www.oucreditunion.org

Dear Friends, Fans, Alumni and Donors,

What an exciting time it is for Oakland University. As we begin this new basketball season, I would like to take this opportunity to speak on some of these significant moments.

Many of you know that Oakland has been growing at a steady pace. The new Engineering Center and Elliott Carillon Tower are now being built, adding to the Human Health Building that opened last year.

You may also have noted our academic expansion, with the addition of many new programs at the university, including a master's degree in public health and programs in graphic design and criminal justice. The Oakland University William Beaumont (OUWB) School of Medicine, Michigan's first M.D. granting medical school in almost 50 years, welcomed its third class, pushing its total enrollment to 223.

All of this, of course, is aimed at attracting and retaining talented students and providing the best possible education for them. In light of all this, I'm happy to report that for the first time in its history, Oakland's enrollment has topped 20,000. It's our 15th consecutive enrollment increase. The School of Engineering and Computer Science is leading the way with a 16 percent increase over 2012. Our freshman class enrollment of 2,560 is the largest ever and our overall student retention rate is up 3.7 percent over last year.

In addition to the projects I've mentioned earlier, we are building a new student housing complex which will house more than 500 students, a new parking structure to accommodate the increased enrollment, an upper fields athletic and recreation enhancement project that includes tennis courts and a track complex, and a new facilities management building. I'm pleased to say that all are within budget and on track for completion prior to the fall semester 2014.

Sincerely,

Betty J. Youngblood

Greg Kampe | 30th Season

No. 3 among active D-I coaches for longest tenure at one school

No. 5 among active D-I coaches in victories at one school

After 29 seasons at the helm, Greg Kampe has led the Golden Grizzlies to five consecutive postseason appearances and three NCAA tournaments (2005, '10, '11).

Kampe became the fifth Division I active coach to win 500 games at one school and is No. 21 among active D-I coaches for victories.

In January 2012, Kampe became part of the 25th Hall of Honor Class as he was inducted into the Hollie L. Lepley Hall of Honor. He was selected as one of the top 20 Mid-Major coaches in the country by Athlon Sports in the summer 2012.

THE COACH

"Consistency is the hallmark of success," says Coach Kampe. Something that he strongly believes and a motto that his programs have been following for years. He has led the Golden Grizzlies to 10 or more league wins in seven straight seasons and 10 of 14. The Grizzlies have won a Summit League-best 68 league games over the last five seasons, 13 more than the next closest conference school.

Kampe is a five-time Summit League Coach of the Year (2000, '03, '06, '10, '11) and National Coach of the Year (2000) by CollegeInsider.com.

During a stretch from 2009-11, Oakland boasted the nation's best conference record at 34-2. The Golden Grizzlies are 70-18 over their last 88 games versus Summit League opponents.

MICHIGAN SUPREMACY

The Golden Grizzlies are 89-31 in league action over the last seven seasons for a .742 winning percentage, better than any other D-I school in the state of Michigan. Michigan State ranks second with a record of 82-40 (.672), followed by No. 3 Western Michigan (62-48/.564), No. 4 Michigan (62-60/.508), No. 5 Eastern Michigan (49-61/.445), No. 6 Detroit (52-70/.426) and No. 7 Central Michigan (46-64/.418).

DIVISION I SUCCESS

Four straight 20-win seasons (2008-12) and five straight postseason berths (2009-13), three NCAA tournaments (2005, '10, '11) and six Summit League championships in 14 seasons is not too bad for a coach that was hesitant when Oakland made the decision to move to Division I. Not too surprising from a coach who was coming off his best season and looked to be a national title contender in D-II that next season.

PRODUCING TOP PLAYERS

Under Kampe's direction, 27 players have went on to play professionally overseas, including two in the NBA; Rawle Marshall played with the Dallas Mavericks (2005-06) and Indiana Pacers (2006-07), while Keith Benson became the first-ever OU player to be drafted as he was selected 48th overall by the Atlanta Hawks in the 2011. He finished as a two-time Summit League Player of the Year and two-time Associated Press All-American and played with the Golden State Warriors (2012).

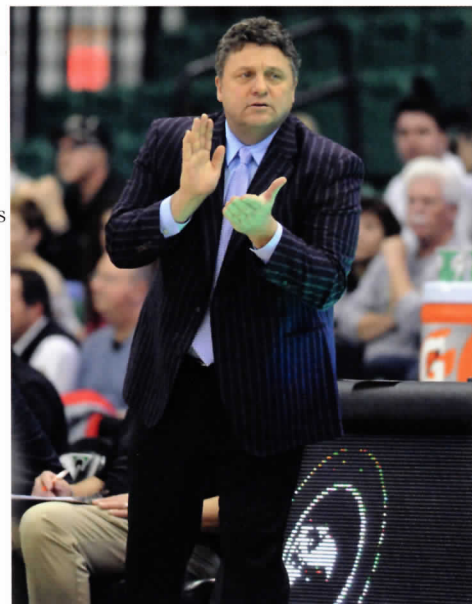

Brian Gregory (1987-90) continues to hold the all-time school record in assists for a career, season and single-game, and has now moved on to be a very successful coach at the collegiate ranks. Gregory worked under Tom Izzo at Michigan State, took over the University of Dayton program where he led the Flyers to an NIT title and three NCAA tournaments, and is in his third year as head coach at Georgia Tech.

FAMILY

A true believer in Oakland's mission that states 'produces graduates and champions', Kampe's oldest son Keith transferred to OU after two seasons on the Cincinnati baseball team. He played two seasons on the Golden Grizzlies' baseball team (2008-09) and graduated in May 2011 with a degree in integrative studies.

Married to his longtime wife Sue, they both reside in Waterford and have three sons, Keith, Branch and Press. Branch played on the LSU football team, while Press is a varsity basketball player at Clarkston High School.

His late father, Kurt, was a guard on the University of Michigan's 1947 Rose Bowl and national championship football team, which went 10-0. Brother Kurt Kampe III, was a two-year letterwinner for the Wolverines in 1974 and '75 as a defensive back.

UNDERGRADUATE WORK

Kampe is a 1978 graduate of Bowling Green State University with a bachelor's degree in business and journalism. He started his coaching career as a graduate assistant at Toledo before accepting the full-time assistant coach's position in 1979.

He earned a Master of Arts degree in physical education while at Toledo. Kampe personally combined excellence as an athlete and in the classroom in college. He is the only athlete in MAC history to earn first team all-Academic honors in both football and basketball. He earned dean's list honors with a 3.40 grade point average at BGSU, and received the President's Award as an outstanding senior student.

OAKLAND
UNIVERSITY™

Jeff Tungate | 1st Season

Spent 7 years with the men's basketball program
Associate Head Coach of Men's Program for 6 years

Jeff Tungate was named the head coach for the women's basketball team on July 16, 2013. He has spent the last seven seasons as the associate head coach for the men's basketball program and is going into his eighth season overall with the Golden Grizzlies.

Tungate began his career as Assistant Girl's Basketball Coach at Clarkston High School followed by one season as Assistant Women's Basketball Coach at Oakland Community College working for Oakland Hall of Honor member Ann Serra.

He spent seven seasons overall with the men's basketball program, six as associate head coach. The Golden Grizzlies experienced unmatched success, making three NCAA tournaments and winning five Summit League championships during his tenure. In 2010, Tungate was an honorable mention selection by CollegeInsider.com for the top 25 mid-major assistant coaches. Over the course of his seven years with the men's program, Tungate worked with six players that played professional basketball, including OU's first-ever NBA Draft Pick Keith Benson, taken 48th overall by the Atlanta Hawks in 2011.

Prior to his return to Oakland, Tungate spent two seasons as the associate head coach at IPFW under current Michigan State assistant coach Dane Fife from 2005-07, helping the Mastodons to the best season in program history at that time. Tungate worked previously at OU during the 2004-05 season that saw the men's team win The Summit League tournament as the No. 7 seed and advanced to their first NCAA tournament since becoming eligible for Division I postseason play in 2002-03. The Golden Grizzlies won the opening round game over Alabama A&M, 79-69, before losing to eventual national champion and top-seed North Carolina, 96-68.

Tungate spent five seasons as head coach of Lincoln Memorial University (Division II) located in Harrogate, Tenn., from 1999-2004. He led the Railsplitters to their best finish in the conference tournament and tied for a program-best 19 wins since moving up to Division II. He also tutored two Gulf South Conference Players of the Year and had a player make all-conference first team in four out of his five years at the helm.

Tungate graduated from Oakland in 1993 with a degree in English. During his time at OU he played on the baseball team where he earned Preseason All-America honors in 1992 and continues to hold the school record for longest hitting streak at 20 games.

Jeff is married to the former Kelley Kleinhans. They both reside in Rochester, Mich., with their two sons, Jordan and Cooper.

Director of Athletics Tracy Huth on Tungate...

"As an alumnus and longtime staff member, Jeff is a valued member of our community. He understands our mission and core values, is committed to the student-athlete experience, is an excellent teacher, and is passionate about Oakland University. I believe Jeff possesses the knowledge, character and integrity that is vital in leading our women's basketball program. It's important to us that the student-athlete members of the team have endorsed his selection as the head coach. My experience as a longtime member of the Oakland community, former women's program coach, and administrator tells me that Jeff is the right person to lead this team. This is a proud day for Oakland Athletics."

FRIENDS OF OAKLAND ATHLETICS

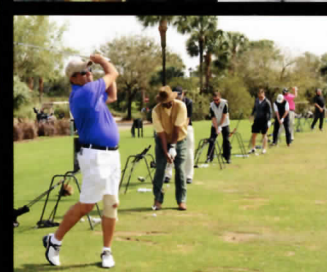

We are truly grateful to all our friends and alumni that generously supported Oakland Athletics and our talented student-athletes over the past year (July 1, 2012 - June 30, 2013) and are pleased to recognize those donors below. Every effort has been made to ensure the accuracy of this list. If there is an omission, mistake or if you would like to customize how your name appears, please accept our sincerest apology and contact the Athletic Development Office at (248) 370-4034.

As a member of the Oakland University Alumni Association, you can make a difference and enjoy the benefits.

As a graduate of Oakland University, you are automatically a member of the Alumni Association. There are no dues. Take pride in knowing that your participation in the Alumni Association makes a difference by contributing to the visibility and value of an OU degree. Your support is important.

MAKE A DIFFERENCE

Impact a student's experience by contributing to the OU Fund or to an OUAA scholarship.

Become informed on issues important to OU by joining the Grassroots Grizzlies Advocacy Network.

Share your professional experience with an OU student.

Open the door for others — volunteer your time as an Alumni Admissions Ambassador.

Update your record to reconnect with OU.

ENJOY THE BENEFITS

Participate in programs and events.

Cheer for the Golden Grizzlies' NCAA Division I basketball teams in the Alumni Gold Zone section. Join fellow alumni at events like the annual Alumni Awards Banquet, the Alumni Welcome Reception at Homecoming and the annual OUAA Golf Challenge, where all proceeds benefit student scholarships.

Enjoy arts, travel and culture.

Pack your suitcase and your love for learning when you travel with the Grizzly Getaway Alumni Travel program. Enjoy campus privileges to Meadow Brook Hall, Meadow Brook Theatre and Kresge Library.

Take advantage of member discounts and services.

Save on group rates for home and auto insurance, short-term medical insurance and Oakland University Credit Union credit card services.

Find out more by visiting us at oualumni.com.

GO GRIZZLIES!

ALL-AROUND EXCELLENCE

CHAMPIONS

Oakland competed in its 14th and final season inside The Summit League in 2012-13. The Golden Grizzlies won five team championships in men's soccer (regular season), women's soccer (regular season, tournament), men's swimming and diving, and women's swimming and diving.

Brittini Hutton captured the second-ever women's cross country individual championship and was named The Summit League Female Cross Country Athlete of the Year.

The **women's soccer team** made history in the NCAA tournament. After winning Summit League regular-season and tournament championships, OU was sent to face No. 4 seed Ohio State in Columbus. After a 1-1 tie in regulation, neither team would score in two overtime periods and were forced to penalty kicks. Shannon Coley would save three PKs and the Golden Grizzlies upset the Buckeyes 3-1 to advance to the NCAA Second Round for the first time in program history.

GRADUATES

Forty-nine Golden Grizzlies earned their degrees in 2012-13 and Oakland led The Summit League for the eighth consecutive year in Academic Honor Roll selections. OU had 15 of its 18 intercollegiate teams earn a team grade point average of 3.0 or higher, while 89 Golden Grizzlies earned Distinguished Scholar recognition for attaining at least a 3.6 GPA. Men's Soccer player Johnny Dreshaj garnered Academic All-America third team accolades, becoming just the ninth OU student-athlete to earn Academic All-American honors.

The men's golf program won two tournaments for the first time since 2006-07. **Evan Bowser** became the first freshman to earn medalist honors at two tournaments and tied the school record with a career-best 65 at the UD Fall Invitational. Bowser became the first OU player to qualify for consecutive United States Amateur Golf Championships in 2012 and '13.

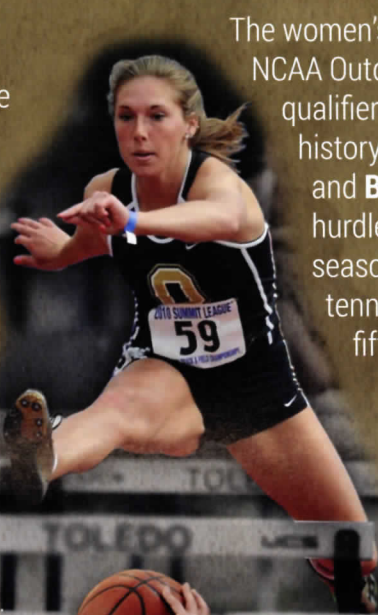

HISTORY

- » 50th Year of Athletics in 2013-14
- » Oakland has won 10 team national championships and ranks 11th all-time with 109 individual national titles in men's swimming and diving, and 21st all-time in women's swimming and diving with 50
- » A total of 233 OU student-athletes have garnered All-America accolades and 99 players have been tabbed player/athlete of the year since the inception of athletics in 1964-65
- » Former Oakland swimmers have appeared in six of the last seven Summer Olympic Games

The **swimming and diving programs** won an unprecedented 14th consecutive Summit League championship. The men's program has never lost a league championship, winning 35 straight going back to the GLIAC days. The women's program has won 22-of-23 league championships, including 19 straight going back to the Division II era.

The women's track and field team had two NCAA Outdoor Regional Championships qualifiers for the first time in program history; Hutton in the 10,000 meters and **Breanna Peabody** in the 400m hurdles. Also having record-setting seasons for the Grizzlies was women's tennis, finishing a program-best fifth, and baseball matched their record of 15 league wins, set a season ago. Baseball and volleyball made consecutive appearances at the league championships for the first time in school history.

Men's Basketball made their fifth consecutive postseason appearance, competing in the CollegeInsider.com Postseason Tournament, while having two players lead the country in statistical categories; Travis Bader in 3-pointers made per game (4.2) and Duke Mondy in steals per game (3.02). Bader and Mondy became the first NCAA statistical champion tandem in Summit League history.

*Above all else, Oakland produces Graduates,
Champions and Friends of the University.*

#FightOakland

ATHLETICS CENTER O'RENA

The Athletics Center O'rena opened in 1998 as the Golden Grizzlies hosted then-No. 5 Michigan State on Nov. 16th. The \$15-million dollar facility hosts locker rooms for all 18 intercollegiate sports, a modern athletic training room, office space for the athletic department, a media room, academic center, booster room, strength and conditioning weight room and equipment room.

Site of some of the most enthusiastic crowds, the atmosphere in the O'rena starts with OU's student section, the Grizz Gang, one of the most vocal groups. With great sight lines from every seat, a brand new state-of-the-art video board, concession areas and a merchandise center, the O'rena is truly a great atmosphere to watch collegiate basketball and volleyball.

HORIZON LEAGUE

WHO WE ARE ...

An NCAA Division I athletics conference comprised of nine Midwestern-based universities with a combined enrollment of 138,000 students engaged in more than 1,200 academic programs and ready to join the ranks of more than 850,000 living alumni.

WHAT WE ASPIRE TO BE ...

A financially sound athletic league that supports the missions of our member schools and develops student-athletes as they become committed citizens who participate in and improve the quality of life in their communities.

Our student-athletes will be measured by academic achievement, citizenship, and athletic performance. The benchmarks for our interactions will be teamwork, fairness, cooperation, and service.

WHY WE DO WHAT WE DO ...

To provide competition, programs and services for our members that support the institutions' goals of educating student-athletes in an environment that values diversity, learning, service to others and personal responsibility.

CONTRACTORS BUILDING FOR THE FUTURE OF OAKLAND

L.J. ROLLS REFRIGERATION CO.

Michigan's HVAC/Refrigeration Experts

L.J. Rolls Refrigeration is one of the largest and most diverse Mechanical and Refrigeration Contractors in Michigan. We take a custom approach to all of our customers' projects and select the correct technology that best fits the assignment.

We collaborate with facility owners and their teams to assure proper design engineering. We work hard to meet customer's specifications for today and tomorrow as production levels, industry standards, quality assurance and environmental compliance codes change. From the concept of design through completion, we are proud to deliver 100% customer satisfaction! Let The ROLLS EXPERTS handle all of your commercial and industrial HVAC/R needs.

For more information, call 810-629-7752 or visit us at www.LJRolls.com

WHY CHART YOUR FUTURE WITH ANYONE ELSE?
