

'Mad Dog' Killer Seized in California

Snow Etches Scenic Beauty Throughout City

WINTER FAIRYLAND—Heavy, clinging snow which fell yesterday in the city was a nuisance under foot, but to compensate for this were unusual scenic rewards as depicted above. The top picture was made on Lafayette Street, the lower on Pine Street Thursday afternoon.

Groundwork Being Laid for Joint Water Authority

Oakland County Board of Supervisors at its April meeting will be asked to join with Macomb County in an authority to establish a new water supply from either Lake Huron or Lake St. Clair.

A tentative agreement to form the authority was reached yesterday at a meeting of 25 representatives

Kefauver Plans Busy Schedule

Visit to Utica Saturday 1 of Many Appearances Slated in State

A speech Saturday night at Utica will be one of many appearances scheduled by Sen. Estes Kefauver (Tenn.) during a weekend quest for Michigan support in his bid for the Democratic presidential nomination.

Kefauver will appear at the Knights of Columbus Hall in Utica at 7:30 p.m. for a Seventh Congressional District Democratic Party Dinner, following news conferences in Detroit and Mr. Clemens.

After that busy Saturday thing he has scheduled this for Sunday, the Sixth Congressional District Democratic delegation, luncheon at 2 p.m. at Roseville with the Welch Supper Club to meet Democratic representatives in the State Legislature, an interview at 6 p.m. over CKLW-TV in Detroit on the United Auto Workers' program, "Meet the UAW," and a reception at 7 p.m. in St. Clair Shores to meet Macomb County delegates.

Monday, after spending Sunday night in Detroit, Kefauver will visit his state headquarters at 8:30 a.m. He will leave by plane at 10:15 a.m. for Washington.

Threats on Car Seizures
DETROIT (INS) — The Detroit grocer who seized Prophet Jones' three autos as payment for an \$856 overdue food bill told police he received two threatening phone calls last night.

Fred Ayoub said the first call "Met the UAW" and a reception at 7 p.m. in St. Clair Shores to meet Macomb County delegates.

Monday, after spending Sunday night in Detroit, Kefauver will visit his state headquarters at 8:30 a.m. He will leave by plane at 10:15 a.m. for Washington.

Senate Probers Summon Case as 1st Witness

Investigating Purpose of \$2,500 Contribution Linked to Gas Bill

WASHINGTON (P) — A special Senate committee called Sen. Francis Case (R-SD) as its leadoff witness today in an inquiry into whether a \$2,500 campaign contribution was intended to influence his vote.

In advance of the public hearing, Sen. George (D-Ga) said the investigation scope and doesn't involve any contributions to other senators "unless they had some bearing on this particular matter."

George is chairman of the special committee whose four members are divided equally between Republicans and Democrats.

They were divided equally also on the natural gas bill, support for which Case has said he suspects was involved in the proffered contribution.

George and Sen. Thye (R-Minn) were recorded against the bill when the Senate passed it Monday 53-38. Senators Hayden (D-Ariz) and Bridges (R-NH) voted for it.

George said he hopes the hearings can be completed in two days.

UNANIMOUS O.K.

The Senate unanimously authorized the inquiry after Case, just a week ago, told his colleagues that a lawyer who first asked about his stand on the gas bill had left \$2,500 in cash with a friend as a contribution to his re-election campaign. Case voted against the bill.

John M. Neff of Lexington, Neb., has disclosed he is the lawyer who left \$2,500 in \$100 bills with a friend of Case's in South Dakota. He said he had been able to raise the money "as a campaign contribution without any strings attached."

During the 1935 session of the Nebraska Legislature, Neff was registered as a lobbyist for the Superior Oil Co. of Austin, Tex.

George said he thinks Neff, a key witness in the inquiry, could be required to disclose the source of the money. Thus far Neff has declined to do so, citing a confidential relationship with a client.

George said both the source of the money and the purpose in offering it to Case were legitimate points of inquiry.

DETROIT (INS) — A maniacal killer broke into a downstairs flat at 1524 Glynn Ct. in Detroit today, stabbed to death 34-year-old Aziz Hermiz and attacked his wife, Victoria, 22.

Hermiz, a grocer who came to this country from Iraq about a year ago, was found in bed. His wife was found bound to a dining room table.

The couple's two small children also were in bed and unharmed. Mrs. Hermiz told detectives through an interpreter that the killer crashed into the flat by breaking a front window.

Then Mrs. Hermiz said, he rushed into the couple's bedroom stabbed her husband and dragged her into the dining room, where she was attacked.

The slayer tied her to the table and placed a gag in her mouth before fleeing. It was a half hour before Mrs. Hermiz could remove the gag and her screams for help then aroused the upstairs neighbor, Mrs. Mary Jakushevich.

Other honored guests will include Congressman Alvin Bentley, of Owosso, State GOP Chairman John Erikens, Highway Commissioner Charles M. Ziegler, Superintendent of Public Instruction, Dr. Clair L. Taylor and former Auditor General John Martin.

Some tickets are still available for the event at 6:30 p.m. in the Pontiac Elks' Temple.

They are obtainable from Robert C. Miller, of Pontiac; Mrs. John Schock, of Berkley and at Annett's Realty and Osburn's store in downtown Pontiac.

Michigan Counts High Fatalities, Road Mileage

EAST LANSING (P) — Michigan had 2,001 traffic deaths in 1935, State Police said today.

The number was one more than the 1935 toll predicted last May by Orrin M. Lucas, State Police traffic analyst.

Lucas said the 2,001 figure was subject to change as delayed reports are received.

Lucas said Michigan motorists also set a new record for mileage traveled. He said the latest figures show motorists traveled 26.5 billion miles in 1935, an eight per cent increase over the previous year.

The national Safety Council estimated the cost of Michigan traffic accidents at about \$240,000,000.

St. Clair Ice Jam Slowly Thawing

Big Clog at Lake Huron Breaks, Solving Low Water Problem

DETROIT (P) — The St. Clair River ice jam is slowly disintegrating under thawing weather conditions, Army engineers said today.

The major ice "plug" remaining was located at the mouth of the river where it meets Lake Huron, the engineers added. Ice masses south of Algonac were melting, with little likelihood of trouble there immediately, the engineers reported.

The ice jam began early last month. It threatened shoreline property and water supplies of communities along the riverfront.

To Coast Guard icebreakers were summoned to crack a channel through the ice to halt water levels from dropping in Lake St. Clair at the southern end of the river.

The icebreakers had to give up, however, when they ran into ice more than 10 feet thick.

Climbing Mercury Predicted Tonight

According to the U.S. Weather Bureau it will be partly cloudy and warmer tonight and tomorrow.

The low tonight will range from 26 to 30 degrees. Tomorrow's high will be 36 to 40.

The five day Michigan weather forecast says that temperatures will average from 3 to 6 degrees above normal.

There will be rather frequent but generally small fluctuations in the temperature. It will snow on Tuesday or Tuesday evening.

The lowest temperature preceding 8 a.m. was 29 degrees. The thermometer registered 37 at 1 p.m.

First Victim: Himself

DETROIT (P) — Detective Inspector Charles Seale, a Detroit policeman for 26 years, is in a hospital today with an injured foot. He shot himself when a cocker spaniel puppy grabbed his leg yards of snow has fallen on the city while he was cleaning his pistol at community near 11,318-foot Fremont. "First guy I shoot in 20 years, turns out to be me," he said.

Press Articles Credited With Post Office Action

Postmaster General Arthur E. Summerfield in Washington this week credited The Pontiac Press' campaign pointing up inadequacies in Pontiac's present postal facilities as "directly leading" to approval of a new building here.

The project had been considered last year but shelved, said Summerfield, until The Press' articles, which were sent to him, "revealed how critical the situation actually is and that it needs immediate attention."

"A needs and building-location survey was started immediately after we received the first article," he said.

The Press flew Acting Pontiac Postmaster Leslie H. Dean to Washington Wednesday in company with a staff writer. "This was the best thing you could have done," said Summerfield, "in allowing us to agree on a plan of action during a face-to-face conference with Mr. Dean."

Both Dean and The Pontiac Press voiced appreciation for the courtesy and complete cooperation displayed by Summerfield and his staff.

The top official took an hour out of a busy day to explain the postal situation at the national and local level and give thorough answers to all questions put to him.

Leonard Man Killed in Crash

Gerald Pencombe Dies, Companion Injured as Car Strikes Tree

A Leonard man was killed today and his companion seriously injured as his car spun into a tree on Rochester Road east of Goodison, Oakland County Sheriff's deputies said.

Gerald Ray Pencombe, 34, was dead on arrival at Avon Center Hospital.

Driver of the car, M. Ellington Godbee, 58, also of Leonard, reportedly suffered multiple fractures, bruises and lacerations. He was unable to make a statement.

Sheriff's deputies Carl E. Raymond and Lyle W. Walmsley said the car was totally demolished. Witnesses stated it had been traveling about 35 miles an hour on icy pavement.

Towing trucks were used to pry the wreckage open enough to remove Godbee and Pencombe's body.

Oakland County Assistant Prosecutor Paul Mandell said today he planned to take a statement from Godbee as soon as his condition improved.

Rockies Town Measures Snowfall by Yardstick

CLIMAX, Colo. (P)—Most places measure snows by inches, but this two-mile-high town in the Rockies figures the depth of its white stuff by feet and yards.

So far this year more than five spindly puppies grabbed his leg yards of snow has fallen on the city while he was cleaning his pistol at community near 11,318-foot Fremont. "First guy I shoot in 20 years, turns out to be me," he said.

The top official took an hour out of a busy day to explain the postal situation at the national and local level and give thorough answers to all questions put to him.

Fugitive Yields Meekly, Ending Extensive Hunt

San Francisco Officers Arrest Unarmed Slayer in Pawn Shop

SAN FRANCISCO (INS) — A self-achieved delay in his journey to the electric chair was at an end today for Leslie Irvin, Indiana's "mad dog" killer of six holdup victims.

The handsome 31-year-old slayer, sought for a month in a nationwide police dragnet, was captured yesterday in a San Francisco pawn shop.

Neatly attired and sporting a crew hair cut, the burly fugitive was unarmed and surrendered meekly but did not admit his true identity for several hours.

"In a way, I'm glad it's all over," he sighed at police headquarters.

He said he escaped recognition five times previously, most recently near Ventura, Calif., last Wednesday when a traffic officer stopped the car in which he had hitched a ride and warned the driver about speeding.

During his trip across the country he said he cashed two bogus checks—for \$10 and \$20 in Missouri.

Irvin, described by Indiana's director of corrections as "a homicidal maniac whose violent nature is so well hidden it seems fantastic," escaped from the Gibson County jail in Princeton, Ind., last Jan. 19.

He accomplished his amazing escape from the modern jail on the eve of his scheduled transfer to the state prison for execution in the electric chair June 12.

SIMPLE ESCAPE METHOD
"Any man in his right mind don't want to be kept locked up," the so-called "Chinese executioner" explained to San Francisco police.

His method of escape was simple. All he did, he said, was to make "some keys to my cell and to the cellblock."

He added:

"I made them out of the covers from some paper bound books glued together with tinfoil."

He said he used the keys while Sheriff Earl Hollen "was up front watching television."

When Irvin's absence was noticed nine hours later, all federal, state and local law enforcement (Continued on Page 2, Col. 4)

AFL-CIO Seeking New Members

Nationwide Project for Bigger Union Mapped at Florida Meeting

MIAMI BEACH, Fla. (P) — A coast-to-coast organizing blueprint, aimed at doubling the AFL-CIO's 15 million membership in a few years, today was proposed to the merged union organization's Executive Council.

John W. Livingston, AFL-CIO organizing director, mapped the nationwide, member-getting plan and drafted a multimillion-dollar financing fund.

The plan was prepared on a state-by-state, area-by-area and industry-by-industry basis from a survey made by 22 AFL-CIO regional directors.

Details were kept secret, but Livingston has already indicated that primary organizing targets will be "white collar" workers, including federal, state and city government workers as well as retail and office workers, and segments of the chemical, textile, building, wood, paper and shoe industries.

The AFL-CIO goal was outlined in a resolution adopted at the organization's founding convention in New York two months ago. It said the objective was to sign up at least as many as the AFL-CIO's present membership "in the years immediately ahead."

Former CIO unions already have pledged four million dollars in organizing funds and the generally richer former AFL unions were expected to swell the kitty by at least that much more.

Death Toll Soars to 210

Giant U. S. Planes Rushing Food to Freezing Europe

LONDON (P)—Giant U. S. Air Force Flying Boxcars joined in an emergency airlift today carrying food and fuel to villages snowbound in Europe's worst winter of the century.

The weather death toll soared to 210 in 11 days as a new Siberian cold wave turned a 2,500-mile front from the far north to Turkey and Italy into a deep freeze.

Icy east winds whipped up big seas in the English Channel. The seven-man crew of the 216-ton British coaster Conlea abandoned ship off the Channel Islands. One man died of exposure and a freighter picked up the rest.

Three U. S. Air Force transports roared over the frozen wastes of southern Greece, dropping supplies to desperate villages.

The usually sunny south of France shivered in its worst freeze since 1887. Thunder and lightning rattled over the playground resorts of Nice and Cannes, then came a blizzard.

Germany reported record low temperatures. Weissenburg, near Nuremberg, hit 29 below zero, lowest there since 1835.

Southern Italy expected warmer weather, but blizzards still raged over Milan in the industrial North. Thick clouds helped keep Britain slightly warmer than expected. London's temperature stood steady at 26 degrees. The dawn brought snow.

Popular to Foreigners
EAST LANSING (P) — Business administration and engineering are the most popular subjects among the 3,287 foreign students from 102 countries attending colleges and universities in Michigan.

To Get New Post Office
DETROIT (P) — A new multi-million dollar post office will be placed on the elected state highway project on Detroit's west side near commissioner with a seven-man downtown area to replace the highway commission was filed Roosevelt Park annex postal building in the huge today by Rep. George W. Sallade (R-Ann Arbor).

Seekers Road Group
LANSING (P) — A bill to re-million dollar post office will be placed on the elected state highway project on Detroit's west side near commissioner with a seven-man downtown area to replace the highway commission was filed Roosevelt Park annex postal building in the huge today by Rep. George W. Sallade (R-Ann Arbor).

3 Youths Admit Entering Station

Held in Juvenile Home for Questioning About Another Breekin

Three Pontiac youths, spotted by an alert Bloomfield Township Police officer, admitted entering a gas station at 446 N. Perry St. last night.

Ages 15 and 16, they are held in Oakland County Children's Home, where they will be questioned today about another north and breakin, police said.

Mother of one of the boys had notified Pontiac police at 11:20 p. m. yesterday that the trio was missing. She described their car.

It was spotted at 2:45 a. m. on Telegraph Rd. in Bloomfield Township by Officer Krute Tubbs. He turned the boys over to Pontiac police, who discovered one of the ads had \$24 hidden in a glove.

Under questioning by detectives James Lapsone and Robert Emery, they admitted breaking into the station at 1:30 a. m. and taking about \$50, which was hidden under a merchandise display.

City Republican Club Setting Up Program

The Pontiac Republican Club has set up a program aimed at assisting precinct delegates and other GOP workers during this year's election campaign. Club President Anthony Renne said today.

The group will meet the second and fourth Tuesday of each month at Cook-Nelson American Legion hall, Auburn Ave. and Paddock St. Next meeting will be Feb. 14 at 8 p. m.

"We intend to make a determined effort to seek the aid and assistance of younger people who belong to or are interested in the deals and programs of the Republican party," said Renne, "and they are invited to our meetings."

American Given 25-Year Lease at Wayne-Major

DETROIT (INS) — American Airlines today was to be granted a 25-year lease at the Detroit Wayne-Major airport, following the first allocation for an eventual \$14 million expansion of the terminal.

The lease calls for American to move to Wayne Major in October 1957 while the other seven airlines now operating out of Willow Run remain steadfast in their refusal to switch.

Yesterday the Civil Aeronautics Administration earmarked \$975,614 for Wayne Major while ignoring Willow Run.

Thus a solid front of county, state and federal agencies was placed behind the President's air use panel decision that Wayne Major, 10 miles closer to Detroit, be made the city's major air terminal while Willow Run be put to military use.

Accepts Resignation Without Comment

WASHINGTON (U) — President Eisenhower has accepted Trevor Gardner's resignation as assistant Air Force secretary in a letter which took no note of Gardner's plea to speed up work on guided missiles development.

Gardner in effect carried to the President his dispute with other top administration officials over the size and urgency of the missile program. "It is in this area," he said in his letter of resignation, "that we should place increased emphasis in order to stay ahead of a possible enemy."

Eisenhower made no mention of that in a brief letter which extended his best wishes and praised Gardner for "the energy you have displayed in your work."

Gardner, completing three years as Air Force chief for research and development, will step aside Saturday. His successor has not been named.

TWIN MARINE RECRUITS — Marine T Sgt Leroy H. Meisner welcomes new recruits James (left) and John Brower, 17, into Marine ranks. The boys, sons of Mr. and Mrs. Norman Brower of 32 Clarence St., will be sworn in Monday and leave for San Diego and ten weeks of basic training.

Candidates File Petitions San Francisco Police for Forthcoming Election Nab 'Mad Dog' Killer

With the filing of two more nominating petitions yesterday plus one withdrawal, the number of candidates hopeful for seats on the 1956-57 City Commission today stood at 13.

District 6 Commissioner John E. Carry, of 576 E. Pike St., and Earl J. Smith, of 138 W. Lawrence St., (District 3) submitted petitions to the city clerk, while Emil F. Jaworski (District 4) withdrew.

Deadline for nominating petitions for the March 5 primary is Tuesday, Feb. 14.

Jaworski, of 691 Stanley St., had not been a resident of Pontiac, as required by the City Charter, for five years thus disqualifying him from running for commissioner. Mrs. Ada R. Evans, city clerk, reported.

A lifelong resident of Pontiac, Carry, 36, was elected to the City Commission in 1954. He works in the Traffic Dept. of the GM Truck and Coach Division.

He formerly served as a salesman for the Metal Plating Corp. of Oak Park and the Pfeiffer-Oakland Distributors.

Carry is a graduate of St. Frederick High School, a World War II veteran and a member of the Elks and Knights of Columbus. He is a member of St. Vincent de Paul Catholic Church and is married, with four children.

A partner in the Brace-Smith Funeral Home for the past five years, Earl J. Smith, 32, is trying again for a District 3 election after being defeated in 1954 by Mayor William W. Donaldson.

Smith is a native of Pontiac and a veteran of World War II.

He is a graduate of Wayne University and is active in the Pontiac Lions Club, Chamber of Commerce and Junior Chamber of Commerce. He is married, with four children.

By districts, the following petitions have been filed to date with the city clerk: District 1, Dr. Roy V. Cooley, John B. Woodward; District 2, Philip E. Rowston; District 3, William W. Donaldson, Earl J. Smith; District 4, Floyd P. Miles; District 5, John A. Dugan, Pat Stoglin; District 6, J. H. Patrick; District 7, Victor L. Smothers, Benjamin M. Gates.

If three or more file from a district, a March 5 primary is required to select the two candidates that will be placed on the April 2 general election slate.

88 Permits Issued for Building in City

Carl F. Alt, city building inspector, issued 88 building permits totaling \$389,663 during January, including permits for 49 new family dwellings totaling \$457,000.

Other permits granted were: One residential garage, \$700; 32 residential alterations and repairs, \$27,083; three commercial building alterations and repairs, \$8,980; two commercial buildings, \$94,000; and one moving permit totaling \$1,900.

This, compared to 59 permits issued in December totaling \$361,446 including 25 new family dwellings totaling \$161,500.

Louies Upsets Grill Quintet

Tavern Club Surprises National Loop Leaders in City Basketball

Louie's Tavern, entrenched in last place in adult National League basketball, surprised league-leading Griff's Grill with a 55-54 upset last night at Pontiac High's gym.

The downtrodden Tavern club jumped into a 32-23 halftime advantage, then staved off Griff's desperation rally in the 2nd half to win a "squeaker."

Dale Davis poured in 20 points and Ron Sandage followed with 18 for Louie's while Marv Holler scored 18 points and Chuck Franklin a dozen to top Griff's.

Mel Taylor accounted for 25 points and Hal Trott added 21 as Sun Life shellacked the Keego Merchants, 63-36, in an adult American division nightcap. Mike Haines led the Merchants with 13 points.

Griff's 16 7 20 11-54
Louie's 14 18 12 11-55
Sun Life 16 15 14 18-43
Merchants 10 10 4 12-36

Youth Kills Self to Study Theory of Reincarnation

SHAWNEE, Okla. (U) — A newspaper carrier boy shot himself to death because, he said in a note, he wanted to investigate the theory of reincarnation.

Dick Swink, 19, was found dead in his pickup truck. By him was a note saying: "They say that curiosity kills a cat. Well, I'm a cat and I'm very curious. I am curious about this Brudey Murphy story so I am going to investigate the theory in person. Swink."

The Brudey Murphy story is a book dealing with reincarnation. The youth's mother is Mrs. William Wright, Harko, Ill.

At first he calmly identified himself as Victor Davis, a pianist with Tex Williams' orchestra. Flashing a disarming smile, he produced a musician's union card and an insurance identification card, both issued to Victor Davis.

But O'Keefe was unconvinced. The inspector contacted Los Angeles police and learned that Davis had been robbed by a hitchhiker whom he transported from Las Vegas, Nev., to Los Angeles.

Confronted with this information, Irvin shrugged and asked: "Don't you know who I really am?" Then he volunteered his identity, adding:

"I wasn't surprised. It had to come, I've been expecting to get picked up for quite a while."

Irvin was convicted and sentenced to death for the killing of a filling station attendant. He has been formally charged with the slaying of five other holdup victims.

In each killing he adopted the methods used by Chinese executioners. He forced his victims to kneel, tied their hands behind their backs, and shot them through the head.

Actor Legalizes Name
LOS ANGELES (U) — Film actor Glenn Ford no longer must use his legal name, Gwylyn Samuel Newton. He said he has used his professional name since 1939 and that the court is granting his petition for the switch.

Some folks believe the entire issue of segregation in the deep South is tied up in the case.

Leonard Wilson, 19-year-old Selma, Ala., pre-law student and an admitted leader of the demonstrations, who comes from the rich agricultural Black Belt of Dallas County, Ala., so named because of its soil and where Negroes outnumber whites two-to-one, says:

"The faculty and some of the students are trying to confuse the issue by making it a question of mob violence. This is not the issue. It is integration or segregation."

Dennis Holt, 20, a student from industrial Birmingham, feels ashamed at the outburst of violence on the campus.

He initiated the non-violence resolution of the student government which was presented Tuesday night and said again yesterday:

"The government of this university is not going to be run by high school students, goons, Leonard Wilson, white Citizens' Councils or the Ku Klux Klan."

What will happen if and when Miss Lucy returns to classes is still debatable.

Some persons predict violence. Others say that the disturbance has run its course and nothing will happen. Only time holds the answer.

Students and local residents are

Quiet and calm prevailed until the Civil War when federal troops burned every university building. Little has disturbed the town since the days of reconstruction. Now a violent change has appeared. Old-time citizens can feel the changed emotions.

Students and local residents are

They erupted with violence Monday when Miss Lucy was driven to classrooms. A mob, estimated at 3,000, pelted the car in which she was being driven with eggs and rocks.

The Negro cool herself was hit with an egg. A rock broke a window in the car, owned by the dean of women.

Monday night further violence climaxed the three-day emotionally charged situation. Students and townspeople alike joined in the demonstrations, in town and on the campus.

The mob departed just before midnight when told that the Board of Trustees had decided to bar Miss Lucy temporarily from classes because of the violence.

Next came a 48-hour ultimatum by an attorney for the Negro coed and yesterday's Federal Court suits instituted in Birmingham.

Since the Monday rioting, an uneasy calm has prevailed both

SIMON O'SHEA

Public Relations Man Named by Pontiac UF

A Mt. Clemens newspaperman, Simon O'Shea, today was named public relations director of the Pontiac Area United Fund, according to Executive Director Karl W. Bradley.

O'Shea will begin work Monday, succeeding Mrs. Lucille Dennison who resigned recently. He attended St. Louis and Michigan State Universities.

In addition to duties as a Mt. Clemens Monitor-Leader reporter, O'Shea has engaged in free-lance public relations activities and recently edited the Mt. Clemens city report.

He intends to reside in the Pontiac area.

Pontiac Deaths

Neal Bresnahan

Word has been received of the death of Neal Bresnahan, 68, of Gloucester, Ohio, formerly of 136 Waterly, St. Huron Gardens. He died yesterday in Gloucester after an illness of five years.

Born March 11, 1887 in New Straitsville, Ohio, he was the son of Cornelius and Rose Kelly Bresnahan. In December 1909, he was married to the former Agnes Tippie in Athens, Ohio.

Mr. Bresnahan had lived in Pontiac from 1928 to 1953 and was employed at the Fisher Body Division.

He leaves his wife, and eight children, Darrel of Illinois, Frank of Denver, Colo., Roger of California, Bernard, Patrick, Mrs. Russell Dosch, Mrs. Raymond DeArmond and Mrs. Ralph Jeffery, all of Pontiac. A brother and two sisters also survive.

Service will be at 1 p. m. Sunday in the Johnson Funeral Home, Gloucester, with burial in Sugar Creek Cemetery.

Mrs. Joseph L. McIntosh

Mrs. Joseph L. (Edith) McIntosh, 66, a former Pontiac resident, died early Wednesday morning in Memorial Hospital, Owosso. She had been in ill health the past year.

She was born June 9, 1889 and married in Detroit Nov. 7, 1929. Her parents were Alvin and Letitia Jackson of Lottaine, Ct.

Mrs. McIntosh had attended school in Waterford and was employed 12 years at the Pontiac Commercial & Savings Bank, located in the building now occupied by the Community National Bank.

She was a member of the Owosso Baptist Church.

Surviving besides her husband are a daughter, Mrs. Marilyn Eaton of Fort Wayne, Ind.; a brother, Edd Jackson of Rogers City and a sister, Mrs. Eva Herick of Plymouth.

Service will be at 2 p. m. Saturday in the Knapp & Smith Funeral Home, Owosso, with burial in Oak Hill Cemetery, Owosso.

Treat Drayton Man After Car Hits Tree

Benny Karpouze, 18, of Drayton Plains, was treated for minor injuries and released from Pontiac General Hospital yesterday after his car spun out of control and hit a tree on Auburn Avenue at Martel Street, Oakland County. Sheriff's deputies said today.

The Day in Birmingham World Prayer Day Plans Made by Church Women

BIRMINGHAM — World Day of Prayer plans of the United Church Women, who represent 12 churches in Birmingham, Bloomfield Hills, and the Southfield area, call for the worldwide-program to be led by seven ministers' wives.

Mrs. Norman G. Ellis and Mrs. Charles Brietmeyer have led the organizing of the event, slated for Feb. 17 at 10 a. m. in the First Methodist Church. The area's church women are invited to attend the annual event, held at the same time around the world on that date.

America's Indians are taking the spotlight for the program in this and other services, but here ministers wives taking part will be Mrs. John Rose of Community Church Congregational, Lathrup, Mrs. Harold DeWindt, of Kirk in the Hills, Bloomfield Township, Mrs. Reginald Becker, of Embury Methodist Church, Mrs. MacTaylor, of Northminster Presbyterian Church, Troy Township and Mrs. Harry Martin of First Methodist Church.

Also, Mrs. Emil Kontz, of First Baptist Church, and Mrs. Glen Harris, of First Presbyterian will participate.

Superintendent of Schools Dwight D. Ireland has proclaimed that a moment of prayer will be observed in Birmingham district's schools at 10 a. m. that day.

Other churches whose women are working with the UCW committee and part of whose choirs will be joining in the all-church choir are the Southfield Methodist Church, the First Congregational Church, Christ Church Cranbrook, Bloomfield Hills, Franklin Community Church, and St. James Episcopal Church.

Contrast between the "just like a dozen men we know" character in "The Man in the Gray Flannel Suit" with the free enterprising man of good principals of "Cash McCall" was cited by the critic. Both authors try to make stories acceptable to millions, she says.

Judging of posters publicizing the Community House's is set for Saturday, with the "Heart of Birmingham" being used as theme for the artworks by local high school and junior high students.

Judges are Ralph Breeding of Maxon Advertising Agency, and Roco de Marco, of the J. Walter Thompson Advertising Agency. Both Detroit firms. Awards will be at the captain's luncheon Feb. 15 at the community House.

2 License Plates for State Autos Get House Okay

LANSING (U) — The House has given preliminary approval to a bill returning Michigan to the use of two automobile license plates in 1957.

The measure would require the secretary of state to issue two-reflectorized plates in 1957.

Reflectorized tabs could be issued in succeeding years instead of issuing new plates. Front plates were discontinued during the war because of steel shortages.

The new-type plates and tabs would cost motorists 25 cents more than they currently pay for new licenses.

By a 27-0 vote, the Senate passed a bill to raise the maximum old age assistance benefits from \$70 to \$80 a month, and from \$80 to \$90 for recipients in hospitals or convalescent homes.

Sen. Creighton R. Coleman (R-Battle Creek), one of the sponsors, said the bill would raise the benefits of 21,500 of the 70,000 persons receiving such aid.

An amendment by Sen. Philip Rahoi (D-Iron Mountain) to give all recipients a flat \$10 increase was beaten down.

Mitchell Says Dems Delaying Labor Moves

WASHINGTON (INS) — Labor Secretary James P. Mitchell has charged that Democratic leaders are delaying "pro labor" legislation.

He said yesterday at a news conference that he believed workers would fare better with a Republican-controlled Congress. Most of his criticism was directed at the House Labor Committee headed by Rep. Graham A. Barden (D-NC).

**Swindle Suspect
Stands Mute**

Former Detroit Broker
Cited in Embezzling,
Larceny of \$150,000

DETROIT (P)—A former Detroit stockbroker, accused of swindling clients out of from \$150,000 to \$180,000, stood mute when arraigned in Recorder's Court yesterday on charges of embezzlement and larceny.

John D. Gould, 40, father of four, was freed on \$5,000 bond pending examination next Friday.

A complaint signed by Lucille B. Deiner, a 39-year-old divorcee, stated that she and her mother, now dead, were bilked of \$105,535 between 1951 and 1954.

Authorities said information from seven other persons might add as much as \$75,000 to the total. They include a Cleveland housewife and six men.

LOST \$6,000

The Ohio woman identified herself as Mrs. Esther P. Leedy, a former Detroit stenographer, now married to the operator of a small appliance firm. She said she lost \$6,000 but did not intend to prosecute.

Ralph Garber, chief assistant prosecutor, refused to name the men who told them they were cheated.

Garber said all told similar stories. They said they handed over large sums of money to Gould to invest for them "privately" and were unable to get back either the cash or any kind of securities.

Gould was employed in 1951 by a Detroit brokerage firm but left two years ago to set up an employment office.

Miss Deiner is the surviving member of a wealthy Monroe family.

**Two Lawyers Sue
Flynn for \$25,000**

LOS ANGELES (P)—Lawyers Paul Ziffren and Harold G. Wilkenfeld have sued actor Errol Flynn for \$25,000, alleging that they represented him in income tax matters for which they have not been paid. The time limit for the \$25,000 payment, they allege, was Sept. 30, 1955.

They sued yesterday. Earlier in the day Flynn was confronted with a demand he appear in court Feb. 27 to show why he should not pay the balance of \$13,560 allegedly due for agents' fees on a judgment obtained by Music Corp. of America artists in 1953.

Vote Plan Ends Strike

BAY CITY (P)—Agreement by District 50, United Mine Workers and the Olin Mathieson Chemical Corp. on a representation election ended a three-day strike at the paper box and container plant Thursday. Twenty production workers will vote.

Polio Vaccine Supply Depleted

Foundation Man Says
Situation Is Gradually
Improving

NEW YORK (AP)—A polio foundation official said today the 1956 Salk vaccination outlook is akin to a "medical emergency." He said 200,000 doctors have been sent new information on the vaccine.

Dr. Hart Van Riper, medical director of the National Foundation for Infantile Paralysis, said the supply situation is "gradually improving."

The letter to doctor's added, however, that "cooperation of physicians in administering vaccine is now the key to the control of paralytic poliomyelitis . . ."

"If a large number of children are to receive at least two injections before the 1956 polio season, there can be no unreasonable delay in accelerating this program at once."

SUPPLY HOPES HIGH

The Foundation said it was writing the doctors in part to inform them in advance of "plans for a nationwide campaign of public education urging parents to have their children vaccinated against paralytic poliomyelitis at the earliest opportunity."

"It is anticipated," the doctors were told, "that adequate supplies of safe and potent Salk vaccine will be available to meet requests for vaccination."

"The National Foundation is no longer distributing vaccine. It is fulfilling its promise to 'get out of the vaccine business' as soon as its 1955 vaccination program was over."

The letter said the Foundation hoped its state-wide programs of vaccination of first and second graders last year might promptly lead to full scale vaccination programs and thus rapidly reduce the incidence of polio.

MEDICAL EMERGENCY

The letter added, however, that "despite the demonstrated effectiveness of the Salk vaccine itself, the early hope of the national foundation that it would be widely used has not yet been fulfilled."

In a statement issued as he announced the letter to doctors, Dr. Van Riper said he thought it was justified to describe the situation as a "medical emergency" because of the magnitude of the task.

600 YEARS OLD — A visitor to Frankfurt, Germany, city library examines constitution of Holy Roman Empire proclaimed by Emperor Karl IV in Nuernberg, January 10, 1356.

There are nearly 54 million children under 15 years of age and pregnant women in the current priority group, he said. Of these more than 10 million received at least one injection of the three-shot series in 1955—about seven million of them with vaccine purchased last year by the National Foundation.

He expressed hope the physicians would take prompt advantage of increased vaccine supplies, as they became available, so that none of the vaccine would become outdated.

WASHINGTON (INS)—Irish Prime Minister John A. Costello will pay an official visit to the United States next month—in time for St. Patrick's Day.

The White House said yesterday that he will arrive in Washington March 14, leave on March 17, and visit New York City for three days later in the month.

Prince of Wales Title Demanded for Royal Child

LONDON (INS)—A London Daily Mail columnist says there is a growing feeling developing among influential Welshmen that young Prince Charles should be created Prince of Wales as soon as possible.

The seven-year-old prince is first in line to succeed his mother, Queen Elizabeth II, as reigning monarch of the British Empire.

The young prince, who is a favorite throughout the British Isles, and particularly among Welshmen, was recently in the news when the empire-minded Daily Mail suggested he might be married off at an early age.

Charles' uncle, the Duke of Windsor, who gave up the crown as Edward VII. to marry American-born Wallis Simpson, was created Prince of Wales June 23, 1910, when he was 16-years-old.

The most famous Prince of Wales, the late Edward VII, was created Prince of Wales less than a month after he was born in 1841.

Calvin College Plans Brand New Campus

GRAND RAPIDS (AP)—The board of trustees of Calvin College and seminary has unanimously approved a recommendation for a completely new campus.

The recommendation must be approved by the Christian Reformed Church synod at its annual June meeting.

A tentative figure of four million dollars was mentioned.

The board, in its recommendation, said Calvin's 1,541 student enrollment is expected to surpass 2,600 by 1970. It noted the present campus, covering 17½ acres, was too small to handle the increase.

Calvin has been mentioned as a possible site for a new branch of the University of Michigan medical school.

Hungarian Barter Bid for Rice Nixed by Ceylon

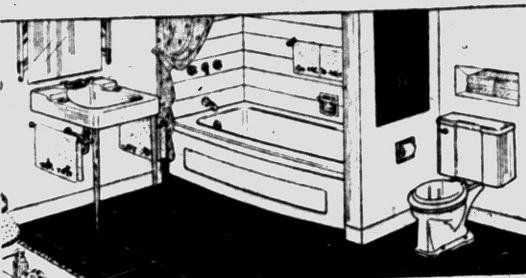

COLOMBO, Ceylon (AP)—Ceylon has declined a Hungarian offer to barter 70,000 tons of rice.

Hungary obtained the rice from Burma and wanted to exchange it for goods from Ceylon. Food ministry sources here said Ceylon already has surplus rice stocks, which she gets from Communist China in exchange for Ceylonese rubber.

Hungary now is expected to negotiate with Indonesia, where rice is urgently needed.

Sensational Story of Hypnotic Experiment

A successful Colorado businessman took up hypnotism as a hobby. He cured friends of psychosomatic ills, then began age regression experiments with willing subjects.

To one young housewife he suggested a "pre-life" existence to which she responded with "memories" so sensational and true-to-life that tape recordings were made and the "facts" submitted to verification by investigators in Ireland, scene of her previous life back in another century!

Many of the points in her story have been checked and proved accurate, although neither she nor her questioner, Morey Bernstein, had ever been abroad.

Whether you believe it or not, you'll be fascinated by this strange story which will appear in The News starting Sunday, February 12. Be sure to read it

Gideon Rally Set Saturday

North Oakland Pastors to Be Guests; Banquet to Start Affair

The Pontiac Area Gideon Rally will be held at 6:30 p.m. Saturday at the Congregational Church, Pontiac.

The rally, which is a yearly affair, will begin with a banquet. The pastors of the North Oakland County area and their wives, will be guests of the Gideons.

Main speaker for the evening will be Marvin Steffins, an executive for the Michigan Bell Telephone Co.

Steffins has just returned from South America, where he visited several missionary stations, mainly HCJV, known as the "Voice of the Andes."

Steffins will speak on the Gideon activity in South America and Mexico.

Included in the evening's program will be two vocal selections by Mrs. T. N. Slosson.

GUEST SPEAKERS
On Sunday, the Gideons will be guest speakers in more than 30 churches in the Pontiac area.

Officers of the Oakland County Gideon Society are: Paul Simmons, president; Henry Mehlberg, vice president; George Wilson, secretary; Joseph Spies, chaplain; James Dodd, district zone leader.

Other local officers of the group are Mrs. Henry Mehlberg, state chairman of the Ladies Auxiliary, and A. D. Stimer, editor of the society's newspaper, The Michigan Gideon.

Dr. Vernon S. Mumbulo, pastor of the Nordin Park Methodist Church of Detroit, will be the first speaker. His topic will be "The Safest Place in the World."

Dr. Mumbulo succeeded Bishop

Oakland, Macomb VFW Plan Winter Gathering

Delegates of 35 VFW Posts in Oakland and Macomb counties will gather at Post 3130, Van Dyke, Sunday Feb. 19 for the Fifth District winter encampment of the Veterans of Foreign Wars.

Fifth District Commander George Dempsey, Farmington, will preside at the business meeting scheduled for 2 p.m.

Schools of instruction will be at 10:30 a.m. for post officers and delegates.

The Ladies Auxiliary will have a district membership breakfast at 9:30 a.m. Membership chairman

Order Retrial in \$35,000 Suit

CINCINNATI (AP)—The U.S. Court of Appeals, sixth circuit, yesterday ordered retrial in Detroit of a \$35,000 damage suit filed by the late Ronald Nelson against D. R. Knox and other city commissioners of Huntington Woods.

Nelson was proprietor of the Progressive Service Garage (11 Mile Road and Berkley Ave.) Huntington Woods.

He charged that the commissioners passed an ordinance regulating garages and through malicious persecution by police caused him to close.

Nelson died after filing the suit, but it was carried on by Alice P. Nelson, his administrator. On Jan. 20, 1955, Arthur F. Lederle, U. S. District judge, Detroit, dismissed the suit. Then the appellate court reversed Lederle and ordered a new trial.

Schedule Lenten Services

LAKE ORION—The Lenten Fellowship dinners and services will begin in the Lake Orion Methodist Church on Ash Wednesday at 6:30 p.m. and continue each Wednesday of Lent.

Dr. Vernon S. Mumbulo, pastor of the Nordin Park Methodist Church of Detroit, will be the first speaker. His topic will be "The Safest Place in the World."

Dr. Mumbulo succeeded Bishop

Marshall Reed at the Nordin Park Church and is in much demand as a speaker throughout the country.

He is chairman of the Evangelism Commission of the Detroit Conference of the Methodist Church.

Mrs. John Wesley will be the guest soloist. Reservations may be made with Mrs. Lyle Speas, chairman of the dining room.

Save 20¢

Coupon inside these packages good on your next purchase of LIPTON TEA

Episcopal Men to Meet Tuesday

Drayton Church Group Plans Annual Supper at 6:30 P.M.

DRAYTON PLAINS — At 6:30 p.m. Tuesday, men and young men of St. Andrew's Episcopal Church will gather for their annual Shrove Tuesday sausage and pancake supper, according to A. E. Ledger, Chapel Fellowship Chairman.

The Very Reverend W. C. Norvell, Dean of the Oakland Convocation of the Episcopal Diocese of Michigan, will be the speaker.

A member of the clergy staff at Christ Church Cranbrook, Dean Norvell was recently elected as one of four clergy from among 147 in the Michigan Diocese to attend the Synod of the Midwest. Tuesday he will speak on "The Growth of the Church."

R. Lloyd Walker, chairman of the building planning committee will speak briefly about the building plans for the new church.

F. J. Mansfield will lead community singing and Floyd Tonkin and John Landon will preside over the pancakes. A free will offering will be received.

Patricia Tisch to Crown Grayling Winter Queen

CLARKSTON—Patricia Tisch, 20, of 8511 Lakeview Dr., this weekend will crown the 1956 Winter Sports Carnival Queen at Grayling. A junior at Michigan State Normal College, Miss Tisch was named queen over 13 contestants for the crown last year.

She is the daughter of Mr. and Mrs. John Tisch, and an education major at MSNC. The winter carnival is sponsored by the Grayling Junior Chamber of Commerce.

Church Circles Plan Father-Daughter Event

COMMERCE—Members of the Isabella Thoburn and Hannah Moore Circles will stage a father-daughter banquet at 6:30 p.m. Saturday, in the Commerce Methodist Church.

Sponsors of the event expect to serve a roast beef family style dinner to more than 100 persons.

Plan GOC Training at Davisburg Meeting

DAVISBURG — There will be a training meeting for new observers for the Ground Observer Corps at the Davisburg Town Hall on Tuesday, at 7:30 p.m.

The meeting will be in charge of Tech. Sgt. Nicholas Chizewsky, Air Force representative of the GOC in this area. Simplicity in reporting aircraft will be explained, and a film, "The Sky is Your Target" will be shown.

All Holly-Rose-Groveland-Springfield residents interested in becoming observers are asked to attend the meeting which is open to the public to acquaint them with the program and the need for the GOC throughout the nation.

County Births

New Hudson — Mr. and Mrs. Don Ellis are announcing the birth of a son on Feb. 6.

STATE FINALISTS — Linda Tompkins, 18 year old Hart High School girl is new Michigan Cherry Pie Queen. She is shown here with finalists displaying their masterpieces. Clockwise from the left are Janet Garlinger of Nashville; Judy Crawford of Milford; Sharlene Moers of Wayne; Miss Tompkins; Greta Lucas of Felch; Mary Garlick of Marlette; Janice Prager of Bay City and Mary Martinez of Fremont.

To Compete in National Contest Feb. 21

Hart Girl Is Named Cherry Pie Queen

GRAND RAPIDS (AP) — Pretty Linda Tompkins, 18-year-old Hart High School senior, was chosen, were named Michigan Cherry Pie Queen. She is shown here with finalists displaying their masterpieces. Clockwise from the left are Janet Garlinger of Nashville; Judy Crawford of Milford; Sharlene Moers of Wayne; Miss Tompkins; Greta Lucas of Felch; Mary Garlick of Marlette; Janice Prager of Bay City and Mary Martinez of Fremont.

Linda was the only finalist this year who made the final eight in last year's competition. She baked 37 pies this year on her way to the top. She is the daughter of Mr. and Mrs. Lyle E. Tompkins. Her father is a district horticultural agent in Hart.

Linda, representing Oceana County, was named winner at an awards luncheon attended by the 62 finalists in the state event. She received \$150 first prize and an opportunity to compete in the lucrative national finals in Chicago Feb. 21.

Second place winner was Mary Garlick, 16-year-old drum major at Marlette High School. She received \$50 and represented Sanilac County.

In third place was Greta Lucas of Felch in the upper peninsula. Greta, 17-year-old Felch High School senior, represented Dickinson County. She won \$25.

Women Voters Plan Discussion on Roads

WEST BLOOMFIELD—The West Bloomfield Township League of Women Voters will have its regular membership meeting at the West Bloomfield Township Hall on Feb. 21.

Luncheon will be served at 12:30 p.m. and the program will begin at 1:45. Discussion for the meeting will be an informal talk on present and future plans for local roads.

Highlighting the program will be Robert Felt, Oakland County road commissioner and Robert Osgood, forester and traffic engineer of the Oakland County Road Commission. This meeting will be open to the public. Luncheon reservations are under the direction of Mrs. J. S. Couzens, FE 5-5282.

Slate Valentine Dance at Community Center

WATERFORD TOWNSHIP — A Valentine's Ballroom Dance will be held Saturday at the CAI Building. Held Saturday at the CAI Building, the dance will be square and old approved the movement, pointing time dancing from 9 until 1:30. The event is one of the dances held every Saturday night and is open to the public.

Romeo Board Sets Apr. 7 Date

Electors to Vote on Tax Increase of 8½ Mills for 20 Years

ROMEO — Qualified electors in the Romeo Community School district will vote on a \$750,000 bond issue for a new high school Saturday, April 7 according to a resolution adopted by the Board of Education last night.

The question of increasing taxes by 8½ mills for 20 years on state equalized valuation of property in the district will be decided by the voters. This millage will cover the cost of erecting and furnishing a new high school, acquiring additional land for sites and remodeling existing buildings.

According to the bond table adopted by the board it will be necessary to levy 3 mills in 1956 and 6.3 mills in ensuing years for this bond issue. In 1957 school officials said, 5 mills on the stated equalized valuation will no longer be levied.

Authorization to levy 4 mills for 10 years to provide additional funds for operating expenses will be sought from the electorate as a part of the April 7 vote. A similar millage was levied for this purpose in 1952 and is scheduled to expire this year, necessitating voter approval for its continuation.

AWARDED CONTRACT
The architectural firm of Jensen and Keough of Detroit was awarded the contract to draw plans and specifications for the new building.

Representatives of the firm have been working with the board for several months on the selection of a suitable site for the high school.

A down payment of \$200 to apply on the total asking price of \$37,000 for 22½ acres in Mountain View Orchards was authorized by the educators in accepting a 10 month option on the property.

School administrators and Wayne University building consultant, Gerald Boicourt, will explain the proposed bond issue at two community meetings next month.

They will speak in Washington at 7:30 p.m. March 15 and at the same time March 22 in the Romeo High School auditorium.

The board adopted a new salary schedule for principals to become effective with new contracts. The new proposal will give 10 per cent allowance for elementary school principals and 15 per cent for the high school principals.

Library Need Rouses Interest in Commerce

By STAN BOK Press Correspondent

COMMERCE — The need for a library in the Commerce Township-Walled Lake city area has aroused the interest of several women who are determined to raise funds for the project.

The group has organized under the title of the Library Planning Committee, listing 10 active members at the present time.

Chairman of the committee is Mrs. Robert Hughes of Commerce Township.

Three representatives of the group unfolded their plans to the Commerce Township Board at its latest meeting. They were Mrs. Hughes, Mrs. Harold T. Bailey of nearby Farmington Township and Mrs. Jerome Foss of Walled Lake.

After listening to the plans of the group, the board unofficially held that the project was worthy and approved the movement, pointing out that the township would be unable to offer any financial assistance now or in the immediate future.

The group now hopes to establish a library with cash grants from individuals or organizations.

The committee intends to start out on a small scale. It's no. 1 objective is to obtain the use of a small building or a large room in a commercial building in or near Walled Lake to provide library service on a three-days-per-week basis.

The group has offers from residents with college training in library technique who are willing to set up the library on donated time.

According to the committee, a library would be eligible for state financial aid once it was definitely established and in operation.

Anyone wishing further information regarding the project is asked to contact Mrs. Omar Joramo, 905 E. Walled Lake Drive, Walled Lake.

Mandon Church Slates Noted Bible Speaker

MILFORD—The Rev. Fred Kendal, Bible conference speaker and Bible teacher, will speak at the services Sunday at the Mandon Lake Community Church, according to the Rev. Dorrr W. Fockler.

The Rev. Mr. Kendal has for many years been active in Detroit as a minister of a church composed of Hebrew Christians and is at present the director of Israel's Remnant of Detroit.

During the morning worship hour a special Communion Service will be conducted for the Children's Church under the leadership of Mrs. Kenneth Gangel.

Plan Village Caucus Tuesday in Dryden

DRYDEN — A village caucus has been scheduled for 8 p.m. Tuesday in the Village Hall.

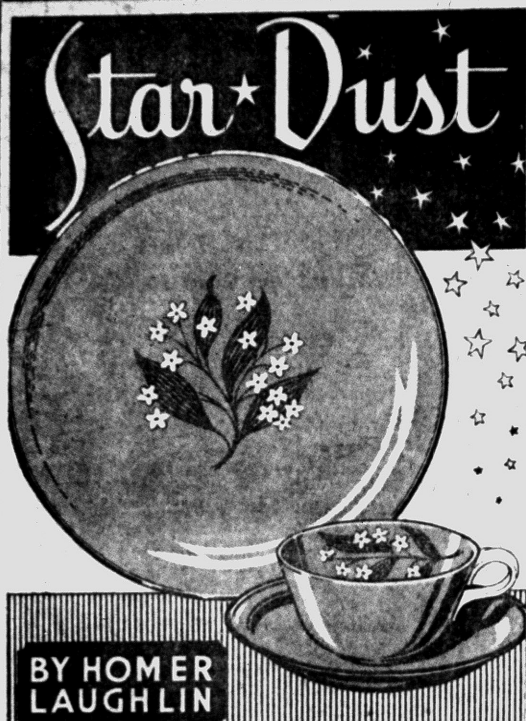

President, clerk, treasurer, assessor and two councilmen will be nominated.

County Calendar

Heart of the Hills Grandmother's Club will meet at 2 p.m. Monday with Marie Wallace, 145 Glendale St.

New Hudson — The Macabees of New Hudson are holding a card party at their hall at 8 tonight for members and friends.

Star Dust

BY HOMER LAUGHLIN

STARDUST . . . Sparkling white blossoms, gracefully placed on a soft blue background, suggest a clear, cool, summer night and lend a fresh appeal to the already popular Skytone. To complete the effect, white handles and platinum trim lines furnish the right accent.

Love for Maps Proves Profitable

By ANNE HEYWOOD

Recently, while visiting friends in their new house, I encountered a woman with an interesting and lucrative hobby. It's odd, but that is always the combination—interesting and lucrative.

No matter how weird the specialty, the woman who follows it because it fascinates her always does seem to make money. If she had gone after it just for money she would have no interest and also no money.

This woman's specialty was maps.

"Not just old ones," she smiled, "although of course I love them and do rummage through old shops for them. But even new maps, at 10 or 15 cents each, are perfectly lovely.

"I like to color them, with water-colors, and am getting pretty good at it. Of course, they're wonderful for covering things like screens or even coffee tables.

LESS THAN \$8

"Believe it or not, I made a wonderful coffee table for less than eight dollars! We needed one," she went on, "and couldn't afford the new ones. So I bought an old wooden kitchen table for four dollars.

"It was strong and well built. We cut it down, until it was low enough for a coffee table. The shape was perfect—long, wide and low.

"I took off all the paint, got it down to the bare wood and waxed the sides and legs. Then, I sand-papered the top for hours. When it was really smooth, I took a collection of brightly colored maps and placed them at different angles all over the top of the table.

"I used good quality of paste and arranged the maps in an interesting design. A piece of glass cut exactly to fit covers the top.

"It makes the most beautiful thing, yet strong and useful.

GETS ORDERS

"It brought so many compliments," she concluded, "that I got an order for two more. I charge 25 dollars, which is a nice profit, since the cost to me is about eight.

"But of course, I have to charge for my time and," here she paused and grinned, "my artistic know-how!

"It looks as though I'll have plenty of orders, because three more people have asked if I'd make one for them!"

Mrs. Bennett Makes Easy Dessert

By JANET ODELL

One of the women in the limelight at the recent Congregational birthday celebration was Mrs. Roy Bennett. As one of the long-time church residents, she not only cut the cake, but she also made it.

Making fancy cakes for weddings and birthdays is one of Mrs. Bennett's hobbies. She belongs to several church groups in which she is a willing worker. She has 12 grandchildren whose visits make her happy.

Today Mrs. Bennett shares her recipe for a delicious icebox cake. She made it not long ago for a church luncheon.

GRAHAM CRACKER DESSERT

By Mrs. Roy Bennett

24 graham crackers
1/2 cup melted butter
1/2 cup brown sugar
Mix together and press into a buttered pan. Save out a few crumbs for the topping.

1 package lemon gelatin
1 small can crushed pineapple, drained
96 miniature marshmallows, or 24 quartered marshmallows
1 cup whipping cream

Prepare gelatin, using pineapple juice as part of the liquid. When partially set fold in pineapple and marshmallows, then whipped cream. Pour into cracker crust and sprinkle with remaining crumbs. Chill until firm. Serves 12.

Beta Theta Phi Sorority Conducts Annual Banquet

At the annual banquet of Beta Theta Phi sorority held Wednesday evening in the Elks Temple, members enjoyed "An Evening in the South America" presented by Mrs. Anne Garrison.

Fifty members of Alpha, Beta and Gamma Chapters were welcomed by Mrs. L. H. Cross, president of Alpha Chapter.

Brief histories of the chapters were given by Mrs. L. Z. Monroe, Alpha Chapter; Mrs. William E. Hutchinson, Beta Chapter, and Mrs. Robert Clark, Gamma Chapter.

Mrs. Garrison told of many interesting and humorous experiences in South America where she was a resident for many years. She learned to know the leaders as well as the people and also learned much about the economy, politics and education.

The speaker told of the circumstances under which she met former Argentine President Peron and his wife, the late Eva Peron, and described their characters and the conversations she had with them.

She took her audience with her on her journey to Machu Picchu, humorously describing the trip from the desert to the top of the Andes.

The Indian countries, Columbia, Venezuela and Peru, have changed very little, Mrs. Garrison stated. It is very difficult to help them as the only thing they want in life is enough to eat.

"The middle class in South America is developing, in the past it has been the rich and the servant class," she said.

Mrs. Charles Andrews, Mrs. Donald Seed of Rochester and Mrs. Oscar Berbaum of Berkeley were honorary members present.

Serving on the committees for the annual event were Mrs. William Hurlburt, general chairman; Mrs. J. Frank Coad, program; Mrs. Russell Bean and Mrs. U. C. Meeker, decorations, and Mrs. Wilbert E. Davies, place.

Room decorations in spray button containers offer a breath of fresh air to nursery and sickroom.

Imley City	2 1	Ortonville	1 2

Everyone likes to beat the leader and even though the top spots in the various loops seem somewhat secure, a few upsets could be in the making tonight.

Waterford, riding a skein of three straight victories, is in prime position to hand Southfield's title ride in the Inter-Lakes conference a jolt.

The Jays who have not been beaten since December 20th, seven games ago, should have little trouble with the Skippers, that is if over-confidence doesn't hit Southfield.

Meanwhile, Berkley, now in second place should have an easy time with Van Dyke. The Bears will probably be more concerned with the outcome of the Southfield-Waterford game.

At Walled Lake, coach Niles Freeland sends the falling Vikings against Farmington in a battle which could decide the third team of the upper half of the league. Oakland B pace-setter Fitzgerald aims for victory number 11 in as many starts at Troy, while Avondale and Madison look for wins to keep the battle going for second place.

The Jackets must take Roseville into camp and the Eagles will be favored at Clawson.

For Lake Orion the tide has turned. The Dragons cracked the

win column last week in beating Clawson 68-66, and tonight go to Oxford in a return match.

Oxford nipped Orion 48-46 in a hard fought battle earlier in the season.

Birmingham's unpredictable quintet is host to Hazel Park after a disastrous showing against Ferndale last week. The Maples are one full game behind Port Huron which tangles with Ferndale on the Rail-splitter court tonight.

In the other EML game, East

Detroit is host to Mt. Clemens. Holly is prey for powerful Milford on the Redskin court in the Wayne-Oakland circuit while West Bloomfield visits Clarenceville and Northville hosts Brighton in other action.

Utica, far ahead in the Bi-County race, faces a rough time on the Warren court despite the Chieftains' easy 52-30 win over the same team earlier this year.

In Thumb league action fast

moving Memphis goes to Brown City on a crest of three straight loop wins over the top three in the league.

The Jackets will be watching the New Haven court where league leading Armada must win to stay ahead.

At Dryden another STL game takes place with Capac, while Almont seeks revenge at home against Ortonville of the South Central league.

Two of the leading independents,

Rochester and Romeo tangle in a rematch game on the Romeo court. In the first clash this season Rochester took a 58-51 decision.

TONIGHT'S GAMES: Southfield at Waterford, Farmington at Walled Lake, Berkley at Van Dyke, Hazel Park at Birmingham, Mt. Clemens at East Detroit, Port Huron at Ferndale, Lake Orion at Oxford, Madison at Clawson, Avondale at Roseville, Fitzgerald at Troy, Holly at Milford, West Bloomfield at Clarenceville, Brighton at Northville, Utica at Warren, Romeo at Rochester, Imley City at Millington, Ortonville at Almont, Flint Tech at Lapeer, Capac at Dryden, Memphis at Brown City, Armada at New Haven, Shrine at Mt. Carmel.

READY TO COMPETE—Pontiac native, Joy Fair, gets ready to compete in the NASCAR 160-mile Grand National race at Daytona Beach, Florida, February 26th. The D-500 he drives develops 304 horsepower. Over the past four racing seasons he has compiled a

total of 213 first places, 76 feature wins, 28 track records and has won 12 championship races. He races during the season locally at the Pontiac Speedway on M-59, which will open May 30.

'M' Aims to Cut 6th Place Knot

ANN ARBOR—Headed by Ron Kramer with his 19.4 conference average, University of Michigan basketball squad will be fighting to break back into the victory column and out of a 6th place tie with Indiana as it tackles the Hoosiers at Bloomington Saturday.

Kramer, who has averaged 23.6 points in the Wolverines last three games, leads all Wolverine scorers with a total of 292 points in 15 games, has earned his mark on 110 field goals and 72 free throws.

Nearest to him in scoring is Captain Tom Jorgensen at guard who has caged a total of 152 points in 15 games for a 10.1 mark.

Youth in Command Ex-Collegiate Stars Lead at Tuscon

TUCSON, Ariz. (AP)—Youth was in command today as the \$10,000 Tucson Open Golf Tournament went into the second round.

Gardiner Dickenson Jr. of Panama City Beach, Fla., and Bob Harris of Chicago, have never won a major tourney but they played like veterans yesterday in sharing the first-round lead with 32-31—63s for the 6,434-yard, par-70 El Rio course.

So did Don January of Abilene, Tex., whose 32-32—64 sent him out today one stroke behind the leaders. This is the second pro event in which he has played. Until last November he was a lieutenant in the Air Force.

The three unheralded former national collegiate stars didn't go

over par on a single hole as they finished with a birdie three on the hole.

Harris retained his composure even when he thought he had a hole-in-one on the 200-yard eighth and found out the ball had popped out.

Dickenson, one of the smallest men in the tourney at 131-pounds, remained unruffled when a drive clipped a tree on the third. He it.

All three credited accurate approaches for their total bag of 20 birdies.

The winter circuit seldom sees such an assault on par as is going on here. Yesterday 52 pros and three amateurs bettered par. Another 11 of the field of 139 equalled it.

Ice-Fishing Derby Takes Place Sunday

Waterford Junior Chamber of Commerce 2nd annual ice-fishing derby has been set for this weekend at Pontiac Lake. The event will be headquartered at the Pontiac Lake Recreation area beach where a warming and refreshment tent will be erected.

Contests for biggest fish, smallest fish and most fish start at 7 a.m. Sunday. Many prizes will be awarded.

The Waterford group also has plans under way for a sports and builders show at the CAI building, March 23-24-25. There is still room for exhibitors, officials say. Frank Richards and Dick Dean are co-chairmen.

Western Michigan to Play 9 Grid Games

KALAMAZOO (AP)—Western Michigan will play a nine-game football schedule this fall, opening at home Sept. 22 against Central Michigan.

Homecoming game is slated for Oct. 13 against Toledo.

The schedule: Sept. 22—Central Michigan; Sept. 29—Bowling Green; Oct. 6—at Marshall; Oct. 13—Toledo; Oct. 20—at Washington University (St. Louis); Oct. 27—at Great Lakes Naval Training Station; Nov. 3—Ohio University; Nov. 10—Western Reserve; Nov. 17—at Kent State.

Wayne Wins 11th in Row in 70-37 Romp

DETROIT (AP)—Wayne University boasted a 12-1 basketball record today, following a runaway 70-37 victory last night over Illinois Tech.

Becomes a Deacon
WAKE FOREST, N.C. (AP)—Gene Gibson, 29-year-old Latrobe, Pa., high school coach, today was added to the Wake Forest College football coaching staff.
