September 19-20, 1992

At GM, the quest for safety never stops.

*A new
General Motors vehicle
is one of the safer
investments you
can make.*

*Because our cars and trucks
incorporate GM's Total Safety SystemsTM
to help make you a safer driver who can
better avoid an accident and to help
protect you and your family with an
integrated series of safety features.*

*GM is recognized as the industry
leader in automotive safety.*

*But there is no finish line to our quest to
bring you safer cars and trucks.*

Safety isn't one thing.
It's everything.

HOME OF THE MARRIOTT SOCCER CLASSIC

OAKLAND UNIVERSITY

In 1957, the late Alfred G. and Matilda Wilson donated \$2 million and their 1,500-acre Meadow Brook estate to Michigan State University to establish a college in Oakland County.

Oakland University was founded in 1957 as a branch campus of MSU, with 570 first-year students. By the mid-1960s, it had evolved into a medium-sized university and in 1970 became an independent, state-assisted university. It now offers more than 70 undergraduate programs and more than 30 graduate programs and enrolls about 12,000 students.

OU's distinct instructional programs—the college of Arts and Sciences, School of Business Administration, School of Engineering and Computer Science, School of Health Sciences, School of Education and Human Services and School of Nursing—offer a diverse curricula of general education and career preparation courses. Virtually all of these courses are taught by faculty members, not teaching assistants.

The Honors College, a division of the College of Arts and Sciences, meets the educational needs of highly motivated students. The Division of Continuing Education meets the needs of nontraditional adult learners through evening and extension programs.

Academic support facilities include such notable entities as the Eye Research Institute, the only major eye research center in the United States not affiliated with a medical school; the Meadow Brook Health Enhancement Institute, which provides health maintenance/health improvement and cardiac rehabilitation community outreach programs; and the Center for Robotics and Advanced Automation, a unit of the School of Engineering and Computer Science that utilizes high technology manufacturing methods.

And OU's professional arts programs annually attract thousands to the campus. OU has received national recognition and local kudos for its Meadow Brook Theatre, Meadow Brook Art Gallery, Meadow Brook Hall and Meadow Brook Music Festival, the summer home of the Detroit Symphony Orchestra.

OU is located 25 miles north of Detroit, in the small town of Rochester. OU's modern campus, which houses the university's many academic and public service programs, is located on a beautifully wooded site—much of it still undeveloped.

IN YOUR QUEST FOR EXCELLENCE
ON AND OFF THE SOCCER FIELD,
WE ENCOURAGE YOU TO

JUST DO IT.

John Thomas: Ford Employee

"I want you to be as proud of your car or truck as I am to build it."

At Ford Motor Company, quality begins on the drawing board and extends all the way through to dealer service. However, nowhere is quality more important than in the way we build our cars and trucks. Proof of that is the fact that for 11 years in a row Ford Motor Company has designed and built the highest quality American cars and trucks*—and that's a lot to be proud of.

QUALITY IS JOB 1.SM IT'S WORKING.

Buckle up—Together we can save lives.

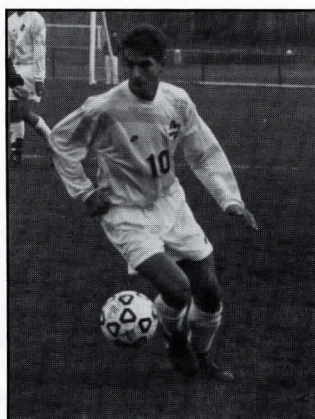

*Based on an average of owner-reported problems in a series of surveys of '81-'91 models designed and built in North America.

Always insist on genuine Ford Motor Company collision repair parts.

Join The President's Club of Oakland University

Membership in the President's Club supports the goals and educational mission of Oakland University - widely known for the success of its scholar athletes - both in the classroom and on the playing field.

By designating your President's Club support to the Pioneer Soccer Team, you will help build Michigan's premier soccer facility. All membership funds will go directly toward the Pioneer Stadium Development Fund which, when complete, will provide lighting and seating for 5,000 fans, and be available to host:

- ▼ Night games for Oakland University Soccer at times not conflicting with youth schedules
- ▼ Michigan State Youth Soccer Association Cup games
- ▼ Michigan High School Championships
- ▼ NCAA tournament games
- ▼ Professional matches

General membership benefits include:

- ▼ Katke-Cousins Championship Golf Course privileges
- ▼ Invitations to special Oakland University events
- ▼ Subscription to the award-winning Oakland University Magazine

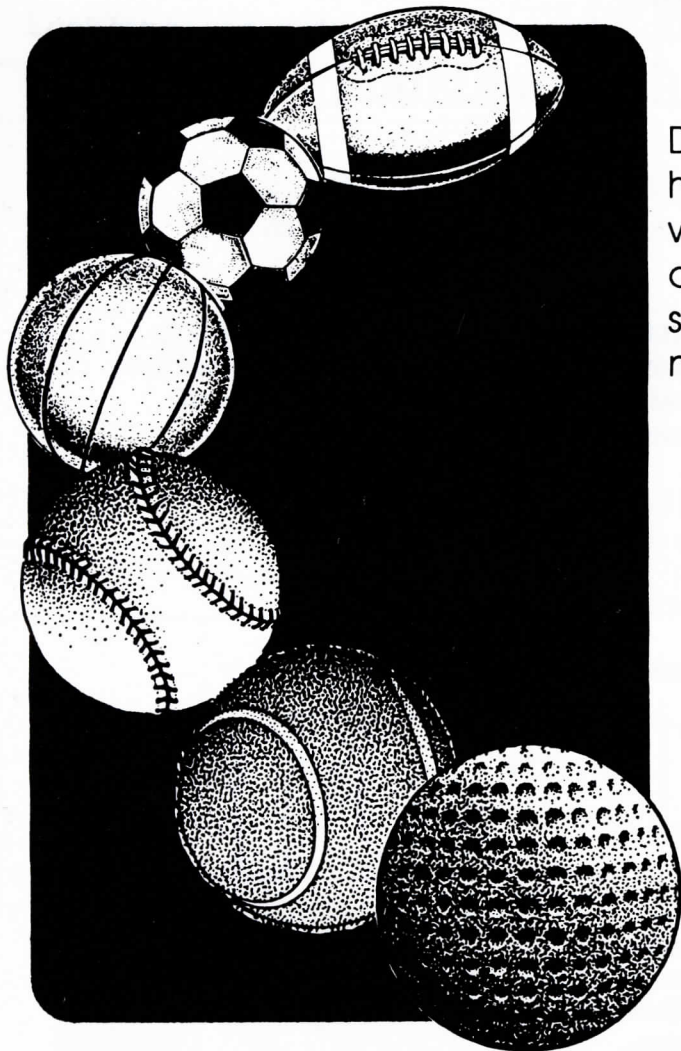

Special benefits to soccer program designees:

- ▼ A permanent plaque at the stadium recognizing your gift
- ▼ A season family pass to all OU home soccer games
- ▼ A special invitation to the Marriott Soccer Classic tournament banquet
- ▼ Two complimentary tickets to the Pioneers' Detroit Tigers home opener luncheon and outing

BRINE SOCCER

THE POWER BEHIND THE GAME.

Bold words, we know. But it's an accurate statement. One that is a direct result of Brine's unflagging commitment throughout the years to the sport of Soccer.

At Brine, we've kept our goals and values intact. By staying focused on product innovation. Advancing product design. Anything that will give the edge to soccer players. The results are, of course, what any company strives toward: *Leadership.*

Clearly, Brine is the leader in soccer product design. But just because we're out in front doesn't mean we're about to let our focus drift. Not a chance.

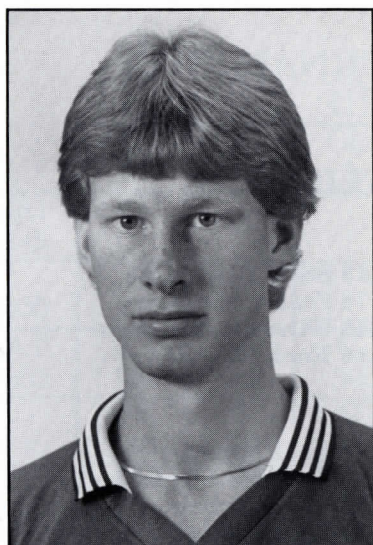

We continually push ourselves to the outer limits. That's why we back our soccer balls with a guarantee program unheard of in the industry. The Brine line of NCAA balls is backed by an unconditional 3-year guarantee. With that type of commitment, it's no wonder Brine was selected by both the NCAA and the MSL as the official game ball supplier.

If you're serious about soccer, select The American Soccer Company - **BRINE.**

To make trucks worth more in the end, you need the right beginning.

GMC, GMC Truck, Sierra and Sonoma are registered trademarks of General Motors Corp.

As you can see, GMC Truck has been in the truck business for a long time—90 years, in fact. More importantly, in all of those 90 years, we've made trucks and vans our only business. So it's not surprising that, on average, GMC Trucks hold their value better* than the trucks from any other company, foreign or domestic. And have for the past twelve years.

Look into a new GMC Truck. You'll find no one knows truck strengths and truck values better than a truck company.

*Manufacturer and nameplate retained value percentage based on weighted average of MSRP of three-, four-, and five-year-old comparably equipped vehicles compared against auction prices as reported in 1980-1991 January issues of National Automotive Research Blackbook.
