

Lions Reign as World Grid Champs

Here Are Two Samples of How the Lions Treated Their Sunday Guests

FIRST TOUCHDOWN—Quarterback Tobin Rote of the Detroit Lions finds a hole at left tackle and plunges through for the first score from the 1-yard line against the Cleveland Browns in the first quarter of the National Football League Championship game

at Briggs Stadium Sunday. A pass interception set up the TD. Browns tackle Mike McCormack (74) is blocked out by two Detroit linemen to make the hole.

ASSIST FOR LIONS PASS INTERCEPTION—Detroit Lions halfback Jack Christiansen leaps and deflects Cleveland Browns pass intended for halfback Pres Carpenter (40) in second quarter

at Briggs Stadium Sunday. It landed in the arms of Joe Schmidt (not shown) for one of Detroit's four interceptions in the first half.

Motor City Hails 59-14 Victory Over Cleveland

Championship Is Fourth in NFL History for Detroit Pros

By BRUNO KEARNS

Sports Editor, Pontiac Press
Detroit became the professional football capital of the world yesterday in convincing fashion.

The Lions, who fought an uphill battle all season under new head coach George Wilson, handed the Cleveland Browns a humiliating 59-14 setback.

For veteran coach Paul Brown who has guided the Cleveland pro team to seven championship games in eight years, it was one of the worst defeats of his coaching career.

A crowd of 55,263 watched the slaughter and at least 53,000 of them kept up the chant all afternoon, "We want more." The other 2,000-plus fans were Cleveland

rooters who sat stunned in the right-center field stands as their favorites were being spanked.

The victory, sparked by four aerial touchdowns by quarterback Tobin Rote, gave Detroit its 4th World's Championship since 1933, three of the titles coming against the Browns since 1952.

Just how convincing was the victory is noted in the fact that the Lions scored on nine of the 13 different times they had possession of the ball.

This was the same Lions' squad which was blasted by its former coach Buddy Parker as the "Worst team I have ever seen. It has no life, no drive."

WILSON REACHES TOP

Parker made this statement only 36 hours before the opening exhibition game of the year against the Browns at a banquet designed to honor the 1957 Lions.

Wilson then succeeded Parker and yesterday reached the greatest height of his football career.

"With all the injuries we've had all year, it was only team spirit and desire that kept us going," said Wilson. "We won the title as a team."

Coach Brown, who recently received one honor as coach-of-the-year, said he was coach-of-the-

GM to Award 5,000 Prizes in Employee Contest

The General Motors Corp. announced today that it will award 5,000 prizes to employees writing the best letters on what the firm's first 50 years of operation has meant to them.

The contest, part of GM's "golden milestone" observance, is scheduled to begin Thursday and run through Feb. 8.

Harlow H. Cuttice, president, said first prize will be a \$35,000 house, plus a \$42,750 allowance to help defray government taxes.

Second and third prizes, respectively, will be \$15,000 and \$10,000 in General Motors stock.

Cuttice said the contest will be open to all U.S. employees of the firm except those in supervisory and certain salaried positions.

Good Resolutions on Care of Husbands

NEW YORK (INS)—The New York Heart Association today offered wives some New Year's resolutions on the care and feeding of husbands—to help them live longer. The suggestions are:

- 1—Persuade the man of the house to quit worrying about "symptoms" and clear up doubts by seeing a doctor.
- 2—Serve food with an eye on nourishment without adding excess weight—it's overweight that overworks the heart.
- 3—See to it that he gets plenty of rest.
- 4—Help keep him physically fit with regular but moderate exercise.
- 5—Get him to agree to an adequate vacation, quit the office Saturdays, Sundays and holidays, and where possible to leave his briefcase in town.
- 6—Do everything you can to let him have peace of mind and avoid tensions and anxieties.
- 7—Set a good example by living up to these rules yourself to keep the good health and spirits that are so vital in the job of wife and mother.

Why Not Make This Your New Year's Resolution?

Win That \$1,600 Now in the Pot-O-Gold

Looking for a good (and maybe profitable) resolution for the New Year?

Here's a suggestion: Win the \$1,600 which is bulging the seams of the Pot-O-Gold. You don't have to wait until Tuesday night to start keeping this one, either.

Now that we're entering the second, and maybe final, week

of the Pot-O-Gold "playoffs," you won't want to delay a minute in getting to work on your own entry. The pot now contains \$1,600, but if a winner is found, that will be the end of Pot-O-Gold puzzles.

Because no winners were found for the last puzzle which allowed one error, judges will accept as winning entries all those that have no more than two mistakes.

If your solution is mailed according to the rules and contains all but two right answers, you may be the winner.

Of course, if an entry contains a perfect solution, that person will be the winner. Or if someone submits a puzzle with only one mistake, he will have preference over those with more errors.

If two or more contestants have the same number of errors, they will split the pot, providing no one has less mistakes.

But at \$1,600, even a two or three way split would still yield a handsome prize.

This may be your last chance, so turn to page 2 and get started on your solution of the puzzle appearing for the first time today.

Gunman Slaying Suspect Dies in Head-On Collision

WRENS, Ga. (AP)—One of two gunmen wanted in the slaying of two men in Washington, D.C., was killed last night in the flaming crash of a stolen car being chased by police at speeds of up to 110 m.p.h.

The state patrol said Henry Clay Overton, 44, of Martinsville, Va., died when the car he was driving swerved and smashed head-on into another auto.

The crash occurred on U.S. Highway 1 about four miles north of this east-central Georgia town.

The driver of the other car, listed as Charlie Wray of Cocoa, Fla., and High Point, N.C., also was killed.

The patrol said a massive hunt was in progress for Overton's companion, Russell Wayne Carpenter, 21, of Washington.

Troopers armed with submachineguns and tear gas searched a nearby tourist court for Carpenter after occupants of one of the cabins reported hearing someone break into another unit.

"We still don't know whether the other man was with Overton," Patrol Sgt. R. L. Knight said. "It (Continued on Page 2, Col. 2)

Expect Budget of \$74 Billion

Ike's Request for 1959 Will Go to Congress Early Next Month

WASHINGTON (AP)—The Eisenhower administration's first post-Sputnik budget may total nearly 74 billion dollars—a new peace-time record.

And Congress, alarmed by recent signs of Russian strides in missiles, satellites and space science, is expected to give a friendly reception to at least the military part of the budget request for the fiscal year starting next June 30.

Defense items probably will account for about 40 billion dollars of the new budget total, an increase of more than a billion dollars over the current spending rate.

Whatever budget cutting Congress may undertake may be aimed at requests for civilian programs. Present indications are that these requests may be held at previous levels, but not reduced appreciably.

Snow at Houghton Worst in Decade

HOUGHTON (AP)—A weird snowstorm out of Lake Superior dumped 7 to 13 inches of snow on several towns in Michigan's Upper Peninsula over the weekend. One death was attributed to the freezing weather.

Snow on the ground measured 18 inches at Houghton on the Keweenaw Peninsula and at Sault Ste. Marie at the opposite end of upper Michigan. Houghton got 13 inches over the weekend.

and the Soo got 7 inches. A five-inch snowfall was reported at Munising. Grand Marais on Lake Superior had 10 inches on the ground today.

The freakish snowstorm completely missed several nearby towns.

The snow at Houghton was described by the Civil Aeronautics Administration as the heaviest in a decade.

There was little wind and no drifting. Main roads were reported clear. Sheriff's offices said they had received no calls for help from stranded motorists.

At Iron River, Sheriff Edward P. Sandri said 67-year-old Kaarlo Kovero froze to death Sunday, apparently after he fell outside his house and knocked himself out on his way to stoke his furnace. The temperature at the Iron County town reached 10 below zero. Kovero, a widower, lived alone.

Temperatures at most points during the storm hovered between zero and six above.

Snow was reported at several lower Michigan points over the weekend. In the upper section of

State Records Seven Deaths

Weekend Highway Toll Equals Year's Lowest Mark Set in June

By THE ASSOCIATED PRESS
Seven persons died in Michigan traffic accidents over the last weekend of 1957, equalling the lowest weekend fatality count of the year.

State Police headquarters in Lansing said seven persons died in traffic accidents the first weekend in June.

Highway conditions were dangerous in many parts of Michigan over the weekend. Upper Michigan points reported snow ranging from 7 to 13 inches. Light snow also was reported in Lansing, Grand Rapids, Flint and Muskegon.

Mrs. John P. Old, 24, Sault Ste. Marie, was killed Sunday in a two-car accident in Saginaw County.

Chester Firman, 32, Clawson, was killed Sunday when his car struck a tree in Royal Oak.

John T. Grant Jr., 15, was Michigan's only traffic fatality Saturday. He was struck by a hit-run car near his Melvindale home.

Joseph Stemp, 63, Wyandotte, a pedestrian, was struck and killed by a car Friday.

A Grand Blanc couple, Wallace R. Olin, 46, and his wife, Lillian, 35, were killed Friday when their car collided with another south of Flint.

Kenneth B. Myers, 16, Williamston, driver of the other car, also was killed.

What role do the sun's ultraviolet rays play in molding the earth's weather?

Ultraviolet rays from the sun are short wave rays which, curiously, tend to heat the earth's equatorial zone more than the polar zones, for example. This has a great effect on the winds which circle the earth, as can readily be seen — heat being a product of wind and cloud.

Generally speaking, when the sun's ultraviolet rays are more numerous than usual, the greater area of the United States is due for stronger west-east weather movements and wetter weather. Fewer ultraviolet rays from the sun mean warmer and drier weather for most of the country.

Cold Belt Grips Midwest, Heads for Great Lakes

By THE ASSOCIATED PRESS
The winter season's coldest weather held a firm grip on northern Midwest areas today as a slow-moving mass of Arctic air headed into the Mid-continent. Midwinter temperatures were reported in sections of Minnesota, Wisconsin and the Dakotas. But the full effect of the cold snap was not felt in all other North Central States.

Police Fish Man From Icy Clinton After Robbery

An ex-convict who braved the icy waters of the Clinton River in an attempt to escape arrest has been charged with unarmed robbery by Pontiac police.

Theodore Gholson, 25, of 607 Nebraska, on parole from Jackson Prison, was chased by three officers shortly after he allegedly strongarmed a motorist early Saturday morning and took his wallet containing \$15.

Gholson jumped into the Clinton and ducked under the Vossen street bridge. He stood in the icy stream up to his chin until the officers fished him out.

He told them he had thrown the wallet into a mail box at Bagley and Wessen after taking out the money.

Gholson was taken to Pontiac General Hospital where he was treated for exposure.

Pursued Gunman Perishes in Crash

(Continued From Page One)

It is possible there might have been a second man in the vehicle.

The patrol said, however, a gas station attendant at Swainsboro on U. S. 1 about 50 miles south of Wren reported he sold gas to a man answering Overton's description. He said there was only one man in the car at that time.

Knight said officers found a saved-off shotgun and "enough ammunition to stand of a company of men for a week" scattered about the 1958 car Overton was driving.

Death of the gunman climaxed a spree of violence which began early Friday with the fatal shooting of two men in a Washington bar.

Overton's death came after Knight and his partner, Capt. F. R. Calton, spotted the stolen car in Wren, and gave chase at speeds up to 110 m.p.h.

"Suddenly he swerved across the center line and hit this other car head on. It was awful," Knight said.

THREE CHARGES
Overton and Carpenter were charged in warrants with kidnapping, unlawful flight to avoid prosecution for murder and auto theft.

The FBI said that Overton, described as a diabetic requiring 15 units of insulin a day, also had a long record of assault, house-breaking and larceny.

The murder warrants were issued after the Washington shooting. The men spent several hours drinking in a bar, argued over a \$20 tab and left. About 15 minutes later they returned and opened fire with a .45 caliber pistol and a sawed-off shotgun, police said.

The restaurant operator, George P. Kaldes, 33, was killed as was Kenneth Fisher, 32, a guitar player in the restaurant's small band. A blind pianist, Bernard J. Mainier, 28, was shot and was reported paralyzed from the waist down.

Police said the men fled in a car driven by Overton, abandoned it and took a car occupied by Doris Mattingly, 19, and Army Pfc. Larry Lee Monteith, 21.

The girl was released near Richmond, Va., and Monteith managed to work his way out of the locked trunk of his car near Alberta, Va., police said.

When he finally opened the door, his face was flushed, but he did manage a smile for newsmen. "The Lions had the competitive edge, the ball was destined to bounce the way it did," Brown said.

He noted that the turning point of the game was the 78-yard touchdown play from Rote to Jim Doran in the third period just after Cleveland had scored its second touchdown.

PASS BROKE GAME
"When we got that touchdown we were only 17 points behind and I really thought we could come back, but that long pass was the game breaker."

Pandemonium broke loose after the game as thousands of Lions fans streamed onto the field to hoist players on their shoulders.

Captain Joe Schmidt was paraded on the fans' shoulders with the game ball for 10 minutes.

Police and stadium guards formed a solid wall around the goal posts as fans tried to pull them down.

The largest players' share of receipts in pro football's history was netted from the game. A delayed Christmas party for his split, gained \$4,295.41, while each of the Browns got \$2,750.30.

MONROE (AP)—A Monroe area father of three was ordered held for investigation yesterday following the fatal shooting of his sister-in-law Saturday night.

Leonard Ramey, 34, was arrested after Mrs. Sarah Elizabeth Meek, 25, of Flint, was killed by a shotgun blast on a basement stairway in Ramey's suburban Petersburg home.

Deputies said Ramey admitted arguing with Mrs. Meek during a delayed Christmas party for his three children. Mrs. Meek was estranged from her husband.

Philippine Chief Takes His Oath

Garcia Pledges to Keep Vigorous Pro-American Policies as President

MANILA (INS)—Carlos P. Garcia took his oath of office as the fourth president of the Philippine Islands and promptly pledged to continue his vigorous pro-American policies.

The leader of the Nacionalista Party told the inauguration ceremony crowd at Manila's sea-front Luneta Park that the Philippines will work with the United States and any other "sincere effort" towards world disarmament and peace.

Garcia, 61, assumed the duties of chief executive last March when President Ramon Magsaysay died in a plane crash, and won the right to a four-year term in November's national election.

He stressed America's part in maintaining the defenses of the Philippines and noted that any minor differences between the two countries will be overcome by a "spirit of mutual willingness and capacity to overcome them."

Touching on the problem of preserving world peace, Garcia said: "The Philippines stand squarely behind every sincere plea and effort to stop the armament race that is leading nations of the world to material and moral bankruptcy."

"World peace based on the balance of terror maintained by a relentless contest in the development of devastating nuclear weapons can lead only to the total destruction of civilization."

The Day in Birmingham

Legality of Snow Removal Commission Will Study

BIRMINGHAM — The question of the legality of removing snow from sidewalks with a tractor-powered rotary broom faces commissioners tonight. It has been pointed out that according to a city ordinance no vehicle may be operated on sidewalks except to cross the walk by using a driveway.

James Howlett, city attorney, said he sees no reason why discretionary action by police cannot permit such mechanized snow removal. Several cities have gone into the matter thoroughly and in each case the power removal has been upheld, he said.

Assistant City Manager Robert Kenning said the work was being done mainly around schools, the Library, Municipal Building and other city-owned properties. He said that in some instances private property is cleared of snow in the process.

In one case, a property owner complained that he would not pay for the snow removal. When told he would not be charged, he said he didn't want the snow removed anyway, Kenning said.

There have been very few complaints and, to the best of his knowledge, no complaints from individual owners who benefit from the program, he said.

The agenda tonight also includes the proposed weed mowing on the property bounded by Adams road and Bowers street. Kenning said that in his contact with the owners he found they were not only interested in weed removal but also in general cleanup of the property and drainage improvement.

Russell T. Berger, city treasurer, reminded city taxpayers today that Jan. 20 is the deadline for payment without additional charge. Up to Feb. 28 there will be a four per cent charge added.

On March 1, unpaid taxes will be turned over to the Oakland County treasurer in Pontiac and will carry additional charges of one half of one per cent a month until date of payment.

Two separate skating classes will start Jan. 4 and Jan. 9 at the

Eton Rink with a limited number of vacancies in each group.

William C. Shaughnessy Requiem Mass will be said for William C. Shaughnessy, 69, 64-448 E. Southlawn, Birmingham, at 10 a.m. tomorrow at Our Lady Queen of Martyrs Church. The Rosary will be recited at 8:30 this evening at Bell Chapel of the William R. Hamilton Co. He died Friday after an illness of several months.

A resident of Birmingham for 35 years, Mr. Shaughnessy retired recently after 39 years with Detroit Edison. He had been a foreman of Overhead Lines Division.

During World War I he served with the U.S. Army in Russia.

He was one of the founders of Holy Names Church here and later helped found the parish of Our Lady Queen of Martyrs Church. He was a member of Bishop Gallagher Council, Knights of Columbus, Royal Oak, and Birmingham VFW.

Surviving are his wife, Agnes M.; a daughter, Mrs. Don J. Stoddard of Farmington; three sons, Robert C. of Birmingham, William G. and C. Patrick, both of Royal Oak; two sisters, Mrs. William Allen, Mrs. Carrie Wilson, and three brothers, Howard, Kenneth and Julie, all of Detroit.

This May Be Last Chance to Win Prize

We're entering the second week of "sudden death" competition with Pot-O-Gold, and this week two errors are allowed. Sixteen hundred dollars is waiting for someone to claim the pot, but don't expect it to be there much longer with the new relaxed rules. This may be your last chance, so get busy right now. This week's puzzle is due January 7.

The new puzzle contains a series of squares which are alphabetically lettered and a corresponding list of sentences with two clue words. Each of the words is numbered. The object is to select the word which you think best fits the clue sentence. You then place the number of that word in the square which has the same letter as the clue sentence.

In other words, you will read the clue labeled A and decide which of the two words makes the most sense in the puzzle square marked A.

Do the same with all other squares. Read all the clues carefully and be sure the right numbers are in the right squares.

- OFFICIAL CONTEST RULES
1. Anyone is eligible to enter the POT-O-GOLD contest, with the exception of Pontiac Press employees or their immediate families.
 2. Entries must be on official entry blanks printed in this newspaper.
 3. To submit an entry the contestant must print his numbers in the proper spaces, cut out the area enclosed by dotted lines and attach it securely to a 2-cent post card. No entries will be accepted if they are in envelopes. Entries for Puzzle No. 82 must bear a Tuesday, Jan. 7 postmark (or before). No entries received after that time whether mailed or delivered by hand, will be declared eligible. The Press is not responsible for entries lost or delayed in the mail.
 4. Sorry, telephone calls or mail concerning details of the contest cannot be answered or acknowledged.
 5. The Pontiac Press will award a cash prize of \$100 a week to the winner of each weekly POT-O-GOLD contest. If more than one winning answer is received the prize will be divided equally among the winners. If any week or weeks should pass without any winners, the prize will be added weekly until a winning solution is submitted.
 6. Winners will be awarded an extra cash bonus of \$25 each if they are Pontiac Press subscribers or record on the day winners are announced. Only one such bonus can be awarded to each prize-winner no matter how many weekly prizes may accumulate.
 7. Each week's puzzle will be published Monday, Wednesday and Friday until the contest's end. Either or all will be considered as official entry blanks.
 8. Winners and correct solutions will be announced each Friday of the week following individual contests. Official keeper of answers will be Frederick G. Ziem, prosecutor for Oakland County. Only the General Features Corp., originators of the puzzles, will know the solutions until after each contest is over. Answers will be delivered to the Press judges by Mr. Ziem after the final deadline.
 9. There is only one correct solution to the POT-O-GOLD puzzle, and only that correct answer can win. The decision of the judges is final and all contestants agree to abide by the judges' decision. All entries becoming the property of The Pontiac Press and none can be returned.

Report Success of Tree Grading

Labels on Christmas Firs Describe Them by Quality

WASHINGTON (INS) — Agriculture Department foresters report grading of Christmas trees was received very enthusiastically this year and should take a firm hold when the 1958 holiday rolls around. Returns aren't complete, but indications are that Christmas tree wholesalers welcomed the new government service that classifies trees—like eggs—according to quality.

Although the service was not announced until November, some states used it widely. In Ohio, 12 per cent of the Christmas trees were graded.

Officials expect the grading service will give new stability to the \$5-million-dollar crop that provides a sideline income for farmers in many parts of the nation.

For one thing, they believe it will eventually halt the wanton cutting of low-grade trees that cannot be sold and wind up rotting in tree lots.

There may be some revisions in the grading standards in 1948, however, as a result of this year's experience.

Officials say that some inspectors had difficulty deciding how many good "faces" a tree had. Christmas trees that make a good appearance on all four sides merit a "premium" label.

Better explanations of the density standard may also be written. A good tree must have no large "holes" or bare areas, no crooked stems, and no long spike at the top.

Some trees will be sold to consumers with "premium," "U. S. No. 1" or "U. S. No. 2" marked on tags tied to the trunks. But the agriculture departments expects most of the stimulus to come from wholesalers who want to be sure of getting high-quality trees.

Beauty Queen Who Was Wed Plans Divorce

HOLLYWOOD (INS) — Leona Gage, the Maryland beauty who won the Miss U.S.A. title at Long Beach, Calif., last summer and then was disqualified when it was discovered that she was married, plans to get remarried soon. She said yesterday that she would go to Las Vegas next month to establish residence for a Nevada divorce from Gene Emms, a sergeant in the Air Force.

She said: "I've known for a long time that the marriage wasn't working out, but I wanted to give it every chance."

U.S., Britain Speed Aid to Ceylon Victims

COLOMBO, Ceylon (U) — The United States and Britain rushed aid by sea and air today to the flood victims of this tropical island. The subsiding waters have left 250 dead and 350,000 homeless. Escorted by two destroyers, the aircraft carrier Princeton left Singapore early today carrying helicopters and 170 tons of British food and medical supplies.

A U.S. Navy plane also took off from Manila with 5,000 pounds of supplies, mostly medicines; a doctor, and three hospital corpsmen. The flood danger remained only in the capital of Colombo and its suburbs, where the Kelani River continued to rise above flood level. Three ships of the British Navy are speeding toward Ceylon with aid.

Zoning Hearing to Be Conducted at North Branch

NORTH BRANCH — A public hearing will be held at 8 p.m., Jan. 6, at the American Legion Hall, North Branch, on the proposed zoning ordinance for North Branch Township.

The proposed ordinance and zoning maps will be available for examination at the Branch Market at any time between 10 a.m. and 6 p.m., except Sunday, up to the date of hearing.

William Simmons is secretary of the North Branch Township Zoning Board.

Williams Tells Budget Strategy

To Divide Up Money Available; Not on Basis of Expected Needs

DETROIT (U) — Gov. Williams says he'll base his budget requests next year on his experience with economy-minded Republicans rather than what he thinks state government needs to do this job.

Williams said the GOP-controlled legislature has tied the state in a "financial strait jacket," forcing postponement of many needed expenditures.

For that reason, he said, his 1958-59 budget "will represent not my recommendations to meet needs, but my best judgment as to the most equitable way of dividing up what money will be available."

Williams disclosed a rough outline of his budget strategy after talking with Democratic legislators at a weekend session behind closed doors. He said they gave it unanimous endorsement.

Williams did not reveal details, but he said he would ask the legislature for:

1. A bonding program to provide for capital outlay needs, with special emphasis on new building for state colleges and universities.
2. One or more "secondary" taxes — which he said "means I won't ask for a substantial tax reform."

Williams said indicated he will not go after any major new tax or tax increase, although he said he would "point to the desirability of a corporation profits tax."

Royal Oak to Vote on School Tax Issue

ROYAL OAK — A special school district election will be held here Feb. 10 on a proposal to continue the additional \$5.29 operating tax. The 5 mill extra tax for school maintenance, now in effect, expires this year. Its renewal for five more years is being sought. Royal Oak district will be the second in South Oakland County to vote on school taxes in February. Oak Park has an election on an operating levy slated for Feb. 3. Two similar proposals, one in Lamphere School District, Madison Heights, and another in Berkeley, were defeated in recent elections.

Ferndale Will Vote on Fund for City Hall

FERNDALE — A \$750,000 bond issue proposal for a new city hall and police station will be put before voters here early in March, Mayor Bruce D. Carbutt said. The buildings will be located on East 9-Mile and Leland Rds.

If the bond issue is approved, construction will start next summer, Carbutt said.

Gen. Zwicker Slated to Leave Korea Soon

SEOUL (U) — Maj. Gen. Ralph W. Zwicker, one of the late Sen. Joseph McCarthy's targets, is leaving Korea soon for a new assignment in the United States.

Zwicker, commander of the 1st Cavalry Division, is due to take command of the 20th U.S. Army Corps (reserve), which administers reserve activities in several states from headquarters at Ft. Hayes, Ohio.

Church of Christ Will Study Bible New Year's Eve

LAKE ORION — The Church of Christ, which is presently meeting in the State Theater, will meet at 7:30 New Year's Eve for a Bible study hour.

The Cordell Hudson family of 4873 Georgia Dr., Grosse Pointe Park, has accepted the call as minister of the church. He completed his training at Florida Christian College.

The congregation has purchased two and a half acres at the corner of Hemingway and Clarkston Rds. as a future church site. Building will begin when funds are available.

Clawson Motorist Killed in Accident

CLAWSON — Kester W. Firman, 32, of 505 S. Marias St., was fatally injured about 5:30 yesterday afternoon when his car hit a tree at North Main St. and Girard Ave., in Royal Oak.

A witness, Victor W. Campbell of 22131 Grand River, Detroit, told Royal Oak Police that Firman was driving north on Main at a high rate of speed and his car left the road at a curve.

Accident in Kentucky Kills Ferndale Woman

FERNDALE — Mrs. Muriel Loucks, 58, of 364 W. Cambourne St., was killed yesterday when a car in which she rode collided with another auto five miles south of Elizabethtown, Ky.

She was dead on arrival at a hospital.

Board to Study Sewage Plant

Waterford to Discuss Operation of Facilities Behind Cray School

One of the big items slated for tonight's Waterford Township Board meeting will be a discussion on operations of the Friedman sewer plant located behind the Isaac Cray School.

Clare Johnson, of the Johnson and Anderson engineering firm, will meet with board members and land developer Abe Friedman, in order to clarify an agreement made last year for operation and maintenance of the four-pump sewer plant.

Board members will also appoint an electrical contractor as a member of the Electrical Board. Three contractors have been recommended for the appointment.

A street lighting district for Cass Lake-Highland Subdivision will be discussed. Several residents protested the district at a special hearing Friday.

Nervous Driver Hits Scout Car of Waterford Police

It started out when a Waterford township police car pulled over a Flint driver, Ossie Riley, 30, of 17 E. Laredo St., for running a red light on Dixie highway early Sunday.

Riley halted his auto in front of the police car at the top of the Fremont street hill and the two officers, Patrolmen Jack Hart and Merrie Finkle, walked over to quiz the driver.

As they were talking, Riley's car began rolling down the hill. Nervously, Riley put his car in reverse and stepped on the gas—too hard.

His car crashed backward into the front of the squad car.

The officers said Riley and his four passengers all had been drinking. Riley had no operator's license on his person, they said, and was wanted in three Michigan cities, including Flint, for failure to appear in court on traffic violations.

Riley was lodged in Oakland County Jail pending arraignment today on a charge of driving while under the influence of liquor. The township planned to bill him for about \$300 damage to its patrol car.

Davisburg Dinner Set

DAVISBURG — The annual New Year's dinner at Davisburg Methodist Church will be served from 1 to 3 p.m. Wednesday at the church hall. A freewill offering will be taken.

He Drives Off Overpass But Lands Uninjured

DETROIT (INS) — Angelo Stanley, 32, of Detroit, today was charged with reckless driving after his car slammed through an overpass railing at the Ford Expressway and Dubois and "flew" 30 feet down to the expressway pavement.

The car landed upright and neither Stanley nor his passengers, Juanita Davis, 27, Detroit, and his son, Angelo Jr., 3, were hurt. Police said the car was traveling at 70 miles per hour when it crashed.

You Remember Singing Open the Door, Richard?

By EARL WILSON

NEW YORK — Around holiday time, my mother comes in from Fort Wayne to visit us, and we sit around the kitchen table playing "Do You Remember?"

It must get a little boring to our teenage son Sluggie when I'm saying "Do you remember penny pencils . . . peekaboo waists . . . footsrapers down by the porch steps . . . portieres and, much later, Fred Allen and Portland, and "Titus Moody" on the radio every Sunday night?"

So Sluggie replies with his own "good old days" recollections.

"Do you remember Jerry Lewis always yelling 'Melvin' and 'Pinky Lee's lithp . . . Jerry Lester and Dagmar saying 'Everything's real George' on Broadway Open House . . . and Laurie Anders saying 'I li-i-ke the wide open spaces' to Ken Murray and his cigar on his program?"

They're pretty distant to Sluggie but like yesterday to me.

Remember Herb Poole's puns on "20 Questions"? I say, "Remember when \$64 seemed like a fortune on 'Take It or Leave It' m.c'd. by Garry Moore?" When the FCC got agitated about "Stop the Music" and gas going to stop ALL quiz shows?"

"Remember 'Open the Door, Richard' . . . 'Martin Kane, Private Eye' . . . how Sid Stone used to do the pitchman commercials for Milton Berle . . . 'Mairzy Doats and Dozy Doats and Little Lamsdivey'?" retorts Sluggie.

About this time the B.W. and Gorgeous Mother-in-Law throw in with me and say: Remember lighted candles on Christmas trees . . . side curtains on automobiles . . . ex-

pressions like "the cat's pajamas," "Oh, shoot," "Oh, pshaw," "So's your old man," "Your father's mustache," "Ye gods and little fishes," and "He's very set in his ways?"

And it looks very much like we've won our little game until Sluggie looks at his old man and says, "Tell me, Daddy, were you a pioneer?"

Anyway, sit down and have a few memories for the new year. Charge them to me.

THE MIDNIGHT EARL . . .

Rita Hayworth protested to look about an article which says she found a new life at 40 (she says she's 38) and intimates that fiancée Jim Hill gave her a \$14,000 mink coat. She says she bought it herself and asked Publisher Mike Cowles to correct the piece.

Louis Armstrong couldn't attend the wedding of Met star Mattiilda Dobbis and Swedish columnist Bengt Janson but invited them to have a honeymoon supper . . . a gal-singer and record star borrowed 10 G's for Christmas . . . Hope Hampton may sing at Monsignore . . . Don Murray's mad at Playhouse 90 'cause he couldn't mention his pet charity (HELP, Elgin, Ill.).

Mary LaRoche is the only gal with Gable and Lancaster in "Run Silent, Run Deep." When hired she said, "You mean I get paid, too?" . . . Director Morton DaCosta, a B'way walk-on in '51, is making about \$6,000 a week from "Auntie Mame," "Music Man" and "No Time for Sgts."

TODAY'S BEST LAUGH: Best way to cure a woman of most any illness is to tell her the symptoms are just a sign of old age.—H. O. Hutcheson.

"Christmas neckties," says Rube Rustic, "are in a clash all by themselves." That's earl, brother.

FBI Helps Man Prove He Served in First War

WASHINGTON — The FBI has come to the aid of a man who has been trying for years to prove that he served in the Army in World War I.

Herbert Gurley of Brooklyn, N. Y., had no luck when he tried to convince the Army and the Veterans Administration.

Recently he saw a television

program showing how the FBI can make identifications from its vast fingerprint files. So he got off a letter telling his troubles to the FBI and enclosing his fingerprints.

Gurley said that he entered Howard University here in September 1918 and enrolled in the Student Army Training Corps, which made him an Army private.

Gurley explained that at the time he used the name Charles Herbert Gurley.

When the war ended, he told the FBI, his unit was disbanded and he received no papers of any kind.

The FBI made a search of its fingerprint files. Sure enough, there was a Gurley—Charles H. V. Gurley—who was inducted into the Army at Howard University Oct. 2, 1918. And the fingerprints Gurley sent along matched those of the Gurley who was inducted into the Army.

The FBI passed the information along to Gurley who said all he wants out of "all my efforts to prove that I was a soldier" is an honorable discharge.

He said he was a soldier in the 1st Central Postal Directory, 1st Army, 1st Division, 1st Infantry, 1st Cavalry, 1st Artillery, 1st Engineers, 1st Medical, 1st Signal, 1st Transportation, 1st Quartermaster, 1st Commissary, 1st Chaplain, 1st Judge Advocate, 1st Inspector, 1st Provost Marshal, 1st Prison Guard, 1st Prisoner of War, 1st Soldier, 1st Sailor, 1st Merchant, 1st Farmer, 1st Laborer, 1st Craftsman, 1st Professional, 1st Business, 1st Government, 1st Military, 1st Naval, 1st Air, 1st Space, 1st Atomic, 1st Electronic, 1st Computer, 1st Information, 1st Communication, 1st Transportation, 1st Infrastructure, 1st Energy, 1st Environment, 1st Health, 1st Education, 1st Culture, 1st Society, 1st Community, 1st Nation, 1st World, 1st Universe.
