FIRES FATAL SHOTS—Robert Clendenin, above, was identified by King County sheriff's officers as the man who fired four fatal shots at UAL stewardess Sally Shedd as she stood in doorway of the plane in Seattle, Wash. yesterday. Clendenin then turned the gun on himself. He died later in a local hospital.

Unrequited Suitor Slays Airline Hostess, Himself

SEATTLE (AP)—An airline stewardess was shot to death by her former boy friend last night as she was greeting passengers filing aboard a Los Angeles-bound plane.

Then the love-crazed young man, breaking away from an Air Force lieutenant who attempted to subdue him, ran from the plane and shot himself. He died three hours later in a hospital.

The United Air Lines stewardess, Sally Shedd, 25, was struck in the chest by two bullets.

Mrs. Herman Loesch of Portland, Ore., her voice quivering, told how Robert Clendenin, 26, a trainee with the New York brokerage firm of J. A. Hogle and Co., sat down beside her and drew a pistol from his briefcase.

"I thought it was a cap pistol," she said. "Even after it went off I thought it was a cap pistol. It just kept on going off. Bang. Bang. Bang."

Clendenin was one of the last of some 40 passengers to board the DC6B.

He nodded and spoke to his former girl friend before taking his seat next to Mrs. Loesch at the front of the plane.

RUSHED DOWN AISLE
Withdrawing the pistol from his briefcase, he rushed down the aisle and confronted Miss Shedd. He pushed her into a seat on top of Air Force Lt. Norman Stout of Portland, Ore., and fired four shots.

Two of the shots struck Miss Shedd.

Stout said:

"She was lying almost across me. Then he shot her point blank three or four times. I couldn't tell which. She lit on me, uttered a gasp and then he shot her."

"I couldn't get loose from my safety belt until he had shot her."

When he did free himself, Stout leaped from his seat and grabbed Clendenin. A fifth shot, which plunged harmlessly into the plane's side, was fired as they grappled.

Stout finally tumbled Clendenin through the door of the plane and down the ramp to the concrete field.

FIRE INTO HEAD

Clendenin, the son of Beverly Clendenin of Salt Lake City, ran about 25 yards and fired the one remaining bullet in the gun into his neck.

Blood streamed from the wound but he remained standing. He reloaded, ran another 25 yards and fired a bullet into his head.

Miriam K. Garland, the dead girl's roommate and the second stewardess aboard the plane when the shooting occurred, told Sheriff's Detective Jim Graddon of Miss Shedd's tempestuous romance with Clendenin.

She said they met in New York several years ago.

They attended the World Series together in New York last September, she said. Later Miss Shedd attempted to break off the romance, she said.

Last Monday, she said, the victim met Clendenin in Chicago and told him they definitely were through.

Soviet Radio Announces:

Reds Execute 5 Top Brass for 'High Treason' Action

LONDON (INS)—The Tiflis Radio announced today that five former security officials of the Soviet Republic of Georgia had been executed for high treason.

It was the first disclosure of such a purge since Soviet Premier Nikolai A. Bulganin and Communist Party Chief Nikita S. Khrushchev assumed dual leadership of Russia in February of this year.

The five men reportedly were collaborators of former Soviet Secret Police Chief and Interior Minister Lavrenti P. Beria.

Beria was arrested shortly after Stalin's death in 1953 and executed for treason and counter-revolutionary activities.

The same charges were made against the five whose purging was disclosed today. The date of their execution and their first names were not given.

All were members at one time of the Georgian International Affairs Ministry which controlled the Secret Police.

Beria got his start in Cheka, first version of the dread secret police system, in Tiflis where he was born.

The last publicly announced purge was in December 1954, about two months before Bulganin replaced Georgi Malenkov as premier.

The names of the five were given as: Rukhadze, Rokava, Stavisky, Khazani and Tsereteli.

Beria, like former Premier Stalin, was a Georgian. He was considered one of the triumvirate to assume power immediately after Stalin's death. The other two were Malenkov and Foreign Minister V. M. Molotov.

But Beria was considered too dangerous since his secret police amounted to a state within the state, so the government, army and party joined to get rid of him.

Brazil's Solons Uphold Regime of Nereu Ramos

Reject Cafe's Attempt to Resume Control of Government

RIO DE JANEIRO, Brazil (AP)—Brazil's Congress and army acted swiftly today to preserve the regime of provisional President Nereu Ramos against a bid by Joao Cafe Filho to resume the presidency.

By sizable majorities after an all-night debate, both houses of Congress adopted a resolution that Cafe should remain out of office until Congress decided otherwise.

The national regime "now is menaced as before," said the resolution in a reference to unsettled political conditions which resulted in Ramos' installation by a bloodless army coup Nov. 10.

The army held Cafe incommunicado in his apartment. Troops surrounded the building and barred all visitors. Telephone calls to the apartment were interrupted.

Troops also guarded key government buildings but Rio remained calm. Friends of the ex-president prepared to ask the Supreme Court for an order assuring his safety.

News dispatches going abroad were being censored. Associated Press dispatches from the capital were being relayed via Sao Paulo, the big industrial center southwest of Rio along the coast.

Cafe took a leave of absence from the presidency Nov. 4 after a heart attack, turning the job over to Chamber of Deputies President Carlos Coimbra da Luz.

The change was accompanied by rising suspicion that Cafe and Luz were planning a coup to prevent the Jan. 31 inauguration of President-elect Juscelino Kubitschek, political heir of the late dictator Getulio Vargas.

To forestall such a coup, War Minister Gen. Henrique Teixeira Lott engineered a bloodless army coup of his own which ousted Luz and installed Ramos, the president of the Senate.

Cafe, who stepped up from the vice presidency after Vargas committed suicide in August 1954, was released from the hospital yesterday after an examination by eight doctors.

2 Bond Programs Set for Discussion

Final reading of a \$600,000 city parking program ordinance, and the first move toward issuing \$3,000,000 bonds to finance an addition to Pontiac General Hospital are on the agenda of the city commission for its meeting tonight.

If the revenue bond issue for parking is approved, it will be submitted to the State Municipal Finance Commission for approval.

Voters have approved the hospital addition, and the resolution before the lawmakers tonight would authorize the city clerk to publish notice of intent to issue the bonds.

WIDOW WEEPS AS SHE LEAVES HOSPITAL — Mrs. William Woodward Jr. weeps as she leaves Doctors Hospital yesterday en route to Mineola, N. Y., for questioning by police. The three-hour quiz was the longest since she shot her millionaire husband to death Oct. 30. Mrs. Woodward broke down three times in uncontrollable weeping.

The police and sheriffs agreed to start Dec. 1 to:

1—Adopt a strict enforcement policy aimed at stopping every motorist found violating the traffic laws.

2—Arrest and "vigorously prosecute" every driver involved in an accident where it appears he contributed to or caused the accident by violating the law.

3—Make more frequent and stringent inspections of autos as part of regular enforcement programs and arrest all drivers found to be operating unsafe vehicles.

4—Enforce pedestrian laws more strictly.

5—Increase the use of radar and electric timing devices to catch speeders.

6—Increase the use of chemical tests for intoxication.

7—Permit officers to report to the secretary of state the names of drivers whom they believe to be incompetent drivers, even no arrest has been made.

8—Use unmarked and semi-marked police cars for traffic law enforcement whenever necessary.

9—Step up the training of traffic officers at established police schools and seek more money from local governments for such training.

Haggard Ann Woodward Talks to District Attorney

MINEOLA, N. Y. (INS)—The haggard, aged face of once-beautiful Ann Woodward hovered today over the routine of bringing before a grand jury her story of how she killed her millionaire-sportsman husband.

The blonde former model, hailed only a few weeks ago as one of society's beauties, looked many years older than her 39 when she left Doctors Hospital in New York yesterday to confer with Nassau County authorities.

It was the first time Mrs. William Woodward Jr. had appeared in public since the pre-dawn hours of Oct. 30 when she fired twin shotgun blasts at her husband whom she said she mistook for a prowler.

Mrs. Woodward, a tearful woman in black, broke down frequently last night as she recounted for Nassau County District Attorney Frank A. Gulotta and police the nightmarish slaying of the 35-year-old Woodward.

For three hours and 10 minutes she relived the early morning events which followed the couple's return to their Oyster Bay Cove home from a party given by Mrs. George F. Baker for the Dutchess of Windsor.

The questioning was interrupted by her breakdowns, during which her personal physician, who had remained outside the interrogation room was called in to render aid.

The blonde mother of two boys — who has agreed to waive immunity in a grand jury appearance — sipped fruit juice as she was questioned prior to Gulotta's presentation of the case to the panel by next Tuesday.

State and Local Officials Set Up 13-Month Plan

Program Is Aimed at Cutting Traffic Deaths by 200 in That Time

LANSING (AP)—A 10-point "action program" aimed at cutting Michigan traffic deaths by 200 in the next 13 months was agreed to yesterday by state and local law enforcement chiefs.

At a meeting called by Gov. Williams, State Police Commissioner Joseph A. Childs said "the law enforcement officials of this state have been doing a good job, but we believe they can do a better job if they are assured of the support of the prosecutors, judges, press and other public groups."

The 10-point program led off with a stiff crackdown on traffic law violators, with implications that many of the "tolerances" now allowed motorists would be dropped.

The agreement was made unanimously by nearly 150 representatives of the sheriffs, state, city and township police departments.

Their program, plus other suggestions, was to be submitted today to a similar meeting of prosecutors, judges, mayors and city attorneys and tomorrow to representatives of so-called public-supported groups: Press, radio, television, industry and civic groups.

The police and sheriffs agreed to start Dec. 1 to:

1—Adopt a strict enforcement policy aimed at stopping every motorist found violating the traffic laws.

2—Arrest and "vigorously prosecute" every driver involved in an accident where it appears he contributed to or caused the accident by violating the law.

Thanksgiving Snow Predicted for Area

The Weather Bureau said that the Pontiac area will probably be covered with snow by Thanksgiving Day.

The city-area forecast calls for rain tonight with a low ranging from 40 to 44 degrees. There will be more rain tomorrow with a high between 48 and 52 degrees.

During the afternoon and evening there will be snow and rapidly falling temperatures.

Snow flurries and a sharp drop in temperature to 20 degrees is the forecast for late tomorrow night.

The lowest temperature preceding 8 a.m. was 32 degrees. The thermometer registered 42 at 1 p.m.

CLEVELAND (AP)—Great Lakes freighters hauled 1,789,326 tons of iron ore last week, bringing the season's total to 85,969,068 tons, the Lake Superior Iron Ore Association reported yesterday. At this time a year ago, the oreboats had hauled 60,328,272 tons.

Steere Reports Wide Approval

Says Many Have Called Him to Back Study of City-Township Merger

"Many people have spoken to me about my suggestion that Pontiac and Waterford study the question of joining forces," said Frank W. Steere to the Press this morning.

"Everyone thinks the matter is certainly practical and should be investigated completely. I have had many telephone calls and have met many people in person and they all favor annexation if the various problems can be worked out satisfactorily. Several said the idea had never occurred to them and several more said they wondered why the matter hasn't been studied long before this."

In addition to the members of the Chamber of Commerce committee mentioned in the Press Monday, there are the following three: Robert R. Eldred, Barney W. Crandall, and E. L. Karkau.

Chief Assistant Oakland County Prosecutor George F. Taylor is in Lansing today to attend a highway-safety conference and consult with Attorney General Thomas M. Kavanagh about alleged juvenile vice activities in South Oakland County.

Prosecutor Frederick C. Ziem was also scheduled to make the trip, but is ill.

Taylor said he would ask Kavanagh if the State Police vice squad could be made available, if needed, to investigate the juvenile crime reports.

HILAND H. THATCHER

Son of First Mayor to Mark Birthday

Celebrating his nineteenth birthday on Thanksgiving Day is Hiland H. Thatcher of 75 Cherokee Road, Son of Pontiac's first mayor, Erastus Thatcher, who was chosen for that office when the city was incorporated in 1861. Hiland was born in Saginaw in 1935.

Hiland has been a resident of Pontiac since he was 14 years of age, and in the insurance business here since 1939. He and Mrs. Thatcher will celebrate their sixty-sixth wedding anniversary next April 7.

They have a son, Hiland M. Thatcher, Supervisor of West Bloomfield Township.

Dismiss Slander Against Airman

Profanity During Class Charge Is Thrown Out by Federal Judge

OKLAHOMA CITY (U)—Two \$10,000 slander suits against an Air Force officer for profanity allegedly used in lecturing two enlisted men were dismissed yesterday by Federal Judge W. R. Wallace.

Air Force sources said they were the first suits of their kind ever filed.

Wallace said language used by Lt. Col. Walter Callahan of New York was "extremely vulgar" but did not constitute slander or libel under Oklahoma law. He sustained a motion by the U. S. district attorney's office to dismiss the suits. The judge also held the enlisted men could not prove special damages.

A. Z. C. John Crozman, West Lynn, Mass., and A. Z. C. Miles Miller, Marysville, Pa., each contended in separate suits that Callahan's language tended to blacken and injure their honesty, virtue, integrity, morality and reputation and exposed them to public contempt and ridicule.

The incident occurred during the summer at Tinker Air Force Base where all three were stationed. Callahan has since been transferred.

Congress Scored for Investigation Into Automation

DETROIT (U)—Lawrence A. Apple, president of the American Management Assn., says it is "perfectly ridiculous" for Congress to investigate automation.

"Technical advances, now drawing attention because of progress in electronics, have never in all history done anything but create employment," the New Yorker told the Detroit Economic Club in a speech yesterday.

"Sometimes there are displacements for a brief period," he said. "But always in the long pull, these advances have meant more and better jobs for more people and better things for all."

Crisler, Bennie Send Apologies to Ohio State

ANN ARBOR (AP)—University of Michigan has expressed "regret" over rowdiness that developed in the dying minutes of the Michigan-Ohio State football game Saturday and has apologized to OSU.

Michigan coach Bennie Oosterbaan issued the statement of "regret" athletic director Fritz Crisler wrote Ohio State an apology.

Oosterbaan's statement said:

"Michigan regrets very deeply the events which occurred in the final minutes of the Ohio State game. The players ejected from the game—not for any physical act—but for arguing with the officials, have apologized to their teammates and to the coaches, and they wish to express their deep regrets to the Michigan family.

"We have always had great pride in

our record of sportsmanship, and I believe justifiably so. You may be sure every effort will be made to see that nothing like this occurs again."

Crisler said in letters to Howard L. Bevis, president of Ohio State, and athletic director Dick Larkins:

"We owe you and your institution an apology for the untimely conduct of one or two Michigan players in the game last Saturday.

"I want you to know that we deplore the unharnessed display of emotion which has no place in the relationship between Ohio State and the University of Michigan.

"Permit me to congratulate you on Ohio State's fine victory. Your team defeated us fairly and squarely and I want to congratulate you further and compliment you on winning the conference

championship which your boys so richly deserved.

"Rest assured we will exert every effort to prevent any recurrence of this incident."

The 17-0 loss cost Michigan the Big Ten championship and a trip to the Rose Bowl game.

It gave the championship to Ohio

State and the Rose Bowl bid to bitter rival Michigan State. Ohio went to Pasadena last New Year's. Conference rules prevent the same team returning in successive years.

End Ron Kramer and tackle Al Sigman of Michigan were expelled from the game, following a flurry of penalties in the last three minutes.

Bears Experimented at Quarterback and Found Ed Brown; Unbeaten Since

CHICAGO (AP)—The Chicago Bears, winners of six straight games, are described as a "team of stars" and one that is beginning to glitter in an unheralded quarterback named Ed Brown.

Not until this 27-year-old former

San Francisco University ace took the reins did the Bears begin moving to what appears a possible Western Conference title in the National Football League.

After dropping their first three games of the year while experimenting at quarterback, the Bears

gave Brown the job and they've no cause for regret.

Owner-coach George Halas refuses to single out any one player for credit in the Bear drive.

"We're not a team with one star, or two or three," says Halas. "We are a team of stars—a unit."

Nevertheless, Brown is beginning to gain stature in the Bear scheme despite the "team of stars."

An all-around player, Brown does not rely on any single phase of the game.

"I never pass unless I have to," says Brown. "With our running and blocking we're not called upon to do much passing."

Brown, however, had to pass Sunday when the Bears came from behind to whip Detroit, 24-14, and take over the division lead.

Trailing 14-10, in the second half, Brown whipped a pair of touchdown passes to seal the victory. Against Detroit, Brown connected on 15 of 18 pass attempts for 221 yards and 3 touchdowns.

To date he has completed 79 of 136 attempts for 1,237 yards and 8 touchdowns.

In addition to his passing prowess, Brown is a dangerous runner having carried 34 times for 182 yards, a 5.4 average. He has also scored two touchdowns.

Brown says he has no "special target" in passing and "all of our receivers are good."

But statistics show that end Harrison Hill is either favored or that he breaks out into the open more often. Hill has snared 5 of Brown's payoff tosses. End Bill McColl has 2 and end Gene Schroeder 1.

Marciano Wanted for Match in LA

LOS ANGELES (AP)—Matchmaker McCoy of the Olympic Auditorium says he is negotiating for heavyweight champion Rocky Marciano to meet the winner of the Floyd Patterson-Jimmy Slade fight.

Marciano's manager will be in Los Angeles Friday and told McCoy he will discuss the matter.

Howe Moving in for 5th Straight Scoring Crown

MONTREAL (AP)—Gordie Howe of the Detroit Red Wings is making his move to recapture the National Hockey League's Art Ross Trophy for scoring.

Howe, who won the coveted trophy four straight years from 1950-1954, moved into 3rd place last week by tallying four goals and one assist for 20 points on 10 goals and 10 assists.

Jean Beliveau, center for the league-leading Montreal Cana-

dians, continues to hold down the top spot with 24 points on 11 goals and 13 assists.

The league's leading playmaker, Bert Olmstead of the Canadiens, moved into 2nd spot with 22 points on only five goals and 17 assists.

Montreal's Maurice (The Rocket) Richard follows Howe with 19 points and Dave Creighton of the New York Rangers rounds out the top five with 18 points.

Beliveau, Richard and Ted Lindsay of the Red Wings are the leading goal scorers, each with 11.

Macques Plante of Montreal is still the top goalie with a fine goals-against average of only 1.50. He has been scored on 30 times in 30 games. Terry Sawchuk of the Boston Bruins and Glen Hall of Detroit are tied on averages for 2nd with 2.05.

Davis Cup Challenge Round in Australia

MELBOURNE (AP)—The Davis Cup challenge round will be held in Adelaide on Dec. 26, 27, 28, 1956. It was decided by eight votes to four at a meeting of the Australian Lawn Tennis Assn.

The meeting was told that provision would be made to accommodate 17,000 spectators.

Australia regained the Davis Cup from the United States by 5-0 at Forest Hills, N. Y., last August.

Blues Recruit for Gray Tilt

Three Linemen Are First of 24 Players for North Squad

MONTGOMERY, Ala. (AP)—Yankee strategists have gotten off to a fast start in their recruiting drive for the Blue-Gray football game by signing two Missouri linemen and a rugged Minnesota end.

Missouri tackle Al Portney, 6-1 and 221 pounds, was picked today by the North for the annual renewal of the intersectional gridiron rivalry here Dec. 31.

Missouri end Harold Burnine, leading the nation in pass receiving, with 30 catches for 518 yards in nine games, was signed yesterday together with Franz Koencke of Minnesota, a 230-pound flankman.

Koencke and Burnine were the first two members of the 24-man Blue squad to be chosen. The South has already picked 22 members of its platoon.

Indian Outfielder 'Man-of-the-Year'

CLEVELAND (AP)—Cleveland baseball writers yesterday picked outfielder Al Smith as the Cleveland Indians "Man of the Year."

Relief hurler Ray Narveski also was considered for the award for his 8.1 record, his 20-odd games saved and his 50 relief appearances.

But Smith won the nod because in addition to his fine offensive and defensive contributions, he appeared in every game and played six different positions in the infield and outfield.

Smith will receive a plaque at the Baseball writers' annual Ribs and Roast Dinner Jan. 30.

Olympic Games Plans Well on Way to Finish

MELBOURNE (INS)—Australian prime minister Robert Menzies declared today, one year before the 1956 Olympic games get under way, that Melbourne "will be ready."

Menzies, in a progress report issued by the government information bureau, said Australia will present the games "in accordance with the high standards set by past host cities."

No one need have any fears about how Melbourne will present the games. With a year to go, preparations are well on the way to completion.

Recalling that all previous Olympics had been held in Europe or the U. S., Menzies pointed out that the "Olympic movement now has become a great world force embracing 87 nations."

13th Ranked Panthers Get Sugar Bowl Bid; First for Panthers Since Rose Bowl of 1937

NEW ORLEANS (AP)—Pittsburgh, by Coach Johnny Michelosen, will be the first Negro to play in the Sugar Bowl.

Digby said the invitation to Pitt was made "without conditions." The Panthers closed their season last Saturday with a convincing 20-0 victory over Penn State. Pitt conquerors include Oklahoma, No. 1 team in the nation, Navy, No. 11, and Miami of Florida, No. 14.

Pitt's victims have been California, Syracuse, Nebraska, Duke, Virginia, West Virginia and Penn State. The 26-7 victory over Duke came a week after the Blue Devils upset Ohio State, the Big 10 champions. Pitt's 26-7 victory over West Virginia knocked the team out of the undefeated class and the Sugar Bowl picture.

Quarterback Conrad (Cory) Salvaterra is the key man on Michelosen's split-T offense. Against Penn State, Salvaterra reeled off one off-tackle thrust for 62 yards and a score.

White Sox Name Miller Farm Boss

CHICAGO (AP)—Glen C. Miller today was named farm director of the Chicago White Sox after serving five years as assistant under John Rigney.

Rigney recently was elevated from farm director to a vice president.

Miller, 48, has been active in baseball since 1937 when he started as a scout for the Milwaukee Brewers of the American Assn. in Wisconsin and served for eight years.

MSU Takes Fitting Bows at Rose Scented Dinner

EAST LANSING (AP)—Michigan State is enjoying the Roses. The State's Spartans, picked to go to the Rose Bowl again after Ohio State eliminated Michigan, are in a frantic flurry of preparation.

The annual dinner for the football team was held last night with an overflow crowd of well-wishers in attendance.

"No one mentioned Michigan State before the season started," said MSU president Dr. John A. Hannah. "You surprised the athletic world. No one could have planned a more fitting climax to our centennial year."

Team captain and guard Carl (Buck) Nystrom, of Marquette was voted "most valuable player" by his teammates.

Gov. Williams gave him the engraved watch.

For the first time, the governor's wife, Nancy, wearing a state-green gown, attended with older son Gary. They were introduced as

rabid State fans although Williams admitted he attended Michigan.

The oilcan award, for the team humorist, went to guard Embury Robinson, now a senior who kicked off for State in their first Rose Bowl game.

The 44-man traveling team will leave Lansing for the West Coast by plane Dec. 16. Rest of the regulars will travel out with the Spartan marching band Dec. 26.

To obtain tickets the average fan, applying for two, should send a money order for \$12.48 to the Michigan State Athletic Office. This will cover \$5.99 each for the two tickets and a 50-cent service charge to cover insurance, handling and mail.

Third Best Record for Fire Control

LANSING (AP)—Despite the hot, dry weather last summer, Michigan set its 3rd best record for forest fire control this year.

The state conservation department said 1,151 fires damaged 7,204 acres of forest and grass land. This was bettered only in 1954 and 1951.

The department credited a "more fire-conscious public" and improved fire fighting techniques for the low loss.

Uclans Happy as Bowl Trip Now Official

Bruins Named to Play MSU; Sanders Warns of Spartan Prowess

LOS ANGELES (AP)—Happy over the formal selection of the UCLA football team to represent the Pacific Coast Conference against Michigan State in the Rose Bowl, Bruin students staged an impromptu celebration on the campus in the rain today.

But head coach Henry R. (Red) Sanders contributed a cautioning note when he observed:

"Michigan State may well be the best team in the nation. I saw them twice on television this season and they were the most impressive team I saw all year.

"It will take our best effort to stay in there with them."

Sanders intimated that Michigan might have presented slightly less of a problem for his PCC champions, but he insisted "we'd rather play the best."

Most Coast observers, whether they would admit it or not, also felt that the coast representative might have had a better chance of winning in the bowl against the Big Ten if Michigan had won the bid.

Ohio-Michigan Clash Called Game of Week

Cassady Honored 2nd Straight Time; Hayes and Wilkinson Tie

NEW YORK (INS)—Ohio State's crushing defeat of Michigan not only was The Game Of The Week in the eyes of International News Service's grid experts but produced the player and coach of the week as well.

The INS panel today singled out Ohio State's 17-0 rout of Michigan's Rose Bowl dreams as more exciting and significant than even such counter-attractions as Notre Dame's comeback behind, 17-14 victory over Iowa, UCLA's 17-7 conquest of Southern Cal., Syracuse's 28-13 lacing of West Virginia and the 7-7 tie of Illinois by winless Northwestern.

For the first time this year a player was elected a 2nd time and the balloting was split down the line for a coach of the week.

Seven days after he was so honored for his brilliant performance against Iowa, Buckeye All-America halfback Howard (Hop-Along) Cassady received the player of the week designation again.

The experts also singled out these other "best of the week" performances:

Coach of the week—Woody Hayes of Ohio State and Bud Wilkinson of Oklahoma.

Play of the week—Notre Dame's 17-14 victory over Iowa on Paul Hornung's 28-yard field goal with two minutes, 15 seconds remaining.

Clear standouts in the selection were Glick, Ross, Horvat, Carter and Weber. Glick was especially valuable to A&M in its 1-point victory over Wyoming and Denver. He also sparked with individual scoring bursts against Oklahoma A&M, Brigham Young and others.

Skover said he and the other officials did everything allowed by the rules to keep order, including the assessment of penalties and the ejection of two Michigan players—tackle Al Sigman and end Ron Kramer.

Skover said the last two minutes were the most out-of-hand he had ever seen in a Big Ten game.

He refused to say why Sigman and Kramer were banished. From the press box it appeared that the two Wolverine linemen were protesting too vigorously one of the officials' calls.

Cubs to Invite 20 to Initial Drills

CHICAGO (AP)—The Chicago Cubs will invite 20 players to attend the opening of their 1956 spring training camp at Mesa, Ariz., Feb. 20.

If all accept the invitations for early training, the group will include eight pitchers, six infielders, three catchers and three outfielders. Most will be rookies.

Another 12 players, including the other nine pitchers on the Cub roster, will be invited Feb. 26 with the remainder of the squad reporting March 1, the official opening day.

Davis Is Underdog Against Cisco Kid

HOLLYWOOD (AP)—Young Kenny Davis of Los Angeles faces the best chance he's had in the ring tonight but the odds are against him to whip nationally ranked Cisco Andrade of neighboring Compton in a 10-round fight at the Hollywood Legion Stadium.

The 24-year-old 151-52 Golden Gloves champion is a decided underdog against the Cisco Kid, 25, rated No. 4 among the nation's lightweights.

Unusually Active Season Looms for PWBA Keglers

This will be an unusually busy year for women bowlers in the Pontiac area, according to Peggy Bender, secretary of the Pontiac Women's Bowling Association.

Five tournaments of local, state and national interest will be open to area keggers during the coming season, commencing with the 30th annual Michigan Women's state tournament at Port Huron, which starts Saturday, Jan. 19, 1956. Reservations close Nov. 19 and entries close Nov. 26 of this year.

Two tournaments begin competition Feb. 4, 1956. The Michigan State Elks Ladies event is scheduled at Muskegon, with Dec. 17 the dead-

line for entries. The 18th annual CYO Catholic Women's tourney will be held in Detroit, with entries locking up Jan. 21.

The PWBA's 23rd annual city tournament will be held at the Huron Bowl beginning March 3. Entries close Jan. 28.

Highlight of the season, the annual Women's International bowling Congress tournament, starts April 19 at Miami, Florida. Team competition is slated in three classes—751 and over, 651 to 750, and 551 and under. Reservations close Dec. 30, entries close Feb. 20.

These tournaments are all sanctioned by the WIBC. For entries or further information, call either Federal 5-3343, or Federal 2-3344.

Colorado A&M Packs Skyline All-Star Team

Halfback Gary Glick Among Three Aggies on First Team

DENVER, Nov. 22 (AP)—Talented halfback Gary Glick and two teammates who've kept Colorado A&M in front this season were picked today by The Associated Press on the Skyline Conference All-Star team.

Other A&M players on the honor team are center Bob Weber, the only junior to make the grade, and guard Dan Mirich. The Aggies, already assured of at least a tie for the championship, were the only team represented by three players. Except for Weber, all the honored players are seniors.

Second-place Wyoming landed quarterback Joe Mastrogianni, a standout for the past three seasons, and Clarence (Bugs) Carter, picked for the second successive year at end.

Third-place Utah is represented by its two hard-running senior backs, Herb Nakken and Lou Mele. Denver's fourth-place Pioneers have two repeaters from last year in end Larry Ross and tackle Ed Horvat.

Other first stringers are tackle Reed Henderson of Utah State and guard Doug Dasinger of Montana. New Mexico and Brigham Young, which have yet to win a league game this season, failed to land a player on the first team. Their leading candidates were guards—Jody Weenig of BYU and Jerry Nesbitt of New Mexico, who were picked on the second team.

The closest choice was at quarterback where Mastrogianni edged Jimmy Bowen of Denver, who was named on the second team. Mastrogianni was given the nod on the strength of his versatility including place-kicking, blocking, running, passing and defensive ability.

Clear standouts in the selection were Glick, Ross, Horvat, Carter and Weber. Glick was especially valuable to A&M in its 1-point victory over Wyoming and Denver. He also sparked with individual scoring bursts against Oklahoma A&M, Brigham Young and others.

'Powerless,' Says Ref of UM-OSU Riot

DETROIT (AP)—Referee Tony Skover, who officiated Saturday's wild game between Michigan and Ohio State, said Monday he and four other officials were powerless to control the players during the last two minutes of the game.

Skover said he and the other officials did everything allowed by the rules to keep order, including the assessment of penalties and the ejection of two Michigan players—tackle Al Sigman and end Ron Kramer.

Skover said the last two minutes were the most out-of-hand he had ever seen in a Big Ten game.

He refused to say why Sigman and Kramer were banished. From the press box it appeared that the two Wolverine linemen were protesting too vigorously one of the officials' calls.

Al Kircher Fired by WSC

PULLMAN, Wash. (AP)—Alton Kircher, a "nice guy" who couldn't win, was fired as football coach at Washington State College last night after four years of trying.

He had another season to go on a \$12,500-a-year contract but WSC said it's buying him out and will take its time picking a successor.

Kircher's two chief assistants, Dale Gettry and Mike Scarry, were also let go. Dan Staveley, the freshman coach, will stay on.

"I don't know what I'll do," Kircher said. "I don't even know whether I'll stick with coaching anymore."

Even before the firing, there was a string of suggested replacements. They ranged from Ray Hobbs, coach of the unbeaten local high school team, to Johnny Lujack, an assistant with the Chicago Bears.

Almost ever successful prep coach in the state has been mentioned.

Stan Bates, the WSC athletic director, said nothing has been done about a new staff.

Kircher, who got the job here in 1952 by popular demand when For-est Evashkevski quit to go to Iowa, was a man everybody liked but

in four seasons he never had a winning team.

He came here as an assistant to Evashkevski and was regarded as his chief strategist. Together they had a fine 7-3 record at WSC in 1951. Alone, Kircher was 4-6 for three years running, then 1-7-2.

He junked the single wing and went into a split-T offense this season. It seldom worked and the Cougars were thumped 56-12 by USC, 13-0 by Kansas, 35-0 by UCLA, 14-7 by Oregon State, 30-0 by College of the Pacific, 35-0 by Oregon and 27-7 by Washington.

They managed to tie San Jose and California and beat Idaho 9-0.

Alumni discontent grew weekly but there were few if any personal words against Kircher.

"It was a hard decision to release a perfect gentleman like Al Kircher," said a WSC statement on the discharge. "However, we believe circumstances dictate that we employ a new football coaching staff."

President C. Clement French said the decision to relieve Kircher was made on Bates' recommendation.
