony. The newlyweds are spending a month in Yuma, Ariz. and will reside near Selfridge Air Force base the latter part of October.

LOVE FINDS A WAY — Glynis Johns, a beguilingly freckled British actress, cuddles up to Allen Reisner, screen director for whose love she's decided to transfer her career to Hollywood. Until she met Reisner she had consistently refused to move to Hollywood, but now she's staying and they plan to marry. Reisner is directing her in her second American movie, "The Day They Gave Babies Away."

Hollywood Headlines

Love Persuades Glynis to Remain in Movieland

By BOB THOMAS

HOLLYWOOD (AP)—Love has accomplished what the film studios were unable to do. It has induced Glynis Johns to settle in Hollywood.

• • •

Glynis has been one of the leading lights of British films. Until recently she has resisted flattering invitations to transfer her career to Hollywood. Now she has succumbed.

Why did she agree now?

Her answer was refreshingly frank: "Because I hadn't met Allen then."

She referred to Allen Reisner, the director of her second Hollywood film, "The Day They Gave Babies Away." (She came here for a Danny Kaye picture last year.) She plans to marry him.

She went on to explain that there had been other reasons why she remained in England: "I had personal commitments. I was married twice, you know. And I have a son who is 10. Now he is old enough to be in boarding school over there and I can be away from him."

Glynis is blond, big-eyed and beguilingly freckled. She is one of England's most accomplished actresses on the stage and screen and a real catch for Hollywood, which is more and more interested in the international market.

She explained that she first met Reisner during her first filmmaking visit here, but only in passing. Their romance flourished when he directed her in the current film.

"Another reason I expect to stay here is that we want to start having a family," she said, adding, "Not six, however." She referred to the number of offspring she had in the RKO picture.

"But I would hate to think of never returning to Europe," she remarked, "I still have my own company there, and I see no reason why Allen and I couldn't fly over and make a picture occasionally."

• • •

She said it was too early to consider American citizenship; the first thing is for her to establish residence.

Her wedding date is in doubt because she leaves Monday for a stage date in New York. She's starring in the title role of the blueribbon revival of Shaw's "Major Barbara." Directing and costarring will be Charles Laughton and the cast includes Eli Wallach, Burgess Meredith and Cornelia Otis Skinner.

Old Flame Burns Out, Sorry Suitor Is Sad

OKLAHOMA CITY (AP) — Police couldn't resist the plea from a Booneville, Ind., man to play Cupid for him and find the sweetheart he had jilted here 10 years ago—but they decided to let the old "flame" burn out.

The awakened suitor wrote Capt. Wayne Harbolt, chief of detectives, he can't go on living without his "precious Myrtle" and that he will find her if it takes the rest of his life.

But he won't get any help from Harbolt, who found Myrtle. She is now happily married, and has four children.

Sailor Flings Grenades in River to Catch Fish

CARSON, N.D. (AP) — A sailor home on leave was fined $50 for using hand grenades to catch fish in the Cannonball River, the state game and fish department reported.

Mike Volk told a game warden he threw three grenades into the river. Only two went off. The area was still roped off while authorities pondered how to dispose of the third.

Actress, Producer Split

LOS ANGELES (AP)—Actress Barbara Brier had her marital freedom today after telling the court her husband, producer Arthur Dreifuss, threw a highball in her face and told her that as an actress she would make a good carpenter. She was awarded $350 support for herself and two children.

Refugee Thrill Killer Awaits Life Sentence

GLADWIN (AP) — A 16-year-old Yugoslav refugee who said in court, "I like to kill," awaited sentence today in the slaying of his great aunt who was shot to death Aug. 30.

The youth, Nicholas Rumefanger, pleaded guilty to first degree murder yesterday. Circuit Judge John C. Shaffer set sentencing for Monday. First degree murder carries a mandatory life sentence.

Mrs. Rose Rumelfanger, 56, the victim, helped the youth come to the United States. Nicholas told the court he had planned to kill the aunt for six months, but delayed the killing a week because of unexpected guests at her house.

She was shot at the rear of her store in nearby Estey.

Bank Examiners Suffer Alarming Experience

HAGERSTOWN, Md. (AP)—Police came on the double when the burglar alarm sounded in the First Federal Savings and Loan Assn. here.

Bursting in, they found a group of strange men sitting around in their shirt sleeves. Turned out they were strangers, at that—bank examiners from North Carolina.

It was Defenders' Day, a Maryland holiday honoring the defense of Fort McHenry in the War of 1812.

Mrs. Mildred Heess, secretary-treasurer of the association, had let the examiners in with a key, and gone home for the holiday. She had neglected to tell them about the burglar alarm.

Somehow one of them touched the wrong piece of equipment and that did it.

SET FOR LIFE — Danny Thomas has revealed that he has lifetime deals with three night clubs: the Sands Hotel in Las Vegas, Nev.; the Chez Paree in Chicago, and the Copacabana in New York. The TV and night club entertainer says annual appearances in each of the three are "for the rest of my life at my option, my salary and my leisure."

Doctors Honor Babe for Cancer Research

GALVESTON, Tex. (AP) — Golfer Mildred (Babe) Didrikson Zaharias was honored yesterday for furthering the cause of cancer research. The presentation was made at John Sealy Hospital, where she is continuing her fight against the disease.

Her husband George Zaharias accepted an engraved scroll presented annually by the Public Health Cancer Assn. of America.

Doctors reported Mrs. Zaharias was feeling better. She was able to take solid food and was reported in "fine spirits."

Butcher Cuts Capers on LaGuardia Runway

NEW YORK (AP)—A 45-year-old butcher was arrested early today at LaGuardia Field and accused of driving his car onto a runway and nearly colliding with an incoming DC8 airliner.

Police said the car operated by John A. Heckenblaickner almost hit the left outboard engine propeller of a four-engine United Air Lines plane arriving from Chicago via Philadelphia with seven passengers and a crew of four.

Heckenblaickner was booked on a charge of driving while intoxicated.

Tiny Railroad Out of Business

Cassville - Exeter Line Shortest Commercial Trip in Country

CASSVILLE, Mo. (AP) — The nation's shortest commercial railroad goes out of business today—if they finish unloading a car of sacked feed in time.

The feed was the last payload of the once-thriving Cassville & Exeter Railroad, a 4½-mile line connecting this town of 2,500 with Exeter, Mo.

Engineer Jim Ashley was due to make the last run yesterday, pulling an empty boxcar with his old diesel locomotive. But they didn't get the feed unloaded, so the trip had to be postponed until today. If they don't finish the job today, he'll make the run tomorrow.

* * *

The C&E has been operating on the same casual basis in recent years. F. P. Sizer of Monett, Mo., president, said it operated only when needed. "We ran as many cars as necessary," he said.

The C&E was founded 60 years ago because the main line of the Frisco Railroad missed Cassville, a county seat.

The railroad did a thriving business hauling lumber, cement, oil, feed and other freight.

But business gradually diminished as highways and truck improved. Lack of income is forcing it to shut down.

* * *

On the last run, when he gets around to it, engineer Ashley will drop the empty boxcar in Exeter, where it will be put on the Frisco's main line. Then he'll put his engine in reverse and coast the 4½ downhill miles back to Cassville.

He can't turn around. The little railroad never had a turntable.

Policemen Discover This Job's a Honey

NORFOLK, Va. (AP) — Patrolmen M. L. Everett and Gene Elmore were troubled by the call on the police radio. Bee hive? Yes, said the radio voice.

Accompanied by Sgt. J. S. Siler and a man from the SPCA they went to an address where a swarm of bees had sacked out for the night in a patch of weeds.

Somebody suggested a burlap bag. It was carefully lowered over the bees.

Johnny Lowe, representing the SPCA at the eviction, got stung on the finger.

Less Canadian Beef

OTTAWA — Canada's exports of beef to the United States have dropped sharply. Fewer than 25,000 head were shipped to U. S. buyers in 1955 compared with an annual average of more than 400,000 head during the 1948-50 period.

Pair Seeks $500,000 in Deaths of Mates

DETROIT (INS) — Two widows with a total of 22 children filed a $500,000 damage suit against the Chesapeake and Ohio Railroad yesterday in the deaths of their husbands, killed when their car was hit by a C & O train.

Mrs. Virginia S. Salois, mother of nine youngsters, and Mrs. Evelyn Orsette, who has 13 children, each seek $250,000 in the federal court suit.

Charles E. Munyon, 65, seeks $100,000 for injuries suffered in the same crash.

The suits charge the train approached a crossing in Romulus in January, 1955, without proper use of safety devices and without adequate warnings or signals.

Sentence Bank Robbers

DETROIT (AP) — Three Ann Arbor men convicted of robbing the McPherson State Bank in Pinckney of $4,347 March 13 were given sentences of 10 to 15 years today. Federal Judge Ralph Freeman sentenced Charles Howard and Robert Davidson, both 25, to 10 years and James L. Walling, 26, to 15 years. The trio was captured 30 minutes after the stickup.

Dehoco Matron May Lose Job for Aiding Inmate

DETROIT (INS)—The career of a Detroit House of Correction matron may end today because she tried to relieve the dreary hours of a girl inmate.

* * *

Mrs. Mary E. Garvey, 65, goes before the House of Corrections Commission today on charges of conduct unbecoming a matron and dealing in contraband.

Mrs. Garvey, a staff member of the institution for 25 years, admits accepting one dollar in change from the girl to bring her thread and handkerchiefs for embroidery.

It is a violation of penal institution rules for an inmate to have money. Any cash found by guards and matrons must be turned in.

* * *

Paul R. Brown, superintendent of the House of Correction, said Mrs. Garvey is past retirement age and has been granted an extension. He says he plans to ask that the extension be canceled.

West Germany is replacing steam engines with diesel or electric locomotives.

$215 Million Set to Build in State

Report Says Michigan Has 347 Big Projects Under Way

LANSING (AP) — Michigan has major capital improvements worth at least $215,476,133 in the works, mostly for completion in 1957 or later.

* * *

The State Department of Administration says additions or changes in projects on the drawing board might boost the over-all figure a little.

The 347 projects mentioned in the department's semi-annual report all are valued at $20,000 or more.

They are either under construction, authorized and appropriated for or in the planning stage.

OTHER PROJECTS

The state also has about 500 minor capital outlay projects going to cost less than $20,000 each.

Of the total involved in major projects, $106,396,605 is available. The rest will have to be set aside by future Legislatures.

Much of the work will take years to complete.

The University of Michigan's share in the program is slightly more than 45 million dollars. Michigan State University's is about 22½ million.

Steal 10 Cases of Pop

Thieves entered through an unlocked door of a soft drink company warehouse on the 4-H Club Fairgrounds at N. Perry street and Pontiac road and stole 10 cases of pop Tuesday night, Pontiac Police said.

Market Shows Mixed Dealings

NEW YORK (AP) — The Stock Market shied away from an early advance and became mixed early this afternoon.

* * *

Leading issues fluctuated from fractions to around a point or so. Trading was very quiet after a fairly active start.

Wall Street went into a spell of extreme caution in anticipation of the press conference with Sec. of State Dulles. When Dulles said the United States does not intend to shoot its way through the Suez Canal, the Stock Market had no immediate reaction.

* * *

These gains were cut to the bone in the case of leading steels and aircrafts. International Oils, with interests in the Middle East, had their gains trimmed but some still remained ahead by a point or more.

* * *

Royal Dutch had risen around 3 points but settled back to a gain of about half that. Gulf Oil pared its 2-point gain in half, also. Amerada, a big domestic producer, was up well beyond a point.

Poultry

DETROIT POULTRY

DETROIT, Sept. 13 (AP)—Prices paid per f. o. b. Detroit for No. 1 quality live poultry up to 10 a.m.

Heavy hens 18-20, light type hens 12-14, heavy type broilers or fryers 2½-3½ lb. Whites 22, Grey Crosses 23, Barred Rocks 24; capenettes 4-4½ lb. 23, 5-6½ lb. 26-27; ducklings 30, turkeys heavy type young hens 30.

Comment: Market about steady on hens with a few fancy colored hens short for orders but heavy whites and off-quality slow to clear. Light type hens in very light demand. Few hybrid Leghorns taken in at 18 cents. Fryers steady. Receipts moderate and ample to a fair demand. Capenettes barely steady with receipts carved today and offerings well cleared with a few taken in at 28 cents. Extra demand noted for the Jewish Holiday Saturday. Light receipts of hen turkeys clearing to a fair demand. Farm roosters not wanted and receipts carried over from day to day.

CHICAGO POULTRY

CHICAGO, Sept. 13 (AP)—Live poultry barely steady to weak on capenettes, about steady on balance; receipts 1,324 coops (yesterday 1,067; 148,000 lbs.) f. o. b. paying prices unchanged; heavy hens 16-17; light hens 15-16; broilers or fryers, Whites Rocks 20.00-20.5, Barred Rocks 23-24; old roosters 13-15; capenettes over 4½ lbs. 24-26; under 4½ lbs. 21-22; ducklings 23.

Diana Dors Due on Hope's Show

Jo Stafford Will Guest With Perry Como on October 13

By JACK O'BRIAN

NEW YORK (INS) — After turning down the $3,500 per show job as emcee of "The Most Beautiful Girl in the World," Hal March now will take that rich plum . . .

Means Hal will be earning $6,000 weekly for that and "The $64,000 Question."

"The Most Beautiful Girl" takes NBC's "Medic" slot in three weeks . . .

Bob Hope, always ready to encourage a fine, modest, serious, cultural talent, will have Diana Dors as his first TV guest Oct. 21.

Jo Stafford, never a guest star on any TV show, guests on Perry Como's Oct. 13 show . . .Ditto Jose Iturbi . . .

WELL-PLAYED ROLE

James Cagney's role as a veteran Army sergeant bringing the body of a Korean veteran home to be buried was a low-key, exceptionally well-played performance on Robert Montgomery's seasonal premiere . . .

Nacy Walker joins Sinatra and Dizzy Dean on Dinah Shore's first Chevy Show Oct. 5 . . .

NBC has $70,000,000 invested in color TV plus another $20,000,000 this season . . .All the "class" NBC-TV shows will be in color . . .

Phil Harris still gets $3,000 a week on an old NBC contract that has five years to go . . .

While not on TV, Johnnie Carson will make CBS "goodwill" tours around the country . . .

Why does the panel shake hands with some "What's My Line" guests and ignore others? Looks snobbish . . .

Robert Q. Lewis has started a nightly CBS "spectacular, in color, with sensational sets and costumes and lavishness dripping everywhere." And, let's add, on radio only . . .

Shelley Winters' silly - surprise on her soap commercial when she pretends startlement and intones, "Oh! Hello there," as if we'd really surprise her, is early TV cliche at its raggedest . . .

"Wide Wide World" producer Norman Frank takes the reins of the new Jonathan Winters comedy quarter hour . . .Jerry Green of "Today" gets Norman's "Wide Wide World" job. . .

When Phil Silvers told Milton Berle the plot of "Top Banana" before it came to Broadway a few years ago, Phil thought Berle realized it was a broad satire of Uncle Miltie . . .

Milt listened to the synopsis, got ready to putt, looked at Phil and mused: "Yes, I've met comedians like that."

Jackie Cooper is star, director and owner of his "People's Choice" charades . . .

New England residents are the nation's leading consumers of cigarettes.

ODYSSEY, ODDITY—This strange contraption, above, shown in Rustington, England, has transported Canadian adventurer Bobby Macarthy some 71,000 miles. Hardly recognizable under all the gadgets is the basic unit—a bicycle. Named the "Heath Robinson," after an English cartoonist famed for drawings of wierd contraptions, the whole affiar is 23 feet long, and weighs about half a ton. Macarthy, from Port Huron, Ontario, has traveled in North America, Europe and Australia in the past 10 years. He has been hospitalized 39 times for exhaustion. The trailer serves as bedroom and kitchen.

Are You a Singer? —Then, Read This

DETROIT (INS)—Radio Station WJR in Detroit has announced that its "Make Way for Youth" chorus, now starting its 11th year, has openings for talented young vocalists between the ages of 15 and 21.

* * *

A station spokesman said auditions would be held at 7 p.m. every Monday and Thursday evening beginning Sept. 17 on the 21st floor of the Fisher Building.

Vocalists interested in auditioning are requested to call WJR between 9 a.m. and 5 p.m. and ask for Miss Spencer who will arrange appointments.

* * *

The "Make Way for Youth" program has been broadcast over the CBS network since March, 1947, and will resume network broadcasts Sept. 21 after a brief summer layoff.

Convicts Flee Prison, Manhunt On in Wyoming

RAWLINS, Wyo. (AP) — Using a saw and a rope, three convicts escaped from the state penitentiary last night and touched off a man-hunt in south central Wyoming.

Warden Dean Miller termed the escapees dangerous. He identified them as Arlen Sheriff, 27, Harry Arnold, 31, and Royal Nester, 36. Sheriff and Arnold were principals in a riot at the prison in July 1955.

Find Teenage Arsenal

BLADENSBURG, Md. (AP) — Police have recovered the following from 30 teen-agers: 71 pistols, 2 shotguns, 3 rifles, 1 bazooka, 11 burp guns, 2 machine guns, 2 machine gun barrels and 4 broken bayonets. They say th e youths picked them up at a junkyard. The junk dealer had bought the old weapons from the government and piled them up in the yard.

Louisiana Pays Pirate's Relatives for Oil Treasure

OPELOUSAS, La. (AP)—Descendants of pirate lieutenant Zenon Boutte received checks from the state for mineral rights on land he once owned in the lair of pirate chieftain Jean Lafitte.

The checks went yesterday to 3,287 persns in Louisiana, Mississippi and Arkansas and were believed to be the largest distribution of its kind in oil industry history. The total amount was not available.

Atty. Herman Guillory of Ville Platte said when Zenon sold half of the acreage on Barataria Island, he failed to sell a strip of about 800 acres. Oil and gas were discovered on the strip in 1932 and the search for Boutte's descendants has continued since then. Boutte died Sept. 9, 1863.

The more than 7,000 checks ranged from two cents to $417.

Jackie Gleason Cuts Personal TV Shows

NEW YORK (AP)—TV comedian Jackie Gleason said today that he will appear personally on only 30 of his 39 Saturday night shows this season—and is giving a long, hard look at the 1957-58 season.

He has declined to discuss plans for the next season with CBS, with which he has a 15-year contract.

* * *

Gleason denied reports that he definitely would quit the once-a-week routine next year.

In the past season Gleason dropped his live shows and switched to a film. Perry Como on the opposition NBC-TV nosed him out in audience rating.

Bob Considine Says:

Charges of Corruption Make Ike See Red

GETTYSBURG, Pa. (INS) — President Eisenhower warmed up for the informally formal opening here of his 1956 campaign by getting red in the neck and showing a shaft of anger at his press conference Tuesday in Washington.

* * *

The questions of several reporters dealt with what the President would do if he found that his proposed "Don't give 'em hell" campaign was losing the race for him. Would he change his tactics, start slugging, etc?

The President replied that it is "not important" to him if the voters do not accept the presentation he makes based on "principles."

If the people don't want him on that basis, and on the things he stands for, he indicated, they can turn him out to pasture—here in this leafy and hallowed land where one of the great battles of history was fought.

* * *

"Mr. Stevenson said in a recent speech something about 'the contagion of Republican misconduct and corruption,'" a reporter reminded him.

From the gallery of Indian Treaty Room where the press conferences are held one could see the red come up from Ike's neck, spread quickly over his head, and the jaw stiffen.

HE WAS SORE

"I think I have enough friends in the United States — and even among you here — to refute any such allegation," he snapped. He was sore. He had been on the grill for 28 minutes.

* * *

A reporter asked something else about civil rights and a furrow of disappointment creased the President's brow. "I was hoping the next voice I'd hear would be that of Mr. Smith," he half-laughed.

Merriman Smith, veteran White House correspondent, traditionally breaks up these meetings with "Thank you, Mr. President."

But he answered the man. The federal government will step into racial disorders in the states only when the governor of a state appeals to the attorney general of the U. S. for aid if the state cannot handle the matter itself through its courts and own police forces, the President said.

"Thank you, Mr. President," Smitty barked, and the rush was on to the telephones.

SAME CAMPAIGN PLAN

Ike looked fit. No, he said, he did not plan a more extensive campaign than originally scheduled. He will make five or six major addresses, including one at an still undecided city in the farm belt.

* * *

He likes his "plan" more than his "record," he said, an oblique crack at the Democratic Congress which killed some of his proposed legislation. But he will stand on that record or fall on that record and the promise of the fulfillment of the plan.

Wasn't he worried about the victory of Gov. Edmund S. Muskie, the Maine Democrat? And what about the triumph of the first Democratic congressman in Maine since 1934—Frank M. Coffin? Didn't that indicate GOP complacency?

In the first place, the President said, he never worries. But it appeared to him that the Democrats did a better job of getting people to register in Maine than did the Republicans. Only 300,000 of a possible 500,000 voted in that citadel of Republicanism.

* * *

"People must register," he said earnestly. "I'd rather have a person vote against me than not to be eligible to vote at all because he didn't register."

But didn't Gov. Muskie's victory indicate a trend? Maine's redoubtable May Craig asked.

ABOVE THE PARTY

Eisenhower suggested that it might be just the case of a man who is popular enough to rise above the party. He is something of an authority on the subject, but did not enlarge on his point.

How about the Democratic "distortions" of his record, somebody asked, Eisenhower, standing, rested his fingers on the edge of the yellow - blottered mahogany desk and for a moment he appeared as if he might say something quite severe.

Then he snapped, "I still think the American people believe I am honest, that I am not a rascal, and that I am not a racketeer."

He put an exclamation point behind honest, rascal and racketeer.

Fires End Many Firms

CHICAGO—Forty-three per cent of severly damaged business enterprises never reopen after a fire even though buildings and contents are covered by fire insurance. An underwriting company says the reason seems to be that in the majority of cases the loss of earnings — something many businessmen neglect to insure—exceeds property damage.

These garments are rated as a 4-Star Feature because they have been laboratory approved and compared in price and quality with other leading brands. We believe there are no finer values in America.

SIT IN COMFORT — Exclusive Easy-Stride tailoring gives a maximum of sitting comfort without binding and without a bulky "bunching up"

BEND IN COMFORT — Easy-Stride features an exclusive design that does away with annoying "pull" at legs, crotch of seat. Yet, Easy-Strides are never "baggy".

WALK IN COMFORT — For the miles and miles you walk every day, Easy-Stride gives a new freedom of movement without garment-twisting or "trooping" fabric.
