SEASON PROGRAM

Keep your team healthy.

At Blue Cross Blue Shield of Michigan, we believe that being physically active and eating right are vital to a long, healthy life — especially for your family. It's why we fund programs that encourage families and educate kids to eat right, stay fit and make smart decisions about health. It's also why we created an online community devoted to a healthier future for Michigan. Because good health isn't just about your personal health, it's about the health of your community, your business and even Michigan's health care system.

Welcome to the 2010-11 Division I basketball season at Oakland University!

Dear Friends,

As we begin this new basketball season, please join me in celebrating the achievements of Oakland University's athletic programs and, most important, our student-athletes.

With more than 134 undergraduate degree programs and 124 doctoral, masters and certificate programs to choose from, our students are offered top-notch academic programs to meet their skills and interests. They are able to participate in expanding opportunities for research alongside our expert faculty as well as benefit from numerous public and private partnerships to gain real-world business experience.

Both academically and in the athletic arena, our students succeed. For the fifth consecutive season, Oakland University led the Summit League in Academic All-League selections, producing 202 honorees in 2009-2010. To be selected for the team, a student-athlete must achieve a 3.0 or better cumulative grade-point average and be a letter winner in the sport for which he/she is nominated.

Our athletic programs are also making their mark. Oakland finished in third place out of the 10 teams in the Summit League's Commissioner's Cup standings for 2009-10, behind nine-time champion Oral Roberts University and runner-up South Dakota State University. The third place finish is the highest for the Golden Grizzlies since joining the league in 1999. The Grizzlies also won league titles in men's soccer, men's basketball and men's and women's swimming and diving. Our men's basketball team also made an appearance at the 2010 NCAA Tournament.

Significantly, the growth of Oakland's athletic programs is receiving national attention as OU will play host to the first and second round games of the 75th annual NCAA Men's Basketball Championship in 2013 at The Palace of Auburn Hills.

On campus, we're marking our 13th straight year of increased enrollment (topping 19,000 students), the opening of the Oakland University William Beaumont School of Medicine in 2012, and the construction of our new 160,000-square-foot Human Health Building to house our School of Nursing and School of Health Sciences.

There is so much to celebrate here at Oakland University – and we appreciate all you do to support the Golden Grizzlies and this incredible academic institution.

Sincerely,

27TH SEASON • 445 - 323 (.579) • FOUR-TIME COACH OF THE YEAR

Oakland University men's basketball has now come full circle under the direction of head coach Greg Kampe. After 26 seasons at the helm, Kampe has led the Grizzlies to NCAA Tournaments in both Division I and Division II, along with back-to-back 20-win seasons over the last two years.

"We have a quality program that turns out talented student-athletes," Kampe said. "We try to do things the right way with good people who receive a good education and then go out into the world and have success after basketball. That's what our mission is."

Kampe has led the Golden Grizzlies to four consecutive top-three finishes in The Summit League, including the regular-season title this season. The Grizzlies are 51-17 in league action over the last four seasons for a .750 winning percentage, better than any other D-I school in Michigan.

Back-to-Back 20-win seasons, two NCAA Tournament berths (2005, '10) and a pair of Summit League regular-season championships in 11 seasons is not too bad for a coach that was hesitant when OU made the decision to move to Division I. Not too surprising from a coach coming off his best season and looking to be a national title contender in D-II that next season.

Instead, the Pioneers changed to the Golden Grizzlies and OU spent the 1997-98 and 1998-99 seasons in transition. Then the unexpected happened, Coach Kampe led the newly Golden Grizzlies to the Mid-Continent Conference regular-season title in their first year of competition at 11-5. OU was not eligible for the Mid-Con Tournament that season.

In 2004-05, the Grizzlies finished a sub-par season at 9-19 and 7-9 in league to finish in seventh place. As the No. 7 seed, Oakland upset No. 2 seed UMKC (67-63) and defeated Chicago State (56-53) before matching up with top-seeded Oral Roberts (25-7) in the championship game. Then Pierre Dukes made the shot heard round the world as time expired and sent OU to its first-ever NCAA Division I Tournament with a 61-60 victory over the Golden Eagles. OU went on to defeat Alabama A&M (79-69) in the play-in game of the NCAA Tournament in Dayton, Ohio, and then fell to eventual national champion North Carolina (96-68) in Charlotte, N.C.

The conference may have changed its name in 2007 to The Summit League, but that did not derail Coach Kampe and OU's success. The Grizzlies have appeared in Summit League title games in 3-of-4 seasons, capturing the most recent title this year with three double-digit wins.

The Golden Grizzlies went 17-1, setting league records for wins and winning percentage (.944). OU broke a school record with 26 wins and entered the Dance on a school record 11-game winning streak. Before the season Kampe asked his team, "Can you Finish?" Yes they can.

The Golden Grizzlies suffered heartbreak in two games in 2008-09. After player of the year Ben Woodside lifted the Bison over Oakland (66-64) on a last-second 20-foot jumper with three seconds left in The Summit League championship game. The Golden Grizzlies were invited to the inaugural CollegeInsider.com Postseason Tournament. Oakland defeated Kent State (80-74) at home in the opening round, but tasted defeat at the hands of yet another buzzer beater, this time from 75 feet as Bradley escaped with a 76-75 win in Peoria, Ill. OU finished the year 23-13.

The Grizzlies posted a 19-14 record in 2006-07 and once again suffered heartbreak in the league tournament title game. Oral Roberts exacted some revenge as the top two seeds battled in the championship game, this time with Oakland's Erik Kangas missing an attempt at winning the game with seconds remaining from three, eventually falling 71-67.

Kampe joined the Oakland University campus in 1984 after spending six seasons as an assistant coach at the University of Toledo. OU had only six winning seasons in 16 years of competition before his arrival.

Coach Kampe is a 1978 graduate of Bowling Green State University with a bachelor's degree in business and journalism. He earned a Master of Arts degree in physical education while at Toledo. Kampe personally combined excellence as an athlete and in the classroom. He is the only athlete in MAC history to earn first team all-Academic honors in both football and basketball. He earned dean's list honors with a 3.40 grade point average, and received the President's Award as an outstanding senior student.

His late father, Kurt, was a guard on the University of Michigan's 1947 Rose Bowl and national championship football team, which went 10-0. His brother, Kurt Kampe III was a two-year letterwinner for the Wolverines in 1974 and '75 as a defensive back.

Married to his longtime wife Sue. They reside in Rochester Hills and have three sons, Keith, Branch and Press.

JEFF TUNGATE
ASSOCIATE HEAD COACH
5TH SEASON
OAKLAND, 1993

Jeff Tungate enters his fourth season as associate head coach for OU men's basketball team, and his fifth season with the Grizzlies overall. He works with the forwards and centers.

Tungate, an honorable mention honoree on CollegeInsider.com Top 25 Mid-Major Assistants, molded Oakland's big men into one of the more intimidating front lines in The Summit League.

Prior to returning to Oakland, Tungate spent two seasons as associate head coach at IPFW under head coach Dane Fife in 2005-07. There he helped lead the Mastodons to their best season in program history with 12 wins and set a home attendance record in a tough two-point loss to Notre Dame.

A 1993 Oakland graduate with a degree in English, Tungate is a native of Clarkston, Mich. In his school days at Oakland he was a member of the baseball team where he earned pre-season All-America honors in 1992. A graduate of Clarkston High School, Tungate was an all-state baseball player and an all-conference basketball player for the Wolves.

Jeff is married to the former Kelley Kleinhans, and resides in Rochester, Mich., with their nine-year-old son Jordan.

DARREN SORENSON
ASSISTANT COACH
4TH SEASON
MOUNT SENARIO, 1993

Darren Sorenson enters his fourth season as assistant coach for the men's basketball team at Oakland. Darren handles all the scout team responsibilities and assists with the guards.

In his first three seasons at OU, he helped land top recruits such as Ilija Milutinovic and Ledrick Eackles. He also assisted in OU topping 20 wins for the first time in Division I, finishing with 26 last year. The Golden Grizzlies have made the postseason in each of the last two seasons, advancing to the NCAA first round in Milwaukee, Wis. in 2010.

He owns a wide variety of experience in the coaching ranks, having worked under Stan Heath, Steve Lavin, Lefty Driesel and Mike LaPlante. He has also served at the international level as a head coach.

In 2001, he had the opportunity to work as head coach of the Qatar Junior National Team while also serving as an assistant on the national squad. The national team went undefeated and won the country's first championship in the Gulf Coast Countries Tournament. The squad also won the under-21 Asian Championship.

Prior to a pair of stints at Georgia State (1999-00) and UCLA (1998-99), he began his collegiate career at Mount Senario College (1996-97 - 1997-98). While working at his alma mater he was head assistant coach.

SADDI WASHINGTON
ASSISTANT COACH
5TH SEASON
WESTERN MICHIGAN, 1998

Saddi Washington enters his fifth season as assistant coach on the men's basketball staff at OU. Washington primarily works with the guards for the Grizzlies.

During his first three seasons, Washington watched as Johnathon Jones developed into one of The Summit League's finest point guards as he garnered All-Summit League first team honors. Guard Erik Kangas earned all-league honors for the second time during his senior campaign in 2008-09, setting a new league record with 135 3-pointers made.

Washington brings plenty of playing experience to the Golden Grizzlies staff, with seven years of professional experience under his belt. He was the No. 1 overall draft pick in the Continental Basketball Association in 1998 by the Grand Rapids Hoops and has played overseas in Italy, France, Greece and Israel. He has also been at NBA preseason camps with a number of teams, including the Utah Jazz, Denver Nuggets and Atlanta Hawks.

He and his wife Channon reside in Waterford, Mich., with their seven-year-old daughter Sidney and two-year-old son Caleb.

“Success is simple. Do what’s right, the right way, at the right time.”

11TH SEASON • 217 - 160 (.576) • TWO-TIME COACH OF THE YEAR

Beckie Francis begins the sixth season in her second stint as Oakland’s head women’s basketball coach. The 2010-11 campaign will be her 11th overall with Oakland and her 14th as a head coach.

Throughout her 10-year career with Oakland, Francis has mentored two Kodak All-Americans in Sarah Judd and Katie Wolfe, and 14 All-Conference players – several of whom have garnered multiple mentions among the conference elite—including one of just two players in league history to be voted first-team All-Conference four times in Wolfe.

As a coach, Francis has led her teams to four postseason appearances, including two consecutive NCAA appearances followed by OU’s first-ever Women’s National Invitational Tournament bid, plus five consecutive championship seasons, as her teams won two straight regular season titles, followed that with two straight conference tournament crowns and added another regular season championship.

The Oakland teams have also experienced a great deal of success away from the court under Francis’ direction. In addition to numerous community outreach and volunteer projects, OU has also made the WBCA Academic Top 25 Honor Roll for five consecutive seasons since Francis’ return.

Last season Francis’ squad posted a 14-4 record in Summit League play and garnered the No. 2-seed heading into the championship tournament. Oakland’s Melissa Jeltema earned first team All-Summit League honors, while Bethany Watterworth was named to the all-conference second team and also made the league’s all-newcomer team. OU’s Hanna Reising was also named the Summit League Sixth Woman of the Year. Overall the team finished the season 17-13.

In 2008-09, Francis led the Golden Grizzlies to one of the most successful seasons of the Division I era. Oakland set a new Division I record with 26 wins, going 26-7 for the season, and posting a 16-2 record in Summit League play. The Golden Grizzlies knocked off a ranked opponent for the second consecutive season, topping then-No. 19 South Dakota State 67-51 at the O’Rena in January. Senior Jessica Pike closed her career with a laundry list of athletic and academic honors, being named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year and a CoSIDA/ESPN The Magazine Academic All-American. Pike was selected as a first team all-Summit League selection, while Jeltema earned her second consecutive second team nod. Brittany Carnago was an honorable mention all-league pick, while freshman Sharise Calhoun was named to the all-Newcomer team.

During the 2007-08 season, Francis led Oakland to a 20-10 record, its third 20-win season since joining Division I, yet another top seed in the league

tournament, and a win over a ranked program. Oakland was the only team in The Summit League to knock off a ranked opponent, handing then-No. 21 Florida State an 85-75 defeat at the O’Rena in December. Two Golden Grizzlies earned all-league honors, as Pike earned a first team selection and Jeltema earned a second team nod. Sophomore Hanna Reising was an honorable mention all-league selection, while Pike added an academic honor after being named to the ESPN The Magazine Academic All-District second team.

In 1998-99, OU’s second transition year, Francis led the Golden Grizzlies to a 14-13 overall record and a 7-9 mark against Mid-Con opponents, although those games did not count in the conference standings.

Francis took over a program in transition in 1997-98, as Oakland was in the first year of its two-year transition from an NCAA DII school to DI. She led OU to a 20-7 overall record that season, posting victories over IUPUI, IPFW and Central State.

Francis had plenty of experience leading a program through transition, as she was head coach at Stony Brook while it made the move from DIII to DII, en route to DI. Francis’ first season with the Seawolves was her first as a head coach and Stony Brook’s last as a DIII team. She led them to a 13-12 mark to qualify for the New York State Women’s Collegiate Athletic Association playoffs.

In addition to her on-court duties with OU, Francis hosts several basketball camps through the summer. She is also an advisor for the Fellowship of Christian Athletes at OU, and in the summer of 2006 Francis was tabbed by Athletes in Action to coach a team in France. The seven-member squad included Oakland’s Bonnie Baker (’07) and Jessica Pike, they spent 7 days in Dunquerque and posted a 4-0 record.

Francis and her husband, Dr. Gary Russi, live in Rochester, Mich.

ERIC STEPHAN
ASSOCIATE HEAD COACH
6TH SEASON
CARTHAGE, 1986

After spending two years as OU's Assistant AD for Operations, Eric Stephan moved back into the coaching ranks when he joined the women's staff at Oakland mid-way through the 2005-06 season. His return to the bench has been a successful one as he helped guide Oakland to a Mid-Con Tournament championship and trip to the NCAA Tournament in his first season and a regular season title and trip to the WNIT in the 2006-07 season.

The Golden Grizzlies have seen their share of individual successes during Stephan's tenure on the bench, as six players have earned all-league recognition since Stephan joined coach Beckie Francis' staff.

Now in his 24th year with Oakland University athletics, Stephan is no stranger to OU basketball fans. Prior to moving to the administrative side of the department, Stephan spent 17 years as an assistant coach for Greg Kampe and the men's basketball team.

Stephan's climb was a long and progressive one as he started out as a graduate assistant and moved up from there. Prior to the 2003-04 season he was moved up to Associate Head Coach by Coach Greg Kampe. Stephan is also a member of the Women's Basketball Coaches Association.

Stephan is married to Lynn Stephan and has two sons.

ANNE NOJA
ASSISTANT COACH
2nd SEASON
OAKLAND, 2006

Former Oakland standout Anne Noja enters her second season as an assistant coach at OU in 2010-11. Noja (formerly Hafeli), the ninth-leading scorer in OU's history with 1,469 career points, played for OU from 2002-06.

During her four-year career at Oakland, the Golden Grizzlies made consistent improvement, culminating in a conference title her senior year where Oakland advanced to the NCAA tournament. A two-time all-Mid-Continent Conference selection, Noja averaged 12.6 points for her career, and ranks second all-time at Oakland in 3-point field goals made with 235. Her .852 free throw percentage also ranks second in Oakland's history. Noja capped her athletic career by being named the Hollie L. Lepley Senior Scholar-Athlete Award winner, and was nominated by the Mid-Continent Conference as its candidate for NCAA Woman of the Year.

As an assistant coach her duties include recruiting and fundraising, along with assisting in the day-to-day operations of the women's basketball program.

Anne is married to Ramy Noja and has one son, Aden.

KATIE TROLLA
ASSISTANT COACH
7TH SEASON
OAKLAND, 2003

Former OU player Katie (Wolfe) Trolla enters her sixth season on the women's basketball staff at OU. As a player she was the second player in Mid-Continent Conference history to receive first team all-league honors all four years of her career.

Trolla serves as the team's recruiting coordinator, and is also involved in player development, scouting, and camps. Over her tenure at OU, both as a player and a coach, the Golden Grizzlies have won five championships; three during her playing days and two during her time as an assistant coach. OU has also made two WNIT appearances during Trolla's tenure as an assistant coach.

Trolla enjoyed a very successful career at Oakland, tallying 2,065 points to rank third on OU's all-time list. She also appears on 10 other career lists for Oakland, including ranking first in free throws made, amassing 509. The Cedar Springs, Mich., native additionally holds the all-time record for free throws in a game, sinking 17 against Niagara in 2001.

Trolla led the Golden Grizzlies to the NCAA Tournament in 2002 after claiming the program's first ever Mid-Con tournament title. She was named to the league's all-tournament team for her performance. One year prior, Trolla was a Kodak All-America honorable mention.

Katie is married to Joe Trolla.

PRESIDENT - DR. GARY RUSSI

Gary Russi has served as Oakland University's president since 1996, and he held the position of interim president from 1995 to 1996. Under his leadership Oakland has focused heavily on strategic planning, which has paved the way for Oakland's unprecedented growth in stature and size. Oakland is implementing core components of its OU in 2020 Vision.

In April 2005, Russi announced the university's first-ever comprehensive campaign, "Innovation and Opportunity - The Campaign for OU,"

with a goal of raising \$110 million by 2010 for professorships, scholarships, research endowments, academic programs and improved facilities. In April 2009, a year ahead of schedule, the university reached this ambitious goal and raised nearly \$112 million.

During Russi's years as president, Oakland's student population has grown from 12,000 to more than 19,000 students. Under his leadership Oakland has introduced more than 53 new academic degree programs since 1995.

Russi has led the way for Oakland University to develop major partnerships with William Beaumont Hospitals to create the first medical school in Oakland County on the university's campus, and with Thomas M. Cooley Law School to become the exclusive education partner of Cooley Law School's Auburn Hills campus. The growth and demand for more educational opportunities in Macomb County has led to an expanded partnership and the development of an educational delivery site - Oakland University-Macomb. Russi, in collaboration with leaders in Oakland County, has promoted the Oakland County's "Medical Mainstreet," a consortium of hospitals, life science and health care businesses.

In addition, during Russi's tenure, Oakland has invested — often with state support — more than \$190 million to enhance environments for teaching, researching, learning and living. The capital improvements include a \$43-million Science and Engineering building, a \$37-million Recreation and Athletics Center, the \$17.5-million R. Hugh and Nancy Elliott Hall of Business and Information Technology, the \$32-million Carlotta and Dennis Pawley Hall, \$21-million new student apartments and construction of a \$2.2 million student activities center. In addition, Oakland University is in the midst of building a \$65-million Human Health building.

Russi has achieved numerous honors and awards. Most recently, the Quality People, Quality County Award, Oakland County (2010), the Executive of the Year Award, Mayor's Business Council, City of Rochester Hills (2008), Quality People, Quality County Award, Oakland County (2008), The Morgan Family Lifetime Achievement Award from Sunrise Pinnacle Awards (2008) and the Honorary Alumni Award (2007) from Oakland University.

Russi currently serves as co-chair of the Oakland County Business Roundtable, vice chair of the Executive Committee of Oakland County Automation Alley, on the Board of Oakland County's Medical Main Street, and vice chair of the Rochester Hills Mayor's Business Council. He is a member of the Business Leaders of Michigan, President's Council for the Summit League, Rochester Coalition Committee, American Association of State Colleges and Universities Committee on Economic and Workforce Development, and the School District of the City of Pontiac Promise Zone Authority Board.

Russi earned his bachelor of science degree in pharmacy from Southwestern Oklahoma State University and his doctor of philosophy degree in pharmacology and toxicology from the University of Kansas.

DIRECTOR OF ATHLETICS - TRACY HUTH

When one thinks of Oakland University athletics, one of the first names that comes to mind is that of Director of Athletics Tracy Huth. After all, Huth has been involved with Oakland University athletics as a student-athlete, coach, and administrator since the 1980-81 academic year.

Huth was appointed Director of Athletics in October 2007 after serving as the interim director for one year, and immediately put in

motion an ambitious plan to enhance the overall Oakland University athletics experience, both for student-athletes and fans alike. The result thus far has been a more fan-friendly atmosphere at all OU events, and increasing student-athlete success both athletically and academically.

During his first year as OU's Director of Athletics, Oakland placed more student-athletes on The Summit League Academic All-League teams than any other institution, and Golden Grizzly teams captured league titles in men's and women's soccer and men's and women's swimming and diving; and saw the

school's first individual league champion in track and field. The OU basketball programs were the only teams in The Summit League to beat ranked opponents. OU also played host to The Summit League women's soccer and men's and women's swimming and diving championships. In the coming year, OU will host the men's soccer championship and the men's and women's swimming and diving championships.

The strides made by the athletics program during Huth's tenure come as no surprise to anyone familiar with his track record as a coach. Huth spent 11 years as the head coach of OU's women's swimming and diving program, establishing the Oakland program as the premier program in the country at the Division II level. He was named NCAA Division II Coach of the Year three times.

A native of Yakima, Wash., Huth is a member of the North Oakland Family YMCA Advisory Board and the March of Dimes "Walk America Troy" site committee. He earned his bachelor's degree in secondary education from OU in 1985, and his master's degree in sports administration from Wayne State in 1996. Huth resides in Clarkston with his wife Jenny, and has two children, Kara and Chance.

We are truly grateful to the more than 800 alumni and friends who have chosen to support Oakland University Athletics and our 370 student athlete

OU CHEERLEADING TEAM

The Oakland University Cheerleading Team is currently made up of 20 women that cheer at all home men's and women's basketball games. The team is currently all-girl, but is looking to expand to co-ed in the future. There will be fall walk-on tryout for those that missed the spring tryout, but all athletes are highly encouraged to try out in April as camp is a great learning and team experience! All the skills we will use for the season will be learned from camp and summer workouts.

OU Cheer practices on Mondays and Wednesdays from 6:30 pm to 9:30 pm and on Sundays from 7 pm to 9 pm. A strong commitment will be needed to be successful in this program!

The OU Cheerleading Team attends UCA cheerleading camp (this is mandatory), which traditionally falls in mid to the end of July, first part of August. The cheer team will attend along with the OU Dance Team.

OU Cheer also competed in the 2007 UCA National College Cheerleading Championships in Orlando, Florida. The team earned a bid into semi-finals...the first time ever submitting a video for Nationals All-Girl in OU Cheerleading history!

OU DANCE TEAM

The OU Dance Team performs at all men's and women's home basketball games, and selected soccer, and volleyball games. We try to attend as many OU events as possible to show our support for the University. We do various performances and appearances at events in Rochester to promote Oakland University in the community. In addition, the team works very hard fundraising and practicing to go to the National Dance Team competition in Orlando, Florida. The dance team typically consists of anywhere from 20-26 members. Every girl on the Dance Team must be a full time student (12 or more credits during fall and winter semester). We are a funded athletic sport, including travel, competition, uniforms, etc. There is some out of pocket expense, and freshmen do have a one-time fee for wear and tearables.

Home of the Oakland University men's and women's basketball and volleyball teams is the Athletics Center O'Rena. The newest and most modern facility of its kind in The Summit League, it is a part of Oakland University's Recreation and Athletics Center Complex located in the heart of the OU campus.

Home of some of the most enthusiastic crowds in the league, the atmosphere in the O'Rena starts with OU's student section, the Grizz Gang, one of the most vocal groups among Summit League student sections. With great sight lines from every seat, a brand new state-of-the-art video board, concession areas and a merchandise center, the O'Rena is truly a fan's delight to watch collegiate basketball and volleyball action in.

Groundbreaking for the facility was in the fall of 1996, with the first game occurring on November 17, 1998, when OU hosted Michigan State in front of a packed house of over 4,000 fans and a regional television audience. In addition to the arena, the facility also includes locker rooms for all of OU's 18 sports, a modern training room, office space for the athletic department, a media room, booster room, weight room, equipment room and a 1,000-seat natatorium.

Some of the top teams in the nation have visited the O'Rena in the past including Michigan State, Michigan, Missouri and Texas A&M. Always a tough place to play for Golden Grizzlies opponents, Oakland has won more than 68 percent of its games in the seven seasons that the facility has been in operation, including a 97-90 win over Michigan in 2000.

The men's basketball team has posted back-to-back undefeated seasons against league opponents inside the O'Rena (18-0). Oakland has won 20 straight Summit League games at home and boast the nation's 14th-best home court winning streak in the country with 13 straight wins heading into 2010-11. OU is 36-6 over the last three seasons at home and have won 27 of its last 28 games inside the O'Rena.

The women's basketball team posted an undefeated record (9-0) at home inside The Summit League in 2008-09 and finished '09-10 with an 8-1 record. The Golden Grizzlies ended last season on a four-game home court winning streak and are 27-5 against league opponents over the last four seasons inside the O'Rena.

Part of the campus recreation complex, the recreation side of the facility includes a three-court gym, weight training and fitness area, multipurpose/aerobic rooms, racquetball and squash courts, a wellness center and classrooms and meeting areas.

The "Grizz Gang" is a main stay at all Golden Grizzly home games. Made up of Oakland students, the "Grizz Gang" is another reason why Oakland has one of the nation's top 15 home court winning streaks.

Oakland Athletics says in its mission, above all else, we produce graduates, champions and friends of the university. It is a motto that the Golden Grizzlies live by. Every year, Oakland produces team and individual league titles and multiple postseason appearances.

» In the classroom, OU led The Summit League with 202 Academic All-League selections in 2009-10, while numerous Oakland student-athletes received ESPN The Magazine Academic All-District and All-America honors. Oakland has led The Summit League in Academic All-League selections in five consecutive seasons.

» Just completing its 11th year at the Division I level, OU has won 20 Summit League regular season championships, 38 tournament titles and made 26 NCAA Championship appearances.

» Oakland University has captured nine team national titles and 161 individual NCAA crowns, second only to Stanford.

» Student-Athletes have cumulatively earned 232 All-America accolades and 84 players have been tabbed player/athlete of the year.

MEN'S SWIM TEAM » The Golden Grizzlies won their 32nd straight league title, and 11th straight Summit League championship in 2009-10.

WOMEN'S SWIM TEAM » Oakland continued its dominance of The Summit League with its 11th straight league championship in 2009-10. The women's team have won 16 straight conference titles dating back to the D-II days.

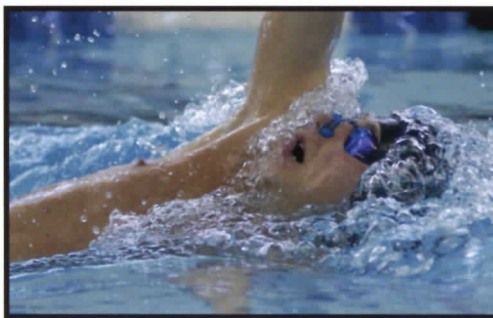

MEN'S BASKETBALL » OU won a program-high 26 games last season and set a new league record with a 17-1 mark in league action. Derick Nelson scored a career-high 36 points in the tournament championship game en route to being named tournament MVP.

KEITH BENSON » named Mid-Major Player of the Year, Summit League Player of the Year and garnered Associated Press All-America honorable mention honors after leading the Grizzlies to a pair of Summit League titles and an NCAA tournament berth.

AGNES SOLAN » She won three individual titles at The Summit League Championship en route to being named Swimmer of the Meet. Oakland won its 11th straight Summit League title and its 16th consecutive conference championship, going back to the D-II days.

ANDERS JENSEN » He earned his second straight Swimmer of the Meet honor after capturing three titles in the 200 butterfly, 100 and 200 backstroke.

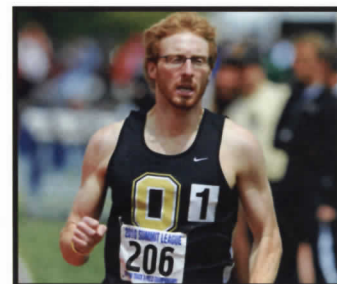

KELSEY KRYCH » She broke the single-season school record with 34 swipes in 37 attempts. Krych was named to the All-Summit League second team for her efforts.

AARON WICK » Tossed the first-ever Division I no-hitter for the Golden Grizzlies last season. OU made the conference tournament by sweeping Southern Utah in the final league series.

MICHAEL CORIASSO » Garnered all-league second team accolades after he tallied a T10 finish at league the championship.

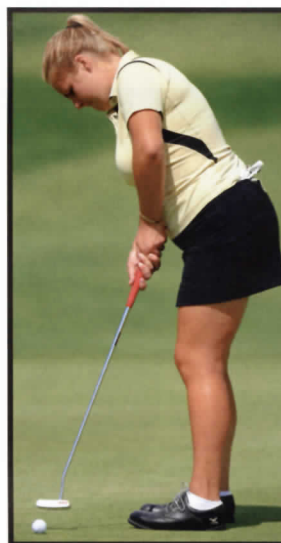

JASON BIGELOW » The first-ever NCAA Outdoor Track and Field Championships qualifier after winning the 1500 meters at the league championship and posting a top-24 finish at the NCAA Regional Track Championships.

BETHANY WATTERWORTH » Named to The Summit League All-Freshman Team after guiding OU to its fourth consecutive top-2 finish inside The Summit League. Oakland has posted 24 straight winning seasons in league action.

MICAH JONES » She advanced to the NCAA East Track and Field Regional after finishing runner-up at The Summit League Championship in the long jump.

LIZ ECKER » She Posted her second straight top-5 finish at the league championship and earned all-league honors.

LIA JONES » The third runner in school history to earn All-Region honors, finishing 18th. The men's team finished third at the league championship, while the women posted a fourth-place finish.

ALL-AROUND EXCELLENCE

You're part of the TEAM!

As a member of the Oakland University Alumni Association, you enjoy access to great programs and facilities on campus and off.

Stay connected, expand your networks and build valuable relationships with fellow alumni and students. Through the alumni association, graduates maintain an active role in supporting programs and building relationships that benefit students and the university.

How the OUAA keeps you connected:

- OUAA activities and its person-to-person network develop relationships that impact alumni and friends and renew the commitment to OU and its students.
- OU alumni enjoy access to campus facilities including Kresge Library, the Rec Center, OU Career Services and more.
- Graduates help strengthen the university by volunteering their time and service to programs like the Alumni Admissions Ambassador Program (AAP). Ambassadors act as a liaison between the university and community by sharing their OU experience with prospective students and their families.
- OU alumni continue to be an essential part of the OU community as major contributors to the success of Oakland University.
