

Family on Yacht Held at Gunpoint by 3 Teen Youths

KEY WEST, Fla. (P)—A Winter Park family's holiday cruise turned into a 14-hour gunpoint ordeal when three teenagers boarded their yacht and demanded to be taken to Mexico.

A note smuggled ashore brought rescue for Richard Sias, his wife and four children.

Officials considered bringing charges of kidnaping and even the archaic crime of piracy against the youths, all from San Antonio, Tex.

The three youths, Mike Moore, 17, Tommy Edwards, 15, and Johnny Cox, 16,

were to appear before Criminal Court Judge Thomas Sias, 53, a packinghouse machinery manufacturer, his wife Phyllis, 50, sons, David, 14, and John, 16, and daughters, Jane, 15, and Bobby, 13, were shaken but physically unharmed.

The three youths boarded the sumptuous 40-foot power yacht *Fiesta II* at Craig in the Keys New Year's Eve. They pointed a .22-caliber rifle at the Siases and said, "Keep quiet, we'll tell you what to do," Sias related.

"They were polite and didn't use any foul language," he said, "but they kept the gun on me and my wife and made me do what they wanted."

They reported buildings already consumed included Mel's Tavern, Wepman's Clothing Store (a double frontage building), two barber-shops, an unoccupied former women's apparel shop and the Showboat Inn, which is connected with Lowell's Showboat—a summer tourist attraction.

Firemen from at least seven nearby communities have joined the Lowell department in the battle. They were reported concentrating efforts on Avery's Jewelry Store, in the western path of the flames.

The Levee Restaurant, at the eastern end of the flames, appeared out of danger, witnesses reported.

Firemen believed the blaze resulted after the explosion of a fuel tank at the rear of Mel's (formerly Neubecker's) Tavern. The alarm was turned in at about 7 p.m.

Employees of the Lowell Ledger, the community's weekly newspaper, said apartments above the tavern were evacuated, but were unable to say how many persons occupied the living spaces.

Lowell, a community of about 2,500 persons on the direct route between Grand Rapids and Flint, is located about 17 miles east of Grand Rapids.

Left homeless were Mr. and Mrs. John Pemberton, their two children, ages 5 and 4, and Clinton Meisner. Mrs. Pemberton's brother. They were evacuated safely from an apartment above one of the destroyed barber-shops.

Pemberton said the family was unable to save any of its possessions. State Police rerouted traffic south of Lowell on M91 to U.S. 16.

Among the articles were auto tires, barbecue equipment, ammunition, blankets, food and motor oil.

Raiole said the lads told him they ran away from home Saturday and drove to St. Petersburg in an automobile owned by the parents of one lad. They spent Monday night camping on Miami Beach and then headed for the Keys. There they spied the Sias yacht and decided it would make a first-class craft in which to reach Mexico.

Wilson, who lives in Bloomfield Township, was introduced by Pontiac Press publisher Harold A. Fitzgerald.

The former General Motors Corp. president spoke on recent charges that he was responsible for this nation's reported lag in missile development.

After his "off the cuff" message, Wilson opened the floor to questions.

Mrs. McGillicuddy and her parcels were buffeted to and fro, but she arrived eventually at the entrance to No. 3 platform, found her ticket and presented it. The man clipped it, murmured: "On the right—rear portion."

Mrs. McGillicuddy padded up the platform and found her porter, looking bored and staring into space, outside the door of a third class carriage.

"Here you are, lady."

"I'm traveling first class," said Mrs. McGillicuddy.

"You didn't say so," grumbled the porter. He retrieved the suitcase and marched with it to the adjoining coach where Mrs. McGillicuddy was installed in solitary splendor. The 4:54 was not much patronized, the first class clientele preferring either the faster morning express, or the 8:40 with dining cars.

She settled herself back on the plush cushions with a sigh and opened a magazine. Five minutes later, whistles

State Posts Safety Record

Flames Sweep Through Lowell Business Area

6 Buildings Destroyed
and 2 Others Imperiled
by Raging Blaze

LOWELL (P)—Fire raged through the Lowell business district today, destroying at least six buildings and threatening two others.

Damage is estimated at between \$250,000 and \$300,000.

Kent County sheriff's deputies said the flames were moving westward in destroying the frame structures fronting on M21 (Lowell's main street) and extending at the rear to the Flat river.

They reported buildings already consumed included Mel's Tavern, Wepman's Clothing Store (a double frontage building), two barber-shops, an unoccupied former women's apparel shop and the Showboat Inn, which is connected with Lowell's Showboat—a summer tourist attraction.

Firemen from at least seven nearby communities have joined the Lowell department in the battle. They were reported concentrating efforts on Avery's Jewelry Store, in the western path of the flames.

Warming Up for a Big Year Out of Doors

NEVER TOO EARLY — These two water skiers wanted to start the new year off right yesterday so, in temperatures of 16 degrees, strong winds and snow covered backgrounds, they stood on an ice covered dock and glided into Silver Lake. Left to right

are Duane Oik, 22, of 276 Dixie Hwy. and Tyson Hodge, 14, of 2500 Silverside Rd., both of Waterford Township. They took two turns around the lake clad in wool socks, sweat shirts, gloves, life preservers and swimming trunks.

Government of Venezuela Reports Revolt Crushed

CARACAS, Venezuela (P)—The government of President Marcos Perez Jimenez announced before dawn today that it had crushed an air force revolt in less than 24 hours.

The army chief of staff, Gen. Romulo Fernandez, in a broadcast said the rebellious garrison at Maracay, center of the revolt, had been taken by government forces at 3:30 a.m.

Fernandez added, however, that scattered pockets of rebels were being mopped up.

The army chief repeated the claim by President Perez Jimenez in a broadcast last night that the rest of the country—the world's No. 2 oil producer—was completely calm.

Fernandez said that the rebel leaders fled by air. He reported that Aurelio Ferrero Tamay, commander of the Maracay garrison and governor of the state of Aragua, had been restored to his post along with his chief aide. Maracay is the capital of Aragua state.

Ferrero Tamay and other officials had been seized by rebel troops at 5 a. m. yesterday, Fernandez said.

At 4 a. m., this morning, Fernandez continued, 25 air force planes from bases at Palonegro and Boca del Rio in Maracay were at the main Caracas airport in the service of the government.

In Caracas itself, streetlights were turned on, ending the brown-out imposed by the government as a defense against rebel planes. Air force units at Maracay launched a sudden rebellion against the government early New Year's Day, sending jet planes 50 miles east from Maracay to Caracas, the capital, before dawn.

Perez Jimenez said anti-aircraft fire hit one of the raiders and forced it to land at this skyscraper city's airport.

TOLD TO SURRENDER

The President told the nation in a broadcast that the rebels at

Study Revision of Joint Chiefs

Senators May Shear
Three Service Heads
of Military Commands

WASHINGTON (P)—The Senate Preparedness subcommittee has under consideration a series of proposals that could lead to legislation shearing the Joint Chiefs of Staff of their military commands.

The subcommittee, headed by Democratic Leader Lyndon B. Johnson of Texas, has heard contradictory testimony from military leaders and scientists about the amount of service rivalry that still exists under supposed unification of the armed forces.

Most subcommittee members now are convinced there has been so much confusion and bickering among Army, Navy and Air Force leaders in the Pentagon that the nation's missile and satellite programs have been seriously handicapped.

While there is no unanimous opinion, the prevailing impression among subcommittee members seems to be that it might be best to start at the top of the military structure in any recommended shakeup. This could take the form of relieving the Joint Chiefs of command duties.

The Joint Chiefs, consisting of the heads of the three services, have the dual role of over-all military planning and of operating the individual services. This has led to some suggestions that their loyalty to their individual services has interfered with their decisions on over-all military plans, although Gen. Nathan F. Twining, chairman of the Joint Chiefs, has denied this in public testimony.

In exploring the situation, the subcommittee's staff has gone back as far as the 1949 Hoover Commission report. At that time, a minority of which former Secretary of State Dean Acheson was a member recommended that Congress create a single chief of staff over the Joint Chiefs. The present chairman of the Joint Chiefs has only an advisory role.

Ohio Officer Shoots Self, Wounds Young Suspect

TOLEDO, Ohio (P)—A policeman who said he was trying to beat a 14-year-old boy to the draw yesterday shot himself twice in a leg and wounded the boy in a hip.

Patrolman Frank Hayes, 35, and another officer had gone to a residential neighborhood after receiving a report of a masked youth hiding behind a tree. They found the boy two blocks away. Hayes said he had a mask made from a pillowcase in a pocket.

Hayes said that as he searched him, the boy broke away, pulled a .25-caliber revolver from his pocket and shouted, "Copper, I'm gonna shoot you."

The patrolman grabbed for his

swivel holster and fired three shots from his .38-caliber revolver.

Both victims were taken to St. Vincent Hospital where they were reported in good condition.

Police said the boy told them he had intended to grab a woman's purse, but meant only to scare Patrolman Hayes after he was caught.

Fatalities Cut 12 Pct. in Second Banner Year

One Death in Michigan
30-Hour Holiday Traffic
Against 142 in U.S.

LANSING (P)—For a second straight year, Michigan posted a banner traffic safety record in 1957, cutting deaths an estimated 12 per cent.

It appeared that highway accidents and injuries also were down for the year, although comparatively little.

The year ended with only one traffic fatality reported for the 30-hour New Year holiday period from 6 p.m. Tuesday to midnight Wednesday. Last year 20 persons were killed in highway accidents in a four-day holiday period.

Twelve persons were killed in auto accidents in the 30-hour Christmas holiday period a week ago.

State Police Commissioner Joseph A. Childs said, "I am more than gratified that the state achieved its goal of reducing traffic deaths by 10 per cent. I hope it's a good augury for 1958."

"The newspaper, radio and television have done a fine job in safety education and certainly are partly responsible for better driver attitudes," he stated.

Childs said State Police arrests for traffic offenses jumped about 22 per cent last year, mostly reflecting an increase in manpower. Arrests were expected to number about 270,000 for 1957.

Provisional figures showed 138 highway deaths in December, but delayed reports were expected to raise the figure another dozen or so. Fatalities in December 1956 totaled 158.

Michigan's only highway death during the 30-hour new year's holiday period was 47-year-old Clayton Drouillard of Ecorse Township, who was killed in a two-car crash Tuesday evening.

Traffic deaths in the United States hit a record postwar high for a one-day New Year holiday.

Final figures were not compiled. (Continued on Page 2, Col. 4)

Chill in Pontiac Air May Get Snappier

Pontiac area residents had better prepare for some cold, cold weather, the U.S. Weather Bureau reports.

Tonight will be cold and partly cloudy, with a chance of today's snow flurries continuing. The low will be 12-16 degrees.

Tomorrow's forecast is cold, partly cloudy and a chance of snow flurries.

The Oakland County Road Commission reported at 10 a.m. that local streets and highways were clear, but outlying roads were still slippery in spots.

Fifteen was the lowest recorded temperature in downtown Pontiac preceding 8 a.m. At 1 p.m. the mercury had risen to a chilly 19.

Eyewitness to Death

Starting Today . . . Another Agatha Christie Mystery

By AGATHA CHRISTIE

Mrs. McGillicuddy panted along the platform in the wake of the porter carrying her suitcase. Mrs. McGillicuddy was short and stout; the porter was tall and free-striding. In addition, Mrs. McGillicuddy was burdened with a large quantity of parcels, the result of a day's Christmas shopping. The race was, therefore, an uneven one, and the porter turned the corner at the end of the platform whilst Mrs. McGillicuddy was still coming up the straight.

Mrs. McGillicuddy and her parcels were buffeted to and fro, but she arrived eventually at the entrance to No. 3 platform, found her ticket and presented it. The man clipped it, murmured: "On the right—rear portion."

Mrs. McGillicuddy padded up the platform and found her porter, looking bored and staring into space, outside the door of a third class carriage.

"Here you are, lady."

"I'm traveling first class," said Mrs. McGillicuddy.

"You didn't say so," grumbled the porter. He retrieved the suitcase and marched with it to the adjoining coach where Mrs. McGillicuddy was installed in solitary splendor. The 4:54 was not much patronized, the first class clientele preferring either the faster morning express, or the 8:40 with dining cars.

She settled herself back on the plush cushions with a sigh and opened a magazine. Five minutes later, whistles

blew, and the train started. The magazine slipped from Mrs. McGillicuddy's hand, her head dropped sideways, three minutes later, she was asleep.

She slept for thirty-five minutes and awoke refreshed. Resetting her hat, which had slipped askew, she sat up and looked out of the window at what she could see of the flying countryside. It was quite dark now, a dreary December day—Christmas was only five days ahead. London had been dark and dreary; the country was no less so, though occasionally rendered cheerful with its constant clusters of lights as the train flashed through towns and stations.

A train traveling in the opposite direction rushed by with a screech, making the windows rattle and causing her to start. The train clattered over the points and passed through a station.

Then it began suddenly to slow down, presumably in obedience to a signal. For some minutes, it crawled along, then stopped, presently, it began to move forward again. Another train passed them, though with less vehemence than the first one. The train gathered speed again. At that moment, another train, also on a down line, swerved inward towards them, for a moment with almost alarming effect.

For a time, the two trains ran parallel, now one gaining a little, now the other. Mrs. McGillicuddy looked from her

window through the windows of the parallel carriages. Most of the blinds were down, but occasionally the occupants of the carriages were visible. The other train was not very full and there were many empty carriages.

At the moment when the two trains gave the illusion of being stationary, a blind in one of the carriages flew up, with a snap. Mrs. McGillicuddy looked into the lighted first-class carriage that was only a few feet away.

Then she drew her breath in with a gasp and half rose to her feet.

Standing with his back to the window, and to her, was a man. His hands were round the throat of a woman who faced him, and he was remorselessly strangling her. Her eyes were staring from their sockets, her face was purple and congested. As Mrs. McGillicuddy watched, fascinated, the end came, the body went limp and crumpled in the man's hands.

At the same moment, Mrs. McGillicuddy's train slowed down again and the other began to gain speed. It passed forward and, a moment or two later, it had vanished from sight.

Almost automatically, Mrs. McGillicuddy's hand went up to the communication cord, then paused, irresolute. After all, what use would it be ringing the cord of the train in which she was traveling? The horror of what she had seen at such close quarters, and the unusual circumstances, made her feel paralyzed. Some immediate action was necessary—but what?

The door of her compartment was drawn back and a ticket collector said, "Ticket, please."

Mrs. McGillicuddy turned to him with vehemence.

"A woman has been strangled," she said. "In a train that has just passed. I saw it."

The ticket collector looked at her doubtfully.

"I beg your pardon, Madam?"

"A man strangled a woman! In a train. I saw it—through there." She pointed to the window.

The ticket collector looked extremely doubtful.

"Strangled?" he said disbelievingly.

"Yes, strangled! I saw it. I tell you. You must do something at once!"

The ticket collector coughed apologetically.

"You don't think Madam, that you may have had a little nap and—er"—he broke off tactfully.

"I have had a nap, but if you think this was a dream, you're quite wrong. I saw it, I tell you."

The ticket collector's eyes dropped to the open magazine lying on the seat. On the exposed page, was a girl being strangled whilst a man with a revolver threatened the pair from an open doorway.

He said persuasively: "Now don't you think, Madam, that you'd been reading an exciting story, and that you just dropped

Police Officers Join Court Fight

3 Pontiac Sergeants File Motions in Suit Over Promotions

An attorney for three Pontiac police sergeants whose promotions have been held up by a Circuit Court restraining order has filed a motion to intervene in a law case.

Attorney Paul L. Merideth filed the motion for Sgts. William K. Hanger, Raymond E. Meggitt and Fred Gaines who seek to become defendants with the Civil Service Commission in the suit brought by acting Lt. John DePauw.

The sergeants, who outscored DePauw on a recent civil service examination given for prospective lieutenants, want to be joined as defendants in the case so they can file their pleas, Merideth said.

They seek to quash the order restraining Police Chief Herbert W. Straley from reducing DePauw in rank or pay until a hearing Circuit Judge George B. Hartwick issued on the order Dec. 23 at the request of DePauw's attorney, Howard I. Bond.

Merideth said a hearing on the sergeants' motion would be held Monday before Judge Hartwick.

DePauw brought the suit against the commission after it ordered he be reduced to the rank of sergeant since he had placed fourth, below the three sergeants, in a list of 31 competing for lieutenant's rank.

Doria Survivor Wins Damages After TV Show

CLEVELAND (INS)—A 22-year-old Euclid, O. girl received a \$70,000 check for mental anguish she suffered from a TV re-creation of the sinking of the Italian liner Andrea Doria.

The young miss, Theresa Bucicilli of 1546 East 195th St. in the Cleveland suburb, was aboard the Doria when it sank. She suffered no injuries at that time, but collapsed three months later while witnessing the TV showing.

She sued the operators of the Doria and owners of the Swedish liner Stockholm for \$250,000 damages. Her attorney David L. Siedel said Miss Bucicilli spent four months in a hospital following her collapse.

By E. H. SIMS

Should home owners with houses on the shores of the Great Lakes expect the water to continue to rise for the next few years or recede?

The greater weight of evidence suggests that the water level of the Great Lakes will continue to rise for some years to come. But this is no certainty and is merely a calculated guess.

Nevertheless, the water level receded for a number of years and if the rise is to follow a forty-year cycle, or an even longer one, home owners may be in for a number of years in which the level will gradually return to a higher level. This, the majority of experts seem to feel, is quite likely. It will be a slow process, of course.

Erratic Snows Hit Cleveland

Cold Pelts Eastern U. S.

By THE ASSOCIATED PRESS

Cold weather spread across most of the Eastern half of the nation today, with the icy air extending deep into Dixie.

Skies were clear in most of the cold belt, although a snowstorm hit the Cleveland area, dumping up to 8 inches of snow in some places.

Temperatures in the Ohio Valley and from the Appalachians to the East Coast were from 10 to 20 degrees lower than yesterday morning.

The frigid blasts didn't reach the southern half of Florida, but Tampa's reading of 47 was 15 degrees lower than 24 hours earlier.

Readings were more than 20 degrees lower than yesterday in many southern cities, including Atlanta, which reported 26.

FRAME BUILDINGS DESTROYED—At least six frame buildings were destroyed today as fire raged through Lowell, a Kent County community of 2,500 in western Michigan. Firemen believe the blaze resulted from an exploding fuel tank.

Warns Against Spending Spree

Rep. Cannon Cautions About Using Defense as an Excuse

WASHINGTON (AP)—Chairman Cannon (D-Mo.) of the House Appropriations Committee cautioned today against a government spending spree under the guise of national defense.

"Where the national defense is concerned, we cannot count the cost and we must provide all the money necessary," he said in an interview. "But that's no reason why we should get hysterical and spend vast sums of money that aren't necessary."

"A great many people are going to use national defense as a reason to bolster their requests for bigger appropriations," Cannon added. "To them, Sputnik is a godsend. The pork barrel fellow says we still must have our pork."

The pork barrel reference was to annual bills providing for local projects such as river and harbor and flood control programs, on which many members base their election campaigns.

Some Congress members already are contending that such projects add more to their cost to the nation's wealth, and must not be neglected.

Because of the obvious need for more money for national defense, particularly in the missile field, Cannon said, "We must be all the more economical with the things we don't have to have."

Cannon said he expected demands to be made for continued heavy spending as a means of spurring business and heading off deflation.

Cardinal in Philippines

MANILA (INS)—Francis Cardinal Spellman arrived in the Philippines today for a two-day visit with American military personnel. It was his seventh trip to the Philippines in connection with his annual visits to the Far East during the holiday season.

Arthur H. Lee Appointed to Consumer Power Post

ARTHUR H. LEE

Arthur H. Lee has been appointed manager of Consumers Power Co.'s Kalamazoo Division. It was announced today by President Dan E. Karm.

Lee succeeds Birum G. Campbell Jr., who has been elected a vice president of the company in charge of sales and business promotion.

Campbell, well known in Pontiac where his late father headed the company's operations, will move to Jackson to assume his new duties.

Lee, a resident of Birmingham, was manager of Consumers' South Oakland district, with headquarters in Royal Oak.

A native of Romeo, Lee is a graduate of Pontiac High School and the University of Michigan.

Lonely Elephant Decides to Make New Year's Visit

NOTTINGHAM, Eng. (INS)—Mrs. Noreen Linley's first new year's visitor weighed 3,360 pounds.

Mrs. Linley went to her front door early Wednesday when she heard loud noises. She found an elephant busily swishing his trunk through what was left of the door.

While her husband bravely kept the elephant at bay with a vacuum cleaner, Noreen ran off to get police. They contacted a local circus trainer and the elephant was led off trumpeting happily.

High Costs Hit Graves

BRIGHTON, Colo. (INS)—The grave of no escape from the high cost of living in Brighton. City fathers announced rates for opening and closing graves in the town's cemetery have been increased from \$65 to \$75 because of additional labor costs.

Still Tops Ferry Take

Bridge Revenue Drops

ST. IGNACE (AP)—Revenue from the new Straits of Mackinac Bridge dropped \$252,100 last month but topped the ferry take for the same month of 1956.

In the first 30 days after the bridge was opened Nov. 1, 140,500 vehicles crossed the five-mile span connecting Michigan's two peninsulas, for a gross of \$395,100.

The ferries carried only 98,000 vehicles across the straits in November of 1956 and took in \$295,000.

The figures were contained in a year-end report yesterday by Prentiss M. Brown, chairman of the Mackinac Bridge Authority.

He predicted "straits traffic such as this area never envisioned" with the coming of spring and the bridge dedication celebration in June.

All money collected until January 1959 will go into a fund to give the bridge a cushion for future interest payments. The original construction funds included money for interest payments until that date.

When the bridge starts making its own interest payments of about \$12,000 a day, any surplus will go into the cushion fund until it contains enough for two years of interest payments. After that, payments will start on retiring the bonds that financed construction.

Operation and maintenance of the bridge is handled and paid for by the State Highway Department.

Talks Are Held by Ben-Gurion

Resigned Israeli Chief Attempts to Form New Coalition Regime

JERUSALEM (AP)—Premier David Ben-Gurion began talks today in an effort to form a new government for Israel. His five-party coalition Cabinet resigned Tuesday.

President Izhak Ben-Zvi asked the veteran Israeli leader yesterday to try to put together a new cabinet. After talking with leaders of all 10 political parties, Ben-Zvi urged Ben-Gurion to take the same five parties back into the government.

Ben-Gurion provisionally accepted the assignment. He said he would demand that the new ministers maintain complete secrecy on all Cabinet talks related to security and foreign policy.

The 71-year-old Mapai party leader quit with an angry accusation that two ministers of the left-wing Ahduth Avodah (Labor Unity) party broke a Cabinet agreement to preserve complete secrecy in all matters of security and foreign policy and refused to promise not to do it again.

Ben-Gurion has also been feuding with the left-wing Mapam (United Workers) over Cabinet unity. Mapam and Ahduth Avodah each had two ministers in the two-year-old, 16-member Cabinet. The old government is remaining on a caretaker basis until a new one is formed.

The secret which Ahduth Avodah leaked concerned plans to send a mission to West Germany to seek arms. Opposition members of Parliament have hinted the government wanted to buy submarines to counter the Soviet subs Egypt recently acquired.

Housewives Hop to Rescue for Hopless Hoppy

When Hoppy didn't hop to the rescue of his female friend Lassie this morning, two Orchard Lake housewives decided to take over.

Bernice Puckett, 7889 Eldora Rd., and Margaret Ridley, 7905 Eldora Rd., reacted quickly when they saw a neighbor's dog struggling in the icy waters of Middle Straits Lake about 9:15 a.m.

They shoved a row boat out on the ice-covered lake to where the dog had fallen through and lifted the collie into the boat.

Hoppy, the Ridley's collie, had hesitated following his friend onto the lake, according to Mrs. Puckett. Lassie is owned by neighbors, the Harold Mitchell family, 330 Sutcliffe Rd.

'Burning of Green' Scheduled Saturday

Pontiac families who have not discarded their Christmas trees as yet may still join in Saturday's annual "Burning of the Green" ceremony by taking the trees to the softball field at Edison and Montcalm Sts.

At about 7:30 p.m. Saturday a group of torchbearers will light a huge star made from thousands of trees left at the field.

A dramatics group from Pontiac Central High School will present a half-hour program on this traditional end of the Christmas season. A choral group from the school will sing carols.

Officials of the Pontiac Parks and Recreation Dept. said trees may be deposited at the field anytime up to 7 p.m. Saturday.

VA Closes Center

ESCANABA (AP)—The Veterans Administration has closed its last counseling service center in the Upper Peninsula. The office, maintained here since 1951, was closed as part of a retrenchment policy. Upper Peninsula veterans will now have to contact offices at Detroit, Grand Rapids or Lansing for such service.

HUGH J. DICKIE

Lumber Dealer Dies in Sleep

Service Slated Friday for Former Supervisor Hugh J. Dickie, 62

Hugh J. Dickie, partner in the Dickie Lumber Co., died in his sleep last night at his home, 1800 Parkway, Sylvan Lake. He was 62.

Born in West Bloomfield Township, he was the son of John and Sophia Jamison Dickie.

A graduate of Pontiac High School and Olivet College, Mr. Dickie was a former vestryman of All Saints Episcopal Church, a member of the Rotary Club, Veterans of Foreign Wars, Sylvan Lake Council and a former Oakland County Board supervisor.

He had served as president of Pontiac Dealers Exchange and the Keego Harbor Chamber of Commerce, and was a member of local draft board No. 8 during World War II.

He leaves his wife, Hazel; two children, Frank J. and Mrs. William Doerr, both of Pontiac; and five brothers, Frank A. of Lapeer, Allan of Kent, Ohio, Edmund of Farmington, Bruce and Stuart, both of Pontiac.

Service will be at 7:30 p.m. Friday from the Donelson-Johns Funeral Home, with his rector, the Rev. C. George Widdfield, officiating. Committal service will be at 9:30 a.m. Saturday at White Chapel Memorial Cemetery.

City, Waterford Pupils Return to Class Today

Pontiac and Waterford public school students returned to classes today following a 12-day Christmas vacation.

Two city parochial schools, St. Michael and St. Frederick, will begin classes again Monday following a vacation since Dec. 20.

The Day in Birmingham

Registrations Accepted for Craft, Hobby Classes

BIRMINGHAM — Registration for the Forestry Department's wood chipper would follow the regular collection truck, putting trees through the chipper.

Amos J. Bertram, 59, of 2166 Wycliffe Dr., Birmingham, who died yesterday at St. Joseph Mercy Hospital, Pontiac, will be held at 10 a.m. tomorrow at Holy Name Church. Burial will be in Holy Sepulchre Cemetery, Detroit.

The series will offer four classes in bridge, two in ceramics, single classes in ballroom dancing for adults, design, enamel, advanced first aid, flower arrangement, gardening and interior decorating, two in millinery, three in adult painting, one in photography, three in sculpture, two in sewing and four in silver work.

In addition to the adult program, special youth classes will include a choice of three in painting and drawing and one class in puppetry. Miss Showman said all registrations must be made in person. Materials used in the classes, firing charges for the ceramics group and any field trip expenses, will be in addition to the regular class fee.

Delbert Ayles, manager of the local Secretary of State Branch office, today urged motorists to obtain their 1958 license plates as early as possible.

"The change in licensing system going into effect this year is expected to slow down the issuing of licenses considerably," Ayles said.

"This applies when a person has purchased a new automobile. Under a new ruling, the owner retains the plates, and we are running out of these plates when application for re-issue is made," he said.

"At the time of trade-in, the title is surrendered. This often leaves the owner with no proof that the plates were issued to him."

"It is expensive in that the owner must pay for the tracking down of his license in Lansing. It is also time-consuming," Ayles stated.

Two Birmingham men Wednesday received major promotions at the Detroit Times.

William R. Mills, of 1135 W. Lincoln, was named the paper's general manager and Charles C. Obermeyer, of 884 Kenesaw, was made business manager.

Mills had been business manager and Obermeyer assistant business manager.

Mills joined the Times in 1936 as chief accountant after serving the Hearst organization in a similar capacity on the Washington Times and Herald.

Obermeyer was chief accountant on the Chicago Examiner, another Hearst paper, before going to the Times in 1937.

Beginning today, Christmas trees will be picked up during the regular rubbish collection hours. Tom Brian, DPW superintendent, said trees should be placed at the curb after all metal trimmings have been removed. He explained that

HOWARD JOHNSON'S NOW OPEN

Eyes Wide Open

Russia Tackles Sleeping Problem

LONDON (INS)—It may be even harder to catch the Kremlin napping by the year 2,000.

Soviet biologist V. Engelhardt predicts that by then Russian science hopes to have whipped the problem of spending "nearly a third of our life sleeping."

To do so the biologists must solve the riddle of the "fatigue toxins" the nervous system throws off during the day.

If they can be neutralized chemically, the body can concentrate on regenerating the nerve cells. This can be done with much less sleep than at present.

The result would be another 20 to 30 years of effective life.

In an article in "Soviet Weekly" issued by the USSR embassy in London, Professor Engelhardt says the "great-

test victory we are entitled to expect from science in the near future" is the defeat of cancer.

He adds that by 2,000 A.D. "mankind will begin to forget the menace of cancer as it has forgotten the menace of smallpox.

In another article in the "Soviet Weekly" roundup of Soviet scientific crystal-gazing, Russian rocket expert Prof. K. Stanyukovich sees the development of a "photon" rocket engine to carry men toward the stars.

Physicist Stanyukovich forecasts that a gigantic engine harnessing radiation as a propellant will be set up on one of Saturn's or Jupiter's moons to launch the first men into interstellar space.

Not by the year 2,000 however. The professor says it may even take until the end of the 21st century before the prototype comes off the drawing boards.

To Visit Sons Held by Reds

Mothers Head for China

LOS ANGELES (U)—Three mothers of American sons imprisoned by the Communists on spy charges take off today by Pan-American Clipper en route to Red China for two-week visits with their sons.

They arrived last night from New York saying little and carrying vitamin pills, hand-knit socks, fruit cake—and hope—for their sons.

The hope is that somehow they can obtain release of the young men. However, the Red Chinese government, extending an invitation for the visit, offered only that and no indication that they intend to release the prisoners.

The mothers, who appeared unafraid over prospects of entering hostile country, are Mrs. Mary V. Downey, New Britain, Conn., widow and schoolteacher; Mrs. Philip Fecteau, Lynn, Mass., housewife, and Mrs. Ruth Redmond, Yonkers, N. Y., housewife and dietitian.

Their sons are John Downey, 27; Richard Fecteau, 30, and Hugh Redmond, 38.

Downey was sentenced to life imprisonment by the Reds and Fecteau to 20 years. Both were

Army civilian employees. Redmond, sentenced to life, was employed by an American export-import firm in Shanghai.

Spectacular Fire Guts Chicago Warehouse

CHICAGO (U)—Firmen fought a stubborn, spectacular fire in an unused seven-story cold storage warehouse near the Loop for 12 hours yesterday—the coldest day of the season.

Some 600 firemen responded to the extra-alarm fire, which was discovered at 7 a.m. on the Chicago river front.

Fire officials said the cork insulation in the structure's thick walls probably would be burning and smoldering for two or three days. Two fire boats and 40 pieces of fire-fighting equipment, more than a fifth of the city's total, were sent to the fire at the height of the blaze.

Two firemen suffered slight injuries.

Quinn said the blaze apparently was started by vagrants who had been sleeping in the abandoned building. The amount of damage was not estimated.

Home for Homeless

DETROIT (U)—An Ohio Naval Reserve anti-submarine squadron, left homeless when the Naval air station at Akron was closed recently, had been moved to the Grosse Ile Naval Air Station. Composed entirely of Ohio men, the squadron will train at Grosse Ile one weekend a month.

Girl Catches Fire, Dies on Year Eve

BLACKWELL, Okla. (U)—Mrs. Omer Cottle spent much of New Year's Eve visiting her husband at Blackwell General Hospital, where he has been confined since October with injuries received in an oil well fire.

While her mother was gone, 8-year-old Virginia Cottle apparently got too close to the flames of an open gas heater at home. Her 11-year-old brother Alan stopped

Virginia as she ran screaming from the house and suffered minor burns smothering the flames that had engulfed her.

Virginia died at the hospital where her father is confined.

Fire Deaths Increase

DETROIT (U)—Detroit firemen had fewer calls last year than they did in 1956, but the number of fire deaths was up. There were 16,616 alarms last year compared to 16,992 in 1956. During 1957, 48 persons died in fires, compared with 43 the previous year.

Expense Bills Will Be Needed for '58 Taxes

WASHINGTON (U)—If you want to be on the safe side, you'll start right now keeping records of what you receive and spend on expense accounts.

The detailed information will come in handy when you start making out your 1958 income tax returns 15 months from now.

The law requires that expense accounts be reported, but the law has been thoroughly ignored—and with impunity—by most taxpayers. The Internal Revenue Service gave many of these a scare when it indicated in October that the 1957 returns would have a blank for listing the totals.

In the face of widespread protests that few taxpayers had the records they would need for such reports, the Revenue Service backed away from any major change for 1957 returns, but a spokesman added:

"The taxpayer is now on notice

that he must henceforth keep records of his expense accounts."

The canal locks at Sault Ste Marie adjust a difference of 18 feet of water levels in Lakes Huron and Superior.

Baby Waits Too Long

LOUISVILLE, Ky. (U)—Robert and Joanna Greene missed a

year's income tax deduction by two seconds when their new daughter, Karen Lynn Greene, was born at 12:00:01 a.m. New Year's Day at St. Mary & Elizabeth Hospital.

Georgia produces more asbestos than all of the rest of the other states.

MR. AND MRS. CHARLES B. BROTEBECK

Patricia A. Perkins Wed to Charles B. Brotebeck

ROMEO — Patricia Ann Perkins and Charles B. Brotebeck were united in marriage in a 10 o'clock ceremony Saturday morning in St. Clement Catholic Church here. The Rev. Fr. John McMillan performed the rite.

The bride is the daughter of Mrs. Phyllis E. Perkins, 128 Church St. The bridegroom's parents are Mr. and Mrs. Bernard Brotebeck of Flint.

Escorted to the altar by her brother, James, the bride was radiant in her waltz-length gown of white lace fashioned with a high, scalloped neckline, bouffant skirt and long sleeves ending in points over her hands.

Her tucked cap, outlined with iridescent sequins, held a fingertip veil of French illusion. She carried a colonial arrangement of feathered white carnations centered with a white orchid.

Maid of honor was Ellen Helde- man and bridesmaid was Judy Perkins, sister of the bride.

At Horn of Muskegon served as best man. Seating the guests were the bridegroom's brother, Robert Brotebeck of Flint, and Ray Gamelin of Romeo.

2 Royal Oak Shops Looted by Burglars

ROYAL OAK—Thieves who hid in a basement before closing time looted two shops here over the New Year's holiday, Royal Oak police reported.

Officers said burglaries were discovered yesterday morning at Ted Widgren's Barber Shop, 104 S. Main St., and Romeyn's Drug Store, 100 S. Main.

Twenty dollars was taken from the barber shop. The burglars then smashed through a wall to gain entrance to the adjoining drug store. The loss there was undetermined immediately.

A reception was held in the Veterans' Hall later in the afternoon, after which the newlyweds left on a brief honeymoon trip to Canada. Upon their return, they will be at home at 261 Church St.

The new Mrs. Brotebeck is a former airlines stewardess, and her husband is the baseball and basketball coach at Romeo High School.

Connie Hennis, Raymond Dewald Wed at Au Gres

ORION TOWNSHIP—Connie Lee Hennis and Raymond Dewald were married Saturday afternoon at the Au Gres Lutheran Church.

She is the daughter of Mr. and Mrs. Thomas Hennis, formerly of Newman road. The bridegroom is the son of Mrs. Leona Dewald of Au Gres.

The ceremony was followed by a reception at the Au Gres Township Hall.

The bride wore a white wool suit and an orchid corsage. Her maid of honor was Geraldine Case of Lake Orion. Del McCort of Au Gres was the best man.

The couple will reside in Flint where the bridegroom is employed.

Imlay City Basketball Leagues Form Saturday

IMLAY CITY—Pony and Midget League basketball will be sponsored by the Imlay City Board of Education beginning Saturday.

The program, which is handled by school coaches, is designed for boys from the fourth through eighth grades.

Registration will take place at 10 a.m. Saturday. Boys must bring forms showing their parents' approval, have a physical examination and contribute \$1 toward the expense of the program.

Hannah to Report on Oakland MSU

ROCHESTER — Dr. John A. Hannah, president of Michigan State University, will give residents here a first hand report on the new MSU branch to be located near Rochester when he addresses a public meeting here Jan. 14.

Sponsored by the Rochester Area Chamber of Commerce, the talk will be given in the Rochester High School gymnasium beginning at 8 p.m. The public is invited, free of charge.

The gym seats 2,800 persons, and chamber officials are hopeful it will be filled to capacity.

Welcoming Dr. Hannah will be Jack Taylor, president of the chamber; Miss Sarah Van Housen Jones, former member of the State Board of Agriculture, and Donald Baldwin, superintendent of Rochester Community Schools.

Dr. Hannah recently was appointed chairman of the Civil Rights Committee by President Eisenhower.

The new university branch will

Darwin Muir to Speak to Southfield Optimists

SOUTHFIELD — Darwin Muir, president of the Southfield J-H-Y Club, will address a meeting of the Optimist Club of Southfield Thursday at Fruitridge Inn, Southfield road between 12 and 13 Mile roads. It begins at 6:30 p.m.

His topic will be "My Experiences at the U.N.," supplemented with color slides.

The Optimist Club helped Muir become one of nine Northwestern YMCA members to attend the eighth annual Detroit H-Y United Nations study tour.

enrollment of 500 to 1,000 students. Enrollment may be expanded to 10,000 within the next 10 or 12 years, MSU officials say.

Mothercraft Classes Will Start January 8

LAPEER — A new series of mothercraft classes will start in the auxiliary room at the Lapeer County General Hospital at 8 p.m. Jan. 8. Sponsored by the Hospital Auxiliary, the classes will meet each Wednesday from 8 to 10 p.m. for seven weeks.

Additional exercise classes and a couples' class will be arranged during the series. All mothers-to-be, mothers and grandmothers are invited.

Esther Weldon, a registered nurse at the Lapeer hospital, is guide for these lessons.

The original painting of "Washington Crossing the Delaware" by Emanuel Leutze was destroyed in a 1942 Allied air raid on Bremen,

Germany. German-born Leutze married the canvas, he sold it to was refused. The copy now is in painted the picture in 1851 for the the German Government. He did the Metropolitan Museum of Art United States Congress. When fire a copy for the Congress, but it in New York.

Spicy Flavored Egg Nog
Tasty-flavored egg nog is a heartening beverage of a winter night. Its spicy flavor comes from sulphured molasses and nutmeg. For one serving, beat an egg yolk with 1 tablespoon unsulphured molasses. Stir in 1 cup milk. Beat egg white, and stir in the molasses-milk mixture. Sprinkle with nutmeg.

Quick Gelatine Salad
Winter fruit salads take on design with unflavored gelatine. Follow the basic salad recipe given on an envelope of unflavored gelatine. Then chill the gelatine mixture until it is slightly thickened before adding up to two cups of diced fruit... for example, grapefruit, orange and avocado sections.

Spice Shrimp Liquid
Add a bay leaf, a few whole cloves and whole allspice, celery leaves and thin carrot slices to the water in which you are cooking shrimp. Save the cooking liquid, after you've drained the shrimp; strain it and use as the base for a delicious shrimp bisque.

Corned Beef Dressing
A hearty salad for hearty eaters is tomato aspic with corned beef dressing. Cut chilled canned tomato aspic into slices. Top with a dressing combination of chopped member that 1 gill is the equivalent of 1/2 cup.

Ever braise young leeks in a little consomme? Add butter or margarine, salt and pepper and serve with meat or fish for a different vegetable dish.

Using an old-fashioned recipe that gives gill measurement? Remember that 1 gill is the equivalent of 1/2 cup.

Using an old-fashioned recipe that gives gill measurement? Remember that 1 gill is the equivalent of 1/2 cup.

Edge Stew With Triangles

top with cheese. Brown under broiler.

30-Minute Brown Stew With Croutons

Cook meat and seasonings as above at 10 pounds pressure in a pressure cooker for 25 minutes. Reduce pressure quickly, following pressure cooker manufacturer's directions, add vegetables, cook 8 minutes at 10 pounds pressure. Reduce pressure quickly. Thicken gravy and add croutons as above.

Funnels Are Necessary to Well-Kept Kitchen

What's a well-equipped kitchen without a funnel? You use it to transfer vinegar and oil to the decorative cruet that goes to the table. You use it for filling the baby's bottles and the vacuum jug. A funnel, also, is indispensable in saving the corn oil left over from frying.

A funnel is handy, it makes for a neat kitchen and a thrifty purse. In shopping for one, look for the kind with a removable strainer.

Golden Sauce Tops Asparagus

Hubby has been at the office all day; he's tired and wants to get home to a good old home cooked meal. But, you've had a busy day, too! Still it's not impossible to cook dishes in short order that have the flavor and appearance of long hours spent in the kitchen, for the canning industry offers a selection of foods that makes cooking a meal simple.

Begin the menu with canned asparagus topped with a golden sauce, made from canned cream of celery soup. Parsley buttered canned potatoes are another quick item. Brown and serve rolls, a tossed green salad, and a canned ham put in the oven earlier to heat through, with cup cakes for dessert round out the menu.

Asparagus with Golden Sauce

3 slices bread
2 tablespoons butter or margarine
1 can or jar (14 1/2 oz.) green asparagus
1/2 cup condensed cream of celery soup
1 1/2 teaspoons prepared mustard

Remove crusts from bread and cut into small cubes. Brown cubes in butter. Heat asparagus. Com-

bine soup and mustard in a saucepan; heat. Just before serving, fold in bread cubes. Serve sauce over hot drained asparagus. Three to four servings.

Public Underestimates Farmers' Share of Profit

The U.S. public underestimates the price paid to farmers for a quart of milk, it was reported in the survey. Forty-two per cent of those interviewed estimate the farmer's share of a 25-cent quart of milk to be 10 cents or less, while 47 per cent have no idea.

A recent study of milk distribution costs by an Indiana University professor showed that farmers got 50 cents of the milk sales income dollar received by fluid milk dealers, or more than 12 cents a quart, in 1936. Milk dealers spent about 12 cents for processing and distributing a quart of milk and kept slightly more than one-half a cent per quart for profit.

Jubilee Sauce New as Topping on Ham

Such a delicious sauce for ham!

Jubilee Cherry Sauce

2 tablespoons flour
1/2 cup sugar
1/4 teaspoon salt
1/4 teaspoon ground allspice
1/4 teaspoon ground cloves
1 can (1 pound) red sour pitted cherries (water pack)
1/2 cup orange juice
2 tablespoons cooking sherry
1/4 teaspoon red food coloring

In a medium-sized saucepan, mix together thoroughly the flour, sugar, salt, allspice and cloves. Drain cherries; mix cherry liquid and orange juice; gradually stir mixed liquid into flour mixture so sauce is smooth after each addition. Cook and stir constantly over moderate heat until thickened and boiling. Stir in sherry, food coloring and cherries. Reheat. Serve with ham. Makes 2 1/2 cups.

Cloves Spice Soup

Prescription for a pleasantly lazy Sunday afternoon: A good book, or the latest magazine, and a cup of warming savory soup. Tomato soup, made with milk and a dash of spice, is likely to be everybody's favorite sip-while-you-read beverage. To make it, empty a can of condensed tomato soup into a saucepan; add a soup-can of milk and a discreet pinch of cloves. Heat to simmering; don't boil. Makes 2 generous cups.

Beef Stroganoff

Cook tender thin strips of beef fillet in butter or margarine. Combine with paper-thin strips of onion that have been cooked until tender in butter. Add sour cream and season with salt, pepper, a little tomato paste (or catchup) and Worcestershire sauce. Reheat but do not boil—so sour cream won't curdle, beef won't toughen.

Don'ts of Meat Cooking

A roast should never be covered... water should never be added... meat should be roasted fat side up to eliminate basting. Searing does not keep in the juices but actually increases the cooking losses.

RICH BROWN STEW — Emphasize the men on your menu. Try this hearty beef stew with cheese croutons. The man in your life will enjoy this cold-weather fare with its touch of chef's magic in the sauce.

Neither snow nor rain nor sleet nor gloom of night should stay the cook of the family from the swift completion of her appointed round—pleasing the palates of the men in her life.

How better deliver these males than with an old-fashioned beef stew... but with a new twist! Beef stew with cheese croutons.

It's a tested dish sure to get their stamp of approval. Be sure to make it a red letter day. Be sure to post you as a winner. And it will assure a well balanced wintertime meal. Good hearty beef, vitamin-filled vegetables and a soupcon of something different.

Rich Brown Stew With Croutons

2 lbs. beef chuck in 1 1/2 cubes
2 tablespoons fat
4 cups boiling water
1 teaspoon lemon juice
1 tablespoon Worcestershire sauce
1 clove garlic
1 medium-sized onion, sliced
2 bay leaves
1 tablespoon salt
1/2 teaspoon pepper
1/2 teaspoon paprika
1 teaspoon sugar
4 carrots, quartered
1 lb. (16-24) small white onions
Buttered white bread triangles
Grated cheddar cheese

Brown meat in hot fat, add rest of ingredients except carrots and small onions. Simmer 2 hours, stirring occasionally to keep from sticking. Add carrots and small

onions and continue cooking 20 to 30 minutes longer, or until vegetables are tender.

Remove meat and vegetables shallow casserole, arrange bread thickened liquid for gravy. Use triangles around edge and sprinkle

Crunchy Toasted Pecans Good in Rich Rice Ring

Pecans and rice combine in this minutes. Soften gelatin in 1/4-cup of the milk.

Combine remaining milk, brown sugar and salt and heat to scalding, stirring constantly. Remove from heat. Add softened gelatin and stir until dissolved. Chill until partially set. Beat until smooth.

Combine whipping cream and vanilla and chill thoroughly. Beat until stiff. Fold into gelatin mixture together with rice and toasted chopped pecans. Pour into one-quart ring mold. Chill until firm.

Unmold onto chilled platter and fill center with partially thawed assorted frozen fruits. Garnish with additional whipped cream and chopped pecans if desired.

Toasted Pecan Rice Mold

1/2 cup chopped pecans
1/2 cup brown sugar
1/4 cup salt
1/2 cup whipping cream
1 teaspoon vanilla flavoring
2 cups cooked rice
1 package assorted frozen fruits

Toast chopped pecans in moderate oven (350 degrees) about 5

Rosemary is a fine seasoning to use when cooking veal.

Local bowlers have really been knocking over the pins in top form lately. George Miller just missed a 300 game with a 298 in the Huron Bowl Classic with Bill Bull hitting a 677 series in the same loop. Bill Lewis hit 251 and Don Pennell 685 for three in the Junior Chamber of Commerce league and Don Cork rolled a 253 in the Sunday Night Mixed loop.

Oxford coach Jean Harkness has been trying everything in an effort to come up with a basketball winner. A total of 14 different boys have scored points for the Wildcats in five straight losses. Avondale, Southfield and Waterford each have had 13 boys swish the nets.

If 7-footer Warnell Jones, who left Duquesne for UCLA, should flop in basketball he might be tried in football. He was a good high school tackle and also did some passing.

Twenty-two Oakland County cagers representing 18 teams have had at least one 20-point night in games thus far. Leroy Parks of Clarkston and Madison's Rick Moos top the group with three each. Best one-game showing has been 30 for John Herrington of Waterford.

The 1st annual Northwest Suburban Christmas Invitational basketball tournament, which concluded a three-day run at Farmington High on Monday, was a success at the box office. An estimated 4,000 persons paid to see the eight prep schools play.

Louisville Wins Sun Bowl, 34-20

Strong Passing Attack Defeats Air-Minded Drake

EL PASO, Tex. (AP)—The University of Louisville stole Drake's thunder in the Sun Bowl yesterday by taking a 34-20 football victory on an attack built around long and accurate passes.

Drake had been expected to use the aerial route. The Bulldogs did pass frequently but they were able to complete only 10 of 33 and most were for only short gains.

Louisville hit 6 of 10 and three went for touchdowns.

A below capacity crowd of about 9,000 saw the battle in bright sunshine.

Drake took a 7-0 lead at 7:10 of the first period. The Bulldogs moved 50 yards in 12 plays and quarterback Roger LaBrasca ran over from the 7 after failing to find a receiver on an intended pass play.

Louisville tied the score in the same quarter on a 40-yard pass play from freshman back Pete Bryant to halfback George Cain.

Louisville end Ed Young snatched the first of his two touchdowns passes early in the second quarter. He stumbled while running downfield but regained his footing in time to grab the toss from Dale Orem.

Three Southwest 11's Strike Out in Bowl Efforts

DALLAS (AP)—There was no joy in these parts today—the mighty Southwest Conference had struck out.

For the first time in history the Conference had teams in three major bowl games—and lost them all. No other conference could make that statement or wanted to.

Last Saturday Texas A&M started the slide by losing to Tennessee 3-0 in the Gator Bowl. Yesterday Rice and Texas completed the rout. Rice took a 20-7 hammering in the Cotton Bowl from Navy and Texas absorbed a 39-7 shellacking from Mississippi in the Sugar Bowl.

Chief Wrestlers Meet Strong Ypsilanti Friday

Pontiac Central jumps the gun on the 1938 portion of the area wrestling schedule tomorrow night when the Chiefs travel to Ypsilanti to meet one of the state's annual mat powers.

Pontiac has beaten Fitzgerald and lost a close verdict to Cranbrook in two regular season starts and made an impressive showing in the Southeastern Michigan tournament.

The rugged Friday match will be the last of a heavy list of 13 scheduled for the Chiefs during the next two months. Two with the yet untested Waterford team are included.

Most of the other Oakland County wrestling teams resume action next week. One exception is Cranbrook which will remain idle until Jan. 14.

SPORTS

HAPPY BUCKEYE — Halfback Don Sutherin of Ohio State's Buckeyes displays his happiness as he holds the shoe and football he used to boot the winning field goal in the Rose Bowl game. It was Sutherin's kick which made possible the 10-7 victory for the Big Ten champions over Oregon. Immediately behind Sutherin is fullback Galen Cisco and at far left is tackle Bistho Arnold.

Duke Bobbles Orange Bowl Game

Sooners Romp, 48-21

MIAMI, Fla. (AP)—A tricky play worked up at halftime backfired on Duke and launched an Oklahoma touchdown avalanche which gave the Sooners a 48-21 Orange Bowl football victory.

"Sometimes they work, sometimes they don't," Duke coach Bill Murray said. "This time it didn't."

Bud Wilkinson, coach of the Sooners, acknowledged that his team didn't need much offense to beat the Blue Devils because Oklahoma got the breaks in the New Year's Day game.

"The things that happened to Duke normally don't happen. I've never had so many touchdowns given to me," he said.

Lady luck joined the Sooners early. With Duke threatening, Oklahoma quarterback David Baker stole a pass from third unit quarterback George Harris and raced 94 yards for a touchdown before the game was 11 minutes old. It was the longest sprint in Orange Bowl history, surpassing the 90-yard kickoff return by Tulsa's Camp Wilson in 1945.

Six of Oklahoma's touchdowns resulted from breaks and luck with third down at its 26 and 12 yards to go. Duke faked a quick kick. The ball was supposed to go to quarterback Bob Brodhead for a pass down the middle to end Dave Hurn. But in a mix-up in signals on the new play, the ball was snapped to halfback George Dutrow, who had stepped into quick kick position. Caught by surprise, Dutrow fumbled and Dennis Morris recovered for Oklahoma on the Duke 24. Five plays later Jackie Sandefur swept three yards for a touchdown and after that almost everything Duke did seemed to go wrong.

"It was a coaching error," Murray insisted, shouldering the blame for the foul-up.

Another Duke fumble—also recovered by Morris—another intercepted pass, a punt blocked by Ross Coyle and a high snap from center led to four other Oklahoma scores.

Even more dazzling than Baker's record run in the first period was a long pass interception play that gave Oklahoma its final touchdown. Third-stringer Bennett Watts grabbed a Brodhead pass about

Third Stringer Boots OSU to Win, 10-7

Middies Drub Owls, 20-7

Cotton Pickin' Navy Eats Rice

DALLAS (AP)—A Navy squad Eddie Erdelatz calls "the greatest team I've ever been associated with" headed home today with a 20-7 Cotton Bowl victory over Rice.

Tom Forrestal passed and piloted the Middies to a 20-0 lead by the early part of the third period yesterday. Then Navy hung on as Rice surged to one touchdown and powered on a 35-yard drive against Midshipman reserves behind quarterback Frank Ryan to the Navy two as time ran out.

Navy, Eastern champion, now has a victory in the Cotton Bowl, one in the Sugar Bowl and a tie in the Rose Bowl in post season play.

It was the first bowl loss in five appearances for Rice.

Forrestal passed for 153 yards and ran for 34 in leading the Middies. Ned Oldham and Harry Hurst chipped in 50 yards and a touchdown each for Navy. Second stringer Roland Brandquist picked up 36 yards for Navy and recovered the Rice fumble which set up the first Middle touchdown.

Soph quarterback Joe Tranchini got the first Navy touchdown on a one-yard plunge. Hurst went 13 for his and Oldham 19.

Rice's first drive came on an eight-yard pass play from Ryan to Ken Williams. Ryan vied for stardom with Forrestal with 151 yards passing and 69 running. King Hill, Rice's All-America quarterback, showed little gaining 13 yards passing and 14 running.

Brandquist covered a Ryan bobble for Navy on the Rice 33 and the Middies went to their first score just before the end of the first period.

Forrestal's passing really started clicking in the second period. He hit Pete Jokanovich regularly on a 66-yard TD drive with Hurst scoring on a run from the 13.

Another sticky fingered Navy end, John Ruth, recovered a fumble by Ray Clinton on the Rice 20 and Oldham scored from the 19 to make it 20-0 Navy early in the third period. Brandquist missed the first Middle conversion try, but Oldham hit on the other two.

Late in the same period, Bobby Williams of Rice intercepted a Forrestal pass on the Navy 36. Ryan's passing to Buddy Itai and Ken Williams put the ball on the Navy 8. Ryan then hit Ken Williams on the one and he dove over. Hill converted.

Navy drove to the Rice 10, but a penalty kicked the Middies back in the final period. Oldham tried a field goal with the ball placed on the 20, but missed. Earlier, Bob Reifsnnyder had missed a field goal try from the 35.

Ryan guided the team to mid-field, but fumbled and Navy took over and drove back to the Rice three, where the Owls held. Ryan's passing and running led the Owls all the way to the Navy two, where time ran out.

"I think it's the greatest team

I've ever been associated with," drive, desire, and fun." Erdelatz Erdelatz, in coaching since 1936, has coached at St. Mary's and said of his squad. "In all ways, with the pro San Francisco 49ers.

MIDDIES HAPPY — Coach Eddie Erdelatz, Navy coach, is surrounded by his happy Midshipmen after the Middies whipped Rice in the Cotton Bowl, 20-7, yesterday.

Brown Puts On One-Man Show as Ole Miss Wins

NEW ORLEANS (AP)—Quarterback Raymond Brown gave one of the greatest one-man performances in Sugar Bowl history to end Mississippi's frustration in the New Year's Day football extravaganza.

The Rebels' 39-7 victory over Texas yesterday was a tribute to Brown's driving power, his masterful passing and his deceptive faking. He scored two touchdowns, one on a record-smashing 92-yard run, passed for one and set up another with a pass interception.

The 190-pound senior won the

Sutherin Kicks Field Goal to Defeat Oregon

Fired Up Ducks Give Big Ten Champs Scare Before Losing

PASADENA, Calif. (AP)—Ohio State's Buckeyes, if they want to be fair about it, should chip in to have third-string halfback Don Sutherin's right shoe gold-plated as a going-away present.

The 194-pound senior came off the bench to boot a fourth-period field goal from the 24-yard line yesterday, giving the nation's second-ranked team a squeaky 10-7 verdict over Oregon's underdog Webfoots before 98,202 in the 44th Rose Bowl game.

Without the kick the Bucks, clean-record winners of the Big Ten title three times in the last four years, could have been tied by the thrice-beaten 19-point underdogs.

As it turned out, Coach Len Casanova's Pacific Coast Conference co-champions were given pegs of praise for their showing against what appeared to be unsurmountable pre-game odds. The shaky coast conference, which has seen its representatives drop 11 of the 12 games with Western Conference foes since the pact was signed in 1947, figured this one was a moral victory.

And it came close to being more than that as the Webfoots out-gained Woody Hayes' stalwarts 351 to 294 yards and had 21 first downs to Ohio's 19. It was the most first downs scored against the big, bad Bucks this season, and the Ohio point total was its lowest of the campaign.

Even Hayes, who after his 20-7 win here over Southern Cal in the 1955 game roused coast fans' ire with some free-hand criticisms of this and that, reversed his field and added his plaudits to the performance of the losers.

The scoring was short and sweet. The Bucks took the opening kickoff 79 yards in 13 plays for their first touchdown, quarterback Frank Kremblas sneaking for the counter after throwing a 37-yard "third and 18" pass to sophomore end Jim Houston on the one-yard line. Kremblas converted.

The Ducks marched 80 yards in 10 plays, in a drive which bridged the first-second quarter intermission, with halfback Jim Shanley taking a pitchout from quarterback Jack Crabtree and circling end for five yards as halfback Charley Tourville swept Kremblas out of the scoring path with a bowl-shaking block. Jack Morris, balding fullback, booted his 14th conversion in 19 attempts to tie it.

In the third quarter, Morris, who had kicked four of five field goal attempts in the 10-game regular season, missed by inches a three-pointer from the 24-yard line. The Bucks took over on the 20, and in 13 plays, all on the ground, battered their way to the Webfoot 17.

With only 58 seconds gone in the final period, Sutherin came off the bench, and with Kremblas holding, angled a 24-yard placekick between the uprights for the winning margin. It was a thrilling career finish for the Toronto, Ohio, senior, who has been unable to practice kicking for weeks because of a lame back.

Oregon's sharpshooting quarterback, Crabtree, was voted the game's outstanding player, and Hayes concurred that the 191-pound senior was as good as any who graced the rugged Big Ten this season. Crabtree completed 10 of 17 passes for 135 yards and picked up 48 yards in 16 rushing tries.

Field Goal Win Rose Bowl's 3rd

PASADENA, Calif. (AP)—Three times a field goal has won the Rose Bowl game for a Big Ten team, twice for Ohio State.

Don Sutherin's 34-yard boot did it yesterday for Ohio State over Oregon, 10-7.

Once before Ohio State did it, in 1950, with a 17-yard field goal by Jim Hogue to win from California 17-14.

And in 1956 Dave Kaiser's 41-yard kick brought victory to Michigan State over UCLA, 17-14.

Confederate Flag Pilfered

NEW ORLEANS (AP)—Losing a pi band, said Mississippi Southern band members, who had taken part in the halftime show, apparently had induced a porter to put the flag on the wrong bus.

The mammoth Confederate flag was displayed yesterday during halftime ceremonies at the Sugar Bowl game in which the Rebels walloped Texas 39-7. Then the banner disappeared.

The flag was found last night in Hattiesburg, Miss., home of Mississippi Southern College. Lyle Babcock, director of the Missis-

THE HARD WAY — Oregon end Ron Stover gets spilled hard after taking a pass from quarterback Jack Crabtree in the Rose Bowl game against Ohio State. Doing the tackling is OSU back Joe Cannavino while Bill Jobco (65) a guard, moves in to lend a hand. OSU won, 10-7.

Red Wings Bow to Chicago, 4-3

THINGS ARE CROWDED — Ed Young (dark jersey) of Louisville steals the pass away from Drake's Roger LaBrasca (12) and Tom Newell (28) in the Sun Bowl yesterday. Young scored for Louisville which defeated Drake, 34-20 at El Paso.

Howe's 2 Goals Fail to Avert New Year Loss

Litzenberger Scores 2 as Black Hawks Square Holiday Series

CHICAGO — Gordie Howe opened the new year last night just like he closed the old one the night before—with a pair of goals. But the all-star right winger's 18th and 19th tallies of the season couldn't pull the Detroit Red Wings from behind a 4-3 defeat by the Chicago Black Hawks.

Big Eddie Litzenberger broke a 10-game scoring drought with a pair of goals in spoiling Howe's effort. Gordie's two goals on New Year's Eve gave the Red Shirts a 3-2 triumph over the Hawks at Olympia Stadium.

The loss kept the Wings in a 4th-place tie with the Toronto Maple Leafs in the National Hockey League standings. The Hawks are in last place—23 points behind the front-running Montreal Canadiens who defeated the Boston Bruins 4-3 in another NHL encounter at Boston.

Both of Howe's tallies came while Chicago was shy a skater. He got his first of the night at 17:34 of the first period after the Hawks had moved to a 2-0 lead on goals by Ron Murphy and Pierre Pilote. Litzenberger pushed in his first tally to make the Hawks' lead 3-1 in the middle stanza.

Detroit put on a frenzied drive to overtake the tailenders in the final frame.

Billy McNeil pulled the Wings to 3-2 when he tipped in a long shot by Alex Delvecchio, but Litzenberger put the game away with a backhander 10 feet out after taking a pass from Pilote.

Howe's last goal came at 17:50 of the final period. Detroit plays Montreal at the Forum Saturday.

SUGAR BOWL ACE—Mississippi coach Johnny Vaught is shown with his quarterback Ray Brown after the Sugar Bowl victory over Texas, 39-7. Brown was named the outstanding player in the classic.

Full Inter-Lakes Schedule Friday Resumes Cage Play

The ambitious Inter-Lakes Conference jumps the gun on post-vacation high school basketball action in the Oakland County area with a complete three-game schedule Friday night.

Waterford faces the unpleasant task of tangling with Berkley on the Berkley court. Southfield invades Walled Lake and Farmington visits Van Dyke in tomorrow's league activity.

All other league teams as well as independents remain idle until next Tuesday.

Berkley, defending Inter-Lakes co-champion and title favorite this season, will be a strong choice over the Skippers.

Waterford dropped its loop opener to Farmington and has neither the overall height nor scoring balance to match the Bears, who started their I-L campaign by downing Southfield.

The improving Jays, fresh from their championship in the Christmas Invitational Tournament at Farmington, rate the nod over Walled Lake, a 57-54 victim of Southfield during the holiday tourney.

Both teams lost their I-L openers. The Vikings, who show occasional flashes of brilliance, were shaded by Van Dyke while Southfield fell before Berkley.

Southfield, figured to be Berk-
