Employees Vote for Pay Slash at Studebaker

Firm Says Acceptance Will Mean More Work; Promises Promotions

SOUTH BEND, Ind. (UP)—The grateful Studebaker Corporation promised its employees more work and doubled promotion in return for their acceptance of a 10 to 15 per cent pay cut.

Paul G. Hoffman, corporation chairman, said the employees' landslide decision Thursday opens the way "for Studebaker to roll into high gear."

James D. Hill, international representative of the CIO United Auto Workers here, said the vote "gives the company a fighting chance—before they didn't even have that."

The company, fighting to hold its own in the tough auto market, had warned the workers it would close the plant and throw 11,000 persons out of work if they didn't take the pay cut.

But there was no bitterness as the union members revised their decision of a week ago and voted 5,371 to 626 to accept the slash.

The overwhelming majority felt it made sense to keep the company and their jobs going rather than insist on the status quo.

Robert Harringer, a foundry coremaker, said "I voted 'no' last Thursday, but, after thinking it over, I'd just as soon work steady for less money."

Another Studebaker veteran, Maurice Cohen, agreed "the only way you can be secure in your job is to have the company secure."

Company officials said they would "withdraw immediately" the threat to terminate the contract with the UAW Local No. 5 and close down in 60 days.

Hoffman announced "some employees" would go back to work on a full time basis next week. He said the workers' decision "should provide a 40-hour week for all those who currently are employed," plus "greater take-home pay for the overwhelming majority of our workers."

The company has been forced to close down its plant frequently in recent months.

Firesome Employees Walk Out at 8 Plants

CLEVELAND (UP)—CIO United Rubber Workers walked off their jobs at eight plants of the Firestone Tire and Rubber Co. early today in a strike for higher wages and bargaining rights.

The union refused a company offer of five cents an hour increase in wages and said the company failed to make favorable provisions for a new contract. The union seeks 10 cents more an hour. Present wage scale is \$2.10 hourly.

Meanwhile, negotiations were at a standstill in the month-long Goodyear Tire and Rubber Co. strike. Talks were still going on between the URW and officials of the B. F. Goodrich Co. and the U. S. Rubber Co.

At State Convention

Dems Hint Clark Adams May Be Pushed for Ticket

By ROBERT F. MAHER
Pontiac Press Staff Writer

GRAND RAPIDS—Clark J. Adams of Pontiac, former State Supreme Court justice, is being mentioned as a possible nominee for attorney general by Oakland County Democrats gathering here today for their state convention.

The Democratic Party will assemble tonight to pick November running mates for Gov. G. Mennen Williams. Oakland County's 106 delegates will join 1,232 other delegates to choose candidates for attorney general, auditor general, secretary of state and state treasurer.

Although the convention is not scheduled to open until 11 a. m. Saturday, most delegates planned to arrive today for important pre-convention meetings tonight.

By the time delegates assemble in the Civic Auditorium tomorrow morning the Dems' state ticket should be well decided.

It's expected that candidates will be chosen with due emphasis on geographic appeal and Gov. Williams will be in constant conference with party leaders to pass on selection of all candidates.

Those seeking a place on the ticket will be given an opportunity to speak at a pre-convention open caucus in the Panfil Hotel at 8 p. m. tonight, a maneuver instituted two years ago and highly regarded by delegates.

Democrats feel that a strong candidate for the attorney general's post will have a good chance of defeating Frank G. Millard, the present attorney general, if Millard is given the Republican nomination.

Millard has caused concern among some Republicans in the past year with opinions on charity bingo and county tax assessments.

Congress Faces Tricky Problem Over Red Party

Outlaw Bill Passed by Senate 85-0; Next Move Up to House

WASHINGTON (A.P.)—Unanimous Senate passage of a bill to outlaw the Communist Party confronted GOP House leaders today with the politically tricky question of what to do with it in the face of administration opposition.

The Senate's action, taken at a session yesterday that had many a head spinning, gave an ironic twist to the administration's efforts to drive some anti-Communist measures through Congress in the closing days of the session.

With time running out for many of the proposals urged by Atty. Gen. Brownell, the Senate unexpectedly whipped through something he not only hadn't asked for but had consistently opposed.

Democratic senators, led by Sen. Humphrey of Minnesota, came up with an anti-Communist measure that proved to have an irresistible appeal to lawmakers in this election year.

Rep. Harrison A. Williams Jr. Sen. Cooper (R-Ky) told his colleagues just before the vote that every other senator knew "that there were 'political implications in this atmosphere.'"

The Senate started off its topsy-turvy day with a bill by Sen. Butler (R-Md) aimed at wiping out Communist-dominated labor unions and wound up by tacking it, in modified form, on to Humphrey's bill as an amendment. Humphrey had succeeded in substituting his bill for Butler's.

The result was a combination measure that would outlaw the Communist party and also would strip Communist-dominated labor unions of the right to be certified as bargaining agents by the National Labor Relations Board.

It passed 85-0, leaving the next move up to the House.

A dozen House members have been pushing bills of their own aimed at outlawing the party.

Rep. Harrison A. Williams Jr. (D-N.J.) promptly announced he would introduce a companion to the Humphrey bill Monday. He said in a statement the Senate bill "is a tremendous stride forward in the fight against the international conspiracy of communism."

Butler's bill aimed at Communist-infiltrated unions had administration backing, although it was not exactly what Brownell had asked. It also had strong opposition from senators who contended it was an ill-drawn measure that could be used to destroy legitimate labor unions.

It survived a first test when the Senate rejected, 57-31, a proposal to sidetrack it in favor of creating a commission to study the problem of communism in labor unions and to report back next year.

Then Humphrey, a strong opponent of the Butler bill, offered as a substitute a measure to outlaw the Communist party.

No hearings had been held on it. There had been no formal discussions of it. It was dropped into the debate like a bolt from the blue.

Butler said Humphrey's real purpose was to kill off his bill. Humphrey countered that the way to meet the Communist menace was head on.

County Republicans Vow to Back George N. Higgins

By BURDETT C. STODDARD

The Oakland County Republican Convention last night resolved to support State Sen. George N. Higgins for nomination to a high administrative post "preferably secretary of state."

The 122-person delegation named to attend the state convention in Grand Rapids Aug. 21 pledged support to Higgins' winning a place on the Republican ticket with candidate for governor Donald S. Leonard.

The only debate of the four-hour meeting at the county courthouse developed over the Higgins resolution holding that he would be better served if the county group was not previously pledged to back him for a particular post.

The majority advocated an announced preference for Higgins obtaining the secretary of state nomination.

Other resolutions passed endorsed the full slate of Republican nominees selected from this area in the Aug. 3 primary.

Wendell Brown of Farmington was unanimously elected county convention chairman and will also head the state delegation.

Other officers elected for the meeting last night were Dorothy M. Rowley, of Hazel Park, vice chairman; Genevieve C. Schock, of Berkeley, secretary; and George J. Scott and J. J. Levy both of Royal Oak, as sergeants-at-arms.

County Chairman Edward Wilson of Troy Township conducted the meeting until Brown's election. "We have a large and difficult job ahead," said Wilson, "but the Republican administration has done us credit and we can make the voters realize this."

Wilson read a telegram and letter from U. S. Rep. George A. Bender (R-Royal Oak) urging support of Higgins for a state post.

Committee chairmen were Floyd N. Mortenson of Waterford Township, organization; Hiland Thatcher of West Bloomfield Township, credentials; Dr. John P. Wood of Birmingham, resolutions and Richard Blake of Waterford Township, nominations.

In a short address, State Rep. William S. Broomfield (R-Royal Oak), a candidate for the Higgins' (Continued on Page 2, Col. 2)

State Accidents Claim 8 Lives

Waterford Boy and 6 Others Die in Traffic; Bulldozer Kills Baby

A 4-year-old Waterford Township boy and a Lapeer baby were among eight persons killed in violent accidents yesterday and today.

Dead are:

Michael Hopping, 4, of 6606 Highland Rd.

Neal J. Martus, 14 months, of Burnside Township, Lapeer.

Walter J. Ryan, 30, of Detroit.

Mrs. Mabel Sadowski, 79, of Detroit.

Richard Lockhead, 27, of Detroit.

David Merrick, 54, of Romulus.

Susanna Schafer, 15, of Muir.

William R. Sundling, 29, of Grand Rapids.

Waterford Township Police Chief Frank Van Alta said the Hopping child darted into the path of a car driven by Morton M. Merron, 41, of 3000 W. Grand Blvd., Detroit, yesterday afternoon.

The accident occurred on Highland Rd. (M-59) about 100 feet east of the home of his parents, Mr. and Mrs. Rodney Hopping. The Hoppings live near Airport Rd.

Neal was crushed to death when his father, Leland, reversed the bulldozer he had borrowed from a neighbor to fill a drainage ditch on the Martus farm in Burnside Township, five miles northeast of North Branch.

Martus told sheriff's deputies he believed the youngster was in the house while he was operating the machine. Deputies theorized that Neal toddled down from the house unseen and stood behind the bulldozer.

The employees freed themselves by means of a release installed inside the vault for that purpose.

One of the bandits was reported to have been armed with a German Luger pistol.

All six main exit gates from the bank were immediately locked by Air Police, and Prince George County State Police and FBI agents set up road blocks in the area.

Trio Cleans Out Vault, Locks Up Four Employees

3 Men Being Quizzed on Holdup at Andrews Base in Maryland

CAMP SPRINGS, Md. (AP)—Three bandits "cleaned out" the vault of the Andrews Air Force Base Branch Bank today, escaping with an estimated \$160,000.

Three men were picked up for a "motor vehicle violation" near the air base a short time later and held by police for questioning about the holdup.

Andrews Field is just southeast of Washington, about 10 miles from the Capitol.

A stunned official of the parent First National Bank of Southern Maryland said there was about \$160,000 in the vault, and "they (the bandits) cleaned it out."

There was no shooting, but an officer from the air base said an unidentified airman was "roughed up." He was not classed as injured.

The bandits entered the branch bank just a little after the bank opened at 9 a. m. (EDT). They quickly herded the four employees, two of them women, into the vault and locked them in after picking up the money.

The employees are Herbert D. Pinckney, manager; Milton Sillner, Mrs. Margaret Sweider and Mrs. Bernadine Westcamp. None of them was injured.

B. Beal Sasser, assistant cashier at the main office in Upper Marlboro, Md., said about half of the cash had been sent to the bank by registered mail last night.

It was picked up at the air base post office a half hour before the robbery.

Maryland State Police broadcast an alarm for the gunmen with these descriptions:

One was tall, wearing a gray rayon jacket and blue slacks. The second was short with a brown tweed jacket and sunglasses. They were unable to give a description of the third man.

The bank is not equipped with a burglar alarm and has no armed guard on duty during banking hours. The branch occupies half of a cement building on Texas avenue across the street from base headquarters.

Sasser said the needs of the base finance officer for ready cash require the bank to keep large sums of money on hand.

The employees freed themselves by means of a release installed inside the vault for that purpose.

One of the bandits was reported to have been armed with a German Luger pistol.

All six main exit gates from the bank were immediately locked by Air Police, and Prince George County State Police and FBI agents set up road blocks in the area.

Four Rochester 4-H Girls Adopt Abandoned Pig

By HAZEL A. TRUMBLE

"Even a runt deserves a chance," believe four young 4-H girls who have adopted an abandoned Yorkshire piglet at the Oakland County 4-H Fair.

Nancy Noyes, Mary Bailey, Gretchen Everhardt and Sheila Boyney, members of Rochester's Variety Club, each with horse and sheep exhibits at this year's fair, noted a litter of pigs in a pen nearby that completely ignored the small member of their family.

"Even the mother wouldn't feed her," said blonde Nancy Noyes.

The boy who owned the swine exhibit was approached by the girls with an offer to purchase the "black sheep" of the Yorkshire litter.

"But he gave it to us when he knew we were sincerely interested in raising it," said Gretchen Everhardt.

Wrapped in a hand-quilted blanket, the swinelet, christened Gertrid, is on a two-hour round-the-clock schedule. A large alarm clock in the girl's tent reminds

Presbyterian Church to Be Built for Residents in Northeast Birmingham

From Our Birmingham Bureau
BIRMINGHAM—Growing out of meetings held in the barn of Deacon Elijah Fish as early as 1834, the First Presbyterian Church here expanded until the congregation moved into its new structure on West Maple road this spring.

No halt was called to Presbyterian church expansion in Birmingham with the new building for the First Presbyterian Church, however. For yesterday it was announced that a second Presbyterian church will come to Birmingham this one to serve the city's northeast area.

The Rev. Mac Taylor, May graduate of McCormick Theological Seminary in Chicago, has been named minister of the new house of worship.

The Detroit Presbytery has contributed \$50,000 toward the first unit, the Rev. Mr. Taylor said, and construction should start as soon as building plans are finalized.

"We don't know whether an educational unit or a sanctuary will be built," he said, but added that a Sept. 26 survey will aid in the decision.

The Rev. Mr. Taylor said the survey, to be held in the section bounded by Coolidge, Maple, Derby roads and the Grand Trunk Western Railroad, will be conducted by the Men's Club of the First Presbyterian Church.

Six acres of property off Adams road facing Big Beaver road have been reserved for the building site, but the new pastor hopes that temporary arrangements can be made until construction is completed.

He and his wife, Ruth, moved here in July and are living at 2588 Windmere Rd.

Ticket sales are in progress by Kiwanis Club members this week for the Aug. 25 polo game at the Ivory Polo Grounds in Detroit. Ivory will turn over half the receipts of that game to the local group to be deposited in the club's underprivileged children's fund.

Richard Gibson is chairman of ticket sales, with Dave Walbert and Gilbert Schrock assisting.

City Forester William Lebold reminded local tree lovers today that the county-wide contest to find the largest tree in the county is still on.

Would-be contestants have until Aug. 30 to enter the race, which is being sponsored by the Oakland County Foresters Assn.

Lebold asked residents who think they have found a winning tree to contact William Aho, Pontiac city forester.

At a necessity hearing this week, the City Commission approved construction of a water main to run on Eton road between Braddock and 14-Mile road and another one between Eton and Mansfield on 14-Mile.

Water mains for Southfield were also okayed and will be placed between Lincoln and Southlawn. Tabbed for two weeks was the necessity hearing for a sewer to serve lots on the east side of Southfield between 14 Mile and Lincoln.

City Engineer L. R. Gare meanwhile will make a complete study of the area.

Along with Boy Scouts and leaders of District 1, of which Birmingham is a part, parents and families are invited to Ranch Round-Up at the D-Bar-A Scout Ranch near Metamora.

The scouts will camp for the weekend, with parents and families attending the Saturday evening campfire or the Sunday afternoon and evening program.

Indian dancing, songs, pageantry and fire-lighting demonstrations by world-champion "Uncle Otto" C. Hornung will be conducted around Saturday's campfire. Free swimming is planned for both days.

The boys will demonstrate their skill in horsemanship, log-sawing, axmanship and Indian lore on Sunday, after which there will be an evening dinner, including "your fill of hot buttered sweet corn."

that touched off statewide controversies.

State Democrats feel that strong running mates for Gov. Williams, seeking an unprecedented fourth term, and Philip A. Hart of Birmingham, who won the nomination for lieutenant governor in the Aug. 3 primary, will give them a good chance of sweeping into Lansing after the general election.

Others being considered for the attorney general's nomination are Prentiss M. Brown Jr. of St. Ignace; John G. Balose and Joseph G. Raschid, both assistant Wayne County prosecutors; Herbert DeVine of Flint, former national commander of the VFW; Paul Adams of Sault Ste. Flint State Police said they first believed the four were in Pontiac when they were notified by Mrs. Maxine Bancroft, of Flint, that she received a telegram to send \$271. Mrs. Bancroft and Mrs. Watson had been rooming together, police said.

After instructing Mrs. Bancroft to send the money, Flint authorities notified Pontiac police by telephone.

Leaf said Cutter was serving 2 to 5 years for grand larceny and Anderson, 4 to 15 years for breaking and entering. According to Pontiac police, Anderson was to finish one more month of his sentence and would be paroled. Police explained that some of the convicts are transferred to the farm from the prison when the major part of their sentence has been served.

Pontiac police said Mrs. Cutter's three young children, with her at the time of the arrest, are being cared for by relatives in Pontiac.

Reds OK Red Cross to Distribute U.S. Food

BERLIN (UP)—East German Communist officials today accepted a U. S. proposal that the Red Cross handle distribution of American food aid to flood victims in the Soviet zone.

East German Premier Otto Grotewohl accepted President Eisenhower's flood relief offer Aug. 5.

Baldwin Picketing Ends, Meeting Set

Picketing at Baldwin Rubber Co. halted today although theoretically a strike by some 1,000 workers of Local 125, URW-CIO, over a general wage pay hike and other benefits is still in effect.

About 100 workers in the warehouse, power house and maintenance division resumed work today awaiting results of a meeting between management and labor scheduled for Sunday afternoon.

Workers walked off their jobs last Saturday after management refused the union demands and the union turned down an amended proposal by management.

Company spokesman Milo D. McClintock said the outlook for Sunday's meeting is optimistic and he hopes that all workers will return to their jobs by Monday.

The employees who returned to work today were needed to fire the boilers and prepare the plant for production, McClintock said.

Other events at the annual 4-H Fair continue to draw thousands of people every day. Exhibits officially open around noon and crowds continue to view the 2,300 4-H projects on display in three quonsets and 12 tents until about 10:30 each evening.

Special entertainment events take place in the fairground arena each night with Thursday night's program including a blueberry pie eating contest and an egg throwing competition.

Judging is now complete with the livestock, homemaking projects and crop exhibits displaying their ribbons.

Today is machinery day at the Fair with the farm machinery parade scheduled to take place tonight at 7:30 followed by the 4-H Amateur program and a riding demonstration. Old-time square dancing music has been planned for the conclusion of this evening's program with Saturday devoted to an all-day horse show.

Bus Kills Pedestrian at Detroit Intersection

DETROIT (UP)—A DSR bus struck a pedestrian at Gratiot and Grand Blvd. Thursday afternoon, injuring her fatally.

The victim was identified as Mrs. C. M. Sadows, 74. She stepped off the curb against the red light and was hit by the bus. Bus driver Harold F. Clark was not held.

Police Seeking Rape Slayer

Body of High School Girl Found in Woods Near Toledo

TOLEDO, Ohio (U.S.)—Sheriff's deputies searched a lonely woods west of here today for clues to the identity of a fiend who dragged a pretty high school girl from her bicycle and then beat, raped and killed her.

The bloody and nearly nude body

of auburn-tressed Mary Jolene Freiss, 17, was found in the woods by three terrified women relatives yesterday after she failed to return from a ride to get the mail.

Near the scene, deputies found the girl's bicycle, her spectacles and scattered pieces of the mail she had brought from the box. Dr. Paul Hohly, Lucas County coroner, performed an autopsy on the body last night and determined that the girl had been raped.

Mary Jolene had been staying for a few days with an aunt, Mrs. Mary Bond, whose son, George, was the girl's legal guardian.

When the girl didn't return for several hours, Mrs. Bond phoned the state highway patrol and joined other relatives in a search.

Vanishing Body Mystery Solved, Jokesters Jailed

ALLIANCE, Ohio (U.S.)—Alliance police closed out the case of the disappearing corpse yesterday.

They investigated after frightened motorists reported a dead man lying in the road, and arrested four 18-year-old pranksters.

The youths, said police, fashioned and clothed a straw man and put it on the highway with a rope attached. When any startled motorist stopped, the boys jerked the dummy away.

Sebring Mayor J. W. Hoopes jerked them into jail for 30 days and fined them \$50.

Taylor Will Get Dem Financing

Idaho's Singing Cowboy Given Party Backing in Senatorial Race

BOISE, Idaho (U.S.)—State Democratic party leaders gather in Boise today to wrestle with such problems as how to finance the senatorial campaign of Glen Taylor, who bolted the party in 1948, only to recapture the nomination in Tuesday's primary election.

The state chairman, A. W. Brunt, last spring expressed his personal opposition to Taylor, Idaho's former "singing cowboy" senator who ran with Henry Wallace on the Progressive party presidential ticket six years ago.

But Thursday, after Taylor stormed past two Democratic rivals in the Senate race, he said "the party organization will throw all of its resources behind every candidate on the ticket."

Taylor said he had never been so hard up for money as in his latest campaign when he cruised through virtually every town and hamlet in Idaho, speaking from his soundcar and singing folk songs with his teen-aged, banjo-playing son, Arod.

Taylor's opponent in the November general election will be the Republican incumbent, Sen. Henry C. Dworshak.

Pickpocket Gets Roll of Confederate Money

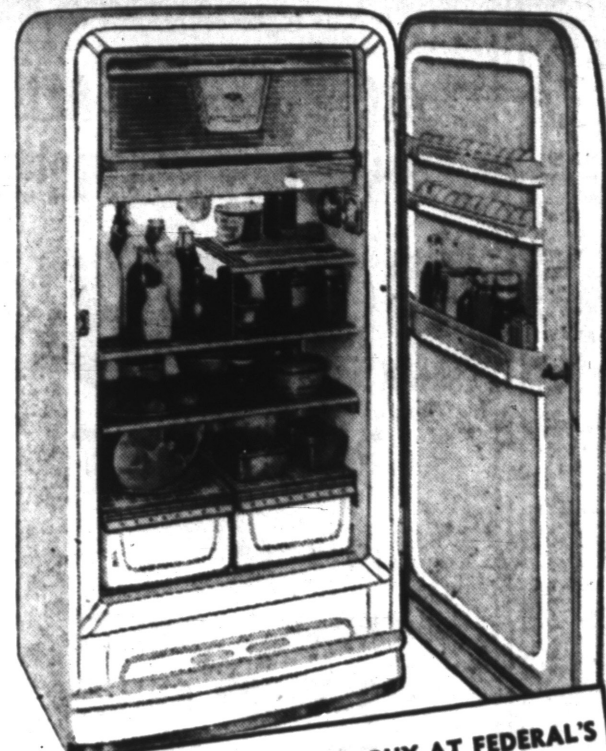

CHARLESTON, S.C. (U.S.)—Raymond V. Hunter came home from New York City with the last laugh on a dandy Yankee crook.

Hunter's pocket was picked in the big city. But all he lost was a big roll of imitation Confederate \$100 notes the Charleston Chamber of Commerce is distributing as a good-will stunt.

No Excuse for Woolly, Straggly or Frowning Look

Let Brows Accent Light and Expression in Eyes

By ANITA COLBY

Eye-brow Day. Thursday we worked on your two bright eyes, and today it's your brows' turn. Because if the eyes are the windows of the soul, sure as anything the brows can be the window blinds, and cut down all the light and expression that should be glowing in your eyes.

Ann Elyth says she can talk with her eyes. And it's true. But her brows are half the act.

She knows the secret of a good actress—that eyes must do the projecting, and she values the expressive wings of her brows for the setting they give her.

Don't let your brows settle down heavily over your eyes—like a house with the shades drawn half-way down. Make them talk "happy talk" for you.

There's no excuse for them to look woolly and aboriginal, or frowning, or straggly. Not while you can get good tweezers for 25 cents.

So right now—a couple of warnings:

Don't Look Surprised

Don't shave your eyebrows. Don't pluck carelessly. Constant plucking can kill the roots—and cutting the brow to a silly, doll-like hair-line takes all expression away, except one of chronic surprise.

The brow should curve approximately with the fold of the upper lid. It should start on a line right over the tear duct, end at an angle up and out from corner of eye.

Before plucking, cream to soften and sterilize with alcohol to prevent swelling.

Now get in a good light with mirror, small brush, tweezers. First brush hair of brow in opposite direction—then straight up. Then with side of brush run over top of brow until every hair is in place.

Study each hair before you remove it. See what relation it has to its neighbors. Will removing it leave such a hole that you'll have to take more—and more—and more?

Brush as you pluck. Go slowly, cautiously. Pluck from underneath—never on top, unless you have a few wild pronounced strays.

Shape of Brows

Don't pluck a thin, high line—makes eyes look smaller. Leave a full, natural brow.

Don't pluck a straight, severe line—keep a curve and some arch for expression.

Don't pluck high over a long nose—extends that member. Over a short nose, do.

Don't pluck too short, but start brow back a bit if eyes are close together.

ANITA COLBY

To Create Eyebrows

Two pencils and brush, mirror and strong light, black and brown pencil. If you've no brows, really, choose the closest thing to them—brush strongest hairs in best alignment.

Now with brown pencil, using short, feathery up strokes, touch up each hair. Never make a continuous hard line.

Then with black pencil, using half as many strokes, over-lay some of the hairs with black. Use same technique to fill out thin ends, overplucked spots, or to emphasize blond brows. Always brush, always use separate strokes, feathering upward as if drawing each hair.

If brows are dark and thick, use only vaseline—more natural. If brows need strengthening, use black pencil for brunettes. If brows are pale and thin—use brown for headheads, blondes, brunettes.

Make Brows Work

Oval: Let the eyebrow curve softly—the tip centered, not up or down.

Round: Long brows winging up at a slight angle lift and lengthen this face. Short ones should be lengthened with pencil.

Pear: Brows aiming straight out create best width illusion here. Not too long—they'd crowd the narrow forehead.

Square: A long arched curve does most to counteract the straight lines and sharp angles of this face. Create it if you must.

the other. Alternate. Do this drill three or four times.

2. BLINKING

With the weight of the brows off the eyes, do 10 quick blinks. Then close your eyes and rest. Do 10 more blinks and rest. Each morning add 10 blinks, alternated with rest, until you can do 10 groups of blinks without tiring.

This keeps the eyeball lubricated and disinfected with tears—also will tone up eyelid muscles. Let them blink often and naturally.

3. MASSAGING EYEBALLS

Squeeze your eyelids tight, then open them wide as possible. Rubbing your eyeballs this way is far better than with two hands. Repeat four or five times, being careful to keep brows up in position.

Make the lids alone work for muscle tone. This will speed circulation through the eyeballs and strengthen blinking muscles. . . don't blink with your whole forehead or face muscles, just with your lids.

Fath Extending Buttons, Bows to Milady's Toes

NEW YORK (INS) — Women can be little coquettes clear down to their tempting toes next fall. The man who makes it possible is Jacques Fath, whose latest "shocking stockings" are button and bow-trimmed.

The Paris designer shows nylons with button-studded seams running up the outer side of each leg — purely for eye-catching purposes. The buttons are tiny and black, and the seam ends at the side of the thigh in a flat, black velvet bow.

On other stocking styles, Fath puts inserts of black Chantilly lace over the toes, forming alluring patterns.

Last year Fath created big fashion talk when he showed leopard-printed stockings.

His 1954 models are more dressy, less dizzy.

Mrs. John Gemmell Hostess to Philathea

Mrs. John Gemmell was hostess in her Pingree avenue home for the Wednesday meeting of the Philathea Class of the Oakland Avenue United Presbyterian Church.

Mrs. Helena La Mond opened the meeting and Mrs. Gemmell led devotions. Mrs. Peter VanLierop, missionary from Korea, told about the lives of the people in that country.

1. BROW WIGWAG

Loosen the facial muscles, particularly those about your eyes. Elevate both brows in surprise; get the weight of those heavy brows off the burdened eyes.

Holding one brow up, pull down

Simplicity with a hint of sumptuousness is captured in "Sherle," a graceful black suede sandal with the look of fine sculpture from the Delman fall and winter collection. Thin straps curve around the ankle as "exposed" counterpart to covered-up peaked vamp.

It was not until 1909 that infantile paralysis was caused by vestigators discovered that in-

Stewart, Burkemo Leaders in 'World' Golf Test

By CHARLES CHAMBERLAIN
CHICAGO (U)—The "World" championship at Tam O'Shanter, paying the winner \$50,000 in cash

Wally in Press Clinic

Local interest in the big "World's Golf Championship" at Chicago centers around what Wally Burkemo, Chick Harbert and Henry Ransom do. Wally and Henry were up among the leaders yesterday (Burkemo in 2nd spot), Burkemo and Harbert are top figures in the Pontiac Press golf clinic and match at PCC Aug. 24.

and a guaranteed \$50,000 exhibition contract, today was off to one of the most fantastic starts in golf tournament history.

With Earl Stewart Jr.'s 65 the best effort, 54 of the 96 pros matched or bettered Tam's standard 36-36-72 in yesterday's first round. It was one of the biggest uprisings against par ever recorded in a major golf tournament.

"Let 'em shoot for it," said

Matt Niesen, president of the Tam O'Shanter and chairman of the rules committee. "Let 'em have fun."

But the pins will be re-arranged today and the pressure of shooting for such an unprecedented first prize should take care of the rest as the money-hounds tee off in the second round chase on the well-manicured 6,900 yard playground.

At the present rate Byron Nelson's 72-hole Tam record of 269-19 under par—set in 1945, appeared in jeopardy and the \$10,000 extra prize for breaking Lloyd Mangrum's course record of 63 carved in 1948 may even go down the drain.

Stewart, of Dallas, whose last tourney victory was in the Ardmore Open 16 months ago, appeared like an innocent bystander in a terrific jam as he set out to protect his lead. The red-haired, former National Intercollegiate champion from Louisiana State, posted his dazzling 30-35-65 early as the barrier was sprung yesterday, then dared anyone to come close.

They did.

Bad Day for Billy Joe

Misses Putts, Steps on Foe's Ball in Cup Test

By JOE FALLS
LONDON, Ont. (U)—Another chapter has been added to the

curious case of Billy Joe Patton, the easy-going golfer who has a flare for dramatics.

Not many people came out to see yesterday's wind-whipped opening of the Americas Cup matches, but the few who were there intently followed the progress of the 32-year-old Patton.

Billy Joe didn't do too well. He was part victim of a big upset, missed several easy putts and even stepped on an opponent's ball, causing forfeiture of a hole.

No, it wasn't one of Billy Joe's better days.

But the Morganton, N. C., slugger is a favorite in one of today's six singles matches which conclude the two-day tournament at the London Hunt and Country Club.

Patton, who gave fits to the world's leading professionals in the U.S. National Open and Masters tournaments, teamed with lanky Bill Campbell of Huntington, W.Va., in one of yesterday's complicated 3-hole matches.

Solid favorites, they were upset by Canada's Nick Westlock of Windsor, Ont., and Walter McElroy of Vancouver, B.C. The score was a decisive 4 and 3, with Campbell and Patton trailing all the way.

Westlock and McElroy, who have won a number of Canadian tournaments, shot three birdies on the first four holes and went 3-up. Any chance the U.S. pair had of catching up was smashed when Patton missed several easy putts in the afternoon round.

On the 26th fairway, Billy Joe accidentally stepped on a Mexican player's ball, causing the United States to forfeit the hole to that country.

The three nations played three sixsome matches, using one ball, the players took alternate strokes. The U.S. defeated Canada in two matches, but the expected sweep failed to materialize when Patton and Campbell were upset.

Probable starting lineups:

ALL-STARS

No. 47 Massey, Texas; 48 Morgan, Maryland; 49 Dugan, Iowa; 50 Beatty, Mississippi; 51 Mavrides, Notre Dame; 52 Jones, Maryland; 53 Deitrick, Pittsburgh; 54 Dabinski, Georgia; 55 Brinkley, Maryland; 56 Lattner, Notre Dame; 57 Worden, Notre Dame.

LIONS

No. 1 Dibble, Louisville; 2 Sewell, Louisville; 3 Turgeon, Louisville; 4 Lane, Louisville; 5 Duran, Louisville; 6 Dabinski, Georgia; 7 Walker, Louisville; 8 Carpenter, Louisville.

Officials: Referee, Ronald Gibbs, NFL; Umpire, D. A. Daniels, Atlantic Conference; Field Judge, Tatum Greenleaf, Atlantic Conference; Head Linesman, Dan Tolan, NFL.

THURSDAY'S HOME RUNS: Home: Athletics: Noren, Mente, Bauer, Coleman, Yankers, Jensen, Red Sox: Wertz, Rosen, Indiana: Bantz, Cubs: Klusowski, Greengrass, Post, Redjigs.

Walter Burkemo, the 1953 National PGA champion and runner-up this year, blazed home in 66. Johnny Palmer, Bob Toski and Dutch Harrison caught the money scent for 67's. Seven shared 68's—Henry Ransom, Dave Douglas, British Open champion Peter Thomson of Melbourne, Shelley Mayfield, Sam Snead, Claude Harmon and Jim Turnesa.

On the track at 69 were Porky Oliver, Jack Burke, Belgian Florio Van Donck and such unheralded sharpshooters as Mike Souchak and Bill Ogden.

Grouped at 70 were 11 marksmen, including Doug Ford, Tam's All-American champion Jerry Barber, Lloyd Mangrum and Cary Middlecoff.

Even the women were having a picnic with par. Patty Berg took aim in the \$12,000 women's pro bracket with a blistering 69 to match Babe Zaharias' competitive course record set last week in the Tam All-American.

Patty's first round was seven under women's par and her card

was decorated with four eagles. Teenagers Mickey Wright of San Diego and Jackie Yates of Honolulu topped the women amateurs each with 77.

The leading men's amateur was Arnold Palmer of Cleveland with 68, one stroke ahead of Frank Stranahan and Jim McKeighen, factory foreman of Gary, Ind.

'Shock Troops' Return

Georgia Tech's Bobby Dodd Sees Grid Coaches Turning to 'Two Team' System

By HAROLD V. RATLIFF
DALLAS (U)—Georgia Tech's Bobby Dodd says the one-plateau system he was forced into by the rules makers last year will bring most of the nation's colleges to the two-team system and that will mean further lowering the class of football.

Dodd made his observations at the Texas Coaching School where he is lecturing on the split-T formation in football to 2,000 high school coaches from over the nation.

The coach of the Sugar Bowl champions for two years declared that the collegian couldn't play 50 or 60 minutes under the speeded

up football of today without losing his effectiveness and rather than "get whipped with tired boys" the colleges would be using two teams next season. Each team will play both on offense and defense and will stay in the game for an allotted time regardless of the result.

The advent of the one-plateau system last year saw the colleges carrying eight or 10 fewer players and he said that was one of the objectives of scrapping two-plateau football—to trim expenses by cutting down on the number of players.

But, Dodd observed, as many if not more players will be on the rosters under the two-team system.

This is nothing new, he explained. Knute Rockne used the system at Notre Dame in the Twenties with his "Shock Troops." And Dodd said Gen. Bob Neyland used it at Tennessee in 1938-39-40 for the first time in the Southeastern Conference. "Football runs a cycle," he said. "Now we're back where we were 30 years ago."

Dodd didn't foresee a return to the two-plateau system unless public opinion grew so powerful it forced the rules makers to change back.

He said the public was getting more professional football minded "because the pros put on a show." He observed that pro football still had the two-plateau system.

Giles '9' Wins Playoffs; Avondale Starts MRA Play

Undeclared Giles Realty added the City Girls' Softball League playoffs title to its regular-season championship last night, scraping past Shaw's girls, 2-1, in the finals.

Shortstop Katy Boykins homered in the 5th to break a 1-1 deadlock. A total of 13 Shaw players reached base, but four of them were victims of pickoffs and eight were left stranded. Bernice Lilleyman gave up only two hits while earning her victory.

Giles' victory gave the team a

birth in the Michigan Softball Association's Class A regional tournament at Port Huron Aug. 20-22. Shaw's will enter the Class B division of the Port Huron test, and 3rd place General Motors will compete in Class C.

Avondale, the 2nd team eliminated in the girls' playoffs, goes to Port Huron tonight for the Michigan Recreation Association tourney. Avondale meets Ypsilanti in 1st-round play at 8:30 p.m. Other games match Port Huron and Lansing at 7 and Dearborn and Detroit at 6:15 p.m. Grand Rapids drew a bye, and will face the Pontiac-Ypsi winner tomorrow at 10 a.m.

Pontiac's Entry Bows in Howell Softball Meet

Play Opens Tonight in Class B Tournament at Drayton Plains

Roseville scored three unearned runs last night to hand Pontiac's Stadium Inn a 3-2 loss in 2nd-round play at the Michigan Softball Association Class C District men's tourney at Howell. Stadium Inn had drawn a 1st-round bye Wednesday.

Both of Pontiac's runs were scored in the 4th, when Clark blasted a home run with Ray White on base. Roseville broke a 2-2 deadlock at 9 o'clock in another game, walk, hit batsman and fly ball.

Stadium Inn takes on Dixie Recreation of the Waterford Township League at 7:45 p.m. tonight. Howell and Brighton tangle at 9 o'clock in another game at the double-elimination tournament.

Play gets under way tonight in the MSA's Class B tournament at Township Park in Drayton Plains. Roseville meets Mt. Clemens at 7:30 p. m. and Hazel Park takes on Waterford's Dick & Wes at 9 p. m. Pontiac's General Motors drew a 1st-round bye, and will face the Roseville-Mt. Clemens winner tomorrow night at 7:30.

Shaw's Jewelers play Mt. Clemens at 8:30 p. m. tonight in the MSA Class A test at Mt. Clemens. The two teams will play again tomorrow night for the championship.

Medal Tourney Has Fast Field

Cooper, Dewitt File for Qualifying Rounds in City Golf Event

Indications from early entries point toward the strongest field in recent years in the annual City Medal play tournament at the Municipal Course Aug. 21-22.

A number of the city's top linksmen already have filed entries. List includes Butler Cooper, ex-city match play titlist, Dick Dewitt, who qualified for match play in the state amateur this year, ex-PHS star Columbus Burton, Harley Hyatt, Bill Pittman, Paul Bada, Joe Bergdorf, Stan Savage, Chuck Cappell, Tom Thum, Andy Lindsay, Lyle Wiscombe and 3-time champion Glenn Harding.

Qualifying rounds for the test may be played any time between 9 a.m. and 5 p.m. Saturday. The low 20 golfers in the qualifying round will join with all former champions and the low five finishers last year for the final 36 holes Aug. 21-22.

However, Loren Sutton's single in the 6th inning drove in the winning run in a 6-1 decision for Drayton Drug. The two teams meet Thursday for the championship. Six errors damaged the Williams Lake hopes.

Williams Lake suffered its 1st loss of the season in Waterford Township's Little League softball play at Drayton Plains Thursday. The Lakers had won 11 straight games and could have wrapped up the title with a victory.

They were anything but spoilers yesterday surrendering meekly to the Cleveland Indians, 10-1.

Detroit had split the 1st two games of the three-game set with league-leading Cleveland and had taken two out of three from the runner-up New York Yankees.

The Chicago series is a three-game affair, too. Al Aber, seeking his 5th win against six losses, was picked to pitch the opener for the Tigers.

George Zuverink, who had hurled well against the Yankees, was helpless against the Indians. He was battered for nine hits and seven runs during the six innings he lasted.

Ted Gray, sore-armed southpaw

IN PRESS CLINIC—An additional feature was announced today for the Pontiac Press golf clinic Aug. 24 at Pontiac Country Club. Sally Sharp, Pine Lake's junior star (above) will match strokes with PCC's Lloyd Syron, another fine young player. Sally, shown pitching up to a green, lives at 144 Fairfax, Birmingham.

Young Links Stars Appear in Press Golfing Feature

Pontiac area golf enthusiasts attending the Aug. 24 free clinic and match between Chick Harbert and Wally Burkemo, sponsored by the Pontiac Press, will have another feature of unusual interest that day.

Arrangements were completed today for 17-year-old Sally Sharp, Pine Lake Country Club's pride and glory, and

Lloyd Syron, one of the metropolitan district's finest young shotmakers, to play a match the same evening.

Sally and Lloyd will match strokes, along with Harbert and Burkemo, new PGA champion and 1953 retiring king of the pros, respectively.

Both have taken part in big tourneys the last two years, and both have covered themselves with plenty of glory. Sally went several rounds in the recent, tough, Women's Western Junior test in Chicago. Lloyd is currently playing at Grosse Ile in an invitational tournament. He has played in several Motor City Open qualifying rounds and early matches, and was runnerup a year ago in the National Caddy Tourney at Columbus, O.

The Aug. 24 clinic and matches take place at Pontiac Country Club, Lloyd's home layout. He is the son of PCC's owner-pro, Frank Syron, himself a former prominent contender in district events.

2 Pros Play Near-Par Golf by Moonlight

ALBION (UP)—Two professional golfers played an exhibition round in the dark Thursday night and carded nine-hole scores that nearly broke par on the nearby Duck Lake golf course.

Harold Quebbeman, 36, Duck Lake pro, and Ken White, 33, professional at Battle Creek's Marywood Country Club, played their shots straight down the middle. They didn't lose a ball.

Five pars, one birdie, two bogeys and a double bogey gave Quebbeman 38, three over par. White tallied 39 with five pars and four bogeys.

The two sharp-eyed golfers placed flash lights behind their balls on the tees but played the fairways without any illumination except the glow of a bright moon.

Slapping PCL Umpire Brings Suspension

HOLLYWOOD (U)—Outfielder Carlos Bernier, suspended for the balance of the Pacific Coast League season for slapping an umpire, is going back to his home in Puerto Rico.

"I go home now and try to play winter baseball," the Hollywood Stars' leading batter and baserunner told his teammates as he packed his things. "I am not mad at anybody but myself. I have not been well since I was hit in the head by a pitched ball and have been nervous and aching."

Tigers Move Into Chicago After Tribe Comes Close to Whitewashing American's 'Spoilers'

CHICAGO (U)—Detroit Tigers arrived in Chicago today to take on the 3rd place White Sox, still boasting a 500 record in their current "spoiler" series with the American League's "big three."

They were anything but spoilers yesterday surrendering meekly to the Cleveland Indians, 10-1.

Detroit had split the 1st two games of the three-game set with league-leading Cleveland and had taken two out of three from the runner-up New York Yankees.

The Chicago series is a three-game affair, too. Al Aber, seeking his 5th win against six losses, was picked to pitch the opener for the Tigers.

George Zuverink, who had hurled well against the Yankees, was helpless against the Indians. He was battered for nine hits and seven runs during the six innings he lasted.

Ted Gray, sore-armed southpaw

who replaced him, yielded four hits and three more runs in the next two innings. Only rookie Bob Miller, who pitched hitless ball in the 9th, was able to halt the Tribe.

Vic Wertz and Al Rosen homered for the Indians.

Bob Lemon, brilliant Cleveland mainstay, gave the Tigers eight hits but he spaced them and coasted to his 16th victory. Lemon, who has lost only five, has been a 20-game winner for five of the past six seasons.

The crowd of 13,979 pushed the Tigers' home attendance mark for the season to 291,003. This is about 7,000 above last year's total, and 17 games are left on the home schedule.

The Cleveland series drew 81,574 fans, just a shade under the 84,309 who turned out for the three Yankee games.

2.35 A-13,979.
