Workers at Ford Face Total Layoff Next Week

GONE HUNTING — Barber Don Leece decided to illustrate the fact that most of his customers will be deer hunting this weekend by mounting a deer's head on a vacant chair ready for trimming at his Crescent Lake Shop on Elizabeth Lake Road. The chair belongs to a fellow barber — Roy Hatcher — who has gone hunting.

Weather May Put Damper on Deer Season Opening

The word "white" means two things to more than 500,000 people in Michigan today — whitetail deer and snow.

When combined, these two ingredients produce a perfect opening for Michigan's deer season. Half a million deer hunters appear doomed to disappointment for the fifth straight opening day.

Rain to Follow Cloudy Skies

Clouds will gather tonight in preparation for a shower in the area late tomorrow, says the weatherman.

In the meantime, we'll have mild temperatures — a low tonight of 43 to 50 and a high tomorrow of 58 to 65.

A traditional gloomy day is forecast for Monday. It'll be cloudy, rainy and cooler.

The mercury hit a low of 37 this morning, but by 2 p.m. had climbed to 58.

The weather experts have studied their charts and decided that rain may fall in Michigan when the deer season opens in the eastern Upper Peninsula and below the Straits tomorrow.

Deer became legal targets at dawn today west of M77 in the U.P. The season closes in this area Nov. 29 and a day later in the rest of the state.

The majority of hunters impatiently marked time waiting for tomorrow.

Hunters are expected to take 130,000 deer, including 70,000 bucks. There were 230,000 antlerless deer permits issued for the 15-day season.

BEST PROSPECTS
Conservation Department field men report that the best prospects will be in Kalkaska and Lake counties in the northern Lower Peninsula and in Gogebic County above the Straits.

Heaviest hunter concentrations will be in Roscommon, Ogemaw, Oshtemo, Gladwin and Crawford counties.

The largest racks and heaviest bucks are found in the western U.P. and in southern Michigan. Oakland County has its share of good bucks. And several will be taken tomorrow. But the hunting pressure will be much lighter than in northern Michigan.

MORE DEER
Pheasant hunters reported seeing more deer than before in the northern half of the county including some "rocking chair" heads.

The Holly, Orionville and Wixom areas always produce steerable bucks.

The deer herd in southern Michigan has increased sufficiently to allow an antlerless season in six areas. Oakland County is not included. Permits were issued for Livingston County.

Syria, Israel in Air Battles

DAMASCUS, Syria (AP)—Syrian and Israeli planes fought "a series of air battles" today and one Israeli fighter was shot down, a Syrian army spokesman announced.

The air battles were reported the day after Israeli planes struck Syrian border positions with Napalm bombs and gunfire after the heaviest ground fighting between the two foes in several years. That air strike was unopposed.

This time the Syrians announced their jets took to the air to challenge the Israeli pilots. Syria's air force is mostly made up of Soviet MIGs. The Israelis have swift French Mirage jets.

"The Israeli air force continued activities this morning and violated Syrian air space," a communique said. "Our air force intercepted the Israeli planes and engaged in a series of air battles with them."

"At exactly 1525 (3:25 p.m.) our planes shot down one Israeli fighter of the Mirage type. It was seen exploding in midair after receiving a direct hit. All our planes returned safely to bases."

There was no indication how many planes were engaged or where the air battles occurred. Reliable sources said there were four jets on each side.

GAVE WARNING
Only a short time earlier, Damascus radio warned that Syria was ready to go beyond "the limit of repelling aggression" from Israel.

Appointed by the governor were Benton Harbor businessman Ardelle Ferguson, Detroit banker, Charles Hewitt, Tawas store owner Wallace (Mike) Nunn and Grand Rapids attorney Richard F. VanderVeen.

DEM DOMINATION
Noting that the appointments must be confirmed by the Democratic-dominated Senate, Ferryency said:

"Cooperation is a two-way street, we expect to be consulted on the appointment to bipartisan boards and commissions, particularly where there is a statutory or constitutional requirement for bipartisan membership."

"If he does consult in advance on appointments requiring Senate confirmation — and particularly appointments of Democrats — I am sure he will find the Democratic majority willing and ready to work with him," Ferryency added.

Russian Car Was Fired On by Yank Guard

Claim Red Driver in Germany Failed to Heed Halt Order

HEIDELBERG, Germany (AP)—A Soviet military mission sedan was fired on by an American guard when it failed to obey orders to halt, U.S. Army headquarters in Europe announced here today.

The incident occurred Wednesday when the car approached a restricted U.S. military area near Nuremberg, the Army said.

The vehicle's two occupants, a Soviet colonel and an enlisted man driver, were detained for about seven hours and then released.

The Soviet military liaison mission is attached to U.S. headquarters. The United States has a similar mission attached to the Soviets in East Germany. U.S. Army headquarters has protested to the Soviet military liaison mission, located in Frankfurt, that the Soviet car violated a well-marked restricted military area.

The Soviet sedan entered the restricted area at around 1:20 p.m. Wednesday despite signs in English, Russian and German warning against trespassing.

Missile Ship Deal Signed

WASHINGTON (AP)—The United States will build three guided missile destroyers for West Germany and will buy a new 20mm automatic gun from that country under agreements signed today by the defense chiefs of the two countries.

A communique of meetings conducted here by Secretary of Defense Robert S. McNamara and West German Defense Minister Kai-Uwe von Hassel announced this among other results of the conference.

On the subject of a NATO nuclear fleet, the communique said that the two defense chiefs "agreed that their respective defense establishments should be prepared to implement the concept as soon as possible after the requisite international political decisions have been made."

This referred to the controversy among several NATO countries, including France and Britain, over the fleet, a

He said the "phasing out" process was already underway.

Mental Health Board Chairman Paul L. Averill said that steps should be taken to bring about resolution of any misunderstanding.

He added that perhaps Pontiac General could postpone phasing out its program.

BREACH UNWANTED
Averill said the community mental health program could not afford a breach between the board and one of the county's general hospitals.

To End Pickets at Free Press? Pontiac Youth Faces Charge in Auto Death

Pressmen Will Urge Resuming Publication

DETROIT (AP) — A spokesman for a striking pressmen's union said today members would be urged to remove picket lines tomorrow from the Detroit Free Press and return to work.

A strike which closed both the morning Free Press and afternoon Detroit News now is in its 124th day, and a 20-hour bargaining session ending shortly after 6 a.m. today failed to bring settlement on a new contract.

Originally, affiliated Local 10 of the Plate and Paper Handlers Union joined Local 13 of the International Printing Pressmen in the strike, but reached new contract agreement last Wednesday.

Manning of six newly installed eight-unit presses at the News is the final issue in dispute.

Negotiations were recessed indefinitely only two hours before Freeman Frazee, Local 13 president, announced at a news conference he would recommend return to the Free Press, but not the News.

STATEMENT ISSUED
Lee Hills, publisher of the Free Press, issued a statement in which he said:

"The question of the manning of eight-unit presses is a vital issue to the Free Press as well (Continued on Page 2, Col. 7)

Henry told police he halted for the stop sign at Sanford, saw no traffic approaching, and proceeded into the intersection.

Two other passengers in the Rollins car were treated and released from the hospital. Henry and his passenger were not injured.

The question of whether newly elected Sylvan Lake Councilman John D. McKinlay is eligible to sit on the council looms as a pressing issue in the coming weeks.

An opposition group to McKinlay, who Thursday night was named to replace Willis M. Brewer as the city's representative on the County Board of Supervisors, is challenging his council eligibility.

The issues was raised by the city's ruling that a person must be a resident two years to hold office.

McKinlay recalls that he moved to the city sometime in November 1962, but he is uncertain of the exact date.

Brewer, a Democrat, says he is not personally contesting McKinlay's right to serve on the council at the present time.

McKinlay, a Republican, is certain that the eligibility question is unfounded. "I have been advised by my attorneys that everything concerning the election is within the realm of legality," he said.

The amended motion, which essentially called for a joint meeting of the hospital authorities and the mental health board was then passed.

Hope Persists for Agreements at Local Level

Bargain Committee to Meet on Thursday for Strike Discussion

DETROIT (AP) — The Ford Motors Co.'s 160,000 hourly workers today face the possibility of a total layoff sometime next week over labor trouble nearly two months after agreement on a national labor contract.

However, hope persisted that this might be avoided.

Ford, blaming parts shortages from United Auto Workers' local strikes at eight factories, laid off 32,500 men yesterday in plants around the country.

This brought the total idle to 57,000, including the 24,100 on strike. Ford has said its entire 96-plant system may become idle by next week.

Last night, workers ratified a new contract at Ford's Louisville, Ky., assembly plant. However, assembly operations do not effect the company's reported parts shortage.

Ford and the union agreed on a national contract Sept. 18. It does not become effective, however, until supplementing local-level agreements are reached at all the plants.

There was no apparent change in the company-union standoff since Ford agreed yesterday to meet with the UAW's national Ford bargaining committee. The meeting is set for next Thursday.

HOPE EXPRESSED
But both Ford and the UAW expressed hope the meeting might not be necessary.

"We see no reason why the current 111-advised strikes should be considered that long," said Ford Vice President Malcolm Denise.

Ken Bannon, director of the UAW's Ford department, said he hoped all issues could be solved before Thursday.

Bannon said a purpose of the meeting would be a union intent to "find out why" all local issues were not settled if the disputes were still unresolved by Thursday.

Eye Eligibility for Sylvan Post

The question of whether newly elected Sylvan Lake Councilman John D. McKinlay is eligible to sit on the council looms as a pressing issue in the coming weeks.

An opposition group to McKinlay, who Thursday night was named to replace Willis M. Brewer as the city's representative on the County Board of Supervisors, is challenging his council eligibility.

At Pontiac General Hospital

Bed Shortage May Be Permanent Woe

Pontiac General Hospital officials are grappling with what may become a permanent problem — a bed shortage and a consequent cancellation of admissions.

Outlining the problem, administrator Harold B. Euler said that so far this month 127 admissions had to be canceled.

This was more than during

the whole month of November in 1963, he said.

The waiting period for surgery has increased to five weeks, instead of the three weeks earlier this year.

Occupancy is also up, according to Euler. This month as well as all of last month occupancy was at 101 per cent.

TEMPORARY USE

Euler said this was required

in the temporary use of hall beds and last-minute cancellations.

Through October, the hospital has had to cancel 1,382 admissions, up 275 over 1963.

Aleck Capsalis, chairman of the hospital board of trustees commented, "There appears to be no letup."

The board has referred the problem to its planning committee, suggesting that thought be given to both a temporary solution and a permanent solution.

OFFICE AREA

This action came after the board discussed briefly the possibility of converting the administration office area to bed space.

Capsalis estimated 30 - 40 beds might be created in the space.

"When you're operating at 96 per cent capacity," Euler said you've got a crowded situation.

Average occupancy for the year has been 97.3 per cent, which is above the 96.5 per cent required by the budget. The budget is based largely on occupancy.

PUBLIC RELATIONS

Forced cancellations are creating a public relations problem with the community, said Euler. The hospital administrator said increased growth of the area might be one reason for the high occupancy. This possibility is reflected in emergency figures, he said.

Through October, some 4,292 patients had been admitted through emergency, as compared with only 3,981 for the same period last year.

To End Pickets at Free Press?

(Continued From Page One) as to the News. The newspapers have a joint contract. The president's union long ago tried to split the newspapers apart in a whipaw effort. It did not succeed then. It will not succeed now. The newspapers are completely united on this issue.

The News and the Detroit Newspaper Publishers Association, which represents both newspapers in craft union bargaining, withheld comment pending study of Frazee's statement. In the past the association has held a strike against one is a strike against the other and has shut down publication. Currently the association is opposing before the National Labor Relations Board a demand by the pressmen that the newspapers be forced to bargain separately with them.

The Free Press does not use eight-unit presses, on each of which the union is demanding 16 men at the News. The newspapers are insisting that a 15-man crew is sufficient.

In an earlier statement, following the breakup of negotiating, Lawrence Wallace, executive secretary of the Detroit Newspaper Publishers Association said:

"The press equipment being discussed is new. The newspapers have not operated eight unit presses before.

"Therefore, any manning of the eight unit is additional manning. No jobs are being taken away. The question is not job security as claimed by the union.

"The real and the only issue is the number of men necessary to operate an eight-unit press." Wallace said that during negotiations last April the union had offered in writing to man the new equipment with 15 men for each of the six eight-unit presses.

ACCEPTED OFFER

"The newspapers considered this number excessive and reluctantly accepted the union offer because they wished to avoid a strike," Wallace said. "Later the union increased its demand to 16 men per press and on July 13 struck the newspapers over this demand and others."

Wallace contended that the newspapers have not been rigid or inflexible in discussing the problem and have agreed to a number of different ways to resolve the dispute.

PSYCHIC POWERS? — Arthur Anderson of Lowell, Mass., puts a blindfold on his daughter Linda, 15, who he claims has extrasensory perception. Linda was called in by Lowell police to aid in the search for a missing 5-year-old boy. After visiting the boy's

home and areas where he was last seen playing near a river, she said "The boy is not in the river, he is in a house." Police are now searching in an ever-widening circle of houses in the area.

Asks Repeal of Auto Tax

Senator Seeks to Pass Saving to Consumer

OKLAHOMA CITY (AP) — Sen. Mike Monroney, D-Okla., asked President Johnson Friday to repeal the 10 per cent excise tax on automobiles.

In a telegram, Monroney, chairman of the automobile marketing subcommittee, said the tax adds more than \$200 to the price of a \$3,000 car in addition to the state sales tax.

"I am sure I can get a firm commitment from the four major automobile manufacturers and from the national convention of the National Automobile Dealers Association to pass on the entire savings to the buyers," Monroney said.

The president said last Wednesday he will ask Congress to wipe out the \$550 million in federal "nuisance" retail taxes. Most are 10 per cent and have been in effect since the Korean war or longer.

Monroney said his subcommittee could hold hearings to take testimony from manufacturers, auto dealers and the public.

Impending Talks Important

Critical Time for NATO

WASHINGTON (UPI) — U.S. officials believe the next four weeks may prove a critical period in determining the political, economic and military course of the NATO alliance.

They say that talks to be held in Washington, London, Paris and Bonn between the United States and France and Britain and Germany should clarify two vital questions:

• What are the prospects for creation of the American-sponsored NATO multilateral nuclear force (MLF)? So far MLF has encountered increasing French hostility and British reluctance.

• Can France and West Germany agree on the explosive grain price issue? This threatens to delay the European Common Market's entry

into wide-ranging negotiations with other countries on tariff reductions.

French President Charles de Gaulle's efforts to weaken Germany's strong ties with the United States and forge a European "third force" to hold the balance of power between Washington and Moscow are considered to be at the root of most of the turmoil in the alliance.

IMMEDIATE TARGET

The immediate target for British and American diplomatic attention is the West German government.

\$1.6 Billion in Projects Set for Six-County Area

Public works projects planned for the Detroit metropolitan area total \$1.6 billion, according to the summary of a report released yesterday by Gerard H. Coleman, executive director of the Supervisors Inter-County Committee (SICC).

With plans for \$144.1 million in public works, Oakland County's needs are surpassed only by the City of Detroit (\$356.5 million) in the six-county area.

The other four counties represented by SICC are Macomb, Monroe, St. Clair and Washtenaw.

The report included a four-year summary of SICC-sponsored public works projects.

It was sent to all administrative officials and congressmen representing the area in an effort to acquaint them with the progress that has been made and the needs that still exist.

Under the leadership of SICC, the Detroit metropolitan area was the first to present to state and federal officials a public works program which qualified

Russia Curbs Aides' Trips

MOSCOW (AP) — Three U.S. military attaches accused of spying on a train trip across Siberia a month ago have been refused permission to take trips outside Moscow, it was learned today.

It was understood the Soviet government has restricted them to Moscow. The same was believed to be true for a British military attaché who accompanied the Americans on the 4,000-mile train trip from Moscow to Khabarovsk in the Soviet Far East.

The Americans are Col. George A. Aubrey of Annapolis, Md.; Lt. Col. Karl R. Liever of Osmond, Neb., both of the U.S. Army, and U.S. Air Force Maj. James A. F. Smith of Meers, Okla.

Birmingham Area News

Safety Patrol Program to Begin for Youngsters

BIRMINGHAM — Some 250 youngsters next week will participate in Birmingham School District's first systemwide workshop for elementary safety patrols.

Designed to augment their training, the program is open to patrols and their sponsors from all public and private schools in the district.

A meeting for sponsors will be held at 8:30 a.m. Wednesday in the second-floor teachers room at Seaholm High School.

The program for patrolers will follow at 9:30 a.m. in the school's little theater. Demonstrations and films will be used to review with patrolers such things as correct signals, behavior and how to get children across the streets under many types of conditions.

Besides school officials, local police and representatives of the American Automobile Association will participate in the program.

Walter J. Piel, Birmingham

Public Schools safety coordinator, is chairman.

Others planning the workshop are Robert Cullen, AAA safety education consultant; William Foust, Walnut Lake School principal; Fritz Pini, Adams School principal; and L. A. Robert Schulte, of the Birmingham Police Department.

Rev. Canon Bryan Green, known as the "Lord's Barnstormer," will be the featured speaker at the final meeting of the Woodward Convocation of the Episcopal Churchwomen.

The program at St. Stephen's Episcopal Church, 5500 N. Adams, will begin with Holy Communion at 10 a.m.

BLOOMFIELD HILLS — Speaker at the Bloomfield Hills Junior High School Monday will be Rev. Carl Price, associate minister of Birmingham's First Methodist Church.

The school's PTO on "Portrait of a Junior High" at 8 p.m.

Two area residents have been appointed to serve on committees for the 1964-65 Michigan State Fair.

Mitchell Kalfornik, 6790 Telegraph, Bloomfield Township, is a member of the salary and wages committee and Mrs. Allen Starn, 1130 Wakefield, Birmingham, will serve on the entertainment committee.

Their appointments were announced by Charles Figg, Michigan State Fair Authority chairman.

LBJ Focuses on Program

But May Try to Take Time Off for Hunting

JOHNSON CITY, Tex. (AP) — President Johnson focuses his attention today on social welfare problems and his legislative program. But he may find it hard to stay indoors, for this is the first day of the deer hunting season.

Secretary of Labor W. Willard Wirtz and Secretary of Welfare Anthony J. Celebrezze are on hand to help in planning the legislation Johnson will recommend to Congress in January.

The domestic proposals he will submit will form the basis of his "Great Society" program. Wirtz and Celebrezze's department will play major roles in implementing it.

But the biggest event in these days today is the start of the deer hunting season.

And while the President, an ardent hunter, insists he will stick to his official tasks through most of the day, he allows that he might make one little outing in search of the fleet-footed deer on his ranch land.

Yesterday afternoon, President-elect Gustavo Diaz Ordaz of Mexico ended a 27-hour stay at the LBJ ranch.

Romney Goes on Vacation

LANSING (AP) — Gov. George Romney went on an 18-day vacation today, heading for "someplace" in Southern California to get away from it all, except for a speech here and there.

Romney will be back in his office Dec. 1.

Meanwhile, he is scheduled to address the County Supervisors' Association of California at Palm Springs Nov. 18, the Prayer Breakfast of the Los Angeles Junior Chamber of Commerce Nov. 19 and the 70th National Conference on Government of the National Municipal League Nov. 19.

Increase Seen in 'Word War'

TOKYO (UPI) — Red China is expected to step up its anti-Western propaganda in the wake of visits to Russia, Africa and Asia by some of its top officials.

Premier Chou En-lai today headed home from Moscow where he concluded a week of talks with the new leaders of the Soviet Union.

According to reports, he won approval for a "peace" conference in Peking next January at which representatives of Russia and China will try to heal the ideological split that developed while former Soviet Premier Nikita Khrushchev was in power.

The Peking radio said Foreign Minister Chen Yi, accompanied by other high foreign officials, flew over embattled Laos and Viet Nam yesterday on his way home from Algeria and Cambodia.

Chen Yi attended independence anniversary celebrations in both countries. The Red radio said his plane landed in the southern mainland city of Nanjing.

Western observers in Tokyo said the outcome of these visits is likely to be a more concerted effort to capture neutral sentiment and U.N. votes for Communists bloc positions against the West.

They said Chen's mission to Cambodia, where he was feted by chief of state Prince Norodom Sihanouk, showed the importance Peking attaches to winning the support of small neutral countries.

Ends Rail Hearings' Urgency

Will Repair Mackinac Ferry

LANSING (AP).—One of the key elements was removed from the proposed northern Michigan railroad abandonments today with the announcement that the Mackinac Straits ferry, the Chief Wawatam, will be repaired.

Robert Bierma, attorney for the Pennsylvania Railroad, made the announcement at the close of an Interstate Commerce Commission (ICC) hearing Friday.

The Mackinac Transportation Co., owned by the Pennsylvania, New York Central and Soo Line railroads, has argued that boiler repairs demanded by the U.S. Coast Guard were too costly and that the ferry could no longer be operated on a paying basis.

It had operated under a U.S. District Court injunction and following temporary repairs during the extended hearings.

LAST SUMMER
Hyman Blond, hearings examiner for the ICC, has conducted the hearings since last summer.

The extent of the repairs has not been determined, Bierma said, but they will be permanent—rather than stopgap measures. Contracts will be signed within a few weeks, he said.

REQUESTS TO ABANDON
The proposal to end ferry service helped trigger requests by New York Central and Pennsylvania to abandon about 280 miles of track in northern and western lower Michigan.

Both railroads contended traffic on their northern Michigan lines was falling off and that the operations no longer were economically feasible.

The state has waged an all-out fight to keep the service, contending they were not losing money and that the abandonments would hurt both the railroads and the economy of the state.

Announcement of the repairs has taken the urgency out of

the matter, Blond said Friday. A rebuttal, requested by the railroads, can be held anytime before next September, he added.

Attorneys for the Michigan Public Service Commission, however, said they saw no reason for delay and asked for the rebuttal within 10 days. Blond told both to file their requests with the ICC in Washington.

Service will continue while

the repairs are being made, Bierma said.

The repairs will meet Coast Guard specifications, he added. They are scheduled to start next April 1 and be completed by Oct. 1. A substitute ferry will have to be found for use during the repair period.

The firm's only intention is to continue service during the hearings, Bierma said, "and after that, no one knows what will happen."

To Consider Appointment

Aide Recommended for Waterford Post

Waterford Township Board members will meet Monday night on a planning commission recommendation that Verna Wiggins, assistant planning director, be named acting director of the township's planning department.

The planning director vacancy was created by the resignation of Robert Dieball Nov. 1.

Wiggins has served as Dieball's assistant since joining the department two years ago.

In other business Monday, the board will review a proposed contract between the township library and the North Oakland Library Cooperative for 1965.

Also slated for board attention is a report on bids opened last Monday for furniture for the water department building. The board will consider the proposed transfer of ownership of a business at 3843 Elizabeth Lake with a beer and wine license.

Straight Track Ahead Seen by U.S. Rails

One of the most cheering aspects of the national scene is the return of the railroads to economic health.

For half a century a strong force in the development of America and themselves a symbol of prosperity, the roads in recent years appeared to have become permanently derailed.

With the exception of a few short-haul lines in which money-losing passenger traffic has disproportionate impact, the larger systems are moving freight at a rate unmatched since the prosperous mid-50s.

Over-all railroad earnings are expected to top \$700 million this year, hitting an eight-year high.

Wall Street, knowing a good thing when it sees it, is trading railroad stocks up commensurably from their 15-year-low of 1961, with some priced at double their early-1964 lows.

The great turn-about, of course, is due in large extent to the country's expanding 45-month business boom. But the railroads have supplemented it by a bang-up job of boot strap-lifting.

Gains through mergers, stepped up sales, major equipment innovations, job elimination, automation, better freight car utilization and improved maintenance have contributed to changing the carriers' financial outlook from red to green.

Only clouds overhanging the revitalized industry are upcoming labor negotiations which, unless equitably resolved, can have most adverse effect.

Fred Hutchinson

A tragically untimely death Thursday took one of the most gallant figures ever to appear in the realm of sport.

FRED HUTCHINSON, manager of the Cincinnati Reds since 1959, succumbed at 45 to the malady that became evident last Christmas and against which he fought with characteristic fortitude.

HUTCHINSON

Hutchinson won stardom as a Tiger pitcher in 1949 and 1950 before taking over as manager of the Detroit team in 1952. He served in that capacity for two years. As pilot of the Reds, he brought home a league pennant in 1961.

His fiercely competitive spirit and unquenchable will to win have become legendary, as has the uncompromising and forthright manner of dealing with both subordinates and superiors. Yet he was a source of inspiration to players, and commanded the respect of rookie and veteran alike.

Baseball has lost an outstanding performer and the country an estimable personality. Countless friends and admirers will deeply mourn the passing of "Old Stoneface."

Silver Shortage Seen Showing No Quarter

The next time anyone offers you "a penny for your thoughts," take him up—but fast.

Unless, of course, you can get him up to a nickel or a dime—or if you are a real heavy thinker—to a quarter.

It isn't the principle of the thing.

It's the money. Specifically, it's the coin.

The current coin shortage in this country is for real. And "economists" say it's going to get worse before it gets better.

The government is working frantically to relieve the shortage. But meanwhile—

• The New Jersey Turnpike Authority pulled a switch by taking a collection from the churches, exchanging paper currency for coins contributed at church services.

• The Pennsylvania Turnpike didn't go to church, but it did go to the restaurants along the turnpike and buy up coin tips the waitresses had received.

• The Mackinac Straits Bridge people are ruining the day they set the toll fee at \$3.75. That quarter change they have to make so often is a bigger headache every day.

• Vending machines—blamed in part for the coin shortage—are themselves feeling the pinch and more frequently are flashing the little green light that says "use exact change."

Any day now a businessman may walk up to a panhandler and say, "Brother, can you spare a dime?"

LBJ Is Charting Nation's Course

By HARRY KELLY

WASHINGTON (UP)—President Johnson is, or soon will be, poring over a batch of special reports he will use in charting the course of his own administration—and the nation—in the years ahead.

From them Johnson intends to draw up the blueprints for his legislative plans that he will hand to Congress in his State of the Union address in January.

The reports are being drafted by almost a score of task forces he assigned weeks ago to such long-standing problems as education, transportation, the urban jungle, care for the elderly, the economy and others.

Many refer one way or another to his version of what he calls the "Great Society," a concept he first discussed publicly last May in a speech at the University of Michigan.

Abundance and liberty for all with an "end to poverty and racial injustice" is just the beginning.

STRESS ON URBAN PROBLEMS

Much of his stress was on the turmoil and problems of the growing, tangled cities—the slum, overcrowded schools, snarled traffic, housing—and he said "in the next 40 years we must rebuild the entire urban United States."

But the solution, he said, would not come from a massive Washington project but requires "new concepts of cooperation—a creative federation between the national capital and the leaders of local communities."

Much of social legislation—for aid to education, medical care for the elderly through Social Security, urban affairs, for instance—have hit hard walls of opposition in the past.

MANY RAP BIGNESS

Many Republicans and Democratic conservatives have stormed at the hazards of "big government and big spending."

But this time, Johnson has a running start.

His programs stand to receive the warmest reception in Congress of any president since Franklin D. Roosevelt's in the 1930's.

Not only did Johnson win the presidency on his own with a landslide, he has a Congress where the Democrats have a two-heavy majority in the Senate and will rule the House with their biggest majority since the New Deal's high tide in 1936.

The POWER of FAITH

By WOODI ISHMAIR

The faith Anthony Casamento's parents gave him as a young boy served him well on Guadalcanal. Advancing on two enemy machine gun nests, Anthony and 14 other marines fell under the murderous fire. The others were all killed. Casamento's squad leader and close buddy died in his arms. Anthony said a prayer for him and laid him down, and then although wounded, managed to knock out one enemy machine gun before losing consciousness. For 22 years thereafter, totally disabled from more than a dozen wounds, Anthony Casamento has continued to live by faith. He is typical of the many veterans whose faith has carried them through the horror of war and its aftermath.

Days of All Faiths:

Origins of Religious Vocabulary

By DR. HOWARD V. HARPER

When we talk about religion or church our vocabulary is full of words that originally had nothing to do with religion. It is interesting to see what some of these words meant before they got their religious associations, and how the associations came about.

For instance, the word chapel. Ask anyone, and he would say a chapel is a small church or a room set apart for religious purposes. And that's what it means now. But literally it was the tent in which the great St. Martin's cape or capella was kept by a French general who regarded this cape as a sort of good luck charm and always took it with him as his army moved about. Naturally the tent itself came to be called the capella and the man who guarded it was the capellanus. From capella and capellanus it is a short step to chapel and chaplain.

Or take the word bless. In Old English it was blæsan, and it meant to reddish with blood. In French "blesse" still means "wound." Because covering a man with blood was the old pagan way of consecrating him, the word continued to mean consecrate after the gruesome ceremony was discontinued. It could be a bit of a shock to realize that when someone says "God bless you" he is literally saying "God bathe you in blood." But he doesn't know that, and certainly that is not what he means.

The word pagan, which we apply to irreligious persons, really means peasant, or farmer. But until very recent times the farmer was often a comic character, a yokel. He looked and acted differently from the city man. In America we called him a "hayseed," or a "rube." It was in this spirit of derision that the term pagan was applied to slackers who did not enlist in the Roman army. Later on, Christians who should have been more kind used the word in the same way to denote persons who refused to become soldiers of Christ.

Probably everyone knows that a pastor is simply a shepherd. The connection here is obvious: he is the man who stays with the flock and protects them in the pasture.

It is not so easy to see why a monk is called a monk. In fact, this puzzles many people. The word comes from the Greek "monos," meaning "one." A monk is a man who

lives alone. Even in the great monasteries this term is still justified, for each monk has his own cell where he spends many hours in solitude.

CARDINALS

The word cardinal confuses some people. There is a tendency to think these Roman Catholic prelates are called cardinals because their vestments are the color of the beautiful American bird of this name. It is just the other way around. The bird gets his name from the prelates.

"Cardo" in Latin means "hinge." Originally the Colleges of Cardinals was made up of the pastors of the principle (or hinge) parishes in the city of Rome.

There is one disturbing ex-

ample of a word that was first exclusively religious and is now used in a secular way. This is the word christen. Its only true meaning is "to make a Christian of." This is what happens when a baby is baptized. He is christened.

At the same time he is given his Christian name, and this is what has caused the confusion. People have come to think of a christening as a naming ceremony.

So now, with bottles of champagne, they "christen" ships. Properly understood the christening of a ship is a burlesque of the Christian Sacrament of Holy Baptism. But no sacrilege is intended in these ceremonies, and therefore none is present.

Bob Considine Says:

Sending Parcel to Poland? Make It a Polish Ham

WARSAW—Dear American housewife:

Quit bellyaching because the soufflé sank. Concentrate a moment on what your Polish counterpart must go through each day to keep her establishment running.

There's the little matter of milk for the kids and the old man, to start some place.

It comes skimmed down to its purple bones. The cream has been taken out of it and may be purchased separately now and then.

Sometimes it is sour by the time it reaches the state stores and it spoils the skim milk when mixed. The skim must be boiled before it is safe to use. So must the tap water.

There is no meat during ex-

tended periods of the week. There is never any thought of walking into a market and picking out the kind of meat you want and the way you wish it to be cut. If there's meat you take what meat there is.

There is never any advance warning of a meat windfall. The housewife must take her chance. She must show up early, before sunset in the bitter winter, get in line and wait. Or dispatch someone from the household to do so. Mostly the wait is in vain, if it's meat that's wanted.

Frozen foods as we know them are next to nonexistent. When available they must be consumed quickly because few homes are equipped with the freezers that would keep them frozen.

Polish winters provide a substitute, of course.

Yesterday was a gray sort of day that knifed through a man's marrow. On the trip down Nowy Swiat, the city's main drag, we noticed a big bloody hare strung from a window of an office building. It was as well refrigerated as it would have been in your electric refrigerator.

If you're thinking of sending a food parcel to a friend or relative in Poland, send her one of those delicious canned Polish hams that fill countless grocery store shelves in America.

Voice of the People:

Reader Calls Income Tax Fair Method of Taxation

Persons opposed to a city income tax must not have had the facts made clear. There is no tax so fair as an income tax as only those who earn money pay taxes. Unemployed, retired or ill pay nothing. If there are more than one wage-earner in a household, each pays a tax.

Property taxes, as they are usually administered, are unfair. We reward the owner who allows his property to run down while penalizing the owner who improves his property. There would be no tax advantage to keeping a vacant lot if all property was assessed by size and location, rather than by type of improvement. All property in a given area should have an equal assessment per square foot.

Opponents of income taxes say the cost of administering them would be prohibitive. The U.S. government doesn't seem to find this so and they collected 112 billion dollars last year.

'Union Lake Store Removed Literature'

So much has been said about the sale of bad reading material that I would like to let it be known of the cooperation shown by the people of Union Lake.

After several complaints, the owner of a local store has complied with the wishes of his customers and removed the offensive literature. What the people want they can get—if they go after it.

'Socialist Trend in Hiring Procedures'

I heard a statement on TV that when a secretary is needed the employer cannot specify the sex of the applicant. If this is true, we have lost another freedom. This would be an insidious, socialistic type law that I hope will never prevail throughout industry or private employment.

I am shocked by some of the recent regimental and confining legislation. It seems the wrong groups are being called radicals to divert attention from what is really happening. This type of extreme legislation will eventually affect the entire population.

I hope I never see the day that I am deprived of the freedom of selecting my baby sitter. It could happen.

'Should Take Stand Against Liberalism'

I am glad the intelligent people of this country have learned that liberal ideas about laws don't work. Liberalism produces students who can't read and write, and hoodlums who tear up quiet resort towns.

I congratulate The Pontiac Press for supporting the New Hampshire Governor and the stiff sentences. The liberals who want to "understand" such hoodlums have had their day. Law-abiding people must stand up to the bullies.

Romney will be defeated in 1966 with the help of his own party because he helped defeat the entire ticket in order to raise his own star.

Feels Election Workers Are Honest

In answer to Disgusted of Lake Orion, I worked out of headquarters and know only one person had the authority to hire and dispense funds. The people I associate with are honest and without deceit.

I was in headquarters on Monday night, November 2, when at least 15 boys were treated to pop and were paid. I heard no complaints. I suggest you contact me and give me all the facts. If the facts warrant justification of your remarks, it will be taken care of.

Fashion on a Budget for Young Expectants

Widow Set to Remarry, but Boyfriend Is Contrary

By ABIGAIL VAN BUREN

DEAR ABBY: I am an attractive middle-aged woman who lost her husband seven years ago after 20 years of happy marriage. (No children.)

I hold a good position and have an adequate income.

The first five years of widowhood I threw myself into my work and shut myself off from the world, socially.

Then I started to go out occasionally. Two years ago I met a man I could really love. We had everything in common and it was just like a young first romance.

Here's the catch. He told me from the start that he had been deeply hurt once in marriage and he will never marry again.

He repeatedly tells me how much he loves me, but marriage is out. He could replace me in a minute because he has much to offer.

I know no other man who could compare with him. Am I wise to end it right now?

DISTRESSED

DEAR DISTRESSED: Yes. When a marriage-minded woman is told by the man she loves that marriage is out because he was "hurt" once, she should head for the nearest exit and never look back.

His excuse is a poor one, but it always works. Some "deeply hurt" men have been known

to recover quickly when they learn that the lady won't have them on any other basis.

DEAR ABBY: My beloved mother passed away recently, so I called the minister and asked him for the wording of some prayer I could say for my mother, and he said, "I'm too busy — and a lot of good prayer will do her now!"

You see, Mamma went to church long ago, but my father never liked to go, so Mamma finally quit going. Abby, I can't believe that Heaven is open only to church members.

I've called all the book stores in town and they say there aren't any prayers for the dead in any of the prayer books they have.

I've heard there are places where you send a few dollars and they pray for the dead, but I don't know their addresses.

Abby, I'd be so grateful if you would print a short prayer I could say for my mother before I go to sleep. Any faith is acceptable.

I can't let you send it to my home because my father looks over the mail first and I'm sure I'd never get it.

Please don't turn down my old request. It means the world to me. Thank you, and God bless you, Abby. Sign me — A PRAYER FOR MAMMA

DEAR PRAYER: From a Hebrew prayer book:

"I remember thee in this solemn hour, my dear mother. I remember the days thou didst dwell on earth, and thy tender love watched over me like a guardian angel."

"Thou hast gone from me, but the bond which unites our souls can never be severed; thy image lingers within my heart."

"May the merciful Father reward thee for the faithfulness and kindness thou hast shown me; may He lift up the light of His countenance upon thee, and grant thee eternal peace, Amen."

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, in care of The Pontiac Press.

Troubled? Write to Abby, in care of The Pontiac Press. For a personal reply, enclose a stamped, self-addressed envelope.

A daring, young disco look in frivolous frothy lace for young mothers-to-be is this demurely high waisted creation by Toni Lynn with a neckline of ruffled lace. The dress tops a flesh colored chemise under-slip and the empire waistband is adjustable for added expansion. In black lace only. About \$30. Line available locally.

Should Ask About Nap if Visitor

By The Emily Post Institute

Q: At the request of my son, I invited the young woman he has been dating, to our house for the weekend.

It was the first time I had met her. Shortly after dinner on Sunday she said she was going to her room to take a nap.

I was quite taken back by this and told my son that I thought she was very rude.

He said I was just "picking." I would like to know, for my own satisfaction, if this was proper behavior for a guest?

A: If she had asked to be excused to go to her room and lie down for awhile because she had a headache or given some other plausible reason for doing so, that would have been quite all right and in no way rude.

But to simply announce that she was going to take a nap and leave you without even so much as a "do you mind," was, I agree, extremely rude.

Q: Is it rude to contradict someone in the presence of others if I happen to know that the information the person is imparting is not correct?

A: This is not a question that can be answered by a simple "yes" or "no." It depends on the importance of the information that is being given.

In other words, if it is harmful gossip that can be injurious to someone's reputation, it is not only right, but your duty to contradict the statement.

Group Plans for the Future

Meeting at the VFW Hall on South Saginaw Street Friday evening, members of the "City of Pontiac" Auxiliary to post 1370, Veterans of Foreign Wars, made plans for future events.

Mrs. George Pappas is chairman of a fish fry next Friday. Final plans were made for the affair, to be held in the club rooms of the hall.

The annual auxiliary Christmas party and gift exchange Dec. 10 will be headed by Mrs. Dixie White.

Donations were approved for the national home Christmas and New Year's parties in Eaton Rapids.

Symphony Returns

By SIGNE KARLSTROM

The Detroit Symphony Orchestra played its first concert in the home auditorium after a three-week tour which took the members to the Worcester Music Festival in Massachusetts and to Carnegie Hall, New York City.

Emil Gilels, young, distinguished Russian pianist, was the soloist in Beethoven's "Concerto No. 3 in C Minor for Piano and Orchestra."

The closing number in the program was Bartok's "Concerto for Orchestra."

In the audience were Mr. and Mrs. Leonard T. Lewis with Mrs. Martin Butzel and Mrs. Edward Raney, Mrs. Arthur B. Tilton, Jeannette Guss, the W. Barclay Deyos, the Saul Bernets, Mrs. Robert B. Green, the Ernest Seasholms, Dr. and Mrs. Warren B. Cooksey, Mrs. Maurice Garabrandt, Mrs. Elmer Wollinger, Mrs. A. Dale Kirk and Henry Booth.

Dining at the Detroit Athletic Club prior to the concert,

were the LeRoy Dahlgren, Mrs. Fred Erb, and Mrs. Herbert Mason, along with the Wilbur Boutells of Grand Blanc and her mother, Mrs. Grant Sturges.

At the Detroit Club were the James Beresford, Ruth Cumming, the Samuel J. Langs and her sister and house-guest, Mrs. Charles Kennedy of Toronto.

Dr. and Mrs. Edson Ruppe, Mrs. W. Lloyd Kemp, Mrs. Palmer Sutton and Mrs. Walter Gehrkne, Mrs. Charles Kennedy of Toronto.

The VanDusen are just back from a two-week holiday at Sea Island, Ga., along with the Frederick Booths, the Austin Harmons and the Henry Whittings.

News from Mr. and Mrs. Edmund Q. Sylvester III (the former Cathy VanDusen) tells of their moving from Medellin, Colombia to Lima, Peru.

BPW Hears Forecast About Wigs

"A wardrobe of wigs is the coming thing for the fashion-minded" according to Peter Mays, owner of Wigs 'N' Things, Bloomfield Hills.

Climaxing his hair styling forecast for 1965 before the Waterford - Clarkson Business and Professional Women's Club Thursday in the Old Mill Tavern was a wig show.

Members who modeled were Mrs. Eldon Rosegart, Mrs. John Sapsford, Mrs. John London, Lottie Hamm; Elizabeth Runk and Mrs. Raymond Jarvis.

Mr. Mays outlined the construction and care of some 16 wigs all made of human hair, showing the type best suited to the individual.

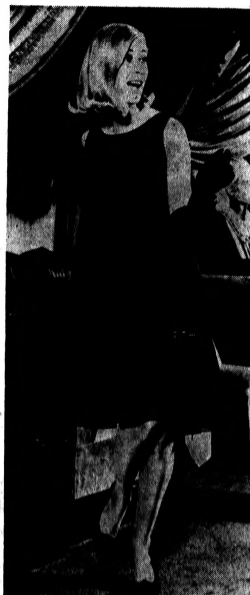

"European hair is far superior to American hair and also costs less. My wigs are hand - sewn and can be serviced," he said.

A letter was read from Linda Chapman, recipient of the club's annual scholarship. She is completing her senior year at Michigan State University.

Mrs. Robert Rowland and Mrs. Russell Thorne were guests for the evening.

A deceptively slim looking deep blue shirt dress by Billie Maternity proves to be just as easy to care for as it is to wear because it's made of a double knit Eastman Kodak polyester and cotton that is machine washable and machine dryable. The sleeveless shift with slash pockets and detail seaming down the front and at the bustline is cleverly cut for easy expansion as time passes on. About \$15 locally.

Toni Lynn gets with the young expectants' set by this gay in spirit swinging discotheque original. Three bias tiers fall gracefully from the bodice. It is trimmed at the empire waist with a velvet ribbon and Chanel bow. Fashioned in rayon crepe and fully lined, the silhouette is loose, free and easy. In black only and about \$25. Line carried locally.

The opulent look of black creme appears in a dress of slim, subtle elegance springing away into a trumpet flare at the hem. The surplice neckline is deeply etched to meet the empire waisted bodice. For perfect shaping, the dress is fully lined and has a long back zipper. In black only at about \$23. By Toni Lynn. Line available locally.

A "Christmas Jewel Box" bazaar is being sponsored by the Women's Fellowship of the First Congregational Church Friday from 10 a.m. to 8 p.m. Shown here preparing items for the bazaar are Mrs.

Robert A. Sanford (right) of Mahopac Drive, Orion Township, and Mrs. Edgar Thomas of Center Street. Mrs. Thomas is general chairman of the affair.

New School Reader Is an Improvement

By MRS. MURIEL LAWRENCE

With the second word a child encounters in the new Macmillan Co. school readers, he receives instruction in phonics — that training in the different sounds of letters which enable him to first join them into syllables and then into rewarding words.

They teach him to discover new words for himself.

With his self-help constantly in mind, the editors have provided other reading tools

which make for a child's independence as a reader.

There are dictionaries in the back of their preprinters which define new letters and words by colored pictures so that if your Billy is stumped by the new word "ladder" he can resort to his dictionary for a picture of one.

And always there is the push by his own interest in what he is reading to encourage him to define a strange word by the sense it makes in the sentence which contains it.

It is my hope that the advent of these books heralds the end of the "look and say" method of reading instruction in our schools.

The promoters of this method have been unorthodox thinkers. They have made children's reading dependent on their memory of the look of printed words.

But human memory is unreliable. It retains only what is meaningful to us. The failure to know this has been the failure

of the promoters of the "look and say" method.

At 6, life has begun to push in upon us with too many vividly memorable impressions to make memorable the silly words: "The cat sits on the mat."

CAN'T COMPETE

The cat's devotion to that mat simply cannot compete for our interest with the vitally important things we are discovering about the world, ourselves and the new friend we made at recess.

The grown-ups who insist that it should just seem a little crazy to us. And we lose perhaps all interest in reading.

I know school drop outs. I know the anguish suffered by children as poor reading instruction begins to catch up with them, and the door of hope begins to close against them.

I know the kind who wonder the streets not daring to ask for a job lest a boss discover their reading disability. I know how their humiliation can transform itself into chronic defiance of you and me and what we have developed from our ability to read.

That's why I rejoice over these new readers. They reopen the doors of hope to children.

Appearing this weekend in the musical "The Most Happy Fella" in Warner auditorium, Central Michigan University, are Beverly Wells, Pontiac senior and David Parrish, Walled Lake senior. Beverly, cast as a jocular, critical philosopher-of-sorts, is joined in song by David.

Several area students are members of the University of Michigan Glee Club, directed by Philip Duey, which has received national recognition by an appearance on the Perry Como Show. Geoffrey Gilbert of Chester Road is president of the group this year.

Singing in a recent concert were Geoffrey Gilbert, Arch Copeland of Chesterfield Road, Neil Parker of River Street, Charles Sutherland of Arlington Road, and John Slinker of Edgewood Park Court.

Enjoying the concert with their dates were Mike Jenkins of Wrentham Drive, Don Crawford of Mark Street, Bill Eames of Cherokee Road, and Monica Calhoun of Spokane Drive.

FATHERS CELEBRATE

There were many fathers on campus last weekend to help celebrate Michigan's victory over the Illini. Among

the fraternities and sororities who celebrated Father's Weekend was Delta Gamma.

Following the football game the DGs honored their dads with a banquet at the sorority house. Enjoying the fun was Martha Foren and her father, Floyd Foren, of Lake Angelus Drive.

In addition to their regular academic work, several area students hold offices in their housing units or their individual schools this semester.

Representing his fraternity, on campus is Joe Nelson, president of Tau Kappa Epsilon fraternity. Joe, a senior, lives on Colonial Way Drive.

DORM CHAIRMAN

Susan Arnkopf of Illinois Avenue holds the position of judiciary chairman for Alice Lloyd dormitory. She has recently been accepted to spend the second semester studying at the University of Sheffield, England, on a program sponsored by the School of Education.

Dorothy Duckwitz of Sweetbriar Road is secretary-treasurer of the senior class of the School of Music. She also holds the position of judiciary chairman for her sorority, Alpha Chi Omega.

Hugh Grove is serving Chi Psi fraternity this year as their assistant treasurer. Hugh is a sophomore who lives on James K Boulevard.

Fund Raising Plans Made by AFS Units

Plans were made for the annual fund-raising event by members of the Metropolitan board of the American Field Service, Wednesday, in Mrs. A. O. Thalacker's Bloomfield Hills home.

All chapters of the Metropolitan Detroit area will participate in the "Folk-Jazz Wing Ding," Feb. 27-28, in the Detroit Masonic Temple.

Proceeds are slated to be used to increase the number of foreign students coming to the United States for their senior year in high school.

NEW GROUP

The Junior AFS Club which originated in 1963, forms a link between the students and the senior members. Area members are Nancy Crawford of Pontiac and Linda Gaylord of Lake Orion. Young women between the ages of 20 and 35 who are interested in community activities may call Mrs. Ronald Nightingale.

Both natural and artificial greens will be sold at the "Green Party" sponsored by the juniors at 1 p.m. Dec. 12 in the Detroit Country Day School, West 13 Mile and Lahser Roads.

A workshop will follow instructions in making holiday decorations.

'Kidding' Cotton

Some of the newest fabric gloves look like anything but fabric.

They accurately resemble kid right down to their real leather markings and their leathery shades.

However, these gloves are actually made of double-woven nylon — safely usable by hand or machine.

A new look for tweeds, and a rich one, in this Davoud costume, is the ever so slightly frosted, luminous look of the white yard of "Antron" nylon, intermingled with black and white wool. The fabric from Emiger is heavily textured in random diagonal pattern. The almost full-length coat tops a costume complete in itself, tweed skirt with red twill brass buttoned blazer. About \$315.

The National Congress of Parents and Teachers evolved from the original National Congress of Mothers, formed Feb. 17, 1897 in Washington, D.C.

Embroidery Look Now in Plastic

Looking like gaudy with openwork embroidery and scroll applique is a new party mod tablecloth that is made of transparent plastic.

FACTS ABOUT PHARMACY
by **HOWARD L. DELL**
Your Neighborhood Pharmacist

LET'S LOOK AT THE RECORD ON DRUG PRICES

An astounding survey in 1959 took 90 minutes of working time to pay for the average prescription medication. Only 62 minutes of labor going for the average prescription medication today! In the cost of drugs had risen as much as the consumer price index since 1939, the American public would have spent an additional one billion dollars for needed pharmaceutical services. The 572 per cent expenditure for drug products today compares with \$61 spent on tobacco products and \$57 for alcoholic beverages. Today's prescription medication, averaging \$3.32, is a relatively modest investment in better health and a longer, more productive life.

Family Room Alcove Is Centered By Pedestal Table

background for LIVING

French Influence Throughout

By JODY HEADLEE
Home Editor, The Pontiac Press

Mr. and Mrs. Victor Rothberg have created a bit of Old France with all the modern conveniences of today in their country house on Franklin Park Road, Franklin.

The rich oak flooring in the foyer is the work of craftsmen skilled in the Old World style of parquetry.

"Each piece," said Mrs. Rothberg, "is hand tooled and individually set into the intricate pattern."

Mounted in the foyer's recessed alcove is an antique panel of hand-carved oak imported from Europe. A wing-back loveseat in the alcove is covered in a quilted French print introducing shades of persimmon, gold and green.

This same print is repeated in the adjoining powder room's valance, bench, wall banding and in the lining of the antique walnut dressing table drawers.

The border on the French needlepoint rug in the powder room duplicates that of the stair risers on the spiral staircase, accentuating the coordination of the two areas.

In the formal living room, a French antique trumeau provides an interesting focal point above the imported marble fireplace. The marble emphasizes the cream and red tones of the Spanish rug, a reproduction of an ancient pattern.

On the lamp tables flanking the restored Spanish settee are gold pedestal lamps with black lacquer shades. The handwoven fabric of the settee uses colors of persimmon, gold and green.

Grouped about an oval brass tray on fruitwood legs are French open-arm chairs in pale-gold velvet.

The draperies, woodwork and dado of the room are a glazed gold complementing the white walls.

Centering the dining room is a French needlepoint rug. The floral print incorporates shades of blue, green and gold against a black background.

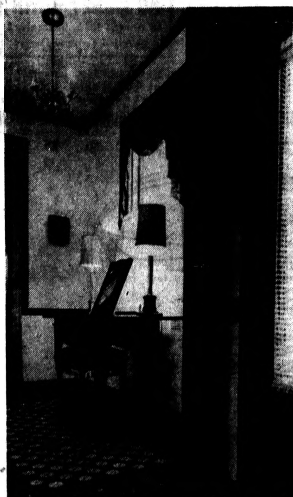

Above the mahogany server hangs a French antique brass mirror. Mahogany candlesticks with green candles are on either side of an artichoke ceramic container.

The open-net glass curtains are framed by a pleated valance and side draperies of bottle green.

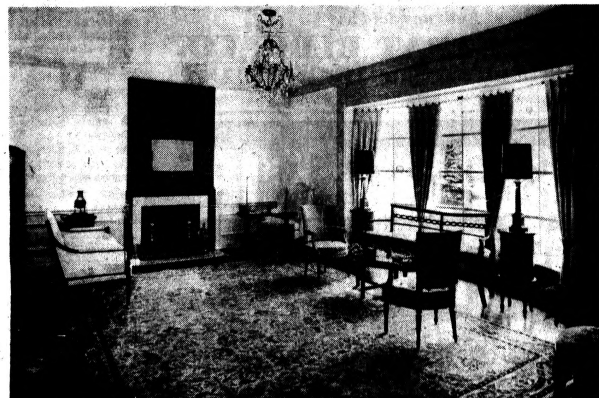

Sumac-red quarry tile in a herringbone pattern presents a floor texture change in the informal family room.

Hand-hewn oak beams in the room are accented by antique-red cabinets.

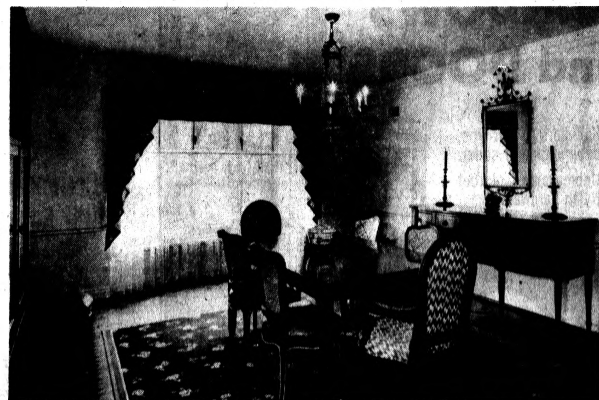

Loosely woven wool-glass curtains open to reveal the breakfast terrace.

New Look Develops in Home Dining Rooms

With many families turning back to the dining room for informal as well as formal meals, a new look in dining rooms is developing.

It might be called a "semi-open" look—a compromise between the mere dining "area" and the completely separate dining room, reports the American Home Improvement Institute, national clearing house for design and building information.

Since many homes built during the last two decades have open dining areas—at one end of the living room or short leg of an "L"-shaped living room—there is a growing trend toward converting these open areas into distinct dining rooms, but without sacrificing the airy, spacious look that presently exists.

This compromise is being achieved in a variety of ways. One basic method is painting or wallpapering the dining area in a color or pattern that contrasts with the living room walls.

A different floor covering also will help set off the dining area. A vinyl or vinyl asbestos floor tile is advisable since it is easy to keep clean, especially if there are spill-prone children in the family, and comes in a variety of style and colors.

For even greater separation without losing the desired spacious effect, hardboard grille-work room dividers in such styles as granada, venetian, oriental or classic can be used.

These can be obtained already assembled or assembled easily with handy pre-sized grillework panels and pre-grooved moulding and then painted to fit in with the decor.

The ceiling also can be used to achieve separation between the two areas. With a few pieces of lumber, a false beam can be constructed and attached above the room divider.

As another architectural change, a sunken dining room effect can be created easily and without costly re-building of the floor simply

by arranging a row of plants on the floor around the outer edge of the room.

Bricks and stones can be used to fence them in and, if enough plants are not available a bench can be built into one wall to help give the illusion of a "step."

A complete change in accessories from the living room to the dining area will add distinction. For example, if polished metal and glass objects predominate in the living room, you might use only porcelains in the dining area.

Or, if paintings are used extensively in one area, sculpture or dimensional hangings can be used in the other.

Senior Citizens on Move

Time for a Change

Mobility in American life is
not limited to the young folks.
Recent studies show that retired
persons are well above the national
average among those living
1,000 miles from their birth-
place.The growing number of retiree
communities in all sec-
tions of the country are attract-
ing couples who now have the
time and are not afraid to make
a fresh start.Retired couples can make
their move to a distant climate
easier and more enjoyable.Select a moving company
and a moving date well in ad-
vance of the move, to give
yourself plenty of time to pre-
pare for it in easy stages.The first thing to do is to go
through your household goods to
determine which will go on
the move, which will be given to
friends and relatives and which
will be thrown out or donated to
charity.Next, prepare a list of ser-
vices to be discontinued and ap-
pliances to be serviced and
make such arrangements early.
Set aside important papers,
jewelry or heirlooms and take
them with you on your trip.To lessen the amount of
physical work, it will pay to
call on the expert packing and
unpacking services of the
mover. Maid service to putyour new home in order after
arrival is also available. Make
sure you insure the posses-
sions to be moved on the van
for the maximum amount.Make your trip to your new
destination a vacation with fre-
quent stops and time out to en-
joy the country in between.
Your mover may also be able
to help you here with highway

ing room, dining room,
kitchen, denette, family
room, fireplace, laundry
room, lavatory, screened
porch and two-car garage
on the first floor; and
five bedrooms and two
baths on the second floor.
The habitable area on the
first floor totals 1,108
square feet; that on the
second floor 995 square
feet. None of these statis-
tics includes the screened
porch, covered portico or
provisional terrace. There
is a full basement under
all of the first floor except
the garage and porch.
Overall dimensions are
50' by 39'.**Two-Story House
Avoids Boxy Look**A five-bedroom house that
answers the needs of complete
suburban living?No trouble at all for the archi-
tect if he has a large plot with
which to work. But if the house
must go on a modest piece of
ground, extra care must be ex-
ercised to create a two-story
structure that will not have a
boxy look.Architect Herman York has
done an excellent job of pro-
viding an optical illusion of
length in a five-bedroom
house with dimensions of 50'
by 39', foregoing the necessity
of having an oversized lot.A wide, portico front entrance,
extending across most of the
house, creates a long line that
puts the emphasis on the hori-
zontal.Adding to the appearance of
length at the front of the house
is the combining of the portico
roof line with that of the two-
car garage.Much attention has been given
by York in this latest House of
the Week to another desirable
feature — a good circulation
pattern.If all the first floor rooms
are considered as the spokes
of a wheel, the kitchen is the
hub, serving as the control
center for all family living
situations.It is a few steps to all the
rooms, open to the family room
and conveniently located for
outdoor barbecue parties on the
private rear terrace.Also, it has an unusual corner
sink as part of an efficient
travel triangle from the range
to the refrigerator.The adjoining family room
connects with a screened
porch through sliding glass
doors, making both areas vis-
ually larger. The porch might
later be fully enclosed and
heated for use as a den.Consumer surveys indicate a
desire for bow windows. Design
H-57 has two, one in the denette
and one in the living room. This
latter room, located directly to
the right of the front foyer, has
a fireplace with a window at
each side of it.From the low window at the
front, one can look through the
dining room to the rear of the
house, a 33'4" view.The laundry room is tucked
neatly into the service area,
with a clothes chute from an
upstairs bathroom, a hamper,
a broom closet and space for
an ironing board. Handy to this
area is a mud closet, a wash-
up lavatory and a toilet.The upstairs bedroom level
has been designed to take
care of a large family but, if
desired, one of the bedrooms
can be used for other pur-
poses.For example, the nursery
might be used instead for a
television room or a study area.
There are two bathrooms.
The one off the hall is shownshowers, it should be done
with a toilet.
The two-car garage provides
room at the rear for power
equipment. An alternate side
entry to the garage is shown.
This is desirable only if there
is sufficient "swing-in" space
(a minimum of 30') for a car to
be driven in.Despite the modest and pre-
viously-mentioned over-all di-
mensions of this house, there
are 2,104 square feet of habita-
ble area. And that doesn't in-
clude the covered portico,
screened porch or garage.**WILTON'S**

U.N. Finance Plan Rejected by Russia

UNITED NATIONS, N.Y. (AP) — The Soviet Union was reported today to have rejected a new plan to solve the deadlock after financing of U.N. peace-keeping operations.

Ambassador Adlai E. Stevenson said Friday that the United States would accept "voluntary payments in any form" from

the Soviet Union toward its \$62.6-million U.N. debt.

Diplomatic sources said, however, the Soviet Union turned down the idea. A Communist diplomat was quoted as saying that if the Soviet Union contributed to a voluntary fund used for peace-keeping costs "it would be paying for operations that were undertaken illegally."

The Soviet Union refuses to pay its dues for the Congo and Middle East operations, contending they were authorized illegally by the General Assembly rather than the Security Council where the Soviet Union holds veto power.

MAY RESIGN

The United States wants to strip the Soviets of their vote in the General Assembly under a U.N. charter provision calling for action if a nation fails two years behind in its assessments. The Soviet Union has indicated it might quit the United Nations if it is deprived of its vote when the General Assembly convenes Dec. 1.

Stevenson did not go into detail on the plan to set up a voluntary fund in which arrears could be contributed. However, U.S. sources said they favored the idea, which had been presented privately to the big powers by General Assembly President Carlos Sosa-Rodriguez of Venezuela and three other diplomats who are conducting behind-the-scenes talks.

The U.S. ambassador said the payments could be made without prejudice to the legal position of the Soviet Union "or anyone else." France also owes dues for U.N. peace-keeping operations.

The Soviets could avoid a showdown if they pay \$5.7 million of the amount due before the assembly convenes.

Kettering's 13 on 'Bad Luck Friday' Too Much for Waterford

Skippers Bow by Touchdown

Captains Widen Lead Over Township Foe

By JERE CRAIG

When you're in the midst of a winning season, even Friday the 13th proves little opposition. Waterford Kettering coach Jim Larkin, before the game knowing the fact the Captains have been called lucky, watched happily as they fumbled miserably on "bad luck day" for a 13-6 victory over arch-rival Waterford Township.

It marked the fourth straight year the Captains have scored 13 points against Waterford; and they have won three times. The winners proved that the successful teams do take advantage of breaks.

More than 4,000 grid fans watched in brisk football weather what — except for a head of the waist — would have been a scoreless tie for three quarters.

When the Skippers' Dave Farria missed on a field goal try from the 25 with a half minute to play in the first half, an intermission deadlock appeared unavoidable.

Kettering gained little in three tries from its 20-yard line; but the Skippers were detected roughing the kicker on fourth down. Kettering used the first down by penalty, three more wafkos, plus a 14-yard rollout scamper by Mike Shipman to move to Waterford's 17-yard line with one second remaining.

Shipman then hit halfback Pat Nutter at the goal line with an aerial. The fleet captain bent over just enough as he was hit to merit the touchdown as the gun went off. The PAT kick was blocked.

The drive covered 80 yards in 20 seconds and 40 of the yards came on penalties by the over-anxious Skippers.

NEW BREAK

Late in the third quarter Kettering's Bill Graham covered a fumble at the Waterford 36. The end then latched on to a key 17-yard pass from Shipman and the winners went the 36 yards in seven plays.

Joe Duran skirted left end untouched for the final seven yards just at the start of the fourth quarter. This time Ron Prince kicked the PAT.

Waterford, despite a 30-yard tackle-eligible pass play to the Kettering four, couldn't score until the final minute. That came on a break, also.

Big center Gerry Gebrowsky fell on a Captain plunger in the three, and quarterback Rick Ziem took the pignish over in two tries. The placement kick was wide.

The Skippers then tried the outside kickoff hoping to regain possession; but the ball was covered by Kettering at its 36-yard line. Shipman then killed the clock by keeping the ball on three straight plays.

There was one brief hope for Waterford Township when the ball squirted loose on his second carry but it was quickly regained before the Skippers had a chance for the recovery.

By winning Kettering earned the Naval Reserve Trophy for the third time in the four-game series, and also evened the point totals in the yearly All-Sports Trophy competition at 100 each.

For the fourth straight year the two teams were separated by one touchdown or less.

RETAIN FIRM GRIP — Waterford Kettering gridders show their enthusiasm upon retention of the Naval Reserve Trophy last night after their 13-6 victory over Waterford Township. WKHS principal James Fry made

the presentation to the team. Players identifiable include Jerry Redman (70), Mike Shipman (at Redman's left) and Alonzo Wilson (33). Kettering has won the trophy three out of four times.

Lake Orion Ends Season With Upset

Rochester Outlasts Clarkston Gridders

By HERB PETERS

Never leave a close football game until time runs out was the departing advice Rochester and Clarkston had for their fans in the season finale at Clarkston last night.

Both clubs crammed the bulk of their offensive action into a lively final eight minutes as the Falcons pulled out a 20-13 non-league decision.

Sandy Sutton went a yard on a quarterback sneak for the deciding touchdown with 1:07 to play; but the Wolves came charging back in the fading seconds before the game ended on an incomplete pass in the end zone.

Comebacks were the rule in a furious fourth period which saw three touchdowns scored after a rather slow-moving 6-6 standoff over the first three quarters.

Al Boughner tallied for Rochester on a 21-yard pass from Sutton on the game's opening series, but a plunge for the extra point fell short.

A bad pass from center on an attempted punt by Rochester late in the period gave Clarkston the ball on the Fal-

cons' 18, and the Wolves were quick to capitalize.

QUICK SCORE

Five running plays reached the three as the quarter ended, and on the second play after changing directions Dan Fife flipped a TD aerial to Gary Pearson. Fife's pass attempt for the PAT went incomplete.

Neither team could muster a successful drive again until the Falcons moved 72 yards in 11 plays moving the first stanza. Boughner took a pincushion 14 yards at 8:04 for the go-ahead marker and also ran the extra point.

Rochester's victory made the Falcons 5-3-1 for the season. Clarkston wound up 1-4 overall.

Lavallis Sparks PCH

Chiefs Upset Flint Northern

By FLETCHER SPEARS
He's not listed on the game program, but Pontiac Central's junior quarterback-halfback Don Lavallis makes the opposition aware of his presence.

When the game programs were printed at the start of the season, Lavallis' name, through an oversight, was omitted.

Based on his latest play in recent games, coaches in the Saginaw Valley Conference would prefer to have him omitted from the team.

Lavallis, switched from quarterback to halfback last night, sparked the Chiefs to a 7-6 upset victory over Flint Northern. The decision was the third in the last four games for the

Chiefs, giving them a 3-5 record in the SVC race. And the win was the eighth for PCH against 25 losses and a tie in the 34 game series with the Flint unit.

CHIEFS SCORE

Lavallis, with the Chiefs trailing 6-0, scored on a four-yard burst at 5:51 of the opening period and went over for the PAT to give PCH a 7-6 lead.

The 5-10, 155-pounder carried the ball 14 times and collected 71 yards.

Flint Northern (3-3-1) opened with a bang, scoring on the third play of the game.

From the PCH 47-yard line, quarterback Doug Morton lofted a toss to halfback Vance Harrison that carried to the Chiefs' three-yard stripe.

Two plays later, Dave Mitchell dived over from the one for the six-pointer. Central halted the PAT run a yard short of the goal line.

LONG MARCH

Central took the kickoff and marched 60 yards in nine plays. Lavallis carried the ball five times in the series for 45 yards and picked off a pass from quarterback Jerry Murphy for 14 more.

With a first down at Northern's 35, Lavallis scooted around left end the four-yard line, and he went the final four on the next play through a hole over left tackle.

After Lavallis' scoring jaunt, the defense took over and kept the Vikings well in check.

The Chiefs' defensive line manned by Walter Johnson, Tom Jenkins, Neal Peterson and James Shorter, held the Vikings to 93 yards rushing.

Central's offensive line had the holes open most of the evening.

Peterson, Shorter and Leroy Jackson kept the running lanes uncluttered on the left side, and Norm Costes, Dave Edwards, Sylvester Robinson and B. B. Hadden cleared a path on the right side.

The Chiefs picked up 175 yards the ground and added 17 more in the air. Murphy hit on two of three passes, both to Lavallis.

INSTRUCTIONS — Safetyman Cedric Patterson was one of the defensive stars in Pontiac Central's 7-6 upset victory over Flint Northern last night. Patterson takes time (above) to pick up defensive instruction from press box observer.

Ferndale Has to Roar Back for Triumph

Ferndale fell behind 13-6 in the opening quarter but roared back to post a 25-16 decision over a visiting Port Huron eleven.

In another come-from-behind performance, Roseville, trailing 18-7 scored twice in the fourth period to squeeze out a 20-18 triumph over Hazel Park.

Port Huron (3-5-1) moved in front on a pair of short touchdowns runs by halfback Bob Wedge and a PAT boot by Dave Raccy.

Ferndale (7-1-1) narrowed the deficit to 13-6 in the opener on a short plunge by Bruce Pettigrew, and the Eagles took the lead in the second quarter on a two-yard run by Pettigrew and a four-yard burst by Ken Luxton.

Raccy added a 30-yard field goal in the second to pull the Big Reds within two points at halftime, 18-16, but the Eagles' Terry Myers scored from 16 yards out in the third to put the game out of reach.

An 18-yard pass from quarterback Terry Noble to Jack Nizza with 1:46 remaining in the game provided Roseville (4-4-1) with its winning points.

Hazel Park (3-4) had zoomed to an 18-7 lead on a 40-yard return with an interception by Bob Shepherd and scoring runs of 30 and 34 yards by Gary Eddings.

Noble hit Nizza with a 17-yarder in the opening quarter for Roseville's first tally and halfback Gene Tutelci went 14 yards for the second early in the fourth quarter. Tutelci also booted two PATs.

Deadline Reminder for Bowling Event

There are two weekends of qualifying in the handicapped singles of the new Pontiac Bowlers' Club, but the deadline for bowling next weekend is Wednesday midnight.

Backed by the Pontiac Bowling Proprietors' Association entry blanks for the 4-event tournament can be obtained in most bowling alleys.

Berkley Whips Oak Park Squad for 7th Victory

Berkley's Bears wrapped up a successful gridiron season last night with a 25-7 triumph over Oak Park.

Halfback Ken VanLoon sparked the Bears (7-2) with a pair of six-pointers. He tallied on a 72-yard sprint and went 35 yards to paydirt with an intercepted pass.

Quarterback Rick Krumm hit John Nelson with a 11-yard scoring toss in the opening quarter, and halfback Jim Prince added the final tally for the Bears on a one-yard plunge.

Gary Francie hauled in a 11-man booted the PAT.

Clarenceville Defeated

Clarenceville (1-4) closed the season last night dropping its seventh game in a row, a 20-0 decision to Dearborn-Haston.

Junior quarterback Frank Czajka put in one of his infrequent appearances at the helm of Romeo's Bulldogs last night and made the best of it.

Czajka, who took over for starter Rod Rohloff in the third stanza, sneaked over from the one-yard line for six points midway in the third to give the Bulldogs a 6-6 tie with Utica.

The deadlock snapped a four-game winning streak for Utica in the series.

The game was the finale for both teams. Romeo wound up with a 5-3-1 record and Utica settled for 6-4-2.

The Chiefs grabbed a 6-0 lead in the second period on a five-yard run by Gary Rojeski that climaxed a 66-yard march.

CHANCE

In the third, coach Stan Motchenbacher decided "to give the kid (Czajka) a chance."

The Bulldogs took over at the Utica 45-yard marker after a short punt.

Two plays later, Utica fumbled and linebacker Mike Pomeroy smothered the ball at the five.

Four plays later, Czajka crossed the goal line.

The Bulldogs had an opportunity to win the game with 3:40 remaining when they drove to the Utica 13.

The drive stalled, and on fourth down, Doug Boggs tried a field goal that fell a foot short of the cross bar.

Cassius Clay Undergoes Operation

Browns Have Reason to Make Extra Effort

Champ Facing Long Recovery

Title Fight Delayed at Least 6 Months

BOSTON (AP) — Heavyweight champion Cassius Clay underwent a successful operation for a hernia Friday night that forced an indefinite postponement of Monday's scheduled rematch with Sonny Liston.

It is unlikely that the bout will be held for six months. Clay was stricken Friday night after dinner and was rushed to Boston City Hospital where Dr. William McDermott of Harvard performed an "easy" one-hour operation that he called "common but serious."

Dr. McDermott said Clay could resume fairly normal physical activity in about a month and would have to lay off any heavy labor for three months. The 22-year-old champ would not be ready to box in competition until after another long conditioning process.

"The championship bout will be held in Boston when Clay is fit," said Herman Greenberg, chairman of the Massachusetts Boxing Commission. Representatives of all parties involved indicated they were in agreement.

LISTON

When Liston first heard the news at his Plymouth, Mass., training camp, he commented, "no wonder he got a hernia running up and down like a wild man." Later, after the operation, he added, "it could have been worse. It could have been me."

Clay had just finished eating dinner in his hotel suite with Drew (Budini) Brown, his friend and assistant trainer, when he became ill. He got violently sick and started to throw up," said Brown. "His stomach smelled up the size of a football. I wanted to call a doctor but Clay said 'no, get me to a hospital quick. I'm in bad pain'."

An ambulance rush the champion to the hospital while wild rumors began to spread in press headquarters downtown.

Defending Champions Reach Tourney Finale

PINEHURST, N.C. (AP) — Defending champions Dexter Daniels of Winter Haven, Fla., and Dr. John Mercer of Fitchburg, Mass., tried today to win their second straight World Senior Amateur four-ball golf tournament.

Daniels and Mercer met John Ledbetter of Scarsdale, N.Y., and Col. Wallace Simpson of Pinehurst in today's final round at the Pinehurst Country Club.

The Browns — both Cleveland and Jimmy — have met more than the usual reasons for putting out with an extra effort Sunday when their game against Detroit will be among those sharing top billing on the pro football program.

Cleveland, leading the Eastern Conference of the National Football League by two games, never has beaten Detroit in a regular season game.

Jimmy Brown, the pace-setter's star halfback, needs only 66 yards to become a 1,000-yard ground gainer for the sixth time.

The Lions, with a 5-3-1 record compared to Cleveland's 7-1-1, will be hampered, though, because linebacker Joe Schmidt is out with a shoulder separation.

Baltimore, the NFL's Western Conference leader, will be seeking to avenge an opening game setback at the hands of the Minnesota Vikings.

The Colts have won eight in a row since the early loss, Minnesota in 5-4.

SEEK REVENGE

The St. Louis Cards, Eastern Conference runners-up, also will be looking to get even.

Their target will be the disappointing New York Giants, last year's conference champs, who surprised them with a 34-17 thumping in Yankee Stadium two weeks ago.

Buffalo, with a 9-0 record, is the only unbeaten team in pro football and has a sizable lead in the American League's Eastern Division.

But the Bills still are smarting from last year's beating by Boston in the playoff for the divisional title. The Patriots have a second-place 6-2-1 record this season.

Paul Lowe, one of San Diego's big guns, is a doubtful starter for the Chargers against the Kansas City Chiefs. The Chargers, 6-1 head the AFL's Western Division while the Chiefs have split eight decisions.

Prep Grid Powers Checked by Foes

By The Associated Press

Howell upset Fowlerville 14-7 and Midland Bullock Creek played highly ranked St. Louis to an 18-16 tie. But all others top state high school teams won their games in the season finale for most schools.

Howell's Bill Simmons and Terry Hicks scored two touchdowns that overcame a Fowlerville first period tally Friday night. It was the first loss in Class C-D for Fowlerville which had been ranked seventh in the weekly Associated Press poll.

St. Louis, No. 4-ranked and victorious in eight straight games in Class B, was kept from an unblemished season Thursday by Bullock Creek.

No. 1 ranked Elsie stopped a Currama drive while on the short end of a 7-6 score in the third period. The Class C-D Power then scored on a Tom Elber-Ho-Ross Carter pass in

the final period, edging Currama 12-7.

LUMBER ALONG

In Class A second-ranked Saginaw Arthur Hill whipped Bay City Handy 25-6, boosting its record to eight victories against one loss.

Buchanan, No. 2 in Class B, walloped Dowagiac 33-6 to end the season with a 9-0 record. Halfback Dave Shoemaker reached 100 points for the season by scoring two touchdowns and kicking three extra points.

Eight-ranked Dundee achieved its second straight unbeaten season with a 20-6 victory over Blissfield.

4th Quarter Score Produces Deadlock

A six-yard touchdown run on the first play of the final period by fullback Bob Lints helped Brown City salvage a 13-13 tie with Deckerville.

The game was the finale for both squads. Brown City finished with a 4-4-1 mark. Deckerville closed at 6-1-2.

Brown City jumped into a 7-0 lead in the opening quarter on a 51-yard burst by Lints and a PAT pass from Arden Lobstein to Gary Steigerwald.

Deckerville stormed back in the second to take a 13-7 lead on a one-yard sneak by Wayne Schmidt and an eight-yard sprint by Buck Regentin. Dennis Lenk boosted the PAT after Regentin's six-pointer.

New Haven Late Victim as Wayne Glenn Rollies

A touchdown late in the fourth quarter carried Wayne Glenn to a 20-19 victory over New Haven last night.

The losers, closing with a 5-3 record fell behind 14-0 in the opening quarter, and took a 19-14 lead early in the final frame, but John Glenn wrapped it up with the late six-pointer.

Richard Chennault scored twice for the losers and passed to Rich Crawford for the other score. Gordie Lee boosted a PAT.

Nixon Says Barry's Future Depends on How He Meets Unity Challenge

WASHINGTON (AP) — Richard M. Nixon preaching Republican unity and urging the GOP to follow a cooler course, says Sen. Barry Goldwater's future as the party's titular leader may depend on how well he meets the challenge of unity over the next two years.

Calling his recent verbal assault on New York Gov. Nelson A. Rockefeller "a closed book," Nixon said Friday that "The party is bigger than Rockefeller, and it is bigger than Goldwater, but it is big enough for both."

Nixon last week attacked Rockefeller as the "principal divider" of the party during Goldwater's unsuccessful presidential campaign.

But Friday, as he talked with newsmen at New York's Kennedy Airport before going to Japan on a business trip, Nixon stressed a need for the GOP to include moderates and liberals as it prepares for the 1968 congressional elections.

ROLE FOR NIXON

As for his own role, Nixon waved aside question on whether

he would be "available as a candidate" for president in 1968 by stating:

"I am not available for any position I can see."

As for the possibility that he may be a suitable "compromise choice" as Republican national chairman to unite the warring wings of the GOP, the former vice president and 1960 GOP presidential candidate, said: "I have no presumption to be a leader without portfolio."

At a news conference in San Francisco, Nixon said Republi-

cans should begin reshaping their fortunes next January.

COMEBACK NEEDED

"We must make a comeback in 1968," he said, adding that Republicans should "close the book" on the 1964 presidential election defeat, restore party unity for the 1968 congressional elections and "avoid any speculation about 1968."

One of Goldwater's staunchest backers, Texas Republican Sen. John G. Tower, said those who want to oust National Chairman Dean Burch — hand-picked by

Goldwater last summer to head the Republican National Committee — are putting "heat" on the wrong man.

Republicans who didn't support Goldwater's candidacy, Tower said, "are on weak grounds when they try to assess the blame" for last week's overwhelming Republican defeat.

Tower insisted Goldwater's margin of defeat would have been smaller if the Republicans who stayed neutral or hostile to his candidacy had lent their prestige and effort to eliminate

what he termed the "false impression" that Goldwater is a "trigger-happy ogre with no feeling for social problems."

MAY HAVE WON

If this had been done Tower said, the party might not have lost "such fine Republicans" as Robert Taft Jr., defeated by Sen. Stephen M. Young in Ohio and Charles Percy, who failed to unseat Illinois Gov. Otto Kerner.

The Texas Republican said the Republicans' failure was in the "strategic and mass appeal

phase — the direction of the phase which was the responsibility of the people not a part of the regular party machinery."

He said Burch's job was to organize the campaign and raise funds and that this was "well carried out."

And Tower said, "this is not the time to yell for scalps."

SPECIFIC QUESTION

Asked specifically if he thought Burch should remain as GOP national chairman, Tower

said: "I don't think we should try and decide who should be national chairman at this time. We should take a calm analytical look at the results of the election."

Join 80,000 Across Continent

Pioneer Girls Study, Serve

Pioneer Girls of the Christian Missionary Alliance Church, 220 N. Cass, Waterford Township are joining 80,000 girls across the continent in the commemoration of the 25th anniversary of the international organization's founding.

"Light on Her Pathway" is the theme of the Pioneer Mother and Daughter banquet in Fellowship Hall Monday.

Guest speaker for the banquet will be Mrs. A. K. Stephenson of Berkeley, missionary intern and candidate for missionary work in Viet Nam.

Mrs. Paul Gehman will be evening soloist and Mrs. A.C. Marvin will offer the invocation.

Decorations for the event will be in blue and silver in keeping with the silver anniversary.

Guide workers for Pioneer Girls in the Alliance Church are Mrs. Earl Steiner, Mrs. Mildred Fleck, Dorothy Irwin, Mrs. Sam McPherson, and Mrs. Eldon Teeland.

The girls meet every Monday evening from 7 to 8:30 in the educational unit and fellowship hall. Girls in the vicinity are invited to club meetings. Rev. R. D. Porter said.

During their 10 years of being a Pioneer Girl, an organization in several churches similar to Girl Scouts with emphasis on Christian education, girls learn crafts, memorize Bible verses, sew, knit, cook.

They attend summer campouts and study the outdoors.

National headquarters of Pioneer Girls is in Sheaton, Ill. Mrs. Weston Lamohr is committee chairman at the Alliance Church.

MISSIONARY SPEAKS

Margaret Wearley of Jenkins, Ky. will speak at the 7 p.m. worship service tomorrow. She is founder and director of the Beehive Gospel Mission there.

Miss Wearley is responsible for establishing some 12 or more churches in the mountainous area of northeastern Kentucky. For the past 30 years she has worked with and taught the mountain folk.

The Beehive District is a part of the Central District of the denomination which covers

seven midwestern states including Michigan.

FIRST BAPTIST

Pioneer Girls of First Baptist Church, Oakland at North Saginaw will celebrate the 25th anniversary at 7 p.m. Wednesday with a special service.

Mrs. Charles Marion, committee chairman for the church centered program, said special recognition will be given the Pioneer Girls and their Pals as well as to leaders.

Approximately 85 girls will participate in the candlelighting membership ceremony at the close of the service.

Mrs. Charles Marion will lead the girls in their pledge of service. Rev. Robert Shelton, pastor, will offer the dedication prayer.

Guides participating in the program include Mrs. George Locke, Mrs. William Garfield, Mrs. Cecil Martin, Mrs. Earl Vaught, and Mrs. Walter Sawicki.

There are 18 additional workers and a Pioneer Girls' committee of 11 working with the Pilgrims, Colonists, and Explorers divisions of the club.

Girls between the ages of 8 and 18 are eligible to become members. Parents and friends are urged to attend the service, Pastor Shelton said.

At 7 p.m. tomorrow a film in living color entitled "No Time to Wait" will be shown at First Baptist. According to Pastor Shelton every Christian should see the picture.

Missionary Is Speaker

Teacher Training at Calvary Baptist

Pastor Henry Wrobel will conduct a baptismal service at the 7 p.m. service tomorrow in Calvary Baptist Church, 3750 Pontiac Lake, Waterford Township.

Following the baptism Mrs. Ruth Legant of Big Rapids, a missionary for more than 33 years in Bolivia, will tell of her experiences on mission fields. She is now retired.

At the 10 a.m. Sunday School, Pastor Wrobel will speak to the Adult Class while Rev. James DeGraw will meet with the substitute Sunday School teachers for a class of teacher training. The course consists of six weeks.

The Young People's Group which meets at 5:30 p.m. each Sunday is currently having an attendance contest with the youth of Sunnyvale Chapel. The winner of the contest will be treated to a party by members of the losing group.

Mr. and Mrs. William Puddy, and Mr. and Mrs. Al Jackson are youth leaders.

Calvary's Bible Quiz Team is now being organized with six persons enrolled. The group will endeavor to again win first place in the local Youth for Christ contests.

Mrs. Legant will be guest speaker at the Women's Missionary Fellowship at 7:30 p.m. Tuesday in the church. Hostesses are Mrs. Dan Swift and Mrs. Gerald Evans.

Musical at St. Mary

The Pontiac City Quartet Union will present a musical program at 3:30 tomorrow afternoon at St. Mary AME Zion Church, 128 W. Pike. Groups performing are the Pontiac Spirituals and the Gospelites. Mrs. Bobbie White will direct the musical.

Pastor Plans Visit to Mission Fields

Rev. and Mrs. Philip W. Somers of the Marimont Baptist Church will leave Monday for Caracas, Venezuela for a 12-day visit to various missions of the Evangelical Alliance.

The congregation of Marimont Church raised more than the

necessary expenses in October to send the pastor and his wife on the missionary trip. Mrs. Kay Dendler, a member of the board of missions, will accompany the Somers.

While in Venezuela they will ride the cable car up the Andes mountains to the city of Merida and the city of Maracabo, and travel to other mission stations.

Rev. Robert Gavette, director of Christian education, will preach at services during the absence of the pastor.

Mrs. Lewis Ball will lead the Jet Cadets tomorrow in their 6:30 p.m. service entitled "No Jinx for Jet Cadets." Kathy Stewart will lead the junior high group in the program, "Ruler of All Nature." Lavanda Hasenzahl will have charge of the senior high group.

Margaret Carpenter of Christian Literature Sales will speak to the teachers and officers of

Choral Groups to Sing

The McGee Singers of Detroit will be heard as will other choral groups at 7:30 p.m. tomorrow at the Church of Israel, 24 Bagley.

CHECK RIDERS — Mrs. Elmer Quine of All Saints Episcopal Church checks names of those riding the chartered bus to the Bishop's Mission at Cobo Hall, Detroit with Hilton V. Phipps, chairman of the transportation committee. Buses will leave the church at 6:45

each evening, tomorrow through Nov. 22 and return immediately after the service. Canon Bryan Green of Birmingham, England will be the preacher. Services are sponsored by the Episcopal Diocese of Michigan.

Canon Bryan Green, Speaker

Bishop's Mission at Cobo Hall

Hundreds of Pontiac area Episcopalians will attend The Bishop's Mission in Cobo Hall, Detroit Sunday through Nov. 22 with the first service at 8 p.m. tomorrow.

The mission, sponsored by the Episcopal Diocese of Michigan, is headed by the Rt. Rev. Richard S. Emrich.

Coming from Birmingham to preach is Rev. Bryan

Green, Canon of the Cathedral and rector of St. Martin Church.

One of England's most renowned evangelists, Canon Green was educated at Merchant Taylor School and London University. He served as curate of New Malden, London and later was chaplain to the Oxford Pastorate in Oxford University. Working with Canon Green

will be other missionaries from England, Rev. Harold Frankham, vicar of Luton; Rev. George Potts of Birmingham; and Rev. Charles Crosson, vicar of Yardley.

Bishop Emrich said of the mission, "The message which this mission brings is simple—Jesus Christ has always challenged men and he does so still today. There is no need to accept Christianity blindly; it can be accepted honestly, reasonably and wholeheartedly by men who are prepared to think."

"Spiritual renewal through a corporate effort in prayer and commitment under the leadership of these truly great Christian preachers can become a rewarding personal experience. 'Friends of all beliefs — or of no belief — are welcome.'"

Those in the Pontiac area wishing to go by chartered bus may get in touch with Hilton V. Phipps of All Saints Episcopal Church.

Churches of the diocese in the area sponsoring the mission include Christ Church Cranbrook, Bloomfield Hills; St. Stephen, Bloomfield Township; St. Anne, Milford; St. Andrew, Waterford Township; and Episcopal Church of the Advent, West Bloomfield Township.

Others are St. Mary-in-the-Hills, Orion Township; St. Alfred, Lake Orion; Church of the Resurrection, Clarkston; and St. Philip, Rochester.

LOOKING OVER BUILDING PLANS — Searching the architect's drawing for the building site of St. Anne Mead, a residential type home for elderly persons, are from left, the Rt. Rev. Archie H. Crowley, suffragan bishop of the Episcopal Diocese of Michigan. Rev. Harold Dempster of Dearborn;

Reception Will Follow

To Break Ground for St. Anne Mead

The Rt. Rev. Archie H. Crowley, a suffragan bishop of the Episcopal Diocese of Michigan, will officiate at groundbreaking ceremonies for St. Anne Mead, a home for elderly persons at 3 p.m. tomorrow.

A reception will follow in St. David Church, Southfield. St. Anne Mead will be erected on five acres of ground located on Twelve Mile between Southfield and Greenfield, east of and adjacent to St. David Church.

Original plans to build St. Anne on property in Bloomfield Township, the gift of Ernest R. Breech and Alan L. Gornick, were abandoned when adverse zoning laws prohibited its use as a site.

The new location is conveniently close to transportation, shopping areas and church activities. It is within a short distance of hospital and nursing home facilities.

Sponsored by the Episcopal Diocese of Michigan, St. Anne Mead was organized and incorporated in 1957 under the direction of Bishop Crowley. It is governed by a board of trustees headed by Rev. Harold G. Dempster of Dearborn.

Architectural plans drawn by R. S. Gerganoff of Ypsilanti, consist of a slightly curved central building with attached wings at the rear forming two U-shaped patios designed for recreational use.

The building, accommodating about 85 persons in single

rooms with bath, calls for a central dining room, smaller snack rooms, hobby shop, space for hair dressing equipment and a special prayer room.

The Rev. Dr. Fletcher A. Plant of Birmingham, chairman of the building committee, has estimated the building will cost near \$800,000. This includes landscaping, driveways and furnishings.

According to Rev. Mr. Fletcher, the Mead will be ready for occupancy by September 1965.

St. Anne Mead is to be non-sectarian and will be open to men and women 65 years of age or over who are in good mental and physical health.

Rev. Mr. Dempster is president of St. Anne Mead, Mrs. George Cary of Bloomfield Hills; vice president; Mrs. William F. Angell of Bloomfield Hills, secretary; and George Y. Reed of Birmingham, treasurer.

Trustees include Dr. John B. Bryan, and Rev. Mr. Myers, Southfield; Clarence K. Patterson and Dr. Loren C. Sheffield, Pontiac; Mrs. Harry Dumville, Spencer D. Hopkins and Mrs. Norman James, Bloomfield Hills; and Rt. Rev. Richard S. Enrich of Detroit, bishop of the diocese.

Board members from Birmingham are Bishop Crowley, Cecile Hitchcock, Ralph W. Moore, Mrs. Sheldon Noble, Garland Tait, Mrs. Urban Woodhouse, and Dr. Plant.

Ministers Announce Area Activities

FIRST METHODIST

The Junior Youth Fellowship of First Methodist Church will get together for a cooperative dinner at 5 p.m. tomorrow. There will be a special film shown and Mrs. Carl Adams, the pastor's wife will be in charge of the program on "Worship in Our Church."

The Children's Songster Choir will sing "The Lord Is Watching Over Me" by Hughes for the offertory music at morning worship hours.

Bible study and prayer service will be at 7:30 p.m. Wednesday.

The Senior Citizens Fellowship Group will meet at noon Friday for lunch and program.

CHURCH OF GOD

Guest speaker at the 11 a.m. worship in the Church of God, Anderson at East Pike, will be James L. Slay, field representative for the mission department of the denomination.

The Youth World Evangelistic

Association of the church is working with churches throughout the country to earn funds for a church in Durban, Africa. They have set the goal at \$2,000.

This is the last week of Operation Absentee. Members will endeavor to enroll all absentees during the fall outreach.

AUBURN HEIGHTS U.P.

The pastor of White Shepherd Full Gospel Church, Rev. George Kibbe, will bring the message at the 11 a.m. service tomorrow in the United Presbyterian Church, Auburn Heights.

Assisting in the service will be Elder Sam Sheehy.

FIRST PRESBYTERIAN

Rev. Galen E. Hershey's sermon in First Presbyterian Church tomorrow morning will concern Christian Marriage. Margaret Harth will sing "O Love That Will Not Let Me Go" and the Chancel Choir will present the anthem, "The Vast Universe" by Peace.

Mr. and Mrs. Fred Sartell and Mr. and Mrs. William Neff will be hosts at the coffee our following the 11 a.m. worship hour.

Ellen and Harold Boone will lead the Senior High Tuxis Society in a program of devotions at 6 p.m.

A color film, "Early Michigan," will be shown following the Thanksgiving dinner of the Couples' Club Wednesday evening. Serving as hosts will be Mr. and Mrs. Victor Brown, the Douglas Booths, the William Neffs, and Mr. and Mrs. Howard Powers.

Sings During Service

Worship service at Newman AME Church will begin at 11 a.m. tomorrow. The Adult Choir will sing throughout the service. Church school will be at 9:45.

Rev. Mr. and Mrs. Reid returned from Chicago where they attended the 50th wedding anniversary of Bishop and Mrs. Joseph Gomez. The occasion also marked the 50th year of Bishop Gomez' work in the ministry.

U.S. Nuclear Sub Leaves Japan; Leftist Protest Was Failure

SASEBO, Japan (AP) — The U.S. nuclear submarine Seadragon returned to its Pacific patrol today, leaving behind angry leftists who failed to produce the massive protest demonstrations they promised for the three-day visit.

About 30 Communists sat down outside the gates of the big American Navy base an hour before the submarine glided out of the harbor. Two minutes after the Seadragon left its mooring, they got to their feet, raised clenched fists and shouted: "Atom sub go home... don't come back!"

Leftist groups — Socialists, Communists and some labor

unions — tried to muster big protests against the submarine's visit. They predicted up to 15,000 persons would demonstrate but the peak was about 3,000.

Police clashed with demonstrators several times, but injuries were confined mostly to bloody noses and bruises.

TOOK PROVISIONS
The Seadragon came to Sasebo to take on provisions and give its nine officers and 90 enlisted men a recreational visit. Japan and the United States recently reached agreement on such visits by nuclear-powered vessels.

Leftists contended the visit would open the way for introduction of nuclear weapons into Japan. U.S. officials denied this and pointed out the Seadragon carried no nuclear weapons.

OUT OF TOWN
Most of those demonstrators who showed up were from out of town. Sasebo residents, many benefiting financially from the presence of the Americans, appeared indifferent.

A spokesman for the leftists blamed the relatively isolated location of Sasebo and the lack of support among the people in this city of 260,000.

The Seadragon's crewmen went into the city and no incidents were reported, except for occasional shouts of "Yankee go home."

After the Seadragon left, the small group of demonstrators snaked downtown to Sasebo union headquarters. At least three demonstrators were arrested.

In Tokyo, the Japan Times quoted informed sources as saying the U.S. nuclear submarine Seadragon would arrive in Yokosuka, a big naval base 40 miles south of Tokyo Monday or soon thereafter. But a U.S. Defense

Department spokesman said in Washington the Navy has no plans to send the Seadragon to Japan in the foreseeable future.

THREAT TO PEACE
The official Peking People's Daily said Communist China considered the Seadragon's presence in Japanese waters "a threat to the peace of East Asia."

Moscow radio warned Japan of the consequences of the visit. The broadcast said it was a threat to Russia.

Try to Cut Deer-Auto Accidents

JACKSON (AP) — Michigan plans to test a gadget aimed at turning an auto's headlights into a spotlight for deer—and thereby cutting down the heavy toll of deer-car crashes.

Across the nation's wooded areas, a hazard to drivers is the flickering shape at the edge of his vision that materializes into a deer in the path of his auto. Deer are largely nocturnal and the hazard increases at night.

Sometimes the result is a repair bill, sometimes injury or even death.

ONE KILLED

State police say car-animal accidents have killed one person and injured 227 so far this year in Michigan. Virtually all involve deer.

For the first nine months of this year, State Police report car-animal crashes up 53 per cent from the previous year.

And police emphasize, many car-deer crashes go unreported. Sometimes, they say, a one-car wreck that kills the driver is attributed to the driver going to sleep, but might have been caused by a deer.

The state is testing in Jackson and Calhoun Counties in southern lower Michigan a mirror intended to startle deer into stopping when a car approaches.

ALONG SHOULDERS

The reflectors are being installed along highway shoulders to flash a ray of light into both the median and the shoulder. The momentary flash—reflected from the oncoming car's headlights—presumably startles the deer into stopping.

Dr. Charles T. Black, director of the Rose Lake Wildlife Experiment Station near East Lansing, said the device originated in Holland and was tried with some success in Sweden and Denmark. It is being tested in California and Indiana.

The reflectors are like convex mirrors about three inches in diameter with a silvery reflector material imbedded in plastic. They will be mounted on metal rods every 100 feet.

Black said it may take a year's time to assess the value of the experiment.

Statistics show that four kinds of mistakes by drivers account for 75 per cent of all traffic accidents; they are speeding, intoxication, driving on the left side of the center line, and failure to yield the right of way.

Plan Centers for Retarded

Child Day Care Units
Slated for 3 Counties

LANSING (AP) — Michigan plans to open new day care centers for severely retarded children in Lenawee, Monroe and Washtenaw counties early next year, the Department of Mental Health said Friday.

The centers near Ann Arbor-Ypsilanti, Adrian and Ida will serve a total of 60 youngsters on a five-day, 30-hour week basis, said Dr. Robert Kimmich, department director.

He said the Huron Valley Child Guidance Clinic will operate the three new centers under a contract with the state, and state funds will pay all costs except transportation of children.

Kimmich said a child does not have to be on a waiting list for admission to a state institution to qualify for care at the centers.

CENTERS OPEN

Day care centers serving a total of 150 children recently have opened in Flint, Grand Rapids, Kalamazoo, Muskegon, Port Huron and Macomb County, where there are two. Plans are under way for centers in Jackson, Oakland, Saginaw and Wayne counties.

Dr. Vernon A. Stehman, assistant director in charge of services for the mentally retarded, said the day care programs have a dual purpose—"to help the child reach his maximum of physical, emotional and social adjustment, and to help the parents maintain a more normal family situation."

Charge Fraud in Land Deals

CLEVELAND (AP)—A federal grand jury indicted a Michigan man Friday on charges of defrauding Albee Homes, Inc., of Niles, Ohio, of more than \$75,000 while acting as the company's agent in obtaining land grants.

Named in the indictment is Donald Cox, a real estate operator, of Wayne, Mich.

The indictment charged that Cox collected \$29,200 from Albee Homes for land deals that never existed—one for the purchase of lots in Kent County, Michigan, and the other for the purchase of property in Saginaw, Mich.

Holiday Inn to Hold Gala Grand Opening

Holiday Inn of Pontiac, 1801 S. Telegraph, Bloomfield Township, will hold its grand opening tomorrow from 2 to 5 p.m. when the general public is invited to inspect the new facilities.

The inn, just north of Miracle Mile, has been open for business since July.

There will be prizes for adults and balloons and free merry-go-round rides for the children according to G. K. Mueller, innkeeper and one of the four owners.

Visitors will be given the opportunity of inspecting one or more of the 120 rooms as well as other facilities of the inn.

There are two living room suites (3-room), two bridal suites, and two therapeutic rooms where equipment is electrically operated for handicapped guests.

The new inn boasts of one of the largest swimming pools in the area and it is heated during cool weather.

There are rooms which accommodate up to 400 people for meetings and conventions or up to 300 for luncheons and dinners.

The restaurant will seat 115 guests at one time. This is in addition to the coffee shop and cocktail lounge. Parking space is available for over 500 cars.

The \$1.2-million complex is owned by Harold M. and Seymour L. Luvisch, Waite Stoddard, and Mueller.

Has His Own Teacher, Playground

Student in U.P. Has School to Himself

COPPER HARBOR (P)—When it's recess time at the Copper Harbor School, only one pupil runs outdoors to the playground.

That's because 6-year-old Jimmie Billings is the only student in the unique school which not only has one pupil—but one room and one teacher. It also is the most northerly building in the Midwest.

Jimmie, a first grader, is taught by William Ivey of Calumet. Ivey follows the regular pattern of studies for the first grade in teaching Jimmie, son of Mr. and Mrs. Alan Billings. And the pattern even extends

to recess. Jimmie gets two of them a day, one in the morning and the other midway in the afternoon. He usually spends time cavorting on the ample playground.

PENINSULA TIP

Copper Harbor is at the top of the Keweenaw Peninsula, which juts out into Lake Superior from the top of Michigan's Upper Peninsula. Its wintertime population dwindles to something like 25, from a summer high of possibly 1,000 counting overnight tourists.

The boy, whose father is superintendent of Fort Wilkins State Park east of here, begins his school day at 9 a.m. It ends at 3 p.m.

Ivey said field trips play an important part in the boy's education in this rockbound port of what once was a teeming copper mining region.

He said he took Jimmie on tours of the area so that the child could spend time analyzing the primary aspects of biology, geology, physiography, geography and history.

OTHERS COMING

Ivey, who lives in an annex attached to the school building, said he did not think the school would remain with only one student much longer. He said it was likely other students would enroll before the end of the year.

Jimmie lives within three-quarters of a mile of his school, and so far, through mostly Indian Summer days, has been walking to and from it. When the snows come, and that's

many a day in winter, his parents can drive him or teacher can fetch him in his car.

Middle-aged Ivey, a former teacher in Houghton grade schools, turned down a post in Lake Linden schools to come here because of the opportunity to obtain an unusual type of experience in teaching.

If Jimmie gets fellow students, it is expected they will come in spring.

MORE FAMILIES

Unconfirmed reports have the state moving in more employees at Fort Wilkins, which now attracts some 250,000 visitors in summer.

Similar rumors circulate regarding the nearby University of Michigan launching site for weather probing missiles.

Report Defection of N. Korea Soldier

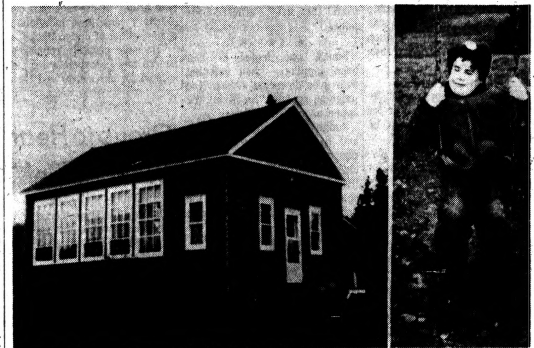

SEOUL, Korea (P)—The South Korean Army said today a North Korean Army private has defected by crossing the western sector of the demilitarized zone.

The army identified the defector as Yang Chun-myung, 21. It said he walked across the 2.5-mile truce zone in the darkness, carrying a rifle and binoculars.

The army spokesman quoted Yang as saying he defected in the hope of finding a brother and two sisters who fled south during the Korean War.

Pedestrian Is Killed

SOUTH BEND, Ind. (AP)—Mrs. Magdalene Steigley, 65 of Niles, Mich., was fatally injured Friday when struck by an auto while crossing a street in South Bend's shopping district.

GOES TO 'PRIVATE' SCHOOL—Six-year-old Jimmy Billings of Copper Harbor, Mich., has a school and playground all to himself. He is the lone pupil of teacher William Ivey.

Copper Harbor is in the extreme north of the state on a peninsula jutting out into Lake Superior.

'Dream Come True'

Alleged 'Napper' Wins U.S. Citizenship

SEATTLE (AP) — An alleged nap that turned into a nightmare has ended in a dream coming true for Britisher Albert Smith.

Smith, denied U.S. citizenship when a judge thought he was dozing during the naturalization ceremony, won it Friday when the court relented.

"I am very happy," the 30-year-old aerospace engineer for the Boeing Co. said when he learned of the decision. He said the reversal had given him "increased respect for our judicial system."

AMONG 91
Smith was among 91 persons who came before U.S. Dist. Judge William Beeks to be sworn into citizenship Monday.

Frank Sinatra
in Jury Probe

KANSAS CITY (AP) — A second show business personality appeared Friday before a federal grand jury in Kansas City.

Singer Frank Sinatra, accompanied by two lawyers, made an hour-long appearance before the jury. Sinatra's friend, Sammy Davis, flew in from New York Thursday, spent nearly two hours with the grand jury, and returned to New York immediately by plane.

Justice Department officials have refused to disclose the nature of the investigation.

Sinatra returned to Los Angeles after a brief stop in Wichita, Kan., to check on construction progress of an executive jet plane he has ordered.

A spokesman for the singer said that "in compliance with the request of the U.S. attorney and the U.S. government, he will not make any statement concerning the nature of the inquiry."

The judge was giving a little talk on the importance of the occasion when he thought he noticed Smith sleeping.

"Strike the name of that man from the list," ordered the judge.

Smith, who denied he had been napping — just listening with eyes downcast — sent the judge an apology "for giving the appearance of disrespect."

Judge Beeks turned it down and had the district immigration director draw up a motion for a rehearing on Smith's petition for citizenship. The motion contained an apology "by the petitioner for his demeanor and conduct."

SMITH BALKED
This time Smith balked. He said his conduct was beyond reproach and he refused to apologize for something he didn't do.

Smith, his Canadian-born wife, Sandra, and their two little girls, already American citizens, waited. The judge reflected.

Friday, Judge Beeks issued a memorandum decision concerning Smith's letter of apology.

"It was courteous, dignified and it possessed the ring of sincerity," said the judge. "Upon reflection the court arrived at the conclusion that a person could in fact be asleep and at the same time honestly and sincerely believe that he was not."

"This court has not the slightest desire to use the power of

office to force petitioner into an admission which he in good faith believes not true."

Smith, who has been in the United States since 1959, said he took pride "in the fact that our judiciary consists of individuals of the caliber of Judge Beeks."

County Budget Approval Seen

Mental Health Plan Nearer

Community mental health services, envisioned in Public Act 54, soon may be taking physical shape in Oakland County.

This was the word extended yesterday by Paul N. Averill, chairman of the countywide Community Mental Health Services Board.

He said that the 1964-65 budget would probably be approved late next week, paving the way for development of the county's mental health program.

Budget approval could be coming just in time. The board conducted a stormy session yesterday with some members questioning whether it was acting fast enough.

Daniel T. Murphy, a board member and also chairman of the County Board of Auditors, was one who raised his voice for action.

DRAGGING FEET
Said Murphy, "We've been dragging our feet, and it's time our committee started to show some results to the community."

Discussion of the mental health board's efforts grew out of disagreement over how to finance an apparent breach with Pontiac General Hospital.

Murphy and Pontiac psychiatrist Dr. L. Jerome Fink questioned the interim aspects of the board's program and personnel. Murphy said the mental health board only employed an

Boy Struck by Car While Riding Bike

Albert Wiltfang, 5, of 4557 Midland, Waterford Township, is in fair condition at Pontiac Osteopathic Hospital with injuries suffered yesterday when he was struck by a car while riding his bike.

Police said the boy was riding down a driveway at 4714 Midland near Sashabaw at 4:35 p.m. when he was struck by a westbound car on Midland driven by Milton Frick, 20, of 251 O'Connor, Lake Orion.

Frick told police that the boy rode in front of the car and he was unable to avoid the accident.

Steady Procession to Visit Kennedy Grave on Sunday

WASHINGTON (AP) — One week from Sunday, the first anniversary of President John F. Kennedy's assassination, a steady procession of visitors from near and far will stop at his grave in Arlington National Cemetery to place wreaths.

First in line when the cemetery opens at 7:30 a.m. will be a group from St. Margaret's Church of the Bronx, New York. The last wreath of the day will be placed at 5 p.m. by a group from the St. Vincent Academy of Savannah, Ga.

In between, 19 other persons or groups, including West German Foreign Minister Gerhard Schroeder, will place wreaths at the grave at half-hour intervals, except that two will be placed during one half hour in the morning, a schedule of grave-site ceremonies made available by the military district of Washington showed yesterday.

FOR FAMILY
"This schedule is subject to amendment to accommodate members of the late president's immediate family, should they appear."

desire," said a spokesman for the military district.

So far the Kennedy family has not indicated to officials if any members of the family will be at Arlington that day.

"We can only assume that Mrs. Kennedy will be there, but there's nothing firm yet," the spokesman said.

Among those listed is the presidential helicopter detachment — the group that carried Kennedy from the White House to the St. Vincent Academy of Savannah, Ga.

On an average day five wreaths are placed at the grave, on an average Saturday or Sunday there are 18 wreaths placed, the military district spokesman said.

So far, 7.56 million people have visited the grave.

On Monday, Secretary of Defense Robert S. McNamara and John C. Warnerne, an architect, will unveil the design and plans for a permanent grave memorial to the late president, they said.

WHAT WOULD YOU KEEP?
If you were given six seconds to leave everything you cherish what would you take with you? Many people have resolved that question sensibly according to a preconcerted plan. Consider the following:

Suppose you and your family were guests on the tenth floor of a hotel, asleep when you were awakened by the cry of "Fire!" At home an earthquake, shakes that dwelling into a jumble of twisted timbers and rubble; in the still of the night rioters scream, you are six seconds from death. You are a Transocean plane, the sea is rolling mountain high, clouds bill around your window when you hear the Pilot order, "Prepare to ditch."

A young, well-adjusted, intelligent woman was bathing when the Long Beach earthquake struck. She grabbed a string of beads, an empty bird cage en route to her outside door and ran screaming into the street. Authorities recommended: "Put valuables in a readily accessible place, ready for instant removal."

interim psychiatric director in order to have a psychiatrist to lead programs approved by the state.

"Don't we first need a full-time psychiatric director?" he asked.

Dr. Fink also said that hospitals should be approached by the full-time director, not on an interim basis.

Averill countered by saying that it was necessary to put some "tap roots" down while a comprehensive program was being developed.

Commenting on the status of the mental health program, the chairman earlier said that it looked like the county's mental health budget would receive state okay.

BUDGET HELD UP
Approval of the budget, which would cover the period July, 1964 to June 30, 1965, has held up Pontiac General Hospital's outpatient clinic.

Dr. Harry Arkoff, also a board member and on the staff of Pontiac State Hospital, pointed out that the mental health program wouldn't be changed every time the directorship was changed.

"If we're going to sell ourselves," maintained Murphy, "we've got to get our psychiatrist."

The county board has hired a temporary psychiatric consultant, but is looking for a full-time director.

UNANIMOUS VOTE
The board unanimously voted yesterday to announce that it is ready to proceed in developing mental health facilities and invited general hospitals to participate.

Avon said that the budget, presented to Department of Mental Health officials last week, would require "minor modifications," but probably would be okayed by the end of next week.

He emphasized that the budget still did not have formal approval, but should have by that date.

'Guests' Rob, Beat Pair in White Lake

A White Lake Township man and his teen-age tenant were savagely beaten and robbed early this morning by four unidentified men, according to sheriff's deputies.

Jake Stuart, 36, of 9404 Mandon this morning was being treated for head and body injuries at Pontiac General Hospital. His roomer, Raymond Rust, 18, was treated for minor injuries.

According to sheriff's deputies, the four men had come to the Stuart home upon invitation of Rust, who had met them at a dance in Waterford. Rust said he didn't know their names.

Stuart said the four began to take food and beer from the refrigerator and started to gamble in the living room.

Stuart told deputies when he asked the men to leave they attacked him and Rust with beer bottles. The four knocked both men down, kicked and beat them, and robbed them of \$2 and small change.

After the attack the group ransacked the house, turning over furniture, and pulled two phones off the wall, the victims told deputies.

Officers said the men left Stuart and Rust lying on the floor and fled in Stuart's car.

Lone Bandit Robs Man on City Street

Pontiac police are looking for the lone bandit who last night held up James R. Bailey, 39, 4190 Foley, Waterford Township.

Bailey told police he was getting into his car in the parking lot next to 386 E. Kennett when an unidentified man struck with a knife and started to beat him against the back of his head.

Bailey said the man took \$150 in cash from his wallet and a ring and watch valued at \$20. The man then fled on foot, Bailey told police.

MICHAEL DEAN

Teen of Week Class Leader at St. Fred's

St. Frederick High School representatives and members of the Pontiac Citizens Committee on Youth have named Michael J. Dean "Teen of the Week."

The son of Mr. and Mrs. Charles R. Dean of 1837 Lakeview, he was elected class president in his freshman, sophomore and junior years and as senior is now president of the varsity club and Sodality.

Dean is also active in teen club, on the altar and as business manager of the school paper, "The Ramrod."

One of his ambitions is to play a football or basketball championship to St. Frederick's before graduation. He has played on both teams.

During this past season Dean suffered head injuries but returned to the field only to be eliminated from the final game because of a broken leg acquired in the homecoming game.

After high school, plans for college are being formed but he is undecided as to a college choice.

His idol is the late President John F. Kennedy, whose speeches are frequently used as quotes by this outstanding St. Frederick's senior, a credit to his school and his community.

Takes Swat at Fly, Falls Two Stories

TEMPE, Ariz. (AP) — Student Donald L. Solsky took a swing at a fly which landed on his plate glass window of his Arizona State University dormitory room yesterday.

He crashed through the window and fell two stories to the ground, cutting an artery and the muscles and nerves of his left forearm. The fate of the fly was not known.

Police are investigating the recent theft of a radio adding machine valued at \$815 from the Pontiac Cash Register Co. of 476 W. Huron.

GONE HUNTING — Barber Don Leese decided to illustrate the fact that most of his customers will be deer hunting this weekend by mounting a deer's head on a vacant chair ready for trimming at his Crescent Lake Shop on Elizabeth Lake Road. The chair belongs to a fellow barber — Roy Hatcher — who has gone hunting.

Weather May Put Damper on Deer Season Opening

The word "white" means two things to more than 500,000 people in Michigan today — whitetail deer and snow.

When combined, these two ingredients produce a perfect opening for Michigan's deer season. Half a million deer hunters appear doomed to disappointment for the fifth straight opening day.

Cloudy Skies to Precede Rain Due Tomorrow

Clouds will gather to night in preparation for a shower in the area late tomorrow, says the weatherman.

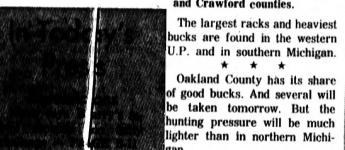

In the meantime, we'll have mild temperatures — in the low to

night of 43 to 50 and a high tomorrow of 58 to 65.

A traditional gloom y day is forecast for Monday. It'll be cloudy, rainy and cool.

Winds today are easterly at five to 12 miles an hour. They will increase to eight to 15 miles an hour tonight and tomorrow. The mercury hit a low of 37 this morning, but by 1 p.m. had climbed to 55.

ORE DEER
Phasant hunters reported seeing more deer than before in the northern half of the county including some "rocking chair" heads.

The Holly, Otseville and Wixom areas always produce several bucks.

The deer herd in southern Michigan has increased sufficiently to allow an antlerless season in six areas. Oakland County is not included. Permits were issued for Livingston County.

Because of the mild weather, more bucks are expected to be taken by hunters with the majority being bagged in the Upper Peninsula.

Syria Protests Israel 'Attack'

TEL AVIV, Israel (P) — Syria has lodged an urgent complaint with the United Nations after Israeli jets battered Arab outposts in the heaviest border fight between the two nations in recent years.

Each side blamed the other for starting the 100-minute clash yesterday along the frontier 25 miles north of the Sea of Galilee. U.N. observers, who supervise a shaky ceasefire in the area, began an investigation of the battle.

An Israeli army spokesman said three Israelis were killed and 11 others injured, five seriously.

A Syrian army communique issued in Damascus, the capital of Syria, said its side suffered seven dead and 26 injured.

The Israeli spokesman charged that Syria started the fight with an attack on an Israeli patrol. He said the jets went into action with napalm (jellied petroleum) and gunfire after the Syrians heavily struck back against five Israeli border settlements and military positions.

The Syrian communique said Israeli artillery shelled two unarmed Arab villages at Hama and Azaziat in the demilitarized zone. It said Syrian forces struck back against five Israeli border settlements and military positions.

The spokesman said the Syrian barrage against the settlements spread from one to five positions. He said the Syrians used machinegun fire, mortar shells and World War II German tanks.

DEM DOMINATION

Noting that the appointments were confirmed by the Democratic-dominated Senate, Ferency said:

"Cooperation is a two-way street, we expect to be consulted on the appointment to bipartisan boards and commissions, particularly where there is a statutory or constitutional requirement for bipartisan membership."

"If he does consult in advance on appointments requiring Senate confirmation — and particularly appointments of Democrats — I am sure he will find the Democratic majority willing and ready to work with him," Ferency added.

Romney left yesterday for an 18-day vacation in California, and in his absence, Press Secretary Richard Millman answered Ferency.

Millman said he was prepared for Ferency's blast.

Russian Car Was Fired On by Yank Guard

Claim Red Driver in Germany Failed to Heed Halt Order

HEIDELBERG, Germany (P) — A Soviet military mission sedan was fired on by an American guard when it failed to obey orders to halt, U.S. Army headquarters in Europe announced here today.

The incident occurred Wednesday when the car approached a restricted U.S. military area near Nuernberg, the Army said.

The vehicle's two occupants, a Soviet colonel and an enlisted man driver, were detained for about seven hours and then released.

The Soviet military liaison mission is attached to U.S. headquarters. The United States has a similar mission attached to the Soviets in East Germany.

U.S. Army headquarters has protested to the Soviet military liaison mission, located in Frankfurt, that the Soviet car violated a well-marked restricted military area.

The Soviet sedan entered the restricted area at around 1:20 p.m. Wednesday despite signs in English, Russians and German warning against trespassing.

LBJ Focuses on Program

JOHNSON CITY, Tex. (P) — President Johnson focuses his attention today on social welfare problems and his legislative program. But he may find it hard to stay indoors, for this is the first day of the deer hunting season.

Secretary of Labor W. Willard Wirtz and Secretary of Welfare Anthony J. Celebrezze are on hand to help in planning the legislative program. Johnson will recommend to Congress in January.

The domestic proposals he will submit will form the basis of his "Great Society" program, and Wirtz and Celebrezze's departments will play major roles in implementing it.

But the biggest event in these parts today is the start of the deer hunting season.

And while the President, an ardent hunter, insists he will stick to his official talks through

most of the day, he allows that he might make a little outing in search of the fleet-footed deer on his ranch land.

Yesterday afternoon, President-elect Gustavo Diaz Ordaz of Mexico ended a 27-hour stay at the LBJ ranch.

The Mexican leader held a 15-minute news conference for newsmen from his country before Freeman Prazee, Local 13 president, announced at a news conference he would recommend return to the Free Press, but not the News.

Pressmen Will Urge Resuming Publication

DETROIT (P) — A spokesman for a striking pressmen's union said today members would be urged to remove picket lines tomorrow from the Detroit Free Press and return to work.

A strike which closed both the morning Free Press and afternoon Detroit News now is in its 124th day, and a 20-hour bargaining session ending shortly after 6 a.m. today failed to bring settlement on a new contract.

Originally, affiliated Local 10 of the Plate and Paper Handlers Union joined Local 13 of the International Printing Pressmen in the strike, but reached new contract agreement last Wednesday.

Manning of six newly installed eight-unit presses at the News is the final issue in dispute.

Negotiations were recessed indefinitely only two hours before Freeman Prazee, Local 13 president, announced at a news conference he would recommend return to the Free Press, but not the News.

Hope Persists for Agreements at Local Level

Bargain Committee to Meet on Thursday for Strike Discussion

DETROIT (AP) — The Ford Motors Co.'s 160,000 hourly workers today face the possibility of a total layoff sometime next week over labor trouble nearly two months after agreement on a national labor contract.

However, hope persisted that this might be avoided.

Ford blaming parts shortages from United Auto Workers' local strikes at eight factories, laid off 33,500 men yesterday in plants around the country.

This brought the total idle to 57,000, including the 24,100 on strike. Ford has said its entire 90-plant system may become idle by next week.

Last night, workers rallied at Ford's Louisville, Ky., assembly plant. However, assembly operations do not affect the company's reported parts shortage.

Ford and the union agreed on a national contract Sept. 18. It does not become effective, however, until supplementing local-level agreements are reached at all the plants.

There was no apparent change in the company-union standoff since Ford agreed yesterday to meet with the UAW's national Ford bargaining committee. The meeting is set for next Thursday.

HOPE EXPRESSED
But both Ford and the UAW expressed hope the meeting might not be necessary.

"We see no reason why the current 111-assembly strikes should be continued that long," said Ford Vice President Malcolm Denise.

Ken Bannon, director of the UAW's Ford department, said he hoped all issues could be solved before Thursday.

Bannon said the purpose of the meeting would be a union intent to "find out why" all local issues were not settled if the disputes were still unsolved by Thursday.

Eye Eligibility for Sylvan Post

The question of whether newly elected Sylvan Lake Councilman John D. McKinlay is eligible to sit on the council looms as a pressing issue in the coming weeks.

An opposition group to McKinlay, who Thursday night was named to replace Willis M. Brewer as the city's representative on the County Board of Supervisors, is challenging his council eligibility.

The issues was raised by the city's ruling that a person must be a resident two years to hold office.

McKinlay recalls that he moved to the city sometime in November 1962, but he is uncertain of the exact date.

Brewer, a Democrat, says he is not personally contacting McKinlay's right to serve on the council at the present time.

Hope to Heal Mental Clinic Rift

By L. GARY THORN

Pontiac General Hospital and county mental health officials are going to get together, hopefully to resolve differences over the hospital's faltering out-patient mental health clinic.

However, hopes for continued operation of the clinic itself appear dim.

The Community Mental Health Services Board voted unanimously yesterday to meet with the hospital officials to explore "past, present and future relationships."

However, the means of healing the breach, whether by a three-member committee or the entire 12-member county board, provoked a heated two-hour discussion at yesterday's meeting.

The mental health board and Pontiac General have been at odds over the hospital's new out-patient mental health clinic for several months.

HAD UNDERSTANDING
According to Administration Harold B. Euler, the hospital instigated the program last July with the understanding that it would come under the county-directed mental health program.

This would include reimbursement of costs. However, disagreement over the clinic's qualifying for such funds resulted in the hospital board of trustees ordering Euler to close it if the hospital were not reimbursed.

Dr. L. Jerome Fink 4430 Quanton, Bloomfield Hills, yesterday said that the whole mental health board should meet with the hospital officials and "answer their questions straightforwardly."

Fink said that the effort should not be made until the

because it would take two weeks to phase it out.

He said the "phasing out" process was already underway.

Mental Health Board Chairman Paul L. Averill said that steps should be taken to bring about resolution of any misunderstanding.

He added that perhaps Pontiac General could postpone phasing out its program.

BREACH UNWANTED

Averill said the community mental health program could not afford a breach between the board and one of the county's general hospitals.

Bed Shortage May Be Permanent Woe

Pontiac General Hospital officials are grappling with what may become a permanent problem — a bed shortage and a consequent cancellation of admissions.

Outlining the problem, administrator Harold B. Euler said that 50 of this month 127 admissions had to be canceled.

This was more than during the whole month of November 1963, he said.

The waiting period for surgery has increased to five weeks, instead of the three weeks earlier this year.

Occupancy is also up, according to Euler. This month as well as all of last month occupancy was at 101 per cent.

TEMPORARY USE

Euler said this has resulted

in the temporary use of hall beds and last-minute cancellations.

Through October, the hospital has had to cancel 1,382 admissions, up 275 over 1963.

Aleck Capsalis, chairman of the hospital board of trustees commented, "there appears to be no letup."

The board has referred the problem to its planning committee, suggesting that thought be given to both a temporary solution and a permanent solution.

OFFICE AREA

This action came after the board discussed briefly the possibility of converting the administration office area to bed space.

Capsalis estimated 30-40 beds might be created in the space.

"When you're operating at 96 per cent capacity," Euler said you've got a crowded situation."

Average occupancy for the year has been 97.3 per cent, which is above the 96.5 per cent required by the budget. The budget is based largely on occupancy.

PUBLIC RELATIONS

Forced cancellations are creating a public relations problem with the community, said Euler.

The hospital administrator said increased growth of the area might be one reason for the high occupancy. This possibility is reflected in emergency figures, he said.

Through October, some 4,292 patients had been admitted through emergency, as compared with only 3,981 for the same period last year.

Asks Repeat of Auto Tax

Senator Seeks to Pass Saving to Consumer

OKLAHOMA CITY (AP) — Sen. Mike Monroney, D-Okla., asked President Johnson Friday to repeal the 10 per cent excise tax on automobiles.

A telegram, Monroney, chairman of the automobile marketing subcommittee, said the tax adds more than \$200 to the price of a \$3,000 car in addition to the state sales tax.

"I am sure I can get a firm commitment from the four major automobile manufacturers and from the national convention of the National Automobile Dealers Association to pass on the entire savings to the buyers," Monroney said.

Monroney said his subcommittee could hold hearings to take testimony from manufacturers, auto dealers and the public.

"If I am going to be reasonable, I am optimistic that in the course of early tomorrow morning we can come to a compromise," a Dutch diplomat said. The deadline is tomorrow midnight. The Kennedy round of major world traders opens in Geneva Monday.

\$1.6 Billion in Projects Set for Six-County Area

Public works projects planned for the Detroit metropolitan area total \$1.6 billion, according to the summary of a report released yesterday by Gerard H. Coleman, executive director of the Supervisors Inter-County Committee (SICC).

With plans for \$144.1 million in public works, Oakland County's needs are surpassed only by the City of Detroit (\$356.6 million) in the six-county area.

The other four counties represented by SICC are Macomb, Monroe, St. Clair and Washtenaw.

The report included a four-year summary of SICC-sponsored public works projects.

It was sent to all administrative officials and congressmen representing the area in an effort to acquaint them with the progress that has been made and the needs that still exist.

FIRST IN PROGRAM

Under the leadership of SICC, the Detroit metropolitan area was the first to present to state and federal officials a public works program which qualified

for aid under the Accelerated Public Works Act.

From May 1963 to August 1964 Oakland County completed or had under construction or contract \$37.5 million worth of public works projects.

This represents 20 per cent of the total \$189.2 million for the entire area, and is more than double the amount the county spent from April 1962 to May 1963.

Many of the projects in the six-county area were partially financed by federal aid, which was cut off several months ago when the unemployment rate decreased below the qualifying minimum.

Hopes of obtaining federal aid for projects still in the planning stage are dim, as APW funds are exhausted, according to SICC officials.

Council OKs Unity Schema

VATICAN CITY (AP) — With an overwhelming 1,670 to 82 vote, the Vatican Ecumenical Council approved today its Christian unity schema, clearing the way for its proclamation as a full church decree by Pope Paul VI. It pioneers a new path for Roman Catholic relations with other Christians.

The schema is the first to be completed in this third council session.

Council fathers in St. Peter's Basilica approved minor textual adjustments in the third and final chapter of the schema, "De Eucharistia" (on eucharism) with the vote.

BEFORE RECESS

It is likely the Pope will promulgate it as a decree before the council recesses a week from today.

Only two other schemas have been completed in previous sessions of the council, which began in October 1962.

'Diehard' Farmer Settles Tax Bill

CHICAGO (AP) — William Lusk, 58, ended his 15-year battle with "those government tax boys" Friday and went home to his southern Illinois farm \$100,000 poorer.

Wearing a hearing aid rented for him by the government at \$1 a day, Lusk calmly watched as federal Judge James B. Parsons signed a court order divesting Lusk of more than \$100,000 in securities.

Judge Parsons also ordered Lusk freed from County Jail where he had been since May on a contempt-of-court order. At that time he refused to produce the stocks.

"Maybe I should have hired a lawyer when all these troubles started," Lusk said after court. "Now I'll go back to the farm to harvest a crop of hops and gather my scattered chickens."

ILLINOIS FARM

The farm is near Geff, Ill. The hearing aid was necessary because Lusk, a bachelor, is nearly deaf and often has been unable to understand his court-appointed attorneys or the court.

The government will use the securities to satisfy nearly \$79,000 in income tax liens dating back to 1945. Funds remaining will be returned to Lusk.

For years the fiercely independent farmer ignored government summons and claims. Once drawn into court, Lusk refused to pay, claiming the "tax boys" must have erred in their calculations.

OFFERS TO SETTLE

Last December, however, he offered to settle with the government for \$500.

The federal prosecutor termed the offer ridiculous, and Judge Parsons ordered Lusk to take a mental examination.

On another occasion Lusk appeared in court to ask the government to give him \$400 of his frozen assets. He said he needed dental work. He got the money.

Negotiators Optimistic on Mart Tariffs

BRUSSELS, Belgium (AP) — Common Market ministers today were optimistic about reaching agreement on what they are ready to do at the Kennedy round of talks on cutting tariffs.

Ministers said progress was made this morning in reconciling the disputed positions on what industrial products could be included in the bargaining table of the Kennedy round, which aims at cutting duties in half.

"If I am going to be reasonable, I am optimistic that in the course of early tomorrow morning we can come to a compromise," a Dutch diplomat said. The deadline is tomorrow midnight. The Kennedy round of major world traders opens in Geneva Monday.

into wide-ranging negotiations with other countries on tariff reductions.

French President Charles de Gaulle's efforts to weaken Germany's strong ties with the United States and forge a European "third force" to hold the balance of power between Washington and Moscow are considered to be at the root of most of the turmoil in the alliance.

DETROIT (AP) — A shotgun-wielding bandit fatally wounded a 21-year-old filling station attendant and seriously wounded an 18-year-old co-worker shortly before midnight.

Stephen D. Tokan, struck in the stomach by the shotgun blast, died today at Mount Carmel Mercy Hospital. The other attendant, Nunzio Cessante, was reported in serious condition with injuries to his left arm.

Some 20 police sought a husky man in his 20s described as having dark hair and wearing a fancy black hat and black trench coat.

Officers said Tokan and Cessante were putting up an advertising display inside the station on Detroit's near northwest side when they heard the gun, standing at a doorway, say "Give me the money."

The bandit fled without obtaining any money. Police said.

Safety Patrol Program to Begin for Youngsters

BIRMINGHAM — Some 250 youngsters next week will participate in Birmingham School District's first systematic work shop for elementary safety patrols.

Designed to augment their training, the program is open to patrols and their sponsors from all public and private schools in the district.

A meeting for sponsors will be held at 8:30 a.m., Wednesday in the second-floor classroom room at Southeast High School.

The program for patrolers will follow at 9:30 a.m. in the school's little theater. Demonstrations and films will be used to review with patrolers such things as correct signals, behavior and how to get children across the streets under many types of conditions.

Besides school officials, local police and representatives of the American Automobile Association will participate in the program.

SAFETY CHAIRMAN

Walter J. Piel, Birmingham Police School safety coordinator, is chairman.

Others planning the workshop are Robert Cullen, AAA safety education consultant; William Foust, Walnut Lake School principal; Fritz Phin, Adams School principal; and Lt. Robert Schmale, of the Birmingham Police Department.

Dem Asks Recount in Pontiac Twp.

A petition for a recount has been submitted to the Pontiac Township clerk by Mont D. Bodman, Democratic candidate for supervisor, who lost by 39 votes to incumbent Republican Leon Terry in the Nov. 3 election.

Terry, who was running for his second term, polled 1,389 votes to Bodman's 1,350 in the race for the township supervisor post.

The votes in the township's six precincts will be recounted sometime next week by the County Board of Canvassers.

The canvassers are presently engaged in compiling an official tally for each township and city in the county.

The four-member board does not count votes by precinct, however, and has no jurisdiction over the County Board of Canvassers.

REV. HARRY W. DICKERSON

Guest Speakers in Churches

At the annual meeting of the Michigan Baptist State Convention Rev. E. Clay Polk, pastor of Columbia Avenue Baptist Church, was elected to serve the 25,000-member as first vice president.

Rev. Fred B. Hubbs of Detroit is executive secretary and the Rev. Hubert Keeler, pastor of First Baptist Church in St. Clair Shores serves as president.

CLINTONVILLE CHURCH OF NAZARENE
Rev. Harry W. Dickerson of Detroit, evangelist of the Church of the Nazarene, will conduct revival services at the Clintonville Church of the Nazarene, 3005 Mann, Waterford Township tomorrow through Nov. 22.

Meetings are scheduled for 7:30 each evening.
David Strawn will be in charge of music.
Rev. M. Dickerson, a graduate of Olivet Nazarene College, has served as pastor of several churches in Colorado, Michigan and Indiana including the First Church of the Nazarene and Central Church in Flint.

BLOOMFIELD
Rosella Rhodes, a missionary from the Southwest Indian School near Glendale, Ariz., will speak in the Bloomfield Chapel of the United Brethren of Christ, 1330 Square Lake near Telegraph at 7:30 p.m. Nov. 24.

A native of Michigan, Miss Rhodes served as a teacher at the Indian school which has an enrollment of 100 pupils. Classes include elementary and high school.

The school is under the auspices of the World Gospel mission, an interdenominational missionary organization with 240 missionary organizations with 240 missionaries serving in 15 fields of the world. Headquarters are in Marion, Ind.

FIRST CHRISTIAN
Mr. and Mrs. Freeman Redding, missionary partners, will speak at First Christian Church at 7:30 p.m. Tuesday.

A building contractor by trade, Mr. Redding volunteered

to go to Jamaica to rebuild churches that had been destroyed by the 1952 hurricane.

YOUTH FOR CHRIST
National Youth for Christ week will begin in Oakland County with a kickoff rally from 7:30 to 9 p.m. today in Pontiac Central High School.

Special features will be a brass quartet directed by Daryl Hawley of First Church of the Nazarene and the Royal Trio from Oveso, composed of Jerry Brecheisen, Connie and Bill Williams.

Guest speaker will be Frank Zink of Flint.

Zeke and Zeff, a comedy act will be presented during club time by Bill Eastham and Warren Smoot.

Others taking part in the program include Wayne Whitten, of Pontiac Northern High, Bon Griffin of Lake Orion High and Regan Keith from Waterford High School.

BUILDS CHURCHES
Employing Jamaican workers Mr. Redding has erected a number of churches, rebuilt others, constructed several buildings at the Union Theological Seminary in Kingston and completed a construction program at Oberlin High School, a rural institution run by the Christian churches.

Mr. Redding also developed a water reservoir and purification system for the school.

An informal reception will follow in Fellowship Hall.

ORCHARD LAKE
Marilyn Johnson, Nancy Shaw and Don Sanderson will be soloists with the Westminster Choir at Orchard Lake Community Church, Presbyterian at the 11 a.m. service tomorrow. Don Sanderson will sing "Give Thanks and Sing" by Harris for the offertory solo.

The Chancel Choir will lead worship at 9 a.m.

Pastor Edward D. Auchard and choristers will lead the 1 p.m. service tomorrow at Oakland County Tuberculosis Sanatorium.

Junior High Fellowship supper is set for 5 p.m. Thursday and Friendship Fellowship at 6:30 p.m. Friday.

CHURCH OF ATONEMENT
The Youth Club of the Church of Atonement, 3535 Clintonville, Waterford Township will meet at the church at 4 p.m. Tuesday for Bible study, recreation and refreshments.

The session and board of deacons will gather at 7:30 p.m. to receive new members into the church.

CENTRAL METHODIST
The November meeting of Methodist Men of Central Methodist Church will be held at the Waldron Hotel Wednesday evening.

After the smorgasbord dinner and devotions the men will be taken on a tour of Michigan Bell Telephone Company. The men are participating in a series of interesting and informative programs during the current year.

Members of the church will bring gifts of fresh fruit, jam, jellies or cash for the Chelsea Home for the Aged tomorrow and Nov. 22. Gifts will be taken to the home for the Annual Harvest Festival.

PINE HILL
Tomorrow will be a day to be remembered in the history of Pine Hill Congregational Church. For the first time since it was founded four years ago the congregation will hold services within the walls of a church.

The new chapel on Middle Belt just south of West Long Lake, West Bloomfield Township is ready for occupancy. The parishioners will gather there for the 11 a.m. service with Rev. Harry Clark, pastor, preaching "From the Hilltop."

Holy Communion will be celebrated and new members will be received during the worship hour. The choir will sing "The Good Shepherd." Mrs. Bernard Ernst, wife of the organist, will be soloist.

TRINITY WATERFORD
During the 10:30 a.m. worship service tomorrow at Trinity

Methodist Church, Waterford the commission on social concerns will distribute tracts stressing the Methodist belief in total abstinence from alcoholic beverages.

A filmstrip shown to the Church School at 9:30 a.m. will also follow the abstinence emphasis.

At 5:40 p.m. speakers from Alcanon and Alcatraz will address an open meeting at the church. Refreshments will be served. Mrs. Daniel Hoeler is commission chairman.

NAZARENE
W. M. McGuire, of Birmingham, teacher of a young adult Sunday-School class at First Church of the Nazarene for many years, was chosen to give the chapel service address at the annual homecoming service at Olivet Nazarene College, Kankakee, Ill. this weekend.

A graduate of Olivet College, Mr. McGuire is principal of the East Hills Junior High School, Bloomfield Township.

Two or three car loads of young people of First Church are attending the homecoming festivities over the weekend. Rev. J. E. Van Allen is pastor of the local Nazarene Church.

Ascension Lutheran to Ask Pledges
Tomorrow will be Stewardship Sunday at the Lutheran Church of the Ascension. Gordon Carlson will conduct the service.

Joseph Pospichal will present a picture of the financial needs of the church and commitments will be asked in the form of pledges.

The High School Choir under the direction of Mrs. Edward Meyer will sing "Harvest Carol" at 8:45 a.m. with Pastor Mires Stine in the pulpit.

Pontiac Pastors Meet for Breakfast
In keeping with the theme of this year, "The Church and its Community," the Pontiac Pastors' Association will direct its thoughts to the hospital and the churches on Friday, when the association meets at 8 a.m. at the Woodside Medical Center on South Woodward.

The Rev. Charles A. Colberg, pastor of the Gloria Dei Lutheran Church and president of the Pontiac Pastors' Association, announces that the speakers for the morning will be Harold Euler, administrator of Pontiac General Hospital and Bernard Tresnowski, assistant administrator of St. Joseph Mercy Hospital.

Detroit Gospel Team Slated at Avon Church
A special program at Elmwood Methodist Church in Avon Township tomorrow evening will feature Bible messages in word and song by a gospel team from the United Fellowship Organization of Detroit.

The team will tell the work it does ministering to people in the Southeast and throughout Michigan at the 7 p.m. event. It is open to the public.
