

Hot Words Mark Turnpike Meeting

Freight Cars Derailed in Yard Here Early This Morning

GRAND TRUNK PILE-UP—Some of the 12 Grand Trunk freight cars and their undercarriages that were derailed early this morning in the Pontiac Grand Trunk yard are shown above. According to trainmaster Bruce L. Miller, cause of the accident is unknown. Estimated damage to the tracks was \$2,000 and to the cars about \$1,000. The mix-up did not interfere with rail traffic, Miller said. Eight of the cars were loaded and four were empty.

Meteor Display Now Is Staging 'Show in Skies'

Pontiac residents currently are being entertained with an annual showing of the Perseids meteor display.

According to Mrs. Ella Archer of 112 Adelaide St., a member of the Pontiac Northwest Astronomical Society, those interested in astronomy in any way should reserve the morning of Aug. 12 for scanning the skies.

Mrs. Archer said that on this day the maximum number of meteors should be visible. "On this day in a one hour period it will be possible to view from 30 to 50 meteors showering the earth," Mrs. Archer said.

"The best time to view this display is between midnight and 6 a.m. because the meteors are much more visible at this time," the society member said.

Orrin C. Mohler, assistant director of the McMath-Hulbert observatory at Lake Angelus, said those watching the display around 3 a.m. should look due north.

Kidnap Theory Brings FBI Into Society Murder Hunt

KANSAS CITY, Mo. (INS)—Kansas City police, pursuing the theory that attractive Mrs. William R. Allen was forcibly kidnapped, pressed their hunt tonight for her slayer.

The police denied reports that Mrs. Allen might willingly have kept a lovers' lane tryst when she was slain last Thursday.

Capt. Don Bishop of the detective bureau said the 34-year-old mother and society matron had a spotless reputation and was so devoted to her husband that she was in frequent telephone communication with him while he was at work.

The nude and trussed body of the young brunette wife of a prosperous Kansas City auto dealer was found Sunday under a pasture hedgerow near Stanley, Kan., about 22 miles from

MRS. ALLEN the Kansas City shopping district where she disappeared.

The fact that state lines had been crossed led the Federal Bureau of Investigation entering the baffling kidnap-murder case. Percy Wyly, agent-in-charge of the Kansas City FBI office, said that agents joined in the hunt for the slayer on the assumption the Lindbergh kidnap law, which carries the death penalty, had been violated.

FORCED TO GO
Police Capt. Bishop said he did not discount the possibility that Mrs. Allen might have known her (Continued on Page 2, Col. 8)

Amputee Bobby Dunn Set to Return Home Friday

Bobby Dunn, the 14-year-old boy who lost both legs while trying to hop a freight train here last Christmas Day, is scheduled to arrive home Friday.

His appearance is in marked contrast with that of the crushed and bleeding youngster whose legs were amputated by the grinding wheels of the train eight months ago.

Today, after long weeks and months of treatment and training, Bobby walks without aid on two artificial legs.

His parents, Mr. and Mrs. Ben Dunn, who have moved from their old apartment at 60 W. Pike St., to a house at 58 Union St., said officials at Mary Freebed Hospital, Grand Rapids, have informed them that their son is ready to come home. They expect to pick him up Friday.

Mrs. Dunn said Bobby has learned to walk on the artificial limbs without aid. "He uses a cane most of the time, but he can walk quite a way without assistance of any kind," she related.

In addition, Bobby has learned to ride a bicycle and swim, attendants at the hospital informed the parents.

"We plan to enroll him for regular fall classes at Eastern Junior High School," said Mrs. Dunn after proudly revealing that her son

had passed his examinations for promotion to the 9th grade.

The plucky youngster, who turned 14 last March, daily attended classes in the hospital in a wheelchair. He also was active in a special Boy Scout troop at the hospital.

Bobby completed the last phase of his training (learning to use his left leg) after an operation early in July to remove a small bone spur.

Although he can ride a bike, Mrs. Dunn said Bobby will take a bus to and from school at least for a while. "We'd rather not take the risk," was her explanation.

Now that Bobby is coming home, legal machinery will be set into operation to provide permanent administrators for the \$11,900 fund raised by citizens here and throughout the country for his education and future needs.

Slow Pace Seen at Polio Shots Makeup Clinics

The anti-polio makeup shot program is going along at a relatively slow pace in the two county health centers administering makeup injections to children who missed their regular shots.

Officials at the Oakland County Health department report 250 youngsters appeared yesterday. The second clinic, in the South Oakland County Health Center at Royal Oak, gave vaccine to 104 first and second graders yesterday.

However, a spokesman for the Royal Oak clinic said 193 youngsters had received shots by 10 a.m. this morning, bringing the total to 297.

The Pontiac clinic, at 15 W. Huron St., will be open daily through Friday, from 9 to 11:30 a.m. and from 1 p.m. to 4 p.m. Located at 2401 E. Fourth St., the Royal Oak clinic will observe the same hours.

The boy, Milton D. Andrews, of 2515 S. Commerce Rd., was killed when he was struck by a car while riding his bicycle on Commerce near his home. He was dead on arrival at Pontiac General Hospital at 4:45 p.m.

The driver, Hubert Benton, 49, of 2183 Woodlawn, Walled Lake, was being held for investigation of negligent homicide.

Oakland County Deputy Sheriff's Gordon Misenar and Homer Hay said the impact hurled the victim's body about 85 feet.

Benton, who failed to stop at the scene, was apprehended after his car was forced to the curb by a witness, Charles E. Johnson, of Milford.

Johnson told officers that he was driving behind Benton, who was alone and noticed his car was weaving on and of the roadway.

The second victim, Mrs. Beatrice Dawson, 47, of 1389 big Beaver Rd., Royal Oak, was dead on arrival at Pontiac General after the car in which she was riding collided broadside with another at 1:10 this morning at Telegraph and 13 Mile Rd.

Robert Barnett, 25, of 707 Lewis Ave., Royal Oak and another passenger Robert Russell, 35, of 622 W. 11 Mile Rd., Royal Oak, were admitted to the hospital and are reported in fair condition.

State Police of the Redford Post said Barnett's car, westbound on 13 Mile, collided with one being driven south on Telegraph by Reinhard Bischoff, 53, of Detroit.

Barnett had stopped for the red flasher at the intersection and apparently pulled into the path of Bischoff's car. Bischoff, who was treated for minor cuts and bruises, was scheduled to make a statement at the Oakland County Prosecutor's Office today.

Gilmore identified the Lansing optometrist as Dr. Edwin L. Sanchick. Gilmore said Sanchick was under investigation by the state examining board on charges of steering patients to the King Optical Co. in return for kickbacks.

Present in the hotel room when Ritholz made his cash offer, Gilmore said, were Dr. Chauncey J. Howe Jr. of Hillsdale, Clare L. Grigware of Grand Rapids and Julian Feiler of Flint. They with two colleagues, make up the state examiners board.

Gilmore said police had "the full co-operation" of the board members in making the arrest.

Board members arranged for the meeting in cooperation with the Attorney General's office and State Police, Gilmore said.

"They informed us of the attempt and kept us up to date," he said.

Sanchick said he had not sanctioned the bribe attempt and was surprised by the action.

A hearing on the charges was tentatively scheduled to be held Aug. 16.

Accidents Kill 2 Persons Here

Commerce 14-Year-Old, Royal Oak Woman Die in Auto Mishaps

Oakland County traffic accidents took the lives of a 14-year-old Commerce Township boy and a Royal Oak woman late yesterday and early today.

The boy, Milton D. Andrews, of 2515 S. Commerce Rd., was killed when he was struck by a car while riding his bicycle on Commerce near his home. He was dead on arrival at Pontiac General Hospital at 4:45 p.m.

The driver, Hubert Benton, 49, of 2183 Woodlawn, Walled Lake, was being held for investigation of negligent homicide.

Oakland County Deputy Sheriff's Gordon Misenar and Homer Hay said the impact hurled the victim's body about 85 feet.

Benton, who failed to stop at the scene, was apprehended after his car was forced to the curb by a witness, Charles E. Johnson, of Milford.

Johnson told officers that he was driving behind Benton, who was alone and noticed his car was weaving on and of the roadway.

The second victim, Mrs. Beatrice Dawson, 47, of 1389 big Beaver Rd., Royal Oak, was dead on arrival at Pontiac General after the car in which she was riding collided broadside with another at 1:10 this morning at Telegraph and 13 Mile Rd.

Robert Barnett, 25, of 707 Lewis Ave., Royal Oak and another passenger Robert Russell, 35, of 622 W. 11 Mile Rd., Royal Oak, were admitted to the hospital and are reported in fair condition.

State Police of the Redford Post said Barnett's car, westbound on 13 Mile, collided with one being driven south on Telegraph by Reinhard Bischoff, 53, of Detroit.

Barnett had stopped for the red flasher at the intersection and apparently pulled into the path of Bischoff's car. Bischoff, who was treated for minor cuts and bruises, was scheduled to make a statement at the Oakland County Prosecutor's Office today.

Want to be bug-as-a-bug-in-a-bug this winter? Watch for, wait for Armstrong Operation Bug-as-a-bug coming your way this week. This newspaper and radio station WCAR will carry announcements.

Released Fliers to Return Home This Weekend

Crewmen Request Quiet Reception With Families on Arrival in U.S.

TOKYO (AP)—Eleven happy U. S. airmen today officially got the news they prayed for during 32 long months in Communist captivity—"home this weekend."

The Air Force said Col. John Knox Arnold and the 10 other fliers freed by Red China last week will leave aboard two berth-equipped C54s tomorrow for Travis Air Force Base, Calif., via Midway and Hawaii.

Arriving at Travis Friday morning, they will continue aboard two fast two-engine Convairs to the military or civilian airports closest home.

They were told they should be home Saturday, or Sunday at the very latest.

The Air Force considered flying them to Travis via Alaska and Tacoma, Wash., but the airmen themselves said they wanted to return via the longer Midway-Hawaii route.

Protesting lest officials "make a fuss" over them, the fliers also said they preferred no mass meeting with relatives at Travis, as proposed.

Finishing their rigorous Air Force physical exams, they turned over group sight-seeing tours and went in twos or threes into the gay city of Honolulu.

On the eve of their departure, all 11 fliers will be entertained by an orchestra and floor show at the base officers' club. "It will be a mild floor show, no strip show or anything like that," an Air Force spokesman said.

In Montgomery, Ala., Col. John K. Arnold, top officer among the 11 airmen released by the Chinese Communists, wants a "quiet homecoming with no ceremony," his wife said after an overseas telephone call from her husband.

Arnold requested that his wife remain at home when he arrives in Montgomery rather than meet him at the airport.

"He just wants to come home himself. That's all," Mrs. Arnold said yesterday.

And in Nevada City, Calif., Una Schmidt-Fine, who has two husbands, is in seclusion today with her 2½-year-old son living apart from husband No. 2 while waiting to meet the husband she thought had been killed in Korea.

Mrs. Schmidt-Fine, 26, has talked by transpacific telephone to Daniel C. Schmidt, father of Danny Jr., whom he has never seen. Schmidt, one of 11 American airmen prisoners released recently by the Chinese Communists, was scheduled to leave Tokyo by plane tonight on his way home.

Royal Oak TV Viewers Help FBI Nab Man

Two unidentified Royal Oak television viewers outguessed the panel on the "What's My Line" program Sunday night and helped the FBI nab a man wanted on an auto theft charge.

In New York, the FBI said yesterday James M. Showers, 27, had been arrested following a telephone tip from two persons in Royal Oak who saw Showers on the television show.

The panel guessed his occupation as an elephant handler, which was correct. He had gone to New York from Detroit five weeks ago to handle two elephants in a show at Jones Beach on Long Island.

But the Royal Oak viewers, who the FBI did not identify, "knew Showers and the FBI's interest in him," said James J. Kelly, special agent in charge of the FBI's New York office.

Showers, who used the name Jimmy Mitchell on the program, has been sought since June 1954 when a complaint was filed charging him with stealing a convertible auto in Royal Oak and selling it in Glens Falls, N. Y.

VERSAILLES, Ky. (AP)—A. B. (Happy) Chandler, with a political past and future built on a smiling but indomitable personality, refused to relax today while enjoying his second Democratic nomination for governor.

The energetic former governor, U. S. senator and baseball commissioner—who said "Never have I been so humble and so grateful"—worked to bind up intraparty wounds from an old-fashioned blood-letting primary.

After preliminary plans for the general election will come a vacation, when "all I want to do is sleep," Chandler said.

Three pounds heavier after a grueling political comeback fight to overcome a state administration firmly entrenched for eight years, Chandler, 57, confidently predicted victory in November.

He flashed the smile which has been a trademark since earning him the nickname "Happy" as a boy and said, "I am certain that many thousands of registered Republicans will find our program worthy of their support."

He expressed confidence Democrats will "close ranks" for the election despite his vigorous attacks on the administrations of Gov. Lawrence Wetherby and his predecessor, U. S. Sen. Earle Clements.

Chandler's victory against such formidable opposition came 20 years after his first stunning political upset, when he won the gubernatorial nomination over administration-backed Thomas Rhea.

Selection of a queen tonight to reign over the ninth annual agricultural and 4-H fair will highlight the opening of the five day event at the 4-H fairgrounds, located at Perry street and Walton Boulevard.

Approximately 16 entrants are expected to seek the title of the queen, in judging which begins at 7:45 p.m.

Each club is eligible to have one entrant, so the possible number of candidates for the honor could swell to 58 before this evening.

To qualify as an entrant, the girls must be between 15-21 years of age, and be active in 4-H work. They must wear a cotton dress, and have at least one summer 4-H project exhibited at the fair.

Exhibits, horses, cows, farm equipment—everything from the farm scene—began arriving early this morning. The fairgrounds were transformed into a beehive of planned activity, including a couple beehives which arrived to be carefully stored in a tent.

"From the early registration, this may be the biggest fair we've had yet," fair manager John Bray said today. Some of them began moving in last night.

"I found four pens of pigeons in one tent, and three boys from the Avondale club brought their horses over and camped out."

"If the good weather holds, and we don't get rained out on Saturday, like the past couple years, this should top the 50,000 visitors figure of last year," he added hopefully.

Higgins, Ziegler Liven Discussion on Roads Issue

MTA Chairman Attempts to Pin State Down on Freeway Dates

By BURDETT C. STODDARD
Pontiac Press Staff Writer

LANSING — Michigan Turnpike Authority Chairman George N. Higgins and State Highway Commissioner Charles M. Ziegler exchanged hot words here yesterday as Higgins attempted to pin the department down on when it could build a north-south freeway.

At the last MTA meeting it seemed generally agreed that if the U. S. Congress failed to pass an increased federal-aid bill, the highway department would not have sufficient funds to build the free road and the authority would proceed with toll road plans.

The aid bill was defeated, but Ziegler aroused Higgins' ire yesterday by saying he is too far committed on the freeway to stop now.

S. P. Brown, vice president of Coverdale and Colpitts, the firm which engineered the toll road route, said if a section of the freeway is built between Flint and Dundee the turnpike would lose 40 to 50 per cent of its traffic potential, making it impractical to construct.

Ziegler seemed to feel that both the MTA and his department should continue with their separate and conflicting plans.

He claimed the authority could not do anything about a Supreme Court ruling in the fall on the constitutionality of the turnpike law and before making some changes in route plans.

BILL MAY BE PASSED
Congress might pass a stepped-up federal-aid bill shortly after it convenes in January, said Ziegler, which would clear the way for an "almost immediate" start on the freeway.

"Then you want us to wait for the court decision, then wait again, for Congress before moving on the turnpike," said Higgins. "This could go on forever."

If Congress should fall again to pass an aid bill there would (Continued on Page 2, Col. 4)

Queen to Reign at Fair Tonight

Open Annual 4-H Event With 16 Contestants Vying for Honor

Selection of a queen tonight to reign over the ninth annual agricultural and 4-H fair will highlight the opening of the five day event at the 4-H fairgrounds, located at Perry street and Walton Boulevard.

Approximately 16 entrants are expected to seek the title of the queen, in judging which begins at 7:45 p.m.

Each club is eligible to have one entrant, so the possible number of candidates for the honor could swell to 58 before this evening.

To qualify as an entrant, the girls must be between 15-21 years of age, and be active in 4-H work. They must wear a cotton dress, and have at least one summer 4-H project exhibited at the fair.

Exhibits, horses, cows, farm equipment—everything from the farm scene—began arriving early this morning. The fairgrounds were transformed into a beehive of planned activity, including a couple beehives which arrived to be carefully stored in a tent.

"From the early registration, this may be the biggest fair we've had yet," fair manager John Bray said today. Some of them began moving in last night.

"I found four pens of pigeons in one tent, and three boys from the Avondale club brought their horses over and camped out."

"If the good weather holds, and we don't get rained out on Saturday, like the past couple years, this should top the 50,000 visitors figure of last year," he added hopefully.

Hurricane Connie Heads North Coastal Residents of Carolinas Alerted

MIAMI, Fla. (AP)—Coastal residents of North and South Carolina were placed under a hurricane alert today as Connie, first big tropical storm of the year, began a slow drift which could take it toward the coastline.

Residents of the Georgia coast from Savannah northward were given a "mild" hurricane alert.

The next 12 to 24 hours will be the most critical for the Carolinas and all interests in this area should remain on the alert for further advices today and tonight.

Small craft from Cape Cod southward along the Carolina coasts have been warned by the Miami Weather Bureau not to venture into the open Atlantic until this severe hurricane passes.

The Weather Bureau's storm warning service, in a special 9 a.m. EST information bulletin on the storm, said Connie was moving toward the north-northwest about 10 or 11 miles an hour and was centered at that hour 670 miles east of Jacksonville, Fla., and only 370 miles east-southeast of Cape Hatteras, N. C.

Rough and abnormally high seas were predicted from Massachusetts southward along the Carolina coasts and "seas will become progressively rougher and higher as the hurricane moves northward."

HEADING NORTH — Cross locates hurricane Connie as she moved northward in the Atlantic today. Threat to south Florida coast had passed, but forecasters would not predict the storm's future path.

Pontiac School Officials Hurt

Retiring PHS Principal, Successor Involved in Accident

Pontiac, Mich. — Senior High School Principal John Thors Jr. and his successor Francis W. Staley were injured in a two-car accident returning from Saginaw last week.

Thors suffered four broken ribs and a leg laceration when the car which Staley was driving was struck about 12 miles north of Saginaw.

Thors was admitted to Saginaw General Hospital while Staley was treated for bruises and released. Thors was released from the hospital Sunday and returned to Pontiac on the same day.

According to Staley, he and Thors were returning from a visit to Central Michigan College on a scholarship program concerning Pontiac High graduates, when the accident took place.

Staley said the driver of the other car, apparently fell asleep causing his car to cut directly in front of his.

"My car was completely demolished but we both consider ourselves very lucky that the accident didn't happen head-on," Staley said.

Radio's Bill Stern Injured in Crash

NEW YORK (AP) — Bill Stern, ABC radio sports commentator, was seriously injured early today when he apparently lost control of his car on the Henry Hudson Parkway and crashed into an abutment.

He was taken to Jewish Memorial Hospital suffering from cuts, bruises, a concussion, possible broken ribs and possible internal injuries. His condition was termed serious. He was unconscious when removed from his car.

Stern, 48, lives in suburban Purchase, N.Y.

Will Shoemaker Answer \$64,000 Query Tonight?

NEW YORK (AP) — The \$64,000 question today was: "Will opera whiz Gino Prato try for the \$64,000?"

Or will he take the \$32,000 he already has won, and call it quits? The 35-year-old Bronx shoemaker says he probably won't make his decision until he enters the studio tonight to appear on the CBS-TV giveaway program "The \$64,000 Question."

Prato said at a news conference yesterday he would go to St. Patrick's Cathedral before the show and pray for guidance.

Prato faces another question on opera tonight. He can bow out and take the \$32,000 he has won by his amazing knowledge in that category. If he tries for the grand prize and strikes out, he still will get a \$4,000 auto as a consolation prize.

Prato, whose shop is in Manhattan, said yesterday that his airwaves fame has brought him a \$10,000-a-year job. He said he has accepted a job as a "good will ambassador" for the American Biltrite Rubber Co., of Chelsea, Mass. His year's contract calls for him to visit various cities and conventions as a representative of the company.

Placed on Probation

Gayle W. Defoe, 28, of Detroit, paid a \$25 fine and \$15 costs yesterday and was placed on six months probation yesterday after pleading guilty to drunk and disorderly. He appeared before West Bloomfield Township Justice Elmer C. Dieterle.

Pays for Drunk Driving

Orion Township Justice Helmar G. Stanback yesterday assessed William K. Collins, 22, of Waterford Township, a \$100 fine and \$10 costs yesterday on a drunk driving charge. Collins pleaded guilty.

The Weather

PONTIAC AND VICINITY—Fair and warmer today and tonight. Tomorrow partly cloudy and a little warmer. High today near 80. Low tonight 62-64. High tomorrow 82-84. Easterly winds 10-15 miles per hour today becoming southerly tonight.

'Y' Names New Building Youth Director Here

The new building youth director for the Pontiac YMCA is Morris Tubergen, who assumed the director's duties yesterday, announced Ted Slosson, executive secretary.

Tubergen, 22, is a native of Fremont, Mich., and has worked in several capacities with the Grand Rapids YMCA. He was appointed to office here by the personnel committee of the board of directors.

He succeeds George Balch, who has been named youth department director. Balch has been with the YMCA here for three years and will engage in community work, supervising various clubs, and organizing and directing H-Y groups in junior and senior high schools in Pontiac and Waterford.

The new youth director, a 1953 graduate of Calvin College in Grand Rapids, arrived in Pontiac Saturday and lives at 1573 Woodward Ave.

While at Calvin, Tubergen was an 8 letter winner in track and cross-country running and won the Senior Award this past year for scholarship and athletics. His new duties will include clubwork in the youth division.

Diseases Show Increase Again

Mumps and Chicken Pox on Rise Here; Polio Figures Drop

After dropping to an unusual low two weeks ago, cases of mumps and chicken pox reported last week show a high increase in the communicable disease reports released today by Dr. John D. Monroe, City and Oakland County health director.

Reported cases of mumps in the County totaled 33 last week, after only two cases were treated the previous week. Chicken pox cases amounted to 15. A single case was reported the previous week.

Meanwhile, polio cases have dropped. Eleven cases were reported two weeks ago. Last week, one was from Pontiac while five County victims were stricken.

Breakdown of both reports, along with comparative figures for the previous week and a year ago follows.

OAKLAND COUNTY				
	Past Week	Prev. Week	Year Ago	
Chicken pox	15	2	1	
Mumps	33	2	1	
Poliovirus	1	11	13	
Scarlet fever	2	0	0	
Tuberculosis	2	0	0	
Whooping cough	2	0	0	
Rubella	1	1	0	
Shingles	1	0	0	
Impetigo	2	0	0	

PONTIAC				
	Past Week	Prev. Week	Year Ago	
Chicken pox	1	0	0	
Mumps	1	0	0	
Poliovirus	1	1	0	
Scarlet fever	1	0	0	
Impetigo	1	0	0	

City Man Treated After Auto Mishap

Alonzo W. Harris, 42, of 26 De Land Ct., was treated and released at Pontiac General Hospital yesterday after being involved in a two-car accident at Saginaw and Pike Streets.

Harris told Pontiac Police that he started to make a right turn and had to stop for a pedestrian when a car driven by George Leo Hessing, 47, of 126 Green St. struck his car in the rear.

Hessing told police that Harris was making the right turn without a signal and stopped suddenly. Hessing was not injured.

Rochester Woman Hurt in Two-Car Collision

Mrs. Maude Vock, 34, of Rochester, was treated for a head bruise and sprained ankle yesterday at Avon Centre Hospital after the car in which she was riding collided with another on M150 in front of the hospital.

Mrs. Vock's husband, Arthur, 37, the driver, was uninjured, said his car rammed one being driven by Albert J. Bonin, 16, when Bonin made a left turn into his path.

Bonin told Sheriff's deputies his car stalled when he started his turn. He was not hurt.

Angry Koreans Mass in Wolmi

1,200 Railway Workers Reach Inchon to Force NNSC Departure

SEOUL (AP) — Twelve hundred Red-hating Korean railway workers reached Inchon from Seoul today to reinforce some 300 demonstrators besieging the Neutral Nations Supervisory Commission billets on Wolmi.

About 700 U.S. soldiers are guarding the island, scene of Gen. MacArthur's famed Inchon landing of 1950.

Earlier today, seven U. S. soldiers were injured when the demonstrators broke through a barricade on the causeway leading to the island. That brought to 22 the number of American servicemen injured since the riots began Saturday. None have been seriously injured.

The Koreans are trying to enforce President Rhee's ultimatum that the NNSC leave Korea by Saturday. Rhee claims the Communist Poles and Czechs on the commission are spies.

Today's demonstration was broken up by tear gas bombs and blank shells, the latter fired to frighten the Koreans.

Pontiac Deaths

Lynn Doyle Allen

Graveside service was held Monday in the Attica Cemetery for Lynn Doyle Allen, infant son of Herbert John and Marlene Young Allen of 1340 N. Perry St. The baby was dead at birth Monday in Pontiac General Hospital.

Besides his parents he is survived by a brother and sister, Deborah Sue and Herbert Dale at home.

Mrs. Effie Jean Pixley

Word has been received here of the death of Mrs. Effie Jean Pixley, 76, who had made her home for 12 years with her daughter, Mrs. Donald McIntosh, 95 Henry Clay Ave.

She was stricken with a heart attack while visiting her daughter, Mrs. Lloyd Conklin of Manistee and died Monday in the Mercy Hospital there.

Born in Watertown Township, Tuscola County, Nov. 25, 1878, she is survived by three daughters, Mrs. Nelson Tucker of Detroit besides the two mentioned and a son, George of Pontiac; five grandchildren and three great-grandchildren.

Funeral will be Thursday at 2 p.m. from the Blackmore-Tubbs Funeral Home at Mayville. Burial will be in the Watertown Cemetery.

Mrs. Raymond Reeves

Funeral for Mrs. Raymond (Orpha E.) Reeves, 58, of 349 Seward St. was held today in the Sherman Funeral Home at Ortonville. The Rev. Bishop Parent officiated and burial was in the Ortonville Cemetery.

Born in Kentucky Oct. 29, 1897, she married Mr. Reeves Nov. 13, 1912.

Besides her husband she is survived by three daughters and five sons, Mrs. Opal Cox, Mrs. Mabel Epley, Mrs. Irene Auten, Orie, Joseph, Raymond, Samuel and Donald, all of Pontiac.

Also surviving are two sisters, Mrs. Lizzie Bell Blythe and Mrs. Pearl Anderson of Russellville, Ky., 18 grandchildren and one great-grandchild.

Mrs. Joseph Richardson

Funeral for Mrs. Joseph C. (Beatrice) Richardson, 52, of 127 Chamberlain St. will be Thursday at 2 p.m. from the Lester Smith and Son Funeral Home in Imlay City. Burial will be in the Imlay City Cemetery.

Born at Burnside Nov. 1, 1902 she was the daughter of George and Irene Bishop Beechum and the widow of Mr. Richardson.

Surviving are three sons and three daughters, Joseph, Jack, Mrs. Joyce Ross and Mrs. Edna Pearl Spencer of Washington, Richard of Rochester and Mrs. Marjorie Hunsinger of Imlay City.

Also surviving is a sister, Mrs. Rosetta Hartman of Silver Springs, Md.

The body was taken from the Voorhees-Siple Funeral Home to the Lester Smith and Son Funeral Home.

World's Fastest Rocket Plane Explodes in Test

EDWARDS, Calif. (AP) — An explosion rocked the world's fastest rocket plane seconds before a mother ship was to release it high above the Mojave Desert.

Research pilot Joseph A. Walker, 34, scrambled up into the mother plane, a B29, and the rocket plane—the stub-winged Bell X-1—was dropped, piloted, onto a bombing range from 30,000 feet.

An Air Force spokesman said that the B29 was unable to land with the damaged rocket plane hanging from its belly for fear the rocket, still carrying highly volatile fuel, might explode again.

The blast occurred yesterday 70 seconds before the B29 was to release the X-1 on a test flight above Edwards Air Force Base.

THEY SUSPECT HIS LINE—Jimmy Mitchell, shown here in his occupation as elephant handler, was arrested in New York Monday by the FBI after he was identified by Royal Oak viewers as he appeared on a TV quiz show. FBI identified the prisoner as James Marshall Showers, 27, former lumber company worker in Royal Oak, wanted on charges of car stealing. He was held on \$1,500 bond after appearing before a U. S. Commissioner in Brooklyn. Above he is shown handling one of two elephants in a show at Jones Beach, Long Island.

Public improvements take up the lion's share of the 34-item agenda facing the City Commission tonight.

In addition, the Commission is slated to hear six reports from the City Planning Commission.

Engineer's estimates will be presented for the following projects:

Curb, gutter and drainage on Elm street from Marshall to 150 feet west of Going.

Combined sewer on Richard avenue from trunk sewer to alley south of Walton.

Eight-inch reinforced concrete widening strip, curb, gutter and bituminous concrete resurfacing of existing pavement on Mt. Clemens street from Paddock to East boulevard.

Two-inch blacktop pavement on Avon road from Marshall to 150 feet west of Going.

Public hearings are scheduled for the following:

Intention to construct curb, gutter and drainage on Stanley from Kinney to Kennet.

Intention to construct combined sewer on south side Columbia avenue from trunk sewer east of Carlisle to Stanley.

Special assessment roll for curb, gutter and drainage on Edna avenue from Telegraph to Dawson Mill Pond.

Special assessment roll for curb, gutter and drainage on Park place from Hovey to O'Leary.

Special assessment roll for curb, gutter and drainage on Marshall street from Elm to Michigan Airline Railroad.

Special assessment roll for curb, gutter and drainage on Anderson street from Elm to Michigan Airline Railroad.

Special assessment roll for sanitary sewer on Russell from Osborn to north line of Murphy Park.

Special assessment roll for sidewalk and related work on east side of Marquette from Nelson to Edison.

Resolutions are set:

To declare public necessity for two-inch blacktop pavement on Avon road from Marshall to 150 feet west of Going.

To receive special assessment roll for curb, gutter and drainage on St. Louis avenue from Baldwin to Hollywood.

To receive special assessment roll for combined sewer on Hollywood avenue from Kennet to St. Louis.

To receive special assessment roll for combined sewer on St. Louis avenue from Kennet to St. Louis.

To declare public necessity for curb, gutter and widening East boulevard from existing widening pavement north of Mt. Clemens street to the end of existing widening pavement south of North Perry street.

Authorizing city clerk to advertise for sale of building at 72 E. Pike St.

The Commission is also set to consider request for transfer of a Class C and package beer and wine liquor license at 1225 Baldwin Ave., and a request for a hearing from M. E. Gorman concerning denial of his used auto parts license.

Also scheduled are first reading of an ordinance to amend to the plat ordinance and approval of a contract with Frenont Thee for work on the parking area behind the City Hall.

Also to be mulled are a communication from Community National Bank over a property agreement, and two petitions for curb, gutter and drainage.

Acadian Exile to Be Marked in Nova Scotia

GRAND PRE, N.S. (AP) — Thousands of Acadians from both the United States and Canada will join here next Monday to mark the 200th anniversary of a famous exile.

In 1755 the British governor of Nova Scotia, aided by his Massachusetts colleague, banished 6,000 French Acadians who refused to swear allegiance to the British Crown.

Today there are 1,200,000 Acadians from Louisiana to Quebec. One of their shrines is Nova Scotia's Annapolis Valley, centered around this village, a whistle-stop between Yarmouth and Halifax.

The celebration of the bicentennial has been going on for a year in various localities, and it will close with a Pontifical Mass here Monday. The Acadians, many wearing the peasant dress of 18th century rural France, will congregate under the shade trees of Memorial Park, near a bronze Evangeline.

Nearby is the Bay of Fundy shore where exile parted Emmeline Labiche and Louis Arceneaux on their wedding day. This separation apparently inspired Longfellow's poem "Evangeline," which has the lovers meeting after years of wandering — only to die, weak and worn, in one another's arms.

Historians dispute some aspects of Longfellow's poem.

Butcher Knifer Pleads Innocent

Tulsa Housewife Free on Bail Awaiting Trial in Husband Slaying

TULSA, Okla. (AP)—Mrs. Geraldine Terry, a 23-year-old blonde charged with the butcher knife slaying of her husband of three weeks, pleaded innocent yesterday. She was freed on a \$10,000 bond after she told the court that her husband Bill Lee Terry, an attorney, was stabbed fatally when he fell on a butcher knife during a struggle with her.

Her foster father Glenver McConnell, former Tulsa city water commissioner, offered 200 shares of U.S. Steel Corp. stock as security for the bond. Judge Lewis C. Johnson accepted it and set Aug. 30 for trial.

Mrs. Terry said her husband "left the house" "so drunk he could hardly stand," after an argument. She said they continued to quarrel upon his return and he got a butcher knife from the kitchen.

The statement said Terry told

her he was going to kill her. She said that in the struggle that followed, she got hold of the handle of the knife and as he lunged at her he lost his balance and fell against the blade.

Stowaway Girl From Hawaii to Be Sent Back

LOS ANGELES (AP)—Although a 16-year-old Hawaiian girl stowaway is going to be sent back home, she'll have at least a week in California.

Jocelyn Joan Pilapil is charged with delinquency by "secreting herself and remaining aboard" the Canadian destroyer Athabaskan. The U.S. Commissioner ordered her held in juvenile hall under \$500 bail, pending a full hearing next Monday. The U.S. Attorney and the probation service said they will recommend that she be returned to her parents in Hilo.

The girl told the commissioner she would like to get in touch with an uncle in San Francisco and see some of the West Coast. The hearing, of course, he would go her bail. The hearing was closed and the uncle's name was not disclosed.

Chinese Junk Takes 6,000 Mile Voyage

SAN FRANCISCO (AP)—A 78-foot sailing junk nosed into San Francisco Bay last night after a 53-day voyage across 6,000 miles of the ocean from Formosa. Aboard were five Chinese and an American diplomat.

This is the end of the trip for Calvin E. Mehlert, whose home is Fresno, Calif. He plans to return to his post as U.S. vice consul at Taipei, Formosa. The Chinese, who own the vessel, plan to go on. "We hope to take the junk around the world," said Chung Yu-ling, the skipper.

Mehlert was dubious. He said that before the teakwood vessel could leave for New York "all the planking in the bottom has to be replaced and the mast strengthened and that takes money and they don't have any money."

The Chinese work on Nationalist motorized fishing vessels out of Formosa. They said this is the first "actual sailing experience for any of us."

U. S. Farmers Talk to Reds

MOSCOW (AP)—Members of the visiting American farm delegation are lecturing Soviet farmers on corn, hog raising and other agricultural matters — and the Soviet press is praising the Americans for it.

The Americans and Russians are interviewing one another more and more intensely as the visitors' tour progresses. For example, J. M. Kleiner of Nampa, Idaho, an agricultural products distributor, told the Russians about speedy barn construction in the United States which simplifies the care of cattle. He gave such a good lecture that the official farm newspaper, Soviet Agriculture, reported: "The workers of the state farm which heard him warmly thanked Kleiner for his information and told him that in the organization of livestock farms in the United States — especially in the automation of feeding — there are many things which the Soviet Union can learn to its advantage."

The Russian farmers also thanked Ralph Olsen of Ellsworth, Iowa, for his lecture on hog raising and feeding. Herbert Pike of Whiting, Iowa, gave the Russians a lec-

ture on cross-breeding of pigs on his farm, John Steddom of Granger, Iowa, listed for the Soviet farmers the norms for pig feeding in various age groups.

It appears from the Soviet press reports that in the Kuban and Don regions the American and Soviet farmers really got to know one another. They diligently tried to learn from one another, and the Americans were praised highly in the Soviet press for imparting their know-how.

Walking Electric Fan Is Heat Wave Hazard

JASPER, Ind. (INS)—A walking electric fan is a new summer-time hazard.

Linus Kluemper, a Jasper factory worker, placed a large fan on the floor near a window to bring in cool night air and went to bed. The fan vibrated its way five feet across the floor, turned completely around and back up against Linus' right foot as it dangled over the edge of the bed. The blades then sheared off his big toe.

The U. S. has 80 percent of the world's motor vehicles.

To Review Case of Navy Student

Top Official to Study Honor Grad's Record to Make Decision

WASHINGTON (AP)—Secretary of the Navy Thomas personally will review the record and make the decision on Eugene Landy, denied a Naval Reserve commission because his mother was once a Communist.

Thomas said yesterday a special board of officers has been formed to review the case and Landy will be given a chance to appear before the board. No timetable was given.

Landy, 21, of Bradley Beach, N.J., sailed Sunday on a 30-day trip as a deckhand aboard the supertanker Western Sun from Marcus Hook, Pa., to Beaumont, Tex.

He was graduated with honors from the Merchant Marine Academy at Kings Point, N.Y., last

Friday but stood silently, hands at his side, while fellow graduates were sworn in as ensigns in the Navy.

Thomas said the Bureau of Naval Personnel has received a request from Landy to reconsider his application and that this consideration will be given as it would be to any other applicant.

Landy's mother Mrs. Deborah Landy has acknowledged membership in the Communist party during World War II days. She said she gave it up at the insistence of her son.

Summer Romance Is Often Passing Fancy

By ELIZABETH WOODWARD

When a boy is cold, he puts on a sweater. When he's hungry he raids the icebox. When he's thirsty he gets himself a drink. And when he likes a girl he makes an effort to be with her.

His desires are usually fulfilled as fast as possible. If it's practical, convenient and reasonable, he isn't going to let himself hanker for long.

Yet, some girls can't seem to

realize that what a boy wants is he's going to get, if he can. And if he does nothing about it it's because he doesn't want it badly enough.

And if he doesn't want a certain girl, it's silly of her to suffer. Which is what I'd like to remind this girl painful though it may be.

"Dear Miss Woodward: Last summer I met a boy I fell deeply in love with on the first day of my vacation, and we were, together most of the week. Since then I've seen him only once, he has called twice, but never written. He has given me some idea that he does care a little bit, but does nothing about it.

"I'm 18 and past the stage of actually chasing a boy. And I'm so depressed all of the time that I just can't have a good time with anyone else. Can you help me?"

Answer: It's quite possible that the real thing did smite you down the very first day of your vacation last summer. But it's not exactly probable.

Summer romances can be violently devastating, tremendous fun while they're going on. But they usually happen because two young people happen to be in the same place at the same time with the same activities to enjoy. Change the setting, and the activities and the romance just can't stay stuck.

A flirtation lends spice to one's summer vacation. I'm all for a copious dose of same. But it's only sensible to recognize it for what it is. A delightful passing fancy. If you continue to meet in the natural course of things, it might turn into the real thing. That has happened.

In your case, your lives haven't really crossed for a whole year. He didn't want it enough to make it happen. And circumstances didn't toss you together.

Oh, he thoroughly enjoyed meeting you. He had a fine time with you that week last summer. He liked you a lot, and he meant every word of it when he said it.

But his interest wasn't impelling enough to make him write, make him pursue you with phone calls, make him go out of his way to see you. In the face of that obvious fact, is it really practical for you

to yearn? Can you really afford to waste your time feeling depressed over his silence?

Instead you should remember that week with pleasure, feel a bit

sorry that it couldn't have lasted longer—but put the memory into the past where it happened. Then look around for a new romance to add to your collection.

Married Saturday in Shrine of the Little Flower were Billie M. Deem and Daniel Donnelly. She is the daughter of the Ralph Deems of Stirling avenue, and he is the son of the Daniel Donnellys of Royal Oak.

MR. and MRS. DANIEL DONNELLY

Billie Deem Speaks Vows

Billie Marie Deem became the bride of Daniel D. Donnelly Saturday at 10 a.m. in Shrine of the Little Flower, Royal Oak.

The bride is the daughter of Mr. and Mrs. Ralph Deem of Stirling avenue, and the bridegroom's parents are Mr. and Mrs. Daniel Donnelly of Royal Oak.

Baskets of white gladioli, roses and carnations decorated the altar for the double ring ceremony.

The bride wore a floor length gown of white lace and tulle over satin. The bodice was topped with a jacket featuring long pointed sleeves and Peter Pan collar. Her jewelry was a single strand of pearls.

A full length veil of illusion fell from her crown of seed pearls, and she carried a cascade bouquet of white roses and orchids on a white satin missal.

WEARS BLUE

Mrs. John Palmer of Toledo, Ohio, was matron of honor. She wore a ballerina length gown of blue lace and tulle over satin. She wore matching accessories and rosebuds and carnations.

Beverly Deem, sister of the bride, and Barbara Bee were bridesmaids. They wore identical ballerina length gowns of coral crystallette with matching accessories. Their colonial bouquets were composed of yellow rosebuds and carnations.

Joan Bee, cousin of the bride, was junior bridesmaid. She wore a ballerina length gown of yellow lace and tulle over satin. Matching accessories and a colonial bouquet of pink roses and carnations completed her ensemble.

Marie Ann Glasgow of Flint and Mary Joe Walker of Royal Oak wore identical white embroidered nylon gowns for their flower girl duties. Each carried a basket of rose petals. Russell Glasgow of Flint acted as ring bearer.

William Arce served as best man. Seating the guests were Michel Donnelly, brother of the bridegroom, Leo Ned and Tom Robb.

A reception was held at Knights of Pythias Hall on Voorheis road. Following a week's honeymoon the couple will make their home in Pontiac.

First Baptist Church was the setting Saturday for the marriage of Violet Perry and Dale Burrell. The bride is the daughter of Mr. and Mrs. Pete Perry of Crocus road, and the bridegroom is the son of Cadie Burrell and the late Mrs. Burrell of Gage street.

MR. and MRS. DALE BURRELL

Wed in Candlelight Rite

Before an altar banked with white gladioli and lighted candles, Violet Perry was given in marriage by her father to Dale Burrell. Dr. H. H. Savage performed

the eight o'clock ceremony at the First Baptist Church Saturday evening in the presence of 200 guests.

Janice Gidley sang the bridal recital accompanied by Sandy Williams.

The bride is the daughter of Mr. and Mrs. Pete Perry of Crocus road, and the bridegroom is the son of Cadie Burrell and the late Mrs. Burrell of Gage street.

The bride's gown was fashioned with a Chantilly lace bodice, Peter Pan collar and long tapered sleeves. Her bouffant skirt of nylon pleated tulle was paneled in Chantilly lace extending into a chapel train. Her Queen Anne headpiece of nylon tulle was fashioned by hand with sequins and pearls.

Wilma Ice, maid of honor, wore a ballerina length gown of blue nylon net over taffeta and carried a cascade bouquet of Chantilly gladioli and roses.

YELLOW GOWNS

The bridesmaids, Linda Fitzpatrick and Mary Crane, were wearing gowns in yellow, fashioned like that of the maid of honor. They carried cascade arrangements of blue lagoon gladioli and yellow Gloria roses.

The bridegroom asked his brother, Cadie, to be his best man and seating the guests were Ray Andrews and Dick Beyer.

For her daughter's wedding, the bride's mother chose a blue lace gown with which she wore white accessories and a corsage of Better Time roses and pink feathered carnations.

Immediately following the ceremony a reception was held in the UAW Hall on Baldwin avenue. Assisting at the reception were Judy Nicholson, Judy Harrell, Penny and Laura Lou Upchurch.

When the couple left for a wedding trip in Northern Michigan, the bride was wearing a summer cotton in yellow with white accessories. Upon their return, Mr. and Mrs. Burrell will be at home on Gage street.

Philodendron Aid

If you've a philodendron plant that isn't doing well, try breaking up a clay pot and using the pieces, well-covered by earth, in the bottom of a pot. These pieces absorb and hold moisture; help the plant to thrive.

Coming Events

The Jennie E. Doyle Post Club will meet at the home of Mrs. Stanley Street, 180 North Williams Lake road, Thursday at 8 p.m.

Quick Sewing Circle will meet at the home of Mrs. Kenneth Gottschalk, 1449 Benvenue Ave. Wednesday at 10 a.m. Picnic luncheon will be served at noon.

Welcome Rebekah Lodge 346 degrees practice has been postponed.

Plan 2 Drape Sets for Room Harmony

When you're working out a color scheme for a room, don't forget to allow for the fact that you will want to change things about in the summer.

So plan on two sets of slip covers and drapes in colors that will harmonize with your walls.

Now Convalescing

Mrs. Harold C. Law of Williams Lake is convalescing at her home following her illness at Pontiac General Hospital.
