Officers Probe Plane Wreckage

AP Wirephoto

IN FLORIDA CRASH — A county officer probes through the wreckage of Eastern Air Lines plane that crashed near Jacksonville early today. Shown is a section of fuselage that remained together as plane broke into pieces and burned.

Ford Surplus Almost 2 Billion

17 Killed in Florida as Airliner Crashes

Plane Hits Tree, Bursts in Flame; No One Escapes

Constellation Shattered Attempting Landing at Jacksonville Airport

JACKSONVILLE, Fla. (AP) —An airliner crashed and burned on its landing run today, killing 17 persons aboard.

It was only a quarter of a mile from the runway at the airport when it hit the top of a tree in the early morning darkness and crashed.

The Eastern Air Lines Constellation was shattered.

Its passengers apparently never had time to try to escape. The cabin was twisted and mashed.

Five of the dead were crew members. On the plane also was a body of a man being shipped from Miami for burial.

No Michigan residents were listed among the victims.

Sixteen of the bodies were badly burned. It was three hours after the 3:40 a.m. crash before firemen could remove them.

NO TROUBLE SEEN

Witnesses said the plane appeared to be in no trouble as it started on its landing run at the port 12 miles north of Jacksonville.

The last word from the pilot, Capt. Tom McBrien, was that he was coming in for a landing.

The flight was 642 from Miami to Boston. Stops were scheduled for Washington and New York.

Wreckage was strewn along a path of about 200 yards. The wings were sheared off and the four motors torn from their moorings.

Small blazes started up in the dry woodland and fire fighters fought for several hours before being able to approach the twisted mass which had been the cabin.

The cabin appeared to have been ripped open, then smashed into a sort of disjointed oblong shape. A small part of the after cabin broke off and remained intact except for a split along the top.

One big pine tree was snapped and it lay across the rear of the cabin wreckage, still smoking as firemen began removing the bodies.

The main part of the wreckage was only a short distance from one of the few houses in the area, just across Highway 17 which leads past the airport. No houses were hit. A chicken coop was torn.

The plane sheared off the top of half a dozen tall pines and took the top out of a large oak tree. It swept a path about 100 feet wide.

Sixty-five yards farther on was the largest portion of the cabin still intact. This was the tail section and rear end of the fuselage.

The bodies were found some 15 yards beyond the tail section.

The Coming of the King

IX—What Wise Men Saw

By NORMAN VINCENT PEALE

The three kings from the East who had followed the star to Bethlehem and were now returning to the East looked puzzled, each in his own way. Casper, the youngest, couldn't possibly have said that the new king they had seen in the stable was a beardless youth. But he had!

Melchior, the second of the magi, spoke next. He had a full black beard, a broad chest and a well-fed look. "Not at all," he said, "The king was a man in the prime of life, not a hairless youngster."

Herod Sends to Bethlehem

Then the eldest of the wise men shook his gray head and stroked his wispy white beard in astonishment. "Why, Caspar and Melchior," Balthazzar said, "the glory of the sight must have dazzled you and veiled your eyes. The king was an elder, matured in his wisdom and appearance both."

Marco Polo tells us no more than this but we know that, in the king the magi saw, each man finds the image of everything good and fine he would like to be. And, where others saw but a child, the wise men saw what was really there.

In the meanwhile, Herod, in Jerusalem, was waiting impatiently for the wise men to come back. Finally, he sent out his spies to find out what had happened to them. When the spies returned, they reported that the magi had gone back to the East without passing through Jerusalem. But they also said that they were sure the infant king must be in Bethlehem.

Herod ranted and raved and cursed. Then he called his captains to him and ordered them to take their soldiers and kill every child under the age of two in the town of Bethlehem!

They lost no time. Soon soldiers were on the road to that little town—and to what is now called the slaughter of the innocents.

Union Blasts Petition Tactics on Parking Plan

Pontiac Motor Local Favors City Project for More Spaces

A Pontiac union has condemned tactics being used by petition circulators seeking a referendum on the city's $600,000 parking program.

Local 653, UAW-CIO, of the Pontiac Motor Division, sent a resolution to the City Commission stating that the members of the local voted unanimously to uphold the actions of the Commission in providing municipal parking for downtown shoppers.

The action resulted from charges of Commissioner John A. Dugan against a petitioning group seeking signatures to gain a vote of a $600.000 municipal parking program.

He charged that petition signers were being scared into signing the documents because of an attached sheet to the forms saying that the program "could mean additional taxes" if approved.

The ordinance providing the project was passed by the City Commission Nov. 22 and would add 624 5-cent-an-hour parking stalls to the present 417.

Sam L. Stolorow, spokesman for the anti-parking group, said last week sufficient signatures had been obtained to force a referendum vote on the program.

He also said "the fact of additional taxes would be substantiated and proven beyond doubt."

On Monday, City Manager Walter K. Willman said there is no chance of a tax boost because certain sections of the ordinance clearly define that the revenue from the meters pay for the maintenance of the proposed lots.

Dawn to Dark Work for Many, It's Shortest Day

Bygone-day feats of working from sunrise to sunset were copied by most area breadwinners today —and all because it was the shortest day of 1955.

Old Sol came up at 7:50 a.m., according to the U.S. Weather Bureau, and will drop below the horizon this afternoon at 5:02. But his daily appearance will be longer from now until June 21, the astronomers tell us.

In case you're curious, today's short span signals tomorrow's beginning of the winter solstice and end of the autumnal equinox. The winter soltice will be with us until the vernal equinox (March 20.)

Anyway, today is a mighty short day.

Lighting Display Ready

Two blocks of North Ardmore St., in which every resident prepares special outdoor Christmas displays are again ablaze with light, with all 36 homes decorated. Motor traffic is one-way only, entering from East Pike street. Motorists are requested to dim headlights while inspecting the displays.

Ailing Youngster's Christmas Dream Fulfilled by Visit From Santa Claus

By GEORGE T. TRUMBULL JR.

Little Dennis Allen saw Santa Claus for the first time yesterday. And it may be the last.

Dennis, 4-year-old son of Mr. and Mrs. Stanley Allen of 80 Collier, is suffering from nephrosis, a kidney disease of children for which there is no known cure and which kills half of its victims.

Since the youngster contacted the disease on Halloween of 1954, he has been confined to a Detroit hospital 13 times.

Denny's present stay began six weeks ago. He is visited by his mother and father every other day and frequently by his twin brother Michael and 8-year-old sister Betty Lee.

Lately, Denny has asked his parents for one thing. "I wish Santa Claus would come down here and see me," he would plead.

Yesterday Denny got his wish. His dad appealed to The Pontiac Press who contacted Federal Department Store Manager Leo M. Panzer. Panzer gladly loaned the store's Santa Claus.

Denny was sitting up on his small hospital bed yesterday when Santa walked into the room. Shy as he is, he covered his eyes with his hands.

When Santa spoke, Dennis took a peek through one of his little hands. When he eyed the grand old man with the whiskers, he dropped his hands from his eyes, giggled, and stuck out his hand to greet St. Nick.

Santa (alias Albert Evans of Pontiac) presented the boy with a picture and viewer donated by Federal's.

As he played with his new toy, Denny, unaware that he has only a fifty-fifty chance to overcome this disease, turned to his mother and said, "Santa Claus must be gone now, mommy."

And he was. But Denny didn't care. He had seen Santa Claus for the first time.

Pontiac Press Photo

A CHRISTMAS DREAM — Santa really came to visit Dennis Allen yesterday, in answer to the ailing youngster's prayer. With St. Nick and Dennis is the boy's father, Stanley, who sought aid in fulfilling the boy's desire to see Santa.

3 Million More Shares Offered for Public Sale

Report to SEC Shows $312 Million Earnings in 9 Months of '55

WASHINGTON (AP)—The Ford Foundation will sell 10,200,000 shares of Ford Motor Co. stock next month, in the largest equity stock issue in history.

A statement filed with the Securities & Exchange Commission today disclosed a boost in the planned amount of the public offering.

Earlier, planning had been on the basis of sale of about seven million shares.

The pioneer auto firm told the SEC its earnings in the first nine months of 1955 were $312,200,000. Sales for the first nine months of 1955 totaled $4,042,600,000 compared with $9,543,778,000 for General Motors and $2,466,251,000 for Chrysler.

Ford's volume for the first nine months nearly equaled the company's total business for all of 1954 — $4,062,300,000 — and was more than twice its 1948 sales of $1,971,200,000.

The registration statement, baring financial records of the 52-year-old company for the first time, listed a surplus — total capital and earnings retained in the business—of $1,840,000,000.

The Foundation evidently made a last-minute decision to boost the amount of the public offering because of indications of heavy mar-

(See story page 26.)

ket demand for the new common stock, which carries voting rights.

Heretofore, sole voting power has resided in the family and heirs of the late Henry Ford.

The stock sale means a shift from family to public ownership, and the registration statement amounts to a request for federal approval for public sale of the stock.

Actual filing of the statement with the SEC was made by Ford attorneys while announcement of the action was issued simultaneously in a dozen cities.

Here, there was a packed news conference at the National Press

Guided Missile Research Budget Needs $1 Billion

WASHINGTON (AP)—The Pentagon, proposing a big boost in its budget next year, contemplates spending a billion dollars for guided missile development.

Secretary of Defense Wilson told a news conference yesterday the military will ask Congress to approve a billion-dollar increase in defense spending over the 34¼ currently estimated for the present year.

The Pentagon proposes also that Congress increase by almost two billion dollars the amount of money appropriated for defense over the 33 billions asked for the current year. About a billion dollars of this would go into the pipeline to pay for weapons to be bought in later years.

Among other new items to appear in Wilson's budget recommendations will be money to begin building the first surface ship to be driven by atomic power. This Navy warship, Wilson indicated, probably will be of cruiser size and incorporate the newest of armaments, such as guided missiles.

* * *

Wilson remarked that he was "not quite ready" to discuss the over-all organization of the armed forces in guided missile development and production.

UP MISSILE STUDY

But he did provide a more definite index of what he previously had described as a substantial expansion in the missile field.

The plan is for the Defense Department to spend about one-third more next year on guided missiles than in the present year. The estimate for such spending this year is about 750 million dollars. Wilson said the shift in emphasis is from conventional weapons to "things we would like to have."

There were questions about the intermediate range, ballistic missile, which Wilson had indicated at an earlier conference should have a range of about 1,500 miles — compared with a sought-for range of 5,000 miles for the intercontinental ballistic missile. The Army is working on an intermediate missile at its Redstone Arsenal at Huntsville, Ala., where it has produced a tactical range rocket called Redstone with a reported 300 to 500-mile range.

Wilson said the Redstone project is "simply an extension of what they have been doing." This suggested that the range of Redstone is being boosted, possibly by the use of a multistage rocket system.

Newsprint Shortage Limits Alpena Paper

ALPENA—The Alpena News, a daily newspaper with circulation of nearly 8,000 will not publish Saturday because of "an alarming shortage of newsprint."

The paper said it also plans to suspend publication the following Saturday and may be forced not to publish on succeeding Saturdays because of the shortage.

"The general paper shortage is due to an unprecedented demand," the newspaper said. "Business in general has never been so good. The paper mills are operating at over capacity, but still are unable to satisfy the demands.

Reluctantly the News takes the drastic step of suspending Saturday's paper. Our thinking is that it is better our readers go without the paper one day a week than eventually to have no paper at all for an indefinite time."

MTA Asks Court to Clarify Ruling

Road Authority Seeking Loophole in Detroit's Opposition to Route

LANSING (AP) — The State Turnpike Authority went back to the State Supreme Court today in an attempt to get around Detroit's opposition to the route of the Saginaw-Flat Rock Toll Road.

The authority asked the court to reconsider and clarify its decision that the toll road law is constitutional and that the authority has full legal authority to build the toll road.

The authority asked whether the court meant to rule that toll road overpasses or underpasses alter city streets and therefore require consent of city governments.

The court's earlier decision said that constitutionally municipalities have sole authority over any changes or closings of their streets and alleys.

The Detroit City Council has expressed opposition to the authority's proposed route through that community.

The authority also asked the court to say whether a municipality's consent is needed to condemn land in a community.

At the same time, Prentiss M. Brown, chairman of the Mackinac Bridge Authority, endorsed the turnpike authority's proposed toll road from Ohio to the Straits of Mackinac.

He said his group's executive committee had endorsed the project and that the authority would consider it at its meeting Jan. 18.

An Honest Little Kid

NASHVILLE, Tenn. (INS)—Two-year-old Michael Bohan was asked by a department store Santa Claus, on whose knee he was perched, what he wanted for Christmas. His reply: "I want down."

Cloudy, Light Snow Is Weather Forecast

The weatherman predicts a slight rise in temperature tomorrow. It will be mostly cloudy with occasional light snow tonight and tomorrow.

The thermometer will register a low tonight of 14-18 degrees. The high tomorrow will be 20-24 with variable winds about five miles an hour.

The lowest temperature reading before 8 o'clock this morning in downtown Pontiac was 11 degrees. The mercury rose to 20 degrees at 2 p.m.

Ike and Mamie to Celebrate First Yule in Capital

WASHINGTON (AP)—The Eisenhowers are back in town to spend their first Christmas in the White House.

Whether there will be a fourth grandchild by the time Santa Claus arrives with his presents for their three grandchildren — David, 7, Barbara Anne, 6, and Susan, going on 4 — is the big question.

And the time of the newcomer's arrival may well determine when President Eisenhower will leave for the warmer climate prescribed by his doctors for further convalescence from his Sept. 24 heart attack.

The only official appointment the President has today is with Secretary of State Dulles, who will make a detailed report on the recent NATO meeting in Paris.

Maj. John Eisenhower and the three grandchildren will spend Christmas at the White House. How long the President and Mrs. Eisenhower will remain there after Christmas is undecided.

After returning from Gettysburg, Eisenhower got in some more work on the State of the Union message he will submit to Congress in January.

Numbers Collecting $13,000 Daily Here, Police Say

"The Numbers" is big business in Pontiac.

This racket, vicious in that it takes most of its money from those least able to afford it, is estimated by Pontiac Police to take $13,000 a day from the pockets of Pontiac citizens.

It redistributes about $9,000 of this daily take. But $4,000 is gravy for the operators.

The racket is based on daily publication of lists of figures. During the racing season, for example, some newspapers publish daily totals of mutuel takes for all races. At other times, the racket makes use of Treasury Department figures or any other list of random numbers.

The numbers chosen can't be predicted in advance, although it is known that they will be published.

Numbers players place their bets the day before publication. And they bet on the last three digits of the number, for example, that tells the mutuel take for the eighth race.

They are betting that they can predict the exact three numbers, in order of appearance. They have one chance in 1,000 of being right.

But the organization pays off at 500 to 1—just half the payoff that their risk entitles them to.

Vice Squad men say the minimum bet permitted is 2 cents—which, if it was lucky, would pay $10. Policy slips have been confiscated in raids which have 50 2-cent bets listed.

If one number in such a list came up, the bettor would be paid $10 for a $1 bet—but he's taking a risk of 20 to 1.

Police estimate—conservatively—that 10,000 people in Pontiac play the numbers every day. Judging from the confiscated policy slips, the average bet works out to $1.30.

That's $13,000 a day. Mathematically, winners in Pontiac would be paid off $6,500 of that.

But there are operating expenses for the organization, too. A contact, who takes bets on the street or in a store or factory, can't be expected to collect more than 100 bets a day. So 100 men in Pontiac are employed for that alone, it is estimated.

They get paid a percentage, which probably totals a payroll of $2,000 a day for the organization. And there are probably one or two relatively "higher-up" men who keep the Pontiac organization moving smoothly, who may collect $100 a day apiece. But the operation won't cost more than $9,000.

Channels for the rest of the money are harder to establish. It certainly goes through Detroit; but if there are regional or national numbers organizations, police haven't been able to uncover them.

People who play the numbers every day have more systems, and more complicated systems, than roulette addicts at Monte Carlo. Methods of inspiration range from drug-doped dreams through divine guidance.

But one thing is sure—in the long run, they don't win. In the long run, they lose just half of the money they gamble.

And the money they lose is making somebody very, very comfortable.

Former Pontiac Resident Dies

Mrs. Loyde Garter, 63, Will Be Buried Here Thursday Afternoon

Mrs. Loyde (Miriam Church) Garter, 63, a former resident of Pontiac died Saturday, Dec. 17, after a month's illness in Orange Memorial Hospital, Orlando, Fla.

Mrs. Garter was the former wife of the late Dr. Eugene Church. After his death she married Loyde Garter.

During the summer months, the Garters made their home at Wolf Lake, Baldwin.

She was born in Oakland County May 6, 1892, the daughter of Elmer H. and Harriet Means Stowell.

Mrs. Garter was a member of All Saints Episcopal Church and had lived in Oakland County most of her life. She was also a member of the Fireside Club, DAR, the Niblick Club and her church guild.

Besides her husband, she is survived by a son, John Eugene Church of Shreveport, La.; a daughter, Mrs. Frank McGowen of Muskegon and three grandchildren.

Other survivors are three sisters, Mrs. Paul Moody of Watkins Lake, Mrs. George Broders of Orlando, Fla. and Mrs. Alfred Smith of Pontiac.

Pallbearers will be Dr. Richard D. Hills, Paul Moody, Phillip Moody, Winslow Broders, Joseph Stockwell and Jack Williamson.

The funeral will be held at 1 p.m. Thursday from All Saints Episcopal Church. The Rev. Lewis Towler, curate of All Saints Church, will officiate with burial following in Oak Hill Cemetery.

Friends of Mrs. Garter may call at the Voorhees - Siple Funeral Home.

Mrs. Cornelius Jewell

Service for Mrs. Cornelius (Alice Julianna) Jewell, 79, who died at her home, 83 S. Parke St. Monday will be held at 2 p.m. Thursday in All Saints Episcopal Church. The Rev. C. George Widdifield, her pastor, will officiate with burial in Perry Mt. Park Cemetery.

Printers Join Strike as Pressmen Agree

DETROIT (AP) — Pressmen and publishers of Detroit's three struck metropolitan newspapers were in agreement today on a new contract. But the settlement had no immediate effect on ending the three-week-old walkout of stereotypers that shut down the dailies.

Stereotypers, already buttressed in strike action by mailers, were joined last night by printers who voted 271 to 14 to strike. The mailers, affiliated with the International Typographical Union which also represents the printers, entered the strike Monday night.

More than 1,200 of the 4,700 employes of the morning Free Press and afternoon News and Times, now are on strike.

The 646 printers said they would join stereotyper and mailer picket lines around the three newspaper plants.

The papers have been closed since Dec. 1 when 116 stereotypers walked off their jobs following expiration of their contract. There are some 450 mailers employed at the three papers.

Pressmen and the publishers came to agreement on a new pact last night.

Kennett Hull, president of Printers Local 18, said printers voted to strike because of "unresolved issues." These, he said, included wages, hours, working conditions, contract expiration dates and "jurisdiction over new printing processes which circumvent handling of type by printers."

Red Duet Returns Home

LONDON (AP) — Prime Minister Bulganin and Communist party boss Nikita Khrushchev returned to Moscow today from their Asian tour.

The luxury flying boat service London to the Isle of Capri has quit — no passengers.

AND THERE IS LIGHT—The voices of the Pontiac Women's Chorus of the Parks and Recreation Dept. echoed across the front of the City Hall last night as Mayor William W. Donaldson officially threw the switch to light the city's community Christmas tree. The tree, a 30 foot white spruce, was given to the city by City Assessor W. Raymond Ransom.

Pontiac Press Photo

12-Year-Old Wants Horse 'to Grow Old With Me'

NEW YORK (AP) — Twelve-year-old Karen Ann McGuire will get a horse that "would grow old" with her, although it will not be Nashua or any other mount of the famous Belair Stud.

* * *

Karen, a blonde fifth grader of Valhalla, N.Y., wanted a horse very badly. When she read in newspapers that the Hanover Bank was handling the sale of the Belair Stud of the late millionaire William Woodward Jr., she wrote the bank a letter, enclosing a drawing of Nashua which she made herself.

"Dear Sirs," she wrote. "I read in the papers today that your are going to sell Nashua and his friends. If you have a horse that no one will buy, I would like to . . .

"The horse will have a good home, one and a half acres of woods and fields and loveing (sic) care. I would like a horse that would grow old with me.

ENTERS $24.03 BID

"My sealed bid is $24.03 but maybe by the time you open the bids I have earened (sic) some more money I can pay a little higher."

Karen's sealed bid failed to top others. Nashua was sold for $1,251,200.

But the bank officials did not forget the girl and her "loveing care" for horses.

They pooled their funds and hired auctioneer Humphrey S. Finney to get Karen a horse to her own liking.

Yesterday, Finney showed up at Karen's home to discuss the matter.

Her first choice, out of a collection of her own sketches, was a black horse with white legs and white tail and main.

* * *

"A white tail," murmured Finney, "very hard to keep clean. Would you, maybe settle for something else?"

* * *

Karen agreed to a pure black one and Finney promised to get busy.

What would she do with a bicycle when she has a horse, Karen was asked.

Pontiac Youth Fined for Beer Possession

A 19-year-old Pontiac youth, arrested yesterday for having beer in his car after police caught him speeding, was sentenced by Municipal Judge Cecil McCallum this morning.

Clarence J. Coker, 4095 Morgan Rd., was fined $100, given 10 days in jail, and placed on probation 6 months.

Another youth, Robert A. Marsino, 17, of 370 E. Tennyson St., pleaded not guilty to the same charge and will be tried tomorrow.

A third boy in the car, under the age of 16, was released to his parents and will appear before juvenile authorities today.

Teachers Group Brings Holiday to Lapeer Home

Nearly 500 persons in the Lapeer State Home and Training School will receive Christmas presents through the efforts of a group of Pontiac teachers, Oakland County Probate Judge Arthur E. Moore said today.

The Pontiac Association for Childhood Education has been distributing gifts at the Lapeer institution for the past several years, Judge Moore explained.

So far this year the presents have come from the Teacher's Exchange Club plus instructors and students at the following schools: LeBaron, Willis, Whitfield, McConnell and Hawthorne.

"The gifts are beautifully wrapped," the judge stated, "and marked so they can be given to the type of patient who will enjoy them most.

"Many patients at Lapeer would not receive Christmas presents if not for the efforts of this group."

Teenagers Admit Lying About Hit-Run Details

Two 17-year-old Pontiac youths admitted yesterday they lied to cover up a hit-run accident Sunday in which two men were injured.

Robert Pena, 14 S. Parke St., told police that he talked his friend into reporting their car stolen after Pena was in the accident at Paddock and Mt. Clemens Sts.

Pena, who said he left the car at the scene on the pretext of summoning police, was charged with hit-run driving. The other youth, Paul Wood, 42 Bellevue St., was not charged, police said.

Harnack Will Filed With Probate Court

The will of former Pontiac businessman and city commissioner Henry H. Harnack has been filed in Oakland County Probate Court listing real estate holdings estimated at $100,000 and $30,000 in personal property.

Harnack, 85, died Dec. 8. His daughter, Mrs. Harry Loch, of 3470 Ward's Pt. Dr., Pontiac, is to receive his property at 21-23-25 E. Pike, which includes several businesses.

His sons, Hugo, of 3303 Livingston Dr., Pontiac; Clyde, of 76 Henderson St., Pontiac and Stewart, of Clarkston, are slated to receive property at 16-18-20 E. Huron St., containing an apartment house and business places. The balance is to be divided equally among the four children.

Public Works Employes Gain State Certification

Two Pontiac Dept. of Public Works employes have completed a state examination to certify them as water treatment plant operators, the Michigan Department of Health announced.

The men, James P. Clancy and James Elieff, were among 27 candidates who fulfilled provisions of the state law which requires that water plant operators be certified as competent to maintain safe water supplies through proper control over treatment processes.

Ear Muffs to Help Ike Decide Brings Thanks

ROCKFORD, Ill. (INS) —Jimmy and Cathy Peterson received a "thank you" note from the White House.

The youngsters apparently tried to determine whether President Eisenhower would seek re-election next year.

Jimmy and Cathy sent a pair of ear muffs to the White House. They were embroidered with the words, "I Will Not Run."

They said today they reasoned: "If everybody wants Ike to run again the same as Daddy (Walter Peterson) does, and if Ike doesn't want to run, he will need the ear muffs to protect himself."

"We got a thank you note today from a presidential aide," Jimmy said. "We're still in the dark on Ike's plans."

Engineer Offers Aid in Toll Road Work

Wayne County Highway Engineer Leroy C. Smith has offered to cooperate in clearing the way for construction of the proposed north-south toll road through his area, Michigan Turnpike Authority Chairman George N. Higgins said today.

"Smith has offered to contribute time to working out engineering problems involved in the route through Wayne County," Higgins explained.

Turnpike authority Chief Engineer E. Thomas Baker and Consulting Engineer Murray D. VanWagoner have been directed to meet with Smith and set up a plan of action, Higgins added.

Social Security Action Delayed

Finance Group's Pileup of Work to Defer Dem Move for Bill Change

WASHINGTON (AP) — A big backlog of business in the Senate Finance Committee appeared likely today to rule out any quick action next year on a Democratic bill to boost social security benefits.

* * *

House Democrats pushed the measure through that body last July. The Senate did not act on it before adjournment, but Democratic leader Lyndon B. Johnson of Texas has put such legislation at the top of a 13-point program he is advocating for his party in 1956.

* * *

Sen. Byrd (D-Va) chairman of the Finance Committee which will handle the measure, said in an interview today his group probably will have to put other issues ahead of social security in the session starting Jan. 3.

Byrd declined to take a position now on the social security measure. He described it as "highly controversial" and said there should be full hearings on it.

* * *

The Eisenhower administration has taken no firm position on the house-passed bill, saying that it should be studied thoroughly in view of the added costs. The measure would lower from 65 to 62 the age at which women may get social security benefits. It would permit payments to disabled workers covered by the system after age 50.

It would add 600 million dollars to social security payments the first year and, to finance this, would raise the social security tax by one-half per cent each for employers and employes. The rate now is 2 per cent on each on the first $4,200 of earnings.

* * *

The disability provision has drawn the fire of the American Medical Assn. (AMA), which asserts it might lead to compulsory national health insurance.

Driver Unconscious After Ramming Pole

A driver who was found unconscious in his car after he rammed it into a utility pole was treated and released from Pontiac General Hospital yesterday.

* * *

Lawrence Reed, 25, of 319 Bagley St., found by Pontiac Police at the corner of Franklin Rd. and Rapid St., said he could remember "nothing" of what happened.

Fired Employe Sues Dairy, Union Local

Edgar Puffpaff, of Clawson, has filed a $100,000 damage suit in Oakland County Circuit Court against the Twin Pines Farm Dairy and United Dairy Workers Local 83 (CIO).

* * *

Puffpaff claims he was employed as a delivery man by the dairy for 17 years prior to July 5 this year. He alleges the company and union combined to dismiss him contrary to provisions of the union constitution.

DR. HAROLD FURLONG

Dr. Harold Furlong Named Staff Chief

Dr. Harold A. Furlong was installed as the new Chief of Staff at Pontiac General Hospital in an election held Monday night.

He succeeds Dr. John P. Williams in the position, who served for a year as will Dr. Furlong.

Elected to Vice Chief of Staff was Dr. Arnold L. Brown. Secretary-Treasurer will be Dr. Kenneth VandenBerg and member at large on the executive committee will be Dr. Clifford T. Ekelund.

Stevenson's Son Injured in Crash

Two Harvard Freshmen Die in Car Driven by Dem Candidate's Boy

ELKHART, Ind. (AP)—Two Harvard University freshmen headed home to Chicago for Christmas were killed in a highway collision today and two classmates were hurt, including Adlai Stevenson's son, John Fell Stevenson, 19.

The dead were William Stanley North III, 19, Lake Forest, Ill., and William C. Boyden Jr., 19, Chicago.

Stevenson, a son of the 1952 Democratic nominee for president, was taken to a hospital in nearby Goshen with a broken right kneecap and severe face cuts. His condition was reported good.

Suffering minor injuries were James F. Gilligan, 19, Nebraska City, Neb., the fourth student; and Fred Gill, 29, Detroit, whose truck and Stevenson's car collided.

Police said the students' car came over the brow of a New York Central Railroad overpass 15 miles east of Elkhart just as Gill was passing a slower truck on the south approach.

The two students who were killed were riding in the front seat with Stevenson, who was driving. Gilligan was in the back seat which was loaded down with skis and ice skates.

North was a son of William S. North II, president of Union Special Machine Co., of Chicago. Boyden's father is a prominent Chicago lawyer.

Gilligan is a son of Dr. J. P. Gilligan of Nebraska City.

State Police said they were holding Gill without charge.

Grocery Store Looted

About $25 and four cartons of cigarettes are missing from a grocery store burglarized Monday night, according to police.

They said entry to the store, at 48 Putnam St., was made through a broken rear window.

Sen. Byrd Charges Foreign Aid Cut British Taxes, Help Pay Danish Debt

WASHINGTON (AP) — Sen. Byrd (D-Va) said today American foreign aid funds had been used to reduce British taxes and help pay off Denmark's debt.

The Virginian cited these as examples of ways he said "billions of dollars have been squandered in foreign economic aid." He demanded such practices be stopped.

Byrd's blast apparently signaled some strong opposition in Congress to the Eisenhower administration's plan to boost economic aid spending by about 200 million dollars in the next fiscal year beginning July 1.

* * *

Byrd, a strong advocate of economy in government, said in an interview he wants economic aid ended, but that he will go along with foreign military assistance at the level the administration proposes—about three billions. Under administration plans, economic aid funds next year would rise to $1,900,000,000.

SAYS CHARGES CONFIRMED

"While I was in Europe this fall, I confirmed through the officials concerned that we gave Denmark 100 million dollars to help pay off her debt," Byrd said.

He added that he had obtained from Harold E. Stassen, former foreign aid chief, confirmation that 200 million dollars in economic aid funds had been given Britain to finance a tax cut before the last British general elections.

* * *

Secretary of State Dulles disclosed yesterday that the administration will ask Congress for $4,900,000,000 in foreign aid appropriations for next year. Byrd said he will oppose any part of this which is designed to build up a reserve fund for foreign aid spending in years ahead.

Dulles said actual foreign aid outlays in the next fiscal year will run about 200 million dollars above the present annual level of about $4,200,000,000.

SEEKS RESERVE FUND CUT

Thus if Congress made available $4,900,000,000 in new appropriations, 500 millions of this would go into the reserve fund. Byrd said this reserve ought to be cut down, not increased.

Secretary of Defense Wilson told a news conference yesterday there should be a "substantial" increase in reserve funds for foreign military aid. He said these reserves had shrunk from a peak of $8,580,000,000 on June 30, 1953, to about $4,800,000,000 now.

* * *

Wilson said some military items require a long time to make and that money should be available for them in advance so firm contracts can be let.

* * *

Byrd said he is not raising objection to any "reasonable" expenditures in that field. But he insisted that contracts could be let under advance congressional authorization without actual appropriation of the money until it is needed.

The Day in Birmingham

Commission to Appoint Deputy City Assessor

BIRMINGHAM — Wilfred E. Taylor, currently city assessor in Battle Creek, will be formally appointed deputy city assessor in Birmingham at the city commission meeting on Tuesday. The appointment as deputy assessor contemplates Taylor's taking over full responsibility as city assessor on the retirement in April of next year of present assessor Elmer Haack.

Taylor is 36 years old and a veteran of three and one-half years military service as a technical sergeant in the army in World War II. Born in Detroit, he has lived most of his life in Battle Creek, attending Washington and Lee University.

Before starting work in the Battle Creek assessor's office in 1948 and becoming assessor in 1952, Taylor was in bulk oil sales and department store management. He has been chairman of the equalization committee on his county's board of supervisors.

Planning to take the local post March 1, he will purchase a home here, to reside with his wife and four children.

* * *

The Planning Board meeting, set for last night, was postponed because three members, including the chairman and vice-chairman, would have been absent. Date will be set later by William H. Burgum, chairman, who was out of town.

* * *

The recent change in the zoning ordinance has brought a flood of inquiries concerning possibility of property owners having their lots switched from residential to the new professional zoning, according to Herbert Herzberg, city planner. He indicated today that he expects formal requests for such rezoning to begin soon.

There are several near downtown areas that would be useful for a medical and law offices but would not create a traffic problem for those patronizing these offices, he said.

* * *

Free on bond are Talbion Herron, 27, 261 N. Saginaw, Pontiac, who was arrested on a charge of driving under the influence of liquor Sunday night, and James Spears, 21,494 Kenton, Detroit, who was with him and charged with being drunk and disorderly. They will be arraigned in justice court Dec. 28.

* * *

Chamber of Commerce has set Jan. 3 for deadline for exchanging gifts that "don't fit, aren't just the right color, or are otherwise unsatisfactory." It's the same date as other municipalities are following.

Most Birmingham stores will be closing at their normal Saturday hour on Dec. 24, and will be closed on Monday, as well as the Monday after New Year's Day.

* * *

Marking his 25th year of teaching music this Christmas is Victor Ulrich, director of the Birmingham High School choir. His group has recently made several appearances before organizations, such as the recent Newcomers Club party at the Community House. He leads his group in French, Swedish and English Christmas carols as well as "Messiah" excerpts. He has been at Birmingham High School since 1938 and used Fred Waring arrangements, learned when he and one other Michigan teacher attended the Waring Summer Music Educator's camp in Delaware several years ago.

* * *

Yuletide schedule at St. James Episcopal church includes Christmas Eve service, beginning with an organ recital at 10:30, with carols at 11 p.m. and Holy Communion and sermon at 11:30.

On Christmas day, Holy Communion services are set for 8 and 10:30 a.m. On Dec. 28, Holy Innocents Day service at 11 a.m. will also include Holy Communion.

Admits Stealing Money

A Pontiac man awaiting sentence in Circuit Court after pleading guilty to armed robbery confessed to Pontiac Police that he also burglarized a city restaurant Dec. 15.

Lester L. Wathen, 30, of 1055 Vinewood Ave., admitted taking $165 from a potato chip box, hidden in the basement of Joslyn Soda Grill, 936 Joslyn St.

Thief Steals Money

The office of Oakhill Cemetery, 216 Mt. Clemens St., was broken into and robbed of $2.88 Monday night, police were told.

A Freezing 8 Below Hits Satan's Kingdom

SATAN'S KINGDOM, Conn., (AP)—They could have used a little fire and brimstone today in the Satan's Kingdom section of New Hartford. It was 8 below zero.

It was a little warmer — an even zero — in two other Connecticut communities with nether region names, Devil's Hopward in East Haddam and Devil's Den in Weston.

But in Kent Furnace, at Kent, it was 10 below, and they weren't burning much charcoal on Charcoal Hill, Westport, where it was 2 below.

Ford Shows Surplus of Nearly 2 Billion

(Continued From Page One)

Club where copies were given to reporters when word was flashed that the actual filing had been completed.

The statement advised the SEC that the company's directors have decided to declare a dividend of 60 cents a share in the first quarter of 1956.

On this basis, the stock would pay $2.40 a year.

The registration statement said, however, that later dividends will be considered each quarter, and will vary "subject to business conditions and the operating and financial position of the company."

The earnings report for the first nine months of 1955 showed earnings amounting to $5.85 a share.

The offering price of the stock will be reported to SEC later—probably just before Jan. 18, the probable date on which the stock will be placed on sale by some 700 brokers and dealers throughout the country.

Speculation on the price has ranged as high as $75 a share, which would mean the Ford Foundation would receive three-quarters of a billion dollars in cash for reinvestment.

Nevertheless, the offering represents only about 22 per cent of the Ford stock holdings of the fabulously wealthy Ford Foundation.

The prospectus disclosed that dividends equivalent to $3.27 a share of the capital stock outstanding on Dec. 1, have been paid so far in 1955.

Of this amount, $1.31 a share was considered extra dividends.

The Ford consolidated balance sheet shows total assets as of Sept. 30 of $2,483,010,550, of which $1,144,191,895 represented plant and equipment. Among the assets listed was $542,232,312 in marketable securities, principally of the government.

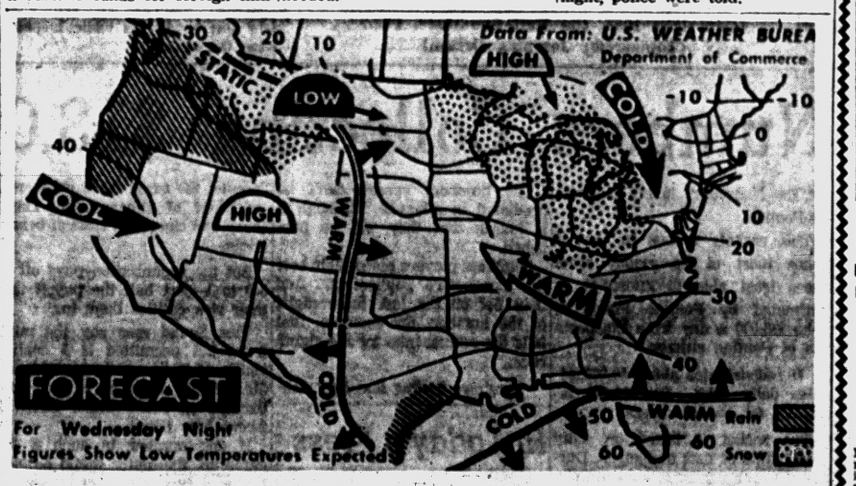

* * *

Under the stock reorganization plan, there will be 36,148,620 shares of the class A stock retained by the Ford Foundation and 6,480,750 shares of class B stock, all of which will be owned by the Ford family.

The publicly sold shares will command one vote a share. The voting strength of the family-held shares will be raised arbitrarily so that the family wields a 40 per cent voting strength—sufficient, for all practical purposes, to control the management of the company.

* * *

The principal family stockholders were disclosed to be Henry Ford II, president of the corporation, who will have 6.7 per cent of the voting power; and Benson Ford; Josephine Ford, daughter of the founder's son Edsel; Eleanor Clay Ford, widow of Edsel; and William Clay Ford, grandson of the founder.

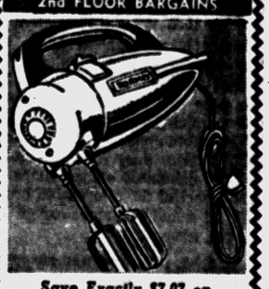

CONTINUED COLD—Little temperature change is expected anywhere tonight except for some warming in parts of the Northern Plains. Rain again is forecast for the north Pacific coast and northern Rockies with snow in the higher areas. The Texas Gulf coast will have rain, and it will snow in the Great Lakes area and Ohio valley.

Warden Closes the Bars to End Smooching in Jail

OKLAHOMA CITY (AP)—Prisoners at the city jail here are smouldering over an edict by Police Inspector Bert Giddens. He ordered an end to smooching.

Giddens said from now on the trusty prisoners will have to visit their wives and sweethearts through jail bars. The inspector was shocked when he walked into the jail lounge recently and found "some were smooching."

Slate Date for Bids on Area Bridge Job

The State Highway Department will take bids Jan. 27 on a bridge project on the Brighton-Farmington expressway (U.S.16 relocation) and a bridge on the relocation of M20 in Bay County.

The U.S.16 relocation bridge will carry the expressway over Milford Road, half a mile north of New Hudson, with a separate span for each roadway.

The Bay County bridge will carry M20 over culver drain two miles east of Auburn.

Egypt's first women teachers will instruct girl students in a special section opened at Cairo Theological Institute.

Houghton Man Kills His Wife

Then Commits Suicide as His 6-Year-Old Son Watches Nearby

HOUGHTON (AP)—A young father stabbed his estranged wife to death before the eyes of their 6-year-old son last night and then ended his own life by shooting himself in the head with a high-powered rifle.

Houghton County Sheriff Fred Paulson listed the deaths of Donald Reynolds, 27, and his wife Audrey, 23, as murder and suicide.

Paulson said the stabbing climaxed a series of domestic quarrels. Deputies found Mrs. Reynolds' body in the couple's house and Reynolds' body in the street in front. The couple had two sons, Robert, 6, and Michael, 2½.

Paulson said Robert told him his father had come home to help trim the Christmas tree. Police said an argument apparently developed between the husband and wife and Reynolds went outside and returned with a knife. Police said Mrs. Reynolds was stabbed 11 times.

Robert ran to a neighbor when he saw his father attack his mother.

Pontiac City Affairs

Commission Pay Boost Referred to City Attorney

A recommendation of a pay hike for City Commissioners by a Citizens Compensation Study Committee was referred to City Attorney William A. Ewart last night for revision.

The issue, when revised, could call for a special city election held in conjunction with the March 5, 1956 primary, at which the voters would decide the question.

The recommendation calls for commissioners to receive $25 a meeting and not more than $1,800 in any one year. They presently receive $5 a meeting and not more than $300 a year, provided by the original city charter of 1920.

Under the proposed plan, the mayor would be paid $2,000 a year based on 12 equally monthly installments. He presently receives the same pay as the rest of the commissioners.

The Citizens Compensation Study Committee is composed of three former mayors and two past commissioners.

Other action at last night's City Commission meeting, saw the group accept a resolution to transfer $17,550 from the city's capital improvement fund to the Michigan Dept. of Aeronautics for completion of a runway at the city airport.

It is the balance of the city's share in the construction work which will cover graveling, sealcoating and necessary runway lights for the field.

The City Manager was instructed by the Commission to proceed with the purchase of Lots 16 and 19, part of assessor's plat 131.

Also approved was an ordinance to amend the present city weed ordinance making it mandatory for citizens to cut weeds by July 1 before the Parks and Recreation Dept. does the work and bills the violator of the new ordinance.

Mayor William W. Donaldson proclaimed that over the coming holidays that Pontiac drivers "make that one for the road, a cup of coffee" as recommended by the Automobile Association of America.

A recommended paving project on Selmer and Herndon avenues made by Hilton Lumber and Supply Co., was declared a public necessity by the Commission.

The Commission also accepted a resolution to amend the form of notice of the sale of the $600,000 automobile parking system revenue bonds as adopted Nov. 22.

Confirmation of special assessment rolls for the following were presented and approved:

For grading, graveling and culverts for Highwood boulevard, from Sheffield to Princeton and for Princeton avenue from Highwood to the east line of Glenwood Estate Subdivision, and Laurel avenue from Sheffield to Princeton.

For storm drain in Dellwood avenue from trunk sewer west of Earlmoor to Howland and for Howland avenue from Dellwood to Luther.

Santa Claus Is Missing ——5 Reindeer and All

SAN DIEGO, Calif. (AP)—Santa Claus is missing.

The police report today said he was fully clothed and was in a green sleigh, drawn by five reindeer, when last seen.

That was when he was placed on a liquor store roof.

He was gone a few hours later. His value was given as $80.

Soft Drinks Lead Cocktail Sales in Four U.N. Bars

UNITED NATIONS, N.Y. (AP)—Delegates crowded the U.N.'s cocktail corners this year but they drank more orange juice and coffee than hard liquor.

• • •

The four part-time bars—the one in the delegates' lounge is about 24 feet long and the others are smaller—become fairly crowded when an Assembly session breaks up.

One of the U.N. staff whose job is to keep an eye on twin problems of bar behavior and supply says the 1955 assembly produced few hard-fisted drinkers among the delegates.

One or two quick drinks before lunch, or a long drink late in the day while a moot point was talked over, was the general alcoholic pace for most delegates. But sales of coffee, orange juice and drinks like ginger ale kept the bar staff busy.

• • •

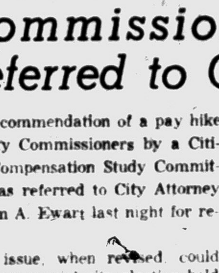

Whisky with water, or on the rocks—Scotch, Irish or bourbon—is the best seller in the hard-liquor field. Martinis are the favorite cocktail.

Nicaragua's antiquated cotton-growing methods are blamed for a serious soil erosion problem.

THE NATIVITY—8

The Magi (The Wise Men)

Here, the third picture in the series of your creche, are the Three Wise Men, who traveled a great distance to see the new King and to bring Him gifts. A tradition says their names are Gaspar, Melchior and Balthasar.

Paste this picture on cereal box cardboard and color it with crayons. The kings are kneeling on straw, which is yellow. They are dressed richly and in brilliant colors — reds, blues, greens. The one in the center has a dark skin, the one at the right has a white beard and white hair.

Fold the left end of the base back and the right end forward so it stands and add this cut-out to the set you are collecting for your Christmas Crib.

Many of us already know the Christmas carol about the three kings:

We three kings of Orient are; bearing gifts we traverse afar,
Field and fountain, moor and mountain, following yonder Star.
Oh, Star of wonder, Star of night, Star of royal beauty bright,
Westward leading, still proceeding, guide us to Thy perfect light.

'Mouse Factory' Produces Chaos in California City

LOS ANGELES (AP)—A high producing "mouse factory" has turned out millions of rodents in the neighborhood of Encino, in the San Fernando Valley, but the Los Angeles Health Department has them marked for the gas chamber.

Scores of householders complained to the department that there had been a sudden mouse invasion of their property. Investigators said they found "millions of mice, living beneath chicken pens" on property formerly used as a poultry ranch on Ventura Blvd.

The rodents were scampering the boulevard and youngsters were back and forth across the boulevard and youngsters were having a field day catching them. One, an 8-year-old girl, had three mice tucked away in her purse for safekeeping.

Grief Brings Attack

PORTSMOUTH, Ohio (AP)—Mrs. Helen Rowe Cooper, 58, died yesterday of heart attack. Her husband, Maurice, 59, died the day before of a heart attack.

Merry Christmas to Mary Christmas

LAWRENCEVILLE, Ill. (AP)—With the approach of Christmas, a Lawrenceville high school teacher gets more than her usual number of greetings.

She is Mary Christmas, a business instructor at the high school for the last three years.

The more than 100 students attending her five classes greet her this week as "Mary Christmas," not Miss Christmas.

Miss Christmas, 36, said she was named after her grandmothers, Grace and Mary. "Mary just happened to come first," she said.

Little Scissors Work Makes $1 Bill Into $10

ASHLAND, Ky. (AP)—The Ashland police department yesterday warned stores to be on the lookout for people handy at making $10 bills out of $1 bills.

Police Chief Charles F. Howard said the trick consists of taking four $10 bills, cuting a corner from each and pasting them over the corners of $1 bills.

The altered $1 bills then are spent as $10 bills, he said, and the $10 bills may still be spent even though one corner is missing from each.

Belgians now buy about $11,000,000 worth of all types of furs annually.

Don't Let Tragedy Mar Your Holiday Parties

A lot of tragedy can be averted during the coming Christmas-New Year holiday period if all motorists and pedestrians will heed a warning sounded by the Automobile Club of America.

National Safety Council figures show that except for June, July and August, 1954, December topped all months with a toll of 7,900 accident deaths in the Nation. Of these 3,500 were traffic fatalities.

★ ★ ★

An even sharper warning is contained in the fact that 665 persons lost their lives in automobile accidents in the 1954 Christmas-New Year holiday period. Many of these accidents which changed the festive time from one of happiness to grief in many homes, occurred when motorists were not in fit condition to drive or walk.

★ ★ ★

ACA argues, with justification, that many of these tragic accidents would have been avoided if holiday party goers had observed a few simple precautions:

Don't drive if you plan to drink.

Whether driving or walking, be careful, the other fellow may have been drinking.

Don't ride with anybody who has been drinking.

Make that "one for the road," coffee.

December traditionally is a time of celebration and joy. Just by acting sensibly we can do much to keep it that way.

Argentina's Road Back

The people of Argentina are undertaking a tremendous task.

They aim to erase the scars left on their government, commerce and agriculture by 10 years of misrule under the dictator Juan Peron. No one harbors any delusions about the years ahead. Everybody knows great sacrifices will be required.

★ ★ ★

Everywhere in the country are the signs of decay and maladministration. The entire railway system needs rebuilding. The same can be said of what few highways there are. Even agriculture feels the effect of Peron's bungling. Most crops, says *U. S. News & World Report*, are grown from varieties of seed that are such poor producers they were abandoned long ago by U. S. farmers.

★ ★ ★

Similarly Argentina's public utilities are in a woeful state of disrepair. Use of electricity is restricted because the power companies have failed to keep abreast of the increase in population.

One of the greatest evils confronting the Argentine people is inflation. By the time Peron was forced out the cost of living had risen to seven times what it was in 1943. When he seized power the peso was worth 25c in U. S. funds. Now it's down to three cents on the black market and today the public debt is eight times what it was in 1943.

★ ★ ★

Generally speaking the era of free enterprise has dawned again for Argentina. It is likely, however, there will be two exceptions as the provisional government clearly intends to retain control of the railroads and oil.

With everything in the country worn out, there is a vast market for capital goods. American businessmen believe that the new government will welcome foreign investments.

We'd travel a considerable distance to hear a woman lawyer cross-examine a woman witness.

New Questions Raised by Nehru's Neutralism

Prime Minister Nehru should not be surprised that the West is skeptical of his reassurance that India's friendship with Russia hasn't withdrawn his country from the West.

★ ★ ★

During their 15 day tour of India, Messrs. Khrushchev and Bulganin went to great lengths to capitalize on anti-colonial sentiment in Asia. At the same time they were careful to endorse controversial Indian causes in Goa and Kashmir. By this means the Russians scored great popular success, increasing the impact of their fulminations against the West.

The enthusiasm with which Mr. Nehru participated with the Russians in a joint communique critical of the West, raises new questions about his professed neutrality. He joined Soviet leaders in deploring the failure at Geneva and in blaming it on the West's insistence of free elections in Germany.

It is true that the prime minister rejected the Russian bid for an "alliance." He also reaffirmed his neutralist attitude saying that his friendship for the Soviets hadn't drawn India away from the West.

★ ★ ★

Nonetheless, there are a lot of people in the West, some of them in the United States, who would be a lot happier if Mr. Nehru were more forthright in his support of freedom. It is understandably difficult for them to balance his warm friendship for the Soviet Union with his insistence that India remain neutral.

The Man About Town

Winter Sports

This Area Has Everything Needed for Such Program

Horse and buggy days: When we knew what next year's models would look like.

President of the Oakland County Sportsmen's Club,

Bob White,

comes forward with a suggestion that more be done to push this area as a winter sports locality. With practically everything that nature could give us for such a program, he feels that we should bring our possibilities to the attention of the countless thousands who go through our county on their way to areas that haven't any more to offer. It also is pointed out that many of our own residents are not fully acquainted with what lies within a few minutes of their homes.

"Our Pontiac Press has done it again," phones

Mrs. Burdett Brawley

of Rochester, in complimenting this paper on the

Norman Vincent Peale

series on the

"Coming of the King."

which she says "presents the true story of Christmas in the best manner I ever have seen it put in print."

Writing me from Mexico City, where he is on vacation,

Arnold Maxsor

says, "Next time I'll have the Press follow me. In the words of the street urchin, 'I don't know nuthin'."

There's good money in hauling Christmas trees. According to

Arthur Morrissey,

interviewed on the Dixie Highway, he makes a trip every day between the cutting grounds near Oscoda and Detroit, and it nets him $250.

"Pontiac's Christmas parade was the best ever," writes

Mrs. Marvin Fulcrum

of Metamora, who pays tribute to the cheerful loyalty of those taking part, "whose spirit was not dampened by the weather."

Celebrating her one hundred and sixth birthday last week,

Mrs. Eliza Beaumont Taylor

of Highland, Oakland County's oldest resident, says our young people haven't as much to worry about as those when she was young.

Verbal Orchids to—

Dr. William A. Sears

of 161 West Howard St.; eighty-first birthday.

Mr. and Mrs. Orville J. Underwood

of Oxford; fifty-seventh wedding anniversary.

Mrs. Kittie Harris

of Davisburg; ninety-fourth birthday.

Mr. and Mrs. James C. Johnson

of Holly; fifty-second wedding anniversary.

John Wulff

of Oxford; eightieth birthday.

Getting Too Big for His Father's Britches

David Lawrence Says:

Anti-Communists Appear as Chief Object of Some Administration Investigations

WASHINGTON — They didn't pull the wool. Australian or any other kind, over the eyes of the people of Australia, as the completed vote in the general elections there now reveals.

It turns out the incumbent administration of Prime Minister Robert Menzies was re-elected not only with a substantial majority, but by the biggest majority any party coalition ever got.

The significance for Americans lies in the fact that the issues were clear-cut between conservatism and socialism and between anti-Communists and those misguided "Liberals" who took it upon themselves to argue that Communism is just another political philosophy and not a world-wide conspiracy to overthrow free governments.

When Vladimir Petrov defected from the Soviet embassy in Australia, he told the world that inside the Socialist Labor party in Australia and among its leaders there were stooges of the Communists, and also that two members of the staff of former Prime Minister Herbert Evatt were implicated. Evatt insisted this was politics and, curiously enough, during the recent campaign wrote to Molotov in Moscow to get his evaluation of the Petrov documents — which the Soviet foreign minister, of course, promptly denounced as forgeries.

'CIVIL LIBERTIES'?

They even had a royal commission of inquiry with all the safeguards that American "Liberals" are so accustomed to advocate as a better way than a Congressional investigation. It revealed, to the astonishment of the Australian public, that Soviet infiltration was operating in the labor government and in the press. Instead of denouncing the activities of the Communists, Evatt has looked upon the whole thing as an attack on liberalism and "civil liberties."

This is the same mistake made by many American "Liberals" who not only are loyal in every sense and wouldn't swap America's system for the Soviet's at any time but who refuse to see the Communist conspiracy as a danger.

They would be on firmer ground, as President George Meany of the AFL-CIO says, if they were more vigorous in their condemnation of Communists and if they didn't constantly take the position that a few Communist agents in our midst can do little harm. They forget about Fuchs, Rosenbergs and Alger Hiss and exaggerate mishandling of a security case by a cumbersome bureaucracy.

GOP MAKING SAME MISTAKE

The Democratic Party — whose administration in 1952 was accused by Eisenhower of having permitted a Communist penetration that "meant, in its most ugly sense, treason itself" — is perhaps going to make in the 1956 campaign the same mistake which Evatt's group made in Australia. There are signs of it in the tactics of the Hennings Committee and some of the other committees whose chief objective now seems to be to investigate the anti-Communists and, by the same token, to minimize the nature of the Communist infiltration in America.

The Australian electorate is not unlike the American electorate in background and education of private property under state socialism. It was in 1950 that Australia, following the victory of the Conservatives in 1949 in New Zealand, elected the present government. Conservatives came into power in 1950 in Great Britain, too, and then the Republicans, who are regarded as predominantly conservative, won in 1952 in the United States. It has been a world-wide trend.

But deeper than these economic issues are the emotional issues. Prime Minister Menzies, for instance, in the campaign just ended cited "an extraordinary parallel between Communist and Labor Party policies." No Communist candidates were elected, and 40 of them lost their seats in Parliament. Before the election the Conservatives held only 64 seats out of 123 in the House. Now they have at least 75, to Labor's 45.

★ ★ ★

The "Left Wing" got its worst beating in the history of Australian elections and, to no small extent, this was due to the defection of a number of Socialist labor candidates from their own party on the anti-Communist issue.

(Copyright, 1955, New York Herald Tribune Inc.)

THOUGHTS FOR TODAY

Speak unto Aaron and to his sons, saying, This is the law of the sin offering: In the place where the burnt offering is killed shall the sin offering be killed before the lord: it is most holy.—Leviticus 6:25.

★ ★ ★

Upon such sacrifices the gods themselves throw incense. — Shakespeare.

Dysentery and Related Ills Are Explained by Doctor

By WILLIAM BRADY, M. D.

Americans who have lived in Japan warned a missionary teacher who is going there not to eat raw vegetables unless she first soaks them in permanganate solution, otherwise she will develop worms, because human excrement is still widely used as fertilizer in Japan and China.

Others say that thorough scrubbing with soap and water is enough. They also say fresh fruit eaten uncooked needs the same treatment because fruit may be contaminated by handlers. Also that water for drinking must be boiled. Please advise. (J. P. E.)

That is good advice. It applies also to travelers who go to Mexico or other subtropical or tropical countries, particularly in regard to drinking water and the washing of vegetables or fruits, for the water may be polluted with the germs of amebic dysentery.

Amebic dysentery is not to be confused with the ordinary acute diarrhea, which was more or less indigenous in America in the nineteenth century, but was cured in 24 to 48 hours by (1) a whopping big dose of castor oil and (2) fasting or a diet of tea, without sugar or milk, and scraped raw apple (not apple sauce).

B. F. we ascribed acute diarrhea to "green apples" or "sun" ("sun cholera"). B. F. means before refrigeration.

Pinworms (otherwise called seat worms, thread worms or oxyuris vermicularis) infest infants, children and grown-ups. Such infestation is harmless, though productive of a good deal of discomfort from itching.

Round worms (ascaris lumbricoides), also infest children and adults.

There are no signs or symptoms which warrant the assumption that the individual has worms or the use of any kind of medicine or treatment, except (1) finding the worms or (2) identifying their microscopic eggs.

Many children and adults harbor pinworms or round worms or both without manifesting any sign or symptom.

Unrecognized pinworms infestation is sometimes the cause of intractable pruritis. In any such circumstance it is well to search for the eggs by the method devised by Dr. Frederick H. von Hofe (JAMA, May 6, '44).

Instructions for prevention and relief of round worm or pin worm infestation are given in Little Lesson 13, Unbidden Guests, for which send 25c and stamped, self-addressed envelope.

Pamphlet on Pruritus (itching without apparent cause) available on signed request if you provide stamped, self-addressed envelope.

Signed letters, not more than one page of 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady if a stamped self-addressed envelope is sent to the Pontiac Press, Pontiac, Michigan.

(Copyright 1955)

Voice of the People

Insure Successful Party With Three Easy Lessons

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

All groups interested in highway safety look toward the coming Christmas - New Year holidays more with apprehension than with joyous anticipation. This is because they are more acutely aware than the general public of the thread of tragedy woven through the merry-making.

Last year, nearly 700 of us died in motor vehicle accidents over the holiday period. These deaths can be blamed in large part on the unfitness of the drivers or of pedestrians involved. In some cases, fatigue was a factor because of the extremely late hours of holiday parties; in many, over-indulgence was to blame. The net result was the same in either case: tragedy.

The Greater New York Safety Council would like to call to the readers' attention some advice for the holidays that can save lives:

(1) Where there is any question of over-fatigue or over-indulgence, don't drive. Ride a bus, a cab, with a friend or get a fit substitute to drive your car. But don't under any circumstances get behind the wheel if there is any doubt about being able to handle all traffic situations.

(2) No matter how fit you feel after a holiday, have a cup of coffee or other stimulating non-alcoholic beverage before motoring home. Coffee is an "alertness" beverage and when taken as "One for the Road" will help you drive more safely.

(3) Holiday hosts and hostesses have a responsibility to their guests. It is the duty of those who give parties to use whatever stratagems are necessary to prevent unfit guests from driving off to a possible accident.

Paul F. Stricker,
Executive Vice President
Greater New York
Safety Council

Businesses Must Offset Lure of Self-Employment

By MERRYLE S. RUKEYSER
INS Economist

In the competition for business talent the modern corporation, with its hired man setup, has been put in some respects at a disadvantage with the institution of self-employment.

★ ★ ★

The scales have been reversed in the last generation by the rise of the progressive personal income tax rate to confiscatory heights, with the top bracket rate at 91 per cent.

On the other hand, the ceiling tax rate on long-term capital gains is only 25 per cent.

Accordingly, other factors being equal, the acquisitive person thinks that the prospects are more inviting if one owns a business, and eventually sells it out at a profit, or a capital gain.

★ ★ ★

Since corporate success depends on ability to engage creative and knowledgeable personnel, top management is forever striving to find inducements to attract and hold talented persons, including engineers who have been relatively scarce.

ALWAYS COMPETING

Corporate management is continuously competing for talent. One top executive told me that he retained topflight men through holding out the feed bag of salary increases, but the executives thus tempted logically should have weighed the proposed salary advances against opportunities in going into business on their own.

W. B. Murphy, president of Campbell Soup Co., recently told me that his approach with personnel is to encourage employes to feel that they are in effect in business for themselves, and will be rewarded in accordance with their contribution to the success of the venture.

Down in the lower echelons particularly, employes are frequently fearful that their progress may be restrained by the prejudice of their immediate supervisor or by his incapacity to measure their worth fairly.

Another disadvantage in working for others centers around automatic and forced retirement at a statutory age, such as 65. Self-employed persons have greater flexibility in electing when to quit.

This is a matter which corporations will have to face. Already a few pioneers have introduced flexibility. Eastern Airlines' 10-year extension of Capt. Eddie Rickenbacker's contract after he reached the age of 65 is a harbinger of a new approach.

THREE PROCEDURES

In my opinion, flexibility should be based on three procedures. First, the employe at fixed retirement age must request permission to work longer, and must support his application with medical evidence of his fitness.

Secondly, such an application must be backed by a recommendation of his immediate superior. Thirdly, the case must be approved by a pension committee or by the board of directors.

Portraits

By JAMES J. METCALFE

What would you like for Christmas, dear? . . . What gift can I bestow . . . To make you really happy and . . . To prove I love you so? . . . What special luxury on earth . . . Would make you fond of me . . . And prompt your heart a little more . . . To share my company? . . . Whatever you desire, dear . . . I promise I will give . . . As much as I can pay for it . . . Case Records of a Psychologist

Difference in Democracy and Republic Lies in Protection of Minority Groups

Do you know who wrote the Pledge of Allegiance to our Flag? Or why we pledge allegiance to the "Republic" instead of to a democracy? Be sure all school children understand these basic facts concerning our great country, for at present many college graduates don't know why it is actually an insult to describe the U.S.A. as a democracy.

By DR. GEORGE W. CRANE

Case Q-327: Cliff Hirschman, aged about 50, is an Indianapolis manufacturer who typifies our ideal American business man.

For he teaches a large Bible class each Sunday and is active in civic affairs, politics and educational matters.

★ ★ ★

"Dr. Crane, we are building a new school," he informed me while in Chicago recently.

"And we are thinking of naming it after the author of our famous Pledge of Allegiance to the Flag.

"What do you think of the idea?"

FRANCIS BELLAMY

It's excellent. Francis Bellamy rates on the same plane as Francis Scott Key.

For Francis Bellamy was the man who wrote our Pledge of Allegiance, though for many years its authorship was uncertain.

Thanks to the meticulous efforts of Margarette S. Miller, of Portsmouth, Virginia, the real facts are now apparent.

For many years it was erroneously thought that James B. Upham was the author, for he was on the editorial staff of the Youth's Companion in which magazine the Pledge first appeared back in 1872. But another staff member of that magazine, Francis Bellamy, was the man who actually composed those famous words.

At high school convocations, it is now a routine custom for the students to stand and recite the Pledge of Allegiance.

★ ★ ★

Many of our men's service clubs do likewise at every luncheon or dinner meeting.

Except for the Bible, I suppose nothing is as widely quoted in the United States.

The occasion for the original writing of the Pledge of Allegiance was to help celebrate the anniversary of the landing of Christopher Columbus in the New World.

REPUBLIC vs. DEMOCRACY

"But why do we pledge our allegiance to the Republic instead of to the Democracy?" a Tennessee

business leader asked me in 1946 at the luncheon meeting of his Civitan Club.

And that inability to distinguish between these two forms of government has perplexed many educated people.

In a democracy, the rule of the majority prevails quickly and absolutely. But this is dangerous, for unless the minorities are meanwhile protected by a written document like our Constitution, the majority can loot or kill the minorities.

A democracy is thus illustrated by a mob, and can properly be called "mobocracy," where a bare majority vote determines morality, as well as economic and other truths.

★ ★ ★

Pontius Pilate thus operated the most perfect democracy on earth when he let everybody—men, women and children, vote on whether the innocent Christ or the criminal Barabbas should be released.

And the propagandized mob voted 100% wrongly, so Jesus went to a cruel death simply because of a majority vote that was wrong.

A Republic is not based on this jungle philosophy that a majority or might makes right.

So our forefathers deliberately chose a Republic as our form of government, so that the rights of minorities can be protected by a written Constitution, against even a majority vote of our national Congress.

A Republic is thus a Golden Rule type of government instead of a jungle "might makes right" system.

And that's why Chief Justice John Marshall said our Republic differs from democracy as order differs from chaos.

For further information on "Republic vs. Democracy," send a stamped return envelope, plus 20c for my booklet on that topic.

Then, when you salute the flag, you'll realize proudly why we say "Republic."

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

(Copyright 1955)

Ziem Has Warning of Felony Charges

Oakland County Prosecutor Frederick C. Ziem said today felony warrants are being issued against morals offenders in an effort to stem a rash of such violations detected in Pontiac during the past 12 days.

Some 15 men have been arrested for indecent exposure and related offenses committed in the rest room of a local business establishment, Ziem state.

"The Pontiac Police Department is doing an excellent job of handling the situation," he declared, "and we intend to follow through by prosecuting these offenders as rigorously as the law allows."

Conviction of a felony charge can result in a prison term, he explained.

Talk of Flaming Youth! Here's a Lad That Knows

SAN ANTONIO, Tex. (AP)—When Herbie Hamilton, 11, filled his pockets with peanuts yesterday he forgot about a couple of tiny fireworks bombs.

He was munching away at school when his teachers and schoolmates were startled to see smoke pour out of his ears and nose.

A school nurse couldn't find that the bombs had damaged Herbie, and later his mother, Mrs. R. H. Hamilton, said he "doesn't seem to be hurt at all."

Parents, Watch the Tots Around That Yule Tree

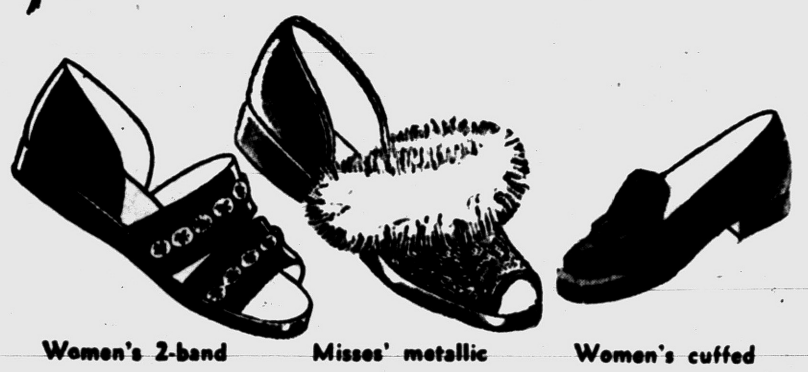

CHICAGO (AP)—A 3-year-old girl, enchanted by the glistening ornaments on the newly decorated Christmas tree in her home last night, plucked one off a branch and tried to eat it.

The little girl, Dorothy Zadravetz, selected a large green ornament and was munching it when her mother, Elizabeth, 25, entered the room.

She was taken to a hospital by police. After the broken glass was removed, she was treated for scratches in her throat and taken home.

Of 500 diesel electric locomotives ordered by Argentina's Transport Ministry in the last several years, 200 now are in service, Buenos Aires learns.

Santa and the Dumdiddy

By Lucrece Hudgins Beale

AP Newsfeatures

SYNOPSIS: The Dumdiddy goes to Santa Land. He tells Santa that Beanie is held prisoner by the Gimme Dwarf who is the Spirit of Getting and is Santa's worst enemy. Santa decides to disguise himself and try to save Beanie.

Chapter 15

THE CHIMNEY SWEEPER

Back in the Gimme House Beanie sat in his room with his mountain of toys and he was as miserable as a boy could be.

For what good were the toys when there was no one to see? He could not brag about his perfect stamp collection, or swap any of his elegant trading cards, or win another boy's marbles by shooting with his own.

He had no one on whom he could try out his boxing gloves, no one to admire the tricks he could do with the magic set, and, of all the card games he had, not one could be played alone.

* * *

So he sat in the room with the toys and he thought, "Oh, if only I were out of this place I'd give everything here away and I'd never be stingy or selfish again."

But he couldn't get out for there were no windows in the house and not even a door leading out. The door through which he had entered the house could be seen on the outside only.

On the inside it vanished somehow into the wall so there appeared to be no door at all.

The worst thing of all was the time. It seemed that every hour in the outside world took 24 hours inside Gimme House. So when Beanie had been there really only one day and a night it appeared to him that it had been 24 days and nights.

* * *

And six times a day he had to eat—enormous quantities of sweets and sodas and hot dogs and hamburgers until he thought surely he would die.

"WHO ARE YOU?" — Beanie asked the dwarf if he would let him go home. "Never!" declared the dwarf. The dwarf explained to Beanie that he was the Spirit of Getting at Christmas and if he did not have children who said "Gimme, Gimme," then he would collapse and would be no more. So Beanie went back to his room and put his head in his hands and began to cry. Suddenly he saw a shortlegged creature fall kerplunk into the fireplace at the corner of the room.

From time to time he could hear the other Gimme Children sobbing in their rooms but he never saw them.

"Why do you keep us here?" he cried to the dwarf. "Why don't you let us go?"

"Never!" declared the dwarf. "For you see I am the Spirit of Getting at Christmas and if I did not have children who said 'Gimme, Gimme,' then I would collapse and would be no more."

"But I don't want to get anymore," said Beanie. "I am not a Gimme Boy now."

"Too late," said the dwarf. "I have you here now and I shall not let you or the other Gimme Children here escape. If you did, I would vanish forever."

Beanie went back to his room and stared at his toys. Presently he put his head in his hands and began to cry. He thought of his home and his sister and how wonderful it would be to be there getting ready for Christmas together.

In the midst of his tears, he heard a scraping and a sliding. He look up and saw a short-legged creature fall kerplunck into the fireplace at the corner of the room!

"Who are you?" gasped Beanie.

* * *

The fellow brushed the soot from his trousers and grinned. "I'm the chimney sweeper," said he. "I've climbed straight down your chimney to see if it needs cleaning."

"You mean — ?" cried Beanie. "You mean—a person could get in and out of here through the chimney?"

"Certainly," said Santa (for, of course, it was he disguised as a chimney sweeper.) "Come along and I'll show you how easy it can be."

Beanie sprang to the fireplace. But suddenly his smile disappeared and he drew back.

"What's the matter?" asked Santa. "Aren't you anxious to leave?"

"Oh, yes!" cried Beanie. "But, well, you see there are other children here and they are miserable, too. I know because I have often heard them crying. I can't leave while—well, you see—"

"You mean," said Santa gently, "You mean you want to help them get away, too?"

Beanie nodded eagerly. "Yes, that's it! And then the Spirit of Getting would disappear, you see?"

Santa beamed. He patted Beanie's arm. "Go quickly," he said. "See what you can do."

Leak Jams Up Traffic

GRAND RAPIDS (AP)—Christmas-shopping motorists were meshed in a traffic jam for nearly four hours Monday as gas company employes repaired a gas main leak under a downtown street. The repairmen roped off a two-block area of Monroe avenue to complete the job. The route was reopened about 3:15 p.m.

Named C. of C. Head

GRAND RAPIDS (AP)—Gerald E. White, attorney and former president of the East Grand Rapids Board of Education, has been elected president of the Grand Rapids Chamber of Commerce. He succeeds Donald J. Porter, president the past two years.

Democrat Race Getting Lively

Harriman Downfield for Surprise Pass; Williams, Lausche Play It Coy

By JAMES MARLOW

WASHINGTON (AP)—If the Democrats could just get a few more presidential candidates to take off their sweaters and run out on the field, they'd have a pretty lively game going.

It may turn lively soon, and rough, too.

* * *

While the Democratic hopefuls are bucking the Republicans they are also knocking each other's heads together. One or more may land in the political infirmary before the party's convention blows the whistle and picks a candidate.

LOOK AT ME

Adlai Stevenson and Sen. Estes Kefauver of Tennessee are the only Democrats who have come right out and started running. They may have some company before convention next August.

New York's Gov. Averell Harriman says he's not an "active" candidate. But he acts like a man racing down the sidelines, hoping for a forward pass and yelling "Hey, fellahs, look at me."

* * *

Two other governors — Ohio's Frank Lausche and Michigan's G. Mennen Williams — at the moment seem bothered by restraint but only to the point of not saying they're candidates. They're sure making sounds like candidates.

* * *

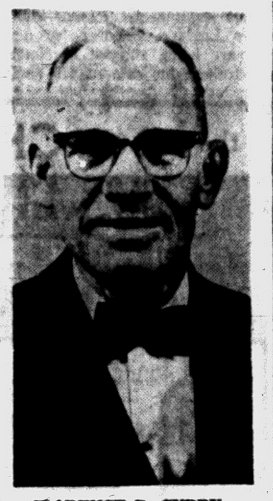

Lausche simply says he will be his state's "favorite son" candidate, which can be interpreted as meaning he won't stump the country for the nomination but would love to get it at the convention.

Reveal Chairmen for School Cub Pack

Committee Chairmen for Cub Scouts Pack 4 of Baldwin were announced today.

Sidney Wood will be in charge of awards; Robert Bunce and Mrs. Evert Campbell, entertainment; Mrs. Robert Bunce, publicity; Arthur Heaton, visiting; Larry Gaylor and Kenneth Dooley, treasury; David Tate and Julian Hassler, chair arrangement; and Mrs. David Tate, Mrs. Lee Coleman, Mrs. Joseph Dunn and Mrs. Frank Phelps, telephone.

Bobcat badges were presented to Jackie Carney, Jerry Carney and Silam Sumner at the recent Christmas party, which drew over 200 Cubs and their parents. Ornaments handmade by the Cubs decorated two big Christmas trees. Gifts were distributed by Santa Claus, and carols were sung by all.

CLARENCE D. CURRY

Installation Planned for Officers of Lodge

Installment ceremonies of Brotherhood Lodge 561, F. & A. M., last night installed Clarence D. Curry worshipful master. The ceremonies took place in Roosevelt Masonic Temple.

Installing officers at the rites were Dr. Morgan J. Snead, past grand master and present right worshipful grand lecturer and acting most worshipful grand master, assisted by past masters Kenneth L. Hoyt, Frank A. Lane, and Roy H. Burling.

Other officials installed were:

Lorena from Hillis Sisk
Alfred from Jean M. Perna
Margaret from Joseph R. Gothro
Betty L. from Wilbert M. Sturgeon

Williams Plans to Attend Rose Bowl in Pasadena

LANSING (AP) — Gov. Williams plans to attend the Rose Bowl game Jan. 2 to watch Michigan State University play UCLA.

Williams said he would fly out with C. Allen Harlan, Detroit industrialist; Mrs. Williams and John Sweeney, an administrative aide and will meet his uncle, Charles C. Williams of Pasadena, Cal.

Williams said he hopes to leave Dec. 31 but might be able to get away Dec. 30 to permit attendance at the Big Ten banquet.

OKs Parking Bond Issue

DETROIT (AP) — Detroit's City Council Monday approved a $6,790,000 bond issue to finance construction of five municipal parking facilities in scattered parts of the city. The projects are part of a master plan calling for a 16-million-dollar expenditure for municipal parking garages and lots.

Pakistan has decided to consider the women's own wishes before deciding the future of women abducted at the time Pakistan and India split into two nations.

Whirlybird Ambulance

LONDON (INS) — Helicopters are to be used to rush emergency cases from the Isle of Wight to the English Channel to the mainland. The island's County Health Committee has made the necessary arrangements for special whirlybird ambulances with the Naval authorities at Portsmouth.

A-Power Ship Wanted by Navy

Congress Will Be Asked to Expand Nuclear Fleet 'in Very Near Future'

TOKYO (INS) — U.S. Navy Secretary Charles S. Thomas said today he will ask Congress next year for more atomic-powered submarines and for the first U.S. A-powered surface ship.

• • •

The Navy secretary, in a Tokyo news conference, said "The development of atomic power in the Navy is going to be fast."

He added that he foresees plans for an atomic-powered aircraft carrier "in the very near future."

Thomas said that the nuclear powered surface ship he will request from Congress will not be an aircraft carrier but he did not specify the type he desires.

'I DON'T KNOW'

Asked if the Russians were also building A-powered submarines, the Navy secretary replied, "I don't know about that." As far as he knows, he said, the buildup of the Communist navy is small.

Thomas said there are no plans for strengthening or transferring the seventh fleet from Asian waters. He remarked the ships of the fleet are in a "position to carry out anything assigned to them."

Thomas, Navy secretary since May, 1954, is winding up a tour of Navy facilities in the Far East.

He is scheduled to fly to Korea on Christmas eve with Cardinal Spellman, Archbishop of New York and Vicar of the Military Ordinate. Cardinal Spellman is scheduled to arrive in Tokyo tonight to spend his fifth consecutive Christmas in the Far East.

• • •

Thomas will meet President Syngman Rhee in Korea and then fly to Hong Kong on Christmas morning.

Special fares are provided for different classes of passengers on British railways including early morning commuters, families going on holidays, continental travelers and pleasure excursionists.

Hal Boyle Says:

Courage, Men! The Girls Want Cozy Cars

NEW YORK (AP)—The hand that rocks the cradle is now reaching out to rule the automobile.

The motor car in the past has been pretty much a masculine creation built to appeal to the eye and mind of that manly fellow, the American husband.

• • •

But the great sales market today is little Mrs. Moneybags herself — the American wife, who hoards or dispenses the family bundle of scratch. To please her the motor car of the future will be more feminine — and don't be surprised if it ends up with venetian blinds and lace curtains.

• • •

A sign of the times is the fact a major car manufacturer has retained Melaine Kahane, the well known interior designer, to outfit a car experimentally "from the woman's point of view."

• • •

Mrs. Kahane, who has designed everything from men's cufflinks to kitchen cabinets, from sofas to gas stations, pounced gleefully on the opportunity to feminize the motor car.

She feels deeply that male designing genius has exhausted itself on such items as chrome lights and horns that bay coyly, "bo-beep-o-beeeeeeep!"

• • •

"What happened to the home must happen to the motor car," she said firmly. "The public is satiated with external gadgets. There has been too much frosting on the cake.

"The interior of the car must be made more comfortable. A car must become more than merely a vehicle for transportation. It must be made more comfortable — and become a kind of home on wheels."

• • •

As she envisions it, this traveling home will have many of the comforts of the kitchen, boudoir, and living room, and even some of the conveniences of the bathroom.

"Take the glove compartment of the average automobile," she said. "It is just so much wasted space. It is just a clustered catch-all, like the attic in an old house.

• • •

"This space can be redesigned to hold a woman's makeup kit, a man's electric razor, shaving lotion and disposable towels.

"I also see no reason why we can't have the equivalent of a small Pullman sink off the dashboard to freshen up while traveling. It could also provide cold drinking water."

• • •

Some other suggested improvements by Mrs. Kahane:

"A slot under the front seat to hold an umbrella."

"A pillow with a zippered space holding a plastic raincoat — you never have a raincoat handy in a car when you really need it."

"A space under the right front arm rest to hold a lady's handbag or a man's portfolio." (A traveling bachelor might even find this a handy place to carry his etchings, if he's really going to make his car a home!)

"A foot warmer, hair dryer, electric heating unit for warming up a cup of coffee en route, and a massage machine to eliminate fatigue while on the road."

"A folding stand-up canvas bathhouse in the storage compartment that will enable a woman to change her clothing in privacy."

"Specially designed luggage that will fit the space in the rear trunk compartment exactly, thus simplifying packing."

• • •

Do these ideas seem revolutionary to you? They don't to Mrs. Kahane, who has applied for patents on some of them.

"I'm not riding on cloud No. 7," she said firmly. "If they are going to sell cars to women, they have to be made more comfortable."

Hike in Rail Mileages

CLEVELAND—The nation's railroads established new records in 1954 in daily average mileage per locomotive. In freight service, locomotives averaged 137.4 miles a day, an increase of 32 per cent over 1939; passenger-service locomotives averaged 304.7 miles per locomotive per day, a gain of 65 per cent over 1939.

Florida Group Okays Inter-Racial Merger

DAYTONA BEACH, Fla. — The Daytona Beach Ministerial Association approved a merger with its Negro counterpart, the Interdenominational Ministerial Alliance.

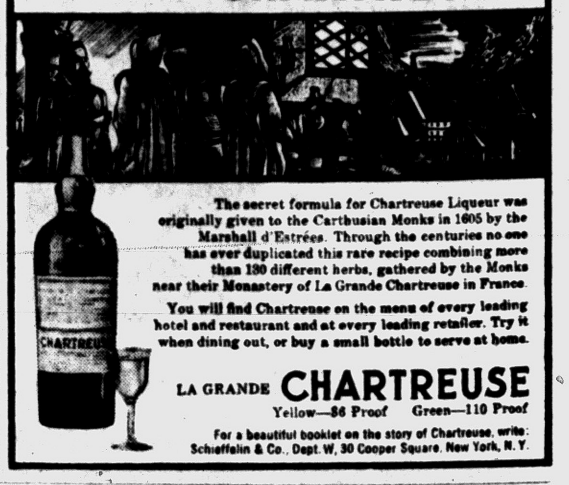

The Negro alliance previously had voted for the merger.

The new body, to be called the Integrated United Ministerial Association, will hlold its first meeting Jan. 2, 1956.

Nepal's King Mahendra announced in Katmandu a $44,000,000 5-year plan for ecomnomic, cultural and social deyelopment.

Since commercial TV has started in England, hundreds of new sets are being shipped to Northern Ireland for sale at $28 each. Reason: They are obsolete because, having but a single channel, they can receive only B.B.C. programs.

the secret of CHARTREUSE

The secret formula for Chartreuse Liqueur was originally given to the Carthusian Monks in 1605 by the Marshall d'Estrées. Through the centuries no one has ever duplicated this rare recipe combining more than 130 different herbs, gathered by the Monks near their Monastery of La Grande Chartreuse in France.

You will find Chartreuse on the menu of every leading hotel and restaurant and at every leading retailer. Try it when dining out, or buy a small bottle to serve at home.

Bob Considine Says:

Hostesses to Vie for 'Miss Skyway' Title

NEW YORK (INS) — I just don't see how our airline stewardesses can be bothered hereafter with slinging airborne hash, heating the baby's bottle, passing out the wrong magazines, making certain the seat belts are fastened, taking care of the airsick soul, and sweeping up.

They'll be too busy running for office. Man named Henry L. Kotkins of Seattle, who makes a lot of the luggage people tote in and out of planes, and who has flown more miles than an elderly albatross, has inaugurated a contest to choose "Miss Skyway."

Like "Miss Rheingold" the contest should last forever. Unlike "Miss America", "Miss Skyway" probably won't have to work in a crown and long flowing robe, with a scepter.

The queen of the skies will be encouraged to stay land-based. Her prize is a Hillman Minx sports convertible. Runners-up receive complete sets of Kotkins' luggage.

* * *

The stewardess probably did as much to make the U.S. air-minded as the introduction of the DC3. The hesitant traveler of a generation ago was won over to the airplane by the very presence aboard of a smiling, nonchalant, girl.

'THEN I CAN, TOO'

The traveler suddenly stopped feeling like Eddie Rickenbacker barging into a dogfight with Baron von Richtofen. He said to himself, "If a girl can fly, I can."

United Airlines was the first to use stewardesses. The first flight of these chicks — seven girls — was trained by Ellen Church, who now administers a hospital in Terre Haute, Ind., and is one of the Skyway award judges.

There are now more than 5,000 young women flying the airlines. To me they seem more typical of the good, clean American girl than any other group of young women.

This won't really be the first "Miss Skyway" contest. But the one that preceded it could never be publicized.

* * *

Placed here and there in the Atlantic are several weather ships, bobbing monotonously in the great swells, dedicated chiefly to sending out reports to the great airlines that pass high overhead, streaking back and forth across the ocean. The crews of the weather ships serve hitches that run into weeks on end. Life gets pretty deadly.

* * *

A few years ago a pilot passing over at 19,000, high above the overcast that sat like a shroud on the weather ship, was talking to a boy far below.

The boy missed his girl. The pilot buzzed for the stewardess. She came up front, took the mike, and talked to the lonesome boy she had never seen nor would ever see.

COMMON PRACTICE

That started it. Pretty soon it became common practice. The air that had known nothing but the whistle of the great winds and the staccato talk about the weather was filled with sweet voices.

* * *

In time, the men at sea got up the strangest beauty contest ever held. They'd ask a girl they never saw to describe herself . . . the color of her hair, eyes, style of hairdo, weight and measurements.

Then they'd pick a winner by what must have been a spirited vote. It might be a TWA girl or a Pan-American miss.

But it they won they had to be something special because they were in remote competition with the girls of BOAC, Air France, Swissair, Sabena, LAI, SAS, Trans Canada, and all the others.

* * *

Hand me a pillow and my slippers, honey, and wake me up when we get to Timbuktu.

GOP Stands Pat on Foreign Aid

Steps Up Information Program on Its Benefits to Challenge Red Gains

WASHINGTON (INS)—The Eisenhower administration intends to stand pat on its current foreign aid program but to work harder to tell people abroad about its benefits.

The stepped-up information program is designed to try to meet the new Russian challenge in the field of economic warfare.

The decision was based on detailed analysis that showed that:

1. The Russians are using skillful propaganda to win important political impact through a "peanut" sized economic effort in southeast Asia and the Arab World.

2. The continuing American aid program, now running at better than two and a half billion dollars a year, is showing results in developing healthy economics in many countries of the world.

3. The American program is enormously bigger than the mere promises of the Russians.

4. But in the propaganda field, the Communists are spending $100 for every 20 cents put out by America.

Foreign aid officials insist the current program of spending is a well-planned and effective one to meet economic problems.

Newest Five-Pronged Health Program Aimed at National Betterment

WASHINGTON (INS) — Welfare Secretary Marion B. Folsom announced today the Eisenhower administration plans a "major expansion" in medical research programs.

He told a news conference that the administration will ask Congress next month for millions of dollars to carry out the new plans.

Folsom mapped out a broad-scale research program in all important health fields, plus a new proposal for federal assistance for medical and dental schools and research institutions.

The welfare secretary, citing "dramatic reductions" in disease death rates in recent years, said medical research "holds even greater promise for the future."

HERE IS PROGRAM

Citing discussions with President Eisenhower, Congressional leaders and government and private health authorities, Folsom said this program will be sought:

1. A 25 to 30 per cent increase in funds for the national institutes of health, which now spends nearly 98 million dollars a year.

* * *

2. The money would be available to each of seven major research categories—mental health, cancer, heart, arthritis, neurological, dental and microbiological.

* * *

3. Although government research operations will be expanded, most of the additional money will be allocated in grants to medical schools, hospitals, health agencies, private laboratories and individual scientists throughout the nation.

* * *

4. Funds for fellowships to develop more research scientists "would be increased substantially."

5. To help relieve the shortage of scientists and research facilities, the administration will recommend a program of matching grants under which the federal government would provide funds for medical and dental schools and non-profit research institutions.

* * *

Folsom declared:

"All these programs are aimed at developing an expanded and improved federal medical research program which is sound, feasible and holds the promise of being fruitful. The goal is clear; To reduce human suffering and economic loss caused by disease."

Folsom's proposals won immediate support in Congress.

Sen. Edward J. Thye (R- Minn.) top GOP member of the Senate appropriations subcommittee on health, said he will do "all I can to assist in working out an adequate program of medical research and school construction."

* * *

Thye is the author of a bill which would authorize a five-year program of grants for construction of medical, educational and research facilities. It would make 50 million dollars available for each of the five years.

Paint-Drying Oils Show Small Production Hike

ST. LOUIS—Although paint production nearly doubled in the United States in the past 20 years, the use of paint-drying oils—such as castor, linseed, and tung oils—climbed only 25 per cent.

In the prewar 1935-39 period some 2.2 pounds of such oils were used per average gallon of paint, but now usage averages only about 1.3 pounds.

460 Coeds Turned Away

CHICAGO (AP) — The housing shortage on the campus of the University of Illinois at Champaign-Urbana is so acute that 460 girl students were denied admission this fall. Dean Fred H. Turner told the Board of Trustees that no male students were turned away for lack of housing but some 1,500 are living in basements and attics.

Cane Fiber Materials Do Not Need Painting

CHICAGO (INS)—If you are remodeling a room in the house you can build walls or ceilings without having to paint them later.

A cane fiber material for interior walls and ceilings comes in a variety of colors now—white, blue-green, willow-green and rose.

This material also has insulating properties and comes in sculptured, linen or ripple textures, reports a spokesman for a Chicago company.

Automobiles Preferred for Vacation Journeys

WASHINGTON — Most Americans—85½ per cent—used automobiles in making their vacation trips during 1954, a recent survey shows. Next in order of preference were trains, planes, buses, and ships.

Carols Reflect Holiness and Gaiety of Christmas

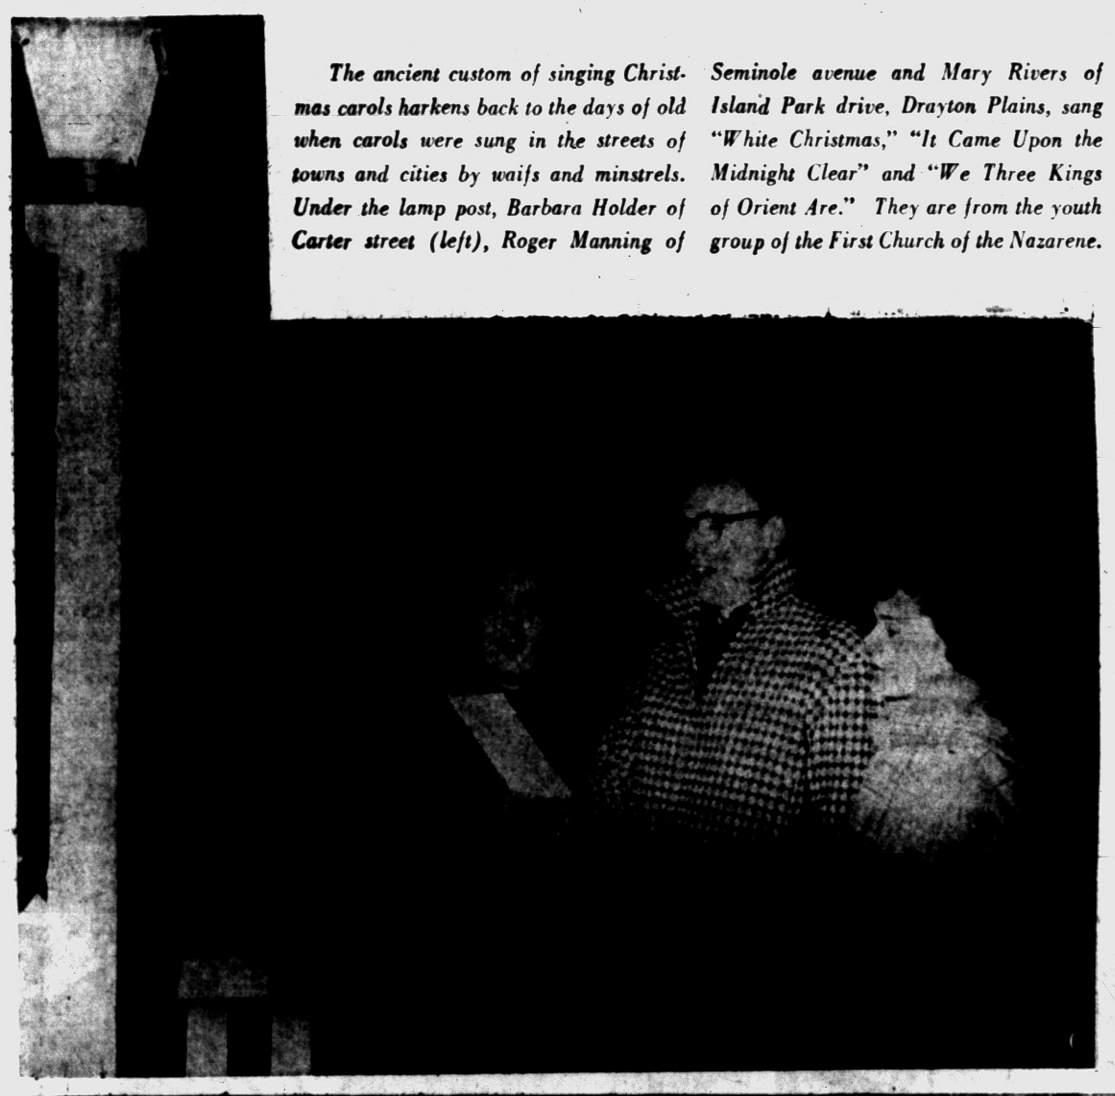

Pontiac Press Photo

Before leaving the Wilson Avenue Methodist Church to sing Christmas carols in the neighborhood, several young people of the church bowed their heads in prayer. "O Little Town of Bethlehem," "Hark, the Herald Angels Sing" and "While Shepherds Watched Their Flocks by Night" were some of the selections chosen by (left to right) Frances Thompson of Hillfield street, David Gregory of South Marshall street, Carroll Beaty of Ferry avenue, Carol Heiple of East Wilson avenue, Phyllis Linden of South Jessie street and Donald Beltz of Cottage street.

"Joy to the World," "Away in a Manger" and "Jingle Bells" sang some of the carolers of the First Congregational Church when they stopped on the steps of the Glenn Griffin home on Ogemaw road. These boys and girls, with other members of the church youth choirs, will be caroling in the corridors and halls of St. Joseph Mercy Hospital Friday. Reading left to right, they are Tommy Griffin of Ogemaw road, Richard Shafer of Moreland avenue, Sherrie Dudley of East Iroquois road, Pamela Griffin of Ogemaw road and Jane Hubbard of South Berkshire road, Bloomfield Hills.

The ancient custom of singing Christmas carols harkens back to the days of old when carols were sung in the streets of towns and cities by waifs and minstrels. Under the lamp post, Barbara Holder of Carter street (left), Roger Manning of Seminole avenue and Mary Rivers of Island Park drive, Drayton Plains, sang "White Christmas," "It Came Upon the Midnight Clear" and "We Three Kings of Orient Are." They are from the youth group of the First Church of the Nazarene.

Mrs. David Mortensen of West Beverly avenue, wife of the pastor of the Marimont Baptist Church, served hot chocolate and cookies to the young people of the church caroling beneath her window recently. The group was composed of (left to right) Dave Lundeen of Oakland avenue, Beverly Williams and Barbara Frasa of West Colgate avenue, Mrs. Mortensen and Cal Mortensen. "Watchman, Tell Us of the Night," "O Come, O Come, Emanuel," "I Heard the Bells on Christmas Day" and "The First Noel" were heard again while the carolers sat around the table.

The Women's Section

'Glory Be to God on High'

First Hymn of Yuletide Was Sung by the Angels

We believe that the first carol ever sung was by the angel choir on that first Christmas Eve, nearly 2000 years ago, when "Glory be to God on high, and on earth peace, goodwill to men" was caroled to the shepherds over the fields of Bethlehem.

It was during the 13th Century in Italy that the true Christmas carol had its beginning. The friars with St. Francis of Assisi tried to tell the Gospel story in song.

A Franciscan, Jacopone da Todi, was the first writer of carols. St. Francis also composed carols and planned tableaux depicting the birth of Christ.

A carol, in its true meaning, is a song in which a religious theme is treated in a familiar and festive manner. A hymn is devotional. So, many of our carols are hymns as well as carols.

• • •

The beginning of the 18th Century marks the transition from the true carol to the Christmas hymn.

WELSH CAROL

"Deck the Halls With Boughs of Holly" is a Welsh carol and one of the gayest. Its history is obscure but it was well enough known by the 18th Century that Mozart used it in a duet for violin and piano.

• • •

Phillip Brooks, a minister in Boston, wrote "O Little Town of Bethlehem." Shortly before his death, he became Bishop of Massachusetts.

At the age of 30, he took a trip to the Holy Land, riding on horseback from Jerusalem to Bethlehem just before Christmas. It was this trip which is said to have inspired the verses.

He wrote them later for the Christmas service in the Sunday School of Holy Trinity Church, Philadelphia, where he was rector.

• • •

The church organist, who conducted a class in Sunday School, took the verses home on Saturday and had the music ready for the next morning.

EDITOR'S CAROL

When Sir John Bowring wrote "Watchman, Tell Us of the Night," he was the young editor of the Westminster Review, interested in social and political reform. He later became a distinguished member of Parliament, an orientalist and governor of Hong Kong.

"While Shepherds Watched Their Flocks by Night" first appeared in 1708 in England. At that time, it was the only Christmas hymn officially sanctioned by the Church of England for use in service.

Nahum Tate, the author, was inspired by eight verses from the second chapter of Luke beginning: And there were shepherds abiding in the field, keeping watch over their flock by night.

Charles Wesley, co-founder of Methodism, wrote the words of "Hark! the Herald Angels Sing." Of the more than 4,000 hymns which he published, this is one of the most famous. Felix Mendelssohn composed the music.

• • •

"Once in Royal David's City" is a Christmas carol written by Cecil Frances Alexander, wife of the primate of Ireland, about 1848. She specialized in writing for children.

'WE THREE KINGS'

John Henry Hopkins Jr. is credited with writing "We Three Kings of Orient Are." He was a poet, composer, musicologist, and rector of several parishes. In his spare time he designed stained glass windows.

"Joy to the World" was written by Isaac Watts. He published the verses in 1719 as part of the "Psalms of David, Imitated in the Language of the New Testament."

On Christmas Eve in 1818 in the little church of the Austrian village of Obendorf, the organ was out of order.

The 26-year-old assistant pastor, Joseph Mohr, thought something special should be done to make up for the mishap and he wrote the words of "Silent Night." He gave them to his friend the village schoolmaster, Franz Gruber, who doubled as church organist.

Gruber returned the verses set for two solo voices, chorus and guitar the same day. That evening the beloved "Silent Night, Holy Night" was heard for the first time.

USED BY DICKENS

"God Rest Ye Merry Gentlemen" is on old English carol. Dickens made good use of the opening lines in "A Christmas Carol." When Scrooge hears them sung, he threatens the caroler with a ruler.

Many other carols have lived through the centuries, such as "The First Noel," "It Came Upon the Midnight Clear," "Angels From the Realms of Glory," "Away in a Manger," "Good King Wenceslas" and the solo "O Holy Night."

"Oh Come All Ye Faithful," one of the best-loved Christmas hymns and known throughout the Christian countries, was composed in France about 1700. Several copies in John Francis Wade's handwriting have been found in his collection. It is believed that he wrote the words.

In recent years many songs have been written that have become a part of our Christmas programs.

"White Christmas" was written within the last 10 years by Irving Berlin for a motion picture, "Holiday Inn."

BURT CAROLS

The late Alfred Shaddick Burt of California composed several Christmas carols which will be sung by the choir of All Saints Episcopal Church on Christmas Day in the morning service. Mr. Burt was the son of the late Rev. Bates G. Burt, who was rector of All Saints in Pontiac for 25 years.

• • •

As the candles burn in our windows on Christmas Eve, in remembrance of the Star of Bethlehem, we may be glad we are preserving the traditions of every Christian nation.

Keloa Klub Planning Snowball Party

Plans have been completed for the Snowball Party being held New Year's Eve by members of Keloa Klub, Dianne Bradley, general chairman, announced that the party will take place at the YMCA, with dancing from 9:30 p.m. until 12:30 a.m.

Among those assisting with arrangements are Joyce Whitfield and Betsy Bradley, cochairman of decorations. Serving with them are Sally Mier, Marcia Petrie and Sue Uligan.

Nancy Nickolson, Judy Lauckner, Sharon Boyce and Glenda Platt will handle tickets, while Barbara Calhoun, Gail Blamy and Lynne Bester will arrange the program.

Judy Learned is chairman of the patrons committee assisted by Sue Whitfield, Fran Glisky and Sharon Clark. Post-dance plans are being made by Jill Maneck and all of the new members in the club.

The refreshment chairman, Ann Mac Donald, is being assisted by Marilyn McLain, Janet Wiltgen and Marion Lape.

There are seven pages in today's Women's Section

Stock Up Medicines

Stock up on seasonal remedies such as cough medicine, a nasal decongestant, eye drops and a salve or solution for temporary muscle aches as winter weather, full school rooms and crowded offices will undoubtedly result in occasional colds and discomforts.

Also present were Mr. and Mrs. Barry McCabe and Mr. and Mrs. Henry Sucheval of Birmingham. Mr. and Mrs. Kemp will spend the holidays in Baltimore, Md.

Theater Tickets Make Her Seethe

By ANNE HEYWOOD

Mary Joan has a problem which sounds unimportant, but you can tell from her letter that it is terribly important to her.

* * *

"My boss," she writes, "is a wonderful man, but he has absolutely no imagination!

"Every year he gives me a pair of theater tickets for Christmas. There's nothing wrong with that, except that my boy friend works in the theater! We get tickets to everything that comes to town.

"Usually, we have already seen the show my boss gives me the tickets for and we just sit through it again. My boy friend is usually bored and I keep thinking of all the nice things I could have bought with the money.

* * *

"I haven't the nerve to turn them in, because the broker is a friend of my boss and I'm afraid it might get back to him.

HINTS DON'T WORK

"I've hinted about other things I'd rather have and I've commented about having a boy friend in the business and getting passes. But it never seems to make an impression.

"Have you any suggestions as to what I can do? This will be the sixth year. If he hands me theater tickets again this year, I think I'll scream."

It seems to me that if Mary Joan has worked for the man for six years, a little frank honesty might be called for. In the long run, it'll be better for their relationship than seething and burning up.

I think she might now, before it's too late, tell him gently that she has always appreciated his theater tickets so much. However, she did want to tell him that this year she's seen every play there is and doesn't want him to waste his money.

* * *

Chances are he'll ask her outright what she'd rather have. Then she's at an advantage, because she knows how much the tickets have always cost and can mention something in the same price range that she'd really like.

PLANT SOME HINTS

If he's too shy to ask outright, she can plant a few hints with some of the other girls in the office, or even tell them frankly what she wants, so if her boss should ask them they can pass it along.

Too many times, my experience has been, we let a situation like this go on for years, when a friendly but frank conversation would clear it all up.

(Copyright 1955)

Married Saturday evening were Dorothy Price and Merrill D. Skinner Jr. She is the daughter of Mr. and Mrs. Vernon Price of Elizabeth Lake road. He is the son of Mr. and Mrs. Merrill D. Skinner of Redding, Ia.

MR. and MRS. M. D. SKINNER JR.

Dorothy Price Married in Sunnyvale Chapel

Sunnyvale Chapel was the scene of the wedding of Dorothy Price and Merrill D. Skinner Jr. Saturday evening.

* * *

The Rev. James Parker officiated at the candlelight ceremony in the presence of 200 guests.

The bride is the daughter of Mr. and Mrs. Vernon Price of Elizabeth Lake road. The bridegroom, of Elizabeth Lake road, is the son of Mr. and Mrs. Merrill D. Skinner of Redding, Iowa.

Dorothy chose a bridal gown of white satin with a lace scalloped neckline edged with rhinestones. A large bustle bow accented her full skirt which extended into a cathedral train. Her satin cap was embroidered with seed pearls and she carried a white orchid and feathered carnations on a Bible.

Donna Lou McCallum was maid of honor wearing a dark blue velvet gown with an off the shoulder neckline. Her bouffant skirt was of net.

The other attendants were Mrs. Robert Smithson and Mrs. Donald Plumb who wore pansy red and gold gowns respectively.

Serving as best man was Cecil Shafer. Seating the guests were Bill Price and Arthur Warner.

For her daughter's wedding, Mrs. Price wore a powder blue jersey-taffeta dress with black accessories and a corsage of pink roses and carnations. Mrs. Skinner wore an aqua dress with black accessories. Her corsage was of pink roses and carnations.

She is a student at Wayne University and he is a former student of Taylor University, now attending the Detroit Bible Institute.

The new Mrs. Skinner changed to a blue suit dress with black accessories for their honeymoon trip. The couple will reside in Pontiac on their return.

Sorority Holds Christmas Party at State Hospital

Lambda Chi Omega sorority entertained the Child Psychiatry Group at the Pontiac State Hospital Tuesday evening with a Christmas party.

* * *

Entertainment and carol singing were enjoyed during the evening, after which gifts were distributed and refreshments served. The group of 20 boys who attended the party are under the supervision of Dr. James M. McHugh.

Lambda Chi Omega members held their own Christmas party at the home of Mrs. Raymond Howell on Pontiac drive.

* * *

Serving on the committee were Mrs. Donald Wilson, Mrs. Omer Vought and Mrs. J. A. Thornberry. Secret pals were revealed during the evening and refreshments were served.

Richard Orencia Claims Bride in Home Service

Married in a home ceremony Saturday morning were Beverly Dobbins and Richard L. Orencia. The ceremony was performed by Judge Maurice Finnegan in the Orencia home on Center street in the presence of the immediate families.

The bride is the daughter of Mrs. Ruby Stewart of West Beverly avenue, and Richard is the son of Mr. and Mrs. Phil Orencia.

For her wedding, the bride chose a blue dress with white accessories and wore a corsage of white and pink carnations.

Ila Hulsman was maid of honor wearing a beige dress and brown accessories.

Jay Flowers served as best man.

* * *

A reception was held in the evening for friends and relatives. The couple will reside on North Perry street.

Fabric Stoles Return to Fashion Styles

The return of the stole as a big fashion item is one of the major significances in resort collections. Designed to be worn as a cover-up companion for daytime and evening dresses, these fabric stoles are usually wide and unadorned.

Many of the newest are shaped to give a cape effect with stole panels in front. Others have puffed sleeves on one shoulder and the other side a floating panel.

Returns to Home

Mrs. William Fyfe of Lexington place, who was injured in an accident Oct. 17, has returned to her home.

Oranges and grapefruit are more easily peeled if they're put in boiling water for a few minutes first.

Wesleyan Class Has Yule Party

Mr. and Mrs. Russell Blackett opened their home on Dixie highway to members of the Wesleyan Class of the First Methodist Church for their Christmas party.

John Grieson gave the opening prayer and William Farrell presented devotions, using "The Greatest Gift of All" as his subject.

The class voted to send a gift to Faith Francis to aid in her mission work at MacAllen, Tex., and to provide for a worthy family at Christmas.

Geraldine Cook arranged the social program for the Saturday evening party. Assisting the hosts were Mr. and Mrs. Al Jackson.

Maple Leaf Club Meets in Church

Mrs. Everett Harris was hostess to 40 members and guests of the Maple Leaf Club at the Congregational Church.

Highlights of the recent meeting were the community singing of Christmas carols, a turkey dinner and the exchange of gifts.

Mrs. Leroy Farnham was accepted as a new member of the group and guests for the party were Mrs. E. L. Bradley, Mrs. Everett Reese, Mrs. Donald Barker, Mrs. Milton Harrison, Mrs. John McConnell and Mrs. Everett Fletcher.

Mrs. Harris was assisted by Mrs. Orrin Huntoon Jr., Mrs. George Hayes, Mrs. Frank Becker and Mrs. Arthur Hunt.

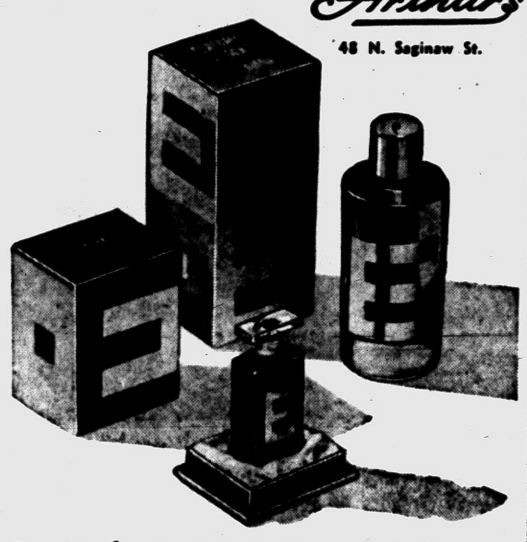

The next meeting of the club will be Jan. 27.

Wisely handled, credit is an asset and worth using, but keep in mind an old money maxim, rewritten: "Credit is a good servant, but a bad master."

Central Christian Will Hold Program

The annual Sunday School program of Central Christian Church will be held Friday at 7:30 p.m. Roy Riley has announced the program will be sponsored by all departments of the Bible School, beginning with the Nursery Department.

Mrs. Frank Emery is program chairman, and piano accompanists for the evening are Helen Nicholie and Lenore Storm. The public is invited to the program. Treats will be served to children attending.

Girl Receives Calls From Cousin's Beau

By ELIZABETH WOODWARD

"Dear Miss Woodward: It seems that I fell head over heels for a boy in the school I went to last year. But as fate would have it, he only liked me—so that was that.

"I happened to introduce him to my cousin and they just seemed to be made for each other.

"But during the summer while she was away he came over to see me quite often (through loneliness and blueness, I guess). We became very good friends and that's what's causing my problem.

"We go to different schools, so I don't see him too often, but he calls me up several times a week.

"I want to know whether I should allow this calling to continue, or should I stop it now before I let myself fall for him all over again?"

Answer: You find it hard to be just friends with the boy? You don't trust your heart to behave? Afraid it can't take those phone calls matter-of-factly?

Your eyes are wide open. So I say take what attention he gives you and enjoy it to the hilt. This may be a different sort of relationship from any you've experienced before.

He feels a special sort of bond between you or he wouldn't bother to call you so often. He enjoys chatting with you. He enjoys your friendship. Maybe it's your cousin he's dating, at the moment. But you're in his mind, too—in your special place.

Why be afraid to continue? Keep your eyes open. Hold your emotions in check. Don't let them tumble until you've had really tangible encouragement from him.

And if it never comes, well, that's that. You will have had fun of a different sort with him.

"Dear Miss Woodward: I got lonely waiting for the infrequent letters that came from a friend of mine in the sevice, so I decided to find a boy in school who would go places with me. I found one that I really like a lot.

"My girl friend told him, and he told her that I'm nice and if he finds that the girl he's going with doesn't like him he'll knock at my door. I thought maybe if I made him jealous he'd react a little.

"If he comes around should I tell him to continue on his way (and wait for the one in service) or should I forget I'm playing second fiddle?"

Answer: It doesn't sound as though you've gotten up any speed at all with the boy in school. And here you are already plotting to put on the brakes.

You like him, but you've had no dates with him. In fact, he goes places with another girl. If he ever turns up at your door, don't turn him away. Not if you want any reward for liking him.

(Copyright, 1955)

St. Michael Girls Go Yule Caroling

St. Michael grade school cheerleaders and friends went Christmas caroling Saturday afternoon.

* * *

The group visited the Oakland County Convalescent Hospital and several small convalescent homes in the area.

* * *

Those singing the carols were Pamela Kehoe, Bernadette Amann, Sharon O'Neil, Patricia Burns and Loretta Heitchen, Barbara O'Dea, Catherine Amann, Michael Halfpenny and Dennis Weigon. Rita Ann Halpin played the accordion.

Most Popular Shoes

The shoe experts say three types of fancy shoes are leading the holiday sales parade. No. 1 is the plain white satin pump which can be dyed to match a dress. No. 2 is the pump with rhinestone buckle or bow. And No. 3 is the bare sandal in gold or silver leather or satin.

Couple Married in Miami

Sarah Ann Goodell became the bride of Jack Nelson Salter Monday evening in Miami, Fla.

The bride of Miami, is the daughter of Mr. and Mrs. E. R. Goodell of Lake Worth, Fla. The bridegroom, also of Miami, is the son of Mr. and Mrs. C. L. Salter of East Tennyson avenue.

The couple was married in the University of Miami Presbyterian Chapel by the Rev. J. Calvin Leonard. The chapel was decorated with Christmas greens and a Christmas tree for the candlelight ceremony.

For her wedding, the bride chose a white wool sheath dress with white accessories. She carried a bouquet of orchids and roses.

Janet Stone of Miami was her only attendant. She was gowned in an aqua faille dress with white accessories. Her bouquet was of roses.

Don Rickman of Paducah, Ky., served as best man.

The bride is a graduate of the University of Miami and is affiliated with Kappa Kappa Gamma sorprity and Westminster Fellowship.

Jack is a senior in the College of Engineering at the University of Miami and is affiliated with Pi Kappa Phi fraternity.

After their honeymoon, the newlyweds will reside in Miami.

MRS. JACK SALTER

Office Women Given Party

The American Forging and Socket Company was host to the women of their office at a Christmas dinner party Friday evening.

The dinner table was decorated with Christmas greens and candles. Christmas favors marked each place setting and the group exchanged gifts from beneath the Christmas tree.

Julia Marlowe, Virginia Martin and Dorothy Neff arranged the party.

Awards Given to Cub Scouts of Webster Pack

Cub Scout Pack Six of Pontiac Council, sponsored by the Webster School PTA, made awards to boys reaching new ranks.

Receiving the Wolf Badge at the recent meeting were Mark Walker and Robert Scribner. The Lion Badge was awarded to William Yearned and Bear Badges were received by Dale Ackerman, Michael Antrobus and David Worster.

* * *

Other awards made by William Yearned, awards chairman, were: Ross Luther, Lion Badge and gold arrow; Bobby Irwin, Bear Badge and gold arrow; Robert Tricker, Bear Badge, one gold arrow and two silver arrows; Arnold Diem, Bear Badge and gold arrow; Charles Hubbard, gold arrow; John Isgrigg, Lion Badge, one gold arrow and one silver arrow, and William Taylor, four silver arrows.

* * *

Honor Cub for the month of December is Robert Tricker. Mrs. William Isgrigg's Den Five earned the Honor Den awards for its achievements, and Fred Fink, John Isgrigg, Michael Jenkins, Jeffery Jerome, James Nelson and Joe Patterson were given the Honor Den badges to wear for the coming month.

Here's Few Tips for Washing Corduroy Pants

To keep washable corduroy in top condition, here are a few hints:

If you use a machine, set it for a short cycle and warm water. Don't mix the colors in the machine. Don't try to wash lined jackets unless the tag says so. Use two short rinse cycles. Don't use the dryer.

Doing it by hand, squeeze each garment through the suds. Don't soak or rub. Drip dry over the tub or outdoors in the shade. Don't hang it over the line or it'll have a matted line in the pile. Straighten the seams gently.

* * *

When corduroy is almost dry, shake it thoroughly. Using a clean clothesbrush, raise the pile to its original fluffiness. Brush with the pile.

It should be fresh and wrinkle-free after this treatment, but if you like, it can be steamed with a steaming iron held just above the material.

Never Speaks of Princess Margaret

Townsend Tries to Become World's Forgotten Man

BRUSSELS (INS) — Many other men would have sought the solace of drink, or the company of other women.

Peter Townsend simply has picked up the quiet pattern of his bachelor life as if it had never been interrupted.

* * *

The former air ace and royal courtier who a few short weeks ago almost won the hand of a king's daughter is today deliberately trying to earn the title of "the world's forgotten man."

In his own words, "Life goes on."

Like 25-year-old Princess Margaret, who finally renounced her love for him to tread the path of duty, the 41-year-old RAF group captain is cool and self-possessed.

Peter Townsend gives no impression of a man suffering from a broken heart. There is no evidence of self-pity, no outward sign of the scorching period through which he so recently passed.

"I cannot ever discuss the subject of Princess Margaret," Townsend said in closing the story of the fateful 19 days which began in a lovers' reunion and ended in a sad renunciation.

* * *

Life today for Peter Townsend moves in the restricted routine of the Belgian capital, with his unimportant job as British air attache in one of Europe's tiniest countries, few personal friends, an occasional movie, rare participation in some diplomatic function and many hours of quiet reflection in the solitude of his Brussels apartment.

POETRY AND HORSES

In the loneliness of his exile, the principal actor in the world's most poignant modern drama of unrequited love has turned to the solace of his other two great loves—reading poetry and riding thoroughbred horses.

Ten days ago newspapers in London and Germany reported that Countess Alwina de Limburg Stirrum was helping Townsend "forget." There were hints of an early engagement.

But the wealthy Belgian-Dutch countess quickly denied any romantic attachment. She said she had a "close sporting friendship" with the handsome Britisher, but that was all. They are both members of a fashionable Brussels riding club.

Even Townsend's half-dozen or so really close friends have not seen much of him since his return to Belgium. Neither have most of the Brussels hostesses who mistakenly thought he might welcome invitations to dine, to cocktails, or an evening musicale.

Not once since his return has Townsend referred to the princess. His own view is that it is a closed book, and his anxiety to protect Margaret's name is evident.

It extends to the point where he no longer will speak with newsmen because of his dread that some innocuous remark might be misinterpreted.

* * *

The British Embassy staff, from Ambassador Sir George LaBouchere down, protects Townsend from callers and sees that he is not worried. They do it quietly, efficiently and firmly.

EVIDENT SYMPATHY

There is evident sympathy for Townsend, especially among the women of the diplomatic corps and in Belgian society. But respect for his desire to remain undisturbed is almost universal.

* * *

Only once has Townsend been provoked into any statement since he withdrew behind his own private iron curtain. He formally branded as "absolute rubbish" a report that he would go to the U.S. to represent the British wool industry.

He says simply: "I have no definite plans."

No one expects Townsend to remain in Brussels after his boring tour of duty ends next month. But the future will require a difficult choice, for he is a proud man. His friends state categorically that Townsend never would accept any job which carried the implication of "royal influence."

The Townsend day now follows a routine of almost calculated simplicity. He did not vary the routine even for his 41st birthday on Nov. 22.

The slim, blue-eyed, dark-haired Townsend rises at 6 a.m., makes himself a cup of coffee in the kitchen of his plainly furnished, $85-a-month apartment. Then he jumps into his small, speedy green car and drives out to Groenendael race course for a morning horseback ride.

No longer is a Belgian cop stationed day and night outside his apartment. Nor does a civilian-clothed bodyguard from the British Military Security Service ride with him as before he went to England for Margaret's answer.

BIBLE READING

By 10 a.m. he is at his desk in his small embassy office. Lunch is usually a snack in the embassy canteen. As a man with a lot of time on his hands who does not always know what to do with it, Townsends seeks after-work refuge in going to bed early and reading. He still reads at least one chapter of the Bible every day.

To the people of Brussels, Townsend is rapidly becoming just another foreign diplomat, and no longer a curiosity. He welcomes that and has given no indication of changing his routine, except to talk of plans for riding in more gentlemen's races in France and Belgium "next year."

There is no indication whatever that the divorced Townsend has vowed never to marry anyone else, nor that he will make a quick marriage on the rebound.

His present, almost monastic life does not make his friends believe he has anyone else in view now that he has lost England's princess.

Whether the passage of time will heal the bitter memories of a love which turned to ashes is anyone's guess.

Gifts were wrapped for the Soroptimist Club's Christmas party held Monday evening. Pictured (left to right) are Mrs. Arnold Hillerman of Chamberlain street, Mrs. Frank Anderson of Oneida road and Mrs. Kenneth Wright of Elizabeth Lake road. Members held their annual Christmas party at the Hotel Waldron.

Sorority Holds Yuletide Party

Mrs. Robert Pritchett was chairman for the program of games and Christmas carols for the Christmas party of the Gamma Psi Chapter of Beta Sigma Phi Sorority.

The party was held at the home of Mrs. George Heenan on Seminole avenue Tuesday evening. Gifts were exchanged and secret pals were revealed at the party.

Attending as guests were Mrs. Harry Bell, Mrs. Harvey Kerr, Mrs. Phillip Miller of Clarkston and June Newcombe.

Thoughtful gifts in the pin money bracket are easy to find in the perfume department of local stores.

Here's an Idea

For attractive and useful gift ideas for nieces and nephews, fitted knit crib-sheets or bassinet sheets in rosebud prints or pastels fill the Christmas stockings nicely.

Of the softest cotton knit, they are machine washable and need no ironing. Or soft cotton-knit terry towels and washcloths offer a good suggestion for that little extra gift.

Season Marked by Soroptimists

Seventeen members and guests of the Soroptimists met Monday evening at the Hotel Waldron for their Christmas dinner.

* * *

Following the dinner, they went to the home of Taimee Surola on West Huron street for dessert and a Christmas party, which featured the exchange of gifts.

Mrs. Dorothy Schufelt, Mrs. Glenn Valance and Mrs. Anna Hoover of Birmingham were guests of the group.

* * *

Assisting the hostess were Mrs. Raymond Swackhamer, Mrs. Valance, Mrs. Hoover and Alice Kimball.

Flora Shelly Group Has Yule Party

Mrs. Allan H. Monroe was hostess to the Flora Shelly Group of the First Presbyterian Church at her home on Cherokee road.

* * *

Mrs. W. H. Marbach, Mrs. Galen Hershey, Mrs. Gelston Poole, Mrs. Roy Ward and Jean Lukens were guests at the recent meeting.

* * *

Laura Cobb directed a game period following dinner and carol singing was led by Olive Lord. Miss Cobb and Grace Clark entertained with Christmas stories.

Mrs. W. H. Lehman and Mrs. W. E. VanRiper assisted the hostess.

Who Pays for Motel and Meals?

Cousins Planning Sightseeing Jaunt for Visitors

By EMILY POST

A reader tells me: "My sister and I are going to visit our cousin and her husband on the West Coast shortly. During our visit, our relatives have planned several sightseeing trips. One will be an overnight trip.

"This means that we will spend one night in a motel and also have several meals out. I would like to know if we should pay for our room at the motel and also pay for any of our meals that we have out."

Answer: If it is their suggestion it is their responsibility to pay. But if you said you would like to go and they offered to take you, then paying your own way is your responsibility.

"Dear Mrs. Post: I have just been made manager of my firm and have been given my own private office. I would like to know if I should rise when a stenographer comes into my office to take dictation."

Answer: A man does not rise when a stenographer or other woman employe comes into his office. But you must stand to receive a woman visitor and remain standing until she is seated. You stand again when she prepares to leave and go with her to the door, open it for her and "bow her out."

"Dear Mrs. Post: Some of my relatives have offered to put up out-of-town wedding guests — most of them on the bridegroom's side. Is it enough for me to write his relatives (whom I have never met) and invite them, or should my relatives do this."

Answer: It is only necessary that you write and say that arrangements have been made to take care of them during their visit. And when they arrive tell them that they are "going to stay at Aunt Mary's house," or "Mrs. Neighbor is expecting them."

Afterwards, they should, of course, write to their hosts and thank them for their kindness.

To make a holiday fruitcake fresh as a daisy when it becomes dry, just heat it over hot water in a covered double boiler. If desired, spoon warm sherry over the cake. It can then be stored for months.

Explain Principles to Youngsters

By MURIEL LAWRENCE

You are detaching a burned-out bulb from a living room table lamp when the knock comes at your back door. You call to your child, "See who it is, please, Doug!" He obeys. Then appears, swallowing a mouthful of his after-school peanut butter sandwich to announce, "It's the laundryman. He says you owe him $5.65."

* * *

You ask Doug to hand you your purse. You open it. You estimate. You decide. You say, "Tell him that I don't have $5.65 today—and that he'll have to wait till next week."

Alone, you screw the fresh bulb into place. You do it slowly, with a certain thoughtfulness. For again, you are making estimations. And suddenly, you again decide.

* * *

You reach the back door in time to call the laundryman back. In your child's presence, you say to him, "Doug didn't tell you the truth because I didn't tell it to him. I can pay you this bill today. I didn't want to because it will take all my cash. If you can possibly wait till next week, I'd appreciate it very much."

The laundryman can wait.

LIE REPLACED

You shut the door—and turning to your son say cheerfully, "We straighten out a lie by going back to it and replacing it with truth."

* * *

Why is it good to say this? British psychiatrist Kenneth Soddy gives us our answer. In a recent address to the first United Nations Congress on the Prevention of Crime and Treatment of Offenders, he said, "The moral development of children depends on their parents' ability to conceptualize and make abstract their own system of ideas—and so be able to pass them on to their children.

"Children growing up in an atmosphere where no principles are ever clearly grasped and no situations ever thoroughly understood tend to be weak in grasp of principle."

I understand Dr. Soddy to mean this: It's not quite enough to correct the lie we told the laundryman in Doug's presence. We finish the job only when we have connected our correction to the universal principle of rectifying falsehood.

We define what we have done just as we might say to the child who is watching us pour batter into a tin. "I am making a layer cake for supper."

CHILDREN GRATEFUL

I think that children are generally most grateful when we make these connections for them. Why shouldn't they be?

A child is not necessarily enlightened by watching his teacher add sums on the blackboard—and he's not necessarily instructed by watching you wrestle with your problems of pressure, hurt and discouragement.

To teach addition, the teacher has to make the connection between what she's doing and the principle of addition. To teach morality, we have to do much the same thing.

Bertha Mae Turner became the bride of James C. O'Rourke Friday evening at Pontiac Church of Christ. She is the daughter of Mr. and Mrs. E. C. Turner of South Eastway drive, and he is the son of Mr. and Mrs. Edmond O'Rourke of Auburn Heights.

MR. and MRS. JAMES C. O'ROURKE

Bertha M. Turner Wed in Church Ceremony

The Rev. Milton E. Truex performed the Friday evening ceremony in Pontiac Church of Christ uniting Bertha Mae Turner and James C. O'Rourke.

The bride is the daughter of Mr. and Mrs. E. C. Turner of Eastway drive, and he is the son of Mr. and Mrs. Edmond O'Rourke of Auburn Heights.

For her wedding the bride chose a waltz-length gown of satin accented by a bodice of lace. The sweetheart neckline was fashioned with a Queen Anne collar. Her bouffant skirt featured a tulle drape with a lace panel in the front.

A seed pearl and crystal beaded head piece secured her fingertip viel of illusion. She carried a cascade arrangement of white carnations and ivy.

Norma Sullenger was maid of honor. Her dress of Prairie Rose taffeta featured a long bodice with a bouffant skirt. She carried an arrangement of white carnations.

Barbara Green served the bride as her other attendant. Her dress was fashioned exactly like the honor attendants, in a twilight green color. She also carried a bouquet of white carnations.

Jack O'Rourke served his brother as best man. Seating the guests were Robert F. Turner, brother of the bride, Gene Kilgore and Gene Ewing.

When Mrs. Turner received her guests at the reception held in the church parlors immediately following the ceremony she was wearing a frost blue silk dress with matching hat and navy blue accessories.

Her corsage was of Talisman roses and pink carnations. Mrs. O'Rourke chose a gray dress accented with a gold print with which she wore a gold colored hat and gloves.

Following their honeymoon trip the couple will make their home on South Shirley street.

Yule Meeting Held by Alpha Sigma Nu

The Rev. Fred R. Tiffany delivered the invocation at the Monday evening meeting of Alpha Sigma Nu sorority held at Aunt Fanny's Tearoom.

Following dinner, Mrs. Tiffany told a Christmas story, "The Little Hunchback Zia," and the group joined in singing Christmas carols. Members brought gifts to be delivered to the patients at the Oakland County Convalescent Home.

Mrs. Russell Evans was general chairman of the party, assisted by Mrs. Guy Donnell, Elsie Forney, Mrs. William Looney and Mrs. H. B. Ogden.

Coming Events

Welcome Rebekah Lodge 246 will meet Thursday at 8 p.m. in the Malta Temple, 82 Perkins St. for a Christmas party and the revealing of secret pals.

The Friends Prayer meeting will be held Thursday at 7:30 p.m. with Mrs. Mattie Jackson, 27 Miller St.

Huron Gardens Auxiliary FOE 2887 will meet Wednesday at 7:30 p.m. for an officers meeting and a Christmas party with a gift exchange at 4405 Highland Rd.

Frances Willard Unit, WCTU, will meet Thursday at the Brethren Church on Roselawn Ave. for a noon cooperative luncheon and a Christmas program with a gift exchange.

Bride Claimed by Jack Felix in Church Rite

Patricia Alexander became the bride of Jack Felix Saturday afternoon in the First Presbyterian Church. The Rev. William H. Marbach performed the wedding service.

* * *

The bride is the daughter of Mr. and Mrs. William Alexander of Stephens court. He is the son of Mr. and Mrs. Jack Felix of Riker street.

For her wedding the bride chose a beige dress trimmed in rhinestones and pearls. She wore a matching hat and shoes and carried a nosegay of deep pink roses and white carnations with pink satin streamers.

Mrs. John Alexander of Jackson was matron of honor. She wore a powder blue dress and a corsage of pink roses.

John Alexander of Jackson served as best man.

* * *

An afternoon reception was held at the home of the bride. They will reside on Stephens court.

Yuletide Program Held by Chapter

Mrs. Everett Peterson of West Iroquois road entertained members of Chapter AW, PEO at her home Monday evening.

"The Other Wise Man" was presented by Mrs. Edna Forman and Christmas selections were sung by Mrs. Jeff House and Mary Mount, accompanied by Elda Sutter at the piano.

The theme of the Christmas party was Mystery in AW. Secret pal names were revealed during the gift exchange, and members secured the name of their new secret pal for the coming year.

Mrs. Keith Barrons and Jane Barrons of Midland were guests of the evening. Miss Barrons is a student at Cottey College, Nevada, Mo.

Williams Asks for Action on Mentally Retarded Care

LANSING (AP) — Gov. Williams prodded state agencies today to get results from a 1,500-bed program for mentally retarded children recently authorized by the Legislature.

* * *

He said some progress was reported at a meeting with State Controller James W. Miller, Mental Health Director C. A. Wagg, Civil Service Director Arthur G. Rasch and Building Director A. N. Langius.

The program to take mentally ill patients off local hospital waiting lists stands thus, Williams said:

1—A medical director and business manager are being transferred from the Lapeer Stat eHome and Training School to the Farmingron Children's Hospital, which will take up to 150 children under state contract; a staff of 50 persons is being recruited or transferred from Lapeer; A contract is ready to be submitted to the hospital trustees; A few children should be admitted to the hospital in two or four weeks.

* * *

2—Plans to put 75 to 85 children in Herman Kiefer Hospital in Detroit have struck a snag; the institution is demanding $200,000 from the state to rewire facilities; further negotiations will be necessary.

* * *

3—The State Mental Health Department's staff has started working on placing 100 children in boarding homes; Rasch promised to recruit two more social workers.

* * *

4 — The State Administrative Board has released $600,000 to double a planned expansion at the Mt. Pleasant State Home and Training School, now estimated to cost $2,200,000 for 440 beds.

* * *

5—A business manager and engineer have been obtained for the Army hospital at Fort Custer which the state plans to lease; Williams has asked the Army to permit the state to activate the power plant and heat lines and move out Army equipment pending final settlement of the lease; The state building division will be ready Feb. 1 with contracts to remodel the hospital; the lease is being rewritten to meet Army demands for a security fence surrounding the portion which the state will lease, but the lease should be ready today to forward to Washington.

Williams said he was asking Wagg to report progress and plans in detail by Jan. 10, the day before the Legislature resumes its sessions.

"So Sorry"—

"Sorry I took a nip at that stranger. Now my master is being sued and it may cost him lots of money. It could be a very expensive bite!"

The danger of damage suits is always a possibility. Your dog may bite someone—a tradesman or visitor may be injured on your property, your slice might hit someone on the golf course.

Various accidents can happen and you might be held liable for them.

A Family Legal Liability policy is what you need. It gives you a lot of protection for very low cost. Let us tell you about it.

Just Couldn't Leave Well Enough Alone

LONGVIEW, Tex. (AP) — Crew members on a Gulf Coast & Santa Fe passenger train from Beaumont knew they had a skunk riding the rods but agreed to leave him alone and let him depart unnoticed.

But when the train stopped here, an uninformed but zealous car inspector saw a busy trail protruding from a journal box. He gave it a hard yank.

The skunk departed but not unnoticed.

Registered letters were first accepted by the U. S. postal department in 1855.

Santa Answers Judy's Prayers

Dachshund Fritzy Comes to Take Blinky's Place in Little Girl's Heart

MINERAL, Va. (AP) — Fritzy the dachshund has arrived and does 8-year-old Judy Mahone believe in Santa Claus? "Yes sir!"

The Christmas season that seemed so desolate to Judy just a few days ago is much brighter now. There's a dog back in the Mahone family, to replace Blinky, a big, awkward Great Dane pup killed three weeks ago by a passing Chesapeake and Ohio train.

Fritzy is a gift from the railroad, whose symbol is Chessie the cat.

In the days of despair that followed Blinky's death, Judy and her father, Wilson, worked up an eight - stanza poem. In it, Judy told C&O President Walter Tuohy how she had always waved to engineers. The tragedy, she said, had brought that to an end.

Another dog "would help us to forget," Judy said, adding:

"My daddy says that Santa is awful poor this year.

"There's five of us already and another almost here."

Tuohy responded from Cleveland with another poem — matching Judy stanza for stanza. The C&O People were saddened, he said. They checked with Santa and "we're sure he has a puppy."

* * *

Was this proof there really is a Santa Claus? "Yes, sir!" said Judy.

"That pup took up with the family right away," said Judy's Father a chef at a tea room.

SHERWIN BIRNKRANT

Commissioners OK Legal Appointment

The City Commission last night approved the appointment of Sherwin M. Birnkrant as Assistant City Attorney. The appointment becomes effective Jan. 1.

He will work with City Attorney William A. Ewart, who made the recommendation to the Commission in handling the city's legal affairs.

Birnkrant received a bachelor of laws degree from Wayne University in June 1954 after receiving his bachelors and masters degree in business administration from the University of Michigan.

He is also a graduate of the Institute of Applied Science of Chicago, a school for police officers in scientific crime detection.

Chileans Like Yuletide With Cold Monkey Tail

SANTIAGO, Chile (AP)—Eggnog? Oh, no. Tom and Jerry? Nope. Yule Punch? Not down here. For Christmas in Chile it's cold monkey tail for everybody.

No observance of the holiday is thinkable without it. Monkey's tail (colo de mono) is a beverage composed of coffee, milk, egg and high grade alcohol distilled from grape juice. It comes bottled and nobody knows how it got its name.

The drink is served cold because the Christmas season is the middle of summer in Chile.

To Chileans, the holiday is synonymous with family reunions. In almost every home there is a Christmas tree or, more often, a Nativity scene.

On Christmas Eve, toys are distributed to children. Even toddlers join adults in drinking monkey tail, then everyone troops off to midnight Mass.

For Christmas dinner, the traditional main dish is lobster brought from the Juan Fernandez Islands, 400 miles out in the Pacific Ocean.

The country people have roast duck with apple stuffing of the highly spliced asado al palo, barbecued meat.

* * *

A more special feast is curanto, an Araucanian Indian dish prepared from a recipe probably 1,000 years old. It is cooked in deep pits dug in sand. These pits are lined with scented herbs and leaves, then filled with layers of eggs, fowl, fish, clams, oysters, mutton, beef, pork and every available vegetable. Hot stones are tossed on top of the ingredients and the whole thing is covered tightly.

Whole wheelbarrows of the finished product are wheeled to the guests at long plank tables set up outdoors. No one ever has been known to partake lightly of curanto.

Ex-City Resident Freed on Bond

Manslaughter Charge Faces Sam Trimble in Miami Death

A former Pontiac man who was arrested in Miami Dec. 4 in the death of the wife of the man he claims as his best friend, was free today on a $2,500 bond pending trial on a manslaughter charge.

Sam Trimble, 27, who worked in Pontiac last month at a floor sanding company before going to Florida, was arrested after the battered body of Mrs. Clara Jean Bass, 20, was found on a rural road outside of Miami.

She was the wife of Willie Bass, 23, who worked with Trimble in Pontiac. The dead woman was a former waitress in a Pontiac diner.

The first degree murder charge originally lodged against Trimble, was reduced to manslaughter Wednesday by Justice of the Peace Ruth Sutton.

Mrs. Sutton said she reduced the charge at the recommendation of State Attorney George A. Brautigam, who asserted that there was not enough evidence to sustain a murder conviction.

Local Resident Submits Low Bid on Project

LANSING (AP) — John F. Walser of Pontiac was low bidder at $34,336 for removal of top soil on the Toledo-North expressway from Nadeau Road to South Huron River Drive in Monroe County, the State Highway Department reported.

The town of Lampun, the first Lao capital in Siam, was founded about 575 A.D.

For a Christmas present the whole family can enjoy

1956 DESOTO

Delivered in time for Christmas

New push-button driving . . . new 255 V-8 horsepower!

Push-button driving is here now on the '56 De Soto. You select the correct driving range with the effortless touch of a button. Simple? You bet! With De Soto's modern push-button control you just touch the "D" button, nudge the accelerator lightly and . . . Go!

De Soto's push-button Powerflite transmission is *fool-proof* . . . no electronic circuits to fail . . . a positive-acting direct mechanical control. Try it, and you'll agree it's the only really modern way to drive.

You've never driven a car the equal of the 1956 De Soto. Beneath that *Flight-Sweep* styling is blazing new V-8 horsepower (up to 255 hp) that gets you out front fast with sizzling "high torque take-offs" and lightning fast emergency "step down" acceleration for quicker, safer passing. De Soto gives you instantaneous power in any speed range. A modern automobile designed for the superhighway age. Now—more than ever . . . Drive *and Price* De Soto Before You Decide!

De Soto's big volume deal makes it a cinch for you to play family Santa in a great big beautiful way . . . with a new De Soto for Christmas. See your De Soto dealer today, let him arrange a special Christmas Eve delivery.

See your De Soto dealer now . . . he's making real Santa Claus deals!

Watch Your Diet!

WASHINGTON (INS) — A diet which is low in protein may lead to a tired body and a slowing down of the mind. This was reported recently by Dr. Herman N. Bundesen, president of the Chicago Board of Health. Dr. Bundesen said that a shortage of protein reduces energy and endurance. A continued shortage of protein, which provides the body's "building blocks," would permit the body to destroy itself.

Dripping Bottles Cease

WILMINGTON, Del.—Bottles of acid sold by a Wilmington concern are now being fitted with sleeves of polyethylene plastic that eliminate drip during pouring and lessen the possibility of acid burns.

The plastic sleeve, on the lip of the bottle, is said to prevent acid from dripping down the outside of the container, because of its resistance to wetting.

FHA Warns Lenders

WASHINGTON, (INS)—The Federal Housing Administration has warned mortgage lenders that they may violate the anti-trust laws if they force home buyers to buy insurance from them. FHA says the Justice Department believes there should be "competition" in the sale of fire insurance and other protection to home owners.

India will soon have decimal coinage.

Tea Quota Raised

COLOMBO, Ceylon — The Ceylon Government is permitting tea traders to ship to London before the end of 1955 5,000,000 pounds of tea more than the annual stipulated quota of 60,000,000.

Governor Urges School Prestige

Williams Asks Boards to Follow Resolutions of Conference

LANSING (AP) — Gov. Williams has urged Michigan educators to make "hard practical decisions" in carrying out the recommendations of the White House Conference on Education.

* * *

Williams told a post-conference meeting of Michigan delegates that generalities must be left behind—"we must get down to specifics."

At the same time Clair L. Taylor, state superintendent of public instruction, offered a six-point program which he said would be a start toward solution of Michigan's educational problems.

Urging educators to get down to business while public interest in education is high, Taylor recommended:

1. Local educational conferences to discuss problems emerging at the national conference.

* * *

2. A study of education at "all levels," including problems of public, private and parochial schools.

* * *

3. Closer consideration of the problems of youth by educators.

* * *

4. Close examination of the school construction crisis.

* * *

5. Cooperation by school officials in appearing publicly to discuss school problems.

* * *

6. Cooperation between delegates and school board members in planning local educational conferences.

* * *

"We must strike while the iron is hot," Taylor said. "We have generated a lot of educational steam and we must move ahead to the grass roots."

DISPELS APATHY

Taylor said the state had spent $26,980 of the $27,630 allocated to it by the federal government for expenses of the conference.

Williams said one of the most important accomplishments of the national conference held in Washington was to dispel "a widespread feeling that the people themselves did not favor federal aid to education."

The decision of the conference in recommending federal aid for school construction was based on the fact that the states themselves are unable to handle the job, Williams said.

* * *

While teacher salaries are important, Williams declared, an equally important problem is the matter of teacher prestige in the community.

Williams said the state must work out ways to increase teacher salaries and eliminate "inefficiencies" in the organization of school districts.

He said he has received "many complaints from teachers who had not received $200 increases voted by the Legislature at a special session this fall.

Stalin Peace Prize Given to Jap Woman

TOKYO (AP) — The Soviet Union has awarded the Stalin peace prize to a Japanese woman who taught two million Japanese workers to sing "The Internationale" in four-part harmony.

Mrs. Akiko Seki, an unknown singer 10 years ago, now heads 3,000 Communist choir organizers, and directs activities of labor union choirs with an estimated two million members throughout Japan.

Mrs. Seki, 36, claims to be non-Communist like the late Ikuo Oyama, the first Japanese winner of the Stalin prize in 1952.

Ford Industry History Reads Like Fairy Tale

DETROIT (AP)—Enshrined in the Henry Ford Museum at nearby Greenfield Village is a small runabout type motorized buggy, with two cylinder engine, chain transmission, bicycle wheels and tiller steering.

* * *

It is the first automobile the elder Henry Ford designed and built in 1892-93. From it stemmed some 33 million Fords and a golden stream of profits which has made the Ford Motor Co. the most fabulous of American industrial enterprises.

How many millionaires were made by the meteoric development of the company is anybody's guess. Counting original stockholders, members of the Ford family and those who inherited the wealth amassed by parents and grandparents, the total probably would exceed three score.

The story of the Ford Motor Co. has many of the ingredients of a fairy tale. It starts with a $28,000 fund raised by a dozen persons in 1903. The company paid a $10,000 dividend in its first year, in 1908 it declared six dividends of $100,000 each and an additional stock payments of $1,900,000. Twelve dividends were declared in 1909, totaling $1,800,000.

HUGE DIVIDENDS

From then on the story is one of continuing huge dividends—10 million in one year, 12 million in another and so on. Then Ford proposed to turn profits back into the business for expansion. Some stockholders dissented.

Ford retaliated by threatening to withdraw and start a new company if minority stockholders refused to sell out to him. In 1919 the company became a family-owned affair, Ford and his son, Edsel, taking over minority holdings.

The company's net income that year was $69,924,410.52. It had

HENRY FORD II

grown steadily from an indicated $100,000 in its first six months.

MORE OF THE HISTORY

Other parts of the Ford story include the lone and successful fight made against the Selden patent suit, his $5-a-day minimum wage in 1914 when skilled labor got about $2.50, introduction of the 5-day week in 1926, increase in minimum daily wage to $7 in 1932 in an announced effort to "Break the Depression," and production of huge bomber planes (one each working hours during World War II.

In his Selden patent suit victory in 1911 Ford upset the claim of a New York lawyer that he held exclusive patent rights to the production of a car powered with an internal combustion engine.

From 1919 through 1945 the company not only was family-owned; it was dominated by the elder Ford. When he resigned as president Ford was 82. It is said his resignation was forced when his family threatened to sell their stock if he insisted on 1-man rule.

VAST REORGANIZATION

Ford wanted no partners outside his family. He resigned. His grandson, Henry Ford II, was named president. The elder Ford died in April, 1947. Meanwhile the younger Ford had started his vast reorganization program.

Indications of its success were shown in the recent announcement that by the end of 1957 the company will have spent or committed more than 3¼ billion dollars since 1946 on new tools, expanded and modernized manufacturing facilities—"all coming from earnings, depreciation accruals and more efficient turnover of working capital."

Jan. 18 has been set as the tentative date for the public sale of the shares. They will be put on the market not by the Ford Motor Co., but by the Ford Foundation, the philanthropic trust set up in 1936 by Henry Ford. They'll be shares of the Ford Motor Co., nevertheless, although none of the money realized will go to the firm.

DIVERSIFY ASSETS

The foundation says it is selling because it wants to diversify its investments, now almost entirely Ford stock. The shares will represent only a fraction of holdings after planned recapitalization of the share structure.

* * *

The price at which the shares will be sold is still in doubt. Wall Street observers have suggested a range of $60 to $70 a share. Reclassification of stock will be effected.

CLASSES OF SHARES

Three new classes of shares will be issued instead of present "A" and "B" numbers will be increased through splits of 53,461,470 comparing with 278,683,500 shares for General Motors and 8,702,264 for Chrysler.

The class "A" stock will be split 15-for-1, sold to the public with voting rights. Class "A" retained by the foundation will be non-voting.

Present "B" stock will be split 21-for-1. All "A" stock held by the Ford family will be converted into shares of new "B" stock. All "B" shares will be owned by the Ford family and represent 40 per cent of voting rights.

The Ford family will retain operating control. But it will have a vast throng of new and curious partners.

STOCKHOLDERS MAY CONTROL

Now the Fords will have to learn the art of conducting stockholders meetings. Till now they could have held a stockholders meeting in their own parlor. Now, they'll need a big hall. Stockholders will get on their feet to ask questions because they want to know while professional stockholders will just want to be seen.

At first the influence of the public stockholders will be slight. But as time goes by they are expected to edge closer to actual as well as theoretical control.

The Ford Foundation is looking for other effects from the sale of stock.

One is the belief that hundreds of thousands of shareholders also will become potential customers for the company's cars, trucks and tractors.

* * *

Another benefit will be avoiding the inevitable loss of family ownership in the company through inheritance taxes.

Court to Sentence 7 on Indecency Counts

Seven men arrested here in a recent police crackdown on immoral activities in a downtown store will be sentenced Tuesday, Municipal Judge Cecil McCallum said.

The seventh who pleaded guilty to a charge of disorderly conduct Monday is Theodore E. Conarty, 26, of 5426 Pontiac Lake Rd.

Judge McCallum said he has extensively interviewed the men to determine the extent of vice activities in the men's lounge of the store.

City Police Checking Murder Witnesses

Pontiac Police are checking a list of witnesses to a 1928 city murder, but so far have been unable to find one who actually witnessed the slaying of James Blair.

Inspector Clark M. Wheaton said that several persons can testify they saw a 70-year-old suspect, now held in Chicago, at the scene of the crime.

But none say they saw him beat Blair to death with a baseball bat.

The suspect, known here as Charles Johnson, is being held on $10,000 bond on a charge of carrying a concealed weapon.

Pontiac Detective Sgt. Allen D. Noble, who interviewed Johnson, said he admitted playing poker with Blair on the night of the murder, but did not confess to the crime.

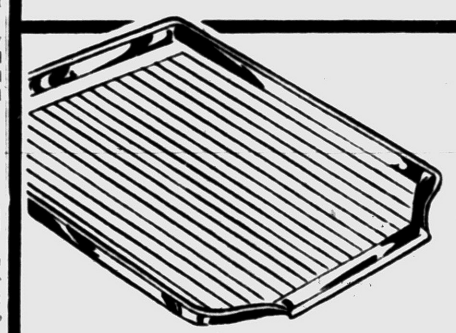

Home Nursing Drops

OTTAWA — The Victorian Order of Nurses gave home-nursing service to 120,342 cases in Canada in 1954 compared with 124,164 in 1953 and 129,466 in 1952. Although the number of cases declined 7 per cent since 1952, there was an increase in the number of visits—from 899,299 to 931,443.

Jordan Seethes Over West Pact

Rioters Demand Pledge U.S. Flag Ripped Down; Arab Legion Patrols

By ROBERT HEWETT

AMMAN, Jordan (AP)—More than 200 demonstrators marched on the offices of Jordan's Prime Minister today and demanded a pledge that his government would not sign the Baghdad pact.

* * *

In another part of the capital Arab Legion troops hurled tear gas grenades to disperse a crowd of 400 persons rioting against the Western-sponsored alliance.

It was the sixth day of turbulent demonstrations in Jordan. Yesterday mobs attacked the U.S. consulate in the Jordan sector of Jerusalem for the second time since Saturday and ripped down the American flag.

* * *

For several hours mobs roamed the heavily guarded streets of Amman today cheering antipact speakers and ignoring appeals to disperse. They demanded release of all political prisoners, free speech and a free press for electioneering.

The demonstrators were further incited by a declaration by Cairo radio last night that "the people of Jordan have finally defeated the butcher of Malaya." The reference was to British Gen. Sir Gerald Templer's eight - day mission here to persuade Jordan to join the Baghdad Pact. Templer is a former commander and high commissioner in Malaya.

* * *

Prime Minister Ibrahim Hashim announced the composition of his new caretaker government today. Informed sources reported that he had already agreed to kep off the touchy pact issue. He was named by King Hussein yesterday.

News of the Men in Service

Pfc. Jerry Gilbert, 18, son of Mr. and Mrs. Harold Gilbert of 66 Edison St. is now stationed in Korea.

GILBERT

Gilbert enlisted in the Army on October 19, 1954 and received his basic training at Fort Leonard Wood, Missouri.

He attended Pontiac High School prior to entering the service.

A.3.C. Thomas L. Kretz, 19, son of Mr. and Mrs. Lawrence Kretz of 55 Peggy Ave. is now in Korea.

KRETZ

Kretz enlisted in the Air Corps in August 1954 and received his basic training at Sampson, New York.

Prior to entering the service, he attended Pontiac High School and employed by the Pontiac Press.

Douglas R. Hahn, 17, son of Mr. and Mrs. Raymond Hahn of 3193 Auburn Ave. recently completed basic training at Fort Leonard Wood, Missouri. He is now stationed at Camp Gordon, Georgia.

HAHN

Prior to his enlistment in the Army in October 1955, Pvt. Hahn attended Avondale High School.

Sgt. 1.C. George D. Shuler, 43, son of Mr. and Mrs. J. C. Shuler of North Carolina recently received the Bronze Star for action on Luzon Island, in the Philippines on Jan. 9, 1945.

He was the sole survivor of a patrol that was trapped by enemy fire when attempting to recapture a hill which his group had taken and lost earlier in the day.

His wife and nine-year old daughter, Carol Ann live at 693 East Pike St. Shuler is now in Walter Reed Hospital, Washington, D. C.

Biggest, Costliest Miami Beach Hotel Picketed

MIAMI BEACH, Fla. (AP)—Picket lines were thrown up today around Miami Beach's biggest and costliest hotel, the Fontainebleau.

Immediately after the pickets started to march at 6 a.m., a fist fight broke out and Al Berlin, trustee of the Hotel Employes union, said "This may get rough before it's over."

* * *

The fight was between Matty Nashway, an employe of the hotel, and Ernesto Garcia, 37, a picket. They were arrested and held on cross warrants, each charging the other with assault and battery.

* * *

The 565 - room Fontainebleau, built at a cost of 14 million dollars, was the 23rd hotel in the Miami area to be struck by the union since it began an organization drive here April 13.

Picketing at the other hotels was banned by the State Supreme Court which held that the union did not represent a "significant" number of the hotel workers.

The union contends that it represents 30 per cent of the 6,000 employes in 164 Miami area hotels.

West German stamp collectors have protested to authorities that the new stamp honoring Oskar von Miller, physicist, is "unpleasantly designed."

ALL ACROSS AMERICA—

General Motors and General Motors Dealers are GROWING TOGETHER

IT'S EASY TO SEE why the public has been swinging in ever-increasing numbers to Chevrolets, Pontiacs, Oldsmobiles, Buicks and Cadillacs.

These cars have blossomed forth, year by year, with a growing list of new engineering advances—new and smoother automatic transmissions—new heating, ventilation and air conditioning systems—new power steering—new power brakes—and a long list of new convenience and safety developments.

Such improvements as these do not just happen. They take resourceful engineering—and hundreds of millions of dollars' worth of new tools and new machines.

And how do the dealers who sell General Motors cars tie into this program of progress?

They're buying new machines and new tools to service the millions of cars they sell each year.

Because they're excellent businessmen, they know the need for taking good care of their customers.

So their investment in facilities has multiplied nearly ten times in the past fifteen years. That's important because about the same number of dealers who sold General Motors cars 15 years ago are doing a dollar volume *more* than five times as large today—and incidentally making about five times the profit, which is as it should be.

But this is only a part of the story.

If we are going to sell millions of new cars each year, we and our dealers need to make sure that they give satisfaction.

So we're growing together in service, too.

To keep this parade of new engineering advances in top condition calls for an extension of our advanced engineering clear through to the 16,957 dealers who sell these cars.

So we have pioneered an entirely new approach to customer service. We have built and are now operating 30 new Training Centers—where dealers' skilled mechanics, under the guidance of specially trained instructors, can receive specialized training on the design and operations of these new advances—and learn the skills and become familiar with the tools required to take them apart and put them together.

And our dealers—on their part—have been sending their mechanics to these Centers by the thousands each month. Attendance for 1955 will approach 100,000.

When we work together like this. we can surely keep right on selling cars by the millions.

At 30 new GM Training Centers spread across the country, the skilled service mechanics of GM dealers "go to school" to learn the techniques for keeping the latest engineering advances in top condition.

Pigeon School Burns —a $20,000 Loss

PIGEON (AP)—Fire destroyed the Decker School building near Pigeon yesterday at a loss estimated at $20,000. The rural school was a two-classroom frame structure. Cause of the fire was not determined.

The blaze was out of control by the time Pigeon firemen arrived. No one was in the building.

Thirty-eight pupils attend the school. Officials said arrangements will be made to assign them to another rural school.

Money Pledges Pour In to Help Upper Peninsula

MARQUETTE (AP) — Cash and pledges totaling $19,735 have been collected toward a $250,000 goal to set up an industrial division of the Upper Peninsula Development Bureau.

The industrial division will aim at getting new industry and payrolls for the Upper Peninsula.

Westinghouse Loans $2 Million to Strikers

PITTSBURGH (AP) — Strikebound Westinghouse Corp. today continued making loans to strikers and others of its idled employes across the nation while federal mediators renewed efforts to settle the lengthy dispute.

* * *

The company estimates it has loaned $100 apiece to nearly 20,000 employes. The loans are intended to ease the Christmas plight of the more than 50,000 strikers, as well as an undetermined number of other employes laid-off on account of the strike, the company said.

Further talks were scheduled with the International Union of Electrical Workers, which represents 44,000 strikers, and with the United Electrical Workers (Independent), representing about 10,500.

Production has been virtually halted in 40 Westinghouse plants by the dispute. Union officials lifted picket lines to permit strikers to enter the plants to get the loans.

American currency which is most frequently counterfeited is the $10 and $20 denominations.

RELEASED BY REDS — Mrs. Wilda Bradshaw, center, is helped from an ambulance at Hong Kong Tuesday, by Miss Margaret Strathie of the British Red Cross and Richard Tomlin of the American Red Cross. Mrs. Bradshaw was released with her husband, Dr. Homer V. Bradshaw, after being held for nearly five years by Chinese Reds. They had been missionaries in China for nearly 20 years. Mrs. Bradshaw appears to be suffering from malnutrition and a mental breakdown. "She doesn't realize even now that she is in free territory," the Presbyterian doctor told newsmen. AP Wirephoto

Black to Take Office

PORT HURON (AP) — Michigan's Supreme Court justice-elect Eugene F. Black will be sworn into office Dec. 31 at ceremonies in Port Huron. The oath of office also will be administered to his successor as St. Clair County's Circuit Court judge Halfred I. Streeter. Judge Black was elected to an eight-year term last April. He was nominated by the Democrats but ran for office on a non-partisan ballot.

Bobo Rockefeller's Miner Father Dies

WASHINGTON, Pa. (AP) — Julius Paulekas, 68, father of Barbara (Bobo) Rockefeller, died late yesterday in Washington hospital following a lengthy illness.

Paulekas, a coal miner who retired several years ago, came to the United States from Lithuania 52 years ago. He was divorced from his wife shortly after Bobo's birth.

* * *

Neither Bobo, ex-wife of millionaire Winthrop Rockefeller, nor another daughter, Mrs. Henry Hellman of New York City, was present when Paulekas died.

Bobo visited her father here in April, 1954, when he became critically ill. He improved and had been living with a cousin.

The United States produces 70 per cent of the world's passenger motor cars.

WINNING DOLLS — Judy Fosher, center, of Creve Coeur, Mo., shows in Munich, Germany, her dolls which won 1955 U. S. Christmas Doll contest. Judy, 16, is a freshman at Fontbonne College, St. Louis. With her are Isa, left, and Jutta Guether, German twins and film starlets.

Here's Some More Hints for Rounding-Out Gift List

By JANET ODELL

Have you planned all your house decorations for the holidays? If you're still looking for something, get a do-it-yourself angel kit. It contains 12 aluminum foil angels in bright colors, ready to assemble. The same store also shows intricately formed stars to be put together.

The crowds which came out when a master chess player appeared in town proves the game is popular here. You can buy a chess enthusiast a new set of plastic chessmen, complete with a history of the ancient game.

Any cook who likes to experiment with spice cookery will relish a wooden cabinet holding a dozen boxes of assorted spices that pop out at the touch of your finger. She'll also like some hand carved wooden cocktail picks for entertaining.

Does your favorite man play golf? Buy him a golf ball marker. Or give him a compass for his next trek into the north woods in search of deer.

An amusing lamp that caught our eye was a seramic Siamese cat twosome. The light shines through their eyes which have a green shade to make them more realistic.

Cuff links are popular with men and women of all ages. You have an almost unlimited choice of size, type and price. Mens' clothing store executives say French cuffs are being worn more than ever.

Four pairs of scissors in a fine leather case makes an unusual gift. A young couple would like a French Limoges oil and vinegar set for special salad serving.

In line with the do-it-yourself craze, Better Homes and Gardens has publicized a Handyman's Book. Most home owners would like to have it for reference.

Thinking of the younger persons on your gift list, we suggest a set of metal bells tuned to scale. Each bell is a different color, and the music is written in color to make playing tunes easy for the small musician.

That Car's Unlucky

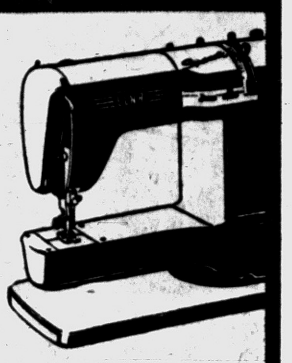

CLEVELAND (AP)—Stanley Wenger went to a garage yesterday to pick up his car after mechanics repaired its smashed front end. The car wasn't ready. A mechanic had taken it out to test the new front end and another car had rammed into its rear end.

So—Don't Argue

CLEVELAND (AP)—Mrs. Loretta Giarrizzo, 70, filed a $25,000 damage suit against house painter Stanley Gonsior, 53, yesterday, charging that he painted her arms green when she criticized his work on her garage.

Revolutionary Ideas May Aid Poultry Producers

By ED MARKAITY
(Associated Press Farm Writer)

GRAND RAPIDS (AP)—The Hamilton Poultry Farm managed by Fred Billett, offers the innovation of triple-deck roosts to double the capacity of a 32 by 100-foot cinder block laying house. The lower two roosts are equipped with feeders and waterers.

Billett says the new system produces as good results as conventional housing but adds that still more changes are planned. "We've been thinking of doubling the width of the roosting area and using a section of slatted, raised flooring," he explains.

A proposed pressure ventilation system has been dismissed because it was too wet when the weather turned cold. The Hamilton coop now is ventilated with conventional exhaust fans.

The Dirkse Leghorn farm at Zeeland operates a 17 by 178-foot cinder block house with no windows.

A controlled system pumps fresh air from outdoors and exhausts stale air. All lighting is artificial. Fluorescent lamps are switched on automatically at 5 a. m., and cut off at 6 p. m., daily.

The building includes a 16 by 47-foot feed room at one end. Its laying house proper is divided by an alleyway into sections of approximately 3,000 square feet each. Laying areas are further compartmented into laying pens for purposes of flock control.

Dirkse has 4,000 birds in the house—twice the number recommended for conventional housing.

Floor space consists of wooden lath set on edge and spaced to allow droppings to fall to the ground below. The flooring is removable by sections for cleaning purposes within the building made large enough to allow cleanup operations by bulldozer.

Automatic feeding and watering equipment services the laying pens.

Nests with a wooden egg lure in each are placed with the backs to the alleyway. The newly laid eggs roll down an incline and discharged into wire gathering trays to be gathered without employes having to enter the pens.

FIRST IN STATE

The DeWitt Poultry Enterprises, also at Zeeland, are showing a 44 by 195-foot building designed by a St. Louis, Mo., agricultural service. It is the first of its kind built in Michigan.

Dick DeWitt, hatchery president, says it will be used for both demonstrations and experimental work.

The building is of pole-type construction. Side panels, with windows, are hinged to allow complete cross ventilation.

A corrugated steel roof features a full-length ridge ventilaro. "The whole trend in the poultry industry today is toward larger operations," DeWitt says.

"With automatic feeding and watering, one man can do a better job of caring for thousands of birds than he formerly could with hundreds. To keep step, poultrymen in Michigan must begin to use large houses. We built this one to show one type of a highly efficient house."

The DeWitt Enterprise also includes a modified 40 by 60-foot version of the larger house.

Oxford Couple Celebrates 67th Anniversary

OXFORD—Mr. and Mrs. Arthur Valentine, 48 E. Burdick St., celebrated their 67th anniversary Monday at a family gathering at the home of their daughter, Mrs. Bessie Allen of Pontiac.

The Valentines have lived their entire life within six miles of Oxford.

Mr. Valentine is a life member Master Mason and Mrs. Valentine has a life membership in Eastern Star.

Buys Old School at North Branch

NORTH BRANCH—At the auction sale of the Ferguson school and grounds on Burnside Rd., held here, the school building and acre of ground was purchased from the North Branch Township Agricultural school for the sum of $1,125, by Edward M. Klaus of that vicinity.

Other properties were bought by various individuals for a total sum of $98.

These included a wood shed, a number of desks and seats, books, bench, stove, platform, and other items.

The property, situated five and one-half miles south of the village, was included in the North Branch Township school area.

Damage Suit Filed Against County Man

LOUISVILLE, Ky. (AP)—Earl F. Deemer of Farmington has been named defendant in a $112,500 damage suit involving the traffic death of John Wesley Hudson, 45, of Louisville last Nov. 29.

The suit accuses Deemer of negligence. It was filed by Mrs. Marie Hudson Rosetti as administrator of her father's estate.

Dairy Farmers Meet at Salem

Move to Bring Higher Return for Milk by Organizing

SALEM (AP) — Southeastern Michigan dairy farmers, meeting here last night, organized the Milk Producers Fair Share Assn. in a move to bring a higher return to the farmer for milk.

In a telegram to the Michigan Milk Producers Assn., theh group said "We have devised the means of collective bargaining between a farmer and a dairy." It continued:

"The situation is so desperate it is imperative that we carry our program to the 17,000 members of the Milk Producers Assn."

The new organization said costs of dairy farming continue to climb but that farmers in the 12-county area surrounding Detroit are receiving $1 a hundrdweight less for milk than they did three years ago.

Another protest group within the MMPA was formed earlier at Romeo. It accused the parent association with price fixing. A federal grand jury currently is investigating the charges.

Van Dyke Man Found Injured by Roadside

WARREN TOWNSHIP—John R. Young, 26, of 11395 Cadillac St., Van Dyke, is in serious condition in Van Dyke Memorial Hospital.

Warren Township police found Young unconscious lying on the side of Timken road late last night. Lieut. Anthony Winters says it is impossible to tell what happened until Young who is still unconscious can make a statement.

Husbands Are Guests

METAMORA—Mrs. Lloyd Jakubos was hostess to the Metamora Birthday Club at its recent meet. Husbands of the members were also entertained. Christmas gifts were exchanged and Harold Best showed movies of his trip to Wyoming. Refreshments were served. Mrs. Floyd Walker will be the next hostess.

JUDITH WOOD

Mr. and Mrs. Louis Wood, of 4010 Quillan, Drayton Plains, announce the engagement of their daughter, Judith Rae, to Donald P. Denhoff. He is the son of Mr. and Mrs. Clarence Denhoff of Plymouth. No date has been set for the wedding.

Programs Planned by Dryden Churches

DRYDEN—The Methodist Sunday School pupils and the church choir will give a program at the church at 8 p.m. Thursday. After the program, there will be distribution of gifts with refreshments.

On Christmas morning there will be a special service at 11:30 a.m. On the morning's program will be a sermon, several readings by young people with two special numbers by the mixed choir.

At St. John's Episcopal Church there will be a Christmas eve service beginning at 10:30 p.m. The Rev. Ray Bierlein will give a sermon followed by Holy Communion.

460-Acre Farm Sold

METAMORA — A recent real munity was the sale of Hunters Creek Farm on Sutton Road, purchased by the Prudential Investment Co. of Detroit. The farm contains 460 acres.

Total Production to Equal Record

Planted Farm Acreage Smallest Since 1940 Though

WASHINGTON (INS) — Total farm production this year will be about equal the record set in 1948 despite the fact that planted acreage was the smallest since 1940.

In its December crop report, the agriculture department said new high yields were obtained in oats, soybeans, hay, alfalfa, seed, sorghum silage and oranges.

Second largest crops on record were set for barley, sorghum grain and rice.

The crop board said the big yield considerably above any in the past six years, was helped by the weather in many ways during 1955 despite some setbacks which were "spectacular and much publicized."

Above-acreage yields were realized in corn, flaxseed, sorghum forage, cotton and cottonseed, sugar beets, dry beans, rye, sweet clover seed, lespedeza seed, broom corn, grapes, cherries, apricots, avocados, lemons, cranberries and walnuts.

The 1955 wheat crop, both winter and spring, fell nearly one-fifth below average and was the smallest in 12 years due to the government's acreage allotment and heavy drought losses.

Other crops below average were dry peas, cowpeas, sweet potatoes, buckwheat, peaches, pecans, sugarcane syrup, and tung nuts.

The 355 milliloin acres of crops planted this year were a half million acres less than in 1954 and 3,400,000 acres—about one per cent—below average for the past 10 years. The board said an "unusual number of crops" made record yields per acre.

To Sing With Glee Club

DRYDEN — Richard Muir will leave Lansing Friday with the MSU Glee Club to spend a week in New York City. While there, the club will appear in several concerts and will sing on the Ed Sullivan program Sunday evening, Dec. 25.

Fire Fighters Assn. Choose New Officers

WATERFORD TOWNSHIP—Lloyd Gidley was elected president of the Waterford Township Fire Fighters Assn. at a recent meeting of the group.

Others named to office were Lewis Goff, vice president; Clayton Soncrainte, second vice president; Edward Smith, treasurer; Bernard Torr, assistant treasurer; Leon Thornton, secretary; Robert Poorman, corresponding secretary; Burton Hilliker, James Donaldson and Donald Kerr, all trustees; Robert Allen and Charles Callahan, guards; and Russell See and Kenneth Hallenbeck, guides.

$5 Fee for Sewer, Water Inspection

WATERFORD TOWNSHIP—Subdividers will be charged a fee of $5 per lot hereafter for inspection of sewer and water, the Waterford Township Board decided at its Monday night meeting.

The board also passed a resolution adopting the state housing act, Public Act 167 of 1917 as amended.

The bid of Cy Owen on a 1½ ton truck was accepted.

* * *

Licenses were approved as follows: Peddlers license for Arthur Haynes, 6455 Andersonville Rd.; used car license for Carl Lasswell, 2546 Pontiac Lake Rd., subject to property being commercial.

Santa to Visit Clifford

CLIFFORD — Santa Claus will stop in Clifford from 2 to 4 p.m. Saturday to talk to the boys and girls about their Christmas problems.

Treasurer Named by Township Board

TROY — The Troy Township Board met last night. Archie Leonard, attorney for the township, said Fred Hildebrandt was automatically out of office as treasurer when the City Commission was sworn into office.

The Township Board appointed Stephen B. Hill, 4490 John R., as the new township treasurer and he was sworn into office last night. The board appointed Fred Hildebrandt as deputy treasurer to assist Hill in completing this year's tax collections through March.

The board approved the City Commission request for an advance of $10,000.

Drayton Baptists Prepare Week's Yule Programs

DRAYTON PLAINS — The First Baptist Church of Drayton Plains will have its Christmas program at 7:30 p.m. Saturday, Christmas Eve.

Everyone is invited to see the play of three scenes "To Hear the Angels Sing". It concerns a family who prepares for Christmas without the help of the mother.

On Christmas day the church will have a combined Sunday School and church service at 10 a.m. The entire Sunday School will take part in the service. Special musical numbers will be sung.

Most Northern Ireland factory accidents happen on Monday forenoon, surveys show.

An agreement for advancement industry has been signed in Salisbury, Rhodesia. Some 25 jobs hitherto reserved for Europeans of native workers in the copper will be open to Africans.

That's right — you can buy a '56 Buick for only $2287.00 * delivered locally!

WHAT'S NEW in the '56 Buick SPECIAL?

NEW 322-cubic-inch V8 engine of 8.9 to 1 compression ratio — highest ever for this bedrock-priced Series

NEW Extra-Massive Frame and Precision-Balanced Chassis, engineered all new from front to rear for extra-rugged roadability

NEW Deep-Cushioned Luxury Ride — with all-coil springing and true torque-tube drive

NEW Sweep-Ahead Styling — with choice of Fashion Color Harmony inside and out

NEW Smoother-Action Brakes with Center-Groove Linings and Suspended Pedal

NEW Stepped-Up Gas Mileage

NEW Interlocking Safety Latches and Safety-Aim Headlamps

This one has moved a lot of folks to change their buying habits.

For this strapping sweep of car is a Buick SPECIAL—solid Buick through and through and sedan-big for six adults.

Yet the dollar difference between this beauty and the well-known smaller cars can be sifted down to a pocketful of pennies. (Actually, this Buick costs *less* than some models of those very same cars—as the price we show here proves.)

But the difference in brawn and breadth and fun and thrill—that's the clincher for the move to Buick . . .

Because here, folks find, is so much more sheer automobile for the money—big-car power, big-car ride, big-car performance and big-car room *at a small-car price.*

It comes from new, record-high power—from a big new 322-cubic-inch V8 engine, the same basic engine that powers the costlier Buicks.

It comes from a new Buick ride—backboned by Buick heft, sinewed by stout steel, leveled by all-coil springing, cushioned by triple-oil-volume shock absorbers.

It comes from a new and advanced Variable Pitch Dynaflow† with brilliant new getaway response *and* bigger gas mileage in your normal driving range—plus sizzling new full-power safety-surge when you floor the pedal and switch the pitch.

And it comes, of course, from Buick size and solidity and steadiness—and all dressed up in Buick's new sweep-ahead style.

So why not come in and try one on for size?

Drop in this week and borrow a key. What happens from that point on is pure thrill—aided and abetted by low prices that make this the best buy yet.

†*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

Best Buick yet

Port Huron Cited as Leading City

Citizen Initiative Wins National Award Given by Municipal League

NEW YORK (INS)—Port Huron, Mich., today was named an All-America city for outstanding citizen initiative by the National Municipal League and Look magazine.

Port Huron's story will appear in the Dec. 27 issue of Look magazine.

* * *

The honor comes to Port Huron's citizens for their fine youth program which has given their city a new lease on life.

At the close of World War 2, the town felt that it had to do something for its teen-agers. The young people complained that, except for an ancient YMCA, only local roadhouses offered the best recreational facilities.

Despite the fact that the community was not wealthy, Port Huron's citizens realized they had to form a central clearing house for various projects.

FUNDS WERE SOUGHT

With this objective, 200 local civic groups united behind the Port Huron District Foundation. Funds were raised by public subscription to build memorial recreation park and stadium, complete with separate football, baseball and softball fields. Then, funds were raised for a new hospital and new YMCA center, costing $1,000,000 each.

Additional contributions came from 22 of the town's largest industrial firms who donated a share of their profits to the foundation. The Girl Scouts and Boy Scouts received funds, a youth camp has been built, and the city was loaned $20,000 without interest for a small-boat harbor.

In addition to Port Huron, ten other cities will receive awards.

* * *

Other Michigan cities cited for All-America honors in past years include Grand Rapids in 1949, Kalamazoo in 1951, and Flint in 1953.

Newly-established firms are boosting Brazil's iron and steel output, Rio de Janeiro reports.

THE BERRYS

By Carl Grubert

State Car Crash Wreaks Havoc in Chain Reaction

IONIA (UP) — State Police say 17-year-old Richard S. Jones, lost control of his car at a curve on M44 Monday night and set off this chain reaction:

The car broke off a telephone pole, skidded 250 feet and as it rolled over, crashed through the wall of the home of Mr. and Mrs. John Brand in the village of Grattan.

The car caught fire but happily the village fire department was only a short distance away and firemen put out the blaze quickly. Mrs. Grand 57, suffered facial lacerations. She was taken to Butterworth Hospital in Grand Rapids.

Jones, of Orleans, and an uncle, J. T. Haley, 40, of Ionia, who was riding with him, suffered minor injuries.

The car took out 100 square feet of wall, causing damage estimated at $2,000.

Thieves Steal Records From Salvation Army

CAMDEN, N. J. (INS) — The Christmas season turned up a couple of good candidates for the meanest thief title.

They're the culprits who broke into a Salvation Army booth in Camden and stole a record player and a half-dozen Christmas carol recordings.

Fatalities on scheduled U.S. commercial air liners are less than one per 100 million miles of flight.

Predicts A-Powered Merchant Vessels

LONDON (UP) — A leading American engineer predicts atom-powered merchant ships will be on the world's sealanes within the next five years.

Kenneth Maddocks, assistant professor of marine engineering at the University of Michigan, said in a paper read to the Institute of Marine engineers that atom powered ships could compete with conventional craft within 10 years.

Maddocks said it was unlikely that atom-engined ships would be a commercial proposition before 10 years because of the difficulty of supplying fissionable material at reasonable prices.

"Probably one, and possibly two, nuclear powered merchant ships will be in operation within the next five years," he said.

People, People Everywhere

Crippled Husband Fails in Attempt to Aid Wife

MANISTIQUE (UP) — Stricken ill Sunday noon, Mrs. Don Johnston, 69, died Monday in her three-room home near Thompson while her husband, crippled with muscular distrophy, watched helplessly.

* * *

She had been suffering from heart disease for the past year.

Johnston was unable to summon help because he has no telephone.

Sunday afternoon he crawled to the kitchen to get coal for the stove.

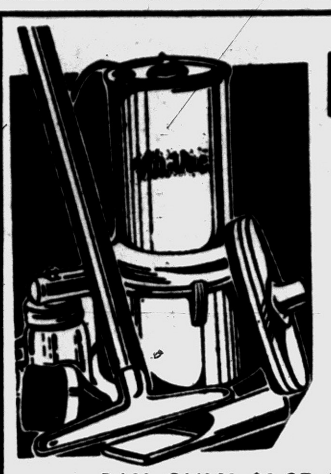

When the county snow plow went by he tried to attract attention by waving a kerosene lamp, but the house is a quarter of a mile from the road and the driver did not see the signal.

Johnston burned papers in the stove with the door open in an unsuccessful attempt to attract the attention of passing motorists.

* * *

Last night Johnston's nephew and niece, Mr. and Mrs. John Olsen, came from Thompson to visit the couple. They found Mrs. Johnston dead and her husband crying hysterically in a chair across the room.

Iraq's 1955 drought cut crop output.

Red Amnesty Plea Sent to Ike

Mrs. Roosevelt Signs Petition to Shorten Jail Terms of Commies

NEW YORK (AP)—Forty two persons, including Mrs. Franklin D. Roosevelt, have petitioned President Eisenhower to grant a "Christmas amnesty" to Communist party leaders jailed under the Smith Act.

* * *

The petition stressed that the signers were "in fundamental disagreement with the philosophy of the Communist party and with essential elements of its program." It added that the motive for their appeal was "their attachment to the democratic way of life."

The petition, made public yesterday, asked that sentences of 16 jailed Communists be commuted to time already served. They were sent to prison after being convicted of teaching or advocating forcible overthrow of the government.

OTHER POSTPONEMENTS SOUGHT

The petition said the trials "were carried through in a period of the 'cold war' and in an atmosphere often marked by hysteria."

It also sought postponement of more than 100 similar cases now pending or under appeal.

A spokesman for the Communist party expressed surprise and pleasure when told of the petition which was mailed to Eisenhower Monday.

In addition to Mrs. Roosevelt widow of the late President, signers included Norman Thomas, former Socialist candidate for president; Dean John C. Bennett of Union Theological Seminary, Lewis Mumford, author; Elmer Rice, playwright; Chaplain John M. Krumm of Columbia University, Stephen Cary, of Philadelphia, secretary of the American Section of the American Friends Service Committee; Henry Steele Commager of Columbia University, Albert Sprague Coolidge of Harvard University and Roland H. Bainton of the Yale Divinity School.

Oakland was once part of the large county of Macomb, and the earliest pioneers arrived here via the Clinton River, facts disclosed from the historical records by the Oakland County Planning Commission.

Request Report on Junket Funds

Foreign Traveling Bill of Legislators Sought by House Group

WASHINGTON (AP)—The State Department has received an informal request to furnish Congress a detailed report on how much counterpart currency was spent this year by traveling legislators.

* * *

Counterpart currency is foreign money received in exchange for American aid to other countries. Under the law it is available to pay expenses of congressmen on official trips abroad, and for other purposes.

WOULD LIKE REPORT

Chairman Burleson (D-Tex) of the House Administration Committee said today he has asked the department, as custodian of counterpart funds, to furnish details on how much it gave to members of Congress this year. More than 200 congressmen went abroad during the summer and fall.

If and when he receives the report Burleson said he will decide whether to make it public. His decision probably will be influenced by the attitude of committee colleagues and House Speaker Rayburn (D-Tex).

Burleson said he aims to find out the over-all cost of congressional traveling this year.

New Haven Railroad Begins 'Piggyback' Plan

BOSTON (AP) — The New Haven Railroad starts an extended "piggyback" freight service today with departures three times daily by its own truck-trailers on flatcars from Boston and Providence.

The service will go to Detroit, Cleveland, Chicago, Akron, Fort Wayne and Youngstown.

The railroad said it is the first New England service of this type on an interline operation. Other cooperating roads are the Erie, Lackawanna, Lehigh & Hudson, New York Ontario & Western and the Nickel Plate & Wabash.

Streetcar Sale OK'd

DETROIT (AP)—Sale of Detroit's last 183 streetcars to Mexico City was approved unanimously Tuesday night by the Common Council. The Detroit Street Railways will get $4000 each for the first 150 cars and $3000 each for the other 33. The action means streetcars will disappear from Detroit streets by next summer.

Ike May Veto Farm Supports

Congress May Approve Benson Soil Bank Plan to Ease Surplus

WASHINGTON (AP)—Rep. Hope (R-Kan) predicted today Congress will approve a farm program containing the administration's "soil bank" plan for taking surplus cropland out of production.

* * *

"There will be a farm bill at the coming session, and the soil bank will be an essential part of it," he said in an interview. Hope is the senior Republican on the House Agriculture Committee.

Secretary of Agriculture Benson has proposed a "soil bank" plan under which payments — totaling about 400 million dollars a year—would be made to farmers to take some of their land out of production and put it to grass and trees. The idea is to curb output of commodities now in surplus and to promote soil fertility.

* * *

Benson's plans for improving farm conditions also call for measures to dispose of more surplus foods abroad and at home, and to better the lot of small farmers.

President Eisenhower is expected to submit his administration's farm proposals to Congress in a special message next month.

Hope said that from what he has heard, a presidential veto may lie in store for any proposal to go back to rigid price supports at 90 per cent of parity — a standard said by law to be fair to farmers in relation to their costs.

* * *

Rep. Albert (D-Okla), assistant House Democratic leader, predicted in a separate interview the 90 per cent support bill will be passed by Congress.

"But I don't think it will be signed by the President," he said.

'56 Miss America Sends Big Check to Church Fund

GRAND ISLAND, Neb. (AP)—A check the Rev. R. R. Yelderman said was the biggest he had ever received from an individual for church construction was sent to the First Christian Church here by Miss America of 1956.

The sender was Sharon Kay Ritchie, a Grand Island girl now a college student in Denver.

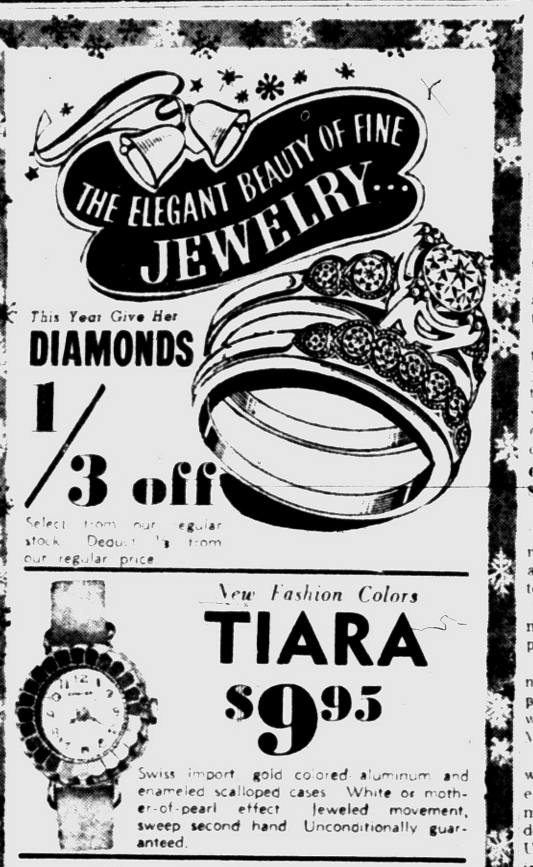

The letter that came with the check yesterday said "from the time I was just a little girl, I have worshipped in this very church, and it was here that my Christian principles were molded.

"I am so grateful that other people saw fit to support this church so that little girls like me could learn about Jesus. Now I want to offer my contribution to be used for the building of the new church, where more and more young people can learn about Christ."

The pastor did not disclose the amount of the check.

Estes Expands Fight to Minnesota, Florida

WASHINGTON (AP) — Sen. Kefauver (D-Tenn) says he's interested in the Florida and Minnesota Democratic presidential primaries but hasn't decided yet whether to challenge Adlai Stevenson in those states.

• • •

Kefauver yesterday added Wisconsin to the list of party primaries he will enter. In addition to the April 3 balloting there, the senator has announced he'll also be listed in primaries in New Hampshire, March 13, and California, June 5.

• • •

Stevenson, the only other active candidate for the Democratic nomination, has said he'll enter the California contest but has announced no decision regarding New Hampshire or Wisconsin.

Three Murdered in Gotham Fight

Mother, Two Children Killed at Home; Father Wounded Elsewhere

NEW YORK (AP)—A woman and her two children were found brutally stabbed to death in a furnished Staten Island apartment last night. The bodies were discovered by detectives who wanted to tell her that her husband was found shot and critically wounded in his car.

Police said the three-room apartment in a two-story frame house was covered with blood and debris, indicating that a struggle preceded the slaying.

* * *

The dead were identified as Mrs. Shirley Palin, 25; her daughter Charlene, 4, and son Kedwick, 2.

Mrs. Palin was found in the kitchen with three stab wounds. The boy lay on a bed, with two stab wounds in his back and one in his arm. The girl, apparently the last killed of the three, was stabbed three times in the front of her body.

It could not be immediately determined what weapon was used.

* * *

Detectives said Mrs. Palin was a white woman and her husband, Milton, 27, a Negro. Palin was shot once in the chest and once in the roof of his mouth. Authorities said they could not question him for at least 48 hours.

* * *

Police said the Palins had quarreled Saturday and apparently shortly afterward Mrs. Palin moved out with the children.

Neighbors told police the Palins had had frequent arguments, followed by separations.

Earl Wants New Ties as Christmas Presents

By EARL WILSON

NEW YORK—Dear Santa Claus:

I have been a very good boy and I thought I would tell you what I want for Christmas and what the other little boys are getting.

Do not bother bringing me a jeweled carpet sweeper for picking up caviar crumbs which I saw advertised. What we need around here is some cheaper presents within the reach of everybody. Happening to run into Mrs. Van Heflin, I asked if she knew what she was getting from her husband.

★ ★ ★ ★

"Yes, a white Cadillac and a hi-fi set," she said.

This isn't what I had in mind. Dagmar has bought her husband some red flannels which are going to be useful, cheap and possibly amusing. Mrs. Joey Adams selected a beret for her mate. Phil Silvers has received from Bing Crosby a two-foot-long gold-plated shoe horn which enables you to put on your shoes while standing up.

DAGMAR

"Do you know what I'm getting for my 13-year-old son that costs only $1.89?" asked a celebrated female. "A rubber stamp with his name and address on it. Boys like to stamp their name and address on things, even if only on themselves."

Art Linkletter found a flower pot with some built-in butterflies which fly around on an invisible track to give to Humphrey Bogart's offspring. Personally, in a B'way gadget shop, I bought a little hand postage scale for 98c, a miniature sewing kit for the same, and a couple of small hip flasks for carrying lemonade to football games. And who'm I going to give them to?

★ ★ ★ ★

Jackie Gleason likes to give Bibles, and Frank Sinatra once gave a dear friend a lifetime airline charge account. Some friends of Fred Allen presented him with a variety of exotic dinners at foreign restaurants. "I was on a diet at the time," says Fred.

PAT

Santa, all I want is some Christmas ties. This may sound corny, but it's honest. You see, since Slugger's growing up, the Old Man here can't hold onto a tie unless it's around his neck.

"Oil"

THE MIDNIGHT EARL . . .

Sugar Ray Robinson, who has claustrophobia, walked up 20 flights in the Squibb Bldg. to see his business mgr., Joe Glaser . . . Sammy Davis Jr. gave Eddie and Debbie the wedding gift they'd requested—a big red frying pan . . . At the "Man With The Golden Arm" opening Kirk Douglas said, "My beard makes me look so distinguished I may NEVER take it off" . . . Carl Bakal's photo book, "How to Shoot for Glamour"—with pictures of such honeys as Pat Parker—is nice to look at even if you don't own a camera.

Choreographer Michael Kidd bought 40 pounds of yogurt to take back to H'wood . . . El Morocco duo: Sharman Douglas and Tony Bartley, Deborah Kerr's husband . . . Ingrid Bergman reportedly OK'd making "Anastasia" for Zanuck, if it's filmed in Europe . . . Two famed film stars are feuding so hotly that one refused to sign a contract 'cause the other had better billing.

One of the names Marlon Brando uses at hotels is "Herman Melville" . . . A big-name boxer, whose driving license was revoked, is still wheeling his car . . . A fan letter service reports 3,000 requests a week for the late James Dean's photo. (In the gal dept. Katherine Hepburn's fourth).

★ ★ ★ ★

EARL'S PEARLS . . .

Did you ever notice, those who insist they can take it or leave it alone, always take it.—Art Moger.

★ ★ ★ ★

WISH I'D SAID THAT: Fred Allen told on a "What's My Line?" show of the lady rainmaker who planned to get married—and was going to give herself a shower.

★ ★ ★ ★

TODAY'S BEST LAUGH: Vincent Lopez offered to buy lunch for two ad agency men, and was told, "No, we're going Dutch—Jim's using his own expense account and I'm using mine." That's earl, brother.

(Copyright 1955, the Hall Syndicate, Inc.)

Red Korea to Shoot Planes Over Border

TOKYO (AP) — The Communist North Korean radio served notice today it will fire on any United Nations planes which stray over the truce line.

* * *

The radio quoted from a Communist statement at yesterday's Military Armistice Commission meeting at Panmunjom.

At the meeting, the U.N. Command charged the Communists with "indiscriminate" antiaircraft firing at an unarmed Allied helicopter north of Panmunjom Dec. 7.

The Communists brushed aside the protest, the radio said.

The U.N. Command said the helicopter pilot had lost his bearings. The command said three fliers have been killed by the Reds in the last year when they inadvertently flew over Communist territory.

Chile Feels Quake

SANTIAGO, Chile (AP)—Two heavy earth tremors rocked the coastal city of Constitucion, about 150 miles south of Santiago, at 8:30 (EST) last night. No damage or injuries were reported.

Hollywood Headlines:

Deborah Kerr Signs Up to Make Picture in July

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — Deborah Kerr knows exactly where she'll be and what she'll be doing come next July. She's agreed to star in "Heaven Knows, Mr. Allyson."

There are some problems, let me say, with "Mr. Allyson," since the story is about a nun and two Marines shipwrecked on a desert island. One of the men, an agnostic, is converted. The producers will work closely with the church getting advice on any scenes that might be controversial.

TO MAKE DEBUT

One of the most beautiful women in this town or any other town is Hjordis Niven, wife of David. Yet, Hjordis never has done anything professionally until right now.

This is how it happened. The Four-Star Playhouse, of which David is one of the heads, was casting about for an actress to play the role of a Scandinavian spy who gets involved with a British newspaperman behind the Iron Curtain.

So without David's knowledge, the casting office called Mrs. Niven and she consented to make her first professional appearance in "Safe Keeping," opposite David.

Before the Nivens were married, Hjordis studied dramatics, but until now she never put her studies to use.

There was so much excitement for Mrs. Bobby Van over her husband's appearance on Eddie Fisher's Spectacular Saturday night that she almost lost her expected baby.

She was rushed to Cedars of Lebanon Hospital and for some time it was feared she might lose the child, but I'm glad to say the baby was saved.

Mrs. Van, who was the former Diana Garrett, has been ordered by her doctor to stay in bed, which she will have to do for some time. The baby is expected in June.

I thoroughly enjoyed the spectacular. I thought Eddie was never better. He was a gracious host with a list of guests who could do things and do them well.

PREFERS DOCTORS

The daughters of Supreme Court Justice Warren prefer doctors. A foursome at Ciro's was Virginia Warren with Dr. John Williams, and Dorothy Warren and her fiance, Dr. Carmine Clemente. A few months ago "Honeybear" Warren eloped with Dr. Stewart Brien.

Rumor says that Joe Pasternak and Sam Katz are dickering with both Columbia and 20th Century-Fox for a release of their independent production.

Lee Anderson gave a surprise birthday party at Romanoff's penthouse for John Gillian, her best boy friend. Greer Garson helped by asking Lee and John to pick her up. She kept them waiting so long that all the guests had time to arrive. It was also Dr. Rex Ross' birthday. He came with Merle Oberon.

Fredric March and Florence Eldridge arrived in town today via car and checked in at the Bel Air Hotel. They motored all the way from the East.

Ann Blyth's beloved aunt, Mrs. Pat Tobin, received word of the death of her sister in Ireland just when they were celebrating the arrival of little Maureen Ann McNulty, Ann's baby girl.

France will get foreign bids on $7,001,430 worth of pipeline installations.

Greek shipowners have ordered three 12,000-ton cargo vessels in Holland.

Hurt as Car Hits Home

GRATTAN (AP) — Mrs. Mabel Brand, 67, was reported in good condition Tuesday at Belding Hospital after suffering injuries when a car crashed into her living room. State Police said a car driven by Richard Jones, 17, went out of control and crashed into the house about 50 feet from the road. Jones and a pasesenger, J. T. Hayley, 40, both of Belding, were treated at Butterworth Hospital in Grand Rapids.

Finland's fur industry is zooming.

To Protect Children

GRAND RAPIDS (AP) — William J. Heyns, 43, a Grand Rapids attorney, has been appointed special assistant to the prosecutor to represent children under 18 whose parents seek divorce. The appointment with a salary of $7,000, was requested by Kent County's three circuit judges who felt children in divorce cases were being neglected.

The largest private branch telephone exchange in the world is located in the Pentagon building. It contains about 75,000 miles of trunk lines.

Ford X-Way Hits Snag

DETROIT (AP) — Completion of Detroit's Edsel Ford Expressway will be delayed at least 10 months because of difficulty in obtaining structural steel, Alfred Beraducci, Department of Public Works engineer, reports. Beraducci said a three-quarter mile elevated section requiring the use of structural steel will not be finished until September, 1957.

South Africa has received the first of 10 new wooden-hulled coastal minesweepers ordered from Britain, Pretoria reports.

Brucker Will Speak

DETROIT (AP) — The Society of Automotive Engineers will hold its annual meeting Jan. 9-13 in Detroit with Army Secretary Wilber M. Brucker scheduled as main speaker at a banquet Jan. 11. George A. Delaney, chief engineer of the Pontiac Motor Division of General Motors, will be installed as president for a one-year term.

A clock given by Queen Elizabeth to the Hillsborough, Northern Ireland, parish church was auctioned at a fete to raise funds for church repairs.

Crowds collected in New Delhi, India, to see Siamese twins which were born to Sila, 30-year-old wife of an army employe. The twins, both girls, born prematurely, died an hour after birth.

CARPENTER grimaces as he planes edge of bookcase base. Tool sets make good presents for all males.

INTENSE ENGINEER builds bridge from complex Erector set. Comes in sizes for six age groups.

DRIVER OF THE FUTURE cracks up toy auto as he plays game which teaches the value of safe driving practices. One player turns wheel, controlling auto's progress along moving highway. Competitor controls mobile highway's speed.

CONVERTIBLE sportscar contains 60 pieces. When assembled, it will start and stop by remote control.

Worst Men's Store

SAN ANTONIO, Tex. (AP)—A. W. Saegert operates what is laughingly known as the town's worst men's clothes shop. It's the stock of coats he keeps for persons who show up in federal court coatless. He's U.S. Marshal for the Western District of Texas and the rule is that everybody has to wear a coat in court.

This Year's Toys Teach Children While They Play

NEW YORK—If a child could own and operate every toy on the market today, he would accumulate enough knowledge for a college degree.

* * *

That is not the opinion of any well-known toy manufacturer or educator.

It is the opinion of one played-out reporter after an afternoon matching wits with the toys at the Toy Guidance Council's New York showroom.

Any kid able to use the hundreds of toys on the market today deserves a Master of Toys degree. This degree could be given on a credit system. One point, for example, might be given when the child is able to use alphabet blocks intelligently. At least 25 points ought to be given to the child able to duplicate the Brooklyn bridge with an Erector set.

CAN'T SEE IT

The remarkable thing is that kids can't see it coming. The education is camouflaged. It even looks like fun. According to most kids, it is fun.

The educators begin their work when the child is still a member of the bib-and-diaper set. Crib exercisers enable the toddler to grasp objects firmly. What objects? Why, toys and games, of course. Toys and games that enable the brain cells to keep pace with the muscle cells.

The child is then given a train set known as "chuggedy-chug." In the good old days a toy train was considered satisfactory if it would do two things: Slide easily and go "choo-choo." Then they added frills, a roundhouse and trestles.

That's the catch. "Chuggedy-chug" has a roundhouse all right. Trouble is that you can't use the roundhouse unless you know how to count.

GET 'EM STARTED

And once they've got the child counting, there's no stopping the educators. Their enthusiasm is wild.

They hand the baby a game called "Candyland." Any child that immediately envisions an eating treat, better forget such thoughts. This is a board game with a gimmick: All moves are based on a child's ability to distinguish colors.

While all this is going on, the educators keep rolling blocks, alphabet blocks, from their white towers.

By the time he can crawl, today's youth is able to count, pronounce the alphabet and name the colors. A decade ago he would have been classed as a prodigy and enrolled in Harvard law school at the age of 15.

But, the toy manufacturer's brain trust has just begun to fight. By now the child is set for a little basic philosophy. "Annie Oakley" is a children's game based on a wild west chase for bad men. The good guys never lose, which is as it should be.

With this firm base in ethical theory, the child is well prepared to face the passing of years . . . and more educational games.

"Pathfinder" can be played well only when the child has an understanding of basic geometry. "Game of the States" teaches geography and natural history. Traffic regulations are learned by playing "Drive-Ur-Self."

Toddlers with Wall Street aspirations are given games of high finance such as "Easy Money" and "Monopoly." Once the money is made, it must be spent wisely. The child is set for science research.

* * *

Chemistry sets are introduced. First the child is given the simpler models with a mere 100 experiments. Just before commencement exercises from the school of fine games, the child must master the final test, the set with over 700 experiments. It bears the ominous title, "The Atomic Energy Set."

Degree clenched in first, the average 7-year-old of today is ready. Ready for the second grade.

America's traditional gift-whiskies in decanters of surpassing beauty

JUST as America knows no finer bonded bourbons, the art world knows no more beautiful decanters than the Classic Decanter for OLD GRAND-DAD and the Presentation Decanter for OLD TAYLOR.

And just as your friends would have difficulty deciding which of the two deeply mellow and richly flavorsome bourbons they would prefer, so they would be hard put to judge between the distinctive beauties of the two decanters.

If you decide to make a truly handsome gift, why not favor your best friends with *both* these rare bourbons in their artistically perfect decanters.

Whether you give one or both, you may be sure that you can give no more flavorsome—and welcome—bonded bourbons, nor art devise decanters in finer taste.

Gillman Improvises Ram Lineup for NFL Title Game

KING SOL VERSUS JACK FROST — As the mercury bubbles at 80 degrees, head coach Sid Gillman, left in picture, puts his Rams through calisthenics at Los Angeles in preparation for their title clash with Cleveland Browns Monday, Dec. 26. At right, Browns bundle up for a 10-degree-above-zero workout in Cleveland, Ohio, prior to the National Football League's Christmas season battle for the world's professional football championship in the annual post-season classic.

Football Great Zuppke Suffers Serious Stroke

Former Illinois Coach Is Hospitalized With Cerebral Hemorrhage

CHAMPAIGN, Ill. (AP) — Bob Zuppke, one of America's foremost football coaches, is hospitalized and in serious condition after suffering a stroke last weekend.

Zuppke, 76, Illinois coach for 29 seasons before retiring in 1941, was hospitalized last Friday with what physicians called a "cerebral vascular accident."

* * *

Dr. J. B. Christie, associated with Cole Hospital, said "you'd call it a hemorrhage or blood clot."

Zuppke, who led Illinois to seven football titles and was the master of the upset, reportedly suffered paralysis of the right arm and had lost his power of speech. However, Zuppke was uttering words yesterday.

Zuppke reportedly suffered the stroke on Dec. 11 while listening to a broadcast of the Chicago Bear-Philadelphia Eagle football game which the Bears won 17-10.

Zuppke has long been an advisor to Chicago Bear Football Coach George Halas.

* * *

Before his retirement, Zuppke-coached Illinois teams won 131 games, lost 80 and tied 12. Under Zuppke, Illinois won the Western Conference title seven times, the last two years being in 1927 and 1928.

Zuppke, who was born in Berlin and came to the United States in 1881, graduated from the University of Wisconsin in 1905.

He was master of the fast quip. Once, in reference to upsets, Zuppke said "a football takes a funny bounce."

Newk Is Happy Over Pay Boost

Signs '56 Contract for Reported $25,000 With Brooklyn Dodgers

BROOKLYN (AP) — Pitcher Don Newcombe and the Brooklyn Dodgers were all smiles today, after the big righthander quickly came to terms with the world champions for a 1956 contract calling for a reported $25,000.

* * *

This was $5,000 less than the once belligerent Newk said he would demand after the Brooks defeated the New York Yankees in the World Series, but represented a $7,500 boost over his 1954 salary.

Newcombe, who will be 30 years old next June 14, had a 20-5 record with the National League champions this year, and his .359 batting average helped the club along the pennant road.

* * *

"I am very happy over the deal, the 240-pound hurler from Colonia, N. J., said after reaching agreement with E. J. (Buzzy) Gavasi, Dodgers vice president. "If hard work will make me have a good year, I'll have a great one.

Incident Stirs Crowd in South Cage Game

Bradley Player Draws Ire of Loyola Fans After Fouling Out

NEW ORLEANS (AP) — Forward Shellie McMillon, Bradley's Negro basketball ace, created an uncertain atmosphere for Loyola's integrated athletics program last night when he became the central figure in the school's first racial incident.

McMillon, a 19-year-old sophomore from Chicago, aroused the crowd last night when he fouled out and saluted fans by sticking out his tongue.

The cheers which greeted him during pregame introductions turned into jeers and the Loyola band snapped into "Dixie", marching song of the Confederate Army.

McMillon's fouling tactics, termed "unnecessary" by sports writer Buddy Diliberto of the Times-Picayune, started a Loyola stampede to the free throw line. Loyola, behind 15 points when the fouling began, hit on 21 of 26 free throws to take a 71-65 victory and hand Bradley its first loss.

Loyola Coach Jim McCafferty later minimized the incident. He said he thought McMillon "lost his head" and became "disgusted" with himself.

There was no other demonstration in the crowd which is seated on an integrated basis.

Loyola embarked on desegregation in athletic events last year. Guard Al Lewis of LaSalle College was the pioneer and played without incident as have several other Negro players on teams in preliminary games.

Coach Promises

Dons Will Leave Floor if Incident Happens

SAN FRANCISCO (AP)—Phil Woolpert, coach of the top-ranked University of San Francisco Dons, says he will "pull the team off the floor if an incident occurs" Friday night in the USF basketball game with Loyola of the South at New Orleans.

In a telephone conversation with the San Francisco Chronicle, Woolpert said he was concerned following an incident involving a Negro player last night in Loyola's 71-65 victory over Bradley.

The player, Bradley's Negro ace Shellie McMillon, aroused the crowd when he stuck out his tongue after fouling out.

Three of USF's first stringers are Negroes, including All-America center Bill Russell.

Woolpert said:

"I don't know exactly what happened down there. Maybe it was actually a small thing. But I'm going to find out. And when I do, I'll put the decision up to the players. If they vote not to play, that's it."

USF Asst. Coach Ross Guidice scouted the Loyola game last night.

Woolpert said that even if the Dons did vote to play he "would pull the team off the floor if an incident occurs."

The Dons beat the University of Wichita at Wichita, Kan., 75-64 last night.

Connie Mack to Celebrate 93rd Birthday

PHILADELPHIA (AP)—The grand old man of baseball, Connie Mack, is all set for his 93rd birthday anniversary Friday and for Christmas celebrations.

He was sent home yesterday from Presbyterian Hospital, where he was having X-rays taken of the hip he fractured in a fall Oct. 1. Doctors announced the hip was healing well. He will spend the holidays at the home of his son, Roy, in suburban Bryn Mawr.

FITS FINE — Larry Doby tries on the uniform of the Chicago White Sox and likes it. The slugging center fielder was traded by the Cleveland Indians for shortstop Chico Carrasquel.

Snow Is Big Obstacle in Brown Drills

CLEVELAND (AP)—A subtle warning to the Cleveland Browns, now preparing for the National Football League title game with the Los Angeles Rams, has been issued by Coach Paul Brown.

"This is the time of year I like to study the personnel," Brown told the Cleveland Ad Club yesterday in a statement he knew would reach the ears of his players. "The good ones get better when the going gets rougher."

* * *

Brown did not elaborate, but sources close to him interpreted the statement as a hint that some of the others would not be with the team when the 1956 season opens.

Brown is not one for pep talks or pregame oratory, but neither is he adverse to using a little roundabout psychology when the opportunity arises.

* * *

The team had a natural letdown following its victory over Pittsburgh which clinched the Eastern Division crown more than two weeks ago and is having to contend with adverse weather conditions in preparing for the title game Monday in Los Angeles Coliseum.

"It's difficult to concentrate and learn with the wind blowing and the snow falling, but we have to forget about the weather," Brown said.

He called the Rams a "fine football team" in speaking of the team now standing between the Browns and their second straight league championship.

Shortly after the luncheon the Browns were on the practice field for a loosening-up session. Full scale workouts are planned for today, tomorrow and Friday. The squad will leave for the West Coast Saturday.

Dayton Expected to Snap Kentucky Tourney Streak

LEXINGTON, Ky. (AP)—Dayton's dead-eye dandies ruled the choice in many quarters to break Kentucky's monopoly on its own basketball tournament in their title clash tonight.

It looked like the invitation affair was certain to further scramble the national ratings.

Hot-shooting Dayton, No. 4 in The Associated Press poll, hit virtually half its field attempts and counted Jim Paxson's new tournament scoring record of 35 points to put down Utah, 77-33, in the first round. The Utes were the No. 3 power in this clash of unbeatens.

Kentucky, No. 9 and winner of its two previous tournaments, also hit frequently to stop Minnesota, 72-65, while getting a 27-point performance from center Bob Burrow, shelved near the end by a sprained ankle.

Utah and Minnesota clash for third place preceding the championship test.

NBA Favorite Now in Cellar

Knickerbockers Drop Into Basement Tie After 98-91 Loss

By THE ASSOCIATED PRESS

The New York Knickerbockers, who started the season as though they were going to run away from the rest of the National Basketball Assn's Eastern Division, today found themselves tied for the cellar.

* * *

The slumping Knicks dropped a 98-91 decision to the Syracuse Nationals last night in Madison Square Garden after the Boston Celtics had turned back the Minneapolis Lakers, 111-104.

The results left the Knicks and the Nats tied for last place in the division, each with 12-10 records, while the Celtics jumped into second place. The Minneapolis defeat buried the Lakers even further in the Western Division dungeon.

* * *

The Nats jumped far out front in the first period, and although the Knicks made some threatening gestures, there never was any doubt as to the outcome. John (Red) Kerr, a 6-9 graduate of Illinois, was high man for the winners with 29 points.

Size of North to Clash With Speed of South

Annual All-Star Game Expected as Contest of Speed vs. Size

MIAMI, Fla. (AP) — The North-South college All-Star football game in the Orange Bowl Monday night may turn into a contest of speed vs. size.

* * *

"That North squad has some big men," said Andy Gustafson of Miami, director of the Shrine charity contest. "It may line up as a game between speed and size."

* * *

Gustafson, watching yesterday's South squad work, noted that three players stayed on after practice to get in some extra drills.

Bernie Crimmons (Indiana) and Art Lewis (West Virginia) co-coaches for the North, said "the boys are showing a fine attitude and from now on we will just have one morning practice a day."

Montreal Lead in NHL Grows

Canadiens Ahead by 14 Points After 7-1 Win Over Hawks

By THE ASSOCIATED PRESS

The three-goal "hat trick" is a rarity in hockey, but when two players on the same team turn the trick in one game, it comes under the heading of a super-rarity.

That's what happened last night when the Montreal Canadiens defeated the Chicago Black Hawks, 7-1, to extend their National Hockey League lead to 14 points.

Maurice (The Rocket) Richard and Bernie (Boom Boom) Geoffrion each blasted three goals past Chicago goalie Al Rollins. Geoffrion, who has lost some time by injuries, is trying to get back in the race for scoring honors which he won last year.

LA Is Plagued With Injuries of Top Stars

No. 1 Offensive Center Along With Younger May Be Lost

LOS ANGELES (AP)—What next for the Los Angeles Rams?

Victims of an uncommon run of injuries all season, the Rams today faced the possibility of meeting the Cleveland Browns for the National Football League championship without the services of their veteran offensive center.

Leon McLaughlin, it developed, has the mumps.

* * *

The 228-pounder from UCLA is in bed. The team physician won't know until later this week whether he can play—and Coach Sid Gillman had still another major worry.

Did anyone else—including himself—catch the mumps from the ironman of the Ram squad?

* * *

So Gillman, hurt just the day before when his big fullback, Tank Younger, was sidelined from the game with a broken neck veterbra, set about to improvise.

He said Bobby Cross, 250-pound offensive tackle, would take McLaughlin's place except on punt plays. Bob Griffin, a star center at Arkansas, will take over to snap back to quarterback Norman Van Brocklin on these occasions.

"I never played center in my life but I'll sure give it a try," said Cross, from Kilgore, Tex., Junior College.

Glen Houltzman, 240-pound rookie from North Texas State, fills in at tackle.

* * *

The Rams have another ex-college center, Larry Morris. But the rookie from Georgia Tech is busy elsewhere, as a linebacker, and possibly a fullback, the latter being unique since he never played fullback as a varsity man. But he has to spell Dan Towler in the absence of Younger.

McLaughlin's ailment before one of his most important games was ironic. He started 79 straight games from 1951 through 1954 and missed out the first time in the Rams' opening exhibition against Fort Ord this year.

* * *

Once, in one late season game he was injured and forced to ride the bench. Capt. Don Paul, who hadn't played center on offense since he went to UCLA, took over.

Ram fans, and the popular Paul himself, still wince over the disorganization that ensued.

Chief Tankers Seek Scalp of Flint's Indians Today

With a resounding 66-21 victory over Ypsilanti tucked under their belts, Pontiac High's swimmers seek new laurels today when they open their Saginaw Valley Conference campaign against Flint Central in the PHS pool.

The visiting Indians, coached by Alex Crane, finished next to last in the 1954-55 SVC standings and do not appear too strong this season after last Friday's one-sided setback at the hands of Lansing Eastern in their opening dual meet.

Only five lettermen are back in the Indian camp this season. Returning tankers are Dick Kirby, ace freestyler; backstroker David Karr; freestyler Ronnie Hosner; breaststroker Kenneth Catlin, and Gary Berryman, an able diver.

"The rest of our squad is very inexperienced," said Crane, now serving his 5th year as Central's swimming mentor. "We fully expect to take a sound beating from Pontiac's strong team," Crane said.

Des Boyce's crew will be headed by standouts Tom Cross, Bob Keavy, and Anton Simson, along with Denny Simonson, Bill Hampton, Ken Bogard, Jim Cornforth, and Gideon Robarge.

This afternoon's meeting starts at 4 p.m.

Middleweight Bout on TV

Boyd Puts 5 Straight Wins on Line Against Scortichini

ST. LOUIS (AP)—Bobby Boyd, fast-rising Chicago middleweight, puts his string of five straight victories on the line tonight in a 10-round boxing bout with aggressive Italo Scortichini of Italy.

The ninth-ranked Boyd, who started his climb up the middleweight ladder just a few months ago, is rated a 2-1 favorite to handle the shorter Italian.

Boyd, who punches well with either hand, has a knockout victory over George Johnson in that string of five victories and an upset win over Gene Fullmer.

Scortichini, rated a lighter puncher than Boyd, likes to move in on his opponent in a crowding style.

Boyd, who has about a three-inch height advantage, probably also will hold a three or four pound weight edge in the nationally and locally televised bout (ABC-TV at 10 p.m. EST).

Under Missouri rules, the two fighters split 10 points a round based on the opinion of the referee and two judges.

MSU Aides Are Coaching Prospects

By ROBERT E. VOGES

PASADENA, Calif. (AP)—Don't be surprised if at least one, and possibly two, assistant coaches are hired away from the Michigan State football family this season.

Nothing succeeds like success.

* * *

So a couple of schools already are putting out feelers to the assistants who helped coach Michigan State to the number two spot in the National football poll and a return shot at UCLA in the Rose Bowl game.

* * *

Other schools would like to latch on to the multiple offense as practiced so successfully at Michigan State. The best way to do it is to hire away an MSU assistant as head coach.

And, regardless of loyalty to school, there isn't an assistant in the business who doesn't want to be a head coach some day.

* * *

You could name almost any coach on the effective Michigan State staff as a possible candidate for a head coaching job.

But there are two names as the most logical possibilities — end coach Bob Devaney and offensive line coach Burt Smith.

* * *

Devaney has been with Michigan State the longest. In fact, he's the only assistant who was with the Spartans when they made their first Rose Bowl appearance on New Years Day of 1954.

Devaney was an assistant coach and scout when Biggie Munn was head coach, joining the staff in 1953. When Munn moved up to Athletic director and Duffy Daugherty took over as head coach, there was an almost complete turnover among the assistants.

A graduate of Saginaw Arthur Hill and Alma College, Devaney coached for 14 years in Michigan high schools before joining the State staff. His last seven years were at Alpena and he previously coached at Big Beaver (Birmingham), Keego Harbor and Saginaw high schools.

Smith, offensive line coach, is another senior staff member well-grounded in the Michigan State system.

A graduate of Detroit Redford High and the University of Michigan, Smith joined the MSU staff in 1954 after a successful high school coaching career.

Backfield coach Sonny Grandelius, defensive line coach Lou Agase and assistant coach Bill Yeoman also could be mentioned as head coach prospects on the basis of their contributions to the Michigan State success story.

LEANING CAGERS — Southfield's Steve Klamik (23) looks like he decided to lean against Birmingham's John Flesser for a little rest. In the background is Bob Evans (5) of Southfield. The Maples won 64-61 in overtime last night. (See page 45 for details.)

Four Hamtramck Netters Ranked

HAMTRAMCK (INS) — The United States Lawn Tennis Association today placed four Hamtramck, Mich., youths among its top 15 players.

The USLTA gave Gerald Dubie seventh place and Ray Senkowski the eighth spot on the national list of competitors in boys' singles. As a doubles team, Dubie and Senkowski placed second.

Joyce Pnlewski was rated 12th in the junior girls' singles while Phyllis Saganski took sixth place among girls under 15 years of age.

Deacons Favored in Classic Finals

CHARLOTTE, N.C. (AP) — Wake Forest, the tournament favorite, and Clemson, a rank outsider, meet tonight in the finals of the Carrousel Basketball Classic.

Each team had gone into the tournament with a 1-3 record, but Wake Forest was tabbed to win and Clemson was figured to be in the seventh place consolation game today.

Clemson only last week won its first Atlantic Coast Conference game in three seasons in the league by nosing out Virginia, 75-73. Last season Clemson had a 2-21 record and was twice buried by Wake Forest in ACC play, 120-65 and 100-79.

Spartan Cagers Meet Irish for 72nd Time

EAST LANSING (AP) —Michigan State will play Notre Dame in basketball for the 72nd time tonight.

The series going back to 1908, shows the Irish have 51 wins to 20 for the Spartans of MSU.

The Spartans go into this game with victories over Southern Illinois and Pitt while Notre Dame has a 2-4 win-loss record.

Lopsided Scores Dominate City Basketball Activity

Runaway games characterized Tuesday night's action in Pontiac's city basketball leagues as six games were played at Jefferson and Eastern junior high gymnasiums.

In adult loop activity at Jefferson, Lottie's Tavern bowed to the Trojans, 46-38, and Griff's Grill rolled to a 71-28 victory over Phil's Inn in National League contests.

Bob Williamson collected 15 points in the Trojans' decision over Louie's while the Tavern five was led by Ron Sandage who picked up 10. Don Harding's 18 points paced Griff's parade of buckets and nine markers by Jerry Fisher was the best Phil's had to offer.

The Aces downed Pulver Tire, 40-27, and the Meteors spanked the Blue Devils, 44-22, in National loop Class D battles, while the Police Association crushed the Lakesiders, 67-21, and Oliver Buick trounced the Spartans, 47-35, in American division 'D' scraps, all at Eastern.

Gale McAnnally tallied 14 points to lead the Aces and Mickey Gonzales got 11 for Pulver. Dick McLaughlin netted 14 points in the Meteors' easy win over the Blue Devils.

The policemen's romp over the Lakesiders was sparked by Bob Dewey, who meshed 11 baskets for 22 points. Dave Grubb picked up 13 points and Gil Hernandez added 12 in the Spartans' losing cause. Jack Johnson chalked up a dozen points for Oliver Buick.

City league games tonight pit Shaw's against Booth Homes and GMC against the Lakeside Royals in the PHS gym at 7 and 8:30 p.m. The Aces face Slaybaugh's at 7 and the Police Association tackles the Wolverines at 8:30 in Class D tilts at Lincoln.

Louie's	4	12	7	15	38

Rose Bowl Teams Stressing Defense

By ROBERT E. VOGES

PASADENA, Calif. (AP)—Like a pair of fighters respecting each other's punch, Rose Bowl football opponents Michigan State and UCLA both were concentrating on defense today.

Usually carefree MSU Coach Duffy Daugherty was a little bit gloomy when he talked about his first all-out scrimmage on the Coast.

• • •

Second stringers versed in the UCLA attack tried out Bruin single-wing tactics against the first team and Duffy was unhappy because his scouting team picked up a lot of ground.

"We're going to have to spend more time on defense in our practices," Daugherty said, "because we just haven't played a team with that type of attack.

"That UCLA type of offense is awfully effective. I'm thinking of picking up a few of their plays to throw back at them."

UCLA Coach Red Sanders said the emphasis at his workout would be on stopping the Michigan State offense.

The Bruins have finished their hard contact work for the game and Sanders is satisfied with their condition.

Sanders told his squad there would be no practice Friday, which means the players will have three consecutive days off. Players will be called back next Monday for morning and afternoon work.

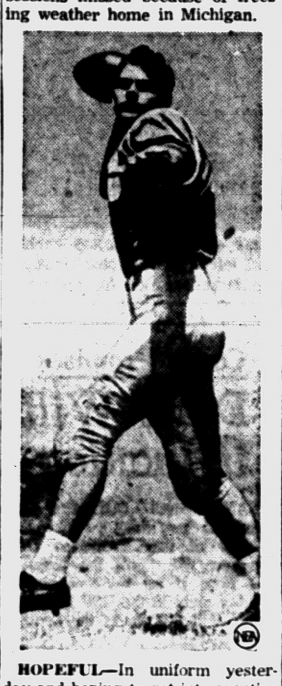

There was a 20-minute passing-drill yesterday under pressure with Sam Brown, Gerry McDougall and Doug Bradley doing the pitching. Bradley was especially sharp and he connected with end Rommie Loudd on three long tosses. The Bruins have given indications that they won't stick with their ground game if the Spartan defense stalls them. UCLA seldom has gone for the long pass, but Sanders had his tailbacks throwing them far yesterday. Loudd, big and fast, made some spectacular fingertip catches.

• • •

Ronnie Knox was in practice uniform yesterday and he told the coaches he would be ready to run through signal practice next week. He has been taking therapy on the bone which was cracked in the Washington game, Nov. 12. Although Sanders is not counting too strongly on Knox, the team's best passer, he said that if he is ready by Jan. 2 "we'll be just that much stronger."

There will be no more scrimmage for the Bruins. They have had enough heavy contact work to put them back in condition and Sanders wants to guard against his squad going stale.

State had a routine afternoon workout after the heavy morning scrimmage. Daugherty planned to keep his squad working until Saturday in an effort to catch up on sessions missed because of freezing weather home in Michigan.

HOPEFUL—In uniform yesterday and hoping to get into practice sessions was Ronnie Knox, UCLA star who missed the final game of the season because of a broken ankle. He hopes to play against Michigan State.

Jess Doesn't Care About Statistics

HOUSTON, Tex.—Whenever anybody mentions statistics to Jess Neely, they are given a dark stare.

Coach Neely points to what Rice did against Texas. The Owls gained a total of 468 yards, completed 21 of 29 passes for 320 and had 27 first downs to the Steers' 17.

But we lost, 32-14," Neely snaps. "You can have all the statistics you want."

TCU Statistically Better

Cotton Bowl Foes Planning Bypass of Ground Game for Aerial Attack

DALLAS (AP)—The Cotton Bowl hasn't produced a real passing game in six years but if Mississippi isn't just throwing up a smoke screen and means it about pitching the ball around there could be some fireworks in the big saucer Jan. 2.

Word from Mississippi is that the Rebels are planning multiple air raids in an effort to combat the long touchdown runs for which Texas Christian's All-America Jim Swink is noted.

Texas Christian, at its training base in Fort Worth, obviously is taking Mississippi quite seriously. Pass defense is a big item in the Horned Frog work.

Mississippi apparently has the guns to carry out any aerial intentions. The Rebels, with Eagle Day and John Wallace Blalack at the throttle, have rolled up 1,102 yards via the pass route, hitting on 46.7 per cent of their throws.

Texas Christian is as efficient, it has shown 48.0 and its Chuck Curtis averaged 52.9, but the Horned Frogs haven't tried nearly so many as Mississippi, completed a little more than half as many and gained only 674 yards.

The Frogs, however, have intercepted 17 enemy aerials and only twice in 10 games was the opposition able to score on TCU with passes.

The TCU players looked over some films of Mississippi's games in yesterday's practice and observed that the Rebels were very good at passing, especially with the roll-out.

Texas Christian is well ahead of Mississippi in rushing with almost 600 more yards, featuring the great Swink, who has personally made 1,283, which caused Mississippi to pose the question: Could it afford to try to move on the ground in the first place?

Actually, what TCU can do in passing if it went all out isn't known since the Horned Frogs had little need for it during the regular season with their ground attack going so good.

• • •

The last time Cotton Bowl fans saw much passing was 1950 when Rice and North Carolina each got more than half their yardage in the air. Since then no team has reached 100 yards and the average in passes per game has been about a dozen.

Not Dashing for TD, Just Safety

LINCOLN, Neb.—It was a different story when Oklahoma came here to play Nebraska this season, but old-timers still talked about the Sooners' attitude toward the 1928 contest.

A beefy Nebraska club ground the Sooners to a 44-6 defeat—one expected by players and fans.

Buster Mills, who scored Oklahoma's lone touchdown on a 42-yard dash, summed it up neatly: "I wasn't trying to score — I was running to keep from getting killed."

Watches Films

TCU Football Coach Fears Ol'Miss Speed

FORT WORTH, Tex. (AP) — The swish of cleated shoes has changed Texas Christian football coach Abe Martin's attitude toward a football game.

Ordinarily, the head man of the Horned Frogs would be saying something like "we'll run 'em out of the park." But Martin looked over some films of Mississippi games and heard some inside dope from interested parties. Now he merely says TCU's Cotton Bowl meeting with Mississippi at Dallas Jan. 2 will be "a great ball game."

• • •

"They have so much speed it's a little disheartening," said Martin after he had sent his squad through its longest workout of the training period, emphasizing running with sprints and football relay races. Martin figured TCU had good speed but he says Mississippi has more of it.

"This Eagle Day and Earl Blair can get up and go and the entire team is fast," Martin commented. "We're going to have quite an afternoon on our hands."

• • •

While Martin has been bearing down in practice this week he hasn't held any scrimmages and doesn't plan to. He decided on that last week when Jim Swink, his All - America halfback, got a sprained ankle in some contact work.

"I almost fainted," confessed Martin. "We found it didn't amount to much and swinky will be all right but it decided us against scrimmaging."

Scoring Record Set by Titans

Ebben Scores 33 in 109-85 Conquest of Baldwin-Wallace

DETROIT (AP)—The University of Detroit basketball team, sinking an amazing 48.3 per cent of its field goal attempts, bounced back into the victory column last night with a record-breaking 109-85 conquest of Baldwin Wallace.

The score was an all-time high for the Titans and came after a double loss to Houston, Missouri Valley Conference Rival, in a weekend series in Texas.

Bill Ebben, Detroit's ace forward, headed the scoring assault with 33 points and teammate Don Hasse, a reserve center, added 28.

Wynn Hawkins collected 26 points and Leonard Roth 23 to lead the losers.

The Titans gave the Ohioans an early first quarter lead but caught up six minutes later and barged into a 53-33 halftime lead. Detroit was never in trouble during the second half.

It was the U. of D.'s fifth victory against two defeats. B-W has a 2-2 record.

Bowling Clinic

By BILLY SIXTY

ADD TO SLIDE.

Some years ago I had a hitch in my swing that caused me to stop abruptly, off-balance, at the foul line. Adolph (Swede) Carlson, former king of match bowlers, told me what was wrong, and the tip he gave me immediately eliminated the fault.

"You're ahead of the ball—top-heavy at the line," he told me. "Add to your slide, and you'll stay behind the ball with your body."

What happened is illustrated in the sketch. By adding to the slide, my left knee flexed more, and my

body came down into a comfortable crouch with the weight balanced on both legs, as the line in the sketch shows.

In this way the swinging arm caught up with and passed the left leg smoothly at the foul line to enable me to complete the swing with a reaching, in-line, follow-through. If you find yourself stopping too abruptly and too erect at the foul line, add a foot or more to your stride—move back when you take your stance—and I assure you you'll immediately get a different, smoother, easier, timed and effective delivery.

Prendergast Proves Valuable to Irish

NOTRE DAME, Ind.—Dick Prendergast started every game at left end for Notre Dame this season.

Sophomore Prendergast ranked second on the team to senior center Jim Mense in playing time, averaged better than 52 minutes. Coaches commended his offensive blocking and defensive play.

Prendergast stands six feet two, weighs 190 pounds and is 18 years old. As a high school player at Mt. Carmel in Chicago, Dick was coached by his present mentor, Terry Brennan, who led Mt. Carmel to Chicago city championships in the youngster's sophomore and junior years.

Cassady to Play

Grid Stars Gather for East-West Shrine Game

SAN FRANCISCO (INS)—A good collection of the greatest football talent in the nation is concentrated in San Francisco today for the December 31st East-West shrine game.

The players will be guests at a civic luncheon today after they visit the Shriners' hospital for crippled children and meet the youngsters who benefit from the charity classic.

Biggest news among the arrivals was a little cold contracted by Ohio State's All-America halfback, Howard "Hopalong" Cassady.

Cassady who won just about every award put up for a football player this season was not feeling too well.

He said:

"I guess I could play tomorrow if I had to, but I don't think I'd be as happy about it as I am going to be on December 31.

"It's truthfully a great thrill for me to be here. I'm expecting to have a lot of fun playing with all of these guys."

The West team has an ace-in-the-hole to combat Cassady, Chuck Taylor, Stanford coach, is a West advisory coach. His team was one of the few to stop Cassady during the past season. Taylor's Indians upset Ohio State 6-0 and Cassady was well defensed, failing to break away at all.

Boston's Only Champion

BOSTON — Of the last three title challengers to come from Boston, only Tony De Marco was a winner. He beat Johnny Saxton for the welterweight title. George Araujo and Tommy Collins, lightweights were knocked out.

Upsets Highlight Oakland 'B'

By BILL CORNWELL

Forward Bob Bush netted a dramatic field goal, the only one he made, with just five seconds left to play to hand Fitzgerald a thrilling 58-57 win over Madison in Tuesday night's crucial Oakland 'B' battle at Fitzgerald.

The Madison-Fitzgerald game, a struggle between two unbeaten teams for league leadership, highlighted last night's hectic Oakland 'B' action which found Clawson tripping Lake Orion 59-52, for its 1st victory in 26 tries, and Troy edging Roseville, 49-48.

Fitzgerald's narrow triumph, which gives the Spartans undisputed possession of 1st place, can be credited to Bush and a valiant last-quarter drive that overcame a 45-38 deficit.

The two-pointer by Bush, a layup in the last five seconds, climaxed a wild 4th period which saw the lead change hands six times in the final three minutes. Madison's hot-shooting Jim Simer, who collected 13 field goals for 26 points to take scoring honors, pumped in a two-pointer with only 20 seconds remaining to give the Eagles a one-point lead before Bush broke loose.

Center Norman Pruitt picked up 19 points and guard Louie Collins garnered 20 on 10 goals to spark the winners. It was Fitzgerald's 4th consecutive victory and Madison's 1st loss in four games.

Jim Maurer, Troy's 6-5 center dunked a field goal with 23 seconds left to go bringing the Colts a hard-earned 49-48 triumph over Roseville in a hotly-contested scrap on the Roseville court.

It was a comeback victory for the Colts who recorded their 2nd win in five attempts. Maurer tallied 20 points to lead Troy which trailed the Wildcats by 11 points with 3½ minutes remaining. Forward Ken Martyniak paced the losers with 22 markers.

Clawson's victory - hungry cagers finally found the winning combination in last night's 59-52 verdict over Lake Orion. The triumph snapped a 25-game losing streak for the Trojans who had not won a basketball contest since the tailend of the 1953-54 season.

Trailing by a 48-46 count entering the last quarter the Trojans sewed up the victory with 13 points while limiting Lake Orion to four. Tom Trexler led Clawson with 18 points and Jim Drake matched that figure for the Dragons.

Flesser Sparks Birmingham to Victory

John Flesser, a transfer student from Flint Central, played the hero's role Tuesday night in Birmingham's 64-61 overtime victory over Southfield at the Birmingham High School gymnasium.

The transplanted sharp-shooting guard meshed a one-handed jump shot from 30 feet out to tie the score as the final buzzer sounded, forcing the contest into overtime, and then tallied three points in the extra session to pave the victory path.

It was heartbreaking defeat for the Blue Jays, who held a 32-27 lead at halftime and were on top by 56-54 count with only four seconds remaining. Then Flesser netted his game-tying field goal and the rest is history.

Flesser, who sparked the Maples' 2nd-half rally, took scoring honors with 17 points. Three other Maples reached double figures, Bob Isbell getting 15 and Don Haugh and George Huffman making 10 apiece.

Four Blue Jays also notched double figures in the scoring column, led by Steve Klamik with 15 points. It was Birmingham's 3rd straight win after a season-opening loss and Southfield's 4th setback in six starts.

Hazel Park's Vikings, pre-season favorites to win the Eastern Michigan League crown, received a rude jolt last night in their loop opener against Ferndale.

The host Railsplitters, disregarding the advance ballyhoo, staged a stirring 4th-quarter rally to upset Hazel Park, 60-53. The defeat was the 2nd in as many tries for the Vikings.

McNeil chalked up 15 points and Granzow added 11 to pace Ferndale. Dan Potter, Hazel Park star, grabbed scoring honors with 19 points.

In other scores involving Eastern Michigan League teams East Detroit dumped Van Dyke 59-38 and Mt. Clemens fell to Grosse Pointe 68-55.

New Haven Plays Spoiler by Nipping Almont, 53-49

The New Haven Rockets occupied the role of Southern Thumb League spoilers Tuesday night on their home floor when they surprised league-leading Almont, 53-49.

Sparked by forward Stan Gleason, who dumped in 12 field goals for 24 points, New Haven came from behind in the 4th stanza to upset the Raiders, previously undefeated in loop activity.

The Rockets held a slim 23-22 advantage at intermission, then saw the Raiders regain the lead before they rallied to win. It was New Haven's 2nd victory in four games and Almont's 2nd setback in five starts.

All of the Rockets' scoring was divided among four players, headed by Gleason's 24. Russ Alexy tallied 12 points and Allen Siefert contributed 11. Larry Kersten and Bob Wentworth each scored 12 points for the losers.

Armada of the Southern Thumb circuit invaded Romeo last night and bowed to the Bulldogs, 58-48. Bill Schmidt tallied 18 points and Chester Markham added 17 to pace Romeo while Kerscher scored a dozen markers for the Tigers.

North Branch, strong South Central League member, trounced Kingston in a non-loop game at Kingston, 62-49. Forward Carl Morse led the Broncos with 15 points.

Oregon's football income in 1954 amounted to $195,812.

2 Bruin Wingers to Rejoin Team

BOSTON (AP) — Wingers Doug Mohns and Lorne Ferguson are expected to rejoin the injury-riddled Boston Bruins tonight for their National Hockey League clash with the Rangers at New York.

Mohns and Ferguson, sidelined for three games because of injuries, were pronounced fit yesterday, leaving only Capt. Fernie Flaman and rookie Alan Nicholson still on the disabled list. However, several other Boston players are nursing minor ailments.

Ernie Banks of the Cubs hit five grand slams in 1955 for a major league mark.

THE STYLE CORNER OF PONTIAC

Five Atlantic Coast Gridders Top-Ranked

CHARLOTTE, N. C. — The Atlantic Coast Sports Writers Association recommended five Atlantic Coast Conference players for All-America. They are halfbacks Bob Pascal, Duke; Ed Vereb, Maryland; and Joel Wells, Clemson; tackle Bob Bartholomew, Wake Forest; and center Bob Pellegrini, Maryland.

Chiefs Prep for Edsel Ford

Pontiac High's basketball Chiefs will try to get back on the winning trail Thursday night in the PHS gymnasium when they tangle with a newcomer to Michigan public high school ranks—Edsel Ford of Dearborn.

After trimming Detroit Catholic Central in the season opener and spanking Saginaw Arthur Hill in the 1st Saginaw Valley Conference test, Art Van Ryzin's cagers were soundly trounced by a rampaging band of Flint Central Indians last Friday, 80-58.

Hoping that his Chiefs have recovered from the debacle at Flint Van Ryzin will use tomorrow night's non-league clash as a testing ground for future rugged SVC competition.

"Since this is a non-conference game," Van Ryzin said, "we'll deviate from our usual starting lineup for experimental purposes and see what happens."

* * *

The deviation to which Art referred will be the use of 6-4 Hudson Ray and 6-3 Jim Skinner, both centers, at the same time in an effort to get as much height into the game as possible. Ray will remain at center while Skinner moves to a forward spot.

The rest of Pontiac's juggled starting quintet will find Willie DeWalt switching from forward to guard, Rod Treais in his normal forward post, and either tiny Larry Peet or Terry Zellhart at the other guard. Dave Simmons, Jim Jones, Bob Casteel and Dave Diehm complete the varsity squad for tomorrow night's encounter.

The Edsel Ford Thunderbirds, coached by Ed Kotlarczyk, are tasting their 1st diet of interscholastic competition and thus far the basketball menu has not improved their health. The 'Birds have dropped all three starts to Jackson, Ecorse and Hamtramck.

Suffering from great inexperience and handicapped by lack of height, the newly-organized high school has found rough sledding to date. Nary a member of the roster has any previous varsity experience and 6-1 Bill Knipp and Gary Joachim, a six-footer, are the tallest boys on the squad.

The tentative starting five for Edsel Ford lists Don Smith and Joachim at forwards, Ron Jernigan and Jim Carbardi at guards, and Knipp at center.

Kotlarczyk, a graduate of the University of Vermont, coached at Indian River in northern Michigan for three years and spent two years at Edison Junior High in Dearborn before coming to the newly-formed Edsel Ford school this year.

Tomorrow night's varsity battle (scheduled Thursday instead of Friday because of Christmas vacation) starts at 8 o'clock, preceded by a reserve game at 6:30 p.m.

The contest with Edsel Ford will halt the Chiefs' cage activity until after the holidays when they resume their Valley warfare here against Bay City Central on Jan. 6.

Players Visit Hospital

Grid Stars for Shrine Game Bring Yule Spirit to Crippled Children

SAN FRANCISCO (AP) — Don't ever get the idea that a hospital for crippled children is always a place of sadness. It isn't.

It's doubtful whether there was any place in the country with any more genuine happiness yesterday than the Shrine's Crippled Children's Hospital here.

* * *

Two wards full of youngsters with twisted arms, legs, spines and feet chortled with glee as they were visited by two busloads of college football stars. As they chortled, they chattered—about their families, their books and dolls, their pets at home.

There wasn't a tear shed in the place. The football players, members of the East and West squads who will meet in the 31st annual Shrine game Dec. 31 at Kezar Stadium, had as much fun as the kids.

Take Don Schaefer, 190-pound Notre Dame fullback, for instance. Schaefer drew as his special "buddy" a little brunette named Sandra who told him "I'm almost six but I'm not the youngest one in this family. I have four brothers and one sister and they're all older than I am."

* * *

The big fullback from Pittsburgh, Pa., then launched into a story of a pre-Christmas party he'd had with his family, including eight nieces and nephews. Sandra enjoyed every minute of it.

Stu Holcomb, who resigned last week as Purdue coach to become athletic director of Northwestern, came down the hall carrying a small boy with one foot in a cast.

* * *

"He's a dandy," grinned Holcomb. "I'm going to take him home with me to play with my youngest son."

* * *

The tiny lad, his eyes shining, clung tightly to Holcomb's arm.

* * *

Each player on both squads had a special "buddy" in the spacious wards. The player's name and the youngster's, typed on cards, were attached to the individual beds.

* * *

The school colors of each player—lemon yellow and green for Oregon's Lon Stiner, maize and blue for Michigan's Tony Branoff, scarlet and gray for Ohio State's Howard Cassady, Frank Machinsky and Ken Vargo—decorated the beds of each buddy. The little girls wore the colors in their neatly combed hair. The boys sported appropriate sweaters.

* * *

The day, said one of the floor nurses, is the highlight of the year for the young patients.

* * *

"It even beats Christmas," she said.

Only Laker Remaining

MINNEAPOLIS — Vern Mikkelsen is the only remaining member of the Minneapolis Lakers', once-unbeatable basketball trio of big men. George Mikan and Jim Pollard retired.

Clarkston Leading in Waterford Loop

Clarkston took sole possession of 1st place in the Waterford Recreation Basketball League by downing previously unbeaten Drayton Drugs 71-61 last night. Bill Dunstan led the Clarkston quintet with 26 points.

In a thrilling double overtime contest Waterford Merchant lost 66-64 to Johnson and Anderson with Phil Runkel pacing the losers with 36 points and Joe Umphrey hitting 24 for the winners.

Jim Reynolds sunk the tying free throw in regulation time to send it into overtime.

Syracuse Move Hit With Legal Entanglements

New York Corporation Seeks to Halt Switch by Suing Club Owner

SYRACUSE, N.Y. (AP)—The switch of the Syracuse Chiefs of the International League to Miami ran into legal entanglements today, but one of the men involved in the move said he wasn't worried by the suit.

* * *

The Central New York Community Baseball Corp. filed the suit last night against Martin D. Haske, owner of the Syracuse franchise, seeking to block the move.

* * *

Haske was asked to show cause why he should not be forced to follow through on a contract to sell the Chiefs' franchise to the community-formed corporation, a spokesman said. The corporation raised more than $50,000 to meet a price Haske had put on the team. Miami interests reportedly had offered $100,000.

* * *

The suit "doesn't disturb me too much," said Sidney Salomon, Jr., one of the Miami purchasers.

* * *

"The International League would never stand for it. I had expected the suit would arise. The franchise became our property when our lawyers paid Martin D. Haske a substantial sum and signed the papers.

Tigers Sign 2 Young Hurlers

Wayland's Phil Regan, Dixie High School Ace Report to Farm Clubs

WAYLAND (AP)—Phil Regan, Wayland High School pitching star, today said he has signed a Detroit Tigers contract and will report to their Lakeland, Fla., training camp next spring.

Regan, 6 foot 3 205-pound right hander, signed a $4,000 bonus contract with Terre Haute, a Tiger farm in the Class B Three-I League.

* * *

He plans to leave his freshman classes soon at Western Michigan College and work in Grand Rapids until time to report at Lakeland.

GASTONIA, N.C. (AP)—The Detroit Tigers today announced the signing of Roger Sheppard, 18, star high school pitcher, and ticketed him for delivery to Augusta, Ga., of the Class A South Atlantic League.

Scout Rick Ferrell signed Sheppard to a contract at undisclosed terms. Two weeks ago Sheppard dropped out of the University of North Carolina, where he was a freshman on a baseball scholarship.

Sheppard won 27 and lost 1 in three years for Gastonia High School. In those years the team won the state championship. He also pitched for the Gastonia American Legion junior baseball team, which lost in the national finals in 1954.

Gamecocks Receive Aid

COLUMBIA, S. C. — Grady Wallace, the nation's leading junior college basketball scorer last year, will have his six-six scoring talent in the South Carolina lineup this season.

Carroll's Been Kicking Himself for This Error

ATHENS, O.—Carroll Widdoes, who rarely calls plays from the bench, was kicking himself after the Indiana game, which his Ohio University team had lost by a touchdown.

Late in the fourth period, Widdoes ordered Don McBride to replace sophomore Ron Macuga at quarterback. McBride was to call a certain play. The referee failed to see McBride coming in and allowed the play to start. It gained six yards—but was nullified by a penalty for McBride being on the field. It killed the drive and Indiana took over to stall to victory.

On the way home to Athens, Widdoes asked Macuga what play he had called.

"I called 52 left, Coach," he answered.

It was the same play Widdoes had sent in with McBride.

Oklahoma had won 19 football games in a row up to the 1955 season.

Ice Fishermen Test Lakes

By JACK PATTERSON

The cold weather we've been enjoying lately, to use the phrase loosely, has put enough ice on most area lakes to encourage the more venturesome fishermen to forsake the comforts of home and set forth with spuds, tip-ups et al.

We are not among them, in flesh or, to any major extent, in spirit. The demands of holiday partying have left us wan and shaken and we fear that a breath of fresh air would cause us to puny up and die.

There are hardier souls, though, like Hank Gotham, Elmer Pettingill and Bud Bassett who have been regularly de - bluegilling Bud's lake near Ortonville. And other season jumpers like Estelle and Ken Strickland, who have been giving Maceday Lake a whirl. Nothing much doing except for calicoes which are "taking" in about 20 feet of water, if anyone is interested in calicoes.

PATTERSON

Palmer "Bill" Bunday has a gimmick that all dog owners with lake frontage might emulate. Bill recently took his hen Weimaraner "Misty" for a stroll on one of the lakes that dot his half of the county.

The dog scouted out a party of successful ice fishermen, eased over and picked up the plumpest bluegill of the lot and trotted it back to her owner. Bill claims this is an easier method of fishing than most. No spudding, no freezing, no interminable waiting. Action (of one sort or another) every minute.

Got an interesting communique via the mails the other day. Seems that Bennie Dahl of Williams Lake road came into possession of a racing pigeon. It was banded and Bennie took steps to locate its owner.

Appeals to the Conservation Department and the Audubon Society failed, so our aid was enlisted. Well, there are gaps in our knowledge of racing pigeons, so we took the problem up with fellow outdoor writer Jack Van Coevering and discovered that the fountainhead of racing pigeon information is the American Racing Pigeon Union, 214 Congress St., Jersey City 7, N. J.

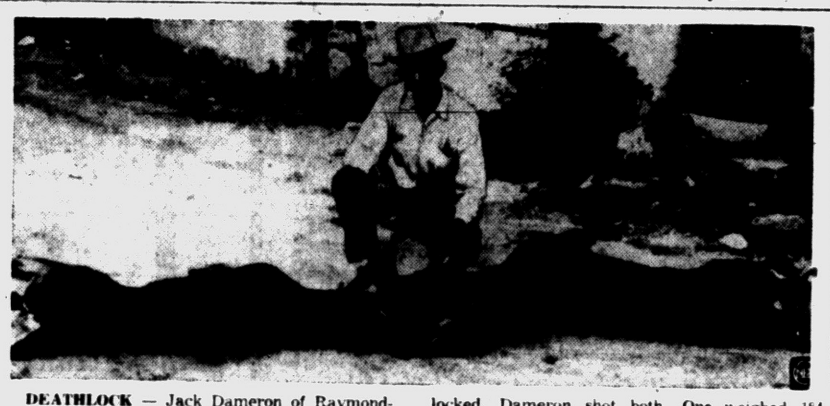

Now if you should happen to leave your door open and a banded pigeon strolls in, you'll know precisely how to locate its home base.

How's the Christmas shopping coming? In case you've been putting it off, there is what's left of today, all of Thursday, Friday and Saturday until 5:30 which is ample time to arrange for anything from a hearty handshake to a Mark II Continental for that sportsman on your list.

Stocks of sporting goods, as well as most others, are getting pretty well depleted, but don't use that as an excuse.

The good old gift certificate is the answer to most any problem in that line, and has the further virtue of insuring that the old boy will get something he wants. At least, if he doesn't, he'll have no one to blame but himself.

One last thought for harrassed shoppers. One of the many "how-to" books on hunting and-or fishing shouldn't fly too wide of the mark. We've never hunted or fished with anyone yet who knew all there is to know about his favorite sport, although we must admit that many of them think they do.

DEATHLOCK — Jack Dameron of Raymondville, Texas, got his limit of deer in a hurry when he found two large bucks fighting with their horns locked. Dameron shot both. One weighed 184 pounds and the other 167 and each had 12 points. Two is the limit there.

Times Have Changed

Skiing Brings Winter Prosperity to North

By MORT NEFF

There was a day once-upon-a-time when Michigan sportsmen just about called it quits for the year by mid-December and went into partial hibernation 'til spring! But times have changed! With the end of the deer season our north country now gears herself for an enormous influx of "snow bunnies," a term often applied to ski enthusiasts.

NEFF

Some 40 ski developments are planning busy times for January, February and March, and about one third of them got off to an exceptionally early start with the magic white blanket of snow making its appearance as much as 3 weeks ahead of schedule.

Today winter sports bring important revenue to northern Michigan. Some estimates put the number of skiers at more than 200,000 so, on a busy weekend it's obvious that they may put several million dollars into circulation in a part of the state that once had dust on the cash registers for a couple of months following the Christmas holidays.

* * *

There was a time when skiing required nothing more than a relatively small open hillside with a single rope tow to expedite the return trip. Today ski terrain is developed by ski engineers. Surveyors move in to a prospective area, mark off gently winding downhill trails maybe a hundred feet wide for clearing, set up a steep, open slope for a speedy slalom race course, indicate the proper place for a tortuous, narrow, fast-dropping course for downhill racers, and finally specify where and what type of tows will be needed. Construction can run into lots of money. Three or four type of "lifts" have replaced the old-fashioned tow although nothing will handle as many skiers per hour as the endless, moving rope, rope.

* * *

Near Cadillac a total of 25 runs and 16 tows on the Caberfae project serve thousands of skiers on what is probably the biggest layout in the state, in the heart of our best "snow-belt" country. Hilltops west of Cadillac range around 1400 feet high, making the vertical drop exciting enough for even the downhill speed demons!

Devise New Method of Using Gridders

ATHENS, O. — A snow-covered field was waiting for Ohio University and Morris Harvey when the teams met in their final game of the season.

Ohio's Carroll Widdoes suggested an idea to Morris Harvey's Eddie King.

Widdoes lined his Bobcats up along the sideline to the 50-yard stripe where King's Eagles took up the chain. Each player and coach began rolling a snowball across the field, leaving a perfect patch of grass. The maneuver cleared most of the snow and by half-time the field was completely dry.

Coach Shuts Up Noisy Audience in Strange Way

NEW YORK—The crowd at a Madison Square Garden professional basketball game was chanting, "We want Dukes!"

They wanted Joe Lapchick of the New York Knickerbockers to use the seven-foot Walter Dukes.

Coach Lapchick put in Dukes and the big fellow fouled five times in three-and-a-half minutes and, in general, looked the worst of his career.

"That's one way to shut up a crowd," remarked Lapchick, as he pulled Dukes out amid silence from the stands.

Pared to Workable 17

LOS ANGELES — Forrest Twogood pared the Southern California basketball squad to what he calls a workable 17.

Average Weight and Size Deer Show Little Change

LANSING—Deer of the same age class showed little significant change in weight and antler size this year from last year.

In the upper peninsula, deer weighed at locker plants averaged 107.3 pounds this year; last year the average was 102.9 pounds. Antler averaged 2.6 points last year and 2.9 this year.

Where better winter range foods are available in the northern lower peninsula, deer averaged 104.6, slightly better than the 101.2-pound average of last year. Antlers averaged 3.8 points this year and 3.6 last year.

However, in Roscommon, Oscoda and Crawford Counties—the area where winter foods are in short supply — the average deer weight dropped from 99.6 pounds last year to 99 pounds average this year. Antler racks remained nearly the same; 2.8 points average last year and 2.9 this year.

In Lake County, another food problem area, Conservation Department biologists did not have enough locker plant information to make a weight comparison. Antlers measured at roadside checking stations, however, showed some increase, from 3.3 points average last year to 3.7 this year.

A possible explanation of the rather numerous field reports of bigger and better bucks this year is that there were noticeably more older bucks in the kill this year in some areas.

License Sales for Game Hunters Up

LANSING—Michigan small game hunting license sales to both residents and nonresidents during the first 11 months of 1955 showed increases over the same period in 1954.

Some 505,000 resident licenses were reported through November 30—a five per cent increase over the 481,000 reported in the same period in 1954. Remittances for nonresident licenses jumped 18 per cent from 4,922 for the 11-month period.

Five Atlantic Coast Gridders Top-Ranked

CHARLOTTE, N. C. — The Atlantic Coast Sports Writers Association recommended five Atlantic Coast Conference players for All-America. They are halfbacks Bob Pascal, Duke; Ed Vereb, Maryland; and Joel Wells, Clemson; tackle Bob Bartholomew, Wake Forest, and center Bob Pellegrini, Maryland.

Chiefs Prep for Edsel Ford

Pontiac High's basketball Chiefs will try to get back on the winning trail Thursday night in the PHS gymnasium when they tangle with a newcomer to Michigan public high school ranks—Edsel Ford of Dearborn.

After trimming Detroit Catholic Central in the season opener and spanking Saginaw Arthur Hill in the 1st Saginaw Valley Conference test, Art Van Ryzin's cagers were soundly trounced by a rampaging band of Flint Central Indians last Friday, 80-58.

Hoping that his Chiefs have recovered from the debacle at Flint Van Ryzin will use tomorrow night's non-league clash as a testing ground for future rugged SVC competition.

"Since this is a non-conference game," Van Ryzin said, "we'll deviate from our usual starting lineup for experimental purposes and see what happens."

* * *

The deviation to which Art referred will be the use of 6-4 Hudson Ray and 6-3 Jim Skinner, both centers, at the same time in an effort to get as much height into the game as possible. Ray will remain at center while Skinner moves to a forward spot.

The rest of Pontiac's juggled starting quintet will find Willie DeWalt switching from forward to guard, Rod Treais in his normal forward post, and either tiny Larry Peet or Terry Zellhart at the other guard. Dave Simmons, Jim Jones, Bob Casteel and Dave Diehm complete the varsity squad for tomorrow night's encounter.

The Edsel Ford Thunderbirds, coached by Ed Kotlarczyk, are tasting their 1st diet of interscholastic competition and thus far the basketball menu has not improved their health. The 'Birds have dropped all three starts to Jackson, Ecorse and Hamtramck.

Suffering from great inexperience and handicapped by lack of height, the newly-organized high school has found rough sledding to date. Nary a member of the roster has any previous varsity experience and 6-1 Bill Knipp and Gary Joachim, a six-footer, are the tallest boys on the squad.

The tentative starting five for Edsel Ford lists Don Smith and Joachim at forwards, Ron Jernigan and Jim Carbardi at guards, and Knipp at center.

Kotlarczyk, a graduate of the University of Vermont, coached at Indian River in northern Michigan for three years and spent two years at Edison Junior High in Dearborn before coming to the newly-formed Edsel Ford school this year.

Tomorrow night's varsity battle (scheduled Thursday instead of Friday because of Christmas vacation) starts at 8 o'clock, preceded by a reserve game at 6:30 p.m.

The contest with Edsel Ford will halt the Chiefs' cage activity until after the holidays when they resume their Valley warfare here against Bay City Central on Jan. 6.

Players Visit Hospital

Grid Stars for Shrine Game Bring Yule Spirit to Crippled Children

SAN FRANCISCO (AP) — Don't ever get the idea that a hospital for crippled children is always a place of sadness. It isn't.

It's doubtful whether there was any place in the country with any more genuine happiness yesterday than the Shrine's Crippled Children's Hospital here.

* * *

Two wards full of youngsters with twisted arms, legs, spines and feet chortled with glee as they were visited by two busloads of college football stars. As they chortled they chattered—about their families, their books and dolls, their pets at home.

There wasn't a tear shed in the place. The football players, members of the East and West squads who will meet in the 31st annual Shrine game Dec. 31 at Kezar Stadium, had as much fun as the kids.

Take Don Schaefer, 190-pound Notre Dame fullback, for instance. Schaefer drew as his special "buddy" a little brunette named Sandra who told him "I'm almost six but I'm not the youngest one in this ward."

"You aren't," said Schaefer. "Well, I'm the youngest in my family. I have four brothers and one sister and they're all older than I am."

* * *

The big fullback from Pittsburgh, Pa., then launched into a story of a pre-Christmas party he'd had with his family, including eight nieces and nephews. Sandra enjoyed every minute of it.

Stu Holcomb, who resigned last week as Purdue coach to become athletic director of Northwestern, came down the hall carrying a small boy with one foot in a cast.

* * *

"He's a dandy," grinned Holcomb. "I'm going to take him home with me to play with my youngest son."

* * *

The tiny lad, his eyes shining, clung tightly to Holcomb's arm.

* * *

Each player on both squads had a special "buddy" in the spacious wards. The player's name and the youngster's, typed on cards, were attached to the individual beds.

* * *

The school colors of each player—lemon yellow and green for Oregon's Lon Stiner, maize and blue for Michigan's Tony Branoff, scarlet and gray for Ohio State's Howard Cassady, Frank Machinsky and Ken Vargo—decorated the beds of each buddy. The little girls wore the colors in their neatly combed hair. The boys sported appropriate sweaters.

* * *

The day, said one of the floor nurses, is the highlight of the year for the young patients.

* * *

"It even beats Christmas," she said.

Only Laker Remaining

MINNEAPOLIS — Vern Mikkelsen is the only remaining member of the Minneapolis Lakers', once-unbeatable basketball trio of big men. George Mikan and Jim Pollard retired.

Clarkston Leading in Waterford Loop

Clarkston took sole possession of 1st place in the Waterford Recreation Basketball League by downing previously unbeaten Drayton Drugs 71-61 last night. Bill Dunstan led the Clarkston quintet with 26 points.

In a thrilling double overtime contest Waterford Merchant lost 66-64 to Johnson and Anderson with Phil Runkel pacing the losers with 36 points and Joe Umphrey hitting 24 for the winners.

Jim Reynolds sunk the tying free throw in regulation time to send it into overtime.

Syracuse Move Hit With Legal Entanglements

New York Corporation Seeks to Halt Switch by Suing Club Owner

SYRACUSE, N.Y. (AP)—The switch of the Syracuse Chiefs of the International League to Miami ran into legal entanglements today, but one of the men involved in the move said he wasn't worried by the suit.

* * *

The Central New York Community Baseball Corp. filed the suit last night against Martin D. Haske, owner of the Syracuse franchise, seeking to block the move.

* * *

Haske was asked to show cause why he should not be forced to follow through on a contract to sell the Chiefs' franchise to the community-formed corporation, a spokesman said. The corporation raised more than $50,000 to meet a price Haske had put on the team. Miami interests reportedly had offered $100,000.

* * *

The suit "doesn't disturb me too much," said Sidney Salomon, Jr., one of the Miami purchasers.

* * *

"The International League would never stand for it. I had expected the suit would arise. The franchise became our property when our lawyers paid Martin D. Haske a substantial sum and signed the papers.

Tigers Sign 2 Young Hurlers

Wayland's Phil Regan, Dixie High School Ace Report to Farm Clubs

WAYLAND (AP)—Phil Regan, Wayland High School pitching star, today said he has signed a Detroit Tigers contract and will report to their Lakeland, Fla., training camp next spring.

Regan, 6 foot 3 205-pound right hander, signed a $4,000 bonus contract with Terre Haute, a Tiger farm in the Class B Three-I League.

* * *

He plans to leave his freshman classes soon at Western Michigan College and work in Grand Rapids until time to report at Lakeland.

GASTONIA, N.C. (AP)—The Detroit Tigers today announced the signing of Roger Sheppard, 18, star high school pitcher, and ticketed him for delivery to Augusta, Ga., of the Class A South Atlantic League.

Scout Rick Ferrell signed Sheppard to a contract at undisclosed terms. Two weeks ago Sheppard dropped out of the University of North Carolina, where he was a freshman on a baseball scholarship.

Sheppard won 27 and lost 1 in three years for Gastonia High School. In those years the team won the state championship. He also pitched for the Gastonia American Legion junior baseball team, which lost in the national finals in 1954.

Gamecocks Receive Aid

COLUMBIA, S. C. — Grady Wallace, the nation's leading junior college basketball scorer last year, will have his six-six scoring talent in the South Carolina lineup this season.

Carroll's Been Kicking Himself for This Error

ATHENS, O.—Carroll Widdoes, who rarely calls plays from the bench, was kicking himself after the Indiana game, which his Ohio University team had lost by a touchdown.

Late in the fourth period, Widdoes ordered Don McBride to replace sophomore Ron Macuga at quarterback. McBride was to call a certain play. The referee failed to see McBride coming in and allowed the play to start. It gained six yards—but was nullified by a penalty for McBride being on the field. It killed the drive and Indiana took over to stall to victory.

On the way home to Athens, Widdoes asked Macuga what play he had called.

"I called 52 left, Coach," he answered.

It was the same play Widdoes had sent in with McBride.

Oklahoma had won 19 football games in a row up to the 1955 season.

Skiing Brings Winter Prosperity to North

By MORT NEFF

There was a day once-upon-a-time when Michigan sportsmen just about called it quits for the year by mid-December and went into partial hibernation 'til spring! But times have changed! With the end of the deer season our north country now gears herself for an enormous influx of "snow bunnies," a term often applied to ski enthusiasts.

NEFF

Some 40 ski developments are planning busy times for January, February and March, and about one third of them got off to an exceptionally early start with the magic white blanket of snow making its appearance as much as 3 weeks ahead of schedule.

Today winter sports bring important revenue to northern Michigan. Some estimates put the number of skiers at more than 200,000 so, on a busy weekend it's obvious that they may put several million dollars into circulation in a part of the state that once had dust on the cash registers for a couple of months following the Christmas holidays.

* * *

There was a time when skiing required nothing more than a relatively small open hillside with a single rope tow to expedite the return trip. Today ski terrain is developed by ski engineers. Surveyors move in to a prospective area, mark off gently winding downhill trails maybe a hundred feet wide for clearing, set up a steep, open slope for a speedy slalom race course, indicate the proper place for a tortuous, narrow, fast-dropping course for downhill racers, and finally specify where and what type of tows will be needed. Construction can run into lots of money. Three or four type of "lifts" have replaced the old-fashioned tow, although nothing will handle as many skiers per hour as the endless moving rope, rope.

* * *

Near Cadillac a total of 25 runs and 16 tows on the Caberfae project serve thousands of skiers on what is probably the biggest layout in the state, in the heart of our best "snow-belt" country. Hilltops west of Cadillac range around 1400 feet high, making the vertical drop exciting enough for even the downhill speed demons!

Devise New Method of Using Gridders

ATHENS, O. — A snow-covered field was waiting for Ohio University and Morris Harvey when the teams met in their final game of the season.

Ohio's Carroll Widdoes suggested an idea to Morris Harvey's Eddie King.

Widdoes lined his Bobcats up along the sideline to the 50-yard stripe where King's Eagles took up the chain. Each player and coach began rolling a snowball across the field, leaving a perfect patch of grass. The maneuver cleared most of the snow and by half-time the field was completely dry.

Coach Shuts Up Noisy Audience in Strange Way

NEW YORK—The crowd at a Madison Square Garden professional basketball game was chanting, "We want Dukes!"

They wanted Joe Lapchick of the New York Knickerbockers to use the seven-foot Walter Dukes.

Coach Lapchick put in Dukes and the big fellow fouled five times in three-and-a-half minutes and, in general, looked the worst of his career.

"That's one way to shut up a crowd," remarked Lapchick, as he pulled Dukes out amid silence from the stands.

Pared to Workable 17

LOS ANGELES — Forrest Twogood pared the Southern California basketball squad to what he calls a workable 17.

Average Weight and Size Deer Show Little Change

LANSING—Deer of the same age class showed little significant change in weight and antler size this year from last year.

In the upper peninsula, deer weighed at locker plants averaged 107.3 pounds this year; last year the average was 102.9 pounds. Antler averaged 2.6 points last year and 2.9 this year.

Where better winter range foods are available in the northern lower peninsula, deer averaged 104.6, slightly better than the 101.2-pound average of last year. Antlers averaged 3.8 points this year and 3.6 last year.

However, in Roscommon Oscoda and Crawford Counties—the area where winter foods are in short supply — the average deer weight dropped from 99.6 pounds last year to 99 pounds average this year. Antler racks remained nearly the same; 2.8 points average last year and 2.9 this year.

In Lake County, another food problem area, Conservation Department biologists did not have enough locker plant information to make a weight comparison. Antlers measured at roadside checking stations, however, showed some increase, from 3.3 points average last year to 3.7 this year.

A possible explanation of the rather numerous field reports of bigger and better bucks this year is that there were noticeably more older bucks in the kill this year in some areas.

License Sales for Game Hunters Up

LANSING—Michigan small game hunting license sales to both residents and nonresidents during the first 11 months of 1955 showed increases over the same period in 1954.

Some 505,000 resident licenses were reported through November 30—a five per cent increase over the 481,000 reported in the same period in 1954. Remittances for nonresident licenses jumped 18 per cent from 4,922 for the 11-month period.

Crying Towel Out of Place

SAN FRANCISCO—If Phil Woolpert moans this season, the University of San Francisco basketball coach should be named Gloomy Gus Guild president.

All the defending National Collegiate Athletic Association champions have back is 6-10 Bill Russell, the All-America center, and K. C. Jones, the guard who handcuffed Philadelphia La Salle's Tom Gola so well in last season's NCAA final.

Jockey Willie Hartack will ride for Calumet Farm at Hialeah this winter.

Big 10 Quints Lose 3 of 4 Non-Leaguers

Michigan Trounced by Oregon 84-71 for 3rd Loss in 5 Games

By THE ASSOCIATED PRESS

Big Ten Basketball teams took a pounding from intersectional foes last night as they dropped three of four games. Teams from Oregon made a clean sweep against two Western Conference clubs.

Northwestern lost its fourth game in a row by losing an 85-81 decision to Oregon and Michigan was trounced by Oregon State, 84-71. The games were played at Corvallis, Ore.

Minnesota was beaten by Kentucky, 72-65, in the Kentucky invitational tournament but Purdue stayed at home and come in triumphant against Butler, 67-50.

It was Purdue's fifth victory in six games.

Ron Jecha, Purdue's leading scorer, was forced to leave the game after the first two minutes because of a jammed knee. Lamar Lundy, Boilermaker football star, took over and scored 24 points to lead the attack.

Despite 27 points by Dick Mast and 26 by Glen Lose, Northwestern blew an eight point halftime lead and was still looking for its first win of the season. Oregon's Max Anderson pumped in 31 points and Jerry Ross added 21 as Oregon won going away.

Although four Michigan players scored in double figures, the Wolverines proved to be no match for Oregon State as they dropped their 3rd decision in 5 games.

Northwestern will take on Oregon State tonight and Michigan will oppose Oregon.

Philadelphia Student Bowls Perfect Score

PHILADELPHIA (INS) — Ted Hoffman, Jr., 15-year-old Roman Catholic high school pupil, rolled a 300 bowling score for the Hi Spot team in the Classic League last night.

Hoffman's perfect score came between tallies of 223 and 201 for a 724 series and he recorded 18 straight strikes over the first and second games.

Tigers Not on Holiday Sales List

DETROIT (AP) — Any ideas you might have had about buying a Tiger for Christmas suffered a setback today. Tigers, at least the Detroit baseball variety, won't be for sale until after the holidays.

* * *

That was the official word as a New York syndicate joined the line of prospective bidders for the highly regarded Detroit franchise in the American League.

Although New York reports said the syndicate, headed by the one-time Chicago Cubs infielder Cy Block, had offered more than two million dollars for the club, the bid was viewed here as a "just looking, thank you" inquiry.

Walter O. (Spike) Briggs Jr., president of the Tigers, received a letter from Block yesterday. He said money wasn't mentioned but that Block asked for information about the club with a view to buying.

The club, which has been in the Briggs family for years, probably will be sold to somebody before the 1956 season opens. Some legal experts say that complications arising from a trust established by Walter Briggs Sr. will force the sale.

Spike would like the club himself. But he failed in one bid early in the fall. A syndicate which he headed offered between 2½ and 3 million dollars. It was turned down.

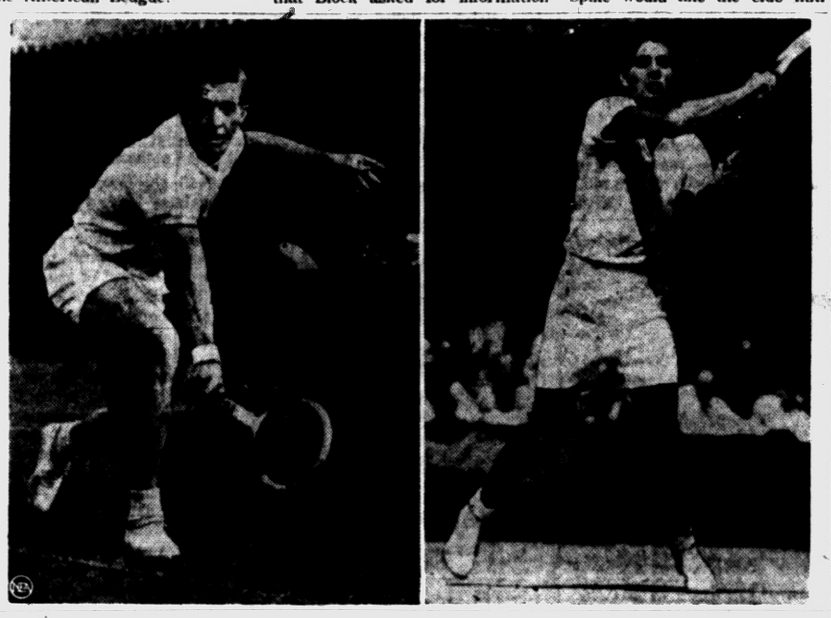

Five men are reported to be associated with Block including Lester Feirfberg, a Boston realtor who said last night:

"I feel this deal is going through very soon."

Briggs said any firm offer from Block's group would be considered, but not until after Jan. 1. Briggs said any others would have to wait until then, too.

Sources close to the club have said they felt the Briggs family would favor a Detroit or Michigan bid if possible. Several Detroit groups are known to have been interested in the purchase. Other prospective buyers have been reported to include James D. Norris, whose family owns the Detroit Red Wings hockey team; Edwin J. Anderson, president of the Detroit Lions football team; Bill Veeck, former Cleveland and St. Louis owner, and a Baltimore and Detroit brewery (National Brewing Co.).

Henry Ford II, president of the Ford Motor Co., originally was reported to be a member of Briggs' syndicate. Then the word was that Ford wanted the club on his own.

LONG HAUL — Tony Trabert, left, and Pancho Gonzales form the feature match of a transcontinental professional tennis tour promoted by Jack Kramer. This is Davis Cupper Trabert's first whirl at the pro game. Gonzales, the peppery Mexican, is a veteran of the tour.

49ers End Quitting Club for Business

SAN FRANCISCO (AP)—Clay Matthews, 220-pound end and defensive captain of the San Francisco 49ers, is quitting the National Football League team to go into business.

The former Georgia Tech athlete announced yesterday he would not return next season.

"I am notifying the front office now because it may alter their draft plans," said Mathews.

The front office is already beset with worries about finding a replacement for former Head Coach Norman (Red) Strader, who was fired Monday.

Buddy Young's Brother

Hendricks (Henry) Young, who figures to be a leading football candidate at Michigan State next season, is a brother of Claude (Buddy) Young, former Illinois star.

Bill Ingram scored 27 touchdowns for the Navy in eight games in 1917.

Gonzales Defeats Trabert to Take 4-2 Series Edge

OAKLAND, Calif. (AP) — Veteran pro Pancho Gonzales, evidently irked by the officiating, steamed over Tony Trabert 4-6, 6-3, 6-2 in a professional tennis match at Oakland Auditorium last night. He now holds a 4-2 lead in the tour.

Some 3,000 fans on hand to watch Promoter Jack Kramer's touring pro troupe frequently booed decisions by the umpire and line calls.

* * *

The 25-year-old blond Trabert started fast and used an effective change of pace to take the first set 6-4, breaking Gonzales' service in the third game.

However, Gonzales bore down to take the second and third sets and win the match. He broke Trabert's serve in the fourth and sixth games of the second set and again in the first and fifth of the third.

Pancho Segura, bow-legged veteran from Ecuador, beat Australian Rex Hartwig 8 games to 3 in the preliminary singles. It was Segura's sixth straight win.

Johnny Bratton Gets Yule Gift

Penn Athletic Group Presents Ex-Welter Champ With Check

SCRANTON, Pa. (AP) — Former welterweight boxing champion Johnny Bratton, now in retirement in Detroit, is getting a $3,000 Christmas present from the Pennsylvania Athletic Commission.

* * *

Commission Chairman James T. Crowley announced yesterday the money would be returned to Bratton. It was held out of a $4,700 purse due Bratton for a fight he lost to another ex-champion, Johnny Saxton, of Philadelphia, in Philadelphia on Feb. 24, 1954.

The forfeit was ordered because of Bratton's performance. But a new commission, brought in by a political change in state administration, ordered the case reopened and a hearing was held Nov. 9.

* * *

Crowley announced the results of the hearing yesterday, saying it was decided "on the basis of testimony of sports writers and other witnesses of the fight" that Bratton was badly beaten because he was "over the hill" and not because of "any effort to deceive the public."

Ex-Titan Poholsky Signs With Cards

DETROIT (INS) — Former University of Detroit pitcher Tom Poholsky has renewed his contract with the St. Louis Cardinals.

Poholsky, a native Detroiter, has been with the National League Club since 1950 except for a hitch in the Army. He won 9 and lost 11 for the seventh place Cardinals last year.

St. Louis General Manager Frank Lane predicted Poholsky would "win 15 games for us next year."

National Loop Flops Look Up

Giants Will Have New Skipper at Helm; New Hitter in Westrum

NEW YORK (AP)—The New York Giants, the flops of the National League last year, will have a new manager in Bill Rigney and a "new" hitter in Wes Westrum when the 1956 season gets under way.

* * *

Westrum, who has been relegated to the bench for weak hitting on and off for the past five years—he hit a paltry .187 in 1954 when the miracle Giants won the World Series—said today he thinks he has learned how to carry his share of the offense.

"I had just gotten myself straightened out with the help of Johnny Mize (the Giants' batting mentor) when I got hurt last July 23," said the former Minnesota football player.

* * *

"Johnny had me hitting right for the first time in my career. I always had good power, but I was always going for the long ball from a wide open stance so I could pull it into the left field stands. That's the way Leo Durocher (the deposed pilot) wanted it.

Seeks to Break Record

Jimmy Oler of Economy, Ind., is out to break his record of 549 points scored last season for Florida State's basketball team. He averaged 20.7 points in his first three games.

AAA

It cost members

$30,000,000 LESS

than they paid for it

Yes, that is correct. This Exchange at the Automobile Club of Michigan has always charged a moderate premium to the members of the Automobile Club of Michigan, yet at the end of the policy year has always returned a part of what the Club member paid. This refund now totals over $30,000,000. Members' insurance cost them $30,000,000 less than they paid for it.

Announce Invitations to Saturday Party

All boys and girls who are members of the YMCA have been invited to a Christmas Party from 9:30 a.m. to noon Saturday morning.

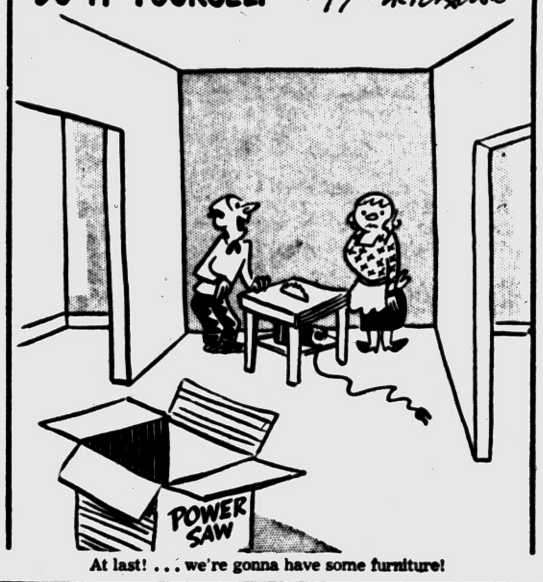

Feature movie will be "The March of the Wooden Soldiers." Christmas carols sung by the whole group and special numbers also will be included in the program, and there will be ice cream, candy and comic books for all the young guests.

More than 200 are expected for the party, according to Morrie Tubergen, YMCA youth director.

They're Everywhere

STANTON Mo. (INS) — Tourists at the 100,000,000-year-old Meramec Caverns can't believe their eyes. There's a post office right at the cave. They're having a field day mailing cards and letters to friends with a cave postmark. Postmaster is Lester B. Dill, cave owner.

Bean Futures Take Spotlight

CHICAGO (AP) — Soybean futures took the spotlight in early Board of Trade dealings today, advancing on active buying by export interests.

* * *

Wheat was lower while corn and oats showed little change. Some brokers showed a tendency to lay off the wheat market temporarily because of the disappointing performance of December wheat, which broke sharply at the close of the last day of trading yesterday.

* * *

Near the end of the first hour wheat was ¼ to ⅞ lower, March $2.07⅛; corn was unchanged to ⅛ higher, March $1.28⅞; oats were unchanged to ⅛ higher, March 65¼; rye was down ¼ to 1 cent, March $1.18¼; soybeans were ¼ to 1⅛ higher, January $2.37⅞, and lard was unchanged to 3 cents a hundred pounds higher, January $10.85.

Aircrafts in Van of Stock Uplift

NEW YORK (AP)—Aircrafts, inspired by heavy defense spending plans, stepped out in front of a rising stock market today in early dealings.

They displayed gains running to around 2 points at the best. The bulk of the list had small fractional gains or losses.

Trading was fast at the start and produced a number of large blocks. Among them were Westinghouse Electric 5,000 shares up ⅜ at 60⅜, General Motors 11,000 off ⅛ at 45½, U.S. Steel 1,500 up ½ at 37⅝, Sperry Rand 4,000 up ⅜ at 27⅜, Boeing 3,000 up ¾ at 78¾, and North American Aviation 1,400 up 1 at 86.

Higher stocks also included Chrysler, Bethlehem Steel, Douglas Aircraft, General Dynamics, Pfizer, Canadian Pacific, Standard Oil (NJ), and Houston Oil.

Yesterday's market was slightly lower with the Associated Press average of 60 stocks off 10 cents at $178.20. A late rally reduced losses considerably. The market had spent most of the day in a depressed condition.

St. Nick Aiding Auditorium Fund by Contributions

Santa Claus continued to be kind to the Pontiac Civic Auditorium fund, as more contributions poured in.

It received a $1,000 General Motors stock certificate made out to the fund and a $60.00 donation from the employes of the Pontiac Lion store yesterday.

Earlier this week, the Mayor received a check for $428.00 from members of Janice Antona's citizenship class at a meeting of the New Citzens' League of Pontiac.

County Deaths

Coran Cofran

WALLED LAKE — Service for Coran Cofran, 68, 3153 Woodlawn, will be held at 2 p.m. Thursday from Richardson-Bird Chapel with burial to follow in Oakland Hills Memorial Gardens. Mr. Cofran died yesterday morning.

Maurice Calderwood

NORTH BRANCH — Service for Maurice Calderwood, 88, will be held at 2 p.m. Thursday at the Blackburn Funeral Home, here. Burial will be in Maple Grove Cemetery, near North Branch. Mr. Calderwood died in his sleep early Monday, at the home of a daughter, Mrs. Ray Ferrier, where he had lived the past five years.

Roger Higgins

LAKE ORION — Graveside service for Roger Chester Higgins, 3-day-old son of Mr. and Mrs. Clarence Higgins, 586 Lake Ave., will be held at 2 p.m. Thursday at White Chapel Babyland. The infant died yesterday.

Charles C. Bissett

LAPEER — Service is pending for Charles C. Bissett, 68, 5090 Lippincott Rd. from Donelson-Johns Funeral Home in Pontiac. Mr. Bissett died today in Lapeer.

Roy Hilliker

BEAVERTON — Service for Roy Hilliker, 65, formerly of Pontiac, will be at 2 p.m. Friday at the Chapel of Flowers, White Chapel Cemetery, with burial there. Mr. Hilliker died yesterday.

Earnings

PHILADELPHIA (INS) — The Pennsylvania Railroad announced November net income of $3,218,650, as compared with $3,862,287 last year. This decline came in the face of a 15 per cent increase in gross revenues to $80,899,072 and was attributed to higher maintenance and transportation expenses. It was the first time in 13 months that the road's net income had fallen below the year ago level. For the 11 months ended Nov. 30, net income amounted to $40,392,808, equal to $3.07 a common share, as against $19,561,323, or $1.49 a common share, in the same period last year.

Special meeting Pontiac Chapter No. 228, O. E. S., Thurs., Dec. 22 at 8 p. m. 18½ E. Lawrence. Edith B. Coons, Secy. —Adv.

News in Brief

Pleading guilty to driving under the influence of liquor, Albert Beitler, 40, of Southfield Township, appeared before Springfield Township Justice Emmett J. Leib yesterday. Failing to pay his $100 fine with $25 costs, he was sent to jail for 45 days.

Arthur Krenz, 29, of 6485 Pontiac Lake Rd., pleaded guilty to drunk driving yesterday before Waterford Township Justice Willis D. LeFurgy. He failed to pay fine of $75 with $25 costs, and was committed to Oakland County Jail for a 60-day sentence.

Lake Orion resident Larry Miller, 18, pleaded guilty to reckless driving yesterday before Pontiac Municipal Judge Cecil McCallum. He was fined $50 with $10 costs, and sentenced to 10 days in jail.

John Lewis, 18, of Waterford Township, appeared before Pontiac Municipal Judge Cecil McCallum yesterday charged with reckless driving. Pleading guilty, he was fined $50 with $10 costs and sentenced to 10 days in Oakland County Jail.

Charged with breaking and entering, 19-year-old Anthony Fernandez pleaded innocent yesterday before Farmington Township Justice Allen C. Ingle. He was bound over to circuit court for appearance Jan. 3, and committed to jail after failing to furnish bond of $10,000.

Walled Lake resident Charles Allen, 35, who pleaded guilty to reckless driving yesterday before West Bloomfield Township Justice Elmer C. Dieterle, paid his fine of $20 with $20 costs.

While his car was parked at a restaurant on Baldwin Ave. yesterday, someone stole four chrome wheel discs from it. Stanley Connon, 3219 Lapeer Rd., told Pontiac Police.

A window of his car was smashed and a $30 coat stolen yesterday, while the car was parked near the Fisher Body factory, Hollie Cox Jr., Commerce Township, reported.

Someone stole two hub caps from his car while it was parked at home yesterday, William Howard, 162 S. Saginaw St., said.

Chrysler's U.S. Output Soars to Record Total

DETROIT (AP) — Chrysler Corp., making a sharp comeback after several years of slumping production, has turned out a record number of vehicles in its U.S. plants this year.

Chrysler President L. L. Colbert, announcing this yesterday, reported the firm manufactured 1,403,748 vehicles in U.S. plants through Dec. 17, surpassing the previous record of 1,395,476 set in 1951.

Injured Rochester Man in 'Only Fair' Condition

Suffering multiple lacerations, possible internal injuries and a possible concussion in an accident at Avon Road and John R yesterday afternoon, 21-year-old Claude Chapman of Rochester was reported in "only fair" condition this morning in Avon Center Hospital.

Romeo State Police said Chapman's car left the road, struck a tree and rolled over. He was unable to make a statement.

Edison Sets Record Power Output Mark

DETROIT (AP) — Detroit Edison Co. said yesterday its electric power output in November totaled 1,145,603,000 kilowatt hours, highest level in the company's history.

The company said this reflected record industrial activity and increasing consumption in homes and business places.

Edison reported net earnings for the 12 months ending Nov. 30 amounted to $26,062,227, or $2.41 a share. This compared with $21,586,127 or $2 on a smaller number of shares outstanding in the same period a year ago.

5:30—(4) Howdy Doody. (7) Mickey Mouse Club. (9) Howdy Doody.

Michigan companies make nearly all of the aspirin used in the United States.

Musical Slated Christmas Eve

Former 'Mr. Peepers' Just Waiting for Work to Come Along

By JOAN HANAUER

NEW YORK (INS) — If you've wondered what happened to Wally Cox after his "Mr. Peepers" went the way of all unsponsored television shows, the answer is very simple.

* * *

"I'm in retirement," Cox said, although he's stepping back into the limelight on Christmas Eve to do the Victor Herbert Musical comedy "Babes in Toyland."

Also scheduled to appear on the NBC-TV show are Dennis Day, Dave Garroway, Jack E. Leonard, Bambi Lynn and Rod Alexander and the Bil and Cora Baird marionettes.

"I'm in retirement," Cox repeated, smiling happily. "I'm living graciously in a charming native pension—I'm not going to tell you where because the last time my address got in print I received thousands of letters from women who wanted to get married. I'm married now, and I don't think it would be quite right.

* * *

"Seriously though, I plan to work when suitable type work is available.

CRIMINAL TYPE

"I'm available for gangster roles, children's parts, psychotics. I'll do elf parts if any come along, although I see myself more as the criminal type.

* * *

"Or maybe as a cowboy," the 130-pound Cox said, with a trace of a twinkle in his eyes.

"I'm not proud—I'll work anywhere, any medium. But I'm an indentured servant to NBC for the next 5½ years. They are committed to supply my bed and board, along with other necessites for my maintenance.

"No sports cars this way, you understand, but I have a very small motorcycle."

* * *

Wally Cox said in more serious tones that he would do whatever came along, or else "sit home and wait." And the sitting home, waiting, doesn't disturb him in the least.

NOT MUCH AWE

"It's my ideal," he explained. "Some actors are emotionally involved with their work, but I've never viewed the theater with much awe.

"I've had other jobs in other lines. Nobody ever sent me a telegram when I worked in a lamp factory, but it was the best job I'd had at that point in my career."

One reason Cox isn't bothered by being "between jobs" is because he doesn't get bored—he has his hobbies.

"I make a little furniture," he said. "I made a day bed recently. It's sort of a chaise fat — a chaise longue built for two with an adjustable back.

* * *

"I have projects that go on forever in a half-finished state. I made our dinner table—it's not finished but we've been using it for two years. Same with the chairs."

Gov. Williams to Spend Family Yule in Lansing

LANSING (AP)— Gov. Williams will spend Christmas at home with his family his mother Mrs. Henry P. Williams of Detroit and his brother Richard E. Williams of Detroit.

The Williams family will open their gifts Christmas Eve and then attend midnight services at St. Paul Episcopal Church.

On honeymoon recently in London were Mr. and Mrs. William Burridge, who left to become the only people living on Jethou, a 44-acre island off Guernsey.

EYE-CATCHERS — These fur masks adorned with jewels were hit of a fashion show in Paris. At left is Persian lamb with jewelled clips and bracelets; center, white mink with turquoise, emeralds, diamonds and rubies; and right, white kaloan with emeralds, sapphires and diamonds.

Russians Invading Ethiopian Market

ADDIS ABABA, Ethiopa (AP) — Russian infiltration of the Ethiopian market appears to be impending.

* * *

The entering wedge was a huge advertisement, by the "Machino-Export" of Moscow, in the local English-language newspaper. It offered a variety of industrial equipment — chemical, metallurgical, cable-making, cellulose and paper-making, electro-technical, electro-thermal and the like.

Ethiopia is predominantly an agricultural country, and much in need of modern farm machinery. Yet no agricultural implements were included in the Russian advertisement.

* * *

So far Ethiopian imports from Russia have been limited to one commodity, vodka.

That's Logic, Now

ROANOKE, Va. (AP)—Six children of the James Beckners had their tonsils and adenoids removed here the same day. "It's cheaper by the dozen, only we didn't have but a half dozen," said Mrs. Ruby Beckner.

Bond Frees Detroiter Charged With Larceny

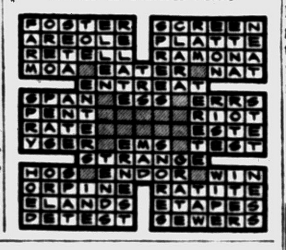

DETROIT (AP) — Gustave Pines, key witness in a 1940 investigation of graft in Wayne County government, was free on bond tod after arraignment on a charge of conspiracy to commit larceny by conversion.

Pines stood mute in Recorder's Court yesterday and Judge Paul E. Krause entered a plea of innocent for him. He was released under $1,000 bond to await examination Jan. 5.

Police accused Pines of selling three fur coats having a total value of more than $5,000 that an operator of a fur store had given him as security for loans.

Pines was named as a co-conspirator in the 1940 graft investigation but was not prosecuted after he testified for the state.

Answer to Previous Puzzle

Belgians Send Tanks to Preparing Arabs

LONDON (AP) — The Foreign Office said today 15 British World War II tanks have been shipped to Egypt by private Belgian dealers despite official efforts to block their export.

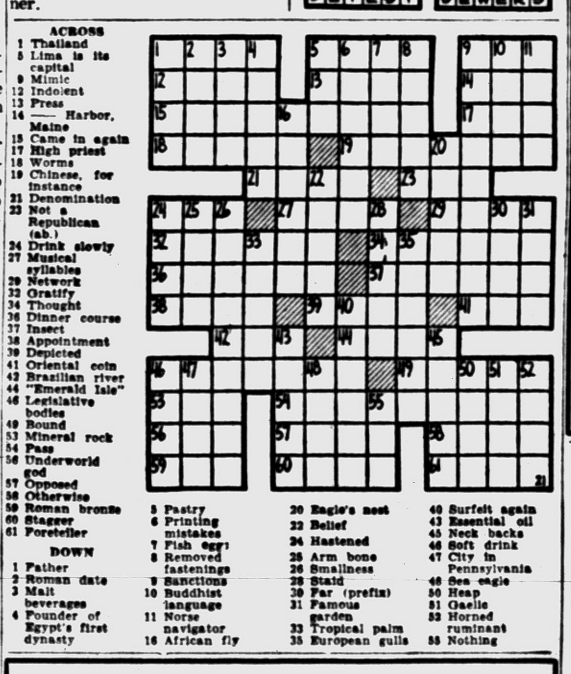

* * *

The tanks were loaded Monday at Antwerp aboard the Egyptian vessel El Khira. They were World War II Valentines and had been reconditioned by a commercial firm in Belgium for military use.

* * *

A Foreign Office spokesman told a news conference the tanks were shipped out of this country as scrap. He said the British government was tightening up its licensing procedures to prevent further unauthorized shipments. He said Britain consulted with the Belgian government with a view to stopping the shipment of tanks, but encountered "legal problems" which made it impossible.

A siesta period that begins daily at noon halts traffic over the boundary between Guatemala and El Salvador for two hours.

Tree Surgeons Busy

NEW YORK—"Tree surgery" is an important sideline of a large electric utility which trims 240,000 trees a year, cuts down 50,000, copes with 8,000 new trees in clearing brush on 100 miles of transmission lines, and deals with 15,000 newly matured trees each year.

Soviet Soon May Be Able to Launch H-Bomb Attack

WASHINGTON (INS) — A key scientific group has warned the government that Russia is fast approaching ability to launch H-bomb attacks that might kill 65 million Americans.

* * *

The warning was coupled with a report by a representative of the group which estimated that adequate civil defense measures could increase survival from 60 to 95 per cent in case of such all-out attacks.

Deep underground shelters, built on a large scale to provide sub-surface garages and traffic-ways in peacetime—with tax concessions to private builders — were recommended as one of the best long-term defensive measures.

The scientists refused to permit use of their names or the identity of their organization.

But a copy of the report laid before the Civil Defense Administration was obtained by INS.

NEAR THE GROUND

The document concludes that "since the thermonuclear (hydrogen) bomb is the most effective weapon of sudden mass destruction, it is assumed that the enemy would rely mainly upon it—using sizes necessary to assure virtually complete destruction of the selected targets."

The report further concludes that "nuclear weapons can be expected to burst near the ground" in order to take advantage of widespread radioactive fall-out.

Such fall-out, it was explained, in the case of low-level explosions, can be lethal over thousands of square miles.

The estimate that possibly 100 million Americans would survive initial nuclear attacks, even in the absence of civil defense, was based on an assumption that Soviet jet bombers and submarine-launched missiles are the immediate danger.

PRINCIPLE THREAT

After the early 1960's, the report said, the 5,000-mile intercontinental ballistics missile (ICBM) may be the "principal threat" against the U. S.

Warheads of the intercontinental missiles will be smaller and will strike with less accuracy than those delivered by manned bombers, according to this estimate. But the missiles' great speeds would reduce warning time to a few minutes.

The report, represented as a "rational basis for making decisions" rather than a prediction of attack, also makes these points:

1. Because of the rapid development of the ICBM, it is necessary to start soon the planning and construction of shelters that will be needed when there will be very little warning time.

* * *

2. Meanwhile, warning systems, evacuation plans and "perimeter" shelters provide some immediate protection and help prepare for the era of the ICBM. Deep, well-stocked shelters able to withstand anything but a direct nuclear hit, are estimated to cost $300 per person, whereas "perimeter" shelters can be built for $20 per person.

3. Food and water supplies in shelters should be sufficient for a week. In the more elaborate types, "artificial atmosphere" (oxygen) sufficient for a week should also be included. Even some World War II bomb attacks and subsequent fires exhausted the oxygen from the atmosphere.

4. The dangers of "detection or defection" make it unlikely that saboteurs would be used to deliver atomic weapons. More attention should be paid to the danger of submarine-launched missiles that could reach cities and many U. S. Strategic Air Command bases.

5. Subsequent nuclear attacks may be expected to be less successful than the first ones. However, it is probable that a nuclear war would be fought with the materials at hand because "there will be a greatly reduced chance of recovering production before the war is over."

Iraq will spend $26,460,000 on housing in the next five years,

PRETTY 'QUEEN' — Genevieve Jolly was voted "Queen of the Catherinette's" in Paris on Saint Catherine's Day, named for patron saint of unmarried girls 25 and over.

GOP Sees Cooper as Kentucky Senator

WASHINGTON (INS) — Ambassador John Sherman Cooper is returning from India next month and will be urged by GOP leaders to give up diplomacy and run again for the Senate in Kentucky next year.

Informed sources said today Cooper's January trip home from New Delhi was arranged at his own request some weeks ago, before the Indian tour of Soviet Leaders Nikolai Bulganin and Nikita Khrushchev.

But both administration political and diplomatic leaders intend to take full advantage of his visit to Washington.

Republican campaign strategists, concerned about regaining Senate control in 1956, want the former Kentucky Senator to try for the seat of Democratic Sen. Earle C. Clements, acting majority leader.

They regard Cooper as their strongest possible candidate.

strongest possible candidate.

* * *

State department officials also are anxious to consult with Cooper on the highly publicized Soviet visit and to get his impressions of its net effect on Indian-American relations.

Detroit Buses to Take Tipsy Revelers to Home

DETROIT (AP)—The City of Detroit is offering a special service to New Year's eve revelers who don't trust themselves at the wheel of their autos.

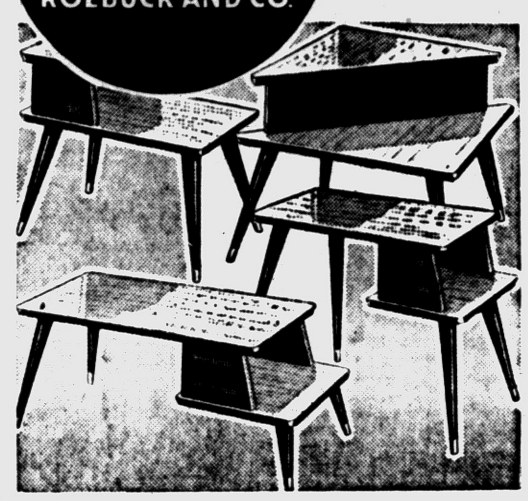

For that one night the Detroit Street Railway Commission authorized its bus drivers to go as far as two blocks off their regular routes to drop off passengers at their homes.

Cost of administering the free health services in Northern Ireland in 1954-55 was $8.25 per person.
