

Waits for Detectives

QUESTIONED IN SLAYINGS — Owen Robert Moser, 23, of Fenton, who has been questioned by Holly and State police in connection with the October killings of three Chicago boys, waited in Oakland County Jail today for Chicago detectives, who plan to question him further. Moser, has admitted he was in Chicago at the time of the murders.

Christmas Can Be Tragic, Safety Council Urges Care

Don't let Christmas in your home be saddened by an accident which could have been prevented by a little caution and foresight.

A warning came today from the National Safety Council that the Christmas-New Year holiday season is the most hazardous single period of the year.

Accidents killed 515 persons in the nation last year in a 54-hour period from the night before Christmas eve through midnight-Christmas night.

Causes of the extra traffic dangers are heavier travel and the festive spirit of the season plus the usual winter hazards of bad weather, slippery roads and more hours of darkness, the safety council points out.

Three suggestions for safer driving are advanced:

1. Don't drive after drinking—and don't ride with a drinking driver.
2. When driving be extra cautious on wet or icy roads.
3. If planning a long trip, start early and arrive before darkness reduces visibility.

Turning to the fire danger, the council states, "The Christmas tree is one of the most combustible objects known. It can burn so quickly it is almost impossible to extinguish the flames by ordinary methods."

The following precautions are advised:

1. Buy a fresh tree and keep it in a cold place—perhaps an unheated garage—until ready to set it up.
2. Before setting up the tree, saw off diagonally at least an inch of trunk and place the base in a water-containing holder.
3. Locate your tree well away from fireplaces, radiators, television sets, etc.

Churchill Returns Blasts by Khrushchev, Bulganin

LONDON (AP)—The British-Russian word war over speeches by Nikita S. Khrushchev and Soviet Premier Nikolai Bulganin in the Far East continued unabated today.

Former Prime Minister Sir Winston Churchill was the latest to sound off.

Addressing a rally of Young Conservatives at Woodford, England, his parliamentary constituency, the 81-year-old Churchill said he thought the British government should "seriously consider" canceling the projected visit of Khrushchev and Bulganin to Britain in April. He qualified this by saying Britain should not "take any violently rapid decision" on the question.

Referring to anti-British remarks by the two top Russian leaders, Churchill termed their current Asian tour an "exhibition—there is no other word."

"It certainly has been a surprising spectacle and one which Her Majesty's government will no doubt study carefully before they allow it, with suitable variants, to be repeated here," he said.

Prime Minister Eden extended an invitation to Khrushchev and

Mercury to Climb, Weatherman Reports

The weatherman says it will be partly cloudy tonight and warmer tomorrow with a high near 40 degrees. The low tonight will be near 25.

Temperatures will average from 2 to 5 degrees below normal for the next five days according to the U.S. Weather Bureau.

The bureau foresees colder weather Thursday and Friday and then not much change over the weekend.

There will be snow over most of the area Friday and Saturday and snow flurries Thursday and Sunday.

The lowest temperature preceding 8 a.m. was 22. The thermometer registered 26 at 1 p.m.

Brucker Touring Japan

TOKYO (AP)—Secretary of the Army, Wilbur Brucker today toured Japanese and American Army installations near Tokyo.

Like, Top Aides Discuss Needs for Arms Budget

Defense Costs May Run to 34.5 Billion to Meet Military Necessities

GETTYSBURG, Pa. (AP)—President Eisenhower met with top military and financial advisers today for just about final decisions on next year's defense budget. Secretary of Defense Wilson and Budget Director Rowland Hughes flew here from Washington.

They were accompanied by Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, and W. J. McNeil, Pentagon comptroller.

Wilson indicated the 1956-57 defense budget is about in final shape but told newsmen when they asked if this was the final meeting on the subject:

"I can't ever be sure of that." Top officials have said the new defense budget will run about the same as the present spending rate—about 34½ billion dollars a year. Wilson has said price increases may force it a little higher.

Details, in terms of divisions, air wings and the like as worked out in a succession of top-level meetings, still are subject to the President's approval.

TIED WITH POLICY

The spending program for defense is tied in with the administration's global policy.

Eisenhower and British Prime Minister Sir Anthony Eden will further explore cold war strategy in Washington next month. Eden, accompanied by Foreign Secretary Harold Macmillan, will arrive Jan. 30.

They undoubtedly will give top priority to arranging better cooperation in the critical Middle East.

Western relations with Russia in the wake of visits by top Russian leaders to India, Burma and Afghanistan, and in advance of their projected visit to Britain next spring, also are due for sweeping review.

But joint British-American moves to avert war between Israel and its Arab forces promised to get primary attention.

Eden, coming here at Eisenhower's invitation, has offered to serve as mediator in the Middle East quarrel, calling on both sides to agree to permanent boundaries. He proposed that the 1947 United Nations partition plan be used as a starting point for talks.

Georgia Regent Upsets Governor

ATLANTA (AP)—The governor of Georgia and the president of Georgia Tech were at odds today after a decision by Georgia's Board of Regents to permit Tech to play Pittsburgh in the Sugar Bowl.

Pitt has a Negro player on its squad.

The office of Gov. Marvin Griffin charged President Blake Van Leer of Tech failed to consult the governor before accepting the Sugar Bowl bid for Jan. 2.

Ben Wiggins, executive secretary to Griffin, also said the governor felt Van Leer failed "properly" to handle students who staged a riot early Saturday in protest against Griffin's request that Tech be pulled from the Sugar Bowl.

Van Leer replied that he had informed Griffin Nov. 26 that Tech intended to accept a Sugar Bowl invitation if it was offered. He declared the governor said that was "fine."

Concerning the student demonstration, Van Leer said: "I suppose I get paid for being the goat on things like that."

The Tech president promised to investigate the demonstration and expressed "deep regret" at the action of Tech students who participated.

You Can Buy a 1936 Olds "40" for as little as \$2,150.00 plus tax at Jerome Olds-Cadillac, PE 4-3566.

Teenager Admits Sending Williams Call About Bomb

LANSING (AP)—State police said today that a 14-year-old schoolboy has admitted causing the bomb scare at the home of Gov. Williams.

Commissioner Joseph A. Childs said the boy was taken into custody by state police detectives on the basis of a tip from another schoolboy who had heard the bomb threat discussed before it became public knowledge.

The boy's name was withheld by state police pending the taking of a formal statement at state police headquarters.

State police have been maintaining a 24-hour guard over the Governor's home since Mrs. Williams reported receiving a telephone call Nov. 26 that a bomb had been placed in the home.

Mrs. Williams said she was told the bomb was hidden in the house and set to go off that afternoon. She said she was informed the bomb was hidden two days earlier while the family was out of the city.

Pontiac Schools Getting \$160,515

Additional State Aid to Increase Salaries OKed by Legislature

The Pontiac school system will receive \$160,515 in supplemental state aid for distribution this year as added salary for employees, the Board of Education learned yesterday.

The extra money was approved by the State Legislature at a recent emergency session.

Pontiac will get \$9 for each of the 17,833 pupils enrolled as of last Sept. 30. The distribution must be made by July 1, 1956. All employees can participate, including teachers, administrators, secretaries and maintenance workers.

Several distribution plans were suggested by Superintendent Dr. Dana P. Whitmer. Board President Louis H. Schimmel said members would study the proposals before deciding on a formula.

In other action, the board approved preliminary plans for an activity center to be constructed at Willis School for use beginning next September.

Coast Guard Hunts for Missing Hurler

MIAMI, Fla. (AP)—Coast Guard aircraft began a search today for Jim McDonald, a professional baseball player, and another man after a private plane in which they left Miami yesterday failed to arrive at its destination in Cleveland.

McDonald's wife notified the Coast Guard that McDonald and a friend, Nick Klein of Miami, took off from the Tamiami airport in Miami at 1:30 p.m. yesterday and planned to return by 6 p.m. She said the plane never reached Cleveland.

McDonald pitched the first half of last baseball season for the Baltimore Orioles, then was traded to the New York Yankees and finished the season with the Yankees' Denver American Assn. team.

Dr. Rennell to Be Head of Traverse State Hospital

LANSING (AP)—Dr. Edwin J. Rennell, superintendent of the Coldwater State Home and Training School, was appointed today as medical superintendent of the Traverse City State Hospital.

Dr. Rennell, 47, replaces Dr. R. P. Sheets, who will retire. The appointment is effective Jan. 1, 1956.

Oh, the Calamity

ASAHIKAWA, Japan (AP)—The temperature dropped sharply overnight and brought a sudden kind of tragedy to this northern town. Every bottle of beer and sake (rice wine) in town froze and burst.

Potential Homes City Board of Education Plans Convertible Units

Four separate classroom units, which could be converted when no longer needed for school purposes and sold as homes, are planned at the present Bailey School site on Florence avenue by the Pontiac Board of Education.

Preliminary plans for the "residence-type classrooms" were approved yesterday by the board as drawn by architect Paul Moffett, of Birmingham.

The units will cost an estimated \$67,200 and be completed by next September. Plans call for tearing down the old Bailey Elementary School which is obsolete.

Decision to replace the present building was reached after Building Coordinator Dr. Otto C. Huffzinger reported cost of repairing the structure would be more than \$30,000 and it still would not serve educational and community needs as well as new classrooms.

Residence-type classrooms have been built with success in other cities, including Flint, said Superintendent of Schools Dr. Dana P. Whitmer.

The four units are being constructed on an experimental basis with an eye to planning more in the future if they prove adequate, he explained.

Four rooms in a single building would cost about \$15,000 more, he stated.

Besides costing less, the units can be put up in 120 days, Whitmer said, to quickly take care of school-space problems in a fast-growing area where many elementary-age children live.

Children will have only a short distance to travel to school and parents are apt to feel more free to visit, he added.

If the time comes when the units are no longer needed, they can be sold and part of the original cost regained. However, it is expected the four Bailey units will be permanent.

The GM president said the long sales agreements were decided upon because of this misunderstanding "and the possible damage to General Motors' good will."

New Tax Head Against Revenue Service Shakeup

WASHINGTON (AP)—The nation's new chief tax collector has told Internal Revenue Service employees that he plans no new shakeup in the tax service.

In a memo to the 51,500 workers, Commissioner Russell Chase Harrington said yesterday that, after a series of reorganizations during the past four years, the revenue service needs a settled period in which changes "can be consolidated."

Harrington, a 65-year-old accountant from Providence, R. I., was sworn in yesterday as successor to T. Coleman Andrews of Richmond, Va. Andrews left the \$15,000-a-year job to private business.

Spellman to Visit Troops

NEW YORK (AP)—Francis Cardinal Spellman, military vicar to Roman Catholics in the armed services, will leave Dec. 16 to spend the Christmas season visiting troops in the Far East as he has for the past four Christmas seasons.

Soprano to Sing

Frances Greer, soprano, will sing Christmas Concerto and Symphony No. 8 along with three arias from opera Wednesday evening at 8:00 at Lincoln Junior High School. It is the second concert of the season. Francesco DiBlasi will conduct the Pontiac Symphony Orchestra in several numbers.

Explosions Rock Woodward Area as Sewers Erupt

DETROIT (AP)—It looked on Detroit's Woodward Avenue as if an enemy was attacking from underground.

Explosions rattled this shopping main stem over a six mile stretch. Manhole covers were blown into the air, some as high as 20 feet, and roaring flames flashed from the uncovered manhole mouths.

One man, who was covering a passing car with a blanket, was narrowly missed by a streetcar, but no one was injured.

Police said the explosions were caused by an accumulation of gas in sewers and conduits set off by a short circuit in an underground electric feeder line for Woodward Avenue's streetcars.

GM Lengthens Retailing Pacts

WASHINGTON (AP)—President Harlow H. Curtice announced today that General Motors is immediately extending its sales agreements with its retail dealers from one year to five.

The president of the nation's largest manufacturing corporation announced this major policy change as a Senate Judiciary Anti-trust and Monopoly subcommittee resumed public hearings on GM operations. The committee is making what it calls a case study of the huge industrial firm.

'No Evidence' Linking Moser With 3 Deaths

Chicago homicide detectives still are expected to come to Pontiac today to question 23-year-old Owen Robert Moser of Fenton in connection with the Oct. 16 slaying of three Chicago boys.

Moser, who was arrested Saturday night in Holly for a traffic violation, was questioned for more than 30 hours by arresting officer Montgomery Dickey.

Dickey said during the questioning Moser admitted: "He had been in the Chicago area during the period of the triple slaying."

He owned an unregistered .32 revolver.

He had given a ride to "two or three" young hitchhiking boys on an unspecified date in the Chicago area.

Dickey said Moser, who appeared highly unstable, broke down at one point after some 27 hours of questioning and answered "yes" to two questions:

"Do you feel responsible for the deaths of these three boys?" "Do you realize this is a confession you are making?"

At this point, Dickey said, he contacted Chicago police and Michigan State Police.

State police detectives Charles Leif and Melvin Kaufman, who questioned Moser briefly last night, said he told them he had made the "confession" because he was "all mixed up inside."

He specifically denied the murders.

When shown pictures of the three murdered youths, Moser denied ever having seen them.

Police, who still plan to examine floor mats in Moser's 1946 Ford to see if their pattern checks with imprints found on the three bodies, concluded there is "no evidence" linking Moser with the slayings.

Holly Police Chief James Parker today said, "We think he knows more than he is telling, but that's all he's said."

Christmas-Shopping Deer Accompanied by Terrier

OAKDALE, Calif. (AP)—A small pet deer named Sandy is getting a lot of attention from Christmas shoppers on his weekly visits to town with his mistress, Mrs. C. L. Miller.

Just 6 months old, the little buck is so gentle he is led by a rolled silk scarf leash. Sandy usually is accompanied by Penny, a toy fox terrier and his constant playmate.

The Millers acquired the deer from a laborer who found it when it was a newborn fawn.

State Breaks Record

DETROIT (AP)—Michigan residents have bought \$275,878,000 in series E and H savings bonds this year to establish a new record for a peacetime year. October sales hit \$27,177,000.

This British Jet Plane Shooting Out Ahead?

TOP WORLD JET-AGE TRANSPORT?—Britain's sleek new jet transport—Comet—the Third—has slashed two hours off the previous flight time from London to Sydney, Australia. Observers say the 42 hours flying time puts the big plane firmly in the race for world jet-age transport supremacy.

Glacier Readies for Polar Thrust

Lead Antarctic Breaker Arrives in New Zealand After Trying Ocean Trip

CHRISTCHURCH, New Zealand —The icebreaker Glacier, lead ship of the U. S. Antarctica expedition, today reached its first port in more than three weeks—with 372 men hungry for the sight of anything solid and motionless.

They can be expected to make the most of it, since this is their first landfall in more than 6,000 rough miles and will be the last point of civilization touched before they sail Saturday on the final leg of their voyage to the bottom of the world.

For 10 days of the trip from Panama, the 8,500-ton vessel ploughed through heavy gales. Winds blew up to 55 m.p.h. and waves rose as high as 30 feet.

The storms were so great that the ship's speed frequently slowed to less than half a knot and the craft listed as much as 45 degrees.

MALE DE MER

As bad as it was aboard the Glacier, it was worse for the 24 officers and men aboard a tiny oil tanker she was towing.

According to the tanker's skipper, Lt. J. E. Blades of Baltimore, "the first day out of Panama most of us got sick and manned the rail."

"Although we were only 1,200 feet behind, the swells were so high we frequently lost sight completely of the Glacier."

Three times the storm snapped the towing chain and in each case four or five hours of perilous work on seaway decks were required to fix it.

Also, the tanker crew had the scare of their lives when a short circuit started a fire. It was put out in a few minutes — none too soon for the men aboard the 1,200-ton ship carrying more than 2,250,000 gallons of aviation gasoline.

In all, the Glacier has towed the tanker more than 10,000 miles since leaving Boston. Glacier skipper Cmdr. Eugene Maher of Ogden, Utah, said he believes this is the longest tow in the Navy's history.

Journalists' Mate I.C. Robert W. Dietrich, of Warrenton, N. Y., was the happiest of all to reach New Zealand. He hopes to marry a local girl in his four days here. If red tape prevents this, he hopes to try to arrange a proxy marriage via radio from Little America.

Judge Enters Plea for South Lyon Man

William R. Birkelbaw, 23, of 315 Liberty St., South Lyon, yesterday stood mute on a manslaughter charge and Oakland County Circuit Judge H. Russell Holland entered an innocent plea for him.

Birkelbaw is accused of driving a car which collided with another on Pontiac Trail in Lyon Township June 30 resulting in the death of Mrs. Eleanor Haw, 32, of 29546 Gilecrest, Farmington, July 6, in a Brighton hospital. A trial date will be set.

Olivet Student Jailed for Negligent Homicide

BATTLE CREEK —Robert W. Pratt, a 19-year-old Olivet College student from Detroit, must spend the next 60 days in jail and remain on probation for two years. He pleaded guilty yesterday of negligent homicide in the traffic death of a fellow student last Oct. 16.

Pratt was the driver of an automobile that went out of control and crashed on U.S. 27 north of Marshall, killing a passenger, Frank Lise, 26, of Detroit, also an Olivet student.

Circuit Judge Harold E. Steinbacher also fined Pratt \$100 and assessed \$100 in costs against him.

Truck Kills Reece Man

SAGINAW —William C. Yager, 27, of Reece, was killed last night when his car rolled over and was hit by an oncoming truck on a Saginaw County road.

The Weather

As well as Joseph Curran, National Maritime Union; O. A. Knight, Oil Chemical and Atomic Workers International Union; Da-

Area Polio Chapter Gets \$11,350 Check

A "stopgap" check for \$11,350 has been received by the Oakland County Chapter of the National Foundation for Infantile Paralysis to supply the county's acute need for funds to care for polio patients. It was reported today by Carl W. Donelson, chapter chairman.

The money, sent from the March of Dimes headquarters in New York, will help meet "overdue" back bills for providing treatment and equipment for 250 polio patients in our county," Donelson said.

It was pointed out that Oakland County was among 1,200 chapters which would receive help from headquarters because the March of Dimes funds available to them has been exhausted. Relief funds are supplied from chapters which have been operating in the black and have surplus money, as an advance against collections from the 1956 campaign next January.

City Man Gets Probation, Costs on Morals Court

Walter G. Cantrell 38, of 7 S. Shirley St., yesterday was placed on one-year probation and assessed \$100 court costs by Oakland County Circuit Judge George B. Hartwick.

Cantrell admitted Nov. 28 exposing himself before three girls in Pontiac Nov. 5.

Traffic Violator Given Bill for \$200 Court Cost

Eugene Jones, 51, of 93 Adelaide St. Detroit, yesterday was placed on one-year probation and assessed \$200 court costs by Oakland County Circuit Judge George B. Hartwick. Jones admitted Nov. 21 driving with a suspended license Sept. 4 on U.S. 10 in Independence Township.

Paper Mill Must Post Bond to Re-open in Cheboygan

NEW YORK —A federal judge has upheld a ruling that the Paper Corp. of America must post a \$200,000 bond in connection with a plan for re-opening its paper mill at Cheboygan, Mich.

Federal Judge Sidney Sugarman yesterday upheld the ruling handed down by Bankruptcy Referee Irwin Kurtz. He also approved the Referee's stipulation that the corporation pay \$27,000 for immediate repairs to the mill.

The judge extended the deadline for posting bond and payment of the repair bill to noon next Monday. Kurtz is scheduled to consider further action on the matter next Tuesday.

Lifetime Resident of County Succumbs

Frederick Dernberger, 79, former chairman of the Board of Oakland County Supervisors, died in Rochester yesterday. He had been in ill health four years.

A lifetime resident of Oakland County, Mr. Dernberger was born July 31, 1876. His parents were Joseph and Fanny Gibbs Dernberger. He was married to the former Mable Rowley. The Dernberger home was at 9 Oriole Rd. A former member of the Oakland County Board of Auditors, he had been with the Fisher Body Division and was retired.

Mr. Dernberger leaves eight children, Mrs. Deane Starr of Mendon, Walter H. of Royal Oak, Mrs. Henry Mengel of Detroit, Mrs. Alfred Watkins of Walled Lake, Mrs. Ralph Hubbard, Agnes Dernberger, Mrs. Garth Metlick and Mrs. Gerald Brown, all of Pontiac, 36 grandchildren and eight great-grandchildren.

A brother, Nelson Dernberger of Hadley, also survives.

Service will be Thursday at 1:30 p.m. in the Voorhees-Siple Chapel with Dr. Arthur L. Leach of the Asbury Methodist Church, Detroit officiating. Burial will follow in Lakeview Cemetery.

Pontiac Deaths

Andrew L. Bogardus

Service will be held at 1:30 p.m. Wednesday in the Hutton Funeral Home for Andrew L. Bogardus who was brought home from Korea. The Rev. William Hakes of the First Baptist Church will officiate with burial in Oak Hill Cemetery.

Mr. Bogardus died Nov. 15, in Korea, the result of an accident. He was born in Pontiac Aug. 9, 1908, the son of Dean D. and Bessie Quick Bogardus.

He attended Pontiac Schools and was a member of the First Baptist Church. In July, Mr. Bogardus went to Korea to work as an accountant for Morris and Kneutson International Co.

He served in World War II; was a member of Friendship Lodge F & AM 417 and the Okinawa Consistory and Aloha Temp of Honolulu, Hawaii.

Surviving are his mother of Pontiac; a son, Thomas of Manhattan, Kan. and two brothers, James of Des Moines, Iowa, and Elmer of Pontiac.

Angus McLennan

Angus McLennan, 63, of 57 Fairgrove Ave., died yesterday morning in St. Joseph Mercy Hospital. He was born in 1892 in Sudbury, Ontario, Canada. For eight years, he had been employed in the maintenance department of the Oakland County Court House.

Mr. McLennan is survived by a brother, Frank of Sudbury.

Funeral arrangements will be announced later by the Farmer-Snover Funeral Home.

Mrs. William Monroe

Word has been received of the death of Mrs. William (Elzina) Monroe, 88, of Hastings. She died last night in the Penneck Hospital there.

Mrs. Monroe usually spent the winter with her daughter, Mrs. Wilbur Brooks of Oliver Street.

Two other daughters survive, Mrs. Paul Kellogg of Lowell, Mrs. Bessie Annabel of Hastings, three grandchildren and six great-grandchildren.

She was born July 4, 1867 in Benton Harbor.

Service will be Thursday at the Waldorf Funeral Home in Hastings.

Margaret Ann Morris

Prayer service will be held at 11 Wednesday morning in the Hutton Funeral Home for Margaret Ann Morris, day-old daughter of George and Patricia Crouch Morris of 765 Alberta St.

The Rev. Marie Rundell of the Lake Orion-Clarkston Rd. Church will officiate with burial in Perry Mt. Park Cemetery.

NOTICE OF TAXES CITY OF PONTIAC

The 1955 County Taxes in the City of Pontiac will be due and payable at the Office of the Pontiac City Treasurer December 12, 1955 through January 19, 1956 without fees.

On January 20, 1956 a collection fee of 4% will be added to all County Taxes paid through February 29, 1956.

On March 1, 1956 all unpaid County and 1955 City and School Taxes will be returned to the Oakland County Treasurer's Office and must be paid there with additional fees.

Payments made by mail must be postmarked not later than January 19, 1956 to avoid penalties.

WALTER A. GIDDINGS,
City Treasurer,
35 S. Park Street,
Pontiac, Michigan

'Millions Helped by Fluoridation'

Dental Official Derides Nonusers for Failing in Job to the Public

NEW YORK —The president of the American Dental Assn., says that cities which have not adopted fluoridation of water to fight tooth decay "are simply failing in their responsibility to the public."

Dr. Bernard C. Kingsbury of San Francisco, the association president, made his declaration in an address to a New York dental meeting last night.

He termed fluoridation a simple, inexpensive and successful health aid.

"Except for some unusual case, there is no reason for a child to face the once-routine prospect of losing five teeth from decay by the time he is 11, nor a month badly crippled with dental disease by the time he reaches middle age," Dr. Kingsbury said.

Critics who profess fear of danger to health are either misinformed, despite "massive evidence" of fluoridation's safety, or "self-seeking," he continued. Fluoridation was described by Dr. Kingsbury as the "most thoroughly tested" health procedure in history, and he said 22 million persons drink fluoride-treated water every day.

He proposed the fluoridation of water supplies be made routine in every city in the country.

Board Accepts Bids for 2 New Schools

BLOOMFIELD HILLS—Costs of the Wing Lake School addition will be about \$161,829 while the new North Adams area classroom building on Westview will be about \$245,073 according to bids accepted by Bloomfield Hills Board of Education at last night's meeting.

The main Wing Lake contract went to Detroit Contract and Engineering Corp. at \$112,000, while Lloyd Thornton, company's \$41,000 bid won mechanical contract and C. and L. Electrical Company's \$8,829 won the electrical contract.

On Westview, general contractor will be Nelson and Company of Royal Oak who bid under \$163,500, mechanical will be United Heat Engineering Company's \$62,300, Electrical, C and L at \$18,635, well drilling, \$638. All are Detroit area firms.

Work is to start immediately for the contractors, recommended by each project's architects O'Dell, Hewett and Luckenbach, for Wing Lake and Linn Smith for Westview and approved by the board.

Iran Accusing Russians of Domestic Interference

TEHRAN, Iran —Iran accused the Soviet Union today of interfering in her internal affairs. The Iranian charge replied to a Russian protest against the Tehran government's joining the Western-backed Baghdad alliance of Iraq, Pakistan, Turkey and Britain.

The Iranian note to the Soviets, couched in mild terms, said: "Iran's adherence to the Baghdad Pact is considered essential to Iran's prosperity and therefore Russia's protest is considered as interference in Iran's internal affairs."

Fifteen Weekend Breakins Being Probed by Police

Three breakins reported in Waterford Township, and six more in Bloomfield Township, have brought the area total for last weekend to 15. It was learned today.

Police in both townships believe the breakins were all made on Friday and Saturday nights, although some were not reported until yesterday. Similar burglary styles have led police to believe all 15 may be the work of the same men.

They theorize the burglars began with three homes in Waterford Township's Silver Lake neighborhood Friday night, moving directly into the north side of Pontiac to ransack six more.

The Bloomfield Township robberies, they add, probably took place Saturday night.

Known loot now totals more than \$300 and 36 cases of beer taken from a truck.

In all house breakins, police say, the burglars have picked unoccupied houses. In most cases they have entered through windows or back doors.

Bloomfield Township Police Chief Clark Green, warning residents to notify police when planning to be away from home, said, "We'll be only too glad to check vacant homes. It's part of our job."

"We've stepped up our patrols, and we're checking very closely."

The Day in Birmingham

Improvement of 16 Mile Road Decided Last Night

BIRMINGHAM —Improvement of bumpy 16 Mile Road (Quarton) from Woodward to Telegraph has been promised, City Commissioners learned at last night's meeting.

"We feel Quarton is important to the city," said assistant City Manager Dana Whitman, "because it at present is gravel, unsurfaced and full of holes—so rough that most people just aren't going to drive it."

"With it developed, we feel it should take some of the through traffic from the west heading north, rather than have drivers cutting through residential streets like Pilgrim and Puritan. It will ease traffic on Maple as well, which is increasing in volume by about 20 per cent each year," Whitman said.

The Recreation Director, though he is appointed by and responsible to the Recreation Board, under both Board of Education and City Commission, will be paid by the city. He is eligible to retirement and vacation plans this way, not possible on school payroll unless he had a teaching certificate, commissioners decided.

After an hour's discussion on revision of group insurance for city staff, commissioners tabled it for two weeks. They approved the office classification being added to the zoning ordinance providing a gradual break from residential to business areas in town development.

His car was stolen from city parking lot between 2 and 6:40 p.m. Monday, John Emery, 159 Pierce, reported to police. It had not yet been recovered this morning.

Stores reported a 33 per cent increase in "Men's Night" business over last year's receipts, Charles Mortenson of the Chamber of Commerce revealed after Monday night's figures were tabulated.

With men doing Christmas shopping without women present, the town was decked in evergreen and Christmas lights for the first time this year. Stores will begin staying

open evenings next Monday, and will continue until Christmas eve.

Collection for blind children's Christmas toys will be taken up when the ladies auxiliary of the Metropolitan Club of America, Inc., No. 9, has its annual Yule party at Devon Gables tomorrow at 6:30 p.m.

Funds will go toward toys for children at Penitentiary Nursery for the Blind in Taylor township, which received funds, earned in the auxiliary's recent rummage and candy sales.

Entertainment chairman is Wilma Singers, with a committee of Mrs. Ralph Bell, Mrs. E. W. Kurth, Mrs. Ed Mullholland and Mrs. DeLyle Service.

A new advisory committee to the Community House board met last night at the house in first session with board members. Named recently, the group includes two former board presidents, Mrs. Howard Liverance and Paul Averill, and four presidents of groups meeting at the Community House, Mrs. Robert Watt of Garden Club; Mrs. Howard Green, AAUW, Robert Gougeon of the Lions; and Victor Peck, Rotary. Mrs. William Burlingame, active in several organizations, completes the group.

The Detroit newspaper shutdown may affect Birmingham Rotarians' paper sale set for Dec. 16, unless the papers resume publication in time for the annual sale.

Funds go to the Oakland County Society for Crippled Children. Matthew Cammareri will lead the 40 "newsboys" for the sale, which is hoped will earn over \$1,500.

Pays Fine and Costs

BLOOMFIELD HILLS — Theodore Schwarz, 21, of 7380 Parkstone, Birmingham, paid a fine of \$100 and \$15 costs in the Bloomfield Hills Justice Court yesterday after pleading guilty to driving under the influence of alcohol following a 3 injury accident.

The Pontiac Press stated erroneously that he paid \$50 costs.

Detroit Paper Strike Enters Its Sixth Day

DETROIT (INS) —The issues in Detroit's newspaper strike were being reviewed today by both union and management.

Meetings between the Detroit Newspaper Publishers Association, representing the Times, News and Free Press, and the striking AFL stereotypers were adjourned last night until 3 p.m. today.

The strike entered its sixth day today.

Harry Caton, federal conciliator, and Walter Quillico, state mediator, issued the following joint statement when last night's session ended:

"Both sides agreed to meet at 3 p.m. Tuesday and in the meantime review their positions. If possible, at 3 p.m., each side will have counter-proposals on the entire situation."

"Since both sides have agreed to review one another's position, there is the chance of progress toward a settlement."

Meanwhile, the Publishers Association was to meet at 10 a.m. with a bargaining team of the Detroit Typographical Union - AFL, Local 18.

The Typographical union is one of eight, including the stereotypers, with which publishers have been negotiating new contracts. All but the stereotypers have agreed to continue working under a 30-day contract extension.

Auto loans repaid in 1954 amounted to \$12.5 billion, a near record. Outstanding loans last January were \$10.3 billion.

Wilson Foundry Auction Begins

Machinery, Equipment
Valued at \$15 Million
Scheduled for Sale

A four-day public auction of machinery and equipment formerly used by the Wilson Foundry & Machine Co. was launched today at the 74 W. Wilson Ave. site of the onetime Willys Motors subsidiary.

Value of the property is estimated at over \$15 million by officials of Samuel L. Winternitz & Co., auctioneers. Items up for sale include foundry, tool room, material handling, business and medical equipment.

The auction will begin at 10 a. m. each day through December 9.

The foundry, which closed down operations in November of 1954, is presently owned by the Indianhead Co., a partnership of Flint and Chicago businessmen organized in 1954 to purchase the factory.

Sanders A. Goodstein, partner and spokesman for the firm, declined to comment yesterday on Indianhead's plans for using or disposing of the land and buildings. The former foundry occupies about 500,000 square feet of floor space and is situated on 21 acres of ground.

Goodstein said the company will maintain a small administrative staff at the site until the interior equipment sale is completed and disposal of real property determined.

Founded during World War I, by Charles E. and David R. Wilson, the foundry employed more than 1,200 workers before Willys transferred operations to Toledo last year.

Taxes take about 24 cents out of every dollar spent for the purchase of an automobile in the U. S. today.

DEFENSE LINE-UP — Defense lawyers meet in Denver, Colo., with District Judge Edward J. Keating, seated, to discuss the case of John Gilbert Graham, who is charged with murder in the dynamiting of an airliner on which his mother and 43 others died. The defense team, appointed by Judge Keating, consists of, left to right, Paul L. Weadick, Charles S. Vigil and John J. Gibbons.

Son Passes Dead Dad on Highway to Home

DURANT, Okla. (U)—Thomas Culvahouse of Fort Worth, Tex., drove home to see his parents yesterday but paid no attention to a pickup truck parked near the side of the road.

He drove on to the home and was greeted by his mother. He asked for his father and learned he had left more than three hours ago. The mother was concerned.

Culvahouse drove back down the road and found his father, John McAllen Culvahouse, 60, dead behind the steering wheel of the pickup. Authorities told the son his father ran off the side of the road two miles north of here, apparently stricken with a heart attack.

Car ownership in the U.S. averages one per family.

Carver School Teacher Brings Suit Claiming Her Dismissal Was Illegal

Another dispute stemming from the tangled affairs of the George Washington Carver School in Oakdale Gardens is slated for an early hearing in Oakland County Circuit Court.

Miss Dorothy Posey, a teacher at the school, has filed suit claiming the school board has proceeded illegally in taking steps toward firing her.

She claims the state Teacher's Tenure Act was violated by the board when it did not wait until 60 days before end of the current semester to notify her of charges pending against her.

Allied with her in the suit is Otis C. Eaton, chairman of the Citizens Improvement Committee of Ferndale, who says he originally filed the charges against her last July 26.

Eaton says he learned the charges were not based on fact and told the board he wished to withdraw them. He claims the board has continued action against the teacher.

Judge George B. Hartwick yesterday directed the board not to discharge Miss Posey or stop paying her until the facts in the case can be heard and a decision reached. He said an early trial date will be set.

The attorney for the school board said the charges are of a "moral" nature. Miss Posey's counsel denied this.

The judge said in his opinion the board is justified in continuing investigating the charges against the teacher even though they were withdrawn by Eaton.

The main issue, he stated, is whether the violations of "public morals" charged against Miss

Posey by the board can be substantiated.

If the charge is serious, said Judge Hartwick, he would not construe the Teacher's Tenure Act as preventing the board from taking immediate action. But if she is charged only with incompetence, the judge added, then the board should follow the tenure act procedure.

The board's attorney said he

would file a cross bill specifically stating the charges. "It unquestionably is a morals charge," he stated.

Plow the Snake 40

EHRHARDT, S. C. (U)—Henry Folk says he is going to name a section of his farm Rattlesnake Corner. He and a helper killed 18 rattlers there when the snakes crawled from under an old stump.

Sues Racing Trainer

LOS ANGELES (U)—Mrs. Virginia P. Longden has sued horse racing trainer Vance J. Longden for divorce. She alleges cruelty. Longden is the son of famous jockey Johnny Longden.

CAP Honors Ike

WASHINGTON (U)—President Eisenhower, first U.S. president to hold an airplane pilot's license, will be made an honorary life member today of the Civil Air Patrol, the Air Force's civilian auxiliary.

Your PTA Is Planning:

'Care' Christmas Tree Planned by Green School

WEST BLOOMFIELD — The Christmas meeting of the Green School PTA will take place at the school Thursday, at 8 p.m.

The children of the first and second grades will give a choral reading entitled, "Why Do Bells of Christmas Ring?"

The first and second and fifth and sixth graders will sing Christmas carols for their parents.

The children are going to have a Care Christmas tree. Each child will bring money to school and put it in a box and in turn he or she is given a tag with his name on it. They hang the tags on the tree.

Another bit of entertainment for the evening will be a colored movie, "Holy Night," which tells the story of the Christ.

Goodison

A Christmas musical program will be the highlight of the next meeting of the Baldwin-Goodison PTA to be held in the multi-purpose room at Baldwin School in Goodison, Monday evening, at 8 p.m.

The Paint Creek Methodist Church men's quartet will present a program of Christmas Music. Patricia Lacey, music teacher in the Rochester School system will render a solo. Mrs. James Beeson will lead the group in community singing.

A business meeting will be held preceding the program. Following the program the second grade mothers will serve refreshments.

Drayton Plains

The December PTA meeting will be an "Outdoor Sing" led

County Deaths

Surviving are 11 children, Mrs. Ella Beaulac, Mrs. Lucienne Malo, Mrs. Carmen Michaud and Maurice Berard, all of Detroit, Mrs. Simone Loise of Dearborn, Mrs. Gertrude Gagnon of Quebec, Mrs. Florence Wurster of Barbo, Eloi and Lucien Berard of Attica, and Augustin of Emmett; 27 grandchildren and nine great-grandchildren.

Glea M. Alward

UTICA — Service for Glea M. Alward 63, 59241 VanDyke Rd., Washington, was held today at the Schwarzkoff Milliken Funeral Home with burial in St. John's Cemetery, Prestonville. Mr. Alward died Saturday night.

He is survived by his wife, Elsie, four sons, Walter, Carl, Richard and Elmer, all of Washington; a daughter, Mrs. Allee Kleinow of Utica; five sisters, Mrs. Mordle Ramin, Mrs. Maude Ryelabé, Mrs. Lulu Schutz, all of Pontiac, Mrs. Belle Hiefield of Mt. Clemens and Mrs. Julia Clifton of Drayton Plains; eight grandchildren and two great-grandchildren.

County Calendar

Auburn Heights — There will be a WCTU meeting at the home of Mrs. Ernest Bowker, 170 Juniper St. at 2 p.m. Wednesday.

The Ladies Auxiliary of the Union Lake fire department will meet at 8 p.m. Wednesday at the home of Mrs. Jack Switzer of Malcolm Street.

Bleeding Piles

No Longer a Problem

Medical research has developed a miracle medicine called RECTORAL. It does away with the conventional use of old-fashioned treatments, suppositories, injections, etc., that give little, if any, temporary relief. RECTORAL has a tendency to shrink the piles and usually in a few days, the bleeding, burning, irritation and pain start to disappear and in a few days more are completely gone. Thousands of sufferers have used this remarkable medicine and have never had any further trouble, even years afterwards. Many of these people had been advised that only an expensive and painful operation would help them. Why suffer any longer? Get well NOW! Stay well! Get a bottle of RECTORAL today at:

Stimms, Walgreen's, Thrifty, J. V. Hallman, Drug, Lutzell Pharmacy, Stankert & Jones, Dunsmuir, Cole's, Putnam's, Rite, Quality, Koenig Drug, Reed's, Harrow, Drayton Plains, Auburn Heights.

by pupils in grades one through six, under the direction of music teachers Janet Grimes and Carl Roemer.

It will be held Thursday from 7:30 to 8:00 p.m. by the school annex. Refreshments will be served by fourth grade room mothers in the auditorium after the program.

Four Towns

The Executive Board of Four Towns PTA will meet in the home of Mrs. Malvin Grile, 7787 Locklin at 8 p.m. Wednesday.

New Hudson

New Hudson PTA met Thursday at the school for its annual potluck supper. The grade children provided the entertainment.

Avon Township

The regular meeting of the Elmwood PTA will be held at 7:30 p.m. Thursday at the school.

The main business topic will be a question and answer period about the school bond issue to be voted on Dec. 12.

A film about leader dogs for the blind will be shown. Fourth grade mothers will serve refreshments.

28 From County 4-H to Show Livestock

Twenty-eight 4-H Club youngsters from Oakland County will exhibit livestock at the 28th annual Detroit Junior Livestock Show next Tuesday through Thursday at the Michigan State Fairgrounds.

The county list includes 32 steers, 3 market hogs, and 6 lambs.

The Oakland County youngsters will be among 425 4-H members from 31 other counties in Michigan who will show 570 steers, 78 pens of fat lambs, and 67 pens of market hogs, a record for the Detroit show.

Extension Club Schedules Party at Davisburg

DAVISBURG — Mrs. Frieda Bennett, Oakland County Home Demonstration agent, spoke Monday to several area extension groups meeting at the Davisburg Extension Leaders at Davisburg Town Hall. Her subject lesson was "Hobbies."

The Davisburg Leaders have scheduled their Christmas party for Dec. 13, at 12:30 p.m., in the town hall. Dinner will be served and gifts exchanged.

Schedule Family Night

NEW HUDSON — The New Hudson Methodist Church will hold a family night with a cooperative supper at 6:30 p.m. Wednesday.

Dramatics Club to Present Play

'Thriller' Set to Open Thursday at Waterford High School

WATERFORD TOWNSHIP — A real "Whodunit" is being presented this week Thursday and Saturday by the Dramatics Club of the high school. Under the direction of Patty Looman, "The Night of January 16," complete with suspects, a judge, a jury selected from the audience, and plenty of suspense will be presented both nights beginning at 8 p.m.

In the cast, Carolyn Henry takes the part of the prison matron, Bud Sutton as bailiff; Bob Coonfield, Judge Heath; Jim Wager, Flint; Gail Winter, Flint's secretary; Julie Hickman, Stevens; and Ron Sommerville, Stevens' secretary.

Norman Thomas is the clerk of the court; Dixie Greenfield is Karen Andre; Bob Lippert, Dr. Kirkland; Sandra Seconder, Mrs. John Hutchins; Dunstan Smith, Homer Van Fleet; Mike Boe, Elmer Sweeney; and Virginia Valentine is Nancy Lee Falkner.

Others in the cast are Betty Morse as Magda Svenson; Kenneth Young as John Whitfield; Linda Dinkel, Jane Chandler; Roger Stevens, Sigurd Jungquist; Allan Olson, Larry Regan; Barbara Hutchings, Roberta Van Rensselaer; Nancy Pearce, stenographer; Ted Colloom, first policeman; Dick Dexter, second policeman; Gary Colloom, court attendant; and Dayton Thomason is the understudy.

The curtain raiser will be "Shock of His Life."

Reveal Troth of Flint Girl and Milford Man

MILFORD—The engagement of Joanne Craft to Livingston Porter Ricks of Milford has been announced by her parents, Mr. and Mrs. Olney L. Craft of Flint. A June wedding is planned.

Joanne received her bachelor's degree at the University of Michigan last June, and now is working for her master's degree in special education. Her fiancé is a senior in the University School of Journalism. He is the son of Mr. and Mrs. L. P. Hicks, and served two years in the U.S. Army, a greater part of the time in Germany.

County Births

A son, Jay Stephen, was born to Mr. and Mrs. James Bohach of LaPeer. Mr. and Mrs. Leo McCulley of Almont are parents of a new daughter, Randa Rae.

Parents of a son are Mr. and Mrs. Malcolm Butler of Lunn. The boy was named Stephen LeRoy. A son, Bryan Jay, was born to Mr. and Mrs. Arvid Wait of Almont. Mr. and Mrs. Charles Cummings of Cape announce the birth of a daughter, Debra Jean.

A son was born to Mr. and Mrs. James Donovan of Almont.

THE PONTIAC PRESS, TUESDAY, DECEMBER 6, 1933

Demonstration Christmas Party Set Wednesday

The Home Demonstration Christmas party will be held Wednesday at Clarkston Methodist Church. A potluck dinner will be served at 12:30 p.m. and there will be a gift exchange.

Mrs. Gerry Chappel of Lake Orion will be chairman of recreation and gifts assisted by Mrs. Donovan Tubbs of Rochester. Program chairman is Mrs. Charles Brucker of Oxford and luncheon and decoration chairman is Mrs. Claudius Weiss assisted by Mrs. W. C. Parr of Milford.

Hostesses are Mrs. Laura Perry of Milford, Mrs. Peggy Shaffor of Lake Orion and Mrs. Ruth Clark of Detroit.

Utica Man Named as City Assessor

UTICA — Fred Beck, 44851 Kemp St., has been named by Mayor Donald R. Havel to succeed the late Robert C. Havel as city assessor and area representative on the Macomb county Board of Supervisors.

Beck will serve until April, 1937, the balance of Havel's unexpired term.

At present Beck is an insurance agent in Utica and president of the Utica volunteer fire department.

Waterford Ladies' Aid to Hold Thursday Meet

WATERFORD — There will be a meeting of the Waterford Center Community Ladies' Aid at 7:30 p.m. Thursday at the home of Mrs. Howard McCallum, 69 Lyford.

The group will also have a Christmas party at this time and an exchange of Christmas gifts.

Study Guild Sets Event

ORTONVILLE—The Study Guild will have its Christmas party at the home of Mrs. H. S. Schmidt on Church street, at 8 p.m. Thursday. There will be a potluck lunch and gifts for everyone.

Cattle Group to Give Awards

Agriculture Students to Compete for 5 \$300 Scholarships

PETERBOROUGH, N. H.—Five \$300 scholarships will be offered to qualified agricultural college students by the American Guernsey Cattle Club under its 1936 Guernsey Scholarship Training Program.

Any undergraduate students in colleges of agriculture throughout the country who are interested in dairying are eligible to apply for next year's awards.

Recommended applicants will be assigned to work three months during the summer of 1936 on leading purebred Guernsey farms. Scholarships will be awarded after completion of the summer work on the basis of background, performance, and a brief written report on the summer's program. The money will apply to the winner's 1936-37 college expenses.

The objective of the Guernsey scholarship program is to make available to students proper training in the care, feeding and management of registered Guernsey cattle, according to R. D. Stewart, AGCC secretary.

Interested students should apply in writing to the heads of their college's dairy departments not later than Jan. 15.

Denies Liquor License

LANSING — The State Liquor Control Commission today denied approval of a license to the Fraternal Order of Eagles No. 2634 of Rochester due to its proximity to a church.

Past Matrons to Meet

ALMONT — Past Matrons Club will meet for a potluck dinner at 6:30 p.m. Friday at the home of Mrs. Ella Rolls. A Christmas party will follow the dinner.

Gingellville Hall Finished After 17 Years of Work

GINGELLVILLE — Public dancing goes on every Saturday night at the recently completed Gingellville Community Center on Baldwin Road.

After 17 years of operation in a partially finished building, the club members have completed the center.

Community activities taking place through the week include Boy and Girl Scout troop meetings, 4-H, Teenagers, MOM'S Club, monthly fish dinners, wedding receptions, banquets and the Saturday night dancing.

Webford Club Plans Christmas Meeting

WATERFORD — The Webford Club will meet at 1:00 p.m. Thursday at the home of Mrs. Charles Hauser of 7533 Pontiac Lake Rd. for the annual Christmas meeting and cooperative luncheon.

The Rev. Mr. Roy Lambert, pastor of the Lakeland Presbyterian Church, will be the guest speaker and will give a Christmas message.

An exchange of Christmas gifts will take place during the meeting.

The program chairman for the event is Mrs. Mehlin Vaughn.

Auburn Heights Group to Gather Thursday

AUBURN HEIGHTS — Auburn Heights Community Club will meet at 6:30 p.m. Thursday at the club house for dinner and business meeting. Hostesses are Mrs. Melvin Stewart and Mrs. M. L. Patrick.

Because of the holidays the public pinocle party will be held at 8:30 p.m. this Thursday.

Because prohibition looms in India, S. S. Miranda, Ltd., an old established liquor firm, seeks American investment to help it establish a steel rolling mill in Bombay.

Charles H. Tait, seven-term Republican mayor who said in the last campaign he will not seek re-election, has announced his candidacy for mayor of South Haven.

North America Seeing 'Attack'

U.S., Canuck Air Units Rally Against 'Enemy' Craft to Test Defenses

WASHINGTON (AP)—United States and Canadian air units and volunteer civilian ground observers were rallying today to repel mock "enemy" planes probing for chinks in North America's air defense armor.

A surprise alert—dubbed Operation Crackerjack—sounded late yesterday. The drill was expected to continue three or four days. Joining in the exercise were units of the U. S. Air Force, Reserve, National Guard, Navy and Marines, plus Canadian forces and some 400,000 members of the Ground Observer Corps.

The test was being run under a blanket of virtual secrecy, but fragmentary information indicated that interceptor jets on the East and West coasts scrambled skyward minutes after the mock attackers—planes of the U. S. Strategic Air Command—were detected heading their way.

Directing the operation was the Air Defense Command, headquartered at Colorado Springs, Colo. Officers said the main purpose of the drill is to check on the effectiveness of radar tracking and interceptor defenses under winter conditions.

The Air Defense Command said there will be no disclosure of specific numbers of men and planes involved.

In New York, a spokesman for the Eastern Defense Command at Stewart Air Force Base said mythical enemy attackers swept "in force" from over the Atlantic. He said the first wave of "attackers" was met by personnel who normally man the all-weather jets based along the Eastern Seaboard.

In Washington state, an operations officer with the 25th Air Division at McChord Air Force Base said interceptors throughout the area were "real fast" in getting into the air.

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

First submitted by: Linda Evans, Haley Road, Kittery Point, Maine.

THE SUBMARINE NAUTILUS

Submarines are warships that travel under the water. They were first used with great success by the Germans during World War I. During World War II the Germans used them again. Also they helped the United States win the war in the Pacific. Unseen beneath the waves, they shoot torpedoes at other ships.

Now the eyes of the world are on a new kind of submarine—powered by atomic energy. Atomic power enables it to travel at high speed and for long distances without stopping. The first such ship is the U.S.S. Nautilus, named for a curious shell fish of great beauty, pictured at the upper right.

The Nautilus probably can cross the Atlantic under water at top speed and can circle the globe without refueling.

Here is a model of the Nautilus for you. Paste the picture on thin cardboard and color with crayons. Cut out along the edge of the circle. Then cut out the Nautilus along the dotted line around it. Fold back the upper half of the circle as shown in the small sketch and the Nautilus will ride the waves.

Junior Editors pays \$10 for any reader's idea that is used. Write your suggestion to "Junior Editors" in care of this newspaper; it cannot be acknowledged or returned and in case of duplication of ideas, the first submission shall be accepted.

Tomorrow: Remember Pearl Harbor

cago came word that the alert—which was sprung with only long-range and general advance warning—caught "virtually no pilots... unaware."

The volunteer ground watchers—whose job it is to scan the skies for planes that might get by the radar undetected—apparently were responding with varying degrees of effectiveness.

Dog's Value Fluctuates Like the Stock Market

LONDON (INS)—Peter the pup isn't pedigreed but for a brief period his value jumped to about \$850. But a stomach pump recovered the diamond ring Peter had swallowed and his value dropped abruptly.

Predict Record Christmas Sales

U.S. in 'Buying Mood,' Prosperity High, Says Reserve Bank

A national "buying mood" is expected to send Christmas sales in 1953 soaring to record heights, according to officials of the Federal Reserve Bank of Chicago.

Consumers are better off financially than ever before and appear to be in a buying mood, according to the bank. In addition, three million more people are currently at work than were employed a year ago.

What's more, paychecks are fatter—reflecting widespread gains in wages rates in recent months. Also, substantial increases in overtime have helped boost take home pay. Average weekly earnings in manufacturing during October amounted to \$78.69, up 9 per cent from a year ago. Total personal income has increased 7 per cent in the same period.

Retail sales all across the nation have been scoring strong gains over autumn 1952. Over-all retail volume in September and October, the bank says, topped a year ago by 10 per cent, reaching a 1955 seasonally adjusted peak.

Among the major Midwest centers, department store gains over a year ago in the four weeks ending November 12, ranged from 16 per cent in Detroit to 7 per cent in Milwaukee and Indianapolis.

Under a new constitution signed for Bunyoro, Uganda's smallest native kingdom, Imukama Sir Tito Winyi IV has become a constitutional monarch, Kampala reports.

UCLA Is Billed for Giving Blues to USC's Band

LOS ANGELES (AP)—The University of Southern California has sent a bill for \$583 to its crosstown rival UCLA for damage caused when someone dumped blue paint on USC bandmen during the schools' annual football game last month.

The paint was dumped from atop a Coliseum tunnel as the band passed below. Said UCLA Dean of Students Byron Atkinson yesterday:

"The only clue that UCLA had anything to do with the halftime prank is a Bruin rooster cap." The Associated Students at UCLA, where school colors are blue and gold, say they'll pay only if proof is given.

Grandma Bags Deer—First in 12 Years

SALISBURY, Md. (AP)—Mrs. Howard Calhoun, a 66-year-old grandmother from nearby Delmar told her son and son-in-law last night she might go deer hunting again "so I can shoot one for each of you and register them in your names."

Grandma Calhoun nailed an 8-point, 110 pound specimen at 50 yards yesterday.

Her son, Claude E. Calhoun, of Delmar, and her son-in-law, Charles E. Rounds, of Salisbury, still have their first deer to get this season.

Mrs. Calhoun has been hunting for about 12 years. She took it up, she said, on the recommendation of a doctor who prescribed hunting as a way of relaxing nervous tensions.

This was her first deer.

New Kind of Safe
Medicine for Awful
ASTHMA attacks

If you dread those awful attacks of asthma that clog up your bronchial breathing tubes so you choke, cough, gasp, wheeze and gasp for air, don't wait until the next attack to hit but right now start using the new medicine called BATOR TABLETS that work such wonders fast. Without potassium iodide, without any of the old-fashioned drugs that irritate so many, new BATOR TABLETS work through the blood stream (1) to loosen and help get rid of the thick secretions that clog the breathing tubes (2) to counteract the spasmodic coughing, choking, wheezing and gasping before it starts (3) to ward off the allergy of asthma and thus let you breathe freer and easier again.

Now at Thrifty Drug Stores
New Bator Tablets are now available at drug stores without a prescription. Entirely safe, these tiny tablets contain nothing harmful, nothing habit forming. Fast, in just a few short hours a course of Bator starts doing its wonders internally through the bloodstream. Bator allays the asthma attack in advance, lets you sleep, lets you live in more normal peace and comfort once again. Complete satisfaction or money back. Get new Bator Tablets from Thrifty Drug Stores.

STYLE THAT SPELLS

GO!

WITH A "Gee!"—AND AN "Oh!"

Take a good look at real good looks! No place but in Oldsmobile for '56 could you find going-places glamor like this! BY WAY OF EXPLANATION

These are the rhymes from forty years
Of service on a thousand fields.
Rhymes gathered in from fame and tears.
From broken dreams and roaring cheers.
From flaming swords and shattered shields.

These are the lines that come to one
From blood and roses—dreams and pain;
From hammered bodies in the sun
To winners storming wind and rain.
A medley from the bugle call
And moonlight on the garden wall.

These are the rhymes for friends I've known,
Through shine and shadow—up and down.
For those who knew time's gilded throne
To derelicts, from farm and town.
But where they move along Time's chart
The final port is still the heart.

Look for Them on the
Sport Pages Starting Wed.
