GM and UAW Start to Bargain

Labor, Industry Giants Square Off for Tussle Over Guaranteed Pay

DETROIT (AP)—The giants of labor and industry square off today on a union's most ambitious demand since organizing days—the guaranteed annual wage.

The principals are the billion-dollar General Motors Corp., the nation's biggest industrial firm, and Walter Reuther's 1½-million-member CIO United Auto Workers, the nation's biggest union.

The arena is a small room in the massive General Motors Building in midtown Detroit, scene of the start of formal bargaining on a new contract.

Immediately at stake are the fortunes of some 350,000 General Motors employees across the country. But the significance of the negotiations goes far beyond this.

A guaranteed wage plan at General Motors might set a pattern for the entire auto industry and possibly for much of other heavy industry as well. That could have a tremendous impact on the nation's economy.

The current five-year cost-of-living contract between GM and the UAW expires May 29. Three days later a similar pact covering 140,000 Ford Motor Co. employees runs out.

The UAW plans to concentrate its guaranteed wage fire on these two biggest producers in the industry. Ford negotiations start Tuesday.

If it comes to a strike, the feeling in Detroit labor circles is that Ford would be chosen. The reasoning is that the union couldn't afford a long strike at GM which would cut off roughly one-third of its dues besides costing countless millions in strike benefits.

If this course were followed, the UAW could delay a showdown at GM simply by agreeing to a contract extension for a few days.

Neither GM nor Ford has commented directly on the guaranteed wage demand. GM officials have hinted at their opposition, however, by emphasizing the regularity of employment in their plants for years.

The UAW guaranteed wage plan calls for 40 hours' pay if an employee works any part of a week. The employee would be guaranteed enough to "maintain his living standards" any week he is laid off completely.

The guarantee would cover 52 weeks for workers with seniority and would be dovetailed with state unemployment compensation.

Other union demands include a wage boost of some 5 cents an hour, an increase in the present 5-cent hourly "productivity" factor, improvements in health and pension plans and other benefits. The current average wage in the auto industry is about \$2.10 an hour.

State Police Begin Ballot Box Check

State Police began a check of all ballot boxes in Oakland County today looking toward possible recounts of vote totals in last Monday's spring election.

County Clerk Lynn D. Allen received a wire from Secretary of State James M. Hare last night asking that local clerks be informed of the planned inspection.

Allen made a list for the troopers of the county's 65 precincts where paper ballots are still used. A majority of these (44) are in Pontiac.

The officers will make certain that the boxes are properly locked and stored.

Easter Vacations Start for City School Pupils

Students of the Pontiac Public Schools will leave their classrooms this afternoon for their Easter vacation which will continue until the morning of April 13.

Teachers of the school system will convene on the morning of April 12 for their annual in-service teacher's spring conference.

Does Vaccine Work?

UM Prof Playing Hooky to Write Report on Polio

ANN ARBOR (U)—A University of Michigan professor has withdrawn from his home to diagnose the health history of two million children.

For the last two days, Dr. Thomas Francis Jr., has been working at his cherrywood desk, writing the report on the success or failure of the Salk polio vaccine—only four days from completion.

His wife, Dorothy, and his household maid, are the buffers between Dr. Francis and an inquiring world. He will talk only to associates on the telephone. His front door is closed to inquiring voices. Dr. Francis says he will issue the vaccine report April 12 and no sooner—and he means it.

This is a big job, evaluating some 144 million pieces of information into what could be one of the greatest scientific and medical achievements of the century. He says his answer will be free from bias, pressure and wishful thinking.

To back up his words, Dr. Francis has retired to work in the calm of his own study. There's no doubt that he did it to help his peace of mind too as he weighs numbers representing children.

Under the pressure of the moment, Dr. Francis tends to anger

Negro Solon Plans to Attend Afro-Asian Meet

NEW YORK (U)—Rep. Adam Clayton Powell Jr., Negro congressman from Harlem, plans to attend the Afro-Asian conference of 30 colored nations to sell the idea that the United States is not "a white man's country."

"I expect to tell them as a Negro, and it will be hard for them to refute me, just what has happened in terms of progress here and I think I can refute a lot of propaganda concerning the Negro," he said.

Powell, pastor of a Baptist church and a Democrat, announced at a news conference yesterday that he will attend the conference at Bandung, Indonesia, starting April 18.

quickly. His usually soft, unimpressive voice crackles and his face reddens. "They picked T.F.," one colleague said, "because they knew no one could push him around."

A father of two teen-age children, a boy and girl, Dr. Francis says he tries to remember that the test figures represent children and are not dull, soulless statistics.

Physically, Dr. Francis, 5-foot-6 tall, resembles a typical college professor. He wears a small moustache and is somewhat portly, befitting a man of 54. He has an extensive reputation as a careful, hard-working investigator in the field of public health.

The man who developed the vaccine, Dr. Jonas Salk, once studied under Dr. Francis and later worked with him in influenza research.

Mr. Wright Demonstrates Audio-Visual Aids to PTA

William Wright, principal of Whittier School, demonstrated the uses of Audio-Visual aids in PTAs at the Pontiac Council meeting held at Webster School Tuesday afternoon.

Many sources of equipment and material are available for use in PTA meetings, such as films, film strips or slides, or tape recordings, listed by leading universities.

Feltboards, chalkboards and skits or plays may illustrate the subject more emphatically than the spoken word alone.

Josephine Seeley, school nurse,

spoke to the assembly on tentative plans set up to administer the Salk Polio serum when it is available.

Six clinics are to be established with doctors and nurses in attendance. These centers are to be held at Webster, Longfellow, McConnell, Owen and Baldwin Schools and Lakeside Community Home on Saturday mornings.

Volunteers are needed to assist the registered nurses and doctors, and to do the clerical work necessary in compiling a complete record of this subject.

Mrs. Stanley Watson was chairman of the refreshment committee. Assisting were Mrs. Lawrence Taylor, Mrs. Jack W. Gilbert and Mrs. Paul Gorman.

Barbecues Shown With Copper Finish

CHICAGO (INS)—Papa may do the cooking out of doors but he does it with equipment somebody else buys—namely "the Mrs."

So say manufacturers of barbecue equipment in a survey taken by International News Service.

Because most of their customers are women, the manufacturers show outdoor grills of the brazier type and trim them in copper.

Copper finish for plating shows up on the bowls themselves or on the legs supporting them.

Put Clean Blankets on Top of Pile

Store a soiled woolen blanket under a dead weight in the spring and it won't emerge lively and fluffy in the fall.

Technicians advise homemakers to put their woolen blankets away clean and on the top, not the bottom, of the store pile, so that the nap will not be flattened.

Carry What You'll Need in Handbag

Clear Out Debris but Don't Neglect Necessities

"Merciful heavens," remarked the friend. "Do you really carry all that stuff in your handbag?" She was watching, in astonishment, as a well-organized woman produced a small notebook, a pencil, three swatches of fabric, four ads pasted on 5 x 7" cards, and a wallpaper sample from her handbag.

"Oh, no, just when I need them," the woman answered, with a laugh.

Which, of course, is the answer. No handbag is overloaded if it has just what you want in it. But however bulging it may be, if it doesn't have what you want, it's empty.

The handbag, annoying as it sometimes is, can be as useful and intelligent as a well-organized business file. A mature woman who prides herself on doing things neatly should remember this.

Going shopping for draperies tomorrow? Tonight, get out the handbag you want to carry with the suit you're going to wear. Pack it with just the things you'll need. Perhaps it will be a collection like that of the woman above, who was doing such shopping.

Include your shopping list, the phone numbers of anyone you may want to call when you're out. Check on change for the bus, taxi or parking meter. Collect the things you want to match and write down the dimensions of the window.

There are certain accessories that are always in your handbag, but you might check them over each night for renewal necessities or repairs. Lipstick (is it the color you're going to wear?), tissues (enough), wallet, comb (clean), mirror, emergency rainhat.

While you're at it, you might throw out that old letter and put that button in your sewing box. You probably won't need them.

The cotton cooler in the new and preferred "short-shorty" nightgown is made of the same wonderful soft, porous cotton dimple-knit as the little baby clothes. Matching panties are ruffled like the short, full, flaring short, shorty gown.

Come Back Again

Now, if that isn't the limit! One mother, departing from the maternity hospital with her precious bundle, looked up to see a sign: "Thank you, come again next year."

You Can Avoid Bad Skin

Prize your skin when you are young, and you may not develop complexion problems that make older girls miserable.

Acne and other skin blemishes may be avoided, according to dermatologists. A skin blemish is likely to be due to a systemic upset, allergic reaction or careless cleansing.

At the first sign of a blackhead, white head or pimple, ask yourself: "What happened?"

Then analyze the situation. What did you eat and drink yesterday? The day before? What did you put on your skin in the way of cosmetics? Have you been on a soap and water strike? Have you been too indulgent in candy, cake, soda pop, gravies?

Once you've established at least an inkling of the trouble, experiment by desisting from the suspected trouble maker.

If you can't figure it out, save your pennies if that is the only way you can afford skin specialist. A small fee for diagnosis now may save you years of expense and unhappiness.

One way to avoid scars of adolescent acne is to stick to a planned skin regimen, according to the experts.

Perhaps all you need is a milder soap for cleansing an overly-sensitive skin. One recommended for that purpose is a liquid of blue foam that comes in a tube. It has a fast sudsing action without being too harsh on the complexion. Use your hands to apply it since wash cloths and towels can be irritating to a sensitive skin, too.

It is a good idea when you are young to develop a do-it-now attitude.

Fabrics Suggest Decorating Ideas

A good place to go for inspiration if you're redecorating your home is right to the fabric counters.

While you can find gold-lamé at \$25 a yard, you can also find attractive cottons at less than \$1.50 a yard—so it isn't money that determines good and bad decorating, these days.

Fabrics that are inexpensive, that are durable, that are soap-and-water washable can be used, and used lavishly, even in a home that's run on the most economical basis.

Make the most of the lovely and serviceable yardage that's so abundant, for since it's washable, it's economical in the long run.

Auxiliary Gathers in Hermoyan Home

The Ladies Auxiliary to Metropolitan Club, Spirit Six, met with Mrs. George Hermoyan on Crestwood street Tuesday evening to make plans for a mother and daughter banquet.

Hostesses were Mrs. John Mose, Mrs. Earl Luchenbach and Mrs. Charles Evans.

DELICIOUS FOR DINNER

Apples Flavor Green Beans

Vegetables too often are treated as "stepchildren" of the foods family. They do get credit for being "good for you," but too often the taste appeal of vegetable dishes does not get its due. Dress up your vegetable dishes so they have their share of eye and taste appeal, as well as bounteous nutrition values. This recipe for green beans with apple is a good place to start.

Green Beans With Apple
1 pound snap beans, or 2 packages frozen cut green beans
2 tablespoons margarine
2 apples, cored and sliced
1 cup light cream or top milk
1/2 teaspoon salt
Dash of pepper
Dash of mace

Cut fresh beans into 1-inch lengths and cook in three-fourths cup boiling water with 1 teaspoon salt until just tender, about 15 minutes. If frozen beans are used, follow cooking directions on box. Be careful not to overcook. While beans cook, melt margarine in skillet. Add sliced apples and fry gently about five minutes, until just tender but not soft. (If apples have tender skins, do not pare.)

Add cream or top milk, salt, pepper and mace. Drain beans. Fold into apple mixture and heat thoroughly. This is good with chicken or ham.

Trucks Faces Cards in Training Windup

MEMPHIS, Tenn. (AP)—The Chicago White Sox today will call on veteran Virgil Trucks for pitching duty against the St. Louis Cardinals as the two clubs play their eighth and final game of the spring tour.

Thurier is still active as an official in the AHL.

Scans New Talent

Martin, Scott May Be Chiefs Big Hopes on Links; Newcomers Could Be Big Help

By H. GUY MOATS
With only two of last year's varsity lettermen returning, PHS golf coach John Maturo is facing a rather difficult task right now. With a stiff dual, Saginaw Valley and outside schedule, including SVC, Regional and state tournaments and the Pontiac Press annual prep event, Maturo will have to whip up his squad from a group of junior varsity players and from newcomers. The new men may provide some answers to the problem.

Only Arthur Scott, who has not been out for drills, and Bill Martin are varsity holdovers. Martin, however, is apparently off to a fast start and is hitting in mid-season style. He has turned in one fine round, a 57-36 at Municipal course.

Junior varsity holdovers include Tom Cross, who has been working out at Pine Lake and at the city layout, hitting the ball well. Others are Walter Larsen, shooting in the low 40s; Ronald Nelson, Bruce Robertson, Paul Hickman, Paul Hagle, Ron Beckman, George Bergstrom, Bob Pike, Dale Hannan and Jerry Richards. Bergstrom and Richards are rated among the better prospects.

Loss of Don Walker, who has used up his eligibility, will hurt the squad a lot. Don was one of the

Chiefs' better golfers last year, and with Martin and Scott, 1934 standouts, was a big factor in the club's success. Chiefs won 6, lost 3, placed 3rd in Valley competition.

An interesting observation on the graduated Pontiac golfers from the 1934 team was offered today by Maturo. The coach reported that four of the varsity crew are now in college. They are top man Norbert Capistrano,

Wynn May Miss Season's Start

Tribe Ace Hurler Is Still on Shelf After Bout With Flu

KNOXVILLE, Tenn. (AP)—One member of the Cleveland Indians' big three pitching staff may not be ready for his regular turn when the season opens. That's Early Wynn.

Because of salary differences, Wynn didn't get into uniform until a week after the training camp opened, and two weeks ago he spent five days abed with flu. Now the flu bug has him again and he missed a chance to hurl yesterday at Charlotte. He still hasn't rounded into form.

But if Herb Score, who started for the Tribe in yesterday's 3-2 victory over the New York Giants, can keep up his exhibition game pace, the immediate need for Wynn won't be urgent.

Brooklynite Makes Good

LEXINGTON, Va. (AP)—A sophomore—6-foot, 3-inch Barry Storick of Brooklyn, N.Y.—has been elected captain of Washington and Lee's 1935-36 basketball team. Storick, one of three sophomores on this year's W&L team which won 11 of its last 14 games, pulled in 288 rebounds for the Generals and scored 293 points in 29 games.

Harold Titus, Mike Rosenberger and Bob Kent, an alternate.

A schedule of 13 matches, mostly duals, and three tournaments, opens at Arthur Hill April 15. Rest of this card:

For April-22, Waterford here; 25, at Flint Central; 28, at Flint Northern; 29, Bay City here.
For May-4, at Port Huron; 5, Flint Northern here (SVC); 10, Port Huron here; 11, Waterford at PCC; 12-14, regional; 16, SVC tourney at Owosso; 21, State finals; 29, Pontiac Press tourney.

Skowron Equals Mark for Fielding Assists

ST. PETERSBURG, Fla. (AP)—It was only an exhibition game but 1st baseman Bill Skowron of the Yankees equalled a major league fielding record of seven assists for a 1st baseman against the Cardinals here.

In a regular season play only three men have achieved this feat in the majors—Bill Bransfield of the Pirates in 1904, George Stovall of the Browns in 1912 and Fred Luderus of the Phillies in 1918.

Miller's Bingo Takes Top Spot in Derby Trial

Oakland county owned dogs have been figuring considerably in recent shows and trials about the country and one of the latest is Miller's Bingo.

The 10-month-old male beagle, owned by Harry E. Miller, 6645 Pontiac Lake road, took top honors in the 15-inch derby winner's stake, at Manchester, during the last weekend.

Bingo, son of CH. Lynch's Speaker and Miller's Dainty Dottie, beat a field of 57 beagles. A 13-inch class was also run. Bingo previously won in the Detroit Beagle Club trials and will run in the big International at Pittsburgh, in mid-April.

Alston Delays Action on Howell, Kellert

WASHINGTON (AP)—Manager Walt Alston still hasn't reached a decision on catcher Dixie Howell and right-handed pinch hitter Frank Kellert. "I'm still looking at Kellert," Alston said. "I'll play him as much as possible to see more of his hitting, but I want to play the regulars in what remains of the exhibition schedule." Kellert grounded out in a pinch role as the Brooks beat Washington 6-0 last night.

Whitfield Youngsters Start Diamond Action

First spring outdoor practice session for Whitfield School youngsters took place first of the week, with some 30 taking part, according to Dwight Thompson, who is handling the boys. The school expects about 60 to be out later to help provide material for three teams, representing the 4th, 5th and 6th grades. Teams also will take part in the city Parks and Recreation Department program during the summer.

Giants, yielding just one earned run in the seven innings he worked, he also homered. Herb Score, the Indians' prize youngster, was touched for a first-inning run—the first he's allowed this spring—but no more in four frames.

Sammy White hit a home run in the fourth with two on to break up a duel between Boston's Ike Delock and Philadelphia's Murry Dickson. The Red Sox went on to win 9-3.

Baltimore edged Pittsburgh 3-2 when Roger Bowman walked Vern Stephens with the bases loaded in the ninth.
