Iraq Premier Strives to Stem Unrest

City Motorists Ask for More One-Way Lanes

"We like them and would like to see more."

That was the general concensus of Pontiac area motorists when asked how they liked Pontiac's intensified one-way street program.

The random survey taken in downtown Pontiac also uncovered a few dissenting votes. "The streets are more congested now than ever before," one man exclaimed.

City Manager Walter K. Willman asked the public for comments after the most recent conversion of Pike and Lawrence streets between Perry and Cass.

Here is what the persons interviewed thought of the system:

TEREFENKO

Joseph Terefenko, 2559 Silverhill Rd., Waterford Township, a Fisher Body employe: "I've been driving in Pontiac for 15 years and I think this one-way system provides a smoother flow of traffic. I would like to see more streets converted if traffic would continue to go as smoothly."

KUSK

"This system of one-way streets is a little confusing at first, but wonderful when you get used to them," said **Chris Kusk,** 103 Bloomfield Terrace. "The greatest advantage is that you get a faster and less interrupted flow of traffic than you do on the usual two-way streets."

A Bloomfield Hills resident who shops in Pontiac, **Mrs. Ray Kyle,** said some one-way streets "are convenient while others are not so."

MRS. KYLE

"I would like to see the system continue of always having two streets converted together, so one would go one way and the adjacent one in the opposite direction," Mrs. Kyle explained.

Mrs. Ross Fuller, 105 E. Longfellow Ave., who has been driving in Pontiac for the past 16 years, said:

MRS. FULLER

"I think I will like them when I get used to them, but I must add that I think the city has enough. I agree with those that say they enable traffic to move along better."

The first objectionable vote came from **William C. Redmond,** 752 St. Clair St., an employe of GMC Truck and Coach:

REDMOND

"I don't like the system. We have to go too far out of the way to get where we are going. It is all too confusing and

Police to Vote on New Status

Officers Not Satisfied With Present Methods of Trial Board

In two weeks, the Pontiac Police Officers Association will decide whether to seek civil service to replace the present trial board authority set up by the city charter.

After a special meeting last night, Vice President Orville Johnston said a vote will be taken Dec. 12 whether to ask for civil service in the April city election.

Policemen expressed dissatisfaction with trial board procedure and with the influence, they alleged, of Police Chief Herbert W. Straley over the present board.

They pointed out that the board declined to meet with the association last month to consider officers' suggestions for disciplinary regulations.

The officers claim the board has no set prodecure for conducting trials and disciplining for infractions of police regulations.

The officers are considering a proposal for civil service covering both police and firemen and a proposal amending the trial board section of the city charger.

Pontiac firemen have been under civil service the past 15 years. A member of the Pontiac Firefighters Association, Charles Evans, spoke at the officers' meeting last night.

Drug Firm Confirms $10 Million Project

DETROIT (AP) — Parke, Davis & Co. confirmed today that it will build a new $10,000,000 medical research center on the University of Michigan's north campus area.

Harry J. Loynd, president of the Detroit pharmaceutical firm, said that the center will go up on a 50-acre site purchased from the university. Final papers will be signed next week, Loynd said.

The center will be completed by 1959, he added.

1,800 Flee in Night

VIENNA (AP)—Austrian police said another 1,800 Hungarians fled across the border last night, bringing the over-all figure to just under 100,000 since Oct. 28.

Britain, France to Begin Pullout, Says Official

Both Reported Willing to Withdraw Soldiers From Egypt

LONDON (AP)—The British Cabinet today was reported finally convinced it must begin a large-scale withdrawal of British troops from Egypt within days.

The report came from a qualified British official who said the French government had indicated privately its willingness to do likewise.

Foreign Secretary Selwyn Lloyd may disclose the government's plans when he addresses the House of Commons today.

Announcement of an impending withdrawal from Egypt would provoke a split in the ruling Conservative party which could bring down the government of Prime Minister Eden, now recuperating in Jamaica from the overstrain of directing Britain's invasion of Egypt and the subsequent hubbub.

Nearly a third of the Conservatives in the House of Commons have already shown their desire for British troops to remain in Egypt by endorsing a motion deploring the U. N. Assembly demands for "immediate and unconditional withdrawal."

Although the opposition Laborites vigorously criticized the invasion of Egypt, they could be expected to meet any policy splitting the government party with a motion of nonconfidence. Such a motion would be framed in terms to force the Conservative opponents of withdrawal to choose between reversing their stand or abandoning the government.

* * *

If defeated on such a motion, Eden's cabinet would have to resign and call general elections which might return the labor party to power.

A qualified British informant said the government now planned to insist only that the United Nations and Egypt clear the Suez Canal at once.

Williams in San Juan

SAN JUAN, Puerto Rico (AP) — Michigan Governor G. Mennen Williams today visited Puerto Rican Governor Luis Munoz Marin. The Michigan Democrat arrived here yesterday for a two-day visit before starting a vacation tour of South America.

Psychologically Cuckoo

PHILADELPHIA (AP)—The operators of a jewelry store here decided their window sign offering free estimates on watch repairs wasn't quite enough come-on. They added this bit:

"Cuckoo clocks psychoanalyzed."

Will Carry on Slain Husbands' Work

Pontiac Press Photo

BACK TO ECUADOR — Last January, savage Auca Indians in the jungles of Ecuador killed their husbands, but today both young widows are flying back to resume missionary work there. Mrs. Marilou McCully (left) and her sons Stephen, 4, Michael, 2, and Mrs. Peter Flemming, of Seattle, Wash. holding Matthew McCully, 9 months, are flying to South America. Mrs. McCully is the daughter of Mr. and Mrs. Harold F. Holbolth, of 362 N. Johnson Ave.

Army Puts Hex on Yule Cards in Pentagon

WASHINGTON (AP) — The Army chief of staff takes a dim view of swapping Christmas cards between people who see each other almost every day.

Gen. Maxwell D. Taylor has signed a regulation which says "the exchange of cards will be discouraged" between civilians and military personnel on duty with the Department of the Army. It says such exchanges are "unnecessary" since greetings of the season can be transmitted personally.

The regulation is directed to the 19,000 civilian and military people occupied with affairs of the department. Most of them are employed in the Pentagon here or in other offices in the greater Washington area.

Army officials said they thought the regulation would be taken up by field and area commanders.

The regulation covers Christmas this year and next year. Taylor made it effective until May, 1958.

Eye Committee for Fund Raising

Group Would Ponder Collecting $1 Million for City Hospital

A six-person committee will be appointed to seek means of raising one million dollars to help equip the new Pontiac General Hospital addition.

This decision was reached at a meeting held last night of some 20 civic leaders who had gathered for the third time in an attempt to find ways of raising the money.

Mrs. P. Eugene Miller, president of the hospital's Women's Auxiliary, was selected to appoint five persons to the committee. The committee would appoint their chairmen as a sixth member, Mrs. Miller said.

At previous meetings, Miss Lauretta Paul, director of the city hospital, outlined that $1,017,588 was needed to equip the hospital. Of this amount, there were $400,000 worth of purchase orders already issued, she added.

The new committee will coordinate with the Auxiliary which was selected as the collection agency to spearhead the drive.

Mrs. Miller said she did not know whether it would be formed in time for the Dec. 6 meeting of the Greater Pontiac Advisory Council. At this time, representatives of the hospital will present their case as to why the money is needed.

Syria and Egypt Charged With Inciting Trouble

Baghdad Government Denies the Reports of Many Killings

BAGHDAD, Iraq (AP) — Iraq's Premier Nuri Said is reported standing firm against a mounting campaign aimed at stirring up trouble in Iraq and discrediting his government.

The controlling pro-Soviet army clique in Syria and the Egyptian government are believed sponsoring the campaign.

The Baghdad military governor broadcast an appeal to the people urging them to be calm and not to yield to "subversive elements" which the government says are trying to incite widespread demonstrations.

Nuri's government denied reports that dozens of persons have been killed and wounded in Iraq's main cities. It reiterated that only two civilians were killed and some police and civilians wounded in a clash in the holy Moslem city of Najaf, in southwest Iraq.

Damascus radio declared 104 Iraqis were killed in four days of antigovernment demonstrations in Najaf. It asserted the "victims fell by police fire" as they protested against Nuri's government and demanded support for Egypt. Iraq has accused Syria of waging a campaign of subversion against the Nuri government.

Syria has charged Iraq with seeking to undermine the governments of both Syria and Jordan. Egyptian President Nasser is believed spurring the Syrians on.

Evidence of Syria's propaganda campaign is as marked in Baghdad as in Lebanon. It is sparked by radio broadcasts of inflammatory rumors.

Khalil Ibrahim, Iraqi information director, asserted in an interview that the greatest danger in the Middle East comes from open efforts of world communism to attack Arab stability.

Ibrahim spiked one specific rumor broadcast by Syria—that Gen. Tarak Said, commander of the Habbaniya Air Base, had been arrested.

The government also denied Damascus reports that army officers were being court-martialed

(Continued on Page 4, Col. 2)

Dog-matically No!

ALBUQUERQUE, N.M. (AP) — Department personnel have been giving anti-diphtheria shots to all comers since an outbreak of the disease last Friday. But they balked when a well dressed woman came into the county health office to request an immunization shot for her dog.

U. N. Still Seeks Inspection in Hungary

Ike Names Refugee Aide in U.S.

AUGUSTA, Ga. (AP) — President Eisenhower today named Tracy S. Voorhees, former Undersecretary of the Army, to coordinate the Hungarian refugee program and study whether more than 5,000 should be admitted to this country.

White House press secretary James C. Hagerty said Voorhees, now a New York attorney and a consultant to the Defense Department, is taking over the new assignment immediately and will serve without pay.

* * *

The President recently directed that up to 5,000 refugees from Soviet oppression in Hungary be admitted to the United States. The first groups have been arriving at a reception center at Camp Kilmer, N.J., and elsewhere since Nov. 21.

Hagerty said anew today it has been a possibility all along that the quota might be increased to more than 5,000. He said Voorhees will study that matter with Scott McLeod, administrator of the refugee relief law.

At Eisenhower's vacation headquarters here, Hagerty said Voorhees will serve as the President's personal representative "in connection with Hungarian refugee and relief activities in this country."

Hagerty said Eisenhower decided to appoint Voorhees "to assure full coordination of this work with the various voluntary and government agencies, and has asked Mr. Voorhees to see that effective machinery is promptly set up to accomplish this purpose."

UNITED NATIONS, N.Y. (AP) — Dag Hammarskjold will open the way for General Assembly action on Hungary's refusal to let in U.N. observers unless he gets definite word today from Budapest, informed sources said.

The informants said the secretary general had decided to set the immediate deadline on reporting success or failure to the Assembly after more than two weeks of evasive answers from representatives of Hungary's Russian-puppet government.

A U.N. spokesman said Hammarskjold spoke to Hungary's foreign minister Imre Horvath again last night and got the usual reply that word has not come down from Budapest.

Subsequently Moscow radio said Hungarian Premier Janos Kadar told a correspondent of the Soviet Communist party newspaper Pravda he was standing fast on his decision to bar both U.N. observers and Hammarskjold from Hungary.

A decision by Hammarskjold to place the matter before the Assembly at this stage could unleash a growing campaign among delegates to expel the Hungarians from the world body they joined less than a year ago.

Cuban Delegate Emilio Nunez-Portuondo called on the Assembly earlier this week to throw out the Hungarian delegation if the Budapest regime persisted in brushing off U.N. requests for an on-the-spot check.

Kadar Tells Why

MOSCOW (AP) — Pravda said today Janos Kadar refused to admit United Nations observers to Hungary for fear the people might mistake them for American troops.

Pravda further quoted the premier as asking why U. N. observers were necessary "when 600 foreign correspondents in Hungary saw everything, knew everything."

A World War Would Cost U.S. $4 Trillion!

HARTFORD, Conn. (AP)—A third world war would cost the United States four trillion dollars, the National Resources Conference was told yesterday.

"There is only one thing that is worth that price," said Navy Capt. Lawrence Smith, "and that is freedom."

Capt. Smith said the estimate of the fantastic cost is based on what it cost this country in previous wars.

"Wars are financed by taxes and borrowed money that comes out of your pocket. And since the revolution, each one that we have fought has cost roughly 10 times more than the one that preceeded it," Capt. Smith said.

He said world war two cost this country 383 billion dollars.

Time to Winterize; More Cold Tonight

Residents of the Pontiac area can ignore the snow shovels and rock salt tonight as the U.S. Weather Bureau forecasts mostly fair and cold tonight with a low of 14-18.

COLDER

The prediction for tomorrow is mostly cloudy and a little warmer, high 30-34. Northwest winds at 10-18 miles an hour will become west to southwest tonight.

The lowest temperature recorded in downtown Pontiac preceding 8 a.m. was 15 degrees.

At 1 p.m. the mercury stood at 24.

Did Elvis Pay Bar Hanger-On for Publicity?

TOLEDO, Ohio (AP)—The young man who went to jail for taking a swing at Elvis Presley here on Thanksgiving night has claimed he was promised $200 to fake the fight.

Louis Balint says that a "sharp character" he took to be a Presley employe made the deal with him in a Toledo bar.

Balint said he was told to "think up some good story" which would make "good publicity."

MEMPHIS, Tenn. (INS)—Elvis Presley emphatically denied a report from Toledo today that his fight with a jealous husband was a staged affair.

Presley, home in Memphis for a few days with his family, said his desire in life was to avoid trouble, but he couldn't because "there's always somebody who wants to prove something."

Brrr—It's Cold in Florida

MIAMI (AP) — Lowest readings of the season were reported in many parts of Florida yesterday, damaging tender vegetables in most farming areas. It was below freezing in northern and central areas but sunny skies sent readings into the 60s during the day.

Girl's Lie Test Confirms Charge

Madison Justice to Face Ouster, Criminal Action

Charles O. Williams, Madison Heights justice accused of making an indecent proposal to an 18-year-old Ferndale girl, today faced removal proceedings and criminal action, Chief Assistant Prosecutor George F. Taylor said.

Taylor said a lie detector test, voluntarily taken yesterday by Patricia Dawn Slate, confirmed her story "in every respect."

Miss Slate had charged Williams, married and the father of nine children, had offered her $15 a night to spend two hours at a motel with him on each of six nights.

She said the proposal was made Monday night, when she went to Williams' house to ask him to reduce the sentence of her boy friend, Larry Seigfried, 18, of Ferndale, now in Oakland County Jail after being sentenced by Williams for stealing gasoline.

Madison Heights city councilmen, who had asked Williams to appear at their formal meeting last night, passed two resolutions against him when he didn't appear.

One asked Gov. G. Mennen Williams to begin ouster proceedings against the associate justice, elected last spring. The other ordered that no city cases be judged in his court.

ADMITTED REGISTERING

In a statement to Taylor yesterday, Williams admitted he had taken the girl to the Bloomfield Township motel, where he registered alone under a false name. But he insisted Miss Slate had suggested the excursion.

Taylor said he will send Williams' and Miss Slate's recorded statements, together with Miss Slate's affidavit and the results of the lie test, to the Madison Heights council as soon as the statements can be typed.

He added he is preparing a warrant against Williams charging him with false registration in renting a tourist room, a misdemeanor punishable by a maximum $100 fine and 90 days in jail.

Williams came under fire from the Oakland County Judicial Association last spring for charging $10 for $2 wedding ceremonies, and for advertising his services.

He was also criticized for firing a gun from his porch at two youths whom he said were prowlers.

Where a Spot of Ale Clears Muddled World

Disorder Gives Way to Confusion

By HAL COOPER

LONDON (AP)—"Well," said our friend Percy the bartender, "the International situation looks a bit better today."

We said it didn't look much better to us.

"Why, of course it is," said Percy. "At last they've produced a little pure confusion out of all that disorder."

We asked what did he mean by that?

"Why, for one thing," Percy returned, "the Jordanians have decided to finish with that friendship pact they had with us. So now us British won't have to fight the Israelis in defense of the Jordanians whilst at the same time fighting the Egyptians on the same side as the Israelis. This is a big improvement."

We asked, had he noticed any other improvements?

"Certainly," said Percy, "you take anti-Americanism for instance.

"It used to be the Conservatives and their old colonial types that were putting up America as the world's great defender of freedom.

"At that time the Laborites, who are anti-colonial, were condemning you Yanks as dollar diplomats and enemies of the welfare state.

"This Suez to do has changed all that. The Conservatives now say the whole thing was a plot by you dollar diplomats to grab all the oil markets. Meanwhile the Laborites are praising you for telling Britain to get out of poor little Egypt, thus upholding freedom.

"You might say," Percy summed up, "that what you Yanks have lost on the swings you have gained back on the roundabouts."

We asked, did he hear many complaints about the gasoline shortage?

"Quite a few," replied Percy, "but the ones that are complaining the loudest are the ones who couldn't afford to own a motor scooter if an inch of petrol fell daily at high noon, like rain."

"By the way," he added, "do the Americans think Eden has future?"

We said we would prefer not to make any statements which might get us interned as an enemy alien.

"Well," said Percy, "we have three schools of thought on that in the pub right now. Here in the saloon bar one school says Eden has upheld our honor and will come back from Jamaica still prime minister, while a second school says he has bungled everything and will come back from Jamaica as the ex-Prime Minister."

We asked, what about the third school?

"Some of those rough types in the public bar," said Percy, "are saying he won't even bother to come back from Jamaica, especially if it's a cold winter."

Pontiac Deaths

William Balko

William Balko, 80, of 175 Alberta St. died Tuesday after an illness of four years.

He was born on Oct. 5, 1876 to John and Minnie Balko.

A carpenter and farmer, Mr. Balko had lived in Oakland County all his life.

He leaves a son, Clarence, in the state of Washington and a brother, Ed Balko, of Northville.

Service will be at 12:30 p.m. Saturday from the Huntoon Funeral Home with burial in Northville.

Samuel W. McLain

Samuel Wilson McLain, 89, of 38 Hovey St., died in St. Joseph Mercy Hospital yesterday after a five-year illness. He had been hospitalized three days.

Born in Sanilac County, he was the son of John and Mary Peek McLain. He married Addie Thomson 57 years ago in Forester, coming to Pontiac from there 52 years ago.

A former plumbing and sewer contractor here for many years, he is survived by his widow and two children, Mrs. Mary Jane Gurski and Albert McLain, both of Pontiac. Also surviving are three sisters, Mrs. Mary Wood and Mrs. LaValley Paskie of Brown City and Mrs. Sadie Irwin of Forester.

Funeral service will be at 1:30 p.m. Saturday from Farmer-Snover Funeral Home, with burial following in Oak Hill Cemetery. Friends may call at the funeral home after 8:00 this evening.

John Puckett

John Puckett of 34 Princeton Ave. died yesterday afternoon after an illness of two years. He was 70.

Born in Harrisburg, Ill. on Oct. 24, 1886, he was the son of John and Adeline Bishop Puckett. On Dec. 24, 1911, the Pucketts were married in Metropolis, Ill.

Mr. Puckett had been a resident of Pontiac since 1928. The last 26 years he was employed at Pontiac Motor Division.

Besides his wife, the former Audra Hedden, he is survived by two children, Leo R. Puckett of Pontiac and Kenneth Puckett of Farmington; six grandchildren and one great-grandchild.

Also surviving are a brother, Kay Puckett of Commerce; three sisters, Mrs. May Reed, Mrs. Iva Turner and Mrs. Grace Reed, all of Pontiac.

Service will be at 2 p.m. Saturday from the First Church of God. The Rev. H. Eugene Ramsey, his pastor, and the Rev. Tommy Guest of the First Social Brethren Church will officiate. Burial will follow in White Chapel Memorial Cemetery. Mr. Puckett's body is at the Huntoon Funeral Home.

Clayton E. Terbush

Clayton E. Terbush, 56, of 2271 Silver Lake Rd. died yesterday in Pontiac General Hospital. He was ill several weeks.

Born in Gagetown on Nov. 4, 1900, he was the son of Harry and Lucy Conley Terbush. On April 5, 1924, he was married to the former Nettie Hetherington.

A member of Emmanuel Baptist Church, Mr. Terbush came here from Gagetown and had lived in the Pontiac area 35 years. He was employed at Pontiac Motor Division.

Besides his wife, he leaves his mother and a son, Eugene at home, a sister, Mrs. Roy Hetherington of Pontiac; three brothers, Leland of Pontiac, Glenn of Kansas City and Percy of Detroit.

Service will be at 2 p.m. Saturday from the Huntoon Funeral Home with Dr. Tom Malone, his pastor, officiating. Burial will follow in White Chapel Memorial Cemetery.

Involved in Collision

Lucille C. Strahan, 39, of 92 N. Aster St. was X-rayed for possible back injuries and released yesterday at St. Joseph Mercy Hospital, authorities said.

She drove into the rear of another car stopped at a traffic light on N. East Blvd. at Valencia Dr., Pontiac police said.

HOT SPOT — While most of the nation was trying to keep warm, firefighters yesterday were battling flames which started in the national forest at San Ysabel. Zuni Indians were stationed on a hill behind the photographers to beat out the flying embers.

He'll Be Here for Parade Saturday

St. Nick Starts Trip to Pontiac

The stage is set for what promises to be one of the biggest and most colorful street spectacles in Pontiac's history — the annual "Christmas-On-Wheels" parade Saturday.

And even the Weatherman promises to give his best. He predicts that temperatures will be slightly warmer, a far cry from the chilly downpour that soaked some 30,000 spectators last year.

Hundreds of members of local church and school groups are putting the finishing touches on their Christmas floats and polishing up their roles for the Saturday festival.

Scouts from the Retail Merchants Assn. (the sponsor of the annual event) report that Old Saint Nick has just crossed the Straits of Mackinac and is headed for Pontiac.

BEST AT THE END

The Yuletide spirit will be most evident with Santa atop the Pontiac Area Chamber of Commerce float bringing up the rear of the long procession.

A group of Pontiac police motorcyclists will lead the group of floats and seven bands from the Saginaw-Turk street intersection promptly at 9:30. Up through the downtown area swinging onto Oakland to disband at Sanderson, will be the destination of the line of march.

Providing traditional Christmas music will be high school bands from Pontiac High, Waterford Township, Lake Orion, Ayondale, Walled Lake, Oxford, and a group of 250 musicians from junior high schools in the city.

That extra touch of beauty will enhance a new Pontiac automobile as Judy Crawford, Miss 1956 4-H Queen, reigns as queen for this ninth extravaganza.

DEPICT YULE THEMES

Floats depicting themes from the "Toyland Section" have been chosen by some 14 schools that have entered floats. Pontiac area churches have taken religious themes for the float.

Capt. A. J. Largent, commanding officer of Company M, Michigan National Guard, will be parade marshal. Gerard A. Poehlman, assistant Chamber of Commerce manager, is executive director.

"Each year this event has sparked great enthusiasm," Poehlman said. "And with amount of enthusiasm shown this year and the 57 units participating, including 33 floats I believe we have reached a new peak in Christmas parades."

Suited in black and white costumes will be a contingent of 48 members of the "Land-O-Lakes Dancing Majorettes." This group is composed of Oakland County girls ranging in age from 6 to 18 years.

Arranged by David R. Ewalt, committee chairman, some 40 physically - handicapped children will be seated in second-floor vantage points of downtown merchant's stores to watch the parade.

* * *

A color guard from the local National Guard company will march at the front of the column.

The Detroit Edison calliope and troops of Boy Scouts will be additional units in the march.

The Day in Birmingham

All Education Phases Under Study by CCE

BIRMINGHAM — Simultaneous work on physical facilities, personnel and curriculum is under way for the Citizens Committee on Education, and frequent committee meetings are the result.

It is the first time that all three areas have been under study since the group organized, according to chairman Louis A. Bauer of Bloomfield Village.

A large number of citizens who have agreed to serve on various units are being called upon, he says, and late this winter their recommendations will be made to the board of education. Previous advices from the CCE have been accepted enthusiastically.

Operating under the 15-man steering committee are three subcommittees, each with liaison through the steering committee.

Heading the personnel study is Robert V. Kerley 1269 Pierce. Charged with what is needed to achieve the objective of "the best staff for our children" is a committee under Donald Cramer, 1674 Witherbee, Troy.

Studying additional financing needs is a group led by Bennett J. McCarthy, 615 Abbey.

A close relationship found existing between personnel and curriculum has led to curriculum study, with three steering committee members in charge: Clyde L. Reed, 1231 Cedar, Dr. Paul J. Mentag, 16945 Lauderdale, Southfield Township, and Joseph A. Cipolla, 1495 Washington.

Study of facilities is being resumed, since original planning encompassed only the two school-years ending in 1957. Plans now are for the following two or three years.

That group, reopening study, is lead by Jennings Hammer, 1259 Yorkshire. And financing of buildings is being eyed by a group headed by Carl F. Ingraham, 940 Harmon.

* * *

A caravan or parade, appealing for aid for muscular dystrophy sufferers, will wend its way through the city streets today. The parade will form between 3:30 and 4 p.m. at Chester street, between Maple and Martin.

* * *

A conscience - stricken thief stole a portable television set from the window of a music store in Birmingham Saturday. Wednesday, the set, neatly wrapped in aluminum foil, was found in front of the store.

* * *

St. Elizabeth's Guild has completed plans for two luncheons slated for Thursday and Friday of next week at the St. James Episcopal Church undercroft.

Following Town Hall, which on those days is featuring Albert Dekker and Edith Atwater in "Two's Company," the informal smorgasbord lunch sessions at the church are designed for those who wish to shop that afternoon while in the downtown area. Tickets are available at the church or reservations for tables made with Mrs. J. M. Ross, 711 South Bates St.

After the Dekker-Atwater talks, the celebrity luncheon at the Birmingham Country Club provides a short talk by the speakers as well as a question-answer session.

* * *

Past Chiefs of the Pythian Sisters will meet tomorrow at 8 p.m. at Mrs. Stanley Smith's home, 6265 Crooks Rd., Troy. The Sisters' Temple No. 94 will meet Tuesday at the Community House at 8 p.m.

Saturday story hour topics at Baldwin Public Library will, as all during December, be based on the Christmas theme. They are "The Green Elf's Christmas," and "Schnitzle, Schnotzle and Schnootzle."

Valentine Joins Chinese Couple: Call Her Aline

Pontiac's Valentine couple now have a little Valentine.

A six-pound 12-ounce baby girl was born yesterday atgst. Joseph Mercy Hospital to Custer S. L. and Lin Kven Hong.

* * *

Custer, proprietor of the China City Restaurant in the city, marrie Lin, his childhood sweetheart last March after waiting eight years to have her come to this country from her native Hong Kong.

Pretty Lin, 22, arrived in Pontiac last Valentine's Day.

* * *

The proud parents who live at 985 Boston St., have named the new arrival Aline Lee Hong.

Suffers Head Injuries as Car Rams Pillar

Pontiac police were unable to question a driver, they said, who rammed into a stone pillar at the intersection of Orchard Lake avenue and Voorheis road early today.

* * *

William Wilson, of 235 Josephine Ave. suffered head injuries, they said, and was admitted to St. Joseph Mercy Hospital.

The hospital said Wilson was in good condition.

Proposed 1957 City Budget Will Be Presented Tonight

The 1957 proposed city budget—designed to continue the same tax rate as before — will be presented to the Pontiac City Commission tonight.

It totals $5,381,779.14 or approximately $245,500 more than the 1956 budget of $5,136,276, according to City Manager Walter K. Willman.

"This proposed budget is designed on an estimate of assessed value to allow for the continuation of the same tax rate," Willman said.

He added that for the past three years, the city was able to tax $13.70 per thousand of assessed value.

* * *

Under the City Charter, commissioners must pass the proposed budget by the end of January. Before that time, they will meet to approve the 1957 capital improvement program in line with the allocations of the budget.

Commissioners tonight are expected to set a date in January for a public hearing on the budget.

Other items to be considered at the weekly session, will be the The meeting is being held tonight instead of the customary Tuesday, as Willman and six commissioners just returned from the 33rd American Municipal Congress meeting in St. Louis.

second reading and possible adoption of a proposed city ordinance establishing street and sidewalk grades in Pontiac.

A public hearing carried over from last week will be continued tonight on a special assessment roll to finance storm drains in the Dixieland Subdivision.

A new agreement concerning the construction of a proposed new Post Office on West Huron has a place on tonight's 10-point agenda after being deferred from last week.

The playful "Chameleon" is traveling under a false name. It is really a lizard correctly named the "anole." An orthodox "chameleon" is a lizard that does not reside in the United States.

Raindrops are rarely larger than one-tenth inch in diameter.

About 57,000 oil wells were drilled during 1955.

Helm Accused of Third Killing

Testimony by Witnesses Links Him to Stabbing 22 Years Ago

On the testimoy of two witnesses who claim to have seen a knifing 32 years ago, Saint Helm, 57-year-old former Pontiac man, was bound over yesterday for arraignment Monday in Oakland County Circuit Court.

* * *

Helm, who has served 34 years in prison on conviction of two other murders, is accused of the first degree murder of Cora Wickwire at 56 Wessen St. in 1924.

A mother and daughter, now living in Ann Arbor, testified before Pontiac Municipal Judge Cecil McCallum yesterday.

They are Mattie Watkins and Mary Corley, whose testimony was that Helm stabbed the woman twice in anger. They stated another woman tried to wrest the knife from his hand and as a result was so severely cut that her hand remained permanetly crippled.

Chief Assistant Prosecutor George F. Taylor presented the evidence against Helm.

* * *

Helm was arrested after his recent release from State Prison of Southern Michigan where he had finished the remainder of a sentence for a 1918 shooting here.

He also servied time in New York state for a 1926 killing.

The Wickwire death came after Helm's parole for the first murder.

No Diphtheria Cases Reported in County

Although the toll of diphtheria in Detroit has increased rapidly in the past few days with a record 13 cases reported in the area yesterday, Oakland County is thus far free of the disease.

* * *

Only one case of diphtheria has been reported in the county this year said Dr. John D. Monroe, health director.

Detroit health officials in an effort to halt further spread of the disease plan mass immunization immediately. They hope to immunize approximately 100,000 school children before the Christmas holidays.

2 Planes Attack Egypt

ABU SUWEIR, Suez Canal Zone (AP)—Egyptian authorities reported two enemy planes attacked Egyptian positions near Ismailia today.

Shopping Early, Urges City's Postmaster

Pontiac acting Postmaster Leslie H. Dean today repeated his plea to post office patrons to do their Christmas shopping and mailing early.

Dean said he expects a Christmas mail volume breaking the 1955 record of 5 million letters, cards and packages, and pointed out the mountains of mail will be easier to handle if they're spread over the holiday season.

* * *

"Every facility of the post office will be pressed into service so that again this year, as in the past, the building will be cleared of all Christmas mail by Christmas, if possible," Dean pledged.

He added:

"By following the simple suggestions of mailing early, wrapping carefully and addressing plainly, Pontiac citizens will be assured of the safe and timely arrival of their Christmas mail."

Iraq Premier Tries to Ease Tensions

(Continued From Page One)

for protesting British use of the Habbaniya base.

Ibrahim declared the greatest Western mistake in recent years was the move by Britain and France against Egypt after Israel's thrust into Egypt's Sinai Peninsula. He said the action added strength to the propaganda campaign against the Baghdad Pact.

The information director urged the United States to join the Baghdad Alliance, which links Iraq, Iran, Pakistan, Turkey and Britain in a defense against the threat of Communist aggression.

* * *

In Damascus, the Syrian Foreign Ministry issued a statement affirming Syria's "positive neutrality" between the East and West. Echoing recent Moscow radio broadcasts, it charged "imperialistic propaganda was preparing an atmosphere for new aggression" in a campaign directed against Syria. It also declared "aggressive powers" were "provoking directly, or through the Baghdad Pact, disturbances in Syria."

Syrian Prime Minister Sabri Assali denied that his country had recently received a shipment of Soviet arms.

In Washington, the State Department accused the Soviet Union of increasing Middle East tension by shipping more than 30 million dollars worth of Soviet weapons to Syria.

British sources at U.N. headquarters in New York said the Soviet bloc has shipped about 460 million dollars worth of arms to Egypt and Syria. Up to Nov. 10, they said, their information was that about 400 million dollars worth had gone to Egypt and about 60 million to Syria.

* * *

Turkey, which also has expressed concern over recent Middle East developments, dispatched two ranking officials to London for conferences.

Russian Foreign Minister Dmitri Shepilov told reporters in Copenhagen, Denmark:

"Britain, France and Israel have new plans of aggression against the Arab countries in order to force Egypt to submission. We also know that big troop concentrations are taking place near Jordan and Syria and that political infiltration is taking place in Lebanon."

City Motorists Ask More 1-Way Lanes

(Continued From Page One)

makes as much congestion as the city always had."

Arlen G. Pelfrey, a bus driver for the City Bus Lines, said the conversion of Pike and Lawrence "is throwing all the congestion onto Perry street."

PELFREY

"I feel that the streets converted are all going the wronk way," he continued. "Pike should be made eastbound and Lawrence westbound instead of the other way around."

New Bridge Opened to Traffic on U.S. 16

Traffic flowed today over a new bridge on the Brighton-Farmington expressway (U.S. 16 relocation), the State Highway Department announced.

The bridge, which cost $186,000, is about two miles west of Farmington.

Urge Britons Flee Egypt

PORT SAID, Egypt (INS)—The British consulate is urging the 70 members of Port Said's British community today to leave Egypt as soon as possible. The consulate said 46 Britons already had taken its advice and that some 200 more had asked aid in preparing to leave.

Tibet's New Year's festival usually falls in February or March.

Detroit Speeds Up Diphtheria Battle

DETROIT (AP) — A speed-up of anti-diphtheria shots was ordered for Detroit today on the heels of the city's highest one-day case load—13 stricken persons—boosting this year's total to 105.

Dr. Joseph Molner, City Health Director, said, "We will accelerate our program to take in between 80,000 and 100,000 children just as soon as we can get the materials and personnel."

Five persons have died from the disease this year, compared to only one last year.

Health authorities met late last night to consider the problem which has concentrated on several small areas in the city — usually centered around a school.

Dr. Molner said that 12 schools were affected — the Riverside School in particular.

Lincoln Club Expects Nixon at Banquet

Meeting tonight in the County Office Building, 1 Lafayette St., members of Oakland County's Lincoln Republican club will discuss plans for their annual banquet Feb. 11, president George F. Taylor said today.

Vice President Richard M. Nixon is expected to attend the dinner, Taylor said.

U. S. Will Defend With A-Weapons, Says Quarles

NEW YORK (AP) — Secretary of the Air Force Quarles has reaffirmed the "determination" of the United States to use nuclear weapons if necessary against Communist aggression.

* * *

Addressing 1,300 persons at a dinner of the American Society of Mechanical engineers, Quarles also declared last night:

* * *

"Any thought that under present conditions nations will rule out a nuclear war or any other kind of war on moral grounds ignores the lessons of history, some of which are recent history."

* * *

Aides of Quarles said his reference to the lessons of "recent history" was aimed at Russia's use of force to crush the Hungarians.

Mail Gifts by Saturday for Alaska, Puerto Rico

Christmas mail to Alaska, Hawaii and Puerto Rico should be mailed by Saturday to ensure delivery before Christmas Day, Pontiac Acting Postmaster Leslie H. Dean said today.

Dean said available shipping schedules and possible weather delays necessitate the early surface mail deadline.

Forest Fire Set by Indian Boy

SAN DIEGO (AP) — Investigators say that an Indian youth has admitted setting a fire which caused 11 deaths and burned over more than 44,000 acres before it was controlled.

U.S. Forest Service investigator Elwood Stone reported that 16-year-old Gilbert Paipa told him:

* * *

"I just got a crazy idea to throw a match in the grass to see if it would burn."

The fire started on the campsite in the Inaja Indian Reservation where Paipa's family has lived for two generations.

Paipa was booked on suspicion of arson.

Gas Thieves Arrested for Siphoning Off Fuel

Robert E. Hewitt, 18, of 146 N. Jessie St. and a juvenile companion were arrested last night, Pontiac police said, for siphonoing gas from a truck parked at 12 Marivan Ave.

The pair was arrested by Officers Wilbur Carrier and Donald Russ, who confiscated a four-foot piece of hose as evidence.

Hewitt faces arraignment today on a charge of larceny. The juvenile, 14, was turned over to juvenile authorities.

Citizens Asked to Clear Walks for Postmen

With snow and ice glazing Pontiac sidewalks, Acting Postmaster Leslie H. Dean today issued a plea for consideration for his crops of postmen.

* * *

Dean asked city residents to keep their sidewalks and steps cleared, and suggested rural post office patrons should clear snow from around their mailboxes and spread ashes or sand so postal drivers won't slide into ditches. He urged rural patrons to clean snow from their mailboxes.

* * *

"Any help you can give your carrier to make his job easier will also be a help to you, for it will enable him to give you faster, more efficient service," Dean pointed out.

Murder Examination Put Over One Week

Examination of Eula Mae Beauregard, 33, of 456 California Ave., charged with the first-degree murder of Clarence Williams, 60, of 14 Duke St. was put over one week in Pontiac Municipal Court yesterday.

She is charged with stabbing Williams with a butcher knife during a quarrel Nov. 9.

There are more than 7,00,00 acres of national parks in Alaska.

$1,500,000 Fire Razes Eastern Store

OGDENSBURG, N.Y. (AP) — A match, carelessly flipped onto a doll counter, is believed to have caused a 1½ million dollar fire in the crowded shopping district of this Canadian border community.

The four-story J. J. Newberry store, which had been jammed with pre-Christmas shoppers, was wrecked yesterday. Three adjacent buildings, also housing stores, were damaged.

No injuries were reported. Scores of customers were led from the Newberry store by sales girls.

Alderman James S. Graham gave the damage estimate.

Pontiac Press Photo

MOVING AHEAD — Residents driving past West Huron and Genesee lately have witnessed the rapid progress of the city's new and fifth fire station shown above. According to George Heenan, of the architectural firm that designed the hall, work by the Chissus Construction Co. of Birmingham is about two weeks ahead of schedule. Contracts for the $97,000 one-story building were approved Oct. 2 by the City Commission. Work began around Oct. 13 and is expected to be completed in mid-March. When completed, the 89 by 74-foot hall will become the most modern of the city's fire stations and the first to be constructed since 1928. It is being financed from the city's capital improvement funds.

Wife and Son Can't Survive on Flowers

LOS ANGELES (AP) — After two years of marriage Mrs. Janice Lee Satterwhite still gets red roses, orchids, candy and sentimental poetry from her husband, Frank.

Most women might consider her lucky, but Mrs. Satterwhite has asked for a divorce. She told the court yesterday that, while her husband has showered her with gifts since they separated, one thing is missing—money.

Mrs. Satterwhite said she and her year-old son, Steven, simply can't exist on candy and flowers. The court ordered Satterwhite, a telephone company worker, to pay $50 a month child support and suggested he continue the wooing toward a possible reconilciation.

Kitchen Chores Eased

CHICAGO — It is estimated that the average American housewife of 1925 spent 5½ hours a day in preparing food in the home. By the start of 1956 that average was down to 1½ hours, the American Meat Institute reports.

Bunker Schedules Talks With Nehru, Resigns as Head of Red Cross

AUGUSTA, Ga. (AP) — President Eisenhower has chosen Ellsworth Bunker, retiring president of the American Red Cross, to be ambassador to India.

James C. Hagerty, White House press secretary, said Bunker will take over his post in India early in January. But Hagerty added in response to questions that Bunker will join Eisenhower and Nehru at talks scheduled for next month.

Replying to another question, the press secretary said he is "quite sure" the President will send his private plane, Columbine III, to London to pick up the Indian Prime Minister. Nehru plans to visit the British capital in advance of his trip to the United States.

Hagerty said there still has been no final decision regarding selection of a site for the Eisenhower-Nehru talks. But he said it is possible the two leaders may spend at least one day at Eisenhower's country home at Gettysburg, Pa.

Bunker's retirement as president of the American Red Cross was announced a few days ago. He is being succeeded in that post by Gen. Alfred M. Gruenther, who has just stepped down as supreme commander of Allied forces in Europe.

The only other Democrat who has served in a high diplomatic post in the Eisenhower administration was David Bruce. The President selected him in 1953 to be U.S. observer at the Paris meeting of the Interim Committee of the European Defense Community.

A native of Yonkers, N.Y., Bunker has been a member of the Red Cross board of governors since January 1954. Last July the President appointed him as a delegate to the United Ntions General Assembly.

During 1951 Bunker was ambassador to Argentina. From April 1952 to April 1953 he served as ambassador to Italy.

Hagerty announced that as is customary Bunker will serve in his new assignment as ambassador to Nepal as well as to neighboring India.

Bunker is a former director of the National Sugar Refining Corp. He also served formerly as a director of the Bankers Trust Co.

CONSTIPATED?

new laxative discovery un-locks bowel blocks

without gag, bloat or gripe

Constipation is caused by what doctors call a "thrifty" colon. A "thrifty" colon is one that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel; so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

TO REGAIN NORMAL REGULARITY two things are necessary. *First*, the dry, shrunken contents of your colon which now block your bowel must be re-moistened. *Second*, bulk must be brought to your colon to S-T-R-E-T-C-H STIMULATE it and so, excite its muscles to action; to a normal urge to purge.

ONLY A BULK LAXATIVE can 1) re-moisten this dry, shrunken waste and 2) supply vital bulk to re-create a normal urge to purge. And, of all bulk laxatives, COLONAID, the amazing new lavative discovery is so effective that it relieves even chronic constipation overnight, yet is so smooth, so gentle it has been proved safe even for women in the most critical stages of pregnancy.

SUPERIOR TO OLD STYLE bulk, salt or drug laxatives, COLONAID neither gags, bloats nor gripes; does not interfere with your absorption of vitamins and other valuable food nutrients; and in clinical tests, did not cause rash or other side reactions.

IT'S A PHYSIOLOGICAL FACT: Exercise tones your body! And COLONAID exercises your colon to tone it against constipation, overnight! Whether occasional, frequent or chronic, whatever your degree of constipation, get COLONAID, in easy-to-take tablet form at any drug counter, today! The price, only 98c for the economical 60 tablet package, brings you positive relief at less than 2c per tablet.

Parker 61

The only fountain pen that fills itself by itself—it has no moving parts

In its first Christmas Season, the Parker 61 is the distinguished gift for those friends who appreciate the new, the unusual—quite flattering to them and to you.

The Parker 61, with its frankly revolutionary capillary ink system, fills itself, writes effortlessly, dependably—even on a high-flying plane.

You have a choice of rich colors and gleaming caps—all strikingly beautiful. The Parker 61 is $20 or more.

The Parker 61, alone among fountain pens, fills itself by itself. It fills itself cleanly—through the end opposite the point. It's done by capillary action in just 10 seconds—the shining point need never be dipped in ink.

Excise Taxes Branded Unfair

Revenues From Kitchen Too Much for Poor, Says Appliance Official

WASHINGTON (AP) — Congress was told today present excise taxes are unfair because they hit the poor man's kitchen stove and water heater, but not the luxurious rugs, furniture and crystal of the rich.

Mrs. Pauline B. Dunckel, executive secretary of the Institute of Appliance Manufacturers, made the argument before a House subcommittee studying excise taxes. These are in effect sales taxes collected from manufacturers.

Mrs. Dunckel was one of several witnesses seeking repeal of excises on household and kitchen appliances.

"A tax on a range is, in effect, a tax on food," Mrs. Dunckel said. "A tax on a water heater is as unsound as a tax on drugs because both are essential to good health."

She said low income families have no choice but to spend a substantial part of their funds for such things while "discretionary spending in high income groups is more frequently for luxurious and untaxed rugs, draperies, furniture, china and glassware."

* * *

Charles R. Sligh Jr., speaking for the National Assn. of Manufacturers, proposed that most current excise taxes be abolished and replaced by a uniform tax on manufactured products, excepting food and some other items.

Sligh said such a system would open the way to eventual reduction of income taxes and would be fair, "above board and out in the open." The present excise system, he said, is "selective and discriminatory."

An automobile manufacturers' spokesman urged that the excise tax on automobiles be cut back to the pre-World War II level.

Was His Face Red

AUBUQUERQUE, N. M. (AP) — State Sen. Calvin Horn spoke to a group of school teachers here about a bill which passed both houses of the Legislature and was vetoed. During a question period, a teacher asked, "Who vetoed the bill." Horn patiently explained the grammar school civic class fact: The governor.

Toads are found everywhere in the world except Australia and Madagascar.

BIG WHEELS—Man at right (arrow) is dwarfed by huge center hull sections for the USS Triton, biggest submarine ever to be built. Under construction at the Electric Boat yards at Groton, Conn., the Triton will be powered by two atomic reactors. Spokes of "wheels" are temporary supports for the circular frame.

Wrecking Crew Blast Kills 2

Seven Others Injured at Train Crash Site in Indiana

MICHIGAN CITY, Ind. (AP)—Two wrecking crew members were killed today by an explosion in the wreckage of a crossing crash that had already killed two trainmen and a gasoline truck driver yesterday evening.

Seven other workers were injured, one critically, on the wreck clearing scene by today's explosion. A member of the train crew was burned yesterday in a rescue attempt just after the crash of the truck into the side of the Chesapeake & Ohio freight train.

* * *

Killed today as the explosion blew the bottom of the wrecked engine 40 feet were Otto Keehn, 48, and George Marquardt, 56.

Wreckage of the truck, two locomotives and 10 derailed freight cars blocked the C&O line. Although the crossing on busy U. S. 20 three miles southwest of Michigan City, was cleared, police rerouted traffic because of the persistent all-night fire in the spilled oil and gasoline.

* * *

Five of the derailed cars burned with the locomotives and truck. The train, bound from Grand Rapids to Chicago, was carrying mostly auto parts, scrap and salt.

Waterford Police Find Stolen Cars

Three stolen automobiles were recovered by the Waterford Township police department, Police Chief Frank VanAtta disclosed yesterday.

Two of the cars were stolen by an escapee from the Ookland County Juvenile Home.

Sgt. Charles Whitlock arrested the youth as he was driving in a car he had stolen from the Huron Bowling Alley on West Huron St. near Telegraph road. Sgt. Frank Randolph recovered a car that the boy had stolen from Pontiac before taking the one he was caught driving in.

The other auto was reported stolen from Flint and was recovered by officer Jack Hart.

2 Tickets, 20 Minutes Is a 'Good' Average

DETROIT (AP)—Harry Moore of Smith Creek got two traffic tickets within 20 minutes, one for going too slow, the other for going too fast.

Police said Moore was stopped the first time for driving at only 25 miles an hour in the lefthand lane of an expressway. After being ticketed, Moore drove away at a high speed. The arresting officer ticketed him a second time for doing 70 miles an hour.

Moore was fined $35 for the two offenses.

TO TOP POST—Dr. Lawrence G. Derthick, superintendent of schools at Chattanooga, Tenn, today was picked by President Eisenhower to be U. S. Commissioner of Education. The recess appointment is subject to Senate confirmation in January.

Convicted Iraqi to Be Deported

Sentenced for Murder, Student Ordered Back by Board of Inquiry

IONIA (AP)—Maurice Hamilton, 20, has been ordered deported to his native Iraq after serving less than four months of a life sentence for the love triangle murder of a Detroit grocer.

A special board of inquiry from the U.S. Immigration Department issued the order Tuesday after a two-hour hearing at Ionia State Reformatory, where Hamilton is confined.

However, Gov. Williams or the state parole board must approve the order before Hamilton can be turned over to federal custody.

Michael Kranson, the youth's attorney, said the board's decision would be forewarded to the governor, who is on a three-week vacation in South America.

* * *

Hamilton, who came to the United States on a student's visa, was convicted in the butcher-knife slaying of Aziz Hermiz, 38-year-old Iraqi immigrant, last Feb. 10. He was killed as he slept in his home.

Hermiz' wife, Victoria, 35, was named as co-conspirator in the slaying.

In a sensational 5½ week trial last summer, the prosecutor charged that the pair murdered Hermiz so they would be free to carry on an illicit love affair.

CONVICTED OF MURDER

Hamilton was convicted of first degree murder and drew a mandatory life sentence Aug. 1. Mrs. Hermiz was declared insane and was committed to the Ionia State Hospital for the criminally insane.

Hamilton was ordered deported under a provision of the McCarran Act, which decrees deportation for any immigrant who commits a major crime within five years after arrival in this country.

* * *

"Besides," said Kranson, "it would save the people of Michigan a lot of money."

Hamilton, who was present at the hearing, was overjoyed when he heard the ruling.

"I will be very happy to go back to my own country," he said.

If Gov. Williams or the parole board released the youth to federal custody, he probably will make the trip to Iraq with his parents, Mr. and Mrs. Thomas Hamilton.

The parents came to Detroit from their home in Baghdad for their son's trial.

Two Vessels to Be Burned in St. Clair

DETROIT (AP) — A lighted torch will put an end to a pair of once proud members of the Great Lakes pleasure boat fleet at sundown on Dec. 10.

The two vessels, the Greater Detroit and the Eastern States, will be set on fire in Lake St. Clair off the Grosse Pointe Yacht Club. When the wooden superstructures have burned, the metal hulls will be sold as scrap.

Both boats formerly were owned by the Detroit & Cleveland Navigation Co.

The owners, Abraham Siegel and Robert Rosen, said no one had responded to their offer to see the boats and that it would be economically unprofitable to put them back into operation.

Rosen and Siegel also own the Western States, another former D & C boat, which has been fitted out as a "Flotel" in East Tawas. The state has started legal action against the owners, contending the boat unlawfully occupies state-owned submerged land.

Banking Agenda Topic

ANN ARBOR (AP) — The current money market, automation in banking and capital structure and earnings of banks will be the main topics on the agenda of the Michigan Bankers Assn. conference at the University of Michigan Dec. 6 and 7.

Official Michigan Election Canvass Result: GOP Closest in Auditor General Race

By ROGER LANE

LANSING (AP)—Aside from President Eisenhower, Prof. Paul D. Bagwell, nominee for auditor general, came closer than any other Republican to carrying the state in the Nov. 6 general election.

This was disclosed in the official state canvass of election results, which showed Bagwell losing to Aud. Gen. Frank S. Szymanski, the Democratic incumbent, by 32,010.

Other Democrats on the state ticket, all seeking reelection, won by margins ranging from the 81,675 plurality chalked up by Secretary of State James M. Hare to the resounding 290,313 triumph registered by Gov. Williams.

* * *

Here are some of the standout facts emerging from the official count:

1. Justice George Edwards, running on the non partisan ballot for the remainder of an unexpired State Supreme Court term, defeated Circuit Judge John Simpson, the Republican nominee, by a record shattering 849,070 votes.

His margin was by far the largest ever recorded in any statewide contest, eclipsing the 556,633 votes by which Republican Fred W. Green beat Democrat William A. Comstock for governor in 1928.

2. The total vote for President, counting 6,923 ballots cast for Enoch A. Holtwick, the Prohibition Party candidate, reached 3,080,468, also a record. The figure topped by 214,482 the previous high vote for any office, cast for governor in 1952.

3. Democratic Gov. Williams won an unprecedented fifth consecutive term by tagging Detroit Mayor Albert E. Cobo, the Republican nominee with a 290,313 vote defeat. Williams attracted 1,666,689 votes to Cobo's 1,376,376.

4. Apparently as a result of the combining of the state and national ballot, the total vote for President exceeded the total vote for governor by 30,817. Four years ago, the gubernatorial total vote was higher than that for President by 67,398.

In racking up his statewide margin of 353,749, President Eisenhower pulled a whopping 1,231,864 votes in the 82 outstate counties as against 695,280 for Adlai E. Stevenson, the Democratic presidential nominee. This gave Eisenhower a 536,584 advantage outstate.

Running stronger than he did four years ago in Detroit and Wayne county, Stevenson sliced his opponent's plurality by 182,835 votes—but without coming even close to catching up. The Wayne county totals were Stevenson 664,618 and Eisenhower 481,618.

In the contest for governor, Williams carried Wayne county over Cobo 759, 704 to 377,177, a margin of 382,527, but lost outstate 906,985 to 999,199 to pare his overall plurality by 92,214.

Thus, Eisenhower's margin outstate was nearly six times that of Cobo.

The closest race for congress saw Republican Charles E. Chamberlain upset Democratic Rep. Don Hayworth in the sixth district by 3,967. Chamberlain's vote was 116,570 to Hayworth's 112,603.

The narrowest margin in a legislative race occurred in the 30th senatorial district where Democratic William E. Miron was declared the winner by only 129 votes. Miron received 24,686 to 24,557 polled by Kent T. Lundgren.

Robert M. Montgomery, state elections director, said he was unofficially advised by Lundgren's attorney that the loser will demand a recount, something he has 48 hours to do.

Montgomery said if Lundgren follows through with this intention a decision in the matter would be up to the senate after it comes in for its 1957 regular session in January.

The official vote totals in statewide races other than governor, together with the plurality of the winner, the Democratic incumbent in each case:

For lieutenant governor: Lt. Gov. Philip A. Hart, 1,565,704, Clarence A. Reid 1,421,966, plurality 143,738.

For secretary of state: Secretary of State James M. Hare 1,531,456, John B. Martin Jr. 1,449,781, plurality 81,675.

For attorney general: Atty. Gen. Thomas M. Kavanagh 1,530,663, Richard C. Van Dusen 1,443,107, plurality 87,556.

For state treasurer: Treasurer Sanford A. Brown 1,525,866, Frank C. Padzieski 1,438,461, plurality 87,405.

For auditor general: Aud. Gen. Frank S. Szymanski 1,496,809, Paul D. Bagwell 1,464,799, plurality of 32,010.

For supreme court justice: Justice George Edwards 1,406,677, Judge John Simpson 557,607, plurality of 849,070.

For supreme court justice: Justice Talbot Smith 1,028,689, Atty. Michael D. O'Hara 974,746, plurality of 53,943.

The lone constitutional amendment up for consideration carried 1,720,297 to 276,229. It bars from eligibility for legislative seats persons under 21, persons convicted of subversion and persons convicted of a felony involving breach of the public trust.

Curtice Gives Success Recipe

GM Head Says There Is 'No Guarantee' of Annual Progress

NEW YORK (AP) — Adequate capital, the "inquiring mind" and a desire for an improved standard of living are the driving forces behind technological progress, says General Motors President Harlow Curtice.

There is no such thing as guaranteed annual progress, he told the American Institute of Consulting Engineers last night at its annual banquet.

"Advances in technology are by no means automatic," he said, but are "the product of many forces, all operating within the framework of our free enterprise system."

"Every American desires to improve his own standard of living," he continued, "and these wants of individual customers set up compelling and cumulative pressures for more things and better things."

Adequate capital is also important to technological progress, Curtice said, adding:

"A principal source of such capital is the successful and profitable business whose earnings are available for re-investment or for distribution through dividends to the investing public."

* * *

Equally important, he said, is "what I like to call the attitude of the inquiring mind."

"This attitude of mind is never satisfied with things as they are," he explained. "It assumes that anything and everything can be improved. It is always seeking better ways to make things and better things to make."

Resigns FEPC Post

DETROIT (AP) — The Rev. Chester A. McPheeters of Detroit's Metropolitan Methodist Church resigned Tuesday as a member of the State Fair Employment Practices Commission. In a letter to Gov. Williams, he said the press of other duties forced him to resign.

State Lacks Control of Near Beer Sales

LANSING (AP) — The State Liquor Control Commission has no jurisdiction over the sale of near beer, an attorney general's opinion held yesterday.

The opinion, by Atty. Gen. Thomas M. Kavanagh, defined near beer as a beverage with less than one half of one per cent of alcohol by volume.

Harry T. Running, Traverse City prosecuting attorney, raised the question, citing a local problem about the purchase of near beer by minors.

Some of the minors, Running said, are in the habit of purchasing near beer and exchanging the contents of the container for beer.

Traverse City is considering an ordinance to forbid the purchase of near beer by minors but is concerned about possible conflict with the jurisdiction of the Liquor Control Commission, he said.

Kavanagh said that since near beer is not within the jurisdiction of the Commission, the validity of an ordinance regulating its sale depends only on the limitations of the police power of the city.

Appoint Michigan Man

LANSING (AP) — John C. Lorenz, assistant state librarian, has been appointed assistant director of the library services branch of the federal office of education.

Lorenz, assistant state librarian for the past 11 years, will assume the Washington, D. C., position Jan. 2. He will administer the library services act which provides financial assistance for the extension and improvement of public library services to rural areas.

High Waves Continue Pounding Oahu Island

HONOLULU (AP) — The Weather Bureau warned that high waves would continue pounding Oahu's north shore today and more residents prepared to evacuate if necessary.

Thunderous 30 - foot waves crashed ashore yesterday causing damage to half a dozen beachfront homes and several injuries. No deaths were reported.

The Weather Bureau said the freak conditions are caused by a large low pressure area some 2,000 miles north of here.

WHERE WRIGLEY'S USE TO BE

ASTOUNDS DOCTORS — The strange malady, cystic fibrosis, from which Lee Dertinger of White Lake suffers has not beaten the courageous man. The illness usually strikes down in childhood, but Dertinger, lovingly attended here by his wife, Ruth, and four-year-old daughter Sharry, is still enjoying life in his mid-twenties.

Lone Adult With Malady

His Survival Amazes Doctors

By REBA HEINTZELMAN

MILFORD — According to the law of averages, Lee Dertinger should not be alive today, because he has the dread disease, Cystic Fibrosis.

Dertinger lives with his wife, Ruth and 4-year-old daughter, Sharry, at 1969 Oakland Blvd. at White Lake.

With the disease, usually fatal to children, doctors are astounded that Dertinger has survived the strange malady to reach the age of 27.

In fact, physicians at the University Hospital at Ann Arbor claim that this is the only known case of Fibro Cystic where a victim has reached maturity with the disease.

Countless times, Lee has been at death's door, only to make a fantastic come-back. His last seige in September, left him bed-ridden most of the time. Eventually the attacks weaken the heart and lungs, causing death.

Cystic Fibrosis is a rather newly discovered disease and was considered a medical rarity until recently. However, doctors now claim that one child in 600 is affected and that, by heredity.

So far, there is no known cure for the disease and doctors can only alleviate the pain with dopes, anti-biotics and vitamins.

* * *

Although Dertinger has had the disorder all of his life, it was only three years ago that Dr. Walter Poole of the Moross Clinic in Detroit diagnosed the symptoms as Fibro Cystic infection. He was then sent to Ann Arbor where specialists confirmed the report.

Ruth Dertinger has had to acquire a job in a shop and a friend in Royal Oak has taken little Sharry while Lee is recuperating. The hospital and medicine bills have become burdensome for the family struggling against high odds.

Hours during the day are long and lonely for this man whom no one seems able to help. He looks to people for letters and cards—not so much for hope and encouragement—but just plain "conversation."

A new association has been organized in Berkley, known as the Michigan Cystic Fibrosis Association, with Mrs. Virginia Block, president.

The non-profit organization may acquaint people with the seriousness of the fatal malady and promote more interest for medical research.

Lee Dertinger certainly hopes so.

Sylvan Manor Assn. Meeting on Monday

SYLVAN MANOR — The Sylvan Manor Civic Assn. will meet on Monday, at 8 p.m. in the town hall.

Residents are urged by the president, Paul S. Kearns, to attend and offer suggestions and their services for the association's Fourth Annual Christmas party. Nazar Malkasian, chairman of the Entertainment Committee, will report on the committee's plans for the party.

Refreshments will be served during the social hour immediately following the business meeting.

Kearns also requests that all residents complete their Civil Defense registration cards and return them to the block captains.

At Waterford Township

Opening Cancer Center

WATERFORD TOWNSHIP — The Waterford Township Branch of the American Cancer Society will be holding "Open House" in its newly established headquarters Monday from 1 p.m. to 3 p.m.

This new cancer center is located in the library of the CAI Building, 5640 Williams Lake Road, and will be open on Mondays, Wednesdays and Fridays from 12 noon to 3 p.m. It will have a loan-closet to dispense dressings and medical supplies, not only for cancer patients but also for others seriously ill, such as diabetics.

Monday's program will include a film, "Man Alive", to be shown at 2 p.m. Christopher Dean, chairman of the Oakland County District of the American Cancer Society, will be discussant. Mrs. Helen Williams, the organization's North Oakland Voluntary Activities Chairman, will also be on hand.

Films and other educational facilities will be available through the center.

'Soph Stomp' Friday Night at Milford

MILFORD — The sophomore class of Milford High School is sponsoring a dance and party for their group and guests Friday night in the gymnasium, beginning at 8 p.m.

All proceeds from the "Sophomore Stomp" go towards the scoreboard which is to be installed at the Huron Valley Memorial Field.

Planning committee includes Jerry Garner, Sue McFarlane, Norma Brandenberry, Bob Cole, and Alfred Monetta.

Larry Dale and his band will play for the teenagers.

Casting Party to Highlight Players Supper

ROCHESTER — A casting party for the February play of the Avon Players will be a feature of the potluck supper meeting on Dec 8 at the Avon Community House.

* * *

A surprise entertainment is being planed by Mrs. George Goble and her committee, as well.

Members interested in trying out for the play will read parts for the casting committee, while other members witness the casting process.

A record turn-out of the members, as well as guests, is expected since casting is not usually done in this way and because it is the final meeting before the holidays.

Mrs. Worth Mallory, treasurer, reports a membership of 161 actives and 70 patrons as of Nov. 20. Eight applicants are on the waiting list.

County Students Aid in Music at Ferris

Among eight Oakland County students participating in the annual Christmas Concert at Ferris Institute on Dec. 6, will be Orville Somers of South Lyon, Jerry Thomas of Ferndale, Diane K. Westfall of Farmington, Kathleen Brenner of Royal Oak and Peter F. Aris of Drayton Plains.

County Deaths

George B. Smith

ROCHESTER — Arrangements are pending for George B. Smith, 47, of 1460 Cortland, at William R. Potere Funeral Home here. Mr. Smith was dead on arrival at Pontiac General Hospital this morning. He had just completed a night's work at Fisher Body when stricken by a heart attack.

Area Planners Eye Land Uses

Predict Facts to Alter Projections for County's Future Building

Land use of Southern Oakland County, and how knowledge of it will change current projections into the future will be detailed at the 8 p.m. Dec. 5 meeting of the South Oakland Planning Council at the Huntington Woods City Hall.

The council's program committee harks back to the time when the Detroit Metropolitan Area Regional Planning Commission first presented its preliminary regional land use plan.

Then, the question was raised "how can the commission be sure of its future land use projections without first having made a detailed land use survey?"

Aerial photographs, checks with utility companies and governmental units, and spot field checks had been used.

Now the results of the 1956 land use survey are being revealed.

Representation of each community is urged, so that the council's accomplishments may be enhanced by their support.

Farmington Gives OK for Topsoil Permit

FARMINGTON TOWNSHIP — The Township board this week approved a permit for Canvasser Bros. to remove 213,000 yards of top soil on 13 Mile Road between Drake and Halstead roads to prepare the land for subdividing.

It was the first time the township has been faced with such a request since it lost its case against Daschillo Co. whose excavations following a top soil permit brought about a court suit.

This request had been discussed at the previous commission meeting.

A time limit has been placed, with the job to be done in two years, and a bond of $1,000 per each five acres is being required of the firm.

Democratic Club in Waterford Asks Candidates

WATERFORD TOWNSHIP — Candidates for township offices for the spring election are being sought by the Waterford Township Democratic Club, and additional candidates may be named Friday at 8 p.m. at a club meeting at the CAI building.

Petitions will be available at the meeting for candidates to begin circulating.

Guests are being invited to the meeting as well as members.

FOR THE KODAK Stereo Outfit

Stereo color pictures today are so amazingly lifelike, you'll scarcely believe your eyes. Hospital Invites Volunteers

CONTINUED FROM PAGE

Once again volunteers at Pontiac State Hospital reaped rewards and awards at a presentation held Wednesday in the hospital chapel.

* * *

Dr. Ivan A. LaCore, medical superintendent, reminded them of the tremendous service they are giving to the hospital and to the community.

He recalled for them the plight of the mentally ill in early "insane asylums" — how patients were seen only for the amusement of the visitors, and were teased and treated like animals.

Over a period of years, Dr. LaCore said, the changes have been startling—real progress has been made. Communities are becoming aware of hospital needs and how they can gain better care and equipment for patients through legislation.

* * *

Their interest has been proved by their desire to work individually and with groups for the aid of the mental patient, Dr. LaCore noted.

The Rev. C. George Widdifield, rector of All Saints Episcopal Church, told the volunteers that their efforts and work have been felt in Pontiac and surrounding communities, and he said that he believes we are on a threshhold of dramatic psychiatric discoveries.

Statistics showing that patients are cared for at a fee of $4 per day drew the attention of the volunteers. This they learned is the only amount allotted by the State.

* * *

More favorable statistics show that 500 volunteers assist with projects throughout the hospital, in an attempt to give more than the bare necessities to these patients.

Awards were given to 17 organizations and 55 individuals at the session Wednesday. Assisting Dr. LaCore with the presentation were Marguerite Parrish and Dorothy Roe.

Dr. Ivan A. LaCore (right) expressed gratitude to the 200 volunteers attending the tea in their honor at Pontiac State Hospital Wednesday. He is shown with Joseph T. Franz of Pleasant Ridge, a volunteer, and Marguerite Parrish, director of the hospital's Social Service Department. There are 500 volunteers who devote time to some department of the hospital.

Pontiac Press Photos

Flower arranging and working with plants proves a real pleasure for patients at Pontiac State Hospital. They look forward to the arrival of members of the Pontiac and Birmingham Branches of the Women's National Farm and Garden Association each week. Captain of the project for the Pontiac Branch is Mrs. Standish Sibley (left) of Oriole road. She is photographed with a project worker, Mrs. Goodloe H. Rogers of Ottawa drive. They work under the supervision of Mrs. Eleanore McCurry, director of the Occupational Therapy Department.

Patients assisted with the tea held in the chapel of Pontiac State Hospital Wednesday. They served tea and carried trays, and the patients' band played all through the tea hour. Three volunteers who appeared to enjoy themselves were (left to right) Mrs. John Mahler of Huntington Woods, Mrs. Harold Brady of Whittemore street and Laurence W. Martell of New Baltimore.

Two volunteers who received their awards from Dorothy Roe, director of the Recreational Therapy Department, are (left) Mrs. Leon Glynn of Elizabeth Lake road and Mrs. Paul Felice of Pioneer avenue. These volunteers devote many hours each week assisting with recreational therapy.

Volunteers came all the way from Detroit for the tea Wednesday. Receiving awards for B'nai B'rith of Detroit were Mrs. Morrey Ager (left) and Mrs. Seymour Weiss (center), council chairman of B'nai B'rith. With them is Eleanor Keys, psychiatric social worker at the hospital.

Cranbrook Schedules Art Exhibit

Christmas Display and Sale Opens on Friday Evening

The annual Christmas exhibition and sale of student work opens at Cranbrook Academy of Art Galleries Friday from 8 to 10 p.m. and continues Saturday from 2 to 5 and 8 to 10 p.m. and on Sunday from 2 to 5 p.m. The hours are the same for the following Saturday and Sunday.

* * *

Student-made objects for exhibition and sale are first displayed in the various studios, for faculty acceptance.

The unusual Christmas cards are always in great demand by the public, as are small sculptures, paintings and jewelry.

Nancy Fisher of Franklin is in charge of sales and Charles Holzbog and members of the Student Council are involved in collecting objects and displaying them in the galleries.

* * *

The public is welcome on the days and hours announced. Proceeds from the sale go to the individual students, many of whom depend upon their own efforts for tuition and board at Cranbrook Academy of Art.

Colors Likely to Look Different Outside Stores

ITHACA, N. Y. (INS) — The housewife should not be surprised if some of the colored dresses, vases or pictures she buys appear different in her own home than they did on the rack or the department store sales table.

This information was imparted by Dorothy Nickerson, color technologist of the cotton division, U. S. Department of Agriculture Miss Nickerson added;

"Some forms of lighting have a tendency to bring out different strains of color than other forms do. This is a good development in lighting, for it allows the decorator to establish a variety of moods by using a variety of light sources.

"But it gives the buyer an added responsibility of choosing color tones that have a pleasant appearance under the lighting in the room for which they are intended."

Manufacturers, she continued, are becoming more conscientious of this condition and are beginning to use tones that reproduce pleasantly under fluorescent lighting—a lighting source growing in popularity—as well as under incandescent lamps.

"But there is still room for a great deal of thinking on this subject," she said, "and it is bound to come."

Pictures Viewed by VFW Auxiliary

VFW 1008 Auxiliary met Monday at the American Legion Home and viewed pictures of the National Home for Orphans and Widows in Eaton Rapids.

Mrs. Archie Tryan was appointed chairman to send boxes to servicemen in hospitals and Florence McCrae is chairman of the committee to send boxes to men still in the service.

Refreshments were served by Mrs. Paul Boelter.

Parents Club Meets at Member's Home

Mrs. John Vanderlind of Auburn avenue was hostess to parents of All Saints Cooperative Nursery, recently. The group watched the program "Group Living" shown on the educational television channel.

Refreshments were served by Mrs. James Day, Mrs. Philip Lunde, and Mrs. David Fulkerson.

Yule Dance Arranged by Sorority

ESA Will Sponsor December 21 Event at Elks Temple

Alpha Alpha Chapter of Epsilon Sigma Alpha sorority completed plans for its annual Christmas dance at a recent meeting held at the home of Mrs. Harry Woodman on Gateway drive.

* * *

Mrs. Woodman is serving as general chairman of the party to be held Dec. 21 at Elks Temple. "Candy Cane Capers" is the theme of the dance, and all proceeds will be used in the Child Psychiatry Service of Pontiac State Hospital.

Tickets are being handled by Mrs. Donald Moore, assisted by Mrs. Calvin Rhodes, Mrs. Clem LeBarge and Iva Pinkston. Ann Tierney, Dee Brim and Mrs. Frank A. Jalosky Jr. are arranging decorations.

Serving on the patrons committee are Mrs. Earl Smith, Mrs. Ralph Wilson and Mrs. Don Murphy.

* * *

Also serving on committees are Mrs. Edgar Plympton and Mrs. James H. George, orchestra, and Mrs. L. L. Schiefler and Mrs. Harold Stickley, publicity.

Tickets may be purchased at the door or from sorority members.

Calkins WCTU Has Luncheon Meeting

Emor L. Calkins Chapter, WCTU, held a luncheon and meeting Tuesday at the home of Mrs. Frank Hardenburg on Foster street.

* * *

Devotions were given by Mrs. Bradley C. McCoy who used Isaac, verses 23-25, as her subject. She also read portions of the publication, "Upper Room." Mrs. Sadie Patten spoke on alcoholism as it pertains to the health education program.

Fashionette Group Sees Travel Films

Members of the Fashionette Club met Tuesday evening at Adah Shelly Library and viewed travel films of Isle Royale and Canadian points of interest. They were shown by Otto Toman.

Mrs. Galen Joseph was presented with a trophy for losing the most weight. Mrs. Frank Reichert was a recent winner. Announcement was made that the club is open to membership.

By RUTH SAUNDERS

BLOOMFIELD HILLS — Hostesses at the Cranbrook Music Guild's second concert of the season at Cranbrook House Tuesday evening were Mrs. Marcus W. Frost, Mrs. Marshall Fredericks, Mrs. Orren Mohler.

Presiding at the coffee table after the concert were Mrs. Edward R. Chapman, Mrs. John W. Sanders, Mrs. Walter F. Skinner and Mrs. LeRoy W. Dahlberg.

The concert was given by Therman Bailey, baritone, who recently won the Grinnell Opera Award.

Mr. and Mrs. Henry S. Booth will be hosts atdinner this evening in honor of Dr. and Mrs. William E. Menninger of Topeka, Kan.

* * *

Mr. and Mrs. Robert W. Budd have invited guests for a holiday open house Dec. 16.

* * *

Mr. and Mrs. Beverly R. Boyd have invited a gropup of friends for cocktails and buffet supper Friday evening in their new home on Rathmor road.

SECOND DANCE

The Cotillion Club will have its second dance of the season Friday evening at Bloomfield Hills Country Club.

Mr. and Mrs. Thomas E. Wilson, Mr. and Mrs. Ernst F. Kern and Mr. and Mrs. W. A. Reid will chaperone.

Greeting the guests as they arrive will be Jane Wilson, Sue Fletcher, John Butzel, John Dady and Jeff Crawford.

* * *

Miss Dorothy Bell, president of Bradford Junior College in Bradford, Mass., was honored at a luncheon given at Devon Gables Tuesday afternoon by the Detroit Bradford Club.

Miss Bell is the houseguest for several days of Mr. and Mrs. Fred Sanders of Epping lane.

SUPPER PLANNED

Members of the Bloomfield Hills Branch of the Women's National Farm and Garden Association will entertain their husbands at a cooperative supper Monday in Bloomfield Hills High School.

For the program, Denis Glenn Cooper will show colored films of Isle Royale.

Mrs. Edward S. Wellock, president of the branch; Mrs. Robert Vanderkloot, program chairman; Mrs. William Ferguson and Mrs. Donald L. O'Toole are arranging the affair.

* * *

Mr. and Mrs. H. Gray Muzzy are planning their Christmas holiday to include their family. They will spend Christmas Day with their son and daughter-in-law, Mr. and Mrs. Richard G. Muzzy, in Anderson, S. C.

From there they will go to Miami to meet their son-in-law and daughter, Mr. and Mrs. Edward H. Lerchen, to fly with them to Montego Bay, Jamaica, for 10 days at the Half Moon Hotel.

* * *

Mr. and Mrs. Charles VanDusen and their three children of Manhasset, L. I., are visiting Mrs. VanDusen's mother, Mrs. Frederi Erb, and Mr. VanDusen's parents, Mr. and Mrs. C. Theron VanDusen of Bennington Drive.

This smart new blouse combines a cowl neckline with a soft bloused bow. For wear with a suit or separate skirt, it is tailored in washable rayon and acetate tissue crepe.

Sizes of Patterns Have Not Altered

If you plan on sewing over the holidays, be sure you understand the change that has been made in pattern sizes. According to Evelyn Mansfield, textiles and clothing professor at Michigan State University, you should buy the same pattern size as you formerly bought.

The pattern companies are now merely giving you measurementsh that more nearly correspond to the measurements you take at home. Formerly, the pattern companies were taking measurements in different places than the average homemaker was taking them.

If you have never bought a pattern before, take your measurements to the pattern store. A ready-to-wear size 12 will not compare exactly with a pattern size 12, but will usually be at least one size larger than the pattern size 12.

Rabbits have sharp but short-distance eyesight. They can see well in almost a full circle.

Prepare for Holiday

Prepare for the holiday rush now. Pack ice-box cookie dough in small, well-greased soup cans; store in freezer until ready to bake. Then cut out the bottom of the can; push out dough and slice it.

Chief Cagers Move Into Gear

By BRUNO L. KEARNS
Sports Editor, Pontiac Press

With the season opener just a few days hence, Pontiac High School basketball coach Art Van Ryzin has moved the team into high gear with daily scrimmage sessions hoping to find the starting combination which takes the floor against Detroit Catholic Central next Tuesday.

"We've got to pick up more speed on the court, and we need a lot more work on defense," said Van Ryzin.

* * *

The Chiefs will have three regulars in the lineup from the 1955 squad which won 13 of 19 games, including a setback by next Tuesday's opponent in the state quarter-finals last years.

Leading Pontiac's attack will be 6-5 junior Hudson Ray along with veteran guards Dave Diehm and Larry Peet.

Ray will carry the burden of the team's rebounding and he is expected to be a more serious scoring threat from the pivot.

* * *

Coach Van Ryzin however has been working with Ray in effort to polish his defensive game.

Diehm, who was one the team's best outside shots last year, and Peet have shown mid-season form in their floor play, although Peet has not been able to hit the hoop with too much consistency as yet.

"He'll start hitting before long and when he does we will be tough from the outside," said Van Ryzin.

* * *

Last season Peet suffered a fractured ankle late in the season and his absence during the tournament sessions was a big loss for the Chiefs.

The big problem for Pontiac is up from where the losses of all-stater Willie DeWalt and Rod Traeis have to be filled.

Another loss came as result of an injury several weeks ago to Terry Zellhart, a 6-2 senior, who was being groomed to fill one of the forward posts. Zellhart suffered a leg injury and will be out of action indefinitely.

Presently Dick Whitmer, 6-2, Roosevelt Alexander, 6-4, John Bandy 6-0 and Dick McLaughlin, 6-2, have been alternating at the starting forward posts.

Alexander, a lanky sophomore, has shown promise and his presence would give Pontiac valuable height. But inexperience shows and Van Ryzin is hoping Alexander will smoothen out as the season progresses.

Whitmer, who recently shed his football togs, could nail down the other forward slot, as could Bandy, but in either instance the speed up front is lacking.

* * *

Tuesday's home opener against Catholic Central should put the Chiefs in the right frame of mind, remembering that twice they beat the Shamrocks last year only to be eliminated from the state tourney in a third meeting.

Celtics Win Again, Boost League Lead

By THE ASSOCIATED PRESS

The Boston Celtics with more stars than a television spectacular, have moved four-and-one-half games in front of the National Basketball Assn's Eastern Division.

* * *

With Jim Loscutoff moving into the take charge role and Tom Heinsohn and Bill Sharman in support the Celtics defeated the Minneapolis Lakers 105-93 last night. It was their seventh consecutive victory.

Loscutoff, with 12 field goals, pumped in 26 points as Heinsohn and Sharman each hit for 24. Bill Cousy contributed 13.

Argument for Raise

Newk Wins Young Award

NEW YORK (AP)—Don Newcombe was all set today to argue his case for a sizeable salary increase, armed with irrefutable ammunition consisting of the Cy Young Memorial Award added to his National League's most valuable player prize.

The huge Brooklyn righthander, who was slated to hold a salary confab with Dodger vice-president E. J. (Buzzie) Bavasi this afternoon, was honored for the second time in a little over a week yesterday when he became the first winner of the annual award given to the outstanding pitcher of both major leagues.

The latest accolade is awarded in the memory of Denton (Cy) Young, immortal Hall of Fame pitcher who won 511 major league games.

Newcombe had been voted his league's MVP award Nov. 20, becoming the first pitcher to gain this honor since Jim Konstanty of the Philadelphia Phillies in 1950.

Newcombe received 10 of the 16 votes from a special committee of the Baseball Writers' Assn. of America, consisting of representatives of each of the 16 big league clubs. Sal Maglie, Don's pitching mate with the Dodgers, was runner-up, just as he was in the MVP voting, with four votes. One vote each was given to southpaws Warren Spahn of the Milwaukee Braves and Eddie (Whitey) Ford of the New York Yankees.

* * *

The writers considered only Newcombe's regular season work, during which time he won 27 games while losing seven. He was the Dodgers' biggest winner since Dazzy Vance won 28 in 1924. Newcombe's ineffective hurling against the Yankees in the World Series was not taken into account.

"I'm overwhelmed," was all the 225-pound, 6-4 pitcher could say when he was informed by telephone in his home in Colonia, N.J. of his second honor. "No one could possibly realize what these honors mean to me. They'll just make me work all the harder next year."

Campanella's Thumb Undergoing Surgery

BROOKLYN (AP) — Catcher Roy Campanella of the Brooklyn Dodgers enters Long Island College Hospital today for surgery, hoping history will repeat itself.

Campanella, three times the National League's most valuable player, will have bone chips removed from his right thumb by Dr. Herbert Fett, who performed two previous operations on Campy's left hand. The operation is scheduled for tomorrow.

Hampered throughout the season by the damaged thumb, Campanella hit for a .219 average with 20 home runs and 73 runs batted in.

Campanella had an even poorer year in 1954 but after corrective surgery bounced back to hit .318, with 32 homers and 107 RBI's the following season. He climaxed the comeback by winning his third MVP award.

Olympic Games Results

MELBOURNE (AP) — Wednesday's Olympic winners:

TRACK AND FIELD

3,000-Meter Steeplechase (Final)

1—Chris Brasher, Britain, 8:41.2 (Olympic record, breaking that of 8:45.4 set by Horace Ashenfelter, United States, 1952); 2—Sandor Rozsnyoi, Hungary, 8:43.6; 3—Ernst Larsen, Norway, 8:44. (First place originally awarded to Rozsnyoi on disqualification, but British appeal upheld and Brasher restored to first.)

Men's 400-Meter Final

1—Charlie Jenkins, United States (Cambridge, Mass.), :46.7; 2—Karl Friedrich Hass, Germany, :46.8; 3—Tie between Ardalion Ignatiev, Russia, and Voitto Hellsten, Finland, :47.

OLYMPIC FENCING

Team Epee Final

Italy 9, Hungary 3. (Italy wins gold medal, Hungary silver medal.)

DECATHLON

Milt Campbell, Plainfield, N.J., first and Rafer Johnson, Kingsburg, Calif., second after five events.

SWIMMING

Men's 100 Meters Freestyle

Jon Henricks, Australia, broke Olympic record in trials; Reid Patterson, Dick Hanley and Bill Woolsey qualified for finals.

Women's 100 Meters Freestyle

Dawn Fraser, Australia, equalled world and broke Olympic record; Shelley Mann, Joan Rosazza and Nancy Simons qualified for final.

Women's 200 Meters Breaststroke

Mary Jane Sears, Chevy Chase, Md., qualified for final.

Lake Orion - Troy, Northville Stronger

Oakland B, W-O Defending Champs Hurting

The winners of the Oakland B and Wayne - Oakland basketball races for the 1956-57 season won't be known until March. But one thing seems certain—the defending champions will have trouble repeating.

Fitzgerald, last season's Oakland B League titlist, and Milford, defending Wayne-Oakland Conference champion, are hurting before the schedule begins. Both teams were riddled by graduation and the outlook is not rosy.

Norm Pruitt and a handful of other stalwarts departed at Fitzgerald, leaving Bob Bush as the lone returning regular. High-scoring Jim Davidson, Fred Baker and Jim Green left the Milford ranks to sadly deplete the Redskin forces.

Graduation has also taken its toll at Madison and Avondale, strong Oakland B title contenders a year ago. Madison lost sharpshooting Jim Simer while Avondale saw the departure of Jerry Paul, Larry Herron and Sam Sheehy plus three other letter winners who saw limited action last season. Madison's big gun looks like Harold Perkins, the Eagles' No. 2 scorer a season ago.

* * *

Prospects are better at Lake Orion and Troy, league doormats in 1955-56. The Dragons and the Colts are rated strong contenders in league circles.

The return of Jim Drake and Nick Niera, Lake Orion's top point-makers last season, along with Ralph MacLachlan and Dave Golladay, offers encouraging signs. Troy's hopes will be built around 6-1 forward Sim Acton and 6-2 center Don Killewald.

Forward Larry Dorr will be the ringleader of Clawson's attack, which is bound to suffer from the loss of Tom Trexler. Len Martyniak's graduation removes a dangerous scoring threat at Roseville.

* * *

Clarkston's chances in the Wayne-Oakland circuit will be handicapped by a lack of height. The Wolves' attack will revolve around guards George Lang and Leroy Parks and center Dick Lippert, whose 6-2 frame provides their only rebounding strength.

* * *

West Bloomfield will also be fighting a height disadvantage. Returning letter winners are John Lucadam, Larry Hollister and Ray LePratt. Sophomore center George McDaniel, who stands 6-5, and Rollie Harmes, Jack Rhoades and Amos Bradsher boost title hopes at Holly.

Brian Watson and Herb Snyder, Brighton's twin scoring punch last season, lift hopes for the Bulldogs. Dave Hanaford and Dale Devitt head a veteran-thin contingent at Clarenceville.

Northville could be the No. 1 power in the W-O loop if rangy Clayton Pethers gets into the lineup. Pethers broke his leg during football and his status is uncertain. In the meantime, the load will rest with Bud Bell and Bill Yahne.

Big Field Tees Off in Pro-Am Tourney

WEST PALM BEACH, Fla. (AP)—A host of professional golfers and many amateurs including Bing Crosby and bandleader Phil Harris tee off today in an 18-hole pro-am golf tournament which is a prelude to the $10,000 West Palm Beach Open which starts tomorrow.

* * *

About 130 professional golfers, including Sam Snead, Ed Furgol, Doug Ford, Jack Fleck, Ed Oliver, Bob Toski and Dow Finsterwald, are here to compete in the $10,000 main tournament. The city upped the purse from $5,000 this year.

Win, 85-55

U.S. Cagers Trim Soviets

MELBOURNE (INS) — Uncle Sam's tall and talented basketball men crushed Russia's press-agented Olympic boys, 85 to 55, today, despite a meager half-time lead.

The Soviets had held America's undefeated Melbourne five to a se en-point lead, 39 to 32, by the half.

Then K. C. Jones of the University of San Francisco opened the whirligig by scoring three fast baskets, including two set 1x9ts. Bob Jeangerard also dumped in three to give the U. S. a 19-point lead.

The Russian's big but unswift Ian Krouminch, who stands seven feet, two inches high, did not play in the semi-final contest. Arkadii Botchkarev led the Reds and scored 21 points to wind up high man of the game.

BOX SCORE

RUSSIA	G	FT	P	UNITED STATES	G	FT	P
Mouijnieks	0	0	0	Houghland	1	0	2
Valdman	2	0	4	Jones	4	2	10

MSU Pins Hope on Sophomores for Puck Squad

EAST LANSING (AP)—Michigan State is hoping that a bunch of scrappy sophomores, mostly Canadian imports, will lift the Spartans out of their hockey doldrums this year.

MSU opens its ice season Friday and Saturday nights with a twin bill against North Dakota at Grand Forks, N.D.

The Spartans had a 5-16 win and loss record last year and were last in the Western Intercollegiate Hockey League.

Return of the two leading scorers from last year helps the hopes of coach Amo Bessone.

Ross Parke of Winipeg, Man., leading scorer last season with 15 goals and 21 assists for 36 points and Gene Grazia of West Springfield, Mass., second with 23 points, will lead the attack.

Wildlife Session Dec. 10

LANSING (AP)—Some 500 wildlife specialists from eight or more states are expected to attend the 18th Midwest Wildlife Conference Dec. 10-12 in Lansing.
