

Seamen Threaten to Tie Up 2 Coasts

President, Aides Evaluate Mock A-Bomb Attack

Ike, Security Council Meet in Secret Retreat to Discuss Test Raid

EMERGENCY PRESS HEADQUARTERS. Operation Alert (P)—President Eisenhower sped from his hideaway White House today to the emergency headquarters of the Defense Department for a meeting with the National Security Council in the wake of yesterday's massive—but imaginary—atomic attack.

On tap for the practice session was an up-to-the-hour briefing on the mock devastation in 61 major population and industrial centers.

Presumably the problem was to weigh the theoretical devastation and loss of life as a guide to the action the President would order if the vast disaster exercise were a reality.

Ahead of the meeting Eisenhower announced one such action. He issued a mock declaration of martial law to mobilize "the authority and resources of the federal government" to help get a badly disrupted nation back in top fighting gear.

A spokesman said it was Eisenhower's view that a martial law declaration was necessary to the national interest until Congress—supposedly but not actually, sent word—could reconvene and normal channels of government be reestablished.

The Security Council, headed by the President, is the top administrative policy agency in matters relating to the nation's safety and defense. Its members include the vice president, the secretary of defense and the secretary of the treasury among others. Additional officials sit in on its meetings as their tasks are affected.

Ready for that group were reports showing that the "attack" heralded by yesterday's screaming sirens left—on paper—5,636,000 dead and 5,002,000 injured. These figures were incomplete with a number of cities not yet in with their estimates.

Total population of the 61 cities is 33,942,237. Most of them had advance warning before the sirens sounded about noon yesterday. Defense officials estimated that a real attack with no warning under yesterday's conditions would have killed or wounded 37 1/2 per cent of the 34 million.

The bombers in the air over the United States were not all imaginary. The Strategic Air Command disclosed that Stratofort B-47s and B-29 Superfortresses, successfully "radio bombed" Wichita, Kan., Birmingham, Ala., and Memphis, Tenn.

Though some of the conflicts and confusions which marred yesterday's official reporting of the exercise had been cleared up, many uncertainties remained.

Eisenhower declared a mock "national civil defense emergency" while still en route by limousine from the White House to the rustic command center of Operation Alert.

But how did the mobilizers deal with priorities, rationing and wage-price control unless he also signed—at least hypothetically—a proclamation of full national emergency and a state of war?

Ike Working Today at Secret Hideout

SECRET SITE — An unidentified government worker stands post the tents at the secret center today in the simulated atomic attack on the Capitol near a sign which denotes the area as "classified." President Eisenhower and his key aides were following relocation of government operations yesterday in similar tents at the site.

Commencement Tonight at PHS

President of Albion College Will Deliver Key Address

John Thors, PHS High School principal, has put his name to the 29th senior diploma for the June class of 1953.

These seniors will be presented tonight by Dr. Dana P. Whitener, superintendent of schools at the annual Commencement ceremony held in the Pontiac High School auditorium.

Scheduled to deliver the key address is Dr. W. W. Whithouse, president of Albion College, whose topic will be "Youth Faces Tomorrow."

Glenn H. Johnston, president of the board of education, will preside and David L. Tarr, president of the senior class, will deliver the valedictory address at 8 p.m. The program will start at 8 p.m. with the "Grand March" by H. Holmes, "Concert Tango" by J. Belmonte, "Quick Step March" and the "Gallima" "University Grand March."

'Local Issues Unsettled' Says Pontiac Union

Pontiac Motor Division Local 643 (UAW-CIO) today dispatched a letter to UAW President Walter P. Reuther saying "local issues there have not been settled."

Unless the local issues are solved "our delegates to the National General Motors Conference will vote against ratification of the national agreement and we will request strike authorization," said Local President Charles S. Curry.

"We have and still are requesting pending further negotiations, postponing further negotiations. It was stated in many meetings that this was one set of negotiations that were not going to be concluded until all local issues were satisfactorily settled, even if it meant taking them all to Detroit and laying them on the bargaining table," Curry asserted.

and all other Catholics who had a hand in it.

The two prelates, Msgr. Manuel Tato, auxiliary bishop of Buenos Aires, and his assistant, Msgr. Pablo Novoa, were put on the Rome-bound plane yesterday after being held overnight by police. They had been taken into custody Tuesday night, a few hours after the government accused them of inciting riots and ordered them

\$100,000 Damage Fire Hits Bloomfield Hills Home of Detroit Executive

Fire of undetermined origin this morning raged through the Bloomfield Hills home of Detroit department store president Otto Kern as more than 20 firemen from three communities battled to control the blaze.

The fire, which started on the roof of the 20-room wooden colonial-style home, was finally brought under control at 10:45 a.m. Bloomfield Township Fire Chief Ralph Hemmery said he believed damage to the house and furnishings would exceed \$100,000. An official estimate of damage was not immediately available.

A cook, Clara Brown, turned in the first alert when she heard what she described as a "scrapping" sound on the roof above the north wing of the converted farmhouse, located on a 120-acre estate on East Long Lake road.

When the noise continued she went outside, she said, and saw a patch of flames on the roof.

The family, including a young son, was asleep on the second floor when the fire broke out, Mr. Kern said.

Firemen said much of the furniture and valuables had been removed before they arrived by a crew of carpenters who were working nearby.

Kern, who lives in the home only on weekends, is president of the Ernest Kern Co., a Detroit department store.

Firemen from Bloomfield Hills, Bloomfield Township and Troy Township were called to the scene.

Sunny Skies, Warm Temperatures Ahead

Heading into a good weather weekend, the U. S. Weather Bureau foresees sunny skies Friday and warm temperatures, with Saturday still warm but cloudy.

It'll be a little cooler, though, for tonight, says the weathermen, with the low at 46-50 degrees. Tomorrow's high will range from 52 to 56.

Wednesday's high in downtown Pontiac was 51 degrees. The mercury, at a low of 37 degrees before 8 a.m. today, rose to 51 on the thermometer by 1 p.m.

dismissed from their church posts. Both are Argentine citizens.

Santiago Luis Cardinal Copello, primate of Argentina, left his sickbed to resume active church leadership. As auxiliary bishop, Msgr. Tato had been performing many of the cardinal's duties during his illness, aftermath of a fall nine months ago down an elevator shaft.

Accompanied by Antonio Cardinal Caggiano, who arrived here from his archdiocese in Rosario, Cardinal Copello called on Foreign Minister Jeronimo Riquelme last night to ask official word of the two expelled churchmen. The cardinals talked to Riquelme for about five minutes but there was no announcement of what they were told.

Lower Age For Women

Dems Pave Way for Move to Broaden Social Security

WASHINGTON (P)—Broad and costly revisions of the social security program were given a legislative go-ahead today by Democratic House leaders.

Plans agreed on at a meeting attended by Speaker Rayburn of Texas, Democratic Leader McCormack of Massachusetts and Democratic members of the Ways and Means Committee call for action at this session on a bill to benefit principally women and all disabled employees.

The Ways and Means Committee, which like the House is under Democratic control, may start consideration of the proposals next week.

Changes backed by the Democrats, and likely to have substantial Republican support, would:

1. Lower the pension eligibility age for women from 65 to 62 years, affecting immediately a million women and costing an estimated 350 to 400 million dollars a year.

2. Provide for immediate benefit payments to insured workers permanently and totally disabled, regardless of age. This would cost up to \$1,400,000,000 a year and affect from 1,200,000 to 1,700,000 persons. At present such workers don't get benefit payments until they reach 65.

3. Continue benefit payments for children past the age of 18 who are physically or mentally incapacitated. The cost of this would be relatively small, sponsors said.

Although no agreement was reached, the legislation also may extend coverage, on a voluntary basis, to some professional and self-employed groups not now covered.

The proposed changes would require eventual adjustment of the present schedule of payments into the social security fund by employees and employers. Each now pays 2 per cent on the first \$4,200 of the worker's yearly earnings.

Republican committee members complained that they were not consulted over the Democrats' plans, but there were no threats of united opposition to the changes.

American Motors Talks Adjourned Until Tuesday

DETROIT (P)—Bargaining talks between American Motors Corp. and the CIO United Auto Workers were adjourned today until next Tuesday with both sides apparently trying for a compromise on the union's demand for a wage contract.

Leonard Woodcock, UAW vice president, said the union would consider "all pertinent economic factors" in working out a new contract to cover American Motors' 22,000 workers.

The company, which makes Nash and Hudson cars and household appliances, contends it is not in a position to grant the same benefits the union obtained from Ford and General Motors. Ford and GM settled with the union for a supplementary unemployment pay plan.

The House Appropriations Committee voted instead to use the money to start the TVA's own proposed plant at Fulton.

Plane Carrying 14 Down

BUENOS AIRES (P)—A Pan Am Brazil Constellation bound to Buenos Aires from Rome with 14 passengers crashed on the outskirts of Asuncion today.

CROCKETT CAP CRAZE — The Davy Crockett cap craze has reached new heights atop the head of actress Ann Miller. Seven-year-old Ronny Anton accuses her of being a copy cat. "Not cat — sable," says Ann, Ronny's cousin, headgear cost \$1.38. Ann's sable one was a mere \$1.20.

Operation Alert Suddenly Was Operation Snafu

ASBURY PARK, N.J. (P)—For days radio station WJLK urged listeners to tune in during Operation Alert for latest information. Yesterday, when the alert finally came, a short circuit had put the station temporarily off the air. It didn't get back on until the test was over.

SACRAMENTO, Calif. (P)—At the height of yesterday's civil defense test, the 11th Naval District alerted centers that an atom bomb had just "devasted" Long Beach. "It wasn't in our scenario and we had enough other bombs to worry about," an official confessed later. "So we just ignored it."

Farmington Boy Drowns in Pond

Horried Sister, Brother, Three Other Youngsters Watch Victim Sink

Eleven-year-old Carl Riddell, of Farmington Township, drowned after he dove fully-clothed into a small pond yesterday afternoon.

The body was recovered in about seven feet of water by Oakland County Deputy Sheriff William Adair at about 2 p.m., 40 minutes after the victim sank from sight before the horrified eyes of his sister, brother and three other young companions.

His brother, Douglas, 13, said Carl dove from the bank of the 80x50-foot pool, swam across and started back when he shouted for help and sank.

The victim, son of Mr. and Mrs. Herbert Riddell of 33661 Harlow Rd., was wearing a pair of heavy high-top boots, according to his companions.

Adair said the body was recovered only about 15 or 20 feet from shore.

Douglas and Carl Lewis, 12, ran nearly a half-mile to summon aid while the victim's sister, Virginia, and two other boys, Gary McCulloch, 9, and Stephen Morris, 12, attempted to reach the boy with a long pole.

The boy was pronounced dead at the scene by Deputy Oakland County Coroner Dr. Lee Halsted after revival efforts by Novi Township firemen failed.

Wife of MSC Teacher Hurt in Train Wreck

FORT MORGAN, Colo. (P)—The list of persons treated for injuries in the Union Pacific train derailment yesterday included Mrs. Clyde M. Campbell of East Lansing, who suffered a broken back.

Mrs. Campbell is the wife of Prof. Campbell, who is connected with the administrative and educational services at Michigan State College.

Davy Daze Goes Swanky

Maritime Union Recommends Work Stoppage

Atlantic and Gulf Ports May Be Shut Down in Contract Dispute

NEW YORK (P)—A "no contract, no work" stoppage called by union seamen along the Atlantic and Gulf Coasts today threatened to tie up half of the American merchant fleet.

The CIO National Maritime Union wired its "no contract, no work" recommendations to union locals in 18 ports after negotiations for a new contract were broken off.

Reaction came first from Philadelphia, where an NMU spokesman said the union was withdrawing its members from all ships in the Pennsylvania, Delaware and New Jersey docks.

The union reported some 2,000 men stayed on 30 ships tied up in New York harbor but were not working. Work stopped on 13 ships in Baltimore, and one tanker was tied up in New Orleans.

Boston had only one tanker in port, and the union said it will not sail.

The stoppage affected passenger ships, including transatlantic liners—dry cargo vessels and tankers.

The first large passenger ship likely to be affected is the American Export Lines Independence, due to sail for the Mediterranean Saturday. The largest to be affected, if the stoppage continues, is the U.S. Lines United States, due to arrive from Europe Tuesday.

NO TALKS SLATED
Disagreement over union demands on an unemployment insurance fund led to the work stoppage recommendations.

Contract negotiations between the four unions and two employer groups had been going on for weeks, and federal mediators stepped in last night. No further talks were scheduled.

When NMU negotiations with the two employer groups broke down, a spokesman for the AFL International Organization of Masters, Mates and Pilots said the effect would be that "no ships will sail."

The other unions involved are the CIO Marine Engineers Beneficial Assn. and the CIO American Radio Assn.

Elusive Water Leak Puzzles City Workmen

An elusive water leak is what's causing all the digging at Saginaw and Lawrence Sts.

James P. Clancy, Water Dept. service supervisor said crews have been searching out a slow leak which has caused water to seep into the basement of the Pontiac State Bank Building.

The department knows the water is collecting in a Michigan Bell Telephone Co. conduit at the intersection, but that is about all, Clancy said.

The leak only uses about as much water as a drinking fountain, he said, making it hard to detect. If it were a larger flow it would be easier to locate, he explained.

Today, workmen are tunneling through to the Bell conduit in hopes of tracking down the mystery trickle.

"We've been working on it for three weeks, on and off, Clancy said. "Well find it—it takes us all summer," he added hopefully.

Bob Hope Tumbles

SAN ANTONIO, Tex. (P)—Comedian Bob Hope narrowly escaped serious injury yesterday when he fell through a glass table on the Menger Hotel patio while putting on an act.

GM Workers Return

DETROIT (INS)—The back-to-work movement at General Motors is picking up steam. At last work, the number of plants still shut by strikes had dropped to 13 and the number of workers killed to just over 40 thousand.

Peron Sends 2 Bishops Out by Plane

BUENOS AIRES (AP)—Military planes bombed the Government House in Buenos Aires today.

VATICAN CITY (P)—The Roman Catholic Church's Consistorial Congregation announced today that all persons connected with the expulsion of Msgr. Manuel Tato from Argentina have been excommunicated.

BUENOS AIRES, Argentina (P)—A special Argentine airliner flew toward Rome today with two Roman Catholic prelates expelled by President Juan Peron's government.

Pontiac Deaths

Harrison R. Carpenter

Service for Harrison R. Carpenter, 51, of 6330 Westphalia Rd., will be held Friday at 2 p.m. in the Sparks-Griffin Chapel. The Rev. Barney Roespeke will officiate with burial following in White Chapel Memorial Cemetery.

John H. Hood

John H. Hood, 87, of 56 Hillside Dr., died yesterday after a two months illness.

He was born Sept. 15, 1867, in Orleans, the son of John Hood and married in Iowa Aug. 8, 1887 to Frances Metro.

Mr. Hood, a stone mason, had lived in Pontiac 60 years and was a member of the Salvation Army.

Surviving are three daughters, Mrs. Lucy Turner of Flint, Mrs. Percy Albino and Mrs. James Pate, both of Pontiac, 27 grandchildren, 18 great-grandchildren and two great-great-grandchildren.

Service will be held Saturday at 1:30 p.m. in the Hutton Funeral Home with Captain Gladys Vio of the Salvation Army officiating. Burial will be in Oak Hill Cemetery.

Mrs. John A. Hermanson

Mrs. John A. (Edna L.) Hermanson, 51, of 3013 Edgewater Dr., died early this morning at St. Joseph Mercy Hospital. She had been ill more than a year.

Born Sept. 30, 1903 in Augres, she was the daughter of Joseph and Grace DeLosh Brabo.

A member of St. Benedict's Catholic Church, she had lived in Pontiac 29 years coming here from Augres.

Mrs. Hermanson was a member of the Altar & Rosary Society, St. Ann's Guild and the League of Catholic Women.

Besides her husband, she is survived by her mother, Mrs. Peter Proulx of Augres, a daughter, M. S. J. (Muriel) Salvador of Pontiac and three grandchildren.

Also surviving are six brothers and sisters, Mrs. Hannah Jordan of Mt. Morris, Mrs. Harriet Babba of Standish, Mrs. Catherine Rutkowski of Augres, Mrs. Ann Crake, Garry McLean and Joseph McLean, all of Pontiac.

Mrs. Hermanson is at the Donelson-Johns Funeral Home where the Rosary will be said Sunday at 8 p.m.

The funeral will be held Monday at 10 a.m. from St. Benedict's Catholic Church, with burial in Mount Hope Cemetery.

Fred U. Nierstheimer

Fred U. Nierstheimer, 56, of 375 E. Madison St., died yesterday afternoon at his home after several months illness.

Born June 26, 1898 in Corning, Ark., he was married here to the former Ethel Ogden Dec. 7, 1935.

Mr. Nierstheimer came to Pontiac 29 years ago from Arkansas. He had been an inspector at Pontiac Motor Div., and a member of Eagles Lodge No. 1230.

Besides his wife, he is survived by four daughters, Mrs. Louis Fowler of Inkster, Mrs. Richard Burns of Chicago, Ill., Mrs. Kenneth Ball of Oxford and Mrs. Leland Hagner of Pontiac, two sons, James of Colorado, James P. McWest of Pontiac, 13 grandchildren and one great grandchild.

One brother, John N. Little Rock, Ark. and two sisters, Mrs. James Cupp of Baragould, Ark. and Mrs. Robert Tanges of Houston, Tex., also survive.

Service will be Saturday at 2 p.m. in the Sparks-Griffin Chapel with the Rev. Paul E. Havens of First Methodist Church officiating. Burial will be in Perry Mt. Park Cemetery.

Mrs. Charles Pearson

Mrs. Charles (Alice) Pearson, 89, of 304 Auburn Ave., died Wednesday afternoon in the Curtis Rest Home, following eight months of illness.

Born in London, England on Dec. 21, 1865, she was the daughter of Walter and Anna Whitehead. She attended London schools and was married to the now late Charles Pearson there in 1886. Mrs. Pearson had lived in Pontiac since 1911.

Surviving are two daughters, Mrs. Violet Jackson and Mrs. Lillian Penman, both of Pontiac, seven grandchildren and six great grandchildren, and a brother, Ed.

The Day in Birmingham

City Faces Tax Increase Following OK of Budget

BIRMINGHAM—A 20-cent tax hike per \$1,000 of assessed valuation for the 1955-56 fiscal year faced property owners today, following adoption by the City Commission of a \$1,415,808 budget.

The budget is \$79,953 higher than the current 1954-55 budget. The fiscal year runs from July 1 to June 30.

City Manager Donald Egbert in his tentative budget for 1955-56 maintained the present property tax levy of \$19.50. However, the City Commission decided it was not flexible enough to allow for operational emergencies, and approved a \$10,500 boost and the \$19.70 levy per \$1,000 of assessed valuation to cover it.

Departmental appropriations under the newly-adopted budget total \$327,905. Of the total, the Police Department will receive \$200,000, the Fire Department \$161,600, the Department of Public Works \$245,000 and the Forestry and Parks Department \$67,000.

Among other appropriations are \$105,000 for the capital improvement fund, \$99,161 in payments on debt interest and principal, \$67,000 for the library, \$65,612 for insurance for city employees, \$40,000 for street resurfacing, and \$14,500 for the recreation board.

The source of incoming revenue to balance expenditures includes \$1,047,500 for tax revenue and \$368,308 for non-tax revenue.

A breakdown of non-tax revenue in the new budget shows \$28,000 will come from shared taxes such as state sales, liquor and gas; \$18,500 from building permits; \$16,028 from available surplus; \$65,550 from such things as traffic tickets, garbage and rubbish collection; \$11,730 from property rental; \$9,200 from licenses; \$7,700 from fines and tax penalties; and \$1,500 from miscellaneous sources.

Traffic accidents in Birmingham during May totaled 35, 36 more than the total for the comparable period last year. Property damage last month, according to Police Chief Ralph Moxley, totaled \$11,801 or \$6,521 more than in May, 1954.

Moxley, in his monthly accident summary, said last month's accident toll brought to 222 the

married in Hartsburg, Ohio in 1932 to Ora Pierce.

Mr. Williams had been with his son four months, coming here from Norwalk, Ohio. He was a retired school teacher and had taught many years in northwestern Ohio.

Surviving are four children, Guy C. Williams of Toledo, Max Ivan Williams of Dayton, Ohio, Mrs. Ivan Williams of Mesa, Ariz. and Roger F. of Pontiac.

A sister, Mrs. Nellie Oberlin, of Dealer, Ohio, a brother, William, of Dexter, 10 grandchildren and 23 great-grandchildren also survive.

Mr. Williams will be at the Voorhees-Siple Funeral Home until 9 p.m. Thursday at which time he will be taken to the Birkenkamp Funeral Home, Triby, Ohio, for service. Burial will be in the Toledo Memorial Cemetery.

32 Students From U.S. Returned to Red China

HONG KONG (U-P)—Thirty-two Chinese from the United States were taken under police escort today to the Red Chinese border.

The group, mostly students, were among the 76 detained in the United States since the Korean War broke out. Technical knowledge they had gained in studying in America might be of assistance to the Chinese Communists. The State Department lifted the restrictions April 2.

Two violations, "following too closely" and "violation of right-of-way," has been responsible for 109 accidents or almost 50 per cent of all accidents reported, he said.

The Birmingham Council of the Knights of Columbus will hold a Ladies' Night for wives and sweethearts tonight at the Pontiac Council.

The Newcomers Club was scheduled to hold its annual election at 12:30 today at the Community House. It will be the final meeting of the season for the group.

Harrison F. Thurston, 72, of 531 Colonial Ct., will be held at 11 a.m. Saturday from the Bell Chapel of the William E. Hamilton Co. with burial in Woodlawn Cemetery, Detroit.

An investment broker with the Walling, Lorchon Co., he died yesterday at his home, after a short illness. A graduate of Denison University, he came to Birmingham in 1935 from Detroit.

Surviving is his widow, Muriel.

City Playground Program Opens Here Next Week

The Parks and Recreation Dept. a 1955 summer playground program will get under way Monday, Leonard T. Buzz, recreation supervisor, announced today.

For boys and girls 7 through 16, the program will be held at 19 fields.

"Staffing the playgrounds will be individuals trained in the fields of education and recreation," Buzz said.

The program will offer arts and crafts, too trips, dramatics, softball, golf, other games and special events.

Raymond White, playground supervisor, Jean James music supervisor, Hazel Holmes dramatics supervisor and Virginia Fowler, art and crafts supervisor.

Playgrounds in the program are: Bailey, Bagley, Baldwin Central, Crofoot, Emerson, LeBaron, Lincoln Junior High School, Longfellow, Malkin, MacCarroll, McConnell, High School, Webster, Weaver, Washington Junior High School and Lakeside Homes.

Adenauer Asks Armament Cuts

Says U.S. Should Prod
Russians for Agreement
on Weapons Controls

CAMBRIDGE, Mass. (AP)—Chancellor Konrad Adenauer of West Germany asked the United States today to prod Russia again for an agreement on controlled arms reduction.

"The fate of this world and of peace rests in the hands of the two great world powers, the United States and the Soviet Union," the 79-year-old German leader said in a speech prepared for Harvard University commencement exercises.

"Unless these two great powers agree on an important step in the direction of controlled disarmament," he said, "the present state of conflicts short of a major war will continue."

President Eisenhower is scheduled to meet at Geneva July 18 with the Premiers of Russia, Britain and France. Adenauer has just concluded talks in Washington with Eisenhower, Secretary of State Dulles and others.

Adenauer said: "I would be especially gratified if the United States would take the initiative in this matter and discuss this question with Soviet Russia. The United States is the strongest nation on earth. Soviet Russia fears her and her only and this fear certainly influences Soviet policy to a considerable degree."

By taking the initiative in this, the United States would carry forward the policy announced by President Eisenhower in his address in April 1953; that is, controlled disarmament and the use of some of the means thus saved for the benefit of underdeveloped nations.

Adenauer emphasized that continued progress on the subject "have up to now achieved no real success."

In the past, the United States and its allies have insisted that any disarmament plan must be accompanied by an effective system for inspection. The Soviets long shied away from such inspection. However, last month the Soviet Union proposed a new plan providing for a control organ with some inspection rights. Western reaction was that this proposal represented a concession by Russia but that it still left much area for disagreement.

Not Even Similar

WEST HARTFORD, Conn. (AP)—Three-year-old Janina Brown disagreed when her mother told her they both also had the same first name. "Oh, no," the child said, "your name is Mommy."

MASKS FOR WAR DOGS—The U.S. Army's highly trained war dogs are so important in combat that they have their own gas masks to be worn in case of enemy attack. Here a scout dog and his handler participate in mock gas attack during maneuvers in Germany.

3 Men Launch Leukemia Fund

Project Triggered by
Death of Teenage Boy
Four Years Ago

ROCHESTER, N. Y. (UP)—An all-out fight against fatal leukemia and other mysteries of the blood—triggered by the death of a teenage boy—is gaining force here under the leadership of three public-spirited men.

While the research and training program is aimed directly at finding the cause and cure of blood cancer, it is expected also to throw some light on the government's probe of the effects of atomic radiation.

The three spearheading the attack—Hyman J. Mandell, Harold S. Rand and J. Mallory Loos—are currently incorporating the country's first National Leukemia Foundation. Funds raised by the foundation will be granted to medical centers for unrestricted research of blood abnormalities.

The impetus for this fight traces back four years to the leukemia death of Mandell's nephew, David S. Smalldine.

Mandell went to Dr. Lawrence E. Young, associate professor of medicine and director of the University of Rochester's blood re-

search. Mandell asked why David died. Leukemia, the doctor explained, is a malignant disease of the white blood cells which causes widespread disturbance in the blood and blood-forming tissues of the body.

At present, the disease causes more than 12,000 deaths in the United States each year and its incidence is increasing about 10 per cent annually. It is the leading cause of death in children between 2 and 5 years of age.

Mandell, an energetic and bustling pharmacist, recruited Rand and Loos to help him organize a local drive for research funds. Then he urged his international pharmaceutical fraternity, Rho Phi Phi, to adopt the leukemia fight as its public service project.

The drive raised \$27,000 in a one-night canvass and was sufficiently encouraging for the trio to aim at an annual nationwide campaign. With the help of Rho Phi Phi's 8,000 members in 40 U. S. and Canadian cities the men plan similar canvasses across the continent.

Dr. Young believes the program, with its wide scope, will shed light on investigations of other diseases as well as leukemia. He noted, also, that answers discovered through the program will be shared with government scientists working on radiation.

They Should Know

CELINA, O. (UP)—The name of a local law firm is Short and Dull.

Strike Eases in Singapore

Government Trucks Take
Children to School; No
General Walkout Seen

SINGAPORE (AP)—The strike situation eased in this great Far Eastern port today as 2,000 taxicabs returned to the streets and the government marshaled trucks to take children to school.

A government spokesman described the situation as "much better" in the British crown colony, adding that "nowhere near a general strike has materialized." Thousands of trishawmen—operators of bicycle pedicabs—joined with taxi drivers in defying strikers' threats which for the past two days had kept them off the streets. The city's 6,000 busline employees have been out since Sunday.

Organized labor opposition to the strike was developing. The powerful Trade Union Federation of 25,000 workers and the Singapore Trade Union Congress, embracing 30 organizations, condemned the continuing walkouts as "completely unwarranted."

Chiefs of other unions, many of them Communist-dominated, had called the "general" strike for Monday to demand the release of six labor leaders jailed by the government Sunday under emergency regulations.

The strike leaders had predicted 70,000 of the colony's 150,000-man labor force would answer their call but the number has remained at about 17,000.

Girl and Her Mother Are Both Sophomores

BIRD CITY, Kan. (AP)—Mrs. Ernest Bressler and her 15-year-old daughter are both sophomores in high school. Mrs. Bressler's mother's death left her with the job of keeping house for her father and brother, cutting short her girlhood school days.

Now she's a student again—as well as a member of the Board of the Kansas Parent-Teacher Assn. Her three children and her husband—who owns a couple of farms and two implement firms—are enthusiastic boosters in her return to school.

Offers Law to Fine Parking Spot Usurpers

RALEIGH, N. C. (AP)—Sen. John Shuford introduced a bill in the General Assembly which would impose a \$10 fine of motorists who park in private parking lots clearly marked with the name of the person to whom the space is leased. The senator was moved because he frequently found his space taken in the Capitol lot.

New Painless Method Collects More Fines

BURLINGTON, Wis. (UP)—The city of Burlington has found an almost painless method of collecting fines for overtime parking.

Small metal boxes are attached to the parking meters, and motorists who have been tagged for parking violations can put the required amount of money in an envelope attached to the ticket and drop it in the box.

Police Chief Roy McCourt said the number of fines paid has increased under the new system since it is so much easier to do now. Under the old system, the violator had the option of going to the police station to pay the fine or mailing it in.

Mob Stones Paper

GUAYAQUIL, Ecuador (AP)—Dispatches from Quito reported members of a nationalistic political group stoned the building of the independent newspaper El Comercio, which has been critical of President Jose Maria Velasco Ibarra. Police reportedly broke up the demonstration after the mob smashed a number of windows.

Three of Quads Die First Day; Last One 'Fair'

NEW HAVEN, Conn. (AP)—Quadruplets were born to a New Haven woman here yesterday. Two of them died early today.

At St. Raphael's Hospital, Mrs. Kenneth Barnes, 39, was reported to be resting comfortably. The remaining infant is described as being in "fair condition."

The four, all boys, were two months premature. They weighed

about two pounds each. The two weaker ones were placed in an air lock apparatus designed to aid breathing. These two died, seven hours after birth.

Kenneth G. Barnes, 32, the father, is an aircraft worker. Told of the deaths, he commented: "It was God's will."

The Barnes have another child, Dominic, 2.

Helen Keller Honored

BERLIN (AP)—West Berlin's Free University has awarded Helen Keller an honorary doctorate of medicine.

SAGINAW AT WARREN, PONTIAC OPEN MON. FRI. SAT. NIGHTS TO 9

World Has Changed Since U.N. First Met

By BRUCE W. MUNN
United Press Staff Correspondent
The United Nations is 10 years old next week.
Vladimir Molotov and the San Francisco Opera House are not much changed since the historic charter signing ceremony there on June 26, 1945.
But little else is the same.

The decade has seen a bewildering shift in the world's alliances and enmities. It has seen a multitude of changes of governments. It has witnessed the retirement, defeat, death and dishonor of men who played the opera house stage at the U.N.'s birth.

Molotov, now as then Russia's foreign minister, will be the only chief representative of the 1945 "Big Five"—United States, Russia, Britain, France and China—returning to San Francisco for next week's anniversary session.

President Eisenhower, who addressed the opening session Monday, had returned from Europe exactly 10 years ago Sunday to a tumultuous hero's welcome from 4,000,000 in the streets of New York. President Truman, who spoke to the new U. N. organization 10 years ago, is writing his memoirs in Independence, Mo.

HIS ROLE RECALLED
Alger Hiss, the bright young man who served as secretary-general of the conference, has served a prison term for lying about turning government secrets over to the Reds. He is living quietly today in a small Manhattan apartment.

There was a hint at those first meetings 10 years ago of the struggles, disappointments and frustrations to come.

The poker-faced Molotov rose at the very first business session to object to U.S. Secretary of State Edward R. Stettinius Jr. serving as conference president throughout.

Molotov demanded—he did not ask—that Russia, Britain and China alternate with the United States. Foreign Secretary Anthony Eden, now Britain's prime minister, took a conciliatory role and Molotov's demand was accepted. It was a minor token of massive battles to come.

MEMBERSHIP DISPUTES
There was argument then, too, about admitting Argentina and whether the Communist or London-exile government of Poland was entitled to a U.N. seat. That, too, foreshadowed the membership disputes still raging.

Stettinius, who headed the American delegation, is dead. His chief adviser, Sen. Arthur Vandenberg, is dead now, too. Others of his assistants were Harold Stassen, Sen. Tom Connally and John Foster Dulles, who leads the American delegation next Monday.

The French mission was led by Foreign Minister Georges Bidault, no longer in the government, and the Chinese by T. V. Soong who now lives quietly in New York.

The 1945 session lasted 63 days, from April 25 until June 26 when 50 member nations signed the U.N. Charter. It was a dull and dry session for the most part. The New York Times remarked on the lack of excitement or demonstration even at the opening meeting.

VETO POWER
But during those two months the delegates hammered out the document that stands as the United Nations "constitution." The most controversial issue of the whole conference was a veto power for the big five nations in matters involving peace and security.

Many of the little nations fought hard against the veto but they lost. Now there are many who wonder if they were not right all along.

In these 10 years the United Nations has assessed its members a total of \$368,776,798 for operation of the headquarters in New York and offices in Geneva. Special agencies have cost additional sums.

The United States has paid more than one-third of the total but, even then the cost to the American taxpayer has amounted to less than nine cents per year for each man, woman and child.

Of course, it would be undiplomatic to mention the name of the

distinguished American senator who, upon meeting the director general of UNESCO (the United Nations Educational, Scientific and Cultural organization), exclaimed: "little country! It deserves more." "Ah, yes, UNESCO. A gallant aid."

Piggy Was Wiggly

MT. PLEASANT (UP)—A pig in a poke caused Charles P. Donnelly, 27, of Saginaw, a lot of trouble when it escaped from the bag in his car while he was driving along highway U.S. 27. As Donnelly reached down to

grab the poker, his car went out of control, jumped a curb, slammed into a sign post and crashed into a parked car in a used car lot, causing damage estimated at \$500.

The U. S. corn crop tops three billion bushels a year.

TV Receiver Sales Jump Half Million

WASHINGTON (UP)—More than 7,000,000 new television receivers went into American homes in 1954, the Radio-Electronics-Television Manufacturers Association reported.
The 7,161,362 total represented an increase of nearly half a million over the 6,704,193 sets shipped in 1953.
New York led other states with 653,852 new receivers; California was second with 517,935.
The states with the lowest number of new TV sets were sparsely populated Wyoming with 8,088 and Nevada with 8,595.
In the territories, Hawaii added 10,243 while Alaska received 1,166.
In most so-called underdeveloped countries about 40 per cent of the population is under 15 years old.

GM BUILDS HIGH SPEED TRAIN — General Motors, building a new style, low-slung Diesel-powered train at the request of a committee of railroad presidents, releases the artist's sketch, above. Railroads are searching for a way to reduce American railroad deficit estimated

at \$700,000,000 per year. The train will carry 400 passengers at sustained speeds of 100 miles per hour in its 10 coaches. Power will be by 12 cylinder GM Diesel engine.

United Press Photo

Need No Interpreters for Pakistan Sailors

SAN DIEGO, Calif. (U.P.) — The Pacific Fleet Training Command scurried around for interpreters when told the Pakistan Minesweeper Muhafiz was coming for training in American Navy ways.

When the ship arrived, its skipper, Lt. Cmdr. Mak Lodi said: "We look forward to visiting this community. We've heard a lot about it."

He and all the crew speak English. He said it was a Pakistan navy requirement.

Russian Women Offer \$2,000 for Husbands

VIENNA, Austria (U.P.) — Russian women are offering up to \$2,000 in Austrian money to Austrians willing to marry them, the Vienna newspaper Weltpress reported today.

The women, now serving with Soviet occupation troops in Austria want to remain here when the Soviet troops will be withdrawn under the recently concluded Austrian state treaty, the newspaper said.

Police Believe Judge, Wife Victims of Kidnap-Murder

WEST PALM BEACH, Fla. (U.P.) — Authorities leaned toward a kidnap-murder theory today in the mysterious disappearance of Circuit Judge C. E. Chillingworth, prominent Florida jurist, and his wife.

"I hope this is only a kidnaping," said Sheriff John F. Kirk. "We are still at a loss as to what happened and as to what motive they might have had."

The tall, thin, 58-year-old jurist and his wife Marjorie, 57, were last seen by friends in Palm Beach Tuesday night and were reported missing from their ocean-side summer home at nearby Manalapan yesterday morning.

Slender clues baffled state, county and city police investigators. Judge Chillingworth, a native of West Palm Beach, had been county judge for two years and circuit judge for 32.

State Atty. Phil O'Connell discounted a theory that a prisoner

stains on a beach walk and a smashed spotlight outside the concrete and frame beach house, indicating violence.

"We are working on the theory that they were attacked and carried away either by boat or by car," said John R. Hatt, Palm Beach County investigator.

There were footprints in the wet sand, what appeared to be blood-

Chicken for Father's Day Good Bet on Lower Prices

By THE ASSOCIATED PRESS

Fix up a chicken dinner for Dad on Father's Day. Or tempt his palate with a roast of beef. That's the advice food specialists are offering this week to budget-minded housewives. Chickens for broiling or frying (on the kitchen stove or the backyard barbecue) are probably the best buy you'll find in most U. S. food stores this weekend.

Turkeys are being offered at reduced prices in some cities, and one big food chain is featuring roast ducklings in its Midwest stores. And there's a nationwide promotion this week in behalf of Cape Cod cranberry sauce, at marked-down prices.

Beef specials include rib roast and top and bottom round, Sirloin steaks, however, are higher in price in most major cities.

Pork prices are still climbing—in some cities as much as 10 cents a pound. Prices of pork on the hoof are the highest since last September, and market analysts say they won't come down before July. Supplies—almost always on the short side in May and June—are tighter than usual this year. Much of the pork that would normally be available this month was sent to market during the fall and winter.

GREENS ABUNDANT

Garden-fresh vegetables are in abundant supply in most areas of the country. Outstanding buys include cabbage, and the ingredients of a crisp, hot-weather salad: lettuce, beets, cucumbers, radishes and green onions. Also plentiful and attractively priced are stringless beans, peppers, peas and corn.

With Maine and Idaho potatoes out of season, there are

plenty of top-quality spuds available from other areas. You can buy "long whites" and "round reds" grown in California, round whites from Virginia and North Carolina, and seabagoes from South Carolina.

Citrus fruits are still in season and moderately priced, with lemons, oranges and grapefruit offering the best values. Cantaloupes and red plums from the Southwest are arriving in big city markets in increasing volume; prices are moderate and should get still lower in the weeks immediately ahead. Strawberries are about as low as they'll get this year, however.

SEAFOOD GOOD

There are plenty of good buys in seafood. Halibut steaks, frozen fillets of cod, haddock or ocean perch, frozen shrimp.

Canned tuna gets the nod this week on the U. S. Agriculture Department's list of outstanding food bargains. "The attention of thrift-minded homemakers is now directed to the exceptionally heavy supplies of canned tuna fish," says the department. "The large pack of domestic tuna last year, together with imported tuna, totaled some 13 million cases, about 3 million cases above the normal supply."

Don't limit tuna to salads and sandwich spreads, the department advises, but serve it hot as a main dish. One suggestion: tuna and cheese biscuit.

Visit Right Spot

HEBRON, Conn. (U.P.) — Firemen who went to the home of First Selectman Winthrop S. Porter to discuss an addition to the fire house had to postpone the conference. Porter's chimney was on fire.

\$8,111 in Old Scrip Unclaimed in Bank

ROCHESTER, N. Y. (U.P.) — August Kineman, manager of Rochester's clearing house, has \$8,111 which he wishes someone would take off his hands.

The money is left over from the "bank holiday" declared in 1933 by the late President Roosevelt. Rochester banks issued \$2,000,000

in scrip, good only in the city. Most of the scrip was redeemed at the end of the holiday, but apparently a few people forgot. Or, said Kineman, they may be keeping some of it as souvenirs. At any rate, Kineman would appreciate it if those holding the scrip would come along and collect. He said he can't balance his books the way things are now.

The Hindu flood story resembles that of the Christians and the Hindu Noah is named Manu.

Meet Kefauver as Probe Starts

LOS ANGELES (U-P)—The movies' big bosses, most of them blunt-talking men, tangle with the Kefauver Juvenile Delinquency subcommittee today on charges that a score of recent movies stressed too much sex and violence.

Sen. Kefauver (D-Tenn.) and his counsel James H. Bobo said the Senate probe will be "critical" of the following movies:

"Blackboard Jungle," "The French Line," "Women's Prison," "Crashout," "Black Tuesday," "Rebel Without a Cause," (unreleased), "Ten Wanted Men," "The Prodigal," "Big House, U.S.A.," "New Orleans Uncensored," "I Died a Thousand Times," "Chicago Syndicate" and "Son of Sinbad."

Bobo said the moviemen also will be questioned about the recent relaxing of the motion picture production code.

"We want to know why these pictures were approved," he said, adding, "We also want box office figures. We want to know if the movies make sex and violence pictures because they make more money than others."

Some of the pictures will be quizzed on their advertising campaigns, especially "The Prodigal,"

GIFTS

for Father

MAKE HIM THE SMARTEST, COOLEST MAN IN TOWN!

FATHER'S DAY IS SUNDAY JUNE 19TH

The smartest gifts money can buy come from OSMUN'S... a name that assures you of quality and style... at a price you can afford. And the coolest gift you can give Dad will be one of these from OSMUN'S featherweight furnishings. Very light, very smart, very colorful... they'll make his summer a more pleasant one.

BOW TIES

Cool looking Palm Beach fabrics. A choice of styles that he can tie himself, or pre-tied models. \$1.50.

NYLON SHORTS

Favorite boxer style with elastic tops. So cool and comfortable to wear. Need no ironing! \$2.50 up.

SLACKS

Tropical weights with Dacron added. The perfect slacks for a perfect summer. Deep pleats, roomy pockets, continuous waistband. Every color, every size \$8.50. (3 pairs for \$24.)

SPORT SHIRTS

Sheer colorful plaids in smart looking short sleeve styles. No need to look any farther, you're sure to find just what you want in our big collection. \$3.95 up.

Thin-Weight SUMMER PAJAMAS

A wonderful selection of short sleeve styles in regulars or knee length slacks. Give several pairs. \$3.95 to \$5.00.

McGregor SWIM SETS

Includes shirt and trunks to match. Many patterns and colors to choose from, in all sizes. \$8.95 to \$13.95.

Arrow Open Weave DRESS SHIRTS

Choice of long or short sleeves. Sanforized, of course. What Father wouldn't appreciate a gift like this! \$3.95 to \$5.00.

McGregor SLACK SETS

Linen weave slacks with belt to match the breeze-cool plaid short sleeve shirt. Many color combinations. A perfect gift for a "perfect Dad." \$16.95.

TIES

Huge selection of Palm Beach fabrics, Shantung, or washable Nylons. \$1.50 up.

WALKING SHORTS

Keep Dad cool all summer long in a pair of these comfortable, dressy shorts. So comfortable to wear! And, what a perfect gift. \$5 to \$10.95.

Bermuda Knee-Length SOX

Plain Stretch Nylons.....\$2.50
Argyle Patterns.....\$1.95

HANDKERCHIEFS

Hand rolled hems, with HIS INITIAL. A gift he can use. Box of 3 for \$2.95.

Supernatural STRAWS

... by Ecuadorian. The hat to keep him the coolest, to go best with his summer suits. Priced from \$5.00 to \$15.00.

How to Handle Your Money: 8 on Investing Inheritance Widows Offered Advice

Following is the final installment of a ten-part interview with Benjamin Graham, security analyst and Columbia University professor, who answers questions to the how's, why's and when's of investing your money.

Q—By definition, isn't the growth company one you think of as putting a large part of its profits back into growth instead of paying it out in dividends?

A—That should be the idea of a growth company—

Q—Unless you think of a uranium company—

A—Well, that's another type of thing. But basically a growth company is one which (a) will be expanding its business and its profits at more than the average rate, and (b) will in the course thereof be investing a large part of its profits back in the business.

Q—When you get into the growth stocks, you get into a situation where a man needs a good deal of knowledge?

A—I think so. But even then it's hard to tell how good your knowledge is, because growth stocks lead to the future, and you don't

really ever have any knowledge of the future. You may have a more expert guess than the other man, but it's still a guess. And many mistakes have been made in buying growth stocks on the theory that the future will duplicate the past.

Q—In trying to buy something for long-term growth, you ordinarily have to recognize, one, that you are taking a chance and, two, you perhaps have to sacrifice income along the way in order to achieve a long-term growth. Isn't that ordinarily the case?

A—Yes. The chance is basically related to the point that you pay a higher price for a security in terms of its past and current earnings and dividends than you would for non-growth securities, and there is always a possibility of disappointment. The company would have to be better than the average company to justify the price you pay for it. Maybe it won't be but you think it will.

SACRIFICE INCOME. You start with a sacrifice of income generally and you are apt to find it continuing for some years. But that is not particularly important to people if they are right in their estimate of the company's future expansion. The fact that the income is small is not a real sacrifice if you don't need the income to spend.

Q—What about a widow who gets her husband's insurance, say, \$50,000? How should she invest it? Or should she leave it all in the insurance company, drawing monthly payments?

A—Well, the widow would like, if possible, to earn enough income to pay her living expenses. Naturally there is a great aversion against using up capital. Yet, for most widows of whom we are talking, those particularly within the \$50,000-to-\$100,000 capital range, that's almost an insoluble problem.

Q—You mean with those sums there isn't enough income to leave the capital alone?

A—Not if she were dependent upon the income from that money—unless she were living in rather unusual conditions, a very small town, and so forth, where her wants were extremely limited. But the average widow wants to live somewhat in the style to which she was accustomed when her husband was accumulating \$100,000 in one way or another, including insurance, and she would find it very difficult to make it do. And that, as you probably know, is one of the most difficult problems that investment counsel have to deal with nowadays.

Q—How is it usually resolved—by a compromise?

A—Yes, it's usually resolved by a compromise. There's been a tendency through recent years to be bolder and bolder in advice to widows, suggesting that they consider getting up pretty high in the percentage of investments in common stocks on the twin grounds, first, that they do need the income badly and, secondly, that it's not unsound or risky for them to put their money in well-selected or representative common stocks. And that advice was really good advice at a time when one could say with conviction that the price level of common stocks was an attractive one.

Q—That's for the widow with \$50,000. Now, for the widow drawing a smaller amount, \$10,000 or \$15,000, you would not suggest that she put any part of it into common stocks?

A—I think not. I'm afraid that, when you take into account the psychological factors in that kind of thing, which can create real problems, and compare that with the monetary advantages of a small common-stock investment, the psychological dangers far outweigh the monetary advantages.

(Reprinted from U.S. News & World Report, an independent weekly. Washington, Copyright 1953 United News Publishing Corp.)

Moonshiners' Still Found in 37 Years

LONDON, Ky. (UP)—Sheriff Harve Steele has found that moonshine still which vanished 37 years ago. When Steele spotted the still during his first term in office in 1918, he left it unmolested in hopes of catching the moonshiners. But when he returned to the wooded area the next day, the still had vanished.

The 84-year-old sheriff was sitting in his office recently when deputies brought in a still. It was the same elaborate one Steele had remembered all these years. The moonshiners still weren't around.

Some of the U.S. capital is painted every four years.

Tavern Wall Displays 2 Opposing Politicians

DENVER (UP)—Frank Gould, City Council candidate, is a man who won't take no for an answer. He took a campaign poster to a tavern and asked proprietor Lionel Zinn for permission to tack it up. Zinn said no, he didn't want to take sides.

Gould returned the next day with his poster and one for his opponent, Sonny Mapelli.

The posters were tacked on the tavern wall.

Big Buddies All

GRAND RAPIDS (UP)—Mrs. Marshall B. Kindy said today a dog and gasoline she has in her home are such good friends they eat from the same dish and drink out of the same bowl.

Hotel Coffee Shop Displays Paintings

MILWAUKEE (UP)—Crullers and canvases are available to patrons of the Pfister Hotel's coffee shop.

The hotel formally opened its "Transient Art Gallery" with 14 paintings by three local artists. New paintings will be displayed every six to eight weeks.

The Pfister, known for its valuable collection of 19th century originals, will display Wisconsin artists' works which have been selected by Wisconsin Painters and Sculptors, Inc. The paintings are for sale, but all transactions must be made directly with the artists.

Pupil Calls Hemingway; 'Papa's' Advice Gets 'A'

CHARLOTTE, N.C. (UP)—When Barbara Blake, 17, a high school student, needed help on a theme about Ernest Hemingway she telephoned his home near Havana, Cuba.

After a long conversation "Papa" advised Barbara to "judge your theme hard, cut out the junk." She did and came out with a top grade.

Marine Corps League

LUDINGTON (UP)—The annual state convention of the Marine Corps League opens here Friday. Several hundred Marine Corps veterans and members of the League's auxiliary are expected to attend the three-day convention.

Salty U.N. Delegates Put On a Good Show

Editor's note: The United Nations, being made up of humans, has often added up to a good show from the spectator's standpoint. This article in connection with the U.N.'s 10th anniversary observance 'accuses' personalities whose antics have helped pack the spectator galleries.

By FRANCIS W. CARPENTIER
UNITED NATIONS, N. Y., June 15 (AP)—Henry Cabot Lodge Jr. and Andrei Y. Vishinsky always drew the crowds for their battles in U.N. sessions but the old Russian died during a spell of unaccustomed peace with his foe.

Some of Vishinsky's ill-wishers wondered if peace were too much for him.

Whether he was liked or disliked, the Soviet delegate, who wept when Joseph Stalin died, was the star with the longest run in the U. N. Lodge, who was appointed after President Eisenhower's election in 1952, shook

hands with Vishinsky only when protocol required it. Sometimes Lodge went out of his way to avoid having to shake hands. But the day came when Lodge wanted a unanimous vote endorsing President Eisenhower's atoms-for-peace plan. So he called on Vishinsky to explain the resolution.

It so happened that Vishinsky was at that time pursuing the Georgi Malenkov policy of peaceful coexistence, so he listened

Whether Sniff or Kiss, It Still Costs \$25

NORFOLK, Va. (AP)—Said the trial judge: "This is not the first time that a girl has been kissed in a car. But at least park it first."

"I wasn't kissing the girl, said Preston Watson. "I was just leaning over to sniff some rare perfume she was wearing."

"H'mm," said the judge. "Twenty-five dollars fine and keep your eye on the road."

Lodge and Vishinsky agreed on the resolution. Vishinsky's last official call before he died last November was to Lodge's office for a final discussion on the proposal. He collapsed at his desk and died before the U. N. voted unanimously.

After he died, his temporary successor, Jacob A. Malik, told the U. N. that a Soviet doctor performed an autopsy. Malik said the doctor found Vishinsky had the brain of a 30-year-old man and the heart of a 70-year-old.

Vishinsky was not always the agreeable diplomat. He often provoked people to losing fury. In 1947 he opened Moscow's "war-monger" campaign against John Foster Dulles and other Americans. Sudden boos broke out in the Assembly press gallery as Vishinsky spoke. Reporters looked around and saw they came from U. S. Rep. Emanuel Celler (D-N.Y.). Celler was giving Vishinsky a real American razzberry—but "Vish" kept going.

Another time, Vishinsky described an official report of the U. N. Balkans Commission as a "pile of garbage." Again, he said Western proposals on disarmament were so funny they kept him awake with laughter all night.

Vishinsky loaded with Trieste. He until he drove him from the office of secretary general. But in his successor, Dag Hammarskjöld, Vishinsky found a man of a different character. Hammarskjöld knew what he wanted when Vishinsky came to talk about getting a high U. N. job for a Russian. Hammarskjöld, "unyielding," gave Vishinsky back, diplomatically, as good as the Russian sent and had his way. This he won Vishinsky's respect and kept it until Vishinsky died.

Politics is politics in the United States or in Russia. Once Soviet Delegate Andrei A. Gromyko was enjoying a scotch and soda—the international drink in the U. N. in mid-1947—when a photographer aimed his camera. Mrs. Gromyko quickly reached over and took the glass out of camera range. Gromyko slipped his hand into his coat à la Napoleon. After the picture was taken, Mrs. Gromyko returned the drink. Much it costs votes in Moscow to be seen drinking.

The U. N. has had its tragedies. There was the assassination of Count Bernadotte of Sweden, the U. N. mediator in Palestine. This was the useless slaughter of a man dedicated to peace. U. N. chiefs and observers have died in field service.

Staunch Chick Drowns After Surviving Fire

BLOOMFIELD, Ky. (AP)—Mr. and Mrs. Charles Brewer's brooder house caught fire and it appeared that all their 100 chickens perished.

But when the blaze was extinguished and the door opened, wobbled to a wafer trough, fell in out walked one surviving chick. It wobbled to a water trough, fell in and drowned.

Seeking Slayer of 2 Teenagers

Police Hunt for Killer
Who Used 14 Bullets
on Pair of Girls

WASHINGTON (AP) — Police searched today for a .22-caliber weapon and the killer who sprayed 14 shots from it into two teenage girls heading for school on the term's last day.

Yesterday's double slaying in a suburban rustic park was first reported as a stabbing, but Dr. John T. Maloney, Prince Georges, Md., county coroner, said an autopsy showed the 14 bullet holes and no stab wounds. He said neither of the girls was sexually attacked.

Victims of the daylight shooting were Nancy Marie Shomette, 16, daughter of Mr. and Mrs. P. E. Shomette, and Michael Ann Ryan, 14, daughter of Mr. and Mrs. Thomas W. Ryan. Both families live at Lane Manor, Md., a housing development near College Park, Md., and only about three blocks from the park where the bodies were found.

Ryan is a Washington policeman, and other members of the metropolitan police force volunteered to help county officers in searching the park for clues. Formal aid from the department also was offered. County Police Chief George Panagoulis canceled all detectives' leaves to speed the search.

Crude attempts had been made to cover both bodies with branches, Panagoulis said.

STANDARDS HEAD — Dr. Carl L. Larson, director of the Rocky Mountain laboratory of the National Institute of Health.

will head its new Division of Biologics Standards. Problems the new division will deal with include those of virus vaccines.

The 97 per cent of North Carolina farms which now have electricity compares with 3 per cent in 1935.

Mother Kangaroo Keeps First Baby Born in Baltimore

BALTIMORE (AP) — A 10-inch baby kangaroo named Josie may not be able to get back in her own marsupial mother's pouch but she's getting plenty of tender loving care from the human race instead.

Josie was the first kangaroo ever born in the Baltimore Zoo. Her mother, apparently disgusted because Josie has a limp, expelled her from her home. Josie can't get back of her own accord.

Arthur Watson, zoo director, has put her in the care of Mrs. Louella Earl, who feeds her with an eye dropper.

And Dr. Robert P. Wagers, a veterinarian, has discovered the reason for the limp—a tendon has slipped out of place on one hind leg. He thinks surgery can be slipped back in place with the application of a cast.

A-Books Go to Argentina

BUENOS AIRES (AP) — Argentina has received from the United States a library on peaceful use of atomic energy. The two countries signed an agreement last week to exchange information on the subject.

Curtice, Colbert Support Michigan 'Highways for Survival' Proposals

DETROIT (UP) — Michigan is among the 26 states which now rank vacation travel as one of their three major industries.

That explains the growing participation by Michigan industrialists in the national "Highways For Survival Committee" which was organized to press Congress for legislation improving main highways across the country.

Among the Michigan representatives on the committee are L. L. Colbert, president of Chrysler Corp., and General Motors President Harlow Curtice.

On the subject of better highways, Curtice and Colbert are in almost complete agreement with a man with whom they often don't see eye-to-eye — CIO President Walter P. Reuther.

Reuther, who also heads the CIO United Auto Workers union, was quoted as saying that "the problem of the present and growing congestion on our highways is of

great concern to the union I represent." He said Congress "ought to assume its rightful share of the responsibility and provide the necessary leadership to insure coordinated and adequate road building program."

NEED BETTER ROADS

The highways for survival committee has spent many weeks compiling facts and figures on why the country needs better highways to link cities with cities and cities with vacation areas.

The committee said that this year eight out of every 10 vacationing Americans will travel by car. It said Americans spend nearly \$22 billion a year for domestic travel alone, counting only those trips which involve overnight stops. Of these, it said, 85 per cent are by car.

James Bossemeyer of the Association of Travel Organizations said the tourist has become "one of the great distributors of wealth" in the United States.

"He needs all types of roads and highways to get to the countless objectives which attract him," Bossemeyer said. "But, most of all, he needs a modern interstate highway network to make it possible to get to all parts of the country without undue delay."

The committee said better roads don't stop with the tourist. It said a better highway system would be a boon to both farming and industry and provide civil defense with the tools it needs for better advance planning.

Arthur O. Dietz, president of the C.I.T. Financial Corp., and chairman of the National Highway Committee, said the United States now has but one mile of modern highway for every 1,500 miles of roads.

"Bad roads are costing us an estimated \$3 billion a year in excessive expenditures for gasoline, brakes and tires, in accidents and in time lost on hopelessly jammed roads," Dietz said. "We are paying more in lives and money for bad roads than good roads would cost us."

Dog, Says Car Thief

ST. LOUIS (UP) — The thief who stole the auto of John Michalski, United Press telegrapher, was thoughtful if not appreciative. When Michalski's car was found abandoned, this note was in the glove compartment: "Thanks, Man, is this a dog? By the way, you need oil."

Pontiac Sales Sweep to an All-Time High!

... as motor-wise America learns the facts about Pontiac's great superiorities!

Success as sensational as Pontiac's record-breaking sales doesn't just happen—not in a car-wise country like ours.

There has to be a reason, and it's about what you'd expect: Pontiac places in your hands more of everything you seek than any car of its cost. And Pontiac adds great advantages not supplied elsewhere at any price.

Look at a Pontiac and here's what you see: Beauty that sets Pontiac apart from anything else on the road. Distinctive, eye-compelling smartness not shared by any other car. All-new advanced design—that puts the fashion of the future in your driveway right now.

Enter a Pontiac and here's what you find: The same mode-of-tomorrow distinction expressed in colorful luxury fabrics—plus solid comfort of an all-new kind. A king-size body on the longest wheelbase in its field . . . Panoramic front and rear vision . . . a shock-proof chassis with wide-stance rear springs . . . these are a few of the Pontiac

superiorities that make you and your passengers the most contented people on the road.

And the greatest superiority is still to be enjoyed! The sheer thrill-packed pleasure of piloting this years-ahead car. Settled in Pontiac's spacious driver's seat, you're master of America's most modern automotive power plant—the sensational new Strato-Streak V-8. That means a kind of "get-up-and-go" that others are still reaching for—an experience as completely new as the Strato-Streak itself—whether you choose the 180-h.p. standard engine or, at slight extra cost, give yourself the thrill of 200 blazing horsepower. Either way, you get the most power per dollar in Pontiac's field.

Come in and drive a Pontiac, match its superior beauty, comfort and power against its modest price. Then let your own good judgment tell you why Pontiacs are selling at the fastest rate in history . . . why everything points to Pontiac as the ideal buy for you.

WE'VE SET OUR SIGHTS ON THE BIGGEST YEAR IN HISTORY! COME IN AND TALK TRADING NOW!

The Pontiac Federation of Women's Clubs held a card party Wednesday at Roosevelt Temple. Although most of the tickets had been purchased before the affair, there were still a few available at the door. Helen Oldynski (right) of Prall street was photographed as she purchased her ticket. With her (left to right) are Mrs. C. W. Mossey of Mark avenue, Mrs. Russell H. French of Euclid avenue and Mrs. Matt Shelton of Charlotte street.

This foursome must have had good hands judging from the smiles caught by the photographer. The women gathered at Roosevelt Temple for a card party sponsored by the Pontiac Federation of Women's Clubs. Making up the foursome are (left to right) Mrs. C. J. McLaughlin of Mohawk road, Mrs. Howard Owen of Totem lane, Mrs. Allan Peters of Illinois road and Mrs. R. L. Bronck of Pioneer avenue.

Another foursome getting together at the card party. C. M. Pelican of South Anderson street, Mrs. E. J. Ziem sponsored by the Pontiac Federation of Women's Clubs of Oakland avenue and Mrs. Joseph Panter of Pingree included Mrs. C. G. Holliman of Elizabeth Lake road, Mrs. avenue.

6th Graders Hold Graduation Event

Looking to the future Mrs. John Windate, Eastern Junior High School girls' counselor, gave sixth graders at Longfellow School an idea of what to expect when they begin classes at Eastern in the fall.

The occasion was a final program presented for mothers and fathers by graduating sixth graders. A social hour followed in the gymnasium.

Omega Mu Sigma Meets

A meeting of Omega Mu Sigma sorority was held at the Birmingham home of Mrs. Mulo McLintock with Mrs. Austin D. Esler as cohostess.

Plans were made at the recent gathering for the annual picnic to be held June 28 at Pontiac Yacht Club.

Officers elected were Mrs. Elwyn E. Tripp, president; Mrs. Alfred Summers, vice president; Lola Strom, recording secretary; and Mrs. Donald Nelson, corresponding secretary.

Sorority Chapter Entertains Fathers

Members of Epsilon Rho Chapter of Beta Sigma Phi sorority entertained their fathers Tuesday evening at a dinner held in Old Mill Tavern.

Betty Lippard was chairman of the affair as well as toastmistress. Joyce Almann assisted with the toastmistress duties. A short program was enjoyed by the 26 members and fathers present.

A floral centerpiece was used on the table and boutonnières were presented to each father.

Girl Scout Executive Leaves Post

The resignation of Executive Director Mrs. Anders Huxvold was received at a board of directors meeting of the Northern Oakland County Girl Scout Council on Tuesday.

Mrs. Huxvold will return to her duties in Holly where she and her husband have adopted a family of three daughters.

Girl Scout Executive Leaves Post

The resignation of Executive Director Mrs. Anders Huxvold was received at a board of directors meeting of the Northern Oakland County Girl Scout Council on Tuesday.

Mrs. Huxvold will return to her duties in Holly where she and her husband have adopted a family of three daughters.

Budget for Camp Sherman was presented by Mrs. Richard Balmer, camp chairman. Registrations are open for two-week periods for all girls from 7 to 17 years of age. The camp season opens July 26.

Carol Ann Bingham, field director, presented proposed plans

There are five pages in Today's Women's Section

for a Troop Camp Jubilee at the camp in the fall. All senior troops in the council will attend.

ROUNDUP PLANS

This is in preparation for the National Senior Roundup to be held in Highland Recreation Area in the summer of 1946. Northern Oakland County Girl Scout Council will be hostess to some 100 Girl Scouts from all over the nation.

Mrs. Jay Bendell, day camp chairman, reports a full camp and the close of registration for Girl Scout day camps. Four camps will be in operation this year at West Woods, in the Pontiac Lake Recreation Area, in Rochester, Lake Orion and Proud Lake Recreation Area.

Niblick Club Plans Event for Husbands

Members of the Niblick Club gathered at Morey's Golf Club Tuesday morning to play golf preceding their luncheon. Plans were made at the gathering for a husband's day to be held June 26.

Members and their guests, Mrs. Clifton Tibbals and Mrs. David Warrillow, played cards during the afternoon.

They will motor to Los Angeles, Las Vegas, Grand Canyon, the Painted Desert, Colorado Springs, the Petrified Forest and to Denver on their return trip to Michigan.

Louis is graduating this evening from Pontiac High School and will enter Michigan State College this fall.

Visiting today and Friday at the W. S. Dawe home on James K boulevard is W. J. Hoffman of Fredericksburg, Va., formerly of Pontiac.

Touring northern Michigan and Canada are Mr. and Mrs. Ray Linabury of Carter street and Mr. and Mrs. William Scarborough of Watkins Lake road.

They will return home by way of the Western states.

Mr. and Mrs. Ralph Canterbury and family, formerly of Pontiac, have returned to their home in Riverside, Calif., after spending two weeks as the houseguests of his sister, Mrs. Lucile Fitzpatrick of Elizabeth Lake road.

Capt. and Mrs. Carl J. Copeman and son, David Michael, arrived recently from Dover Air Force Base at Dover, Del., for a visit with her parents, Mr. and Mrs. Eugene Seipel of Crestwood street, and his mother, Mrs. George Jilbert of North Anderson street.

Camp Fire Girls Focus on Saturday

Saturday evening will be a happy one for the Blue Birds and Camp Fire Girls of Pontiac, when they gather together with their families to participate in their annual citywide Council Fire on Tuesday.

The event is also momentous as it is the first citywide Council Fire to be held on their camp property. The Council Fire, held every June to recognize the girls for their achievements of the year, will be attended by the girls, their families, and friends.

The program will open with a procession of the girls to the shore of Gulick Lake where the Council Fire will be held. The fire-lighting ceremony will follow, with Carol Gorkie lighting the Blue Bird Fire. The fires of Work, Health and Love will be lit by Carol Powell, Sheila Fillippen and Martha Fauble, respectively.

The following awards will be presented by members of the board of directors of the Pontiac Council of Camp Fire Girls.

Mrs. William Hilderley will present three-year membership pins to Joyce Best, Jennifer Clark, Martha Gaches, Deanne Lucas, Andrew Lichenbach, Lana Lichenbach, Susan Mobey, Viola Morris, Carol Tasmus, Sylvia Rife, Martha Schreiber and Janice Winters.

Charlotte Morris is eligible for a five-year membership pin. Mrs. Ben Mosher will present the 25-hour service star to Jennifer Clark, Susan Mobey and Martha Schreiber in recognition of their community service rendered during the year.

The National Birthday Project honor has been earned by the members of the Tawanka Group of Crofton School and the Nettapex Camp Fire Group of Willis School. The awards will be made by Mrs. George Carpenter.

SEALS TO BE GIVEN

The three-year Leadership Renewal Seals will be presented by Miss Phyllis Schneider, field director, to Mrs. William Hilderley, Mrs. Charles Schreiber and Mrs. David Warrillow for starting their third year as group leaders.

Mrs. William Wright will award

Needlework Guild beads to 25 Camp Fire Girls for their participation in the Needlework Guild Ingathering.

The Trailseekers rank certificates will be presented by William McLean to 44 girls for completing the nine requirements necessary to pass the rank.

The Woodgatherers rank certificates have been earned by 19 girls. The awards will be made by Mrs. William Wright.

Susan Looney, a member of the Horizon Club of Washington Junior High, will award the Blue Bird graduation certificates to 74 girls.

William McLean, president of the Pontiac Council of Camp Fire Girls, will end the program with a short talk. This will be followed by the singing of the Camp Fire Prayer. Cookies and punch will then be served.

A quick main-dish casserole can be made with canned spaghetti, tuna and ripe olives combined in a greased casserole. Season with onion salt and pepper and top with grated cheese. Bake for 20 to 25 minutes in a moderate oven.

There will be dancing on the terrace and there will be a strolling musician. Tickets may be purchased at the door.

Postponed from last Sunday, the affair is sponsored by the Royal Oak Republican Women's Club. Proceeds will be used for a town hall series of Republican speakers.

An open house celebrating their 50th wedding anniversary will be held Sunday from 4 until 8 p.m. by Mr. and Mrs. John L. Gibson who reside on West Walton boulevard. The couple was married June 21, 1905. They have three sons, J. Frederick of Osceola drive, William of Singleton, Ore., and Clyde of Greenville, S. C. Mrs. Daniel Woodfill of Highland and Mrs. H. Wayne Reaves of Scott Lake road are their daughters.

Personal News of Interest in the Area

He is taking courses in audio-visual education.

Also enrolled in the Western College summer school is Earle K. Knowles of Waldo avenue. He is taking courses in Christian education.

Thomas P. Duross, who will graduate this evening from University of Detroit, has been engaged in many activities during his college years.

He is the son of Mr. and Mrs. Dennis P. Duross of Marquette street.

Thomas has been corresponding secretary and treasurer of Delta Pi Kappa, professional journalism fraternity. Among his many positions at the university having to do with journalism was the honor of being editor of the Varsity News, university newspaper.

Several area students have received degrees from Cornell University this month.

John H. Manley, son of Mr. and Mrs. H. E. Manley of Shore drive, received a bachelor's degree in metallurgical engineering. Charles H. Potter, son of Elbert L. Potter of Alden drive, received a B.S. degree in industrial and labor relations.

Complete Plans for Daisy Sale

Women of Blue Star Mothers, Chapter Four, have completed plans for their annual Blue Daisy Day sale to be held from noon Friday through Saturday. Proceeds will be given to veterans in the hospital and their families.

Pontiac's delegates to the recent

department convention in Jackson were Mrs. Wilbur FitzThomas, president; Mrs. Alma Cowley and Mrs. Edna Leininger, past president, who was appointed department page.

Also attending the convention banquet were Mrs. George Kayga and Mrs. Edd Schram.

Mothers served at the Flag Day dinner held Wednesday evening in Elks Temple

CLOONAN'S

"Where Quality Counts"
72 North Saginaw Street

Lena May "Lee" Sewell (second from left) couldn't hide her joy at being the recipient of the \$200 scholarship awarded by Delta Kappa Gamma, international honorary teachers' society. Ora Hallenbeck, chairman of the scholarship committee, is shown making the presentation to Lee.

Another member of the scholarship committee, Mrs. Ralph Forman, is at the left. At right is Vera Mae Adams, local society president. The scholarship is given a senior pursuing a teaching career in college, who meets specified qualifications.

Girl's Good Grades Bring Award

By JEANNE LUTKE
Being in the upper tenth of the Pontiac High School graduating class, which numbers 760, wasn't easy—but in Lena May Sewell's case, it paid off.

"Lee," whose scholastic average lies halfway between an "A" and a "B" according to figures com-

puted to March, captured a \$200 scholarship—one which has been awarded for the past nine years by the local Delta Kappa Gamma, international honorary teachers' society.

The society annually seeks out a senior who plans a teaching career and will arrange his or her college courses accordingly. Qualifications for what the group terms "selective teacher recruitment" bring further challenge to applicants.

Potential ability, personality, interest in people and teaching, character, and definite plans to teach—these are a few of the standards set up.

Lee lived up to all of these to top a total of 11 applicants—any one of whom, according to Ora Hallenbeck of Auburn avenue, chairman of the scholarship committee, would have made us proud to say, "This is our student."

MEANS HARD WORK

Measuring up to the prerequisites also means hard work, something Lee managed to do along with sandwiching two part-time jobs into her extra-curricular activities for the past two years.

In addition to working in a Birmingham restaurant and Pontiac High School's attendance office, Lee found time to be a reporter on the "Tomahawk," PHS school paper.

Despite handicaps like her father's death eight years ago, Lee and her mother, Mrs. Lucille Murphy, have teamed together to help Lee "attend school and have the things I need."

Lee, who lives with her family

she has a younger brother at 112 Seneca street has always listed reading, studying and children among her top interests, "which teaching combines," she says.

It wasn't until last year that she decided she wanted to teach, Lee said, and then she started concentrating on history, which is what she'd like to teach eventually. This

Spencers Hold Reunion Dinner to Greet Couple

A reunion dinner was held at the Franklin road home of Mr. and Mrs. Irwin Spencer to welcome Sgt. and Mrs. Jerome Guilds to Pontiac.

Mrs. Guilds is the former Louise Walz, Sgt. Guilds has been in Germany for the past six months. The recent family get-together was the first in 16 years.

Guests were Mr. and Mrs. Dewey Guilds and daughters, Rose Marie and Sylvia; Ronald Vincent and John Fry of Berkeley; Mr. and Mrs. Winfield Leslie and daughter, Roberta, of Williams Lake, and Mr. and Mrs. Charles Cale and sons, Harry and Stewart, of Watkins Lake.

Others were Mr. and Mrs. Delmar Wall and daughter, Beatrice, and Mrs. Clarissa Harquien and son, George.

Sgt. and Mrs. Guilds left after the visit for Ft. Riley, Kan., where he will be stationed before going on foreign duty.

A flavorful substitute for vinegar in potato salad is the brine left from a jar of sweet pickles.

Marion Evans, Paul C. Burton Exchange Vows

To reside at Ft. Benjamin Harrison in Indiana are Pvt. and Mrs. Paul Crain Burton.

The bride is the former Marion Louise Evans, daughter of Mrs. and Mrs. Carl Strutz of LeGrand avenue. The bridegroom is the son of the Rev. and Mrs. Malcolm Burton of Mary Day avenue.

The Rev. Theodore Allebach performed the 8 o'clock candle-light ceremony Friday evening at the Oakland Avenue United Presbyterian Church. Members of the immediate family and a few friends, witnessed the double-ring rite.

Janet Bird of Royal Oak attended

her cousin as maid of honor and Barbara Evans was her sister's bridesmaid.

Ralph Pasternack of Royal Oak served as best man and Jack Hendrickson was an usher.

The couple left on a short wedding trip following a reception at the home of the bride's parents.

Coming Events

Pontiac Women's Club will meet for a complete week of service at the home of Mrs. J. C. Crain, 112 Seneca street, Friday through Saturday.

James A. Adams, Jr., Secretary of the Pontiac Chapter of the American Legion, will host a luncheon at the Legion, 112 Seneca street, Friday, June 12, at 12:30 p.m.

Early in the morning of June 13, the Pontiac Chapter of the American Legion will host a luncheon at the Legion, 112 Seneca street, at 12:30 p.m.

Pontiac Chapter of the American Legion will host a luncheon at the Legion, 112 Seneca street, at 12:30 p.m.

Likes 2 Boys 12-Year-Old Needs Help

By ELIZABETH WOODWARD

"Dear Miss Woodward: I'm 12 and I like two boys very much. One of them likes another girl so it makes me feel 'left out' as far as he's concerned."

"The other boy acts as though he likes me but doesn't tell me, so it leaves me hanging in air."

"My parents are another problem. At the very mention of boys they start teasing me. I've never told them I like boys, but they suspect it."

"Next fall when I go to junior high I'm really going to have trouble with them."

"I'd counted on having the help of my best girl friend when I

tell them—but she has moved away from here and that leaves me up a tree! Can you help me with any of my problems?"

Answer: Knowing for sure and for certain is a crutch and a prop to a girl's self-confidence. And so is the moral support of a crony. But a girl can't always count on knowing the answers to come of her big questions.

Nor is a helpmate always handy. A girl has to stand on her own two feet, independently and alone. She has to use her head to keep herself from dangling from a long limb.

Take your wandering boy friend.

for instance. Instead of feeling left out because of his interest in some other girl, develop a positive interest in the boy who acts as though he likes you.

Feeling left out is completely negative. makes you sorry for yourself. does you no real good. So why bother with it?

And why not be content with your other boy friend's actions? He doesn't have to say it right out—not if he's showing you that he likes you. His actions can speak louder than any words.

And don't for a minute think your parents aren't perfectly well aware of your interest in boys. Their teasing is a gesture that

they hope will keep you from being serious about boys. They figure it's too soon for that.

WAIT TILL NEXT YEAR

Next year or the year after they'll be more open-minded, and you won't have to make any formal announcements of any kind, with or without help.

Your social life will change, there will be specific invitations to be coped with. It will all happen in due course.

At the moment everything looks uncertain and problematical to you. Looking ahead always does. But there's no good in manufacturing problems for yourself.

Take things as they come. one

at a time. And let next fall's puzzles wait until you catch up with them next fall.

Today and tomorrow are enough for you to handle right now. If you tell yourself that the big questions in your mind have nothing to do with today and tomorrow, you'll find yourself down out of that tree, with your feet firmly on the ground.

Mrs. Russell Kelley Honored at Shower

Mrs. Benjamin Rohrer and Mrs. Richard Rohrer honored Mrs. Russell Kelley Tuesday evening with a pink and blue shower held at the former's Pingree street home.

Guests were Mrs. Clarence Cavalier, Mrs. Fernan Huston, Mrs. Michael Blahut, Mrs. Henry Laetke, Mrs. Lester Wilbur, Mrs. Robert Long and Mrs. Ward Roberts.

Other guests were Mrs. Lawrence Saddler, Mrs. Lloyd LaBarge, Mrs. Melvin Louis Smith, William DeLapp, Sara Hallock, Myrna Webster, Jean Rieck, Sue Tallquist and Nila Tompkins.

You'll find that when attaching plastic screening to a wood frame, heavy staples will do a better and faster job than will tacks.

A reception honoring Mr. and Mrs. Fred D. Carr of Thorpe street will be held Saturday from 2 until 5 p.m. at Central Methodist Church. The couple married 50 years, have two sons, Kenneth H. of Fort Worth, Texas, and Fred-eric M. of Union Lake. There are three grandchildren.

Toastmistresses Gather

Members of the Pontiac Toastmistress Club gathered at Hotel Waldron Tuesday evening for their annual meeting.

Highlights of the business meeting were the reading of annual committee reports and the election of officers.

Officers will be installed at the final meeting of the club year. Toastmistress of the evening was Mrs. Emil Malbahn.

Speeches were given by Mrs. Milton Freet, who spoke on "Women's Paradise," and Mrs. Norman Suterland whose topic was "Criticism Is Not Fault-Finding." Their respective critics were Mrs. Orben Wilkins and Mrs. Joseph Shaw.

GIVES INVOCATION

The invocation was given by Mrs. George McLeod and the table topic was conducted by Mrs. Robert Sutton.

Helen Turek was grammarian of the evening and the evaluation of the entire meeting was given by Mrs. Ivan Wilcox.

Evelyn Cole was tailtwister and Mrs. P. E. Miller was timekeeper. Mrs. Wilkins was awarded an Oscar for the table topic.

Class Entertains at Farewell Tea

The class of 1955 at Crofoot School entertained parents at a farewell tea Tuesday afternoon when service awards were presented by W. W. Abbott, principal.

A welcome from the sixth grade class was made by James Bank and the speaker was Norman Kujala, Washington Junior High School principal. He was introduced by Jeanne Carso. Judy Wolfe gave the class farewell.

Others taking part in the program were Abe McLahmore, Juanita Graham, Velda Sparks, Tony Phillips, Joyce Martin, Emmett Ranson, David Cooper and Ann Tieran.

Teachers were Maude E. Spears, Margaret Parks and Grace Esser. Refreshments were served by the PTA.

Red Cross Role in War Clarified

Organization President Says Defense Planning Part of Job

ATLANTIC CITY, N.J. (AP) — President Ellsworth Bunker of the American Red Cross states the organization has been holding "intensive discussions" with federal officials to clarify its role in civil defense planning.

He said it is "entirely clear that government is responsible for the care of the civil population in the event of war." The role of the Red Cross, on the other hand, is "that of an organized, established and trained group of citizens who have a contribution to make to national defense planning" before a war breaks out.

These citizens, he added, can "best make the contribution through the organization and under the banner of the American Red Cross."

In a report prepared for the 30th national ARC convention, Bunker told delegates a future war would make demands on the Red Cross exceeding "anything we have ever known before." He said the Red Cross must be geared now to carry its "responsibilities to the civil population under emergency conditions."

"In any future conflict," he said, "what the Red Cross does could well tip the balance to morale in our favor."

Detect Big Sunspot

TOKYO (AP)—Japanese scientists have detected a sun spot which they said today could produce magnetic storms.

The sunspot — with a diameter 14 times that of the earth — was first noted June 10. It has moved from the eastern side of the sun's western hemisphere to the center, they reported.

ORDINANCE NO. 1276
Establishing boundary lines for Election Precincts Nos. 3, 4, and 34.
Adopted June 14, 1935.
Effective June 24, 1935.

As Ordinance to Amend Ordinance No. 3, No. 4 and No. 34 of Ordinance No. 1974 being the Ordinance Defining the Number, Boundaries and Locations of Election Precincts in the City of Pontiac Adopted February 28, 1931.

The City of Pontiac Ordains:

Section 1.
That Precinct No. 3 of Section 1 of Ordinance No. 1974 be and the same is hereby amended to read as follows: Precinct No. 3—Precinct No. 1 bounded as follows: Commencing at the intersection of Orchard Lake Avenue and Bagley Street; thence S.W. along Orchard Lake Avenue to easterly subdivision line of Robert Herndon's Pontiac Apartment Subdivision; thence southeasterly along the easterly subdivision line of Robert Herndon's Pontiac Apartment Subdivision extended to the Michigan Air Line Railroad; thence east along MALLER to intersection of Bagley Street; thence N. along Bagley Street to point of beginning.

Section 2.
That Precinct No. 4 of Ordinance No. 1974 be and the same is hereby amended to read as follows: Precinct No. 4—District No. 2 bounded as follows: Commencing at the intersection of Orchard Lake Avenue and the easterly subdivision line of Robert Herndon's Pontiac Apartment Subdivision; thence southeast along Orchard Lake Avenue to the intersection of Voorhees Road; thence west along Voorhees Road to the intersection of Telegraph Road; thence south along Telegraph Road and the N.W. Section line of Section 36 to the southwest corner of Section 31; thence east along the south line of Section 31, said line being the centerline of Golf Drive to the southeast corner of Section 31; thence northerly along the east line of Section 31 to the south shore of Crystal Lake; thence westerly and northerly along the south shore of Crystal Lake to the intersection of the west bank of the Clinton River; thence northerly along the west bank of said Clinton River to a point opposite the easterly subdivision line of Robert Herndon's Pontiac Apartment Subdivision as extended southerly; thence northerly along said easterly Subdivision line to the point of beginning.

Section 3.
That Precinct No. 34 of Ordinance No. 1974 be and the same is hereby amended to read as follows: Precinct No. 34—District No. 1 bounded as follows: Commencing at the intersection of MALLER and Bagley Street; thence west along MALLER to intersection with easterly line of Robert Herndon's Pontiac Apartment Subdivision as extended southerly; thence southerly along said extended subdivision line to the intersection of the west bank of the Clinton River; thence southerly along said west bank of the Clinton River to the intersection of Crystal Lake; thence along the westerly and southerly bank of Crystal Lake to the intersection of Section line Section 31; thence southerly along said Section 31 to intersection Section 32; thence east along Section line 32 to intersection with Bagley Street; thence north along Bagley Street to point of beginning.

Section 4.
This ordinance shall take effect ten days from and after its final passage thereof by the City Commission of the City of Pontiac.

Made and passed by the City Commission of the City of Pontiac this 14th day of June 1935.

WM. W. DONALDSON, Mayor.
ADA R. EVANS, City Clerk.
June 16, 1935

Whiskey and Drinking Drops LCC Report Says

LANSING (AP)—Sale of liquor by Michigan's state monopoly picked up slightly in May, but still is 4.91 per cent below last year for the first five months of the year.

The state Liquor Control Commission reported today that May sales were \$12,160,363, compared to \$11,821,096 for the same month a year ago.

Sales for the year to date totaled \$57,912,631, compared to \$60,901,536 for the same period of 1934.

During May, whisky sales dropped 0.76 per cent from a year ago, gin sales rose 20.34 per cent, brandy was up 8.35 per cent, rum

rose 4.7 per cent, cordials increased \$3.08 per cent and wine dropped 10.09 per cent.

Train-Truck Crash Kills Driver, Strews Candy

CENTERVILLE, Calif. (AP)—A train and truck collided near here last night, killing the truck driver, strewn candy bars over a quarter-mile area and setting off a bank burglar alarm.

When the Southern Pacific freight and the truck met, the wreckage tore down poles on which the alarm wires were carried. Police rushed to the bank, then to the crash.

The driver was identified as Leo Murphy of Pasadena.

Because no light penetrates the depths of the sea, there can be no plant life there.

Area Red Cross Meeting Slated Here on June 22

The Rev. William C. Hamm will conduct his first meeting as chairman of Oakland County Chapter of American Red Cross June 22 at the chapter house on Franklin Blvd.

A report on the American Red Cross National Conference held in Atlantic City June 13-15 will be given by Reverend Hamm and Mrs. Mildred E. Bennett, voting delegates.

A report of the budget committee will be given and the committee will establish the meeting time and place for the 1935-36

fiscal year. The program for July and August will be outlined.

A general round-up of the year's activities will be discussed when the home service committee of the Chapter meets at 12 noon Monday.

This is the last meeting for the current fiscal year. Problem cases of the past year will be discussed and a report will be given on the approved 1935-36 budget.

Landslide Kills Three

KOBE, Japan (AP)—A landslide slammed into a crowded workers' shack here today, killing three of the 40 laborers inside. Several were seriously injured.

In Sweden 61 infants out of 1,000 died in their first year in the early 20s compared to less than 19 today.

Court Orders Mental Exam for Pontiac Man

An Oakland County Circuit Court order was issued yesterday to have three psychiatrists examine Lester L. Wathen, 26, of 1053 Vinewood, who is charged with indecent exposure.

Their reports will be aired at a hearing in Circuit Court July 19, said Assistant Prosecutor Homer G. Gerue, when a decision will be made on whether Wathen should be committed to Ionia State Hospital for the criminally insane.

Wathen pleaded guilty to the exposure charge Monday. He admitted an improper advance to a woman at Saginaw and Huron Sts. June 3. At the time, he was on route to spend the weekend in jail under terms of a previous assault conviction.

The American Bible Society distributed more than nine million Bibles and parts of Bibles in the United States in 1934.

The National Education Assn. says the United States has a deficit of 340,000 classrooms in its public schools.

CHILI-CORN BURGERS — Kids will enjoy these spicy hamburgers with tender corn kernels cooked right in them. With a cup of hot soup and toasted

Golden Kernels Dot Hamburgs

Here's a new twist to a perennial favorite—Chili-Corn Burgers. Whole kernels of the golden vegetable dot the ever-popular hamburger patties.

Chili sauce, chili powder and grated onions add zest to the dish. Canned corn is a staple on your grocer's shelf; it is a thrifty buy at any season of the year. And the quality of the canned corn is tops. Use it often as an energy food.

Chili-Corn Burgers
1 pound ground beef
1 can (1 pound) whole kernel corn, drained
1 egg beaten
1/2 cup catsup or chili sauce
2 tablespoons grated onion
1 to 1 1/2 teaspoons chili powder
1 teaspoon salt
1/4 teaspoon pepper
6 hamburger buns

Combine all ingredients, except buns; shape into six patties. Cook in frying pan in small amount hot shortening until browned, turning once.

Place on toasted buns; top with onion rings, if desired. Serve with additional catsup or chili sauce. Makes six patties.

Pork Prices Due to Remain Lower

With pork supplies for the next four months expected to run 15 per cent larger than a year ago, prices of many cuts, both at wholesale and retail, should continue at unusually attractive levels, the American Meat Institute reported today. An institute statement said:

"Cuts of pork are among the greatest food values now available to consumers. Sliced bacon, for example, is selling at retail 31 per cent lower than at this time last year."

"Pork loin roast is down 26 per cent, while bulk sausage is 28 per cent lower than a year ago and ham 19 per cent."

"Consumer demand for bacon, encouraged by the heavy supply and lower prices, has been unusually heavy in recent weeks. The average volume for the first four months of this year was 28 per cent larger than during the same period a year ago."

Delicious Waffle Sundae Crowns Summer Menu

Summer's the time for impromptu desserts — for the kind you can whip together from frozen and packaged ingredients. The glamorous concoctions that can top off your warm-weather meals are as limitless as your own imagination and your family's sweet-tooth.

Chocolate Bear Soda Prepared With Dry Milk

Junior woodsmen who pitch tents in the backyard and shoot imaginary bears when schoolbooks are put away need to stop every once in awhile to refuel, and mom has the answer — a nourishing Chocolate Bear Soda made with instant nonfat dry milk and served with animal cookies.

Instant nonfat dry milk dissolves immediately, even in ice water. So it's no trouble for mom to give her youngsters plenty of nourishing and inexpensive instant milkshakes and sodas.

She can come up with an endless variety of milkshakes by blending instant nonfat dry milk easily with syrups and flavored drink powders, and she can make the keepest sodas at home by combining instant nonfat dry milk with orange, sarsaparilla, cream soda, black cherry, lemon, lemon-lime or black raspberry sodas.

And now for the Chocolate Bear Soda:

Chocolate Bear Soda
2 cups liquefied instant nonfat dry milk
4 teaspoons chocolate syrup
4 teaspoons honey
2 (7-ounce) bottles sarsaparilla 8-10 ice cubes
Pour one-half cup liquefied instant nonfat dry milk into each 12-ounce glass. Add 2 teaspoons syrup. 1 teaspoon honey and 2 ice cubes. Stir until well mixed and chilled.

Gradually add sarsaparilla, stirring briskly. If desired, garnish with whipped topping. Makes four servings.

Garnish With Grapes

Frost small bunches of grapes to garnish molded salads. Here's how: Dip the grapes first in frozen concentrate for lemonade, undiluted; then in granulated sugar. Chill in refrigerator before using.

From a dozen or more "lazy day desserts" in a current magazine, here's one fit to set before a Dagwood.

Waffle Sundae
1 can (12 ounces) red currant jelly
1/2 cup water
2 cups prepackaged vanilla ice cream
1 cup fresh raspberries, washed
1 package (3 ounces) frozen waffles
Mash jelly with fork in medium-size saucepan; add water; beat with rotary beater until well blended. Cook over low heat, beating often with rotary beater, until jelly melts and mixture is smooth, cool completely.

Just before serving, spoon ice cream into chilled serving bowl; spoon jelly sauce over top; sprinkle with raspberries. Serve on hot waffles, toasted at the table according to directions on package. Makes six servings.

Serve sundae with the currant-jelly sauce and fresh raspberries, or top sundae with Sugaring-Off Sauce.

Sugaring-Off Sauce
1/2 cup bottled maple syrup
8 marshmallows
1/2 cup chopped walnuts
Cook syrup and marshmallows in small saucepan over low heat, stirring often, just until marshmallows melt; remove from heat; cool. Just before serving, stir in chopped walnuts. Makes 1 1/2 cups sauce.

Give Package Cake Homemade Flavor

Give packaged cake mix a homemade flavor this way.

Chocolate Cake Dessert
3 tablespoons flour
3 tablespoons dark brown sugar
1 1/2 tablespoons butter or margarine
1/4 cup finely chopped walnuts
1/2 package (1 pound) and 1 ounce pre-creamed devil's food cake mix
Chocolate sauce
Stir flour and brown sugar together in a bowl; rub in butter with fingers until combined. Work in nuts.

Make up half the cake mix (one envelope-package) according to directions on box and turn into pan; sprinkle batter with topping mixture. Bake according to package directions.

Serve warm or cold with chocolate sauce—homemade or prepared from a package of chocolate fudge frosting mix. Makes eight servings.

It's Your Golden Opportunity of the Year!

MACARONI AND CHEESE FAVORITE—Even with no milk in the house you can make Macaroni and Cheese. Just use versatile instant nonfat dry milk, and you'll have a superior dish. For added interest, garnish with strips of bacon.

Dry Milk Can Be Used in Macaroni and Cheese

Casserole dishes are favorites at our house at all times of the year for they are satisfying, economical and easy to prepare.

Just about the most favorite of all is that old reliable, Macaroni and Cheese. And the version most preferred is a recipe with tomatoes and crumbled bacon added.

And speaking of "preferred lists," many food shopping lists these days are highlighting instant nonfat dry milk which is winning friends and influencing family meal budgets—both penny-wise and nutrition-wise.

Instant nonfat dry milk fills all milk uses in the home—drinking, cooking and baking—we tried it in our Macaroni and Cheese Favorite recipe.

VALUE MINUS FAT

Instant nonfat dry milk gives real milk nourishment without the fat for it is top-quality pasteurized milk from which only the fat and water are removed. In other words, it is a valuable source of protein, calcium and riboflavin. And it is most economical too.

It is available at the grocer's in two sizes: A 1-pound package which makes five quarts of nonfat milk for as little as eight cents a quart and a pre-measured package containing three individual foil-lined envelopes, each of which makes one quart of nonfat milk.

Macaroni and Cheese Favorite

4 tablespoons butter
1 medium-size green pepper diced
2 tomatoes cut in eighths
1 1/2 cups liquefied instant nonfat dry milk
1/2 teaspoon salt
1/2 teaspoon pepper
1/2 pound sharp processed cheese food shredded
12 strips crisp bacon, crumbled (optional)
1 package (1 1/2 pounds) elbow macaroni cooked and drained

Melt butter in small skillet. Sauté green pepper and tomatoes until tender. Pour liquefied instant milk into top of double boiler. Sprinkle combined flour, salt and pepper over surface. Beat with rotary beater until just blended.

Cook, stirring constantly, over hot water until thickened. Add cheese; cook stirring until cheese melts. Add vegetables and crumbled bacon; blend well.

Place cooked macaroni into 1 1/2 quart casserole. Pour cheese sauce over macaroni, mix lightly.

Bake in a moderate oven (350 degrees) about 20 minutes. If desired garnish with bacon strips. Serves four to six.

Team Rhubarb, Strawberries in Luscious Pie

Do try a rhubarb and strawberry pie if you want something luscious.

For a 9-inch pie, we use 2 cups of rhubarb cut into 1/2-inch pieces and 2 cups of whole strawberries. We mix the rhubarb and berries with 3 tablespoons quick-cooking tapioca, 1 1/4 cups sugar, one-fourth teaspoon salt, and turn them into the pastry-lined pie plate.

Then we dot the fruit mixture with 1 tablespoon of butter or margarine and top with latticed pastry strips.

The pie is baked in a hot (425 degrees) oven for about 45 minutes or until the syrup boils with heavy bubbles that do not burst. Prepare your flakiest pastry for this pie so it will be a true match to the filling.

And here's a dessert youngsters usually like: Rhubarb sauce over sliced bananas. Rhubarb conserve is delectable with toast and tea. If you choose a recipe that calls for rhubarb, oranges, sugar, raisins and walnuts, you'll have a particularly delectable combination.

Frozen Sentiment

As an unusual "extra" for the bride and bridegroom, offer to freeze two pieces of the wedding cake in your freezer, says Sara Walls, home economics director for a freezer company. One year from the day of the wedding, see that the happy couple receives the wedding cake for their anniversary dinner.

Frozen Salad Is Dairy-Rich

June is Dairy Month—the time for focusing special attention on milk and milk products. The green grass grows all round, all round, meaning more pasture for this country's 24 million cows. And as a result we get more milk, with all the good things made from milk.

A delicious way of serving up some of these nutritious dairy foods is with a Frozen Fruit Salad. This recipe teams fruit with creamy smooth cottage cheese.

The flavor and nutritive value are heightened with fresh-frozen orange juice concentrate. Because most of us are counting calories these days, only a little cream is added for extra richness.

Freeze until firm, then unmold onto crisp lettuce. For extra garnish, a small bunch of watercress, fresh and fragrant as a bouquet of Parma violets, will add an appealing fillip to your salad's good looks.

Frozen Fruit Salad

1 cup cottage cheese, sieved
1/2 cup heavy cream
1/2 cup milk
1 can (6 ounce) frozen orange juice (undiluted)
1 cup diced melon
Watercress, melon balls (optional)
Blend all ingredients together except watercress and melon balls. Line ice cube tray with waxed paper, extending 1-inch over edge of tray, and fill with mixture.

Set refrigerator dial for fast freezing and place mixture in freezing compartment. When firm, unmold on platter. Garnish with watercress and melon balls, if desired.

May be served with mayonnaise. Cut crosswise to serve. Approximately six to eight servings.

Don't Be Influenced by Food Faddists

Miss Oberhelman, extension food and nutrition specialist of Purdue University, states that the health of a vast number of people is being endangered by the unsound dietary recommendations of food faddists.

People should beware of food faddists or as they are more aptly called "nutritional quacks." They can be spotted because they almost always have something to sell. They are apt, also, to make sensational claims against familiar foods.

Some faddists have been known to rule out even milk and enriched bread although research and use have shown how important they are to the health of young and old alike.

No one food is able to supply all the nutrients necessary for the normal person. Actually it is important to eat a great variety of foods.

Daily portions of meat, eggs, fresh fruit and vegetables, milk, enriched yeast-raised bread and cereal and butter are all necessary for a healthy body. Food fads which deprive a person of one or more of these foods can be quite dangerous indeed.

Frosty Lemon Fluff Accents Summer Meal

Accent your summer supper with a cool, cool dessert—Frosty Lemon Fluff is doubly cool—a frozen treat with the coolest of flavors. To make:

Combine and cook together three beaten egg yolks, one-half cup sugar and 3 tablespoons lemon juice in the top of a double boiler until mixture thickens. Cool. Add one-half cup heavy cream, whipped. Beat 3 egg whites until stiff and blend in 1 tablespoon sugar; fold into custard mixture.

Combine 1 cup of crumbled vanilla wafers with 2 tablespoons of melted butter or margarine and spread over bottom of refrigerator tray. Add custard mixture and top with one-half cup of water crumbs. Freeze for three hours before serving.

Bake Biscuits to Please Dad

Come Father's Day, give Dad his bacon and eggs for breakfast but add something special. Put him in a nostalgic mood by whipping him up a batch of baking soda biscuits, the type that Grandma used to make, and dress them up a bit for the occasion.

You might give the following recipes a dry run some evening when Dad is working late and see which the youngsters think he'll like best. Then on Sunday morning, bring the winners steaming hot to the table and watch Dad dig in.

Upside-Down Biscuits

1/2 cup butter or margarine
1/2 cup firmly packed brown sugar
2 tablespoons water
1/2 cup pecan halves
2 cups sifted all-purpose flour
1 teaspoon baking soda
1/2 teaspoon salt
2 tablespoons granulated sugar
1-3 cup shortening
1/2 cup white (distilled) vinegar
8 tablespoons milk

Combine butter or margarine, brown sugar and water in saucepan. Heat, stirring constantly, until sugar melts. Do not boil.

Pour a scant tablespoon of this syrup into each of 16 2 1/2-inch muffin cups. Arrange pecans over the syrup.

Sift flour, baking soda, salt and granulated sugar together. Cut in shortening. Combine vinegar and milk; add to dry ingredients. Stir with fork until flour is dampened.

Knead one-half minute on lightly floured board. Roll or pat out about one-inch thick. Cut with floured 2-inch cutter. Place a biscuit in each muffin cup.

Bake in 400-degree (hot) oven about 15 minutes, or until lightly browned. Serve hot.

Give Desserts Glamor With Applesauce Whip

Beat two egg whites until stiff, adding one-fourth cup powdered sugar while beating. Add 1 cup junior applesauce and an extra one-fourth cup powdered sugar alternately as beating continues.

When very stiff, add extra flavor dividend of 1 teaspoon fresh lemon juice.

This whip does not store. Use at once over gingerbread, macarons, gelatin desserts, fruits—such as peaches or sliced bananas. Luscious filling and topping for chocolate layer cake.

Children love it over crumbled plain cookies or graham crackers.

Care of Strawberries

When you bring fresh strawberries home from the market, dump them out of their containers into

a flat container where each berry will have plenty of room. Cover with waxed paper and place in the refrigerator. Do not wash or

hull the berries until you are ready to use them. Don't slice and sugar them, either, until shortly before using.

Heifer calves mature into milk-producing cows in approximately three or four years, the longest production cycle of any major food product.

COPPER-CLAD hot-or-cold BOWL

Fine Cooking is Specialty with Congressman's Wife

Maine has its fine cooks. One of them is Mrs. Clifford G. McIntire, wife of Congressman McIntire of Maine.

Her curried cabbage and cherry parfait are two proofs that a public-minded woman can also be interested in family recipes.

Mrs. McIntire is helping to fight juvenile delinquency. She works through her church and with the schools trying to improve conditions in her state.

Nevertheless, her Sunday dinners are famous for bounty and originality.

Curried Cabbage
3 tablespoons butter or margarine
1 clove garlic, sliced

1 pound head cabbage, shredded
1 teaspoon salt
1/2 teaspoon ground black pepper
1/2 teaspoon curry powder
2 cups diced fresh tomatoes, optional
Melt butter or margarine in a large saucepan. Add garlic and brown. Stir in remaining ingredients. Cover.
Cook over medium heat only until crisp-tender. Makes six servings.

Cherry Parfait
2 egg whites
1/2 cup sugar
1/2 cup heavy cream, whipped
1 1/2 cups fresh sweet cherries
5 whole fresh cherries for garnish
Beat egg whites until they stand in soft peaks. Gradually beat in sugar. Fold in whipped cream.

Arrange alternate layers of

cream mixture and crushed sweet cherries in parfait glasses. Chill.
Top each with a whole fresh cherry just before serving. Makes five servings.

Strawberries, Honey Yummy on Ice Cream

Here's an easy way to fix strawberries to serve over ice cream: Wash a pint of berries in cold water and drain; hull and slice. Mix the sliced berries gently with a quarter cup of honey; refrigerate about an hour so the berries and honey will be kin! You'll have about 1 1/2 cups—enough for six scoops of vanilla ice cream.

Topping for broiled tomatoes: Fresh bread crumbs mixed with olive oil and grated Parmesan cheese.

Delicious Stuffed Eggs

Want those stuffed eggs you're taking along to the picnic to taste extra good? Mash the yolks with deviled ham, mayonnaise and a bit of grated onion. Of course the eggs must be hard-cooked and

cut in half before you start this deviling process.

Frozen lemonade is an ideal punch base—adds zest and tang to other fruit juices. For extra sparkle, mix with gingerale.

FREE MINIATURE BIG LEAGUE PENNANTS WITH EACH 5 LB. SACK OF

Miller's KIBBLES or DOG MEAL

... PLUS 3 VALUABLE COUPONS in each sack for BASEBALL CAPS, T-SHIRTS, and full size TEAM PENNANTS. At your favorite store.

TUNA-MUSHROOM PASTIES — Ready in a jiffy with pimiento and green pepper, mushrooms and are these tuna-mushroom pasties. The crisp pastry cover boasts a tasty filling of canned tuna combined

Tuna-Mushroom Pasties Are Really 'Guestworthy'

In every can of tuna there's delectable flavor, plus a large amount of healthful protein at low cost. A wonderfully versatile food, canned tuna is fine for both cold and warm weather meals.

These tuna-mushroom pasties

will be welcome at any season of the year. They're "guestworthy" as well, as you will find when you serve them for company meals.

Dress up the plates with colorful tomato and lemon wedges. Whole green beans give additional color contrast.

Tuna-Mushroom Pasties

1 package pie crust mix
1 can (7-ounces) tuna, drained and flaked
1/2 cup chopped olives
1 can (3 or 4-ounces) sliced mushrooms, drained
1 tablespoon chopped onion
1/2 cup chopped canned pimiento
1/2 cup chopped green pepper
1 can condensed cream of celery soup

Prepare pie crust according to package directions; reserve. Combine remaining ingredients. Roll out pastry one-eighth-inch thick; cut into six circles, each about 6 inches in diameter.

Spoon tuna filling onto lower half of each circle; fold pastry over and press firmly to seal; crimp edges with fork. Bake in hot oven (400 degrees) 40 minutes. Makes

Perk Up Vegetables With Buttery Topping

Vegetables can have glamor with very little extra trouble, and can be served as a separate course, as they are in France. This buttery topping is particularly good with cauliflower and asparagus.

Place one-half cup butter and one-third cup fine bread crumbs in a saucepan. Season with salt and pepper. Sauté until browned. Stir in one-fourth cup grated Parmesan cheese. Makes about three-fourths cup topping.

Want a new and delicious topping for apple pie? Beat soft cream cheese with a little light cream, then stir in some slivered preserved ginger.

Broiled Swordfish Simply Prepared

Called Broadbills by sportsmen to distinguish them from other big game fish like marlin and sailfish, swordfish is one of the most popular seafoods sold in the United States.

So distinctive is its flavor, as a matter of fact, that it needs only a minimum of attention from the cook and only the gentlest suggestion of seasonings.

Here's a delicious way to cook this gourmet fish, recommended by the National Fisheries Institute.

Broiled Swordfish

Sprinkle swordfish steaks with lemon juice, salt and white pepper. Brush with melted butter. Put on preheated broiler pan. Place pan 2 inches from source of heat. Broil three minutes.

Turn carefully, brush again with melted butter, and repeat seasonings. Broil five minutes or until fish flakes easily when tested with a fork. Serve on heated platter garnished with parsley and lemon wedges.

State Berries to Be Plentiful

Strawberries, the first of the homegrown fruits to mature in Michigan each year, are appearing in volume on the markets throughout the state, and are providing the chief ingredient of that favorite dessert, strawberry shortcake.

Mashed, strawberries also make excellent topping for ice cream and many other desserts. Thousands of housewives will can or freeze strawberries for use during the months to come.

That the 1953 crop now being harvested will be larger than last year's crop in Michigan is doubted by few market observers. Despite a May freeze, on the morning of May 9 a freeze in most strawberry producing sections of the state killed blossoms, some immature berries as well as some buds, according to the Michigan Department of Agriculture.

But the acreage in the state was larger than that last year. Michigan had an estimated 11,000 acres for the 1953 season, a thousand acres more than the year before. The acreage was the largest east of the Pacific Coast among the late-producing states.

Besides that ample rainfall last fall put strawberry plants into the winter in excellent condition. A good winter for them brought strawberry plants into the spring with prospects of a crop greater than the average crop during the five years from 1949 to 1953. The average those years was 1,390,000 crates of 16 quarts each.

Being a shallow-rooted plant, the strawberry is greatly subject to weather conditions. With ample moisture following settings of blossoms, there are plenty of plump, red berries. But dry weather, coupled with high temperatures, means smaller, less juicy berries.

The Weather Man is the deciding factor with strawberries, but irrigation on some farms is providing moisture when needed.

Let Husband Star at Outdoor Supper

A patio supper that spotlights the man of the house is another pleasant summer possibility. Not only will he be the center of attraction as he performs his culinary magic, he'll be the one bending over the fire... and too happy to care.

There will always be a certain amount of preliminary organization to do, but cleaning up will be a breeze, especially if you indulge in paper plates and paper napkins. Here's a dinner designed especially to star your husband as cook:

Ham Frizzle
1 small onion, minced
1/2 cup catsup
2 tablespoons brown sugar
3 tablespoons vinegar
2 tablespoons prepared mustard
2 tablespoons melted margarine or butter
1/2 teaspoon salt
1/2 teaspoon pepper
1 pound boiled ham, thinly sliced

Combine onion, catsup, brown sugar, vinegar, mustard, margarine or butter and seasonings. Grill ham slices, basting frequently with the sauce. Serve on toasted enriched yeast-raised buns with any remaining sauce. Makes six servings.

Use Frozen Lemonade as Dessert Flavoring

Remember frozen lemonade is a handy seasoning—particularly good with frozen fruits. Mix a few spoonfuls of the frozen concentrate for lemonade with the partially thawed berries or fruit, and let mellow until serving time.

This pure California lemon juice, which has sugar already added, brings out the flavor and adds a special lemon tang.

Cool Crisp Salad Fixin's

And our fresh Garden Produce and Fruits will put zest in any salad for delightful summer eating....

Marion's Juggling Earns Split

By THE ASSOCIATED PRESS

Manager Marty Marion's busier than a one-legged man in a sack race these days what with keeping his Chicago White Sox within range of the New York Yankees and holding off the Cleveland Indians.

He really had a workout last night, juggling players and shuffling pitchers while splitting a two-night with Baltimore. The Sox lost the first 6-5, but won the nightcap 2-0. That put them two games behind the American League-leading Yanks, who lost to Detroit, 8-6, and a length ahead of the Indians, who lost at Washington 3-0.

Trailing 5-4 in the first game, Marion pulled center fielder Minoso in to play third and moved third baseman George Kell to first in place of young Ron Jackson so he could keep pinch-hitter Bob Nieman in the game. Nieman, a long-ball threat, played left field.

Nieman wound up hitless but

Nellie Fox tied it at 5-5 with a homer. And when reliever Millard Howell went 3-0 against Harry Dorish in the seventh, Marion brought on Sandy Consuegra to pitch. Sandy got out of the frame, but was tagged for a run-scoring single by Bobby Young in the eighth that broke a four-game Chicago winning string.

In the nightcap, Mike Fornieles breezed along for six innings on a 1-0 lead after Fox had swatted his second homer of the night. But when Fornieles issued his first walk to open the seventh, Marion called in Billy Pierce. And when Pierce faltered with a 2-0 lead in the eighth, Consuegra showed up again to pack it away.

It was the third appearance in 24 hours for Sandy.

Fox was the hitting hero, getting 3-for-4 in both games while stretching his hitting streak to 11 consecutive games.

tests. Fox tops the Sox at .333 now. Boston made it seven out of eight in the other AL game, beating Kansas City 9-6.

In the National, Brooklyn lost to Cincinnati 5-2, but stayed 11½ games to the good as second-place Chicago lost to New York's Giants 7-2.

St. Louis belted three home runs to beat Pittsburgh 7-3 and Philadelphia blanked the Milwaukee Braves 4-0.

Washington ended a seven-game losing streak as Dean Stone threw out the Tribe. It was the third victory and third complete game of the season for the left-hander.

Five runs in the ninth broke up a 2-2 ball game for the Giants, with reliever Paul Giel hitting a double to start the rally that brought his first major league victory.

Al Schoendienst and Solly Hemus homered to get the Cards rolling, but Bill Virden's two-run clout put it away in the seventh.

Mel Parnell won his first of the season for the Red Sox with help from Tom Hurd in a four-run Kansas City ninth. Jackie Jensen hit a two-run homer in the 11th hit Boston attack as winless Ray Herbert lost his sixth.

Indians Obtain Woodling, Cox From Orioles

Baltimore Sends Byrd to White Sox; Tribe Signs Ted Gray

By THE ASSOCIATED PRESS

The Cleveland Indians, battling to retain their American League championship, and the Baltimore Orioles produced the only important deal as the major league deadline for trades passed at midnight last night.

The Indians, seeking reserve strength, acquired veteran outfielder Gene Woodling and utility infielder Billy Cox, an ex-Brooklyn Dodger, in exchange for a pair of veteran utility outfielders—Wally Westlake and Dave Pipe—and a bundle of cash.

A hitch developed, however, when Cox went to his home in Newport, Pa. Billy was reported to have said he didn't want to report to the Indians.

Frank Greenberg, Indians general manager, was trying to reach the third baseman by telephone last night. Cox has 72 hours to report.

The Orioles, in another deal, sold Harry Byrd, right-handed pitcher, to the Chicago White Sox for undisclosed amount of cash but in excess of the \$10,000 waiver price.

The Detroit Tigers, giving up hopes of dealing with the Yankees, acquired veteran first baseman Earl Torgeson from the Philadelphia Phillies for an estimated \$25,000. The Tigers were desperately in need of a first sacker, since both Ferris Fain and Jack Phillips are hobbled by knee injuries.

To make room for Torgeson, the Tigers sent Leo Cristante, a right-handed relief pitcher, to Buffalo on option.

In other transactions, the Cleveland Indians signed Ted Gray as a free agent. Gray, who saw action against Washington last night, was released last month by the Chicago White Sox because of a sore arm. Pittsburgh shipped third base-

'Jawbreaker' Peacock KO's NBA Bantam King Macias

LOS ANGELES (AP)—With a jaw-fracturing left hook, Billy 'Sweetpea' Peacock knocked out National Boxing Assn. bantamweight champion Raul 'Raton' Macias in the third round last night.

Peacock, of Los Angeles, didn't gain the title, for it wasn't at stake, and that one devastating punch assuredly delayed the Sweetpea's chance of a rematch for the title, for X-rays show the right jawbone is broken in two places.

It took Peacock two rounds to discover there was no use boxing the Mexican City boy. Getting nowhere in the feint-and-jab business, he started a slugging bee in the third, and 2 minutes, 24 seconds later, Macias was counted out.

Macias entered the ring a 17½ favorite, chiefly because he stopped Peacock in the ninth round of their bout in Mexico City last year. Peacock suffered a bad eye cut in that one. The Mexican started out fast last night too. He had Peacock's nose bleeding in the second.

The fight, held in the Olympic Auditorium, was nationally televised. It drew 8,519 fans who paid \$37,570.

Macias weighed 123½. Peacock 121½. It was Macias' first defeat in 15 fights. Peacock's 25th victory against nine defeats. He earned a rematch for the title.

Originally a red and white dog, the Irish Setter got his solid color red coat through selective breeding.

Plan Proposed to Aid Churches

Presbyterian Unit OKs Program to Keep Pace With Population Shift

ALMA (P)—A plan to help Protestant churches keep pace with expanding, shifting populations in urban and rural areas has gained the approval of the Presbyterian Synod of Michigan.

Dr. Kenneth Niegh of Detroit, president of the Michigan Council of Churches and a synod executive, outlined the plan yesterday at the closing session of the synod's annual meeting at Alma College.

Under the program churches of all Protestant faiths could obtain financial aid as well as information on population trends and potential sites for church construction.

The plan proposed development of a large capital revolving fund from which churches could obtain long term loans for building purposes at low interest rates.

Studies of population trends would enable churches to purchase property in growing areas before costs became prohibitive.

Dr. Niegh said the Presbyterian synod would present the plan to the Michigan Council of Churches and the Detroit Council of Churches for their consideration.

In other action the Rev. Donald F. Lomas of Bay City was named moderator of the synod, succeeding Dr. Lauren E. Brubaker of Harbor Springs.

Man, 92, Son, 67, Camp at Wilkins State Park

LANSING (P)—What the state parks lost in quantity last week because of cold weather they made up for in uniqueness.

Officials of the Fort Wilkins State Park on the tip of the Keweenaw Peninsula said that a 92-year-old man camped at the park with his 67-year-old son and that some sort of a record was set when a man and wife, four sons and 17 grandchildren also camped out during the cold, wet week.

New Road to Be Built in Porcupine Park Area

LANSING (P)—Road builders will open the dense southern part of the Porcupine Mountain State Park to motorists this summer.

In conjunction with the federal government, the State Conservation Department said it would build six miles of south boundary road at the park. Thereafter, the Ontonagon County Road Commission will maintain the road.

Japan's railroad system sold 3 1/2 billion tickets in 1954, 17 million more than ever before.

MATCHING CONFECTION—Beverly Schenke, in Cleveland, Ohio, isn't exactly eating her hat, but she seems to have the idea. She's digging into a "coolie whirl," a strawberry and whip cream creation which matches her Oriental topper.

Dyed Chick Trade Hit by State Ruling

LANSING (P)—Atty. Gen. Thomas M. Kavanagh struck another blow today at the dyed baby chick business—an Easter trade practice long condemned by anti-cruelty agencies.

Kavanagh held that a merchant who gives away a baby chick to every customer who buys a certain amount of merchandise is selling the chick.

Kavanagh's opinion was requested by the State Department of Agriculture which reported some merchants were attempting to evade a law forbidding the sale of baby chicks as Easter gifts by giving them away with merchandise.

Consumers Gives \$5,000 to 4-H Club Foundation

EAST LANSING (P)—Consumers Power Co. has contributed \$5,000 to the Michigan 4-H Club Foundation, the foundation announced today.

The funds will be used to promote urban 4-H club work, help establish a state 4-H club center in the north-central part of the state and aid the International Farm Youth Exchange program.

Splash Guards Required on All County Trucks

LANSING (P)—An attorney general's opinion held today that trucks owned by county road commissions are commercial vehicles and hence must be equipped with splash guards.

The opinion, requested by Pros. Atty. Joseph L. Bauer of Eaton County, said, however, that road graders were not so classified.

Strike by British Seamen Halts Queen Mary Sailing

SOUTHAMPTON, England (P)—Britain's wildest seamen's strike forced the 81,000-ton liner Queen Mary to cancel her New York sailing today and squeezed Britain's harried passenger lines into a tight corner.

The strikers had pinned their hopes on tying up the Mary, a pride of the great Cunard fleet. They were convinced her sailing would doom the walkout which already has tied up the 32,000-ton Mauretania and five other transatlantic liners.

The strikers failed last week to hold up the Queen Elizabeth, flagship of the line.

Cunard's attempts to get the Mary under way were blasted just 10 minutes before sailing time when 120 crewmen joined 500 others of the 1,267-member crew who had walked off the ship yesterday.

Many of the 120 pullouts said they had not sympathized with the unauthorized strike. But they charged the line during the night had brought aboard 150 recruits whom the seamen called "scab labor."

Some 1,100 New York-bound passengers began disembarking as the Mary's loud-speakers blared out the news. Among them were 50 members of the D'Oyly Carte opera company en route for a Gilbert and Sullivan tour of the United States and Canada.

"The Cunard company deeply regrets, despite assurances which the crew gave to the master, that certain sections have elected to strike," the announcement said.

Anticipating the tieup, Cunard had two trains ready to take the passengers back to London. It also told them attempts would be made to obtain "alternative transatlantic transportation." Many of the passengers immediately began phoning airline offices to book flights for New York.

Most of those involved in the wildcat walkout that has struck Liverpool and Southampton are cabin and dining room stewards. They are asking for a 48-hour week and increased shore subsistence. The seamen's union, however, has refused to approve the strike.

Box Car Wheels Appeal

SPARTANBURG, S. C. (P)—Police had a real case of high-jacking on their hands. Thieves jacked up 37 box car wheels on a railway siding and stole journal brass fittings, worth about \$240.

Medical Insurance Upped for Motorists

LANSING (P)—Insurance companies affiliated with the National Bureau of Casualty Underwriters are combining their extended medical payment policies for motorists with their basic medical policies.

State Insurance Comm. Joseph A. Navarre said that policies with basic medical payments outstanding on May 25, 1955, will be interpreted as including extended coverage from May 25 to the expiration date of their policies with respect to accidents occurring on or after May 25.

For policies with an effective date of May 25 or later, Navarre said, the combined medical payments will be charged at the rate in effect on that date.

More than 800 species of mantis are known.

Lake Orion Recreation Sessions Slated to Open June 27

MR. and MRS. JOHN E. ROY

Mary Tersigni, John Roy Married in Catholic Rite

CLARKSTON — Mary Ann Tersigni and John E. Roy spoke their marriage vows at a Nuptial Mass Saturday morning in Our Lady of the Lakes Catholic Church, Waterford. Some 100 guests attended the ceremony.

Mary is the daughter of Mr. and Mrs. Natale Tersigni of 10300 Hadley Rd., Clarkston. John's parents are Mr. and Mrs. Gerard Roy of 10081 M15, Clarkston.

The bride was dressed in a ballerina style gown of white lace over satin and nylon tulle. Her shoulder-length veil was secured with a headpiece of orange blossoms, and she carried a cascade bouquet of white carnations and lilies of the valley.

Maid of honor was Mickey Tersigni of Clarkston, and bridesmaids were Gloria Oliver of Oxford and Joyce Lawson of Clarkston.

Gene Roy of Waterford was the best man, and John and Peter Tersigni of Clarkston were the bridegroom's attendants.

An evening reception was held in the VFW Hall at Drayton Plains. The newlyweds will make their home in Auburn Heights.

Marlette Will Begin Recreation Program

MARLETTE — Recreation programs sponsored by the Marlette Community Council will be conducted this summer from June 20 to July 11, Monday through Friday, 9 a. m. to 11 a. m.

The program will be conducted by Mrs. Gretchen Rasmussen and will accommodate children of the pre-school, kindergarten and first grade age-group. Stories, handicraft and playground activities will be featured.

Lowell Baileys Returning From North Wedding Trip

MRS. LOWELL BAILEY

Wins Award at Oxford

OXFORD — Phyllis O'Dell, a 1955 graduate of Oxford High School, recently was given the Ministerial Award by the Oxford Rotary Club in recognition of her outstanding religious work and scholarship.

Varied Activities Are Scheduled

Child Guidance Group Will Seek Funds to Back Summer Programs

LAKE ORION — A six-week summer recreation program for Lake Orion has been announced, slated to begin June 27.

The program is open to youngsters attending the two Lake Orion grade schools and children vacationing in Lake Orion.

Boys and girls aged 6 through 11 are eligible to participate in the summer sessions, which will conclude Aug. 5.

Youngsters 6 through 10 will meet at Blanche Smith School from 10 a. m. to 4 p. m. The 11-14 year old group will convene at Axtell ball park from 9:15 a. m. and 5:30 p. m.

Included in the activities offered are arts and crafts, parades, swimming, volleyball, softball, basketball, horseshoes, puppet shows and outdoor dances.

The program is being sponsored by the Child Guidance Association and will be directed by Hal Carlin, high school basketball coach.

Beginning Saturday, a house-to-house canvass will be conducted in the village and township by 20 of the children participating in the summer program.

Purpose of the drive is to obtain funds needed to supplement donations by Lake Orion organizations to pay the staff hired for the program.

Oxford Youth, 13, Hurt in Bike Mishap

OXFORD — A 13-year-old youth was seriously injured yesterday when he apparently lost control of his bicycle and fell into the side of a moving truck.

James Sage, son of Mr. and Mrs. Ellsworth Sage of 6 Crawford St., was taken to St. Joseph Mercy Hospital, Pontiac.

Hospital officials said today he had suffered a skull fracture and lacerated chin.

The boy was riding his bicycle to attend a practice session of the school band and reportedly lost control while trying to hold on to his instrument.

TENNESSEE BLUEBLOODS — William Watson, son of Wood Lee and his wife Gertie, are taking this week to some real southern hospitality. They are in town for the annual Harwood Glisson home other than the great-grandson of the original Davy Crockett, King of the Wild Frontier. His father was David Crockett Glisson, great-grandson of the Tennessee Indian fighter. The Glissons had from Jackson, Tennessee, a few miles from their illustrious ancestor's home. Shown in the picture above are three generations of Davy's kinfolk, (l-r) Ginger Naylor, Harwood Glisson's granddaughter; William Watson, Harwood Glisson and his son, Charles Glisson.

Pontiac Press Photo

Competition Slated in School Election

NORTH BRANCH — Board of Education incumbents Walter Marion and Francis Fike will have competition in the forthcoming July 11 school election.

Mrs. Charles Downer, Mrs. Howard Seelye and Mrs. Peter Schlaud have all filed nominating petitions. Deadline for the petitions is today.

Funds Still Not Freed for Cadillac Jet Base

WASHINGTON — Funds for a jet plane base the Air Force wants to build near Cadillac still were tied up today by the House Defense Appropriations subcommittee.

Chairman Mahon (D-Texas) said yesterday there will have to be more hearings on a dispute over a site for the proposed 8 1/2 million dollar base before the money is unfrozen.

C. of C. Names First President

Robert Warren to Head Chamber of Commerce at Rochester

ROCHESTER — Robert Warren has been elected the first president of Rochester's first Chamber of Commerce.

Sidney Teague is the vice president, Lloyd Lake is secretary, and Hudson Hill is treasurer.

They were chosen from the 25-member board.

Warren was a member of the steering committee which was active in forming the organization.

Named as committee heads were B. J. Murray, Cyril Borst, William Mittelheld, Roscoe Martin, Mason A. Case, Ken Fetters, Al Crandall and Earl Seed.

School Board Vetoed Pay Raise Proposal

ROCHESTER — Members of the Rochester Board of Education unanimously rejected a proposal for a \$200 pay raise for themselves at the annual meeting this week.

A motion to increase salaries to \$500 was withdrawn after each member expressed himself in favor of continuing with the present \$300 per year salary so that the extra money might be used for operation of the schools.

Board members A. H. Mosson and Henry Purdy, elected Monday for three-year terms, were introduced.

An auditor's report for 11 months of the 1954-55 school year was accepted, and a motion to continue to deposit school district funds with the Rochester National Bank and the Detroit Bank was approved.

Margaret Bretz, Richard Parsell Wed at Dryden

DRYDEN — Margaret Bretz and Richard Parsell were united in marriage Saturday in a 7 p. m. double ring ceremony in St. Paul's Lutheran Church.

The bride is the daughter of Mr. and Mrs. Joseph Bretz, Donald Parsell and Mrs. Margaret Swash of Lapeer are the bridegroom's parents.

The bride wore a gown of white lace and net, with an illusion finger tip veil. She carried a bouquet of white carnations and red roses.

Doris Johnson, sister of the bride, was the maid of honor. Donald Parsell was best man.

Flower girls were Barbara Johnson and Shirley Liscomb, nieces of the bride, and Jimmy Thompson, 3-year-old nephew of the bride, was ringbearer.

Following the ceremony, a reception for 200 guests was held at Lake Pleasant.

On their return from Niagara Falls, Richard and the new Mrs. Parsell will make their home in North Branch.

Attend Havens Reunion

METAMORA — Children, grandchildren and great-grandchildren of Mrs. Sarah Havens honored her with a reunion dinner Sunday at Forest Hall. More than 40 persons attended from Windsor, Ont., Port Huron, Almont, Midland, Alpena, Dryden and Metamora.

Writer Discovers Biggest Impersonation

-- Today's Radio Programs --

First Lassie Retires at 15,
Son Takes Over TV Job

By ALICE MOSBY

HOLLYWOOD (UPI)—This article should be hidden from children, but I'm still reeling from the blow of discovering one of the biggest impersonations in show business history.

One of the top 10 TV stars isn't that star after all.

This one quietly began acting under the old man's name and not one viewer knew the difference.

The original Lassie of those MGM movies is retired at the ripe old age of 15. His three-year-old son, also named Lassie, took over during the current "Lassie" CBS-TV series and has reaped one of the most amazing successes of the year.

The original Lassie did the first couple of TV shows, said trainer Bud Weatherwax today on the set of the popular series.

Then I noticed he was watching me too much for cues. His eyesight isn't so good and he would be looking for me instead of acting. So his son, his stand-in, took over.

Young Lassie is also a female impersonator, as he portrays a lady dog on the program. (Dog actors are usually male because female dogs, unlike two-footed ladies, don't retain their complete fur coats the year around.) Despite this double illusion, the beautiful collie dog zoomed ahead of many top-rated shows starting two-footed actors, even those wearing coonskin caps.

Lassie ran home with an Emmy award and other honors from groups. He is so rich he sports a \$100 blue rhinestone-studded jacket. His earnings have bought a 10-acre ranch, with plenty of

We've had to turn down \$200,000 worth of personal appearances for Lassie," the trainer said. "He accepted several for this summer, and his price now is \$2,000 a day."

Lassie even guested on a grown-ups' show, Bob Hope, and proved such a smash hit in a satire on "This Is Your Life" that even Hope collapsed laughing on the stage.

"After that show my phone didn't stop ringing for days," smiled Weatherwax. "Lassie got thousands of letters."

Weatherwax bought the rights to the name "Lassie" for \$40,000 from MGM when the contract ended Lassie's movie career. Now, chided the trainer, the studio wishes they had the name back and I hear they want to borrow Lassie for a movie.

Young Lassie lives in an air-

conditioned room at Weatherwax's home. His co-star, Tommy Rettig, often week-ends at the house and the two sleep together.

Meantime, the old retired Lassie misses his former glory. "When we leave for the studio the old dog stands in the window and barks," Weatherwax said.

"That's what these dogs live for, you know—to come to the studio and be petted and fussed over."

Seven-Months-Old Baby
Strangles on Bonnet

BAY CITY (AP)—A seven-month-old baby girl strangled on her bonnet stroller Tuesday night. The victim was Mary Ellen Vogt, daughter of Mr. and Mrs. John P. Vogt of nearby Kawkawlin.

State Police rushed the infant to Mercy Hospital in Bay City but efforts to revive her were futile.
