

Irons Drops One-Third of Department

Blast Reported at Start of Blaze

Pontiac Press Photo

FILLING STATION GUTTED—Still smoking after Pontiac firemen fought flames almost an hour Thursday afternoon, Dickie's Service Station, 200 S. Telegraph Rd., was gutted during a fire which caused an estimated \$6,325 damage. Firemen had to make a second call to the station about two hours after the first fire to extinguish a blaze which broke out near the chimney, according to Lt. Joseph Beach of Station No. 1. Although cause of the fire has not been determined, witnesses said they heard an explosion inside the station and saw flames shooting out windows of the building.

Balmy California, Huh?

Sulking Chrysanthemums Imperil Pasadena Parade

PASADENA, Calif. (AP)—A windstorm and cold snap has left southern California's chrysanthemums sulking—causing a crisis in the decoration of Tournament of Roses floats.

Virgil White, chairman of the parade float decoration committee, said that 80 per cent of the flowers used are chrysanthemums.

Seek Trucker in Bog Death

Woman's Companion in Bar Sunday Is Sought by Sheriff's Deputies

A truck driver who Oakland County sheriff's deputies believe was the last person to see Mrs. Ruth J. Trenary, 41, of 8080 Lozier, Van Dyke, alive, is being sought for questioning today in the woman's death.

Mrs. Trenary's partly frozen body was found Wednesday by three Redford Township youths while they were hunting in the state-owned park area near Gale road in White Lake Township.

Fingerprints taken from the body yesterday by Deputy James Rohm and checked in Lansing by Michigan State Police Detective Charles Leavelle of the Pontiac Post identified the (Continued on Page 2, Col. 5)

State Closes Books on WW II Bonuses

LANSING (AP)—After a last long and frantic day, state officials finally closed the books on the payment of bonuses to veterans of World War II.

December 30 was the last day the veterans could file claim for the bonus.

Hundreds of telephone calls were received on the last day, about 75 claimants appeared in person and office hours were extended to take care of stragglers yesterday.

Officials in the adjutant general's office again asked that it be emphasized that no machinery has been set up as yet for payment of the Korean veterans bonus.

Although the bonus for Korean veterans has been approved by the voters, applications can not be received until the legislature gives formal approval.

Case All Sewed Up

TOKYO (AP)—A tailor here puzzled competitors by underselling them consistently. Police sewed up the case today. They said he stitched his cut-rate suits from cloth snatched from other tailor shops.

Raggy's Entire Stock of Dresses Now Selling at 50%.

Pontiac Output Sets New Mark in December

Build 48,500 Units in Biggest Month; Pace Higher for January

"A total of 48,500 new Pontiacs came off the assembly lines during December," R. M. Critchfield, GM vice president and general manager of Pontiac Motor Division, said today.

This is the highest single-month production record in the history of the division. The previous high production month was June 1950, when 47,182 Pontiacs were produced.

"Customer orders have come in at a fast rate since announcement of the 1955 line and are still running ahead of our production," Mr. Critchfield stated.

"Our dealers have already delivered approximately 30,000 of the 1955 model Pontiacs and the recent rush of business during Christmas has reduced their stocks to an abnormally low level.

"At the end of December, the national average new car stock was less than two cars per dealer."

Critchfield said daily production rate would be higher during January than December and predicted approximately one-half million Pontiacs would be sold in the 1955 new car market.

Smashup Kills Local Teacher

Josie L. Steward, 57, Dies as Car Rams Tree Off U.S. 10

Josie L. Steward, 57, of 77 Fairgrove Ave. died this morning when her car slammed head-on into a tree off U.S. 10 in Groveland Township.

Oakland County Sheriff's Deputies Herbert Cross and Don Vogt speculated that Miss Steward, a Utica school teacher, either had a heart attack or fell asleep at the wheel of her southbound auto. The pavement was dry.

Her body was found about 3 a.m. behind the wheel of her car by Ervin Petty of 31047 Florence, Garden City, a truck driver.

Cross said the car's motor was cold when he arrived at the scene, indicating that Miss Steward probably had crashed into the tree at least one hour before she was found by Petty.

Dr. Isaac C. Prevette, deputy Oakland County coroner, pronounced the woman dead at the scene, of a fractured skull and internal injuries.

The body is being sent from the Sparks-Griffin Funeral Home to the Edwards Funeral Home in Bear Lake, this afternoon.

Make Up for New Years

DETROIT LAKES, Minn. (UP)—Harrison Brown and August Tommerdahl were brought into court yesterday on charges of fighting. When Brown said he couldn't pay the \$5 fine, Tommerdahl paid both fines so they would be able to celebrate New Year's properly.

Ike, Mamie to Greet '55

AUGUSTA, Ga. (AP)—President and Mrs. Eisenhower will see the New Year in at the Augusta National Golf Club tonight.

Romance Ends

REVEALS RIFT—Gloria Vanderbilt Stokowski, whose marriage to the symphony conductor Leopold Stokowski created a sensation nine years ago, pauses on arrival at the Alvin Theater in New York last night after an earlier announcement that she and her 67-year-old husband have separated. The 30-year-old heiress with her two sons moved from the Stokowski apartment last Monday.

New Year Opens Slightly Warmer

Predict Rain or Snow Over Weekend With Rising Mercury

With slight rise expected in temperatures tomorrow, the New Year may bring weather several degrees above normal in its first week. Normal temperatures in this area range between 20 and 37. The five-day forecast is readings averaging 3 to 5 degrees above normal.

Sunday and Monday will be colder, and Wednesday warmer. Precipitation may total near an inch in rain or snow tomorrow and Sunday and again Tuesday or Wednesday.

The low tonight will be 28 to 30 degrees with a 34 to 38 high Saturday.

Temperatures in downtown Pontiac yesterday ranged from a low of 26 to a high of 34. Today at 8 a.m. the mercury stood at 26 degrees, rising to 30 by 1 p.m. Heavy storms that hit this area Wednesday night and early Thursday caused two deaths and many traffic tie-ups, but didn't do much toward making December the wintry month it usually is.

Although over two and a half inches of sleet and snow fell on Pontiac on those two days, they brought the month's total to only 6.15 inches, quite a bit short of the normal monthly average of 8.4 inches.

Despite a warm spell toward the end of the month, the monthly mean was a little colder than the norm of 29.45. This month it was 27.7 degrees.

December's lowest temperature was a far cry from the all-time record set at 24 below zero in 1872, with the low this year at 4 degrees above zero on the 20th.

The month's high of 47 on the 26th also failed to reach the record, 65 in 1875.

No really heavy snow storms hit the area this year, the biggest one being the 2.58 inches on the 29th. In 1929 the all-time record for a 24-hour period was set when 12 inches fell on that day. Last year during December the biggest snowfall of the month was 3.99 inches.

America Gives Paris Decision Cautious Praise

Mendes-France Turns to the Task of Pacifying Irate Moscow

From AP and UP Dispatches
WASHINGTON—American officials tempered a sigh of relief with a cautious look to the future today after the French Assembly's belated approval of West German rearmament.

President Eisenhower, vacationing at Augusta, Ga., expressed "great gratification" at the Assembly's 287-260 vote yesterday reversing its decision last week to reject the rearmament plan.

But he said further steps must yet be taken before Allied plans for integrating West German troops with free world defenses can become a reality.

Secretary of State Dulles took much the same tack, calling the French vote "a good augury" but reminding that further parliamentary steps lie ahead.

The French Council of the Republic, its upper house, still must act, but little difficulty was expected there.

In Paris, Premier Pierre Mendes-France turned today to the task of pacifying Moscow which denounced French ratification of the German rearmament pact as an aggravation of the danger of a new war.

Mendes-France, bone-tired after a 11-day parliamentary crisis that threatened his government and the Western alliance, sought a Big Four meeting with the Soviet Union as a means of easing international tension.

The decision to rearm Germany was an agonizing one and it left France deeply divided.

After the vote, the Assembly sat in dead silence, appalled at the (Continued on Page 2, Col. 3)

Brennan's Appeal Comes Up Tuesday

LANSING (AP)—Circuit Judge Louis E. Coash of Ingham County will consider next Tuesday whether the State Judges Retirement Board should be forced to cancel the retirement of Circuit Judge Vincent M. Brennan of Detroit.

Brennan, who resigned from the bench Oct. 19 and asked to be placed on pension, attempted unsuccessfully yesterday to persuade the board to let him withdraw the retirement.

Balked, he immediately appealed to the Circuit Court for a writ of mandamus.

Applying before the board, Brennan conceded he had been guilty of excessive drinking, but promised to sign a five-year pledge if he were allowed to continue as a judge.

Brennan said through his attorney that he intended to stay on the bench and hear a case Monday, pending a decision of the court.

New Undersheriff

ELMER L. McQUERN

Elmer McQuern Is Appointed as Undersheriff

New Sheriff Promises to Put 10-Point Plan Into Effect

Oakland County Sheriff-elect Frank Irons today announced that 20 deputies would be dismissed from the present 60-man staff and at the same time appointed Elmer McQuern, presently a sheriff's detective, as new undersheriff.

The new sheriff who replaces Clare L. Hubbell tonight at midnight, praised McQuern for his "long and loyal service as an honest lawman."

McQuern, 60, of 305 Pontiac Trail, Walled Lake, came to that village from Ohio in 1920 and in 1921 was appointed a special deputy. He became a full-time law officer in 1926.

The new undersheriff replaces Donald O. Menzies, 46, of Clarkston, who today completes 28 years of public service in Oakland County. Menzies became a deputy in 1926.

Irons also announced that 20 members of the 60-man department would be dismissed, and two others said that they were leaving for other employment.

A 10-point program listed by Irons during his campaign will go into effect tonight, Irons said.

The new sheriff will be sworn in at ceremonies at the Oakland County Jail conducted by County Clerk Lynn D. Allen.

The 10-point program is:

1. Better patrol car service in the unincorporated areas.
2. A new filing system in connection with civil papers and criminal warrants.
3. A complete new plan to furnish drivers' licenses to those who do not reside in cities and villages.
4. Create a Juvenile Division of the Sheriff's office.
5. A more careful investigation of cases before appearance in court.
6. Closer cooperation with Michigan State Police.
7. Keep full reports of damage to all Sheriff's cars.
8. Personal attention by the Sheriff in the investigation of all major cases.
9. No officers will be allowed to frequent places where liquor is sold except in line of duty.
10. Better assignment of patrol cars on main highways on Sundays and holidays and other times when there is heavy traffic.

Five or six new employees will be brought to the department tonight, Irons said, and personnel losses will be replaced gradually.

(Continued on Page 2, Col. 3)

Drunk Drivers Warned Again

New Year's Revelers to Be Closely Watched by Police Agencies

Realizing that New Year's Eve revelers will have two extra hours to imbibe in nightclubs and bars, law enforcement agencies here today repeated the warning: Drunk drivers go to jail.

In Pontiac, 12 to 15 cruisers will patrol the streets, and in addition to the regular night shift, 16 reserve officers will patrol beats.

Oakland County sheriff's deputies will maintain usual weekend patrols, but the State Police will extend their tours of duty to provide for more patrolling after midnight.

Thanks to the usual New Year's Eve dispensation of the State Liquor Control Commission, liquor selling establishments will remain open until 4 a.m.

The three police agencies issued a plea for persons who have been drinking to get a ride from somebody, arrange for someone who hasn't been drinking to drive, or to take a cab home.

The comment of Capt. Clark M. Wheaton, of the Pontiac Police Dept., typified the feelings of the three departments:

"We want people to have a good time, but we don't want anybody to get killed."

Industry and commerce is scheduled for a complete shutdown New Year's Day.

Savage Bulldogs Rip Arms, Legs of Youngster, 8

SPARTANBURG, S.C. (AP)—Two big, savage bulldogs leaped on an 8-year-old boy yesterday and chewed his arms and legs "down to the bone." It took nearly 150 stitches to close the wounds.

Roger Stokely was in General Hospital today, and his mother Mrs. Thomas K. Stokely said doctors "don't give us much hope for one arm and leg." Doctors said the arm muscles were torn badly and that on the left leg both muscles and skin were "just gone."

Roger was attacked while on an errand to the home of a neighbor, Gene O'Sullivan, owner of the dogs. The families live at Wellford, nine miles west of here.

Mrs. Estell Gosnell, Roger's grandmother, said she heard the boy's screams and rushed to his aid, managing to beat off the dogs.

Police said they do not plan any charges against O'Sullivan pending the outcome of the boy's condition. The dogs, which have current rabies immunization, were ordered confined 10 days for observation.

British Cut Debt by \$137 Million

Make Annual Payment on World War II Loans From America

WASHINGTON (AP)—Britain arranged to make an annual payment of \$137,845,431 today to cut down its multibillion-dollar post-World War II debt to the United States.

With this installment, Britain's indebtedness to this country would be cut to \$4,584,000,000 from a post-war high of \$5,217,000,000.

Of this payment, some \$6 million was earmarked to cover interest and \$4 million principal.

The payment, a draft from the Bank of England to the Federal Reserve Bank in New York, will apply on a 3½-billion-dollar loan extended in 1946 to spark Britain's postwar recovery. Britain has until the year 2001 to repay it.

However, the British also owe the United States some \$7,783,000,000 in World War I debts. These are in default. The last payment on them was made Dec. 15, 1933.

But the British have promptly made payments on each of their World War II obligations.

In addition to the loan payment to be made today, the British also arranged to turn over 4½ million dollars to cover interest on 382 million Marshall Plan loans extended since 1948.

New Year's Modern and Square Dance, 8 to 10 p.m. Hotel, Walled Lake Pavilion.

Raggy Has One Group of Dresses formerly to \$10.00 Now \$5.00.

City Churches Will Mark Start of New Year Tonight With Prayer and Communion

Pontiac churches will see the New Year in tonight with services of prayer and Holy Communion.

The Oakland Ave. United Presbyterian Church is planning a two hour program to welcome the New Year. Beginning at 10:30 p. m., friends and members of the church will meet in Fellowship Hall for a social hour.

At 11:30, the Watch-night Service will be held in the Sanctuary with the observance of the Sacrament of Holy Communion. At this service, the Rev. Theodore R. Allebach, pastor, will preach on "Re-kindling the Lights of Yesterday."

The Rev. Edmond Watkins, pastor of the Joslyn Ave. United Presbyterian Church, announces that the recreation hour there will start at 8:00 p. m. The film, "Reaching from Heaven," will be shown and a light supper served. The evening will conclude with prayer at midnight.

Christ Church Cranbrook will hold a Watch-night Prayer Service at 11:45 p. m. in St. Dunstan's Chapel.

A Prayer and Praise Service will be held from 10 p. m. to midnight by the members of the First Wesleyan Methodist Church, according to the Rev. Claude D. Friess, pastor.

The Watch Meeting of the Newman AME Church will start at 10

p. m. with music by the senior choir. The R. W. Hoover, assistant pastor will preach.

The New Year's Eve program at Christian Missionary and Alliance Church will commence at 9:30 p. m. with Paul Hazlett, chairman. Twelve students from colleges and Bible Institute will plan the entertainment and worship period.

"Looking to Christ" will be the subject of the sermon by the Rev. Geo. J. Mahler at the St. Paul Lutheran Church on Joslyn avenue. The service will begin at 7:30 p. m. with a Communion service at midnight.

The regular church service will be held at Grace Lutheran Church tonight at 7:30 according to the Rev. Otto G. Schultz.

A social hour will begin the New Year's Eve program at the First Baptist Church at 9 p. m. The devotional hour will be at 11 p. m. followed by the Service of Holy Communion.

Capt. Vernon Vio of the Salvation Army states the evening program, Friday, will start at 8 and continue through 12 midnight. There will be a social hour followed by prayer.

The Marimont Baptist Church members will meet at the church from 9 to 12 p. m. New Year's Eve. The first hour, "Regions Beyond" the prize winning missionary film of 1951 will be shown. The Fellow-

ship Hour will be from 10 to 11 p. m. and the Watch-night Service will then be held to greet the New Year.

The committee in charge of planning the evening consists of Mrs. Kathryn Stephens, Mrs. Barbara Smith, Bert Bexell and Ed Lundeen. Readings and music will be a part of the evening planned for the First Methodist Church beginning at 8 p. m.

The Rev. Paul Havens, pastor will show a film of the Pontiac Christmas Parade. The sound film, "Hidden Treasures" in color will also be shown. A social hour will follow with refreshments. The group will then hold a worship hour in the sanctuary with Holy Communion.

The Rev. Easton Hazard of Wilson Avenue Methodist Church announces the Youth Fellowship will be in charge of the recreation hour between 9 and 10 New Year's Eve. This will be followed by refreshments. A prayer service will then be held at 11 p. m. in the church until midnight.

A religious service will be held at the Liberty Baptist Church from 8 p. m. through 12 midnight tonight. The Rev. S. M. Edwards, pastor of the church, will preside and preach the sermon.

Pastor Gordon Behnke of the Holy Cross Lutheran Church, Oxford will preach New Year's Eve at 7:30 at the St. Trinity Lutheran Church. This will be followed by a Communion Service.

(Continued on Page 2, Col. 1)

Police Warn of Crackdown on Drunk, Reckless Drivers

From Our Birmingham Bureau
BIRMINGHAM — Some last-minute words of warning before the holiday weekend came from Police Chief Ralph W. Moxley yesterday, who said his department is cracking down on persons guilty of drunk and disorderly conduct, reckless driving, and other cases of that nature.

"It is no secret, that the week between Christmas and New Year's is one of the worst, accident-wise," he commented. From that standpoint Birmingham has been fortunate for the last several years, said Moxley.

He added that the December accident record is not computed yet, but said, "From the looks of things, it isn't good."

Motorists were especially cautioned by Moxley, for while pedestrians are often to blame, a careful driver can prevent many mishaps, he said. Unfortunately, mostly dark clothing is worn at this time of year, Moxley continued.

"Also, the hours of darkness are

much longer now, and pedestrians are bound to walk into a street from between parked cars. Why, only last week we picked up a man who had been drinking heavily, as he walked down the middle of Hunter Boulevard."

Those shifty new Christmas skates may get a workout this weekend if the weather man comes through with temperatures as scheduled. Vain attempts were started by the Department of Public Works last week at the five rinks operated by the recreation board.

Board officials say "catch-as-catch-can" flooding operations will continue at Booth, St. James, Elton and Poppleton Parks, and Quanton School until February or March.

They ask cooperation, however, in keeping sledding and hockey games for evening hours, when lights are provided.

The Rev. and Mrs. Emil Kontz of the First Baptist Church, will hold open house for the congregation from 3 to 9 p.m. tomorrow at the parsonage.

A busy month saw the Fire Department respond to 37 calls in November. Fire Chief Vernon W. Griffith's monthly report listed an estimated \$603,000 worth of property endangered by fire and set total estimated damage at \$1,450. Eight of the calls made were first aid runs, 17 were silent alarms for fires and fire investigations and 3 were miscellaneous. There were 8 gas investigations and one false alarm.

Vacation activities at the YMCA will conclude tonight with a formal dance from 9 p.m. to 2 a.m. for the Tuesday Night Teen Club. The Y will then be closed until Monday.

In a checker tournament this week, John Coyner defeated Jim Whaley two games to one to retain his championship for the second year. Coyner lost only two games out of 14. Whaley beat Bobby Hill to take the consolation prize.

Elton Park's four new tennis courts will be ready for action next year. City commissioners this week approved the low bid of Pittsburgh Steel Co., for fencing the ends and the center separating the courts. The bid was for \$1,389.

Clear 5 Youths in Howe Slaying

Royal Oak, Waterford Young People Returning From Tucumcari

BIRMINGHAM — Questioning has cleared five youths in the Sept. 12 shotgun slaying here of Doyle Howe, 24-year-old gas station attendant, according to Det. L. Merlin Holmquist. He returned last night from Tucumcari, N. Mex., where the five had been jailed for a gasoline theft. The five were to be returned home today.

Holmquist said he still hopes to gain additional information from one of two girls who were held.

Holmquist and Det. Frank Barkman of the Michigan State Police were sent to New Mexico when Tucumcari police found newspaper clippings of the murder in the purse of Rosemary Anderson, 17, of 2324 Kenneth St., Royal Oak.

Also arrested were Delores Vock, 20, of 4226 Berkshire; Robert Isaacs, 18, of 426 East Kenilworth; Ralph N. Lee, 18, of 585 E. Hudson, all of Royal Oak; and Clifford Moreland, 18, of 603 Waterfront Dr., Waterford Twp.

An AWOL soldier from Ft. Leonard Wood, Mo., Lee was turned over to military authorities. He previously had identified himself as Richard Lee Hartage, whose identification papers he was carrying.

New Year's Day or St. Basil's Day will be celebrated by the Greek Orthodox Church with a morning service from 10:30 to 12 noon.

The Weather

240 Highway Deaths Forecast for Nation

(Continued From Page One)

roads in upper Vermont, New Hampshire, and Maine.

The storm had threatened to add floods to the hazards in the Pittsburgh, Pa., area late yesterday. But rising waters on the Ohio, Monongahela and Allegheny Rivers stopped at 24.5 feet—one tenth of a foot below flood stage—and then began to recede.

Elsewhere in the nation snow and rain hit the Northwest and snow was predicted for Wyoming and Northern Colorado tonight. The temperature nose-dived to nine below zero at Bemidji, Minn., and was zero or below in the Wyoming and Colorado mountains.

The holiday week of violent weather started with mild temperatures and clear roads in most of the nation at Christmas. Even so, a record of 380 Christmas holiday highway deaths was registered. Police forces turned to special strategies to cut the toll this weekend.

SINKING BASE BUILT IN GREENLAND—The Army released this photograph in Washington this week showing a new arctic military installation designed to sink slowly into the soft snow of the Greenland polar icecap. Buildings in foreground are steel tubes 18 feet in diameter. Vertical entrance towers are used. As the buildings sink, new sections are added to the towers to keep them above ice. Buildings are designed to sink several feet a year. Inside are quarters for several score Air Force men operating the weather observation station.

Assembly Approves German Rearming

(Continued From Page One)

agonizing decision it had reached after four years of indecision.

The idea to rearm France's ancient enemy was born in September 1950, when then Secretary of State Dan Acheson proposed the measure to counter rising Communist aggression, then at its height in Korea.

The idea grew and for four years became a cornerstone of American policy in Europe.

Congratulations from the free world poured in on Mendès-France. So did bitter condemnation from the Communist countries which have warned they would set up their own East European alliance to counteract NATO.

President Eisenhower called it a "matter of great gratification."

Britain murmured its relief. West German Chancellor Konrad Adenauer expressed his satisfaction.

But Mendès-France said nothing, not even when Communist Deputy Rose Guerin rose in the Assembly and shrieked: "Assassins! Bandits! Variolous Nazis!"

The sentiments of ordinary Frenchmen and Frenchwomen came from such persons as Mme. Yvonne de la Tour, a movie usherette.

"I think that the rearmament of Germany is a necessary evil," she said.

Andrew Francois, a cafe manager, mirrored the French distrust when he said: "The decision was inevitable, but we must constantly watch the Germans to be sure they do not start another war."

Mendès-France called a Cabinet meeting today to consider the next course of action. He anticipated little trouble in the upper chamber. The major point for consideration today was early talks with Moscow. Moscow became cool to the idea after ratification.

Even without major holdups, it now appeared it might be summer before the Bonn government could begin organizing the 12 divisions of soldiers, the air force of about 1,200 planes and the small coastal navy the plan provides for.

Ratification of the various treaties also remains to be completed in the United States, Canada, Belgium, Italy, The Netherlands, Luxembourg, Greece and West Germany.

West German industry, pulverized by Allied bombs in World War II, will need an estimated 10 years to design and build its own modern combat aircraft.

The first German divisions will not appear for at least 18 months. The first step is a 120,000-man cadre to train other troops — each man of the cadre a potential general. But first the cadre must be trained.

These cadres will come from the more than 150,000 young Germans who already have volunteered for service.

Actress' Remarriage Delayed by Collapse

BEVERLY HILLS, Calif. —

New Year's Eve remarriage plans for Marie (The Body) McDonald and millionaire shoe manufacturer Harry Karl were called off today after the film actress collapsed yesterday from nervous exhaustion and a week-long fever.

Miss McDonald received emergency oxygen from a Fire Department inhalator squad and was ordered to bed.

She and Karl were divorced last Nov. 23. Karl said they will be remarried when Miss McDonald recovers.

Dog Gets False Teeth

SYDNEY, Australia (INS) —

An Australian dog named Lucky has a new set of teeth and, presumably, a new respect for motorcycles.

Lucky's owner had him fitted with false teeth to replace five teeth kicked out by an irate motorcyclist.

Building Bee in Reverse

NOTTINGHAM, England (U.S.) —

Five-year-old Peter Gill got a toy firetruck for Christmas, so he touched a match to his bed to try it out. When the toy truck proved unequal to the task, a real firetruck called by his father did the job.

Pontiac Deaths

Mrs. Leo J. Bramble

Mrs. Leo J. (Bertie) Bramble, 73, of 56 Clark St. died yesterday at the Pontiac General Hospital after an illness of five days.

The daughter of Thomas and Francis Templeton Marsh, she was born in Marco, Ind. Dec. 15, 1881 and was married in Linton, Ind.

Mrs. Bramble had lived in Pontiac 25 years, coming here from Linton.

Three sons, Jessie Edington of Terre Haute, Ind., Clyde of California and James of Pontiac, survive.

Also surviving are two brothers, Frank and Gilbert Marsh who live in Indiana; three sisters, Mrs. Anna Fairchild of Olivet, Mrs. Ora Albert in California and Mrs. Mayme Justice in Indiana.

Funeral arrangements will be announced later by the Pursley Funeral Home.

Robert Downer

Funeral will be held Monday at 10 a.m. from the Hulton Funeral Home for Robert Downer, 55, of 446 Sunnybrook St., Lake Orion.

The Rev. David Martin of the Christian Temple, of which he was a member, will officiate. Burial will follow in Oak Hill Cemetery.

Mr. Downer was born June 5, 1899 in Clare County, the son of Arthur and Anna Stratton Downer, and was married to Della Wagner in Capac July 11, 1923.

Coming to Pontiac in 1918, he lived here on Close St. until moving to Lake Orion three months ago. He was employed by the Pontiac Motor Division.

Besides his widow, he is survived by four children, Richard of Cincinnati, Ohio, Mrs. Lucile Lawson, David and Irving, all at home and five grandchildren.

Also surviving are three brothers, Lee, Prestis and John of Pontiac; two sisters, Mrs. Sidney Miller of Cadillac and Mrs. Axel Johnson of Pontiac.

Mr. Downer died yesterday when his car skidded on the ice near Bald Mountain Rd. and crashed backwards into an empty gravel truck.

Van Doren Smith

Van Doren Smith, 65, of 51 Spokane Dr. died yesterday at his home after several weeks illness.

Born in Jermyn, Pa., July 24, 1889, he was the son of Erastus A. and Elizabeth Miller Smith and was married to Lila Beamish.

Coming to Pontiac from Detroit 25 years ago, he was a member of the Central Methodist Church. Mr. Smith had retired in November. He had been a tool inspector at Pontiac Motor Division.

Surviving are two daughters, Mrs. George Allen of Canyonville, Ore., Janet, at home and three grandchildren. Also surviving are a brother and a sister, Harold of Royal Oak and Mrs. H. G. Dickerson of Idaho.

The funeral will be held Monday at 10 a.m. from the Sparks-Griffin Chapel. Dr. Milton H. Bank, pastor of his church will officiate with burial in White Chapel Memorial Cemetery.

Body Is Returned Home for Burial

PFC Frederick E. Grant, 20, of 2520 Mann Rd. has been returned to his home for burial. He was killed in action in Korea Dec. 9, 1950.

He was born in Highland Park Feb. 26, 1930 and was the son of Clyde E. and Minnie Lucas Grant.

Frederick was a member of the US Marine Corps 1st Div. 7th Reg.

He is survived by his parents and two brothers, S.Sgt. Jack Grant, of Detroit Marine Recruiting Office and M.Sgt. Paul Grant of California.

The funeral will be held Monday at 1:30 p.m. from the Hulton Funeral Home. The Rev. Chester Dundas of the Calvary Bible Church of Centerline will officiate with burial following in Ottawa Park Cemetery.

Guam, largest island in the Marianas chain, covers only 250 square miles.

Seek Truck Driver in Woman's Death

(Continued From Page One)

woman, Mrs. Trenary had arrest records in Lansing and Macomb County for misdemeanors, according to Detectives Elmer McQuern and Leo Hasen.

Troopers identified her further as the former Ruth Janet Hull-horst and said her maiden name was Ruth J. Haag. Records disclosed she lived on East Michigan avenue, in Howell, in 1953 and at 7252 Chalmers in Van Dyke, in 1952.

She was a patient in Newberry State Hospital in 1949.

Mrs. Trenary's body was found in a swampy area on the north shore of Pontiac Lake, and was held in the Pontiac General Hospital morgue for 24 hours while eight to 10 persons viewed the body but failed to identify her as a friend or relative.

Detectives McQuern and Hasen said Mrs. Trenary and the trucker were last seen at a bar Sunday and upon leaving announced their intention to drive to Lansing.

Mrs. Trenary was from a "good" family in Toledo, Ohio, detectives said. Her father is Charles Haag, 75, of Toledo.

Detective Hasen said today that Mrs. Trenary was a housekeeper for Charles Ruppel at the Lozier address in Van Dyke, and was last seen Christmas Day.

"Mrs. Trenary has been using a number of aliases in Michigan," Hasen said.

Cause of death as determined by an autopsy yesterday showed the 5 foot 6, 90-pound woman died of pneumonia, according to Dr. John J. Marra, pathologist at Pontiac General Hospital.

Although her death was from natural causes, Hasen said, deputies are still searching for a reason why she might have wandered or been left in or near the swampy area where she was found.

Legless Boy Fund Increases to \$590

'Christmas was a dark day for Bobbie Dunn, but New Year's Day should be much brighter.

A fund started Tuesday for the 13-year-old, who lost both legs under a freight train Christmas Day, swelled to \$592.20 today.

Several hundred dollars were counted this morning and contributions are still coming in. Besides local donations, money has come from Berkley, Lapeer, Detroit, Romeo, Dearborn and Muskegon.

Amounts range from 50 cents to \$100. Mrs. C. M. Ireland, of 239 N. Glenhurst, Birmingham, donated a wheelchair. Contributions can be mailed to the Bobbie Dunn Fund, care of Mayor, Pontiac, Mich.

Two City Streets Closed for Sewer Construction

Drexel St. from South Boulevard to S. Paddock St., and Laurel St. from First St. to Third St., are reported closed to traffic during a sewer improvement project, according to J. B. Jewell, DPW superintendent.

Jewell said workmen are constructing catch basins on Drexel before curb gutters are installed next year. A combined sewer is being put in Laurel Street. Drexel will be closed less than a week and Laurel isn't expected to be open until the third week in January.

Man Has to Spend 2 Weekends in Jail

Melvin C. Yinglin, 25, of 4712 Hillcrest, Bloomfield Township, will spend two weekends in Oakland County Jail, according to a ruling made yesterday by Pontiac Judge Cecil McCallum.

Yinglin, who Wednesday pleaded guilty to drunk driving, was sentenced yesterday by McCallum to four days in jail. Three of those days will be served this weekend and one next week, McCallum ruled.

Willie Shoemaker, who set a new record with 485 winning races, was the winningest jockey of 1953.

Suspect Faces Assault Charge

Pontiac Girl Accuses Man of Molesting Her, Trying to Kidnap Baby

After interviewing a witness yesterday, Oakland County Prosecutor Frederick C. Ziem today ordered an assault warrant against a man charged by a girl with attacking her and trying to kidnap a baby.

Henry A. Creech, 28, of 3300 Elizabeth Lake Rd., Waterford Township, will be examined on the charge late today or tomorrow in Pontiac Municipal Court, said Ziem.

The girl, Roschell Babcock, 16, who lives with the Max Vaughns at 80 S. Genesee Ave., told police she was wheeling their son, Gerry Leon, 16 months, at Genesee and Huron Tuesday. She said Creech grabbed her, then picked up the child after she pulled free.

A scream from an onlooking woman startled the attacker, the girl said, and she grabbed back the baby. Creech said he touched the girl, but not the child.

A woman questioned yesterday by Ziem said she saw Creech walk away from the girl, but witnessed no commotion. She walked up to Miss Babcock and was asked, "did you see that man try to put his arm around me?" the woman stated.

The baby was resting peacefully in its carriage, the witness said, and added that she had heard no screams.

The assault charge carries a maximum 90 days in jail and a top fine of \$100.

Boys Aided by Tenny Consider Memorial

A group of local persons who received guidance from the late Ross P. Tenny, when they were residents of the Oakland County Children's Home, are attempting to establish a memorial in his honor, according to Director of County Juvenile Service James Hunt.

Well known for his work with youth groups, Tenny was superintendent of the Children's Home from 1929 through '41.

Several persons formerly under Tenny's supervision are trying to contact others in this area to meet and launch a memorial project, Hunt explained. Exact nature of the tribute has not been decided, he added. Interested persons are asked to call either FE 5-9532 or FE 4-6105.

Harold L. Holmes, 20, of 156 Putnam St., is reported in fair condition at Pontiac General Hospital today after he suffered a possible concussion as a passenger in a two-car accident at W. Huron and Williams Sts., early this morning.

He was a passenger in an auto driven by Edward F. Wier, 35, of 2104 Middlebelt, who was issued a traffic violation ticket for driving without an operator's license, according to Pontiac Police.

Driver of the other car, Frank A. Linton, 22, of 1932 Ward Rd., told police that Wier made a left turn in front of his auto. Police said both motorists had been drinking. The drivers are expected to make further statements today. They were not held.

Woman, 63, Is Injured as Car Flips in Ditch

Mrs. Zella Horst, 63, of 4183 Ringle, Akron, Mich., is reported in good condition today at Pontiac General Hospital with rib fractures she received yesterday when the car in which she was riding skidded on icy M-24 near Bald Mountain road and overturned in a ditch.

She was riding with her son, John D., 35, also of Akron, who was not injured.

Several County Officers Will Take Oaths Tonight

In addition to sheriff-elect Frank Irons, Oakland county Clerk Lynn D. Allen tonight will swear in several other officials named in the November election.

Officials and their staffs, who have not previously taken the oath of office, will be present at the ceremony shortly after midnight in the county jail, said Allen.

They include Drain Commissioner Ralph A. Main, Register of Deeds Orrin McQuaid and Prosecutor Frederick C. Ziem. Allen will be assisted by Kenneth VanDerlin, a deputy county clerk.

Dulles May Tell Meeting Plans

Secretary Expected to Attend Bangkok Talks on Asia Defense

WASHINGTON (U.S.) — Secretary of State Dulles may disclose this weekend his plans to meet at Bangkok, Thailand, in late February with representatives of seven other nations committed to the defense of Southeast Asia.

The Manila Pact for Defense of Southeast Asia was negotiated last Sept. 8. Dulles took a leading role. It is the first such treaty to recognize Communist subversion as a danger. The eight nations which signed it are to consult immediately on what steps are to be taken to combat dangerous subversion.

The pact also promises joint action to meet armed attack, with each country to follow its constitutional processes. Further, the parties pledged economic cooperation.

All three facets of the treaty will get a close working over at the Bangkok meeting, scheduled for the week of Feb. 20. Another chief purpose is organization—procedural questions like how often and where the council should meet to continue its liaison.

Dulles, anxious to hold this meeting, is not waiting for ratification by the United States and its seven co-signers: Britain, France, Australia, New Zealand, Pakistan, Thailand and the Philippines.

Four Youths Held in Store Breakin

Four youths, three of them from Farmington, were arrested early today by Michigan State Police of the Redford Post, who said they caught the boys with goods taken from a department store at Telegraph road and Northwestern highway.

Troopers George Smith and Ernest Stewart answered an alarm turned in by the Michigan Alarm Co., and found the boys outside of the store with goods reportedly taken in a break-in there about 1 a.m.

Held on charges of breaking and entering in the night time are Edward T. Buchin, 18, of 3356 Rhoadwood; John A. Sterling, 18, of 3399 Edna; James H. Richardson, 17, of 3395 Harlow, all of Farmington, and Robert E. Buck, 18, of 14328 Stout, Detroit. The four are at the Oakland County Jail.

Hospital Buys Scooters

COPENHAGEN (INS) — There may be a mad rush to clear the corridors when the public address system in a Danish hospital sends out a call for a doctor. The hospital in the town of Saebj has equipped its doctors and nurses with small scooters to make the rounds of the wards.

Gator Bowl Opens Big Gridiron Weekend

Baylor, Auburn Furnish Action at Jacksonville

Both Take Identical Season Records (7-3) Into Today's Game

JACKSONVILLE, Fla. (AP)—Baylor and Auburn, two fast, tricky and explosive football powers, launch the season's major bowl activity tonight when they meet for the 10th annual Gator Bowl game.

For Auburn it was the 2nd Gator Bowl appearance of the vanishing year—and Coach Ralph Jordan and his Plainsmen hoped to make it a lot different from the first.

On Jan. 1, 1954, Auburn tangled with another team from the Lone Star State—Texas Tech and the Plainsmen haven't lived that one down yet. Led by Bobby Cavazos' dazzling performance, the Texans all but ran Auburn off the field in the second half and won 35-13.

Auburn and Baylor, getting in their licks a day earlier than the other big bowl teams, each had seven victories and three defeats during the regular season. And both at times looked like world-beaters. Examples: Auburn when the Plainsmen upset previously unbeaten Miami 14-13 and Baylor when the Bears spotted Southern Methodist two touchdowns then stormed back for a 33-21 triumph.

Only serious casualty of the two camps was Auburn's Jim Fyburn, an All-Southeastern Conference end. His twisted right knee had him limping on the eve of the game.

"Now we'll find out if we've really got a great team," said Coach Jordan. "If we can beat Baylor without Fyburn—and he certainly is in the doubtful class—then I think we can be called great."

Reverse Triplicate

Most "triplicates" rolled by hardworking bowlers show a progression upwards, or three of a kind. But Mrs. Mickey Kurnz does it differently—she reverses the progression.

Bowling with the Crows team of the Multi-Lakes League this week, Mrs. Kurnz hit 145-135-125.

BULLDOGS' STAR—First visit of a Fisk university basketball team to Pontiac, and one of the rare instances where a college quintet has come here (Sunday at PHS gymnasium) also returns a former PHS star to his old stamping grounds. Above is (left) Esmo (Tee) Woods, one-time Chief ace, and his Fisk University (Nashville, Tenn.) coach, Buss Thompson. Esmo is top scorer for the Fisk Bulldogs, unbeaten in four straight games but losers of their last outing.

Fisk, Jewelers Tilt Only Big Area Game of Holiday

For the first time in years in the Pontiac area a regular college basketball team will display its talents on Sunday night in PHS gymnasium. Fisk University of Nashville Tenn., headed by ex-PHS Chief Esmo (Tee) Woods, will tangle with City League Class A Shaw's five at 8:30 p.m. in the feature of a two-game card. Woods is captain and top point-maker for the Nashville collegians.

This game is the only big area tilt of the holiday period.

City League Clarkson five

Duke Favored by Two TD's

MIAMI, Fla. (AP)—Odds favoring Duke over Nebraska by two touchdowns remained steady today as the two football teams went through their last limbering-up exercises for tomorrow's Orange Bowl football game.

Both teams were at full strength. "My squad is in good condition, physically and mentally," said coach Bill Murray of Duke's Atlantic Coast Conference champions. Nebraska's coach Bill Glassford complained that his squad showed signs of dragging at times, but he said "they'll be there for 60 minutes."

Whitfield Winner of Sullivan Award

NEW YORK (INS)—Mal Whitfield, two-time Olympic 800-meter champion and holder of a hatful of track records, was named winner today of the Sullivan trophy, annual award by the AAU to the year's top amateur athlete.

Whitfield, 1st Negro ever to win the trophy since it was originated in 1930, was the center of a stormy controversy in AAU circles a year ago when his name was left off the ballot because of pending charges of misconduct on an European tour. The 30-year-old former air force sergeant subsequently was cleared of the charges.

Maple Cagers Win 4th Game of Year

Birmingham High School's cagers sharpened their shooting eyes in the second half Thursday night to hand Fitzgerald a 42-34 loss and make the Maples' season record read 4-1.

Birmingham led after a slow first half, 20-16, but with Ed Peters showing the way, took a 34-23 advantage at the 3rd quarter. Peters took scoring honors with 16 points.

Don Golpe had 11 for Fitzgerald, which suffered its 4th loss against a single win.

JUST CLOWNING—Tony Curtis, "darling of the bobby-soxers" is hard to recognize as the clown and dance sequence in "So This is Paris," in which he co-stars with Gloria DeHaven. Tony wore the clown get-up for a song and dance sequence in "So This is Paris," in which he co-stars with Gloria.

Visits French Family

New Appreciation of Life in U.S. for Mrs. America

(Editors' note: Mrs. Wanda Jennings of St. Louis, Mo., "Mrs. America" of 1955, recently toured Europe. Here is her own story of a visit to a French housewife.)

By MRS. WANDA JENNINGS
PARIS (INS) — It takes a bit of compassion sometimes to make you appreciate how good it is to be an ordinary American housewife.

When I was in Paris, I went to see a typical French housewife, Mrs. Anna Kochko, who lives on the north side of Paris.

Her apartment is in a rather poor looking building, six stories high. There is no elevator and we walked up three flights to reach her home.

She and her husband Boris with their two children live with his mother and two years ago Mrs. Kochko's mother came to live with them, too.

Kochko works as a bookkeeper for a manufacturer of lamps and earns the equivalent of \$100 a month. They also receive family allowance for the children of another \$31 a month.

Their apartment is a rather small four rooms including the kitchen which makes it quite crowded for six people.

There is a small living room with a sofa on which Mrs. Kochko's mother sleeps at night. There is a table at which they eat, several chairs and a buffet in which the china and glassware is kept.

At night they push a bed out from their bedroom for their older boy. The floor is bare. Their own bedroom has a large bed for them, a small one for the younger boy and two bureaus. The other bedroom has the usual bed and bureau for the mother-in-law.

The kitchen really shocked me when I thought of all the conveniences I have in my own.

Mrs. Kochko's only equipment consists of a tiny gas stove with a small oven and a sink. She has no refrigerator or icebox and must keep her food outside on the sidewalk.

There is no bathroom in the apartment and they must go to the public bath which they do about once a week. The children are bathed in the kitchen sink as they are still small.

Apartments are very scarce in Paris for low income people as most of the building that is going on is of the most expensive type.

In addition to that, because rents are frozen and very low according to today's prices, landlords do nothing in the way of repair or upkeep to buildings.

The new buildings are selling their apartments rather than renting them.

I asked Mrs. Kochko whether they had meat every day and she said:

"We believe in eating well and I try to give them at least a small piece of meat or fish each day."

They cannot economize by buying large cuts of meat and having them for two days because of the refrigeration problem.

She makes all her own clothes and most of the children's things, only buying them shoes twice a year. She had an old sewing machine though nothing like my new one.

For entertainment they have a radio for which they must pay a yearly tax. Movies are a once a month luxury. They are very anxious to have a car but it seems rather out of the question for them at the present time.

I also asked the French housewife what she thought of the new Dior fashions and — believe it or not — she actually replied, "Who is Dior?"

When I explained, she said, "We French women have no time for fashions."

Charges Sewage System Tank on Wrong Land

Protesting that the Rose Home Builders of Detroit built a large septic tank on his land in Farmington, Clyde R. West is seeking an Oakland County circuit Court order to remove it.

In a bill of complaint, West asserts the firm constructed the unit on property he is developing as a tree nursery in Brookdale Subdivision. Refuse is piped into it from 400 homes in adjoining Bel-Air Subdivision, he stated.

The 15-foot-deep 38 by 28 foot tank, has filled with waste water and is a hazard to children, he alleges, plus damaging his nursery.

He asks a permanent injunction against use of the tank and "sufficient damages" to reimburse him. No hearing date has been set.

Dog's Feet Find Short Circuit

Seeing-Eye Animal's Tender Pads Indicate Flint Danger Spot

FLINT (UP) — The sensitive feet of a leader dog may have averted a fire at the Flint YWCA.

Mike, an 85-pound German Shepherd leader dog, and his blind master, James Shaker, a 30-year-old Flint attorney, were walking past the YWCA building en route to the lawyer's office.

Suddenly, the dog dropped to the pavement, whimpering. It took several minutes for Shaker to get Mike back on his feet again. And after they had reached the office the puzzled attorney recalled that the dog had strained at the leash recently as if to avoid that part of the sidewalk.

Finally an office employee suggested perhaps Mike had suffered an electrical shock.

The Consumers Power Co. was called. An electrician discovered a short circuit in wiring running under the sidewalk where the YWCA's basement extends.

The dog had been jolted by 120 volts.

Shaker, admitted to the bar in 1931, has been totally blind since suffering an eye injury in his youth.

And despite the fact that the wiring has been repaired, Shaker still has a difficult time getting Mike to walk past the YWCA.

To Attend Postal Confab

GRAND RAPIDS (UP)—Harry L. Kendall, assistant district superintendent of Postal Transportation Service at Grand Rapids, has been selected to attend a transportation seminar at American University in Washington beginning Jan. 11. Kendall, chosen to represent the Ninth Postal Division, will attend with delegates from the 15 Postal Transportation Service divisions throughout the United States.

Big Brother Plan Launched Here to Aid Juveniles

"Boys need a model to love, trust and imitate," the president of the Oakland County Big Brothers said Wednesday at a meeting of about 75 police and juvenile officials at the County Children's Home.

Louis J. Gillette described the movement which he hopes within ten years will see 500 county men making a regular practice of working with troubled boys eight to 17 years old.

At present, 12 men are working with boys in the program, he stated.

The county group is attempting to raise \$15,000 to open an office in June next year and retain a professional worker to advise the men in their relations with the boys.

He and other founders of the county group studied the program for nearly two years before beginning, said Gillette.

"We feel the basic cause of juvenile problems is lack of a sense of belonging and acceptance," he stated. "We work on a 'one boy to one man' principle and attempt to win a lad's confidence by bringing him into our families and including him in our everyday activities."

Less than seven per cent of one-time delinquents helped by Big Brothers ever get in trouble again, Gillette said.

Wayward youngsters aided are the type not socially adjusted enough to feel accepted in groups well balanced youths join, he explained.

"By seeing them two or three times a week, we try to build up their sense of belonging to where they are ready to join in activities of other boys' organizations."

Men becoming Big Brothers must demonstrate a genuine desire to aid youngsters and be the type of person a boy should imitate, said Gillette.

Cost of handling one boy is about \$150 including a professional worker's advice and office expense, he explained, and said processing the case through juvenile court costs about \$2,000.

A Big Brother may have to work from one to five years with one boy, he stated. "We hope to have men available in all parts of the county."

Gillette pointed up the possibility of a Big Sister movement to aid girls in the same manner. "Some 70 per cent of troubled youngsters between eight and 17 can be helped by this type program."

"We hope to get referrals from

Supreme Court Upholds Phone Company Rates

The State Supreme Court this week upheld a previous lower court decision that rates allowed General Telephone Co. of Michigan in December, 1952, were too low to provide a fair return on the company's capital investment and remanded the case to the Michigan Public Service Commission for the fixing of just rates. The company will continue to bill its customers for local telephone services under the rate schedules now in effect until they are made permanent by commission order.

Most beautiful American opal is the Roebing, which was found in Nevada. Almost pitch black, with color flashes of great brilliancy, it weighs 530 grams.

Barber Succumbs at 92

GRAND HAVEN (UP)—Klaus Poel, 92, died of a heart ailment last night at his home. Poel retired four years ago from the barber trade he had maintained 63 years. He is survived by his widow, Nellie, 91, and 115 descendants.

Grain Dealers Look to Future

CHICAGO (U) — Feed grains had a slightly easier trend while wheat and soybeans were firm in relatively quiet dealings on the Board of Trade today.

The market's action largely represented a look into what traders thought the new year would bring, at least in the immediate weeks ahead. Corn receipts were expected to expand while exports of wheat were expected to be heavy.

Wheat near the end of the first hour was 1/4 cent higher, March \$2.33 1/2; corn unchanged to 1/4 lower, March \$1.55 1/2; soybeans 1/4 to 1/2 higher, January \$2.95, and lard 3 to 10 cents a hundred pounds lower, January \$13.25.

5.5 Million Cars Produced in '54

Auto Industry Ending Year With 4th Highest Vehicle Output

DETROIT (U) — Production of its 5,500,000th passenger car today marked the end of 1954 for the U. S. automobile industry, according to Ward's Automotive Reports.

Ward's, in a year-end recap, estimated 1954 output at 5,500,000 passenger cars and 1,024,700 trucks, making the year the fourth highest with a production of 6,533,900 units.

And the industry was reported to be planning for 5,800,000 cars and 1,050,000 trucks in 1955, which would give a combined total of 6,850,000 and make that year the third highest, surpassed only by 1950 and 1953.

The statistical agency said that 1,312,102, or 28 per cent, of the cars produced this year were 1955 models, a record for new model output prior to Jan. 1.

Of the total, Ward's said General Motors Corp. contributed 32.1 per cent, Ford Motor Co., 23.8, Chrysler Corp., 20.2, and the independents, 3.9.

A half-day schedule today, Ward's said, held this week's U. S. production to 142,536 cars and trucks compared with 143,537 last week and 86,431 in the same week a year ago.

The industry has programmed for 742,500 cars and trucks in January, against 735,200 built in December.

Lost Bolt Fells Driver

ROME (INS) — Italian highway police, notified by an excited garage mechanic, overtook salesman Francesco Sergardi near Rome and told him he had just driven 138 miles with a bolt missing from his car's steering gear. Sergardi promptly fainted.
