BULLETINS

BAY CITY (AP)—A shotgun blast was fired over the head of Federal Judge Frank A. Picard in his court room today. Neither Picard nor anyone else was injured.

FBI agents immediately seized a man they identified as Stanley Wloch.

The 12 gauge gun was fired from the extreme rear of the court room. Pellets were found in the wall behind the judge.

INDEPENDENCE, Mo. (AP)—Former President and Mrs. Harry S. Truman today announced the engagement of their daughter, Mary Margaret, to Clifton Daniel Jr., assistant to the foreign news editor of the New York Times.

Mr. Truman, who made the announcement for himself and Mrs. Truman at a press conference, said the wedding would be held in Independence in April.

Kefauver Makes Final Bid for Primary Election

MANCHESTER, N. H. (AP)—Sen. Kefauver (D-Tenn.) swept through New Hampshire today in a final bid for a convincing prestige victory in the nation's first presidential primary election.

The state votes tomorrow, naming delegates to the national conventions of both parties.

President Eisenhower is virtually unopposed on the GOP side of the ballot.

Principal interest centers on the struggle between Kefauver—who hopes to repeat his triumph of four years ago—and the admirers of Adlai E. Stevenson.

By contrast, Kefauver has been over the state three times, touring, making speeches, shaking hands, working hard. Stevenson has not been here and officially has taken no part in the campaigning.

County Resident on Missing Plane

French Report Says B47 Bomber Exploded While in Flight

An Air Force captain from Ferndale was one of three officers aboard an Air Force B7 Stratofort bomber reported missing since Saturday night over French Morocco.

A French news agency report said that a B47 exploded in flight near Sebta, in Eastern Morocco, but the Air Force said it had no confirmation of this.

The Oakland County resident aboard is Capt. Gordon M. Insley, 32, son of Howard F. Insley, of 1106 W. Lewiston.

Tampa, Florida's McDill Air Force Base said the plane was on an operational mission in French Morocco when it vanished. The plane was assigned to McDill's 306th Bomb Wing.

U. S. planes from North African bases are conducting a widespread search for the plane and its crew.

New York Welcomes Giovanni Gronchi Today

NEW YORK (INS)—New York City extended its traditional warm welcome to Italian President Giovanni Gronchi today.

Mayor Robert F. Wagner welcomed him at an official reception on the steps of city hall. Then the Italian statesman was scheduled to ride up lower Broadway for the traditional ticker tape parade.

British Jet Claims Speed Record

RECORD BREAKER—This is Britain's "droop shoot" jet, the Fairey Delta 2, said by Britain today to have recaptured the world speed record from the United States with a run of 1,132 miles per hour. A U. S. Super Sabre flew just over 822 miles per hour last August for the present mark.

Greek Premier Seeks U.S. Help in Cyprus Issue

British Exile of Prelate Causes General Strike, Unrest on Island

ATHENS (INS)—Greek Premier Constantine Karamanlis appealed today for American intervention in the bitter dispute with Britain over the Cyprus issue.

He told a news conference that Russia was making every effort to exploit the dispute and added that "allied mishandling is but-tering the Russian toast."

The premier told a group of touring American editors that the United States should intervene decisively before Greece faced the danger of internal Communist disruption that might cut off this land from the western allies.

Cypriot nationalists of Greek descent want the British crown colony and defense base in the eastern Mediterranean joined to Greece. Britain has offered limited self-government to the Cypriots.

The premier spoke as students defied a government ban on demonstrations and staged a protest strike in the streets of Athens.

The students, who were shouting Cypriot slogans, soon were dispersed by security police.

A government official said the ban was imposed earlier today after it was reported that "anti-national" elements planned to exploit the demonstrations to provoke unrest and cause bloodshed.

The demonstrations were to have expressed Greece's "deep anger" over British deportation of Archbishop Makarios of Cyprus.

Meanwhile, it was announced that King Paul of Greece sailed from Athens yesterday aboard a destroyer for Corfu Island, where he reportedly will supervise the restoration of the royal summer residence.

But reports were current in Athens that the King actually was on his way to meet Queen Elizabeth II of England, who also is sailing, in the Mediterranean aboard the royal yacht Britannia.

Anv meeting between them presumably would be in an effort to ease the tension over Cyprus and stop the deterioration of Anglo-Greek relations.

Makarios, leader of the Greek Cypriot campaign for enosis (union) with Greece, now is en route to exile in the British Seychelle Islands in the Indian Ocean.

A spontaneous general strike spread like wildfire throughout Cyprus today, virtually paralyzing all business on this British colony island in the eastern Mediterranean.

Shops, banks and schools were closed in protest against Britain's exile of Makarios.

Powerful Winds Peel Off Roof

REPAIR STRIPPED ROOF—The home of Gerald Watts, 802 Vernita Dr., Orion Township, lost its roof in Sunday morning's wind storm. But at least temporarily, Watts had a garage. The

near-hurricane gusts peeled off composition roofing and draped it gently over his car, standing in the yard. As a preliminary repair, a tarpaulin is swathed over the naked roofing boards.

Two to Seek Nominations to Congress From District

A Pontiac Republican and a Hazel Park Democrat today announced they will seek their respective party nominations to run for U.S. representative from the 18th District (Oakland County).

They follow Michigan Turnpike Authority Chairman George N. Higgins, of Ferndale, who was first to announce his candidacy last Friday after incumbent Congressman George A. Dondero (R-Royal Oak) said he will not run again.

The latest aspirants are Richard D. Kuhn, 26, of Pontiac, and Charles K. Lawson, 62, of Hazel Park.

Kuhn is a student at the Detroit College of Law. The owner of a car washing service, he ran for the Republican nomination as state senator in 1954.

Lawson, who calls himself a "conservative Democrat," heads the Hazel Park Civic Improvement Assn. Both said they stand for "substantially" the same ideas as Dondero.

Lawson declared he favors a \$4,000 wage exemption for the working man and a 50 per cent support by federal government of both public and parochial schools.

Kuhn stated he supports an income tax cut and increased federal aid to roads, but opposes toll roads.

On another front, Detroit Mayor Albert E. Cobo was asked to intervene in the milk price battle between creameries and the Michigan Milk Producers Assn. The mayor answered the request of the MMPA by saying he would appoint a fact-finding committee only if he gets "assurance of cooperation by both sides."

The 11,000 farmer members of the MMPA have threatened to strike in their efforts to get \$5.25 per hundredweight for their milk. A hundredweight equals 46 2/3 quarts. Howard F. Simmons, MMPA secretary-manager, said that in January farmers got \$4.60, but now receive only \$4.41.

Such a strike would affect three million consumers in the Detroit area. The milk producers want an immediate price increase of about 2 cents a quart.

Fire Victims Remain in Critical Condition

Mrs. Betty Polson, 28, and her six-month-old baby, Frank, still were in critical condition this morning in Pontiac General Hospital from injuries received in a fire which destroyed their house at 2914 Cordell St., Keego Harbor.

Mrs. Polson was burned in a dash through the blazing living room of the two-family frame house to rescue Frank from his crib.

Keego Harbor Mayor Jack Loveland today appealed for aid for the 11 burned-out victims of the fire. Money and clothes "any size" are being collected at West Bloomfield Township Fire Hall, he said. The phone number is FE 2-8626.

Gusts Hit 75, Windows Break, Lines Go Down

Blasts Peel Roofing From Home in Orion at Peak of Blow

Near-hurricane winds lashed Oakland County in a wild storm yesterday morning, breaking store windows, ripping down awnings and signs, breaking wires and denuding an Orion Township house of its shingles.

City Airport manager Homer Hoskins said today the peak of the storm was 7 a. m., when gusts up to 75 miles per hour were registered. Gusts up to 50 occurred from 7 a. m. until noon.

Hoskins said there was no damage to grounded planes at the airport.

In Orion Township, wind peeled a composition roof from Gerald Watt's one-story house at 802 Vernita Dr., draping it over Watt's car standing in the yard.

Pontiac police said rattling store windows made two burglar alarms start ringing.

Gusts up to 85 miles per hour were reported at Detroit-Wayne Major Airport.

BLIZZARD HITS

Meanwhile, a fierce weekend blizzard dumped up to 16 inches of snow on the smothered upper Michigan. Police and road crews reported most trunk roads passable this morning, but said most side roads were still drift-clogged.

Grand Traverse County, Manistee with eight to 16 inches of new snow, was battered by winds up to 55 miles an hour which raised six-foot drifts in places.

In Traverse City, eight inches of new snow raised the total on the ground to 16 inches. Highway Superintendent Sid Medaille described the storm as the worst in years.

ABANDON AUTOS

Flying snow, accompanied by high winds, forced motorists to abandon their cars beside the roads and seek shelter.

The Automobile Club of Michigan warned motorists this morning that highways north of a line from Bay City to Lading-covered.

"The affected area includes the Upper Peninsula," the bulletin said. "The remainder of Michigan, as well as most of Indiana, Ohio and Ontario, is clear."

Cold air followed the storm through Michigan. In Pontiac, the temperature dropped from 48 to 32 degrees in two hours Sunday morning.

Lowest Pontiac temperature preceding 8 a. m. today was 22 degrees. Temperature at 1 p. m. was 30.

The Weather Bureau predicted some chance of snow Tuesday, with little change in temperature.

Gov. Herter Advocates Nixon as Vice President

NEW YORK (INS)—Massachusetts Gov. Christian A. Herter said last night he would be "very happy" to see Vice President Richard M. Nixon as President Eisenhower's running mate again this November.

As for his own political future, Herter told NBC's televised "Meet The Press" that he would accept the GOP Vice Presidential nomination if it were offered him but will make "absolutely no effort" to win it.

U. of Alabama Expels Student

3 Others Suspended, 21 Disciplined Because of Lucy Riots

TUSCALOOSA, Ala. (AP)—University of Alabama trustees today expelled one student, suspended three others and approved lesser punishment for 21 more in disciplinary action arising from student rioting against Auerhine Lucy, the school's first Negro student.

Leonard Wilson, 20-year-old Selma, Ala., sophomore was expelled.

Miss L.C., was excluded from classes after rioting Feb. 6. She was expelled Feb. 29 after unproved charges that university officials were in conspiracy with the mobs.

Wilson, who addressed student demonstrations the nights of Feb. 3 and 4, was called from class today and told of his expulsion.

A statement from the trustees said Wilson was thrown out because of his part in student rioting and also because of "unwarranted and outrageous public attacks" on Dr. Oliver C. Carmichael, university president, and other school officials.

Wilson called for a general house-cleaning at the university in an address before a White Citizens Council rally in Birmingham last Tuesday.

The trustees also announced that three students under investigation in the student rioting had since withdrawn from school and would not be readmitted unless they were cleared of charges against them.

Wilson's name was the only one given in a statement by John A. Caddell, Decatur, Ala., trustee.

Stevenson at Rally

Claims Reelection of Ike Would Revise Presidency

Conditions which President Eisenhower said he must work under, if reelected, would create "a fundamental revision of the role of the chief executive," Adlai E. Stevenson charged in Detroit Saturday.

Stevenson, the Democratic presidential nominee in 1952, spoke before a record 2,500 Jefferson-Jackson dinner guests in his bid to run again for the nation's biggest job.

The President's description of how his second-term administration would operate sounds like "the rules governing a kingdom or a corporation," said Stevenson. "Such conditions are not the rules governing a democracy."

The former Illinois governor alleged Eisenhower's reelection would result in the delegation of top level responsibilities to "associate presidents."

"I feel the people must know and understand that the Eisenhower proposal is for a fundamental revision in the President's role in our governmental structure."

NIXON A QUESTION

"We don't know yet who the principal associate president is going to be," Stevenson stated. "Although the President has professed boundless admiration for his beloved Vice President, captain of the offensive team, I hear that for some reason he is going to dump him."

Ford Reveals Fund Soliciting

Executive Denies Any Pressure Upon Dealers for GOP Contributions

WASHINGTON (INS) — Henry Ford II said today that his assistant organized a drive to solicit money from Ford dealers for President Eisenhower's 1952 campaign.

But Ford denied that any pressure was exerted by his auto firm "directly or indirectly" to force dealers to contribute.

The motor executive appeared before a Senate subcommittee on automobile marketing. The group recently heard testimony alleging that the Ford company called on its Chicago dealers for a \$50,000 donation to help elect Eisenhower.

In a prepared statement, Ford explained that Allen W. Merrell, his assistant and a member of the GOP national finance committee, had asked a "select group" of pro-Eisenhower Ford dealers to solicit other dealers for the 1952 campaign.

CONDITIONS SPECIFIED
Ford said he had approved the idea but specified that no pressure be used on dealers; no company personnel take part in the actual solicitations, and that no company money be used in the drive.

Though he was in Europe at the time the project was carried out, Ford said that Merrell has since "assured" him that the drive was carried out according to the provisions he laid down.

Merrell, who is not an official of the Ford company, held two meetings with dealer groups, Ford said, but "he did so as a private citizen and as a member of the Republican finance committee."

Ford said he understands the drive netted a "substantial" amount and that "many" dealers contributed.

Driver Flees After Hitting 2-Year-Old

An Ohio boy, 2, was hospitalized with a possible skull fracture yesterday afternoon, after he was struck down by a hit-and-run driver on Howard McNeil St., Pontiac Police said.

Lennie D. Hill Jr. is in fair condition today, authorities in Pontiac General Hospital said. Police were told a green and white Dodge skidded 14 feet into the boy and then drove away.

The father, Lennie D. Hill Sr., said the boy apparently wandered into the street as Hill was packing up his car after visiting Mrs. Bessie Smith, 341 Howard McNeil. Mrs. Smith's two sons, Cecil, 11, and Odell, 7, witnessed the accident, police said.

Explorer Scouts Tour Cranbrook During Campout

Pontiac Explorer Scout Post 66 camped out in a tent at Highland State Recreation Area, toured Cranbrook Institute of Science Museum and had a picnic supper at Rochester State Park during the week end.

Charles Bradshaw, senior crew leader, reported that the members had an active outdoor game session Saturday evening.

Competition winner Emil Frisch was awarded a certificate "To An Explorer Champ" which had been signed by Leo Durocher during a Detroit speaking engagement.

At Cranbrook, in addition to touring the museum, the Scouts also attended a lecture in the McNath Planetarium.

Leaders for the indoor section of the week end program were King Stetler and Ted Gurtz. Outdoor section leaders were Bill DeGrace and Don Williams.

Trio Confesses to Looting Spree

Clawson Youths Admit to Burglaries; Leader Claims 33 in Area

A seven-month breaking and entering spree which included 33 burglaries in eight cities ended yesterday with the arrest of three Clawson youths.

The trio, Phillip Hughes, 17; Larry LaPage, 20, and Frederick Rendell, 18, are to be arraigned before Clawson Justice Harry R. McQuinn today.

Clawson Police Chief Frank Grubb said Hughes apparently was the "master-mind" of the group. He admitted 33 burglaries since last September, and implicated the other two youths in some of them.

He was arrested when police found him drinking beer in a car with several juveniles.

Police said Hughes admitted looting a Clawson home of \$1,600 Nov. 23 and stealing \$725 from the Avon Township School. Of over \$3,000 stolen by the youths, \$2,100 has been recovered as well as two cars and three pistols.

The trio admitted burglarizing places in Royal Oak, Madison Heights, Birmingham, Dearborn, Ferndale, Hazel Park, Clawson and Berkley, police said.

Tax Board to Hear Assessment Queries

The Pontiac Board of Tax Review will convene today to answer questions on real estate assessments for city taxpayers.

They will meet Monday through Friday from 9 a.m. until noon and from 1 to 4 p.m. at the City Hall. Last week the board heard some 279 persons seeking tax exemptions or reductions because of lower incomes.

In the final week, March 19 through 23, sessions will be conducted on personal property assessments.

The chairman of the board is James F. Spence. Members are Jerry Kehoe, Vernon K. Archer, City Finance Director Oscar Eckman, and City Attorney William A. Ewart. Mrs. Bernice Savedge is clerk.

Elevator Crushes Nine-Year-Old Boy

CHICAGO (INS)—A 9-year-old Chicago boy was crushed to death last night playing what residents described as a game of "elevator tag" in a 15-story public housing project.

Police reported that the victim, Don Earl Harper, and another boy, 10, took one of two automatic elevators to the 14th floor of the building.

With the door held open, Don held a finger on the emergency button to keep the elevator from moving and extended his body out of an opening on the side of the car.

The boy's finger apparently slipped from the emergency button and the elevator moved down about two feet and crushed him.

Juvenile Home Fugitives Accused of Car Thefts

Arrest of two juveniles, escapees from the Oakland County Children's Home, cleared up two car thefts yesterday. Pontiac State Police said today.

The boys had stolen two cars, apparently for joyriding, in the past week, according to police. They have been returned to the home.

city officials, including the mayor and city commissioners, the city manager and chief of police.

Tomorrow night at 7:30 at the fifth floor of the County Office Building, some 30 volunteer observers will receive awards based on amount of hours served at the post.

First 750-hour prize, presented by Kaufman's Credit Clothing, 138 N. Saginaw St., will go to David Bennett. Second prize, donated by the Walter Harrod Barber Shop, 179 Edison St., will be presented to Eugene Mabeus.

The Baldwin Service Station, 128 Baldwin Ave., will offer the third 750-hour presentation to Juanita Mabeus.

On Friday from 7 to 10 p.m. the post will hold an open house. It will be continued also on Saturday from noon to 5 p.m.

In Tuesday's meeting, other awards will be presented to:

Wings—Francis Campbell, Martha Campbell, James Ebert, James Hayes, William Heaton, Gloria Jones, Dan Turnage, Arlene Brown, Kay Graber, Glen Wange-man, Geraldine Brown, and John Fromm; 250-Hour Awards—David Bennett, Donald Graham, William Barnett, and William Riley; 500-Hour Award—Louis Wood; 100-Hour Awards—Phillip Blaylock, Georgia Brown, Harold Burmeister, Ruth Burt, Donald Con- tor, Gene Jones, Francis Leroy, Ben Morgan, and Earl Steel.

Ike Would Revise Job, Says Stevenson

(Continued From Page One)
with a team of eight millionaires and a plumber.

"But the plumber was a honest man and jumped ship when he discovered which way it was headed, leaving the millionaires to carry on."

"Some of them came from Michigan, and of course from General Motors."

"Secretary of Defense Wilson, who has such an amiable way of betraying his true feelings and of contradicting associates, will now have our nation's security even more to himself."

"He can no longer count on seeing the President once a week. In this connection I might state that what is good for General Motors is not necessarily good for the country."

"Secretary of the Treasury Humphrey is credited by the GOP with eliminating inflation and setting up general economic stability. Yet the national debt decreased during Truman's last three years in office and has climbed in three years of Ike's administration."

Stevenson was introduced by Gov. G. Mennen Williams, who is said to have presidential aspirations himself. The Michigan governor termed Stevenson a man "who commands the respect of the nation as a person who talked sense to the American people."

Stevenson returned the compliment saying Williams has won nationwide recognition for his achievements in Michigan, but still renewed his stand for "moderation" on the civil rights issue, which Williams has criticized.

"The freedom to educate our children as they deserve means equality of educational opportunity without discrimination or segregation on any basis of race, creed or color," Stevenson asserted.

"But equality of opportunity cannot be won by bayonets any more than peace can be won by war. Full realization of our goal first demands responsible and temperate leadership." The Presidency could provide this leadership, he declared.

The Republicans have failed, he charged to: Maintain nation prestige; keep up prosperity of farmers and small businessmen; decrease the national debt and balance the budget; and protect national resources from raiding for private profit.

Board to Eye Plants

The Waterford Township Board will discuss proposed sewage disposal plants for the township in a meeting which opens at 7:30 tonight, at the township hall on M59 and Crescent Lake road.

Restaurateur Dies After Fall

John R. Little Is Victim of Injuries in Plunge From Hotel Room

John R. Little, 29, of 70 Devon Rd., died Saturday of injuries received when he fell from his fifth-story room in an Akron, Ohio, hotel to a rooftop 15 feet below. He was manager of Ted's Restaurant on Woodward Ave.

According to Akron police, the incident occurred sometime Friday night. The victim was not found until the next morning when another hotel guest saw him lying on the roof.

Born in Pontiac on October 1, 1926, he was the son of Luke M. and Ivah M. Ballinger Little. He was a graduate of Birmingham High School and Michigan State University.

Mr. Little was manager and secretary-treasurer of Ted's Restaurant on Woodward Ave. He was also a member of Pine Lake Country Club and Psi Upsilon Fraternity.

He is survived by his parents, grandparents and three brothers: James A. Little, William H. Little and Luke M. Little Jr.

The funeral will be at 2 p.m. Wednesday from Sparks-Griffin Funeral Home with the Rev. Harold DeWint of Kirk in the Hills, officiating. Burial will follow in Ottawa Park Cemetery.

Shoots Woman During Quarrel

Neighbor Admits Firing Rifle Bullet Into Arm of Victim

A 35-year-old woman, who Pontiac police say has admitted wounding a next door neighbor with a .22 caliber rifle after an argument Saturday, is being held for investigation of assault with intent to kill.

Mrs. Mary Bell Payne, 606 Bloomfield Ave., said, "I would have shot again if the gun hadn't jammed," when arrested 15 minutes later with her husband, John, in a car at Luther St. and Franklin Rd., according to Officers Wilburn Carrier and Raymond Sol-wold.

The victim, Mrs. Eloise Sawyer, 38, of 604 Bloomfield, was released from Pontiac General Hospital after a bullet was removed from her left arm.

Det. James Laponis said Payne and the wounded woman's husband, Gabriel, were arguing about a car parked in Payne's yard, when Mrs. Payne came out of the house with the gun and fired.

Bulganin Recalls Ike Launched 'Martini Road'

MOSCOW (INS) — Soviet Premier Nikolai Bulganin recalled yesterday that President Eisenhower had opened "the Martini Road" at last summer's Geneva summit conference.

The goateed Soviet premier recalled the event during a reception at the Danish Embassy in which he was drinking martinis with Foreign Minister V. M. Molotov and Danish Premier Christian Hansen.

Bulganin declared:

"We can never forget those moments when Soviet leaders drank martinis with Eisenhower."

"It was Eisenhower who opened the martini road. We sometimes drank with him martinis to friendship and peace in the world."

"We hope it will always be like that."

Collision on Curve Injures 7 Persons

An accident yesterday on Pontiac Trail near New Hudson injured three Pontiac residents and four from Ann Arbor, Brighton post State Police said today.

From Pontiac were Conrad Goode, 25; Jason Goode, 21; and Marilyn Goode, 17, all of 203 Cherokee Dr. The three were treated for bruises at Pontiac General Hospital.

Police said a car driven by Conrad Goode was hit by one driven by Joseph Szyling, 39, of Ann Arbor, who apparently lost control of his car rounding a curve in the road.

Szyling and his wife, Jadwiga, 50, and two other passengers, Matteo Glinski, 63, and Sophia Glinski, 40, all were treated for lacerations at St. Joseph Hospital in Ann Arbor.

Romeo Couple Injured in Three-Car Collision

A Romeo man and his wife were treated for minor injuries at Avon Center Hospital after an accident Saturday on Rochester Road at Hamlin Road.

Robert Smith, 39, and his wife, Eileen, 31, were injured when the car in which they were riding, driven by Jesse Cervatez, 28, of Drayton Plains, became involved in a collision with two others driven by Arthur Fetterhoff, 27, of Royal Oak, and Raymond D. MacDonald, 26, of Farmdale.

EDGAR H. WOODS

Appoint Sales Head at Birmingham Firm

Appointment of Edgar H. Woods to general sales manager of the Ford Motor Co.'s Tractor & Implement Division was announced Saturday by Irving A. Duffy, vice president and general manager of the Birmingham firm.

He succeeds O. L. Wigton who has been reassigned to a central staff sales position.

Prior to joining Ford, Woods was associated with the John Deere Plow Co. of Baltimore, Md., as vice president and general manager.

Before his service with John Deere, he served in Atlanta, Ga., as an official of the War Assets Administration and in Washington, D.C., where he was administrator of the Munitions Board Standards Agency.

He is a veteran of World War II and a graduate of the University of Kentucky.

66 Congressmen Rip Court Decisions

(Continued From Page One)

Their manifesto, made public last night in Washington, was to be read in the Senate and House today.

Thurgood Marshall, counsel for the National Assn. for the Advancement of Colored People, said the signers "are encouraging lawlessness and mob violence by their action."

But the document advised caution.

"In this trying period, as we all seek to right this wrong, we appeal to our people not to be provoked . . . and to scrupulously refrain from any disorder or lawless acts," the congressmen said.

Rep. Adam Clayton Powell (D-N.Y.) yesterday told a New York City church gathering he would send a telegram to E. Roy Fitzgerald, president of a Chicago corporation which owns the Montgomery, Ala., bus lines, telling him that the boycott in that Southern city might spread to other lines owned by the firm.

Powell said the corporation, National City Lines, Inc., owns 40 bus lines, 33 of them in the North. Negroes have been boycotting the buses in Montgomery since early December when a Negro was arrested for refusing to sit in a segregated section.

The Negro congressman also said he had written to President Eisenhower, urging him to hold a conference of white and Negro Southern leaders. He also asked the President to join with a biracial committee of clergymen in prayer for "the deliverance of the persecuted and the salvation of the prejudiced."

The President's reply, said Powell, was "patently deceitful, sheer hypocritical buck-passing."

Powell read a reply he said was signed by Bryce N. Narlow, administrative assistant to the President, saying that recommendations for a bipartisan civil rights commission and setting aside a period of prayer should come from Congress.

Queen in Sardinia

MADDALENA, Sardinia (INS) — Queen Elizabeth II arrived here last night aboard the royal yacht Britannia on her Mediterranean vacation cruise with her husband, the Duke of Edinburgh.

The Day in Birmingham To Mull Rezoning Tonight on Leinbach Subdivision

BIRMINGHAM — Rezoning of the most of the 387 homes in the Leinbach-Humphrey subdivision from income bungalow to single family residence will be considered in a hearing at City Commission meeting tonight.

Five letters already have reached city officials with opinions of those living in the subdivision, east of Woodward avenue area at the south of town.

The planning commission has recommended the change, which would affect only future building plans. Homes now used for two families would remain so, but no new two-family homes could be built, nor could a single family home be changed to the two-family arrangement. One letter from a worried citizen in the subdivision indicates what one city official calls a misunderstanding, since, he says, no zoning ordinance like this can be retroactive, as the writer accuses. Her income bungalow status would continue, he says.

Architect Linn Smith of Birmingham is being suggested tonight as architect for the alteration of the municipal building. If hired, he could probably have preliminary plans within the next 30 days, according to City Manager D. C. Egbert.

Egbert suggests an allocation of \$1,500 for the preliminary work.

Also before commissioners tonight are a report on parking lot #11, at Hunter and Hamilton, the tentative closing date of next Sunday for Elton Park Skating Rink, and details of state legislation that will change the city's justice court to a municipal court.

The act, yet unsigned by the governor, applies to cities over 15,000 population and with a salary adjustment of the peace, which would include Birmingham.

Ruth Shain class members tomorrow morning will hear a report on an article, "Asia's Needs in Western Policy" written by Barbara Ward, news analyst of the London Economist, a quarterly review.

Adams school parents will see slides and movies tonight at 8 p.m. at the school on summer activity suggestions for their youngsters.

Poppleton Pre-School Mothers will meet with Mrs. Robert Belzer, 3085 McClure, tomorrow at 8 p.m. for election of officers and to discuss a recent bake sale.

Edwin F. Facult
Edwin F. Facult, 40, 1670 Northlawn, died at Jennings Hospital in Detroit this morning after a brief illness. Born in Chicago, he had lived here for five years, and was an art director and consultant, with offices in Detroit.

He leaves his wife, Twyla, two sons, Edwin F. Jr., and Michael F., and a daughter, Gayle C., all at home, and his parents, Mr. and Mrs. Walter J. Facult, and two brothers, all in Chicago.

His body will be at Bell Chapel of William R. Hamilton Company through Tuesday evening, when it will be taken to Chicago for funeral service and interment there Friday.

Another life was claimed by drowning, Robert Mourer, 11, drowned Sunday when he broke through ice on a pond at the rear of his home near Grand Rapids.

Traffic deaths included: Mario Garavaglia, 41, of Detroit; Neil J. Penny, 41, of Kalamazoo; Lawrence M. Meldrum, 60, of near Cedar Springs.

Herbert Hale Jr., 33, of Reed City; John C. Willet, 74, of Highland Park; David L. Delsman, 29, of Royal Oak; Gerald F. Kersey, 28, of Roseville.

Donald Maltner, 34; his wife, Alberta, 33; their daughters, Sharon Lynn, 10, and Donald, 2, and Theodore J. Vogt, 37, all of Grand Rapids, and Abram Phillips, 48, of Muskegon, all were killed in a two-car collision Friday night on U.S. 16 near Cooperaville, near Ottawa County.

Charles R. Gableman, 32, of Pontiac Township, suffered fractured ribs and collarbone when his car ran off M59 near Opdyke Road yesterday morning. He was treated at Pontiac General Hospital.

His passenger, Juanita Simpkins, 30, of 51 Pine St., also was treated for minor injuries.

Gableman told Oakland County Sheriff's deputies he had "blacked out" and didn't remember what had happened.

One of the chief topics of the urgent conference between Eisenhower and Hoover is the way the U.S. and other Western powers can bring the tense Middle Eastern situation before the United Nations.

Another vital issue is the quarrel between Britain and Greece—NATO partners—over Cyprus, the British military stronghold in the eastern Mediterranean.

Last Jewish DP Camp to Close

Residents Expected to Emigrate or Settle in Germany Privately

PARIS (INS)—The last Jewish displaced persons camp in Europe will soon close down.

Officials said that Camp Föhrenwald, near Munich in Germany, will be dismantled in the next few months. Its 781 residents are expected to emigrate or settle privately in Germany.

Föhrenwald is the last of 66 Jewish DP camps, that reached a peak population of 250,000 in 1947.

"We embarked upon one of the greatest emigration jobs of any private agency in history," said Charles H. Jordan, acting director-general of the American Joint Distribution Committee. "We moved these victims of Nazism to hospitable countries in every part of the world—more than 100,000 to Israel alone."

Föhrenwald became the only Jewish DP camp in Germany in 1951 when the remaining DPs in other camps were transferred there. It had 1,400 "hard core" residents then.

"They could not be treated like the thousands before them who were part of the mass migration plan," Jordan said. "They were different. The years of incarceration, forced labor and torture had left damaging marks upon their bodies and upon their minds. They were the ones with TB, with heart ailments, with physical handicaps, with everlasting aches and pains and tortured minds."

The AJDC and the German government set up special funds to provide for these problem DPs.

Miracle Cheats Death as Train, Truck Collide

OKLAHOMA CITY (AP)—A 70-car Rock Island freight train and a pickup truck collided 2½ miles east of here.

Troopers said the driver of the truck was not seriously injured. They said it was a miracle. It was Lavada Fern Miracle, 34, Midwest City, Okla.

She was driving to University Hospital where she is a practical nurse. That's where they took her.

The Money Tree

Wouldn't you like to have a money tree from which to pick nickels and dimes?

The idea that if you plant money it will grow is very old, although modern savings banks have an even better idea because money in the bank grows by drawing interest.

An old Hungarian used to tell his nieces that if they planted pennies they would grow into money trees. The older ones laughed but Ilona dreamed she had a fine tree covered with gold coins. Next morning she got up early and planted a penny. In a few days a funny little tree began to grow there and Ilona watched eagerly for the first coins.

The money tree flourished, and though no money appeared on it, some golden colored fruit did. Later, Ilona married a king's son, and had all the treasure she needed. Both felt the money tree had borne golden fruit.

Color this picture, paste it on cardboard, and cut out the parts carefully. Fasten the separate arm behind the shoulder with a brass fastener or a bent pin through the indicated holes, and then Ilona can swing her watering can over her money tree. You can put money on the tree by cutting bits of silver and gold paper and pasting them here and there.

Fold the picture forward down the center and it will stand up.

Have you an idea as good as this for "Junior Editors"? It may bring you \$10. Mail it in care of this paper. It cannot be acknowledged. In case of duplication, the first idea will be accepted.

University May Publish Action

Believe Alabama Board to Launch Disciplinary Steps Against Rioters

TUSCALOOSA, Ala. (AP)—The University of Alabama Board of Trustees was believed ready to announce disciplinary action today against students active in rioting against the school's first Negro student.

The university news bureau said last night that the trustees met "informally" yesterday. The news bureau said the board was "contemplating a meeting (today) after which a statement will be issued."

Gov. James E. Folsom was present yesterday as ex-officio chairman of the board, heightening the belief that something important was discussed.

Feeling on the campus was that the board would announce punishment of students found to have been active in violent demonstrations last month against the attempt by Autherine Lucy to attend classes.

Dr. O. C. Carmichael, university president, said students who took part in the disturbances would be punished. Faculty investigators have questioned several, including Leonard Wilson, 20-year old Selma, Ala., sophomore, who since has spoken at several pro-segregation White Citizens Council meetings. He called for a top-

to-bottom house cleaning at the university.

Wilson said last Tuesday he had heard rumors he would be expelled, and challenged school officials to throw him out. He denied having caused any violence.

Miss Lucy was barred from the campus for safety reasons and subsequently expelled her for having made unproved charges against university authorities.

Young Vandals Caught in Tearing-Up Urge Act

LOUISVILLE, Ky. (AP)—Two boys, 8 and 10 years old, who frankly admitted they had an urge to "tear up something" were caught in the act.

They spent several hours vandalizing the Louisville Builders Supply Co.

Among their capers, investiga-

tors found, was driving two trucks and crashing them headon.

Delinquency and other charges were booked against them.

Holly School Bond Vote Set March 22

Ask \$1,200,000 for Expansion

Area Villages at Polls Today to Name Ruling Officials

HOLLY — March 22 has been designated by the Board of Education of the Holly Area Schools as the date when the proposition to bond for \$1,200,000 for school building extensions will be submitted to the electors.

The proposed plan calls for a new high school building, remodeling the present high school building, erecting and furnishing an addition to the Holly Village elementary school, and other projects, both at Holly and Davisburg.

All residents living north of Kalamazoo Lake Road will vote at the Holly High School building, and all living south of that road will vote at the Davisburg Elementary School. The polls will be open from 7 a.m. to 8 p.m.

VILLAGES VOTE TODAY

Four villages go to the polls today to elect governing bodies. These include Franklin, Leonard, Ortonville and Lake Orion. In Franklin, voters will also be asked to decide on whether or not hard liquor should be sold at restaurants or taverns within the village limits.

Polls are to be open from 7 a.m. until 8 p.m.

Meeting Tonight to Fight Airport

Madison Hts., Warren Residents to Protest Major 14-Mile Terminal

MADISON HEIGHTS — A protest meeting is scheduled for tonight, at which Madison Heights homeowners will join forces with the people of Warren in fighting a major airport Detroit wants to build in Warren township. The meeting will be held at 8:15 p.m. in the Warren High School.

Detroit proposes to expand the 74-acre airport it owns on 14 Mile east of Dequindre into a major terminal, covering the two square miles bounded by 14-Mile, Dequindre, 12-Mile and Ryan. A suit to condemn land for the airport has been filed in Macomb county circuit court.

Emil J. Rader, president of the 13-Mile Madison Heights Homeowners Association, said this morning that members of the association were protesting because of the close proximity of the proposed airport in the area along 13-Mile between Dequindre and Stephenson. The meeting is sponsored by the Warren Village Homeowners Association and Homeowners Protective Association.

Clubs Hold Elections, Name New Officers

A number of clubs and associations in Oakland County and throughout the Pontiac area have held elections and installed officers.

Among those who have named new officers recently are:

Ortonville — Lawrence Duncan was elected president of the Ortonville Rotary Club at a meeting this week. Others named to office for the 1956-57 term are Howard T. Burt, vice president; Ralph Myer, secretary; Ernie Burt, treasurer. Directors are: Alton Bailey, Porter Martin and Claude Salter.

Mrs. Paul F. Schoen Jr. of School House street has been named chairman of the new Brandon - Groveland Township branch of the American Cancer Society, which was organized this week in Ortonville.

Other committee chairmen are Mrs. Lester H. Troyer, education; Mrs. Martha Lewis, publicity; Mrs. Thomas Kruezer, service; and Mrs. Harold Schmidt, crusade.

Marlette — The Marlette Merchants Association elected Vernon Mutch, president; Loren Atkins, vice president; and Clifford Lamie, secretary-treasurer.

Imlay City — The Imlay City Rotary Club chose Bill Knight as president at its recent election. C. Clair Cross is the new vice president and Alvin Norlin is secretary-treasurer. Two new directors, Dr. T. K. Buchanan and the Rev. David Evans also were elected.

The new officers will begin their terms July 1.

Another Imlay City group to select officers this week was the Women's Study Club. In this case, last year's officers were re-elected for another term as follows: Mrs. Zene Knight, president; Mrs.

Slate 2 Meetings on School Issue

Romeo Residents to See Films, Hear Talks on \$750,000 for Expansion

ROME — Continuing their current program of education, Romeo school officials have scheduled two community meetings prior to the April 7 vote on a bond issue for construction of a new high school in the district.

Thursday night, Wayne University building consultant Dr. Gerald Boicourt will show the film, "The Junior High School Story," to the Washington voters. The meeting, which also will feature other information on the proposed \$750,000 bond issue, will begin at 7:30 p.m. in the new Washington Grade School.

A similar session is scheduled for March 22 at 7:30 p.m. in the Romeo High School auditorium. All interested district voters are invited to attend either or both public meetings and to participate.

Reason for the particular film selection, school officials said, is to emphasize that the needs of junior high students are best handled when all can be housed in one building. Plans call for the use of the present high school building as a junior high if the expansion program is approved.

Educators have been speaking before clubs and organizations for several weeks explaining the various aspects of the bond issue, including millage, facilities to be provided, site and other pertinent factors.

Preliminary architectural drawings of the new high school were studied by the board of education at a regular meeting recently. Certain recommendations paring the cost of the structure were made by the administrators.

The proposed bond issue will cover not only the building, but its equipment plus a reserve for maintenance of existing schools and possible acquisition of additional sites.

William Bolger and Robert Bode of the architectural firm of Jensen and Keough, Detroit, presented the sketches and will work with the board until acceptable plans are developed.

Tuesday Club to Hear Administrator March 20

LAPEER — The meeting of the Tuesday Club this week will be canceled and the March 20 meeting will be held at the home of Mrs. Lee Waterbury. Mrs. Josephine Holman will be the leader on this occasion and the guest speaker will be Coleman Foote, administrator of the Lapeer County General Hospital.

Heart of Hills to Meet

AVON TOWNSHIP — Heart of the Hills Extension Group will meet at 10 a.m. Tuesday at Avon Township Hall. Mrs. Ida Dewey will give a lesson on making wooden trays. Members are to bring a sack lunch.

Realtor, 86, Dies at Lake Orion

Dur M. Taylor Known for Church, Club Work; Was 67 Years in County

LAKE ORION — A prominent Lake Orion real estate man, Dur Miller Taylor of 504 S. Broadway St., died Saturday at his home following a five-month illness.

Mr. Taylor, who was 86, had been active in his Taylor Real Estate firm until two weeks before his death. Born in Macomb County on Oct. 16, 1869, he moved to Rochester 67 years ago, and later to Lake Orion where he had been a resident for the last 54 years. He was the son of Jay and Naomi Giddings Taylor.

He had been instrumental in forming the Reorganized Church of Jesus Christ of Latter Day Saints here, and also was well known in Masonic circles.

Mr. Taylor was an honorary life member of the Lake Orion Rotary Club, former member of the Lake Orion School Board, and life member of Orion Lodge No. 46, F&AM. He was past master of the Orion Masonic lodge, and was chaplain as well as chairman of the Orion Masonic Temple Building Association at the time of his death. He also was an honorary member of Rochester Masonic Lodge No. 5.

Survivors include one daughter, Mrs. Scovillian C. Broomfield of Royal Oak; two sons, Clarence J. of Cleveland, Walter S. of Lake Orion; two brothers, Archie of Kingston, Walter S. of Idaho; and several grandchildren. His wife, Mary E., preceded him in death last Sept. 7.

Funeral services will be held at 2 p.m. tomorrow from the Reorganized Church of Jesus Christ of Latter Day Saints. Masonic graveside services will be conducted by Orion Lodge 46, F&AM, at Mt. Avon Cemetery, Rochester.

Mr. Taylor will be at Allen's Funeral Home until 11 a.m. tomorrow, when he will be taken to the church to lie in state until the hour of the service.

KEEP CEMETERY PICTURESQUE — Snow lies on the graves in Franklin cemetery, where burials have been made since the first farmers came to the area early last century. An association and its auxiliary operate it, with funds from lot dues and purchases and special events.

Fund Raisers Live in Widespread Area

Keep Old Franklin Cemetery Picturesque

By DOROTHY JEAN ZACK

Those whose relatives lie beneath the sod and snow in Franklin's old cemetery that overlooks the village from its Franklin road hilltop, are not all Franklin residents.

Active in raising funds and seeing that the cemetery stays the picturesque spot it is are residents of towns from Lake Orion to Detroit.

Membership shows this in both the association, whose funds for the caretaker's salary and upkeep materials come from lot dues and purchases and from a Southfield Township allotment, and the auxiliary, a women's group which monthly has events ranging from bake sales to elaborate bazaars.

Last week it was a bakesale and potluck dinner at Mrs. Herbert

Masters' home at 888 Ann, Birmingham, that brought the auxiliary together. Mrs. Masters and her sister, Ethel Bassett, have several relatives buried in the cemetery, for their family lived many years in Franklin.

Mrs. LeRoy Garside, another active auxiliary member was a Bingham, whose family name appears on a road and subdivision which is heading towards incorporation into Bingham Farms.

"Franklin's a lot different now than when I was a little girl," says Mrs. Garside, who grew up in the town when it was a farming area center. "Everyone was related to those days, and now there are so many newcomers."

Old tombstones, some illegible, stand in rows in the cemetery, except in the new section at the foot of the hill on the northwest corner, where property was pur-

Holly — The Holly Area High School PTA will meet at the high school band room Wednesday, at 8 p.m. Nominations and election of officers will be held.

William Froberg, Holly High School teacher, will speak about the cooperative training course which has been included in the school's program this year.

Sheep Barn Day to Be Tuesday

County Arranges Tour of Area Farms With Specialist

To keep Oakland County sheep farmers abreast of the latest developments in sheep management, a sheep barn day has been scheduled for Tuesday, starting at 10 a.m. states John K. Trowce, assistant county agricultural agent.

Raising sheep is a good way to convert roughage into dollars, Trowce says, and they are ideally adapted to Oakland County in many ways. They fit into a program where hilly land and pasture are the best crop. They are also an ideal type of livestock for the part-time farmer.

To help those already raising sheep and those interested in starting, a Sheep Barn Day Tour has been arranged as follows:

First stop 10 a.m.—Harry Jones' farm at 6114 W. 8-Mile Road, corner of Pontiac Trail. About 100 head purebred Shropshire ewes on late lambing program. Jones' records show nearly 200 return above feeding costs per ewe.

Second stop 11 a.m.—Bernard Carver farm north of South Lyon at 26566 Pontiac Trail. A flock of grades, some registered Suffolk bred for early lambing.

Third stop 1 p.m.—George Mann farm, one mile west of Clarkston at 7469 Holcomb road. A real show flock that George has developed through 4-H Club work. Early lambing program.

Fourth stop 2:30 p.m.—H. C. Brooks' farm at 8890 N. Milford road, Holly. A nice flock of mostly purebred Cheviots usually crossed with Suffolk run—16 per cent lamb crop last year. Feeds some sheep and has records to prove he made money.

Special stop 8 p.m. for part-time farmers at Arthur Carlick's farm, 2165 Clyde Road, Milford, about two miles west on Clyde road from Clyde. A nice flock of ewes bred for early lambing.

Graydon Blank, Michigan State University sheep specialist, known as "Mr. Sheepman," will be present.

Executives Club Meeting Tonight at Rochester

AVON TOWNSHIP — The Domestic Executives Club of the Cooperative Extension Service will hold their monthly meeting tonight in the Woodward Memorial Library annex, Rochester.

Project Leaders Theo Beens and Helen Johanson will present to the members many interesting ideas on "Care of Fabrics." In conjunction with the lesson, "Care of Fabrics," each member will have a sample of tap water which will be tested to determine its mineral contents.

Members will also make up twenty Easter baskets which will be given to youngsters at the Oakland County Children's Home.

Refreshments will be served by co-hostesses Charlotte Brookbank and Marion Shilke.

Oak Park Fireman Burned in Blaze

OAK PARK — Firemen fought a blaze in a 13-mile-an-hour wind Sunday afternoon at Lynda's Tot and Teens Shop, 8550 West Nine Mile.

Public Safety officer Donald Faulkner was burned on the right leg and given first aid treatment at the police station.

Damage is estimated at \$20,000. Cause of the fire has not been determined. Four other businesses in the same block suffered smoke damage.

AUNT LIB TO BE 99 — Elizabeth Russell, known as "Aunt Lib" to her Four Towns friends, will celebrate her 99th birthday on March 20. The little lady, who was born in West Bloomfield Township near Cass Lake, in 1857, attended Scotch School on Commerce Road. She lived all her married life on a farm on the north side of Cooley Lake road, outliving her husband, Moses Russell. Being the oldest member of the Four Towns Methodist Church, the Elizabeth Russell Guild of the church has been named after Aunt Lib. Fairly active, this lady enjoys radio, loves flowers and other pleasant pastimes. Presently she stays with her nephew and family, Mr. and Mrs. Fred Simpson, 1490 Williams Lake Rd.

Business Women Sponsor Cancer Film

WALLED LAKE — The Walled Lake chapter of the Business and Professional Women will sponsor the showing of the film "Cancer Crusade for Men and Women." It will be shown at the Walled Lake Elementary School on Wednesday, March 21 at 8 p.m.

There will be no charge for the film and the public is urged to attend.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months.

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

CATCHING WITH HIS HEAD — Bob Wentworth of Almont gets hit in the back of the head with the ball in the game against St. Mike's Saturday night at Pontiac high school. The Shamrocks won the Class

C district finals, beating Almont 57-29. Chuck Brown (11) of Mikes and (3) Blake Lasslett of Almont go for the head rebound. In the foreground is Dan Dropps (12) and John Keller (4) of St. Mike's.

District Winners Get Into Regional Playoffs at PHS

A dozen district champions, eight in Class C and four in the 'B' ranks, invade the Pontiac High School gymnasium this week for the 1956 MHSAA regional basketball tournament.

The Pontiac regional swings into action Tuesday night and will continue through Saturday when divisional winners are crowned. Regional champions qualify for the state quarter-finals on Wednesday, March 21.

Six area hopefuls are among the strong field. St. Michael, Orchard Lake St. Mary, and Lake Shore lay their chances on the line in Class C while Utica, Walled Lake, and Rochester are 'B' contenders.

Completing the 'C' division are Detroit St. Cecilia, Detroit St. Bernard, Detroit St. Gregory, Marine City, and Highland Park St. Benedict—St. Mike's familiar suburban Catholic League rival. The other Class B entry is St. Clair. The PHS tourney promises to be a wide-open affair. Drawings to determine regional pairings will be conducted at the high school today at 4 p.m.

St. Mike gained entrance to the regionals by blasting Almont, 57-29, in the district final Saturday night at Pontiac High. After a difficult opening quarter the Mikes rolled into high gear and the outcome was never in doubt. John Keller poured in 23 points.

for the Shamrocks and Chuck Brown's alert floor play constantly harassed the Raiders. Larry Kersten, Almont's high-scoring center, was limited to eight points by a tightly-knit defense.

ROCHESTER NIPS AVONDALE
The surprising Rochester Falcons earned their right to enter regional activity by noosing out Avondale, 49-48, in a thrilling overtime struggle at the PHS gym Saturday.

Field goals by Ron LeBarre and Dave Peters in the extra period bettered a two-point play by Jerry Paul and Larry Herron's foul shot to bring victory to the Falcons in a swift-moving, well-played game that had the spectators on the edge of their seats.

Gibson Wins Daytona Event When Michigan's Goldsmith Goes Out

DAYTONA BEACH, Fla. (AP) — John Gibson's victory in the 200-mile race for expert motorcycle riders was so unexpected the 25-year-old machinist hasn't decided what to do with his \$2,000 first prize money.

The Pasadena, Calif., rider moved out front when mechanical trouble knocked out former winner Paul Goldsmith of St. Clair Shores, Mich., just three laps away from the checkered flag.

Asked what plans he had for his winnings, the elated Gibson replied: "I don't know. I didn't expect to win."

And he didn't think he had won—not even when his pit crew began congratulating him. Gibson's crew decided not to signal him that he was leading the field after Goldsmith went out.

Jackets from winning the tussle in regulation time. Dick Bye's Jack-ets elected to stall with 52 seconds left and the score knotted at 45-45, then try for a last-second bucket. Paul's shot missed as the buzzer sounded, which nullified Herron's successful follow-up.

The score was tied 11 times during the nip-and-tuck battle and only 15 personal fouls were committed, 10 by the Falcons. Peters and Marv Kitchen led Rochester with 12 points each. Paul tallied 18 for Avondale to take scoring honors.

VIKINGS OUST MILFORD

In the Walled Lake district B finals, Milford's powerful offensive machine was bottled up by an aggressive Walled Lake crew which took the lead in the opening seconds and never relinquished it in winning 71-51.

The Redskins elected to throw a tight zone against Walled Lake's high scoring center Larry Hughes and although it was successful in holding the Viking pivot man to only five points in the first half, the defense could not cope with the outside shooting of guards Larry Dion and Dick Woodworth.

Big Jim Davidson, the county's leading scorer, fouled out early in the 4th quarter with only 15 points to his credit. Hughes did a credible job defensively when Davidson tried to score from the middle. From the outside however, the sharpshooter had very little opportunity to shoot as Redskins passing game went amiss.

Milford tallied only 14 field goals while the Vikings hit for 26 from the floor.

Hughes again took scoring honors with 21 points, 16 in the second half with Dion getting 14, Walker 13 and Woodworth 11 in good balanced scoring.

Fred Baker got 16 for Milford, with Davidson's 15 and Green's 10.

EAGLES TRIP KEEGO

Orchard Lake St. Mary annexed the Class C district title Saturday night at Farmington with a 54-50 win over neighboring West Bloomfield. Ted Kopacki scored 18 points for the Eagles, who averaged a 50-41 loss to the Lakers in the 1955-56 season opener.

Memphis of the Southern Thumb League goes to Ypsilanti for regional play after downing New Baltimore St. Mary, 49-43, in the Class D district final at Troy Saturday.

Lou Haase of Utica hit two fielders in the final minute to give the Chieftains a 58-54 win over Troy on the Coit court. Haase had 20 for the evening.

At Farmington's B district, Redford St. Mary trimmed Clarenceville 69-58 with Fred Arbanas getting 25 for the winners and Darrel Ridling 21 for the losers.

Lapeer, Class B district winner at Grand Blanc, sees regional action at Flint. Dryden was a district casualty at Grand Blanc in Class D.

GRAPEFRUIT League

ST. PETERSBURG, Fla. (AP) — Tom Poholsky and service returnee Vinegar Bend Mizell gave St. Louis Cardinal pitching hopes a boost before the home run ball came back to haunt the Redbirds, the most generous team in Majors last year.

Poholsky allowed a lone single in three innings yesterday and Mizell one run on one hit and three walks in three innings. Then the New York Yankees remembered this was the club that allowed 183 homers in 1955, a Major League record.

WEST PALM BEACH, Fla. (AP) — Looking at it from the angle that

spring training is the time for a baseball club to get sloppy play out of its system, the Kansas City Athletics spent a highly profitable afternoon at Fort Myers yesterday.

But that's about the only angle that offers any consolation for the 11-1 drubbing they took from the Pittsburgh Pirates.

They committed five errors in the field, three of them charged to their prize first baseman, Vic Power.

SARASOTA, Fla. (AP) — Ted Lepcio, Milt Bolling and Heywood Sullivan are stealing the batting show these days for the Boston Red Sox.

Basilio Favored Against Saxton

CHICAGO (AP) — Carmen Basilio, unbeaten in his last 15 fights, rules a 9-5 favorite to retain his welterweight title against former champ Johnny Saxton at Chicago Stadium Wednesday night.

Both tapered off in drills today and looked sharp for the nationally broadcast and televised 15-round bout. The bout is ABC, starting at 10 p.m. EST. Chicago and a 150-mile radius will be blacked out.

A crowd of 10,000 contributing to a \$75,000 gate is expected. TV-radio proceeds will add another \$50,000. The fighters divide the net equally on a 30-30 basis.

Lepcio, playing third base, got three hits including a grand slam home run yesterday as the Sox handed the world champion Brooklyn Dodgers their second straight setback in the Grapefruit Circuit 17-5.

Lepcio drove in five runs. Sullivan had a 4-for-6 day including a pair of doubles and a 4 RBI's. Bolling went 3-for-4 with a double included good for two runs.

TUCSON, Ariz. (AP) — Second baseman Bob Avila, who arrived at the Cleveland Indians spring training camp almost two weeks late after holding out for the same pay he received last year, says he will hit better than he did last year.

He batted .325 in the Mexican League and feels today he will hit .300 or better with the Indians this season. His average dropped to .272 last year after he won the American League batting title with a .341 in 1954.

Seek Misplaced Million Dollar Treasury Note

NEW YORK (U.S. Clerks) resume searching today for a one-million-dollar U.S. Treasury note somebody "misplaced" in the vast vaults of the Chase Manhattan Bank.

More than 100 employees worked overtime during the weekend in a hunt for the missing note. When they went home late yesterday, they had rummaged through about half of 4,500 file drawers in the bank's basement.

The note, first missed last Wednesday, is not negotiable.

"The note will almost certainly be found," the bank said in a statement, "but even if it never were, the bank's insurance fully covers a loss of this kind."

"Meanwhile, the hunt goes on."

Newsman Takes Miss Truman to Meet Family

ZEBULON, N.C. (U.S. — E. C. Daniel Jr. brought Margaret Truman to this little town near Raleigh to meet his parents over the weekend. But the newsman for the New York Times and the former President's daughter neither confirmed nor denied talk of romance.

Daniel, who worked in Moscow for the Times before his current assignment as a foreign desk man, said simply that he expected to be at work tomorrow. He and Miss Truman left last night for New York City.

They arrived here Saturday morning. Saturday evening they were guests of Mr. and Mrs. Jonathan Daniels of Raleigh. Daniels is editor of the Raleigh News and Observer and was press secretary to President Truman.

Discussing his son and Miss Truman, Zebulon druggist E. C. Daniel Sr. said, "They've been friends for years... Whether there's any more to it than that, I couldn't say."

Bus Hostesses Urged for Los Angeles Riders

SANTA MONICA, Calif. (U.S. — Hostesses have been proposed for the city express buses when service starts to Los Angeles.

Transportation superintendent William Farrell said the uniformed hostesses would assist children and elderly persons, give schedule information and point out interesting spots along the route.

The city council is expected to study Farrell's proposal.

American Clerics Arrive in Moscow

MOSCOW (U.S. — A delegation of American Protestant churchmen has arrived in Moscow for the first formal talks with representatives of the Russian Orthodox faith.

The 10-man group was greeted at the airport by bearded Metropolitan Nikolai, who welcomed them on behalf of Patriarch Alexei, head of the church in Russia. Nikolai expressed the hope their visit would "result in better relations."

Later the metropolitan shepherded the group to their hotel. They were treated to a lunch of caviar, delicacies and various wines. Teetotalers in the group just held up their glasses when the Russians proposed the customary toast.

A group of Russian churchmen is to repay the visit in June.

Performance in 'Picnic' Bringing Offers for Betty

By LOUELLA O. PARSONS
HOLLYWOOD (INS)—I felt sure after Betty Field's great performance in "Picnic" as Kim Novak's mother there would be plenty of motion picture offers waiting her way. I was right.

Betty arrived in town to join the Marilyn Monroe troupe for "Bus Stop." Betty's role is that of Grace, owner of the bus stop cafe, a lusty gal.

When Jack Palance returns here March 24, his wife Virginia won't be with him. Don't jump to conclusions—there's no battle in the Palance family.

Virginia is tremendously thrilled that she has been signed for the Broadway play "Danton's Death"—meaning Danton of the French revolution. She plays Danton's wife and the title figure will be played by Don Neely of the actors studio. Mrs. Palance will use her professional name of Virginia Baker.

Mrs. Cary Grant, pardon me, I mean Betsy Drake, who is much too good an actress to trade on her husband's name, has made up her mind to come back to the movies—and high time.

Betsy hasn't made a picture since "Room for One More" for RKO soon after her marriage. Outside of appearing in a radio series with her popular husband several years ago she's been confining herself to writing TV scripts and more or less hibernating in their Palm Springs home.

The love of Henry Ford's life these days is—making movies. And he can hardly wait to embark on his first independent, "12 Angry Men" in June, just as soon as he finishes "The Wrong Man" for Alfred Hitchcock in New York.

Perhaps you remember "12 Angry Men" as the Studio One drama, which last year, won three Emmy awards, one going to Bob Cummings for "best dramatic performance by an actor in a single performance." Of course, Hank plays the Cummings role in the film.

The first actor Fonda has signed is Lee J. Cobb who will be juror No. 3. It's good to know that Cobb, very ill for months, is back in harness and rarin' to go.

Snapshots of Hollywood
The one and only Winston Churchill and his wife will attend the premiere of "The Man Who Never Was" in London next week. Sir Winston wants to hear the actor

who delivers excerpts from his wartime speeches.

Tomorrow is Gordon MacRae's 35th birthday and tomorrow night on his TV show he'll have Sheila and all four youngsters help him cut his birthday cake.

Grace Kelly spends Easter Sunday with the family clan in Philadelphia. She'll leave immediately after the Academy Awards for New York.

That's All Today.

Slate 2 Meetings on School Issue

Propose \$750,000 for Expansion; Junior High Film Planned Thursday

By JACK O'BRIAN

NEW YORK (INS) — The \$64,000 Question, "will have two isolation booths when it starts throwing cash into the CBS-TV air Sunday, April 8 . . .

It'll use new challenges to face folks who've won \$8,000 and up on the parent show . . .

It still lacks an emcee, though (why not Hal March?) . . .

NBC film cutters found one authentic German film it can't possibly use in the "Twisted Cross" Wednesday NBC show, the story of Hitler's rise and fall: A very nude Eva Braun splashing away like September morn in a German stream . . .

Lots of the film footage will be Eva Braun's own home movie shots of Der Fuehrer.

A move is on to postpone the TV "Emmy" awards three months while they try to rebuild the shabby reputation they've earned.

DROPS OUT OF SHOW

Sherman Billingsley unexpectedly quit Friday's "Person-to-Person."

Hal and Candy March will just about get into their fancy new East Side flat April 6 for "Person-to-Person." Hal's deserved popularity is paying off at \$2,500 per 64C appearance.

CBS decided Jack Benny's role on "Climax" Thursday should be as a college dean instead of a minister.

The Grace-Rainier nuptials will be aired on ABC-Radio April 17-19 for a brasserie sponsor . . .

Jackie Gleason's next season product definitely will be on celluloid, worse luck for the fat one and his fans.

DAVE'S DEAL

Dave Garraway can if he chooses leave "Today" after two years of his new 10-year NBC pact; but he'll probably stick with breakfast before dawn for the sake of the \$5,000 a week . . .

Herb Shriner's new hour probably will decorate CBS-TV on Saturdays . . .

We hear Shirl Conway and Pat Carroll will be signed for Sid Caesar's show next season . . .

Lisa Kirk gets star billing April 15 on "Front Row Center" for more reason than her talent and stature: Lisa also wrote the basic story from which the teleplay will be adapted . . .

Dick Powell yells that CBS is a "trust," now that CBS will unload the consistently good "Four-Star Playhouse" to make room for network-owned fare . . .

Mrs. Calabash's big-nosed boy friend will be looking for a new sponsor next year . . .

Goodman Ace, Perry Como's adroit writer, already has been signed for next season at \$7,500 per hour-of-pleasure, first of the Como show to feel so secure so early . . .

British Jet Travels

Record 1,132 M.P.H.

LONDON (INS) — Britain claims her dart-like new jet fighter, the Fairey Delta 2, has captured the world speed record with a mark of 1,132 miles an hour.

The Royal Aero Club said the single-jet plane known to airmen as the "Drop Shot" struck this average in two runs over a nine-mile course in southern England. It recaptured the record from the United States. Test pilot Peter Twiss was at the controls.

Col. Horace H. Hanes of the U.S. Air Force set the previous record last August when he flew a F100C Super Saber at just over 822 miles an hour. Another U.S. plane, the Bell X-1A, has flown at 1,650 miles per hour but not under record conditions.

Bing Undergoes Minor Surgery on Eyelid

BEVERLY HILLS, Calif. (INS) — Minor surgery on an eyelid isn't expected to slow up Bing Crosby at all.

The singer underwent the surgery Saturday for removal of a small growth, a member of his family said. He is expected to resume normal activities this week, the spokesman added.

Award Given Thomas

BEVERLY HILLS, Calif. (INS) — The Jewish National Home for Asthmatic Children has presented comedian Danny Thomas with its golden Caduceus Award at the Denver Home's 48th annual dinner dance last night.

Olivier in 'King Richard III' Brings 'Poetry, Blood' to TV

By CHARLES MERCER

NEW YORK (INS) — There is both poetry and blood and thunder in the "histories" of William Shakespeare. Never have the two qualities been more effectively combined than in Sir Laurence Olivier's filmed production of "Richard III," which made its American debut on NBC-TV yesterday.

The three-hour color film was the longest single program yet shown on TV.

What theater audiences always have had to imagine came glowingly to life in this great motion picture of the evil hunchback Duke of Gloucester who killed and murdered his way to England's 15th century throne as Richard III.

In creating Richard, Shakespeare added the dimension to the stereotype Elizabethan villain; he made him witty, intelligent and courageous as well as ruthless. In interpreting Shakespeare's Richard, Olivier has added the dimensions of the motion picture art; he gives us the closeup of character and the broad grandeur of castle, cathedral and battlefield.

As Richard, Olivier undoubtedly has played his greatest role to date.

The stellar cast, which includes many of England's finest actors, brings more than extraordinary interpretation of character to the screen. Sir John Gielgud as Clarence conveys Shakespeare's thoughtful melancholy; Sir Ralph Richardson as Buckingham is piercing shrewdness; Claire Bloom as the Lady Anne is delicate in sensual pleasure. The entire cast could be named for extraordinary performances.

This bold stroke of television programming eventually will provide answers to two interesting questions: Does Shakespeare hold the appeal to a mass American audience that he always has held for a relatively limited audience?

The district attorney said McCormick related that he and the girl met in the basement Friday night. She told him she was pregnant and threatened to tell his parents that he was responsible if he did not run away and marry her, Froelich quoted McCormick as saying.

County Coroner Bernard H. Kemps said a preliminary autopsy report indicated the girl died of suffocation.

He said her wind pipe was knicked, cutting off air, when she was placed unconscious in the 20-inch-wide alcove.

Dr. Emory Strauser, Neenah pathologist who made the report, said he found two small wounds on the girl's head and scratches on her throat. He said they were not the cause of death.

The girl's body was found in the home of Mrs. Angela McCormick, the boy's grandmother. The discovery was made by Police Chief Harold Engerson, who had been leading the search for the girl since she was reported missing by her parents, Mr. and Mrs. George Van Der Horst. Engerson quoted Mrs. McCormick as saying she knew nothing of the tragedy.

Dies After 4-Year Coma

ASHEVILLE, N.C. (INS) — Cliff Greene, 49, who had been unconscious since falling from a scaffold four years and one month ago, died in the Veterans Administration hospital at nearby Swannanoa yesterday. For 1,490 days he could neither speak nor move, and couldn't even open his mouth to eat. He was fed through a stomach tube.

More Britons are seeking to emigrate to Canada, London learns. Three main reasons are given—the assisted passage loan, more jobs in Canada, and the high British budget.

Policies Go to the Dogs

Make the Future Safe for Fido — Insure Him

By RENE J. CAPPON

KANSAS CITY (INS) — The insurance business has gone to the dogs here, and if that works out it may go to the cats too.

Two Kansas Citians, Richard R. Nelson and Gordon J. Raabe, are offering policies covering hospital expenses for pooches who fall ill, are wounded in brawls, or come too close to a car.

Nelson said a similar project may be worked out for cats if the dog insurance goes ahead for plan.

Since there are no risk tables for hounds, insurance men Nelson and Raabe spend several months plodding doggedly through records of five local veterinarians covering 10,000 pets before setting their premiums.

"We've set the premium low enough—\$15, a year—for an owner to be interested," Nelson said. The policies go on sale today.

They're being written by the Employers Mutual Casualty Co. of Des Moines. Nelson predicted they would soon be available in all 48 states.

PROVIDES FOR EXPENSES

The plan provides for such expenses as hospitalization, surgery, X-rays, laboratory fees and drugs resulting from a dog's illness or accident.

Coverage is available through licensed veterinary hospitals for dogs from 6 months to 10 years of age. It pays up to \$75 for one hospitalization, with a limit of \$150 during the policy term.

The first \$10, or 50 per cent of the claim—whatever is greater—is deductible, on the principle of auto insurance.

Reabe figures the insurance will prove a boon to ailing dogs.

Anti-Red Forces Active

TAIPEI (INS) — The Tatoo News Agency today claimed that anti-Communist guerrilla forces had become increasingly active in the mountains of Red China's southern Sinkiang province, bordering Tibet. The agency, run by the Nationalist Interior Ministry and claiming underground contacts on the mainland, said the guerrillas now numbered 4,000.

Derek Mason, aged 16, fell 90 feet from the seventh story of a flat in London, after his girl friend died in a hospital. A pile of coke broke his fall. He suffered from shock and concussion.

The district attorney said McCormick related that he and the girl met in the basement Friday night. She told him she was pregnant and threatened to tell his parents that he was responsible if he did not run away and marry her, Froelich quoted McCormick as saying.

County Coroner Bernard H. Kemps said a preliminary autopsy report indicated the girl died of suffocation.
