

Kyes Considered for Top Position of Missile Project

WASHINGTON (INS)—Defense Secretary Charles E. Wilson today was reported considering his former deputy, Roger M. Kyes, to be "czar" of the stepped-up U. S. program to produce ocean-spanning rocket missiles.

Paul Hoffman, of Studebaker Corp., and the Ford Foundation, was also mentioned as a possibility for the new post being created at the Pentagon because of persistent reports that Russia has forged into the lead in long-range missiles.

Wilson's only comment to aides was that he hoped to place in the job an industrialist "as big or bigger than" K. T. Keller, Chrysler Corp. chairman—who was the guided missiles coordinator in 1952-53.

The defense secretary announced at a news conference late yesterday that he will name a special assistant for "research, development, engineering and production of guided missiles, especially ballistics (rockets) missiles."

TO HAVE AUTHORITY

He said the assistant will "act in my name," will be a "doer" rather than an adviser, and will have more authority than has ever before been given to a top-level defense aide.

The missile program, Wilson added, will be "backed by all the money it can use." The administration has asked Congress to appropriate more than two billion dollars specifically for missiles this year.

Kyes came to Washington as deputy defense secretary in 1953, parted with Wilson on the best of terms 15 months later, and is now a senior vice president of General Motors Corp.

There was no indication whether Kyes would be willing to accept the new post. On his previous appointment, he originally agreed to leave his GM job for only a year.

WOULD DOUBLE DRAFT

Wilson also:

1. Said about 100,000 draftees may be released six months early, after 18 months' service, if they sign up for two and one-half years with the civilian "ready reserves." He said this probably would at least double the Army draft, now 6,000 a month.

2. Issued an order making effective a program announced by the White House Jan. 6 to enable skilled and highly educated draft eligibles of all ages to take only six months' military training. The idea is to keep such people in industry where they are needed.

3. Described as a "despicable smear technique" a charge that assistant defense secretary Thomas Pike had opposed a pipeline cause of his private interests. Wilson said he had looked into this, and the charge is "absurd." Pike is president of an oil drilling company.

Senator Seeks Highway Funds

Broomfield to Confer With Official on Road Financing Plans

Oakland County's State Sen. William S. Broomfield plans a conference today with State Highway Commissioner Charles M. Ziegler to begin steps toward assuring Oakland won't be "left out in the cold" by a proposed new highway financing formula.

If set up as proposed, the formula would provide even less funds for county primary and local road construction than the present distribution plan which itself will leave the county \$73,515,000 short of needs over the next 15 years.

The county's tremendous highway needs place it in a class apart from other Michigan counties whose requirements generally would be met by the planned change.

Oakland Supervisors Monday endorsed two steps toward a solution which Broomfield (R-Royal Oak) said he will bring to Ziegler's attention today.

The suggestions are for a special allocation to Oakland before the general formula is applied and increasing state trunkline mileage in the county to make the highway department pay a larger share of county road costs.

"I also intend to make sure the Legislature knows of the situation and what can be done to correct it," said Broomfield.

OKs Voting Machine for Rose Township

Rose Township board last night voted unanimously to rent from the Automatic Voting Machine Corp., Jamestown, N. Y., one manually-operated voting machine for use in the 1956 elections.

The township becomes the 29th Oakland County municipality to supplant paper ballots with voting machines.

At a subsequent date the officials may exercise an option to purchase the equipment and the rental fee of \$150 will be credited to the purchase price, according to the terms of the rental contract.

Only Brandon, Groveland, Addison and Lyon Townships are now without machines in the county. Pontiac is studying machines and is the only major city still using paper ballots.

Women in Vestries OK'd

DETROIT (INS)—The annual convention of the Episcopal Diocese of Michigan yesterday decided to permit women in the future to be members of church vestries and convention delegates.

Sleet Also Possible

More Snow Predicted

For the second time in four days, snowfalls draped Pontiac and vicinity with a two-inch white blanket. The weather man vetoes today's prophetic weather wonder, the ground hog, and forecasts more snow with the possibility of freezing rain.

Similar snowstorms are plaguing many areas of the Midwest and the East as a belt of freezing rain and sleet from Oklahoma to the Tennessee Valley shifted northward during the night.

Western Europe too is feeling the sting of one of the worst cold waves of the century. The death toll rose to at least 35 today as howling sub-zero winds brought misery to millions.

For Pontiac and vicinity, the

State Turnpike to Get Biggest Debate in 1956

But Legislative Group Sees No Repetition of Last Year's Hassle

LANSING (AP)—Legislative leaders predicted today that the 1956 session will be spared a repetition of last year's bitter battle over highways.

Most leaders predicted relative quiet on the highway front, with trouble expected in only one sector—turnpikes.

"I don't foresee any fights over highways this year at all unless we get into trouble over the turnpike," said Rep. Emil Peltz (R-Rogers City), chairman of the House Roads and Bridges Committee.

Members of a joint committee on highways met informally yesterday and drew up a resolution asking the lawmakers to extend the life of the committee.

The committee was set up last year to draw up a legislative program based on an exhaustive study of Michigan highway needs. Results of the study, conducted by the Automotive Safety Foundation, were announced in December.

The committee, working closely with a Citizens' Advisory Committee on Highways, expects to announce a new Michigan highway program within 90 days after enactment of a federal program.

Peltz said he would try to overcome any opposition to a new highway program before legislation reaches the floor of the House.

The bonds would finance turnpikes from the Ohio border to the Straits of Mackinac and from Detroit to Chicago.

Press Weather-Fixer Says: 'No Shadows Today'

Pontiac Press Photo

Ike's Off to Farm to Register Name as Local Voter

WASHINGTON (AP)—President Eisenhower will go to Gettysburg today for a weekend rest at his farm and to register Friday to vote in Pennsylvania for the first time.

He will be accompanied by Mrs. Eisenhower, who also plans to register at the Adams County Court house, a few miles from their country home. The Eisenhowers have transferred their legal residence from New York.

Registration will qualify the Eisenhowers to vote in Pennsylvania's April 24 primary, as well as in the November presidential election.

Authority Seeks Air Code Change

Detroit Group Asks Control of Oakland, Wayne, Macomb Ports

DETROIT (AP)—The Detroit Metropolitan Aviation Authority (DMAA) said today it will seek a legislative amendment to the state aviation code to give the authority power to operate all civil airports in Wayne, Macomb and Oakland counties and to control their air use.

The authority ordered yesterday a draft made of the proposed amendment which must be submitted to the State Legislature before a Feb. 15 deadline.

Brig. Gen. Lester J. Maitland, chairman of the State Board of Aeronautics, told the authority he would do "everything in my power to get the amendment passed by the Legislature."

If the legislative amendment is adopted, the authority must then get permission of local governments before it can take over city and county airports.

Glenn C. Richards, Detroit City Airport co-ordinator, said the authority hopes to convert itself into a tri-county group with seven commissioners, including four from Detroit and Wayne counties.

Leroy C. Smith, Wayne County road engineer and county airport manager, described the authority as it now exists as "actually a committee."

"Once we have an aviation authority with full powers we will be accomplishing something," Smith said.

We're Eating Too Often—Five Times Each Day

CHICAGO (INS)—T. H. Stanley, chairman of the Neuh Corp., a soft drink company, believes the traditional three meals a day are rising to five a day. He points out: "The morning coffee break, once unheard of, now is growing into a full-fledged meal. Midnight snacks used to be a refreshment period. Now, with families watching television at late hours, the snack is growing into meal No. 5."

Red Snows Heavy

ROME (INS)—Rome was covered with a blanket of snow for the first time in 17 years today. The snow was part of the storms which are sweeping Europe, and which originated in Siberia. This meteorological fact caused one Roman to quip: "The Russians never seem to send anything good."

COME OUT, YOU DEVIL — Caught in the act of attempting to assure Pontiac residents of an early spring, is Pontiac Press Ground Hog Day Editor George Trumbull. The furry little creature didn't stand a chance this year. The umbrella is to assure no ray of sunlight filters through today's overcast and snowflakes to cast a shadow and prolong the winter season.

Mother Nature Foiled

Ground Hog Shadowless, Thanks to Umbrella Ruse

By GEORGE T. TRUMBULL JR.

Phooey on the Weather Man, I say. Listen to George the Ground Hog prophet.

What's a few more inches of snow here and there. Don't lose faith, my children, for Spring (hold on to your hats) is just around the corner.

You say I'm crazy as a loon.

Not a chance.

For today is Feb. 2, ground-hog day. Mr. Marmota Monax, that's a ground hog or woodchuck, awoke this morning realizing the whole North American continent was awaiting his annual prediction.

Kubitschek Orders Censorship Lifted

RIO DE JANEIRO (AP)—The New

Brazilian government headed by President Juscelino Kubitschek today ordered the lifting of all censorship of newspapers as its first official act.

Brazil's press has been censored since Nov. 25 when a state of siege (modified martial law) was imposed on the country following a military uprising against the provisional government.

Leaders of the uprising claimed it was necessary to thwart plots to prevent Kubitschek's being inaugurated.

The censorship applied only to Brazilian publications and broadcasting stations. The decision to lift it was made at the first meeting of Kubitschek's cabinet.

Girl Shoots Mom in Back

SCRANTON, Pa. (AP)—Authorities said two men plotted with a teenage high school girl to kill her parents and divide their wealth. The girl's mother was shot Monday and is in critical condition.

Asst. Dist. Atty. Ralph Needles said charges would be placed today at the arraignment of Samuel Diana, 22-year-old Sicilian immigrant, and John Pitta, 34, whom he said masterminded the plot against the parents of Marlene Chomko, 16.

He said the girl intended to marry Diana and "live happily ever after" in her parents' luxurious home in nearby Taylor. Pitta was to get a truck belonging to her father, a well-to-do trucker.

Needles said all three had signed statements admitting taking part in the plot.

SHOT MOTHER IN BACK

The men have been held on open charges. The girl is charged with felonious assault.

Needles said Marlene shot her

mother, Mrs. Margaret Chomko, 38, in the back and then, with Diana, set out by car in pursuit of the girl's father, who was driving to New York.

Mrs. Chomko was able to reach a telephone, and an operator who heard her moans sent police. The shooting

Order Talks on How to Act in Middle East

Warn Red China That U.S., Britain Will Help Attacked Nations

WASHINGTON (INS)—President Eisenhower and British Prime Minister Sir Anthony Eden set the free world on a bold new course today in the search for global peace.

In an historic "Declaration of Washington" and a formal communique, the two leaders announced these major decisions:

1. They ordered the British ambassador and the State Department to begin talks to determine just what military or economic action could be taken to stop an Arab-Israeli war if one starts. The French government is expected to reply today or tomorrow to an invitation to have its ambassador join the talks.

2. They warned Red China sternly that Britain and America will unite to help any free nation ward off attack or subversion by the Communists. The U. S. and Britain agreed the declaration of united purpose covers Formosa. Britain refused, however, to extend the declaration to include the offshore islands of Quemoy and Matsu.

3. The two leaders agreed to continue controls to hold down free world trade with Red China. But Eisenhower made an important concession. He agreed to an immediate review of the list of goods banned from China trade. Rubber from Malaysia, Ceylon and Indonesia is expected to be one of the first commodities brought up for review.

4. They officially buried the "Geneva spirit," which last summer brought hopes for accord with Soviet Russia, and warned the nations of Asia and the Middle East that the Soviets are offering aid as a means of conquest.

5. They declared that it is British, as well as American, policy to maintain strength enough in the free world to "deter aggression."

Eden is expected to explain further the British view on the various problems in three speeches today.

He will address the Senate at 12:15 p.m. and then the House at 1 p.m. Late in the evening he will deliver a 15-minute talk to the nation via radio and television networks beginning at 11:15.

The most positive step announced by the communique was the order for Washington talks on various courses of action to quell any war that starts in the Middle East.

The China trade problem was the most difficult of the Eden-Eisenhower talks.

Township of Warren Votes to Incorporate

Residents of Warren Township, in Macomb County, have voted to incorporate as a fourth class city. The balloting was 3 to 1 in favor of the incorporation.

Warren Township has an area of 36 square miles and a 1955 census estimate shows a population of 57,000.

AS OF THURSDAY MIDNIGHT — Michigan drivers have until Friday to get accustomed to the new Michigan speed law. Speeds then will be limited to 65 daytime and 55 miles an hour nights.

Above, State Highway Department worker, Lawrence Hafely installs last of new signs as passing drivers safely ignore the limit . . . until Friday.

Split Threatens Over Water Bill

Royal Oak Legislator Says Looming Conflict Could Defeat Measure

A meeting was scheduled today in Lansing in an attempt to head off a looming party-line split which might again prevent state action to aid local communities in solving their water problems.

State Sen. William S. Broomfield (R-Royal Oak), author of a bill to set up a \$200,000,000 revolving fund from which local units could borrow water-financing money, said he will confer with State Atty. Gen. Thomas M. Kavanagh.

The attorney general, a Democrat, headed a committee which advocates forming a new commission to handle the water program.

Broomfield would have the Water Resources Commission expanded to handle the program. "A special commission would cost \$650,000 to set up and I'm sure this would be opposed by other Republican legislators besides myself," he stated.

"I hope to eliminate the difference of opinion and that the Democrats won't insist on creating a new agency. This program is a vital one and should not be a partisan issue."

Pontiac City Manager Walter K. Willman has voiced support for the proposed fund from which the city could borrow enough to launch a program immediately and pay the loan back over a period of years from water-sale revenue.

Pontiac would need a minimum \$28,000,000 to bring water from Lake St. Clair, he stated.

Apprehend 2 Youths in School Burglary

Two boys caught burglarizing Lincoln Junior High School, 131 Hillside Dr., last night, admitted breaking into another school an hour earlier.

Police caught the pair after a night watchman heard them break in through a window.

Ages 13 and 14, they admitted to detectives they stole a watch and knife from Sarah MacCarroll School, 191 Glenwood Ave., where they broke a window to enter.

From the high school the pair had collected a bag of change taken from vending machines, a set of tools and \$5, police said.

The boys were released to parents last night and told to report to the juvenile officer this morning.

Prophet Refuses to Press Charges Against Gunman

DETROIT (U)—Because, he says, God "told me not to," prophet Jones refuses to press charges against a Cleveland man who invaded his home at gunpoint, fired a shot into the wall and terrorized the household.

The prophet, Negro leader of a large religious sect, appeared at the Wayne County Prosecutor's office yesterday but declined a complaint against Robert E. Rhodes, 28.

"God told me not to," he said. Rhodes, 28, admitted he fired a pistol in the prophet's 54-room "French Castle" Monday after he was three times refused admittance to "talk about the Bible" with the prophet.

Seized by State Police at Erie Tuesday, Rhodes said he fired the gun because he was "just mad." Officers found three loaded guns and three knives in his car.

Rhodes is awaiting trial in Monroe County Circuit Court on a charge of carrying a concealed weapon. He waived examination in Municipal Court yesterday. Bond was set at \$500.

Wants That Key

SACRAMENTO, Calif. (U)—Adlai E. Stevenson was presented with a small replica of the White House at a Democratic rally and laughed. "Now, I'm waiting for the key."

Veterans Group Seeks Applicants for Scholarships

Applications for two four-year college scholarships now are being accepted, Amvets Commander Leon Sirlin, Jimmie Dey Post, said today.

A \$500-a-year scholarship to any accredited college is open to area high school seniors whose fathers were killed or totally disabled during World War II or the Korean conflict, Commander Sirlin said.

On behalf of the Burmese government, a special \$250-a-year four-year scholarship is open to high school seniors whose fathers were killed or totally disabled in the Burma campaigns of World War II. Funds for this scholarship, supplemented by Amvets contributions were provided in a \$5,000 donation from the Burmese government to President Eisenhower, Commander Sirlin said.

Senate Debates Boat Speed Law

Drunkometer Bill Passes Making Medical Tests Admissible in Court

LANSING (U)—The legislature's crackdown on errant drivers was extended to motorboat operators today.

After passing the so-called drunkometer bill, the Senate took up a measure that would limit local authorities to set "reasonable or safe" speed limits on the state's inland waters or water connected with the Great Lakes.

Sheriffs, acting jointly with local governing bodies, could post the speed limits or ban boats with too much horsepower.

The bill also would require registration of all motorboats with the clerk of the county where the owner resides and the display of a registration number on the boat like a license on an automobile. This is aimed at facilitating the tracing of reckless operators who endanger lives, disrupt fishing and annoy cottagers.

Introduced by Sen. Harry F. Hittle (R-Lansing), the bill was bogged down yesterday by a series of long, involved amendments. Further debate was scheduled today.

THE VOTE: 28-3
The bill making results of chemical tests on accused drunk drivers admissible court evidence sailed through the Senate yesterday without further debate. The vote was 28-3.

It, too, had been thoroughly amended and somewhat watered down.

The measure covers tests of a driver's breath, blood, urine or saliva to determine alcoholic content. Accused drunk drivers must be advised of their right to refuse all tests, but if they agree to undergo one the results must be produced in court and certain "presumptions" as to the extent of intoxication may be drawn.

The bill was sent to an uncertain fate in the House, which has killed similar ones in the past.

Nine Area Youths Starting Army Life

Four Pontiac youths and five from the county leave for their 2-year tours of duty with the Army this week, as Selective Service Boards 65 and 67 together called only nine men to service during January.

From Pontiac go Frank J. Roselli, 637 Rascoe St., group leader, Raymond J. Young, of 22 Blaine Ave., LaVerne Geans, of 47 Beaudette St., and Ronald R. Lindberg, of 1620 Stanley Ave.

County inductees are leader Melvin M. Stevens of Detroit, Lester J. Harden of Farmington, William L. B. Richards of Holly, Russell E. Morgan of South Lyon, and Adam Denny of Farmington.

Feikens Calls Staebler on Corruption Charges

LANSING (U)—Michigan Republican State Chairman John Feikens today challenged Democratic State Chairman Neil Staebler to a debate over GOP charges of corruption in the administration of Gov. G. Mennen Williams.

Feikens in a telegram to the Democratic chief, said:

"In your reply to my charges of corruption in the state government, you deliberately avoided the issues I raised.

"In the public interest, I challenge you to debate these issues of corruption before the people in public meetings, on public service television and radio time, or on programs sponsored jointly by our parties."

Antarctica 75 Degrees Warmer Than Moscow

MOSCOW (U)—It was almost 75 degrees warmer in Antarctica than in Moscow yesterday.

The temperature here was 28 below zero. Dispatches from a Soviet polar expedition reported a temperature there of 36.5 above.

Central Russia is getting the full brunt of a frigid wave sweeping from the North Pole and westward across Europe.

IN DEATH PLOT — Police at Scranton, Pa. say Mrs. Margaret Chomko, 38, was shot by her daughter, Marlene, in a plot in which the parents were to be killed in order to permit the girl and an acquaintance to marry and live on the daughter's inheritance. (See story, page 1)

'I Was Never Afraid,' — Freed Flint Widow Says

FLINT (U)—"I was never afraid. You never get punished for anything you don't do."

Thus Mrs. Betty Kehl described her two-week confinement in jail which ended with her release yesterday after the state acknowledged it lacked evidence to try her in the slaying of her salesman husband.

The 32-year-old brunette had been in police custody since the night of Jan. 16 when she dashed into police headquarters and tearfully reported she and her husband, Robert, 34, had been abducted and he had been shot to death by an unknown assailant. Officers found him dying at a dump on Flint's outskirts.

Pontiac Police are seeking big, husky, brainy lads—to pound typewriters.

They're also needed to answer telephones, handle reports, and assist at Police Headquarters' front desk.

The young men in mind are those who want to become officers at the age of 21.

Early experience as clerk would give prospective officers valuable acquaintance with police routine and methods," said Police Chief Herbert W. Straley.

Candidates for the job must be high school graduates at least 18 years old. Applications may be made with the City Personnel Director.

Huge Rooftop Helipod to Be Built in Tokyo
TOKYO (U)—The Tokyo Air Terminal Co. today announced it will build the "world's largest" rooftop helipod in the heart of Tokyo's business district.

It is planned to accommodate 30 passenger helicopters, airlifting travelers to and from Tokyo International Airport, 45 minutes away by taxi.

The 10,000-square-foot helipod will be built atop the 11-story Metropolitan government building this spring.

Three hours after her release, Mrs. Kehl held a news conference in her attorney's office.

There she told newsmen she saw not one, but two men at the garage where she and her husband, were reportedly waylaid the night of the killing.

In her first account to police, Mrs. Kehl said a stranger abducted her and her husband and forced them to drive to the dump where Kehl was slain. Later she named a bachelor, boyfriend, William Thomas, 29, a peepster, as the killer.

Thomas denied the charge and he was released after police said a detective first showed he was telling the truth. Thomas' land lady supported his alibi, saying he was in his room the night of the killing.

Mrs. Kehl said she had assured Thomas she would not press charges.

Potter Introduces Bill for Lakes' Ship Funds
WASHINGTON (U)—Federal aid for construction of vessels for the Great Lakes bulk fleet would be provided under a bill introduced by Sen. Potter (R-Mich).

The bill would authorize the federal government to acquire obsolete vessels in exchange for an allowance of credit to be applied on the purchase price of new vessels.

The government would pay the difference between the construction cost of a ship built in this country and one constructed in the lowest cost foreign yards.

President, Eden Map New Policy
(Continued From Page One)

however talks Sir Anthony came to Washington with a proposal to eliminate the special controls on China trade and make them the same as the controls on the trade with Russia.

The Americans argued that the more trade ban on China trade is needed to be effective in protecting the security of the free nations on the peninsula and islands near China.

HAMPER REDS
It was further explained that in the American view the purpose of the list is to hamper the Chinese Reds enough to at least slow down their efforts to attain the military power that would be needed to mount an aggression.

In the forthcoming review of the list of banned commodities the U.S. cardstock for relaxation will be the answer to the question whether a free nation will be made more or less secure if it sells a given commodity to Red China.

The term "security" is used in the broad sense to include economic stability. Thus, presumably permission might be granted a country to sell something like rubber or rice to Red China if there was no other way to avert an economic crisis in the free country involved.

Tokyo Third Biggest City
TOKYO (U)—The Tokyo Metropolitan Statistics Bureau said today Tokyo's population was 8,018,619—the third largest in the world—after London and New York.

Shanghai, the fourth largest, had a population of 7,000,000.

Red Fishermen Await Decision

Norway to Take Action After Courts Rule; Tass Statement Ignored

OSLO, Norway (U)—Norway apparently will wait for a ruling from her courts before taking action on Russia's mildly worded demand for the release of 14 Soviet fishing boats seized as poachers by the Norwegian navy.

The Soviets termed the affair a misunderstanding.

The Red trawlers were rounded up this week in the rich herring banks off the west coast port of Alesund, Norway protested formally to the Soviet government that her waters had been invaded by about 75 Russian trawlers.

Reports from Alesund said no Soviet craft had been seized since early yesterday and the Russian fleet apparently had put out to sea. Eight Norwegian naval craft were standing by in that area. Earlier the Norwegians said the Russians had returned each time the navy patrol chased them beyond the four-mile limit.

Russia via a Tass agency dispatched denied that the fishing boats were in Norwegian territorial waters and demanded that Norway "promptly release" the 14 vessels.

A "Norwegian Foreign Office spokesman commented:

Our immediate reaction to the Moscow statement is that it will be for the courts to decide whether the vessels seized have violated the boundary. Prosecution against the trawlers has started and the cases will be dealt with according to Norwegian law."

Pontiac Deaths

Jean Margaret Barry
Word has been received of the death of Jean Margaret Barry, 16, of Williamston, formerly of Pontiac.

She died Tuesday evening of polio in Sparrow Hospital, Lansing.

She was born Aug. 4, 1919 and had lived in Williamston 10 years.

Jean is survived by her parents, Mr. and Mrs. Jerome Barry, three sisters, Alice at home, Cecilia of Royal Oak and Leona of Pontiac; four brothers, Richard, Daniel, Louis and Jerome Jr. of Pontiac and Waterford and five nieces and nephews.

The Rosary will be said Friday evening in the Gorsline Funeral Home, Williamston. The funeral will be held at 10 a.m. Saturday from the St. Mary's Catholic Church with burial in Mount Calvary Cemetery.

Terrance Lynn Hawkins
Prayer service was held at 1 p.m. this afternoon for Terrance Lynn Hawkins, infant son of Willie and Elizabeth Webb Hawkins in the Frank Carruthers Funeral Home.

The Rev. S. M. Edwards of the Liberty Baptist Church officiated. Burial followed in Oak Hill Cemetery.

The baby was born here Dec. 9, 1935 and died Tuesday in St. Joseph Mercy Hospital.

Besides his father and mother, Terrance is survived by two brothers and two sisters, Richard, Willie Jr., Bernice and Gwendolyn, all at home. The family resides at 93 California St.

Mrs. Lawrence Hayes
Mrs. Lawrence (Frances J.) Hayes, 78, who formerly lived here on Mary Day avenue, died Tuesday after several months illness.

She was born in Cincinnati, Ohio in 1877, the daughter of George and Josephine Keyser. When living in Pontiac, Mrs. Hayes was a member of St. Vincent de Paul Catholic Church.

Mrs. Hayes was living at 9825 Carter St. Allen Park at the time of her death.

She is survived by three children, Mrs. Katherine Salter of Detroit, William of Allen Park, and Lawrence of Louisville, Ky., five children and two great-grandchildren.

The Rosary will be recited at 7:30 p.m. Thursday in the Voran Funeral Home, Allen Park. Service will be held at 9 a.m. Friday from her church, the St. Francis Cabrini Catholic Church where burial will follow in Mt. Olivet Cemetery.

Tommie Hill
Tommie Hill, 45, of 507 Alton St. died Tuesday in University Hospital, Ann Arbor. He had been ill four months.

Born in Capleville, Tenn. May 15, 1910, he was the son of Mott and Mattie Jackson Hill.

A resident of Pontiac 27 years, Mr. Hill had been employed at the Hi-Speed Service Station, Johnson at Orchard Lake Ave.

Service will be at 2 p.m. Friday from the Frank Carruthers Funeral Home with his pastor, the Rev. Alvin Willingham of the Spiritual Church, officiating. Burial will be in Oak Hill Cemetery. Friends may call after 7 o'clock this evening.

Mrs. Claude C. Kline
Mrs. Claude C. (Zella May) Kline, 57, of 133 Wolfe St. died yesterday in Pontiac General Hospital after a brief illness.

Born in Bangor, Aug. 15, 1898, she was the daughter of Herbert and Minnie Garret Yates, The

The Day in Birmingham

South Oakland Planners Discuss Road Building

BIRMINGHAM—Finances are so low that adequate highway building is completely impossible, city planners and state representatives concluded after reports were heard at last night's meeting in Huntington Woods of the South Oakland Planning Council.

Rep. Richard C. Van Dusen, of Birmingham was among the four legislators who told the 45 city planners, commissioners and planning board members from area communities why new roadways are so few.

All blamed lack of funds on state, county and local levels after the present roads were repaired.

The increase in the weight tax several years ago was not sufficient to finance new road construction, they agreed in the meeting conducted by Herbert Herzberg, Birmingham city planner.

Taxpayers will have to pay more. Van Dusen and the other four, from other legislative districts, agreed, looking towards an increase in gas, tires, or licensing taxes.

Definite need for more roads was pointed up by the survey explained by a Regional Planning Commission official. Maps of the survey show convergence of work-and-pleasure-bound motorists on much overcrowded highways, and show that certain areas will require creation of new routes.

Down town Birmingham, downtown Royal Oak, and the Pontiac and Detroit working areas are drawing traffic through the area that creates congested streets and highways.

One expert at the meeting explained how traffic totals are far ahead of highway construction in the county.

What first appeared to be a car theft last weekend turned out to be a surprise auto wash for Mrs. Anne Bradley, who called police when she found her car gone when she came out of work at the Hair Styles by Charles Salon on North Woodward Avenue.

Equally irate at first was Mrs. Therese Hogan, who finished work next door at the Furs by Robert Boutique, and found that Petrol by Murphy had not washed her car as she'd asked. And Murphy was disgusted with his customer, for he felt sure he'd washed the Hogan car.

But all laughed when they discovered Mrs. Hogan's keys had

Klines were married June 29, 1919 in Hartford.

She attended school in Coloma and had lived here since 1919. Mrs. Kline was a member of the Oakland Park Methodist Church.

Daughters of Union Veterans and the Rebecca Circle of her church.

She is survived by her husband and her father.

Service will be at 1:30 p.m. Saturday from the Hulton Funeral Home with her pastor, the Rev. James W. Deeg officiating. Burial will follow in Perry Mt. Park Cemetery.

E. L. Thompson
E. L. Thompson, 72, of 26 Orton St. died Tuesday in University Hospital, Ann Arbor. He had been ill three months.

Born in Charleston, Miss. Nov. 5, 1883, he was the son of Amos and Barbara Burdette Thompson.

In 1936 he was married here to Annie Lee Brown.

A member of New Beth Baptist Church, he had lived in Pontiac 20 years, coming here from Clarkdale, Miss.

Mr. Thompson was a member of Heron Masonic Lodge No. 26 F&AM and was a Scottish Rite Mason. He had been employed at Pontiac Motor Division.

Besides his wife, he is survived by a daughter, Mrs. Zenna Joseph of Pontiac.

Also surviving are three sisters, Mrs. Victoria Mitchell of Pontiac, Mrs. Beatrice Houston and Mrs. Sallie Jenkins, both of Gary, Ill.

Service will be at 1 p.m. Tuesday in the New Beth Baptist Church with the Rev. William R. Bell officiating. Burial will be in Oak Hill Cemetery. Mr. Thompson's body will be at the Frank Carruthers Funeral Home at 1 p.m. Sunday.

Mrs. Guy Whitten
Mrs. Guy (Laura M.) Whitten, 69, of 37 Mary Day Ave. died this morning at her residence after several months of illness.

She was born in Alpena, Oct. 21, 1886, the daughter of David and Martha Jane Housell Thomson and married June 20, 1904.

Mrs. Whitten was a member of All Saints Episcopal Church, Navy Mothers, and Past Noble Grand of Rebekah Lodge of Panama City, Fla.

Mrs. Whitten, Rilla King, Mary Whitten and Gerald, all of Pontiac, 11 grandchildren and four great-grandchildren.

A sister, Mrs. Raymond K. Wilson, is living in Louisville, Ky.

Service will be at 2 p.m. Saturday in All Saints Episcopal Church with the Rev. C. George Wildfield officiating. Burial will be in White Chapel Memorial Cemetery. Mrs. Whitten is at the Donelson-Johns Funeral Home.

South Oakland Planners Discuss Road Building

BIRMINGHAM—Finances are so low that adequate highway building is completely impossible, city planners and state representatives concluded after reports were heard at last night's meeting in Huntington Woods of the South Oakland Planning Council.

Rep. Richard C. Van Dusen, of Birmingham was among the four legislators who told the 45 city planners, commissioners and planning board members from area communities why new roadways are so few.

All blamed lack of funds on state, county and local levels after the present roads were repaired.

The increase in the weight tax several years ago was not sufficient to finance new road construction, they agreed in the meeting conducted by Herbert Herzberg, Birmingham city planner.

Taxpayers will have to pay more. Van Dusen and the other four, from other legislative districts, agreed, looking towards an increase in gas, tires, or licensing taxes.

Definite need for more roads was pointed up by the survey explained by a Regional Planning Commission official. Maps of the survey show convergence of work-and-pleasure-bound motorists on much overcrowded highways, and show that certain areas will require creation of new routes.

Talmadge Tells Voters to Replace Sen. George

SAVANNAH, Ga. (U-P)—Former Gov. Herman Talmadge said on a television program that "vigorous representation in the U. S. Senate far outweighs seniority" and suggested that Georgians start considering a replacement for Sen. Walter George, 78.

"If I serve the people for 50 years, I won't ask for a new six-year term," Talmadge added.

Suspension of License a Mixup, Says Official

An announcement from the Michigan Secretary of State's office, printed in Monday's Pontiac Press, erroneously stated Paul E.

Tompkins, 8311 Lagoon Rd., would have his regular driver's license suspended three years.

A letter to Tompkins Monday from Frank D. Kelley, Deputy Director of Driver Services, acknowledged the suspension was a mistake.

It May Help Them

DALLAS (U-P)—Two young bandits, done, was recovered Burns found last night stole the car of Bible none of his 27 Bibles. 24 neck-salesman James K. Burns and laces inscribed with the Lord's used it to stage a grocery store prayer. 10 Bible-story books or holdup that netted them \$43. When numerous crosses had been taken

Headquarters to Be in Florida

International Scientists Band Together to Perfect Hurricane Forecast System

MIAMI, Fla. (AP) — The greatest still disaster with perfect hurricane concentrated attack ever made on cane forecasts—will be launched in one of man's most pressing Florida in May.

weather problems — how to fore- Robert H. Simpson, tall, hard-driving research expert of the U.S. Weather Bureau's Washington staff disclosed final plans for the ambitious project today after a conference here with Navy and Air Force experts who will participate.

PERFECT FORECAST
Coming on the heels of history's most terrible hurricane season, the immediate aim of the program, in which scores of scientists of several nations will participate, will be to perfect a foolproof 24-hour hurricane forecast.

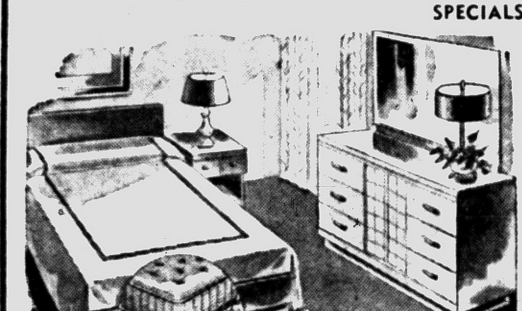

Later, they expect to develop forecasting techniques to a point where weathermen can say three days in advance when and at what place a hurricane will hit the coast. And in working toward this goal, they hope by cloud seeding to find a way to avert future tragedies by steering these mighty tropical storms away from densely populated areas.

FLYING BRAINS
Horrified by the fury of the 1955 hurricanes, which took a two-billion-dollar damage toll, the greatest in history, Congress appropriated half a million dollars to get the project started and is expected to vote more money as needed. The work probably will cost eight million dollars.

Included in this giant effort will be:
1. Flying electronic "brains" that will probe hurricanes up to 40,000 feet to determine why they generate such tremendous power and why they travel as they do along tickle, serpentine paths over land and sea.
2. High-flying Navy rockets that will soar 50 miles to take the first photographs of whole hurricanes covering hundreds of square miles. Scheduled to last 30 months, through three hurricane seasons, the investigation might go on five years or more.

Fire Hits Residence, Causing \$800 Damage
Fire which swept a one-story frame home at 485 Alton St. yesterday caused \$800 damage, firemen estimated.
The hour-long blaze was caused by careless smoking, they said.
Owner Roosevelt Robinson reported the loss is covered by insurance.

County Medical Auxiliary Honors State Officers

State officers were honored Wednesday evening when the Auxiliary of the Michigan State Auxiliary; Mrs. Delbert M. MacGregor of Flint, state president, and Mrs. Harold F. Sawyer of Pleasant Ridge, state treasurer. Speaker for the evening was Mrs. William Burlingame of Birmingham who talked on "House Plants for Effective Accents."

Vacationers Are Lured by Sunshine

Pontiac Folks Visit Florida and Other Southern States

Mrs. Dora Dawson and Mrs. Helen Teitgen of South Tilden avenue are leaving on Friday for a month's vacation at Hendersonville, N. C.

En route they will stop at Perrysburg, Ohio, where they will meet Mrs. R. J. Hillbrand who will accompany them on the vacation.

Mr. and Mrs. Jack Hoyt of Newberry street are spending a two-week vacation in the South. Among the places they will visit are Natchez and New Orleans.

Margaret Dow, daughter of Mrs. Janet Dow of Lexington drive, has pledged Alpha Omicron Pi sorority at Michigan State University.

Margaret is a freshman at MSU and is majoring in secretarial studies.

Mrs. Harry Striffler will entertain members of the Fireside Club in her home on East Iroquois road Friday afternoon.

Robert Stohlmann, son of Mr. and Mrs. P. F. Stohlmann of Judson street, is a member of the A Cappella Choir of Concordia Junior College, Fort Wayne, Ind., which will tour Florida from Feb. 3 to Feb. 12.

Mrs. C. Sanborn Hutchins will entertain members of the Women's Auxiliary of the Church of the Advent this evening in her home on West Long Lake road.

Mr. and Mrs. Richard Pfeffer (nee Betty Sutton) of Elizabeth Lake avenue announce the birth of a daughter, Laura Diane, Jan. 31 at St. Joseph Mercy Hospital.

Maternal grandparents of the infant are Mrs. Robert Hanger of West Howard street and R. H. Sutton of Union Lake road. Mr. and Mrs. Joseph Pfeffer of Elizabeth Lake avenue are the paternal grandparents.

A daughter, Keri Kristen, was born Jan. 30 at St. Joseph Mercy Hospital to Mr. and Mrs. William Boose Jr. (nee Floy Wilson) of Birmingham.

Grandparents are Mr. and Mrs. William Boose of Judson street and Mr. and Mrs. Elmer Wilson of Mary Day avenue.

Parliamentary Group Visits Radio Workshop

"The Valentine Party" was the title of the story chosen by students of the Pontiac High School Radio Workshop, when members of the parliamentary study club visited the school Wednesday afternoon.

Announcer for the group was Jerry Young, with Fran Glusky serving as the "Story Princess."

Portraying other parts were Judy Lacy as "Cathy"; Elizabeth Gregory, "Sandra"; Judy Louchner, "Natalie"; Sharon Boyce, "Nancy"; Frank Thomas, "Tommy"; and Jeff Segal as "Jimmy."

Music was provided by Marcia Galbraith with Mary Schearer as soloist. Sound effects were handled by Ken Levison and Dan Jubel.

Student engineers in the control room were Fred Vost; Paul Hagle, Richard Moats and Ben Williams. The program will be presented over a local radio station Feb. 8.

Three members of the auxiliary grouped together were (left to right) Mrs. John J. Marra of Lake Orion, Mrs. N. E. Durocher of Old Orchard drive and Mrs. Donald Hoyt of Maceday lake. They gathered for the dinner which honored state officers Wednesday evening.

Photographed while waiting for the evening's program were members of the Auxiliary to Oakland County Medical Society. Standing (left to right) are Mrs. Robert Sissor of Huntington Woods, Mrs. George M. Virgo of Royal Oak and Mrs. J. P. McConkie of Birmingham. Mrs. M. G. Prosser of Orange Grove avenue is seated.

Betrothal Highlights News in Hills

By RUTH SAUNDERS

BLOOMFIELD HILLS—Of interest in Bloomfield is the recent betrothal of Carolyn Cooper Clark, daughter of Mr. and Mrs. Williams.

Reeves Clark of Metamora, to Lt. Graeme Keith Howard Jr., USAF. He is the son of Mr. and Mrs. Graeme K. Howard of Norfolk, Conn., and Cocoa, Fla.

The announcement was made at a cocktail party Saturday in the Clark home on Suttons road, Metamora.

Carolyn was graduated from Walnut Hills School and attended Smith College for two years. She made her debut at a dance at the Grosse Pointe Country Club in

1953 and is a member of Sigma Gamma.

Lt. Howard was graduated from Deerfield School and Amherst College.

Mr. and Mrs. Ralph L. Polk Jr. have invited guests to a cocktail party in Bloomfield Hills Country Club Feb. 12.

VISIT TO SAGINAW

Mr. and Mrs. E. J. Anderson and Mervin Anderson will spend this weekend in Saginaw. They are going up to help the Harold J. Stengleins celebrate their first wedding anniversary on Sunday. Mrs. Stenglein is the former Suzanne Anderson.

For New York City. She will spend a month with her sister, Julie, who has an apartment there.

RETURNS FROM LA

Mrs. S. Gordon Saunders returned home Sunday from a visit in Los Angeles with her mother, Dr. Norma Knight Jones.

Mr. and Mrs. Ronald Ballantyne, who have been in Arizona for several weeks, are en route to Fort Myers Beach, Fla., where they will remain for the rest of the winter.

Kathleen VanDusen spent last weekend with Carolyn Cross and her parents in the Cross summer home in Tawas Beach.

Her sister, Ellen, was the guest of Betsey Smith at her home in Petoskey, skiing and tobogganing.

A graduate of the University of Detroit, Charles is the son of Mrs. Emma McLean of Walled Lake. She is a graduate of Mercy School of Nursing.

Mr. and Mrs. Harry S. Nichols of Birmingham House left Monday for Florida where they will remain for two months.

Mr. and Mrs. William T. Gossett are spending several weeks at the Thunderbird Club in Palm Springs, Calif.

'America—Our Heritage'

Musicale to Give Program Feb. 14

Pontiac Tuesday Musicale will present an evening program for the husbands and guests of its members, Feb. 14 at 8 o'clock in the auditorium of Washington Junior High School.

The Tuesday Musicale Workshop Group, under the chairmanship of Mrs. John Nicolls Jr., is rehearsing a program based on the theme, "America—Our Heritage," in keeping with the National Federation of Music Clubs' desire to emphasize American music.

An all-American program has been developed, with songs and dances depicting our history from colonial to contemporary times, and with music ranging from religious through patriotic, to lullabies and blues songs.

Organ-piano accompaniments will be provided by Mrs. T. E. Nelson and Mrs. Howard Heldenbrand. Mrs. Paul Kern and Mrs. Horace Hall are handling programs, costumes, properties and stage settings. Directing the vocal ensemble is Mrs. George Putnam.

A scene from Ye Olde Colony Days, illustrated by Pilgrim hymns and a swing version of "Red Wing" will be followed by the Westward Hoedown, featuring a song by Mrs. Clyde Marshbanks.

SQUARE DANCE

Mrs. Willis Lefurgy, Mrs. Ralph Norvell, Mrs. Addison Oakley and Mrs. E. D. Foley will present a square dance to the calls provided by Mrs. Marshbanks, Mrs. J. W. Wignall, Mrs. J. L. Wilson and Mrs. Rebecca Gould.

A song representative of Civil

War days will be given by Mrs. Michael Siano, preceding the Gay '90s portion in which Mrs. Ferdinand Gaensbauer and Mrs. Nicolls will present a soft-shoe routine.

A skit entitled Yankee Doodle Dandy will be followed by the Roaring '20s, for which Mrs. Gould will present a blues number, and flappers of the era will

be enacted by Mrs. Nicolls, Mrs. Siano and Mrs. W. S. Furlong.

Songs from the theatrical world by Mrs. Wignall will precede the finale in which all members will join.

The program will conclude with a patriotic note, with the Fred Waring arrangement of "America—Our Heritage."

ELLEN FAY FABREY

Mr. and Mrs. William H. Febrey of Torrance, Calif., announce the engagement of their daughter, Ellen Fay of Delaware drive, to George M. Oleske, George, a graduate of the University of Detroit, is the son of the George Oleskes of Utica. An October wedding is planned.

Editor Talks to Sorority on Fashions

Members of Omega Alpha sorority met Wednesday evening at Alicia Bridal Salon, with Mrs. William McRath and Mrs. Joseph Fox serving as hostesses.

Judith Clemence, women's editor of The Pontiac Press, was introduced by Mrs. McRath. Mrs. Clemence spoke of her recent trip to New York as a guest of the Couture Group of the New York

There are five pages in today's Women's Section

Dress Institute, which held advance showings of spring and summer styles for Press Week.

In speaking of the new trends in fashion, Mrs. Clemence showed how the personalities of the designers influence their collections. She also gave highlights of the entertainment and tours sponsored for women's editors by various firms.

A prepared report on the constitution and bylaws was read by Mrs. Clifford Koskinen, chairman, for the approval of the membership at a future meeting.

Charter members joining the group were Mrs. Norman O'Brien and Eulalia Valentine. Mrs. Harold Sibley and Mrs. Harold Legge were guests of the group.

Mrs. John Londick of Otsego drive will be hostess at the next meeting.

Mrs. Odell Reviews Book on Slimming

The book, "Stop Dieting and Start Losing," was reviewed by the Janet Odell, home editor of The Pontiac Press, for members of the Fashionette Club.

The group met Tuesday evening at Adah Shelly Library. Mrs. John S.J. will be retreat master. Reservations for Catholic nurses in the area are being handled by Marie Hickey of East Kennett road.

Chairmen Appointed Group Has First Meeting

JUDY STEINHELPER

Displays Work by Sam Kaner

Peggy DeSalle of the Little Gallery in Birmingham is presenting an exhibit by Sam Kaner.

Mr. Kaner, who has done work as painter, etcher, musician and cinema-ballet producer, is showing original color etchings and illuminated Venetian mosaics.

The exhibit, currently on display is scheduled daily from 9 a.m. to 6 p.m. until March 1.

Retreat Scheduled

The Council of Catholic Nurses of the Archdiocese of Detroit has been invited by the Sisters of the IHM to hold the annual retreat at St. Mary Academy in Monroe Feb. 10-12.

The Rev. Louis G. Weitzman, at Adah Shelly Library. Mrs. John S.J. will be retreat master. Reservations for Catholic nurses in the area are being handled by Marie Hickey of East Kennett road.

Judy Steinhelper, president of the newly formed Beta Mu Chapter of Epsilon Sigma Alpha, presided at the first meeting of the group.

Chapter members met Wednesday evening at the home of Mrs. Reginald Ripberger on Denby drive. Mrs. Ripberger is a member of Alpha Alpha Chapter, which organized the new chapter.

Miss Steinhelper appointed committee chairmen. Mary Kendall will head the social committee; Gloria Rose, the contact and membership committee; Virginia Flath and Karen Newton, ways and means; Joyce Mapley, publicity and historian, and Pat Devereaux, program.

Plans were made to assist Alpha Alpha Chapter at its benefit bridge.

Mrs. Edmund Smith, Mrs. Frank A. Jalsosky and Mrs. L. L. Schieffer, members of the sponsoring chapter, attended the meeting and explained the duties of appointed chairmen, followed by the serving of refreshments.

The next meeting will be held at the home of Laurene Anselmy on West Huron street.

Fragile China Is Pretty Sturdy As Tableware

NEW YORK (INS) — Fragile-looking china is pretty sturdy stuff, if you just take proper care of it. "It doesn't even need as much care as cheaper ware," says Jewel Gould, chinaware authority for a china firm.

"Wash it with a soft cloth and a mild soap," she advises. "I'd recommend putting a soft cloth between the dishes if you're going to stack them."

"That way there's less clatter, and some china can be scratched. A cloth will protect it."

Other tips about china care include a warning not to use harsh detergents or abrasives on it. Food should not be allowed to harden on the surface.

When storing, stack china low with items of one shape and size placed together. This makes it easier to get at when you need it in a hurry, and you are less likely to drop a piece in your excitement. For the same reason, cups should be hung separately or stacked by twos.

Shower Given for Bride-to-Be

A personal shower was given by Pat Brooks and Pat Stinson for bride-elect Nancy Mooneyham at her mother's home on Forest street.

Nancy, the daughter of Mrs. Eleanor Mooneyham of Forest street, will marry Bruce Davis, the son of Mr. and Mrs. Bruce Davis of North Saginaw street, Feb. 4 in the Oakland Avenue United Presbyterian Church.

Guests attending the Tuesday evening shower were Mrs. Mooneyham, Mrs. Davis, Sharon Johnson, Rose Davis, Sandra Johnson, Marjorie Doyle and Sharon Bedford.

The engagement of their daughter, Dorothy, to Charles Lawson is announced by Mr. and Mrs. Tonking Williams of East Tennyson avenue.

A graduate of the University of Detroit, Charles is the son of Mrs. Emma McLean of Walled Lake. She is a graduate of Mercy School of Nursing.

DOROTHY ELIZABETH WILLIAMS

Baby Bottle Changed to Be More Efficient

Baby's bottle brush now has a new look that also makes it more efficient.

The long wire handle ends in a complete loop which enables you to get a good grip when plunging hot soap or detergent suds up and down inside the bottle. The wire is covered with soft plastic to eliminate the danger of chipping bottle necks and the bristles are long enough to reach all inside surfaces. When the bottles are clean, both the bottle and the brush should be rinsed with very hot water as an added precaution.

Adoptions in Black Market Produce Ugly Results

By DOUGLAS LARSEN
WASHINGTON (NEA)—America has begun to reap a frightening harvest of broken homes, twisted lives and juvenile delinquents from the vicious black market in babies which has been growing in the U. S. for the past 10 years. Lack of federal curbs on an interstate traffic in infants and loose state adoption laws are responsible, experts declare.

The disastrous human results from chronic abuse of adoption procedures are now revealed by Sen. Estes Kefauver (D-Tenn.) and by the files of the U. S. Children's Bureau.

Here are some typical cases of what is happening in thousands of American homes today.

In an attempt to bolster his childless marriage, a California lawyer "bought" a baby from an adoption ring in the East for \$2,000. For the first few months the baby did bring the couple closer.

BITTER QUARRELS
But when the novelty wore off, quarrels over care of the child became frequent and bitter. To solve this problem they left the baby with friends and went abroad.

The child was shunted to three differing families and ended up in a welfare home. It is still there, in an emotionally-disturbed condition.

Discovery of what had happened in their absence helped precipitate a divorce. Now no one wants the child and a marriage is wrecked.

Buying an infant to please a neurotic wife or in hopes of saving a shaky marriage are the most common motives exploited by the baby black market.

More than 1,000,000 children are estimated to have been involved in this racket in recent years. A successful result is rare.

MENTALLY RETARDED
Another typical category is the case of the New York businessman who bought a baby in Chicago for \$3,500 through a "friend." It took the couple three heart-breaking years to confirm their growing suspicion that the child was mentally retarded.

The shock gave the wife a nervous breakdown, from which she has never recovered. The man retired to care for his wife. The child is with relatives, a great handicap to their family life.

Hundreds of couples are making the agonizing discovery that children they have gotten illegally are blind, deaf, not normal or of a different race.

Here's another type of popular illegal adoption gimmick. A prospective unwed mother checks into a hospital under the name of the woman who will take custody of the child. This gives a forged birth certificate but avoids adoption procedures. Usually trouble results. The

husband of one couple who used this device died when the child was 6. In contesting the man's will relatives revealed to the court what the couple had done. The scandal sent the heart-broken widow to a sanatorium, forcing the child to be sent to a home.

A lawyer who got a baby this way could have been the rare case

of a couple making a successful home for a loving young boy, now 4. But the father told an investigator of the Kefauver committee: "The constant fear that we will be exposed has wrecked my

health and has been a clue over our lives."

Still another tragic case is where the mother who gives up a child to the black market changes her mind years later and attempts to regain custody of the boy or girl.

Court action which results is brutal to everyone concerned. In one case it caused a 10-year-old lad to attempt suicide. Many youths caught in this emotional web have become delinquents.

The need for better state laws on adoption and federal laws to halt the interstate character of this growing cancer in American life is to be arrested.

Next: A Federal Curb for the Racket.

Hostery, hemlines and shoe fashions harmonize beautifully this spring. Low-cut pumps with shaped mid-heel are worn (upper left) with polka-dot afternoon dress that has soft, full skirt. Partners for parties are short blue chiffon evening gown (upper right) and blue tinseltie slippers with spindle heels. Black-and-white print dress (lower left) with ballooning sleeves is worn with bare back satin sandals. And simple black pumps (lower right) with nail-studded heels pair up with a lean sheath skirt in gray wool.

Appear in Waterford School Duo-Pianists Present Brilliant Concert

Even superlatives are inadequate to describe the brilliant performance of duo-pianists Luboshutz and Nemenoff, who appeared in concert last night at the Isaac E. Cray Junior High School.

Their reputation as the foremost piano team of three continents is well deserved. Each knows the other's part of every composition they play and each complements the other with an amazingly natural perfection.

The program opened gently with a Cesar Franck prelude, one of Pierre Luboshutz's own arrangements. Next came Bach's "Concerto in A Minor" with

allegro, adagio and allegro movements.

Mozart's "Sonata in D Major," with its allegro conspirito, andante and allegro molto movements, made up the second part of the concert.

After intermission, the keyboard artists played Claude Debussy's "Lindaraja" and Aram Khachaturian's modern "Suite" which was divided into three parts: Ostinato, Romance and Fantastic Waltz.

TWO ENCORES
Chopin's "Rondo" was slated as the concluding number, but the talented pianists came back for two encores—Richard's "Seara-moche" and the much-loved "Fire-Bird Dance."

Luboshutz and Nemenoff truly are the complete masters of the piano, in every phase—interpretation, execution, technique—from the most whispered pianissimo to the most commanding fortissimo.

The artists performed on two concert grand pianos and were heard here under the auspices of the Waterford Township Civic Music Association.

Mr. and Mrs. Kenneth Young entertained following the Luboshutz-Nemenoff concert. On their guest list were Mr. and Mrs. George Putnam, Mr. and Mrs. Philip Wargelin, Mr. and Mrs. Neil Hunter and the Donald Redmonds.

The William Shunks, the George Underwoods, Helen Davis, the Ralph Bergemans, Mr. and Mrs. Donald Rosie and Mr. and Mrs. Charles Pappas were also guests. Mr. and Mrs. M. A. Calbi honored the artists at the Kingsley Inn and a small reception was held for them at the E. L. Windeler home after their arrival Tuesday evening.

Avoid Those Unforeseen Dress Trials

Meticulousness is the mark of really good grooming.

And this especially concerns the woman who is perfectly dressed on a Saturday night with the exception of a stocking run that she must bear because she has no replacement.

There is a basic trick to it. After each wearing a garment should be shaken out, hung up, air, inspected for dirt or damage.

And repair should be done then and there, so there will be no crisis when it is next removed from the closet.

Dirt on fabric buttons, for example, makes a suit look older than it is. There's no point in sending it to the cleaner, for a good cleaner removes the buttons before cleaning anyway. A home repair is the trick.

POWDER RIMS

The same applies to powder rims on necklines, stains on cuffs, soiled piping or trim, soiled handbags, scuffed heels, tarnished metal belt buckles or fancy buttons, smudged handbag handles and corners.

Keep the equipment near the closet to do these wardrobe-saving touch-ups.

A good cleaning fluid, a good metal polish, shoe polishes and saddle soaps, a needle and thread and all the whatnots should be right there so you won't say: "Well, I'll do it later."

BIG AID

A big aid to the minor cleaning jobs on buttons and necklines and such are the double-ended cotton swabs.

Cleaning fluid, if applied with one of these with quick, long slantwise strokes, should not cause a ring.

Officers Elected by Presbyterian Couples Club

Election of officers was held by members of the Couples Club of the First Presbyterian Church Wednesday evening.

Dr. and Mrs. Lynn Allen Jr. were elected president; Mr. and Mrs. John Wilson, first vice president; Mr. and Mrs. Jack Ross, second vice president; Mr. and Mrs. William DeRoo, secretary-treasurer, and Mr. and Mrs. Sidney Savage, membership chairman.

Guests attending the Wednesday evening dinner meeting held in the church dining room were Mr. and Mrs. Harry McGrath, Mr. and Mrs. William Van Jaarsveld, the Bradley Scotts, the Richard Seares and Mr. and Mrs. Donald McCandless.

Hosts and hostesses were Mr. and Mrs. Robert Boggs, Mr. and Mrs. Robert Mehlberg and Mr. and Mrs. D. Edward Rightmire. The group will meet again Feb. 29.

How do you take care of your shoes? A brush for the suede polish for the calf? Shoe trees or tissue paper stuffed into the toes? That's the way it should be.

JANETT J. SCHAAR

Mrs. Leona Hudspeth of Dorchester road and Lewis Schaar of South Telegraph road announce the engagement of their daughter, Janett Jean, to William C. Mack, son of Mr. and Mrs. Steve Alexander of Gale road. William is now stationed with the U. S. Army in Germany. No date has been set for the wedding.

Apply Correctly

Correct selection of cosmetic brand and shades will be lost if you do not apply the cosmetics properly. Most cosmetic manufacturers provide instructions for the application of their product. For best results follow those instructions.

To Preview Easter Hats and Flowers

Rosary Altar Unit Sponsoring Affair at St. Benedict

A preview of the Easter bonnets and a floral demonstration will be presented Wednesday evening in the Parish Hall of St. Benedict Church. The Rosary Altar Society is sponsoring the affair.

Mrs. Leon Thomas and Mrs. Ernest Mallery, cochairman, announce that the proceeds will be used to purchase kneeling pads and new vestments for the church.

Modeling the spring bonnets will be Mrs. William Swanson, Mrs. Donald Raymond, Mrs. Harold Clifford, Mrs. Herman Charbonneau, Mrs. Ella Rupert, Mrs. Robert Erikson, Mrs. Wayne Miller, Mrs. Emil Swiecki, Mrs. William Brandt, Mrs. Frank Tette and Mrs. Edwin DeMiller.

Each model will wear or carry spring flowers to complete her Easter attire. Mrs. Ruby Dunstan will present a flower demonstration following the Easter Parade.

Mrs. Tette, Mrs. Brandt and Mrs. Miller are handling tickets for the affair.

OTHERS HELPING

Other committee members are Mrs. Allen Neville, Mrs. James Anderson and Mrs. Anne Crake, serving; Mrs. John Gottschalk, Mrs. James Clark, Mrs. Walter Miller, Mrs. Clinton Richard and Mrs. James L. Brown, tables; Mrs. A. G. McConnell, tallies, and Mrs. F. H. Secoy, publicity.

Mrs. Peter Aldo and members of Unit Two are in charge of the hall and Mrs. Donald Raymond is directing decorations.

Mrs. William Barnds, Mrs. Earl McDunkis, Mrs. Thomas Clifton, Mrs. Margaret Hall, Mrs. S. A. Lockman, Mrs. Charles Miller, Mrs. John Lewis, Mrs. James Albrecht, Mrs. William Ford and Mrs. S. N. Bego are on the cleanup committee.

Mrs. Peter Leonard, Mrs. Noel Derocher, Mrs. Stanley Hustosky, Mrs. John Frombey and Mrs. Michael Glusky are serving on the kitchen committee.

A person never realizes how much he owes his home town until he gets his property tax bill.

Belts in festive leathers and fabrics, with glittery decorations, wide and narrow, all enhance a wardrobe. Four Cloisonne picture playing cards decorate a royal-red scalloped leather belt (upper left). Black calf leather (lower left) gets a jeweled watch fob to dress up a

sheath. Feminine favorite, initials, go into metal squares on the calf belt (upper right) and for that dressiest of parties, a 24 carat gold leather belt (lower right) with a jewel, is the end in luxury. It's perfect with a plain black sheath.

All Furniture Hides Dirt

CHICAGO (INS) — Your upholstered furniture may look spick and span but it still needs a thorough cleaning once a week.

That advice comes from the company which makes more upholstered furniture than any other firm in the world.

A spokesman for the firm said a survey has disclosed that most homemakers neglect their upholstered furniture while keeping the rest of the house spotless.

Dust and dirt, he explained, have been found to have an abrasive effect when left in fabrics and this means they wear out sooner.

To insure a longer, better looking life for upholstery fabrics, it is recommended that the furniture be vacuumed thoroughly at least once a week—particularly underneath the seat cushions.

To keep the material smooth fitting, cushions should be reversed once a week.

If there are visible spots, these should be removed as soon as they are noticed. The furniture firm spokesman said the best rule to follow in cleaning fabrics, particularly if they cover foam rubber, is to be sure the fluid for cleaning them has either a water

base or is a non-distilled type of cleaner.

Compounds generally acceptable for cleaning fabric include soaps; for cleaning fabric include soaps; for cleaning fabric include soaps;

County Quota Club Holds Anniversary Celebration

Each year, during the anniversary month of February, Quota Clubs honor their founders and the accomplishments of women in various lines of endeavor.

On Wednesday evening members of the Quota Club of Oakland County celebrated the 37th birthday of Quota International at a dinner meeting held in Aunt Fanny's. Lucy Landin and Mrs. Patricia Anderson were cochairman for the event.

It was announced that Carlote Franco of Guatemala City, Guatemala, was selected to receive a fellowship awarded every year by Quota Club International to an excellent woman graduate student from any nation not under Soviet domination, to study in the United States. These fellowships are a recognition of the value of international goodwill.

Miss Franco is doing social work with the blind, and here in the United States she will work in the School of Social Work at Boston University.

A huge birthday cake decorated in silver and blue, Quota Club colors, centered the speaker's table. The color scheme was carried out in other table appointments.

Mrs. J. Kathryn Shields, president, welcomed members and guests present from Pontiac, Ferndale, Farmington, Royal Oak and Detroit.

She told of the girls' service work being done by the organization, of the service to the hard of hearing, and of the international cooperation.

A birthday proclamation from

Group Sews, Views Movies at Dolan Home

Mrs. Glen Dolan entertained members of the Sew and Chatter Club in her home on South Marshall street on Tuesday evening. Mrs. Theodore Carlson assisted the hostess.

During the evening members sewed for the American Cancer Society and enjoyed movies of previous meetings.

Mrs. Norman Foot was honored on the occasion of her birthday. Individually personalized, candy dishes marked the guests' places at the supper table. Mrs. Russell Marsh, a former member, was a guest.

Black and brown, well combined, make for high fashion at a budget price. For example: a brown sheath topped by a black and brown blazer.

Auto Dealers Reap Profits but Still Have Complaints

By ARTHUR EDSON

WASHINGTON (AP)—Recent news stories have stressed the unusual complaints of the nation's auto dealers, who are selling new cars like crazy, but still sob that they are losing their shirts.

So it's a relief to make this report today on a visit to the 39th annual convention of the National Automotive Dealers Assn.:

The dealers remain able to sit up and take nourishment. And, like many another patient, they seem particularly enthusiastic about discussing their symptoms.

Every speaker who said how sad their plight was, and how mean the manufacturers are, got resounding cheers.

But to us average car owners, the more interesting part of the convention was in the exhibit hall, with its gadgets for manicuring, doctoring and face-lifting our autos.

WAR ON "THUMPERS" — Here's the result of a meander through the big hall:

Attracted to big sign advising all of us to wage war on "thumpers." Asked Ken Curry, who was standing under sign, what thumpers are. Surprised to find that in Curry's opinion nearly every car has four of them—tires that wear unevenly.

"And pretty soon," Curry said, "they go thump, thump, as you go down the road. Everyone calls them that."

Curry has a machine that slices off the rubber, making tires round. Asked why manufacturers didn't lick problem by making tires round in the first place.

"They do, they do," Curry said. "It's after you put air in them and use them a little that the unevenness shows up. I'd say 98 per cent of all tires are thumpers."

Wandered over to a battery of electric heaters that looked like a radar device for spotting enemy aircraft. Was told by W. J. Banta that this was a quick heating apparatus that would dry a paint job in 20 minutes instead of the 12 to 14 hours it often takes.

Told Banta it seemed oozy in the 185 degree heat. He agreed. "You ought to see the boys get in here on Monday morning," Banta said. "Perfect for hang-overs."

Dropped by a booth run by Ruth Ormsby, who has worked out a plan whereby dealers can keep closer track of customers. Miss O. said anyone who works with dealers soon learns to respect them and their problems.

"Do you realize they're at the mercy of the factories, liable to lose their franchise at any time?" she asked. "Why, compared with the manufacturers, the dealer almost has wings."

"I could really get wound up on this," Went back upstairs to main hall. Speaker said dealers are getting a bad deal. Loud applause. Didn't notice any wings.

Only prize-winning pupil absent from the Speech Day ceremony at Loddon School in Norfolk, England, was a boy who had won the prize for perfect attendance.

IMPORTANT Medical Facts for Every Man Who Has Passed His 40th Birthday

MEN, TOO, GO THRU "CHANGE OF LIFE"

—DOCTORS CALL IT MALE CLIMACTERIC—

Amazing Safe New "Health in a Capsule" Discovery You've Long Heard Was Coming! Compounded Exclusively For Counteracting Effect on Body and Blood Changes Due to Usual Deficiencies That Often Occur During Middle Age.

Doctors agree that after the first 40 years, the human body undergoes important normal changes. THIS CHANGE, called MENOPAUSE, affects MEN AS WELL AS WOMEN. Men, if you are over 40, in good health, but feel nervous, physically weak, in general, have a hard time, find it difficult to make decisions, if you feel tense, are quick tempered, always tired and suffer that terrible "what's the use" feeling—chances are you are going through "CHANGE OF LIFE," or as doctors call it, MALE CLIMACTERIC. At this time it's more important than ever that your system isn't deficient in the very vitamins and minerals nature created to counteract and offset the distressing symptoms of these "After 40" body and blood changes. Recently a well-known scientist perfected After 40 Capsules—a combination of important, needed vitamins and minerals to feed every inch of your body, every drop of your blood many rich—essential needed by nature men and women. One AFTER 40 CAPSULE daily provides benefits to body, blood, nerves, organs and glands. ORDER AFTER 40 CAPSULES NOW ON MONEY BACK GUARANTEE.

Junk Mail Puts Pressure on City's Postal Facilities

Added strain on already inadequate postal facilities was cited yesterday by Acting Postmaster Leslie H. Dean Sr. who reported that a current increase in "junk mail" has exhausted funds set aside for its processing.

Dean's observation followed recent testimony by Asst. Postmaster Gen. Norman R. Abrahms in which he told a house appropriations subcommittee that the amount of advertising sent at low third-class rates is mounting rapidly.

Dean defines "junk mail" as that sent to householders whose addresses have been taken from a mailing list, and which carries the designation "occupant" or "resident."

The vast majority of such mail local employees are keeping abreast of the incoming volume, although he pointed out that such correspondence would be held up for higher priority first class mail under excessively-busy conditions.

"But we would have a bad mess on our hands if we held it up for long," he added.

For a brief period in 1934, the Post Office Department permitted postmen to distribute unaddressed advertising at each house on their routes. Complaints from the public, however, forced officials to require

advertisers to provide specific addresses again.

The latter requirement, Dean said, was added in an effort to discourage abuses of third-class privileges on the theory that putting addresses on circulars would entail more work for the sender and thus reduce volume.

Abrahms told the subcommittee that the volume is again almost as bad as it was at the height of the gestated that rates on direct-mail advertising be raised to a point where it would be financially self-sustaining.

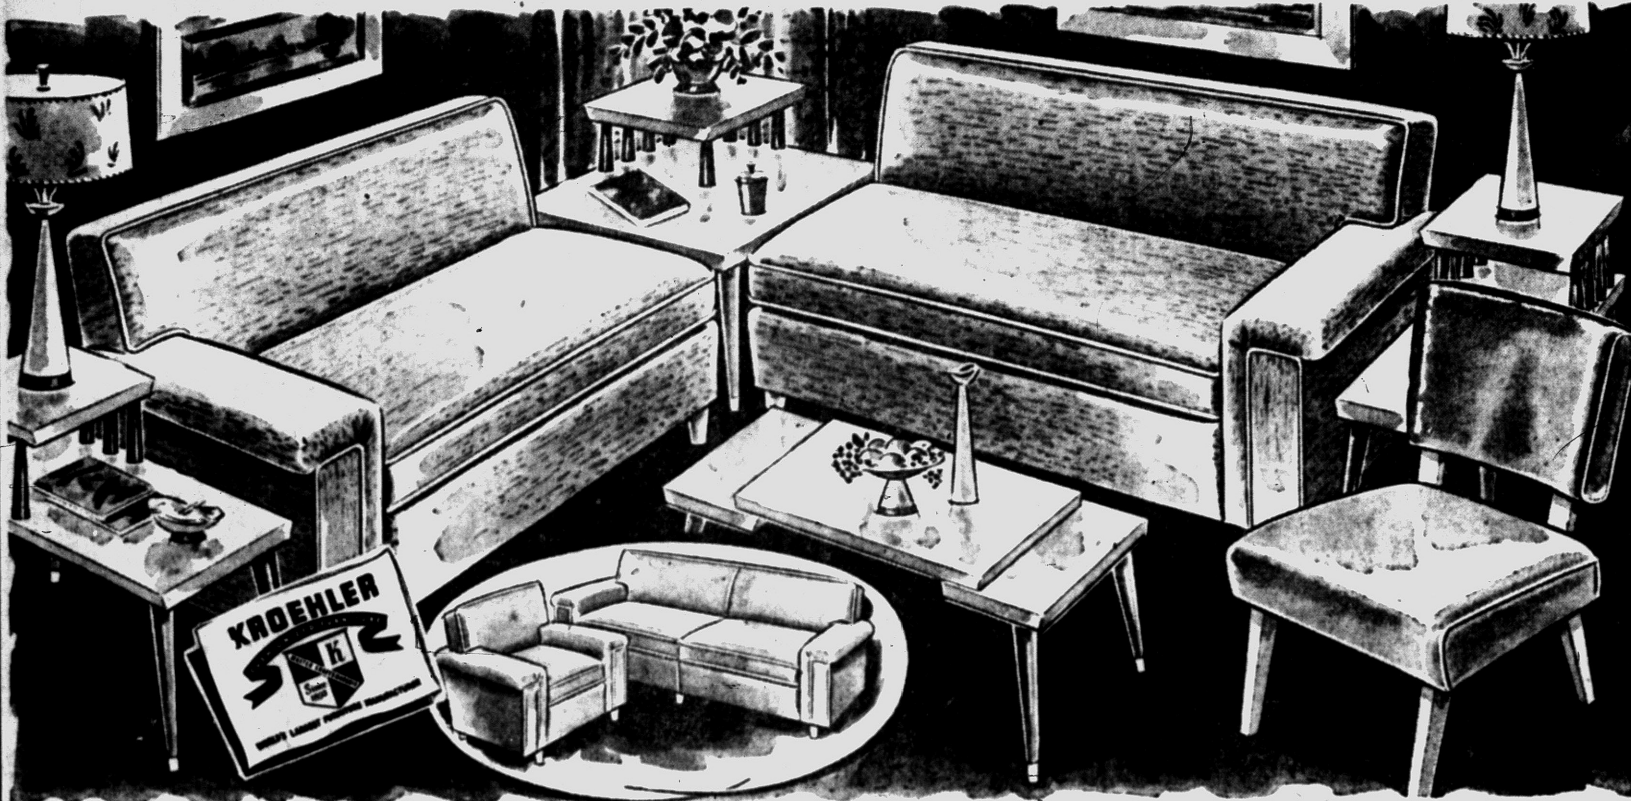

Sues Gordon Macrae for \$125,000 Damages

LOS ANGELES (AP)—Singer Gordon Macrae has been named defendant in a suit for \$125,000 traffic injury damages.

Mrs. Marion Dunn, film studio secretary, alleges she was injured when Macrae's car struck another machine, which was pushed into a third car. The third car struck hers, Mrs. Dunn says. She alleges Macrae was under the influence of liquor when the accident occurred Dec. 1 in North Hollywood.

Sandwich Ring Is Hot, Hearty

Snack planning is an art of its own. For teenagers home from school parties, movies or dancing are invariably hungry; and blessings on the refrigerator that's well stocked, at all times, for whatever forays they make upon it!

Here's a snack they'll really enjoy—a hearty hot sandwich ring, served with tall glasses of lemonade. It's surprising how families enjoy lemonade the year around. And with California's frozen lemonade always on hand, mixing lemonade takes no time at all.

Keep plenty of these handy cans of pure California lemon juice, already frozen with sugar, in your refrigerator freezing sections.

For the sandwich loaf, choose a sesame seed ring or other round loaf of bread. Slice it once crosswise, then put together with this Lemon-Salmon Filling. Top with cheese, and heat the loaf just before serving.

Here's the recipe:

Lemon-Salmon Sandwich Ring
1 round loaf of bread (sesame ring)
1 tall can red salmon
4 tablespoons canned lemon juice
1 small can ripe olive slices
3 tablespoons chili sauce
1/2 teaspoon salt
Rapid dressing
Cheese or cheese spread

Slice the bread ring crosswise. Combine the salmon, lemon juice, olive slices, chili sauce, and salt; thin to spreading consistency with salad dressing as needed. Put the loaf together with this filling.

Lay slices of cheese on top of the loaf or frost with cheese spread. Heat in moderate oven (350 degrees) for 15 minutes. Serve in thick wedges.

Romano Cheese Vital for Zesty Pizza Pie

Romano cheese is a must for pizza. Whether you use yeast dough or split English muffins for the base, pizza rivals chili, hamburger and hot dogs as informal fare for the young moderns.

The easiest pizza is made with split English muffins. Spread with tomato paste. Cover with sliced brown 'n serve sausage. Sprinkle with oregano (found on the spice shelf).

Then top all generously with shredded Romano. Broil a few minutes to heat and melt the cheese.

There is a difference in bleaches!

CLOROX® is Ultra-refined... EXTRA GENTLE

Here's the benefit to you

In laundering

1 EXTRA-gentle bleaching!
Clorox is made Ultra-refined by a formula and process used only by Clorox... and protected by patent. The effect of this formula and process is to provide maximum purity, making Clorox free from caustic, extra gentle... safer for bleaching, brightening and disinfecting white and color-fast cottons and linens.

In house cleaning

2 EXTRA-efficient disinfecting!
Thanks to the exclusive Ultra-refining process, Clorox is the most efficient germ-killer of its kind. In routine cleaning of kitchen and bathroom surfaces Clorox not only removes stains and deodorizes, it disinfects... provides a type of disinfection recommended by hundreds of public health departments.

You get both big extras with Ultra-refined **CLOROX**

Every time you use CLOROX you protect family health!

THE PONTIAC PRESS. THURSDAY, FEBRUARY 2, 1956

Dublin School District to Decide on \$150,000 Issue

Set Feb. 14 Date for Bond Vote

Funds Would Finance Five Room Addition to School

WHITE LAKE TOWNSHIP — Property owners in White Lake Township District No. 7 are being asked to approve a \$150,000 bond issue to finance an addition of five classrooms and facilities to Dublin School.

Voters will cast their ballots at the school from 7 a. m. to 8 p. m. Feb. 14.

To handle the 752 present students the basement rooms of the original building are in use. According to William H. VanderVen, school superintendent, this means that a normal increase next year will require additional rooms or half day sessions for many children.

VanderVen said that there is no need to vote an increase in taxes since six mills was voted in 1954 for a future building program.

Voters would have to vote to discontinue the six mill levy which was established in 1954 and replace it with the bond issue which would require no more than five mills.

The present debt and tax structure, according to VanderVen, is: operation, 10.63 mills; 1951 debt (annex II building), 10.37 mills; future building and operation, 6 mills; total 27 mills.

The proposed debt and taxation for 1956 structure, VanderVen says, is: operation, 10.63 mills; 1951 debt (annex II building), 5 mills; 1956 debt, (new proposal), 5 mills; total 20.63 mills.

Voters need not be registered for this election. They must be property owners, 21 years of age, and residents of the school district for 30 days.

Dryden Ladies Guild Elects New Officers

DRYDEN—The Ladies Guild of St. John's Episcopal Church has elected the following officers for another year:

President, Mrs. Jessie Scully; vice president, Mrs. Eathel Dockham; secretary, Mrs. Louise Groves; and treasurer, Mrs. Vera Blair.

At the monthly meeting Monday, the group voted to have a pancake supper Tuesday, Feb. 14, to be held in the Parish House.

Church Slates Father-Son Event in Lakeville

LAKEVILLE—A father and son banquet for the Lakeville Methodist Church will be held at 6:30 p. m. Thursday, Feb. 9, in the church basement.

Local talent will provide entertainment. Men and boys of the community are invited to attend.

Tickets may be obtained at Griffin Grocery or the Post Office.

Slate Saturday Sessions in Recreation Program

WIXOM — A boys' supervised recreational program at Wixom School here is proving a success, officials said today.

Fifth and sixth graders were taught basketball in a recent congregation at Wixom gym. Additional meetings are planned to be held each Saturday morning, between 9 and 11 a. m.

Forest Fires Decrease

WASHINGTON (INS) — Forest fires on U. S. and other lands within national forest boundaries decreased by 20 per cent during 1955.

The Agriculture Department said there were 8,160 reported fires in 1955, compared to 10,462 in 1954.

County Deaths

Mrs. Lena E. Diehr — Service for Mrs. Lena E. Diehr, 80, was held today at Marsh Funeral Home, with burial in Roseland Park Cemetery, Royal Oak. Mrs. Diehr died Monday after a long illness.

She is survived by her husband, Harry; one daughter, Mrs. Lydia Staples at home; and three grandchildren.

North Branch Girl Is Wed in Ann Arbor Ceremony

NORTH BRANCH—Janice Pratt, only daughter of Mrs. Mary Pratt of North Branch, and Anthony Gural, son of Mr. and Mrs. William Gural of Silverwood, pledged their marriage vows at a ceremony Saturday in First Presbyterian Church, Ann Arbor.

Janice, attired in a ballerina length gown of beige taffeta, with coffee-colored accessories, was attended by her cousin, Mrs. Henry Keronac of Flint.

David Brusie of North Branch served as attendant for his brother-in-law.

A wedding dinner for the couple's relatives and close friends was served at the Durant Hotel, Flint.

MARILYN CASTILE

Mr. and Mrs. Arthur Castile of Detroit are announcing the engagement of their daughter, Marilyn, to Robert A. Brown, son of Mr. and Mrs. Lawrence C. Brown of 30915 Haggerty Rd., Walled Lake. The couple, both seniors at Alma College, plan a June wedding.

Morning Crash Kills Area Man

LAPEER—George W. Bates, 39, 3553 First St. Hadley, was killed at 2:32 a. m. this morning when his car left the highway and hit a tree head-on.

The accident occurred on Pratt Road, near Hurd Road. Mr. Bates was employed at the Lapeer Division of the Mt. Clemens Metal Products Co.

Sheriff Clark Gregory of Lapeer County said "indications are that the car skidded on the ice and left the road."

He is survived by his wife, Wilma; a daughter and a son, of Hadley; his parents, Mr. and Mrs. Durwood Bates of Lapeer; two brothers and one sister.

California-Wed Couple Feted in Imlay City

IMLAY CITY—A recent reception honoring newlyweds Mr. and Mrs. Al Dorow was held at the home of Mr. and Mrs. Joe Maison here.

Sixty-five relatives and friends were present from various Michigan cities.

Al Dorow and the former Lynne Allison were married Dec. 21 in Altadena, Calif. They spent two weeks here, and have gone to East Lansing where he will finish work for his master's degree at the end of this semester at MSU. In the fall Al will play football with the Washington Redskins.

U.S. Turning Down Israeli Arms Bid

WASHINGTON (INS)—The United States has turned down the Israeli request to buy 50 million dollars worth of arms, at least for the time being.

This was revealed today with the explanation that the U. S. government has decided that under present circumstances shipment of American arms to Israel would not help prevent war.

On the contrary, it is feared that such arms shipments might touch off a war in which either Israel or the Arabs might think it necessary to take "preventive" action.

It was emphasized, however, that if conditions change in such a way as to make U. S. officials believe arms to Israel would increase the chances of peace, then the current decision would be reversed.

Gasoline Price War Ends for Grand Rapids Area

GRAND RAPIDS (AP)—A month-old gas price war all but ended yesterday when major brand gasoline dealers followed small independents in boosting the price of gas some 4 cents per gallon.

The war, which started just before New Year's weekend, caused gas prices to go as low as 21.9 for regular at one time. However, three weeks ago prices leveled off at about 26 cents a gallon, depending on the station.

Family Night Planned by White Lake Church

WHITE LAKE TOWNSHIP — Family night will be observed by the White Lake Presbyterian Church beginning at 7 tonight with a pot luck supper.

A missions program will follow with Sybil Bailey, fraternal worker from India, as guest speaker.

Your PTA Is Planning:

Highland Group Readies Annual 'Highland Fling'

HIGHLAND — Final plans were made by Highland PTA Executive Board for the annual "Highland Fling." The event will be held Saturday, Feb. 11, and open at 7 p. m.

A minstrel show will be presented at 8 and 9:30, featuring all local talent.

The fair will offer booths and amusements such as fish pond, popcorn booth, pony rides, and a

bake sale, plus the cake walk. There will also be dancing. Families are invited.

Rochester

Saturday, Feb. 11 is the date of the Sweetheart's Ball, the dance annually sponsored by the Woodward PTA, instead of this Saturday as previously reported by The Press.

The event will begin at 8 p. m. at the high school gymnasium, and is the one fund raising project of the year for the group. There will be round and square dancing.

Avon Township

The executive board of the Elwood PTA met at 1:30 today at the school.

Plans for the Founder's Day potluck were discussed.

Stone PTA will meet at the school at 7:30 tonight. Dr. Andrew Young of the Oakland County Juvenile Court will be the speaker. His subject will be "The Discipline of Problem Children."

A question and answer period will follow the talk. Refreshments will be served by fourth grade mothers.

North Branch

The regular PTA meeting, to be held at the school auditorium tonight, will feature an Americanization program, an annual event conducted by Mrs. Joseph Bohnsack of Clifford. School students will participate in the panel discussions and tests.

Sashabaw Plains

An archery demonstration by Joe Kerr and Al Tang, archery experts, will be featured at the Sashabaw PTA meeting, at 7:30 p. m. Monday.

The Founders Day program, under the direction of John McGowan, father vice president, will include demonstrations of archery equipment and trick shots by the two men who are from the Hilde, Taxidermists, South Telegraph road.

Refreshments will be served by the fathers of the organization.

Commerce

Commerce PTA will hold its Mother and Daughter night on Tuesday with a pot luck supper at 6:30 p. m. in the school's multi-purpose room.

Mrs. Elaine Carey, of the Doll Art Studio of Birmingham, will be guest speaker. Mrs. Carey will display her collection of old, foreign and modern dolls, and tell about them.

Mrs. Stig Danielson, mother vice president will be in charge of the evening's activities.

Tuesday's the Day — 75th Anniversary

MUSKEGON (AP)—George Washington Haas was 98 yesterday, but he's waiting until next Tuesday to celebrate.

Next Tuesday he'll have been married to his 95-year-old wife 75 years, which Haas figures also is an occasion of no little stature. Haas spent his honeymoon moving from Wayne County, Ohio, to Coopersville in 1881. There he farmed until he was 66 and then retired.

"Six months and I was sick of retirement," he says. "So we moved to Muskegon, where I got a job with Continental Motors."

He was forced to retire from Continental when he turned 75. Now he's back to farming—of a sort.

His wife describes it best. "He gardens all summer and talks about it all winter."

Malay's rubber shipments to the United States show a recent 17 per cent gain.

Wixom Blood Bank Slated for Monday

WIXOM—The Community Blood Bank will be held here Monday, from 2 to 8 p. m. at the Wixom School.

Persons interested in participating are requested to call Ruth Madigan, Market 4-2933.

Farm Prices Up 1 Point

WASHINGTON (INS) — Farm prices increased one per cent from mid-December to mid-January but a slight rise in farm costs has held the parity ratio steady at 80 per cent.

County Births

WHITE LAKE TOWNSHIP — Mr. and Mrs. Donald Butler announce the birth of a daughter, Joyce Ann.

Feature Pioneer Youth

DRAYTON PLAINS — To conclude Youth Week activities at the Community United Presbyterian Church, two services next Sunday will feature young people from the Pioneer Group.

Participating in the 11 a. m. worship service will be Judith Johnston, Karen Morgan, Betty Stecher, Barbara Hunter, Danny Chamberlain, Gerald Pelkey and W. J. Teuwissen Jr., pastor is John Teuwissen. "Lead Me in charge of the program.

ICE BUGGY IN THIRD SEASON—Jerry Gray, of 1801 Revere Rd., scoots over Watkins Lake, Waterford Township, at about 27 m. p. h. in his homemade motorized sled, now seasoned by three winters of use. Jerry, 16, says his ice buggy, a

Do-It-Yourself project, is powered by a 1½ h. p. lawnmower gas engine. Made of odds and ends put together by Jerry with some help from his dad, the buggy cost about \$15, he said. There are four other similar vehicles on Watkins Lake.

Waterford Board Defers Building Bids

WATERFORD TOWNSHIP — Opening of bids on the proposed township garage and police department was postponed Monday night by the Township Board until 8 p. m. Feb. 6.

Action on the letter of resignation from Fire Chief Rudy Boss, who has been on leave of absence, was tabled until the Feb. 6 meeting.

Recently the executive board of the Waterford Township Fire Fighters Assn. recommended, in a letter to the board, that acting chief Ed Smith be appointed fire chief.

Little Lisa Wants Big Black Dog to Come Home

Eighteen-month old Lisa Bailey is well into the stage when she notices things, especially when her big black pet dog disappears.

According to her mother, Mrs. Frederic Bailey of 1429 Woodlow, Watkins Lake, the week long absence of Jasmine, the Labrador Retriever-Irish Setter has clouded the youngster's face with questions.

Missing a week, the dog is being sought to return to the child, as her pet.

Rochester Area Officers to Slate 1956 Program

ROCHESTER — The vice chairmen of each Rochester District Home Demonstration group will meet at the Avon Township Hall, Tuesday, from 9:30 to 11:30 a. m. At this meeting a definite program will be set up for the coming year. Every vice chairman or a representative will be expected to attend.

France has one cafe for every 63 adults.

Honor Township Clerk at Banquet in Southfield

By LEE BLACKLAW

Southfield Correspondent

SOUTHFIELD TOWNSHIP—Localities, 249 strong, turned out Tuesday evening to pay tribute to Fannie Adams, township clerk, for her 25 years of public service.

A watch was presented from the assembly of friends and co-workers and two resolutions in recognition of her service were presented from the Birmingham and local township Board members.

Donald Swanson, recently elected mayor of the "charterless city" of Southfield, was master of ceremonies.

Speakers of the evening included: Elmer Haack, township supervisor 1932-36, now city manager of Birmingham; Arthur E. Moore, Probate Judge of Oakland County; Lynn Everett, supervisor 1936-45; Eugene Swen, present supervisor; and Lynn Allen, county clerk.

Also Harry McCracken, recently retired Farmington Township clerk; and Mrs. Dan Hughes, lifetime resident, who was born the year the township hall was built and has lived within a stone's throw ever since.

Distinguished guests included: State Representative William S. Broomfield, Judge H. Russel Holland, Judge Frank Doty, Register of Deeds, Orrin McQuaid, Prosecutor Frederick Ziem, Sheriff Fred Irons and township attorney Dell. Governmental representatives from Birmingham, Redford, Farmington, Royal Oak, Ferndale, Oak Park, Franklin, Lathrup, and Birmingham Farms were also present.

To Entertain Study Club

IMLAY CITY—Mrs. Irwin L. Cardwell will entertain the Women's Study Club in her home Tuesday afternoon. She will present a program on ceramics.

County Calendar

IMLAY CITY — The Congregational Church will meet Tuesday evening. Four Towns Committee men and den mothers of group 47 are meeting at the home of Mr. and Mrs. Calvin Grile on Feb. 8, at 8 p. m.

Troy — The Troy Study Club meets with Mrs. Sherwood Shaver, 345 W. Square Lake Rd. at 8 p. m. tonight. Dr. Edward Crawford will be the guest speaker for the evening.

Big Beaver — The Mary Circle of Big Beaver Methodist Church will meet at the home of Mr. and Mrs. Schlaack, 2125 Kilmer, at 1 p. m. Tuesday.

Four Towns — Girl Scout leaders will meet with Mrs. Henry Fletcher, at 8 p. m. Monday.

time resident, who was born the year the township hall was built and has lived within a stone's throw ever since.

Distinguished guests included: State Representative William S. Broomfield, Judge H. Russel Holland, Judge Frank Doty, Register of Deeds, Orrin McQuaid, Prosecutor Frederick Ziem, Sheriff Fred Irons and township attorney Dell. Governmental representatives from Birmingham, Redford, Farmington, Royal Oak, Ferndale, Oak Park, Franklin, Lathrup, and Birmingham Farms were also present.

Jaycees to Name Dates for Events

WATERFORD TOWNSHIP — A heavy docket awaits Jaycee members when they hold their dinner meeting Monday at 7 p. m. at Decker's Cafeteria.

Final details will be ironed out on the Feb. 12 Fishing Derby, the Annexation Town Hall Meeting to be held this month and the Sports and Builders Show slated for March 23-25.

Stagg Allen, former world bantam-weight boxing champion, heads the program for the evening. He will speak on the 1940 championship fight in Honolulu and on "Boxing Today."

Imlay C. of C. President to Announce Committees

IMLAY CITY—The Chamber of Commerce will hold its monthly dinner meeting Monday night at the Hi-Speed Restaurant. New committees for the year will be announced by President Hugh Greenwald.

Junior Women Organize Club

Rochester Literary-Civic Group Sponsors; Meet on Friday

ROCHESTER — A Junior Rochester Women's Club is being organized in Rochester under the sponsorship of the Rochester Women's Club, literary and civic organization of many years standing.

Several organizational meetings have been held, one of which was a tea recently at the home of Mrs. Wayne Eddy, when a committee composed of Mrs. Louis Stich, Mrs. Robert Woodruff and Mrs. Eddy, from the senior club invited a group of the "Young Marrieds" to discuss the forming of a junior club.

The newly formed club in a second meeting chose Mrs. George Goble of 5621 Orion Rd. as its president. Other officers are: Mrs. Robert Ott, vice president; Mrs. Charles Talley, recording secretary; Mrs. Samuel W. Blanton, corresponding secretary and Mrs. William Burke, treasurer.

Mrs. Goble recently moved to Rochester from New Jersey where she had been active in Federated Junior Club work. Mrs. Goble has announced that on Friday, the first meeting of the junior club will be held at her home, at 12:30 p. m. A discussion of the aims and activities of the club and the acceptance of the by-laws is slated.

Club to Entertain Boy Scout Troop in Southfield

SOUTHFIELD TOWNSHIP — Southfield Optimists will entertain the Boy Scout Troop of Southfield S-4 at the meeting at 6:30 tonight at Fruitridge Inn.

Commissioner Al Batz of the Little League Baseball group will speak on the activities of the League and the possibilities of Little League football.

On Friday Feb. 10, the Southfield Optimists, wives of the group will present a Valentine Card Party at 8 p. m., at Church of the Redeemer, 18140 Cornell. Friends are invited.

Marlette Man Given Three Years Probation

MARLETTE — Robert E. Irwin, 26, Marlette, was sentenced to three years' probation Monday by Circuit Judge Arthur M. Bach, Bad Axe, in the burglary of \$414.82 from a Marlette service station last November. Irwin must pay \$300 as part of cost of transportation for himself in return from California, where he was arrested. He must also pay \$312 which was unrecovered in the Marlette burglary.

Gay Timers to Dance

COMMERC — Members may bring guests Saturday evening when the Gay Timers Square Dance Club meets at the Union Lake School, from 8:30 p. m. to 12 midnight.

Growth of Hutterite Sect Alarms West Canadians

WINNIPEG, Man. — A religious sect of "true communists" is prospering in western Canada, and arousing considerable ire from some of their neighbors.

The Hutterite sect has 42 colonies in Alberta, 22 in Manitoba and 6 in Saskatchewan and is expanding constantly.

The Hutterites have a high birth rate and continually need to establish new communities. Their prosperity allows them to offer high prices for land. Some of their Manitoba neighbors say this expansion must halt.

PREFER THE STAKE

Hutterites' lives are governed by a rigid religious and social system. "We would rather be burned at the stake than go out and live the kind of life being lived in the world today," says the Rev. John Wurz, 77, leader of the sect's 10,000 members.

The sect sprang from the Anabaptist movement in the 16th century and was founded by Jacob Hutter, who was burned at the stake in 1536 at Innsbruck, Austria, for his religious beliefs and teaching. The Hutterite way of life has

kept them at odds with the rest of the world ever since.

About 75 years ago, 400 Hutterites left Russia to settle in the Dakotas. They refused to bear arms for the United States in World War I and resentment there caused many to move into Canada, where most Hutterites live today.

PURE COMMUNIST

Colonies average 180 persons. Every able-bodied man must work. The bosses are picked by election. Women work in the community kitchens, laundries, dairies and sewing rooms until they are 50. Men work as long as they are able. Profits are held communally by the community.

The Hutterites wear black—the men denim jackets and overalls and the women ankle-length dresses. They eat in community dining rooms and live in apartments in barracklike buildings. The men never shave after marrying. The church with its daily services is the center of Hutterite life.

REFUSE TO VOTE

Sect members refuse to vote in local and national elections. Only in the past 20 years have they obeyed laws requiring children to attend school and employed outside teachers for the state-prescribed curriculum. To this is added several more hours of instruction in religion and Hutterite history. German is the common tongue.

A few years ago Hutterites in Canada abandoned their primitive farming methods and now their colonies are among the best-equipped large-scale farming operations in the country. The profits are commensurate.

NO TYRANTS HERE

When opponents call his people communist, the Rev. Mr. Wurz says they are right, but "we have the spiritual idea in our organization. The Bolsheviks are tyrants who do not believe in Almighty God and who want the world for themselves." He calls his people "the only true communists in the world."

The Union of Municipalities has asked the provincial government for legislation prohibiting the spread of Hutterite colonies in Manitoba.

When the Alberta government passed such legislation the Hutterites began moving into Saskatchewan. An alternative proposal would require new colonies to be at least 40 miles from any now existing of limited size.

CLYDE R. HASKILL

SAFETY LEADER—Reappointment of Clyde R. Haskill as chairman of the Pontiac Chamber of Commerce Safety Committee was announced by Chamber President Dr. George E. Petroff. Haskill said the 1956 committee will concentrate on increased traffic safety in the city. He has held the post since 1954.

Buffalo, Miami Studied as Sites for NFL Clubs

Bell Says Expansion of Loop to 14 Teams Definitely in Future

PHILADELPHIA (AP)—Expanding from 12 to 14 teams is a "definite part" of the future of the National Football League, Commissioner Bert Bell said yesterday.

Miami and Buffalo were named as possible league cities of the future. The league is investigating both cities, Bell said, to determine if either could qualify for NFL membership.

"There is nothing immediate about this thing," Bell said. "Miami and Buffalo are being observed strictly as a part of a possible expansion move." He emphasized that there was no team in the league now which contemplated moving its franchise, and no team for sale.

Bell said the NFL would be ready to expand when the bottom teams in the league's two conferences each win at least four games. At that time, he feels, the competition will be even enough to permit an increase to 14 teams. "That's not too far away either," he added.

U. S. Skaters Meet Sweden

CORTINA D'AMPEZZO, Italy (AP)—Canada bounced back from its defeat by the United States to overwhelm Germany, 10-0, today in the Olympic round-robin hockey tournament.

On the basis of two points for a victory and one for a tie, the triumph moved the Canadians into a temporary tie for first place with the U. S. and Russia, each with four points.

The Canadians, however, have a 2-1 record, while the U. S. and Russia, are 2-0. Sweden is next with 1-1 followed by Czechoslovakia 0-2 and Germany 0-3.

In today's contests, the U. S. plays Sweden (1:30 p.m., EST) and Russia opposes Czechoslovakia (3 p.m. EST).

The hungry Canadians poured it on the Germans rolling up one goal in the first period, four in the second and five in the third.

The U. S. hockey team, surprise winner over Canada Tuesday night, is expected to get by Sweden today prior to its important meeting with Russia tomorrow night. The Yanks and Soviets are the only undefeated teams in the final round-robin competition.

The Americans had the men's figure skating event all to themselves yesterday.

Hayes Alan Jenkins, Colorado College senior from Colorado Springs, had to stand off a brilliant finishing challenge by 18-year-old Ronald Robertson of Long Beach, Calif., to add the olympic title to his three world crowns. Hayes' kid brother, David finished third.

"Bridesmaid" Sixteen Jernberg of Sweden, after two close defeats, cracked through today to

win the rigorous 50-kilometer cross-country ski marathon.

This was one of two championships to be decided on this 7th day of the giant snow and ice spectacle.

Tenley Albright, America's world champion from Newton Center, Mass., and her 16-year-old teammate, Carol Heiss of Ozone Park, N. Y., go for the women's figure skating championship at 8:30 a.m., leading the field in that order entering the free skating phase of the competition.

OCSC's Marksmen Trip Dearborn Club

Oakland County Sportsmen's club riflemen were back in 2nd place in the Southeastern Michigan Indoor Gallery league today after a tight match with Dearborn, Tuesday night. OCSC's team won both ends of the match at Dearborn, 947-944 and (handicap) 1022-1005.

Two youngsters pulled out the victory for OCSC.

Shooting last, Nancy Newman and 13-year-old Jean Martini fired 194-205 and 188-202 to nail the win by three points in actual, and 17 in handicap.

Scores:

OCSC—Howard Collins 191-201; John Treadwell 186; Cash Bond 207; Frank Stephens 183-204; Newman 194-205; Martini 188-202 for 947-1022.

Dearborn—Howard Lange 190; Edwin Brehm 197-200; Ann Brehm 182; Howard Winters 182-200; William Schmidt 193; 184; Chuck Bengar 202 for 944-1005.

Phoenix Next for Pros

PHOENIX, Ariz. (AP)—California's Gene Littler was one of the central figures in the \$15,000 Phoenix Open Golf Tournament today as the country's top professionals set to work again on the winter circuit.

For one thing, Littler is the defending champion, and secondly, he suddenly looked like the Littler of last year as he recaptured his form in the Thunderbird Invitational at Palm Springs last week.

The pride of San Diego and Palm Springs didn't win the Thunderbird, but he boomed up from nowhere, after a dismal round of 76, and finished third to Jimmy Demaret and Carry Middlecoff.

Bowling Clinic

By BILLY SIXTY

KEEP WRIST RIGID—The sketch shows the proper position of the wrist, in using the "open V" grip, as the ball is approximately even with the body in the down-swing.

NO WRIST BREAK

KNUCKLES IN LINE WITH ELBOW

Two nights ago Littler went to bed with a virus condition, and so did Middlecoff, but both hoped to be in fair shape today.

This tournament, like virtually all tournaments these days since Ben Hogan isn't around to dominate the scene, is wide open.

Demaret was the master of his game and psychology as well at Palm Springs, and he has been a winner in this event over this same course, the par 36-35-71 Phoenix Country Club.

Not to be ignored, either, are such players as Mike Souchak, the recent Caliente Open winner; Mangrum, who started the 1956 winter trail with a win in the Los Angeles Open.

Tommy Bolt, playing excellently, is overdue for four outstanding rounds of golf.

ATTENTION MOTORISTS:

Here's a money-saving idea from Wohlfeil Dee! You've been driving your car hard! It could be getting a wee bit tired.

Maybe it doesn't get away from traffic lights with its old tip. Maybe it's starting to stall now and then—or worse, it uses too much gas.

The Cure is a Tune-Up by Motor Tune-Up Specialists. Restore all your car's original pep and performance. Prove to yourself what a tune-up means in gas economy and driving satisfaction.

Saginaw..... 0 5 265 304
Friday's games—Pontiac at Arthur
Hill, Saginaw Eastern at Plym
Northern, Plym Central at Bay City
Central.

ence basketball clubs today were
poised for the beginning of the 2nd
round of action in the 1955-56 title
chase.
Friday's games mark the return
to league play after the mid-term
intermission.
Plym Central and Northern, at
the top of the heap, with 4-1 re-
cords, face what Vikings' coach,
Jack Mariette today said was

"a real dog-fight" rest of the
way.
"With Pontiac and Arthur Hill
tied just behind the top clubs,"
Mariette pointed out. "This thing
can develop into a dog-eat-dog af-
fair. If either Northern or Cen-
tral slips, Friday, there's going
to be a new face in the top
rank."

est hit of the Valley clubs by mid-
year losses. "We are the only
Valley club to lose important play-
ers. "Sure, it's going to weaken
us for the stretch drive. We have
brought up Kurt Grienproeg and
Fred Burgett, guards, from the
Jayvees, along with sophomore
Reg Gillard and junior John Den-
nis (forwards). We lost Bill Basil-
us, Milton Wright, Gary Morris

and Edgar Willingham, all of
whom were starters from time to
time.
"Now we have only Clarence
Elliott, Al Miller and Henry Clarke
left, of the regulars."
Central remains intact, as does
Pontiac. Central's chances of hold-
ing to the top spot seems brightest
just now.

Coach Art Van Ryzin's Chiefs
travel to Arthur Hill, Saginaw,
to meet what Van Ryzin says is
an improved outfit. Pontiac
dumped the 'Jacks in the Valley
opener here (53-44) and the
PHS mentor felt his club would
again come through Friday
night.

"We have improved also," says
Van Ryzin. "Of course, there's
the advantage of playing on the
Hills' floor, but I'm sure we will
give them a good run for the
money."
"Arthur Hill has made some
changes to get more scoring and
faster floor work. They have lost
some height in the shifts, and
we'll probably have an edge
there."

Dave Scriven, formerly with the
varsity squad, has been returned
to the 1st string, and is expected
to lend some help there. For his
starters, Friday, Van Ryzin will
depend upon the "regulars,"
Willie Dewalt and Rod Treasie at
forwards, Hud Ray at center,
Larry Peet and Jim Skinner at
guards.

SOPHOMORE BRIGADE—Four reasons for the good perform-
ances Pontiac High School's cage team has been turning in this
winter are shown above. This is the team's "sophomore brigade."
Three are (or were until mid-term) bonafide sophomores. One is
really a sophomore as far as his varsity playing experience goes,
although he's a senior otherwise. From left are speedy, playmaker

Larry Peet; big center, or guard Jim Skinner (soph), Hudson Ray,
(became 11-A at mid-term), fine rebounder and pivotman; and ace
scorer, all-around performer Willie Dewalt. Dave Diehm, fast little
guard, work where height is not a major consideration at the position.
Chiefs open 2nd half action in the SVC at Arthur Hill, Friday
night.

Only 2-Major 5's Unbeaten as Temple Takes Licking

By THE ASSOCIATED PRESS
And now there two.
Only frolicking San Francisco
and St. Francis of Brooklyn re-
main unbeaten in major college
basketball today with Temple now
a member of the dearly departed.
Muhlenberg, an 11-4 giant-killer
this season, broke Temple's bub-
ble 67-66 last night to snap the
Owls' 13-game winning streak.

Mules, who opened the schedule
by upsetting LaSalle, had a heck-
uva lot of gall knocking off the
nation's seventh-rated club. "Fact
is, it was 6-1 Bobby Gall who
dumped in 20 points to pace the
predominately junior squad.
Gall had great help, however,
from Cardy Gemma, who bagged
13 points and superbly defeated
Guy Rodgers. The Owls' backcourt
scoring ace didn't get a field goal

for 29 minutes and wound up with
a scant 10 points. That left the big
job to Hal Lear and although he
hit for 28, it wasn't enough.
Duke, ranked 10th, was another
major victim last night, although
not unexpectedly. The Blue Devils
were leveled by eighth-ranked Ken-
tucky 81-76 as Jerry Bird fired a
late first-half wildcat surge.

Second-ranked Dayton, prodded
by Coach Tommy Blackburn's ob-
servation that "the test of a good
team is whether it can come back
after defeat," righted itself by wal-
loping Loyola of Chicago 75-57. The
Flyers were drummed out of the
unbeaten ranks by Louisville-Sat-
urday.
Elsewhere among the ranked
teams, Holy Cross (No. 14)
whipped Creighton 97-60 as Tom
Heinsohn scored 22 and cleared 22
rebounds in his 31 minutes of
play.

You might say the unbeaten scoring ace didn't get a field goal

**Ferzacca, 2 Others
Studied for Grid Job**
MILWAUKEE (INS)—The Mil-
waukee Sentinel said tonight that
the fate of Marquette University's
head football coach, Frosty Fer-
zacca, will be decided within 10
days.
The newspaper reported that
Larry (Moon) Mullins, the War-
rior's new athletic director, said
in a long distance telephone in-
terview he is considering Ferzacca
and two top coaching prospects
for the head coaching job.
Mullins declined to state whom
the two prospects are. It is be-
lieved Mullins would pick either
man over Ferzacca if he is able
to persuade him to come to Mar-
quette.

Busy House Presents More Than 9,000 Bills

WASHINGTON (AP)—House members have introduced more than 9,000 bills since the 84th Congress convened 13 months ago.

That figure was reached yesterday, and the total continued upward toward the 10,288 recorded by the 83rd Congress. In addition, more than 1,000 House resolutions have been submitted.

Of the current total, 1,131 bills have been introduced since the second session of Congress started a month ago.

On the Senate side, 3,165 bills and 403 resolutions had been introduced through yesterday.

So far during the Congress, President Eisenhower has signed 880 bills into law.

Indonesian-language newspapers have increased from 45 in 1950, with a circulation of 227,000 to 81 at present with a circulation of 558,110.

Hollywood Headlines:

Carol Channing Learns Plenty From 'Vamp' Flop

By BOB THOMAS
HOLLYWOOD (AP)—You're always reading about Broadway hits. So what's it like to have a flop?

Carol Channing now knows. She was the toast of Broadway in two consecutive hits, "Lend an Ear" and "Gentlemen Prefer Blondes," then toured triumphantly in "Wonderful Town."

MUSICAL PANNED
But a month ago, she closed in "The Vamp" after a six-week run. Although she was lauded by the critics, the musical was panned and ended up a \$300,000 loss. Broadway's loss is Hollywood's gain, because she bounced here for her first film role in RKO's "The First Traveling Saleslady."

Her first day's work was a

cinch. All she had to do was slumber on a couch in a hotel lobby. When she finished this arduous chore, the big girl with the little voice relaxed in her dressing room and discussed the late "Vamp."

"It was a rugged experience, especially when you've always had hits before," she observed. "But I actually learned more from one flop than I did from the hits."

RECEIVED HELP

"For one thing, I learned how my friends were. It is amazing how people wanted to help. When we opened in Detroit, Billy Rose flew out to give advice. In New Haven, I knew we were in trouble and put in a call for Deuer and Martin. They came up that night and stayed up two nights talking to me about the show. Josh Logan helped us too."

Despite all the expert advice, the show, a travesty on silent movie days, couldn't get into shape.

"When we opened in Detroit, the show didn't make much sense, but it had a lot of fun," she remarked. "By the time we got to Washington, they had fixed up the plot, but all the fun had gone out of the show."

COULDN'T SAVE IT

"We were getting new lines right up to opening night in New York. There was nothing I could do about helping the production. When you're in a show, you have to devote all your energies to working on your own character. You don't have time for anything else."

"Never to start a show without a finished script and to insist on a longer tryout period. We had only six weeks."

Report Japan Building 83,000-Ton Oil Tanker

TOKYO (INS)—A monster 83,000-ton oil tanker, the biggest such ship in the world, was reported under construction today at a Japanese shipyard.

The Tokyo newspaper Asahi said the keel of the super-tanker has been laid at the national bulk carriers' yard at Kure on the inland sea.

The ship will be 860 feet long and 125 feet wide and is due to be completed this August.

The Asahi said a second tanker of the same proportions is scheduled for completion by the end of the year.

New Sabre Jet Bomber Incorporates Auto Pilot

LOS ANGELES (INS)—North American Aviation today announced successful completion of the first flight of its new super Sabre jet, the F-100D.

The company said the new model of the Air Force's first fighter-bomber capable of exceeding the speed of sound in level flight, incorporates a Minneapolis Honeywell autopilot which enables the plane to pilot itself to its target.

Veteran test pilot Dan Darnell described the electronic device as "a definite forerunner of complete automatic flight."

Judge Fractures Skull

ESCANABA (AP)—William J. Miller, 77, Delta County probate judge, fractured his skull in a fall on an icy pavement near his home at Rapid River Wednesday. He was admitted to a hospital here.

Seventeen boys and 16 girls are born hourly in Venezuela, Caracas estimates.

Adlai Shrugs Off 'Bossism' Blast

Fails to Refute Charges That California Dems Are Against Estes

SAN FRANCISCO (AP)—Adlai Stevenson ignored a new "bossism" blast by Sen. Estes Kefauver's supporters today and concentrated his California campaign on what he termed major failures of the Eisenhower administration.

Lyle Cook, Kefauver's northern California chairman, renewed charges that most state party leaders were aligned against the Tennessee senator's entry in the June 5 presidential primary. Nearly all ranking Democrats are pledged to Stevenson.

Stevenson headquarters said there would be no comment on Cook's latest assertion that "political bosses" have "hand picked and chosen" Adlai's 68-vote delegation to the Democratic National Convention.

The 1952 Democratic nominee, on an eight-day California tour, mixed criticism of the Eisenhower administration with a good word for organized labor, students, professors and "eggheads" in a speech last night climaxing a series of appearances in Oakland.

He said this country can't do its job as a world power with "alternate hot and cold declarations" on foreign policy.

Parents Escape Fire, Rescue 2 Children

PORT HURON (INS)—The mother and father of two small children leaped from a second-story bedroom of their blazing farmhouse home early today and then ran back into the flames to rescue the youngsters.

The mother, Mrs. Evelyn Malaukas, had carried one of the children from a first floor bedroom before she noticed she had fractured both feet in the jump.

The family lost all of its possessions in the fire, which destroyed the interior of the house, located near Blaine about 12 miles northwest of Port Huron.

Mrs. Malaukas and the children, Bernard, 3, and Cy, 1, were taken to Yale Hospital. The youngsters were overcome by smoke.

The father, Frank, was not hurt. Firemen said the blaze was started by an overheated coal stove in the kitchen. The family moved into the house only three weeks ago.

Chicago UAW Officials Reach Tentative Pact

CHICAGO (AP)—A tentative agreement was reached last night that may end the 85-day-old strike at the Chicago plant of the Revere Copper and Brass Co. and allow production to be resumed next week.

Spokesmen for the company and United Auto Workers said the agreement was subject to union ratification. They did not reveal its terms.

A strike by 650 UAW members at Revere's Chicago plant has been in progress since last Nov. 9. Revere's struck New Bedford, Mass., and Detroit plants reached agreements with the UAW last week but the union refused to sign the New Bedford settlement until agreement could be reached at the Chicago plant.

Earl Discloses the Secret of Best Steak Sandwich

By EARL WILSON
OIL AROUND FLORIDA

MIAMI BEACH—I winged down to Miami's winter wonderland for the weekend where the weather was warm—in the 70s. Plenty of money around! John Jacob Astor and date had a \$72 dinner and a gal wore an 18k gold bathing suit.

Follies Producers Dick Kollar and Jimmy Gardiner, auditioning "Florida girls" for their chorus, were most impressed by Miss Jackie Miller—who turned out to be from Washington, D. C.

EXTRA! Secret of America's Best Known Steak Sandwich now revealed! Cut steak extremely thin, fry in chicken fat using fresh ground pepper, then after it's fried, slice again horizontally, so you have two outside pieces for thin triangular shaped toast. (Don't add salt or pepper.)

Rocking chairs in a night club! Jack Benny's double, Murray Franklin, has 'em in his screwball spot which also has "college pennants" on the wall—from Atlanta, Lewisburg, and Alcatraz penitentiaries. Plus wonderful woman singer Roberta Sherwood. Franklin's gags go like this: "When I had a joint at the World's Fair, we sliced the meat so thin we almost missed it."

MODERN PROVERB: "He who hurrieth to be first out of the airplane, waiteth longest in line for his luggage."

THE MIDNIGHT EARL...

Errol Flynn had with him around town a doctor—a woman doctor he introduced as "Dr. Doris Du Pont of Montreal." Actually 'twas a gag and she's Doris DuPre the singer... Beatrice Lillie'll use Fred Keating as her partner in "An Evening With Beatrice Lillie" in Florida.

Ike's doctor told him the strain of indecision was retarding his recovery... Willie Mays' bosses, the N.Y. Giants, are keeping an eye on him—they checked the background of his current girl friend... Terry Moore's big new romance was handsome, wealthy Gene McGrath.

Leonard Hall, the GOP's nat'l chairman, will back Nelson Rockefeller in N.Y.'s senatorial race... Director Lee Strassberg told a graduating class at the Actors Studio, "Remember—85 per cent of the actors can't act, and 90 per cent of directors can't direct."

EARL'S PEARLS...

Walter Cronkite tells how to become a millionaire quickly: "Invent a woman's shoe two sizes larger on the inside than on the outside."

WISH I'D SAID THAT: Cab Calloway recalls this truism: "There are two times when a man shouldn't gamble—when he can't afford it, and when he can."

TODAY'S BEST LAUGH: A local showoff is doing so well that he's wearing the labels of his expensive suits OUTSIDE the jacket.—Arthur (Town House) Schaeffer. That's earl, brother.

(Copyright 1956, the Hall Syndicate, Inc.)

Russian Vegetables Up 70 Pct. in Price

MOSCOW (AP)—In a move to spur lagging crop production, the Soviet government has hiked by 70 per cent the price it pays for vegetables which collective, state and individual farms are required to turn over to the state.

Premier Bulganin and party chief Nikita Khrushchev signed the 2,000-word decree, which also introduced a system of bonuses to speed production and delivery of the vegetables.

The produce is sold in state brought on by a combination of stores at fixed prices. There was age, heredity and endocrine imbalance indication whether the consumable for which there is no er would have to absorb the price relief.

The decree criticized the ministers of agriculture, state farms, party members and state government members for failing to boost production as called for in earlier edicts.

AEC Studies Proposals to Aid 'Atoms for Peace'

WASHINGTON (INS)—Atomic Energy Commission Chairman Lewis L. Strauss says the commission is studying "several new proposals" to further President Eisenhower's "Atoms for Peace" program.

In a statement praising the report of a panel on the impact of the peaceful uses of atomic energy, Strauss said the commission is working on measures "to provide still greater assistance to friendly countries in the development and use of the peaceful atom."

Strauss added the AEC technical staff "is presently nearing completion of the declassification and down-grading of all accumulated data of use in the peaceful applications of atomic energy." He said data are "being organized in categories for easier public access."

JACKIE

New Hampshire Ready for Fight

Presidential Ballots Set as Ike, Kefauver Face Foes for Delegation

CONCORD, N.H. (AP)—Final battle lines have been drawn for the first-in-the-nation New Hampshire presidential primary elections March 13.

On the popularity side of the ballot, President Eisenhower is opposed as a Republican and Sen. Kefauver (D-Tenn.) uncontested as a Democrat.

In the balloting for control of the state's delegation to the national conventions, however, both face opposition.

The Eisenhower slate will be pitted against one pledged to Sen. Knowland (R-Calif.), who approved the move as a "standby" candidate.

Kefauver's pledged backers are confronted by a slate favorable to Adlai Stevenson, the 1952 Democratic nominee.

Deadline for filing in the preference poll phase passed at 5 p. m. yesterday. The preference poll is merely "advisory" for convention delegates.

The deadline for pledged delegate filing is Feb. 11. Neither Knowland nor Stevenson backers have filed complete pledged slates but both are expected to do so.

Both Stevenson and Knowland refused to enter the preferential section of the balloting, which Eisenhower and Kefauver won in 1952.

Eisenhower's name was entered although he has not yet indicated that he plans to run.

Should he decide not to, this would create an unprecedented situation. Under New Hampshire law, his name must remain on the ballot. The law says he has 10 days to request withdrawal and that period has long since passed.

John Barrymore Jr. Finally Getting Legacy

LOS ANGELES (AP)—When John Barrymore died in 1942 he left a marble bust of himself, sculptured by Paul Manship, to his son John Jr. It was valued at \$12,000.

It has taken John Jr. almost 14 years to obtain his only bequest from the great actor and he's going to have to pay \$200 to get it.

The bust was sold to raise funds for the elder Barrymore's creditors. Recently it was found among possessions left by Lionel Barrymore, but Lionel's estate also carried heavy debts. Young John will obtain possession tomorrow.

Mixed Stocks in Early Trade

NEW YORK (U)—The stock market was mixed today in early dealings. Prices ranged from fractions to a point in either direction.

Most major divisions were irregular, with the exception of oils which were mostly lower.

Among higher stocks were Fairbanks Morse, North American Aviation, Sears Roebuck, Loew's and International Paper.

Lower were Youngstown Sheet and Tube, Zenith, Kennecott, Westinghouse Electric, American Telephone, and Standard Oil (N.J.).

Ford Motor was traded over the counter at 63 1/2 bid, 63 3/4 asked. Late yesterday, it was bid at 63 1/2, with 64 asked.

Yesterday's market was the third in succession to show progress. The Associated Press average of 60 stocks rose 80 cents at \$176.30.

Ford Production Down; Only Lincoln Shows Rise
DETROIT (U)—Ford Motor Co. reports that its various divisions built 186,074 vehicles in January. The total compared with the January, 1955, total of 211,398 units.

Only division to show an increase last month was against the comparable 1955 month was Lincoln, with 5,751 assemblies against 906 a year ago. Other figures were Ford passenger cars 127,783 against 143,761; Mercury 22,937 against 32,383; Continental 373 against none and Ford trucks 29,230 against 32,348.

Ice Fisherman Dies
MONROE (U)—Boyd Sawmiller, 61, a Ford factory worker, was found dead, apparently of a heart attack, on the ice of Lake Erie yesterday.

Sawmiller, of Belleville, died after cutting a hole in the ice to fish a mile off shore from the mouth of Sandy Creek.

Taiwan plans to promote tourism by developments at Sun Moon Lake.

News in Brief
Charged with reckless driving, Culling R. Chapman, 43, of Walled Lake, pleaded guilty yesterday before Walled Lake Justice Logan Sparks and paid \$40 fine with \$15 costs.

Auto Company Lays Off 5,500 for Brief Period
A number of employees at Studebaker-Packard's testing grounds near Utica were among 5,500 laid off by the company for the remainder of the week, officials said today. Most of the lay-offs affected two of the firm's plants in Detroit.

A company spokesman explained that the final assembly line and some other departments have been halted for the last two days of the week because of a shortage of some car parts and an over-supply of others.

The company said normal work schedules will be resumed next Monday.

The nation's 28,996 miles of inland waterways carried 82 1/2 billion ton-miles of freight in barges in 1955, an increase of five billion ton-miles over the year before.
