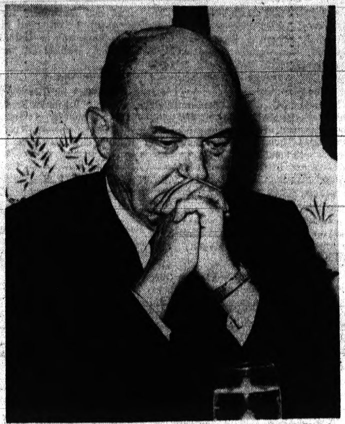
JFK Names NAACP Leader Judge

Seeking Answer in U.N.



AP Photofax

RUSK AT LUNCHEON — Secretary of State Dean Rusk is shown at table at Summit Hotel in New York Friday as he attended the Foreign Press Association luncheon. Rusk meets with Indian Defense Minister V. K. Krishna today in an effort to find a solution to the East-West dispute over the selection of a new U.N. secretary general. Friday Rusk urged the U.N. General Assembly to name "an outstanding world leader" immediately to take over the executive powers of the United Nations.

Red China Question Put High on Assembly Agenda

UNITED NATIONS (UPI) — The question of admitting Red China to the United Nations was slated today for early debate in the General Assembly without prior discussion in committee.

The assembly's steering committee voted last night to send two separate items on the China representation issue directly to the floor of the world parliament.

One item, backed by the United States and the other Western powers, was entitled "The Question of the Representation of China in the United Nations."

* * *

The other was Russia's item, which the Western powers contended prejudged the issue with its title of "Restoration of the Lawful Rights of the People's Republic of China in the United Nations."

The assembly was not expected to take up the China issue until its annual policy debate is finished in perhaps three weeks.

U.S. strategy will be to ask the assembly to declare the issue an "important" question requiring a two-thirds majority for decision. A simple majority, which the Western powers were confident of attaining, was all this would require.

Such a majority, of course, would be more than enough to defeat Russia's effort to bring in the Chinese Communists.

The Western powers hoped to persuade the assembly to appoint a committee to investigate the China representation issue. This would effectively shelve the question for another year.

The Western powers were successful in blocking Russia's demand for a direct assembly debate on Disarmament.

On grounds that the disarmament question will require long and painstaking debate, the West persuaded the steering committee to allocate the item to the 99-nation political committee.

The steering group brushed Soviet objections aside, however, and sent the Hungarian question directly to the assembly.

Occasional Rain, Cool Weather on Sunday Menu

Cloudy and cool with likely occasional rain is the forecast for the Pontiac area tomorrow

* * *

Tonight will be cloudy and cool with a low of 52. Sunday's high will reach near 64. The outlook for Monday is cloudy and continued cool.

Northeast to east winds at 2-15 miles per hour will continue tonight and tomorrow.

Sixty-nine was the lowest recording in downtown Pontiac preceding 8 a.m. The temperature at 2 p.m. was 63.

Michigan Surety Ruled Insolvent

4-3 Decision Gives Firm 2nd Chance, Restores Court Custodian

LANSING (AP)—Michigan Surety Co., center of a storm of controversy, was declared insolvent today by the State Supreme Court.

* * *

But the 4-3 decision gave the Lansing firm, whose business extends into 43 states, another chance to stay alive.

The court ordered restoration of a court-appointed and supervised custodian in a move to salvage the company.

State Insurance Commissioner Frank Blackford had asked for appointment of a receiver to liquidate the company.

The high court also removed the company's Florida real estate holdings as consideration of assets. These, Michigan Surety claimed, gave it a surplus of $840,000.

* * *

The decision reversed a ruling April 14, 1960, by Circuit Judge Louis E. Coash of Ingham County, who restored the company to its officers.

Said Justice Theodore Souris, writing the majority opinion:

"To affirm the chancellor" decree and thereby to release this company from judicial control would constitute in our view an open invitation to plunder its already depleted treasury by officers whose vigilance, diligence and skill are seemingly exercised, not at all for the interest of the public, the company's policy holders and its creditors but solely for the benefit of its corporate parent."

Three other firms, all in Cincinnati, Ohio are under common management with Michigan Surety, Blackford said.

* * *

Blackford said his auditors found the company, which deals in bail bonds and surety bonds, insurance and long range truck shipments, was insolvent at the close of business Dec. 31, 1958. He said it did a $8.84 million annual business.

NLRB Puts Ban on 'Hot-Cargo' Labor Clauses

WASHINGTON (UPI)—The National Labor Relations Board (NLRB) has ruled for the first time that "hot cargo" clauses in Labor - Management contracts are illegal.

The Teamsters' Union widely uses such clauses to allow workers to refrain from handling nonunion goods or merchandise from strike bound firms.

The board's unanimous 5-0 decision Friday was its broadest ban on "hot cargo" agreements since the Taft-Hartley Law provision on such clauses was tightened in 1958.

The board said in its ruling that even the mere existence of a hot cargo agreement without any attempt by the union to enforce it was a violation of the nation's basic labor law.

News Flash

MOSCOW (UPI) — The Soviet Tass News Agency announced today the Russians have successfully test fired another big carrier rocket into the Central Pacific.

U.S. Changing Views Toward E. Germany

BERLIN (AP) — High American officials insisted today they are advising West German leaders to face up to the existence of the East German Communist state.

But an American mission spokesman said there have been no official announcements of this new American attitude.

The spokesman emphasized that refusal to grant the East Germans control of Allied access to Berlin remains firm Western policy.

News reports hinting at a possible Western de facto recognition of East Germany surprised and upset West Germans.

The Berlin newspaper Der Tagesspiegel linked the reports to a background meeting held for newsmen Friday by Gen. Lucius D. Clay, President Kennedy's special envoy to Berlin. In New York, the Columbia Broadcasting System said it was identifying Clay as the source for such stories.

West German policy has been based on the principle that East Germany does not exist as a state and the Communist administration there is illegal. This also has been the policy of Germany's Western Allies.

* * *

The American officials say the people of West Germany and Berlin should now realize that the Communist regime in East Germany is here to stay, at least for some years.

The same sources say the East Germans may eventually have to be given some form of check on civilian use of the Western air corridors between Berlin and West Germany. The East Germans already control all civilian surface movements into Berlin.

The U.S. mission in Berlin issued a terse statement after reports of a new American attitude created a furor among West German politicians and commentators.

'NOT SHIFT IN POLICY'

"An official spokesman of the U.S. mission, in referring to recent news dispatches from Berlin, stated today that there have been no statements made relating to any changes in American policy—which policy has never recognized any right of control or supervision by East Germans of the air corridors or Allied access to Berlin," the statement said.

In the official jargon of West Berlin, "Allied access" means access for the American, British and French occupation forces in Berlin—not for German and foreign civilian travelers.

The statement noticeably omitted any reference to the reported change of mind in the U.S. government concerning de facto recognition of East Germany. Neither did it touch on the suggestion to internationalize Berlin by setting up United Nations headquarters in West Berlin. American officials indicated Friday night the United States might be willing to consider such a proposal if it involved both East and West Berlin.

West Germans were reported highly critical also of this American position.

Bus Segregation Illegal -- ICC

New Ruling Will Apply to Interstate Vehicles, Stations; Starts Nov. 1

WASHINGTON (UPI) — The Interstate Commerce Commission (ICC) has made segregation illegal in interstate buses and the terminals they use.

* * *

The ICC handed down rules Friday that go into effect Nov. 1.

* * *

Beginning on that date, buses in interstate travel must display a sign saying "Seating Aboard This Vehicle Is Without Regard to Race, Color, Creed or National Origin by Order of the Interstate Commerce Commission."

* * *

In Chicago, the national director of the Congress on Racial Equality Friday night hailed the ruling, but he warned it must be enforced.

James Farmer, New York, director of the organization which has sponsored most of the "freedom rides" in the south, spoke before the Chicago Committee on Racial Equality.

He quoted a wartime statement of Sir Winston Churchill following the bombing of Berlin: "The biter is bit."

STATIONS NEED SIGN

The ICC also said interstate buses cannot use terminals unless there is a sign in the terminal saying "Public Notice — Regulations Applicable to Vehicles and Terminal Facilities of Interstate Motor Common Carriers of Passengers by Order of the Interstate Commerce Commission."

The ICC does not regulate bus travel within states, but the new rules will have the effect of making it illegal to segregate intrastate passengers in a terminal used by interstate buses.

But the ICC indicated that the rules would not apply to every independently operated, small-town drug store that sells a few tickets for a bus line.

* * *

However, it said agents which provide terminal facilities for the convenience of interstate passengers would be considered a part of the bus line's terminal facilities.

CENTER OF ATTRACTION — That's the 1962 Pontiac being given a real debut by downtown merchants and the Pontiac Area Chamber of Commerce, sponsors of the "1962 Pontiac Coming-Out Party." The three-day annual fall sales event ended today. Some 2,800 free breakfasts were served to early shoppers during the festivities. The new Pontiac shared center stage with models showing off new fashions. One of them was Elaine Keinert (above), 71 Lorberta Lane. Narrating the show was Mrs. Walter Schlie of the J. C. Penney Co.

Cities Deprived of Suit Immunity

LANSING (AP) — If you're injured by a paint bucket falling from a window ledge at city hall, you can sue the city for negligence.

That's the practical effect of a momentous decision handed down Friday by the State Supreme Court.

By a 5-3 vote, the high court wiped out in Michigan the centuries-old doctrine of government immunity from neglicence suits. It has been applied here since the state entered the Union in 1837 and in some parts of the country since pre-Revolutionary days.

Said Justice George Edwards in the majority opinion:

"We eliminate from the case law of Michigan an ancient rule inherited from the days of absolute monarchy which has been productive of great injustice in the courts."

Ironically, the widow whose suit led to the decision will not be able to collect damages from the city of Detroit.

* * *

The court deadlocked 4-4 on whether Mrs. Charlotte L. Williams can sue the city, thus failing to overturn Circuit Judge Victor J. Baum's ruling that municipal government is immune from suit except in instances specified by state law. Justice Eugene Black supported Edwards but sided with the minority in holding that the decision should apply only in future cases.

Mrs. Williams' husband, a furniture mover, fell down an elevator shaft and was killed while

Cleanup Slow in GM Talks

Attention Shifting Over to Ford as Local-Level Jam Continues

DETROIT (UPI) — Cleaning up the odds and ends of the United Auto Workers - General Motors three-year contract proved slow work today despite a "new approach" by Auto Worker Chief Walter P. Reuther.

* * *

A handful of local disputes were settled Friday as GM officials met with presidents of still-striking locals and international officials of the union.

Attention was gradually shifting to Ford Motor Co., however, and a UAW Executive Board meeting was called for tonight with two matters on the agenda.

The first was the local issues still outstanding at that time against GM.

WASHOUT LIKELY

It appeared likely that the 24-member executive board would "wash out" all of the still unsettled matters and order striking workers back to their jobs.

This was another manifestation of the increased pressure on the 20 still unsettled locals.

The second issue was the request by UAW Vice President Ken Bannon, head of the Ford department of the union, for a strike target date against Ford.

* * *

If the executive board agrees with Bannon that a strike is the only way to get a settlement from the nation's second largest auto firm the target date could be about Oct. 1.

Bay City Central Forced to Work for Victory Here

The powerful Bay City Central football team came to Pontiac Friday for what was supposed to be an easy conquest of Pontiac Central. But the Wolves were hard pressed to gain a 13-0 triumph.

In a stunning upset, Romeo crushed Waterford Kettering, 43-0. Troy spoiled Lake Orion's home game, 46-14, and Waterford upset Lapeer, 14-0.

Clarkston, Bloomfield Hills and Northville posted league victories. Stories of these and other area contests can be found on today's sports pages.

Injuries Fatal to U.N. Guard

Dies Without Giving Clear Data on Crash That Killed Dag

NDOLA, Northern Rhodesia (AP)—Harold M. Julien, U.N. security guard who was the sole survivor of the crash that killed Dag Hammarskjold, died today, Ndola Hospital announced.

* * *

Investigators had hoped Julien would recover sufficiently to give them information that would help determine the cause of the plane crash that killed the U.N. secretary general.

The death of Julien, an American, brought the toll in Monday's crash to 16.

His Cuban-born wife, Maria, was at the hospital. She arrived here early Friday after a 24-hour flight from the United States. Most of the way she traveled in the flying hearse that will take the crash victims to their home countries.

FOUND 15 HOURS LATER

Julian was found Monday afternoon lying face down beside the wreck of Hammarskjold's burned-out DC6B. He had been there nearly 15 hours.

Ever since, he has been kept under heavy sedation to ease the pains of burns and multiple injuries.

A tape recorder was at his bedside to catch anything he could say that might solve the riddle of the wreck. He had been quoted as saying he heard explosions on the plane just before the crash.

* * *

Identification of other victims of the crash was reported held up by lack of communications between Ndola and U.N. headquarters at Leopoldville.

Col. Bjorn Egge, U.N. intelligence chief, went to Salisbury, Southern Rhodesia, to seek permission to put up a radio station.

"We have to try to contact Leopoldville and other parts of the world for information to help identify the bodies," he said.

Marshall Gets Nod for Court of Appeals Post

Negro Attorney Was Mastermind of Strategy for Integration Moves

HYANNIS PORT, Mass. (AP) — President Kennedy today sent to the senate the nomination of Thurgood Marshall, Negro integration legal mastermind, for the Second Circuit Court of Appeals.

The appointment was announced at the summer White House.

Marshall is the second Negro appointed to a Federal Circuit Court of Appeals. The first was Judge William Hastie who now sits on the appellate bench in Philadelphia.

Marshall has been counsel for the National Association for the Advancement of Colored People for many years. The appointment is for life and the salary is $25,000.

Marshall's appointment to the circuit bench in New York was the last of ten circuit appointments filled by President Kennedy.

Marshall will get an interim appointment if the nomination is not confirmed by the Sentte in the closing hours of the 1961 session.

OPPOSITION CERTAIN

Some opposition to Marshall appears certain. The Senate Judiciary Committee, through which his nomination will pass, is headed by Sen, James Eastland, D-Miss., an outspoken foe of the integration cause which Marshall has promoted in and out of courts.

Marshall's nomination, if not acted upon before Congress quits for the year, will still stand at the start of the 1962 session.

Marshall has led the Negro battle for public school integration, before and after the Supreme Court's historic desegregation ruling of 1954.

His nomination was one of a dozen Kennedy planned for district and appellate courts throughout the country. Some will fill vacancies caused by retirements, others new positions created by Congress this year.

Kennedy attended to other business brought about by the imminent adjournment of Congress, in addition to the main task of his weekend on the shore of Nantucket Sound.

The Chief Executive, assisted by special counsel Theodore C. Sorsen, worked over the speech he will deliver to the United Nations on Monday. In that message Kennedy intends to enunciate a firm U.S. policy toward Berlin, disarmament possibilities—and a strong leadership for the United Nations itself.

ARRIVE IN FOG

Accompanied by the First Lady, Kennedy arrived from Washington Friday at fog-draped Otis Air Force Base.

Lt. Col. James B. Swindal, who pilots the presidential jet, skillfully lowered the plane through the soup to a bouncing but safe landing under no more than a 300 foot ceiling of visibility.

The fog was so dense in the

Defeats Attempt to Admit Female Delegates

Episcopal Parley Bars Women

DETROIT (AP) — Women still were on the outside today at the General Convention of the Protestant Episcopal Church, despite a renewed attempt to bring them in.

It was led by the Ven. Dean T. Stevenson, archdeacon of Bethlehem, Pa., who charged that the rule barring women delegates is both unfair and unsound.

* * *

"For too long, we have been giving women second-class citizenship.

"We need the best minds. And if some of these minds are possessed by women, we need them here."

SOME PERMIT

Some dioceses permit women representatives at regional conventions, but the national House of Deputies, made up of laymen and clergymen, has never done so.

The deputies, along with the House of Bishops, make up the two-chamber governing congress of the 3.5-million-member church.

J. Walter Kilpatrick, Houston, Texas, said he agreed that women often have the best minds, but he wouldn't want "them in this house where they would likely be confused."

MOTION DEFEATED

The proposal that the church constitution be amended to make "lay persons" eligible as delegates, instead of "lay men," was defeated late Friday by a heavy majority.

* * *

In the House of Bishops, another recurrent move—to remove the word "Protestant" from the church's official title, also was defeated.

"We are both a Catholic and a Protestant church," declared the

wake of Hurricane Esther that the Kennedys were forced to abandon the usual helicopter shuttle to their shorefront home at Hyannis Port.

Meanwhile in Washington, the Senate also removed another major roadblock to adjournment today but the impasse over President Kennedy's big foreign aid money bill raised doubt Congress could quit this weekend.

The Senate voted 41 to 31 to approve a two-year extension of the program under which Mexican farm laborers are brought into this country to help with the harvests. The measure, which tied up the chamber for two days, was sent to the White House.

Still facing Congress at that point was the aid bill and two other

money measures—the public works bill and a big supplemental appropriations bill for a variety of government programs.

With some lawmakers already leaving the capital, the aid measure was the toughest hurdle. House and Senate negotiators trying to work out a compromise were nearly $540 million apart.

Cancer Finally Conquers Brave Marion Davies

MARION DAVIES

HOLLYWOOD (UPI) — Marion Davies, one of Hollywood's most glamorous stars of the silent screen and pioneer "talkie" movies, died peacefully in Cedars of Lebanon Hospital Friday night after a four-year fight against cancer.

She was 64.

* * *

Miss Davies, a successful businesswoman and leader of charities after her movie carreer, lapsed into a coma last week and came out of it only for fleeting moments since then, hospital attendants reported.

Her physician, Dr. Eliot Corday, said "she was very brave" despite the years of pain and treatment.

* * *

In her final days, the cancer had spread from her jaw and mouth and became general. She knew she had cancer but was not aware it was fatal, it was learned.

HUSBAND AT BEDSIDE

Miss Davies, a czarina of Hollywood's Golden Era, received the last rites of the Roman Catholic church several days ago.

At her bedside when she died were her husband Merchant Marine Capt. Horace Brown Jr., her sister Rose, a niece Patricia Lake, a nephew Charles Lederer, a long-time friend Marie Glendining, a priest, Rev. John O'Donnel, her confessor and personal friend; and doctors and nurses.

Funeral arrangements were pending.

* * *

Miss Davies, who had undergone surgery for cancer of the jaw in several hospitals throughout the nation, died without regaining consciousness at 7 p.m. PDT (9 p.m. Pontiac time).

Radiation therapy had prevented the cancer from spreading until the last days.

The actress had been hospitalized on and off since April 14, when she entered Cedars of Lebanon for diagnostic tests.

* * *

Joseph Kennedy, father of the President, sent three cancer specialists from the East four or five months ago to try to help Miss Dalves, an old friend.

Pair of Bandits Holds Up Man, Flees at Shot

A warning shot failed to halt two thugs last night after they held up a drug store owner in his parked car and robbed him of $1,000.

* * *

The robbery victim was Eugene H. Cole, 52, owner of Cole's Cut Rate, 501 S. Saginaw.

Cole told police he was returning an employe to his home at 194 Prospect and was parked in a driveway at 12:15 a.m. when a man dressed in black and wearing a bandana over his face stepped up to the car and pointed a pistol at Cole.

"Give me the money bag and get out of the car," he ordered.

At the same time an accomplice told the employe, John Lambouris, 13, of 194 Prospect to go into the house.

The gunman reached into the car and took a bag containing $700 in cash and $300 in checks.

* * *

A pistol shot was fired over the heads of the fleeing robbers by William Lambouris, 22, brother of John, who rushed out of the house.

he was working in a building used by the city. His widow asked $135,000 damages for herself and her two children.

State attorneys said the decision should have widespread effects on court decisions and frequency of suits against municipalities. Local governments will be forced to increase liability insurance coverage, they said.

CAN BE REINSTATED

Edwards and the other members of the court agreed that the legislature can reinstate the doctrine by passing a law declaring governments immune from suits.

Lawmakers already have enacted legislation allowing actions to be brought against municipalities for failure to properly maintain streets, sidewalks, bridges and culverts. Another law permits suits for negligent operation of motor vehicles owned by municipalities.

Municipal bus lines and other similar enterprises operating for a profit also may be sued.

Boy's Condition Fair After Car Strikes Him

A 7-year-old boy struck by a car on Auburn Road in Avon Township near his home yesterday was listed in fair condition today at St. Joseph Mercy Hospital.

* * *

Robert Mirovsky Jr., son of Mr. and Mrs. Robert Mirovsky Sr., 2886 Frankston St., suffered head injuries.

Witnesses said he stepped into the path of the car driven by Robert S. Altman, 44, of 15637 Buckingham Road, Birmingham.

Altman told sheriff's deputies he slowed down when he saw two youngsters alongside the road, and was almost stopped when the boy attempted to cross the street directly in front of the car.

Altman was not held.

Oakland Traffic Crashes Hospitalize Three Today

Three persons were hospitalized following two traffic accidents in Oakland County early this morning.

* * *

Mrs. Lydia Belton of 12061 Malberg Road, Shelby Township, is listed in serious condition at Pontiac General Hospital.

She suffered severe facial lacerations and possible internal injuries when a car smashed into a tree alongside Collier Road in Pontiac Township.

Two young men were reported in fair condition at the hospital today after their car crashed into a tree alongside Dixie Highway in Independence Township.

* * *

The driver, Joseph M. Wrabel, 19, of Flint has multiple fractures and lacerations.

His passenger, Ronnie Peters, 20, also of Flint, has possible head injuries, a fractured pelvis and lacerations and fracture to his left leg.

Peters was pinned under the car when it overturned in a field after hitting the tree.

* * *

Witnesses told sheriff's deputies the car was traveling at a high rate of speed and failed to negotiate a curve in the highway.

Link Robbery, Foiled Holdup

Bloomfield Twp. Police Investigate Reports on Two Gunmen

An armed robbery and an attempted holdup which might be related were being investigated today by Bloomfield Township police.

At 10:25 p.m., Charles Bartlett, manager of Wrigley's supermarket in the Maple Plaza Shopping Center, Maple and Telegraph roads, was jumped by two men as he walked to his car in the parking lot.

"Put your hands up and don't say or do anything," Bartlett quoted his assailants.

* * *

The store manager put his hands up, then turned and ran toward his store shouting "Holdup!"

The would-be robbers ran off through an adjacent field with two stockboys from the store in pursuit.

The boys lost the pair. Bartlett called township police.

At 12:40 a.m., two gunmen held up two motorists when their car stopped at a stop sign on Quarton and Telegraph roads, about three-quarters of a mile from the shopping center.

CARRIED AUTOMATICS

Brandishing automatic pistols, the gunmen ordered the driver, Jim Patten, 20, of Taylor Township, and his passenger, Charles Stewart, 40, Dearborn Township, from the car.

The victims were bound and robbed of their wallets containing $23. The hold-up men took the car, left the pair in a field at the intersection and sped south.

Patten and Stewart worked themselves free and telephoned township police from a nearby gas station.

Steel Industry Tells JFK 'No'

Major Producers Say Cannot Make Pledge to Hold Present Prices

HYANNIS PORT, Mass. (AP)—Major U.S. steel producers have given President Kennedy a unanimous "no" to his request for a pledge to hold the steel price line.

They didn't say they would boost prices, but most disputed his contention that they could absorb a coming increase in wage payments and still record ample profits.

The Cape Cod White House Friday released replies of seven companies to the President's letter of Sept. 6 to a dozen leading manufacturers. The other five — U.S. Steel, Bethlehem, Jones and Laughlin, Republic and Colorado fuel and Iron — previously responded.

In effect, stell executives who offered any comment at all suggested government policies were more of an inflationary factor than industry policies.

Officials Spurred by NCA Report

Renew Plea for Use of Air Service

In the face of a report from North Central Airlines concerning airline patronage here, Pontiac city officials and business leaders today renewed their appeal to nearby residents to "use or lose" airline service at Pontiac Municipal Airport.

* * *

Two flights initiated in June and July were discontinued Sept. 1 due to low patronage.

City officials and the Pontiac Area Chamber of Commerce appealed to NCA to keep the flights at least through the original trial period scheduled to end Oct. 1.

This week, NCA answered local protests in a letter from Frank N. Buttomer, NCA vice president to city officials, the chamber and Homer D. Hoskins, airport manager.

FLUNKED 1ST TEST

Pontiac flunked its first test at airline patronage, he said.

"There were a few days in the history of the flight when nobody rode it in either direction," Buttomer said. "Both cities (Pontiac and Port Huron) contributed an average of only two passengers a day."

Last February when Buttomer met with businessmen here, it was decided an early morning flight would solve patronage problems.

* * *

NCA changed its service pattern to begin a flight June 1 that started at Willow Run at 7 a.m.

It stopped in Pontiac, continued to Port Huron, returned to Pontiac at 8:39 and was back at Willow Run at 9 a.m. The flight made all the good connections, Buttomer said.

"But only 17 persons rode the flight to Willow Run during June and even fewer rode the return schedule," he explained. "It was clear something would have to be done to bail it out."

BEGAN OVERNIGHTING

Consequently, Buttomer said the flight began overnighting in Port Huron in July leaving Detroit at 9:15 p.m., arriving here at 9:33 and at Port Huron at 10.

* * *

It returned to Detroit the following morning, via Pontiac.

"This helped a little but not enough," Buttomer said. "In July only 29 passengers boarded this flight at Pontiac and only 18 deplaned, an average of less than one passenger each way per day, despite the fact that "these flights were properly publicized," he said.

Buttomer pointed out that in August, 47 passengers left Pontiac in one direction and 43 in another. Patronage was low in Port Huron, too.

* * *

June-August is annually the highest patronage period of the year, which indicated Pontiac patronage would "drop off to nothing during the winter," said Buttomer.

It cost NCA $2,000 a month to overnight the plane in Port Huron, he said, and a minimum of $1.35 per mile to operate the DC3.

"You can see that we have a tremendous out-of-pocket expense in this market to carry only two passengers a day," Buttomer said.

CLAIMS ADVERTISING LOW

City officials objected only to Buttomer's claim that the flights were "properly publicized and advertised."

The service received substantial publicity through news stories but "they've done little or nothing to advertise their flights at Pontiac Municipal Airport," said City Manager Walter K. Willman.

"The first sign constructed at the airport advertising NCA service as being available there was put up about three weeks ago on M59 by Homer Hoskins. It's the airport's sign, not NCA's," added Robert A. Stierer, assistant city manager.

* * *

Administrators and city commissioners agreed they could not recall any newspaper or radio advertising of the service or flight schedules.

"But the fact remains, we must use the remaining flights or they, too, will suffer the same fate," Willman said.

Mayor Philip E. Rowston urged "renewed efforts of businessmen and industry to use the two remaining flights."

One flight leaves at 10:23 a.m. for Northern and Upper Michigan. The other at 5:45 p.m. for Detroit where connections can be made to Chicago, Cleveland, New York and other cities.

The Day in Birmingham

Irving J. Minett Named Chrysler Vice President

BIRMINGHAM — Chrysler Corporation's newest vice president, Irving J. Minett, a Birmingham resident, has steadily moved up the management ladder since he joined the auto firm 27 years ago.

* * *

Minett, 47, of 675 Poppleton Drive, was named to the post and the organization's administrative committee Thursday. At the same time it was announced that George H. Love of Pittsburgh had been named chairman of the board.

Shortly after Minett started with the firm in 1934 he was named to the export division and in the following years held a number of sales and administrative assignments.

During World War II he became plant layout engineer and later assistant plant engineer of the Detroit Tank Arsenal. In 1945 he returned to Chrysler Export and until 1952 was sales distribution manager of the division.

MADE PLANT ENGINEER

He was then made plant engineer of the Delaware Tank Plant, a job he held two years. From 1953-54 he was general superintendent of the tank plant, then served as administrative assistant to the general manager of tank operations.

He later was named operating manager of the Delaware plant, and in Oct. 1955, he returned to Chrysler Corporation's headquarters in Detroit as general manager of the defense operations division.

Since that time he lived in Birmingham with his wife and their daughter.

In January, 1958, Minett was appointed group executive — defense, a position which made him responsible for all of Chrysler's missile and defense operations in the U.S. and abroad.

* * *

He was named group executive —international operations in May.

Minett, a native of Buffalo, N.Y., received a bachelor's degree in mechanical engineering at Purdue University in 1934.

The Oakland Chapter of the American Association of United Nations will hold its second annual membership tea from 2 to 5 p.m. tomorrow at the home of Mr. and Mrs. John D. Rumsey, 5059 Wing Lake Road.

The program is open to all interested citizens.

The aims and purpose of the organization will be discussed at the meeting along with an outline of the activities planned for the year.

Harry P. Walker

Graveside service for Harry P. Walker, 80, of 17880 Kinross Road, will be 11 a.m. Monday at White Chapel Memorial Cemetery, Troy.

Mr. Walker died Thursday in Boston after several weeks' illness. His body will be at Bell Chapel of the William R. Hamilton Co. Saturday evening through Sunday.

He was a china expert and had been an inspector for the Royal Doulton China Co. Ltd. of England. He also was a prominent vocalist, having sung at one time before Queen Victoria and Prince Albert.

He was a member of the United Grand Masonic Lodge of England Dobie Lodge No. 889, Surbiton F&AM.

Surviving are a daughter, Mrs. Joseph Pelletier of Stoneham, Mass.; two sons, George A. of Summit, N. J., and Harold L. of Birmingham; and five grandchildren.

Firm Hit by $4,500 Robbery

Cash, Checks Stolen From Waterford Twp. Lumber Company

Some $4,500 in cash and checks was stolen by burglars who smashed open a floor safe in Burmeister's Lumber Co. office in Waterford Township last night.

The theft was discovered by township policemen on patrol early this morning.

They said the burglars gained entry to the building, 7940 Cooley Lake Road, by prying back bars on a rear window and smashing it to crawl through.

The thieves used crowbars and sledge hammers to tear open the safe. They are believed to have escaped in a car.

Clarence Burmeister, owner of the firm, was uncertain as to the exact amount of cash and checks taken from the safe. He said nothing else was missing from the building.

K's Troika Plan Looks Like a Dud

UNITED NATIONS, N.Y. (AP) —Just one year ago today Soviet Premier Khrushchev began a shoe-pounding campaign to bludgeon the United Nations into replacing Dag Hammarskjold with a board of three men.

★ ★ ★

Then fate handed the Communists a tragic opportunity: Hammarskjold's death. Now their campaign is beginning to boomerang. They seem to be pounding too hard with that shoe.

★ ★ ★

With the Asians and Africans fearful of the vacuum created by Hammarskjold's death, Moscow apparently had hoped to stampede them into backing its three-headed "troika" plan for a board representing the Communist, Western and neutral nations.

LOOSED RESENTMENT

But instead of a stampede, the Soviets' latest campaign loosed a tide of resentment among the smaller nations. For many of them the United Nations is their major foreign policy forum and they hesitate to see it destroyed.

★ ★ ★

A number of smaller countries had toyed with the idea of setting up a troika-type board of U.N. undersecretaries to run the far-reaching U.N. organization until a new secretary-general could be chosen. Most now are coming around to the U.S. position that a single chief must be named either on a stop-gap or permanent basis.

WANT INTERIM CHIEF

The shift is reflected in a move by a group of neutrals for the General Assembly to nace an interim secretariat chief. More than 30 countries are reported to have lined up behind it.

★ ★ ★

U.S. Secretary of State Dean Rusk attempted to give the neutrals a push Friday by appealing for the assembly to defy Soviet—opposition and choose "an 'outstanding world leader" as temporary secretary-general.

The neutrals were reported to have decided to wait until after President Kennedy addresses the assembly on Monday to put forward their plan formally. The President is expected to call for strengthening the United Nations, and it would be hard for him to skip the problem of the vacant secretary-general's post.

Mooney Freed of 2 Charges

Gross Indecency and Void License Driving Counts Dropped

Two charges against former Waterford Township math teacher Arthur C. Mooney were dismissed yesterday by Circuit Judge H. Russel Holland.

★ ★ ★

On motions of Assistant Prosecutor Robert Templin Jr., a gross indecency charge and a charge of driving while his license was suspended or revoked were dropped.

At he same time, Mooney's plea of guilty to a drunken driving charge was accepted.

Mooney had been granted a second trial by the State Supreme Court on the gross indecency charge.

WITNESS IN NAVY

In moving for dismissal, Templin said the complaining witness was in the Navy and couldn't be brought back to testify.

A technicality caused the motion for dismissal on the license charge, he said. Mooney had appealed a lower court conviction.

Mooney's fine of $100 for drunken driving was paid by his attorney.

Mooney has been sent to the Oliver Mental Institution in Edmonton, Alberta, for two years after a Canadian conviction of gross indecency.

Woman Is Sentenced for Drunken Driving

Found guilty of drunken driving Thursday before Municipal Judge Cecil McCallum, Alice Lee Whitney, 37, of 604 Alton St. was sentenced to 10 days in the Oakland County Jail.

Also before Judge McCallum, Donald A. Pettit, 41, of 3286 Rockhaven St., Avon Township, was placed on a year's probation and fined $20 and $10 court costs after being found guilty of reckless driving.

Police Academy to Open Soon

Oakland Law Officers Told School to Offer Six-Week Courses

Michigan's newest police academy will begin operation Oct. 30, Oakland County law enforcers learned at their monthly meeting this week.

The Metropolitan Police Academy was explained to 115 members of the Oakland County Law Enforcement Association.

The academy was organized after it was discovered that the City of Detroit's budget would not allow for training of officers outside its own department.

★ ★ ★

According to Highland Park Police Commissioner James Morrow, one of the organizers of the academy, the six-week training course will be held at the Light Guard Armory on Eight Mile Road. Each class will be limited to 40 men.

Tentative cost of the course for each member of a department is $100. Two or three courses will be scheduled annually.

About 246 hours of training will be involved in each course.

★ ★ ★

Final plans for the police academy will be discussed at a 10 a.m. meeting Oct. 10 at the Armory.

Breech Appraises Secretary of Defense, Robert McNamara

With Secretary of Defense, ROBERT S. McNAMARA, becoming a top global figure because of the trend of world affairs, it is heartening to hear ERNEST R. BREECH's appraisal of this key man.

McNAMARA

It was under Mr. BREECH, past Chairman of the Board of The Ford Motor Company, that the current Secretary of Defense rose to a commanding position in the great Ford organization. Therefore, this estimate is based on firsthand knowledge.

★ ★ ★

"I said originally," declared Mr. Breech, "that as an American taxpayer, I was happy to have Bob in Washington, heading the most important bureau in the world today. Because of my vital interest in the Ford Motor organization, I hated to see him depart, but the Nation is paramount.

"Basically, McNamara is one of the most logical and analytical thinkers I have ever encountered. From the beginning of his association with us at Ford, we were all impressed by the clarity with which he viewed new problems and new situations.

★ ★ ★

BREECH

"The ability to analyze clearly, logically and reach the soundest conclusions is somewhat of a God-given gift and BOB McNAMARA possesses it to a marked degree. The United States is fortunate to have a man with these basic characteristics in the role he holds.

★ ★ ★

"Secretary McNAMARA is under terrific pressure from all three branches of service as well as Pentagon associates, Congressmen, cabinet conferees, suppliers and all manner of camp followers. It requires a big man and a stout fellow to stand up against this heat when you're convinced down in your heart that another solution is better. BOB McNAMARA is just such a man. He isn't stubborn, obstinate or hard-headed, but he won't give in 'just to be nice' or because of eloquent pleading.

"The facts will establish the path to follow.

★ ★ ★

"I understand the three branches of service have been unhappy at times at some of his decisions and declarations of policy. This is understandable. There has always been an inner conflict between the three, and the Secretary won't be influenced by service preferences or personal desires.

★ ★ ★

"Every question that arises will receive one consideration: what's best for the United States. The Nation doesn't want it otherwise. And remember this: Bob was in service himself during the war and so a glittering and resplendent uniform — or one battle scarred in service — isn't something new. He won't be awed. If the unhappy time ever comes when no one anywhere is criticizing or howling, it just means McNamara will have succumbed to the pressure groups.

But that will never happen.

★ ★ ★

"Another very important point should be emphasized. ROBERT McNAMARA is a great team man. He wants united co-operation and always solicits and studies the opinions of those around him who have special knowledge of the problems at hand. This is basic and essential in success, anywhere.

"In our Ford operation, McNAMARA had a fine appreciation of manufacturing techniques and mechanical possibilities. Also, he understands people, and psychology. He knows when suavity and diplomacy pay off and when a blunt 'no' is indicated.

★ ★ ★

"And finally, as I said at the outset, he possesses an unusually keen and analytical mind — one that will reach sound and logical solutions. Just the other day I mentioned these general facts to Henry Ford II and he agreed with me completely.

"The United States — yes, the free world — is in strong, capable and intelligent hands in our Defense Department. President Kennedy can be congratulated on his selection."

Familiar Sounds . . . .

In your opinion, do these five reasons apply to our general situation:

1. **Rapid increase of divorce: undermining the dignity and sanctity of the home.**
2. **Higher and higher taxes and spending for free bread and circuses for the populace.**
3. **The mad craze for pleasure; sports becoming more exciting and brutal.**
4. **Building of gigantic armaments when the real enemy is the decadence of the people.**
5. **The decay of religion—faith fading into mere form—and becoming impotent to guide the people.**

★ ★ ★

Do you agree?
If you do, it's interesting.

★ ★ ★

You see, these are the five basic causes that Edward Gibbons lists in his "The Decline and Fall of The Roman Empire."

And in Conclusion . . . .

Jottings from the well-thumbed notebook of your peripatetic reporter:

ALEX KROLL, All-American center at Rutgers, has all "A's" and is currently doing a thesis on "A Critical Study of Durrell's Application of The Einsteinian Space-Time Continuum to The Modern Novel." . . . . Top box office movies currently are: "Fanny," "Guns of Navarone," "Parent Trap," "Parrish," "La Dolce Vita," "Exodus," "By Love Possessed," "Last Sunset" and "Pleasure of His Company." . . . . Here's an English want ad that Playboy says will never run in Boston: "Gamekeeper seeks position with titled lady." Shades of Lady Chatterly! . . . . MANTLE says the toughest pitchers for him are FRANK LARY and DON MOSSI.

★ ★ ★

I can't prove it but I'll bet a sugar cookie Peter Lawford has just been told by Washington kinfolk to drop out of Sinatra's Hollywood "ratpack." . . . . Insiders' Newsletter says business luncheons are being replaced by the "business breakfast." . . . . Purely personal nomination for an especially attractive young lady in the area: Justice atop our stricken courthouse . . . . Bumped into Mickey McGuire and it reminded me of his own amusing comment: "The people around here (McManus, John and Adams) say I'm seven feet tall but I'm not. Absolutely. I'm only six, eleven and a half."

Today's language suggestion: spell "extraordinary" with the first "a" but pronounce it without: "exTRAW-dinairy." . . . . BROOKER WRIGHT and ELSIE COLEMAN were just married for the seventh time, each, and for the second time to each other. She's 65 and he's 103. But what worries me is this: what'll she do in 20 years when she's 85 but he's 123? . . . . When you prepare your basement bomb shelter, don't forget canned juices and bottled water. They aren't contaminated . . . . Queen ELIZABETH is currently conceded to be the most beautifully gowned woman in the world . . . . Dept. of Cheers and Jeers: the C's — BABE RUTH; the J's — Overlapping hockey, baseball, football and other sports.

The POWER of FAITH

by Howard Brodie

PROMINENT MEN OF FAITH
Dr. Maurice N. Eisendrath, D.D.

Peace, justice and brotherhood motivate Rabbi Maurice Eisendrath.

The President of the Union of American Hebrew Congregations traveled the world to expire religious resources available to inspire peace and plans a "summit conference" of world religious leaders to promote peace. He will be awarded the Gandhi Peace Prize with Justice Haynes Holmes this year.

He was honored as "Fearless defender of justice . . . " when named Clergyman of the Year in '59 by an interfaith committee. The rabbi is a commission co-chairman of the National Conference of Christians and Jews, and received the first Spiritual Freedom Award in '60 from the Chapel of the Four Chaplains in a three-faith ceremony.

Days of All Faiths:

Christian Education Week Begins

By DR HOWARD V. HARPER

Every year the last Sunday of September is the beginning of Christian Education Week, observed in many Protestant churches under the sponsorship of the National Council's Division of Christian Education.

* * *

Up to quite recent times almost everyone has taken for granted that the term Christian Education meant Sunday school classes for children. One of the evolutionary facts of our time in church life is the developing awareness that education in the faith is a life-long, continuous, never-ending process.

* * *

With "The Christian and his Community" as the week's theme this year, the Council puts before every adult Christian the basic fact of his calling to represent the Lord at all points where he comes into relationship with other people: in his home, his work, and his social life — that is, where he lives, where he works, and where he plays.

WCTU LEADER

Readers write in and say they like to see something in the column once in a while about American religious figures. Well, whether or not you think Frances Willard was a religious figure depends on whether you regard organized opposition to alcohol as a religious matter. Thursday, Sept. 8, 1839, was her birthday, and no one can deny that she was the dominant personality in a cause that is still a deep concern in the life of many a denomination.

* * *

Frances Willard was Dean of Women's College, of Northwestern University, in Evanston, Ill., back in the 1870s. In those days the liquor traffic in the Middle West was of such a vicious nature that many women of the area joined together in a crusade against it. They formed the famous Woman's Christian Temperance Union, of which Frances Willard was the energetic president for twenty years. She was also the founder and first president of the international WCTU.

* * *

But she was no Carrie Nation, attacking saloons with an axe and with bad temper. She was an organizer of great talent, and a powerful, humorous speaker.

The WCTU was also responsible for the beginnings of the battle against drug traffic, the introduction of the study of hygiene in public schools, and the formation of the Prohibition Party.

TRANSLATOR OF THE VULGATE

Saturday, Sept. 30 commemorates St. Jerome, the man who, in the fourth century, translated the Bible from its original Hebrew, Greek, and Aramaic into the Latin edition called the Vulgate. Literally, this is to say he produced a Bible in the "vulgar" form, but "vulgar" did not mean the same thing then that it means to us. What it meant was that he put the Bible into the popular idiomatic speech of the people.

* * *

The Vulgate is still the Bible of the Roman Catholic church, although fourth century Latin has long since ceased to be the language of the people.

For his labors, St. Jerome is one of the twenty-nine "Doctors of the Church," and, of course, the greatest of all in expounding the divine word.

* * *

When you see a picture of St. Jerome there will always be a lion somewhere in it. This comes from a variation of a legend that was old even in St. Jerome's time. There are many stories of men who removed a thorn from a lion's paw and then found that the beast installed himself in their lives as a loyal pet.

This version tells that one day while St. Jerome was lecturing a lion limped into the classroom, scattering the students in wild confusion. The good saint observed that the lion had a thorn in his paw, pulled it out, and from then on the animal would not leave him.

* * *

The Pope under whose auspices Jerome completed his translation declared that the saint had been divinely assisted in his work. This is obviously true. Translating the Bible is not a mere matter of changing words from one language to another. The translator must have a closeness to the Spirit behind the words.

The Country Parson

"We might improve our thoughts if we realized what we do shows others what we think."

Voice of the People:

'Fallout Shelters Important in Downtown Area, Also'

In these days of high wages and high taxes, you would think Pontiac and other towns would be more interested in the importance of the fallout shelters. I mean enough to build them to protect the people in the town and country. Where would the people go if we were bombed by Russia. Our tax dollars could cover this.

'Profit Sharing Plan Seems Impossible'

The recent proposal that school lunch employes receive wage increases on the basis of "profit sharing" deserves comment. I fail to see any profit making aspect that could make it possible. Schools are not in the lunch business to make money. They merely provide a desirable service for those who wish to participate.

* * *

The program is rightly self-supporting and must pay immediate costs and provide a surplus to finance capital improvements in the kitchen and cafeteria. That the program under the able administration of Miss Johnson has maintained quality and a low price and begin to support long overdue capital improvements, should be a source of satisfaction to all.

* * *

If the employes should be granted wage increases, then those increases should be given directly and the cost paid by those who use the service. To tie such increases to possible "profits" creates an entirely false impression of the purposes and aims of the whole program.

Lengthy Weekends Irritate Republican

I wish those Democrats who wrote letters to The Press every time Eisenhower took a few hours off to play golf would write when Kennedy takes his "long weekends."

They're getting longer and this one runs from Friday until the middle of the following week when he will return to Washington (that's where he "works") for "a day or so" and then he goes back for another "weekend."

Mr. Editor, the world is tottering on all sides, and so is Mr. Kennedy.

'Why Doesn't City Have Rabies Law?'

Pontiac citizens are living among a great many dogs without the protection of antirabies law. Despite the large dog population, we have no law requiring that all Pontiac dogs be inoculated.

* * *

These facts, plus the squirrels constitute an open invitation to the spreading of rabies. The county health officer reports that there is a known rabies epidemic among skunks in the area. Most of the townships and municipalities around us have such a law.

* * *

Our commission says this is a "touchy" subject, better left alone, and that a rabies law "was taken off the books eight years ago because it couldn't be enforced. Why couldn't the law be enforced? Can't Pontiac afford to have adequate laws and a full-time dog warden?

Talk to Dr. Barrowman, the county health officer.

The Almanac

Today is Saturday, Sept. 23, the 266th day of the year with 99 to follow in 1961.

The moon is approaching its full phase.

The morning star is Venus.

The evening stars are Jupiter and Saturn.

On this day in history:

In 1779, American naval hero Commodore John Paul Jones won a battle against British Capt. Richard Pearson off the coast of Scotland. In answer to Pearson's query: "Have you struck?" Jones uttered his famous words, "I have just begun to fight."

In 1806, the Lewis and Clark Expedition arrived in St. Louis after an absence of two years, four months and 10 days.

* * *

In 1943, the governments of the U.S., Great Britain, Russia and China established the U.N. Relief and rehabilitation Administration.

A thought for today: British writer Hector Hugh Munro (Saki) said "Hating anything in the way of illnatured gossip ourselves, we are always grateful to those who do it for us and do it well."

Case Records of a Psychologist:

Moses Probably Put Veto on Pork

By DR. GEORGE W. CRANE

CASE K-406: Lem W., aged 25, is a smart young clergyman.

DR. CRANE

"Dr. Crane," he asked me after I had addressed his ministerial convention, "why should the Bible veto the use of pork?

"It has always puzzled me, that beef and chicken and fish would be approved of God but he would then indict hog meat."

MOSES vs. GOD

If God had wanted human beings to avoid pork, wouldn't he have warned his good friend Abraham of that fact?

But Abraham apparently ate pork with no divine veto. And so did Isaac and Jacob.

For 400 years the other Hebrews had no law against eating ham or bacon, pork chops or other hog meat.

Joseph, the prime minister of Egypt, likewise could eat pork, for it wasn't until Moses that pork suddenly was placed on the Jewish "verboten" list. Why?

Did God suddenly change his mind? No, it was more likely that Moses put the veto on hog meat.

* * *

Moses was the foster son of Pharoah's daughter. As such, he must have received the private tutoring by the most learned scholars of his day, for the royal children were given what nowadays we'd call college and post graduate university training.

Moses was not only the Lawgiver but a shrewd, scientific man. He may thus have witnessed a severe outbreak of trichinosis among the Egyptians, following a big roast pig banquet.

Trichinosis is an ailment resulting from our eating infected hog meat that isn't well-cooked.

MOSES AS DOCTOR

People with gall bladder trouble shun fat foods, so some of those at that Egyptian banquet probably skipped the meat course.

Next day they weren't sick. Moses found that all the dead people had eaten hog meat, so he simply put 2 and 2 together and came out with 4, namely, the fact that the pork caused the damage.

And at that early date, he made a shrewd observation that may have saved the lives of many Hebrews down through the centuries.

* * *

But nowadays we know it isn't all pork that is dangerous but just the infected hog meat from those few animals who have trichinosis.

At our modern meat packing plants, therefore, each hog carcass is supposed to be checked to make sure the animals do NOT have trichinosis infestation.

So when we buy government inspected pork, we need not worry. Thus, the current veto of pork is neither scientific nor economical.

* * *

For pork is cheap and rich in vitamin B. Thus, the early moral veto put on pork by Moses has served its original purpose but now is outmoded by modern meat inspection.

PETER'S REPROOF

Peter was also reproved in his famous vision (Acts 10:11-15) for thinking such animals as hogs were unclean and thus should be shunned.

So God's attitude about pork again is clear and corroborates why God never forbade pork to Abraham and the patriarchal Hebrews for the 400 years prior to Moses.

It was Moses who inserted the rule against hog meat, and then attributed it to God, along with many other ritualistic regulations.

* * *

You must use "horse sense" in reading the Bible and not be too gullible.

Many other priests and prophets inserted their own opinions and then ascribed them to God to compel uncritical obedience, as Jesus himself pointed out to the Jews.

U.S. Sentiment Not Rising Either

USIA Reports Tests Hurt Red Propaganda

WASHINGTON (AP) — The Soviet Union's resumption of nuclear tests after a 3-year halt has given the Soviets their worst propaganda setback since Red tanks crushed the 1956 Hungarian revolt, the U.S. Information Agency reports.

The Soviets went testing in the atmosphere Friday, firing their 15th explosion since Sept. 1.

While the new tests have directed world-wide cirticism at the Kremlin, there has been no balancing rise in pro-American sentiment abroad. Asians and Near Easterners said, in effect, "A plague on both your houses."

This assessment of international feelings was issued Friday by the USIA following a study of overseas press and radio commentaries.

* * *

The United States reopened its tests soon after the Soviets. But unlike the Soviet Union, the United States triggered its explosions underground so as not to contaminate their air with fallout.

ONE MEGATON BOMB

The Soviet blast Friday was fired in the atmosphere in the vicinity of its arctic testing site, Novaya Zemlya, and had a yield on the order of one megaton, equivalent to one million tons of TNT.

There has been published speculation that the Soviet's current series of blasts—including six in the megation range — may have deposited more radioactive debris in the atmosphere and stratosphere than its 1958 series did. The 1958 Soviet tests are generally rated as the dirtiest in terms of fallout on record.

BOTH DECLINE COMMENT

But unofficial U.S. sources said there is no way for the public to tell now whether the present Soviet explosions are the dirtiest so far.

Scientists, who declined to be identified said the only persons who could possibly make such an appraisal are the weapons experts of the Atomic Energy Commission and the Defense Department. Both agencies declined any comment.

The government took steps to protect the public's health from potential radiation hazards, natural and man-made.

* * *

Through the White House, the Federal Radiation Council issued a set of recommended control actions based on the degree of seriousness which might develop in radiation exposure.

STARTED LAST YEAR

A council member said the recommendations were made from studies started about a year ago, before the Soviets resumed testing.

The general protective measures recommended cover a "graded scale of action" of successive precautionary steps according to the extent of exposure to radiation.

Actions would range from monitoring, surveillance and routine control, with little interference in a given area's usual activities, up to those "which involve a major disruption, such as condemnation of food supplies."

The recommendations went out to all agencines working with radiation measurement and protection.

Group Will Sponsor Course for Parents

The Waterford Township Parent Education Associates will sponsor a series of four meetings devoted to the subject "Parents and Their Task in Sex Education" beginning at 8 p.m. Oct. 2.

To be held at the Waterford Township High School, the meetings will be conducted by Esther Middlewood, Chief, Michigan Department of Mental Health Education. Other meetings will be held Oct. 9-16 and 23.

Those interested may call Mrs. Conway Lewis of 3905 Motorway Drive.

Pontiac Company Making Machine for Missile Job

A high-precision production machine, the first of its kind to accurately and uniformly trim, square, chamfer, and flare standard aluminum, mild steel, stainless steel, brass, bronze, copper and exotic metal tubing, is now being produced by Progressive Welder and Machine Co., 915 Oakland Avenue.

William Payne, Progressive's sales manager, said this machine was specially developed at the request of National Aeronautics and Space Administration to improve the quality of tube-flaring at its Huntsville, Ala., Saturn missile program.

It replaces, he said, the old hand-tool flaring methods.

The new machine is designed for use on standard tubes with ⅜" to 1⅝" O.D. and .028 to .049 wall thicknesses. It utilizes a two-station operation. Station one trims and squares the tube end, chamfering both I.D. and O.D. Station two flares the tube accurately and uniformly, within commercial tolerances.

Other officers include Charles Griffith, chairman of advertising and promotion; Douglas Byers, treasurer; Mrs. Audrey Sommerville, secretary; George Fetter, historian; Thane Denby, social director; B. L. French and Richard Peters, trustees.

C. E. Patterson New Leader for Republican Club

The Waterford Township Republican Club has elected Calvin E. Patterson president, and Maurice Runyon, vice president. Lewis Miller will be recording secretary and Louise Lowell, corresponding secretary. Michael G. Patterson is treasurer.

Elected to the board of directors for three-year terms were Carl Anderson, Leon Groff and Frederick Morningstar.

This Fellow Makes It Easy for the Police

WASHINGTON (AP) — Police Pvt. John R. Driscoll testified that he and his partner, Pvt. Walter Schubring, spotted Pvt. ert G. Cook, 47, staggering along a street Thursday night.

Cook was peaceful and Driscoll told him to go home. But, as the two officers left, Schubring called over his shoulder: "Go to No. 13 (precinct house) and turn yourself in."

Later, the two officers found Cook in a cell at No. 13. The precinct clerk said: "He came in and said 'I'm drunk, book me to Schubring.' "

The clerk added, "He was and I did."

Municipal Court Judge Harry L. Walker sentenced Cook Friday to 10 days in jail.

DR. FRANKLIN C. FRY

A Lutheran rally with clergy processional, special instrumental music, and a robed mass choir of 300 voices will hear Dr. Franklin C. Fry, world church leader, at Ford Auditorium at 4 p.m. Sunday.

Using the theme, "Christ is the Light," the rally will highlight the beginning of a Lutheran Evangelism Mission Week being observed Sunday through Thursday by 31 Detroit area National Lutheran Council Churches representing 19,400 baptized members.

Dr. Fry heads the largest Lutheran body in North America with approximately 2,500,000 baptized members.

Thirty-two guest ministers from the Midwest and Canada will serve as "missioners" for the host congregations.

Preaching at the Sunday morning service and the four following evening services, the missioners will also lead instruction sessions for lay workers and congregational officers.

Visits on the active members and unchurched will also be a major emphasis preceding and during the Mission Week.

The Evangelism Mission is designed to strengthen a congregation in its obedience to Christ by increasing dedication, enriching worship, expanding and sharpening witness and inspiring deeper commitment.

Guest missioners and host pastors will meet each morning during the mission for a "Mission to Ministers." Outstanding churchmen will serve as guest lecturers. Luncheon each noon will be served by women of the various host churches.

Local Missionary's Life in the Jungle

Describes Neighborly Peruvian Natives

"It's like having all the neighbors in every night standing around and watching me read, eat, bake bread or study," said Robert L. Tripp, describing his life for two years in the jungle area near Yarinacocha, Peru.

HERE ON VISIT

Tripp is here visiting his parents, the Leslie R. Tripps, 139 Illinois Ave. Before returning to Peru he will spend some time with his sister Mrs. Robert L. Levin, her husband and children Laurie Lee and Richard, Rye, N. Y.

Tripp and a partner work with the Amarakaeri Indians. The natives are a friendly, kind, happy and helpful people who want to learn to read and write, he said. They are fascinated with the tape recorder, books, cooking utensils, clothing and little trinkets possessed by Tripp.

So they just stand around him day and night. He is never alone.

* * *

Tripp will speak and show slides of his work at the 7 p.m. Sunday service at Missionary Alliance Church, 220 N. Cass Lake Road.

The Indians live in thatched roof homes in small villages. Sides of the 20x80-foot houses are made of the outer bark of palm trees. The floors are dirt. Shelves are built on the walls for beds.

One home houses about 75 people.

Platanos or cooking bananas are plentiful and well liked for food. Natives fish and hunt for monkeys, tapir, deer, wild pig and wild turkey and birds. They have no fermented drink.

HAD NO CONTACT

Until four years ago these Indians had had no contact with the outside world.

Tripp said he does his own cooking on a three-burner pressure-type kerosene stove. About once a month supplementary food is flown in by a small Cessna plane with pontoons. His home also had a thatched roof and part of the floor was dirt, part palm bark.

Before going to the jungle area, he had training in advanced first aid, how to give injections and how to recognize and treat jungle diseases.

* * *

When a boy becomes about 14 years old, the Indians put on a dance called the Maturity Dance with only men taking part. They dress in feathers and paint themselves with red and black paint.

One neighboring Indian boy of the Ticuna tribe is in elementary school in Lima, Peru studying to be a doctor so he can help his people.

Tripp's hardest task is learning the Indians' language and reducing it to a written form. In doing Bible translation, the missionary worker tells the people of God and Jesus. Other duties are writing primers to teach reading and keeping anthropoligical data.

WILL HELP SELVES

Sometime, Tripp said, he hopes to see natives teaching their own people.

A graduate of Pontiac Central High School, Tripp received a BS degree in mechanical engineering from Michigan State University in 1949.

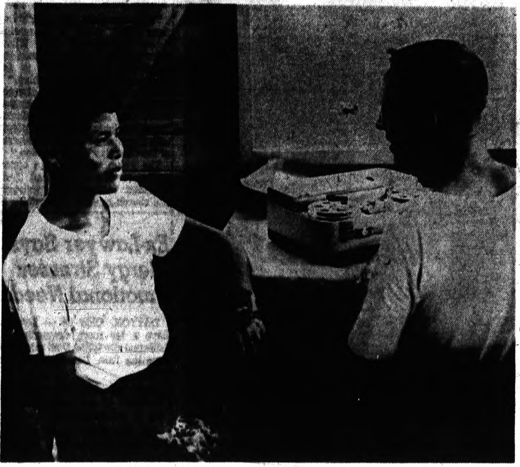
He attended Columbia Bible College Graduate School of Missions for a year, the Summer Institute of Linguistics at the University of Oklahoma in 1957, Wycliffe Bible Translators Jungle Training Camp in Southern Mexico and the Summer Institute sponsored by Wycliffe Bible Translators at the University of North Dakota.

* * *

For 14 months he directed the Christian Servicemen's Center in Jacksonville, N. C. near Camp Le Jeune Marine Base.

Wycliffe Bible Translators is a faith mission of over 800 workers in the United States, Mexico, Canada, Guatemala, Peru, Ecuador, Bolivia, the Philippines, New Guinea and Viet Nam.

The objective of the mission is to train and send out workers to translate the Bible into the 2,000 tongues of people yet without the Word of God in their own language.



TAPES LANGUAGE — Recording language of the Amarakaeri Indians in the jungle area in Peru is Robert L. Tripp of 139 Illinois Ave., Under Wycliffe Bible Translators he is in his thatched roof cottage talking with one of the natives. Mr. Tripp will put language of the tribe in written form, then have primers published so he can teach the Indians to read and write.

TRIPP IN PERU—Having fun with the friendly Amarakaeri Indians in the jungle area near Yarinacocha, Peru is Robert Tripp, son of the Leslie R. Tripps of 139 Illinois Avenue. Mr. Tripp is with the Indians to learn the language, then translate it into a written language. He will teach the Indians how to read and white. Mr. Tripp, under Wycliffe Bible Translators, is in Pontiac visiting his parents.

Seeks $250,000 to Buy Bibles for Indonesia

NEW YORK — The American Bible Society is making an appeal for $250,000 to meet emergency needs for Bibles in Indonesia prior to an embargo against their importation to that country which takes effect Dec. 23, it was announced today by Rev. Dr. Robert T. Taylor, executive secretary.

The Indonesian government has placed an embargo on all books published in locally used languages in an effort to strengthen the economy in that country, he said. Effective on Dec. 23, when a two-year moratorium on the embargo expires, it will also apply to Scriptures.

Local Indonesian churches, and mission stations of American churches, have requested a supply of Bibles prior to the effective date to take care of their needs, Dr. Taylor explained.

The emergency funds will be used to supply 50,000 Bibles in the Toba Batak language and 30,000 in Javanese and to assist the Netherlands Bible Society to supply 100,000 Bibles in the Indonesian language.

If the entire $250,000 is raised, the society also will send paper and binding materials for the printing of Gospels and New Testaments in Indonesia. However, there is no printing equipment there for the printing of whole Bibles and there is not likely to be any for some time to come, Dr. Taylor said.

Catholic Schools Plan Instruction on Communism

WASHINGTON (UPI) — Roman Catholic schools in the Cleveland and Miami dioceses will study communism as "an evil tree" next fall, the National Catholic Welfare Conference reports.

The study will be part of the religion course in elementary and secondary parochial schools in Cleveland, where nearly 190,000 students are under Catholic instruction.

Tactics and propaganda methods of the Communist Party will be emphasized in junior and senior high school classes in Miami.

* * *

The "textbook," for the courses will be "An Evil Tree," by Agnes Murphy, professor of history and philospohy at San Diego University College for Women.

Laymen's Group Raises $2.7 Million

PHILADELPHIA (UPI) — A 16-member laymen's organization raised $2.7 million in the first half of 1961 to help 76 Lutheran congregations in the U.S. and Canada build new churches.

The organization is the fund-raising and counseling service of the Lutheran Laymen's Movement for Stewardship of the United Lutheran Church in America.

Since it was founded in 1953, the service has raised more than $20 million to help build 400 United Lutheran churches.

* * *

The denomination is one of the few American churches with its own professional fund-raising staff.

Fall Regional Conference at Waterford Community

Dr. William McCarroll of Cicero, Ill. will be guest speaker at the first fall meeting of the Michigan Regional Independent Fundamental Churches of America Monday at the Waterford Community Church, Airport Road and Olympic Parkway.

His topic will be "Christlike Separation."

* * *

The program for the day will begin with a Bible hour at 10:30 a. m. followed by a period of prayer. The leader of prayer hour will be Rev. Alfred Lackey, pastor of Emmanuel Bible Church of Clyde.

Rev. Wright Van Plew, field director of Independent Bible Mission, and former pastor of the host church, will preside at the business session at 1:30 p. m.

During this time Dr. and Mrs. Eugene Williams of East Lansing will tell of the women counseling service at Michigan State University.

Chairman of the ladies' groups is Mrs. Mel Seguine, of Battle Creek.

Rev. Mel Seguine will present a Bible message at the afternoon program.

The evening session with Dr. McCarroll as speaker will begin at 7. Rev. Bryan Jones of Wayland will have charge of both vocal and instrumental music.

Pastors and delegates from all parts of the state are expected to attend, Rev. Robert D. Winne said.

Witch Doctor Turns to Christian Religion

NASHVILLE, Tenn. (UPI) — A witch doctor in Southern Rhodesia has been converted to Christianity.

Officials of the Southern Baptist Convention, with headquarters here, reported that the witch doctor had given up his craft and now was spreading the gospel.

'I've always known there was a God: I just didn't know he loved me," the convert told a Southern Baptist missionary.

Schoolcraft School New Trinity Home

Trinity Methodist Church, Waterford Township will hold services in the Schoolcraft School, 6420 Maceday Drive at 10:30 a.m. Sunday. Services were formerly held in the Community Activities Center, Waterford.

The Schoolcraft School adjoins the site where the new church will be built.

Bishop Marshall R. Reed officiated last Sunday when 77 charter members were received into the newly organized church.

The Women's Society was organized Tuesday when Mrs. Phyllis Hunt and Mrs. Anita Latimer, both of Pontiac, helped in forming the Women's Society of Christian Service at Trinity.

Rev. and Mrs. Harold Dakin of Fowlerville were guests at the reception for members and friends Sunday. Rev. Ronald Thompson is pastor.

BISHOP BREAKS GROUND—Bishop Marshall R. Reed presided and broke ground for the new building of Central Methodist Church at 3976 Highland Road Sunday. Assisting in the ceremony were (from left) Lloyd W. Pardee, a charter member of Central Church; Charles Schurrer, a general contractor; Bishop Reed; Howard F. Simmons, chairman of the official board; and Dr. Milton H. Bank, minister. Also participating were William H. Taylor, a trustee; and Elbert M. Wilmot of the planning committee. The architect is James Morrison and Phillip Schurrer is also a general contractor.

School of Churchmanship Starts

The Pontiac School of Churchmanship will be held five consecutive Monday evenings at First Methodist Church Saginaw and Judson Streets beginning Monday. Sessions will run from 7:30 to 9:30.

Sponsored by the Detroit Conference Board of Christian Education of the Methodist Church, the school is held annually to provide opportunity for church school teachers to secure training.

Another goal of the school is to offer courses of general religious interest for adults.

The school is accredited by the department of leadership of the General Board of Education of the Methodist Church in Nashville, Tenn.

Students completing any course will receive recognition cards. Registration fee is $2. Rev. John W. Mulder of Walled Lake is serving as dean.

* * *

Instructors will include Rev. J. Harry Lord, Pontiac; Rev. Floyd Porter, Commerce; Rev. Howard F. Short, Milford; Mrs. Oliver Dunstan, Pontiac; Rev. J. Frank Dennis, Detroit; and Dr. John Hall, Pontiac.

Other teachers include Rev. Wayne Brookshear, Pontiac; Rev. Elmer Snyder, Keego Harbor; Mrs. Alice Maynard, Highland; Mrs. Grace Tormohlen and Mrs. Albert Johns, both of Lake Orion.

Courses of study will be "The Teachings of Jesus," "Christian Mission in Latin American Countries," Developing Christian Workers," "Christian Education in the Church," and "The Work of the Commission on Membership and Evangelism."

* * *

Other subjects will be "Youth Leadership in Methodist Youth Fellowship," "Guiding Seniors," "Guiding Junior Highs," "Working With Primary Children," "Working With Kindergarten Children" and "Working With Nursery Children."

Barnett Shepherd Joins Staff as Student Assistant

Rev. Galen E. Hershey, associate pastor of First Presbyterian Church, will present Barnett Shepherd to the congregation at both worship services Sunday.

* * *

A graduate of Alma College, he has accepted a position on the church staff as a student assistant in Christian Education for a year. While a student at Alma, he spent his junior year in Allahabad, India, on the Junior Year Abroad Program of the Presbyterian Church.

During his first year at Union Theological Seminary, New York City, he worked with children and young people in Riverside Church, New York.

He spent a month in the ministry to migrants in Michigan, served one summer at Dodge House, Detroit, and worked as a counselor in an Episcopalian camp for boys this past summer.

Mr. Shepherd said he will continue his education and become an ordained Presbyterian minister but his greatest interest lies in the teaching ministry of the church. He has two more years at the seminary.

Lutheran Hour Scheduled for Ethiopian Radio

GENEVA, Switzerland (UPI) — Arrangements have been made to put the Lutheran Hour, largest non-government religious broadcasting operation in the world, on the "Voice of the Gospel" radio station being built in Ethiopia.

An agreement was signed by the Lutheran World Federation Broadcasting Service and sponsors of the International Lutheran Hour for "cooperation in radio evangelism in Africa and Asia."

The Lutheran hour will contribute at least $50,000 toward the cost of the station by the end of 1962 and will pay annual sums to its operating budget.

The program, which is broadcast in more than 50 languages in more than 115 countries, is sponsored by the Lutheran Laymen's League of the Lutheran Church-Missouri Synod.

Methodists Graduate 32 Missionaries

STONY POINT, N. Y. (UPI) — Thirty-two young men and women recently were graduated from the interdenominational missionary training center here preparatory to beginning special-term Methodist service on four continents.

The missionaries will work three years in 14 countries in Asia, Africa and North and South America.

Their assignments will be to teach, work in social centers, supervise Christian hostels, develop agricultural programs, serve as pastors, operate libraries, develop music groups, construct buildings and work as nurses, pharmacists, medical technologists and dieticians.

Ohio Nuns Care for Penniless Cancer Victims

PARMA, Ohio (AP) — Thirteen nuns are providing dedicated care at an unusual institution here which most patients never leave alive.

It's the Holy Family Cancer Hospital-Home, which cares for penniless victims of incurable cancer regardless of religion or color.

"Most patients aren't morbid," says Sister M. Mathew, who directs the work of the Dominican Sisters of St. Rose of Lima at the home.

"Many are incurable optimists. They talk about what they're going to do when they leave here, even as they're getting worse every day."

Contributions and memorial gifts finance the operation, and many volunteers assist the 13 nuns. Sister M. Matthew says: "It's become sort of a community project."

Churchmen Slate Visits to Missions in Asia

ANCHORAGE, Alaska — A month-long opportunity to learn and to share began this week for 15 Protestant church leaders, who are leaving here by air to visit Christian mission centers in areas on the rim of Asia.

The party is made up of a business man, a lawyer, an accountant, a social worker, a business woman, teachers and housewives. They will make the International Mission Tour, sponsored by the Department of Missionary Education of the United Church of Christ.

The international mission tours provide an opportunity for church members to visit the overseas missions of this denomination," said Stanley Wilke, St. Louis, director of the Department of Missionary Education and courier for this Tour.

"The number of Christians around the world is increasing daily," commented Mr. Wilke. "However, in striking contrast the percentage of Christians to the total population is diminishing."

Mr. Wilke, who has directed overseas tours since 1953, emphasized, "the importance of mission travel seminars to acquaint people with the vitally important program of the Christian World Mission."

The group will have an opportunity to learn first-hand from Christian leaders and rank-and-file church members something of the religious, social and economic problems in Japan, Hong Kong, the Philippines, Formosa and Okinawa.

En route home the tour members will visit Hawaii, where the United Church Board for World Ministries pioneered in mission work 141 years ago.

The members of this tour will serve as speakers and resource persons to groups studying the overseas mission theme. In 1962 the mission study emphasis will be on the Orient.

Ex-Lawyer Says Clergy Stresses Emotional Needs

DAYTON, Ohio (AP) — Lawyers have a far more demanding intellectual discipline than ministers, says the Rev. Donald L. Robertson.

But, he adds, the emotional discipline is far more demanding in the ministry.

The associate pastor of Fairborn Methodist Church ought to know. He is a graduate of Cincinnati and Harvard law schools, and was teaching law himself and engaged in a profitable practice when he decided to enter United Theological Seminary.

* * *

"I realized that there is so much more to life than just the legal aspects," he says. "I had been making money off the problems of my clients, but these were not the problems that really needed solving."

"Besides," he says with a grin, "I look a lot more like a minister than a lawyer."

Servicemen Showing Religious Interest

NEW YORK (UPI) — The National Council of Churches has new evidence of rising interest in religion among members of the armed services.

Its Broadcastig and Film Commission reports that the Army and Air Force is requesting increasing numbers of films and film strips with religious themes.

Subjects in which the servicemen are interested range from pre-marital counseling to foreign missions.

No man can deliver the goods if his heart is heavier than the load.

Freshmen All Packed for College

By RUTH SAUNDERS

BIRMINGHAM — Every day more students leave for college. This week both sons of the David W. Lees packed up their books, Dave Jr. to return to Brown University, Providence, R.I., and Tommy, to Denison University, Granville, Ohio.

* * *

Many freshmen from Birmingham and Bloomfield Hills are being entertained in Ann Arbor and East Lansing. Gwin Yntema is settled at Duke University, Durham, N.C., and Lisa Bodor will return Monday to Chicago University of Chicago.

* * *

Mr. and Mrs. Robert K. Riley (Susan Sundberg) announce the birth of a son, Robert Todd Sundberg Sept. 18.

* * *

Mr. and Mrs. M. S. Rosenberger are planning Sunday "brunch" parties for Oct. 1 and Oct. 8 in their home on Bradway Blvd.

* * *

Mr. and Mrs. Kirk Connor, formerly of Detroit and Oxford, left Monday for their home in Santa Barbara, Calif., after visiting friends and relatives for two weeks.

* * *

Mr. and Mrs. George J. Stritch, Arlington Drive, are eagerly awaiting the Oct. 3 opening of their daughter Elaine's show "Sail Away" in New York.

Mr. and Mrs. Stritch will stay at the St. Regis for a few days before and after the opening.

* * *

Mr. and Mrs. Richard C. Kern entertained friends at a cocktail and out-door supper party Friday in their home in Franklin.

Mr. and Mrs. Harvey Spung, Chicago, announce the birth of a son, Peter Albert, Sept. 1. Mrs. Sprung is the former Sheila McGinnis.

GOP Women Await 1st Meeting

The Waterford Township Republican Women's Club's first meeting of the season will be 1 p.m. Monday in the South Shore Drive home of Mrs. Charles Campbell.

Robert Templin, assistant prosecutor, will be guest speaker on the topic "Your Prosecutor and the Law and How You the Public Are Affected."

Enjoying an exchange of pleasantries at the buffet Thursday evening which honored new members of Bloomfield Open Hunt were (from left) Mr. and Mrs. Perry Williams and Mr. and Mrs. Larry Williams, all of Birmingham. Following dinner, club members were entertained by singer Marian Rivers. A humorous commentary accompanied a slide showing.

Price to 'Master' Actors

Stage, motion-picture and television actor Vincent Price will be the "Master" at Will-O-Way Apprentice Theater, Bloomfield Hills, climaxing the fall term which begins Oct. 9.

* * *

Renowned as an actor who can play effectively both romantic and sinister roles, Mr. Price also has become one of the top one-man performers of this era. He has achieved success with "platform presentations" of "Dear Theo," in which he presents the dramatic letters of Vincent VanGogh to his brother; and "Three American Voices," in which he discusses three giants of literature, art and drama: Walt Whitman, James A. McNeill Whistler and Tennessee Williams.

VINCENT PRICE

* * *

The series of international theater artists who have criticized scenes performed at Will-O-Way's professional workshop includes Basil Rathbone, Guthrie McClintic, Harold Clurman and Ilka Chase.

Celia Merrill Turner, Will-O-Way's director, reports, "Will-O-Way borrowed the master class technique from the field of music where it is a common practice for great artists to review the performance of artist students and offer advanced criticism. The technique has proved extremely valuable to the serious students at Will-O-Way."

* * *

Tryouts for master class will be Sept. 22-24. Three sections of the class—for children, teens and adults—are planned. Two scholarships will be offered in each section. Tryouts may be arranged by contacting Mrs. Turner.

Registration is now open for all classes. The term ends Feb. 10. The theater school's variety of courses for all age groups includes play production, creative movement and improvisation, Shakespeare in production, stage management, radio announcing, modeling and the new pre-school theater, offering creative music and drama for ages three to five with simultaneous electives for mothers.

Further information may be obtained by calling the theater.

Will Open Town Hall Series

Harry Golden to Appear

Harry Golden, noted author, columnist and publisher will open the 1961-62 Birmingham Town Hall series Thursday and Friday mornings at the Birmingham Theatre.

* * *

Mrs. Donald S. Bay, Birmingham Town Hall president, will introduce Mr. Golden to his audiences. Luncheons at the Birmingham Country Club with question - and - answer periods will follow each lecture.

Widely acclaimed as a syndicated columnist and as editor of The Carolina Israelite, Golden has also authored three best sellers, "Only in America," "For 2c Plain" and "Enjoy! Enjoy"

* * *

British accompanist Gerald Moore will make Town Hall appearances on Oct. 12-13, columnist Ann Landers Nov. 16-17 and Hal Holbrook in his one-man show "Mark Twain Tonight" Jan. 18-19.

Dr. Leland Miles, author-educator, will present "Behind the Book Jackets" on Feb. 8-9. News correspondent, Eric Sevareid will close the series with his commentary on "The Shape of Things to Come," Feb. 22-23.

* * *

Now in its eighth season, Birmingham Town Hall is sponsored by St. Anne's Guild of St. James Episcopal Church. Tickets for the present season have been completely sold out.

Missionary Women to Speak Here

The Evangel Temple Missionary Guild will present missionaries Mrs. Roger Fox and Mrs. Clifford Bedell, on Tuesday afternoon during the missionary conference which opened today at the church.

They will speak of life in their respective mission fields in Japan and the Philippines.

New guild officers are Mrs. Milford Beatty, incoming president; Mrs. Gray Graham, vice president; Mrs. Traverse Dishman, treasurer; Mrs. Christian Theis, recording secretary; Mrs. Bobby Watson, corresponding secretary; and Mrs. Richard Lange, publicity chairman.

Chairmen appointed include Mrs. Fred Daniels, Mrs. James Sprague, Mrs. Chester Bowles, Mrs. Graham, Mrs. Kenneth Burke, Mrs. Gilbert, Mrs. Thurman Jackson and Mrs. Audrey E. Holdridge.

The women's group attended a meeting at the Far Eastern Gospel Crusade headquarters Thursday in Detroit.

Silver Threads?

(NEA) — If the hair is beginning to silver, a warmer tint in face powder can help to supply the color that is lost. Also helpful: rouge and lipstick with more blue-red in the color.

The Care Counts

(NEA) — It's not the excessive length of finger nails that is attractive; it's the care in manicuring which adds so much to the beauty of your hands.

So Forget It, Says Abby

It's Okay to Correct Elders but Honey, They Don't Like It

By ABIGAIL VAN BUREN

DEAR ABBY: I am 14 and have a problem. My mother and I disagree about correcting people when they make a mistake in pronouncing words, or use them in the wrong place.

My mother says it is wrong to correct your mother or father or any elderly person in private or in front of others.

ABBY

I said I didn't think there was anything wrong with correcting people in a polite way in private or in front of people. I don't think anybody is ever too old to learn. Who is right?

"PERFECTIONIST"

DEAR PERFECTIONIST: Your mother is wrong, honey, but she is still your mother. The pride of older people suffers when they are corrected by children, even if the correction is offered politely and in private (as it should be). So drop the practice and remember — you may have a "perfectionist" of your own some day.

* * *

DEAR ABBY: A rather irate woman wrote to tell you that a child today can name all the players on the Yankee and Giant teams, but ask him who God is and he doesn't know.

If this remarkably well-informed woman will tell me or anyone else just who God is, she will have answered a question that has remained unanswered for thousands of years.

Sincerely,
LYNNE

* * *

DEAR ABBY: Recently my brother passed away. He left a wife and two stepchildren (when he married this woman she was a widow with two children). She had been married to my brother less than two years, but this is what she did.

She had him buried in a plot next to her first husband! When my parents found out where he was being buried they almost went into shock.

As though this wasn't bad enough, this plot is a family plot for HER family. We wanted our brother buried with HIS family. Did she have a right to do this? Can we take legal action against her?

UP IN ARMS

DEAR UP: Calm down. There is nothing you can do.

YWCA Classes Run From Art to Spanish

Some 4,000 folders announcing fall term classes at the Pontiac Young Women's Christian Association are in the mail this weekend.

Feather hat-making, aluminum etching and copper tooling are among new subjects offered in classes to begin the week of Oct. 2.

* * *

"Homemaking for Brides," taught by Mary Hardy, will be a joint project of the Michigan State University Extension Service and the "Y." Margarita Davis of the Family Service of Oakland County, in cooperation with the "Y," will present a discussion series entitled "Children Are Like That" for parents of preschool-age children.

* * *

Some 20 instructors met for coffee Friday with chairman of classes Mrs. William A. Crisp Jr.; nursery chairman, Mrs. Floyd Vincent; YWCA president, Mrs. Fred Stimpert, and staff members.

Mrs. Crisp will teach ceramics while one of the Golden Age Group, Mrs. Lenna McCulley will instruct aluminum etching and copper tooling.

Mrs. George Zannoth teaches mosaics as a full-time staff member. Her husband, the Y's golf teacher, will give a series of lessons as long as the weather permits.

* * *

Other instructors are Annette Buzz, Adele Streit and Nancy Beauchamp, assisted by Red Cross certified life guards and aides, in swim and trim classes; and Ligia Bueno, Spanish.

* * *

Marguerite Day's classes will include needlepoint, hairpin lace-making, knitting and crocheting; Marie Gabert teaches sewing; and Lucille Gloster, feather hat-making.

CAKE DECORATING

Audrey Hines and Ruby Limback will instruct in cake decorating; Amy Hogle, group piano; Amy Krueger, silver and coppersmithing; Winifred Lewis, bridge; Polly Sweeney, slipcovering; Wava Warner, china painting; Hazel Beutler, Alice Pickup and Marie Vaillancourt, nursery.

Details of an evening bridge class will be announced later.

* * *

At the Golden Age Group dessert luncheon Tuesday Mrs. Stimpert will show colored slides of the groups' summer outings. Mrs. Marcus Scott and her committee will prepare and serve refreshments.

Couple Wed in Chapel at Ft Bragg

Judith Stickney, Robert J. Moody Exchange Vows

White gladioli and snapdragons adorned the chapel at Fort Bragg, N.C. for the Wednesday nuptials of Judith Anne Stickney to Pvt. Robert J. Moody. Chaplain Capt. Mattingly performed the morning ceremony.

* * *

The newlyweds will be honored Sunday afternoon at a reception in the Marquette Street home of the bride's parents, the Beuford L. Stickneys. The bridegroom is the son of the J. Eugene Moodys of East Chicago Avenue.

For her wedding, the bride chose traditional white satin with seed pearl applique at the sweetheart neckline. Her veil of silk illusion was attached to a pearl tiara. She held a colonial nosegay of white rosebuds surrounding a white orchid.

Patricia Ann Moody, maid of honor and bridesmaid Marilyn Joan Moody, sisters of the bridegroom, wore pastel blue net over taffeta and carried nosegays of white carnations and blue daisies.

Pvt. John Emrick, Montpelier, Va., was best man. Seating some 100 guests were Pvt. Alvin Brock, Birmingham, Ala. and Pvt. James Samson, Chicago, Ill.

Shattered pink carnations complemented Mrs. Stickney's costume suit in nutmeg shade, worn with pink accessories.

After their honeymoon trip to Pontiac, the newlyweds will be at home in Fayetteville, N.C.

Mrs. Bayne Will Address Churchwomen

The Episcopal Churchwomen of Christ Church Cranbrook will present Mrs. Stephen Bayne Jr., whose headquarters are in London, England, as luncheon speaker on Tuesday.

Her topic, "Catching Up," will concern the rootlessness and pattern of life as she accompanies her husband, The Right Rev. Stephen Bayne Jr., on his world travels.

A native New Yorker, Mrs. Bayne was graduated from Smith College, taught in Puerto Rican mission schools, edited an advertising trade journal and was chairman of British War Relief during the war.

Expand Firm in Bloomfield

To Complete Addition to Stewart-Glenn Co. in Early December

Completion of a $100,000 expansion program at the Stewart-Glenn Furniture Co., Bloomfield Township, is scheduled for early December, according to Addison Oakley, general manager.

* * *

The new addition, which is being annexed to the rear of the present store, 1680 S. Telegraph Road, will include a basement warehouse.

The new area will more than double the floor space of the building.

* * *

The 44-year-old firm moved into its present location in February 1959.

Financing the construction of the addition is realtor August Johnson, owner of the Stewart-Glenn Building and several adjoining shops.

* * *

General contractor for the addition is Art Hixon, Inc. of Detroit and Pontiac.

Begs for Return of Stolen Photos of Dead Kin

Memories are more important than money for Mrs. Hazel Roth, 163 Wall St.

An employe at the Goodwill Store, 77½ S. Saginaw St., Mrs. Roth asks whoever took her purse Saturday afternoon at the store to return important papers and the only mementos she has left of her father and grandson — their pictures. The two were killed in a truck mishap over three years ago.

Mrs. Roth returned to her counter, minutes after leaving it, to find her purse missing. It was discovered shortly thereafter in a clothing bin at the rear of the store — minus $40 in one compartment, $20 in her black change purse, and the red billfold which contained family pictures and the papers.

GETS 'E' FOR EFFORT—With both arms in casts, 7-year-old Robert Keith of Topeka, Kan., finds class work at his desk in his 2nd grade room a laborious task. He broke one arm when he fell from a swing and fractured the other a couple of days later in a fall from his bicycle.

To Tell of Aids to Businessmen

Gear Talk to Owners of Small Companies in Urban Renewal Area

An important meeting for small businessmen in Pontiac's urban renewal area will be held at City Hall 8 p.m. Sept. 27.

* * *

The meeting, arranged by James Bates, urban renewal director, will feature Robert F. Phillips, regional director of the Small Business Administration.

Phillips will speak on the financial problems faced by owners of small business in an urban renewal area.

* * *

He will answer all questions concerning financial assistance to small businessmen available through his office such as loans for establishing new businesses or for changing location of present business places.

* * *

The meeting will be held in the City Commission meeting chambers.

SEEKING DIVORCE — Singer Rosemary Clooney, 33, filed for a divorce Friday from her Academy Award-winning husband, Jose Ferrer. They are shown in a 1954 picture. Ferrer, 49, and Miss Clooney were married eight years ago and have five children, from 1 to 6 years old. Miss Clooney's divorce suit charged her husband with extreme cruelty. She declined to give any details.

Rosemary Clooney to Divorce Ferrer

SANTA MONICA, Calif. (AP) — After eight years of marriage and five children, the marriage of actor Jose Ferrer and Rosemary Clooney has reached the stage she describes as "termination."

She filed suit for divorce Friday, charging extreme cruelty but declining—at this time—to give details.

HOLLYWOOD SURPRISED

She said they separated Aug. 7. But the word caught Hollywood by surprise. Ferrer has been in Dallas, directing a new film version of "State Fair."

What caused the split? Neither wanted to explain.

* * *

At Dallas, Ferrer snapped: "no comment." In Hollywood, Miss Clooney told a newsman: "Joe and I have a difference of opinion as to a way of life. And for the children's sake, we feel it is best to terminate the marriage."

BEGAN 2 YEARS AGO

She wouldn't elaborate. But she confirmed a statement made earlier by her attorney: that the rift had begun about two years ago.

* * *

The Ferrer marriage was considered one of Hollywood's so-called "ideal" marriages. They seemed well matched. Both were successful—he won an Oscar for the lead in "Cyrano de Bergerac," she had million-sales records to her credit.

When the divorce suit was filed she described Ferrer's net worth in excess of $2 million.

The Kentucky-born blonde is now 33, Ferrer 49. Their children's ages: Miguel 6, Maria 5, Gabrielle 4, Monsita 3 and Raphael 1.

After the birth of Monsita Miss Clooney told an interviewer:

"I want all the children I can have. When Joe and I were first married, I thought six would be a nice round number. But golly, now I realize I only have two more to go — and that isn't enough."

Will Report on U.N. Impact of Hammarskjold's Death

Dr. Sheldon Appleton, assistant professor of political science, will report on the impact of Dag Hammarskjold's death on the future of the United Nations in a talk Sunday at Michigan State University Oakland.

* * *

Appleton, the author of a forthcoming book on the U.N., flew to U.N. headquarters shortly after the secretary general's death to talk with observers and delegates in making his assessments.

* * *

He will speak at 3:30 p.m. at the Oakland Student Center as part of an open house being held from 1 to 5 p.m. by the MSUO Division of Continuing Education.

* * *

Appleton will deal with the impact of Hammarskjold's death on the settlement of the Berlin and China issues, as well as on the U.N.'s future effectiveness as a force for maintaining world peace.

* * *

He will also discuss whether the U.N. will be able to install a single successor to Hammarskjold. After his talk, Appleton, a former Foreign Service officer and author of many articles on China, will answer questions.

At the open house, members of the continuing education faculty will be present to answer questions about adult classes. On display will be art works of MSUO faculty members.

* * *

There will also be guided tours of the campus and buildings.

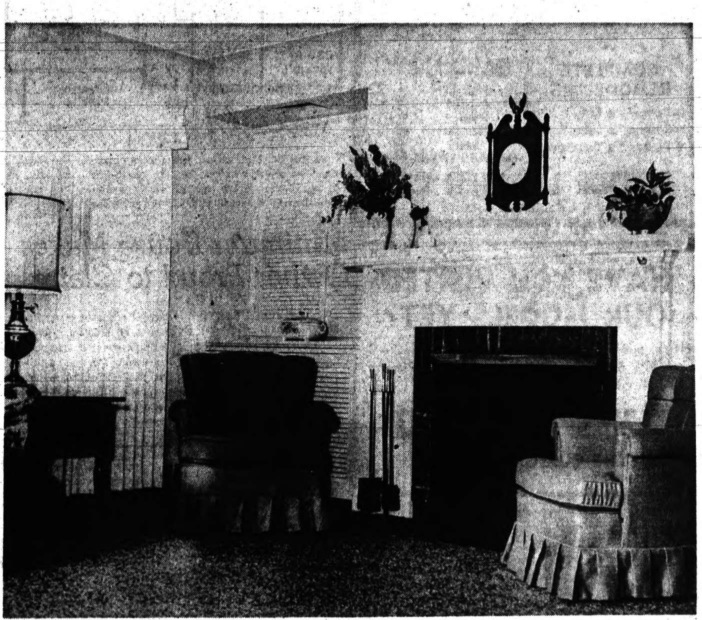
LEAFY VIEW—When you sit beside the living room picture window, you look out into trees. Heavy white draperies can be drawn across the glass at night. The wing chair is brown and the love seat coral. Walls are pale sandalwood with white woodwork.



EARLY AMERICAN—The fireplace itself and the colonial mantel set the stage for the clock above. On the shelf next to it is an heirloom tureen that Mrs. Kollin had just acquired when this picture was taken. The tufted back armchairs are blue. All tables are cherry. The carpeting is brown tweed.

When the movie, "Jacktown" comes to Pontiac, look carefully at the warden's house. It's the Dutton Road home of the Arthur W. Kollins. Their house and portions of their 20 hilly acres were used for some of the scenes.

Mrs. Kollin took pains to point out that this is NOT an old farmhouse converted to modern living. It is a "farm type" of house that the Kollins have remodeled to suit their family needs.

The youngest Kollin, Ruth Ann, was celebrating her 4th birthday the day we took pictures. Adam is 5½; Dennis is 9½; and Beth is 12. Tippy, the collie and Beauty, the calico cat, complete the family roster.

During our series of houses down the years we featured the old Fox farm. The Kollin property is part of this farm. The family intends to raise corn and have some horses.

The large front hall has a brown tile floor. The white wallpaper has a tiny blue figure in it. The only furniture is a marble bench.

STREAM BELOW

The living room at the back of the house overlooks Paint Creek some feet below. Heavy white draperies are kept pulled back. The picture window is made up of many small panes of glass.

Walls are the palest sandalwood. Woodwork is white. The carpeting is a brown tweed. The fireplace is a simple colonial one with a white mantel above the red brick fire opening.

At one side of the fireplace there is built-in louvered door storage. A light is installed in the ceiling above this area.

On each side of the fireplace is a blue tufted back chair. The sofa is slip covered in a flowered brown and blue fabric. A brown wing chair near the window picks up the brown of this material. In contrast, the love seat set at right angles is coral.

All tables are Early American cherry. What looks like a sideboard is really a long folding table with leaves.

What was once a porch is now Art Kollin's office. In here the carpeting is light brown. Walls are paneled in walnut. Walnut shutters close off a section that houses an air conditioner and heater.

Valance boards, but no curtains are used at the windows which frame rural views. One wall has bookcases built in with closed storage underneath. There is a gun cabinet.

The furniture is walnut. Two armchairs have woven inserts beneath the arms. Seats and backs are tangerine.

In the den on the other side of the living room the floor is tiled like the hallway and kitchen. A braided rug makes the room more cozy. Walls are knotty pine. Curtains are cafe style.

This was the dining room in the house when the Kollins bought it. The youngsters use it as a TV room and lounge on the beige sectional sofa.

Other furniture includes a brown club chair and matching hassock. A smaller club chair has peach and silver upholstery.

There has been extensive remodeling in the kitchen which was just one enormous room without work space or cupboards. The floor was tiled and work counters were built in several locations.

NEW WORK AREAS

The range is in a peninsula counter. A tiny sink and a chopping block are in another section. The sink is in the long counter under the front windows. Against one wall is a little desk with storage in the end.

The desk and all counter tops and splash backs are pink. Cupboards have a fruitwood finish. The white sheer ruffle on the front windows has aqua trim. Two walls and the soffit are papered in a pink and aqua space design.

The breakfast set was done over by Kollin. The table is black. Chairs have aqua seats.

Outside this area is a big porch that is to be the dining room when it is completed. It has jalousie type windows.

The master bedroom is downstairs at the front of the house. Walls are ice blue. Woodwork is white. The cafe curtains are white embroidered muslin. Carpeting is blue.

All the furniture in here was also done over by Kollin. It now has a handsome fruitwood finish. There's a white textured spread on the bed.

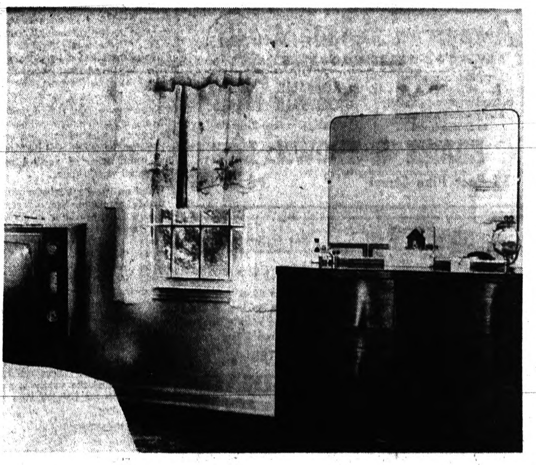
The children sleep upstairs and their rooms are not completely decorated. The girls have a pink room with a rosy flowered rug and sheer white curtains.

In the boys' big room at the back there is a built-in desk and book case. One wall is pine paneled; the other three have cowboy paper. Beds and chests are pine with stirrup handles on the latter.

There's a little fireplace in the guest bedroom which is also pine paneled. A studio couch gives this room the look of a den.

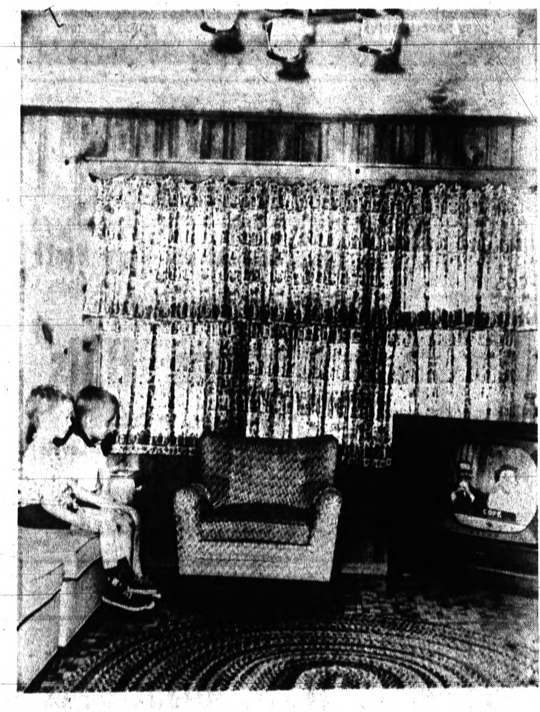
The exterior of the Kollin house is white with green shutters. There's a black iron rail across the front porch.

The day before we took pictures a runaway horse had galloped across the front lawn and through the prized corn patch, creating havoc. By now the damage to the lawn is patched up and the lost corn forgotten. Just a hazard of country living.

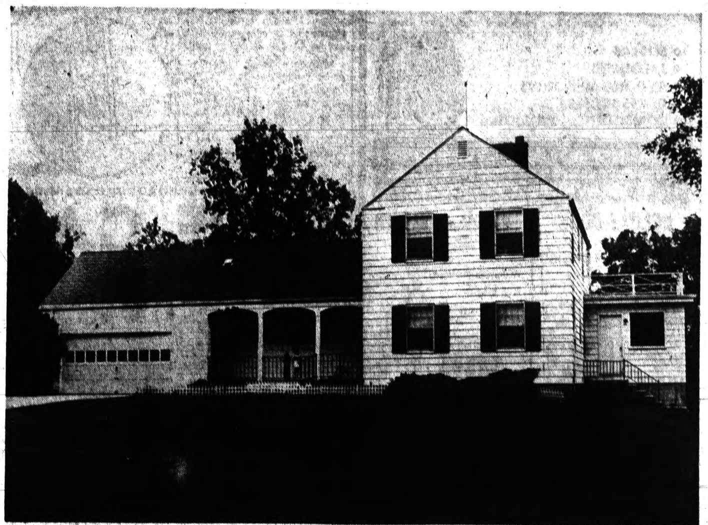


Pontiac Press Photos

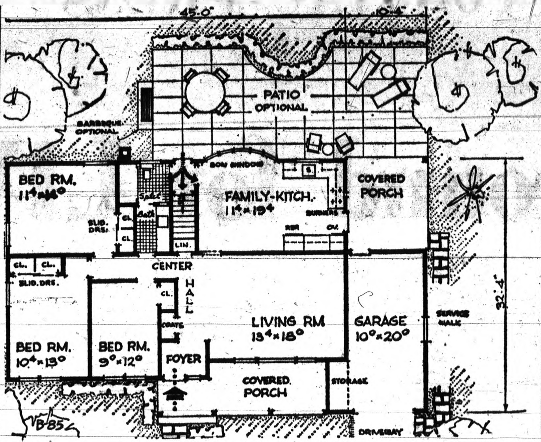
BLUE AND WHITE—Ice blue walls, white woodwork and white embroidered muslin curtains make this large bedroom a cool restful place. The carpeting is deeper blue. Kollin who enjoys refinishing furniture has put a fruitwood finish on the bedroom set.



DURABLE—This den-TV room was the dining room of the house as it was originally built. A tiled floor and paneled pine walls make it a durable room. The cafe curtains have a Pennsylvania Dutch design in reds and greens on beige. The sectional on which Adam Kollin (left) and Kirk Hemelberg (right) are seated is beige. Kirk is a neighbor. The arm chair has peach and silver upholstery.



COUNTRY HOME—The Arthur W. Kollins have been remodeling this house on Dutton Road for about four years. It's a comfortable farm type home, white with green shutters. Kollin has an outside entrance to his office at the right. The downstairs windows in the two-story part are in the master bedroom. Behind the house is rather a steep drop-off; at the bottom of the hill Paint Creek winds through the property.



FLOOR PLAN—Excellent design makes maximum use of every inch of the 1,221 square feet in this house. Garage adds 225 square feet to over-all area. Note split bath, with two entrances and sliding divider separating vanity from bathtub area, enabling single bath to do the work of two. House has full basement, not shown in plan.

Minimum House Makes Owner Proud to Claim

BY JULES LOH

The minimum house—one that provides no more than the basic necessities for the modern family of, say, four or five—needn't add up to a big zero in comfort, convenience and in what the housing developers call "curb appeal."

In the hands of an expert architect, the minimum house can become as attractive and liveable a home as House of the Week B-85.

* * *

The house contains only 1,221 square feet of living area in modest dimensions of 46'4" wide by 32'4" deep. But it has two covered porches for outdoor relaxing, an attached garage, plus a number of optional features such as a patio and barbecue which could be added if the budget can stand it.

Architect Herman H. York who designed B-85 (and who lectures at many home buyers' conferences), is convinced that even small homes can, if designed properly, meet all the needs of the up-to-date family.

"The appearance of your house has a good deal to do with your standing in the community," said York. "Consequently the exterior features and certain interior comforts have become as important to today's home as the front door."

* * *

From the outside, B-85 certainly fills the bill with its covered porch, or loggia, its long flower box emphasizing the width, and its pleasing combination of vertical and horizontal wood siding.

And an excellent interior plan makes maximum use of every square inch, providing the most in comfort for the amount of space. All the rooms are adequate; in fact the 13.4" by 18' living room and the 11'4" by 19'4" family room-kitchen are good-sized in any league. The bedrooms likewise are roomy.

A split bath, accessible from literally every room in the house as well as the rear patio, is a nifty feature which makes one bath do the work of two. There are two entrances, and the vanity is separated from the bathtub area by a sliding door.

BONUS FEATURES

The house has a full basement besides adequate closets, so storage is no problem. Other bonus features are the entrance foyer, not usually found in small homes; and sheltered entrances both front and rear. The rear covered porch, incidentally, can be screened if desired.

B-85 STATISTICS

A minimum house, containing three bedrooms, split bath, living room, family room-kitchen, two covered porches, single garage, full basement, in 1,221 square feet not including 225 square foot garage. Dimensions are 46' 4" wide by 32' 4" deep.

Addition of living room fireplace would add 2' to width. Double garage instead of single would increase width about 9'. Brick or stone could be substituted for wood exterior if desired; architect would provide detail for minor dimensional changes.

Good Paint Job Lasts

Does your house really need painting? It doesn't if it was painted last year or the year before. A good paint job should last from 3 to five years.

Solid Roof Affords Fallout Protection

A group of Portland, Oregon, architects have developed a roof for homes which affords above-normal protection against atomic bomb fallout.

The roof is made by nail laminating dry 2x4s into a solid wood roof slab, according to Donald Blair, outstanding architect in home design.

This gives you, said Blair, a solid slab of wood about four inches deep. Depth seems to be the best protection against fallout, especially if that depth is a material such as Douglas fir or west coast hemlock, the two kinds of lumber most widely used for this type of roof. Full recommended fallout protection would require two layers of 2x4s and a center fill of sand.

These roofs were early developed in the Portland area by Architects Van Evera Bailey, John Storrs, and Dewitt C. Robinson, although Blair and Saul Zaik have expanded their use to virtually every type of roof design.

These solid wood roofs, points out Blair, provide excellent insulation against heat and cold and produce a warmer house. Actually, they are no more expensive than a normal framed roof. They go up very fast and they can be left exposed on the underside to create a charming and decorative ceiling for the home's interior.

* * *

The exposed underside of the wood slab produces rich texture which architects like to get in a home. The wood may be left to weather to a natural soft color, or it may be stained or painted to any desirable shade. If it is stained or left natural it need not be touched for 25 years or more, cutting maintenance costs.

Best way to install these roofs, reported Blair, is to build a simple framework as a guide to keep the roof true. The false framework is removed when the roof is in position.

It Takes Time to Make Plans

Thinking of remodeling your home? Early spring is the best time to make major changes, but the time to start planning for those changes is now.

Architects say that a house costing $25,000 can become a $50,000 home if $12,500 or so is properly spent on improvements. They say the secret lies in proper planning.

* * *

Should you hire an architect for a major renovation — or a contractor? According to a recent article in a prominent business periodical, architects themselves say that a good contractor is your best bet for installing a bathroom, kitchen, or inside wall alteration, or for adding modern equipment, such as rewiring, plumbing and heater-cooling.

Let's assume you plan a new bathroom or kitchen using ceramic tile, which because of new shades and styles, is more in demand than ever. For complete confidence, you should have it set by an experienced contractor.

A written contract is recommended. It should specify details, room by room. It should indicate the materials, brands and quality grades to be used. It should also include a starting and finishing date (with reasonable leeway of a week for a major job) and a clause calling for cleaning up after the job.

* * *

An architect should be consulted when you plan an addition rather than an alteration. He can help you avoid common mistakes — such as adding a one-floor wing to a two-story house. He can also avoid giving your home a "remodeled" look by designing improvements elsewhere in the house.

Pontiac Central Gains Respect in 13-0 SVC Loss to Bay City

Fumbles Hurt PCH; Pomeroy Doesn't Play

Wolves' 2 Touchdowns Set Up by a Bobble, Blocked Punt

By BILL CORNWELL

A severe case of fumbleitis and a blocked kick combined to hand a fighting Pontiac Central football team its 2nd defeat of the 1961 season Friday night before 4,000 spectators at Wisner Stadium.

Highly-ranked Bay City Central turned PCH mistakes into touchdowns for a hard-earned 13-0 victory over the Chiefs in a bruising defensive war between the two Saginaw Valley Conference schools.

The Wolves, rated 4th in this week's Class A prep poll, converted a fumble into touchdown No. 1 late in the 2nd quarter and capitalized on a blocked punt early in the 4th period to tally their clinching TD.

Naturally, it was difficult for PCH coach Paul Dellerba to hide his disappointment after watching his gridders lose their home opener and drop their 2nd decision in as many tries.

"We just fumbled away the ball too many times," Dellerba said. "We can't afford to lose the pigskin that often against an outfit like Bay City. Sooner or later, it'll backfire."

Altogether, the Chiefs fumbled the ball eight times. Bay City recovered four of them, halting potential Pontiac scoring marches on three occasions and turning the other into seven points.

Another factor hurting the PCH cause last night was the absence of Bob Pomeroy, the veteran senior quarterback.

X-rays revealed that Pomeroy had a torn ligament in his left ankle and the husky 190-pound signal-caller didn't even dress for the game.

Pomeroy's position was taken by Gene Luppino, who did a creditable job for the Chiefs, but it was only too obvious that they were sorely missing the experience and leadership of their ailing field general.

Andy Roach returned to the PCH lineup at fullback and the power-running 170-pound speedster charged like a bull and nearly went all the way on a couple of occasions.

Milford Hillie was a tower of strength at end for PCH and tackle Dick Richards also sparkled. Halfback Roy Couser ran well, as usual, and Charley Humphrey was impressive in his first start at the other halfback position.

About 2½ minutes remained in the 1st half when the Wolfpack crossed the goal line for the first time.

Roy Collins had just intercepted a Bay City aerial to halt the Wolves on the PCH 12-yard line. Then, after reeling off a first down, PCH lost the pigskin to the Wolves on a fumble on the Pontiac 23.

Aided by two offside penalties, Bay City advanced to the PCH 3 from where quarterback Bob Schafer hit end Fred Nees with a quick pass over the middle for a TD.

The 4th quarter was only 2½ minutes old when the Wolves struck again. All-State tackle Ken Wright blocked Roach's punt and the ball bounced out of bounds on the PCH 5. Two plays later Schafer sneaked across from one yard away to conclude the scoring for the evening. Elam's kick was wide.

The Chiefs roared back on the ensuing kickoff and drove from their own 33 to the Bay City 11. Then fumbleitis reared its ugly head once more as the Wolves fell on a PCH bobble on the 11-yard line to end the threat.

COACHING QUANDRY — Paul Dellebra (left), Pontiac Central's head football coach, and assistant Mel Nuss both wear that puzzled expression during last night's Saginaw Valley battle between the Chiefs and Bay City Central at Wisner Stadium. They had gloomy expressions at the finish as the Chiefs lost a 13-0 decision in a defensive dogfight.

SPORTS

Skippers, Vikings Win I-L Tuneups

Waterford rebounded from a humiliating opening setback to upset Lapeer and Walled Lake bombarded Dearborn Lowry 59-0 Friday night.

★ ★ ★

Southfield suffered a 41-6 battering at the hands of Ferndale, Berkley drubbed Livonia Bentley 26-0 and Farmington fell before Plymouth 26-7 in other football games involving Inter-Lakes contingents. Pontiac Northern was idle.

Waterford, fired up after last week's surprise loss to neighbor Kettering, made an impressive showing at Lapeer. The Panthers had looked good in nipping a strong Mt. Pleasant team in their lidlifter.

Clark Lemeaux and Gary Walls scored the Skipper touchdowns from one yard out to end offensive drives. Lemeaux carried six times and Gary Moran went 38 yards in a 78-yard march. The other covered 52 yards.

Lapeer reached the two just before the half but was stopped there on downs.

Walled Lake had no trouble at all as coach Dave Smith used four units during the rout. It was 39-0 at halftime.

TO PARADE

Mike Hinckley, Bill Green and Mike Buffmeyer got two each in the parade of touchdowns. Ron Wik recovered a fumble in the end zone, Norm Mosely and Jim Webb went 55 and 45, respectively, on punt returns for the others. Larry Riley kicked five PATs. A 73-yard dash by Webb set up the very 1st tally. A 35-yard return of a pass interception by Jerry McCormick resulted in a later one.

Over 3,500 fans were on hand for the dedication of the new Viking grid field. They saw some topnotch line play by Mike Morey and Jack Shiker of the home team.

Southfield trailed only 7-6 after one quarter but could not cope with the running of swift Dorie Reid and powerful Bob Micheau the rest of the way. Reid went 65 and 42 to paydirt to spark a 28-6 halftime lead. Micheau had a TD and five extra points.

Southfield went 64 yards for its tally with Dennis Lamb running the last three. The Bluejays gained well on offense but were hurt by fumbles and interceptions as well as weak defensive play.

Standout quarterback Phil Krumm scored twice on sneaks and passed to Jerry Malasko and Don White for two more in the Berkley triumph. He also took to the air for one of the extra points.

Walled Lake, the 1960 titlist, will go into I-L action next week with a 2-0 tuneup record. Northern is 1-0, Waterford and Berkley are 1-1, Southfield and Farmington 0-2.

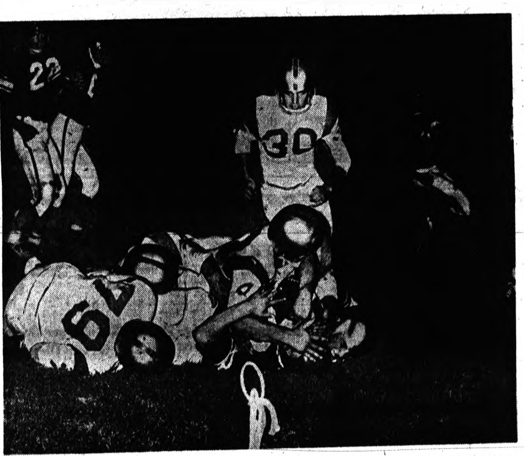
TROUBLE AHEAD — Hugging the ball for dear life, Pontiac Central halfback Charley Humphrey gets ready for trouble in this bit of action Friday night at Wisner Stadium as Bay City Central's Don Randall has definite ideas of making a tackle. The Chiefs lost the Saginaw Valley game to Bay City, 13-0.

Kettering 11 Routed by Romeo, 43-0



Pontiac Press Photo

ON THE BOTTOM — Two Kettering players are buried under several Romeo Bulldogs. Grabbing for the loose ball is Romeo's Mark Johnson (40) as teammates Ron Mignot (79) and Eugene Henning (30) lend support. Kettering players are Dick Shipman (22) and Ray Heaton (32). Romeo won, 43-0 .

Rochester Team Is Cuffed, 19-6, by Mt. Clemens

Captains are Crushed by Bulldogs; Bathers Too Fast for Falcons

What goes with this Romeo High School football team?

The Bulldogs were expected to have plenty of nothing before the 1961 season began. In view of their first two games, it appears that the surprising gridders of new coach Ernie Maule have plenty of everything.

Romeo's offensive-minded players polished off Richmond by a 31-0 count in their opening game, then last night on their friendly home gridiron they handed the new Waterford Kettering school a 43-0 shellacking.

Rochester's bubble burst at Mt. Clemens where the Bathers of the Eastern Michigan loop dealt the Falcons a 19-6 setback in a nonconference outing.

Romeo stopped Kettering's only serious scoring bid on the 1-yard line in the opening minutes of the game after the Captains had recovered a fumble on the 5. From then on, it was all Romeo.

Spearheaded by John Hanley, who tallied twice and carried the ball a dozen times for 110 yards, the Bulldogs piled up a 23-0 halftime lead and coasted home.

In addition to reeling off 392 yards on the ground, Romeo so completely stifled the Kettering attack that the Captains had a minus 12 yards rushing.

Hanley scored TDs on runs of 8 and 19 yards. Bill Trieloff scooted 12 yards for another touchdown and the Bulldogs struck once through the air as Chris Palmer hit Mark Johnson for a TD pass covering 30 yards.

Gene Hennig also tallied twice on long dashes of 35 and 55 yards. Butch Perraino booted five extra points and Romeo scored a safety in the 2nd period when Palmer tackled a Kettering ball carrier in his own end zone.

Speedy halfback Porter Johnson was the big thorn in Rochester's side as he raced to a pair of TDs on jaunts of 5 and 22 yards. Mt. Clemens' clinching TD in the 2nd quarter was notched by Bernie Tanzey, who intercepted a pass by quarterback Don Baldwin in the flat and sprinted 40 yards untouched.

Rochester's only touchdown was a 30-yard pass from Baldwin to Tom Mitzelfeld in the 2nd stanza. When Joe Kowaleski missed his kick for the extra point, the Falcons still trailed, 7-6. Mt. Clemens' lone extra point was booted by Larry Forton. All the scoring came in the 1st half.

The two teams battled to a virtual standstill following intermission. It was Mt. Clemens' 2nd triumph in as many attempts.

Barber Catches Younger Players in Portland Open

PORTLAND, Ore. (AP)—A veteran and two youngsters were leading the pack as 70 professionals and 10 amateurs entered the third round of the $25,000 Portland Open Golf Tournament today.

Jerry Barber, 45-year-old Los Angeles veteran was deadlocked after Friday's second 18-hole round with 24-year-old Dave Hill and Jerry Steelsmith, 25.

All had 134 for 36 holes.

Meanwhile, Barber set a course record of 64 with a series of long birdie putts—three of them over 15 feet. He had a 70 in the opening round.

South Lyon 11 Blitzed

South Lyon's football team was outclassed Friday night as the Lions absorbed a 31-0 licking at the hands of visiting Romulus. Jess Price scored three touchdowns for Romulus and converted the lone extra point to pace the rout. Don Smith and Gil Brummen each tallied once. No serious threats were made by South Lyon, whose record now stands 1-1.

Kimball Clips Maples in Start of EML Play

By JERRY BARNFATHER

Birmingham Seaholm bumped into some of the Eastern Michigan League's stiffer competition last night, playing host, and losing 27-13 to Royal Oak Kimball.

The visitors led all the way and currently boast a 2-0 mark. Seaholm has an uphill climb in the EML now and stand 1-1.

★ ★ ★

'Twas a bitter pill to swallow for the Maples, as the two schools are progressively becoming bitter border-town rivals. This was evident through the enthusiasm displayed by the large overflow crowd.

Recalling last fall's 13-0 thumping, the vengeance minded Knights tallied the 2nd time they had possession. After Seaholm's Gage Cooper pounced on Kimball's punt formation fumble at midfield, the Maples returned the gesture by juggling the pigskin on the Seaholm 20.

Halfback Bill Chilton stormed over from the 14 on a 4th down. Russ Maynard's attempted run fell short and the period ended 6-0.

Fumbleitis got the best of Birmingham in the 2nd stanza, as an alert Kimball lineman scooped up a loose ball on the Seaholm 46. Mingling the brilliant running of Chilton and fullback Steve Wilson with the ball handling of field general Wally Gabler, the Knights drove to Seaholm's 1 yard stripe from where Gabler sneaked over. Chilton barreled over for the point and the Knights were in command, 13-0.

★ ★ ★

Birmingham bounced back immediately, almost before either squad could catch its breath. Brant Conley returned the ensuing kick-off to the Maple's 45 and quarterback Fred Muenchinger promptly lofted the leather to 'half Bruck Bates who blasted his way into paydirt. Conley's attempted conversion was wide.

Moments later, Royal Oak's Chuck Meagher made his way to the Mapel's 48 yard line on the kick-off and two plays later, Gabler flipped a short aerial to end Gary Houck, who snagged the ball at midfield and romped the remaining 50 yards to score.

Chilton's run padded the margin, 20-6.

Seaholm had a golden opportunity stymied early in the 4th period. A series of plays originating on Kimball's 48 carried the hosts to their opponent's 4, from where Muenchinger bobbled the ball away on 3rd down.

★ ★ ★

Kimball marched back to midfield immediately and on a fake handoff, Gabler sprinted 42 yards to the Birmingham 17. Gabler again hit Houck with a pass and the big end waltzed over for the marker. Chilton's successful run handed the Knights a 27-6 advantage.

Seaholm registered its final touchdown on a weird play in which seven pairs of hands came in contact with the ball. Kimball's secondary bobbled a punt on the Royal Oak 25 and the evasive pigskin couldn't be held. Halfback Bob LaMarre finally fell on the ball, only after it had squirted into the end zone. Brant Conley's boot cleared the uprights and that was the ball game, 27-13.

★ ★ ★

Seaholm made a final desperation effort in the waning seconds, completing a pass to the Kimball 6 yard line, but time elapsed.

Imlay Takes 'Cats'; Thumb Opens

Imlay City hammered Oxford 20-0 in the South Central Conference opener while Southern Thumb grid play got under way with a full schedule last night.

Imlay scored all its points in the first half and held off the visiting Wildcats the rest of the way sparked by the punting of Doug Perkins. He averaged 56 yards for four boots.

Perkins and Dick Sefcovic tallied seven points apiece for the Spartans. Each ended a sustained drive by plunging over from the one-yard line. Don Malson dashed 65 for the other six-pointer.

Oxford lost the ball at the 10 on its only good scoring threat. Coach Walt Braun's eleven fell inches short of a first down in the second period. Imlay is now 1-1 and Oxford 0-2.

★ ★ ★

SCC members Millington and North Branch played nonloop contests. Millington blanked Mayville 12-0 to even its record at 1-1. Chuck Howard ran 5 and Darwin Doty passed to Paul Fox on a 33-yard play for Millington's tallies. A Mayville TD was nullified by a penalty.

Defending champion Anchor Bay, Capac, Memphis and New Haven got off on the right foot in Thumb games.

Anchor Bay edged Armada 14-12 in one of the area's top games of the night. All the scoring was in the first half. Armada lost the ball on downs at the 1 and 5 and had other threats that failed.

★ ★ ★

Al Ludeman made the Bay touchdowns on runs of 70 and 30 yards and George Torney added the big extra points. Jim Porte went 26 and 15 to paydirt for the losers who were hindered by injuries.

★ ★ ★

Following a scoreless quarter, Capac piled up 20 points in the second session and went on to whip Dryden 33-6. Nelson Schuneman, John Staniloiux and Tony Aguinaga each reached the end zone once and Joe McGlory twice for CHS. Bob Boucher got Dryden's points on a 50-yard pass play.

★ ★ ★

Memphis walloped Almont 34-0 and New Haven took Brown City by 18-7.

Hazel Park Trims RO Dondero, 23-6

Hazel Park, expected to make a strong bid for the Eastern Michigan League football crown this season, showed lots of class Friday night at home by trouncing Royal Oak Dondero, 23-6, in a non-conference contest.

★ ★ ★

Halfback Dick Golinski scored all three Parker touchdowns on runs of 1, 7 and 10 yards and he also converted twice. Frank Stagg kicked the 3rd extra point and the Parkers made a safety in the 3rd quarter when Floyd Lynch downed a Dondero ball carrier in the end zone.

Bill Waters dashed 58 yards in the 1st period to tally the loser's lone TD. The victory was Hazel Park's 2nd in two starts. Dondero is 0-1-1.

★ ★ ★

Port Huron, another EML title threat, nosed out Grosse Pointe, 13-12, in non loop action yesterday. Utica broke into the victory column with a 13-6 Bi-County League triumph over Warren last night.

Emmanual Will Host Huron Eleven Tonight; Groves vs. Cranes

BY CHUCK ABAIR

One local team plays at home while the three others are on the road tomorrow for the second Sunday of action in the Suburban Catholic League.

* * *

The best contest of the day could be at Orchard Lake where the Eaglets seek their 2nd straight victory against strong St. James. St. Michael opens loop play at St. Benedict, St. Fred is guest of defending champion St. Clement and Our Lady of the Lakes goes to Royal Oak St. Mary completing the schedule.

Action tonight will have Emmanuel Christian host to New Boston Huron at Wisner Stadium, Cranbrook makes its debut under new coach Pete Slader and against Groves at Seaholm, Ortonville entertains Birch Run and L'Anse Creuse goes to Clintondale.

Orchard Lake breezed past Our Lady last Sunday with four different boys scoring touchdowns. They will have to be at top form in the home lidlifter to stay unbeaten.

* * *

St. James was rated a pre-season title contender featuring a strong backfield led by Ron Kotejes but the Dales bowed to strong St. Rita 1st time out.

St. Mike will be starting a campaign to bounce back in the SCL after a dismal 1960 season. The Shamrocks were impressive for one half in bowing to West Bloomfield. St. Ben was whipped by St. Clement.

The Rams of St. Fred will be a definite underdog although coach Tom Kennedy has been pleased with progress this week following a tie with Royal Oak. New offensive starters will be Fred Medina at end and freshman Marv Robare at tackle. Quarterback Charley Dean's ailing arm is improving.

* * *

New league member Our Lady of the Lakes will be playing its 2nd varsity game. Royal Oak was outplayed by St. Fred but rallied to gain a tie in the closing minutes.

* * *

Emmanuel will be in its familiar underdog role despite a good showing in defeat a week ago. Injuries have hindered Lancer drills with back Ron Jackson among the ailing.

Groves turned in a good showing in losing a tight game to Seaholm and should give the Cranes all they can handle. Cranbrook should have a strong backfield headed by Dave Schultz and Dick Mosher.

* * *

Ortonville romped over Almont in an easy start towards what could be a big season. L'Anse will be trying to even its record after a 13-7 setback.

Unitas to Give Lion Defense Aerial Test

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

BALTIMORE — It hasn't been very often in the past several years during the "Unitas-era" that Baltimore has been second best in passing statistics.

But, that was the cast in the opener which the Colts won from Los Angeles, 27-24 last week. The Rams rolled up 123 passing yards while Unitas had to settle for 112 yards in 12 for 22 passes. It was one of the poorest game statisticwist for Unitas in two years.

So, on this premise, if the Rams can do it, then the Detroit Lions with probably the best defensive team in the league should be able to do equally as well.

This conclusion is hardly true, however, because when Unitas starts passing Sunday afternoon, he will have the league's most heralded receiver Ray Berry back in uniform after being out of action for several weeks with an injury.

Berry especially seems to do his best against the Lions, although Unitas knows from the past the beating he has taken from the Detroit defensive line.

* * *

Unitas does have some envious statistics to throw at the Lions however. He has faced Detroit 10 times and has thrown for 20 touchdowns and hit on 149 of 271 passes for 2,362 yards.

Last year Unitas weathered some brutal punishment from the Lions who won both ends of the home and home series.

The Lions carry a six game regular-season winning streak including the Playoff Bowl into the game which will be televised back to this area at 1:05 p.m. In the all-time series between the two teams, the Lions have won 11 of 17.

In an NFL game tonight the Los Angeles Rams play host to the Chicago Bears in the Coliseum. The Bears were thrashed by the newest team in the league, Minnesota, 37-15, last week.

All other NFL teams will be busy Sunday. The New York Giants are at Pittsburgh, the St. Louis Cards at Cleveland, Minnesota at Dallas, San Francisco at Green Bay and the Redskins at Philadelphia.

Following the Colt game, the Lions are home for four straight games against the 49ers, Bears, Rams and Colts. A win tomorrow could put the Lions in prime position for Western Conference honors with the big home card ahead.

Bay City Handy Upsets Midland in Valley Clash

Surprising Bay City Handy dealt Midland a stunning 13-6 setback last night in a clash of Saginaw Valley Conference football powers at Bay City.

After letting the Chemics score first for a 6-0 lead, Handy roared back to tally two touchdowns with the clincher coming in the last five minutes of the game.

Midland passed for a touchdown on the final play, but a penalty canceled the counter, then an incomplete aerial ended the contest.

In other Valley action Friday, a one-yard TD plunge by Ken Bublitz in the 2nd quarter gave Arthur Hill a 7-0 win over city rival Saginaw High and Jewell Baxter's two-yard smash for a TD in the 4th period brought Flint Central a 6-0 conquest of Flint Southwestern. Flint Northern lost a 7-6 decision to Grand Rapids Catholic Central in a non-conference affair.

SETTING UP A TD — This 35-yard sprint by Bloomfield Hills ends John Schweppe set the stage for the Barons' first touchdown against Brighton Friday afternoon on the Hills gridiron. Schweppe caught a pass from Brian O'Neil and raced to the 1-yard stripe from where O'Neil scored on a sneak on the next play. The Barons beat Brighton, 21-0, in Wayne-Oakland action.

Colts Gallop Past Orion in 'B' Opener, 46-14

By CHUCK ABAIR

It would seem safe to assume that the Lake Orion gridders are going to spend some long hours working on defense next week.

They dropped their second one-sided game in as many starts in the new season Friday due to the inability to stop enemy ball carriers.

Visiting Troy ruined Family Night by pulling away from an early 7-7 deadlock to breeze 46-14 accumulating 336 yards rushing making it 86 scored points and 730 yards gained on the ground against Coach Frank Kownacki's Dragons. Their opponents have done little through the air but they haven't had to.

Lake Orion went unbeaten last fall, thanks to a forfeit of a setback, and was co-champion of the Oakland B. The Green and White were figured to be tough again despite heavy graduation losses.

So league play opened last night and Troy's backs ran as they pleased all the way. Other loop teams will do the same unless things are changed considerably. The absence of injured Denny Callison was part of the problem yesterday. The losers' offense looked good at times.

Fitzgerald, the other 1960 first-place team, downed Clawson 13-2 and Madison slammed Oak Park 26-0, completing the loop games. Avondale was not scheduled.

Lake Orion made it close early and then fell far out of the running Friday just as it had in a 40-6 beating by PNH.

Troy went to a quick touchdown following a 39-yard kickoff return by Roger Qualman. Tom Towler made his first of two TDs from the three and Ron Rodger booted the first of four conversions.

* * *

The Dragons tied it just two minutes and 22 seconds later on one of the top plays of the night. Jon Cucksey and Dave Hallmark, a fine sophomore pass combination, clicked on a 53-yarder and Dave Perry ran the point. Key blocks enabled Hallmark to go 45 after grabbing a short flip.

Troy went right back to its steady ground gaining and got all the way to a first down at the LO 3 when soph quarterback Don Armstrong tried his initial pass. Frank Ochoa stole the aerial in the end zone and ran it out to the 37. But, on the second down, the Colts got the tally they missed when Qualman intercepted a quick toss and scored easily.

Bob Barnard made another from the eight and the visitors were on the way to a rout.

A fumble recovery started the next drive just when the Dragons were moving. Armstrong hit Hal Klusendorf with a 10-yarder for a six-point pass to make it 26-7 at halftime.

The home team lost the ball twice on downs in enemy territory in the third period—once at the 12—wasting some more pass completions and good running by Perry and Dave Julien. Ochoa's 38-yard kickoff return had started one trip. Troy went 63 yards in four plays to paydirt in the quarter. Mr. Towler took care of the final 53.

Qualman picked off a fumble in mid-air and went 23, and Barnard scampered 42 on the opening play after a pass interception to end the Colt scoring.

Orion drove 77 to its final points. Two Cucksey-to-Hallmark aerials covered the distance. They also teamed for the PAT.

Dave Aldred failed to score but was a tower of strength in the offensive push of coach Bob McElreath's aggregation.

Fitzgerald turned two pass interceptions into touchdowns. Jim Osolinski swiped the first and then went 30 on an end run to open the scoring. Joe Stamplis snared the other and returned it 50 yards to the end zone. Clawson had two good threats with one ruined by penalties before a safety in the final quarter.

* * *

Madison pulled away following a 6-0 halftime lead. Connie Hammer led the way with six-point runs of 59 and 2. Bob Barrett and John Chiarotti garnered the others.

Applegate, Bray Lead Wolves to 21-6 Win Over Milford

By DON VOGEL

The Clarkston Wolves literally ran circles around Milford in the second half Friday night to post a 21-6 Wayne-Oakland League victory.

The home field triumph gave the Wolves a tie for first place with Northville and Bloomfield Hills, winners in opening league tests. West Bloomfield battled to a 12-12 tie with Clarenceville.

The alert running of quarterback Mike Applegate and end sweeps by fullback Ron Bray broke Milford's back in the last two quarters.

Applegate flipped a 23-yard scoring pass to Jerry Powell on the last play of the third quarter to give the Wolves some breathing room. Bray put the game out of reach with a four-yard smash into the end zone midway in the last period.

The Redskins started out like they were going to push Clarkston off the field. Milford scored the first time it had the ball. Halfback Gary Motley bucked eight yards off-tackle for the touchdown.

* * *

Clarkston went ahead late in the opening period when Darrel Williams took a Milford punt, got away from one tackler and then scooted 59 yards untouched down the sideline for a TD. Dick Sheldon kicked the first of his three extra points and the Wolves were ahead to stay, 7-6.

The first half was a shoddy affair, marked by numerous penalties and several fumbles. Clarkston players found the handle in the second half, but the Redskins could never get started.

The turning point came in the first period. Milford scored on a picture pass play as Bob Miller hit Ron Hoggard wide open down the middle. But a holding penalty killed the play. Williams' punt return seemed to take the steam out of the Milford players.

Clarkston lost two touchdowns, one on a penalty and another when Applegate fumbled on the goal line.

Milford's defense, led by guard Doug Long and Hoggard, shackled Willie Knox and the other Clarkston runners in the first half. Knox continued to run into difficulty in the second half, winding up with minus two yards rushing on 12 carries for the game.

But Applegate ran for good yardage in the last two periods, swinging around end after fading to pass. Bray made plenty of yards at end. The Wolves had trouble with the middle of the big Redskin line.

Dick DeBose and Dick Moore spearheaded the Wolves defense which held Milford to 88 yards rushing, 23 in the second half.

Quarterback Steve Juday passed for two Northville touchdowns and scored twice himself as the Mustangs clipped Holly 27-13. He connected with Craig Bell on a 30-yard TD aerial and hit Dan Brown with a 35-yard scoring toss. Juday bucked four yards and two yards for the other Northville scores.

Holly went ahead 7-6 in the first period on a 65-yard run by Jim McArthur and his run for the extra point. Bill Conti ran 40 yards for the final score of the game and Holly's second TD in the third period.

Quarterback Art Tregenza returned to the Bloomfield Hills lineup after missing the opener because of illness and helped the Barons to a 21-0 win over Brighton.

Treganza scored the third Baron touchdown on a 65-yard option play. Quarterback Brian O'Neil passed 35 yards to end John Schweppe for the Hills' first TD and Roger Stewart got the second on a one-yard plunge.

Clarenceville surprised West Bloomfield by taking a 12-0 lead on a 58-yard pass from Ed Hanaford to Don Ridling and Ridling's 83-yard jaunt.

The Lakers struck on a 30-yard run by Mike Paddy and Jim Watkins 45-yard bust. The game ended, 12-12.

Georgia Tech Beats Southern Cal

Broncos Scare U-D, 21-14

By BRUNO L. KEARNS

An inspired Western Michigan team just didn't believe the press clippings. The Broncos were supposed to take a sound beating from the University of Detroit, but instead the Kalamazoo team pushed the Titans right to the limit before losing 21-14.

Western was keyed up for the contest, stopping couple U. of D. scoring bids right at the start. The big Bronco line stopped the Titan running attack and the final result for U. of D. rested on the shoulders of classy quarterback from Bay City, Jerry Gross.

Pontiac's Jim Shorter gave the crown of 18,600 a couple thrilling moments and he did everything but score. He had a beautiful 80-yard run for a touchdown called back because of clipping in the second quarter and in the final stanza he was on the receiving end of a 50 yard pass play to the Western 26 which was nullified for holding.

U of D. didn't have the poise for its opening contest. The Titans had 15 penalties detected, however only eight were called as the others were declined by Western.

After a frustrating first period which saw U. of D. knocking at the goal, Western scored by going 80 yards in 13 plays with Paul Toth going the final three yards in the second period for a 7-0 lead.

The Titans came back and with only 25 seconds left in the half, Jerry Gross passed 22 yards to Steve Stonebreaker. Gross converted and it was 7-7 at the half.

A pass from Gross to Shorter to the Western 29 was a big play as the Titans made it 14-7 in the third quarter. Shorter got to the one foot line and Vic Battani went over.

The Broncos went into high gear and tied it 14-14 when Alan Gibbs went two yards after a 57 yard march.

Halfback George Walkowski gave Detroit the victory on sheer determination when he twisted away three times from the five yards line to score on a fourth down midway in the final quarter. When the game ended, the Titans wasted three running plays from the Western four yard line, as Gross elected to hold the ball rather than make an effort to score again.

It was Detroit's 11th victory in as many games in the series between the two schools and it was the first time Western scored more than once. The Titans have Xavier, Boston College and Navy coming in order in home games.

Georgia Tech, struck for three touchdowns and a field goal in the first half Friday night and rolled over Southern California 27-7 before 36,950.

The Ramblin' Wrecks, in their first appearance in this sector since posting an 8-7 Rose Bowl victory over California in 1929, quickly dispelled the one-point favoritism bestowed on the Trojans.

Second string quarterback Billy Lothridge started the Tech scoring with a 35-yard field goal in the first quarter and ended it with a 27-yard fielder in the fourth.

Georgia Tech's big quarter was the second, when it scored three touchdowns with No. 1 quarterback Stan Gann and Lothridge guilding the team.

Angels Become Lary's 22nd Victory

Tiger Pitcher Proves Tough in Late Going

Kaline, McAuliffe Hit Homers, so Does Brown in 6-4 Triumph

LOS ANGELES (AP) — Bob Scheffing may no longer have the American League's No. 1 club, but he still figures he has the No. 1 pitcher.

* * *

"I think Frank Lary is the best in the league," Scheffing said Friday night after the Detroit right-hander achieved a new personal high by scoring his 22nd victory of the season. Lary had to survive some early trouble, but he also made it his 22nd complete game this year as the Tigers defeated the Los Angeles Angels 6-4.

"I think Whitey Ford (of the Yankees) is a helluva pitcher," Scheffing said, "But Lary pitches a full nine innings. And he beats the good clubs. He has a 4-2 recod against the Yankees this year (his career record against the Yanks is 27-10) and he's also beaten every other club in the league.

"When Lary does lose one, it's usually because they get to him early. Of the nine times he's lost this year, I think he's been beaten only twice in the late innings."

* * *

Lary had another of his wobbly starts Friday night. He was touched for five hits and four runs — three of them earned — in the first two innings. After that the Angels couldn't get a man past second base, and only two made it that far. Lary struck out nine—four in the last two innings—and didn't walk a man.

With this victory, he surpassed his best previous season—1956. He won 21 and lost 13 that year.

A single by Lee Thomas and Leon Wagner's 24th home run put the Angels ahead 2-0 in the first inning. They got two more runs in the second on three singles and two errors.

* * *

But the Angels, not to be outfumbled, committed three errors in the third and the Tigers scored twice. Homers by Dick Brown and Dick McAuliffe tied it in the fourth and Al Kaline's 19th homer produced the winning run in the sixth.

Angel starter Eli Grba lasted seven innings, suffered his 13th loss in 23 decisions.

Gentile Ties Mark For Grand Slammers

By THE ASSOCIATED PRESS

Take that spotlight off Roger Maris for a moment and turn it on Jim Gentile, Baltimore's slugging first baseman with the grand slam habit.

* * *

Gentile, up among the leaders in home runs and runs batted in but completely overshadowed by Maris' attempt to crack Babe Ruth's record, equaled a major league record last night by cracking his fifth grand slam of the season in an 8-6 victory over Chicago.

* * *

The slam, Gentile's 44th homer of the year, came off Don (perfect game (Larsen as the Orioles scored seven runs in the fifth to put it away. Chuck Estrada was the beneficiary — just as he had been for Gentile's four previous bases — loaded shots.

* * *

Gentile's feat matched the record set by Ernie Banks of the Chicago Cubs in 1955 and surpassed the American League mark of four held by Ruth, Lou Gehrig and Tommy Henrich of the Yankees, Al Rosen and Ray Boone of the Indians and Rudy York of the Tigers.

* * *

Meanwhile, after a day off, Maris tries again today for homer No. 60, at Boston's Fenway Park, where Ruth began his major leag career.

* * *

Maris, who no longer can officially tie the Bambino's 60-homer record of 1927 under the 154-decision limit set by commissioner Ford Frick, faces rookie right-hander Don Schwall (15-5) in the opener of a two-game set against the Red Sox.

* * *

In other games yesterday, second-place Detroit beat Los Angeles 6-4 for Frank Lary's 22nd victory and Kansas City edged Cleveland 4-3. Washington-Minnesota was postponed.

National League leading Cincinnati's Billy O'Dell while the second-place Los Angeles Dodgers were beating St. Louis, 6-3. That reduced the Reds lead to four games and left their magic number at four. Pittsburgh whipped Philadelphia 6-3. Chicago-Milwaukee was postponed.

That spoiler role seems to fit the San Francisco Giants. They kayoed the Los Angeles Dodgers two weeks ago and now have temporarily slowed the Cincinnati Reds' drive to their first National League pennant in 21 years.

Just a few hours after world series tickets went on sale in Cincinnati, the Giants put a slight damper on the pennant-fever gripping the city.

* * *

The Giants, who deprived the Dodgers of their lost column advantage over the Reds by taking three straight from Los Angeles, got the job done with weak hitters Jose Pagan and Chuck Hiller accounting for five RBI.

Tense Maris Loses Hair

BOSTON (AP)—The strain on Roger Maris in his nearly successful assault on Babe Ruth's home run record in 154 decisions was so grueling, it caused hair to fall out of his head, the New York slugger revealed today.

Finally breaking down after having minimized all along the mounting pressure as he gallantly strove to equal or beat baseball's most celebrated record, Maris disclosed a visit to a Baltimore doctor Thursday when he became alarmed by the loss of tufts of hair in back and on the sides of his head.

"I was afraid it was some kind of a disease," he said, "but the doctor assured me it was nothing of the sort. He said it was just a case of nerves, caused by strain and tension. He told me it must have been building up for some time and said I'd probably have some bald spots but the hair would eventually grow back again."

Pressure began back in July when it became evident that the 27-year-old outfielder had a real shot at Ruth's record. It mounted steadily with each home run and reached agonizing proportions in the final days.

Fair After 11th Victory

Joy Fair, Pontiac's modified stock car driver, wants to make his last race of the season the best one.

Fair has literally torn up the track at the Sandusky, Ohio, speedway the past season, having won 10 of 18 feature races. This is a record on the asphalt track which is one of the outstanding ovals in the midwest.

The Pontiac driver will be shooting for his 11th and biggest feature purse with a handicap. In a garage accident a couple weeks ago, he tore off the tip of his finger and after undergoing skin grafting he did not race for two weeks.

The left index finger is still in the process of healing and with a specially made splint he hopes to take a share of the $5,000 purse with his "Bomb 519" which he introduced several years ago. This is the second year he will be running a Pontiac motor in the car and it may be the last season for the "Bomb."

* * *

Fair is in the process of building a new car with the biggest motor in modified stock cars. The motor alone will cost $2,000.

Fair has been racing for 12 years with Russ Wainscott and Paul Riemenschneider assisting him in the pits.

Softball Crown Won by Illinois 9 Again

CLEARWATER, Fla. (AP) — The world softball championship has been won for the second time by Aurora, Ill.

The team took the title Friday night by shutting out Detroit, 2-0, behind the three-hit pitching of Harvey Sterkel. Sterkel was named to the all-worth team for the ninth time.

Aurora first won the double elimination tournament in 1959. The team did it this year with five victories and no defeats.

South Dakota was the first state to trap pheasants for stocking purposes.

Ford Cardinal Likely the First Out

Small, Small Cars Kept Under Cover

By BEN PHLEGAR
AP Automotive Writer

DETROIT—American manufacturers are continuing work on cars smaller than anything now built in the United States.

They won't be introduced with the 1962 models which are beginning to appear in dealer showrooms now. They may never be introduced in this country.

But usually reliable informants claim at least one such car will be rolling from an American assembly line by next June.

This would be the long-rumored Ford Cardinal, although it could have another name when it comes to market. Manufacturers often use code names to hide advance projects. Current code name for the Cardinal-type car now under development by Ford in Europe is the Archbishop.

* * *

The fact Ford is working on small cars on two continents has added to the confusion. Some reports say the Cardinal will be assembled in the United States from components made abroad. Others claim only a foreign version will be built.

* * *

But the consensus is that it will be assembled domestically using both foreign and American-made parts. Ford's current compact Falcon uses some foreign parts.

The Cardinal is said to have a wheelbase of about 98 inches, five inches shorter than the Rambler American now the shortest car in domestic production. The over-all length is reported to be about 165 inches, eight inches less than the Rambler model.

This would make the Cardinal fractionally larger than the Volkswagen, its main marketing target. The VW has a 94.5 inch wheelbase and is 160.6 inches long.

VOLKSWAGEN HAS EDGE

Volkswagen has a considerable edge on any present domestic car in weight, at only 1,631 pounds, compared with 2,396 for the Falcon, lightweight among U. S. models.

Ford declines comment on all speculation regarding a small car. So do all other domestic manufacturers with one exception — Studebaker-Packard.

* * *

Sherwood Egbert, president of Studebaker, said recently: "We have a prototype of a small car. I don't like the looks of it. We do like the engine very much and we are pushing it. We won't push the car unless others go first and it looks like we need it."

* * *

Carl H. Hahn, general manager of Volkswagen of America, says he is convinced the Cardinal will appear on schedule. He is equally positive its introduction will not dent Volkswagen sales in this country.

"What I do wonder," he said in an interview, "is how long it will be before the other companies make a smaller one too."

Chevrolet is said to have developed prototypes for small cars and has made some inquiries among suppliers. Ed Cole, Chevrolet's general manager, insists there are no plans to market such a vehicle.

* * *

Speaking of the Big Three companies Hahn said: "They gave (George) Romney three years and they gave us 10 years. But I can't see them giving each other as much as a one-year head start."

Next Peace Corps Test Oct. 7 in Three Cities

Any Pontiac area resident who wants to serve in the Peace Corps will have another opportunity to qualify by taking examinations Oct. 7.

The third round of Peace Corps exams will be held at Detroit in Room 406, Federal Building; at Ann Arbor, in the Civil Service Room of the downtown post office station; and at Flint in the old post office, Second and Church streets.

Tests will begin at 8:30 a.m. and will last for six hours, with an additional hour for lunch.

* * *

Each person may choose between two types of examinations. One test is designed for men and women who would like to be considered for secondary-school or college teacher positions.

* * *

To take one of these tests, an applicant needs a bachelor's degree but need not be an accredited teacher.

* * *

The other examination is for everyone else who desires to serve in the Peace Corps. Test results are considered along with such elements as background, special skills and character references. Officials hope these October tests will attract a large number of Americans in agricultural and industrial fields.

Takes Practice of Dr. Haddock on Pontiac Trail

Dr. Stephen Schweinsberg has assumed the practice of Dr. Douglass A. Haddock whose office was at 5700 Pontiac Trail, Orchard Lake.

Officer Guards Mace in House

U.S. Chamber Recessed Instead of Adjourning, Forcing Night Vigil

WASHINGTON (AP) — Because the House resorted to the unusual practice of recessing instead of adjourning until 10 a.m. today, a Capitol policeman kept a lonely vigil all night in the House Chamber.

* * *

He was guarding the mace, a silver and ebony device that is the official symbol of the authority of the House. It must be displayed in the House chamber except when the House actually is in adjournment. A Deputy Sergeant-at-Arms always sits by to guard it.

* * *

Zeake W. Johnson Jr., Sergeant-at-Arms, deputized a member of the night police force to watch over the mace. The guardian was relieved later in the night by one of the early shift patrolmen.

* * *

When the House is not in session, the mace is locked in a vault in Johnson's office. It is escorted daily—except during recess periods—to and from the House chamber by a special deputy.

'Tornado' Damages Marne Area Homes

GRAND RAPIDS (AP) — What witnesses called a tornado whirled through the Marne area northwest of here Friday night, damaging homes and buildings and injuring a boy.

John Frits, 13, said he spotted a funnel while driving his father's tractor home from a neighbor's farm.

He said he shouted to warn his brother, Charles, 18, of the danger: "Run for it. A tornado is coming."

The two brothers took refuge in the cellar of the home. John was cut on the right wrist by flying glass. His parents, Mr. and Mrs. Robert Frits, were away at the time.

Police said the windstorm first hit another nearby area and damaged several buildings, storage sheds and housing for migrant farm workers.

TV had divided people into three categories—those who fall asleep before the Late Late Show, those who go to sleep after it, and those who go to sleep during it . . . . The first thing a child learns to do with an expensive toy, it seems, is to drop it—Earl Wilson.

Mid-U.S. Gets Chilly Fall Start

Thermometer Crashes to 30s, Snow to 2 Feet Drifts Over Rockies

By The Associated Press

An autumn cold front pushed into the nation's mid-section today, sending temperatures skidding into the 30s and touching off violent weather along a line extending from upper Michigan to New Mexico.

* * *

Up to two feet of snow blanketed the Colorado Rockies and lesser amounts covered a wide area of Utah and Wyoming. Snow drifts closed the northeast entrance to Yellowstone National Park.

* * *

To the east and south of the advancing front sunny skies and mild temperatures prevailed. An exception was the New England coast from Maine to Rhode Island, chilled by low clouds, fog and drizzle.

THUNDERSTORMS HERE

The line of rough weather touched off severe thunderstorms in Michigan, Illinois and Indiana and spawned at least three tornadoes in Wisconsin. The twisters destroyed farm buildings, flattened crops and killed livestock.

Temperatures in the 30s persisted from western Montana to northern Colorado and as far east as northern Minnesota and the eastern Dakotas. It was 39 in Minneapolis.

$4,550,971 Spent by School Board in Waterford

The annual audit report presented to the Waterford Township Board of Education showed expenditures for the year totaled $4,550,971, with a balance of $232,469.

At Thursday night's school board meeting Supt. William A. Shunck reported 13,210 registered students compared to last year's 12,800.

Waterford Township High School has an enrollment of 1,433, and the new Kettering High School, 1,261.

The board approved recommendations by Shunck to borrow $500,000 and to issue notes in anticipation of 1961-62 state aid for school operation. Last year the system's state-aid borrowing figure totaled $825,000.

At present $200,000 remains of the $5-million school bond issue approved by voters in 1959. The school board has not yet decided where this money will go. However, the funds cannot be used for other than school buildings or property sites, Shunck said.

Face Lifting at Pontiac Firm

National Cash Register Renovates Front, Adds Demonstrating Rooms

The Pontiac branch of the National Cash Register Co., first business machine firm to establish an office in Oakland County, is sporting a new look.

* * *

Extensive renovations have been made on the company's office building, 562-64 W. Huron St.

A facelifting of the building front is the feature most noticeable to the public.

* * *

Other improvements have provided for an enlarged service department, more demonstrating rooms and offices.

* * *

The company has been in the city since 1947 when it opened a service department with three employes. A branch office was opened two years later. The firm's growth since than has riased the number of employes here to 40.

M. J. Bohatch, branch manager, said the recent renovations enlarged floor space to 10,000 square feet.

75 Oakland Teachers to Attend Regional Parley

About 75 teachers from Oakland County will represent the county's Region 7 at a Michigan Department of Classroom Teachers' fall regional meeting Sept. 28 at Michigan State University Oakland.

Presiding at the meeting will be Region 7 Director Melvin Leasure, Royal Oak.

Officials Unshaken by Algiers Demonstrations

Believe French Army Fully Loyal

ALGIERS (AP) — French officials said today they doubt the new appeal for demonstrations by the right-wing Secret Army Organization will lead to a new attempt to seize power.

* * *

The horn-honking and pan-banging response by thousands of European settlers Friday night indicated that some of the population would follow orders by the underground leaders. But officials said the French army is now thoroughly loyal to the De Gaulle regime.

They believe the campaign is aimed more at keeping up an awareness of the Algerian crisis than at organizing a march on the government headquarters.

Armored cars and water cannons blocking the main street moved quickly under government orders to put down demonstrations by either side of the Algerian conflict.

RESPECT CURFEW

Toward the midnight curfew, when troops were out in force patrolling nearly every block of the city, the horn honkers went home and the pan-bangers went to bed.

While there were hundreds of cars on the street during the height of the demonstration and thousands leaning out of apartment windows, there were at least as many cars parked at the curb for the night and apartments that were shuttered and dark.

* * *

The demonstration was ordered on a clandestine transmitter which had replaced the voice channel of the government television station, blasted off the air by explosive charges at the transmitting towers.

Pierce PTA Group to Attend Classes

Parents of Pierce Junior High School students in Waterford Township will attend their children's classes at the first meeting of the Parent-Teacher-Student Organization at 7:30 p.m. Wednesday.

Classes will be shortened to five-minute sessions for each subject students have taken.

Principal of the school, William Aebersold will introduce the new teachers and outline the evening's program.

New schools cost from $13,000 to $50,000 per classroom, depending on location and completeness of equipment.

Reflections

OBEY THAT IMPULSE

An impulse is bubbling wisdom. It comes from deep within our inner consciousness and nine times in ten is the correct answer to a puzzling problem. Obey it.

You have a decision to make; it will affect your future welfare. An impulse bubbles up; you ignore it, consider first one side then the other, make a decision and it is wrong. Your first impulse thought was correct. Your business reaches a crisis; after reviewing all the possibilities, you act upon an impulsive decision and ninety-nine times in a hundred it is the correct one.

J. L. VOORHEES

M. E. SIPLE

A neighbor suffers a major disaster. Impulsively, you reach into your pocket to help him bridge an abyss; you've been proud of that decision all of your life. Impulsively you bought a home when common sense told you to rent; childhood roots went down, deep; you became an integral part of your community, gained prominence and harvested priceless friendships.

Leadership is the ability to recognize those impulsive decisions and acting upon them. Trust impulsive decisions and enjoy the fruits of living, whole and complete.

P.S. Obey that impulse—discuss with us a decision you must make someday.

2 Area Dentists to Attend Parley

Drs. Daines, Burkman Designated Delegates to National Session

Dr. William F. Daines of Bloomfield Township and Dr. N. Weir Burkman, Birmingham, will join their colleagues from all over the United States at the 102nd session of the American Dental Association Oct. 16-19 in Philadelphia.

Dr. Daines will present a table clinic on the evaluation of three methods of amalgam condensation Oct. 19 in the Convention Hall, where the scientific program will be conducted. Daines resides at 2251 S. Telegraph Road.

Dr. Burkman of 719 Westwood, Birmingham, will be among 17 dentists from Michigan designated to serve as members of the Association's House of Delegates, the organization's policy-making body.

The state's alternate delegates includes Dr. Leonard F. Klausmeyer, of 11 Oneida Road.

Expected to attract more than 20,000 participants, the Association session will feature an extensive scientific program including more than 350 essays, lectures, clinics, films and exhibits.

16 to Represent Oakland at State Medical Meeting

Sixteen doctors will represent Oakland County when the House of Delegates of the Michigan State Medical Society convenes Sunday evening to open a three-day session.

The meeting will open the six-day 96th annual session of the society.

The delegate doctors are: M. A. Haanes, A. R. Young, M. C. Kozonis, and E. E. Elder, all of Pontiac; W. J. Zimmerman, R. M. Bookmyer, H. E. Lichtwardt, all of Birmingham.

Alternates are doctors A. L. Brown and N. F. Gehringer, both of Pontiac, E. J. Mueller of Birmingham, J. R. Quinn of Bloomfield Hills, and V. P. Russell, P. T. Lahti, F. M. Sheridan and T. D. Grekin, all four of Royal Oak.

Hugo Swan Joins Detroit Broach Co.

Announcement was made today by M. C. Cook, manager of manufacturing at Detroit Broach & Machine Co., Rochester, that Hugo Swan has joined the company as superintendent of the machine division.

Prior to his appointment, Swan, a 13-year veteran in the machine tool building field, was operations manager of Brooks Research, Inc., an electronic and research development organization in East Rochester, N.Y.

A. F. Holden Co. Moving Offices to Milford Plant

The headquarters of the A. F. Holden Co., industrial furnace manufacturer, will be moved from Detroit to the firm's newly erected plant in Milford Oct. 1.

All engineering, production, sales and office personnel will be transferred to the Milford Plant at 2195 S. Milford Road by the end of September, according to A. F. Holden, president.

The move will not affect the company's New Haven, Conn., plant operation, he said.

In February, Holden's Milford plant was partially destroyed by fire, causing an estimated $100,000 damage.

Carol Lawrence to Star in Two Broadway Shows

By EARL WILSON

NEW YORK — Carol Lawrence, turning 27 the other week, faced the happy fact that she may be show business' outstanding Young Woman of 1961.

WILSON

Around Christmas, the name Carol Lawrence should be sparkling from two Broadway marquees — the new David Merrick musical, "Subways Are for Sleeping," and the new Arthur Miller movie, "A View From the Bridge."

"What will you be doing with all your wealth?" I asked her.

"Going to buy more paintings," she said, nodding toward her wall. "There's a Daumier I have my eye on in Paris . . . a little water color . . ."

"You're about to be a big star," I said. "Sarah Bernhardt's supposed to have said that an actress shouldn't fall in love until after she's a star because once she's a star she can choose her lovers and have anybody she wants."

CAROL

Carol thought that was ridiculous.

"And it's untrue," she said. "If you wait that long, you'd find that the men you'd want, if they're MEN, would be married!"

The young lady who would seem to have everything she needs professionally looked a wee bit wistful.

"It's hard to live alone," she said. "Nothing is important if you can't share it with someone. I, for example, would like to find someone . . ."

THE WEEKEND WINDUP

Producer **Sam Bronston,** who built a $25,000 gate at Peniscola, Spain for "El Cid," donated it to the city . . . When the Metropolitan Opera's opening was assured, **Hope Hampton** said, "I'd have gone to the opera house anyway, just to be photographed" . . . **Audrey Hepburn's** "Breakfast at Tiffany's" has been shown twice at the White House . . . **Marilyn Monroe** asked stylist **Ernie Adler** to create a new hairdo for her; it'll be Egyptian.

Stanley Kramer reports several German extremist groups have warned him not to hold the world premiere of "Judgment at Nuremberg" in Berlin in December—but he's going ahead planning a big press junket there.

RUSK AT LUNCHEON — Secretary of State Dean Rusk is shown at table at Summit Hotel in New York Friday as he attended the Foreign Press Association luncheon. Rusk meets with Indian Defense Minister V. K. Krishna today in an effort to find a resolution to the East-West dispute over the selection of a new U.N. secretary general. Friday Rusk urged the U.N. General Assembly to name "an outstanding world leader" immediately to take over the executive powers of the United Nations.

Red China Question Put High on Assembly Agenda

UNITED NATIONS (UPI) — The question of admitting Red China to the United Nations was slated today for early debate in the General Assembly without prior discussion in committee.

The assembly's steering committee voted last night to send two separate items on the China representation issue directly to the floor of the world parliament.

One item, backed by the United States and the other Western powers, was entitled "The Question of the Representation of China in the United Nations."

* * *

The other was Russia's item, which the Western powers contended prejudged the issue with its title of "Restoration of the Lawful Rights of the People's Republic of China in the United Nations."

The assembly was not expected to take up the China issue until its annual policy debate is finished in perhaps three weeks.

U.S. strategy will be to ask the assembly to declare the issue an "important" question requiring a two-thirds majority for decision. A simple majority, which the Western powers were confident of attaining, was all this would require.

Such a majority, of course, would be more than enough to defeat Russia's effort to bring in the Chinese Communists.

The Western powers hoped to persuade the assembly to appoint a committee to investigate the China representation issue. This would effectively shelve the question for another year.

The Western powers were successful in blocking Russia's demand for a direct assembly debate on Disarmament.

On grounds that the disarmament question will require long and painstaking debate, the West persuaded the steering committee to allocate the item to the 99-nation political committee.

The steering group brushed Soviet objections aside, however, and sent the Hungarian question directly to the assembly.

U.S. Aid to Push City's Renewal

Special Assist Offered Through Federal Act for Urban Project

Pontiac was certified late yesterday as eligible under the Area Redevelopment Act to receive special assistance in carrying out its urban renewal program.

The news from Washington was happily received at City Hall where plans are under way to apply for a federal grant.

Among other things, the designation means Pontiac will be eligible to receive more liberal federal financial assistance for its urban renewal project.

"The money will be used for construction in the urban renewal area," said City Manager Walter K. Willman.

Administrators haven't decided on the amount yet.

Pontiac was one of eight Michigan cities certified. Others were Garden City, Hamtramck, Hazel Park, Highland Park, Lincoln Park, Plymouth and River Rouge.

NLRB Puts Ban on 'Hot-Cargo' Labor Clauses

WASHINGTON (UPI)—The National Labor Relations Board (NLRB) has ruled for the first time that "hot cargo" clauses in labor-management contracts are illegal.

The Teamsters' Union widely uses such clauses to allow workers to refrain from handling nonunion goods or merchandise from a strike-bound firms.

The board's unanimous 5-0 decision Friday was its broadest ban on "hot cargo" agreements since the Taft-Hartley Law provision on such clauses was tightened in 1959.

The board said in its ruling that even the mere existence of a hot cargo agreement without any attempt by the union to enforce it was a violation of the nation's basic labor law.

U.S. Changing Views Toward E. Germany

BERLIN (AP) — High American officials insisted today they are advising West German leaders to face up to the existence of the East German Communist state.

But an American mission spokesman said there have been no official announcements of this new American attitude.

The spokesman emphasized that refusal to grant the East Germans control of Allied access to Berlin remains firm Western policy.

News reports hinting at a possible Western de facto recognition of East Germany surprised and upset West Germans.

West German policy has been based on the principle that East Germany does not exist as a state and the Communist administration there is illegal. This also has been the policy of Germany's Western Allies.

* * *

The American officials say the people of West Germany and Berlin should now realize that the Communist regime in East Germany is here to stay, at least for some years.

The same sources say the East Germans may eventually have to be given some form of check on civilian use of the Western air corridors between Berlin and West Germany. The East Germans already control all civilian surface movements into Berlin.

The U.S. mission in Berlin issued a terse statement after reports of a new American attitude created a furor among West German politicians and commentators.

NOT SHIFT IN POLICY'

"An official spokesman of the U.S. mission, in referring to recent news dispatches from Berlin, stated today that there have been no statements made relating to any changes in American policy—which policy has never recognized any right of control or supervision by East Germans of the air corridors of Allied access to Berlin," the statement said.

In the official jargon of West Berlin, "Allied access" means access for the American, British and French occupation forces in Berlin—not for German and foreign civilian travelers.

The statement noticeably omitted any reference to the reported change of mind in the U.S. government concerning de facto recognition of East Germany. Neither did it touch on the suggestion to internationalize Berlin by setting up United Nations headquarters in West Berlin. American officials indicated Friday night the United States might be willing to consider such a proposal if it involved both East and West Berlin.

* * *

West Germans were reported highly critical also of this American position.

In Bonn, a spokesman for Chancellor Konrad Adenauer's Christian Democratic party declined comment, claiming the source for the report on an alleged change in U.S. policy was "too vague and not official so far as we are concerned."

Bus Segregation Illegal -- ICC

New Ruling Will Apply to Interstate Vehicles, Stations; Starts Nov. 1

WASHINGTON (UPI) — The Interstate Commerce Commission (ICC) has made segregation illegal in interstate buses and the terminals they use.

* * *

The ICC handed down rules Friday that go into effect Nov. 1.

* * *

Beginning on that date, buses in interstate travel must display a sign saying "Seating Aboard This Vehicle Is Without Regard to Race, Color, Creed or National Origin by Order of the Interstate Commerce Commission."

* * *

In Chicago, the national director of the Congress on Racial Equality Friday night hailed the ruling, but he warned it must be enforced.

James Farmer, New York, director of the organization which has sponsored most of the "freedom rides" in the south, spoke before the Chicago Committee on Racial Equality.

He quoted a wartime statement of Sir Winston Churchill following the bombing of Berlin: "The [illegible] is but."

STATIONS NEED SIGN

The ICC also said interstate buses cannot use terminals unless there is a sign in the terminal saying "Public Notice — Regulations Applicable to Vehicles and Terminal Facilities of Interstate Motor Common Carriers of Passengers by Order of the Interstate Commerce Commission."

The ICC does not regulate bus travel within states, but the new rules will have the effect of making it illegal to segregate intrastate passengers in a terminal used by interstate buses.

But the ICC indicated that the rules would not apply to every independently operated, small-town drug store that sells a few tickets for a bus line.

* * *

However, it said agents which provide terminal facilities for the convenience of interstate passengers would be considered a part of the bus line's terminal facilities.

Cities Deprived of Suit Immunity

LANSING (AP) — If you're injured by a paint bucket falling from a window ledge at city hall, you can sue the city for negligence.

That's the practical effect of a momentous decision handed down Friday by the State Supreme Court.

By a 5-3 vote, the high court wiped out in Michigan the centuries-old doctrine of government immunity from negligence suits. It has been applied here since the state entered the Union in 1837 and in some parts of the country since pre-Revolutionary days.

Said Justice George Edwards in the majority opinion:

"We eliminate from the case law of Michigan an ancient rule inherited from the days of absolute monarchy which has been productive of great injustice in the courts."

Ironically, the widow whose suit led to the decision will not be able to collect damages from the city of Detroit.

* * *

The court deadlocked 4-4 on whether Mrs. Charlotte L. Williams can sue the city, thus failing to overturn Circuit Judge Victor J. Baum's ruling that municipal government is immune from suit except in instances specified by state law. Justice Eugene Black supported Edwards, but sided with the minority in holding that the decision should apply only in future cases.

Cleanup Slow in GM Talks

Attention Shifting Over to Ford as Local-Level Jam Continues

DETROIT (UPI) — Cleaning up the odds and ends of the United Auto Workers-General Motors three-year contract proved slow work today despite a "new approach" by Auto Worker Chief Walter P. Reuther.

* * *

A handful of local disputes were settled Friday as GM officials met with presidents of still-striking locals and international officials of the union.

Attention was gradually shifting to Ford Motor Co., however, and a UAW Executive Board meeting was called for tonight with two matters on the agenda.

The first was the local issues still outstanding at that time against GM.

WASHOUT LIKELY

It appeared likely that the 24-member executive board would "wash out" all of the still unsettled matters and order striking workers back to their jobs.

This was another manifestation of the increased pressure on the 20 still unsettled locals.

The second issue was the request by UAW Vice President Ken Bannon, head of the Ford department of the union, for a strike target date against Ford.

* * *

If the executive board agrees with Bannon that a strike is the only way to get a settlement from the nation's second largest auto firm the target date could be about Oct. 1.

Bay City Central Forced to Work for Victory Here

The powerful Bay City Central football team came to Pontiac Friday for what was supposed to be an easy conquest of Pontiac Central. But the Wolves were hard pressed to gain a 13-0 triumph.

In a stunning upset, Romeo crushed Waterford Kettering, 43-0. Troy spoiled Lake Orion's home game, 46-11, and Waterford upset Lapeer, 14-0.

Clarkston, Bloomfield Hills and Northville posted league victories. Stories of these and other area contests can be found on today's sports pages.

Injuries Fatal to U.N. Guard

Dies Without Giving Clear Data on Crash That Killed Dag

NDOLA, Northern Rhodesia (AP)—Harold M. Julien, U.N. security guard who was the sole survivor of the crash that killed Dag Hammarskjold, died today, Ndola Hospital announced.

* * *

Investigators had hoped Julien would recover sufficiently to give them information that would help determine the cause of the plane crash that killed the U.N. secretary general.

The death of Julien, an American, brought the toll in Monday's crash to 16.

His Cuban-born wife, Maria, was at the hospital. She arrived here early Friday after a 24-hour flight from the United States. Most of the way she traveled in the flying hearse that will take the crash victims to their home countries.

FOUND 15 HOURS LATER

Julian was found Monday afternoon lying face down beside the wreck of Hammarskjold's burned-out DC6B. He had been there nearly 15 hours.

Ever since, he has been kept under heavy sedation to ease the pains of burns and multiple injuries.

A tape recorder was at his bedside to catch anything he could say that might solve the riddle of the wreck. He had been quoted as saying he heard explosions on the plane just before the crash.

* * *

Identification of other victims of the crash was reported held up by lack of communications between Ndola and U.N. headquarters at Leopoldville.

Col. Bjorn Egge, U.N. intelligence chief, went to Salisbury, Southern Rhodesia, to seek permission to put up a radio station.

"We have to try to contact Leopoldville and other parts of the world for information to help identify the bodies," he said.

Report Marshall in Line for Nod From Kennedy

Negro Lawyer Was Mastermind of Strategy for Integration

HYANNIS PORT, Mass. (UPI) — Thurgood Marshall, one of the most powerful voices of the Negro race in America, today was nominated by President Kennedy to the U.S. Court of Appeals for the Second Circuit.

HYANNIS PORT, Mass. (AP) — President Kennedy reportedly will send an adjourning Senate today the nomination of Thurgood Marshall, lawyer mastermind of Negro integration strategy, as a federal appellate judge.

Marshall, longtime counsel for the National Association for the Advancement of Colored People, would be the second Negro appointed to a federal Circuit Court of Appeals.

The first was Judge William Hastie, who now sits on the appellate bench in Philadelphia.

Reliable sources confirmed a report originating 10 days ago that Kennedy had settled on Marshall for one of the new vacancies in the 2nd Circuit, which centers in New York.

OPPOSITION CERTAIN

Some opposition to Marshall appears certain. The Senate Judiciary Committee, through which his nomination will pass, is headed by Sen. James Eastland, D-Miss., an outspoken foe of the integration cause which Marshall has promoted in and out of courts.

Marshall's nomination, if not acted upon before Congress quits for the year, will still stand at the start of the 1962 session.

Marshall has led the Negro battle for public school integration before and after the Supreme Court's historic desegregation ruling of 1954.

His nomination was one of a dozen Kennedy planned for district and appellate courts throughout the country. Some will fill vacancies caused by retirements, others new positions created by Congress this year.

Kennedy attended to other business brought about by the imminent adjournment of Congress, in addition to the main task of his weekend on the shore of Nantucket Sound.

The Chief Executive, assisted by special counsel Theodore C. Sorensen, worked over the speech he will deliver to the United Nations on Monday. In that message Kennedy intends to enunciate a firm U.S. policy toward Berlin, disarmament possibilities—and a strong leadership for the United Nations itself.

Defeats Attempt to Admit Female Delegate

Episcopal Parley Bars Women

DETROIT (AP) — Women still were on the outside today at the General Convention of the Protestant Episcopal Church, despite a renewed attempt to bring them in.

* * *

It was led by the Ven. Dean T. Stevenson, archdeacon of Bethlehem, Pa., who charged that the rule barring women delegates is both unfair and unsound.

* * *

"For too long, we have been giving women second-class citizenship.

"We need the best minds. And if some of these minds are possessed by women, we need them here."

SOME PERMIT

Some dioceses permit women representatives at regional conventions, but the national House of Deputies, made up of laymen and clergymen, has never done so.

* * *

The deputies, along with the House of Bishops, make up the two-chamber governing congress of the 3.5-million-member church.

J. Walter Kilpatrick, Houston, Texas, said he agreed that women often have the best minds, but he wouldn't want "them in this house where they would likely be confused."

MOTION DEFEATED

The proposal that the church constitution be amended to make "lay persons" eligible as delegates, instead of "lay men," was defeated late Friday by a heavy majority.

* * *

In the House of Bishops, another recurrent move—to remove the word "Protestant" from the church's official title, also was defeated.

"We are both a Catholic and a Protestant church," declared the Rt. Rev. Leland Stark, bishop of Newark, N.J.

OPPOSED ELIMINATION

Although some "high church" bishops, those stressing Catholic qualities, favored the elimination, the Rt. Rev. Edward Welles of Grandview, opposed it.

"When I wear my cope and mitre in the Ozark hills," he said, "I'm able to remind those in the Bible belt that our church is the only major Christian body in the country that has the word 'Protestant' in its title. I hope it always does."

* * *

The House of Deputies also ratified action by the bishops entering into a concordat of full inter-communion with the 2-million-member Philippine Independent Catholic Church.

Cancer Finally Conquers Brave Marion Davies

MARION DAVIES

HOLLYWOOD (UPI) — Marion Davies, one of Hollywood's most glamorous stars of the silent screen and pioneer "talkie" movies, died peacefully in Cedars of Lebanon Hospital Friday night after a four-year fight against cancer.

She was 64.

* * *

Miss Davies, a successful businesswoman and leader of charities after her movie carreer, lapsed into a coma last week and came out of it only for fleeting moments since then, hospital attendants reported.

Her physician, Dr. Eliot Corday, said "she was very brave" despite the years of pain and treatment.

* * *

In her final days, the cancer had spread from her jaw and mouth and became general. She knew she had cancer, but was not aware it was fatal, it was learned.

HUSBAND AT BEDSIDE

Miss Davies, a czarina of Hollywood's Golden Era, received the last rites of the Roman Catholic church several days ago.

At her bedside when she died were her husband Merchant Marine Capt. Horace Brown Jr., her sister Rose, a niece Patricia Lake, a nephew Charles Lederer, a long-time friend Marie Glendining, a priest, Rev. John O'Donnel, her confessor and personal friend; and doctors and nurses.

Funeral arrangements were pending.

* * *

Miss Davies, who had undergone surgery for cancer of the jaw in several hospitals throughout the nation, died without regaining consciousness at 7 p.m. PDT (9 p.m. Pontiac time).

Radiation therapy had prevented the cancer from spreading until the last days.

The actress had been hospitalized on and off since April 14, when she entered Cedars of Lebanon for diagnostic tests.

Joseph Kennedy, father of the President, sent three cancer specialists from the East four or five months ago to try to help Miss Daives, an old friend.

Pair of Bandits Holds Up Man, Flees at Shot

A warning shot failed to halt two thugs last night after they held up a drug store owner in his parked car and robbed him of $1,000.

* * *

The robbery victim was Eugene H. Cole, 52, owner of Cole's Cut Rate, 501 S. Saginaw.

Cole told police he was returning an employe to his home at 194 Prospect and was parked in a driveway at 12:15 a.m. when a man dressed in black and wearing a bandana over his face stepped up to the car and pointed a pistol at Cole.

"Give me the money bag and get out of the car," he ordered.

At the same time an accomplice told the employe, John Lambouris, 13, of 194 Prospect to go into the house.

The gunman reached into the car and took a bag containing $700 in cash and $300 in checks.

A pistol shot was fired over the heads of the fleeing robbers by William Lambouris, 22, brother of John, who rushed out of the house.

Edwards and the other members of the court agreed that the legislature can reinstate the doctrine by passing a law declaring governments immune from suits.

Lawmakers already have enacted legislation allowing actions to be brought against municipalities for failure to properly maintain streets, sidewalks, bridges and culverts. Another law permits suits for negligent operation of motor vehicles owned by municipalities.

Altman told sheriff's deputies he slowed down when he saw two youngsters alongside the road, and was almost stopped when the boy attempted to cross the street directly in front of the car.

Sponsor Unshaken by Boycott Threat

CHICAGO (AP)—Bell & Howell Co. announced Friday night that threats to boycott its products because it sponsored a television documentary dealing with racial segregation will not force a change in its hands-off policy regarding program content.

* * *

The documentary, "Walk in My Shoes," was televised Tuesday night over the American Broadcasting Co. network. The show, part of a company-sponsored series called "Closeup," touched off a storm of protest in Louisiana.

A pro-segregation Citizens Council official demanded equal time on ABC to present "the South's side." A county sheriff in Louisiana said the program could produce "conditions which could bring bloodshed."

A statement was issued in Chicago by Bell & Howell, and signed by Peter G. Peterson, the firm's president.

"One of our objectives in sponsoring documentary television is to engage the attention of the American public on some of the serious issues that confront America and the world. Inevitably, any discussion of these issues will be controversial, because these problems are deep and complex and thinking men will often not agree," the statement said.

"We firmly believe that it is not the task of Bell & Howell to take sides in controversy, but rather to encourage wider public awareness."

"There are risks involved in sponsorship of public service programming on controversial subjects," the statement concluded. "On the other hand we feel that sponsor censorship and interference with editorial freedom in the production of news documentaries may involve far more serious consequences."

TV Willing to Better Children's Programs

NEW YORK (AP)—The nation's three major television networks have responded favorably to the proposal by Newton W. Minow, Federal Communications Commission chairman, that they improve children's programs on a share-the-risk basis.

* * *

In a speech to broadcasters Friday, Minow urged that the networks rotate a regularly scheduled afternoon show for children, with each network presenting the program twice a week.

* * *

Robert E. Kintner, NBC president, said in a statement that his network "is wholeheartedly in favor of all practicable steps to expand and improve quality programming which contributes to the development of the nation's youth."

Link Robbery, Foiled Holdup

Bloomfield Twp. Police Investigate Reports on 2 Escaped Gunmen

An armed robbery and an attempted holdup which might be related were being investigated today by Bloomfield Township police.

At 10:25 p.m., Charles Bartlett, manager of Wrigley's supermarket in the Maple Plaza Shopping Center, Maple and Telegraph roads, was jumped by two men as he walked to his car in the parking lot.

"Put your hands up and don't say or do anything," Bartlett quoted his assailants.

* * *

The store manager put his hands up, then turned and ran toward his store shouting "Holdup!"

The would-be robbers ran off through an adjacent field with two stockboys from the store in pursuit.

The boys lost the pair. Bartlett called township police.

At 12:40 a.m., two gunmen held up two motorists when their car stopped at a stop sign on Quarton and Telegraph roads, about three-quarters of a mile from the shopping center.

CARRIED AUTOMATICS

Brandishing automatic pistols, the gunmen ordered the driver, Jim Patten, 20, of Taylor Township, and his passenger, Charles Stewart, 40, Dearborn Township, from the car.

The victims were bound and robbed of their wallets containing $23. The hold-up men took the car, left the pair in a field at the intersection and sped south.

Patten and Stewart worked themselves free and telephoned township police from a nearby gas station.

Officials Spurred by NCA Report

Renew Plea for Use of Air Service

In the face of a report from North Central Airlines concerning airline patronage here, Pontiac city officials and business leaders today renewed their appeal to nearby residents to "use or lose" airline service at Pontiac Municipal Airport.

* * *

Two flights initiated in June and July were discontinued Sept. 1 due to low patronage.

City officials and the Pontiac Area Chamber of Commerce appealed to NCA to keep the flights at least through the original trial period scheduled to end Oct. 1.

This week, NCA answered local protests in a letter from Frank N. Buttomer, NCA vice president to city officials, the chamber and Homer D. Hoskins, airport manager.

FLUNKED 1ST TEST

Pontiac flunked its first test at airline patronage, he said.

"There were a few days in the history of the flight when nobody rode it in either direction," Buttomer said. "Both cities (Pontiac and Port Huron) contributed an average of only two passengers a day."

Last February when Buttomer met with businessmen here, it was decided an early morning flight would solve patronage problems.

* * *

NCA changed its service pattern to begin a flight June 1 that started at Willow Run at 7 a.m.

It stopped in Pontiac, continued to Port Huron, returned to Pontiac at 8:39 and was back at Willow Run at 9 a.m. The flight made all the good connections, Buttomer said.

"But only 17 persons rode the flight to Willow Run during June and even fewer rode the return schedule," he explained. "It was clear something would have to be done to bail it out."

BEGAN OVERNIGHTING

Consequently, Buttomer said the flight began overnighting in Port Huron in July leaving Detroit at 9:15 p.m., arriving here at 9:33 and at Port Huron at 10.

* * *

It returned to Detroit the following morning, via Pontiac.

"This helped a little but not enough," Buttomer said. "In July only 29 passengers boarded this flight at Pontiac and only 18 deplaned, an average of less than one passenger each way per day.. despite the fact that "these flights were properly publicized," he said.

Buttomer pointed out that in August, 47 passengers left Pontiac in one direction and 43 in another. Patronage was low in Port Huron, too.

* * *

June-August is annually the highest patronage period of the year, which indicated Pontiac patronage would "drop off to nothing during the winter," said Buttomer.

It cost NCA $2,000 a month to overnight the plane in Port Huron he said and a minimum of $1.35 per mile to operate the DC3.

"You can see that we have a tremendous out-of-pocket expense in this market to carry only two passengers a day," Buttomer said.

CLAIMS ADVERTISING LOW

City officials objected only to Buttomer's claim that the flights were "properly publicized and advertised."

The service received substantial publicity through news stories but "they've done little or nothing to advertise their flights at Pontiac Municipal Airport," said City Manager Walter K. Willman.

"The first sign constructed at the airport advertising NCA service as being available there was put up about three weeks ago on M59 by Homer Hoskins. It's the airport's sign, not NCA's," added Robert A. Stierer, assistant city manager.

* * *

Administrators and city commissioners agreed they could not recall any newspaper or radio advertising of the service or flight schedules.

"But the fact remains, we must use the remaining flights or they, too, will suffer the same fate," Willman said.

Mayor Philip E. Rowston urged "renewed efforts of businessmen and industry to use the two remaining flights."

One flight leaves at 10:23 a.m. for Northern and Upper Michigan. The other at 5:45 p.m. for Detroit where connections can be made to Chicago, Cleveland, New York and other cities.

The Day in Birmingham

Irving J. Minett Named Chrysler Vice President

BIRMINGHAM — Chrysler Corporation's newest vice president, Irving J. Minett, a Birmingham resident, has steadily moved up the management ladder since he joined the auto firm 27 years ago.

* * *

Minett, 47, of 675 Poppleton Drive, was named to the post and the organization's administrative committee Thursday. At the same time it was announced that George H. Love of Pittsburgh had been named chairman of the board.

Shortly after Minett started with the firm in 1934 he was named to the export division and in the following years held a number of sales and administrative assignments.

During World War II he became plant layout engineer and later assistant plant engineer of the Detroit Tank Arsenal. In 1945 he returned to Chrysler Export and until 1952 was sales distribution manager of the division.

MADE PLANT ENGINEER

He was then made plant engineer of the Delaware Tank Plant, a job he held two years. From 1953-54 he was general superintendent of the tank plant, then served as administrative assistant to the general manager of tank operations.

He later was named operating manager of the Delaware plant, and in Oct, 1955, he returned to Chrysler Corporation's headquarters in Detroit as general manager of the defense operations division.

Since that time he lived in Birmingham with his wife and their daughter.

In January, 1958, Minett was appointed group executive — defense, a position which made him responsible for all of Chrysler's missile and defense operation in the U.S. and abroad.

* * *

He was named group executive—internation operations in May.

Minett, a native of Buffalo, N.Y., received a bachelor's degree in mechanical engineering at Purdue University in 1934.

The Oakland Chapter of the American Association of United Nations will hold its second annual membership tea from 2 to 5 p.m. tomorrow at the home of Mr. and Mrs. John D. Rumsey, 5059 Wing Lake Road.

The program is open to all interested citizens.

The aims and purpose of the organization will be discussed at the meeting along with an outline of the activities planned for the year.

Harry P. Walker

Graveside service for Harry P. Walker, 80, of 17880 Kinross Road, will be 11 a.m. Monday at White Chapel Memorial Cemetery, Troy.

Mr. Walker died Thursday in Boston after several weeks' illness. His body will be at Bell Chapel of the William R. Hamilton Co. Saturday evening through Sunday.

He was a china expert and had been an inspector for the Royal Doulton China Co. Ltd. of England. He also was a prominent vocalist, having sung at one time before Queen Victoria and Prince Albert.

He was a member of the United Grand Masonic Lodge of England Dobie Lodge No. 889, Surbiton F&AM.

Surviving are a daughter, Mrs. Joseph Pelletier of Stoneham, Mass.; two sons, George A. of Summit, N. J., and Harold L. of Birmingham; and five grandchildren.

Firm Hit by $4,500 Robbery

Cash, Checks Stolen From Waterford Twp. Lumber Company

Some $4,500 in cash and checks was stolen by burglars who smashed open a floor safe in Burmeister's Lumber Co. office in Waterford Township last night.

The theft was discovered by township policemen on patrol early this morning.

They said the burglars gained entry to the building, 7940 Cooley Lake Road, by prying back bars on a rear window and smashing it to crawl through.

The thieves used crowbars and sledge hammers to tear open the safe. They are believed to have escaped in a car.

Clarence Burmeister, owner of the firm, was uncertain as to the exact amount of cash and checks taken from the safe. He said nothing else was missing from the building.

2 Area Dentists to Attend Parley

Drs. Daines, Burkman Designated Delegates to National Session

Dr. William F. Daines of Bloomfield Township and Dr. N. Weir Burkman, Birmingham, will join their colleagues from all over the United States at the 102nd session of the American Dental Association Oct. 16-19 in Philadelphia.

Dr. Daines will present a table clinic on the evaluation of three methods of amalgam condensation Oct. 19 in the Convention Hall, where the scientific program will be conducted. Daines resides at 2251 S. Telegraph Road.

Dr. Burkman of 719 Westwood, Birmingham, will be among 17 dentists from Michigan designated to serve as members of the Association's House of Delegates, the organization's policy-making body.

The state's alternate delegates includes Dr. Leonard F. Klausmeyer, of 11 Oneida Road.

Expected to attract more than 20,000 participants, the Association session will feature an extensive scientific program including more than 350 essays, lectures, clinics, films and exhibits.

16 to Represent Oakland at State Medical Meeting

Sixteen doctors will represent Oakland County when the House of Delegates of the Michigan State Medical Society convenes Sunday evening to open a three-day session.

The meeting will open the six-day 96th annual session of the society.

The delegate doctors are: M. A. Haunes, A. R. Young, M. C. Kozonis, and E. E. Elder, all of Pontiac; W. J. Zimmerman, R. M. Bookmyer, H. E. Lichtwardt, all of Birmingham.

Alternates are doctors A. L. Brown and N. F. Gehringer, both of Pontiac, E. J. Mueller of Birmingham, J. R. Quinn of Bloomfield Hills, and V. P. Russell, P. T. Lahti, F. M. Sheridan and T. D. Grekin, all four of Royal Oak.

Hugo Swan Joins Detroit Broach Co.

Announcement was made today by M. C. Cook, manager of manufacturing at Detroit Broach & Machine Co., Rochester, that Hugo Swan has joined the company as superintendent of the machine division.

Prior to his appointment, Swan, a 13-year veteran in the machine tool building field, was operations manager of Brooks Research, Inc., an electronic and research development organization in East Rochester, N.Y.

A. F. Holden Co. Moving Offices to Milford Plant

The headquarters of the A. F. Holden Co., industrial furnace manufacturer, will be moved from Detroit to the firm's newly erected plant in Milford Oct. 1.

All engineering, production, sales and office personnel will be transferred to the Milford Plant at 3195 S. Milford Road by the end of September, according to A. F. Holden, president.

The move will not affect the company's New Haven, Conn., plant operation, he said.

In February, Holden's Milford plant was partially destroyed by fire, causing an estimated $100,000 damage.

Carol Lawrence to Star in Two Broadway Shows

By EARL WILSON

NEW YORK — Carol Lawrence, turning 27 the other week, faced the happy fact that she may be show business' outstanding Young Woman of 1961.

Around Christmas, the name Carol Lawrence should be sparkling from two Broadway marquees — the new David Merrick musical, "Subways Are for Sleeping," and the new Arthur Miller movie, "A View From the Bridge."

WILSON

"What will you be doing with all your wealth?" I asked her.

"Going to buy more paintings," she said, nodding toward her wall. "There's a Daumier I have my eye on in Paris . . . a little water color . . ."

"You're about to be a big star," I said. "Sarah Bernhardt's supposed to have said that an actress shouldn't fall in love until after she's a star because once she's a star she can choose her lovers and have anybody she wants."

CAROL

Carol thought that was ridiculous.

"And it's untrue," she said. "If you wait that long, you'd find that the men you'd want, if they're MEN, would be married!"

The young lady who would seem to have everything she needs professionally looked a wee bit wistful.

"It's hard to live alone," she said. "Nothing is important if you can't share it with someone. I, for example, would like to find someone . . ."

THE WEEKEND WINDUP

Producer **Sam Bronston,** who built a $25,000 gate at Peniscola, Spain for "El Cid," donated it to the city . . . When the Metropolitan Opera's opening was assured, **Hope Hampton** said, "I'd have gone to the opera house anyway, just to be photographed" . . . **Audrey Hepburn's "Breakfast at Tiffany's"** has been shown twice at the **White House** . . . **Marilyn Monroe** asked stylist Ernie Adler to create a new hairdo for her; it'll be Egyptian.

Stanley Kramer reports several German extremist groups have warned him not to hold the world premiere of "Judgment at Nuremberg" in Berlin in December—but he's going ahead planning a big press junket there.
