New & Improved DynaMed App!

DynaMed, one of the library's best resources for evidence-based clinical information, has just released a new version of their app with a much easier activation process!

1. Download the free DynaMed App from the iTunes Store or Google Play.
2. Access **DynaMed** from the Medical Library website by going to Find > Databases > DynaMed
3. Click Mobile on the top navigation toolbar and enter your email address. You will be emailed an activation code.
4. Open the email on your mobile device.
5. Click the link in the email to activate the app (*must be done within 48 hours or you will have to request a new activation code*).

If you have any questions or problems downloading the app, please contact us at medref@oakland.edu
