OU launches 2007 Year in Review Web site

Oakland University continued to demonstrate that it is a university of distinction during 2007 through its quality educational programs; research opportunities; student, faculty and staff accomplishments; partnerships; cultural offerings; and campus and student services growth. In addition, Oakland marked its 50th anniversary with a number of events and celebrations. The major university events can be found on the recently launched 2007 Year in Review Web page.

For details on these and many more achievements from the past year, visit the [2007 Year in Review](#) Web page.

SUMMARY

Oakland University continued to demonstrate that it is a university of distinction during 2007 through its quality educational programs; research opportunities; student, faculty and staff accomplishments; partnerships; cultural offerings; and campus and student services growth. In addition, Oakland marked its 50th anniversary with a number of events and celebrations. The major university events can be found on the recently launched 2007 Year in Review Web page.
