

Ike Wants Probe Continued

U.S., France Seen Working on Asian Pact

Hold Secret Parleys Without Waiting for OK by Britain

GENEVA (AP) — France and the United States were reported pushing plans today for a Southeast Asia defense pact, without waiting for Britain to approve, as the conference deadlock on Indochina tightened another notch.

A source close to French Foreign Minister Georges Bidault said secret French-American talks which have been going on in Washington, Paris and Geneva the past few days would continue regardless of how the Geneva parley progressed.

Here in Geneva, the nine-nation Indochina peace talks were reported stalemated over Western demands that Communist forces withdraw immediately from Laos and Cambodia. One Western informant said no progress had been made on this or any other points since the closed-door sessions began two days ago.

Another secret session on Indochina was scheduled today. Informed sources said a fourth may be held tomorrow, but that the thorny problem then probably would be laid aside until next week.

In view of this stalemate, a French source said, France and the United States had agreed to go ahead with plans for an Asian defense pact without awaiting British approval. The British contend such negotiations should await the outcome of the Geneva conference.

The French oppose the delay. They fear the Communists may try to keep the conference enmeshed in endless debate while the Vietnam build up strength to mount a massive attack on the strategic Red River delta. When that happens, France wants to have her allies ready to fight without delay.

Britain reportedly has agreed, however, to open military staff conferences soon on Southeast Asia with the United States, France and other Allied nations.

U.S. Treasurer Out of Money on Chicago Visit

CHICAGO (INS) — Mrs. Ivy Baker Priest, treasurer of the United States, ran out of cash in Chicago.

She had planned to fly to Detroit in order to fulfill a speaking engagement but when her flight was delayed by bad weather she went to Dearborn Station yesterday to buy a train ticket.

"I haven't got any cash," she explained to the ticket agent, "here's my personal check."

The ticket agent looked at her signature and shook his head. "I just can't believe it," he said.

"Compare the name on a dollar bill with the signature on the check," Mrs. Priest pleaded.

The ticket agent couldn't be swayed, even though she showed him a pile of government identification cards.

Finally, a friend of the treasurer of the United States cashed her check and she bought the train ticket.

Farmers' Market Contracts Let

Awards Total \$78,734 for Building to Go Up on Pontiac Lake Road

Contracts for a new \$78,734 Oakland County farmers' market near Pontiac were awarded when the county Board of Supervisors met this morning.

The board called off its earlier action limiting the cost of the new market to \$65,000. Harry W. Horton, buildings and grounds committee chairman, said there is more than \$77,000 in the market fund now and he thinks there will be more money "before it's time to pay the cost in full."

The markets committee, headed by Norman R. Barnard, and Horton's group suggested contractors.

Highland Builders Inc. was given a \$59,990 contract to build a year-round market building and roofed summer shed. Stanley B. Jones got the \$14,995 contract to grade and improve the market land on Pontiac Lake road near Telegraph. Both were low bidders. Engineers' fees make up the rest of the total cost.

Pontiac area farmers have been (Continued on Page 2, Col. 3)

Red Arms Sent Into Guatemala a Worry to Ike

Views It as 'Terrible' If Commies Get Post on This Continent

WASHINGTON (AP) — President Eisenhower, commenting on shipment of arms from Red Poland to Guatemala, said today it would be a terrible thing if a Communist dictatorship were established on this continent.

Eisenhower made the statement at a news conference.

The President was questioned with relation to the State Department announcement Monday night that quantities of arms have been shipped to Guatemala from the port of Stettin in Communist Poland.

Eisenhower called that disturbing, and added that the situation highlighted the reasons why an anti-Communist resolution recently was adopted at the Inter-American Conference in Caracas.

Then he said that to have a Communist dictatorship established as an outpost on this continent would be a terrible thing.

On other subjects the President had this to say:

Segregation—In a response to a question, the President said he has not the slightest advice for the South on how to carry out the Supreme Court decision holding that segregation of whites and Negroes in public schools is unconstitutional.

The President added, however, that he has sworn to uphold the Constitution and that he intends to do just that.

Asked whether the court decision may have placed his administration on a political hot spot because the ruling was handed down during the regime of the Republicans, the President shot back that the Supreme Court is not under any administration.

The President also was asked whether the court ruling might alienate some of his personal political supporters in the South. His (Continued on Page 2, Col. 5)

British Royal Pair Home After Long Journey

Suspect Eludes Police Search

Officer Fires Warning Shot at Man Seen in Downtown Auto Lot

A suspected auto parts thief ignored a warning shot and eluded police early today in a chase through downtown Pontiac.

Pontiac Patrolman A. W. Foster said he heard suspicious noises coming from a parking lot as he was checking Casé avenue south of Pike street at about 1:50 a.m.

As he circled the lot, Foster said he saw a man running toward Casé. When the suspect ignored an order to halt, Foster fired a warning shot over his head but the man disappeared around the corner of a side street.

Hailing a nearby cab, the patrolman used the taxi radio to request help.

While Foster and three other officers searched the area, Wilson Valley, Grand Trunk Railroad detective, reported a suspicious car parked unattended near the railway tracks. He said the motor was still warm.

A check of the registration led police to the home of Edward W. Smith, 21, of 19 Elizabeth St. Smith is being held in connection with the investigation.

Police said several cars in the lot apparently had been tampered with.

World Unrest Boosts Value of Newspapers

LANSING (U) — The present unrest in the world is causing readers to depend more and more on their newspapers, delegates to the Michigan Press Assn. meeting at Lansing were told Tuesday.

Al Munroe, promotion manager of the Detroit Times, told the more than 50 circulation managers "the public is losing its zeal for television and spending more time reading newspapers."

"They realize that the present unrest and its sinister possibilities make it more and more important to keep touch with what's going on," he said.

Vietminh to Free Nurse Captured at Dien Bien Phu

GENEVA (INS) — The Vietminh rebels announced today they would release Genevieve de Galard-Terraube, the heroic French nurse who was the only woman captured in the fall of Dien Bien Phu.

Informed of the announcement by the Vietminh delegation to the Geneva Conference, the nurse's mother, Vicomtesse de Galard-Terraube, told International News Service in Paris: "I am very happy. That's wonderful news."

The Vietminh announcement was first telephoned to a French newspaperman covering the Geneva Conference, then released as a formal statement.

Vicomtesse de Galard-Terraube disclosed that the reporter—a relative of Genevieve—had promised her he would see the Communist delegation and do everything possible to obtain freedom for the 29-year-old nurse. The vicomtesse said:

"I don't want to give his (the newspaperman's) name. It is up to him to give it."

It was learned that Hector Galard, a cousin of the nurse and a well-known correspondent for the left-wing "L'Observateur de Paris" weekly, contacted Vietminh delegates yesterday and was informed early today of the decision to release the nurse.

A Vietminh spokesman said the decision to release Mlle. De Galard-Terraube was made by the Vietminh High Command in Indochina.

The first announcement gave no indication as to when the nurse would be repatriated. She reportedly is still at Dien Bien Phu caring for the French Union wounded.

Headhunters Kill Huks

MANILA (U) — Arrow-shooting Ilongot headhunters in the Nueva Ecija Mountains north of Manila today were reported to have killed nine Communist Huk rebels who abused an Ilongot woman.

City Asks Time on PHA Housing

Hopes Owners of Land Might Buy 2 Projects, Bring Up to Standard

Pontiac City Commission last night passed a resolution requesting the Public Housing Administration to grant a year's extension for families being evicted from the federal wartime housing developments here.

Last June, the government said it would abandon the Crystal Beach and Parkway projects and asked residents to move by June 30 this year.

The projects were built in 1944 as an emergency measure on land not owned by the government. They were to be torn down or removed from the site after the war, with the land reverting to its former owners.

If the landowners wished to buy the units and bring them up to standard they could be kept on the site, according to City Attorney William A. Ewart.

The resolution passed last night, according to Commissioner Roy V. Cooley, will inform the PHA that if the buildings are brought to standard they will be acceptable as permanent city residences.

The PHA, Dr. Cooley said, had promised that if such a resolution were passed it would "explore the possibility of disposing of the housing to the landowners for continued use . . ."

If the landowners don't take charge and bring the buildings to standard, they still must be re- (Continued on Page 2, Col. 3)

But President Won't Rescind Secrecy Order

Believes McCarthy vs. Army Hearings Should Be Complete

WASHINGTON (UP) — Army Secretary Robert T. Stevens said today that the "Army alone" is responsible for its charges against Sen. Joseph R. McCarthy.

"At no time did the Army or I as its secretary receive any orders from anyone in respect to the preparation or presentation of the Army's case," Stevens said.

WASHINGTON (INS) — President Eisenhower declared emphatically today that the McCarthy-Army hearings should continue until all the facts are out—let the chips fall where they may.

The President told a news conference, however, that he has no intention whatsoever of relaxing or rescinding his order barring administration officials from testifying on confidential matters at the hearing.

The chief executive declared heatedly that it would not be correct to say that the White House directed and approved the Army charges that Sen. Joseph R. McCarthy (R-Wis.), Roy M. Cohn and Francis P. Carr brought improper pressure on behalf of Pvt. G. David Schine.

Cohn is chief counsel and Carr staff director of McCarthy's investigating subcommittee.

Eisenhower, speaking with great intensity, said he does not think the facts have been brought out in the hearings, which are in recess until Monday.

He added that we should get the facts out—let the chips fall where they may—and then go on about (Continued on Page 2, Col. 4)

Workers, Spectators Flee Refinery Blast

RUNNING FOR THEIR LIVES—Workers, firemen and spectators flee for their lives as the last in a series of explosions erupts at the Rothchild Oil Company refinery in Santa Fe Springs, Calif. Two workers were injured in the explosions which could be heard five miles away. Damage estimates ran as high as \$3,000,000 with more than 1,000,000 gallons of petroleum consumed in the explosions and fire which followed.

Willman Reports on City Projects

A progress report on local municipal projects was presented last night to Pontiac City Commission by City Manager Walter K. Willman.

Two of the three water wells near the Hawthorne School have been completed, said Willman, and a 12-inch connecting water main laid.

"It is expected," he said, "that the water development program will be WILLMAN completed by June 15, and in service." The three Hawthorne wells are expected to yield at least 2,700,000 gallons per day.

"Grading on the (municipal)

parking lot is practically finished," Willman stated. "The parking meters have been ordered and (their installation) will be started as rapidly as the settlement of the R.H. permits."

Commissioners last night authorized Willman to finish the parking lot on about two acres of land at the northwest corner of E. Pike and Parke Sts.

Willman estimated that the total cost of paving the lot, marking it and installing meters will be \$40,000.

His estimate didn't include work which may be done to provide short-term parking on the former County-City Market at 40 Mill St., now owned by the city.

With completion of the footings for the new branch library at Glenwood Ave. and E. Russell St., "the construction is now

coming up out of the ground," said Willman.

Other progress detailed by Willman included:

"About 40 per cent of the stone has been laid on the new city hall and work is progressing satisfactorily." Commissioners discussed the possibility of holding a

cornerstone-laying ceremony for the new municipal building on Flag Day, June 14. No decision was made.

The Paddock street bridge will be completed shortly with the construction of a railing. Traffic probably will be moving over it within two weeks.

After the bridge is completed, the street approaches on both sides must still be paved. But the paving can't be done until the recently graded approaches have settled.

Traffic will be allowed over the bridge in the time between its completion and when paving can be done. Then the bridge will be closed again for a few days.

"The Diston street bridge has been completed, accepted and paid

for, and we will soon start work on the approaches, and the opening up of Diston to Bagley."

Recapping and the smoothing of curves on Walton has started. The blacktopping of streets scheduled for this year began Monday.

Sewers are being built on First avenue, Harrison street and Oakland avenue. Curb and gutter is under construction on California avenue and First.

Additional new stoves and tables have been installed in several city parks and four parks will open Saturday.

Several new traffic signals will be installed as soon as equipment arrives.

"We are cleaning up a few details in connection with the sewage plant expansion and this job then will be ready for a final estimate," stated Willman.

Company president Mrs. Lucile G. Cornell said she told union officers that drivers of the cabs signed leases for the vehicles and therefore weren't employees.

The union countered her claim by saying the leases only enabled company officers to dodge the responsibilities of employers and that a labor dispute existed.

Holdup Man Asked for It; Cabbie Dished It Out

DETROIT (INS) — A holdup man today told Detroit cab driver Harry Lovene, 50, "Let's have it," and he promptly got it.

Lovene lashed him across the face with a lug wrench and the fug ran away.

35 Million Will Pay, Won't File

Easier Income Tax Plan Ready for Congress' OK

WASHINGTON (INS)—Government officials disclosed today that work has been completed on a plan to relieve 35 million of the nation's 60 million taxpayers of the necessity of filing federal income tax returns.

Officials said the plan will be presented to the House Ways and Means Committee as soon as the tax-writing group is ready to receive it.

Presumably, this will be after the committee acts on the administration bill to expand the Social Security system, which it is now considering.

Internal Revenue Commissioner T. Coleman Andrews is greatly interested in the new system, and hopes to get it enacted into law at the present session of Congress. However, an agreement reportedly has been reached to give the Social Security bill the right of way.

Although full details are being withheld, officials said basic facts of the new plan are:

1. It would exempt from filing income tax returns those persons whose incomes from salaries and wages are not more than \$3,000 a year. However, it would be voluntary, and would apply only to those who had no appreciable income other than their salaries and wages.

2. Persons affected would supply their employers with only a

little more information than they do now.

On the basis of this information, the Internal Revenue service would make out returns for these taxpayers. The returns would be sent to them for verification.

Andrews and his aides are said to feel that the new system not only is workable, but will have tremendous advantages to the government, employers and the taxpayers.

It will mean a savings estimated at 25 million dollars a year which Andrews would like to be able to apply to better enforcement of the income tax laws to recover the large sum now slipping through the government's fingers. Some experts say this would run well over the billion dollar mark.

Ft. Monomouth Official Retiring

Chief Intelligent Officer Praised by McCarthy; Suffered Heart Attack

EATONTOWN, N. J. (AP) — The Army's chief intelligence officer at Ft. Monmouth, which has been the target of a probe by Sen. McCarthy's Senate Investigations subcommittee, has applied for retirement on health grounds.

Andrew J. Reid, 54, of Eatontown, has been in the civilian post since 1946. He said he suffered a heart attack Dec. 27 and has not been back on the job since. He said last night he applied for retirement April 6.

Reid was praised by McCarthy for doing a good job at Ft. Monmouth. The intelligence agent had testified before the subcommittee in Washington Dec. 9.

McCarthy claimed an espionage ring operated at the supersecret radar laboratories in the fort. A loyalty-security check there resulted in the suspension of 35 civilian employees, some of whom were later reinstated. Secretary of the Army Robert Stevens said there was no record of current espionage there.

Man Is Held in Attempt to Pry Open Poor Box

LONG BEACH, Calif. (AP) — The Rev. Thomas Foley of St. Barnabas Catholic Church stepped into the vestibule yesterday in time to see a man prying open the poor box with a screw driver.

He rebuked the intruder, took him to the church office and called police.

Officers booked Peter Baradovich, 26, an unemployed transient, on suspicion of robbery.

Woman, 106, Dies

LOS ANGELES (AP) — Mrs. Barbara Pinet, 106, who said she served sandwiches at Columbia, Pa., to Union soldiers on the way to the Battle of Gettysburg, died yesterday.

FROM THE SKYWAYS TO THE HIGHWAYS! Phillips is the first to bring you a gasoline with the added super aviation fuel component—Di-isopropyl (pronounced di-iso-pro-pull)—a Phillips exclusive developed originally for highest powered military aircraft.

EXCLUSIVE! PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

More power! More miles per gallon! Smoothness that matches the high octane requirements of modern automobiles! You get all this in new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Phillips was the first to make Di-isopropyl and HF Alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U.S. Government to high performance aviation gasoline. Now authorities have removed restrictions, and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL.

New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from cold stalling... plus famous Phillips 66 controlled volatility. And thanks to the clean burning qualities of Phillips 66 FLITE-FUEL, you don't need a special additive to combat spark plug fouling.

Let your car's performance tell the story. Phillips 66 FLITE-FUEL is waiting for you at any station displaying the orange and black Phillips 66 Shield.

Burglars Hit Three Pontiac Businesses

Thieves broke into three business places last night and stole \$20 and articles valued at \$25, according to Pontiac Police.

The money was taken from a gas station at 446 N. Perry St. where an undetermined amount of cigarettes and money also was taken from vending machines. Entry was gained through an unlocked rear window.

A poolroom at 722 Glenwood Ave. was ransacked, police said, and cigarettes and lighters, playing cards and tools were taken.

Nothing has been determined missing from the G. A. Blaylock Coal and Builder Supply Co., 81 Orchard Lake Ave., where entry also was made by breaking a rear window. The company's open safe and desk drawers were ransacked.

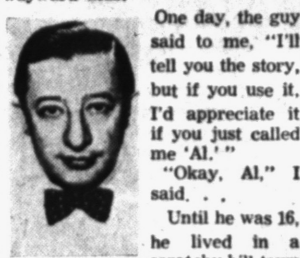

John Quincy Adams was nicknamed the "Accidental President" because he received 13 of 24 electoral votes cast and many felt this majority of one was an accident.

Pitching Horseshoes

\$500 Youth Investment Brings \$500,000 Return

By BILLY ROSE

A man I know has a mighty fine hobby—the rehabilitation of wayward kids.

One day, the guy said to me, "I'll tell you the story, but if you use it, I'd appreciate it if you just called me 'Al.'"

"Okay, Al," I said. . . . Until he was 16, he lived in a scratchy hill town, a few miles from Poughkeepsie, and for most of those 16 years he was pretty much on his own.

By the time he put on his first pair of longies, he was something of a bum, full of swagger and tough talk, and interested only in getting to that Mecca of Malcontents, New York, N. Y.

Al worked after school for the local grocer, and one of his chores was to drop off a box of groceries every Friday at the cottage of a retired postman named Pendleton who lived a mile or so out of town.

One day Al heard something about Pendleton that set him to thinking.

According to gossip, the ex-postman had no faith in banks and refused to open an account, even

though he had recently cashed a \$4,000 insurance check.

For the next couple of days Al did little else but think about that money—about where it might be and all the things he could do with it in New York.

That Friday, when he made his usual delivery, there was a sign on Pendleton's unlocked door reading, "Leave groceries inside. Out fishing. Be back later."

Al lugged the box around to the kitchen, and then started poking around for the \$4,000.

He didn't exactly like himself for what he was doing, but that didn't stop him. After ransacking the cottage, high, low and in the middle, he couldn't find a dollar of the hidden money.

As Al was about to give up, he heard the back door slam. Evidently the fish hadn't been biting or something.

There was no place for Al to hide, and so, in a sick panic, he grabbed a shotgun from a rack in the corner, found a shell, loaded the gun, and pointed it at Pendleton as he came into the room.

"I want that four thousand," said Al, trying to sound hard and tough. The old postman looked surprised, then he chuckled. "You're the grocery boy, ain't ya?" he said. "What's got you so desperate, young fella?"

"Don't 'fella me," said Al. "I'm gonna count three and then let you have it."

"One, two, three," said Pendleton, not at all disturbed. "Look here, son. It so happens I know a little something about you. You've had a pretty raw deal, and I don't blame you for feeling sore about it. Now, let's see what ought to be done."

For the next quarter-hour, the old man talked to the youngster quietly, agreeing here, chiding there, but mostly sympathizing. Finally he said, "Put the gun down, Al. It's a twelve-gauge, and your arm must be getting tired. Now, if it's New York you want to go to, why, it seems I know some folks down there."

Al set the gun down and blew his nose to get rid of the tears. "How'd you know I wouldn't shoot?" he said.

"That gun is a beat-up antique," said the postman. "Even if it was loaded, and you'd pulled the trigger, it'd probably have exploded in your face. And that would have hurt me almost as much as it hurt you."

The old man broke the gun open, took out the shell and stuck his pinky into the cartridge chamber. A few seconds later, he fished out four rolled-up bills, each with three zeros on it. . . .

"That about winds up the story,"

said Al. "Next morning the postman staked me to five hundred dollars, and put me on a train for New York."

"Did you ever pay him back?" I said.

"Never got the chance," said Al. "By the time I had the five hundred, Pendleton had died."

"From what I've heard," I said, "you've spent about five hundred thousand repaying the loan so far."

"Yes," said the printer, "that's about what I've spent on wayward kids. And that makes me fifty per cent paid up. You see, as I figure it, the day the old man handed me the five hundred it was worth, at the very least, a million dollars."

What's a HILL to POWER like this?

You've climbed hills before, we know. You've come to many a long rise in the road ahead and tramped down on the gas pedal to make the grade. But did you ever head a ROADMASTER up a hill—a 1954 ROADMASTER? You seem to sail when you touch off the great V8 power that gives life to this finest of Buicks. You move ahead and up that long steep

pull in a silken, smooth sweep of almost effortless ease—and the thrill your spirits get from such magnificent ability is a precious thing.

And you realize, of course, that a wealth of advanced high-compression V8 power—the highest horsepower in all Buick history, in fact—is the heart of this stirring performance.

But you also realize soon enough that your tremendous satisfaction at the wheel of a ROADMASTER comes from more than great power alone.

It comes from the instant response and absolute smoothness of Twin-Turbine Dynaflo.

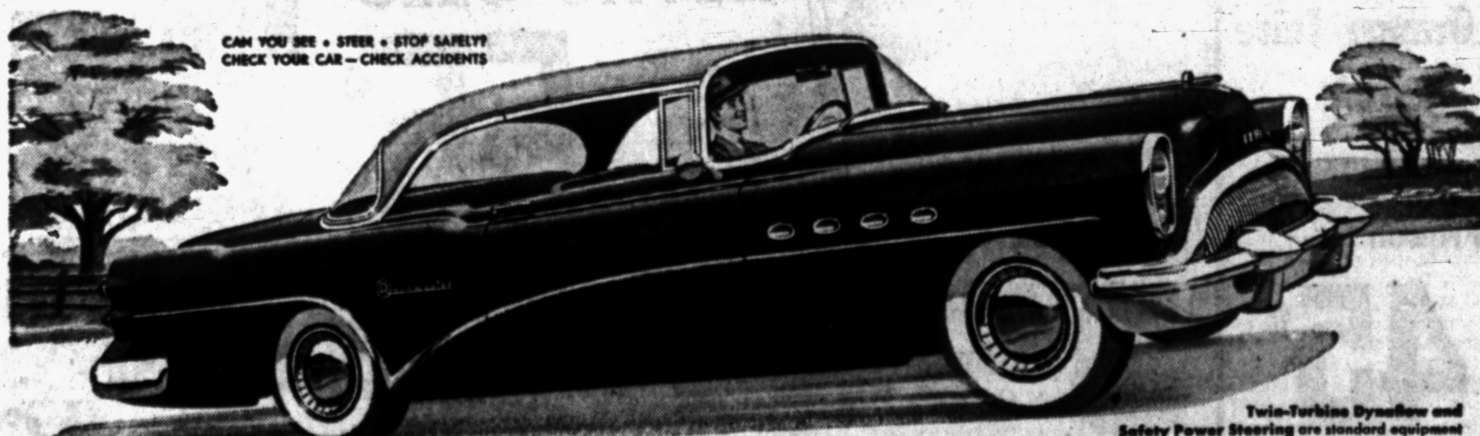

It comes from the velvety luxury of your all-coil-spring ride. It comes from the

superb ease of Safety Power Steering. It comes from the comforting feel of ample roadweight—brought to feather-light handling precision by a new geometry in front-end engineering.

And very definitely, it comes from the eye-catching beauty in which you travel—the look-of-tomorrow styling that graces ROADMASTER today—and with the spectacular new panoramic windshield that is fast becoming the mark of true automobile modernity.

We'll be delighted to seat you at the wheel of a new ROADMASTER—so that you can drive it, try it, feel it.

It costs you nothing to do so—and it can open your eyes to the finest buy in fine cars today. Drop in, or call us this week.

CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS

BUICK SALES ARE SOARING!

Latest figures for the first quarter of 1954 show Buick now outselling every other car in America except two of the so-called "low-price three." Better look into Buick if you want the beauty and the buy of the year.

ROADMASTER
Custom Built by BUICK

Twin-Turbine Dynaflo and Safety Power Steering are standard equipment at no extra cost on every 1954 Buick ROADMASTER. Illustrated is the stunning Riviera "hardtop" model.

COUNTRY ATMOSPHERE—Trying to decide what prices to tack on some of the items which will be sold at the country store booth at the Four Towns School Carnival Saturday are Mrs. Howard Lamb of 1536 Wilmet, Union Lake, chairman of the event; Mrs. Harry Garretson of 1555 Bay View, Pontiac, her assistant, and Mrs. Harold Knisley, of 1555 Marylestone Dr., Pontiac, PTA president. Items on sale have been donated by local merchants. Sponsored by the Four Towns PTA, the carnival is the only money-raising project of the year and will be held from 2 to 8 p. m. Featured along with many booths and attractions will be a snack bar. Door prizes will also be awarded.

Better Weather Heralded

Michigan Farmers Make Good Progress With Crops

LANSING (U) — Michigan farmers made good progress with their crops last week, the Federal-State Crop Reporting Service said today. The cold, wet weather that had prevailed since the first of May was finally ended and farmers were taking advantage of the better conditions for field work.

All previously seeded crops were starting to grow rapidly.

Out planting progressed at a rapid rate following the change in

the weather. Most Lower Peninsula counties were more than half through planting and good progress also was reported from northern areas.

If the good weather continued, most oats and barley were expected to be planted by the end of the week.

Sugar beet planting also made good progress. Most early potatoes were planted but growth was slow due to the poor start.

Corn planting was started as far north as the northern part of the Lower Peninsula.

Truck farmers were catching up with their planting after being behind schedule because of the poor weather. The asparagus harvest was picking up after several days of little activity. Some green onions and radishes were being harvested.

Strawberries were blooming in the southern portion of the state although buds and early blossoms were killed by freezing temperatures in southwestern Michigan the night of May 9. Irrigated fields in the area escaped with little damage.

Apples were in bloom in the southern portion of the state and other fruits were at the petal fall stage. In the northwest fruit area, fruit was in a later stage of development with sweet cherries just beginning to bloom.

List Prizes to Be Given at CAI Fair

WATERFORD TOWNSHIP — An electric range, electric iron, and five-horsepower outboard motor have been revealed as the top prizes to be awarded during the CAI Fair July 23, 24, 25.

Entrants in the fair queen contest should contact Mrs. George Dean to arrange for pictures of themselves before the contest.

Contestants must be between 15 and 21 years old, and unmarried. No former queen is eligible for the competition, which awards a week long expense paid vacation for two at a Gaylord resort.

Teacher to Address PTA in Waterford

WATERFORD TOWNSHIP — Mrs. Marilyn Marshall, teacher of home-bound children in southern Oakland County will speak at the 8 p. m. meeting of the Waterford Center PTA tomorrow at the school.

Mrs. Marshall will explain her work with exceptional children.

The Waterford Township High School recreational director will speak on "Vacations Are Wonderful for Learning" and new officers will be installed.

Girl Scout Leaders Club Elects New President

WATERFORD TOWNSHIP — Mrs. James McBrearty was elected president of the Girl Scout Leaders Club Monday night.

Mrs. Leonard Methner is vice president, Mrs. Edward Shields, secretary, and Mrs. Norman Wiley, treasurer.

Conducting the workshop on uniforms and insignia was Mrs. Warren Allen. Mrs. E. J. Lally instructed block printing. The next meeting will be a potluck luncheon June 14 at the home of Mrs. Lloyd Porter.

Covert WSCS Installs Newly Elected Officers

WATERFORD TOWNSHIP — Newly elected officers of the WSCS of Covert Methodist Church recently installed were Mrs. Verlin Reed, president; Mrs. Harold Wright, vice president; Mrs. Clarence Passmore, secretary, and Mrs. Charles Laidler, committee secretary.

A fellowship tea honoring new members followed the meeting.

Clarkston OKs 1954-55 Budget

Appropriations Reveal \$1,600 Increase Over Last Year

CLARKSTON — Registering an increase of approximately \$1,600 over last year's budget, the 1954-55 village budget was approved by the Clarkston Village Trustees at a special meeting Monday night.

The budget totals \$22,956 and includes provisions for two new items, according to Village President Russell Colton.

"The new budget will not necessitate any increase in the local tax rate of 5.5 mills, as only \$5,500 will be raised by local taxes," Colton said.

He added that this is the same amount that has been raised each year for the past nine years.

Provided for in the budget is \$3,500 for inaugurating a tree trimming and repairing program and a sidewalk replacing project.

In order to rid the village of the Box Elder bug, the trustees authorized the removal of 30 box elder trees in the northeast section.

1954 Valedictorian Named at Romeo

ROMEO — Frances Moran, 18, has been named Romeo High School valedictorian for 1954, with a 3.8 honor point average out of a possible 4.0.

Named salutatorian was Barbara Matt, 17, with a 3.7 average.

Frances, the daughter of Dr. and Mrs. Frank Moran of 221 W. St. Clair St., is a member of the French Club and the Girls Athletic Assn. She plans to take a pre-medicine course in college.

A recent winner of a two-year scholarship at Michigan State Normal College, Barbara is the daughter of Mr. and Mrs. Alderik Matt of 67255 Van Dyke.

She plans to become a teacher.

High School Principal Harold Barr has announced that commencement exercises will be held June 11 at 8 p. m. in the high school auditorium.

Friday, a final one-day center will be set up at West Bloomfield Town Hall, 4480 Orchard, from 9:30 to 4:30.

The program is sponsored by the Birmingham Junior League in cooperation with health and education authorities.

It uses the Stollen test to screen out children with faulty vision. Children are referred to the family eye doctor for diagnosis and treatment where the need is indicated.

150 Attend Service

Couple Wed in Ceremony at Orchard Lake Church

ORCHARD LAKE—With 150 guests attending, matrimonial vows were exchanged by Ruth Beverly Winters of Orchard Lake and Cecil J. Hanes of Keego Harbor in Orchard Lake Community Church Saturday.

The bride is the daughter of Mr. and Mrs. Charles Winters of 3541 Shady Beach Blvd., and the bridegroom is the son of Mr. and Mrs. Harry Hanes of 2348 Pine Lake Ave., Keego Harbor.

The bride's sister, Evelyn, served as maid of honor, while Nelson O'Shaughnessy of Keego Harbor was best man. Ushers were Leo Hanes, a brother of the bridegroom, and Harry Laidlaw Jr. Both are from Keego Harbor.

For the ceremony, the bride chose an Italian ivory silk satin wedding gown. The softly draped bodice was accented by three-quarter length sleeves and a V-neckline.

A small cap trimmed with tiny seed pearls held her fingertip veil and she carried a bouquet of white carnations centered with white roses.

After a reception in Knights of Pythias Hall, the couple left for a New York honeymoon. Upon their return, they will live at 5587 Sycamore Ct., Green Lake.

Word Received of Death of Minister in Florida

ROCHESTER — Word has been received here of the death of Arthur Sales, a local minister of the Methodist Church, in Largo, Fla., last Thursday.

Mr. Sales was a Rochester resident for 10 years and conducted many services at St. Paul Methodist Church. For several years he was an accountant with the Rochester Marine Specialties Co.

Surviving are his widow, a son, John of Detroit; a step-daughter, Mrs. George F. Hartwig of Rochester, and two grandchildren.

Burial was in Largo, where he has lived for the past two years.

Gromek Wins 7th, House Extends Hitting Streak

By JOE FALLS
DETROIT (AP) — Detroit Tigers' Steve Gromek matched his entire 1953 victory total, Tuesday he became the major league's first seven-game winner Tuesday, breezing to an 8-3 victory over the slumping Philadelphia Athletics.

The surprising 33-year-old right-hander, who has lost only once this season, spaced six hits in sending the A's down to their fifth straight defeat and 11th in their last 12 games.

The Tigers backed Gromek with a 14-hit attack including rookie Frank Bolling's two-run homer.

Detroit catcher Frank House collected a single and double to extend his hitting streak to 13 games, and Ray Boone connected for three singles.

This hitting raised House's batting average to .371 and Boone's to .355. House was hitting a feeble

record with the Tigers after registering a 1-1 mark with the Indians.

MAJORS' FIRST 7-GAME WINNER—Detroit Tigers pitcher Steve Gromek comes in for a little clubhouse horse play from 3rd baseman Ray Boone (left) and catcher Frank House (right) after Gromek matched his entire 1953 victory total. Tuesday he became the major leagues' 1st 7-game winner, breezing to an 8-3 victory over the slump-ridden Philadelphia Athletics.

Romeo Favorite in 3-C Finale

By JACK SAYLOR
Tri-County high school league closes its long and historic life today with the conducting of the 27th track and field championships on the Oxford track.

Football competition was ended in 1952, but the five member schools (Rochester, Romeo, Oxford, Lake Orion and Lapeer) elected to play a basketball schedule last winter and finish with Wednesday's track meet.

Preliminaries in running events will start at 4 p. m., along with the shot put and pole vault. High jump and broad jump competition and running finals will start at 7 p. m.

Romeo is a strong favorite to win its 3rd straight championship,

but the meet probably will be the closest it has been in several years. Oxford, Rochester and Lapeer all figure to challenge the Bulldogs.

Close competition threatens 10 of the 13 records, including some that have been on the books for many years.

Heading the Romeo cast are hurdler Dick Marshall, sprinter-broad jumper Bernie Carter and field event man Jim Lothery.

Rochester standouts are sprinter Paul Delaire and Gil Witsoe in the 440 and high jump. Oxford has Duane Wilkey in the half-mile. Fred Gingell in the mile and a good medley relay team.

Lapeer's best bets are miler Bill Sullivan, shot-putter Bob Bowker and 440 man Paul Brooker.

Mile runner and the Delaire-Carter duels in the sprints should be a feature and the half-mile relay

St. Mike Athletes Honored at Annual Sports Affair

It was a happy and interesting affair, Tuesday night, in St. Michael's parish hall when members of various Shamrock athletic teams and individuals were honored for 1953-54 endeavors.

More than 400 participated in the annual event. Parents of the young athletes and parish members filled the hall to capacity for the dinner sponsored by the Altar society, Holy Name society, Ushers' club, Young People's Sodality and the Men's club.

A number of top sports figures were among the guests, and some were heard briefly, including George Makris, MSC boxing coach, and Sam Madden, Parochial schools physical education administrator. Lyall Smith, Detroit sports editor was an entertaining storytelling speaker. Pierre Paulin, Detroit radio and TV "voice," was the party's capable toastmaster.

Terry Sawchuk, Red Wing goalie, was a guest but did not speak.

Makris showed the fine MSC-UCLA Rose Bowl pictures as the closing feature of the event.

Other features included presentation of the many awards for football, basketball and baseball, and the selection of the winners of the outstanding boy and girl honors. Rose Griffin, donor of the awards, made the presentations to Russ Shindorf, all-around star, and Carol Flanders. Coach Bob Mineveaser and Miss Terry Fiedler and Miss Millie Robak made the athletic awards.

Prep Golfers Show Size Is No Necessity

Best Scorers in Press Tourney Were Smallest in Field
By JACK SAYLOR

Football and basketball coaches always look for size, but once more Monday it was proven how great an equalizer golf is.

Three of the four lowest scorers in Monday's Pontiac Press Invitational Prep tournament at Municipal course were probably the smallest players in the field of 50 high school golfers.

Tim Baldwin of Birmingham, Bob Turner of Southfield who each shot 76s, and Mike Conroy of Birmingham who had a 77 are all on the "tiny" side.

Only two seniors were included on Birmingham's championship team. Baldwin is a sophomore. Conroy only a freshman while Bob Goldsmith is a junior. Southfield's Turner also is a sophomore. Third-place Waterford played a trio of 10th graders, while Royal Oak's entry was four sophs and a freshman.

Charles Vallance of Avondale, runnerup for Class B medal honors is a brother of Glen Vallance, a member of the fine Pontiac High School team which won the 1st Pontiac Press tourney in 1952.

Tom Johnson, who was low for Fitzgerald's entry with an 84 was a standout player and team captain in four sports at the Van Dyke school this year. He led the Spartans in football basketball, track and golf.

Don Bradley, one of three brothers on the Southfield squad displayed the oddest putting style in the tourney. He controls the putter with his right hand, while keeping his left hand in his pocket.

Dave Van Every, Class C medalist from Bloomfield Hills, tied two former teammates on the tourney record list for best south nine by a Class C player. His 38 matched those shot by Curt Dempster in 1952 and Bill Minihick in 1953.

Net Test Resumes Older Girls to Open Kingswood Play Today

Second half of the Michigan Girls' Open Tennis Tournament at Kingswood School Cranbrook gets under way today.

This competition — for girls 16-18 years of age — has drawn a field of 77 players from Kingswood, Birmingham, Rochester, Northville, Ferndale, Hamtramck, Detroit, Grosse Pointe, Grosse Ile, Dearborn, Ecorse, Muskegon, Monroe, Trenton, Bay City and Toledo and Middletown, O.

Carolyn Wilcox, of Middletown, who last weekend repeated her 1953 triumph in the 15-years-and-under division of the test has elected to return to seek honors in the older bracket.

Carolyn, seeded No. 4 in this division, meets Nancy Yarnell of Birmingham in 1st-round play.

Top seeded player in the affair is June Stack, Hamtramck's 1953 titlist. Other seeded players: Joyce Pniwski, Hamtramck, No. 2; Lorraine Jake, Hamtramck, No. 3; Phyllis Saganski, Hamtramck, No. 5; Judy Hagan, Middletown, No. 6; Gwen McEvans, Hamtramck, No. 7; and Susie Zumbirk, Kingswood, No. 8.

Play is scheduled to continue through Sunday, when the final match is slated.

Oakland County entries in the meet:

KINGSWOOD—Ellen Van Dusen, Jane McKenzie, Ellen Flint, Barbara Underhill, Judy Frost, Marilyn Malone, Elsie Harbert, Sara Jane Trybail, Susie Zumbirk, Cathy Benis, Jerry Carter, Marjorie Van Dusen, Louise Gierff, Sheila Thorpe, Jade Romney, Martha McDonald, Louise Martin, Judy Marie, Ann Osborn, Sue Sengst, Elsie Quier, Lynn Burrows, Jane Underhill, Gayle Smith, Sylvia Trybail, Virginia Dawson, Joy Stanton, Anne Saunders, Sue Hodges, Barbara Knobloch.

FERNDALE—Linda Craig, Sharon Carter, Barbara Madden, Katherine Schless.

ROCHESTER—Susan Webb, Joan Warner, Georgian Pearce, Joanne Noecker.

Age Mellowing 'Old' Players Reese, Rizzuto

Dodger, Yankee Stars Leading Shortstops in Their Leagues
By BEN OLAN

NEW YORK (AP)—Shortstops Pee Wee Reese of Brooklyn and Phil Rizzuto of the New York Yankees can be called "old" as ballplayers go, but if their defensive showing this season is any indication they're mellowing with age.

Figures compiled by The Associated Press disclosed today that the 34-year-old Reese, a Dodger since 1940, is leading the National League shortstops in fielding with a .977 average.

Pee Wee has made only three errors in 128 chances and has participated in 11 double plays. Reese topped the Senior Circuit shortstops defensively in 1949 and was fourth last season with .966.

Rizzuto, 35, is the top man in the American League at his position with a .973 mark on four miscues in 150 chances. The scooter, who was high man on defense in 1949 and '50, has taken part in 19 twin-killings.

Johnny Logan, the National League's leader at shortstop in 1953, is runnerup to Reese with a .967 average. The Milwaukee sparkplug has committed six errors in 183 chances. Records include Monday's games.

Gair Allie, Pittsburgh rookie, is third at .957 followed by Alvin Dark of New York, .956 and Cincinnati's Roy McMillan, .955.

Joe Demastry of the Philadelphia Athletics is second in the American League with .969. He's erred four times in 130 chances.

Chico Carrasquel of Chicago is third with .964. Then come Pete Runnels of Washington with .961 and Harvey Kuenn of Detroit with .951.

OLCC Host for State Tourney This Weekend

Michigan Section PGA Pro-Member Test Will Have Field of 125

The rolling fairways and big greens of the Orchard Lake Country Club will provide an interesting test for the State PGA Pro-Member tournament this weekend.

Field for the invitational event is expected to reach about 125 players. Between 60 and 70 club members will team up with 50 pros for the 18-hole test.

"This is a sort of tuneup for the Professional Golfers Association national qualifying rounds on Monday," Tommy Shannon, Orchard Lake's pro and head of the state PGA reported.

"We will, of course, take post entries for the qualifying round." Starting times and pairings are now in the hands of Lou Powers (Detroit city golf course director, former Pontiac area pro) Shannon added.

Sunday's pro-member invitational is a best ball event, and is one of the first state-wide golf tests of the season.

Davey, Aragon Meet Again in Coast Ring

HOLLYWOOD (AP)—Art Aragon, California "Golden Boy," and Chuck Davey, Michigan State's illustrious southpaw, have been re-matched for Gilmore Field June 25.

Their 10-round battle at the Olympic Auditorium, Los Angeles, last Feb. 18, went to Aragon on a split decision and created a highly controversial aftermath in which Referee Mushy Callahan and Judge Joe Stone, who voted for Aragon, were suspended by the California Athletic Commission.

Tommy Heard Jr., always will remember March 25, on that day his wife gave birth to a daughter. At the same time one of his broodmares gave birth to a small foal weighing 13 pounds and standing only 24 inches high.

Catcher Now Hitting .371 Frank House Starting to Pay Dividends on \$75,000 Bonus He Got 5 Years Ago

By JOE FALLS
DETROIT (AP)—After five uncertain years, catcher Frank House is starting to pay off dividends to the Detroit Tigers.

In a 13-game hitting streak, the 24-year-old backstop has pushed his average a remarkable 190 points—from .191 to .371, making him the third leading hitter in the American League.

House delivered a single and a double yesterday to help the Tigers to an 8-3 victory over the Philadelphia Athletics.

The Tigers signed House in the fall of 1948 for a then-fabulous \$75,000 and two automobiles—two mind you. There followed five years of frustration, for both House and the Tigers, and this spring the club was ready to write him off as a costly loss and ship him to the minors.

House had been something less than sensational in his professional career, hitting .261 in 1949 with Flint (Mich.) in the old Central League and .252 in 1951 with Toledo of the American Assn. Between these mediocre performances, he sat on the Detroit bench and spent two years in the Army.

He returned to the Tigers this spring and, as a shock to all, was utterly helpless in pre-season drills.

"He looked bad—real bad," said Tiger Skipper Fred Hutchinson. "He was awful at the plate and worse behind it."

Coach Johnny Hopp worked on his hitting.

Another coach, Bob Swift, worked on House's defensive weaknesses. And Hutchinson, himself, instilled confidence in the well-built, 6-foot-2 catcher, playing him almost every day.

The progress was slow but then, on May 1, the transformation began. House started his 13-game hitting streak, and his play behind the plate became steadier.

Whether his climbing batting average will come crashing down is not known, of course, but at least he has given hope to the Tigers, and that's something the club has had very little of during the last few seasons.

Parking Summonses Cost Rocky \$250

NEW YORK, May 18 (AP)—Former middleweight boxing champion Rocky Graziano was ordered to spend 10 days in jail today or pay a \$250 fine for ignoring five parking summonses.

Chief Magistrate John M. Murtagh gave Graziano until Monday

Fiore Shoots for Eighth Straight Against Black

DETROIT (AP)—Brooklyn strong boy Carmine Fiore shoots for his eighth straight victory tonight in a promising welterweight scrap against Army-bound Jed Black, a graduate of Michigan State College.

Fiore, a savage left hooker, is an 8-5 choice to halt Black's gaudy unbeaten string in their nationally televised 10-rounder from Olympia Stadium.

TV time is 9 p. m., EST.

Black, an unspectacular but steady workman from Janesville, Wis., is unbeaten in his last 27 fights. He has an overall record of 28-1-1, compared to Fiore's 26-15-3.

Both are unranked, 24-year-old welters who have shown remarkable improvement in the last year. There, however, the similarity ends.

Fiore, a scowling, bushy-haired bruiser, began fighting in the streets of Brooklyn.

"He was crude the first time I saw him," said trainer Dan Florio. "But he had the heart, and you could sense he was a fighter. That's all I ask for."

Fiore's progress was slow at first. He seemed to hit bottom when Carmen Basilio knocked him out in nine rounds April 11, 1953. Since then, though, he has bounced back with seven straight wins.

Black, on the other hand, learned to fight on a college campus and hasn't tasted defeat since Oct. 1, 1952, when he dropped a decision to Herbie Schoen in his third pro start.

State Mulls TV for Cage Test

MHSAA Also Votes to Permit 1 Inter-School Practice Game

BENTON HARBOR (AP)—Michigan High School Athletic Assn. has decided to investigate the possibility of televising the state high school basketball championships.

Executive council voted last night to set up a fact-finding panel to recommend a plan to televise the March tournament on a statewide hookup.

Council president Charles Semlar of Benton Harbor said the committee would see how other midwestern states, who have been televising high school games for the past two years, operate their plans.

The executive council also voted to allow high schools to have one interschool practice game in basketball and football before the season starts next fall.

The current rule forbids any pre-season play between schools.

2 Slo-Mos Damaged in Weekend Races

SEATTLE, May 18 (AP)—The two Slo-Mos, which have dominated the Gold Cup speedboat race since 1950, were in the repair shop today after a tough weekend in which one was disabled and the other nearly sunk.

The 1951 champion, Slo-Mo-Shun V, shattered a propeller during a trial run and the blade pierced her hull. Owner Stan Sayres, who was at the wheel, stuffed rags in the hole and kept the craft afloat until it could be towed to the repair dock.

Almost at the same time the Slo-Mo-Shun IV—cup winner in 1950, suffered a similar fate.

The current rule forbids any pre-season play between schools.

Pros Think Record Is Safe as Eastern Open Starts

BALTIMORE (AP)—Play opens here tomorrow in the Eastern Open Golf Tournament, and the old hands who have won it before don't think par will take much of a beating this year.

"Nobody'll be under 280 this year," said Lloyd Mangrum after he warmed up on 11 holes of the par-72, 6,895-yard Mount Pleasant course, where the turf appeared soft and slow for the meet.

Mangrum, winner of the first Eastern Open in 1950, said he felt Sammy Snead's course record of 275 is completely safe for the 72-hole route.

"I just played a few holes to see if it was still the same old course," said Mangrum. "It isn't. It's even tougher."

Dick Mayer, the defending champion, says he thinks 284 will be good enough to win. That's only 4 under par.

Mangrum and Mayer were among pros arriving yesterday for the four-day, \$20,000 tournament.

Others included Julius Boros, leading money winner in the PGA, Dutch Harrison, Dave Douglas, Ted Kroll, Marty Furgol and Herman Scarlau, who recently took the Greenbrier Open at White Sulphur Springs, W. Va.

'Careless Riding' Brings Arcaro 10-Day Suspension

NEW YORK (AP)—Eddie Arcaro, who was scheduled to ride Goyamo in the Preakness Saturday, began a 10-day suspension today as a result of "careless riding" in a race last Monday.

Eddie was undecided how he would spend the time and didn't indicate if he would take in the big race at Pimlico as a spectator.

"I don't think I'll go golfing," he said. "My golf is very bad. Maybe I'll go fishing."

He was called on the carpet for his ride in the seventh at Belmont Monday on Dead Duck when he dropped his horse to the rail and forced Charlie O'Brien on South Point to pull up slightly and take to the outside. O'Brien claimed a foul and the stewards upheld him yesterday.

"I was on a horse that lugs in," Arcaro explained, "and I wanted him on the rail when I set him down for a drive. I was about three-quarters of a length in front of O'Brien's horse and I clucked to my mount and he answered with a burst. I thought I was clear but I didn't look back to see. I guess maybe I was careless."

Arcaro said he was sorry he wouldn't be able to ride Goyamo. "I think he has a good chance," Eddie said. "He loves that track and has been working very well there."

Meanwhile, Goyamo's trainer, Woody Stephens, started to search for another rider.

"I think he will be Bill Boland if co-owner Mrs. Alton Jones approves," Stephens said.

Heavyweight champion Rocky Marciano who defends his crown against Ezzard Charles on June 17 has not fought since Sept. 24, 1953 when he whipped Roland LaStarza.

Native Dancer Rapidly Placing Name Alongside Man O'War, Citation, Exterminator as Immortal

By GRANTLAND RICE
NEW YORK—The old arguments come and go. Words usually die quickly on the passing air.

A few years ago we were all mixed up with many others about Man O' War and Citation. As three-year-olds it was close. Man O' War quit at the end of his third year. Citation, with about the same record, came back after an injury to be stopped abruptly and more than once by Charley Howard's great English racer, Noor.

Now the scene changes. As a three-year-old argument we have Man O' War and Native Dancer—each with only one defeat. They might be classed neck and neck as three-year-olds with about the same class and the same record.

But Native Dancer has passed into the handicap division. This is where Man O' War stopped—at the four-year-old border.

Native Dancer has already crossed this border with two victories—one of them on the spectacular side. This was his victory Saturday at Belmont over Greentree's Straight Face, a very fine thoroughbred on his own.

Native Dancer has certainly reached as high a peak as Man O' War and Citation reached. Due to Citation's defeats by Noor, he has passed the Calumet star. Man O' War has no four-year-old mark.

The best that Native Dancer can do is to chase Exterminator's handicap mark and this isn't likely to happen, as Old Bones was on the job for many years. He won 50 races when most of them carried from 130 to 135 pounds.

The only thing that might check Native Dancer is what you might call "victory monotony." He has won 20 out of 21 starts and winning may not mean so much to him any more. Eric Guerin had to use the whip Saturday because, he says, the Dancer was lagging a trifle.

Yankees Edge White Sox, 4-3, on Berra's Late Hit

Parton Thinks His Horse Has Chance in Preakness

BALTIMORE (AP)—Trainer Fred Parton is a rarity today around Pimlico race track where the Preakness on Saturday has settled down generally only to whether Correlation will beat Hasty Road.

Parton trains For Free for Howard A. Jones of Chicago, one of probably nine Preakness starters.

Orioles' Lack of Plate Power Puzzles Dykes

Baltimore '9' Has Lost Nine Games by Two or Less Runs

BALTIMORE (AP)—"We're like the worm up against the wall. When is he going to turn?" said Manager Jimmy Dykes of the Baltimore Orioles.

Dykes plainly was up against a wall himself in trying to figure why the Orioles weren't hitting. "I know this club can hit better than it is," he said after last night's 3-1 loss on five hits to Washington. "If it doesn't, it sure is going to be a long summer."

"I'd rather get beat 10-2 than the way we're losing. This way we seem to be in every game and can't win. The other way, I'd just say we got shellacked and forget it."

Of the 12 games lost by the Orioles, nine have been by no more than two runs.

Last night, even the Oriole strikeout king Bob Turley had to give up after seven innings with the score 3-1 against him.

"I just die out there for him," confessed Dykes. "Look at those scores of his."

Turley's three losses have been by 2-1, 4-2 and 3-1. Except for a 7-2 triumph over Boston last Friday, he's had to struggle all the time to win 3-1 and 2-1 twice.

The Orioles have played 26 games and 17 of them have been decided one way or the other by one or two runs.

Joe Coleman, who goes against Washington tonight, has had just as rough a road to pitch as Turley for a 3-2 record. One of his losses was by a 1-0 score and he's won 3-1, 2-0 and 2-1.

and with the eternal optimism of a \$2 bettor he refuses to concede the \$100,000 added race to anybody else.

"In fact, they're going to have to beat this colt (For Free) to show me," brags Parton.

One of Parton's reasons, besides loyalty and optimism, is his belief that the eight 3-year-olds who ran in Monday's Preakness prep didn't do themselves any good.

"They're not the kind of horses who can run that kind of a race and come back five days later," Parton said.

The prep was a mile and sixteenth, an eighth of a mile shorter than the \$100,000-added Preakness. Robert S. Lytle's Correlation headed off Hasty House Farm's Hasty Road after they pushed each other all the way down the stretch.

For Free has little beyond freshness to consider him with the likes of Correlation and Hasty Road. His only victory this year in nine starts was in an ordinary race at Pimlico a week ago yesterday.

But it's Parton and others like him who will make the Preakness a race instead of a match between Correlation and Hasty Road.

Gambles were made on Mrs. Ada L. Rice's Ring King, Joe W. Brown's Gigantic and Walmac Farm's Hasseyampa.

Richardson 9 Wins 1st Start

Pitcher Helps Victory Cause With 2 Hits in Township Contest

Richardson's Dairy joined Dick & Wes Sports as 1st game winners in the Waterford Township Softball League Tuesday night on a 10-4 victory over Gidley Electric at the Drayton Plains park.

Dairy sixth collected two runs in the 2nd inning and three in the 3rd, which was enough for the triumph. Ray Richardson pitched 7-hit ball and had a single and double himself, driving in two runs in the 6th inning.

The three runs in the 3rd came without benefit of a hit, when Gidley's committed 6 errors.

Richardson and Lamberton; Sharf and Fraiser.

AIMING FOR SUBURBAN—Native Dancer, Alfred Vanderbilt's brilliant 4-year-old, whinnies after a workout at Belmont Park Tuesday. The Dancer, winner of last week's \$39,200 Metropolitan Mile, may be burdened with 132 pounds or more in the \$50,000 added Suburban Handicap at Belmont May 31.

Native Dancer Now Has Equalled Mark of Man o' War, Can Go Ahead May 31

By GAYLE TALBOT

NEW YORK (AP)—There is much excitement at present over a big grey horse named Native Dancer, which damaged the hearts of uncounted millions of television viewers by the breathless manner in which he won the Metropolitan Handicap at Belmont Park over the weekend.

There might never have been a

greater finish to a horse race than when Alf Vanderbilt's wonderful runner came from far back at the final turn to duel it out with Straight Face in the closing race to the wire and win the mile event by a neck. It seems safe, at least, to say that such a thrilling finish never before was witnessed by so huge an audience.

And so now the Grey Ghost belongs to the nation, and when the word begins going recklessly around that here, at last, is the equal of the immortal Man o' War, there must be ready belief in millions of living rooms. Also, there must be an extraordinary interest in the future plans for this amazing hunk of horseflesh.

As matters stand, Native Dancer now is even with the record held by Man o' War when the latter was retired by his owner, the late Sam Riddle, at the conclusion of his 3-year-old campaign in 1920-21 races, 20 wins, 1 defeat. The Dancer won his first two as a 4-year-old, an opportunity which was denied the horse known as Big Red.

Native Dancer will have his chance to go out by himself when he runs in the Suburban Handicap, most coveted of this country's handicap events, at Belmont Park on May 31, over a mile and one quarter.

Casey Stengel Blasts Lane, Praises Pilot

Richards Is Rated High by New York Manager After Close Win

CHICAGO (AP)—Casey Stengel brought his New York Yankees to town yesterday and made the White Sox take it on the chin twice—on the field and verbally.

The Yanks played before the largest home crowd of the season, 37,158, and pulled out a 4-3 victory over the Sox when Gene Woodling hit a two-run homer in the eighth and Yogi Berra knocked in a tie-breaking run in the ninth.

Stengel aimed at sweeping the two-game series by sending his ace southpaw "soft stuff" pitcher, Ed Lopat, who has won five straight, against the Sox' Billy Pierce (2-3) today.

Adding to the Sox' discomfort—at least for General Manager Frank Lane—were Casey's observations on the Sox and Lane in particular. He softened this, however, with a complimentary remark about Sox Manager Paul Richards.

"Looks like Richards is doing a right, good job again," said Stengel. "But it seems to me that other fellow out there (Lane) who does all the talking about the time he was getting himself a long term contract with the Sox, should have thought about nailing Richards down with one, too. (Richards' current two-year pact expires after this season.)"

"That guy's a pretty good manager, the way I watch him doing things. And I shouldn't be telling Lane to keep him because if he went out of the league, maybe I'd last longer myself. You don't get managers as good as that one every time you pick, you know."

Does that mean the White Sox are the team Stengel fears most in the American League race this year?

"No," he said. "We fear everybody and we fear nobody, depending on the situation. The whole league is much faster. The Tigers and A's have more speed. . . and

we're not supposed to have much pitching. So maybe everybody'll be tied by September and we'll have to start all over again."

Meanwhile, Richards said he would rate the Yankees a shade better than Cleveland at the moment.

"They're both tough," Richards added. "But I believe the Yanks have better balance, more all-around strength. With the Yanks and Indians it's a question of who has got the pitching. We'll have to wait and see who gets it."

"Potentially, I believe our pitching could be better than any of the contenders."

their slim first-place lead by beating Boston, 6-3.

It was Cleveland's sixth straight win.

Rosen's second home run of the game and eighth of the season, giving him the uncontested league lead—was a wallop off loser Bill Henry in the sixth inning, tying the score at 3-3. Later in the same inning, a single by George Strickland broke the deadlock.

Ted Williams, got one single in four chances. Chakales retired him twice with the bases full and two out.

Williams, who broke his collarbone early this season, returned to the Sox Sunday at Detroit. Before Tuesday's game he said he would play only if the weather was warm enough so that his shoulder would not hurt.

Rosen Ushers Home 3 Runs

Collects Two Homers, Double as Cleveland Beats Boston, 6-3

CLEVELAND, May 19. (AP)—Al Rosen drove in three runs with two homers and a double Tuesday as his Cleveland Indians held onto

Titans Blank Toledo

DETROIT (AP)—University of Detroit Titans counted on five hit pitching by two pitchers and coasted to an 11-0 shutout over the University of Toledo yesterday.

Detroit got 11 hits and benefited from 10 Toledo walks to gain their 5th victory in 13 starts. Detroit had one homer, by third baseman Jerry Moore.

BRAKE Adjustment \$1.19

'Traffic Jam' Hits NL

By BEN PHLEGAR
Associated Press Sports Writer

Before long they may have to install traffic signals to untangle the jam that's developing in the race for first place in the National League.

The Senior Circuit appears to be just full of clubs who revere the Horatio Alger maxim that there's always plenty of room at the top for a worthy contender.

Seven of the eight clubs—everybody but Pittsburgh have joined in the fun. And even the Pirates have been winning often enough to keep the others wary.

Only a two game spread separates the Chicago Cubs in seventh place from the Philadelphia Phillies and Brooklyn Dodgers who are deadlocked at the top. The Cubs, who have played fewer, are even closer in the vital "games lost" column. Chicago has lost 14

games, the Phils and Dodgers 13 each.

With the race so tight, a single victory or loss can send a team bouncing up or down the standings. Last night, for example, the New York Giants went into their game with the St. Louis Cardinals in third place but with a chance to take over first if they won. Instead, they got beat 9-3 and tumbled to fourth.

The Cardinals took over third where they trail the leaders by a bare four percentage points.

Even from their fourth place spot the Giants hold a mathematical chance to jump to first today. But the chances aren't too good, particularly if the Cardinals keep up their heavy hitting.

Brooklyn and Philadelphia both lost last night. The slumping Dodgers again were held to a single run and bowed 7-1 to Warren Hacker and the Chicago Cubs. Milwaukee beat the Phils 6-2. Cincinnati defeated Pittsburgh 6-5 in the other National League contest.

The first place race in the American League also is close but it doesn't go as deep into the standings. Fourth place Detroit is only two games out but Baltimore, in fifth, is 6½ behind.

Cleveland hung on to the lead by whipping Boston 6-3 for its sixth straight victory. The New York Yankees moved into second with a come-from-behind verdict over the Chicago White Sox 4-3. Detroit trimmed Philadelphia 8-3 and Washington defeated Baltimore 3-1.

Chicken Pox, Mumps Are Up

County Reports Fewer Measles Cases, City Has Slight Increase

Mumps and chicken pox attacked more Oakland County people last week than the week before, but measles cases seemed to be dropping.

Dr. John D. Monroe, county health director, said his department found 152 new cases of mumps in the area outside Pontiac last week, compared with 114 cases the week before. Eighty new cases of chicken pox were found, as against 66 the previous week.

Ninety county people came down with measles last week, as against 136 the week before.

Increases in scarlet fever and Rubella (German measles) also showed up on the health department's weekly report, which follows:

	Week Ending	Week Ending	Week Ending
	May 16, 17, 18	May 9, 10, 11	May 2, 3, 4
Chicken pox	152	114	80
Measles	90	136	136
Scarlet fever	12	7	8
Tuberculosis (all forms)	1	0	0
Whooping Cough	10	0	0
Mumps	152	114	80
Rubella	10	7	8
Hepatitis	1	0	0
Diarrhea	2	1	1
Rabies (in animals)	2	1	1
Amoebic dysentery	1	0	0
(E. histolytica)	1	0	0
Rheumatic fever	1	0	0

The city report reads as follows:

	Week Ending	Week Ending	Week Ending
	May 16, 17, 18	May 9, 10, 11	May 2, 3, 4
Chicken pox	11	12	13
Measles	11	6	17
Mumps	1	10	7
Rubella	1	2	4
Scarlet fever	1	2	4
Syphilis	0	0	0
Tuberculosis	0	0	0
Whooping cough	1	0	0
Inf. Hepatitis	0	0	0
Hemophilia	0	0	0

23 New Books Added to List at City Library

Twenty-three new books have been received by Pontiac City Library, according to Librarian Adah Shelly. The books, fiction and non-fiction, are:

Adult Fiction
The Beckoning Hill, J. P. Wood.
Branton Wick, Elizabeth Fair.
The End of an Old Song, J. D. Scott.
Parade for a Witch, W. V. Williams.
Jenny Button, Benjamin Subers.
Macarade Pass, W. C. McDonald.
McLoud, I Am Not Guilty, P. S. West.
A Pride of Lions, J. N. Brooks.
The Return of Jervas, P. G. Woodhouse.
A Time to Laugh, L. V. Thompson.
Venture One More, Winston Graham.
Adult Non-Fiction
Glowa, Emmet Kelly.
How and When to Change Your Job Successfully, W. A. Loven.
How to Sell Your Handicrafts, R. O. Hart.
Living Dangerously, P. S. Chapman.
Minutes of the Last Meeting, Gene Fowler.
The New Century Cyclopedia of Names, 2 vol.
Nothing Is Dripping on Us, E. K. White.
Of Whales and Men, R. B. Robertson.
Power of Words, Stuart Chase.
Richard Joseph's and Muriel Richter's World Wide Travel Regulations Made Easy.
Three Men, Jean Evans.
U. S. Green and the American Military Tradition, Bruce Catton.

Ba Venda tribe natives, in Africa, habitually build little round, thatched huts in which only one person lives, so they do not move in with their wives or in-laws.

Doctors Advise Ski-Stupids

Enthusiasts Are Urged to Ski Under Control at All Times

DENVER (INS) — Colorado doctors — who get as much business because of skiing accidents as any medical in the nation — have a few words of advice for skiers.

The Colorado State Medical society said there are a lot of things worse than being a "snow bunny" or a ski novice. One of them is being ski stupid.

The badge of a Ski-Stupid frequently is a large white plaster cast. The doctors said the only difference between one who is ski-stupid and a person of normal intelligence is that he can't distinguish between bravado and competence.

Colorado doctors urged skiers to ski under control at all times.

"In other words," said the doctors, "Don't ski on slopes beyond your skill. Don't just let 'er rip and hope for the best."

The doctors also urged the use of the new quick-release or safety

bindings which permit the pulling away from a ski in event of a spill. At Sun Valley, where between 15 and 20 per cent of the skiers use the "quick release" bindings, only three per cent of the fractures are suffered.

The accident rate on the ski slopes is directly proportionate to fatigue and poor condition. The doctors urged everyone to stop skiing when he feels tired. That "one more trip" may "schuss" you right into the hospital.

Social Security Revision Started by House Group

WASHINGTON (AP) — A House committee has taken the first congressional action on President Eisenhower's plans to expand and revamp the social security program.

The Ways and Means Committee yesterday tentatively agreed to extend social security coverage to more than half a million domestic workers, clergymen and federal employees.

Latins 2nd in Censorship

LONDON (AP) — The British Commonwealth Press Union reports that only the Soviet Union and its satellites place greater restrictions on press freedom than do the South American republics.

Big Bomb Bearers Bow to Host BB-Gun Shoot

OMAHA (AP) — What do you suppose the Strategic Air Command, which likes to call itself delivery boy for the most devastating bomb in the world, is going to do now? Come June 13 and SAC will be the scene of a BB-gun "championship shoot." It's for kids from 5 to 17 and among the teams slated to be firing away is one composed of SAC base youngsters and one of girls only.

Addition of a small quantity of lemon juice to any apple dish adds zest.

Hal Boyle Says:

Wife 'Never Slept a Wink,' Husband Gets the Blame

NEW YORK (U)—Lately I've been running into a lot of sleepless wives.

Can't figure out the reason, but naturally this sleeplessness must be caused by husbands.

When a man gets insomnia, he generally shoulders the full responsibility for it himself. He figures he drank too much coffee, ate the wrong combination of foods, or else took his business or personal worries to bed with him.

A wife approaches the problem from the opposite direction.

"I can't sleep," she muses. "Why? What has my husband been up to now?"

Her only task then is to find something her husband has done wrong. As this isn't very difficult for the average wife, she pins down his latest error, bawls him out roundly, and then is able again to sleep the sleep of the just.

Sometimes a husband discovers his wife's insomnia has been caused not by something he did—but something he didn't do.

"Why didn't you stop me from eating that rich dessert last night?" she tells him. "You knew it wouldn't agree with me. But

and let me go right on eating it. Sometimes I don't know what I'm going to do with you. I never slept a wink."

There are several common types of insomnia among wives, and perhaps you have one of the following in your own home:

1. The empty stomach insomnia—This plump lady wakes up every hour on the hour, then raids the refrigerator, wolfing down half a chicken—and sleeps like a baby for another hour. Her real problem is that she hates to waste time sleeping when she could be eating. The best way to solve the situation is to move the refrigerator to her bedside, or else set her up a cot in the kitchen.

Bloodhound Finds GI

FAIRBANKS, Alaska (UP)—A bloodhound tracked down a lost rabbit hunter after two helicopter pilots and hundreds of men in several search parties failed to find a trace of the missing man. Penny, four-year old hound, sniffed some clothing belonging to S/Sgt. Milton Wilson, then went straight to the spot in the wilderness where the soldier was wandering around hopelessly lost.

2. The false insomniac—This wife snores like a den of roaring lions from midnight until 8 a.m., then looks accusingly over at her red-eyed sleepless husband and says, "you simply have got to do something about your snoring. It kept me awake all night."

3. The intermittent dreamer—"I just dreamed I was walking barefoot in my nightgown through a meadow full of \$1,000 bills," she says, shaking her husband awake. "What does that mean?"

4. The suspicious insomniac—She steals herself to stay awake all night hoping her husband will talk in his sleep and reveal the name of the blonde she is sure he is keeping on the sly.

5. The share-and-share alike insomniac—"Don't you dare go to sleep before I do," she sternly warns her husband. "Marriage is a

50-50 business. If I can't sleep, why should you?"

What can a man do to cure his wife's insomnia. Of course, he should smother her with sympathy and understanding. But the best thing he can do is earn more money for her. Nothing relaxes a woman better—or puts her in more of a restful mood—than spending a lot of money.

The worst thing a husband can do is to tell his wife, "why don't you do a little more work? The reason you can't sleep is you are overtired from doing nothing so hard all day long."

That is a sure way for him to get insomnia himself.

Dec. 25 Is Mother's Day

TALLAHASSEE, Fla. (UP)—To Mrs. C. L. Ellison. Christmas means babies. Mrs. Ellison, 26, gave birth to a girl on Christmas Day, 1932. On Christmas Day, 1933 she had a six-pound, 11-ounce boy.
