

Senate to Weigh Tax Cuts Today

Sky Patrol Zooms Over Britain

CLOUD CUTTERS — Vapor trails mark the alignment of British jets as the Royal Air Force acrobatic team heads skyward in a neat loop maneuver over its English base. The Hawker Hunter jet fighter planes are scheduled to display their aerial wizardry on a European tour this summer.

Senators Strip Special Powers From Aid Bill

'Double Cross' Cried by Humphrey in One-Vote Defeat of Proposal

WASHINGTON (AP)—The Senate heeded President Eisenhower's advice last night and stripped its foreign aid bill of a provision which would have given him discretionary power to extend U.S. aid to Communist nations.

Sen. Hubert H. Humphrey (D-Minn.) today attributed to a State Department "double cross" the one-vote defeat of a proposal to permit use of foreign aid funds for Red satellite nations.

He contended the department endorsed and helped to write the proposal as part of the foreign aid bill, but backed down when President Eisenhower decided to ask the authority under separate legislation.

The Senate, after stormy debate voted 43-42 last night to remove the proposed new authority from the \$3,712,500,000 foreign aid bill. It hopes to complete action on the measure by tonight.

Twenty-six Republicans and 17 Democrats joined in rejecting the idea. Twenty-seven Democrats and 15 Republicans voted for it.

FEW EXCEPTED

The proposal would specifically have authorized the President to provide economic or financial assistance to any country except the Soviet Union, Red China and Communist North Korea, if he found such assistance to be in the national interest.

It was designed to help Communist nations.

Bridge Won't Up Rates

CHEBOYGAN (UPI)—The Cheboygan County Tourist and Resort Assn. has voted not to raise rates when the Mackinac Bridge dedication festival is held June 26-28.

Near \$33 Million for Michigan

AF Contracts OK'd

WASHINGTON (AP)—The House Armed Services Committee Thursday gave tentative approval to four Air Force construction projects in Michigan costing \$32,896,000.

The Michigan projects include \$10,673,000 at K. I. Sawyer Municipal Airport, Marquette; \$9,948,000 at Kinross Air Force Base, Sault Ste. Marie; \$8,696,000 at Wurtsmith Air Force Base, Oscoda, and \$3,579,000 at Selfridge Air Force Base Mt. Clemens.

The items are part of the \$1,684,361,000 military public works authorization bill for the year beginning July 1. Congress will have to appropriate funds later.

First Labor Disputes Erupt at Chrysler, Fisher Plants

DETROIT (UPI)—The first disputes in auto plants working without a contract have erupted but the United Auto Workers said today its orders to stay on the job still stand.

The trouble came yesterday in Chrysler plants across the nation and at the Fisher Body stamping plant of General Motors at West Mifflin, Pa., near Pittsburgh.

President John McCarroll of UAW Local 544 at the West Mifflin Fisher Body plant charged the company had doubled the work of the men on the shipping dock since the GM contract expired last Thursday.

McCarroll and other Local 544 leaders called a one-day "protest" and 2,400 workers walked out. McCarroll ordered the workers back at the 11 p.m. shift last night.

The Chrysler trouble ran deeper. Even before the expiration of Ford and Chrysler contracts last Sunday, Chrysler had been demanding the union cut the number of union plant committeemen and stewards and the company-paid time of these union representatives.

CHRYSLER GRIEVANCE

Chrysler claimed it had paid more union representatives and given them more for their time settling worker grievances than either General Motors or Ford.

When the three companies agreed to keep the plants working without contracts, they all cut the amount of paid time union committeemen could spend off their jobs adjusting worker grievances.

Chrysler slashes were considered more severe based on the previous practice under the contract. Chrysler ruled that committeemen now could spend only 10 hours in labor negotiations each week, at the rate of no more than two hours a day, and that the union representatives must be on their regular jobs during the first hour of their shift, the fifth hour and the eighth hour.

The union committeemen and stewards declared this would make the settlement of worker grievances impossible because grievances must be settled when they occur and some take longer to settle than others. They put the new company procedure to a test and yesterday the company took action.

Chrysler suspended a union-estimated 250 union plant committeemen and stewards for "disciplinary" reasons. Most of the suspensions were for one day and most were in the Detroit area and at the Los Angeles assembly plant.

The UAW reports the great majority of its members solidly behind its policy of giving the companies no opportunity to close down the plants—while selling off a surplus of cars—and avoiding the payment of supplemental unemployment benefits and unemployment compensation.

The UAW held contract negotiations yesterday with GM, Ford, Chrysler and American Motors. The meetings were short and no progress was reported. The UAW scheduled more meetings today at GM and Ford. Chrysler adjourned negotiations until Monday.

The UAW reports the great majority of its members solidly behind its policy of giving the companies no opportunity to close down the plants—while selling off a surplus of cars—and avoiding the payment of supplemental unemployment benefits and unemployment compensation.

The Pontiac General Hospital medical staff today had not filed charges against Dr. Neil H. Sullenberger, and it appeared uncertain when the action would be taken.

Over the staff's objections, the Board of Trustees on May 26 ordered charges brought within 10 days for a hearing at which the ousted staff-surgeon's Nov. 13 suspension would either be reversed or made permanent.

No charges have been filed as yet, said Harold B. Culer, trustee temporarily coordinating the hospital's administration.

Charges are being developed, but what their immediate future will be is not definite, according to an attorney for the medical staff.

"At the moment I don't know when they will be ready, how they will be presented or to whom," said the attorney, Dean G. Beier. "I can only say that there will be nothing on hand for anyone to make a decision with until Monday."

Euler said a special board meeting may be called Monday night. Board Chairman Willis M. Brewer, out of town until Sunday afternoon, was not available for comment.

Beier said that when his firm has finished legal preparation of the charges, they will be returned to the staff "to do with as they see fit."

Dr. Sullenberger will be served with the charges one day after the board accepts them, Euler said. "But the board may not necessarily accept them the same day they are received," he advised.

Dr. Sullenberger requested the hearing after his suit for \$250,000 damages and reinstatement on the staff was tossed out of Circuit Court. He has also filed a claim to appeal dismissal of the suit to the State Supreme Court this fall.

The staff has gone on record opposing a board hearing until the high court appeal is finished.

In spite of that, the board passed a resolution that the charges be filed "within a period of 10 days," that a copy "be served upon Dr. Sullenberger within 24 hours thereafter," and that "a date not later than 10 days thereafter be fixed by this board for a hearing."

House Elects to Extend Levy on Commodities

Amendments Barred by Voice Vote to Continue Wartime Rates

WASHINGTON (AP)—House passage of a bill to extend corporation income and excise tax rates opened the way today for a Senate floor battle over cuts in these and other levies.

Amendments were barred as the House voted yesterday to continue the taxes for another year at their wartime rates, thus avoiding a \$2,600,000,000 drop in revenue.

That move failed and the bill was passed by voice vote.

Revenue measures must originate in the House. The Senate can not start a tax bill, but can amend one.

Little or no Senate change is expected, but the one considered most likely is repeal of wartime transportation taxes.

A number of leading businessmen have given qualified backing to tax cutting as an anti-recession measure.

But even as their views were made public yesterday, the House voted to continue present tax rates on corporation income and certain items such as automobiles, cigarettes, whisky, beer and wine.

IKE SWINGS HOUSE

Although many House members would like to cut taxes this election year, they went along with the decision of their leaders and the Eisenhower administration against any reduction at this session. The main reason: prospective big budget deficits.

Sen. George A. Smathers (D-Fla.) who will sponsor any Senate amendment, told a reporter today he was optimistic about its chances.

Chairman Harry F. Byrd (D-Va.) of the Finance Committee conceded that the transportation tax amendment would give him the most trouble. He said he would appeal to the Senate to (Continued on Page 2, Col. 2)

Clerk-Register Merger Would Write History

By GEORGE T. TRUMBULL JR.

Oakland County's four circuit judges might be making a historical move this month when they appoint a successor to Lynn D. Allen, county clerk before his death May 31.

It will be historical if the Board of Supervisors one week from today approves a recommended merger of the clerk's office with the register of deeds position.

If they do, in all probability the judges will be naming a person to direct both offices.

Supervisors yesterday, meeting as a committee-of-the-whole in Detroit, heard the Special County

Government Study Committee propose the merger "in the interests of efficiency as well as economy."

Although there was no open discussion on the proposal it stirred comment among the Oakland supervisors gathered at the Veteran's Memorial Building.

"It undoubtedly will have opposition from both parties," declared Delos Hamlin, chairman of the board.

Supervisors have scheduled a June 13 special meeting to discuss and probably vote on the move.

John L. Carey, chairman of the study committee created last October, said the two county posts

are interrelated. "Combining them will mean a saving between \$11,000 and \$14,000 a year," Carey told his fellow supervisors.

This was the first major step taken by the committee since it was named to see how Oakland County government might be given a "new look" in operational efficiency.

Carey and Hamlin met briefly this morning with Judges H. Russell Holland, Frank L. Doty and Clark J. Adams to explain the new proposition. Judge George G. Hartwick is on a Texas vacation and is not expected to return until June 16.

The three judges agreed this morning not to name Allen's successor until after next Friday's Supervisors' meeting.

"Then we will make an appointment according to their action," said Judge Holland, presiding this term.

Corporation Counsel Harry J. Merritt was asked by the judges to check the law as to when the (Continued on Page 2, Col. 3)

Reschedule Road Projects to Aid City Traffic Flow

The State Highway Department has slightly rescheduled state trunkline improvements in Pontiac this summer for the convenience of local traffic.

Rescheduled are projects on Opdyke road (M24) on the eastern city limits and Telegraph road (M58) on the western.

The highway department hopes to coordinate these two projects while the city's major trunkline improvement, the widening and repaving of Perry street (M24-business), is under way, said Samuel J. Levine, metropolitan traffic engineer.

"The idea is to keep the trunklines as open as possible during this summer's construction," Levine said.

PERRY STREET CLOSED

Perry street will be closed to through traffic until late fall, when the highway department expects to open it as a four-lane divided highway from downtown Pontiac to the northeastern city limits.

In the meantime, the major northeast detour is Auburn avenue (M58) and that portion of Opdyke road between Auburn on

the south and Walton boulevard on the north.

This section of Opdyke, however, is part of a widening and repaving project that extends from Walton to Square Lake road.

"We have asked the contractors to concentrate on first completing the section from Auburn to Walton, so that detour traffic will be affected by the construction for as short a period as possible," said Levine.

He said, too, that the Opdyke work would be handled so as to keep two lanes open to moving traffic.

The Telegraph project, calling for repaving from W. Huron street (M59) to James K. boulevard, will not be undertaken until after the Aug. 1 completion date of the Opdyke job, Levine said.

NO DOUBLE TIEUP

"That will mean that traffic won't be tied up on both sides of the city at the same time," he pointed out.

Letting of the Telegraph contract, originally scheduled for this week, has been postponed to next month, Levine said.

In the meantime, plans are being revised to add an additional south-bound lane north of Huron on the Waterford Township side of the road.

"This will give us four lanes there, one for right turns, another for left turns and two for through traffic," Levine said.

That Chill in the Air Will Ease Saturday

The weatherman predicts fair tonight, and a little warmer to-morrow. Tonight's low will be about 42-46.

For the next five days temperatures will average 3-4 degrees below the normal high of 77 and the normal low of 57.

Tomorrow will be warmer with a high of 70-74 and a low to-morrow night of 50-54. Sunday and Monday will be cooler with Tuesday and Wednesday warm again.

Precipitation will total one-fourth inch or less in scattered showers Sunday and again about Wednesday.

The lowest temperature preceding 8 a.m. in downtown Pontiac was 42 degrees. The reading was 65 at 1 p.m.

Largest Ship on Lakes to Be Launched

729-FOOT GIANT — The longest and largest ship ever built on the Great Lakes will be launched tomorrow in River Rouge. It is the ore carrier S. S. Edmund Fitzgerald, 729 feet long, 75 feet wide and weighing 7,500 tons. It is longer than Detroit's 47-story Penobscot Building is tall. The eight million dollar ship is 13 feet longer

than any other now operating on the Great Lakes and within a foot of the maximum length which Army engineers will permit to pass through the Soo locks. The ship, built for the Northwestern Mutual Life Insurance Co., will be operated on lease by Oglebay Norton Co., of Cleveland.

AEC Chairman Resigns Post

Strauss Decision Gets Mixed Reaction From Congressmen

WASHINGTON (AP)—Lewis L. Strauss, chairman of the Atomic Energy Commission, has decided to leave the post which has embroiled him in a series of controversies.

Strauss' decision was announced by the White House yesterday. He leaves June 30 when his five-year term ends.

There was no immediate word on his successor.

Writes Ike
Strauss gave no specific reason for his decision. But he said in a letter to President Eisenhower that he believed "circumstances beyond the control of either of us make a change in the chairmanship of the commission advisable."

This could have been an allusion to speculation that his resignation might run into stiff opposition in the Senate.

Capitol Hill reaction to his decision was mixed, with some Congress members lauding his "great contributions" and others voicing pleasure at his impending departure.

The 62-year-old Strauss, a former New York banker, also will give up his post as special adviser to Eisenhower on atomic energy matters. But he will become the President's special assistant in charge of promoting the atom-for-peace program. As such, he will lead the U.S. delegation to an international scientific conference on peaceful uses of atomic energy in Geneva, Switzerland, next September.

For the past several months, he reportedly has been locked in a dispute with Secretary of State Dulles over U.S. policy on nuclear testing.

Hazel Park Woman Dies After Accident

HAZEL PARK — Injuries suffered when she was struck by a car Monday evening proved fatal yesterday to Mrs. Sally Smith, 65, of 1010 Bernard St., Hazel Park. She died at Holy Cross Hospital in Detroit.

Mrs. Smith was hit by a car while crossing E. Eight Mile road just north of Greeley in Detroit. The driver, George R. Patrick, 20, of Allen Park, was not held.

Accidents Top Diseases

NEW YORK — Accidents currently take the lives of about 4800 children a year in the 1-10 age bracket, more than twice the death toll from pneumonia and influenza in this age group.

Clear and Cool East of Rockies, Wet Near Gulf

By THE ASSOCIATED PRESS

It was clear and cool across northern areas from the Rockies to New England today while wet and humid weather dominated sections from Texas into the Gulf states.

The cold Canadian air, moving southward from east of the Rockies, extended from the Ohio River westward to northern Oklahoma. The eastern boundary of the cool air mass was the Alleghenies. Chilly weather continued in New England.

Showers sprinkled areas along the southern edge of the cold air extending from southern Missouri and northern Arkansas eastward along the Ohio River Valley. However, no violent weather was reported in areas marking the clash of the contrasting air masses.

BRIEFING NEW LAKE DEPUTIES—Oakland County Sheriff Frank W. Irons and Oakland County Assistant Prosecutor Robert Long (standing l-r) explain the new boat laws to two men who will be deputized to patrol Oakland County lakes. John Crane, who will patrol Pine Lake, and Eugene Nowak, handling White Lake, were two of 25 men who volunteered to enforce the new boat registration and operation laws. At a meeting last night at the Sheriff's Department, officials briefed the men on their duties and responsibilities as uniformed deputies.

Special Boat Patrol Deputies on Area Lakes Get Training

Some two dozen men interested in bringing safer operation of motorboats to area lakes, met last night at the Oakland County Sheriff's Department to undergo a training period prior to their becoming special sheriff's deputies Saturday morning.

Oakland County Sheriff Frank W. Irons and Robert Long, of the Oakland County Prosecutor's office, explained major points in the new state law requiring registration numbers for watercraft on inland lakes.

Also covered were the various violations listed in the law, such as "reckless operation," operating a boat while under the influence of intoxicating liquor, and the regulations covering water skiing.

One question asked most frequently concerned what the boat owner would be held responsible for if his boat was ticketed while being operated by a friend or relative.

The operator is the only person who can be lawfully charged and tried for committing a violation.

The new volunteers were briefed on duties and responsibilities as deputies by Deputy Donald Kratt and James H. Rohm, of the Identification Bureau.

The entire group is scheduled to be sworn in at the sheriff's department at 10 a.m. Saturday. They will work primarily on weekends.

The new deputies will be uniformed and use their own boats which will be marked as police boats for patrolling the various lakes.

Pray for Rain and It'll Come Soon in State

ANN ARBOR (AP) — Pray for rain in Michigan and it usually comes before long.

That has been the history of most periods of drought, say University of Michigan climatologists.

They claim this year's drought is the driest since 1880. Their records don't go back any further.

From January through May only 4.90 inches of rain were recorded in this area. That's not enough to make a good puddle.

Only five times in the 78 years since the records have been kept were there less than eight inches during the first five months. Never has there been at least 6.69 inches, second low registered in 1884.

Say the climatologists, however, four of the five previous driest years were followed by rainfall plenty in June.

At least three inches, they say. The flow of rain generally keeps up throughout the summer.

The U-M meteorologists point out that the drought could have been worse. A better than average rainfall last fall was a boon to worried springtime farmers, they say.

Paul M. Reid, director of the Detroit Regional Planning Commission, cited statistics showing the growth of the six-county southeastern Michigan area. Helping to unite the communities to solve their different problems has been the Inter-County Committee, Reid said.

Among the 12 speakers was Sen. L. Harvey Lodge (R-Oakland County) who called for "constitutional improvement" which would give "greater powers" to counties.

Preceding Senator Lodge on the speakers stand was State Highway Commissioner John C. Mackie. Squabbling amongst counties and cities on proposed expressway routes will cause a delay in his five-year construction program, he said.

Rep. Daniel A. Reed of New York, Senior Ways and Means Committee Republican, told the House:

"I'll tell you how to cut taxes. The only way, is to reduce expenditures. The reason we have high taxes is because we here in Congress spend the money. The responsibility rests right here in this Congress."

The Day in Birmingham

Annual Road-E-O Slated by Jaycees Tomorrow

BIRMINGHAM — What Birmingham teenagers know about handling a car, traffic laws and safety rules will be revealed tomorrow at the annual Road-E-O, sponsored by the Junior Chamber of Commerce.

Written tests will be given in the Birmingham High School Fieldhouse lobby at 8 p.m.

Mauri Rose, triple winner at the Indianapolis Speedway, and Bill Cantrell, noted speedboat racer, will judge performances of young drivers on an obstacle course in the high school parking lot.

A plaque will be presented to the winner. He will then be eligible to compete in the state finals in Detroit.

The Road-E-O will be held against a background of old cars and cars of the future, depicting automotive progress.

At a special program Sunday

evening, 16 area high school seniors will be honored by the Senior and Junior Pilgrim Fellowship groups of the Congregational Church in Birmingham.

Parents have been invited to the program and the potluck supper at 6:30 p.m. Several skits, presentations of gifts and a worship service will complete the evening.

The annual meeting of the Cranbrook Music Guild will be held at Cranbrook House Monday.

Prior to the meeting, Mr. and Mrs. Frederick G. Wood will entertain members of the board of trustees at a dinner at their Orchard Lake home.

The second annual business meeting of the Village Woman's Club has been scheduled for 10:30 a.m. Wednesday at Oakland Hills Country Club. A luncheon will be served after which a satirical skit on club activities will be presented.

Mrs. Elise Boulding will be the speaker at 3:30 p.m. Sunday at the Community House for the last in a series of spring talks sponsored by the Birmingham Friends Meeting, a Quaker group.

Former clerk of the Ann Arbor Friends Meeting, Mrs. Boulding will talk on "Beliefs and Practices of the Society of Friends."

James R. Gillen of 2605 Wellington Dr., Franklin, was one of 48 undergraduates at Harvard College to be awarded a John Harvard Scholarship. A graduate of Birmingham High School, James is completing his junior year at Harvard.

Mrs. Pat Carnahan of 2645 W. 14-Mile Rd., Franklin, will be hostess to the Birmingham Gamma Phi Beta sorority at a picnic meeting at 4:30 p.m. Sunday. She will be assisted by Mrs. W. D. Bell and Mrs. Daid Dobson.

Jobless Rate Rises Among Married Men

WASHINGTON — The Labor Department reports that the unemployment rate for married men, relatively stable for about two years, climbed toward the end of 1957.

By December it reached almost

4 per cent—one percentage point above the rate of a year before—and was almost as high as the rate for married women, which changed very little over the year.

Deaths in Pontiac and Nearby Areas

MRS. CLARICE L. COTTINGTON

Mrs. Clarice L. Cottington, 53, of 431 Call-Elizabeth Rd. died yesterday after an illness of several months.

She is survived by her mother, Mrs. Joseph (Florence) Taylor, with whom she made her home. Service will be at 2 p.m. Saturday from Sparks-Griffin Chapel with burial in Waterford Center Cemetery.

VIRGIL G. STRICKLAND

Service for Virgil G. Strickland, 76, of 133 Bagley St. will be at 2 p.m. Monday from the Trinity Baptist Church with burial in Oak Hill Cemetery. His body will be at the Frank Carruthers Funeral Home at 3 p.m. Sunday.

He was a member of the Miller Burial Assn. and Universal Hagers Spiritual Church.

Surviving are two daughters, Mrs. Mary Strickland of Chicago and Mrs. Odessa Strickland of Saginaw; and two sisters, Mrs. Jannie Franklin of Pontiac and Mrs. Mary Brown of Shelby, Miss. Mr. Strickland died Tuesday morning at his home after an illness of several months.

MRS. IDA TUFFELMIRE

Mrs. Ida Tuffelmire of 51 Clarence St. died yesterday after an illness of five months. She was 90. Mrs. Tuffelmire was a member of the Methodist Church.

She leaves a son, Frank Campbell of Detroit; three daughters, Mrs. Minnie Crothers of Drayton Plains, Mrs. Bertha Graves of Sandusky and Mrs. Verna Knox of Colon; 25 grandchildren; 43 great-grandchildren and five great-great-grandchildren.

Service will be at 11 a.m. Monday from Sparks-Griffin Chapel. Her body will be taken to Decker-ville for burial.

ISAAC H. VANDIVERT

Isaac Hood Vandivert, 78, died Wednesday night at the home of his daughter, Mrs. Ralph Marshall of 953 Kettering St.

He was a carpenter and a member of the Baptist Church.

Surviving are his daughter, Mrs. Marshall with whom he made his home, and five grandchildren.

Service will be at 10 a.m. Saturday from the Pursley Funeral Home with burial in Oak Hill Cemetery.

AUGUST BURMEISTER

MARLETTE — Service for August Burmeister, 62, of rural Marlette, will be held at 2 p.m. tomorrow at the Marsh Funeral Home. Burial will be in Siple Cemetery under auspices of the Marlette Legion Post 162.

Mr. Burmeister died Wednesday in the Marlette Community Hospital after a brief illness.

Surviving are five brothers, John of Kingston, Edward and Carl of Pensacola, Fla., George of Mount Clemens and Bruce of Port Huron.

MRS. HAMILTON J. BUTLER

MARLETTE — Service for Mrs. Hamilton J. (Annie) Butler, 91, a former resident of Marlette who died Monday at the home of her daughter, Mrs. Earl Grainger in Madison Heights, was held yesterday afternoon at Marsh Funeral Home in Marlette. Burial was in Maple Grove Cemetery, North Branch.

Mrs. Butler was a life member

Deaths Elsewhere

CLEVELAND (U) — John T. Hutchinson, 68, a Great Lakes shipping executive and former president of the Lake Carriers Assn. here, died early today following an operation at St. Vincent Charity Hospital. He was a senior partner in Hutchinson & Co., lake transportation firm whose major traffic is in iron ore, coal and grain. He was elected president of the Lake Carriers Assn. in 1947 and served five one-year terms.

THE PONTIAC PRESS, FRIDAY, JUNE 6, 1958

Break Glass 'for Kicks,' Ask 'Who'd Do That?'

DETROIT (AP)— Gerald Mid-daugh and Sarah N. McDonald, both 21, were held today for malicious destruction of property. Police Lt. Paul Pistle said the two broke windows in 15 business places by firing stones from a sling shot.

Pistle said Mid-augh told him, "We did it just for kicks." He said they broke the window at one downtown bar and then walked in and asked the bartender: "Who would have done a thing like that?"

Michigan Sailor Killed

WEST BRIDGEPORT, Mass.

(UPI) — George Karcher, 19, of Middleville, Mich., was killed yesterday when his car spun out of control, crashed into a tree and flipped over twice. Karcher and two fellow sailors were en route to reassignment at the Brooklyn, N. Y. navy yard when the crash occurred.

Takes Post at Ann Arbor

ANN ARBOR (U) — Robert G. Hall, head of the University of Southern California's department of cinema, will join the educational television and radio center here July 1 as program associate. He will serve for a year on a leave of absence from the university.

About 60 per cent of the people of Guatemala are pure blood Indians.

Writes Hotel Dirty Word

CHICAGO (UPI) — A letter bearing a Confederate flag addressed to the "Hotel Dirty Word" Chicago, has been delivered to its

intended receiver. Postmaster Carl Schroeder said the letter, which delivered to the Sherman Hotel.

I'M RID OF AWFUL ARTHRITIS PAINS

Mrs. Lucille Carey, 215 Lathers St., Garden City, says: "I suffered 12 long years with arthritis and rheumatism so bad I couldn't close my hands, raise my arms, turn my head or even walk. Why my ankles were swollen to about three times their normal size. I even spent 11 weeks in Hot Springs, Arkansas, without much help. I finally learned about O-JIB-WA BITTERS and after taking several bottles, the terrible pains are gone and I feel like a new person. I strongly urge all who suffer to try all-herb O-JIB-WA BITTERS."

Mrs. Carey

Sentences Foes of Nuclear Tests

3 of 5 Yacht Crewmen
Serving 60-Day Terms
for Defying Injunction

HONOLULU (UPD)—The federal government lowered the boom today on five crewmen of the Golden Rule for trying to sail their yacht into the Eniwetok atomic area to protest U. S. Nuclear tests.

Three of the five were sentenced to 60 days in jail yesterday for defying a court order forbidding them to sail their vessel. A fourth was given probation.

The skipper, Albert Bigelow, 52, of Cos Cob, Conn., faced arraignment today. He has been held in jail since Wednesday, when he tried unsuccessfully to cast off.

The three serving 60-day sentences were William R. Huntington, 51, St. James N. Y., Orion Sherwood, 28, Poughkeepsie, N. Y., and George Willoughby, 43, Blackwood Terrace, N. J.

first offense in trying to sail the yacht. All pleaded guilty to the charge of defying a federal injunction.

Parents Shudder as Girl Travels in Red Nations

SAC CITY, Iowa (AP)—Darrel Schultz, lumber firm manager, and his wife will be glad when their daughter Mary, 21, comes back to Iowa from her sojourn in Europe.

Apparently Miss Schultz has been giving her parents jitters with letters about hitchhiking through Communist-dominated countries.

The climax came yesterday when the parents learned from an Associated Press dispatch that Mary and two other American college girls had thumbed their way through Eastern Germany to Berlin.

"It scares the wits out of you," said Schultz but he was happy to learn that they were well treated and enjoyed their venture.

Miss Schultz and one of the girls, Joan Whitehead, 20, of Chicago, are exchange students at the University of Vienna from Clarke College at Dubuque, Iowa. The third is Susan Sloman, 19, of San Francisco.

Expect Jobless Total Below Five Million

WASHINGTON (UPI)—The government was expected to report today that unemployment in May fell below the five million mark for the first time in four months.

But administration economists looked for little improvement in the depressed heavy manufacturing industries which have been the sore spot of the recession.

A long-range forecast by congressional economists predicted there may still be five million unemployed in early 1959 even if there is a good recovery by business in the meantime.

The staff of the joint Congressional Economic Committee said "less rapid recovery could be accompanied by as many as seven million unemployed—or over 10 per cent of the civilian labor force—in the first three months of next year."

The report, made public by Committee Chairman Wright Patman (D-Tex.), said economic activity has "continued to decline and there are as yet few signs of an early upturn."

perience, it seems "unrealistic" to count on a business upturn before the October-December period of this year.

Flag Day Dinner to Pay Tribute to Lynn D. Allen

Missing from this year's Flag Day service at Pontiac Elks Lodge 810 will be the man that for many years inspired similar programs—Lynn D. Allen.

"But the program will go on as scheduled," a spokesman for the lodge said today.

Members have named Mrs. Lynn D. Allen honorary chairman for the 1958 service to be held June 11 at 6:30 at the lodge, 114 Orchard Lake Ave.

Some 300 persons, including 85 or more recently naturalized citizens from Oakland County, are expected to attend the evening dinner and program. Dr. William H. Marbach will deliver the principal address at the 15th consecutive program put on by the Americanism Committee of the lodge.

A eulogy on Allen, for many years chairman of this committee, will be part of the service. Allen, a life member of the lodge and county clerk for the past 25 years, died May 31.

Auto Rate Still 10 Per Cent

Excise Tax Cut Bid Fails for 2 State Congressmen

WASHINGTON (U-P) — Reps. Charles E. Chamberlain (R-Mich.) and Thaddeus M. Machrowicz (D-Mich.) failed in a last-minute bid yesterday to prevent House passage of a bill retaining the 10 per cent auto excise tax.

The Michigan congressmen pleaded with the House to permit the excise tax to drop from 10 per cent to seven per cent. But the House passed a bill continuing the current rate.

Machrowicz, a member of the tax-writing Ways and Means Committee, and Chamberlain have led an intensive five-month fight by Michigan congressmen of both parties for a tax cut.

Chamberlain said the "tail wag" that the automotive industry belongs to Michigan is "a monster gripping the whole economy of the United States by the throat and strangling it."

He contended, "The automobile industry does not belong to the State of Michigan. It belongs to practically every state in the union. And what happens to the automobile industry influences the economy of every part of the United States."

He attacked what he termed opposition by influential Texans to auto tax relief. President Eisen-

hower, Secretary of the Treasury Anderson, Senate Democratic leader Lyndon B. Johnson and House Speaker Sam Rayburn—all Texans—have opposed a reduction.

"These Texans had better realize right now that their cows are in on this too," said Chamberlain.

"The automobile industry consumes 72 per cent of the leather in the United States and the hides of their cows are riding in every back and front seat of every tail-finned automobile."

Machrowicz told the House today's vote would mark "your last opportunity to vote for tax relief in this body unless the Senate takes jurisdiction and we shirk our responsibility."

Machrowicz pointed to 15 per cent unemployment in Michigan at the end of March in arguing for a tax cut.

Tax Form Aid Costs \$4 Million Lower

SEATTLE (AP) — Uncle Sam figures he has lopped nearly four million dollars off the amount he spends each year helping taxpayers prepare their income tax returns.

O. Gordon Delk, deputy commissioner of internal revenue, said today the saving has been made possible through a program of taxpayer education.

In a speech prepared for the Western Regional Conference of the Controllers Institute of America, Delk said: "In the 1955 filing period, 14,500,000 individuals sought Internal Revenue Service help in making out their returns. For the 1958 period, the figure dropped to 11 million."

Three years ago, he added, the service spent an estimated \$6,800,000 in assigning 12,000 employees to help taxpayers. This year, he said, only 7,300 employees were needed for the job and costs fell to less than three million dollars.

The educational program has included books, pamphlets, publicity and the assistance of lawyers and accountants in telling in simple language how to file tax returns.

Car Goes Berserk, Runs Over Cliff; Woman Safe

ROLLING HILLS, Calif. (AP)—The gas pedal of Mrs. Sarah Van Renterghen's car stuck when she started the sedan in a garage.

The car crashed through the end of the garage, knocked over a tree and plunged over a 400-foot cliff.

Neighbors found Mrs. Renterghen, 63, climbing up the cliff. She was treated for bruises and scratches. The car was demolished.

STORY HEADLINE

Pullman Fares Cut by Kansas Railroad

KANSAS CITY (AP)—The Kansas City Southern Railroad is cutting fares again—this time for the benefit of Pullman passengers.

Most other railroads have given up on passenger business. They have discontinued or combined trains or abandoned service on most branches and even on main lines. Buses and airplanes have taken much of the business.

"Our passenger operations are important to us," said W. N. Deramus, the peppery 70-year-old who has been head of the Kansas City Southern since 1940. He once said he hoped to get coach fares down to a cent a mile.

The new fare deal will permit passengers to use Pullmans on regular coach tickets. Estimated saving: 29 per cent.

She Enjoys Life by Giving It the Needle

By PHYLLIS BATTLE

NEW YORK — Forty million women in America will be mystified to learn that Mrs. Earl R. Waddell Jr. of Ft. Worth, Texas, is a gusset lover. It had generally been believed, among the 40 million home seamstresses, that only a gusset could love another gusset. "Ah think that's plain silly," says Mrs. Waddell demurely, "having a fright of a gusset. They're fun and a challenge — like zippers, say, and shirring?"

The lady from Texas had walked into the office looking svelte and chic in a homemade creation that even Stanley Marcus would have

approved. She sat down firmly, as a Texan will, and said she was one of the 35 finalists in Singer Sewing Machine's National \$125,000 "Sewall" Contest.

"Ah think that there would be less delinquency if more little girls were taught to make clothes when they're young," she smiled. "Now, like I learned to love sewin' when I was less than 14 — Mama taught me."

"It's as vivid as today, that first dress with the pink and white dotted Swiss top. I cut the pattern from the newspaper, and it was elegant, you know?"

As a result of her enterprise and

elegance, she grew up to marry the "best ketch" in town, Mr. Earl Waddell. She now has three children, is president of the local PTA, an active church and clubwoman and a living testimonial to the fact that life can be beautiful if you give it the needle.

"I've been needlin' my daughter Jan to take up sewing too, and she loves it," says Mrs. W. "I find that if mama thinks sewin's fun, then daughter will too."

"Course, it spoils the fun for the child if you're too meticulous and expect all the time so I throw things together, as if it were a breeze, so she won't get dis-

couraged. That's what makes her stick with it."

As one of the potential money-winning seamstresses in Singer's contest, Mrs. Waddell considers herself a bit lucky.

"Imagine making money from doing something you just love. This dress I'm wearin' now is the one that got me in the contest. It took about 40 hours to make — usually I don't spend half that much time. But I loved every minute of the so-called work that went into it."

"Honestly, ah tell you I get irritated at my other duties at the house, cause they keep me away from sewing. Often I have to wake up at 5 o'clock in the mornin' to

get my work done, but it's worth it."

Does Mrs. Waddell consider herself a "typical home seamstress?"

"Ah guess so," she says thoughtfully. "All of us, we do it as a creative outlet, more than to save the money. Why, even if my husband had an oil well, I'd go right on sewin' — sure would."

For some people, the gusher will never replace the old-fashioned gusset.

California is the only state in the U.S. so far to successfully raise almonds in commercial quantities.

Search Plane for Bomb at Willow Run Airport

DETROIT (UPI) — A Capital Airlines four engine Viscount scheduled for a flight to New York was delayed for an hour and a half last night by a bomb scare.

State Police, FBI agents, postal authorities and airlines employees evacuated the passengers and searched the mail and luggage after someone called the Capital reservations desk at Willow Run Airport and said "There's a rock on flight 228."

The plane was due to take off at 7:30 p.m. (EST) but wasn't cleared to leave until 9:10 p.m. Authorities said there was no way to check on the unidentified hoaxer who made the call.

New Mexico's first civilian territorial governor, Charles Bent, was scalped and murdered in his home in Taos during a brief Indian uprising in 1847.

Harrisville Aids Italian Waif

Community Adopts Girl, 7

HARRISVILLE (UPI) — The Northeastern Michigan community of Harrisville has adopted a seven-year-old Italian girl under the foster parents' plan.

The financial "adoption" of Concettina Catinello was the idea of Mrs. R. K. Jimison of Harrisville, who collected the \$180 needed to support the child for a year.

The money came from individuals, church groups and clubs in the town.

Concettina lives in Siracusa, a small village on the island of Sicily—roughly 5,000 miles from Harrisville.

She, her widowed mother, her brother and two sisters live in a room and kitchen of a housing project. Their only furnishings are beds, a chest, a table and some chairs.

MARILYN MCKENZIE

Past worthy adviser of Lake Orion Assembly No. 51, Marilyn McKenzie of Lake Orion has been appointed to the State Junior Executive Committee of the Order of Rainbow Girls in Michigan. Daughter of Mr. and Mrs. Gordon J. McKenzie, 526 Bagley Dr., she received her appointment during a three-day 30th Grand Assembly session at the Masonic Temple in Detroit.

Stevenson to Speak at MSU Graduation

EAST LANSING (AP)—Adlai E. Stevenson and Prentiss M. Brown will be among five recipients of honorary degrees at the Michigan State University Commencement Sunday.

Stevenson is booked as commencement speaker. He was Democratic nominee for president in 1952 and 1956 and is a former Illinois governor.

Brown, a former U. S. senator, is chairman of the Mackinac Bridge Authority. Both will be

awarded honorary doctor of laws degrees.

Similar honors will go to Walter E. Heston, genetics researcher for the National Cancer Institute, and to Forest H. Akers, a former member of the State Board of Agriculture, MSU governing body.

It was announced yesterday that William F. Uhl, board chairman and managing partner in two Boston engineering firms, will receive an honorary doctor of engineering degree.

10,000 copies of the Russian Bible were printed last year in Moscow from mats furnished by the American Bible Society.

Confessions Bare 'Classified Ad' Killing

AARAU, Switzerland — Police in Aarau said that a plasterer and his 21-year-old girl friend had confessed to a "classified advertisement" murder. The couple, Max Maerki, a building worker, and Ragnald Flater, a kitchen maid, are said to have advertised for a used car, with the intention of selecting a victim from among those who replied to the box number. They were charged with killing 30-year-old Peter Stadelmann with a heavy tool and throwing his body into a river.

Stadelmann, who had about \$1000 with him, has never been seen again.

Police said Maerki, 26, was "driven by remorse" to give himself up. They said he was "greatly encouraged" by the girl to commit the crime.

Will Initiate Sonata

ANN ARBOR (AP) — Two movements from an 18th Century trio sonata will get their first modern performance Monday by a University of Michigan ensemble. Written by Jean-Marie LeClair, French violin virtuoso, the sonata is one of many compositions acquired by the university with a \$100,000 grant.

The Japanese government is paying for the price of increased milk to school children to get rid of surplus milk production.

Bosses Day Thursday

Zontians See Movie of Big Game Hunting

Zonta Club of Pontiac held Bosses Day Thursday at Kingsley Inn.

The program was a movie in color and sound, "Hunting of the Cassiar," presented by Howard H. Fitzgerald II. The movies were taken on a recent

hunting expedition in British Columbia. Members of the hunting party were Mr. Fitzgerald, G. E. Wilson Jr., Henry M. Dahlquist Jr. and Harry J. Klingler Jr.

Nine hundred miles from

Vancouver the group began the expedition by pack train from Coldfish Lake where they landed. From their camp they traveled 18 miles on horseback the first day. The second day the group traveled 10 miles.

The pictures showed a herd of rams on the mountainside and the 200-pound Stone sheep taken by the hunters. A close-up showed how nature had protected the animal through its coloring.

An especially colorful sight was the white mountain goat framed by the green of the mountainside. Later the audience was shown one of the goats being skinned.

The fast moving caribou was photographed as well as moose, before being brought down by the hunters.

The sure footedness of the ram was seen as a herd was photographed on an icy slope.

Before the trip ended the foursome had taken two grizzly bears, four sheep, two moose, four caribou and eight goats. Also included was some fishing of rainbow and Dolly Varden trout before the group returned from the wild country by plane.

Welcoming the 70 members and guest was Zonta President Mrs. Chadd Mellinger.

Zonta president Mrs. Chadd Mellinger was photographed with two of the guests of the annual Bosses Day program held by Zonta Club of Pontiac Thursday. They are Howard V. Heldenbrand (left)

and Howard H. Fitzgerald II. Mr. Fitzgerald showed movies, in color and sound, of a recent hunting expedition at the luncheon held at Kingsley Inn.

New Citizens League Plans for Flag Day

Members of the New Citizens League of Pontiac have completed arrangements for participation in the annual Elks' Flag Day program.

The group will sponsor a dinner for the board of directors of the league, to be held in July. Plans were completed when members met Saturday at the Belmont avenue home of Mr. and Mrs. Fred Case.

Philathea Class Meets for Luncheon

First Philathea Class of First Baptist Church met Tuesday at the home of Mrs. John Howden for a cooperative luncheon. Nancy Attwater and Judy Hirsh gave two song selections, with Mrs. Howard Barnett at the piano. Mrs. Gertrude Ostrander and Kyle Wilson also participated in the program.

5 Presbyterian Women's Groups Hold Meetings

Five groups of the Women's Association of United Presbyterian Church met this week.

The Lucille McBane Group met Monday evening at the home of Mrs. Don Shaw of Otsego street.

The Eleanor Van Leirp Group met at the Gerdon street home of Mrs. Carl Buckner Monday evening and the Margery Peters Group met Thursday evening at the home of Mrs. Earl Shepherd of Summit street.

The Mary Jo McCurry Teenage Group met at the Pingree street home of Shirley Cox Thursday evening, and the Eleanor Creswell and Ann McGeough Groups met Thursday afternoon at the Rattall Lake home of Mrs. Gerald Schultz.

Lois Kramer Announces Attendants

Lois Kramer, whose wedding to Richard Reynolds will be an event of June 28, was honored at a shower at the North Merrimac street home of Rita Anne Flicker.

Miss Kramer, daughter of the Leon Kramers of Jordan road, announced her attendants. Mrs. Robert Alessi will be her matron of honor with Mary Anne Reynolds and Rita Anne Flicker as bridesmaids.

Guests attending the Wednesday evening affair were Mrs. Raymond Moorman of Flint; Mrs. Leon Kramer, Mrs. Thomas Thornberry, Mrs. Robert Alessi, Mrs. Louis Coyle, Mrs. Ernest Prunte, Mrs. Noble Meredith, Mrs. Milton Vavere, Mrs. Melvin McKinnon, Mrs. Robert Flicker, Patricia Phelps, Mary Catherine Donohue, Mary Anne Reynolds, Norma Henry, J. Widdis, Joan McMahon, Dianne Flicker and Marcee Hill.

Faculty Fetes Retiring City Science Teacher

Milton H. Young, science teacher who is retiring after 30 years of teaching at Eastern Junior High School, was honored with a dinner at Greenfield's Restaurant in Birmingham by the school faculty.

Mr. Young was presented with a casting rod and reel as a gift from the teachers at the Wednesday event. Ellsworth Stury, assistant principal, made the presentation.

Special guests who attended the dinner as former teaching associates of Mr. Young were Helen Lapsch, Margaret McLoon, Mrs. John Windiate, Mrs. Harry Hammerback, Ora Halenbeck, Mr. and Mrs. H. G. Richardson, and Katherine Baker.

Leal Emes Group Meets for Picnic

For their last meeting of the season, the Leal Emes Group of the First Presbyterian Church held a picnic Wednesday evening at the Washington street home of Mrs. Lawrence McDowell.

Participating in the program were Ethel Graham, Mrs. McDowell, Mrs. Paul Salter and Eleanor Kellogg. Guests attending were Mrs. Eleanor Zeitler, Mrs. Alice Croy, Jean Miller, Patricia Bennett and Helen Crawford.

Personal News of Interest in Pontiac Area

Mr. and Mrs. Samuel Harrison of Linden road have returned from New York City where they attended the wedding of their daughter, Joan, to Alec Fila of Passaic, N.J. at St. Patrick's Cathedral. Parents of the bridegroom are Mr. and Mrs. Jack Fila of Passaic, N.J.

After a week's visit at the James K boulevard home of his parents, Dr. and Mrs. Maurice Thome, Joel Thome left for Pittsburgh where he will be percussionist with the American Wind Ensemble. The group is under the direction of Robert Boudreau.

Former Pontiac resident Keith Felcyn of Milwaukee, Wis., is visiting friends in this area. He is staying with former roommate, James Land of Watkins Lake.

Mr. and Mrs. Verne C. Hampton of Cherokee road and Mr. and Mrs. John C. Peck of Lincoln avenue left today to attend commencement exercises of the Hamptons' son, Verne C. Hampton II, at University of Virginia. He is graduating from the School of Law.

The 40th wedding anniversary of Mr. and Mrs. V. H. Hancock of Illinois avenue will be celebrated with an open house to be held from 2-5 p.m. Sunday.

Mr. and Mrs. Ericson Lewis of Chippewa road and

Mr. and Mrs. Richard E. Lewis of Minneapolis, Minn., will leave this weekend for Philadelphia to attend the graduation of Robert T. Lewis from the University of Pennsylvania on June 11.

Leaving Thursday morning for the Knights of Columbus State Convention at Mackinac Island were the Rev. Richard W. Thomas, chaplain; Mr. and Mrs. John Lindgren, the Fred Huots, and Mr. and Mrs. Duane Heaton. The convention is being held June 5-7. The group will return Sunday.

Robert Gordon, son of Dr. and Mrs. William Gordon of Dwight avenue will graduate from Michigan State University Sunday. He will be commissioned in the U.S. Army as a second lieutenant and will receive his bachelor of science degree in business administration.

Graduating from Taylor University, Upland, Ind., Saturday is David W. Richards, son of Mr. and Mrs. W. R. Richards of West Chicago avenue. He will receive a bachelor of arts degree.

Installed into Delta Sigma Pi, international professional commerce and business administration fraternity at Wayne State University, was Robert W. Wright, son of Mr. and Mrs. J. E. Wright of Lakeview avenue. He will represent the fraternity on the business administration student council.

Mr. and Mrs. Sam Sharako of Barrington road announce the birth of a son, Samuel Keith, June 2 at St. Joseph Mercy Hospital.

Sorority Dinner Is Held

Mrs. David Golden, state president of Alpha Delta Kappa, discussed "Experiences and Growth of Alpha Delta Kappa" at the first joint dinner-meeting of area chapters held Thursday evening at Devon Gables. Members of Zeta Chapter of Pontiac were hostesses for the affair.

Six area chapters including Zeta and Epsilon Chapters of Pontiac were named to the honor roll chapters of the state. Mrs. E. Cleo Wiley is president of Zeta and Mrs. Lola Sandage is president of Epsilon.

Taking part in the evening's events were Mrs. Edward Lealand, general chairman; Ruth Wright, and state convention chairman Mrs. Marion Hunter of Oak Park.

Plans for the state convention to be held Sept. 20 at Kellogg Center, East Lansing, were announced.

Committee heads for the occasion were Mrs. Wiley, Mrs. Hesper Polk, retiring president of Zeta Chapter; Mrs. Joyce Jones and Mrs. Ross Tenny.

All 16 area chapters were represented at the event.

Three Weddings Planned**Showers for Brides-to-Be Spark Birmingham Scene**

BIRMINGHAM—At a beautifully appointed tea in East Lansing Saturday, Heather Ann Hutchins' engagement to William John Whitcroft was announced.

Heather is the daughter of Dr. and Mrs. Clare E. Hutchins of East Lansing. She was graduated from Branksome Hall, Toronto, Ont., and from the University of Michigan where she was a member of collegiate Sorosis.

Her fiancé was graduated from Purdue University where he also received a B. S. degree in engineering. He is the son of Mrs. Clarence E. Whitcroft of Graefield road, Birmingham, and the late Mr. Whitcroft.

Elizabeth Ann Kirk, daughter of Mrs. A. Dale Kirk, who will be married June 21 to Ensign John W. Cramer Jr. of North Tonawanda, N. Y., was honored at an evening shower Thursday. Hostesses were Mrs. Vincent E. Watkins and Mrs. Earl Bartholomew. The shower was given in the Watkins' home on Henley drive.

Mrs. George Jacobi and Mrs. Howard B. Stegall will give the next party for Elizabeth June 17, a luncheon at Orchard Lake Country Club.

SHOWERS PLANNED
Patricia Jackson, a 1958 graduate of Vassar College, has a busy

schedule before her marriage June 21 to Lt. Richard N. George of Watertown, N. Y.

She will be honored next Thursday at a dessert luncheon and shower with Mrs. Donald B. Howarth as hostess, and again on June 16 when Mrs. Genaro A. Florez and her daughter, Jean, will give a luncheon and kitchen shower.

Mrs. George Schatz of Newport, R. I. who will come to be matron of honor, will give the spinster dinner June 19. She will visit her mother, Mrs. Andrew Klein, over that weekend.

The bridegroom-elect's parents, Dr. and Mrs. Wendell D. George of Watertown, N. Y., will give the rehearsal dinner the evening before the wedding at Rotunda Inn. The bride-elect is the daughter of Mr. and Mrs. William H. Jackson of Oakland avenue.

TEA AT DODDS HOME

Mrs. Bruce Dodds and her daughter, Mrs. Robert Elkins were hostesses at a tea Thursday in the Dodds home on Rudgate.

Mr. and Mrs. Elkins and their family have come from their former home in Towson, Md., to live in Birmingham.

Mrs. Richard Wagner entertained new members of the Junior Goodwill Industries Monday in her home on Abbey road.

NOW...FAMOUS GENERAL ELECTRIC

KEYBOARD COOKING IN THIS ALL-NEW

LOW PRICED SPACEMAKER MODEL

Up to now, G-E Keyboard Cooking has been available only on the highest priced G-E Ranges.

But with today's introduction of this new Spacemaker, you get the convenience of true Keyboard Cooking at a price you'd ordinarily pay for an "economy model."

It's not a "last year's" model... not a stripped down range... not a "loss leader." It's a brand new model never before shown at any G-E dealer's. When you visit your nearest G-E dealer you'll see all the "top-of-the-line" features you get in this new model G-E Spacemaker.

5 KEYBOARD CONTROLS for EACH SURFACE UNIT
Touch a key to switch units on for any degree of heat. Keyboard is up top... away from little fingers... easy to reach and use when hands are full. Indicator light tells when units are on.

OVEN DOOR LIFTS OFF for EASY OVEN CLEANING
The whole door lifts clear off so you can reach into the oven easily. All corners are rounded so soil can't hide in crevices. Flood light flashes on when you open the door.

FOCUSED HEAT BROILER COOKS LIKE CHARCOAL
Bright curved reflector concentrates broiler heat on the food with searchlight intensity... sears meat quickly to seal juices in. Broiler rack is easy-to-clean chrome.

BEAUTIFUL LIGHTED CONTROL PANEL
Glass and porcelain enamel panel conceals glare-free fluorescent floodlight. Has oven switches and timer clock... two appliance outlets, one of which has timer control... like the more expensive ranges.

AUTOMATIC OVEN... JUST SET AND FORGET
Three simple settings control oven heat and time automatically. Control dial even resets itself automatically. Set it for Broil, Bake or Time Bake.

NO DRIP TOP AND REMOVABLE SURFACE PANS
The raised edge all around the cooking surface keeps drips and spills from running down. Each surface unit is hinged and the reflector pans lift out for washing just like a dish.

ONLY \$238 A WEEK

with trade, after an easy down payment based on distributor's suggested retail price.

NEW COMPANION MODEL AT A BUDGET PRICE

Same removable oven door... same No-Drip top... same hi-speed surface units... same full width oven... same accurate oven timer... in this super-low-priced Spacemaker Range. Easy push-button controls, handsome control panel. A delightfully styled, really serviceable automatic range...

\$219.95 FULL PRICE with trade-in based on distributor's suggested retail price.

SPECIAL FOR PILLSBURY BAKE-OFF CONTESTANTS

Not only can a new G-E Range help you bake better (it's the official range for the Pillsbury Bake-off) but if you buy now the total purchase price of your G-E Range will be refunded if you're a finalist in the Pillsbury Bake-off. And G-E will also present you with a \$1,000 U.S. Savings Bond! Even if you don't win... G-E has a certificate for you worth \$100 toward the purchase of a G-E Range!

Kingsbury School Head
Has Testimonial Dinner

METAMORA — Richard Delano, director of Kingsbury School, independent school near Metamora, was honored Tuesday evening at a testimonial dinner at the Metamora Club. The affair was attended by 90 parents of Kings-

bury students, and school trustees. Charles Backus was toastmaster. Officers elected by the Parents Club were: Douglas Fraser of Rochester, president; Mrs. Robert Myers, Lapeer, vice president; Mrs. Edward Gates, Ortonville, secretary; Mrs. George Mitchell of Oxford, treasurer. Outgoing president is Mrs. William Hedberg.

Board Resolves
Election Issues

Three Incumbents in
Romeo School Posts
to Run Again

ROME — Meeting in regular session last night, the Romeo School Board made a number of decisions on such matters as Monday's annual school election and high school graduation Thursday evening.

Three incumbents are running for the positions they now hold on the board. Philip A. Berthiaume is seeking re-election to his second three-year term. John Sowell is running for the post to which he was appointed last summer. It will be a two-year term. Clyde Hotchkiss, also appointed last August, is a candidate for the one-year unexpired term of Charles Myers.

The board will meet Tuesday night to canvass the votes. A light turnout is expected in all three precincts.

Approval of 103 seniors for graduation Thursday night in Memorial Stadium — weather permitting — was given by the board.

Three new teachers were hired and superintendent T. C. Filpula's recommendations that one more junior and one senior high instructor be added to the teaching staff was backed by a unanimous vote.

A letter addressed to retiring high school principal Harold F. Barr by the Parent-Teacher-Student Organization in the high school was read into the minutes of the meeting. It commended the administrator for his cooperation with the P.T.S.O. and for his "understanding and sympathetic approach to student problems."

Oxford Church Readies
Building Fund Campaign

OXFORD — The Immanuel Congregational Church in Oxford this week is making final preparation for its campaign to raise funds to build a new church.

After studying recommendations of church consultant Dr. John R. Scottford of New York City and the Birmingham architectural firm of John Roth & Sons, Inc., the Planning Committee of the church has agreed on plans for an educational building and fellowship hall, costing an estimated \$69,000.

A goal of \$78,550 has been set for the drive, \$9,550 of which would be used to retire property debts of the church.

The new building would provide facilities for a nursery, church school classrooms, choir room, rest rooms and a women's lounge.

The plan also includes a dining room seating 200 persons, a modern kitchen and storage space.

The Rev. Harris Heverly of New York City, a member of the Board of Home Missions of the Congregational and Christian Churches, has been meeting with trustees and committeemen this week to organize the drive.

Following the Sunday morning service, the drive will get under way with 60 canvassers visiting homes of members and friends to take pledges.

Results will be announced at a

social hour at 9:30 p.m. in the church.

The Oxford Immanuel Church was the outgrowth of a series of revival meetings in the Christian

Church then located at the corner of West Burdick and Pontiac streets.

It was organized Feb. 27, 1877. Present pastor of the church is the Rev. A. Robert Harrison.

After Assessments Fought

Road Paving Postponed

WALLED LAKE — Paving of Decker and Leon roads in Wall Lake was postponed indefinitely last night by the Wall Lake City Council.

Action was taken during an informal meeting, called by Mayor William G. Nixon, after residents of the two streets objected to the special assessment rolls for the projects.

About 50 residents in the Decker and Leon street areas attended the public hearing.

Two other street paving projects were approved. They involved Commodore and North Quinly streets.

Councilman Jerry O. Meade urged that people living on gravel streets file petitions immediately to have them paved. Funds will be

available due to the deletion of the other two projects, he said.

Last night's meeting was the last before advertising for special assessment revenue bonds to finance the summer paving program in the city, Mayor Nixon said.

The Decker road portion from Pontiac Trail to West Maple road was slated for paving this year, he said. It would have completed the project begun last summer when the South Commerce to Pontiac Trail length was paved.

The road is heavily traveled, Nixon said. It carries traffic from the north to West Maple.

Oxford Area High
Sets Schedule
for Graduation

OXFORD — Final activities for seniors of Oxford Area Community High School will begin with baccalaureate services at 8 p.m. Sunday. The Rev. A. Robert Harrison, pastor of the Oxford Immanuel Congregational Church, will be the speaker.

The high school chorus will present several numbers and Judy Dautermann will play the processional.

The honors conference will be held at 8 p.m. Tuesday.

Awards will be made to outstanding seniors. Valedictory addresses will be delivered by Mary Hicks and Barbara Mapley. Howard Murrish will give the salutatorian's address. Music will be provided by the high school band.

Commencement will be held for the 82 graduates at 8:15 p.m. Thursday. Speaker will be Dr. Clyde Vroman, dean of admissions at the University of Michigan. A senior ensemble and senior girls' trio will sing. Diplomas will be presented by Carl Buechler, president of the Oxford Board of Education.

County Calendar

New Hudson
The New Hudson Methodist Church will begin its Bible school classes at 9 a.m. Monday. The session for children of the kindergarten through the seventh grades, will continue for two weeks.

Ziem Says JP Violated Law

Should Have Turned In \$70 in Traffic Fines, Prosecutor Declares

Walled Lake Justice of the Peace Herman A. Roth committed "a technical violation" in not turning in some \$70 in traffic fines as soon as required by law, according to Oakland County Prosecutor Frederick C. Ziem.

Ziem said he would decide Monday whether there was cause for a misdemeanor warrant carrying a \$100 fine to be issued against the 45-year-old Roth.

Roth, who has been justice since 1956, met yesterday for two hours in Ziem's office with Gerald A. Terrien, justice court co-ordinator for the county. Walled Lake Mayor William G. Nixon, City Attorney Albert P. Herzog, Police Chief James A. Decker and several attorneys.

The meeting stemmed from a request of Frank S. Szymanski, Michigan auditor general, that Ziem "take appropriate action to insure proper deposit" of traffic fines collected by Roth.

Szymanski's report listed four cases totaling \$120 which, the report said, had not been deposited with the Oakland County treasurer.

"Justice Roth was guilty of a technical violation in that he did not turn in this money pursuant to the statute requiring that the money be submitted within 30 days of collection," Ziem said.

Terrien ruled that a \$50 fine among the four cases cited was not a state law case but a city ordinance violation. Ziem said: "These city ordinance cases, which total more than \$1,000, are a city problem which I won't get into."

Roth said he was negligent in not depositing the state law case money on time, according to Ziem.

Terrien's report to the prosecutor said that "other than being late in reporting, Justice Roth's docket and report seem to be in order and up to date."

To Head Niles School

OWENDALE (U) — Leslie Reynolds, superintendent of the Owendale Community School in Huron County for the past year, will become superintendent of Howard School at Niles July 1.

GERALD HEINTZELMAN

Alumni Banquet Set by Brandon High

ORTONVILLE—The 67th alumni banquet will be held at Brandon High School auditorium at 6:30 p.m. Saturday. The seniors of Brandon High will be guests. Invitations will be given by Howard T. Burt, elementary school principal.

Ronald Sutton will be toastmaster and Merrill Petoskey of Lansing, a former student here, will be the speaker.

Roll call will be by Mrs. Mary Lou Sutton. Mrs. Neal Storum and Mrs. Eva Barron will be memorialists, and Sharon Beckett of Pontiac will present a vocal solo.

The welcoming address to the seniors will be delivered by Barbara Kennaday, and the response will be given by Wayne Dickason.

Timken Roller Bearing Will Spend \$51 Million

CANTON, Ohio (U) — Timken Roller Bearing Co. announced today it is investing \$51 million dollars over a five-year period, including installation of new equipment.

Another \$12½ million will be spent on plants in Australia, Canada and France.

Congress Gives Heuss Ovation After Speech

WASHINGTON (UPI) — Thirteen years ago this month the wrath of the allied nations had swept across Central Europe and the war drums were silent. Germany — its Nazi banners burned and bloody — lay smashed in the ruins.

An old German with snowy hair and a round friendly face recalled it yesterday in a deep guttural accent.

He was Theodor Heuss, president of the Federal Republic of Germany. He stood on the rostrum in the House of Representatives before a joint session of Congress.

They waited for him. First came the members of the House. Then the Senate. Then the

Joint Chiefs of Staff and the Cabinet and the diplomatic corps.

The old German walked down the center aisle and they stood and applauded so that the sound came in waves that broke over him.

He stood before them in the bright flood lights. It was the same place where President Roosevelt once stood and led the United States into war to destroy Germany and the Axis powers.

Heuss spoke earnestly and modestly in German. There was no translator.

He told the crowded chamber that Hitler forced the United States into the war. He recalled the black days of Germany's defeat.

For a moment all the horror and fury of that war was there again. But only for a moment.

"Behind us lie the bad times," the old German said.

"The peoples of the free world possess the moral strength to maintain their position and uphold their ideals. All that is required is to set in motion some of the all pervasive forces inherent in human nature — reason, a sense of proportion and perhaps a little love."

Few understood until they read the speech later. But the last words were in English. The applause followed the old man from the chamber.

Waite's, Union OK 2-Year Agreement

Waite's Department Store and Amalgamated Clothing Workers Local 964 (UAW-CIO) have announced a new two-year agreement after several weeks of negotiation.

Under it, full-time employees can participate in the Central States Joint Board ACW insurance fund and part-time employees get an hourly wage increase.

The agreement can be reopened as far as wages are concerned, next year.

The announcement was made by Helmut O. Wolff, company personnel director, and Mrs. Evelyn Fishwild, local president.

Plastics Plant Opens

CANBERRA — A new polyethylene plastics plant built at Botany in New South Wales at a cost of \$5,062,500 has begun production of a wide variety of products, ranging from unbreakable toys to electronic equipment and building materials.

Wheats Show Weaker Tone

CHICAGO (U) — Wheat futures showed some tendency toward weakness today in early dealings on the Board of Trade while corn and soybean prices were steady to firm.

Price shifts were mostly in minor fractions, but some corn contracts had initial gains near a cent a bushel.

After about an hour, wheat was unchanged to ½ cent a bushel lower, July \$2.84½; corn unchanged to ¼ higher, July \$1.30; oats unchanged to ¼ higher, July 62; rye unchanged to 1 cent higher, July \$1.25½; soybeans 7 to 8 cents a hundred pounds lower, July \$12.20.

The Department of Agriculture reported it has accepted subsidy bids of 20 cents a bushel on 1,819,450 bushels of corn for export on which shipments will be completed by the end of September.

One grain firm noted today that if the 1958 winter and spring wheat yields do exceed a billion bushels, as now seems certain, it will be the 10th time since 1944 that the nation's harvest has gone above that figure.

Prior to 1944 there was only one year when the spring and winter crops reached that figure.
