Telephone Town Hall Meetings Tonight

This evening I will be holding two live, telephone town hall meetings from 5:00 to 6:00 p.m. and from 6:30 to 7:30 p.m. I will be talking about the tragic shooting in Arizona, jobs and Michigan's economy as well as taking your questions. If you would like to participate, please call 877-229-8493, ID code 13391 during the times listed above. If I miss you this evening, rest assured I will be doing another telephone town hall in your area soon and look forward to speaking with you then. Further, I always invite you to contact me through my website at www.mikerogers.house.gov.

Tragic Shooting in Arizona

My thoughts and prayers are with Congresswoman Giffords, her family and staff. My heart goes out to all of the family and friends of those who were so needlessly attacked in Arizona.

My staff and I joined President Obama, Speaker Boehner and Leader Pelosi in observing a moment of silence to honor the innocent victims today at 11:00 a.m. We hope and pray for a full recovery for all of the victims and swift justice for the attacker.

Cutting Congress' Budget

Last week I voted to cut the House budget by 5 percent. At a time when families' budgets have been cut the past few years, Congress must lead the way by doing more with less. The resolution that the House passed last week on an overwhelming bipartisan vote will save taxpayers \$35 million this year. It also puts Americans on

notice that we are serious about getting a handle on out-of-control Washington spending starting immediately.

I appreciate the opportunity to contact you. You can also follow my efforts on [YouTube](#) (RepMikeRogers) and [Facebook](#) (Mike J. Rogers). Should you have any questions or concerns, please do not hesitate to call on me.

Sincerely,

Mike Rogers
Member of Congress
