

Reds 75 Miles From Hanoi

Candidate for County's Largest Elm

SOME TREE—Ronald Erickson, 9, of 96 Henderson St., and Mary Ann Stephenson, 9, of 92 Henderson, measure an elm tree at 59 Lorraine Ct., in a contest to find Oakland County's largest elm. The tree being measured by Ronald and Mary is 15 feet around.

Senate Committee to Scan Allied Trade With China

WASHINGTON (AP)—Chairman Bridges (R-NH) said today the Senate Appropriations Committee will make a "searching inquiry" into the extent to which free world allies have agreed to relax bans on trade with Red China. Bridges' plan for an investigation of this issue came after Sen. McCarthy (R-Wis) told the Senate yesterday it would be "criminal folly" not to cut off U. S. financial aid to nations which ship the "fine sinews of military and economic strength" to the Communists.

British U-Boat Bobs Up OK

Sub Scorchers Earlier Reported in Distress in Channel

LONDON (AP)—The British submarine Scorchers was reported lost for a short time in the English Channel today but came to the surface under its own power and signalled "all is well."

The scare occurred after surface vessels and other submarines lost contact with the Scorchers in the course of maneuvers off Portland Bill, a cape near Portsmouth.

The signal "sub smash" used when a submarine is in distress, was flashed to ships and naval stations.

Flashing the dreaded signal was a routine precaution, an Admiralty spokesman said.

"Radio contact with the Scorchers was lost while the vessel was submerged," an Admiralty officer said. "Apparently the Scorchers was unable to restore contact immediately. Thereupon, in accordance with prescribed routine, the submarine rose to the surface and reported as quickly as possible that it was in no danger."

The Scorchers, an 814-ton vessel, normally carries a crew of 44. An extremely maneuverable craft, it is capable of swift dives. It participated in the search for the submarine Affray, which sank off the Isle of Wight with the loss of 75 officers and men in April 1951.

Mrs. Horan Dies Following Accident

Mrs. Lucy Catherine Horan, 33, of 117 Tennyson Ave., died last night in Pontiac General Hospital following a May 15 auto accident at University and E. Rutgers Aves., which also seriously injured her husband, Joseph.

He is reported in good condition by hospital officials. The Horan auto struck a tree.

Born in Pontiac Dec. 7, 1920, Mrs. Horan was the daughter of Mike Moriarty of Pontiac and the late Lucy Moriarty Moriarty. She had lived her entire lifetime in Pontiac.

Besides her husband and father she is survived by three sisters, Mrs. Violet Bucher of Pontiac, Mrs. Veronica Wheeler of Marion and Mrs. Susan Compau of Phoenix, Ariz.

The body is at the Farmer-Snow Funeral Home.

McCarthy Can Desert Hearing, Potter Admits

No Method to Compel Senator to Take Stand in Dispute

WASHINGTON (AP)—Sen. Potter (R-Mich) said today he knows no way senators investigating Sen. McCarthy's row with Army officials could force the Wisconsin Republican to take the stand if he should decide to walk out.

McCarthy has left in doubt the course he may follow when hearings resume Monday.

Potter and several other members of the Senate Investigations subcommittee expressed belief a major obstacle to continuance of the hearings had been removed by a statement from Secretary of the Army Stevens shouldering full responsibility for Army charges against the Wisconsin senator. This followed President Eisenhower's refusal to modify an executive order against some testimony.

McCarthy's complaint about continuing the televised hearings with a "stacked deck" prompted speculation in Congress that he might decline to testify personally and call for what he has characterized as a directed verdict in his favor.

McCarthy told newsmen he is "at a loss on just what to do."

The subcommittee scheduled a closed-door meeting this afternoon. McCarthy said he will attend if he's invited. He normally heads the group, but has stepped off for the duration of this inquiry.

If he does attend the meeting, McCarthy said, he does not plan to ask then for a "directed verdict."

Potter said in an interview: "If the McCarthy side says it has disproved the Army's case and proved its own charges through cross-examination and can't go on, in the face of the President's order, I don't see how we could force them to."

Any such action by McCarthy would be in the face of Eisenhower's call yesterday for testimony from all the principals — "Let the chips fall where they may" — and demands of Democrats.

U.S. Set to End Geneva Parley

Fate of Talks Hinging on Change of Attitude by Reds

GENEVA (AP)—Top diplomats at the Geneva conference held a series of private talks today which may determine the fate of the deadlocked Indochina parley. The United States was reported ready to write off the negotiations as a failure unless the Communists drastically change their line.

Formal negotiations were suspended for the day. The latest snarl was due to continued Red demands that the Communist "resistance governments" of Laos and Cambodia be invited to Geneva.

The Western powers regard these as phantom regimes with no following and no right to representation.

One high Western source acknowledged Western diplomats had given some thought to the question of breaking off the talks. The source said it was impossible at this stage to see any sign the Communists were going to agree to anything.

The U. S. delegation was represented as feeling the Indochina discussions were getting nowhere. The Americans were said to be reluctant to break up the conference, however, until the French feel all possibilities have been exhausted.

New 34 Old 35. Only 2200. At least \$200 allowed on any trade. 220 S. Saginaw, Pontiac. PE 4-3225.

Jail Doors Close but Don't Open; Repairs Ordered

Old, worn-out locks have made some prison doors in the Oakland County Jail even more escape-proof.

That was indicated in a report of Fred W. Smith to the Oakland County Board of Supervisors yesterday.

"I understand we got some prisoners in jail and couldn't get 'em out," jokingly said the chairman of the board's ways and means committee.

Although the sticking locks sealed some doors tighter, supervisors decided others might be reaching the danger point.

They set aside \$10,000 to have Vandorn Iron Works Co. of Cleveland put in new locks, repair still-usable ones and fix cell doors and install steel mirrors so the turnkey can see the entire main corridor from his office.

Costello Gains in Irish Election

Ex-Premier Is Expected to Tumble De Valera as Prime Minister

DUBLIN (AP)—Former Premier John A. Costello's coalition appeared almost certain today to tumble Prime Minister Eamon de Valera from office. Counting of ballots in Ireland's parliamentary elections entered its final phase.

De Valera's Fianna Fail (Men of Destiny) party was still the republic's largest faction, but in the voting yesterday it polled about 10 per cent under its showing in the last general election three years ago.

In 1951 the forces of the 71-year-old, nearly blind "Dev" just squeezed into office. In recent months they had only a two-vote majority in the 147-seat Dail (Parliament).

It appeared that Costello's coalition, if victorious, would not command much more of a majority.

With 144 seats at stake in the voting, the count by early afternoon had given 68 seats to the coalition, 60 to Fianna Fail and 4 to independents.

The standing in the coalition was: Costello's Fine Gael United Ireland 45, Labor 15, Clann Na Talmhan Farmers 5, Clann Na Poblachta Republicans 5.

Polling for three seats was put off until May 26 following the death of a candidate.

Officers' Red Face More Than Skin Deep

ALBUQUERQUE (AP)—Patrolman S. B. Romero cited Mrs. Jack Redman for making an illegal left turn yesterday. Mrs. Redman called her husband, a physician. He called police headquarters.

He wasn't complaining. He just wanted to tell police that the two Redman children in the back seat of the car had mumps and the patrolman had been exposed.

Romero has an appointment to take mumps prevention shots from Dr. Redman today.

Safety Lines Get New Look

PAINTING CROSS-WALKS—The boundaries of pedestrian crosswalk lanes at downtown intersections, school crossings and other major intersections in the city are receiving a fresh coat of paint. Shown working yesterday at Huron and Saginaw Sts. is Alonzo Cottrell of 1070 Lochaven Rd. The work is being done under supervision of the Pontiac Police traffic and safety bureau.

Social Security Expansion OK'd by House Committee

WASHINGTON (AP)—The House Ways and Means Committee late yesterday approved most of President Eisenhower's proposals for expanding social security coverage.

And today it turned to White House requests for higher benefits, with another okay generally expected.

The committee lined up yesterday behind proposals to make more than seven million persons who are excluded now eligible for federal retirement and death benefit insurance.

The committee obviously was in a mood to extend the system, now covering some 70 million persons, to almost all the nation's working force. The committee so far has voted to add about 270,000 more persons than Eisenhower requested.

Compulsory coverage was voted yesterday for about 3,600,000 farm operators and about 500,000 doctors, lawyers, dentists, engineers, accountants and other professional groups—despite strong opposition by some, notably the American Medical Assn.

Members said the closed-door (Continued on Page 2, Col. 2)

Car Output for Week Highest in 9 Months

DETROIT (INS)—Automotive News reported today that new car production this week will reach the highest level in nine months with an estimated output of 126,020 automobiles and 22,385 trucks.

A production gain of 4.5 per cent over last week was attributed by the trade publication to higher output schedules for 10 of the 18 makes of cars.

The big three—General Motors, Ford and Chrysler—will account for 95.6 per cent of this week's output compared with 98.3 per cent last week.

City in Turmoil, Business Halts, Men Hide Guns

Vietminh Sweeping On From Dien Bien Phu to Rich Rice Delta

HANOI (UP)—The vanguard of Communist Gen. Vo Nguyen Giap's victorious Red army approached the outer defenses of the Red River delta today.

Hanoi, the key to French defenses in North Indochina, was near panic.

Corsair fighters ranging west along colonial route 41 said the advance elements of the Communist hordes which crushed Dien Bien Phu have pushed three miles beyond Moc Chau. They are now only 75 miles from Hanoi itself.

These troops were described as the vanguard of four divisions moving eastward after their victory at Dien Bien Phu.

Rumors swept Hanoi that Chief of Staff Gen. Paul Ely had arrived to direct the French evacuation of Tonkin province in which Hanoi is located.

Communist leaflets circulated through the native quarters saying that Giap was about to launch a sweeping offensive against the rice rich delta.

Other propaganda leaflets claimed the Hanoi-Haiphong highway and railroad, which connect this inland capital with the sea, will be cut shortly and the city isolated.

The French population of this city was on edge. Panic was narrowly averted during the night in one night club when the proprietor announced he heard all civilians had to be evacuated from Hanoi within a month.

"Meanwhile," he said, "we are offering free champagne to every."

(Continued on Page 2, Col. 3)

Pontiac Escapes Frost but Some County Areas Hit

Although parts of Michigan shivered under freezing temperatures and heavy frost last night, Pontiac escaped the brunt of the cold snap. Frost damage was reported in county areas.

The coldest spot in the nation today was Pellston, which recorded a low of 24 degrees. In comparison, Pontiac and Detroit had lows of 38 and 36 respectively. The all-time low for this date is 34 degrees, registered in 1895.

The U. S. Weather Bureau promises only moderate relief from the unseasonable cold, although fair skies will continue.

A low of 40 to 42 tonight is expected to rise to a high of from 66 to 70 on Friday. At 8 a.m., today the temperature stood at 48, but by 1 p.m. in downtown Pontiac the reading was 57.

Pontiac-Built Motive Power Goes On and On

1929 OVERLAND ON THE FARM—Durability of automotive products from Pontiac factories is illustrated in this picture, which shows a 1929 Overland being used by Frank Hasenfang and wife, Lillian, as a tractor on their farm at Worth, Ill. near Chicago. The plow is even more a veteran, dating back 30 years. Blocks and other engine parts for the Overland cars were made at the Wilson Foundry & Machine Co. here.

New Head Football Coach at Birmingham High to Be Carl Lemle, 28, of Ohio

From Our Birmingham Bureau
BIRMINGHAM — Out of nearly 100 applicants, Carl Lemle, 28, has been chosen to take over as head football coach at Birmingham High School Sept. 1, Supt. of Schools Dwight B. Ireland announced yesterday.

Lemle is currently enjoying a perfect record as head coach at the Holland (Ohio) High School, just outside of Toledo, with nine wins and no losses for his team last year.

He served as quarterback for four years at Scott High School in Toledo and had four years of college football. Lemle was backfield coach at Fort Huron High School for four years and at Walte High School in Toledo for a year.

He became head coach at Holland a year ago.

Married and the father of two children, Lemle attended Ohio State University and the University of Toledo and served in the Navy.

He succeeds Vincent Secotine, who resigned to operate a local sporting goods store. Lemle will also assume teaching duties, Ireland said.

Leon Riccioli has announced the opening of Riccioli's, which will specialize in luncheons, fountain service and candies. Located at the corner of Maple and Henrietta, the store will operate from 8 a.m. to 6 p.m. Riccioli formerly owned the Grosse Pointe Dairy Stores.

Bloomfield Hills School Board took final action this week and will seek approval of the sale of the Ciscarora property, from voters at the June 14 school election.

Owned by the school board, the three-acre property is between Telegraph and Square Lake roads. Originally destined as a school site, plans were abandoned because of the proximity of the area to a main highway.

The presentation of a mystery guest will highlight tonight's Mothers Banquet given by the Business Women's Club. A welcome and tribute to mothers will follow the 6:30 dinner at the Community House. Helen Larkin is program chairman.

In place of the regular mid-week service, the movie "Hidden Heart" will be shown at 7:30 tonight at the First Methodist Church.

Measles cases continued an upward swing during April, according to city health nurse Mrs. Anyce Gillette's monthly health report. There were 121 cases as opposed to 73 in March. An increase of from 32 to 70 was shown for chicken pox.

Other communicable diseases in the March-April reports were: mumps, 33-26; scarlet fever, 14-6; and German measles, 5-7.

Eighteen Brownies of Troop 428 at Holy Name School, "flew up" in a ceremony held last week, and will enter the Girl Scouts this fall. Scout Troop 320 sponsored the new Scouts, with assistance from leaders, Mrs. Arthur Thornbury and Mrs. Glen Hogsten.

St. Joseph's Guild of Our Lady Queen of Martyrs Church will sponsor a public plant sale at the church from noon to 7:30 p.m. tomorrow. The sale will continue from 8 a.m. to 7:30 p.m. Saturday through Monday.

Final Pierce School PTA meeting of the school year will be at 8 tonight with a program on "Progress of the Birmingham Schools," given by Supt. of Schools Dwight B. Ireland.

Re-election Sought by Sheriff Hubbell

Clare L. Hubbell has announced he will seek re-election as sheriff of Oakland County.

Now in his eighth year as head of county law enforcement, Hubbell has been associated with the department since 1921.

Hubbell, 52, has lived in Oakland County since early childhood.

The Weather

PONTIAC AND VICINITY—Fair tonight and Friday, cool with a low tonight of 50 to 55 and a high Friday 60 to 70. Easterly winds, 5 to 10 miles an hour tonight becoming south to southwest 12 to 18 miles an hour Friday.

At its last meeting, Women's Missionary Union of the First Baptist Church elected Mrs. L. W. Criger as president. Mrs. Emil Kontz, wife of the pastor, was named honorary president. Mrs. Robert Giffin, first vice president, and Mrs. Thomas Moorcroft, second vice president; with Mrs. Raymond Smith, secretary and Mrs. DeLyle Smith, treasurer.

Other vice presidents and their titles are: Mrs. Lewis Crooks, missions; Mrs. Robert Boltwood, Christian service; and Mrs. Preston Parks, missionary stewardship education.

2 Admit Reckless Driving; Justice Fines Each \$75

BIRMINGHAM—Pleading guilty to reckless driving charges when they appeared before Justice John J. Gaffill Wednesday, Fred P. Kenney, 39, of Detroit, and Harold D. Roche, 21, of Flint, each paid \$75 fines.

Charged with illegal possession of an alcoholic beverage, 19-year-old Floyd Cox of Highland Park, was fined \$15 plus \$5 costs. He had pleaded guilty.

Senate to Check Sales to Red China

(Continued From Page One)
report to Congress made public Sunday.

In that report Stassen portrayed free world trade with the Communist bloc as a whole as declining in 1953. While commerce with Red China crept up at least temporarily, he said, "the glittering prospect of a vast and lucrative trade" which traders envisioned with the Chinese mainland "was not materializing."

McCarthy told reporters his Senate speech was no "one-shot affair" — that he intends to pursue the subject further.

He said Congress should withhold foreign aid funds until the administration enforces what he said would be a practical "blockade" on the coast of China by telling American allies "they will not get one cent of American money so long as they either ship goods to Red China or allow their ships to be used to carry cargoes to Red China."

The United States has barred its traders from shipping to the Chinese Communists.

In response to a question by Sen. Chavez (D-NM), McCarthy said it was "correct" that he was criticizing policies of the GOP administration. He said Eisenhower had "taken many steps in the right direction" but hadn't gone far enough.

Motorist Fined, Jailed for 2nd Drunk Charge

BIRMINGHAM—Leo G. Zielinski, 44, of Royal Oak, pleaded guilty to a charge of driving under the influence of liquor when he appeared before Justice John J. Gaffill Wednesday, and paid a fine of \$15.

Because he had been driving with no operator's license, Zielinski also was sentenced to serve 60 days in the Oakland County Jail. The license was automatically revoked for 90 days when he was found guilty before Justice Gaffill on a similar charge last month.

House Group Extends Social Security

(Continued From Page One)
vote to bring in doctors was 12-8.

And the committee voted to make coverage available for about 3,200,000 state and local government employees who have been excluded because they already have some sort of local retirement system. Under the new proposal, they could have both.

To come under the federal system, a majority of state and local employees in any separate group would have to participate in a referendum, and two-thirds of those voting would have to agree.

Then coverage would be compulsory for all in that group.

The requirement that a majority must participate in the referendum was not included in the administration bill, but administration officials said they did not oppose it. The committee also voted to include firemen and policemen, who were not included in the administration bill.

Bates Seeks Re-election to Hills School Board

BLOOMFIELD HILLS — Merrill Bates will seek re-election to a three-year term on the school board. The only other petitioner to file by the deadline was Douglas Joselyn, who will run to fill the seat being vacated by Edward Proctor.

Proctor, present board president, has declined to run again in the June 14 school election.

Survivor Is Sister

BIRMINGHAM — It was incorrectly reported to the Pontiac Press yesterday that Mrs. Mio Chipchase Parks, who died Tuesday, is survived by a daughter, Mrs. Florence Wilson of Birmingham. Mrs. Wilson is her sister.

ANTHONY RENNE

Attorney Candidate for State Senate

Anthony Renne, 40, of 645 E. Fourth Ave., a Pontiac attorney, today announced his intention to run for state senator on the Republican ticket.

A World War II Marine veteran, Renne has been practicing law here since 1947. He was admitted to the State Bar in 1941 after graduation from Wayne University in 1940.

Active in civic affairs, he has served as chairman of the Pontiac Safety Committee and the Better Business Committee of the Chamber of Commerce.

He is commander of Pontiac Memorial Chapter 101, Disabled American Veterans, and is a member of World War II Armvets, U. S. Marine Corps League and Cook-Nelson Post, American Legion. He is also a DAV delegate for the Oakland County Council of Veterans.

His fraternal affiliations include Pontiac Elks Lodge, Pontiac Y. Toastmasters, Oakland County Sportsmen's Club, Civitan and Oakland County Bar Assn.

Reds Only 75 Miles From City of Hanoi

(Continued From Page One)
one so the Viets (Communists) won't get it."

Actually no such announcement has been made, but the patrons half believed it.

Business has come to a near standstill. Contracts are being cancelled daily. Housewives have loaded up on canned goods. The men of the city have accumulated hand grenades and pistols.

Travel agencies said they are swamped with demands for steamer and airplane tickets. Big business firms are seeking to transfer their stocks to Saigon, far to the south.

There was no solid indication when Giap would launch his attack on the delta and on Hanoi.

But the roving French fighters and bombers reported machine-gunning truck columns of troops and mobile 105 mm howitzer batteries which already have passed Moc Chau at the gateway to the delta.

Other French pilots reported leaving lines of trucks in flames farther west in the biggest air attacks since Dien Bien Phu fell.

Several thousand Red troops besieged three vital defense posts in the southern delta itself. And 29 rebel partisans were captured by French union forces only six miles from Hanoi's outskirts.

No Way to Compel McCarthy to Testify

(Continued From Page One)
cratic subcommittee members that all principals be heard in public sessions.

The White House gave added emphasis to the President's news conference remarks by permitting direct quotation of much that he had to say.

The President said he was "astonished" by talk that his injunction against certain testimony would be used as an excuse for calling off the hearings, and he added:

"Far from me trying to get any investigation off the track, I was merely trying . . . to keep it on the rails."

He again said he hopes the hearings will be completed quickly because they are diverting attention from more important matters.

Stevens and Army Counselor John G. Adams have accused McCarthy and two aides, Roy M. Cohn and Francis P. Carr, of bringing improper pressure on the Army for favored treatment for a former associate, Pvt. G. David Schine.

McCarthy responded with charges that Stevens and Adams used Schine as a "hostage" in an attempt to shut off an investigation of alleged Communists in the Army.

McCarthy told a news conference last night he had tried, but failed, to get a date with Eisenhower "about a week before this thing exploded" in mid-March.

He said he had wanted to tell Eisenhower then — sometime soon after Feb. 20 — that "I suspected he was not getting all the facts" about the row then simmering between McCarthy, Stevens and other top Army people.

At his request, McCarthy said, his friend Victor Johnson telephoned the White House to arrange an appointment. He said Johnson, director of the Republican Senatorial Campaign Committee, talked to Wilton B. (Jerry) Persons, legislative liaison aide at the White House.

Persons agreed to ring them back if he lined up the appointment, McCarthy said, but "he hasn't called back yet."

Asked whether he regarded this as a presidential "snub," McCarthy replied, "No, he's a busy man."

Manslaughter Case Goes to Circuit Court

Edward R. Duncan, 19, of 163 W. Yale St. was bound over to Circuit Court yesterday following examination before Municipal Judge Maurice E. Finnegan. His appearance is set for June 7.

Duncan is charged with manslaughter after a Feb. 7 accident at Perry and Montclair Sts. which killed Clyde E. Stewart 34, of 61 Mechanic St.

He was released when bail of \$500 was furnished. Duncan said in his statement that he did not see the car driven by Stewart until the impact. Stewart died less than eight hours later in Pontiac General Hospital.

Air Commander Named

PARIS (U-P) — Lt. Gen. Edmond Jouhaud was named commander of the French air force in the Far East today. He succeeds Lt. Gen. Henri Lauzin, whose new job has not yet been announced.

Oakland Historical Society Holds Eightieth Luncheon

The eightieth annual meeting and luncheon of the Oakland County Pioneer and Historical Society was held Wednesday at the Oakland Avenue United Presbyterian Church, with 100 in attendance.

Guest speaker was Howard Peckham of the Clements Library at the University of Michigan.

Drawing from his many years' experience in such work in both Michigan and Indiana, he cited many ways of gathering and preserving historical data in any community. In most of these, the local society is far above the average of other areas.

President Ernest Huthwaite of Pontiac presided at the luncheon and business session. The invocation was by the Rev. Andrew S. Crewell.

Reports of the various officers showed that during the past year some improvements have been made on the Moses Wisner Home, now owned by the society. Also a large volume of historical work has been done, and 832 cards of biographical and genealogical data added to the permanent file.

Officers elected for the coming year were: President, Mr. Huthwaite; first vice president, Mrs. L. L. Dunlap, Pontiac; second vice president, Joe Haas, Holly; secretary, Mrs. N. W. Peterson, Pontiac; treasurer, H. F. Goring, Pontiac; historian, Mrs. E. V. Howlett, Pontiac.

Directors elected were: Mrs. Morgan Axford, Oxford; Blanche Avery, Mr. and Mrs. Donald E. Adams and Mrs. G. H. Kimball Jr., Waterford; Maurice F. Cole, Ferndale.

Youth Pleads Guilty

Charles Reed, 17, of Ferndale pleaded guilty to receiving stolen property before Royal Oak Township Judge Richard V. Broder yesterday, and was fined \$25 and \$25 costs, or 30 days in Oakland County Jail.

Pontiac Deaths

Carl Feliksa

Funeral for Carl Feliksa, 63, of 377 E. Wilson Ave. will be Saturday at 10 a.m. from St. Vincent de Paul Church, of which he was a member. Burial will be in Mount Hope Cemetery.

Rosary service conducted by Knights of Columbus, of which he also was a member, will be tonight at 8:30 in the Melvin A. Schutt Funeral Home. The Rosary service for family and friends will be there Friday evening at 8:30.

Born in Brody, Austria, Nov. 29, 1890, he married Carolina Szir in Detroit July 15, 1917, and came to Pontiac this year.

Mr. Feliksa was a veteran of World War I and was employed as inspector at Fisher Body Division.

Besides his widow he is survived by a daughter, Mrs. Jack Habel, and a son, Albert, both of Pontiac, and four grandsons.

Mrs. George W. Smith Sr.

Mrs. George W. (Millie G.) Smith Sr., 60, died at her home at 161 W. Brooklyn Ave. Wednesday at 12:30 p.m.

Born in Muses Mills, Ky., Dec. 12, 1893, she was the daughter of John and Eliza Humphries Byrom. She moved to Pontiac two years ago from Ortonville and was a member of the Baptist Church in Drayton Plains and the MOMS at Lake Orion.

Besides her husband she is survived by two sons, Ralph of Carsonville and George Jr. in Korea; a sister, Mrs. Hugh Flake of Carsonville, and a brother, Clayton Byrom.

Funeral will be Saturday at 2 p.m. from the Donelson-Johns Funeral Home. The Rev. James E. Taubee of the Drayton Plains Baptist Church will officiate and burial will be in the Ortonville Cemetery.

Pontiac Woman Injured in Crash on Woodward

BLOOMFIELD TOWNSHIP — A Pontiac woman was treated and released from St. Joseph Mercy Hospital, Pontiac, this morning following a two-car collision at Woodward and Square Lake road.

Mrs. Delores Tripp, 25, of 2238 Avondale told police her brakes failed, causing her to hit an auto driven by Ruth Allen, 38, of Detroit.

Radar Effective Curb on Speed

New Jersey Turnpike Claims Better Traffic Record With Device

NEW BRUNSWICK, N. J. (INS) — Radar is effectively curbing speeders on the New Jersey Turnpike and helping to improve the highway's fine safety record.

During 1953, the first year of radar's use, the accident and fatality rate dropped 32 per cent, to levels far below those of parallel highways in New Jersey, and the nation's highways as a whole.

Radar was responsible for the apprehension of twice as many reckless drivers in 1953 as were apprehended by the entire detachment of State Police assigned to the Turnpike in the previous year.

Scanning approaching traffic from varied positions on the state trooper's car, the rectangular black radar box clocks each vehicle and its speed on a cardiograph-like recording device. When the graph shows a speed violation, the trooper marks the offender's license number alongside and radios a description of the vehicle to troopers ahead who make the arrest.

Troopers say that by the time a speeder has recognized the radar car, it's too late — he's been clocked. Recently, one speeder was flagged down going north and south by the same trooper. "I'll never try it again," he vowed as he pocketed his second summons of the day.

Revenues from all summonses issued by State Police on the Turnpike go to the state, and court costs to the municipality in which the violation is committed. Not one penny inures to the benefit of the Turnpike.

Company Uses Cooking Lesson to Prove Point

JONESBORO, Ark. (AP) — Defending a suit against her husband for failing to pay installments on a set of aluminumware, Mrs. J. C. Davenport in a cross action charged food stuck to the pans.

A company representative promptly whipped out a small stove, picked up a pan and fried an egg in the courtroom. Then he removed the egg and showed the jury a pan with no egg stuck to it.

The jury ruled the company could have both the pans and the money Davenport had paid on them.

Tiny Lamp Perfected

BLOOMFIELD, N. J. (INS) — The smallest lamp in the world — as small as the head of a pin — has been perfected by lamp engineers for use in missile tests. A neon glow lamp only 1/20th of an inch in diameter, it aids in timing photographic records of missiles in action. It also can be used for similar camera work in laboratories where space is cramped.

SINUS

And those terrible headaches caused by sinus now relieved by tablets taken internally.

Sinus sufferers go all out in their praise of the wondrous relief from these tablets. Get a bottle today!

FULL HOUSE—Three of a kind makes a full house for George Rulon, a U.S. sailor now stationed in London, England. Rulon and his Irish wife, Rose, Elaine Teresa, Geraldine Ann, and Mary Rose left, became parents of triplets, supposedly the first

Ex-Nazi Loses Post as U.N. Observer

UNITED NATIONS, N. Y. (AP)—Peter Pfeiffer, criticized in the United States as having a Nazi record, will not become West Germany's observer at U. N. headquarters.

A U. N. announcement last night said Pfeiffer's appointment had been withdrawn. Presumably Dr. Hans E. Riesser, present West

German observer, will continue in the post.

The Jewish Labor Committee of New York and Rep. Javits (R-NY) were among those who protested after Pfeiffer's appointment was announced last February.

Pfeiffer held diplomatic posts under the Nazis in Prague, Moscow, Paris and Rome. He was classified after the war as only a nominal member of the party, who joined to hold his government job.

Denver Owe Retiring Detective for Shoelace

DENVER (AP)—Veteran Detective Joe Holindrake is retiring July 1, leaving behind an uncollected claim—5 cents—against the city to replace a shoelace.

While still a rookie cop, Holindrake explains, he used the lace while assisting the birth of a baby before an ambulance arrived. His expense voucher for 5 cents to buy new laces was turned down by his sergeant on the grounds he "only used one lace."

Fake Orders for Organs Brings Prison Sentence

BALTIMORE (AP)—Robert F. McFarlane was sent to prison for three years yesterday because police said he had a custom of ordering pianos and organs for

churches, then selling them without paying the music firms in full.

The 50-year-old defendant posed as a minister when operating his scheme, it was testified.

McFarlane pleaded he had made restitution of all but \$800 and was prepared to take care of that.

Junior High Youngsters Display Racial Tolerance

BLOOMINGTON, Ill. (AP)—A new class king and queen were named last night by the 100 members of the Bent Junior High School graduating class.

Edith Ross, 14, was named queen; Joe Rush, also 14, king. Edith and Joe are the only Negro children in the graduating class.

A cow's milk flow decreases about 75 per cent when her thyroid gland is removed.

Bet \$4 Million at Derby

LOUISVILLE, Ky. (UP)—A total of \$4,306,065 was bet at Churchill Downs on Kentucky Derby day in 1953. The Downs had an average daily betting volume of \$902,332 last spring and \$537,450 daily average during the fall meet.

May Cut Out Blood Program

Red Cross in County Reports Lack of Funds as Subsidies Decline

Oakland County residents may lose the services of the Red Cross blood bank collections due to decreased subsidization by the Department of Defense and the National Red Cross, members of the local chapter's executive committee learned yesterday.

Considering their \$32,000 1954-55 budget, members found a \$12,000 deficiency of expenses over revenues if the blood program is maintained.

Chapter Chairman Harold B. Eiler explained that the Defense Department's needs for whole blood have diminished with the end of Korean hostilities.

He added that the National Red Cross now considers the blood collections as mainly a community service project, and plans to reduce its liberal subsidization of the program gradually over the next few years.

"There are two courses we can follow in the blood program in the coming year," blood program chairman Dr. E. W. Bauer said yesterday, "continue as we have, or get out of the blood collecting business completely. Our budget is greatly above our prospective income."

"If we continue the blood program we need \$36,500 to finance it. Our income will allow us to carry it for half of our fiscal year, but we're \$12,000 short of running it for the entire year."

"If we discontinue the program, we must return to the hospitals the job of collecting and processing as well as distribution of the blood," Dr. Bauer added.

Plans have been made to send copies of his report to the Oakland County Medical Society, hospital administrators, manufacturers associations, the CIO, and the United Foundations of Detroit and Pontiac, to explain the situation.

These groups will be asked for their suggestions, and the executive committee will meet June 16 to reach a final decision.

The local Red Cross chapter began blood collections in November, 1951. During the past 12 months, 12,266 pints have been collected.

Youth Pays Fine of \$50 for Attempted Larceny

Edward W. Smith, 21, of 19 Elizabeth St., pleaded guilty to attempted simple larceny Wednesday before Municipal Judge Cecil B. McCallum.

Smith, who paid a \$50 fine for attempting to take parts from autos in a downtown parking lot early Wednesday morning, eluded police after a warning shot was fired over his head. He was arrested at his home after his car was found near the parking lot on Cass avenue.

Seek to Restrict Voting of Mixed-Blood Citizens

CAPETOWN, South Africa (U-P) Prime Minister Daniel F. Malan's government, pushing its policy of strict racial segregation, asked Parliament last night to change the Constitution to restrict the voting rights of people with mixed blood.

If the measure receives the required two-thirds majority of both houses, about one million "coloreds" would be removed from the common register and placed on a separate roll.

Belgium is one of the world's most highly industrialized countries, and also one of the most productive regions for agriculture.

EVERETT K. GARRISON

Local Optimist Club Chooses President

The Pontiac Optimist Club recently named Everett K. Garrison as its president. He succeeds Dr. H. A. Miller.

Other 1954-55 officers are David R. Ewalt, first vice president; Wayne H. Gabert, second vice president; J. A. Wright, secretary-treasurer, and Harold Davis, sergeant at arms.

The new officers, who will take their posts July 1, will be initiated next month.

Professors Tip Students on Right Study Method

CARBONDALE, Ill. (U-P) Southern Illinois University, by shattering traditional professional aloofness, has put into operation a plan for helping students boost their grades.

Directed by the school's office of student affairs, the plan sends professors into all campus dormitories and rooming houses to tell the undergraduates just how to study.

And to supplement the professors' talks, Mrs. Mabel Pulliam, supervisor of off-campus housing, furnishes a list of pertinent correct-study-habits tips, which include:

React mentally to each idea your professor advances.

Catch his introductory and summary remarks — or you are not going to "catch" what he says in between.

Do not get carried away from the main idea(s) by the professor's examples and explanations.

Do not fill reams of paper with notes. On the other hand, do not abbreviate notes so they resemble hieroglyphics.

The "pros" advise discussing lectures with fellow students and asking instructors to clarify any points not readily understood.

650 Families Evacuate Idaho River Floodlands

BONNERS FERRY, Idaho (U-P) Muddy dikes separating Bonners Ferry and its rural farms from the swollen Kootenai River held today as men worked around the clock to patch weak spots.

However, 650 families in the low area of this town of 1,800 evacuated their homes as the river crept steadily nearer the top of the dikes. Another 150 families living on wheat and cattle farms in the rich valley north of town moved to higher ground.

Pontiac Republican Club Meets Here Tonight

The monthly meeting of Pontiac Republican Club will be tonight at 7:45 in parlor "F" of Hotel Waldron according to W. E. Kushman, president.

Membership and precinct organization, ratification of the constitution and by-laws and the filing of delegate nomination petitions for the county convention will be topics of discussion.

U.S. Blocking Use of A-Power

Educator Claims Ban on Atom Patents Hurts Economic Progress

DETROIT (U-P) Ten years from now people "quite possibly" may be riding around in atomic-powered planes, trains and ships, says noted atomic scientist Dr. John R. Dunning.

But, Dr. Dunning, Columbia University's dean of the college of engineering, maintains that the real future of atom power lies in its use in the output of electrical power.

The scientist, who helped in the development of the first atomic bomb, addressed a patent seminar in Detroit Wednesday. The seminar was sponsored by the National Assn. of Manufacturers.

Dr. Dunning said if Congress would extend patent protection to atomic inventions private industry

would be further encouraged to enter the atomic energy field.

The law currently provides that all inventions become property of the Atomic Energy Commission with the inventor paid a sum of money for his invention.

Dr. Dunning contended that "no company is justified in spending large sums of money for research on inventions that it cannot own."

Before the seminar began, the NAM issued a statement saying that North American Aviation, Inc., of Downey, Calif., had promised to have on hand a "working model" or a prototype of an atom-powered aircraft engine.

The statement resulted in reports that North American was now producing an atomic-powered plane.

However, a spokesman for the company denied that North American either was making or planned to produce atomic aircraft engines.

He said while the company was experimenting with atomic reactors in development of electrical power the work has nothing to do with the powering of aircraft by atomic energy.

LAUNCHING A FAMILY—New-born cygnets move to enter the water for first time at Valley Stream cautiously to the shoreline under guidance of parents State Park, N. Y.

Mother of 4 Guilty of Killing Husband

GRAND RAPIDS (U-P) A 45-year-old mother of four today faces a mandatory life sentence in prison for the fatal shooting of her husband last April 23.

A Superior Court jury Wednesday night returned a first degree murder verdict against Mrs. Fannie McCall, of Grand Rapids. The jury deliberated more than five hours.

"May God be my judge," Mrs. McCall cried as the verdict was announced.

She had testified before Judge Thaddeus B. Taylor that she shot her husband, Floyd, 58, in self defense following a quarrel in the kitchen of their home. She said her husband had threatened her.

Isn't Tony' Alright?

HOLLYWOOD (U-P) The Mario Lanzas say they're looking for an unusual name for their fourth child, a 7-pound, 5-ounce boy born yesterday. The singer and his wife Betty have two daughters and another son.

Enthusiasm Insures Sales
Love of Silver Pays Off

By ANNE HEYWOOD

"When my husband and I were married, we were very broke. We had only a bed and a card table and a couple of straight chairs."

Eily J., an attractive woman in her late 20's, smiled in a nostalgic way.

"I remember envying the girls who had everything, as the saying goes. Most of all, I longed for silver of my own."

"I think I would have taken silver ahead of curtains or a rug or anything else. But it was out of the question."

"After four or five years, George was doing quite well, and we got our silver. Then, last year he decided he would have to go back to college at night to get his M.A."

"Otherwise, he would never be able to get to the top in his particular field."

"I hated the idea because it meant being alone night after night, and also because paying for his education would put quite a dent in the budget."

"So I decided to take on a sales job, from 7 to 10 every night. I like people, and I've always thought selling would be a lot of fun. But what to sell?"

"Suddenly I remembered silver, and how I myself adore it and think every young couple should have it. It's really a lifetime investment, and it makes you feel so good to have a pretty table!"

"Well," Eily continued, "I approached a company or two in our town, and finally landed a good job."

"I sell on commission, and since my customers are mostly business girls, the best time to see them is after hours."

"I have a lot of fun, because when you have a product you love, selling it doesn't even seem like work. And there's something so sweet about girls who are engaged to be married—they're always in a good mood!"

"The money is more than enough to make up for the cost of George's college course, and I'm getting quite a healthy nest-egg besides!"

The wise woman realizes that her own personal enthusiasms are a very important factor in her life; they are the key to a paying job, or a hobby, or volunteer work.

When you love what you do, you do it successfully, painlessly—and lucratively.

Squeeze and roll is the principle behind this new pie-making kit. The kit contains a booklet of pie recipes, a rubber spatula and a plastic sheet. Mixing is done by placing ingredients in the sheet and squeezing. Open sheet and roll out the dough, easy as pie.

Press Asks for Bridal Information

Data on Weddings Should Be Given in Advance

In order to assure prospective brides a complete and timely wedding story, the Pontiac Press Women's Department has prepared several suggestions for providing the Press with prompt, accurate and complete information.

Wedding forms will be mailed upon request, as well as to those who have announced their engagements in the Pontiac Press.

The wedding blank should be returned at least two days before the wedding as this amount of time is needed for handling such detailed stories.

Those received more than three days after a wedding will not carry details of reception, bridal costumes, etc.

Because of limited space, brides-to-be may submit only one picture (either engagement or wedding) if they are to be married within two months of the engagement announcement.

While it is not always possible to provide the picture with the wedding information, brides are asked to note that the picture cannot be used unless it is in our office before 8 a. m. on the third day after the wedding.

Pictures should be black and white glossy prints, as colored or sepia pictures will not reproduce well.

Clip Cloth to Pail

Those small plastic hanger hooks, with a clip-type clothespin attached, are perfect to hang over the rim of your scrub pail. Use it to clamp your soaping cloth so it will always be right at your fingertips when needed.

Wipe greasy pots and pans with a paper towel before putting in sink or dishpan to wash. Saves grease from going down the drain!

"3-D" doilies! The roses look real—they're solid crochet raised above the open-mesh center. Crochet roses in red; leaves, green; center, white or green.

Crochet pattern 751: Directions for large doily, 19 inches; small, 13 inches in No. 30 cotton.

Send 25 cents in coins for this pattern—add 5 cents for each pattern for first-class mailing. Send to 124 Pontiac Press Needlecraft Dept., P.O. Box 164, Old Chelsea Station, New York 11, N.Y. Print plainly pattern number, your name, address and zone.

Wipe greasy pots and pans with a paper towel before putting in sink or dishpan to wash. Saves grease from going down the drain!

"Where Quality Counts"

72 North Saginaw St. FE 2-0161

Mary Margaret McBride Says:
Inventing Too Scientific in This Era of Cyclotrons

If I'd lived in simpler days, I think I could have been an inventor. I'm sure that once somebody else had found out how to make fire I could have figured a way to roast dinosaur without having to burn down my cave.

And I can't imagine why the law of gravity had to wait around all those years for Newton, in a reflective frame of mind, to sit under an apple tree.

The reason I don't invent now is that the whole business has become so complicated. You have to be equipped with a cyclotron, or at least a two-horsepower motor, before you even start these days.

Yet a writer on success told me recently that all you need to do to think of fresh, startling ideas is "apply imagination properly so that it will create something entirely new from patchwork fragments of the old."

Since there are several items I'd like to have to make my life pleasanter, I immediately put my imagination to work. But I have to confess that I am hamstrung by lack of scientific and engineering background.

The good old days of waking up some morning with a plan, like one for an easy gadget like a wheel, seem truly gone forever. If only I understood how to put together one of those thinking machines that predict the outcome of elections and defeat human opponents at chess, it would be a short step to my dreams of an automatic combination checkbook balancer and overdraft alarm.

Although I haven't figured out how to tailor this contraption, I'm certain about the way it should work—expertly adding, subtracting and carrying over, then sounding a tocsin whenever I attempt to sign a check that would bounce.

There's a fortune waiting for me or anybody who can end dishwashing by constructing pretty, pleasant-to-eat-off-of dishes that you can afford to throw away at the end of every meal. And don't tell me that this has already been accomplished, for it hasn't—at least not to my satisfaction.

Another crying need is for a lazy Susan type of shelf so you can get at the item in the back which are always the ones you want. And when will a benefactor come along to make comfortable corsets that still will restrain the too, too solid flesh, and shoes which have 3-inch heels that don't murder your feet?

I've tried and failed on each of these, but I'm still hopeful about the contraption I've set my imagination to work on now. If successful, it will not only toast my bread a delicate brown, but also spread it with butter right into the corners without lumps.

Manners
MAKE FRIENDS

When you find yourself using a gift over and over or enjoying its beauty day after day—why not write the giver a second thank-you note. The first one was expected—the one you wrote when you received the gift. But the second—saying how much you are enjoying the gift—will be a real surprise. Such thoughtful surprises are always appreciated.

NOBIL'S

At a family dinner Saturday, Mr. and Mrs. Robert F. Connor of Birmingham announced the engagement of their daughter, Roberta, to James E. Theroux, son of Prof. and Mrs. Frank R. Theroux of East Lansing. Roberta is a student at Michigan State College, where her fiancé was graduated.

ROBERTA J. CONNOR

Recent Bride Honored

Shower Fetes Mrs. Doyle

Mrs. Richard L. Doyle was honored at the second in a series of post-nuptial showers Wednesday.

Hostesses for the kitchen shower were Mrs. James Dearing and Mrs. Theodore Stickney. The shower was held at the Stickney home on Beverly street.

Mrs. Doyle is the former Arlyle Oliver, daughter of the George R. Oliver of Devonshire road, Bloomfield Highlands. Her husband is the son of Mrs. R. L. Doyle of Miami road and the late Mrs. Doyle, St. Hugo of the Hills was the setting for their April 10 wedding.

Guests at the shower included the senior Mrs. Doyle, Mrs. Oliver, Mrs. Bernard J. Burke, Mrs. John H. Cauley, Mrs. Albert M. Serra, Nancy Gray, Mrs. Harold Tunney and Mrs. George Janes.

Others were Shakey Godoshian, Mrs. Richard Wright, Mrs. Bernard Sullivan, Mrs. Terrence Free-

man, Mrs. Donald G. McCracken, Mrs. B. W. McKibben and Patricia Bennett of Ann Arbor.

Meeting Conducted by Dirt Gardeners

Mrs. George Chesney of Birmingham judged floral arrangements of Dirt Gardeners Club recently when the group met with Mrs. Harry Small in Milford.

Assisting the hostess were Mrs. Eleray Thomas and Mrs. Glen Arthur, and guests for the occasion were Mrs. Kenneth Pell and Mrs. Peter Larsor.

Dainty Organdy Is Abundant

Delicate, Beautiful Gowns Shown at Thrifty Prices

By DOROTHY ROE

Associated Press Fashion Editor

The bride of 1954 may have a pleasant surprise when she goes shopping for her wedding gown. If she shops wisely she will find that she can have the romantic bridal outfit of her dreams at a price that will not wreck her father's bankroll.

4752
SIZES
12-20

by Anne Adams

Newest fashion—easiest sewing! The princess line is summer's most figure-flattering. Best of all, there are no waist seams—stitch it up in a jiffy. Thanks to the curvy bolero jacket, you can bare your back to the sun or cover up on cool evenings. Sew it now.

Pattern 4752: Misses' sizes 12, 14, 16, 18, 20. Size 16 dress, 4½ yards 35-inch; bolero, 2 yards.

Send 35 cents in coins for this pattern—add 5 cents for each pattern for first-class mailing. Send to Anne Adams, care of 137 Pontiac Press Pattern Dept., 243 West 17th St., New York 11, N.Y. Print plainly name, address with zone, size and style number.

Few of today's brides can afford the magnificence of a custom-made wedding gown, unless they make it themselves or depend on the neighborhood dressmaker.

But the ready-made gowns available in bridal salons of shops throughout the country offer all the delicate beauty any bride could desire, at prices ranging from about \$70 to \$250 and up. Bridesmaid's dresses may be found at an average of from \$25 to \$40.

Ideal for the summer weddings are the crisp, sheer Swiss organdies which are in abundant supply in most bridal shops.

These may be had in white or pastels, in plain or embroidered finishes, in lovely decorative effects, in styles for both formal and informal weddings.

One recent bridal fashion show featured a wedding gown in sheer white organdy with bridesmaids in nasturtium and jonquil-colored organdy, with shoes, bags and picture hats in matching organdy.

Another thrifty innovation for the modern bride is the convertible wedding gown, which may be used later as a dance dress either by removal of a jacket or long underskirt, or by switching skirts if the ensemble follows the new idea of separates.

The train often is eliminated from today's wedding gown, except for a large cathedral wedding, and bridesmaids' dresses are planned with an eye to later date and party use.

Cotton Duster Is Embossed

The newest fashions in duster housecoats are made in embossed cottons that wash in no time at all and require no ironing.

Terry cloth is popular for spring, too, especially in prints that will look well on the beach later when you use your duster to cover your bathing suit. Whichever the fabric, just suds them out, let them dry, and get right into them again.

The latest trend in dusters seems to be toward easy dolman shoulders, and sleeves that are cut with wide cuffs that ride about the elbow or above—out of the way of your housework.

Big pockets and button-up-the-fronts are, of course, standard equipment.

Summer wedding... This charming bride and bridesmaid were photographed on the steps of Christ Church, Manhattan, while curious bystanders look on. The bride wears a cathedral wedding gown of sheer white Swiss organdy over pale pink taffeta, costs about \$40. The latter also is available in a full range of pastel organdy colors, over matching taffeta slips.

But Girl Should Face, Solve Own Troubles

Mother Wants to Sever Unhappy Pair

By ELIZABETH WOODWARD

"Dear Miss Woodward: Nearly a year ago when they started their steady dating, I objected, arguing that they should see each other but continue on with their other contacts.

"I was overruled by both my daughter and the boy, and finally, since they behaved well, I withdrew my objections.

"But now the boy shows signs of wandering attention (to which he won't admit) while my daughter seems to be quite emotionally involved and won't hear of seeing other boys.

"Her friends tell her of having seen her boy friend fooling around with this girl or that, and she is naturally upset, to the point of refusing to go to school for several days.

"She's a brilliant student but I'm afraid that with her mind so diverted she will gradually lose ground in school.

"I think I ought to break this romance up clean, since it is not making her happy in its present state. I know this will create an upheaval here at home because my daughter is not the placid type.

"But she is too wrapped up in the boy to see him casually as

just a friend. And I'm afraid she might take to seeing him outside the home, which is not a good situation. What would you advise?"

No mother with any sensitivity can stand by unmoved while she watches her young daughter suffer torments of young love. But do you remember when she was little and had that dreadful varache and you wanted to save her hurt by suffering her pain yourself?

And remember her disappointment in not winning that prize? You felt like crying, yourself. Through the years you've tried to ward off her little unhappinesses, and stand between her and hurt.

Perhaps the time has come to let her exercise her own emotions, even though it's painful to her—and sheer torture for you. It's time she learned to control her own feelings and develop some emotional balance.

You've both been operating on the theory that happiness is a constant state. It's time she found out that life is up and down, hot and cold, sunny and dark—and she must stand firm through these contrasts.

You could step in, wield parental authority and nip off this romance.

But would it really end her hurt? She'd hold you forever responsible for a shattered romance. You'd deprive her of the experience of working out the relationship for herself.

But you can help with mellow, understanding detachment. You can tell her that friends can be malicious—they can magnify and dramatize their tattled tales.

You can tell her that his fooling around with this girl and that can be harmless diversion, pleasant. Her boy friend might even have been the innocent victim of girls who were playing around.

You can give her confidence enough to believe him when he insists his interest has not changed. You can stiffen her pride in her schoolwork.

You can tell her for me that it's soft, silly and undignified to dissolve because of one teenage boy. He's not the whole of life. He's only part of it!

When preparing baby's things for a day at grandmother's house, include a cardboard soda water carton. It is perfect for holding your child's supply of bottles, and can be put right into the refrigerator when you arrive.

Beau Should Ride Home With Girl

Wrong for Her to Drop Him Off First, Then Drive Alone

By EMILY POST

A mother explains: "My daughter has her own car, and the man she has been going out with rather steadily has none. Whenever they have a date she takes her car. I have no objection whatever to this, but when it is time to go home, she usually drops him off on the way and drives home alone.

"When I told her I did not approve of this, she said I was old-fashioned and that it made no sense for him to drive all the way home with her and then take the bus, or subway, to his home, when she was perfectly safe in the car. I would appreciate your opinion of this."

If there is a public conveyance that he can take, then I agree with you that he should see her home. If you were living in a country place where he would be obliged to walk a long distance, that would be different.

Dear Mrs. Post: I'm going to be married in a morning wedding with a wedding breakfast immediately following for the members of both families. The same evening there will be a large general reception for relatives and friends.

I will wear a cutaway coat and striped trousers for the wedding ceremony. I would like to know if it would be proper to wear these same clothes at the evening reception. My fiancée insists that I have to change into a tuxedo.

Answer: The clothes you wear at the ceremony may quite properly be worn at the reception in the evening. In fact, if the bride is wearing her wedding clothes, you should also wear what you wore at the wedding.

Dear Mrs. Post: I am a widow and want to have a marker put on my husband's grave. His name was John Henry Wells and I have a son named after him. Will you please tell me if it would be proper to have the marker read John Henry Wells Sr.?

Answer: John Henry Wells is sufficient. The date of his birth and the date of his death establish his generation.

If round-contoured, feminine type—

Tailored clothes through contrast can emphasize your young femininity or, if you prefer, choose little girl clothes.

Miss F. T. — Designers have snatched their inspiration right out of the cradle, and bows, sashes and sailor collars are replacing last summer's sexy Bikinis. But on the other hand there are slim, tailored clothes, often boyish, equally important.

Final Fish Supper to Be Held Saturday

A final fish supper was planned for Saturday evening by Malta Temple Board at a recent meeting at Malta Temple.

The next meeting was announced for June 19, at which time fund-raising projects will be discussed.

The first to congratulate Ilene Patton of Oxford on receiving the first four-year alumni scholarship from Oakland County MSC Alumni Club was Dean E. L. Hardin (left). Presenting the award was Curtis Patton of South Tilden avenue, president of the alumni group.

At MSC Club Banquet

Alumni Give Scholarship

Ilene Marie Patton of Oxford was the recipient of the first four-year scholarship to be awarded by the Oakland County Michigan State Alumni Club.

The scholarship was awarded Wednesday evening at the annual spring banquet by the retiring president, Curtis Patton.

The Rev. Ward Clabuesch of All Saints Episcopal Church, an MSC graduate, gave the invocation for the banquet held at Hotel Pontiac.

Toastmaster Edmund Alechin introduced three members of the MSC Men's Glee Club who entertained the group with several musical numbers.

Edgar Hardin, dean of continuing education and faculty representative to the Western Conference, spoke on "MSC's Future in the Big 10."

The history and purpose of the Big 10 were outlined, and Dean Hardin told of the many advantages of belonging to the conference.

Dean Hardin urged the alumni group to take an active interest in the school and keep it one of

the outstanding colleges of the country.

Robert Toll, assistant alumni relations director, brought greetings from the college. Bud Carigan, incoming president, was introduced, and he in turn introduced members of the board of directors for the coming year.

2 Women of Moose to Attend Convention

Delegates to the State Convention of Women of the Moose in Jackson June 4, 5, and 6 will be Mrs. Clarence J. Cavalier, recorder, and Mrs. Howard McCandless, senior regent.

Mrs. McCandless will serve as attendant to the queen of sponsors in a pageant June 5.

Hillsdale Talk Given by Mrs. Chapman

Mrs. Harry D. Chapman of Oneida road, state chairman of nature conservation for Michigan DAR, spoke to the Hillsdale DAR today.

Mrs. E. D. Clark of Silver Lake road accompanied Mrs. Chapman to Hillsdale, where they were luncheon guests of Laura Cook.

Show Ways of Helping Handicapped

A program on methods used to aid handicapped children was presented at the Tuesday meeting of the Faith Group of the Oakland County Society for Crippled Children.

The group met at the society's headquarters on West Lawrence street.

A demonstration of methods used to teach handicapped children the use of speech and limbs was given by Mrs. Edwin Lau, speech therapist, and Mrs. Leon Skelly, physical therapist, both teachers at the society's school.

Assisting with the program were four children from the school, Artha Mick, Mary Gearhart, Bonnie Martin and Jean Barnhart.

Music and toys were used by therapists to help the children relax. This also encourages them to ask for what they want, according to their teachers.

Faith Group is planning a co-operative supper for the June 1 meeting.

Offer Township Lease on Park

Oakland Supervisors Make Bid to Southfield on Davisburg Area

Springfield Township Wednesday was offered a 20-year lease on the 181-acre Davisburg Park now owned by Oakland County.

The county Board of Supervisors voted to lease the park on Andersonville road to the township for 20 years for \$1, letting the township renew the lease for as long as it likes.

Harry W. Horton, buildings and grounds committee chairman, told the board that the park, maintained by the county road commission until now, needed about \$5,000 worth of repairs.

"We're not sure whether it's legal for the road commission to spend money on it," he said, "and we don't feel the county should spend that much."

"The township has offered to lease the park—and it would be a good way to solve the problem."

The park was given to Oakland County by the Manley Davis Investment Co. some years ago. The county will keep a half-interest in any oil, gravel or other valuable minerals that might be found there.

The township will hold the other half interest in mineral rights—but any profits from the park must be used for park purposes.

Cadet's Candidacy for Graduation Listed

WEST BLOOMFIELD TOWNSHIP—Cadet Dan Alvin Booth, son of Mr. and Mrs. A. R. Booth of 4801 Commerce Rd., is a candidate for graduation at Wentworth Military Academy, it was announced today.

Booth is a member of this year's high school graduating class at the academy.

Wentworth's commencement exercises start on May 28 and conclude May 31.

Youth to Be Arraigned for Uttering, Publishing

John M. Stevens, 16, of 203 1/2 N. Saginaw St., waived examination on a charge of uttering and publishing before Pontiac Judge Maurice E. Finnegan yesterday.

He was bound over to Oakland County Circuit Court to appear Monday, and bond of \$1,000 was not furnished. Stevens was placed in Oakland County Jail. Probate Court has waived jurisdiction over the youth.

Misleading Sign

MEMPHIS, Tenn. (UP) — The label was enough for Mrs. Margaret Collins' young granddaughter. Instead of buying coarse thread to sew button on a coat, the girl returned with No. 60 thread, explaining that on the bottom of the spool "it says 'Coats.'"

That's the name of the firm that made the thread.

County Deaths

Mrs. Anna Kraft

UTICA — Service for Mrs. Anna Kraft, 69, will be held at 2 p.m. Friday at Schwarzkoff-Mulliken Funeral Home, with burial in Utica Cemetery. She died Tuesday.

Surviving are a daughter, Mrs. Mildred Gamble of Big Beaver; two sons, Earl and Ralph of Utica; eight brothers, including William Rehse of Utica, and 14 grandchildren.

Lavern Seelye

ROYAL OAK — Service for Lavern Seelye, 77, of 207 E. Maryland Ave., was held this afternoon at Sawyer Funeral Home, Berkeley, with burial in Michigan Memorial Cemetery, Flat Rock.

Surviving are his widow, Mart McCatty of Berkeley, Mrs. Edna M. Sarnes and Mrs. Nellie Belkne of Detroit; a son, Dillman of Pontiac, two brothers and eight grandchildren.

DORAS COOK

Mr. and Mrs. Paul Cook of Oxford announce the engagement of their daughter, Doras, to Elwood Jeans, son of Mr. and Mrs. Thomas Jeans of Oxford. An August wedding is planned.

Rabies Law May Change

Vaccine Under Study May Mean Dogs Need Shots Less Often

Dog owners may soon have to have their pets vaccinated against the rabies only once every three years to get Oakland County dog licenses, county supervisors learned Wednesday.

Winson S. Moberly, chairman of the board's miscellaneous committee, said Michigan health officials are studying a new rabies vaccine which protects dogs against rabies three times as long as the serum used now.

"If the new vaccine is approved," Moberly said, "we would try to have Harry J. Merritt (county corporation counsel) get the law changed so people have to have dogs inoculated only once in three years instead of every year." The board asked Merritt to act accordingly.

Moberly said the prosecutor's office, uncertain for a while whether it could prosecute dog owners who keep dogs on their property without buying licenses, is now armed with a ruling by Michigan's attorney general saying it can.

He reported that this year's \$1.50-a-dog rabies vaccination clinics showed a profit of \$2,700.

"This money was turned over by Oakland County veterinarians to the national veterinary society for research in rabies control," Moberly said.

Two County Residents Get U-M Scholarships

Two Oakland County residents who are outstanding students at the University of Michigan have been awarded engineering scholarships for the 1954-55 academic year. Robert J. Schoenhals, 27075 Lahser Rd. will receive the E. M. and Natalie Sims scholarship. The Cornelius and Margaret Donovan scholarship has been awarded to Lee H. Solomon, 806 E. Lincoln, Royal Oak. For the coming year 48 engineering scholarships have been awarded.

Pioneer Extension Unit Hears Talk on Shrubs

ALMONT — "Gardens and Flower Shrubs" was the topic of the lesson presented to the Pioneer Extension Group at its recent meeting at the home of Mrs. Charles Wilson.

Giving the lesson were Mrs. Thomas A. Borland and Mrs. Hindie Bishop. A potluck luncheon preceded the business meeting.

Highland Girl, Detroit Man Are Married in Brighton

HIGHLAND—Clara Genevieve Hefflebower of Highland and Arthur Toop of Detroit were united in marriage May 8 in Brighton.

The bride is the daughter of Mr. and Mrs. Hefflebower of Highland, while the bridegroom's parents are Mr. and Mrs. William Toop of Detroit.

Mrs. Roy Parks of Holly was matron of honor for her sister and John Gasorski of Wyandotte, the bridegroom's brother-in-law, was best man.

Other attendants were Mrs. John Gasorski, sister of the bridegroom, and Leo Hefflebower, brother of the bride.

For the ceremony, the bride selected a pink gabardine suit with white accessories. She carried a corsage of white gardenias and lilies of the valley.

Following a wedding dinner at Highland Manor, the newlyweds left on a short wedding trip. They are now residing in their new home at 3165 Beaumont Dr., White Lake.

Clawson Council OKs Record Budget

CLAWSON — The highest budget in this city's history was approved this week by the City Council.

Totaling \$392,320, the new budget shows an increase of \$77,400 over the current year's allotment. Despite the increase, city officials said Clawson taxpayers will continue to pay the old tax rate of \$20 for each \$1,000 assessed valuation.

OES Bird Chapter 294 Confers Degrees on 3

CLARKSTON — Degrees of the order of OES were conferred on Evelyn DeVar, Helen Russell and Rosella Purcell by the officers of Joseph C. Bird Chapter 294, OES at a special meeting here Monday. Viewing the ceremonies were 65 members and guests.

School Head Given Honor

Superintendent Named Outstanding Citizen in Royal Oak

ROYAL OAK — Supt. of Schools James C. Covert this week was named Royal Oak's most outstanding citizen of the year.

The award was presented to Covert at a Chamber of Commerce dinner Tuesday night at American Legion Hall by C. of C. president Donald E. Wolcott.

Covert, who lives at Scott Lake, came here as superintendent of schools in 1948 from Pontiac, where he had served as assistant school superintendent.

A plaque, lauding him "for being that person who has given of himself in the service of his community," was presented to him by Wolcott.

Previous award winners are Nathaniel J. Quickstad, 1948; Fletcher L. Renton, 1949; Grant D. Maudlin, 1950; William Sullivan, 1951; Harold Rogers, 1952, and Dr. Ruth E. Wagner, 1953.

County Calendar

Almont — Almont Farm Bureau will meet tonight at the Community Room of the village library. A potluck lunch will be served.

First Baptist Fellowship will meet at the church tomorrow evening.

DIANA MARRIOTT

Mrs. Stella Marriott of Drayton Plains and Ralph Marriott of San Diego, Calif., announce the engagement of their daughter, Diana, to Raymond A. Popp, son of Mr. and Mrs. Clarence Popp of Northport, Mich. Both are students at the University of Michigan. A September wedding is planned.

Young Women's Guild Shown Religious Film

CASS CITY — A film, "Crossroads of the Cross," and a report on a meeting of the Flint Presbytery highlighted the meeting of the Young Women's Guild of the Presbyterian Church this week.

The meeting was held at the home of Mrs. James Milligan, with Mrs. Grant Brown and Agnes Milligan as assistant hostesses. The guests also inspected Mrs. Milligan's model kitchen which she won in a national contest recently.

Woman Plays Hostess

ALMONT — Mrs. Fred Farley was hostess at the recent monthly meeting of the Past Matrons' Club of OES Chapter 338.

Delay Trial of Lathrup Head

Mayor Harvie Charged With Drunk Driving by State Police

EAST LANSING (UP) — Justice of Peace George P. Hutter today ordered a further postponement of the trial of William Harvie, 55, mayor of the city of Lathrup Village, on charges of driving while intoxicated.

Court officials said the additional delay resulted because attorneys for the prosecution and defense had not yet agreed on a trial date. A conflict in court appearances required by attorneys prevented proceeding with the hearing Wednesday.

Officials said efforts are underway to set the trial on June 2 or 3.

Harvie was charged with drunk driving Dec. 16, 1953, when his car struck the rear of State Police Commissioner Joseph A. Child's limousine near East Lansing.

The commissioner's car had stopped to aid another motorist when the accident occurred. Childs was not in the vehicle but the police chauffeur arrested Harvie. Harvie denied that he was driving while intoxicated and demanded trial, which has been postponed several times.

Past Matrons, Patrons Are Honored by OES

NORTH BRANCH — Past matrons and patrons of OES Chapter 149 were honored at a dinner here Tuesday.

Jacqueline Richards, daughter of the junior past matron, Mrs. Betty Richards, received the degrees of the order at the affair.

Couple Wed in Candlelight at Fenton Church

FENTON — In a candlelight service in Fenton Methodist Church, Shirley Ann Stanley and Charles Richard Coe exchanged marriage vows Saturday.

The bride is the daughter of Mr. and Mrs. Leo A. Stanley of Fenton, and the bridegroom is the son of Mr. and Mrs. Clifford W. Coe, of Pontiac.

Diane Wyckoff of Sheridan, was maid of honor for her cousin, and Robert Coe of Walled Lake, was best man for his brother.

Bridesmaids were Sylvia Kara-

ten and Mrs. Richard Holst of Flint. Ushers were Donald Coe of Flint, Ushers were Donald Coe of Flint, Richard Coe of Walled Lake, and Wayne Coe of Flint. A reception followed in the church parlors. After a short trip the newlyweds will reside at 38 Murphy St.

Home Demonstration Unit Meeting Attended by 11

CASS CITY — Tuesday's meeting of the Elmwood Home Demonstration Group was attended by 11 members and one guest, Mrs. Grover Lauri was hostess. Members will journey to Clarkston June 22 for a potluck dinner at the home of a former member, Mrs. Lyle Lounsbury.

KRESGE'S

Beef, Chickens Are Best Buys

Turkeys Also on List
of Food Bargains for
This Weekend

By THE ASSOCIATED PRESS
There'll be a well-rounded list of good buys in the nation's food stores this weekend, with the emphasis once again on beef, veal and chickens.

Prominently mentioned as specials in beef were rib roast (down two to five cents a pound from last week), chuck roast, pot roast and round steak. Sirloin steak will sell for about the same as a week ago.

You'll find trying and roasting chickens at featured prices. More stores will be offering turkeys as a weekend special. Meat men consider turkeys a good buy these days.

Butter prices will show little change from a week ago. Eggs will be up two to six cents a dozen in some areas and down a couple of cents in others.

Cabbage, green beans and spinach head the list of outstanding vegetable buys. Reasonable prices also will be found on cucumbers, lettuce, peppers, radishes, potatoes and onions.

Produce men continue to list strawberries as the best buy in fruit. Meanwhile, they herald the arrival of more plums from Texas and cherries from California.

More cantaloupes are rolling to market, the majority coming from Texas and Mexico.

Another good buy, produce men add, is rhubarb, most of it grown locally.

Fruits going higher at wholesale this week included California oranges, grapefruit and apples. Florida oranges are at about the same price as a week ago.

No one raised coffee prices this week, but one roaster said another jump might be necessary in the next couple of months. Meanwhile, American imports of tea soared more than 27 per cent in the first four months of this year over the same period of last year.

Number of Widows Seen Increasing to 8,500,000

NEW YORK (UP) — Cheerless statistics:
The nation now has about 7,500,000 widows and the total has been increasing by 100,000 a year, the Metropolitan Life Insurance Co. reports. It adds that the yearly increase probably will be even greater in the future, and that by 1960 there may be as many as 8,500,000 widows.

Phil's Hamner Hits Back at Club's Action

Terms Use of Private Detective by Owner 'Gestapo Tactics'

(See story on page 32)

PHILADELPHIA (U)—Second baseman Grady Hamner of the Philadelphia Phillies demanded a showdown with owner Bob Carpenter today over what he termed the "Gestapo tactics" of having players trailed by a private detective.

Carpenter disclosed yesterday he had hired a private detective to check on the aftergame habits of some of his players. The owner spoke up after a private investigator was arrested Tuesday night when Hamner reported to police he was being trailed.

"I resent this and I intend to do something about it," the 27-year-old player said today. "This stuff of treating me and other ball players like two-year-olds is going to wreck our club. We can win the pennant. We have a better team than in '50 when we won."

"But this uncalled for Gestapo tactic will ruin our chances if they're not cut out right away," Hamner asserted.

The second baseman, who came to the Phillies in 1944 as a 17-year-old recruit and developed into one of the National League's top infielders, was bitter about the incident.

Sitting in his North Philadelphia home with his pretty wife, Shirley, the Richmond, Va., native poured out his feelings about being trailed by a private detective to see if he went to bed on time.

"I'm a ballplayer," he said. "I make \$25,000 a year. I've got seven or eight good years ahead of me. I keep myself in shape and never, at any time, has it been necessary to have me followed by a private detective."

"I want to be cleared of the implications and inferences that being followed shows something wrong in a person's private life," Hamner said.

"I know I am of some value to the team. If what I have to say means they're going to trade me, I'm going to speak my piece. I don't like this sort of stuff."

Hamner already has felt the reaction of the episode. The barbs of sharp-tongued fans and some of the bench jockeys on the opposition—the Milwaukee Braves last night—opened up on him. He went hitless in four times at bat and dropped to second place in the National League batting average race with .365.

Titled Jockey May Not Ride in Epsom Derby

SALISBURY, Eng. (U)—Sir Gordon Richards may be forced to give up his mount on the Queen's Landau in the Epsom Derby June 2 as the result of injuries suffered in a spill yesterday.

Richards, who at 50 years of age has ridden more winners than any other jockey in history, was knocked out for 30 minutes when his horse, Misty Night, fell during the running of the Devize Handicap.

Doctors said Sir Gordon suffered a severe concussion. "He really had a bad knock," a hospital spokesman said. "Complete rest and quiet are essential. He might—and I emphasize might—have to rest and not ride for a fortnight. No bones are broken but he has some bad bruises."

Chicago Gloves Titlists Face Europeans Tonight

CHICAGO (U)—Europe's 10 amateur boxers, rated the strongest overseas team since 1948, tonight face Chicago's Golden Gloves champions in the 17th international bouts.

A crowd of more than 12,000 is expected at Chicago Stadium to watch the well-balanced European squad bid for its first victory in Chicago since 1939. The 1948 team tied with the Americans.

The top invading amateurs represent eight countries, England, France, Ireland, Scotland, Belgium, Norway, Finland and Morocco. They will engage the experienced American team in 10 bouts.

The feature bout may be between fight heavyweight Bjarne Lingas of Oslo, Norway, and Orville Pitts, veteran Golden Glove, who is in the Air Force and stationed at Bellefontaine, Ohio.

Frank Cooper, Dublin detective, is coach of the European squad and confident of victory. His Irish team defeated the 1952 touring Chicago Golden Gloves in Ireland 6-4, while French, Italian and German teams tied with the Americans.

Bruce Wells, highly regarded light middleweight from England, is captain of the overseas team.

Tourney Opens Top-Seeded June Stack Advances in Net Test

Hamtramck's June Stack, top-ranked player in the Michigan Open Tennis Tournament for girls 16-18 years at Kingswood School Cranbrook, was the only seeded entrant to see action in yesterday's opening round of play.

Miss Stack eased past Barbara Madden of Ferndale, 6-0 and 6-0, in 1st round action. She will meet Kingswood's Martha McDonald, who yesterday eliminated Janet Gangler of Detroit 6-1 and 6-1, in tomorrow's competition.

Eleven matches were played yesterday, and five others resulted in forfeitures.

Wednesday's results:

June King, Northville, def. Cathy Benis, Kingswood, 6-1, 6-0; Jerry Carter, Kingswood, won by default over Linda Craig, Ferndale; Darnelle Evers, Hamtramck, def. Margie Van Duyn, Kingswood, 6-3, 6-1; Louise Sherriff, Kingswood, def. Georgian Pearce, Rochester 6-1, 6-1; Ellen Cohen, Detroit, def. Sheila Thorpe, Kingswood, 6-4, 2-6, 7-5; Jane Romney, Kingswood, def. Sharon Carter, Ferndale, 6-4, 6-0; June Stack, Hamtramck, def. Barbara Madden, Ferndale, 6-0, 6-0; Martha McDonald, Kingswood, def. Janet Gangler, Detroit, 6-1, 6-1; Virginia Dykes, Hamtramck, def. Louise Martin, Kingswood, 6-2, 6-4; Ann Rutledge, Detroit, def. Judy Erika, Kingswood, 6-4, 6-4; Ann Osborn, Kingswood, def. Kathy Schuster, Ferndale, 6-7, 7-5; Sue Bergdahl, Kingswood, won by default over Cynthia Lister, Grosse Pointe; Ellis Hauser, Kingswood, def. Joanne Noecker, Rochester, 2-6, 6-3, 6-2.

SECOND ROUND

Jane McKenna, Kingswood, won by default over Ann Murphy, Grosse Pointe; Gayle Smith, Kingswood, won by default over Marjorie Murphy, Grosse Pointe; Joy Stanton, Kingswood, won by default over Sue Crosby, Toledo, O.

As members of the army team, the boys are training for the June 25-27, 72-hole test in Japan. They also expect to play in the summer Japan Open tourney, and hope to be home by Christmas.

During the summer of 1952, the boys were caddies at Tam O'Shanter club, Ben Lulu of the club's pro staff recalled them as "nice golfers . . . enthusiastic players who are capable to shooting in the middle 70s."

WESTBURY, N.Y. (U)—Another attempt was to be made today to settle the dispute between horsemen and Roosevelt Raceway.

The horsemen, represented by the Standardbred Owners Assn., have threatened a strike unless Roosevelt agrees to an increase in purse distribution, which under the present schedule amounts to about 25 per cent of the mutual take.

The track is scheduled to open Monday with entries for the opening night due today.

Don Miller, executive vice president of the U.S. Trotting Assn., met yesterday with representatives of the track and horsemen but no agreement was reached.

Yonkers Raceway, now in operation, recently agreed to a 32 per cent distribution after horsemen refused to enter their horses and shut down the track for one night.

Kelley has collected 10 hits in 20 turns for .500, according to Big Ten statistics released today. Ray Collard, of league-leading Michigan State dropped from 1st to 2nd with .400. Minnesota's Gene Steiger is 3rd with .395 and Purdue's Joe Sexton 4th with .389.

Ed Lindsey, Iowa pitcher-outfielder, leads the sluggers with 31 bases on 14 hits.

Old-Timers to Drill

Old-Timers' baseball team will hold a practice Sunday morning at 10 o'clock at Washington Junior High School's athletic field.

Campanella's Injury Brings Pause in Catching Battle With Berra; Their Records Very Similar

NEW YORK (U)—The hot catcher's battle between Yogi Berra and Roy Campanella, one of the warmest affairs we've seen in some time, now comes to a pause while the Dodger star recovers from a hand operation.

Yogi can keep firing, but Roy faces weeks of inactivity. These are the two best catchers since Bill Dickey and Mickey Cochrane left the scene. Cochrane and Dickey were the two best I've run across. They were only crowded by Johnny Kling and Gabby Hartnett.

Berra and Campanella have been running neck and neck for six years. Berra broke in with the Yankees in 1946, but he only played seven games that season.

Campanella reached Brooklyn in 1948. From 1948 on through to the present campaign the two have had one of the closest battles fans could ask for.

In seven years, up to the 1954 campaign, Berra has batted .295. In six years with Brooklyn, Campanella has batted .292. In his seven years

with the Yankees Berra has smacked 158 home runs—Campanella has 158 to his credit. Berra has driven in 665 runs, Campanella is credited with 563.

There has been a general opinion that Campanella has been well ahead in home runs and runs driven in. It is generally forgotten that Campanella has known only two years above the .300 brand. Campanella's best mark was .325 in 1951—Yogi's .322 in 1950.

Both have been fine catchers and useful people to have around. Berra, having emerged from a slump, is now on his way to another big year. Campanella, held in check by a bad hand, got away to his worst start this season and he will still be out for many weeks.

If Berra has a good year he can get a big jump on the Dodger catcher. Unfortunately, as George M. Cohan once wrote—"It's not what you used to be—it's what you are today."

Campanella will have to have a blazing finish to keep Berra company for 1954.

Kaline's Single in 9th Beats Over a Page

By JOE FALLS

DETROIT (U)—The Detroit Tigers won yesterday's game last year.

Confused? So are the Philadelphia Athletics.

Tigers nudged the A's 4-3 on Al Kaline's run-scoring single in the bottom of the 9th inning, but there

an intriguing story behind the rookie's game-winning hit.

This was the situation:

With the score tied 3-3, the Tigers filled the bases without a hit in the 9th. That brought up Kaline to face Alex Kellner, Philadelphia's starting pitcher.

In what seemed like sound strategy, the A's replaced Kellner, a

lefty, with Ed Bertschy, a right-hander. It was a fatal mistake.

"He throws nothing but curve balls," Bill Tuttle, next Tiger hitter, whispered to Kaline. "That's all he threw when we played against each other in the International League last year."

Kaline walked up to the plate and, on Bertschy's first pitch, he rifled a single between short and third to score the winning run. "Bill was right," Kaline said. "He threw me a curve and I was ready for it."

This "secret" leaked out in the Tigers' dressing room after the game.

"My, oh, my, don't ball players ever change," grinned general manager Muddy Ruel later in the evening. "We should have kept it quiet about Bertschy. We'll be playing the A's again."

The Tigers won't be playing anybody today. It's an off day. Starting Friday, however, they will open a three-game series in Briggs Stadium with the Chicago White Sox.

Fred Hutchinson, Tiger skipper, has named Billy Hoft, Ned Garver and Steve Gromek—in that order to face the White Sox in the Friday night-Saturday-Sunday set.

Ralph Branca opened for Detroit yesterday but pitched only 1-1/3 innings. He was followed to the mound by George Zuverink

and, on Bertschy's first pitch, he rifled a single between short and third to score the winning run.

"Bill was right," Kaline said. "He threw me a curve and I was ready for it."

This "secret" leaked out in the Tigers' dressing room after the game.

"My, oh, my, don't ball players ever change," grinned general manager Muddy Ruel later in the evening. "We should have kept it quiet about Bertschy. We'll be playing the A's again."

Braves Win JH Title

By BILL MARTIN

Washington won three 1st places and scored heavily in five other events yesterday afternoon at Wisner Field to win the Suburban Junior High League track meet for the 3rd straight year.

Braves piled up 52 1/2 points to win. Jefferson was 2nd with 41 1/2, followed by Eastern's 18, Waterford's 10 1/2, Lincoln's 8 1/2 and Weaver's 3.

Two conference records fell during the competition.

Most spectacular performance was turned in by Washington's Alex Barge, who cleared 5 feet 10 1/2 inches to better his own record of 5-7 1/2 set last year. Barge's remarkable leap also erased the Wisner Field record of 5-9 1/2 set by another junior high performer, Gene Lawson of Jefferson, earlier this season.

Barge also placed 2nd in the 100-yard dash and broad jump to tie with Jefferson's Archie Brooks for the individual scoring honors in the meet. Brooks won the 75-yard dash and low hurdles and placed 3rd in the broad jump.

The 2nd new record was registered in the quarter-mile relay, won by Jefferson in 50.1 seconds. Former mark was 50.2, set by Jefferson in 1951. Washington finished 1st in the relay in 49.3 seconds, but was disqualified when a runner stepped out of his lane on a baton exchange.

The only other double-winner was Jefferson's Jim Hawkins, who finished 1st in the 100-yard dash and broad jump.

HIGH-FLYING JUMPER—Washington's Alex Barge is shown above clearing 5 feet 10 1/2 inches in the high jump to set a new record during yesterday's Suburban Junior High League track meet at Wisner Field. The remarkable leap erased Barge's own record of 5-7 1/2, set last year, and helped Washington win the meet for the 3rd straight year.

Miner's Lamp Will Carry Olympic Fire

SYDNEY, Australia (U)—The Olympic flame for the 1956 games will be flown to Australia in a miner's lamp. E. G. Holt, technical director of the organizing committee said today.

Runners will carry the torch from Olympia to a Greek airport where it will be transferred to a miner's lamp and flown to Darwin, Holt said.

From there, about 1,800 runners will carry the flame down Australia's east coast to Melbourne.

Host Ends 37 Years in Employ of State

Thirty-seven years of state employment came to an end last week for Richard Host, fish culturist at the Drayton Plains Fish Hatchery.

Host had been at the Drayton hatchery since 1942. He had worked at a half-dozen hatcheries throughout the state since starting at Comstock Park near Grand Rapids.

He will return to Grand Rapids to live, and plans to spend most of his time remodeling a building he recently purchased there.

Sports Briefs

PARIS — Second-seeded Tony Trabert of Cincinnati eliminated Jacques Malosse of France, 6-2, 7-5, 6-4, and gained the second round of the French International tournament.

RACING

BOSTON — Wise Margin (\$24.80) scored a nose victory over Find in the 20th Massachusetts Handicap at Suffolk Downs.

CAMDEN, N.J. — Royal Note (\$6.00) won the \$15,000-added Cherry Hill Stakes at Garden State Park.

NEW YORK — High Voltage (\$3.70) captured the National Stallions Stakes at Belmont Park.

INGLEWOOD, Calif. — Miz Clementine (\$3.80) won the \$16,375 Godee Girl Stakes at Hollywood Park. Jockey Johnny Longden rode his 4,000th winner.

Yank Stars Are Fined for Rows With Umpires

CHICAGO, May 19 (U)—Two members of the New York Yankees have been fined for runs with umpires during the Yanks' current road trip.

It was disclosed tonight \$25 fines have been assessed against Coach Frank Crosetti who was bounced by Hank Soar at Baltimore Sunday and against Gene Woodling for an argument with Ed Runge at Cleveland last Tuesday night.

Ohioan Picked by Birmingham

Carl Lemle of Toledo Named to Maples' Grid Coaching Post

Replacing Vince Seconline, retiring Birmingham high school football coach, Carl Lemle of Toledo will assume head coaching and teaching duties Sept. 1.

Lemle graduated from Toledo Scott in 1944 where he served as quarterback for four years. He attended Ohio State and the University of Toledo and had four years of college football.

His coaching experience was attained at Port Huron high school as backfield coach under Bob Hayes for four years; one year at Toledo, Waite; and one year as head coach at Holland, Ohio. His war service was spent in the navy.

Mr. Lemle is currently enjoying a perfect coaching record as a head coach. Last year his team won 9 games and lost none. Carl has a master's degree, is married, and has two children.

East Detroit Trackmen Easy for Birmingham

Birmingham High School's track team rested many of its standouts for Saturday's state meet, but had more than enough strength to rout East Detroit, 73 1/2-34 1/2 at Pierce Field.

John Appleford won the 220 and tied for 1st in the high jump for the Maples. Birmingham took eight firsts.

Loser Is Army-Bound

Fiore Ends Unbeaten Record of Jed Black, Hopes to Meet Ranking Welter

By JOE FALLS

DETROIT, May 20 (U)—Cy Crisel is a reasonable fight manager, which is something of an oddity.

His better from Brooklyn, Carmine Fiore, scored a unanimous 10-round decision last night over Jed Black of Janesville, Wis., and not once—no, mind you—did Crisel clamor: "We want the champ next!"

He merely said: "Maybe now they'll rank my boy."

This refreshing twist followed an impressive performance by Fiore, who is unranked among the welterweights. Using a solid left, he twice floored Black for eight counts to pile up an impressive margin on the cards of all three officials.

It was Fiore's eighth straight win and ended Black's string of 27 fights without a defeat.

The Army-bound Black was surprised by a wild left in the third round. He was up at the count of two, ready to go, but referee Jackie Swartz said, no, you must take a mandatory eight count.

Baltimore Still Trailing Braves' Attendance Mark

BALTIMORE (U)—Transfer of the St. Louis Browns to Baltimore has paid off in attendance in the first 15 home dates, but the Orioles still trail Milwaukee's home attendance mark, both last season and this.

The Orioles in their first two home stands drew more paid admissions than the Browns did in St. Louis all last season.

Last night's attendance of 29,722, boosted the total to 318,679. The Browns played before only 297,238 all of 1953.

But the Baltimore total left something lacking for Oriole partisans who vowed when the franchise was switched here last fall to beat Milwaukee's million-plus home attendance in 1953, its first year in the National League.

Even this season, with some of the novelty worn off, Milwaukee has drawn 324,615 for its first 15 home dates. That's 11,217 less than the number who saw the Braves play their first 15 games at home last season, but the total is 5,936 better than Baltimore's figure.

The Orioles have responded to the enthusiastic rooting by winning

Oddest Golfing Tourney Is Tour in S. America

By HUGH FULLERTON JR.

NEW YORK (U)—Talk about long putts, how about one clear across the equator?

That's one gimmick in the oddest tournament yet devised, a "golf around South America" handicap event. The tour, being organized by Harold Dawson of the Southern California Golf Association, will begin in Mexico City, Oct. 2.

Players will shoot full 18 hole rounds on nine of the best Latin American courses, but only two holes of each round will count in the tournament. Winner will be the one with the best 18-hole net, using the handicap on the last day of the tournament.

The inter-hemispheric putts will be made on the Quito, Ecuador, Golf Club, where it's possible if you don't over-shoot the green.

Rides 4,400th Winner

INGLEWOOD, Calif. (U)—John (Moneybags) Longden has ridden his 4,400th winner.

The 44-year-old Longden reached that milestone yesterday at Hollywood Park aboard Real Hope in the fifth race. Johnny has been riding for 27 years and has ridden more winners than any jockey in the world except England's Sir Gordon Richards.

nine and losing seven at home.

The weather for the Orioles' first 15 home dates was anything except conducive to big turnouts. It rained on more than half the dates and only two occasions, last night and Sunday when 46,796 attended, resembled baseball weather.

Moose, Tool Nines Winners in City League

Softball Squads Post Extremes in Scoring in Wednesday Play

Extremes in scoring marked Wednesday night's City Softball League action at Northside Park.

Moose edged Drive-In Cleaners 4-1 behind the 3-hit pitching of veteran hurler Pete Mihay, while Forster Tool blasted Louie's Tavern 20-6 in a 23-hit slugfest.

Mihay struck out 10 and issued no bases on balls while winning his victory. First baseman Ernie Mann led hitters with two hits in three trips.

Forster's York lashed out four doubles in five appearances to spark his team's triumph.

Tonight's league games will be played at Beaudette Park, with CIO 594 taking on Drive-In Cleaners at 7 p.m. and GMC meeting Birmingham Riteaway at 8:30 o'clock. Shaw's Jewelers will play an exhibition double-header with two city league teams at Northside, starting at 7 p.m.

Moose . . . 202 200 2-4 4-1
Drive-In . . . 200 201 6-1 4-1
Mihay and Fritchard; Alderson and Keop.

Errors Help Spartans Wallop Tartars' Nine

DETROIT (U)—Michigan State, battling for the Big Ten baseball title, capitalized on three errors yesterday to trim Wayne University 6-2 in a non-conference game.

Spartans, who now have a 15-9 overall season record, combined two hits and a walk with Tartar miscues for three runs in the 4th inning.

State added single runs in the 5th and 6th innings, capping scoring in the 7th on a bases-empty homer by outfielder Dan Brown.

It's Time Out!

"Well, I wondered when you brought those things home and said the fans gave you a day today!"

...ME OVER PAGES Business Briefs

LIGHTEST JEEP—The new all-terrain vehicle is lighter than the famous standard Jeep at Aberdeen. It weighs 1500 pounds, about 1200 pounds less than the standard "Jeep" and can easily be airlifted by helicopter. The new lightweight vehicle is 100 inches long, 60 inches wide, and has 85 per cent interchangeability with the standard manufacturer.

Supervisors More Cour

Fred W. Smith ways and means committee chairman asked for \$3,300 for three temporary workers to help the county clerk's staff re-register 16,500 assumed names. Local people and companies worked under assumed names must register every five years.

Supervisors passed a new employees' life insurance plan which will let workers who quit before turning 65 get back the money they've paid in for group life insurance—or stay on the insurance company's books and let their survivors get it at death.

The board decided to ask Michigan Conservation Department to give it title to 30 feet of lot 74 Union Lake Subdivision for an easement to make sure the county can keep up the Maynard Drain. The board told its road com-
