

Leap Year Lamentation

Seems Like Sad Start, Boys, Girls Torn Apart

Then hey, for home and hearth, lad,
Or round the world
... get away;
You've got to run the course, lad,
Or let bachelorhood
lose sway.
(Apologies to the poet,
Charles Kingsley)

By BURT STODDARD

Why these furtive meetings in the dells and clandestine gatherings in the highlands?

Why is the wily bachelor bounding from burrow to hawthorn with watchful eye and palpitating heart?

Why did the Better Dead Than Wed Alliance meet in emergency session last week?

Why—for Pete's sake, ask me why. You ask why? All right, I'll tell you.

The female phalanxes are forming.
They are donning red coats and starving their hounds.
Hair dyes are dying.
Dryers are drying . . . J. P.'s are waiting . . . Expecting more dating.

Sirens have tripled enrollment. Reducing salons are reaping rich returns. The female ranks are rife with figure analysts.

"Every month this year is June, my dear," is the cry.

That cry rings out . . . The girls all shout . . . Leap year! Leap year! Leap year!

Yes, O' sheiks of single status, the old fact is—it's Leap Year. Blame is all on Julius Caesar. The Roman emperor invented it when he found each year actually has 365 1/4 days. So Old Jules decided he'd add a day every four years to make things even.

Just how and when the girls decided they'd blow up the extra day into 12 months of man-hunting is obscure. But they did and 1956 will be M-Day all year long.

Word has it that the girls have formed a Gonna-Getta-Man Corp.

Statisticians have been hired to catalogue the physical characteristics of all eligible men, such as height, weight and eyes blue, eyes brown or eyes bloodshot.

No appealing wife is being ignored in the corporation's training program. All points are stressed, from good cookery to good lookery.

"Stop," you say, "this is indeed frightening. What can the beleaguered bachelor do to protect himself?"

Well, he might try staying home at night with a good book. And when he does go out, keep company with several other steadfast single men.

Also try wearing a picture of a rattlesnake on your chest with the words, "Don't Tread on Me," and run when you see the whites of their eyes.

Petition Denied by County Board

Clarkston School Area Sought to Get Portion of Waterford District

The Oakland County Board of Education yesterday denied a petition of the Clarkston School District to annex that part of Waterford Township School District lying within Independence Township. The board, however, suggested that Clarkston re-petition with a different boundary line.

A public hearing preceded the board meeting, held in the County Board of Education offices, with some 20 residents of the area on hand to discuss the issue.

Schools Superintendent L. F. Greene spoke for the annexation, pointing out that Clarkston schools are closer to this area than are Waterford schools; that present boundaries bisect some subdivisions; and the rezoning would make for more efficient operation.

He noted that the tax picture and school picture of both districts were approximately the same and stated that actual township lines are preferable to "by chance" school district lines.

Waterford Schools Superintendent William Shuck opposed annexation on the grounds that Waterford Hill and the Townsend Lake area should remain in the Waterford school district because intrinsically they are a part of Waterford Village. He said, however, that a large portion of the section should be in the Clarkston district, but opposed division along township lines.

The boudiers are bounding
The girls they are hounding;
Let the wolves whistle and wink
We're less gullible than they think.
(Our apologies to no one)

By JUDY CLEMENCE

Beware, gals, it's Leap Year! And don't, don't let that man—smug in the thought that he can just sit back and wait—trap you.

He's been chucking all year as he's watched you—watched you come out of the beauty parlor, observed that trimmer, slimmer figure, and he's even seen that special glint in your eye.

But how is he to know you've been planning that trip abroad, a new job or some such venture?

He couldn't possibly understand, he's been too busy gazing—he's sure you've wanted him all along, just waiting for Leap Year to snatch him away.

The audacity of the current male mouse is deplorable.

These days if so often happens that said male plucks the efficient office doll from her desk, carrying her over the marital threshold to dump her into a scene similar to this:

Mopping floors and stirring stew, scouring pans and scrubbing too, broiling steaks and laundering shirts, shopping, sewing, pinching pennies till it hurts.

Clean the car and wash the dog, dust and bake and feed the hog.

Stoke the furnace, rock the child, paint the woodwork and don't get riled. Budge the budget, make the tea, and keep it quiet for Dad's TV.

Oh, we could go on and on. And all the time he's planning to give you all of this and Heaven too, what has he been doing?

He's been dodging responsibilities, sponging off his married friends and squandering all his money on himself.

And he's been so vain, changing to all that highly perfumed shaving lotion and running to those steam baths. Why didn't he just stop eating before he had that extra load to take off?

Well, gals, you've seen the picture. Now make up your minds. Do you want to take just any old mouse and make him into your dream, or are you going to join the thousands who in 1956 will say, "I wouldn't marry you if you were the last man on earth?"

Banning Alcohol, Tobacco and Men Will Bring \$300

LOS ANGELES (AP)—Two women will receive \$300 a month for life if they can do without three things: alcohol, tobacco and men.

This strange condition was part of a will left by Percy T. Martin, a wealthy real estate developer. He died in 1952 leaving an estate of \$448,946.

Mrs. Helen Dill, 53, a widow now living in Owensville, Ind., and Miss Frances Miller, 51, friends of Martin, were each left \$300 a month if they do not indulge in alcohol, tobacco or become engaged or married.

The will was approved yesterday in Superior Court. Each woman was awarded a retroactive payment of \$8,700. Both had filed affidavits attesting that they were meeting conditions of the bequest.

Benson, Ike Talk Today

KEY WEST, Fla. (AP)—President Eisenhower and Secretary of Agriculture Benson confer here today on a fresh appeal to Congress for "immediate and drastic attention" to the problem of slumping farm income.

Political Leaders Have Their Say on Ike's Address

WASHINGTON (AP)—The political skirmishing was on in Congress today with Democrats challenging President Eisenhower on foreign, farm, tax and other major election-year issues.

Senate Democratic Leader Lyndon B. Johnson of Texas signaled the attack, saying the state of the union and the world is not nearly so rosy as Eisenhower pictured it in his annual message to Congress yesterday.

Commenting on Eisenhower's call for payments on the national debt before tax cuts, Johnson said the Republicans had been bragging for months about reducing taxes

Anti-Reds Blast Coalition Plan for French Rule

Socialist Leaders Seek Republican-Type Front Without Joining Others

PARIS (INS)—Outgoing Premier Edgar Faure's proposal for a broad centrist coalition to govern France encountered growing opposition today within the anti-Red leftist republican front.

The moderate leftists, led by Socialist Guy Mollet and former Premier Pierre Mendes-France, want to establish a basically republican front government without joining a formal coalition.

They do, however, accept the necessity of including in the next cabinet certain individuals from other parties to help solve such pressing problems as Algeria.

Mollet and Mendes-France lunched together yesterday. Afterwards, the Socialist Party leader announced:

"We shall not lend ourselves to the effort to confuse the issue by talking of a 'national union'."

The radical Socialist leader endorsed that statement.

Faure, who led a group of moderate, right of center parties in Monday's election, had called for (Continued on Page 2, Col. 3)

Sears Dropping Trading Stamps Following Trial

CHICAGO (AP)—Sears Roebuck & Co. is in the process of terminating its trading stamp plan, begun last year in five Illinois cities.

"It hasn't worked out as well as the company had anticipated," was the only comment Sears officials would make in explaining their action.

Reveal Wedding Plans

CONFIRM ENGAGEMENT — Actress Grace Kelly and Prince Rainier III of Monaco sit arm-in-arm as they receive the press last night following announcement of their engagement. They were interviewed at home of Miss Kelly's parents, Mr. and Mrs. John B. Kelly. (See story in Women's Section, on page 16).

Grace, Prince Will Attend Ball

Movie Star and Ruler of Monaco Will Mgrgy After Easter

NEW YORK (INS)—The Princess-to-be of Monaco makes her first public appearance in regal surroundings tonight at a New York benefit dance dubbed "The Imperial Ball—a Night in Monte Carlo."

The princess—also known as Oscar-winning actress Grace Kelly of the Philadelphia Kellys—will sit beside her fiancé, His Serene Highness Prince Rainier III of Monaco, 32, in the royal box of the Waldorf-Astoria Ballroom.

The beautiful blonde film star will have a cocktail party for friends before attending the Imperial Ball, at her luxurious apartment in Manhattan. It will be her first social function as fiancée of the world's most eligible bachelor.

The couple returned to New York last night from the home of her parents, Mr. and Mrs. John B. Kelly, where their plans to marry after Easter were announced.

The forecast was for another choking night of the smoke-laden pall that has gripped southern England for the past 48 hours, halting all air service to and from London.

Into the swirling mists, millions of chimneys funneled soot, sulphur dioxide and other coal by-products.

Scientific teams analyzing the dense black vapor during the night said it was even more poisonous than the great smog of 1952 which claimed 4,000 lives.

A spokesman for the British Oxygen Co. said more emergency calls for oxygen were received yesterday than ever before.

PATIENTS INCREASING.

"The number of patients with chest diseases has greatly increased in the hospitals since the smog descended and numerous hospitals have asked for oxygen tanks to meet the emergency," he said.

Police said the last 24 hours had been the hospitals' busiest of the winter, and scores of people collapsed on the streets.

The great darkness was attributed officially to a layer of still, warm air overlying a ground layer of cold, moist air.

For the third straight day, the giant London air terminal was deserted with international flying traffic out of the airport at a standstill.

Worst Haze in 3 Years Blankets London; Halts All Air Travel

LONDON (AP)—Slight northeast winds today broke up the worst fog Britain has had in three years. But the weatherman said relief was only temporary.

Train of the Future on Inaugural Run

ENTERING ANN ARBOR — New York Central's new 100-mile-an-hour Aerotrains flashes into Ann Arbor yesterday afternoon on its maiden run from Chicago to Detroit. Here it is running beneath the Huron Valley bridge at the city's northern limits.

Built by GMC Truck Division

Aerotrains in Initial Runs

Two lower-cost, lightweight trains made inaugural runs in the East and Midwest yesterday, presenting "trains of the future" which rail officials hope will solve some passenger train financial headaches.

The pair of "aerotrains"—sleek, 10-coach units made of aluminum and steel and built by General Motors Corp.—streaked non-stop between Chicago and Detroit and between Washington and Philadelphia.

Considerable part of the sleek new trains is the product of the General Motors Truck & Coach Division here, and a group of GMTC officials, headed by P. J. Monaghan, general manager of the division, was aboard on the Chicago to Detroit trip.

In the party from the GMC Truck division, in addition to Monaghan, were C. V. Crockett, chief engineer; Everett Allen, an assistant chief engineer; F. A. Franklin, W. A. Strong and H. E. Fox, coach engineers; Carl Rogers, superintendent of truck and coach production, and B. W. Crandall, public relations department.

General Motors developed its revolutionary Aerotrains as a contribution which it hopes will help American railroads during a period "when transportation will be a vastly bigger job than it is today," President Harlow H. Curtis said.

He spoke at a luncheon in Detroit following the inaugural run from Chicago to Detroit and return. Luncheon hosts were Robert E. Young, chairman of the board, and Alfred E. Perlman, president, of New York Central.

C. R. Osborn, vice president of General Motors in charge of the engine group, spoke last night at a dinner given by James M. The Symes, president of the Pennsylvania Railroad, for guests on that 1 p.m.

The five-day Michigan weather prediction foresees temperatures averaging from 3 to 5 degrees below normal. There will be little change in the temperature through Wednesday with the exception of a warmer spell about Monday.

The lowest temperature predicted 8 a.m. was 28 degrees. The thermometer registered 37 at 1 p.m.

Need for Engineers Told by Robert M. Critchfield

Robert M. Critchfield, general manager of the Pontiac Motor Division, told Pontiac Rotarians yesterday at their weekly luncheon of the increased need for college engineering graduates in industry.

He said a recent survey conducted by General Motors showed that of the 23,000 college graduates employed by GM, only 9,600 were engineering graduates.

Critchfield also spoke of the big reception that the 1956 Pontiac automobile was receiving across the country.

"We feel that it is going to be a very good year and that Pontiac will make its mark," he added.

He urged Rotarians to give support to President Eisenhower's highway program to further assure its success.

Thinks Ike Will Win

DETROIT (AP)—Mrs. Ivy Baker Priest, treasurer of the United States, says it's her opinion that President Eisenhower will run and be re-elected to the presidency this year.

He referred particularly to proposals for a soil bank, under which farmers would be paid in cash or surplus crops for taking some land out of production.

He also said he is "not quite as optimistic as he (Eisenhower) is as to the adequacy of our defenses."

Speaker of the House Rayburn (D-Tex.) stood by his comment: "I am not happy about our foreign relations as things stand. The general situation in the world is not good."

Sen. Bricker (R-Ohio) asserted that "only the blindly partisan will challenge the President's conclusions that America's position, in world leadership and her economic health were never stronger."

Trades With Red China

BELGRADE, Yugoslavia (AP)—Yugoslavia began regular shipping service today with Red China's port of Shanghai. The new traffic extends a route already connecting Yugoslavia and Hong Kong.

County Hospital Prepares Space for 150 Children

State Launches Plans to Provide Care Clinics at Three Locations

Equipment is being moved out of the Farmington Children's Hospital which the state plans to lease for use by 150 mentally-retarded children, Gov. Williams said today.

Work also started today to remodel the Fort Custer Station Hospital expected to accommodate another 800 children.

The State Mental Health Department said it could not determine how soon it could move defective into the Farmington hospital until the owners have progressed with their own moving.

The program is designed to make care facilities available for the large backlog of mentally defective committed for institutional care, but remaining at home for lack of space.

Oakland County's backing of "emergency" cases now numbers nearly 100, Probate Court officials reported.

Gov. Williams also said the state believes it can start moving children into a new 220-bed unit at the Mt. Pleasant State Home and Training School within 10 days.

Williams said the Federal Defense Dept. had authorized the state to send workmen into the preparations for state use, although the government has not been finalized.

Work crews will start immediately, he stated, to get the idle power plant back in operation, install power, light and telephone lines, remove stored U. S. Army equipment and do similar tasks.

The mental health department has estimated four to six months will be needed to remodel the Fort Custer buildings for child use. Bids on the remodeling will be taken Jan. 10.

Pistol Misfires During Dispute

Faulty Bullet Prevents Shooting Over Payment of Towing Charge

Pontiac Police say a faulty cartridge saved Maurice Swan, 39, Camley St., from injury yesterday. They are holding Ross Little, 45, of 461 Bartlett St., for investigation of attempted murder, after a dispute over a towing charge of \$3.50.

Swan told police Little and his son, Leroy, 23, entered Schroeder's Service station at 440 N. Paddock St. last night and demanded the keys to Little's car. It was being held for a towing fee.

When he refused, Swan said, an argument developed and Little pulled a .25 calibre automatic pistol. Aiming at him, Little pulled the trigger, Swan said, but the cartridge failed to explode.

Leroy Little persuaded his father to leave the gas station, Swan added.

Pontiac Detective Inspector Clark Wheaton said today the bullet in the chamber of the impounded gun shows the mark of the firing pin which failed to explode it.

Rayburn Celebrates 74th Birthday Today

WASHINGTON (AP)—Speaker of the House Sam Rayburn (D-Tex.) turned 74 today, looking and acting younger than many colleagues much his junior.

Wires and telephone calls reached his capitol office congratulating him. He has served a speaker longer than any other person in history—11 years, 3 months and 20 days.

Just before the House recessed yesterday for the weekend, members of both political parties congratulated Rayburn, who has been a member of that body since March 4, 1913. It was noted that he has served longer than any other present House member.

File Will in Probate Court

Residents of Rochester
Receive Stock, Land
of Former Official

The will of former Chairman of the Oakland County Board of Supervisors Oliver P. Gibbs, who died Dec. 9, has been filed in Probate Court listing \$50,000 in real estate and \$50,000 in personal property.

The late Rochester man left two lots in Chapman's Ludlow Addition, Rochester, to Maude Glassford, of that village, for use during her lifetime, after which they are to go to Mrs. Darline Lucas and Martin Ross Starkey, also of Rochester.

Mrs. Lucas and Starkey also will receive 30 acres of land owned by Gibbs in Avon Township, provided they make a home for Maude Glassford during her lifetime.

Cecelia Mary Lucas, 2, of Rochester, is left approximately 1,000 shares of Detroit Edison Co. stock for her "support and education," not to be sold until she is 21.

Mrs. Lucas and Starkey receive Gibbs' household furnishings and Starkey is left stock in the Flint Mortgage Co. and Rochester National Bank.

Amounts varying from \$100 to \$3,000 are willed 11 of Gibbs' relatives, all of Richmond, Ind.

The will's executor is directed to sell one lot and parts of three others owned by Gibbs in Rochester.

Westinghouse Balks at Strike-Ending Plan

PITTSBURGH (U)—Westinghouse Electric Corp. refused last night to accept a federal mediator's proposal for ending a nationwide strike. It suggested instead a plan to hold a secret ballot by striking employees on a contract offer already rejected by union negotiators.

A spokesman for the AFL-CIO International Union of Electrical Workers said in Washington the secret ballot by 44,000 IUE members in 30 plants would be acceptable if there was a choice between the company offer and union demands.

Federal mediator Joseph F. Finnegan said he wanted Westinghouse to clarify the proposal by putting in writing the specific questions the IUE members would be asked to vote on.

Finnegan had proposed Wednesday that a three-man fact-finding board be appointed to try to agree on a settlement. The IUE accepted the proposal. Westinghouse rejected it.

Victims of Fire Receiving Help From All Over

Clothing and assistance continued to pour in yesterday for the Smith family of Goodrich who were burned out of their home Jan. 1 by a \$20,000 blaze.

In addition to the clothing, Harvey W. Perry, agent for the State Farm Insurance Co., located at 42 E. Pike at Hill St., has offered his office as a collection place for donations to the family.

"It is centrally located in Pontiac," Perry said, "and we will attempt to make arrangements for the delivery of the contributions."

The Smiths, who have 15 children living with them, a married 19-year-old daughter and are expecting another child, are presently living with Mrs. Smith's sister, Mrs. Roy Baker of Pontiac.

Dies of Crash Injuries

DETROIT (U)—Mrs. Jessie Young 61, of Detroit, died in Receiving Hospital last night after being injured Dec. 27 in a car-bus collision. She was a passenger in a car driven by her daughter-in-law, Mrs. Roberta J. Young.

LARGEST OF ITS KIND — R. C. Woodhouse (left), general truck sales manager for GMC Truck and Coach Division, and R. G. DeGraff, GMC photographic department supervisor, look over three 8 by 10-inch negatives used in the preparation of the division's huge

6 by 15 1/2 panoramic color transparency which will be displayed publicly for the first time at the Chicago Automobile Show, Jan. 7-15. The largest portable color transparency in the world, it shows three GMC trucks in a Rocky Mountain ranching area setting.

Feature of Auto Show

Huge Color Transparency Shows New GMC Trucks

The world's largest portable color transparency, a panoramic view of General Motors vehicles standing in typical scenes of the West, will highlight the display to be shown by the Truck and Coach Division at the Chicago Automobile Show.

Photographed in the Rocky Mountains by division photographers, the 6 by 15 1/2 foot transparency is dominated by a view of three GMC trucks parked amid the lakes and peaks of a ranching section.

Also featured are scenes of a Suburban station wagon standing beside a fisherman's camp, a heavy-duty Diesel tractor rolling along a highway, and a stake truck hauled on the open range while its driver chats with a cowboy.

According to division spokesmen,

the transparency is the largest ever made by an automotive concern and the biggest one in the world specifically designed for easy movement from one place to another.

It is composed of six stripped-together panels enlarged from three separate 8 by 10 inch color negatives. The panels are intermeshed and fastened by colorless tape.

To process the negatives and "blow them up," GMC's photographic department has to design such specialized equipment as a 4 by 6 foot enlarger lighted by 24 500-watt bulbs.

The transparency will be mounted on a special concave light box assembled in the GMC exhibit area. The concave mounting gives the scene the appearance of depth, adding to its "picture window" realism, GM planners say.

GM's New Aerotrains Make Initial Runs

(Continued From Page One)

New York Central officials said regular service on the route takes at least five hours.

The 131-mile eastern run took just 2 hours. The running time of the eastern unit was comparable to ordinary express train service, but the trains topped 90 miles an hour at intervals. However, officials explained that no attempt was made at speed runs.

The "Aerotrains" unit is 50 per cent lighter than the conventional passenger coach, costs about 60 per cent less to build, and is said to be about 60 per cent cheaper to maintain. Each new car carries 40 passengers compared with about 70 passengers a car on presently operated coaches.

The new trains are powered by 1,200 horsepower single diesel units. The cars are built with a center of gravity 10 1/2 inches lower than standard — giving better "road hugging" qualities.

The GM "Aerotrains" was labeled this because of the "air ride" suspension, with the springing supplied by air bellows.

The Pennsylvania will use it on the 439 miles between New York and Pittsburgh starting Feb. 6. The Central plans to put its unit into service sometime this spring between Chicago and Detroit.

In Philadelphia, Symes, president of the Pennsylvania, said the new train is a "significant contribution" toward solution of the equipment side of the railroad passenger problem.

The Washington - Philadelphia train carried 373 passengers, including secretary of Interior McKay, 14 under secretaries, 64 members of Congress and the federal judiciary, and newsmen.

The Chicago-Detroit train carried 254 passengers—rail officials, businessmen and newsmen.

More than 150 Communists will sit on the left in the chamber and 83 rightist supporters of Pierre

Writer La Farge, 58, Dies in Rhode Island

PROVIDENCE, R.I. (U)—Novelist Christopher La Farge, 58, architect, painter and poet, died after a cerebral hemorrhage at Jane Brown Hospital last night.

Among his best-selling books were "The Sudden Guest," "Each to the Other," "The Willsons," "East by Southwest," "Mesa Verde," "All Sorts and Kinds," and "Beauty for Ashes."

"The Sudden Guest" was a novel dealing with the 1938 hurricane in his home section of Rhode Island, South County. It had a sale of more than half a million copies.

A native of New York, La Farge abandoned a career in architecture for writing in 1932.

Pontiac Deaths

Mrs. August Kempf

Mrs. August (Mary Ann) Kempf, 85, died at 4 o'clock this morning in her home, 768 Joslyn Ave.

She was born in Calumet Oct. 7, 1870, the daughter of Isaac and Anna Marie Larson Johnsdic.

Mrs. Kempf came here from Calumet in 1926 and was a member of the Oakland Park Methodist Church.

Surviving are seven children, all living in Pontiac: Rudolph H., Adrian C., John A., Floyd L., Robert T., Mrs. Irene Goodwin, Mrs. Margaret Marceau, 14 grandchildren and 18 great-grandchildren.

Two sisters, Mrs. Julia Hansen and Mrs. Florence Tiberg, are living in Calumet.

Service will be Monday at 2 p.m. from the Sparks-Griffin Chapel. The Rev. James W. Deeg, pastor of her church, will officiate with burial in Perry Mt. Park Cemetery.

William A. Stanger

William A. Stanger, 85, a former resident of Pontiac, died last night at the home of his son, Robert M. Stanger, 195 S. Avery St. He had been in ill health two years.

Born in Quebec, Jan. 24, 1870, he was the son of Mr. and Mrs. James Stanger. On Dec. 23, 1922, he was married to Sophie Synnsted in Bloomfield Hills.

Mr. Stanger, an apartment house owner, came here from Birmingham and had been with his son three months.

He is survived by three children, Robert M. of Pontiac, Mrs. Henry Timm and Curnell A. Stanger, both of Birmingham, Mrs. William Enslin, a sister, is living in Philadelphia.

Service will be Monday at 1:30 p.m. in the Donegan-Johns Funeral Home with the Rev. Barney Roscoe of the Orchard Lake Community Church officiating. Burial will be in Roseland Park Cemetery.

Thief Escapes With \$24 From Area Restaurant

A thief who broke into DeVary's Diner on Opdyke Road Wednesday night got away with change from three vending machines and several cartons of cigarettes, Oakland County Sheriff's detectives said today.

Loss was estimated at \$24, they added. The thief apparently broke through the back door.

The Day in Birmingham

City Building Includes Completion of Clinic

BIRMINGHAM—Building plans of three organizations in Birmingham include a move to a new location, construction of new buildings to house current operations, and near-completion of a new clinic which was viewed by the public at an open house last Sunday.

The clinic building on 14 Mile Road belonging to Dr. Thornton Bolleau was viewed Sunday by many residents and the building is expected to be in operation soon. Dr. Bolleau has an X-ray technician, William Pascoe, already on the job, and will announce his staff soon.

In the block of Woodward Avenue just below Green's Artist Supply Store, two changes are in the making. The American Legion, moving to a new location, is leaving the old residential building owned by the Briggs family trust and managed by the McCall Management Co.

According to E. K. Sheridan of that firm, no decision will be made for the building's future until it can be inspected after the Legion's relocation.

Next door, and next to Green's the lot is in the hands of the Fred Burton Abstract Co., which hopes to build a new building there in the spring. The operation, which includes bringing abstracts up to date, taking orders for title insurance and furnishing forms for builders and realtors, will be moved from the present site a block further south. Mrs. Jackie Renshaw, only employee in the office, will continue to maintain work in the new building for some time for the firm, whose headquarters are in Pleasant Ridge.

A ski train special car for Grayling has been arranged for tonight by Arthur Hagman, of Cottontail Lane, Bloomfield Township and of Inside Michigan magazine, published in Detroit. The car, in the first trip of the Timberliner, leaves Warren station at 5:57 and Rochester station at 6:14 p.m. today. It will return Sunday night.

It is the first time that the Timberliner, through train that takes vacationers north on summer weekends, has made a win-

ter trip. It will make the week-end trip for skiers and other winter sports enthusiasts this weekend and the two following weekends to Michigan resort towns as far north as Mackinaw City.

Hagman's car of guests will be on a package arrangement including stay over the two nights at Shoppemong Inn at Grayling and days at his two-year old resort, Lake Valley, 12 miles away. Station wagon travel is being provided from the train and hotel to the resort, where ice skating, tobogganing and skiing are possible. He has four tents and seven ski runs at the resort which began last year.

Many First Presbyterian Church members attended the Detroit Presbyterian Society meeting at Royal Oak's church Wednesday, with Mrs. Wayne Williams in charge of the local delegation.

The church's Women's Assn. installed new officers yesterday morning at the church with President of the Michigan Synodical Society Mrs. Bruce A. Fleming officiating.

New president is Mrs. L. I. Woolson, and her staff is Mrs. C. C. Adams, first vice president; Mrs. C. B. Black, second vice president; Mrs. R. C. Scott, third vice president; Mrs. Arthur Fries, recording secretary; Mrs. Vernon Bryant, corresponding secretary; and Mrs. H. G. Wood, treasurer.

Service for Elmer G. Munz, who died yesterday of a coronary attack, will be at 9 a.m. tomorrow at Geni Church, Detroit, with burial in Woodmere Cemetery. Munz, 61, was stricken at his home, 1578 Cranbrook, Bloomfield Township, and was dead on arrival at Beaumont Hospital.

He was founder and president of Spralawn Corp., a 25-year-old Detroit firm for underground sprinkling systems and he held a University of Michigan engineer's degree.

Rosary will be said tonight at Bell Chapel of the William R. Hamilton Co. Surviving are his wife, Josephine; three sons, Jack

R. of Tampa, Fla. Robert Alan and Jere, both at home; and a brother, Harold R., of Bloomfield Hills.

Asks Consideration for Smaller Papers

NEW YORK (U)—The American Newspaper Publishers Assn. today called on newspaper manufacturers to give special consideration to the nation's small newspapers during the current shortage of printing paper.

ANPA, which represents more than 800 daily newspapers, reported that 16 manufacturers are running from 1 to 3 weeks behind in deliveries of newsprint to publishers. It also has said that five major newsprint producers are cutting back deliveries of newsprint by 7 1/2 to 13 1/2 per cent for the time being.

These developments come at a time when the supply in the hands of U.S. publishers is at the lowest level in 22 years.

CADILLAC — Newsprint shortages forced the Cadillac Evening News to a 6-page issue. Publisher Earl Huckle stated that the News had found it necessary to refuse advertising upon several occasions.

Williams' Blasts at Ike Knocked

State GOP Chairman Says President Helped Reduce Segregation

LANSING (AP)—Republican State Chairman John Feikens today accused Gov. Williams of political blindness in accusing the Eisenhower administration of doing nothing for minority groups.

Feikens hit back at Williams' Los Angeles speech this week in which the governor said President Eisenhower had done nothing to relieve the plight of Negroes.

"Minority groups know," Feikens said, "that never since the days of Abraham Lincoln has more been done to rid our nation of discrimination than has been accomplished in the few years of President Eisenhower's administration."

"Segregation in the armed forces has ended; discrimination in defense plants has ended; minorities have been given full recognition in appointment to high public office, including Michigan's own Charles Mahoney who was named a delegate to the United Nations; more states have adopted fair employment practices legislation, including Michigan; racial segregation was eliminated in veterans' hospitals, and violations of civil rights have been prosecuted vigorously."

Feikens said "it will be interesting to see what a Democrat-controlled Congress does about the President's recommendation for revision of the immigration laws, and about schools."

Homestead Exemptions Applications Are Due

Eligible war veterans and veterans' widows, who have not remarried must file for homestead tax exemptions before March 1 in order to qualify, according to Floyd E. Cremer, of the Oakland County Veterans Affairs Department.

Veterans and widows owning property as a homestead should register with their township clerk or city tax assessor, he explained.

Home Mishaps Killed 800 in State in '55

LANSING (AP)—Household accidents, resulting from home "booby traps" and carelessness, took about 800 lives in Michigan in each of the past two years, the State Health Department said.

It reported that this toll had moved local and state health officials to put accident prevention on the agenda for the annual Commissioner's Conference on Health Feb. 8-10.

The department said that of the 800 deaths totaled in 1954, the last year for which final figures are available, 300 were among persons 65 years of age or older who fell in the home.

Other major causes of accidental death were mechanical suffocation, suffocation from food or objects, poison, gas, poison solids or liquids and firearms.

The two high danger age areas are five years of age and over 65, the department said.

More than one out of four of accidental home deaths were in the age group of five years or under. More than 40 per cent were over 65 years of age.

MAKE OVER PAGES

Lakeland United Elects Officers at Second Meet

WATERFORD TOWNSHIP—Officers were elected at the second annual congregational meeting of the Lakeland United Presbyterian Church held recently.

The officers elected were: Lloyd Bowden, ruling elder; Ray Bush, chairman of the congregation; and Pauline Newman, secretary of the congregation. Elder Bowden will be installed in the morning worship service on Jan. 22.

Also at the meeting annual reports were approved and the budget for 1936 was adopted. Included in the budget is a building fund goal of \$12,000.

Clawson Residents Asked to Okay Loan

CLAWSON—Mar. 1 has been set by the Clawson School Board to ask voters permission to borrow \$125,000 for a five year building program.

The money will be used for: 1. Site and 10-classroom building in the Kenwood area; 2. Site and four-classroom building between Rochester and Main; 3. A four-room addition to the McDonald School; 4. A 12 to 15-classroom elementary building facing Selridge.

Payment of the \$125,000 will be made by tax payers over a period of 25 years.

School Supt. Paul Schalm said efforts would be made to qualify under the borrowing plan, in case of emergency in the future.

22 Acre Site Cost \$37,000

Present Plans Call for Spring Bond Issue for 1937 Completion

ROME—A 19-month option to purchase 22½ acres of property in Mountain View orchards for a new high school was taken by the Romeo Board of Education last night. The asking price was \$37,000.

The decision culminated three months of discussion on proposed sites.

The site is located on West St. Clair street, 300 feet from the village limits. Another advantage in addition to its proximity to the village, is its accessibility to the Memorial stadium, possibly via a right-of-way from the rear of the property.

In December, school officials requested and were granted sewer and water rights by the village council.

Architects hired by the educators listed other assets of the property including wells and fire hydrants nearby and a road at the rear of the acreage. In addition they say the land is gently sloped and a building can be built to suit its contour with a minimum of grading required.

According to present plans a bond issue will be presented to the voters early this spring to have the building ready for occupancy by the fall of 1937.

Board also approved underwriting the expense of a hearing clinic for kindergarten through eighth grade. Macomb County technicians will probably spend nine days in Romeo and four or five days in Washington. This program is slated to begin Monday.

Milford Rebekah Lodge Installs New Leaders

MILFORD—Installation of officers of the Milford Rebekah Lodge took place Wednesday night. The Novi Rebekah Lodge had charge of the installation.

The following women were installed: noble grand, Alice Bentley; Vice grand, Lora Boring. The recording secretary will be Clara Childs with financial secretary, Ruth Caswell. Ellen Peterson was installed as treasurer.

County Calendar

Troy
The Troy Progressive Extension Club will meet with Mrs. Lyle Walter, 1275 Square Lake Rd., at 8 p.m. Monday. The program theme will be "Hobbies."

Commerce
The Isabella Thoburn Circle is planning a pancake supper for the evening of Jan. 13 and will be serving from 5:30 to 7 p.m. in the church basement.

Becher
The Heart of the Hills Grandmothers Club will meet at 2 p.m. Monday in the Avon Township Hall.

Waterford
The Sacrament of The Lord's Supper will be celebrated at the morning worship hour Sunday at The Lakeland United Presbyterian Church.

Metamora
Hunters Creek Grange No. 1887 will meet tonight at 8:15 p.m. at Hunters Creek. Elwood Grange of Pontiac will have charge of degree work. Potluck refreshments will be served.

MR. AND MRS. GORDON LOCH

Elizabeth Rutledge Wears White Velvet for Wedding

WALLED LAKE—Orchard Lake Community Presbyterian church was the scene of the wedding of Elizabeth Lucille Rutledge, daughter of John M. Rutledge of Royal Oak and Mrs. Elizabeth Rutledge of Westacres, to Gordon L. Loch, son of the Louis Lochs of Anders Road, Pontiac.

The ceremony was performed before members of the immediate families on Dec. 29. Evergreens, red poinsettias, and cathedral tapers decorated the church as Betty was escorted to the altar by her grandfather, Ray D. Baker of Warner Drive, Pontiac.

The bride wore a white velvet gown with an empire waist. With it she wore a crown of white velvet holding her shoulder length nylon net veil. Tiny pink rosebuds accented the white roses of her bouquet. Her only jewelry was a gold cross on a slender chain.

Attending her sister was Barbara Rutledge. Ladell Loch was best man for his brother and his cousin Emory Clark was the usher. A family dinner was held at the Tunda Inn following the ceremony.

The young couple is honeymooning in northern Michigan.

Upon their return Gordon will return to Germany to complete his tour of duty with the Army. Betty will resume her studies at Wayne University.

Missionary Society Slates Monthly Meet

WATERFORD TOWNSHIP—The monthly meeting of the Deborah Missionary Society of the Lakeland United Presbyterian Church will be held at 8 p.m. Monday at the home of Mrs. Dale McClelland, 1401 Tull Rd.

The new officers of the society will assume their positions at this meeting. All women of the church are invited to attend the meeting.

Home Circle to Gather

LAPEER—The Home Circle will meet Tuesday with Mrs. Harold Rogers. Mrs. Donald Kay will be in charge of the program and her topic will be, "Along the Highway of Adventure."

Advisory Group Plans Meeting

Clarenceville Committee to Elect Officers and Discuss Request

CLARENCEVILLE—Dr. Samuel Priest, as temporary chairman, will conduct the Monday meeting of the Advisory Committee of Clarenceville, in room 102 of the high school at 7:30 p.m.

Main items to be considered will be the election of officers and a discussion of the various aspects of the Board of Education's request that the committee make recommendations for future high school facilities.

Edwin Johnson, as chairman; Erwin Klesig and Mrs. Grace Kelly, the nominating committee, will present a slate of officers.

Object of the committee is the consideration of the growing need for school expansion to give room for the present pre-schoolers, who will greatly increase present enrollment when they enter school, and to allow acceptance of the new families brought into the school district through the new housing developments.

The committee hopes that action taken at this time may avert crowded conditions or half-day sessions within the next two years.

Farmington Areas Circulate Petitions

FARMINGTON TOWNSHIP—The Farmington Township Water Development Committee is progressing rapidly and satisfactorily with petitioning in the dry areas of the township. Mrs. Phillip J. Newberg, secretary of the committee, reports.

Petitions are now being circulated in 37 subdivisions of the township. Mrs. Newberg states that two of the subdivisions have been reported complete with more than the required 65 per cent already signed.

It is the hope of the committee that all petitioning will be completed by Jan. 25, when another mass meeting will be held in the gymnasium of the junior high school.

Committee Meets in Avon Township

ROCHESTER—The Rochester-Avon Protective Committee held its second public meeting in the Avon Township Hall Wednesday night. The group, composed of property owners in the outlying districts of Avon Township beyond the village limits, plans to have a speaker at the next meeting at 8 p.m. Tuesday.

Chairman of the group, Charles Morrell, stated that "the meeting was called to enlighten the people who are protesting the city incorporation for Rochester and a part of Avon Township."

Mrs. Thelma Spencer, deputy township clerk, gave figures relative to taxation, "Avon Township including the village of Rochester, whole assessed valuation (as equalized), is now approximately \$19,000,000 and if the village became a city and took in the proposed area in the township, the township would stand to lose a little more than half or about \$10,000,000."

Metamora Ladies Aid Elects New Officers

METAMORA—The Ladies' Aid Society of Pilgrim Congregational Church held its annual meeting at the church on Thursday afternoon. Officers elected to serve for the year are:

President, Mrs. Clarence Skellenger; vice president, Mrs. Anna Cuske; secretary, Mrs. Ruth Miller, and treasurer, Mrs. G. E. Eckel.

Bonnalyn Atwood Weds in Congregational Rite

AVON TOWNSHIP—At a recent afternoon ceremony in Congregational Church, Rochester, Bonnalyn Belle Atwood became the bride of Chauncey C. Smith. The rite was read in the presence of 300 guests.

The bride is the daughter of Mr. and Mrs. A. E. Atwood of 1160 S. Boulevard, Rochester, and he is the son of Mr. and Mrs. LeGrand Smith of Addison.

For the candlelight ceremony the bride chose an empire style gown of crystal white tulle. A band of Alcon lace embroidered with pearls formed the portrait neckline. The beautiful floor-length skirt was trimmed with a band of shirring between two rows of Alcon lace insertion.

A coronet of lace trimmed with seed pearls secured her tiered veil of illusion. She carried an arrangement of white roses and shattered carnations.

Carol Atwood served her sister as maid of honor.

Nicholas Smith, of Addison, was the brother's best man. Seating the guests were James Atwood, Larry Linnard of Maumee, Ohio, Curtis Knowles and Stephen Smith of Addison.

The reception was held at the home of the bride.

The couple left for a southern honeymoon trip. They will then reside at Bainbridge, Ga., where he is serving as a jet pilot with the Air Force.

Argentina is giving bonuses to growers of sunflower-seed and maize this season.

MRS. CHAUNCEY C. SMITH

Council Orders Water Meters

WALLED LAKE—The City Council took the first steps in the establishment of a water department when it ordered 200 water meters at its meeting Tuesday night. The meters will be installed in homes as needed as subdivisions which have community water systems are completed within the city limits.

An ordinance to become effective on Jan. 24 in regard to providing installation, and payment for public improvements was also passed.

It was determined that the city could decide when such things as blacktopping, water mains, etc., were necessary.

It could then determine the amount to be assessed for the payment of the improvement, and schedule public hearings regarding them.

William C. Stamen was appointed to succeed himself for a term of three years on the board of review which considers tax assessments. Hiram Sims was appointed to the vacancy on the city planning commission occasioned by the resignation of Ray Price.

Reveal Engagement

METAMORA — Mr. and Mrs. Donald Travis announce the engagement of their daughter, Janet Lee, to Leon Robert Roney Jr., son of Mr. and Mrs. Leon Roney Sr. of Dryden. No wedding date has been announced.

Police Garage Bids to Open

Authorize Waterford Clerk Louis Barry to Advertise Jan. 14

WATERFORD TOWNSHIP—Waterford Township Clerk Louis Barry will advertise for bids on the township police garage and storage building Saturday, Jan. 14, the Township Board decided at its meeting this week.

Bids on the building, which will house the police and water departments as well as serve as a garage and storage building, will be opened at 8 p.m. Jan. 30 at the Town Hall.

The structure will be erected at the town hall site, corner of M39 and Crescent Lake roads.

The board also approved the erection of one underpass at Donelson School according to specifications submitted by Bob's Building Service, Inc.

Hearing on the construction of sewers in Sylvan Shores was set for Feb. 1, from 9 a.m. until 4 p.m., at the Township Hall.

Fashion Figure Group Chooses Officers at Meet

WATERFORD — The Fashion Figure Club held election of officers at its first meeting of the new year Wednesday.

Named to office were: Mrs. Richard Ridley, president; Mrs. William Kuriz, vice president; Mrs. Yovel Baker, secretary; Mrs. David Boomer, treasurer; Mrs. Van H. Burns Jr., recording secretary; Mrs. John Seales, assistant recording secretary; Mrs. Harold Hunt and Mrs. Joseph Duran, program chairmen.

Others officers include Mrs. Lyle Rose, Mrs. James Dinkel, Mrs. Melvin Olsen, Mrs. Edward Knott and Mrs. Robert McRath.

Extension Chairmen of County Meet Today

A meeting was held this morning in the Oakland County Building on Lafayette Street for chairmen and community chairmen of Home Extension groups of the county.

Speakers were Louis Jarrendt, Oakland county civil defense director; Don Blundon, graduate of the Leader Dog School, Rochester; Barbara Amundson director of the Oakland County chapter of the American Cancer Society; Howard Estes, director of the Oakland County Convalescent Hospital, and Mrs. Estes.

Your PTA Is Planning

Walled Lake to Review Recent Legislative Action

WALLED LAKE — The meeting of the Walled Lake Elementary PTA will be held Monday at 8 p.m. Mrs. Shirley Anderson and Mrs. R. Vining compose the hospitality committee.

Mrs. Myrtle Wierenga of the program committee has announced that the problems of special education will be discussed.

A review of the recent legislative action will be presented in accordance with the legislature's decision to make available 600 beds at Ft. Custer Barracks hospital; 140 beds at the Farmington Children's hospital and the immediate start of a 250 bed unit at Coldwater.

The mothers of the third grade pupils will serve refreshments at the close of the meeting.

Commerce

Commerce PTA will hold its meeting Tuesday at 8 p.m. at the school. Program from the Huron River, Clinton Valley Assn. will be a movie and lecture on Park developments. Refreshments will be served at the end of the evening.

Union Lake

Union Lake PTA will hold its regular meeting at 8 p.m. Monday.

The civil defense program as it affects the school will be discussed by Principal Joseph Wetmore. Jorina Sarton is in charge of the meeting.

Mrs. Mildred Bennett, executive secretary of the Oakland County Chapter of the American Red Cross will be guest speaker. She will discuss Red Cross operation in a na-

tional disaster. Refreshments will be served.

Troy

The Smith School PTA will meet at 8 p.m. Monday, to view a movie, "Foods and Kitchens in Other Lands."

West Bloomfield Township

The next regular monthly meeting of Scotch School PTA will be held on Monday at 8 p.m. at the school.

Speaker for the evening will be Mrs. Gertrude Ealy, principal of Roosevelt School in Keego Harbor. She will speak on "Your School's Reading Program."

The school festival will be held on Saturday, Feb. 4 this year at the school. The theme will be "Under the Big Top."

Sashabaw, Plains

Sashabaw PTA will hold open house at 7:30 p.m. Monday at the Clarkson High School.

A guided tour of the building will be conducted by high school students to acquaint parents with the high school plant.

Of special interest will be the new machine shop, the home economics suite and the new music unit which is complete with practice rooms.

Refreshments will be served in the new cafeteria.

Lapeer Club to Meet

LAPEER—The regular meeting of the Business and Professional Women's Club will be held Monday evening, in the Supervisor's room in the Court House.

JUNIOR EDITORS

WINTER FUN — 5
Sam on Skates

Ice skating, a favorite winter sport for many Junior Editors, is not too difficult. At first, of course, it is hard to keep your balance on the narrow steel runners of the skates. But with practice it becomes easier. Here is Sam, ready for you to cut out and move on the ice or on a smooth table. Paste the picture on this cardboard and color it with crayons or paints in gay colors. Cut it out carefully and fold forward on the dotted line below the skate. Make four holes in the figure as indicated — in the right sleeve, in either side of the scarf and in the mitten.

Fasten a thread so that it can be drawn tight just above your skating table. Then thread it through the holes as shown in the two sketches above. As you slide Sam along the string, he will look like a skater on real ice.

Junior Editors pays \$10 for any reader's idea that is used. Write your suggestion to "Junior Editors" in care of this newspaper; it cannot be acknowledged or returned and in case of duplication of ideas, the first submission shall be accepted.

Tomorrow: Skate Skating.

U.S. Hopes for More Funds to Fight Reds With Words

WASHINGTON (AP)—The administration plans to launch a greatly expanded anti-Communist information offensive in Asia and the Middle East if funds are voted by Congress.

President Eisenhower is expected to ask in his Jan. 16 budget message for an increase of more than 50 per cent in the appropriation for the U.S. Information Agency, for which Congress voted \$5 million last year.

Eisenhower gave a tipoff when he said in his State of the Union message yesterday:

"Justice thrives on ignorance. Because an understanding of the truth about America is one of our most powerful forces, I am recommending a substantial increase in budgetary support of the United States Information Agency."

He did not spell out what purposes the increased propaganda funds would be used for.

However, it was learned that administration officials have decided a much greater effort in the war of words—the idea conflict side of

the cold war—is needed in the Middle East and Asian countries to serve America's own interests there and to counter Communist aims.

The USIA presently operates about 200 posts such as information centers and libraries in 79 countries over the world. But the under-developed countries in Africa and Asia have come increasingly under Soviet pressure and propaganda campaigns.

Officials feel new U.S. efforts should be concentrated in those regions.

Prince of Monaco Wins the Heart of Grace Kelly

MONTE CARLO, Monaco (AP)—Prince Rainier of Monaco, royalty's most eligible bachelor, has captured the heart of Grace Kelly, one of Hollywood's most eligible stars.

Their engagement was announced Thursday—first through a palace announcement here, and then by Miss Kelly's parents, Mr. and Mrs. John B. Kelly, in Philadelphia.

He is 32 and she is 26. Both are Roman Catholics.

MEET ON RIVIERA
The handsome prince met blonde

Miss Kelly when she was making "To Stop A Thief" on the Riviera. He is currently visiting her in the United States.

Rainier rules a mile-square principality on the Mediterranean Coast. His subjects have been anxious for him to marry because the principality reverts to France—with French taxes—if the sovereign dies without an heir.

Monaco has a voting population of about 1,000 but visitors and French residents swell the population to about 20,000. There are no personal taxes, with the government drawing its revenues from the famous Monte Carlo Casino.

OFFICIAL WORD

An official communique issued by the palace said:
"His serene highness, Prince Rainier III of Monaco, is happy to announce his engagement to Miss Grace Kelly, daughter of Mr. and Mrs. John B. Kelly of Philadelphia."

"The news has caused a lively enthusiasm in the principality. The official and private buildings have been decorated with flags and M. Paul Noghes, director of the Cabinet, has informed the high authorities of Monaco."

In Philadelphia Miss Kelly's parents issued this statement:
"We are happy to announce the betrothal of our daughter, Grace, to his serene highness, Prince Rainier III of Monaco."

LUNCHEON GIVEN

Close friends and relatives of the Kelly family were invited to a luncheon for the couple in Philadelphia yesterday.

Miss Kelly visited Rainier at his palace overlooking the Mediterranean last March, during the Cannes film festival. After he showed her the state apartments, the museum, and his private zoo in the palace gardens, the actress declared:

"It was the first time I had ever been received by a prince. His simplicity completely conquered me."

Rainier has reigned over his tiny domain since his ailing grandfather, Prince Louis II, abdicated in 1949. Louis died only four days later.

The romance is not the old story of a poor Cinderella meeting her prince. Grace's father started life as the bricklayer son of a County Mayo farmer in Ireland, but built up one of the biggest brickwork construction companies in the United States.

OLYMPIC WINNER

A champion sculler, Kelly went to England to participate in the Henley Regatta. But he was ruled out by the Henley Committee because he had once "worked with

his hands," which disqualified him as a "gentleman" sculler. But Kelly went to the Olympics where he beat the Henley winner.

In 1947, Kelly's son John B. Jr., "Kelly," wearing the University of Pennsylvania's colors, went to Henley and won a smashing victory. His father had coached him.

Grace has had a long series of top leading men, including Cary Grant, with whom she was costarring when the Prince met her; William Holden, James Stewart, Clark Gable and Ray Milland.

Last March she won a coveted Oscar as the long suffering wife of a drinking actor in "The Country Girl."

JANE P. GERMANY

The engagement of their daughter, Jane, to John Couling Maddox Jr. is announced by Mr. and Mrs. J. H. Germany of Mansfield, Ohio.
He is the son of Mr. and Mrs. John C. Maddox of Birmingham. Jane is a senior at the University of Michigan where John is in the Dental School.
An August wedding will take place in Mansfield.

Personal News of Interest

Attend Netherlands Rite

Mr. and Mrs. William Hollibaugh have returned to their home on Dover road after flying to Amsterdam, Holland, where they attended the wedding of their son, William Alan, an Janita Flentje. The wedding took place on Dec. 28.

Mr. and Mrs. Sydney Owen and daughter, Nancy, of Home street have returned to their home following a vacation in Florida.

They spent the holidays with another daughter, Mrs. Dorion Fulce of Daytona Beach, and their son, Sydney, who is a dental technician with the U. S. Navy, stationed at Key West.

Attending the Tangerine Bowl game on Monday highlighted the recent Florida vacation of Mrs. Carl Clifford of North Telegraph road. While in Orlando, she also visited a cousin, Mrs. W. H. Waite.

RECEIVED OSCAR

The James Daugherty's of Earlmoor boulevard are at home after spending the holidays with relatives in Galena, Ill., and Dubuque, Iowa.

Mr. and Mrs. Warren P. Greenwood of Topeka, Kan., are visiting at the home of Mrs. Greenwood's

mother, Mrs. Claude Kirkham of Euclid avenue.

After spending the holidays with their parents, Mr. and Mrs. William P. McNamara of West Huron street and Mr. and Mrs. Henry L. Morris of Forest street, Mr. and Mrs. Russell F. McNamara and daughter, Lynn, have returned to their home in Pensacola, Fla.

Designers Make 1956 Predictions

Designers predict 1956 fashion as follows:
Claire McCordell: "The high waistline may really go over."
Adele Simpson: "The whole wardrobe will be colorful—but all one color."
Ben Zuckerman: "The suit will look like a suit—not like a dress."
Lilly Dache: "Women will look like flowers."
Helen Lee: "Children will get a large share of the clothing dollar."
Mollie Parins: "Women will still prefer full skirts after 5."

Hollywood columnists have long expected the beautiful actress to have a spectacular romance. One of the latest rumors in that department was that she and French star Jean-Pierre Aumont were interested in each other.

Yesterday Miss Kelly was named by the New York Dress Institute as one of the world's best dressed women. In its poll, she tied for first place with Mrs. William Paley of New York.

PICKED IN POLL

A week ago Miss Kelly was named runnerup to James Stewart in the annual motion picture box office poll in the United States. Hollywood generally has credited her spectacular career to three facts—she is blonde, beautiful—and can act.

Miss Kelly and the Prince will attend an engagement party tonight at the motion picture

actor Walter C. Kelly, the "Virginia Judge" of vaudeville, were uncles.

Mrs. Kelly reportedly was upset over the fact the betrothal was first announced from the palace here rather than by the Kelly family.

PROMINENT GUESTS

Among the guests invited to the Philadelphia luncheon were Gov. and Mrs. George M. Leader of Pennsylvania, and Mayor and Mrs. Richardson Dilworth of Philadelphia.

No details of the coming wedding were disclosed. A press secretary for Mrs. Kelly said all questions would be answered by the actress and the prince at a press conference.

Miss Kelly and the Prince will attend an engagement party tonight at the motion picture

star's apartment in New York. Then they will make their first public appearance following the engagement announcement at a charity ball.

FORMER ROMANCE

Rainier was long linked romantically with Gisele Pascal, beautiful French actress. But Miss Pascal married French actor Raymond Pellegrin last October.

When the prince arrived in New York on his current visit he was accompanied by Father Tucker, the chaplain assigned to him by the Vatican in 1950. Reporters asked the prince what kind of girl he preferred, and he replied she should have "to have many qualities because I'm a horrible character."

The chaplain thought that was too much and interrupted:

"The prince is a good, fine boy—he's no runabout."

Newlyweds to Reside in Pontiac

Marlene Goff and Ronald L. Corbett Exchange Vows

Marlene Sue Goff became the bride of Ronald Lee Corbett in a ceremony performed Saturday by Dr. Tom Malone in Emmanuel Baptist Church. Seventy-five guests were present for the 4 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. Jesse C. Goff of Mount Clemens street and Ronald's parents are the Charles Willard Corbetts of Stonefort, Ill.

As the bride approached the altar on the arm of her brother, Ronald, she was wearing a silver white satin gown fashioned with a fitted bodice and a bouffant skirt in ballerina length.

A tiny cap secured her fingertip veil and her only jewelry was a pearl cross necklace. She carried a bouquet of white roses and carnations.

Elaine Goff, twin sister of the bride, was maid of honor. Her ballerina-length gown was of yellow satin with a bouffant overskirt of net. She carried an arrangement of yellow roses and carnations.

A gown identical in fashion and color to that of the honor attendant was worn by Linda Lee Goff, niece of the bride, who served as flower girl. She carried a basket of yellow and lavender chrysanthemums tied with a pink ribbon.

Robert Corbett served his brother as best man. The bride's recital was sung by Mrs. Emma Schmidt, with the Rev. Dorman Thomas at the organ.

When Mrs. Goff received her guests at the reception held at her home immediately following the ceremony she was wearing a periwinkle blue lace gown with navy accessories and a corsage of white roses and carnations.

Mrs. Corbett chose a navy blue gown with pink accessories for her son's wedding. Her corsage was also of white roses and carnations. The newlyweds will make their home on North Saginaw street.

PATRICIA ANN PARKER

OES Schedules Dinner

Mrs. Rudolph York, worthy matron, and Mrs. Earl J. Bierbauer are serving as cochairmen of the cooperative dinner to be held at the Birmingham Masonic Temple on Jan. 18.

The affair will honor past matrons, past patrons, honorary and life members of Birmingham Chapter 220, Order of Eastern Star.

Following dinner, the past matrons and past patrons will exemplify the degrees of the order.

Those participating will be Mrs. Isaac Kidd and Mrs. David Masters, worthy matrons; J. Parker Eckerman and Ernest Morrow, worthy patrons; Mrs. Melvin Updegraff, associate matron; Darwin

Guidance Club Plans Revelation of Secret Pals

Eighteen members of the Parent Guidance Club met Wednesday at the home of Mrs. E. H. Vierlich on Draper avenue.

Plans were discussed for the revelation of secret pals in February, and Mrs. Walter Mann, president, reported on the Christmas party for the Guided Missile Battalion which was given by the group.

Mrs. U. H. Barnett told the story of "The Mustard Seed" and devotion were given by Mrs. John Huntzinger.

Assisting the hostess with refreshments were Mrs. Q. R. Mahan and Mrs. L. E. Howlett.

Rev. Viekmann Talks to Philathea Class

The Rev. William Viekmann discussed how we received our Bible and Christianity when he spoke before members of the Philathea Class of First Baptist Church.

Mrs. Florence Harcourt was hostess for the Tuesday afternoon meeting held in the church parlors.

A reading by Mrs. Verne Rohm and a duet by the Rev. and Mrs. Viekmann concluded the afternoon program.

Proficiency Group Conducts Meeting

Mrs. Arthur Augustine entertained members of the 1939-40 Proficiency Club, OES, at her home on Atkinson street recently. Mrs. Flora Alexander and Mrs. Margaret Crew assisted the hostess.

Following the business session, games and refreshments were enjoyed.

Mrs. Kenneth Anthony invited the group to gather at her home on Mount Clemens street for their February meeting.

Birmingham Folks Recall Ski Parties

Many Attracted by Thursday Supper at Country Club

BIRMINGHAM—The winter's many social events and association events are beginning, with the just-past holiday weeks being remembered by some residents more than others.

For Mrs. John F. Adamson of Chesterfield Road, there's a cast on her broken right leg to help her recall the ski weekend with her own and numerous other families at Otsego Ski Club.

A half hour of skiing was all she had. She and daughter, Sandy, had gone up early, and were joined by Mr. Adamson for New Year's weekend.

Also in their party were the John Fauvers with John and Joey, and the Robert Fiftes with Pam, Katie and Bobby.

Holiday Hills, near Traversee City, attracted the Harry Stark Jr. family, including Keith and Bobby, last weekend.

Last night at Birmingham Country Club, the buffet dinner attracted more than the usual number of members.

Among these entertaining parties were Mr. and Mrs. R. Cummings, Mr. and Mrs. Alex Kachlaka, the Rodolf Andreassens of Franklin and the John Lachners of Franklin.

New social chairman of the Birmingham club is Mrs. Ted Chick, and aiding her with plans for women's events will be Mrs. Samuel Bullock, Mrs. George I. Connelly and Mrs. Brigham Allen Jr. The social committee met for luncheon today with the club's manager, John Brennan.

TO FETE PROFESSOR

A professor of Bennington College will be honored guest at a party to be given tomorrow night by the Eliot Robinsons at their Linden home. The honoree, Mrs. Julian DeGray, is weekend guest of Mrs. Robinson's parents, the Harry L. Wipson of Aspen.

Among other guests will be Dr. and Mrs. Hilbert DeLaurel, Dr. and Mrs. Nicholas Gumbel, Mr. and Mrs. Minoru Yamashiki, Hawkins Ferry of Grosse Pointe and Ernestine Winston.

Mr. and Mrs. Robinson are planning a trip to New York next week, to visit art museums and attend shows.

Mr. and Mrs. Lawrence Heintz are among couples planning to attend the Experia Club dinner-dance at the Statler Hotel Jan. 14.

Several other couples here may attend the affair, which earns funds to supply shoes for needy Detroit school children.

OPERA MEETING

Leslie Allman of North Cranbrook road, will preside Tuesday at the annual meeting and luncheon of the Detroit Opera Association in the Veterans' Memorial Building, Detroit. He is president of the organization.

Among localities attending will be Mrs. Walker A. Williams, chairman of the women's committee; Mrs. Gunnar Karstrom, coordinator; Mrs. Fred L. Black, Mrs. Roy E. Hawkins, Mrs. Richard Darragh and Mrs. Luther Leader.

Speaker will be Thomas Schippers, Kalamazoo musician, who will be guest conductor of the Detroit Symphony on Thursday.

Parliamentary Study Group Holds Meeting

Mrs. Lester Oles was leader of the day when the Parliamentary Study Club met Wednesday in the Masonic Temple. Sponsor of the group which demonstrated the lesson was Mrs. Lloyd Thornton.

An impromptu speech period was conducted by Mrs. John McNeeley, with members relating the most vivid incident of their life at the age of 10.

Mrs. Homer Feneley served as parliamentarian for the day and conducted the question box. Mrs. Basil Hartt had charge of the guest book.

ANOTHER REPEAT Of This DISTINCTIVE SPECIAL

Jackie Gleason Reduces for Upcoming Operation

By EARL WILSON

OIL AROUND THE TOWN

NEW YORK—I saw Salvador Dali at a party and wished him Happy New Year. "Happy Thanksgiving," he replied, twining his mustachios. Crooner Steve Lawrence says his new NBC contract's first clause prohibits him from reading the rest of the clauses.

Gen. David Sarnoff's trusted aide, V. P. Mannie Sachs of RCA-Victor and NBC, has four NYC offices—but does much business at restaurant tables. Young, wealthy and successful, he's single, though it's known that one glamour gal wired him just before marrying another. "Sorry. Couldn't wait."

Husbands are so mean. TV Producer Jack Hardie summoned a famous surgeon to remove a telephone from wife Jeanne's right ear.

Jackie Gleason's reducing for his operation so doctors can get through to him. Dick Haymes and Errol Flynn, exes of Nora Eddington, were at the same table at El Morocco—probably discussing some old wives' tale. Hot Philadelphia Rumor: That the wife-hunting Prince of Monaco house-guested with Grace Kelly and her famous family.

"Salesmanship's like riding a bicycle—a fellow has to peddle himself to get any place," I. M. M. Detroit.

Louis Armstrong, back from touring Europe, told how a young Italian traveled across Italy to get him to try a trumpet he'd made. He'd made only four before. But Satch decided he must return this boy's faith. He tried it and, "It blew like a horn I never knew could be." He ordered four more. Now the young Italian doesn't need blow his own horn 'cause Satch's blowing it for him all over two continents.

THE MIDNIGHT EARL

Ella Logan's new beau is Producer Howard Hoyt, while Wm. O'Dwyer and Rosemary Ridgeway are still threatenin' Shirl Conway may wed the "Bachelorette" King, prop. of the college rendezvous.

Aly Khan bought Rita a home near Paris. (The Aga took control of a French film company, and she may make movies there). . . . A former big name star is seeing a psychiatrist about insomnia. . . . Readers of Photoplay magazine tabbed Kathryn Grant—Bing's honey—one of 1955's coming stars.

Louis Armstrong rejected \$2,500 for an em-brighter at Cafe Society, then played an hour—for free—'cause Lionel Hampton's there. . . . Gary Cooper's daughter Maria dated Sean McDermott. . . . Fernanda Montell's tossing a big party in Mexico City for bullfighter Dominguito. . . . Elizabeth

Scott is taking singing lessons, hoping for a musical comedy role.

It might comfort you to know that Florida drive-in theaters now advertise "Heaters for Your Car" and that Jacksonville medics list themselves in classified phone-books: "Practice Limited to General Practice."

EARL'S PEARLS

"Show me a careless polar bear," philosophies Frank Cerutti. — and I'll show you a bearskin rug."

WISH I'D SAID THAT: "Some women suffer for their beliefs. They believe they can wear a shoe one size smaller." Vaughn Monroe.

TODAY'S BEST LAUGH: Morty Guntz heard of a chorus girl so dizzy that even when she second guesses, she's wrong. Bob Olin reports on the woman who is really hard to please—she is already unhappy with the things she exchanged her Christmas gifts for. That's earl, brother. (Copyright 1956, the Hall Syndicate, Inc.)

Defoe Weighs Destroyer

BAY CITY (U)—The Defoe Ship Building Co. has launched its 428th ship—a 314-foot destroyer escort. The ship will be christened the Fred F. Lester after a World War II Marine medical corps hero killed June 8, 1945, on Okinawa. His mother, Mrs. Fred W. Lester of Downers Grove, Ill., will christen the ship.

Port traffic at Casablanca for the last six months has shown a 70 per cent gain.

Hollywood Headlines:

Elizabeth Taylor Faces Busy Year Careerwise

By LOUELLA O. PARSONS. HOLLYWOOD (INS)—Any outside producer harboring any delusions about borrowing Elizabeth Taylor this year can forget their dreams.

The violet-eyed honey of MGM will be kept so busy on her home lot hubby Mike Wilding and her children may find trouble "borrowing" her for a night at home.

Immediately following "Rainbow County" (which has a long, long shooting schedule) Elizabeth will star in James Michener's "Until They Sail," which is now being scripted in New York by Robert Anderson.

Philadelphia and Washington on Monday to spend 10 days exploiting her picture, "The Cry Tomorrow," for which she certainly will get an Academy Award nomination.

"I'm going to give interviews, see shows and have fun," Susan told me.

"Anyone in your life?" I asked. "I'm still a married woman," she said. "Mine is the longest case on record. I've been trying to get my freedom for over a year. The judge still has my case under advisement."

"I'm hoping my new year will be happy and that my divorce from Jess Barker, who has made my life pretty miserable all these months, will be granted."

LINDY IN TOWN
Very quietly, Gen. Charles A. Lindbergh flew into town to take a look at Jimmy Stewart in "The Spirit of St. Louis." The general requested that Warner Brothers give out no publicity, since he didn't want anyone to know of his presence in our town.

Lindbergh has what amounts to almost a phobia about any personal publicity, stemming back to his solo flight across the ocean, the first one ever made on May 26, 1927.

Before he'd even allow Leland Hayward to make his life story, Lindbergh exacted a promise that all stories about him be kept down to a minimum.

Snapshots of Hollywood collected at random: Anne Bancroft and Marty May are starting the new year right—with a big reconciliation.

Marion Brando's date these evenings is Rita Moreno. They celebrated New Year's Eve at the Ranch Club in Palm Springs and have had several dates since.

Ronnie Knox, UCLA's football hero, spent a pleasant evening at the Laus with Bellinda Hallett, former Las Vegas chorine. Night before she was with George Raft.

Nat "King" Cole sings "Autumn Leaves" both at the beginning and end of William Goetz's picture named for the popular song.

At the Encore, Sydney Chaplin whispered sweet nothings in Jeanne Coyle's ear. She's Gene Kelly's dance assistant. Syd and Joan Collins have written fins to their romance.

Hard to say which takes up more room at Debbie and Eddie's new Palisades estate—the new swimming pool or Eddie's tremendous record collection which is being moved in this week.

Kim Novak is back after three weeks of hard work plugging

"Picnic." Says the only thing she missed was a college prom and she hopes to get a big some day. This should start a stampede from college swains.

Ed Judson, the forgotten man in Rita Hayworth's succession of husbands, is now operating a successful nightclub in Miami.

At the Mo, Mike Rennie and

English actress Patricia La Fan (pronounced La Fan) were a cozy twosome.

News of the Men in Service

S.A. Paul Daniel Lambert, 17, Force Base in San Antonio, Texas, son of Mr. and Mrs. Lewis Lambert of 1160 Cherrylawn Dr. is now stationed in Norfolk, Virginia. He is aboard the U.S.S. Sierra.

Lambert, who enlisted in the Navy in May, 1955, attended Lincoln Jr. High School and received his basic training at Great Lakes.

LAMBERT
Airman Roger Rice, 20, son of Mr. and Mrs. Charles A. Rice of 480 Spring St. is stationed in the N.A.T.T.C. in California.

Rice graduated from Waterford High School in 1954 and attend Columbus College in Los Angeles, Calif. for a semester. He enlisted in California and received his basic training at the San Diego Naval Base.

A.C. Barbara Sayles, 18, daughter of Mr. and Mrs. Harold Sayles of 4431 Dixie Hwy. is stationed at Gunter Air Force Base in Montgomery, Ala.

Barbara graduated from Waterford High School in the class of 1955 and enlisted in June.

SAYLES She received her basic training at Lackland Air

A.C. Hohn Ramsey, 18, son of Mr. and Mrs. Inman Ramsey of 73 Lull St. is stationed in Puerto Rico.

Ramsey enlisted in the Air Force in March of 1955 and received his basic training at Sampson Air Force Base in Geneva, N.Y.

Prior to his enlistment, he attended Washington Jr. High School.

Pvt. Manuel Lee White, 21, son of Mr. and Mrs. Dave White of 230 Rockwell Ave. has recently been sent to Germany.

White enlisted in the Army in March of 1955 and underwent 27 weeks of training in Fort Riley, Kansas.

Prior to his enlistment, he was employed by Pontiac Motors. He married Norvaline Amps when he was home in October.

Sgt. L.C. Jerome Guilds, 31, son of Mr. and Mrs. Irwin Spencer of 1431 Franklin Rd. is now stationed in Fort Riley, Kansas.

Guilds enlisted in the Army in 1940 and received his basic training at Camp Beauregard, Louisiana.

This is Guilds' third re-enlistment and he is now with the 1st Infantry Division.

Married to Louise Walz, of Germany, they have two daughters, Ilse 8, and Sandra 4.

*It gives you
the gait
—and gas savings, too*

1956 Buick CENTURY 6-Passenger, 4-Door Riviera, Model 63

*(There's double-action take-off
in Buick's new Variable Pitch Dynaflo!*)*

WE HAVE a new thrill waiting for you behind the wheel of a '56 Buick with today's Variable Pitch Dynaflo.

It comes from something the engineers call "double regeneration"—which is another way of saying double-action take-off.

It's a nimble and instant new getaway response you get at an easy nudge on the gas pedal—

Because Buick engineers have now found a way to make Dynaflo's whirling oil add to its own velocity at the very beginning of pedal travel—to turn up higher torque faster right from a standing start.

Know what that means?

It means you now have a brilliant new

nimbleness for city and traffic driving at only part throttle.

It means you now have an instant and solid take-off in your cruising range—even before you switch the pitch of this airplane-principled transmission.

It means you now have better gas mileage than ever before—because you get this snappy new sizzle within the first inch of pedal travel, where you do all your normal driving.

And it means you still have, in reserve, the full-power acceleration of Dynaflo's switch-pitch action when you floor the pedal for an emergency safety-surge.

You really ought to try this new excitement—and all that goes with it—

Like the great new ride—and the sensible new safety features—and the prideful feeling of Buick's new sweep-ahead styling—and the record-high power and compression of big new 322-cubic-inch V8 engines.

So come in and let one of these beautiful new '56 Buicks tell you the story in the way it knows best—on the road, under power, lancing curves, humbling hills. Can you make it this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

JERRY MILLER

Miller Takes Charge of Strand Theater

Now managing the Strand Theater here is Jerry Miller, who succeeds Floyd Wesp, presently manager of the Eagle Theater.

Miller, who started working for Butterfield Theaters at the age of

17 in 1949, has had posts in state theaters including those at Jackson, Battle Creek, Ann Arbor, Flint and Traverse City. He previously managed the Esquire in Lansing.

He is a World War II veteran, having seen two years of service with the Army in Korea.

Miller, a bachelor, is now living in Pontiac but as yet has established no permanent address.

Gen. Doolittle to Speak

SAGINAW (AP)—Gen. James H. (Jimmy) Doolittle will be principal speaker at Saginaw's Salute to President Eisenhower dinner Jan. 20. The \$100-a-plate affair will be one of eight in Michigan to raise campaign funds for the Republican party. Doolittle led a daring U. S. air assault on the Japanese mainland early in World War II.

I'M THE MANAGER'S WIFE

---I Want to Tell You of a Motion Picture I've Just Seen!

The other night my husband invited me to a screening of William Wyler's "The Desperate Hours." We were the only two in the theater. Believe me, both of us sat stunned and electrified for almost two hours as suspense crowded suspense.

We lived every scene . . . breathless and tense with excitement. Nerve tingling thrills piled on thrills mounting to a startling climax.

Here is a story rich in human drama, packed with suspense and tension . . . and of the torment and courage of a father who struggles to keep his family unharmed.

When it was over I realized it was one of the most remarkable motion pictures I had ever seen. See it and I am sure you'll agree with me.

MAKE OR BREAK

Air Lines Jammed

Miami Grid Fans Still Waiting to Get Home

MIAMI, Fla. (U)—Thousands of football fans who flocked to Miami for the Orange Bowl game have found themselves stranded for transportation home but the situation should be back to normal by this weekend.

Harrassed air line clerks said today the past three days and nights have been "helter-skelter" but the backlog of passengers was beginning to ease somewhat and "standbys"—those without reservations—were getting out.

Bus lines also reported a letup in the holiday rush and said travel should be back to normal in a few days. The same report came from railroads.

The game, won by Oklahoma over Maryland, 20-6, attracted a record crowd of 76,561 spectators. Many who came to Miami for the week-long Orange Bowl festivities arrived by private plane, automobile or bus in addition to those who came aboard regular air lines, trains and buses.

The air lines reported record crowds. Eastern Air Lines said its daily flight to Tulsa and Oklahoma City is booked solid for the next few days but a spokesman said "standbys are moving."

Eastern reported 378 standbys got out Wednesday and 394 left yesterday. Eastern hauled 4,466 passengers out of Miami Tuesday, a system-wide record for one day. It carried 4,144 on Wednesday.

National Airlines reported an overflow crowd for the past few days, mostly to Eastern cities, but it said some standby passengers found space through cancellations.

The Iowa Hawkeyes, virtually the same team that won the Big Ten basketball crown last season, must fight out of a terrific slump as they prepare to open defense of their title Saturday night.

The Hawkeyes start their conference campaign at home against hot-shooting Michigan State winner of five of its seven starts. Iowa has taken only three of seven non-conference games and has lost three in a row to Washington, Stanford and California.

"We've just been lacking an offense," means coach Bucky O'Connor. "But we'll snap out of it."

The Hawkeyes have four of their first five regulars back from last year as well as four seasoned reserves and some promising sophomores. But off their record thus far they have slipped from a pre-season co-favorite role with Illinois to the status of a darkhorse.

After entertaining Michigan State, Iowa must travel to Ohio State Monday. The Buckeyes and their great sharpshooter, Robin Freeman, have been beaten only once in nine games (76-67) by Vanderbilts. They opened their Big Ten bid Monday by trimming Michigan 79-65.

Illinois captured a 73-65 decision over Michigan State and Indiana dropped Northwestern 94-61 in other conference openers.

Rounding out Saturday's Big Ten program, Indiana is at Wisconsin in the afternoon for a televised affair. Michigan is at Minnesota and Northwestern at Purdue.

Speedway owner Tony Hulman said last night that major changes in the rules are under discussion but that the time is too short to change them for this year's May 30 contest.

Rules for 1957 will be announced after this year's race, so that prospective entrants will have plenty of time to comply with them.

Speedway's size limitations now rules out stock engines. The limits are 274 cubic inches piston displacement for non-supercharged engines and 183 cubic inches for those with superchargers.

Hulman did not say whether the limits might be raised or whether a new class might be created for stock engines. The speedway has separate specifications of 335 cubic inches for diesel engines, but no diesel has been entered since 1952.

Attempts to cut stock engines down to the present limits and retain top performance have been unsuccessful.

OCSC Gunners Defeat Vickers for 6th in Row

The Oakland County Sportsmen's Club rifle team won its 6th consecutive match Thursday night, doing it the easy way as the host Vickers club was forced to forfeit the decision.

Only three Vickers riflemen showed up for the firing, making it simple for the OCSC gunners. The victory moved the OCSC into a tie for first place with Ford. Ford and the OCSC top the league in both actual and handicap totals.

Milton LaPorte led the Oakland County squad with an actual 193 and Harry Phillips took handicap laurels with 208. R. Williams scored 186-200 for Vickers.

Wardrop twins, Jack and Bert, of Michigan.

Dudeck is the NCAA 200-yard breaststroke record holder. McKewitt holds more meet and conference marks in the free style events than any other swimmer in his Big Seven league. Jack Wardrop set world record in the 220-yard free style with his 2:30.4 and his twin brother is a consistent all-around performer.

Michigan, runnerup in the 1955 Big Ten and NCAA meets, is favored because of its depth of 14 lettermen.

Top entries include John Dudeck of Michigan State, Jim McKewitt of Iowa State and the

Survey Shows Trend

Skiers Flood Upper Peninsula Resorts

MARQUETTE (U)—Skiing is far from new to the upper peninsula. But what's happening to skiing in the area this season is new and different—even to the "Old Pros."

For 16 years the best ski jumpers in the world have soared off Majestic Pine Mountain, the highest artificial ski slide in the world located at Iron Mountain.

Through the Pine Mountain slide and the ski jumpers it produced, the upper peninsula gained an international reputation.

But all this took place before the upper peninsula suddenly found some 600 ski resorts gracing various lodges each weekend this season.

In fact, the research division of the Michigan College of Mining and Technology at Houghton says a survey it conducted shows these resorts are spending nearly half a million dollars annually in the UP.

Further, Michigan Tech says by 1965 a half million dollars will be spent by out-of-state skiers who visit the peninsula. This would be a 300 per cent increase in business.

The survey says the average skier spends \$30 on a trip—usually for a weekend or a short stay.

Why do Michigan skiers travel all the way to the upper peninsula when the 46 ski resorts in the state only eight are located north of the Straits of Mackinac?

The college survey showed:

1. Skiing in the UP is more reliable because there generally is more snow in the northern region.

2. Many skiers prefer to "make the rounds" of good ski slopes and find upper peninsula ones are choice.

3. Facilities at areas in the lower peninsula are too crowded on weekends.

Michigan Tech's research teams conducted their interviews with skiers at the major resorts—Iskoping, Marquette, Iron Mountain, Houghton—Hancock, Gladstone, Ontonagon, Ironwood and Crystal Falls.

Here is the weekend report for winter sports in Michigan:

EASTERN-CENTRAL MICHIGAN—Iskoping packed base, skiing excellent.

IRON MOUNTAIN—7 inch base, three inch new snow, skiing good.

IRON MOUNTAIN—8 inch base, 1 1/2 inch new snow, skiing excellent.

IRON MOUNTAIN—9 inch base, 2 inch new snow, skiing excellent.

IRON MOUNTAIN—10 inch base, 3 inch new snow, skiing excellent.

IRON MOUNTAIN—11 inch base, 4 inch new snow, skiing excellent.

IRON MOUNTAIN—12 inch base, 5 inch new snow, skiing excellent.

IRON MOUNTAIN—13 inch base, 6 inch new snow, skiing excellent.

IRON MOUNTAIN—14 inch base, 7 inch new snow, skiing excellent.

IRON MOUNTAIN—15 inch base, 8 inch new snow, skiing excellent.

IRON MOUNTAIN—16 inch base, 9 inch new snow, skiing excellent.

IRON MOUNTAIN—17 inch base, 10 inch new snow, skiing excellent.

IRON MOUNTAIN—18 inch base, 11 inch new snow, skiing excellent.

IRON MOUNTAIN—19 inch base, 12 inch new snow, skiing excellent.

IRON MOUNTAIN—20 inch base, 13 inch new snow, skiing excellent.

IRON MOUNTAIN—21 inch base, 14 inch new snow, skiing excellent.

Wings' Victory Narrows Gap for 2nd Place

DETROIT NOW ONLY FIVE POINTS BACK OF NEW YORK RANGERS

By THE ASSOCIATED PRESS

It doesn't happen often but the Detroit Red Wings have shown the Montreal Canadiens can be beaten on their home ice and by a one-sided score.

The Wings, defeated by New York Wednesday when the Rangers scored five successive goals in the third period, bounded back last night to whip the Canadiens 5-2 in the National Hockey League's only game.

The victory narrowed the gap between the third-place Wings and the second-place Rangers to 5 points.

It was only the third time the Canadiens had bowed on their own ice this season. The last time was Oct. 27, to the Chicago Black Hawks. The other setback was by Boston on Oct. 20.

Gordie Howe, Metro Prystal, Alex Delvecchio, Jerry Toppazzini and Red Kelly piled up the Detroit goals as the Wings equalled the most goals scored against Montreal in one game this season.

Howe's goal was his 17th of the campaign.

Dollard St. Laurent, Montreal defenseman, suffered a fractured jaw in the third period when he collided with Kelly.

The handsome slugger from Argentina has become quite a favorite with U.S. boxing fans within the last year. He has a string of 13 consecutive victories since his defeat by Kid Gavilan Sept. 13, 1952. Among the victims was Gavilan.

NBC will broadcast and telecast at 10 p.m. EST.

tonight's headline attraction at Royal Oak.

St. Fred's Rams, piloted by Gene Wright, have chalked up victories over Center Line St. Clement and St. Rita of Hazel Park. The Rams' attack is headed by rangy forward Dick Deyon, who has accounted for 35 points.

The Oakland County Sportsmen's Club rifle team won its 6th consecutive match Thursday night, doing it the easy way as the host Vickers club was forced to forfeit the decision.

Only three Vickers riflemen showed up for the firing, making it simple for the OCSC gunners. The victory moved the OCSC into a tie for first place with Ford. Ford and the OCSC top the league in both actual and handicap totals.

Pontiac Club Seeking State Archery Event

Representatives of the Pontiac Archery Club will be in Lansing Sunday, to make a determined effort to return the 1956 Michigan Archery Championships to this area.

The 1955 event was held here, and was a very successful event, according to Al Tang, PAC official, who will attend the annual state session. He will be a candidate for reelection as a District No. 3 director.

Other members of the PAC delegation, seeking the state shot, include Mrs. Tang and Al Orr.

Schedules for the season's shoots, including the big state test, will be set up at this conference, Tang says.

MOBILE, Ala. (U)—Coaches Bud Parker of the North and Paul Brown of the South today decided which of their players will have the job of moving the ball in tomorrow's seventh annual Senior Bowl game.

The coaches also named tough defenses with the accent on weight.

Parker, coach of the pro Detroit Lions, said he will alternate Wisconsin's Jim Halusa and Iowa's Jerry Reichow at quarterback.

The South has passing backs in Bob Hardy of Kentucky, Most Valuable Player in the Blue-Gray game at Montgomery, and George Herring of Mississippi Southern. Hardy will probably do most of the signal calling, with Herring slated for punting duty.

Brown, coach of the pro champion Cleveland Browns and a long rival of Parker, named four running backs. Alternating at left half will be Don McIlhenny of SMU and Fob James of Auburn, the Southeastern Conference's leading ground gainer.

For the North, Lou Baldacci of Michigan and Bob Moss of West Virginia will be called on for the wide plays. Fullback Bill Murauskowski of Purdue was picked for the power bursts.

The South's line will be flanked by All-America Howard Schnellenberger of Kentucky, Hardy's favorite target, and Tommy Harkins of Vanderbilt.

Between the big ends will be tackles Frank D'Agostino of Auburn, another All-America, and Jim Locke of VPI; guards Bob Bolinger of Oklahoma and Scott Suber of Mississippi State and center Bob Scarborough of Auburn.

For the North, Harold Burnine of Missouri and Jim Carmichael of California will anchor the line. Tackles are Sam Huff of West Virginia and John Dittich, a guard for Wisconsin. At guard Parker has Roger Siesel, tackle for Miami of Ohio, and Carl Nystrom, Michigan State All-America.

DETROIT (U)—Julius McCoy of Michigan State and Bill Ebben of the University of Detroit rank 7th and 8th, respectively, in major college basketball scoring.

Statistics released by the National Collegiate Athletic Assn. show Ohio State's Robin Freeman at the head of the parade with 268 points for an eight-game average of 33.5 per game.

McCoy, in only six games, has racked up 180 points for a 30.0 average, and Ebben, in 10 games, has scored 260 points for a 26.0 average per game.

Ebben has 99 field goals and 68 free throw counters, while McCoy has 65 from the field and 30 from the free throw line.

No other Michigan college players placed in the first ten scorers.

DETROIT (U)—Three newcomers to All-Star competition will be seen in action when the pick of the Eastern and Western Divisions meet at Rochester, N.Y., Jan. 24 in the National Basketball Assn.'s All-Star game.

Maurice Stokes, Rochester Rookie from St. Francis (Pa.) and Bob Harrison of St. Louis will be on the Western team and Jack George of Philadelphia on the Eastern.

Bob Pettit of St. Louis was the only unanimous choice among the 20 players selected by a vote of sports writers and broadcasters.

Paul Arizin of Philadelphia and Adolph Schayes of Syracuse missed out on only one ballot.

The 594 squad rolled to a 46-28 win over the 653 quintet, wrapping up the contest with a 14-2 bulge in the 3rd quarter. Bill Taylor and Dale Davis each scored 14 points for the winners while 653's efforts were led by Ed Marlow and Don Smith with 10 apiece.

Ken Titttridge tallied 19 points and teammate Art Branner added 10 as the 596 team drubbed 695's club, 57-38. Local 596 sewed up the game in the 1st half by compiling a 24-14 advantage. Al Therault grabbed scoring honors in a losing cause with 23 points.

George Senesky of Philadelphia

St. Benedict will try to rebound into the victory column at St. James' expense in an SCL encounter tonight at Highland Park while St. Rita and St. Clement battle to escape the league cellar at Center Line High School. St. Michael and O.L. St. Mary are idle tonight.

St. Fred's Rams, piloted by Gene Wright, have chalked up victories over Center Line St. Clement and St. Rita of Hazel Park. The Rams' attack is headed by rangy forward Dick Deyon, who has accounted for 35 points.

The Oakland County Sportsmen's Club rifle team won its 6th consecutive match Thursday night, doing it the easy way as the host Vickers club was forced to forfeit the decision.

Only three Vickers riflemen showed up for the firing, making it simple for the OCSC gunners. The victory moved the OCSC into a tie for first place with Ford. Ford and the OCSC top the league in both actual and handicap totals.

NCAA Plans Ban on 'Free Riders'

Stiff Amendment for Recruiting Provision is Now Being Prepared

LOS ANGELES (U)—The National Collegiate Athletic Assn. indicated today it proposes to amend the rules on "free riders" for college athletes.

A stringent amendment to the alumni would be eliminated by the laws will be presented at the 50th annual convention opening tomorrow. Executive Director Walter Byers said.

So-called "Booster Clubs" of alumni would be eliminated by the amendment, which prohibits NCAA member schools from permitting "an outside organization to utilize or administer funds for the purpose of transporting prospective student athletes to its campus."

Initial discussion of the amendment is scheduled Monday at separate roundtable meetings of faculty representatives and athletic directors. The vote on adoption will be taken at the final convention business session Wednesday.

St. Mary's Irish have victimized the same two foes. Both St. Fred's and the Royal Oak aggregation have lifted eyebrows with their early season spurge, although it must be stated that neither team has yet faced the stronger members of the circuit. Tonight's clash must be called a tossup.

Starting Lineups Selected for Annual Senior Bowl

MOBILE, Ala. (U)—Coaches Bud Parker of the North and Paul Brown of the South today decided which of their players will have the job of moving the ball in tomorrow's seventh annual Senior Bowl game.

The coaches also named tough defenses with the accent on weight.

Parker, coach of the pro Detroit Lions, said he will alternate Wisconsin's Jim Halusa and Iowa's Jerry Reichow at quarterback.

The South has passing backs in Bob Hardy of Kentucky, Most Valuable Player in the Blue-Gray game at Montgomery, and George Herring of Mississippi Southern. Hardy will probably do most of the signal calling, with Herring slated for punting duty.

Brown, coach of the pro champion Cleveland Browns and a long rival of Parker, named four running backs. Alternating at left half will be Don McIlhenny of SMU and Fob James of Auburn, the Southeastern Conference's leading ground gainer.

For the North, Lou Baldacci of Michigan and Bob Moss of West Virginia will be called on for the wide plays. Fullback Bill Murauskowski of Purdue was picked for the power bursts.

The South's line will be flanked by All-America Howard Schnellenberger of Kentucky, Hardy's favorite target, and Tommy Harkins of Vanderbilt.

Between the big ends will be tackles Frank D'Agostino of Auburn, another All-America, and Jim Locke of VPI; guards Bob Bolinger of Oklahoma and Scott Suber of Mississippi State and center Bob Scarborough of Auburn.

For the North, Harold Burnine of Missouri and Jim Carmichael of California will anchor the line. Tackles are Sam Huff of West Virginia and John Dittich, a guard for Wisconsin. At guard Parker has Roger Siesel, tackle for Miami of Ohio, and Carl Nystrom, Michigan State All-America.

DETROIT (U)—Julius McCoy of Michigan State and Bill Ebben of the University of Detroit rank 7th and 8th, respectively

Boxing Guild Adamant Defi to N. Y. Commission Ends Big-Time Fisticuffs

NEW YORK (AP)—Big-time boxing in New York is dead. Final services will be held Jan. 16.

The Boxing Guild of New York last night voted unanimously not to dissolve its membership as ordered by Julius Helfand, chairman of the New York State Athletic Commission, who set a Jan. 16 deadline. The guild said it had the full support of the 16 other guild affiliates.

"We've done nothing wrong," said Charlie Johnston, president of the International Boxing Guild, of which the local guild is an affiliate. "We're ready to fight in New York right now. But if he (Helfand) takes our licenses away, we have to go out of town. We'll go anywhere to get fights. None of us is resigning."

Helfand isn't backing down. He said he would hold a hearing to see if disciplinary action either, from the tone of his press conference yesterday afternoon. He van and Willie Gilzenberg, the St. blasted the Monday night televi-Nick's promoters.

... fight promoters who decided to move to Baltimore, effective Jan. 23, and called one of the Baltimore promoters with whom they will work "Frankie Carbo's representative." Carbo, according to Helfand, is a notorious police character with a powerful influence in boxing.

"I state from the most unimpeachable source that Benny Trotta (who promotes in Baltimore with his son-in-law Angelo Munafò) is Carbo's representative in the city of Baltimore," said Helfand. "In the last three weeks, previous to this deal (moving the televised fights from St. Nicholas Arena in New York to Baltimore) Frankie Carbo and Benny Trotta, whose real name is Benny Magliano, met in the city of Baltimore to engineer the deal."

Helfand said he would hold a hearing to see if disciplinary action either, from the tone of his press conference yesterday afternoon. He van and Willie Gilzenberg, the St. blasted the Monday night televi-Nick's promoters.

DEFY COMMISSIONER — Charlie Johnston, president of the International Boxing Guild of which the New York Boxing Guild is an affiliate, points defiance at Guild headquarters here last night. The Guild voted unanimously not to dissolve its membership as ordered by Julius Helfand, chairman of the New York State Athletic Commission. Helfand outlawed the Guild after a nine-month inquiry and told all managers to get out or lose their licenses.

The Chicago Bears had defeated the Chicago Cardinals six straight times before losing 53-14 last November. It was the Cards' greatest triumph.

Army Athletes Get Chance at Olympic Berths

Korean Servicemen Can Ask for Trials for 1956 Games

SEOUL (AP)—American soldiers stationed in Korea will be given an opportunity to qualify for the Melbourne Olympic games, the Army said today.

Servicemen who might qualify for the Olympic tryouts in the United States may apply to their commanding officers. If accepted they will be sent to the tryouts.

In 1952, 127 members of the Army participated in final Olympic trials in the United States and 40 were selected for the team. Eleven Army men became place and point winners, and Maj. Sammy Lee, a former member of the 8th Army in Korea, won two diving championships.

Wolfpack Here for Chiefs' 3rd Valley Contest

Close, Hot Argument in Sight Tonight on PHS Floor

VALLEY STANDINGS

	W	L	T	PT	AG
Pontiac Northern	2	0	0	125	85
Pontiac Central	2	0	0	143	112
Pontiac	1	1	0	111	124
Bay City Central	1	1	0	127	118
Arthur Hill	1	1	0	85	121
Saginaw	1	1	0	102	147

Other games tonight—Pontiac Northern vs Pontiac Central; Saginaw vs Arthur Hill.

An experienced, capable crew of Bay City Central basketball players tonight invades the big Pontiac High School gymnasium, in search of its 1st victory in the last three starts against the PHS Chiefs.

The Wolfpack, led by Art Paddy, was stopped twice in last year's engagements, one a very close battle.

This tilt is the 3rd Saginaw Valley battle for each squad. They stand tied for 3rd place at 1-1, both having lost to Flint Central.

From the records, Chiefs and Wolves are "even-steppens" in games over the last nine years, since Art Van Rybin took over as head coach mentor. Each has won nine trials. Pontiac has been the better scoring team, however, with a total of 347 points against 281 for the Wolves.

Both mentors figure this will be a close, hotly contested engagement. Each has pointed out an advantage held by the other, but they even up in the final analysis. Van Rybin mentioned Bay City's experience, against his youngsters' lack of that ingredient. Paddy sees Pontiac as having an edge in height, plus the home floor advantage.

Both PHS and Wolves rely heavily on balanced scoring, from all their players. Neither has an outstanding goal-getter.

Starters for tonight's game are: For Pontiac—Willie Dewart, and Rod Treale, forwards; Rod Ray, center; Larry Peet and Dave Dehn, guards.

For Bay City—Karl Proffert and Johnny Kraft or Charley Crampton, forwards; Harold Bush, center; Jim Cheney and Crampton or Kraft, guards.

Little Change in '56 TV Football

LANCASTER, Pa. (AP)—J. Shoder Barr, a member of the NCAA Television Committee and director of athletics at Franklin & Marshall College, says there will be few if any changes in televised football next fall.

Barr, who made the prediction before flying to Los Angeles for the NCAA annual meeting, said reports he received showed general approval of the present NCAA television code.

The code calls for eight "games of the week" and five regionally televised games.

"So far as I have learned," Barr said, "this program seems to meet with the general approval of all. Even the Big 10 and the Pacific Coast Conference, which first were reported opposed to it last year, are said now to be in favor of it."

Walker Sought as Bell's Aide

DALLAS (AP)—Doak Walker, Southern Methodist grid great and a power on the Detroit Lions' professional team until his retirement at the end of the season just concluded, will be offered the job of backfield coach at Southern Methodist, Matty Bell, athletic director announced today.

Walker is in Honolulu for the Hula Bowl football game.

The announcement was made following the resignation of backfield coach Harold (Bo) Hagan yesterday. Hagan will join the Rice Institute coaching staff.

Walker said before leaving for Honolulu that he would not enter the coaching field, but sports observers believe he might change his mind. He operates several business enterprises in Dallas.

Pat Devany Enters Pro Golf Circuit

GROSSE ILE (INS)—Pat Devany of Grosse Ile Country Club, long one of the country's best woman amateur golfers, is turning professional.

The 27-year-old former Michigan State Champion, who is the daughter of Joe Devany, now in his 33rd year as pro at Grosse Ile, has also been Detroit District Champion five times.

Miss Devany said she would leave next week for Florida to join other women stars now touring the winter circuit.

Wolverine Skaters to Play in U.S. Olympic Fund Game

ANN ARBOR (AP)—Michigan's flying Canadians, U.S. National collegiate hockey champs, take on the best U.S. amateurs next Wednesday, Jan. 11th to send more money into Olympic coffers.

The game between Michigan and the U.S. Olympic team means little in its outcome. But like they say, it ain't the outcome, it's the money. This money will go to the U.S. Olympic fund.

The Michigan team, composed of Canadians, has resigned as the top or near-top U.S. collegiate hockey power for eight years. It has come under attack for its large Canadian contingent.

But Coach Vic Heyliger has said time and time again that there are two prime reasons. First Michigan borders Canada. Second, Canadian talent is improving U.S. collegiate and amateur play.

Still, the Olympic squad which meets Michigan will have two Wolverine alums on its roster; goalie Willard Ikola and forward Johnny Matcheffs.

These two are examples of the improved American hockey talent, brought on by playing with the Canadians.

Now the Canadians on the Michigan squad find themselves in the strange position of supporting a U.S. Olympic team or at least helping earn some U.S. Olympic money.

The tickets sell for one, two and three dollars, but there's apparently little chance they will bring in as big a crowd in Detroit's Olympia as the Red Wings.

There is one saving factor for Michigan and the Olympic team: no salaries.

This Week's SPECIAL!

Grains Display Narrow Range

CHICAGO (AP)—Grains held within narrow price limits on the Board of Trade today. Trading slackened from the fast pace of earlier this week but remained well above the slow pace of the holiday period.

A slightly easier tendency appeared in wheat early, representing a continuation of the decline which got under way late yesterday, but the bread grain quickly recovered. Distant futures were most in demand on continued dry weather.

Wheat near the end of the first hour was unchanged to 1/4 higher, March \$2.10 1/4; corn 1/4 to 1/2 higher, March \$1.30; oats unchanged to 1/4 lower, March 65 1/2; rye 1/4 to 1/2 higher, March \$1.23 1/4; soybeans unchanged to 1/4 higher, January \$2.39, and land unchanged to 5 cents a hundred pounds higher.
