Freezing Rain Coats State With Ice

Cars Tumble Down 15-Foot Embankment

GENERAL VIEW OF EASTERN WRECK — Above is a general view of the wrecked Washington to New York passenger train after several of the cars left the rails and rolled down this 15-foot embankment near Odentown, Md., last night.

Train Crackup Kills 5, Injures 100

ODENTON, Md. (AP)—Seven cars of a passenger train, racing at 80 m.p.h. through the flat countryside between Washington and Baltimore, broke loose last night and overturned. Five persons were killed and more than 100 injured.

A Pennsylvania Railroad spokesman said it was not yet known whether faulty air brakes caused the accident or whether the air brakes went on as a result of the accident. The engineer said the brakes grabbed suddenly.

The worst mangled car on the New York-bound Embassy was the diner. Apparently it tipped over just as it started to pass one of the heavy steel girders supporting overhead electric cables.

The force of the impact literally peeled back the roof of the diner like a sardine lid. The coach broke apart. Dining chairs were tossed 50 to 75 feet away. Scattered stacks of linen napkins were blackened by the tramping back and forth of rescue parties.

Ten-year-old Paul Sloane of Baltimore, making the trip from Washington alone, said:

"I felt a bumping and heard a big noise. Then I knew we were in a wreck. I was real scared. I got bumped around, but I didn't get hurt."

The dead were Alexander Nero, 22, Trenton, N.J.; Thomas Reed Johnson, 35, Baltimore; Alfred B. Haupt, Baltimore; Sydney Jackson, 50, New York City; and Edward Q. Holloway, Wilmington, Del.

Of 90 persons taken to six Maryland hospitals, 59 remained hospitalized today. Scores of others were treated at the scene by dozens of doctors and nurses.

The derailment occurred about 10 miles south of Baltimore. Engineer Herman Malzer of Point Pleasant, N.J., told police he was making "normal speed — 80 miles an hour" when the air brakes suddenly grabbed.

Herbert R. O'Conor of Baltimore, former Maryland governor and U. S. senator, was among those injured, though not hospitalized.

Passengers credited him with helping persons trapped in one of the overturned passenger coaches to free themselves.

A dining car waiter, Watson Hayes, was serving a ham steak when the car "broke wide open."

"It seemed like I was in a pillow of clouds for a second. And then I was in a field," he said, nursing his injuries. "I don't know what happened. I guess I was thrown clear. People are lucky to be alive who were in that car."

* * *

The cars jumped the track in a relatively isolated section where the right-of-way is built up about 15 feet over low, marshy ground.

Two of the three lanes of traffic were tied up by the sprung rails. Railroaders at the scene reported the third track was clear, but the impact of the dining car against the girder had torn away the overhead power lines.

Thirty-six persons, among those who survived the train wreck last night at Odenton, Md., arrived in New York early today in a thankful mood and full of praise for fellow passengers and rescue workers.

The group was brought here by a relief train of the Pennsylvania Railroad.

Nearly 400 persons were aboard the train when it left Washington. The wreck was one of the worst in the history of the Pennsylvania's heavily traveled Washington-New York line.

The injured were rushed to hospitals at Ft. Meade, Annapolis and Baltimore.

Suggests TB Sanatorium Be Converted to Hospital

State Rep. Leslie H. Hudson (D-Pontiac) today suggested the "medical-care situation in Oakland County might be greatly relieved by conversion of the county tuberculosis sanatorium to a general hospital."

Hudson, who studied the county's medical facilities recently as part of his legislative duties, said "the Supervisors offered to sell the sanatorium to the state, indicating the building is no longer needed for TB treatments.

"The facility, with 240 beds, had an average 124 patients last year and cost $200,000 more to operate than would be required in smaller quarters."

The county contagious hospital, with 80 beds, had an average 10 to 12 patients in 1955, said Hudson. "By moving TB patients into the contagious hospital the sanatorium could be freed for use as a general hospital."

The move would be beneficial to Pontiac, Hudson asserted. Pontiac General Hospital now accepts patients from outside the city which are charged an extra fee, "but their treatment still costs the city about $75,000 extra each year.

"If the county provides facilities for more than 200 patients, the load on Pontiac General Hospital would be reduced and the planned $3,000,000 addition make General adequate for city residents for years to come.

"The city would save money now used to subsidize county patients and the county stop paying for upkeep of unused space," Hudson declared.

He has been informed, said Hudson, that a main reason why Pontiac General has trouble in getting Hill-Burton federal-aid money stems from a feeling the county is not using its present facilities to the fullest extent.

License Plate Office Open 9-5 Tomorrow

Because of an expected rush of license plate buyers, the Michigan Department of State Pontiac branch office, 53-55 N. Parke St. will be open from 9 a.m. to 5 p.m. Saturday.

Manager Willis M. Brewer reminded drivers that midnight Wednesday is the deadline for driving with last year's license plates.

The office will be open from 9 a.m. to 5 p.m. Monday and Tuesday. It will remain open Wednesday "as long as there's a customer," Brewer said.

Bachelors, Steer Clear of This Leaping Town

AURORA, Ill. (INS)—It will be open season on bachelors next Tuesday in Aurora with a beautiful blonde high school teachers leading the Leap Year day manhunt.

The blonde, Mary Rheinart, will be honorary mayor and her police force of spinsters will round up every unmarried man in town. The bachelors will have a choice of paying fines, being tossed in jail—or perish the thought, getting married

The fines will go to the Heart Fund.

GM Ups Prices on Automobiles

But Corporation Orders Cut in Destination Rates on New Vehicles

DETROIT (INS) — General Motors Corp. today raised new car prices $22-36 and announced a reduction of destination charges which it claimed eliminates controversial "phantom freight" for retail delivery of cars at distances over 900 miles from Detroit.

Reductions in destination charges will range to a maximum of $58 on new Pontiacs. Cuts by the GMC Truck & Coach Division will go to a maximum of $52 on light trucks to $111 on medium trucks.

GM President Harlow H. Curtice said:

"As a result of the adjustments, the aggregate destination charges to be collected from the dealer closely approximate the actual costs."

The so-called "phantom freight" charges were a major issue in recent congressional investigations into market practices in the automobile industry.

GM's reduced destination charges on light and medium trucks as well as cars go into effect Monday. Wholesale price increases to dealers on the same units also will be effective at the same time.

The new destination charges added to the new wholesale price to GM dealers will result, according to the announcement, in either over-all price reductions or no change to approximately half the firm's U.S. sales volume. Slight price increases will become effective for the remaining GM volume.

The wholesale price hikes to dealers range from $22.80 on the Chevrolet to $36 on the Cadillac.

Dealers in locations from 900 to 1,600 miles from GM's Michigan plants will derive the greatest benefits from the reductions in destination charges.

Ford Motor Co. announced destination charge reductions to its dealers last Saturday and, at the same time, raised wholesale prices on trucks and cars.

Chrysler Corp. made no immediate comment, but was expected to make adjustments in a matter of days.

Cross-Examine Fenton Attorney in Assault Trial

Clifford Dye Quizzed by Assistant Prosecutor in Non-Fatal Shooting

Tension mounted in Circuit Court yesterday as Clifford B. Dye, charged with attempted murder, began answering cross-examination questions hurled at him by Chief Assistant Oakland County Prosecutor George F. Taylor.

Dye, 54, former Fenton village attorney, is accused in the non-fatal shooting last Aug. 26 of Fenton tenant farmer, William C. Clark, 27.

Clark claims he was shot by Dye while trying to protect his wife and children from gunfire. Dye alleges Clark assaulted him and the shot was fired in self-defense.

On cross-examination yesterday, Dye said his law practice has been restricted mainly to civil matters and "I'm not a criminal lawyer."

Taylor then asked the accused if he hadn't been a magistrate in Louisville, Ky., before moving to Michigan in 1941, and conducted more than 3,000 criminal trials.

TRIALS DISPUTED

Dye said he did not handle "more than a half-dozen."

Taylor kept contending that Dye's answers to his questions contained phrases not related to the question, but calculated to influence the jury and as a lawyer Dye should know better."

The prosecutor asked Dye if he once shot at two men fishing on a lake on his (Dye's) farm." Dye said he hadn't, but stated he "pursued people with a shotgun" who broke into his cabin "or were stealing the boat."

Taylor asked Dye why the attorney had not given his version of the shooting on the night it occurred. "Why did you wait all these months," Taylor queried.

"I told you I had been assaulted by Clark," Dye asserted, "and I had done no wrong legally or morally."

Questioning of Dye was expected to continue as the trial entered its sixth day today before Judge Clark J. Adams.

Golf May Determine President's Decision

NEW YORK (AP)—Harold E. Stassen, an assistant to President Eisenhower, when asked yesterday if he had inside information on whether his chief would seek re-election, told newsmen:

"Never have 18 holes of golf meant so much in the history of the nation, and you can say I said that with a smile."

The President, vacationing in Thomasville, Ga., played 18 holes of golf Wednesday for the first time since his heart attack last September.

Hope to Halt Disease

Cancer Infection Claims Leg of Junior High Boy

An athletic Pontiac boy, 14, sacrificed his right leg yesterday in an effort by University of Michigan specialists to stem a dread cancer infection.

Gary Thouin is a victim of a malignant bone tumor called "Ewing's sarcoma," they said.

Only son of Mrs. Selma Thouin, 34, of 1032 Arline St., he has been in the University Hospital at Ann Arbor since Tuesday, under the care of Dr. Carl E. Badgley, eminent professor of orthopedic surgery.

GARY THOUIN

Mrs. Thouin at the hospital late yesterday afternoon said her son was still under anesthesia in surgery. He lost his leg from the hip down.

The mother is an office worker at Pontiac Motor Division, where fellow-employes undertook to help pay for Gary's care.

One of them, Robert Gardner, of 551 DeSota Pl., said a six-day collection started yesterday among day-shift workers netted $200.

HELP NEEDED

"The woman needs help," he said. "Except for her son, she is alone in the world. She may have to give up her home, car—everything — for Gary's treatment."

Gardner's son Ronald, 15, stayed with Gary yesterday and today. "They are best friends," Gardner said. "They played basketball together at Lincoln Junior High School. They're both in the ninth grade."

Also at the boy's side was Rev. George Mahder, pastor of St. Paul Lutheran Church.

Gary noticed a pain in his ankle less than two weeks ago, Mrs. Thouin said. He entered Pontiac General Hospital where a biopsy indicated the disease.

She said Gary was still a baby when she and his father were divorced.

Icebound Buses Force Shutdowns at Many Schools

Chaotic weather conditions today forced shutdowns and slowdowns in many area schools. At least one loaded school bus skidded off the road, but no passengers were reported injured.

Clarkston and Bloomfield Hills Schools were reported totally closed for the day, Southfield Township Junior High School, with partial attendance, has called off afternoon classes.

Troy Township elementary schools also are closed for the day, but classes are in session at Junior High and High Schools. Buses are reported unable to move.

Waterford Township buses did not run today, but classes were in session for students able to reach the schools.

All Pontiac schools were reported open, but a Pontiac school bus skidded off Square Lake road near Middlebelt road on the way to School. Thirteen other buses were reported running, but behind schedules.

Solons Urge Aid to Turnpike Unit

Senators Ask $160,000 to Head Off Emergency Fund Shortage

LANSING (AP) — Five legislators have rallied to the support of the nearly-broke Michigan Turnpike Authority, proposing replenishment of the agency's cash box.

A bill calling for an operating appropriation of $160,000 was filed Thursday by five senators, headed by Sen. Perry W. Greene (R-Grand Rapids).

The other sponsors were Sens. Haskell L. Nichols (R-Jackson), highways committee chairman; Leo H. Roy (R-Hancock), Clarence F. Braebner (R-Saginaw) and Charles S. Blondy (D-Detroit).

The funds would enable the authority to stay in business, more or less on a stand-by basis, while controversy over the extent of its powers and other issues is finally resolved.

The State Senate Judiciary Committee indicated today it will approve a resolution to submit the question of a $300 million bond issue for toll roads to Michigan voters next November.

Another measure would lift restrictions on the authority's route determination powers.

George Higgins, chairman of the Michigan Toll Road Commission, said the bond issue would be augmented by another $300 million raised by revenue bonds, and that the state eventually would have a new highway system costing $6.7 billion.

In its third annual report, distributed Wednesday, the authority showed that as of Dec. 31 it had $500,000 appropriation.

left only $31,000 of its original

The proposed new allocation of funds, like the first appropriation, would in effect be a loan of highway department monies that would have to be repaid from bond issue proceeds, if the beleaguered agency ever gets into the financing and construction phase.

Schools Close, 3 Die in Crash on Glazed Roads

Slick Highways Result in Many Tie-Ups of Work-Bound Drivers

Freezing rain, which lashed Pontiac and the state this morning, forced thousands of drivers to slither along in snail-paced traffic.

Some 50,000 school children in Western Michigan got unexpected holidays as buses failed to move, and at least three traffic deaths were blamed on icy road conditions.

Pontiac City buses halted at 9 a.m.

Hour-long jams were reported on ice-slick hills as motorists clogged main highways trying to get to work. Traffic was halted in many places when jack-knifed cars blocked roads.

No serious accidents were reported in the county since the rain began at 7:30 a.m. The weather bureau hoped the freeze will end this afternoon.

Three occupants of one car were reported killed in a collision with a gravel truck at 8 a.m. on U.S.16, two miles east of New Hudson. Dead are:

ALL DETROITERS

Ray Vennard, 45; Robert W. Vennard, 18, and Ralph C Jones, all of Detroit. The truck driver, unidentified, was reported hospitalized.

Hundreds of minor accidents were reported to overworked county police forces, who said only slight personal injuries occurred.

In Pontiac, city salt crews were on the streets at 8 a.m. the road commission reported but main streets were still bad two hours later, side streets were described as "terrible."

A three car accident occurred at 8:10 on Telegraph rd. near Sylvan Lake but according to Pontiac police no one was injured.

Emergency stations of the AAA said "several hundred" calls had been made by stranded motorists, but service equipment in many cases was unable to navigate slippery streets.

A serious tie-up was reported on W. Huron street, where hundreds of west-bound cars were

5 Hurt as Auto Hits Detroit Bus

34 Passengers Shaken When Vehicle Rams Into Porch and Building

DETROIT (INS) — Five people were injured, two critically, and 34 bus passengers shaken up in Detroit today when a passenger car rammed the bus at Moran and E. Milwaukee.

Police said the driver of the car, Allen Billups, 22, of Grosse Pointe Woods, crossed Milwaukee without stopping because the stop sign had been knocked down yesterday in another accident.

Critically injured were two passengers in Billups' car: Ellwood O'Hara, 32, and Cyril Vanderschaever, 33. Billups and two bus passengers, Elanore Kossel, 41, and Robert Borowski, 21, were less severely injured.

The bus driver, Robert C. Pearson, said he veered his bus to avoid the car, knocked down a fire hydrant, then tore off the corner of a dry goods store and pulled down the front porch before the bus stopped against a third building.

The car ran over the sidewalk, hitting two utility poles.

Expect Answer on Hospital Aid

Federal Help Sought for Expansion Project at City Building

An answer is expected in the "near future" on whether Pontiac General Hospital can expect federal assistance in their $3,000,000 hospital expansion program.

A group of four officials from the hospital met yesterday in Lansing with Jordan Popkin, state director of the hospital survey and construction department, and a 12-member hospital construtcion council.

The group included Chairman of the Board of Trustees William P. Babcock, Hospital Director Miss Lauretta Paul, Chief of Staff Dr. Harold A. Furlong, and Willis M. Brewer, chairman of the property committee of the Board of Trustees.

"We just presented our case for federal aid," Brewer said this morning. "They told us the director would advise us of their answer later, probably in the near future."

He would not say whether the group left the one-hour session feeling optimistic or not. "Let's just say we hope we will get some federal aid."

If federal aid is granted to the hospital it must be allocated out of the 1957 Hill-Burton federal program because all 1956 funds have been allocated, Brewer said.

According to Miss Paul, the $3,000,000 bond issue will not cover the entire cost of the program based on architect's estimates.

Okay Adoption of Pension Plan

City Employes Approve Grouping Local Benefits With Social Security

By a vote of 631 to 140, city employes yesterday decided in favor of coordinating the city pension plan with Social Security.

According to Director of Finance Oscar Eckman, the vote carried by a 64.4 per cent margin. Out of the 979 eligible voters, 771 cast a ballot either for the proposal or against it.

It will be necessary for Pontiac voters to decide the issue because it requires a charter amendment on the original pension plan, Eckman said.

It is expected the issue will be put to the vote of the people at the primary, Aug. 7.

If adopted city employes will derive both city pension plan benefits plus Social Security benefits when they reach the retirement age of 65.

Eckman said city employes will also receive insurance under Social Security if the coordinated plan goes through.

The plan would affect all city employes, except fire and police who are exempt under federal law, that were on the city payroll as of Nov. 18, 1955.

Planner Cites Gains in Regional Building

DETROIT (INS)—Enough homes have been built in Oakland, Wayne, Macomb and the four eastern townships of Washtenaw County since 1950 to house 756,000 people.

Thus, according to Paul M. Reid, planning analyst for the Detroit Metropolitan Area Regional Commission, the area has enlarged enough to house the 1950 population of Pittsburgh.

Actually, Reid told the commission's Sixth Annual Conference, in the five years since 1950, the region added 500,000 people—more than lived in the entire area in 1900.

Reid said that since 1950, nine new cities and villages have been incorporated and total employment has risen 110,000—from 1,326,000 to 1,436,000.

Lobbying Probe Set for Biggest of Investigations

WASHINGTON (AP)—A bipartisan committee of eight projected today a many-sided Senate investigation of political pressures, lobbying and campaign contributions.

* * *

In compliance with a resolution passed Wednesday by a 79-1 vote, Vice President Nixon last night officially named the four Democrats and four Republicans who will undertake what Sen. Lyndon B. Johnson (D-Tex) called "one of the most searching investigations in our history."

Johnson, the Democratic leader, picked as members from his party's ranks Senators Gore of Tennessee, McClellan of Arkansas, Anderson of New Mexico and Kennedy of Massachusetts.

Sen. Knowland of California, the Republican leader, named GOP Senators Bridges of New Hampshire, Thye of Minnesota, Goldwater of Arizona and Purtell of Connecticut.

Royals Upset Insurance '5'

Lakeside Cagers Spoil Sun Life's Hopes With 64-57 Win in City Loop

The Lakeside Royals ruined any hopes Sun Life's cagers held of catching pace-setting Shaw's with a stunning 64-57 victory Thursday night in an adult American League basketball game at Pontiac High.

Walt King meshed 21 points to spark the Royals to their upset of the runner-up insurance club. Lakeside's fired-up team was in front all the way. Hal Trott topped Sun Life with 16 points.

Booth Homes pulled a mild surprise by defeating Stadium Inn, 48-44, in the American loop nightcap. Ron Hetherington paced the winners with 15 points. Booth grabbed a 26-18 halftime lead and was never headed.

The Meteors returned to their winning ways in Class D National division action at Eastern with an easy 53-31 verdict over Slaybaugh's. Dick McLaughlin amassed 32 points for the league-leading Meteors.

In 'D' American division play the Wolverines rallied in the 4th quarter to defeat the Spartans, 40-35. The losers' Dave Grubb took scoring honors with 18 points. Jim Shorter tallied 12 for the Wolverines.

backed up because of a slippery grade near Pontiac High School. The trip from Telegraph Rd. downtown was reported to take 30 minutes.

Bundy construction company, working at the corner of W. Huron and Pine streets, helped relieve congestion by placing dirt on a Huron street grade at Wayne St. One driver had tried unsuccessfully for half-an-hour to get up the hill.

Another jam occurred on Oakland avenue where about 200 northbound cars were halted at 10 a.m. as far north as Hill street.

Traffic south of the city on Telegraph Rd., practically at a standstill earlier, was reported moving by 9:30 a.m. after salting by Oakland County Road Commission workers.

Cars on Woodward Ave. were lined up over a half mile on either side of Square Lake Rd. at 10 a.m., although the intersection had been treated by salt-crews.

A traffic count at the corner of Hunter Blvd. and Maple Ave. in Birmingham revealed cars were moving at 20 per cent of normal an hour after the freeze started.

One woman motorist deserted her stalled car at the corner of Woodward and Lone Pine Rd. in order to get home to her children, according to Bloomfield Hills police. Her 2½-year-old daughter was left in the car and taken to the police station, Police Chief Stanley Kevern said.

U.S. 10 on Waterford Hill was the scene of long traffic lines, as motorists crept over the crest of the hill.

A county official said, "Every place there is a hill, there is a traffic tie-up."

Similar traffic conditions were reported throughout the state. Two inches of ice blanketed Oceana County and the Greater Muskegon area was covered by a half-inch of glaze. At least 50,000 children missed school, an early roundup indicated.

Boy Confesses to Killing Scout

His Move Exonerates Twin Brother in Death of 9-Year-Old Cub

WHEELING, W.Va. (AP)—Thomas Williams Jr., 14-year-old twin, has "made a complete confession" of the slaying of a 9-year-old Cub Scout, his attorney said.

"The twin Joseph is completely exonerated by his brother," said Atty. William Callahan.

The Williams boys were indicted earlier this week by a grand jury in the bludgeoning of David Powell. The body of the boy, who left home Feb. 9 to sell tickets to a scout benefit, was found the next day beneath the porch of the Williams' home.

The twins, who oftened played with David, were charged with the slaying Feb. 11. They insisted they were innocent until Wednesday.

INDEPENDENT PROBE

Callahan said he and his investigator E. R. Schreiber had been conducting an independent investigation of the case ever since he agreed to represent the twins.

Callahan said that Wednesday night "one of the twins indicated that he wanted to make a statement, which he did. I contacted the prosecuting attorney as a matter of ethics . . After consulting with the prosecuting attorney, I made known to him that the twin Thomas had made a complete confession. The twin Joseph is completely exonerated by his brother."

Tommy Williams had been questioned extensively about blood stains on his trousers.

Prefer Movies to Mental Aid?

Lieut. Gov. Hart Says 147 Times More Money Goes to Theaters

"We Americans spend 147 times more money for movies than on research to preserve mental health," Lt. Gov. Philip A. Hart told the Founders Day meeting of the Wixom PTA last night.

* * *

Hart said present statistics show "one out of every 16 children born this day will suffer a mental disorder; and unless the trend is halted, by 1956 one out of ten will suffer a mental disorder. Surely the problem of mental health ranks as one of our most pressing."

Hart expressed hope that the legislature will adopt Governor Williams' mental health program. Hart said it includes:

Expansion of the Mt. Pleasant and Coldwater State Home and Training Schools; a new 400 bed nursery at Lapeer State Home and Training School; Caro State Hospital expansion for epileptic patients; request for funds to purchase a stie for a new 2,500 bed home and school, and programing for a second new hospital.

Hart also stressed need for additional trained personnel in the mental hospitals.

No Immediate Plans for New Ford Stock

BOSTON (AP)—A spokesman says the Ford Foundation has no immediate plans to sell additional shares of Ford Motor Co. stock.

H. Rowan Gaither Jr., foundation president, told a news conference yesterday neither the Finance Committee nor foundation officers have considered sale of additional shares.

"I can't say whether at the end of 1956, or in 1957, or 1958, there might not be a second offering," he added.

Principal assets of the Ford Foundation is made up of 36,148,620 shares of Ford Motor Co. stock.

Saying that some people have assumed there would be an early offering of additional shares, Gaither added the foundation's plans for diversification of its investment folio contemplate sale of stock over a period of years.

GEORGE MEANY

Labor and Industry Fail in New Try for Peace Pact

WASHINGTON (AP)—A new try for a peace pact between industry and organized labor has ended, for the present at least.

Sharp disagreement was registered by the two factions over union shops.

AFL-CIO President George Meany met with Chairman Charles R. Sligh Jr, of the National Assn. of Manufacturers' Executive Committee yesterday to discuss possibilities of a broad-scale agreement.

But they split on the first point to come up — labor union insistence on compulsory union membership provisions — and from then on it was no use talking about anything else.

"We seem to have run into a first hurdle here that it will be pretty hard to surmount," Sligh said.

As the first of four proposals, Sligh suggested that organized labor quit demanding union shop contract terms, requiring all an employer's workers to join a union.

"GREAT OBSTACLE"

"Union insistence on compulsory union membership is today the greatest obstacle to acceptance of unions by the public, employes and employers," Sligh said.

Meany replied that organized labor feels it must have such arrangements so that all workers will pay in union dues the cost of maintaining the union as a functioning mechanism.

* * *

Sligh proposed also a ban on either union or business political spending, a free hand for employers to cut labor costs to improve efficiency, and a ban on "labor violence or force of any kind."

The two leaders appeared annoyed when they parted, though they shook hands and said they'd gladly meet again. But the occasion is not likely to be soon.

Danish Spinsters Trek to Island to Nab Mates

COPENHAGEN (INS) — About 100 Danish spinsters are making a special excursion today to Fejoe Island in search of husbands.

The unmarried ladies, who range from teenagers to women in their 60s, are availing themselves of the ancient Danish custom permitting women to propose to men on the island on "Skuddag," or Leap Year.

Studio Stock Sold by Mary Pickford

HOLLYWOOD (INS) — Mary Pickford, one of the founders of United Artists, has sold her interest in the film concern.

* * *

Her departure ended all participation in the company by the original stockholders.

The producing and releasing concern was started in 1919 by Miss Pickford, her then husband, Douglas Fairbanks, Charlie Chaplin and D. W. Griffith.

She was starring in "Daddy Long Legs" then and Chaplin was producing "A Woman of Paris," starring Adolphe Menjou.

* * *

Chaplin sold out to a group headed by Robert S. Benjamin a year ago and Miss Pickford completed the sale of her stock to the same group yesterday.

He Plays Costly Tune

GRAND RAPIDS (AP) — Donald Jager's piano lesson Wednesday turned out to be a costly tune. A thief rifled his jacket pocket of $45 while Donald, 15, was taking his lesson at a downtown studio. The money was part of his account as a newspaper carrier.

Flood Threats and Landslides Periling Europe

LONDON (AP) — A slow thaw spread fearsome landslides and flood threats over parts of southern Europe today. The rest of the Continent shivered, with little sign of a break in the worst winter anybody could remember.

* * *

No deaths were yet reported from the slides in Italy and Yugoslavia, but it was believed they would add to the toll of 831 known dead in the record freeze, now in its 25th day.

Crop damage ran into hundreds of millions of dollars. Food prices rocketed. Coal and other fuel was running short.

At Vasto, in central Italy, a landslide crumpled 150 homes.

* * *

A temperature rise promised Britain failed to materialize and new snows spread over the eastern part of the island. More cold weather was forecast.

Hospital Gets $10,000

DETROIT (INS) — Detroit hotel operator David Saffir last night presented a $10,000 gift to the City of Hope, a medical and research center for circulatory respiratory and malignant diseases in Duarte, Calif.

Excavators found an unbroken hen egg in a 400 B.C. tomb in the Etruscan Necropolis of Spina, near Ferrara, Italy.

The Day in Birmingham

Honor 75 City Employes at Recognition Banquet

BIRMINGHAM — Among 75 city employes honored at last night's Recognition Banquet, were two whose retirements are concluding long periods of service in the Birmingham government.

Police Sergeant Robert Emmett and City Assessor Elmer Haack were attending probably their last city event as employes. Emmett's service ended yesterday in retirement after 25 years and Haack will be leaving the end of March after 19 years.

Haack who was born in Southfield Township was that township's supervisor for five years before he came here in 1937. He is a University of Michigan graduate in Electrical engineering in 1912.

On the Oakland County Board of Supervisors as an assessor, Haack is currently chairman of the group's health committee and the cost sub-committee of the equalization committee.

A Royal Oak resident, he has not announced future plans, but city officials indicated that they assumed Haack would continue active work for several years.

JOINED STAFF IN 1930

Sgt. Emmett who joined the police staff in 1930 after three years on the Orchard Lake Police Department was granted extension when retirement time came three years ago. He lives on Ann Street and belongs to the Elks and the Metropolitan Club.

Dana Whitman Jr., assistant city manager who acted as toastmaster for the dinner cited the two and City Manager D. C. Egbert whose retirement is in spring of 1957.

Egbert, among 25-year-men receiving gold watches, was given his by Mayor Charles Renfrew who spoke on the merits of the annual recognition banquet.

Also in presentation ceremonies for the 25-year-men were Harry Allen who was mayor during the years just before and after the village became a city in 1933 and John Martz, commissioner for 12 years and mayor for eight.

The 296 people attending watched presentation of corsages to the 25-year-men's wives by Commissioner Mrs. Howard Willit and group presentation of the service pins to the rest of the 75 men and women honored.

A variety program included a barber shop quartette of city employes. Patrolman Joe Davis's songs and Bernard Flowers' electric guitar music.

* * *

The City Recreation Board, which has the new director's post to fill with applicants already making contact with the board, and to give suggestions if any on the commission's resolution on the board's activities, will meet next Wednesday night.

The resolution was tabled last Monday by the commission pending consideration of any changes wished by the board.

* * *

Reading in the library's story hour Saturday at 10:30 a.m. will be Grimm's Fairy Tales, "The Twelve Dancing Princesses" and the English folk tale, "Henny Penny."

* * *

Holy Name Parish women will be attending a day of recollection, an all day prayer sermon and worship service sponsored by the Altar Society on Tuesday. Mass at 9 a.m. starts the program with the Rev. Fr. John Trese, director of the Oakland County Catholic Family Center talking in morning and afternoon sessions.

Rape Slayer Executed

JEFFERSON CITY, Mo. (INS)—Arthur Ross Brown, 31, confessed rape slayer of a Kansas City auto dealer's wife, was executed in the Missouri gas chamber early today at Jefferson City.

Brides and bridegrooms aged 14, 15, and 16 were among the 20,000 marriages in Victoria, Australia, last year, Melbourne learns.

Twelve Children Saved After Eating Poison

PARAMOUNT, Calif. (AP) — Twelve children ranging from 1 to 7 years came upon gopher pills in Mrs. Theresa Dorothy Wood's back-yard. They sampled them.

Mrs. Wood's two children were among the group and she chanced to find them with the pills. She took the pills to a druggist and learned they contained strychnine.

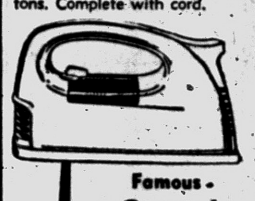

The 12 children were bundled into an ambulance and off they went to Rancho Emergency Hospital. They all got stomach pump routines and were sent home in good condition, but frightened.

Mrs. Wood doesn't know how the poison got into her yard

Stalin's Detractors Put a Hypocritical Gleam on Themselves

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Stalin's heirs now denounce him like men anxious to get rid of a stench. Becoming so extreme about it so suddenly, they raise an immediate question about themselves.

These new Kremlin leaders, tumbling over one another to condemn Stalin at this late date, were his right-hand men either all or part of the 29 years he ran the show in Russia. He died in 1953.

If he was as bad as they now say he was, why did they wait til now to say so? Why did they not only let him get away with it but cooperate with him and glorify him in his lifetime?

* * *

They can't claim ignorance of what was happening. They were part of it. This makes them hypocrites who either agreed with him in his lifetime or lacked the guts to throw him out, and now put on this act because it serves their purpose.

ATTACKED BY NAME

At the Russian Communist Party's 20th Congress last week Stalin was attacked by name or indirectly by party boss Khrushchev, Premier Bulganin, Deputy Premiers Malenkov, Suslov, Mikoyan and Kaganovich, and Foreign Minister Molotov.

Summed up, this in effect was the catalogue of sins they blamed on their old boss.

* * *

He betrayed the spirit of the revolution with one-man rule; he twisted history in his writings; he set back the revolution with his domestic and foreign policies; and some or all of his old Bolshevik comrades, whom he had shot in the purges of the 1930s, were framed.

Why this switch by Stalin's heirs? They had to make it. They had to give communism a fresh and attractive look, which meant wiping out the Stalin look. He had left them and communism hanging on a hook.

* * *

By the time of Stalin's death communism, except for what the Red Chinese could do, was standing still. The West was surrounding Russia with allies, or trying to. And Stalin had made communism repulsive, even to an ignorant native of Malaya.

Communism the world over had become associated in people's minds with violence, aggression, murder, purges, liquidation of even the party faithful, subversion, subservience to Russia, and meager rewards.

SYMBOL OF TYRANTS

Stalin, in becoming the symbol of communism, had become the symbol of all the tyrants in history.

And for years he had had no new ideas. He had become incapable of taking advantage of new and favorable situations by changing his tactics. He wasn't letting communism expand. He was freezing it solid behind the Iron Curtain.

The new leaders must, if they change this world view of Russian communism, scoop up in any way they can the nations not attached to the West and even soften and break the Western partnerships.

They couldn't do it by force without catastrophe for themselves. But, as they now make plain in throwing Stalin's bulldozer out the window, there are other ways to try.

They talk now of economic help to their neighbors, of letting communism develop along different lines in other countries, of Russia as a friend and not a menace, of taking over where they can be peaceful and legal means.

Buses Boycott Starting Anew

Mass 24-Hour Walkout Slated in Montgomery in Segregation Hassle

MONTGOMERY, Ala. (AP) — Pledged to a massive campaign of firm but peaceful resistance, Montgomery Negroes planned a 24-hour walk-to-work pilgrimage today in renewed protest against segregation on city buses.

* * *

The 100 or so among them who were indicted by a grand jury on antiboycott charges were called into court to face arraignment today. A date will be fixed for their trials, perhaps starting the week of March 19.

Eighty-nine defendants have been arrested and other arrests are still to come. The total number indicted was first announced as 115, but some duplication of names was discovered as the warrants were checked out.

Shouts of "amen" greeted a minister's suggestion at a mass prayer meeting last night that "not a race-loving Negro" in this historic cradle of the Confederacy would use any form of transportation throughout today.

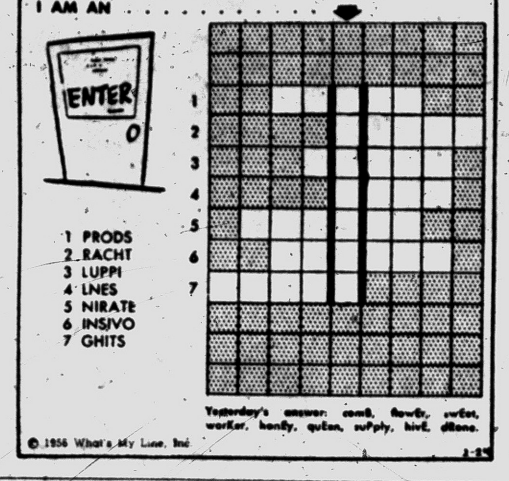

It was the Negroes' way of demonstrating that they can walk if necessary to carry on their 11-week-old boycott against Montgomery City Lines buses and the segregaton required by city and state law.

The United States is the only country where all railroads are privately owned, says the Twentieth Century Fund.

Here's where small money talks BIG

only $2388.00* delivered locally!

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

How would you like to take charge of a big-powered and big-bodied Buick like the one pictured here—for only small change more than the price of a smaller car?

How would you like to feel the lift and life of Buick V8 power—sit at ease in Buick roominess—travel with Buick styling—ride in the level buoyancy of Buick's torque-tube stability and all-coil springing—and stay well within the low-price field?

You can do it—easily.

Because if you can afford *any* new car, you can afford a Buick. (Example: the 6-passenger Buick SPECIAL Sedan illustrated here delivers for *less* than some models of the well-known smaller cars—and the price we show here proves it.)

That's one big reason why Buick—for two straight years now—has outsold every other car in America except two of those well-known smaller cars.

But there's an even bigger reason.

Folks are finding in Buick a lot more automobile for the money—and that's literal fact.

They find that they get here more styling boldness and distinction—more spaciousness and luxury—more pure power thrill—more ride steadiness and stability—more durability and solidity of structure—than the same money buys elsewhere.

So if you want *your* money to talk big—Buick big—better drop in and see us right quick.

We'll seat you at the wheel of the most spectacular-performing Buick SPECIAL ever to raid the low-price field—and you can judge things from there.

Pianist to Appear With Symphony

Vivian Scott, Pontiac concert pianist, will be featured guest artist with the Pontiac Symphony Orchestra March 14.

* * *

Miss Scott, a 1943 graduate of Pontiac High School, began her music studies at the age of 5. She graduated magna cum laude from Howard University in 1946.

During the same year she was awarded a scholarship to the Juilliard School of Music where she studied with Rosina Levinne, graduating in 1949.

In 1952 she was the recipient of a John Hay Whitney Fellowship which enabled her to study in Europe.

Her professional background includes the presentation of concerts in Washington, D. C., Williamsburg, Va., Birmingham, Ala., Berkeley, Calif., Dayton, Ohio, and New York City.

NEW YORK PIANIST

In March 1955 she gave a recital in Town Hall, New York City. Reviewing her performance, the New York Herald Tribune music critic wrote: "Miss Scott has all the excitement and ebullience of youth. Her technique is large, her tone magnificently sonorous and her fingers are fleet, strong and disciplined."

Miss Scott has recently signed with a New York concert manager, J. J. Vincent. Mr. Vincent has managed and is presently managing many Metropolitan Opera stars: Marjorie Lawrence, Elizabeth Rethberg, Salvatore Bacaloni, and Fernando Corena among others.

Miss Scott, the daughter of Mrs. Marybelle Scott of Jackson street, is Mrs. Andrew Ramsey in private life. She has two children, a girl and a boy, who have been visiting here in Pontiac since Thanksgiving and attending Bagley School.

The family recently moved to Washington, D. C., for the convenience of Miss Scott who is presently on the faculty at Howard University.

* * *

She returned to Pontiac last week for her youngsters, taking them home with her to Washington.

This past weekend she fulfilled concert engagements in Charlotte and Burlington, N. C. Following her appearance here March 14 at Lincoln Junior High School, she will appear at Detroit Masonic Temple March 18.

Actress Magnani Rejects Monroe Type of Glamor

By SERGE FLIEGERS

ROME (INS) — Italian movie star Anna Magnani turned thumb down today on Hollywood glamo and declared she does not "want to compete with Marilyn Monroe."

* * *

"I am an actress first and foremost," said the flashy-eyed brunette, "and I make no compromise when it comes to a choice between acting and glamor."

"Some European stars," said Miss Magnani, "have made the mistake of letting Hollywood fit them into a platinum-blonde pattern."

"They can't do that to me. They can't make me look prettier. And some say that they can't even make me look uglier than I am. But it would be ridiculous for me to try to compete with someone like Marilyn Monroe."

* * *

Miss Magnani has been nominated for an Academy Award "Oscar" for her performance in "The Rose Tattoo." Asked about that in an interview, Miss Magnani gazed pensively at the ceiling and said:

'I have heard something with one ear but I am Italian, and very superstitious. So I won't talk about the awards now, lest it bring on the 'Malocchio"—the evil eye."

'LOVE TO ACT'

"Of course, winning such recognition from America would be one of the biggest things in my life Every actress wants it. And above anything else, I am an actress I love to act because I love to feel."

And putting a fist to her breast she added: "I love to feel deep down in here, to feel all over . . .'

If Miss Magnani wins the "Oscar" she will have won it by dint of sheer talent and incredibly hard work. This reporter interviewed her between takes of dubbing "The Rose Tattoo" in Italian, and watched her repeat a two-minute scene 17 times until she found the exact inflection she wanted.

"I love working in the United States," Miss Magnani declared, "because you can work hard there. People work smoothly together, everyone knows his business, from the director to the sound man, and the organization is perfect. They leave you no time to sit around and get nervous."

* * *

She hopes to return to the United States soon, but has no specific picture in view there. In her next Italian film, she will portray a kindly nun who develops a motherly feeling for a child.

EASY FEELING

"The motherly feeling will come easiest," Miss Magnani declared sadly. She suffered greatly when her young son, whom she adores was stricken with poliomelytis.

* * *

Miss Magnani, who is dovorced, said she had not "found a man to love in America. That is because I didn't look," she added "I was too busy making films, day and night."

LET THE MUSIC RING OUT — These Washington Junior High students will be among 1,100 from five city schools who will present the first Junior High School Vocal Music Festival, scheduled for 8 p. m. Tuesday in Pontiac High School. The Jefferson singers will present some traditionally rich-toned Negro numbers such as the spiritual "Swing Low, Sweet Chariot" and the plaintive "I've Been Working on the Railroad." Looking over the music at practice time are, left to right, Joe Lee Payne, Sharon Lowe, Dorothy Moses and Chester Dixon.

3 Events Top News at Junior Highs

A move to a new school, along with preparations for a five-school vocal festival and a hilarious donkey basketball game, were headline news at Pontiac area junior high schools this week.

Other activities claiming students' interest were the starting of a radio workshop, appointment of cheerleaders and rush to join a new club.

MADISON OPENS

Classes began this morning for 600 students in the new James Madison Junior High School at Perry and Madison streets. It took a week to make the mass move from Wever School, but students say it was worth it.

A scale model and blueprints of the new building was exhibited this week at a national school administrators convention in Atlantic City, N.J.

The new building, of face brick and cement block construction, includes such features as glassed-in corridors, an open central court which will be landscaped, and special glass paneling to permit plenty of light.

Altogether there are 23 classrooms, including a three-section library, plus offices, health clinic, conference room, bookstore, and a public address room. Rooms yet to be added are two music rooms and a Little Theater, complete with stage having an audience capacity of 160.

Not yet finished is a two-story wing which will include kitchen, cafeteria and a double gym which can be separated into two regulation size gymnasiums for boys and girls or converted into one huge room for games or programs. Gym equipment will include folding bleachers and a portable stage.

The shop wing, approached by a 90-foot glass-walled corridor, has provisions for instruction in arts, crafts, home economics, and industrial arts such as sheet metal and wood working.

VOCAL FESTIVAL SET

All five of the city's junior highs will have a part in the city-wide Junior High School Vocal Music Festival to be presented at 8 p.m. Tuesday in the boys gymnasium of Pontiac High School.

The first such concert in the city's history, it will include 1,100 students in a massed chorus, and special sections for each of the schools to present individual numbers.

Spirituals, folk songs, hymns and popular music will be among the numbers presented. Coordinator for the program is George Putnam, supervisor of secondary music for Pontiac schools. He will be assisted by music directors of all the five schools.

Tickets are being sold at 50 cents for adults and 25 cents for students, to cover costs.

KICKS AT AVONDALE

There'll be plenty of kicks at Avondale Junior High School tomorrow night. Big kicks for the audience. Kicks, too, but of a different variety, for some students and an intrepid group of Auburn Height firemen and Lions Club members.

The occasion is the Donkey Basketball Games, and the only sure thing is that this is one school session when the most praise will go to the biggest donkey.

Three games are scheduled: one between junior high girls; one between 7th and 8th grade boys; and a feature game between the Lions Club and Auburn Heights firemen. The cagiest cagers will be those who pick the meekest donkeys, for these basketball tilts will be played with team members mounted on bucking, twisting mules. Anything can happern, and undoubtedly will.

At a cost of $1 for adults and 50 cents for students, audiences should get their full quota of entertainment. Proceeds will be used to buy books and library equipment.

Pontiac Press Photos

LADDER OF SUCCESS? — Pontiac Press photographer Jim Mahar caught this unusual shot of a glass-enclosed interior corridor at the new Madison Junior High School, just before students brought movement and activity to the scene as they started first classes this morning. Seeming almost to merit a symbolical interpretation, the contrast of light and shadow bars projected on the floor brings the illusion of wide steps and a ladder mounting upward. How many students will acquire learning, step by step, or mount the beginning rungs of the ladder of success here, in the years before this modern one-and-a-quarter-million dollar building becomes outdated?

READY FOR THE KICKS? — Avondale Junior High School students put the finishing touches on a papier mache donkey, just before sending it on a round of local merchants to advertise the Donkey Basketball Game, being held at 7:30 p. m. tomorrow. At the left, gym teacher Mrs. William DeQuis offers tips while students Ann Jancik, center, and Diana Owen, right, paint in the eyes. Three games (with players mounted on bucking donkeys) are scheduled for tomorrow night's session, with plenty of kicks promised for audience and players alike.

High School Names Contest Winner

Carol Petersen of West Bloomfield High School has been named the Betty Crocker Homemaker of Tomorrow for her school. She scored highest in a written examination of homemaking.

Betty will enter competition for the state title and has a chance to go on the national finals if she wins there.

State winner will receive a $1,500 scholarship and a trip to Washington D. C., Williamsburg, Va., and Philadelphia. Runner up will win a $500 scholarship.

Few Activities at St. Fred High

Students Concentrating on School Work, Study During Lent

By ANN SCHACHERN

Not much but school work took place at St. Frederick High this week for during the Lenten season, extracirricular activity has been cut to a minimum.

Junior Varsity basketball league playoffs took place in our gym Tuesday night after school between St. Mary's of Orchard Lake and St. Mary's Royal Oak. St. St. Mary's of Royal Oak won, 45-43.

Seniors were reminded of their swiftly approaching June 5 graduation day as they ordered announcements and personal cards this week.

Coaches Betty Spadafore and Joan Mazza gave the girls basketball team annual dinner last Saturday night.

Student Council plans to sponsor a talent show sometime next month. Those interested in competing are to hand in their name and type of act to the representative in their room next week. Tryouts will be held in the near future.

Also, next week, the senior class will start the patron and sponsor drive for their senior play. All homerooms, grade and high school alike, will compete for the parties which will be given to the three highest homerooms. Top salesman in each homeroom also will receive a percentage of the money he brings in.

The St. Vincent de Paul Men's Choir, of which seniors Jim Duren, Mike Carry, and Dave Jones are members, sang at a National Brotherhood Week program in Oak Park last night. Choirs from five different denominations took part.

St. Frederick basketball team will play St. James, Ferndale in a non-league game next Tuesday night at Ferndale.

Senior English classes were given a test of reading ability. They will be assigned novels to read according to the grades they received on the test.

Avondale Junior High Cheerleaders Picked

Avondale Junior High School picked cheerleaders last week. Chosen for the varsity squad were Margaret Poynter and Sharon Walker, co-captains; Janet Breckenridge, Diane Bartenbaker, Carol Hefferon and Betty Bishop.

Reserve cheerleaders are Judy Hooie, Vicky Williams, Betty Woodruff, Bonnie Newby and Venette Hysmith.

During a recent "Fragrance Week" in Sicily, streets were sprayed with lavender, bergamot and jasmine, Messina reports.

Area Schools Are Active

Student exchange programs, debates, speech contests, preparations for an operetta and basketball sparked student interest in schools throughout the Pontiac area this week.

Eight students of Avondale High School switched places with eight from Roseville High Wednesday, in a program aimed to permit an interchange of ideas between the two schools.

The exchange students sat in on class sessions and spent noon and study periods touring the school and viewing athletic programs, art classes and other points of interest.

Making the trip from Avondale were seniors Nancy Lowery and Bob Jaycox; juniors Don Davis and Amy Carol Cooper; sophomores Al Swanson and Carol Atwood; and freshmen Carol Mazurek and Tom Greenless.

Avondale's hosts for the Roseville students were seniors Billie Jean Willis and Dan Butler; junior Sven Blomberg and Mary Lou Erhman; sophomores Duane Lau and Nelda Hyten; and freshmen Pat Sullivan and Jim Brewer.

Extempore speech contests are being held, with plans for an elimination contest to determine which two students will represent Avondale in inter-school competition.

The Yellow Jackets expect a large crowd tonight when they take on Van Dyke Fitzgerald in the final basketball game of the season. They expect some stiff competition, too—since the Van Dyke team is leader in the Oakland-B, with only one loss.

Last night's PTA Founders' Day was a huge success. Well received, too, was an assembly program Tuesday, in which concert pianist William Haakel of Richmond, Va. played.

Many students will have a part in the American Legion Minstrel Show, to be held at Avondale Tuesday and Wednesday. Rushing to prepare for an all-school Leap Year dance are Avondale's freshmen.

AT WALLED LAKE

Kay Armstrong and Joe Barnes were chosen King and Queen of Hearts at Walled Lake's Valentine dance Saturday night, which was attended by 82 couples.

Walled Lake won its first round in the debate tournaments from Thurston, but dropped its second round to Northville. Northville and Birmingham met in the final round competing for first place in the tournament held at Royal Oak High Thursday.

The school forensic contests will take place the week of March 5. The entire speech class and several other students will participate. Classifications are extemporaneous speaking, declamation, original oratory, dramatic reading, and humorous reading. The two winners of the school contest will qualify for the district contest.

Tonight, the "Beat Southfield Week" will be climaxed by the Southfield vs Walled Lake game. A pep assembly with a "Dragnet" theme was given this afternoon to arouse interest in the game.

AT WATERFORD

Waterford Township High School's music room took the form of a real pirate cave this week as rehearsals continued for "Pirates of Penzance," to be held at 8 p.m. March 2 and 3 in the high school auditorium.

Under the direction of Helen Davis, Patty Looman, and Anne Blair, WTHS's second operetta is one of both humor and suspense. Tickets can be obtained from choir members or at the door at 60c for adults and 25c for children.

Wednesday the Inter-Lakes talent assembly was held at Waterford with three WTHS acts: Bonnie Williams, sophomore soloist; The Skipperette Quartet—Sheila Loper, Karen Underwood, Delores Kline, and Marjorie Neubeck; and a boys' instrumental trio—Donald Sayles, John Burkhart, and Tom Richardson.

Senior boys attended the first one-hour Military Orientation class last Friday as WTHS went into its second year of this eight-week defense-information session.

Juniors have begun planning the annual Junior-Senior Banquet, which will be held the end of the year in honor of the '56 grads. The juniors are also considering ideas for their mid-March dance.

Senior basketball players, who will play their last league-scheduled game tonight at Berkley, were honored at the pep assembly this afternoon. James Wager, senior, served as chairman of the pep meeting, which was sponsored by the senior class.

"Moments to Remember" was chosen by seniors as their class song earlier this week. "Learn as if to live forever; live as if to die tomorrow" was selected as the class motto; White Orchid, the flower; and charcoal and mint green, the colors.

Visit West Bloomfield

Milford and West Bloomfield High Schools held a student exchange day last week. Milford students who visited West Bloomfield were Jim Davidson and Ronnie Glynn, seniors; Margaret Rice and Del Munson, juniors; and Nicky Del Gaudio, a freshman.

PIRATES OF PENZANCE — Wicked pirate Dan Revoir grasps the hair of swooning Janice Gidley as he prepares to capture his living prize in this scene from "Pirates of Penzance." The operetta will be staged at 8 p. m. March 2 and 3 in Waterford Township High School.

SENIOR CLASS OFFICERS — New officers of the Pontiac High School Senior Class are, left to right, Tom Cross, president; Suzanne Daly, secretary; Dale Hannan, treasurer and Bob Keavy, vice president. Elected last week at a meeting in the auditorium, they head the class that will graduate next June.

PHS Seniors Elect Officers, Plan Outdoor Graduation

By VICKY MICU

Pontiac High School this week was the scene of much activity, especially for the senior class. Class officers were elected, with Tom Cross being chosen president. Other class officers are Bob Keavy, vice-president; Suzanne Daly, secretary; and Dale Hannan, treasurer.

Seniors are looking forward to commencement exercises, when a new experiment may be tried. Due to crowded and uncomfortable conditions in the school gymnasium where commencement exercises usually are held, Wisner Stadium is hoped to be the scene of commencement exercises this June.

Plans are under way to secure the stadium. If the weather is good and such problems as lighting, the public address system and rehearsals can be worked out, the June, 1956 graduating class will be the first to be graduated from Wisner Stadium. There are 403 tentative June graduates.

While seniors have commencement to look forward to, the student body as a whole is preparing for the second annual Science Fair to be held April 13, and 14. Last year's fair proved to be such a success, that this year other area schools and Pontiac's junior high schools have been asked to participate.

Entries in science, artwork and English will be judged and awards given. Mr. John Youngpeter and his Linnean Society, PHS biology club, is sponsoring the affair in cooperation with the art and English departments.

The swimming team will take on Saginaw tonight, providing PHS fans with the last home swimming meet of the season. It will be the final home swimming meet for 10 of the squad, who are graduating this June.

The basketball team will play Bay City Central tonight in a game at Bay City.

PHS debators last Saturday placed behind Hazel Park in the state debate quarter-finals at PHS. The tournament marked the last debating of this semester, and attention is now being turned to the spring forensics which are soon coming up.

The entire student body is eligible, and may enter categories from dramatic interpretation to extemporaneous speaking.

Heading the list of returning spring speech people are Bob Everson, last year's Saginaw Valley Conference champ in extemporaneous speaking, and Garth Johnston, SVC champ in original oratory.

Planning Minstrel Jubilee

JANET ENGLISH

With Lent in its second week, social activities at St. Michael High School are at a standstill.

Replacing the usual Catholic Youth Organization's Friday night dances will be rehearsals for the "Minstrel Jubilee," under the direction of our own talented and versatile Father William A. Immel. The first rehearsal for this production featuring SMH's Catholic Youth Organization is being held tonight.

Father Michael J. O'Reilly is back with us after recuperating from his recent illness. Tuesday morning, he took time out during the religion class for the seniors to bless their class rings.

"The Armed Forces and My Life Plans" was the topic discussed by first class petty officer Carey while speaking to the senior class Thursday. The importance of finishing high school before considering enlisting into any military or naval service was the point that was most definitely stressed.

A majority of the girls in high school have been regular attendants at the mission being conducted for women of the parish this week by Paulist Fathers Ritzius and Dixon.

Hal Boyle Says:

Denver! Denver! Why Are You Changing?

DENVER (AP) — Beautiful old Denver, crumbling away —beautiful new Denver, striding the sky higher.

* * *

Old Denver, I love you. New Denver, you kind of frighten me. I really don't know you now. I'm not quite sure of you.

* * *

Perhaps that is the way a visitor should feel —uncertain, the emotional feeling always of the stranger.

But I don't want to feel that way, and I don't want to be a stranger. I have walked this way before.

I believe it was O. Henry who perpetuated the legend that nothing interesting or important could really happen, in a way, except in New York, San Francisco, or New Orelans.

* * *

Those were the only three American cities where real romantic things reportedly could happen, he said, and having set up his straw dummy went on to prove in "a municipal report" that adventure could come to Nashville too. As I recall it, it was a quietly gruesome tale of how a loyal Negro retainer did away with the worthless white husband of a worthwhile white lady, and thereby as a servitor kept an old family flag flying.

AND DENVER TOO

O. Henry, trying as an author to prove that anything can happen anywhere, might well then have included Denver as a symbol name for adventure, just as today Chicago, Los Angeles, Kansas City, and long-overlooked St. Louis are symbols of new growth. So are Omaha, Oklahoma City, Tulsa, Houston, Dallas, Fort Worth and other cities.

* * *

But as the old individual buildings of the past are torn down and the new more efficient buildings — in terms of the utilization of space — go up, well, something is lost.

What is happening here in Denver in the current American prosperity boom is what is happening to other cities. It is losing a portion of its former personality and getting a crowded feeling.

* * *

Even though the fresh tall towers are planted on stilts, the crowded feeling deepens.

SENSE OF FREEDOM

There are so few towns that always gave such a spontaneous sense of human freedom such as San Francisco, and Denver.

Beautiful, beautiful old Denver, fading away! Beautiful new Denver, blooming in serried patterns where once wild flowers grew!

What can a man from out of town say about you, Denver? You have garnered the gardens of tradition, and pressed your new plantings closer together and yet farther apart. You grow deeper and yet widen, as other cities do.

You hold a great promise as you cling to a previous performance. You are like a growing youth, Denver, that must and will grow taller, but equally is loved for the days when he was more boisterous, less predictable — and smaller.

Demanding Baby Halts Woman's Babysitting

DENTON, Tex. (AP)—A demanding baby forced a Denton babysitter to leave her job here.

Once in 45 Years

MIDWAY, Ky., (AP) — City Clerk P. P. Lacefield who in 45 years has been absent from the clerk's office only one regular business day — his wedding day — was named midway's outstanding citizen of the past year.

Urge Ike to Run Again

MUSKEGON (AP) — "Dear Ike: Muskegon joins 'Operation' Decision' and urges you to run again in '56." The message from the Muskegon Young Republicans—on a card measuring 40 by 70 inches —has been airmailed to President Eisenhower at Thomasville, Ga.

Top Ag Students Named at MSU

Yearly Honors Banquet Awards Outstanding Teachers

EAST LANSING (AP) — Outstanding students and faculty members of the Michigan State University College of Agriculture were named last night at the annual AG Honors Banquet.

* * *

John L. Clutter of Pittsburgh, Pa., a senior student in forestry, was named as the top scholar in agriculture and received the $250 Homelite Corp. Award. Clutter had a 3.77 grade average out of a possible 4.00.

Top activity award went to John Hostetler, senior dairy student from Fraser. He is president of the AG Council and a member of Alpha Zeta, the Dairy Club and the Block and Bridle Club.

The Borden award of $300 cash went to Theodore Rattika of Bruces Crossing and another Homelight Corp. Award of $250 was won by Marvin Bengelsdorf of Monroe for being the top student in forestry products.

Alpha Zeta, honorary agricultural fraternity, named the following as the 10 top teachers in the School of Agriculture:

C. L. Bedford, horticulture; R. E. Dils, forestry; J. W. Goff, forest products; A. L. Kenworthy, horticulture; E. H. Kidder, agricultural engineering;

* * *

L. M. James, forestry; G. W. Mouser, land and water conservation; M. D. Pirnie, fisheries and wildlife; Neil Smull, landscape architecture and urban planning; and A. T. Wilcox, land and water conservation.

Walled Lake Girls Win Gold Keys in Art Contest

WALLED LAKE — Two Walled Lake seniors, Janet Rocker and Sylvia Uhrich, have been informed that they have been awarded gold keys in an art contest sponsored by Scholastic Magazine. Their entries will be sent to Pittsburgh for judging in the national contest.

Both girls submitted jewelry which they had designed and executed as members of Mrs. Jack Simonton's arts and crafts course.

Mrs. Simonton had entered the work of a number of her students and was gratified that two won top awards the first time the high school had ever submitted art entries.

Walled Lake Council Okays Pay Increase

WALLED LAKE — Pay increases for the police chief, senior patrolman, and deputy clerk were authorized by the Walled Lake City Council at its meeting this week. The average increase will be $25 per month.

After months of study the council adopted a water ordinance. Under this new ordinance the city will take over the water systems of two new subdivisions which are installing community water systems. Eventually it plans to have a system extending throughout the city.

Next Monday night the council will meet with members of the city planning commission to consider a zoning ordinance which a firm of consultants has been preparing for the city.

Ministerial Assn. Plans Services in Marlette

MARLETTE—The Marlette Ministerial Assn. has disclosed plans for Palm Sunday and Good Friday services.

Palm Sunday night there will be a sacred concert by the combined choirs of the Community Churches in the high school auditorium under the direction of Alton Smiley, director of the Marlette High School Choir.

On Good Friday the Union Services will be at the Methodist Church at 1:30 p.m. the speaker will be Lewis Komyathy, a leader of the Presbyterian laymen from Detroit.

Ortonville Bride to Live in Goodyear, Arizona

ORTONVILLE — Mr. and Mrs. Arthur Morley are announcing the Feb. 10 marriage of their daughter, Shirley M., to Kent Werner of Goodyear, Ariz. He is the son of Mr. and Mrs. M. C. Werner, of Arvade, Colo.

The newlyweds will reside in Goodyear after returning from a Mexican honeymoon.

Beacon Club to Gather

WATERFORD—The Men's Beacon Club of the Waterford Community Church will meet for a potluck supper at 6:30 p.m. Saturday at the church. All men of the church have been invited.

Slate Guest Minister

WATERFORD—The Rev. Charles Sine of Traverse City will be the guest speaker at the 11 a.m. Sunday service at the Waterford Community Church.

PLANTER CLUB PLANS—Members of the Planter Club, a newcomers group in Rochester, make plans for their first dance March 24. Ticket deadline for the dance is March 1. Left to right are Mr. and Mrs. Paul Williams; Mr. and Mrs. George Goble, ticket chairmen; Mrs. Robert Shimmel; and Mr. and Mrs. Joe Watson Sr., co-chairmen of the dance. They are shown surrounding the brass planter after which their club is named.

Church Slates Hymn Festival

Commerce Methodists Plan Sing as Part of Lenten Schedule

COMMERCE—Kenneth Jewell, music teacher at Pershing High School in Detroit, will lead the Chancel choir and the congregation of the Commerce Methodist Church in a hymn festival slated to begin at 5:30 p.m., Sunday. The hymn sing, a part of the special Lenten schedule, will introduce the totality of the Methodist Hymnal.

* * *

The Chancel choir will open the program with the singing of the "Lord's Prayer." Next will be selections of hymns from the ancient church, including the hymn of passion, "All Glory, Laud and Honor" with the chant emphasis of the 9th century.

Another hymn of the same category, "All Creatures of our God and King," a favorite from the 12th century, will be sung.

"A Mighty Fortress Is Our God" and "O God Our Help in Ages Past" from the reformation period will cover the transition from Psalmody to Hymnody. Concluding number of this period will be the Netherlands Thanksgiving for victory hymn, "We Gather Together."

The Wesleyan hymns, "Soldiers of Christ Arise" and "Love Divine, All Loves Excelling" will emphasize the impact of Charles Wesley and his contribution to Methodism.

The songfest will include many all-time favorite gospel and salvation hymns, such as "What a Friend We Have in Jesus," "Blessed Assurance," "Softly and Tenderly" and "He Leadeth Me."

Modern hymns to be sung are "O Master Let Me Walk With Thee," "Are Ye Able" and "We Would See Jesus."

Under the direction of Helmut Holland-Morritz, the choir will present an anthem.

Guest soloist for the event will be Mrs. Morton Jorgenson of Pontiac, who will sing "I Know That My Redeemer Liveth," by Handel and "O Divine Redeemer," by Gounod.

* * *

The Rev. Perry Thomas will give a running commentary also with brief, pertinent facts concerning the hymns.

The public is invited to attend.

Council Okays Voting Machines

Farmington to Rent 9 at $150 Per Unit Per Year

FARMINGTON — Farmington City Council has approved a motion authorizing the clerk to secure on a rental basis, nine voting machines for use in city elections.

New state election laws require that the city's one precinct be split to allow only 800 voters in precincts where paper ballots are used, or 1,400 in precincts where voting machines are used.

According to Kathryn Cotter, city clerk, five precincts will be required unless the machines are used.

It is estimated that the savings in both time and money would make installation of the machines feasible. They will be installed on a rental basis, at $150 per machine per year.

If the city then decides to purchase the rental fees can then be applied to the total cost of the machines. The price was quoted at $1,375 each machine.

They will be delivered in time for use in the general election this fall.

Scout Chairman Reveals Event at Lake Orion

AVON TOWNSHIP — Floyd Cobb has been appointed district chairman of Manito District by the Scouts.

Cobb says a First Aid-O-Ree will be held at Lake Orion High School Saturday at 8 p.m. The evening will be given over to competition in first aid between teams of district troops.

All scouts and their parents are urged to attend.

Ticket for 'Good Driving' Surprises Berkley Man

FERNDALE — 1st Lt. Walter Grossenbacker of 3594 Cumberland, Berkley, was surprised when a police car pulled him over to the curb, after he had stopped in the middle of the busy Nine Mile business section, to let several women shoppers cross the street.

* * *

He was more surpised when Police Chief Reginald H. Lemkie, handed him a ticket and shook him by the hand.

The ticket proved to be a courtesy pass to a Ferndale Theatre.

Grossenbacker was the first person to be ticketed as a "Safe Citizen" in the Ferndale's Police department's newest safety drive.

Nine drivers have been "ticketed" since the drive started on Monday. At the end of each week, courtesy tickets are judged to find the safest driver of the week.

The winner is awarded with a free "mystery" bus trip and dinner.

Pontiac, Northern Tilt Battle of Backboards

THE POWERHOUSE

By Jimmy Powers

Joe Louis doesn't want to be a millionaire; he just wants to pay his taxes like one. Here is a man up to his scalp in financial difficulties, yet he is still offering to help others. You'd think Joe would brush off all public service deals in order to concentrate on raising the $1,210,789 he owes Uncle Sam.

★ ★ ★ ★

He owes the money and he'll settle it with the government, somehow, even though he was left holding an empty bag by his financial advisers. Joe Louis never hid from his obligations before, in or out of the ring, and he won't now.

What's more, he is presently engaged in a program that is helping the government, in an indirect way.

IKE SOUNDS A CALL TO SPORTS FIGURES

On July 11, 1955, President Eisenhower called together 32 of the nation's sports leaders.

The program was to promote a higher level of physical fitness among the youth of America, after alarming statistics indicated this country progressively was getting softer. Bobby Jones, Hank Greenberg, Bob Cousy, Jack Kramer, Red Blaik, Willie Mays, Gene Tunney and other sports greats participated in a round-table discussion of a subject so vital to the welfare of this country that the President put it at the top of his agenda.

They brought to Ike the findings of a survey that struck home with these facts: (1) That 34 per cent of the young Americans called up for service in World War II failed to meet the physical standards, and (2) that 57.9 per cent of U. S. youngsters tested for physical fitness failed one or more of six tests for muscular strength and flexibility, while only 8.7 per cent of European youngsters failed.

LOUIS WORKING ON THE PROBLEM IN 1954

In August 1954 or about a year before the physical fitness question was brought to Eisenhower's attention, the Brown Bomber was actively working on the same problem. And he still is, despite the constant growth of his own personal problems.

★ ★ ★ ★

For over two years, now, Louis has been a member of the National Sports Council, a group of New York businessmen who have been trying to handle the complex headaches of youth in their own unique way.

Chiefs Shoot for Control of Rebounds

Van Ryzin Cagers Hope to Chalk Up 6th SVC Victory Tonight

VALLEY STANDINGS

	W	L		
Flint Northern	7	1	490	425
PONTIAC	5	3	501	461
Flint Central	5	3	521	440
Arthur Hill	5	3	471	435
Bay City	2	6	458	510
Saginaw	0	8	467	436

Tonight's games — Northern here; Saginaw at Flint Central; Bay City Central at Arthur Hill.

Last week's results—Pontiac 94, Bay City 40; Northern 69, Central 51; Arthur Hill 76, Saginaw 67.

Hoping to chalk up their 6th Saginaw Valley Conference basketball victory tonight, in PHS gymnasium, Pontiac High Chiefs are shooting for control of the backboards. Coach Art Van Ryzin figures that the club which gets the rebounds has the biggest chance of nailing a victory.

Which points up to the probability of a redhot battle around the backboards, with Chiefs' 6-4 Hudson (Goose) Ray and Vikings' husky, 6-5 Clarence Elliott, the key figures.

"We'll have to stop Northern's fast break, for one thing," Van Ryzin pointed out today." Then we'll have to battle evenly on the boards with them. That's where the story finally will be told. The club that gets those 2nd and 3rd shots could be the winner.

"We're capable of winning any time we get together all along the line—we've worked hard at it this week and want to win this one. The boys know what they have to do, and it's just a question of how well they do it."

Tonight's contest is next to the last of the 1956 Valley schedule.

Only one game remains for both Chiefs and Vikings. Pontiac will be host to Saginaw's Trojans, a week from tonight. Same night Northern plays Bay City Central on the Flint floor.

Varsity game gets under way at 8 p.m. folowing a tile between reserves of the two schools.

Season's biggest attendance was in prospect for tonight's game. Flint Central tilt two weeks ago drew the largest crowd up to this time, necessitating placing chairs around the playing floor. Similar arrangements have been made for tonight's contest.

MUSCLE BUILDERS—Here's how much interest has been created in the new weight-lifting class at Pontiac High School. Jammed like sardines in a can are the more than a score of ambitious youngsters seeking to build muscles under scientific direction. Two classes are held weekly, Tuesday and Thursday afternoons, after 4 o'clock. In center is Al Thomas, former pro wrestler, exponent of the weight-hefting business and class instructor, showing Sam Korayaleff the proper way to grip the bar on a set of big "wheels."

From The PRESS BOX

Royal Oak's new high school was turned down for membership in the Eastern Michigan League as the three Eastern members, Port Huron, Detroit and Mt Clemens voted against entry and the three Western members Birmingham, Ferdale, and Hazel Park voted yes. It must be a unanimous vote.

The three Western schools along with Berkley, Southfield and the Royal Oak school were the members proposed for the new Class A league in Oakland county.

* * *

Tickets for the Globetrotters game at PHS Sunday are available at Grinnells and Calbi's. The preliminary to the game will feature the cage has-beens of The Pontiac Press and stations WPON and WCAR in a new style of offense called the "slow break."

* * *

Former University of Michigan football player Roger Chiaverini was named line coach at Western Michigan. An area high school coach was being considered for the job before Chiaverini's appointment.

* * *

The Michigan State Club of Oakland County will honor Duff Daugherty and his Rose Bowl champions at the Birmingham Community House March 1st. Senior members of the squad will join the Spartan coaching staff at the banquet.

* * *

Cranbrook meets Nichols school of Buffalo at home in an Inter-State League basketball game Saturday afternoon. Shady Side of Pittsburgh leads the league with a 3-0 record. The Cranes are 1-1.

* * *

With training camps for major leaguers and other pro ball players getting under way, and unsettled weather in this area, spring may be "just around the corner." But what Conervation officer Warren Kendall of Rochester observes on county lakes doesn't bear out that optimism.

"While there is some unsafe ice on many lakes of the area, in channels and so on, there generally is a solid blanket on most county waters. Average thickness of the ice, hard blue stuff, is about 16 inches."

* * *

Cost of seeing the Rose Bowl champions is getting to the premium stage. Michigan State's athletic colunci is raising ticket prices for Spartan home games from $3.60 to $4.00.

Swaps Set for $100,000 Race at Santa Anita

Top Competition Seen From 3 Horses Along With Social Outcast

ARCADIA, Calif. (AP)—The 19th running of the famed $100,000-added Santa Anita Handicap comes off tomorrow, with Swaps and Social Outcast the standout candidates in an excellent field.

* * *

A dozen or more horses are expected to go to the post, with much depending upon the weather and the condition of the track.

Other probable entries include Traffic Judge, Bobby Brocato, Honeys Alibi, Trackmaster, Mister Gus, Mistralor, Rejected, Arrogate, Hillary and Island Queen.

Upwards of 50,000 spectators are expected to see the renewal of the mile and one quarter feature.

As in most any horse race, the Santa Anita has its share of uncertainties, like a Bay View, who dropped out of nowhere in 1941 and won for a payoff of $118.40.

* * *

Riding assignments include Willie Shoemaker on Swaps, Eric Guerin on Social Outcast, Johnny Longden on the front-running Bobby Brocato and Eddie Arcaro on the less regarded Traffic Judge.

Swaps, owned and trained by the two ex-cowboys, Rex C. Ellsworth and Mesach Tenney, is the high weight at 129 pounds. Social Outcast, owned by Alfred G. Vanderbilt, is next at 124.

* * *

Swaps is regarded as top horse. Opposition could come from any source. Tenney predicted:

"We have three tough horses to beat, Mister Gus, Honeys Alibi and Social Outcast. The three figure right together."

Hopalong Cassady of Ohio State scored 15 touchdowns in the 1955 season and averaged just less than six yards per carry for the entire season.

Okie Hits 54 Point Average

RED ROCK, Okla. (AP) — Goose Ausbie, a 6-foot-3 basketball sensational for Crescent, Okla., Douglass High School, ran his four-game total to 216 points—a 54 point average—in last night's State Regional Tournament play.

Despite the Negro ace's 30 points—the lowest of four games—Crescent fell to the Ponca City, Okla., Attucks 77-74.

* * *

In district play last week, Ausbie dropped in 62 points as Crescent beat Mulhall, Okla. 112-36, then 54 points in defeating Arcadia Dunbar 105-50, and 70 points in defeating Meridian L'Ouverture 112-34.

Tiger Rookie Shines at 2nd

LAKELAND, Fla. (AP)—The answer to the second base problem of the Detroit Tigers may have been found in their rookie camp.

It may turn out that a youngster with the odd name of Francis Oneto is the answer.

Oneto (he pronounces it O-Net-O, but most people seeing it in the lineup immediately jump to one-to) got his fifth hit—a triple—in 12 times at bat and drove in three runs in yesterday's rookie camp game.

In addition to the five hits in 12 trips, Oneto has coaxed nine walks from opposing pitchers, and has six runs batted in.

* * *

Oneto, a fielding whiz with Durham (N. C.) in the Class B. Carolina League, but only a .240 hitter wasn't given a chance when he reported to the rookie encampment of being invited over to train with the Tiger regulars when they report a week from today.

But now he is rated an outside chance of being invited over to see if he can fill the second base bill for the American Leaguers.

Whether he can hit big league pitching remains to be seen. He didn't do much with Class B stuff last season, and, for that matter, the rookie hurler may get his number before the Tigers report. But, if the rookies don't within the next week, Fred Hatfield and Harry Malmberg may be swapping turns at second with Oneto.

* * *

Benny Downs, a .340 hitter with Nashville in the Class AA Southern Assn. before he was picked up in the winter draft, is hitting at an even .500 clip on rookie pitching.

Downs clouted two triples good for three RBI's in four trips yesterday as his and Oneto's Black Sox trimmed the Striped Sox, 8-5. Downs now has five hits, three of them triples, in 10 times at bat.

Bonus baby James Joseph Brady, who hasn't pitched a ball in an official game since he joined the Tigers away back last June 9 is slated to pitch today for the Black Sox.

Brady, who will be 20 on March 2, developed a sore arm shortly after signing a Tiger contract and didn't pitch a ball until the final three weeks of the season, and then only in batting practice.

Willis Hudlin, Tiger pitching coach, has been working with Brady for a week and reports he has no trace of the sore arm now.

St. Mikes Back in Action Against Redford Quintet

Confronted with an undesirably long layoff between the end of th regular season and the beginning of the district tournament, St. Michael basketball coach Bob Mineweaser scheduled some post-season games to keep his team in top playing condition.

After a glimpse of tonight's 1st added opponent, one can't accuse the Shamrock mentor of ducking competition.

The Mikes will journey to Redford tonight to meet powerful St. Mary. The clash at Redford is the 1st of two games for St. Mike this weekend, Royal Oak St. Mary furnishing opposition Sunday in Pontiac.

Redford is a formidable foe. The St. Mary quintet tied Lourdes for the West Side title with 11 wins against a single loss and rates a slight nod over the northsiders.

St. Mike, Suburban Catholic League co-champion with St. Benedict but loser in the playoff, boasts an overall record of 9-3. Game time is 7 p.m.

Sunday afternoon's battle with Royal Oak on the Mikes' court will be of considerable interest to Shamrock folowers. The Bean's Irish were largely responsible for preventing the Mikes from winning the SCL crown outright with a 36-34 upset in their 1st meeting at Royal Oak.

The Shamrocks hope to reap a full measure of revenge, even though it's too late to alter the situation. Sunday's action starts at 2 p.m.

Orchard Lake S. Mary, faced with a schedule problem comparable to St. Mike's, has carded a Saturday game with Mt. Carmel at Wyandotte. Mr. Carmel finished 2nd in the West Side division with a 7-5 mark.

Ryan Leads Table Tennis Contingent Into Tourney

Carol Ryan, a pretty 18-year-old from Waterford, will lead a parade of nine Pontiac area table tennis players into the 25th annual Michigan Closed Table Tennis Tournament, scheduled Saturday and Sunday at the Godwin Heights High School gym in Grand Rapids.

Miss Ryan, a freshman at Central Michigan College in Mt. Pleasant, is the defending state junior girls closed champion. This weekend she will defend her junior title in addition to competing in the women's division.

Ellen Tiffany, city champion and state novice queen; John Wettlaufer, Michigan Recreation Association titlist and Waterford High winner; and Pere Secord, veteran performer who teamed with Wettlaufer to win the MRA doubles crown last year, will also participate in the tourney.

Other outstanding area paddle-swingers entered in the two-day event are Carl Knaack, Ralph Reeves, Gloria Rose, Ronald Beckman, and Jerry Krusie. Bob Short, Oakland County singles champ, may be a post-entry.

Many of the state's finest players will see action at Grand Rapids, including several defending and past champions.

Saturday's 1st-round competition gets under way at 2 p.m., with consolation matches for losers scheduled Sunday at 10 a.m. Championship playoffs begin Sunday afternoon.

Wide Open Running

TV to Carry $100,000 Flamingo Race

MIAMI, Fla. (AP)—The field for the 27th running of the Flamingo Stakes, the year's first big purse for 3-year-olds, will be named today.

About 12 well-matched horses were expected to be entered for the mile and an eighth feature at Hialeah tomorrow, where the purse will be $100,000-plus.

Unlike last year's Flamingo when Nashua was the solid favorite, this stakes race looks like a wide-open affair.

Nail and Needles, top stakes winners last year, might be expected to rule as favorites. But they are being strongly challenged by Gun Shot, a Maine Chance colt who rocketed 7 furlongs in 1:22 3-5 in a prep race last Saturday. This was just three fifths of a second off the track record.

Gun Shot, a son of Pyperion-Silence II, was picked as the horse to beat by five of the six clockers yesterday. They are the men who time early morning workouts.

* * *

But Gun Shot's trainer, Ike Mourar, said he was most afraid of Calumet Farms' Liberty Sun. And Liberty Sun's trainer, H. A. (Jimmy) Jones, said he feared a whole list of horses, including Gun Shot, Nail and Needles.

So it went. Most racing strategists eyed the competition nervously and found it not lacking in speed.

* * *

Trainer Jones expanded briefly on his theory of 3-year-old racing.

Each horse, he said, "is an unknown quantity and it's hard to tell what he's going to do.

"You can liken him to a high school football player. He's good, but you can't tell how he's going to be in college. He's in the development stage."

Many horses in this race will run later in the Kentucky Derby and hence its outcome will be eyed closely.

* * *

The horses will go to the post at about 5:20 p.m. (EST) tomorrow. The race will be televised and broadcast by NBC.

Jimmy Gray bowled a 237 average in the Greater Cincinnati match tournament this year. He rolled up a 1,424 mark with games of 202, 237, 225, 257, 278 and 225 for his total.

Andy Linden Critical After Lung Operation

SANA MONICA, Calif. (AP)—Auto race driver Andy Linden is in serious condition today following an operation for removal of his right lung.

His specialist, Dr. Elmer Rigby, said Linden is doing as well as possible under the circumstances.

The driver started his racing career after World War I and has finishes of fouth and sixth in the Indianapolis Speedway races. His home is Manhattan Beach, Calif.

BASEBALL TALK — A half dozen baseball enthusiasts gathered here yesterday for a "jam session," and a lot of talk concerning the coming major and minor league seasons was bandied about. Taking part were (top, left to right) former Tiger hurler, Paul (Diz) Trout; J. H. P. (Pat) Glynn, long-time figure in city amateur managerial circles, and one-time Tiger lefty, Hal Newhouser, now a Baltimore scout. (Bottom l to r)—Louis Michot, tavern owner here, George Winters, for many years known locally as "the Pontiac manager of the Detroit Tigers" and an avid follower of the game, particularly the Tigers, and Bob Swift, former Tiger backstop now manager of a southwestern U. S. minor league club. The group met to give George a "lift" as the 1956 season approaches.

Press vs. Radio

Preliminary Attraction Offers Laughs Aplenty

The fabulous Harlem Globetrotters have never ceased to amaze basketball fans with their combination of skill and frivolity.

This will undoubtedly continue Sunday night at Pontiac High when they meet the House of David in a benefit game sponsored by the Lions Club for the activities of the blind.

But they may encounter stiff opposition when it comes to comedy. It will be humor of a different nature, but it should be riotous to say the least.

An ill-conditioned crew of would-be cagers from stations WPON and WCAR will tangle with an equally-decrepit band of has-beens from The Pontiac Press in a prelude to the main attraction.

* * *

Just scan the talented player roster — it reads like a sports "Who's Not."

Performing for the radio squad will be Gib "Dunker" Shanley, Dick (Tubby) Kline, Bruce (Shifty) Martyn, Brian (Bevo) Connelly, Bob Allen, Al Crane, and George Phillips, 5-8 dribbling star.

The Press boasts personnel like Al "Hot Rod" Crawford, Larry Bowter, Sid Gregory, Joe "Goose" Singleton, Dominic Sama, jump shot artist Bill Cornwell, Burt Stoddard, at 6-3 a giant on the backboards, and Bill "Barrel" DeBats, a 280-pound Goliath who is expected to plug the middle.

* * *

Truly a power-packed array which should make spine-tingling action. But just to be on the safe side — have the liniment and the stretchers ready.

Lincoln Sews Up 2nd

Braves Win Junior Crown

PONTIAC JUNIOR HIGH LEAGUE

	W	L
Washington	7	0
Lincoln	4	2
Eastern	4	4
Jefferson	2	4
Madison	0	7

Washington wrapped up its 2nd Junior High League basketball championship and Lincoln clinched the runner-up spot in Thursday's loop games.

Em Ghianni's Braves won their 18th straight decision, a 71-15 massacre of hapless Madison on the Washington court. Ten Braves broke into the scoring column, headed by Harrison Munson with 24 points.

* * *

The Washington Junior Varsity trimmed Madison, 39-23, behind Bradell Pritchett's 11 points.

Lincoln scored a surprisingly easy 55-35 victory over Eastern in their battle for 2nd place at Eastern. The Railsplitters were in front all the way. Three Lincoln cagers hit double figures, topped by Bill Davis with 15 points.

* * *

Eastern's reserves trounced Lincoln in the preliminary, 40-21. Bob Rabaja tallied 15 points for the winners.

"This will be a meeting place for all golfers, course owners, private club members, DDG and PGA members. "They can meet to talk over mutual interest in the game," Roy A. Iceberg, Pontiac, MPGA president announced today.

Field Training Class for Springer Spaniels

First of a series of springer spaniel field training classes will be held Sunday, just east of Gratiot and 29-Mile roads (north of Mt. Clemens) by the Southern Michigan Springer Spaniel Training Club. Events begin at 2 p.m. Any spaniel owner is welcome, with his or her family. These training events will run for seven weeks.

* * *

These meets are held to help owners teach dogs fundamentals of good field performance, in retrieving, quartering, steadiness to flush and shot, use of wind and general field obedience.

Selling Sends Grains Lower

CHICAGO (AP)—Mild selling pressure, partly representing profit-taking after advances earlier in the week, sent grain prices lower on the Board of Trade today.

* * *

Wheat and soybeans seemed to bear the brunt of the profit-taking but they did not lose more than a cent at any time. Rye resisted selling fairly well. Corn and oats haven't had any price run-up and they again had an easier undertone.

* * *

Wheat near the end of the first hour was ½ to 1 cent lower, March $2.20¼; corn ¼ to ½ lower, March $1.30¼; oats ½ to ⅝ lower, March 62⅞, rye unchanged to ¼ lower, March $1.30¼, soybeans 1 cent lowed to 1 cent higher, March $2.59¾, and lard 12 t 18 cents a hundred pounds lower March $12.02.

Government Probing Budd Fund Shortage

DETROIT (AP)—The government today investigated a reported $24,000 discrepancy in the bookkeeping records of the Budd employes federal credit union.

* * *

The action followed the resignation last night of the credit union's manager-treasurer John J. Perry, 51, and the suspension of a teller, Jocelyn Cole. The resignation was "voluntary and temporary," Perry said at a special meeting of the credit union's board, which he had called.

* * *

He said his resignation and the suspension of the teller resulted from advice of the Michigan Credit Union League (MCUL), of which the Budd Co employes credit firm is a member.

Mother Under $1,000 Bond in Revenge Plot for Officer's Death

DETROIT (AP) — A 58-year-old mother was under $1,000 bond today on a charge of conspiracy to murder her daughter-in-law to avenge the death of a policeman son slain by the younger woman.

* * *

Mrs. Agnes Astasauskas stood mute yesterday when arraigned on a warrant charging she attempted to hire two skid row habitues to slay Mrs. Mariah Austin, 34.

Freed on bonds of $500 each, after standing mute on a similar conspiracy charge, were Mrs. Astasauskas' daughter and son-in-law, Bertha and John Levon.

Thomas Bunch, 50, failed to post $2,500 in the alleged conspiracy and still was held. So was Donald Russell, 43, a skid row pal of Bunch's and a police witness.

Patrolman Vincent Austin, a son of Mrs. Astasauskas, was shot to death three years ago by his wife, who accused him of cruelty and death threats. A jury freed the widow on grounds of temporary insanity.

SHE BROODED

The Levons said Mrs. Astasauskas had brooded over the son's death and that they arranged a make-believe plot with Russell to "make an old lady happy" and possibly prevent her "taking action herself."

Russell said he went along because of periodic small payments toward a promised $2,500, and finally brought Bunch in when Mrs. Astasauskas insisted on action and threatened to quit giving him money.

Then, police said Russell told them he became fearful Bunch might carry through and tipped Mrs. Austin and police. He is named as a co-conspirator but not a defendant in the warrant.

* * *

Police said Mrs. Astasauskas first told them she asked Russell "to beat up, not kill" Mrs. Austin. Later, they said, she admitted she had offered money in an effort to have the daughter-in-law slain.

Permanent Status Given to Soo MCMT

LANSING (AP)—A bill giving permanet status to the Soo branch of the Michigan College of Mining and Technology was halfway through the Legislature today after overwhelming House approval.

* * *

The bill touched off a warm debate in which a Lower Peninsula legislator charged that Upper Peninsula colleges are coming out second best in state appropriations.

Chief opponent of the bill wa Rep. Arnell Engstrom (R-Traverse City) vice chairman of the House Ways and Means Committee.

* * *

The Soo branch has operated on a temporary basis for the past 10 years. Its campus, on the site of Ft. Brady, is leased from the federal government. The mother institution is at Houghton.

Nearly 2,000 young women in the United States are studying to be dental hygienists compared with fewer than 1,000 in 1948.

JA Tops $230,000 in Area Fund Drive

Successful completion of a campaign to raise $230,000 for Junior Achievement of Southeastern Michigan was announced today by General Manager John F. Gordon General Motors vice president.

Gordon told a recent gathering of 500 drive workers that advance gifts amounting to $98,700 comprised the largest share of the phase resulted in funds totaling $58,230 while the Detroit unit raised $75,305.

The money will be used to enlarge the JA program in the area, according to Gordon. Currently nearly 5,000 teenagers operate 274 firms at 14 centers.

Stock Market Rushes Ahead

NEW YORK (AP) — The stock market advanced with a rush today in early dealings.

* * *

It was the fifth straight rise for the market, and the gains were well distributed.

Plus signs usually were rather small. There were a handful of exceptions. Losses were in the minor fractions and not very numerous.

* * *

The market was higher at the opening, and within a short time the tape was two minutes late in reporting transactions. It cleared quickly.

Standard Oil of California, whose directors proposed a two-for-one split, was up 2½ at 96 at the opening on 3,500 shares, and it held to that price in later dealings. It was up 3 points yesterday.

* * *

Long-Bell Lumber dropped between 3 and 4 points at around 60 when faced with a multi-million dollar damage suit filed by Harbor Plywood Co. in Seattle.

* * *

Among advancing stocks were New York Central, Union Pacific Standard Oil (NJ), Eastern Airlines, Kennecott Copper, Allied Chemical, Schering Corp., Olin Mathieson Chemical, U. S. Steel, General Motors, Mack Trucks, Caterpillar Tractor and North American Aviation.

ROBIN HOOD

Robin Hits the Bullseye

Robin Hood was a legendary figure of old England. Stories tell us how he ruled Sherwood Forest as the leader of a band of famous archers. They were always ready to help the poor people in time of trouble.

Robin and his men had the reputation of robbing the rich and giving to the poor. Perhaps you have read about them.

The merry band included Little John, Friar Tuck, Will Scarlet and Alan-a-Dale. All were expert marksmen.

Here is Robin in Sherwood Forest pulling his arrow out of a target. Naturally he has hit the bullseye.

You can add Robin Hood to your scrapbook by coloring this picture with paints or crayons and pasting down on cereal box cardboard. Make the sky blue and the tree trunks brown. The target has red and black circles. You can make his clothes green and tan with light blue armor.

Junior Editors pays $10 for any reader's idea that is used. Write your suggestion to "Junior Editors" in care of this newspaper; it cannot be acknowledged or returned and in case of duplication of ideas, the first submission will be accepted.

Highway Users Face Possible Tax Hikes

WASHINGTON (AP) — House tax writers voted tentatively yesterday for approximately 13 billion dollars of new highway user taxes over the next 16 years to help pay for new roads.

* * *

If Congress goes along with the Ways and Means Committee bill, the nation's car and truck drivers would find their gasoline, tire and rubber taxes increased by an average of $6, to $7 a year.

The financing bill is subject to a formal committee vote next Tuesday. Sponsored by Rep. Boggs (D-La), it has the backing of Democratic House leaders.

The bill calls for a 1-cent addition to the present 2-cent-a-gallon gasoline and motor fuel tax; a 3-cent-per-pound increase in the 5-cent tax on tires; a new tax of 3 cents a pound on camelback, or retread rubber; and a hike from 8 to 10 per cent in the sales tax on trucks, buses and trailers.

Waive Examination on Robbery Charges

Two men who have admitted being involved in an Orion Township bar holdup Feb. 4 waived examination on charges of armed robbery yesterday before Orion Township Justice Helmar G. Stanaback.

The $216.60 robbery of the Bo-In, has been confessed by Gerald K. Davis, 28, of Independence Township, who said he carried a shotgun and wore a red hood while holding up the bar.

Donald Smith, 31, of 451 S. Anderson St., and Thomas Bailey, 22, of Lake Orion, the two arraigned yesterday, confessed to being in the car used by Davis in the robbery. Smith said he was driving.

Failing to furnish bond of $2,000 apiece, the two were remanded to Oakland County Jail to await circuit court arraignment March 5.

Prehistoric Indian Mine

Deposits of State Copper Date Back 7,000 Years

ANN ARBOR (AP) — Michigan copper, dug from bed rock by prehistoric Indians, was being used as far west as Oklahoma and as far south as Florida at the time of Christ.

* * *

It's a story that begins at least 7,000 years ago when Indians canoed from the mainland to Isle Royale. Today thousands of pits, covered by soil and vegetation, are all that is left of their infant industry.

University of Michigan researchers, using the carbon-dating process, have found two new samples from one of the excavated pits. Their scientific detective work sets the time as about 4,000 years ago.

Even earlier work at the University of Chicago dated copper implements, found at Oconto, Wis., back to thousands of years B.C. The copper apparently came from Michigan's Isle Royale pits, and from pits on the Keewenaw Peninsula.

The latest date-fixing began when Prof. Roy Drier of the Michigan College of Mining and Technology at Houghton found a piece of charcoal and a part of a tree limb in one of the pits.

He sent it to Dr. H. Richard Crane, University of Michigan physics professor and Drs. James B. Griffin and Albert C. Spauling of the University's Museum of Anthropology.

BURNS SAMPLE

Dr. Crane burned pieces of the charcoal sample, froze the gas and tested the radiation from the resulting carbon doxide. The charcoal sample was 3,000 years old. Its age was given away by its radiation after absorbing radioactive carbon during its period of growth.

Wood technologists identified the limb as part of a black spruce.

A carbon-dating test on the black spruce put its date at 3,800 years old.

Then the archeologists stepped in to put these pieces in the jig saw puzzle of history. Drs. Griffin and Spauling give this as a partial picture:

Prehistoric Indians, living on the mainland, traveled to Isle Royale in the summer to dig the copper from out-croppings of the Laurentian shield. They had found that the copper was soft and could be pounded into implements. There was enough of it in the pure state to satisfy their needs.

To get it out of the rock, they built big fires in the pits, then doused them with water. The rapid change in temperature would crack the rock. Then, with stone tools, they could free the copper.

Through trade and barter, the copper reached the Ohio Valley over the centuries, where it was made into ornaments. Strings of copper beads and ear ornaments have been found, in some instances, in great quantity.

The fact that probably no more than forty natives took part in the copper digging at any one time, makes the widespread use of Michigan copper all the more amazing.

* * *

Centuries later the Indians passed on to the white man the story of copper. In settling the Canadian-U.S. border, some historians say that Americans made sure it was located north of Isle Royale to keep the wealth within the nation. The white man, predated by the Indians, finally developed the mining into an industry that was to be Michigan's greatest for more than a century.

Police Check Victim's Tangled Background for Possible Clue to Killer

DETROIT (INS) — The tangled background of Gurgen Marik, 46, was being probed by Detroit homicide detectives today in an effort to find a clue to his slayer.

* * *

Marik was shot to death early yesterday as he walked from his West Side home to work at the Fleetwood plant. His body was found face down on the sidewalk only five doors from his house.

The victim, an Armenian displaced person with a doctor's degree, served in the Russian Army during World War II. He was captured by the Germans and held in concentration camps.

He was described as well-liked and without any known enemies.

Meanwhile, other homicide officers were checking for connections between Marik's death and recent slayings of two other Detroit workmen, also shot down on their way to work.

Clement Campeau, 48, was killed last week as he was getting his car out of the garage.

* * *

Gervious Barker, 28, was shot to death around the corner from his home on Jan. 23. He also was enroute to work.

None of the three victims was robbed and all appeared to have no enemies.

The United States Government is officially represented in more than 60 international organizations.

Kidnap Charge Leveled at Man

Beaten Suspect Cited for Abducting Woman in Ransom Attempt

PUEBLO, Colo. (AP) — Repentant and morose, Eugene C. Hurst, 28, was charged late yesterday with kidnaping a pretty young mother in a ransom attempt.

* * *

Dist. Atty. Wesley C. Kettelkamp Jr. filed the formal charge. Under Colorado law, conviction of kidnaping carries a penalty of 30 years to life in prison.

Hurst, a husky former Grand Junction, Colo., office worker, was moved to county jail from St. Mary's Hospital.

He suffered a bullet wound in the left leg and severe head cuts early Wednesday when three rescuers of the kidnap victim, Mrs. Nancy Jackson, 27, subdued him on a prairie 28 miles west of here.

Mrs. Jackson had been abducted three hours earlier as she left a night class at Pueblo Junior College.

Hurst has admitted holding her hostage while telephoning a demand to her husband, auto dealer Robert A. Jackson, 28, for money.

In an interview, Hurst said he decided on the spur of the moment to seek money from Jackson, a former high school classmate here.

* * *

Asked if he intended to harm Mrs. Jackson, he said:

"No, of course not. Not at all."

Lovelorn Camel Won't Be Lonely After June 30

MIAMI, Fla. (AP) — Cecil, Crandon Park's lovelorn camel, will be a groom by June.

* * *

The Dade County park department has ordered one female dromedary, aged 4 to 8, delivered to Cecil's pen not later than June 30.

The young bachelor camel made it clear months ago that he wanted a wife. He would bellow plaintively. Zoo officials knew what was the matter but didn't have enough money to do anything about it.

* * *

The Miami Herald then stepped in and conducted a bridal fund drive which went over the top Jan. 6. The park department has placed the order with an animal farm at Kendall, Fla.

Cecil, meanwhile, is scampering around his pen like a schoolboy preparing for his first date.

Missile Expert Says Reds Are Behind U.S.

ST. LOUIS (AP) — One of this nation's experts on guided missiles says Russia is not ahead of the United States in that field and there's no need for "hysterical talk."

* * *

Robert Lusser, chief reliability co-ordinator for the Redstone Arsenal at Huntsville, Ala. in an interview last night said that the fact the Soviet Union may have sent a missile 100 or 200 miles farther doesn't mean it will hit a target.

"Personally I don't believe Russia has flown any missiles any farther than we have," said Lusser, a top scientist for Germany during World War II.

* * *

"No one, including Russia, has a reliable intercontinental missile. That I am sure of."

Lusser said he is to become an American citizen next month. He is here to speak before meetings of engineers at Washington University.

$1,500 Library Fines Lost Due to Bus Strike

BALTIMORE (AP) — The Enoch Pratt Free Library is feeling the effects of Baltimore's 26-day-old strike.

When the walkout began Jan. 30 the library suspended all fines on overdue books out of consideration of borrowers who might not be able to reach the library to make the returns.

Miss Amy Winslow, library director, said $1,500 in fines already has been forfeited. The fine loss is cumulative and grows larger every day, she said.

NOTICE OF SPECIAL ELECTION AND OF REGISTRATION OF VOTERS

To the electors of the City of Sylvan Lake:

Notice is hereby given that a special city election will be held in the City Hall, 1820 Inverness Avenue in the said City, upon Thursday, the 29th day of March, 1956 at which there will be submitted to the vote of the electors of the City, the question of ratifying a certain public utility franchise contained in an ordinance adopted by the City Council at its meeting held upon the 15th day of February, 1956, which said ordinance is entitled as follows:

An ordinance, granting to Consumers Power Company, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the City of Sylvan Lake, Oakland County, Michigan, for a period of thirty years.

On the date of said election, the polls will be open at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be kept open until 8 o'clock in the afternoon, Eastern Standard Time, when they will be finally closed.

The City Clerk will be in his office on the 26th day of February, 1956, said date being the thirtieth day, as determined by statute, preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the City as shall appear and apply therefor, which registration may be made on said date between the hours of 8 o'clock a.m. and 8 o'clock p.m., Eastern Standard Time.

In Memoriam 2

IN LOVING MEMORY OF OUR husband & father, John L. Forum, who passed away Feb. 24, 1954.
Two years have passed since that sad day,
When one we loved was called away;
God took him home—it was his will;
Within our hearts he liveth still.
Sadly missed by wife, Iris & Children

IN LOVING MEMORY OF OUR Father and Husband, Roy Hamlett, who passed away 4 years ago today, Feb. 25, 1952.
What would I give to clasp his hand,
His happy face to see,
To hear his voice and see his smile,
That meant so much to me.
Sadly missed by wife and daughter.
