Detroit Teamsters Accused in Rackets

Jail Doors Swing Open

REUTHER WITNESS FREED—Donald Ritchie, key witness in the Walter Reuther shooting, is greeted by his wife, Betty, as he leaves jail in Windsor after a Canadian court refused extradition to the United States.

Bombings Used by Local 985, Claim Probers

House Group Criticizes Prosecutor, Police and Cites Hoffa as 'Boss'

WASHINGTON (UP)—A House subcommittee today accused Detroit Local No. 985 of the AFL Teamsters Union of "racketeering, extortion and gangsterism."

It said the local and its president, William E. Bufalino, have extracted millions of dollars from workers and businessmen in Detroit with strong-arm tactics that included bombings of firms that refused to sign up with the union.

A joint subcommittee of the House committees on government operations and labor made the charge in a formal report on hearings held in Detroit last June. It said the Teamsters Union has been involved in a "gigantic, wicked conspiracy."

The subcommittee, headed by Rep. Wint Smith (R-Kans), said "the Teamsters Union, Local No. 985, thourgh its president, William E. Bufalino, is the principal offender and perpetrator of the racketeering, extortion and gangsterism which was disclosed by the hearings."

The subcommittee said that owners of jukeboxes and other coin-vending machines and owners of car-wash companies were bombed during the union's campaign to impose a "monopoly" in those fields.

"It was the opinion of the owners and the persons testifying at these hearings," the report said, "that these bombings were instigated by Bufalino, or the Teamsters Union."

The subcommittee sharply criticized the Wayne County prosecutor and the Detroit Police Department for "inaction" and called for a federal grand jury investigation.

The subcommittee also asked the government operations and labor committees to consider a contempt of Congress citation against James R. Hoffa, president of Teamsters Local No. 299 and who holds a number of other high-ranking positions with the Teamsters Union.

The report described Hoffa as the "teamster boss" in Detroit and said he had been described as the brains behind "this shakedown and power grab by Bufalino and his Teamsters Local No. 985."

Bufalino and 11 others have been indicted under state law for alleged extortion.

The subcommittee requested that a transcript of the testimony be sent to the attorney general, the U. S. attorney at Detroit and the district attorney at Detroit.

Canada Releases Ritchie; Wayne Officials Stymied

DETROIT (AP) — The next move was up to Wayne County and Detroit law enforcement agencies today in the baffling, intricate, and frustrating attempt to wind up the six-year-old Walter Reuther shooting case.

Canadian authorities may have permanently forestalled at least one move when they released Donald Ritchie, key witness and defendant, and his uncle, Clarence Jacobs, the Ritchie-named triggerman in the assassination attempt on the CIO president.

Essex County Judge Albert J. Gordon dismissed extradition hearings against the two men yesterday in Windsor, Ont.

Ritchie had signed a statement before Wayne County Prosecutor Gerald K. O'Brien naming Jacobs, Peter Lombardo, Santo (Sam) Perrone and Carl Renda as being involved in the 1948 shooting. Ritchie later repudiated his entire story.

Ralph Garber, assistant Wayne County prosecutor, said he did not know whether the release of the two men would affect pending court action against Renda. Renda is scheduled to face trial March 15 on conspiracy charges based on Ritchie's statements.

Garber said that county and city officials would meet today to determine what the next move would be.

"Judge Gordon's decision came suddenly," Garber said, "we will have to study the situation . . ."

Ritchie and Jacobs were released on a motion by Crown Attorney Bruce J. S. MacDonald.

MacDonald said that under

County Offices, Banks to Close

Monday Legal Holiday to Mark Washington's Birth Anniversary

Banks and financial institutions, Oakland County's courts and county offices and most federal offices will be closed Monday in observance of the anniversary of George Washington's birth.

Pontiac City Hall, Michigan Secretary of State's branch office here, stores and factories will follow normal schedules.

Places closed Monday also will include the U. S. Selective Service, Bureau of Internal Revenue and U. S. Social Security offices, giving them a three-day weekend, from Friday evening until Tuesday morning. County offices will be closed Saturday.

Pontiac State and Community National banks will be open a half-day Saturday as usual, closing Monday.

The U. S. Post Office said its windows will be closed and no mail will be delivered on regular routes Monday, although special delivery mail will go through. The post office will be open a half-day Saturday as usual.

Showers Expected to Dampen Spirits

Scattered showers tonight are expected to usher in blustery and rainy weather Saturday.

The U. S. Weather Bureau predicts a low of 38 to 42 tonight and a high of 44 to 46 Saturday.

Thursday the temperatures ranged from a low of 27 to a high of 52 degrees in Pontiac.

This morning at 8 the mercury registered 33 degrees. At 2 p.m. in downtown Pontiac the temperature stood at 54 degrees.

It's Sunshine Spread—Rich in flavor and savory goodness.

Lake Huron Ice Jams St. Clair River Shores

AP Wirephoto

AUTHORITIES MAY DYNAMITE—Ice flowing into the St. Clair River from Lake Huron crushes docks and piling all along the American shore, creating an artificial dam which sent the water rising more than two feet in places. Though the level was receding somewhat today, engineers kept a close watch, ready to use dynamite if necessary to break the jam.

Realtors Explain Habel Lot Value

Roy Annett Sets Price at $77,500, Cites Other Land Available to City

Pontiac realtors Roy and Bruce Annett testified yesterday in the city's parking lot condemnation suit that property at 11-49 Parke St. was well situated for the Jack Habel Chevrolet Co.

They further stated that the land was best suited for a supermarket location.

Roy Annett set the "fair cash market value" of the property at $77,500, while his son, Bruce, put it at $80,000. Another Pontiac realtor, Ward E. Partridge, appraised it at $78,500.

Three appraisers testifying in Oakland County Circuit Court last week for the city said the land would be best used for parking or storage of cars. They valued the property from $37,822 to $40,000.

The five appraisers called by Habel in the past two days have set values from $71,000 to $80,000.

Bruce Annett also stated the land was worth $116,000 to Habel, although it probably could not be sold for that much on the open market.

Roy Annett yesterday said there was no need for a parking lot on the Habel land.

He stated a parking lot behind the First Baptist Church at N. Saginaw St. and Oakland Ave. would be more convenient for shoppers.

City Attorney William A. Ewart asked Bruce Annett why his appraisal was the highest. Annett said that perhaps he had given more stress to the building of the new city hall in that area.

The new structure, Annett explained, was having a "beneficial"

Intelligence Seems to Be Obstacle to Employment

PORTSMOUTH, O. (UP) —The Portsmouth Times carried this classified ad today:

"Young man wants big salaried job. Highly intelligent. Proof: Will not consider anything that remotely resembles work. Write box A-31, care of the Times."

AFL Builders and Teamsters Clash at Buick; Four Hurt

FLINT (AP) — Pickets of AFL building trades unions battled today with AFL Teamsters and halted a machinery-moving job at Buick Division of General Motors Corp.

The second shift of the Flint police force was called on duty to keep order at the plant after four men were injured in a fist fight when a car tried to crash the picket line.

Treated at Hurley Hospital and released were Anthony Mazola, 35; William Sparkman, 28, and Jack Kierndorf, 29, all of Detroit, and Arthur Taveirne, 18, of Flint.

The Flint and Genesee County Building Trades Council, representing AFL building trades unions, has maintained a token picket line for several days at the Buick plant, protesting hiring of AFL Teamsters on a job to remove government machinery from a completed defense job.

The teamsters have a contract for the work with Commercial Contracting Co. of Detroit and were moving the machines to Kalamazoo for storage. They are members of Teamsters Local 299 at Flint.

Flint Police said that the pickets showed up in force this morning and halted a car with a Wayne County license plate when it tried to cross the line.

Officers said six men were dragged out and four injured in a scuffle. They did not know if all four of those hurt were in the car.

Ziegler Ousts Highway Aide

Land Deal Investigation in State May Involve G. Palmer Seeley

LANSING (UP) — State Highway Commissioner Charles M. Ziegler today fired G. Palmer Seeley, head of the Grand Rapids right-of-way office for the department on charges of "gross irregularities."

Zeigler said the dismissal was authorized by the State Civil Service Department shortly after Atty. Gen. Frank G. Millard declare an investigation showed Seeley was guilty of improper conduct in office.

Seeley was charged after an investigation by the attorney general and auditor general into accusations of improper land dealings in Western Michigan in the purchase of highway right-of-way.

Millard said "there is probably cause to believe that crimes have been committed which might involve" Seeley.

State officials investigated charges that Seeley, 54, conspired with a Muskegon real estate operator to profit from state land deals.

Seeley is a former Pontiac resident.

Army Engineers Watch Ice Jams

Corps May Have to Use Dynamite to Free Floes in St. Clair River

ALGONAC (INS)—Army Engineers today watched carefully St. Clair River ice floes for signs they might have to dynamite them free.

The ice, forming bridges spanning the river, backed up water to flood crest on both shores and caused damage to docks and boat houses estimated at thousands of dollars.

The flood threat was eased somewhat late Thursday when water levels dropped slightly.

Coast Guardsmen, State Police and Sheriff's Officers, however, remained on 24-alert duty in the event of new flood threats.

The Coast Guard icebreaker Acacia was readied for a cruise up the St. Clair as one possible emergency measure.

At the same time, however, engineers theorized that the plan would fail to provide much relief. Some claimed the path would be too narrow; others that it would refill instantly with floe ice once the ship passed.

Clouds of Dust Plaguing Parts of Six States

AMARILLO, Tex. (UP) — Choking clouds of dust engulfed sections of Texas, Oklahoma, New Mexico, Kansas, Nebraska and Colorado today.

Visibility was cut to zero in the Texas Panhandle and street lights had to be turned on.

The turbulence accompanied a western cold front that moved across the states. Tornado alerts were issued for sections of Texas, Oklahoma and Arkansas.

In this Texas Panhandle city street lights cast wan gleams through the pall that shut out the sun. Cars and buses nosed cautiously along streets and highways, headlights stabbing feebly into the dust. Airplanes were grounded.

Thunderstorms roared in north Texas.

Court Clears Way for Public Parking

DETROIT (INS) — Detroit today went ahead with proposed city-owned parking lots in the wake of Michigan Supreme Court decision banning further protest cases.

The court ruling banned further attempts by private parking lot owners to tie up city bond issues for construction of public parking lots.

Actually the ruling upheld a previous Supreme Court ruling which in turn upheld the constitutionality of retiring bond issues through parking lot revenue.

Picard Orders Fine of $10,000 for Each Plotter

Sentences Range From 4 to 5 Years, With Red Exile as Alternative

DETROIT (AP)—Six Michigan Communists, convicted of conspiracy against the government, today were given the choice of prison sentences ranging from four to five years or going to Russia.

In addition, Federal Judge Frank A. Picard fined each defendant $10,000.

A jammed courtroom heard Picard deliver a scathing criticism of the defendants in passing sentence.

The defendants, Saul Wellman, 48; Mrs. Helen Winter, 45; Nat Ganley, 48; Thomas B. Dennis Jr., 35; Philip Schatz, 39, and William Allan, 46, expressed no emotion as Judge Picard delivered the sentence.

Mrs. Winter and Allan were sentenced to four-year terms; Ganley, five years; Dennis, four years and six months; Wellman, four years and eight months, and Schatz, four years and four months.

"Under federal law, I can change this sentence any time within the next 60 days," Picard said, "and if any of you should decide you want to go to Russia, I would be glad to do so."

Picard said the defendants were "guilty of the greatest offense of which a citizen could be convicted, conspiracy for the overthrow of your government."

He said he saw no mitigating circumstances in favor of the defendants and could not consider placing them on probation.

Prior to Picard's sentencing, all defendants made statements declaring their innocence.

They were convicted Tuesday of violating the Smith Act by conspiring to teach and advocate violent overthrow of the government.

The defendants said the sentences would be appealed.

Ganley's bond was fixed at $25,000; Wellman's at $22,500; and Allan's, Dennis' and Schatz's at $20,000.

Judge Picard set Mrs. Winter's bond at $5,000 in view of the fact that her husband, Carl Winter, already is in prison on a Smith Act conviction in New York.

The defendants elected not to begin serving their sentences pending appeal. They were ordered held until the bonds are posted.

Bulletin

SANTIAGO, Cuba (AP) —The family reported today the kidnaping for $50,000 ransom of Facundo Bacardi Bravo, 8, a member of the internationally known Bacardi rum family of Cuba.

HANOI, Indochina (UP)—France's Supreme Commander in Indochina said today his forces face a stalemate with the Communist Vietminh Rebels and that he does not foresee a decisive victory over them even next year.

Supreme Court Upholds Sunday Car Sales Ban

LANSING (INS)—The Michigan Supreme Court yesterday upheld the Sunday Auto Sales Act which prohibits Sabbath sales of cars and trucks in eight Michigan counties.

Detroit automobile dealers appealed the act claiming it was special in scope.

The court ruled, however, that the act was "general" in nature in that it applied to counties of more than 130,000 population.

Move Develops to Cancel Special Census in County

Pontiac and Ferndale officials this week moved to call off a special county census which would lop perhaps $80,000 a year off the two cities' income from the state.

Petitions for an Oakland County Board of Supervisors meeting to reconsider the census were being circulated today.

But R. Claire Cummings, a Pontiac supervisor, said the census might be halted later, without a meeting now.

Harold K. Schone of Oak Park, suggested the special census that won board approval Jan. 18. He said his city's population has grown to about 20,000, four times what it was in 1950, when the last census was taken.

Michigan returns some $2,800,000 to this county each year from state tax receipts.

The county share is split between cities, villages and townships according to the latest census—so Oak Park just isn't getting its fair share, he said.

Schone estimated that if the money was divided according to a new census, his city would gain some $65,000 more—but Ferndale and Pontiac, together, would lose perhaps $80,000.

Walter K. Willman, Pontiac City manager, said the city would favor a county census only if a state census is taken, too, which would boost the county's receipts.

W. A. Laking, Ferndale city manager, agreed.

Cummings said Supervisors W. Ray Ransom of Pontiac, Orph C. Holmes of Ferndale and others were helping circulate the petitions for a supervisors' meeting "just in case it's needed."

"I'm sure at least 29 supervisors have signed," he said, "but I don't know as we'll need to meet now."

Cummings explained that a special census would probably cost about $50,000—which the cities and townships would pay later.

National Traffic Conference Maps Crusade

Will Promote Drive-and-Walk-Safely Pledge Campaign

WASHINGTON (UP) — A campaign to get the signature of every motorist and pedestrian on a pledge to "drive-and-walk-safely" was undertaken today by the White House Conference on Highway Safety.

Remarkable results from "crusade for safety" campaigns undertaken by newspapers in a handful of major cities last year prompted the conference's task force representing media of public information to sponsor the crusade nationally.

Phoenix, Ariz., reduced traffic deaths by 71 per cent in the last six months of 1953. Omaha reported a 43 per cent improvement, and St. Louis a 17 per cent reduction.

Creation of a permanent eight-member committee, by President Eisenhower to direct a continuing fight against highway accidents is a major development from the White House Conference.

Vice President Richard M. Nixon advised the delegates that the President is naming the chairmen of the seven basic groups which submitted a series of "action" reports at yesterday's session.

Five states and eight cities were cited today as being the leaders in the nation's campaign which costs 38,000 lives a year.

They were listed at the White House Conference on Highway Safety by an outstanding safety expert, Franklin M. Kreml, director of the traffic institute at Northwestern University.

Kreml, appearing at the final sessions of the three-day conference, listed Connecticut, Rhode Island, Massachusetts, New Jersey and Washington as being among the safety leaders in the state field.

He said the following cities have compiled outstanding safety campaign records: Los Angeles, Detroit, Seattle, Denver, Omaha, Providence, Wilmington, Del., and Raleigh, N. C.

Meanwhile, traffic safety professionals who laid the groundwork for the conference, said it was the best in nine years and noted that the citizen-delegates have taken over the meetings—a move that they had hoped would occur.

The conference's information media committee proposes that the nation's motorists and pedestrians sign this pledge:

"I personally pledge myself to drive and walk safely and think in terms of safety.

"I pledge myself to work through my church, civic, business and labor groups to carry out the White House program for highway safety.

"I give this pledge in seriousness and earnestness, having considered fully my obligation to protect my life and the lives of my family and my fellow men."

Recreation Board Hears Plans for $40,000 Skating Rink at Pierce School Site

From Our Birmingham Bureau

BIRMINGHAM — An enthusiastic Recreation Board heard a committee report last night on providing Birmingham with an artificial ice skating rink approximatly 100 by 125 feet, for an estimated cost of $40,000.

Pierce School field was thought of as ideal for such a rink, because of location, lights, adequate parking and particularly because of the Pierce field house, which could be used for checking service and refreshment.

The set-up considered consists of portable, lightweight plastic pipe, which is easily installed or stored, and some permanent installations.

The committee will make a further report on actual cost and maintenance for the board's recommendation.

Member Roland Reese, who with Frank Whitney, city recreation director, makes up the committee, reported his findings on the subject following an interview with the engineer in charge of Detroit's Department of Parks and Recreation.

Detroit, Reese said, pioneered the portable-type rinks. Three installed there this winter met with an overwhelming response, Reese said.

A recommended charge would more than take care of maintenance and operation costs, he added.

Switching to the juvenile delinquency problem, the board highly endorsed the Birmingham - Bloomfield - Franklin Council on Community Services, which has agreed to see what should be done to solve rising juvenile vandalism in the area.

5 Postal Clerks Submit Exams for Higher Jobs

BIRMINGHAM — Five postal clerks from Birmingham have taken exams under the new program set up by Postmaster General Arthur Summerfield to assure that future promotions of employes to supervisory jobs are made by competitive methods.

Lucius Jackson, Alton Haack, Chester Stinson and Otto Leibold of Birmingham and Arthur Ellison of Berkley are seeking the positions of foreman of carriers and clerk-in-charge.

The positions were formerly filled by the appointment of the postmaster.

Berkleyite Stands Mute to Drunk Driving Charge

BIRMINGHAM — Richard T. Wilson, 46, of 4077 Cornwall, Berkley, stood mute before Justice John J. Gafill today on a charge of driving under the influence of liquor. A plea of innocent was entered for him by Justice Gafill.

Trila was set for March 12 and $100 bond was continued.

Pleading guilty to driving under the influence of liquor, Steve Bator, 38, of Foster, had his license revoked by Justice Gafill and was fined $75.

Auto Crash Injures Two at Local Intersection

BIRMINGHAM — Two persons were injured in an auto collision at Worth and Ridgedale Sts. Thursday.

Mrs. Frederick H. Hanson, 52, of 1375 Dorchester, is in St. Joseph Mercy Hospital, Pontiac, with a concussion, hospital officials report. Verne J. Ernst, 33, of 365 Ascot, Pontiac, driver of the car Mrs. Hanson was riding in, was treated for a slight concussion and released.

The driver of the other car, Daniel Sylvester, 27, of 1875 Villa, was not injured, police said.

YMCA Signs Up 357 in Membership Drive

BIRMINGHAM—Seeking a goal of 425 in the YMCA Membership Enrollment, workers reported a total of 357 members signed up by this week's meeting. The drive will close Feb. 26 with a victory banquet at the downtown Detroit YMCA.

William Gordon, chairman of the local "Y" committee of management, announced that he has asked for a full-time boys' worker to serve with Edwin F. Kirbert, executive secretary of the local "Y."

With more than 114 different groups coming into the "Y" program each year, the need for better supervision has been prevalent for some time, Gordon said.

Kingswood Stage Is Set for 'Let's Make an Opera'

BLOOMFIELD HILLS — Finishing touches are being completed for the performance of Benjamin Britten's "Let's Make an Opera" to be presented at 8:15 p. m. today and Saturday at Kingswood School.

The first - in - Michigan production will be sung by the 11th and 12th grade glee club, with the audience assisting in several chorus numbers.

Highland Park Woman Hurts Shoulder in Fall

BIRMINGHAM — Mrs. Mae Januzzi, of 195 Tennyson, Highland Park, received a fractured right shoulder when she tripped on the sidewalk in front of Adams School yesterday, police reported today.

She was treated at Highland Park General Hospital and released.

Realtors Tell Value of Lot to Habel Firm

(Continued From Page One)

effect on property values in its area.

Appraisers testifying for Pontiac last week said they thought real estate values in the Parke street vicinity were going down.

Bruce Annett also said the Habel land was valuable because it "is difficult to assemble property of that size" in the downtown area.

Ewart asked Annett if buyers sometimes paid more for land they wanted badly. Annett said, "Sometimes."

William J. Beer, attorney for Habel, gave the jury pictures of vacant land around the new city hall as evidence.

Lloyd Reid, a well known traffic and parking consultant, is scheduled to testify for Habel today. Habel also is expected to take the stand.

The city is seeking to condemn the property for construction of an off-street, metered parking lot.

Warns of Deadline on GI Bill Training

Korean War veterans who left the armed services before Aug. 21, 1952 must start educational or vocational training by Aug. 20 this year if they wish GI bill benefits.

Ray C. Jewell, local veterans employment adviser, said the deadline does not concern Korean veterans who separated after Aug. 20, 1952. "These men have two years from their separation date to begin training," he explained.

Interested veterans should contact the VA for information, said Jewell. Aptitude tests are given men who don't know what field they want to enter, he added.

Cub Scouts Get Awards at Anniversary Party

Baldwin School cub Pack 4 recently celebrated the 44th Boy Scout of America week at a party during which 23 Cubs received awards.

Cubmaster Bob F. Rogers presented the awards to the following members: Thomas Baker, David Moreno, Gary Batey, Jerry Bunce, Russell Baker, Eric Warren, Dale Folsom, Charles Schledbower, Dick Williams, Larry Anderson, Michael Halfpenny, James Patch, Lary Rogers, Larry Nichols, Billy Cunningham, Lawrence Mitchell, Bruce Davis, Billy Ramsey, Fred Ward, Billy Glennie, Joseph Phelps, Robert Bradley and Dale Tippin.

Man in Two Accidents Sentenced to Ten Days

A man Pontiac police charged with being involved in two accidents early yesterday was sentenced to 10 days in Oakland County Jail and fined $75 for drunk driving.

Jesse Adler, 29, of 73 Burt Ave., who pleaded guilty before Pontiac Judge Maurice E. Finnegan, will serve 30 days in jail if his fine is not paid. Police said Adler left the scene of a property damage accident, then struck another car 10 minutes later. No one was injured.

VERN WILLARD

Township Fund Changes Name

Group Decides to Drop '20' From Original Title at Annual Meeting

Oakland County Townships United Fund re-elected Vern Willard, of Farmington, president and dropped the "20" from its name at an annual meeting Thursday night.

Election of officers climaxed a dinner and business session at the Hotel Waldron.

Other officers are Ray D. Baker, of West Bloomfield vice president; Mrs. Eugene Rogers, Groveland, recording secretary; C. O. Bales, Commerce treasurer; Mrs. William Dildine, Milford, public relations chairman; and Francis L. Ammerman, West Bloomfield, campaign chairman.

The officers and Mrs. Jack Valentine, of Oxford; Mrs. Joe Kohler, Farmington; Arthur Rose Jr., Independence; and William VanderVan, Dublin School district, make up the executive committee.

The board of directors re-elected eight members and named 25 new ones.

Directors decided to drop "20" from the name "20 Townships United Fund" after Willard pointed out only 16 townships are now active in the organization.

Waterford, he said, is now in the Pontiac Area United Fund, and "we have no cooperation from Avon, Oakland and Holly. They won't even answer letters and calls."

The directors voted to depend only on townships they know are included when making up campaign goals and to let social agencies "make their own deals" with the independent townships.

Directors decided to keep the permanent office they've been renting in the Huron Building for about $37 a month. They also voted to keep Miss Henrietta Diaz as the permanent office secretary.

Several amendments to clear vague language from the United Fund's constitution and to pinpoint responsibilities, aims and objective were passed.

Directors re-elected were Mrs. B. L. Hamilton, Brandon Township; Larry Gilliam, Walled Lake; Mrs. Wilbur Fox, Groveland; Mrs. Dildine; Sanford Burton, Milford; Mrs. Lowell A. Yost, Rose Township; Baker and Ammerman.

New directors include Clifford McIntyre and Mrs. LaVerne Boutell, Brandon; Mrs. James H. Gregg, Mr. and Mrs. Don Steinbrecher and Nelson E. Nedeau of Commerce; and Mrs. Harold Vollink, Groveland.

Others are Louis C. Lundstrom and Mrs. George Hubbell Huron Valley school district; Mrs. Burton Jones, Mrs. James Stinson, and Mrs. Harold Sutton, Rose township; Mrs. Valentine, Charles Webster Jr., Harold Campbell Mrs. Floyd Harrison and Mrs. Brace Beemer, Oxford.

Dublin's new directors are VanderVen, Hugh Findlay, Mrs. Fred Corliss and Rex Fair, Independence's new members are Robert L. Jones and Herbert Beach; and Lyon Township's, Hugh Arms and Mrs. Arthur Simmons.

Bonnie Knows Her Own Mind, Even at Three

DETROIT (AP)—Bonnie Hart is only 3, but already has a mind of her own.

Yesterday the chubby little blonde wanted someone to play with. So she wandered off from her East Side home.

Noticing a television set in the front window of a house around the corner, she tried the door. It was unlocked so she marched in, turned on the set and sat down to watch from across the room.

Seated in the kitchen, Mr. and Mrs. Ignazio Bono heard a voice boom out. Bono was puzzled but turned the set off and went back to the kitchen.

A few seconds later the voice returned. Both Bonos investigated and saw a little girl heading out the door.

Across the street Bonnie knocked at the door of Mrs. Angeline Angello.

"Let me in," she called. Mrs. Angello opened the door. Bonnie looked at 2-year-old Joey Angello in his crib and decided, "He's too little to play with."

She was on her way out when Mrs. Angello stopped her. Bonnie was playing with Joey's toys when police arrived.

Ziem Urges Solons to Amend Sex Law

Oakland County Prosecutor Frederick C. Ziem Thursday urged Michigan House of Representatives' Judiciary Committee to approve an amendment to Michigan's Criminal Sexual Psychopathic Act.

Rep. William S. Broomfield (R-Royal Oak), who introduced the bill, presented Ziem at a committee hearing in the Capitol in Lansing.

The bill, introduced by Broomfield, would prevent murder suspects from demanding psychiatric hearings under the act. It would also let courts try people who were committed to mental hospitals as criminal sex psychopaths if they were later released.

The case of Donald V. O'Brian, confessed slayer, helped start the move to amend the law. O'Brian, committed to Ionia State Hospital for the Criminally Insane, can never be tried for his crimes.

Thieves Get $150 Cash in Restaurant Breakin

About $150 in change and small bills were taken from Vincent's Restaurant in Keego Harbor last night, according to the owner, James Janedis of 19269 Wisconsin, Detroit.

Thieves broke a window in the rear door, Janedis said, and took money from the cash register and a box in the kitchen.

Pontiac Deaths

Raymond D. Hendricks

Funeral for Raymond D. Hendricks, infant son of Burdette C. and Donna M. Smith Hendricks of 2839 Kenford, Waterford Township, will be Saturday at 10 a. m. in Pursley Funeral Home. The Rev. Paul R. Havens, pastor of First Methodist Church, will officiate and burial will be in White Chapel Memorial Cemetery.

The baby was born Wednesday in St. Joseph Mercy Hospital and lived eight hours.

Besides his parents he is survived by two sisters, Barbara and Debra, and a brother, David, all at home.

Mrs. George Quance

After an illness of three years, Mrs. George (Amelia) Quance, 93, of 144 Norton Ave. died in Port Huron at 3:10 p. m. Thursday.

Born in Stathroy, Ont. Aug. 21, 1860, she was the daughter of Henry and Elizabeth Gosden Perry and the widow of Mr. Quance who died in 1930. They were married in 1880.

Mrs. Quance came to Pontiac in 1923 and was a member of Central Methodist Church and the WSCS of the church.

Surviving are two daughters and a son, Mrs. John Barlow of Harrisville, Mrs. B. B. Harrington of Port Huron and Leslie Quance of Pontiac. Also surviving are a brother, George Perry of Petoskey; seven grandchildren, 23 great - grandchildren and seven great-great-grandchildren.

Funeral will be Monday at 3 p.m. from Huntoon Funeral Home. Dr. Milton H. Bank, her pastor, will officiate and burial will be in White Chapel Memorial Cemetery.

Three Youths Waive Hearing On Breakin

Examinations on breaking and entering charges were waived yesterday by three Royal Oak Township youths who appeared before Royal Oak Township Justice Richard V. Broder.

William Brecht 20, of 26418 Rialto; James Morgan, 17, of 26459 Lorany; and Richard Crowley, 17, of 804 E. Eleven Mile Rd., will appear in Oakland County Circuit Court March 1 to answer charges that they broke into a Royal Oak Township lumber company last Monday.

Township Police Capt. Robert Richardson and Det. Bernard Travnikar arrested the youths at the Crowley home Tuesday. They said the trio admitted the lumber company breakin and five others.

Faces Examination in Fatal Tot Beating

Mrs. Lois Cottrell, 22, of 823 Etowah, Royal Oak, accused of fatally beating her 3 - year - old daughter, was scheduled to appear for examination before Royal Oak Associate Judge W. T. Sevald today.

Both Mrs. Cottrell and her husband, Martin, 27, told police that they beat Lois Ann Jan. 23 because "she wasn't exactly right." Cottrell later was released.

An autopsy later showed the child died from brain injuries received in the beating. The mother said she used a belt buckle and fists when punching the child. child.

Dulles to Report

NEW YORK (UP)—The four national radio networks announced today that they have scheduled time next Wednesday night for a "report to the nation" on the Berlin Conference by Secretary of State John Foster Dulles. Dulles will speak from Washington from 10 to 10:30 EST.

Senate to Vote on Bill Extending Sales Tax

LANSING (AP)—A bill extending the sales tax to fabrications passed the House unanimously without debate today and was sent to the Senate.

A scheduled vote making minor amendments to the business receipts tax law was deferred until Tuesday.

The sales tax amendment would require the payment of sales tax on both labor and material costs where the character of the basic material is changed.

The bill would take effect July 1 and would forbid the Revenue Department to collect it previous to that date. The department has started to collect the tax in such cases following an administrative interpretation of the law.

Sponsors gave as an example the manufacture of draperies. Under the bill the material plus the labor charges will now clearly be taxable. They said the additional revenue would be inconsequential but that the bill would clear up a muddled situation.

Ritchie and Jacobs Freed by Canada

(Continued From Page One)

Canadian laws he was of the opinion that the $5,000 reward paid Ritchie by the CIO United Auto Workers Union for information in the shooting constituted an "inducement." Canadian law looks askance at anything of that sort.

When Judge Gordon annnounced his decisoin, he absolved both men of all charges in connection with the assassination plot.

The extradition hearing was fostered by Wayne County efforts to get Ritchie back to Detroit where a warrant had been issued against him in the shooting. Ritchie had fled to Canada after telling his original story.

Jacobs was not to be given an extradition hearing until today. However, when MacDonald said he saw no reason to hold a hearing for Jacobs when Ritchie had been released, Judge Gordon concurred.

Trailer Park Operator Fined

Pleads Guilty to Running Site Without Required License

Clare Burke, 52, of 82 E. Hopkins Ave., charged with operating his trailer park without a license and doing repair work without a permit, paid $50 in fines and $20 court costs Thursday after pleading guilty before Pontiac Judge Odin H. Johnson.

Complainant Charles S. Cohen, Pontiac sanitarian, said Burke, who owns the trailer park at 229 W. Walton Blvd., failed to obtain a license after it expired Sept. 30, 1953.

Burke appealed a $100 fine and 90 day jail sentence last January when convicted on similar charges to which he pleaded innocent. The case is pending in Oakland County Circuit Court.

Cohen explained that a state law requires operators to obtain a license from the Michigan Dept. of Health and construction is prohibited without authorization by the Pontiac Building Department.

Burke's previous license only permitted him to maintain 30 trailers in the park, "but there are 80 units there now," Cohen said.

Irish potatoes originally came from North Carolina.

HALF-PRICE!

New Automatic Flo-Ball

Remembers to Retract ...when you forget

$2 Value 98c

✓ Point automatically retracts when you slide pen in pocket; ends ink stained coats and shirts.

Want to Lose Weight . . . Easy-Like?

To Hold at Present Weight Multiply by 15 for Calories

By ISABEL DU BOIS

Second Day's Menu

Hungry already?

Cheer up! You'll get used to this lower calorie intake. You're not going to starve to death, even though you feel you are.

Here's a word of encouragement from Elmer. Once you wittle yourself down to a normal size you can retain that weight.

This is his tip, received from the leading medical authorities of two life insurance companies.

"To keep present weight, multiply your weight by 15. This equals the number of calories you can have daily.

"To lose weight subtract 1,000 calories from this number. To gain weight add 1,000 calories to this number."

BREAKFAST
Grapefruit, ½ small
Poached egg, 1
Toast, whole wheat, 1 slice
Butter, 1 teaspoon
Coffee, no cream or sugar (skim milk and saccharine may be used)

LUNCH
Bacon, lettuce and tomato sandwich
Bacon, 2 slices, fried crips, well drained
Toast, 2 slices
Lettuce, 2 leaves
Tomato, ½ medium
Butter, 2 teaspoons
No mayonnaise
Pineapple, canned in syrup, slice
Milk, skim, 1 glass (8 oz.)
Coffee or tea, no cream or sugar (skim milk or lemon juice and saccharine may be used)

DINNER
Lamb chops, 2, broiled, lean meat only
Potato, 1 small, boiled, no butter
Cole slaw
Shredded cabbage, ¾ cup
Green pepper, ¼ cup
Dressing made from 2 tablespoons thin cream and 2½ teaspoons vinegar
Peas, fresh or frozen, ¾ cup.
Celery hearts, 2
Olives, green, 1 or ripe, 2
Gelatine, with fruit, ½ cup
Milk, skim, 1 glass (8 oz).
Coffee or tea, no cream or sugar (skim milk or lemon juice and saccharine may be used)
Total calories for day—1,460

(This is considered a safe diet, but before following any reducing program it is always advisable to consult your physician.)

Birmingham High School News

Students Rehearsing Skits for Presentation on Trip

(Editor's note: The Birmingham High School column has been prepared by Frank Phillips, an associate editor for the Highlander, the student newspaper.)

By FRANK PHILLIPS

Members of the 1954 Washington group of seniors are planning two variety shows to be given on the steamer "District of Columbia" while en route to old Point Comfort, Virginia.

In the process of preparing skits are Jan McColl, Alice Basford, Carroll Middleton, Barbara and Ulrike Klopfer, Sharon Stanton, Pat Andrus, Joan Vandekerck, Penny Nelson, Nancy Walser, Lea Mae Marsh, Dave Schuh and Dave Andreae and his band.

Social clubs Tiara and CTA are originating pantomimes to "By the Sea" and "I Want to Be Evil."

PHILLIPS

On the entertainment committee for the trip are Nancy Du Charme, Mary Bachman, Barbara Aikens, and Howard Knorr.

The seniors will leave Birmingham April 15 for eight days in Washington, New York City and Niagara Falls.

* * *

Three students of the economics class are preparing to make a trip to Detroit's skid row.

They are Bob Jenkins, Mickey O'Connor and Ebbie Goodfellow. Plans include taking pictures with an eight millimeter camera on Michigan Avenue.

The Movies will be shown in the economics classes as soon as they are ready.

* * *

Local members of the Civil Air Patrol are preparing themselves for their private licenses. Those practicing are Bob Mange, Ruth Hibbard, Willard Newman, Bill Heniger, John Shaffer, and Bob Owen. A Piper Cub J-3 is used for practice.

* * *

Argyle, the newest club at Birmingham High School, held its first meeting recently.

Planning to knit socks for their beaux are Joy Fortune, Barb Davis, Joyce Davis, Brenda Gross, Dennis Russell, Edith Tryos, Marilyn Davis, Judy Goldstein, Peggy Joyner, Kay Fowler, and Martha Long.

* * *

Procenium, the largest interest club in school, held elections recently.

Elected were Bob Luscombe, president; Bill Martin, vice-president; Margaret Davis, treasurer; Dorothy Ojale, secretary; Angela Matthesius, corresponding secretary; Barb Aikens, senator; and Gen Leland, historian.

* * *

The state debate elimination tournaments will begin in Owosso next Tuesday for the Maples. Representing Birmingham on both sides of the question will be Dorothy Ojala and Pat Ashbaugh.

Saturday Dorothy and Pat will face a strong Hazel Park team in a practice debate.

In mid-November, 1953, the U.S. Commodity Credit Corp. owned 427 million bushels of wheat.

Switch Failure Cuts Off Power at East Lansing

EAST LANSING (AP)—Remember the old rhyme: For want of a nail a shoe was lost . . . ?

Well, a starting switch on a compressor motor at the Michigan State College power plant blew up yesterday at 2:30 p.m.

This knocked out the main circuit breaker which cut off power from the fan, stoker boiler and boiler feed pump.

This let steam pressure go down and the turbine generators stopped.

This threw the whole MSC campus power load in the cross-connected lines of the Lansing municipal plant.

But that day MSC was carrying part of the Lansing plant's load while Lansing repaired some cables.

The sudden whole load was too much for Lansing and its circuit breaker cut out.

So all of East Lansing and the MSC campus was without power from 2:30 p.m. to 3:45 p.m., including the college radio stations.

White-Haired Slayer Dies in Electric Chair

SANTA FE, N.M. (AP)—White-haired Arthur F. Johnson, 37, died in New Mexico's electric chair early today for the murder of an oil field worker nearly three years ago.

He was executed for the robbery-murder of William Cabrel in a Hobbs tourist court March 4, 1951. He went to his death calmly.

He maintained he struck Cabrel because he had raped Johnson's wife and molested his small daughter.

Snails can go without food for four months by living on reserves in their tissues.

Home Owning Pickets Overruled by Judge

PHILADELPHIA (AP) — Judge L. Stauffer Oliver has decided that Ervin Weiner and his wife Josephine will have to stop carrying signs in front of a model home proclaiming that the new houses are "lemons."

The developers of the project sought the injunction and asked for $10,000 damages. A hearing will be held on the damage claim next week.

The Weiners said they purchased one of the homes a year ago and were dissatisfied.

Teamsters Unit Fights Inquiry

2 AFL Local Officials Go to Jail for Contempt; Won't Bare Records

ST.LOUIS (AP)—A persistent federal judge and equally persistent AFL labor officials were locked in a fight today over whether a union's financial records will be turned over to a grand jury investigating reports of labor racketeering.

Two officials—Harold J. Gibbons, secretary-treasurer of Teamsters Local 688, and Louis Berra, his assistant—have gone to jail rather than turn over the records.

U.S. Dist. Judge George H. Moore ordered both men held in city jail for contempt of court until the records are presented to the jury. Berra went to jail yesterday and Gibbons, jailed Wednesday, was returned to his cell after refusing a second time to produce the records.

The local president, William Latal, and three members of the local's Executive Committee have been subpoenaed to appear before the jury today with the records, which Judge Moore says they will have "sooner or later."

Dave Beck, international president of the Teamsters Union, was reported considering appointment of a trustee to take over the local from present officials and instructing the trustee to make the records available.

Beck, in Miami Beach, Fla., for a meeting of the union's General Executive Board, could not be reached for comment and this report from Teamster sources could not be immediately confirmed.

The local—Missouri's largest with 10,000 members—figures it is fighting to keep its records from unreasonable search and seizure.

• • •

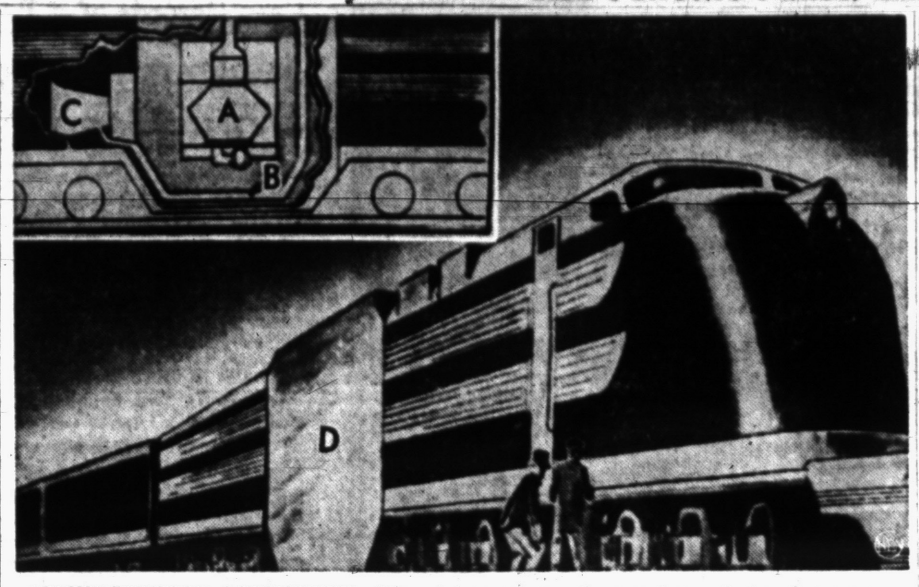

It has planned on an all-out fight.

A special committee has been set up to administer the local's affairs should all members of the Executive Board be jailed for contempt.

Shop stewards of the local have pledged full support, voting to use, if necessary, the final resources of the union, including a $150,000 "security fund."

Judge Moore's position is equally clear. He told one of the union's attorneys:

"I don't believe the law is so limited that one man saying taking the books might incriminate him would keep the books from lawful authorities. They (the grand jury) have the right to have those books, and sooner or later they are going to have them."

ATOMIC-POWERED LOCOMOTIVE—Above is an artist's sketch of a proposed atomic-powered railway locomotive designed by Dr. Lyle B. Borst, University of Utah nuclear physicist. The center block (D) is a 200-ton shield around the nuclear reactor to protect against radiation. Cut-away section shows reactor (A) which heats water, sending steam through pipes (B) to turbine (C). The steel block has four-foot-thick walls.

Fate of Ike Program, GOP Control Linked

NEW YORK (AP)—Presidential assistant Sherman Adams says the fate of the Eisenhower administration's legislative program will "very likely" determine whether the Republicans or Democrats will control the next Congress.

If the Eisenhower program is rejected, he says, the GOP "will very likely lose its control in Congress."

Adams adds that if Congress adopts the President's program with "enthusiasm" and "the popular support it deserves," the GOP will retain its majority in the next Congress.

Adams, Republican former governor of New Hampshire, made the predictions last night in addressing 800 persons at a meeting of the American Paper and Pulp Assn. at the Waldorf-Astoria Hotel.

Departing from his prepared text in which he said flatly that the Republicans would lose control of Congress if the Eisenhower program failed to pass, Adams inserted the words "very likely" when he delivered the speech.

Weather Conditions OK for Maple Syrup Runs

EAST LANSING (AP)—This is good weather for maple syrup runs, Michigan State College proclaimed today.

Putnam W. Robbins of the MSC Forestry Department said the sap runs should be heavy today. Weather conditions are excellent, he said.

Pre-Breakfast Exercise

EAST HARTFORD, Conn. (AP)—Police got a call that a man was chasing a woman along a street. The time was 5 a.m. The investigating patrolman reported that it was a husband chasing his wife because he refused to cook his breakfast at that hour.

The first practical mechanical carpet sweepers appeared about 1865.

Benson Right on Butter

Though opinion is divided over Secretary Benson's order cutting dairy price supports, a strong case can be made for it.

In fact the rapidly growing surpluses of butter, cheese and dried milk long ago would have justified the action which on April 1 will lower support levels from 90 to 75 per cent of parity.

★ ★ ★

Some critics of the order contend that there should have been more advance notice. The truth is that many months ago Secretary Benson warned that something must be done to stop the accumulation of surpluses.

Latest figures emphasize the unsoundness of the present policy. As of February 7 the Government had in storage $370,000,000 worth of dairy products. These included 270,559,320 pounds of butter, 282,040,354 pounds of cheese and 469,558,981 pounds of nonfat dried milk.

★ ★ ★

Secretary Benson's aim is to put butter which has been out of the reach of many families, back on dinner tables. He also is working on a plan for disposal of part of these surpluses.

Among those supporting Benson was Vermont's Republican Senator Aiken who said the Secretary couldn't do anything else under the law. New Mexico's Democratic Senator Anderson, former Secretary of Agriculture, called it a "very good step in the right direction."

★ ★ ★

We think Secretary Benson deserves credit for both political courage and economic wisdom. As he himself says, no matter what action he took there would have been political repercussions.

The idea that it is good for the country to have dairy farmers producing for Government storage, instead of consumers markets, never did make sense.

Freedom Needs Your Help

Although the 1954 campaign for Truth Dollars to finance Radio Free Europe is nearing its end, the need remains great and urgent.

From this privately operated organization's 22 radio stations the captive peoples of Poland, Czechoslovakia, Hungary, Bulgaria, Albania and Romania learn the truth.

★ ★ ★

For these millions behind the Iron Curtain, Radio Free Europe is the voice of hope which keeps alive their determination of self-liberation and freedom.

Happily it is a far reaching voice. In fact coverage is so great that Russia's 900 jamming stations are unable to drown it.

With the co-operation of 93 national nonpartisan organizations the Crusade for Freedom is seeking Truth Dollars to fight the Big Lie, and signatures on its Freedom Scrolls. These are being circulated by local organizations.

★ ★ ★

Whether you have an opportunity to sign a scroll or not, you can help continue this crusade by sending your Truth Dollars to the Crusade for Freedom in care of your local Postmaster.

Why the Delay on Warren?

The speed with which the Senate has confirmed several Presidential nominations leaves one wondering why there has been such long delay on that of Chief Justice Earl Warren.

Latest of the confirmations include those of Maryland's Judge Simon E. Sobeloff to be U. S. Solicitor General, and seven new Federal Judges. All of them were approved unanimously.

As yet there has been no indication in Washington as to the cause of the delay in the Warren nomination. It was the subject of a subcommittee hearing over a week ago, but so far no action has been taken.

A recess nomination to the Chief Justiceship of the United States is so important that no time should be lost in giving it Senate approval.

William D. Thomas

When death called William D. Thomas, Pontiac lost one of its widely known merchants and a member of its business community for 40 years.

It was in 1914 that Mr. Thomas established the Economy Furniture Company on South Saginaw Street. Since then both Pontiac and his business have grown greatly. The result has been enlargement of the original store several times.

★ ★ ★

Outside his business activities, which included a directorship in Pontiac State Bank, Mr. Thomas' chief interests were his family, his home and the Central Christian Church. In later years he took time to enjoy travel and in the process of making film records of his trips, became an enthusiastic home movie fan.

★ ★ ★

A resident of the city since boyhood, this quiet, friendly man will be mourned by many as one who made solid contributions to Pontiac's business, social and religious life.

In these days of high taxes when you tell a girl she looks like a million dollars, be sure to add, "net, after taxes."

The Man About Town

About Same Size

Other Cities That Have Population Like Pontiac

Daffynition

Parking — Such street sorrow.

Pontiac's population in the 1950 census was 73,681, and other cities in the United States that came nearest to that figure were Evanston, Ill., with 73,641, and New Britain, Conn., with 73,726. Evanston is a Chicago suburb and makes radios, toys, candy and paints. New Britain makes hardware, knit goods and automatic machines. In the 1940 census Pontiac had 66,626, and the other city nearest that figure was Johnstown, Pa., with 66,688, but it dropped to 63,232 in 1950.

Bill Wilmot,

attorney, claims that a condemnation suit usually brings up a number of interesting legal problems, and it is one type of lawsuit which, regardless of outcome, leaves each party feeling that the other came out on top.

As a sample of past winters that have been quite mild,

Ransom Fowler

of Pontiac Township remembers one about 35 years ago when there was so little frost in the ground that he did plowing in every month.

Although drawing big royalties on patents that enter the daily lives of all of us,

Lloyd Copeman

of Metamora tells me that he now is working on something that should make all of his others seem trivial.

A letter from a former Pontiac resident,

Artemas Holcomb,

now living in Grand Rapids, says he was one of the first "hardy guys" to own a motorcycle here. It was in 1916, and he says the streets were so bumpy that he almost dislocated his back.

Walter K. "Bill" Willman,

city manager, declares rumors that the city commission owns a salt mine are unfounded. Salt, it seems, is the most practicable material to keep icy streets under control.

In response to several inquiries, including that of

Herb. Middlesworth

of Detroit, the entrance to the Michigan State Fair when it was held out West Huron St. early in the century was at the corner of that street and Dwight St. Mr. Middlesworth writes that he sold toy balloons at the fair.

According to Executive Secretary

Edward H. Leland,

reservations for next summer's Camp Agawam of the Boy Scouts are running ahead of last year when one thousand boys enjoyed at least one week's outing.

According to Democratic County Chairman

Willis M. Brewer,

local organizations are already working in many of the townships, cities and villages to boost the party's vote next November.

Henry Price,

says his face wasn't half as red as Milo Cross' when the later introduced him to the Rotary Club as "Hank Gotham."

"Is the catgut used for violins and other stringed instruments really made from the intestines of cats?," is asked in a letter signed,

"Doesn't Seem Possible."

My encyclopedia says it usually is made from the intestines of sheep, and that half-starved sheep produce the best "catgut."

Voice of the People

Claim Bricker Amendment Won't Affect Method of Negotiating, Ratifying Treaties

(Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests, unless the letter is critical in its nature.)

The battle of the Bricker Amendment will continue to be fought in the U. S. Senate this week and a decision will be made concerning the freedom of every American regardless of party.

This amendment will not affect the present method of negotiating and ratifying treaties. Treaties will continue to be negotiated by the President and ratified with the advice and consent of two-thirds of the Senators present and voting.

This amendment will not interfere with legitimate activities of the United Nations. It will not prevent the President and the Senate from concluding a treaty otherwise valid under the Constitution on any subject whatsoever.

The Bricker Amendment is now in the process of emasculation. Wake up America! Wire your Senators!

He Says High City Taxes Won't Help Build Pontiac

Just what is the city manager with the sanction of Mayor Law and some of the city commissioners asking the voters of Pontiac to vote for, "Amend the charter and increase taxes $2.50 a thousand of assessed valuation."

They say there will not be an increase in taxes, who is trying to pull the wool over whose eyes?

There is no limit of time on this $2.50 per thousand raise. It appears our city is nearly paid off. Apparently in the opinion of some people it would be too bad not to raise the tax limit and milk the public of every dollar possible.

Yes taxpayers, go to the polls and vote. Vote to protect yourself, your children and your children's children.

High taxes will not help to build Pontiac, but rather will turn people from this city to seek residence elsewhere.

Think it over and vote. Your vote is essential, it's the right you have to protect yourself . . . use that right before it becomes too late.

Berlin Situation Looks Rather Dark, Says He

By the news we are getting from Berlin, the situation looks rather dark. Representatives of America, France and England have marched into Berlin with their chests out and heads high telling the people of the U. S. and especially West Germany of their greatness and courage.

Courage to stand up for right and justice . . . to demand Russia to comply to their terms! But, as I stated before, they depend solely on their own ability and power, leaving the higher power (God) out of it, not realizing that they were dealing with the Devil himself in Molotov.

In view of this, what can we expect? Appeasement and another Yalta or Potsdam with France and England approving?

John Hillman

Clarkston.

Lawrence Challenges Manion's Firing, Asks for Explanations From President

By DAVID LAWRENCE

WASHINGTON — Freedom of speech for government officials has been dealt another crushing blow — this time by President Eisenhower himself, who ordered Clarence Manion, chairman of the Commission on Intergovernmental Relations, dismissed without a hearing and without specifying any cause of removal.

But it was leaked in some news dispatches about three weeks ago that the White House didn't like Manion's views on the proposed Bricker amendment and was planning to "fire" him.

Only three months ago the President was telling his press conference that government employes would not be dismissed without a chance to confront their accusers and that he would not put the stigma of dismissal on anyone until there had been ample opportunity for the accused to know the charges made against him.

But Clarence Manion, former dean of the law school of Notre Dame, was given no such opportunity. He was called to the White House by Sherman Adams, presidential assistant, on Feb. 12 and told that he ought to resign.

When pressed for reasons, Adams said the matter had already been decided and there was no use going into that subject.

It was intimated that some of the members of the commission were dissatisfied and wanted the action taken, but no particulars as to the identity of these persons were given.

When Manion returned to the commission for its regular meeting on Wednesday of this week and told the members what had happened, several expressed indignation and a resolution was unanimously adopted which expressed confidence in Manion and regret that he had resigned.

Manion, who was for 25 years professor of constitutional law at Notre Dame University, was appointed last August to be chairman of the commission to study federal and state and municipal relations.

He told the President he would have to keep some speaking engagements during the term of his service. Manion's views on the Bricker amendment were well known at the time, as he was one of the originators of the movement to amend the Constitution to prevent abuse of the treaty-making power.

He has since continued to express his views, but he engaged in no other activities, such as contacting senators or making speeches on the Bricker amendment, which in any way were related to his work on the intergovernmental commission. The commission's work is largely of a legal research nature.

What makes the case of Professor Manion so deplorable is that the White House knew his viewpoint before he was appointed and knew also of his papers and addresses on legal aspects of the Constitution.

There are 25 members of the intergovernmental commission of which he was chairman, and they were selected, in accordance with an act of Congress, on a bipartisan basis. Manion was appointed as part of the Democratic party group, though he voted for Eisenhower in the last election.

It is being said that the President has a right to expect harmonious expressions and active support from members of the executive branch of the government.

But the many special commissions being appointed are temporary bodies to which are delegated specific tasks of gathering information.

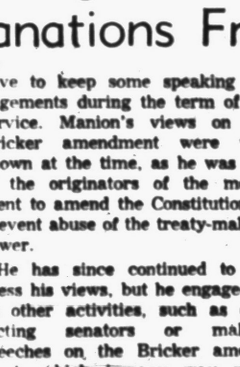

They are in no sense part of the policy-making departments of the executive branch of the government.

It will be a sorry day for the White House if every time a person accepts membership on a governmental commission he must consider himself gagged from expressing any views on all other subjects in which there is a public interest.

Eisenhower hitherto has not seemed the kind of man who would "fire" a government employe without a hearing. An explanation of all the facts would seem logical, lest many persons in both parties who agree with Manion's views begin to believe the administration's sincerity has been challenged.

Case Records of a Psychologist

Jealous Husband Started Many Needless Quarrels

Tom believed his wife was carrying the torch for a former suitor. He even thought she was two-timing him. So he browbeat her and quarreled. He finally took to whisky to drown his misery. Then his newspaper solved his problem and made his home a happy one.

By DR. GEORGE W. CRANE

Case J-377: Tom S., aged 36, has been married for 10 years.

"Dr. Crane, I suppose I should thank the Cincinnati Post for making me a better husband," he told me when I was in his city recently.

"For if it hadn't been for your column therein and some of the marriage bulletins, we'd have continued living a 'cat & dog' existence.

"I have a very charming wife and am crazy about her. But she never seemed too ardent.

"Oh, she protested that she loved me, but I felt that her diffidence in physical relations disproved her words.

"So we'd quarrel and argue and fight. In fact, I finally decided she must be carrying the torch for some former suitor, so I grew jealous.

"She denied any such thing, but I spied on her. Because I loved her so intensely, it just about tore me apart to suffer from these suspicions.

"Finally, I took to whisky to drown my worries. But that didn't help permanently.

"We had two children, and she seemed far more interested in them or so I imagined, though she protested tearfully that I was the only love of her life.

"But I couldn't reconcile that view with her relative frigidity. So we drifted dangerously near a divorce. In fact, I even consulted an attorney about the matter.

"But that very night you had a column in the Post in which you

stated that wives aren't passionate creatures, anyway, as measured by the male standard.

"And you explained why. Well, my wife called my attention to that column at once and said it explained exactly what our difficulty was. So we sent for some of the sex bulletins and our whole life has changed.

"For my false notions were demolished. And immediately a terrible load of doubt and bitterness and suspicion evaporated.

"I became far more considerate. And she began to follow your advice about feigning more ardor, too, so we are now the most happy family in Cincinnati.

"My problem may have started when I was in the teens, for I remember a traveling salesman or 'drummer' as they were called.

"He told a bunch of us fellows about the Red Light district in Chicago and about the passion of some of the female inmates of those houses of ill fame.

"And he specifically told us fellows that women were more ardent than men.

"So I entered marriage with this viewpoint. But my wife certainly wasn't even half-way ardent. So that's when I grew suspicious and fault-finding.

"If your column does no other good than to puncture some of these delusions of the past, it will have saved many marriages from divorce and thousands of children from feuding parents."

Tom's personal case is very common, though many men don't always analyze themselves as neatly as Tom has done.

False notions and misinformation have caused untold misery in American homes. Be grateful that your newspaper has demolished these wrong ideas.

Baering Down

By ARTHUR "BUGS" BAER

International News Service

Just returned from the RCA demonstration of the portable cyclotron for the super-charged home of the future.

The little fermenting monster is thimble-garaged and can use a thumbnail for a roof.

It is called the A-battery on the Greek theory that Alpha loaf is better than no vacation at all.

RCA has developed a wafer-thin transitor that translates the silicon barrage into negotiable vibrations. By pyramiding the discard of the plutonium A-stack the RCA engineers have reduced Aladdin's lamp to individual taste. You can visualize the result by fanning a moonbeam with your hat.

The A-battery is not yet commercial. Meaning a mouse in your hands is just as bad as an elephant on them.

But RCA optimizes homes will be heated, lighted and cooked by the dwarf jinn in the isotype bottle. The energy produced by the tiny power unit will be equivalent to an 80,000-ton battleship using a charm bracelet for anchor and chain.

Here's how it works out in suburban consciousness. The lady who sent over her small child to borrow a cup of sugar will send over a smaller child to borrow your kitchen.

While President Eisenhower is trying to reduce the H-grenade to cooking pursuits we can never eat mushrooms without thinking of Bikini and Yucca Flat.

Portraits

By JAMES J. METCALFE

There are those happy hours that
We treasure with a friend
But by the ticking of the clock
There has to be an end
We wish those moments could
endure
Forever and a day
Instead of melting into dreams
When time has slipped away
And yet there are the memories
That somehow never die
And constantly we cherish them
Although they make us sigh
And always we are hoping for
Another chance to meet
With conversation and a toast
And something good to eat
There is no better way to use
The leisure time we spend
Than just to share our pleasant
thoughts
With some beloved friend.

THOUGHTS FOR TODAY

And in all matters of wisdom and understanding, that the king enquired of them, he found them ten times better than all the magicians and astrologers that were in all his realm. — Daniel 1:20.

* * *

For knowledge to become wisdom, and for the soul to grow, the soul must be rooted in God: and it is through prayer that there comes to us that which is the strength of our strength, and the virtue of our virtue, the Holy Spirit.—Mountford.

Brave Correspondent Tells Dr. Brady He's Too 'Cute,' Too Vague, Too Critical

By WILIAM BRADY, M.D.

It may not augur anything, but the first 1954 letter was from a lady who says she is a "home economics trained person" and has done a good deal of teaching and given lecture courses in nutrition.

She has no objections to the nutritional theories I propound, indeed she embraces all of them, but still she considers my column one of the worst.

Come, come, now, that sounds like something the old sourpuss himself might say.

A little of my "cuteness" might be endurable but I overdo it.

I am always knocking something or somebody, and I seldom constructively recommend anything or say anything in praise of what I obliquely call "real doctors."

Too often I say "don't."

Just as often, perhaps, I say "do"—but I fail to tell readers just how to do it.

For example, I am constantly harping on the iodin ration but, the lady says, it took years of reading my column to learn just how to get it. The same criticism applies to my teachings about vitamin B.

In reply we beg to state ouch, ouch. OUCH! The criticism is sound and probably deserved.

It is not so easy to tell readers how to do it, when we are talking about the iodin ration—the way to get the amount of iodin every man, woman or child needs daily to maintain good nutrition and good health.

There are at least half a dozen different liquid preparations of iodin (iodine old spelling) and more than a dozen different tablets of iodin or iodide.

Then, too, since I began urging every one to get his iodin, the strength and even the name of the official (U. S. P.) liquid preparations of iodin have been change two or three times.

If [illegible] you are embarrassed when you go to the drugstore to get your iodin and the clerk questions you suspiciously about your intentions and just what strength or kind of iodin you want.

I'd hesitate to try it myself without first consulting the last decennial revision of the U. S. Pharmacopoeia.

Queries indicate that some people take medicinal doses of iodin or iodides under the misapprehension that I advise it.

On the contrary, I advise you not to take iodin or iodides medicinally unless under your physician's direction.

In the pamphlet The Iodin Ration, available on request if you provide stamped, self-addressed envelope, I explain that I recommend for men, women and children, only the amount of iodin which nutrition authorities consider essential to prevent manifestations of iodin deficiency and promote vite.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. Brady if a stamped, self addressed envelope is enclosed, etc.

(Copyright, 1954)

Teacher Eyes Pay Check, Quits to Go to Gas Station

By LAURA Z. HOBSON

TRENTON, N. J. (INS)—Blackboard or gas pump — kids or cars — bills paid or unpaid. For a long harrowing time, those alternatives faced two young men who taught in the public school system of New Jersey.

"I didn't get a real night's sleep," one of them just told me, "for over two months, trying to make up my mind."

He's Edward M. Hough, 28, and the other is his friend, Walter Almond, 30. Each is married, each father of three children, each a lieutenant in the Naval Reserve.

Now both are devoting their talents to a Trenton filling station, where Hough is manager and Almond his assistant.

"It was a terrible decision to make," Hough said. "I'd planned to spend my life teaching — outside of being a parent, I think being a teacher is the biggest privilege there is."

A graduate of Rutgers, with a master's degree in education, he did teach for five years. Starting at less than $60 a week, he had inched up to $74 and knew that a $3-a-week increase per year of teaching was all he could look forward to.

As his family and expenses grew, he took on all sorts of spare time jobs, as a "gas pump jockey," a referee at football and baseball games, and — ironical touch — as a part-time bill collector.

"My own bills kept 10 jumps ahead of me," he said. "It got so I could never pay an insurance premium until the 'final notice' stared me in the eye. And with no free time at home, my kids hardly ever had a father around."

Being public-spirited, Hough is also vice president of the Junior Chamber of Commerce in Trenton and president of the Levittown Civic Association; it was an acquaintance in one of these groups who came up with the gas station idea — on a lease arrangement, and a starting guarantee of $100 a week.

"It's not just the immediate difference," Hough said. "The point is that in business you can build for the future; in the schools, you're old and your children grown before you even hit the maximum."

I asked him what changes he'd make, apart from building new schools, to improve our standards of education.

"Teachers ought to start in at around $3,000 and get to $6,500 or $7,000 in five or six years," he said. "Then more young people of ability would go into teaching instead of other fields."

He doesn't think the states can add to the current tax burdens of its citizens — not enough to achieve real raises in teachers' pay. He does believe that federal aid should supplement state funds to "equalize education" all over the U. S.

He wasn't criticizing the board of education in his state or in any state, he pointed out. "Their hands are tied. It's public apathy that keeps things the way they are."

I discovered that he likes Wagner and Tchaikowsky, and good books. I asked him if he missed teaching.

"You know I do. Those fifth graders get to mean a lot to you. But it also means a lot to start saving so your own kids can go to college some day."

It's too bad, I thought, that a young man who cares so deeply about America's school system is no longer a part of it.

It's a pity that instead of hearing schoolroom questions about history and reading, Edward Hough, with his master's degree in education, now spends his days hearing, "Fill 'er up, Mac, and check the oil."

Pay $10-$50 Per Plate but No Honor Guest

MINNEAPOLIS, Minn. (INS) — Some 1,600 Minnesota Democrats paid from $10 to $50 for steak at a fund-raising dinner last night but failed to see the main speaker and a guest of honor.

Sen. Wayne Morse (Ind-Ore) the main speaker, and guest of honor Sen. Hubert H. Humphrey (D-Minn), were kept in Washington by congressional activity and addressed the crowd by telephone.

Costa Rica Refusing to Attend Conference

SAN JOSE, Costa Rica (INS)—Costa Rica announced today its refusal to attend the Inter-American Conference openings March 1 in Caracas, Venezuela.

Costa Rica, which apparently will be the only member not to attend, stated the country's position in a letter sent to the secretary-general of the organization of American states.

The letter said that Costa Rica respects the rights of other nations to attend and announced that the country "adheres beforehand with any resolutions taken at the conference tending to strengthen American solidarity and the defense of the Western world."

However, the note said that Costa Rica could not attend the meeting in Caracas unless "there is a change in the prevailing conditions," an apparent slap at what Costa Rica considers the undemocratic nature of the Venezuelan government.

In view of Guatemala's recently announced readiness to attend the conference, Costa Rica looms as the only absentee.

Monkey Flees Hospital, Pays Neighborly Visit

PITTSBURGH (AP)—Mrs. Geneva Giles who lives near Municipal Hospital, heard a noise at the door yesterday. She opened it and a monkey came in.

It took more than an hour for two officers to corner the monkey, which had escaped from the hospital research laboratory.

Bob Considine Says:

Friars Will Honor Jessel at Waldorf Dinner Sunday

NEW YORK (INS)—The Friars will give their annual benefit dinner at the Waldorf Sunday evening, [illegible] honor of George Jessel. We stress the "in honor of." George doesn't need a benefit. All proceeds in this one will go to the heart fund and the Friars sick and relief fund.

The talent is, let us say, somewhat unusual. Jack Benny will be toastmaster, and the speakers or singers or both will include Fred Allen, Milton Berle, Eddie Cantor, Tony Martin, Danny Kaye, Helen Hayes, Oscar Hammerstein, Mayor Wagner, Eric Johnston, Gen. David Sarnoff, and a man who might very well be president one of these days, Democratic Sen. Stuart Symington of Missouri.

Jessel has done so much for charity through his incredible 45 years on Broadway that it's high time he was made to be the guest of honor; in fact it is high time he was forced to listen to some other toastmaster except himself.

Conservatively, three generations of potentially great toastmasters were reared in this land, grew gray and hoarse, and conked off—waiting to get on George, the master, prevailed.

Toastmastering is an art often obscenely debased through this land. It calls for something more than a memory for the names of those to be introduced. The toastmaster has entrusted to his hands, often unwisely, power over the life and death of a banquet. And, banquets becoming what they are, and what they cost, and what they involve, that means life and death over a considerable business enterprise.

Jessel has breathed life into scores and scores of banquets which otherwise might have died before the waiters came in bouncing the first bit of rubber chicken. He works hard. The easy graciousness, the first class wit, the taste and flair that he Jimmy Walker, had to be self-taught.

Eddie Cantor once wrote of him: "He has had no formal education. As a matter of fact, he left grammar school in the fourth grade. He has picked up his education on trains and in waiting rooms. He has a wonderful choice of words and he knows how to put them together."

Cantor also wrote, wistfully: "If you think he's good on the dias before a microphone, catch him at a funeral. Really out of this world. He has a file on many of his close friends and important people in show business. In case of a quick demise, before Georgie has finished saying, "Gee, that's too bad," he's at his file, getting ready for the eulogy.

Jessel has a deeply religious strain in him, and is a serious collector of religious literature. He was raised in a profession which dropped its racial discrimination bars quicker than perhaps any other in this country, and is a true representative of that enlightened field.

Discussing a moving picture contract once with Lena Horne, the great Negro club singer, Jessel noticed it was past dinner time. He invited her to dine with him at a plushy east side restaurant. But at the door the headwaiter stopped them.

"Who made the reservation for you?" he asked when Jessel insisted.

"Abraham Lincoln," George replied, brushing the man aside.

Atom Scientist Sees Use in Five Years

LONDON (INS) — Dr. Karl Compton, one of America's top-ranking atomic scientists, predicted today the application of atomic energy to industrial uses in the United States — at least on an experimental basis — within five years.

He added he would be "very much surprised" if he were proved wrong.

The chairman of Massachusetts Institute of Technology Corporation came to Britain at the invitation of the parliamentary and scientific committee to visit a number of technical colleges. Among places he has visited are the British atomic center at Harwell, where he talked with Sir Cockcroft, director of the center.

Cowpoke Files Damage Claim Against Artist

CINCINNATI (AP)—Kenneth Hoober says the painting is a good likeness of his horse, but poor of himself.

So poor he filed suit yesterday asking $5,250 damages from the artist and a company which circulated the picture, because it subjected him "to humiliation and ridicule."

The defendants are Jackson Grey Storey, the artist, and the Ralston Purina Co. of St. Louis.

Hoober, a cowboy horse trainer, said he agreed to allow use of the picture on the cover of a cattleman's magazine, but Storey later sold it to Ralston Purina, which circulated it.

Storey named the painting "The Cowman's Faith."

Witness Snags Case, Marries Defendant

LOS ANGELES (AP)—The prosecution's chief witness has married the defendant, presenting a special problem for the district attorney's office in the trial of a former county employe.

The case opened yesterday with selection of a jury to try Joseph M. Fowzer, 29, on charges of forgery and grand theft. Fowzer is now wed to the former Corrine Clazebal, 25, in whose bank account a $760 warrant, allegedly forged, was deposited. Fowzer worked for a county collection bureau.

A wife cannot testify agaist her husband.

Man Gets Job Bathing Birds With Gooey Feet

SPRINGFIELD, Ohio (AP) — Dick Patton, 24, is paid to bathe birds' feet on a busy downtown Springfield street corner at night.

The company for which he works smears a gooey substance on building ledges to discourage birds from roosting. The birds become entangled in the goo and fall to the sidewalk. Patton's job is to capture them, wash the goo from their feet and send them on their way.

In four hours last night he attended about a dozen birds. He said it takes about five munutes to spruce up a sparrow or starling. Pigeons take longer.

Hal Boyle Says:

Mary Pickford's Vitality Attributed to Goat's Milk

NEW YORK (AP)—"Sure, the Irish drank goat's milk," said Mary Pickford. "That's how I have my vitality—because my ancestors drank goat's milk."

At 60, "America's sweetheart" of yesterday still retains the simple charm that once made her the movie favorite of millions.

"I'm the busiest woman in Beverly Hills—or any other hill," she said, smiling, as we sat in the living room of her hotel suite.

* * *

"I have a big house to look after, and my husband, Buddy Rogers, and my business interests—and the children, Ronnie and Roxie.

Mary also is active in half a dozen philanthropic and charitable enterprises. She recently completed her memoirs for McCall's magazine, and said she would like—after 20 years away from the screen—to return in one last film.

"It would be the story of my mother's life," she said, "and end on that day in 1909 when I walked into the old Biograph studio and got my first movie job."

* * *

Mary rose from $40 to $10,000 a week in a few years, and piled up millions later producing her own films. This girl with the haunting face of a golden angel also had a cashbox mind.

"But I dislike business heartily," she said. "A lot of career women may not agree with me, but I don't think business is a woman's world."

Her long Cinderella story has had many bittersweet hours. Mary said she had enjoyed so many happy moments she didn't know which to name first.

* * *

"But there is no doubt about my most miserable moment," she said. "It was the moment my mother passed on in 1928."

Here is Mary Pickford looking back at her life—a reverie aloud:

"The greatest picture ever made? My choice would be 'Gone with The Wind.' Of my own pictures, I suppose I still like 'Tess of the Storm Country' best. I made it twice—in 1914 and 1922.

The greatest geniuses of the motion picture have been Charlie Chaplin and Walt Disney."

"I made 50-odd feature pictures. . . . We do look ridiculous in them today. . . . And sometimes I feel like destroying my old films. . . . Those awful clothes we used to wear. . . .

* * *

"They can't compare with the pictures now, of course. . . . But silent pictures did speak a universal language. . . . I think we go in for too many sound effects now.

"You know, in all of us are two people. . . . I've always been unpredictable, even to myself. . . . Nothing really pleases me that I do. . . . My real fear is to be left alone in the world. . . . Most of my people have passed on. . . . Most elderly people are passed by. . . . That frighten me. . . .

"But when the Lord loves you, he gives you an insight . . . an understanding."

And Mary, whose golden curls are only a memory, looked up with her sweetheart smile of long ago.

Father's Dream Ends Shattered After Five Days

CAMDEN, N.J. (AP)—A five-day dream that his soldier son might still be alive was ended today for Walter Tartar, 64-year-old shipyard worker.

Tartar conceded eary this morning as he went to bed that he had been a victim of a vicious hoax. He had received a telegram last Saturday with the words "Hello Pop. Will be home on Thursday. Dick." It was sent from New York city.

His son, Pvt. Richard Tartar, 21, was reported by the Army to have been killed in action in Korea 11 months ago. A sealed coffin and his personal papers arrived here last summer.

With only a father's hope, Tartar waited up past midnight before sadly shaking his head and telling a group of reporters and photographers who kept the vigil with him:

"I won't be satisfied until the one who did it goes to jail."

Don't Blame the Butcher

NEW HAVEN, Conn. (AP) — A superior court judge has ruled that a butcher can't be held responsible if a customer gets trichinosis from improperly cooked pork.

New Bootlegger Quits After His 1st Pint Sale

COLUMBIA, S. C. (AP) — State Circuit Judge E. H. Henderson gave a confessed bootlegger first offender choice of six months or $100 after exacting a promise from the man that he would mend his ways.

"I'm through," the prisoner assured Henderson. "That was the first and only pint I ever sold, and darned if that wasn't to a deputy sheriff."

Name Is Real Mouthful

HONOLULU (UP)—Hawaii's 1953 "Aloha Week" queen is Mrs. Mary Ann Nawahineokawaiolanionakiheiha Hutchinson. The English translation of Mrs. Hutchinson's middle name is "The Lady of the Waters of the Four Corners of Heaven." She was named after her paternal grandmother.

May Surpass Earth

Astronomer Believes Life Exists on Other Planets

NEW YORK (AP)—We are not alone in the universe, for there are probably 100 million other planets suitable for high forms of life, says a famous Harvard astronomer, Dr. Harlow Shapley.

The life on some of them may surpass our own, with beings superior to humans, he writes in a new book, "Climatic Change," published today (Harvard University Press, $6).

• • •

Dr. Shapley is cautious when it comes to estimating just how many planets may support life. He figures it this way:

Suppose only one star or sun in a million has any planets at all. And suppose only one in a thousand of those families of planets has the conditions "suitable for the life experiment." That means a near-circular orbit, proper distance from a warmth-giving star, proper mass, atmosphere, and rotation period for night and day.

That would mean only one life-bearing planet for every billion stars.

• • •

Still being skeptical, suppose that life went on to higher forms on only one of every thousand of these planets. On the others, something could have happened to end life.

That still leaves 100 million planets as life-theaters because there are so many thousands of billions of stars in the universe. Our Milky Way alone, to which we belong, has 100 billion stars, and there are billions of Milky Ways or galaxies.

These millions of planets "indicate that the life phenomenon is widespread and of cosmic significance. We are not alone. And we should admit, of course, that the animal, vegetable or other organisms on other happier planets may have far surpassed the terrestrial forms. There is no reason whatever to presume that Homo Sapiens (man), Apis Mellifera (honeybees) and Corvus Americanus (ravens or crows) are the best that biochemistry and star shine can do."

• • •

No earth-sized planets have yet been detected around other stars, because the stars are too bright, and the planets too small in gravitational mass to affect the motions of their stars by present measuring methods.

But there's evidence of a huge planet for a nearby star, named 61, Cygni, a star which can be seen with the naked eye.

Dr. Shapley says Mars is the only other planet in our sun's family which might have life of some kind.

• • •

Dr. Shapley is editor of, and writes the introduction for, the book giving views of more than 20 different scientific specialists on the causes of great climatic changes on earth, and the effects upon life.

Slight variations in the sun's heat and radiations are one main possibility of changes which produced ice ages and warm periods. Others are dust from volcanoes and the rising of continents and mountains re - directing air currents.

Do They Need It?

CHARLOTTE, N. C. (AP) — The youngsters' clothing section of a department store here startled parents with a neatly-lettered sign; "Suggestive Gifts for Boys."

Movie House Performer Gets Caught in the Act

PEORIA, Ariz. (AP)—For weeks an unscheduled performer roamed the Peoria Theater. Left-over popcorn mysteriously was gone when janitors went to clean.

Then, one day, the wild ringtailed cat decided to come out into the open and was captured.

Mardi Gras Dance Set for Tonight at St. Frederick High

King and Queen to Be Crowned

Floor Show, Fortune Teller Among Features of Gala Affair

Preparations for the gala Mardi Gras Dance were completed with the election of the king and queen who will reign at the festivities tonight at St. Frederick High School.

After counting approximately 20,000 ballots the results were king, Earl Lowen (sophomore) and queen, Marilyn Ashby (junior).

The court is composed of the winners of each home room. Seniors have elected Joan McHugh and Gary Crake, juniors named Mark Peck and Marlene Green, who with Jean McHugh will take charge of the court robes.

Michael Kopsick and Shirley Biskner will represent Room 303, and the sophomores have named James Duren and Maureen McCarthy.

The freshmen members are John Bradley, Marjorie McHugh, Patrick Stinson and Margaret Ann Brake.

Reigning as master of ceremonies will be Ross Moody a junior classmen.

A procession composed of the monarchs and their court will highlight the dance program tonight. Howard Clark's band will provide the proper regal setting.

"Operation Pirate" will be complete when all attending have been "held up" by David Dumas and Alice Rivera. The booty will be checked in the "Treasure Trove."

Behind a stone wishing well (built by Ken Atwood and Harold Hudson) Juanita Villa, as the gypsy, will conduct "Operation Horoscope." Hawker will be Richard Denihan with "futures" prepared by Barbara Johnson and Jane Hoffman.

On the refreshment committee is Elizabeth Powe and Mary Barnett.

Gay posters were created by Henry Landry, Gail Dean and Barbara Johnson.

Heading the decorations committee is Gerry Bradley and Elinor Schutt.

Dan Wagner transported boxes of novelties and furniture for the dance and handling the countless tickets were Joan McMahon and John Janczarek.

The chaperones for the important affair will be Mr. and Mrs. Roy Crawford, Mr. and Mrs. T. J. Powe, Mr. and Mrs. Wayland Russell, Mr. and Mrs. Sam Hoffman, the Charles Talbots and the Albert Connors.

"Four Star Extra" is the name of the floor show which will begin at approximately 10 p. m.

PHS Linnean Society Visits Museum in Hills

Members of the PHS Linnean Society under the direction of John Youngpeter visited the Cranbrook Museum of Science Saturday.

Viewing exhibits of Michigan plants and minerals were Dick Cotterman, Pati Govenis, Bruce Serwin, Bill Hampton and Gene Cretal.

Lyman Treadway and Mary Kennedy also attended.

Sweeps Way Out of Jail

RALEIGH, N. C. (AP)—One prisoner swept himself out of jail. A trusty, was told to sweep the courthouse. He kept sweeping until he disappeared.

MARDI GRAS ROYALTY—A highlight of St. Frederick High School's "Mardi Gras Dance" tonight will be the formal crowning of the king and queen. In preparation for the gala festivities, four eager students rehearse the ceremony with Richard Denihan (standing) of 160 Judson St., placing the crown on King Earl Lowen who resides at 1863 Parkdale Ave. Juanita Villa (standing) whose home is at 222 Franklin Rd., smiles in anticipation as Queen Marilyn Ashby of 212 Squirrel Rd., Auburn Heights, views the proceeding with royal dignity.

Supper on Thursday

A potluck supper was held Thursday evening at Pontiac High School for approximately 30 members of the Future Teachers Club and their special guests.

Club pins were awarded at the affair.

An informal initiation was also discussed by the group whose adviser is Mrs. Ann Morrow.

Mardi Gras Spirit Rules at St. Fred; St. Mike Celebrates Play; PHS Votes

A gay, festive season preceding Lent and Easter highlighted the St. Frederick High schedule as students awaited the Mardi Gras Dance tonight.

All other affairs at the high school took a back seat, but at St. Mike's sewing classes turned to spring and new wardrobes while seniors celebrated the success of their play "No More Homework."

As usual clubs took a goodly share of the spotlight at PHS, but the important news in the old brick teepee was elections again.

Student Council chiefs chose their officers as did the honorary journalistic society, Quill and Scroll.

* * *

ST. MICHAEL

While sewing classes looked to spring fashions, Margaret Martin reports that jubilant seniors gathered at the homes of Sue O'Neil, Colleen Niedjelski and Annabelle Vavarek for a round of parties.

Main reason for festivities was the smashing success of the recent senior production, "No More Homework."

MARGARET

Not to be outdone, sophs got together at the residence of Janet Baily for a surprise party to celebrate Carole Vantivelt's birthday.

Parties, parties, parties was the theme this week as Michaelites also gathered at the home of Mary Lee Tunny to observe Janet English's 15th birthday.

* * *

PONTIAC HIGH

Vicky Micu, school scribe, states that along with the naming of officers in several organizations, the spring term got under way with the ordering of countless club pins.

Class rings and pins were also ordered this week, as tribesmen posed for the Quiver, school yearbook.

VICKY

At swords point were the members of the PHS boys fencing team who met and conquered the Lapeer squad here. The girl fencers, however, lost their match, but are anticipating a return bout Tuesday in Lapeer.

Council Is Headed by Zack Athanas

Elections began semester activities at PHS as the all-important Student Council officers were named at a recent meeting.

The new council president is Zack Athanas with Bob Johnston assisting him as vice president.

Secretary is Karen Hoff and treasurer is Lee Williams.

The new sergeant-at-arms is Marvin Caswell.

Cub Scout Philosopher

HARTFORD, Conn. (UP)—When William Hemmerly was giving a talk to his Cub Scouts on the role parents play in shaping the lives of children, one of the youngsters interrupted with: "The only trouble with kids is grown-ups."

Additional High School News, Page 20.

Y-Teeners, eagerly planning their hayride to be held in the near future, were also busy with Penny Parade details.

The penny drive is in commemoration of the YWCA's 100th birthday. The goal is to have girls from all over the world save a penny a day for a year. The pennies will be collected at the end of each month.

Frantic typewriter-tappers (otherwise known as members of the Tomahawk staff) took time to order their club pins this week.

* * *

ST. FREDERICK

Although Mardi Gras overshadowed everything else, Mary Drake reported that a few other things also took up students' time this week.

Senior English classes continued their speech group offerings ranging from the "Bricker Amendment" to the "Friendly Atoms."

Besides serving as an aid to attaining poise and comfort before a group, the project is designed as preparation for students who who will appear on "Junior Town Meeting" this spring.

MARY

Sewing classes at St. Fred were kept busy replenishing their closets for the warm weather that appears to be just around the corner.

Donna Ritter represented St. Frederick School at a literary workshop held at Marygrove College Feb. 13. The event was sponsored by the National Federation of Catholic College Students.

48 Girls Strive to Bake Nation's Best Cherry Pie

CHICAGO (AP)—Forty-eight young ladies put on caps and aprons in a hotel ballroom today and went to work.

The occasion was the final round of the 22nd annual cherry pie baking contest.

Each of the girls was listed as the champion of her home state.

The winner of the final bake-down will be saluted as the national cherry pie baking champion. She will fly to Washington and present her prize pie to Mrs. Patricia Nixon, wife of the vice president, on Monday, which is George Washington's birthday anniversary.

The sponsor is the National Red Cherry Institute.

The contestants range in age from 14 to 21.

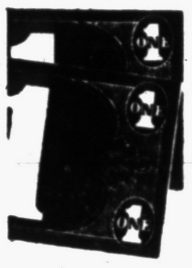

The winner is expected to be announced about 2:30 p.m. EST.

As much as 10 pounds of commercial starch are produced from processing a pound of sweet potatoes.

President Told: Be Kind to Dems

California's Gov. Knight Praises Ike's Attitude Toward Opposition

PALM SPRINGS, Calif. (AP)—The political advice President Eisenhower gets from Gov. Goodwin J. Knight of California is this: if you want to defeat the Democrats at the polls, be kind to them.

The Republican governor visited with Eisenhower for half an hour yesterday at the President's vacation retreat here. And Knight said to newsmen after the session.

"I told the President his recent announcement that the best kind of Republicanism is to avoid bitter condemnation of Democrats is very popular in California, because that is the way we have been beating the New Deal here for 20 years."

• • •

Knight was alluding to Eisenhower's statement Feb. 10 that he is against extreme political partisanship.

Knight visited Eisenhower with California Republican National Committeeman Ronald Button, who told reporters the President and his program rate high with Californians. Button said he gave Eisenhower a report to that effect based on a cross-section study of sentiment in the state, a study which he declared included the views of Democrats and Republicans alike.

The President and Mrs. Eisenhower arrived here Wednesday evening for a five-day vacation at the Smoke Tree Ranch home of Paul H. Helms, Los Angeles bakery executive. Aides to Eisenhower indicated, however, that he is enjoying himself so much his stay may be extended beyond Monday.

• • •

The President tentatively scheduled a round of golf today at the popular Thunderbird course after shooting a reported 87 for 18 holes at the exclusive Tamarisk Country Club yesterday.

Newsmen heard that Ben Hogan, one of golf's topnotchers and Tamarisk's pro, fired a 4 under par 68 as Eisenhower's partner. They teamed up against Helms and Paul G. Hoffman, board chairman of the Studebaker Corp. who, with Helms, is co-host to the Eisenhowers on this vacation.

Student Foresters Learn to Put Theory to Work

FORT COLLINS, Colo. (AP)—A forest fire near 9,000-foot Pennock Pass gave Colorado A&M forestry students a chance to put to use their classroom studies yesterday.

The blaze destroyed about 40 acres of scrub timber. It was under control by night.

The students were preparing for their annual Foresters' Day observance, starting today, when called to fight the fire.

Marilyn Ends Korean Tour, Returns to Joe

TAEGU, Korea (AP) — "I never felt like a movie star before — really in my heart—before I came to Korea," Marilyn Monroe declared today as the troops' favorite pinup neared the end of a hectic four-day personal appearance tour.

The blonde actress, ending three days of front-line singing for tens of thousands of soldiers, called her visit "the high point of everything."

She made her final Korean stage appearance at this southern base. Then she was to fly back to Japan, where husband Joe DiMaggio is waiting to resume their honeymoon.

Military officials said Marilyn sang for upwards of 100,000 men at nine major shows and a series of brief appearances. Some shows drew more than 13,000.

DiMaggio and his bride are scheduled to leave Japan for the United States Tuesday.

Americans Spend More Than French for Books

PARIS (AP) — The French are supposedly an intellectual people but spend only 14 cents a year for books, compared to an average $7 spent by Americans.

This figure is given by the trade publication "L'Echo de la presse et de la Publicite," which blames the book trade crisis on "the radio, movies, television and sports."

Expedition to Scale Fourth Highest Peak

BERKLEY, Calif. (AP)—An expedition made up mainly of young scientists left here last night to begin an attempt to scale the world's fourth highest mountain, Makalu, in the Himalayas near Mt. Everest.

The nine members of the party left for Tokyo aboard a plane from Travis Air Force Base. From there they will fly to Calcutta, then go by rail to a little town in India near the border of Nepal, an independent state. Makalu, never before climbed, is on the boundary line between Nepal and Soviet-dominated Tibet.

Scientific information, on what happens to humans under the stresses of extreme cold, high altitude and danger will be the main object of the expedition, although its mountain-climbing experts hope to scale the 27,790-foot peak. The attempt will probably be made in May.

The expedition has the backing of the Air Force, the Navy, the California Academy of Sciences, the Sierra Club and the American Alpine Club.

Leader of the party is William Siri, University of California medical physicist.

A fairly weak solution of cocaine can suppress pain or sensations of touch, but sensations of heat and cold can be suppressed only by much stronger solutions.

The earliest railway coaches for passenger were the same type of vehicle used as road coaches when the first railways were built.

The city of Carthage was founded by the Phoenicians around 813 B.C. and was first destroyed by the Romans in 146 B.C.

Meet Thursday at Various Pontiac Schools

PTAs Mark Founders' Day and Hear Speakers

Guest speakers dominated many PTA programs for Thursday while special programs and a panel discussion were chosen by other schools.

Wisner

Robert Lusk of Wayne University spoke on "Teacher Recruitment" when he appeared as guest speaker for Wisner School's PTA meeting.

The teacher problem is one of growth, size and facilities which far exceeds the potential of our buildings and number of teachers in training, the speaker said.

As a solution, many communities have begun to plan and work for better schools, more teachers and more adequate facilities, he reported. Mr. Lusk pointed out that funds are one of the major answers to the problem and citizens are the key to the ultimate result of better education.

Mrs. Donald North, president of the Pontiac PTA Council, spoke in observance of Founders' Day, the 57th birthday of PTA. Dressed in 1920 fashions and dancing the Charleston, "The Seven Sireenes" did some fancy stepping in flapper style.

Hawthorne

J. Cecil Cox pointed out that the state has a financial responsibility to the schools when he spoke before members of the Hawthorne School PTA. He explained the need of additional classrooms and what the Board of Education is planning.

A short skit to celebrate Founders' Day was given by three past presidents, Mrs. Floyd Harp, Mrs. John Emerson and Mrs. William Wright. Mrs. Robert Grant served as Founders' Day chairman.

Emerson

What goes into the presentation of a play and what boys and girls can do to develop personality were brought out by Mary Parrish of the Speech Department of Pontiac High School when she spoke for Emerson PTA's Founders' Day.

Miss Parrish brought three students from her high school classes with her to present small parts from their new play which will be given soon.

The theme for the evening meeting was a history of the school and Mrs. Randolph Nelson, fourth president of the PTA, gave the history, stating that the first PTA was formed in 1930 with Mrs. Thomas Smith as president.

Past presidents were given corsages and introduced to the group. Also receiving a corsage was Mrs. Charles Wait, school principal.

Mrs. Harold Potter, Americanism chairman for VFW Auxiliary 1370, presented a Flag to the school in behalf of the organization.

Charles Chapman directed the Mothersingers of Pontiac in a group of songs. They were accompanied by Raymond Ebey.

Central

Students of various schools participated in the panel discussion at the Central School PTA meeting.

Television, comic books, improvement of schools, and the PTA were topics discussed by Gene Bailey, Bonnie Duncan, Glenda Greenfield and Ronald Russell, all of Central School; Larry Chambers and Susan Coleman from Longfellow School; Kenneth Shaw and Barbara Strang of Webster School and Ruth Bell and A. J. Lowe from Wisner School. Mrs. Stuart Galbraith moderated the discussion.

Most of the panel members agreed the schools need improved athletic equipment. Some wanted more buildings and teachers, more field trips, more educational equipment and more student participation.

Mrs. Leon Putman reminded the group that Dr. John Sullivan from Wayne University will speak March 18 at the PTA meeting. Mrs. Charles Cluckey and Mrs. Junior Horrall poured at the refreshment table.

Crofoot

Dr. Peter Donchian of Wayne University spoke on learning processes in children for Crofoot School PTA. Sixth grade children entertained with songs.

Participating in the program were Cornelia Riggs, Susan Smith, Christine LaLonde, Pamela Morris and Linda LaLonde. Mrs. David Ewalt announced Mrs. Claire Hinckley, Margaret Scott and Mrs. Wade Griffith as winners of the membership contest.

Mrs. Russell Hickson and Mrs. George Widdifield presided at the silver service for the dessert tea.

A. ANNE BYRNE

Mr. and Mrs. Thomas Byrne of South Shirley avenue are announcing the engagement of their daughter, A. Anne, to Arthur Fink. He is the son of Mr. and Mrs. Carlton Fink of Bellevue street. The couple is planning a summer wedding.

Fireplace Tool Has 3-Way Purpose

People with fireplaces may be interested in a new tool that's supposed to do the job of the conventional tongs, poker and shovels. It's said to be the only all-purpose fireplace tool being sold, and is a long black iron pole with a curved scoop end.

This "unitool" comes in two sizes, 36 or 48 inches, for $13 or $15. It's available with brass or aluminum handle, and is good-looking enough to have won a 1953 Good Design award.

Cohostesses Entertain on Thursday

California Journey Ends for Thomson Family

Mrs. Leonard Grinnell of Lake Angelus and Mrs. Howard Hite of Waddington road, Birmingham, gave a luncheon Thursday for the American Cancer Association. The luncheon was held at Mrs. Hite's home.

Guests were Mrs. George Limp, Mrs. A. U. Axelson, Mrs. E. F. Rickleman, Mrs. Carl Carlson, Mrs. Melvin Shaw, Mrs. William Todd, Mrs. Frank Trippensee and Mrs. Clarence Butler.

Mrs. William Donithorne and Mrs. George Danz were others attending.

• • •

Mrs. Jack Rothberg of Lake Angelus recently returned from a stay at Hotel Martinique, Miami Beach, Fla.

• • •

Mrs. James Thomson of Motorway drive, with her daughter, Margaret, and her father-in-law, Thomas Thomson, is returning today from a three-week trip to California and Minneapolis.

• • •

Visiting for a few days in Pontiac were the Paul O. Harders of East Lansing and their daughter, Kristen. They left Thursday after being guests of Mrs. Harder's parents, the Collis A. Scotts of Franklin boulevard.

• • •

Mrs. Noyce W. Strait is entertaining friends for luncheon and bridge this afternoon at her home on Cherokee road.

• • •

Mr. and Mrs. Jay L. Wilson of East South boulevard are announcing the birth of a daughter, Kathleen Janice, Feb. 15 in St. Joseph Mercy Hospital.

• • •

Mr. and Mrs. George Fraser of West End avenue are announcing the birth of a son, John Alexander, Feb. 14.

The baby's grandparents are Mrs. K. E. Pascoe, Mr. and Mrs. J. A. Fraser and Dr. R. M. Harmer, all of Detroit.

• • •

Mr. and Mrs. Robert Gibson of Munising are announcing the birth of a son, Patrick Jude, at St. Joseph Mercy Hospital Feb. 15. Mrs. Gibson, who has been visiting her parents, the Michael Lynches of Orchard Lake avenue, with her son, Kevin, and her daughter, Kathy, will rejoin Mr. Gibson next month in Munising, where he is stationed with the Coast Guard.

All Saints Guild 10 Sponsors Dinner

The Rev. and Mrs. C. George Widdifield and his family, Mrs. Pauline Sayles, Mrs. Mable Wilson and Mrs. Gertrude Cook were guests for dinner Tuesday when Guild 10, All Saints Episcopal Church, met in Stevens Hall.

Mrs. Cyril Strang gave devotions, and members of the guild agreed to attend a corporate Communion at the church Sunday.

On the dinner committee were Mrs. Don Harrison, and Ida and Elizabeth St. Bernard. Table decorations were based on a George Washington theme.

Elected Chaplain

Mrs. Robert D'Armond, past department president of American Gold Star Mothers, Inc., was elected chaplain at the 19th Michigan Women's National Security Conference in Detroit Thursday. Also attending the conference were Mrs. Sybella Stevens and Mrs. Joe Doyle.

Mr. and Mrs. Paul N. Averill of Birmingham announce the engagement of their daughter, Barbara Ann, to Henry Michael Hogan Jr. He is the son of Henry M. Hogan of Birmingham and the late Mrs. Hogan. Barbara is a junior at the University of Connecticut and he is a senior at Holy Cross.

BARBARA ANN AVERILL

Past Presidents Conduct Election

Mrs. Malcolm Scantland was elected president to fill a vacancy for MOMS of America Past Presidents Club of Zone Eight when the group met Thursday evening with Mrs. Frank Polasek on Mill street.

Other officers elected were Mrs. Felix Mayo, vice president, and Mrs. Polasek, treasurer.

The meeting was opened with prayer by Mrs. L. R. Naugle. Plans were made for a money-making project. Mrs. Arthur Burgess of Baldwin avenue will be hostess for the next meeting.

Mrs. Paul Krugman Hostess to Circle

Mrs. Clifford Hand gave devotions based on Lent and spring Wednesday before members of Esther Circle, Oakland Park Methodist Church. She read from the Scripture and closed with the reading of a poem and a prayer.

Mrs. Paul Krugman of Montcalm avenue was hostess for the meeting. Valentine gifts were exchanged, and the hostess served a dessert luncheon. Mrs. Phil Carter will be hostess for the next meeting. Mrs. Charles Baynes read a poem entitled "Let's Resolve."

CAROL STONE

Mr. and Mrs. John Stone of Lindsay road announce the engagement of their daughter, Carol, and Richard W. Hubble, son of Mrs. Wilfred Birrell of Drayton Plains and William A. Hubble of East Pike street. No wedding date has been set.

First Christian Circles Gather in Local Homes

Mrs. Norris Luther led a discussion on the task of the church around the world Tuesday when Circle Four of Christian Women's Fellowship, First Christian Church, met with Mrs. Ray Patton on Richard street.

Mrs. John Appleton spoke on evangelism and Mrs. Charles Neil gave the medical view. Mrs. Harold Aeschliman reported the educational point of view, and Mrs. Lowell Mount spoke on women's work.

Devotions were given by Mrs. William Tomkins. Mrs. Neil will be hostess for the next meeting.

Circle Two of First Christian Church heard Mrs. Brady Adams speak on "Such Is the Work" Tuesday when the group met with Mrs. Allen Hersee on South Jessie street.

Mrs. Duncan McCall gave devotions assisted by Mrs. Fred Ruby, Mrs. Charles Harms, Mrs. Herbert Lockwood and the Rev. Mr. McCall.

Appointed as kitchen and dining room committee members for the Women's Federation luncheon Feb. 26 were Mrs. Howard Reynolds and Mrs. Adams.

Hostess for the next meeting will be Mrs. James Vaughan.

League of Blind Attends Dance

Dr. George Harkless was master of ceremonies for the square dance of the Pontiac League of the Blind held Wednesday evening in Longfellow School.

Callers for the evening were Warren Allen, George Chamberlain and Dr. Harkless. Charles Rawlins, a new member, entertained with piano selections during intermission.

Assisting with the dancing were Mr. and Mrs. Allen, Mr. and Mrs. Chamberlain and the Ralph Irlands, all of Promenaders Dance Club.

Also helping were Mr. and Mrs. Jack King, Mr. and Mrs. Charles Cullen and the Mel Sheffers of Hoedowners.

Refreshments were served by the Pontiac Lion Club which, in cooperation with the Pontiac Recreation Department, sponsors these monthly dances.

Wash Brush Often

Your brushes and combs should be washed each time you shampoo your hair. And you should own two or three brushes, for change-offs.

Coming Events

City Federation of Women's Clubs board will meet Monday at 1:30 in Hotel Waldron.

Emor L. Calkins WCTU will meet Tuesday in the Educational Building of First Baptist Church. Mrs. H. H. Savage will speak and a schoolgirl luncheon will be served at noon.

Bride-Elect Given Round of Parties

Festivities Precede March Wedding of Mary Powers

By RUTH SAUNDERS

BIRMINGHAM — Last Saturday Mary Powers and her fiance, John R. Bull of Detroit, were honor guests at a supper party given by three young men at the home of the Kenneth D. McGregors at Wing Lake. Hosts were Edward McCallum, Tom O'Leary and Charles McGregor.

Joan Edwards gave an evening party Thursday for Mary, whose parents have recently moved to Grosse Pointe, and on March 2 Doris Whitcroft and Joan will give the spinster dinner for the bride-elect. Mary and Jack will be married March 6 at the Grosse Pointe Memorial Church.

Mrs. Hugh D. Backus gave a luncheon for her niece, Mary, earlier this month. and Mrs. Milo Bostwick and Mrs. George H. Heideman were hostesses at a recent luncheon for Miss Powers.

Miss Edwards will be maid of honor at the wedding and JoAnne Dasher and Miss Whitcroft will be bridesmaids. Kari Zint will be Mr. Bull's best man.

• • •

Mr. and Mrs. H. A. O'Dell will return next week from Glitter Beach, Jamaica, where they have been staying for several weeks.

Mr. and Mrs. Joseph F. Page of Townsend avenue will leave Saturday to motor to Philadelphia for a visit with their son and daughter-in-law, Mr. and Mrs. Clemson N. Page. From there they will head southward and spend the month of March at Venice, Fla.

Mrs. George A. Beecher and Mrs. Melvin R. Kates left this morning for a motor trip to Florida. They will stop in Fort Payne, Ala., to see Mrs. Beecher's son-in-law and daughter, the Robert Nancarrows and their five children.

En route home they will visit Mrs. Kates' son-in-law and daughter, Comdr. and Mrs. Charles V. Gardiner, in Charleston, S. C.

Mrs. Herbert W. Mason returned this week from a Caribbean cruise.

• • •

Mr. and Mrs. J. Robert Mosby and their daughter, Mrs. Clyde Thompson, will entertain at a cocktail and supper party this evening in their home on Shirley drive. The affair is to honor William C. Sproull Jr. and his bride-to-be, Nancy Holmes. Nancy and Bill will be married April 3.

Mr. and Mrs. John F. Cole Jr. have returned from a southern cruise.

Mrs. Dean Smith, who has recently moved to Clarkston from Birmingham, was hostess at a luncheon in her new home Thursday.

• • •

Elizabeth Boyne will give a cocktail party Sunday afternoon for the bride-elect Phyllis Bartholomew and her fiance, Jack Malstrom.

On Saturday Mrs. Albert Knight of Farmington and Mrs. E. F. Maund were hostesses at luncheon for Phyllis in the Maund home in Birmingham.

Mrs. Stanley G. Reinhart Jr. who has come from her home in West Point, N. Y., to be a bridesmaid, will give the spinster dinner Tuesday, and on Wednesday Phyllis will honor the girls in her wedding party at a luncheon in her home. She is the daughter of Mr. and Mrs. Earl Bartholomew of Yarmouth road.

Mr. and Mrs. A. L. Malstrom, parents of the prospective bridegroom, will give the rehearsal dinner next Friday at the Detroit Golf Club.

• • •

Entertaining at cocktails next Saturday evening preceding the Winter Club dinner-dance will be Mr. and Mrs. John W. Shenefield, Mr. and Mrs. Harvey B. Greene and the John L. McQuiggs.

Mrs. Wallace Dodds entertained at tea Saturday in honor of Jane Dodds whose engagement to Norman Goeckel was recently announced.

Mrs. Malcolm W. Welty will leave March 1 to meet her parents, Mr. and Mrs. Albert Falconer of Winfield, Kan., in Florida. With them she will stay three weeks at the Beachcomber in Naples.

ANNE MARGARET PERKINS

The engagement of their daughter, Anne Margaret, to William J. Archambeau is announced by Mr. and Mrs. W. Charles Perkins of Dakota drive. William is the son of Mrs. Leo J. Archambeau of Sylvan Lake and the late Mr. Archambeau. The bride-elect attended Michigan State College and will be graduated from St. Joseph Mercy Hospital School of Nursing, Ann Arbor, in June. William was graduated from St. Thomas Military Academy, St. Paul, and the University of Detroit.

Eastern Mothers Meet; Lincoln Plans Celebration

Eastern Junior High School's homeroom mothers met Thursday afternoon while members of Lincoln Junior High School alumni, faculty and PTA met Wednesday evening to plan the 25th anniversary celebration

Eastern

Mrs. Clare Hartzman was chosen chairman of the seventh and eighth grade homeroom mothers and plans were made for a co-operative dinner to be held March 3.

A money-making project was announced for April 22. The proceeds will be used for a portion of the scholarship fund sponsored by the PTA Council.

Lincoln

Fred Ziem was elected chairman of the planning group for Lincoln's Silver anniversary celebration. Assisting him will be Mrs. W. G. Crowder as treasurer and Mrs. William Gorsline as secretary.

The event will be held May 15 in the school and will feature a pageant depicting the history of the school, followed by a reception.

Mrs. Harold Elliott was appointed chairman of the pageant committee and will be assisted by Burtella Green, Mildred Rich, Mrs. Bruce Annett, Mrs. Jesse Medlen, Mrs. John Nicolls Jr., Mrs. Harlan Boyce and Mrs. William Wright.

In charge of the orchestra will be Eldon Rosegart. Clifford Huntoon is chairman of decorations, and registration will be supervised by E. C. Conwell, Donald Frericks, Leonard Cotter, Mrs. Harvey Dennis Jr. and Mrs. Charles Beamer.

Cochairmen of refreshments are Donald Keiffer and Julie O'Brien. Miss Green is invitations and hospitality chairman assisted by Hazel Potts, Betty Lippard, Virginia Freebury, Mrs. Lavern Sallee and Mrs. L. D. Burt.

Chairman of the ways and means committee is Robert Cowdrey assisted by Carl Neimi, Mrs. Crowder, L. C. Barner and Bruce Allen. Budget chairman is Delos Nicholie, and Mrs. Gorsline is handling publicity.

Former students of the school who are interested in helping with preparations for the celebration may contact any committee member for information.

3-D Pictures Seen by Zonta Thursday

The Thursday luncheon meeting of Zonta Club held in Hotel Waldron was highlighted by a three-dimensional picture tour of western United States and Hawaii given by Norman Roth. The speaker was introduced by Mrs. Everett Reese.

Panel Discusses Teen Problems

A panel discussion on problems of teenagers was the highlight of Lincoln Junior High School PTA meeting Tuesday.

On the panel were J. Cecil Cox, moderator; Mrs. Kenneth Lyons, representing the parents; the Rev. David Mortenson of Marimont Baptist Church; Mrs. Naomi McVean, a teacher, and James Hunt, chief probation officer of Juvenile Court.

Several selections were played by Lincoln Junior High School Band under the direction of Eldon Rosegart, and Mrs. William Gorsline, finance chairman, announced a bazaar to be held April 23.

Hostess was Mrs. Val Murrish, assisted by Mrs. David Sherman and Mrs. James Card. Pouring at the refreshment table were Marian Bruder and Francile Schymik.

'Spinster's Spin' Slated on Campus

Dance Scheduled at Michigan State March 12

By ELVIRA BISOGNI

EAST LANSING—Voting for the Ugliest Man on Campus at Michigan State College began Wednesday. Pennies dropped in the candidate's jar counted as votes. Proceeds from the contest will go to the Campus Chest.

Tickets go on sale Feb. 26 in the Union Concourse for the annual "Spinster's Spin." The "Spin" will be held March 12 from 9 p.m. to 1 a.m. in the auditorium.

Tommy Reed and his orchestra will play for the dance. The Ames Brothers Quartet will also appear.

• • •

Students from the Pontiac area have been pledging fraternities this term and several have gone active.

Pledging Delta Upsilon fraternity is Robert Allan Hunt of Highland drive.

Don Cooper of Birmingham is pledging Lambda Chi Alpha.

Robert Edward Dean of Clarkston is a pledge of Phi Kappa Tau.

Robert Alan Farmer of Franklin road, Birmingham, and Brian Robert Connelly, also of Birmingham, went active this term in Pi Kappa Phi fraternity.

Roger Lynn Young of Spence street is a pledge of Sigma Nu. Sigma Chi's pledges are George Henry Kimball of West Walton boulevard and Charles Leo Wischman of Franklin.

Pledging Theta Xi is Darryl Bruestle of Dover road.

Jack Simon of Cherokee road went active this term in Zeta Beta Tau fraternity.

Michael Hilmer Carlson of Birmingham is a pledge of Psi Upsilon.

Pledging Delta Sigma Phi are John K. Frost of North Perry street, William Flynn of West Walton boulevard and Charles Cherron of Birmingham. Darwin Diederich of Lakewood avenue and Thomas Houle of Franklin became actives in the same fraternity.

Shrub Pruning Explained

Club Holds Birthday Tea

William Aho of the City Parks and Recreation Department gave information on the pruning of fruit trees and ornamental shrubbery when he spoke before members of the Better Home and Garden Club at their 20th anniversary tea held Thursday in the YWCA.

The meeting opened with members and guest repeating the club collect. Leonard Buzz showed a film on "Disease and Its Harm to Elm Trees."

Mrs. J. L. Slaybaugh was chairman of the day with her committee, Mrs. J. M. Beauchamp, Mrs. J. I. Kindel and Mrs. George Boulton.

The tea table was decorated with a handmade lace cloth and was centered with an arrangement of the club's flower, talisman roses.

PTA Activities

Emerson

Faculty of Emerson School will sponsor a square dance this evening at 8 o'clock in the school. The public is invited.

Marilyn M. Martin to Wed March 20

Announcing the engagement of his daughter, Marilyn Marie, to William Arthur Libby is James K. Martin of Raeburn street. William is the son of Mrs. Frank Libby of Lancaster, N. H. Marilyn is a graduate of the Edward W. Sparrow Hospital School of Nursing in Lansing. A March 20 wedding is planned.

Protectors Honored With Malta Dinner

Corinne Sisterhood 184, Dames of Malta, honored the protectors with a dinner Wednesday evening at the Malta Temple on Perkins street. Each protector was presented with a gift.

Plans were discussed for an anniversary dinner March 17, and a gift was presented to Mrs. Nile Havershaw, who has left Pontiac to make her home in Chicago.

Bride Told to Hang Onto 2nd Toaster

She Can't Send It Back and Request Something Else

By EMILY POST

A letter from a recent bride tells me: "I have just received a belated wedding present from an out-of-town relative. It is an electric toaster, the second one which I have received. The first one has already been put to use and, therefore, cannot be exchanged.

"I would like to know if it would be proper, when writing my thanks to these relatives, to say that I have a toaster and ask them if they will please exchange it for something else.

"My mother thinks it would be wrong to say anything about it and that I should just keep it. I think it's ridiculous to keep it when there are so many other things we can use in its place. What do you say about this?"

Answer: If it were bought in your own town and you could take it back to the store yourself that would be one thing, but to send it back to the giver and ask that it be exchanged for something else would not do at all. After all, toasters do wear out and you can surely find use for this one in time.

Dear Mrs. Post: I am going to be married in April and would like to have two of my sisters take part in my wedding. These two sisters took part in another sister's wedding in November. Their dresses were very pretty and also quite expensive.

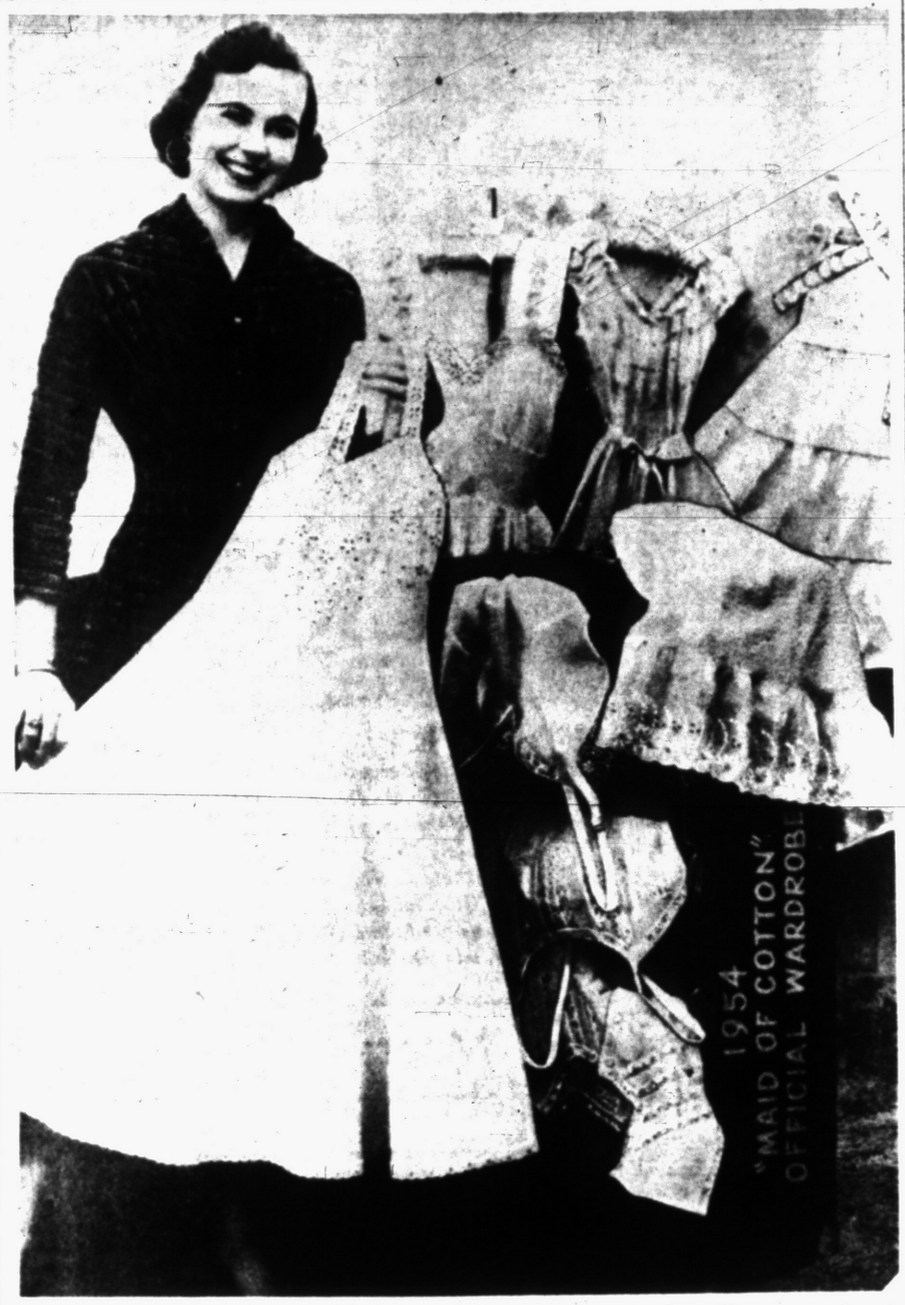

I would like them to wear these same dresses at my wedding, if possible, to save them the expense of buying new ones.

Here is the problem, however. The bodice of both dresses is made of velvet, the skirt is net with a taffeta slip underneath. I was wondering if the velvet top would make them unsuitable for an April wedding.

Answer: Since your address is in the North, velvet—if of a light color—could very well be worn as late as April.

Dear Mrs. Post: Here it is February and I am still receiving mail with Christmas seals on the envelope. I have quite a few seals left over myself but always thought it was improper to use them except on Christmas cards. Will you please tell me if this is correct?

Answer: Although their use is properly limited to the Christmas season, their helpful purpose would excuse their later appearance.

Beverly Louise Pack, 1954 Maid of Cotton whose all-cotton wardrobe was selected from America's outstanding fashion designers, views the lingerie she will carry on her international tour.

Imagination Surpasses Real Event

Boy's Experience Is Blighted by Too Much Preparation

By MURIEL LAWRENCE

A great American critic, Stuart Sherman, once said this about imagination: "Tranquility is restored only when . . . our lawless imagination yields to the sway of . . . the representative of reason."

The wise Greeks agreed with him. They symbolized imagination in a winged horse, beautiful but so unruly that only the bravest man could bridle him and make him obedient.

This column is for a 6-year-old boys' parents who make a practice of over-stimulating his beautiful, but unruly faculty of imagination.

For example, they recently learned that the circus was coming to their city. As John had never seen one, they bought tickets, eager to enjoy his reactions to it. Then they set themselves to "preparing" him for the great experience.

Every evening John's father would tell him about the feats of dancing elephants, lion tamers and seals with juggle balls, and he would draw crayon pictures of clowns in baggy pants walking on stilts.

Suddenly inspired, his mother would cry, "But we've forgotten the trapeze performers, Bill!" And while she interrupted herself to remind John to drink his milk, she would describe how the aerialists would swing over his head in beautiful clothes that sparkled like diamonds.

John did not enjoy the circus. He was too exhausted to react to it at all. The night before he got no sleep and at breakfast he could keep no food in his stomach.

No reality he saw at the circus could give him joyous wonder. For as John had no reason by which to bridle his lawless imagination, it had already produced a circus for him with which no circus on this earth could compete.

So if we are planning a first party, visit to the zoo, rodeo or circus — any new experience in real wonder — let's keep our "preparation" to the merest sketch of what's coming.

They will make fabulous stuff of practically everything we say, without any encouragement from us. What John made out of the tales of dancing elephants and flying people in diamond clothes, heaven only knows. We mortals can only understand why his poor stomach had to reject the reality as it approached.

I hope we see that we stole John's experience in real wonder from him. I hope we won't do it again. For it's just as unfair as though we ate his ice cream or opened his Christmas presents for him.

Pre-Medical Graduate Abandons Hope of Being Doctor, Seeks Allied Work

By ANNE HEYWOOD

"I took a pre-medical course in college," a young graduate writes me, "But now I find that I do not want to be a doctor. Medicine still fascinates me, but certain aspects of it are too difficult, and the dean agrees with me that I shouldn't go ahead.

"I don't like the idea of lab work, and I wondered if there are any other fields which might be worth exploring, and where the pre-med background would be useful. I like people and I am also quite good at research."

You might consider working for a book or magazine publisher in the medical field. They have research jobs, copy editing and many editorial assisting jobs.

Shorthand and typing would be handy as an entering wedge into this field. Also, many busy doctors with big practices will have a nurse and office secretary but, because they write books and articles for their medical journals, will need an editorial secretary who helps on research, some editing, and manuscript typing.

Another possibility is the pharmaceutical advertising field. Manufacturers of drugs and medicines have large departments where booklets are prepared, directed to the doctor, telling about the new products and their uses.

A knowledge of medical terminology is needed, plus an understanding of the doctor's point of view. There are also several advertising agencies which specialize in pharmaceutical copy.

But be sure that your interest in the medical field is that strong. It may be that your very altruistic nature prompted you to consider medicine in the first place.

Many people of this kind settle on medicine not so much for itself, as because it is a symbol of helping others. In such cases, people do well to consider social work, fund-raising, and allied fields of an altruistic type. But in any case, there are many opportunities and you mustn't let yourself feel that your pre-medical training was wasted, nor regret the years you devoted to it.

(Copyright 1954)

Cheesecake Guaranteed Not to Fail

Mrs. Gregg Dunlap to Make Speciality for Antique Show

By JANET ODELL
Pontiac Press Food Editor

Cheesecake by request will be one of the food features at the antique show to be held Tuesday through Thursday at All Saints Episcopal Church. Mrs. Gregg Dunlap, a new guild member, is responsible for this recipe and for the entire tea menu during the show. It is a never-fail recipe.

Since Mrs. Dunlap is no longer active in the nursing profession, she has the opportunity to be with her family more and to devote some time to the study of dramatics. PTA at the City and Country School also claims her interest.

NEVER-FAIL CHEESECAKE
By Mrs. Gregg Dunlap

For Crust
20 graham crackers
¼ pound margarine, melted
½ teaspoon cinnamon

Roll the crackers fine, add melted margarine and cinnamon. Line a 10-inch pie tin with the mixture.

For Filling
1 pound cream cheese
1 cup sugar
3 eggs
1 teaspoon vanilla

Cream the cheese thoroughly. Add sugar and cream well. Add eggs, beating well after each addition. Put this filling in the graham cracker crust and bake 25 minutes at 325 degrees.

Remove from oven, then mix one-half pint sour cream, one-quarter cup sugar and one-half teaspoon vanilla. Spread this mixture over top of cake and bake five minutes at 375 degrees.

For you, half-sizers—this novel neckline is circled with scallops for flattery—built up to conceal lingerie! Add the brief cover-up jacket for a change of pace. Cut to fit the short, fuller figure—no alteration problems.

Pattern 4671: Half sizes 14½, 16½, 18½, 20½, 22½, 24½. Size 16½ dress takes 3½ yards 39-inch fabric; bolero takes 1½ yards.

This pattern easy to use, simple to sew, is tested for fit. Has complete illustrated instructions.

Send 35 cents in coins for this pattern—add 5 cents for each pattern for first-class mailing. Send to Anne Adams, care of 137 Pontiac Press Pattern Dept., 243 West 17th St., New York 11, N.Y. Print plainly name, address with zone, size and style number.

Pulley Holes May Let In Nasty Drafts

Best Bet Is to Pack Loose Insulation in These Openings

By HUBBARD COBB

If the walls of your house are uninsulated you may find nasty drafts coming out through the pulley holes in the windows.

Next to insulating the walls, your best bet is to pack loose insulation into these openings.

* * *

Stone and concrete floors don't require a finish such as paint but they will absorb dirt and stains unless given a protective coating of something.

* * *

You can do a pretty fair job of cleaning dirty marble by rubbing it with a cut lemon. Don't use harsh abrasive cleaning powders on this material for they will scratch it.

* * *

You can keep the end of the fabric on an appliance cord from unraveling by coating it with nail polish or lacquer.

* * *

If you find that the bristles on your paint brushes divide into little clumps, blame yourself, not the brush.

This dividing of bristles is due to painting with the edge of the brush rather than with the flat side which is the correct method.

* * *

When you prime coat wood that is hard and gummy, use a rather thinned primer as it will have more difficulty penetrating this kind of wood than soft, opened grain wood.

Car's Condition Adds to Safety

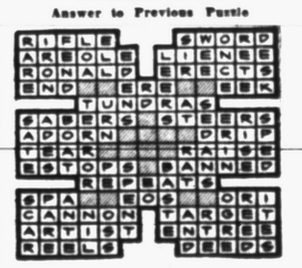

The answer to "lost control" is more control, alert attention while behind the wheel and a car in top driving condition.

If an emergency arises, the woman driver should keep her head, hang onto the wheel and gradually slow down. She should never panic or let herself get "out of control."

As for mechanical difficulties such as failure of steering wheel or brakes, these can usually be prevented by regular inspection and care by men trained to know your car, the new car dealer who handles your make.

Clocks came into use in Europe about the 13th century although there is evidence they were invented some centuries earlier.

Prof Solving Smog Problem

University Wind Tunnel Helps Determine Height of Smokestack

ANN ARBOR — A University of Michigan engineer has an answer for one phase of the air pollution problem, but he says that a complete cure for smog has not been found.

Before an industrial plant is completed the professor can tell the designers how high to build the smoke stacks in order to put smoke and gaseous waste out of reach of air currents which might bring the dangerous material down to earth. However, he points out, smoke sometimes cannot be forced high enough, and it becomes mixed with fog to create smog.

The necessary height of smoke stacks is determined by tests in a wind tunnel. A scale model of the plant and its surroundings is set up to be photographed as smoke is blown across the model in the way it will be when the plant is in operation.

To set up these tests, Professor Robert H. Sherlock found that he had to study meteorology as well as his own field of structural engineering. Aerodynamics, electrical engineering and industrial engineering are other fields which supply information and ideas.

Since 1934 Professor Sherlock has continually added to the knowledge in the field.

He points out that industries are interested in reducing the amount of gaseous waste and smoke sent into the air through their stacks. This is a matter of dollars and cents for them as well as public relations.

"The neighbor's incinerator, a small foundry, an apartment house with a faulty furnace; all can do as much to make air unpleasant and dangerous as poor industrial smoke stacks," he says.

"Laws passed in the 700-year history of the problem have not eliminated this nuisance," the professor adds. "What is necessary is the cooperation of all concerned with smoke inspectors who know how to lead gradually to a solution."

The annual wood crop in the United States would ring the earth 379 times with a one-inch board a foot wide.

Albrecht Attorney Hunts More Cash

TORONTO (INS)— A Toronto attorney, said to be acting in behalf of the widow of the late Dr. Herman F. Albrecht of Detroit, searched today for an estimated $2,937,567 in hidden cash and securities.

The money was understood to be part of a hoard of more than $5,000,000 scattered along a trail leading from Detroit through Toronto, Toledo and San Antonio, Tex.

The attorney, Francis L. O'Donnell, testified in Surrogate Court that some $90,000 in cash has been determined amount of Royal Trust found so far, along with an un-Co. stocks. He said the find was discovered in three Toronto safety deposit boxes.

Pitching Horseshoes

He Missed the Boat; Maybe...Maybe Not

By BILLY ROSE

A fellow wearing a corduroy jacket dropped in to see me a few days ago. He introduced himself as Abner Balch.

"I'm going to give you a chance to make a million dollars," he said.

"That's right neighborly of you," I told him.

"I said a million," Abner went on. "It might just as easily be a billion."

"To make that kind of money," I said, "I suppose I'd have to work weekends."

"I'm serious," BILLY ROSE said the man. "Did you ever hear the story of the gent who walked into the office of the president of a cigarette company, waved a piece of folded paper at him, and said he wanted a million dollars for the two words written on it? The words were, 'It's Toasted,' and the next day the company paid him his million."

Abner said, "I, too, have a piece of paper. Only all I'm asking is a thousand dollars."

"The words on my piece of paper," said Abner, "are the key to the greatest money-making scheme since the dawn of time. Care to look at them?"

I took the paper and unfolded it. On it was scribled, "Ahunka apounda akana abuncha aduzna akwarta alofa apaka abara."

"You have in your hand a list of trade names which you could copyright for a few dollars. It includes most of the necessities of life, and once you legally owned these words, ypu would control the commerce of the world," said Abner.

"What do the words mean?" I asked.

Abner handed me another piece of paper. On it was penciled the following:

Alofa (bread)
Abotla (milk)
Aduzna (eggs)
Abara (soap)
Akana (beer)
Abaga(doughnuts)
Apaka (cigarettes)
Abuka (matches)
Arola (aluminum foil)

"Get it?" said Abner. "Every hour of the day, people by the millions are saying, 'Alofa bread, please,' or 'Abotla milk, mister.' According to law, the storekeeper has to give them exactly what they ask for.

"Well, all you have to do is package and distribute a line of staples with my names on the labels. And, unless people specifically asked for one of the standard brands, the storekeeper would be committing a crime if he sold them any brand but yours."

"As a man of conscience," I said, "I can't give you a thousand dollars for this idea. It's worth at least a million, and I advice you to hold out for that . . ."

When the door closed behind my visitor, I sank back in my chair and sighed, "Why does every crackpot pick on me?" But as I listened to my voice, I found no conviction in it.

Today, 72 hours after Abner's unsettling visit, I find myself as jittery as a bug on a stove. This morning at breakfast I reached for the loaf of bread with trembling fingers, half expecting to find an "Alofa" label on it. And a few minutes later when I opened a pack of cigarettes, I examined the wrapper nervously, looking for the word "Apaka."

If I owned food stocks, I would sell them like a shot. Long ago, I learned never to underrate a man who wears a corduroy jacket.

Man Plays Father Role, Doubles as Grandfather

SPRINGFIELD, Mo, (AP) — Fred Beasley Sr. has three good reasons for visiting the maternity ward at Burge Hospital.

He became a father and twice a grandfather, all within 24 hours.

First, a son was born to his son and daughter-in-law, Mr. and Mrs. Bill Beasley.

Then, his 33-year-old wife gave birth to a boy.

And finally, the stork brought a girl for his daughter and son-in-law, Mr. and Mrs. Edgar Brown.

Richest iron ore deposits in the U. S. are located in northeast Minnesota.

French Action on EDC in Peril

Indochina Peace Talk Pose New Obstacle to Ratification

PARIS (AP)—The Berlin conference's promise of Indochina peace talks posed a new obstacle today to speedy French action on the hotly disputed European army treaty.

Following Big Four agreement to meet again April 26 to discuss prospects for peace in Asia, even the supporters of the European Defense Community faced this dilemma:

1. Press for the French National Assembly to ratify the army treaty at once—as the United States wants—and perhaps so anger Russia that she would not use her influence with the Chinese Communists and the Communist leaders of the Vietminh rebels to stop the war in Indochina; or

2. Delay the Assembly vote on the army treaty until after the Geneva conference on Korea and Indochina, and run the risk of the American Congress cutting off all-important aid to France.

The conservative, neutralist afternoon newspaper Le Monde, an all-out opponent of EDC, probably sounded the rallying cry for the army plan's other numerous foes as it proclaimed last night:

"Solution of the Indochina problem is a prior condition to the ratification of EDC."

This was one of the first times this argument has been advanced to stall final action on the EDC treaty, which was signed in May 1952.

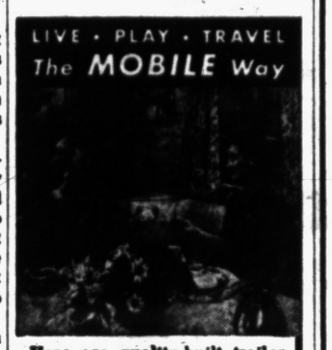

The final decision on when to put the treaty before the Assembly rests with Premier Joseph Laniel and his Cabinet.

Laniel has been working toward an Assembly vote during the second half of March or early April. It was not certain whether he would yield under the new pressure for further delay.

The Cabinet, awaiting the return of Foreign Minister Bidault from Berlin, may hammer out its strategy next week.

A new excuse for french delay on EDC would hit the U.S. Congress just as it prepares to discuss U.S. foreign aid appropriations. Many congressmen already are impatient at the delay.

I AM SO THANKFUL THAT I TRIED
O-JIB-WA BITTERS

Although I had read many wonderful testimonials by O-Jib-Wa users, I was still doubtful if it would help me. I was pleasantly surprised says Mrs. Annie Hamilton, 5354 Vienna Road, Clio, Michigan.

"I would like to tell all who suffer from rheumatism or arthritis what O-JIB-WA BITTERS has done for me. My rheumatism caused me such great pain that I could hardly breathe. There were times I could not raise my hands to wash my face and to talk or turn my head brought dreadful suffering. If I sat down, I had to pull myself up by the chair or table and even lifting a kettle brought such awful pains in my hands that I would almost drop it. I could barely get in or out of bed and then I couldn't turn over. I had to take sleeping pills to get any sleep at all, and besides all this I was very nervous and had little appetite. Frankly, I thought I was doomed to suffer forever. I tried taking vitamins and they helped a little, but the pains always returned. I kept getting worse until one day I went into a drug store and bought a small bottle of O-JIB-WA BITTERS. I had read many wonderful testimonials by its users, but doubted if it would help me. The first bottle did not help me much, but I knew I should give it a fair trial, so tried another one. By the time it was half gone, the pains were so slight I hardly noticed them, and I was really surprised and happy. At last, I was free from pain and I've had no pains since. I'm not so nervous anymore either and really sleep good. My friends are all amazed to see how well I am. I'M SO THANKFUL THAT I GAVE O-JIB-WA BITTERS A TRIAL."

Brown Wants Van Wagoner On Bridge Authority

United Press Telephoto

FAMED ANCESTOR—Rin Tin Tin, a hallowed name for most persons on the wrong side of 30, may soon be shining again on screens—but on TV rather than in movies. The latest in a long line, the great-great-grandson of the original admires a portrait of his famed ancestor before going out on the set to take part in a new television series soon to be shown.

NEW CITY HALL—An aerial view shows Pontiac's new city hall on the south side of E. Pike street near Parke street. The million dollar building is now about 40 per cent completed. It is scheduled for completion by spring of 1955. The structure is being financed on a pay-as-you go basis and will be completely paid for when finished.

Reappointment May Be Sought

Ex-Governor Requested to Quit After Lobbying for Underwriters

LANSING (UP) — Chairman Prentiss M. Brown of the Mackinac Bridge Authority would like to see former Gov. Murray D. Van Wagoner of Birmingham reappointed to the bridge authority.

Van Wagoner resigned from the authority a week ago after he registered with a firm that has a financial interest in the inter-peninsula span.

Brown, just back from New York where he received a check for $94,400,000 to complete the huge sale of bonds, to finance construction of the bridge, made these announcements at a press conference late Thursday:

1. About $90,000,000 of the money the authority received for the bonds will be invested in short-term government bonds that will pay the authority about $800,000 in interest per year.

2. Mettit, Chapman and Scott, the firm that will build the bridge, says it may be opened to traffic as early as June 1, 1957, instead of Nov. 1, that same year.

3. Between 500 and 1,000 persons will be employed on the project at the Straits.

Brown said Van Wagoner did nothing wrong when he agreed to loby in Lansing for the Stifel-Nicholaus and Co. of Chicago.

Stifel-Nicholaus was one of four investment firms that underwrote the bridge bonds. Van Wagoner accepted a lobbying job, for which he said he would receive no pay, to plug for a bill authorizing Detroit to buy the Detroit-Windsor Tunnel.

Brown said that if Van Wagoner's lobbying activities had been uncovered after the bond deal had been, completed, "I would have told him to stick."

"I'd like to see him back on the authority," Brown said. And he hinted he might ask Gov. G. Mennen Williams to rename the former governor to the authority.

Langer Resents GOP Brush-Off

Committee Chairman Objects to Senate Action on Postmasters

WASHINGTON (INS) — Administration leaders hoped today that a patronage slap claimed to have been suffered by Senate Judiciary Chairman William Langer (R-ND), will not further delay action on Chief Justice Earl Warren's nomination.

Langer called his subcommittee ren appointment.

He claimed that there was "no connection" between his protest over the GOP patronage brush-off and the unusual delay in committee action on the Supreme Court Chief Justice.

However, he made it increasingly clear that, as long as the Eisenhower administration and the North Dakota GOP organization by-pass him on patronage, he is going to resent it and act accordingly.

Langer formally objected to Senate confirmation of four North Dakota postmasters on the ground that failure to consult him on their selection made the appointments "personally offensive" to him.

Internal Revenue Service Says

Donate to These Groups and Claim Tax Deduction

WASHINGTON (AP)—The Internal Revenue Service announced today that 90 more religious, charitable and educational organizations have been put on its deductible income tax list.

So anyone who contributed to such groups as (A) The Black River Astronomical Society of Lorain, Ohio, (B) The Los Angeles Section of The American Society for Quality Control, or (C) The Gamma Theta Chapter of Kappa Delta Pi at Ball State Teachers College, Muncie, Ind., may claim credit on his tax returns.

The announcement was made in the Service's weekly bulletin. That's the way it's been going, from 75 to 90 new organizations each week.

In recent weeks, for example, the list has been expanded to include:

Big Joe's Happiness Exchange Foundation, Inc., of New York City.

The Capitola, Calif., Volunteer Fire Department.

The Cracker Barrel Bazaar Association of Newbury, Vt.

And if you planned to give something to Oklahoma City, Bulletin No. 4 has good news for you. You can deduct that, too.

The income tax service doesn't pass on the merits or demerits of the organizations, of course, but it does demand annual statements of what happens to the contributions received.

The last complete list of organizations to which taxpayers may contribute, and then take off on their returns, came out in 1950.

It includes all the big churches, the big charities and the big educational institutions, and a whole lot more—an almost incredible 33,000 organizations.

Two years ago a supplement came out. It subtracted 350 names—the organizations had gone out of business or changed their titles—and added 7,000.

One conclusion is inescapable: It's a big country, with a big heart and a vast number of interests.

Let's skim through the list.

There's the Adams Home for Dogs in Portland, Ore.

The American Academy of Ophthalmology and Otolaryngology (the eye, ear, nose and throat specialists) of Rochester, Minn.

The American Home Findings Association, Ottumwa, Iowa.

The Association for the Relief of Indigent Germans in the Public Institutions of the City and State of New York.

The class of Nineteen Hundred Three Yale College Fund of New York City.

The Coffee Drinkers Friendship Club of Cape Girardeau, Mo.

The National Foundation for G. I. Joe, New York City.

The Ole Miss Loyalty Club of University, Miss.

Then there's the organization simply listed as "Jackie," San Francisco.

The worrying about us never stops. There's The Birth Control Federation of America and there's also a Committee for the Study of Suicide.

1 Lemon Cost $6.50 in Moscow Store

ANN ARBOR (UP)—The wife of the former U.S. Ambassador to Russia says food is so scare in the Soviet Union that women sometimes buy cabbage a leaf at a time.

Mrs. Alan Kirk told a University of Michigan audience Thursday night she once paid $6.50 for a single lemon when she was living in Moscow with her husband.

Mrs. Kirk said that perhaps the thing the Russians now miss most is Stalin.

"His face was woven into rugs and mosciacs and all public meetings began with a hymn sung to Stalin," she said. "Now all those things are gone."

Burned Shop Re-opens

MILFORD—Closed since it was struck by fire Jan. 18, the Wee-Knit Shop, 367 N. Main St., will re-open tomorrow morning.

Hospital Board OKs Room Deposit Hike

The Pontiac General Hospital Board of Trustees Thursday night approved a room deposit increase for all types of patient accommodations.

Ward deposits were hiked from $60 to $75, semi-private rooms from $80 to $95 and private rooms from $100 to $125.

Deposits are required from patients who enter on a self-paying basis or who have not had their hospital insurance confirmed.

Board members said the deposit requirement had been in effect for some time. They said the increases were recommended to bring deposits into line with daily room rate hikes made since the old deposit level was set up.

In other action the board approved Dr. M. J. Delaney and Dr. E. E. Elder as members of the staff.

A new division of the medical staff surgery section was approved, with Dr. John Stageman as chairman and Dr. N. E. Durocher, secretary.

Hospital Director Lauretta Paul reported the hospital women's auxiliary now numbers 126 and said she hopes to double the figure this year.

The board approved several fund raising activities planned by the auxiliary and approved a planned bake sale by the staff nurses.

Miss Paul said the hospital now retains 516 employes, who will be paid an estimated $1,798,000 in salaries during 1954.

Train Race Is Planned by Several Civic Clubs

SLIPPERY ROCK, Pa. (AP) — Several civic clubs here are sponsoring a train race in which each contestant must provide his own train.

It's not as gigantic an undertaking as it might seem. The contest is for toy electric trains.

Officials Ponder Fate of Seven Czech Heroes

By WARD CANNEL

SPRINGFIELD, Mass. (NEA)—At No. 36 Dartmouth St. they're working out an answer to the old, old question: what happens to heroes?

For in this big house on this quiet American street live seven Czechs who crashed through the Iron Curtain in a home-made tank in one of the most daring escapes in history seven months ago.

Today they are heroes, touring the United States with their tank in a fund-raising drive for the Crusade For Freedom. Tomorrow Congress may grant them immigrants' status and open the way for their citizenship.

But the making of Americans out of these heroes is a far rougher route than their 40-mile dash to freedom. Fate has not allowed these Czechs to live as ordinary people.

* * *

They've been put all together in this house—seven who had little enough in common even in their homeland—in a typical New England community, with neighbors named Peabody, Witherspoon, Dunlevy. From time to time they are taken from this base and sent on fund-raising expeditions, to be lionized and set apart.

They have done the impossible and now the free world and Red-oppressed nations are watching them. They find themselves in a dilemma—married to the vehicle that brought them to freedom, unwillingly thrown together in alien surroundings.

The tank in which they escaped was three years in the building at the city of Line in Red-held Czechoslovakia. Engineer, designer and chief mechanic was 32-year-old Vaclav Uhlik. He held the temporary distinction of being among the last free-enterprise workers in the land.

His machine shop and wood-hauling business provided him and his wife and two children with a very comfortable living. It also paid salaries to four employes. His enterprise, however, seemed doomed to fall to state control.

* * *

Uhlik was determined to leave Czechoslovakia. He rebuilt an old British Army lorry and armored it with filched sheet-metal. On a dark night it looked enough like a tank to make the dash.

The night of July 27 was dark. The passengers included Uhlik and his family; Walter Hora, mechanic; Vaclav Krejcirik, tailor; Joseph Pisarik, gardener; and Ivy Cloud, Czech wife of a U.S. Army sergeant in Iowa.

By the time they had clattered past Red guards and across the border to Munich, Germany and freedom, they were eight pink-cheeked, bright-eyed heroes.

The welcome they received was followed by an invitation from Radio Free Europe, Crusade For Freedom and the American Heritage Foundation to visit the United States with their tank. Mrs. Cloud went to her husband in Iowa. The others moved to Springfield.

Life in America has been something less than permanent. The furniture is on loan from Springfield residents. Book shelves are lined with paper napkins. And pictures — mostly newspictures of themselves — are secured to the wall by cellophane tape.

* * *

The four Uhliks would stay together. The others are ready to go their own ways.

Pisarik explains through an interpreter that he is now "ready to live." A deeply religious man, he will probably enter a monastic order as soon as Congress makes him an immigrant.

In return, The American Heritage Foundation, which is underwriting their visit, pays the Uhliks $175 per week; Hora, Krejcirik and Pisarik each receive $75. The money easily covers food, shelter and clothing.

In addition, there is income from the television appearances they make and the magazine and newspaper articles that are written in their names. The money so far totals almost $1,500.

But one Czech-American who knows them is worried. "It is a bad thing for simple people to learn how to be celebrities," he says. "What happens when they have to be ordinary people again?"

Once discontent erupted. The Czechs protested that they were not paid enough.

Crusade For Freedom officials quickly called a meeting. And then the story came out.

They had hardly stepped out of their tank on that hot July day in Munich when a little fast-talking man collared them.

"Fellow Czechs," he said, "you are heroes. You will go where heroes go—to America. There they will write books and make movies of your escape. You can be rich if you let me handle your affairs. Just sign this contract. All I want is 25 per cent . . ."

They had signed the contract and come to America. Where were the riches?

Within days, Radio Free Europe at Munich had found the promoter. The contract was torn up.

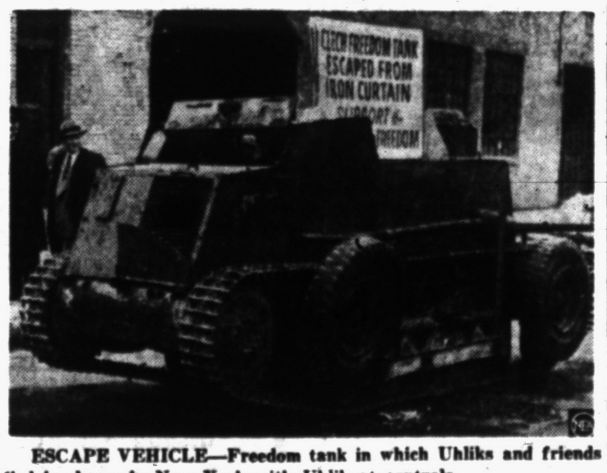

It had become a big joke. The Czechs laughed. The interpreters laughed. The Crusade officers wiped their brows with big white handkerchiefs.

And through the interpreters Uhlik and Pisarik made everything clear.

"Yes. America is a fine country. And there is money to be made here and a home to be found. But first you must be able to speak English and then you must have some ability. One cannot live forever on being a hero."

STORY OF FLIGHT—Broadcasting from their home in Springfield, Mass., Vaclav Uhlik, his wife and daughter, Eva, 4, repeat the story of their flight by homemade tank for interpreter Emil Ransdorf (right). In back (l to r) are Vaclav Krejcirk, Joseph Pisarik and Walter Hora, fellow Czech escapees.

ESCAPE VEHICLE—Freedom tank in which Uhliks and friends fled is shown in New York with Uhlik at controls.

NEW HOME—American home for Czech tank refugees is this old-fashioned gabled house in Springfield, Mass., with New England neighbors.

Pet Lending Library Popular With Students

ROLANDO, Calif. (AP) — The Rolando Park Elementary public school has started a pet lending library. Pupils are allowed to take such small creatures as turtles, gold fish, hamsters, white mice, horned toads, guinea pigs, rabbits and birds home for study. There is a charge of five cents a week for each pet.

Donald Barnes, principal, said the school's 528 pupils have taken to the idea enthusiastically that the library has a long waiting list.

United Press Photo

NO GAG SHOT—This is such a startling sight to most people that the first reaction is that it is just some gag picture. But it's not! These are members of the Oakland, Calif., Women's Rowing Club and they pull heavy 12-foot oars in their 26-foot whaleboat. The spry grandmothers, most of them in their sixties and seventies, take their rowing pretty seriously. The organization was founded in 1917 and many charter members haven't given up rowing yet.

Che Once Had Chinese Reds Trapped

HONG KONG (AP) — Was it possible to have wiped out the Communist Army in China two decades ago and prevented Mao Tse-Tung's rise to power?

A retired Chinese General says yes.

Gen. Che Long says he could have destroyed the Red army in a trap 22 years ago, but Chiang Kai-Shek blundered in allowing it to ecape.

Che campaigned for three years against the Reds from headquarters in Nam Chang, Kiangsi Province, in the early 30's.

"At one time our armies had the Communists trapped and in one more year we could have wiped out Communism in China forever," Gen. Che said. "But orders came from higher authority to withhold our attacks and the Reds escaped."

The Communists who escaped formed the core of the army that later swept over China and put Mao Tse-Tung in power.

When the Reds took over China, Che came to Hong Kong. Here he keeps a close watch on the fighting in Indochina and developments on the Chinese mainland.

"Reports that Chinese Anti-Communist bands are active throughout the mountainous regions of China today are very true, but they can't exist without outside help," Che said.

"For every guerrilla in the hills three Red soldiers are kept on the alert. A small band of guerrillas can keep quite a few Communists busy for a long time," Che said.

He said the anti-Communist bands can go into hiding easily and can infiltrate into any area undetected. Their whole organization is fluid. They can become peasants of the countryside by day and fighters at night.

"The Reds control the food situation and in this way they can limit guerrilla activity, but they cannot suppress it," he said.

Che, a gray-haired, erect man, at 65 still looks every inch a General. He was sent to France to study mining engineering on a scholarship from the Hueph Provincial Government in 1902.

Che thinks the Reds' days in power are numbered.

"I believe that the guerrilla bands operating throughout China are just waiting for the right moment to rise up and smash them," he said.

To provide the electricity needed to operate New York City's network of subways requires an estimated 3,000 tons of coal per day.

'Mr. Peepers' Is Spring Drama at Pontiac High

The cast for the forthcoming spring production of the Pontiac High School drama department was announced recently by faculty director Mary Parrish.

"Mr. Peepers," a three act comedy utilizing the TV characters in an original script, will be presented in the high school auditorium March 17, 18 and 19 at 8:15 p.m.

Portraying Robinson J. Peepers on Wednesday and Friday will be Don Bumgardner, with Ronald Cummings enacting the role on Thursday.

Alice Hennessey will be Karen Anderson, Mr. Gurney is Bob Crandall, Mrs. Gurney will be portrayed by Marlene Crocker on Wednesday and Friday, and Pauline Logsdon will have the role for the remaining performance.

Wanda is Leah Mae MacNutt, and Jim North will protray Harvey Weskit twice with Tom Loignan in the role on Thursday.

Martha Varney will be Harriett, with Dick Ramsdell as Herbert Bushnell; Cliff Dailey will be portrayed by Dick Hartman, and Betsy Williams will be portrayed by Myrna Paul.

Jack Niggeman will perform in the role of Archie Adams and Esther Diem is Ann Williams.

William Williams III is the role assigned to Jack Porritt.

Nancy Remington will be Marie Meyer and Carolyn Hawn, and Daniel Schroder will be Burton Belant and Dave Robinson. Merle and Burton will perform on Wednesday and Friday.

Extras chosen were Sandra Jean Mair, Judy Learned, Marianne Crozier, Lois Austen, Jack Trarop, Leonard Berry, Tom Patton, and Bob Crandall.

Completing the list of extras is Patty Johnson, Karen Sampson, Elaine Miller, Joyce Allen, and Richard Clark.

Carol Hobart was designated recording secretary and Margaret Smith, historian. Margaret is also in charge of the Publications Banquet which will be held this spring.

Sharon Hubbell, sergeant-at-arms, completes the list of officers.

Plans for initiation and the ordering of club pins were also discussed at the meeting.

Mrs. Betty Fournier and Robert Beauchamp are faculty advisers.

Quill and Scroll Elects Officers

Frances Sekles Heads Writing Organization at Pontiac High

At a recent Quill and Scroll meeting at Pontiac High School, Mary Keavy was elected president of the organization.

Taking over the vice presidential duties is Frances Sekles, with Valerie Durnen serving as corresponding secretary.

Jazz Concert to Aid Burned Student, 25

CHICAGO (AP)—Casimir Gladys, a De Paul University student who has been hospitalized for a year suffering from critical burns after a chemistry laboratory accident, got a happy birthday message today from fellow students.

The students told Gladys, who observed his 25th birthday today in Alexian Brothers Hospital, they will stage a jazz concert benefit March 1. Earlier they turned over to him the proceeds of a benefit dance. They also have given 40 pints of blood for Gladys, who will be hospitalized for another 6 to 10 months. He has undergone three skin-grafting operations.

Class Window-Gazes

MALDEN, Mass. (AP) — At Malden High School pupils can earn diploma credits by gazing out the window. The meteorology class encourages the window gazing for gathering weather data.

Beck May Get Fund Control

Expect Teamsters Head to Win Supervision Over Union's Welfare Trusts

MIAMI BEACH, Fla. (AP)—Locals and other subdivisions of major unions apparently are afraid the "heat" from congressional probes may cause national unions to take over control of rich union welfare funds.

The AFL Executive Council recently recommended here that all AFL national unions set up safeguards for locals' handling multi-million-dollar health and welfare funds.

The 1,300,000-member AFL Teamsters Union, which is expected to end an Executive Board meeting here today, is the first AFL group to move to implement the new policy.

• • •

Dave Beck, teamsters president, reportedly ran into considerable opposition from divisions within his union. Beck is known to have assured a group of Teamsters Union lawyers drafting a set of proposed unionwide rules designed to help guard against graft from such funds that his supervision would not lead to his taking over the fund completely.

Beck's assurances, however, did not allay fears of some local leaders. Even putting aside the possibility of sharing in fat fees in handling such funds, management of the assets and distribution of benefits is an important avenue of union political power.

Despite objections, the union's Executive Board was expected to grant Beck general supervisory powers over locals' welfare funds. It was reported they would be carefully drafted to preserve the locals' autonomy to control the trusts.

Union supervision of such funds has recently been under close congressional scrutiny. President Eisenhower asked Congress to conduct a searching study with the idea of establishing stricter legal checks. Two House committees are launching new probes of such funds.

Blazing Owl Touches Off Five More Farm Fires

BELOIT, Kan. (AP)—Burning weeds set a tree afire on the Emery Watson farm. An owl, nesting in the tree, flew nearly half a mile with its wings aflame and dropped on the Delmont Jones farm, starting a new fire.

The second fire spread to five other farms, burning 700 acres of pasture.

46 Parking Tickets Cost Student $264 in Fines

BALTIMORE (AP) — A University of Maryland law student yesterday paid $264.50 in fines for a backlog of 46 parking tickets he had accumulated.

In addition, Daniel N. Silver told Magistrate S. Robert Levinson that he had paid off 50 other tickets after publicity that the court would crack down on traffic violators.

The student operates a business while going to school. He said the tickets were issued as he went in and out of his place of work.

Police Investigate Death of Grand Haven Infant

GRAND HAVEN (INS) — Police today investigated the fatal shooting of 17-months-old infant Daniel J. Trinker in the home of a neighbor.

The child was found dead of a .22 caliber bullet with the weapon lying nearby. Two other children said they were unable to explain how the gun was fired.

Annual production of furs in Canada amounts to about $15 million.

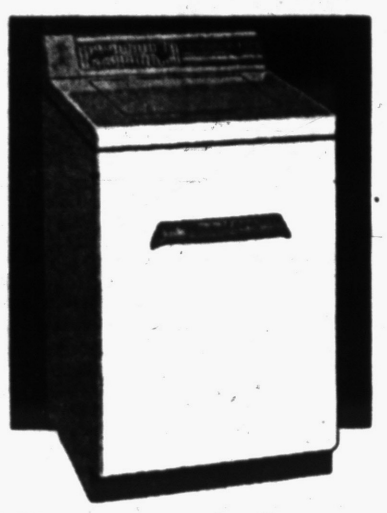

Four fifths of Bolivia's 3,054,000 people live at altitudes above 10,000 feet.

Gas-saving '54 Studebaker

White sidewall tires and chrome wheel discs optional in all models at extra cost

Thriftiest car in America and a top resale value!

GET AHEAD OF THE PARADE...

GET MORE WHEN YOU TRADE

Read what experts say!

"In the style department, Studebaker is 50 miles ahead of any other American car!"
—Mechanix Illustrated

"We have awarded Studebaker our Gold Medal for outstanding design and distinctive styling."
—New York Fashion Academy

"Studebaker, which was a big factor in setting early-postwar auto styles, may now be setting the pattern for the next few years."
—The Wall Street Journal

"There can be no question about it—Studebaker has, with its new model, made every other American car look ten years older!"
—Motor World Magazine

STUDEBAKER styling is setting the pace for the motoring world. Studebaker's out-ahead smartness is a sure-shot certainty to command a high resale price.

What's more, you get the most soundly built automobile ever designed in the new Studebaker. It's rugged and solid with top quality materials—and Studebaker's father and son craftsmanship assures you amazingly low upkeep.

Studebaker also gives you the world's most modern engineering. There is no bulging bulk—no power-wasting excess weight in a Studebaker. You save gasoline every mile.

Stop in right away and try out a far advanced new 1954 Studebaker—America's only truly modern car—a Champion—or a Commander V-8.

LOOK WHAT YOU GET in a new 1954 Studebaker

Longest wheelbases in the lowest price field . . . Extra large, extra powerful brakes . . . New 7.5 to 1 high compression in both Champion and Commander V-8 engines . . . New and finer Studebaker "Miracle Ride" . . . In addition, all 1954 Studebakers—Champions and Commander V-8s—offer you at extra cost Studebaker's marvelous new Power Steering—Automatic Drive or Overdrive.

BUYERS OF USED CARS!

Sound, solid craftsmanship and dependable gasoline economy are even more important in a used car than in a new one. That's why the experienced buyer of used cars always keeps an eye out for a late-model Studebaker. We have a fine selection on hand. Come in. Get one now.

Branches in Many Principal Cities of U. S. and Canada

FOUNDED 1904

Your City Commission Candidates

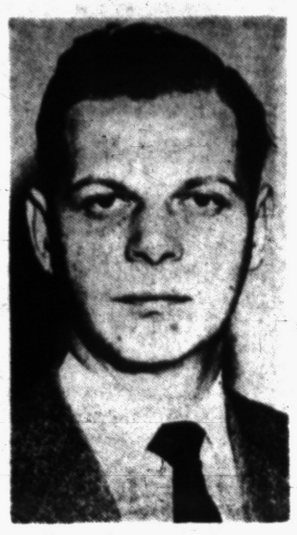

Five Men Will Seek Nomination on Primary Election Ballot Mar. 1

WILLIAM W. DONALDSON

A native of Pontiac, William W. Donaldson, 48, resides at 153 W. Lawrence St. He was city commissioner from district 3 during 1944-48, serving as mayor pro-tem both terms.

He attended the University of Michigan and received his degree from the University of Colorado. Donaldson has operated an insurance agency for the past five years. He is president of the Pontiac Foundation and a member of the Pontiac Association of Insurance Agents, Kiwanis Club, Masonic Lodge, Elks, Pontiac City Club, First Presbyterian Church and Chamber of Commerce. He is married and has two children.

EARL J. SMITH

A partner in the Brace Funeral Home, Earl J. Smith, 31, lives at 138 W. Lawrence St.

Smith is a native of Pontiac and veteran of World War II.

He is a graduate of Wayne University and is active in the Pontiac Lions Club, Chamber of Commerce and Junior Chamber of Commerce. He is married, with four children.

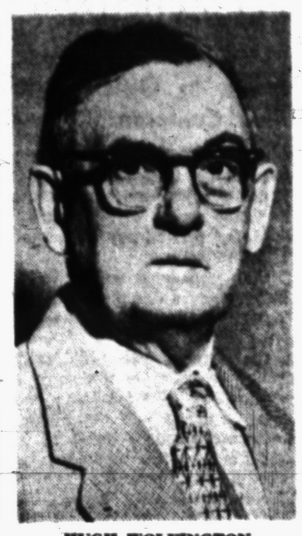

DONALD A. TEWS

A Pontiac resident since 1928, Donald A. Tews, 32, lives at 19 Pine Grove Ave. He has practiced law here since 1950.

Tews received his law degree from the University of Michigan, after service in the Air Force during World War II. He is a member of the Pontiac volunteer air reserve unit, the Gridiron Club, Oakland County Bar Assn. and Wilson Avenue Methodist Church.

He was recently appointed by Gov. G. Mennen Williams to the special committee to investigate the Pontiac City Lines union contract dispute. He is not married.

He attended the University of

HUGH WOLFINGTON

A Pontiac resident for over 30 years, Hugh Wolfington, 59, lives at 188 Norton Ave.

He has been employed as a machinist for the past 20 years and has also sold real estate plus engaging in home building.

Wolfington was born near Lapeer and attended Lapeer public schools. He belongs to the Masonic Lodge and is married with five children.

DON A. ZAFFINA

A Pontiac service station operator since 1936, Don. A. Zaffina, 48, lives at 105 Henry Clay Ave.

He is a member of St. Vincent De Paul Church and the Knights of Columbus.

Zaffina has been a Pontiac resident for the past 17 years, after coming here from Detroit. He is married, and has four children.

District 3 for representation on Pontiac City Commission is bounded on the east by Saginaw street; the south by Orchard Lake avenue; on the west by Johnson avenue and on the north by Johnson and Howard street. It includes five voting precincts, 6, 7, 9, 10 and 11. Present commissioner for the district, Paul A. Kern, is not seeking re-election.

Ludington Man Dies in Flaming Wreck

MICHIGAN CITY, Ind. (UP)—Carl Hansen, 49, Ludington, Mich., was burned to death Thursday when his truck crashed into the rear of another at the intersection of U.S.20 and U.S.421.

Hansen's truck hit one driven by Nelson E. Baldwin, Oak Harbor, O., who had stopped for a traffic light. State police said Hansen apparently fell asleep while driving.

Baldwin and another truck driver were unable to save Hansen from the flames, state police said.

No Place Like Home

COLUMBUS, Ohio (AP) — Vernon W. Miller, 70, has built a scale model of the log cabin in which he was born. He furnished it completely, including a minature cook stove, water bucket and dipper, muzzle-loading rifle, a Bible and a bed with quilted coverlet. For visitors he often lights a fire in the fireplace.

Many College Deans Take Business Course

BOSTON (AP)—A College dean apparently needs a business education more than an ivory tower these days.

Harvard Business School now gives a six-day course for college deans—recently attended by 80 deans. The job of dean, the school explained, has become increasingly complex and requires the ability to run a major restaurant-hotel business plus handling many details of an athletic program that may run into the hundreds of thousands of dollars.

Court Orders Breakin

TOMS RIVER, N. J. (AP)—Officials in an election in nearby Brick Township—locked a ballot box with the key inside. It took a court order to okay jimmying the box open.

Safety Program Cuts Drowning Rate

WASHINGTON (UP) — The nation's death rate from drownings has been cut in half since the American Red Cross began its famed water safety program 40 years ago.

The program began in February 1914, with one instructor. Today, there are more than 35,000 authorized instructors of swimming and life-saving courses.

Although more than 9,300,000 Americans have completed swimming and life-saving courses, drowning still claims some 7,000 lives a year, and the Red Cross feels it has a long way to go before it reaches the goal proclaimed in its slogan:

"Every American a swimmer, every swimmer a life-saver."

Traffic Ticket Paying Is Made Very Easy

LAS CRUCES, N. M. (AP) — They call it the Traf-O-Teria.

It's a little metal box with a small slot attached to parking meters. Offenders can drop their ticket plus the cash into the slot and have done with the whole business.

Police Whistle While Working, Nab Dope Ring

NEW YORK (INS)—New York City detectives just whistled a cheerful tune and the doors to an alleged dope ring swung open as if by magic.

The detectives got a tip that a popular radio and television commercial was the dope ring's password. So they toured Harlem Thursday, stopping before six different doors to pucker up and whistle the merry jingle.

All six doors swung open, yielding nine prisoners and illegal narcotics valued at $42,000.

3-Year-Old Pontiac Girl Hurt in Crash

A three-year-old Pontiac girl was injured yesterday when her mother's car struck another auto on M59 at Willetts road in Avon Township, according to Oakland County sheriff's deputies.

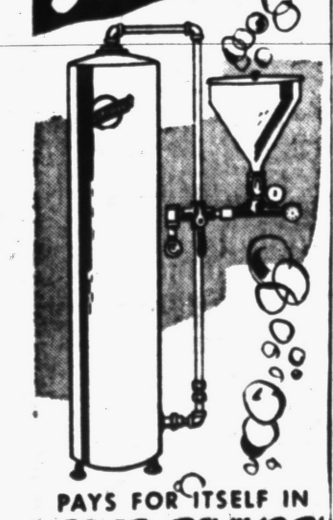

Constance Joan Drake, daughter of Mrs. Laura Losey Drake, 36, of 37 S. Paddock St., was treated for knee bruises and face cuts.

Gordon E. Miner, 47, of 208 N. Warner, Bay City, said he stopped behind a car making a left turn and Mrs. Drake's car hit his auto. Mrs. Drake said Miner failed to display lights indicating that he was stopping, deputies reported.

Thieves Steal 3 Guns

Three guns were stolen from the Commerce Township home of Harry J. Sutton of 5525 Tuscola, last night, according to Oakland County sheriff's deputies. The thieves took a .30-.30 deer rifle, a 12 gauge shotgun and a .177 caliber air pistol.

Cadillac

Expect It to Be Copied!

The beautiful new 1954 Cadillac is now in our showroom—and this is an automobile that every American motorist should *see* . . . and *inspect* . . . and *drive!*

They should do this, first of all, because it will give them a better understanding of the things by which to judge the world's motor cars. And they should do this, too, because it will give them a revealing glimpse into the future of automotive design.

For it can be said, with the full support of historic precedent, that much of today's Cadillac will find its way into the cars of tomorrow.

Cadillac's sweeping new lines, its new proportions of glass and steel, and its many superlative new details of design will unquestionably have a profound influence on automotive stylists the world over.

The new roominess of Cadillac's interiors, the new beauty of its appointments, and the new richness of its fabrics and leathers will give the industry completely new standards of comfort and luxury.

And Cadillac's great new power and responsiveness, its wonderful new handling ease and its incredible smoothness of operation are certain to serve as engineering guideposts for years to come.

But imitation is one thing—duplication another. And no amount of imitation could ever produce Cadillac's happy combination of brilliant styling, extraordinary luxury and magnificent performance.

Nor could it bring to another motor car Cadillac's unprecedented acceptance among the world's motorists . . . the feeling of pride that comes to the man who sits behind its wheel . . . or its reputation as the Standard of the World.

These are Cadillac "exclusives"—hard won through decades of leadership, and through undeviating adherence to the highest ideals of automotive production.

• • •

We repeat—you ought to come in and see the new 1954 Cadillac. For it is Cadillac's annual report to the nation on the progress of American motor car design—and the news has never been so exciting!

You'll be most welcome at any time.

Army Planning Court-Martial

But Runs Into Legal Problem on PW: Was Korea a War?

WASHINGTON (AP)—The Army, moving to court-martial Cpl. Edward S. Dickenson on charges of helping the enemy while a prisoner of war, may run into a legal problem: was the fighting in Korea a war?

And the Marine Corps wrestling with a potentially graver prisoner of war problem has laid the legal groundwork for considering whether two of its officers should be disciplined. Until yesterday, only one was directly involved in the inquiry.

The question for the Marines is whether the officers broke military law when, under pressure from their Communist captors, they signed false germ warfare confessions.

Dickenson is a 23-year-old Crackers Neck, Va. soldier who thought for a while he would stay at the side of his Red captors but eventually changed his mind, came home to his native hill country and—in a brief spell of freedom—married a neighbor girl. Then the Army arrested him and started an investigation.

The Army made up its mind yesterday what to do about him.

Without reference to his change of allegiance and later change of heart, it announced he will be tried soon on charges of (1) informing on his fellow prisoners and (2) passing information to his Communist captors while he was a prisoner.

One of the articles under which Dickenson is charged, part of the code of military justice, applies to a person in the hands of the enemy "in time of war." The United States never declared war against its opponents in Korea.

A special Marine court of inquiry today resumes an effort to decide whether Col. Frank H. Schwable should be court-martialed for admitting falsely under pressure of his Communist captors that he helped wage germ warfare against the Reds.

Unexpectedly the court yesterday declared Schwable's co-pilot and fellow prisoner of the Reds, Maj. Roy H. Bley, an "interested party" in the investigation.

PLAN PTA CARNIVAL—Four children help Mrs. Howard G. Campbell prepare decorations and items to be displayed in booths at the Pontiac Lake School PTA carnival tomorrow night. Left to right are Mrs. Campbell, general chairman of the affair, Dennis Forslund, Mary Wood, Curtis Lankton and Carolyn Klender. **The carnival will be held from 5 to 10 p. m. and will feature a costume contest with children to be awarded prizes.**

Army Brass Thrown Out of McCarthy Red Hearing

NEW YORK (AP) Sen. Joseph R. McCarthy (R-Wis) ejected the Army's chief counsel and a general from a hearing of his investigations subcommittee yesterday and angrily asked how a former major escaped court-martial as a "Fifth Amendment Communist."

Thrown out of the hearing were John G. Adams, chief counsel of the Army, Brig. Gen. Ralph W. Zwicker, commandant of Camp Kilmer, N. J., and his aides.

After the session McCarthy heatedly told newsmen he had been questioning an unidentified lieutenant colonel and Zwicker about an honorable discharge given earlier this month to Dr. Irving Peress, a Queens dentist.

At a morning open session Peress refused to answer 33 questions about possible Communist links, invoking the Fifth Amendment against self-incrimination.

Peress served at Camp Kilmer. He was promoted from captain to major in the reserves last November. He was given an honorable discharge after McCarthy had demanded his court-martial.

It was reported the lieutenant colonel declined to answer some of McCarthy's questions concerning Peress. The officer said it would violate Army regulations.

Then McCarthy ordered Adams to take the stand, it was reported, but Adams also refused, saying he was at the hearing as an observer for Secretary of the Army Robert T. Stevens. McCarthy later told newsmen Adams asked for time to consult with Stevens.

McCarthy then ordered from the room Adams and all the Army officers except the lieutenant colonel.

McCarthy declared he was trying to find out "who is responsible for covering up and protecting Fifth Amendment Communists."

He declared he was "far from satisfied" with the testimony of the lieutenant colonel and Zwicker.

"Gen. Zwicker gave the most revealing part of the testimony regarding why men like Irving Peress could continue in service after it was known he was a Communist," McCarthy said.

"The general said all the evidence heard here was known by him and the Army for a long time."

McCarthy's summary of his testimony angered the general. Zwicker called it a colored and slanted version "twisting everything he could so that his version of what I said was absolutely not a truthful one."

"Turning to his aides, Zwicker said: "Boys, now you've had an education!"

Officers of IOOF 181 Installed in Almont Hall

ALMONT—Installation of officers of IOOF 181 was held recently at the local IOOF Hall.

Walker Jackson was installed as noble grand, George Foe as vice grand, Robert Crowel as recording secretary and Elmer Wallace as treasurer.

Sgt. Depki Service Planned for Sunday

WEST BLOOMFIELD TOWNSHIP—Funeral service for Sgt. Stanley T. Depki, 24, of 4750 Arline, will be at 4 p.m. Sunday at Kirk in the Hills, with burial in White Chapel Memorial Cemetery.

Sgt. Depki was reported missing in action in Korea Jan. 3, 1951. Later the family received word that he was presumed dead. They were notified in January that the body was being returned.

Sgt. Depki enlisted in Feb. 1949 and was sent almost immediately to Japan where he spent a year before going to Korea.

Besides his parents he is survived by a sister, Mrs. Leonard Zalewski.

The body is at the Northwest Chapel of the William R. Hamilton Co. at 18900 James Couzens Hwy., Detroit.

The family request that any memorials be sent to CARE, 660 First Ave., New York, N. Y.

PTA Gives Box Social

ORION TOWNSHIP—Carpenter School PTA will sponsor a box social and square dance tomorrow at 8 p.m. The public is invited.

Deaths in Nearby Communities

Frederick L. Evans

UTICA—Service for Frederick L. Evans, 65, of 8152 Long Island Ct., Fair Haven, Mich., will be at 1 p.m. tomorrow at Frazier Funeral Home, Detroit, with Masonic interment service at Acacia Park Cemetery.

Mr. Evans, who died Wednesday, was formerly employed in Utica by the E & M & S Plumbing and Heating Co.

Carl T. Dombro

ROYAL OAK—Rosary service for Carl T. Dombro, 48, of 113 Allenhurst Ave., will be said at 8 o'clock tonight and prayer service at 8 a.m. tomorrow at Crawford Funeral Home. Requiem Mass will be 9 a.m. tomorrow at St. Mary's Church, Royal Oak, with burial in St. Mary's Cemetery, St. Clair.

Pearl Haddix

LAKEVILLE — Funeral arrangements are pending for Pearl Haddix, 72, of 1287 Rochester Rd., who died Thursday afternoon at the Dearborn Veteran's Hospital.

Charles J. Chaltron

ROMEO — Rosary service for Charles J. Chaltron, 69, will be said at 8 p.m. today and Requiem Mass will be sung at 9:30 a.m. tomorrow at St. Clement Church, under the direction of Roth's Home for Funerals. Burial will be in St. Peter's Cemetery, Mt. Clemens.

Mr. Chaltron died Wednesday in St. Joseph Hospital, Mt. Clemens, following a long illness.

Fredrick P. Comiskey

UNION LAKE—Rosary service for Frederick P. Comiskey, 44, of 7640 Barnsbury Rd. will be said at 8 p.m. today, with Knights of Columbus service at 9 p.m. at C. J. Godhardt Funeral Home, Keego Harbor.

Mrs. Pearl P. Brewster

FERNDALE—Service for Mrs. Pearl P. Brewster, 75, of 1169 Pearl St. was scheduled for 1 p.m. today at Spaulding and Son Funeral Home, with burial in Roseland Park Cemetery. She died Tuesday.

John P. Wachner

PLEASANT RIDGE—Service for John P. Wachner, 75, of 48 Ridge Rd. was scheduled for 3 p.m. today at Spaulding and Son Funeral Home, Ferndale, with burial in Forest Lawn Cemetery, Detroit. He died Tuesday at his home.

Surviving are his widow, Helen; a son, Dr. Clarence W. Wachner of Franklin; five daughters, Mrs. Ralph D. Clara of Pontiac, Mrs. Selma Purnell of Adrian, Mrs. Peter V. Schmidt of Detroit, Mrs. Edward A. Schmidt of Roseville and Mrs. Jack L. Beatty of Pleasant Ridge, a brother, two sisters, 11 grandchildren and six great-grandchildren.

Talks Called Off at Panmunjom

U. S., Allies to Decide How to Officially Kill Old Conference

WASHINGTON (AP)—Representatives of the United States and its 16 Korean War allies meet today to decide how to write off the now bypassed preliminary peace talks at Panmunjom.

They were expected to vote to forget about a Communist demand of nearly a month ago that the talks be resumed.

The demand, as well as the knotty problem of breaking the months-long Panmunjom stalemate, dropped into the limbo of academic questions yesterday. The Big Four foreign ministers, in a windup announcement at their Berlin conference, scheduled a peace conference for April 26 at Geneva, Switzerland. They made the preliminary arrangements supposed to be settled at Panmunjom.

Some members of the Senate Foreign Relations Committee in interviews yesterday professed to seek a risk of appeasement in the U.S. decision to sit in on a conference attended also by Red China in a diplomatic, not military, capacity.

Sen. Ferguson (R-Mich) said it is a "very calculated risk" which might bring peace, but if not would mean a gain for Russia and Communist China.

Sen. H. Alexander Smith (R-NJ) said he intends to give Secretary of State Dulles "a stern warning of the dangers of appeasement."

And Sen. Humphrey (D-Minn) said he would insist on assurances against recognition and demand "a specific answer as to whether this is a preliminary step."

Arthur H. Dean, special ambassador to the Panmunjom negotiations, arranged to fly from New York for the United Nations allies' meeting at the State Department.

Elect '54 Chapel Officers at St. Andrew Church

DRAYTON PLAINS — Chapel Committee officers for 1954 were elected at St. Andrew Episcopal Church Monday night.

R. Lloyd Walker was elected chapel warden and returned to treasurer's position was Willard C. Coffron.

Wallce E. Whitmer was elected secretary and Ian R. Stevenson, John Sterling, John D. Boardman and Carl Hoffman were appointed to the committee.

Ralph Pascoe and Raymond Dobson, along with Walker and Coffron, were re-appointed to the committee.

Three lay members from the Pontiac church on the Mission Chapel Committee re-appointed were G. Guinan, William Maybury and Arnold Thingstad.

Avon Official to Collect Taxes Tomorrow, 1 to 4

AVON TOWNSHIP—Mrs. Helen V. Allen, township treasurer, will be at the West Avon Community Bldg. (Precinct 6) from 1 to 4 p.m. tomorrow to collect taxes from area residents.

On Sunday, she will be in the Precinct 3 building, 276 W. Auburn Rd. to sell dog licenses.

Saturday Ceremony Here Unites Keego Harbor Pair

KEEGO HARBOR — Barnett Chapel of First Baptist Church in Pontiac was the scene Saturday of a double ring wedding ceremony which united Carol Ann Roan and Daniel Hope Chissus.

Carol is the daughter of Mr. and Mrs. W. D. Roan of Keego Harbor. Daniel's parents are Mr. and Mrs. Reuben C. Chissus, also of Keego Harbor.

For her wedding, Carol chose a gown of white Chantilly lace over white satin, with an illusion net yoke in off-the-shoulder style and long sleeves pointed at the wrists. Illusion ruffles formed a front panel for her bouffant floor-length skirt.

Her illusion fingertip veil was held by a tiara of pearls and rhinestones. She carried a white orchid with stephanotis in cascade style.

Carol Thompson of Keego Harbor served as maid of honor wearing light green. Bridesmaids were Winifred Chissus, sister of the bridegroom, and Joy Graves, also of Keego Harbor.

Flower girl was Juanita Elliott of Saginaw, the bridegroom's niece, who wore yellow taffeta.

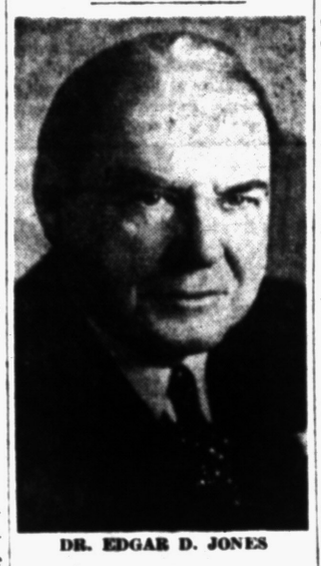

Carl Chissus served as best man for his brother. Robert Bradburn and Curtis Pearsall, both of Keego Harbor, seated the 110 guests.

A reception was held in the church parlors before the couple left for a two-week trip to Florida.

After their return Carol will remain with her parents, while her husband will report to his Army duties at Ft. Leonard Wood, Mo. He will receive his discharge in July.

MRS. DANIEL H. CHISSUS

DR. EDGAR D. JONES

Detroit Minister to Speak at Banquet

HOLLY—Guest speaker at the 59th annual banquet of the Holly Washington Club Monday will be Dr. Edgar DeWitt Jones, retired minister of the Woodward Avenue Christian Church in Detroit.

Dr. Jones will speak on "The American Dream."

The banquet will be held at 12:30 p.m. in the dining room of the First Presbyterian Church, with the Rev. Harry Parker presiding.

The organization is Holly's oldest civic organization.

County PTA Group Holds Meeting

Twenty-eight schools in Oakland County were represented at the annual Founders Day meeting of Oakland County Council of PTAs held Tuesday in First Congregational Church of Pontiac.

Attending the all-day meeting were 83 PTA leaders, members and those interested in PTA work.

The program included four workshops on parliamentary procedure and by-laws, high schools, historians and parent education. A panel discussion was also held on "Are We Spoiling Our Children."

Mrs. R. N. Hickson of Waterford Township, council historian, reviewed the history of the council which was organized in 1936 with Mrs. Iva O'Dell as first chairman.

Consultant for the day was Wallace Watt, a consultant of the Michigan Department of Mental Health Education. He spoke on the various techniques of presenting materials to groups.

Democrats Happy in Defeat

Senate Confirms Beeson After Lengthy Floor Fight

WASHINGTON (AP) — Democratic leaders in the Senate were quietly jubilant today, despite a 45-42 defeat in their campaign against confirmation of Albert C. Beeson to the National Labor Relations Board.

Sen. Hill (D-Ala), who took a leading part in the floor fight against Beeson, Thursday said the outcome would "give the Democrats a clear-cut issue which we will undoubtedly raise from time to time" before next November's election.

Beeson was confirmed after bitter debate. Accused by some Democrats of making "false and misleading" statements during his confirmation hearing, he was given a vote of confidence by all but one of the Republicans present.

Republicans said his integrity stood unquestioned and that nothing brought out in lengthy hearings before the Senate Labor Committee had impaired "his reputation for truth and veracity." Some said that he became confused during his testimony but had no intention not to tell the truth.

But, Sen. Neely (D-WVa), asked the Senate to help him protect President Eisenhower "against the disgrace of putting a man on there who lied five times."

Three Democrats joined 42 Republicans in confirming Beeson. On the losing side were 40 Democrats, Sen. Langer (R-ND), and Sen. Morse (Ind-Ore).

Michigan Sens. Ferguson and Potter, Republicans, voted to confirm Beeson.

Hill said in an interview the outcome "showed that the Democrats can stick together on a clear-cut issue of this kind." Northern and Southern wings of the party often disagree. The three Democrats were Senators Byrd of Virginia, Holland of Florida and Eastland of Mississippi.

Before the question of Beeson's veracity was raised, some Democrats had opposed his appointment on the ground his active career as a management executive in labor relations would cause him to be prejudiced. Beeson said he was certain he would have no bias.

Beeson's relationship with his former employer, the Food Machinery and Chemical Corp., became the crucial issue in the dispute over his testimony to the Labor Committee. He submitted a formal resignation to the company the last day of the hearings, to take effect the date he takes the oath of office as a member of the NLRB.

Civics Students Give Report to Women Voters

WEST BLOOMFIELD TOWNSHIP—Five members of a Roosevelt High School civics class reported on their class's participation in a "Know Your Township" survey at the local League of Women Voters' meeting this week.

Ted Wade, Betty Decoteau, Larry Anderson, Mary Ann Carroll and Marilyn Raupp told the league of their part in the survey to determine public opinion about health and sanitation conditions, police and fire protection, and the need and cost of improvements.

In addition, league committee chairmen presented progress reports on the area canvassed.

The information gathered will be distributed throughout the township, according to Mrs. Campbell Harvey program chairman.

THE BACK-PEDALLING SNOOSE

can't see where he's going because he's so in love with where he's been

The SNOOSE is a manufacturer who plays it so safe that he pedals backward to keep his eye on where he's been. Naturally he can't see where he's going.

He would rather linger over his tiny past successes than feast on the big ones he could have. And if his advertising methods are out-of-date, so what? They've been safe so far, haven't they?

Fortunately the SNOOSE is rare. Most manufacturers look ahead to increasing sales.

They know that the best way to sell more products is to *convince more people*. And, since *all business is local*, they advertise in newspapers . . . because only the newspaper reaches just about everybody in town.

They know that when the newspaper moves into the living room, the family devours the news and the *ads* with *equal* enthusiasm.

No wonder manufacturers increased their newspaper advertising 12.8% in 1953* — an all-time record.

No wonder retailers continue to spend 85% of their ad dollars in newspapers.

All business is local . . . and so are all newspapers!

*Printers' Ink estimate, January, 1954

Vietminh Troops Slay Catholics

Rebels Attack Village to Discourage Church Opposition

HANOI (INS)—Authoritative reports reaching Hanoi today sketched in detail of a massacre of men, women and children in a Catholic Indo-Chinese village by Communist-led Vietminh rebels.

So far the bodies of 20 victims of the massacre at Than Thuong, 80 miles southwest of Hanoi, reportedly have been recovered but 500 villagers are said to be missing and many of them are feared dead.

Agence France Presse quoted an Army headquarters spokesman as saying, however, that reports of a massacre were greatly exaggerated. He put the number of dead at 12 but said a Catholic priest had been kidnaped and a church desecrated.

The massacre was said to have occurred on Feb. 12 when Vietminh rebels, disguised as farmers, opened fire with machineguns, mowing down women, children and old men. The young men of the village were working in the fields.

Other rebels stationed in the rice paddies nearby prevented the escape of those in the village.

The purpose of the raid was believed to be the smashing of the influence of the Catholic Church which has been encouraging residents of the vital Red River Delta of Vietman to resist Communist demands for rice and manpower.

Pedestrian Is Killed on Flat Rock Highway

FLAT ROCK (INS) — An unidentified woman, said to be about 25 years old, was killed shortly before dawn today when struck by a car while walking on Telegraph road a mile south of here.

The driver, 26-year-old Robert E. Kleinow of Flat Rock, told State Police the woman was walking on the highway with her back to oncoming traffic. There were no other witnesses.

Jacoby on Canasta

Players Making Up Rules Get Themselves Into Jam

By OSWALD JACOBY

"Our canasta club has adopted a few speical rules," writes a New York correspondent, "and this may have caused the confusion that overwhelmed us the other night. According to our rules, a player is never allowed to discard a wild card; also, a player who melds out must have a discard.

"In a recent game a player was down to three cards, all deuces. She drew another wild card—and was stuck.

"She couldn't discard a wild card, but there was nothing else for her to discard. What should be done in a situation of this kind?"

I'm sorry to say that there's no answer to this question. It may seem very foolish of me to go out of my way to print a question that I can't answer, but I have a reason.

I get two or three questions of this type in every morning's mail. If you make up a set of rules that lead to an absolutely impossible situation, it won't do you any good to holler for Jacoby (or for anybody else).

Many years ago, when automobiles were as new as the game of canasta is today, a certain state legislature passed the following law:

"When two horseless buggies approach each other on any street of this state, both shall stop; and neither may start up again until the other has passed."

Eventually, somebody noticed that the law brought all automobile traffic to a halt, and the law was changed.

The same remedy must be applied when your local canasta group adopts an impossible rule. Either your game comes to a halt, or the rules must be changed.

Like other canasta authorities, I can clear up any misunderstanding of the official canasta rules; but anybody who gets into trouble with his own invented laws has to invent his own way to get out of trouble.

My suggestion in the question submitted is to allow a player to discard a wild card when his hand contains only wild cards.

This problem would not arise, of course, in the official game because in the regular game of canasta a player is allowed to discard a wild card at any turn, if he wishes to do so.

My next suggestion is that players who find themselves in an impossible jam see the humor of the situation and find a compromise solution with a laugh instead of with annoyance.

Man Who Pushed Woman Under Train Found Guilty

MEADVILLE, Pa. (UP) — Moses Terrell, 43, faces 10 to 20 years in prison for pushing his girl friend Laura Starr, 31, to her death under the wheels of an Erie Railroad freight train here last Dec. 27.

Terrell stood with bowed head as a jury shortly before last midnight found him guilty of second degree murder. The 10 to 20-year sentence is mandatory.

Terrell denied the charge but admitted he and Miss Starr, at whose house he was a boarder, had argued and were pulling at each other's clothing while the freight train passed.

Conventional Revelry Vanishing at Conventions

ST. LOUIS, Mo. (UP)—The old-fashioned convention of cartoon fame, with lots of whoopee and few inhibitions, is becoming a thing of the past.

Howard F. Dugan, vice president of Statler Hotels, told a sedate meeting of hotel sales managers the sober-sided trend for conventions is increasing.

It used to be, Dugan said, the convention-goers checked their inhibitions at the desk. Now, he said, fun has given way to profit and loss chargs and the boss gets more for his dollar.

Hearing Today in Baby-Selling

To Determine If Two Lawyers Will Be Tried in Falsification Charge

MONTREAL (INS)—A preliminary hearing will be held in Montreal today to determine if two lawyers will be tried for alleged falsification of documents in a million-dollar baby-selling ring.

Meanwhile, Canadian authorities sought to learn if the murder of a 30-year-old woman was linked with the international baby-peddling racket.

Today's hearing will be held to determine if there is sufficient evidence to commit the two attorneys, Herman Buller and Louis Glazer, for trial in connection with the baby-selling ring.

Following the preliminary hearing the Crown is expected to ask for appointment of a special commission to visit New York. The group would interview couples who allegedly adopted children furnished by the ring.

Provincial Police are continuing their investigation of the ring and one officer said that there was a possibility that the murder of the woman might yet be linked with the racket's operations.

Det. Lt. Ubald LeGault of the Provincial Police homicide squad said his officers were probing the case of a woman whose strangled body was found in the waters of Back River, north of Montreal, last fall. The body was anchored to a cement block.

Nursing School Reports Illegal Use of Its Name

BALTIMORE (UP) — The Johns Hopkins Hospital School of Nursing reports that young girls are making unauthorized use of its name with the "working my way through school" technique.

Authorities said reports of solicitations for magazine subscriptions have come from the Baltimore area, Virginia and from as far away as Florida.

The term "forecastle" is a survival from early fighting ships which often had castles or towers to aid in the fighting on bow and stern.

Marjorie Main Toys With Idea of Retirement

By BOB THOMAS

HOLLYWOOD (AP)— Marjorie Main, who is as much a character off the screen as on, may retire from acting. Then again she may not.

The veteran actress is coming to the end of her MGM contract March 23, and she confesses, "I'm counting the days." As of March 23, she'll be a free woman.

I saw her in the homey dressing room she uses at Universal-International, where she has done a sizable number of loanouts.

* * *

I asked her how long she had been at MGM, and she guessed around 14 years. She actually came out here in 1938 to re-create her stage role in "The Women." How does she feel about leaving?

"Well, I'm sorry about leaving a lot of good friends at Metro," she remarked. "But I wasn't too happy about the last two pictures I did there. One was 'The Long, Long Trailer,' and I had only two tiny scenes in the picture. One of them was cut out.

"Then I did 'Rose Marie.' They decided that something was needed to relieve the plot so Bert Lahr and I did a musical number. Oh, I mean it was a lot of work. Took us six weeks in all. And then they threw the number out of the picture because it interfered with the plot!"

* * *

Miss Main admitted that she was toying with the idea of retiring. "It might be fun to just do nothing after working all your life," she said. If she did continue pictures, it would merely be one a year, she added.

But she also might return to the stage. Max Gordon has offered her the second company of "Lullaby," which Mary Boland is doing on Broadway.

At present she is starring in "The Matchmakers," a liesty spoof. She plays a Scandinavian cook in this one, and folks are already rumoring that the picture will hatch a series.

* * *

I asked her about the Kettle series. The fabulously successful low-budget films have apparently come to the end of their run. There are still two to be released, but co-star Percy Kilbride has said he'll do no more.

"It's entirely up to Percy," said Miss Main. "I love that little fellow; he's such a fine performer. I think he got fed up with the series after the last one. Why, they put poor little Percy on a straw mat and dragged him all over the back lot. Then they had his double slide down a long slide into a swimming pool. Percy had to stand in the water up to his neck and he was terrified. He'd never been in a pool before.

* * *

"They should realize at our age you can't do all this physical stuff. You just don't have the energy that younger people do. We're too old to be running around. Percy's two years older than I am." He's 65.

She added that she is constantly amazed at the success of the "nice and corny" Kettle pictures. During a tour in Indiana, a theater man told her the series outdrew all other pictures he played. What is the secret?

A sage foreign observer gave her a hint: "Those pictures have such amazing vitality." She guesses that's right.

SLIM-SUIT—"Reduce while you work" is the idea behind the plastic "slimming suit" demonstrated below by Adrienne Germaine, in London, England. Doing household chores in the air-tight garment induces heavy perspiration, which is supposed to take off the pounds.

Court Revises Technique for LCC Measurements

LANSING (AP) — The State Supreme Court has ordered the Liquor Control Commission to change its method of measuring the 500-foot distance which legally must separate a church from a licensed liquor place.

As a result, 15 to 20 licenses will be revoked, said George J. Burke, commission chairman.

The court spoke only in the case of one licensee, Mayer Warshawsky, of Detroit, who holds a package beer-wine (SDM) license near Grace Episcopal Church.

Originally, the Commission measured the 500-foot distance along connecting streets from the closest corners of a church and licensed place.

Last year, however, the Commission obeyed an Attorney General's ruling that the distance must be measured from the closest corners of the sides where the main entrances were located.

The Court told the Commission to go back to the old way of measuring. The Attorney General was wrong, it said.

Burke said the 15 to 20 licensees affected were warned when they got their licenses that the court might revoke them.

In another unanimous decision, the Court upheld the Old Age Assistance Recovery or "Lien" Law.

This law permits the state to file claims against the estates of deceased persons who obtained old age assistance.

The decision involved the estate of Gabriel Ryerson, of Allegan county, who died leaving $3,996 in stocks.

The Court said the state's fourth class claim against the estate is valid. The estate argued the repayment of old age assistance was a "duty" but not a "debt."

The Court held that a county board of supervisors may not hire a private firm to assess real estate.

The suit was brought by three Berrien County supervisors who lost a motion to engage an outside firm for $129,622.

There is nothing in the law which, directly or by implication, gives the county the right to hire outside appraisers, the decision said.

The Court declared the assessments must be made by township supervisors and reviewed by the board in equalization proceedings. A duplicate appraisal is not permitted it said.

The Court did not rule on a second question of whether the defeated motion needed a two-thirds vote of the board.

ROKs to Boycott Talks in Geneva

SEOUL (INS) — The Republic of Korea served notice today it will boycott the big four-sponsored peace talks in Geneva, and a newspaper close to the ROK government charged the United States is planning "a sellout of Korea."

A top-ranking foreign ministry spokesman announced South Korea will not participate in the conference because it has no chance to achieve "peaceful" Korean unification as long as Red China's forces remain in North Korea.

United States Ambassador Ellis O. Briggs and special envoy Kenneth Young called on ROK President Syngman Rhee and informed him officially of the Big Four foreign ministers' decision, reached in Berlin yesterday, to convene the Korea peace parley in Geneva April 26.

Physician Retires at 80, Some Pay, Some Don't

BALTIMORE (AP) — Dr. Anthony L. Rettaliata, 80, the physician who never sent out a bill, has finally retired. Old Doc Rettaliata would just as soon keep on going. But being a man who knows all about those things, he realizes his heart won't stand an energetic pace any more.

In reference to his failure to send bills he says:

"I thought they'd pay me if they could. And many of them did."

Mrs. Rettaliata chimed in with a footnote: "And many of them didn't."

MANY BABY DOCTORS advise this for distress of kids' CHEST COLDS Also Use MOSTEROLE

Treaty Curb Bill Jeopardy Seen

George Says 1 Provision Must Be Stricken Out or Amendment Is Doomed

WASHINGTON (AP)—Sen. George (D-Ga) said today chances for Senate passage of any constitutional amendment on the treaty powers are dead unless a provision already tentatively approved is stricken out.

This provision, sponsored by the four top Republican Senate leaders, was written into the proposed amendment by a 44 - 43 vote Wednesday.

It would amend Article VI of the Constitution to require that all future treaties cannot be the supreme law of the land unless made "in pursuance of the Constitution."

George, a leader among the Democrats on foreign affairs, voted against the provision on the ground it might cast a shadow over all treaties negotiated and ratified since the Constitution first was approved.

* * *

He said in an interview today that the Wednesday vote clearly showed the Senate would not pass any constitutional amendment so long as this provision remained in.

"Too many senators," he said, "have doubts about what the effect of this would be."

* * *

This group, he said, combined with those who do not want any change in the Constitution affecting treaties would comprise considerably more than one-third of the Senate.

It will take two-thirds vote of those present to pass any proposal for a constitutional change and send it to the House. Before this showdown, however, the resolution can be altered on the floor by a simple majority.

* * *

The senate resumes debate today on the constitutional change first proposed by Sen. Bricker (R-Ohio). However, no more votes are expected until next Tuesday.

Pending now is an amendment by Bricker to his own original proposal. It would state that a treaty or other international agreement cannot become effective as domestic law unless Congress passes legislation on it, or unless the Senate so provides by a two-thirds vote in ratifying a treaty. Other executive agreements are not subject to Senate approval.

Chiang Places Hope in New U. S. Policy

TAIPEH, Formosa (AP) — Chiang Kai-shek today told the National Assembly that the Korean armistice must be regarded as a victory for the United Nations and a "signal for the debacle of the Soviet bloc."

The Nationalist Chinese President said the cease-fire had shattered the Communist aim of conquering all Korea.

He said the United States' anti-Communist policy had turned from "a negative one to a positive one" and that U.S. aid to anti - Red causes in Asia had changed from passive to active.

"The opportunity for the counter-attack and recovery of the mainland is now well assured," he added.

Germs Take Credit for Sale of Cleaners

CLEVELAND, Ohio (UP)—Apparently increased germ consciousness and in increase in "do-it-yourself" housework are behind the boom in the vacuum cleaner business.

C. G. Frantz, president-elect of the Vacuum Cleaner Manufacturers' Association, reports that in the eight years since World War II about 700,000 more of the cleaners had been sold than in all the years before 1941.

Up to World War II, according to Frantz's figures, 23,550,000 cleaners were sold. Since 1945, sales have reached 24,250,000.

Part of the post-war sales was pent-up demand, Frantz conceded, but the current nationally popular "do-it-yourself" living emphasizes easy maintenance, thus making the vacuum cleaner an important household appliance. The public also is more conscious of the danger of dust and dirt around the home.

Play Catch With Tack

YAKIMA (AP)—Jerry Miller, almost 11, and his brother, Donald E. Miller Jr., 12, were playing catch with a yellow-headed thumbtack. Just as Donald tossed the tack, Jerry laughed. The tack smacked into Jerry's mouth, stuck in his throat. He had to have a doctor take it out.

Two SVC Tilts Tonight Crucial in Scrap for Title

Shamrocks Win Non-Loop Game With St. Stan

City Parochials Make Up Halftime Deficit for 47-38 Triumph

St. Michael's Shamrocks moved over the .500 mark in season's play last night, dumping Detroit St. Stanislaus, 47-38, in a non-league game here. Victory brings the Mikes' record to 7-6.

Coach Bob Mineweaser's northsiders trailed 15-8 at the 1st period and 23-19 at halftime. However, Russ Shindorf came through with two quick baskets and John Keller added a 3rd shortly after the 2nd half opened to give St. Michael a lead they never again lost.

Shamrocks outscored the visitors, 28-15, in the 2nd half to win with ease.

Shindorf sparked the victory with 10 points, while teammate Marty Keller had 10. Adamezik, for St. Stan, collected 11.

Mikes end their regular season next Tuesday against Avondale in the Pontiac High School gymnasium.

Summary:

ST. MICHAEL	G	F	P	ST. STANISLAUS	G	F	P

Chief Tankers at Bay City

Pontiac High's young but improving swimming team is at Bay City today, completing its Saginaw Valley Conference season against Central's 2nd-place Wolves.

Coach Don Boyce's sophomore-studded squad topped Flint Central last Friday to end a 6-meet losing streak.

A Pontiac victory today would give the Chiefs undisputed 3rd place in final league standings. A loss will produce a 3rd-place tie between Pontiac and Flint Central.

Competition was scheduled this afternoon for both varsity and junior varsity teams.

Tenley Albright Expected to Win 2nd Skate Title

OSLO, Norway (INS) — Defending champion Tenley Albright of Boston is expected to win the free skating competition at Oslo today and with it her 2nd straight women's figure skating championship.

The 18-year-old star, who overcame polio during childhood to become the 1st American ever to capture the women's world crown, won the compulsory phase yesterday with a point score of 829.1 points and nine placements.

Second place went to Gundi Busch, 18-year-old German girl, who is given little chance of overtaking Miss Albright in the free skating which figures only 40 per cent in the scoring.

Lawrence Demmy and Jean Westwood of Britain retained the world ice dancing championship.

Future Wing Arrives; Howes Now Have Son

DETROIT (AP)—Mrs. Gordie Howe, wife of the stellar Detroit Red Wing forward, gave birth to a 7 pound, 4 ounce boy last night.

The boy, the couple's 1st child, was born at Detroit Osteopathic Hospital.

While the baby was being delivered, papa Howe was held scoreless as the Wings dropped a 4-2 decision to the Canadiens at Montreal.

It's Time Out!

"This round try a little psychology on him, Kid. Every time he hits you, laugh right back in his face!"

NCAA Leads NIT in Entries

By RIP WATSON

NEW YORK (AP) — The annual grabbing game between college basketball's big postseason tournaments is on in earnest today with the National Invitation Tournament running up a 6-4 lead.

The National Collegiate Basketball Championships gained some ground on the NIT yesterday, naming two teams to the one selected by the invitation tournament. The NCAA actually has an advantage: 15 of its 24 berths go automatically to conference representatives.

The NIT reached the halfway point, naming Niagara immediately after the Purple Eagles put on a stylish display in whacking New York University 72-54 in Madison Square Garden.

Earlier in the day the NCAA announced that Oklahoma City would play Bradley on the latter's court March 9 in a first-round game. The winner will meet the Big Seven champion, which draws a bye, in the second round. Colorado and Kansas currently are tied for the Big Seven lead.

Along with Niagara, the NIT has Duquesne, No. 1; Western Kentucky, No. 4; Wichita, No. 15, which trimmed St. Louis 79-73 last night; Dayton, No. 17, and Louisville.

The NCAA has Seattle, No. 7; Oklahoma City, No. 16; Bradley, and Idaho State.

Kentucky, ranked just behind Duquesne, took another step toward the NCAA last night by turning back Tennessee 90-63 for its 20th victory without defeat.

Seattle, like Bradley and Oklahoma City a Western "at large" team, will meet Idaho State at Corvallis, Ore., March 9 in an NCAA first-round game. The winner will play the Pacific Coast Conference champion, which could be any one of a half-dozen teams.

Frank Selvy moved one step closer last night to a grand slam of major college scoring records by tossing in 45 in Furman's 93-49 win over Mercer. His 21 free throws made his career total 625, bettering the 611 mark of Walt Dukes, Seton Hall's 1953 All America center.

PUSHING WAY PAST — Shirkka Polkunen (left) of Finland leaves the cross country track to push her way past Lubov Kosyreva of Russia in Thursday's women's relay event at Falun, Sweden. A ski enthusiast took this picture which produced a claim of foul from Helka Ristolainen, leader of the Finnish skiers. Under international rules a skier must move over on signal to allow another to pass.

Rhubarb Arises in World Ski Test in Sweden

Russian Girl Charged With Fouling in Relay Race Thursday

FALUN, Sweden (UP) —Lobov Kosyreva, Russian girl skier, denied unofficial charges today that she whacked a Finnish rival with her ski pole to keep her from passing during a race in the world ski championships.

"They are wrong when they say I violated rules," said Miss Kosyreva, member of the Russian team which won the ladies' 15-kilometer cross-country ski relay on Wednesday.

The incident in dispute occurred during the 1st lap of the race in which Miss Kosyreva was opposed by Finland's Sirkka Polkunen.

Helka Ristolainen, women manager of the Finnish team, said Miss Kosyreva refused to make room for Miss Polkunen and then used force to prevent her from passing. Nils Englund, former world champion skier from Sweden said he saw the incident and said the Russian girl "played a dirty trick—she used both her ski and pole to prevent the Finnish girl from passing her."

Braves, Eastern Remain in Tie

Washington Nips Lincs, Indians Top Jeffs in Junior Cage Play

Suburban Junior High League co-leaders Washington and Eastern both took victories Thursday afternoon to remain deadlocked for 1st place in conference standings.

Washington held a slim lead most of the way in edging 4th-place Lincoln, 35-31. Braves were in front 9-6, at the end of the opening period and 17-13 at halftime.

Alex Barge led the winners with nine points, but Ray Maggard of Lincoln took game honors with 10.

Eastern jumped to a 20-10 halftime lead and coasted to a 37-28 triumph over Jefferson. Terry Zielhart paced the Indians with 12 points.

WASHINGTON	9	8	8	10—35
LINCOLN	6	7	9	9—31
EASTERN	9	11	9	8—37
JEFFERSON	8	7	9	9—28

Bill Smith Sets Pace in County League Win

Bill Smith collected 17 points last night to lead CIO 653 No. 1 to a 45-23 victory over 653 No. 2 in Oakland County UAW-CIO Basketball League play at Eastern Junior High.

In the 2nd game, Milford CIO overcame a 17-11 halftime deficit to trip CIO 594 No. 1, 42-28. Kohl led the winners with 14 points.

MILFORD	4	7	16	15—42
CIO 594 NO. 1	9	6	3	8—28
CIO 653 NO. 2	4	8	5	6—23
CIO 653 NO. 1	11	8	16	10—45

By BILL MARTIN

Saginaw Valley Conference's 1953-54 basketball championship may be decided two weeks early tonight, when Flint Northern goes to Saginaw Arthur Hill and Saginaw High comes here for crucial games. Indians entertain Bay City in a 3rd SVC game.

Results of those two contests can bring about three different possibilities in the title chase:

1 — A Northern victory, coupled with a Saginaw loss, would give the crown to Flint outright.

2 — A Northern loss and a Saginaw victory would keep alive Trojan hopes for an undisputed title. Saginaw could win the championship by defeating Bay City, Flint Central and Northern in its final three games.

3 — If both teams win, or lose, Saginaw will still have a chance for a share of the title.

Since Northern's Vikings are expected to handle Arthur Hill with ease, the pressure obviously will be on Coach Larry Laeding's Trojans. Upstaters overcame a slim halftime deficit to beat Pontiac, 60-50, last month on their home floor, but may find the Chiefs harder to handle on the big PHS court.

Pontiac Coach Art Van Ryzin started a new combination of James - King - Blacklaw - Poe - Johnston last Tuesday, and the outfit came through with a surprising upset victory over previously - unbeaten Ferndale. The same starters will try for a repeat performance tonight.

Chiefs' biggest problem will be stopping big Tom Hall, Saginaw's 6-foot-4 center. The high-scoring pivot ace dumped in 22 points in the earlier game, and is one of the Valley's most effective rebounders.

Tonight's game will wind up Pontiac's home schedule. Chiefs journey to Bay City next Friday, and complete their regular season the following Friday at Saginaw Arthur Hill.

Castellani Is 2-1 Favorite Over Durando in TV Bout

NEW YORK (AP)—Ernie Durando pits his vaunted right-hand wallop against the boxing skill of Rocky Castellani tonight and the boxer is a 2-1 favorite to win.

* * *

Castellani, of Cleveland, No. 1 middleweight contender, is risking a possible title shot in this third and "rubber" meeting with the power puncher from Bayonne, N.J.

They will have it out in a 10-rounder in Madison Square Garden which will be broadcast (ABC) and telecast (NBC) coast to coast starting at 10 p.m., EST.

Now managed by Tex Sullivan and Alvin Naiman, a wrecking company executive, Castellani has lost only once in 18 fights since the Durando loss. He was outpointed by France's Pierre Langlois and he beat him in a return. His record is 53-5-2 with 12 kayos. He has been stopped twice.

Durando has a mediocre record (38-15-2) which underscores his need to get over his big punch. He has flattened 27 of his rivals, close to a 50 per cent kayo mark. He has been stopped once. The 28 times he went the route he lost 15, won 11 and drew in 2 others.

Seton Hall on Spot for Prep Cage Tryouts

CHICAGO (INS)—Reports that Seton Hall university was under scrutiny by the National Collegiate Athletic Association for alleged violation of rules was expected to highlight today's first session of the body's new committee on infractions.

Several other cases of rules infractions are expected to be taken up during the three-day meeting in Chicago.

In Kansas City, NCAA headquarters, president Walter Byers refused to comment on a report that Seton Hall has conducted tryouts for high school basketball players.

However, Byers reported that the committee will treat all cases presented as confidential.

Mid-America Crown in Sight for Toledo

By THE ASSOCIATED PRESS

Toledo can clinch the Mid-America Basketball Conference title—and an automatic bid to the NCAA playoffs — tonight when it entertains Ohio University.

But if Toledo is upset, then Miami and Bowling Green—which meet tonight at Bowling Green—would still have a chance at the championship.

Western Michigan, with a 3-4 league record, winds up its conference schedule Saturday night, playing host to Ohio.

State Office Confuses Red Skier and Aide

WASHINGTON (UP)—The state department said today it may have been a little mixed up when it reorted that a Russian skier and his interpreter are coming here for the International Ski Meet at Ishpeming, Mich.

They are coming, all right, but it appears the man the department identified as the skier is really the interpreter, and vice versa. There also is some question whether the skier, whoever he is, will do any actual skiing in the meet.

The only thing definite is that will do some interpreting.

The department has identified the skier as Yuri Sergeevich Afanasev and the interpreter as Grigori Ivanovich Kukushkin. **A spokesman said it has since heard that the roles were reversed.**

GMC Pushes Lumber '5' Deep Into 'A' Cellar

Coachers Hand Last-Place Team 9th Loss of Season

General Motors pushed hapless Poole Lumber deeper into the City Basketball League's Class A cellar last night by handing the tailenders their 9th straight setback, 43-33.

Coachers took a 12-9 advantage at the end of the 1st period and increased their margin steadily throughout the rest of the game. Randy Hancock's 15 points led GM, while Tim Oliver had 11 for the losers.

Shaw's Jewelry broke loose with a 20-point 3rd-quarter spree to defeat Wayne University's freshmen, 63-54, in an exhibition contest. Jewelers trailed 36-29 at halftime, but moved into a 49-46 lead at the end of the following stanza.

Bob McManus, with 21 points, and Sam Minard, with 14, were high for the Shaw quintet. Dean Heddon had 14 for Wayne.

Summary:

(CLASS A)

GMC	G	F	P	POOLE	G	F	P
Hancock, f	6	3	15	Allen, f	1	1	3

Rookie Eyes Bilko's Job With Cardinals

DELAND, Fla. (AP)—Rookie Tom Alston is not content with being identified merely as the 1st Negro to make the St. Louis Cardinals' roster. He says he won't be satisfied until he wins the regular Redbird 1st base job.

That may prove to be quite an assignment for the 24-year-old native of Greensboro, N. C., who made the big jump to the big leagues after only two years in organized baseball. He will face formidable opposition in Steve Bilko, who hammered 21 home runs and drove in a flock of runs as the Cards' regular 1st baseman last year.

Annual Game Saturday

Annual basketball game between ministers and a business and professional men's group will be played Saturday night at 8 p. m. at Thomas Jefferson Junior High gym. TJJH was formerly Whittier School.

A preliminary game will match the Neopolitans and the Barber Shop All Stars. Program is a benefit for the Newman A.M.E. Church "Steel Fund".

Trabert, Larsen Blast Aussie Net Setup

By WILL GRIMSLEY

NEW YORK (AP)—There were new repercussions today from the stormy American Davis Cup campaign in Australia, and they threatened to shake tennis relations of the two countries.

* * *

U. S. champion Tony Trabert said he has prepared a detailed report on the Down Under venture, obviously dealing with the various rhubarbs and playing conditions, and is ready to present it to the president of the U.S. Lawn Tennis Assn.

He added: "It won't be favorable."

* * *

Art Larsen of San Leandro, Calif., the nation's third-ranking player, who played in Australia in 1950 and 1951, leveled a blast at the young continent, saying:

* * *

"I would never play there again. The crowds and the press are awful and Harry Hopman (Australian Davis Cup captain) is the worst of the lot.

"I don't know what Tony is going to say. But I think our officials ought to do something about it. Otherwise we ought to just let them keep the blasted cup. It's not worth the price."

* * *

Both Trabert and Larsen made their comments after playing first round matches in the National Indoor Tournament here.

Trabert, seeded No. 1, lost the first seven games and once was two points from defeat before he rallied to beat 43-year-old Frank Shields of New York 0-6, 9-7, 6-2.

* * *

Larsen, defending champion and seeded second, won over Desmond Margetson of New York 6-2,6-2, leading a corps of favorites into the second round.

Ninety-One Par-Busters Wreck Brackenridge Links

By HAROLD V. RATLIFF

SAN ANTONIO, Tex. (AP)—The so-called "unknowns" featuring Canadian Rudy Horvath, whose blazing 61 bested the field by a stroke, dominated top places as the $12,500 Texas Open moved into its 2nd round.

Horvath, stubby young man from Windsor, Ontario, made Brackenridge Park's par 71 a shambles yesterday in the 1st round and so did 90 other players in the greatest par-wrecking spree this ancient tournament ever saw.

Second round started with only a 5-stroke difference from Horvath down to 11th place and with 18 golfers figuring in that spread. Among them were few of the "name" players on the winter tour and the leaders had quite a "foreign" look.

In a tie for 6th at 64 was Peter Thompson of Melbourne, Australia, and resting at 65 was Jerry Kesselring of Toronto.

Another of the players seldom winning anything—Joe Moore Jr., of White Plains, N. Y.—was in 2nd place with a 62, while three budding hotshots had 63's — Wally Ulrich of Maplewood, N.J., Shelly Mayfield of Chicopee, Mass., and Lionel Herbert of Erie, Pa.

Johnny Palmer of Charlotte, N. C., member of the old guard, was among the top men, his 65 tying Johnny Weitzel of Hershey, Pa., and Kesselring for 8th place. But there were two with 64's. They were Dick Knight of Omaha, Neb., and Thomson.

Nats, Orioles Swap Fielders

Senators Get Sievers in Straight Player Deal for Gil Coan

ORLANDO, Fla. (INS) —Washington Senators, seeking to plug the gap in right field, have acquired Roy Sievers from the Baltimore Orioles.

Senators in return sent outfielder Gil Coan to Baltimore. No cash was involved.

In announcing the trade from the Nationals' Orlando spring training base, Washington owner Cal Griffith, said that he has obtained Sievers to play the right field post vacated when Jackie Jensen was traded to the Boston Red Sox last fall for Tommy Umphlett.

Sievers, rookie of the year in 1949 while a member of the St. Louis Browns, played 1st base most of last season, batting .270 in 92 games.

Coan, who came up to Washington in 1945 after a .372 season with the Chattanooga Lookouts of the Southern Association, batted a .196 in 68 games last season.

Ex-PHS Star Coaching at West Coast School

Many Pontiac sports followers will recall Bob Clark, one of Chiefs cage stars of other years, now coaching in a West Coast city. Clark is rounding out his fifth year as head basketball coach at Montery, Calif., High school. He has had an outstanding record there, according to reports.

Bob, former high-scoring forward with a crack Pepperdine (Los Angeles) College basketball team a half dozen years back, recently became a father for the third time. His family now includes two boys and a girl, the latest arrival.

Clark the son of Mr. and Mrs. Ray Clark of Pontiac.

Ezzard Charles, former heavyweight champion, had 42 amateur fights and won them all.

Schlundt, Kerr Still Lead Big 10 Scorers

CHICAGO (UP) — Individual scoring averages have dropped in Big Ten games for the past week, statistics showed today, but the position of the leaders was unchanged generally.

Don Schlundt of Indiana, the defending scoring champion and leader since the second week this season, continued in 1st place with a 29.2 mark, while John Kerr, Illinois, was 2nd with 24.4.

Averages were lower for both as Schlundt had been hitting over 30 points a game and Kerr was at 27 plus last week.

Behind the leaders were Dick Garmaker, Minnesota, 23.5, Paul Ebert, Ohio State, 23.2 and Julius McCoy, Michigan State, 22.2.

Badger Jumper Tops in National Class A

ISHPEMING (INS) — Billy Olson of Eau Claire, Wis., won the Class A jumping phase of the National Classic combined ski championships Thursday with leaps of 223 and 205 feet.

Olson, Denver University student, scored a total of 230 points.

In the runnerup position was Raymond Roy, Runford, Me., with 197.4 points after scoring jumps of 204 and 181 feet.

In the Class B championship, John Cress of Denver was 1st with 210.5 points with a pair of 200 foot leaps.

Mann's Analysis: 'M' Holds Kings, OSU Aces in Big 10 Test

By GLENN ENGLE

ANN ARBOR (AP) — "He's got the aces and I've got the kings. The only question is whether there are enough kings in the deck."

That's Matt Mann's analysis of the Big Ten swimming championships coming up at his Michigan pool in two weeks.

The "he", of course is Mike Peppe of Ohio State, Mann's perennial rival for Big Ten and national swimming honors.

What Mann was driving at was that where Ohio State can grab big blocks of points on 1st places — the aces — he'll have to pile up points on 2nd, 3rd, 4ths, 5ths and 6th. A 1st place is worth seven points and the others range from five down to one.

Way he figures it, Ohio will win the 50-yard, 100-yard, 220- and both diving contests.

That leaves the individual medley, freestyle relay and the breaststroke. Mann said his boys should take all of these — leaving no 1st for the other eight schools.

The venerable Michigan coach is counting on Bumpy Jones of Pontiac in the individual medley and Burt Wardrop in the breaststroke. The freestyle relay team he says, "may or may not be" the same foursome which set a new national collegiate mark in the event last Saturday against Michigan State.

Tired Greyhound!

PARIS, Texas (AP) — Hunter Richey's old greyhound, Buster, has quit chasing jackrabbits. His feet are killing him.

That's because the jackrabbits have learned to stay on the paved highway where the running is easier.

Buster's almost worn the pads off his feet chasing them.

SHOULDER HIGH—Marion Ladewig's backswing is no higher than her shoulder.

Bill Corum Figures Ezzard Charles Has Chance to Regain Heavyweight Title From Rocky Marciano

By GRANTLAND RICE

NEW YORK—The most inconsistent heavyweight now at large is probably the next man to meet the champion, Rocky Marciano. His name is Ezzard Charles. Bill Corum figures Charles has quite a chance to be the 1st heavyweight to regain the big title, and the Colonel may be right.

* * *

For no one can tell what Charles is going to do under any given situation. He whips Joe Walcott in a couple of 15-round title bouts. Then Walcott knocks him out in seven rounds in Pittsburgh.

* * *

Next, he has Jersey Joe at his mercy and then refuses to plant the coup de grace. Walcott is too exhausted at the finish to throw punches so he staves off defeat by feinting and is given the decision.

* * *

Then Charles meets Ray Leone, a fighter whom nearly everybody beats. According to Jack Dempsey, who refereed the fight, there were seven rounds in which neither Layne nor Charles did a lick of fighting. **So he called these seven no-hit rounds draws.** "I couldn't score them anything else," Jack said. So Layne got the decision. With episodes of this nature scattered through his career, it is rather difficult to rate Charles at all.

I have seen him fight well more than once. I have seen him give skillful boxing lessons and hit with cutting force. I have seen him deliver a number of extremely sour sorties.

* * *

Now Rocky Marciano is no cross between Jim Corbett and Billy Conn as a boxer. But he never quits trying—never stops throwing punches under any circumstances.

* * *

Take Charles off his average performance, or his worst showing, and he wouldn't have an outside chance. Take him off his best showing and he would have a chance.

Rocky would be a cinch to wreck Charles in one of Ezzard's average evenings. I would pick him to have the edge with Charles at his best, although that could be something of a thriller. There isn't any doubt but that Charles is the best chance left for a good show.

Women Keglers Advised to Avoid Extra Backswing

(Fourth of 12 Articles)

By MARION LADEWIG

One of the more common mistakes beginners make is an exaggerated backswing.

They feel they can mow pins down with sheer power, so try to add extra speed with a high backswing.

This is completely wrong. The longer a person bowls, the more he or she will realize it.

My backswing is no higher than my shoulder. This is true of almost every top bowler.

If the ball is brought back any higher, it tends to pull your body around and out of line with the target. My body is still facing forward, even though my backswing is at its peak.

Keep the motion a smooth, flowing one.

Don't force or rush the backswing at any time.

Once the ball reaches its peak during the backswing, let it start forward naturally, building up momentum as the ball swings down in its arc.

The entire approach and delivery of the ball must be coordinated accurately.

This is particularly true of the backswing.

NEXT: Timing.

Two Officials Suspended After Davey Loses Bout

By BOB MYERS

LOS ANGELES (AP)—Controversial Art Aragon of Los Angeles held a decision over southpaw Chuck Davey today and two officials of the bout were under suspension as a result of the disputed decision.

* * *

Touching off an immediate roar of disbelief and disapproval from most of a turnaway crowd of 10,400 fans, Los Angeles' self-styled Golden Boy was awarded a split decision at the end of 10 rousing rounds at the Olympic Auditorium last night. The match was not televised.

* * *

Chairman Tony Entenza and Commissioners Everett Sanders and Norman Houston of the California Athletic Commission went into a hurried conference within a matter of minutes.

Soon after, Sanders hustled down to Davey's dressing room and announced that the two officials who had voted for Aragon, Referee Mushy Callahan and Judge Joe Stone, had been suspended.

* * *

"This is the worst decision I have seen in many years of attending fights," Sanders told Davey, newsmen and a room crammed with hangers-on.

Callahan, a former fighter and a veteran referee, scored the fight 56 points to 54 for Aragon. Stone scored it 55½-54½ for Aragon, under the California 11-point-per-round system.

Charlie Randolph, the other judge, called it for Davey 58-52.

The Associated Press had it 56-54 for Davey, with the Michigan State College graduate winning six rounds, losing three and one even.

Aragon was a 2-1 betting favorite.

Sanders called for a hearing Feb. 24. He said it probably is impossible to reverse the decision, but he declared:

* * *

"We are going to cut out these bum decisions and the split decisions. We will not tolerate such a lack of uniformity."

The 27-year-old Davey, sitting on the rubbing table, grinned half-heartedly and said:

"I was the most surprised guy in the house—unless it was Aragon."

In the second round the 26-year-old Aragon landed, by the count, seven right-hand punches to Davey's jaw and head. In the fifth he connected with three solid wallops to the head, and in the seventh he shifted to the mid-section and landed two healthy smacks.

The dancing, retreating, jabbing Davey took them all, and kept a constant stream of rights stabbing away at Aragon's chin and damaged left eye.

There were no knockdowns, and neither fighter appeared seriously hurt at any stage. But the action was constant and kept the crowd in an uproar.

Tartars Snatch Win as Game Time Ebbs

YPSILANTI (AP) — Ron Porter broke a 50-50 tie with 3½ minutes left in the game and Wayne went on to defeat Michigan Normal 60-54 in basketball last night.

With the score tied, Porter, a Tartar guard, poured in three quick baskets to give Wayne all the points it needed to win.

Many Champs to Compete in Ishpeming Jump

But Russians on Hand Just to Present Trophy Not to Ski

ISHPEMING (AP) — Champions and former champions — but no Russians — will compete this weekend for the National Nordic Ski Championships at this birthplace of American competitive skiing.

Two Russians will be on hand but they'll be there only to present a trophy to the National Skiing Association of America to commemorate its 50th anniversary.

Earlier there had been confusion over an erroneous assumption that a Russian skier might compete.

Ninety-one jumpers, including a crack field of 37 Class A riders, will enter the national tournament over Ishpeming's famous "Suicide Hill" Saturday and Sunday.

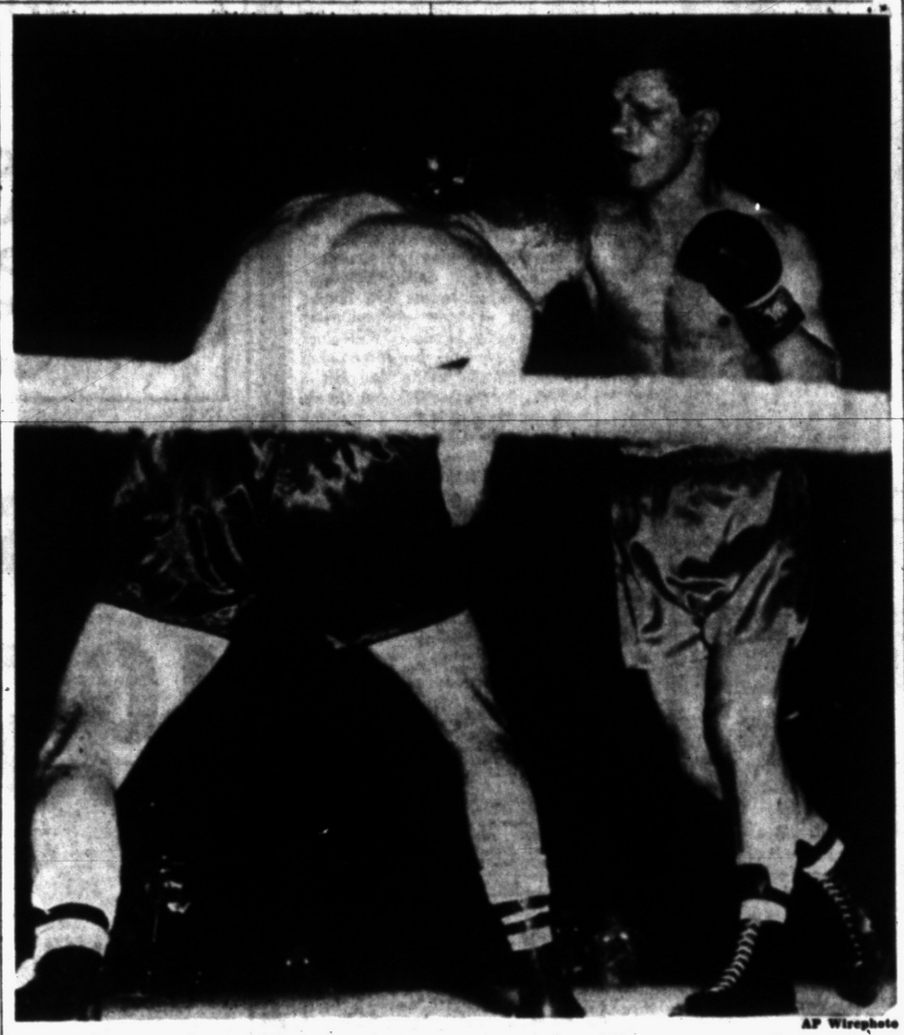

Among the Class A jumpers entered in the Nordic National event are Billy Olson of Denver, 2nd-place finisher in the 1953 nationals; Ralph Bietila of Ishpeming, 3rd in the 1953 nationals; Wilbert Rasmussen of Ishpeming, 1954 Central U. S. Ski Association champion; Roy Sherwood, Salisbury, Conn., power jumper; Dick Rahoi, Iron Mountain, past national Class B champion, and Gunnar Jansen of Denver, 2nd in Class B in the 1953 nationals.

Only Art Tokle, 1953 Class A champion, won't be around to defend his title. He is in Falun, Sweden, participating in the FIJ (Federation International De Ski) championships.

Heading the list of Class B riders are Ishpeming's Ray Gauthier, past national Class C champion, and Rudy Maki, one of the top performers of the year.

Tauno Pulkkinen of the Finnish Ski Club of New York, past national 18-kilometer cross-country champion, leads the list of entries for the 18-kilometer and 30-kilometer national cross-country championship. These events will be held today.

In 50 American Bowling Congress tournaments, 409 bowlers have scored a 1900 all-events total. But only 46 have hit the 211 plus average more than once.

AP Wirephoto

ARAGON DECISIONS DAVEY—Chuck Davey (left) of East Lansing, Mich., slips under a straight right thrown by Art Aragon of Los Angeles in their welterweight bout in Los Angeles Thursday night, which Aragon won on a split decision. Aragon weighed 146 and Davey a quarter of a pound more. The decision was met with prolonged boos from the sellout crowd of 10,400. After the bout the California athletic commissioner announced he was suspending the two officials who voted for Aragon.

February Thaw Hits State Skiing Areas

DETROIT (UP)—February thaw has closed all but eight Michigan winter sports areas for weekend skiing, it was reported today.

Boyne Mountain managed to keep two slopes open with shoveled-in snow. Twelve inches of granular snow kept some Caberfae runs open.

Other parks scheduling weekend skiing on a limited basis were Mt. Mancelona, Missaukee Mountain, Snow Valley, Waters Ski Village, Otsego Ski Club and Snowsnake Mountain.

Michigan State will have cocaptains in football for the first time since 1942. Halfback LeRoy Bolden and end Don Kauth will lead the 1954 squad.

Beattie Motors	8	2	WHS Faculty	3	7
Drayton Drug	7	3	Davis M'chry.	2	7
Manny's R'side	5	5	Poole Lumber	1	9

Clarkston Merchants wound up the regular schedule of the Waterford Township Recreation Basketball League in undefeated style Thursday night with an easy 57-43 win over Poole Lumber. Merchants led, 39-15, at the half.

Dom Mauti led the balanced Clarkston scoring with 13 points and teammates Percy Moore and Ed Hintz chipped in with 12 and 11. Chuck Gillis of the Poole five tossed in 24 for game honors.

Beatties downed Manny's Ringside, 47-33, with Clark Rouse and Doug McKay each hitting 12 points. Dick DeWitt led Manny's with 16. Chris Babler's 16 points paced Davis Machinery to a 53-48 edge over Waterford High Faculty, whose Seth Cummings had 15 points.

Drayton Drug tripped Briggs, 43-39. Frank Keelean with 13 and Bob Pickett with 12 points sparked the winners while Bob Walter had 14 for Briggs. Playoff action begins Monday.

Early Edge Not Enough to Keep Wings in Front

Canadiens Come From Behind, at Montreal, to Defeat Detroit, 4-2

MONTREAL (AP) — Detroit Red Wings jumped off to an early two-goal lead but were blanked the rest of the way as the Montreal Canadiens came from behind for a 4-2 victory last night.

Montreal victory moved the Canadiens into a tie for 2nd place with Toronto behind the 1st-place Wings in National Hockey League standings.

Detroiters scored 1st on goals by Red Kelly and Ted Lindsay. But the Wings seemed to tire as the game went on. They were also belted hard by the body-checking Canadiens.

Red Wing goalie Terry Sawchuk, twice winner of the Vezina trophy, played a whale of a game despite letting four shots get behind him. But Sawchuk couldn't afford four goals since he is locked in a duel with Harry Lumley of Toronto for top goalie of the league.

Canadien goals were tallied by Ken Mosdell, Maurice (Rocket) Richard, Bert Olmstead and Elmer Lach.

Jones Estimates Tiger Rebuilding to Take 5 Years

HILLSDALE, Mich. (AP) — Red Jones, former American League umpire, thinks the Detroit Tigers will require at least five years of rebuilding before the Bengals become pennant contenders.

Jones, in a speech to the Hillsdale Lions Club picked the Yankees to win the 1954 American League pennant. He said Cleveland, perennial Yankee chasers, again lack team balance to beat out the New Yorkers.

Forecasting the five-year plan for the Tigers, Jones said he thought Walt Dropo should round into a good-hitting 1st baseman for the Bengals this year.

Royal Vale Favored in Widener Handicap

MIAMI, Fla. (AP)—Fourteen thoroughbreds rested in their stalls or took final spins on the track today in preparation for the $139,400 Widener Handicap at Hialeah Park Saturday.

Mrs. J. R. H. Thouron's English bred Royal Vale remained the 5-2 favorite despite top weight of 126 pounds in the mile and a quarter classic. Jack Westrope is scheduled to ride Royal Vale.

Greentree stable's Straight Face, winner of last year's Flamingo Stakes, was a solid 2nd choice at 3-1. He will carry 121 pounds, most of it jockey Ted Atkinson.

Rochester Near 3rd Straight Title

By JACK SAYLOR

Rochester seeks tonight to write the climax to a brilliant Tri-County League record. Already assured **at least a tie,** Gene Konley's Falcons **can win their 3rd** straight **basketball championship** and their **4th in the last five years** with a **triumph at Oxford.**

Since Konley began directing the Falcon cagers they have won 45 league games and lost only nine. Their overall record for the same period is 80-25.

In the 1948-49 season, a Don Quayle-sparked Oxford quintet won the Tri-C title with Rochester finishing 2nd. Rochester won 10 straight league games the following year and went to the semi-finals of the state tournament.

Romeo won in 1950-51 with the Falcons and Imlay City tying for 2nd. Since then it has been all Rochester. It is such domination as this (along with the stranglehold Rochester and Lapeer have had on football championships) that has caused the league's break-up.

Oxford (Class B this year) for many years was a capable Class C team, as is proven by its fine tournament record, but the Wildcats are one of the teams that has had to take a back seat in league play.

However, Oxford always has been a tough customer for Rochester. For instance, the Wildcats won only four games last year, but one was a 51-50 upset of the Falcons. Nothing is sweeter to the forces of Coach Jean Harkness than a win over Rochester and the tall, bespectacled Ohioan can be expected to have his team primed for an upset bid tonight.

Rochester enters the game with a 12-1 record and a 7-game winning streak. Falcons have been idle since Feb. 9. Oxford won its last two starts to bring its record to 6-6.

Clarkston and Utica also are working on 7-game win strings tonight. Wolves play at Clarenceville and Utica faces Eastland.

Three other teams are hoping to clinch at least championship ties. Farmington meets Waterford with an eye on the Inter-Lakes crown and Northville can get a foot in the Wayne-Oakland throne room by beating Holly. Troy, title-bound in the Oakland B, goes to Madison.

Action is limited in the Pontiac area tonight, with the exception of Pontiac High's home game against Saginaw. In addition to the games at Oxford and Holly, Walled Lake is home to Van Dyke, Lake Orion entertains Lapeer, and Avondale hosts Fitzgerald.

The schedule:

Saginaw at Pontiac; Waterford at Farmington; Van Dyke at Walled Lake; Berkley at Southfield; Rochester at Oxford; Lapeer at Lake Orion; Romeo at Tawas City; Kenge Harbor at Brighton; Clarkston at Clarenceville; Northville at Holly; Fitzgerald at Avondale; Troy at Madison; Clawson at Roseville; Birmingham at Port Huron; East Detroit at Hazel Park; Ferndale at Mt. Clemens; Imlay City at Mayville; North Branch at Millington; Eastland at Utica; Lake Shore at Warren; Lakeview at South Lake; Almont at Armada; Capac at Brown City; Dryden at Memphis; Wyandotte at Royal Oak; South Lyon at Pinckney; OL St. Mary at St. Andrews.

Pontiac Press Photo

SEEK CLEAR TITLE—Three in a row! That's the aim of Rochester High School's cagers as they meet Oxford tonight on the latter's floor. Already assured no worse than a tie, Gene Konley's Falcons can wrap up their 3rd straight Tri-County League championship by winning. Shown with their coach are (from the left): Roger Forbush; Max Powell; Arlan Stone, the county's leading scorer; Earl Kitchen, Don Robertson and Jerry Dahlman. Rochester boasts a 12-1 record and a 7-game winning streak.

Spartan Grid Aides Approved by State Board

Ex-Army Player Joins Devine, Mason, Smith, Devaney at MSC

EAST LANSING (AP)—The junior aides in the Michigan State football setup moved up today with the naming of a corps assistants by Hugh (Duffy) Daugherty.

Daugherty, handpicked by Clarence (Biggie) Munn to become head coach when Munn was appointed athletic director, followed the same pattern of depending on young talent.

Daugherty's list of appointments was given approval by the state board of agriculture, college governing body. The list followed the order predicted.

In addition, William F. Yeoman, a former Army center and captain of the 1948 West Point squad was named an assistant coach.

Yeoman won a varsity letter at Texas A & M in 1945 and was a letterman at West Point from 1946 to 1948.

The other appointments:

Freshman coach Danny Devine to backfield coach. Devine, a back at the Duluth branch of the University of Minnesota, coached at East Jordan High.

Assistant coach Don Mason to line coach. Mason, youngest member of the MSC coaching staff, was an AP All-American guard for Michigan State in 1949.

Assistant coach Bob Devaney to end coach. Devaney a Saginaw Arthur Hill high and Alma College football end, moved to Michigan State last year after a successful high school coaching career.

Burt Smith, Flint Northern coach, to assistant varsity coach. Smith already has submitted his resignation at Northern.

Everett (Sonny) Grandelius to freshman coach. Grandelius from Muskegon Heights, was an AP All-American back graduating in 1950. He played pro football with the New York Giants last year.

Barbers Extend League Margin

PONTIAC TABLE TENNIS LEAGUE

	Pts.		Pts.
Capitol Barbers	54	Dick & Wes	36
Furtney Drugs	50	Stewart Constr.	34
Typhoon Steel	42	Pont. Varnish	32
Newberry Market	37	Pont. Cig. Serv.	21

League-leading Capitol Barbers gained a point in their battle to hold off 2nd place Furtney Drugs in Pontiac Table Tennis League play Thursday night. Barbers took five points from Stewart Construction, while Furtney won four and dropped two to Dick & Wes Sports.

Typhoon Steel took 3rd place with a 6-point sweep over Cigarette Service, as Newberry Market was losing five to Pontiac Varnish.

Best singles matches of the night saw Ron Connole of Newberry defeat Dave Brown of Varnish, 21-19, 19-21, 21-19, and Ruth Saunders of Stewart's trip Mary Jacober of Capitol, 21-19, 21-19.

Status of Berlin Meeting Higher After Asian Plan

By PHIL NEWSOM
United Press Foreign News Editor

The Western Allies and Russia have agreed on an Asiatic peace conference with Red China. Now all that remains is to find out whether Red China also agrees.

And whether Red China agrees to the same terms as finally reached by the United States, Britain and France and Russia's Foreign Minister Vyacheslav Molotov.

The proposal that the conference start April 15 at Geneva, Switzerland, seems on the basis of past performance, optimistic. The time is less than two months away, and there are details in the present accord which are bound to be distasteful to the Chinese Reds.

However, the agreement to hold an Asiatic conference, as announced today from Berlin, saved the present meeting from total failure and will have far-reaching effects.

It enables French Foreign Minister Georges Bidault to return home with some hope for a negotiated truce with the Reds in Indochina.

Such a conference presumably will mean abandonment of stalemated attempts at Panmunjom to arrange a Korean peace conference there, and it will cause consternation in Formosa where Nationalist Chinese are fearful of a United States deal with Red China at their expense.

As of now, Molotov has agreed that the Geneva meeting should be limited to specific Far Eastern problems with Korea first on the agenda and Indochina second.

On their side, the Western Allies apparently have made a major concession in agreeing that Russia will not be regarded as a belligerent in the Korean War — a major stumbling block in the Panmunjom negotiations.

However, Russia also has been forced to agree that the Geneva meeting does not constitute recognition of Red China as a major power with a right to a voice in world affairs. On that point the Red Chinese may balk.

At Berlin, Molotov could and did act as if he were the last word on Russian policy in Europe.

But the last word on an Asian conference is not Molotov's but Red dictator Mao Tse-tung's.

The Chinese have taken pains to demonstrate that they are neither a satellite nor a junior partner of the Soviet Union, but an equal associate in the Communist world.

And it should not be overlooked that Mao gained power with a minimum of Soviet assistance and even contrary to Soviet advice.

It is a matter of historic record that Stalin did not foresee the collapse of the Chiank Kai-shek government and at the end of the war asked Mao to work out some kind of a deal with the Nationalists.

The lesson of Tito's withdrawal from the Soviet family likewise has not been lost on the Russians and they have taken pains not to encroach too far on their Red Chinese allies.

Most Western observers in Berlin have abandoned the theory that Russia is operating behind a "blind" and really wishes to exclude Red China from world councils.

They believe the Soviet Union and Red China may have differences of opinion about the war in Indochina but that in this case the Russians are acting as "brokers" for Red China, trying to drive the best bargain they can.

Tiger Is Docile, Ready for Display

NEW YORK (AP) — The Bronx Zoo has decided recently its Warracaba tiger is strong enough to come out of the hospital and go on display. It is 14 inches high and 20 inches long. It has small ears shaped like teaspoons, dachshund-like legs and a stubby, three-inch tail.

The Warracaba tiger is a relatively docile South American bush dog. The name comes in part from the bone-chilling reputation, a mixture of fantasy and legend, it has achieved among natives of British Guiana, and the fact that it sounds like a noisy bird, the Warracaba.

"It wags its tail frequently," says a zoo expert.

Great lakes fleets in 1954 will have a capacity of 4,993,147 gross ton per trip, the largest in the shipping history.

Grains Recover After Sell-Off

CHICAGO (AP)—Grains sold off at the opening and then bounced back on reports of dust storms in the southwest on the board of trade today.

New crop wheat futures, most influenced by the dust storm report, recovered to above the previous close. Soybeans also canceled early losses. Feed grains tended to lag on recovery.

Wheat near the end of the first hour was ¼ to 1½ cent higher, March $2.15¾, corn ⅛ lower to ¼ higher, March $1.51⅛, oats unchanged to ⅝ lower, March 77⅞, rye unchanged to ¼ lower, March $1.18, soybeans ¼ to 2 cents higher, March $3.30¼ and lard unchanged to 5 cents a hundred pounds lower, March $16.95.

Insists 40-Hour System Upheld

GM Tells UAW Over 170,000 on Long Week, Cuts Temporary

DETROIT (AP) — General Motors says its scores of thousands of hourly employes are working "more than 40 hours per week on the average."

The company also says it has 30,000 more persons on the payroll in the United States than it had at this time last year and that many of its plants are working overtime.

Reduced work weeks in some lines are expected to be temporary, the company said.

The corporation made the statement yesterday in a comment on its labor lineup after the CIO United Auto Workers had complained over what they called GM's "short work weeks —or share the work schedules."

The union, in a letter to GM President Harlow H. Curtice, asked the company to readjust schedules in order to provide "40-hour work weeks for regular employes."

It complained over what it called widespread short work weeks for regular workers. The union said GM at the same time has hired new employes and instituted second shifts in some plants.

H. W. Anderson, vice president in charge of personnel, besides mentioning a 40-hour average work week, increased GM employment, and overtime, said the company's more than 170,000 hourly paid workers in Michigan are "currently scheduled to work between 32 and 40 hours per week, which we expect to be temporary."

Market Mixed, Fractions Only

NEW YORK (AP)—The stock market moved along a narrow path today with prices well mixed.

Changes seldom were more than small fractions, and many leaders remained unchanged from the previous closing price.

Aircrafts were unchanged to higher and did better than most major divisions.

Higher stocks included New York Central, Allied Chemical, American Woolen Common, Bethlehem Steel, General Motors, Douglas Aircraft, and United Aircraft.

Lower were Southern Pacific, Standard Oil (NJ), Dow Chemical, General Electric, Youngstown Sheet & Tube, Goodyear, and Goodrich.

NAM Chairman Favors Uniform Excise Tax

HAGERSTOWN, Md. (AP)—A uniform flat-rate manufacturers excise tax "to replace the present hodgepodge of highly discriminatory luxury excise taxes" was called for today by an official of the National Association of Manufacturers.

Charles R. Sligh Jr., chairman of the board of the NAM, told the Hagerstown Kiwanis Club, "Our administration must have the revenue it is now receiving from present excises to run the government." The uniform excise tax seems fairest to families at all income levels."

Need Bigger Licenses

HARTFORD, Conn. (AP)—Automobile license numbers are getting bigger in Connecticut. Four digits used in combination with letters did the trick until recently. All possible combinations have been exhausted, however, and the state has had to go to five digits.

Mitchell to Talk at Flint Tuesday

U. S. Secretary of Labor Will Make Nationwide Radio Address

FLINT (INS) — Labor Secretary James P. Mitchell will tour Flint auto plants next Tuesday and deliver a nationwide radio address at night.

It will be the Cabinet officer's first major speech since he was appointed to his present post several months ago to replace Martin Durkin, who resigned in protest over Taft-Hartley Law changes.

Mitchell, invited to Flint by the Genesee County Republican Committee, will discuss "Labor's Future With Eisenhower" in the radio talk from Flint's Industrial Mutual Association Auditorium.

During the day, he will meet with CIO and AFL leaders and tour the Buick, Chevrolet, AC Spark Plug and Fisher Body plants.

Business Notes:

GM Plans Tests on Pike's Peak

New Proving Grounds to Be Permanent Along With Milford, Mesa

General Motors Corp. announced today it will open an engineering test headquarters at the base of 14,000-foot Pike's Peak near Manitou Springs Colo., April 1.

The unit will test cars and trucks over the twisting, 18-mile-long road that rises 6,686 feet from plateau to the summit of the peak.

Charles A. Chayne, GM vice president in charge of engineering, termed the highway an "ideal stretch on which to test engines automatic transmissions, carburetors brakes and cooling systems" under extreme altitude and grade conditions.

The Pike's Peak road is noted for hairpin turns. It has a maximum grade of 10.5 per cent and an average grade of seven per cent.

Chayne said all five General Motors divisions will use the new test unit. The Peak proving grounds will be maintained permanently along with units already established near Milford, and Mesa, Ariz.

The Panther Daytona, Packard's plastic experimental sports convertible, traveled 131.1 miles an hour Tuesday on a mile speed course at Daytona Beach, Fla. The company said this was the highest speed ever made by a car of this class.

P. F. Karner, of 711 Menominee Rd., a Hardware Mutuals insurance sales representative, recently was presented an honor award for sales work and service to his policyholders. The award was made at a conference in Grand Rapids.

Detroit Edison Co. today reported net earnings of $20,671,853, equal to $1.93 a share, for the year ended Jan. 31. The company said it earned $17,651,192, or $1.73 a share, during the previous year. Power use in its service area last week was 4 per cent under that of the corresponding week of last year but 12 per cent over the same period two years ago, the company added.

WARNING

BLOOMFIELD TOWNSHIP TAXPAYERS

February 28, 1954 is the last day for payment of the 1953 County and School taxes without penalty or interest.

After this date taxes are payable only at the Oakland County Treasurer's Office, Pontiac, Mich., with a 4% penalty and ½% per month interest charge added.

Buy your dog license now and save the penalty. Have proof of rabies vaccination.

ADVERTISEMENT FOR BIDS

Sealed proposals for the construction of an "Addition to Hartland Elementary School" will be received by the Hartland Consolidated School District's Board of Education at the High School Building, Hartland, Michigan, until 8:00 p.m., E.S.T., Thursday, March 4, 1954. The owner reserves the right to reject any or all bids and to waive informalities. At the above time and place, bids will be publicly opened and read.

Copies of Plans, Specifications, and other proposed contract documents are on file at the Hartland School Superintendent's office, at the Architect's office in Ann Arbor, at the Dodge Plan Room in Detroit and Flint, and at the Builders' and Traders' Plan Room in Detroit and Lansing.

Contractors may obtain copies of the contract documents from the Architect, Charles W. Lane, 1160 Blakeway, Ann Arbor, Michigan, or the Superintendent of Schools, Hartland High School, Hartland, Michigan, upon deposit of $25.00 per set. This deposit will be refunded in full, provided the Contractor submits a bona fide proposal and returns the documents in good condition within 30 days after the bid opening.

Proposals must be accompanied by a certified check or Bid Bond equal to five per cent (5%) of the total proposal submitted. Security shall be made payable to the Board of Education, Hartland Consolidated School District, Hartland, County of Livingston, Michigan.

Proposals shall be based on a General Contract which shall include all trades and/or subcontractors.

No bids may be withdrawn after scheduled closing time for at least thirty days.

(Signed) PERCY R. ALLMAND,
Secretary of the
Board of Education

REGISTRATION NOTICE FOR GENERAL MUNICIPAL ELECTION APRIL 5, 1954

To the qualified electors of the City of Pontiac, Michigan:

Notice is hereby given that in conformity with the "Michigan Election Laws," I, the undersigned City Clerk will upon any day except Sunday or legal holiday, the day of any regular or special election or primary election receive for registration the name of any legal voter in said City of Pontiac not already registered who may apply to me personally for such registration.

Notice is hereby further given that I will be at the City Hall on Monday, March 8, 1954 from 8:30 a.m. until 5 p.m. the last day to receive registrations and transfer of registrations by personal application.

Dated: February 17, 1954.

ADA R. EVANS,
City Clerk
Feb. 18, 19, '54

Feb. 17, 18, 19, '54

STATE OF MICHIGAN—In the Probate Court for the County of Oakland, Juvenile Division.

In the matter of the petition concerning Loraine Hackney, minor. Cause No. 13329.

To Vallis Hackney, father of said child.

Petition having been filed in this Court alleging that the present whereabouts of the father of the said minor child is unknown and the said child has violated a law of the State and that said child should be placed under the jurisdiction of this Court.

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Court House in the City of Pontiac, in said County, on the 2nd day of March, A.D. 1954, at two o'clock in the afternoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press (a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 18th day of February A.D. 1954.

Seal ARTHUR E. MOORE
A true copy PAULINE E. HEWITT,
Deputy Probate Register,
Juvenile Division

Stung in Card Game

ANSONIA, Conn. (AP)—City Clerk Paul E. Schumacher reached into his pocket for his handkerchief during a card game. He felt a sharp jab on his index finger. A wasp had got into his pocket.

Auto Makers Set to Display Wares

DETROIT (UP) — The Motor City's auto show begins its eight-day run at the State Fairgrounds Saturday with most of the industry's major automotive manufacturers displaying their wares.

The automotive exhibits will fill 150,000 square feet of floor space in four buildings — the Coliseum and Commercial Exhibits, Dairy and Agricultural buildings. A two-hour stage show also will be offered daily at the Coliseum.

Mayor Albert E. Cobo proclaimed Feb. 20-28 Auto Show Week in Detroit in conjunction with the exposition.

What's This All (A)Bout?

MEMPHIS, Tenn. (UP) — Roy Sockwell was booked Thursday on charges of assault and battery.

Death Notices

COMISKEY, FEBRUARY 18, 1954, Fredrick P., 7640 Barnsbury Rd., Commerce Township, age 44; beloved husband of Mrs. Thelma Willson Comiskey; dear father of Fredrick T., James, Ellen, and Linda Comiskey; beloved brother of Mrs. Paul Plato and Raymond Comiskey. FRANCHISE FOR ESTABLISHED bottle gas route. Domestic and Commercial users. Exclusive merchandising program. Experienced driver available. Show room for lease if desired, or can move route. Illness forces sale. For appointment contact Pontiac Press, Box 23.

SDD—APARTMENTS
A real money making proposition with lake frontage and a set up for boat rental. Includes real estate, fixtures, equipment, an $8,000 stock at wholesale prices, liquor, beer, and wine license. The business grossed over $225,000 in '53 plus the apts. bring in $400 monthly. This is a real set up and very suitable for partners. Liquor sales alone were $150,000. Offered with $30,000 down and would consider some trade. Don't miss this opportunity.

MAIN STREET STORE
A going fountain and restaurant business. Owner paid over $10,000 for all the fine equipment and fixtures when they were new. This place could be the most outstanding place in town if handled correctly. The building has a full basement with gas heat, and a very very large 7 room and bath apartment above. Can be handled with $7,000 down or consider some trade.

Lewis Is Busy Day and Evening

Best Known as Emcee for TV Hours Such as 'Name's the Same'

NEW YORK — The young man behind the horn-rims, a star on TV, is a showman from way back.

Born in New York on April 25, 1921, Robert Q. Lewis' (the Q. stands for nothing in particular) spent childhood summers on Long Island organizing and operating kids' theaters in the garage back of the Lewis home.

His biggest production in that period was a circus, complete with tatooed lady, a weary old horse and some not-so-wild "jungle" cats. Bob was ringmaster, press agent and principal stockholder.

Mustered out of the Army because of an asthmatic condition, Lewis signed on as a disc jockey at a local New York station, and did so well that a national network hired him for a local comedy show and as a summer replacement. All this in 1943, two years after he'd left college.

About this time, a redhead named Godfrey was beginning to attract attention. Robert Q. became one of his ardent fans, hardly aware, of course, that one day he would be tapped for the job of substituting for a vacationing Godfrey.

The call to the Godfrey microphone came in April 1947. His easy-going style and playful chatter "caught on" quickly.

Through the years, Robert Q. has been one of the busiest performers on the networks. Among the shows he has emceed have been his "The Show Goes On" and "The Robert Q. Lewis Show," both evening presentations.

Now, with his "Name's the Same Show," Bob has forsaken his Godfrey stints. He's tied up five afternoons a week on television. Robert Q. is definitely on his own. And he likes it.

Gives Birth to 23rd Child in 25 Years

TIVERTON, R.I. (AP)—For the 23rd time in her 25 years of marriage, Mrs. Irene DeMello, wife of an unemployed farmer, has become a mother.

The 23rd child, a girl, arrived yesterday in St. Anne's Hospital, Fall River. The infant was the eighth girl in succession and is one of 17 surviving DeMello children, the eldest 23.

* * *

All the children were born separately to the 40-year-old Mrs. DeMello. The first born lived only until 2 years old and five others died at birth.

Twelve of the children live in a six-room farmhouse.

Charles DeMello, the 51-year-old father, gave up farming about eight months ago because of lack of funds and help. He said he sold his two cows and is looking for other work.

The family subsists on a weekly $25 welfare check from the town, plus what DeMello can make by salvaging automobile parts from a nearby dump.

DeMello said his weekly food bill is $48.

Of the farmhouse, he told newsmen with a grin: "We've got six roms, all bedrooms."

Border Towns Join Hands in Celebration

LAREDO, Tex. (AP)—The biggest Washington birthday celebration won't be along the shores of the Potomac but right here on the banks of the Rio Grande.

Starting with the whoppin' and hollerin' stockman's ball tonight, this border city swings into four days of international celebration that smatters more of chili, tamales and Indian raids than it does Mount Vernon and the cherry tree legend.

* * *

To the cries of "Viva Jorge," 100,000 Mexicans and Texans will celebrate with a parade featuring Pocahontas, hundreds of Indians on horseback, 41 bands; a Noche Mexicana (Mexican night) with entertainment by top movie and TV stars from Mexico City; and bull fights in Nuevo Laredo.

* * *

Just how George Washington and Pocahontas became the main figures in the city's only major celebration goes back to 1897 when the Anglo residents of Laredo tried to find some festivity in which their neighbors in Mexico could join.

They found that the Mexicans didn't hold the holidays or heroes of Texas and the United States in too high regard. The only American they considered a hero was George Washington, whom they ranked along with Benitro Juarez, Father Hidalgo and Simon Bolivar as one of the great liberators of the Western Hemisphere.

The Pocahontas that has gotten into the act in all of the 57 celebrations here is no relation to the Pocahontas of John Smith fame.

* * *

Legend in this 200-year-old border settlement had it that the city was once saved by an Indian maiden who gae the alarms that the Apaches were coming.

None knew her name but the Order of Red Men, a fraternal society that helped stage the first celebration, suggested that her name might have been Pocahontas. And Pocahontas it has been ever since.

International good will is the theme of the celebration. The U.S. Immigration Service relaxes its usual restrictions to allow Mexicans from the interior to cross the Rio Grande for 72 hours without a visa. During the celebration the border all but disappears. Laredo and its sister city Nuevo Laredo practically swap populations.

TOP TV STAR — Donald O'Connor, versatile comedian, took one of the top awards at the Academy of Television Arts and Sciences ceremony held recently in Hollywood, Calif. O'Connor was named as the best male star.

DENNIS AND GIRL FRIEND—Pretty, blonde Barbara Ruick portrays Dennis Day's new girl friend on the TV "Dennis Day Show." The accomplished young starlet sings and dances and adds a decorative note to the goings on of Dennis' show.

Solons Answer Williams' Attack

Lash Back at Governor for Pinning 'Fake' Tag on GOP Jobless Bill

LANSING (AP) — Two prominent senators lashed back at Gov. Williams today for charging the GOP-sponsored unemployment compensation bill is a "fake."

"It must be admitted," said Sen. James M. Teahen (R-Owosso), "that the governor is a master at fakery. It is nauseating to see the state's most vocal Democrat trying to compare himself to our President, when only a few months ago he worked assiduously in an attempt to bring about the defeat of President Eisenhower."

Williams accused the Republican senators of framing a bill which would be harsher than present law on idle workers. He demanded the Legislature raise benefits to 50 per cent of wages, as recommended by himself and President Eisenhower.

Teahen said Williams "has been consistently wrong" in his attacks on Republican legislation.

He declared Williams fought last year's business receipts tax, but now attempts to take credit for it.

He said Williams' veto of the "good roads" program would have left the farmers "bogged in mud and mire" if the Legislature had not overridden his veto.

Only united Democratic opposition prevented the GOP from overriding Williams' veto last year of an additional six-week compensation for unemployed persons, Tahen said.

"Those unfortunate individuals who have exhausted their benefits under the present law have only to blame the governor's calloused allegiance to leaders of monopolistic labor for their plight."

Sen. Creighton R. Coleman (R-Battle Creek), another sponsor of the bill, declared "the members of the Senate resent Williams' uncalled-for and libelous attack on on of our most honest and sincere Senators"—Teahen.

"Undoubtedly," Coleman said, "the attack is simply that of the Reuther - Williams - socialistic cabal."

Williams' criticisms, Coleman said, "show that the governor does not believe in constitutional government, but only in dictatorship by the executive."

Bituminous coal is mined in 30 of the 48 states and Alaska.

Michigan Man Dead in Navy Plane Crash

PENSACOLA, Fla. (UP) — Two men killed when their Navy trainer crashed into the Gulf of Mexico were identified today as Stanley Johnson, 24, of Cassopolis, Mich., and Lt. (j.g.) Francis M. Kahill, 26, of an Francisco.

The Navy said Johnson, an enlisted passenger in the plane, is survived by his mother, Mrs. Mack A. Holcomb, of Manistee, and his father, P. S. Johnson, of Cassopolis.

The SNJ trainer piloted by Kahill, plunged into the water off Perdido Bay late Thursday during a routine flight from Barin field. Both bodies were recovered.

Barin Field officials said they were investigating the cause of the crash.

Sweet potato production has decreased from 61 million bushels in 1946 to 28 million bushels in 1952. Sweet potatoes yield starch for textile and paper sizing.

Auntie Confused on Long Trip; All Ends Well

CHICAGO (INS) — A tiny and sprightly 77-year-old lady from Los Angeles—her $9,712 life savings safely tucked away in her money belt—is on her way to Jersey City, N. J., after a 48-hour "detour" in Chicago Psychopathic Hospital.

The little old lady, Miss Annie Burt, left by train last night on the last leg of her transcontinental trip. She was accompanied by Mr. and Mrs. Earl Drey, a niece and nephew who came to Chicago from Jersey City to get her hospital release.

Miss Burt was en route to the Drey's residence Tuesday when she became "a little confused" while changing busses in Chicago.

Her erratic behavior in hopping on and off several different busses attracted the attention of a sympathetic and zealous Traveler's Aid Society volunteer.

Authorities intervened to "help" her and took her to psychopathic hospital for treatment as an "amnesia victim." There psychiatrists examined her and found $9,712.95 cached away in a money belt.

Earlier, the pert Miss Burt had told police she had $22 on her person. When they pressed her and asked if she had any more money, she replied:

"Oh, I have enough to get along."

The musk ox of the far north is not really an ox at all, but a member of the sheep family.

Two State Osteopaths Head American College

LOS ANGELES (AP)—Dr. Arthur A. Speir of Merrill, Mich. was named president today of the American College of Osteopathic Obstetricians and Gynecologists.

Dr. H. C. Bruckner, Clio, Mich., was named second vice president.

Navy Patrols Guard H-Bomb Testing Area

By WILLIAM J. WAUGH

PEARL HARBOR (AP) — Tough little destroyer escorts today patrol the Pacific west of the H-bomb proving grounds on a 24-hour alert.

They watch the skies and plumb the ocean depth with electronic eyes, alert for any strange submarines or—in the words of an officer—any sneak attempt by hostile parties "to set up shop" on deserted islands.

These sea patrols are closely allied with air patrols sweeping the skies from the Marshalls to Japan. The patrols go on all the time, but now with hints of impending H-bomb tests at Eniwetok, their presence is of even more significance.

• • •

Having just returned from one of these sea patrols, I can say that there is more than the usual alertness among the radar and sonar crews.

Everyone in the Pacific is tight-lipped about the test which soon may explode the world's most awesome weapon. But you may be sure the Navy is quite aware of it.

• • •

Officers shudder if the word "atom" comes up in casual conversation. You hear this from top officers on down: "I don't know anything about it and I don't want to."

The air lanes around Eniwetok are so strictly regulated that no civilian planes are allowed and the only military planes going there are those specifically ordered.

A strengthened force of long-range planes, based at Kwajalein, maintains special patrols for the upcoming tests.

Must Report to Hubby

OAKLAND, Calif. (AP) — Mrs. Marie Peterson was embarrased to lose her purse, containing $76, in a movie. But she was more red-faced when she had to make a report to Deputy Sherriff Keith Peterson, her husband.

Archeologists Make Use of Bulldozer in Digging

RAPID CITY, S. D. (UP)—Instead of the usual slow, painstaking digging with hand tools, two fossil hunters from the School of Mines and Technology used a bulldozer in a sandpit near Mission, S. D., to turn up three fossils of a type never before found in South Dakota.

Word that a construction crew had uncovered some fossils in a sand and gravel pit caused Dr. J. R. Macdonald and Morton Green to go to the pit, where they directed further digging with the bulldozer.

They worked at the bottom of the discard chute, picking out fossils from the big chunks of rock. Both suffered bruised arms and legs—but they got a prize collection.

Plan Radio Telescope to Check on Universe

AMSTERDAM, Netherlands (AP) — The largest radio telescope on the European continent will be erected in the village of Dwingeloo in one of the northern provinces of The Netherlands.

Holland's leading astronomer, Dr. Jan Hendrik Oort, said the telescope is a gigantic aerial-system for picking up and measuring very high frequency radiations from celestial bodies which can't even be observed with the strongest telescope.

This modern science recently has led to important discoveries on the dimensions of the universe.
