

Red China Ready for Prisoner Talks

State Dems Back Port Huron Man in Justice Race

Eugene Black Named Over County Hopeful Giles Kavanagh

By BURDETT C. STODDARD
Pontiac Press Staff Writer

GRAND RAPIDS — Oakland County's "favorite son" candidate for State Supreme Court justice was forced to step aside here Saturday as Democrats took a step without parallel in late Michigan history.

Thomas Giles Kavanagh, of Southfield Township, was passed over by delegates to the state Democratic convention who instead nominated a former Republican for the high state office.

By choosing Circuit Court Judge Eugene F. Black, of Port Huron, the convention put into the nonpartisan court race on the April ballot one of the most controversial figures in either party.

Black's running mate will be another Circuit Judge, Stephen J. Roth, of Flint, who was unopposed for nomination.

A move urged by many delegates, that Gov. G. Mennen Williams be launched toward a 1956 presidential nomination, did not materialize.

Instead of an out-and-out presidential endorsement delegates were satisfied with pledging support to Williams "for any office he may seek."

Top party powers seem to think the time is too early for the fourth-term governor to begin a serious bid for the top national post.

The 1,280 delegates filled out their spring slate with these added nominations:

Superintendent of Public Instruction—Dr. Lynn M. Bartlett, Grosse Pointe.

University of Michigan Regents—Eugene B. Power, Ann Arbor, and Paul Adams, Sault Ste. Marie.

State Board of Education—John M. Veale, St. Clair Shores.

State Board of Agriculture—(Connor D. Smith, Standish incumbent) and William E. Baker.

Black's nomination for the Supreme Court may establish the 52-year-old former Republican attorney general as key to a court campaign this spring which could descend to a bitter partisan contest.

Black entered the convention (Continued on Page 2, Col. 7).

Figure Skating Champ Home Again

RECAPTURES TITLE — Tenley Albright, 19, who arrived home (in Newton, Mass.) Sunday from Paris after recapturing the Women's Figure Skating World Championship in Vienna receives kisses and a present from two youthful skaters, Gayle Ann, 6, and Lynda Sue Solar, 7, during reception at City Hall. Tenley's mother is shown in background.

County Assured Fourth Judge, Says Broomfield

Claims Action Awaits Only Room for New Circuit Bench

Oakland County is assured of obtaining a fourth circuit judge as soon as the Board of Supervisors can arrange quarters for him, State Senator William S. Broomfield (R-Royal Oak) said today.

Broomfield introduced the fourth-judge bill Jan. 13, saying "the three present judges have the heaviest case load of any in the state, five times that of Wayne County."

State Court Administrator Meredith Doyle was brought before the Senate Judiciary Committee last week by Broomfield.

Doyle told the committee, which is considering the bill, that Oakland has the greatest need of any county for another judge and should obtain one immediately.

"I'm sure the measure will pass. It will be reported favorably by the committee as soon as the Oakland Supervisors set up accommodations for the fourth man," the senator stated.

"I'll meet to discuss the matter with representatives of the supervisors as soon as possible," he added.

Gov. Williams will appoint the new man, said Broomfield. "If we waited for a judge to be elected in 1956, he could not begin serving until Jan. 1, 1957."

Oakland County Circuit Judge H. Russell Holland has come out for the fourth man as has the County Bar Assn., the senator pointed out.

In a resolution, the bar association said the official records show during 1953 each present judge tried or disposed of an average 623 cases and petitions plus miscellaneous matters averaging 1,960.

Despite the "best efforts" of the judges, the group stated, there are about 1,000 cases on the docket awaiting trial.

"The delay in the hearing of an average case, after it is ready for trial, is nearly one year."

The third judge was authorized in 1927. The county's population was 211,251 in 1930 and has increased 180 per cent since then, "but no increase has been made in the manpower of the court," the group pointed out.

The County Board of Auditors has suggested that a new judge might be housed in the fifth floor committee room of the County Office Building at 1 Lafayette St.

Another suggestion would see the Health Department, now located in the old jail building directly behind the courthouse, moved to new quarters. Then some present court-house offices might be moved into the health building, allowing room in the courthouse for another judge.

Margaret in Bahamas

ATTENDS CHURCH SERVICE—Princess Margaret, in Nassau, is accompanied Sunday by the governor general of the Bahamas, The Earl of Ranfurly, as she leaves for church services at Christ Church Cathedral, the Episcopal Church of England. The Princess continued her round of official appearances today, and was to be greeted by a large assembly of school children at one of the city's parks.

Chou Reported Willing to Meet With U.S. Group

Would Air Problems With Unofficial Unit, Burma Premier Says

RANGOON, Burma (AP)—Burmese Premier U Nu announced today that Communist Chinese Premier Chou En-Lai is willing to receive an unofficial U.S. mission to discuss the case of imprisoned American airmen and tensions between the United States and Peiping.

Nu told newsmen he had conveyed Chou's approval of such a conference to U.S. Secretary of State Dulles. The Burmese Premier declined to discuss Dulles' reaction.

Dulles stopped off in Rangoon Saturday for a 36-hour visit after attending the Manila Pact conference in Bangkok. He left yesterday for Laos and was due in Saigon later today, en route to Manila.

The idea for the conference between Chou and an unofficial U.S. group apparently was advanced by the Burmese Premier, who has proposed recently that the five "neutral" Colombo Powers serve as mediators between the Chinese Reds and the Western Powers.

U Nu declined to say more about the proposal today, explaining: "I do not think I should discuss this."

Following Peiping's announcement that the 13 Americans had been sentenced to jail terms on spy charges, the U.N. General Assembly at U.S. request directed Secretary General Dag Hammarskjöld to try to get them released.

Hammarskjöld flew to Peiping just after Christmas, returning with a report on the condition of the prisoners and of four other American airmen held by the Reds.

Subsequently, he transmitted an offer from Chou for the men's families to visit them in China, but the State Department declined to let the relatives make the trip.

Since then Hammarskjöld has been working on the case through diplomatic channels. A report from U.N. headquarters last weekend said the secretary general was of the opinion that the time had not come to abandon his efforts on the prisoners' behalf.

The prisoners include 11 survivors of a B29 bomber shot down in North Korea Jan. 12, 1953, some six months before the fighting ended. These are the pilot of the plane, Col. John K. Arnold of Silver Spring, Md.; Maj. William H. Baumer of Lewisburg, Pa.; Capt. Elmer F. Lewis of Missoula, Mont.; Capt. Eugene Vaadi of Clayton, N.Y.; 1st Lt. John W. Buck of Armatheale, Tenn.; 1st Lt. Wallace L. Brown of Banks, Ala.; Sgt. Howard Brown of St. Paul, Minn.; Airman Steve E. Kiba of Akron, Ohio; Airman Harry M. Benjamin Jr. of Worthington, Minn.; Airman Daniel C. Schmidt of Scotia, Calif.; and Airman John W. Thompson III of Orange Va.

GM Will Oppose Pay Guarantee

Position in Forthcoming Contract Parley Hinted in Annual Report

DETROIT (AP)—General Motors Corp. indicated today it will oppose a guaranteed annual wage, which the CIO United Auto Workers Union has made its No. 2 goal for 1955.

While opposition was indicated by indirectness, there was no mistaking the import of GM's 1954 annual report, released by President Harlow H. Curtis and Board Chairman Alfred P. Sloan Jr., it said:

"Public discussion of various types of so-called wage guarantee plans have tended to obscure progress already made in stabilizing employment and also have tended to divert attention from the fact that there are already in existence employer-financed unemployment compensation systems regulated and administered by state governments."

It declared GM has made "outstanding progress... in its efforts to stabilize employment," and mentioned 44 cents hourly which have been added to wages under the "historic" five-year GM-UAW contract expiring May 29.

Curtis gave forthright praise in a statement Friday to the current contract, containing a cost-of-living escalator and an annual improvement factor wage-riser.

Humphrey Says Tax Cut Could Start Inflation Spiral

WASHINGTON (AP)—Secretary of the Treasury Humphrey said today the \$20 tax cut approved by the House to help "little folks" might cause inflationary price rises that would cost the small taxpayer most.

In testimony prepared for the Senate Finance Committee, Humphrey did not mention a compromise tax cut being pushed by some Senate Democrats. It would make the \$20-a-person tax cut effective July 1, 1956, instead of next Jan. 1, as provided in the House bill.

Also, it would extend present corporation and excise tax rates for 15 months instead of 12. They are now due to drop April 1.

Humphrey, the only witness called by the Finance Committee in its consideration of the House bill, told the senators:

"It can start us right back on the reckless road of inflation, with all its cruel thievery... Let us always remember that it is not the rich who need protection from inflation. It is the little folks who suffer the most when inflation takes hold."

The House bill, vigorously opposed by President Eisenhower, would give each taxpayer a tax reduction of \$20 for himself, his wife and each dependent. Humphrey said it would take about (Continued on Page 2, Col. 1)

Threaten Utility Walkout Tonight

Strike Would Affect 180,000 Consumers Customers in Area

Employees of Consumers Power Co., which supplies gas or electricity to some 3,250,000 persons in Michigan, including 180,000 in this area, are preparing to strike at midnight tonight to back new-contract demands.

Company officials and top members of the Utility Workers of America (CIO) became deadlocked Saturday at the firm's general offices in Jackson and broke off talks without setting a date for future sessions.

The union is asking a 15-cent-an-hour pay increase, 43 contract changes and modifications of the company pension plan.

The local division serves 15,000 electric customers and 165,000 gas customers in all Oakland County plus Macomb County from Mt. Clemens south to Eight Mile road and parts of Western Wayne County. (Continued on Page 2, Col. 5)

Blanket of Fog Expected to Stay

Mild Temperatures, Rain Forecast as Snow Hits Far West

The dull mixture of fog and drizzly rain which shrouded Pontiac over the weekend may continue through tonight, the U.S. Weather Bureau said today.

The weatherman said the immediate outlook is for mild temperatures and more rain to add to the two-thirds inch that fell Saturday and Sunday.

Around the rest of the country, fog blanketed much of the eastern half of the nation today while the northern Great Plains shivered with subzero temperatures and parts of the far west lay under the winter's heaviest snowfall.

Visibility was zero in many places in the eastern Great Lakes region and most flights from Willow Run were grounded today. At Pontiac Municipal Airport, visibility was reported at one-half mile.

Local police departments said there was no increase in the number of auto accidents, even though roads were slippery and often fog-covered in the county.

Low temperature tonight is expected to be around 40, with a high tomorrow of 45 to 50. Showers will continue Tuesday, with a low of 35 to 40 seen for the nighttime hours.

Yesterday's high in Pontiac was 42, with the low 35. At 8 a.m. today, the thermometer dinged to 35 degrees, rising to 36 degrees at 1 p.m.

Snow Cancels Skiing

RENO, Nev. (UP)—Three scheduled skiing meets in the Sierra Nevada near here were canceled yesterday—on account of heavy snows.

Auto Tags Deadline Tonight

If you don't have those new license plates by tonight, you'd better start hoofing it tomorrow. That was the warning issued today by Police Chief Herbert W. Straley with the deadline for getting 1955 auto tags less than 12 hours away.

After midnight tonight, an estimated 2,000 Pontiac area motorists will be afoot. That number apparently will be without new plates when the local secretary of state's office closes at 9 p.m. tonight.

Willis M. Brewer, manager of the agency, said his staff is working at capacity to issue new plates to car owners. But even with the office remaining open late this evening, he estimates some 2,000 or more motorists won't get their new tags before the deadline.

Latecomers, braving damp, chill weather, were lined up at the office when employees opened doors at 9 a.m. today. A steady stream has flowed through the office all morning, the workers said.

Starting at midnight, Pontiac Police will begin looking for cars with outdated tags. Moving vehicles will be halted, the drivers issued tickets for operating without proper license plates, and ordered off the streets.

The tags must be properly affixed to the rear of the vehicle, too, or the officers will issue warnings and require the drivers to install the plates properly "without further delay."

Cars with outdated tags found parked in limited time zones, metered spaces or prohibited areas will be impounded, unless the 1955 plate is displayed in the rear window, in which case a warning will be issued.

Vehicles found parked outside where on the streets with outdated tags will be checked and towed away and impounded after 48 hours as abandoned.

Meanwhile spokesmen at the Pontiac State Police post and Oakland County Sheriff's office said patrolmen would check every auto for new tags.

"We're handling more than 300 people an hour," Brewer said today, "but there just isn't time to issue enough plates before the deadline."

You'll be using these

Eye Weather for A-Test

LAS VEGAS, Nev. (AP)—Atomic test officials meet today to decide if the weather will permit an atomic blast at dawn tomorrow. Wind conditions canceled today's scheduled blast.

Statement About Fluorine Untrue, Schurz Reports

SOUTH BEND—Another letter against fluoridation in the Voice of the People in the Pontiac Press was absolutely denied here today by Franklin Schurz, ranking official of the South Bend Tribune.

The letter in the Pontiac Press says "the South Bend council and mayor voted against fluoridation—declared it unconstitutional."

"There has been no vote taken in our city council on this subject," says Mr. Schurz. "I have never read as many misstatements as have appeared in letters regarding fluoridation. There is no bill pending here now in South Bend."

The letter in the Pontiac Press was signed, "Truth Will Win."

2 Brainwashed Americans Released by Red Chinese

HONGKONG (INS)—A plump woman schoolteacher and a former Harvard pre-med student appeared today to be the most thoroughly brain-scrubbed Americans ever released from Red Chinese prisons.

Both Mrs. Adele Austin Rickett, 35, and Dr. Malcolm Bersohn, 29, mechanically recited their guilt and Communist China's righteousness on their arrival in Hong Kong.

(A state Department official said privately that the two Americans had "been turned into parrots by their Red captors" and termed their case "tragic.")

Bersohn, dressed in tattered blue dungarees, faded gray shirt and laceless black shoes declared:

"All those inside Chinese jails are guilty of their crimes. If the government did not have sufficient evidence, they would never arrest anyone."

Short, plump and bespectacled, Mrs. Rickett said her husband, Walter Allyn Rickett, 33, of Seattle, Wash., still is imprisoned in Red China and "fully deserved to serve the full time."

Both claimed they had gained weight during three and a half years in Red jails—although both showed signs of strain.

Bersohn, the son of Mrs. Jessie Bersohn, of New York City, was highly nervous.

Mrs. Rickett, the daughter of Mr. and Mrs. Harold W. Austin, of Yonkers, N.Y., looked pale and wore a forced smile.

Both rattled off spy "confessions."

Mrs. Rickett, told newsmen on her release yesterday that she did not know the length of her husband's sentence. She added:

"My husband and I worked against the new (Communist) China. My husband's crimes are too serious to be forgiven."

She and her husband went to China on a Fulbright Scholarship and were arrested on spy charges in 1951.

Police Nab 50 in 2 Vice Raids

All Face Arraignment as Liquor, Gambling Establishments Fall

Fifty persons, scheduled for Municipal Court arraignment today, were rounded up Saturday and early Sunday morning in two vice raids by Pontiac Police.

Armed with warrants, seven police raiders converged on a 4-room home at 397 Bloomfield Ave., where 45 persons were arrested at 3:15 a.m. Sunday. Seized at 3 p.m. Saturday were six men in a basement at 6 1/2 N. Saginaw St.

Police today planned to smash six cases of beer and 15 plants of whisky taken from the south side home. Three decks of playing cards and \$4.55 were confiscated from the basement, said police.

One woman, Ida Mae Herston, 45, of the Bloomfield Street address, was charged with maintaining and operating an illegal liquor establishment and Lydia A. LaCount, 20, of 5738 Lorraine, Detroit, was charged with soliciting. Forty-two men and another woman were booked on loitering charges.

Twenty-five were released yesterday after posting bonds of \$25 each when they appeared before Judge Maurice E. Finnegan, pending their appearance today.

Police said Daniel Perry, 62, of 4874 Rossiter St., Drayton Plains, was charged with aiding and abetting a gambling place after the Saginaw Street raid. Five other men were booked for loitering.

Foreign Film Club to Meet at Cranbrook

BLOOMFIELD HILLS — An organizational meeting of the Foreign Film Club will be held at 7:30 p.m. Tuesday at Cranbrook Institute of Science, James Carmel, acting chairman, has announced.

Following a discussion of membership dues to cover exhibition costs, the Swedish film, "Tornet," starring Mai Zetterling, will be shown.

The non-profit group is open to the public. Viewers are asked to make voluntary contributions at each session.

Humphrey Says Cut Could Raise Prices

(Continued From Page One)

five million taxpayers completely off the federal tax rolls and would cost the government over a full year approximately \$2,300,000,000 in revenue.

He assailed the manner in which the proposal had been raised and put through the House by Democratic leaders there. He told the Senate committee:

"Your committee has before it this morning a \$20 tax cut which was suddenly sprung on the Ways and Means Committee and hurriedly passed through the House of Representatives last week with only a limited hearing and no time for thoughtful consideration."

In advance of the hearing, Sen. Carlson (R-Kan.), described as "entirely political" the reported compromise plan under which the income tax cut would become effective a year from July 1, and veneration and excise rates would be extended until that date.

Most of Carlson's Democratic colleagues on the committee, however, were reported lining up behind that proposal.

Parents Group to Study Aspects of Behavior

WATERFORD TOWNSHIP — Special aspects of behavior in pre-school and elementary school children will be the subject presented by Frieda Huggert when Child Study Group 2 meets at 8 p.m. Tuesday at the home of Mrs. Hackett on Lakewood drive.

The nominating committee will present a slate of officers to be voted on at the meeting.

The Weather

PONTIAC AND VICINITY — Clouds and mist with occasional rain or drizzle tonight. Low tonight near 16. Showers and milder tomorrow, high 18-20. Southwesterly winds 5-10 miles tonight. Cloudy with occasional rain tomorrow night, low 20-24.

Plans call for 14 regional meetings followed by a statewide meeting in Lansing May 18.

DR. D. C. WATSON

BIRMINGHAM — Dr. Dudley Crafts Watson will present a travelogue and slides on Spain at 8 p.m. Tuesday at the Cranbrook auditorium.

Open to the public, the program is sponsored by the local chapter of the American Assn. of University Women.

Author, artist and tour guide, Watson was formerly on the faculty of the Chicago Art Institute and was director of the Milwaukee Art Institute.

Proceeds from the program will be used for AAUW international fellowship grants and scholarships.

Japan's Voters Back Hatoyama

Prime Minister Gets Solid Endorsement for Conservatives

TOKYO — Conservative Prime Minister Ichiro Hatoyama's Democrats won Japan's biggest election yesterday and headed toward a new, stronger administration.

Hatoyama, waging an unprecedented American-style campaign for friendship with both sides in the East-West cold war, led the Democrats to a nearly 2-1 conservative sweep.

They ended seven years' domination in the House of Representatives by the equally conservative Liberal party of former Prime Minister Shigeru Yoshida.

The Liberals, hurt by charges of corruption, lost about 70 seats — most of them to the Democrats but a few to the Socialists. This may strengthen the drive by left parties to block rearmament of Japan.

The Communists, with 60 candidates, elected two members. With all seats decided, Hatoyama's party had elected 185 of the 467 members of the House. The Liberals elected 112. Left Socialists 89. Right Socialists 67. Farmer-Laborers (leftist) 4. Communists 2, minor parties 2, and independents 6, of whom 3 are regarded as conservative.

The government reported a record 37,332,137 votes, 73.8 per cent of registration. The former record 35,288,755 was set in April 1953.

The strong Democratic victory means Hatoyama, 77 and partly paralyzed, will be renominated for prime minister when the Diet (Parliament) reconvenes within two weeks, party leaders said. He is virtually assured of re-election by conservatives.

Hatoyama became prime minister Dec. 10 after his Democrats formed a temporary coalition with the Socialists to drive Yoshida from office. Yoshida had tried to face down a government ship-building subsidy scandal and had refused to consider any treaties or substantial trade with Communist regimes.

Hatoyama then made himself Japan's most popular political figure with an unprecedented hand-shaking, nationwide stumping tour. He called for trade and friendship with the Communist nations as well as continued strong ties with the United States.

Legislature Will View Live Drama Tonight

LANSING — A live drama will be presented before the Michigan Legislature tonight for the first time in history.

The play, to be presented on a stage erected in the House of Representatives, is "My Name Is Legion." A social drama about mental health problems, it is produced by the Wayne University Theater for the Michigan Society for Mental Health.

4 Oakland County Persons to Attend Education Meet

Four Oakland County persons are included in a list of regional officers who will conduct a meeting to draw up recommendations for presentation at a statewide conference on education, according to Clair L. Taylor, state superintendent of public instruction.

They are County Superintendent of Schools William J. Emerson, Principal of McConnell School Thomas H. Temple, Mrs. Inez L. Carter, of Hazel Park, a prominent PTA worker; and Clarence Kimball, superintendent of Royal Oak schools.

Plans call for 14 regional meetings followed by a statewide meeting in Lansing May 18.

State Accidents Take 12 Lives

Eight Die in Weekend Traffic, Three Drown, One Is Fire Victim

By THE ASSOCIATED PRESS

A dozen persons—including three Kalamazoo children who drowned—died in weekend accidents over Michigan.

Traffic claimed eight lives and fire another.

Two of the Kalamazoo children who drowned broke through the ice on a pond. A 16-month-old Kalamazoo girl drowned in a bathtub in the momentary absence of her mother.

Ten-year-old Gary Smith and his 6-year-old brother, Gregory, drowned when they broke through thin ice Sunday while playing on a waste pond near the American Cyanamid Corp. in Kalamazoo.

Deborah Coleman, daughter of Donald Coleman, Kalamazoo Central and Western Michigan College basketball player, died Sunday while her mother was giving her a bath.

Police said the mother left the room for a minute and the child apparently turned on the hot water. The shock of the water threw the girl to the bottom of the bathtub where she drowned in a few inches of water.

Burt Whitaker, 29, of Detroit, was a fire victim. Firemen said the blaze broke out in his room Sunday after he apparently had been smoking in bed.

Mrs. Elizabeth Deman, 54, of Detroit was injured fatally Sunday when hit by a car while crossing a Detroit street.

Oliver Parker, 23, of Jackson died Sunday in Jackson of injuries suffered Saturday night in a three-car crash south of Chelsea on U.S. 12.

Charles W. Dotson, 32, of Detroit was killed Saturday night in a car-truck collision in suburban Detroit.

Mrs. Catherine Phillips, 39, of Trenton was killed Friday night in an auto collision in southwestern Wayne County. George J. Hauser, 74, of Lansing was injured fatally Friday night in a two-car collision at a Lansing intersection.

Harry Bowers, 53, of New Haven was injured fatally Saturday in a two-car collision in Livonia.

Mrs. Sarah McDowell, 71, of Lapeer was killed Saturday when the car in which she was riding collided head-on with another vehicle on M24 nine miles north of Lapeer.

Six-year-old Kathleen Everson of Hastings died Sunday of injuries incurred Saturday on M79, two miles east of Hastings.

110-Year-Old Home Destroyed by Fire

BLOOMFIELD HILLS — Fire yesterday wiped out an Oakland County landmark, when the frame home of Mrs. Stella P. Phillips went up in flames.

Her son Perry of Ferndale, estimated that the house on Quanton near Cranbrook road, was over 110 years old. It had been in the family since 1847, he said.

Mrs. Phillips, 87, had suffered a broken hip several weeks ago and was not living in the six-room house. Phillips said he moved all valuables out of the house about a month ago, after several break-ins occurred.

Firemen from Bloomfield Township and Cranbrook assisted the Bloomfield Hills department but the entire lower floor was in flames when first trucks arrived, officials said.

GI Bonus Eligibility Amvet Meeting Topic

Eligibility requirements for the bonus to be paid soon to Michigan's Korean veterans will be discussed at an open meeting at 8 p.m. Wednesday. The meeting will include a lecture and discussion on World War II benefits.

Sponsored by Amvets, Post 16, it will be held at the new post home, 86 1/2 N. Saginaw St.

Charles Ward, state service officer of Amvets, and another representative from the Oakland County Department of Veterans Affairs, will speak. All Korean and World War II veterans are invited to attend.

4 Oakland County Persons to Attend Education Meet

Four Oakland County persons are included in a list of regional officers who will conduct a meeting to draw up recommendations for presentation at a statewide conference on education, according to Clair L. Taylor, state superintendent of public instruction.

They are County Superintendent of Schools William J. Emerson, Principal of McConnell School Thomas H. Temple, Mrs. Inez L. Carter, of Hazel Park, a prominent PTA worker; and Clarence Kimball, superintendent of Royal Oak schools.

Plans call for 14 regional meetings followed by a statewide meeting in Lansing May 18.

About 600 parents, citizens and educators are expected to attend the regional meeting for this area slated in late April at Royal Oak High School, said Emerson. Delegates will be named by local school boards, he added.

The meeting will consider education and problems including teacher shortages, handicapped children, school finances, adult education and college-level training, Emerson stated.

Regionals conclusions will be presented at the state meeting and form the basis for state recommendations to the President's White House Conference on Education in Washington Nov. 28 through Dec. 1.

HAPPY ENDING—Spot, center, stole the show from 100 persons at Terryville, Conn.; Sunday afternoon when he was the first to locate Darlene Nocera, 10, of Forestville, after she had been reported lost in the woods. Lawton Wood, left, was riding Spot when the horse balked and refused to go on because it had seen Darlene near a tree. "I've always been crazy about horses," said Darlene, patting the hero, Spot.

Deaths in Pontiac Area

Stanley Billington, 59, 105 Central Ave., died yesterday in St. Joseph Mercy Hospital.

The son of George and Eleanor McKay Billington, he was born in Isabella County and came to Pontiac in 1920. He was last employed as a gardener.

Surviving are a daughter, Mrs. Thelma Jenkins, and two sons, Floyd Billington, both of Coleman, and Carl Billington of Pontiac.

Also surviving are a sister, Mrs. Frank Howey of Mt. Pleasant, and four grandchildren.

The body will be taken to O'Laughlin Funeral Home in Isabella County for funeral service Wednesday. Burial will be in Denver Township Cemetery. Arrangements are by Huntoon Funeral Home.

Mrs. W. W. Carpenter

Mrs. Walter W. (Golda Mae) Carpenter, 82, of 103 Parkhurst St., died at her sister's home at 15 Deland Ct. Sunday after a three-month illness.

Born in Corinna, Ind., she was the daughter of John C. and Anna Mary Sanders Campbell and was married in Pontiac June 23, 1934.

A member of the First Baptist Church and a city resident for 40 years, she came here from Auburn, Ind.

Surviving is her sister, Mrs. Vern Rohm of Pontiac.

Funeral service will be held Wednesday at 2 p.m. from Donelson-Johns Funeral Home, the Rev. William E. Hakes of the First Baptist Church officiating. Burial will be in Roseland Park Cemetery.

Clarence A. Howe

Word has been received of the death Saturday of Clarence A. Howe in Bisbee, Ariz.

Mr. Howe lived in Pontiac most of his life until several years ago when he retired from GMC Truck and Coach Division. Surviving are two nephews in Detroit.

Baby Girl Lalone

Burial for Baby Girl Lalone, daughter of Glen and Ethel Sutton Lalone of 810 Walden Rd., will be Tuesday at 10 a.m. in Mount Hope Cemetery.

The baby died shortly after birth in Pontiac General Hospital Saturday.

Surviving besides her parents are four brothers, Glenn John Jr., Richard A., Frank J., and David L., and two sisters, Marie E. and Patricia A., all at home.

Arrangements are by Voorhees-Siple Funeral Home.

Mrs. John T. Scott

Funeral service for Mrs. John T. (Minnie Mae) Scott, 60, 3008 Dixie Hwy., will be Wednesday at 1:30 p.m. from Huntoon Funeral Home, the Rev. James Luther of Silver Crest Baptist Church officiating.

Mrs. Scott died this morning in St. Joseph Mercy Hospital after a two-year illness.

Born in Logan, Ohio, she was the daughter of Ben F. and Dora Frances Clary Evans. Married in

Romeo High Band Wins Plaudits at District Meet

ROMEIO—Members of the Romeo High School Band received a "superior" rating from one judge and "excellent" from two others in the annual District 4 Band Festival held in Ypsilanti Saturday.

Romeo's musical group is in class "B" by enrollment, but due to a conflict in schedule, it entered competition in class "A," against schools of larger enrollment.

According to band director E. C. Ojala, his 65 students did "an excellent job in fine competition."

Floods Imperil Three Towns

Water Cuts Off 6,000 Australians as Disaster Death Toll Grows

SYDNEY, Australia (AP)—Australia's worst flood disaster in years, which has claimed at least 45 lives and left thousands homeless, threatened today to wipe out three isolated towns northwest of Sydney.

The towns — Nyngan, Warren and Walgett — were cut off from outside help as floodwaters up to six feet swirled through their streets. Some 6,000 persons were trapped in the area.

Inhabitants, expecting their worst ordeal tonight or tomorrow when the main body of millions of tons of water will reach them, took to rooftops in hopes their homes would withstand the onslaught.

The floods have sent some 50,000 persons fleeing from their homes in the past five days. They were brought on by an unprecedented 11-inch, 24-hour rainfall which drenched 5,000 square miles of six river systems.

An amateur broadcaster messaged from Warren, "The town is just about washed away and the position is hopeless. Unless help arrives immediately, there will be no need for it."

A 17-mile-wide sea of water, threatened to wipe out Nyngan, while at Walgett inhabitants worked feverishly to build levees against the flood menace.

Racing floodwaters have caused tremendous losses in scores of towns in the central west district of New South Wales. The waters have ravaged 100,000 square miles of rich farm country and caused millions of dollars damage to cities and towns.

Declaring the floods a national disaster, the army, navy and air force have joined civilian teams in bringing relief.

Weather bureau officials estimate that 2 1/2 billion tons of rainwater have cascaded into the Great Dividing Range about 200 miles above Sydney.

Consumers Walkout Set for Tonight

(Continued From Page One)

In event of a strike, the division, here would attempt to maintain service by using some 125 supervisory personnel, according to E. L. Karkau, assistant to the division manager.

About 25 supervisory persons would act to maintain service in the Pontiac area, Karkau added.

Some planned maintenance work and new installations might have to be postponed, he stated, but present service probably would not be seriously cut back.

A walkout would affect some 4,900 UAW workers including about 300 in UAW Local 165 with jurisdiction over the Pontiac area. Consumers supplies 64 Lower Peninsula counties, with the exception of Detroit.

The company has not made public any compromise offers, but the union said yesterday that consumers had delivered "an ultimatum" that a seven cent package deal be accepted.

If Stanley Richmond, vice president of Consumers, said yesterday union demands would cost the company 50 cents an hour for each hourly rated worker, plus additional money for employee pension funds.

The union's announced position gave no evidence of a desire to settle the dispute at a point anywhere near what the company considered reasonable, Richmond said.

Gerald Sanders, of Flint, president of the Michigan Joint Council of the CIO, which is bargaining for the 24 Consumers locals, accused the company of refusing to bargain on the issues.

"They just stuck to the seven-cent package offer and refused to budge, and that deadlocked negotiations," Sanders said.

A walkout was averted last year when Gov. Williams appointed a fact-finding panel to study the issues. The recommendations of the panel were accepted as the basis for agreement on the one-year contract which runs out tonight.

County Deaths

Mrs. LeRoy Gottry

MILFORD—Service for Mrs. LeRoy (Laura L.) Gottry, 75, of 870 Center Blvd., will be held at 3 p.m. Tuesday from Melvin A. Schutt Funeral Home, with burial in Perry Mount Park Cemetery. She died Sunday at her home.

Surviving are three daughters, Mrs. Lowell Singer at home, Mrs. Clayton Eishart of Milford, Mrs. Albert Kiegher of Pontiac; and two sons, Dana of Lapeer and Kenneth of Pontiac.

Agnes Tebeau

AUBURN HEIGHTS — Service for Mrs. Agnes Tebeau, 83, of 91 Tebeau Court, will be held at 2 p.m. Thursday at the Dudley H. Moore Funeral Home, with burial in the Perry Mt. Park Cemetery. She died today.

Surviving are two sons, Frank and Louis of Auburn Heights, a daughter, Mrs. Howard Isles of Sylvan Lake, a brother, Lloyd Brady of Detroit, two sisters, Mrs. Margaret Miller and Mrs. C. O. Lanning, both of Clarkston, six grandchildren, and 12 great-grandchildren.

Report Church Breakin

Pontiac Police today reported a breakin of the Seventh-Day Adventist Church, 156 Mt. Clemens St., but nothing had been determined missing. Entry was gained by breaking a window. Elder Herbert Lohr of 14 James St. told police the literature room and office were ransacked.

The Day in Birmingham

Commission Will Discuss Spring Projects, Paving

BIRMINGHAM — Reminders of spring will be present at tonight's City Commission meeting. Lawmakers will discuss such warm-weather projects as purchase of spray material for use against the Dutch Elm disease and a paving program in several areas.

Highlight of the session may revolve around the city's two fire stations under discussion, inasmuch as one of them is being used as a test case in a labor union dispute.

Providing a small parking area for St. James Park also will be considered.

The Independent Committee for Education has set a mid-May date for completion of a study on immediate classroom needs for Birmingham's public school children, it was announced yesterday.

Sponsored by the local PTA Council, with representatives from all 12 school areas, the study group was organized last fall to assist the Board of Education in coping with population trends.

Study by the committee will eventually include: immediate and long-term classroom needs, personnel, and curriculum. Because of the pressing need for more classrooms, that area will be surveyed first, according to Louis A. Bauer, facilities planning chairman.

A 15-member steering committee, headed by Marvin J. Brookaw, is supervising the program.

Kathryn Myer, Ridgwood School instructor, will speak following the Altrusa Club's dinner at the Community House tonight. Recently returned from a year of teaching in France, Miss Myer will tell of her experiences.

A three-week session on Canada will start at tomorrow's 10 a.m. class of the Ruth Shain Class in International Affairs, held at the Community House. Mrs. Shain said the group would receive pamphlets and reminded that the meetings are open to the public.

Eleven candidates filed nominating petitions with City Clerk Irene Hanley Saturday for the three city commission posts up for election April 4.

Presenting the petitions were John M. Rady, Mrs. G. Howard Willett Jr., Frederick Fisselmann, Dr. Bernard O'Dell, Harry M. Denyes Jr., C. Watts Wacker, Donald K. Fill, Carl F. Ingraham, Omar Hansen, Manley Bailey, and incumbent Vincent B. Watkins.

In question is the petition of Sidney E. Sullivan, which was apparently turned into the Police Department before 4 p.m. Saturday, but did not reach the City Clerk's office until today. The matter will be submitted to the City Commission tonight.

If the petitioners return nomination acceptance forms to the clerk's office, they will be placed on the ballot.

High Twelve Club members will hear about the St. Lawrence Seaway following a 6:30 dinner tonight at the Community House. Guest speaker will be Gerald Warren of the Detroit Board of Commerce.

Pancake Supper Slated Tonight at White Lake

WHITE LAKE—The Men's Club of the White Lake Presbyterian Church will hold a pancake supper at 7 p.m. tonight in the church basement.

This is the club's Ladies Night, and a missionary, the Rev. Graham Parker of India, will speak.

Zoning Board Considers New Avon Subdivisions

ROCHESTER — Subdividers and land developers crowded Avon Township Hall at the recent meeting of the Avon Township Zoning Board to submit plats and present requests for zoning changes. Six major requests are being studied by the board this week, with action scheduled at the next meeting at 7:30 p.m. Friday.

Being reviewed by the board are:

1. The plat of H. Weaver and Milton Weaver, known as Weaver's acres. The plat already has been approved by the Rochester, Avon, Oakland Planning Commission. It is located on East Auburn and is comprised of 26 acres of the old Weaver farm in the Brooklands Section. (East Auburn road).

2. Judson Park, presented by J. G. Judson and Frank Sheppard. The 180 acreage will be subdivided with lots 100x250 feet minimum. Percolations tests were to be finished this week.

3. A request made by George Mills, Pleasant Ridge builder and developer, for rezoning 50 acres to commercial for the new proposed shopping center and housing project at Livernois and Auburn Rds. This acreage recently was purchased by F. C. Kersting. The master plan for the subdivision includes 200 to 400 homes and a shopping center which will extend west on Auburn to the Avondale High School.

4. Howard T. Keating Jr.'s request for rezoning change to commercial for a proposed shopping center at Adams and Walton Rds. Keating's company is the purchaser of the acreage on Walton known as the Holsapple and Stout Farms and a portion of the A. G. Wilson acreage on the north side of Walton at Adams. A housing development of 300 new homes is planned in this area.

5 and 6. Two requests for rezoning on lots where water is furnished, and for an easing of the ordinance covering lots of 100x200 feet.

Two other developers present with plans were George Knorr who is building more homes in the Elm Hill subdivision, and J. H. Buckner, developer of acreage on Hamlin road.

Almont PTA Meeting Will Be Held Tuesday

—ALMONT — The time for the regular PTA meeting has been changed to 8 p.m. Tuesday because of the conflicting date of the regional basketball tournament.

Lt. Walter Krause of the Pontiac Police Department will be the speaker.

JUDITH ANN TURNER

Judith Ann Turner's engagement to Thomas J. Davis has been announced by Mr. and Mrs. Orval Turner of Waterford Township. He is the son of Mr. and Mrs. Leonard Davis of Rode, Va. A wedding date has not been set.

To Be Guests of Guild

WATERFORD TOWNSHIP — The Women's Auxiliary of Waterford Community Church will be guests of the Lutheran Guild of Christ Lutheran Church for luncheon Wednesday. The luncheon will take the place of the group's regular March meeting.

Game at Romeo to Feature Lions

Football Stars to Vie
With High School Team
in Basketball Tilt

ROMEO — Members of the Detroit Lions football team will play basketball in a benefit performance at the Romeo High School gym at 8 p.m. Tuesday.

They will compete against members of the Romeo High School varsity club.

Proceeds from the game will be given to William Stude, high school football player injured last fall.

Playing under the name of "The Detroit Lion All-Stars," most of the All-Stars cagers will be Lions members, with a sprinkling of other football players from the National Football League.

On the All-Star roster are Lions Dorne Dibble, Sonny Gandee, Lou Creekmur, Charles Ane, Jug Girard, Bob Hoernschmeyer, Lion's publicist Bud Erickson, and Al Darrow of the Washington Redskins.

Fire in South Lyon Causes \$500 Loss

SOUTH LYON — Damage was estimated at \$500 after a fire in the third floor attic of the Race Building in the business section last night.

The blaze was confined to the attic by the South Lyon Volunteer Fire Department. A passer-by turned in the alarm at 11:30 p.m.

Tenants in apartments on the second floor escaped without injury.

'Being Different' Is Topic for Rochester WSCS

ROCHESTER — "Being Different," will be the topic of the Rev. William Hill Collycott when he addresses the WSCS of St. Paul Methodist Church Wednesday. The dessert luncheon, scheduled for 1:30 p.m., will be preceded by an executive committee meeting at 12:30.

The program, planned by the Priscilla Circle, will also include John Rutter as soloist.

MRS. CHARLES STILLWELL

Suzanne Stammann Wed in Evening Church Rites

OXFORD — Suzanne Stammann became the bride of Charles Stilwell in evening rites at the Holy Cross Lutheran Church Saturday.

The bride is the daughter of Mr. and Mrs. Arthur Stammann of 986 Maloney Rd. Mr. and Mrs. Lee Stilwell of 826 Olive Rd. are the parents of bridegroom.

A waltz-length gown of chantilly lace over white satin was the bride's choice for the ceremony. Princess style, it had a low neck, tiny cap sleeves, and chantilly lace guantlets.

Matron of honor was Mrs. Claire Touchette, cousin of the bride, and Roberta Stammann, sister of the bride, was bridesmaid.

Velmar Stilwell, brother of the bridegroom, was the best man, and the guests were seated by Howard Evans and Richard Buechler.

A reception followed in the church parlors, and the couple left for a trip to Florida. They will live in Pontiac.

Roosevelt PTA to Hear Talk on Civil Defense

KEEGO HARBOR — Mrs. John Warren will speak on the importance of civil defense at the 8 p.m. Tuesday meeting of the Roosevelt PTA in the school gym.

Election of officers will be the main business of the evening, and members will have to show their membership cards to receive a ballot.

Refreshments will be served by mothers of 4th and 5th grade pupils.

Milford Man Injured in Crash Saturday

MILFORD — Injured Saturday, Lester Oliver, 35, of Middle road, is in poor condition today, according to Pontiac General Hospital officials.

He was hurt when a car in which he was riding, driven by Richard Probyn, 35, of Hibber Rd., apparently skidded on railroad tracks at a crossing, went out of control and struck a tree and utility pole.

To Show Travel Films

KEEGO HARBOR — Mrs. Truman Lanphere of Pontiac will present travel movies of Mexico, Southern California and Florida's Cypress Gardens following the Keego Harbor Business and Professional Women's Club dinner meeting at the Rotunda Inn this evening.

GM '54 Payroll

DETROIT — An average of 576,667 men and women were working for General Motors throughout the world last year and were paid a total of \$2.61 billion, Harold H. Curdick, president, and Alfred P. Sloan Jr., chairman of the board, announced today.

These payrolls were close to the largest total GM ever disbursed in payrolls in a single year. They amounted to more than a quarter of all GM sales in 1954.

"GM people had a good year in 1954," Curdick and Sloan declared in a statement preliminary to their annual report.

General Motors world-wide employment in 1953 averaged 585,672 and payrolls amounted to \$2.672 billion.

Despite a substantial drop in defense employment during 1954, hourly-rate employment in GM United States plants was not far from the record level of the previous year. The average for 1954 was 367,462 compared with 385,929 in 1953. Their payrolls totaled

\$1,747 million in 1954 as against \$1,832 million in the previous year. The hourly-rate employees in GM U. S. plants worked an average of 40.4 hours a week in 1954 compared with 41.9 hours in the preceding year. They earned an average of \$91.44 in weekly pay in 1954 as against \$92.27 a week in 1953.

Operations were briefly curtailed in the fall of 1954 by retooling for one of the most extensive new model change-overs in GM history.

While this temporarily affected employment and employee earnings

during the change-over period, the heavy demand for the new products called for overtime hours and the average hours per week rose to 41.8 and average weekly earnings to \$96.26.

In the month of December, a record number of cars was produced and average hourly-rate employment for that month was more than 382,000.

Average hourly earnings of GM hourly-rate employees in 1954 was \$2.27 per hour compared with \$1.81 for all manufacturing, as reported by the U. S. Bureau of Labor Statistics. For many years the av-

erage for GM employees has been consistently above the average earnings for all manufacturing.

The two components of the wage adjustment formula of the company's long-term agreements with unions representing most GM hourly-rate workers in the United States — the annual improvement factor and the cost-of-living allowance — have added 44 cents an hour to wages in the past five years.

As a result workers under GM's flexible wage formula at the beginning of 1955 were receiving 25 cents more an hour than they re-

ceived five years ago in their cost-of-living allowance and another 22 cents per hour as the result of their improvement factor increases. Equivalent adjustments have also been made in the cost-of-living allowance and base pay of eligible salaried employees.

"A 15-year comparison of employment figures dramatizes the growth of job opportunities in General Motors. In 1940 — the last full prewar year and a year of good business for GM — there was an average of 233,000 employees on the Corporation's payrolls in the United States and Canada," the statement added.

"At the beginning of 1955 there were 520,000, an increase of 287,000 good jobs in only 15 years. World-wide GM employment was close to 600,000."

In addition to direct money wages, GM employees have other benefits of material value to them which add substantially to employment costs. They include pensions, GM's contributions to the cost of group life insurance, health and accident insurance, hospitalization and surgical coverage. They include also unemployment insurance, which is entirely paid for by General Motors in all but two states where workers' compensation insurance, also paid for by GM, and the company's share of the cost of federal old age benefits.

Ninety-five per cent of eligible GM employees were participating in the company's group insurance plan at the end of 1954. During the year, \$34 million was paid out in benefits, bringing to \$271 million the total paid out in the 28 years in which group insurance of various kinds has been available to GM employees.

A total of 13,870 retired GM employees were benefitting from the company's pension program at the end of 1954. Of these, 11,002 were hourly-rate employees and 2,877 were salaried employees.

Another section of the report deals with the outstanding progress General Motors has made over the years in its efforts to stabilize employment.

"While automobile customers, exercising their free choice, traditionally buy a large percentage of the year's production in the spring and early summer months," the report said, "General Motors has been able to minimize the impact of this seasonal customer preference upon employment stability by operating on an overtime basis during these periods of peak customer demands."

The report emphasized that GM has also made progress with other factors which are within its control, such as moving ahead with the development of the model change-over period and shortening the duration of the model change shutdown.

"These steps, too, have contributed to the greater regularity of employment and have increased the annual earnings of General Motors employees," the report said.

"Public discussion of various types of so-called wage guarantee plans have tended to obscure progress already made in stabilizing employment and also have tended to divert attention from the fact that there are already in existence employer-financed unemployment compensation systems regulated and administered by state governments," the report continued.

It pointed out that through 1954 payments by American employers to state unemployment compensation funds have amounted to nearly \$19.7 billion and that General Motors alone has contributed more than \$263 million to these funds. The various states have paid a total of \$13.5 billion to unemployed persons through 1954. These payments to the unemployed have not been subject to individual federal or state income taxes. At present \$8.2 billion, including \$2 billion of interest earnings, remains in reserve available for unemployment payments.

"Except for minor provisions now in effect in two states, these guarantees are paid for entirely by employers and neither general tax receipts nor contributions of employers go towards payment of unemployment benefits," the report said.

General Motors Institute at Flint virtually completed during the year the largest development program in its history, with floor space increased a total of 40 per cent. The expanded facilities of the institute are designed to help meet the growing requirements of General Motors divisions for trained technical and management personnel. In the fall of 1954 there were 2,443 students enrolled in the GM cooperative program and 264 post-graduate students. A total of 33,682 students were enrolled during the year in various training programs conducted by the institute or divisional programs aided by the GMI.

Fifteen hundred and completely equipped medical departments were added to employ health facilities during 1954, bringing to 124 the number of such departments in General Motors. They are staffed by 155 physicians and 750 full-time nurses and technicians.

Series E United States saving bonds with a maturity value of \$103 million were purchased by GM employees in 1954, bringing total purchases since the plan was started in August, 1941, to about \$1.208 billion maturity value.

Grain Market Prices Slump

CHICAGO (U) — Grain prices dropped as the liquidating movement of last week renewed itself on the Board of Trade today.

Dealings were fairly active, although less so than in some of the price breaks of last week. Brokers said demand again was pitifully limited, a fact which accounted for a good part of the decline.

On the early sell-off several new seasonal lows were set. All corn futures except March dropped into new low ground. With them were May and July rye, and May, July and September soybeans.

CHICAGO GRAIN — Opening

Grain	May	July	Sept.
Wheat	21 1/2	21 1/2	21 1/2
Barley	21 1/2	21 1/2	21 1/2
Oats	20 1/2	20 1/2	20 1/2
Rye	20 1/2	20 1/2	20 1/2
Soybeans	20 1/2	20 1/2	20 1/2
Beans	20 1/2	20 1/2	20 1/2
Peas	20 1/2	20 1/2	20 1/2
Flour	20 1/2	20 1/2	20 1/2
Feed	20 1/2	20 1/2	20 1/2

Keego Man Faces Car Theft Charge

A warrant charging car theft was issued today against a Keego Harbor man who led police on a high-speed three-mile auto chase Saturday, according to Assistant Oakland County Prosecutor Robert D. Long.

Robert J. Hickey, 21, of 2426 Pine Lake Ave., will probably be arraigned later today before West Bloomfield Township Justice Elmer C. Dietler, Long said.

Police began chasing Hickey when he ignored halt signals at Orchard Lake road near Middlebelt road. His flight ended when he struck a utility pole and abandoned the car.

Ratify Chrysler-UAW Contract in Windsor

WINDSOR, Ont. (INS) — A new contract between Chrysler Corp. of Canada and the UAW-CIO was ratified by the workers in Windsor yesterday.

The new pact provides a four-cent hourly wage hike and other benefits for the 6,800 employees.

To Expand GM Diesel

GRAND RAPIDS (U) — Officials said Monday contracts will be let soon for a 140,000 square foot addition to General Motors Corp. Diesel Equipment Division, C. F. Runchey, general manager of the division, said the project will give the plant 575,000 square feet. It is the fourth expansion since the plant was built in 1946.

Address Is No Help

LOS ANGELES (UPI) — J. Perich failed to take his address seriously, Perich, who yesterday received a one-year term for misdemeanor drunk driving, lived at 635 Aqua Pura Dr.
