

Jet and Airliner Collide Near Washington

Just About Ready for First Solo Flight

WITH EXPERT INSTRUCTION—Peggy Sue Pozostki, 4, (left) and sister Vicki Anne, 8, of New Castle, Ind., are all eyes as they wait to see how well their pet robin has learned his lessons. The girls found the bird after it fell from a nest about two weeks ago, and are trying to get it airborne. In the picture all three appear ready for the first solo effort.

To Ask City OK on Metered Lot

Hospital Parking Plan Set

Approval of a \$200,000, 214-stall municipal parking lot for Pontiac General Hospital, this fall will be sought by City Manager Walter K. Willman tonight.

Willman will ask City Commission authority to proceed with plans for financing, construction and purchase of 10 lots immediately south of the hospital between Johnson and Seminole avenues.

Initial plans include borrowing \$150,000 through a 15-year revenue bond issue and \$50,000 from capital improvement funds.

Both loans would be paid back by means of parking meter revenues, Willman said.

The plan has been under informal consideration by the commission for some time, Willman says that

the parking situation will become critical when the hospital expansion program is completed late this year.

Voters last year turned down a \$350,000 general obligation bond issue for the parking lot. The lot under consideration now, Willman said, is smaller.

Although outside of the city's downtown municipal lot district, set up by ordinance two years ago, the hospital lot probably would have the same nickel-an-hour meters, with a three-hour parking limit from 8 a.m. through 9 p.m. daily and Saturdays, Willman said.

GM Goes Over Head of UAW

Firm Writes Workers Asking Acceptance of Its 'Only' Wage Offer

DETROIT (AP) — General Motors today appealed to 330,000 hourly rate workers for prompt agreement to the only wage proposal the company says it intends to make.

GM President Harlow H. Curtice made the appeal in a letter mailed to employees yesterday.

Meanwhile the United Auto Workers Union today called the top councils of its General Motors, Ford and Chrysler departments into an emergency session in Detroit Friday amid indications a major break in the negotiations may come this weekend.

The summons was issued from the office of UAW President Walter Reuther. No explanation was given by the union.

In the letter Curtice again went over the heads of United Auto Workers leaders who have rejected the GM offer to renew the 2½ per cent wage formula of the present contract.

The company estimates union demands, exclusive of profit sharing, at \$1.10 an hour.

Boost Span Dedication

LANSING (AP) — Dedication of the 100-million-dollar Straits of Mackinac bridge next month won't lack for outdoor advertising. The committee planning the dedication festivities June 26-28 said various industries have donated some 200 billboards to advertise the event throughout June. The State Highway Department also will erect signs on major trunklines announcing the festival.

Nixon to Discuss Rioting at Press Club Affair

WASHINGTON (AP) — Vice President Nixon will discuss his riot-marked trip to South America in a luncheon talk at the National Press Club tomorrow.

As is customary at press club luncheons, Nixon also will reply to questions at the conclusion of his talk.

The National Broadcasting Co. plans to broadcast the speech on its radio network.

CBS will carry a delayed radio broadcast at 9:05 p.m. (Pontiac time) of highlights from Nixon's talk and his replies to questions.

Red Threat No Bar to U.S. Duty—Dulles

WASHINGTON (AP) — Secretary of State Dulles said today the United States is not barred by Soviet Communist threats from doing its duty anywhere in the world.

He made the statement at a news conference in discussing the crisis in Lebanon. The Soviet Union has issued warnings against any interference in Lebanon's internal affairs.

Missing Baltimore Plane May Be Involved in Crash

BALTIMORE (INS) — An airliner identified by Maryland State Police as a four-engine Capital Airlines plane collided with a jet over the Potomac River near Brunswick, Md., today.

Both planes crashed in flames, witnesses said, and a single figure was seen to fall free. Witnesses said the parachute failed to open, however.

Two ambulances and fire equipment were rushed to the community of Lander on the Point of Rocks road, four miles south of Brunswick.

Fire trucks and two ambulances rushed to the scene from Brunswick, a town of about 4,500 persons.

Many of the townspeople headed for the site, and a woman answering a telephone in the town police station said the roads were "pretty tied up."

She also said that rescue equipment and police had gone to the crash scene from Frederick, Md., 16 miles northeast of Brunswick.

The nearest hospital is at Brunswick.

In Washington, Capital Airlines said the passenger plane involved apparently was flight 300, bound from Chicago and Pittsburgh for Baltimore.

The plane, a Viscount, had three crew members and seven passengers aboard, according to the Airlines spokesman.

The flight last was reported at 11:26 a.m. (EDT), over Martinsburg, W. Va., and received instructions for the approach to Baltimore's Friendship Airport.

Hal Boyle Recalls When Things Were Much Different

Did You Ever Break an Arm Cranking Auto?

NEW YORK (AP) — Things do change—for better or worse. Do you remember when: All underwear was colored red? The only time you got orange juice was when you needed castor oil? You could break an arm or lose your front teeth cranking up an auto? You air-conditioned a room by opening the window? Military Pay Hike Goes Into Effect

Assembly Claps as Pflimlin Asks Confidence Vote

Seems to Have Support of Most Deputies on Plans for Crackdown

PARIS (AP) — Premier Pierre Pflimlin was greeted with applause today in the National Assembly as he stood up to seek a virtual vote of confidence to meet France's darkest postwar crisis.

Most of the deputies appeared to be solidly behind him.

Applause broke out from all but the right ring when he declared his government will crack down on all extremists, right or left.

The Moderate Premier delivered a blistering attack on the rebellious Gaullists in Algeria.

Moderate parties were reported banding in self-protection to turn back Gen. Charles de Gaulle's bid to take over the government with extraordinary powers.

Pflimlin asked the deputies to give his six-day-old government a renewal of the emergency powers to fight the Moslem rebellion in Algeria, where De Gaulle civilian and military backers have seized control. The Moderates can check De Gaulle by supporting Pflimlin's request.

Pflimlin appeared before the Assembly shortly after his Cabinet announced that prompt security measures had paralyzed the action of extremist groups that were preparing violence.

The vote on the special powers for Algeria is the first test of strength for Pflimlin after the renewed offer by De Gaulle yesterday.

Receive Tax Refunds

DETROIT (AP) — Michigan's 1,548,569 taxpayers will receive a total of \$166,564,735 in federal income tax refunds, A.M. Menninger, district director of the Internal Revenue Service, said the average refund check was for \$110, compared with a \$95 average to 1,641,000 taxpayers last year.

Scene of Shooting

UNFINISHED DINNER — Oakland County Sheriff's Deputy Everett M. Fredericks surveys the scene where a retired Highland Township resident was shot last night. Leonard Ederle, 69, of 1320 White Lake Rd., was sitting at his table eating when shot by Arthur R. Bouffard, 47, of Dearborn Township, during an argument. Deputies Fredericks and Raymond A. Bills were the first to arrive. Ederle is in fair condition at Pontiac General Hospital.

Hold Man for Investigation in Shooting of Semi-Invalid

By DICK SAUNDERS

Oakland County sheriff's deputies are holding a 47-year-old Dearborn Township man today for investigation of attempted murder, following the shooting of a semi-invalid last night in Highland Township.

Deputies said that Leonard Ederle, 69, of 1320 White Lake Rd., was shot in the lower chest with a .22 caliber rifle by Arthur R. Bouffard, 47, of 24177 Fordson Highway, during an argument shortly after 7 p.m.

Ederle is reported in fair condition today at Pontiac General Hospital after undergoing emergency surgery late last night. Bouffard, an unemployed construction worker, was also hospitalized in satisfactory condition.

Deputies said he collapsed an hour after the shooting. He had been drinking and had taken a quantity of medicine.

The incident occurred at Ederle's house-trailer, Bouffard's estranged wife, Margaret, 38, with whom he separated last fall, had been taking care of Ederle for about a week.

A punch press operator at a Redford Township firm, she had been laid off for three weeks, she told deputies. Ederle was an old friend of the family, she said, and was her employer several years ago.

"My husband blamed Ederle for our break-up last fall, but Mr. Ederle was the best friend I ever had," she said.

She told deputies that her husband broke into the house saying, "Well, you've both had your chance, I'm gonna take care of him first, then you and me."

He shot Ederle but she grabbed the gun and ran to a neighbor, Laverne Clark, 70, of the same address, before he fired again, she said.

Bouffard was quieted and turned over to deputies by a friend of Ederle's, Ralph Miller, 49, of 4925 Johnson St., Clyde, who Mrs. Bouffard had called to the scene.

Would Stay in NATO

PARIS (INS) — Ex-Premier Georges Bidault, who once served as Gen. Charles De Gaulle's foreign minister, said today if the general gains power he will keep France in NATO but demand allied "understanding" of the French position in Algeria.

"The worst is about over," said J. Allen Walker, association president and general manager of Standard Oil of California. "There is definitely no general depression in store. The next 10 years will show fully as much economic progress as the decade before."

Charles H. Schmidt of National Bank of Detroit, one of the country's largest banking firms, said, "There is no conclusive proof that we have reached bottom yet. Consumer debt has reached 50 per cent of disposable income."

Plan to Entice Men to Stay in Service Signed

Skilled Personnel to Get Most of Increase After First 2 Years

WASHINGTON (AP) — President Eisenhower today signed legislation boosting military pay, with the aim of making career service more attractive.

The first year cost is figured at half a billion dollars.

The increases, effective for payrolls next month, would go to most persons on active duty in the Air Force, Navy and Marines with more than two years service.

Draftees and young officers in their initial required duty tours would get no increase, but boosts in base pay range from \$39 a month for the five members of the Joint Chiefs of Staff down to \$6.20 additional for some privates and apprentice seamen.

Reservists on active duty or taking periodic training would share in the increases.

Retired personnel would get a flat 6 per cent cost-of-living increase, except for retired three- and four-star generals who would get larger increases.

The increases also apply to uniformed members of the Coast Guard, the Public Health Service, and the Coast and Geodetic Survey.

The military payroll already is above 10 billion dollars annually. The estimated increase for the first year is \$576,438,000, or some 64 millions above the top amount recommended by the Pentagon.

The hope is that money will be saved in the long run by retaining men trained at great expense.

The new plan originated last year with a presidential commission. (Continued on Page 2, Col. 2)

High of 75 Tomorrow With More Sunshine

Sunny skies and pleasant is the weatherman's prediction for Pontiac tomorrow. The high will reach around 75. Fair and cool with a low of 50 is the forecast for tonight.

Wednesday and Thursday will be warm, with Friday and Saturday cooler again.

Today's west to southwest winds at 25 miles an hour will diminish tonight.

Yesterday's high was 69 degrees. In downtown Pontiac the lowest temperature reading preceding 8 a.m. was 54. The thermometer said 69 at 1 p.m.

Credit Experts Look for Gradual Climb

Predict Summer Bottom for Recession

DETROIT (AP) — Credit experts say the recession will hit bottom this summer and the economy will begin a gradual climb.

Delegates speaking at the National Assn. of Credit Men yesterday predicted long-range prospects bright with no depression in sight.

"The worst is about over," said J. Allen Walker, association president and general manager of Standard Oil of California. "There is definitely no general depression in store. The next 10 years will show fully as much economic progress as the decade before."

Charles H. Schmidt of National Bank of Detroit, one of the country's largest banking firms, said, "There is no conclusive proof that we have reached bottom yet. Consumer debt has reached 50 per cent of disposable income."

"We're going to have to wait until some of this debt is paid off before there can be much more rapid business activity."

"Then I look for a gradual, slow but solid recovery taking one or two years to bring us back to 1957 levels."

George W. Mitchell, vice president of the Federal Reserve Bank of Chicago, said easing credit policies since last fall has resulted in a "climate conducive to the renewal of business activity."

Parts of the country hard hit by the recession were specially noted. For instance, Henry Farnell of the Rhode Island Assn. of Credit Men, said "Rhode Island is like Detroit—we're hurting right now. People aren't buying."

"Detroit cars have priced themselves out of the market. Our people feel they can't meet the installments."

The convention runs through this week.

Stage 'Shorts' Raids in East

Coeds Storm Men's Dormitories

BOSTON (INS) — More than 100 Jackson College coeds staged a dawn "shorts" raid on two Tufts University men's dormitories and five fraternity houses in Medford today, aftermath of a 300-student raid on girls' dormitories.

The forays in Medford had been preceded by a wild fracas at Boston University by an estimated 15,000 students. Five BU undergraduates, arrested for disturbing the peace, were bailed out under the direction of President Harold C. Case.

They are: David Levine, 18, Portland, Me.; Alan Victor, 18, of East Chester, N.Y.; Robert E. Baum, 19, of Teaneck, N.J.; Harvey M. Sapolski, 19, of Worcester; and Barry Sussman, 18, Rockville Center, L. I., N.Y.

The wild demonstrations at Tufts and Boston University was set down as the "explosion" of pent-up emotions, the result of final examinations today.

The Jackson girls, armed with a banner proclaiming their aim as "we want short shorts" descended on the slumbering males as dawn broke over College Hill.

The girls stormed into the dormitories and "frat" houses. They banged kettles and pans in a deafening din.

'FLAGS' OF VICTORY

They emptied the dresser drawers in several rooms, making off with undergarments which they hoisted on sticks as flags of victory.

This was a reverse engagement of the earlier men's raid which had lingerie as its objective.

The triumphs of the "Amazons" was short lived. The aroused men emptied waste paper baskets filled with water on the girls. Then they hooked up garden hose to dampen the girls' ardor.

Somerville, Medford and Metropolitan District police were summoned but made no arrests.

The girls had attempted to enter Goddard Chapel and start pealing the historic bell but could not pry open the lock.

The Boston University outbreak was triggered by a false fire alarm. The fire fighters were pelted with water bags.

Police were summoned and in a scuffle a policeman's jacket was ripped, leading to arrest of the five students. They were held on \$25 bail each for court arraignment.

Interest Lagging in Conventions

Only 56 Nominating Petitions for Parties' County Meetings

With the deadline a week away, only 56 out of a possible 596 delegates to Republican and Democratic Oakland County conventions have filed nominating petitions, according to County Clerk Lynn D. Allen.

"This is perhaps the worst showing I have ever seen," exclaimed Allen, who has been clerk since 1932.

He said his office has received petitions for 32 delegates to the Republican convention and 24 for the Democratic convention. Both will be held sometime between Aug. 13-25, Allen said.

A delegate from both parties is chosen at the Aug. 5 primary to represent his or her voting precinct in the county. There are 288 precincts to date.

"This showing is very shameful," said Allen. "The selection of these delegates is a big stepping-stone to larger state and national political choosing."

He again reminded those circulating petitions that none will be honored after the 4 p.m. deadline May 27.

Those delegate positions not filled by convention time, Allen said, will be chosen by those delegates elected. They must be in attendance at the convention and must reside in the voting precinct he is to represent, Allen added.

Supervisor Planning to Run for Sheriff

Frank J. Stephenson, Farmington Township supervisor, today filed nominating petitions with the county clerk for the office of Oakland County sheriff on the Democratic ticket in the Aug. 5 primary balloting.

Stephenson, 51, of 24041 Haynes St., formerly operated a home construction company for six years in Farmington Township before being elected as supervisor in April of last year.

The Nova Scotia-born candidate, who became a naturalized citizen in 1956, is the first candidate to announce he would try to unseat Republican Sheriff Frank W. Irons.

In 1938, Stephenson was the youngest mayor in Canada in the town of Dominion. He served as mayor with the Royal Canadian Engineers in World War II.

CAMPAIGN COMMITTEE MEMBERS — As part of a new statewide "Hire Now Campaign," being launched by the Michigan Employment Security Commission, these men will be part of an 11-member committee in Pontiac named yesterday by Circuit Judge Clark J. Adams, president of the Greater Pontiac Advisory Council.

Standing are Larry Payne and Carroll Osmun (4-r), while seated (l-r) are James F. Spence, Robert S. Nelson, committee chairman, and Paul Kimball, manager of the Pontiac MESO office. Other committee members are Van Braidwood, Frank Lyndall, John A. Riley, William McAulay, Howard H. Fitzgerald, and Sidney Barnett.

Servicemen's Pay Hike Put Into Effect by Ike

(Continued From Page One)

sion headed by President Ralph J. Cordner Jr. of General Electric.

AIMED AT SKILLED

The commission said a basic pay revision was needed to retain trained and skilled experts for the complex new weapons systems that include missiles, supersonic aircraft and nuclear submarines.

President Eisenhower recommended a modification of the Cordner plan early this year and this underwent numerous congressional revisions before winning overwhelming approval.

The House initially voted for increases of more than 683 million dollars but later accepted a lesser Senate version.

Sen. John Stennis (D-Miss) floor manager for the final bill, said it was required as a means to keep truly professional armed services in a necessary state of readiness.

Thousands of skilled officers and enlisted men have been turning in their uniforms after costly training. Often they went into private business holding defense contracts.

Pentagon leaders testified the new pay proposal should slow this down at a cash saving, and also improve combat efficiency.

The new pay schedules taper off the old seniority system, under which a man or officer got periodic increases by merely staying out of trouble. Under the new system, after an average time in grade without promotion, these pay boosts end.

NEW GRADES

Two new top pay grades for both officers and enlisted personnel are also created.

At the officer level, these are the four-star and three-star ranks. A full general or admiral goes up from \$1,726 base pay monthly to \$1,700. Three-star pay rises from \$1,176 to \$1,550.

Under the new formula four-star officers already in retirement go up from \$807 to \$1,014 a month, and three-star officers from \$807 to \$935.

Similarly two new noncommissioned officers grades are created above present master sergeants or chief petty officers. Known now only as E9 and E8, they now pay boosts of 22 to 84 per cent.

Also approved is a new system of proficiency pay for enlisted men which could go to skilled mechanics, technicians or other

experts. It could be \$550, \$100 or \$150 a month extra, or in the form of a promotion in grade.

This would be in addition to presently authorized special hazard duty pay and other base pay and allowances.

Similarly officers in the grades of captain through colonel could qualify for extra responsibility pay of \$50, \$100 or \$150 a month. This could go to such people as aviation unit commanders, ship commanders, missile or weapons experts.

LAST PAY HIKE IN '55

The last previous military pay increase was in 1955 and amounted to an average of 11.7 per cent for enlisted and 13 per cent for officers.

The new plan averages an 11 per cent increase in basic pay for officers and 9.2 per cent for enlisted men with more than two years service.

Heads Employees Group

DETROIT (AP) — Erwin O. Friedlund has been elected president of the Detroit Municipal Employees Assn. Friedlund is superintendent of building maintenance for the Detroit Department of Parks and Recreation.

Generals, Admirals to Earn More Than Congressmen

WASHINGTON (AP) — Four-star generals and admirals will draw more pay than members of Congress under the new pay bill signed today by President Eisenhower. Members of Congress now get \$22,500 a year while the full generals and admirals will collect \$25,224. If they also receive special hazard duty pay as pilots or submariners, they may draw \$27,204 a year.

The four stars ranks previously were paid \$20,136, or \$22,116 if on hazard pay. The new law raises the base pay from \$1,276 to \$1,700 a month.

In addition to base pay, they get \$171 for rent or quarters, \$48 for subsistence, \$183 for personal money, and, if eligible, \$165 for hazard duty pay.

The members of the Joint Chiefs of Staff — heads of the Air Force, Army, Navy, Marines and their chairmen — will get \$29,124 a year, or \$31,104 if entitled to hazard pay. The former pay was \$21,936 or \$23,916.

Mrs. Steinbaugh Out of School Election

Mrs. Sally Steinbaugh has been disqualified as a candidate for the Pontiac Board of Education, leaving three to contend for two seats. Vernon L. Schiller, board treasurer, said that Mrs. Steinbaugh's nominating petitions were not technically valid because she circulated them under the name of Mrs. Fred Steinbaugh rather than her "legal" name of Mrs. Sally Steinbaugh.

Mrs. Steinbaugh is a second grade teacher at Crofoot School. Last week, two other candidates withdrew from the race in her favor. Left now are Dr. Walter Godsell, an incumbent, Mrs. Elsie Mehalak, and Charles M. Tucker Jr. The election is June 9.

Cut Cable Knocks Out 3,300 Drayton Phones

Some 3,300 Michigan Bell Telephone Co. phones in the Drayton Plains area were out for about 12 hours yesterday when a power company drill struck and severed an underground telephone cable, company officials said.

They reported that most of the service was restored by 8 last night. Damage was slight, they added.

Gas War Rages in Motor City

6 Detroit Suppliers Cut Prices Up to 1.9 Cents; Pontiac Not Affected

DETROIT (AP) — Six Detroit gasoline suppliers were selling tankloads to service stations at reduced prices today as a gas war raged in the Motor City.

(Editor's Note: So far prices in the Pontiac area have not changed.)

Shortly after Standard Oil announced a cut of 1.3 cents a gallon in regular gas and 1.9 cents for premium yesterday, Sun Oil and Gulf announced the same drops. Socony, Mobilgas, Shell and Speedway then dropped their price of both regular and premium gas 1.3 cents a gallon.

Standard's new tankwagon price, not counting state and federal taxes—is 11.3 cents a gallon for regular and 15.2 for premium. Gulf and Sunoco, although the same price on regular, are even lower on premium—13.8 cents.

Retail price of branded gas from the pump now ranges from 25.9 to 26.6 cents for regular and 28.9 to 29 for premium.

Further gas cuts appeared evident momentarily.

Al Mallory, president of Amro Stations, Inc., independent, said, "Independent dealers generally sell their gasoline 2 to 5 cents a gallon cheaper than the major companies. The latest cut by the majors brings the margin to the danger point. We'll have to cut prices to keep our share of the market."

Most independent dealers are selling regular for 24.9 cents and premium for 28.9.

The price cut was the sixth since January. Five cents and one increase have dropped the price of gas 6.2 cents a gallon since the first of the year.

RICHARD D. KUHN

Car Wash Owner Seeks Lodge's Seat

Pontiac auto wash owner Richard D. Kuhn announced today he would again attempt to win the Oakland County seat in the State Senate, now occupied by Sen. L. Harvey Lodge of Drayton Plains.

Kuhn, 28, of 205 Gateway Dr., Waterford Township, lost out in August of 1956 in bid for the 12th District post. This year he will seek it again on the Republican ticket.

The candidate is a graduate of Michigan State University and the Detroit College of Law.

Married, he is a member of the Pontiac Area Chamber of Commerce and the Waterford Township Junior Chamber of Commerce.

Scotland Train Crash Injures 40, None Die

PAISLEY, Scotland (AP) — A small freight train rammed into the rear of a crowded Glasgow-bound local at the height of the morning rush hour today, injuring 40 passengers.

No one was killed, but some of the injured were reported in serious condition.

Waterford to Battle Boating Accidents

Waterford Township will throw its seven-member auxiliary police force into the battle against boating accidents this summer.

The voluntary force will be ordered on the alert to enforce new state laws cracking down on reckless boating. Township Supervisor Elmer Johnson indicated last night.

The plan is part of a long-range one under consideration to cut down weekend accident tolls on lakes and highways.

It developed out of a meeting last night at which Donald E. Adams, a member of Gov. William's Water and Traffic Safety Commission, urged that a township safety advisory committee be set up.

The board appointed Adams and Patrick Daly, the township's justices of the peace, to meeting with Johnson this week to select a twelve-member committee.

"Every summer the accident problem becomes worse and worse here as more and more people are on our roads and lakes," Johnson said. "The township must take more definite action to cut down accidents."

He said that Police Chief Millard Pender would have the job of putting the reserves on the alert by Memorial Day weekend, the first big danger period of the summer.

The reserves are already on voluntary nighttime patrol duty.

On the basis of his experience on the governor's committee, Adams recommended the advisory committee study traffic problems on both main highways and local roads, traffic signal changes and new turnoffs.

In other business, an informal meeting of the township board has been scheduled for 8 p.m. Friday to discuss a proposed banding ordinance for residents of the Venice of the Lakes subdivision to make connections with the township water system.

During the meeting a representative of the T. & G. Land Co. telephoned to inform the township board that it would pay for engineering expenses to determine the type water system to be installed in the Indianwood Manor subdivision on W. Walton boulevard.

According to the board's new policy, each new subdivision must have a central water system. However, unusual soil conditions prevail in the Indianwood area and the builders think that individual wells would be more feasible.

Clerk James Seeterlin was authorized to adjust sewer charges in the Sylvan Shores subdivision for residents who have installed sewer lead-ins, but have not made connections.

The Day in Birmingham

Assure Residents of Steps to End Sewage Odors

BIRMINGHAM — Residents of southwest Birmingham were assured last night by the City Commission that steps are being taken to eliminate the obnoxious odors coming from the North Evergreen Sewage Disposal Plant on Cranbrook road.

Blocked digesters in the plant several weeks ago necessitated removal of a large quantity of partially processed sludge, City Manager L. E. Gare explained. The odor comes from this storage pit, rather than from the plant itself, he said.

A group of protesting residents told Gare at the meeting that the chemicals now being used to kill the odors are effective only a few hours.

Gare and commissioners outlined other measures designed to eliminate the problem.

No action was taken on the appointment of Municipal Judge John J. Gaffill's successor. Officials, however, concurred with Gaffill's request to advance his retirement from July 1 to June 1.

The city manager was asked to prepare an agreement between Birmingham and Troy for Troy's use of fire hydrants in the area of Adams and Derby roads.

Birmingham Recreation Board today announced plans for a Senior Men's Club shuffleboard tournament on Memorial Day. The games will start at 1:30 p.m. at the Community House courts.

Three clubs, tennis, archery and model planes, will be formed by the Recreation Board if enough interest is shown.

Low Parry will give free archery lessons at the Eton Park range each afternoon beginning June 23. Model plane activities will be carried on at the city's 66-acre tract near Birmingham High School.

Persons interested in any of these activities have been asked to register at the Recreation Board's office in the City Hall.

The Rev. Robert Gibson of the First Presbyterian Church in Birmingham, said there is a shortage of teachers for summer sessions of church school and vacation church school.

The summer sessions will be held from June 22 through Aug. 31 at the 9:45 a.m. Sunday service only.

The vacation school, June 23 through July 3, will be in session each weekday from 9 a.m. to noon.

Teachers may register with Rev. Gibson or at the church's Christian Education Office.

Quarton PTA, meeting at 8 p.m. tomorrow, will hear a discussion by Dr. Elizabeth Drews of the Michigan State University Department of Education.

She will talk on what the

U.S. Forces on Alert, Says German Paper

FRANKFURT, Germany (AP) — A German newspaper said today some U.S. Army units in Germany have been alerted, presumably in connection with the Middle East crisis. The Army said only routine exercises are being carried out and denied that the Middle East crisis was involved.

A spokesman said some units were engaged in a training exercise which involved alerts and cancellation of passes.

school is doing for the more able student.

Grant Barber, principal at Quarton, will give a progress report on the school's current study in this field.

Chrysler to Cut Executives' Pay

Wage Slash Applies to All Making More Than \$10,200 Per Year

DETROIT (INS) — Chrysler Corp.'s top administrative committee announced pay cuts are scheduled for approximately 2,000 officers and executives of the corporation.

The decision was announced yesterday in letters received by all affected. The letter said the cuts will take place this summer and range up to three weeks salary.

It applies to everyone making \$10,200 a year or more, and is on a sliding scale, with the greater cuts for those who earn the highest salaries.

"Further economies are required to assure the long range strength of the business and the future career opportunities for Chrysler men and women," the letter said in part.

The graduated pay cuts hit hardest at top offices such as President L. L. Colbert, with a loss of three weeks pay, to be subtracted from pay checks in three installments in July, September and November.

The next graduation is for executives making \$15,000 and over, but not officers. Persons in this class lose two weeks' pay, which will be taken out in July and September.

The lowest salary class to be hit by the cut is that from \$10,200 but less than \$15,000. These executives lose one week's pay, which will be taken out half in July and half in September.

GM Goes Over Head of UAW With Offer

(Continued From Page One)

ing, would amount to an increase of 73 cents an hour per employee. The union denies this, but has given no estimate of its wage and fringe demands.

Curtice followed up a similar letter he sent employees May 3. This time he sent with it a 27-page booklet entitled "Ten Years of Industrial Pace at GM and the Progress It Brought to You and Your Family."

The Big Three car makers have made virtually identical proposals to the UAW. They would extend for two years a wage formula that gives workers an annual increase of at least 6 cents an hour, or 2 1/2 per cent, whichever is higher, plus cost of living allowances. Curtice said the present contract was praised by union leaders when it was negotiated in the boom year of 1955.

Pflimlin Asking Confidence Vote

(Continued From Page One)

day to assume the powers of the state.

The vote may not come until after 12 or more hours of meetings and debate.

A favorable vote would be a victory for Pflimlin but hardly more than a minor defeat for De Gaulle. His shadow is likely to loom large over every government activity until the conflict between Paris and the Gaullists in Algeria is settled.

Pflimlin declared the Gaullist committees of public safety that have sprung up all over Algeria were instruments for subversion.

He said a quasi-revolutionary situation existed there and agitators had exploited the passion of the people in the cities.

MAJOR TASK

He again stated that the problem of French governmental institutions was a major task for his Cabinet and he allowed himself no longer than six months to complete this task.

The Algerian special powers bill is one that each new government must get within 10 days of taking over.

KALAMAZOO'S OLDEST — William "Dad" Eddington, Kalamazoo's oldest citizen, is quibbling his 100th birthday today. The amazing alert oldest, is shown enjoying his daily

of ice cream, which with three pots of coffee, form the major part of his regular diet. A former circus cook, Eddington was born in 1849.

Parke, Davis Gives Land for Rochester Hospital

Dream Nears Reality Now

200-Bed Center Will Be Named in Memory of Bertha Van Hoesen

ROCHESTER — The dream of a community hospital in Rochester was several steps closer to reality today following the announcement yesterday by Parke, Davis & Co. that it has donated a 20-acre site for a new 200-bed medical center across from Parkdale Biological Laboratories at the northeast edge of the village.

Hilburn Carpenter, chairman of a Rochester citizen's committee, said it will be called the Bertha Van Hoesen Hospital, Inc., in memory of "one of this area's native daughters who operated in many hospitals across the nation during her nearly 60 years of medical practice."

Dr. Van Hoesen was born at Stoney Creek, near Rochester. She was Author of the best seller, "Petticoat Surgeon."

Her only living relative, Dr. Sarah Van Hoesen Jones of Rochester, has been active in the hospital campaign.

The medical center, which will serve a 250-square mile area around Rochester, will cost approximately four million dollars, Carpenter said.

A drive will begin immediately to raise funds for the hospital, he said. Contributions will be sought from business, industry and labor in the metropolitan area.

Construction is expected to start within five years.

FAIR TO FEATURE ARTIST'S GALLERY— One of the attractions of the Spring Fair being sponsored Saturday by the Northminster Church in Troy Township will be an artist's gallery

where children's silhouettes will be drawn. Mrs. Delor Westerby of 2895 Hunt St., Troy, points to a sample sketch of her six-year-old daughter, Peggy, who beams approval.

At Northminster Church in Troy

Spring Fair Set Saturday

TROY — Saturday will be Spring Fair day at the Northminster Church, 3633 Big Beaver Rd.

The event, first of its kind to be held by the church, will include indoor and outdoor activities for the young and old.

There'll be a host of bazaar

Sentenced to Prison, Novi Man Faints

A 24-year-old Novi Township man fainted in Circuit Judge H. Russell Molland's courtroom yesterday after the judge sentenced him to 18 months to 15 years in the State Prison of Southern Michigan at Jackson for breaking and entering.

Sheriff deputies later revived Donald Combs, of 115 Labenta Rd., in Judge Molland's chambers while spectators helped Combs' mother from the packed courtroom.

Combs, who probation officers say had a long list of other offenses, was sentenced along with two companions who admitted breaking into Kay's Restaurant at 519 Commerce Rd. this month.

Daniel Holon, 21, of 921 Dunreath St., and Clifford Willett, 25, of 870 Dunreath St., both of Commerce Township, were sentenced to three years probation and 60 days in the Oakland County Jail. They were ordered to pay court costs and make restitution.

McCarroll Cub Scouts Get Awards at Picnic

Seven members of McCarroll School Cub Scout Pack 17 received awards last night at a picnic and pack meeting held at the Bald Mountain Recreation Area. Eighty-six scouts and their parents attended.

Receiving awards were Michael McLean, Lance Clauson, Terry Massey, Curtis Olson, Melvin Williams, Denny Cherry, and Dick Wagner.

LOLA LOUISE JOHNSON

Mr. and Mrs. Glen W. Johnson of Mann road, Independence Township, have announced the engagement of their daughter, Lola Louise, to Douglas L. Wood, son of Mr. and Mrs. Leonard A. Wood of St. Joseph street, West Bloomfield Township. The bride-elect attends the Harper School of Nursing in Detroit and the prospective bridegroom is in the Navy Seabees. No date has been set for the wedding.

Lake Orion Approves Water System Bonds

LAKE ORION—The Lake Orion Village Council last night approved the sale of \$25,000 in revenue bonds to complete the water system in Swiss Village. The project, begun last November, is expected to be finished by next March.

It was announced that Orion Township has agreed to share one-third of the \$1,000 cost of patrolling Lake Orion by police boat during the summer season. Part of the lake lies in the township.

William Shoup was reappointed officer in charge of the craft.

At Clinton Valley Council Dinner

To Show Slides of World Scout Meet

FARMINGTON—A lady cubmaster from Walkerville, Ont., Thursday will present her colored slides of last year's World Scout Jamboree held in England at the 40th anniversary dinner of the Clinton Valley Boy Scout Council.

Scout leaders, their wives, den mothers and their husbands from all parts of north Oakland and Macomb counties will gather at 6:45 p.m. at Farmington High School to hear Miss Patricia Sullivan, cubmaster of the 27th Wolf Cub Pack, St. Mary's Anglican Church in Walkerville, who will be guest speaker at the annual event.

Council President John W. Hunt of Farmington said this year's program will highlight 40 years of achievement for the council

which has grown to be one of the most important in Region Seven. Region Seven comprises the councils in Michigan, Illinois, Indiana and Wisconsin.

Otis N. Walton of Green Lake, adviser to Explorer Post 119 of the Green Lake Association, will be master of ceremonies.

His entertainment program will include vocal numbers by the Automobiles, members of Chapter 1, Sweet Adeline Society, an international organization of four-part harmony, a cappella singers, John Kee Smith of Farmington is director of the group.

Silver Beaver awards, highest council recognition for service to boyhood, will be presented by Ralph S. Forman of Pontiac, chair-

man of the selection committee. Names of Scout leaders to receive this distinction are kept secret until they are "called out" at the annual meeting.

Election of officers also is scheduled.

Miss Sullivan has been a Cubmaster since 1954, and has served as assistant cubmaster in Walkerville and London, Ont. She has been district cubmaster for Windsor, trained the boys choir for the Windsor Scout Show in 1956 and was one of 15 leaders from the Windsor District to attend the World Jubilee Jamboree-Indaba-Moot in England.

Miss Sullivan is private secretary to the secretary of the Michigan Racing Assn., Inc.

Plan to Recruit Police at MSU

Oakland Force to Send Team 2,000 Miles to Study 150 Prospects

EAST LANSING — The day is long gone when a six-footer with an Irish brogue could get a job for the asking as a local cop—at least in Oakland, Calif.

This weekend, the Oakland Police Force will send a recruiting team 2,000 miles to look over 150 prospects being assembled at Michigan State University, its midwest testing center.

Thirty students in the MSU Police Administration School will be among candidates for about 20 openings in the West Coast force.

Other candidates are due in from 67 cities in Michigan, Illinois, Indiana, Ohio, Pennsylvania, Wisconsin, Minnesota, Nebraska and North Dakota.

The young men will undergo a three-hour written examination Saturday, and then don gym clothes for an obstacle course agility test in Jenison Fieldhouse.

Sunday and Monday will be reserved for personal interviews by the recruiting officers.

A somewhat similar recruitment session was held at MSU last year, but on a much smaller scale. Successful applicants win the right to enter an Oakland Police Force training school.

Oakland offers one of the nation's highest starting salaries in police work. Trainees start at \$3,770 a year.

ROBERT S. BECKER

Graduating with honors from Michigan State University on June 8 will be Robert S. Becker, son of Mr. and Mrs. J. W. Becker of Orionville. An engineering major, Robert is a member of Tau Beta Pi, Eta Kappa Nu, and Pi Mu Epsilon, engineering, electrical engineering and mathematics honorary fraternities, respectively. He will be employed as an associate research engineer with Lockheed Aircraft Corp. in Burbank, Calif. after graduating.

Orion DeMolay Opens Contest for 'Sweetheart'

LAKE ORION—Lake Orion Chapter of DeMolay tomorrow will begin accepting entries in its annual "Sweetheart Contest."

Finalists will be announced June 5 and the winner will be crowned at the Sweetheart Dance.

The contest is open to all girls between the ages of 14-21 who live in the Lake Orion School District. Photos will be accepted from May 21 through May 23.

Votes will be cast in canisters placed in the two village drug stores and in the Lake Orion Community High School.

Former Lake Orion Sweethearts were Eleanor Gingell and Sue Sutherland. Eleanor went on to win the district title and Sue the district and state crowns.

Jupiter's Load Tops Sputnik's

Army Missile's Future Still in Doubt Despite Solving Re-Entry Task

CAPE CANAVERAL, Fla. —A Jupiter intermediate range ballistic missile didn't go as far through space Sunday as the Soviet Union's Sputnik III, but it did carry a heavier payload.

The future of the Army missile still was in doubt today, however, despite its apparent conquest of the crucial re-entry problem.

Defense Secretary Neil H. McElroy said after arriving at the missile test center for a brief inspection tour that the Jupiter and its interservice rival, the Air Force Thor, still must prove themselves before a choice can be made.

The Jupiter, which played a key role in launching two Explorer satellites into orbit, pushed a 3,000-pound full-sized nose cone into space and back to earth during a highly successful firing. The huge cone was recovered intact in the Atlantic 4½ hours later.

The peak altitude of the Jupiter's vertical ascent is classified. The mighty 69-foot bird had to penetrate into space before beginning its ballistic free flight.

After the free flight phase, the missile plunged toward the earth's hot atmosphere toward its intended target.

This was the first full-scale ballistic missile nose cone to pass through the intense friction of the earth's atmosphere without burning up. Rocket experts estimate that it will be another year before this country launches a satellite the size of Sputnik III.

Orion to Get Machine for Duplicating Records

ORION TOWNSHIP — The Orion Township Board has decided to purchase a thermo-fax duplicating machine to be used to make permanent copies of township records and documents. It will cost \$429.

The board also voted \$1,000 to the Gingiville Community Center, and \$500 to Lake Orion to help finance recreation programs in the two villages.

County Receives Share of Gas, Weight Taxes

Oakland County yesterday received its first quarterly share of 1958 state gas and weight taxes. The check amounted to \$1,560,938.48, according to Charles A. Sparks, county treasurer.

The money will be used on county road maintenance and construction.

County Calendar

Auburn Heights
Auburn Heights Community Club will hold a public picnic party at the Clubhouse, 220 S. Squirrel Rd., at 8 p.m. Thursday. Refreshments will be served.

Namoi Circle
Namoi Circle will sponsor a card party and dessert luncheon at 12:30 p.m. Thursday at the home of Mrs. Elizabeth Pulleyblank of Motorway Dr. Chairman of the circle is Mrs. Lawrence (Suzanne).

Stadnik Elected First Mayor

Wixom Residents Decide on City Status

WIXOM — After being a village for a little more than a year, Wixom has decided to become a city.

Voters turned out in record numbers yesterday in a special election to adopt a city charter and elect officials. The vote was 323 to 43.

Joseph T. Stadnik, who has been serving as village president, was elected mayor, defeating two challengers by a convincing majority. Stadnik polled 300 votes, Wesley E. McAttee finished second with 126, and Lawrence R. Schardt received 38.

Top vote-getter of the day was Ray W. Lahti, who led all candidates for the six council positions. He got 314 votes, 29 more than his nearest rival, Jesse R. Birchard, who polled 285.

Others who won council seats were Lottie E. Chambers, 279; Gerald O. Abrams, 276; Gunnar E. Mettala, 264; and Walter Tuck, 262. Losers were Robert Wagnitz, 258, and Fred Beamish, 159.

All of the village councilmen except Wagnitz were returned to

office. The lone newcomer is Lahti, who served on both the village and city charter commissions.

In the race for the Justice of the peace post, William Welke defeated James E. Sereno, 276 to 138.

By virtue of receiving the highest number of votes for a council seat, Lahti will be mayor pro tem.

The little community in western Oakland County developed rapidly following the locating of the Lincoln plant there. It was incorporated as a village in April of 1957.

GOLF RANGE READY—Hiram C. Brown, general manager of the new Romeo Golf and Athletic Club, puts finishing touches to yard

markers for the driving range scheduled to open June 1. The club is located on 32-Mile road, one mile east of Romeo.

Romeo Golf Driving Range Slated for Opening by June

By LEE WINBORN
Romeo Correspondent

ROMEO — Although the Romeo Golf and Athletic Club course isn't scheduled to open until next spring, a driving range at the course will be ready by June 1, according to General Manager Hiram C. Brown.

The 158-acre club site is located on E. 32 Mile road, a mile east of Romeo. Formerly the south farm of the Pontiac Nursery Co., the property was purchased last year by Victor DeBaeke of Grosse Pointe.

DeBaeke has owned and operated the Beverly Hills Public Golf Course in Warren the past 28 years.

Brown said his workmen are concentrating now on the front nine holes of the proposed 18-hole golf course, planning to have them ready for play in the spring of 1959. Work will continue on the back nine until that portion of the course is completed in 1960.

"We have had a good break in the weather this spring, which has speeded up operations tremendously," Brown said. "At present we are in the process of preparing

the greens and tees for seeding and sodding."

Describing the course, the manager said, "Although the land is slightly rolling, we will try to compensate for the lack of hills by creating artificial hazards. We dredged a pond last fall and currently are building sand traps."

While work continues outside, remodeling operations are in progress on the inside of the 94-foot barn on the front of the property.

Brown said a pro shop and clubhouse, with picture window overlooking the course, paneled wall-scooting and new flooring, should be ready sometime this summer.

Plans are being made to build an addition on the front of the barn which will house a dining room designed to seat some 300 people. Of sturdy construction the old barn was built on a 14-inch stone wall foundation making it a more suitable clubhouse than the present house on the property, Brown said.

The new club will be the first

of its kind to be built within some 20 miles of Romeo, and its progress is being followed with a great deal of interest, Brown reported.

Area Sales Group to Hear Founder

ROCHESTER—The newly-organized Rochester area chapter of the Sales Masters National will hear National's founder, Paul A. McAdam of Phoenix, Ariz., at a meeting at 7:30 p.m. tomorrow at the American Legion Hall in Rochester.

The organization provides "do-it-yourself" training for sales people seeking to advance themselves in their profession. Membership in each club is limited to 30 persons.

Twenty-two charter members were signed up last week during the local chapter's organizational session. Most of them are business and sales people from the Rochester-Oakland-Romeo area.

The public is invited to the meeting tomorrow.

Patricia Murray Weds in Waterford

WATERFORD TOWNSHIP — St. Benedict's Catholic Church was the scene of the wedding of Patricia Elaine Murray and Ronald De Longchamp. Performing the rite, May 10, was the Rev. Richard Thomas.

The bride is the daughter of Mr. and Mrs. Harry E. Murray of 400 Hickory Nut Dr. Parents of the bridegroom are Mr. and Mrs. Harold P. De Longchamp of 1362 Hiller Rd.

The new Mrs. De Longchamp chose a gown of Chantilly lace and tulle over bridal satin with a fitted bodice and long sleeves. Her fingertip-length veil was attached to a pearl crown, and she carried a bouquet of white carnations and ivy.

Janet De Longchamp, sister of the bridegroom, was the maid of honor. Attendants were Mrs. Gerald Wagoner, Maxine Sevegnay and Grace Stottlemeyer.

Michael Murray, the bride's

brother, was best man. Ushers were William Bland, Robert De

Longchamp, brother of the bride groom, and B. L. Kittles.

An evening reception was held at Dublin Hall.

Ex-Pontiac Grocer Buried in Lansing

Service for Pete Felice, 61, of Lansing, a former Pontiac resident, will be held at 10 a.m. tomorrow at Palmer-Bush Funeral Home in Lansing.

Mr. Felice, who moved to Lansing from Pontiac 10 years ago, died in a Lansing hospital Sunday morning after a long illness. He had operated a grocery in Pontiac for about seven years.

Surviving are his wife, Rose; two sons, John and Joseph; two daughters, Lucy and Joyce, all of Lansing; three sisters, Theresa, and Rose, both of Pontiac, and Giovanna in Canada.

MRS. RONALD DE LONGCHAMP

From the Press Box

BY BRUNO L. KEARNS
Sports Editor, Pontiac Press

Let Michigan State coach John Kobs pick his all-time Spartan baseball team and the first name he would list for the outfield would be that of Don Fleser.

To say that Fleser roamed the outfield at one particular position would almost be a fallacy.

"He was so fast it wasn't safe for any batter to hit one in the air and hope for it to fall in safely anywhere. There was no such thing as a Texas Leaguer or blooper with Don all over the outfield," said Kobs.

That was 33 years ago and he is still considered one of MSU's best.

JOHN FLESER

But there is another Fleser in the picture who as only a sophomore this year is pounding the ball at a tremendous pace for the Spartans now battling for the Big Ten baseball title.

This is John Fleser the son of the famous Spartan outfielder. "Never thought I'd be coaching two generations of Flesers," said Kobs, "but it looks like John has a lot of his father's baseball talent."

No one yet has been able to match the hitting mark set by the elder Fleser during the 1925-26-27 seasons. He batted .589 as a sophomore, .667 as a junior and .495 as a senior.

This gives him an overall average for three regular seasons well over .500.

"John's father had greater speed and it was almost impossible to throw him out at first base on a roller or drag bunt," said Kobs, "but John has greater power. He is much bigger than his dad was."

Don Fleser was so speedy that Ralph Young then coach of the track team recruited him for the dashes and one season he competed in the track events early in the day and then would change uniforms and rush out to the baseball field.

The Fleser family moved into Birmingham from Flint in 1954 and John played the infield with the Maples coached by Lew Parry.

"He has good speed for his size," said Parry, "and he is tough at the plate."

This is somewhat obvious now. John is rapping the ball around .440 and he leads the Big Ten in runs batted in to date.

"We have been thinking about moving John to the infield where he seems to be more at home. He has been working out at second base for us," said Kobs.

Kobs can point to a lot of differences between the father and son as players. "Don was faster, John is stronger. Don was a lefty, and John is a right-hander. Don was a better fly chaser, John seems to be better on the ground. But for the second time in 33 years I'm happy to have another Fleser on our side," said the MSU coach.

62 Takes 1st Prize at Franklin

Reggie Myles Jr., youthful head professional at Grosse Pointe Farms, and Joe Watson Jr. of Rochester combined for a blistering 10-under-par 62 Monday to win the PGA's Pro-Am Metropolitan Best-Ball tournament at Franklin Hills.

Myles and Watson, both former touring golfers, finished three strokes ahead of host pro Wally Burkemo and Harry Newman, all-time football great at the University of Michigan.

Four teams tied for 3rd place with a best-ball of 66 over the wind-blown Franklin layout. Bill Martin, Jack Fleck's assistant at Rochester, captured two of the positions with partners Bob Campbell and Hugh Kirk. Myles held the other two spots.

Three teams were deadlocked with scores of 67 and six more turned in 18-hole totals of 68, including Pontiac's Gene Bone and Clem Hopp and Bob Gajda of Forest Lake and Dave Pottinger.

Myles, son of a famous golfing father, shared pro medalist honors with Burkemo. Each player fired a 69.

Jimmy Johnson, winner of the two previous Pro-Am tournaments, was 2nd among the individual pros with a 70.

Bill Martin shot a 72 and Bone a 73 while Indianapolis's Mike Dietz and Ray Maguire of Birmingham both posted 74's. Par at Franklin is 36-36-72.

The leaders:

Myles-Joe Watson	32-36-68
Burkemo-Harry Newman	33-34-67
Martin-Hugh Kirk	33-34-67
Myles-Dan Labadie	33-34-67
Myles-John Starr	33-34-67
Powers-Henry Luck	34-33-67
Shepherd-Jim Smith	34-33-67
Gibson-Jim Beale	34-33-67
Gene Bone-Clem Hopp	34-33-67
Gajda-Dave Pottinger	34-33-67
Burkemo-Gordon Levy	34-33-67
Burkemo-Walter Strauss	34-33-67
Ed Gault-Lon Wendrow	34-33-67
Gibson-Don Miller	34-33-67

AVON LOOP OPENS PLAY
Play was started yesterday for the 8-team Avon Church Softball League. Winners for the openers were United Presbyterian 13, Nike 7; Elmswood ME 20, Avon Baptists 7; Stone Baptists 11, Pontiac RLDS 9; Lake Orion RLDS vs. Parkside Nazarene was postponed.

Defending champions Birmingham Maples are back in the field with another strong team that includes last year's medalist Pete Green and close competitor Warren Summer. Pontiac Central, Waterford, St. Frederick's and Bloomfield Hills, with another fine team, are already in.

The tourney is an 18-hole medal play event, with five-man teams competing for low total score. Awards will be made by The Press for the championship team, to the individual members of the title-winning combination, and to

Ailing Tigers Mending Slowly

Today's Lineup vs. Orioles May Include Boone

Hoelt to Pitch Home Opener; Bunning Is Throwing Again

DETROIT (AP) — The injury problem appeared partially solved today as the Detroit Tigers prepared for the Baltimore Orioles' first invasion of Briggs Stadium.

Before the two teams met today at the Detroit park, the Tigers got word that pitcher Jim Bunning and first baseman Ray Boone are improving steadily. Bunning has had an injured side and Boone has been out with an aching right knee.

Both worked out briefly at the stadium yesterday as manager Jack Tighe hurried his athletes through an hour and a half drill. Boone said he might get back into the lineup today.

"At least no one can say we're not in shape," said the weary skipper.

Tighe himself planned to see a physician yesterday about headaches that have caused him severe pain the last four days.

Reserve first baseman Gail Harris remained in Kansas City where he is being treated for a lung condition. Pitcher Herm Wehmeier had a late-afternoon appointment with a specialist who was to examine his aching right arm. The club may have to put the ex-National League on the 30-day disabled list if it looks like he will not be able to pitch for a while.

In that case the Tigers would call up a youngster from the minors.

Bunning threw briefly yesterday to pitching coach Willis Hudlin and reported afterward he is able to throw without pain. It is likely the lean right-hander will go to the bullpen for a couple of days.

Tighe planned to start Bill Hoelt against the Orioles' Bill O'Dell today, then use Frank Lary tomorrow. Paul Foytack, beaten Sunday on a three-hitter, will open against the New York Yankees Thursday. Hoelt probably will get the Saturday-afternoon call.

The manager left the Friday night assignment open, apparently considering using either Bunning again or newly-acquired George Susce.

New Tiger Susce Agrees to Fly When Necessary

DETROIT (AP) — Pitcher George Susce, who joined the Detroit Tigers last week from Boston and said, "I won't fly," huddled with General Manager John McHale for 30 minutes yesterday and said:

"I'll fly any time it is necessary to make a game."

McHale previously had said Susce's abhorrence of air travel could buy him a ticket to the minor leagues. The Tigers make many of their road trips by air.

Crane Netters Win

Allowing Birmingham high netters only two of five matches in yesterday's test at Cranbrook, Cranes chalked up their 6th win against 5 losses, Maples won only the 2nd singles and 2nd doubles.

Winners were — for Cranbrook, Tom Bray, Ron Reider (singles), Bob Klien - Pete King and Chick Cudlip - Bob Schultz, doubles; for Maples, Smith (singles) and Sisson - Hammer (doubles).

Deadline on Wednesday

With the entry list growing rapidly today, prospective competitors for the seventh annual Pontiac Press Prep Invitational golf tourney May 26 were reminded that deadline for filing is tomorrow.

Lists mailed Wednesday will be accepted, and starting times and pairings will be announced Friday.

Defending champions Birmingham Maples are back in the field with another strong team that includes last year's medalist Pete Green and close competitor Warren Summer. Pontiac Central, Waterford, St. Frederick's and Bloomfield Hills, with another fine team, are already in.

The tourney is an 18-hole medal play event, with five-man teams competing for low total score. Awards will be made by The Press for the championship team, to the individual members of the title-winning combination, and to

Avon Loop Opens Play
Play was started yesterday for the 8-team Avon Church Softball League. Winners for the openers were United Presbyterian 13, Nike 7; Elmswood ME 20, Avon Baptists 7; Stone Baptists 11, Pontiac RLDS 9; Lake Orion RLDS vs. Parkside Nazarene was postponed.

SPORTS

By Staying Hot in West

Yanks Can Ruin AL

By THE ASSOCIATED PRESS
If the rest of the American League is going to escape complete demolition by the marauding New York Yankees, now is the time to do something about it... while the league leaders are in the west.

None of the Eastern teams could cope with the Bronx Bombers, who built up a record 6½ game lead in the first 24

first month lead by all but decapitating their eastern rivals. Of their current 19-5 record, eastern teams contributed to 17 of their victories and only four of their defeats. The Yanks have won six straight, 10 of their last 11.

The Yankees' getaway is the fastest in American League history. Not the 19-5 figure, but the 6½ game lead. The 1946 Boston Red Sox won 21 of their first 24

but the Yankees that year hung on with them, and the gap was 5½ lengths after the first two dozen games.

Rival clubs cannot even find solace in last year's figures. The first trip west resulted in six Yankee victories in nine games in 1957.

The nine game trip may give a clear-cut indication whether the Yankees will continue their romp. Should Casey Stengel's crew increase its lead in the West, it will just about wreck the league financially, as well as statistically. The fans won't come out to see a runaway, even in New York.

The Yankees' first stop is in Chicago, the league's biggest disappointment. Dick Donovan was slated to oppose the New Yorkers tonight with Johnny Kucks opening for the Yankees. On Wednesday, southpaw Billy Pierce and Whitey Ford will clash.

Don Larsen will open for New York in Detroit Thursday and he hasn't allowed a run in 23 innings. Bob Turley goes after No. 7 with out a defeat Friday night against the Tigers and Tom Sturdivant will get the Saturday assignment in Detroit.

A Sunday doubleheader in Cleveland and a pair in Kansas City Tuesday night and Wednesday of next week conclude the trip.

JUST FOUR LEGS, NOT EIGHT — It looks as if Horsepower, with jockey Walter Blum, is winning the first race on eight legs at Garden State Park in Camden, N. J. But the other four belong to Dugan, hidden behind Horsepower. Dugan finished 3rd, with Lady Glade, at left, placing 2nd.

'Pace' Running Faces Test

NEW YORK (AP) — The International Amateur Athletic Federation's rule on rabbits in distance races appears headed for its first big test.

And indications today were

Secord Pockets Table Net Title

Veteran Perc Secord, city table tennis champion, defeated Pontiac's Roy Dorris last night in the Presbyterian Church gym at Lapeer to win the Lapeer County Open table tennis tournament. The scores were 21-19, 21-16, 21-14.

Secord downed Bud Dean, Lapeer High School tennis coach, to reach the finals while Dorris advanced to the title round by whipping Al Pepple of Yale.

Dorris and Secord joined forces to win the men's doubles crown by turning back Pepple and Jerry Thomas, 21-16, 18-21, 21-19. Bill Wettlaufer of Pontiac won the boys' title by defeating Gordon Green of Lapeer, 21-17, 21-18, 21-15. Ben Minford of Lapeer took the men's consolation prize by trimming Pontiac's Chuck Parks. The women's singles crown went to Marilyn Benford over Mary Jean Beals in an all-Lapeer final.

that the IAAF might well regret having adopted it. A world-wide hassle regarding all the track and field battles of the past also could develop.

Here, briefly, is the background: When Roger Bannister broke the four - minute barrier for the mile in 1954 with his 3:59.4 clocking, he was aided not a little by Chris Brasher and Chris Chataway, both admitted pacers.

The IAAF frowned on this, but there was no rule on the book that specifically outlawed pacers. In 1956, a rule went on the IAAF books in which pacing was to be "considered" in passing on records. It doesn't specifically say that pace-makers will negate any record.

It does state that runners who receive "apparently" unfair aid can't make records.

But the United States refused to pass such a rule on the basis that it left too much to the judgment of individuals and was practically impossible to enforce.

So that's how things stand now with Derek Ibbotson's all - time 3:57.2 and Herb Elliott's 3:57.8 up for consideration. Ibbotson was helped by Mike Bygrave who said he was in the race to run the first half in speedy fashion.

Elliott's case will be more difficult and there's bound to be discontent no matter how it is

resolved. Drew Dunlap of Texas, a quarter-miler by trade, was inserted as an added starter in the mile at the Coliseum Relays in Los Angeles last Friday and

Elston Rates Top at Bloomfield

An outstanding athlete trophy won by Bob Elston featured 67 awards presented to Bloomfield Hills High School participants in five sports at a banquet attended by several "celebrities" last night.

Van Patrick, play-by-play announcer for the Tigers and Lions, was the guest speaker. Lion General Manager Nick Kerby served as toastmaster for the all-sports fete in the school cafeteria.

Helping the various coaches with the presentations of awards were former boxing star Chuck Davey, pro footballer Otis Spencer, who was traded by the Lions to Green Bay last season, retired ex-Red Wing Marty Pavlich and veteran hockey great Ted Lindsay, now with Chicago.

Most valuable player trophies were won by Jim Kearney (football), Bill Jordan (track), Bob Barrett (basketball), Bud Badger (golf) and Howard Kutchai (tennis).

Over 300 persons attended the banquet. It was sponsored by the Bloomfield Hills Lions club.

Pistons Seeking Replacement for GM Delano

DETROIT (AP) — Detroit Pistons owner Fred Zollner today sought a replacement for club General Manager Fred Delano.

Delano, a 42-year-old former Detroit publicist, submitted his resignation yesterday in a letter to Zollner at his home in Golden Beach, Fla. The resignation was accepted and Zollner said he would come to Detroit Friday to begin taking applications for the post.

Delano's resignation is effective June 1.

Hayes Named Prexy of Football Scribes

DETROIT (AP) — Edgar Hayes, sports editor of the Detroit Times, has been elected president of the Michigan Football Writers Assn. for 1958.

Hayes succeeds Louis E. Chiesi, sports editor of the Saginaw News. Serving with Hayes as vice president will be Bruno L. Kearns, sports editor of The Pontiac Press. Nick Vista of the Michigan State University sports publicity office was reelected secretary - treasurer.

AT ODDS — Vice President E. J. (Buzzy) Bavasi, left, of the Los Angeles Dodgers is annoyed with the indifference and poor play of outfielder Duke Snider, right. Snider is irked too: "If he has a beef, why doesn't he come and see me about it before he goes talking to some writers?"

Pafko's Bat Returns Braves to First Place

By THE ASSOCIATED PRESS
Andy Pafko definitely is not one of the "night riders" Jackie Robinson referred to a couple of years ago when he accused several unidentified Milwaukee athletes of extra curricular activities. But the veteran flychaser sure loves to play after dark.

The likeable 37-year-old Pafko proved again Monday night he is one of the best "night clubbers" in the National League when he slugged a home run, double and single, and drove in two runs in

the Braves' 4-3 overtime victory in Cincinnati.

Old Paf always could hit better under the lights than in daylight. Last year he batted a rousing .344 in 44 night games compared to a microscopic .185 in 39 day games. Six of his eight homers and 17 of his 23 RBIs came under the arcs.

Milwaukee's victory, in the only action on the major league front, returned the defending champions to the top, 11 percentage points above San Francisco. The only thing that marred the Braves' sixth victory in eight meetings with the Redlegs was the failure of Warren Spahn to hang up his seventh straight victory.

The veteran southpaw was with in one out of getting it, too. Leading 3-1 in the bottom of the ninth, he served a home run ball to Ed Bailey. Then, after Smokey Burgess singled, Bob Thurman slammed a two-out double to score pinch-runner Eddie Miksis with the tying run. Don McMahon took over and picked up the victory when the Braves scored the tie-breaking run in the 12th on Hank Aaron's foul fly.

Red Schoendienst opened the inning with a single and advanced to third on a double by Johnny Logan. Losing pitcher Turk Lown intentionally walked Frank Torre to load the bases before giving way to Tom Acker. The Reds' fifth pitcher was the "victim" of Aaron's foul fly which shortstop Ed Miksis elected to catch along the left field foul line. Schoendienst raced home after the catch with the winning run.

Hall Pitches 2-Hit Shutout at Drayton

Doug Hall pitched a dazzling two-hit shutout last night as Sno-Bol handed Nonnes a 9-0 licking in Waterford League softball action at Drayton Plains. Hall struck out eight batters.

Drayton Drug B staved off a 6th-inning rally by the Drayton arrows for an 11-0 victory in the other half of the twin bill.

Jim Patterson paced the winners with an inside-the-park homer and a triple to two official at-bats besides scoring four runs. Bob Gibson slammed a bases-loaded triple for the Arrows in their six-run 6th when a big rally fell one run short.

Nicholies Plan Practice

The Don Nicholies Class D baseball team will practice Wednesday and Saturday at 5 p.m. at the Jaycee No. 1 diamond. Any players interested in trying out for the team are invited to attend.

League Meets in 'Spot' Chiefs Hold 3-Way Test

Emphasis this week, on the part of area prep thrills, is on determination of league championships. First of several such events is the Wayne-Oakland title clash under the lights, tonight, on Milford's Memorial Field.

Preliminaries in this 9-team circuit open at 6:30 with finals at 8 o'clock. Milford is defending champion.

PNH's regional champs, Maples regional winners and Waterford's Shippers will tangle in a three-way underdog test at Winster field, Thursday afternoon. This meet, however, will be restricted also to athletes who did not qualify for Saturday's MHSAA title meet at Ann Arbor. It should be an interesting competition, starting at 4 p.m.

ference meet at Farmington, with the host school, Waterford and Walled Lake probably hooking up for a sizzling 3-way battle. All three finished well up in Saturday's regional at Ypsi. Farmington had 23 and one-fifth, Walled Lake 23 and Waterford 18. One of the features will be the Cawley-Cole hurdles duel, 4th time the pair has met this year. Romeo hosts the Tri-County, four-team meet on Wednesday afternoon.

Waterford is at Wayne today for a dual meet, Hazel Park at RO Kimball for another dual for the day's only other meet.

Qualifiers for the state meet, determined last Saturday compete Saturday as follows: Class A at Univ. of Michigan, Ann Arbor; Class B at Michigan State, East Lansing; and Classes C-D at Central Michigan College.
