The Coming of the King

## XI—The Flight Into Egypt

By NORMAN VINCENT PEALE

The gates of Bethlehem clanged shut behind Joseph, Mary and the infant Jesus. And it was in the dark of night, fleeing the swords of Herod's soldiers, that the little king left the town of his ancestor, King David, where he had been born.

*Mother and Child*

But, although it was dark, there were stars in the sky to guide them. And, although it was cold, the baby was wrapped warmly. And, although the soldiers were already close by on the Jerusalem road, the donkey could take the paths over the hills leading to Egypt and safety.

So, for many a weary day, Joseph and the poor donkey trod the rocky hills and the sandy deserts. Mary was not quite as tired, because she rode on the donkey with Jesus in her arms, but she was tired enough.

It was a hard journey, a far harder one than most of us have ever made. They could travel only on little-used paths and trails and even then mostly at night for fear of Herod's soldiers. They avoided people, because Herod's spies were everywhere.

They talked to no one and heard no news. It was not until long after that they heard of the slaughter of the innocents in Bethlehem and realized that only with the help of God had Jesus escaped.

As they traveled, Joseph reminded Mary that this was the path their people had traveled when Moses led them back after they had been slaves in Egypt. And soon they saw Mt. Sinai, from which Moses had brought down the tables on which were engraved the Ten Commandments. That was a happy sight because it meant they were close to the Egyptian border; for Sinai stood in what was then Egypt. Soon they crossed the border and were safe from Herod.

## Drastic Slash in Newsprint Coming in 1956

**Reductions of 7 to 13 Per Cent Announced by 5 Major Producers**

NEW YORK (AP)—Five major newsprint producers have informed customers they will cut back deliveries by 7½ to 13½ per cent at the start of the year, the American Newspaper Publishers Assn. said today.

The ANPA also reported that 10 companies are running from six to 22 days behind in deliveries of newsprint to U. S. publishers.

These developments come at a time when newsprint consumption is at a record high and the supply in the hands of U. S. publishers is at the lowest level since June 1933.

Here is the picture on delivery cutbacks, as reported by ANPA:

Great Northern Paper Co. is notifying its customers of a 13½ per cent cut in deliveries with no indication of how long the cut will be in effect. International Paper Co. is cutting deliveries 7½ per cent from January through April and then will make a decision for the rest of the year based on conditions at the time.

Bowater Paper Co. is cutting, at least some of its customers, 10 per cent.

**St. Lawrence Corp. will reduce shipments in 1956 by around 13 per cent. In addition, this company has told customers it will take up any tonnage which was not delivered under 1955 contracts.**

ANPA also stated that Coosa River Newsprint Co. has notified customers of reduced deliveries early in 1956.

Powell River Co. has reported it plans a 12½ per cent "delay" in deliveries for the first half of 1956, but said it hopes to make up these delays in the second half of the year.

ANPA said it had been advised the following companies are behind in newsprint deliveries — Abitibi Power & Paper Co., International, St. Lawrence, Minnesota & Ontario Paper Co., Bowater, Price Bros., Powell River, Coosa River, Southland Paper Mills, and Great Northern.

**The Pontiac Press is hit hard by these moves in common with other United States newspapers.**

Our biggest source of supply is the St. Lawrence company which has reduced all shipments 13 per cent in 1956. This means drastic reductions in 1956 in Pontiac. The Press uses a freight car of white paper every other day steadily, throughout the year.

## *Police Officials Warn Drivers of Jail Terms*

"Drunk drivers go to jail," said Oakland County Sheriff Frank Irons and Pontiac Police Chief Herbert Straley this morning.

The two officers joined in an appeal to drivers to make the traditionally happy Christmas holiday just a little less dangerous.

"Over 550 people died last year in Christmas holiday traffic," Chief Straley said. "It wasn't a very good Christmas for 550 families."

"Just be a lot more careful on the roads," Sheriff Irons added. "Drive as if everybody else on the road was a raving lunatic."

"And if you drink, don't drive," both officers warned. "If you're drunk, you'll spend the holidays in jail."

## France Rushing 60,000 to Algeria

**Troops Will Face Rebel Promise of More Terror During Holiday Season**

PARIS (AP)—France is sending meet threats of increased nationalist violence during the Christmas holiday season.

Premier Edgar Faure's caretaker government ordered the reinforcements after an urgent request from Jacques Soustelle, resident general in the violence-ridden North African territory. An estimated 170,000 to 200,000 troops already are trying to cope with the bloody outbreaks.

**Nationalists seeking independence for Algeria have called for increased terrorism during the holiday season, with the emphasis on killings on Christmas Eve and Christmas Day.**

To keep Catholics off the street after dark — most of the nationalists are Moslems — Algeria's Roman Catholic bishops announced that the Mass of the Nativity could begin at 5 p.m. on Christmas Eve instead of at midnight in dangerous areas. The Vatican approved the change.

An estimated 200 men — soldiers and rebels — have been killed in Algeria in the past 10 days.

Algeria technically is administered as part of European France, but has only a small representation in the French National Assembly.

## 3 Known Dead and 55 Others Believed Lost

**Thousand - Mile Area Suffers as Numerous Rivers Overflow**

SAN FRANCISCO (INS) — A vast thousand-mile area of California from San Francisco north to the Oregon border was ravaged by floods today in a continuing rain and windstorm which drove uncounted thousands of persons from their homes.

Unconfirmed reports said that up to 55 persons might have drowned yesterday as virtually every stream in northern California neared or passed the flood stage. There were in addition three confirmed deaths.

Gov. Goodwin J. Knight declared a state of emergency in the areas swept by floods and state relief agencies were ordered to cut red tape and aid the storm refugees.

Coastal Humboldt County appeared to be the area hardest hit by the storm. Eureka, the county seat, a city of 25,000 population, was isolated when highways and railroads were blocked by landslides and when telephone wires were blown down by the storm.

## Christians Visit Holy Land Sites

**Israel, Jordan Cease War to Let Pilgrims Worship at Shrines**

FROM OUR WIRE SERVICES

JERUSALEM — Christian pilgrims began passing through the Mandelbaum gate into the old city of Jerusalem today as Isreal and Jordan put aside their differences and lifted the barriers between their sectors.

Jewish Police estimate that despite the recent tense situation in Jordan most of the Christmas pilgrims will be able to complete their journeys to Christendom's holiest shrines.

**The barriers were put aside at seven this morning and will be closed at sunset today until sunset tomorrow — the period of the Jewish Sabbath.**

Tomorrow evening, the Christians who have come to the divided city from all over the world will start moving again into Jordan and on to Bethlehem.

There at the site of Christ's birth, the traditional Christmas Eve mass will be celebrated in the Church of the Nativity.

At the United Nations in N. Y., diplomats expressed doubt today that Syria could get the Security Council to meet her demands that Israel be ousted from the U. N. and penalized heavily for the Dec. 11 Galilee attack.

The usual resolution of censure and appeal for negotiations appeared a more likely result.

Have You Forgotten Anyone?

## *Stores Offer Many Items for Last Minute Shoppers*

By JANET ODELL

Heavenly days, we've forgotten great-aunt Esmeralda. Let's go last-minute Christmas shopping.

Last time we looked there were some cute Santa Claus mugs with candles in them. Burn up the candles, and Junior will have a mug for his milk.

Any woman is pleased to receive a pretty slip or petticoat. Some we saw had lace on the bottom and ribbon run through the way grandmother used to do it. Others had embroidered roses in the hem or were flocked with floral designs.

Your favorite couple would love a gift of steak knives. A large tile set in a gilt frame would also be welcome. How about a new kind of coffee maker, one that looks like a chemist's flask?

**For milady's evening bag you might purchase a mother-of-pearl cigarette case trimmed with rhinestones. She'd also like a pair of brocaded slippers.**

Men are sure to like the combination coat and pants hanger that keeps a suit all in one place. A traveling man would like a little plastic bag containing shoe polish and a brush.

**Buy a miniature Hitchcock rocking chair for a beloved granddaughter or godchild. Give that teenager some Crazy-Mixed-Up-Kid pillows.**

Kitchen towels have come out of the utilitarian class. One set we saw had two dish towels, one terry towel, one pot holder and one utility cloth; the colors were bright and gay.

If you give an ash tray, make it a big one. Some of the modern ones imported from Italy are both handsome and useful.

For sheer frivolity buy one of the fabulously jeweled accessories seen in one jewelry store.

These include flashlights, thimbles, pocket knives, key chains, pill boxes and corkscrews!

## Jaycees Select Winning Homes

**Yule Lighting Contest Honors Claimed by 4 City Families**

Four Pontiac homes won awards for their dislpays last night when judging in the city's annual Christmas lighting and decoration competition was conducted by the Junior Chamber of Commerce.

Honors in the east half of the community went to Mr. and Mrs. Charles W. Hall, of 450 S. Marshall St. The residence of the Glenn W. Richmond family, 334 Voorheis Rd., was the winner in the western section.

**The owners of both houses will be awarded $25 U. S. savings bonds, according to Contest Chairman William O'Connor.**

Honorable mention as runnerup in the eastern portion was awarded to Mr. and Mrs. Francis J. Crews, of 65 N. Ardmore Ave. Similar mention was given to the home of Mr. and Mrs. William J. Roach, of 1005 Canterbury Dr. in the west section.

Dividing line between the two divisions was Saginaw St.

The Hall residence was decorated with scenes of Santa Claus preparing to come down a chimney. The Richmond home portrayed a large candle and an illuminated Santa Claus scene while music was played softly over a loudspeaker.

The latter display was the creation of the Richmonds' sons Kenneth, 17, and Robert, 15.

Judges consisted of Junior Chamber of Commerce members in cars who canvassed both halves of the city between 8 and 11:30 p.m.

## Petitions Asking Vote on Parking

**Number of Signatures Below Requirement for Bringing Referendum**

Petitions bearing approximately 3,675 signatures and calling for a public vote on the $600,000 municipal parking issue, have been submitted to the city clerk's office.

The papers were filed by two representatives of a group that is seeking a public vote on the project, because of "its financial magnitude."

The 147 forms were submitted under the provisions of the City Charter, and the attorney for the group notified the city clerk that additional petitions would be submitted at a later date, under the revenue bond act of 1933.

For a referendum vote, on the issue, petitions bearing 10 per cent of the registered voters in the city, or 3,753, must be submitted by Dec. 28.

Tooth Decay Shows Sharp Cut

## *Children Suffer No Harm in 10-Year Fluoride Test*

NEW YORK—The current issue of Newsweek says: "After 10 years of drinking artificially fluoridated water, 734 children in Newburgh, N. Y. have almost 60 per cent less tooth loss and decay than 940 youngsters in the neighboring town of Kingston, where there is no fluoride in the drinking water.

On "irrefutable evidence," presented last week by State Health Commissioner Herman E. Hilleboe at the Academy of Medicine in New York City, the fluoridated water (one part sodium fluoride for every million parts of water) has not harmed the Newburgh youngsters in any way.

"After extensive tests, including Xrays of bone formation, detailed blood analysis and measurements of growth rates, 'no difference of medical significance' could be found between the Newburgh boys and girls and those in Kingston who served as a control group. Fluoridation had no effect on the children's growth, weight, height, blood composition, bone formation, urine, vision or hearing," state health officials found.

**"For at least four years, fluoridation of water supplies has been approved by the American Dental Association, the American Medical Association, the American Public Health Association, and the National Research Council, among other organizations. In spite of this impressive backing, however, opponents of water fluoridation remain 'highly vocal,'" an American Dental Association spokesman said last week. Arguments against it range from the claim that the chemical is a "rat poison" to the contention that the Communists use fluoride on their slave laborers and fluoridation must, therefore, be a communistic plot to weaken the American people.**

* * *

"The opposition stems from several sources, chiefly among food faddists, cultists, chiropractors, misguided and misinformed people who are ignorant of the scientific facts on the ingestion of water fluorides. And, strange as it may seem, even among a few physicians and dentists."

This "vociferous minority has succeeded in some areas in delaying the initiation of local water-fluoridation programs, and in others, actually reversing favorable action," Dr. Hilleboe stated.

* * *

**"Some 1,120 U. S. communities, serving more than 22 million people, are now drinking artificially fluoridated water. Besides these, there are approximately 3.5 million people living in communities where fluoride occurs naturally in correct amounts in the drinking water.**

"Among the major cities with artificial fluoridation are Philadelphia, Washington, Baltimore, San Francisco, Denver, Louisville, St. Louis, Miami, and Milwaukee. Chicago will start its water-fluoridation program within a month. Last week, the prospect was that New York City, using 1 billion gallons a day, would be the next metropolis to fluoridate its drinking water," said Dr. Helleboe.

## Tired of Yule Shopping? Look at Grandma's List

MADELIA, Minn. (AP) — Are you tired of Christmas shopping about now?

Then consider the problems of Mrs. Martha Colebank. The spry, 88-year-old woman's gift list gets longer and longer.

She now has 171 direct descendents, a gain of 21 during the past year. There are 11 children, 43 grandchildren, 100 great - grandchildren and 17 great-great-grandchildren.

## Driver Ends Journey in Arms of Police

As hundreds of Christmas shoppers watched, an allegedly drunken Keego Harbor man slumped over the wheel of his car and stalled in the middle of downtown Saginaw Street late this morning.

Pontiac Police pushed the car to the curb and arrested Robert E. Smith, 43, who was jailed on a charge of driving under the influence of liquor.

Pontiac Municipal Judge Cecil McCallum, who issued a stern warning to drunk drivers earlier this week, scheduled Smith's arraignment for this afternoon in Municipal Court.

"If he's found guilty, Smith will spend Christmas day in jail," McCallum said.

## Police Find Boy, 4, Waiting Outside Bar

Parents who left a 4-year-old boy in an unheated car two hours last night, while they drank beer in a bar, were jailed by Pontiac Police.

A warrant charging the couple with causing the child to be neglected will be issued against Lawrence Graham, 31, 4218 Hatchery Rd., and his wife, Martha Graham, 25, Assistant Prosecutor Robert D. Long said.

Police said they found Larry Graham "half-frozen" after his parents had been in the bar from 12:30 a. m. to 2:30 a. m.

Mrs. Graham said she picked her husband up from work at midnight and followed him into the bar after he said he wanted one beer.

## Municipal Offices, Banks Will Be Closed Monday

Oakland County, Pontiac and Sylvan Lake city offices will be closed from 5 p.m. today until Tuesday morning over the Christmas weekend, it was announced today.

The Pontiac Retail Merchants Assn. has recommended to members that they remain open until 5:30 tomorrow evening and be closed all day Monday.

City banks will be open until noon tomorrow but will remain closed all day Monday, Dec. 26.

## *It Just Might Be the Spirit of Christmas!*

Carroll Beckwith, 39, was in his B.B. Market in Center Line, Macomb County, last night, when a man, about 30, walked in brandishing a gun and demanding all the money in the cash register.

**Beckwith unhurriedly took all the bills out of the drawer, $88 in all, and began telling the bandit how much worse off he was than the thief.**

Beckwith said he talked for 30 minutes. The thief finally threw $68 back on the counter and walked out with only $20, saying, "I'm a hell of a bandit!"

# City Churches Schedule Christmas Eve Services

Pontiac churches will hold special services Christmas Eve in observance of the birth of Christ.

The annual Festive Midnight Service of St. John's Lutheran Church will be held at 11 o'clock Christmas Eve.

**The Senior Choir, under the direction of Mrs. Eugene Danielson, will sing "Gesu Bambino" by Yon and also "Hosanna" by Vogler. This is a traditional Christmas Carol of the Lutheran Churches of Europe.**

The Junior Choir will sing "Silent Night" by Mohr. The pastor, the Rev. Carl W. Nelson, will bring the Christmas Message, "The First Day of Christmas."

The Lutheran Church of the Ascension will celebrate the Nativity by a service at 11 p.m.

The men's chorus will sing two numbers, "Christ Is Nigh" by Kjelson and "Virgin's Slumber Song" by Reger. The entire Chancel Choir will present "Sing, Oh Heaven" by Tours with Jacqueline Spratt singing "No Candle Was There and No Fire."

**Pastor George L. Garver will preach on "And God Said, Let There Be Light." Carol singing will precede and close the service.**

The traditional carol and candlelighting service of Grace Lutheran Church will be held Christmas Eve at 8 o'clock. The congregation and choirs will join in singing the familiar carols.

The Rev. Otto G. Schultz, the pastor will speak on "The Proper Observance of Christmas." Following the candlelighting service, the congregation will observe a special Christmas Eve Communion Service beginning at 10:30 p.m. Special prayers will be offered.

**Beginning at 11 p.m. and lasting until midnight, will be the candlelight Christmas Eve service of the Oakland Park Methodist Church.**

The Rev. James W. Deeg, pastor of the church, will tell the Christmas story, "Come to the Manger." The choir and congregation will sing carols.

Midnight divine liturgy of St. Basilios will be celebrated by the Rev. Soterios D. Gouvellis of the St. George Greek Orthodox Church Christmas Eve.

Services will begin at 9 p.m. with the reading of evening vespers. Father Gouvellis will be assisted by Cantors John Athanas and Christ Christides.

At 10 p.m. the Christmas Matin Service will be read. The Divine Liturgy will begin at 11 o'clock

# Probe of Death Still Under Way

## Foul Play Possibility Not Ruled Out, Says Prosecutor Ziem

**Possibility of foul play has not been ruled out in the suffocation-death of an 18-year-old White Lake Township college freshman last Saturday, Oakland County Prosecutor Frederick C. Ziem said today.**

The body of Robert E. Lockwood was found by his stepfather, Kenneth Switzer, suspended by ropes in a cold air duct in their home.

**No concrete evidence that a second person was in the home with the youth has been found as yet, said Ziem, nor has any motive for suicide come to light. "There is also the possibility that the death was accidental," the prosecutor added.**

"We checked out a rumor that the boy had received an inheritance, but it appears to be groundless."

Officials are still waiting results of an analysis of Lockwood's stomach contents which will show whether he was under influence of any drugs.

"His shoulders were 17 inches wide and the cold air duct measured 9x13 inches," said Ziem, "yet his body was not marked. If he were drugged he conceivably could have been pushed in without being bruised."

**The youth's mother made a statement to Assistant Prosecutor Homer G. Gerue yesterday, but could add no significant new facts, he stated.**

**"The case has been tentatively ruled a suicide," said Ziem, "but we are still investigating possibility of homicide or accidental death."**

# Paper Strike Talks Postponed for Yule

DETROIT (UP) — Negotiations to settle a strike that has closed Detroit's three metropolitan daily newspapers since Dec. 1 have been called off until Tuesday at least.

* * *

Sources close to the publishers and newspaper craft unions do not anticipate now that publication will be resumed before Jan. 1.

**Detroiters miss their daily newspapers more all the time. When the strike that shut down the publications Dec. 1 ends, the readers will go back to their old favorites. In the meantime only about one in five has found another paper to read.**

These were some of the results of a telephone survey conducted by the Market-Opinion Research Co. at the request of the three strike-bound papers, the Detroit News, the Detroit Times and the Detroit Free Press.

The survey included more than 1,000 Detroiters chosen at random and 979 answers were obtained.

* * *

Of this number, 54.5 per cent said they miss the newspapers more now than when the strike first began. Only 15.9 per cent said they miss them less.

**Can you stay well informed without daily newspapers? Eighty-three per cent of those interviewed said they were not so well informed now as when newspapers were available.**

It was a walkout of stereotypers Dec. 1 a few hours after expiration of their contract that shut the morning Free Press and afternoon Times and News. Together the dailies employed 4,700 and had a daily circulation of around 1,300,000.

Mailers and printers later voted to join the strike.

## Rinks in Top Condition for Christmas Weekend

**Excllent skating is expected at all nine city-operated ice rinks over the Christmas weekend, Parks Supervisor Bill Aho predicted today.**

The rinks available are located at Jefferson - Whittier School; Washington Junior High; Crofoot School; Oriole Field; Wilson School, Rotary Playground; Optimist Playground; and Wever and Owen Schools.

(Continued From Page One)

with Father Gouvellis bringing the message, "His Birth, Our Salvation."

**A Christmas Eve candlelight Communion service will be held at 10:45 in the Central Methodist Church.**

Dr. Milton H. Bank will give the meditation, "Christ, the Savior is Born." The quartet will sing "Lo, How a Rose ere Blooming" and Rebecca Gould will sing the solo, "O Holy Night." The congregation will join the choir in hymns and carols.

St. Trinity Lutheran School will present its annual Children's Service at the church at 7:30 p.m. Saturday. The altar service will be conducted by pastor Ralph C. Claus. The children will sing and take part in the program directed by Linda Brenner, Catherine Zessin and Paul F. Stohlmann.

In observance of Christmas, there will be Confessions Saturday from 4 to 5:30 p.m. and from 7 to 9 p.m. in the St. Joseph Catholic Church. There will be devotions at 7:30 p.m.

**At 11:30 Christmas Eve, carols will be played for half an hour with Solemn Mass celebrated at midnight. The Rev. B. F. Jarzembowski will be assisted by two other priests.**

Immediately following the Mass, Christmas Carols will be sung for 30 minutes and a brief message given by Father Jarzembowski.

A family worship service is scheduled at All Saints Episcopal Church for 4 p.m. Saturday. The Junior and Intermediate Choirs will sing.

For the Choral Eucharist at 11 p.m., the Senior Choir will be singing "Te Deum" by Everett Titcomb, "Merbecke," and "O Magnum Mysterium" by Vittoria.

**Pontifical High Mass will be sung at midnight in St. Vincent de Paul Catholic Church. The service will begin with the singing of Christmas hymns at 11:30 p.m.**

High Mass at midnight will be sung at St. Benedict Catholic Church. The church doors will be open at 11 p.m. This will be followed by a Mass at 1:30 a.m.

The Rev. Father Michael J. O'Reilly will be the celebrant at the midnight Mass in St. Michael's Catholic Church. He will be assisted by the Rev. Richard Launger and the Rev. Father William A. Immel. The Christmas Eve service will begin at 11:30 with the singing of carols.

**At Christ Church Cranbrook, a children's hour is scheduled from 4 to 5 p.m. With their parents, the children will sing carols and visit the Nativity Tableau in St. Paul's Chapel.**

The annual service of Holy Baptism will be held in the church at 5 p.m.

From 7 to 7:30 p.m., there will be a family service. Familiar Christmas carols will be sung and Holy Scripture will be read.

At 9:30 and 11:30 p.m., Christmas will be celebrated by a service of parish Festal Holy Communion.

## Jaycees Seek Candidates

# Deadline Looms in Contest to Pick Top Young Man

The annual movement to select Pontiac's "Young Man of the Year" gathered momentum this week as Junior Chamber of Commerce, sponsors of the award, reiterated their apepal for nominees in the face of a Jan. 4 deadline.

Also known as the "Distinguished Service Award," the distinction is conferred each year upon a young man who, in the opinion of a panel of three judges, has had an outstanding record of achievement in community service.

**Candidates are made up of men nominated in letters from residents of the Pontiac area.**

Men suggested as candidates must be between 21 and 35, although they do not have to be members of the Junior Chamber. Also eligible are young men wo live outside of Pontiac's city limits, although the service for which they are to be cited must have been performed in Pontiac.

Letters of nomination should contain the candidate's name, address and date of birth in addition to the names and address of three references, according to Chairman Lynn Allen, Jr.

**Criteria listed by the Junior Chamber include "contributions to community welfare, participation in community activities and civic enterprises, leadership ability, personal and business progress, and record of cooperation with individuals and civic organizations."**

Nominations must be received by the DSA committee before midnight, Jan. 4, Allen said. Letters may be addressed to "Pontiac Jaycee DSA, Box 210, Pontiac, Michigan.

# Pennsy Rail Strike Postponed for Talks

PHILADELPHIA (UP)—A strike threatened by 22,560 Pennsylvania Rail Road non-operating employes has been postponed indefinitely in an effort to negotiate a dispute over a new contract.

* * *

The Transport Workers Union accepted a PRR request and called it off yesterday, seven hours before the midnight deadline.

The negotiators, who reported "progress" in their contract talks, set Jan. 4 for the next session.

During the interim, both sides will be able to study a presidential fact-finding board's recommendation providing wage increases ranging from $10\frac{1}{2}$ to $14\frac{1}{2}$ cents. This recommendation was accepted Wednesday by railroads and unions representing some 775,000 workers.

* * *

The union's demands have included a 25-cent-an-hour wage increase, a company paid health and welfare plan and improvements in the grievance procedure. Current wage rates were not disclosed.

PHILADELPHIA (UP) — In the crowded confines of City Hall, amidst its generally impersonal atmosphere, there's a big room loaded with lollipops and tinkling with toys and laughter.

* * *

Now and then Chief Inspector Howard Leary looks in benignly. Some of his most resourceful policewomen are on duty there full time.

The special room is a new kind of nursery for children who get lost in the huge Christmas shopping crowds of Center City.

In other years, at holidaytime, lost children were tugged off to various precinct police stations, and this led to much confusion as well as to further wear and tear on the nerves of anxious parents.

* * *

Create one clearing house, Leary reasoned, and your battle is half won. To make the odds even better, Leary stocked the emergency nursery with candy and toys and assigned women instead of men to look after the kids.

Texas produces 90 per cent of the U.S. mohair supply.

# Returns Yule Tree— Then Picks Same One

LITTLE ROCK, Ark. (UP)—Christmas tree salesmen got a yuletide demonstration this week of a woman's right to change her mind.

**A woman brought back a tree she had bought. She wanted to exchange it, she said, because it somehow just didn't seem to fit into her living room.**

The salesmen told her to take her choice, and she started a tour of the trees. While she was looking, the tree she had returned was replaced among those on display.

Circling through the forest of Christmas trees, she finally picked out one she liked—the same one she had brought back for exchange.

# Snappy Weather OK With Road Chairman

The sub-freezing weather Oakland County has experienced lately has at least one advantage, Road Commission Chairman Lee O. Brooks pointed out today.

"As long as the temperature stays down we don't have thawing and freezing which makes for slippery roads," he explained.

"But we've got lots of salt and sand ready in case conditions change."

## Pontiac Deaths

### Mrs. Kenneth Philpott

Mrs. Kenneth (Beulah G.) Philpott, 61, died at her home, 385 N. Johnson Ave. last night. She had been in ill health two years.

Born in Morenci June 2, 1894, she was the daughter of John and Carrie Russ Metcalf.

**Coming here from East Lansing, Mrs. Philpott had been a resident of Pontiac 30 years and was a member of the First Presbyterian Church.**

She is survived by a daughter, Mrs. Harry Hitchcock of Huntington Park, Calif.; a son, Neal V. Philpott and four grandchildren.

Also surviving are three sisters and a brother, Mrs. Charles Bates of Wauseon, Ohio, Mrs. Dewey Pike, Mrs. Donald Bancroft and Beular Metcalf, all of Morenci.

The funeral will be held at 10 a.m. Tuesday from the Voorhees-Siple Chapel with the Rev. Edward D. Auchard of the First Presbyterian Church officiating. Burial will follow in Morenci.

# 56 Sylvan Lake Homes Using New Water System

Since the city's new $275,000 water system went into operation Dec. 6, 56 Sylvan Lake homes have been receiving their water from this source, City Manager Ernest L. Ethier announced.

A total of 84 applications have been filed for connection to the new system, Ethier said, and meters are being installed in the homes where the water has been turned on, he said.

**The City Council Dec. 8 unanimously adopted a $50,000 revenue bond ordinance to complete the acquisition of the system.**

Ethier stated the city was still seeking additional applications for connection to the plant to finance the cost of the operation and cover the revenue bond issue.

In other city affairs, a second warning was issued to residents that the 1955 county and school taxes were due without penalty through Jan. 20.

After that date, a four per cent penalty is tacked on to all delinquent payments.

The City Council has re-appointed Don R. MacDonald as its representative on the Board of Supervisors.

Due to the resignation of John L. Estes, Tom Reese of Warwick avenue was appointed as city attorney, and Ralph Cromis was appointed member of the Board of Review to succeed the late Fred Beedle.

# Plan More Aid to Handicapped

## State Officials' Proposal Calls for School District Funds for Retarded

LANSING (UP)—A plan to extend state school aid to private and parental schools for handicapped children was disclosed today by two Republican state officials.

Sen. Elmer R. Potter (R-Blissfield), chairman of the Senate Appropriations Committee, said that he had conferred with Dr. Clair L. Taylor, state superintendent of public instruction, to develop details of the plan. He said he would introduce it in the 1956 legislative session which starts Jan. 11.

**Briefly, the proposal was that the state school aid law be revised to allow local school districts to include in their membership mentally and physically handicapped children who now attend training schools outside the public school system at parental expense.**

This would permit the state to pay the districts $157 a year for elementary grade children and $177 for high school children. The districts then would be expected to contribute the money to the private schools.

* * *

Porter, who initiated the idea, said that parents of children with cerebral palsy, mental retardation and other handicaps have banded together in a number of communities to provide specialized schools for their children when the local school system had no service for problem children.

(Continued From Page One)

banks, putting the town under an estimated 8 feet of water.

To the south along the Eel, 25 persons were seen clinging to debris at Rio Dell and they were feared lost.

In Placer County, Mrs. Mildred Strula, 50; her daughter, Mrs. Lorraine Siler, 30, and Mrs. Siler's daughter, Mamie Rae, were drowned when their cabin was smashed by a wall of water from the American River.

**To the south in the Sonoma County resort area along the Russian River the communities of Guernesville, Monte Rio, Rio Nido and smaller towns were evacuated.**

Hundreds of the refugees fled into Healdsburg, itself hit by what was described as the worst flood in more than 15 years.

Closer to San Francisco, just across the bay in Marin County, hundreds were evacuated from their homes. Planes were flown away from Hamilton Air Force Base because of the flood danger.

Bus and train schedules were in a state of confusion.

**Main line trains from San Francisco north were unable to proceed because of the floods and landslides.**

The Weather Bureau gave no hope of relief from the storm and predicted gale force winds of 60 miles per hour and heavy rains throughout the day.

There was a danger of the floods spreading south of San Francisco in the agriculturally rich San Joaquin Valley.

The weather bureau at Fresno issued a flood warning for some areas of the central San Joaquin drainage area. It was feared that warm rains in the mountains would melt the snow pack and swell rivers to the south.

The Air Force and the Coast Guard joined with civilian relief agencies to help flood refugees.

**Coast Guard helicopters were disaptched to flood-stricken areas to drop food supplies including milk for children.**

The 41st Air Rescue Squadron at Hamilton Air Force Base sent an amphibian SA-16 plane to the Eureka area to unload food and medical supplies.

Other Air Force planes were scheduled to fly from Lowery Air Force Base in Colorado to take part in mercy missions.

* * *

Helicopters were ordered to maintain a daylight watch over the storm-soaked areas and to pick up any persons who were stranded.

In a typically dramatic rescue yesterday Lt. Robert Greer, an Oakland Naval Rescue Pilot, picked up three women and two men at Geyserville in Sonoma County during a three-hour period.

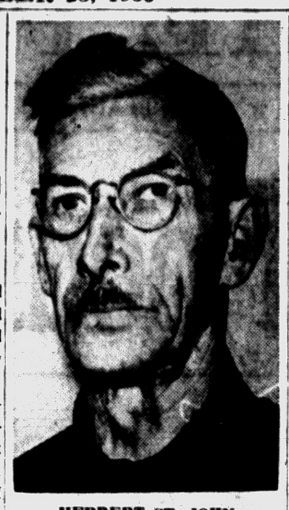
Rescue personnel put extra effort into their operations when they heard reports of entire families, marooned on ever-diminishing high spots, spreading their arms into the air, pleading for help.

Schoolhouses were opened up in many areas and the Red Cross was making arrangements to take care of refugees.

## Paul Bateman Injured When Car Hits Pole

A driver who banged into a utility pole yesterday after dodging another car on Baldwin Ave. was treated for a cut eye and released from Pontiac General Hospital.

Paul J. Bateman, 29, of 5160 Oak Cliff Rd., told police he had swung out around a parked car when he saw the on-rushing car coming toward him.



HERBERT ST. JOHN

# Herbert St. John Dies at Age 74

## Former City Fireman Succumbs After Illness of 5 Years

Herbert St. John, a Pontiac city fireman, who retired in 1946 after 25 years of service, died yesterday morning in the Pontiac Osteopathic Hospital. He had been ill five years.

He was born in Freemont, Ind. Feb. 21, 1881. His parents were Charles and Rosa Foster St. John. In 1902, he was married to Ella Rigelman in Camden.

**A resident of Pontiac for 40 years, Mr. St. John was a member of the First Baptist Church and the Metropolitan Club of Pontiac.**

At the time of his retirement, he was the driver for the fire chief.

Surviving are a son, Martin of Keego Harbor; three daughters, Mrs. Dell (Marjorie) Claussen of Lake Orion, Mrs. LaVern (Roselen) Walker of Lapeer, Mrs. Earl (Georgia) Clarke of Keego Harbor, 15 grandchildren and 18 great-grandchildren.

Other survivors include a sister, Blanche St. John of Fenton; two brothers, Earl of Otisville and Ralph of Roseville.

Service will be Saturday at 1:30 p.m. from the Huntoon Funeral Home with Dr. H. H. Savage, pastor of his church, officiating. Burial will follow in Drayton Plains.

# Turncoat John Officially Jailed on Treason Count

KARLSRUHE, Germany (UP) — The West German government put Dr. Otto John under arrest today in Wiesbaden, the federal prosecutor announced here.

The announcement that the Bonn Republic's turncoat former intelligence chief had been arrested came as no surprise. The South German radio already had reported he had been charged with suspected treason and a warrant had been served on him for fear he might flee or try to cover up his activities.

John joined the Communists in East Berlin in July 1954 after heading West Germany's counterintelligence organization.

He returned to West Germany 16 months later, on Dec. 12, and has been held incommunicado by government security officials since then.

The order for his arrest charged him with "suspicion of relations treasonable" to the Bonn government.

# Slab Drops, Injures Construction Worker

Critically injured when a slab of clay estimated to weigh over five tons collapsed on his back, a Berkley construction worker underwent emergency X-ray treatment in Redford Receiving Hospital this morning.

Doctors said 45-year-old Bloomer Wilson's injuries included lacerations, a fractured collarbone, and possible rib and back injuries.

Wilson, an employe of Chris Nelson and Son, general contractors, was working near the corner of Farmington and 12 Mile roads.

## Using Yule Tickets

STERLING, Ill. (UP) — Motorists who overstayed their parking meter time this week received a Christmas card instead of the usual ticket from police for first violations. The cards wished the motorists a Merry Christmas and asked that the usual $1 fine be contributed to charity.

## Gets Custody of Coon

DALLAS (UP)—The judge in a divorce suit was faced with the problem of how to split up the community property—the property in this case being a pet coon, five dogs and a rabbit. The wife asked that the coon be sold but the man claimed he needed it to train his hunting dogs. Outcome: wife got the rabbit, husband got the coon and five dogs.

## Service for Drinkers

OGDEN, Utah (UP)—Motorists who drink one too many don't have to walk home rather than risk a drunk driving charge. Two local cab companies have a special holiday service. A phone call will bring a cab—and an extra man to drive the motorist's car home too.

## The Day in Birmingham

# Holiday Business Good, Less Confusion in 1955

BIRMINGHAM—"The Christmas rush doesn't seem quite as heavy in Birmingham stores this year," says Charles Mortenson, of the Chamber of Commerce. "It appears that more people have planned in advance."

But there was more mail than ever going through the post office, more power being used on electrical connections, and more parking lots being filled than ever before.

**"The general report is that business is better than last year," Mortenson said. "There was a wider selection of toys in the city than ever before, with several expansions in toy departments, and toys sold extremely well. Shopping got under way a little faster than other years."**

"And they're using up every bit of parking in town," he added, explaining that the new municipal lot is being filled to capacity time after time.

* * *

Christmas tree sales boomed, with the YMCA selling out completely and the Kiwanis Club taking over at the Y as well as continuing at their own stand on Woodward avenue.

**DON'T BE FRANTIC**

There were no more than the usual accidents on city streets this year, according to Chief Ralph W. Moxley, but he warned against busy, last-minute shoppers becoming frantic drivers.

**A carol and warning service has been conducted during the past week by the police department, with Lt. Henry S. Timms in charge. Christmas music is sent through loudspeakers from a system above LaBell's Gift Shop, with intermittent warnings to pedestrians: "Don't jay-walk and watch for cars." Special policemen watched busy corners at the West Maple intersections.**

A peak load in electrical power was generated on Wednesday, and Detroit Edison officials said that it was definitely due to Christmas festivities, and the many special lighting effects on trees and outdoor decorations.

* * *

The al-time high in power ready for customers to meet their demand was between 5:30 and 6 p.m. when the first day of winter brought early darkness, and at cooking time, too. The peak was 2,463,000 kilowatts, for the entire Detroit Edison area in Southeastern Michigan, more than last year's peak on Dec. 22 of 2,236,000 kilowatts. Wednesday's total would have created 3,200,000 horsepower.

**HIGHEST MAIL TOTALS**

Mail totals have surpassed other years according to Postmaster Roland Reese, but special crews working night and day have kept the mail moving efficiently, and there has been on backlog created.

**Fire marshal George Scott reported that there were many families who dipped their trees for extra fire protection in the tub of fire-retardent solution provided at one of the fire stations.**

He warned householders to be sure that electrical connections and wires were in good condition, since fire hazards reach their peak with the many lighting effects used at the Yuletide. He joined police in asking that care be used to make this a "safe and sound Christmas."

# She Stays Around for 104th Birthday

WEST LIBERTY, Ky. (UP) — "I surprised everyone two years ago," Aunt Justine Gevedon says with a chuckle, "and just decided to stay around."

And today the little old lady is still around to quietly celebrate her 104th birthday, "willing to live longer, the Lord willing."

* * *

What does a 104-year-old woman want for her birthday and Christmas?

"Anything but sweets," is the answer from Aunt Justine. And "anything" usually means tobacco to smoke in the clay and corncob pipe she has kept nearby for almost 86 years.

## Theft Suspect Appointed

DETROIT (UP)—Robert Vezzosi, Dearborn councilman awaiting federal court trial in embezzlements at the Ford Rouge Credit Union, has been appointed Dearborn's housing dirctor by Mayor Orville L. Hubbard.

# City Manager Resigns at Meet

## Tennant of Farmington Accepts Position in California

FARMINGTON—James O. Tennant formally announced his resignation as Farmington City Manager at the regular meeting of the City Council earlier this week.

* * *

Tennant stated that he has accepted a position as City Manager of Indio, Calif. He added that inasmuch as Indio is a larger city than Farmington and offers greater advantages, he belives that it is to his best interests to accept the position.

**He will report for work about Jan. 20, 1956. Tennant stated that his stay in Farmington has been very pleasant and that he regrets leaving the many friends he has made here.**

He also expressed his appreciation for the cooperation he has received from the council.

# Report to Be Made on Counsel's Salary

The Salaries Committee of the Oakland County Board of Supervisors has obtained an opinion from an "impartial" attorney on how much the county's own legal counsel should be paid.

A previous committee ruling recommended County Corporation Counsel Harry J. Merritt's pay be cut from $11,000 this year to $10,010 for 1956. Chairman Willis M. Brewer said his group interpreted Merritt's contract at the lower figure. Merritt claims the contract does not bind him to the lesser amount.

"We've obtained an outside opinion," said Brewer, "and plan to make a report and recommendation at next month's Supervisors' meeting."

## Cable Work Completed on Telegraph Bypass

Utility companies have finished putting power cables underground to make way for the planned construction of bypass around the Telegraph Rd.-Orchard Lake Ave. intersection, Oakland County Road Commission Chairman Lee O. Brooks said today.

State Highway Department plans now call for starting the project next spring, Brooks added. The bypass will be used while a grade separation is constructed at the intersection.

## Christmas Bonuses

CADIZ, Ohio (AP)—Workers at the Scio Pottery Co. today received not only a Christmas bonus and pay raise, but also a new wallet to stuff the cash into. Scott Reese, head of the plant, said bonuses will total $120,000 for the 1,050 employes. The average hourly wage of $1.55 will be boosted 12 cents, he said.

# Christmas Time Calls for Rhyme

By JAMES MARLOW
Washington News Analyst
The Associated Press

'Twas the night before Christmas, the usual time
For abandoning prose and reverting to rhyme.

It's the season when children look forward to loot
Given free by the man in the red flannel suit.

* * *

Their elders, of course, know that nothing is free,
That daydreams are never fulfilled on a tree.
They know that you're apt to be in for a shock
If your hopes for the future depend on a sock.

* * *

A rummy-nosed stranger might like to pack tight
If he fell down your chimney some very dark night.
Yet each in his heart has an unwritten letter—
If just to himself—asking next year be better.

* * *

And maybe it will. But years, like a river,
Warm up for a while and then give you a shiver.
This year, going out, started cool, then got nice,
And before it was over was covered with ice.

* * *

When Ike met Budganin and Eden and Faure.
At least, so it seemed, for a moment. And then
The door slowly closed. There was cold war again.

* * *

Had the door ever opened? Some doubt it. They think
At Geneva the Russians just came for a drink.
Dark point of the year was the sudden attack
The President suffered. But he's coming back.
The biggest sensation and biggest snafu
Involved Salk's vaccine at the time it was new.
Last Christmas old Santa, with contract in hand,
Must have seemed to two men as especially grand.
They were Dixon and Yates. But this year they won't carol.
Their contract is gone and they're over a barrel.
Best gift the old man with the sled and the deer
Could give the Republican party next year.
Is assurance that Ike will recover and then
Make up his mind to start running again.
They'll be awful uneasy if Ike doesn't run
Since he's been for the party combined moon and sun.
The Democrats, trying to whip up a winner,
Are busy as chefs at a president's dinner.

* * *

The menu, it seems, is what has them in trouble:
A moderate course? Or more zip? Or — more bubble?

## Santa Better Not Stop to Eat at This House

SPRINGFIELD, Minn. (AP)—You can have your turkey and cranberries, but it wouldn't be Christmas at the Harold Krueger home here with the annual "schwartzsauer" feed.

Mrs. Krueger cooks it up from this recipe that came over from old Germany:

Duck blood, giblets of fowl, necks, wings and dried fruit. Into this stew are placed dumplings.

When served, this meal is guaranteed to separate the old timers from the rest. So Mrs. Krueger serves the clan at two tables. One gets schwartzsauer, the other American fare.

## Country Children to Have One 'Hoppy' Christmas

PALM DESERT, Calif. (AP)—It's going to be a "Hoppy" Christmas for children in the Coachella Valley.

Movie and television cowboy Hopalong Cassidy, in real life William Boyd, will give a Christmas party for children in the valley, which stretches from Palm Springs to the Salton Sea, about 40 miles.

Hoppy, who has a residence in the area, will pass out gifts and pose for pictures on his horse Topper.

## Atlanta Lowers Golfer Race Bar

### City OKs Desegregation Order for Its Municipal Courses Only

ATLANTA (AP)—The way was cleared today for Negroes to play on municipally owned golf courses in Atlanta.

* * *

Mayor William Hartsfield said the city would comply with a ruling by a federal judge ordering into "immediate effect" a U. S. Supreme Court decision outlawing segregation on the city courses.

The mayor pointed out that yesterday's order "involved only our golf courses." He said swimming pools and playgrounds would continue segregation.

The order he said, gave the city only two alternatives: "to comply with the court order, or close down and cease operation of our golf courses."

* * *

The order, by Federal Judge Boyd Sloan, followed a U.S. Supreme Court decision Nov. 7 overturning rulings by the District Court and the U.S. Circuit Court of Appeals, the lower courts had held that Negroes could use the golf courses on a segregated basis.

The city of Atlanta, as the loser in the case, was ordered to pay $100 to the three Negroes who brought the case into court. This was to cover part of the expenses of the suit.

Dr. H. M. Holmes, Alfred Holmes and Oliver W. Holmes originally brought the suit in 1951, charging they were denied admission to the Bobby Jones municipal course July 19, 1951.

## *Boy Gets Reward for Averting Train Disaster*

SUTTON, N.D. (AP)—A 10-year-old boy whose alertness averted a possible train wreck has a shiny new bike and a $100 savings bond beside his Christmas tree today.

* * *

The click - clack of the rails didn't ring true to Kenenth Thorne when the eastbound fast mail roared through this prairie community two weeks ago.

He investigated, finding a broken rail. With the westbound mail train due through town in minutes, Kenneth ran a quarter mile to alert a brakeman.

The mail train already had passed through the next town, heading for the spot where the rail was broken, when the engineer was ordered by radio to stop his train.

* * *

With the bicycle and the bond came a note from Great Northern Railway President John M. Budd which said, "A great many people are thankful for what you did. By telling the brakeman . . . you prevented what could have been a serious accident."

## Couple to Play Santa for Their 'Youngsters'

WELCH, Okla. (AP)—Dr. and Mrs. John O. Bradshaw are making elaborate plans to play Santa Claus again this year. They expect to entertain hundreds of youngsters at their rual home near here tomorrow night.

"Youngsters" to the Bradshaws means any boy or girl 12 and under and all those "80 or more."

Last year they distributed sacks of candy to 776 "youngsters."

## Four-Day Yule Present

BALTIMORE (AP) — Police Commissioner James M. Hepbron today granted Baltimore's policemen an extra four days off in 1956. It's a Christmas present, he said, for "fine work" during 1955.

## Hal Boyle Says:

# U.N. Should Rid World of Cocktail Parties

By HAL BOYLE

NEW YORK (AP) — Cutting down the number of wars in the world has been a pesky problem to the United Nations for 10 troubled years.

* * *

Now it faces a new crisis — how to cut down on the number of its own cocktail parties.

Here really bold action is called for. Why doesn't the U. N. forget about abolishing war for one session and put down as the main task on its agenda the problem of outlawing all cocktail parties everywhere?

This could turn out to be a real positive step toward peace, universal brotherhood and the long-term improvement of human welfare.

The growing nuisance of too many cocktail parties at the U.N. was pointed out by Jose Maza of Chile. As president of the 10th General Assembly, he had to attend as many as three or four in a day. Every fresh international tension seems to produce a torrent of cocktail parties, which in diplomatic parlance are known as "receptions."

"You have to drink the same scotch or the same manhattans and eat the same shrimps and talk to the self-same people," said Maza. His description of this type of social function may well go down as the greatest understatement in the history of diplomacy.

The average cocktail party isn't a party at all. It is an exercise in group self-punishment. It is a social battlefield, where men and women drink from a poisoned well while they build verbal towers of babble in a wilderness fog of smoke that would strangle a lean-living Eskimo in 20 minutes.

* * *

The cocktail party isn't a feature of modern living. It is a factor in modern dying. Anyone who has ever stood upright at a cocktail party (and who ever gets to sit down at one?) can never forget the sinking feeling in his arches, the popping out of new varicose veins, the slow numbness as of death creeping over him.

* * *

The total impact of this form of torture on mankind has never been measured, but it must be appalling. "Cocktail party stomach" and "cocktail party fatigue" are well known medical diseases now, and claim more victims than virus X. Although it is little more than a century old, the martini, the most dangerous instrument at any cocktail party, certainly has mowed down more people than the Gatling gun.

* * *

The origin of the cocktail party has never been authoritatively established. Legend has it that it was invented early in the 12th Century by a Minsk caviar manufacturer named Ivan Petronovich in an attempt to unload an oversupply of fish eggs. The Russians, who are quick to claim every other invention, denounce this story as a capitalist canard. But it will be noted they still serve fish eggs at most elite cocktail parties.

Even the devil has friends, so it goes without saying that cocktail parties have their defenders. They claim these affairs relieve social tension. The truth is they stir up new tensions. If you throw one cocktail party to calm a tension, you have to hurl a second one to cure the new tensions that grew out of the first. So the evil chain grows.

* * *

Actually nothing really good can be said for cocktail parties. Nobody ever got sober at one. It is unlikely anybody ever made a lifelong friend at one. They're the world's poorest places to borrow money.

If the U. N. really does something to ban the cocktail party, it will earn a monument higher than Mt. Everest.

But what would become of all those fish eggs? Well, why not give them back to their parents?

## Gal, 13, Rocks Town With Bikini Exhibition

LONDON—The revealing carnival costume — a bikini that her mother made—worn by brunette Jennifer Castle, started a row at Whitstable, a seaside town in England.

One councilman described Jennifer's appearance in the show as "flagrant exhibitionism, debasing all standards of modesty." But another city father said: "If a girl wants to wear a costume the size of two handkerchiefs, why shouldn't she?"

Jennifer looked curvaceous and stunning. It was stunning, too, when it came out that Jennifer is only 13 years old and that her usual attire at the local school is a gym slip and sweater. "I was asked to wear something brief to be the sacrifice in a Devil tableau," said Jennifer. "I thought I would be on a sort of altar and half hidden, but they put me in full view on a truck."

### 3 Peaks in Colds

ST. LOUIS — Although the common cold is a year-round disease, there are three peak periods when there are the most sniffles: from October 1 to November 1; the second, and most severe, from mid-January to mid-February; the third, from late March to late April.

Islandmagee in Northern Ireland's Larne Lough, is to be connected with the town of Magheramorne, half a mile away, by a causeway.

## Cape Town Backed by Its 'Solid Citizens'

CAPETOWN — Two American scientists in South Africa decided that Cape Town has more "solid citizens" than any other place in Africa. They are Dr. J. C. Rose and Ken Koenen, geo-physicists traveling around the world checking up on the earth's gravity.

Because Cape Town has the highest gravity value in Southern Africa, a person there weighs about one pound more than he would in Rhodesia, for instance.

However, the scientists' prime interest is in taking measurements in places around the globe to be used to calculate more accurately the shape of the earth.

## German Carnival Time

From November 11 through Lent, Germany is alive with carnivals. Some of the biggest ones are in Cologne, Dusseldorf and Munich. Carnival times are excuses for lavish parades, masquerades and general merrymaking. In some areas, around Mainz and Berlin, it takes the form of "Fastnet," or Feast of Fools, and the customs are celebrated there just as they were centuries ago.

Scientists now estimate that New Zealand can generate 200,000 kilowatts of power from its North Islands geothermal steam zone—enough to help but not solve the country's power crisis —Wellington reports.

## Charles P. Taft Named Cincinnati's New Mayor

Ohio's busy and prosperous City of Cincinnati is fortunate in its choice of a new mayor, Charles P. Taft.

On any list of outstanding Americans the name of this widely respected native of Cincinnati is certain to appear. Among other things, the son of our twenty-seventh President, William Howard Taft, and brother of Sen. Robert A. Taft, twice has served as a member of his city's council. In addition he was his home state's 1952 liberal Republican candidate for governor.

★ ★ ★

Perhaps Mr. Taft is more widely known for his distinguished service for the Federal Council of the Churches of Christ in America. In addition to this work as a churchman, he served as president of the National Trade Policy Committee formed to reduce trade barriers and expand world trade.

★ ★ ★

The choice of Mr. Taft to head Cincinnati's municipal government for the next two years was made by its nine-man city council. Our belief is that no citizen there ever will have cause to regret this appointment.

## Medievalism Charged in Missouri Prison

Abandonment by Nevada of dungeons in its state prison has had repercussions in Missouri.

Declaring that conditions amounting to medievalism prevail in Missouri State Prison, the St. Louis *Post-Dispatch* has called on Gov. Donnelly and Prison Director Carter for remedial action.

★ ★ ★

Special target is the so-called "O Hall" at the prison. This is a group of 18 tiny punishment cells. Men are confined there up to 30 days in space so restricted that with four in a cell none hardly has room to breathe. There are no toilet facilities (except discarded paint cans), no lights, no running water and no bedding, says the *Post*.

★ ★ ★

At the time of the prison riots last year, inmates of O Hall were getting only one regular meal in four days. The rest of the time they existed on bread and water.

This newspaper never has believed in coddling convicts. The idea of oversympathetic treatment of law violators always has struck us as entirely wrong. But it seems to us conditions reported in the Missouri prison couldn't help but defeat the main object of any corrections program — the rehabilitation of criminals.

## Candidate Kefauver

In one respect at least the 1956 Democratic Presidential contest is going to be completely normal.

A well worn but nationally known coonskin cap has been taken out of mothballs for the fray and Tennessee's Sen. Estes Kefauver is the second avowed candidate for his party's nomination.

★ ★ ★

This surprised nobody.

Nor is anybody surprised by the fact that the political experts view him as an underdog candidate. Certainly, no one expects the Tennessean to be worried by that fact in his fourth important political race in eight years—two for President and two for Senator.

★ ★ ★

As a Senator, Candidate Kefauver generally has followed the voting policy he pursued in the House. He is strongly internationalist in his sympathies, generally has been pro-labor and always a staunch supporter of the Tennessee Valley Authority. At the same time he has been liberal in his attitude toward civil rights issues.

During 1955 Sen. Kefauver supported President Eisenhower on 20 foreign policy issues and opposed him on five. On domestic issues he supported the President 50 per cent of the time and opposed him 33 per cent.

★ ★ ★

**Underdog or not Sen. Kefauver is not the kind of candidate one can afford to ignore. He possesses a notably successful method of winning support just by meeting and talking with voters.**

Finally, he still is connected in the public mind with successful Government efforts to combat crime, juvenile delinquency, baby black markets and other evils.

### The Man About Town

## Care Is Necessary

### Man Who Came Close to Death Warns Fishermen

**Procrastinate: If it is with Christmas shopping, you're close to the limit.**

Recent cold weather brings up another cause for attention to the many lakes in the Pontiac area. Ice fishing has started with a bang. According to

**Jack Morenus,**

who has fished through the ice on Pontiac Lake every winter since it was created by impounding the waters of the Huron River 30 years ago, already has taken his first outdoor bath of this winter. He had a narrow escape from drowning, and warns other ice fishermen to be sure of their footing or they'll lose their lives. Over at Kent Lake,

**Randall Malcomson**

compliments this column for calling attention to the lakes through which a stream flows, and says the ice on them never is safe in the vicinity of the point where it enters or leaves the lake.

Under the direction of its new editor,

and her staff, the Christmas issue of the Panacea, monthly publication put out by the patients at the Oakland County Tuberculosis Sanatorium, is among the best I've seen.

About tops in Christmas cards is that of Oakland County's own

The calcium chloride winter treatment for our paved roads may not make the chrome on our cars look any better, but it is a proven life saver. According to

**County Engineer Leon V. Belknap,**

over 4,000 tons of it goes on our highways in the average winter, mixed with the same amount of rock salt and countless tons of sand and gravel. The combination also reduces property damage to a minimum.

Although suspicious it is the work of a grownup, I like that letter to Santa Claus, signed,

**"Peggy Louise,"**

in an evident attempt at making it look childish, and sent to this column, the only request being for a baby brother.

## Under Climate of Ike's Administration Both Labor and Management Prosper

By DAVID LAWRENCE

WASHINGTON — They can enlarge that slogan now to read: "What's good for Ford and General Motors is good for the country!"

* * *

The Democrats have been using it as a taunt—but the Republicans themselves now may cash in on it politically.

**For it turns out that, if everybody in America could receive the wages paid by the big motorcar manufacturers and if all the executives of other companies could fare as well in their compensation, the United States would become an economic paradise.**

Revelation of the details of the Ford Company's progress from the days when Henry Ford pioneered in 1909 with the low-priced automobile, is a story of free enterprise unparalleled anywhere in the world. Few people today realize that automobiles were being purchased only by the well-to-do when Ford came along with an auto that sold for less than $500.

It opened up automotive transportation to millions of persons. The dollar is worth far less today in purchasing power than it was then, and the "low priced" automobile costs several times $500 now. But wages and incomes are also correspondingly higher.

**FORD CLIMB**

The narrative of Ford's growth, from a small business, to a bigger and bigger plant with a larger and larger capacity to produce cars, is in reality the story of American enterprise as a whole in the last few generations.

**There were low taxes in the '20s, so earnings didn't have to be shared with the government in such large proportions as today. Now a corporation must pay 52 cents out of every dollar of profit to the government.**

The remaining 48 cents has to take care of payments to investors, as well as sums to be put into "surplus" for future expansion. It is questionable whether anybody could build a big motorcar company today the same way that Henry Ford did.

The principle, however, remains the same—if individual initiative and inventive genius are permitted full sway, private capital is forthcoming to build new businesses.

**DISCOURAGE INVESTORS**

What is disturbing to American business men nowadays is the possibility of a radical administration being elected in 1956 which might discourage investors. Thus, already there are Democratic leaders who are proposing the repeal of a provision in the tax law enacted in 1954 which makes a portion of the dividends received by an investor exempt from double taxation. The campaign behind the move is based on the same class warfare that has enabled Socialists to keep many other countries from prospering.

**Lots of people today do not know that, up till 1954, after a corporation paid in taxes 52 cents out of every dollar of profit, the individual owners had to pay another tax to the federal government on whatever money they got out of the other 48 cents. It was a double penalty which no other group of taxpayers had to bear.**

It is the possibility of more and more such policies, threatening confiscation of earnings, which is making the Democratic party appear to voters as destructive rather than constructive.

The Eisenhower administration's strength with the voters today, on the other hand, is due to the fact that it has created a climate in which business—management and labor—can prosper.

## Brady Says Some Doctors Exploit Public With X-Rays

By WILLIAM BRADY, M.D.

Years ago I had subacromial bursitis and I cried so piteously with the pain of it that a doctor came in and gave me morphine, I suppose, for two or three nights.

After some weeks I got over it, but it took a few months of passive movements and active exercise to restore full function of the shoulder.

**Eighteen months later in an automobile accident I sustained a fracture of the greater tuberosity of the opposite humerus—tip of the shoulder.**

To compare the injured with the normal shoulder the doctor made X-ray films. The normal shoulder showed calcification (calcium deposit to dumb customers) of the bursa, the consequence of the old inflammation.

**NO TROUBLE SINCE**

Yet the bursitis had long since passed and there had been no trouble whatever with the shoulder.

**My experience, in my opinion, outweighs any funny inference a trick specialist or "clinic" racketeer may draw from X-ray pictures of "calcium deposits."**

The business men of medicine are shamelessly exploiting the public with X-ray hokum, in some instances because the customers are so naive, in other instances because the latter-day specialists are so naive.

Unfortunately a good many laymen of fair or high I. Q. are untutored in nutrition, physiology, hygiene and health.

**READILY SUBMIT**

So they readily submit to as many X-ray pictures as the bunk merchant cares to make in a blind search for some explanation for the complaint.

The poor geeks pay for all this expensive monkey business in the childish belief that at least nothing serious "showed up."

Unless, perchance, a film indicates a calcium "deposit" and the bunk merchant realizes the customer is a knucklehead.

If any physician of standing honestly believes calcium "deposits" occur in or around bursae that have been inflamed, in artery walls, in or around joints, or in other body tissues or glands as the consequence of "too much" calcium in the diet or too much vitamin D, is it not his duty to tell me publicly or privately or to tell the public why he thinks so?

**Calcification of the tissues mentioned is almost invariably a natural effect of degeneration, nature's attempt to patch up the damaged or worn out part when regeneration or production of new functioning cells is no longer possible.**

I mean to imply, I really do, that everybody but Brady is out of step about calcium.

The one fact to remember is that calcification or "calcium deposit" is generally an effect and not a cause of inflammation, infection, strain, injury or degeneration.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to the Pontiac Press, Pontiac, Michigan.

## Death of 'Mr. 1929' Stirs Memories of Sad Times

By MERRYLE S. RUKEYSER
INS Economic Commentator

The recent passing of Charles E. Mitchell, "Mr. 1929," recalls vivid memories. The one-time head of the National City Bank was sincere in his excessive optimism prior to the panic of 1929. This was proved by his own personal misfortune.

* * *

He was privately acting on the speculative view which he publicly circulated. The unreasoning popular wrath against him was immature, and dramatized a lack of awareness of the inherent risks of speculation.

**After the New Deal took over in 1933, I ran into Mitchell on a train to New York. He wisecracked: "This country won't be normal again until the hotels of Washington are half empty."**

At the moment Mitchell was at the climax of his troubles. He was facing an indictment for fraud in his personal income tax return.

(He later defended himself successfully.)

When F.D.R. had been governor of New York, he had relied heavily on Mitchell for financial advice on state matters, and in my presence referred to him genially as "Charley."

* * *

But in 1933 Mitchell was poison. Mitchell said: "I did not ever for a moment think that because of earlier friendship it would be proper for the President to intervene to protect me against a criminal charge. Nevertheless, I did not anticipate that my former friend would go out of his way personally to direct the persecution."

* * *

In time Mitchell regained his fortune and his prestige. Maybe this current boom fulfills the optimistic vision which Mitchell held in the late 20s, but the financier overlooked that even in dynamic America the country sometimes takes a step backwards before taking two steps forward.

**NEW OUTLOOK**

The launching of one big national union—the AFL and CIO, with upwards of 15 million members—calls for a reorientation of the management philosophy as to industrial relations.

In addition to the negative goal of industrial peace, there are potential positive objectives. When labor and management join hands in a common cause, the impact on public opinion is tremendous.

**For when groups sitting at opposite sides of the table unite for a common public objective, the public is inclined to feel that the bias of each group is nullified by the combination. Accordingly, the influence of such combinations is extremely great.**

Management, accenting the positive, should have no immutable bias concerning wage rates, apart from paying the highest wages consistent with competition and the will and ability of customers.

* * *

Executives should make clear that it is the customers who meet all costs, including labor charges, in the prices which they pay for goods and services.

## Smiles

A kiss often destroys germs, according to a doctor. Maybe it shocks 'em to death.

* * *

You can be glad the touring season is over. No more maps to fold and unfold.

* * *

Marriage often leads to friend hubby finding out what marvelous men the wife used to go out with.

* * *

A Missouri man reported to police that his pocket had been picked. Then his wife confessed.

* * *

Statistics show that a rubber tire is stolen every few minutes in this country. The culprits should get longer stretches.

**THOUGHTS FOR TODAY**

**He mocketh at fear, and is not affrighted; neither turneth he back from the sword—Job 39:22.**

* * *

Fear is a dagger with which hypocrisy assassinates the soul.

R. G. Ingersoll.

### Case Records of a Psychologist

## Don't Let Discouraging Examples Ruin Your Faith; Morality Is on Upgrade

*"Man does not live by bread alone," Christ stated, so be sure your output pushes morality upward. Don't be so short-sighted you think only of a lavish pay check that camouflages the fact you are tearing down human personality as promoting crime, drunken driving, etc. Be anabolic; not catabolic!*

By DR. GEORGE W. CRANE

Case Q-329: Clark B., aged 38, is a prominent attorney who handles divorce cases.

"Dr. Crane, sometimes I grow discouraged concerning human nature," he confessed as we were recently comparing notes at luncheon.

* * *

"Our civilized nations go to war about every generation. And in many of the supposedly best regulated homes, we find feuding and divorce.

"Do you think that it is psychologically possible for good to win out over the bad on this Earth?'

**PEP TALK YOURSELF**

Sometimes even the best people grow discouraged and wonder. I've heard clergymen occasionally succumb to doubt, as Elijah did 3,000 years ago.

**Elijah then asked God to kill him because Elijah was so discouraged he felt that he, alone, was left in all Israel as the only true follower of God.**

In such cases, our physical health may be temporarily low. So learn to give yourself a solid "pep talk."

Remind yourself that weeds can choke out the beneficial cultivated vegetables and corn and wheat.

**By the same token, it requires diligence and elbow grease, but we can likewise cover the earth ultimately with beneficial human products, such as unselfishness and love and peace, to uproot the "weeds" of greed and hate and war.**

Without the benefit of mankind's efforts, the weeds would soon conquer the earth.

**GRAVITY vs. GOD**

Gravity is likewise destroying our land and trying to wash everything downward into the sterile, salty sea.

Mankind serves as God's effective agents on this earth to build up. So we terrace soil and erect large buildings which rise toward the skies.

Man is thus in constant conflict with gravity and its persistent, age-old erosion.

* * *

This same type of erosion can affect the soul of man, too, so the churches have their spires pointing heavenward to direct our eyes and thinking upward.

**Taverns and gambling halls, houses of prostitution and other subversive agencies, direct man's behavior downward. They erode civilization as gravity erodes land.**

In science we talk about anabolic process (upbuilders) vs. catabolic (downgraders).

In the realm of morality, God is anabolic while the Devil is catabolic.

There is no middle of the road. You are either a builder in this world or else a tearer-down. So take your choice. And encourage your children to make their stand early.

**BY THEIR FRUIT**

Though mankind started out at the savage, caveman level, he has made great strides.

Think of the hospitals and YMCA, YWCA, CYO, Salvation Army, Red Cross, churches, and other evidences of true brotherhood.

* * *

Colleges and schools, as well as the United Nations and other constructive evidences prove that we are building up (anabolic), despite the occasional wars.

It is a long, slow process, but this year we have about 60 per cent of Americans listed on the rosters of some church, either Jewish, Catholic or Protestant.

In Colonial days, however, the percentage was only five per cent and at the start of this 20th century, Bishop Oxnam says it was still but 25 per cent.

So morality is on the move. Be sure you are pushing it upward instead of downward.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

## Santa and the Dumdiddy

By Lutrece Hudgins Beale

AP Newsfeatures

**Chapter 17**
**A MERRY CHRISTMAS TO ALL**

"A man made out of clay!" exclaimed Beanie. "Surely we don't have to go back for that!"

"I cannot leave him behind," said Santa. He started away.

Beanie caught the chimney sweeper's arm. He did not know the chimney sweeper was really Santa in disguise.

"I'll go," he cried. "If the dwarf catches you the others might not escape. If you must have the clay man I'll go for it myself."

* * *

He turned and ran back down all the long steps to the dungeon vault. He broke open the lock hoping against hope that the dwarf would have vanished by now.

When the door opened he heard a moaning. He dropped to his knees and felt on the floor. His fingers closed around a thing of clay and he dropped it into his pocket.

**At that moment there was a scream and the Gimme Dwarf staggered to the door. Beanie dashed for the stairs. Up, up he stumbled, with the dwarf staggering after him. At last Beanie came to his room and started climbing up the chimney.**

The dwarf climbed right behind him crying, "You'll never escape me!"

As Beanie's head came out at the top of the chimney, the dwarf caught hold of his foot and held him fast. There was ice all around the top of the chimney and Beanie could not hold on. He felt himself slipping back into the arms of the dwarf.

* * *

Suddenly the little Dumdiddy reached out of Beanie's pocket and broke off a huge icicle that hung from the chimney top. He aimed it straight, and it fell plop down the dwarf's back.

With an awful cry the dwarf let go of Beanie and fell in a heap to the fireplace below.

Beanie pulled himself out on the roof. There was the chimney sweeper waiting for him. "Where are the others?" asked Beanie.

"I've sent them on their way," said the chimney sweeper. "They're happy as can be."

Beanie pulled out the little clay man. "I got your thing for you," he said. Here it is."

Then he stared in astonishment. "Why—this is the Dumdiddy! It's not yours at all. It belongs to my sister!"

**The chimney sweeper smiled. "Then take it to her," he said. "Come, we must hurry, for it is Christmas Eve and I have a lot of chimneys to go through tonight!"**

"Christmas Eve!" exclaimed Beanie. "Oh, I wish I were home."

"Squeeze your eyes tight," said the chimney sweeper softly, "and your wish will come true."

Beanie did as he was told and, sure enough, in some grand magical way he suddenly was in his bed in his own little room.

He sprang up and searched through his clothes until he found the little Dumdiddy in his back trouser pocket.

He tiptoed to his sister's room. "Wake up! Wake up! Here's your little Dumdiddy!"

* * *

His sister awoke. "Oh, Beanie! Where have you been? Oh, I'm so glad you're home. Let's never fight again!"

"Never!" declared Beanie.

"And you've brought back my Dumdiddy. Now I can give it to Santa Claus. Come with me and I'll leave it downstairs by the chimney."

Softly they crept down the stairs. Beanie found a card and his sister tied it around the Dumdiddy's neck and wrote on it:

"To Santa with Love."

"Oh, Beanie," she cried. "I wish you could give Santa something."

**"I am," said Beanie and he too wrote on a card. "I'm giving him my birthday because he has none of his own."**

"Your birthday? But that's your most favorite thing!"

"I know," said Beanie. "That's why I'm giving it away."

Suddenly he held up his hand.

"SSH! LISTEN! HE'S COMING!" — After Beanie had escaped the hands of the dwarf with Santa, disguised as a chimney sweeper, he wished very much that he was back home since it was Christmas Eve. Santa told Beanie to squeeze his eyes tight and his wish would come true. Beanie did so and sure enough, in some grand magical way he suddenly was in his bed in his own little room. Beanie ran to his sister's room and they agreed never to fight again. Then they softly crept down the stairs to the fireplace to leave some gifts for Santa.

"Sh! Listen!" He threw his arm around his sister. "He's coming! He's coming!"

And, sure enough, away off in the sky, they heard the tinkle of silver bells and a far-off voice calling joyfully:

"Merry Christmas! Merry Christmas to all!"

### To Study U.S. 24 Row

GRAND RAPIDS (AP) — Gov. Williams has appointed City Traffic Engineer Jerome D. Franklin to a commission of three to try to settle the "mothers' blockade of Telegraph road." The busy highway (U.S.24) had been blockaded in Taylor Township by a mothers' group protesting lack of a traffic light at a point where their children cross the road on their way to school. The mothers appealed to the governor weeks ago when police halted the picketing.

### Like Aussie Eggs

BRISBANE — Australia sells aobut 78 per cent of its "eggs in shell' to British buyers in London. Some 17,000,000 of them were sold to United Kingdom buyers in 1954.

## German Suitors See Future Mates on Film

BERLIN — Many men in Germany now see their brides for the first time in the movies. They are not marrying film stars, however. The movies are being shown by a Berlin marriage bureau as an aid to would-be suitors.

Girls wanting husbands are filmed against a domestic background, showing them cooking, cleaning or sewing. Other shots show them playing with pets or demonstrating any talents that prospective husbands might like.

**A GRATEFUL GIFT** — Mrs. Meyer Simon and her husband, Meyer of Simms Brothers, Inc., are shown here presenting one of 10 wheel chairs to St. Joseph Mercy Hospital. Shown receiving the chairs is Sister Mary William, hospital administrator. Sister Mary William expressed her grateful thanks for the gift, on behalf of the hospital.

# Pity That Poor Postman; Mails to Hit 17 Billion Mark

WASHINGTON (AP)—The Post Office Department estimated it will handle something more than 17 billion pieces of mail in the final quarter of this year.

The figure, about a billion pieces higher than that for the last three months of 1954, amounts to an average of more than 300 pieces for every family in America.

**This month's deliveries alone, reflecting the holiday rush, are expected to reach a record of about 7,330,000,000 pieces, or 2½ billion above the normal 1955 month. The December handle last year totaled 6,900,000,000 pieces.**

Postmaster General Summerfield urged in a statement that return addresses be put on Christmas cards.

"For some obscure reason," he said, "many persons seem to feel it is bad taste to put a return address on Christmas cards. Actually, it is in the best of taste. It saves friends and acquaintances much time and effort in keeping their mailing lists up to date and assures the sender, if he uses 3-cent postage, that he will know if a greeting is not deliverable."

**Summerfield also noted that extra deliveries are now under way in many city and suburban neighborhoods, and that the usual heavy seasonal mailings are under way through Santa Claus, Ind., North Pole, N.Y., North Pole, Alaska, Christmas, Fla., and Bethlehem, Pa.**

Many people send their greeting cards to the postmaster in those places for re-mailing, to get the benefit of a Christmas spirit postmark.

The postmaster at Santa Claus reported that mailings have reached a peak of 125,000.

# Panama Canal Surveyor Dies

## Service Saturday for Mark Tenny, Former Village President

HOLLY—Service for Mark W. Tenny, 84, will be held at 11 o'clock Saturday at the Dryer Funeral Home. The Rev. H. L. Parker will officiate, assisted by the Rev. F. A. Burnett. Burial will be in Lakeside Cemetery.

* * *

He died Wednesday night after a long illness. He was born in Holly on Feb. 20, 1871, and studied civil engineering at the University of Michigan. His work in that line covered two continents.

**Folowing lighthouse construction on the Great Lakes, Atlantic Ocean and Gulf of Mexico, Mr. Tenny was one of the surveyors who charted the Panama Canal. His service there was the longest of any engineer, continuing until its completion in 1914.**

He also surveyed the ground for the World's Fair in St. Louis in 1904, and did work for the asphalt interests in Trinidad, South America.

Returning to Holly, he spent much time in converting the land in connection with the Tenny homestead into one of the most beautifully landscaped areas in this part of the state.

**In 1927 he was elected village president, and served in that office for 13 years, longer than any other person in Holly's history. His civic work covered a wide range.**

Mr. Tenny never made any charge locally for his engineering services, and his surveying work covered most of the lands in the Holly area.

He is survived by a sister, Mrs. Addie McDonald of Holly, with whom he made his home, and by five nieces.

## County Births

MR. AND MRS. GERALD BENTL

# Bentley-Paulson Rite Solemnized at St. Pauls

AVON TOWNSHIP — Arline Carol Paulson and Gerald Ralph Bentley exchanged wedding vows Saturday evening at St. Paul's Methodist Church, Rochester. The candlelight double ring ceremony was witnessed by two hundred guests.

The bridal gown of Chantilly lace over satin featured a fitted bodice with V neck and Queen Anne collar. The long sleeves extended into points over the wrists, and the floor-length bouffant skirt was trimmed with a scalloped edge. Her fingertip veil of illusion was held in place by a lace pill box hat trimmed with pearls.

**She carried a colonial bouquet of white roses and stephanotis centered with a white orchid.**

Arline is the daughter of Mr. and Mrs. Lester Paulson of 3832 Mildred St., Rochester, and Mr. and Mrs. Ralph Bentley of 247 Rockdale St., Rochester, are parents of the bridegroom.

Lois Paulson was her sister's maid of honor. Bridesmaids were Carol Herndon of Ann Arbor and Janice Gibson of Rochester.

**Ronald Bentley served his brother as best man. Earl Kitchen and Douglas Mickelson seated the guests.**

Immediately after the ceremony a reception was held in the church parlors. After a short honeymoon the couple will reside at 202 Helen St., Rochester.

## Auburn Heights Woman Injured in Collision

Injured in a collision at Kennett road and US 10 yesterday afternoon, Norma Lou Sawdon, 24, of Auburn Heights, was reported in "fair" condition this morning at Pontiac General Hospital.

A passenger in her car, 32-year-old Robert Bigger of 2470 Dixie Highway, was treated and released.

Waterford Township police said the driver of the other car was Richard Dickinson, 29, of 2360 Maplecrest Dr.

## Lapeer Man Engaged to Brooklyn, N.Y. Girl

LAPEER — Mr. and Mrs. John Leibold of Brooklyn, N. Y. announce the engagement of their daughter, Elizabeth, to Pvt. Robert J. Steinberg, son of Mr. and Mrs. John Steinberg, Lapeer.

Robert is at present serving in the Signal Corps at Fort Monmouth, N. J.

## Charge Ferndale Man With Felonious Assault

FERNDALE—Detroit police will question Devillards Wynn, 22, of Detroit, today in the recent killing of an elderly woman in Detroit who was slugged from behind by a purse snatcher.

Wynn is being held by Ferndale police on the charge of felonious assault after attacking two young women with a knife here Thursday night.

# Chest Drive to Reach Goal

## To Distribute Checks to Imlay Community Funds

IMLAY CITY—George Snyder, general chairman of the solicitations for the first Community Chest in Imlay Township, has reported that the chest has nearly $5,900, and when all pledges are received, the goal of $6,000 will be reached.

The Board of Directors directed the treasurer to send checks for $800 to the United Fund, $200 to the Girl Scouts, and $200 to the Boy Scouts.

**Other organizations participating in the Community Chest will receive their checks when their respective campaigns are in progress. A tentative allomtment for these charities is as follows: Red Cross, $1,600; polio, $1,100 or more; cancer, $700, and playground, $500.**

A substantial fund will also be available for use in an emergency.

Officers of the Community Chest are: President, Mrs. George Braidwood; vice president, William Nachtrieb; secretary, Mrs. John Homer, and treasurer, Mrs. Richard Balabon.

# Committees to Meet About Farm Income

WASHINGTON (INS) — Special committees will meet soon at National Grange headquarters in Washington to develop the farm organization's commodity-by-commodity approach designed to boost farm income.

**The Grange's attitude is that any program not tailored to fit the needs of individual commodities is doomed to failure.**

Grange leaders take the position that neither flexible nor rigid price supports is a cure-all for farm problems, and that up to now neither has worked in a satisfactory manner. The Grange favors a two-price system for wheat and other commodities.

# Lutheran Church Plans Midnight Worship Service

BROOKLANDS — A traditional midnight worship service will be held Christmas Eve, beginning at 11 p.m. in Gethsemane Lutheran Church at Brooklands. Members attending the Holy Supper will meet at 10:45 p.m. for the separate service of Communion preparation.

**The Rev. Norman Kuck, pastor, states that there will be only one service at 10:45 a.m. Christmas Day in which the same sermon will be delivered. Catechumen and Sunday School classes will recess Dec. 24 and 25 as well as the Sunday adult Bible class at the church.**

Earlier on Saturday at 7:30 p.m. the combined Sunday and parochial school children will take part in the customary children's service at the parish school.

# Sugar Wage Rates Hearings Scheduled

WASHINGTON (INS) — The Agriculture Department announces that a series of hearings on wage rates and prices for the 1956 sugar beet crop will be held in five cities between Jan. 4 and Jan. 13.

**The hearings are scheduled in Greeley, Colo., Jan. 4; Salt Lake City, Utah, Jan. 6; Billings, Mont., Jan. 9; Fargo, N. D., Jan. 11; and Detroit, Jan. 13.**

Persons who wish to be heard may present testimony at any one of the five places and all testimony will be made a part of the same record.

## Pontiac Man Injured in Automobile Accident

Garland Burgess, 28, of 290 N. Paddock St., was treated for chest injuries in Pontiac General Hospital after an automobile accident last night.

Pontiac Police said no details are available about the accident, which Burgess said occured at Telegraph Rd. and W. Huron St.

## Forecast Decrease in Spring Pig Crop

WASHINGTON, (AP)—The agriculture department today forecast a 1956 spring pig crop of 56,000,000—a decrease of 2 per cent from this year's big crop of 57,342,000 head.

This prospective decline—which means that pork supplies will be smaller next fall and winter than during the current fall-winter season—comes on the heels of a drop of nearly 40 per cent in hog prices this year.

# Minister Absolved of Guilt in Church Property Case

The Rev. T. Walter Harris, of the Providence Missionary Baptist Church at Bagley and Diston Sts., was cleared of charges that he acted illegally in handling the church's financial affairs in a decree issued yesterday by Oakland County Circuit Judge George B. Hartrick.

The ruling stemmd from a suit brought by Albert Branch, who alleged he (Branch) was a church trustee. Branch claimed the church property had been placed in the minister's name without approval by the trustees and that he had secured unauthorized loans against the property.

**Branch asked the court to order a financial accounting and give the congregation a lien against the Rev. Mr. Harris' personal property which could be used to pay off any outstanding debts.**

Judge Hartrick ruled the church records did not show Branch as a trustee, but as a deacon, and therefore Branch was acting "in his individual capacity . . ." and did not "represent a majority of the membership of the church."

The judge decided Branch did not prove he stood to lose any money as a result of the church's debts "except as a member of the congregation."

**Allen Nicholson was the only duly elected trustee for 1955 up to Dec. 7 when three more, not including Branch, were legally elected, the judge said.**

The Rev. Mr. Harris stated at a court hearing that the church lands were placed in his name because the church is not a corporate body and cannot legally possess property.

Judge Hartrick said the pastor is willing to transfer title to the organization itself, provided "the church . . . shall assume all liabilities outstanding against the church property."

The decree enjoins the minister only from "incurring any further obligations against the church property without approval of the proper authorities."

Branch's request for a lien against the minister's personal property was denied.

## Gold Coast Making Modern Type Bread

LONDON—Although the African Gold Coast traditionally is not a bread-eating country, it is getting its first modern bakeries, Accra reports. For generations, bread has been baked in small earthen ovens but now wheat flour finds its way to family tables, in the form of bread, cakes and pastries.

* * *

Most modern are the new Warababa Bakeries. "Warababa" translated freely means "you will return for more." They are in charge of S. F. F. Longden, whose mother, Mrs. Charlotte Longden, established the country's first small-scale bakery a long time ago.

He studied bread and confectionery making in Britain and has introduced bread mass-produced by mechanical means.

Coligny, South Africa, a windmill town with no water system, may lose its characteristic landmarks. Engineers have been employed to map a water project.

## Yuletide Scholarships

TRAVERSE CITY (AP) — For the third successive year, a group of seven northern Michigan auto parts jobbers are offering scholarships to two area colleges to students in each of 22 counties where their customers do business. The scholarships are divided between Northwestern Community College of Traverse City and Alpena Community College. Spokesmen said, "Our members felt it more in the true Christmas spirit to give gifts of lasting value than to offer the usual commercial trinkets."

Rhodesia, making its biggest play in history for development capital, has sent Premier Garfield Todd to America and Europe in recent months to get new factories, Salisbury reports.

## Woman Talks Referee Out of a $5 Traffic Fine

DETROIT (INS)—Mrs. Gertrude Left of Detroit wor a suspended sentence on a parking violation Wednesday by showing referee Rollin D. Shull that the $5 ticket actually is going to cost her $9.50.

Shull suspended the ticket after Mrs. Left said that in addition to the $5, she had to pay $2.50 for a baby sitter while she appeared in court, 50 cents for parking and $1.10 for lunch.

# Rose Bowl Outshines Yuletide for MSU Students

Pontiac Press Photos

*Checking the schedule of the Pasadena-bound train, not for the hour of departure but for arrival time, are Michigan State University students Kenneth Ish of Dover road, Jim Panks of Sherbourne road and Bob Gordon of Dwight avenue. The three will be among students who will be cheering their team on to victory at the Rose Bowl game on Jan. 2.*

*Among those leaving Monday on the "Spartan Special" are MSU students (left to right) William Flynn of West Walton boulevard, senior; Gerald Rohn of Summit avenue, freshman; Verne Vackaro of St. Clair street, junior; and Darwin Diederich of Lakewood avenue, senior. The boys are already stowing suitcases for the trip to East Lansing to meet their fellow students traveling to the Rose Bowl game.*

## Collegians From Area Going West

### 'Spartan Special' Departing Monday for Pasadena

The excitement of the holiday season has taken second place to the excitement of a Rose Bowl game in Pasadena for many Michigan State University students. Plans for the trek West are under way and the campus at East Lansing is buzzing with activity.

* * *

Three trains leaving Monday will be brimming with assorted trunks, ukuleles, pennants and hundreds of enthusiastic students prepared to cheer their team to greater glory.

**After final checking of reservations for the "Spartan Special," students from Pontiac are packing and repacking suitcases and exchanging excited phone calls while waiting for the conductor to shout "All aboard!"**

Among those traveling to Pasadena for the Jan. 2 game between MSU and Southern California are Jerry Roddewig of Clinton River drive and Jim Panks of Mohawk road. Also preparing for the trip are Bob Gordon of Dwight avenue and Jack Porritt of Cherokee road.

* * *

Coeds who will be spending Christmas Day squeezing last-minute additions into their suitcases are Ann Oliver of East Iroquois road, Nancy Dickenson of Mohawk road and Barbara Magnus of Brookside drive.

**Others are Mary Ann Crozier of Tilden avenue, Marian Greenlee of Avondale avenue and Sue Ladd of Neome drive.**

The "Spartan Special" will return to East Lansing Jan. 5, just in time for students to register for the winter term.

*Members of MSU marching band are also getting ready for the trip to the Rose Bowl. Polishing their instruments and packing music are the main concern of (left to right) Jerry Christopherson of Vinewood avenue and Ken Ferguson of North East boulevard. They are the only members of the MSU band in the Pontiac area and will also leave Monday from East Lansing.*

*What clothes will be needed for California weather is a problem facing the young women traveling to Pasadena Monday. Pictured are (left to right) Elvira Bisogni of Greer boulevard, Dorothy Joan of Woodbine drive and Charlotte Booth of Rivard street, who will attend the Rose Bowl game Jan. 2. Students at MSU, they will leave on the "Spartan Special" from East Lansing.*

# Dating Arrangement Is Unfair to Everyone

By ELIZABETH WOODWARD

"Dear Miss Woodward: Two years ago I went steady with him for eight months — and at that time he lived about 10 miles from here. Last spring he moved just a few blocks from me and he came to see me at least once a week.

"He's going steady now with another girl, but he dates me off and on. He tells me he still likes me and would rather go with me but he's afraid it wouldn't last. He has doubts about me breaking up.

**"I'd give anything to have another chance. I go on other dates, but I can't have any fun because I can't get my mind off my old boy friend. Going out just reminds me of past dates with him.**

"Do you think he's making a fool out of me? Should I try to win him back — or shouldn't I even try?"

Answer: Though you don't say so, I suspect that you're the one who broke off two years ago. You've lived to regret it, particularly now that he's come to live so conveniently close to you. And it sounds as though he's more than a little sorry it happened, too.

**He has been happy enough to resume relations of a sort, but he's remembering what happened before and he hesitates to give it a second try.**

He's putting you in a very strange and uncomfortable position, however. He's going steady with another girl. He ought not to be having even occasional dates with you. It's second fiddle you're playing. And it's making all the boys you date play second fiddle, too.

Seeing him even occasionally gets up your hopes. And spoils the dates you have with other people. It doesn't seem fair to anybody.

It's high time you cleared the air. The next time you see him ask him straight out what kind of dating arrangement he has with his steady girl that permits him to date you, too.

**Wouldn't that other girl have a fit if she knew? How does he feel about keeping such things from her? How would she feel if she found out?**

Then put your cards on the table. If he doesn't like her as much as he should, why doesn't he break off with her? And if he likes you as much as he says he does, why not go with you?

Tell him you'd like another chance. Add that dates with other boys leave you cold. You're not giving them a fair break — and all because of him.

**If such frankness doesn't make him appreciate how you feel, there's nothing else to say. If it doesn't convince him to give you your chance, there's no use hoping.**

Stop seeing him entirely, and devote yourself to new business. It can be fun.

*The young grandchildren of Mr. and Mrs. Vinton Ball of Virginia street are pictured shortly after they arrived to spend the holidays. Shown are (left to right) Michael, William, Pamela and Charles Ball, the children of M/Sgt. and Mrs. Charles L. Ball. They are visiting the Vinton Balls until Dec. 26 when M/Sgt. Ball will leave for his new assignment in Verdun, France for three years. Mrs. Ball and the children will leave in February to join him. This is the first Christmas in 14 years that M/Sgt. Ball has been home for Christmas.*

*MRS. RONALD D. RIDGWAY*

*Sandra Elizabeth Fisher and Ronald Dale Ridgway were married Saturday in St. Paul American Lutheran Church, Dearborn. Her parents are Mr. and Mrs. Rolland Fisher of Dearborn and his parents are Mr. and Mrs. John Ridgway of Dearborn, formerly of Pontiac.*

## Lutheran Guild Gathers at Party to Mark Season

Members of St. Paul Lutheran Ladies Guild and their guests held their annual Christmas party in the church parlors Wednesday evening.

* * *

Mrs. M. L. Lorenzen read the Christmas story from Luke and members enjoyed games and a gift exchange.

Arranging the entertainment were Mrs. Ben S. Hawkins and Mrs. Ben R. Hawkins. Mrs. Gustav Beck, Mrs. Don Bonney and Mrs. Edward Lane were in charge of refreshments.

* * *

Members gathered gifts to be distributed to the residents of the Lutheran Home for the Aged at Monroe. A special gift was presented to the Rev. George Mahder and his family.

## Dearborn Rite Read for Couple

In a candlelight ceremony performed Saturday evening in St. Paul American Lutheran Church in Dearborn, Sandra Elizabeth Fisher became the bride of Lt. Ronald Dale Ridgway.

* * *

The bride is the daughter of Mr. and Mrs. Rolland Fisher of Dearborn and Ronald's parents are Mr. and Mrs. John Ridgway of Dearborn, formerly of Pontiac.

**For the ceremony the bride wore a princess gown of white velveteen trimmed with seed pearls and a matching headpiece. She carried white poinsettas on a white Bible.**

Roxie Fisher was her sister's honor attendant. Other attendants were Mrs. William Vicary, Mrs. Frank Brunner and Mrs. Charles Taton.

Their gowns were of cranberry red velveteen in princess styling and they carried cascade arrangements of white snowdrift chrysanthemums and poinsettas. Mary Lynn Bartholomew was flower girl.

**Lt. (j. g.) Robert Ridgway served his brother as best man. Seating the guests were Robert Short, Richard Templeton and William Vicary.**

Following a reception at the Detroit Boat Club, the newlyweds left for their honeymoon trip to New York. Upon their return they will make their home in Laredo, Tex., where Lt. Ridgway is a pilot with the U. S. Air Force.

Add strips of bacon to the bottom of the baking dish when making meat loaf—the loaf won't stick and the bacon adds flavor.

Election was followed by an exchange of Christmas gifts and members packed Christmas baskets for sick members and needy families.

## Reveals Marriage

Mrs. Gertrude Lucas of Murphy avenue is announcing the DEc. 16 wedding of her daughter, Bonnie Lee, to Pfc. Marvin L. Treece. He is the son of Mr. and Mrs. Daniel Treece of Parkdale avenue.

## Ray Sluders Give Christmas Party

Mr. and Mrs. Ray Sluder of Fairgrove avenue entertained the employes of Barbara's Beauty Salon and their husbands and friends Tuesday evening.

Gifts were exchanged during the evening and Christmas carols were sung.

Those attending were Mr. and Mrs. Sidney Hall and daughter, Susan, Mr. and Mrs. Raymond Anthony, Bonnie Lou Tucker, David Binder, Sylvia Stalt and Regina Sluder.

## Sorority Chapter Marks Christmas

Mrs. Russell Bean of Avondale avenue opened her home for the Christmas party of Alpha Chapter of Beta Theta Phi sorority. Mrs. U. C. Meeker was cohostess.

Twenty members enjoyed games and sang Christmas carols at the recent party. They also packed a Christmas basket for a patient at Pontiac State Hospital.

## Program Is Given for Bethune PTA

Sixty members of the Bethune School PTA attended a Christmas program given at the school Wednesday afternoon.

A play, "Santa's Toy Shop," was presented by the students, with 300 children taking part in various parts of the program. A religious tableau of the Nativity was presented by the second grade pupils.

Following the program, refreshments were served in each homeroom, with Mrs. Versa Sigler and Lula McGregor acting as hostesses.

## Lydia Circle Holds Christmas Meeting

Lydia Circle of the Christian Women's Fellowship of First Christian Church met at the home of Mrs. William Tompkins on Starr avenue Tuesday evening.

Mrs. J. P. Morgan gave devotions, and the program was given by Mrs. William Bantien. Mrs. Bantien's topic was "Still Greater Service." It concerned the Yakima Indians at the Yakima Indian Christian Mission.

Gifts were contributed by the group for the Oakland County Convalescent Hospital and gifts were exchanged and Christmas carols sung by the group.

Refreshments were served by Mrs. Tompkins assisted by Mrs. L. R. Stanley. The hostess table featured a sleigh centerpiece with reindeer made of cookies. The sleigh runners were candy canes.

## Amvets Auxiliary Holds Yule Party

Mrs. Robert Boggs presented readings to members of the Jimmy Dey Post 12 Amvets Auxiliary when they held their recent Christmas party at the YWCA.

Mrs. George Brown gave a reading on "Can You Spell Christmas?" Members contributed food, clothing and toys for Christmas baskets, and gifts were exchanged.

Assisting the hostess were Mrs. Don Murphy, Mrs. O. T. Baxter and Mrs. Brown.

## Woolens Lighter

The lace-lightness of 1956 woolens adds another significant fabric for resort wear, making it an all-year fabric, like cotton. Designers recognize that resort spots are not necessarily tropical and that evenings are cool, and wool fashions are good travelers.

**Katherine Micou Feted in Birmingham**

# Mistletoe Mingles With Wedding Bells at Shower

BIRMINGHAM — Mistletoe and wedding bells were arranged at the David Nethercot home on Puritan road for this afternoon's first shower to honor Jan. 14 bride-elect Katherine Micou, who is just back from Europe.

Miss Micou and her parents, the Benjamin Micous of Lone Pine road, returned Wednesday. She has been studying voice in Zurich, Switzerland, for six months, and the Micous joined her there for a month.

**Now, they are looking toward the day of Miss Micou's wedding to Ann Arborite Arnulf Esterer in Christ Church Cranbrook.**

At today's shower, friends from Kingswood, now married or in college, gathered to bring shower gifts that were placed in an aluminum-covered sleigh with bells attached. A china sled was used for the mistletoe and bells centerpiece.

A second shower will be hostessed by Mrs. Randall Clark at her Wing Lake home, with about 14 guests attending, the day after Christmas.

**GUESTS TONIGHT**

Guests at the Clark home for this evening will be Mr. Clark's mother, Mrs. C. U. Clark, and aunt, Mrs. Clinton Bishop, from Grand Rapids. They are visiting his sister, Mrs. LeRoy Clark of St. Clair Shores, for the holiday.

* * *

Houseguests of the Erwin Coveneys of Westwood are Mrs. Harold Prusing of Chicago, who came Wednesday, and their son, Erwin L. Coveney, his wife and two children, Michael and Peter, who are arriving from Springfield, Ill., tomorrow morning. Friends will be dropping in to see them during their three-day stay, and they'll be attending several parties.

* * *

**Home from Harvard with his bride of last August is Richard BeGole. They are visiting his parents, the Art BeGoles of Covington. He is a graduate student in Harvard's Business School.**

* * *

Marking her 85th birthday on Monday, Mrs. Harriet Melissa Ellvey is the senior member in a 5-generation family.

She has lived with the William Murphys at 1379 Bird since she moved here five years ago from Natchez, Miss., but is temporarily at the Southfield home of Mrs. Murphy's daughter, Mrs. James Leach.

**DECORATING OFFICE**

Members of the Birmingham Junior League have been busy since their recent Follies decorating the offices that will house the Birmingham Branch of the Oakland County Child Guidance Clinic. The clinic will be opened Jan. 30.

A steering committee, which has been organizing the clinic, is headed by Mrs. Winthrop Conrad. Aiding her are Mrs. James Joyce, Mrs. Steele Sellers Jr., Mrs. George Squibb, all from the Birmingham Junior League; Mrs. Lawrence Martz, member of the Oakland clinic's board; Madeline Half, the clinic's director, and Olivia Viola, supervisor of the Birmingham branch.

**Under Mrs. Colin John's direction, the decorating has included new wallpaper, paint, draperies and furnishings for a cheerful and friendly look in the clinic.**

Mrs. Frederick Booth has transformed what would have been the traditional waiting room into a children's playroom filled with new and interest-provoking play equipment for children to use while waiting for appointments. The room is named the Marjorie Booth Koch Memorial Room.

Others who have been readying the clinic are Mrs. John S. Hoppock, Mrs. Ralph Getsinger, Mrs. Milton Coulson, Mrs. Maxwell Fead, Mrs. Don Cargill, Mrs. Herbert Fleming and Mrs. Richard Kern.

The collection of miniatures has been a hobby of Mrs. Woodruff's, and each Christmas over the past eight years she has added something new. Now the village is complete with skating pond and very colorful skaters. Mrs. Woodruff is shown holding her dog, "Francine," who finds the village almost too tempting.*

## Christmas Music Sung at Eastern

### Tableaux Illustrate Yuletide Customs of Various Lands

"Christmas in Many Lands" was presented to a capcity audience by the Music Department of Eastern Junior High School Tuesday evening.

* * *

Larry Chambers, the announcer, described how Christmas is celebrated in the various countries of Europe.

**Mrs. William Tompkins, Margaret Snyder and Henry Elling directed and accompanied the choirs and the Boys' and Girls' Glee Clubs participating in this program.**

The 7B choir presented the English custom of caroling by singing "The Wassail Song" or "Here We Come a Caroling."

* * *

The 8A Choir sang a Danish composition, "Angels at Christmastide," while the scene of Julenisse and a family from Denmark were depicted.

A French family with Pere Noel was presented on stage as the 8B Choir sang "Angels We Have Heard on High."

**GERMAN CUSTOM**

A German family with St. Nicholas showed the custom of greeting guests with trees ablaze with candles, and the Boy's Glee Club sang "Break Forth O Beauteous Heavenly Light and Usher in the Morning."

* * *

The tableau of America showed, through a picture window, the gathering at Christmastime for a family dinner, the giving of gifts, and the family around the Christmas tree, as everyone sings the carol "Oh, Come, All Ye Faithful."

**A special group recited in unison the Christmas story of the birth of Jesus Christ as recorded in the Holy Bible.**

Eastern homeroom teachers Helen Lapisch, Mrs. Joseph Davis, Mrs. F. L. Jesse and Mrs. Donald McCandless helped present the tableaus. Mrs. John Windiate and Ellsworth Sturdy also assisted with Kenneth Nagley, principal of Eastern, and his office staff completing the list.

## Meetings Held by Circles of Oakland Park Church

Circles of the Oakland Park Methodist Church WSCS met this week at homes of their members.

**Rebecca Circle**

Thirteen members of the Rebecca Circle met at the home of Mrs. Marjorie Ettinger on Oliver street Wednesday evening.

Following an exchange of gifts, Mrs. Basil Meidlein told a Christmas story. The next meeting will be at the home of Mrs. Charles Baynes on Marquette street.

**Deborah Circle**

Mrs. Ray Coombe of Chippewa road was hostess to members of the Deborah Circle Wednesday.

Mrs. John Lamont, a guest of the group, gave the devotional message. The circle voted to send a donation to the local Salvation Army.

Mrs. Joe Wagley of Hammond street will hostess the January meeting of the group.

**Mary Martha Circle**

Twelve members of the Mary Martha Circle met Tuesday afternoon at the church and made plans for a fish fry in January.

The next meeting will be held at the home of Mrs. Emerson Brown on Pingree avenue.

**Esther Circle**

Mrs. Kenneth Skelton gave the devotions for the Esther Circle when members met at the home of Mrs. Elton Behnke on Joslyn avenue. The meeting featured a gift exchnnge.

The group is planning the program for the January meeting of the WSCS. The next meeting will be at the Oliver street home of Mrs. Skelton.

**Priscilla Circle**

A Christmas dinner at Old Mill Tavern was the highlight of the December meeting of Priscilla Circle.

The group will meet at the home of Mrs. Courtney Clara on Mansfield avenue in January.

Sub-teen interpretation of the slim coat most often introduces fullness by means of gentle gores from the shoulder, of width taken up under each arm, or by modified skirt flare offset by squared-off pockets.

**True Meaning of Christmas**

## Dr. Bank Talks to Zonta

A program bringing Zonta members closer to the true meaning of Christmas was held Thursday at Hotel Waldron.

Beginning with Yuletide songs by Kenneth Ish of Michigan State University, the program included a message from Dr. Milton H. Bank.

**Dr. Bank related the story "Even Unto Bethlehem" by Henry VanDyke. Beginning with the time before the birth of Christ, the speaker took his listeners to a high hill overlooking Nazareth where Joseph and Mary often would come to sit because they felt closer to God.**

Then the members traveled with the speaker to Bethlehem where Jesus was born. They felt the nearness of the shepherds who were watching their sheep on that night when the angel of the Lord appeared and told them that in Bethlehem a child, Christ the Lord, had been born.

* * *

The shepherds, after visiting the newborn King, went on their way singing the praises of the Lord who had come into the world to save man from his sins, Dr. Bank related.

**Mr. Ish sang "White Christmas," "Birthday of a King" and "O Holy Night." He was accompanied by Deanna Mielke.**

Mrs. Ruth Wait was program chairman. President Mrs. Fotis Takis announced a Christmas party was held for children at Pontiac Day Nursery.

## Coming Events

The Emor L. Calkins Unit, WCTU, will meet with Mrs. S. K. J obs. 10 Eddy Ct., Tuesday for a 12:30 luncheon

## Yuletide Breakfast Given for Students

Mr. and Mrs. William Coy of East Square Lake road entertained at a Christmas breakfast for several eighth grade students of Hickory Grove School. Their teacher, Violet McLaughlin, and School Superintendent Nathan Hargett also attended the Wednesday breakfast.

Students attending were Linda Mitchell, Sandra De Vos, Renie Sinclair, Barbara Osani, Janice O'Niel, Joanne Wilhite, Carol Coy, Jim Gerhard, Leon Leach, Douglas Meyer, Fred McCullough and David Robinson.

When arranging the furniture, plan an interesting and attractive group at the spot first seen as you enter the room.

May the wonder of Christmas find its way into every home; its message to every heart.

Is Your High School Represented in the Press?

# THE PONTIAC PRESS

Watch for School News on This Page Each Friday

PONTIAC, MICHIGAN, FRIDAY, DECEMBER 23, 1955 SEVENTEEN

# Press Sends Yule Wishes to Students, Newsgatherers

WHEW! — That's what Pontiac High School's new Tomahawk staff had to say when they turned over the last piece of copy for the Christmas issue of the paper, the first published by the new staff. Above, pushing their way through a mountain of material to prepare the issue, are left to right, Chuck Williams, sports editor; Mary Sarros and Vicy Micu, co-editors. The paper, printed in red and green, came out yesterday.

## Salutes School Reporters

Getting out a high school page is a job that requires teamwork. Before the printed copy rolls off the press each week, hundreds of newsgatherers have had a hand in producing this one page alone.

Backing your high school editor is a score of school correspondents who, week after week, have met rigid deadlines to get the news to you, our student readers.

**Each week these reporters have contacted teachers, principals, counselors, librarians, council members and leaders of sports and dramatic groups in their task of collecting the news.**

From there, they have gone on to the job of boiling down the mass of copy so that as much information as possible might be squeezed into the allotted space. There were photos to arrange, phone calls to make, and special trips to the newspaper office.

★ ★ ★ ★

To you, our student readers — the fine young people of today, the men and women of tomorrow — the editors of The Pontiac Press extend a wish for a blessed Christmas and a New Year packed with the joy of accomplishment.

**To our student reporters, as well as those teachers and helpers whose wonderful teamwork has made this page possible, we add to that same sincere greeting a very special salute — to a great team — for a difficult job well done.**

By working together, we hope that the High School Page may continue to carry new ideas and methods between school and school, student and student, and so prove helpful and inspirational to all.

WILMA GREENWAY,
Pontiac Press High School Editor

SLEIGHFUL OF GIFTS — That's what Wever Junior High's Student Council officers Dennis Pawley and Sandra Lilliquish had when they finished packing the mammoth load of food, clothing and gifts for two needy families. In addition to donating the sleighful of gifts, Wever's 642 students made front page headlines in the Press yesterday when they gave up their own school parties to provide gifts and parties for 30 underprivileged children, in a schoolwide project.

## Parties End 1955 at PHS

By VICKY MICU

Pontiac High School students rounded out the last school day of 1955 yesterday with parties in all sixth hour classes, as they closed books for the 12-day Christmas vacation. They'll return the Wednesday after New Year's, Jan. 4.

* * *

The new Tomahawk staff got out its first issue yesterday, a colorful paper printed in green ink with a red Santa on Page 1. Heading the 1956 staff are co-editors Mary Sarros and Vicky Micu. Associate editor is Madeline VanMatre and assistant editors are Judy Smith, Marcia Thomas, Helen Rendziperis.

**Other editors are: sports, Charles Williams; news, Patricia Zielkie, Betty Apigian; literary, Sharon Holland, Sally Maier; page assistants, Helen Prizant, Barbara Meneith, Marcia Petrie, JoAnn Van Tassel and Gary VanRyzin. Bob Everson is photographer.**

On the business end, James Cornforth is business manager; Robert Groenberg, advertising manager assisted by Harold Hanson; and Bessie Gianakos, circulation manager assisted by Becky Nickols.

Last night the Chiefs made their last appearance for 1955 on the basketball court as they took on Edsel Ford for the first time. The Chiefs from Pontiac won by the score of 67-47.

**DANCE PLANNED**

While activities at school will slow down until after the New Year, students are busy preparing for holiday dances and parties.

**Outstanding is the "New Year's Nocturne" on Dec. 31, sponsored by the Pontiac Junior Chamber of Commerce for high school students and other teenagers. From the high school Rose Rivera, Judy Coffer, Marylee Mogg, and Judy Smith will serve as junior general chairman, decorations, ticket and publicity chairmen respectively.**

The semiformal dance will be held from 9 p.m. to 1 a.m. in the PHS gym. Music will be by the band of Russ Garcia, and admission is $2.50 per couple. All proceeds go to the March of Dimes.

Gary Van Ryzin was chosen to head the Biology Club next semester as president, with Melvin White as vice-president, Saida Tuttle as secretary and Constantine Sousanis as treasurer.

The cheerleaders plan to attend a cheerleading clinic at St. Clair High School, St. Clair, Jan. 28. They have also announced that Patricia Soares will join Georgiana Mason as sponsor of the group.

Your reporter wishes everyone a very Merry Christmas and a Happy New Year.

## Holly, Candles Decorate St. Frederick's Windows

By ANN SCHACHERN

Anyone entering the corridors of St. Frederick High School couldn't miss the fact that Christmas is almost upon us. Art students have been working for the past week to provide the holiday decorations.

Holly and candles adorn doors and windows from the first to the third floor. Two manger scenes, one at each school entrance, remind the students of the deeper meaning of Christ's birthday.

**SFHS glee club helped put downtown shoppers in a Christmas mood this noon when they sang at the Pontiac State Bank.**

Sophomores of Sister Florence's room have been making Christmas favors for hospital patients.

Cheerleaders have been asked to lend a feminine touch to the decorations for the Varsity Club Dance, "Fantasy in White" to be held next Friday night.

**The Sacristan Club, girls from 7-12 grades, held a Christmas party Tuesday evening in the school corridors. Sophomores entertained the club after dinner.**

The girls reported it's fun to polka and bunny-hop in school halls, and say they never realized there were so many places to hide peanuts in the school.

Last week red football jerseys came out of mothballs, as group pictures of the football and basketball teams were taken for the Ramrod, St. Fred's yearbook. Altar boys, Sacristans, Varsity Club members, and Student Council representatives also had their pictures taken.

## Spirit of Giving Prevails at Junior Highs

The spirit of giving and caring for others dominated activities at junior high schools this week. A reverence for the true meaning of Christmas was reflected in plays, concerts and parties for the needy.

* * *

Some 175 music and speech students at Jefferson Junior High had parts in the Nativity play, "The Visions of Chartres," presented Wednesday. Parents were lavish in their praise of the program.

* * *

Thursday, each homeroom had a party with gift exchanges between students. Movies in the auditorium and a record dance in the gym concluded the last class day of 1955.

**WEVER FETES NEEDY**

Wever Junior High students said this was the best Christmas week they'd ever had. They gave up their own parties to entertain 30 needy children with loads of gifts, clothing and gala homeroom programs Wednesday, and discovered that this kind of giving brings a spiritual reward.

* * *

**To top that, stack of groceries and needed items were collected and distributed yesterday to two needy families. Said one student, "By giving to the needy we have caught a little of the true meaning of Christmas."**

* * *

A musical program in the auditorium yesterday afternoon ended a week packed with rich experiences for the 642 students of the school.

**LINCOLN WINS GAME**

Lincoln Junior High is still elated at the victory over Jefferson Tuesday 34-31, on the basketball court.

* * *

A demonstration and lecture on micro-waves with a phonograph, transmitter and receiver, by representatives from the Bell Telephone Company, helped the student body to understand more of how telephone and television works.

**CONCERT AT WASHINGTON**

Top news at Washington Junior High was the Christmas Concert yesterday, directed by instructors Faith Cook and Joanne Hanson. The Girls and Boys Glee Clubs and the ninth grade vocal class participated.

* * *

**Tuesday a movie entitled "The Spirit of Christmas" was shown, sponsored by the Michigan Bell Telephone Co. The Junior Girls Athletic Association held its Christmas party at the home of Kiki Sickles on that day, also.**

The first issue this year of the Tom-Tom came out, and made a big hit with readers.

* * *

Wednesday the Girls Service Club, directed by Mrs. George Anson, sang carols for patients at Pontiac General Hospital. The girls also helped pack junior Red Cross boxes.

* * *

For the future, Latin classes will attend a banquet at Pontiac High on Jan. 11. Costume for the affair will be that of the ancient Romans, says Ima Hook, club sponsor.

**EASTERN HAS PROGRAM**

At Eastern Junior High, tableaus of Christmas in England, Denmark, Germany, France, Italy, Sweden and the United States highlighted the program "Christmas in Many Lands." The colorful concert was presented Tuesday night for the PTSA and repeated as a double assembly for students Thursday morning. The music department with the help of some teachers and their classes presented the program.

* * *

School activities ended on a festive note, with parties and a tree in each homeroom Thursday.

## Puzzle Contest Winners Named

### 3 Top Entries Listed in CSMC Competition at St. Michael High

By JANET ENGLISH

Christmas Puzzles winners were announced at St. Michael High this week, before teachers closed classes Wednesday for the vacation. A junior, Jane Neussendorfer, came in first in the contest sponsored by the Catholic Students Mission Crusade. Second prize went to Marlene Tadlock, a freshie, and honorable mention to senior Jan Allen.

**Christmas project of the sophomores of Room 16 was sending toys and a basket of food to the needy.**

The sodality collected quite a supply of canned goods which they turned over to St. Vincent de Paul Society for distribution.

Seniors have begun soliciting ads for their play which is to be held Feb. 4 and 5. Tryouts for parts are scheduled for Monday.

**Congratulations to two juniors, Ron Elmy who was chosen as defensive back on the Oakland County All-Star Team and Dan Dropps who made All-Catholic Second String.**

Wednesday 40 girls of our glee club sang at the Pontiac State Bank under the direction of Sister Mary Eulalia.

Crock-a-dolls gave an open house at Marge Bateman's for the seniors after an afternoon of caroling on Sunday.

From all of us at St. Michael's to all of you, the merriest of Christmas greetings and a wish for a successful new year.

## Waterford High Set for Annual Dance Tonight

By JEAN LIMATTA

Christmas was present in every corner of Waterford Township High School this week.

Tonight from 9 to 12 the annual Christmas dance will be held. Seniors have worked hard, decorating, sending invitations, and baking cookies to make the affair the best ever.

**Tuesday, Economics and Government classes heard Juan Viudes, Spanish exchange student, speak on foreign policy, communism, socialism, and capitalism. Juan is the holiday guest of Mike Patterson, WTHS '54 graduate. Both attend college in Delaware, Ohio.**

Students began the holiday vacation Wednesday after an all-school party in the last half hour of the day. Earlier Wednesday the A Cappella Choir and township ballet classes presented the Christmas assembly.

Next Thursday evening Student Council members and their guests will be seen ice skating at the Council's Christmas party, at the home of Sheldon Smith, president.

CONCERT DRAWS CROWD — West Bloomfield High School's Christmas concert attracted a large audience and plenty of applause when it was staged Tuesday at the school. Four of the 250 students who took part are, left to right, Pat Dunaway, co-president of Girls Glee Club; Pete Begle, president A Cappella Choir; George Deacon, president Boys Glee Club; and Pat Knapp, co-president of Girls Glee Club. Robert Pfeiffer conducted the band and Mrs. Marjorie Seavey directed the massed chorus.

## Area Highs Stage Concerts, Assemblies

Concerts, assemblies, a panel talk and dances were among the varied activities that marked the final week of 1955 in Pontiac area schools.

A festive spirit prevailed as students completed Christmas displays and decorations in preparation for the last minute homeroom parties and gift exchanges.

**AT WALLED LAKE**

At Walled Lake High, five of the June '55 graduates, home from University of Michigan where they are now freshmen, put on a panel discussion for seniors Monday. Extra-curricular activities, dorm life, food, social activities and the academic viewpoint of college were reviewed by the panel, made up of Phyllis Young, Dennis Carlson, Stan Rock, John Juntenun and Ed VanderVelde.

**All agreed insufficient emphasis was placed on study in high school, and pointed out that juniors and seniors still have time to buckle down and work.**

Art classes under the direction of Mrs. Jack Simonton prepared the art display for the main lobby. The original idea was derived from Dicken's "Christmas Carol." The three-dimensional display is 14 feet long and 7 feet wide. Three characters, including Ebenezer Scrooge and Tiny Tim, are depicted, all of them three-fourths life size.

Classes, which closed Thursday, will resume Jan. 3. Debaters, though, say they'll practice during vacation. Walled Lake, tied with Farmington and Southfield for first place in the Inter-Lakes league, is hot for a victory at the next tournament, Jan. 9 in Van Dyke. The school won the League meet last year, and is hoping to capture the newly-authorized Inter-Lakes Trophy.

**AT AVONDALE**

Short but busy was the week for Avondale High students, especially seniors. Senior pictures arrived Tuesday, and the usual trading flurry, wherein students obtain pictures of their classmates, was carried on through Wednesday.

**First deadline for the school annual was met Wednesday. The staff of seniors was kept jumping until the copy was mailed.**

A big event was the annual Christmas dance, the "Sno-Ball," Tuesday night. Climax of the week was an assembly program Wednesday afternoon, featuring singing and skits staged by the dramatics class.

**AT WEST BLOOMFIELD**

Two concerts at West Bloomfield High School highlighted student activities.

There was a big turnout and plenty of favorable comments on the annual Christmas Concert Tuesday. The 40-piece band, under the direction of Robert Pfeiffer, opened the program.

**Mrs. Marjorie Seavey directed the combined glee clubs in the well loved Christmas numbers. In addition to 120 high school students, the 80-voice eighth grade girls chorus also sang. A tableau of the manger scene was a focal point for audience attention.**

Paul Steenson appeared as a newsboy and adult carolers were Mrs. Dreama Royal, Mrs. Alice Saad and Merlin Asplin.

Wednesday the school band and the A Cappella Choir, robed and wearing the new stoles, entertained the full student body at an afternoon assembly. Christmas songs, carols and classic compositions gave the concert variety and timeliness.

### Dance Slated Tonight

Students from many areas are planning to attend the YMCA Swim 'n Swing Club dance tonight. There will be co-ed swimming from 9:30 to 10:30 p.m.

## Emmanuel Program Features Yule Play

In the spotlight at Emmanuel Christian School this week was the Christmas Program, presented Wednesday. A three-act play, "Home for Christmas," won enthusiastic comments for the juniors and seniors who staged it.

Other features of the program were carols and music by the glee club and band, with special numbers by the Kindergarten Rhythm Band; Christmas card scenes by the primary grades and the lighted Christmas tree depicted by elementary students.

Prizes were awarded Tuesday in the window-painting contest, with first place going to Robert Ferguson, a freshman, for his painting of "The Fireplace." A sixth grader, Gary Thomas, took second prize for "The Carolers," and another sixth grader, Gary Lloyd, was third with "The Holy City."

### Hi-Y Club at Lincoln Reviews Active Year

Lincoln Junior High School's Hi-Y Club members look back on a busy year. This active group has purchased shades for the wood and metal shops, had candy sales after school and pencil sales during home room. Future plans include, sending a girl and boy on a free trip to Washington, D. C. Members are also planning a banquet at the end of the semester.

Officers in the club are: president, Richard Wallace, vice president, Ronnie Sugg; secretary, Ronnie Bunch; treasurer, Howard Batton; and sergeant at arms, Larry McCarty.

"VISION OF CHARTRES" — Parents were invited to the Christmas play at Jefferson Junior High, given as an assembly program Wednesday. Kneeling in this scene are Evelyn Ward and Jerome LeDuff, while, standing at the right, Robert Smith clasps his hands in prayer. Some 175 students took part, directed by speech and music instructors Mrs. Ralph Ellsworth and Mrs. William Pyles.

## Heart Attacks Rise in Winter

### Doctor Warns Citizens Against Cold Weather Leading to Coronary

GRAND RAPIDS (AP)—Heart attacks strike more frequently during winter months than any time during the year, cautions Dr. L. Paul Ralph of Grand Rapids, president of the Michigan Heart Assn.

* * *

He advises those over 40, especially, to take it easy.

Almost everything a person does during the winter requires additional effort, Dr. Ralph says and consequently causes additional strain to the heart.

**Wearing heavier and bulkier clothing, overshoes and rubbers, bracing against icy winds, holding tense on slippery sidewalks and even the mere effort of the body in fighting the cold make the heart work harder and faster.**

High pressure living, worry, emotional strain, overwork, insufficient rest also can work hardship on the heart.

Dr. Ralph lists six "do's" for the winter: Avoid over-exertion, avoid overweight, get plenty of rest, avoid infections, avoid self-diagnosis and don't worry.

## State Fur Trapping Now Big Business

LANSING (AP) — Fur trapping, though less glamorous than in the days of the "voyageurs," still takes nearly a million dollars a year from the backs of the mink, muskrat, raccoon and beaver in Michigan.

* * *

Many of the trappers are farmers and their sons, who tend their traps after school.

The usual muskrat take each year is about a half million, the State Conservation Department reports. Muskrat pelts last year brought about $1 each.

Mink brings about $20 a pelt and Michigan trappers average about 15,000 of them a year. The raccoon kill averages about 150,000 yearly; the badger, 400, and the skunk, 2,000. About 15,000 persons buy trapping licenses each year.

## Speeding Charge Puts Judge in One Big Jam

MIAMI (INS)—A Miami Senior Circuit Court judge is in a jam—with the law.

The jurist—George E. Holt—will be charged with reckless driving and excessive speed when his day as a defendant comes up in court.

Police said Judge Holt was clocked at 70 miles per hour late Tuesday night during a wild 20-block chase which ended when Holt's English sports car collided with a motorcycle ridden by Leonard Feitelson, 21, and Mary Martin, 20.

All three were hospitalized with serious injuries.

## Lake Freezes Early

BOYNE CITY (AP)—Lake Charlevoix, third largest inland lake in Michigan, Wednesday was reported completely frozen over. It was the earliest freeze-up in 10 years for the lake which usually does not achieve a full ice surface until January.

## Speechless Orator Draws Big Applause

MELBOURNE—Most successful speaker at a conference of Australian and New Zealand scientists in Melbourne was the one who couldn't get a word out. Kevin Borland, 27, who was to have spoken on architecture, was cheered to the echo when he fled from the platform with a mumbled apology.

* * *

He said later that he became confused and lost his train of thought as he reached the platform. "I think I should tell you," said the chairman, P. McIntyre, "that Mr. Borland has just become a father."

Amidst deafening applause, cheers and laughter, Borland fled to the maternity hospital.

## Retired Official Dies

CARSON CITY (AP) —Robert J. Kelly, retired state seed inspector for the Michigan Department of Agriculture, died Wednesday at his home. He was 69. Kelly was one-time chief deputy for Ionia County and a former hotel operator at Hubbardston. He retired three years ago from the state inspector's job.

## Only the Brave Know the Scars

By GRANTLAND RICE

Who are the brave? I've asked this, deep in doubt.
The ones who laugh at death, and take their chance?
Or those who know what life means, those in doubt,
Lost to all dreams of glory and romance?
Who take the bitter road that leads nowhere

To slog along—to challenge—and to dare?
Only the brave know what the hunted are—
The battered—and the shattered—and the lost—
Who know the meaning of each deep, red scar,
For which they paid the heartache and the cost.
Who've left the depths against unmeasured odds
To ask no quarter from the ruling gods.

Born—live—and die—cradle along to grave.
The march is on—by bugle and by drum—
Where only those who beat life are the brave—
Who laugh at fate and face what is to come,
Knowing how swiftly all the years roll by,
Where dawn and sunset blend in one brief sky.

# Pontiac Scores Easy Victory Over Edsel Ford

## Razzle-Dazzle Cotton Tilt Figured for TCU-Ole Miss

DALLAS, Tex. (INS)—The 1956 Cotton Bowl game figures to be a razzle - dazzle scoring battle between TCU's swivel-hipped Jim Swink and the strong passing arms of Ole Miss quarterbacks Eagle Day and Wallace Blalack.

Both teams boast identical 9-1 records in copping their conference crowns — TCU, the Southwestern Conference, and Ole Miss the Southeastern.

**Swink, junior All-American left halfback, rewrote the TCU record book in season play this year. The 19-year-old 185-pound scatback piled up 1,283 yards for an average of 8.2 yards every time he carried. He scored 20 touchdowns and kicked five extra points to rank as the nation's top back.**

TCU relies heavily on Swink for their scoring punch, although they can call on Charlie Curtis to handle the passing chores. Curtis connected successfully eight times for touchdowns with his favorite receivers, fleet-footed end O'Day Williams and right half Ray Taylor.

The Horned Frogs out of Fort Worth tasted defeat only once this year when Texas A&M succeeded in bottling up Swink. The Aggies nipped TCU 19-16.

**The Rebels of Ole Miss like to play their games over the air lanes. Eagle Day, a roll-out type passer who can throw the ball accurately as far as 60 yards, completed 95 aerials in regular season play for 724 yards and a .500 percentage.**

His passing partner, Wallace Blalack, accounted for four touchdown tosses and completed a little over 37 per cent of his aerials for a total gain of 281 yards.

Some 75,000 fans are expected to be in the stands for the Jan. 2 classic, celebrating its 20th birthday this year. Millions of others will view the game over a National TV hookup.

## Mexican Champ in TV Debut

### Vasquez Underdog to Lightweight Contender Frankie Ryff

NEW YORK (AP)—Baby Vasquez Mexico's lightweight champion and unbeaten in his last 12 fights, makes his Eastern debut tonight as a 4-1 underdog to contender Frankie Ryff of New York in Madison Square Garden.

* * *

The 10-rounder will be broadcast and telecast Coast to Coast (NBC-TV, radio, 10 p.m., EST).

* * *

An amateur bull fighter turned pro boxer, the 24-year-old Mexican has a good 35-81 record for 5½ years of battling for cash. He has fought mainly in his home country, Havana, Miami, New Orleans and California.

**If he can upset the fast moving, speedy punching New Yorker, Baby will see plenty of action hereabouts where there is as much demand now for new faces as for steam heat.**

* * *

"He'll surprise everyone," promised George Parnassus, the veteran Hollywood manager. If Baby couldn't fight I wouldn't have brought him East. He beat Ralph Dupas once and lost two close decisions to him, one in New Orleans. The odds are crazy."

## Goalie Misses Shutout Mark, but Wings Win

### Hall's String of Three Blanks End as Detroit Edges Bruins, 3-2

BOSTON, Mass. (AP) — Rookie Glenn Hall missed setting a new Detroit goalkeeping record of four straight shutouts, but the whip Wing teammates rallied to whip the Boston Bruins, 3-2, in a National Hockey League game last night.

The losing goalie was Terry Sawchuk, traded to Boston by Detroit and the fellow who set the original Red Wing record of three shutouts in a row.

**Actually, Hall was shooting at two Sawchuk marks. The second was 229 minutes and 32 seconds of scoreless goal tending. Going into the Boston game, Hall had run up a string of 180 minutes and 31 seconds.**

But Marcel Bonin's first of two goals at 17:39 of the first period ruined Hall's attempt at a fourth shutout in a row and left him 31:23 short of the scoreless mark set by Sawchuk in 1954.

The victory over Boston was Detroit's fourth in succession, Hall having blanked New York, Toronto, and Montreal in the last three games. But it was only the third road victory of the season for the Red Wings. They have tied in five road tilts.

Despite the four triumphs in a row, which gave them a three-point edge on third place the Red Wings trail the league-leading Montreal Canadiens by a whopping 18 points with the season almost half gone.

**The seven - time consecutive champion Red Wings, who also won the Stanley cup last season, are five points behind second place New York.**

The Red Wings rallied to beat Boston on goals by Gordie Howe and Alex Delvecchio near the end of the second period. Real Chevrefils, who came to Detroit in the deal that sent Sawchuk to Boston and brought Hall up from the farm, got Detroit's first goal at 3:30 of the first period.

## Dallas Country Club Sets Up $100,000 Meet

### Golf Tournament Will Rank Behind Chicago All-America

DALLAS (AP)—The nation's No. 2 golf tournament money-wise became an established fact here yesterday.

Members of the Preston Hollow Country Club put up $100,000 for a two-week tournament to be held here in May and June. With the high stakes the meet will rank second only to the George May All-American Tournament in Chicago.

A ticket selling campaign among Dallas business firms is planned to match the figure for expense cash.

Scheduled for May 24-27 and May 31-June 13, the first week's tournament calls for $30,000 in prize money with a $6,000 top prize.

The second week's tournament will see $14,000 of the $70,000 in prize money going to first place.

## Spartan Quint Bids for 4th Win

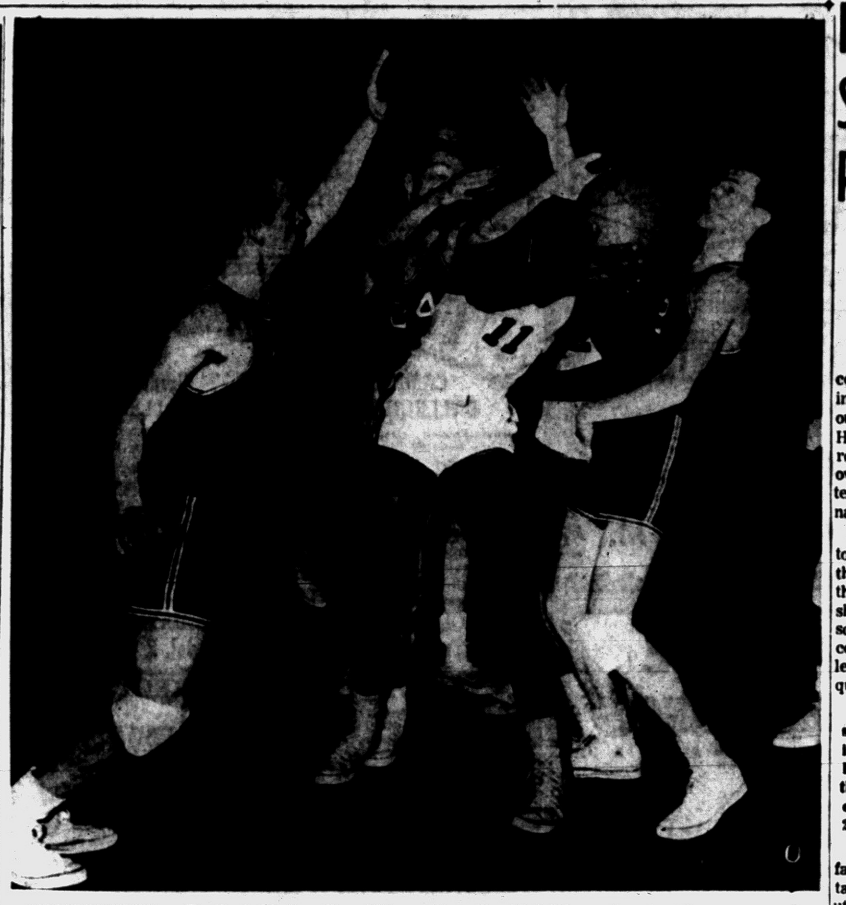
### Unbeaten MSU Hosts Touring Wyoming at Jennison

EAST LANSING (INS) — The Michigan State Spartans will bid for their fourth basketball victory in a row tonight when the University of Wyoming invades Jennison field house.

The Spartans downed tough Notre Dame Wednesday night in a game which saw center Julius McCoy break the school scoring record with 45 points. However, an overtime period had to be played before State came out on top by an 84-78 count.

MSU has now defeated Southern Illinois, Pittsburgh and Notre Dame. Wyoming however, has found the going a little tougher. They have won only once in six starts.

Pete Montesi, a much-decorated amputee, promotes amateur and professional boxing in Danbury, Conn.



**HELP WANTED** — Pontiac's Hudson Ray (11) gets bottled up amidst three Edsel Ford cagers in the game at PHS last night. A foul was called on Gary Joachim (24) on this play. Ray scored 25 for the Chiefs in winning 67-47.

## Ray, DeWalt Spark Chiefs' Runaway Win

### Pair Accounts for 45 Points as PHS Whips Thunderbirds, 67-47

By BILL CORNWELL

With giant Hudson Ray and deceptive Willie DeWalt coming within two points of equaling the total output of the oppostion, Pontiac High School's basketball team rolled to an easy 67-47 victory over Edsel Ford's outclassed quintet Thursday night in the PHS gymnasium.

Ray and DeWalt combined forces to score 45 points. Hud leading the way with 11 field goals and three foul shots for 25, his top shooting effort of the young season. In addition the lanky center controlled the backboards until he left the game midway in the last quarter.

**The clever DeWalt, who was switched from forward to guard in last night's juggled starting lineup, adapted himself nicely to the change and collected six buckets and eight charity tosses for 20 points.**

Art Van Ryzin's Chiefs started fast, jumping off to a 19-7 advantage in the 1st period as they utilized their superior height to telling effect. Ray dunked four two-pointers in the early surge, all of them from under the basket.

Led by center Bill Knipp, the Dearborn school's tallest cager at 6-1, the Thunderbirds attempted to rally in the 2nd stanza and actually outscored the home team, 17 to 15, as the Chiefs' defense opened up a little. Knipp tallied 11 points during the drive, but Pontiac still held a comfortable 34-24 margin at halftime.

**The Chiefs bounced back with a 17-point outburst in the 3rd quarter, Ray accounting for 11, to stretch their lead to 51-35. The final period was merely routine as Van Ryzin emptied the bench.**

Pontiac's squad displayed a good shooting eye, hitting 27 times from the floor in 73 tries for just a shade under 37 per cent which is better than average. Although the Chiefs' passing and general court play were occasionally a bit ragged, the outcome was never in doubt.

Last night's win was the Chief's 3rd of the season in four starts. The Thunderbirds suffered their 4th straight setback. Knipp, a standout in defeat, paced Edsel Ford with 16 points.

**Pontiac's reserves, trailing by a single point at intermission, came on to trim Edsel Ford in a hotly-contested preliminary, 51-43. Fred Zittle's Little Chiefs pulled away with an 18-point scoring spree in the 3rd quarter. Dick Whitmer sparked the Pontiac JV's with 17 points, but the loser's Bob Young took scoring laurels on 19 markers.**

The Chiefs will now be idle until after the holiday vacation. They resume cage activity Jan. 6 when they meet invading Bay City Central in a Saginaw Valley Conference engagement.

## Brigham Young Favored in Detroit Meet

DETROIT — Nationally ranked Brigham Young, darlings of the Skyline conference, will take the favorite's role in the 4th annual Motor City basketball tournament set for the University of Detroit Memorial fieldhouse next Tuesday and Wednesday, December 27-28.

The Cougars, who this week were ranked 5th in the country, will meet the Rockets from Toledo in the first round Tuesday, with Penn State facing the University of Detroit in the second game.

**Winners of the first night will play for the championship Wednesday night with the losers playing the prelinfinary in a consolation game.**

Brigham Young won six straight games before falling to 3rd ranked, North Carolina State. Pacing the Cougar attack are 6-6 center Herchel Pederson and guard Terry Tebbs.

* * *

Toledo has a speedy ball club which upset Miami of Ohio 65-60 and lost to powerful Dayton 62-59 in posting a 3-2 record.

* * *

Individual light will shine on Detroit's sharp-shooting forward Bill Ebben who has averaged 27.3 points in seven games to date.

**The Titans will meet Penn state in the second game Tuesday. Detroit, defending champion of the Motor City classic, has won five of seven games including a record breaking 109-85 romp over Baldwin-Wallace this week.**

Penn State has good height in the front line with 6-7 center Bob Ramsey and Forward Norm Hall and Ruday Marisa both 6-5.

Ebbin, a 6-3 junior from Chicago, is threatening to shatter all the scoring records set by Pontiac's Guy Sparrow at the U of D.

Starting time for the first game each night is 7:30 p.m.

### 93 Years Old

## Baseball's Grand Old Man Celebrates Birth

PHILADELPHIA (AP) — Connie Mack, born during the roar of the Civil War when baseball was but a twinkle on the American horizon, is 93 today.

For the grand old man himself it was a happy day indeed. Several thousand telegrams and letters have poured in from friends and well-wishers, young and old, who love the sport in which Mack — born Cornelius J. McGillicuddy—was a pioneer.

* * *

Some of the greetings came yesterday when Mack celebrated the big day at the suburban Bryn Mawr home of one of his sons, Roy. The festivities took place then to permit Mack to mark the occasion with newsmen and photographers.

* * *

Just three days ago Mack left Presbyterian Hospital after a checkup. He had fractured his hip in a fall two and a half months ago. His physician, Dr. Illarion Gopadze, said that injury and the fracture from another fare are mending well.

* * *

As the grand old man of baseball sat there, in an overstuffed easy chair, still smiling and occasionally talking, he must have had many mixed memories of a fabulous career. For it was Mack who managed the Philadelphia Athletics for 50 years and won nine league pennants and five World Series before the A's departed for Kansas City.

* * *

There was a twinkle in his eyes—he still has a magic memory for names—when a card arrived from his bat boy of 50 years ago, Fred Haynes, of Los Angeles.

* * *

A greeting came from Bobby Shantz, now with Kansas City and the last of Connie's incredible list of great southpaw pitchers. There also was a card signed by the entire class of School No. 10, Detroit, and another from the Board of Aldermen of North Brookfield, Mass., an area that Mack left in 1905.

* * *

When it came to blowing out the candles on the big birthday cake topped by a white elephant, the symbol of the A's Connie signaled to his son, Roy, for assistance.

As his son helped, Connie looked up at the press photographers and newsmen, the quiver of a smile playing across his lips.

"God bless you all," he said, "and Merry Christmas, Merry Christmas everybody."

## Begin Olympic Drills

LAKE PLACID, N.Y. (AP)— The U.S. Olympic Bobsled team will fly from New York to Europe on Jan. 10, a week before the beginning of training at Cortina D'Ampezzio, Italy.

Elwood F. Kerr, chairman of the U.S. Olympic bobsled committee, said the team might train at St. Moritz, Switzerland, before going to Cortina.

## Statistics Show Woodling Leading Fielder in AL

NEW YORK (INS)—Gene Woodling, who migrated from New York to Baltimore to Cleveland within the last year, is the American League's fielding champion of 1955.

**The 33-year-old outfielder nosed out Boston's rookie first-baseman, Norbert Zauchin, for fielding honors with a .9952 average to .9951 for Zauchin, according to official league statistics released today.**

The veteran fly chaser from Akron, Ohio, committed only one error in 211 total chances through 114 games with the Orioles and Indians. Zauchin had six in 1,227 chances through 126 games.

The Indians also won the team fielding championship in a photo finish with the Chicago White Sox.

The Tribe had a collective .9814 average to .9813 for the White Sox, club leaders for the last three seasons.

Gil McDougald, slim New York keystoner, was top fielding second baseman with a .985 mark in 126 games as against Bobby Avilla's 282. He had 11 errors in 711 total chances.

**Third base honors went to another vet, George Kell of Chicago, who fielded .9763 with six miscues in 254 chances. Grady Hatton of Boston was next with a .9757.**

Cleveland's George Strickland paced the shortstops with a .976 average for 14 errors in 595 chances. Chico Carrasquel, then with Chicago and now with Cleveland, was three points behind.

Cleveland's Jim Hegan again led the catchers with a .997 average, two points better than that posted by Chicago's Sherm Lollar. Hegan was guilty of only two errors in 619 chances.

## Officials Expect No Repetition of Bradley Incident

NEW ORLEANS (AP)—San Francisco, which has built a 32-game winning streak with five Negro basketball players, meets weak Loyola of the South tonight in a game school officials say will create no racial incident.

After a crowd booed Shellie McMillon, Bradley's Negro forward, in Loyola's 71-65 upset victory Tuesday night, the Rev. James J. Molloy, S. J., Loyola athletic director, said:

"Both officials from Loyola and the University of San Francisco do not expect any difficulty in any way for the game coming up."

Ross Guidice, assistant coach for San Francisco, the nation's No. 1 team, agreed with Father Molloy. Guidice scouted the Bradley-Loyola contest.

Molloy, however, called the trouble "definitely not a racial incident, but something which happens many times during a season during a close, hard-fought ball game."

McMillon denied he stuck out his tongue. Coach Bobby Vanatta of Bradley sadi McMillon and another Negro player, Curley Johnson, should not be subjected "to such pressure and unfair criticism in the future."

## Doubles Team to Bowl in Motor City Monday

## Freeman Tallies 34 Points as Buckeyes Dump Washington in Lean Cage Action

By THE ASSOCIATED PRESS

Dynamic Robin Freeman, a little man among basketball's giants, is poppin' 'em through the basket at a pace that could put him among the game's all time scoring leaders.

* * *

The 5-10 All-America guard from Ohio State has whipped home 241 points in seven games for an average of 34.4 points a game.

* * *

In one of the outstanding performances on last night's lean card, Freeman tallied 34 points as Ohio State walloped Washington's Huskies 94-73. The victory was the Buckeyes' sixth against a lone loss to eighth-ranked Vanderbilt.

* * *

This prolific point production is nothing new for Freeman. Last year he reached an average of 31.5 in 13 games before he was sidelined for the season with injuries and illness. At that, his game average was the fourth highest in the collegiate sport's history.

* * *

Only Brigham Young among the nation's top 10 teams saw action last night and the Cougars were set back for the second straight night, this time by Wake Forest 86-80.

* * *

Wake Forest led 49-38 at halftime and breezed in behind the shooting of Lowell (Lefty) Davis, who racked up 30 points. Brigham Young, ranked fifth in the last Associated Press poll, lost to North Carolina State Wednesday night.

* * *

Manhattan pulled a major upset by whipping 11th - rated George Washington 71-63 in the first game of a Madison Square Garden doubleheader. Joe Holup scored 34 points for the Colonials but Manhattan wrapped it up by connecting for 10 straight points in the final 3 minutes. Connecticut overcame New York University 90-82 in the second game of the Garden twin-bill.

Indiana, tied for the No. 18 spot, fought off Drake's challenge in the second half to record an 82-79 victory. The Hoosiers led by 2 points at halftime, but fell behind by 5 after 8 minutes of the second half.

## 4 Pound Trout Has Big Year

LANSING (AP) — A four-pound rainbow trout caught in Manistee County this year had a busy 13 months.

* * *

The state conservation department, checking the planting records of the trout caught by John Dolansky of Kaleva in Bear Creek, reported the fish was planted in the Manistee river near M72, 13 months earlier and when planted it weighed about two pounds and was 18 inches long.

* * *

The department said the fish had traveled 130 miles and gone over or through the hodenpyle and tippy power dams and probably spent considerable time in Lake Michigan. This would account for its great increase in weight, the department said.

## Narrow, Runaway Wins Feature Union Cage Play

Contrast was the theme of Thursday night's action in the UAW-CIO basketball league.

The CIO 596 quintet nosed out the 653 squad, 32-31, in last night's opener; then Local 594 crushed Milford 898 by a 74-50 count.

**Hubert Price tallied 11 points to pace No. 596 to its narrow victory over No. 653. To all intents and purposes the latter lost the game in the 2nd quarter when it was held scoreless while 596 was garnering 13 markers.**

**Ed Marlowe led the losers with 10 points.**

Mel Taylor collected 17 field goals and three foul shots for a whopping 37 points to spark Local 594 to its one-sided decision over the Milford union men. The winners trailed at halftime, 30-27, but buried the 898 club under a parade of buckets in the final two periods. Fred Kowal was high for Milford with 20 points.

## Gault Recaptures Bantamweight Title

SPARTANBURG, S.C. (AP)—Henry (Pappy) Gault, who has lost to top men in his division in fights all over the world, returned to his home town last night to capture the bantamweight championship.

Gault won a unanimous decision over Johnny O'Brien of Boston in a 15-rounder. He carried the entire fight to O'Brien.

## New England Racing Dates Set by Turfs

BOSTON (AP)—New England racing dates for 1956 have been set by representatives of the four major tracks involvevd.

Actually, the representatives of Lincoln Downs, Narragansett Park, Rockingham Park and Suffolk Downs merely proposed the dates. The racing commissions of Rhode Island, New Hampshire and Massachusetts must confirm the proposals but such steps usually are routine.

The dates:

Lincoln Downs, March 3-May 12 (60 days, no racing on Good Friday).

Suffolk, May 14-June 23 (36 days).

Narragansett, June 25-July 21 (24 days).

Rockingham, July 23-Sept. 22 (54 days).

Suffolk, Sept. 24-Oct. 27 (30 days).

Narragansett, Oct. 29-Dec. 1 (30 days).

## Shrine Elevens Work Out Kinks

SAN FRANCISCO (AP)—East and West squads for the annual Shrine football game got down today to the serious business of working the kinks out of their muscles before the Dec. 31 contest.

Both teams posed for pictures yesterday but still managed to get in outdoor drills despite heavy rains.

* * *

Coach Jess Hill, tired of holding practice under a roof at Stanford University, asked the West team if it wanted to go outdoors. Team members did, for 1½ hours.

The wet ball failed to hamper the passing of John Roach of Southern Methodist and Jim Contratto of Southern California.

Hill's West team will work out twice today and tomorrow and once on Christmas.

* * *

After picture-taking at Santa Clara University, the East team also went outdoors, between showers.

Woody Hayes of Ohio State, the East's head coach, drilled the backs himself. Stu Holcomb, new director of athletics at Northwestern, drilled the ends and tackles.

# Bruins' Ronnie Knox Getting Into Form

PASADENA, Calif. (AP)—It begins to look as though UCLA halfback Ronnie Knox is going to fool everybody and be fit and ready when the Bruins take the field Jan. 2 in the Rose Bowl against Michigan State.

Knox, the team's best passer and punter, took part in yesterday's workout, throwing, running and cutting back on the right ankle that was fractured Nov. 12 in the Washington game. He connected with 14 passes before one was dropped, but was not being rushed.

* * *

Dr. Walter Scott, his physician, came out to the practice field to observe the youngster. He saw him get away 20 kicks—the first kicking Knox has done since the injury. Ron's average was almost 40 yards a kick, but he wasn't giving the ball everything he had.

* * *

Dr. Scott said final X-rays will be taken Saturday, and at that time he can say definitely just what Knox can do.

Coach Red Sanders was in good spirits after yesterday's workout and pleased with the progress Knox has made, but he said he may change his mind about no more scrimmages. "I may have one more, just to get the squad in the pink," Sanders said. He said the scrimmage might be held Saturday or next Monday or Tuesday.

Michigan State pared back to one-a-day workouts with the only morning chore for the players the welcome one of looking over movie starlets during a hollywood studio tour. A light afternoon session was scheduled.

Coach Duffy Daugherty said his scrimmage yesterday would be the last for Michigan State.

He was asked if he might change his plans because UCLA had one more scrimmage scheduled.

"Not unless I could watch it, he quipped.

Halfback Jim Wulff, recovering from a thigh bruise, was back in a suit.

* * *

As the first week of Coast practice approached a windup, Daugherty said he planned no switches in the starting lineup although he has been alternating men at two positions.

Pat Burke and Leo Haidys have been alternating at right tackle and Arch Matsos, recovering from a leg injury, and Dan Currie, have been changing off at left guard.

"Haidys and Currie are bigger but Burke and Matsos are quicker and more agile," Daugherty said.

* * *

Halfback Rudy Gaddini was the last scrimmage injury for Michigan State, leaving the field briefly for a 20-stitch sewing job to repair a leg gash.

* * *

The Spartans will rehearse some stuff again Saturday afternoon. Both teams will hustle through a Monday morning practice in time to watch how the pros do it at the afternoon Cleveland Browns-Los Angeles Rams championship game.

SHOEMAKER UP — Jockey Willie Shoemaker provides a laugh for the Michigan State football team by sitting astride the back of 227 pound tackle Norm Masters. Willie who weighs 103 pounds was an interested spectator at Spartan drills yesterday.

# Many Game Animals Depart From State

LANSING (AP)—The chilling cry of a Canada Lynx cut through an upper peninsula forest not long ago, a plaintive reminder of the days when a whole community of now - departed animals roamed Michigan Woods and Fields.

The cry of the lynx was silenced by a hunter's gun, but it was a combination of man and nature herself that swept the buffalo, caribou, pine marten and other animals from the Michigan scene.

**Men are still alive in the state who remember tracking the wild turkey and recall the sound of passenger pigeons swooping in a horde on a field of grain.**

When the pioneers arrived in Michigan they found not only passenger pigeons and wild turkeys, but in the southern part of the state, the bison, or buffalo.

Further north, they came upon the Canada Lynx, a pale, grayish cat—powerful and extremely agile—second cousin to the bobcats which still exist in Michigan.

They found also the fisher, which from a distance looked like a big black cat in a tree, or on the ground like a black fox. The fisher, settlers soon noticed, was one of the few animals around that could come out on top in a fight with a porcupine.

**They found the woodland caribou, a big wandering animal which in size was midway between the elk and the white-tailed deer.**

And they found plenty of elk and moose, the elk easy to hunt and so soon destroyed.

In the big pine forests settlers saw the pine marten, beautiful creatures eagerly trapped for their rich, soft fur.

The most spectacular of these early Michigan animals was probably the puma, alias the cougar, panther, painter and mountain lion.

In the air, besides the wild turkey, there were the passenger pigeons, which conservation department ornithologists say were "incredibly abundant" in the state.

**Early accounts have it that the passenger pigeons were so numerous in Michigan that flights of them actually darkened the sun, and that they could destroy a field of grain in a matter of minutes.**

None of them is extinct except the passenger pigeon. The others were driven out of Michigan by a combination of circumstances.

"We think their disappearance resulted not so much from direct persecution by man as it did by a combination of civilization and changes in their environment," says Dr. Donald W. Douglass, department game expert.

The conservation department is now trying to re-establish some of these vanished mammals. They've freed wild turkeys in the Allegan State Forest and pine martens in the porcupine mountains. And an elk herd turned loose in the Pigeon River State Forest is thriving.

## AAU Awaits Answer From Olympic Bobsled Delegate

NEW YORK (AP)—The national AAU awaited a reply today from William J. Linney of Port Henry, N.Y., on whether he would accept an appointment as delegate to the International Bobsled Federation replacing Donna Fox of Lake Placid, N.Y.

* * *

Fox, IBF vice president and U.S. delegate for many years, was involved in a dispute with the AAU and Stanley Benham, former world champion bobsledder, earlier this year.

Linney, district manager for Republic Steel Corp. in northern New York, is a former national AAU bobsled champion. At Port Henry he acknowledged receipt of the appointment from Dan Ferris, AAU secretary in New York. He said, however, that acceptance would depend upon approval of Republic Steel officials.

* * *

Ferris said the appointment was made by Carl Hansen of Oakland, Calif., AAU president, and that if Linney accepted he would replace Fox.

Ferris explained that "if Fox is not appointed a delegate, he cannot have a position with the federation. He's been a delegate for several years, and continues to be vice president until a new election takes place at Cortina."

The bobsled federation will meet at Cortina D' Ampezzo, Italy, Feb. 2, Ferris said, during the 1956 winter Olympic games. Ferris said he understood that Fox would attend the meeting.

* * *

The IBF barred Benham from international competition for three years in 1954 when he withdrew from the four-man bobsled championships at Cortina.

Benham said he couldn't transport his own sled to Europe and claimed a suitable replacement wasn't available.

* * *

After his suspension, Benham claimed he had been unjustly accused and was not given a chance to explain his side of the story.

## Missouri Valley Starts Workout for Tangerine

MARSHALL, Mo. (AP)—The Missouri Valley College football squad is looking forward to a week of warm workouts in Florida for its Tangerine Bowl football game with Juniata College Jan. 2.

Cold weather has hampered practice here.

"It's pretty hard to get much done when the mercury is down around 15 or 20 degrees," said Coach Volney Ashford yesterday.

The squad plans to leave for Orlando, Fla., Christmas Day.

### Officials Named for NFL Title Contest

LOS ANGELES (AP)—Ronald Gibbs from St. Thomas College has been named to referee the Cleveland Browns-Los Angeles Rams game for the National Football League championship here next Monday.

Named yesterday by Commissioner Bert Bell as Gibbs' assistants were Samuel Wilson of Lehigh, umpire; Dan Tehan of Xavier, head linesman; Tay Brown of USC, back judge and William McHugh of DePaul, field judge.

### Add Another Trophy

WASHINGTON (AP) — The Touchdown Club of Washington added another trophy to the growing collection of Ohio State's Hopalong Cassady today, naming him the Outstanding College Back of 1955.

All 12 of the St. John's University basketball squad come from New York City.

# Graham-Van Brocklin Duel in Title Game

LOS ANGELES (AP)—The Cleveland Browns-Los Angeles Ram professional championship game on Monday could well be another explosive affair, with it up to quarterbacks, Otto Graham of the champion Browns and Norm Van Brocklin of the Rams, to set off the fireworks.

The Ram-Cleveland struggle in the cold at Cleveland in 1950 was a thriller, although it was Bob Waterfield steering the Rams that year, and the 1951 return match for the title here was another dilly.

Lou Groza and his gold plated toe decided the matter in the final 28 seconds of the 1950 battle, his field goal giving the Browns a 30-28 decision.

But it was Graham and his passing and running who led the charge upfield to give Groza his opportunity.

* * *

In 1951, taking over for Waterfield, Van Brocklin killed Graham and the Browns iwth less than 8 minutes to play when he sailed a long pass to one of his ace receivers, Tom Fears, and the 73-yard scoring play brought the Rams in to win, 24-17.

Many of the old and several new stars will be on deck Monday at Memorial Coliseum to renew the title feud, with Graham bidding football goodbye and Van Brocklin undoubtedly hoping Herr Otto makes this retirement stick.

* * *

Van Brocklin, the Flying Dutchman from Oregon, is strictly a passer. Graham is deadly in both passing and running. So statistical comparisons mean little. In addition, Van Brocklin was hampered most of this season with an injured throwing hand.

* * *

For the record, however, Graham this season completed 98 out of 185 throws for 1,721 yards and 15 touchdowns. The longest was a 61-yard throw to his flanker back, Ray Renfro, one of the fastest men in the National Football League.

Van Brocklin completed 144 out of 262 for 1,890 yards and 8 touchdowns.

* * *

The pass artists won't be the whole show. Both teams boast superb ball carriers.

* * *

Fred (Curley) Morrison, moved from fullback to half, is the biggest ground gainer for Cleveland. He has gained 824 yards and has an average gain of 5.3 yards.

* * *

Halfback Ron Waller, the rookie from Maryland, leads the Ram rushers, with 716 yards, averaging 4.74.

* * *

The Rams might well come up with a not-so-secret weapon. "Deacon Dan" Towler, fullback who has missed nine games, is back to go full scale in the absence of Tank Younger.

* * *

Cleveland should remember big Dan. He was a terror in the 1951 game, and just last fall, in their exhibition game, Tower cut loose and barreled 74 yards and a touchdown on a screen pass.

If Towler can play like Towler could before he was injured, it would make a big difference.

## Eagles Contact 14 Possibilities

### NFL Team Searching for Replacement for Jim Trimble

PHILADELPHIA (AP) — General Manager Vince McNally says he has contacted 14 "top" coaches about the possibility of replacing Jim Trimble, recently fired Philadelphia Eagle mentor, and only three definitely rejected the idea.

McNally identified the three yesterday as Bobby Dodd of Georgia Tech; Col. Earl (Red) Blaik of the U.S. Military Academy and Blanton Collier of Kentucky.

In addition, Lawrence T. (Buck) Shaw, coach of the new U.S. Air Force Academy and Eddie Erdelatz, Navy coach, have made it plain that they are not interested in coaching the National Football League team. Shaw said he was contacted by the Eagles.

McNally said he expects the problem to jell shortly after the year-end bowl games.

## Spartan Quint Meets Touring Wyoming 5

EAST LANSING (AP) — Getting a last tune-up for the Maryland invitational tournament at the year's end, Michigan State's basketball team will take on a touring University of Wyoming squad here Friday night.

Wyoming has dropped two games on its eastern tour, giving it a season record to date of one win and five losses.

Hershell Freeman, Cincinnati's relief pitcher, turned in a 2.15 earned run average during 1955.

Johnny Jordan is in his fifth season as Notre Dame basketball coach. In four years his teams have won 71 of 99 games.

## Harness Racing Reveals Gate, Wagering Boosts

COLUMBUS, O. — Harness racing attendance and wagering figures reached new all-time highs in 1955, thus maintaining the sport's record of registering increases in both categories in every post-war year, the U. S. Trotting Association has announced.

* * *

Sharing the financial benefit were the 12 states which permit parimutuel wagering on the trotters and pacers. Their percentage increase, from taxes on wagering, was the highest of any of the categories.

* * *

Attendance was up 1.1 per cent, wagering 7.2 per cent and revenue to the states 8.2 per cent. Attendance rose from 10,133,203 to 10,242,678; wagering from $444,845,200 to $476,728,009 and state revenue from $31,745,694 to $34,342,535.

* * *

The increase were registered despite the fact that the weather, in many places, was the poorest in years and that Yonkers (N. Y.) Raceway, the nation's most prosperous track, was hampered by New York Thruway construction in addition to bad weather.

* * *

Eight of the 12 states showed attendance increases. They were California, Illinois, Kentucky, Louisiana, Maine, Massachusetts, MICHIGAN and New York. Attendance fell off in Delaware, Maryland, New Jersey and Ohio.

Every state except Kentucky showed an increase in wagering, including those whose attendance was off. The state revenue rose in every instance.

## Ezzard Charles Wins Decision

### Outpoints Albright for Fifth Straight Victory in Comeback Trail

SAN FRANCISCO (AP) — Ezzard Charles used his superior boxing ability to pile up an early lead last night and outpoint Bob Albright in a 10-round bout at Winterland.

Charles, former world champion from Cincinnati, cut the youthful Los Angeles fighter over the left eye in the third round, but had to stand off a late rally for his fifth straight victory in San Francisco.

* * *

There were no knockdowns although Charles had Albright on the ropes in the eighth round.

Charles weighed 196½ and Albright 218½.

A crowd of 1,980 paid a gross of $5,932.75. Many reservations were cancelled because of stormy weather.

Charles, a 3-1 favorite, gave away 11 years to his 23-year-old opponent.

* * *

After two slow rounds, Charles opened up in the third round and besides cutting Albright over the eye had his opponent bleeding from the nose and mouth.

The winner reopened the eye cut in the ninth round, but still lost the last round to Albright. The youngster forced the bout savagely in that round but was unable to catch up.

Referee Frank Flores scored it for Albright 57-53, but Judges Vern Bybee and Eddie James had it 56-54 for Charles.

## Syndicate Head Wants to Buy Nashua's Competitor

MIAMI, Fla. (AP)—Leslie Combs II, head of a syndicate that paid $1,251,200 for Belair Stud's Nashua, now wants to buy the California horse that beat him in the Kentucky Derby, the Miami Herald said today.

* * *

Jim Dance, Herald sports writer, reported from Paris, Ky., that Combs already had contacted Rex Ellsworth, owner of Swaps, about buying the swift 3-year-old.

"He said he'd let me know when he's ready to sell and I think he will," Combs was quoted as saying. "When he does, I may be ready too.

"I haven't got a syndicate to buy him yet, but I'll get one real quick when I get to where I can buy him."

Combs did not dwell on the subject, Dance wrote. It was Nashua's day and the winner of 16 out of 20 races was ready to leave for Florida and a winter campaign.

* * *

Only yesterday was it disclosed that Combs and six others formed the syndicate that bought Nashua on Dec. 15 for the highest price ever paid for a thoroughbred. The sale was announced following a sealed bid auction in New York.

## Miami Bound Nashua Shoots for Record

PARIS, Ky. (AP)—Nashua, whose seven new owners have been identified, was headed today for Miami and a quick shot at Citation's money-winning record of $1,085,760.

With earnings of $945,415, Nashua could top the Calumet horse's record by taking the $100,000 Widener Handicap at Hialeah, which has netted the winner well over $100,000 the past couple of years.

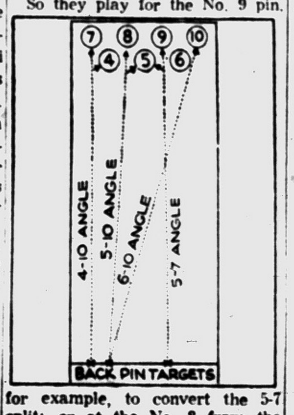
Nashua, 1955 Horse of the year, will race in the colors of Leslie Combs II of Spendthrift Farm, Lexington, in 1956.

## Bowling Clinic

**BACK PIN TARGETS**

Topflight bowlers use the back row 7-8-9-10 pins to draw a bead on splits in which a pin or pins in the second row (4-5-6) are up, as sketch shows.

So they play for the No. 9 pin,



for example, to convert the 5-7 split; or at the No. 8 from the left side of the alley to make the 5-10; or at the No. 10 to slide the 6 over to get the 7; or at the No. 7 to bring home the 4-10.

It's proper angle that pays off, plus using back pin targets. Try it next time you get one of the shots described. Concentrate on hitting the back pin fully, with a reaching follow-through for accuracy. To reach out, remember that your footwork must be smooth. No rush. No try for extra speed. With a straight ball shoot directly for the back pin target. With a hook, make allowance for the break by giving the ball a little wider angle.

## Native Is Surprised at Loafing Irish Men

BELFAST — Husbands helping around the home are a great source of wonder to African students in Britain, Belfast learns.

Isaac Ishun, a young man from the Gold Coast now under training in Northern Ireland, voiced this surprise. "One marked difference between my country and Ulster is that husbands here are generally more useful in the home," he said.

"They wash the dishes and do other odd jobs, even when their wives are not otherwise engaged. No husband in my country would go to the sink to wash up after a meal while his wife relaxed with a smoke or a cup of tea. We love our wives as much as you do but you must have an extra affection which leads you to the sink."

# Lack of Buying Weakens Grain

CHICAGO (AP) — Grains developed a weak tone on the Board of Trade today, largely as a result of a lack of buying orders.

Scattered commission house selling forced wheat down for losses which ran to about a cent at one time. This was the weakest cereal, but corn also succumbed quite easily to selling pressure. Soybeans also were down.

Wheat near the end of the first hour was 1/4 to 5/8 lower, March $2.07 3/4; corn 3/8 to 3/4 lower, March $1.28 5/8; oats unchanged to 1/4 lower, March 65 1/4; rye 1/4 to 5/8 lower, March $1.18 1/2; soybeans 1/4 to 3/4 lower, January $2.38 1/4 and lard 2 cents lower to 2 cents a hundred pounds higher, March $11.40.

# Army to Boost European Guard

## Sends 6 Missile Groups to Augment A-Power Against Commies

ta6 eessyyx Missile Bjt mr23

WASHINGTON (AP)—The Army is giving another boost to the atomic fire power it has deployed along Western Europe's arti-Communist defense line.

It announced last night that six more battalions of Corporal guided missiles will go to Europe during the first four months of the new year.

* * *

These weapons, capable of using nuclear explosive warheads and with a range up to about 70 miles, will be added to a growing variety of atomic weapons the ground force already has stationed in Europe.

* * *

Army atomic weapons already there include one battalion of Corporal missiles, several batteries of Honest John bombardment rockets and six battalions of 280mm. cannon.

In addition, the Air Force has units of the Matador guided missile—like the Army weapons capable of carrying nuclear warheads—and hundreds of aircraft designed to use tactical atomic bombs on the battlefield.

* * *

All six of the Corporal missile battalions will leave from Ft. Bliss, Tex., where they have been organizing and training for months.

* * *

The Corporal is a semiguided missile. It follows a radar beam during the first phase of its flight. Then, when it is headed correctly, it proceeds like any ballistic projectile—on a high, curving arc, without further guidance, to the target.

# Newspaper Ads to Hit Record $675 Million

NEW YORK (AP)—National advertising in newspapers will climb to a record total of 675 million dollars this year and will probably exceed 700 milion in 1956, Harold S. Barnes, director of the Bureau of Advertising, American Newspaper Publishers Assn. said today.

Terming his present estimate for this year "conservative," Barnes said it was based on available linage figures from newspapers for the first 10 months and on preliminary estimates for November. In a statement earlier this year, he had forecast a total of 650 million dollars for 1955.

**Barnes predicted continued national newspaper advertising increase in 1956, and based this on the general business outlook and promotional plans expressed in recent weeks by leading national advertisers.**

National advertising covers general and automotive linage placed in newspapers across the country by national advertisers.

"As for 1956," he said, "we feel this same three billion dollar figure will be exceeded by a substantial margin."

# Stocks Move Slightly Higher

NEW YORK (AP) — Trading was quiet today in the stock market with prices slightly higher.

Most changes were fractional but some gains pushed up to around a point at the best.

Aircrafts, which have been the leaders in higher markets in recent days, suffered from profit-taking today and presented a mixture of gains and losses. They were sold late yesterday as well.

Going higher were the steels, motors, rubbers, and the radio-televisions. The rails were steady, oils mixed, and airlines mixed.

Pan American Airways opened on 1,900 shares off 1/4 at 17 5/8 and traded at that price or a little higher. The Civil Aeronautics Board cut back the line's subsidy and mail pay because the need for such payments was "at a new low."

Higher prices weer paid for Youngstown Sheet & Tube, General Motors, Goodrich, General Dynamics, Zenith Radio, International Paper, Texas Co., and Celanese.

# Police Hope Arrests Clear Up Burglaries

The arrest of two Flint ex-convicts and their woman companion may clear up 25 area burglaries, including seven in Pontiac three weeks ago.

Pontiac Detectives said that in addition to the city jobs Dec. 2, the trio is accused of 119 similar crimes in Oakland, Genesee and Livingston Counties.

**Five of these cases were handled by Oakland County Sheriff's Department, six occured in Birmingham, five occured in Waterford Township and two more involved State Police.**

Held are Benjamin James, 23, Edward M. Chenault, 23, and Constance Drew, 18, all of Flint. Although some $10,000 worth of loot has been recovered, none of it appears returnable to Pontiac residents, police said.

## Ford Asks Registration of 10,200,000 Shares

SPRINGFIELD, Ill. (AP) — The Ford Motor Co. has applied for registration of 10,200,000 shares of common stock with a par value of $5 a share, Secretary of State Charles F. Carpenter said yesterday.

The application was filed with the Securities Department of the Secretary of State's Office. Carpenter said it is expected the securities will be registered for offering and sale in Illinois about Jan. 18.

# Early Yuletide Arrives Today by Union Work

Christmas will come two days early today for some 135 Fisher Body Local 596 members and their families as local members begin distributing Christmas baskets to the families.

* * *

The baskets, prepared by the Harry Lunsford market, will be given to needy families, widows of former members of the local and several non-member families selected by the local, Local President Harold A. Grant said.

The baskets will be delivered today by 35 volunteer members of the local, Grant stated.

# Good Deed Cuts Sentence, Fine

## Guilty Driver Complains About Ticket; Bails Girl From Jail and Pays

SALT LAKE CITY (AP)—Lloyd E. Cooney, a radio account executive, thought $24 was too hefty a fine to pay for having lost his license plate.

He decided to tell it to the judge. And because he did yesterday, 18-year-old Nandell McDougle will spend Christmas with her family instead of in jail.

* * *

As Cooney, 32, waited his turn in court, he heard Nandell tell City Judge Leland G. Larsen she had left her home in Santa Rosa, Calif., intending to hitchhike to Malad, Idaho, to visit friends.

* * *

She left with $3. But Wednesday night, cold, hungry and broke, she asked police here to let her spend the night in jail.

Judge Larsen sentenced Nandell to 10 days in jail on a vagrancy charge, but said she could leave as soon as a way could be found to send her home to her parents, Mr. and Mrs. John Clover.

* * *

"She didn't look like the kind of girl who belonged in a court," Cooney said later. "And 10 days—why that would keep her in jail over both holidays."

* * *

So he told City Prosecutor Roscoe Irvine he would pay Nandell's bus fare home. She boarded the bus yesterday afternoon.

Cooney? Judge Larsen cut his fine to $9. But with the $21.18 tacked on for Nandell's bus fare, Cooney was out $6.18 more than the $24 fine he thought was too high.

**STRIKE! — The do-it-yourself idea has come a long way when a farmer grows a squash that looks like a bowling pin. Theodore Hansen, left, grew the one at right on his farm in Pleasant Prairie, Wis. He's showing it to bowling alley proprietor Hans Guttormsen. Size and weight — three pounds — of the squash is almost identical to that of the bowling pin.**

# Lady Embezzler Takes $175,856; Pop Repays Bank

TIPTON, Ind. (AP)—A woman bank employe who says she is dying of cancer was arrested yesterday on charges of embezzling $175,856 from the Union State Bank of nearby Windfall.

Mrs. Genevieve Campbell, 45, an employe of the bank more than 20 years, was released on $2,000 provided by her father, Dan P. Wright, a Windfall farmer.

She was indicted by a federal grand jury in Indianapolis last week. There was no explanation why she was not arrested sooner.

* * *

Asst. U.S. Atty. Don A. Tabbert said Mrs. Campbell's father made full restitution shortly after the shortage was found last June. He said the father had inherited $250,000 from his sister. Mrs. Campbell's husband is a factory worker.

* * *

Tabbert said the shortage was uncovered during an audit while Mrs. Campbell was hospitalized. He said the woman had signed a statement admitting taking the money for personal use, partly to build an expensive home.

When arrested, Mrs. Campbell said she had just come from the office of a doctor and that he told her she had but six weeks to live.

# Predict Carmakers Will Miss '55 Goal

DETROIT (INS) — Automotive News said today that U.S. car output for the first 51 weeks of 1955 will total approximately 7,842,000 units, leaving manufacturers with the almost impossible job of turning out 158,000 autos next week if they are to hit the eight million mark.

The coming week will be chiefly a 4-day operation, meaning manufacturers will have to produce better than 39,000 cars a day to reach the coveted mark by Dec. 31.

The trade paper said production this week will be an estimated 154,605 units desipte cutbacks by some major manufacturers, and holiday-shortened schedules. The estimate is about 9.5 per cent below last week's 169,256 cars, but is still nearly 24 per cent ahead of the same week in 1954.

This week's truck production was estimated at 20,115 units, a 34.8 per cent drop from last week's 27,109 unit output.

# Power Firm Reveals Income Hike for '55

JACKSON (AP)—Consumers Power Co. today reported net income of $24,802,022 for the 12 months ended Nov. 30, an increase of $1,710,656 over the previous 12 months.

Justin R. Whiting, board chairman, listed gross revenue at $186,472,639 and expenses, including depreciation and taxes, at $152,838,212.

Revenue increased 10.5 per cent over the previous 12 months, Whiting said, and expenses 11.5 per cent.

The board of directors yesterday declared a quarterly dividend of $1.21 1/2 per share on the $4.50 preferred stock, $1.13 on the 4.52 prefered stcok and $1.04 on the $4.16 preferred stock payable April 2 to stockholders of record March 2.

A quarterly dividend of 55 cents per share on common stock was declared, payable Feb. 20 to stockholders of record Jan. 27.

## Christmas Elected

MIAMI, Fla. (AP) — It was a "Merry Christmas" from Mayor Christmas for the people of Miami today. Recently elected Mayor Randall N. Christmas issued a public greeting in which he extended "my heartiest wish for a merry Christmas and a happy and prosperous new year" to all citizens and visitors.

## Unhygienic Reason

RABAT, Morocco (INS) — The capital of Rabat barred today the entry of 550 tribesmen who four weeks ago started a camel trek from the edge of the Spanish Sahara to pay homage to Sultan Mohammed Ben Youssef. Reason? "Unhygienic."

# Work on Garage Right on Time

## Floors Being Poured in Road Commission's New Home

Construction is progressing as scheduled on the Oakland County Road Commission's new garage on Pontiac Lake Road just west of the farmer's fnaket, Commission Chairman Lee O. Brooks said today.

The 90-by-322 foot building, to include a garage plus housing trucks, plows, scrapers and other equipment, is now practically closed in and floors are being poured.

**"It will be ready for occupancy before spring," said Brooks. The commission's present buildings at 550 S. Telegraph Rd., Pontiac, have to be vacated to make room for the planned construction of a bypass around the Telegraph-Orchard Lake Ave. intersection.**

A meeting will be scheduled within the next ten days with the Supervisors' Roads and Bridges Committee, said Brooks, to discuss completing plans for a second new structure beside the one now going up.

"We hope to get plans finished and put in an order for the necessary structual steel which is becoming quite scarce," he explained.

The second building will be 160-by-100 feet and include staff offices.

# AT&T Earnings Soar to 27-Year Record

NEW YORK (AP)—American Telephone & Telegraph Co. earnings for 1955 will average about $13 a share, a 27-year high.

This was disclosed by Cleo F. Craig, president, in a year end statement putting earnings to date at that level. This is the first time that figure will have been reached since the 1920s.

Craig also reported that Bell Telephone companies added 2,850,000 telephones in 1955, nearly 50 per cent more than last year, and spent a record $1,700,000,000 on new construction. That means, he said, that Bell spent about $800,000 every working hour during the year to enlarge and improve service.

Bell System telephones totaled 46,200,000 by the year end—more than double the number in 1945. The average daily number of telephone conversations was 169 million, up almost 10 million a day from 1954.

The number of dial-operated phones in the Bell System climbed to nearly 87 per cent from 84 per cent on Jan. 1. While telephone mechanization continued, Bell employment increased from 686,000 to 740,000 during 1955.

## Old Mail Master

FAIRLAND, Okla. (AP)—Dispatching mail during the Christmas season without modern equipment is a rough job for Ben Cooksey, 60, Fairland postmaster for the past 18 years. He stamps by hand an average of 150 cards a minute and usually cancels 20,000 outgoing greeting cards during the yule season each year.

# News in Brief

# Ousted Worker Gets $11,000 From Union

**PROSSER, Wash. (AP)—A carpenter who was kicked out of his union for picking up his paycheck on his own time was awarded an $11,000 check from the union yesterday.**

**The damages were granted Albert J. Coulie, Kennewick, by a** Benton County Superior Court jury after a six-day trial.

**Coulie had asked $37,500 from the Pasco Carpenters Local No. 1849 and Millwrights Local 1699. He** said the millwrights fined him in 1954 for his off-duty check-collecting and, as a result, he was expelled from the carpenters' local.

The jury awarded him $1,900 for loss of wages, $7,000 for mental pain and suffering and $3,000 for loss of union benefits.

# Seek to Extradite Hospital Escapee

Oakland County is attempting to extradite a former Pontiac man who fled to Missouri last October after being committed to Ionia State Hospital for the Criminally Insane in 1953, Assistant Prosecutor Homer G. Gerue said today.

Charles R. Seaman, 25, was committed after being charged with taking indecent liberties with a young Pontiac girl, Gerue explained.

* * *

**He left the state while on probationary leave from the hospital. The law does not allow extradition of a criminal sexual psychopath unless there is a charge against him apart from the one upon which he was committed, the assistant prosecutor pointed out.**

**The prosecutor's office does have another warrant against Seaman for a similar offense, said Gerue,** and it will be used in an attempt to win extradition.

# Marines Give Christmas Gift by Washing Cars

LOS ANGELES (AP)—Mrs. Helen Olds saw several young men washing a car yesterday, another clean job parked behind it.

Young fellows trying to earn extra Christmas money, she thought. And because her car needed washing she stopped and asked if they'd like to do the job for, say $1.50. They would, they said.

* * *

An hour later one of the men brought the spanking clean car to her nearby home. He took the trouble to sweep up some broken glass in her driveway.

But when she offered him $1.50 plus a quarter tip, he refused to take the money.

* * *

"Why?" she asked.

"Well, ma'am," he said, "we're all Marines, just back from Korea. We're on our way home to Indianapolis, which we haven't seen since 1949. We're staying with friends up the street during our layover. Everyone in the neighborhood has been so nice to us we thought we'd like to give them a Christmas present. And the only thing we could think of that we could afford was to wash cars. "Merry Christmas, ma'am."

WE CRESTWOOD FAMILIES ARE enjoying fine suburban living at Crestwood Farms. Atty. Henry L. J. Garner, W. Wynn, R. Bradley, R. Marthrell, R. Carter, etc. We recommend to you that buying a home that costs less than $50 a month to own including taxes and insurance beats those $70 to $90 rents that we used to pay. Drive out U.S. 10 miles to Big Lake, turn left ½ mile to models. See the beautiful 3 & 4 bedroom homes on 125' x 120' lots. Call FE 3-9283, FE 4-1003, ask for Mr. Garner.

## Hollywood Headlines

## Bud, Lou Switch Studios and Announce New Film

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — After 14 years with U-I, Bud Abbott and Lou Costello have switched initials to U-A, or to put it more plainly the boys have left Universal-International to make their independent comedies for United Artists.

Their first will be "Dance With Me, Henry" from the hot rock 'n' roll record of the same name. Their old pal Eddie Sherman, who has business-managed Bud and Lou for years, will be a partner in the venture.

**For some time there have been rumors that Abbott and Costello would depart from U-I where they achieved their greatest successes — but where misfortune befell them as well, particularly with Lou who was ill for so long.**

Straight from New York I get the news that Joseph Mankiewicz has scooped Hollywood and bought the film rights to Graham Greene's book, "The Quiet American," which won't be published in this country until April.

But it's already such a triumphant best seller in England (where sales have passed the 200,000 mark) that it's been printed in Swedish, French and other editions.

Joe, a four-time Academy winner, will write, produce and direct the picture, which he says is an adventure-melodrama set in Indochina. He'll film exteriors

**JERRY IS AILING**

Poor Jerry Lewis is finding it difficult to enjoy the holidays. He has a cyst developing at the base of his spine which causes him severe pain.

Jerry's been having heat therapy in his dressing room and he's afraid that if the cyst doesn't respond to this kind of treatment he'll have to have surgery very soon.

**Jerry couldn't even smile when he was questioned about the $50,000 he and Dean Martin are said to have received for a 10-minute spot on the Milton Berle show, which, when broken down, is five grand a minute. This, of course, doesn't count the income tax cut.**

Cyd Charisse and Tony Martin told me a very funny story about Tony Jr., their 5-year-old. Young Tony and his brother Nicky were both on Tony's TV show.

Nicky was fine and did his part, but Tony Jr. wouldn't open his mouth — he just stood there. When his father asked him questions, he refused to answer.

After the show was over, Tony Sr. said: "Why didn't you answer Daddy's questions? Why did you just stand there? You talk enough at other times!"

"I wasn't going to have all those people laughing at me," said young Tony.

**HENNY TO STAR**

Snapshots of Hollywood collected at random: Henny Youngman is the star of the first two NBC comedy shows replacing the Colgate Comedy Hour.

The spotlight was on Ann Sheridan at the opening of the new Versailles Cafe on the Strip. She's much thinner and looks beautiful. Much time and money was spent on the new Versailles.

**Jack Webb and Richard Breen were in a two-hour conference with Jack Warner.**

Gloria Stewart is taking flying lessons in Jimmy's plane with Joe da Bona doing the pilot honors.

Anna Magnani hasn't written Hal Wallis a line on the subject of "The Rose Tattoo." She absolutely refuses to discuss her chances of winning an Academy award.

**There's a lot of guessing going on as to whether or not Bing Crosby will marry Kathy Grant now that Bill Morrow, his sidekick, has taken the big step.**

Fay Wray's beautiful daughter Susan is following in her mother's footsteps by appearing in "Treasure Island" at UCLA next week.

Singapore Joe Fisher who spends his summers here with Frank Muller, is in the Masonic Hospital in Chicago recovering from a heart ailment.

## Shows Reflect Holiday Mood

### Stories, Songs by Bing and Religious Services Are Included

By CHARLES MERCER

NEW YORK (AP)—There may be a few misanthropes who ask if there's anything on television and radio this Christmas weekend besides the spirit of Christmas. The answer is: Not much. Here are some of the programs (all times Eastern) that may find a place between the tree and the turkey:

* * *

For those returning home a little late today from office Christmas parties— NBC radio presents a big two-hour show beginning at 8 p.m. featuring Frank Sinatra, Helen Hayes, Gregory Peck, Roy Rogers, Ronald Colman, the Rev. Norman Vincent Peale and Fibber McGee and Molly. Children of various countries will tell how they're celebrating Christmas.

* * *

For those who nostalgically remember Charles Dickens' Scrooge — Mutual brings "A Christmas Carol" at 7:30 p.m. Saturday as recorded by Lionel Barrymore before his death.

* * *

For those who want to sing with Bing Crosby at 9 p.m. Christmas Eve — CBS radio offers Crosby leading everybody in a "Christmas Sing with Bing." Many famed choirs will participate in the program. The idea is that everybody—but everybody—is to join in.

For those who don't want to sing with Bing at 9 p.m. Christmas Eve — Max Liebman presents "Babes in Toyland" on NBC-TV with a cast including Dennis Day, Dave Garroway, Wally Cox, Bambi Linn.

For those who've finished decorating the tree by 11 p.m. Christmas Eve — Charles Laughton will give an hour's reading from the scriptures and other memorable literature appropriate to the holidays on NBC-TV.

For those who remember that Christmas is a time of religious significance as well as of commercialism — CBS-TV will present services from the National Cathedral in Washington at 11:30 p.m. Christmas Eve and Cathedral Mass from Boys Town, Neb., at 1 a.m. Christmas morning. At 4 p.m. Sunday NBC-TV offers the first of four monthly religious dramas — "No Room at the Inn." At 5 p.m. on Sunday, Omnibus (CBS-TV) will feature Handel's "Messiah," with Leonard Bernstein conducting.

Alcoa Hour brings an hour version of Gian Carlo Menottis opera "Amahl and the Night Visitors" at 9 p.m. Christmas night.

### Won't Aid Kefauver

MUSKEGON (AP) — John P. Boschenstein, Muskegon County Democratic chairman, reports he has declined because of business and political reasons an offer to serve as Michigan finance chairman for Sen. Estes Kefauver (D-Tenn), who last week announced his candidacy for Democratic nomination for President.

For driving a car without the owner's consent, doing it damage and "driving while disqualified," Norman Thompson, 23, of Belfast, Northern Ireland, was jailed for six months and banned from driving for 25 years.

## Little Girl Asks No Gifts for Self in Letter to Santa

MEMPHIS, Tenn. (AP)—The following letter to Santa Claus, from a little girl, is a bit unusual. Delivered to radio station WMC, it reads:

"Dear Santa,

"My mother want som pearls. My father want a big gray hat size 7½. My niest want a colored doll. My niest live with my parents brother and I.

"Please don't for get the children that doesn't have parnets.

"Tell all of the mist fortunate children to have a pleasnt Christmas don't be unhappy. Tell them all to read the story about when Jesus was born. Everyone was very happy at Christmas Eve.

"I will leave you somethings up under the tree I am not going to tel you what it is I want you to fine out for yourself it want be right to tell you. . . ."

Unusual?

The child asked nothing for herself.

## Stymied Thief Gives Cabbie a Yule Dollar

LAURINBURG, N.C. (AP) — Taxi driver William McCormick turned to discover that a man he had picked up now was masked and holding a gun on him.

"Give me your money," the man ordered.

McCormick told officers he explained to the man he had just begun work for the night and had no cash. After a search of McCormick, the would - be bandit found the cab driver was telling the truth.

Apparently feeling the Christmas spirit, the man got out and pressed a dollar bill into McCormick's hand.

"Get the hell back to town," he ordered.

## Yule Party Renders Its Guests Speechless

DENVER (AP) — Guests at this Christmas party clamored excitedly, if not articulately, and little wonder.

A tree stood in the corner and gifts crowded the floor. They included 400 pounds of kennel biscuits, seven cases of dog food, three cases of cat food and 10 dozen stockings full of dog candy, hard rubber toys, dog biscuits and catnip.

The occasion was the fourth annual Christmas party for animal residents of the Dumb Friends League—150 dogs and 40 cats.

Tanganyika plans to start its first cement plant at Wazo Hill, near Dar-es-Salaam.

## Mrs. America Eyes Bird After European Junket

OMAHA (AP) "The first thing I'm going to do when I get home is buy a 25-pound turkey. I want an old - fashioned American Christmas."

That's what Mrs. Ramona Dietemeyer of Lincoln, Neb., who is Mrs. America of 1956, said as the plane taking her home after a six-week European and Middle East trip stopped here.

"Our five children will handle that turkey," she said.

Ceylon, which sells 95 per cent of its pepper to America, has abolished the duty.

Bob Considine Says:

# Latin Orphans Put U.S. Children to Shame

NEW YORK (INS)—Last-minute shopping . . .

The Air Force is studying ways and means of refuling John Foster Dulles in mid-air, to save him the trouble of all those landings and takeoffs.

Personal beef: Never did the clank of commerce intrude more on the gentle Christmas scene than this year.

**Arthur Godfrey is one of the four living Americans permitted to call Charles E. Wilson "Erwin."**

If the Toots Shor-Sherman Billingsley defamation of credit suit goes to court, Jackie Gleason will cover it for the New York Journal American. He has already started his first story. It begins, "Toots Shor came into court today with two suits, one of which fit him."

Madison avenue, in the person of public relations man Al de Cicco, invaded places like Peru, Bolivia and Colombia last week—startling and delighting orphanages with boxes of plastic antique car models, balloons and bubble gum. We'll probably hear about the latter at the next U.N. Assembly.

"You should've seen those kids' faces," De Cicco said, still somewhat breathless after getting a passport in 24 hours and flying 16,000 miles on Panagra in 80 hours. "I kept thinking of all the spoiled little jerks back home, beefing over what they want. I felt like Papa Noel."

**HOME OF FOAM**

"The American home of 1980-1990 will very likely be constructed of a vitreous foam," writes George R. Price in New York University's "Challenge" magazine.

Sounds great. Those then in residence can take a deep breath, hold their nose, and dive into a thick wall or sink through the floor—thus avoiding the blistering stare of Big Brother.

**I find it hard to believe that a Texas oil man spent $80,000 Christmas shopping at Nieman-Marcus in Dallas the other day. You can't get near that many counters or get that many clerks to wait on you.**

The clerks are great people, but they come apart at the seams under the Christmas rush. They are somewhat reminiscent of the story about the epitaph on a waiter's tomb:

God Finally Caught His Eye.

I swear that the finest writing and reporting I've read in a long time is the series being written by Burris Jenkins Jr. from the Holy Land. Burris writes as well with his pen as with his brush, which would seem to be the highest praise one could offer.

**PITY THE POOR GI**

The high cost of being a soldier is sketched in two signs pinned to the wall near the shoeshine stand at San Francisco's posh airport terminal. They read:

Shoeshine—25 cents
GI boots—65 cents

Ever been in jail (perhaps unjustly) at Christmastime? Not many of us have. But must be the ultimate in woe, especially if forgotten.

**Because I lived there for a short time, in the course of writing a movie that never got made, I've tried to bring to people's attention at this time of year the man behind bars at Dannemora Prison, Clinton, N.Y.**

Anything sent to the chaplain there—where a lot of men have found redemption at the famous Church of the Good Thief—will be deeply appreciated.

The most charitable thing one can say about the recent session of the General Assembly of U.N. is borrowed from carnival patter: "Close, but no cigar."

"The only prize worth winning is a clear conscience," the Duke of Edinburgh told students of a Chobham, England, school.
