OUPD releases Clery Act campus safety information from 2014

The Oakland University Police Department has issued its **Annual Security and Fire Safety Report** that compiles crime statistics and other related information for 2014 as required by the Federal Crime Awareness and Campus Security Act of 1990 (known as the Clery Act).

"Each year on October 1, we publish our Annual Security and Fire Safety Report," said Oakland University Police Chief Mark B. Gordon. "The purpose of the report is to provide faculty, staff, students and campus visitors with an overview of Oakland University's security resources, policies and procedures."

Clery Act policies and procedures are subject to change at any time.
