

Floods Ravage Three Eastern States

Water Boils Through Streets in Many Towns

STREETS FLOODED—Water pours down Broad St., in Tamaqua, in Eastern Pennsylvania, in a flash flood in which one man died. Cascading into downtown stores, water caused thousands of dollars damage here. Other eastern communities in Massachusetts, Connecticut and Pennsylvania were hard hit by rains in the wake of Hurricane Diane.

AREAS HIT BY FLOODS—Underlined on the map are communities in Pennsylvania, Massachusetts and Connecticut which are affected today by floods caused by rains over the region.

Nab Cop Killer in Chicago

Ex-Convict Pleads for Mercy When Tear Gas Forces Surrender

CHICAGO (AP)—Chicago's greatest manhunt since the days of gangster John Dillinger ended last night with a 26-year-old cop killer begging:

"Don't shoot. Don't shoot."

Despite the plea, ex-convict Richard Carpenter fought his captors to the end, though unarmed. He wrestled with policemen who dragged him out of a tear-gas-filled third-floor apartment.

"No doubt about it. He was driven out by tear gas. The apartment was just loaded with it," said Detective Elwood Zuley, 40, one of the first policemen to grab Carpenter.

Zuley said the fugitive, who within a 72-hour period killed one policeman, critically wounded another and terrorized a family for 23 hours, made an apparent gesture of surrender by sticking both hands out through an open door.

The detective said he grabbed one outstretched hand. Patrolman John Kennedy, 54, grabbed the other. Together they yanked Carpenter into a narrow hallway.

WRESTLE ON FLOOR

The two policemen, aided by several other officers, wrestled Carpenter to the floor to escape a steady stream of gunfire and tear gas shells pouring into the apartment. No gun of Carpenter's was found in the apartment.

Kennedy said the slightly built gunman, described by his mother as harboring a passionate hatred for policemen, battled fiercely.

Worship Huge Turtle

TAIPEI, Formosa (AP)—Scores of superstitious Formosans knelt in worship yesterday before a 400-pound turtle because they considered supernatural powers must have been at work to make it grow that big. The turtle was caught by Chinese Nationalist sailors. It will be given to the Taipei zoo.

Ferry Service on Detroit River to End Sept. 25

DETROIT (AP)—Passenger ferry service across the Detroit River will cease Sept. 25, after 101 years. Canadian National Railways announced today that on Sept. 25 chartered buses operating through the Detroit-Windsor tunnel will replace coaches and sleeping cars now ferries across the water.

The ancient ferries Huron and Landsowne will continue, however, in freight service between the CNR terminal in Windsor and the Grand Trunk Western station in Detroit.

Since Michigan Central Railroad built its railway tunnel under the river early in this century, passenger cars have been carried on ferries only by the CNR. It interchanges equipment with Grand Trunk Western, also Canadian controlled.

The Saint Rescues Four Afloat After Ship Fire

SAN PEDRO, Calif. (AP)—The Sinner were saved by The Saint. A 30-foot cabin cruiser burned and sank in Catalina Channel, leaving four persons swimming in the water with life preservers.

Charles E. Gibson, 52, owner of the cruiser; his son Charles Jr., 30; Gerald C. Sinner, 28, and his wife Patricia, 23, were saved by William Gruendler in his fishing boat The Saint yesterday after they'd been in the water 45 minutes.

The over-all program, which Congress cut down from President Eisenhower's requests, envisions creation of a strong and active reserve to supplement reduced regular forces. Reserves are to be built up over a period of years to 2,900,000 men from the present 800,000.

The Army said it will accept immediate six-year enlistments directly into the reserve by men who have not yet been ordered to report for induction under the draft.

Each man accepted must serve two years on active duty, take part in the ready reserve for three years and serve one year in the standby reserve — the same time as if he were drafted — but will have a choice of when he will serve his two years of active duty. The Army said that it will be ready to start accepting enlistments for the short-term reserve training program in the "immediate future," which officials have said will probably mean Oct. 1. President Eisenhower last week authorized an Army quota of 90,000 such enlistments and the Marine Corps 5,500 during the 10 months ending next June 30.

The six months of active training must be followed up by 7½ years more in the active reserve. Volunteers will be deferred from the draft throughout the full eight years if they take an active and satisfactory part in the reserve training. Otherwise they are subject to a two-year draft. These short-term trainees will

Williams Sees Possibility of Calling Solons Back

LANSING (AP)—There is a "distinct" possibility of a legislative session this fall to consider problems of highway safety and mental health, Gov. Williams said.

The governor had hinted earlier in the week a special session might be called to work out an emergency program for housing some 1,100 mentally retarded children now on a waiting list.

His statements on highway safety needs, however, heightened expectations that legislators will return to Lansing sometime this fall. Their regular session opens in January.

Last weekend's highway death toll of 31 for the state was a "disaster" that points up the need for a "general attack on all fronts" on the highway safety problem, Williams said.

State Disaster Plan Discussed

Pontiac City Manager Attends Civil Defense Meeting in Lansing

City Manager Walter K. Willman yesterday attended the first meeting of a civil defense advisory committee which will draft a model disaster plan and ordinance for state-wide use.

Willman was one of five members of the committee which met with C. F. Van Blankensteyne, state civil defense director, in Lansing.

The model ordinance and plan to be drawn up will coordinate all levels of government—city, county and state—in a program to handle emergencies brought about by natural or war-borne disasters, Willman said.

"No ordinance can meet the needs of both rural cities and counties and metropolitan cities and counties, but there can be a definite pattern set up," said Willman, who is also Pontiac's civil defense chief.

The plan and ordinance outlined by the 5-man group will be presented to a larger advisory committee to be completely developed, he said.

Others on the committee are the mayor of Kalamazoo, the Grand Rapids city manager, a Mt. Pleasant councilman and an official of the Michigan Municipal League.

Earlier this week, Secy. of State James M. Felt had submitted a 12-point program for highway safety.

The report included recommendations to put drivers licensing into the hands of state employees, add 200 men to the state police force and raise the minimum driver's age to 17.

STUDYING REPORT

"I am impressed with the high quality of his report and I am giving it careful study," Williams said.

The governor said he intends to work out a definite program based on Felt's report and submit it to the legislature "as soon as possible."

Such a program might include a recommendation to remove the markings from state police cars, Williams indicated.

A final decision on a special session will not be made until Charles F. Wagg, director of the State Mental Health Department, completes a survey of hospital facilities.

"I would say a special session is a very distinct possibility because I am determined that we find suitable care for mentally retarded children at the earliest," Williams said.

"Also," he added, "I have viewed with considerable alarm the mounting death toll on highways. I think public recognition of both these problems is mounting to the point where we can hope to get the things done that ought to be done."

Williams said he would sound out legislative leaders on the two problems before calling a special session.

He said he had discussed the problem of mentally retarded children with Sen. Elmer R. Porter (R-Blissfield) who seemed "concerned with the situation," Porter is chairman of the senate appropriations committee.

Earlier this week, Secy. of State James M. Felt had submitted a 12-point program for highway safety.

The report included recommendations to put drivers licensing into the hands of state employees, add 200 men to the state police force and raise the minimum driver's age to 17.

Bank Announces Expansion Plans in Pontiac Area

Bloomfield Hills Unit Planned by Community National Bank

Construction of a branch unit of Community National Bank on West Long Lake road near Woodward in Bloomfield Hills was announced today.

Costing "in the neighborhood of \$300,000," the branch is part of an \$800,000 expansion program under development by the bank's board of directors for three years, said Robert R. Eldred, executive vice president.

"The branch will be modern in every respect, giving full service, including drive-in windows," Eldred said. It will be of contemporary design and will have a 150-foot frontage.

Community National may erect a temporary structure on the site, which Eldred declined to locate specifically. If such a building should be erected, banking service will be offered there within six months, he said.

Eldred also announced the bank will double the capacity of its Walled Lake branch at a cost of \$100,000. Architects are now working on plans for both the Bloomfield Hills and Walled Lake projects.

Another development in the bank's expansion program revealed today is the conversion of the fourth floor of the Community National Bank Building to bank use at a cost of \$100,000. Tenants have been given notice to move, Eldred said.

INCREASED FACILITIES

The floor will be used for a luncheon and locker room for the main office's 250 employees. The move will provide more room for accounting facilities on the third floor.

Previously announced by the bank were construction of a \$150,000 branch at Union Lake and expansion of the West Huron street office, already under way, at a cost of \$150,000.

Eldred cited records showing the bank's resources have increased from \$58,500,000 in June, 1951, to \$85,300,000 at present. The bank currently services 68,500 accounts.

"We feel we are responsible for serving Oakland County and we are continuing to survey other areas in the county that need banking," Eldred stated. "As the need expresses itself for a banking office, we will be there with it."

Besides the West Huron and Walled Lake Branches, Community National has units on North Perry street and in Keego Harbor.

Call for Cool Comfort

No-Tie-Short-Sleeve Fans Greet Return of Summer

Hold everything. The heat wave returns. That's what the man says. The weather bureau man we mean. Therefore, the businessmen pioneers who recognize these occasions by leaving their neckties home and wearing sport shirts are alerted. Be ready, m'hearties!

★ ★ ★ ★ ★
The forecast for tomorrow is again ninety plus, which means the businessmen fashion plates of Pontiac will appear in light sport shirts and no ties. The stuffed shirts, the die-hards and the recalcitrant element will appear as usual. Furthermore, they will perspire as usual, wilt as usual and look it—every inch. They go forward on some such motto as: "Theirs but to do and die."

★ ★ ★ ★ ★
After our early pronouncements on this subject, your open collared Herodotus bumped into Roger Kyes. "I favor your Pontiac movement," said the Great Man. "You're conferring a boon and favor on all mankind. But I should like to issue one warning. Countess Mara will be on your trail. Don't say I didn't tip you off." The G.M. was en route to the first tee at the Bloomfield Hills Country Club. Roger is only an occasional golfer, but he occasionally smites about as far a golf ball as one can be smote.

★ ★ ★ ★ ★
Countless men from other cities have approved of the "Pontiac Plan." If the thing had been started early enough it probably would have swept the nation. As it is, it has swept neatness and collar comfort into Pontiac business circles. Nothing looks worse than a bedraggled, sour faced, uncomfortable, perspiring, drippy male bowing meekly before the fashion edicts of a day gone by.

★ ★ ★ ★ ★
As Don Nicholie asked plaintively at the City Club: "Who are they trying to impress?" And with that cogent logic and philosophy, we rest our case. Fellow members, it's a sports shirt day for the progressive male. It's a day of sticky sorrow for the rest.

Mercury Cracks Record for This Date in Pontiac

8 a. m. 77 10 a. m. 80 Noon 86
9 a. m. 83 11 a. m. 84 1 p. m. 87

That heat wave which was supposed to have been cracked earlier this month is staging an amazing comeback.

The mercury today shot past the 85-degree mark, previously the highest temperature for this date in 83 years. The last time the thermometer recorded 95 for the date was in 1947.

Downtown Pontiac's reading jumped from 77 at 8 a.m. to 94 at 11 o'clock and then nudged past the record figure shortly before noon. At 1 p.m. it was 97.

Today's heat follows three days of 90-plus temperatures, and more scorching weather is seen for the weekend.

And the Weather Bureau offers little hope beyond the weekend. The 5-day forecast calls for temperatures averaging 10 degrees above normal, indicating the heat will continue through Wednesday. No rain of any consequence is foreseen.

"There is no cool air coming in and the sun just continues to beat down day after day on the warm air from the southwest," said Fred Moser, meteorologist at the Detroit office of the U.S. Weather Bureau.

"There is some cooler air up in Canada that may get down to the Canadian border but it's doubtful that it will get this far south," Moser added.

The Weather Bureau doesn't like to predict beyond five days, but Moser said it appeared that it might be past Wednesday before the heat lifts.

Normal maximum temperature for the Pontiac area is 80 degrees at this time of year.

Yesterday, the mercury hit the 94-degree mark in downtown Pontiac. The day's low was 71. At 10:30 a.m. today the temperature already had climbed to 94 degrees. At 1 p.m., the reading was 97 degrees.

Nixon to Talk in Flint

FLINT (AP)—Vice President Nixon is scheduled to speak in Flint Sept. 7 during the city's week-long centennial celebration.

Chief of staff Maxwell D. Taylor declared that the new law is being utilized to effect "the speediest possible build-up of the Army's reserve strength towards its mobilization goal."

He added that the Army will continue "at the same time, to exhaust every effort to recruit and retain in our army reserve and national guard units volunteers with prior service." These men, he said, will "form the backbone and leadership necessary for a truly ready reserve."

Thousands Flee Stricken Areas as Waters Rise

Rampaging Rivers Rip Towns Threatened by Overflowing Dams

From International News Service
The entire central and western sections of Massachusetts were faced with a disaster of deadly proportions today as floods, caused by the torrential rains, loosed a deluge of water on homes and highways and threatened to burst the bounds of two large dams. And, in eastern Pennsylvania, the worst floods in recent years spread havoc today causing millions of dollars worth of damage and forcing thousands from their homes.

Rivers and streams, swollen by the cloudburst that followed hurricane Diane, poured over banks, disrupted transportation and communication and plunged many areas into darkness.

...In Scranton, floodwaters are 14 feet deep in the streets. Telephone lines were down and electric power was knocked out.

At Neshaminy, 25 miles north of Philadelphia, hundreds of persons were driven from their homes by the churning waters.

The Johnsville Naval Air Development Center launched full scale rescue operations, putting into service helicopters, boats and rubber rafts.

A freak "twister" and heavy winds ripped roofs from scores of homes and industrial plants in Coatesville and Hamburg.

Some 400 persons were stranded in the Pocono Mountains as two Lackawanna railroad trains were halted by washouts.

6 REPORTED DEAD

At least six deaths were attributed to the storm, with three others reported lost.

This is the situation in Massachusetts as thousands were made homeless and state police, soldiers, and Civil Defense workers gathered to battle the storm: ...

The French River dam, in North Oxford, and the Otis reservoir, in Otis, were "ready to go at any minute." Water is spilling over the ramparts of Otis dam.

Homes are being washed away in Russell. The town is completely isolated, with houses crumbling like matchwood under the pressure of the water. Residents are being evacuated by state police and some, who could not be reached by rescue teams, are fleeing to the upper floors of their dwellings to escape the torrent.

PEOPLE FLEE

In North Oxford, where the French River Dam is buckling under thousands of tons of water, residents are fleeing on their own initiative, without waiting formal evacuation order. Routes 12 and 20, which run through the town, are under five feet of water.

Every north-south and east-west highway from Worcester to the New York border, with the single exception of Route 9, is virtually impassable.

The town of Canaan, Conn., was placed on an instant alert to be ready to evacuate it if the Otis reservoir lets go. Gov. Abraham A. Ribicoff sent National Guard troops to Torrington. The Westfield Reservoir overflowed its banks and is pouring (Continued on Page 2, Col. 5)

Don't Brag About Popularity to Other Girls

"Dear Miss Woodward: I'm 15 and I have most of the boys my age after me. Almost all the girls my age despise me because of it. "I try to be as good and fair as anyone possible could. How can I get the girls to realize that I can't help it if the boys all chase me?"

Answer: The girls aren't going to adore you when they realize that you can't help having all the boys chase you. But if you could convince them that you don't want to keep all those boys for yourself you might win their affection.

The boys must trip over each other beating a path to your front door. If they arrive in droves—what better idea than to share the wealth? "Come on over and wade in" might be your attitude.

Call up some of the girls and ask them to join you. Such gatherings can turn into informal parties. And do a lot of character building for you in the eyes of the other girls. After all, when you're busy being hostess you can't be too busy flirting madly with all the boys too. The other girls would have their chance.

In many groups of girls there's one who acts as magnet to attract the boys. Not because the others aren't attractive in their own right. But just because she has a certain something that draws them.

And, of course, many groups of boys are awfully good at following the leader. Good news travels fast, and the crowd lines up at the corner. Which is a good thing for the rest of the girls in the group—if the "magnet" is also generous.

The girls can't blame her for having that something special. But they'd hate her if she was stuck-up about it, self-satisfied, and stingy.

"Dear Miss Woodward: About two weeks ago a boy I know came over and brought a friend of his

with him. I liked the friend right off the bat. Last night they came over again and we watched TV and I got better acquainted with the friend.

"He acted really friendly toward me and I'd dearly love to go with him."

Wed Couple Rarely Asked as Attendant Bridal Party Need Not Include Both Husband, Wife

By EMILY POST
A wife writes: "One of the bridesmaids at my own wedding asked me to be a bridesmaid at her wedding but has said nothing about including my husband in the wedding party. "If her fiancé didn't know my husband that would be an excuse for leaving him out but we have all been friends for several years and I think this is a slight to him. Do you think it proper to ask me alone, and if not, should I back out?"

Answer: Your friend showed no discourtesy to your husband in leaving him out of the bridal party. In fact, it is unusual to have a husband and wife both serve. He should, of course, be invited not only to the wedding and reception but included in any parties especially given for the bride.

"Dear Mrs. Post: I received a personal note of invitation from a business friend and his wife inviting me to spend a weekend at their summer cottage.

"I would like to write a note accepting this invitation but am stumped as to how to begin it. I know the husband quite well and call him by first name, but his wife I know only slightly and have always called her Mrs. Jones. I can't begin the note 'Dear John and Mrs. Jones,' can I? Will you please help me?"

Answer: Write your letter to Mrs. Jones alone.

"Dear Mrs. Post: When writing thank-you notes for money gifts, should the amounts be stated in the notes?"

Answer: The wording of your thank-you would be for a "generous check." You might add that you are eager to show them the lovely present you bought with it.

Should I tell the boy who introduced us that "I want to go with his friend, and have him find out what he thinks about me? I don't want to appear to be running after him, yet I'd like to go with him and I want him to know it."

Answer: Alert one of your most-attractive girl friends to be ready

to dash to the rescue the next time those two boys come over. If you have no warning, figure out some sort of code message that will start her on her way to your house. Then let her take one boy off your hands while you get even better acquainted with the boy you

like. If the combination works well together, you can repeat the first-aid treatment the next time they drop in. Pretty soon it will seem like the normal thing for you to be paired off with your pet. And isn't that just what you want? (Copyright, 1955 by United Feature Syndicate, Inc.)

MAKE OVER PAGES School Opening Dates Listed in County Area

THE PONTIAC PRESS, FRIDAY, AUGUST 19, 1953

School days are nearing in the Oakland County area, and school officials have set dates for general faculty and orientation meetings, registration, parent-teacher conferences and school opening.

Opening dates announced by school authorities, some as early as Aug. 31 and others as late as Sept. 12, are listed below:

Huron Valley

School here starts the morning of Sept. 2 for all grades except kindergarten, which opens Sept. 8.

New pupils are being enrolled in the principal's offices before opening date and teachers of kindergarten youngsters are devoting Sept. 1, 2, 6 and 7 to conferences with parents regarding these tots and their school programs.

Imlay City

Classes in Imlay City Schools will start Sept. 8. Faculty will meet Sept. 6 and 7 for preschool conferences and the school will be open from Aug. 30 to Sept. 2 for students to get books and supplies. New students, kindergarten through seventh grade, should register Aug. 31 in the sixth grade room, from 9 a.m. to 5 p.m.

Lake Orion

Sept. 8 is the date set for Lake Orion youngsters to report. A general teachers meeting is slated for 9 a.m. Sept. 6, and departmental meetings and room organization will be held Sept. 7. The new Special Education de-

partment located at Blanche Sims school in this city will be ready for use about Dec. 1.

Marlette

Marlette Community School officials have filled all vacancies on the teaching staff except the commercial position.

There are seven new teachers listed for the high school staff and eight new teachers for the new Bea McDonald Elementary School opening this term, which is to be dedicated sometime in September. Marlette's opening date is Aug. 31.

North Branch

North Branch Rural Agricultural School will be open at 8:45 a.m. Aug. 29, for principal and superintendents meetings, and a general

faculty meeting. High school and grade meetings are set for 1 p.m. Aug. 31, while tenth through twelfth graders report to the gymnasium for final registration on the same day.

Registration for seventh through ninth grades will be Thursday, Sept. 1. Regular sessions will start Sept. 2 for all grades.

South Oakland County

An expected 63,000 children will enroll in classrooms of 11 South Oakland districts. Opening date, listed for Southfield, Clawson and Royal Oak Schools is Sept. 7. Children attending Troy, Carver, Ferndale, Hazel Park, Lamphere, Berkley, Madison and parochial

schools in this area will report on Sept. 8. Oak Park has slated Sept. 12 for starting day.

Waterford Township

In Waterford Township, school bells will ring on Sept. 7, both for Isaac Crary Junior and Waterford Township High School pupils. Registration for junior high students, grades seven through nine, will begin Aug. 22.

Pre-enrollment for Waterford High School students will begin Aug. 23. Grades 11 and 12 should register Aug. 23-25, from 8:30 a.m. to 2 p.m., with the high school office open on the evening of Aug. 24 from 7 to 9 p.m. for students unable to go during the day.

Tenth graders should register Aug. 30 Sept. 1, or 7 to 9 p.m.

Aug. 31, if unable to register during daytime.

Holly

Considerably enlarged will be the vocational education program offered in Holly Area schools when they open next month. Local business firms are being asked to cooperate in the work.

Advisor for the expanded program is William Froberg. Offered to high school students of 16 years or over will be a course with a four-way objective — to be of benefit to the students, the school, employers and community.

Such students would divide their time about equally between the regular school curriculum and the outside activities. Parents now are being solicited to enter their children in the new plan.

Lapeer Hospital Addition Asked

Trustees and Auxiliary Circulate Petitions for \$190,000 Bond Issue

LAPEER—Crowded conditions at Lapeer County Hospital may be remedied soon, as people of the area work to circulate petitions asking an addition allowing for about 35 more patients.

The hospital, opened in February, 1954, for several months has been filled to capacity, with patients being cared for in the halls, and others refused admittance.

Hospital trustees met recently to circulate petitions asking that a special bond issue election be called to decide the question. A maximum of \$190,000 will be asked on the special proposal ballot.

A tax of 50 cents per \$1,000 of valuation (half mill) would raise the amount in six years.

Hospital board of trustee members estimate this amount, plus funds from the Federal government and private gifts would add the 35 needed beds.

Also aiding in circulating the petitions are members of the Hospital Auxiliary.

Chairman Clare Barrett of the County Board of Supervisors has offered to call a special session of the board Tuesday, for acceptance of the petitions and to set the election date.

Story Hour Scheduled

KEEKO HARBOR—The story of "Mei Li" by Thomas Handforth will be told at the Saturday story hour, 11 a.m. to noon, at the Keko Harbor Library. All area children, 5 through 8 years of age, are invited to the weekly sessions.

Garden Rites Unite Couple From County

HIGHLAND—A garden wedding at the home of Mr. and Mrs. John Middleton of Highland recently united in marriage their daughter, Kathryn Jean, and Jerry Newman, son of Mrs. Clara Newman of Holly.

The bride, in a gown of nylon blue net, spoke her vows with Jerry under a white arch adorned with red and white roses, flanked by baskets of flowers.

Kathryn's sister was matron of honor and Donald Newman acted as best man for his brother.

A reception was held at the family home following the ceremony. The newlyweds later left for a trip through Northern Michigan.

James Rogers Honored After 30 Years' Service

MARLETTE—James Rogers was honored at a dinner here recently by the Standard Oil Co., upon his retirement after 30 years of service. He was lately elected for three additional years as president of the Central States Petroleum Council, which office he has held for the past ten years.

School Reunion Planned at White Lake Township

WHITE LAKE TOWNSHIP—The White Lake Center and Granger Schools will hold their annual reunion and picnic Aug. 27, at Dodge Park on Pettibone Lake Road near Highland.

Former pupils and teachers have been invited to attend.

Hose Slip After Brief Lead, Yankees Stay on Top

By THE ASSOCIATED PRESS
No matter who wins the pennant, it begins to look like the American League champion is going to be a reluctant ruler of the roost. The four contenders stay within reach of first place, but they always manage to blow a chance to take command.

Boston started it, dropping the final game of a three-game set at New York after splitting the first two. Then Cleveland dissipated a two-game lead of last weekend by losing three in a row.

Next, the Yankees, who looked like they were rolling, misfired after winning seven straight and, though still on top, settled for a slim one-game edge.

Chicago choked up yesterday, dropping the second game of a doubleheader with sixth-place Kansas City 5-3 after slipping ahead of the Yankees, who were rained out at Boston, with a 6-2 victory in the first game.

Cleveland, meanwhile, climbed back to within a game of first place, and within three percentage points of the White Sox, by ending its slump with a 5-3 decision over Detroit.

The White Sox got two unearned runs for an early lead in the nightcap, but still couldn't get home safe. Vic Power smashed a two-run homer in the sixth off loser Harry Byrd to tie it. And after Sherm Lollar homered, the Sox

one of the league's six teams managed to complete the 10-game card.

Winning Boys Club nine played just six games as did Berkley. Runner-up Birmingham and Waterford completed seven tilts, while Rochester and Clawson fared the best with eight.

Rain, therefore, actually aided the youngsters out of Milford in their quest for the 2nd half flag. Waterford, 1st round champion and the league's representative in the state tournament at Flint, finished 3rd, a full game behind Birmingham. Berkley wound up in 4th place with Rochester and Clawson sharing the basement.

Michigan State's largest home football crowd was 52,472 for the Notre Dame game in 1952.

INDIAN SAFE—Al Smith, Indians' 3rd baseman, is safe at 1st base in the 5th inning of yesterday's game on a pickoff attempt by Tiger 1st baseman Jack Phillips. Play was started when Bobby

Avila, Indians' infielder, let one go by and catcher Red Wilson whipped the ball down to Phillips for a close play.

Roseville Wins Close Ones for District Title

Dumps Drugs 2 Times in Softball Playoffs at Beaudette

Roseville racked up a pair of one-run victories over Drayton Drug, 6-5 in eight innings and 5-4, to win the men's Class C District 5 softball tournament Thursday night at Beaudette Park.

Roseville clearly demonstrated that it was a "clutch" team. The drug nine had shut out the new champion, 3-0, in the double-elimination tournament Wednesday, making last night a "must" for Roseville. And the winner proved equal to the occasion.

Both losses were heartbreakers for the Drayton team. The Druggists overcame 3-0 and 5-3 deficits in the opener to force the tilt into extra innings. Then, in the top of the 8th, Gary Boe fell victim to a triple and single that enabled Roseville to survive another round. That was the only break Roseville needed.

Druggists blew a 4-1 lead in the nightcap to lose, 5-4. Gary Boe was again the victim of Roseville's fireworks, this time a four-run outburst in the 5th providing the margin of victory. A hit batsman, walk, and three singles, plus an outfield error, gave Roseville the district title.

Mazur hurled both games for the winners, yielding six hits in the overtime opener and giving up eight in the 2nd game.

Gingelville upset Avondale, 19-16, in a wild, nine-inning slugfest at North Side to reach the finals of the girls' Class C playoffs. Louise Dalzo and Shirley Grunick hit home runs for Avondale in a losing cause. Avondale outlived the winners, 15 to 9, and both teams committed nine errors.

Gingelville, girls' league tail-enders, faces General Motors tonight at North Side in the "C" finals. Game time is 8:30 p.m.

Waterford Lions, GM Bow in 'B' Games at Drayton

Roseville and Mt. Clemens chalked up wins Thursday night at Drayton Plains in 1st-round action of the Class B district softball tournament.

Roseville defeated the Waterford Lions, 3-1, in a 12-inning pitchers' battle between Citrone and the Lions' Harlan (Fat) Keith. Three straight singles in the top of the 12th produced two runs and handed Roseville its margin of victory. "Peanuts" Long stole home for the Lions' lone run in the 1st frame and Roosevelt tied the score in the

Phil Rodgers Takes 3 Stroke Lead in Play of National Test

COLUMBUS, Ga. (AP)—Sixteen-year-old Phil Rodgers of San Diego, Calif., held a three-stroke lead today as International Jaycee Junior Golf play moved past the midway mark.

Rodgers had a 34-36-70 yesterday over the par-72 Columbus Country Club course. His first round score was 66.

Sam Carmichael of Martinsville, Ind., first-round leader with a 65, carded a 40-34-74 in dropping to second place.

Jack Rule of Waterloo, Iowa, was in the third spot with 70-71-141. In a three-way tie for fourth were Frank Eldridge of Valdosta, Ga., medalist Dick Foote of Santa Ana, Calif., and Deane Berman of Bethesda, Md., all had 142.

Defending champion Allen Gelberger of Santa Barbara, Calif., fired a 72-71-143.

The reigning USGA Junior titlist, Billy Dunn of Duncan, Okla., dropped out of the running with an 81 for a 154 total.

Barton, Tanner, Braves; Boyer, Cardinals; Hoak, Dodgers; Gordon, Lockman, Giants; Power, Athletics; Lollar, White Sox.

Griff's tallied its lone run in the 1st inning, then succumbed to Dick Turner's three-hit hurling. Turner recorded 10 strikeouts.

Jones, who also pitched a three-hitter, breezed along until the 5th when Port Huron crossed the plate three times on only one hit, two walks, a wild pitch, and three field errors. It was Griff's only loss of the season—but it was the "big one."

Boys Club likewise scored its lone run in the 1st inning at C.J.'s north field. Then Livonia reached Jerry Orr for two runs in the 2nd, one in the 3rd, and another in the 5th for a 4-1 decision. Victory gave Livonia the Class E state title.

Walker Makes Final Home Appearance in Lions' Exhibition

DALLAS, Tex. (AP)—Some 50,000 fans will turn out tonight to see Doak Walker in his football swan song and also to watch a couple of good professional teams rip up the sod of the Cotton Bowl.

Walker, in his final appearance before the home folks in the stadium where he has drawn more than 1,000,000 in 19 appearances, will spearhead the Detroit Lions against the Philadelphia Eagles in what should be a touchdown flood.

A duel on the ground between Walker and another former Southern Methodist University grid star, Jerry Norton, will highlight the occasion. Two other ex-Southwest Conference greats, Bobby Layne of Texas and Adrian Burk of Baylor, quarterback of the Lions and Eagles respectively, may overshadow the Walker-Norton struggle with a whirlwind passing duel.

Walker, only Southwest conference player ever to make All-America three times, has announced that this is his final season in football. That means his appearance in tonight's exhibition will be the last in the Southwest. He will play with Detroit in the National Football League but all his other games will be in the East.

Layne has a sore arm but said he would be able to go the route.

Race Body Claims Pair Diverted Funds to Own Use, Seeks \$68,710

BUFFALO, N. Y. (AP)—An Ohio harness race association filed a suit in federal court here yesterday in which it charged two of its stockholders with diverting \$68,000 of the track's money to their own use.

The suit was filed by the Columbus Trotting Assn., of Hilliards, Ohio.

It named as defendants Russell G. Talbot of the Talbot Co., investment broker; the Talbot Co., and Harold B. Dennison of Yacht Harbor, Ont., and Miami, Fla.

Talbot and Dennison, who share a Buffalo office, denied the charges.

"I deny them all, categorically and individually," Talbot said.

Dennison, a former director of the association, issued an "emphatic denial" of the allegations. He identified himself as a co-partner in the Northville, Mich., harness track near Detroit.

The suit said Dennison and Talbot and other unidentified persons promoted the association before its incorporation Sept. 16, 1949.

It described Dennison as a partner in the association and Talbot as a director before a reorganization.

The complaint alleged that Dennison, Talbot and other promoters represented to the corporation that assets of the track partnership had a value of \$93,000.

The association seeks \$68,710.26 from the defendants.

CHICAGO (AP)—The Chicago White Sox and the New York Yankees bounced around on the American League baseball peak for a spell yesterday but today the

Yankees broke out of its "slump" to score three runs on five hits while passing Jim Hearn in the first inning and rumbled on to an 8-5 decision over the New York Giants. Jim Bessent won in relief as the Giants ousted Karl Spooner with two in the third and two in the fourth.

Cincinnati moved back into fifth place, displacing Chicago with a 2-1 victory over the Cubs. Four singles after two were out in the sixth scored the Redlegs runs off loser Paul Minner. Art Fowler gave six hits for the triumph.

Home runs by Bill Bruton and Chuck Tanner gave Milwaukee a 5-3 victory over St. Louis in the only night game. Warren Spahn notched his second victory in four nights and the 40th of his career over the Cards. Larry Jackson was charged with his 11th defeat.

Two hours and 47 minutes after the Sox took over first place they succumbed to the Athletics in the nightcap, 5-3, and slipped back into second place.

Tonight the White Sox open an important four-game series with the fifth place Detroit Tigers.

Manager Martin Marion has chosen Billy Pierce (9-8) as the opener Steve Gromek (11-7). The Sox have beaten Detroit 9 of 16 games, but only 3 at Comiskey Park.

Marion got good news yesterday when Dick Donovan, after pitching batting practice for the second time since his appendectomy, told Marion he's ready to take the mound.

"This really is good news," said Marion with a grin. "Keegan (Bob) comes back to us tomorrow. He'll pitch tomorrow against Detroit. We're all hoping Dick and Bob will pitch like they have in the past."

Counting yesterday's two games with the Athletics, the White Sox 7-day schedule called for 10 games. Asked if the heavy program worried him, Marion replied:

"Four of those games come in two days against Baltimore. They'll have to dig up four pitchers, too, won't they?"

Of the remaining 39 Sox games, only 14 are against first division rivals. Four each remain with New York and Boston and six with Cleveland. Fourteen of the 20 games left on the Chicago home schedule are against second division opponents.

A major league baseball tryout game, conducted by the Kansas City Athletics at Winsor Field has ended after a successful three-day run.

Upwards of 160 boys, ages 16-23, came from far and near to find out if their diamond abilities were "big league" in potential. If the pattern runs true to form, nearly all are doomed to disappointment.

Wednesday's session was the most unproductive of the three days, because many hopefuls were cut from the squad while numerous others failed to return. Candidates numbered 110 Monday with the figure swelling to 135 the following day. But only 25 prospects were present Wednesday, a few for the 1st time.

More Records Fall During Skish Tourney

ST. LOUIS (AP)—Competition in five skish events begins today, the third day of the annual National Fly Casting Tournament, with Jon Tarantino of San Francisco putting his championship of the past two years on the line.

Tarantino also is defending champion in the regular casting contests. He set one of three new records yesterday but has failed to gain a first place since his opening day victory in the trout fly distance event.

Richard Ward of Washington set the other two marks with a single long cast of 386 feet and an average of 368 feet in the 1/2-ounce event. Ward took first place in that event.

Tarantino's record was for a long cast in the 1/2-ounce event, 453 feet, but his other two casts were far short, giving him a 416 1/2 foot average and third place. Bill Lovely of St. Louis won the event with a 427 2-3 average.

Pontiac Team Wins 1st District Test

Stadium Inn passed its 1st round test Thursday night in the Class A district softball tournament at Highland Park with a 10-3 victory over Roseville. Stadium meets Highland Park tonight at 9 o'clock.

Pontiac team clinched last night's triumph with five runs in the 1st inning on four hits, including a home run by Glenn Wilson. Stadium garnered 15 hits in all off Roseville's Witten. Ed Miller hurled 5-hit ball for the winners.

Gil Hodges of the Dodgers was the only one of eight pinch hitters who got a hit during the 1955 All-Star game at Milwaukee. He smacked a single.

Barkeley Drives in 3 With Home Run to Pace Opening Barrage

General Motors advanced to the championship finals in the Class A City Baseball League playoffs with an easy 8-3 victory over Don Nicholie Real Estate Thursday night at Winsor Field.

GMC, once-beaten in the post-season, double-elimination tournament, faces the Anderson Jets at Winsor tonight in a "do or die" effort. A GMC win will prolong the results until Monday. Game time tonight is 5:30 p.m.

Coaches, rebounding after Wednesday's setback at the hands of the Jets, assaulted starter Dick Lewis with a four-run, four-hit barrage in the 1st inning to assure the Realty club's elimination from the tourney.

Bob Fell and Les Stone opened the meaty inning with singles. Fell romped home on Terry Thomas' double, but Stone was thrown out at 3rd. Wes Roberts walked and chased Thomas across the plate as Al Barkeley slammed a home run.

Coaches tallied twice in the 3rd stanza, sending Lewis to the showers and bringing Albie Roman on the scene. Roman departed after five frames in favor of Dick Womack, who was promptly tagged for a pair of runs in the 6th. The Coaches collected a dozen hits all told, Thomas leading the way with three. Fell, Stone, Barkeley, and Ernie Zubalik notched two apiece.

Dick Goldworthy worked the distance for the Coach Club and limited Don Nicholie to three safeties, all singles. The GMC right-hander struck out six batters while walking four. One enemy run was unearned.

FLORENCE, S.C. (AP)—Two teenagers far from home, Carole Jo Kabler of Roseburg, Ore., and Joanne Gunderson of Seattle, Wash., met here today in an 18-hole match for the U.S. Golf Assn. Girls' Junior championship.

Each registered a 2 and 1 victory in yesterday's semifinals. Carole Jo, whose awkward-appearing swing belies the strength of her game, eliminated Betsy Cullen of Tulsa, Okla., and Joanne prevailed over Anne Quast of Everett, Wash.

Henry Moreno is the only jockey to beat Native Dancer in a race. He was on Dark Star when that colt defeated Native Dancer in the Kentucky Derby.

Corn, Soybeans Spiral Upward

CHICAGO (U)—A strong buying movement based on hot, dry weather in the Midwest sent corn and soybean prices spiraling upward on the Board of Trade today. Other cereals followed the two leaders, although not making as large gains.

Buying orders were present in large numbers in soybeans and corn at the opening gong. In active dealings corn jumped for gains extending to more than two cents and soybeans for gains extending to more than three cents. Best gains were not held but both cereals continued strong.

Wheat near the end of the first hour was 1/4 to 1/2 higher, September \$1.92 1/4; corn 1 1/2 to 2 cents higher, September \$1.26 1/4; oats 1/4 to 1/2 higher, September \$1.07 1/4; soybeans 1 1/2 to 2 1/4 higher, September \$2.22 1/4, and hard 3 to 10 cents a hundred pounds higher, September \$10.97.
