Bridge Collapse Deaths May Top 80

From Our News Wires

POINT PLEASANT, W. VA.—Rescue boats patrolled the rain-swollen Ohio River today in a search for an estimated 80 additional victims of the thunderous collapse of a steel suspension bridge carrying rush-hour traffic.

The bodies of six persons were recovered from shallow waters along the banks in night rescue operations.

West Virginia State Police Sgt. J. H. Parsons said 33 other persons were known to be missing.

The commissioner of the West Virginia State Police, T. A. Welty, said he estimated about 80 bodies were trapped in vehicles in the icy waters of the river, most of them in the 60-foot-deep main channel.

★ ★ ★

The 100-foot-high, 1,750-foot-long bridge connecting West Virginia and Ohio fell apart with a thunderous roar at dusk yesterday under the weight of bumper-to-bumper commuter and Christmas shopper traffic.

Police estimated 40 to 50 vehicles tumbled into water up to 70 feet deep and sank out of sight. The remainder were hurled onto banks of the stream and in some instances, crushed by heavy steel girders.

The 39-year-old bridge was struck 18 months ago by 20 empty barges which broke loose from moorings, but it was not known if this accident had any connection with the collapse.

★ ★ ★

The tragedy occurred just three days before a new bridge was to open up river to help relieve the traffic congestion.

West Virginia Gov. Hulett C. Smith and Gov. Rhodes pledged the resources of the two states in an investigation to determine the cause of the collapse. Both came here last night.

"The old bridge was Bouncing up and down like it always does," sobbed Howard Boggs.

His 18-year-old wife and 17-month-old daughter — both among the missing — were in the car with him when it plunged into the channel where the depth was variously estimated from 30 to 70 feet.

★ ★ ★

"Then all of a sudden everything was falling down," he said. "My feet touched the bottom of the damned river." Boggs had no idea how he got out of the car.

★ ★ ★

H. L. Whobrey, who was selling Christmas trees at an intersection in Gallipolis, Ohio, near the bridge, said, "The bridge just keeled over, starting slowly on the Ohio side, then following like a deck of cards to the West Virginia side."

Pact Provides 24% Pay Hike Over 3 Years

From Our News Wires

DETROIT — Pay checks of United Auto Workers employes of General Motors Corp. will be fattened by about 24 per cent over the next three years under yesterday's agreement ending the most expensive round of negotiations in "Big Three" history.

Bargainers for both sides emerged yesterday after a 30-hour negotiating session, unusual because there was no immediate strike threat, and announced they had come to terms on a contract paralleling the record agreements won by the union at Ford and Chrysler.

American Motors Corp. is the only one of the nation's four major domestic automakers without a new UAW contract. The old pact expired Oct. 16, but has been extended on a day-to-day basis by both sides.

Negotiations between the UAW and AMC resume Jan. 3.

★ ★ ★

More than 100 of the 134 local plant agreements at GM are still unsettled, but many are expected to be worked out now that the national contract has been put together.

LOCAL DEADLINES

The UAW's international executive board will meet tomorrow to decide on a January strike deadline for local contracts which supplement the national pact.

The average UAW worker's annual wage will leap from $7,092 to $8,798 by the third year of the three-year pact —a jump of about 24 per cent. Like the Chrysler contract, the one at GM is retroactive to Oct. 16.

Including fringe benefits, the three pacts are expected to cost the industry about $3 billion over the three years. GM, which employes more than half the 674,800 UAW auto workers in the United States, is expected to foot about half the bill.

★ ★ ★

By 1970, pay raises and fringe benefits will add $1.02 per hour to the average auto workers pay check. Under the old contract, average pay was $3.41 per hour. It will jump to $3.84 per hour now, $4.03 the second year and $4.23 in the third and final year.

CANADIAN PARITY

No mention was made in the contract about equal pay for GM's 25,000 Canadian workers — a provision which Reuther won from Chrysler.

Negotiations between the union and the company in Canada continue. GM has offered to raise Canadian wages to a level with their American counterparts gradually until they are on a par by 1970.

Firemen 'Sick' in an Apparent Layoff Protest

Nearly 30 per cent of the Pontiac firemen scheduled for duty called in sick today in an apparent protest against the filing of petitions with the City Commission Thursday that will cause the layoff of fire department personnel.

★ ★ ★

The sick call caused the closing of two of the city's stations — ironically, the same two that will be shut down the first week in January because of the petitioned referendum vote on the city income tax ordinance.

Capt. Kenneth Eggart, the department's officer in command this morning, said stations 5 and 6 were closed as a "pullback maneuver," concentrating the men who are on duty in the remaining stations to insure equipment will be properly manned.

He said 11 of 38 scheduled firemen phoned in sick.

★ ★ ★

City Fire Chief Charles Marion was reluctant to link the large sick call to a protest, pointing out that the department "has had quite a bit of illness the past few weeks."

ACTUAL SICKNESS

"I wouldn't call this a protest," he said. "It may well be actual sickness, and that's what I'm assuming until it's proven otherwise."

Station 5, at West Huron and Genesee, serves the west-central area of the city. Station 6, on West Walton near Baldwin, covers Pontiac's north side.

Both stations will be closed as part of a far-reaching cut in city services necessitated by the income tax-delaying referendum, which will probably be scheduled in early February.

★ ★ ★

Two pumper companies will be eliminated and 12 men will be laid off, it has been predicted.

Congress Ends Long Session

WASHINGTON (UPI) — The 90th Congress, frustrated by Vietnam and dragging its feet on Great Society programs, began a month-long recess today after the longest session in four years and the roughest yet for President Johnson.

The House and Senate voted to call it quits for the year last night after giving final approval in the closing hours to an increase in Social Security benefits, a $9.1-billion school aid bill, and money bills for the foreign aid and anti-poverty programs.

The lawmakers will return Jan. 15 for the second session of the 90th Congress and election-year battles over taxes, domestic legislation and the war.

The year held few major legislative triumphs for Johnson. With GOP House strength increased by 47 votes — making a party division of 247 Democrats and 187 Republicans — conservatives were able to restrict many domestic programs enacted by the 89th Congress and hold back further Great Society advances.

The Senate seemed largely preoccupied with Vietnam, and in the last hour before Congress adjourned, Sen. Wayne Morse, D-Ore., charged in a floor speech that the United States was preparing for a new escalation in the fighting that would result in a war with Communist China.

Snowstorm Stuns Southwest

By United Press International

The Southwest lay still and stunned in a deadly world of white today, the victim of one of history's meanest and most cruel prewinter snowstorms.

Snow, sleet, rain and cold, and wicked, cutting winds would not let up.

The storm crept toward the East and showed signs of weakening, the U.S. Weather Bureau said, but "it is still a major storm."

The grim, pre-Christmas picture was filled with people dead — 12 in Texas, 5 in California, 2 in Mexico, and 1 each in Oklahoma, Oregon and Missouri — people stranded, and people driven from their homes hungry.

★ ★ ★

The Air National Guard mapped an airlift of food to stranded livestock on the Hopi Indian Reservation in Arizona.

FLEE FLOODWATERS

The Papago Indians of Sells, Ariz., were driven from their homes by floodwaters from relentless rains.

In Southern California, shocked by three days of rain, snow and cold, half the orange crop in the Yucaipa area of San Bernardino County was killed.

The Civil Air Patrol searched for a small plane grounded on a storm flight from Alamogordo to Albuquerque, N.M., and a woman died of exposure on the Mojave desert in California.

Northern Arizona, the hardest hit, lay under 47 inches of snow in Flagstaff; 32 in Payson; 32 in Showlow; 25 in Prescott, and 18 in Winslow.

TOWNS DIG OUT

In New Mexico, where 40-mile-an-hour winds lashed snow into six-foot drifts, Cimarron dug out of 21 inches of snow; Grants 20; Red River and Sandau 10 each.

Snow piled 22 inches high in Bryce Canyon, Utah; 15 in Blanding and 12 in Hanesville.

Travelers' warnings, posted for 11 states from southern California to New Mexico and the southern mountains of Colorado; from western Texas and the eastern New Mexico plains to Nebraska.

★ ★ ★

Freezing rain and sleet fell in eastern New Mexico, in Oklahoma and in Panhandle regions of Texas.

★ ★ ★

About 2,000 motorists were stranded on a treacherous strip of U.S. 66 at Grants, N. M. Some of the lucky ones managed to plow through to safety. Many others had to sleep in their cars the night.

★ ★ ★

Away from the storm, light rain and drizzle fell today from eastern Texas to Georgia and northern Florida. Light snow flurries fell from the hills of western Pennsylvania to New Hampshire.

★ ★ ★

Predawn temperatures ranged from 16 below zero at Butte, Mont., to 75° at Key West, Fla.

Join Hope's Tour via Press Reports

Next to Santa Claus, Bob Hope probably ranks as Christmas' biggest traveler.

The comedian, whose trips to entertain U.S. servicemen have become a Yule tradition, left yesterday for his fourth Vietnam visit and his 17th annual Christmas tour.

Pontiac Press readers will be able to join the tour again this year through a series of reports written by the famed comedian.

The daily articles begin Monday and promise to keep Press readers thoroughly entertained as Hope travels from base to base entertaining our troops.

Old Sol's Visit Nearing an End

Old Sol will make himself scarce in the Pontiac area tomorrow according to the U.S. Weather Bureau report.

Here is the official day-by-day forecast for the weekend:

TODAY: Generally fair and not so cold through tonight. High 32 to 36. Low tonight 22 to 26.

West to northwest winds 10 to 18 miles per hour.

TOMORROW — Increasing cloudiness, slightly warmer with chance of rain or snow by evening.

MONDAY—Snow or rain likely.

Precipitation probabilities through tonight near zero, Sunday 20 per cent.

The low temperature in downtown Pontiac preceding 8 a.m. was 25. The sunshine had warmed the area to 37 by 2 p.m.

Brother, Sister Combine in Lake Rescue

A Wolverine Lake youth and his sister have been credited by village police with saving the life of an 8-year-old boy who fell through thin ice into 10-foot-deep water in a canal near the southwestern shore of Wolverine Lake yesterday afternoon.

The rescued boy was identified as Charles Mayes, son of Elmer Mayes of 1667 Meadowlane, Wolverine Lake.

He was treated at Pontiac General Hospital and released after being rushed there by Oakland County sheriff's deputies.

The boy fell through the ice at about 3 p.m., according to village police.

The boy was pulled from the water by Charles W. Trombley, 16, of 1065 Lakeview after being submerged almost three minutes, according to police.

★ ★ ★

Then Trombley's 17-year-old sister, Charlotte, went to work, applying mouth-to-mouth resuscitation to the boy.

OXYGEN ADMINISTERED

Commerce Township firemen later administered oxygen to Charles with a resuscitator before the boy was transported to the hospital.

The Trombley children are both students at Walled Lake High School, police said. Charles is a sophomore and Charlotte is a senior.

They are the children of Mr. and Mrs. Charles E. Trombley.

Housing, Tenant Bills Move Up as House Unit Gets Court Plan

LANSING (AP) — The House sent its once-defeated court reorganization bill back to committee Friday and moved open occupancy and tenants' rights measures into position for debate and a final vote.

Speaker Robert Waldron, R-Grosse Pointe, said majority Republicans would meet Monday when the Legislature returns and decide which of the three new bills to consider first.

Lt. Gov. William Milliken, meanwhile, repeated that he was confident "that when the final votes are tabulated, a majority of the elected representatives of this state will support the fair housing bill."

That measure, one of the most controversial issues the Legislature has faced in years, outlaws discrimination based on race, color, religion or national origin in most real estate transactions.

TENANTS' RIGHTS

The main tenants' rights bill requires Detroit and other communities having housing commissions and operating housing projects to set up a board of tenants' affairs, half of whose members would be residents of the projects.

The board, by a two - thirds vote, could overturn any decision refusing an applicant admission to public housing, evicting a tenant or altering a tenant's obligation.

A companion bill provides that a resident may not be evicted from a public housing facility except for just cause.

The court bill, which sank Thursday while carrying a cargo of over 100 amendments, was revived and returned to the House Judiciary Committee.

The technical move leaves the bill alive until the current special session adjourns, but it was not expected back on the House floor this year.

Greek King Can Return 'Powerless'

ROME (AP) — Greece's military dictatorship offered King Constantine the chance today to return to the throne he abandoned Wednesday after calling his nation into a rebellion that never really got started. The condition of return, diplomatic sources said, was that he live "purely as a figurehead, with no powers."

The 27-year-old monarch was reported ready to refuse the terms, the Athens sources indicated, and was demanding instead that the government resign as a requirement for his coming back.

The junta's offer was carried to Constantine's exile headquarters in Rome by Archbishop Ieronymous, primate of the Greek Orthodox Church, closest major figure in Greece to the royal family, and once the king's personal confessor.

The bearded, 62-year-old churchman's hurried trip to Rome emphasized the regime's anxiousness to bring Constantine back. Without him, the United States held up its recognition and Britain said it considered its diplomatic relations with Greece "no longer valid."

LEFT IMMEDIATELY

Arriving at Rome's Fiumicino Airport, Ieronymous left immediately by diplomatic car for the Greek Embassy where the king has taken refuge.

The regime's willingness to let Constantine return was made known at an Athens news conference by Deputy Premier Brig. Stylianos Patakos.

Secretary of State Dean Rusk said yesterday in Washington the United States "will wait for a while" before recognizing the Greek military regime.

He expressed hope that Greece, a member of the North Atlantic Treaty Organization, "will move as promptly as possible to a constitutional government."

N. Viets Rip GIs on Plains

SAIGON (UPI) — About 800 U. S. Army troops today battled North Vietnamese who smashed an American squad and then trapped a rescue platoon on the bloodstained coastal plains 300 miles north of Saigon.

A sergeant who took command of the ambushed platoon when his lieutenant was killed reported his men "getting it from all directions, even behind us."

★ ★ ★

First reports from the new battle on Bong Son plain said 47 Communists and 16 Americans have been killed. The fight erupted near the spot where allied troops killed 114 North Vietnamese yesterday and 510 in a six-day battle last week.

In other action, U. S. Marines reported killing at least 46 Communists in a savage battle in the mud just below the North Vietnam border Friday. In the air, a Soviet news dispatch from North Veitnam said U. S. jets for the third day in a row were striking Hanoi today.

News Briefs at a Glance

TOKYO (UPI) — Prime Minister Eisaku Sato bluntly said today that Japan must depend primarily on the United States for its defense. Sato, who held a series of strategy talks with President Johnson in Washington a month ago, told Parliament that Johnson assured him it will defend Japan against any form of attack — by conventional or nuclear weapons.

News Seeks Damages

DETROIT (AP) — The Detroit News filed a $175,000 damages suit in Wayne County Circuit Court yesterday charging a conspiracy by publishers of the Detroit Daily Express and naming nine striking News employes as defendants. The suit charges that the employes and their corporation, Publishers' Consulting Service, Inc., conspired and agreed that the Daily Express circulation system would be organized and managed by the nine News employes. Further, the suit claims that the defendants also "unlawfully appropriated" secret lists of News customers and prospective customers and threatened carriers of the News.

2 Prisoners Sought

PORT HURON (AP) — Two prisoners, who cut through a St. Clair County jail cell block with a smuggled tool, overpowered a guard and leaped two stories through a kitchen window to the ground, remained at large today, the objects of a massive police hunt. Sheriff's men said Sylvester McCraw, 17, of Highland Park and Douglas Livingston, 25, of Port Huron made their escape last night.

Top Romanian Defects

GRENOBLE, France (AP)—The French news agency said today Romanian Secretary of State Georgi Filip has defected to the West and refuses to return home. The agency said Filip, a fighter in the French resistance during World War II, defected after coming to Lyon a month ago to represent his country at a ceremony for resistance heros.

4 Deputies Reinstated

ANN ARBOR (AP) — Sheriff Douglas Harvey yesterday reinstated four sheriff's deputies he suspended from the Washtenaw Sheriff's Department last week. Harvey had vowed he would not reinstate any of the men. He suspended them because they said they intended to sue the County Board of Supervisors to make the board recognize the Washtenaw Deputies Association as bargaining agent for the men. All four men defied Harvey's order that they retract the statement.

Two Named to Posts as Election Canvassers

BLOOMFIELD HILLS — The City Council has named two men to four-year terms on the board of election canvassers.

Reappointed is George H. Goldstone of 1010 Burnham. Newly appointed is David W. Lee of 1160 Pembroke.

Canvassers certify results of all local elections.

BIRMINGHAM — The Birmingham-Bloomfield Chamber of Commerce has turned over to the city $1,211 representing receipts from last summer's Village Fair.

The city's share is to cover cost of use of facilities during the summer carnival held in Shain Park, downtown.

The fair is the only fund-raising drive held by the chamber and income is used to sponsor events year-round.

BIRMINGHAM — Frank H. Kraimer of 498 Lakeside has been elected president of the Greater Beneficial Union Life Insurance District 701.

His wife was named as a trustee.

'Charley's Aunt' a Fun-Filled Romp

Theater Review

By DON BRAUNAGEL

Meadow Brook Theatre has come up with a holiday treat.

The John Fernald Company, shifting from the tragic "John Gabriel Borkman" to the English comedy it does so well, romped through "Charley's Aunt" last night, and its a toss-up whether the audience or the cast had more fun.

The play, set at Oxford University in the late 19th century, concerns the mix-ups resulting from a student impersonating his classmate's well-to-do aunt.

Much humor—heavy on slapstick—grows from this improbable premise, and the members of the cast, under Fernald's excellent direction, nimbly and expressively played the farce for all it's worth.

★ ★ ★

Particularly good was Curt Dawson as the impersonator. In his best performance at Meadow Brook, he took full advantage of his role's latitude.

SWITCHES SMOOTHLY

Mugging, taking pratfalls, smiling sweetly or laughing lecherously, he switched from ladylike aunt to raucous youth with the greatest of ease and gave credibility to an unlikely character.

Also outstanding was Neil Hunt, relaxed and expressive in his Meadow Brook debut as Dawson's pal.

At the point where he gets the idea to have Dawson impersonate the aunt, he is half hidden by a doorway and conveys his inspiration to the audience using mainly one hand. It's neat.

★ ★ ★

Another newcomer is Colin Pinney, who played Hunt's father well but smiled a bit too much.

SHOWS IMPROVEMENT

Victor Holchak as Charley showed improvement over his performances of last year, although his part wasn't demanding.

Otho Burr added laughs as a handy servant, and Barbara Caruso, Lorna Lewis, Jill Tanner and Bonnie Hurren in the female roles provided a lot of glamor in Elizabeth Penn's costumes.

Advance ticket sales and the near-capacity opening night audience indicate this could be Meadow Brook's most popular play.

★ ★ ★

So if you want a laugh-filled break from holiday bustle, you may have to get tickets early. "Charley's Aunt" will run through Jan. 14.

11-Alarm Fire Hits Post Office in NY

NEW YORK (AP) — A spectacular 11-alarm fire roared through a block - square Manhattan branch post office last night and early today using mail chutes as flame flues and turning tons of Christmas mail to sodden ashes.

★ ★ ★

Flames spread rapidly through the six-story structure after the blaze erupted in a huge conveyor belt, but 2,000 postal employes were evacuated safely.

Three workers who used flashlights to signal their plight—were rescued from a sixth floor ledge by firemen using aerial ladders plus a scaling ladder to reach the final floor.

Fire Chief John T. O'Hagan described the conflagration as the largest single building fire in the city in the past 10 to 20 years.

★ ★ ★

At its height the fire cast a pall of throat-searing smoke over several blocks and firemen waded through streets flooded with icy water as the temperature hovered at 33 degrees.

600 FIREFIGHTERS

Eleven alarms were sounded —five in Manhattan and six more in Brooklyn and Queens—bringing some 600 men and 100 pieces of apparatus to the building located between 29th and 30th streets and Ninth and Tenth Avenues on the West Side.

The station which handles primarily foreign mail was the scene only nine days ago of a home-made bomb explosion that shattered windows and injured eight persons.

Fire Commissioner Robert O. Lowery said there was no evidence "as to any bomb or other explosion" in the fire, adding "at this time there is no indication of foul play."

★ ★ ★

A post office department spokesman said there would be no way of even approximately estimating the loss of mail for many hours.

Slain Reds Weren't Carrying Heroin

SAIGON (AP) — An investigation has determined that Communist troops slain in fighting north of Saigon Dec. 10 were not carrying heroin, as reported after the battle, a spokesman for the U.S. 1st Infantry Division said today.

★ ★ ★

He said the small packets of white powder found on the battlefield after the action had been analyzed and contained potassium permanganate, a disinfectant and fungicide; copper sulphate, used as a fungicide; calciumhydrate, used as a water purifier; antibiotics, and ordinary soap.

★ ★ ★

The reports that enemy troops had been carrying heroin and may have been "high" on it during an attack last weekend came from the field, where the Communists left 124 bodies. Many small packets of white powder were found on the dead.

Birmingham Girl, 7, Dies After Being Hit by Car

A 7-year-old girl, struck by a car Monday on her way home from Pierce Elementary School in Birmingham, died yesterday morning.

Barbara Ann Wilson, daughter of Mr. and Mrs. C. R. Wilson, 1748 Stanley, died at 2:45 a.m. Friday at William Beaumont Hospital, Royal Oak.

Barbara was fatally injured Monday at 3:53 p.m. by the car driven by James Nemes, 65, of 3432 Wendover, Troy, said Birmingham police.

Nemes was southbound on Pierce near Southlawn when Barbara ran in front of the car, said police.

The accident occurred near Pierce School, 1829 Pierce.

Trooper at Area Post Cited

A Michigan State Police trooper stationed at the Pontiac post, 1295 N. Telegraph, Waterford Township, was among 15 officers who recently earned meritorious service citations from the organization.

JENKINS

The local trooper honored was Robert G. Jenkins, 28. He is single.

The former Ferndale resident was cited for a case which occurred in the fall of 1966.

★ ★ ★

Jenkins provided undercover assistance, cooperating with Bay City police and federal officers in a narcotics investigation which led to the arrest of two suspects, confiscation of two vehicles and 48 pounds of marijuana and information on a supply source in Mexico.

Algerian Loyalists Crush Rebel Coup

ALGIERS (AP) — Algeria's socialist government claimed full control of the country today after announcing that loyal troops, in fierce fighting, crushed a coup attempt by rebels to the left of the regime.

The rebels had accused the regime of President Houari Boumedienne of "betrayal of the socialist revolution."

★ ★ ★

Observers said the defeat of the dissidents meant a step toward political stability for the potentially rich North African Arab nation and the chance it might take a more moderate stance in its relations with the West.

The government announced Friday night that rebel elements led by ousted army chief of staff Col. Tahar Zbiri "were blocked, surrounded and eliminated" near the towns of Blida and El Affroun, both within 35 miles of Algiers.

'INHUMANE' ATTACK

Fighting was described as bitter with the loyalist air force striking at rebel tank units. The dissident's attack, the government said, was "an inhumane operation which caused numerous casualties among the civilian population of the region."

The rebellion capped weeks in which Boumedienne's regime seemed headed for some kind of violent confrontation with a group led by Zbiri, a symbol for the hard-line revolutionaries who directed Algeria's seven-year guerrilla war leading to independence from France in 1962.

'Shot in Blind Rage,' Killing Suspect Says

A Farmington Township man on trial for the slaying of his estranged wife testified yesterday that he shot her in a blind rage after she spit in his face and called him a "punk."

John Merlo, charged with first-degree murder in the killing of his 18-year-old wife, Sharon Ann, told an Oakland County Circuit Court jury that he had planned to shoot himself if an attempt at a reconciliation failed.

The 25-year-old defendant said that he had gone to the Crest Beauty Salon in Farmington Township where his wife worked on Jan. 6 of this year to talk to her about coming back to him.

"I told her I loved her and wanted her back," said Merlo, "but she wouldn't listen."

★ ★ ★

"She spit in my face and pushed me up against the wall and said Why don't you get the hell out of here, punk,' and left the room."

Merlo said he followed and shot her. "I couldn't see nothing. I was in a rage."

According to Merlo, he and his wife had only been married six months when she told him in October 1966 that she was going to file for a divorce.

★ ★ ★

After that, according to Merlo, his wife started seeing another man.

EIGHT DRINKS

Merlo said that he had about eight drinks in a bar before going to the beauty shop.

After yesterday's proceeding, Judge Farrell E. Roberts adjourned the trial until Tuesday when Merlo will resume the stand to testify under cross examination by Assistant Prosecutor Jack Bain.

On Thursday, the second day of the trial, a detective from the Philadelphia Police Department testified to statements made by Merlo about the shooting.

★ ★ ★

Merlo was arrested in Philadelphia on Jan. 20 while attempting to pass a bad check in a bank.

Romney Sees No Rocky in 1968 Race

VIENNA (UPI) — Michigan Gov. George Romney predicted yesterday that he would win the 1968 Republican presidential nomination and that New York Gov. Nelson Rockefeller would stay out of the race.

Romney left by train for Warsaw after flying from Frankfurt to Vienna. He had planned to fly directly from Frankfurt to Warsaw, but fog forced cancellation of the Warsaw flight.

Romney is on a world fact-finding tour which will end with a Christmas visit to Vietnam.

Romney said he thought he would win the nomination . . . "Otherwise I would not have run." He said Richard M. Nixon was now his most serious opponent.

★ ★ ★

Of Rockefeller, he said, "I am convinced the New York governor is an honest and well-meaning man. I think he will not enter the race."

Romney left the airport, declining to grant a news conference, and drove to the home of Frederic Irving, U.S. charge d'affaires.

McCarthy Bid 'Straw' for Both Parties

Sen. EUGENE McCARTHY of Minnesota says he has no illusions about his chances of defeating President JOHNSON for the Democratic presidential nomination.

★ ★ ★

His stated reasons for announcing his intention to enter the primaries in four and possibly six states as a peace candidate are to give dissenting Democrats someone to rally around, to promote debate within the party over the conduct of the Vietnam war and possibly to pressure the Administration into a policy of de-escalation, which McCARTHY believes offers the best hope for a negotiated settlement.

★ ★ ★

It is possible he may achieve just the opposite.

Even should he bring the delegates of several states along with him to the Democratic convention next summer, it is a virtually foregone conclusion that Johnson will receive the nomination anyway, as McCarthy himself acknowledges.

★ ★ ★

Thus the victory of the President in the face of whatever organized opposition the dissidents can muster could be read as a much stronger party endorsement of his conduct of the war than would a routine, rubber-stamped nomination.

★ ★ ★

This is the dilemma of the Vietnam dissenters within the Democratic ranks. As for the Republicans, it is by no means a foregone conclusion with them that the path to the White House leads through Vietnam.

★ ★ ★

If six months from now, though, an end to the war is as far from sight as it is now and public confidence in the way it is being run is as unenthusiastic as it is now, and especially if the war's effects on every man's pocketbook are as unpleasant as they are now, Vietnam will certainly be a key issue in the campaign.

★ ★ ★

Now that an avowed dove plans to present himself to the people, the Democratic primaries may give a hint to public sentiment. That is why the Republicans will be watching them as closely as the Democrats to see how McCarthy makes out.

Status of the Vietcong a Vietnam Puzzle

The National Liberation Front (Vietcong), usually described as the political arm of the Communist guerrilla movement in South Vietnam, will be seven years old on Dec. 20. The various opposition groups that formed NLF met in a forest north of Saigon at 8 p.m., Dec. 19, 1960.

★ ★ ★

The date and the hour probably were chosen with care — the Communist Viet Minh's military operations against the French had begun precisely 14 years earlier.

★ ★ ★

The question of whether the NLF is a wholly Communist organization or an indigenous resistance movement has been endlessly debated. However, there is no doubt that North Vietnam approves of the NLF program.

★ ★ ★

The third of Hanoi's famous four points states that "the internal affairs of South Vietnam must be settled by the South Vietnamese people themselves in accordance with the program of the South Vietnam Front for Liberation without any foreign interference."

American military operations in South Vietnam have seriously impeded the NLF. But that, the late BERNARD B. FALL wrote in his last book ("The Two Viet Nams," 1967), is not nearly enough.

★ ★ ★

"After all, the NLF only has to continue to endure at a fairly moderate level — perhaps 150,000 combatants and 50,000 cadres — to remain a politically potent force.

★ ★ ★

"But Washington and Saigon have to 'win' — that is, to destroy the insurgent apparatus so totally and permanently as to make its rebirth impossible — in order to be able to consider the Vietnam problem settled. And that they are not likely to accomplish with the manpower and tactics of 1966-67."

★ ★ ★

In a Senate speech, Nov. 20, Majority Leader Mike Mansfield, D-Mont., estimated current NLF strength to be "in excess of a quarter million men," exclusive of North Vietnamese regulars.

Policeman's 'Sixth Sense' Is at Issue

By BARRY SCHWEID
Associated Press Writer

WASHINGTON—So uncanny is woman's intuition only a fool would stand in her way.

But what about a cop's? How often does he guess right and how much elbow room should he have to work out his hunches?

An off-duty policeman, investigating a noise outside his apartment, finds a man tiptoeing down the hallway. The fellow claims to be calling on a lady friend. She's married and he'd rather not give her name.

Unimpressed by the pass at chivalry, the policeman finds two wrenches and six picks in the man's pocket—the tools of a burglar.

★ ★ ★

A detective, 39 years on the force, watches two men on a street corner. Within 10 or 12 minutes they make five or six trips over to the window of a jewelry store.

LACK EVIDENCE

He senses they are "casing" it, searches both and finds loaded revolvers in their overcoats.

In neither instance did the officer know at the start that a crime had been committed. Nor, at that time, did they have enough evidence to support an arrest.

In fact, the arrests eventually made had nothing to do with the jewelry store or the actual commission of a burglary. Instead they were for illegal possession of weapons and illegal possession of burglars' tools.

★ ★ ★

The officers got the necessary evidence by acting on their suspicions, their intuition or a "sixth sense."

'NO HOLY MISSION'

As Supreme Court Justice Hugo L. Black suggested this week, an officer who finds a man lurking in a dark alley near a basement door in the middle of a rainy night might reasonably suspect "he is not there on a holy mission."

But what does the Constitution permit the policeman to do? Does arousal of his suspicions justify forcibly stopping people on the street and searching them?

The Supreme Court, looking again into the way policemen operate, spent much of two days on the subject earlier this week.

★ ★ ★

Everyone—the justices, prosecutors and civil liberties lawyers—agreed a policeman has a right to question someone who appears suspicious.

NO AGREEMENT

But there was almost no agreement on what the officer should be allowed to do if he doesn't get an answer or doesn't believe what he's told.

Unless he can establish "probable cause" — the Fourth Amendment's somewhat nebulous term—to make an arrest, he can do nothing, one civil liberties lawyer contended.

The fact is most of the people police stop, question and search turn out to be innocent.

★ ★ ★

For instance, according to New York City Police Department figures, of 1,617 people stopped and frisked by police in a little less than three years, 168 were charged with a crime—only about 1 of 10.

If stop-and-frisk is such a powerful deterrent to crime, Justice Thurgood Marshall observed tongue - in - cheek: "One way would be to stop everyone and see if they are armed."

The Justice Department has told the court temporary invasion of privacy is part of the price one should pay as a good citizen.

The NAACP Legal Defense and Education Fund, on the other hand, has advised that stop-and-frisk widens the gap between the poor and the police and is a potential source of conflict.

What the court will do is, at this point, anyone's guess.

The POWER of FAITH

By WOODI ISHMAEL

ONE WHO SERVES ON CHRISTMAS—3

Marine Corps Sgt. John Barry, like many others in the military, has worked Christmas Eve in a foreign land. During his year in Vietnam—where he received two Purple Hearts—John was on duty Christmas Eve, 1965.

He went to a Mass conducted by Cardinal Spellman, then back to duty guarding Da Nang air base. It was the cease-fire truce at holiday time, but he said, "We expected if we were going to be hit it would be then." John spent the night at a post about one mile and a half outside the perimeter of the air base. It was a long, lonely night but a quiet one, with time to think about his wife and three children. "Christmas is a bad time to be there because you think of home and what you did the year before," he said.

"But with the discipline of a professional," he continued, "morale was very high. Our families sent creches, artificial Christmas trees, gifts and food. Christmas day we sang carols to the music of a guitar and harmonica and had a Santa Claus riding on a tank." Sgt. Barry said that Christmas he felt the deep spiritual meaning of the birth of Jesus which is often forgotten at home. It undoubtedly will continue to mean more to him and to others who have been at war at Christmastime.

Confident Living:

What Do You Want From Life?

By NORMAN VINCENT PEALE

Ever ask yourself what you want from life? Do you really know? Could you state it in one sentence? Or even in a paragraph?

DR. PEALE

Many people go through life never knowing what they want. So they drift without direction. It is a strangely aimless way to live. And maybe sad, too, for if you don't know what you want you sure won't get it.

★ ★ ★

But if you do know what you want, you can help attain it by using creative principles such as the I.P.D. principle: Image, Prayer and Development.

It is a metaphysical law that if you keep in mind a sharp clear-cut image of something desired, and hold that mind-picture tenaciously until it not only dominates your conscious thinking but also permeates the unconscious mind — then the forces operating within you and in the world will conspire to produce the desire in reality.

But you can image a wrong or inadvisable objective. The thing you want, or think you want, can be something that could bring misfortune instead of happiness.

For this reason a person should carefully examine his image of what he wants to be or do.

Then prayer enters the picture. Is what you want a right thing? Is it wise? Or good? If you have any doubt as to its being right and wise and good, then re-think it and re-image it until you are satisfied that your goal checks with basic rightness.

This is very important. If your goal is not right it is wrong, and nothing wrong ever turns out right.

★ ★ ★

From there on it is a matter of disciplined thinking, working and persevering—all of which will develop in real life the imaged goal.

Take for example the great entertainer Phyllis Diller. Several weeks ago someone showed me a clipping of an interview with Miss Diller during which she said she knew from personal experience the importance of having clearly imaged goals.

She acknowledged a debt to author Claude Bristol for having made her realize the power of a mental image. She had "tried Dr. Peale's writings," but soon encountered the word "God" and that threw her off.

It seems she had been reared in a family where too much religion was crammed into her and she got fed up with it.

Lots of people unfortunately have been given a negative idea of religion, and so they turn away from it as nothing but a dreary series of "thou shalt nots." But others see and practice the joyous and creative principles of faith so that their lives and the lives of all they contact are filled with creative positive values.

Well, anyway, I remember thinking that I should like to meet Miss Diller. Just six days later I did — in Los Angeles where we were guests on the same live television program.

Phyllis is a born comedian — very funny and charming. We had a great time on that TV show. After tossing a few amenities back and forth I said, "Phyllis, I've been wanting to meet you . . ." and I told her about that clipping.

★ ★ ★

"So naturally you did meet me," she said. "You imaged meeting me."

"The image sure worked fast," I remarked. "Now I want to talk with you about not going for spiritual techniques in living." On camera, this was. But at once she replied, "Oh, you don't need to." She went on to say that she had "returned to faith" and so now to the power of the mental image was added the even greater power of spiritual motivation.

She captivated all of us by her enthusiastic belief that a strong mental image held firmly in mind can work wonders when supported by faith and hard work. It certainly worked out fantastically in her case. She is a demonstration of the I.P.D. principle in action.

What do you want from life? What do you want to be? Get it clearly imaged — not a fuzzy "I don't know exactly" idea. Make the image specific, well defined.

★ ★ ★

Then pray about it and if necessary modify it to be sure it is a right objective. Then hold the image strongly in mind even when discouraged. Go after it with everything you've got.

Error will drop out of your thinking and be replaced by positive, creative thought. Failure tendencies will be reduced. Bungling will diminish.

Resistances and roadblocks will be removed one by one. Powers that you never realized within you will spring into action. Increasingly you will get what you really want from life.

Voice of the People:

'We Commend Support of Effort to Enforce Law'

We commend Mr. Bronson and the staff of the Oakland County Prosecutor's office for the manner in which they handled the recent incident where a fleeing suspect was fatally wounded by two Pontiac police officers. When the prosecutor's office, Pontiac City officials and Chief Hanger refused to bow to unreasonable demands made by minority pressure groups, they exhibited interest in the community.

★ ★ ★

Why do the civil rights groups who organize protest marches and demonstrations under the guise of protecting civil rights of all, now decide to demand two police officers be removed from public office for doing their job? In light of the justifiable homicide ruling by the prosecutor's office, it seems that these civil rights groups are demanding that the rights of two police officers should be violated.

★ ★ ★

We also commend The Pontiac Press for making a stand on this issue in its recent editorial.

Readers Discuss Editorial on GM Strikes

In your paper you asked "who wants a strike?" My answer is the Corporation wants a strike. The workers in GM don't want a strike. If GM would bargain in good faith at Pontiac Motor Division, the workers wouldn't be forced into striking. There are over 500 employes working in the new Service Parts Plant and those people do not have a first aid station in that plant.

DONALD SQUIRE
PO BOX 3322

I would like to answer your editorial on the dollar cost of a GM strike, seen as a heavy tax on nation. There is no one that wants a strike. I do not want to strike but if some of the bigwigs who are so quick to criticize the unions would walk through some of he GM plants, then they could see why we wholeheartedly support our union and are willing to strike if necessary.

RALEIGH COMER
219 OAKLAND

I read your December 11 editorial with great interest. I'm surprised you put so much stock in David Lawrence's estimated figures. It is my opinion that columnists' articles have been anti-union and anti-American. In the past month The Pontiac Press has published two editorials with nothing but praise for General Motors, while trying to place the blame for strikes entirely on the union. I suggest that you send a representative to the local bargaining unit, but I don't think GM wants the public to know. May I add you get in on the ground floor and get the facts, not estimated figures. There are two sides to every story.

ANTHONY SCHNEIDER
PONTIAC MOTOR LOCAL 653

After reading your editorial in which you went into detail as to what a GM strike would cost the Nation, you ended by asking: "Does America want this? Does Pontiac want this?" And finally, "Do you want this?"

★ ★ ★

You left out the key to the whole problem: Does General Motors want this? They can avoid a strike. They could start by treating their folks like people instead of machines. They could spend some of their fabulous profits to provide heat in the winter and to cool it off in the summer. You as a newspaper could help avoid a strike locally by using your influence on General Motors. I'm sure there would not be a strike on either the national agreement or our local agreements in Pontiac.

'I Agree With Recent Article by Dr. Peale'

I wish as a patron of The Pontiac Press to comment on the item by Norman Vincent Peale, "Discontent Is Motivating Power." How many in the ghetto section of Manhattan, New York, or the discontented people around Pontiac are expecting a handout and saying the world owes us a living? Will they take this advice? Let them get busy with their hands and things wouldn't be as they are. I'm for Peale's kind of ambition and striving to be content. We're happiest when we're busy.

'It's Time for Changes to Restore Freedom'

It is time the 60- to 90-year-old Congressmen, Senators and judges got out of trying to run this country. They have it in such a mess I doubt if we will ever get back the freedoms our forefathers sought when they came to this country. They have the working man taxed to a point that if he is careful he may be able to feed his family bread and water. If you own property, they want to tell you who you should live with.

Question and Answer

Why hasn't an overpass been built on Perry Street by Madison Junior High and Pontiac Northern? It is dangerous even to cross at the light because people are always running it or turning against the light. Two children have already been hit.

CONCERNED PARENT

REPLY

Traffic Engineer Koren tells us both the City and State agree an overpass is needed at that location, and as soon as it is financially feasible, one will be constructed. In the meantime, he says the traffic department is doing what it can to handle the traffic problem as safely as possible.

Ford and Dirksen Rebut Johnson's Slams at GOP

WASHINGTON (AP) — Sen. Everett M. Dirksen, challenging President Johnson's charge that Republicans are wooden soldiers, says they supply the congressional troops which have sustained "the live soldiers in Vietnam."

"You talk about those wooden Republican soldiers," the Illinois senator said, "don't forget that those are the soldiers who have been standing behind the President during all this difficulty in Vietnam while his own troops were pelting and pummeling him on the Senate floor and on television."

The Senate Republican leader and House Republican Leader Gerald R. Ford of Michigan supplied a televised rebuttal Friday night to Johnson's assertion Tuesday that the GOP is composed of "wooden soldiers of the status quo."

"The only program the Grand Old Party offers is the remains of what they have backed into and run over in the road, the bits and pieces of what someone else has built," the President told the AFL-CIO convention in Miami Beach, Fla. Johnson's speech was broadcast by the three major networks.

LBJ 'FIX'

Republicans demanded and got equal television time to reply. Dirksen said that in the minds of many Americans, the status quo is "the fix we're in" under Democratic leadership.

"We Republicans are against the status quo," Ford said. "We are solidly fighting the Johnson administration inflation, the Johnson administration high-interest rates.

"We believe the American people deserve a better deal," Ford said.

"Are we in a fix?" said Dirksen. "The imbalance of payments, the debt goes up while the gold goes down."

"And the prices go up," Ford said.

"And crime goes up," said Dirksen.

House Democratic Leader Carl Albert of Oklahoma panned the Dirksen-Ford performance as "one of the oldest reruns in American political history."

In Omaha, Neb., former Vice President Richard M. Nixon told a Creighton University student gathering the GOP could learn something from the Democrats when it comes to smoothing over breaches in party unity.

* * *

"Democrats can have some very bitter fights, but when they get down to the wire they usually unite for the purpose of winning," Nixon said.

In this respect, Republicans will act "more like Democrats" in next year's elections and "as a result get more Democratic votes," he said.

MRS. THOMAS E. FOOTE

Bridal Pair Depart for Trip to Hawaii After Nuptial Mass

Newlyweds, Thomas E. Foote and his bride, nee Sharon Aileen O'Laughlin are honeymooning in Hawaii for two weeks following a nuptial mass Friday evening.

★ ★ ★

For the ceremony in St. Hugo of the Hills Catholic Church, the bride chose a rose cream satin ensemble. Reembroidered lace accented the modified Empire silhouette at the bodice, sleeves and skirt.

★ ★ ★

A satin crown secured her illusion veil. She carried a white orchid bouquet centered on a family prayerbook belonging to her grandmother.

★ ★ ★

Maid of honor was Kathleen O'Laughlin with Mrs. Michael Genette of Detroit as matron of honor. Mrs. Edward Brady of St. Clair Shores and Kathleen Foote of Ellsworth, Kan. assisted as bridesmaids.

BEST MAN

William Giovan of Detroit performed best man honors with Andrew Sullivan of Royal Oak and Michael and Mark O'Laughlin as ushers.

★ ★ ★

A reception at Devon Gables honored the newlyweds prior to their departure.

Parents are the James O'Laughlins of Hamilton Road, Bloomfield Township and Mr. and Mrs. Thomas F. Foote of Ellsworth, Kan.

Doctors, Clergy Worried About Abuse of Power

LONDON (AP) — Some British doctors and clergymen are worried that the successful heart transplant case of Louis Washkansky in South Africa has given doctors new God-like powers to decide who lives and who dies.

★ ★ ★

Granting the Dec. 3 surgery in South Africa was a medical triumph, the doctors and clergy fear a conflict may arise between a doctor's duty to do all he can to save a patient's life and the doctor's anxiousness to save another patient's life by transplanting a heart, liver or other vital organs from the first patient.

★ ★ ★

Washkansky, meanwhile, said Friday night in Capetown he felt "100 per cent." In a tape recorded interview he also commented, "I feel very lucky to be the first man in the world to have a new heart."

In a letter to the London Times a Birmingham surgeon wrote:

★ ★ ★

"What is the next step—removal of a vital organ from a cancer patient who will probably die in six months, or from a mongol child who may not survive beyond the age of 20? I think we must watch our step."

The Rev. David Bartle, an Episcopalian, expanded on the same theme in another letter.

ETHICAL PROBLEM

"It would seem that an old ethical problem about the preservation of life is being presented in a startling new form, since the heart must be taken from the donor so soon after death."

★ ★ ★

This, he said, raises the question of when death occurs — when the heart stops, when efforts to revive the heart fail, or when the doctor says death occurs?

★ ★ ★

The danger, he warned, is that "a hurried approach may lead to abuse of possible donors."

At the Royal Bristol Infirmary doctors planning the first human liver transplant in Britain due to take place in the next two or three months, now face these questions.

★ ★ ★

Prof. A. G. Riddel, head of surgery at the infirmary, said: "Anybody who comes into hospital, irrespective of whether he is a potential donor, will be treated with the best medical skill to save his life.

"He will not be treated by those who are going to perform a transplant. One cannot have a vested interest in a patient's death."

Santa Claus Needs Some Assistants

If your club would like to donate time as Santa's helpers this season, there are many unique ways to lend your time or talents to health, welfare agencies and hospitals in Oakland and Wayne Counties.

★ ★ ★

Organization group projects could involve gifts like record players, clothing, toiletries, sewing machines, tape recorders, all delightful gifts for the ill, aged, the blind, lonely or the needy.

★ ★ ★

Fun Christmas parties, with refreshments and small gifts are always a hit, and even caroling groups and puppet shows.

Should your group like to take on an entirely new assignment contact the Oakland County Volunteer Bureau in Birmingham.

The General Motors Girls Club always dresses dolls for underprivileged children at Christmas time. Representing the group who have clothed between 200 and 300 dolls this year are Mrs. Clayton Wideman, Commerce Lake, (left) from Fisher Body and Betty Bemis, Troy, from General Motors Truck and Coach. Unable to be present was the representative from Pontiac Motor Division.

Ortonville Woman's Club Plans a Museum for Area

By JUNE ELERT

The Ortonville Woman's Club has determined to establish a museum to serve the people of the Ortonville area.

A strong sense of educational values inherent in such a project governed their decision to make their project a general museum rather than a limited exhibit of pioneer type.

They report that a fine response has been received from the people of the area, with many expressing interest in donating items, time and money to the project.

A building to house the museum is the most pressing need. Several locations are under consideration. It is hoped that a site may be obtained that will, in its architecture and surroundings, complement the nature of the exhibits that will be viewed there.

All contributions of appropriate items will be accepted and stored until they can be exhibited.

The 35 members of the club are interested in obtaining items in all fields including art, history, science, industry, and periodicals and documents relating to the immediate area's settlement and development as a community.

★ ★ ★

Mrs. Bliss Turnbull of Grange Hall Road is serving as finance chairman of the project with assistance of Mrs. Lavern Boutell, Dorah Young and Marguerite Farmer.

Research chairman is Mrs. B. L. Hamilton. Her committee consists of Mrs. Benjamin Westerby, Mrs. Joseph French and Mrs. Lester Westlake.

Mrs. L. V. Kline of Groveland Road is general museum chairman.

Week's Winner Offers Advice on Subject

By ELIZABETH L. POST

I am printing the following letter because I hope that it will encourage other girls to visit the families of the boys in Vietnam. Mrs. Horton's letter has been chosen as the prize-winning one for this week and a copy of Emily Post's Etiquette has been sent to her.

★ ★ ★

Dear Mrs. Post: I just wanted to commend you on your reply to the girl friend of a Vietnam serviceman. My brother, a Marine, was killed in Vietnam. My parents live 400 miles away, and I was unable to visit them immediately upon his death (month-old twins and a toddler slow down my progress).

★ ★ ★

A girl my brother dated went to my parents. She attended the wake and the funeral (which was held during a blizzard). Her graciousness and generosity with her time comforted my parents greatly.

She was a friend of Jim's and it somehow brought him closer. So I speak from experience when I say that the parents of the men in Vietnam are our walking wounded. They live in constant fear, well muffled.

★ ★ ★

They are constantly tuned in to the news reports. They suffer. And since somehow it helps to have their sons' friends visit, God bless the friends that do.

★ ★ ★

Whether you morally agree or disagree with the war in Vietnam, I wish we could have a national Support the Parents of the Boys in Vietnam Day, because they are the ones who are supporting our boys. Thank you for giving me this opportunity to sound off. — Joan Horton.

If Husband Has No Objections and Children Want This, Why Not?

By ABIGAIL VAN BUREN

DEAR ABBY: Gordon and I have been married for six months and I have just about had it. This is the second time around for both of us. We both have teen-aged children. His live with their mother, and mine live with us.

ABBY

Gordon's ex-wife calls him almost every evening to discuss some "problem" she is having with the children. I don't call my ex-husband every night with "problems" concerning our children.

Am I wrong to object to Gordon's ex-wife bothering him so much? Now they are divorced I feel he should be finished with her. He sees his children every Sunday, and I think if his ex-wife has any problems to talk over with him, she should do it then.

I would like your opinion.

HAD IT

DEAR HAD IT: Gordon may very well be "finished" with his ex-wife, but no proper father is "finished" with his children until they are grown and on their own. If Gordon feels that his ex-wife is "bothering" him, it is up to him to tell her so.

If he doesn't complain, perhaps he wants to be made aware of his children's problems.

Yours is the battle every woman fights when she marries a divorced man whose children live with their mother. If you are wise, you will be both patient and silent.

★ ★ ★

DEAR ABBY: My husband and I were divorced four years ago, but the flame is still burning, and we see each other quite often. Lately he has been coming over here for dinner and then we watch TV together and he sometimes stays all night. My problem is the neighbors.

They know his car, and they see it parked in my driveway all night, and I understand they have been running their mouths a mile a minute. We are both more than 40 years of age, and I think what we do is our own business. Right?

TALKED ABOUT

DEAR TALKED: What you do is your business, but you should be aware that you are doing business without a license.

★ ★ ★

DEAR ABBY: Our son is going to be married to a very high class girl. I mean she comes from very high society people. The girl's mother asked me to give her a list of friends and relatives we want invited to the wedding, and she didn't set any limit!

She said we could invite as many as we wanted as the church will hold 1,500 and they are inviting their whole family.

I hope I don't sound like a snob, but we have some relatives we see only at funerals, and to tell you the truth, I don't think they'll fit in very well with the girl's people. Can I invite just part of our family without inviting them all?

GROOM'S MOM

DEAR MOM: Everyone has relatives who won't "fit in" everywhere. If you invite the whole family, the other side will probably have a lot of relatives who will fit in just dandy with some of your misfits.

★ ★ ★

CONFIDENTIAL TO "D": Yes, it is easier to give up smoking if one substitutes something else for it. But don't punish your friends, by substituting bragging for smoking.

Are You Bride-to-Be?

Are you planning a wedding?

We are interested in having your engagement and wedding news. But we need your cooperation.

The Pontiac Press has printed forms for both engagement and wedding announcements. But you may send in the details, giving full names and addresses (husband's names for a married woman) and other pertinent details.

Please include a telephone number so that we may check if necessary.

TIME LAPSE

There must be four months between engagement and wedding stories, if there is to be a picture with both.

No engagements are announced less than a month before the wedding date.

We prefer to receive wedding stories and pictures before the ceremony. If pictures are taken at the wedding, we must have them no later than two days after the ceremony (that is, by noon Tuesday for Saturday weddings.)

If the wedding takes place out of town, this deadline is extended.

BEST PICTURES

Pictures should be black and white, preferably glossy prints. Snapshots cannot be used. Color and tinted prints are not acceptable.

While The Pontiac Press makes no promise to use every picture submitted, some printed mention of the event will be made.

There is no charge for editorial space, but it cannot be reserved nor can we promise the size of picture or its position.

Engagement and wedding pictures are kept for two months, then discarded. They may be called for any time after publication.

MRS. RICHARD K. GOULD

Richard Gould Weds in Ohio

First Methodist Church in Newark, Ohio, was the setting recently for vows exchanged by Margaret Anne Thumm and Richard Kent Gould.

★ ★ ★

Carrying a bouquet of white Sweetheart roses with ivy, the bride was gowned in a sheath of peau de soie trimmed at the bodice and sleeves with Alencon lace and pearls.

Her bubble veil was capped with a bow.

★ ★ ★

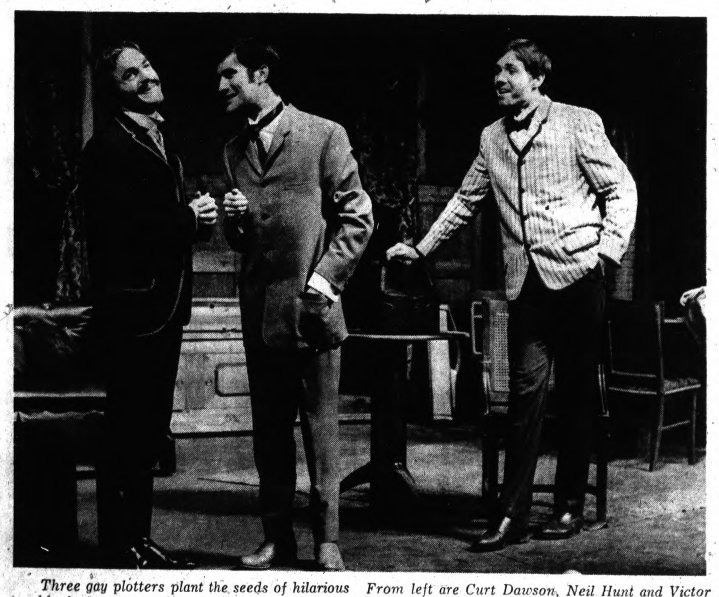
Honor attendants for the candlelight wedding were Nancy Shultheis and Richard Lam.

Other members of the wedding party were Jeanne Mulder, Thomas Kennedy, the Jeffrey Thumms and the Herbert Swartwoods.

★ ★ ★

A reception honoring the newlyweds at the Holiday Inn preceded their departure for a honeymoon trip to the Bahamas and New York.

Parents of the bridal couple are the J. Randall Thumms of Newark, Ohio and the Richard B. Goulds of Lake Angelus.



Three gay plotters plant the seeds of hilarious trouble during a scene from the John Fernald Company production of the vintage slapstick farce "Charley's Aunt" at the Meadow Brook Theatre. From left are Curt Dawson, Neil Hunt and Victor Holchak. The show opened Friday and continues through the holiday season.

Area Camp Fire Girls at All-Council Party

Ninety-six Camp Fire Girls attended the first all-council Christmas party for fourth, fifth and sixth graders Thursday afternoon at the Community Services Building.

Planned for the girls by local staff members, the party included skits, games, songs and refreshments.

Mesdames Judy Davison, Jane Grant, Ruth Plew and Dorothy Grahek were in charge of arrangements, assisted by group leaders.

The Pontiac Area Council of Camp Fire Girls is a member organization of the Pontiac Area United Fund.

Nuptials By Candlelight

MRS. LAWRENCE TERNAN

A candlelight ceremony in the chapel of Strathmoor Methodist Church was the setting recently for vows spoken by Suzanne Stough and Lawrence Ternan.

Parents of the bridal couple are the Gerald D. Stoughs of Detroit and the William Ternans of Southfield.

For the double ring rite, the bride was attired in ivory peau de soie fashioned with a chapel length train.

Peau d' ange lace highlighted the gown's Empire bodice styled with a bateau neckline.

Her silk illusion veil was held with a crown of matching lace. She carried a colonial bouquet of white roses and ivy.

★ ★ ★

Mrs. John McEuen and Sharon Stough attended their sister as matron and maid of honor with James Moore as best man and ushers Lynn Ternan and George Burnard.

Prior to their departure for a two week wedding trip to the Carribean, the newlyweds were honored with a dinner in the fellowship hall of the church.

WNFGA Unit Gives Presents

A gift exchange highlighted Wednesday's Christmas meeting of the Lorraine Manor branch of woman's National Farm and Garden Association.

In an effort to bring Christmas to others, each member also donated a gift for the Lapeer Training Home, an annual practice for the past 10 years.

★ ★ ★

To conclude the evening, hosted by Mrs. Robert J. Smith of Fernbarry Drive, Mrs. John Phillips showed films of her European trip.

Falls Crossed

Blondin, a French acrobat, crossed the gorge just below Niagara Falls on a tightrope. He repeated his feat several times in the summer of 1859, once carrying a man across the gorge on his back.

Daughter's Vows Told by Parents

Mr. and Mrs. Kenneth Sprung of Lorena Drive announce the recent marriage of their daughter, Joyce Fox, to Robert Moffet.

The bridegroom is the son of Mrs. A. B. Moffet of Kalamazoo and the late Mr. Moffet.

For the evening ceremony in Central Methodist Church, the bride was attired in a white day length suit. She carried red camellias.

Attendants for the vows were the bridegroom's mother, and the bride's father.

Annual Festivities Noted by Chapter

Mrs. Michael Gollogly and Mrs. Robert Smith took part in Wednesday's program at Xi Gamma Alpha chapter, Beta Sigma Phi's annual Christmas party.

The Kennett Road home of Mrs. Vincent Schneider was this year's setting for the traditional event. Guests present were Mrs. A. Byron Barnes, Mrs. Clyle Haskill and Mrs. Clifford Wilcox.

Freshman Coed to Compete in Balloon Flying

ST. CLOUD, Minn. (AP) — Almost before she was old enough to stop playing with balloons, Debbie Kath started going up in them, to become one of the youngest female hot air balloonists in the nation.

The 18-year-old freshman at St. Cloud State College is secretary and membership chairman of the Aerostat Society of America's Twin Cities chapter. She made her first ascent two years ago in a balloon that was attached to the ground by a rope.

★ ★ ★

She now owns two balloons and is planning to fly in competition. "It's a good reason for me to keep my weight down," she laughs, "because it's much easier to get a light payload off the ground."

Mr. and Mrs. Carl A. Romig of Troy celebrated their golden wedding anniversary recently. Long-time circus performers, the couple was married in 1917 when Elizabeth Rooney, Ringling Bros. "Queen of the high wire" said "yes" to Carl, "Most daring of wild west cowboys." They will be appearing together Sunday at the Elks Lodge children's Christmas party in Pontiac. They have three children, Grace, Irvin and Fay.

Your Neighborhood Pharmacist

A 'SECRET' MESSAGE
Upon receiving a prescription from your physician, what is the first thing you do? Of course, you try to read it. Most often you don't understand all of the words. Why the secrecy in a prescription?
There is none, really. What you are looking at is simply the language of medicine—the expression of your physician's decision on what drug you require, how much you need and how it should be taken. Your prescription is a brief, accurate note of all this priceless information.

Columnist Thinks He's 'Mr. High and Mighty' Now

By DICK WEST

KITTY HAWK, N.C. (UPI) — High honors fall upon newspapermen in gay profusion, and frequently in lieu of money.

WEST

Being constantly lionized make us reporters rather blase about such things as winning the Pulitzer Prize. Or, as in my case, not winning the Pulitzer Prize.

But there are still a few encomiums that can give a journalist a thrill, one of which has just come my way.

I thought I had capped my career a couple of years ago when I was invited to serve as a judge in the contest to choose the west Tennessee okra queen.

However, that treasured moment has now been surpassed, if possible, by a new accolade.

I am referring to the invitation that brought me here from Washington to deliver the keynote address at this year's meeting of the Man Will Never Fly Memorial Society (MWNFMS).

To view this laurel in its full glory, one must realize that MWNFMS (pronounced "birds fly — man drinks") is facing a new crisis.

MWNFMS was organized in 1959 to counter the insidious propaganda being spread by the Kill Devil Hills Memorial Society (KDHMS), which was formed to commemorate the so-called "first flight."

By dint of hard work, coupled with hard liquor, MWNFMS was able to convince even the most gullible squares that the Wright brothers really were just putting us on. KDHMS then disbanded in disgrace.

But MWNFMS's rejoicing was short-lived, although strenuous while it lasted. For there has now sprung up something called the First Flight Society (FFS), which is bent on reviving the old manned flight myth.

Ordinarily, MWNFMS has an internationally unknown celebrity as its keynote speaker. But this year because of the new threat from FFS, MWNFMS strategists felt they'd increase the oratorical power by inviting a world-famous nonentity to address them.

The finger of sagacity pointed to Y'r H'mble' C'rr'sp'nd'nt as the logical instrument to deliver the coup de grace to FFS and offhand I can't think of a better choice.

Actually, it probably won't be much of a contest. I expected to have the upstart FFS on the ropes before MWNFMS's annual cocktail party is 36 hours old.

* * *

Manned flight? Ridiculous. In fact, the whole idea would be laughable if it were not so funny.

For Waterford Children

JCs Plan Shopping Tour

The Waterford Township Jaycees and Jaycettes will conduct their annual Christmas shopping tour for a group of selected children from the township's elementary schools Tuesday night.

The 24 children selected to take part in next week's outing range in age from 6 to 12.

The Jaycees have more than $200 budgeted for the children to buy gifts for other members of their families, according to project chairman Joe Bigler of 681 E. Preda, Waterford Township.

A special gift counter will be set up for the children at the S. S. Kresge Co. store at Pontiac Mall.

* * *

The Jaycees will drive the children from their homes to the Mall and to the Community Activities, Inc., building, 5540 Williams Lake, where they will wrap their gifts and be served refreshments.

Then the children will be driven back to their homes.

Pontiac Central Ambushed; Northern Posts Third Victory

Errors Costly as Chiefs Fall to BC Central

By JERE CRAIG

A pow wow is needed in the Pontiac Central basketball encampment.

The unwary PCH cagers were anything but Chiefs Friday night as they ran into a 65-61 ambush by Bay City Central.

Their inept performance, especially in the final three quarters, was marked by a lack of leadership on the floor.

The logical inspirational leader, All-Saginaw Valley performer Alton Wilson, spent most of the final three quarters on the PCH bench due to personal foul trouble.

Bay City's Wolves refused to quit when they fell 10 points behind four times during the middle of the first half. They forced PCH into repeated ball-handling mistakes with a pressing defense.

The visitors, after a 4-for-18 exhibition from the field in the first period while PCH hit 9 of 20, roared back by making 8 of 13. Mike Beall came off the bench to spark the surge with eight points.

REBOUNDS

He also helped overcome Pontiac's rebounding edge with some key retrieves under the BCC offensive basket. John Ewing added to the comeback with seven points.

The Wolves went to their lockerroom behind by only three, 38-35. They took complete charge in the final half.

The score was tied at 41 and 43 before the visitors moved ahead for good. Again, Beall was instrumental, scoring eight more and then All-League candidate Dennis Way broke open the contest with five straight points that made it 50-43.

It was 54-45 at the quarter's end, and Wilson had fouled out with more than 11 minutes to go. BC Central upped its lead to 60-47 on four free throws by David Maxim before Walter Causey led a late PCH charge.

Scoring 12 of his 16 points, the 6-3 substitute forward brought the Chiefs back into the game but not soon or close enough to avoid their second loss after an opening nonleague win.

The Wolves (2-1) slowed their offense down, taking only three shots in the final period. The change and PCH's pressing tactics induced a significant increase in mistakes, but the Wolves never lost their poise.

BAD SPELL

The Chiefs, though, had already played themselves out of the game in a horrendous third quarter. Making nine turnovers, they managed only eight field goal attempts and just seven points.

Coach Fred Zittel used six substitutes and none of them was able to take charge. The result was a stunning upset victory for BC Central.

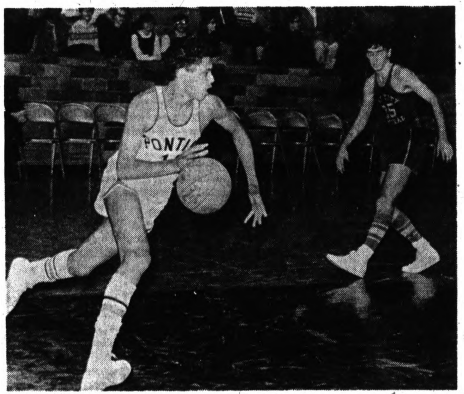
DOUBLE TEAMING A WOLF — David Maxim (25) of Bay City has his path to the basket blocked by Rudy Churchwell (jumping) of Pontiac Central and the Chiefs' Leonard Cole (32) prevents Maxim, who scored 16 points for BC Central's Wolves, from moving up into the lane. The action occurred during the first half of last night's Saginaw Valley Conference clash at PCH.



BREAKING THE PRESS — Bay City Central bothered Pontiac Central with a pressing defense Friday night while registering a stunning 65-61 upset conquest at PCH. However, the Chiefs' Louis McNeir (with ball) breaks clear during the third period as the visitors' David Maxim (25) isn't in position to head off the slender backliner.

Falcons Outshoot Waterford, 65-56

By DON VOGEL

Farmington's Falcons had the most important ingredient in any basketball game on their side last night.

The Falcons consistently put the round ball through the hoop while Waterford's Skippers did just the opposite. Net result: Farmington posted its first victory of the season, 65-56.

★ ★ ★

The Falcons had dropped four straight. They are 1-1 in Inter-Lakes competition.

The setback was the initial league start for the Skippers who are 2-2 overall. And the most embarrassing part about it was that they couldn't find the range on their own floor although they had plenty of good opportunities.

"This is the second straight game we haven't been able to hit," said Waterford coach Bob Taylor. "We missed too many close in shots."

A three and a half minute collapse in the third period actually was the turning point in the game. Until that time, neither team could gain more than a six point lead.

★ ★ ★

Farmington held such a margin with a minute to play in the first half, but Waterford rebounded to cut their halftime deficit to 30-28.

ZONE PRESS

With two minutes gone in the third period, Farmington, leading 34-32, the Falcons went into a full court zone press and the Skippers came to grief.

★ ★ ★

They had two passes intercepted, one go out of bounds and the ball stolen twice. Mark Lynott of the Falcons hit four straight shots and Doug Hamilton dropped in a two pointer.

Waterford's only score was a layup by Bob Thomas, it took Taylor two timeouts and three players from the bench to straighten out the Skippers.

By then, Farmington had a 44-34 lead and the Skippers were never able to get closer than 51-47 early in the fourth quarter. They still had ample opportunities to overtake the Falcons, but the ball kept spinning in and out and rolling the wrong way off the rim.

Hamilton, scoring two baskets to a quarter, took game honors with 20 points. Lynott was next with 14. He and Randy Cleveland wrestled control of the backboards away from the Skippers during the crucial third period action.

★ ★ ★

The Falcons had a few bad moments with their ball handling, but otherwise played a steady game. Bill Foley was high for the Skippers with 12 and turned in a good performance on the boards. Regular Gary Pullins of Waterford missed his second straight game because of illness.

Snowmakers at Work on Area Ski Slopes

Local ski resorts have turned on the snowmaking equipment in anticipation of a wintery weekend and limited skiing is planned.

Alpine Valley, Mt. Brighton, Pine Knob, and Mt. Holly expect to remain open all weekend. There may be skiing, too, at Mt. Christie and Grampian Mountain.

Skiers are urged to call the resorts to confirm operating hours and the amount of slopes ready for skiing.

Huskies Romp to Second Win in League Play

By FLETCHER SPEARS

The way in which Pontiac Northern's Huskies have been playing, one would never suspect that some pretty fair talent is missing.

★ ★ ★

The Huskies have rolled to a 3-1 record — the only loss coming in overtime to Highland Park — without the help of a couple of tall performers who were high in Dick Hall's plans before the season opened.

At Walled Lake last night, the Huskies played what Hall termed a 'flat performance' in turning back Walled Lake 75-50, for their second victory in Inter-Lakes League competition.

Still missing from the lineup are forward Dana Coin (6-2), a regular last year, and center-forward Stan Allison (6-3), who saw a lot of action in a relief role last season. Both are recovering from football injuries.

★ ★ ★

Without those two, the Huskies still have averaged 82 points a game, so Coin and Allison may have to hustle to get back into the lineup.

READY TO PLAY

Coin was on hand last night but Hall held him out of action, preferring to give the senior's ankle a little more time to mend. He should be ready for the Dec. 29 clash against Pontiac Central.

★ ★ ★

Walled Lake's new coach, John Oswald, had hoped to slow down the speedy Northern attack, but a poor shooting evening plus numerous floor mistakes sent the Vikings to their second defeat in three outings.

With Bob Traylor (6-3), Don Hayward (6-3) and Ed Moncrief (6-1) controlling the backboards, and Mike Clancy and Craig Deaton turning in their usual reliable performance at the guard spots, the Huskies raced to a 38-25 halftime lead and broke the game open in the third quarter as they built up a 64-33 margin.

Walled Lake ran into cold streaks midway in the first and the third periods and scored only 15 points in those two quarters. With the score 42-29 early in the third, Northern erased any Walled Lake hopes of victory by scoring 16 points in a row to open up a 30-point lead, 59-29.

★ ★ ★

Traylor came through with his finest performance of the campaign as he scored 20 points and led the team in rebounds.

HELP IN SCORING

Deaton, who had the tough assignment of guarding the Vikings' ace Greg Fogle, came through with 15 points. Moncrief tossed in 13 and Mike Clancy added 12.

★ ★ ★

Fogle took scoring honors with 21 points, with most of his baskets coming from long range. Tim Alderson helped Fogle with 11 markers.

★ ★ ★

For the evening, Walled Lake hit on only 20 of 60 shots, while Northern hit about the same but shot more often in making 30 of 88. In the rebounding department, Northern held a 61-43 edge.

Captains Sail, 67-55

Kettering Dumps Lapeer

Waterford Kettering amassed a comfortable cushion early and stayed just out of Lapeer's reach in the final half for a 67-55 victory Friday night.

The Captains held Lapeer without a field goal in the opening quarter and took a 17-4 lead. The Panthers finally hit for four buckets in the second period.

However, Kettering stayed on target and had 16 of its 23 field goals at the intermission in taking a 39-17 lead to the lockerroom.

But the host quintet also was in foul trouble. Center Dave Powell fouled out in the third session without adding to his 11 first-half markers

Another starter, Rick Colonna, also went to the sidelines on personals, while seniors Pete Evans and Gene Rankner had to finish with four fouls each.

Evans did manage to put 12 more points to his 14 in the opening half to lead all marksmen with 26 points. WKHS saw eight points whittled from its advantage in the third quarter.

PACE SLOWS

Lapeer also outscored the Captains in the last quarter but never seriously threatened to gain the lead as the winners slowed the action and used free throws to maintain a safe lead.

John Rice and Bill DesJardins netted 18 and 15 points, respectively, to lead the Panthers' offense. The visitors had a 14-7 margin from the field in the closing half drive.

The defeat left Lapeer winless for the season. Both it and Captains played in the Tri-County League last season and will be moving into new circuits in 1968 after one season in an independent status.

★ ★ ★

Kettering now is 2-1, having lost only at North Farmington in a tense opener. Evans had scoring help from Joe O'Connor who tallied 15. O'Connor and Powell combined for 11 of the Captains' first 17 points.

Al, Tigers Agree

DETROIT (AP) — Al Kaline, the Detroit Tigers' slim slugger and golden gloved outfielder, became the first player Friday to sign his 1968 contract with the American League baseball team.

The contract terms were not officially disclosed but Kaline, who will be 33 next week, will reportedly get about $60,000.

★ ★ ★

Kaline walked into the ball club's offices at Tiger Stadium and came to terms with Jim Campbell, general manager, in less than five minutes to maintain his record of the past four years of being the first player on the team to sign his contract.

★ ★ ★

Kaline led the Tigers in 1967 with a .308 batting average, third in the American League. He hit 25 home runs in spite of a broken hand which caused him to miss a month of regular season play and the All-Star game.

Playing in his 16th season last year, Kaline was selected for the All-Star game for the 13th straight year.

He also won his 10th Gold Glove Award for fielding excellence out of a possible 11 during his career, a high for American League players.

★ ★ ★

Kaline hit his 300th home run of his career last August and needs only three more for 307 to pass Hank Greenberg as the team's all-time leader.

★ ★ ★

Kaline has a lifetime batting average of .305, has played in 1,993 games, has picked up 2,228 hits in 7,315 at bats and has scored 1,209 runs.

CHICAGO (AP) — Jesse Mangham scored 36 points as unbeaten Ferris State won its third straight basketball game by pounding Chicago State Teachers 80-65 Friday night. Sy Coleman had 32 for Chicago, now 1-2.

Detroit DeLaSalle Nips Brother Rice

Unbeaten Detroit DeLaSalle rallied to outgun Birmingham Brother Rice, 63-59, Friday night and hand the Warriors their second loss in three outings.

★ ★ ★

Dennis Busser scored 12 of his 19 points for the winners in their last quarter surge. His three straight baskets put DeLaSalle ahead, 50-48, and the Pilots never trailed, again.

Lee Hart's 10 first-quarter points gave Brother Rice an early 15-10 lead. It was 28-24 for the Warriors at intermission, and they were ahead 44-42 after three quarters.

Brother Rice had 25-20 field goal advantage but the Pilots (3-0) took the decision with a 23-9 margin from the charity stripe. Hart's 24 markers led all marksmen.

Bulldogs Break Utica's Stall

Double Overtime Win for Falcons

Romeo's high scoring quintet encountered the stalling tactics of Utica's Chieftains, but the Bulldogs had an easy time in recording a 51-36 victory.

Rochester stayed in the race as a threat to Romeo by defeating Clawson 50-48 in double overtime, and the Falcons get a chance to bring Romeo down to size next Tuesday on the Rochester court.

Romeo led at halftime 25-20 and then pulled away with a third period outburst which saw Utica score only three points.

Al Craft paced the winners with 14 points, followed by Clyde Cushingberry with 13.

The Rochester game could have ended in regulation several times but the Falcons managed to hit only four free throws out of 17 in the contest.

Leading 25-16 in the second period, Clawson cut the margin to 27-25.

TAKEN OVER LEAD

In the 4th quarter with four minutes left, Rochester led by seven points, but Clawson hit for eight points in 53 seconds to take a one point lead, 42-41.

★ ★ ★

Another bucket made it 44-41, but then Mike Scalley and Mike Phillips hit baskets to give the Falcons a 45-44 lead with 19 seconds.

Scalley made one freethrow, missed the second and it was 46-44, but Nedowicz tied it with 9 seconds and force the overtime.

Each team played for the good shots, but neither made any in the first overtime. Rochester missed one free throw in the stanza.

★ ★ ★

In the second overtime Nedowicz scored his second field goal of the night to give Clawson a 48-46 lead. The Scalley tied it 48-48 and with 40 seconds left Greg Campbell hit his only bucket of the night but it provided the victory.

Rochester had a 4 goal advantage from the floor but poor free throw shooting nearly cost the Falcons the game.

Troy Bursts Orion Bubble

The cage cloud Lake Orion has been riding has suddenly burst.

Troy connected for four fouls in the final 50 seconds to hand the Dragons a 50-47 Oakland A defeat.

Another loser in league play last night was Avondale which fell before Madison 53-47.

Lake Orion led 27-18 at halftime, and held the margin after three periods, 40-36.

Troy however kept cutting the margin and with 50 seconds left Orion led 47-46 when Bill Foss hit a layup. On the play however the bucket was awarded but Lee Law was fouled.

He made both of his 1-1 shots to put Troy ahead 48-47.

Orion got another shot at the bucket but missed and with one second left Troy clinched it with a pair of free throws.

★ ★ ★

Lynn Qalmann led the winners attack with 20 points while Foss had 14 for Orion.

CLOSEST AT FIVE

Madison led Avondale 31-19 at halftime and the closest Jackets manged to get was five points with 4:28 left in the game.

Foul trouble hurt the Jackets as Duane McLaughlin the team's 6-4 rebounder had four on him early in the game.

Meanwhile Tim Blach put on a one-man rebounding show for Madison and he led all scorers with 28 points, Bob Burt had 21 for Avondale and Randy Polasek connected for 16.

Lakers in Slump

OLSM Keeps Rolling

Once-beaten Orchard Lake St. Mary continued its all-winning ways in the Northwest Catholic League last night while the Lakers of Waterford Our Lady stayed in their slump.

St. Mary beat off St. Francis de Sales' first place challenge by an 84-70 count, dropping the losers out of a share of the league lead.

Waterford OLL (1-3) closed strong but couldn't make up all of its early disadvantage and took a 54-47 beating from Royal Oak St. Mary.

The other coleader, Farmington Our Lady of Sorrow didn't report a score but it was a heavy favorite to win at Detroit St. Rita.

Tim Megge poured through 29 points and Greg Fior aided the OLSM cause with 24. Coupled with teammate Tom Sudek's 16 this effort ofset de Sales' balanced attack.

TIGHT GAME

OL St. Mary and its visitors played a tight ball game for three periods. Megge's basket at the 3:04 mark in the third quarter sent the Eaglets ahead to stay at 51-50.

There were 14 ties in the first three sessions, and the score was only 69-64 with less than three minutes to play. But the winners then pulled away.

The visitors ran into personal foul trouble and also had a hard time containing Fior around the backboards, he pulled down 18 rebounds. Both squads made 30 field goals although de Sales took 12 more shots.

St. Mary had considerably more free throws and a slight rebounding edge.

Waterford OLL fell behind, 34-21 at the intermission, then climbed within three points in the third stanza. Dennis McCulloch led the charge with nine points and some strong rebounding.

★ ★ ★

But Bill Moroski and Pete Charette hit key baskets for RO St. Mary. McCulloch, teammate Dan Sioma and Moroski tied for game scoring honors at 16 apiece.

WOLL will meet St. Mary's Eaglets Tuesday night.

Auburn Swim Team Dunked

Dennis Orosz won three events, one as a member of a record-setting relay team, in a losing effort last night as Grand Rapids Junior College dunked Auburn Hills' swimmers in the Oakland University pool, 64-22.

Orosz posted a 24.6-second clocking in taking the 50-yard freestyle, a 54.5 time in winning the 100-yard freestyle and he teamed with Charles McIntyre, Tom Peasley, Dave McWhirter for a school record 3:46.9 in the 400-yard freestyle relay.

South Lyon 5 Wins Despite Loss of Ace

South Lyon lost its top scorer as a result of a back injury in the first half but rolled on to a 73-62 victory over Dundee.

Scott Bennett, sporting a 20-plus scoring average, left the game with a back injury with three minutes left in the second period. He collected 15 points before leaving the contest. Officials were not sure how long he will be sidelined.

With Bennett out of action, sophomore Dave Brandon picked up the slack and tossed in 17 points and hauled in 17 rebounds. Mike Bogusky tossed in 16 and Ed Canfield finished with 11. The win left South Lyon with a 2-3 season mark.

Harold Fiser (18) and Greg Motylinski (11) led Dundee.

Titans Collect Second Victory

Local Quintet Posts 74-64 League Win

Pontiac Catholic threw a good zone defense against taller Ferndale St. James Friday night and recorded its second straight Northwest Catholic League cage conquest.

The Titans downed St. James, 74-64, withstanding a late rush by the home team.

Behind 58-42 going into the fourth period, the Dales cut their deficit to six points midway through the session. Pontiac's Herb Larson and Mike Keller sank clutch baskets, though, to preserve the victory.

★ ★ ★

St. James' Dan Woodgate (18 points), Mike Masterson (17) and Dave Burt (16) balanced the work of Gary Roediger (19), Butch Finnegan (18) and Keller (16); but the winners also had 13 by Larson.

In addition, Roediger and Sam Brady battled the taller St. James frontcourt players for control of the backboards in a manner that earned PCHS coach Walt Wynienko's praise.

Roediger led the rebounding with 16 for the Titans who are now 2-2 in league play. They had both a field goal and free throw line edge over St. James (1-3).

Roeper Drops Fourth Verdict

Trailing 36-18 at intermission, manpower-thin Bloomfield Hills Roeper lost its top two players early in the second half and suffered an 83-24 defeat at the hands of New Boston Huron last night.

★ ★ ★

Roeper's Greg Carter sprained an ankle after scoring 11 points and sat out most of the final half. Guard Dale Scarlett followed him to the sidelines with five fouls and the Rough Riders finished the game with only four players.

New Boston Huron had four players in double figures. It posted a 32-9 field goal advantage on the West Hills JHS floor. Roeper is now 1-4.

Central Tanker Sharp in Loss

John Mason set a record in one event and captured another but it came in a losing cause last night as Pontiac Central dropped a 64-41 swimming decision to Bay City Central.

Mason turned in a 58.1-second clocking in the 100-yard butterfly to wipe out the old time of 58.6. Earlier, he won the 60-yard freestyle in 29.2 seconds.

Mike Boga gave Pontiac Central a win with a 1:08.0 clocking in the 100-yard breaststroke, while the only other bright spot for the Chiefs was a win in the 160-yard medley relay.

Unbeaten Trio Setting Pace in Thumb Race

Almont stayed on the heels of the three unbeaten leaders in the Southern Thumb cage chase last night by dumping winless Memphis, 61-52.

Dryden's bid for its initial victory ended in a 66-57 defeat at New Baltimore Anchor Bay who continues to share first place.

The Tars are 3-0 along with Capac, a 71-53 winner over Armada, and New Haven, a 64-59 conqueror of Richmond.

Almont's Raiders registered their second triumph in three league outings, plus a nonleague conquest of Imlay City.

Bob Hamilton's 21 points and Al Currey's 14 sparked the veteran Almont quintet. The Raiders had a 35-29 margin after the opening two quarters. Mike Falter hit 16 for Memphis.

COLD HALF

Dryden's Cardinals shot at only a 5-for-38 clip in the first half and trailed, 25-16, at the intermission. Anchor Bay then salted away the conquest with a 23-14 spree in the next quarter.

Massive Jerry Martin, a 6-6, 240-pounder, dominated the backboards and scored 28 points for Anchor Bay.

Capac led all the way at Armada (1-2). Jim Sanchez paced the Chiefs' attack with 17 tallies.

★ ★ ★

New Haven had trouble with visiting winless Richmond seeing a 39-31 halftime margin shrink to 47-45 entering the last period.

★ ★ ★

The Rockets' Bill Folson and Scott Belt each compiled 16 points to lead the scoring, although Richmond's Tom Hartway tied them for game honors.

Central Michigan Drops 4th Tilt

NORMAL, Ill. (AP) — Jerry McGreal, George Terry and Steve Arends each scored 21 points as unbeaten Illinois State dumped Central Michigan 81-73 Friday night in an Interstate Intercollegiate Athletic Conference game.

The victory was the fifth straight, but first in the IIAC for Illinois State. Central, 1-2 in the conference, now stands 2-4 over - all. Bob Crocker had 24 points for the Chippewas, which trailed 38-23 at the half.

Oxford Suffers 79-47 Setback

Lamphere Five Falls to Warren Woods

A veteran Chippewa Valley quintet outplayed struggling Oxford Friday night and romped to a 79-47 Central Suburban conference decision.

Warren Woods routed Madison Heights Lamphere, 74-57, in another loop contest.

★ ★ ★

The Chippewa Valley Big Reds had 14 players produce points in their victory with Larry Shook's 13 leading the way. Teammates Dom Riggio and Paul Miller hit 12 and 11, respectively.

Dave Darling of Oxford matched Shook for game honors.

Chippewa Valley moved out to a 21-10 edge in the opening quarter and continued to build its margin over the Wildcats the rest of the night. The winners had 35-13 field goal advantage.

Ferndale '5' Falls 54-49 to Kimball

Southfield grabbed possession of first place in the Southeastern Michigan Association's basketball race Friday night though it will be a short-lived sole occupancy.

The Blue Jays held off Hazel Park, 49-47, in their key meeting for win No. 2 against no losses in SEMA action. Hazel Park is 1-1.

Royal Oak Kimball and Berkley opened their league title bids with victories. Kimball surprised Ferndale, 54-49, and Berkley dumped Birmingham Seaholm, 69-56.

Hazel Park lost its second game this week after a 3-0 start when it couldn' find the range early at Southfield. The host Blue Jays took a 14-6 lead as Paul Hunt hit 12 points in the first 10 minutes. It was 27-14 at the half.

CUT MARGIN

Guards Jim Merchel and Al Petraich finally starting hitting and the Vikings cut the lead to 47-45 with a half minute to play. But Dave Kontry's two free throws settled the issue.

★ ★ ★

At Royal Oak, Ferndale (the preseason title favorite) went down to its second straight SEMA defeat as host Kimball built a 27-21 lead in the opening half and kept the Eagles down the rest of the way. Skip Shader's clutch shooting helped the Knights' stay in control.

★ ★ ★

Like the other two losers, Seaholm had trouble in the first half, falling behind, 36-19. Steve Pykkonen's 16 and Dick Robinson's 15 led Berkley to its victory.

Hot First Half Helps Trojans Nip Clarkston

Clarkston couldn't quite overcome a hot opening half by Clarenceville's Bob Duman Friday night and became the Trojan's initial Wayne - Oakland League victim.

★ ★ ★

Duman dropped in 8 of 11 shots from the field and 17 of his game-high 22 points as Clarenceville took a 36-31 intermission edge.

★ ★ ★

The Wolves fought back within a basket of tying the score several times but couldn't produce the clutch points. Eric Hood's bucket with five seconds to play cut the final margin to a slim point.

Hood made all 12 of his points as second-half substitute for Clarkston (1-2 in the league). Gerry Ostrom added 13 of his 17 in the same span.

The Wolves were hurt noticeably by 30 turnovers. They did have control of the backboards and Clarenceville, thus, was only able to get five more shots from the field.

ON TARGET

The Trojans, however, made four more goals and this accuracy from the floor was a determining factor in the game. Duman had scoring help from Dave Brandemihl (21 points).

Mark Erickson chipped in with 15 to help Ostrom and Hood for the losing Wolves (1-3 over-all). Clarkston will visit Northville Tuesday night for a key W-O contest.

The Mustangs remained unbeaten Friday night but fell from the league lead. A flu outbreak in Brighton this week forced postponement of the Northville-Brighton game last night.

Triumph Over Milford Sends Lakers to Top

Andover Downs Holly, 66-53; Balance Paces W. Bloomfield Win

West Bloomfield shot into the Wayne-Oakland League lead last night at Milford with a 62-47 conquest, the Lakers' third straight in the circuit and fourth overall.

Bloomfield Hills' Andover regained its momentum by topping Holly, 66-53, and grabbing third place with a 2-1 mark. Both winners led throughout these outings.

★ ★ ★

West Bloomfield's controlled offense and balanced attack produced an impressive 19 of 36 mark from the field that could've been even better except for an unusually high number of violations by the Lakers.

Milford managed 18 more shots but made three less while holding its own on the backboards. The winless Redskins stayed close in the first period.

After a 13-12 starting session, West Bloomfield moved to a more comfortable lead as Gary Hahnefeld scored 9 of his 15 points in the second quarter. It was 30-22 at the break.

The lead moved into double figures in the final half. In addition to Hahnefeld, the winners had Steve Westjohn with 14, Dave Karlson 12 and Curt Britton 11.

TWIN GUNS

With Steve Jones leading the way and Roger Hershman enjoying a hot shooting night, Andover thumped Holly. Jones made 15 points and sparked the Barons around the backboards and with his passing.

★ ★ ★

Helping him was Roger Hershman who made 14 points on 7 of 10 from the field. Bob Foreman entered the game as a sub for Hills and helped Hershman with the rebounding.

Holly's Larry Longstreth claimed game scoring honors by making 17 points.

West Bloomfield's next outing against Brighton has been postponed from Tuesday until Friday; Andover will be at Livonia Clarenceville Tuesday.

Oak Park, Groves Share 1st

Falcons Down Glenn to Keep Streak Alive

A familiar name appears atop the Northwest Suburban League basketball standings today, but a surprise contender has also emerged and shares the spotlight.

Two-time defending champion Birmingham Groves trimmed Wayne John Glenn, 63-48, last night for its fifth win in a row this fall, and 38th straight over four regular campaigns.

★ ★ ★

Keeping pace with the Falcons in the NWSAA race is Oak Park who made North Farmington a loser for the first time, 66-60. The other game was an 87-49 romp for Detroit Thurston against Livonia Franklin.

Groves' Jim Cameron tallied 19 and Steve Mims 17 in the Falcons' second league win. Lane Brown added 10 to the attack; and Groves amassed a 26-18 field goal advantage.

John Glenn's points were concentrated between Cary Webb (18) and Steve Decker (13). The Rockets trailed, 36-25, after one half and never drew any closer.

Cameron led the Falcons to a 42-28 rebounding edge by grabbing 17.

SURGE BACK

Oak Park's second NWSAA victory (and third in four tries over-all) found the Redskins trailing, 49-43, entering the last period. They spurted to cut it to 50-49 quickly.

North Farmington and host squad exchanged the lead several times before Steve Kaplan made three baskets and put Oak Park ahead, 61-59, with 1:30 to go.

Larry Sherman then clinched the decision by sinking four free throws. Kaplan's 20 points and Sherman's 13 led the winners' attack.

★ ★ ★

Game scoring honors, though, went to Ron Flutur of North Farmington's Raiders. He hit 11 field goals and 24 points.

Ortonville Five on Short End of 46-31 Tilt

The Black Hawks of Ortonville Brandon couldn't get the close shots and wound up on the short end of a 46-31 score at Lake Fenton last night.

★ ★ ★

Lake Fenton rolled to a 20-12 halftime lead and blew the game open with a 19-8 margin in the third stanza.

★ ★ ★

Larry Braun collected 19 points for the winners, the only player on either team to hit double figures.

★ ★ ★

Barney Brown paced the Black Hawks (1-3) with eight points.

NEW YORK (AP) — Sun Gala finished second to Solo Landing in the Swift Stakes on the opening day of the New York racing season at Aqueduct last March. On Friday, the last day of the season, Sun Gala finished second to R. Thomas in the Sysonby Handicap.

WEIGHTY PROBLEM — Big Wilt Chamberlain (13) of the Philadelphia 76ers carries much of the weight of St. Louis' Bill Bridges as the two battle for a rebound in the first period of their game in Philadelphia last night. The 76ers won, 107-98.

Rams Slight Favorite

Coastal Title at Stake

LOS ANGELES (AP) — The Los Angeles Rams, enjoying their finest hours in a long, long decade, remained a skimpy one-point favorite today on the eve of their struggle with the Baltimore Colts.

At stake is the Coastal Division title of the National Football League. The two teams battled down to the wire in the final contest of the regular season.

★ ★ ★

Memorial Coliseum's 76,000 available seats have been sold out for more than two weeks for this nationally televised game — CBS — with the kickoff set for 1:05 P.M., PST.

The weatherman said there was a chance for showers today and, elements being what they are, it might come up damp Sunday. Los Angeles fans are notoriously kittenish about venturing out in bad weather — oldtimers can't forget that only 27,980 braved a downpour for the Ram-Philadelphia NFL Championship game in 1949—but it will take something extra bad to keep 'em away from Sunday's game.

Johnny Unitas and the Colts could wrap it all up with just a tie and go on to meet Green Bay, the Central Division winners, in Milwaukee next Saturday.

MUST WIN

The Rams must win, period. Baltimore is upbeaten but twice tied. Los Angeles has a 10-1-2 record.

Coach Don Shula's Colts and George Allen's Rams wound up in a 24-24 tie in Baltimore Oct 15. The week previously, Los Angeles lost its only game of the season, to San Francisco.

Since each played tie games again on Oct. 22, Baltimore with Minnesota and Los Angeles with Washington, the two have banged out seven straight victories apiece.

★ ★ ★

The question before last week's Green Bay-Los Angeles was: could the Rams possibly beat two such powerful rivals as the Packers and the Colts in back-to-back games?

The Rams answered the first part with a come-from-behind, 27-24 triumph, one that was earned by a blocked punt and a pass in the final 34 seconds, Roman Gabriel to Bernie Casey. Now comes the second, and doubtless the tougher part of the problem.

FORGOTTEN FIVE

The game figures to be a duel between the quarterbacks, Gabriel and Johnny U: a struggle between a fine Baltimore offensive line, the so-called Forgotten Five, and the Rams Fearsome Foursome, which boasts two All-NFL stars, end David Jones and tackle Merlin Olsen.

In Sunday's other regular season finales, Cleveland's Century Division champs visit Philadelphia, Green Bay's Central kings entertain Pittsburgh, St. Louis is at New York, New Orleans at Washington, Chicago at Atlanta and Minnesota at Detroit.

Dallas, the Capitol Division title holder, played at San Francisco today.

San Diego met the Houston Oilers today at Houston in an American Football League tilt. Sunday, New York is at Oakland, Boston at Miami and Kansas City at Denver in AFL games.

Keg Finals Sunday

Squad Time Corrected

Squads in the Actuals Invitational and in the finals of the Pontiac Open Championship round are scheduled for every one hour 15 minutes Sunday at Huron Bowl.

The final squad of the day is 4:45 p.m. and not 5:45 p.m. as listed in yesterday's pairings, and all bowlers should be sure to be at the lanes at least 15 minutes before bowling time.

The battle will be waged for the $1,000 first prize, followed by prizes of $600, $400, $300, $250, $200, $150 and $100.

The Actual's start at 9 a.m. and the Championship round begins at 1 p.m.

Royals Pin 147-130 Loss on Pistons

DETROIT (AP) — It's getting so that if Dave Bing doesn't get his 40 points, the Detroit Pistons are in trouble.

Bing, the leading scorer in the National Basketball Association, scored only 23 points Friday night and the Cincinnati Royals defeated the Pistons 147-130 in Cleveland.

★ ★ ★

In other NBA games, the Philadelphia 76ers beat the St. Louis Hawks 107-98, the Boston Celtics edged San Diego 114-101, Seattle bumped Chicago 122-115 and San Francisco belted Baltimore 110-97.

★ ★ ★

The Pistons, who dropped four games behind co-leaders Boston and Philadelphia in the Eastern Division race, return to Detroit tonight for a rematch with the Royals at Cobo Arena.

★ ★ ★

Jerry Lucas and Oscar Robertson poured in 31 points each as the Royals took an early lead and never trailed in the victory over Detroit.

THIRD STRAIGHT

It was the Royals' third straight victory and first over the Pistons this season.

Ed Miles, Terry Dischinger and Bing scored field goals to pull the Pistons to within 11 points, 129-118, with five minutes to play. But Lucas and Walt Wesley each scored for the Royals to break the rally.

★ ★ ★

John Tresvant led the Pistons with 27 points and Dischinger added 21.

Muskegon Sextet Grabs Ice Lead

MUSKEGON (AP)—The Muskegon Mohawks zoomed into first place in the International Hockey League, one point ahead of idle Dayton, by nipping the Toledo Blades 3-2 Friday night.

In the only other IHL game on tap, Des Moines beat Columbus 5-3.

★ ★ ★

Muskegon built up a 3-1 lead and hung on for the victory. The Mohawks got goals from Jean - Guy Legace, Bob Smith and Roy Pugh. Barry Jakeman and Duke Asmundson scored for the Blades.

Jim Currie scored the winning goal and Ivan Robertson added one for insurance in Des Moines' victory over Columbus.

RO Shrine Rolls to Easy Triumph Over St. Ambrose

Royal Oak Shrine's steady attack in the opening three periods buried St. Ambrose by 19 points and the Knights coasted to a 66-47 final decision.

With Paul Seymour and Ken Caratelli controlling the backboards, Shrine posted 17 points in each of the initial three quarters to take a 51-32 edge.

★ ★ ★

Seymour and Caratelli combined for 13 markers in the second quarter. The 6-4 Seymour had 13 points and 16 rebounds for the game. Joe Hayner of St. Ambrose led all the scorers with 19.

Shrine is now 2-1 in the Catholic League's AA Division and 2-2 over-all.

Chase Ends for Runner

WARSAW, Poland (AP) — Irena Kirszenstein, Poland's 21-year-old world record holder in the woman's 100 and 200-meter dashes, will be married on Christmas Day to Janusz Szewinski, an engineer and amateur sports photographer, it was announced today.

Wisconsin Nips LSU, Super Soph in Classic

By the Associated Press

Pistol Pete Maravich, college basketball's latest hot shot, fired a Milwaukee Classic record of 42 points for Louisiana State, but it wasn't enough to beat Wisconsin.

The Badgers of the Big Ten edged the Tigers from the Southeastern Conference 96-94 on Mike Carlin's two free throws with 18 seconds left in an exciting first-round game of the Classic Friday night.

★ ★ ★

Pistol Pete, 6-foot-5 soph and son of LSU coach Press Maravich, led a Tiger rally that erased a 13-point Wisconsin lead in the last seven minutes. He fouled out with two minutes remaining and left the court with a slight limp.

★ ★ ★

His fifth personal foul was called on him for charging as he drove for the basket and rammed against a padded basket support. He writhed in pain under the net as the referee blew his whistle and pointed at him as the offender.

Pistol Pete got his 42 points on 16 field goals and 10 of 13 free throws. Joe Franklin led the Badgers with 27.

OTHER GAME

Marquette whipped Florida State 78-58 in the other first-round game of the Milwaukee Classic as the Christmas Holiday tournament period started to gain momentum.

★ ★ ★

Tulsa edged Army 55-53 on Rob Washington's tip-in at the final buzzer and Tennessee walloped Illinois 66-42 in the opening of the Volunteer Classic at Knoxville, Tenn. Santa Clara nipped Chicago Loyola 91-88 and Western Kentucky trounced San Francisco 90-70 in the opening of the Cable Car Classic at San Francisco.

★ ★ ★

Eighth-ranked Davidson, the only team in the Top Ten to see action, beat William and Mary 81-75 at Charlotte, N.C. Kansas beat Cincinnati 67-61 and Kansas State downed Texas A&M 82-77 in the Sunflower Classic doubleheader at Lawrence, Kan. Southern California defeated Oklahoma 76-63 and Los Angeles Loyola humbled Colorado State University 93-69 in a twin bill at Los Angeles.

NEW LOOK — Something new on the college scene — in varsity contests — came last night in Philadelphia as three officials worked the basketball game between St. Joseph's College and Hofstra. Normally, only two officials work a game. The coaches, players and the three referees all felt that the use of three officials was a success. The game was worked by Harold Barr, Harry Pressman and Morrie Kaplan, all veterans of court action.

Lions, Vikings in Cellar Battle

DETROIT (AP)—The Detroit Lions will be battling to stay out of last place in the National Football League's Central Division race Sunday when they take on the Minnesota Vikings in the final game of the season at Tiger Stadium.

★ ★ ★

Loser of the game automatically drops into last place. Detroit, with a 4-7-2 mark, tied the Vikings, now 3-7-3, in their only other meeting this year. That was the memorable 10-10 draw at Minneapolis Nov. 12 when the Lions fumbled 11 times, an NFL record.

★ ★ ★

Detroit goes into the match with the league's two top rookies, running back Mel Farr and cornerback Lem Barney. They were voted offensive and defensive rookies of the year by a panel of Associated Press sportscasters this year.

★ ★ ★

Farr, with 791 yards rushing, needs only 81 yards to surpass the Detroit team record of 872 set by fullback Nick Pietrosonte in 1960.

SEVEN THEFTS

Barney, with seven pass interceptions to his credit, two for touchdowns, will start at cornerback.

★ ★ ★

Coach Joe Schmidt probably will go with Karl Sweetan at quarterback. The second-year signal-caller hit on 13 of 17 passes in a 30-7 victory over the New York Giants last week, including three for touchdowns.

★ ★ ★

But there is no doubt the Lions will be looking for quarterback help after the season. Two of the top reserve NFL quarterbacks listed as possible trade material include Bill Munson at Los Angeles and George Mira at San Francisco.

Mets Swap Davis; Get Tom Agee

The New York Mets have made their most radical move while seeking to erase their image as a serio-comic baseball team by sacrificing Tommy Davis, their best hitter, in a six-player trade with the Chicago White Sox.

★ ★ ★

Center fielder Tommie Agee and infielder Al Weis, both exceptionally fine fielders, were obtained from the White Sox for Davis, veteran starting pitcher Jack Fisher and two minor leaguers, pitcher Billy Wynne and catcher Dick "Buddy" Booker.

★ ★ ★

The transaction was one of two completed Friday only a few hours before the midnight deadline for inter-league trading. In the other one, the Philadelphia Phillies sent pitcher Dick Ellsworth and catcher Gene Oliver to the Boston Red Sox for catcher Mike Ryan plus an undisclosed amount of cash.

★ ★ ★

The Pittsburgh Pirates, disappointed over their sixth-place finish last season, were scheduled to announce a major trade this afternoon. There were hints the deal would be with another National League team—perhaps Philadelphia.

★ ★ ★

"As long as an inter-league deal is completed before the midnight deadline and we are told about it, the trade can be announced at any time," explained a spokesman for Baseball Commissioner William D. Eckert.

★ ★ ★

Davis, 28-year-old outfielder, had a .302 batting average with 16 homers and 73 runs batted in last season. He led the NL in batting while with Los Angeles in 1962 and 1963.

Agee, 25, hit .234 with 14 homers and 52 RBI in '67. He struck out 129 times, third highest total in the AL.

Michigan AAU Outlines State Plans for '68

Fred Mattaei Jr., newly elected president of the Michigan AAU outlined steps taken to strengthen the Michigan Association of the AAU and also announced that five national events will be held in the state during 1968-69.

★ ★ ★

At he National AAU Convention in New Orleans last weekend, Michigan was awarded four national championships and one Olympic trail.

★ ★ ★

The 1968 Olympic marathon trial, the men's 25 kilometer walk are on the calender next year. The Greco-Roman wrestling championship, the senior cross country championship and the senior horseshoe pitching championship are scheduled in 1969.

★ ★ ★

Matthaei, son of Detroit's foremost campaigner who has tried to bring the Olympics to the Motor City for over 30 years, has the task of revitalizing the AAU in the state, which has 145 member clubs and 5,795 registered athletes.

★ ★ ★

In 1957 there were 207 AAU sanctioned events in Michigan.

Bonus Plan OK'd by Big Ten Officials

CHICAGO (AP) — The Big Ten winter meetings ended Friday night with faculty representatives granting bonus football scholarships for the next two years.

Member institutions will have the opportunity of granting 35 tenders a year for each of the next two years or 10 above the limit of 30.

★ ★ ★

The bonus tenders are in addition to the total of 70 permitted by each university for its entire athletic program.

A school not wishing to use its quota of 35 for each of the next two years will have the option of banking the unused tenders for the future as it is under the case of the 30 permitted in previous years.

Swimming Teams to Vie at Wayne

DETROIT (AP) — The first annual Michigan High School Invitational swimming meet, jointly sponsored by The Detroit News and Wayne State University, will be held Jan. 20 at WSU's new Fred Matthaei Building.

★ ★ ★

Based on season performances, the best 16 boys in each of 11 standard high school events will compete in 10 a.m. preliminaries with the eight survivors competing in afternoon finals.

★ ★ ★

Pat Wallace of Ann Arbor's Huron High and president of the Michigan Interscholastic Swimming Coaches Association, has been named chairman of the entry committee.

North Stars' Goalie Keeps Hex on Kings

By the Associated Press

Minnesota's Cesare Maniago has locked Los Angeles in a deep freeze. Oakland's Walt Boyer finally has broken the ice.

Maniago, the North Stars' towering goaltender, blanked Los Angeles for the second time in succession Friday night, turning aside 23 shots in a 3-0 National Hockey League triumph over the Kings.

★ ★ ★

Boyer, meanwhile, ended a 27-game scoring famine with two goals as Oakland whipped the stumbling Boston Bruins 4-1 in the only other game on the NHL schedule.

Minnesota's third straight victory sent the North Stars into third place in the West Division, three points behind co-leaders Los Angeles and Philadelphia.

★ ★ ★

Oakland moved into a fifth-place tie with St. Louis in the West while the Bruins, who have dropped three in a row since Bobby Orr was sidelined with a broken collarbone, clung to their one-point lead over Chicago in the East.

Defenseman Mike McMahon gave Maniago the only goal he needed, early in the first period while Los Angeles was two men short after penalties to Bill White and Dave Amadio.

U.S. Skier Kidd Traveling Sharp Comeback Trail

VAL D'Isere, France (AP) — American skiing star Billy Kidd's comeback seems to be just about complete.

Competing in his first big meet since breaking his leg 18 months ago, Kidd followed up a fine performance Thursday with an even better one Friday, taking third in a special slalom event at the Criterium of the First Snow ski meet.

Added to the fifth he took in the giant slalom Thursday, Kidd was tied for second place in the combined point standings with Jean-Paul Augert of France.

Ahead of them was Austria's Karl Schranz, who won the special slalom, with a total time of 74.55 for the two legs of the 3,200-meter course.

Detroit Tech '5' Drops 126-93 Tilt

SAULT STE. MARIE (AP)—Ron Sober scored 27 points and John Dorr fired in 26 as Lake Superior State overwhelmed Detroit Tech 126-93 in a college basketball game Friday night.

It was the sixth victory for the Lakers, against only one loss. The drubbing put Detroit Tech's record at 4-2.

Except for a 27-26 lead and a 30-30 tie, Tech struggled behind Lake Superior throughout the contest.

Three Cage Officials Not Crowd

PHILADELPHIA (AP) — Two is company, and three is a crowd so the saying goes. But not if there are three basketball officials, all working the same game.

★ ★ ★

Officials Harry Pressman, Harold Barr and Morrie Kaplan, worked the St. Joseph's-Pa. College-Hofstra game Friday night, the first such experiment in a major intercollegiate varsity game. They thought it was great.

★ ★ ★

St. Joseph's defeated Hofstra, 77-69, in what both coaches described as a perfect game for the three officials to work. It matched a rugged rebounding team, Hofstra, against a pressing, ball-hawking St. Joseph's Club. There was enough for three officials to watch.

★ ★ ★

"I liked it very much," said Pressman, the senior official. "Obviously, the coverage was better, especially on goal tending and basket interference. There were no blind spots."

The officials operated out of a triangular setup, with one under the basket, and another in the back court the way two men work a game. The third man extension of the foul line.

When the ball changed hands, the trailing official raced under the opposite basket, the other two rotating.

★ ★ ★

Lou Bender, Philadelphia area representative for the 13-state Collegiate Basketball Officials Association, charted the movements of the three officials and said that not once during the game were they beaten by a fast break.

SHORT CALLS

Bender said the important thing was that the three man setup eliminated long distance judgement calls where an official sometimes has to guess. He said there were 10 or 11 calls on which a two-man officiating team would not have been in a position to make the call.

★ ★ ★

The number of personal fouls called, 42, was about average. Three players fouled out, all within the last three minutes, one with 16 seconds remaining. Two goal tending calls were made and another refused because the third official was in perfect position to see the arc of the ball, Bender said.

★ ★ ★

Coach Jack McKinney of St. Joseph's said the system must have worked because he didn't even notice the officials. Hofstra mentor Paul Lynner felt they had better control of the game than two officials would have had. The players said they noticed little if any difference.

Mrs. King Net Victim

ADELAIDE (AP) — Playing her best tennis ever, Australian Judy Tegart caused a major upset by defeating Wimbledon champion Billie Jean King of Long Beach, Calif., 4-6, 6-1, 6-4 in the South Australian women's singles final today.

N. Michigan in 87-76 Win

FARGO, N.D. (AP) — Northern Michigan defeated North Dakota State 87-76 Friday night in a nonconference basketball game.

★ ★ ★

The Wildcats from Marquette, Mich., sizzled the nets for 59 per cent from the floor.

The three-pronged Northern Michigan attack had Ted Rose and Terry King with 22 points each and Dave Kovack with 21.

Former Nazi Convicted of Rockwell Assassination

ARLINGTON, Va. (AP) — John Patler, kicked out of the American Nazi Party last April, was convicted today of murdering party leader George Lincoln Rockwell.

Patler, 29, faces a 20-year prison sentence. The prosecution had demanded he be sent to the electric chair.

A jury of 10 men and two women brought in the verdict of first-degree murder as Patler watched ashen-faced. As deputies led him from the Arlington Circuit Court room he turned to his lawyers and said, "Thanks an awful lot."

There was no immediate word on whether the conviction would be appealed.

Judge Charles Russell said he would impose the 20-year sentence on Monday.

Rockwell, 49-year-old "fuehrer" of the anti-Negro, anti-Jewish Nazi group, was shot to death while getting into his car at an Arlington shopping center last Aug. 25. Police said his assassin shot from the roof of the shopping center, using a 7.63mm German Mauser pistol.

Patler was arrested a half hour later, about a mile from the scene.

Rockwell was murdered months after putting some clothes into a coin-operated washing machine. He had driven to the self-service laundry from the national headquarters of the party, a run-down mansion less than half a mile away.

Reds Wind Up Sea Explosions

Underwater Tests Set Off Near Aleutians

MOSCOW (UPI) — The Soviet Union announced today it has completed a series of huge "scientific" explosions on the sea bottom less than 100 miles south of the American-owned Aleutian Islands.

From Dec. 3 until yesterday Soviet scientists set off what they called "several underwater charges" weighing from one to five tons.

The tests were held to study "sound propagation in the northern Pacific Ocean and geological construction of the sea bottom south of the Aleutians," an official announcement said.

Tass, the Soviet news agency, said the tests have been completed and the area is free now for foreign navigation.

Both Soviet scientific vessels and naval ships took part in the tests, it said.

An original announcement Dec. 2 had promised to take care to avoid all interference with shipping and fishing in the area.

But diplomatic observers here believe the series—and a similar series earlier in the year — were staged partly in retaliation for an American series of undersea test blasts off the Soviet-owned Kurile Islands last year.

The Soviets complained officials that these explosions endangered a delicate underwater system which warns against tidal waves.

There also was speculation that the Kurile blasts damaged Soviet sonar installations built to detect western submarines off the Siberian east coast.

Luther and Orsini Signatures Found

AVELLINO, Italy (AP) — A parchment sheet bearing the signatures of Martin Luther, leader of the German Reformation, and of Italian Prince Orsini has been found in an old urn in the garden of a monastery in this city inland from Naples.

The document, bearing the date of 1520, has been taken to Naples for examination by experts.

MARKS BIRTHDAY — The Rev. Lawrence C. Babbitt, pastor of First Christian Church, arrives at the church to look over final plans for the celebration of the 50th anniversary of the founding of the church. The congregation met first in a home with just five people attending. The present building is located at West Huron and Osceola. Festive services and ceremonies will be conducted throughout the year with opening observance tomorrow.

First Christian Church Marks Birthday

To Celebrate 50th Anniversary

The congregation of First Christian Church will celebrate its 50th anniversary beginning tomorrow.

★ ★ ★

The anniversary service will officially begin at the 11 a.m. worship hour but the congregation expects to observe the occasion with a special booklet, a Charter-member Sunday and Homecoming Day later in the year.

The first worship service of First Christian Church was held at the home of Edwin Keel, 77 Wisner with five people present.

★ ★ ★

Services were conducted by members of the West Side Central Church of Christ in Detroit.

The group soon grew to 37.

In February, 1918, rooms were rented on the second floor of a building at the corner of Saginaw and Lawrence.

In September of the same year memberss purchased a small cottage on the northwest corner of Henderson and Liberty.

★ ★ ★

In July of 1918 the group became known as the First Christian Church. It was then the congregation hired the first minister.

★ ★ ★

In September, 1919, a red brick building near the Grand Trunk Railroad on the south side of West Huron was purchased with the Rev. Frank Taylor, minister. The building was called the "round house."

BUILD UNIT

In 1928 property was acquired at the corner of Osceola and Huron and the first unit of First Christian Church dedicated Oct. 14, 1928. The Rev. Samuel B. Pack was the pastor.

★ ★ ★

Under the leadership of the Rev. Leland L. Marion the present church building was completed and dedicated May 23, 1937.

Since this time the congregation has been served by the following pastors: The Rev. John D. Garrison, Rev. John W. Frye, Rev. Court Adams, Rev. Raymond L. Wreath, Rev. Duncan D. McColl, and the Rev. Jack H. C. Clark.

The Rev. Elwood Dunn and Rev. John J. Scott served as interim pastors.

Currently the Rev. Lawrence C. Bobbitt is the minister.

IN 1921 — On Dec. 24, 1921 the children in the picture took part in a Christmas program at First Christian Church. The congregation worshiped at that time in a red brick house nearly round on West Huron near the Grand Trunk Railroad. It was sometimes called the octagon home as it had eight sides. The pastor is in the back (right) and Santa Claus is standing nearby with his pack. Perhaps someone in the present congregation will recognize the children. The First Christian Church will open its 50th anniversary services tomorrow at the present location, West Huron at Osceola.

2 Reading Primers Completed by Tripp

Missionary Robert L. Tripp in the jungles of Peru sent a Christmas letter to The Pontiac Press telling of his linguistic work among the Amarakaeri Indians. He is the son of Mr. and Mrs. Leslie R. Tripp, of 139 Illinois.

★ ★ ★

The following are quotes from his letter:

"The Word became a human being and lived among us." — John I:14.

"What a privilege we have of knowing Christ through God's precious word in our own language!

"Now the Amarakaeri Indians are beginning to have that privilege. Here is the same Bible verse in the Amarakaeri language: "E 'batia huabokereken huaboda o'e'uy. Oro'eri o'oka.'

"It was Oct. 20th. Out of the midday haze surrounding the Lima International Airport slipped a beautiful blue and white four-engine prop-jet arriving from Miami.

"A few minutes later out stepped Dick Hyde, my first partner since beginning work with the Amarakaeris eight years ago. It sure was good to be on hand to welcome him to Peru.

"Dick, a Wycliffe member from Phoenix, Ariz., has just complted his linguists and jungle camp training. He is anxious to get into the work of giving the Word of God to the Amarakeeris.

★ ★ ★

"Since leaving the base director's office the last of August, I have completed Reading Primer Four stencils. Now I have Primer Two and Reading Primer Three and Four printed and ready to take to the tribe.

"I have done research and made preliminary translations of Genesis, chapters two and three; and John, chapters one through six. Pray that God will give the people a deep desire to learn to read and the patience and cooperation needed to attend classes regularly.

"Also pray that God will provide a translation informant for me and help in finding vocabulary.

"Senogpa, the Huachipaeri Indian, completed his first year course at the Bible School. Before returning to his village we translated into Huachipaeri 43 selected verses from Mark, John, Romans and I John.

★ ★ ★

"We also translated two hymns and three choruses. "Pray that Senogpa will use the translated material among the Huachipaeris and that God will richly bless his ministry.

"Dick and I are scheduled to go to the tribe and stay until the middle of March when we will return to the base for the Peru branch conference.

"Pray for our health, the Indians' health, the ministry of God's word, and for Dick's language learning progress and adjustment.

"May God give you a joyous Christmas and a fruitful New Year."

In His matchless grace,
Bob Tripp

REV. JAMES B. BLAIR

Lutheran Pastor to Be Installed

The Rev. James B. Blair, new pastor of Lutheran Church of the Master, Troy, will be installed by the Rev. Dr. Frank P. Madsen during the 11 a.m. service tomorrow.

Dr. Madsen is president of the Michigan Synod of the Lutheran Church.

A coffee hour will follow.

This will be the second service held in the new first unit of the church at 3333 Coolidge, Troy. The congregation formerly worshiped in Poppleton School. The dedication of the building is planned for January.

Services presently are Sunday School at 9:45 and 11 a.m. worship.

Pastor Blair, a native of Syracuse, N.Y., is a graduate of Syracuse University and the Lutheran Theological Seminary at Philadelphia.

His wife, Barbara, is also of Syracuse.

The Blairs have three sons, Daniel, 11; Christopher, 6; and Timothy, 4. The family will reside at the parsonage, 2220 Yorkshire, Birmingham.

Christmas Music at Presbyterian

The Chancel Choir directed by Lyndon Salathiel will present a vesper of Christmast music at 5 tomorrow in First Presbyterian Church, Huron at Wayne.

Mr. Salathiel will play several organ selections.

★ ★ ★

During the vesper, infants and children will be presented for the Sacrament of Christian Baptism.

At 7:30 p.m. high school and college young people will gather in the home of the Rev. and Mrs. Galen E. Hershey, 424 W. Iroquois for a Christmas party.

The annual dinner of the Women's Association is set for Tuesday.

The program, installation of officers and gifts are under the direction of Mrs. Robert Anderson, Mrs. B. M. Mitchell and Mrs. Salathiel.

The church will be host to the Lions' Club luncheon and party for handicapped children Wednesday.

Youth Active in Church Work

Some 40 to 50 young people of Bethel Tabernacle, 1348 Baldwin are conducting a visitation program called "Souls for Christ Crusade."

* * *

Every Thursday youth of the church and young married couples meet at the church at 6 p.m.

The young people divide into groups with some going out to visit the sick, others to call at homes to invite Pontiac area residents to church and Sunday School as well as other church activities.

Members return to the church at 7:30 p.m. to report on calls.

The purpose of the evening calls is to draw people into the church. Young people find the calls rewarding as they approach families on the subject of salvation, said Bayliss Adimaro, youth director.

GRACE LUTHERAN

Sunday School classes meeting at 9 and 11 a.m. each Sunday in Grace Lutheran Church will combine to present a special Children's Christmas service at 7 p.m. tomorrow.

* * *

The program entitled "The Cross in the Christmas Tree" was written by the Rev. Richard P. Musser. Mrs. J. B. Forman was assisted by Mrs. R. C. Stuckmeyer in directing the scenes.

R. C. Stuckmeyer in directing the scenes.

Soloists include Mrs. O. L. Smith, Jens Braunstein, Robert Gerds, Karol Kuck and Cindy Hunter. The Women's Choir will assist.

Narrators for the pageant are Linda Gerds, Susan Lowes, Elizabeth Gary, Robin Ewalt, Carol Lukos, Ed Crowley, Kent Hoult, Tim Leggett and Braunstein.

* * *

Fred W. Roux, Sunday School superintendent, announced children will bring their Christmas offering in a special folder, the money is designated for the Children's Home in Bay City Fred Vollrath and Mr. Crowley.

AUBURN HEIGHTS U.P.

New communicant members of Auburn Heights United Presbyterian Church will be introduced to the congregation during the 11 a.m. worship service tomorrow.

* * *

Elders Keneth Davis, James Hulen and Robert Wagner will be ordained and installed; and trustees Mrs. Harry Dyer, Thomas Henson and Dan O'Connor will be installed.

With the use of filmstrip an explanation will be given of the 24 different Christmas crosses hanging in the church windows this holiday season.

* * *

Women of the church will meet at 10 a.m. Monday to pack and deliver cookies to shut-ins of the church and community.

The youth group will rehearse carols at 7 p.m. Monday, then go caroling at the same hour Thursday.

Churches Promote Penology Careers

SPRINGFIELD, Mo. (UPI)— Assemblies of God churches throughout the nation are promoting a campaign to meet what they call "an urgent need for personnel for U.S. prisons." The campaign seeks to attract interested, qualified members and friends to consider careers as prison administrators, teachers, chaplains, counselors, parole officers, athletic coaches, social workers and case workers.

Strengthen Schools by More Books

WASHINGTON (UPI) — The libraries of 38 Baptist schools are being strengthened through the purchase of books and other educational materials made possible by federal grants, the U.S. Office of Education reports.

★ ★ ★

Sixteen of the 38 Baptist schools are American Baptist, 15 are Southern Baptist and one school is related to both the Southern and American Baptist Conventions.

In addition, there is one each General Baptist, Baptist General Conference, Free Will and Seventh Day Baptist Institutions.

The remaining two are independent Baptist schools affiliated with groups of local churches.

★ ★ ★

All but one of the Baptist colleges received the basic grant of $5,000, awarded on a dollar-for-dollar matching fund basis. In addition, most of the schools received supplemental funds for $10 for each full time student

"Home for Christmas" are the Rev. and Mrs. G. J. Bersche, formerly in charge of the Alliance Church pastorate. They are spending the holidays at the home of their son, James at 2075 Highfield, Waterford Township.

★ ★ ★

Now an evangelist who travels across the country preaching and holding services, he also visits foreign mission stations of the Alliance Church.

"It's good to be home again, Pontiac will always be home to us, because of our many friends and long-term pastorate in the community," Pastor Bersche said.

It was in October 1966 that the Rev. Mr. Bersche resigned as pastor of Alliance Church to accept the position of National Evangelist of the Christian & Missionary Alliance.

Since that time he conducted 34 evangelistic crusades in Michigan, Ohio, West Virginia, Pennsylvania and New York.

IN AFRICA

During the months of June, July and August he was in Gabon, Congo and the Ivory Coast, Africa.

★ ★ ★

Evangelist Bersche said "This has been the most exciting, thrilling and rewarding year of my entire ministry. Scores of people have been converted, finding in Christ the solution to their problems.

"The Response overseas has been even greater than in the United States."

While in the Ivory Coast, Pastor Bersche met Dr. Dwight Slater, also of Pontiac. Dr. John Slater are in charge of the hospital at Ferkessedougon.

The Rev. Mr. Bersche's evangelistic schedule for 1968 will take him into nine states. During May, June, July and August he will serve as minister of evangelism in The Philippines and other Asian countries.

Father Lilly Builds Boats for Koreans

YEN PHYENG, Korea (UPI) —The affluence of Connecticut's Fairfield County is helping natives in this remote fishing village in their struggle against disease.

★ ★ ★

A Maryknoll missionary, Father Robert A. Lilly of Rowayton, Conn., contacted friends in his hometown in an appeal for funds.

The response apparently was overwhelming.

Father Lilly was able to build a 46-foot ocean-going boat which he now uses to carry supplies and medical personnel to the islands scattered in his mission in the Yellow Sea.

The boat is named Kil Mo Ho — Bill's Boat — after Father Lilly's younger brother who was killed last summer in Vietnam.

Greek King Thwarted by Young Major

ATHENS (UPI) — Greeks today told of the odyssey of Nickolas Petanis, the young major who ruined King Constantine's attempt to overthrow the ruling junta.

"Nick served as an aide de camp to many generals. He learned from them that a soldier must be a man of action. He applied that knowledge," a friend said.

On Wednesday, when the 27-year-old monarch triggered his move, most of the generals and colonels wavered between king and junta. Many did nothing. Maj. Petanis acted.

Petanis, 35, was assigned to the staff of Brig. Gen. Dimitrios Patilis, governor of northern Greece. In the makeup of military things, Petanis was a spear carrier. But he was in a strategic place.

Patilis' headquarters are in Salonika, the second largest city in Greece, situated on the sea in the northeastern part of the nation. Here lay the Third Army, the deciding force in the mushrooming crisis that came at dawn.

SEIZED HEADQUARTERS

The major learned the king had flown from Athens to Kavala near the Turkish border. Petanis mustered a handful of soldiers and grabbed Third Army headquarters.

He seized the Salonika radio station. This robbed Constantine of the one long-range radio broadcasting station he needed in making an appeal for national support.

Constantine made a taped appeal. It was flown to Larissa where a small power transmitter was available. Loyal pilots tossed out leaflets over cities. But the king's message did not get through to the people.

But it reached generals and their colonels. They wavered. **Constantine wavered. To act threatened bloodshed.** The king and his captains hesitated. Petanis did not.

GIGANTIC BLUFF

The major began issuing proclamations. He proclaimed that his chief, Brig. Gen. Patilis, had taken command of the third army from Lt. Gen. George Peridis, the king's staunchest supporter.

Few realized it was a gigantic bluff. For Patilis was home, ill in bed.

At Salonika, Petanis commandeered tanks, armored personnel carriers and about 200 troops. He pushed toward Kavala. As he moved, he relieved local military commanders whose allegiance to the ruling military junta appeared doubtful.

Late Wednesday night, Petanis' little force reached Kavala. It took Constantine by surprise. The unhappy king learned generals loyal to him had been arrested.

The revolt appeared done. Well-informed sources said Petanis was there when the king, the queen, the royal family and their aides flew off from Kavala to Italy early Thursday.

Constantine received full farewell military honors. Nothing was amiss.

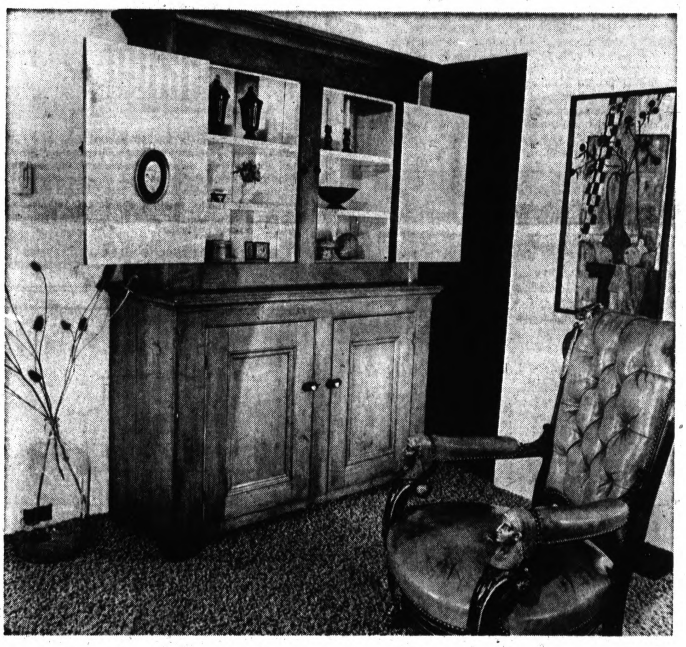
Dark-Stained Fir Strips Add Decorator Touch To Dining Room Walls



Blue Glass Collection Highlights Antique Pennsylvania Dutch Linen Press

Creative Imagination Highlights Interior

By JODY HEADLEE
Home Editor, The Pontiac Press

The house of the Damien Jarzembowskis on Pontiac Street in Oxford is a home full of fun, imagination and comfort. The original portion of the farm-style home is over 100 years old.

"I guess they added a room here and a room there as the need arose," said Mrs. Jarzembowski.

To add sparkle to what was a prosaic dining room, Mr. Jarzembowski fir stripped the white walls. And the glass-faced built-in china cabinet which covers one complete wall was painted white with each frame edged in black.

To cut the amount of sunlight that poured into the cheery room, he made an amber glass storm window for the side window. As an added bonus, the textured glass allows for more privacy. Dressing the window are gold draperies and a white cafe sheer.

★ ★ ★

Antique chairs encircle the round drop-leaf walnut table centered by a dried arrangement of green hydrangea, golden rod and white gypsophilia in a stone-ware jug.

AUTHENTIC FIXTURE

The authentic black wrought iron hanging fixture that lights the room has been electrified for convenience.

The hand-carved oak high chair before the window has had its tray removed and serves as Maria's youth chair. When Maria graduates to the regular side chair, her 18-month-old brother, Timothy, will move up to the practical heirloom.

Asked to describe her decor, Mrs. Jarzembowski chuckled, "Well, if you're going to give it a name, I guess it's 'basement baroque.'"

★ ★ ★

Before the Pennsylvania Dutch linen press is a bronze leather chair framed in exotic woods with Egyptian heads on the arms and roaring lion heads on each side of the back.

"This chair came through my husband's family," said Mrs. Jarzembowski." And it is said that it was given to Napoleon during his reign as emperor by the Egyptian government."

Brass candlesticks with candles of blue, green and apricot create a soft, flickering glow on the black coffee table before the turquoise velvet sofa.

Paintings on the side wall were all done by the Jarzembowskis.

Construction Contracts Set New High

October's contracts for future construction set another new high and extended the record-breaking pace of the two previous months, it was announced today by the F. W. Dodge Company, leading analyst of construction activity and a Division of McGraw-Hill, Inc.

A commitment of $5,053,226,000 for new construction projects in October brought the Dodge Index to its peak of 171. This seasonally adjusted Index (1957-59—100) was 168 in September and 165 in August — each a record high.

Compared with last October, the value of contracts in the latest month was ahead by 23 per cent, with gains in all major categories. Current housing totals were up sharply from their depressed levels of a year ago.

"The construction industry continued to add to its backlog of future work with a record October total of newly-contracted projects," reported George A. Christie, Dodge's chief economist. "But, he noted, "it looks very much as though the period of rapid acceleration from the depressed level of contracting at the beginning of 1967 to the present is about at an end.

* * *

"The blistering pace of the past few months has been partly a matter of catching up with deferred demand — especially for housing," Christie explained. "The renewed upward movement of interest rates, a recent trend that now has been compounded by the chain of financial events leading from the British devaluation, is likely to inhibit construction growth for a time," the Dodge economist added.

* * *

"Revival of the tax surcharge proposal," he pointed out, "should help relieve the severe pressures on the capital markets next year, however."

RESIDENTIAL UP

Contracts for residential buildings totaling $1,887,148,000 in October were 54 per cent higher than the comparable year-ago figure when the housing market had skidded to its twenty-year low.

One - family home building value was up 65 per cent from last October's amount; apartment construction gained 44 per cent since that time.

Contracts for nonhousekeeping residential buildings were up nine per cent in value as hotels and motels gained and dormitories declined during October.

* * *

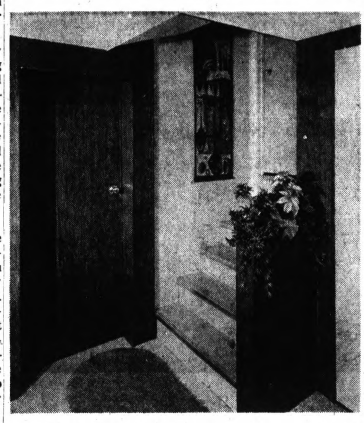
Nonresidential building contracts were up four per cent over last October's value at $1,874,217,000. The latent month's gains were confined largely to industrial and commercial construction where a spurt in office building and a new $150 million oil refinery boosted activity. October contracts for institutional building held even with the year-ago total as a small dip in educational projects offset a gain in hospital construction.

Although street and highway projects were down by two per cent and most other categories of heavy construction failed to match their year-ago pace; total nonbuilding construction contract value in October was up 19 per cent at $1,291,861,000.

Several large contracts for electric generating plants—one for more than $200 million — raised the total of utilities construction projects to more than double last October's amount, providing almost all of the month's gain in nonbuilding construction value.

At the end of ten months, the total value of construction contracts reported in 1967 was $44,810,461,000 — three per cent higher than last year's cumulative total.

This year's gain was shared almost evenly by the three major classes of construction with residential building value up three per cent, non residential building ahead by two per cent, and nonbuilding construction also up two per cent.



STEP IT UP. Is the entrance to your basement recreation room "just a stairway" or does it have style and character? A do-it-yourselfer with a flair for combining panel types effectively included the staircase in his scheme of decor for the playroom. Wall areas were paneled with prefinished hardboard resembling travertine marble and walnut. The walnut hardboard is seen here on a wall of the stairwell. The woodgrained panels are on the wall at right, the planter area and the door to the workshop at left. Matching metal moldings give the installation a professionally finished appearance.

Federal Fight or Curbing Inflation Can Cripple Housing Market

By JOHN PIERSON
United Press International

A member of the Federal Reserve Board, who's an expert on housing, has issued a strong warning against overuse of the "FED's" biggest weapon against inflation — tight money.

Tight money, which means higher interest rates and less credit supply, can stop inflation in its tracks all right, says Sherman J. Maisel. But look what it does to housing.

In a recent address to the American Bankers Association, Maisel estimated that up to three-quarters of last year's recession in homebuilding was the result of the FED's tight money policy.

Maisel wasn't just giving a history lesson. He was also laying it on the line to Congress, saying in effect: "Look, either you raise taxes (as President Johnson has requested) or we money managers are again going to be forced to tighten money which would be sure to hurt housing."

★ ★ ★

Maisel sketched out the road from failure to raise taxes to another homebuilding slump:

● Congress refuses to go along with Johnson's request for a 10 per cent income tax hike.

● The FED sees that it's going to have to fight inflation all alone. It makes credit more expensive and scarcer by raising the discount rate, increasing bank reserve requirements and selling securities to soak up funds.

● Higher interest rates raise the cost of borrowing on home mortgages fairly rapidly. This lowers the builders' profit and makes homebuyers less willing to buy. Homebuilding receives an initial setback.

● Stock and bond yields rise faster than financial institutions such as banks and savings and loan institutions can raise their interest or dividend rates.

Banks are a little more flexible and can defend themselves better than S-and-Ls. Savers move their money out of S-and-Ls, prime suppliers of mortgage credit, and into banks or even into the stock and bond markets.

● Institutions that still have money to lend look around for a better investment than mortgages, where rates, although up, are prevented by law or custom from rising as fast as other rates.

Homebuilding receives a one-two punch.

Do Mini Tasks for Maxi Value

Every year the value of your home increases about 10 per cent providing you keep it in good condition reports the Family Research Division of the Construction Research Bureau.

While husbands or landlords mutter about rising maintenance costs, wives can apply mini-effort to ailing dwelling with eye opening effect.

Many downgraded homes are improved in dollar value by decorating ideas to make small rooms seem larger, utilizing unused space in basement or attic and organizing and improving storage.

Color cues a small room. The lighter the walls, ceiling and floor the bigger the room will seem. Even white floors are practical if they are today's new embossed vinyl asbestos tile.

★ ★ ★

Consider applying a scenic wallpaper to one wall only. This isn't too much work for fair hands and results are rewarding. Select a pattern which leads the eye along a garden path or quaint streets.

Try painting your front door a different color and add a good looking brass door knocker or other dressy hardware. Check your screen doors and replace screens if damaged.

When past the cleaning stage, window shades may be renovated by covering on one side with adhesive backed plastic in a color to bring depth and light into the room.

Try cleaning your non-washable shades with cornmeal, art gum or a commercial cleaner on the outer side. For washable shades, spread flat and scrub with a stiff lather, using a brush.

★ ★ ★

Wash a small section at a time and overlap strokes. Rinse with a clean damp cloth. Hang and allow to dry before rerolling.

★ ★ ★

Paint works wonders. Remember there is a paint for every surface, be sure you get the appropriate one.

Between paint jobs shabby window sills covered with adhesive backed plastic material are easier to clean.

Glittering Yule Can Be Yours

Dreaming of a white Christmas? Create a colorful contrast to Jack Frost's artistry with a few cans of the handy aerosol spray paints!

★ ★ ★

Liven up your holiday decor by adding a glittering coat of gold or silver paint to your dried or plastic flower arrangements, wicker fruit baskets, candlesticks, holly wreaths—and hundreds of other items which deck your halls.

Painting Hints for Handymen

Painting? Always roll your first stroke with a roller upward, starting in an unpainted area and working toward the area you have already painted.

Second and subsequent strokes should be side-ways and criss cross to assure complete coverage of the area.

Clean Brushes According to Paint

The type paint you've used is your best guide when selecting the proper cleaning solution to use on your brushes.

★ ★ ★

When a fast-drying latex paint has been used, clean your brush immediately with mild soap and water, followe dby a thorough rinsing.

★ ★ ★

A brush that has been used with an oil-base paint, enamel, or varnish can be properly cleaned with turpentine or mineral spirits if the paint has not dried in the brush.

★ ★ ★

When shellac has been used, alcohol is the best cleaning agent.

A Teen-Age Must

Study Space for Students

By VIVIAN BROWN
AP Newsfeatures Writer

Architects and builders should plan homes with a new point of view. The moderate priced house available to the average family is out of whack with our times and teen-age population.

These World War II era type dwellings that were stripped of everything but bare necessities must be updated by the do-it-yourselfer or professionally if they are to accommodate grown children.

There is no provision for study or recreation. Something called a family room must suffice. It can't because it doesn't do the job. It is nothing more than a noise trap in most homes — someone watching television while someone else plays piano or tries to read a book.

Young people can't find a quiet place in their homes for study, one reason they roam "to study at Millie's" or to "sleep-over at Joan's".

★ ★ ★

Today's educational pressures are greater than ever but young people have less privacy for school work than their grandparents enjoyed.

HOMEWORK STAGE

This was pointed up recently on a visit to a family in a typical six-room ranch style house that had served them through cradle and bunk-bed era. Three teen-agers and two small children were being told, "do your homework," as distractions in the family room included 10 puppies in a temporary dog pen that took up one-third of the room, four kittens providing laughs and two older dogs.

A basket of wash next to an ironing board completed the scene that would have been delightful as a Norman Rockwell poster but was hardly conducive to concentration.

Parents who moved into such houses as newlywods accept this sort of thing as the problems of "a growing family." Unless they can afford to pay much more for a new house, they would have pretty much the same setup in one they could afford.

★ ★ ★

The trend is to accept it until the youngsters go off to college or get married.

If one is strapped for funds to build an addition on a house, one should look around for other alternatives.

For example, does the family car need a better house than teen-agers enjoy?

★ ★ ★

Put the car out and turn the garage into a recreation room, a place where young people can unleash their energies with basketball-hoop, ping-pong table, teen-age parties, dances.

PEACE AND QUIET

The family room could then be turned into a quiet study. If there isn't a family room, corral space from another area, like a large living room. Sometimes merely throwing away junk in an attic and insulating it will provide the answer.

A restful library observed in one house recently had been a sewing room but was like an oasis after all the messy family rooms that one encounters. The 8 by 10 room is walled by bookshelves to the ceiling.

There were two small tables, two comfortable chairs, a large dictionary, a globe of the world, a telephone and a carpeted floor that increased the quiet feeling.

The teen-agers who use the room are top students. Their mother confided that she doesn't miss the sewing room. She moves her portable machine into the room when they are at school.

Another arrangement in such a room could be to have one large table along the wall where young people could spread out with their school books. Or individual tables could be pulled out of enclosed cabinets below bookshelves.

Optical Illusion Created by Paint

You can make your cramped rooms look larger by painting the baseboard the same color as wall to wall carpeting.

To protect the carpet, use a curved metal shield (known as a painter's time saver) or use a flat piece of cardboard.

Look for rollers with guards which will prevent paint from getting on the carpet.

The wall above the baseboard should be protected in the same manner.

Pine Paneling Is Light in Color

There's nothing hard about painting hardboard! All the information needed to create professional looking results, both inside and out, can be found in the colorful pamphlet, "Painting Hardboard."

This illustrated booklet explains the composition of hardboard, its various types and uses, and gives specific instructions on how to paint it. Single copies are available free upon request and Lacquer Paint, Varnish and Lacquer Association, 1500 Rhode Island Ave., N.W., Washington D.C. 20005.

How-to Tips for Aerosol Paints

When using a can of handy aerosol spray paint, remember these tips:

Hold the can about 10 to 12 inches from the surface.

Practice in an inconspicuous section or on scrap material to get a preview of the final results.

Press the button ALL the way down and move the can at a steady pace parallel to the surface. Use short, dusting strokes, releasing the button at the end of each stroke.

Carefully read and follow ALL of the manufacturer's label directions.

SPANISH INSPIRED. The color graciousness and charm of centuries old Mediterranean kitchens have been blended with the best of the New World's wonderful modern conveniences to compose the homemaker's dream kitchen and dining alcove pictured here. From its rough white plaster walls with amber leaded glass windows framed in bright red paint, its furniture and cabinets of rich wood with black iron fixtures and painted red outline accents, the room has an old world atmosphere.

NAHB Officer Questions FNMA Interest Boost

Leon N. Weiner, president of the National Association of Home Builders, said recently the interest rate-purchase price actions taken by the Federal National Mortgage Association will add to the uncertainty of housing's recovery.

FNMA has boosted the interest rates it pays on its short-term discount notes and reduced the price it pays for existing mortgages on homes.

In taking the action, Secretary Robert C. Weaver of the Housing and Urban Development Department, said there had been heavy borrowing in the money markets which boosted interest rates. Private sources of mortgage funds had dried up and caused an "unsustainable drain" on FNMA's resources, Weaver said.

"We regret," Weiner said, "that such action was taken.

* * *

"We further regret that Secretary Weaver has not adequately established housing priorities. Housing's importance to the entire national economy is not being served with sufficient force at high levels.

"Adequate mortgage credit at reasonable rates is vital if the home building industry is to meet the nation's housing needs.

"This latest action emphasizes all the more clearly the urgent need for the tax increase proposed by the Administration, along with prudent cuts in Federal spending.

"Congress must move promptly to approve such an increase."

New Panels Help to Plan Home Decor

Decorators and discriminating homemakers with a flair for design now have new woodgrained panels from which to choose.

Lumber and building materials dealers are showing three new decorator panels in the Masonite Royalcote line. They are French Walnut, Kashmir Teak and Jacobean Oak. The line now includes 15 patterns and colors in addition to Marbletone in the motif of travertine marble.

French Walnut is a traditional style, bookmatched panel in a light, champagne color. Recessed ½" wide grooves in a contrasting color provide a striking plank effect.

The new, lighter colored version of Pecky Teak — Kashmir — is a decorator white. Its surface is embossed with simulated pitch pockets, insect holes and wood distress marks.

* * *

Jacobean Oak has a deeply rich color and a pronounced grain, making this paneling an ideal background for traditional English, Georgian, Jacobean and Queen Anne furnishings so popular today.

Masonite Corporation also has announced a series of ⅛" thick woodgrained panels as a wall cover for use over solid backing or existing walls in apartments, homes and offices.

They come in three walnut grains — Glacier, Tawny and Sable. They may be applied easily with a cartridge-type waterproof adhesive.

Pine Industry on the Grow

The south has more than 200 million acres of forestland with unlimited growth potential.

That is why the Southern Forest Experiment Station, an agency of the Forest Service, U.S. Department of Agriculture, predicts that by the year, 2000, the south will provide more than half the nation's wood products in volume three times the region's current annual output.

Already, 45 million acres of tree farms are concentrated in the vast regions of southern pine growth.

Heating is so important, claims the National Better Heating-Cooling Council, that nine out of 10 remodeling jobs require heating work of some kind.

Bidet to Gain in Popularity

It's predicted that in all but the lowest income housing, a bathroom for every bedroom will become commonplace in less than a decade. It's also predicted that the bathroom boom will help popularize the bidget, a personal hygiene device that's usually installed next to the water closet.

For free information on the bidet, write to Pluming Fixture Mfrs. Assn., 1145 19th St., N.W. Washington, D.C. 20036.

Furnishings Suffer During Wintertime

Pianos can have sore throats, too.

Yes, just as any member of your family can wake up feeling clogged and stuffy, your piano can suffer from a dry, scratchy throat with the result being improper tones. All home furnishings will suffer during the dry, winter-heating months from November thru March if there isn't an adequate supply of moisture in the air.

According to professional piano tuners, lack of humidification will cause the piano to gradually go out of tune and within a few years it will be impossible to tune at all.

Proper intonation can only be achieved by restoring the moisture that is needed for the wooden keys in the piano. The most practical and economical way to achieve the proper moisture level in the home is with a portable humidifier.

* * *

New portable humidifiers by manufacturers effectively humidify a 2,500 square foot area, the equivalent of an average seven-room house. This is done by means of a revolving "water wheel" which remains in constant contact with water to introduce moisture into the area. The air enters the room from openings at the top of the humidifier so that there are no direct drafts.

The units are completely automatic. By means of a sensing device, called a humidistat, they turn themselves on when the humidity drops below the comfort level, is feached.

A portable humidifier is the ideal solution to the problem of maintaining proper humidification in the house. No tampering with your present heating system is required. And the cost of the unit will come back to you in reduced heating expense.

The average home without humidification of any kind has a relative humidity of 13 per cent. Interestingly, this is 9 per cent drier than the Sahara desert.

By OSWALD and JAMES JACOBY

Tobias Stone of New York and Ivan Erdos of Los Angeles won the rubber bridge championship in 1966. The untimely death of Ivan this fall caused Stone to defend with Philip Feldesman of New York. They reached the quarter finals where they ran up against the eventual winners.

JACOBY

Stone's jump to four spades in one of the qualifying matches was typical rubber bridge technique. It would also have been effective in tournament play since it shut East and West out of a cheap save at five clubs which would only be set two tricks on perfect defense.

West opened the seven of hearts. Dummy played low and East's ten lost to Stone's king. At this point most rubber bridge players would have conceded a club and two hearts and taken game and rubber.

Stone saw a remote chance for an overtrick and since that 30 points might decide the match, Stone went after it.

He played a diamond to dummy's ace and ruffed a diamond. A low spade to the eight put him back in dummy again. He ruffed another diamond and stopped for a moment to lay down his ace of clubs. East dropped the ten and was left with king-queen-deuce of the suit.

South led another trump to dummy. East, who had discarded a heart on the first trump lead, let his deuce of clubs go. Stone led and ruffed dummy's last diamond and played out his seven of clubs.

East had to win the trick with the queen and no matter what he led at this point, Stoney had an overtrick at his four spade contract.

Not too important in rubber bridge and it turned out to make no difference in that match, but if East had been really alert he would have managed to hang on to that deuce of clubs so that West would have been able to gain the lead and play a heart through dummy.

Greek Grape From California

SALONIKA, Greece (AP) — The Cardinal grape which grows around this northern Greek city is a transplant — from sunny California.

★ ★ ★

A plant disease destroyed many of northern Greece's vineyards and the California cardinal grape was imported here because it resists disease better.

Open Housing 'Backlash' Said Aimed at Hudson

LANSING (AP) — Joseph L. Hudson Jr., the New Detroit Committee chairman whose family owns Hudson Department Stores, has become the victim of "white backlash," as a result of his support of open housing, says a Negro lawmaker.

Rep. James Bradley, D-Detroit, has asked the Detroit Board of Commerce to consider obtaining endorsements from individual retailers on the board "in support of fair housing proposals."

* * *

This would tend to "scatter any resistance to the movement and render any organized effort toward retribution totally impotent," Bradley said.

The House member said in a letter to Board President Dr. Dwight Havens that he has received reports that Hudson is "being victimized and singled out as the target for the so-called 'white backlash.'"

CUSTOMER BOYCOTT

He said he understands these measures have taken the form of customer boycott, the return of credit cards and general harassment.

A spokesman for the J. L. Hudson Co. in Detroit said, however, that it has had only about 50 cancellations of charge accounts as a result of Hudson's role with the New Detroit Committee.

SANTA and the PIGWIDGEN

By LUCRECE BEALE

Synopsis: The Pigwidgen says he will lift the curse if Claus can eat more pig than he. The Pigwidgen eats five except the bones but Claus secretly throws his five pigs in the fire which eats bones and all.

CHAPTER FIFTEEN
The Drinking Contest

THE PIGWIDGEN could scarcely believe it. While he had eaten five roast pigs leaving only the bones, Claus had managed his five roasts bones, tails and all.

"I have won the contest," said Claus "You must now lift the curse."

"No, no," cried the Pigwidgen. "There must be a drinking contest. If you can drink more than I, perhaps I will lift the curse."

He rushed out to the great hall and ordered the pygmies to bring two urns of chocolate milk. The urns were so large and so heavy it took 15 pygmies to carry each one. They set them on a cloth-covered table and went off to get the milk.

* * *

While they were gone, Claus said, "Before we begin I would like to step outside for a breath of air."

"By all means," agreed the Pigwidgen. "Take your time."

FIRE ATE PIGS

Claus went out with Tweedleknees. He told the elf that it was the fire and not he that ate up all the roast pigs. "But how can I drink so large an urn of milk!" he groaned.

"Drink what you can and do not worry," said the elf. "I shall use my wits as you advised and I am sure I will think of something."

The elf scurried back to the castle and left Claus walking gloomily by the lake. Meanwhile, the Pigwidgen has been busy.

* * *

While Claus was away the little creature secretly inserted seven hot water bottles beneath his shirt. Then he called for the contest to begin.

Claus sat at one end of the cloth-covered table and the Pigwidgen sat at the other end. Patrick Tweedleknees was nowhere to be seen.

"Where could he be?" wondered Claus anxiously. "If ever wits were needed it is now!" He thought he might somehow dump out his milk if only the elf were there to distract the Pigwidgen's attention.

* * *

The two great urns were filled with foaming chocolate milk. They were too heavy and brimming to lift from the table. The only way to drink was through large rubber straws.

"Begin!" ordered the Pigwidgen.

The hot water bottles burst, spilling chocolate everywhere.

Once more Claus looked around for Tweedleknees. The elf was gone. There was nothing for it but to drink. He bent over his urn and sucked desperately on his straw. He drank and drank and drank. Slowly the milk went down until half the urn was empty.

Try as he would Claus could not swallow another drop. He sank back in his chair and gasped, "I have done!"

The Pigwidgen bent over his own urn and made mighty sucking noises. Actually the end of his straw led to the seven hot water bottles under his shirt and not to his mouth at all.

* * *

The milk flowed from the urn until all the hot water bottles were full but when the Pigwidgen looked up the urn was still full. The pigwidgen blinked in surprise. He began to drink the milk himself. He sucked and he swallowed and he gasped and still the urn was full.

TURNED BLUE

The Pigwidgen's face turned blue and his stomach swelled. Suddenly there was an awful explosion. The seven hot water bottles burst open and spattered chocolate milk all over the table.

* * *

The Pigwidgen stared popeyed at his urn still brimming with milk. Claus leaped to his feet crying, "I have won!"

'Confab May Stall Cleanup of Lake'

MILWAUKEE, Wis. (UPI) — A state official says next month's state-federal conference on Lake Michigan pollution may actually delay the cleaning up of the lake.

The charge was made by Freeman Holmer, head of the Wisconsin division of resource development.

* * *

Holmer said state standards for the lake, which would be federally enforceable, were close to approval before U. S. Interior Secretary Stewart Udall called the conference involving Wisconsin, Michigan, Indiana and Illinois.

The conference is set for Jan. 31 in Chicago.

LBJ Lights Tree, Speaks of Peace

WASHINGTON (AP) — President Johnson lighted the national Christmas tree near the White House with words of admiration for the half-million American fighting men in Vietnam and of conviction that peace will come.

"What sustains us—as we turn on the lights of this tree, and of millions of trees in millions of homes—is the belief that the spirit of life will triumph over death," Johnson said Friday. "It is the conviction that peace will come, and permit us to give our lives completely to building instead of destroying."

Several hundred spectators watched in the chilly night as the President pressed the button to light the 4,000 red, white and blue lights on the 70-foot balsam fir from the Green Mountain National Forest in Rochester, Vt.

The ceremony was part of a Pageant of Peace on the Ellipse and it was of peace that Johnson spoke in his brief remarks.

MAN'S FAITH

The nation is sustained, he said, by "the faith that says the creation of new hope for man, through scientific discoveries, is finally more important than great destructive power—that also comes from science.

"It is the hope that says a life of peace and promise is more likely for man than a life of war and misery."

"I WANT MY MONEY BACK . . I WANT A CREDIT!"

Yes! Yes! This is the time of year that the Board is swamped with these questions where some people want to take back the shirt or tie that Aunt Tillie gave them and get their money back. The following is the summary from a pamphlet called "I Want My Money Back":

"Whether you can return merchandise for credit or refund depends entirely upon the policy of the company with whom you do business. There is no outside agency which can force refunds for customers."

Stores are not required to post signs that "all sales are final," nor are they required to post signs regarding refunds, or exchanges, although some stores may do so or may provide such notice on sales slips.

In case of a store whose policy is unknown to you and which states the merchandise can be "returned," you should establish whether it can be returned for a refund or only for an exchange.

Some stores make refunds because it is their policy to do so, not because they are required to. It is a "privilege" they extend to their customers. It is a "privilege" that should not be abused by needless return of merchandise which adds tremendously to the cost of doing business and penalizes all customers.

A reliable store is always anxious and ready to correct its errors. Give it a chance to do so.

Top British Officials Split on Arms Deal

LONDON (AP) — Personal and political relations between Prime Minister Harold Wilson and Foreign Secretary George Brown were reported at their lowest ebb today in a row over arms for South Africa.

Brown, looking angry, had dashed back from the North Atlantic Treaty Organization meeting in Brussels Friday to attend a special Cabinet meeting on whether Britain should remove its three-year-old ban on arms shipments to South Africa.

* * *

Cabinet meetings are secret, but most British political correspondents said today that Brown, who wants the ban lifted, had won the first round by forcing a one-month delay on a final decision.

Brown was reported burning with resentment that Wilson, committed against any renewal of South African arms supplies, had made a statement to the House of Commons Thursday casting the absent foreign secretary as the villain of the piece.

SUPPORT DEAL

Brown, backed by Defense Secretary Denis Healey, Home Secretary James Callaghan and Chancellor of the Exchequer Roy Jenkins, claims that economically Britain is hardly in a position to turn down a $480-million arms deal with South Africa.

Wilson, with the overwhelming support of the Labor party's left wing, warns that removal of the ban will split the party and possibly destroy it.

* * *

The left-wingers are dedicated against the arms supplies because of South Africa's apartheid policies of race separation.

Wilson has stuck by Brown in the past through numerous press attacks on the foreign secretary's public behavior.

DISMISSAL DEMANDS

Some opposition demands for Brown's dismissal arose last month after Brown lashed out at publisher Lord Thomson for allowing his newspapers to publicize the exploits of Kim Philby, a double agent who worked 30 years for Soviet intelligence even while masquerading as a British spy.

The Guardian's political writer, Philip Rawstorne, hinted that Wilson may see the South African rumpus as an excuse for shifting the foreign secretary to a new job.

* * *

"Mr. Brown's erratic behavior as foreign secretary is thought to have been causing the prime minister increasing anxiety and to have brought him to the point of deciding that Mr. Brown must be moved to another Cabinet post," Rawstorne said.

Ferency Sees LBJ Caught in Wrong War

BLOOMFIELD, N.J. (AP) — The Johnson Administration might be caught fighting "the wrong war in the wrong place at the wrong time" during the 1968 presidential campaign, warned Michigan's outgoing Democratic state chairman today.

* * *

The top Michigan Democratic party official, Zolton A. Ferency, made the comment in a speech prepared for delivery to the New Jersey chapter of SANE at Bloomfield College.

A successor will be picked Sunday to the fiery party chieftain who resigned his state chairmanship last month in a furor over national party policies and the renomination of Lyndon Johnson.

* *

"In devising strategy to handle the nagging political issue of the war in Vietnam during the 1968 election campaign," Ferency said, "the national Democratic establishment has apparently decided to step up the military effort and 'go for broke'."

UAW Aide Seeks State Dem Post

FLINT (AP)—A United Auto Workers local president Friday became the third announced candidate for the job of Democratic state chairman.

Local 741 President Robert Craig, 40, of Flint joined State Sen. Sander Levin of Berkley and former State Rep. Floyd Mattheeussen of Benton Harbor in seeking the post.

Priest to Wed Nurse Today

SAN DIEGO, Calif. (AP) — The Rev. James Kavanaugh, a Roman Catholic priest who has asked to resign his priesthood, marries a San Diego nurse today.

The wedding of Father Kavanaugh and Patricia Jean Walden, 35, will be held at the home of his brother, Dr. Philip Kavanaugh of suburban La Jolla.

Father Kavanaugh, 39, was a priest in Lansing, Mich., before publication of his best-selling book, "A Modern Priest Looks at His outdated Church."

Junior Editors Quiz on SINGING

QUESTION: Why do we sing?

* * *

ANSWER: We don't know what simple, primitive person it was who sung the first song. But we can be sure that whoever did was trying to express some kind of happy or romantic feeling, something above the dull and ordinary.

The children in our picture are doing this. They are joining the poetry of the Christmas carols with the beautiful melodies we all know, making of the two arts of poetry and music another one, that of song.

By all joining together, each one is putting in something of his or her own and managing to express the joyous feeling of Christmas.

As we sing, we are apt to tilt our heads back, to open our mouths wide, to fill our lungs with air. This gives us a good feeling, as if we were lifted up — and of course a beautiful melody does, too. The song seems to float out into the air and carry us along with it.

We speak of voices "raised" in song, of music on the "wings" of song. We all want to get up to higher, happier feelings. Singing does this for most people — so we sing.

Dividend Paid

DETROIT (AP) — Hughes & Hatcher, Inc., operators of 21 clothing stores in Michigan and Pittsburgh, Pa., Friday declared a quarterly dividend of 10 cents per share of common stock payable Feb. 2, 1968 to shareholders of record Jan. 12, 1968.

Yule Arrangements Spark Annual Show

By JODY HEADLEE
Home Editor, The Pontiac Press

Christmas arrangements, contemporary and traditional, highlighted the Michigan Horticultural Society's annual "Winter Green" exhibition recently held at the Belle Isle Casino.

* * *

Area women participating in the flower show portion, "Winter Tapestries," represented the Orchard Lake Flower and Garden Coub, a member of the Federated Garden Clubs of Michigan; and Osage, Holly and Westchester branches of the Women's National Farm and Garden Association.

Entries were open to anyone who wanted to participate, being a member of an organized graden club was not a requirement.

A husband and wife team, Mr. and Mrs. Joseph Fouser of Adams Road, Bloomfield Township, won the society's coveted tricolor award with their espaliered tree entry.

* * *

The tree, a future heirloom is three-dimensional, equally beautiful from either side. Dried pods, nuts, seeds and cones are arranged in a blend of the natural colors on the bark-covered steel frame.

WIRED SEPARATELY

Each piece was individually drilled and wired before being mounted. An olive green velvet bow with a cluster of three cones adds the final fillip.

"It represents over 80 hours of work," said Mrs. Fred Trickey of Orchard Hill Drive, Bloomfield Township; general chairman of the show.

Mrs. Fouser is a member of the Osage branch of the WNF&GA.

* * *

Color reigned in the capsule table entry by Mrs. Walter Ryzdon of Long Lake Shores, Bloomfield Township.

* * *

On a textured waffle-weave fabric of silver, Mrs. Ryzdon placed a plastic pebbled place mat of royal blue and green. A blue package decorated with boxwood and green miniature ornaments centered the blue napkin on the white plate.

* * *

Blue edged crystal glassware completed the place setting. Gaily wrapped miniature Christmas packages brightened the lacy branched centerpiece.

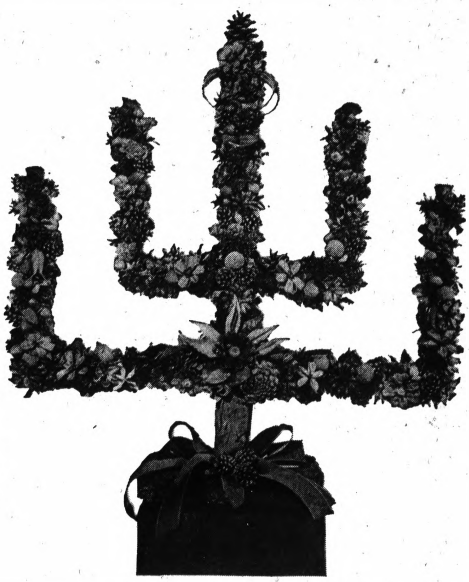
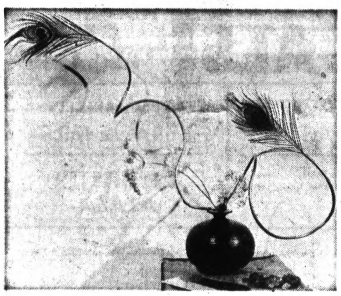
MADAME CHAIRMAN—Mrs. Fred Trickey of Orchard Hill Drive, Bloomfield Township displays her red ribbon winner—magnolia and eucalyptus leaves, fern fronds, dried cotton pods and a gold cherubim mounted on scarlet velvet. General chairman of Winter Green, Mrs. Trickey is a member of the Osage branch of the Women's National Farm and Garden Association and vice president of the Orchard Lake Flower and Garden Club; a member of the Federated Garden Clubs of Michigan.



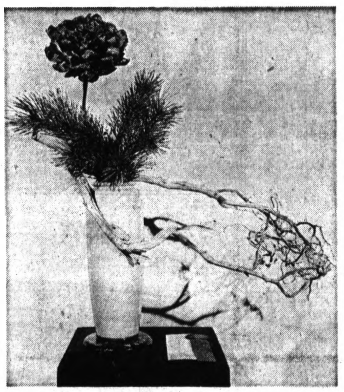
BEST OF SHOW—Chalking up the highest score of any artistic arrangement entered is the espaliered tree created by Mr. and Mrs. Joseph Fouser of Adams Road, Bloomfield Township. In the Holiday Tapestry class, the tree of dried cones, nuts and seed pods won a blue ribbon in its class and the tricolored special award of the Michigan Horticultural Society. The three-dimensional arrangement took over 80 hours to construct. Each piece is individually wired to the bark-covered steel frame.



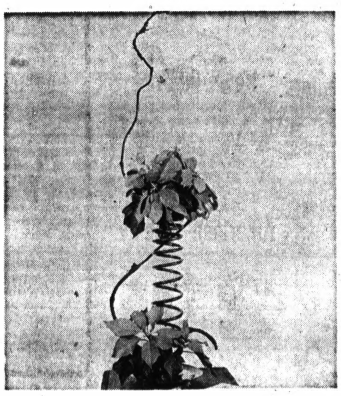
PEACOCK PLUMES—Copper tubing, gilded Queen Anne's lace, blue slag and "peacock eyes" in a Japanese container merited a red ribbon for Mrs. Charles Pollock, president of the Orchard Lake Flower and Garden Club of the FGCM. Mrs. Pollock lives on Spring Water Lane, West Bloomfield Township.

INVITATIONAL—Mrs. Frederick Stefansky of Dowling Road, Bloomfield Township, submitted an assemblage—a new art form using a work of art assembled with living or dried materials in a pleasing manner. Ceramic wise men dominate the theme against a cinnamon velvet base. Adding height and unity are corn leaves, a tasseled weed stalk from Arizona and hardware cloth cut in a cathedral window shape, all gilded.

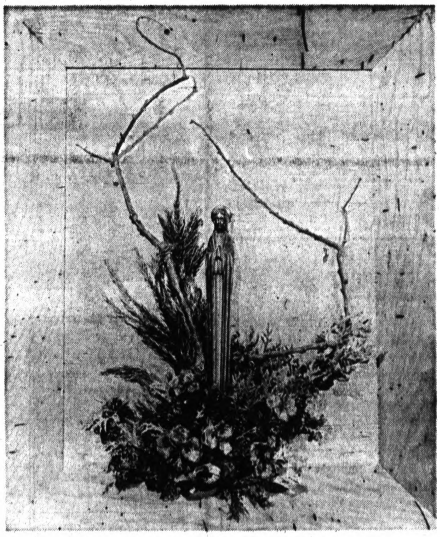
PARTRIDGE AND PINE—Earning a white ribbon fourth prize is Mrs. Joseph Kardas' Winter on the Wing entry. Mrs. Kardas of Dunmore Drive, West Bloomfield Township, incorporated a natural wood "partridge," long needled pine, gold and rust chrysanthemums and berried holly in her display.



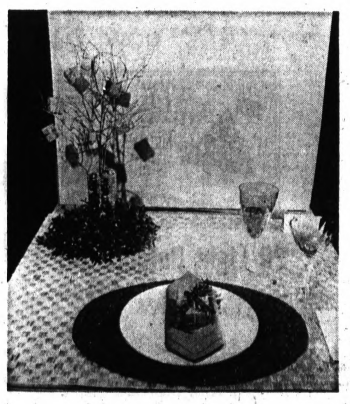
WINTER FASCINATION—Mrs. Earle Heft of Roanoke Drive, Bloomfield Township, received a blue ribbon first for her entry of bleached gnarled branches, pine sprigs and a dried glitter glazed artichoke head. She is a member of the Westchester branch of the WNF&GA



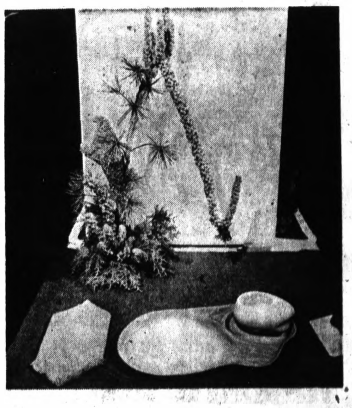
RED AND BLACK—Mrs. Werner Hoy of Bigelow Road, Springfield Township, entered the Winter Fascination class with an arrangement using a black spring, black branch, red poinsettia blooms and leaves and euonymus leaves. The novel interpretation was awarded a yellow ribbon for third place.



FRAMED CHRISTMAS—Mrs. Arthur Stiller of Perryville Road, Holly Township, earned a yellow ribbon for her entry in the Framed Christmas class. With a ceramic Madonna as the focal point, Mrs. Stiller uses single branches of Japanese pine and cotoneaster, plus Michigan arborvitae and dried Japanese peony buds mounted on grass cloth. The whole arrangement is framed in simulated wormwood. Mrs. Stiller is a past president of the Holly branch of the WNF&GA.



TRADITIONAL—A single place setting earned Mrs. Walter Ryzdon of Long Lake Shores, Bloomfield Township, a second place red ribbon. Gaily wrapped miniature packages dot the lacy branched centerpiece ringed by multicolored ornaments and rich green boxwood on a silver textured fabric.



CONTEMPORARY—A blue ribbon winner is the capsule table setting of Mrs. P. M. Askounes of Coachmaker Drive, Bloomfield Township. Using a contemporary approach, Mrs. Askounes combined mullein, white pine and arborvitae in the centerpiece. A single red bell hangs from the natural crook of the field plant.

Tear Gas, Pickets Greet Soviet Circus

ANAHEIM, Calif. (AP) — The Moscow Circus opened with a tear gas bomb explosion under a grandstand and 100 pickets outside the Anaheim convention center.

* * *

The bomb smoke was so intense Friday night that 20 local musicians interrupted the overture to file out of the building. Several of the Russian performers also left during the half-hour delay.

* * *

There were no arrests.

The pickets paraded with signs declaring "A Ticket Buys a Bullet" and "Vietnam Is No Circus."

Food Sedatives Protect Flavors During Shipping

UNIVERSITY PARK, Pa. (AP) — Truckloads of produce may be "put to sleep" to better preserve them on a long journey.

Technologists at Pennsylvania State University have found that it is possible to "sedate" foods to prevent deterioration and protect flavor during shipment.

* * *

In the process, nitrogen is released into the loaded carrier to lower the oxygen level and slow-down the "breathing" process.

* * *

The products "wake up" in about two days and resume normal respiration and oxidation. The foods may then be eaten without fear of change in taste or nutritive value.

Grayling Grant

WASHINGTON (AP)—Recreation facilities in Grayling, Mich., will be expanded with the help of a $525,000 grant and a $50,000 loan from the Economic Development Administration, U. S. Sen. Philip A. Hart, D-Mich., said the money would be used to convert what was the Minnesota Pavilion at the New York World's Fair into an eating lodge at a total cost of $1,050,000.

Flying Rescue

ANN ARBOR (AP) — A Garden City man in critical condition from severe burns Friday became the first patient flown to University Hospital in a new helicopter ambulance service inaugurated 10 day ago. The helicopter bearing Lester Woodard touched down on a landing pad near the hospital's emergency entrance after a 15-minute flight from Wayne County General Hospital in Detroit.

Surviving are six daughters, Mrs. Mary Schenkel of Detroit, Mrs. Dorothy Johnson of Utica, Mrs. Agnes Hoffert and Mrs. Lola Markley, both of Hadley Township, Mrs. Kathleen Merritt and Mrs. Edna Fick of Quincy; two sons, William and Russell, both of Hadley Township; five brothers, including Jay Staples of Utica; three sisters; 40 grandchildren; and 12 great - grandchildren.

Students Protest Lack of Parking

BALTIMORE, Md. (AP) — Several hundred University of Baltimore students burned parking tickets and blocked traffic on two of Baltimore's main streets to protest the lack of on-street parking near the school's campus Friday.

Traffic backed up several blocks on southbound Maryland Avenue and northbound North Charles Street as some 50 students sat in the streets and hundreds of others marched across the two streets, police said. Five arrests were made.

Prisoner Uses File Differently

JACKSONVILLE, Fla. (AP)—An inmate at the Jacksonville prison farm somehow got hold of a file.

However, instead of using it in the traditional way of sawing through bars to make his escape, he used it to file pennies down to the size of dimes and used them in prison farm vending machines.

News in Brief

Eugene Morris of 19 Parkdale told Pontiac police yesterday someone stole clothing valued at some $200, including a suit and shirts, from his car while parked on Glenwood near Perry.

4-Car Crash Kills Area Man

LAPEER — An Elba Township man was injured fatally shortly before 6:30 last night in a four-car collision.

Lapeer County sheriff's deputies said the victim, Howard Whitney, 51, of 1295 Hadley was attempting to make a left turn from Genesee Road onto Hadley when the smashup occurred.

* * *

Whitney was killed instantly, according to deputies.

Two other drivers, Ernest J. Rutherford, 21, of 4011 Hunt, Elba Township, and Marie Coale 57, of Flint; Mrs. Whitney; and Walter Stanfield, 22, of Flint, a passenger in a car driven by Timothy Hamp, 22, of Flint are listed in satisfactory condition at Lapeer County General Hospital.

Drunk Driver Has 2-Year Sentence —for Nights Only

HOUSTON, Tex. (AP) — Edmond E. Wisnowski 34, will serve his two-year jail sentence at night and continue work as a glazier during the day.

Dist. Judge Miron A. Love imposed the unusual sentence for drunken driving Friday after an agreement between Asst. Dist. Atty. Jim Larkin and Frank Mabry, lawyer for Wisnowski.

* * *

"He is a good worker who never misses a day at work, but when he gets off in the evening he goes to drink beer," Mabry said.

* * *

It was Wisnowski's sixth conviction on charges of driving while intoxicated. Mabry said the sentence will permit Wisnowski to continue support for his wife and five children.

Two State GIs Killed in Vietnam

WASHINGTON (UPI) —Two Michigan men were among 21 U.S. servicemen killed in recent action in Vietnam, the Defense Department said yesterday.

The two were Army Pfc. Gene Dirita, son of Mr. and Mrs. Eugene Dirita, Roseville, and Marine Cpl. Dennis M. Stevens, son of Mrs. Dorothy Stevens, Hazel Park.

In 1835, property loss was placed at $20 million when a fire broke out in New York City that was so serious, engineers were called in from as far away as Philadelphia.

In 1944, the Germans launched their last great World War II attack with the Battle of The Bulge in Belgium.

In 1965, some 15,000 persons were feared dead when a cyclone hit Pakistan.

Toy Delivery Unexpected

SALEM, N.H., (AP) — David P. Foster, 25, of Pawtucket, R.I., made an unexpected delivery of Christmas toys Friday night on Route 93.

His trailer truck overturned in the middle of the highway as he was driving from a Vermont toy factory to Rhode Island with a shipment for department stores. Police said Foster was uninjured.

LA Mayor's Tree Is Buried at Sea

LOS ANGELES (AP) — The U.S. government buried Mayor Samuel W. Yorty's olive tree at sea.

The tree, due to arrive today aboard the Greek liner MTS Jason, was a gift of the Greek port of Piraeus which serves Athens. The gift celebrated the maiden voyage of the Jason to Los Angeles harbor.

* * *

Nearing the U.S. shore, however, the ship's officers dumped the tree overboard at the request of the U.S. Department of Agriculture.

A spokesman said the agency feared a worm-like organism, the Golden Nematode, known to infect the Greek olive trees.

Bishop Won't Intervene in Detroit Paper Strike

DETROIT (UPI) — Episcopal Bishop Richard S. Emrich Thursday turned down a request from the officers of the Detroit Newspaper Guild that he intervene in the city's four-week-old newspaper blackout.

The four top officers of the Guild had asked the bishop to prevail upon the Detroit Free Press, the city's morning newspaper, to resume publication.

The Free Press suspended publication after the Detroit News, the city's afternoon newspaper, was struck by the Teamsters Union.

In his replay, the bishop said he "disagreed completely" with the officers' request and "will do nothing to encourage the Free Press to resume publication."

* * *

He said a resumption of publication by the Free Press would would cause the News to "be compelled by the pressure of events to acceed to any demands made by the union, and this would result in something which was not bargaining at all."

* * *

"The agreement with both papers not to publish if the other is struck is simply part of the reality of the situation," he added. "It would seem to me wise to accept the reality of the situation, and work out as quickly as possible as good a contract as you can."

* * *

The bishop has helped resolve labor disputes in the past and served on the governor's committee during a 134-day newspaper blackout in 1964.

A 15-hour session called by federal mediators between the two papers and the Teamsters ended Thursday with little progress.

Hair Pieces Stolen From Pontiac Firm

Hair pieces valued at some $400 were stolen from a Pontiac firm, it was reported to city police yesterday.

A representative of the Bonnie Jean Hair Stylist Shop, 1481 Baldwin, told officers she found the front door open when she arrived at work.

* * *

The loot included two full wigs, a fall and five assorted pieces, police were told.

Investigators said entry was made by kicking through the door.

Mayor Can't Cut Own Pay

UNIVERSITY HEIGHTS, Iowa (AP) — Mayor Chan Coulter will continue to receive his $50 monthy salary despite his request that it be halved.

"The salary is out of line and should never have been voted by a previous council in the first place," Coulter told the council.

"I ask someone to make a motion to cut my salary in half."

There was a long silence. Finally Councilman William J. Hausler moved to reduce the salary to zero. This died — amid laughter — for lack of a second.

Coulter's anti - inflation drive died when the council unanimously adopted a motion to keep the salary at $50 a month.

German Contract

DEARBORN HEIGHTS (AP) — Calumet & Hecla's special metals plant in this Detroit suburb will produce more than $100,000 of seamless zirconium tubing for the Nukem G.B.H. Hanau Company of West Germany. The international mining and manufacturing firm said Friday the tubing would be delivered to the German concern in February.

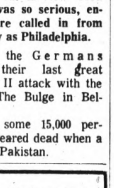
Reflections



J. L. VOORHEES

Should Funeral Prices Be Advertised? Many people have asked us this question. Frankly, the very thought of this, to us, is repulsive.

We do not decline this to hide or keep secret for all prices are very plainly marked. To use "bait advertising" in our business is far beneath the dignity of our profession. It shall always be our policy to give the best service possible at a fair and reasonable price. We can truly say, "Our service is within the means of all."

Street Light Hearings Due in Waterford

Monday night's Waterford Township Board meeting will begin one-half hour earlier than usual because of public hearings on two proposed special assessment district street lignting projects to be held between the hours of 7 and 9.

Proposed are 23 lights for Lamont, Olmstead, Woodmere, Island Park and Sashabaw streets and 13 lights for Hobson, Lyford, Cristy, Elizabeth Lake Road and Crescent Lake Road.

Benefiting residents would pay 90 per cent of the total annual charge. The township would pay the balance.

Up for action at Monday's meeting are five rezoning requests for property on:

- Pontiac Lake Road near Oceana from general business (C2) to extensive business (C3) for a candy processing plant.

★ ★ ★

- Pontiac Lake Road at Irwindale from single family residential (R1A) to light industrial (M1) and multiple dwelling (R2) for an industrial park and apartments.
- Crescent Lake Road at Pontiac Lake Road from R1A and C2 to R2 for apartments.

★ ★ ★

- Hatchery near Jones from R1A to agricultural (AG1) for soil stripping and eventual apartment construction.
- Cass Elizabeth at Cass Lake Road from R1A and local business (C1) to R2 and C2 for apartments.

★ ★ ★

Up for consideration is a proposed ordinance specifying collection fees for new land development.

The board also is expected to set a public hearing date for a proposed special assessment district street-lighting project for Watkins Hills No. 4 subdivision.

CHARTER TOWNSHIP OF WATERFORD
PROPOSED ORDINANCE No. 56

An ordinance establishing fees that shall be paid prior to obtaining tentative approval and final approval of preliminary plats and prior to submission of plats for final approval, such fees to be in addition to those required under state statute and to establish inspection fees which shall be paid in connection with all plats submitted to the Township of Waterford for approval.

The charter Township of Waterford ordains:

ARTICLE I GENERAL

Section 100. Short title:
This ordinance shall be known as the Subdivision Fee Ordinance.

Section 101. Purpose:
This ordinance is hereby enacted in conformance with the provisions of Act No. 288 of Public Acts of 1967, known as the "Suddivision Control Act of 1967" in order to establish the fees for examination and inspection of plats and the land proposed to be subdivided and related expenses in connection therewith.

ARTICLE II FILING FEES

Section 200. The Proprietor shall upon first submission of the preliminary plat for tentative approval, pay to the Township the sum of $3.00 per lot but in no event shall such fee be less than the sum of $150.00.

Section 201. The proprietor shall, upon submission of the preliminary plat for final approval, pay to the Township Clerk the sum of $7.00 per lot but in no event less than the sum of $300.00.

Section 201.1. In the event the preliminary plat, when submitted for the final approval of the same, requires the installation of a water pumping station, then and in that event the proprietor shall upon submission of said plat, pay the Clerk of the Township, the following fees, which shall be in addition to the all other herein fees required.

Pump House with Treatment $700.00
Pump House without Treatment $500.00

Section 201.2. In the event the preliminary plat when submitted for final approval of the same requires connection to municipally owned sanitary sewage facilities, then and in that event, the proprietor shall upon submission of said plat, pay to the Clerk of the Township, the sum of $3.50 per lot but in no event shall said fee be less than $100.00. The fee required under this section shall be in addition to all other fees required herein.

Section 201.3. In the event the preliminary plat when submitted for final approval of the same requires checking and approval of off-site improvements such as water mains and/or sanitary sewer extensions which are necessary to provide service to the land being platted, the cost of approving the same being incapable of predetermination, then and in such event, the Township Clerk shall request a cost statement from the Engineers employed by the Township, showing the cost of approving such facilities. The proprietor shall upon submission of said plat pay to the Township Clerk such sum as is disclosed by the engineers cost statement, such fee to be paid in addition to all other fees required herein.

Section 201.4. In the event the proposed plat is revised subsequent to submission for final approval of the preliminary plat, then and in such event, the Clerk shall request of the engineers employed by the Township, a statement of the cost of approving and checking such revised changes and the proprietor upon submitting the revised preliminary plat for final approval, shall pay to the Township Clerk, such sum as is disclosed by the engineers' statement. Such sum, may be less than but under no circumstances shall exceed the fees as set forth in the preceding sections. Such sum however, shall be in addition to all sums previously paid by the proprietor as required by the preceding sections.

Section 202. The proprietor shall, upon submission of the final plat for final approval of the Township, pay to the Township Clerk the sum of $4.00 per lot but in no event shall such fee be less than the sum of $100.00.

Section 203. The proprietor shall in addition to all fees required under this ordinance pay to the Clerk of the Township, five per cent (5%) of any and all fees required herein, such sum to cover related expenses of the Township in connection with the approval, examination and inspection of plats.

ARTICLE III INSPECTION FEES

Section 300. The proprietor, prior to construction and upon submission of the preliminary plat for final approval, shall deposit with the Township Clerk for payment of the anticipated costs of inspection, such sum in accordance with the following schedule based upon proprietor's total construction cost:

To $5,000.00	$500.00
$5,000.00 to $50,000.00	8% but not less than $500.00
$50,000.00 to $100,000.00	6% but not less than $4,000.00
Over $100,000.00	5% but not less than $6,000.00

Section 300.1. The fees to be paid for inspection from such sum as is deposited under Section 300 shall be $75.00 per inspector, per crew day, per calendar day of inspection. The basis of computing crew days shall be as follows:

4 hours or less—½ crew day.
4½ hours through 8 hours—1 crew day.
Over 8 hours—¼ crew day for each 2 hours or fractional part thereof in excess of 8 hours.

Section 300.2. In the event the inspection fees under the preceding section exceed the sum deposited to cover such costs, the proprietor shall upon demand of the Township Clerk, pay to the Clerk such additional sum as shall be necessary to cover such costs.

In the event the inspection fees under the preceding section are less than the sum deposited to cover such costs, then the excess of money deposited over cost shall be refunded to the proprietor upon final approval of construction.

ARTICLE IV VALIDITY AND SEVERANCE

If any section, clause or provision of this ordinance shall be declared to be inconsistent with the Constitution and the laws of the State of Michigan and so held void by any Court of competent jurisdiction, said Section, clause or provision declared to be unconstitutional and void shall thereby cease to be a part of this ordinance, but the remainder of this ordinance shall stand and be in full force and effect.

ARTICLE V ADOPTION AND EFFECTIVE DATE

This ordinance adopted in accordance with Act 288 of Public Acts of 1967 on the 18th day of December, 1967 shall become effective on January 1, 1968.

By Order of the Township Board.
ARTHUR J. SALLEY, Clerk
December 11, 1967.

Card of Thanks 1

WE WISH TO EXTEND OUR thanks and appreciation to relatives, friends, and neighbors for their many cards, flowers and other kindnesses. Our special thanks to Father "Ben" of St. Perpetuous. The Family of Emily C. Belant.

THE FAMILY OF MRS. JESSIE Lee Johnson, wife of John T. Johnson, and daughter of Mrs. Carrie Wright are extremely grateful for the help and kindness of neighbors, friends, and relatives. Especially to Pastor Rev. W. T. Vernor.

In Memoriam 2

IN LOVING MEMORY OF ROSE Spadafore who passed away Dec. 17, 1964.
Though years may pass before we see
Our Mother's face once more
The faith she taught us at her knee,
Will lead at least to Heaven's door.
Sadly missed by sons Paul, Guy, and Sam.

IN LOVING MEMORY ETHEL Irene Boose who passed away five years ago today, Dec. 16, 1962.
For all her loving kindness
She asked nothing in return
If all the world deserts you
To your mother you can turn
So all I can do dear mother
Is to go and tend your grave
And leave behind a token of love
To the best mother God ever gave.
Sadly missed by children, grandchildren and family.

IN LOVING MEMORY OF MY HUSband and our father, Norvin B. Rasel, who passed away 2 years ago, December 17.
It is lonesome here without you,
and sad and weary the way;
Life has not been the same,
Since you were called away.
Sadly missed by wife, Ethel, daughters and son.

Santa Pickets Bell for Stopping Calls

EVANSVILLE, Ind. (AP)—Santa Claus picketed the telephone company Friday protesting the discontinuing of his talks with the children of Evansville.

The costumed Santa carried a placard saying the utility is unfair to Santa and little children.

Officials of Southern Indiana Bell said the Dial-a-Santa project, sponsored by a restaurant chain, generated thousands of calls which overloaded the metropolitan exchange. The overload caused difficulty in reaching similar numbers and brought scores of complaints, they said.

Capital Comic Goes on Air to Push Puckish Program

By EARL WILSON

NEW YORK — Out of Cleveland recently came a remark about Betty Furness who belonged to Broadway until LBJ and the world took her from us.

"Everybody predicted failure for Betty and her staff, but they got results. Nutmeg went down a nickel a ton."

WILSON

The author of that line was Mark Russell, a brilliant satirist who for six years did almost all his clowning at the Shoreham in Washington. Recently he and Clay Cole, the handsome young singer, have started an NBC TV show from Cleveland which they hope will engulf the nation as Mike Douglas' show did from that city and Philadelphia.

Russell finds the Washington brass easy to pick on because he was close to it at the Shoreham.

★ ★ ★

"Who were the fans who became habitues in your audience?" I asked him.

"Well, Bobby Baker, Adam Clayton Powell . . ." he said. And he wasn't joking. They were the swingers who had the money to go out supper-clubbing, four or five years ago.

The Republicans were amusing in another way. Congressman Bill Ayers, of Akron, once came to a party and threw a live chicken into the group, which enlivened it somewhat. In the days when Bobby Kennedy's friends were jumping into swimming pools, Ayers gave a Republican soiree where the men arrived in wringing wet tuxedoes to be in fashion.

The gossip columnists have come under his scrutiny — especially for their "blind items," or "near-sighted items," which usually aren't a bit obscure to the knowing.

"Suppose there had been gossip columnists in George Washington's day when he was a bachelor and having his well-known flirtation with Lord Fairfax's wife?" asked Russell.

"I can just see the blind item . . . 'What Father of His Country has flipped his powdered wig over . . .'"

Bridge Collapse Deaths May Top 80

From Our News Wires

POINT PLEASANT, W. VA.—Rescue boats patrolled the rain-swollen Ohio River today in a search for an estimated 80 additional victims of the thunderous collapse of a steel suspension bridge carrying rush-hour traffic.

The bodies of six persons were recovered from shallow waters along the banks in night rescue operations.

West Virginia State Police Sgt. J. H. Parsons said 33 other persons were known to be missing.

The commissioner of the West Virginia State Police, T. A. Welty, said he estimated about 80 bodies were trapped in vehicles in the icy waters of the river, most of them in the 60-foot-deep main channel.

★ ★ ★

The 100-foot-high, 1,750-foot-long bridge connecting West Virginia and Ohio fell apart with a thunderous roar at dusk yesterday under the weight of bumper-to-bumper commuter and Christmas shopper traffic.

Police estimated 40 to 50 vehicles tumbled into water up to 70 feet deep and sank out of sight. The remainder were hurled onto banks of the stream and in some instances, crushed by heavy steel girders.

The 39-year-old bridge was struck 18 months ago by 20 empty barges which broke loose from moorings, but it was not known if this accident had any connection with the collapse.

★ ★ ★

The tragedy occurred just three days before a new bridge was to open up river to help relieve the traffic congestion.

West Virginia Gov. Hulett C. Smith and Gov. Rhodes pledged the resources of the two states in an investigation to determine the cause of the collapse. Both came here last night.

"The old bridge was bouncing up and down like it always does," sobbed Howard Boggs.

His 18-year-old wife and 17-month-old daughter — both among the missing — were in the car with him when it plunged into the channel where the depth was variously estimated from 30 to 70 feet.

★ ★ ★

"Then all of a sudden everything was falling down," he said. "My feet touched the bottom of the damned river." Boggs had no idea how he got out of the car.

★ ★ ★

H. L. Whobrey, who was selling Christmas trees at an intersection in Gallipolis, Ohio, near the bridge, said, "The bridge just keeled over, starting slowly on the Ohio side, then following like a deck of cards to the West Virginia side.

A Tangled Mass Of Wreckage Marks Ohio End Of Collapsed Bridge

Pact Provides 24% Pay Hike Over 3 Years

From Our News Wires

DETROIT — Pay checks of United Auto Workers employes of General Motors Corp. will be fattened by about 24 per cent over the next three years under yesterday's agreement ending the most expensive round of negotiations in "Big Three" history.

Bargainers for both sides emerged yesterday after a 30-hour negotiating session, unusual because there was no immediate strike threat, and announced they had come to terms on a contract paralleling the record agreements won by the union at Ford and Chrysler.

Ameriran Motors Corp. is the only one of the nation's four major domestic automakers without a new UAW contract. The old pact expired Oct. 16, but has been extended on a day-to-day basis by both sides.

Negotiations between the UAW and AMC resume Jan. 3.

★ ★ ★

More than 100 of the 134 local plant agreements at GM are still unsettled, but many are expected to be worked out now that the national contract has been put together.

LOCAL DEADLINES

The UAW's international executive board will meet tomorrow to decide on a January strike deadline for local contracts which supplement the national pact.

The average UAW worker's annual wage will leap from $7,092 to $8,798 by the third year of the three-year pact —a jump of about 24 per cent. Like the Chrysler contract, the one at GM is retroactive to Oct. 16.

Including fringe benefits, the three pacts are expected to cost the industry about $3 billion over the three years. GM, which employes more than half the 674,800 UAW auto workers in the United States, is expected to foot about half the bill.

★ ★ ★

By 1970, pay raises and fringe benefits will add $1.02 per hour to the average auto workers pay check. Under the old contract, average pay was $3.41 per hour. It will jump to $3.84 per hour now, $4.03 the second year and $4.23 in the third and final year.

CANADIAN PARITY

No mention was made in the contract about equal pay for GM's 25,000 Canadian workers — a provision which Reuther won from Chrysler.

Negotiations between the union and the company in Canada continue. GM has offered to raise Canadian wages to a level with their American counterparts gradually until they are on a par by 1970.

Firemen 'Sick' in an Apparent Layoff Protest

Nearly 30 per cent of the Pontiac firemen scheduled for duty called in sick today in an apparent protest against the filing of petitions with the City Commission Thursday that will cause the layoff of fire department personnel.

★ ★ ★

The sick call caused the closing of two of the city's stations — ironically, the same two that will be shut down the first week in January because of the petitioned referendum vote on the city income tax ordinance.

Capt. Kenneth Eggart, the department's officer in command this morning, said stations 5 and 6 were closed as a "pullback maneuver," concentrating the men who are on duty in the remaining stations to insure equipment will be properly manned.

He said 11 of 38 scheduled firemen phoned in sick.

★ ★ ★

City Fire Chief Charles Marion was reluctant to link the large sick call to a protest, pointing out that the department "has had quite a bit of illness the past few weeks."

ACTUAL SICKNESS

"I wouldn't call this a protest," he said. "It may well be actual sickness, and that's what I'm assuming until it's proven otherwise."

Station 5, at West Huron and Genesee, serves the west-central area of the city. Station 6, on West Walton near Baldwin, covers Pontiac's north side.

Both stations will be closed as part of a far-reaching cut in city services necessitated by the income tax-delaying referendum, which will probably be scheduled in early February.

Two pumper companies will be eliminated and 12 men will be laid off, it has been predicted.

Congress Ends Long Session

WASHINGTON (UPI) — The 90th Congress, frustrated by Vietnam and dragging its feet on Great Society programs, began a month-long recess today after the longest session in four years and the roughest yet for President Johnson.

The House and Senate voted to call it quits for the year last night after giving final approval in the closing hours to an increase in Social Security benefits, a $9.1-billion school aid bill, and money bills for the foreign aid and anti-poverty programs.

The lawmakers will return Jan. 15 for the second session of the 90th Congress and election-year battles over taxes, domestic legislation and the war.

The year held few major legislative triumphs for Johnson. With GOP House strength increased by 47 votes — making a party division of 247 Democrats and 187 Republicans — conservatives were able to restrict many domestic programs enacted by the 89th Congress and hold back further Great Society advances.

The Senate seemed largely preoccupied with Vietnam, and in the last hour before Congress adjourned, Sen. Wayne Morse, D-Ore., charged in a floor speech that the United States was preparing for a new escalation in the fighting that would result in a war with Communist China.

Snowstorm Stuns Southwest

By United Press International

The Southwest lay still and stunned in a deadly world of white today, the victim of one of history's meanest and most cruel prewinter snowstorms.

Snow, sleet, rain and cold, and wicked, cutting winds would not let up.

The storm crept toward the East and showed signs of weakening, the U.S. Weather Bureau said, but "it is still a major storm."

The grim, pre-Christmas picture was filled with people dead — 12 in Texas, 5 in California, 2, in Mexico, and 1 each in Oklahoma, Oregon and Missouri — people stranded, and people driven from their homes hungry.

★ ★ ★

The Air National Guard mapped an airlift of food to stranded livestock on the Hopi Indian Reservation in Arizona.

FLEE FLOODWATERS

The Papago Indians of Sells, Ariz., were driven from their homes by floodwaters from relentless rains.

In Southern California, shocked by three days of rain, snow and cold, half the orange crop in the Yucaipa area of San Bernadino County was killed.

The Civil Air Patrol searched for a small plane grounded on a storm flight from Alamogordo to Albuquerque, N.M., and a woman died of exposure on the Mojave desert in California.

Northern Arizona, the hardest hit, lay under 47 inches of snow in Flagstaff; 32 in Payson; 32 in Showlow; 25 in Prescott, and 18 in Winslow.

TOWNS DIG OUT

In New Mexico, where 40-mile-an-hour winds lashed snow into six-foot drifts, Cimarron dug out of 21 inches of snow; Grants 20; Red River and Sandau 10 each.

Snow piled 22 inches high in Bryce Canyon, Utah; 15 in Blanding and 12 in Hanesville.

Travelers' warnings, posted for 11 states from southern California to New Mexico and the southern mountains of Colorado; from western Texas and the eastern New Mexico plains to Nebraska.

Brother, Sister Combine in Lake Rescue

A Wolverine Lake youth and his sister have been credited by village police with saving the life of an 8-year-old boy who fell through thin ice into 10-foot-deep water in a canal near the southwestern shore of Wolverine Lake yesterday afternoon.

The rescued boy was identified as Charles Mayes, son of Elmer Mayes of 1667 Meadowlane, Wolverine Lake.

He was treated at Pontiac General Hospital and released after being rushed there by Oakland County sheriff's deputies.

The boy was pulled from the water by Charles W. Trombley, 16, of 1065 Lakeview after being submerged almost three minutes, according to police.

★ ★ ★

Then Trombley's 17-year-old sister, Charlotte, went to work, applying mouth-to-mouth resuscitation to the boy.

OXYGEN ADMINISTERED

Commerce Township firemen later administered oxygen to Charles with a resuscitator before the boy was transported to the hospital.

The boy fell through the ice at about 3 p.m., according to village police.

The Trombley children are both students at Walled Lake High School, police said. **Charles is a sophomore and Charlotte is a senior.**

They are the children of Mr. and Mrs. Charles E. Trombley.

Housing, Tenant Bills Move Up as House Unit Gets Court Plan

PG. 2-A—36 SR 2-3—HOUSING

LANSING (AP) — The House sent its once-defeated court reorganization bill back to committee Friday and moved open occupancy and tenants' rights measures into position for debate and a final vote.

Speaker Robert Waldron, R-Grosse Pointe, said majority Republicans would meet Monday when the Legislature returns and decide which of the three new bills to consider first.

Lt. Gov. William Milliken, meanwhile, repeated that he was confident "that when the final votes are tabulated, a majority of the elected representatives of this state will support the fair housing bill."

That measure, one of the most controversial issues the Legislature has faced in years, outlaws discrimination based on race, color, religion or national origin in most real estate transactions.

TENANTS' RIGHTS

The main tenants' rights bill requires Detroit and other communities having housing commissions and operating housing projects to set up a board of tenants' affairs, half of whose members would be residents of the projects.

The board, by a two - thirds vote, could overturn any decision refusing an applicant admission to public housing, evicting a tenant or altering a tenant's obligation.

A companion bill provides that a resident may not be evicted from a public housing facility except for just cause.

The court bill, which sank Thursday while carrying a cargo of over 100 amendments, was revived and returned to the House Judiciary Committee. bill alive until the current special session adjourns, but it was not expected back on the House floor this year.

Greek King Can Return 'Powerless'

ROME (AP) — Greece's military dictatorship offered King Constantine the chance today to return to the throne he abandoned Wednesday after calling his nation into a rebellion that never really got started. The condition of return, diplomatic sources said, was that he live "purely as a figurehead, with no powers."

The 27-year-old monarch was reported ready to refuse the terms, the Athens sources indicated, and was demanding instead that the government resign as a requirement for his coming back.

★ ★ ★

The junta's offer was carried to Constantine's exile headquarters in Rome by Archbishop Ieronymous, primate of the Greek Orthodox Church, closest major figure in Greece to the royal family, and once the king's personal confessor.

The bearded, 62-year-old churchman's hurried trip to Rome emphasized the regime's anxiousness to bring Constantine back. Without him, the United States held up its recognition and Britain said it considered its diplomatic relations with Greece "no longer valid."

LEFT IMMEDIATELY

Arriving at Rome's Fiumicino Airport, Ieronymous left immediately by diplomatic car for the Greek Embassy where the king has taken refuge.

The regime's willingness to let Constantine return was made known at an Athens news conference by Deputy Premier Brig. Stylianos Patakos.

Secretary of State Dean Rusk said yesterday in Washington the United States "will wait for a while" before recognizing the Greek military regime.

He expressed hope that Greece, a member of the North Atlantic Treaty Organization, "will move as promptly as possible to a constitutional government."

N. Viets Rip GIs on Plains

SAIGON (UPI) — About 800 U. S. Army troops today battled North Vietnamese who smashed an American squad and then trapped a rescue platoon on the bloodstained coastal plains 300 miles north of Saigon.

A sergeant who took command of the ambushed platoon when his lieutenant was killed reported his men "getting it from all directions, even behind us."

★ ★ ★

First reports from the new battle on Bong Son plain said 47 Communists and 16 Americans have been killed. The fight erupted near the spot where allied troops killed 114 North Vietnamese yesterday and 510 in a six-day battle last week.

In other action, U. S. Marines reported killing at least 46 Communists in a savage battle in the mud just below the North Vietnam border Friday. In the air, a Soviet news dispatch from North Veitnam said U. S. jets for the third day in a row were striking Hanoi today.

News Seeks Damages

DETROIT (AP) — The Detroit News filed a $175,000 damages suit in Wayne County Circuit Court yesterday charging a conspiracy by publishers of the Detroit Daily Express and naming nine striking News employes as defendants. The suit charges that the employes and their corporation, Publishers' Consulting Service, Inc., conspired and agreed that the Daily Express circulation system would be organized and managed by the nine News employes. Further, the suit claims that the defendants also "unlawfully appropriated" secret lists of News customers and prospective customers and threatened carriers of the News.

2 Prisoners Sought

PORT HURON (AP) — Two prisoners, who cut through a St. Clair County jail cell block with a smuggled tool, overpowered a guard and leaped two stories through a kitchen window to the ground, remained at large today, the objects of a massive police hunt. Sheriff's men said Sylvester McCraw, 17, of Highland Park and Douglas Livingston, 25, of Port Huron made their escape last night.

Top Romanian Defects

GRENOBLE, France (AP)—The French news agency said today Romanian Secretary of State Georgi Filip has defected to the West and refuses to return home. The agency said Filip, a fighter in the French resistance during World War II, defected after coming to Lyon a month ago to represent his country at a ceremony for resistance heros.

4 Deputies Reinstated

ANN ARBOR (AP) — Sheriff Douglas Harvey yesterday reinstated four sheriff's deputies he suspended from the Washtenaw Sheriff's Department last week. Harvey had vowed he would not reinstate any of the men. He suspended them because they said they intend-Supervisors to make the board recognize the Washtenaw Deputies Association as bargaining agent for the men. All four men defied Harvey's order that they retract the statement.

'Charley's Aunt' a Fun-Filled Romp

By DON BRAUNAGEL

Meadow Brook Theatre has come up with a holiday treat.

The John Fernald Company, shifting from the tragic "John Gabriel Borkman" to the English comedy it does so well, romps through "Charley's Aunt," and it's a toss-up whether the audience or the cast has more fun.

Theater Review

The play, set at Oxford University in the late 19th century, concerns the mix-ups resulting from a student impersonating his classmate's well-to-do aunt.

Much humor—heavy on slapstick—grows from this improbable premise, and the members of the cast, under Fernald's excellent direction, nimbly and expressively play the farce for all it's worth.

★ ★ ★

Particularly good is Curt Dawson as the impersonator. In his best performance at Meadow Brook, he takes full advantage of his role's latitude.

SWITCHES SMOOTHLY

Mugging, taking pratfalls, smiling sweetly or laughing lecherously, he switches from ladylike aunt to raucous youth with greatest of ease and gives credibility to an unlikely character.

Also outstanding was Neil Hunt, relaxed and expressive in his Meadow Brook debut as Dawson's pal.

At the point where he gets the idea to have Dawson impersonate the aunt, he is half hidden by a doorway and conveys his inspiration to the audience using mainly one hand. It's neat.

★ ★ ★

Another newcomer is Colin Pinney, who played Hunt's father well but smiled a bit too much.

SHOWS IMPROVEMENT

Victor Holchak as Charley showed improvement over his performances of last year, although his part wasn't demanding.

Otho Burr added laughs as a handy servant, and Barbara Caruso, Lorna Lewis, Jill Tanner and Bonnie Hurren in the female roles provided a lot of glamor in Elizabeth Penn's costumes.

Advance ticket sales and the near-capacity opening night audience indicate this could be Meadow Brook's most popular play.

★ ★ ★

So if you want a laugh-filled break from holiday bustle, you may have to get tickets early. "Charley's Aunt" will run through Jan. 14.

11-Alarm Fire Ravages NY Post Office

NEW YORK (AP) — A spectacular 11-alarm fire roared through a block - square Manhattan branch post office last night and early today using mail chutes as flame flues and turning tons of Christmas mail to sodden ashes.

★ ★ ★

Flames spread rapidly through the six-story structure after the blaze erupted in a huge conveyor belt, but 2,000 postal employes were evacuated safely.

Three workers who used flashlights to signal their plight—were rescued from a sixth floor ledge by firemen using aerial ladders plus a scaling ladder to reach the final floor.

Fire Chief John T. O'Hagan described the conflagration as the largest single building fire in the city in the past 10 to 20 years.

★ ★ ★

At its height the fire cast a pall of throat-searing smoke over several blocks and firemen waded through streets flooded with icy water as the temperature hovered at 33 degrees.

600 FIREFIGHTERS

Eleven alarms were sounded —five in Manhattan and six more in Brooklyn and Queens—bringing some 600 men and 100 pieces of apparatus to the building located between 29th and 30th streets and Ninth and Tenth Avenues on the West Side.

The station which handles primarily foreign mail was the scene only nine days ago of a home-made bomb explosion that shattered windows and injured eight persons.

Fire Commissioner Robert O. Lowery said there was no evidence "as to any bomb or other explosion" in the fire, adding "at this time there is no indication of foul play."

★ ★ ★

A post office department spokesman said there would be no way of even approximately estimating the loss of mail for many hours.

Slain Reds Weren't Carrying Heroin

SAIGON (AP) — An investigation has determined that Communist troops slain in fighting north of Saigon Dec. 10 were not carrying heroin, as reported after the battle, a spokesman for the U.S. 1st Infantry Division said today.

★ ★ ★

He said the small packets of white powder found on the battlefield after the action had been analyzed and contained potassium permanganate, a disinfectant and fungicide; copper sulphate, used as a fungicide; calciumhydrate, used as a water purifier; antibiotics, and ordinary soap.

★ ★ ★

The reports that enemy troops had been carrying heroin and may have been "high" on it during an attack last weekend came from the field, where the Communists left 124 bodies. Many small packets of white powder were found on the dead.

Birmingham Girl, 7, Dies After Being Hit by Car

A 7-year-old girl, struck by a car Monday on her way home from Pierce Elementary School in Birmingham, died yesterday morning.

Barbara Ann Wilson, daughter of Mr. and Mrs. C. R. Wilson, 1748 Stanley, died at 2:45 a.m. Friday at William Beaumont Hospital, Royal Oak.

Barbara was fatally injured Monday at 3:53 p.m. by the car driven by James Nemes, 65, of 3432 Wendover, Troy, said Birmingham police.

Nemes was southbound on Pierce near Southlawn when Barbara ran in front of the car, said police.

The accident occurred near Pierce School, 1829 Pierce.

Doctors, Clergy Worried About Abuse of Power

LONDON (AP) — Some British doctors and clergymen are worried that the successful heart transplant case of Louis Washkansky in South Africa has given doctors new God-like powers to decide who lives and who dies.

★ ★ ★

Granting the Dec. 3 surgery in South Africa was a medical triumph, the doctors and clergy fear a conflict may arise between a doctor's duty to do all he can to save a patient's life and the doctor's anxiousness to save another patient's life by transplanting a heart, liver or other vital organs from the first patient.

★ ★ ★

Washkansky, meanwhile, said Friday night in Capetown he felt "100 per cent." In a tape recorded interview he also commented, "I feel very lucky to be the first man in the world to have a new heart."

In a letter to the London Times a Birmingham surgeon wrote:

★ ★ ★

"What is the next step—removal of a vital organ from a cancer patient who will probably die in six months, or from a mongol child who may not survive beyond the age of 20? I think we must watch our step."

The Rev. David Bartle, an Episcopalian, expanded on the same theme in another letter.

ETHICAL PROBLEM

"It would seem that an old ethical problem about the preservation of life is being presented in a startling new form, since the heart must be taken from the donor so soon after death."

★ ★ ★

This, he said, raises the question of when death occurs — when the heart stops, when efforts to revive the heart fail, or when the doctor says death occurs?

★ ★ ★

The danger, he warned, is that "a hurried approach may lead to abuse of possible donors."

At the Royal Bristol Infirmary doctors planning the first human liver transplant in Britain due to take place in the next two or three months, now face these questions.

★ ★ ★

Prof. A. G. Riddel, head of surgery at the infirmary, said: "Anybody who comes into hospital, irrespective of whether he is a potential donor, will be treated with the best medical skill to save his life.

"He will not be treated by those who are going to perform a transplant. One cannot have a vested interest in a patient's death."

The Ortonville Woman's Club has determined to establish a museum to serve the people of the Ortonville area.

A strong sense of educational values inherent in such a project governed their decision to make their project a general museum rather than a limited exhibit of pioneer type.

They report that a fine response has been received from the people of the area, with many expressing interest in donating items, time and money to the project.

A building to house the museum is the most pressing need. Several locations are under consideration. It is hoped that a site may be obtained that will, in its architecture and surroundings, complement the nature of the exhibits that will be viewed there.

All contributions of appropriate items will be accepted and stored until they can be exhibited.

The 35 members of the club are interested in obtaining items in all fields including art, history, science, industry, and periodicals and documents relating to the immediate area's settlement and development as a community.

Mrs. Bliss Turnbull of Grange Hall Road is serving as finance chairman of the project with assistance of Mrs. Lavern Boutell, Dorah Young and Marguerite Farmer.

Research chairman is Mrs. B. L. Hamilton. Her committee consists of Mrs. Benjamin Westerby, Mrs. Joseph French and Mrs. Lester Westlake.

Mrs. L. V. Kline of Groveland Road is general museum chairman.

Week's Winner Offers Advice on Subject

By ELIZABETH L. POST

I am printing the following letter because I hope that it will encourage other girls to visit the families of the boys in Vietnam. Mrs. Horton's letter has been chosen as the prize-winning one for this week and a copy of Emily Post's Etiquette has been sent to her.

★ ★ ★

Dear. Mrs. Post: I just wanted to commend you on your reply to the girl friend of a Vietnam serviceman. My brother, a Marine, was killed in Vietnam. My parents live 400 miles away, and I was unable to visit them immediately upon his death (month-old twins and a toddler slow down my progress).

★ ★ ★

A girl my brother dated went to my parents. She attended the wake and the funeral (which was held during a blizzard). Her graciousness and generosity with her time comforted my parents greatly.

She was a friend of Jim's and it somehow brought him closer. So I speak from experience when I say that the parents of the men in Vietnam are our walking wounded. They live in constant fear, well muffled.

★ ★ ★

They are constantly tuned in to the news reports. They suffer. And since somehow it helps to have their sons' friends visit, God bless the friends that do.

★ ★ ★

Whether you morally agree or disagree with the war in Vietnam, I wish we could have a national Support the Parents of the Boys in Vietnam Day, because they are the ones who are supporting our boys. Thank you for giving me this opportunity to sound off. — Joan Horton.

If Husband Has No Objections and Children Want This, Why Not?

By ABIGAIL VAN BUREN

DEAR ABBY: Gordon and I have been married for six months and I have just about had it. This is the second time around for both of us. We both have teen-aged children. His live with their mother, and mine live with us.

ABBY

Gordon's ex-wife calls him almost every evening to discuss some "problem" she is having with the children. I don't call my ex-husband every night with "problems" concerning our children.

Am I wrong to object to Gordon's ex-wife bothering him so much? Now they are divorced I feel he should be finished with her. He sees his children every Sunday, and I think if his ex-wife has any problems to talk over with him, she should do it then.

I would like your opinion.

HAD IT

DEAR HAD IT: Gordon may very well be "finished" with his ex-wife, but no proper father is "finished" with his children until they are grown and on their own. If Gordon feels that his ex-wife is "bothering" him, it is up to him to tell her so.

If he doesn't complain, perhaps he wants to be made aware of his children's problems.

Yours is the battle every woman fights when she marries a divorced man whose children live with their mother. If you are wise, you will be both patient and silent.

★ ★ ★

DEAR ABBY: My husband and I were divorced four years ago, but the flame is still burning, and we see each other quite often. Lately he has been coming over here for dinner and then we watch TV together and he sometimes stays all night. My problem is the neighbors.

They know his car, and they see it parked in my driveway all night, and I understand they have been running their mouths a mile a minute. We are both more than 40 years of age, and I think what we do is our own business. Right?

TALKED ABOUT

DEAR TALKED: What you do is your business, but you should be aware that you are doing business without a license.

★ ★ ★

DEAR ABBY: Our son is going to be married to a very high class girl. I mean she comes from very high society people. The girl's mother asked me to give her a list of friends and relatives we want invited to the wedding, and she didn't set any limit!

She said we could invite as many as we wanted as the church will hold 1,500 and they are inviting their whole family.

I hope I don't sound like a snob, but we have some relatives we see only at funerals, and to tell you the truth, I don't think they'll fit in very well with the girl's people. Can I invite just part of our family without inviting them all?

GROOM'S MOM

DEAR MOM: Everyone has relatives who won't "fit in" everywhere. If you invite the whole family, the other side will probably have a lot of relatives who will fit in just dandy with some of your misfits.

★ ★ ★

CONFIDENTIAL TO "D": Yes, it is easier to give up smoking if one substitutes something else for it. But don't punish your friends by substituting bragging for smoking.

Are You Bride-to-Be?

Are you planning a wedding?

We are interested in having your engagement and wedding news. But we need your cooperation.

The Pontiac Press has printed forms for both engagement and wedding announcements. But you may send in the details, giving full names and addresses (husband's names for a married woman) and other pertinent details.

Please include a telephone number so that we may check if necessary.

TIME LAPSE

There must be four months between engagement and wedding stories, if there is to be a picture with both.

No engagements are announced less than a month before the wedding date.

We prefer to receive wedding stories and pictures before the ceremony. If pictures are taken at the wedding, we must have them no later than two days after the ceremony (that is, by noon Tuesday for Saturday weddings.)

If the wedding takes place out of town, this deadline is extended.

BEST PICTURES

Pictures should be black and white, preferably glossy prints. Snapshots cannot be used. Color and tinted prints are not acceptable.

While The Pontiac Press makes no promise to use every picture submitted, some printed mention of the event will be made.

There is no charge for editorial space, but it cannot be reserved nor can we promise the size of picture or its position.

Engagement and wedding pictures are kept for two months, then discarded. They may be called for any time after publication.

Three gay plotters plant the seeds of hilarious trouble during a scene from the John Fernald Company production of the vintage slapstick farce "Charley's Aunt" at the Meadow Brook Theatre. From left are Curt Dawson, Neil Hunt and Victor Holchak. The show opens tonight and continues through the holiday season.

Area Camp Fire Girls at All-Council Party

Ninety-six Camp Fire Girls attended the first all-council Christmas party for fourth, fifth and sixth graders Thursday afternoon at the Community Services Building.

Planned for the girls by local staff members, the party included skits, games, songs and refreshments.

Mesdames Judy Davison, Jane Grant, Ruth Plew and Dorothy Grahek were in charge of arrangements, assisted by group leaders.

The Pontiac Area Council of Camp Fire Girls is a member organization of the Pontiac Area United Fund.

Book Reviewers to Meet Monday

The Waterford Township Book Review Club will hold its Christmas meeting Monday at 1 p.m. in the Airport Road home of Mrs. John Watchpocket.

★ ★ ★

Assisting the hostess will be Mrs. William Banghart and Mrs. Henry Mehlberg.

★ ★ ★

Mrs. Francis Kinkle is chairman of the group which meets on the third Monday of the month. Membership is open to interested women.

MRS. RICHARD K. GOULD

Richard Gould Weds in Ohio

First Methodist Church in Newark, Ohio, was the setting recently for vows exchanged by Margaret Anne Thumm and Richard Kent Gould.

★ ★ ★

Carrying a bouquet of white Sweetheart roses with ivy, the bride was gowned in a sheath of peau de soie trimmed at the bodice and sleeves with Alencon lace and pearls.

Her bubble veil was capped with a bow.

★ ★ ★

Honor attendants for the candlelight wedding were Nancy Shultheis and Richard Lam.

Other members of the wedding party were Jeanne Mulder, Thomas Kennedy, the Jeffrey Thumms and the Herbert Swartwoods.

★ ★ ★

A reception honoring the newlyweds at the Holiday Inn preceded their departure for a honeymoon trip to the Bahamas and New York.

Parents of the bridal couple are the J. Randall Thumms of Newark, Ohio and the Richard B. Goulds of Lake Angelus.

MRS. LAWRENCE TERNON

A candlelight ceremony in the chapel of Strathmoor Methodist Church was the setting recently for vows spoken by Suzanne Stough and Lawrence Ternan.

Parents of the bridal couple are the Gerald D. Stoughs of Detroit and the William Ternans of Southfield.

For the double ring rite, the bride was attired in ivory peau de soie fashioned with a chapel length train.

Peau d' ange lace highlighted the gown's Empire bodice styled with a bateau neckline.

Her silk illusion veil was held with a crown of matching lace. She carried a colonial bouquet of white roses and ivy.

★ ★ ★

Mrs. John McEuen and Sharon Stough attended their sister as matron and maid of honor with James Moore as best man and ushers Lynn Ternan and George Burnard.

Prior to their departure for a two week wedding trip to the Carribean, the newlyweds were honored with a dinner in the fellowship hall of the church.

WNFGA Unit Gives Presents

A gift exchange highlighted Wednesday's Christmas meeting of the Lorraine Manor branch of Women's National Farm and Garden Association.

In an effort to bring Christmas to others, each member also donated a gift for the Lapeer Training Home, an annual practice for the past 10 years.

★ ★ ★

To conclude the evening, hosted by Mrs. Robert J. Smith of Fernbarry Drive, Mrs. John Phillips showed films of her European trip.

Falls Crossed

Blondin, a French acrobat, crossed the gorge just below Niagara Falls on a tightrope. He repeated his feat several times in the summer of 1859, once carrying a man across the gorge on his back.

Daughter's Vows Told by Parents

Mr. and Mrs. Kenneth Sprung of Lorena Drive announce the recent marriage of their daughter, Joyce Fox, to Robert Moffet.

The bridegroom is the son of Mrs. A. B. Moffet of Kalamazoo and the late Mr. Moffet.

For the evening ceremony in Central Methodist Church, the bride was attired in a white day length suit. She carried red camellias.

Attendants for the vows were the bridegroom's mother, and the bride's father.

Annual Festivities Noted by Chapter

Mrs. Michael Gollogly and Mrs. Robert Smith took part in Wednesday's program at Xi Gamma Alpha chapter, Beta Sigma Phi's annual Christmas party.

The Kennett Road home of Mrs. Vincent Schneider was this year's setting for the traditional event. Guests present were Mrs. A. Byron Barnes, Mrs. Clyle Haskill and Mrs. Clifford Wilcox.

Freshman Coed to Compete in Balloon Flying

ST. CLOUD, Minn. (AP) — Almost before she was old enough to stop playing with balloons, Debbie Kath started going up in them, to become one of the youngest female hot air balloonists in the nation.

The 18-year-old freshman at St. Cloud State College is secretary and membership chairman of the Aerostat Society of America's Twin Cities chapter. She made her first ascent two years ago in a balloon that was attached to the ground by a rope."

★ ★ ★

She now owns two balloons and is planning to fly in competition. "It's a good reason for me to keep my weight down," she laughs, "because it's much easier to get a light payload off the ground."

Mr. and Mrs. Carl A. Romig of Troy celebrated their golden wedding anniversary recently. Long-time circus performers, the couple was married in 1917 when Elizabeth Rooney, Ringling Bros. "Queen of the high wire" said "yes" to Carl, "Most daring of wild west cowboys." They will be appearing together Sunday at the Elks Lodge children's Christmas party in Pontiac. They have three children, Grace, Irvin and Fay.

A 'SECRET' MESSAGE

Upon receiving a prescription from your physician, what is the first thing you do? Of course, you try to read it. Most often you don't understand all of the words. Why the secrecy in a prescription?

There is none, really. What you are looking at is simply the language of medicine—the expression of your physician's decision on what drug you require, how much you need and how it should be taken. Your prescription is a brief, accurate note of all this priceless information.

Columnist Thinks He's 'Mr. High and Mighty' Now

By DICK WEST

KITTY HAWK, N.C. (UPI) — High honors fall upon newspapermen in gay profusion, and frequently in lieu of money.

WEST

Being constantly lionized make us reporters rather blase about such things as winning the Pulitzer Prize. Or, as in my case, not winning the Pulitzer Prize.

But there are still a few encomiums that can give a journalist a thrill, one of which has just come my way.

I thought I had capped my career a couple of years ago when I was invited to serve as a judge in the contest to choose the west Tennessee okra queen.

However, that treasured moment has now been surpassed, if possible, by a new accolade.

I am referring to the invitation that brought me here from Washington to deliver the key-note address at this year's meeting of the Man Will Never Fly Memorial Society (MWNFMS).

To view this laurel in its full glory, one must realize that MWNFMS (pronounced "birds fly — man drinks") is facing a new crisis.

MWNFMS was organized in 1959 to counter the insidious propaganda being spread by the Kill Devil Hills Memorial Society (KDHMS), which was formed to commemorate the so-called "first flight."

By dint of hard work, coupled with hard liquor, MWNFMS was able to convince even the most gullible squares that the Wright brothers really were just putting us on. KDHMS then disbanded in disgrace.

But MWNFMS's rejocing was short-lived, although strenuous while it lasted. For there has now sprung up something called the First Flight Society (FFS), which is bent on reviving the old manned flight myth.

Ordinarily, MWNFMS has an internationally unknown celebrity as its keynote speaker. But this year because of the new threat from FFS, MWNFMS strategists felt they'd increase the oratorical power by inviting a world-famous nonentity to address them.

The finger of sagacity pointed to Y'r H'mble' C'rr'sp'nd'nt as the logical instrument to deliver the coup de grace to FFS and offhand I can't think of a better choice.

Actually, it probably won't be much of a contest. I expected to have the upstart FFS on the ropes before MWNFMS's annual cocktail party is 36 hours old.

★ ★ ★

Manned flight? Ridiculous. In fact, the whole idea would be laughable if it were not so funny.

For Waterford Children

JCs Plan Shopping Tour

The Waterford Township Jaycees and Jaycettes will conduct their annual Christmas shopping tour for a group of selected children from the township's elementary schools Tuesday night.

The 24 children selected to take part in next week's outing range in age from 6 to 12.

The Jaycees have more than $200 budgeted for the children to buy gifts for other members of their families, according to project chairman Joe Bigler of 681 E. Preda, Waterford Township.

A special gift counter will be set up for the children at the S. S. Kresge Co. store at Pontiac Mall.

★ ★ ★

The Jaycees will drive the children from their homes to the Mall and to the Community Activities, Inc., building, 5640 Williams Lake, where they will wrap their gifts and be served refreshments.

Then the children will be driven back to their homes.

Street Light Hearings Due in Waterford

Monday night's Waterford Township Board meeting will begin one-half hour earlier than usual because of public hearings on two proposed special assessment district street lignting projects to be held between the hours of 7 and 9.

Proposed are 23 lights for Lamont, Olmstead, Woodmere, Island Park and Sashabaw streets and 13 lights for Hobson, Lyford, Cristy, Elizabeth Lake Road and Crescent Lake Road.

Benefiting residents would pay 90 per cent of the total annual charge. The township would pay the balance.

Up for action at Monday's meeting are five rezoning requests for property on:

- Pontiac Lake Road near Oceana from general business (C2) to extensive business (C3) for a candy processing plant.

Up for consideration is a proposed ordinance specifying collection fees for new land development.

The board also is expected to set a public hearing date for a proposed special assessment district street-lighting project for Watkins Hills No. 4 subdivision.

CHARTER TOWNSHIP OF WATERFORD
PROPOSED ORDINANCE No. 56

An ordinance establishing fees that shall be paid prior to obtaining tentative approval and final approval of preliminary plats and prior to submission of plats for final approval, such fees to be in addition to those required under state statute and to establish inspection fees which shall be paid in connection with all plats submitted to the Township of Waterford for approval.

The charter Township of Waterford ordains:

ARTICLE I GENERAL

Section 100. Short title:

This ordinance shall be known as the Subdivision Fee Ordinance.

Section 101. Purpose:

This ordinance is hereby enacted in conformance with the provisions of Act No. 288 of Public Acts of 1967, known as the "Suddivision Control Act of 1967" in order to establish the fees for examination and inspection of plats and the land proposed to be subdivided and related expenses in connection therewith.

ARTICLE II FILING FEES

Section 200. The Proprietor shall upon first submission of the preliminary plat for tentative approval, pay to the Township the sum of $3.00 per lot but in no event shall such fee be less than the sum of $150.00.

Section 201. The proprietor shall, upon submission of the preliminary plat for final approval, pay to the Township Clerk the sum of $7.00 per lot but in no event less than the sum of $300.00.

Section 201.1. In the event the preliminary plat, when submitted for the final approval of the same, requires the installation of a water pumping station, then and in that event the proprietor shall upon submission of said plat, pay the Clerk of the Township, the following fees, which shall be in addition to the all other herein fees required.

Pump House with Treatment $700.00
Pump House without Treatment $500.00

Section 201.2. In the event the preliminary plat when submitted for final approval of the same requires connection to municipally owned sanitary sewage facilities, then and in that event, the proprietor shall upon submission of said plat, pay to the Clerk of the Township, the sum of $3.50 per lot but in no event shall said fee be less than $100.00. The fee required under this section shall be in addition to all other fees required herein.

Section 201.3. In the event the preliminary plat when submitted for final approval of the same requires checking and approval of off-site improvements such as water mains and/or sanitary sewer extensions which are necessary to provide service to the land being platted, the cost of approving the same being incapable of predetermination, then and in such event, the Township Clerk shall request a cost statement from the Engineers employed by the Township, showing the cost of approving such facilities. The proprietor shall upon submission of said plat pay to the Township Clerk such sum as is disclosed by the engineers cost statement, such fee to be paid in addition to all other fees required herein.

Section 201.4. In the event the proposed plat is revised subsequent to submission for final approval of the preliminary plat, then and in such event, the Clerk shall request of the engineers employed by the Township, a statement of the cost of approving and checking such revised changes and the proprietor upon submitting the revised preliminary plat for final approval, shall pay to the Township Clerk, such sum as is disclosed by the engineers' statement. Such sum, may be less than but under no circumstances shall exceed the fees as set forth in the preceding sections. Such sum however, shall be in addition to all sums previously paid by the proprietor as required by the preceding sections.

Section 202. The proprietor shall, upon submission of the final plat for final approval of the Township, pay to the Township Clerk the sum of $4.00 per lot but in no event shall such fee be less than the sum of $100.00.

Section 203. The proprietor shall in addition to all fees required under this ordinance pay to the Clerk of the Township, five per cent (5%) of any and all fees required herein, such sum to cover related expenses of the Township in connection with the approval, examination and inspection of plats.

ARTICLE III INSPECTION FEES

Section 300. The proprietor, prior to construction and upon submission of the preliminary plat for final approval, shall deposit with the Township Clerk for payment of the anticipated costs of inspection, such sum in acocrdance with the following schedule based upon proprietor's total construction cost:

To $5,000.00	$500.00
$5,000.00 to $50,000.00	8% but not less than $500.00
$50,000.00 to $100,000.00	6% but not less than $4,000.00
Over $100,000.00	5% but not less than $6,000.00

Section 300.1. The fees to be paid for inspection from such sum as is deposited under Section 300 shall be $75.00 per inspector, per crew day, per calendar day of inspection. The basis of computing crew days shall be as follows:

4 hours or less—½ crew day.
4½ hours through 8 hours—1 crew day.
Over 8 hours—¼ crew day for each 2 hours or fractional part thereof in excess of 8 hours.

Section 300.2. In the event the inspection fees under the preceding section exceed the sum deposited to cover such costs, the proprietor shall upon demand of the Township Clerk, pay to the Clerk such additional sum as shall be necessary to cover such costs.

In the event the inspection fees under the preceding section are less than the sum deposited to cover such costs, then the excess of money deposited over cost shall be refunded to the proprietor upon final approval of construction.

ARTICLE IV VALIDITY AND SEVERANCE

If any section, clause or provision of this ordinance shall be declared to be inconsistent with the Constitution and the laws of the State of Michigan and so held void by any Court of competent jurisdiction, said Section, clause or provision declared to be unconstitutional and void shall thereby cease to be a part of this ordinance, but the remainder of this ordinance shall stand and be in full force and effect.

ARTICLE V ADOPTION AND EFFECTIVE DATE

This ordinance adopted in accordance with Act 288 of Public Acts of 1967 on the 18th day of December, 1967 shall become effective on January 1, 1968.

By Order of the Township Board.
ARTHUR J. SALLEY, Clerk
December 11, 1967.

Card of Thanks 1

WE WISH TO EXTEND OUR thanks and appreciation to relatives, friends, and neighbors for their many cards, flowers and other kindnesses. Our special thanks to Father "Ben" of St. Perpetuous. The Family of Emily C. Belant.

THE FAMILY OF MRS. JESSIE Lee Johnson, wife of John T. Johnson, and daughter of Mrs. Carrie Wright are extremely grateful for the help and kindness of neighbors, friends, and relatives. Especially to Pastor Rev. W. T. Vernor.

In Memoriam 2

IN LOVING MEMORY OF ROSE Spadafore who passed away Dec. 17, 1964.
Though years may pass before we see
Our Mother's face once more
The faith she taught us at her knee,
Will lead at least to Heaven's door.
Sadly missed by sons Paul, Guy, and Sam.

IN LOVING MEMORY ETHEL Irene Boose who passed away five years ago today, Dec. 16, 1962.
For all her loving kindness
She asked nothing in return
If all the world deserts you
To your mother you can turn
So all I can do dear mother
Is to go and tend your grave
And leave behind a token of love
To the best mother God ever gave.
Sadly missed by children, grandchildren and family.

IN LOVING MEMORY OF MY HUSband and our father, Norvin B. Rasel, who passed away 2 years ago, December 17.
It is lonesome here without you,
and sad and weary the way;
Life has not been the same,
Since you were called away.
Sadly missed by wife, Ethel, daughters and son.
