WELCOME

Dear Friends,

As we begin this new basketball season, please join me in celebrating the achievements of Oakland University's athletic programs and, most important, our student-athletes.

With more than 130 undergraduate degree programs and 120 doctoral, masters and certificate programs to choose from, our students are offered top-notch academic programs to meet their skills and interests. They are able to participate in expanding opportunities for research alongside our expert faculty

as well as benefit from numerous public and private partnerships to gain real-world business experience.

Both academically and in the athletic arena, our students succeed. For the sixth consecutive season, Oakland led The Summit League in Academic All-League selections, producing 215 honorees in 2010-11. To be selected for the team, a student-athlete must achieve a 3.0 or better cumulative grade-point average and be a letterwinner in the sport for which he/she is nominated.

Our athletic programs are also making their mark. Oakland finished in second place out of 10 teams in The Summit League's Commissioner's Cup standings for 2010-11, a half-point shy of South Dakota State. The runner-up finish is the highest for the Golden Grizzlies since joining the league in 1999. The Golden Grizzlies also won a league-high five regular-season titles in men's basketball, women's cross country, men's swimming and diving, women's swimming and diving and women's soccer.

Our men's basketball team made their second consecutive NCAA tournament appearance and earned their highest-ever seed in the Big Dance. The men's soccer team advanced to their fifth NCAA tournament since becoming Division I by making an incredible run in the 2010 Summit League tournament, while men's and women's track and field teams had student-athletes qualify for the NCAA Championship Semifinal Rounds. OU also served as the host of the 2010 NCAA Great Lakes Cross Country Regional Championships held on Katke-Cousins Golf Course. Significantly, the growth of Oakland's athletic programs is receiving national attention as OU will play host to the second and third round games of the 75th annual NCAA Men's Basketball Championship in 2013 at The Palace of Auburn Hills.

On campus, we're marking our 14th straight year of increased enrollment (just under 20,000 students), we welcomed the inaugural class of the Oakland University William Beaumont School of Medicine in August 2011, and construction of our new 160,000-square-foot Human Health building to house our School of Nursing and School of Health Sciences is nearly complete.

There is so much to celebrate here at Oakland University - and we appreciate all you do to support the Golden Grizzlies and this incredible academic institution.

Sincerely,

Gary D. Russi
President

greg KAMPE

Oakland University men's basketball has now come full circle under the direction of head coach Greg Kampe. After 27 seasons at the helm, Kampe has led the Golden Grizzlies to back-to-back NCAA tournaments, consecutive Summit League regular season and tournament championships, along with three straight 20-win seasons. After leading the basketball program to the top of Division II in the 90s, OU has become an elite program amongst Division I mid-majors in the 21st century, finishing inside the top 10 in each of the last two seasons. "We have a quality program that turns out talented student-athletes," Kampe said. "We try to do things the right way with good people who receive a good education and then go out into the world and have success after basketball. That's what our mission is."

THE COACH "Consistency is the hallmark of success," says Coach Kampe, something that he strongly believes and a motto that his program has been following for years. He enters his 28th season and 13th inside The Summit League in 2011-12, and his teams have finished with a record of .500 or better in league play in 20 of those, including 8 of 12 in The Summit League.

A five-time Summit League Coach of the Year (2000, '03, '06, '10, '11) and National Coach of the Year (2000) by CollegeInsider.com, Kampe's tenure ranks fifth amongst active D-I coaches, trailing only Syracuse's Jim Boeheim's 35 seasons for the Orange. Kampe has guided OU to 470 wins during his career, placing him in a tie for 23rd place among active D-I coaches. He has also guided the Grizzlies to a nation's best 34-2 league record over the last two years and a 40-2 mark over the last two years against Summit League opponents.

MICHIGAN SUPREMACY Kampe has led Oakland to five consecutive top-three finishes in The Summit League, including back-to-back regular-season titles the last two seasons. The Golden Grizzlies are 68-18 in league action over the last five seasons for a .791 winning percentage, better than any other D-I school in the state of Michigan. Michigan State ranks second with a record of 58-30 (.659), followed by Western Michigan (47-33/.588), Central Michigan (38-42/.476), Michigan (38-47/.447), Eastern Michigan (33-47/.413) and Detroit (29-59/.330).

DIVISION I SUCCESS Three straight 20-win seasons, three NCAA Tournament berths (2005, '10, '11) and six Summit League championships in 12 seasons is not too bad for a coach that was hesitant when Oakland made the decision to move to Division I. Not too surprising from a coach who was coming off his best season and looked to be a national title contender in D-II that next season. Instead, the Pioneers changed to the Golden Grizzlies and OU spent the 1997-98 and 1998-99 seasons in transition. Then the unexpected happened, Coach Kampe led the newly Golden Grizzlies to the Mid-Continent Conference regular-season title in their first year of competition. OU was not eligible for the Mid-Con Tournament that season.

The conference changed its name in 2007 to The Summit League, but that didn't derail Coach Kampe and OU's success. The Grizzlies have appeared in Summit League title games in 4 of 5 seasons, capturing the most recent titles in 2010 and '11 in dominating fashion with six double-digit wins at the tournament and a nation's-best 34-2 league record. His teams have posted back-to-back league record 17-1 marks to set records in wins and winning percentage (.944). The Grizzlies are 41-2 over their last 43 league games. Oakland won a program-best 26 games in 2009-10 and followed that up with a 25-10 mark in 2010-11. The Golden Grizzlies picked up their first-ever top 10 win at No. 7 Tennessee (89-82) on Dec. 14, 2010, catching headlines across the country.

A TRADITION IS BORN Kampe joined the Oakland University campus in 1984 after spending six seasons as an assistant coach at the University of Toledo. OU had only six winning seasons in 16 years of competition before his arrival. After two disappointing seasons where Coach Kampe was trying to build a winner, the Pioneers busted on to the national scene in 1986-87 where Oakland went 20-8. Winning seasons continued to ensue for the final 11 of D-II and OU appeared in four consecutive NCAA Regionals, advancing to the Sweet Sixteen in 1996-97, ending with a then school record 24-7 season. OU captured Great Lakes Intercollegiate Athletic Conference (GLIAC) titles in the final two seasons (1995-96, '96-97) and Kampe led the Pioneers to six 20-win seasons during the D-II campaign.

THE KAMPE FILE A 1978 graduate of Bowling Green State University with a bachelor's degree in business and journalism, Kampe began his coaching career as a graduate assistant at Toledo, accepted a full-time assistant position in 1979, where he earned a Master of Arts degree in physical education. He is the only athlete in MAC history to earn first team all-Academic honors in both football and basketball. He earned dean's list honors with a 3.40 grade point average at BGSU, and received the President's Award as an outstanding senior student. Kampe and his wife Sue have three sons; Keith, a former baseball player at Cincinnati (2006-2008) and Oakland (2008-09); Branch, a freshman on the LSU football team, and Press, on the varsity basketball team at Adams High School. His late father, Kurt, was a guard on the University of Michigan's 1947 Rose Bowl and national championship football team. Brother Kurt Kampe III, was a two-year letterwinner for the Wolverines in 1974 and '75 as a defensive back.

beckie FRANCIS

Beckie Francis recently concluded her 11th season as the head women's basketball coach at Oakland University. In addition to posting a fifth 20-win season at OU, Francis guided Oakland to The Summit League Championship game for the sixth time.

Francis earned her 200th win as OU head coach at South Dakota State, tallying a career record of 207-125 and ranks second all-time in career wins at OU. A two-time Summit League Coach of the Year, Francis ranks third with a .723 winning percentage in league play.

Oakland has advanced to the NCAA Tournament twice under Francis, in 2002 and 2006 and has been to the postseason in four of her last seven seasons. During her tenure, the Golden Grizzlies have raised six championship banners, four regular season (2000, '01, '07, '08) and two tournament wins (2002, '06).

After leading Oakland through the transition from Division II to Division I, Francis won the league regular season title in Oakland's first season of full eligibility. Soon after she led the team to its first NCAA tournament berth in 2002.

After a brief sabbatical from coaching, Francis returned and immediately led the Golden Grizzlies back to the Big Dance in the 2006 season. In 2007 the Golden Grizzlies won the school's third regular season title and advanced to the WNIT for the first time in school history. OU would be back in the postseason two years later in the 2009 WNIT. Since her return to the bench Oakland has also ranked in the top 25 in team GPA for each of the last six seasons.

Every four year player that has played for Francis has participated in some form of NCAA postseason. Oakland has never finished below .500 in league play with Francis at the helm.

In addition to numerous community outreach and volunteer projects, the team has also made the WBCA Academic Top 25 Honor Roll for six consecutive seasons since Francis' return.

Francis has also been honored individually as a role model for young women. She was an honored guest and recognized as an Esteemed Woman of Michigan in 2010.

Throughout her 11-year career with Oakland, Francis has mentored two Kodak All-Americans in Sarah Judd and Katie Wolfe, and 16 All-Conference players—several of whom have garnered multiple mentions among the conference elite—including one of just two players in league history to be voted first-team All-Conference four times in Wolfe.

Francis has now led two teams through successful transition processes. In addition to her work at Oakland, where she won the league regular season title in her first year of eligibility, Francis also guided Stony Brook (N.Y.) through a successful transition from the NCAA Division III level to Division II. Francis coached the Seawolves for three years making it to the conference tournament in her final season.

Before her first head coaching job at Stony Brook, Francis served as the top assistant coach at the University of Buffalo for four seasons. Working with Buffalo was Francis' first experience with a team in transition, as she helped take the Bulls from DII to DI. The Bulls captured two East Coast Conference championships in Francis' four years with the program, winning their first one in 1991-92, their first campaign as a DI school.

Francis and her husband, Dr. Gary Russi, live in Rochester, Mich.

since 1957-

ADMINISTRATION

Dr. Gary D. Russi
President
SW Oklahoma State,
1969
Kansas, 1972

Gary D. Russi has served as president of Oakland University since 1996. His leadership has steered OU to record growth in student population, excellence in academic programming and research endeavors, expanded partnerships, and statewide and national distinction. His vision and strategic planning have paved the way for Oakland University's unprecedented growth – in stature and size.

During Russi's tenure, Oakland's student population has grown from 12,000 to more than 19,000, and the academic credentials of incoming first-year students have improved significantly. More than 65 new academic degree programs have been added since 1995, and full-time faculty has grown to more than 500. During this time, Oakland has invested – often with state support – more than \$190 million to enrich environments for teaching, research, learning and living.

He helped pave the way for Oakland University to develop a ground-breaking partnership with Beaumont Health System, which resulted in the creation of the first new allopathic medical school in the state in 47 years. The Oakland University William Beaumont School of Medicine welcomed its charter class of 50 students this past August. The growth and demand for more educational opportunities in Macomb County has led to an expanded partnership and the development of a new satellite campus, Oakland University-Macomb. The innovative partnership with Thomas M. Cooley Law School has meant that OU is the exclusive education partner of Cooley Law School's Auburn Hills campus.

In 1997, OU Athletics moved from NCAA Division II to Division I, with men's and women's basketball making several appearances in the NCAA Championship Tournament since that time, boosting Oakland's visibility and recognition on a national level. Student life, academic and recreational programming has flourished during Russi's tenure, energizing the campus and enhancing student recruitment efforts.

He has been selected for numerous honors and awards recognizing his many achievements and service to the community, including the recent Executive of the Year Award; Quality People, Quality County Award; and the Morgan Family Lifetime Achievement Award from Sunrise Pinnacle Awards.

Tracy Huth
Director of Athletics
Oakland, 1985
Wayne State, 1996

When one thinks of Oakland University athletics, one of the first names that comes to mind is that of Director of Athletics Tracy Huth. After all, Huth has been involved with Oakland University athletics as a student-athlete, coach and administrator since 1980.

Huth was appointed Director of Athletics in October 2007 after serving as the interim director for one year, and immediately put in motion an ambitious plan to enhance the overall Oakland athletics experience, both for student-athletes, staff and friends of the university. The result thus far has been a more fan-friendly atmosphere at all OU events, increasing student-athlete success both athletically and academically, and the introduction of the first-ever strategic plan for the department.

Under his administration, the Golden Grizzlies have made back-to-back NCAA tournament appearances in men's basketball, attained their highest-ever finish in The Summit League's Commissioner's Cup, finishing second in 2010-11 by just a half-point, and hosted several Summit League Championships. OU will serve as the host of the 2013 NCAA Men's Basketball Second and Third Rounds at The Palace of Auburn Hills in March, and the Grizzlies hosted their first-ever NCAA Championship on campus when the 2010 NCAA Great Lakes Men's and Women's Cross Country Regional Championships were held on Katke-Cousins Golf Course.

Among his responsibilities for the athletics department, Huth serves as a member of The Summit League Joint Council, the league's Budget Committee and Competition Committee and chairs the Swimming and Diving Sport Committee. He is a member of the President's Executive Council and numerous campus-wide committees (Homecoming, Grizz Madnezz).

After winning several national championships as both a coach and swimmer, Huth had the unique honor of being selected to the Hollie L. Lepley Hall of Honor for a second time in 2002. He is the only member to be enshrined as a student-athlete and coach, originally named to the Hall of Honor in 1990 for his swimming accomplishments.

A native of Yakima, Wash., Huth is a member of the North Oakland Family YMCA Advisory Board and the March of Dimes "Walk America" Troy site committee. He earned his bachelor's degree in secondary education from Oakland in 1985 and in '96, Huth earned his master's degree in sports administration from Wayne State University.

He is married to Jennifer Huth, current assistant women's basketball coach at UCLA. His daughter Kara is a nursing student at Oakland and his son Chance is a junior at Clarkston High School.

O OAKLAND GOLDEN GRIZZLIES

The men's basketball team matched their league record from 2009-10 with a 17-1 mark in 2010-11. OU went on to its second consecutive NCAA tournament, earning its highest-ever seed in the Big Dance.

Women's swimming & diving won their 12th consecutive championship as Vanessa Balogh (Swimmer of the Year, Newcomer of the Championship), Chelsea Oates (Diver of the Year) and Sandra Czerska (Swimmer of the Championship) earned league honors.

ATHLETIC EXCELLENCE

Oakland Athletics says in its mission, above all else, we produce graduates, champions and friends of the university. It is a motto that the Golden Grizzlies live by. Each and every year, OU produces team and individual league titles, along with multiple postseason appearances.

- In the classroom, Oakland led The Summit League with 215 Academic All-League selections in 2010-11, while several OU student-athletes received ESPN The Magazine Academic All-District honors. It is the sixth consecutive year that Oakland has led the league in academic honorees.
- Just completing its 12th year at the Division I level, the Golden Grizzlies have won 62 Summit League championships, including 12 consecutive men's and women's swimming and diving titles, along with making 32 NCAA postseason appearances.

Men's soccer made an improbable run in the 2010 Summit League Tournament to advance to their fifth NCAA tournament.

Oakland Athletics won its second Summit League Food Fight Championship in three years by raising over 11,000 pounds of food for the Oakland County Lighthouse.

Men's swimming and diving captured their 12th consecutive Summit League championship. Marcin Unold was named Swimmer of the Year, Jordan Zendejas was tabbed Diver of the Year and Nick Evans was the Newcomer of the Championship.

Women's cross country won their first-ever Summit League championship in 2010. Lia Jones, Kelsey Carmean, Sara Lieblein and Brittini Hutton garnered all-league honors.

Bethany Watterworth led the women's basketball team to The Summit League Championship game. Watterworth, Sharise Calhoun and Zakiya Minifie earned all-league accolades.

Women's soccer, led by Dani Haelewyn, finished the regular season with a perfect 8-0-1 record to capture their eighth Summit League regular-season championship.

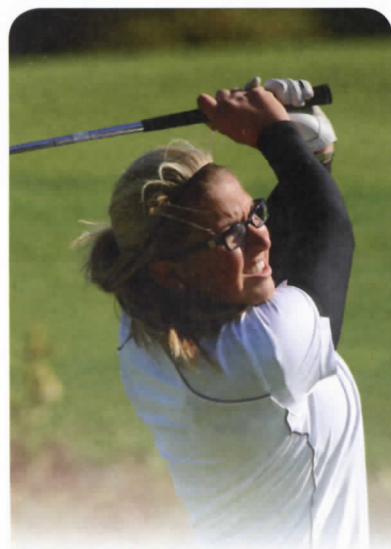

Lia Jones advanced to the 2011 NCAA Track and Field Semifinal Rounds in the 5,000 meters, where she finished 28th overall.

Keith Benson became the first OU player drafted to the NBA as the Atlanta Hawks selected the two-time Player of the Year with the 48th pick. He is one of 18 Golden Grizzlies currently playing professionally.

- OU has captured nine team national titles, along with 161 individual NCAA crowns, second only to Stanford University.
- Oakland finished second in The Summit League Commissioner's Cup standings in 2010-11, just a half-point shy of South Dakota State. OU produced a league-high five regular season titles (women's soccer, men's basketball, women's cross country, men's swimming and diving, women's swimming and diving) to earn their highest-ever finish in the cup standings. The men's soccer team captured The Summit League tournament title to advance to their fifth NCAA tournament, while the men's basketball team made their second consecutive NCAA tournament appearance, earning their highest seed ever.
- Student-Athletes have earned 232 All-America accolades and 89 players have been tabbed player/athlete of the year since the inception of Athletics at Oakland in 1964.

Golfer Mara Kovac shot a school record 69 (-2) at the Jackrabbit Invitational. She went on to finish in a tie for second at The Summit League Championship as the Golden Grizzlies finished third.

Brittany Dunn led The Summit League in digs and was named Defensive Player of the Year. The volleyball team finished tied for third in the regular season, the highest-ever finish in program history.

The men's cross country team posted a runner-up finish at The Summit League Championship as Zack Jones (right), Pat Cassidy and Brandon Griffin (left) earned all-league accolades.

Caitlin Young helped lead the women's tennis team to a 4-4 record in league play as the Golden Grizzlies finished in a tie for fourth place. That is the program's highest-ever finish since moving D-I.

O OAKLAND GOLDEN GRIZZLIES

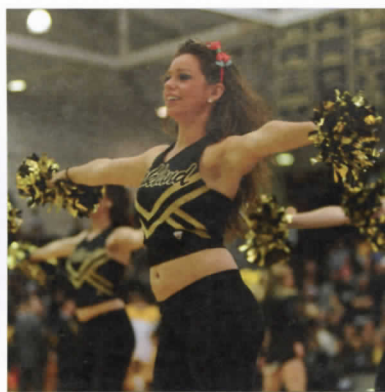

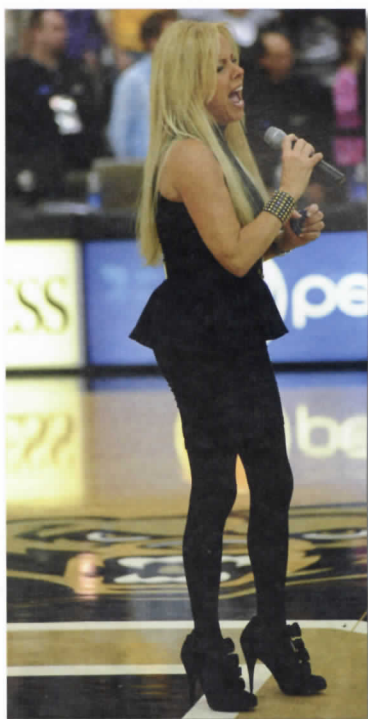

Home of the Oakland men's and women's basketball teams is the Athletics Center O'rena. The newest and most modern facility of its kind in The Summit League, it is a part of Oakland University's Recreation and Athletics Center Complex located in the heart of the OU campus.

Site of some of the most enthusiastic crowds in the league, the atmosphere in the O'rena starts with OU's student section, the Grizz Gang, one of the most vocal groups among Summit League student sections. The Grizz Gang is another reason why Oakland holds the nation's third-best home court league winning streak. With great sight lines from every seat, a brand new state-of-the-art video board, concession areas and a merchandise center, the O'rena is truly a great atmosphere to watch collegiate basketball.

Groundbreaking for the facility was in the fall of 1996, with the first game occurring on Nov. 17, 1998, when OU hosted No. 5 Michigan State in front of a packed house of over 4,000 fans and a regional television audience. In addition to the arena, the facility also includes

locker rooms for all of OU's 18 intercollegiate sports, a modern athletic training room, office space for the athletic department, a media room, booster room, weight room, equipment room and a 1,000-seat top-of-the-line natatorium.

Some of the top teams in the nation have visited the O'rena for men's and women's basketball, including Auburn, Florida, Florida State, Georgia, Illinois, Kentucky, Michigan, Michigan State, Missouri, Penn State, Purdue and Texas A&M. Always a tough place to play for Golden Grizzlies' opponents, Oakland has won more than 70 percent of its games in the 13 seasons that the facility has been in operation, including big wins over Florida State, Illinois, Michigan and Texas A&M.

The men's basketball team carries a 29-game home court league winning streak, dating back to 2008. Oakland is 46-7 over the last four seasons and has won 39 of its last 41 games inside the O'rena.

The women's basketball team is an impressive 23-4 against Summit League opponents at home over the last three seasons. The Golden Grizzlies have not had a losing season inside the O'rena.

Part of the campus recreation complex, the recreation side of the facility includes a three-court gym, weight training and fitness area, multipurpose/aerobic rooms, racquetball and squash courts, a wellness center and classrooms and meeting areas.

As a member of the Oakland University Alumni Association you can make a difference and enjoy the benefits.

Take pride in knowing your participation in the alumni association makes a difference by contributing to the visibility and value of an OU degree. Your support is important.

MAKE A DIFFERENCE

Impact — Impact a student's experience by contributing to the OU Fund or to an OUAA scholarship.

Advocate — Become informed on issues important to OU by joining the Grassroots Grizzlies Advocacy Network.

Mentor — Share your professional experience with an OU student.

Open — Open the door for others — volunteer your time as an Alumni Admissions Ambassador.

Update — Update your record to reconnect with OU.

ENJOY THE BENEFITS

Participate in programs and events.

Cheer for the Golden Grizzlies' NCAA Division I basketball teams in the Alumni Gold Zone section. Join fellow alumni at events like the annual Alumni Awards Banquet, the Grizzly Gala and the annual OUAA Golf Challenge, where all proceeds benefit student scholarships.

Enjoy arts, travel and culture.

Pack your suitcase and your love for learning when you travel with the Grizzly Getaway Alumni Travel program. Enjoy campus privileges to Meadow Brook Hall, Meadow Brook Theatre and Kresge Library.

Take advantage of member discounts and services.

Save on group rates for home and auto insurance, short-term medical insurance and OU-MSU Federal Credit Union credit card services.
