County's Weekend Car Deaths Rise to 7

Inkster Girl, 9, Killed in Crash on Dixie Sunday

10 Others Hospitalized After 2 Autos Collide Head-On

The death of an Inkster girl in an automobile accident Sunday brought Oakland County's weekend traffic toll to seven.

This was the worst traffic-death weekend so far this year, said Oakland County Sheriff Clare L. Hubbell.

Two crashes early Saturday morning took the lives of six persons and hospitalized a seventh. Five of the dead were riding in the same car.

The latest victim, 9-year-old Carol Maria Ciso of 25950 Andover, died in a two-car crash on U.S. 10 about 500 feet north of Big Lake road, in Springfield Township. Ten others were taken to Pontiac General Hospital after the head-on collision. They are:

Carol's father, Theodore, 39, the driver, and her mother, Mary, 34. The father is listed in fair condition with a broken leg and chest injuries and the mother is reported in good condition with hand and back injuries.

A brother, Larry, 7, is listed in good condition with head cuts.

Others in the Ciso car were Walter A. Kroll, 38, of 4033 Cicotte, Detroit, reported in satisfactory condition with a broken jaw, cuts and bruises.

His wife, Ann, 39, is also in satisfactory condition with broken collarbone and chest injuries; and their two sons, Gary, 6, with possible internal injuries, and Norbert, 10, with a possible concussion and head cuts, are in good condition.

In the other car, Richard Cavill, 18, of 2349 Duck Lake Rd., Milford, the driver, is listed in good condition with severe head cuts.

Charles Haglund, 16, of 2401 Lakeside Dr., Milford, is reported (Continued on Page 2, Col. 2)

16 Youths Arrested at Drinking Party

Ten juveniles and six minors, who ignored an earlier warning to break up a drinking party in a private home early Sunday morning, were arrested for disturbing the peace by Pontiac Police vice squad members.

Five of the minors were jailed and a girl, 18, was released. The 10 juveniles, ranging in age from 14 to 16, were ordered to appear today at the police juvenile bureau.

Police said they are questioning the youths to find out who bought beer for the party. Three cases were confiscated.

Officers investigated the party when neighbors complained shortly after midnight that youngsters were holding a drinking party at 48 Bennett St., home of one of the juveniles.

Studebaker Union Hopes to Solve Wage Problem

SOUTH BEND, Ind. (UP)—Union leaders hoped to find an answer today to the Studebaker Company's threat to stop 11,000 workers' jobs unless they accept a pay cut.

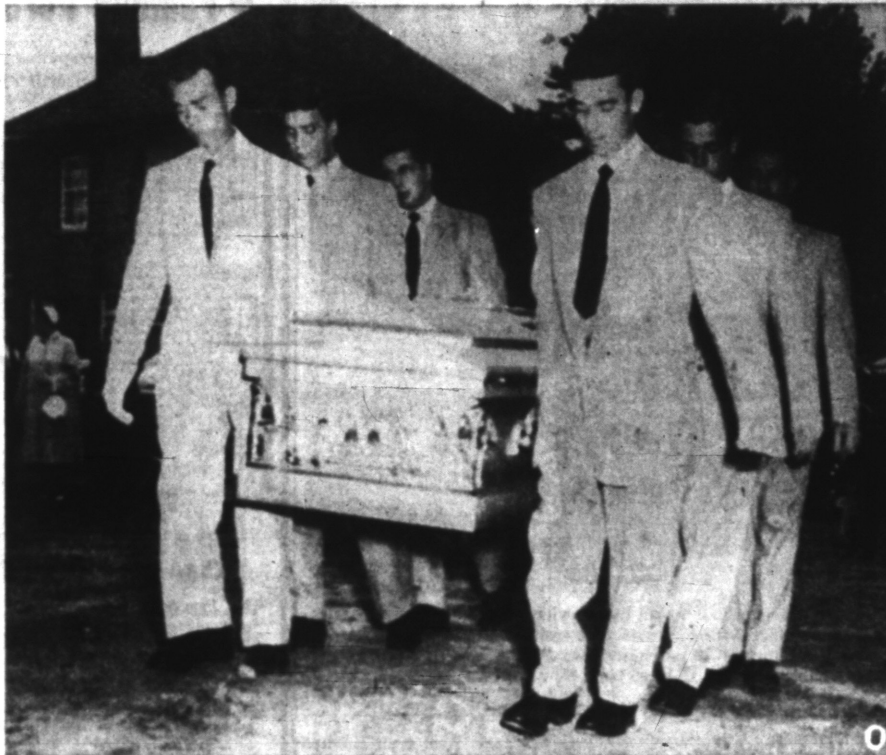

Rank and file Studebaker employees were stunned at the company's announcement that it would be forced to cancel its contract with the CIO United Auto Workers and close its plant in 60 days.

The company said this was the only alternative unless employees agreed to accept a pay cut and thus put the firm in a better competitive condition.

The executive council of UAW Local 5 scheduled a meeting today to decide on the next move. Local officials have urged the members to take the pay cut, but the workers rejected it in a Thursday night meeting.

William Ogden, former local president and a leader against the pay cut, said, "We are willing to go all out to help Studebaker, but we want to see it done fairly and squarely."

Emilie's Casket Carried to Church

FUNERAL TODAY — The casket bearing the body of Emilie Dionne, one of the famed quintuplets, was held today in the Church of the Sacred Heart in Pontiac. The funeral is being held today at 10 a.m. at the church by Rev. J. J. Corbett.

Housing Units Ordered Sold

Manager Fails to Get Extension at Parkview and Crystal Beach

All of Parkview federal wartime housing project here and some of the Crystal Beach units will be advertised for sale in the next two weeks on order of the Public Housing Administration. James N. Wiessner, local project's manager, stated today.

The order rules out any possibility of an extension of time for the 48 families still living in the low-rent projects, said Wiessner, who traveled to the PHA offices in Chicago over the weekend for consultation.

The families were officially evicted as of Aug. 1, but those remaining say they are unable to find housing and will be "on the streets" if evicted.

Pontiac Mayor William W. Donaldson said last week an attempt is being made by city officials and civic leaders to solve the group's problem.

Wiessner stated that the eight families still living in Parkview will probably have other accommodations by Aug. 15.

Parkview, at the corner of South and East Blvds., consists of 100 dwelling units. Crystal Beach, at the south end of Lake street, has 80 units.

Opposes Higher Supports

Benson Says Dairy Plan Would Cost \$100 Million

WASHINGTON (AP)—Secretary of Agriculture Benson said today proposals in Congress to boost dairy price supports would cost the Treasury 100 million dollars a year, and put speculators in a position to "cash in on windfall profits" that might "amount to several million dollars."

Benson made these comments at a news conference with reference to the farm bill now before the Senate.

One issue raised in the Senate is whether to boost dairy supports from the present 75 per cent of parity to 85 per cent, effective Sept. 1, for a period ending next April 1.

Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to prices they pay.

The House already has passed legislation raising dairy supports to 80 per cent of parity, also effective Sept. 1.

In reply to queries, the secretary predicted that the Senate will adopt legislation providing for a flexible system of farm price supports as advocated by President Eisenhower and himself. He also said he was confident that legislation finally agreed upon by the House and the Senate would contain flexible floors.

Benson's comment that a boost in dairy supports would provide speculators with an opportunity to make windfall profits brought questions from newsmen.

A reporter said the House will specify that butter made before Sept. 1 was not to be bought by the government under the proposed increased supports.

Benson also predicted that a boost in dairy supports would encourage a new upsurge in butter production and force the government to buy between 100 and 150 million pounds more a year than at present. The government already holds more than half a billion pounds of surplus butter.

Burkemo Is Winner of Hole-in-One Test

Walter Burkemo, Franklin Hills pro, today won the hole-in-one competition at Tam O'Shanter Club in Chicago, by planting his tee shot on the 155-yard No. 16 hole 2 feet 6 inches from the pin.

Being closest to all the contestants, Burkemo collected \$2,000 for his effort. Burkemo, 1953 National PGA champion, finished in the money in the All-American windup yesterday and won \$375.

Hassan Hassanein of Cairo, Egypt, was second in the hole-in-one test, knocking his shot five feet from the pin. He won \$1,000.

Burkemo and Chick Harbert, his conqueror in the recent National PGA tournament in St. Paul, Minn., will take part in a Pontiac Press sponsored free clinic and match, Aug. 24 at Pontiac Country Club.

Marie's Sobs Break Stillness at Sister's Rites

200 Mourners Brave Rain to Attend Funeral for Emilie Dionne

CORBEIL, Ont. (INS)—Emilie Dionne was buried today—in a light, dismal rain, amid more than two hundred mourners, in a lonely country cemetery.

Three of Emilie's quintuplet sisters—Yvonne, Annette and Cecile—were graven faced but quiet as Emilie's body was lowered into the earth.

But little Marie, always closest to Emilie among the five 20-year old girls, could not contain her tears, and sobbed softly.

From nearby, the bell from the little Catholic church where the Requiem High Mass for Emilie was said, tolled out over the stretching green farm field in a sad farewell.

It tolled the end of the close companionship of the world's most famous daughters.

A silent and prayerful crowd surrounded the quints and their mother and father as a priest intoned at the graveside:

"May the angels lead thee into Paradise. May the martyrs receive thee at thy coming. May the choir of angels receive thee, and may you have eternal rest . . ."

Marie wept quietly and bowed her head on her simple white collar of her black dress.

Annette, Cecil and Yvonne never opened their eyes as the parish priest, the Rev. W. H. Lafrance, recited the prayers over the pale, grey coffin.

Earlier, the tiny Marie sobbed uncontrollably as the coffin was being carried from the little church.

Olivia Dionne, the father, and mother Elzire Dionne, moved quickly to the side of their weeping daughter and held her close before the hushed congregation. The mother and another daughter, Rose, led Marie to a pew and sat with her as they wiped the tears from her eyes.

Outside the church on the hillside, a quiet crowd of about 400—unable to gain admittance—watched the family walk solemnly down the crude wooden steps of the church with their heads bowed. Five policemen surrounded the (Continued on Page 2, Col. 3)

Marcantonio Dies on Street

Body of Former Leftist Congressman Is Found on Broadway Corner

NEW YORK (UP)—Former Rep. Vito Marcantonio, fiery, left-wing New Yorker, fell dead on a rain-swept street today.

The diminutive, 51-year-old former legislator was in the middle of a comeback effort. Defeated in 1950 by a Republican-Democrat-Liberal coalition, he was running again for Congress as candidate of the independent "Good Neighbor party."

Marcantonio represented an East Harlem district for 14 years. For many years until last November, he headed the American Labor party, which sponsored Henry Wallace's presidential campaign in New York.

Nationalists Report Sinking of 8 Red Chinese Warships

TAIPEH (INS)—The Chinese Nationalist Navy announced today that one of its task forces "wiped out" a flotilla of eight Chinese Communist war vessels in a battle fought this morning off the Southern Fukien Province coast of the China mainland.

The announcement, issued in the Nationalist capital of Taipei on Formosa Island, said none of the Nationalist war vessels received hits or suffered casualties in the engagement which took place near Tungshan Island.

The nationalist naval force encountered the Red flotilla—consisting of three new-type armored junks along with five old armored junks and motorized vessels, at dawn east of Tungshan, the communiqué said.

It added that the nationalist ships, taking part in a blockade of the Communist mainland coast, opened fire immediately and the fire was returned by the Red vessels.

All eight of the Communist ships were sunk in the gun duel, the bulletin said.

Bermuda-Bound Craft Hits Peak on Azores Isle

One American Aboard; Fog Causes 1st Trouble; Bodies Burn to Ashes

TERCEIRA ISLAND, Azores (AP)—A Colombian Constellation crashed and burned here early today, killing all 21 passengers and its crew of 9. The bodies burned to ashes.

At Madrid, Barajas Airport spokesmen listed an American among the crew members. He was identified as Herbert Hopkins, an engineer. No home address was given.

The Colombian Avianca Airline plane was en route from Hamburg to Bogota, the Colombia capital.

The plane was unable to make its scheduled landing at the Azores' main international airport at Santa Maria because of thick fog. It made its way here and landed at Terceira's Lages Air Field.

The plane took off again at 1:37 a.m. (10:37 p.m. EST, Sunday) for Bermuda. A minute or two later it crashed in the Caldeira da Agu-alva Hills about 2 1/4 miles north of the airfield and burst into flames. Apparently failing to gain sufficient altitude, it had struck Mt. Ilha Terceira about 100 feet from the summit.

Rescue parties rushed to the scene but found the craft destroyed and all persons aboard dead. The remains were taken to a local chapel for a funeral mass.

Barajas officials identified the first pilot as Octavio Zuloaga and the co-pilot as Carlos Beck, both of Colombia. Most of the crew members and passengers were Spaniards or Colombians.

The airliner left Hamburg yesterday morning. It stopped at Frankfurt, Paris and Lisbon.

Damp and Chilly Weather Forecast for Tomorrow

Living up to advance billing, August has brought cool and damp weather to the Pontiac area during its first eight days.

Sunday's rainfall of .41 of an inch swelled the total so far this month to .48 of an inch. This compares with .33 in the same period of July.

In keeping with the U. S. Weather Bureau's wet and chilly outlook for August, forecasters expect more showers and cool temperatures tonight and Tuesday.

Temperatures will range from a low of 63-66 tonight to a high of 74-78 tomorrow.

The mercury rose from 64 at 8 a.m. today in downtown Pontiac to 75 at 1 p.m. Temperatures ranged from 57 to 84 Saturday and from 64 to 72 Sunday.

Control of Elm Disease to Take Spotlight Tonight at Commission Gathering

From Our Birmingham Bureau
BIRMINGHAM—Taking the spotlight at tonight's City Commission meeting will be City Forester William Lebold's recommendation that the city next year sponsor a spray program to cut the loss of Dutch Elm-diseased trees on residential property.

To date this year, 70 cases have been found. Last year's total was 26.

Lebold will point out that areas which have been sprayed heavily during the last two years have suffered less than a 1 per cent loss.

The controversial topic of whether 14-Mile road should be extended to the west will also be up for discussion tonight.

In receipt of a resolution from the Commission, recommending the extension, the Oakland County Planning Commission will request

that traffic studies made by both the city and a consulting traffic engineering firm be forwarded to it before official action is taken. Acting on a July 27 hearing, the Planning Board will submit its

recommendation that the lots on the north side of Bowers, between Elm street and Adams road, be acquired by the city for park purposes.

Owners of three lots there had asked that their property be rezoned from single family residence to business B classification.

Necessity hearings will be held on construction of a water main to serve the north side of 14 Mile road between Mansfield and Eton, and also on paving and installing sidewalks on Eton and Graefield roads.

Other necessity hearings scheduled are for building a sewer on Southfield from Lincoln to 14-Mile, and on a Southfield water main from Lincoln to Southlawn.

Kathleen Piket, new children's librarian at Baldwin Public Library, has announced her selections for tomorrow's Story Hour, to be held from 10:30 to 11 a.m.

All children of kindergarten age and older are invited to listen as Miss Piket reads "The Ferryman" by Claire Bishop and "Epaminondas and His Auntie" by Sara Bryant.

Varying the summer schedule somewhat, the Kiwanis Club will hold its meeting tonight instead of tomorrow. The club will join in a district meeting at Avon Park, Rochester, starting with a 6:30 dinner.

The YMCA opened the last half of its summer Day-Y program today, and will resume activities again tomorrow when registered youngsters will visit the Wayne County airport. The trip will last from 9:30 a.m. to 4 p.m.

Registrations for the abbreviated program, which closes Aug. 27, are still open to any boy or girl 8-14 years of age. They may sign up to attend one or more programs.

in fair condition with a broken leg and cuts; and James Hartmeyer, 17, of 19726 Woodcrest, Detroit, is also in fair condition with face and head cuts and an arm injury.

Oakland County Deputy Sheriff Fred Pender and Ross Miller said Cavill apparently fell asleep at the wheel. They quoted Ciso as saying he was driving north when Cavill's southbound car careened across the center line and struck his auto head-on. Witnesses, who said the victims were scattered along the highway after the crash, backed up Ciso's account.

Cavill and his companions, returning from a northern Michigan vacation, were unable to account for the 6:15 a.m. crash.

The Ciso and Kroll families were on their way to a picnic with baskets of food in the back of the car.

Meanwhile, police are still trying to determine the cause of the Troy Township crash that took the lives of Ernest Day, 22, of Royal Oak; Donna Asher, 22, of Clawson; Kenneth Estridge, 23, of Troy Township; Virginia Engelhardt, 19, of Birmingham; and June Alexander, 21, also of Birmingham.

The sole survivor, Jack Reineau, 21, of Clawson, remains on the fair condition list at Pontiac General Hospital. Troy Township Police Chief David A. Grattop said that later today he will try again to talk with Reineau.

Kenneth L. Larsen, 38, of Milford, whose death Saturday morning helped seal the weekend death toll in Michigan to 13, was killed when his car rammed a tree on Commerce road in West Bloomfield Township.

family and led them to waiting cars in the biggest funeral in the history of this north Canadian wilderness.

About 1,200 automobiles surrounded the hillside church and were parked for miles around a long bend in the road.

An aged woman said: "It seems they've been around so long that everybody takes them for granted."

"But today the Quints are no more as we knew them."

The long funeral cortege moved slowly a mile to the desolate burying ground. A light drizzle began to fall.

The coffin was carried into the crude barbed wire fence to the burial place, marked by newly planted flowers.

The Quints and their parents followed the coffin to the grave, and then the Quints closed their eyes.

The coffin was placed in a brown, steel vault, Marie winced as she glanced at it only once for a fraction of a second.

No one in the crowd spoke. No one moved.

The only sounds were the words of the priest and the moaning of crows in a nearby farm field.

A plane droned overhead as the family began to leave. Papa Dionne took his famous girls by their arms and moved them slowly away so they would not have to watch the actual lowering of the coffin into the grave.

Hundreds of farm folk and visitors from throughout Canada trudged up a hillside to the small church for the Requiem High Mass at 9:30 a.m.

Papa and Mama Dione, their heads bowed, followed their famous daughter's casket up the wooden steps of the town church. The mother was supported by her daughter, Rose.

The four remaining quintuplets followed, dressed all in black from black stockings to black hats, hundreds of automobiles lined the hillside leading to the church. The church itself was filled to its capacity with 400 mourners paying final respects to the girl who died without warning Friday during an epileptic seizure.

Two hundred persons had to be turned away, and gathered around the church entrance. Others remained seated reverently in their cars.

Also postponed until next Sunday was the scheduled water skiing exhibition.

A Waterford housewife was hospitalized Saturday when the car in which she was riding collided with another auto at U.S. 10 and Maybee Road in Independence Township, according to Oakland County sheriff's deputies.

Detroit Swims From Belle Isle to Ontario Shore

DETROIT (AP)—Garrett Ross, of Detroit, won his swimming bet Sunday but Canadian immigration authorities have warned him not to repeat the wager.

The 29-year-old Ross and several companions were driving around Belle Isle in the Detroit river between Detroit and Windsor, Ont., late Saturday night. Ross and his friends debated whether he could swim from the island to the Canadian shore.

The Detroiters jumped into the river to prove his point. He made it to the Canadian shore and reported to a Windsor police station.

Turned over to Canadian immigration officials, Ross eventually landed in the office of U. S. immigration officials. He was warned to watch where he swims in the future.

2 Arrested AWOL, Girl Furnishes Tip

Two youths, absent without leave from Sheppard Air Force Base, Texas, were arrested Sunday night and booked for investigation of auto theft, according to Pontiac Police.

Held for further questioning today are Henry D. Johnson, 21, and James L. Spoon, 18, both AWOL from the base since July 1.

According to Detective Sgt. William Hanger, description leading to the arrest of the pair was furnished by an 18-year-old girl who traveled here with them.

Hanger said that Shirley Jo Tackett of St. Louis walked into the station Saturday and informed police that the pair had left her stranded at a Pontiac theater Saturday night. She met the two men in St. Louis Friday, she said. She said they posed as auto race drivers, but admitted they were AWOL.

Police later apprehended Johnson and Spoon on S. Saginaw near Pike street in an auto bearing Texas license plates. Hanger said the pair admitted taking the car from Wichita Falls.

Regatta Is Cut Short by Bad Weather Sunday

Sunday's rain cut short the Oakland County Boat Club's annual inter-lake regatta at Sylvan Lake. Events not run this weekend will be held next Sunday, starting at noon.

Also postponed until next Sunday was the scheduled water skiing exhibition.

Parents Take Juveniles Home After Breakin

Two juveniles arrested by Pontiac Police Saturday night after an attempted breakin of a building at 92½ Bagley St. were released to their parents who promised to reappear at the juvenile bureau today.

Both 15-year-old boys told Detectives Herbert C. Cooley and Richard Evans that they decided to break into the rooming house after a Detroit man tried to solicit them for other breakins in Detroit Saturday night.

Cooley quoted the youths as saying, "He made it sound easy, so we thought we'd try it."

Carolyn Miles, Arnold Godo Wed at Almont

ALMONT — In a ceremony performed in the home of the bride's parents, Carolyn May Miles and Arnold Godo exchanged wedding vows recently.

The bride is the daughter of Mr. and Mrs. Howard Miles of 301 Washington St. and the bridegroom is the son of Mr. and Mrs. Steve Godo of Imlay City.

Mary Ellen Miles was her sister's bridesmaid, while Ronald Godo served as best man for his brother.

Immediately after the ceremony, a reception was held for 100 guests.

The newlyweds left on a 10-day honeymoon in the Upper Peninsula. They will make their home on Blacks Corners road, Imlay City.

Farmers Attack Butter Report

Group Charges Benson Used False Statistics to Win Backing

WASHINGTON (INS) — The National Farmers Union — strongly opposed to Agriculture Secretary Ezra Taft Benson — has attacked a recent butter consumption report issued by Benson as "the baldest falsity of all."

The report indicated that butter consumption has risen since Benson reduced dairy-price supports from 90 to 75 per cent of parity on April 1.

The farmers union, which advocates 100 per cent of parity price supports on all commodities, accuses Benson, however, of using false figures to win backing for a flexible support system.

The organization says in its latest Washington news letter that the consumption report "is strictly in keeping with the administration's strategy of using misled consumer pressure as the main political force against parity price supports."

Benson's statisticians are accused of going contrary to fact to create evidence which showed in the report that milk production has decreased as a result of lower price supports.

The Farmers Union points out that Benson's report stressed a decline in milk production between May and June and listed June historically as the month of peak production.

According to the farm organization, June dairy production fell below May levels in 1942, 1945, 1946, 1948, 1949, 1952 and 1953 as well as this year.

The Farmers Union is the third largest among America's farm organizations, and lists a number of former Democratic Agriculture Department leaders among its officials.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That
Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In case after case, pain was relieved promptly. And, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

Now this new healing substance is offered in ointment form under the name of Preparation H. Ask for it at all drug stores—money back guarantee.

Grains Slump Due to Rain

CHICAGO (AP)—Grains sold off in routine dealings on the board of trade today, soybeans suffering the largest decline.

Additional moisture fell over the weekend in parts of the midwest and this was the main reason for the early slump in soybeans and corn. Traders believed prospects for both crops had been greatly improved by moisture in the past 10 days.

Wheat near the end of the first hour was 1/4 to 1/2 lower, September \$2.10, corn 1/4 to 1/2 lower, September \$1.60, oats 1/4 to 1/2 lower, September \$1.40, soybeans 1/4 to 1/2 lower, September \$2.96, and hard 7 cents lower to 20 cents a hundred pounds higher, September \$15.72.
