OAKLAND UNIVERSITY

Two OU campus highlights — the beauty of Beer Lake and the renowned Kresge Library.

In 1957, the late Alfred G. and Matilda Wilson donated \$2 million and their 1,500-acre Meadow Brook estate to Michigan State University to establish a college in Oakland County.

Oakland University was founded in 1957 as a branch campus of MSU, with 570 first-year students. By the mid-1960s, it had evolved into a medium-sized university and in 1970 became an independent, state-assisted university. It now offers more than 70 undergraduate programs and more than 30 graduate programs, and enrolls about 12,000 students.

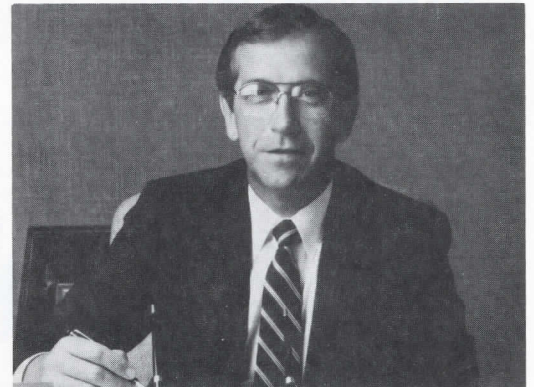

OU's distinct instructional programs — the college of Arts and Sciences, School of Economics and Management, School of Engineering and Computer Science, School of Health Sciences, School of Human and Education Services and School of Nursing — offer a diverse curricula of general education and career preparation courses. Virtually all of these courses are taught by faculty members, not teaching assistants.

The Honors College, a division of the College of Arts and Sciences, meets the educational needs of highly motivated students. The Division of Continuing Education meets the needs of nontraditional adult learners through evening and extension programs.

Academic support facilities include such notable entities as the Eye Research Institute, the only major eye research center in the United States not affiliated with a medical school; the Meadowbrook Health Enhancement Center, which provides health maintenance/health improvement and cardiac rehabilitation community outreach programs; and the Center for Robotics and Advanced Automation, a unit of the school of Engineering and Computer Science that utilizes high technology manufacturing methods.

And OU's professional arts programs annually attract thousands to the campus. OU has received national recognition and local kudos for its Meadow Brook Theatre, Meadow Brook Art Gallery, Meadow Brook Hall and Meadow Brook Music Festival, the summer home of the Detroit Symphony Orchestra.

OU is located 25 miles north of Detroit, in the small town of Rochester. OU's modern campus, which houses the university's many academic and public service programs, is located on a beautifully wooded site — much of it still undeveloped.

OU President, Dr. Joseph Champagne

OU ATHLETIC STAFF

DR. PAUL HARTMAN

Athletic Director

In his career as an athletic director, one which has spanned three decades and covered four different institutions, Dr. Paul Hartman has been one to make visible changes wherever he has been.

As athletic director at Plymouth State College in New Hampshire, his first position, Hartman started a football program with enthusiastic student support. Fifteen years later, a running back named Joe Dudek put that program on the national map with his bid for the Heisman Trophy. In his second post, at Florida International University in 1974, Hartman began a women's golf program. One of the first women's scholarship award winners was Pat Bradley, who later became the first \$2 million winner on the Ladies' Pro Golf Association tour. Hartman did not begin the basketball program at his next stop, the University of Wisconsin-Stevens Point, but one of his athletes there, Terry Porter, drew national attention as an NBA draftee from a non-scholarship school.

The programs Hartman has instituted at Oakland University are not as visible as some at his former schools, but they have been plentiful. The department began a Varsity "O" Club for former athletes, brought back baseball as a varsity sport, and made several changes in the Lepley Sports Center — ranging from a refurbishing of the locker rooms and equipment area to renovation of the offices and the addition of the Pioneer Lounge, which is used for conferences and athletic receptions.

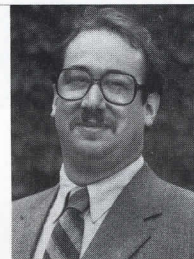

Previously Hartman had developed additional summer camp programs, created a new season ticket plan and instituted a Hall of Honor for exceptional Pioneer athletes, as well as introduced the first athletic team banquet. Additionally since Hartman's arrival, there has been a large changeover in the coaching staff, as well as in the department's support staff.

Hartman, Oakland's third director of athletics, succeeded Corey Van Fleet in June of 1983. The only other AD was OU's founding father of athletics, Hollie Lepley.

A graduate of Ohio State University and a native of Columbus, Ohio, Hartman lives in Rochester with his wife, Jane.

ANDY GLANTZMAN

Sports Information Director

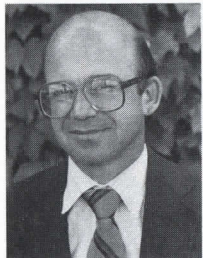

In his fourth year as Sports Information Director is Andy Glantzman. Andy joined the Pioneer staff in August, 1985 after six years in the University of Detroit's Sports Information Office. This Brooklyn, New York native has won six publications awards from CoSIDA, including three last year. Glantzman earned a bachelor of science degree in athletic administration

from St. John's University (NY) and a Master of Business Administration from U of D. He and his wife, Kim, live in Redford.

RON FORBES

Business Manager

Entering his 19th year at Oakland, Ron Forbes serves as business manager for the athletic department. A graduate of Western Michigan University and a native of Royal Oak, he also handles ticket distribution and receipts for the Pioneers.

JOYCE SOWTER

Secretary

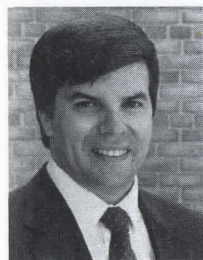

Joyce Sowter is beginning her 11th year as secretary for the athletic department.

Having joined Oakland University in 1978, Joyce and her husband, Bob, live in Rochester. They have four children — Dwight 32, Susan 29, Steve 25, and Mike, 18.

TOM FORD

Head Athletic Trainer

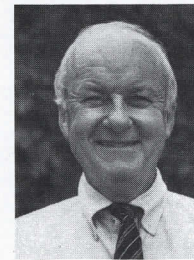

Tom Ford begins his first full year as Oakland University's head athletic trainer. Ford joined the OU staff in January. Ford came to Oakland from Cypress Creek High School in Houston, where he was the school's head trainer for five-and-a-half years. Ford went to Cypress Creek after earning a Master of Science degree in Physical Education with a specialization in

athletic training from the University of Arizona. He earned a bachelor of science degree from Ball State University. Ford, who has served as a trainer at sports festivals and Olympic Training Centers, will travel to Bulgaria in February as a part of the US contingent to the Winter World University Games. Tom and his wife, Kathleen, live in Rochester with their sons Tom, Jr. and Travis.

TOM VanVOORHIS

Marketing and Promotions

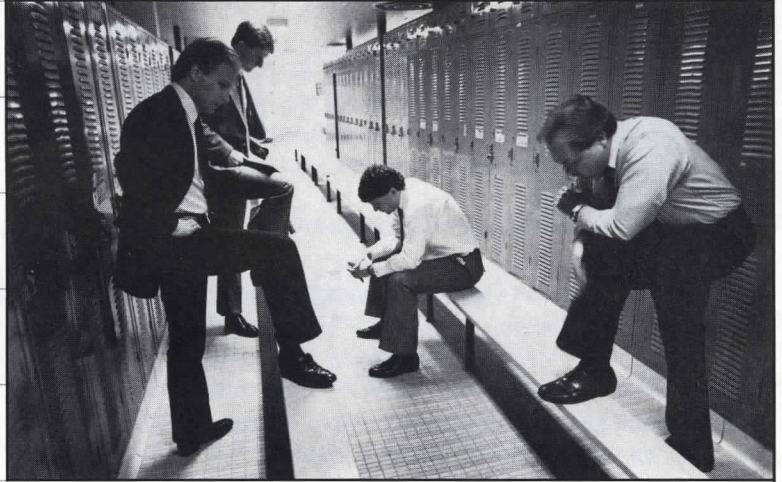

Tom VanVoorhis handles marketing and promotions for the athletic department. Among his duties are selling advertising for Pioneer publications, arranging special game and sports camps promotions and scheduling speaking engagements for the coaching staff. This retired General Motors public relations and marketing employee is a graduate of the University of Michigan.

MEET THE COACHES

GREG KAMPE

HEAD BASKETBALL COACH

Greg Kampe arrived at Oakland University to take over the men's basketball program four years ago with a plan designed to make OU a GLIAC and national contender. That plan has worked to near perfection. The Pioneers rung up a 19-9 record, 11-5 in the GLIAC last year, and are 39-17 over the past two years with back-to-back winning seasons in the league. OU's most GLIAC wins ever and highest league finish (3rd) earned Kampe GLIAC Coach of the Year honors.

"It's a great honor," Kampe said. "I think it says a lot about what we have done with this program in the last four years. We have gone from league doormat to league contender."

Kampe has also added credibility to the OU program in the classroom. Former OU captain and assistant coach Robb Skinner was an Academic All-American candidate in 1985-86. In each of the last two years 40 percent of the nominees for Academic All-GLIAC and two of the five first team selections were Oakland basketball players. The men's basketball team's cumulative grade point average last year was 3.23.

"We've been able to go out and find very good students who are also very good basketball players," Kampe said. "Scott Bittinger is a perfect example of this. He was an All-American and league Player of the Year, graduated with over a 3.00 and got a good job out of college. This is what coaching is all about."

Kampe came to OU from a program that has a long history of combining athletic and academic excellence. The Pioneer coach spent six years as an assistant coach at the University of Toledo before replacing Lee Frederick at OU. During Kampe's six years at Toledo, the Rockets captured three Mid-American Conference (MAC) basketball championships and compiled a 117-57 overall record. The school earned two NCAA tournament bids and one to the NIT. Academically, 91 percent of Toledo's basketball players earned bachelor's degrees, 33 percent of those continuing to earn graduate degrees.

Kampe is a 1978 graduate of Bowling Green State University with a bachelor's degree in business and journalism. He started his coaching career as a graduate assistant at Toledo before accepting the full-time assistant coach's position in 1979. He earned a Master of Arts degree in physical education while at Toledo.

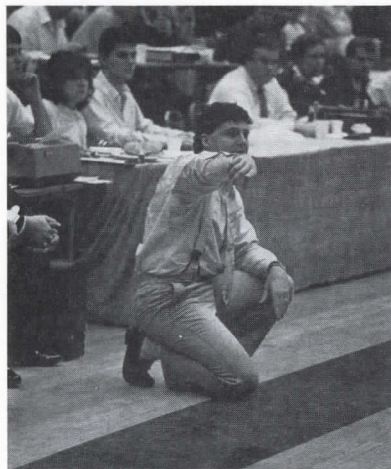

Kampe personally combined excellence as an athlete and in the classroom in college. He is the only athlete in MAC history to earn first team All-Academic honors in both football and basketball. He earned dean's list honors with a 3.40 grade point average at BGSU, and received the President's Award as an outstanding senior student.

His father, Kurt, was a guard on the University of Michigan's 1947 Rose Bowl championship team which went 10-0. Brother Kurt Jr., was a two-year letterwinner for the Wolverines in 1974 and 1975.

The 32-year-old lives in Rochester Hills with his wife, Susan, and their two-year-old son, Keith.

QUOTING COACH KAMPE

HOW DO YOU REPLACE A GUY LIKE SCOTT BITTINGER?

This will be the first time in my head coaching career that I will take the floor without Scott Bittinger at my side. Scott was a special player who has made his place in history at Oakland. Now we have to go on. We are going to do things a little bit differently. Our new players will have certain strengths that we can go to, and the quickness factor in the backcourt will change our team a little bit. We're not going to replace him, we're just going to try to be a better team.

WHAT WILL THE RETURN OF DAVE HINTZ AND STACY DAVIS MEAN TO THE TEAM?

Last year we had a great year, but we lost Dave and Stacy and it really left a big hole in our basketball team. The games we lost were because of our problems in the post. If you look at those games, we lost because we couldn't stop an inside player or we were beaten on the boards. Having Dave and Stacy back will just give us that strength, the enforcer inside. Dave Hintz is an excellent defensive player. No one talked about Dave offensively because as a freshman and sophomore it wasn't his role to be offensive-minded. We were expecting Dave to blossom last year, so hopefully this will be the year that he does.

WHAT ARE YOUR FEELINGS ABOUT SWITCHING FROM THE NORTH CENTRAL REGION TO THE GREAT LAKES REGION?

I'm very upset about it. Our conference last year had three of the top five scoring teams in the nation. It's a great conference that plays exciting basketball. We have gone to the North Central Regional and had more success than the teams from the North Central Conference. Now we've been switched out of that region and our conference has been split up. I have no idea why they are doing this, and something has to be done to get it changed. Our whole conference should go to the same regional. It's going to create chaos. The administrators of our conference are going to have to do something about this.

TWO YEARS AGO WE WERE IN THE TOP TEN IN THE NATION IN DEFENSE. LAST YEAR WE LED THE NATION IN OFFENSE. THIS YEAR WILL WE ALTER OUR STYLE AGAIN. WHY CHANGE STYLES FROM YEAR-TO-YEAR?

You have to go with your personnel. When we lost Dave last year we knew we weren't going to be a very good defensive team because we couldn't guard the post. We had to play up-tempo defensively with pressing and trapping, and that quickened the pace of the game. The strength of our team last year was our ability to score. The year before we were a very young team with one veteran player, and we didn't have any idea how we were going to score. We were ranked high defensively, but we didn't score very many more points offensively either. As long as we stay injury-free in pre-season this year we are going to go into the season thinking we're a pretty good basketball team. We're not going to worry about how many points we are going to score or how we are going to stop people. We are just going to go out and play basketball. Our games are going to be high-scoring - in the 80's or 90's. We are going to be a better team defensively. We won't have to press as much as last year.

IS THIS PROGRAM WHERE YOU WANTED IT TO BE NOW WHEN YOU TOOK THE JOB FOUR YEARS AGO?

When I took the job I told people that it would take us five years to get it done. This is our fifth year. We are very happy that in the last two years we have won 39 games with our recruiting classes. We have gotten better every year, and we're at the point where we are a respected program. This is an important year for us in that we got to where we wanted to be ahead of schedule. Now the key is to not fall back. Many programs will have periods where they do well and then they fall back. Our goal now is to stay in the upper level of the league. I think we are ahead of where we wanted to be going into the fifth year. The sign of a good program is to do it with different players.

HOW DO YOU TAKE THAT NEXT STEP - REACHING THE NCAA TOURNAMENT?

Getting to the next step will take care of itself if we continue to win 20 games every year. Once people begin to recognize us as a power, we'll have the recognition necessary to get a bid to the tournament in Division II. We think we should have been in the tournament the last two years but didn't get selected because we're the new kid on the block.

WHAT MAKES YOU A GOOD COACH?

Who is and isn't a good coach is a matter of perspective. Just because we've been able to win a lot of games the past two years doesn't make me a good coach. As long as I have good players and a good coaching staff we are going to be successful because Oakland is a great school.

BOB LEES

ASSISTANT COACH

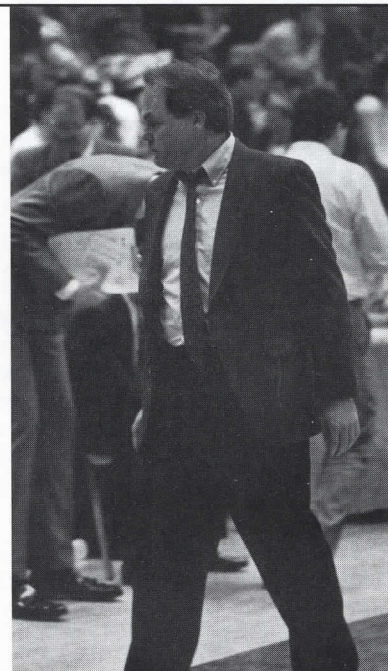

Bob Lees, in his fourth year as Pioneer assistant basketball coach, continued a long relationship with OU coach Greg Kampe when accepting this position. The pair met 12 years ago at the Hoosier Basketball Camp in Lake James, Indiana and have been friends ever since — now they are united on the basketball floor as well.

Lees, 39-years-old, had 13 years of coaching experience and preparation prior to coming to OU, including seven as a varsity high school head coach. Lees spent four years at Constantine High School in Constantine, Michigan, accumulating a 73-16 record at the Class C school. Under Lees, Constantine won three conference crowns and was a four-time district finalist, winning the championship in 1979 — the same year he took the school to the regional finals.

From Constantine, Lees moved on to Westview High School in Topeka, Indiana, where he increased the squad's win total from seven in his first year to 19 in 1984-85. Lees' 19-3 unit captured its conference crown on the heels of Westview's 16-8 sectional finalist the previous season. Lees' coaching record in high school was 192-65, 115-40 as a varsity head coach.

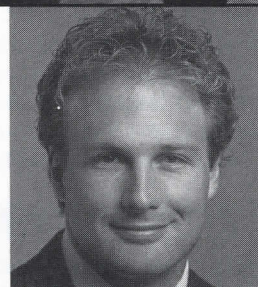

Lees, who also serves as facilities director at Oakland, is a 1972 graduate of Indiana State University with a bachelor of science degree in education. He received his master's in secondary education at ISU five years later. Lees was a three-sport performer at Union City High School in Union City, Indiana, where the basketball squad lost four regular season games in his three seasons.

Lees lives in Auburn Hills with his wife, Denise. He also has a daughter, Darby.

MARK COFFMAN

ASSISTANT COACH

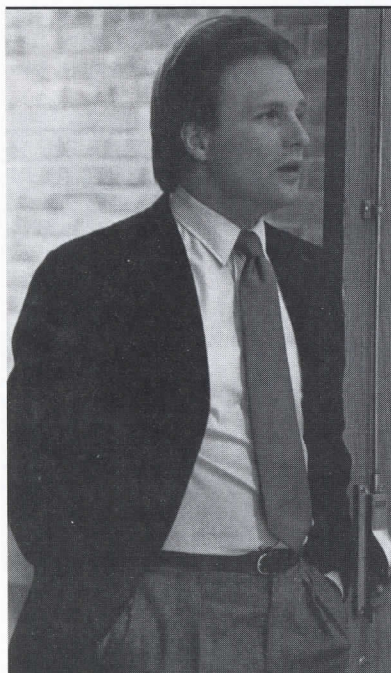

Beginning his second year as an assistant coach at OU is Mark Coffman, who came to OU a year ago with a solid Division I background. Coffman replaced former OU standout Robb Skinner.

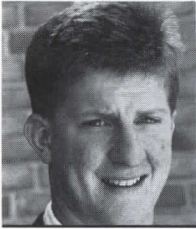

Coffman spent four years prior to coming to Oakland at New Mexico State University in Las Cruces. Prior to that he was an assistant coach for two seasons at Texas Tech University. The 1980 graduate of Western New Mexico University started his coaching career as a student-assistant for three years at his alma mater. After graduation he spent three years as a high school assistant coach in New Mexico before moving on to Texas Tech.

"This job will give me good recruiting experience," Coffman said. "Coach Kampe's got this program going in the right direction. I've always enjoyed being a part of a successful program."

A native of Mishawaka, IN., Coffman is a graduate of Mayfield High School in Las Cruces, where he played on the varsity basketball squad. He played for one season at Western New Mexico before becoming a coach there. He earned a master's degree in educational administration from New Mexico State in 1985.

The 30-year-old Coffman lives in Pontiac with his wife, Karen, and their two-year-old son, Ryan.

ERIC STEPHAN
GRADUATE ASSISTANT COACH

Eric Stephan begins his second year as the graduate assistant coach of the OU men's basketball program. Among Eric's duties are scouting, practices, and academic monitoring. He also serves as the head of contest management at OU.

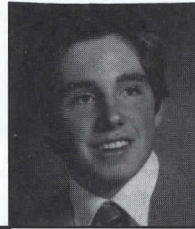

Stephan was a four-year letter-winner at Carthage College in Kenosha, Wisconsin. He started as a senior, averaging five points and seven boards per contest. His high game of 19 points and 15 rebounds came against Concordia-Mequeon.

Stephan earned a Bachelor of Science degree in business administration from Carthage, where he was also Chairman of the President's Advisory Committee and President of the Student Activities Board.

Stephan is a camp veteran, having worked three years at the Metro Index Basketball Camp, as well as at camps at Penn State and James Madison Universities. Stephan has also worked both the OU and Isiah Thomas Basketball Camps at Oakland.

A four-year basketball letterman at Berkley High School, Stephan is currently studying for a master's degree in history at Oakland.

The 24-year-old Stephan is single and lives in Pontiac.

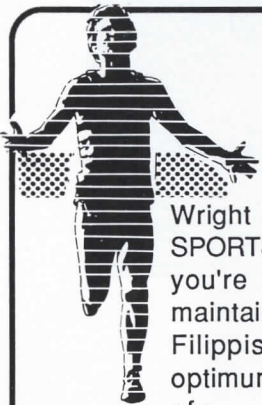

MATT KOSKELA
TEAM MANAGER

In his fourth year as basketball team manager is Matt Koskela. The 21-year-old native of Lake Orion is currently at Oakland Community College, where he expects to receive his associates degree this winter. Koskela, who plans to transfer to OU, was the basketball team manager while attending Lake Orion High School, and still resides in Lake Orion.

MEET THE PIONEERS

HIGH SCORING PIONEERS LOOKING TO EXTEND SEASON

Over the past two years, the Oakland University men's basketball squad has won 39 games while losing just 17. That included OU's first 20-win season in 1987, and a best-in-the-nation scoring average of 95.9 points per game last season. Both times the Pioneers thought they would be extending their campaign with a trip to the NCAA tournament. Both times they were wrong.

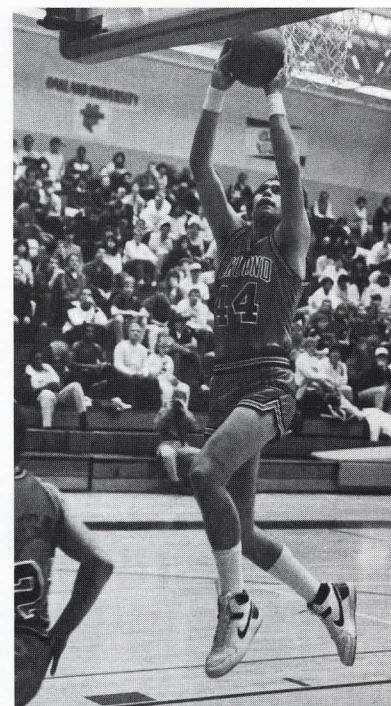

"We think we should have been in the tournament the last two years but didn't get in because we're the new kid on the block," OU coach Greg Kampe said. "If we continue to win 20 games every year people will begin to recognize us as a power and we'll gain the recognition necessary in Division II to be selected to the tournament."

In 1987-88 the Pioneers led the nation in scoring, had a winning percentage of just under .800 against non-Division I schools, and sported perhaps the toughest Division II schedule in the country. OU's 11-5 league mark included a 5-1 record against the other three schools in the GLIAC's top four, with two of the wins coming against NCAA quarter-finalist Ferris State. Despite beating the Bulldogs on the road when they were ranked number three in the country, the Pioneers were left home come tournament time.

This year may be different.

The Pioneers will have to play without graduated All-American Scott Bittinger and four-year standout Pete Schihl, but have a high-scoring trio back to soften the blow. Senior forward John Henderson came into his own as a scorer last year, averaging 17 points per game while shooting 56% from the floor and 86% from the free throw line, good for 13th nationally. The honorable mention All-GLIAC choice also led OU in rebounding at 6.8. The bigger the game, the better Henderson gets. He scored 27 against Mid-American Conference MVP Grant Long and Eastern Michigan, and netted 23 while being guarded by Central Michigan Olympian Dan Majerle.

OU's two other return starters are junior Andre Bond and Brian Gregory. The explosive Bond averaged 16.3 points from his forward spot, and had a high of 40 points against Siena Heights to earn MVP honors in the Convenient Food Mart Classic. Bond also led OU in three-point shooting and blocked shots. Gregory made OU's offense go as the best

OU's high-scoring senior John Henderson will return to forward this year with the return of center Dave Hintz.

HEAD COACH: Greg KAMPE

ASSISTANT COACHES: Bob LEES, Mark COFFMAN

GRADUATE ASSISTANT: Eric STEPHAN

point guard in Division II last year. Gregory tied OU's **career** assist record with 374 in **one season** and set GLIAC and Oakland records for season and game assists. His 25 assists against Northern Michigan is the highest recorded one-game assist total in NCAA history. He also added nearly 15 points per game to Oakland's offense and was a 90% free throw shooter over the second half of the year.

Only five players who played for OU last year are back on the 1988-89 squad. Rounding out the returnees are juniors Skip Townsend and Rodney Wilson. Both Townsend, a 6-8 center, and Wilson, a 6-3 guard, have seen limited action during their Pioneer careers but should see more floor time this season.

The Pioneers do add five experienced players to their 1988-89 roster, three of whom return from OU's 20-win club of two years ago. Dave Hintz, OU's starting center two seasons ago as a sophomore, has recovered from knee surgery and is expected to take his place back in the middle. Hintz anchored OU's stingy defense and was a GLIAC All-Defense choice. Also back are a pair of valuable reserves from two years ago. 6-4 swingman Rob Alvin will be one of only two OU seniors, and can provide much needed outside shooting proficiency. Stacy Davis, a 6-5 forward, was a part-time starter as a freshman and could greatly aid the inside game. The combination of Hintz and Davis' return inside could add another dimension to Oakland's attack.

OU's other two experienced newcomers come via the transfer route. Tony Howard, a junior college product originally from Pontiac, could step right into Bittinger's vacated guard spot. Howard is an outstanding ball-handler and shooter, but his main strength, quickness, would fit right into the OU plans. The other transfer is Dan Kosnik, a starter as a freshman at Michigan Tech. Kosnik, who averaged almost 10 points per game at Tech, is a strongly built forward who can score both inside and out.

"The main strength of our team is that we will have a fifth-year senior, three fourth-year juniors, and two third-year sophomores on our team," Kampe said, "We will have tremendous experience and maturity."

Add to those a trio of freshmen. Bryan Paraham, redshirted a year ago due to knee problems, is a 6-4 jumping-jack who graduated from the same high school as Bittinger, Toledo St. Francis. Eric Taylor should inherit the third guard spot, and like Gregory and Howard lists quickness as a major weapon. OU's three guards rival any in the country. The third frosh is 6-7 forward Lee Fitzpatrick, a strong forward who will aid the inside game.

"Our main strength is our ability to score points and our quickness," Kampe stated. "We can put a lot of combinations on the floor who can score and score quickly. Our backcourt will be extremely quick, and they will be able to do things defensively that will help us score points fast."

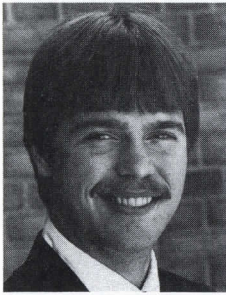

"My main concern is an injury in the post. I don't know how deep we are there. The injury to Hintz hurt us a lot last year," Kampe concluded.

If the Pioneers stay healthy, they have as much experience and depth as anyone in the league. And they also have as much talent. Oakland has been creeping up on the GLIAC since Kampe's arrival four years ago. After a pair of 5-11 records in his first two years, OU achieved its first winning league season in 1986-87 with a 10-6 mark, and bested it last year with an 11-5 record and a third place finish. This year, the fifth year of the Kampe regime, could be when the Pioneers hit paydirt.

Junior point guard Brian Gregory (above) makes the OU offense go, while sharpshooting Andre Bond (below) can put points on the board in a hurry with his hot shooting.

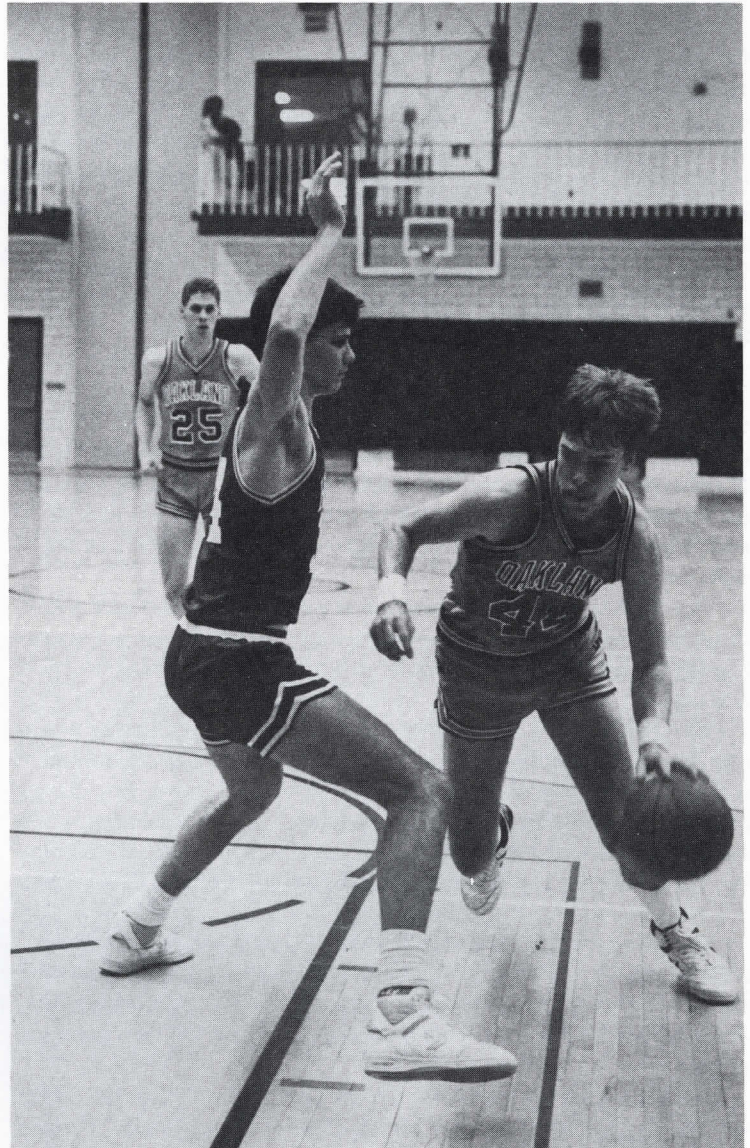

44 JOHN HENDERSON

6-7, 215, Senior Forward

Warren, MI/Michigan Lutheran Seminary

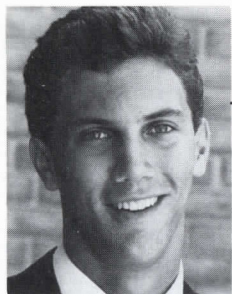

Came into his own as a scorer last year, averaging 17 points per game and shooting 56 percent from the floor...led OU in rebounding with 191...shot .862 overall from the free throw line, best on the squad and 13th best in the country...honorable mention All-GLIAC choice for the second straight year, scoring 14.6 points and grabbing 7.2 boards in the league...was 10th in the league in rebounding, ninth in field goal percentage (.540), and third in free throw shooting (.847)...had his career-high of 27 points last year against Eastern Michigan...rebounding high of 11 came against both Ferris State and West Texas State...was a perfect 12-12 from the charity line against St. Mary's...hit 34 straight free throws during a five-game stretch last year, a school record later broken by All-American Scott Bittinger...also earned honorable mention Academic All-GLIAC honors for the second straight year, carrying a 3.24 grade point average...stands second in career free throw percentage and fourth in field goal accuracy...needs 183 points to reach 1,000...had season averages of 9.8 points and 4.8 rebounds as a sophomore...shot 50 percent from the floor and 81 percent from the foul line...increased his averages to 12.3 points and 5.3 boards in GLIAC play...had an outstanding final three games, averaging 20 points per contest...was responsible for the winning basket in OU's upset win at Wayne State, then hit 16 of 20 field goals in the final two contests against Michigan Tech and Lake Superior State...hit his last 20 free throw attempts as well...had season-highs of 26 points against Northwood Institute, and snared nine boards on three occasions...saw action in all but two games as a freshman, averaging 2.6 points and 1.3 rebounds...shot 49% from the floor and 79% from the charity stripe in his first year of college action...shot 65% from the field in league play...earned one start, opening OU's GLIAC victory at Saginaw Valley State...scored a season-high 12 at home against Northeastern Illinois and on the road at Ferris State...earned 12 letters at Michigan Lutheran Seminary in Saginaw, four each in basketball, cross country, and track...averaged 21 points and 14 rebounds as a senior to earn All-State, All-League, and All-Area honors...earned similar honors as a junior...team MVP as sophomore, junior, and senior...his team won district and regional crowns in his senior year, advancing to the state quarterfinals...All-League and All-County in cross country and track as well...was an All-State harrier as a junior and set the school three-mile record...majoring in elementary education.

3 STACY DAVIS

6-5, 240, Sophomore Forward
Ferndale, MI/Ferndale High School

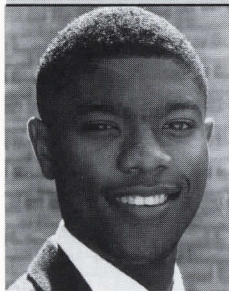

Returns to the Pioneers after a year's absence...should help bolster OU's inside game...averaged 7.5 points as a freshman, fourth on the OU squad...was the Pioneers' number two rebounder at 5.1 caroms per contest...shot 51 percent from the floor and led the team in blocked shots...had season-highs of 18 points vs. Tri-State and 12 rebounds against Northwood Institute...has the potential to be a dominating force inside...a good scorer both inside and out...was a member of everyone's All-State squad as well as an All-League, All-County, and All-Area selection as a prep senior...averaged 23 points, 15 rebounds, and four blocked shots per contest in leading Ferndale to an 18-2 regular season record and the Southeastern Michigan Association Championship...scored a school record 40 points against Royal Oak Kimball during his senior year...shot 65% from the field during his prep career...as a junior he helped lead Ferndale to the Class A state semi-final round before falling to eventual champion Flint Northwestern...played in the Michigan High School Coaches Association All-Star Game held at Central Michigan University.

*Stacy Davis
#3*

10 TONY HOWARD

6-1, 170, Junior Guard
Pontiac, MI/Northern
High School

Is projected as OU's backcourt starter opposite Brian Gregory this year...a good shooter and ball-handler with excellent quickness...should give the Pioneers their quickest backcourt ever...transferred to OU from State Fair College in Sedalia, Missouri...averaged 15 points, six assists, and three steals at State Fair this past season...was an All-County selection as a senior at Pontiac Northern High School during the 1985-86 season...averaged 14 points, six assists, and three steals that year.

Tony J. Howard

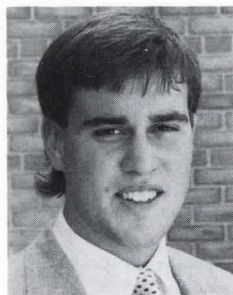

25 DAN KOSNIK

6-5, 210, Sophomore Forward
Royal Oak, MI/Kimball
High School

Transferred to Oakland from Michigan Tech, where he played as a freshman in 1986-87...has three years of eligibility after sitting out last season...figures prominently in coach Kampe's plans for the 1988-89 season...an excellent shooter who is also strong inside...was selected as MTU's top newcomer in 1986-87...played in 26 games starting 14, and averaged 9.7 points and 3.4 boards...averaged 8.4 points and three boards in GLIAC play...was Tech's top three-point shooter...had a high of 20 points...a three-year letterwinner at Royal Oak Kimball High School, where he averaged 20 points and 10 boards as a senior...was All-League, All-Area, All-Suburban, and honorable mention All-State as a prep senior.

Daniel J. Kosnik

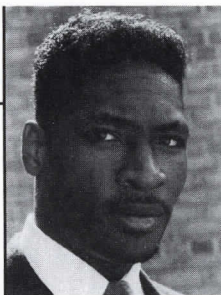

50 LEE FITZPATRICK

6-7, 200, Freshman Forward
Southfield, MI/Birmingham
Brother Rice High School

A strong inside player who comes to Oakland from the outstanding Birmingham Brother Rice program . . . a physical player with good size and shooting ability . . . could see playing time at either power forward or center as a freshman . . . averaged 14 points and 10 rebounds per game as a prep senior . . . decided to stay close to home after considering Bowling Green State and Kent State.

*Lee
Fitzpatrick*

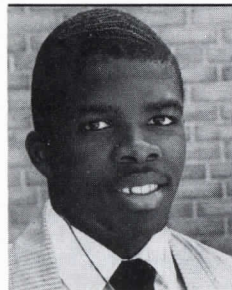

34 BRYAN PARAHAM

6-4, 210, Freshman Forward
Toledo, OH/St. Francis deSales
High School

Is ready to play this season after sitting out his first year at OU with a knee injury . . . an outstanding athlete and great leaper . . . will be in the hunt for front court playing time this year . . . should greatly aid OU's rebounding and inside play . . . comes to Oakland from St. Francis deSales High School in Toledo, the same school that produced Pioneer All-American Scott Bittinger . . . averaged 10 points and seven boards as a high school senior.

Bryan Paraham

30 ERIC TAYLOR

5-9, 175, Freshman Guard
Wyoming, MI/Wyoming Park
High School

An outstanding high school guard who could step right into a major role at OU . . . possesses great quickness and ball handling ability . . . can score both from the outside and on penetration . . . can play either guard spot . . . was a second-team Class B All-State selection out of Wyoming Park High School . . . averaged 25 points, five rebounds, five assists, and three steals as a senior . . . scored a career-high 45 points during his senior season . . . an outstanding shooter who hit 56 percent of his field goals and 83 percent of his free throws . . . scored 14 points per game and added six assists as a junior.

Eric M. Taylor

WALLACE DAVIS

Coach Kampe has elected to redshirt the 6-3 swingman from Saginaw for the 1988-89 season. Davis will be back on the squad for his junior year when the Pioneers open the 1989-90 campaign.

Wallace E. Davis

BORICS WILL GIVE YOU A NEW REASON TO SMILE.

BECAUSE YOU'LL LIKE THE WAY YOU LOOK.

If you've never had your hair cut at BoRics, this is your perfect opportunity. We know you'll be so satisfied with our professional stylists that you'll want to come back again. And again. Just like millions of other satisfied BoRics customers throughout the U.S. and Canada.

Because, at BoRics, you get haircare exactly the way you want it.

Our trained professionals can cut your hair to match your style or create a new one. Either way, we guarantee you will like it.

Our stylists will wet your hair with a special cutting solution, cut your hair into exactly the style you want, and blow it dry.

Clean hair is necessary for accurate hair cutting. You can shampoo your hair on the day of your visit, or, for a small charge, we'll shampoo it for you. Because, at BoRics, you pay only for the services you need.

You can't beat BoRics for convenience, either. No appointments are necessary. Just walk into one of our convenient locations Monday through Friday 9 a.m. to 9 p.m., or Saturday 9 a.m. to 6 p.m.*

Don't settle for the uninteresting styles of a barbershop or the high prices of a beauty salon. Come to BoRics, and give yourself a look—on us. You're going to like what you see. We're sure. *Mall hours may vary.
