

Monmouth County Population Asked by Sewer Group

From Our Birmingham Bureau
BIRMINGHAM — The advisory committee of the Evergreen Interceptor District yesterday asked that a more accurate study be made of potential population for each participating municipality in the area before an Aug. 25 meeting.

This request grew out of the fact that construction costs for the proposed interceptor sewer will be based on the ultimate number of connections in each community.

On Aug. 25 the committee will petition the Oakland County Board of Supervisors to create the district and begin engineering studies through the county drain commissioner's office.

Officials from Birmingham, Bloomfield Hills, and the townships of Bloomfield, Southfield and Troy instigated the project after pollution abatement of the Rouge River was ordered by the State Water Resources Commission.

"There isn't time for delay in this problem," City Manager Donald C. Egbert declared. Birmingham is faced with a difficult situation.

"Our present sewage disposal plant is not of sufficient capacity to serve efficiently the city and Bloomfield Township."

Without taking immediate action on the interceptor the only other solution is to enlarge the plant, he said.

"But we don't want to spend money for temporary improvements. Basically we are agreed, so I hope we won't be picayune. The details can certainly be worked out."

Should enlargement of the plant be necessary, Egbert said the city could not afford to undertake the interceptor project.

"We're still shooting for Labor Day," James Spencer, chairman of the three-man board investigating the June fire at the Thomas Couper home, said yesterday.

The board is now waiting for more transcript of statements taken from residents who witnessed the fatal blaze.

"We expect to have all of the transcript on hearings held so far by next Tuesday," Spencer said. "There will be at least one more hearing, probably next week."

Final testimony will be given by fire and police officials.

The investigation was ordered by the City Commission after two neighborhood witnesses claim negligence on the part of the police and fire departments.

Mrs. Couper and her two sons, Larry and Danny, suffocated in the fire.

Members and friends of the Metropolitan Club, Spirit No. 9, will head for an evening of dancing at the Walled Lake Casino to-night, when the club's annual ball is held from 9 p. m. to 1 a. m.

The club is made up of members of the police, fire, postal and other federal departments in the Birmingham-Bloomfield Hills area.

Until City Planner Robert Boatman has a chance to secure recommendations from Oscar Gunderson, traffic consultant, on a traffic survey taken recently at the W. Maple-Cranbrook intersection, no action will be taken by the Oakland county Planning Commission.

The City Commission was advised of this at this week's meeting. The extension, which has long been deemed a "must" by the city, would extend 14 miles from a point west of the Birmingham Country Club to Cranbrook road.

Traffic which now must travel through Birmingham's congested business area, or which must use such residential streets as W. Lincoln, would be able to skirt the city, if the extension were carried out.

Residents living in that area, however, are opposed to the move.

Playoffs in the YMCA Softball League will continue at 6:40 to-night at Pembroke and St. James fields. Needing a win last week over Detroit Edison Co., in order to top Michigan Bell Telephone Co., Alabama Food Service took the game, thus gaining second place for regular league play. Electronics Service placed first.

County Democrats Elect 106 Delegates

(Continued From Page One)

meeting in the County Office Building were advised to push a program for voting a straight Democratic ticket in the coming election.

Temporary chairman Arthur J. Law of Pontiac called for a moment of silent prayer from the assembly for the swift recovery of Hart's, seven-year-old daughter, Ann, who was stricken with polio last week.

Another silent prayer was offered in memory of Blair Moody who died in the midst of his campaign for U. S. senator last month.

The delegates unanimously approved a resolution to permit the appointment of representatives from each of the county's six districts by the county committee for more effective operation of the committee.

Another resolution provided for the appointment of delegates to fill vacancies created by the failure of a delegate or his alternate to appear at the state convention.

The election of Willis Brewer, Phil Hart and Murray Van Wagner as delegates at-large was approved by one of the loudest voice-votes of the evening.

Adeline Adams of Waterford, Jane Loud of Birmingham and Martha Sheppard of Royal Oak Township were named alternates.

An optimistic attitude for victory in November prevailed as the meeting neared its climax and Brewer told the audience that victory was possible only "if every Democrat in the state turns out in November."

Following is a list of state delegates:

PONTIAC—Each delegate to cast one-half vote—Harry Randall, Hayward Whitlock, George Hicks, Arthur Law, Leslie Fadden, Jack Redding, Gerald Roberts, Leann Harrison, Alan B. Greene Jr., David Simmons, Lorin McCray, Robert Spurr, Otto Lawrence, Robert Grant, David Wiley, Della Bourdell, Don Barrett, Mildred A. Burns, Robert Bowen, James Yeager, John Kent, Alvin Shaw, Linwood Plack, Louis Lintz, Glen J. Johnson, Donald Tewe, Odell Johnson, Arthur Weston, Allen Johnson, Emil Jarnowski, Stephen Bess, John Houston, Albert Orr and Eugene Sutherland.

WATERFORD TOWNSHIP—Each delegate to cast one-half vote—Charles G. Richardson, Howard Somerville, Robert Boyer, Alvin Kerr, Billie Pearson, Douglas E. Adams, Harry Blum, Clark J. Adams, Vincent Myers and Stan Sherwin.

OAKLAND, INDEPENDENCE AND GROVELAND TOWNSHIPS—One-half vote—Archie K. Groshog and Dorothy B. Spooner.

PONTIAC TOWNSHIP—Donovan O. Gilmore.

SCOTTSDALE TOWNSHIP—Wesley Skowron, John Lampi and Donald Swanson.

AVON TOWNSHIP—P. T. Smith and Neil R. Crowe.

ROSE HOLLY AND HIGHLAND TOWNSHIPS—Margaret O. McCarty, Addison, Oxford and Brandon Townships—Harry McGowan.

MILFORD, LYON AND NOVI TOWNSHIPS—Fred Elias.

FARMINGTON TOWNSHIP—Donald Lea and Joseph Kuehner.

ORION TOWNSHIP—A. M. Boberg.

TROY TOWNSHIP—Cecil M. Mason and Melvin Kuehner.

ROYAL OAK TOWNSHIP—Clare Denis, John Archambault, Ann Edwards, Fred Hanson, Margaret Sutton, K. E. Brown and Howard Arnold.

CLAWSON—Michael Cook.

OAK PARK—Jack Mankowski and Ray Lentz.

HUNTINGTON WOODS—Harriet Phillips.

BERKLEY—Floyd E. Hubbard, Lloyd D. Utter, Clayton F. Johnson, William A. Demick and Max Barrett.

PERDUE—Frank Stierowski, Louis E. Fitch, George A. Daniel, Helen Reago, Clare Hammond, Robert Lilly and Victor J. Geline.

HAZEL PARK—Walter McMahon, Conrad Beaulieu, Larry Benn, Zigmund Nipert and William Dennis.

Reveals Driver of Death Car

Sole Survivor of Crash Says Kenneth Eskridge Was Behind Wheel

John Reneaud, 21, the only survivor of the Saturday morning automobile accident on Rochester road which killed five Oakland County residents, confirmed the beliefs of Troy Police that Kenneth B. Eskridge, 23, was driving the car at the time of the crash.

According to Reneaud, who lives at 300 Leroy in Clawson, the accident occurred while he and five others were on their way home from a dance at the Green Glen Amusement Park in Utica. Eskridge and June Alexander, 21, were riding in the front seat when the car crashed into a tree approximately 300 feet north of Long Lake road.

Reneaud told Assistant Oakland County Prosecutor Homer Gerue yesterday that he thought something must have gone wrong with the car, or that Eskridge had fallen asleep because the car was not going fast and the driver was not known to be reckless.

In St. Joseph Mercy Hospital with scalp cuts, a leg fracture and knee injuries, Reneaud is reported in fair condition today. The early morning crash took the lives of Eskridge, of 76 Vermont, Troy Township; Miss Alexander, 21, of 15633 Buckingham, Southfield Township; Ernest Day, 22, of 196 Vermont, Troy Township; Virginia Engelhardt, 18, of 1942 Villa Rd., Birmingham; and Donna Asher, 22, of 314 Lincoln, Clawson.

Record Entry Seek Press Cup

PKC Show Lists 555 Dogs for Big Annual Show Aug. 22

A record field of 555 dogs will try for the Pontiac Press "best-in-show" award at the Aug. 22 all-breed show held by Pontiac Kennel Club.

This big annual outdoor show takes place in Wisner Stadium with events getting under way at 9 a. m. and continuing through 5 p. m. when the best-in-show will be selected. The Pontiac Press award has been one of long-standing.

A dozen judges will "work" the many divisions into which the show is split.

Largest single group in the sporting breeds, with 130 entries. Included in this division are the Cocker Spaniels with 44 and Brittanys, with 23. Hound group has a total of 53, with Beagles and Bassetts each having 9.

In the working group, with 184 dogs (overall largest entry). Great Danes have the most, 44. List includes 48 terriers of many breeds. Wire-haired and miniature Schnauzers have 12 each; toy breeds have 38, with Pekingese and Pugs 7 each.

Non-sporting group lists 72 dogs, with Boston Terriers leading with 16.

About 45 entries have been filed for the obedience feature of the show.

Pontiac Man Facing Arraignment Monday

A Pontiac man, accused of taking \$230 of his employer's money, waived examination on the charge yesterday and was bound over to Oakland County Circuit Court for arraignment Aug. 16.

Elmer Cook, 54, of a local hotel, was unable to furnish \$5,000 bond set by Waterford-Township Justice Willis D. Lefurgy. Cook had been employed at The Pub. 35, N. Telegraph Rd., at the time of the theft.

Unable to furnish bond, Cook is being held in Oakland County Jail until his court appearance. He had been employed about two weeks, according to the owner, Walter B. Finley of 292 Oakland Ave.

Turning to wages, which the President described as one of the principal expressions of the progressiveness of the American economy, he said they have continued to rise.

In the case of wages in the manufacturing field, for example, he said that from the first half of 1952 to the first half of 1953 the increase was 9.1 per cent, and that from the first half of 1953 to first half of 1954, the climb was 2.9 per cent.

Delaware Park has five race tracks: the main oval, two steeplechase courses, a 1/4 mile training track for flat runners and a steeplechase schooling course.

Contract talks first broke off last April 15. The Atomic Energy Labor Relations panel took over and recommended a raise of six cents. The raise was rejected and the CIO went on strike and set up picket lines. Supervisory employees kept plants running until a truce agreement was reached.

The labor picture here was further muddled when about 1,600 AFL electricians walked off two separate atomic construction jobs yesterday. The walkout and a strike of all 77 AFL painters, on one of the construction jobs were in no way related to the wage dispute involving the production workers.

MEDAL FOR AN EYE—Richard Peck wears an eye patch bearing the Marine insignia during a reunion of the First Marine Division in New York. Peck lost his eye on Vegas Hill fighting in Korea.

Ike Says Recession Over, Outlook Good

(Continued From Page One)

this, we may look forward with great confidence to the future."

At the outset of his statement the President declared:

"The paramount fact about the economy at midyear is that the recent decline in economic activity has come to a halt."

In analyzing the economic activity of the first six months of this year, the President chose as a comparative base the first half of 1953 when he said "our nation was enjoying the greatest prosperity we have known."

Using "that yardstick," he went on, "we find that industrial production has been running 8.1 per cent lower than in 1953."

But Eisenhower said other criteria must be taken into account—such as gross national product, which expresses the dollar value of the nation's total output of commodities and services; non-agricultural employment; personal income, which is the sum of all individual and family incomes; disposable personal income, which is the sum of individual and family income minus personal income tax payments; and bank deposits outside New York City.

The President then cited figures to indicate that gross national product was 2.7 per cent less in the first half of this year as compared with the first six months of 1953; non-agricultural employment declined 2.6 per cent; personal income was up 0.2 per cent; disposable personal income up 1.4 per cent and bank deposits, outside New York, up 0.9 per cent.

"It is fair to conclude from these facts that the recent economic decline, on an over-all basis, has been very small," Eisenhower summed up.

Using the same yardsticks for comparison of the first half of this year with the first half of 1952, the President cited figures to show that in each case the picture was better from January through June of this year—as much as 7.2 per cent in the case of personal income and 10.2 per cent in the case of bank deposits outside New York.

Eisenhower, in rating 1953 as "a still better year than 1954 is turning out to be," said that means "the over-all performance of the American economy thus far during this administration has been better than during any earlier time."

Flash Storm Capsizes 70 Sailboats in Atlantic

MARBLEHEAD, Mass. (U. S. A. — A brief but fierce thundersquall capsized some 70 small sailboats in Marblehead harbor yesterday.

The wind, 20-minute storm might have spelled tragedy for about 100 persons but for the swift rescue operations of nearby speed boats whose crews took aboard the foundering yachtsmen.

Prayer service was held this morning at 10 a. m., at Sparks-Griffin Chapel for the infant son of Otis and Beatrice Wilson Yeargan of 2505 Longview Ave.

He died shortly after birth yesterday at Pontiac General Hospital. Burial was in Avon Cemetery at Rochester.

Income Tax Men to See McCarthy

Believe Senator Owes \$25,000 but Not With Fraud Intention

WASHINGTON (U. S. A. — The Washington Evening Star said today Internal Revenue agents, after an 18 months investigation, have concluded that Sen. McCarthy (R-Wis.) owes additional income taxes and interest of about \$25,000.

The newspaper said it had learned the revenue service will soon present the evidence it has gathered to McCarthy and give him a chance to explain data that the tax investigators do not understand.

"The tax agents do not contend that Sen. McCarthy acted with fraudulent intent," the story said.

"Instead, they assert the Wisconsin legislator erroneously classified as nontaxable some of the money he received and on which he should have paid taxes."

The case was described as covering the tax years 1946 through 1952.

Saying there was no claim of intent to defraud, the newspaper added:

"A taxpayer in these circumstances can clear himself by simply paying back taxes plus 6 per cent interest."

"If the taxpayer pays up, the revenue service does not make the case public. Thus Sen. McCarthy's federal tax returns again could escape public scrutiny—unless some congressional committee were to subpoena them."

"The tax agents' confidence in their claim against Sen. McCarthy stems partly from the fact that Internal Revenue Commissioner T. Coleman Andrews is taking a stern attitude toward Sen. McCarthy's lack of detailed records to support his tax returns."

"The law states that if Internal Revenue finds that a taxpayer has receipts that are not clearly classifiable as non-taxable, Internal Revenue can rule that the receipts are subject to taxation."

This is the course Internal Revenue is following in the McCarthy case. It means that the "burden of proof" falls on the senator. To avoid, the taxes he must prove where he got the disputed money, and he must prove that the money is not subject to taxation.

"This may turn out to be a formidable task for Sen. McCarthy in view of his admittedly sketchy bookkeeping."

"At least part of the disputed money represents contributions to Sen. McCarthy. Friends, acquaintances and members of the public have sent him sums ranging from thousands of dollars down to pennies."

"Sometimes the donors specified the money was to be used to fight Communism. Sometimes the donors did not say how Sen. McCarthy was to use the money."

"Internal Revenue agents are understood to be insisting that showdown conferences with Sen. McCarthy begin by Sept. 1 regardless of what other duties Sen. McCarthy might have."

450 Boys, Girls Attend Field Day at Oakland Park

The summer playground program sponsored by the Pontiac Parks and Recreation Department was climaxed yesterday by the annual playground field day participated in by 450 boys and girls.

Events at Oakland Park included foot races, a softball throw, horseshoes and hopscotch, according to Leonard T. Buzz, supervisor of recreation.

Events held during the eight-week program attracted a total of 42,300 entries said Buzz.

Activities included 19 pet shows, a fishing rodeo, a zoo trip, field trips to places of interest in Pontiac, music, dramatics, arts and crafts.

Appliance Shop Marks 25 Years

H. Wayne Gabert Says His Business Began as a Hobby

A business that grew out of a hobby, the Wayne Gabert Appliance Store, will celebrate its Silver Anniversary this month commemorating 25 years in the electrical appliance and service business in Pontiac.

H. Wayne Gabert, owner of the store, started the business in 1929 with a store in the old Masonic Temple.

GABERT In 1936 he doubled the floor size and finally in late 1941 he moved into his current headquarters at 121 N. Saginaw St.

"I originally started in this business as a hobby," Gabert says. "and worked for the Jewett Radio Co. here in Pontiac." His store now employs three men just to cover service calls. It also has a three-man sales staff.

Gabert is currently chairman of the Pontiac Better Business Board, a past director of the Chamber of Commerce, and president of the local Retail Merchants Assn. The silver anniversary celebration will begin this Friday, and run through the month of August.

Brother of Area Man Dies of Heart Ailment

FAIRFIELD, Conn. (U. S. A. — Service for Alfred J. Porter, 59, of Fairfield, president and plant manager of Heppenstall Co. and vice president of the parent firm in Pittsburgh, will be held here Saturday morning. He died of a heart ailment yesterday.

In addition to his widow, Mrs. Dorothy Bennett Porter, he leaves two daughters, a sister and brother, Raymond T. Porter of Birmingham, Mich.

Sound Appeal for More Blood

Pontiac Area Donors Are Still Needed to Fill 720-Pint August Quota

An appeal was made today for Pontiac vicinity blood donors to meet a 720-pint quota during August after this area fell short of its quota by 523 pints last month.

Mrs. N. E. Durocher, chairman of the Pontiac area blood program, said a bloodmobile will be at the Elks Temple, 114 Orchard Lake Ave., Aug. 18 from 2 to 8 p. m.

She said appointments can be made by calling her at FE 4-4244 or the American Red Cross at FE 4-3575.

Three other area bloodmobile visits will follow this month at the West Bloomfield Township Hall Aug. 19, Pontiac State Hospital Aug. 20, and St. John's church in Royal Oak on Aug. 23. Appointments for the West Bloomfield visit can be made by calling Mrs. O. A. Koskinen at Mafair 6-2601, said Mrs. Durocher.

Last month blood was obtained from other counties to meet local demand, Mrs. Durocher stated, but 73 requests for blood from local persons went unmet.

In July only one pint of blood was turned over to the Department of Defense for use in emergencies or by the armed forces, she added.

Bill Toshoff, of the Milwaukee Hawks in the National Basketball Assn., is now pitching for the St. Petersburg Saints in the Class B Florida International League.

McCarthy-Army Row Report Due by 20th

(Continued From Page One)

plants. He declined to name the witnesses in advance.

On another front a Senate rules subcommittee headed by Sen. Jenner (R-Ind.) called Mundt and Ray H. Jenkins to give their views on whether the McCarthy-Army hearings showed a need for new "fair play" rules to govern Senate investigations. Mundt presided at those hearings and Jenkins was special counsel.

The prepared statement released at the Pentagon yesterday was in reply to reporters' questions about an Army investigation of McCarthy's sworn testimony in those hearings that a young Army intelligence officer gave him a 2 1/4-page document McCarthy offered in evidence. Members of the investigating subcommittee refused to read it.

The Army then announced it was investigating the story, contending it would have been a violation of his oath and of federal law for any officer to give the document to McCarthy, a view the senator disputed. Yesterday the Army released a typed statement which said:

"The Army has completed its investigation. The Army does not believe that the release of this document was committed to anyone who is, or was, an officer of the Army. The Department of Justice has been informed."

Trusted Worker Flees With \$3,750 of Payroll

NEW YORK (AP) — Eleven years ago Albert Dorsey was paroled on a burglary sentence and given a job by a Brooklyn shoe factory. The 54-year-old Dorsey became the firm's "most trusted employee."

Yesterday, as paychecks were

being handed out at the plant, Dorsey suddenly grabbed \$3,750 in payroll envelopes from a woman bookkeeper and fled.

Factory vice president Samuel Dones said:

"I would have trusted him with anything. I even let him keep a set of keys to this place. Why did he do a thing like that?"

Farmer Claims Acreage Control Unconstitutional

PHILADELPHIA (AP) — An 81-year-old Pennsylvania poultry farmer has asked the U.S. District Court to declare unconstitutional the price and acreage control features of the Federal Farm and Marketing Administration Acts.

In a suit filed with the court yesterday, Joseph Blattner of R. D. 3 Norristown, claimed that acreage controls on his wheat crop will put him out of business and deprive him of a living.

Blattner, claiming he requires all his land to raise feed for his chickens, seeded eight extra acres and refuses to pay \$178.20 in penalties imposed by federal farm agents.

In the suit, Blattner contends that the government, by serving the penalty notice, is taking his property without due process of law and that by limiting acreage, the government forces the plaintiff to buy at U.S. supported prices extra grain needed to keep his poultry.

Batista Will Resign Office to Run Again

HAVANA, Cuba (AP) — Fulgencio Batista, who vaulted back to power in a 1952 army revolt, says he will give up Cuba's presidency Saturday in order to run for the office in the November elections.

He is prevented by the constitution from seeking election while president.

An official announcement yesterday said Batista would name his successor at a cabinet meeting Saturday.

Batista was elected president by the Council of Ministers in April, 1952, a month after he threw out the government of Carlos Prío Socarras.

Botanist Plays 70 Holes to Mark 70th Birthday

MORGANTOWN, W. Va. (AP) — Dr. R. C. Spangler, a professor of botany at West Virginia University, played his annual round of birthday golf yesterday — 70 holes in honor of his 70th birthday.

Spangler toured the Morgantown Country Club in 328 for an average of 84.3 for each 18 holes. He one-putted 21 greens.

The professor started his marathon at 8 a.m. and, with an hour and a half off for lunch, wound up at 7:30 p.m.

TOWN GROWS ATOP WATER—Two-story buildings, built on pilings, house workers for a Soviet offshore oil field in the Caspian Sea, about 60 miles from Soviet Republic of Azerbaijan. A hospital, entertainment spots and a place of culture are also part of the settlement. The town and the many oil derricks are connected by 25 miles of pile-supported trestle. Photo and caption are from an official Soviet source.

Famous Boa Dead, 1 Purse Coming Up

CHARLESTON, W. Va. (AP) — They're making a purse out of "Blondie," one of the most deceptive boa constrictors ever to slither across a cage.

Blondie broke into the news last month when she underwent surgery, after gulping a poisoned guinea pig, and "died" in an oxygen tent.

Twenty hours later, however, she suddenly came to life at the home of her owner, George Hilton of nearby Nitro.

Hilton's joy was shortlived. Tuesday Blondie gave a couple of quivers and died again. After waiting a decent interval to make certain, Hilton had Blondie skinned yesterday — all eight feet of her.

Truck-Borne Cowboy Knows His Horses

NEWPORT NEWS, Va. (AP) — Paul Rice, an oil company employee, leaped from side of a commandeered truck and brought a runaway horse to rein after a wild chase through the city streets. Asked about his confident way with horses Rice said:

"I used to know a lot of them when I lived in Tennessee."

The slopes of the Great Smoky Mountains are drained by more than 600 miles of streams.

U. S. Drops 31-Year-Old Embezzlement Indictment

SAN FRANCISCO (AP) — The government has asked that an indictment against William M. Shuford, accused of embezzling \$3,434 in postal funds, be dismissed.

Shuford was postmaster at French Gulch when he disappeared.

The government must finally have figured they couldn't find him. They've been looking for 31 years.

Blames Church for Stay-Homes

Charles Taft Speaks to Anglican Congress on Attendance Problem

MINNEAPOLIS (AP)—A leading American Episcopal layman says that the church itself is to blame for keeping members at home on Sundays by failing to understand their worldly problems. "Church leaders simply don't know enough about the areas of life where people work," Charles P. Taft told the World Anglican Congress last night. Taft, a Cincinnati attorney and brother of the

late Sen. Robert A. Taft, is a former president of the National Council of Churches. "In 1796 only 10 per cent of our people were church members and 160 years later nearly 50 per cent belong," Taft told the 670 delegates from all parts of the world, "but they don't come to church." Taft said preachers and theologians "have often little idea how completely unintelligible what is said in the pulpit is to large classes . . . unintelligible in that it makes no effective contact with their experience." "Once you leave the walls of the church," he went on, "the secular world presses in on you . . . Everyone belongs to a pressure group, if only the pressure of the neighbors to keep up with the Joneses." The conflicts, Taft added, can tear us apart, "unless the churches help to build the moral indepen-

dence and responsibility of their members in these groups." Taft, the only lay delegate to address the Congress, said many American Christians have no interest in the problems of religion in relation to secular work. "They are not interested in man as a worker; they are interested in him only as he has an immortal soul to be saved." Others speaking on the conference's fourth general topic, "Our Work," were the Rt. Rev. Bravid W. Harris, bishop of Liberia, and the Rt. Rev. Leslie S. Hunter, bishop of Sheffield, England.

Drowns in Spring Lake
GRAND HAVEN (AP)—Theodore Coolen, 42, of Grand Rapids, drowned late Wednesday when he fell from a sailboat in Spring Lake. Robert Kittner, also of Grand Rapids, was operating the sailboat.

South Korea to Get Former Red Land

SEOUL (AP)—Some 2,300 square miles of territory wrested from Communist North Korea by U. N. forces soon will be turned over to South Korea, the U. N. command announced today. Most of the region, in which about 130,000 Koreans live, lies in the mountainous eastern sector. It extends in a rough triangle from Kosong on the east coast to Chonwon in central Korea and back to Yangyang. Some land north of Uijongbu in western Korea also is included. The decision followed a recommendation by the U. N. Commission for Unification and Rehabilitation of Korea. UNCORK declared "it is unde-

sirable to keep a civil population under military administration for a prolonged period after hostilities have ceased." The Korean truce was signed July 27, 1953.

Reelected to GOP Post

GRAND RAPIDS (UP)—Charles R. Sligh Jr., former president of the National Association of Manufacturers, was reelected chairman of the Kent County Republican Committee Wednesday night.

Tractor Mishap Kills Tot

BAD AXE (AP)—Mary Wisneski, 6, suffered fatal injuries yesterday when she was thrown from a farm tractor driven by her 12-year-old brother, James. The tractor overturned when it struck a furrow on the family farm near Kinde.

Great Lakes Steel Cuts Employee List

DETROIT (AP)—Great Lakes Steel Corp. plans to lay off 1,000 more employees next week and the company says further layoffs are due. The firm attributed the newly announced layoffs to a return to the five-day work week. It cited the agreement with the CIO United Steelworkers which does not provide for sharing work for extended periods of time. About 1,000 other Great Lakes workers, including some supervisory personnel, had been laid off previously. The company has cut back production in line with a decline in demand for steel from the auto industry.

Gluckman Flying to Newfoundland for Atlantic Hop

BEVERLY, Mass. (AP)—Peter Gluckman, the flying watchmaker, was scheduled to take off today for Newfoundland in his flight from San Francisco to England in a four-cylinder Luscombe Silveraire airplane. He first set his plane down at Logan Airport, Boston, yesterday. He had left Albany, N. Y., earlier yesterday. Gluckman will start his cross-Atlantic flight from Newfoundland. Three-fourths of all U. S. bank employees are machine operators or clerks.

Police Seek Parents of Abandoned Baby

GRAND RAPIDS (AP)—Police Thursday sought the parents of a 10-day-old boy, abandoned Wednesday in the lounge of a downtown department store. The baby's footprints showed he had been born in Butterworth Hospital, where he was taken for examination. Doctors say the infant is in excellent health.

Crash Kills 1, Injures 5

IONIA (AP)—Mrs. Ray Thuma, 67, of nearby Sunfield, was killed Wednesday in a two-car collision 10 miles south of Ionia. Her husband, daughter and granddaughter were injured. Mr. and Mrs. Benjamin Van Dam of Holland, Mich., occupants of the other car, were treated for minor hurts.

Return of Iraqi Strongman Is Hopeful Sign for Britain

BEIRUT, Lebanon (U) — The return to power of a veteran Iraqi warrior who once hanged Communists in the streets may herald a new British agreement in the Middle East — a revision of the British-Iraqi treaty.

Iraq's new premier, 66-year-old Nuri Said, recently returned to Baghdad after a lengthy stay in London. He formed a tough-fisted cabinet, dissolved parliament, and announced two major objectives—crushing of subversive activity and revision of the treaty with Britain.

Following closely British settlement of knotty problems in Egypt and Iran, agreement with Iraq may be another major step in London's drive to set her Mid-East house in order.

If a fresh British-Iraqi agreement is in the offing, Nuri Said is considered the man to push it through. He has long been a friend of Britain and has kept his country in the Western camp. The unquestioned strong man of Iraq, his current cabinet is the 12th he has headed since 1930. He usually takes power in times of crisis.

Nuri never has been the popular type of leader. Nationalists have bitterly criticized his pro-British leanings. Intellectuals consider him a reactionary and undemocratic. Three times he has been chased out of the country. But always he has come back—with rare exceptions he has been boss of Iraq since 1930.

Part of Nuri's preparation for a settlement with Britain will be a drive against internal communism. Leftists and fellow travelers gained their first parliamentary foothold in Iraq in the June 9 elections this year. While Nuri was ill in a London hospital, seven left-wingers of the National Front coalition were elected to parliament on a platform assailing American military aid and adherence to the Turkish-Pakistani pact.

If Nuri reaches a new agreement with Britain, this small bloc could use the floor at parliament to launch a popular campaign against it. This is one of the chief reasons Nuri dissolved the chamber on his return, even though it had had only one meeting.

New elections probably will be held in September. Between now

700 Buried Alive in Tibetan Buildings

KALIMPONG, West Bengal, (INS) — Reports reaching West Bengal from Tibet today said some 700 people were buried alive when two buildings, weakened by recent floods, collapsed in the Tibetan town of Shigatse.

The death toll is not known, but it is expected to be high. One of the buildings was reported to be the palace of the Panchen Lama, believed by Tibetans to be the Tulku (reincarnation) of Amitayus, the Buddha of Infinite Light.

Some 200 persons were said to have been trapped when the palace, undermined by floods, caved in.

Over 500 Chinese Communist soldiers also were reported to have been buried when a barracks collapsed.

OPEN FRIDAY NIGHT 'TIL 3

First Hint of Fall Weather Heralds End of Vacations

Ceremonies Sunday at Forest Lake Club Will Dedicate Pool

On Sunday, Forest Lake Country Club will formally dedicate its swimming pool. The existing pool has been completely rebuilt under the direction of Fred C. Handren of Birmingham and Alan R. Pfaff of Detroit.

The pool is ideally located between the clubhouse and the lake, affording a beautiful view from the clubhouse terrace. A spray pool for the children will be adjacent to the main pool. Ground-breaking ceremonies for the spray pool will also be held this Sunday.

The dedication will open with a formal reception at 3 o'clock. This will be followed by a water ballet in which Kitty Kria, Lois

Gibbons and Linda Miller will take part.

Tom McDonald and Roger Hood will give a diving exhibition, followed by synchronous swimming, racing and stroke demonstrations.

The dedication by the club president, Blaine E. Eynon of Birmingham, will be followed by a buffet supper.

All arrangements for the day were made by William M. Hutchins and Gordon P. Deneau of Birmingham.

Aids Hair Curling

Pipe cleaners make good hair curlers for children. They won't split the hair and are soft to sleep on.

IRIS J. WHITAKER

Mr. and Mrs. Wofford Whitaker of South Saginaw street announce the engagement of their daughter, Iris, to Pvt. Charles W. Brannon, son of the Aaron Brannons of Parma, Mo. A September wedding is planned.

Mrs. Harold Walter Hostess to Circle

Mrs. Harold Walter of Calvert street entertained the women of the Carder Missionary Circle of Emmanuel Baptist Church Tuesday evening at a wieners roast.

Mrs. Ruth Greene opened the business meeting with prayer. A layette was made during the evening to be sent to the Canary Islands. Erma Walter closed the meeting with prayer.

Are Honor Guards at Lodge Convention

Members of the Daughters of Pontiac 186 who served as honor guards this week at the Supreme Convention of the Orange Lodge in Detroit were Mrs. Earl Brobst, Mrs. Paul Antilla, Mrs. Jesse Jeffrey, Mrs. George Dickie and Mrs. Florence Carter.

Mr. and Mrs. Charles Copper-smith and children, Peggy and Ross, returned to their Woodland avenue home Tuesday after a week's visit with Mrs. Copper-smith's mother, Mrs. T. R. Spratt, and relatives in Monroe, Iowa.

Mr. and Mrs. William Sax returned to their Birmingham home Sunday following a two-week tour of Florida, Daytona Beach, Lido Beach, Sarasota and Miami were among the places where they stopped, as well as Tennessee and Tampa, where they visited relatives.

Mrs. Harold St. John Jr. of Drayton Woods was honored Wednesday when eight friends gathered for a luncheon at the Berkeley Voss home on Keithdale lane.

Hostesses for the party were Mrs. Gerald Millar of St. Clair Shores and Mrs. Noyce Strait Jr. of West Irons road.

The first of September Mr. and Mrs. St. John and son, David, will travel to Chicago where they will make their new home.

Mrs. Ed Shaw recently arrived by plane from her home in Norman, Okla., to visit with her family, the J. C. Langfords of Pine street, the Lesley Langfords of South Johnson avenue and the A. V. Witbecks of Cranbrook road.

Sharon Hubbell of Wayne street and her grandmother, Mrs. Leah Martin of Owosso, returned to their homes Tuesday. They flew to Michigan from Las Vegas, Calif., after spending the month of July with the Riley W. Hubbells.

Mr. and Mrs. Eugene Hickson were honored Monday evening at a reception given by his parents, the Frank Hicksons of Winding drive.

Among the 100 guests were the Milton Hicksons, the Howard Hicksons, and daughters, Carol and Mary Lou, and Dorothy Hickson, all of Wheatley, Ont. The Eugene Hicksons exchanged their wedding vows in a ceremony performed in Lombard, Ill., Saturday.

The A. H. Websters of Birmingham are guests at Jasper Park Lodge, a resort in the heart of the Canadian Rockies.

Barbara Ann Guttman, daughter of Mr. and Mrs. Ralph M. Wood Jr. of Emerson street, left Tuesday evening for Los Angeles where she will spend one week at Chaudard Art School.

Barbara Ann Guttman, daughter of Mr. and Mrs. Ralph M. Wood Jr. of Emerson avenue, left Tuesday evening for Los Angeles where she will attend the Chaudard Art School for one week. She will also travel to Tacos, N. M., where she will be the houseguest of her grandparents, Mr. and Mrs. J. I. Dominguez, and will visit the Bistran School of Fine Art where she has studied for the past four years. She will return from New Mexico the first part of September.

Mr. and Mrs. James Leon Young

of Keener avenue announce the birth of a son, David Leon, Aug. 8 in the Mississippi Baptist Hospital in Jackson, Miss.

David's grandparents are Mr. and Mrs. Frank Wignall and Mr. and Mrs. J. Will Young. Staff Sgt. and Mrs. William D.

McDonald and daughter, Darlene Kaye, of Travis Air Force Base, Fairfield, Calif., arrived Wednesday to visit with her parents, the George Bonds of Long Lake, until the end of August. They will also travel to St. Helen for a visit with his parents, the Newt Oslenders.

County Senior Golfer Among Tourney Winners
William Lear of Indianwood Country Club yesterday finished on top in Class A (78 years plus) of the State Seniors Golf tourney at

Detroit Golf Club. He shot 42-43-85. In Class B (70-74 years) R. J. (Bob) Davison of Pine Lake was tied for 3rd with Bert Ackles of DGC. Dawson had 84-90-174 and Ackles 83-86-174.

Only 1,092 fans paid to see the Athletics play the Orioles at Connie Mack Stadium on June 4.

Flyweight Champ Wins
BUENOS AIRES, Aug. 11 (AP)—World flyweight champion Yoshio Shirai of Japan outpointed Alberto Barengi of Argentina in a 10-round non-title fight tonight. Each weighed 112½.

Tribe Turns Tiger Errors Into Win

DETROIT (AP)—Other things being equal, it's the breaks in a ball game that make the difference. That was precisely the case in Cleveland's 2-0 victory over the Detroit Tigers yesterday.

Tigers collected four scattered hits off Early Wynn—all singles. Indians got only three—also all singles—off Steve Gromek. About the only difference was that Cleveland did put two singles by Bobby

Avila and Larry Doby together in the 3rd inning.

But the hitting had nothing to do with the outcome. The league-leading Indians had won the game—as it developed—before they had got a hit.

In the 2nd inning, with one out, Al Rosen walked. Dave Pope bounced one to Tiger 1st baseman Wayne Belardi. He threw to sec-

ond attempting to start a double play, but his throw pulled Harvey Kuenn off the bag. Kuenn then dropped the ball and, in trying to recover, threw hastily back to first. The ball sailed wildly past Belardi and into the Cleveland dugout. Each runner was entitled to two bases, so Rosen scored and Pope went to third. Pope scored later on an infield out.

From then on Gromek's de-

termined effort to win his 14th game was in vain. Instead, he went down to his 12th defeat as his mates were helpless against the strong-armed Garcia, who scored No. 14 against only five losses.

Kuenn had managed a hit in the 1st inning. Al Kaline got one in the second. Hoot Evers singled in the fourth and Kuenn got a 2nd one-baser in the eighth. That was the extent of the Tiger attack.

From the 2nd inning on, Cleveland was unable to get a runner past second. Indians' only hit after the Avila-Doby combination in the third was another single by Avila in the seventh. Bob Miller took over from Gromek in the ninth and gave up no hits.

The victory kept Cleveland three games in front of the pressing New York Yankees, who defeated Philadelphia. It also evened up the current series at a game apiece.

George Zuverink (7-6) and Bob Lemon (15-5) were named as starting pitchers for today's rubber game of the series.

Old Model Cars to Open Race Season

Independent Old Model Racing Association will start its season of racing tonight at the Lake Angelus Speedway with qualifying at 6:30 and races at 7:30.

No more hardtop races will be held at the Lake Angelus track with old models operating both Thursday nights and Sundays.

Independent group is a local association and information on rules and regulations can be obtained from Chuck Fitch, Perry street, Pontiac. A surprise race and a powder puff derby will be held each Sunday.

Skiers to Compete
First water ski tournament ever to be staged in the Detroit area is scheduled for Friday and Saturday, Aug. 20 and 21 at Metropolitan Beach. This First Annual Metropolitan Beach Water Ski Tournament will include trick, slalom and jumping events, from 9:30 to 6 p.m. each day. Entries close Aug. 19.

The 5 iron is the key club. Once you learn to play the 5 properly, you'll find the door opened to all the irons down through the wedge.

Expect no more than 150 yards with this club.

For the first time, the position of the ball in relation to the feet changes. Instead of the shot being made off the left tee, the ball is played midway between the feet. You do not use a closed stance. The feet are squared away.

Here, too, you begin to hit on the downswing. Formerly, you were hitting on the upward arc because the ball was forward. But, as noted, it is back a bit now and you are catching it on the downswing.

Another important point in connection with the 5 iron is that your backswing begins to shorten up.

From this club on, it continues to tighten.

"You play the 5 iron, (key club) midway between your feet ... hit on the downswing." — ED FURGOL

Another in a series written by the U.S. Open champion for NEA Service. Next: The 6 iron.

State Caddie Test Scheduled Friday at PCC

Two Low Competitors to Enter Next Week's National Meet

Michigan's caddies will have a chance to show their prowess with the working end of a golf club Friday in the annual Michigan Caddie tournament at Pontiac Country Club.

Twenty-one clubs, mostly from the Detroit area, have entered 4-man teams thus far. Post entries will be accepted. Competition is open to boys 17 years and under only.

Two low players in the field will qualify for the PGA-sponsored national tournament starting Monday at Columbus, Ohio.

Tee-off time is at 11 a.m.

Minor Leaguers Dump National Loop's Leaders

Millers Surprise Giant Club With 6-5 Victory in Exhibition

MINNEAPOLIS (AP)—The Minneapolis Millers of the American Assn. scored two unearned runs in the last of the eighth inning and went on to defeat the National League leading New York Giants, 6-5, in an exhibition last night.

Monte Irvin, playing first base for the Giants, let a two out throw by Bobby Hoffman get by him and the tying and winning runs scored.

Paul Giel, University of Minnesota \$50,000 bonus pitcher, worked five innings for the New Yorkers. He would have left the mound unscathed but for a fly ball that Irvin let drop in front of him in the first inning with the bases full.

The blow went for a double and scored three Miller runs.

Hank Thompson paced a three-run Giant third inning with a two-run homer. Bill Taylor, a former Miller, put the visitors in front with another two-run blast in the seventh.

Stanaback, Tharr Top Silver Lake Golf Loop

Mrs. Ralph Stanaback and Mrs. Olin Tharr of Pontiac took low gross honors Tuesday in Women's Silver Lake Golf League play at Silver Lake Golf Club. Mrs. Stanaback was low in Flight A, with Mrs. John Myers of Watkins Lake taking net honors.

Mrs. Tharr topped the list in Flight B, while Mrs. Glenn Theobald of Pontiac headed the group in low net score.

WEDNESDAY'S HOME RUNS
Williams 2, Piersall 2, Conzolo, Jensen, Red Sox; Yost, Senators; Berra, Collins, Yankees; Snider, Dodgers; Klusmeyer 2, Greenpeace 2, Bailey, Reds; Mathews, Braves.

'You Set' Given Chance in World Testng

By CHARLES CHAMBERLAIN
CHICAGO (AP)—For the first time in a dozen years, golf's younger set is given a good chance to crash through the so-called old guard and cash in on the richest tournament in history—the "World" championship opening today at Tam O'Shanter.

Only the more hard-bitten pros have come through in the past, the youngest winner of any Tam title being Byron Nelson who took the honors in the 1941 inaugural at the age of 29.

With \$50,000 in cash and a \$50,000 exhibition contract going to the winner this time, favoritism rests with such seasoned campaigners as Sam Snead, Cary Middlecoff, Lloyd Mangrum, Jimmy Demaret, Peter Cooper and the recent All-American winner, Jerry Barber.

All are over 40 or pushing it and the experts think it will take such crusty fellows as these to shoulder the pressure of what amounts to about \$360 per shot for the potential champion.

But there are at least three youngsters who are not too awed by the big prize as the 72-hole

stampede starts today and will shoot for it with some degree of calmness.

They are British Open champion Peter Thomson of Melbourne and Gene Littler, each barely 24, and 27-year-old Bob Toski, now registering from Livingston, N.J.

The broad-shouldered Thomson is one of the hottest tourney pros of the moment. He finished third in the All-American phase of the Tam carnival that closed Sunday.

Toski, a little 127-pounder, is having his greatest tournament season, with a collection of \$14,938 so far, third best in the official PGA money-winning list.

Littler, National Amateur champion last year, is a stoical fellow of Ben Hogan's old school who turned pro nearly seven months ago and has been runner-up in three of his last big tournaments—the National Open, Kansas City Open and All-American.

Each is ready to take golf's biggest money plum at Tam.

"I won't even think about the big winning prize until Sunday," said Thompson. "Then if I'm in the lead, or close to it, the pressure

will really be good. But I can take it."

Toski agreed. "I'll start out just like this in any other tournament," he said. "Then by the final day if I have a chance, I'll probably start

worrying. But I don't think the pressure will bother me too much."

Littler will take it all in stride. "Of course this is more than just another tournament," he said.

"With all that money at stake there is bound to be some jitters along the way. But I won't think about it until Sunday. That's the day that the leaders will prove if they are champions."

Cockell Is Sure He'll Face Rocky

SOUTHAMPTON, England, Aug. 12 (AP)—Don Cockell, British heavy-weight boxing champion, returned from America yesterday fully confident he will meet Rocky Marciano in a world championship bout next June—possibly in New York or Seattle.

Cockell moved into line for a possible crack at Marciano by stopping Harry Matthews in seven rounds of a scheduled 10-round at Seattle July 31. It was the third time the fighting farmer from Sussex had beaten Matthews—twice in Seattle and once in London.

"I shall never be worried about fighting over in the states in the future for I know that I will get a square deal," Cockell said.

Manager John Simpson said "everybody in America is talking of Cockell as the logical contender for Marciano" after the champion's fight with Ezzard Charles in Sept. 15.

61-Year-Olds Are Tied in Southpaw Seniors Test

DAYTON, Ohio, Aug. 12 (AP)—Two 61-year-olds were deadlocked for the seniors championship in the National Left-handers golf tournament here.

Al Douglas of Napa, Calif., and Frank Crum, Inez, Ky., both posted 240s at the end of 54 holes of medal play spread over three days. Crum had 81-80-79-240, and Douglas had 81-80-79-240 for three trips around the 6,723-yard, par-71 Miami Valley course here.

They will play off for the championship tomorrow over 18 holes.

David Baldwin, South Orange, N.J., and Don Wearley, Toledo, Ohio, won their way into finals for the title of champion left-hander as each posted a double victory today. They will battle for the championship over 36 holes tomorrow.

Baldwin, 25-year-old New Jersey Open champion who recently was released from the Army, defeated

Jimmy de Zern of Durham, N.C., 3 and 2 after conquering Jack Butler of Atlanta 4 and 2.

Wearley, 35-year-old automobile dealer, eliminated Ray Stockmyer of Dayton 4 and 3 after winning from Nelson Cullenward of San Francisco 1-up.

Five-Year-Old Shaver Holds Up Bathhouse Line

LANSING (AP)—Manager Victor J. Haas of Indian Lake State Park reported that he investigated recently when he noticed that something was holding up the line at the men's bath building.

Haas discovered that the bottleneck was a 5-year-old, who was gravely shaving. He explained the situation to the impatient lineup and all agreed to wait until the youngster had completed his moment of glory.

Film-Struck Models Find Tough Going in Filmdom

NEW YORK (UP)—Many stage-struck girls dream of becoming a fashion model—and going on from there to fame and fortune in Hollywood.

If you have that dream, girl, you might as well ditch it now, unless you like to play the long odds. This is the advice of Mona Freeman, the exception who proves the rule. She won attention as a child model, and her pretty face adorned many a magazine cover before she made the grade in the movies.

"But modeling isn't generally a big stepping stone to a film career," she remarked, "although many people seem to think it is. 'Offhand, the only former models I can recall who went into the films are Lauren Bacall, Gene Tierney, Jinx Falkenberg, Phyllis Kirk and...uh...Marilyn Monroe. There are probably a number of others but, comparatively speaking, they are few.'"

Mona, who at 28 still looks like a blonde college freshman, quit modeling at 17 to try her luck in the movies. She has made between 25 and 30 films, the latest being "Battle Cry," based on a best-selling novel about the Marines by Leon Uris.

After working her way into that \$1,500 a week and up bracket, Mona is in a good position to compare her careers as model and actress.

"Modeling is an art, but it is comparatively simple to learn," she said. "A girl who can learn to model at all can do so in a year. 'And if she hits the top, she can make \$500 a week or more. A girl doing that well at modeling quite often doesn't see why she should throw away that kind of money to take a chance on flopping in Hollywood.'"

"It is a big chance to take, too. A model merely has to photograph well. All she needs is looks and poise. But an actress has to develop a personality that appeals to the public."

Mona also believes her old modeling friends may stick out their claws at this) that an actress has to do something every moment at her work that few models are required to do. She has to T-H-I-N-K! "Acting is a job, a really tough job. But I like it. It is never a grind—never a dull existence. But even after you learn your craft

and practice it well, that doesn't mean success necessarily. You still have to put yourself over with the public."

The public is a strange and capricious god to all entertainers. Mona, still as stage-struck as the day she played Little Eva in "Uncle Tom's Cabin" during her high school days, retains a wondering awe over the mysterious factors that influence the public.

"The thing that gains you the most attention may be something that as an actress you regard as the least of your efforts," she said. "For example, when they were filming 'Dear Ruth,' I was told to make a noise to annoy my father. He had grounded me and was trying to read the paper."

"Without even thinking, I let out something between a long sigh and a groan of exasperation. It wasn't even rehearsed. But that ridiculous sound caught on. Teen-age kids all over the country picked it up and made it popular."

"Isn't it funny? You can work over a scene for weeks, and nobody pays any attention to it. Then one day's work, something you thought nothing of at the time, may put you over in a big way. 'You never know in this business what will be the thing that attracts attention. I suppose it is this doubt and gamble that makes acting interesting.'"

Campaign to Replenish Polio Foundation Coffers

An "Emergency March of Dimes" is scheduled in Oakland County Aug. 17-31 to replenish exhausted polio prevention funds, according to Carl W. Donelson, chairman of the county chapter of The National Foundation for Infantile Paralysis.

He said the staggering cost of patient care and a two-point prevention program have created a crisis. County residents will receive a mail appeal and also will be able to drop donations in canisters. Local National Foundation directors are planning special fund-raising events.

Karakul sheep, new born lambs of which produce Caracul fur, are grown chiefly in the Soviet Union.

Reliance on Isotopes in Research Grows

CHICAGO (UP)—Armour Research Foundation reports that industry is relying more and more on radioactive isotopes to solve research and production problems.

The foundation, a component of the Illinois Institute of Technology, said it used more than 100 times as much radioactivity in 1953 as it did in 1951.

Dr. Leonard Reiffel, supervisor of nuclear physics, said rapid strikes have been made in making radioisotopes available for research.

Radioisotopes are various elements that are radioactive by exposure to nuclear radiation from an atomic reactor, from an "accelerator" such as a cyclotron, or from a portable radiation source.

Radioisotopes are used by Armour Research Foundation, he said, to help solve problems in ore separation, muscle composition analysis, wear studies of turbine blades, direct generation of electrical energy, soil permeability and automatic machine control.

Vacuum Cleaner Better Than Elbow Grease

LINCOLN, Neb. (UP)—Shaking scatter-rugs to clean them is not good for the rug or the housewife, says Clara Leopold, extension home management specialist at the University of Nebraska.

Miss Leopold said the rugs should be cleaned with a vacuum cleaner, "the efficient, thorough, simple method."

The specialist also urges a daily cleaning of bare floors with the vacuum. "No matter what the floor or floor surface," she said, "each and every one collects dust."

Miss Leopold said housewives should use all the tools and attachments for the vacuum.

Injured Son First User of Community Crutches

PORTSMOUTH, Va. (UP)—On a wall of his general store John J. Kirchmeyer hung a pair of crutches to be loaned to any customers who might need them.

First user was John J. Kirchmeyer Jr., who broke a leg in a high school football game.
