LBJ Presents Defense Policy

WASHINGTON (AP) — President Johnson details for Congress today his view that U.S. military power is second to none and that he will keep it that way.

Johnson, two days away from his inauguration to a full four-year term, arranged to lay out his defense policy in a special message.

It was his sixth special message since Congress returned to work on Jan. 4.

Addressing the Senate and House on the State of the Union that night, the President said:

"In this period, we have built a military power strong enough to meet any threat and destroy any adversary."

"And that superiority will continue to grow so long as the office is mine — and you sit on Capitol Hill."

LEAVES DETAILS

This was all he said about defense at that time, leaving details to the special message and the budget message due next week.

Johnson can, if he wishes, scoop his own budget message and disclose the final defense figure.

Secretary of Defense Robert S. McNamara disclosed just before Christmas that defense spending next fiscal year might fall about \$500 million below this year's estimated \$49.8 billion.

Since then, there have been some refinements but the final close to \$49.3 billion. This is expected to account for about half of the entire federal budget for the bookkeeping year starting July 1.

FIRST SINCE '61

This is the first special message on defense since 1961 when President John F. Kennedy revised the recommendations of the outgoing Eisenhower administration because of the Berlin crisis that year.

It appeared that Johnson was aiming to put his own imprint on a defense policy he inherited from Kennedy.

Johnson made no appreciable change in the Kennedy policy and there was every indication he would continue along the same course.

Basically, that policy involves building U.S. power to deal with all kinds of threats ranging from subversion and "little wars" to all-out nuclear war. That policy has been called "flexible response."

Michigan GOP Averts Fight

Name Mrs. Peterson to Succeed Elliott

LANSING (UPI)—An impending fight in Michigan Republican ranks was off today because Gov. George Romney deposed Arthur G. Elliott Jr., a close personal friend, as state GOP chairman and picked Mrs. Elly Peterson to succeed him.

With Romney's personal endorsement, Mrs. Peterson was virtually certain of being elected to a two-year term as chairman at the Feb. 19-20 state GOP convention in Lansing.

She would be the first woman to chair either of Michigan's major political parties.

She set a similar precedent last summer when she defeated two men in the Republican primary to win the nomination for U.S. senator.

See Story, Page 23

In the general election, however, she lost by one million votes to Sen. Philip Hart, D-Mich.

SPECIAL CONFERENCE

Romney announced the leadership changeover at a special news conference Saturday. The decision came less than 18 hours after the minority leader of the State Sen. — Sen. Emil Lockwood, R-St. Louis — told reporters he would support Mrs. Peterson for the chairmanship unless Romney demanded Elliott be retained.

Before Saturday Elliott, a 48-year-old real estate and insurance man from Birmingham, gave every indication he would seek a second term in the \$21,000-a-year position.

Elliott, who helped launch Romney on his political career four years ago and served with (Continued on Page 2, Col. 8)

DEATH WATCH — A crowd fills the street in front of the Hyde Park Gate home of Sir Winston Churchill in London today waiting news of the elderly statesman's fight for life. Churchill was reportedly weaker today. He suffered a severe stroke last week.

3-Car Crash in Birmingham Leaves 4 Dead

Two Are Run Down While Standing Near Vehicle on Telegraph

Eight persons were killed in traffic accidents in the Pontiac area during the weekend, including four young persons in a three-car crash in Birmingham Saturday night.

Dead are: Elmer L. Miller, 49, of Mount Clemens; Ada Burder, 61, of 147 S. Tilden; Dennis L. Waring, 19, of 363 S. Roslyn; Waterford Township; Calvin L. Hopkins, 26, of 53853 Pontiac Trail, Lyon Township; Frederic M. Drotler, 22, of Royal Oak; Rodger Henderson, 16, of 1065 Westwood, Birmingham; Barbara J. Barnum, 16, of 480 Yarmouth and Sandra Christman, 17, of 485 N. Cranbrook, both of Bloomfield Township.

Miller died at 2:40 a.m. today when his car left a road in Shelby Township and struck a culvert.

Shelby police said Miller's car eastbound on 23 Mile Road, crossed over to the westbound lane and went into the ditch at 11901 23 Mile, one mile east of Van Dyke Road.

Miller was pronounced dead on arrival at St. Joseph Hospital, Mount Clemens.

KILLED YESTERDAY

Mrs. Burder was killed late yesterday when a car in which

See Story, Page 27

she was riding collided with a second vehicle.

Police said the second auto was driven by Raymond C. Tick, 29, of 5175 Cass-Elizabeth, Waterford Township. Tick, who reportedly declined to make a statement, is in satisfactory condition at Pontiac General Hospital with facial lacerations.

Mrs. Burder was a passenger in a car driven by her husband, William G. Burder, 68, who is also in satisfactory condition with facial lacerations.

The 8:56 p.m. accident occurred on M59 just southeast of Elizabeth Lake Road, Waterford Township.

HIT BY CAR

Waring and Hopkins were killed early yesterday morning when they were struck by a car (Continued on Page 2, Col. 4)

Traffic Is Fatal to 25 in State

By The Associated Press
Twenty-five persons died on Michigan's slippery, frozen highways during the weekend. Victims included eight persons killed in Pontiac area traffic.

The deaths came between 6 p.m. Friday and midnight yesterday during which the Associated Press reported the fatalities.

CAR ROLLS OVER

Joseph Summerville, 60, of rural New Era was killed yesterday when his car left a country road and rolled over in Eaton County.

George Aldrich, 46, of St. Louis was killed yesterday when his car left a Gratiot County road and hit a pole.

Sister Mary Danielita, 41, a fifth grade teacher at St. John the Baptist school in Alpena, (Continued on Page 2, Col. 3)

Cold on East Coast Pushes Into Florida

BY THE ASSOCIATED PRESS
Biting cold blanketed the entire Atlantic Coast today and pushed far into Florida, where low temperature records were broken.

Subzero readings ranged from Maine to Delaware.

Atlantic City, N.J. recorded 3 below and Salisbury, in southeastern Maryland had 6 below.

There was from three to nine inches of snow on the ground in Maryland but no fatalities were noted and schools remained open. Snow covered all North Carolina.

There was from one to three inches of new snow in Western Pennsylvania overnight and some roads were slippery.

Record lows for Jan. 18 were set at Daytona Beach, Fla., with 27 and Tallahassee with 15 above. Other Florida readings in the morning included: Ocala, 22; Tampa, 30; Vero Beach, 29; Clewiston, 29; West Palm Beach, 33, and Fort Myers, 33, with light frost.

Snow fell from the eastern Great Lakes and the upper Ohio Valley to the Appalachians.

HEAVY SNOW

Heavy snow squalls blowing off Lake Erie left one-half to one foot accumulations from North Buffalo, N.Y. to Niagara Falls eastward to Lockport, N.Y. overnight. Brisk winds piled up huge drifts and many schools and business firms remained closed.

Temperatures Up Tomorrow

It's going to warm up on Tuesday, but don't get your bathing suit out of the mothballs. Temperatures will still hover in the boots and earmuffs range.

★ ★ ★

Following today's snow squalls, tonight will be fair and colder. A low from 5 to 10 is predicted. North winds, which ranged from 20 to 30 miles, will diminish by tonight.

Increasing cloudiness, with the mercury registering between 20 and 26, is the forecast for Tuesday. Plan on light snow by afternoon or evening.

Wednesday will find the thermometer inching downward again as snow flurries continue to fall.

★ ★ ★

Today's low temperature reading in downtown Pontiac, prior to 8 a.m., was 10 above. Scattered sunshine coaxed the mercury to 15 by 2 p.m.

'Cold, No Snow for Inaugural'

WASHINGTON (AP) — President Johnson, and those here to whoop it up for his inauguration, got both good and bad news from the weatherman today.

★ ★ ★

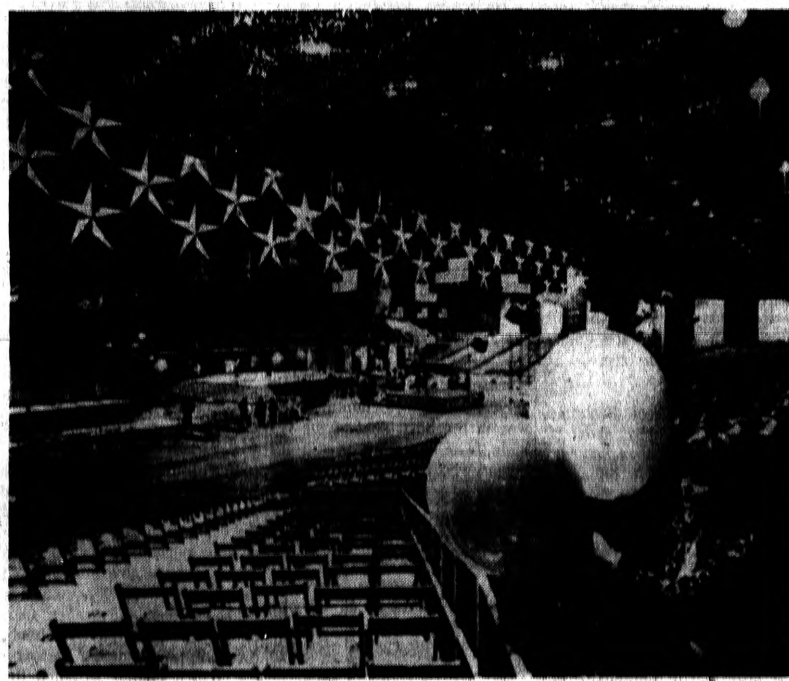

Wednesday, Inauguration Day, will be cold, the forecasters said in a special report, but no snow of consequence is likely.

The forecast: "Very cold weather is expected to continue through Wednesday."

"Mostly sunny weather is indicated for tomorrow and although there will be some periods of cloudiness Tuesday night and Wednesday, no precipitation of consequence is likely. Daytime temperatures will continue below freezing Wednesday."

★ ★ ★

Today marked the official start of what could be one of the (Continued on Page 2, Col. 1)

READY FOR THE SHOW — The National Guard armory in Washington is almost ready for tonight's Democratic Gala, one of the first of a series of public events that will be climaxed by the President's inauguration Wednesday.

SURVEYS RUINS — Tooper John Flis of the Romeo State Police Post examines the aftermath of a house fire yesterday. Mrs. Lafayette Bates, in the home at 2311 W. 32 Mile when it burned, died of a heart attack brought on by the fire, according to a coroner's report. (See additional picture, Page 21).

Romeo Area Home Destroyed

Widow, 91, Dies in Fire

A 91-year-old widow, prominent for many years in the Romeo area, perished yesterday as fire leveled her home.

Mrs. Lafayette Bates of 2311 W. 32 Mile Road, died of a heart attack as flames completely destroyed the 100-year-old home in which she had lived for many years.

The fire was discovered by George Hoke at about 6:30 a.m.

Hoke lives two doors away at 2555 W. 32 Mile Road, and saw flames in the rear of the house while on his way to the barn.

After calling the Romeo Fire Dept., Hoke awakened Mrs. Bates' son and daughter-in-law, Mr. and Mrs. William Bates, who live next door to their mother's house, at 2371 W. 32 Mile Road, 3/4 miles west of Romeo.

The three attempted to rescue Mrs. Bates by breaking windows and forcing the front door, but were driven back by billowing clouds of black smoke.

BODY FOUND

More than 40 firemen from the Romeo, Addison Township and Washington Township departments arrived in time to bring Mrs. Bates' body out of the burning house.

The victim was found in a chair just a few feet from the front door, which had been forced open in a futile rescue attempt.

Mrs. Bates was well-known in the area through her many activities. She was a charter member of the Romeo Book Club, necrologist of the First Congregational Church and a member of the Romeo Senior Citizens Club.

Although the cause of the blaze is unknown, firemen speculated that a heating unit may have been at fault.

Firemen estimated damage at about \$16,000. The home was at least partially covered by insurance.

Fund Drives Slated for Dixie Suspects

MERIDIAN, Miss. (AP) — Appeals for cash went out today as 16 men awaited arraignment in Mississippi's case of the three murdered civil rights workers.

The FBI said two other men would be arrested soon.

The two are Horace D. Barnett, 25, and James E. Jordan, who used to live here but moved elsewhere after the killings.

Their present whereabouts was an FBI secret.

A federal grand jury in Jackson indicted 18 white men on charges of conspiracy in the case. Those arrested here and at nearby Philadelphia Saturday were freed on bond.

LEGAL STRATEGY

Legal strategy being planned included a move to have each man tried separately. A federal

source said the move would be opposed.

No arraignment date was set.

At least two fund-raising groups were bidding for defense donations.

One — with a goal of \$1 million — said collection boxes would be placed at every business establishment in the state and every public official would be tapped for contribution.

INCLUDED SHERIFF

The 16 arrested included Neshoba County Sheriff Lawrence Rainey, 41, and Chief Deputy Cecil Price, 26, both of Philadelphia.

Price was among 10 men the FBI said actually plotted the Ku Klux Klan conspiracy to intercept, "shoot and kill" the three men near Philadelphia, some 40 miles northwest of here, last June 21.

Barnette and Jordan also were among the 10 men listed. The FBI said both gave written eyewitness statements about the killings, which set off a massive FBI investigation.

An effort by a Meridian law firm to have Jordan subpoenaed as a witness in a minor traffic accident was rebuffed by FBI agents last week.

NO ADMISSION

Barnette's lawyer denied that any statement was given.

Asked if the two men were under FBI protection, a department spokesman said, "We certainly have a continuing interest in their security."

The federal government has no authority to file murder charges in the case. There was no word on plans for state action. The Neshoba County grand jury, which would consider any state charges filed, meets next month.

Gov. Paul Johnson has said murder charges will be filed "if evidence warrants."

The victims were James Chaney, 21, a Meridian Negro, and two white New Yorkers, Michael Schwerner, 24, and Andrew Goodman, 20.

25 Are Killed in Weekend State Traffic

(Continued From Page One)

was killed yesterday when the car in which she was riding went out of control and skidded into the path of another car.

Two other nuns were injured in the crash. The three were from the same school that lost three nun teachers in an auto accident near Cadillac in 1963.

Salvador DeLaRosa, 41, of Flint, was killed Saturday on US 23 in Genesee County's Mundy Township when his car struck a guard rail on the highway's exit ramp.

Anton Thiel, 54, of Grawn was killed yesterday when his car collided head-on with another auto on M37 in Saginaw County of Wexford County.

NEAR SAGINAW

Harold Efu, 17, of Saginaw was killed yesterday when his car collided with a truck on North Michigan Road near Saginaw.

David A. Jennings, 20, of Grosse Pointe Farms and Bruce G. Rogers, 20, of Grosse Pointe Woods, were killed yesterday when their car ran off a street in St. Clair Shores and struck a telephone pole.

Paul Boyd, 28, of Dimondale, was killed yesterday when his car in which he was a passenger ran off M43 near Williamston and hit a telephone pole.

Orland Fisher, 54, of Farwell was killed yesterday when his car left a rural Clare County road and struck a tree.

HITS TREE

John Clay, 41, of Brohman, and Cornelius Cobbs, about 60, of Britely, were killed Saturday night when their car hit a tree on M37 north of White Cloud.

James Owens Jr., 18, of Adrian, was killed Saturday when his towed car was struck by another car in Lenawee County.

Basil DeWitt, 50, of Wayne, was killed Saturday in a two-car collision in Romulus Township near Detroit.

Charles Felkey, 19, of Jackson, was killed Saturday when his car hit a tree near Jackson.

ADDRESSES RALLY — John Lewis, chairman of the Student Nonviolent Coordinating Committee, addressed a rally at the African Methodist Episcopal Church in Selma, Ala.

last night. The rally touched off a desegregation and voter registration drive scheduled to begin today in this west central Alabama city.

Area Traffic Accidents Fatal to 8

(Continued From Page One)

driven by Stanton C. Smart, 18, of 181 W. Chester, Birmingham.

The two men, along with Waring's 17-year-old brother Terry, who is in serious condition at Pontiac General Hospital, were standing on Telegraph near Hazel following a minor property damage accident.

The Waring car had hit the Hopkins vehicle in the rear and both cars were still in the roadway, police said.

Smart, who was treated and released from Pontiac General Hospital, told police he saw Waring's car, and swerved to miss it.

CANT REMEMBER

He said he did not remember striking the two pedestrians.

Smart's car was then hit by a fourth auto driven by Gary R. Course, 2805 Franklin, Bloomfield Township.

Smart was scheduled to make a statement at the Oakland County Prosecutor's Office this morning.

The three Seaholm High School students and the Royal Oak man were killed in a near-head-on crash on West Maple near Linden in Birmingham.

CRITICAL CONDITION

In critical condition at William R. Beaumont Hospital in Royal Oak are Robin M. Adair, 16, of 1026 Puritan and Bruce Berridge, 17, of 577 Westwood, both of Birmingham.

Adair sustained skull fractures, facial cuts and internal injuries. Berridge is being treated for a skull fracture, broken leg and internal injuries.

Henderson, a Seaholm swimming star, was driving the car in which four other teenagers were riding when it collided with Drothler's vehicle about 10:20 p.m. Saturday, according to Birmingham police.

They said Drothler's east-bound car was traveling about 75 miles per hour when it crossed the center line on a slight curve and hit Henderson's car.

TOLD POLICE

Witnesses told police Henderson had been going about 30 miles per hour.

The Henderson car, thrown back some 60 feet, sideswiped one driven by Fay J. Raupp, 52, of 3925 Mount Vernon, Bloomfield Township.

Raupp and his wife, Norma, 43, were treated for injuries and released from Beaumont. Their 16-year-old son, Thomas, who was in the back seat of the vehicle, was the only person involved who wasn't injured.

In an auto-related death, Robert C. Kieffer, 39, of 159 Nesbit, Rockester, died Friday night when he suffered a heart attack while driving on Crooks Road in Troy.

His car left the road and struck the Midwest Tackle Co. Shop at the rear of 4114 Crooks, a quarter-mile north of Wattle Road.

Rev. King Leads Marchers in Dixie Vote Campaign

SELMA, Ala. (AP) — A man wearing a National States Rights party uniform attacked Dr. Martin Luther King Jr. today when the Negro leader registered at a previously all-white Selma hotel. King was struck in the right temple and kicked in the groin. The assault was arrested immediately.

MAINTAIN LAW

Meanwhile Selma's public safety director, Wilson Baker, said he intends to maintain law and order in the face of the Negro voter drive.

Baker said he had 26 men ready for action if needed. In addition, the Dallas County Sheriff's Office said it had all full-time men and others described as possemen on standby. State troopers also were on standby, but Baker said: "I don't think we'll need them."

Baker was obviously apprehensive over a possible clash of segregationists who had pledged to harass the Negroes in their voter registration efforts.

A civil rights rally was told Sunday night that restaurants were prepared to desegregate in a surprise response to the integration campaign.

"They're going to feed you," the Rev. James Bevel, one of King's assistants, told Negroes Sunday night at a church rally, where he urged them to test downtown restaurants.

Bevel and another source said that the restaurant owners had agreed to serve Negroes in compliance with the Civil Rights Act of 1964.

The integration leader, who flew to Montgomery and then traveled the remaining 45 miles by car, said he would take part in the desegregation attempt. With him were the Rev. Ralph

Birmingham Area News

Shain Park Village Fair Is Favored by Chamber

BIRMINGHAM—The Chamber of Commerce wants to hold another village fair in Shain Park this spring.

The event, similar to that held during Birmingham's centennial observance in 1964, would be part of Michigan Week activities in the city May 16 to 22.

Members of the Birmingham-Bloomfield Chamber of Commerce's board of directors recently voted unanimously to sponsor the fair.

They will ask the City Commission tonight for permission to hold the event May 20 through 23.

Tentative dates of the fair were determined after consultation with James K. Plack, local Michigan Week chairman, and Robert Reid, president of Happyland Shows which last year furnished rides for the fair.

LAYOUT OF RIDES

Knowles Smith, Chamber of Commerce executive director, noted the layout of the rides would be similar to that used last year.

There also would be food and game concessions operated by community service groups, he said in a letter to the commission.

"In order that we may facilitate our advance planning and preparation this year, we are presenting this early request for permission to hold the Village Fair 1965 in Shain Park and the street areas involved last year," he said.

Further details are to be worked out by the chamber committee for approval by city administrators.

BENEFICIAL

"It is our belief that a tastefully conducted village fair is beneficial to the community in many ways and would particularly augment Birmingham's observance of Michigan Week 1965," Knowles said.

BLOOMFIELD HILLS—An introduction to the natural history of amphibians and reptiles will be covered in a new 10-week class for youngsters 12 through

President Plans Visit to Oregon on Feb. 15

ASTORIA, Ore. (AP) — President Johnson will visit the Astoria area Feb. 15, State Sen. Dan Thiel, D-Astoria, said today.

Thiel said he has no details of the presidential itinerary but that chief purpose of the trip is an inspection of the new jobs corps training center at Tongue Point, off the northern Oregon coast.

16 years of age at Cranbrook Institute of Science.

The 9-11 a.m. class will begin Feb. 6 under instructor James A. Fowler, herpetologist formerly connected with the institute and now curator of education at the Henry Ford Museum.

The course will cover identification, life history, distribution, collecting, preserving, recording and cataloging. Field trips will be made.

Participants can register at the institute office. They need not be members.

Michigan GOP Averts Fight

(Continued From Page One)

him as a delegate from Oakland County to the State Constitutional Convention, was elected chairman in 1963.

Although Romney never publicly announced a choice for the chairmanship then, it was understood in party ranks that Elliott was expected to get the job for managing the political campaign that gave the state its first Republican governor in 14 years.

CLEAR WAY

Romney cleared the way for Elliott's election by telling then Chairman George Van Beursem he did not want him to run again.

The weekend switch to Mrs. Peterson, who was twice elected vice chairman and served for about seven months last year as assistant national GOP chairman, came with lightning-like suddenness.

Lockwood declared his support for Mrs. Peterson while attending a meeting of the Republican State Central Committee and the word quickly filtered out to all party leaders.

As a result Alfred La Porte of Standish, chairman, of the 10th Congressional District Republican Committee, stepped up efforts he had begun several weeks ago to win the state chairmanship.

OTHER LEADERS

Other party leaders also began trying to recruit support for either Mrs. Peterson, former Kent County GOP chairman Walter Russell or Macomb County Chairman William McLaughlin.

Sometime Saturday the governor apparently became convinced Elliott's position was seriously undermined.

The Weather

PONTIAC AND VICINITY — Partly cloudy and windy with snow squalls today. High 15 to 24. Mostly fair and colder tonight. Low 5 to 10. Tuesday, increasing cloudiness and not so cold with light snow by afternoon or evening. High 20 to 26. North to northwest winds 20 to 30 miles diminishing tonight. Wednesday's outlook, snow flurries and colder.

Young Viet Generals Get Cabinet Posts

SAIGON, South Viet Nam (AP) — South Viet Nam's young generals took a more open hand in the direction of the government today as three of them were reported named to posts in Premier Tran Van Huong's previously all-civilian Cabinet.

The government also moved to step up the war effort by giving its ministries power to draft personnel and requisition property.

Reliable sources said Maj. Gen. Nguyen Van Thieu became deputy premier and took over the defense ministry from Huong. The air force commander, Brig. Gen. Nguyen Cao Ky, became minister of youth and sport, the army security chief, Brig. Gen. Linh Quang Vien, was made minister of information.

Thieu and Ky were leading members of the "Young Turk" group of generals who dissolved the High National Council Dec. 20 and nearly caused the government to collapse. The council had acted as a provisional legislature.

AGREEMENT PRICE

The military reportedly insisted on Cabinet posts as its price for the agreement which ended the crisis resulting from the December purge. Military officers dominated the government from the overthrow of President Ngo Dinh Diem in November 1963, until Lt. Gen. Nguyen Khanh, the commander of the Vietnamese armed forces, resigned the premiership Aug. 27 under public pressure.

There was no immediate reaction from Buddhist leaders

who have been waging a prolonged but so far ineffective campaign to oust Huong.

The premier also chose a new minister of finance, Huynh Van Dao. He has been civilian chief of the Defense Ministry cabinet and is considered a financial specialist.

In the measures to increase the war effort, ministries were

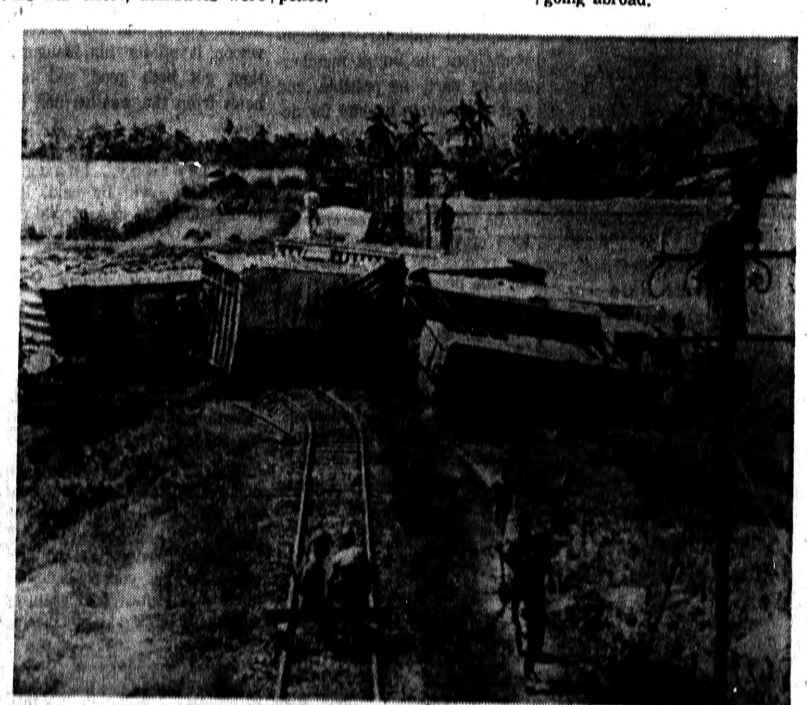

given power to draft personnel for up to one year and to requisition movable property for up to six months and real estate for up to three years.

SEEK INCREASE

U.S. officials have been pressing for an increase of 100,000 men in the Vietnamese armed forces. The government now has 615,000 men under arms, including paramilitary forces and police.

Some top American officials have said they believed the Vietnamese economy and population could afford an additional million men under arms, although the army this large could probably not be raised.

Draft dodging has been a major problem. Young men get exemption by enrolling in schools and universities or by going abroad.

Cong Blasts Train With Mine Near Saigon

Headed by Russian Delegation

Leaders of Soviet Bloc Meeting in Warsaw

WARSAW, Poland (AP) — Headed by the Soviet Union's new leaders, the top men of the Soviet bloc converged on Warsaw today for a high-level meeting.

Official announcements said the Communist rulers would meet Tuesday as the political advisory committee of the Warsaw Pact — communism's counterpart of the North Atlantic Treaty Organization.

Soviet Communist party Secretary Leonid I. Brezhnev and Premier Alexei N. Kosygin

headed the Soviet delegation on their first trip abroad since the ouster of Nikita Khrushchev last October.

Informed sources said Brezhnev and Kosygin stopped in Minsk Sunday night. There was speculation that they met in the western Soviet city with Polish party leader Wladyslaw Gomul-

ka and Romanian party chief Gheorghe Gheorghiu-Dej in preparation for the Warsaw meeting.

BIG PART
Gomulka and Gheorghiu-Dej would play a big part if the Soviet Union's split with Communist China comes up at the War-

saw meeting, which is considered likely. Romania has refused to follow Moscow's lead in condemning Peking. The Poles are lukewarm toward ousting the Chinese from the international Communist movement.

The Communists say they are meeting to discuss the proposed NATO multilateral nuclear force which the Soviet Union charges poses a threat to peace in Europe. However, internal problems within the Communist movement are expected to loom large at the gathering.

The U.S.-sponsored plan for a mixed-manned surface fleet equipped to fire nuclear-tipped Polaris missiles appears dor-

mant for the present. With the exception of West Germany, the proposal has not won acceptance among the Western allies and last week Turkey notified the United States it would not participate.

Other Communist leaders attending the meeting were East German party chief Walter Ulbricht, Bulgarian Premier-party chief Todor Zhivkov, Hungarian Premier-party chief Janos Ka-

dar and leaders of Czechoslovakia.

WOMEN PAST 21 WITH BLADDER IRRITATION

After 21, common kidney or bladder irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast.

Red Guard Forced to Take Two West

BERLIN (UPI) — Two East German border guards last night forced a third Communist policeman to ferry them at gunpoint across a lake to freedom in West Berlin.

Western officials said the two escapees, a 19-year-old sergeant and a 21-year-old private, commandeered a patrol boat and

ordered its driver to cross the Niederneudorfer Lake. The man at the wheel was allowed to return to the East German side of the lake.

Two Car-Truck Crashes Kill 7 in New Mexico

LORDSBURG, N.M. (AP) — Seven persons were killed Sunday in two car-truck collisions which occurred within 10 feet of each other on U.S. 70-80 in southeastern New Mexico.

State police said wreckage from the first accident was being cleared away when the second collision occurred.

Killed in the first wreck were William E. Whitmire, 27; his mother, Ethyl Whitmire, 52, and his son, William Jr., 3, all of Liberty, Tex.

Dead as a result of the second accident were Martha J. Spencer, 30, Wichita, Kan.; her son, Jody, 7; James D. Bass, about 15, Wichita, and an unidentified teen-age girl.

ANSWERS
TO TODAY'S NEWS QUIZ

Chicago Banker Dies

CHICAGO (AP) — David G. Skall, 62, investment banker and former governor of the Chicago Midwest Stock Exchange, died Saturday. Skall also was a

former president of the Cleveland Stock Exchange.

Eighty-seven hurricanes resulting in an average of 111 deaths a year have struck the United States between 1915-63.

Chicago Birth Rate Dropping Since '59

CHICAGO (AP) — The baby boom is a bust in Chicago and some say the declining number of births is due to a stepped-up birth control program. Others aren't so sure.

Recent statistics show the number of births has dropped nearly 17 per cent, from 98,144 in 1959 to an estimated 82,000 last year, although the city's population remained stable.

"The children born during the baby boom of 1946 are just now coming to the age where they will be productive," sociologist Donald J. Bogue, 47, head of the University of Chicago's Community and Family Study Center, said Sunday. "So, if anything, the birth rates should be holding steady or going up."

"The rate is unmistakably declining and the increased use of family planning is unmis-

takably the reason," Bogue said.

A MYSTERY

But to Dr. Samuel L. Andelman, Board of Health commissioner, the dropping birth rate is a mystery that needs further study.

"There's no complete answer to the riddle," he said. "As far as we can tell, part of it may be due to movement of families from the city to the suburbs, but that doesn't account for the entire drop."

"Of course, it may also indicate that more of the married couples are using birth control measures," Dr. Andelman said. "There's a multiplicity of factors involved and it needs more study."

A spokesman for Chicago's Cana Conference, a Roman Catholic group that sponsors premarital information programs, said an investigation of the declining births is under study. He said no official comment would be available until the study is completed.

'NO QUESTION'

Jane C. Browne, head of the Planned Parenthood Association of Chicago, said the drop-off means "there's no question that more people are using birth control devices."

The association's 18 centers last year provided 1,000 persons — most of them on relief — with birth control devices and information, she said. "The number has doubled in the last two years and tripled since 1958."

Mrs. Browne estimated that "close to 90 per cent of the women on public assistance in Chicago are using birth control devices and have not had another pregnancy since coming to planned parenthood."

"We've touched over 50,000 homes in one way or another — especially in low income families."

SLUM AREAS

Working along with the planned parenthood program, Bogue's family study center has concentrated since 1962 on information programs in slum areas.

"We provide specific birth

control information to the people at all levels and all ages," he said. "We even have a booklet for teenagers."

Chicago's birth decline is more encouraging, Dr. Bogue

said, because the city "had a large number of migrants from Mississippi, Arkansas and Tennessee — both white and Negro — coming in from the highest fertility areas in the country."

French Archbishop Dies

LYON, France (AP) — Pierre Cardinal Gerlier, 85, archbishop of Lyon and primate of Gaul, died Sunday. Before becoming a

priest at 41, Cardinal Gerlier practiced law in Paris from 1901 to 1913. He was known in France for having saved many Jewish children from the Nazis.

Tormenting Rectal Itch Stopped In Minutes

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night.

No matter what you've used without results — here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids — without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection.

In one hemorrhoid case after another "very striking improve-

ment" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration.

The secret is this new healing substance (Bio-Dyne®) — discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as Preparation H®. Ask for Preparation H Suppositories (convenient to carry if away from home) or Preparation H Ointment with special applicator. Available at all drug counters.

It Seems to Me

U.S. Taxpayers Pay Billions to Foreign Aid Gravy Train

In his current address to Congress, President JOHNSON sets the figure for Foreign Aid in the fiscal year beginning the first of July, 1965.

The total is \$3.38 billion. The amount is still staggering.

Perhaps the President purposely placed the sum above the total he expects, because of the hue and cry that may develop around the Nation. The taxpayers have become infinitely more vocal during recent years, and demand reductions.

Voter protests are increasing. Their indignation is rising.

Probably the biggest single factor in the minds of our fellow countrymen lies in the perfect equanimity with which so many nations accept our largesse. It clings to sticky palms as we fill them to overflowing—and then they turn against us in international doings without the slightest qualms. And always they hoot: "Yank Go Home."

We're the world's suckers. We have no international rival.

The Johnson total allows \$1.7 billion for arms and he concedes easily that he may step this up by an additional \$500 million. It is high time Congress orders the President point-blank to give no more aid to those who solicit our beneficence so eagerly and then tell us to "go jump in the ocean," as so recently occurred.

We are all mindful of nincompoops like G. A. NASSER, mogul in the United Arab Republic and Sukarno, Indonesian dictator who steadfastly plays us for the perpetual dumbbell and global push-over that we are.

This pair alone has extracted undreamed sums from our forgiving, paternalistic and misguided governmental heads and then given us the pitch at every opportunity.

We sit supinely by and "take it." Traitors of this ilk should be stricken from the gravy train and left to their own bungling devices.

Let's assert ourselves. Let's stand up for U.S. taxpayers.

Junk Mail

The junk mail's off to an ignoble start in the new year.

Quite a few mine run offerings have arrived three and four at a time but it remains for Publishers Central Bureau, Long Island City, New York, to set the record for a budding 1965. In one mail I received eight (8) duplicate offerings.

And that isn't all.

Within the next three days seven (7) more. That's a grand total of fifteen (15) junk mail pamphlets that are precisely and absolutely alike.

Profit on books must be enormous to let helpless customers become besieged, flooded and overwhelmed like this. Each one was sent to me and not to other members of the family or the firm.

I'm sending the entire collection back in one grand package — first class, that is.

Constitutional Amendment

Machinery has been set in motion to block the dismaying interpretations of our Constitution by the Supreme Court as it is presently constituted.

Senator Everett M. Dirksen

(Republican, Illinois), has fathered an amendment to counteract the recent negative effects of some of the highest tribunal's rulings. If adopted, State apportionments will revert to their former mathematical outlines: the ones set up by the Federal Constitution.

The original concepts which the WARREN disciples threw out the window will be restored. The outspoken opponents of our amazing judicial dictatorship will have strong rallying points. Once again the individual states will become the important entities that they were intended to be; and the Supreme Court will be relegated to the functions contemplated by our forefathers.

It is high time this Warren faction is placed in the spot it was intended to occupy when the nation was formed and under which it has prospered so mightily. The Dirksen legislation is a very important step in restoring our national checks and balance which worked so efficaciously for so long.

And in Conclusion . . .

Jottings from the well-thumbed notebook of your peripatetic reporter:

Hey, fellows — want to get married? Hasten to New York City where there are 327,000 unmarried girls. The largest sum ever officially recorded as lost in British gambling history on one day was Lord DERBY's "contribution" of \$445,000. According to The Chicago Tribune, one of our most discerning public prints, next fall will see a glorification of sex on TV that fades anything we've known before. And this refers to prime time schedules. One of the motivating factors is the unparalleled success of "Peyton Place." If you haven't heard about GILBERT PRICE, I alert you now. His big baritone voice is the current talk of directors and producers.

SUE

Sue Smith is probably the most photographed girl in the world. That's quite a statement but you will accept it when you know she works for Eastman Kodak and is used hundreds of times a day for testing purposes. She totals 700 stills a year. Jackie Gleason has installed a telephone in his golf cart so he can buzz his New York pals in the midst of a game. Help! You can buy pink, green, blue, brown and indigo typewriter ribbons now.

EDGAR WALLACE, one of the greatest mystery writers of all time, completed 150 novels and averaged more than \$200,000 a year over an extended period of time. When he died, he was actually in debt. He loved the wheels of chance. JULIE NEWMAR, TV's living robot in "My Living Doll" stands five feet ten in her stocking feet. Dept. of Cheers and Jeers: the C's—WINSTON CHURCHILL; the J's—ELIZABETH TAYLOR for renouncing her U.S. citizenship.

—HAROLD A. FITZGERALD

"Don't Shoot Till You See The Whites Of Their Eyes!"

David Lawrence Says:

Aid Request Size Not Important

WASHINGTON — "Brainwashing" — the political technique of playing on the ignorance or indifference of the public — seems to have been effectively utilized in the message on foreign aid which President Johnson has just sent to Congress.

Many a headline in the press emphasized the President's comment that his request for \$3.38 billion "is the smallest in the history of the foreign-aid program" since it was started in 1948.

But a request for an appropriation is far different from an actual authorization by Congress, and what was glossed over is the fact that the President's request this year is higher than what was actually appropriated for foreign aid for fiscal year 1965 as well as for 1964, 1960, 1958, 1956 and 1955.

So a request for a sum which is slightly lower than what was requested last year is not in itself of any real significance, particularly when it is \$130 million more than last year's appropriation and \$380 million more than was appropriated the year before that.

What is more important is that, while the President used the figure of \$3.38 billion as his request, he inserted at the same time in his message a separate request for another \$750 million for aid to Latin America.

BEING TOLD

Yet the public is being told, in effect, that the total amount the administration is asking from Congress for foreign aid is only \$3.38 billion.

Actually, by adding one third of the \$750 million of multinational aid for Latin America, the total request becomes \$3.63 billion.

This is higher than the total of last year's request as well as the request in several of the preceding years.

A third request by the President in his message is not spelled out.

NOT ENOUGH?

He says the amount asked for the Viet Nam operation may not

be enough and that he is requesting "an additional standby authorization for military or supporting assistance which would be used only in Viet Nam."

He also warns that he will ask Congress for more funds if "situations should arise which require additional amounts of U.S. assistance to advance U.S. vital interests."

There is also an accumulation of unexpended funds from previous years which can at any time be used for the original purpose as long as it comes within the scope of the language of the laws authorizing such expenditures.

It is estimated that \$6.5 billion appropriated by Congress in past years has not yet been spent. But each year Congress is nevertheless asked to keep on appropriating more money without regard to these previously authorized but unspent sums.

The President's message, therefore, does not tell just how much will be taken out of the U.S. Treasury for foreign aid this fiscal year or next year. The impression is being given that spending for foreign aid is to be at a record low, when this is not the case at all.

Capital Letter:

Official Residence Idea Is to Humphrey's Liking

By RUTH MONTGOMERY
WASHINGTON — Pay no attention to those printed reports that Vice-President-elect and Mrs. Humphrey want to remain in their modest suburban house for the next four years.

President Johnson's heir-apparent confides that he would like very much to move to an official residence purchased by the MONTGOMERY government for the use of America's second family. But not just any house!

Since published accountings during the recent campaign disclosed that the Humphreys are considerably less prosperous than the Johnsons, Goldwaters and Millers, I asked the gregarious Minnesotan: "Why wouldn't you rather live free in a lovely government-owned house, and sell your own?"

With a merry twinkle, Humphrey replied: "I would! It's just that we don't want to live in a fort—if you know what I mean."

He was referring to the officer's house at Fort McNair which President Johnson insisted that the Humphreys inspect for possible occupancy, and to Admiral's House on Observatory Hill, which the Navy is not about to relinquish despite LBJ's Texas-sized arguments.

ASPIRATIONS

Humphrey, like practically every other politician, hopes someday to be elected president. He therefore has no desire to tangle with the military establishment, or to live in the middle of it, for that matter.

"Furthermore," HHH added in conspiratorial tones, "that Admiral's House is a big old barn of a place. Who'd want it?"

Congress, having penuriously rejected countless gift offers of

fabulous Washington mansions for a vice-presidential residence, because of the expensive upkeep, will shortly be asked to pay cold cash for one. And the chances are, it will.

What's that again about penny-wise-and-pound-fool Uncle Sam?

Tax Cut May Hurt

The Bay City Times

The income tax honeymoon is over — temporarily, at least. And there is now being heard throughout the land the wail of the taxpayer as he begins to read the fine type in the tax cut that pleased him so much last year.

The joker in the tax deal is that when the cut took effect last March the withholding rate was reduced more than the tax itself.

This had the delightful effect of making the increase in take-home pay more than the actual tax cut justified. But it is now bringing about a distressing discovery by many people as they sit down to figure out their 1964 tax bills.

They are finding that in reality they have been advancing themselves money each pay day, and that they now have to make it good as Uncle Sam wipes off that smile and becomes all business.

Voice of the People:

'Let's Improve Michigan With Cleanup Campaign'

The general neatness and cleanliness of the streets and highways in Virginia, Kentucky and Tennessee should put Michigan to shame.

Governor Romney, may I suggest a campaign to eliminate trash from our city streets, sidewalks and state highways? Under your leadership this could be started on a statewide basis and should merit the support of local chambers of commerce, civic organizations, labor unions, corporations, churches, the Michigan AAA and all newspapers.

To put teeth in such a campaign, a \$50 or \$100 fine for littering would be required. This fine would have to be widely publicized and strictly enforced. Cleaner sidewalks, streets and highways would make Michigan more attractive for tourists, as well as improving the environment for all residents.

'Great Society' Would Call for Billions'

The letters against the dangers of heavy taxation against middle class Americans cannot be disregarded.

The liberals' Great Society will require billions of taxpayers dollars. Grogan and Wolfer are concerned about the future of the middle class, and I can't help but wonder if there is any connection between their warnings to the people and Karl Marx's "Communist Manifesto" which advocates the abolition of private property rights and a heavy, progressive or graduated income tax.

Do the liberals intend to replace God with the 'Great Society'?

Rearguard Action

New York Post

The last-ditch opposition to medicare proclaimed by the American Medical Association at its recent meetings did not go down well. It provoked the general public to derision and reduced the local medical practitioner to apathy.

Discontent among doctors and the election returns help to explain the AMA's shift to a seemingly more affirmative view of medicare. It has now come up with a plan of its own. It even claims that this plan will provide "far more" help to the elderly than the Administration's program.

It is difficult to see in what respect the AMA proposal for a federally subsidized, state-administered program is anything more than a glorified version of Kerr-Mills. The assistance now available to states on a matching basis under Kerr-Mills has never been to capacity.

The AMA's latest stratagem is a rearguard action, not a death-bed confession.

Substitute for Mistletoe? . . .

The Memphis Commercial Appeal

A lady at the market asked about mistletoe the other day, and Dave Bloom was near enough to hear the answer. "No, ma'am, we don't sell it," the clerk told her. "The kids don't need it any more."

Exiles Claim Cuba Bombing

Report Sugar Mill,
Cane Field Attacked

MIAMI, Fla. (AP) — A Cuban exile organization reports hitting Fidel Castro's Cuba where it hurts most — in the sugar industry so vital to the island's economy.

The Insurreccional Revolutionary Recovery Movement — MIRR — said Sunday its commandos bombed a sugar mill and used incendiary materials to set fire to cane fields on the island's western tip.

A spokesman said, "Our planes dropped incendiary and napalm and high explosive bombs and more than 5,000 capsules of live phosphorus."

The spokesman said the cane fields hit were in Cuba's western Pinar del Rio Province. The sugar mill bombed was the Niagara mill on the north coast of Pinar del Rio.

OTHER RAIDS

He said the bombing was one of several recent anti-Castro actions by the MIRR.

In a separate action Sunday another Cuban exile group reported bombing Communist headquarters in Buenos Aires, Argentina.

The head of the Christian Nationalist Movement, Aldo Rosado, said the movement has many members throughout South America.

USW Chief Sets Aside Politicking

NEW YORK (UPI) — David J. McDonald took time out today from his campaign for reelection as president of the United Steelworkers (USW) to start work on a new contract with the nation's can industry.

He was scheduled to meet today with the presidents of USW locals representing 65,000 employees in the can and container industry for a prenegotiation briefing session.

I. W. Abel, McDonald's opponent in the bitter battle for the \$50,000-a-year presidency, was to address an AFL-CIO legislative conference in Chicago today. Abel currently is USW secretary-treasurer.

McDonald said last night in an interview on a Pittsburgh television station, "I do what the members want me to do" in contract negotiations.

He had been asked about a charge that he spent too much time on "just innovations" like total job security and supplemental employment benefits and not enough on wage increases.

PERSONAL CHOICE

McDonald said Abel had been his personal choice as secretary-treasurer.

"I was somewhat disappointed in him," McDonald said. "But he took good care of the books."

McDonald said he did not think Abel had the qualities to be a good USW president.

"I had hoped he would be what I was to Phil Murray — my good right arm. But he wasn't. He has not demonstrated good negotiating ability," McDonald said.

"He was little or no help to me. He made no contributions to the human relations committee meetings down through the years since 1960. He just didn't want to do it. He would rather take it easy than do hard, slugging work."

VP of Ad Firm Dies

In most free countries, home-makers spend from 30 to 40 per cent of their income for food.

(Advertisement)

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome those plate discomforts. PASTETEA, an improved powder, sprinkled on upper and lower plates binds them together so that they feel more comfortable. No stummy, gummy, pasty taste or feeling. It's alkaline (non-acidic), there are no "check" plates and "breath" Get PASTETEA today. "It's better everywhere."

Arrowheads Ruled Taboo for Parade

SANTA FE, N.M. (AP) — Four New Mexico Indian dancers will appear in the inauguration parade in Washington Wednesday, but without their arrowheads.

The Cochiti tribe dancers were questioned by the Secret Service, which is in charge of presidential security, about the type of arrowheads they would carry and the strength of their bows.

Joe Herrera, sponsor of the dancers, said the arrowheads were steel and volunteered to remove them for the parade.

PREPAREDNESS—Residents of Johannesburg, South Africa, receive instruction in the use of small arms at a pistol training school. Activities such as these are commonplace in the African nation.

Whites Fear Attacks

Carrying Arms Way of Life in S. Africa

JOHANNESBURG, South Africa (AP) — In South Africa the dinner guest is apt to arrive with a pistol. Many women carry small-bore weapons in their handbags.

This sort of thing has become part of the way of life in this racially segregated country. Many of its white people fear attack from either without or within.

There are estimates that about half of the three million whites have guns of some sort and know how to use them. Tear-gas pistols and tear-gas

cannisters are readily available. Women are buying a new brassiere designed to secrete a small revolver. Realistic plastic guns, firing a small steel pellet capable of maiming at close range, sell for 35 cents.

There is concern as to what the future may bring. The determination of most whites to back the government's apartheid, or segregationist line, has been strengthened by various factors — angry utterances against South Africa's race policies at the United Nations, ineffective sanctions aimed at breaking down this country's apartheid barriers, and scattered acts of sabotage within South Africa.

ARCHITECTS

Under Prime Minister Hendrik F. Verwoerd and Justice Minister Balthazar Vorster, architect of this country's stringent security laws, most would-be African nationalist leaders, saboteurs and white agitators are either in jail or otherwise rendered ineffective.

Many whites with liberal leanings toward multiracialism have been placed under house arrest. Others have fled the country to escape the long arm of Vorster's security police.

Last year's sabotage incidents and disclosures at sabotage and anti-Communist trials have made white South Africans increasingly security minded. Many politicians and military leaders are now looking toward the borders of this republic and viewing the possible future threat from nearby independent black states, some of which harbor and train black saboteurs and agitators.

Behind a growing defense force — by far the strongest in sub-Saharan Africa — the white

civilian population is being encouraged to participate in the country's massive defense program.

DON UNIFORMS

Every year 16,000 South African youths don uniforms and start a nine-month period of military training.

Thousands of civilians have joined the national survival plan, which trains them in fire fighting, first aid and ambulance work.

The survival plan provides for the evacuation of civilians from war-threatened areas, air raid shelters, information on nuclear attacks, self-protection and emergency services to insure the survival of civilians in the event of war and other national disasters.

Most South African cities have an active police reserve force. Numerous private schools teach various forms of judo and self-defense. A combat school instructs civilians in the art of killing by knife, pistol and hand.

Vorster says:

"Instigators who talked about a takeover of South Africa in 1964 have found that this nation will not be taken over — we will not sit back and watch our annihilation."

"There are many nations plotting South Africa's destruction who would attempt to achieve it, if only they had the power. We know our enemy well and if the need arises will give a thorough account of ourselves."

Although most pistol carriers emphasize that their weapons are only for personal protection or sport, there is the underlying thought that their gunmanship would come in handy if South Africa were threatened by internal disorders from its black masses.

Perle Mesta Blast Inaugurates Inaugural Week Festivities

WASHINGTON (AP) — There was pink champagne (domestic) and smoked tongue and black caviar and so many people the next vice president of the United States was almost backed into the kitchen.

But everyone had a nice word for everyone, and Hubert Humphrey, as always, had a few more at Perle Mesta's blast Sunday night which unofficially inaugurated the social swirl of inaugural week.

"How does it feel to be unemployed?" someone asked the vice president-elect. "Not unemployed," he grinned. "Unpaid," Humphrey

went off the government payroll Dec. 29 when he resigned his Senate seat to advance his successor's seniority. His new pay check of \$43,000 a year doesn't start until he is sworn in Wednesday.

TOP LINE

Clearly the top line of the evening came from Rudolph Nureyev, the great ballet dancer, who was asked what he thought of the Great Society. "I don't know," the Russian defector said, struggling to keep his elbows in and his champagne from spilling. "I haven't seen it yet."

Nureyev came with Dame

Margot Fonteyn, the ballerina, who was radiant in something black. Like Carol Channing of "Hello Dolly," they will perform tonight at the inaugural gala. Sunday night, Miss Channing wore a big round white hat which was said to be modeled after the Capitol dome.

Mrs. Mesta, who is "social consultant" for this inaugural, gave the party in her 15-room penthouse apartment, which is full of expensive French furniture — the Marie Antoinette desk, someone whispered, is worth \$25,000 — and the bath-

room fixtures are sculpted out of gold leaf.

The cocktail party had been billed as a get-together for the kinfolk and friends of the Lyndon Johnsons. But among the 300 present, the kin were outnumbered by members of government, show people and society reporters.

SOMETHING WHITE

Lynda Johnson was there, radiant in something white, escorted by former Marine Lt. David Lefevre. "Be sure," a lady from the White House whispered to a reporter, "you don't

identify him as her fiancé." Lynda's parents sent flowers and their regrets from Texas, where they personally were gathering the main body of kinfolk to fly to Washington.

Eva Gabor, no kin, was also there, radiant in something silver. Other celebrated nonrelatives include Mme. Braj Kumar Nehru, wife of the Indian ambassador; Judge Sarah T. Hughes, who swore in Lyndon Johnson Nov. 22, 1963; Supreme Court Justice Tom Clark; Sens. Russell Long (Louisiana), Fred Harris (Oklahoma) and Birch Bayh (Indiana).

Though at one time the crush of guests edged him perilously close to the open kitchen door, Humphrey maintained his good humor. "Nice and cozy, isn't it?" he said to one well-wisher.

To another: "Oh, yes, it's

terribly exciting." To still another: "Well, I'd have to say campaigning is easier than this. We have 49 more parties this week alone." Mrs. Humphrey was radiant in something white. One of their Secret Service agents confided that he would

have to change into a dinner jacket 16 times this week. As the party ended, Mrs. Mesta was asked if it had gone as expected. "Oh yes," she said. "Everybody I expected came and they all brought somebody else."

His father's '65 Fordrides quieter than his father's Rolls-Royce

Chuck's father got the Ford. Reginald's father got the Rolls-Royce. Both got a bargain. Reginald's father has a handcrafted car with all sorts of unique luxuries. Expensive? Naturally. Worth it? Quite.

Chuck's father did fine, too. His Ford rides even quieter than a Rolls-Royce. But it wasn't just quietness that sold him. He shopped around and found that Ford has features, quality and models that simply aren't matched by other cars in its class...

Quiet means quality

- 100% new body—strongest Ford body ever.
- New frame "tunes out" vibration.

New LTD luxury models

- Decorator-appointed interiors, thick nylon carpeting.
- Ten courtesy lights, five ash trays (4-door

hardtops), rear-seat center arm rests.

- Elegant upholstery fabrics—treated with Scotchgard® to resist soiling. © TM 3M CO.

New spaciousness

- Swept-back instrument panel adds 5 inches extra knee room.
- Transmission hump is lower—for extra foot room.
- More luggage space than in most competing cars—trunk holds four 2-suiters standing upright with room left over.
- Select-Aire air conditioner (optional) built into instrument panel, doesn't jut out.

Extra performance and economy

- Big, new 289-cu. in. V-8 standard in XL's and LTD's.
- Thrifty, quiet new standard Big Six—the biggest Six offered by any car.

- All automatic transmissions have three speeds, not two as in some competing cars—smoother shifting, more economy.

Special comforts and conveniences

- Silent-Flo ventilation (in 4-door hardtops) provides fresh air in car with all windows shut.
- Optional Swing-Away steering wheel.
- Reversible keys—work either side up.

There's more... much more in a Ford than you'd expect for the money. Visit your Ford Dealer and take a test drive soon.

Leading acoustical consultants conducted tests in which 1965 Fords (Galaxie 500 Sedan, XL and LTD Hardtops) with 289-cu. in. V-8 engines and automatic transmissions rode quieter than a new Rolls-Royce. These tests were certified by the U.S. Auto Club.

Cut Your Own Taxes—10

Don't Overlook Deductions on Medical Expenses

By RAY DE CRANE
Newspaper Enterprise Assn.

The payment of unusually high medical expenses admittedly is a hard way to get a tax deduction. But don't overlook this possibility if your medical bills ran high in 1962.

Many taxpayers overlook this opportunity for a deduction, fearing the rules are too complex.

You shouldn't. The extra effort required to learn the rules and furnish the information can be rewarding.

We discussed the special rules applicable to medical expenses for those over 65.

For all others, medical expenses are not deductible until after they have exceeded 3 per cent of adjusted gross income.

ADJUSTED GROSS INCOME

For example, if adjusted gross income is \$10,000 the excess of medical expenses beyond \$300 is deductible.

In totaling your medical expenses separate the cost of

medicines and drugs from other items.

Drugs may be included after their cost exceeds one per cent of income. In the \$10,000 example, all drug costs beyond \$100 are deductible.

Your medical expenses may be considered only in the year paid. You may take into account payments made in 1962 on the previous year's doctor's fee, but you may not consider the cost of 1962's operation if no payment has yet been made to the surgeon.

INSURANCE

Include in your personal medical expense calculation the cost of any hospital or health insurance premiums, fees paid a doctor, dentist, optometrist, chiropractor, psychiatrist, Christian Science practitioner, hospital, mental institution, private duty nurse, and all expenses for laboratory fees, X rays, false teeth, eyeglasses, hearing aids and their maintenance, including batteries.

List also the purchase price

or rental of wheelchairs or crutches and the cost of an ambulance ride.

If you have a sufficiently high amount to call for a deduction don't forget to include your transportation expenses in obtaining medical care.

This will include round-trip bus, train or taxi fares to a doctor or dentist's office, hospital, clinic, etc.

FLAT DEDUCTION

A recent IRS ruling permits a flat deduction of five cents per mile for use of your own car for such purposes.

You may include medical expenses paid for yourself, your spouse, dependent children, your parents if you are furnishing chief support or for any other person who would have qualified as a dependent had not he or she earned \$600 last year.

Any reimbursement received from a hospital, health or accident insurance policy must be deducted from the cost of your medical expenses.

If Blue Shield paid \$300 of your \$500 surgical fee last year only the \$200 actually paid by you may be shown in your computation.

In column one and two is a typical medical expense deduction for a family with income of \$10,000.

(NEXT: A Plus and a Minus from IRS.)

Cleanup, Probe at Wichita Plane Tragedy Site

WICHITA, Kan. (AP) — The cleanup and the questions continued on Platt Street today.

Shock gave way to grief among survivors of the 30 people who died Saturday when a KC135 jet tanker loaded with fuel smashed into the quiet section of modest homes in northeast Wichita.

It was the city's worst disaster.

The toll included 23 residents of the area and seven crewmen of the plane which left McConnell Air Force Base three minutes before it plunged almost vertically into the street.

HOUSES BLASTED

Five houses were consumed by the flaming fuel which splashed from broken tanks. Only the shells remained of six houses and 25 others were damaged.

As identification of the dead was established the bodies were moved from a temporary morgue at the County Health Department to funeral homes.

Emmit J. Warmley, 37, his pregnant wife and their three children were among the dead. Albert Bolden, 22, his wife and their three children also died in the holocaust.

MOTHER KILLED

Sharon Dale, 15, was on a baby-sitting job when her mother, Alice A. Dale, 46, and 2-year-old sister, Cheryl Ann, died. Harvey Dale, the father and husband, was at work.

Joe T. Martin Jr., 25, and his brother, Gary Linn Martin, 17, died at the scene. They were the only sons of Mr. and Mrs. Joe T. Martin Sr., who went into seclusion with relatives after the father identified his sons.

While military and civilian authorities carried on the grim task of cleaning up the area seven local businessmen set about finding livable homes for those displaced by the tragedy.

"We want to interest the Wichita Association of Home Builders in this project," said James Gardner, chairman of the group. He said the group plans to repair damaged houses where possible and arrange through the Veterans Administration and the Federal Housing Administration for houses for persons whose homes were destroyed.

HELP THEIR OWN

"We will accept donations," Gardner said. "We know these people need the help. They're Wichitans and we're going to take care of our own."

Fire Chief T. A. McGaughey estimated damage to civilian property at \$155,000. The plane was valued at \$3 million.

Utilities in the crash area were shut off because of broken water and gas mains. They were largely restored Sunday

night but not before many residents in undamaged houses spent a cold night at home.

Brig. Gen. Murray A. Bywater, named to head an investigation of the crash, said everything about the plane's take-off was normal.

PLANE CLIMBED

Bywater said the craft, loaded with 80 tons of fuel for a test mission with a B52 bomber, was given clearance to make a left turn and climb on a prescribed course.

"In a very few seconds," he said, "the pilot called Mayday, Mayday, Mayday, and gave his call sign. The control tower operator cleared him to land and asked what his trouble was."

"There was no reply."

Bywater said the plane was dumping fuel but that it was too early in the investigation to say whether the pilot had power or control difficulties.

STEEP BANK

The plane was in a steep bank

and Col. Tom Murphy, director of safety for the 2nd Air Force, said some witnesses indicated it came in at about an 80-degree angle — almost vertical. He said there were some reports that the plane was inverted just before impact.

The crash area is roped off and heavily guarded, but sightseers swarmed into the vicinity late Sunday, most in cars but some on foot, creating a traffic jam.

Air Force personnel searched the area for every identifiable piece of the plane. Investigators may attempt to reassemble sections of the plane in their efforts to learn what was wrong with it, and why the pilot turned back toward the air base.

Perhaps never to be known was whether the pilot was aiming his big plane at a small clearing along the houses in an effort to avoid such disaster.

HELP SURVIVORS

Military and civilian author-

ities are attempting to meet every need of survivors and displaced persons. The Air Force set up an emergency financial office with authority to provide up to \$1,000 per family.

The Red Cross has received over 200 offers of temporary housing and handled 30 requests for aid over the weekend.

The late Harpo Marx, who was the silent member of the Marx Brothers, never advanced past the second grade in school.

AP Photofax

WHERE 30 MET DEATH — A gully ripped in the earth in a residential section of Wichita, Kan., shows where a KC135 jet tanker

crashed Saturday, killing 30 people. The plane, loaded with fuel, caused a severe fire, and 36 homes were destroyed or damaged.

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with any of the quicker engines for the '65 Pontiac, it saves the roaring for whenever you need it. When you don't need it, the extra-potent engines let you just loaf along. And this loafing gives you the kind of economy you wouldn't expect from a looker like the '65 Pontiac. Stop by your Pontiac dealer and have him show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.

Science Quiz

BY BOB BROWN

PROBLEM: Blow the coin over.

NEEDED: A funnel, a coin (quarter is good in most funnels).

DO THIS: Hold the funnel upright, without covering the spout, and try to turn the coin over by blowing hard into the funnel as shown. It is difficult if not impossible. Cover the spout with a finger or thumb, and the coin may be blown over.

HERE'S WHY: This is an example of Bernoulli's principle. With the funnel spout

not covered, some of the air passes rapidly through the small space between the coin and side of the funnel, and out the spout.

This decreases the air pressure around the bottom edge of the coin, so that the coin tends to remain in place. With the funnel spout covered, this Bernoulli effect is not present, and the air blown under and around the coin tends to turn it over.

A second volume of these experiments is available in bookstores and libraries under the title "Science Circus No. 2." (Copyright 1965 General Features Corp.)

World News Roundup

Fear Violence in Burundi

BUKAVU, the Congo (AP) — Violent reactions were feared today from followers of assassinated Premier Pierre Ngendandumwe.

Reports reaching this eastern Congo border town said the premier was shot with an automatic rifle last Friday after coming from a hospital where his wife had just given birth to a son.

Ngendandumwe was named premier by King Mwambutsa IV only eight days before. He was a member of the Hutu tribe, many of whose leaders have been educated in Western universities. They oppose the Tutsi tribes, whose leaders are said to support the Red Chinese.

Western diplomats in Bujumbura, the Burundi capital, reported that seven top politicians had been arrested for questioning but that the assassin was believed still at large.

MEXICO CITY (AP) — A group of interns seeking higher pay from the government is threatening a nationwide doctors' strike in Mexico.

The Mexican Association of Resident and Intern Physicians says 5,000 of its members have been on strike since last Wednesday in 157 hospitals. They are employed mainly by the government.

MONTREAL (AP) — early Canadian coins valued by police at \$100,000 were stolen Sunday night from a museum in downtown Montreal.

LONDON (AP) — At least nine persons were feared dead today after the worst gales in 10 years battered the British Isles and the Bay of Biscay.

Four hunters were missing in the Lancashire marshes; police found the body of a fifth. Two fishermen drowned in Dover harbor and two others were killed in a highway accident.

Weathermen said gales up to 100 miles an hour lashed the English Channel. The storm also brought rain, snow and sleet.

The Norwegian motor vessel Fossum's 27 crewmen were saved after the ship, on a maiden voyage from Bilbao, Spain, sank in the Bay of Biscay. Her skipper clung to a frail raft for hours before he was rescued.

VATICAN CITY (AP) — The death of Pierre Cardinal Gerlier has set off new speculation that Pope Paul VI may soon call his first consistory for the creation of new cardinals.

His death reduced the College of Cardinals to 76 members, the lowest since 1959.

Cardinal Gerlier, archbishop of Lyon, France, and primate of Gaul, died Sunday, at the age of 85.

TEL AVIV, Israel (AP) — Israel has complained to the United Nations Supervisory Commission about the wounding of an Israeli policeman on the Jordanian border. It called the situation on the border "intolerable."

A military spokesman said the policeman was seriously hurt when a Jordanian position opened fire on an Israeli patrol in the Jerusalem area Sunday. He said the exchange of fire ended 15 minutes later when U.N. observers arrived on the scene.

LONDON (UPI) — Singer Harry Secombe offered to replace a clock whose glass face was shattered the moment he hit a high note while singing "If I Ruled the World" on a television shown from the Palladium.

Dr. Wayne G. Brandstadt Says:

Alcohol Has Special Risks for Youths

Alcoholic beverages are a part of the life of about 67 per cent of all persons over 15 in this country.

Because of this statistic, Frances Todd believes that teen-agers should be taught something about drinking.

To this end she has written "Teaching About Alcohol" (McGraw-Hill paperback).

Parents of teen-agers would

do well to read this book.

A careful distinction must be drawn among drinking, drunkenness and alcoholism.

SINGLE DRINK

Just as a single drink does not make a person a little bit drunk, as some extremists have maintained, neither does getting tipsy at times necessarily indicate alcoholism.

By the time your youngster reaches his teens he will probably have tasted alcohol in some form and will probably have made up his mind whether or not he will drink.

It is important that he realize

that both a decision to drink or not to drink is socially acceptable.

Most important of all, he should understand the special risks of drinking before he reaches full maturity.

PRESSURES TO DRINK

The pressures to drink are probably a little greater for the teen-age boy than for the teen-age girl.

What, then, are the hazards associated with teen-age drinking?

Since a person's tolerance for alcohol is in large part determined by his body weight, and since some teen-agers have not yet attained their full adult stature, it follows that smaller amounts of alcohol will be needed to depress their higher brain centers.

Furthermore, your adolescent child is more apt to experience psychological intoxication.

EMOTIONAL EXPERIENCES
All emotional experiences in teen-agers are magnified beyond the comprehension of their parents.

Thus, it will take very little alcohol to plunge a teen-ager into an emotional crisis which may result in an unfortunate fight or an even more unfortunate love affair.

An adolescent — nor anybody else — does not need alcohol to help him meet his personal problems.

He must learn to face them squarely without the crutch, and the poor crutch at best, of inebriation.

PHYSIOLOGICAL REASONS

But there are physiological as well as psychological reasons

why a little alcohol may affect a teen-ager adversely.

Until a person's stomach has gotten used to alcohol, nausea and vomiting may occur.

This is the opposite of the desired effect, and may ruin what started out to be a gay party.

The greatest risk is the effect of alcohol on the inexperienced driver who is also an inexperienced driver.

Alcohol has made too many teen-agers irresponsible behind the wheel.
It is best not to introduce your adolescent son or daughter to alcohol but, if you must do so, do it very gradually.

Start with beer or wine and make it a truly educational experience, not a vicious habit.
(Written for Newspaper Enterprise Assn.)

The Philadelphia Mint has had to curtail making foreign coins—which it did for many Latin American, African, and

European countries—because of the present coin shortage in this country. The Mint now operates on a 24-hour day, 7-days-a-week schedule. Only other Mint in the U.S. is in Denver. The San Francisco and New Orleans mints have been closed.

The Warren Commission questioned 552 witnesses during its 10-month inquiry of the assassination of President Kennedy.

Hearing Is Set for Guard Pair

Romney Cuts List of
Charges From 11 to 3

LANSING (UPI) — Gov. George Romney, after trimming an original list of 11 charges to just three, has set Feb. 15 for the start of an administrative hearing for two National Guard generals he tried to fire from their jobs with the Michigan military establishment.

In setting the hearing, Romney said charges presented to him alleged Maj. Gen. Ronald D. McDonald and Brig. Gen. Carson Neifert had "been guilty of gross neglect of duty, misfeasance or malfeasance in office and are wholly unfit to execute their respective jobs of adjutant general and quartermaster general."

The list of charges and the covering executive order were delivered by State Police Saturday to McDonald and Neifert at their homes in Okemos.

Romney dismissed McDonald and Neifert Oct. 8 after receiving a report from then Aud. Gen. Billie S. Farnum which charged the officers with maladministration of the Guard. He has always emphasized, however, he did not believe the men guilty of criminal action.

ACTION RESCINDED

After Atty. Gen. Frank J. Kelley issued an opinion declaring Romney had acted wrongly in firing the men outright, the governor rescinded the action and had them suspended pending the outcome of the administrative hearing.

A third officer involved—Lt. Col. Versel Case Jr.—remained dismissed because Kelley said he was not protected by the same statutes that guaranteed the generals a hearing.

Case has filed suit in the State Supreme Court in an effort to regain his post as executive officer to the quartermaster general.

The job of drafting the abbreviated charges, carried out by Assistant Atty. Gen. Russell Searl, wasn't finished until late Friday night. The charges, listed in the form of a petition addressed to Romney, were signed by Maj. Gen. Cecil L. Simmons, commander of the 46th Infantry Division, and Beamon J. Potter, director of the state audit division of the Auditor General's Department.

THE CHARGES

The charges alleged McDonald and Neifert had been:

- Illegally selling state property at Camp Grayling, the Guard's summer training grounds.
- Wrongly diverting funds from state armories for use in developing the Grayling facility.

- And drawing checks on the quartermaster general's fund in one fiscal year for use the next rather than returning the unexpended monies to the state general fund.

CHARGES IGNORED

The specifications completely ignored earlier charges Farnum and Romney had leveled about illegal sale of liquor in state armories; irregularities in legally authorized pay scales; and misuse of travel vouchers.

McDonald and Neifert, on advice of counsel, said they would make no comment on the governor's latest action.

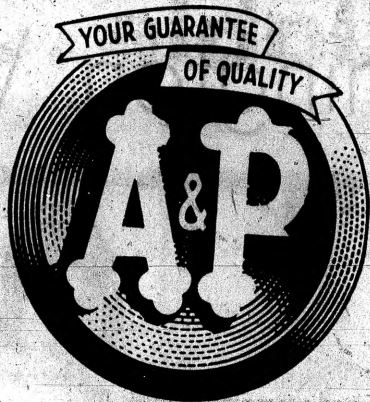

"I only renew my former statement that the governor was ill-advised," McDonald said.

But the citizens committee which was set up in their defense was elated by the reduction in charges.

Ex-Roosevelt Yacht Is Rifled by Burglar

LONG BEACH, Calif. (UPI) — Police today sought a burglar who rifled the yacht Potomac, which once belonged to former President Franklin D. Roosevelt.

A watchman reported the theft during the weekend of a vacuum cleaner, a water color painting of the yacht's dining room and the bed used by the late chief executive's dog, Fala. The yacht now belongs to Marie A. Pagliasso of Sanger, Calif.

All Eyes Are Focused on Washington Women

AP Wirephotos

The First Lady is shown here in the brilliant American Beauty red wood ensemble she will wear for the outdoor oath-taking ceremony and Inaugural parade Wednesday. The coat and dress, also of red wool, were designed by Sophie of Saks Fifth Avenue. Coat has a small black sealskin bow at the neck.

Mrs. Lyndon Johnson will wear this jonquil yellow double-woven satin classic style gown to the Inaugural Ball this week. Her satin slippers match the gown which was designed by John Moore of New York.

A full-length coat of double-woven satin with sable trimmed sleeves will keep Mrs. Johnson warm as she goes from ball to ball on inauguration night. Falling from narrow shoulders to a wider hem, the coat is fully gored and features a face-framing, standup collar.

They Chose Complementary Wardrobes To Sponsor Two Films

Lynda Johnson, daughter of the President, models the white silk sheath gown she will wear for the Inaugural Ball. Her ensemble includes a full length, double breasted coat of matching material.

WASHINGTON — The first fashion flurry of the inaugural begins this afternoon when 5,000 queue up in the National Gallery to meet Mrs. Lyndon B. Johnson and Mrs. Hubert H. Humphrey.

They announced in advance their gowns for the three-day inaugural celebration, a wide range from warm outdoor outfits to specially designed ball gowns.

They picked their favorite colors — Mrs. Johnson choosing bright shades of yellow, bright red and shimmering whites; and Mrs. Humphrey a patriotic wardrobe of red, white and blue.

Mrs. Johnson and Mrs.

Humphrey planned to wear hats only to the outdoor oath-taking and inaugural parade.

They were careful to see their clothes went well together, since they were making joint appearances almost everywhere.

The First Lady has picked a American beauty red costume for the Capitol ceremony where President Johnson will be sworn in at noon Wednesday.

Designed by Sophie of Saks Fifth Avenue, New York, it includes a single-breasted coat of needlepoint wool, with a small face-framing collar and tiny black sealskin bow

at the neck, over a matching slim-skirted sheer wool dress.

OFF THE FACE

The hat, by Adolfo of New York, is American beauty red velvet off-the-face, with a black velvet band.

Mrs. Humphrey wanted to make the most of her inaugural wardrobe, but didn't have the time and had to leave it to dressmakers.

However, she did make her own inaugural day outfit — a dress of pale cerulean angora and wool broadcloth, semifitted, with simulated slot seaming along the bodice and

front of the skirt, giving an empire line.

She's been saving it to wear for the first time officially at the ceremony. A black sable hat goes with it.

FASHION CLIMAX

The main fashion event, of course, is the inaugural ball on Wednesday night, and top-ranking Washington wives have put the emphasis on their ball gowns.

Leading the way will be Mrs. Johnson with a classic long coat and gown ensemble of heavy double-woven jonquil yellow satin, designed by young New York designer

John Moore, an Oklahoman who claims Texas as his home state.

The gown has a bateau neckline and small wing-capped sleeves.

A bias front panel set into the bodice features a slightly raised waistline tapering to a natural waistline in the back, with slight fullness flowing in the skirt.

With it, Mrs. Johnson will wear a single stand of pearls and the diamond and gold earrings given her by the President on their 30th wedding anniversary last Nov. 17.

Three area organizations, Drayton Plains extension study group, Blue Star Mothers club, and the Michigan Cancer Foundation, will present a jointly sponsored program at 8 p.m. in the Drayton Plains Elementary school Thursday.

"Habit for Life" and "Breath of Fresh Air," both informative films on cancer, will be shown by Mrs. John Peterson.

Lynda and Luci Share Spotlight With Mother

The women in the first family will have their hair done in fancy coiffures with extra hair pieces for the inaugural festivities.

Washington hairdresser Jean Louis, who brought the first lady a special "postiche" (hairpiece) from Paris, plans to create a "romantic" but regal style for her for the ball.

Lynda has chosen a white silk gown, reminiscent of the Jacqueline Kennedy look, for the five inaugural balls.

She will wear a double-breasted, white ottoman silk coat with rhinestone buttons and white accessories.

LUCI IN PINK

Luci will make her entrance to the ballrooms in a rose petal pink satin dress with a beaded bodice, a scoop neckline and a gently full skirt.

She will wear pink shoes and new pearl earrings her mother gave her for Christmas.

Mrs. Humphrey, who makes most of her own clothes, sewed the semi-fitted empire line dress of pale cerulean blue angora and wool broadcloth which she will wear to the inauguration.

Over the dress, she will wear an Alaskan seal coat with a sable collar she purchased during her campaign trip to Alaska.

For the swearing-in ceremony, Lynda plans to wear a slim lined "Texas sky blue"

coat over a matching blue jersey dress. Luci will wear a nubby navy blue two-piece suit with an easy skirt, short-fitted jacket, white blouse and blue accessories.

RED FOR LADYBIRD

At this afternoon's reception for "distinguished ladies," Mrs. Johnson planned to wear a holiday-red textured silk dress with three-quarter length sleeves, a rounded neckline and a gently flared skirt.

Tonight, at the Democratic Gala, she will wear a sparkling white peau-de-soie gown with an iridescent beaded bodice and a softly gathered belled skirt.

Lynda will wear a buttercup yellow silk with an empire line bodice, capped sleeves and a round neckline.

Luci will wear a silk floral white-on-white brocade with a tapered skirt and narrow shoulder straps. Her bolero jacket has crystal beading.

SILVER BROCADE

Mrs. Humphrey picked a silver and white brocade dress with a matching jacket for the ladies reception at the National Gallery of Art.

For the evening outings, she has a red satin gown with a bateau neckline and a white satin gown with hand embroidered white flowers and a deep wine colored insert running through the bodice and over the left shoulder.

An Alaskan seal coat with sable collar will keep Mrs. Hubert Humphrey warm during the outdoor activities on inauguration day. Mrs. Humphrey bought the coat during her campaign tour of Alaska last October. With it she will wear a black sable hat.

Mrs. Hubert Humphrey, wife of the vice president, will wear this gown of frail sheer ribbon lace in wisteria tones with a matching full-length coat. Designed by Count Sarmi of New York, the costume has a V-neck bodice with a bow accentuating the empire waistline. The skirt is gently shaped with scalloped hemline.

Localites Are Guests

By SIGNE KARLSTROM

The board of directors of the Women's Association for the Detroit Symphony Orchestra entertained Saturday evening in the social room at the Ford Auditorium for the orchestra personnel and their wives.

Mrs. Cecil Akroyd, association president and Mrs. George W. McClellan, president of the junior association, together with Mrs. Richard Tucker, chairman of the party, and Robert Semple, symphony board president greeted guests.

This party gave board members a closer contact with the orchestra and was planned in appreciation of the orchestra and its maestro, Sixten Ehrling.

Present from this area were Dr. Akroyd, George W. McClellan, the Harold G. Warrens, Dr. and Mrs. Warren B. Cooksey, the Charles Gris-

soms, the O. G. Whites, Mr. and Mrs. Terrel E. Thomas, the Robert Gills, the Don Waltons, Mr. and Mrs. Saul Bernat, Mr. and Mrs. Felix Resnick.

Mr. and Mrs. E. Steven Bauer who attended the concert with her mother, Mrs. Julian Wolfner, had as their guests, the William Painters.

Mrs. Bauer and Mrs. Painter are classmates from Smith College.

Painter, presently a visiting professor at the University of Michigan Law School, is on the faculty of the Villanova University.

Last week, Mrs. Stuart A. Cogsdill was feted on her 80th birthday with a surprise luncheon at Bloomfield Hills Country Club, planned by her two daughters, Mrs. Robert Fife and Mrs. Gene White.

Mr. and Mrs. Cogsdill are now at their Florida home in Miami Beach.

Deceptive Cream/
Fools Boarder

MEMPHIS, Tenn. (AP)—That big bowl of fresh peaches and cream Granville Farrar's landlady served him looked better than it tasted.

What she thought was a squirt-can of whipping cream turned out to be shaving cream.

Lenore Hoganson Becomes Bride

Lenore K. Hoganson exchanged vows with Garold B. Thomas of Elmwood Drive Saturday evening in the Joslyn Avenue United Presbyterian Church.

Their parents are the Julius Hogansons of Linda Vista

Drive, Mrs. Leon Giroux of Margate, Fla. and the late Reynold C. Thomas.

SEED PEARL ACCENT

Alencon lace touched with seed pearls highlighted the bride's gown of white peau

de sole styled with floating panels and court train.

An open lace pillow secured her illusion veil and her bouquet was a cascade of white carnations.

With Mrs. Gerald Hoganson honor matron, were the bridesmaids, Rhoda Garrison and Lois Carlson.

White fur hair clips and muffs topped with red roses complemented their long-sleeved formal gowns of royal blue peau faille.

ON ESQUIRE SIDE

Dennis H. Woody assisted as best man at the ceremony performed by Rev. Edmond I. Watkins. Tom Woody, Garold B. Thomas and Robert Bothwell assumed usher duties.

After a reception in Maurice's Dining-room, the couple left for a honeymoon at Niagara Falls.

The bride is a graduate of Elkhart (Ind.) University.

A June wedding is being planned by Susan Elizabeth MacFadyen and Ralph Allan Retzlaff, son of the Ralph L. Retzlaffs of Empire Drive, West Bloomfield Township. The bride-elect is the daughter of Mrs. Arthur MacFadyen of Sylvan Lake and the late Mr. MacFadyen.

Zonta Looks
for Service
Projects

The Zonta Club of Pontiac considered possible service objectives for 1965 at a dinner meeting, Thursday, in Holiday Inn.

Under the chairmanship of Mrs. Howard Brooks, a number of possible service projects will be investigated.

Mrs. W. J. Ryan of West-aeris spoke of some of the problems of young adults afflicted with polio and kindred illnesses.

The need of well-organized social functions to enrich their lives was also stressed by Mrs. Richard Wolfe who is active with these young people.

Plans for the forthcoming card party, Feb. 18, in the First Federal Savings of Oakland club rooms were discussed by Mrs. Manny Zelants, finance chairman.

Beauty Is Lavish
in Switzerland

GENEVA, Switzerland (AP)—This city's Grand Passage is agog about a new service now being offered — a Salon de Coiffure, described as "brand-new, elegant, and very American in know-how and equipment."

Some 15 specialists from Rome, Paris, and the United States are available to handle hair, faces, body, hands, and feet — "a blessing in a city where normally one has to go to at least three different addresses to get properly ready for a party."

He's Got Another Match

Stop Waiting for Earl

By ABIGAIL VAN BUREN
DEAR ABBY: When I started going with Earl ten years ago, he promised me that after he finished his 20 years in the Navy we would get married.

Well, he's been out three years now, and he never says anything about marriage any more.

He even placed his hand on the Holy Bible once and swore he'd buy me a ring, so when I asked him why he didn't, he said I talked too much.

After ten years of going around together, he decides I talked too much!

I found a book of matches in his pocket on which was written in his own hand, "IS THERE ANY WAY I CAN SEE YOU TONIGHT?"

I am sure he wasn't writing that kind of message to another man.

I am 39. Do you think it takes a 41-year-old man ten years to make up his mind?

GLADYS
DEAR GLADYS: No. I think Earl finished one 20-year hitch and he's not about to go for a lifetime hitch just yet.

The handwriting on the book of matches is clear enough. Don't wait for him to draw you any pictures.

DEAR ABBY: Why do you claim that you answer people's problems when you don't?

This is the fourth letter I've written to you and it will be the last if you don't answer. Do you just throw a letter

away if you can't think up a smart answer for it?

My problems are a lot more serious than some of the stupid ones I have seen in your column. Does a person have to PAY to get his letter in the paper?

If you don't answer this one, I am going to quit taking the paper.

LONG-TIME SUBSCRIBER

DEAR SUBSCRIBER: Does your newspaper run a "tag" after each of my columns stating that I will answer all letters WHICH INCLUDE A SELF-ADDRESSED STAMPED ENVELOPE?

If it doesn't, it should.

All these letters ARE answered, but due to the space limited to me, only a few letters can be answered daily in my column. Sorry.

DEAR ABBY: My Mother, Dad, husband and I had a big argument and we want you to settle it for us.

Every time we go out for dinner, my husband orders steak.

He is left-handed and can't cut it properly, so he gives his plate to me and I cut it for him.

My parents say that this is not proper, but my husband and I don't see anything

wrong with it. What is your opinion?

LEFTY'S WIFE

DEAR WIFE: Why your left-handed husband has trouble cutting steak is beyond me.

But if he wants you to cut it and you're willing, it should be nobody else's business.

CONFIDENTIAL TO

MOTHER OF SEVEN IN COLUMBUS: Television will never replace reading.

Limit those children of yours to so many programs a day, or when opportunity knocks later in life they won't be able to hear it for television's blaring.

Troubled? Write to ABBY, in care of The Pontiac Press. For a personal reply, enclose a stamped, self-addressed envelope.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, in care of The Pontiac Press.

Tips on Leather

Wash leather belts with mild soap suds and rinse with a cloth wrung out of clear water. Dry and rub lightly with wax polish.

YWCA Offers New Classes

Winter activities will resume a full schedule the week of Jan. 25 at the Pontiac YWCA, with the opening of classes ranging from yoga to guitar.

Ballroom dancing for teenagers, volleyball and basketball for girls 18 to 25 years, and swimming classes for women of all ages are listed in folders available by contacting the Y.

A new class offered on Saturdays at 10 a.m. includes elementary piano, ear training and music appreciation.

ART FOR ADULTS

Art for adults will replace the children's class offered last fall. Knitting and bridge will be taught both morning and evening.

Available in the morning only will be instructions on furniture refinishing, Spanish, sewing, bowling, china painting, cake decorating, besides swim classes at the YMCA and Oakland University pools.

A tour of the YW's future home, the former Beaudette House, will follow a meeting with Mrs. John Streit, chairman of classes, over dessert and coffee, Wednesday, at 7:30 p.m. Instructors, old and new will be present.

INSTRUCTORS

Mrs. C. D. Agnew will instruct sewing; Mrs. Hector Bueno, Spanish; Ben Creech, guitar; Ruth Gill, yoga; Mrs. Robert Hines, cake decorating; Mrs. Thomas Hollis, bridge; Frank Machek, art; Martin Mitnick, music appreciation.

Mrs. Streit will teach dancing; Mrs. Fidel Ochoa, knitting; Mrs. Everett Warner, china painting, and Mrs. Lucinda H. Wyckoff, furniture refinishing.

Teaching swimming at both Oakland University on Tuesday and at the YMCA on Wednesday will be Mrs. Leonard Buzz and Mrs. Streit, supervisors; Mrs. George Beauchamp, Mrs. Burt

Summer vows are being planned by Phyllis Marie Schook, daughter of the Charles Schooks of Walsh Street, Avon Township, and Clyde Carter, son of Walter Carter of Lake Orion and Mrs. Irmil Ogden of Washington, Mich.

Knox, Mrs. Bernard Stickney and Mrs. Robert Watson.

NURSERY LEADERS

Mrs. Hazel Beutler will be in charge of the Y's nursery, open from 9 a.m. until 2 p.m., Tuesday through Friday. Nursery chairman is Mrs. Bruce Hubbard.

Assistants include Mrs. Victor Ison, Mrs. Max Miller, Mrs. Leslie Pickup, Mrs. Cecil Shelton and Mrs. Harold Wagg.

Many foreign girls temporarily living in the area, also other strangers and newcomers, find Ladies Day Out on Wednesdays a way to meet people and find new interests.

A low-cost luncheon follows an informal program. Y members not enrolled in classes are invited to drop in for these events.

MD Slated
for Meeting

The Oakland District Nurses association will hear Dr. John R. Dorsey on "What Is a Professional Nurse" at 8 p.m., Tuesday in the auditorium of the St. Joseph's Hospital Nurses Home.

Dr. Dorsey is chairman of the Department of Psychiatry at Wayne State University.

Co-chairmen of the meeting are Sister Mary Reginald and Mrs. Helen Nimmo.

Nonskid Rugs
Can Be Washed

Most nonskid scatter rugs may be washed in soap or de-

tergent suds, by hand or machine.

Printed directions supplied by numerous manufacturers also sanction dryer-drying. In that case, a cool or low temperature setting is desirable.

MRS. H. SCHOMBERG

Club House
Is Scene of
Reception

A reception in Westacres Club House followed the Saturday marriage of Janet Kay Schenck to Herbert Edward Schomberg in St. Mark's Lutheran Church.

Parents of the newlyweds are the Robert E. Schencks of Westacres and the Leonard Schombergs of Crooks Road, Avon Township.

ROSE HEADPIECE

A white rose cradled the bride's silk illusion veil which complemented her gown and chapel train of white embroidered nylon. She carried white roses and Snowdrift pompons.

With Mrs. John D. Kubat, her sister's honor matron were Linda Schomberg, Judith Garrels and Cheryl Patten.

Attending their cousin were James Purdy, best man, and James Hochhammer, who ushered with the bride's brother Paul G. Schenck and Charles Weaver.

Laurie Beth Stark and David Kubat were flower-girl and ring-bearer at the ceremony performed by Rev. William C. Grafe.

The couple will return from a honeymoon at Niagara Falls, N.Y. to a home in Drayton Plains.

Pull for Tots

A button of one-inch diameter sewed to the slot on a zipper tab will give children

a better grip on zippers and help them to dress their selves in their out-of-doors, heavy clothing.

Why Grow Old?

You know they say that there is more than one way to skin a cat. There are many tricks which will make it easier for you to stick to this plan.

I think these are especially important at the beginning of a reducing schedule.

1. Have someone take a candid snapshot of you, without benefit of girdle. Tack it up on the inside of your closet door.

If you have a snapshot of you before you gained your overweight put that along side. If not the present picture will remind you of your goal.

2. For the first week or two you may find it helpful to eat by yourself rather than with the family, not because you are going to starve, but because it will take temptation out of your sight until you and your stomach are happier with fewer calories.

After two weeks, or maybe even sooner, you will not want so much food.

3. Eat slowly, and eat the protein foods first, such as meat or fish or seafood or fowl.

4. Get out a dress you have, and like very much but cannot wear because it is too small, and hang it in plain view in your bedroom — or — buy a new dress you like very much but which is one or two sizes too small.

At the end of eight weeks you will be able to get into it.

FIVE SMALL MEALS

5. You may find it easier to divide your daily caloric intake into five meals instead of three. You may even find it helpful to snack during the day and evening, to eat small amounts at odd times.

There is nothing wrong with this, if you see to it that your food intake for the day provides you with the essentials for health and if you do not go over your allowable caloric intake for that day.

6. Green salads are filling and full of health value. Don't let them be grim.

Make your own salad dressing, using tomato juice as a base and adding lemon juice and garlic or onion salt for flavor.

Of course there are many really delightful low caloric dressings on the market, some with as few as three calories to a tablespoonful. You might use one of these.

7. Have your husband weigh you every morning. Readers have written that this is a highly successful measure because they would have been dismayed had the scales shown a gain rather than a loss.

I think that family interest and cooperation about a woman's decision to reduce is most helpful.

8. Studies have shown that most of the successful dieters do not skip a meal. If they do so, they more than make up for it at the other meals because they are so hungry.

SAVE-A SNACK

9. It seems that the "little bit to eat before going to bed," and especially while looking at television, is the downfall of many would-be reducers.

Many women have told me that they did just fine on their diet except for sitting with their family, looking at TV when everyone was eating something, something which was usually fattening.

If this is your problem save something from your diet to eat at that time.

One woman solved it by having a dish of crisp carrot and celery sticks, flavored with onion salt, to chew on. She said that so long as she was eating something while the others were eating fattening items, she didn't mind.

You could have a glass of skim milk with a teaspoon of chocolate syrup.

10. The main important trick to have made up your mind to lose weight and to keep alive in your minds eye the goal you are shooting for — a lovelier you — you CAN be — and just eight weeks from now!

P.S. I said I would give you ten tricks. I just thought of another. If you have a sweet tooth, do not have candy about the house.

There is no point in building character the hard way. If your family craves it, let them eat it when you are not looking and keep their store of sweets well hidden.

The engagement is announced of Mary Virginia Pierpont of Berkley Avenue, daughter of the William J. Pierponts of Detroit, to Larry Edmond Clement, son of the Louis Clements of North Cass Lake Road. Her fiance attends University of Michigan.

Magnifying Glass

If you want to copy a croch design from a picture,

the task will be easier if a magnifying glass is used over the picture to bring out the stitches more clearly.

LITTLE SISTER'S JEALOUS — "Teen-ager" Mrs. David J. Holderness watches ruefully as her older sister, played by Mrs. William J. Whitaker, dances with Ted Knapp in an Avon Players rehearsal of "Picnic." Little sister wishes she could trade places. The adult romance by William Inge will be presented at 8:30 p.m. Friday and Saturday in the West Junior High School auditorium, Rochester. Robert Liggett is the director.

For Polar Bear Derby

Scouts Brave the Cold

Some 500 Boy Scouts and leaders braved near-zero temperatures and strong winds Saturday to participate in the annual Ottawa District Polar Bear Derby.

The Bear Patrol from Troop 115, sponsored by the Men's Club of Our Lady of Refuge Church, Orchard Lake, won the event at Kensington Metropolitan Park near Milford.

Taking part in the trials were 71 patrols from 28 troops.

Dressed for the weather, the Scouts pulled Klondike-type sledges over the derby courses and demonstrated their Scouting skills at each station along the way.

Probably the most popular stop was the last one, where building a fire and heating water to make hot cocoa was the required activity.

GOLD NUGGETS

"Gold nuggets" were awarded for points at each station.

Collecting the most as members of the winning patrol were Edward Chovanec, Tom Walsh, Gregory Walsh, Timothy Clayton and Tom Clayton.

The second-place trophy was won by the Bat Patrol of Troop 107, sponsored by the Bayside Beach Association of Walled Lake. The patrol consisted of Timothy McDougle, Roger Gualt, Mike McLain, Ronald Boughton, Mark Fitzgerald and Philip Heinicke.

Tying for third place were the Fox Patrol of Troop 163, sponsored by the Antioch Lutheran

Church of Farmington, and the Eagle Patrol of Troop 176, sponsored by the Highland Methodist Church.

FOX PATROL

Members of the Fox Patrol are Roy Aydelotte, William Aydelotte, Roger Waite and Thomas Collings. Eagle Patrol members are Ronald Fremlin, Ronald Broden, John Fremlin, Bruce Thompson and Eric Heimke.

Leaders were assisted in running the derby by older Scouts who served as judges

at the stations and in numerous other ways.

Among those who helped with the event were Scouts from Troop 116 of Farmington, sponsored by the Eagle Elementary School PTA; Squadron 711 of Farmington, sponsored by the

Parents Association of North Farmington High School; Post 33 of Milford, sponsored by Old Mill Post No. 9422, Veterans of Foreign Wars; and senior Scouts from Troop 107.

John Watzke of Farmington made all preliminary arrangements for the event, but in his absence because of business Harold Venie of Union Lake took charge of the Derby.

He was assisted by Reo Brink of Milford, district vice chairman, and Jerry Wachtel of Northville.

AREA NEWS

ALL THREE TRIED — Mr. and Mrs. William Bates (seated) and a neighbor, George Hoke, broke windows and battered down doors to try and reach Bates' 91-year-old mother who died in a fire that leveled her home near Romeo early yesterday morning.

The trio was driven back by dense smoke. Mrs. Bates suffered minor cuts on one hand from shattered glass. She is holding a clipping written to honor her mother-in-law, Mrs. Lafayette Bates, on her 90th birthday last year.

Detroit Unions Plan 'City of Tomorrow'

DETROIT (AP) — A "City of Tomorrow"—one of the largest urban renewal developments in the nation—is being planned for Detroit by a group of Michigan labor leaders, a Detroit union official said Sunday.

A committee headed by Al Barbour, Wayne County AFL-CIO president, is setting up a nonprofit corporation to be known as Michigan Housing Associates to promote the project said Dan Diamond, Detroit Building Trades Council president.

The project, "still in the talking stage," ultimately would consist of \$100 million worth of cooperative apartments and row houses for 28,000 factory workers and other moderate-income families, Diamond said. It would include a large central park ringed by medium-height apartment buildings and one- or two-story town houses. An area would be set aside for an educational complex, including schools for handicapped children, vocational education and a two-year community college.

A 505-acre site on Detroit's near east side is being considered for the complex, Diamond said.

One plan under consideration calls for the project to be built under a federal program which provides for no down payments and 40-year mortgages at less than 4 per cent interest to families with low enough incomes to qualify under a special formula.

The "City of Tomorrow" would be constructed in stages. When one group of buildings was completed and sold, the investment would be recovered and used to finance the next stage.

Diamond said it would be "at least a couple of years" before any construction could begin.

OTHER OFFICIALS

Working with Barbour and Diamond are Emil Mazey, United Auto Workers secretary-treasurer; Gus Scholle, State AFL-CIO president, Bill Williams, Amalgamated Clothing Workers; Charles Younglove, United Steelworkers; and several other union leaders.

W. Bloomfield LWV to Meet

Human Resources Will Be Discussed

WEST BLOOMFIELD TOWNSHIP — Development of human resources will be discussed at tomorrow's meeting of the West Bloomfield League of Women Voters.

The general membership meeting scheduled for noon at the West Bloomfield Library, 5030 Orchard Lake, is open to the public.

This will be the group's first program devoted to the subject adopted by the League of Women Voters' national convention last spring as the current agenda item.

Scope of the two-year study is "evaluation of policies and programs in the United States to provide for all persons equality of opportunity for education and employment."

A panel discussion will be conducted by chairman Mrs. Maurice Allen, Mrs. Jack Mitchell, Mrs. Harold Sader, Mrs. Ross Callaway, Mrs. Robert Cutler and Mrs. Jack Strohm.

Area Club Names 'Boy of Year'

AUBURN HEIGHTS — A 16-year-old Pontiac Township youth has been selected "Boy of the Year" by the Auburn Heights Boys' Club.

David Dellerba, son of Mr. and Mrs. Paul Dellerba of 2139 Hempstead was chosen in an annual process that evaluates scholarship, citizenship, character and service to school, community and the club.

An 11th grade student at Avondale Senior High School, David was called "an outstanding example of juvenile decency" by club Executive Director Sam R. Sheehy.

A member of the varsity football team, he has served the boys' club as a baseball coach and basketball referee, and has participated in both sports as a club member while compiling a fine academic record.

As "Boy of the Year" his name will be engraved on a plaque which already includes the names of Mike Ball (1961), Tom Hupp (1962) and Dick Jones (1963).

PRESENT PLANS

David's present plans are to

prepare himself for a career in teaching and coaching.

This is probably a natural inasmuch as his father is head football coach at Pontiac Central High School.

Recognition for the youth's outstanding record at the boys' club and elsewhere may include further honors besides the in-

DAVID DELLERBA

scribing of his name on the club plaque.

Winners of the annual "Boy of the Year" title are eligible for a scholarship program totaling \$3,200 as part of the 19th annual "Junior Citizens" program of the Boys' Club of America.

625 CLUBS

Some 625 Boys' Clubs throughout the nation compete for the awards, made possible through a fund established by the Reader's Digest Foundation.

The national winner receives a \$1,000 grant, while \$200 each goes to seven regional winners and \$100 to each of eight sectional winners.

NATIONAL WINNER

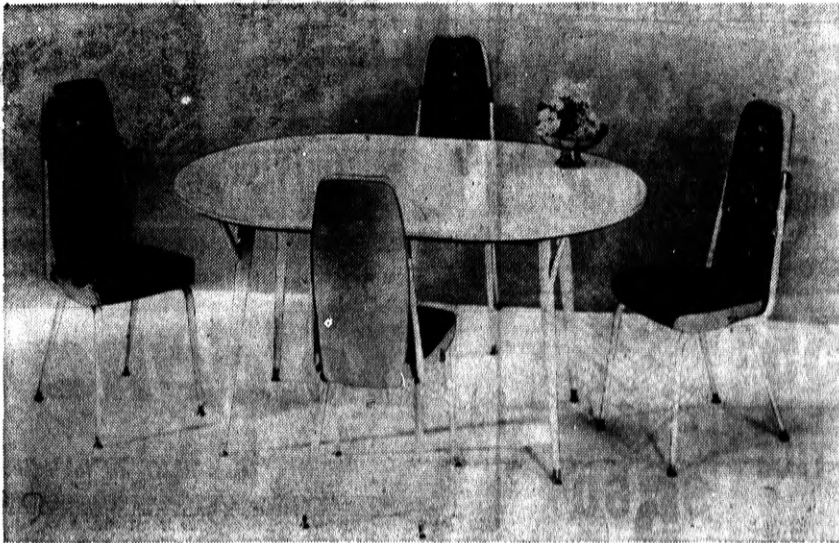

The national winner is traditionally "installed" by the president at the White House and takes part in newspaper, radio and television interviews.

Later he will be an honored guest at the 59th Annual Boys' Club Convention April 4-10.

The average cost of public schooling in Oakland County last year was \$426.28 per child.

Says Dock Strike May End Thursday

NEW YORK (AP)—Asst. Secretary of Labor James J. Reynolds says Thursday is a possible date for the end of the strike of longshoremen on the Atlantic and Gulf coasts.

That is the day that a new vote will be taken among the 24,000 dock workers in the port of New York on a proposed contract they rejected a week ago Friday.

Should they okay it this time," Reynolds said yesterday in New Orleans, "They would be ready to return to work Thursday night."

Reynolds added: "I'm going to meet New Orleans officials all this week and we feel hopefully they'll be ready to go back to work at the same time as New York dock workers would be ready."

Reynolds has spent weeks in New York and other ports seeking to prevent the strike, and to settle it after it began.

8-DAY STRIKE

Longshoremen in struck ports from Maine to Texas are looking toward the situation in New York, where the contract rejection was the main factor in triggering the eight-day-old two-coast strike.

The strike by 60,000 members of the AFL-CIO International Longshoremen's association (ILA) has tied up more than 300 ships. Many of the ships carry perishables that the starting to spoil.

Contracts reached by the ILA and the New York Shipping Association, which represents 145 shipping and stevedoring companies, normally set a pattern for contracts in the other ports.

ILA President Thomas W. Gleason, who has praised the four-year contract rejected in New York, worked in the union's mail room here for almost 10 hours yesterday helping to send out 24,000 letter appeals to the members in the port to approve the contract which was rejected by a slim margin.

The date for the new vote was announced Saturday.

PROPOSED PACT

The proposed contract offers the men their first guarantee of an annual minimum wage—\$5,860 for 1,600 hours work.

It also gives them a wage-benefit package of 80 cents an hour over the four-year term, including an increase of 36 cents an hour in wages which were a basic \$3.26 an hour under the expired contract.

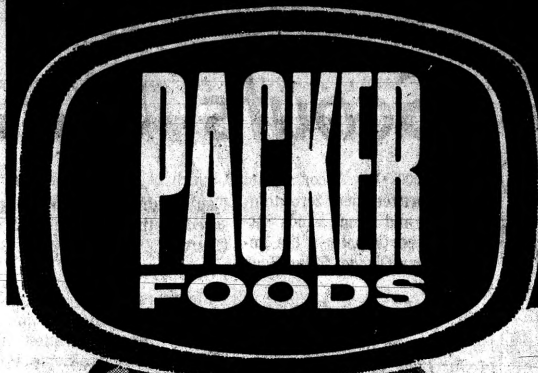

Also provided are improved pensions, longer vacations and more holidays.

The main cause of the rejection appeared to be the contract provision for gradual reduction of the work gangs from 20 to 17 men over the four years.

Former Publisher Dies

SYRACUSE, N.Y. (AP)—Jerome D. Barnum, 76, president of the American Newspaper Publishers Association from 1935 to 1937, died Saturday. Barnum published the Syracuse Post-Standard from 1916 to 1942.

State GOP Leaders Hope Elly Will Project Better Party Image Than Resigning Elliott

By DICK BARNES

LANSING (AP) — Many Republican leaders from Gov. George Romney on down hope State Chairman-apparent Elly Peterson can present a better party image to the public and its workers than has out-going chairman Arthur Elliott.

This, party sources indicate, is why Elliott said he's quitting and Romney tapped Mrs. Peterson for the job in a sudden sequence of events late Friday and Saturday.

Pent-up dissatisfaction with Elliott's handling of his job burst from various officials after Senate minority leader Emil Lockwood, R-St. Louis, said he thought Mrs. Peterson, a former national Republican official and U.S. Senate candidate, would be a good chairman. Romney quickly consulted with party leadership and decided there was not sufficient support for Elliott. In three rapid conferences with Mrs. Peterson, he talked her into taking the job. And Elliott — without outward rancor — announced he wouldn't seek another term.

Mrs. Peterson, assuming she is elected at the party State Convention Feb. 19-20, would become the first woman ever to head a Republican State organization and, to the best of her knowledge, the first such female leader in either major party.

Elliott will go back to his real estate business after a two year term which followed his management of Romney's successful 1962 gubernatorial campaign.

Some criticism of any party chairman is normal after such a defeat as Republicans suf-

fered last November. But a secret meeting of party leaders after the election had produced no outward sign of major dissatisfaction with Elliott, former head of the Oakland County Republican organization.

This, it now appears, was because Republicans felt Romney should have his choice of state chairman.

WASN'T SOLD

Romney, it turns out, was not so sold on Elliott that he would not investigate reports of discord. He had the dissidents available to hear from because the party State Central Committee was meeting in Lansing. What he heard reportedly was not favorable.

The Governor told newsmen Saturday that he and Elliott had discussed several times whether Elliott should seek reelection.

Said Romney: "He questioned whether he was the one to do the job ahead or whether someone else might be in a better position to do what needs to be done. He expressed some concern about his business affairs if he continued.

NOT URGED

"Under all the circumstances I did not feel I should urge him to continue to serve as state chairman."

Complaints about Elliott were that to the public he did not come off very well, vis-a-vis the fiery Democratic State Chairman Zolten Ferency; that lower echelon party workers had trouble getting through to see or talk with him, and that his desire to maintain his home in Oakland County rather than Lansing made it difficult for him to react quickly to odd-hours political developments.

A prominent Democrat said Mrs. Peterson, 50, a full-time party worker for most of the past eight years, "ought to give the organization some fire."

PLEDGES SUPPORT

Elliott said Saturday he was aware that everyone wasn't happy with him.

Elliott pledged to support

Japan's Premier Home After Talks in U. S.

TOKYO (UPI) — Prime Minister Eisaku Sato arrived back in Japan last night from his talks in Washington with President Johnson. He expressed "deep satisfaction" with the visit.

Sato said he and Johnson agreed to continue an exchange of views on Asian affairs, particularly with regard to Communist China. He said he was able to talk with Johnson "as if we were old friends."

She planned to contact him today.

She said it was not until Saturday that she seriously considered taking the job. She cautioned that she still has to

be elected. But with Romney's backing, no major opposition was expected.

Mrs. Peterson from Charlotte, said she had already re-

ceived a string of telephone calls from well-wishers, persons offering ideas "and some people who haven't been active and who say they'll be a back."

She said she didn't want to

discuss policies until she actually takes office.

PART-TIME WORK

Until then she'll be working part time for Romney, handling his national correspondence and

related matters. He announced only last Friday that she was performing such a task, an indication of how fast the chairmanship matter developed.

The GOP central committee

ironically did not hear of the decisions until most members were headed home after a meeting at which Elliott discussed what the party would be doing in the future.

Foreign News Commentary

Soviet Chiefs Not in Hurry to Visit U.S.

By MURRAY J. BROWN
United Press International
The new men in the Kremlin have shown little inclination thus far of accepting American overtures for a visit to the United States.

Observers in Moscow say Premier Alexei Kosygin's schedule appears to rule out any meeting with President Johnson until autumn, if at all this year.

In addition to his visit to Britain this spring, Kosygin is planning trips to East European countries and to

India and preparing for the scheduled junkets to Moscow by Scandinavian prime ministers.

Indications are that Communist party leader Leonid Brezhnev will leave such state functions to Kosygin.

HARD SELL Look for British Prime Minister Harold Wilson to try to "sell" Kosygin on the idea that an East-West accord in the nuclear field should be reached this year.

Kosygin is coming to London this spring and diplomats say this is the only sphere where some East-West progress is possible.

The two issues Wilson has in mind are an accord to halt the spread of nuclear weapons and extension of the partial nuclear test ban treaty to include underground tests.

DE GAULLE DIPLOMACY: President Charles de Gaulle hopes to extract a firm pledge from West German Chancellor Ludwig Erhard not to side with the United States at France's expense on such issues as NATO, MLF (multinational nuclear force) and European unity in the future.

But French officials concede that De Gaulle's chances of getting such a commitment in the talks Jan. 19-20 at his chateau of Rambouillet are no more than 50-50.

COMMON MARKET PROBLEM: The need for a single monetary policy in the Common Market countries is arising because of the introduction of

communitywide farm prices. Devaluation or revaluation of currency in France, West Germany, Italy, Holland, Belgium or Luxembourg would upset the farm price structure. Hence there is a move to quote prices in community units of account—equivalent to the U.S. dollar.

This would give farmers guaranteed price stability which is leading the industrial sector to demand the same guarantees—almost impossible without a single monetary policy.

Last Practice Shot for Gemini Tuesday

CAPE KENNEDY, Fla. (AP)—The final practice launching for two-man Gemini space flights is scheduled here Tuesday when a Titan 2 rocket will hurl an unmanned capsule over a suborbital course.

The rocket is set to propel the capsule to an altitude of 105 miles, then ram it back through the atmosphere to a parachute landing in the Atlantic Ocean 2,150 miles southeast of Cape Kennedy. Recovery will be attempted. The launching is scheduled for 9 a.m.

The shot is one of two space firings slated here this week. At 2:52 a.m. Thursday, the space agency plans to launch the Tiro 9 weather satellite in another step toward a satellite weather forecasting system.

Hippo Arrives in Texas

HARLINGEN, Tex. (AP)—Betsy, the unfriendly hippo bought by three Smith College girls for \$400, has arrived at her new home in a Texas zoo after a long, hard ride from New York.

Her arrival Sunday night several days before she was expected resulted in a comedy of errors.

After her cage-equipped truck rolled in, there was a delay while workmen finished building a special pen made of telephone poles and one-inch steel cable.

Eight armed border patrolmen stood by in case Betsy, known for her ill temper, should go on a rampage. A crowd gathered.

NEED CRANE
Then it was discovered a crane was needed to get the cage off the truck. One was finally located but just as the crane lifted Betsy's cage, it ran out of gas. Betsy was suspended in air until the crane was refueled.

By this time the crowd had grown to between 500 and 700 persons.

Four hours and 35 minutes after Betsy's arrival, the cage was worked into position and Betsy released into the pen.

Betsy headed toward a pond and disappeared below the water.

REFUNDED \$400
The Harlingen zoo obtained Betsy after the college girls were refunded their \$400 and the hippo had been turned over to an Eastern zoo.

The new owners have a new worry. With near-freezing temperatures at night, they are afraid the water will be too cold for a hippo, whose natural habitat is Africa.

Cholesterol is the name of a crystalline alcohol known as a sterol, from the Greek stereos, for solid. It is manufactured in the liver.

Motel Fire Fatal to Man
CHEBOYGAN (AP)—Floyd Brown, 69, was killed Saturday when fire destroyed the office of

the Lakeview Motel on U.S. 23 near here. Synthetic cortisone is a product of coal.

Appraiser to Retire
LANSING (AP)—E.L. Brotherton will retire Saturday as the State Highway Department's

district right-of-way appraiser in the Upper Peninsula. Brotherton, 65, joined the department in 1955.

Pittsburgh Schools Receive Ford Grant

NEW YORK (UPI) — The Ford Foundation has granted \$2,485,000 to the Pittsburgh, Pa., public school system to help introduce comprehensive improvements in organization, curriculum and technology, it was announced today.

It was the first time the foundation has given a grant to an

entire school system. A spokesman said the grant would affect all of Pittsburgh's 75,000 pupils, 40 per cent of whom are Negro.

One aim of improving the school system is "to help stem the flight of the middle class from Pittsburgh's public schools."

The president of Finland is elected for a six-year term. The current leader, Dr. Urho Kekkonen, was elected in 1962.

Gleanings From the Mailbag

Watch Out When a Girl's Face Is Red

By HAL BOYLE

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

Women blush more often from anger than as a result of shocked modesty.

Some people can tell the seasons by their diseases. For example, both ulcers and gout tend to flare up in the spring and autumn.

BOYLE

The common cold is rarely deadly but it is one of the most expensive of mankind's ailments. It costs the average family from \$35 to \$40 a year—and it costs industry about \$5 billion annually in lost working time.

The U.S. vice presidency often has been regarded as a step toward oblivion, but eight of the 35 men elected to the presidency died or were killed while in office, and were succeeded by their vice presidents.

Odd Legislation: A teacher can't give Bible lessons in the public grammar schools of Illi-

nois, but the state by law provides a Bible for every prison inmate.

GREAT PROBLEMS

Great men have their problems too. Did you know that Napoleon had trouble keeping his trousers up?

Psychiatrists say these are four warning signals of a possible nervous breakdown: inability to sleep well, lack of appetite and weight loss, mental and physical sluggishness, and exaggerated feelings of guilt and personal worthlessness. Well, thank heavens, I've still got a good appetite left anyway!

Science marches on: Food firms are working on an aerosol bomb that will enable you to spray a peanut and jelly sandwich mixture.

Some safety slogans for the new year: "If people drove right, there would be more people left." "Be patient today—not a patient tomorrow." "Driving is like baseball in a way. It's the number of times you reach home safely that counts."

Everything is inflated in value today, including people. The statistician who used to tell us that all the chemicals in our body were worth only 97 cents now reports they are worth \$2.80.

History lesson: Thomas Jefferson was the first to start the custom of shaking hands at White House ceremonies. The two presidents before him, George Washington and John Adams, merely bowed stiffly to guests.

Speaking of handshakes, Lloyds of London, in issuing a \$28,000 insurance policy on a concert pianist's mitts, stipulated that "he may not shake hands with anyone weighing over 210 pounds, sign more than 200 autographs at one session, or participate in duels."

Can you name the two-thirds of the world that is unowned by any person or country? It makes waves—it's the ocean.

It was Lewis Mumford who observed, "Our national flower is the concrete cloverleaf."

Wedding Becomes Mourning

ST. PAUL, Minn. (AP)—Some 300 relatives and friends filled St. Michael's catholic church to see Bruce Stanton and Sharon Cosgrove, both 22, joined in marriage.

Eight attendants were gathered at the altar as Miss Cosgrove slowly walked down the aisle Saturday. She smiled at Stanton and placed her hand in his arm. They moved together toward the altar.

Suddenly, Stanton collapsed and struck his head on the floor as he fell in the aisle. An ambulance took the unconscious young man to a hospital.

Stanton's parents, Mr. and Mrs. Frank Stanton of West St. Paul, and Miss Cosgrove were at his bedside when he died Saturday night without regaining consciousness.

His father said he had no idea what might have caused the death of the young man, a sophomore at River Falls State College in Wisconsin.

Miss Cosgrove was in "terrible shock," said the man who would have been her father-in-law.

Relatives and friends again will fill St. Michael's church Wednesday morning. They will attend funeral service for Stanton.

Americans spent more than \$2 billion on spectator sports in 1961 compared with \$904 million in 1940.

Television and Homework Don't Mix

By LESLIE J. NASON, Ed. D.
Your television set often serves you well with an amazing variety of entertainment and information, but it CAN cause trouble for school children.

In the morning, a quiet breakfast and a warm family relationship provide a proper send-off for school children. Television, even with a choice of good educational programs, should not be allowed to interfere.

In the late afternoon, while mother is preparing the evening meal, there are programs designed for little ones—cartoons, games and activities that build responsiveness.

But even though this keeps children occupied while mother is busy, it cannot take the place of reading, drawing, clay modeling, painting or other quiet activities in which

the child exercises his own skills and initiative.

Some time between school and dinner, children need wholesome playtime with physical exercises and a chance to work off pent-up energy.

Judicious use of television can be a source of family entertainment in the evening, but should not be allowed to rob the family of story-reading time, or time for discussion of the day's problems.

NO TELEVISION.
Homework activities and television can't operate in the same room. A student should put his whole mind into studying.

Radio, with talking, demands an even greater share of a student's mind. Television, making demands on both ears and eyes, makes study even more difficult.

How television shares the home with people can be controlled through family planning.

Children aren't born with built-in self-discipline. They have to learn it. They need support in whatever it takes to look

after baths, home chores, proper rest and homework.

Without parental interference, Johnny may sit through a whole series of shows. If this happens, he'll wake up in the morning too tired to face the day. Poor work in the classroom may follow.

(You can get Prof. Nason's helpful booklet for parents, "Help Your Child Succeed in School," by sending \$1 to Help Your Child, Box 1277, General Post Office, New York, N.Y.)

Clues Sought in Theft of Cash From Destroyer

SAN DIEGO, Calif. (AP)—The FBI sought clues today in the theft of \$19,280 from the safe of the destroyer U.S.S. Cogswell while docked at the San Diego Naval Station.

The Navy said the theft occurred late Friday or early Saturday, after the ship's payroll had been brought aboard from a San Diego bank. The money was in cash, mostly small bills, a Navy spokesman said.

By OSWALD JACOBY
The late Ely Culbertson used to write about experts at their best and worst. Columnists usually like to show experts at their best, but if you want to see one at his worst here is an outstanding example.

JACOBY South might well have doubled the opening spade bid, but he chose to overcall with two hearts. Perhaps he just felt in a whimsical mood; perhaps he wanted to make sure that he would play the hand for his side.

North raised to three hearts. Now South decided that there might well be a slam in the hand. In any event, his four-club bid was a slam invitation by going only to four hearts and South bid four spades as a repeated slam invitation beyond the game level. Again North refused, but South went to six hearts anyway.

As North put down the dum-

my, he remarked, "You gave me a fine choice. I could drop you at two hearts or watch you play a slam. Good luck!"

South's play wasn't as whimsical as his bidding, but it was even more ineffective. He ruffed the spade opening and led a low club. West rose with the king and gave his partner a club ruff. Later on, South took the diamond finesse the wrong way and was down two.

Strangely, South could have made the hand. He might have led the ace of clubs at trick two and then diagnosed East's queen play as a singleton. Then he would have to guess the queen of diamonds correctly, ruff two more spades in his own hand, draw trump, cash the last diamond and lead the jack of clubs at trick 12. West could take his king, but would have to return a club to South's ten spot.

Astrological Forecast

By SYDNEY OMARR
For Tuesday
"The wise man controls his destiny... Astrology points the way."

ARIES (Mar. 21 to Apr. 19): Be re-assured. Moderate conservative. Time which requires that you ANALYZE. Fellow workers—those who serve you—are super-sensitive. Hold back on definite decision. Patient!

TAURUS (Apr. 20 to May 20): Later today you can make valuable discovery. Keep lines of communication open. Be explicit. Test—be the experimenter. Exciting possibilities make this an adventurous day.

GEMINI (May 21 to June 20): Problem of responsibility grabs spotlight. Frank discussion among FAMILY MEMBERS needed. Set fine example. Point out important factors. Then illustrate your meaning. Choose words with care.

CANCER (June 21 to July 21): Emotional desires do not coincide with logical approach. Avoid actions based on impulse. If you are considerate, you can attract love. If self-indulgent you could lose valuable friend.

LEO (July 22 to Aug. 22): Cycle continues high. But certain possessions are discussed, disputed. New avenue of approach could "save the day." Be aware of needs, security. Obtain hint from today's CANCER message.

VIRGO (Aug. 23 to Sept. 22): What people say and what they are capable of doing—may not be same. Be skeptical. Tend your own counsel. Stress ADDED INDEPENDENCE. Be original. Go after what you desire. You'll win!

LIBRA (Sept. 23 to Oct. 22): Face future. Throw off "secret fears." Be brave. Come up with answers. Basic truths now available that can mean important advances. Highlight versatility. Be aware of potential.

SCORPIO (Oct. 23 to Nov. 21): Take each step one at a time. Otherwise, embarrassing moments might occur. Friend who brags really LACKS CONFIDENCE. Consult expert. Check with organizations, authorities. You can be happier and more secure. Take steps now!

SAGITTARIUS (Nov. 22 to Dec. 21): Form opinions only after observing all facts. Your intellectual curiosity valuable aid. Some changes appear necessary. Member of opposite sex involved. Travel and career mingle.

CAPRICORN (Dec. 22 to Jan. 19): Take familiar road. No day for veering from accepted methods. Avoid one who lives in "fantasy world." Remember goals. Maintain self-discipline. Then you must progress.

AQUARIUS (Jan. 20 to Feb. 18): Some emotional pressures lift. Now be aware of added income possibilities. Check with organizations, authorities. You can be happier and more secure. Take steps now!

PISCES (Feb. 19 to Mar. 20): Check resources. Be ready to invest in own talents. Find day to investigate educational activities—add to knowledge. Gain indicated through written word.

IF TUESDAY IS YOUR BIRTHDAY
You are original in approach, independent in thought, action—and you can be very stubborn when the occasion so demands.

GENERAL TENDENCIES Cycle high for VIRGO, LIBRA. Special word to TAURUS: Strive for greater self-knowledge—don't fool yourself!

Rod Henderson Dies, Two Others Critically Injured

Crash Kills Birmingham Seaholm Swim Star

Defeat and death stalked Birmingham Seaholm's class A state championship swimming team Saturday.

Saturday afternoon the Maples lost their first dual swim meet in 49 starts at Battle Creek Central, and that same evening the school lost one of its finest all-around swimmers Rod Henderson.

Henderson, 16-year-old junior, who was an All-America swimmer last year, was killed in a head-on crash at West Maple and Linden in Birmingham. Two girl companions were also killed and two of Henderson's teammates, Mike Adair and Bruce Berridge have been reported in criti-

cal condition in William Beaumont Hospital.

Driver of the other car, Frederic Drothler of Royal Oak, a 22-year-old college student and older brother of ex-Seaholm football and track star Bob Drothler, was also killed in the accident.

Drothler, reported traveling

at 75 mph, apparently hit a patch of ice and skidded into oncoming traffic, hitting Henderson's car which was reported to be going 30 mph.

Seaholm coach Corey Van Fleet, shocked at the events of the day, said, "Rod was one of several boys who were sick with the flu much

of last week, but he didn't want to miss the Battle Creek meet, which we knew would be the best team we have faced this year."

Henderson swam in the butterfly and individual medley events against Battle Creek, but normally his best events

were the 50, 100 and 200 yard freestyles.

He had the best time of the season in the state with 50.7 in the 100 freestyle and his 22.3 matched the best mark in the 50 freestyle.

Henderson was also part of the 200 yard medley relay team which posted a 1:46 as

the best time in the state this year.

Van Fleet said the Maple swim team would meet Royal Oak Kimball Friday night as scheduled in what was touted months ago as a showdown between the top two contenders in state class A this year.

Seaholm was state cham-

ROD HENDERSON

Surprise Loss for Seaholm

Battle Creek Central nosed out Birmingham Seaholm in the 200-yard freestyle relay finale Saturday and handed the Maples their first dual meet swimming loss since 1962.

The score was 54-51. Seaholm, defending Class A state champions, had a string of 48 straight dual meet victories.

200-YARD MEDLEY RELAY — 1. Battle Creek (Kirsch, Fisher, Elliott, Howard); 2. Seaholm. Time: 4:54.

200-YARD FREESTYLE — 1. Tom Lawton (S); 2. Hastings (BC); 3. Mason (S). Time: 1:55.4.

50-YARD FREESTYLE — 1. Douglas (BC); 2. Prew (S); 3. Paffulio (BC). Time: 1:24.2.

200-YARD INDIVIDUAL MEDLEY — 1. Therwood (S); 2. Brooks (S); 3. Wells (BC). Time: 2:17.3.

DIVING — 1. Green (BC); 2. Zimmer (S); 3. McGuire (S).

100-YARD BUTTERFLY — 1. Blakelee (S); 2. Henderson (S); 3. Elliott (BC). Time: 1:46.3.

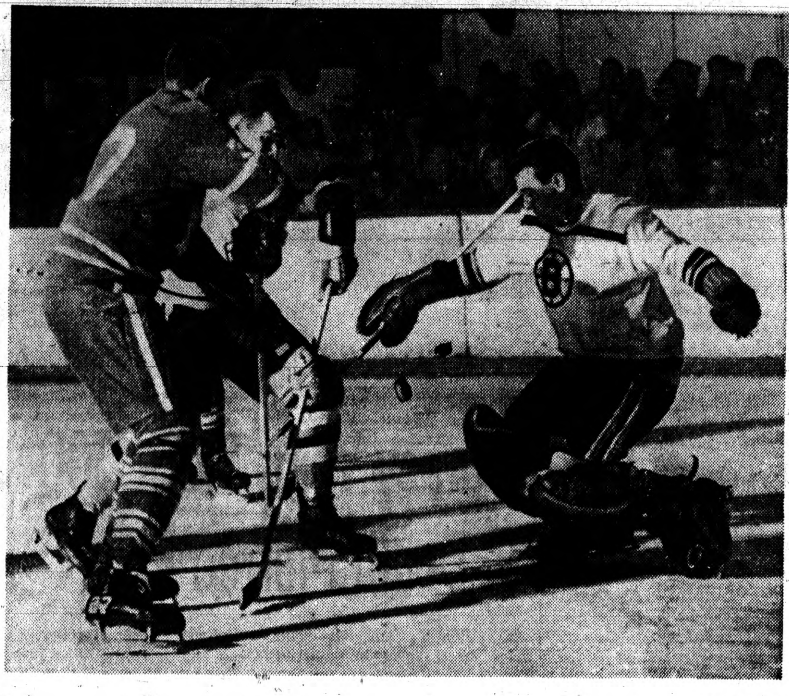

200-YARD FREESTYLE — 1. Douglas (BC); 2. Howard (BC); 3. Kennedy (S). Time: 1:50.2.

100-YARD BACKSTROKE — 1. Bates (S); 2. Kirsch (BC); 3. Adair (S). Time: 1:39.4.

400-YARD FREESTYLE — 1. Hastings (BC); 2. Lawton (S); 3. Mason (S). Time: 4:52.2.

200-YARD BREASTSTROKE — 1. Fisher (S); 2. Crosby (S); 3. Janke (S). Time: 1:00.

200-YARD FREESTYLE RELAY — 1. Battle Creek (Kirsch, Elliott, McGuire, Gillett); 2. Seaholm. Time: 1:34.5.

MAKING A SAVE — Goalie Ed Johnston of Boston stops a scoring try by Toronto's Frank Mahovlich (27) on this play in the first

period of National Hockey League game in Boston Garden last night. Giving Johnston a hand is Ted Green. Toronto won, 3-1.

Ranger's Hat Trick Sinks Wings

SPORTS

Grid Sub Rule OK'd

FORT LAUDERDALE, Fla. (AP) — After a dozen years of experimentation, college football's rulemakers may finally have settled on a substitution system that will remain in effect for a long time.

"The new rule will satisfy the desires of all people who coach and administer college football," said Abe Martin of Texas Christian University, president of the American Football Coaches Association.

"As both a coach and an athletic director, I am delighted with it. We can go with this rule for many years, and I certainly hope we will do so."

The rule, adopted Sunday by the Football Rules Committee of the National Collegiate Athletic Association, will permit platoon substitution when the ball changes hands, between periods and after any score. Two players may enter the game at any time.

This wasn't the free and unlimited substitution rule de-

manded by many of the nation's coaches, but it was so close that no complaints were heard.

VERY CLOSE

"This is so near to free substitution that I don't see how anyone could kick about it," said Jack Curtice of California, rules chairman of the Football Coaches Association.

"I believe I can speak for coaches in general in saying that the rule is a fine one," Curtice added.

About the only thing the coaches wanted but didn't get was permission to send in kicking teams on fourth down. Offensive teams will have to be coached in getting down under punts.

But that, Curtice said, will mean better punt coverage "because we've got more speed on our offensive teams."

Actually, he said, college coaches were pretty well satis-

fied with last year's rule allowing platoon substitution while the clock was stopped.

The only serious objection was the need to stop the clock on fourth down to bring in defensive units. To avoid wasting a precious time out, most teams stopped the clock by delaying the game or jumping offside and accepting a five-yard penalty.

POPULAR RULE

Except for that "disgraceful" development, Curtice said the rule was popular with football fans. This was demonstrated, he said, by last year's record attendance of 23,354,477.

The committee outlawed two platoon football in 1953. Every year since then, it has reworked the rule in a gradual move back toward freer substitutions.

This year, it did less tinkering with the rulebook than any time since 1953. But the substitution rule was debated for three days and the final vote, Curtice said, was "closer than pressed hands."

Henry Pushes Ranger Sextet by Detroit, 4-2

Victory Moves N.Y. Within Six Points of Motor City Unit

DETROIT (AP)—Thanks to a veteran's "hat trick" and a substitute's goal-tending, New York is threatening Detroit for fourth place in National Hockey League standings.

Camille Henry scored a goal in each period on penalty-produced plays and Marcel Paille took over the nets for ailing Jacques Plante Sunday night as the Rangers defeated the Red Wings 4-2.

The victory was New York's second against Detroit in eight games. It moved the fifth-place Rangers to within six points of the Wings.

Paille made up for his last fill-in appearance against the Wings. That was one month ago when he went in early in the second period of a game in New York with the score tied 2-2. Detroit went on two wins, 7-3.

PLANTE INJURED

Paille worked the last five minutes of the Rangers' 6-3 victory in Chicago Saturday night after Plante re-injured the right knee that has been bothering him since training camp.

The Red Wings scored the opening goal on a Floyd Smith steer-in at 2:16 of the first period. Henry, assisted by Phil Goyette, evened the score with his 16th goal of the season at 9:51. He then put the Rangers in the lead for good at 6:54 of the second period.

Henry's first goal came five seconds after a penalty to Alex Delvecchio elapsed with the Rangers still in power play formation.

Henry scored the second goal on another Goyette setup with Gary Bergman in the penalty box.

Donnie Marshall made it 3-1 at 10:05, beating Detroit goalie Roger Crozier from 40 feet out.

Henry wrapped up the victory at 4:52 of the final period with Bill Gadsby in the box. Again it was Goyette on the setup.

Paille made 25 saves, Crozier contributed 22.

'M' Sextet Wins Two

By The Associated Press
Michigan swept two weekend games from Minnesota-Duluth in college hockey with a 4-2 victory Saturday night.

In other action, Minnesota nipped Michigan Tech 5-4 to earn a weekend split in Western Collegiate Hockey Association action. Tech won Friday 4-1. Ohio University bombed Western Michigan 11-1 and Colorado College and Michigan State split a WCHA pair, the Spartans exploding for a 10-3 victory Saturday night after losing 3-1 Friday.

Des Moines Leafs Stay in Front of Port Huron

DES MOINES, Iowa (AP) — The Des Moines Oak Leafs stayed one point ahead of second place Port Huron in the International Hockey League by beating Toledo 4-3 Sunday night.

Toledo goalie Glenn Ramsay suffered a sprained ankle early in the third period and was carried out of the game on a stretcher.

Record Erased in All-Star Keg Event

Smith Breaks 30-Game Mark

Boston Pro Averaging More Than 220 Pins

PHILADELPHIA (AP) — Harry Smith of Boston went strike happy again Sunday and cracked the 30-game record at the \$100,000 All-Star Bowling Tournament.

The gangling, grim-faced pro fired a 1406 six-game series in the second round of the quarter-finals Sunday to boost his total for the entire qualifying route to 6614, an average of more than 220. The old record of 6555 was set by Bill Bunetta of Fresno, Calif., in 1961.

Smith's big series included his second 279 game of the tournament. He has also authored a 278 here.

"Well, here we go again," cracked Smith as reporters, fans and photographers clustered in back of him to watch what they hoped would be his 10th straight strike.

Despite a fairly good hit, Smith left the No. 4 pin intact.

Smith has a 110-pin lead over runner-up Fred Lening of Yardley, Pa., as the men enter the third and last quarter-final round today. The field of 216 will be chopped to 72 tonight for Tuesday's semifinals.

Pontiac's Mike Samardzija Jr. also was a doubtful qualifier with 5966 for 30 games. He had 1206 Sunday.

George Chioovsky, erroneously reported eliminated previously, withdrew yesterday due to an illness in his family.

WOMEN

The women's defending champion is in even more serious straits. LaVerne Carter rolled a six-game series of 1008 in the second round of women's qualifying. Her 2107 total for two days and 12 games mired her in 96th place in a field of 216 girls.

Jean Winsch, a housewife from South Bend, Ind., blasted a 205-215-237-181-208-224-1270 series to take command of the women's division with a 2451 total.

Shirley Pointer of Pontiac also is well back in the pack with her 1022 Sunday, giving her 2045 after 12 games.

The women's field will also be cut to 72 after today's six-game round. Semifinals for both men and women consist of two six-game blocks Tuesday. The round robin finals begin Wednesday and end Sunday, Jan. 24, with the championship matches.

SAN DIEGO, Calif. (AP) — The San Diego Open Golf Tournament ended in the excitement of a sudden death playoff, a remarkable rally, victory for the underdog, Wes Ellis Jr., and a touching off-scene reaction by the most ardent admirer of the loser, Bill Casper Jr.

Ellis capped a dramatic comeback when he sank an eight-foot putt for a birdie 3 on

the 73rd hole while Casper got down in par.

The 32-year-old Ellis, who doesn't play many tournaments away from his position as a club professional in West Caldwell, N.J., sent the affair into the extra hole when he made a sensational putt on the 72nd hole.

He knocked the ball in from the edge of the green, 45 feet away.

Shouts from the gallery shook the place.

But a small boy, standing in the crowd, cried.

STAYED CLOSE

His name? Billy Casper III, age 8. He had trotted as close to his daddy's heels as he could all day.

These were some of the reflections today as the golfers, including Ellis and Casper, headed north to play in Bing Crosby's annual pro-amateur attraction at Pebble Beach, Calif.

The San Diego Open was close

up.

But Ellis drew closer with a 45-foot putt on number 15, then a 12-footer for a birdie on number 17, and the 45-foot shaker on number 18.

Ellis defeated Casper on the first play-off hole 3-4.

all the way. The payoff came as no surprise. It appeared for awhile that even more than two would be in it. It was the third such finish in the tournament's last five years.

This one developed into a three-way struggle in the final nine holes among Casper, Ellis and Johnny Pott. Pott, who lost in a playoff to Tommy Jacobs in 1962, missed a short putt on the 16th hole, losing his chance for the playoff.

Pott finished with a 65 for 268. George Knudson had a 64 for 269 and Jay Dolan and Bud Holscher were tied at 272.

Defending champion Art Wall Jr. and British Open champion Tony Lema were in the 276 bracket, and Gene Littler, who scored a great 62 in the first round, finished with a 71 for 274.

Casper finished in a three-some ahead of Ellis and Pott. It appeared he had things sewed up.

But Ellis drew closer with a 45-foot putt on number 15, then a 12-footer for a birdie on number 17, and the 45-foot shaker on number 18.

Northern Is Beaten; Rochester Hoopsters Overcome Sag to Win Game

Winners Hand Huskies Fourth Setback, 70-49

PNH Shooters Fail to Connect; Season Mark Now 4-4

Pontiac Northern traveled to Ann Arbor Saturday only to have its worst shooting night of the season.

The Huskies were as cold as the weather in losing 70-49 to the Pioneers. PNH could hit only 20 of 67 shots for a dismal 29 per cent.

The Pioneers were better on their home court, sinking 29 of 66 shots for a respectable 43.9 per cent.

Ann Arbor's 6-6 captain Pete Hansen played his finest game this year for the Pioneers, totaling 25 points on 10 of 17 shots. He also held the Huskies' star Roger Hayward to the fewest points this season — 17.

The Huskies, now 4-4, beat Waterford Friday but couldn't get untracked against the pressing defense of the Pioneers. They were down, 16-12, at the end of the first quarter.

Things didn't get any better for PNH as Ann Arbor raced to a 32-19 lead at halftime against the smaller Huskies. The home team with a 6-7 center and forwards standing 6-6 and 6-5 increased its lead to 52-29 at the end of the third quarter.

Ann Arbor, now 6-3 for the season, received scoring support through Dave Hampton's 11 and Don Hill's 11.

Dave Sudbury with 12, and Larry Fry with 13 were the only other visitors in double figures.

On the bright side of things for the Huskies was the reserve team as it dumped Ann Arbor, 59-52. Jack Brown paced the junior Huskies with 19.

The Huskies are idle until Friday night when the entertainers will meet the Pioneers.

Local Colleges End Cage Tie

Midwestern Baptist Seminary and Michigan Christian Junior College broke their fourth place tie in the state Christian College Athletic Association's basketball race Saturday.

Midwestern waited until coach Ken Fredericks arrived and romped away from Lansing's Great Lakes Bible College, 80-63, while fouls plagued Michigan Christian's Warriors who lost 79-72 in overtime to co-leader Grand Rapids Grace Bible College.

The league's other game saw Grand Rapids School of Bible and Music upset cross-town rival Baptist Bible College, 84-80, in overtime and moved into a three-way tie for the lead.

The Michigan Christian game was tied at 60 after regulation time, but before the five-minute overtime period was ended the Warriors had lost all five starters on personal fouls.

Terry Ericson's 43 points led the winners.

Fredericks was delayed by a family illness from arriving at the Midwestern game until midway through the second half. The score was knotted at 48 when he arrived, but a zone press then took its toll on the home team. Ralph Wingate scored 25 for the Falcons who are now 3-3 while Michigan Christian is 2-4.

Romeo Falls After Leading

By HERB PETERS
Rochester didn't let it happen a second time, but the Falcons courted disaster in the third period again before coming back to defeat Romeo, 59-58, at home Saturday night.

The previous night at Lake Orion a cold shooting third quarter led to their downfall, and they came close to repeating the performance with the Bulldogs in a non-league outing.

The Falcon shooters couldn't hit following intermission, and Romeo went from a 33-30 half-time advantage into a 13-point lead, 48-35, within five minutes.

But the Bulldogs, who had exploited Rochester's defensive weakness against the fast break, were lulled by the big lead into slowing down play, and Rochester took the cue.

Seven straight points cut the score to 48-42 at the end of the third, and the Falcons kept rolling in the fourth, outshooting Romeo 19-2 in an eight-minute span to lead 54-50 with three to go.

With slightly over a minute left, Rochester was on top, 58-52, but there was no time to relax. Bob Rowley sank two free throws and then uncorked a basket at the 45 second mark to trim the margin to 58-56.

Twenty-five seconds remained when Bruce Campbell plunked in a free throw for what became Rochester's deciding point. Rowley cashed two charity tosses with 18 seconds on the clock, and his final shot at the buzzer barely missed.

TOP SCORER

Bruce McDonald paced the Falcons with 18 points, and his two quick buckets near the end of the third triggered their explosion. Sub forward Tom Beatty, who entered the game late to do great work on the boards,

State Flier Escapes Injury as Jet Crashes

TOKYO (AP) — U. S. Air Force Capt. Gary Heilala, 30, of Champion, Mich., escaped injury today when his F102 jet interceptor crashed into the sea 20 miles east of Misawa Air Base.

A military spokesman said Heilala was returning to Misawa in northern Honshu when his engine failed. He ejected, and a helicopter fished him from the sea 45 minutes later.

Misawa is about 600 miles north of Tokyo.

Wolverines Win

Dave Strack Pleased

ANN ARBOR (UP) — His team isn't ranked No. 1 in the national poll and it's not unbeaten, but Michigan basketball coach Dave Strack is more-than-pleased with his club's performance.

"Sure, we got knocked off a couple of times," he explained. "But we're really starting to play now, and that's the most important thing. Our No. 1 goal all along has been a league title — not an unbeaten season or a top national ranking."

The Wolverines rolled past their second straight Big Ten opponent Saturday night by whipping Northwestern, 90-68.

It left Michigan with a 10-2 over-all mark and the only unbeaten team in the conference. Junior guard Cazzie Russell showed the crowd what they lost when the native Chicagoan

an show." Strack continued.

In Boston K of C Games

American Thinclads 'Fall Flat'

BOSTON (AP)—Except for Joe Lunch and Ralph Boston, America's much-decorated forces fell flat in the season's indoor track inaugural. Canadians and an Australian saved the K of C Games.

Lunch, not even listed on the program, was voted the outstanding performer after he was the surprise winner of the mile in 4:06 Saturday night. The Georgetown student wouldn't have competed at all if the un-

easy NCAA-AAU truce hadn't been made.

The senior from Highlands, N.J., had never run a mile in better than 4:09 before and feels he's a better two-miler. But he passed Kansas' Bill Dotson on the final lap to take the event.

Lt. Billy Mills, Olympic 10,000 meter champion entered in the mile, was among the scheduled contestants who could not get here due to a blizzard and near zero temperatures.

Olympian Boston won his

broad jump specialty at 24 feet, 10 inches and also captured the 45 yard hurdles in 5.6 seconds. Bill Crothers and Dave Ellis of Toronto plus Ray Tucker, 17-year-old schoolboy sensation from Hamilton, Ont., were dominant figures.

THREE STRAIGHT

Crothers, winner of three straight 1,000-yard crowns in this event, switched to the 600 and was clocked in a meet record equalling time of 1:10.0. Then he fashioned a 47.8 anchor on the East York Track Club's mile 3:22.6.

Ellis who with two teammates had battled foul weather all day and had only one doughnut to eat as he sought to fulfill his promise, said "I guess I'm satisfied" after edging Vic Zwolak for an 8:52.2 two-mile.

Tucker caught veteran John Dunkelburg and beat him by two yards in 2:12.0 in the 1,000-yard run, one of the highlights of the meet.

Aussie Larry Peckham was awarded first in the high jump over Richard Ross of Southern University on fewer misses. Both cleared 6-11 1/4. Judith Amore, who ran a record 55.6 in the girls indoor 400, and Pam Kilbour in the women's dash, were two more competitors from down under.

Charley Mays stunned Olympic 400 meter gold medalist Mike Larrabee, winning the 500 in 58 seconds. Larrabee was laboring near the finish, appeared out of condition and lost by 10 yards.

Dave Tork won the pole vault at a disappointing 14-6. Mel Pender captured the dash in 5.4 and Theron Lewis won the 440 in 48.9.

Area Skiers Take Titles

Lynn Thorpe, Cheryl Luther Triumph

HARBOR SPRINGS (AP)—Three Traverse City youngsters won events in the Region III junior ski competition which attracted 260 competitors Sunday from Ohio, Indiana, Illinois and Michigan to nearby Boyne Highlands.

Chuck Ligon took the secondary school open class, Tom Lindsay, the intermediate, and Cheryl Gibson, the high school giant slalom for girls.

Greg Schwartz of Cadillac won the slalom for high school boys, Lynn Thorpe of Birmingham, the downhill for high school girls; Cheryl Luther of Rochester, the giant slalom for intermediate girls; Danny Fisher of Gaylord, the novice downhill; Gary Adgate of Boyne City, the novice giant slalom.

Gail Wilcox of Ludington captured the high school girls' downhill; Sue Humphrey of Glen Arbor, high school open giant slalom; Joy Hill of Charlevoix, intermediate downhill; Ann Fast of Chagrin Falls, Ohio, novice downhill, and Dwan Anstead of Cheboygan, novice giant slalom.

Rupp Kentucky Cage Era May Suffer Worst Season

ATLANTA (AP)—The Adolph Rupp era of basketball in the South appears to be drawing to a close and the Baron, his famous brown suit not so lucky anymore, is the victim of an empire he built.

When Tennessee whipped Kentucky 77-58 at Knoxville Saturday, it marked the Wildcats sixth loss of the season in 13 starts. The loss also left Rupp with the probability that this may be his worst year in history.

Never before has he lost more than nine games a season — and this has occurred only twice — but he looks like an easy loser of 10 or better this year because the roughest part of his schedule is ahead.

Rupp is given the credit for building basketball into a major sport in the South. Most schools got so tired of losing to this transplanted Kansas farm boy that they set their goals at beating Kentucky and, after 35 years, are doing it regularly.

CHANGED STYLE

As the Southeastern Conference closed in, the Baron changed his style of play, using tactics such as the zone defense he hated, to stay in the running. It's no longer enough.

Rupp is now 63, and he wants to win another national championship but the odds are 1,000-1 against his getting that wish before he retires. The chances he

will ever win another SEC title are as slim as a blade of Kentucky blue grass.

While Rupp was coaching Kentucky to a record four national collegiate athletic association championships in 1948, 1949, 1951 and 1958, the rest of the Southeastern Conference was building.

The power structure began shifting in 1959 when Mississippi State and Auburn began muscling their way into the picture to put Kentucky down, allowing the Wildcats only one outright title since that time.

Now Vanderbilt and Tennessee have moved onto the scene and have programs that could

move the basketball capital of the South 200 miles closer to the Gulf of Mexico.

NOT GOOD

Rupp, who played basketball at Kansas under the great Phog Allen, most likely will not leave the game until he reaches retirement age of 65. But his health has not been good the past two years, and could force him to his cattle and tobacco farm northeast of Lexington sooner.

Kentucky makes its next start tonight against league-leading Auburn at Lexington. It will surprise no one if Rupp puts another wrinkle into his game — a slowdown offense — in an effort to stay with the taller Tigers.

Loyola Transfer Helps Put Cage Team on Map

CANTON, Ohio (AP)—Nick Pallotta can take a bow for helping to put Walsh College on the basketball map in Ohio.

So can his coach, Dr. Hymie Ginsburg, a dentist who volunteered for the job and receives no pay.

Pallotta, a 6-foot-4 junior forward, transferred to the little Catholic liberal arts college here from Loyola of Chicago. He was eligible this season for varsity competition — Walsh's first — and promptly set out to rewrite the school record books.

The school opened in 1960 and played mostly business colleges, junior varsity and freshman games in 1962 and 1963.

Dr. Ginsburg, an outstanding guard for Geneva, Pa. College in the 1930s began coaching because he loves the game.

Pallotta, 22, is Dr. Ginsburg's first hot scorer, and the dentist-coach figures the 210-pounder deserves consideration for Little All-America honors.

Pallotta is fourth among the top national small college scorers. He has a 33.8-point average in the school's 4-8 record, collecting 406 points with a 45 per cent shooting average. He has hit on 137 of 298 field goal attempts and 132 of 169 fouls. Pallotta averaged 21 points per game in his senior year at Canton High School.

The school record, posted before varsity competition, was 394 points.

Last Friday he scored 44

points against Detroit Tech, breaking his own individual game record for the fourth time this season.

Pallotta, who scores most of his points with a 15 to 20 foot jump shot, had his best shooting night against Malone College, a rival in the Canton area. He jumped in 15 of 20 field goals and 8 of 11 free throws. He is also averaging 11 rebounds a game and has scored 30 or more points in nine of the Cavaliers' games.

Walsh has approximately 300 full time students and an overall enrollment of 428.

Australian Women Retain Net Crown

MELBOURNE, Australia (AP)—Australia retained the Women's International Tennis Championship for the Federation Cup with a 2-1 victory over the United States today.

The titleholders won both singles but the Americans fought back to prevent a clean sweep by winning the doubles.

In the singles, Margaret Smith defeated Billie Jean Moffitt of Long Beach, Calif., 6-4, 8-6 and Lesley Turner won 6-3, 2-6, 6-3 from Carole Caldwell Graebner of Cleveland, Ohio. But in the doubles, Miss Moffitt and Mrs. Graebner came back to beat Miss Smith and Judy Tegart 7-5, 4-6, 6-4.

NEW YORK (AP)—The United Football League and Atlantic Coast Football Conference concluded a weekend meeting with only one thing certain. They agreed that they held joint discussions.

An ACFL spokesman said: "The UFL made several proposals, but since we already had decided to operate as we did last year we found that my proposal for amalgamation would be impractical this year. However, we want to keep the matter open for future consideration."

The 14-team ACFL agreed to operate as it had last year but left open the possibility of one or two changes. That will be decided at the annual meeting Feb. 6.

A UFL spokesman denied that a merger proposal had been made.

High Jumper Quitting

Thomas Plans Retirement

BOSTON (AP)—John Thomas, two-time Olympic medal winner in the high jump who vaulted from obscurity to international renown almost overnight, says he is retiring from track because "I can't afford to continue."

"I have no choice," the 24-year-old said today. He explained he's in debt and has only a part time job as a hospital technician.

Thomas added he has resigned the hotel sales representative job offered him which had helped see him financially clear to participate in the Tokyo Games last fall. Thomas said the resignation had been "by mutual agreement."

Although he recently underwent a hernia operation, Thomas says he's 18 pounds lighter and "never felt better physically."

The lad who has cleared the

once magic seven foot barrier over 100 times including his top 7-3 1/2 effort said:

IN DEMAND

"Because of my reputation as a high jumper, I'm always in demand for appearances at various indoor meets, sometimes in two widely separated cities within three days.

"This means hours spent training, traveling and competing. I can't earn a living and do all those things too.

"I've devoted 13 of my 24 years to high jumping. I've worked hard to be a top one over the last eight years.

"But I don't have any regrets. If I had it to do all over again, I'd do the same thing."

Thomas is fiercely proud of his Olympic medals and quick to praise the Russians who edged him in 1960 and last year for first place.

38-14 Win Caps Grid Wars

AFL All-Stars Finish Season

HOUSTON (AP)—The American Football League's floating All-Star game settled in Houston, but for the fourth year it still belonged to the San Diego Chargers, host the previous three years.

Coach Sid Gillman's Chargers, beaten by Buffalo in the league championship game Dec. 26, played a major part in the West's 38-14 rout of the East coached by Buffalo's Lou Saban.

The victory margin was the greatest for the West in the four years of AFL All-Star games. The contest was the finale of the long, long pro football season which began with the All-America Game at Buffalo, N.Y., late last June.

Houston was selected as the site after Negro players voted not to play in New Orleans. They complained of racial discrimination.

With five days notice, the game was shifted to Houston and the AFL Houston Oilers became the hosts.

ONLY 15,446

Instead of the 65,000 fans expected at the Sugar Bowl in New Orleans only 15,446 turned out in 35,000-seat Jeppesen Stadium.

But the Oilers handled the game so efficiently on such short notice the league—which also shifted its winter meetings to Houston last week—awarded next year's All-Star game to the new Domet Stadium, providing proper financial arrangements can be made.

The stadium will be opened in April by the Houston Astros baseball club and will be used by the Oilers during the AFL season.

Arthur Allyn Fails to Approve Move

MILWAUKEE (AP)—New opposition to the Braves' shift to Atlanta in 1966 has been voiced by Chicago White Sox owner Arthur Allyn, who says he will ask other American League owners to join him in requesting that Baseball Commissioner Ford Frick order the club to stay in Milwaukee.

In a story appearing in today's editions of the Milwaukee Sentinel, baseball writer Lou Chapman quoted Allyn as saying there was no justification for the move and that Frick has had the power all along to cancel the shift.

Allyn said he has already asked Frick twice to veto the transfer, and said, "I have asked the American League to discuss the Braves' question at our meeting in New York on Feb. 1 with the hope of requesting the commissioner to cancel the move."

Twenty-two records were broken or tied in Saturday's game, almost all of them for offense.

On the first play the West rubbed one statistic out of the book when quarterback Len Dawson passed 73 yards to fullback Keith Lincoln for a touchdown.

Lincoln would up the game's leading ground gainer with 78 yards.

Gillman's Chargers played a large part in the rout of the East.

Lincoln, who was injured early in the title game with the Bills, was selected as most valuable player. He scored twice, one on the pass from Dawson and again in the fourth period when he snagged a pitchout and sprinted 80 yards for another record.

John Hadl, who hardly played against Buffalo, threw three touchdown passes and completed 14 of 34 for 151 yards.

AP Photofax

INSIDE STORY—Former heavyweight boxing champion Jack Dempsey stage whippers into the ear of new Rep. Thomas V. Tunney (D-Calif.) as Tunney's father, Gene,

tries to listen in. Tunney took the boxing title from Dempsey. The three attended the 40th annual awards dinner of Boxing Writers Association in New York last night.

Clay in Fight Talk

Boxing Needs 'White Hopes'

NEW YORK (AP)—There's nothing wrong with boxing that "more white hopes" wouldn't cure, says Cassius Clay.

That's why he said he was pulling for Canadian champion George Chuvalo to knock out Floyd Patterson, the former world champion, in the 12-rounder at Madison Square Garden, Feb. 1. He and Chuvalo would draw more money said Clay.

Clay said he hoped to fight the winner after his return bout with Sonny Liston in Boston this spring.

At the same time Clay, the hit of the Boxing Writers' Association's 40th annual dinner Sunday night, said if "we had more white men like Gene Tunney and Jack Dempsey around, and me fighting them, we'd draw a 30 million dollar gate."

"It seems the darker men are dominating boxing," said Clay, who switched back and forth

from speaking in jest and in being dead serious.

"This must seem a little sad to white men," he added. "I'm not talking hate. I'm talking about what everyone says but nobody says out loud."

"If we had more white men like Gene Tunney and Jack Dempsey, and me fighting them, we'd draw a 30 million dollar gate."

"What we need is more white hopes. That's why I'm pulling for the washerwoman Chuvalo to knock out the rabbit Patterson."

WHITE MASSES

"The masses—the white masses—that buy most of the tickets at fights—would like it better if there was some white top contender to challenge someone like me."

As Clay noted, not much is said aloud these days about "white hopes." Joe Louis' popularity in the Thirties and Four-

ties and changing public opinion have wiped out the "white hope" buildups of the Jack Johnson era.

Johnson, rated by experts as one of the greatest fighters of all time, was a controversial figure from the time he won the heavyweight title from Tommy Burns in Sydney, Australia, in 1908, until his death in an auto accident in Raleigh, N.C., 38 years later. While he was champion, tournaments to develop a "white hope" sprung up all over the United States.

Tunney and Dempsey, both former heavyweight champions, were among the 21 present and former world champions who graced the two-tier dais at the BWA's award dinner honoring light heavyweight champion Willie Pastrone, former welterweight and middleweight champion Mickey Walker, and one-time welterweight contender Billy Graham.

Loop Leader Will Visit Nationals 5

NABL STANDINGS

W	L
Benton Harbor 5	Pontiac 4
Grand Rapids 5	Chicago 2
Muskegon 5	

SATURDAY'S SCHEDULE

Chicago at Benton Harbor.
Pontiac at Grand Rapids.

Any doubts that Pontiac fans would see the best team in the North American Basketball League when Benton Harbor visits the Nationals Jan. 30 at Pontiac Northern were dispelled this weekend.

The league-leading Twin City Sailors from Benton Harbor moved two full games ahead of second place Grand Rapids Saturday night with a 123-110 victory on their home floor.

A capacity crowd of well over 2,000 saw the Sailors build a 14-point first-half margin and then ride it to their eighth win in 10 starts this season.

Despite having Johnny Egan (4) and Jerry Harkness (3) held well below average by the guarding of Bobby Cantrell, the Benton Harbor crew posted a well-balanced attack.

Larry Comley put in 39, Bob James 24, Mack Herndon 20 and Al Saunders 18 for the winners. M. C. Burton had 16—his best of the season—to pace Grand Rapids. The Tackers had eight men in double figures, but newcomer Billy McGill was held to two.

The other game saw Muskegon increase its third place lead to one game over Pontiac with a 115-109 triumph that rarely was in doubt. The losers' Porter Merriweather hit 30.

That gives him the individual scoring lead again. He broke a three-way tie with Muskegon's Ed Burton (who had 22 Saturday) and the Nationals' Willie Merriweather. Jim Darrow's 29 led the Panthers.

The Bombers will visit Benton Harbor this Saturday while Pontiac will travel to Grand Rapids.

TICKET SALE

Tickets for the Sailors' visit to Pontiac are on sale now at Griff's Grill with other locations to be announced shortly. Reserved center section seats are \$1.75 and end section seats cost \$1.50. Student tickets will be sold for \$1.

Trade Moderately Active

Market in New High Ground

NEW YORK (AP) — The stock market moved into new high ground early this afternoon. Trading was moderately active.

The Dow Jones industrial average and Standard & Poor's 500-stock index moved above their record closing highs reached last November.

The market had nine straight sessions behind it in which more stocks rose than fell and the sustained advance was breeding increasing caution in the Street.

The trend was slightly higher among steels, motors, oils, mail-order-retails, utilities and tobacco.

AEROSPACE ISSUES

Aerospace issues continued lower on prospects of lower federal spending for aerospace in the years ahead. Drugs and rails were irregularly lower.

Airlines, farm implements and electronics were mixed.

The Associated Press average of 60 stocks at noon was up .8 at 333.5, exceeding its record closing high posted Friday. In-

dustries were up 1.4, rails off .3 and utilities up .5.

Prices on the American Stock Exchange advanced in moderate trading. Ford of Canada, up 3, also responded to the U.S.-Canadian agreement. Up about 2 were Syntex, Gulf American Land and General Supermarkets.

Standard & Poor's was up .23 at 86.44, bettering its closing record of 86.28 reached Nov. 20.

Corporate bonds were mixed in light trading. U.S. government bonds continued steady.

The New York Stock Exchange

NEW YORK (AP) — Following is a list of selected stock transactions on the New York Stock Exchange with noon prices:

Two Hospitalized by Crash in City

Two persons were hospitalized early Sunday morning when the cars in which they were riding collided at Kennett and Stanley.

Elmer G. Arnold, 37, of 106 N. Beverly is listed in serious condition with chest injuries, and Leroy Melmine, 16, of 1136 Holbrook, Waterford Township, is in satisfactory condition with head injuries.

The car Arnold was driving was traveling north on Stanley when the mishap occurred. Melmine was a passenger in a car driven by Cecil Flury, 17, also of 1136 Holbrook.

Flury and a second passenger, Linda Hessler, 16, of 1063 LaSalle, Waterford Township, were treated at Pontiac General Hospital and released.

Avon Station Is Held Up

Sheriff's deputies are investigating an armed robbery of the Save-U-Service Station at 1799 E. Auburn, Avon Township, early this morning.

Attendant Wesley Packer, 18, of Utica told officers a bandit carrying a shotgun robbed the station of \$56 shortly after midnight.

Packer said the robber was apparently drunk, and stumbled several times during the holdup.

AP Photofax

GROUNDING WARSHIP — The United States destroyer escort Whitehurst sits on a beach in West Vancouver, B.C., under the shadow of the bow of the Norwegian freighter Hoyanger, with which it collided in dense fog

at the entrance to Vancouver harbor Saturday night. The freighter was towed off an hour later and the naval vessel early Sunday morning. A large gash is on the other side of the Whitehurst's stern.

In Alleged Bribe Case

Wagner Names Go-Between

NEW YORK (AP)—Mayor Robert F. Wagner today named an intermediary to whom he said the Democratic state chairman made an offer involving public money to try to secure the votes of two state senators in the legislative leadership deadlock.

Wagner said Chairman William H. McKeon made the offer to J. Raymond Jones, New York county (Manhattan) Democratic leader, because the senators in question are from Jones' bailiwick. The New York mayor, also a Democrat, said Jones spurned the offer.

McKeon earlier categorically denied Wagner's original charge that such an offer was made. He said Wagner "obviously has been given erroneous and misleading information."

Wagner's naming of Jones was made in a statement issued here about 3:30 a.m. That was a few hours before the Democratic-controlled legislature in Albany planned to resume attempts to break the deadlock over who will lead the majority party in the Senate and Assembly.

The deadlock has idled the legislature since it convened 12 days ago.

NUMBER OF LEADERS

Wagner said the offer to Jones was made last Tuesday night in a private apartment at the DeWitt Clinton Hotel in Albany.

The mayor said the meeting

was attended by a number of party leaders from around the state but not the two senators whose votes allegedly were sought.

Wagner did not name the senators.

The offer was "heard by all present, including at least three persons in that room who, in response to my inquiry, have confirmed the fact that they heard Chairman McKeon make the offer," Wagner said.

Wagner said Jones refused "to consider, entertain or transmit" the offers allegedly made by McKeon. He said Jones "rejected them."

The mayor's postmidnight statement came as the legislature prepared to reconvene after a weekend recess.

Saturday, Wagner had accused McKeon of actions "tantamount to bribery" in the legislative power struggle.

The mayor had called for McKeon's resignation as party chairman and the withdrawal of the McKeon-backed candidates for Assembly speaker and Senate majority leader, Assemblyman Stanley Steingut of Brooklyn and Sen. Jack E. Bronston of Queens.

In inconclusive open balloting last week, Steingut and Bronston consistently led the pro-Wagner contenders, Assemblyman Anthony J. Travia of Brooklyn and Sen. Thomas J. Mackell of Queens.

Holly Pair Is Hurt in Telegraph Crash

A Holly couple is reported in satisfactory condition at Pontiac General Hospital after an auto accident early Sunday morning at Telegraph and Glendale.

Clarence A. Krause, 36, of 416 E. Maple and his wife, Elizabeth, 32, were traveling north on Telegraph when the mishap occurred.

The Krause car collided with a vehicle driven by Leonard Filhart, 22, of 50 Seminole. Filhart and his passenger, Arnett Carter, 26, of 137 Auburn, were both treated and released from the hospital.

Ex-Vermont Politician Succumbs at Age 47

GARDNER, Mass. (AP)—John M. Spencer, who left public life and politics in Vermont a year ago to battle alcoholism, died early today at Heywood Memorial Hospital. He was 47.

Pontiac Man's Death Reported as Suicide

Richard L. Zolman, 21, of 55 Douglas was found dead in his room Saturday night, the victim of an apparent shotgun blast. Pontiac police have listed the death as a suicide.

State Tourist Office to Advise More

DEARBORN (AP) — When spring blossoms in Michigan this year, the State Tourist Council will be spending a record \$200,000 to make sure out-of-state tourists know all about the state's warm weather attractions.

Plans to spend \$165,000 for 34 advertisements in 23 magazines were part of the spring-summer promotion approved at a council meeting this week, said William McGraw, council director.

That is \$20,000 more than the total spring-summer promotion expenditure last year.

To Start Up U.S. Policy Discussions

"Great Decisions," a series of eight informal discussions on foreign policy will be carried on again this year in Oakland County beginning the week of February 7.

The series is an annual program with citizens meeting informally in their own communities to discuss eight key policy topics of critical importance to the U.S.

Study material for the discussions comes from a non-partisan fact booklet published by the Foreign Policy Association.

The booklet is contained in a kit and is available for \$2 at libraries in Birmingham, Bloomfield Township, Pontiac and West Bloomfield Township.

This year's topics include Red China, Germany, Eastern Europe, the U.N., Africa and South Viet Nam.

NOTICE OF HEARING

On Establishing Normal Height and Level of Water in Macceady and Lotus Lakes in Independence and Waterford Townships, Oakland County, Michigan

TO WHOM IT MAY CONCERN, PARTICULARLY OWNERS OF PROPERTY FRONTING ON, ABUTTING OR HAVING ACCESS TO RIGHTS IN MACCEADY AND LOTUS LAKES, OR WHO ARE INTERESTED IN THE SAME, AND MAINTAINED THE NORMAL HEIGHT AND LEVEL OF SAID LAKES PURSUANT TO THE PROVISIONS OF ACT 146 OF THE PUBLIC ACTS OF 1961, AS AMENDED, SAID LAKES BEING LOCATED IN SECTIONS 31 AND 32 OF INDEPENDENCE TOWNSHIP, AND SECTIONS 5, 6, 7 AND 8 OF WATERFORD TOWNSHIP, OAKLAND COUNTY, MICHIGAN.

YOU ARE HEREBY NOTIFIED THAT THE OAKLAND COUNTY BOARD OF SUPERVISORS HAS CAUSED TO BE FILED IN THIS COURT A CORRECTED PRAYING FOR ESTABLISHMENT BY THIS COURT OF THE NORMAL HEIGHT AND LEVEL OF MACCEADY AND LOTUS LAKES, SAID LAKES BEING LOCATED IN SECTIONS 31 AND 32 OF INDEPENDENCE TOWNSHIP, AND SECTIONS 5, 6, 7 AND 8 OF WATERFORD TOWNSHIP, OAKLAND COUNTY, MICHIGAN.

YOU ARE FURTHER NOTIFIED THAT A HEARING ON THE MATTER WILL BE HELD IN THE CIRCUIT COURT FOR THE COUNTY OF OAKLAND, OAKLAND COUNTY, MICHIGAN, HOUSE TOWER, 1200 NORTH TELEGRAPH ROAD, PONTIAC, MICHIGAN, ON FRIDAY, THE 19TH DAY OF FEBRUARY, A.D. 1965, AT 9:00 A.M., BEFORE THE HONORABLE JUDGE, OR AS SOON THEREAFTER AS THE COURT SHALL DETERMINE.

YOU ARE FURTHER NOTIFIED THAT ON SAID DATE THE COMPLAINANT INTENDS TO ASK THIS COURT TO ESTABLISH THE NORMAL HEIGHT AND LEVEL OF SAID LAKES AT 95.0 FEET ABOVE SEA LEVEL AND IF YOU DESIRE TO OPPOSE THE ESTABLISHMENT OF THE LEVEL AT 95.0 FEET ABOVE SEA LEVEL YOU SHOULD THEN AND THEREAFTER APPEAR AND SHOW CAUSE, IF ANY YOU HAVE, WHY:

(a) The normal height and level of said lake should not be established; (b) Why 95.0 feet above sea level should not be the level fixed as the normal height and level of said lake; (c) Why such other and further relief as to the Court seems fitting and proper should not be granted to complainant.

To Attend Parley of Supervisors County Officials

Nearly 50 members of the Oakland County Board of Supervisors and a half-dozen county officials will be in Lansing this week for the annual meeting of the Michigan State Association for Supervisors.

The meeting, to be held at the Jack Tar Hotel, will open tomorrow morning and close Friday afternoon.

The program includes numerous panel discussions and addresses by authorities on county government matters.

Principal topics will be county home rule, reapportionment, taxes and assessments.

All members of the Oakland County Board were authorized as delegates to the meeting at their own expense.

Man Injured in Area Crash

A Royal Oak man was injured early Sunday morning when the car in which he was riding failed to negotiate a curve and ran off Squirrel near Auburn in Pontiac Township.

Kenneth Knepper, 22, of 3319 Crooks is in serious condition at Pontiac General Hospital with head injuries.

The driver of the car, David Johnston, 21, of Saginaw, was treated at the hospital and released.

IN Memoriam 2
LOVING MEMORY OF DEAN, who passed away Jan. 17, 1964. Remembering you always, wife, Edna Elam.

IN LOVING MEMORY OF OUR mother and grandmother, Ella M. Kerr, who passed away January 18, 1965. Because God knew your work was done, Your children taught and grown, He called you to come and dwell. Where no more work is done, Where the golden sun shines never set, And the sky's forever blue; It's there, we hope in God's good time, Dear Mom, to be with you. —Sandy mischieved by her children and grandchildren.

'LBJ School Plan Insures State and Local Control'

WASHINGTON (AP)—Education Commissioner Francis Keppel says President Johnson's education program has been especially designed to insure continued state and local control of education.

"The federal government is a partner in this enterprise, not owner or manager," Keppel said in an exclusive interview.

The biggest, single money item is \$1 billion to upgrade the elementary and secondary schools serving children from families with an annual income of \$2,000 or less.

Keppel said the \$2,000 figure

was chosen "because it is unmistakably clear that there are millions of children — 5 million — who fall in this category. I think it will bring the American people up short."

The commissioner said "the plans are to be made and the programs are to be managed in all parts of the education program by local school systems under the direction of the states, which is, after all, the American pattern, and by college and universities under their responsibilities."

PRESENT PATTERN

"The President feels very strongly that the present pattern of decentralization, of diffusion of initiative, of local responsibility, has created one of the miracles of the world in education, and should be maintained."

The President's \$1.66 billion proposal opened the way for pupils in private and parochial schools to participate in the new program.

"The basic policy," Keppel said, "is to encourage collaboration in American communities."

"The local school system, under the law if it is passed by the Congress, would be required to present a plan for review at the state level, which shows how it proposes to provide services for children of low income families attending both private and public schools."

REQUIRED PART
"This is a required part of the plan they propose."

Any proposed help to parochial school pupils raises the constitutional question of separation of church and state.

Keppel said the proposed legislation which Johnson sent to Capitol Hill has been reviewed and approved on constitutional grounds by the Justice Department.

"There are a variety of state laws governing these matters," Keppel said, and it seems to me quite in the American tradition that the solution to the way in which these services are provided for the children will vary.

EDUCATIONAL QUALITIES
"But I must emphasize that the program is to raise educational qualities for all these children, and it is the responsibility of the local school district to work out collaborative methods with students in private schools."

Keppel said the help for pupils in parochial schools, "might involve what we are calling now dual enrollment or perhaps shared service, where pupils from the two schools go to the same classes in science or mathematics."

"It might involve in the world areas mobile laboratories in the same sense that we have become accustomed to mobile libraries."

"I imagine there are many other examples in guidance, counseling, remedial reading and other services."

Lapping Up the Wine Was Really Ass-inine

REBOLSA, Portugal (UPI)—Two donkeys found a new way to get their kicks yesterday.

Owner Francisco Noe left his wine cellar unlocked and the two animals made their way in, smashed the tap of a cask and lapped the leakage up to the last drunken drop.

BOBBY'S BOY CHRISTENED — Matthew Maxwell Taylor Kennedy, newest son of Democratic New York Sen. and Mrs. Robert F. Kennedy, is christened in ceremonies at St. Patrick's Cathedral baptistry yesterday in New York City. Kathleen, Matthew's eldest sister, holds the child and serves as god-

mother. The godfather, Joseph, eldest brother, is behind her. The Very Rev. Msgr. William McCormack performs the sacrament. Among those present, in addition to the senator (upper right) and his other children, are Mrs. John F. Kennedy (behind the monsignor) and her son John (front center).

After Cummings Walkout

'My Living Doll' Talks of Show

By BOB THOMAS

AP Movie-Television Writer

HOLLYWOOD — That living doll, Julie Newmar, finds herself bereft of a costar, but she thinks she'll be able to carry on, thank you.

Last week CBS announced that Robert Cummings had asked for and received his release from "My Living Doll," in which he played psychiatrist to a robot — Julie.

It was the first time within memory that a star had walked out of a series during its first season, and his action had the trade puzzled. Cummings remained silent.

It had been an ill-kept secret that Bob and Julie did not get along well at all. In fact, there were reports of shouting matches.

Julie seemed not at all perturbed about the loss during a luncheon interview. She claimed

to be on a diet, then ate everything in sight.

And what about her relationship with Cummings?

She put down her fork for a brief moment. "Oh, dear," she said. "I, unfortunately, am a woman of complete honesty. I would like to tell everything, but Mr. Cummings' relations with CBS have not been settled legally. If I spoke my mind, I might get involved in possible litigation."

"Let us say that Mr. Cummings and I come from different schools of acting. He is from the movies—and there is much to be learned there. But I am stage-oriented, and the two systems did not blend too harmoniously, perhaps."

"My Living Doll" was fairly well received by the critics, but faced the rugged opposition of "Bonanza" on Sunday night and hence fared poorly in the ratings. The show was shifted to Wednesday night, where Julie has confidence it will prove its worth.

"We are going full speed ahead, and I know we will last out the season and perhaps beyond," said Julie. "Actually the loss of Mr. Cummings allows us to get back more to the original concept of the series. And I am happy that it now gives a gifted actor, Jack Mullaney, a chance to show more of what he can do."

Julie is hopeful the series will go on and on. "This is by far the most challenging role I have ever played," said she. "I have learned more about acting and about myself than in all my career so far. A television series is the only thing we have in this country that approaches the repertory theater."

Indonesia Is Saying It Quit U. N. to Point Up Need for Remolding

TOKYO (AP)—Indonesian President Sukarno told Prime Minister Eisaku Sato today that Indonesia pulled out of the United Nations "to make the world realize the necessity and importance of remolding" the world body.

In a message to the prime minister, Sukarno also said Indonesia has not given up its intention to settle the Malaysian dispute peacefully.

Sukarno's message was delivered by Indonesian Ambassador Horsono Reksoatmodjo. Sato had written Sukarno Jan. 5 urging him to reconsider his withdrawal from the United Nations.

The Indonesian president also told Sato the concentration of military strength by Malaysia poses the danger of serious eventualities which may affect Japan as well.

Sukarno added, however, he hopes the Indonesian withdrawal from the world organization will have no effect on Japan-Indonesia relations.

COOL JUDGMENT

In return, Sato told the Indonesian ambassador he hopes Indonesia will "exercise cool judgment amid such a delicate situation."

In Jakarta, Indonesian Foreign Minister Subandrio announced he would leave for Burma and Communist China this week "to strengthen the struggle against neocolonialism," a term the Indonesian government uses for neocolonialism, colonialism and imperialism.

Communist China is the only government that has approved Indonesia's withdrawal from the U.N.

People in the News

Gen. Lyman L. Lemnitzer, supreme Allied commander Europe, was presented with the U.S. Veterans of Foreign Wars, (VFW) Bernard Baruch Gold Medal of Peace yesterday in Paris.

The VFW cited Lemnitzer's "continued contributions toward security and peace." The medal was awarded by VFW Commander John A. Jenkins of Birmingham, Ala.

Sukarno Swears In New Envoy

In a ceremony last night in Jakarta's presidential palace, President Sukarno swore in Sudjarvo Tjondronegoro, the first Indonesian ambassador to Holland since the resumption of diplomatic relations between the two countries in 1963.

Indonesia broke diplomatic relations with Holland in 1959 following a dispute over West New Guinea.

Urges Early Start on Science

Nuclear physicist Edward Teller said yesterday in New York that his "general experience is that children are much more clever than grown-ups" and "they can learn about 10 times as fast."

That's why, said the scientist from the University of California at Berkeley, "children should start absorbing science when they are very young."

Reaffirms Claim to Spanish Throne

Leaders of Spain's Carlist movement, including Prince Carlos Hugo of Bourbon-Parma and his wife, Princess Irene of the Netherlands, gathered yesterday at Puchheim Castle, Austria, to hear Hugo's father, Prince Xavier, reaffirm his claim to the Spanish throne.

The Carlists have claimed the Spanish throne for more than a century, although another branch of the Bourbon family held it until Spain became a republic in 1931.

June Allyson Leaves Hospital

Actress June Allyson was released from a Summit, N.J., hospital yesterday, suffering from a kidney infection which her husband A. Glenn Maxwell, says will keep her bedridden for about a month.

Miss Allyson, 40, was hospitalized Thursday after being stricken shortly before she was to go on stage at the Paper Mill Playhouse in Millburn, N.J., where she was appearing in the starring role of the comedy "Janus."

Animal Farm in London

LONDON (UPI)—London airport was like an animal farm for a time yesterday. A tiger, cheetah and leopard were flown to India for a film, and two baby elephants landed en route to Chester Zoo.

For Michigan Folks Who DON'T DRINK

A Special New **GOLD STAR** Low Cost Plan

HOSPITAL-SURGICAL-NURSE

PROTECTION - Pays You Up to \$10,200.00
PLUS BIG ADDITIONAL BENEFITS OUTLINED BELOW!

Yours For Only \$100

FOR FIRST MONTH — MONEY BACK IN FULL IF NOT 100% SATISFIED!

★ **OFFER GOOD FOR 3 DAYS ONLY**

YOUR ENVELOPE must be mailed by Midnight, Wednesday, Jan. 20th 1965

JAN. 20
12 M
1965

★ **All Non-Drinkers Through Age 75 Eligible to Apply!**

IF YOU do not drink, you are eligible to apply for this new low-cost Gold Star Hospital — Surgical — Nurse Protection that pays you big cash benefits!

Folks can apply for this new protection all the way through age 75 — and once you are in the Gold Star Plan there is no age limit! And Gold Star pays in addition to any other coverage or compensation you may have! Yet, because you've been protecting your health all along by not drinking, you get this big-benefit protection for only pennies a day!

In fact, to introduce you to this great new Gold Star Plan, we make this special offer: act within 3 days and you may have one whole month's coverage for only \$1.00 — less than four cents a day! Then, if you're not 100% satisfied that this policy is the best — and least expensive — let us know within 10 days and your dollar will be refunded! Otherwise, you have the privilege — only if you wish — of continuing this great protection at the low, low rates shown here.

Look At All These Gold Star Benefits

This new Gold Star Plan pays you up to \$10,000.00 while you are in the hospital — at the rate of \$10.00 a day for up to 1,000 days (almost three full years)! What a comfort and consolation for those long and costly hospital stays! You also get liberal cash benefits for any surgery you may need — plus cash benefits to help pay for nursing care at home, after you leave the hospital!

Folks Seldom Have Enough Insurance. Do You?

The chances are one in seven that even you will spend some time in the hospital this year. A fall on the stairs, in the bathtub, or on the sidewalk — a sudden illness or operation — could put you in the hospital for weeks, months, perhaps even years.

Can you afford a long hospital siege — with costly doctor and nurse bills, expensive drugs and medicines? Even though you probably have some sickness protection now — will it be enough? Will it give you enough money to meet your bills? Sickness, accident, hospitalization, cost many people their savings, their cars, even their homes. Don't take chances with your financial security. Now, for only pennies a day, YOU can enjoy the added protection, the peace of mind, the freedom from worry that this new Gold Star Hospital — Surgical — Nurse Plan NLLE-11064 offers.

MAIL APPLICATION TODAY — "Later" May Be TOO LATE!

Once the doctor says it's your turn to enter the hospital, it's too late to buy protection at any cost. That's why we urge you to act today — before anything unexpected happens.

Simply fill out the simple application on this page and mail it with just \$1.00 for a full month's protection, which will go into effect at noon of the day we receive your application. Your policy will be sent to you right away by MAIL. When you get your policy, examine all its benefits and features. Have it checked, if you wish, by your doctor, lawyer, or other trusted adviser. If not 100% satisfied, let us know within 10 days and your dollar will be refunded. But if you decide to continue this worthwhile protection, you may do so at the low rates as follows, which are for your age at the time of renewal:

GOLD STAR MONTHLY RENEWAL RATES:

Age 0 through 39 \$ 3.89 per month
Age 40 through 59 \$ 6.97 per month
Age 60 through 75 \$13.83 per month

And, as a special additional Gold Star feature, you can get a big two-months' saving by paying yearly!

TIME IS PRECIOUS! If you don't drink, act quickly. Get your coupon into the mail today!

COMPARE THESE GUARANTEED BENEFITS

PAYS YOU UP TO \$10,000.00 for each stay in the hospital, at the rate of \$10.00 a day for up to 1,000 days.

PAYS YOU UP TO \$1,000.00 for a registered nurse! That's right, after you have been in the hospital just 5 days, you are entitled to receive \$10.00 a day for a registered nurse full time, after you go home, for up to 100 days — provided you employ this nurse within 5 days of leaving the hospital, and for not longer than 180 days from end of confinement.

PAYS YOU UP TO \$200.00 FOR SURGICAL BENEFITS depending on the kind of operation performed. For example, you would get \$170.00 for removal of kidney.

PAYS YOU \$5,000.00 for accidental loss of eyesight, or feet, or hands. Pays \$2,500.00 for the loss of one hand, or one foot, or sight of one eye — when loss occurs within 90 days of accident — in addition to all other benefits.

HIGH AGE LIMIT. You can be 75 years old and still be eligible to apply. And once you are in The Gold Star Plan, there is no age limit!

ALL CLAIM CHECKS SENT DIRECTLY TO YOU VIA AIR MAIL. And policy is mailed to you at home. No salesman will visit you!

SPECIAL RENEWAL WARRANTY. Gold Star guarantees never to cancel your protection as you grow older or because you have too many claims, and guarantees never to refuse to renew your policy unless renewal is declined on all policies of this type in your entire state.

ONLY REQUIREMENTS. You must not drink alcoholic beverages; you must have no previous rejections of any application for health, hospital or life insurance; you must not have been advised to have an operation which has not yet been performed.

ONLY CONDITIONS NOT COVERED. Every kind of sickness and accident is covered, except, of course, hospitalization caused by the use of alcoholic beverages or narcotics; mental or nervous disorders; any act of war; or pregnancy. Everything else IS covered. These proper exceptions help to keep Gold Star rates lower for YOU!

COVERAGE FOR PRE-EXISTING CONDITIONS. You are even covered for 50 days in the hospital, in addition to all your other Gold Star benefits, for pre-existing conditions (which are not usually covered at all) after your policy has been in effect for just two years! What a boon to those with chronic, recurring health problems!

GRATEFUL POLICYHOLDERS PRAISE GOLD STAR SERVICE

Mrs. Christine Watson, Santa Ana, California: "You are to be commended for the excellent way you handled my claim. Your promptness in paying is greatly appreciated as I am a widow and living on a limited income. I would recommend your plan to anyone."

Harry Goodman, Salem, Massachusetts: "Thank you for the check for my recent illness. As a former Insurance Agent I know value and recommend De Moss to anyone. The attention and service you gave my claim is most commendable."

James G. Lendis, Fort Wayne, Indiana: "Without delay, Gold Star mailed me a check for the proper amount to pay my claim. The immediate and courteous attention given me is appreciated very much. There seems to be a 'personal' interest by Gold Star, beyond just a 'business' transaction. A hearty THANKS."

Rev. James L. Roberts, Pineville, No. Carolina: "Thank you for the prompt attention given my claim. It was as if everyone in your office was working just for me. I have been a member for 4 years and am pleased to recommend the Gold Star Plan."

Mrs. Lulse Gurtel, Yonkers, New York: "Thank you for your check which I received this morning. I was embarrassed to present a claim after signing for the policy such a short time ago. I can certainly recommend this company without reservation. I truly appreciate your prompt service."

George F. Guler, Oilton, Oklahoma: "This is the third substantial claim you have paid me in the last year. All were handled in a very prompt and courteous manner, for which I certainly thank you. Gold Star is very high in my estimation."

LEADING AMERICANS PRAISE GOLD★STAR PROTECTION!

S. S. Kresge, founder of the S. S. Kresge Co.: "I'm delighted that non-drinkers are now rewarded by insuring with the Gold Star Plan at substantial savings. Gold Star's popularity indicates that it is the right answer to the question of drinking and hospitalization."

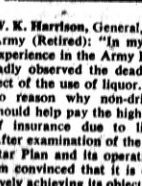

Lynn Burke, Olympic and world swimming champion: "Swimming and the use of liquor do not mix. Neither I nor any other champion I know drinks. My father, a swimming instructor, along with other coaches, forbids his contestants to drink. Of course, I highly recommend the Gold Star Hospitalization Plan for non-drinkers."

Hon. Frank Carlson, U. S. Senator, Kansas: "As a teetotaler, I am delighted that Arthur DeMoss has worked out a practical plan to provide hospitalization for non-drinkers at a reduced cost. I would urge those who are concerned about their financial security to take advantage of this excellent opportunity."

Upton Sinclair, Pulitzer Prize author: "I think your idea of giving people the insurance discount which they earn by not shortening their lives with alcohol is a brilliant one, and I am glad to be counted in on it."

W. K. Harrison, General, U. S. Army (Retired): "In my long experience in the Army I have sadly observed the deadly effect of the use of liquor. I see no reason why non-drinkers should help pay the high costs of insurance due to liquor. After examination of the Gold Star Plan and its operation, I am convinced that it is effectively achieving its objective."

Jerome Hines, leading bass with the Metropolitan Opera Company: "The non-drinker is a better risk and should be entitled to a better insurance rate. There has long been a need for a special hospital plan for total abstainers. Having known Art DeMoss for a long time, I am most happy to recommend this low-cost Gold Star Policy. It should prove to be a real help and blessing to all who can qualify."

The Gold Star Plan

policies, available and paying claims in all 50 states and in many foreign countries, are underwritten by the

NATIONAL LIBERTY LIFE INSURANCE CO.

Valley Forge, Pa., which is licensed solely under the laws of the Commonwealth of Pennsylvania, and which carries full legal reserves for protection of all policyholders.

This Gold Star Plan is issued by the same trusted organization that has already issued Hospitalization Protection to hundreds of thousands of non-drinking folks, and that has advertised in over 300 leading publications, including Reader's Digest, Farm Journal, Christian Herald, Woman's Day, Redbook, Together, Today's Health, Family Circle, Capper's Weekly, McCall's, Better Homes and Gardens, Ladies' Home Journal, and many others.

NO SALESMAN will call on you... now or ever. Your policy will be mailed to you at once!

WHAT SNOW? — Oblivious to the heavy snowfall that turned their bird feeder into something resembling an ice cream cone, two tufted titmice and a black cap chickadee move in for a frosty lunch at the favorite hangout in the yard of a Louisville, Ky., resident.

Bitter Cold, Snow Hit East, Midwest

BY THE ASSOCIATED PRESS

Numbing cold stabbed deep into the eastern half of the nation yesterday adding new misery to many sections still recovering from heavy weekend snow storms.

Behind the cold another blast of arctic air pushed in, sweeping southeast through the Midwest and dumping fresh snow on already hard-hit areas.

Temperatures Up Tomorrow

It's going to warm up on Tuesday, but don't get your bathing suit out of the mothballs. Temperatures will still hover in the boots and earmuffs range.

Following today's snow squalls, tonight will be fair and colder. A low from 5 to 10 is predicted. North winds, which ranged from 20 to 30 miles, will diminish by tonight.

Increasing cloudiness, with the mercury registering between 20 and 26, is the forecast for Tuesday. Plan on light snow by afternoon or evening.

Wednesday will find the thermometer inching downward again as snow flurries continue to fall.

Today's low temperature reading in downtown Pontiac, prior to 8 a.m., was 10 above. Scattered sunshine coaxed the mercury to 15 by 1 p.m.

With another mass of cold air moving in from the arctic, little relief was in sight for the eastern half of the nation.

MORE SNOW

The Weather Bureau said fresh snow will blanket a stretch from Upper Michigan to eastern and northern Indiana, then diminish to flurries late today.

However, another snow storm is brewing in northern Alberta and will move into the Midwest tomorrow.

Indiana —hardest hit of the Midwest states—was still suffering from the weekend storm, although major highways are open.

The 12-inch snowfall still has secondary roads clogged and most schools in the middle of the state will be closed today.

FLOW PATHS

Indianapolis will go without garbage collection today, as sanitation trucks help plow paths through the city's streets. In the West, there was a mid-winter warm spell, with Los Angeles registering 85 degrees.

Say Churchill Little Weaker

Doctor Reports After His Morning Visit

LONDON (AP) — Sir Winston Churchill, his life slowly ebbing, was a little weaker today, a medical bulletin said.

The bulletin was issued by Churchill's personal physician and lifelong friend, Lord Moran, after a visit to the 90-year-old statesman this morning.

It said that otherwise there was nothing to report on the old man's condition.

The text of the bulletin: "Sir Winston had a restful night. He is a little weaker, but otherwise there is nothing to report."

This was the seventh bulletin since Churchill was struck by cerebral thrombosis Friday. All have told of the steady decline of the aged statesman.

MORNING EXAM

Moran, 82, arrived for the morning examination at 11:17. The bulletin was issued 30 minutes later.

The next bulletin will be issued at 8:30 p.m. — 3:30 p.m. EST — the physician said.

Lord Moran left the Churchill home immediately after issuing the bulletin. Asked by reporters whether Churchill was taking any nourishment, he said: "I don't think I'll answer that."

Moran examined Churchill twice Sunday. After the second examination he said: "After a restless start, Sir Winston has had a peaceful day, but he has lost ground."

3 STAY LATE

Churchill's three surviving children stayed late with Lady Churchill, now 79, near the bedside, dispersing only in the early hours this morning.

His actress daughter Sarah, 49, said as she left: "He is sleeping peacefully."

Sir Winston's son, Randolph, and grandson, Winston Spencer Churchill, 24, left grave faced after 1 a.m. without comment. The younger daughter Mary, wife of former Cabinet minister Christopher Soames, stayed on with her mother.

Outside the house, on a secluded residential street just south of Hyde Park, a small crowd of newsmen and photographers waited through a turbulent night. Sleet and rain lashed down and high winds sent milk bottles clattering along the sidewalk.

SCHOOLS CLOSED
Officials announced that schools would be closed in wide areas of Virginia and North Carolina. Up to 18 inches of snow fell over the weekend. About 100 schools were closed in the east Tennessee mountains.

Subzero readings were expected in some parts of Virginia.

Frigid temperatures and some snow flurries were predicted for New England and other sections of the Northeast.

With another mass of cold air moving in from the arctic, little relief was in sight for the eastern half of the nation.

MORE SNOW

The Weather Bureau said fresh snow will blanket a stretch from Upper Michigan to eastern and northern Indiana, then diminish to flurries late today.

However, another snow storm is brewing in northern Alberta and will move into the Midwest tomorrow.

Indiana —hardest hit of the Midwest states—was still suffering from the weekend storm, although major highways are open.

The 12-inch snowfall still has secondary roads clogged and most schools in the middle of the state will be closed today.

FLOW PATHS

Indianapolis will go without garbage collection today, as sanitation trucks help plow paths through the city's streets. In the West, there was a mid-winter warm spell, with Los Angeles registering 85 degrees.

LBJ Presents Defense Policy

WASHINGTON (AP) — President Johnson details for Congress today his view that U.S. military power is second to none and that he will keep it that way.

Johnson, two days away from his inauguration to a full four-year term, arranged to lay out his defense policy in a special message.

It was his sixth special message since Congress returned to work on Jan. 4.

Addressing the Senate and House on the State of the Union that night, the President said:

"In this period, we have built a military power strong enough to meet any threat and destroy any adversary."

"And that superiority will continue to grow so long as the office is mine — and you sit on Capitol Hill."

LEAVES DETAILS

This was all he said about defense at that time, leaving details to the special message and the budget message due next week.

Johnson can, if he wishes, scoop his own budget message and disclose the final defense figure.

Secretary of Defense Robert S. McNamara disclosed just before Christmas that defense spending next fiscal year might fall about \$500 million below this year's estimated \$49.8 billion.

Since then, there have been some refinements but the final close to \$49.3 billion. This is expected to account for about half of the entire federal budget for the bookkeeping year starting July 1.

This is the first special message on defense since 1961 when President John F. Kennedy revised the recommendations of the outgoing Eisenhower administration because of the Berlin crisis that year.

It appeared that Johnson was aiming to put his own imprint on a defense policy he inherited from Kennedy.

Johnson made no appreciable change in the Kennedy policy and there was every indication he would continue along the same course.

Basically, that policy involves building U.S. power to deal with all kinds of threats ranging from subversion and "little wars" to all-out nuclear war. That policy has been called "flexible response."

Leadership Shift Averts GOP Fight

LANSING (UPI)—An impending fight in Michigan Republican ranks was off today because Gov. George Romney deposed Arthur G. Elliott Jr., a close personal friend, as state GOP chairman and picked Mrs. Elly Peterson to succeed him.

With Romney's personal endorsement, Mrs. Peterson was virtually certain of being elected to a two-year term as chairman at the Feb. 19-20 state GOP convention in Lansing.

She would be the first woman to chair either of Michigan's major political parties.

She set a similar precedent last summer when she defeated two men in the Republican primary to win the nomination for U.S. senator.

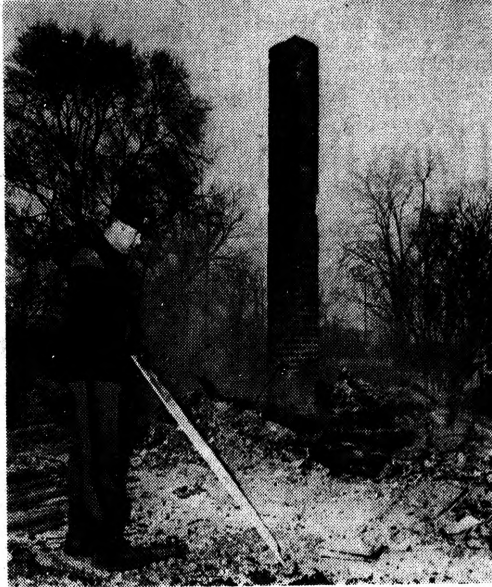

In the general election, however, she lost by one million votes to Sen. Philip Hart, D-Mich.

SPECIAL CONFERENCE
Romney announced the leadership changeover at a special news conference Saturday. The decision came less than 18 hours after the minority leader of the State Sen. — Sen. Emil Lockwood, R-St. Louis — told reporters he would support Mrs. Peterson for the chairmanship unless Romney demanded Elliott be retained.

Before Saturday Elliott, a 48-year-old real estate and insurance man from Birmingham, gave every indication he would seek a second term in the \$21,000-a-year position.

Elliott, who helped launch Romney on his political career four years ago and served with (Continued on Page 2, Col. 8)

SURVEYS HOME RUINS — Trooper John Flis of the Romeo State Police Post examines the aftermath of a fire yesterday. The owner, Mrs. Lafayette Bates, 91, of 2311 W. 32 Mile, Bruce Township, died of a heart attack brought on by the blaze, according to a coroner's report. (See additional picture, Page 21).

Romeo Area Home Destroyed

Widow, 91, Dies in Fire

A 91-year-old widow, prominent for many years in the Romeo area, perished yesterday as fire leveled her home.

Mrs. Lafayette Bates of 2311 W. 32 Mile Road, died of a heart attack as flames completely destroyed the 100-year-old home in which she had lived for many years.

The fire was discovered by George Hoke at about 6:30 a.m.

Hoke lives two doors away at 2555 W. 32 Mile Road, and saw flames in the rear of the house while on his way to the barn.

After calling the Romeo Fire Dept., Hoke awakened Mrs. Bates' son and daughter-in-law, Mr. and Mrs. William Bates, who live next door to their mother's house, at 2371 W. 32 Mile Road, 3½ miles west of Romeo.

The three attempted to rescue Mrs. Bates by breaking windows and forcing the front door, but were driven back by billowing clouds of black smoke.

BODY FOUND

More than 40 firemen from the Romeo, Addison Township and Washington Township departments arrived in time to

bring Mrs. Bates' body out of the burning house.

The victim was found in a chair just a few feet from the front door, which had been forced open in a futile rescue attempt.

Sub-zero temperatures and a high wind combined with the fire's head start to make it impossible to save the two-story frame structure.

A nearby barn was saved by watering it down.

CAUSE UNKNOWN

Although the cause of the blaze is unknown, firemen speculated that a heating unit may have been at fault.

Bates had checked on his mother at 11:30 p.m. Saturday, and all was well at that time, he said.

It was the first 1965 fire fatality in Macomb County.

Mrs. Bates was well-known in the area through her many activities. She was a charter member of the Romeo Book Club, necrologist of the First Congregational Church and a member of the Romeo Senior Citizens Club.

PIONEER FAMILY
She was a member of the pioneer Crissman family, a graduate of the University of Michigan, and winner of many ribbons for her cooking and creative handwork at state fairs.

All of her possessions, including a number of hand-hooked rugs and an antique collection, were lost.

Firemen estimated damage at about \$16,000. The home was at least partially covered by insurance.

400 Leftist Students Demonstrate in Tokyo
TOKYO (AP) — About 400 leftist students demonstrated in downtown Tokyo today, shouting "Crush the Japan-South Korea normalization talks."

The students snake-danced through the streets, temporarily paralyzing traffic. Police arrested one student on charges of violating the Metropolitan Public Security Act. Japan and South Korea resumed their normalization talks today after a year-end recess.

3-Car Crash in Birmingham Leaves 4 Dead

Two Are Run Down While Standing Near Vehicle on Telegraph

Eight persons were killed in traffic accidents in the Pontiac area during the weekend, including four young persons in a three-car crash in Birmingham Saturday night.

Dead are: Elmer L. Miller, 49, of Mount Clemens; Ada Burder, 61, of 147 S. Tilden; Dennis L. Waring, 19, of 363 S. Roslyn, Waterford Township; Calvin L. Hopkins, 26, of 53853 Pontiac Trail, Lyon Township; Frederick M. Drothler, 22, of Royal Oak; Rodger Henderson, 16, of 1065 Westwood, Birmingham; Barbara J. Barnum, 16, of 480 Yarmouth, and Sandra Christman, 17, of 485 N. Cranbrook, both of Bloomfield Township.

Miller, died at 2:40 a.m. today when his car left a road in Shelby Township and struck a culvert.

Shelby police said Miller's car eastbound on 23 Mile Road, crossed over to the westbound lane and went into the ditch at 11901 23 Mile, one mile east of Van Dyke Road.

Miller was pronounced dead on arrival at St. Joseph Hospital, Mount Clemens.

KILLED YESTERDAY
Mrs. Burder was killed late yesterday when a car in which

she was riding collided with a second vehicle.

Police said the second auto was driven by Raymond C. Tick, 29, of 5175 Cass-Elizabeth, Waterford Township. Tick, who reportedly declined to make a statement, is in satisfactory condition at Pontiac General Hospital with facial lacerations.

Mrs. Burder was a passenger in a car driven by her husband, William G. Burder, 68, who is also in satisfactory condition with facial lacerations.

The 8:56 p.m. accident occurred on M59 just southeast of Elizabeth Lake Road, Waterford Township.

HIT BY CAR
Waring and Hopkins were killed early yesterday morning when they were struck by a car (Continued on Page 2, Col. 4)

By The Associated Press
Twenty-five persons died on Michigan's slippery, frozen highways during the weekend. Victims included seven persons killed in Pontiac area traffic.

The deaths came between 6 p.m. Friday and midnight yesterday during which the Associated Press reported the fatalities.

CAR ROLLS OVER
Joseph Summerville, 60, of rural New Era was killed yesterday when his car left a country road and rolled over in Eaton County.

George Aldrich, 46, of St. Louis was killed yesterday when his car left a Gratiot County road and hit a pole.

Capital Starts Whooping It Up

WASHINGTON (AP) — The capital starts whooping it up for Lyndon B. Johnson officially today, and only a dubious weatherman stands in the way of what could be one of the liveliest inaugurations since Andrew Jackson's.

Three days of partying and assorted rejoicings begin with a reception for distinguished ladies this afternoon followed by tonight's Democratic gala. This

is a mammoth variety show, with an all-star cast of singers, dancers and comedians.

Hostess Perle Mesta gave a big party last night at her penthouse apartment. But it was a private affair—not part of the official inaugural week activities.

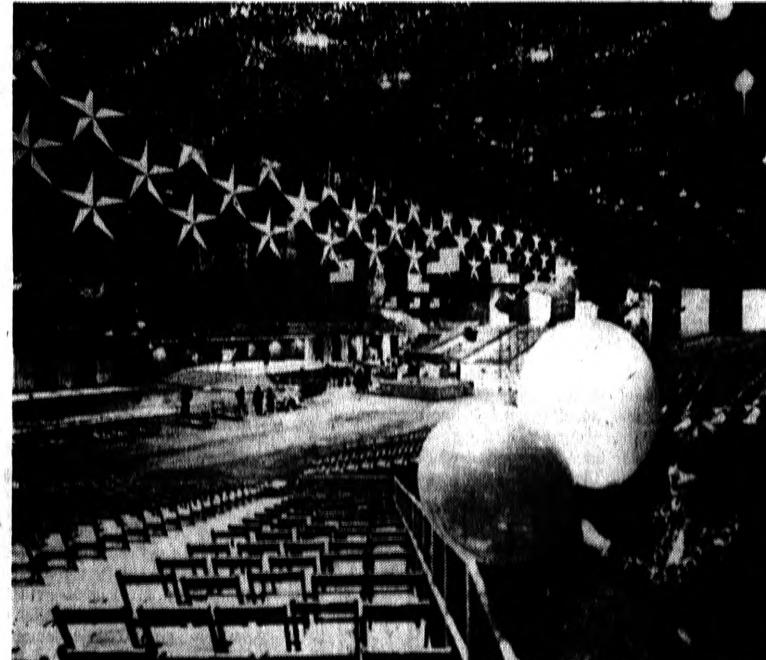

The 300 guests included Vice President-elect and Mrs. Hubert H. Humphrey, Lyndon Johnson, singer-actress Carol Channing, inaugural chairman Dale Miller and many members of Congress.

President Johnson returned last night from a weekend in Texas, ready to celebrate his sweeping victory over Republican Barry Goldwater.

Not until the five inaugural

balls are over sometime Wednesday night is Johnson likely to have another quiet moment. He planned to get in some work today on his inaugural address.

For all the accent on gayety, if you need one word to describe (Continued on Page 2, Col. 1)

AP Photofax

READY FOR THE SHOW — The National Guard armory in Washington is almost ready for tonight's Democratic Gala, one of the first

of a series of public events that will be climaxed by the President's inauguration Wednesday.

MAKE CHARGE Fund Drives Slated for Dixie Suspects

MERIDIAN, Miss. (AP) — Appeals for cash went out today as 16 men awaited arraignment in Mississippi's case of the three murdered civil rights workers.

The FBI said two other men would be arrested soon.

★ ★ ★

The two are Horace D. Barnett, 25, and James E. Jordan, who used to live here but moved elsewhere after the killings.

Their present whereabouts was an FBI secret.

A federal grand jury in Jackson indicted 18 white men on charges of conspiracy in the case. Those arrested here and at nearby Philadelphia Saturday were freed on bond.

LEGAL STRATEGY

Legal strategy being planned included a move to have each man tried separately. A federal

source said the move would be opposed.

No arraignment date was set.

★ ★ ★

At least two fund-raising groups were bidding for defense donations.

One — with a goal of \$1 million — said collection boxes would be placed at every business establishment in the state and every public official would be tapped for contribution.

INCLUDED SHERIFF

The 16 arrested included Neshoba County Sheriff Lawrence Rainey, 41, and Chief Deputy Cecil Price, 26, both of Philadelphia.

Price was among 10 men the FBI said actually plotted the Ku Klux Klan conspiracy to intercept, "shoot and kill" the three men near Philadelphia, some 40 miles northwest of here, last June 21.

Barnette and Jordan also were among the 10 men listed. The FBI said both gave written eyewitness statements about the killings, which set off a massive FBI investigation.

An effort by a Meridian law firm to have Jordan subpoenaed as a witness in a minor traffic accident was rebuffed by FBI agents last week.

NO ADMISSION

Barnette's lawyer denied that any statement was given.

Asked if the two men were under FBI protection, a department spokesman said, "We certainly have a continuing interest in their security."

The federal government has no authority to file murder charges in the case. There was no word on plans for state action. The Neshoba County grand jury, which would consider any state charges filed, meets next month.

Gov. Paul Johnson has said murder charges will be filed "if evidence warrants."

The victims were James Chaney, 21, a Meridian Negro, and two white New Yorkers, Michael Schwerner, 24, and Andrew Goodman, 20.

25 Are Killed in Weekend State Traffic

(Continued From Page One)

was killed yesterday when his car in which she was riding went out of control and skidded into the path of another car.

Two other nuns were injured in the crash. The three were from the same school that lost three nun teachers in an auto accident near Cadillac in 1963.

Salvador DeLaRosa, 41, of Flint, was killed Saturday on US 23 in Genesee County's Mundy Township when his car struck a guard rail on the highway's exit ramp.

Anton Thiel, 54, of Grawn was killed yesterday when his car collided head-on with another auto on M37 in Saginaw Township of Wexford County.

Harold Efu, 17, of Saginaw was killed yesterday when his car collided with a truck on North Michigan Road near Saginaw.

David A. Jennings, 20, of Grosse Pointe Farms and Bruce G. Rogers, 20, of Grosse Pointe Woods, were killed yesterday when their car ran off a street in St. Clair Shores and struck a telephone pole.

Paul Boyd, 28, of Dimondale, was killed yesterday when a car in which he was a passenger ran off M43 near Williamston and hit a telephone pole.

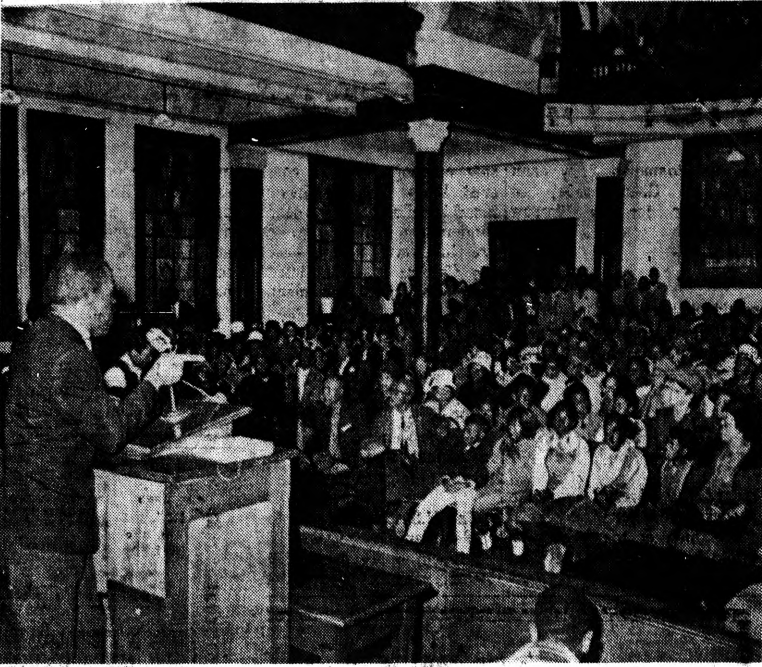

Orland Fisher, 54, of Farwell was killed yesterday when his car left a rural Clare County road and struck a tree.

HITS TREE
John Clay, 41, of Brohman, and Cornelius Cobbs, about 60, of Britely, were killed Saturday night when their car hit a tree on M37 north of White Cloud.

James Owens Jr., 18, of Adrian, was killed Saturday when his loved car was struck by another car in Lenawee County.

Basil DeWitt, 50, of Wayne, was killed Saturday in a two-car collision in Romulus Township near Detroit.

Charles Felkey, 19, of Jackson, was killed Saturday when his car hit a tree near Jackson.

ADDRESSES RALLY — John Lewis, chairman of the Student Nonviolent Coordinating Committee, addressed a rally at the African Methodist Episcopal Church in Selma, Ala.

last night. The rally touched off a desegregation and voter registration drive scheduled to begin today in this west central Alabama city.

Area Traffic Accidents Fatal to 8

(Continued From Page One)

driven by Stanton C. Smart, 18, of 181 W. Chester, Birmingham.

The two men, along with Waring's 17-year-old brother Terry, who is in serious condition at Pontiac General Hospital, were standing on Telegraph near Hazel following a minor property damage accident.

The Waring car had hit the Hopkins vehicle in the rear and both cars were still in the roadway, police said.

Smart, who was treated and released from Pontiac General Hospital, told police he saw Waring's car, and swerved to miss it.

CAN'T REMEMBER

He said he did not remember striking the two pedestrians.

Smart's car was then hit by a fourth auto driven by Gary R. Course, 2805 Franklin, Bloomfield Township.

Smart was scheduled to make a statement at the Oakland County Prosecutor's Office this morning.

The three Seaholm High School students and the Royal Oak man were killed in a near-head-on crash on West Maple near Linden in Birmingham.

CRITICAL CONDITION

In critical condition at William R. Beaumont Hospital in Royal Oak are Robin M. Adair, 16, of 1026 Puritan and Bruce Berridge, 17, of 577 Westwood, both of Birmingham.

Adair sustained skull fractures, facial cuts and internal injuries. Berridge is being treated for a skull fracture, broken leg and internal injuries.

Henderson, a Seaholm swimming star, was driving the car in which four other teenagers were riding when it collided with Drothler's vehicle about 10:20 p.m. Saturday, according to Birmingham police.

They said Drothler's east-bound car was traveling about 75 miles per hour when it crossed the center line on a slight curve and hit Henderson's car.

TOLD POLICE

Witnesses told police Henderson had been going about 30 miles per hour.

The Henderson car, thrown back some 60 feet, sideswiped one driven by Fay J. Raupp, 52, of 3925 Mount Vernon, Bloomfield Township.

Raupp and his wife, Norma, 43, were treated for injuries and released from Beaumont. Their 16-year-old son, Thomas, who was in the back seat of the vehicle, was the only person involved who wasn't injured.

In an auto-related death, Robert C. Kieffer, 39, of 159 Nesbit, Rockester, died Friday night when he suffered a heart attack while driving on Crooks Road in Troy.

His car left the road and struck the Midwest Tackle Co. Shop at the rear of 4114 Crooks, a quarter-mile north of Watjes Road.

Selma, Ala., Restaurants Expected to Desegregate

SELMA, Ala. (AP) — Restaurants reportedly were prepared to desegregate today in a surprise response to a civil rights campaign mounted by Dr. Martin Luther King Jr. in this rigidly segregated Alabama city.

"They're going to feed you," the Rev. James Bevel, one of King's assistants, told Negroes Sunday night at a church rally, where he urged them to test downtown restaurants.

Bevel and another source said that the restaurant owners had agreed to serve Negroes in compliance with the Civil Rights Act of 1964.

Negro leaders said they would test the dining places and other businesses serving the public after King arrived to open his first major civil rights drive since last summer's violence-racked campaign at St. Augustine, Fla.

WILL TRY TO REGISTER

King planned to lead some Negroes to the Dallas County courthouse in their effort to register to vote. It was not clear whether there would be an organized march downtown, in view of a police warning against marching, or other demonstrations.

"We are not interested in getting people arrested," Bevel told newsmen at the church meeting. He indicated there would be no defiance of the ban on marching.

Wilson Baker, Selma's director of public safety and head of the police department, said he would enforce an ordinance requiring a permit to parade, but would not interfere with any persons walking to the courthouse if they were not in an organized march.

Baker said he also had warned George Lincoln Rockwell, leader of the American Nazi party, against demonstrating. He said Rockwell had talked of staging counter demonstrations when the Negroes began their desegregation efforts.

NAZI LEADER

The Nazi leader was accompanied by Jerry Dutton and Robert McDaniel, both of Birmingham.

King's Southern Christian Leadership Conference planned a three-point program of voter registration, applications for city jobs, and efforts to desegregate places of public accommodations. This is King's first campaign since the civil rights law was enacted last year.

At the church meeting, Bevel said he had been informed that the restaurants would serve Negroes. Another source said the restaurant association, at a recent meeting, voted to desegregate, and that handbills would be given to white patrons explaining there was no alternative under the civil rights measure.

Birmingham Area News

Shain Park Village Fair Is Favored by Chamber

BIRMINGHAM — The Chamber of Commerce wants to hold another village fair in Shain Park this spring.

The event, similar to that held during Birmingham's centennial observance in 1964, would be part of Michigan Week activities in the city May 16 to 22.

Members of the Birmingham-Bloomfield Chamber of Commerce's board of directors recently voted unanimously to sponsor the fair.

They will ask the City Commission tonight for permission to hold the event May 20 through 23.

Tentative dates of the fair were determined after consultation with James K. Flack, local Michigan Week chairman, and Robert Reid, president of Happyland Shows, which last year furnished rides for the fair.

LAYOUT OF RIDES

Knowles Smith, Chamber of Commerce executive director, noted the layout of the rides would be similar to that used last year.

There also would be food and game concessions operated by community service groups, he said in a letter to the commission.

"In order that we may facilitate our advance planning and preparation this year, we are presenting this early request for permission to hold the Village Fair 1965 in Shain Park and the street areas involved last year," he said.

Further details are to be worked out by the chamber committee for approval by city administrators.

BENEFICIAL

"It is our belief that a tastefully conducted village fair is beneficial to the community in many ways and would particularly augment Birmingham's observance of Michigan Week 1965," Knowles said.

BLOOMFIELD HILLS — An introduction to the natural history of amphibians and reptiles will be covered in a new 10-week class for youngsters 12 through 16.

President Plans Visit to Oregon on Feb. 15

ASTORIA, Ore. (AP) — President Johnson will visit the Astoria area Feb. 15, State Sen. Dan Thiel, D-Astoria, said today.

Thiel said he has no details of the presidential itinerary but that chief purpose of the trip is an inspection of the new jobs corps training center at Tongue Point, off the northern Oregon coast.

16 years of age at Cranbrook Institute of Science.

The 9-11 a.m. class will begin Feb. 6 under instructor James A. Fowler, herpetologist formerly connected with the institute and now curator of education at the Henry Ford Museum.

The course will cover identification, life history, distribution, collecting, preserving, recording and cataloguing. Field trips will be made.

Participants can register at the institute office. They need not be members.

Michigan GOP Averts Fight

(Continued From Page One)

him as a delegate from Oakland County to the State Constitutional Convention, was elected chairman in 1963.

Although Romney never publicly announced a choice for the chairmanship then, it was understood in party ranks that Elliott was expected to get the job for managing the political campaign that gave the state its first Republican governor in 14 years.

CLEAR WAY

Romney cleared the way for Elliott's election by telling then Chairman George Van Pusem he did not want him to run again.

The weekend switch to Mrs. Peterson, who was twice elected vice chairman and served for about seven months last year as assistant national GOP chairman, came with lightning-like suddenness.

Lockwood declared his support for Mrs. Peterson while attending a meeting of the Republican State Central Committee and the word quickly filtered out to all party leaders.

As a result Alfred La Porte of Standish, chairman of the 10th Congressional District Republican Committee, stepped up efforts he had begun several weeks ago to win the state chairmanship.

OTHER LEADERS

Other party leaders also began trying to recruit support for either Mrs. Peterson, former Kent County GOP chairman Walter Russell or Macomb County Chairman William McLaughlin.

Sometime Saturday the governor apparently became convinced Elliott's position was seriously undermined.

Young Viet Generals Get Cabinet Posts

SAIGON, South Viet Nam (AP) — South Viet Nam's young generals took a more open hand in the direction of the government today as three of them were reported named to posts in Premier Tran Van Huong's previously all-civilian Cabinet.

The government also moved to step up the war effort by giving its ministries power to draft personnel and requisition property.

Reliable sources said Maj. Gen. Nguyen Van Thieu became deputy premier and took over the defense ministry from Huong. The air force commander, Brig. Gen. Nguyen Cao Ky, became minister of youth and sport, the army security chief, Brig. Gen. Linh Quang Vien, was made minister of information.

Thieu and Ky were leading members of the "Young Turk" group of generals who dissolved the High National Council Dec. 20 and nearly caused the government to collapse. The council had acted as a provisional legislature.

AGREEMENT PRICE

The military reportedly insisted on Cabinet posts as its price for the agreement which ended the crisis resulting from the December purge. Military officers dominated the government from the overthrow of President Ngo Dinh Diem in November 1963, until Lt. Gen. Nguyen Khanh, the commander of the Vietnamese armed forces, resigned the premiership Aug. 27 under public pressure.

There was no immediate reaction from Buddhist leaders

who have been waging a prolonged but so far ineffective campaign to oust Huong.

The premier also chose a new minister of finance, Huynh Van Dao. He has been civilian chief of the Defense Ministry cabinet and is considered a financial specialist.

In the measures to increase the war effort, ministries were

given power to draft personnel for up to one year and to requisition movable property for up to six months and real estate for up to three years.

SEEK INCREASE

U.S. officials have been pressing for an increase of 100,000 men in the Vietnamese armed forces. The government now has 615,000 men under arms, including paramilitary forces and police.

Some top American officials have said they believed the Vietnamese economy and population could afford an additional million men under arms, although the army this large could probably not be raised.

Draft dodging has been a major problem. Young men get exemption by enrolling in schools and universities or by going abroad.

New Projects OK'd in War on Poverty

WASHINGTON (UPI) — President Johnson has announced another advance in his War on Poverty — authorizing 88 new projects for 33 states and Puerto Rico.

The projects will cost \$101,960,782. They include the first loans to help poor farmers and creation of a nationwide network of summer jobs to assist high school students who want, but cannot afford, to return to school each fall.

Johnson announced this third batch of War on Poverty projects yesterday, a few hours before he flew back to Washington from his Texas ranch.

Since Congress authorized \$784.2 million for Johnson's anti-poverty campaign, the administration has approved nearly 400 projects in every state at a cost of \$221 million.

Johnson has said he will ask Congress to double anti-poverty funds in the coming year.

MAJOR BEGINNING

The President, noting that the anti-poverty program was signed into law only 101 days ago, said in a statement: "We have brought nearly 400 transfusions of new opportunity to disadvantaged Americans in every part of this land. We have made a major and significant beginning to throttle want and elevate hope."

In the latest projects, the Agriculture Department said 11 anti-poverty loans will be made to help low-income rural families in 10 states raise their incomes and better their living standards. They will cost \$24,970.

more snow in the forecast for tomorrow and temperatures huddling in the 20s, the climatic possibilities are sobering if not downright frightening. The forecast for tomorrow: fair and cold.

★ ★ ★
Inauguration after inauguration, it's not so much what they say here, but the conditions under which they shiver and shake.

BIG SNOWSTORM

On the eve of John F. Kennedy's inauguration in 1961 an eight-inch snow, swirling in gusts of up to 32 miles an hour, so tied up traffic you would have thought the capital was barricaded.

Automobiles by the thousands were stalled and abandoned. Many a visitor, holding expensive hard-to-come-by tickets, never did get where he was going, or was so appalled by the conditions he never went.

Such recent nightmares, coupled with such uncertain forecasts, could hold down the crowds, even though Johnson throughout the campaign extended invitations lavishly.

Last night, coming back from Texas, he brought along so many friends on the presidential plane his staff members were displaced and had to ride another aircraft.

ALL HIS FRIENDS

Curiously, Andrew Jackson, away back in 1892 was closest to Johnson in inviting all his friends to come. Some 20,000 did, crowding into the White House and creating such suffocating confusion that Jackson eventually had to flee the too-friendly mob.

Well, Johnson hasn't gone that far.

Security precautions, much stronger since Kennedy's assassination, will keep everyone in his place unless he has a ticket. The 20,000 who will be dancing Wednesday night will have paid \$25 each for the privilege.

Almost obscured by all the sideshows is the main point: the simple swearing in ceremony at noon Wednesday, and the inaugural address.

The Weather

PONTIAC AND VICINITY — Partly cloudy and windy with snow squalls today. High 15 to 24. Mostly fair and colder tonight. Low 5 to 10. Tuesday, increasing cloudiness and not so cold with light snow by afternoon or evening. High 20 to 26. North to northwest winds 20 to 30 miles diminishing tonight. Wednesday's outlook, snow flurries and colder.

Perle Mesta Blast Inaugurates Inaugural Week Festivities

WASHINGTON (AP) — There was pink champagne (domestic) and smoked tongue and black caviar and so many people the next vice president of the United States was almost backed into the kitchen.

But everyone had a nice word for everyone, and Hubert Humphrey, as always, had a few more at Perle Mesta's blast Sunday night which unofficially inaugurated the social swirl of inaugural week.

"How does it feel to be unemployed?" someone asked the vice president-elect.

"Not unemployed," he grinned. "Unpaid." Humphrey

went off the government payroll Dec. 29 when he resigned his Senate seat to advance his successor's seniority. His new pay check of \$43,000 a year doesn't start until he is sworn in Wednesday.

TOP LINE

Clearly the top line of the evening came from Rudolph Nureyev, the great ballet dancer, who was asked what he thought of the Great Society. "I don't know," the Russian defector said, struggling to keep his elbows in and his champagne from spilling. "I haven't seen it yet."

Nureyev came with Dame

Margot Fonteyn, the ballerina, who was radiant in something black. Like Carol Channing of "Hello Dolly," they will perform tonight at the inaugural gala. Sunday night, Miss Channing wore a big round white hat which was said to be modeled after the Capitol dome.

Mrs. Mesta, who is "social consultant" for this inaugural, gave the party in her 15-room penthouse apartment, which is full of expensive French furniture — the Marie Antoinette desk, someone whispered, is worth \$25,000 — and the bath-

room fixtures are sculpted out of gold leaf.

The cocktail party had been billed as a get-together for the kinfolk and friends of the Lyndon Johnsons. But among the 300 present, the kin were outnumbered by members of government, show people and society reporters.

SOMETHING WHITE

Lynda Johnson was there, radiant in something white, escorted by former Marine Lt. David Lefevre. "Be sure," a lady from the White House whispered to a reporter, "you don't

identify him as her fiancé." Lynda's parents sent flowers and their regrets from Texas, where they personally were gathering the main body of kinfolk to fly to Washington.

Eva Gabor, no kin, was also there, radiant in something silver. Other celebrated nonrelatives include Mme. Braj Kumar Nehru, wife of the Indian ambassador; Judge Sarah T. Hughes, who swore in Lyndon Johnson Nov. 22, 1963; Supreme Court Justice Tom Clark; Sens. Russell Long (Louisiana), Fred Harris (Oklahoma) and Birch Bayh (Indiana).

Though at one time the crush of guests edged him perilously close to the open kitchen door, Humphrey maintained his good humor. "Nice and cozy, isn't it?" he said to one well-wisher.

To another: "Oh, yes, it's

terribly exciting." To still another: "Well, I'd have to say campaigning is easier than this. We have 49 more parties this week alone." Mrs. Humphrey was radiant in something white. One of their Secret Service agents confided that he would

have to change into a dinner jacket 16 times this week. As the party ended, Mrs. Mesta was asked if it had gone as expected. "Oh yes," she said. "Everybody I expected came and they all brought somebody else."

GREETING FROM HOSTESS — Vice President-elect Hubert Humphrey and his wife (right) are greeted by the capital's No. 1 party-thrower, Perle Mesta, as they arrive

at a preinaugural blast last night. The party was held in Mrs. Mesta's 15-room penthouse apartment.

His father's '65 Fordrides quieter than his father's Rolls-Royce

Chuck's father got the Ford. Reginald's father got the Rolls-Royce. Both got a bargain. Reginald's father has a handcrafted car with all sorts of unique luxuries. Expensive? Naturally. Worth it? Quite.

Chuck's father did fine, too. His Ford rides even quieter than a Rolls-Royce. But it wasn't just quietness that sold him. He shopped around and found that Ford has features, quality and models that simply aren't matched by other cars in its class...

Quiet means quality

- 100% new body—strongest Ford body ever.
- New frame "tunes out" vibration.

New LTD luxury models

- Decorator-appointed interiors, thick nylon carpeting.
- Ten courtesy lights, five ash trays (4-door

hardtops), rear-seat center arm rests.

- Elegant upholstery fabrics—treated with Scotchgard® to resist soiling. TM J M CO.

New spaciousness

- Swept-back instrument panel adds 5 inches extra knee room.
- Transmission hump is lower—for extra foot room.
- More luggage space than in most competing cars—trunk holds four 2-suiters standing upright with room left over.
- Select-Aire air conditioner (optional) built into instrument panel, doesn't jut out.

Extra performance and economy

- Big, new 289-cu. in. V-8 standard in XL's and LTD's.
- Thrifty, quiet new standard Big Six—the biggest Six offered by any car.

- All automatic transmissions have three speeds, not two as in some competing cars—smoother shifting, more economy.

Special comforts and conveniences

- Silent-Flo ventilation (in 4-door hardtops) provides fresh air in car with all windows shut.
- Optional Swing-Away steering wheel.
- Reversible keys—work either side up.

There's more... much more in a Ford than you'd expect for the money. Visit your Ford Dealer and take a test drive soon.

Leading acoustical consultants conducted tests in which 1965 Fords (Galaxie 500 Sedan, XL and LTD (hardtops) with 289-cu. in. V-8 engines and automatic transmissions) rode quieter than a new Rolls-Royce. These tests were certified by the U.S. Auto Club.

Test Drive 'Total Performance '65

Don't Overlook Deductions on Medical Expenses

By RAY DE CRANE
Newspaper Enterprise Assn.

The payment of unusually high medical expenses admitted is a hard way to get a tax deduction. But don't overlook this possibility if your medical bills ran high in 1964.

Many taxpayers overlook this opportunity for a deduction, fearing the rules are too complex.

You shouldn't. The extra effort required to learn the rules and furnish the information can be rewarding.

We discussed the special rules applicable to medical expenses for those over 65.

For all others, medical expenses are not deductible until after they have exceeded 3 percent of adjusted gross income.

ADJUSTED INCOME

For example, if adjusted gross income is \$10,000 the excess of medical expenses beyond \$300 is deductible.

In totaling your medical expenses separate the cost of

medicines and drugs from other items.

Drugs may be included after their cost exceeds one per cent of income. In the \$10,000 example, all drug costs beyond \$100 are deductible.

Your medical expenses may be considered only in the year paid. You may take into account payments made in 1964 on the previous year's doctor's fee, but you may not consider the cost of 1964's operation if no payment has yet been made to the surgeon.

INSURANCE

Include in your personal medical expense calculation the cost of any hospital or health insurance premiums, fees paid a doctor, dentist, optometrist, chiropractor, psychiatrist, Christian Science practitioner, hospital, mental institution, private duty nurse, and all expenses for laboratory fees, X rays, false teeth, eyeglasses, hearing aids and their maintenance, including batteries.

List also the purchase price

or rental of wheelchairs or crutches and the cost of an ambulance ride.

If you have a sufficiently high amount to call for a deduction don't forget to include your transportation expenses in obtaining medical care.

This will include round-trip bus, train or taxi fares to a doctor or dentist's office, hospital, clinic, etc.

FLAT DEDUCTION

A recent IRS ruling permits a flat deduction of five cents per mile for use of your own car for such purposes.

You may include medical expenses paid for yourself, your spouse, dependent children, your parents if you are furnishing chief support or for any other person who would have qualified as a dependent had not he or she earned \$600 last year.

Any reimbursement received from a hospital, health or accident insurance policy must be deducted from the cost of your medical expenses.

If Blue Shield paid \$300 of your \$500 surgical fee last year only the \$200 actually paid by you may be shown in your computation.

Here is a typical medical expense deduction for a family with income of \$10,000:

(NEXT: A Plus and a Minus from IRS.)

Science Quiz

BY BOB BROWN

PROBLEM: Blow the coin over.

NEEDED: A funnel, a coin (quarter is good in most funnels).

DO THIS: Hold the funnel up right, without covering the spout, and try to turn the coin over by blowing hard into the funnel as shown. It is difficult if not impossible. Cover the spout with a finger or thumb, and the coin may be blown over.

HERE'S WHY: This is an example of Bernoulli's principle. With the funnel spout

not covered, some of the air passes rapidly through the small space between the coin and side of the funnel, and out the spout.

This decreases the air pressure around the bottom edge of the coin, so that the coin tends to remain in place. With the funnel spout covered, this Bernoulli effect is not present, and the air blown under and around the coin tends to turn it over.

A second volume of these experiments is available in bookstores and libraries under the title "Science Circus No. 2." (Copyright 1963 General Features Corp.)

World News Roundup

Fear Violence in Burundi

BUKAVU, the Congo, (AP) — Violent reactions were feared today from followers of assassinated Premier Pierre Ngendandumwe.

Reports reaching this eastern Congo border town said the premier was shot with an automatic rifle last Friday after coming from a hospital where his wife had just given birth to a son.

Ngendumwe was named premier by King Mwambutsa IV only eight days before. He was a member of the Hutu tribe, many of whose leaders have been educated in Western universities. They oppose the Tutsi tribes, whose leaders are said to support the Red Chinese.

Western diplomats in Bujumbura, the Burundi capital, reported that seven top politicians had been arrested for questioning but that the assassin was believed still at large.

MEXICO CITY (AP) — A group of interns seeking higher pay from the government is threatening a nationwide doctors' strike in Mexico.

The Mexican Association of Resident and Intern Physicians says 5,000 of its members have been on strike since last Wednesday in 157 hospitals. They are employed mainly by the government.

The interns want a minimum \$96 a month for the lowest paid student and an increase from \$120 to \$240 for third-year graduate resident doctors. The association says the present minimum salary is \$20 a month.

LONDON (AP) — At least nine persons were feared dead today after the worst gales in 10 years battered the British Isles and the Bay of Biscay.

Four hunters were missing in the Lancashire marshes; police found the body of a fifth. Two fishermen drowned in Dover harbor and two others were killed in a highway accident.

Weathermen said gales up to 100 miles an hour lashed the English Channel. The storm also brought rain, snow and sleet.

The Norwegian motor vessel Fossum's 27 crewmen were saved after the ship, on a maiden voyage from Bilbao, Spain, sank in the Bay of Biscay. Her skipper clung to a frail raft for hours before he was rescued.

VATICAN CITY (AP) — The death of Pierre Cardinal Gerlier has set off new speculation that Pope Paul VI may soon call his first consistory for the creation of new cardinals.

His death reduced the College of Cardinals to 76 members, the lowest since 1959.

Cardinal Gerlier, archbishop of Lyon, France, and primate of Gaul, died Sunday, at the age of 85.

TEL AVIV, Israel (AP) — Israel has complained to the United Nations Supervisory Commission about the wounding of an Israeli policeman on the Jordanian border. It called the situation on the border "intolerable."

A military spokesman said the policeman was seriously hurt when a Jordanian position opened fire on an Israeli patrol in the Jerusalem area Sunday. He said the exchange of fire ended 15 minutes later when U.N. observers arrived on the scene.

MONTREAL (AP) — early Canadian coins valued by police at \$100,000 were stolen Sunday night from a museum in downtown Montreal.

Two masked men armed with revolvers entered the 261-year-old Chateau de Ramezay after visiting hours, sent the woman caretaker to her apartment in the building, emptied three showcases and escaped.

Listening to Singer

Shattering Experience

LONDON (UPI) — Singer Harry Secombe offered to replace a clock whose glass face was shattered the moment he hit a high note while singing "If I Ruled the World" on a television shown, from the Palladium.

All Eyes Are Focused on Washington Women

AP Wirephotos

The First Lady is shown here in the brilliant American Beauty red wool ensemble she will wear for the outdoor oath-taking ceremony and Inaugural parade Wednesday. The coat and dress, also of red wool, were designed by Sophie of Saks Fifth Avenue. Coat has a small black seal skin bow at the neck.

Mrs. Lyndon Johnson will wear this jonquil yellow double-woven satin classic style gown to the Inaugural Ball this week. Her satin slippers match the gown which was designed by John Moore of New York.

A full-length coat of double-woven satin with sable trimmed sleeves will keep Mrs. Johnson warm as she goes from ball to ball on inauguration night. Falling from narrow shoulders to a wider hem, the coat is fully gored and features a face-framing, standup collar.

Lynda Johnson, daughter of the President, models the white silk sheath gown she will wear for the Inaugural Ball. Her ensemble includes a full length, double breasted coat of matching material.

They Chose Complementary Wardrobes To Sponsor Two Films

WASHINGTON (AP) — The first fashion flurry of the inaugural begins this afternoon when 5,000 queue up in the National Gallery to meet Mrs. Lyndon B. Johnson and Mrs. Hubert H. Humphrey.

They announced in advance their gowns for the three-day inaugural celebration, a wide range from warm outdoor outfits to specially designed ball gowns.

They picked their favorite colors — Mrs. Johnson choosing bright shades of yellow, bright red and shimmering whites; and Mrs. Humphrey a patriotic wardrobe of red, white and blue.

Mrs. Johnson and Mrs.

Humphrey planned to wear hats only to the outdoor oath-taking and inaugural parade.

They were careful to see their clothes went well together, since they were making joint appearances almost everywhere.

The First Lady has picked a American beauty red costume for the Capitol ceremony where President Johnson will be sworn in at noon Wednesday.

Designed by Sophie of Saks Fifth Avenue, New York, it includes a single-breasted coat of needlepoint wool, with a small face-framing collar and tiny black seal skin bow

at the neck, over a matching slim-skirted sheer wool dress.

OFF THE FACE

The hat, by Adolfo of New York, is American beauty red velvet off-the-face, with a black velvet band.

Mrs. Humphrey wanted to make the most of her inaugural wardrobe, but didn't have the time and had to leave it to dressmakers.

However, she did make her own inaugural day outfit — a dress of pale cerulean angora and wool broadcloth, semifitted, with simulated slot seaming along the bodice and

front of the skirt, giving an empire line.

She's been saving it to wear for the first time officially at the ceremony. A black sable hat goes with it.

FASHION CLIMAX

The main fashion event, of course, is the inaugural ball on Wednesday night, and top-ranking Washington wives have put the emphasis on their ball gowns.

Leading the way will be Mrs. Johnson with a classic long coat and gown ensemble of heavy double-woven jonquil yellow satin, designed by young New York designer

John Moore, an Oklahoman who claims Texas as his home state.

The gown has a bateau neckline and small wing-capped sleeves.

A bias front panel set into the bodice features a slightly raised waistline tapering to a natural waistline in the back, with slight fullness flowing in the skirt.

With it, Mrs. Johnson will wear a single stand of pearls and the diamond and gold earrings given her by the President on their 30th wedding anniversary last Nov. 17.

Three area organizations, Drayton Plains, extension study group, Blue Star Mothers club, and the Michigan Cancer Foundation, will present a jointly sponsored program at 8 p.m. in the Drayton Plains Elementary school Thursday.

"Habit for Life" and "Breath of Fresh Air," both informative films on cancer, will be shown by Mrs. Johnson will be shown by Mrs. John Peterson.

Lynda and Luci Share Spotlight With Mother

The women in the first family will have their hair done in fancy coiffures with extra hair pieces for the inaugural festivities.

Washington hairdresser Jean Louis, who brought the first lady a special "postiche" (hairpiece) from Paris, plans to create a "romantic" but regal style for her for the ball.

Lynda has chosen a white silk gown, reminiscent of the Jacqueline Kennedy look, for the five inaugural balls.

She will wear a double-breasted, white ottoman silk coat with rhinestone buttons and white accessories.

LUCI IN PINK

Luci will make her entrance to the ballrooms in a rose petal pink satin dress with a beaded bodice, a scoop neckline and a gently flared skirt.

She will wear pink shoes and new pearl earrings her mother gave her for Christmas.

Mrs. Humphrey, who makes most of her own clothes, sewed the semi-fitted empire line dress of pale cerulean blue angora and wool broadcloth which she will wear to the inauguration.

Over the dress, she will wear an Alaskan seal coat with a sable collar she purchased during her campaign trip to Alaska.

For the swearing-in ceremony, Lynda plans to wear a slim lined "Texas sky blue"

coat over a matching blue jersey dress. Luci will wear a nubby navy blue two-piece suit with an easy skirt, short-fitted jacket, white blouse and blue accessories.

RED FOR LADYBIRD

At this afternoon's reception for "distinguished ladies," Mrs. Johnson planned to wear a holiday-red textured silk dress with three-quarter length sleeves, a rounded neckline and a gently flared skirt.

Tonight, at the Democratic Gala, she will wear a sparkling white peau-de-soie gown with an iridescent beaded bodice and a softly gathered belled skirt.

SILVER BROCADE

Mrs. Humphrey picked a silver and white brocade dress with a matching jacket for the ladies reception at the National Gallery of Art.

For the evening outings, she has a red satin gown with a bateau neckline and a white satin gown with hand embroidered white flowers and a deep wine colored insert running through the bodice and over the left shoulder.

An Alaskan seal coat with sable collar will keep Mrs. Hubert Humphrey warm during the outdoor activities on inauguration day. Mrs. Humphrey bought the coat during his campaign tour of Alaska last October. With it she will wear a black sable hat.

Mrs. Hubert Humphrey, wife of the vice president, will wear this gown of frail sheer ribbon lace in wisteria tones with a matching full-length coat. Designed by Count Sarmi of New York, the costume has a V-neck bodice with a bow accentuating the empire waistline. The skirt is gently shaped with scalloped hemline.

Localites Are Guests

By SIGNE KARLSTROM

The board of directors of the Women's Association for the Detroit Symphony Orchestra entertained Saturday evening in the social room at the Ford Auditorium for the orchestra personnel and their wives.

Mrs. Cecil Akroyd, association president and Mrs. George W. McClellan, president of the junior association, together with Mrs. Richard Tucker, chairman of the party, and Robert Semple, symphony board president greeted guests.

This party gave board members a closer contact with the orchestra and was planned in appreciation of the orchestra and its maestro, Sixten Ehrling.

Present from this area were Dr. Akroyd, George W. McClellan, the Harold G. Warrens, Dr. and Mrs. Warren B. Cooksey, the Charles Gris-

soms, the O. G. Whites, Mr. and Mrs. Terrel E. Thomas, the Robert Gills, the Don Waltons, Mr. and Mrs. Saul Bernat, Mr. and Mrs. Felix Resnick.

Mr. and Mrs. E. Steven Bauer who attended the concert with her mother, Mrs. Julian Wolfner, had as their guests, the William Painters.

Mrs. Bauer and Mrs. Painter are classmates from Smith College.

Painter, presently a visiting professor at the University of Michigan Law School, is on the faculty of the Villanova University.

Last week, Mrs. Stuart A. Cogsdill was feted on her 80th birthday with a surprise luncheon at Bloomfield Hills Country Club, planned by her two daughters, Mrs. Robert Fife and Mrs. Gene White.

Mr. and Mrs. Cogsdill are now at their Florida home in Miami Beach.

Pull for Tots
A button of one-inch diameter sewed to the slot on a zipper tab will give children a better grip on zippers and help them to dress themselves in their out-of-doors heavy clothing.

Why Grow Old?

By JOSEPHINE LOWMAN

You know they say that there is more than one way to skin a cat. There are many tricks which will make it easier for you to stick to this plan.

I think these are especially important at the beginning of a reducing schedule.

1. Have someone take a candid snapshot of you, without benefit of girdle. Tack it up on the inside of your closet door.

If you have a snapshot of you before you gained your overweight put that along side. If not the present picture will remind you of your goal.

2. For the first week or two you may find it helpful to eat by yourself rather than with the family, not because you are going to starve, but because it will take temptation out of your sight until you and your stomach are happier with fewer calories.

After two weeks, or maybe even sooner, you will not want so much food.

3. Eat slowly, and eat the protein foods first, such as meat or fish or seafood or fowl.

4. Get out a dress you have, and like very much but cannot wear because it is too small, and hang it in plain view in your bedroom — or — buy a new dress you like very much but which is one or two sizes too small.

At the end of eight weeks you will be able to get into it.

FIVE SMALL MEALS
5. You may find it easier to divide your daily caloric intake into five meals instead of three. You may even find it helpful to snack during the day and evening, to eat small amounts at odd times.

There is nothing wrong with this, if you see to it that your food intake for the day provides you with the essentials for health and if you do not go over your allowable caloric intake for that day.

6. Green salads are filling and full of health value. Don't let them be grim.

Make your own salad dressing, using tomato juice as a base and adding lemon juice and garlic or onion salt for flavor.

Of course there are many really delightful low calorie dressings on the market, some with as few as three calories to a tablespoonful. You might use one of these.

7. Have your husband weigh you every morning. Readers have written that this is a highly successful measure because they would have been dismayed had the scales shown a gain rather than a loss.

I think that family interest and cooperation about a woman's decision to reduce is most helpful.

8. Studies have shown that most of the successful dieters do not skip a meal. If they do so, they more than make up for it at the other meals because they are so hungry.

SAVE A SNACK

9. It seems that the "little bit to eat before going to bed," and especially while looking at television, is the downfall of many would-be reducers.

Many women have told me that they did just fine on their diet except for sitting with their family, looking at TV when everyone was eating something, something which was usually fattening.

If this is your problem save something from your diet to eat at that time.

One woman solved it by having a dish of crisp carrot and celery sticks, flavored with onion salt, to chew on. She said that so long as she was eating something while the others were eating fattening items, she didn't mind.

You could have a glass of skim milk with a teaspoon of chocolate syrup.

10. The main important trick to have made up your mind to lose weight and to keep alive in your minds eye the goal you are shooting for — a lovelier you — you CAN be — and just eight weeks from now!

P.S. I said I would give you ten tricks. I just thought of another. If you have a sweet tooth, do not have candy about the house.

There is no point in building character the hard way. If your family craves it, let them eat it when you are not looking and keep their store of sweets well hidden.

The engagement is announced of Mary Virginia Pierpont of Berkeley Avenue, daughter of the William J. Pierponts of Detroit, to Larry Edmond Clement, son of the Louis Clements of North Cass Lake Road. Her fiancé attends University of Michigan.

Magnifying Glass
If you want to copy a crocheted design from a picture, the task will be easier if a magnifying glass is used over the picture to bring out the stitches more clearly.

Television and Homework Don't Mix

By LESLIE J. NASON, Ed. D.
Your television set often serves you well with an amazing variety of entertainment and information, but it CAN cause trouble for school children. In the morning, a quiet breakfast and a warm family relationship provide a proper send-off for school children. Television, even with a choice of good educational programs, should not be allowed to interfere.

In the late afternoon, while mother is preparing the evening meal, there are programs designed for little ones—cartoons, games and activities that build responsiveness.

But even though this keeps children occupied while mother is busy, it cannot take the place of reading, drawing, clay modeling, painting or other quiet activities in which

the child exercises his own skills and initiative. Some time between school and dinner, children need wholesome playtime with physical exercises and a chance to work off pent-up energy. Judicious use of television can be a source of family entertainment in the evening, but should not be allowed to rob the family of story-reading time, or time for discussion of the day's problems.

NO TELEVISION
Homework activities and television can't operate in the same room. A student should put his whole mind into studying.

A radio, with talking, demands an even greater share of a student's mind. Television, making demands on both ears and eyes, makes study even more difficult.

How television shares the home with people can be controlled through family planning. Children aren't born with built-in self-discipline. They have to learn it. They need support in whatever it takes to look

after baths, home chores, proper rest and homework. Without parental interference, Johnny may sit through a whole series of shows. If this happens, he'll wake up in the morning too tired to face the day. Poor work in the classroom may follow.

(You can get Prof. Nason's helpful booklet for parents, "Help Your Child Succeed in School," by sending \$1 to Help Your Child, Box 1277, General Post Office, New York, N.Y.)

Clues Sought in Theft of Cash From Destroyer

SAN DIEGO, Calif. (AP)—The FBI sought clues today in the theft of \$19,280 from the safe of the destroyer U.S.S. Cogswell while docked at the San Diego Naval Station.

The Navy said the theft occurred late Friday or early Saturday, after the ship's payroll had been brought aboard from a San Diego bank. The money was in cash, mostly small bills, a Navy spokesman said.

By OSWALD JACOBY
The late Ely Culbertson used to write about experts at their best and worst. Columnists usually like to show experts at their best, but if you want to see one at his worst here is an outstanding example.

JACOBY South might well have doubled the opening spade bid, but he chose to overcall with two hearts. Perhaps he just felt in a whimsical mood; perhaps he wanted to make sure that he would play the hand for his side.

North raised to three hearts. Now South decided that there might well be a slam in the hand. In any event, his four-club bid was a slam invitation by going only to four hearts and South bid four spades as a repeated slam invitation beyond the game level. Again North refused, but South went to six hearts anyway.

As North put down the dum-

TROY — Joseph L. Price, 44, of 3040 Frankton died early this morning of a heart attack. His body is at Price Funeral Home.

WILLIAM H. STONER

LAKE ORION — William H. Stoner, 73, of 339 Atwater died yesterday after a brief illness. The body is at Allen's Funeral Home.

Mr. Stoner was a retired Pontiac Motor Division employee.

Surviving are a daughter, Mrs. Donald Fuch of St. Petersburg, Fla.; two sons, Everett E. also of St. Petersburg, and Durwood of Royal Oak; two sisters, eight grandchildren, and 11 great-grandchildren.

Two Hospitalized by Crash in City

Two persons were hospitalized early Sunday morning when the cars in which they were riding collided at Kennett and Stanley. Elmer G. Arnold, 37, of 106 N. Beverly is listed in serious condition with chest injuries, and Leroy Melmine, 16, of 1136 Holbrook, Waterford Township, is in satisfactory condition with head injuries.

The car Arnold was driving was traveling north on Stanley when the mishap occurred. Melmine was a passenger in a car driven by Cecil Flury, 17, also of 1136 Holbrook.

Flury and a second passenger, Linda Hessler, 16, of 1063 LaSalle, Waterford Township, were treated at Pontiac General Hospital and released.

Avon Station Is Held Up

Sheriff's deputies are investigating an armed robbery of the Save-U-Service Station at 1799 E. Auburn, Avon Township, early this morning.

Attendant Wesley Packer, 18, of Utica told officers a bandit carrying a shotgun robbed the station of \$56 shortly after midnight.

Packer said the robber was apparently drunk, and stumbled several times during the holdup.

Pontiac Man's Death Reported as Suicide

Richard L. Zolman, 21, of 55 Douglas was found dead in his room Saturday night, the victim of an apparent shotgun blast. Pontiac police have listed the death as a suicide.

AP Photofax

GROUNDING WARSHIP — The United States destroyer escort Whitehurst sits on a beach in West Vancouver, B.C., under the shadow of the bow of the Norwegian freighter Hoyanger, with which it collided in dense fog

at the entrance to Vancouver harbor Saturday night. The freighter was towed off an hour later and the naval vessel early Sunday morning. A large gash is on the other side of the Whitehurst's stern.

In Alleged Bribe Case

Wagner Names Go-Between

NEW YORK (AP)—Mayor Robert F. Wagner today named an intermediary to whom he said the Democratic state chairman made an offer involving public money to try to secure the votes of two state senators in the legislative leadership deadlock.

Wagner said Chairman William H. McKeon made the offer to J. Raymond Jones, New York county (Manhattan) Democratic leader, because the senators in question are from Jones' bailiwick. The New York mayor, also a Democrat, said Jones spurned the offer.

McKeon earlier categorically denied Wagner's original charge that such an offer was made. He said Wagner "obviously has been given erroneous and misleading information."

Wagner's naming of Jones was made in a statement issued here about 3:30 a.m. That was a few hours before the Democratic-controlled legislature in Albany planned to resume attempts to break the deadlock over who will lead the majority party in the Senate and Assembly.

The deadlock has idled the legislature since it convened 12 days ago.

NUMBER OF LEADERS

Wagner said the offer to Jones was made last Tuesday night in a private apartment at the DeWitt Clinton Hotel in Albany.

The mayor said the meeting

was attended by a number of party leaders from around the state but not the two senators whose votes allegedly were sought.

Wagner did not name the senators.

The offer was "heard by all present, including at least three persons in that room who, in response to my inquiry, have confirmed the fact that they heard Chairman McKeon make the offer," Wagner said.

Wagner said Jones refused "to consider, entertain or transmit" the offers allegedly made by McKeon. He said Jones "rejected them."

The mayor's postmidnight statement came as the legislature prepared to reconvene after a weekend recess.

Saturday, Wagner had accused McKeon of actions "tantamount to bribery" in the legislative power struggle.

The mayor had called for McKeon's resignation as party chairman and the withdrawal of the McKeon-backed candidates for Assembly speaker and Senate majority leader, Assemblyman Stanley Steingut of Brooklyn and Sen. Jack E. Bronston of Queens.

In inconclusive open balloting last week, Steingut and Bronston consistently led the pro-Wagner contenders, Assemblyman Anthony J. Travia of Brooklyn and Sen. Thomas J. Mackell of Queens.

Holly Pair Is Hurt in Telegraph Crash

A Holly couple is reported in satisfactory condition at Pontiac General Hospital after an auto accident early Sunday morning at Telegraph and Gendale.

Clarence A. Krause, 36, of 416 E. Maple and his wife, Elizabeth, 32, were traveling north on Telegraph when the mishap occurred.

The Krause car collided with a vehicle driven by Leonard Filhart, 22, of 50 Seminole. Filhart and his passenger, Arnett Carter, 26, of 137 Auburn, were both treated and released from the hospital.

Ex-Vermont Politician Succumbs at Age 47

OBITUARY — EX-VERMONT — 14 GARDNER, Mass. (AP) — John M. Spencer, who left public life and politics in Vermont a year ago to battle alcoholism, died early today at Heywood Memorial Hospital. He was 47.

He had been admitted to the hospital Jan. 10 with a liver ailment. One of his last visitors was Gov. Philip H. Hoff of Vermont. The man he had helped win election in 1962 as Vermont's first Democratic governor in 109 years.

Find Missing Men in Alaska

FAIRBANKS, Alaska (UPI)—Two men were located last night by a campfire near the wreckage of a C87 Flying Boxcar which had been the object of a search since late Saturday.

The men were spotted from a search plane from Eilson Air Force Base here. A helicopter left the base immediately to go to the scene to pick up the men.

The plane disappeared on a flight to Fairbanks from the village of Fort Yukon. The men and the wreckage were sighted 47 miles west of Fort Yukon.

Aboard the plane when it departed Fort Yukon were Edwin Brenner, the pilot and Tom Hird, the copilot. A mechanic, Arnold Lake, might also have been aboard but that could not be confirmed.

All were employees of Interior Airways, which owned the twin-engine cargo plane.

Say France Will Help Egypt if U. S. Cuts Aid

CAIRO (AP)—The weekly magazine Rosel Youssef reported today that France has expressed readiness to extend Egypt credit to cover "vital" commodities if U.S. aid to President Gamal Abdel Nasser's government is cut.

France previously granted the Egyptian government guaranteed credit equivalent to \$72 million to cover Egyptian purchases from France, including raw materials and cotton textile machinery.

Audrey's Own 'Lady' Songs a Notable Accomplishment

By EARL WILSON

NEW YORK — Now It Can Be Told That . . . Audrey Hepburn sang almost half of the wonderful "My Fair Lady" songs . . . She hasn't spoken up about it, not wishing to reduce the acclaim that gifted Marnie Nixon's got for the dubbing. But Audrey's teacher Susan Seton tells me, "Audrey should have credit for being able to sing in the same league with the greatest voices."

Paula Wayne of "Golden Boy" heard some people gossiping maliciously about her in Downey's. Realizing they didn't recognize her, she joined in: "How do you like that broad?" etc. They, and she, condemned Paula Wayne for many minutes, until a waiter said, "Telephone, Miss Wayne!"

Joe E. Lewis just turned 63, he thinks . . . Hugh Downs doesn't want this around but he's a secret gourmet. At Ernest Henderson's swank Elizabethan dinner in the Elizabethan Room at the Sheraton Russell, they served a mystery meat. Hugh correctly guessed it was "baby bear" . . . Johnny Carson's just discovered he's got a great singing voice. He may become the Vaughn Monroe of the Sixties.

Eddie Gorme is NOT expecting. When Dennis James kept saying he is, on that telephone, he was joking . . . Little Joey Heatherton's being groomed to become the new Marilyn Monroe. Joey's a triple-threat: acts, dances and belts a ballad.

Ava Gardner said she's going into a hospital for a checkup . . . What's this? Little Patty Duke talking about marriage? . . . Marty Allen & Steve Rossi have an imaginary interview with LBJ in their act at the Las Vegas Sands: "Mr President, 9 out of 10 doctors don't like Medicare"; LBJ: "But 9 out of 10 Democrats like it."

THE MIDNIGHT EARL . . .

Singer Trini Lopez' No. 1 fan is 16-year-old Chris Onassis, daughter of the shipping multimillionaire, who sends flowers to his openings . . . A big agency wants Peter Lawford to become an executive . . . Tailors fear LBJ's ruined the white tie-and-tails business for 4 years.

The audience cackled at the preview of "Hush . . . Hush, Sweet Charlotte," when Bette Davis said to Olivia De Havilland on the screen, "So you're in public relations . . . that's a pretty dirty business, I hear" . . . Bravo: Spanish singers Paca & Djenara at Le Caprice. Jackie Gleason's so happy in Miami Beach, with his ratings booming, that the Floridians expect him to stay there indefinitely, and other critics now are trying to land TV stars as tourist decoys.

REMEMBERED QUOTE: Your character is built by what you stand for, your reputation by what you fall for.
EARL'S PEARLS: "The perfect gift for an 18-year-old girl is still a compact," says Susan Wong of the Jade Palace, "but nowadays it has to have four wheels."

Victor Borge was asked (in Diner's Club) to explain why the keys on his piano were yellow. "It's not really because the piano is old," he pointed out. "It's just that the elephant was a very heavy smoker."

That's Earl, brother.

Answer to Previous Puzzle

Rites Today for Jeanette McDonald

HOLLYWOOD (AP)

Famed generals, singers and actors — and the more humble members of the Jeanette McDonald fan clubs — gathered here today for the funeral of the movies' first great romantic woman singer.

A massive cross of white roses stood by her coffin, sent with a card signed simply, "Ike and Mamie," from former President and Mrs. Dwight D. Eisenhower.

Bishop Silas, titular bishop of Amphipolis eighth archdiocesan district of the Greek Orthodox faith, called the large turnout in the chilly 39-degree weather "a genuine expression of church brotherhood."

Coed Lives After 75-Foot Plunge off Steep Bluff

PORTLAND, Ore. (AP)—A Reed College girl was in good condition today after a 75-foot fall from a bluff in the rugged Columbia River gorge.

Barbara Strait, 18, of Aurora, Ill., was "responding well," hospital attendants said. She suffered no internal injuries or fractures.

Miss Strait fell Saturday while hiking with three companions at Horse Tail Falls, about 30 miles east of Portland.

Meredith Bliss, 18, Forest Grove, Ore., said the girl climbed a steep bluff without the others. "We told her to come down, then she slipped and fell head over heels," Bliss said.

Artist Dies in Italy

PISA, Italy (AP)—Giuseppe Viviani, 66, a noted Italian artist, died Sunday. He was particularly known for his etchings.

Writer-Priest Dies

ROBBINSVILLE, N.J. (AP)—The Rev. Henry Charlton Beck, 62, New Jersey author, folklore historian and columnist, died of a heart attack Saturday. The Rev. Mr. Beck was ordained a priest in the Episcopal Church in 1949 after a lengthy writing career.
