Phone service outage in residence hall April 26-27

Vandenberg and Hamlin halls will experience a phone service outage on Saturday, April 26 and Sunday, April 27 as University Technology Services performs a phone cable splice case repair.

Service will be restored gradually beginning late Saturday and throughout Sunday. The repair should be completed by 5 p.m. Sunday.

In case of an emergency, students are reminded to call (248) 370-3331 from a cell phone to be connected to the Oakland University Police Department.

SUMMARY

Vandenberg and Hamlin halls will experience a phone service outage on Saturday, April 26 and Sunday, April 27 as University Technology Services performs a phone cable splice case repair.
