Cruel Sea Steals Child

BABY LOST—Mr. and Mrs. John McDonald, frantic with fear that their baby is lost in the surf near their home at Hermona Beach, Calif., turn to each other as they race up and down the beach. The child, 19 months old, had strayed from the fenced yard and a passerby told police she saw a child in the water. The boy has not been found and presumably was swept out to sea.

French Beat Off Vietminh Attack at Dien Bien Phu

Counterattacks Shatter Mass Rebel Assaults Against Fortress

HANOI, Indochina (AP)—The weary defenders of Dien Bien Phu beat off wild new Vietminh attacks today. They held the Communist-led rebels at bay a mile from the heart of the besieged dust bowl fortress. French counterattacks, backed by tanks and heavy artillery fire, shattered every Vietminh mass assault trying to crack the key defenses of the fortress, where many fighters have gone for five days without rest.

In Paris, a French news agency report said Vietminh regulars, who invaded Cambodia yesterday, captured two cities—Voeune Sai and Siem Pang—and were heading on for Stung Treng, on the Mekong River.

A brief French communique said repeated Vietminh attempts last night to break through the last ditch defenses had failed. In tidal waves of infantry, braving murderous French fire, the Communist-led rebels had pushed to within a mile of the fortress' center in some places.

The outnumbered French Union garrison clung desperately to a narrowing patch of trenches, bunkers and barbed wire. But they were in grave danger. The position's outer defenses were wrecked—all its fortifications riddled by Vietminh artillery which poured in endlessly.

Vietminh casualties soared as their Communist commanders hurled a human sea of attackers against Dien Bien Phu, trying to engulf it for the first major Red victory in the Indochina War. A French army source estimated that the Vietminh have lost 20,000 killed or wounded since they swept down on the fortress in mid-March. The French claimed 7,000 of those were killed.

The French have not announced their own losses. The most serious threat to the fortress loomed in the northwestern sector of the dust bowl plain, where the Vietminh hold one position for launching attacks. It was feared a massive charge from there and a break through might carry the attackers into the key center area.

Candidate Has Sure Test for Detecting Phony Vote

RIPLEY, Tenn. (AP)—Dr. J. Louis Freeman says he intends to contest the reelection of Dr. J. S. Scott as mayor of Ripley.

Unofficial returns from Thursday election gave Scott 760 votes; contractor Joe Tucker Jr. 346 and Freeman 57.

Said Freeman: "I have more than 57 relatives who I know voted for me."

Dock Strike Is Called Off

Longshoremen Return to Work in Response to Federal Order

NEW YORK (INS)—The Independent International Longshoremen's Association ended its 29-day New York waterfront strike and returned to work today under an "or else" warning from the federal government.

Some 10,000 of the dockers, whose walkout cost the port an estimated 450 million dollars, returned to their jobs at 8 a. m. The full complement of 30,000 to 35,000 longshoremen is expected to shape up Monday to help hustle the tons of cargo piled up on the piers.

Capt. William V. Bradley, president of the AFL-ousted ILA, announced the back-to-work order late yesterday, asserting: "We bow to the mandate of our government and order an immediate return to work."

Observers, however, said Bradley's union virtually had no choice. The National Labor Relations Board, backed by other government agencies, had warned that the ILA might be ruled off the ballot in a new dock representation election unless it sent its men back to work.

This would be tantamount to wiping the ILA out. The strike, begun as a "wildcat" walkout and later made "official" by union chiefs, was the longest and costliest in port history. There was some violence as ILA men clashed with members of the rival AFL union which is trying to organize the New York and nearby New Jersey piers. Special police details were kept on duty to maintain order.

Many passenger and cargo ships were diverted from the port after the tugboat men refused to cross ILA picket lines.

Ex-Ambassador to India Indicts History Textbooks

By HAZEL A. TRUMBUE

The American school classroom and the Sunday school were heralded as the two sources of this nation's salvation Friday at the annual Oakland County Teachers' Institute.

Chester Bowles, former ambassador to India and World War II OPA director, was the featured speaker at the afternoon session attended by over 3,000 county teachers.

President and Mrs. Eisenhower's minister, the Rev. Dr. Edward L. R. Elson, of Washington, D. C., spoke in the morning on "Recovery of Our Spiritual Foundations."

Birmingham High School was the scene of this year's institute.

Deploping the fact that school textbooks do not tell enough about Asian history, Bowles, in his "report from India," said that he had found in checking high school world histories that the Elbe River seemed to mark the end of the world.

"Elementary teachers are doing a better job of giving the students history on the East than the high school instructors. Because they have had loved ones in Korea, they have gone ahead without textbooks and have explained the culture and peoples of that area," he said.

Our whole survival depends upon what happens in that troubled area—Thailand, Indochina and India. The greatest struggle in history is taking place there between totalitarianism and democracy.

From the 14-degree low, the mercury rose to 24 at 1 p. m. today in downtown Pontiac. A low of 22 and a high of 50 were recorded here yesterday.

The U. S. Weather Bureau issued a special cold wave warning to eight states from New Jersey to Tennessee.

The cold wave moved into the Ohio valley and northern Appalachians this morning after chilling North Dakota, Minnesota, and northern Wisconsin with subzero temperatures.

A five-below-zero reading was chalked up at Cadillac this morning. Other outstanding lows in Michigan were marked at Houghton with five degrees and six degrees at the Soo.

Pusan Fire Kills 40, Levels Shanty Town

PUSAN, Korea (AP)—A three-hour fire swept through a refugee-crowded shanty section of this port city today, leaving 40 persons dead and at least 3,700 homeless.

About 100 persons were injured seriously enough to require medical assistance. Nine hundred families lost their homes, Army officials said.

Search crews probed for additional bodies. The flames for a time threatened the largest Army headquarters depot in Korea. Two Korean warehouses were destroyed.

The flames leveled a section of packing box shanties known to American soldiers here as "Little Chicago."

Korean National police said the blaze started when gas escaping from a leaky main was touched off by two carpenters.

'GOP Must Stop Calling Names'

Stevenson, in Speech Last Night, Lists More Important Agenda

CHARLOTTE, N. C. (AP)—Adlai Stevenson said last night the Republicans should stop calling names and start tackling problems that confront us.

In a 45-minute address to more than 2,500 cheering North Carolina Democrats, the 1952 presidential candidate listed the Indochina War, growing unemployment, threat of atomic war and America's economic future as grave problems facing the nation today.

Stevenson referred to "the frustration of the Republican legislative program, the division, the feuding, the name calling, the timidity, and the impotence" as a "distasteful spectacle."

He then questioned "whether the Republican party is capable of governing the nation or whether in the past has disabled it for the present."

He said "the ghastly, (hydrogen bomb) explosions . . . have pointed up the imperative necessity for desperate efforts to control the unknown demons that lurk in the atom. And yet the weeks and weeks our national life is preoccupied with Republicans quarreling over the discharge of a dentist by the Army . . . and we wait from day to day to decide who is lying about what."

Accusing the Eisenhower administration of resorting to slogans and sales campaigns, he charged that the nation has not been "getting straight talk from our leaders."

The former Illinois governor said the administration has used "this merchandising technique" to get headlines over the announced withdrawal of the 7th Fleet from Formosa, over "howling about the secret sell-out at Yalta and Potsdam" and over talk about a "bold, new dynamic foreign policy of 'liberation' for Eastern Europe."

Yet, he asserted, all these programs came to naught.

President Eisenhower, Stevenson said, "will have to make his choice between uniting his party and uniting his nation. So long as his party is constituted as it is at present, he cannot do both."

Nazis to Get Easier Life

BONN (INS)—An Allied High Commission spokesman said today that the Russians have accepted the Western proposal to consider easing the living conditions for the seven top Nazi war criminals imprisoned in Berlin's Spandau Jail.

Senator McCarthy—Saint or Sinner?

Senator Joe McCarthy of Wisconsin occupies a unique place in the American political scene. He is one of the most controversial men in current public life.

By and large the American people are either fanatically for him or violently against him. Few seem to take a middle ground.

Record Cold Recorded Here

14-Degree Temperature Early Today Is Lowest for April 3 in 75 Years

An icy blast from Canada made this the coldest April 3 in Pontiac in 75 years, brought cold wave warnings to eight states and prompted forecasts of more frigid weather in Michigan tonight.

The mercury plunged to 14 degrees here at 5:15 a. m. today and stayed at that level for nearly two hours. This was two degrees lower than the previous record in 1879.

Weather forecasters predicted a low of from 12 to 16 degrees tonight, with mostly fair weather and slightly higher temperatures Sunday afternoon.

A high of from 28 to 32 is due Sunday.

From the 14-degree low, the mercury rose to 24 at 1 p. m. today in downtown Pontiac. A low of 22 and a high of 50 were recorded here yesterday.

The U. S. Weather Bureau issued a special cold wave warning to eight states from New Jersey to Tennessee.

The cold wave moved into the Ohio valley and northern Appalachians this morning after chilling North Dakota, Minnesota, and northern Wisconsin with subzero temperatures.

A five-below-zero reading was chalked up at Cadillac this morning. Other outstanding lows in Michigan were marked at Houghton with five degrees and six degrees at the Soo.

Rema Club Favors City Tax Issues

Pontiac's Rema Club has joined the UAW-CIO Council, Pontiac Real Estate Board and Pontiac Chamber of Commerce in urging approval of the two special issues which will appear on the ballot in next Monday's city election.

Dr. Robert Turpin, club president, announced its action today. One of the proposals would authorize an addition to Pontiac General Hospital. The other would authorize the city to carry on a continuing program of public improvements, using tax money previously collected to retire city debt.

City officials have pointed out that both projects can be carried out without increasing the city's tax rate.

Municipal Judge Candidates Express Views on Handling of Guilty Drivers

G. Edson Hallock and Cecil McCallum both agreed that the violation bureau should remain within the Pontiac Police Dept.

Hallock added, "I believe if jail sentences are meted out to persons convicted of drunk or reckless driving, traffic hazards would be reduced."

McCallum said, "My policy in regard to sentences for persons convicted of drunk and reckless driving shall depend upon the facts of each individual case. If the facts warrant, such driver will go to jail."

The four candidates all agreed that close co-operation between the court and police department is essential.

President Looks to Senate to Rescue His Housing Plan

WASHINGTON (AP)—Rebuffed in the House, the Eisenhower administration looked to the Senate today to rescue its low-rent public housing program.

An allegiance of Southern Democrats and many Republicans fought shoulder to shoulder yesterday in repelling persistent efforts of Northern Democrats and Republican leaders to write at least part of the President's public housing proposals into a general housing bill.

After a two-day battle, the legislation was passed, 352-36, without any public housing feature and stripped of an Eisenhower request for the right to raise interest rates on GI home loans from the present 4½ per cent maximum.

In other housing fields, including slum clearance, the bill went to the Senate pretty much as the administration wanted it.

In one area the House gave the President even more than he asked for. Its bill would let the Chief Executive drop down payments on home loans insured by the Federal Housing Administration (FHA) below the levels he suggested.

Before the bill was passed, the public housing dispute was resolved by the House when it defeated on a 211-176 roll call vote a Democratic motion to give Eisenhower just what he had requested—authority to build 140,000 new units spread in increments

Zzpt (Zolt & Zeke) in Cellar Post on Phone Lists

Zeke Zzpt remained anchor man in the Birmingham telephone directory, even though his namesake was dislodged from that choice spot when new phone books came out in Detroit today.

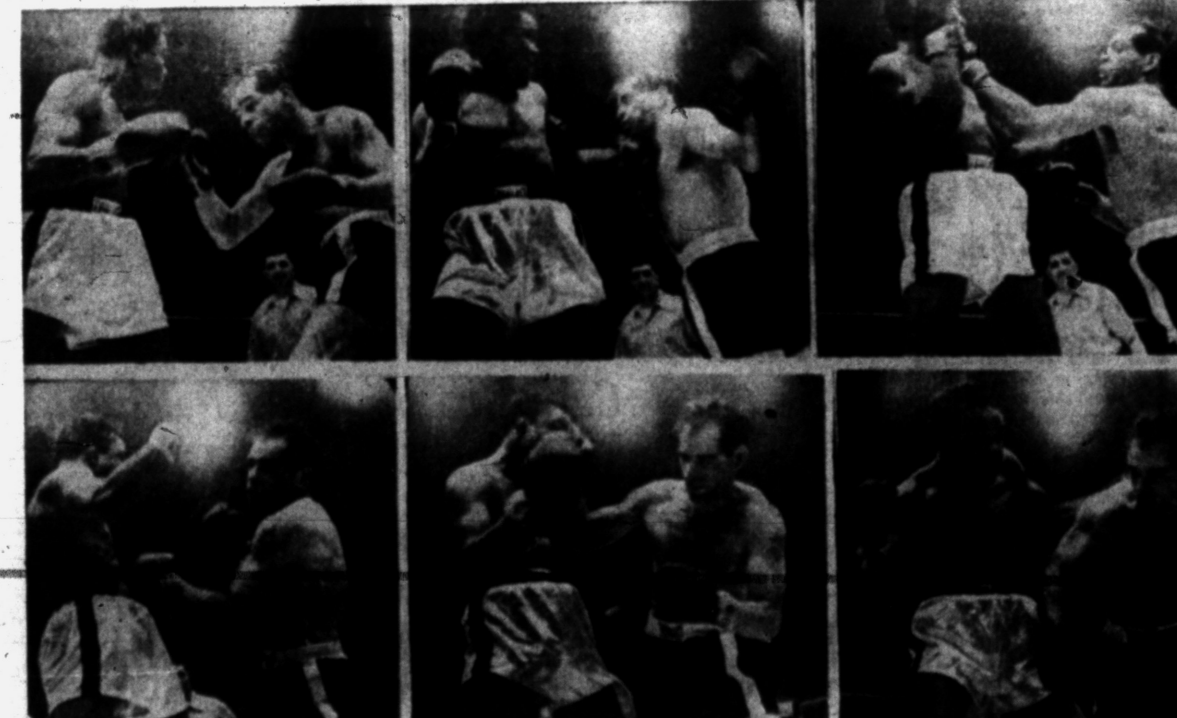

Zolt Zzpt supplanted Zeke in Detroit. Instead of the last line of the 800,000 name directory, Zeke now has the second-to-last line.

There really isn't any Zeke Zzpt—or Zolt Zzpt, for that matter. But the combination of "z's" gives the phony names a choice spot in the listing.

Although Zolt replaced Zeke in Detroit, Zeke's first cousin in Birmingham still ends the phone directory there. Birmingham's Zeke is really the pseudonym for 14 bachelors who share the same living quarters.

And the Birmingham Zeke Zzpters are confident they will retain their anchor spot, as they've kept it since 1947 despite the Zolt Zzpts.

Birmingham Voters Must Decide Whether to Annex 45-Acre Troy Twp. Plot

From Our Birmingham Bureau
BIRMINGHAM — In addition to proposals on a modernized employee retirement plan and a \$250,000 fire station bond issue, Birmingham voters Monday will vote on a third proposal to annex a section of Troy Township.

Three city commissioners will also be elected in the balloting. Annexation of the 45-acre plot, which lies within Birmingham's city boundaries, also will be voted upon by Troy Township residents Monday.

The owner of the land, the W. E. Reid Development Co., plans construction of Adams Village, a development of 19 single family residences, 210 duplex units, plus 700 feet of business frontage along Adams road, if annexation is approved.

Annexation is necessary to secure sewer, water and other city facilities which the township cannot provide. Cost of the project is estimated at between \$3,000,000 and \$5,000,000.

The Birmingham City Commission has adopted a "gentleman's agreement" to zone the property for such development, if it is annexed. They previously ruled out terrace apartments there.

The agreement is not binding, since one city commission cannot bind another, succeeding commission.

Annexation could have been done by approval of both the Troy Board of Supervisors, and the Birmingham City Commission, without an election, but Troy officials preferred a public vote on the matter.

Mrs. Larry McManus and Mrs. Augustus Hubert will be hostesses Sunday at a coffee hour to follow the 10 a.m. Unitarian Fellowship service.

Rehearsals got underway this week for the Village Players final production of the season, "Personal Appearance." The play will be open to the public for April 30 and May 1 and 2 performances.

Mrs. W. Carleton Scott is directing the Lawrence Riley play which enjoyed 235 performances on Broadway and an extensive road tour.

There will be a board meeting of the Altrusa Club at 11:30 a.m. Monday at the Community House. The club recently welcomed two new members: Mary White of Pontiac, an executive with the Bell Telephone Co. in Royal Oak, and Mrs. Marion Fiske of Birmingham, assistant director of psychiatric social work at Pontiac State Hospital.

Edward H. Laird, landscape architect for the city since 1933, will speak on "A Quarter of a

nomination in the March 1 primary. However, a sizable write-in vote is expected for Hallenbeck in his district.

There is a blank space on the ballot for write-ins or use of a sticker. Some 3,000 stickers have been distributed by Hallenbeck.

The present commission will meet next Thursday, probably at 8 p.m. in Pontiac Municipal Court, to canvass the election returns, according to City Clerk Ada R. Evans.

The new commission will meet Monday, April 12, to organize and elect a mayor and mayor pro tem. It will hold its first regular meeting the following night, said Mrs. Evans.

The two judges don't take office until July 4 this year.

Mrs. Evans warns that if voters are conscious of making a mistake while marking their ballots, they should ask for a new set of ballots.

A number of ballots were clerk said, because persons thrown out at the primary, the marked the wrong space, then filled in over their original mark and placed a cross in another square.

Once the ballots have been placed in the ballot box it is too late to correct an error, Mrs. Evans added.

Two years ago 7,519 persons voted at the general election. At the primary held this year, 5,812 balloted.

The commission candidates are: District 1—Dr. Roy V. Cooley (Incumbent) and Reuben LaFata.

District 2—Harcourt S. Patterson and Philip E. Rowston.

District 3—William W. Donaldson and Earl J. Smith.

District 4—Arthur J. Law (Incumbent) and Floyd P. Miles.

District 5—John A. Dugan and John H. Ridgway.

District 6—J. H. Patrick Glynn (Incumbent) and John E. Carry.

District 7—Benjamin M. Gates (Incumbent) and Harry W. Lutz.

Candidates for the judgeships are: Judge Maurice E. Finnegan, Judge Odlin H. Johnson, G. Edson Hallock and Cecil McCallum.

Precincts included in each district are: District 1—1, 2, 3, 4, 34, 36, 37, 38 and 39.

District 2—5, 8, 30, 31, 40, 41. District 3—6, 7, 9, 10, 11.

9-Year-Old Boy Hurt When Struck by Car

A 9-year-old Pontiac boy was treated for multiple cuts and bruises at Pontiac General Hospital after he was struck by a car Friday afternoon at W. Huron and E. Monroe Sts., according to Pontiac Police.

The boy, Frank Troxell, of 295 Liberty St., was struck by a car driven by Jack B. Wixom, 51, of 80 Seminole Ave., when the youth ran in front of Wixom's auto.

Wixom, whose statement was corroborated by witnesses, said he was going through the intersection with the green light when the boy, following another youth, darted in front of his car.

Wayne Circuit Jurist Dies
DETROIT (UP) — Judge Clyde I. Webster, 76, dean of Wayne County Circuit Court jurists, died today at his home. He had been ill almost a year.

Vincennes, Indiana, Police Shoot at Speed Violators
VINCENNES, Ind. (UP) — Police Chief James Harlow today stood by his order to shoot at speeding autos, even though one person has already been killed.

Harlow ordered his officers last Thursday to shoot at the tires if speeders refused to stop.

He called his order "a declaration of war on people who kill others on the highway."

But other Indiana police officers protested Harlow was going too far.

A State Police spokesman said Harlow's drastic policy is "against the law. Our men are carefully instructed against firing at a person wanted on a misdemeanor charge, and that's all speeding is."

Harlow's officers have fired at least three times at the autos of speeding drivers since the order was issued. On one of these occasions, an 18-year-old youth was killed.

The youth was sitting in the back seat of an auto which crashed two roadblocks. He was killed by a stray bullet.

Vincennes Police said the victim, Carl Hale of nearby Bedford, Ind., was one of four youths who were wanted on charges of stealing wheels and tires from autos across the state line in Lawrenceville, Ill.

However, State Safety Director Joseph Lingo said "this order is going too far."

Vincennes speed limits are 20 miles per hour for business sections and 30 miles per hour for residential areas.

COUNTY INSTITUTE KEYNOTERS—Discussing the all-day program attended Friday in the Birmingham High School by more than 3,000 Oakland County teachers, are (l. to r.) William J. Dr. Edward L. R. Elson, President and Mrs. Eisenhower's minister from Washington, D. C.

Pontiac Deaths

Elmer Guy Stamper.

Elmer G. Stamper, 66, of 855 Sarasota Ave., was dead upon arrival at Pontiac General Hospital at 7:15 p.m. Friday following a heart attack.

Born at Newark, Ind., on March 2, 1888, he was the son of Hiram and Roda Jane Rowe Stamper. He married Annie M. Pirie at Freedom, Ind., on Nov. 19, 1919 and came to Pontiac 16 years ago.

Besides his widow he is survived by a daughter, Mrs. Richard Freeman of Pontiac, and three grandchildren.

Also surviving are four brothers, Jesse of Jasonville, Ind., Aden, Roy and George of Indianapolis and a sister, Mrs. Ethel Bowser of Freedom.

Funeral will be Tuesday at 1:30 p.m. from the Voorhees-Siple Funeral Home. Dr. Tom Malone of Emmanuel Baptist Church will officiate and burial will be in Perry Mount Park Cemetery.

Richard Lee Stringer
Prayer service will be Monday in the William F. Davis Funeral Home for Richard Lee Stringer, who is survived by his mother, Mary Stringer of 20796 Parkside St. in Ferndale.

The baby was born Feb. 5 and died Tuesday afternoon.

GEN. H. S. VANDENBERG
Plan Last Salute for AF General

WASHINGTON (UP) — Gen. Hoyt S. Vandenberg, called by President Eisenhower the "unswerving advocate of the precepts and cause of the United States Air Force," will receive a great soldier's burial in Arlington National Cemetery Monday.

The former chief of staff of the USAF died yesterday at 55, young for the four stars that he wore and the high commands he had held.

His long illness from cancer ended in Walter Reed Army Hospital, where he had been a patient since last October after seeming to recover following an operation two years ago.

Funeral services will be held in Washington Cathedral, with burial in Arlington National Cemetery. If weather permits, the Air Force plans to render its last salute to the general in a flashing aerial parade of jet planes.

Vandenberg was a top ranking air officer under Eisenhower when the latter was supreme commander of Allied forces during World War II. He served first as the deputy commander in chief of the Allied Expeditionary Forces and of the American Air Forces, later as commander of the 9th Air Force which provided tactical and fighter aircraft.

In his statement, Eisenhower said Vandenberg was a "forceful fighter for a strong national defense" and "has left a lasting imprint on the service he loved so well and on the nation he served with all his strength and skill."

Three Hurl in Crash on South Lake Drive
Three persons were injured yesterday when their car ran off South Lake drive in Novi Township near Elmwood road and struck a tree, according to Oakland County sheriff's deputies.

The driver Thomas Shute, 26, of 2145 Walden, Farmington was treated at Pontiac General Hospital.

Joseph Varn Hagen Jr., 14, of 1635 W. Lake Dr., Walled Lake, was admitted to the hospital with severe forehead cuts. His condition is reported as good.

His brother, Jacob, 11, was treated.

City Boys' Club Urges Big Vote

Members Distributing Last of 20,000 Leaflets in Pontiac

Some 20,000 circulars urging residents to vote in the municipal election Monday are being distributed throughout the city today by 500 youths from the Pontiac Boys' Club.

William V. Coulaos, the club's executive director, said the community service marks the last day of a week-long celebration in honor of Boys' Club of America Week.

This year's 10th observance by the local club is the most successful celebration conducted by the group, Coulaos said. He said that over 600 persons attended the father-son banquet Monday. Only 300 persons were present last year.

Following the banquet a musical, "Bring Back Those Minstrel Days," entertained the fathers and sons. Taking part in the show were Terry Warren, production manager; John Givens, Bill Buck, and Bob Becker, end men; Bob Dewey, Bruce Baker, Herb Butler, Don and Dick Austreg, Dick Neaves and Jim Cartier. Jerry Libby, who was awarded the Epstein Scholarship for outstanding musical talent, was their piano accompanist.

Among those receiving awards for outstanding performance during 1953 was Gary Christianson named as most improved athlete of the year.

Oil Heater Explosion Does \$1,950 Damage

An exploding oil heater Friday night caused an estimated \$1,950 damage to the building and contents of the Boyd Burch residence at 161 W. South Blvd.

Firemen, who used two pumps and a ladder truck to fight the blaze, said no one was injured, but the living room suffered severe fire and water damage. Firemen fought the fire for about a half hour before bringing it under control.

The damage, \$1,200 to building and \$750 to contents, is covered by insurance, Burch said.

Theme of the service will be the "Seven Capital Sins." Father Gouvelis will speak on "Greed." Each lesson given by area priests, will be followed by an examination of conscience.

Sequel to the retreat will be the city-wide group Communion April 16 at a special Good Friday service Friday at 7:30 p.m. in St. Nicholas Greek Orthodox Church, 17400 Second Blvd. A group dinner will be served in the church hall after the service.

It's a short trip to Jerusalem, Jerico, or Bethlehem, if you live in Connecticut. 18 of the state's communities have Biblical names.

Local Methodists to Join All-Day MSC Training Conference Saturday

Methodist men of the Pontiac area will join with other Michigan laymen of the denomination at the annual training conference for officers and members at Michigan State College next Saturday. The program will start with registrations at 8:30 a.m. in the main auditorium.

Devotions will be given by Dr. Marshall R. Reed followed by the address of welcome by Dr. Edgar L. Harden, dean of continuing education at the college.

The morning program also will include general discussion periods followed by luncheon at 12:45.

At the afternoon session starting at 2 p.m. Robert Mayfield, executive secretary of the general board of lay activities will speak on "Stewardship," followed by Prentice Brown whose topic will be "I Am For the Church."

Climax of the day will be the address by Dr. G. Bromley Oxnam, bishop of the Washington area of the church.

Lately accused of Communist activities by a member of the Congressional committee, he asked to be heard and was exonerated by a unanimous vote of the committee.

New Worship Patterns Urged at Conference

New ways to help make religious faith a meaningful part of every day family life were projected at a three-day conference on the church and family life, held near Indianapolis, Ind., last week. Delegates representing 18 denominations agreed that "old patterns" of family worship no longer hold good "in an age of jet power and air waves."

Agreeing that worship in the home is more essential today than ever, the conference urged adoption of such new patterns of religious expression as:

Priest to Navajo in Critical Condition

GALLUP, N. M., 4-3—The Rev. Gerard Haile, Franciscan priest who spent 54 of his 80 years translating the language of the Navajo Indians, is gravely ill in a Gallup hospital.

Father Gerard suffered a heart attack at St. Michaels, Ariz., last Wednesday night and was rushed here Thursday morning. His condition is critical.

Only a few weeks ago, the Navajo Tribal Council agreed to publish the two volumes of Father Gerard's work, the "Blessing Way" ceremony, the fundamental basis of Navajo life. It was more than 50 years in preparation.

A native of Canton, Ohio, Father

Berard, first came to St. Michaels in 1900, at the council meeting when they agreed to publish his book, council members told the white-haired friar:

"You came out here to make us Christians, but we have made you a Navajo."

Man Treated for Injury After Car Crash Friday

John B. Travis, 56, of 464 Auburn Ave., was treated at Pontiac General Hospital yesterday for chest injuries after his car struck a parked auto at 336 N. Saginaw St., according to Pontiac Police.

Travis said his car was struck on the left side by another auto, pushing his car into the parked vehicle.

Truant Student Helps Police Solve Robbery

CLEVELAND 4-3—A 14-year-old boy cut his high school classes, and the truancy led detectives to the recovery of about \$100,000 in stolen dividend checks.

The checks had been in two mail sacks taken Thursday from a Central National Bank mail truck while the driver, leaving the vehicle unlocked, had stopped for a cup of coffee.

Some of the missing checks were found on the boy when he was searched after being taken to the juvenile detention home by a truant officer.

The boy led police to his attic, where one sack was cached. He

old police he found the bag lying on his back lawn.

Detectives said it appeared all the negotiable checks were accounted for. The second mail sack was still missing.

Police speculated the thieves may have thrown the bags away after the robbery.

Burns Kill Lansing Man

LANSING 4-3—Charles Beckner, 54, of Lansing, died today of burns suffered when his clothes caught fire. Police said he was smoking in his home last night just before he was found with his clothes blazing.

The first pheasants in America arrived from China in 1881 and were released in Oregon's Willamette valley.
