OFFICIALS RETIRE — City Attorney William A. Ewart (left) and City Assessor Edward C. Bloe pose in front of a map of the city they have served for more than three decades. Both are leaving their City Hall posts.

Early Days Recalled

Honor Retiring Officials

"There were thrills. I've enjoyed the challenges," says City Attorney William A. Ewart, who ends a 33-year career as the city's top legal aide July 1.

City Assessor Edward C. Bloe, who wraps up 32 years of city service this week, has less to say about his tenure with the city.

The veteran city officials were honored yesterday afternoon at a three-hour open house at City Hall.

Because of their long stint at City Hall, both men have watched Pontiac grow from the dark depths of the depression in the 1930s to today's prosperity.

Ewart remembers the 1930s as crisis government. He said the city moved from crisis to crisis. At one point, the city was going to issue scrip in order to avoid payless pay days for city employes.

★ ★ ★

Bloe said property owners paid an average tax rate of $23.50 per thousand valuation for city, school and county services.

DELINQUENT TAXES

The retiring assessor said that a lot of city property was held by the state for delinquent taxes. Money was scarce everywhere, but especially at City Hall.

U.S. Ceases Bomb Attacks on North Viet

No Strikes for 3 Days; Sources Say Orders Given to Stop Raids

SAIGON (UPI) — Official American sources said today the United States has ordered a temporary cessation of bombing attacks against Communist North Viet Nam. There have been no raids for three days.

The vicious ground war continued, however, and Communist guerrillas ambushed and destroyed an entire 12-truck Vietnamese convoy today 50 miles northeast of Saigon.

Two Americans were killed and four wounded Vietnamese were found but there was no indication as to the fate of the others in the convoy.

The last raid against North Viet Nam was made between 3 p.m. and 6 p.m. Wednesday when planes hit five bridges within a 45-mile radius of the coastal city of Thanh Hoa.

★ ★ ★

The last three-day pause came March 16-18, apparently because of weather.

VIEW SHARED

Official sources said the decision to halt the raids temporarily was shared by Vietnamese Premier Phan Huy Quat and other interested government officials.

U.S. Ambassador Maxwell D. Taylor called on Quat early in the week to discuss plans to halt the raids, the sources said.

American Air Force and Navy officials were later informed that all planned raids against the north were to be stopped following the Navy's Wednesday strike against the Thanh Hoa bridges.

★ ★ ★

At the same time both Navy and Air Force officials were ordered to carry out extensive aerial reconnaissance in order to assess the damage so far inflicted by almost 100 days of continual bombing raids against military targets.

NO ACKNOWLEDGMENT

Official spokesman for both the U.S. military and U.S. Embassy declined comment on the report. They would not acknowledge that anything other than tactical considerations had influenced the decision not to bomb the north for the past three days.

Dominican Fighting Flares Up

SANTO DOMINGO, Dominican Republic (AP) — Heavy gunfire and explosions shook Santo Domingo early today in the Dominican civil war as peace talks appeared to have reached a stalemate.

The heaviest firing came from the northern areas of the city,

where rebels are fighting forces of the rival civilian-military junta.

Fighting has been going on there for three days. American troops are not involved.

Residents in the rebel-held downtown sector reported intensive shooting through most of the night along the Ozama River, whose east bank is controlled by U.S. troops of the 82nd Airborne Division. One paratrooper was wounded.

A U.S. Embassy source said there had been no progress in efforts to bring the rebel and junta leadership to the conference table.

Rain Accompanies Warmer Weather

We'll have summer temperatures, but we'll have to accept showers along with them tonight and tomorrow. The low expected this evening is 58 to 65. Tomorrow's forecast high is 75 to 82.

Partly cloudy weather will return Monday, but temperatures will also cool off a bit.

Today's lowest temperature recorded in downtown Pontiac prior to 8 a.m. was 52. At 2 p.m. the mercury measured a warm 83.

College Aid Bill Dies in Senate Committee

A proposed bill which would have provided operation and maintenance funds for the projected Michigan College of Osteopathic Medicine to be located in Pontiac, died yesterday in the State Senate Appropriations Committee.

State Sen. Carl W. O'Brien (D-Pontiac) said the bill was killed by lobbyists for the American Medical Association.

★ ★ ★

Dr. Ben Dickinson of Pontiac, newly installed head of the Michigan Association of Osteopathic Physicians and Surgeons, said he was disappointed the bill was killed, but that the action would not delay plans for the construction of the college.

Dickinson said that the primary purpose of the bill was to have provided funds to operate the school, once it was constructed.

In addition, the bill provided for the establishment of a 10-man college authority to oversee and operate the college.

★ ★ ★

Dickinson said that no state in the nation has such an authority to regulate a medical school and resistance was anticipated.

CONTINUE WORK

"We are not downhearted," Dickinson said. "We will continue to work and hope that people in the state will see that our aim is a noble one."

O'Brien said he was greatly disturbed and disappointed over the apparent loss of the bill in committee.

"I've condemned this type of pressure activity before on other bills and I condemn the American Medical Association for their activity on this one," O'Brien said.

O'Brien said there was also some pressure for stopping the college put on by the State Board of Education because the Osteopath bill called for a separate authority of control.

Burglar Wore a Fur Coat

11 House Bills Beat Deadline

Lawmaking Operation Halts at Midnight

LANSING (UPI) — The legislative hopper in the House of Representatives churned out 11 bills in a last-minute effort — yesterday — but many more measures were chewed up at midnight as lawmaking machinery ground to a predetermined halt.

★ ★ ★

Under House rules, all bills not reported out of committee by midnight passed into legislative limbo from which it is unlikely any will be rescued this year.

Several important bills — including proposed elimination of tolls on the Mackinac Bridge; the reorganization of the National Guard; raising the minimum wage to $1.50; establishing a legislative ethics commission for legislators, and several traffic safety measures — got caught in the jamup and didn't make it out of committee.

Those important bills that made it to the floor did include measures that would:

- Prohibit below-cost selling of milk by establishing fair trade practices for the dairy industry.
- Set up a system for greyhound racing at eight tracks around the state — including one in the Upper Peninsula and another in Wayne, Oakland or Macomb counties.
- Revoke car registration for failure to stop for school buses.
- Repeal bounties for coyotes, wolves, bobcats and red foxes.
- Provide the vehicles for tax reform.
- Set up an unsatisfied judgment fund for drivers injured by uninsured motorists.
- Permit public employes to join labor unions and to submit their disputes to compulsory arbitration.
- Permit public employes to engage in political activities and to run for local offices.

At Least 6 Die, 15 Missing in German Alps

International Teams Digging in Snow to Try to Rescue Victims

GARMISCH - PARTENKIRCHEN, Germany (AP) — A huge avalanche roared down Mt. Zugspitze today and police reported at least six skiers killed and 15 or 20 missing.

Rescue teams freed many others, including 12 who were hurt when the big slide poured across a hotel terrace upon which tourists were sunbathing and a slope where skiers were staking out a course for a race.

Mt. Zugspitze, which at 9,719 feet is Germany's highest peak, is a popular site for skiers who want to extend their sport as far as possible into the warm season.

Garmisch - Partenkirchen, scene of the 1936 Winter Olympics, also is a major U.S. Army recreation center.

★ ★ ★

German, Austrian and U.S. Army rescue teams joined in the massive search for survivors.

COMBED SLOPE

At least 500 men, helped by specially trained dogs, combed the vast slope of the Zugspitzplatt, below the peak, to where the 800-foot wide avalanche struck most of its victims, at 1 p.m.

★ ★ ★

About 25 persons were dug out alive almost immediately.

Police said six bodies were recovered by 5:30 p.m. and that 15 or 20 still were believed buried under the snow, which at some places was 20 feet deep.

The snowslide started at a point above the avalanche-proof Schneefernhaus Hotel and swept Schneefernerhaus Hotel and swept over the hotel's terrace and down the Zugspitzlatt skiing slope.

★ ★ ★

At least eight tourists enjoying the sun on the terrace were hurled off together with their deckchairs onto the slope below, where scores of terrified skiers sought to escape.

★ ★ ★

Rescue operations started immediately. Search crews were flown to the slope by German army helicopters or rode up in the cog-wheel train linking this alpine resort with the hotel.

8 Hopefuls in Race for Waterford Post

A field of eight candidates has filed petitions in Waterford Township for the single four-year seat at stake on the school board in the June 14 election.

The candidates are William Beal, of 3621 Embarcadero; Donald Griffith, 4035 Meigs; Rolland Hurteau, 5966 Southward; and William Mercer, 4155 Windiate.

Others are Michael Patterson, 6329 Grace K; Mrs. M. Virginia Ross, 6101 Adamson; Dean Salley, 6229 Jameson; and Mrs. Lois Watson, 5846 Southward.

Frederick J. Poole, whose term on the board expires next month, is not seeking reelection.

Beal, 36, is married and the father of seven children. Vice president of Economy Welding and Fabricating Corp. of Pontiac, he attended Lawrence Institute of Technology.

At 1 p.m. today, Dr. Robert R. Turpin was the only candidate who had filed for a Pontiac school board post. Current board member William H. Anderson was expected to file this afternoon and a third petition was taken out late yesterday.

Dems Deliver Tax Package

$129-Million Formula OK'd by Committee

LANSING (AP)—House Democrats have proposed a $129-million tax package—including a 4 per cent on virtually all services —to insure Michigan's solvency in the next two years.

★ ★ ★

The House general taxation committee also reported out a "smorgasbord" of fiscal reform dishes that could be put together to form any kind of reform menu the legislature wants — if it wants one.

The Democratic members of the committee yesterday reported out bills to impose the use tax, replace the business activities tax with a 5 per cent levy on net income, to initiate a "stamp act," and cut the tax on a barrel of beer.

"This is to finance state operations for the next two years — after we find out how much it's going to cost," said Rep. George Montgomery, D-Detroit, chairman of the taxation committee.

★ ★ ★

The use tax would be imposed on such services as automobile repairs, dry cleaning bills, photography, amusement admissions, dental bills and shoe repairs — "everything but hospital bills," Montgomery said. It would raise about $84 million a year.

BUSINESS TAX

Changing the business activities tax to a 5 per cent levy on net income is more equitable and more profitable, he said, raising increasing revenues from $98 million a year to an estimated $155 million.

News Flash

WASHINGTON (AP)—President Johnson said today he will ask the Congress for about $4 billion of excise tax cuts over the next five years, with close to half the total to become effective July 1.

Choice for GM President Still a Guess

DETROIT (AP) — The favorite guessing game in the auto industry these days is trying to figure out who will be the next president of General Motors.

John F. Gordon will retire May 31 from the job that paid him $740,300 in salary, fees and bonuses last year. He reached the mandatory retirement age of 65 today but served out the month.

His successor will be picked by GM's 26-man board of directors, probably at a special meeting in Detroit June 1 if present indications hold up.

Gordon, president of GM since August, 1958, will make his final report at GM's annual meeting here Friday.

★ ★ ★

He and board chairman Frederic G. Donner, who will reach retirement age in 1967, will be able to tell stockholders that they guided the big auto firm to new highs in sales, profits, dividends and wage and salary payments.

It's a virtual certainty the next GM president will be picked from among the firm's other 24 directors.

More than a dozen names have been mentioned as a possible successor to Gordon.

Most frequently mentioned is James M. Roche, 58, one of GM's four executive vice presidents. He currently heads GM's overseas and Canadian group, as well as the Allison Engine Division, Dayton and the Household and Appliance group.

With General Motors' world wide activities scattered across 24 countries, the overseas phase of GM operations has become increasingly important and Roche's experience in that field was cited by many auto industry observers as a reason why they think he is a top contender.

He has a strong sales background and formerly was general manager of Cadillac Division, as was Gordon.

Also mentioned frequently is the name of James E. Goodman, 60, executive vice presi-

Key Solons See Win in Merger Stalemate

WASHINGTON (AP) — Key members claimed a victory for Congress today over Secretary of Defense Robert S. McNamara in their battle over a plan to merge army reserve units into the national guard.

The Defense Department, advised of the claim, said it would have no further comment.

McNamara, who has insisted since December that he did not need congressional approval to carry out the merger plan he announced then, said today he is submitting supporting legislation to meet the plan's objectives.

The legislative proposals he outlined at a joint news conference with Rep. F. Edward Hebert, D-La., chairman of a House armed services subcommittee, did not deal directly with the merger.

★ ★ ★

They called for permission to attach individual reservists to the national guard for training, to let women and retired enlisted men join the national guard, and to establish a national guard in the Virgin Islands.

COMBAT READINESS

In response to questions, McNamara made it clear he regards the proposed merger as a matter of combat readiness that lies within the discretion of the Defense Department and the military. And he added:

"I am not ready to compromise on anything regarding combat readiness." At no time did he concede he lacked authority to carry out the plan without congressional approval.

But he did agree to hold up the plan now scheduled to take effect July 1 until Congress acts on the proposals he is submitting. Such action is expected by July 1.

★ ★ ★

Hebert said the item dealing with detachment of reservists to the national guard is a key element in the plan and that including it amounts to asking congressional approval of the merger.

CAME AROUND

Spokesmen for the House and Senate armed services committees also said McNamara had come around to the congressional view of the controversy.

Rep. L. Mendel Rivers, D-S.C., chairman of the House armed services committee, said the secretary's announcement "has indicated his recognition of the constitutional responsibility of the Congress to raise and support armies."

Shipping Firms Both File Suits

$3.5-Millon Sought in Lake Ship Tragedy

ST. IGNACE (AP) — The owners of two ships which collided in the Straits of Mackinac with the presumed loss of 10 men filed separate suits Friday in federal courts at Cleveland and Chicago.

The U. S. Steel Corp., owner of the sunken Great Lakes freighter Cedarville, sought $3.5 million damages in its suit against the owners of the Norwegian freighter Topdalsfjord.

★ ★ ★

U. S. Steel charged in its suit the Topdalsfjord violated Great Lakes regulation by speeding in fog, not giving passing signals and violating telephone and telegraph regulations.

The suit was filed in U.S. District Court in Cleveland.

SUNKEN CARRIER

U.S. Steel was owner of the limestone carrier that sank May 7 after a collision with the Topdalsfjord in the fog - bound Straits of Mackinac.

★ ★ ★

The Norwegian - American Line, owners of the Topdalsfjord, meanwhile petitioned the federal court in Chicago to exonerate the Topdalsfjord from blame and to limit the line's liability in any civil suit for damages.

★ ★ ★

The official U.S. Coast Guard inquiry into the disaster recessed here Friday with final testimony by Walter Tulgetske, first assistant engineer of the Cedarville.

The inquiry will be resumed next Friday at Grand Rapids.

STANDARD RULES

In Friday's testimony, Tulgetske told the three - member board that standard procedures for operation in fog were being used in the Cedarville's engine room before the collision.

Divers continue to search for three missing men. The bodies of seven Cedarville crew members have been recovered.

Water System Is Key Topic

To View Possible Waterford Expansion

Waterford Township board members Monday night will consider a proposed expansion of the township water system to include some areas excluded in the system's present plan.

★ ★ ★

Estimated cost of the expansion is $1.05 million. Original cost of the current water project, which includes about 80 per cent of the township, was $7.35 million.

To initiate action on the expansion, the township board would have to direct a request to the Oakland County Department of Public Works which is the township's agent in the water project.

In other action Monday, board members will consider a proposed amendment to the township carnival ordinance that would specify mechanicl inspection of carnival rides.

★ ★ ★

The board also will consider a dog ordinance revision that prohibits pets from being kept in an area within 15 feet of a neighbors occupied building.

MEMORANDUM

Also slated for board attention is a memorandum of understanding regarding a proposed six-county transportation and land use study.

In other business, the board will rule on a request from Robert Larson for a permit to open a pool hall at 1775 Williams Lake.

A motion picture which illustrates causes and results of traffic accidents will be shown at the meeting.

★ ★ ★

The film will be used by the township police department in proposed traffic safety classes for flagrant offenders.

Huntsman Finds 'Bunnies' Game

LANSING (UPI) — Terry Ulrich, 18, went rabbit hunting in a city park and found more game than he bargained for.

★ ★ ★

Ulrich told police there was a rustle in the bushes and out popped two nude teen-aged girls who set upon him, scartching his chest and ripping his shirt.

"I had to fight them off," the bewildered Ulrich said, explaining that he took a healthy swing at one of his attackers before they fled back into the foliage.

★ ★ ★

Police searched the area. All they could find was rabbits.

June 21 Opening Date for Dramatics Program

BLOOMFIELD HILLS—A new course for teachers and prospective teachers of dramatics will be offered this summer at the Cranbrook Summer Theatre School.

★ ★ ★

The new program, founded and directed by Carl G. Wonnberger, is aimed at filling the gap left by the curtailment of drama schools and colleges in the country.

The course, which starts June 21, will be conducted as a seminar.

Participants will become involved in all phases of the dramatic arts as they are taught outdoors in and around the Greek theater on Cranbrook Estate.

★ ★ ★

There will be an opportunity for directing as well as work in voice, makeup, pantomime, costuming, play selection, theater organization and production.

BOOST STAFF

Guest lecturers and visiting artists will supplement a staff of 26 faculty members.

Among the visitors will be Patricia Newhall, New York producer-director-actress and a former student at the Cranbrook Summer Theatre School.

The school's 1965 season will extend through Aug. 13.

Further information can be obtained by calling Cranbrook.

Walt Disney's color film "The Restless Sea" is one of two that will be shown next week at the Cranbrook Institute of Science.

The other film scheduled for 8:15 p.m. Thursday and Friday is "The Woodlands," which illustrates a recent archeological "dig" in Illinois.

★ ★ ★

Members of the institute will be admitted free to the program in the institute auditorium and guest tickets will be available at the door.

Stateswoman Dies at Age 83

Was Cabinet Member in FDR's New Deal

NEW YORK (AP) — Frances Perkins, first U. S. woman Cabinet member, whose three-cornered hat became a symbol that enraged New Deal opponents, is dead at the age of 83.

★ ★ ★

The colorful, controversial secretary of labor under President Franklin D. Roosevelt from 1933 to 1945 died Friday night in Midtown Hospital on Manhattan's East Side.

She had left her post as lecturer at the New York State School of Industrial Relations at Cornell University two weeks ago and was admitted to the hospital for a routine examination. She suffered a stroke in the hospital.

The vivacious little lady, who was known as Madame Perkins, was alone when death came. Her daughter and son-in-law had visited her during the day.

Miss Perkins, who was born in Boston of pre-Revolutionary stock, on April 10, 1882, spent the last years of her life as an elder stateswoman. Time had mellowed opposition to her term of office during the greatest period of labor turmoil and economic upheaval in American history.

Solon to Look Into Stamp Use

State Sen. Carl W. O'Brien, a Pontiac Democrat, said today if any state stationery or state stamps have been used on invitations for a testimonial dinner for himself it was a mistake and he would reimburse the state.

O'Brien, at his home at 513 Moore, said that it was probably a error in his office if the stationery and stamps were used.

The testimonial dinner is to be held May 23 at Fortino's Steak House, 15 N. Wide Track. Invitations to the 300 anticipated guests went out Monday.

The code of ethics for legislators prohibits the use of state stationery and state stamps for personal or political mail.

★ ★ ★

The freshman senator said he would find out Monday if state stamps were used, and, if so, he would reimburse the state for any expense.

State Committee to Probe Leak in Confidential File

LANSING (AP) — A Senate committee under Democratic George Fitzgerald of Grosse Pointe will investigate the preparation of a police report on Mrs. Viola Liuzzo which was sent to Alabama, Fitzgerald announced Friday.

Declaring the compiling of the report and its forwarding to Alabama Sheriff James G. Clark "thoroughly disgraceful," Sen. Fitzgerald said it was the state's responsibility to "get to the bottom of this situation."

★ ★ ★

Fitzgerald, an attorney, referred to the report sent to the Selma, Ala., sheriff by Police Commissioner Marvin G. Lane of Warren.

The action of Commissioner Lane, a former Detroit police official, has been supported by Warren's City Council while attacked by others.

The so-called confidential report is said to include the background of Mrs. Liuzzo, 39, Detroit mother of five children who was shot to death following the Selma to Montgomery civil rights march.

war boom helped the city's growth.

Ewart became city attorney in 1932, joining the city after a political upheaval. Now 64, he says the challenges of the job have provided the interest for him.

★

Several court cases have been milestones for municipal governments across the state.

Controversy has been a big part of Ewart's career. He describes himself as "the man in the middle."

"You try to do what is right under the law," he explained. "Of course, you are going to make enemies, but you have to prove your record on the law."

"You (the city attorney) are always out in front alone and have to take the abuse and credit that comes your way."

★ ★ ★

As city assessor, Bloe sees his job in much the same way. "We try to be fair with everyone."

APPOINTMENTS

Both the city attorney and assessor are positions filled by City Commission appointment. However, Bloe points out that the state has the authority to remove the assessor.

Thus, he said that a city assessor has two masters — the state and the City Commission.

The 66-year-old Bloe plans to travel after the retirement parties end this week. A tour of the western United States is planned.

★ ★ ★

Bloe then contemplates trying the real estate business to keep busy.

Meantime, Ewart, who will leave about June 1 for a 30-day vacation, will go into the private practice of law with offices in Birmingham.

"I feel that I've got a lot of horsepower left," commented the city attorney.

Still a Guess on Choice for Top GM Post

dent in charge of automotive, body and assembly.

Goodman's career with GM began as a metal finisher in the Fisher Body plant at Norwood, Ohio. Known basically as a manufacturing man, Goodman rose from the production line to become general manager of the Fisher Body Division and went on to his present post.

A third executive vice president whose name has been mentioned frequently in the GM presidential speculation is George Russell, 60, head of the corporation's financial staff.

★ ★ ★

There is some feeling, however, that since Donner's forte is finance, the next president would be more apt to have a sales or manufacturing background.

YOUNGER MEN

Many observers feel that if GM should dip down into its younger men to pick a president, vice presidents Semon E. Knudsen and Edward N. Cole would have to be considered.

Knudsen, 52, is head of GM's bread-and-butter Chevrolet Division, and the son of the late Gen. William S. Knudsen, who was president of GM from 1937 to 1940.

Cole, 55, is group vice president in charge of car and truck group and preceded Knudsen as head of the Chevrolet Division.

★ ★ ★

GM's fourth executive vice president, Louis C. Goad, is 64 and less than a year away from retirement.

★ ★ ★

The directors also will have to name a successor to GM secretary George A. Brooks who reached retirement age this month. He had been corporate secretary for 17 years.

Favor Hike in State's School Aid

LANSING (AP) — A colossal $112 - million increase in state school aid that would eat up Michigan's treasury surplus next year and force fiscal reform has been recommended by the House Ways and Means committee.

★ ★ ★

The recommendation was about $81 million more than the increase recommended by Gov. George Romney and about twice as much as was reported out by the Senate Appropriations Committee.

Chairman Einar Erlandsen, D-Escanaba, said the committee expects the general fund surplus on June 31 to be more than $104 million predicted by Romney, "but we've eaten up more than the surplus."

Because of the shifting of various special funds — particularly teacher retirement funds — and because of confusion after a late-night committee session, committee members were unable to estimate the exact effect the increase would have on Romney's general fund budget of $788 million.

★ ★ ★

Because of this shifting, meaningful comparisons between the committee's recommendation and Romney's recommended $31.5 million hike—plus $14.8 million for retirement funds — and the current year's $434.1 million fund could not be made.

OTHER INCREASES

Other budget increases over Romney's recommendations were modest — about $5.9 million. The Senate cut its share of the budget by about $5.5 million earlier in the week.

The school aid bill includes a 10 per cent increase in the aid formula, from $236.50 per pupil to $260. Romney recommended $242. It includes a $12 million "school aid" fund for building construction and maintenance in heavily indebted districts.

It provides for a nursery school program — reimbursing those districts that have them one-half of the normal per-pupil aid, or $130 each. It includes money for transportation, special classes for the deprived, special assistance to the distressed districts.

★ ★ ★

It also increases the deductible millage factor from 4.25 to 4.675.

OTHER ITEMS

Other budget recommendations and their approximate increase over Romney's included:

General government and debt service—$39.54 million, up $131,006.

Public safety—$36.93 million, up $4.7 million.

Welfare — $12.5 million, up $1 million.

★ ★ ★

Regulatory agencies — $13.66 million, up $18,000.

Conservation, recreation, agriculture $14 million, up $100,000.

'Won't Use Bomb First' Blast Great Victory---China

TOKYO (AP) — Communist China today called its second atomic explosion "a great victory" but tried to cushion the shock among its dismayed neighbors by promising it will never be the first to use nuclear weapons.

The United States, at the same time, said that President Johnson's statement following the first Chinese explosion seven months ago still holds. It offered to support nonnuclear nations against Chinese atomic blackmail.

★ ★ ★

"China is developing nuclear weapons solely for defensive purposes," the official Peking People's Daily said today. "It is the sincere hope of the Chinese people that there will never be nuclear war."

In Japan, the reaction to the explosion was sharp and critical. The government said it would make a strong protest and leftist organizations, normally friendly to Peking, deplored what they called a menace to peace.

A TIME BOMB

The Kyodo news agency called it a time bomb blown up in Japan's back yard.

The newspaper Mainichi said: "However little radioactive dust falls over Japan, we are fed up with it. What the Japanese people really seek is an immediate halt to all nuclear tests for the sake of mankind."

★ ★ ★

The Chinese did not say whether the second bomb was dropped from an airplane or was touched off from a tower on the ground. Use of the words "over the western areas" was seen by the Japanese as an indication it had come from a plane. If so, this would mean that the Chinese have at least limited delivery capability. In announcing the Oct. 16, 1964, explosion, the Chinese did not use the word "over."

Japanese correspondents in the Chinese capital who reported intense excitement and jubilation — said there was a strong possibility the bomb was released from a plane.

POLITICAL?

Western diplomats in Peking regarded the explosion as primarily of political importance and as an answer to U.S. threats of bombing the Chinese mainland if China enters the Viet Nam war.

Some Western observers regarded the explosion as clumsily timed in view of the coming Afro-Asian conference in Algiers. The Chinese were brought under fire by neutralist nations following the first test.

★ ★ ★

India's delegate to the United Nations, Vishnu C. Trivedi, denounced the explosion and expressed shock "at the great and serious damage done to peace and security."

Trivedi told the 144-nation U.N. Disarmament Commission the explosion represents a health danger to present and future generations.

Mackinac Bridge Bill Dies in Senate

LANSING (AP) — The Mackinac Bridge refinancing bill unexpectedly died in the Senate Friday surrounded by angry controversy about Sen. William Romano, D-Warren, and Gov. George Romney.

Sen. Thomas Schweigert, R-Petoskey, sponsor of the measure, claimed "double-cross" by Romano, and Romano said Romney killed the measure by talking too much at the wrong time.

★ ★ ★

Senators speaking off the record tied the bridge bill's death to failure of a greyhound racing measure to win Senate support. Republican leadership was seeking Democratic support to possibly rekindle the issue.

STORY OF BILL

Here is what happened:

Romano's state affairs committee debated the measure Friday morning and Schweigert was apparently assured of five votes, one more than needed to report the bill to the full Senate on that final day for committees to consider bills.

★ ★ ★

The committee meeting broke up for lunch just before a vote, and Romano indicated the committee would meet again Friday afternoon.

But the committee never met again.

NOT THERE

Romano claimed he was in the committee room for a meeting Friday evening but a reporter who went to the committee room did not find the senator there.

Schweigert and other committee members waited through much of the afternoon while Romano's aides said they did not know where the senator was.

★ ★ ★

Friday night after the Senate had adjourned, Romano conceded he would probably have brought the bridge bill to a vote had Romney not criticized the committee Friday morning.

The governor said the committee should be paying more attention to important legislation instead of the dog-racing bill.

NOT DISCUSSED

Romano and vice chairman Michael O'Brien said the bill to permit dog racing introduced by Romano had never been officially discussed by the committee.

Nun Hopes Rome Has Forgotten

VICTORIA, B.C. (AP) — A Roman Catholic nun who defied the Church's order to close her animal shelter says she hopes Rome will forget about the dispute.

"Rome moves very slowly on these sort of things," Mother Cecilia Mary, 76, said Friday. "They might even forget all about it."

Meanwhile, Mother Cecilia and five other sisters are continuing to care for nearly 120 animals in the Good Shepherd animal shelter established several years ago with money she inherited from her father.

In their spare time the nuns are trying to answer the more than 1,000 letters received from all parts of North America.

TWO DISAGREE

"A large percentage of them are from Catholics," Mother Cecilia told an interviewer, "and only two have not agreed with what we did."

Attention was focused on Mother Cecilia and the animal shelter early this month when she announced she would not obey Rome's order to close the shelter May 4. Church officials ordered the nuns to return to St. Mary's Priory, a home for the aged three miles from the shelter where Mother Cecilia is the mother superior.

★ ★ ★

The church said caring for the dogs, cats, goats, birds and other animals at the shelter was not in keeping with the nuns' vocation.

A long negotiation session with the Most Rev. Remi De Roo, bishop of the Victoria diocese, May 4 resulted in both sides agreeing to a "cooling off period." Negotiations were to continue with other authorities.

★ ★ ★

Mother Cecilia attributes part of her tenacity to a distant relative who carried on another crusade — Florence Nightingale.

Asked about similarities to her cousin, Mother Cecilia said: "She had a pretty good fight on her hands and won, didn't she? I haven't won yet but I think I will."

State GOP Confab

LANSING (AP)—The Republican State Central Committee has announced it will hold a legislative day May 20 at Lansing for the Lenore Romney Women's Club of Kalamazoo County. Also planned is a Lansing meeting May 19 for the GOP leadership task force on election laws.

Law Must Be Upheld by Our Public Officials

A political party has a general responsibility to the voting public to present candidates for office who are above reproach, on moral, ethical or legal grounds.

Such standards must not be abandoned just to win an office.

It was not coincidence last fall that a Democrat by the name of Murphy ran for the Oakland County Clerk-Register post vacated by a successful Republican called Murphy.

★ ★ ★

This ploy is as old as politics itself.

The men involved are former Clerk-Register DANIEL T. MURPHY JR., 42 of Pontiac, a Republican, and Democrat JOHN DALLARD MURPHY, 51, of Royal Oak, a diemaker.

JOHN DALLARD MURPHY pleaded guilty to driving under the influence of alcohol Wednesday in Birmingham Municipal Court. He was arrested at 3:30 a.m. March 31 by Birmingham police after his car swerved off Woodward Avenue and narrowly missed a store.

John Dallard Murphy is no stranger to traffic violations, nor was he when he ran for office.

★ ★ ★

In addition to the current drunken driving conviction, he has five speeding convictions and three reckless driving convictions among the 19 cases he piled up since 1948.

We feel such a record disqualifies JOHN DALLARD MURPHY from offering himself as a candidate for public office. Public officials must uphold the law, not make a mockery of it.

★ ★ ★

We do not accept the excuse that JOHN DALLARD MURPHY won the September primary and put himself on the ballot. Political parties can and have exposed self-starters who were not qualified, but only if responsible leaders do not put winning above serving the public well.

Men, Women Vying for 'Mad Hatter' Title

Not even Chase's Calendar of Annual Events, that small and sometimes useful compendium listing special days, weeks and months, mentions Straw Hat Day, traditionally observed May 15. Chase's lists everything from Fight the Filthy Fly Month (June) to National Measure Your Mattress Month (September) to Expectant Fathers' Day (April 18), yet it has no space for an event that was observed faithfully by almost all males old enough to wear hats, as opposed to caps.

As recently as 1929 a book on psychology of dress observed: "No matter what the weather, men are supposed to bring out straw hats on May 15 and discard them on September 15. Not one man in 10 thousand would risk being the butt of ridicule by failure to conform."

★ ★ ★

The hat which came out in mid-May, if it was not a "Panama" made in Ecuador, was certain to be a hard white straw kady. The remarkable proliferation of summer style hats — and colors and materials — began only in the middle 1930s.

Today most men buy new summer hats when they buy summer suits, and haberdashers feature them well before May 15. The modern male is no slave to custom but he may be becoming fashion's tool.

"For a person to smash things when he's angry doesn't do any good," says a psychiatrist. True, no doubt. It is noted that the golfer who has a tantrum and breaks his clubs doesn't thereby improve his game.

Debate to Slow LBJ Program?

By JACK BELL
AP Political Writer

WASHINGTON — President Johnson's fast-moving Great Society program may be braked to a crawl because the Senate is unwilling to limit debate on the voting rights bill.

An announcement by Republican leader Everett M. Dirksen Wednesday that there are not enough votes available for the necessary two-thirds majority to curb talk on the measure indicates a possibly lengthy slow-down on other important measures.

Johnson has put pressure on influential Democrats to get the House-passed bill to provide health care for the elderly out of the finance committee and get Senate action on it before June 1.

But Dirksen said that at the rate the Senate is moving, it won't finish the voting rights bill by then. He pointed to a mountain of other legislation behind it and advised his colleagues to start their Christmas shopping in Washington.

★ ★ ★

"It may well be," he said, "that we will have to commune with the Halloween witches and eat our Thanksgiving turkey here and trim our Christmas tree here."

DONE BY AUGUST

Johnson wants Congress out of town by August. But unless he can get the Senate to cooperate, any such departure probably would leave some of his Great Society measures stranded.

Besides the health care bill, which could stir lengthy Senate debate, there are several other measures certain to be caught up in time-consuming controversy.

These include the foreign aid authorization, excise tax reduction, congressional redistricting, drug controls, a proposed ban on state right-to-work laws, revision of the immigration act, a minimum wage increase, creation of an urban affairs agency and more than a dozen regular money bills.

★ ★ ★

The pre-Easter dispatch with which Congress acted on Johnson's requests has been supplanted by stiffening resistance to orders from the White House on the timing and content of legislative matters.

BOTH HOUSE AND SENATE

This was represented in actions in both the House and Senate this week.

The House balked at the President's plan to close 15 veterans hospitals and facilities. It voted $23.5 million to keep them open.

★ ★ ★

In the Senate the President's forces were able to turn back by a cliff-hanging four-vote margin a liberal effort to ban state poll taxes. Then the House Judiciary Committee crossed the President and nailed a ban into the version before the House. So the two bodies have conflicting bills.

The POWER of FAITH

By WOODI ISHMAEL

"Suffer little children . . . to come unto me: for of such is the kingdom of heaven." Matthew 19:14

Dr. Maria Montessori firmly believed that faith is action. Born and raised a devout Catholic, her faith and love encompassed the whole world—particularly the children. For in them she saw the promise of peace in the world.

Overcoming great obstacles, Maria Montessori in 1896 became the first woman in Italy to receive the degree of doctor of medicine. Her first position was as an assistant doctor in the psychiatric clinic at the University of Rome. There she became interested in defective and retarded children. That interest led to miraculous achievements in their training and development. Then she turned to normal children and discovered her life's work. As a scientist her research led to revolutionary theories and methods of teaching that have influenced education around the world. Moreover, she wrote several books on religion and its teaching. In giving her definition of the ideal teacher, she said he/she should be, "one who combines the self-sacrificing spirit of the scientist with the love of the disciple of Christ."

Days of All Faiths:

St. Ivo, Patron Saint of Lawyers

By DR. HOWARD V. HARPER

The Mother Goose jingle says: "As I was going to St. Ives, I met a man with seven wives." This richly blessed man was coming from the town named for today's saint, St. Ivo of Kermartin. St. Ivo was a lawyer. He is the patron saint of lawyers today. Even he could not have been much help to a man who had gone six wives over the quota, but he was nevertheless a very good lawyer.

He was born in Brittany in 1253; his family was well able to provide him with any education he wanted. At fourteen he went off to Paris and spent the next 10 years there learning the law. In those days legal studies divided into two branches: canon (or church) law and civil law.

★ ★ ★

Ivo's interest was in canon law, which put him in a close relationship with the life of the church. And as we look back at him now he looks more like a monk than a lawyer. He wore a hair shirt, he ate no meat and drank no wine, he used a stone as a pillow. In Advent and Lent he fasted on bread and water.

MERCY BEFORE JUSTICE

Having completed his courses he went home to Brittany, where he was appointed judge of an ecclesiastical court. It was here that his saintly character began to show up. Where poor people and orphans and widows were involved in cases brought before him, Ivo seemed more like the counsel for the defense than judge.

When he saw the oppressed hauled into the civil courts he stepped down from his judicial dignity and went to the inferior court to plead for them there.

Also, whether the case was civil or ecclesiastical, he tried to get the litigants to settle out of court, which did not make him popular either with lawyers who missed chances to run up big fees or with judges who missed handsome bribes.

★ ★ ★

People are always making unfunny jokes about lawyers, and apparently they were doing the same thing in Ivo's time. They had a verse about him which said Ivo was a Breton and a lawyer but not dishonest, which astonished all the people.

BECAME A PARISH PRIEST

When he was thirty-five, Ivo gave up his legal specialization and asked for ordination to the priesthood. He spent the last 15 years of his life as a parish priest, and he was the same gentle saint in his pastoral role as he had been in the judicial one.

He built a hospital and tended the sick with his own hands. He gave beggars the clothes off his back—an expression much used but hardly ever literally true. Once he went to his door in the morning and found a tramp who had been sleeping there all night. Ivo, feeling that this was somehow the result of his own negligence, prescribed his own penance. That night he put the tramp in his bed and slept on the doorstep himself.

And even though he was no longer officially a judge, he never got completely away from the old adjudicative role. People still came to him from miles around to have their disputes settled. And such was his kindliness and skill that they always accepted his verdict.

The Better Half

"My new dictionary definition—'Waiter: staller, delayer; one who stands and waits . . .'"

Voice of the People:

Resident Has Been Taxed to Limits of His Patience

The editorial Tuesday struck home at my place. ". . . hired public officials tend to expand their powers in ways that cause government little by little to encroach on individual freedom and opportunity."

The City right-of-way in front of my house has been seeded and taken care of for years by my family. South Saginaw has been moved to our neighborhood and by "public necessity" I was forced to pay for a sewer that I did not want. The lawn was destroyed twice by the sewer crew and never replaced.

★ ★ ★

Commissioner Hudson explained how I should have worked hard for the income tax, and then the commissioners could do more for the City. It is customary for local government to restore the construction site to its previous condition.

I agree with the editorial: ". . . Governments themselves do not produce freedom. People have to wrest freedom from governments . . ." I paid four times over on the lawn and it has taxed my patience. I intend to work for better government and for a better and cleaner Pontiac.

'Uphold State Literacy Tests for Voters'

The new Federal Voting Rights Act of 1965 which presently affects six states (Virginia, Alabama, Georgia, Mississippi, Louisiana, South Carolina) should uphold state literacy tests as a desirable voting qualification, rather than eliminate them in a state which had less than 50 per cent of voting age registered or voting in the past November presidential election. In its aim to end discrimination against the colored citizens, Congress should require that such literacy tests be impartially administered to all citizens in the state.

★ ★ ★

What difference does it make whether 90 per cent or 20 per cent vote? It is important to the well-being of the community, state and nation that only literate and informed citizens vote. Ignorant voters make it much easier for incompetent and crooked politicians to get elected. I further contend that uninformed citizens should not vote and propose that a simple knowledge test on the positions of the candidates in question be given on election day. Persons failing this test would not be given a ballot to vote.

★ ★ ★

Let your representative and senators hear from you on the Voting Rights Act of 1965.

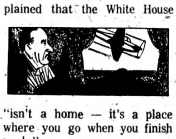
Washington Notebook:

Planes Disturb President's Sleep

By WASHINGTON STAFF

WASHINGTON (NEA)—President Johnson recently shook up the aviation industry by replacing Najeeb Halaby and Alan Boyd as the respective heads of the Federal Aviation Agency (FAA) and Civil Aeronautics Board (CAB).

A few days later at one of his famous "walk-around-the-lawn" press conferences, the President let his hair down and complained that the White House



"isn't a home — it's a place where you go when you finish work."

One of the drawbacks, he noted, was that airplanes flying in and out of Washington's National Airport sometimes wake him up at 5 a.m.

Commented one reporter later:

"Well, now we know where Halaby and Boyd made their mistakes."

★ ★ ★

Visiting a large eastern city, an old friend of President Johnson made a speech and submitted to a press conference.

He was at pains to emphasize from time to time that his reported influence with the President was greatly exaggerated, that he really didn't weigh too heavily in the scales.

His argument was slightly handicapped by the fact that he took five calls from the White House during the evening.

★ ★ ★

Addressing an audience of college students on the future of the Republican party, one young man urged that the GOP's primary task was to find a "viable alternative" to the Great Society.

Following him to the podium to introduce Michigan's Gov. George Romney, another student presented Romney as "the man who in 1968 may well be that variable alternative — I mean VIABLE alternative."

Said Romney, mindful of the fact that many critics in the past have expressed doubt that his Republican credentials are genuine:

"Some of my critics will say you were right the first time."

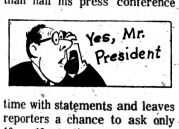
★ ★ ★

Romney also managed to come up with the most unusual way of referring to former President Dwight Eisenhower that anyone in Washington has heard for quite some time.

"And in 1957," said Romney, "the late President Eisenhower . . . uh . . . the earlier President Eisenhower . . ."

★ ★ ★

Washington newsmen sometimes are irritated when President Johnson uses up more than half his press conference



time with statements and leaves reporters a chance to ask only 10 or 15 questions.

Perhaps they are luckier than they realize. A recent broadcast from Hanoi said that the North Vietnamese Premiere, Pham Van Dong, gave an "interview" to the Indonesian correspondent for the Soviet newspaper Pravda.

Said the broadcaster: "The following is the question and Premier Pham Van Dong's answer."

DETROIT (AP)—A "teach-in" by critics of U.S. policy in Viet Nam was to be conducted at Wayne State University from noon to 6 p.m. today, coinciding with the national "teach-in" at Washington, D.C. The same group sponsors a speech tonight by Sen. Wayne Morse, D-Ore.

Church Leader Dies

SYOSSET, N.Y. (AP) — The Most Rev. Leonty, 88, metropolitan of the Russian Orthodox Greek Catholic Church of America, died Friday. Metropolitan Leonty's jurisdiction included both North and South America, as well as Japan. He had headed the 750,000-member church for 15 years after serving as bishop of Chicago for 15 years. He was born Leonid Turkevich in Kremenets, Russia, and came to the United States in 1906.

Prison Term for Teen-Ager

A Miami, Fla., teen-ager was sentenced yesterday to 5-15 years in the state prison at Jackson for the Dec. 20, 1964 robbery of a Waterford Township drugstore.

Circuit Judge William J. Beer imposed the sentence on Donald L. Russell, 18.

Russell pleaded guilty to robbery unarmed April 20 in the holdup of the Drayton Drug Store, 4480 Dixie. About $1,100 was reported stolen.

The youth was arrested in Miami in late March and returned to Michigan.

★ ★ ★

Russell was implicated in the robbery by Marvin Brackett, 23, who police say participated in the holdup.

Brackett, formerly of Waterford Township, and Lewis Chism, 21, are serving 10-15 years in the Ohio State Penitentiary after being found guilty of a series of armed robberies in Ohio.

Cuban Leader Warns Against Yank Invasion

MIAMI, Fla. (AP) — American troops would face "serious military problems" in an invasison of Cuba, Prime Minister Fidel Castro said Friday night.

Havana Radio repeated Castro's talk at a send-off for more than 250 Soviet technicians returning home after a year of working with the sugar industry.

The broadcast, monitored in Miami, quoted Castro as having said a war which would result from a U.S. invasion "would never end."

Castro said the sugar harvest had been successful despite the U.S. economic blockade of the island.

Star-spangled way to make your money grow

Plant some of your cash in U. S. Savings Bonds and start your own private money tree. It won't mushroom overnight like a beanstalk. But once the seed is planted, it'll keep on growing at a steady pace.

You'll cultivate interest at a guaranteed rate—3¾% when grown to maturity—so your tree won't have any pesty ups and downs to stunt its growth.

The tax bug won't worry you, either. Savings Bonds aren't subject to state or local income taxes, and the federal tax can be deferred until you cash your Bonds.

The best thing about this money tree is the star-spangled fruit it bears. While your tree is growing, it's helping your country grow, too, and helping to make your own future more secure.

If U. S. Savings Bonds sound good to you, plant now. The growing season is year-round.

Quick facts about Series E Savings Bonds

- √ You get back $4 for every $3 at maturity
- √ You can get your money when you need it
- √ Your Bonds are replaced free if lost, destroyed or stolen
- √ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Even Waiters Quit Arguing on Arrival of Noted Singer

By EARL WILSON

NEW YORK — Sergio Franchi met me the other afternoon in the Capri, a colorful little restaurant on W. 52d St. where Ed Sullivan eats Sunday nights before his show — and the Italian waiters quit arguing among themselves to stare at their famous visitor.

WILSON

"I have a lot of trouble when I start with English — mixing up the words chicken and kitchen," the tall, wavy-haired tenor told me.

"I was a draftsman in South Africa visiting an English-speaking man in his home in the kitchen.

"His wife was beside him. I said, 'This is a beautiful chicken!' He give me a dirty look." Franchi, 37 now, and considered very romantic-looking by girls of all ages, said to me, "I could have got into trouble."

It seems a long way from Johannesburg to the 46th St. Theater where Sergio makes love to Elizabeth Allen in Richard Rodgers' "Do I Hear a Waltz?"

The distance is about 14 years.

"They had a big party to meet Beniamino Gigli who was on tour," Sergio said, sipping a Punte-a-Mes and devouring some Italian sausage and peppers.

"Gigli went to vocalize with a pianist I worked with. I was studying opera nights. I said to the pianist, 'Why not ask him to listen to me sing?"

"Gigli sai dhe didn't mind. He listened, then he said, 'You scream! Why do you scream?'

"I said, 'I'm afraid to sing soft—they won't hear me.'

"He said, 'Learn to sing soft.' Later I said to my wife, 'Stand in the back of the hall and listen,' She said, 'Now I can hear every word you sing.' I learned to sing soft but it was too late to show Gigli. He was dead.

On Spiritual Foundations Day

Salvation Army Marks Anniversary

According to Rev. Kenneth Lindsay, state chairman of Spiritual Foundations Day, the first day of Michigan Week has been set aside to remind people of the state of the great spiritual tradition under which we live.

Rev. Jack H. C. Clark, local chairman, indicated the day is also to mark Michigan's rich spiritual heritage and to remind its citizens of their deep spiritual commitment.

★ ★ ★

Michigan Week arrives at a time when people all over the world are sending messages of congratulation and commendation to the Salvation Army as it celebrates the 100th anniversary of its founding.

But it wasn't like this in the beginning.

It was in 1865 that William Booth founded The Salvation Army and began preaching the Word of God on street corners of London's poverty stricken east end.

William Booth was considered a dangerous radical and people were shocked at the street corner evangelism. Opposition became persecution as the Army stubbornly moved into Europe and across America.

PELTED WITH BRICKS

Salvationists were pelted with rotten vegetables; seriously injured by cobblestones and bricks. They were arrested for parading and preaching.

★ ★ ★

In these difficult days the officers of The Salvation Army were determined to bring salvation to the unchurched, to fight against the evils of the world. They hadn't expected it to be an easy war.

To attract a crowd and get a hearing for preaching, they used wildly dramatic methods. Pitchmen doing card tricks on street corners would throw off their cloaks to be revealed as uniformed Salvationists, ready to speak.

In the crowds to whom they preached were men without homes or jobs, unmarried pregnant girls desperate by their situation, petty criminals, widows with hungry children, the old and discouraged. To The Salvation Army they were God's children, and they needed help.

There were no hospitals or other institutions to which these people could be sent for care, so the Salvationists took them into their own poor quarters. Here they found food, shelter and the courage to remake their lives.

This was the way it all began. This was the pattern — do whatever needed to be done. Without fear, The Salvation Army marched along dark streets and into every area of evil. They appeared on battlefronts of every war.

★ ★ ★

In the hundred years since that beginning, The Salvation Army's methods have changed and the flamboyant showmanship has disappeared. Public acceptance and support have replaced misunderstanding and persecution.

★ ★ ★

There are many changes but the basic principles of the Army remain the same. It still aims at the permanent regeneration of the whole man. It still sees every man as "a brother for whom Christ died."

★ ★ ★

Through programs and institutions Salvationists seek to feed the hungry, clothe the naked, care for the troubled, befriend the friendless, and to strengthen one's faith in himself and his God.

★ ★ ★

Lt. Gary Crowell is in charge of The Salvation Army Citadel, 29 W. Lawrence. Brig. Ernest Alder commands the Salvation Army Men's Social Service Center, 118 W. Lawrence.

★ ★ ★

According to Crowell and Alder, the task for which William Booth founded The Salvation Army is not completed. There are still the unchurched to be sought. There are still the troubled to be helped and comforted. A second century of service to God and man is beginning.

COFFEE AND DOUGHNUTS — Serving freshly made coffee and doughnuts behind the lines during World War I are women of The Salvation Army Corps. Here a few soldiers gather at a makeshift USO Center camouflaged beneath the trees. Salvationists have appeared on the battlefronts of every war since the founding of the Army in 1865 in London, England.

PONTIAC UNITY

A series of lectures on the book, "Psycho Cybernetics," by Dr. Maxwell Maltz is being presented each Wednesday evening at Pontiac Unity Center by Everett A. Dell, minister of the center.

Meetings held at 7:45 p.m. are open to anyone interested in the course. The only charge is for the book. Dr. Maltz is a plastic surgeon.

CROSS OF CHRIST

"Cry Dawn in Dark Babylon," a play about death, the Resurrection and the church, will be presented in the chancel of Cross of Christ Lutheran Church at 8 p.m. tomorrow.

★ ★ ★

The theme works itself out in the lives of Mr. and Mrs. Jones a decent, godless couple without much thought for the future except next summer's vacation.

Suddenly their child dies and their world is turned upside down.

Then begins the search for an answer. When the play ends the Jones have been brought face to face with the power of the Resurrection as it is lived out in the church of real people who themselves have real problems.

★ ★ ★

This is a play of the way the world really is, the way the church really is, and about the way God continues to love both, Pastor Delayne H. Pauling said.

The strength of a country is the strength of its religious convictions.—Calvin Coolidge.

Reflections

ACTORS

J. L. VOORHEES

We are character actors on the stage of life, we may assume a personality of someone else, to walk and talk like him, but we can't think like him; that faculty is his alone.

Over eons of time men have debased ethnic groups, left them scattered, hungry and afraid by assuming the personality of an emancipator. Mozart, as an actor, gave us a rich heritage of sound; George Washington's character-part gave us a Nation; Marie Curie was adamant in her search for that tiny speck of radium and became a Star; the person who fashioned a trough from a spring to his kitchen gave us freedom from typhus; the aborigine who grew a kernel of corn from a cob with 40 of them gave us a cob with 500 was indeed an actor, a Star; everytime we eat a slice of toast we should applaud the actor who planted a weed-seed (wheat) gave us a better place to live. These persons were actors who did not know themselves.

African Seeks Help, Needs Missionaries

An African church leader has urged American churches to increase their support of Christian churches in the war-torn Republic of the Congo.

★ ★ ★

In spite of political upheavals in the Congo, Methodist Bishop John Wesley Shungu said the Christian church has received a "spiritual stimulus" and that many Congolese have come to realize that the one hope the Congo has is the Christian way of life.

But, he said, "help cannot be forever in coming. This is the critical time and we need more aid now."

Bishop Shungu is in the United States to attend the semiannual meeting of the Methodist Council of Bishops in Houston, Tex. While here, he is speaking in local churches and at universities and seminaries on the church situation in the Congo.

★ ★ ★

Bishop Shungu stressed that the greatest need of his country at this time is for more missionaries — especially teachers, doctors, agriculturalists and evangelists. "While we greatly need increased financial support from American churches," he said, "we desperately need more missionaries.

"We have too few schools as it is, and they are under staffed. Our people need to be educated; yet we cannot help ourselves and must look to others for assistance. We have very few primary schools and fewer secondary schools. The new Protestant university we have started in Stanleyville will close if we don't get help soon."

★ ★ ★

The need for doctors is just as great, Bishop Shungu declared. "In the Central Congo alone there are six government hospitals and three mission hospitals. None of them have doctors. In America many of your people go to doctors every month. In my country we may never see a doctor in a lifetime."

Morning worship is at 11 a.m. with the theme, "The Burning Bush."

Kirk Has Guest Speaker

Gordon H. Robertson, manager of the Founders Society of the Detroit Institute of Arts, will be guest speaker at the final spring meeting of the Men's Club at Kirk in the Hills at 7:30 Monday evening.

★ ★ ★

Drawing on his long-time interest in the arts and travels in behalf of the Founders Society, Mr. Robertson will talk on "The Exciting Behind the Scenes Story of the Institute of Arts."

The society formed in 1885 has added, in the last 10 years alone, 4,000 works of art valued in excess of $5 million.

During the evening the Usher's Corps of the Kirk will be honored. All men of the church and community are invited.

Mr. Robertson, former vice president and general manager of Acme Quality Paints Inc. of Detroit, and a director of Sherwin Williams from 1945 to 1962, has spent all of his career in the paint industry.

★ ★ ★

A chemical engineering graduate of the University of Toronto, he started work with the Ault and Wiborg Co., in Toronto. He has held various posts in the paint business.

Dale Winnie of Birmingham (far right) shows the recently-created award for Cultural Achievement of the Year, to Meadow Brook Music Festival's chairmen, Mr. and Mrs. Rinehart S. Bright of Bloomfield Hills.

Award Music Festival

Oakland County's Michigan Week committee has created a special Cultural Achievement of the Year Award to mark the most significant project of the area, Oakland University's Meadow Brook Music Festival.

Dale Winnie, Birmingham attorney and chairman of Michigan Week for Oakland County, presented the citation to Rinehart S. Bright, vice president of operations staff, Chrysler Corporation, who with his wife, serves as this year's Festival general chairman.

The ceremony took place in the Howard C. Baldwin Memorial Pavilion built last summer from funds raised privately in the area.

* * *

The Brights accepted the citation in the name of the University and the Semon E. Knudsens, under whose guidance the project received its first stimulus.

PERFORMING ARTS

Conceived as the first phase in the development of a complete performing arts program in Oakland County, the project has captured the imagination of the nation.

Critics from coast to coast have reported on the beauty of the setting, the excellence of the concert programs featuring the full Detroit Symphony Orchestra, and the vision involved from the huge citizens' committees who have made all this possible.

Andrea Bass Repeats Vows

In Mackinac Island for their honeymoon are the Dennis Pudells (Andrea Gay Bass of Chicago) who were wed recently in the Trinity Lutheran Church, Buchanan.

Parents of the couple are Mr. and Mrs. Laurence Bass of Hazel Street and the Arthur Pudells of Buchanan.

Janice Bass attended her sister at the informal family ceremony and Todd Priest of Buchanan was best man.

The bride is a graduate of Michigan State University and her husband holds a degree from Tri-State University, Angola, Ind. They will make their home in Buchanan.

Women's

MRS. G. R. CAMPBELL

Pair Leaves for Falls After Vows

A reception in the Clinton Valley Inn, Utica, followed a nuptial Mass today in St. Andrews Catholic Church, Rochester, for Barbara Jean Schonebeck and Gary Robert Campbell.

Parents of the couple are the Carl Schonebecks of West Auburn Road, Avon Township, and the Raymond H. Campbells of 19 Mile Road, Sterling Township.

A cathedral train of Chantilly lace and white silk organza highlighted the bride's gown of organza styled with lace bodice. A crystal tiara cradled her illusion veil.

During the ceremony performed by Rev. Thomas M. Sauter, she held cascading white carnations and ivy.

With Mrs. James Barnes of Utica, honor matron, were the bridesmaids, Linda Schonebeck, Nancy and Lois Campbell, sisters of the couple.

On the esquire side were best man, Leo P. Theut with ushers Carl Schonebeck, James LaGrou and John Ternes, all of Utica.

After a honeymoon at Niagara Falls and New York City, the couple will live in Rochester.

Picnic Closes Season for Alumnae Unit

A lakeside picnic luncheon Thursday at the Orchard Lake home of Mrs. Robert H. Black closed the current season for the Birmingham Wellesley Club.

* * *

New officers elected were Mrs. Carlton Rasmussen, president; Mrs. Raymond Husband, vice president; Mrs. Cecel Sanders and Mrs. Gunther Froebel, secretaries; and Mrs. Rodman Turner, treasurer.

Dorcas Unit Serves

The Dorcas Circle of the Women's Society of Bethany Baptist Church served luncheon to the group on Thursday in the Traver Parlors. A book review was given by Mrs. Burly Gray on "Woman Wants God."

Let Family Doctor Know This

By ABIGAIL VAN BUREN

DEAR ABBY: Don't expect a signature at the end of this letter. When you read it, you'll know why.

The problem is my wife. She is very "cold-natured," if you know what I mean.

ABBY

She stays up until all hours of the night doing dishes, cleaning house, canning, mending — doing just about everything she can think of — and when she figures I am asleep she will come to bed.

On other occasions she'll rush to bed when I am taking a shower, and pretend she's asleep when I get there. Other than this she is a very good wife. Tell me how to cope with this hunk of ice.

I am not the type to look at another woman while married. Don't tell me to see my clergyman or a marriage counselor as I don't care to discuss this with anyone.

I am not bad looking, I am clean, and there is nothing wrong with me.

If there is something I can do on my own, tell me in plain English.

KANSAS CITIAN

DEAR KANSAS CITIAN: In plain English, your wife would rather do anything than go to bed with you.

There may be nothing wrong with YOU, but there may be something wrong with your wife's attitude about the physical side of marriage.

Both you and she should ask your family doctor to help you resolve this problem. If it's to be solved, it must be discussed candidly.

P. S. Ice will melt under the proper conditions.

If You Like Travel

Allen Has TV's Ideal Job

By JAMES BACON
AP Movie-Television Writer

HOLLYWOOD — Steve Allen has television's ideal job — if you like transcontinental commuting.

As he stood waist-deep in his Sherman Oaks swimming pool, Allen told how he jets to New York once every two weeks, tapes two "I've Got a Secret" shows and then comes home in a day or two and spends the next two weeks writing songs or articles.

"I hate to say it," says Steve, "But being the emcee of a panel show is like stealing money.

"I even enjoy the flights because I can do a lot of work on them. I never watch the movies."

Steven says the new setup is a lot easier than his former nightly show but he enjoyed that too. Steve enjoys whatever he is doing.

PROLIFIC COMPOSER

Allen is one of the more prolific composers. He estimates that he has composed more than 3,000 songs. Some, like the theme from the movie "Picnic" and "This Could be the Start of Something Big," have become big hits.

When he is not writing songs, he is studying languages. He and his wife, Actress Jayne Meadows, are now studying Chinese.

He also does a lot of reading, mostly on weighty philosophical subjects. He is among the deepest of the comedians.

Few television stars have developed so many other stars as Allen. On his old "Tonight" show, Don Knotts, Tom Poston, Louie Nye, Bill (Jose Jimenez) Dana, Steve Lawrence, Edye Gorme, Jonathan Winters and others got their first major breaks.

STRAIGHT MAN

Unlike other top comedians, Allen allowed himself to play straight man for the hilarious antics of the second bananas.

"I used the old Jack Benny theory—let the Knotts and the Nyes play off you. Let them get all the laughs they deserve. And the next day people will say: 'Steve Allen had a good show last night.'

"Everybody helps everybody in this business. I don't claim to have discovered any of these fellows. My only claim is that I was not stupid enough to pass up such talent when I saw it."

Dystrophy March Scheduled for Area

The Muscular Dystrophy Associations of America, Inc., Oakland County Chapter campaign will be today through June 15 this year, with the house-to-house march to be held June 8 from 7 to 9 p.m.

Mrs. Frederick G. Moore, 883 S. Winding, Waterford Township, will be in charge of the march. Volunteers should contact her for the march.

Congressman William S. Broomfield, R-18th District, is the 1965 honorary campaign chairman for Oakland County.

Erhard Planning Visit to Johnson in June

WASHINGTON (AP) — Chancellor Ludwig Erhard of West Germany will call on President Johnson early next month, White House press secretary George E. Reedy has announced.

Erhard will be visiting the United States to receive an honorary degree from Columbia University. His call at the White House will be an informal one, Reedy said Friday in confirming a long-standing rumor of a Johnson-Erhard meeting.

Lindbergh's Birthplace Will Be Torn Down

DETROIT (AP) — Charles Lindbergh's birthplace is doomed, a victim of urban renewal. The City Plan Commission, declaring the famed aviator's old home here "undistinguished," gave the green light to bulldozers Friday. Lindberg was born in the house Feb. 4, 1902. His family moved when he was only two weeks old.

Progress Is Slow

Senate Parries South Thrusts at Vote Bill

WASHINGTON (AP) — As fast as they come up, the Senate is knocking down Southern attempts to drill holes in the voting rights bill.

But they aren't coming up very fast. There is still no firm timetable for Senate passage of the bill which President Johnson two months ago awarded top priority on his legislative list.

★ ★ ★

House leaders do not plan to begin floor action on the measure until the Senate has approved its version of the bill.

The next Southern challenge is due in the Senate Monday. It will come in the form of an amendment to erase the bill's requirement that the Southern states it covers get advance approval before they put into effect any new laws on elections or voting.

SOUTHERN STATES

The requirement would affect the seven Southern states that would feel the bill's major impact — suspension of literacy tests and federal registration of voters.

If the attorney general objected to changes in their voting laws, these states would have to get them cleared by a three-judge federal court in Washington.

★ ★ ★

Sen. Herman Talmadge, D-Ga., said Friday the requirement would "tear the Constitution to shreds."

"If we can suspend the Constitution in seven states, we can suspend it in all 50 states," he said. "Never before in the history of our republic has something so far reaching been attempted."

LITERACY TESTS

The Senate Friday rejected 53 to 14 a Southern-based amendment that would have permitted states covered by the bill to apply nondiscriminatory literacy tests requiring that voters be able to read and write.

So far, the Senate has acted on eight amendments to the bill. All told, more than 60 have been proposed. But some of them are duplicates, and won't come to a vote.

Senate leaders began talking two weeks ago of a move to end the debate. It would take a two-thirds vote to limit each senator to one more hour of talk.

But Republican Leader Everett M. Dirksen figures 24 of the 32 Senate republicans would have to back cloture in order to put it over. Dirksen concedes he could not muster 20 GOP votes at this point.

67 VOTES

If all 100 senators voted, it would take 67 votes to push the cloture move through.

Nevertheless, Democratic Leader Mike Mansfield talked Friday of a possible cloture move next week. At the same time, he said hopes for passage of the bill next week are vanishing.

When Johnson called for voting rights legislation, he asked Congress to work nights and weekends if necessary to pass the measure.

That hasn't happened since the Senate debate began April 22.

Junior Editors Quiz on BALLERINAS

QUESTION: Do ballerinas really dance on the tips of their toes?

★ ★ ★

ANSWER: The particular thing which makes ballet dancing so interesting and beautiful is that the dancers seem to defy the law of gravity. They appear almost to float in the air.

This lightness of effect was first developed on the stage by the Italian dancer, Marie Taglioni, who charmed audiences in the early 1800's.

To produce the light effect, Taglioni raised herself as far as possible toward the point of the toe—called dancing on the "demi point."

Since she wore soft slippers, it was not possible for her to dance completely on toe tip. In 1837, Carlos Blaiss became director of a ballot school in Italy, and conceived the idea of a shoe with a boxed-in toe which would support a dancer's foot so that she could actually raise herself on the tips of the toes, called dancing on the full point.

With such square-toed slippers, a dancer could pirouette or spin around while still on the full point.

It was the great Russian dancer, Anna Pavlova, who, through her many tours through this country, inspired America to take up this beautiful and exciting way of expressing rhythm and grace.

★ ★ ★

FOR YOU TO DO: See if you can walk or dance as if you were being pulled up by a string. You may not turn into a Taglioni or Pavlova, but you will experience a sense of lightness which will make you feel better and look better.

Austria Freedom Fete Unlikely to Produce Breakthrough on Viet Talks

VIENNA (AP) —Chances of any diplomatic breakthrough on Viet Nam appeared dim today as the Big Four foreign ministers gathered in Vienna for the 10th anniversary of the Austrian independence treaty.

★

Secretary of State Dean Rusk and British Foreign Secretary Michael Stewart still hoped to sound out Soviet Foreign Minister Andrei Gromyko privately on the prospects of bringing Red China and North Viet Nam to the conference table without prior conditions.

★ ★ ★

But Western officials gained the impression at a dinner party with Gromyko Friday night that the Soviet Union is not interested in talking with the West about Viet Nam at this stage.

"The time clearly is not right," one Western diplomat commented. French officials said French Foreign Minister Maurice Couve de Murville also believes this is not the moment to expect a breakthrough on possible peace talks.

DINNER HOST

Austrian Foreign Minister Bruno Kreisky was the host at the dinner for the foreign ministers, some of their top advisers and a group of Austrian diplomats.

Rusk returned to his hotel after three hours at the affair and told newsmen, "It was a purely social occasion."

★ ★ ★

He said there was no meaningful discussion. When asked whether he still hoped to have such a discussion, Rusk raised both arms in a gesture of doubt. Gromyko, who returned to the same hotel a few minutes earlier said, "It was a very good dinner and a very pleasant conversation." Asked whether he expected to have political talks during his brief stay in Vienna, Gromyko shrugged.

AVOID ISSUES

A diplomatic source who attended the dinner said the foreign ministers "scrupulously avoided" talking about political issues. He said Rusk and Gromyko talked privately only for about two minutes.

Alex Quaison-Sackey, president of the United Nations General Assembly, was the only dinner guest to return in an optimistic mood.

He said he raised his plan for a compromise in the United Nations financial crisis and was "more hopeful than ever" of an early agreement.

The three Western foreign ministers were scheduled to leave Vienna early Sunday, but American officials said Rusk was prepared to prolong his stay in case of an unexpected reversal of Gromyko's negative attitude.

Prof Blasts LBJ Policy

Raps Viet Nam War in 'Teach-In' Debate

WASHINGTON (AP) — A prominent professor led off a mass debate on Viet Nam today with a slashing attack on President Johnson's policy.

Chicago University Prof. Hans J. Morgenthau declared the administration's true aim is not to secure freedom for the South Vietnamese people, but is to contain Communist China.

★ ★ ★

And that, Morgenthau declared, is leading the United States into a massive land war on the Asian mainland which the United States cannot win.

He predicted America might have as many as 300,000 troops in Indochina within six months the way things are going now.

LOCKED HORNS

Academic critics of the administration's policy locked horns with Johnson supporters during a scheduled 15-hour "teach-in" or discussion — ending at midnight — staged in a Washington hotel ballroom and carried by closed circuit radio to some 120 campuses around the nation.

The hall, capable of seating 4,500 persons, was less than half-filled when the debate began.

★ ★ ★

Arthur Schlesinger Jr., a former White House foreign affairs adviser to both former President John F. Kennedy and to President Johnson, was slated to open the proadministration case at the morning meeting but did not appear when first called to the rostrum.

He is now teaching at Harvard.

'Rain Dance' Proves Noisy but Uneventful

PROSSER, Wash. (AP) — Five feathered Yakima Indians whooped and danced through downtown streets Friday night. It was Prosser's annual rain dance.

After last year's rain dance ceremony, the rains came in torrents, breaking the seasonal spring drought.

The Indians were joined Friday night by hundreds of spectators who did the frug, the jerk, the twist and the bop.

So far, it hasn't rained a lick.

Music Notable Dies

KANSAS CITY, Mo. (AP) — Joe Sanders, 68, band leader, song writer, singer and piano player, died Friday. Sanders, who had suffered several strokes in the past two years, and the late Carleton Coon in 1919 organized the Coon-Sanders band, which became nationally known through its pioneering radio broadcasts.

Theater Notable Dies

NEW YORK (AP) — John Effrat, 57, a theater personality who acted, directed and produced, died Friday. Effrat, an official in Actors Equity Association and the Actor Funds of America, was stricken at the Helen Hayes Theater while attending a meeting of the Episcopalian Actors' Guild, of which he was a council member.

Crown Festival Queen

FRANKENMUTH (AP)—Marsha Vanek, 18, a senior at Frankenmuth High School, Friday was crowned princess of the first annual Bavarian Festival coronation ball by last year's princess, Diane Schluckbier.

Although Urdu and Bengali have been designated the official languages of Pakistan, English is widely spoken and is an accepted language in government circles.

Are you a Christian?

Is a Christian one who merely believes in Christ, any member of a church, one who follows the golden rule or ten commandments, as many contend?

These vague qualifications for being a Christian cause many sincere people to be satisfied with standards far below those set forth by Christ Himself for being a Christian.

"He that saith, I know him, and keepeth not his commandments, is a liar and the truth is not in him." (1st John 2:4)

Believing in Christ, being morally good and attending church services are quite necessary, but it takes more than this to be a Christian by Christ's standards.

The booklet, "You Can Be Just a Christian," written by a Bible scholar, has helped thousands understand more clearly what is required to be truly a Christian. This valuable booklet is available at no charge.

French Doll Among Heirlooms

By JODY HEADLEE
Home Editor, The Pontiac Press

If the bisque doll with her lavender eyes and blond wig, one of the many heirlooms in the trilevel home of Mr. and Mrs. Edward W. Williams on Tree Top Lane, Avon Township, could only talk.

She would tell you she was made in Paris in 1799. Femininity personified, she would mention her complete hand-sewn wardrobe.

And she would point out its diminutive stitches and dainty lace trim which were styled in the heighth of fashion to catch the eye of some little French girl or her adoring parents.

How instead, she was purchased by American patriot Oliver Wolcott, governor of Connecticut and signer of the Declaration of Independence, for his daughter who was far over the Atlantic.

And she would certainly remind you how she and her gowns have been cherished for over a century and a half by the daughters and granddaughters of her first mistress.

If she could only talk, she would tell you these things instead of smiling demurely through her hand blown glass dome on the cherry chest in the master bedroom.

Among the family's other heirlooms is a collection of original Thomas Chippendale chairs. Found on the dining balcony overlooking the living room, the side chairs are grouped about a round honey-walnut table.

Needlepoint seats, using a floral pattern against gold and made by Mrs. Robert Dildine of Rochester, accent the rich mahogany of the four chairs.

Also on the balcony, framed by a spring and autumn mural created by Mrs. George Groener of Avon Township, stands a burled mahogany and walnut china cabinet dating back to the late 1700s.

In Mrs. Williams' study, wallpapered in a gold provincial print, are grouped mementos of her teaching and lecturing careers as well as portraits of her husband and their three sons, Evan, Sidney and Ned; and granddaughter Sandy.

An outstanding authority on childrens books, Mrs. Williams has on her study shelves many first and autographed editions of children's classics, among them Beatrix Potter's "Peter Rabbit."

Mrs. Williams' mahogany desk is another original Chippendale piece. The lady's chaise in fern green dates back to 1850.

Planning on Moving?

Pets and Plants Need Special Care

If you may be moving in the near future, set one evening aside to make plans for shipping your more valuable or perishable possessions.

Some, like oil paintings, can be moved if properly packed. Others, like plants or pets, cannot be shipped by van. A list of possessions which require special consideration include:

• Oil Paintings—crating and special precautions will be necessary. Call your mover for special instructions.

• Mirrors or Large pictures—Do not remove mirrors from vanities or dressers, but do remove mirrors or large pictures when attached to the structure. Crating or special mirror cartons are usually necessary.

• Silverware — Silver in a chest may be packed in trunk, dresser or with bedding. Flat pieces should be well wrapped with an abundance of cushioning material. Use paper with low sulphur content to prevent tarnishing. Make a note to remind your mover where the silver is packed so he can be especially watchful. Ask him to add it to his written inventory.

* * *

• Rugs—Leave on floor. They will be rolled and secured on truck. Carpets which are tacked down should be taken up, however. If left for mover, he is required to impose an extra charge.

• Valuables—Jewelry, money, valuable papers and small articles of unusual value should not be packed for van shipment and the carrier will not knowingly accept them. Articles of this nature should be carried personally, sent by certified mail, or express.

* * *

• Plants — Transporting of plants, fresh fruits, and flowers are prohibited in many states.

• Pets — Animals can't be shipped by van. They should be carried with you. If this is not possible, you can send them by rail or air express.

• Inflammable Articles — Matches, paint, ammunition, and other inflammable or explosive articles cannot be shipped by van.

If there are any other items you may have questions about, contact your mover well in advance of the moving date.

Tile Desk's a Big Help

A great convenience for the housewife, and one that is small in cost, is a built-in ceramic tile desk in the kitchen.

It can be simply a continuation of your ceramic tile countertops with tiled shelves to hold bills and shopping lists.

Ask your architect or contractor about including this convenience in your building or remodeling plans.

Keep Cut Flowers

You can keep cut flowers beautifully fresh by refrigerating them at night.

Try this on a floral table centerpiece as well as a special corsage.

Garment Bags Conserve Space

Besides all the excitement about hangers, the wide assortment of garment bags is more fascinating this season than ever before.

★ ★ ★

Combination bags conserve space and provide maximum storage for everything in one's wardrobe. A new combination garment bag holds 18 pairs of shoes and 16 garments.

★ ★ ★

The front and sides are transparent so that the items may be easily seen and inserted or removed and the side panels are constructed of heavy gold vinyl. Here in a limited amount of space, garments and shoes are safely protected and divided.

★ ★ ★

Made of the same practical construction as the above is the shirt file which holds 24 men's shirts in a limited amount of space. This 15" x 60" file is also an invaluable item for women's blouses, knitwear, etc.

Divided Entry Door

To make a simple divider screen between living room and entrance hall, use vertical grain western hemlock boards in a frame of 2x4s, with 4x4 posts anchoring floor-to-ceiling.

Hemlock boards should be tongue-and-groove, surfaced bo sides.

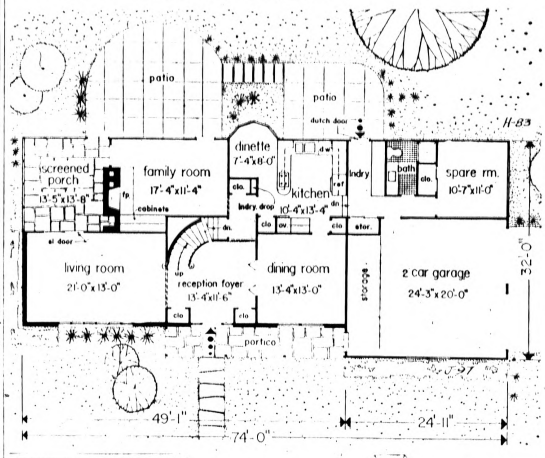
DESERVED POPULARITY: It's understandable why this was the most popular two-story house of the last five years. Subdued, dignified lines give it a simple beauty matched by the excellent arrangement of the rooms for comfortable living.



H-83 STATISTICS

Design H-83 is a nine-room, two-story house with 1487 square feet of living area on the first floor and 1310 on the second, not including the garage, screened porch, front portico and upstairs deck. Its over-all dimensions are 74' by 32', inside of which are a family room, dining room, kitchen and dinette, laundry and a spare room that can be used for a bedroom or den. Upstairs are four bedrooms and two large baths.

second floor plan

FLOOR PLANS: In addition to the good traffic circulation, this design answers the continual cry for more closet space; it has seven closets on the first floor and eight on the second, not counting bulk storage space.

Traditional 2-Story High in Popularity

If you have been followjng the House of the Week series, you know that a few months ago we discussed the most popular house presented in recent years.

It turned out to be a one-story, three-bedroom house with an upstairs expansion area designed to accommodate four additional rooms.

In doing that research, we also discovered some other houses which enjoyed unusual popularity.

One of them, almost as popular as the most popular house, was, without a doubt, the most popular TWO-STORY home in the last five years.

* * *

Traditional in style, with a quiet elegance, its features are so tasteful basically that it is hard to see how it could ever lose its appeal.

GRACEFUL AIR

The air of gracefulness is immediately apparent as one moves under the arched portico and opens the front door.

What better welcoming sight than a foyer as large as some living rooms and a sweeping grand staircase?

The living room itself is to the left and features a massive front window, yet still has plenty of wall space for imaginative decorating.

Sliding glass doors with small panes, in keeping with the traditional flavor, lead to a screened porch beyond.

The porch also connects to the family room, providing a gradual integration of formal and informal areas.

Architect Samuel Paul has added rustic, homey charm to the family room with a large stone fireplace and a broad stone hearth.

* * *

The chimney wall rear, which is on the porch, has a place for log storage. Another excellent feature of the family room is a bank of cabinets.

FIRST FLOOR

Other first floor rooms include a dining room, a kitchen and dinette, a spare room that can be used as a den or bedroom, a bath and a laundry.

This floor contains 1,487 square feet of living area which, of course, does not include an over-sized, two-car garage.

There's a 17'6" by 5' storage area in the garage for bicycles, garden tools and any other equipment that doesn't have to be brought into the house.

The U-shaped kitchen work zone is a step-saver. A counter separates the sunny dinette, which projects into the rear with a glass bay.

There's a Dutch-door service entry at the laundry, which also has a door to the garage.

Each of the four upstairs bedrooms is sized for twin beds and all have walk-in closets.

* * *

The master bedroom's walk-in is 62 square feet, including a triangular area behind the stair wall.

DRESSING AREA

There also is a sizeable dressing area with another closet, as well as a bath separate from the regular bedroom floor bath.

But the big feature of the master bedroom is a sitting area complete with a large stone fireplace and an outdoor deck overlooking the rear terrace.

The straightforward plan of the rooms, devoid of costly jags and bumps, is duplicated on the outside of the house.

There are no architectural frills. But there's true refinement in the exterior styling, with its blending of stone veneer and wood shingles.

Already proved popular, this house is likely to remain that way indefinitely.

700 Families Start Campout

Stewart Lake Site for Weekend Activity

More than 700 families from Michigan, surrounding states and Canada are expected to camp out this weekend at Paradise Beach on Stewart Lake, Dixie Highway at Grange Hall Road in Groveland Township.

★ ★ ★

The occasion is the state campout of the National Campers and Hikers Association.

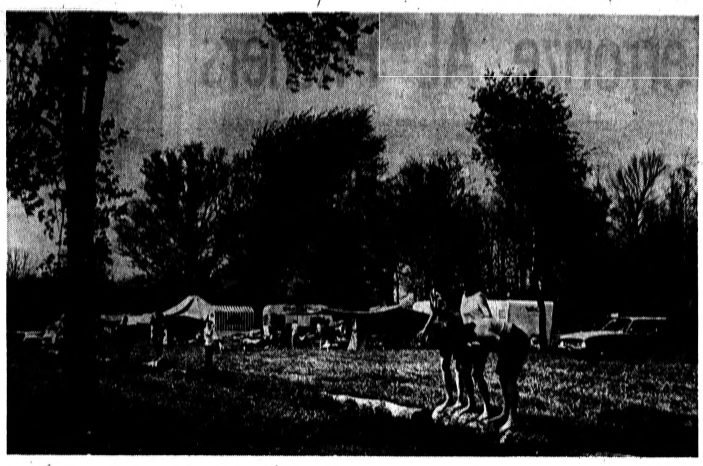
The weekend program is sponsored by the association's Way - O - Mac Chapter, comprised of camping enthusiasts from Wayne, Oakland and Macomb counties.

A full schedule of activities is planned, beginning last night with a hootenanny.

★ ★ ★

Prizes will be awarded today for games, fishing and other contests and a teen-queen will be crowned during a dance tonight.

The Holly Jaycees will be on hand tomorrow morning to cook a pancake breakfast.



Pontiac Press Photo

BAREFOOT BIRLING—These young ladies were part of the advance guard of some 700 families camping at Stewart Lane in Groveland Township this weekend. The Wayne Oakland and Macomb county units of the National Campers and Hikers Association were setting up for a weekend with nature.

Publication Records Regretful Departure

ST. CLOUD, Minn. (AP) — The Reformatory Pillar, the inmate publication of the state reformatory here, in a recent issue announced with sorrow that it was losing one of the best members of the paper's staff.

"Tom," the notice explained, "is now on parole status and is regretfully leaving the institution."

Early New Englanders began celebrating Forefather's Day in 1769 to observe the 1620 landing of Pilgrims at Plymouth Rock.

Mice Are Different Down in the Mines

DONCASTER, England (AP) — Mice in the mines of Yorkshire have smaller tails but longer bodies than their cousins above the ground.

So says Michael Clegg, a Doncaster Museum naturalist after a study of mice in various habitats of the largest county in England.

★ ★ ★

Why mines mice have larger bodies and smaller tails is something Clegg can't answer.

Maybe, he said, they had larger ancestors. And maybe conditions for mice are better down below than they are up above.

Deaths in Pontiac Area

MRS. WILLIAM PAETOW

Service for Mrs. William (Laura) Paetow, 70, of 3 Front will be at 2 p.m. Tuesday at the D. E. Pursley Funeral Home with burial in Perry Mount Park Cemetery.

TV Viewers Prefer Animals to Singers

LONDON (AP) — London television watchers seem to prefer white rhinos to pop singers.

As an experiment, commercial ITV in the London area started showing at peak time Thursdays (7:30 to 8 p.m.) a program series on the presentation of wildlife.

The audience jumped by 80,000 homes compared with the previous screening of pop singers. The rival BBC continued showing "Top of the Pops" at that time. Its viewing, according to ratings, was 180,000 homes less.

Broken Leg Can't Keep Man From Tavern

LOUISVILLE (AP) — None of the neighbors tattled to police about the suburbanite whose broken leg failed to keep him from his favorite tavern.

The cast was so bulky the man couldn't get into an auto very easily. He solved that by straddling his power mower and driving it along on the grass on Bardstown Road from his home to the inn.

There are an estimated 16 million pipe smokers in the nation. Pipe sales at the retail level this year will total about $55 million, according to the Pipe and Tobacco Council.

Escapee's Key Tells Identity

MOBERLY, Mo. (AP) — A prison key led to the capture of Freddie Joe Fischer, 28, who fled from the state medium security prison Tuesday while on a work detail outside the compound.

Inmates at the prison all have keys to their cells or rooms, but the buildings doors are locked.

★ ★ ★

Police at Cairo, Ill., picked up an intoxicated man Thursday and found a key in his pocket. The key was stamped with the name of a firm that makes prison keys. The police became suspicious, checked the man's identity and learned he was the fugitive, Fischer.

Edward E. Haynes, prison superintendent, said Fischer was serving an eight-year term for forgery.

Advance Fund OK'd for Ferndale Renewal

WASHINGTON (AP) — $391,687 advance for planning the 34-acre Hilton industrial urban renewal project in Ferndale, Mich., was announced Friday by the Urban Renewal Administration. Preliminary estimates indicate, URA said, that when planning is completed the project will require a $697,000 federal grant.

Driver's Foot Floored by Television Set

MEMPHIS, Tenn. (AP) — Television was blamed for a traffic mishap here. John Hunter, 61, was driving home with a television set perched on the front seat alongside him. He tried to stop suddenly when a car in front of him halted. The TV set, he said, fell off the seat onto his foot, preventing him from stepping on the brakes.

Planet's Spin Slowing

Jupiter Poses Puzzles

WASHINGTON (AP) Jupiter is puzzling astronomers again. The mysterious giant planet apparently has started to spin more slowly, and no one knows why.

Jupiter normally takes 9 hours and 58 minutes to rotate on its axis, but recent calculations indicate that one full revolution is taking 1.3 seconds longer. By satronomical standards, this is a drastic change.

The slowdown is linked with two other Jovian puzzles — the planet's long-wave radio signals and its Great Red Spot, the National Geographic Society says.

In 1955, astronomers learned that Jupiter was emitting long-wave radio signals. It was a surprising discovery, because planets usually transmit only short waves generated by heat.

★ ★ ★

The source of Jupiter's long waves remains unknown, though several theories have been offered.

VIEWS VARY

Radio astronomers have variously speculated that the signals emanate from tremendous electrical storms; from electrons trapped and energized by the planet's potent magnetic field; from the sun's effect on Jupiter's ionosphere; or from powerful disturbances deep within the planet itself.

In any case, the strength of the radio waves indicates an enormous source of energy — every second. By the time the signals have completed their half-billion-mile journey to earth, they sound to monitors like surf breaking on a pebbly beach.

Curiously, the radio signals come from four different places on Jupiter.

As the planet rotates, radio beams sweep out into space like rays from a lighthouse.

ABRUPT CHANGE

Until 1961, the radio sources rotated along with the planet at a constant and compatible rate. Then Dr. Alex G. Smith of the University of Florida noted an abtupt change—1.3 seconds—in the rotational rate of the radio signals.

Since the radio signals are believed to emanate from the solid sphere of Jupiter, this could mean that the planet itself has altered its tempo.

Dr. Smith also recorded a nearly identical decline in the Great Red Spot. This may indicate the spot is a fixed entity on the planet's face.

★ ★ ★

Astronomers generally have believed that the oval-shaped spot is not connected to the surface, but able to drift like a huge raft in the sea. They have further speculated that the spot is a solid body suspended like a satellite in Jupiter's dense atmosphere.

It could be metallic hydrogen or solid helium.

BRICK RED

The reddish oval object in the southern half of the planet was first observed three centuries ago — in 1664 — by the British scientish Robert Hooke. When first seen, the spot was brick red.

Horton Continues to Terrorize AL Pitchers

Willie Belts 2 Homers in 12-8 Win

BOSTON (AP) — Whallopin' Willie Horton the hottest hitter in the American League continues to strike terror into the hearts of opposing pitchers and to help power the Detroit Tigers back up the baseball ladder.

With Horton blasting two more homers, making it five in three days for Willie, the Tigers outslugged the Boston Red Sox 12-8 in 10 innings Friday night.

Willie the Wonder now has nine for the year and leads the league.

Now suddenly a menace in the American League, the Tigers have won five games in a row and stand a fancy 6-2 on their current road trip.

Southpaw Mickey Lolich was chosen to pitch for Detroit today as the Tigers sought to make it two straight over the Red Sox.

A full 20 hits, with Horton collecting four and Al Kaline, Don Demeter and Bill Freehan three each, rattled off Tiger bats in Friday night's power show.

Three pitchers on each side were mauled by the batters of the two teams.

While Horton had a fireworks duel with Boston's Carl Yastrzemski, the Tigers got their runs in gobs—five in the third, three in the sixth and four in the extra tenth.

On the figures, Yastrzemski had a slight edge. The Tigers never could get him out. He hit two homers, a triple, double and single and walked once in six trips to the plate. He drove in five runs.

Willie was close. His two homers and two singles accounted for five runs. He was put out once. His single in the tenth scored the second of Detroit's four runs in the frame.

Shortly afterwards, Norm Cash doubled, scoring Kaline and Horton.

It was much like that in all the other scoring of the game. Bam, bam. If not Horton, then Yastrzemski. If neither, then someone else.

Dennis McLain started for Detroit but failed to last through the second inning. Ed Krakow followed. Terry Fox wound it up and got the victory, making him 3-0 for the season.

Dick Radatz came in as the third Red Sox pitcher in the eighth. The Tigers waited till the tenth, then demolished him.

The Tigers rallied twice to take it. They were behind 5-0 when they shook out their five runs in the fifth. Two by Boston in the seventh tied it 8-8 and Detroit's last spree did the work.

STILL FIRST — Jack Nicklaus talks with reporters Friday at New Orleans, La., after maintaining his lead in the professional golf tournament there. He leads by two strokes entering today's third round.

Clowning Jack Leads Tourney

Nicklaus Ahead by 2 in New Orleans Open

NEW ORLEANS (AP) — It's the new look these days on the fairways for big Jack Nicklaus. The Masters champ is clowning and cutting up to the delight of huge galleries.

There's no change in his phenomenal golf game, however, and he starts today's third round of the $100,000 Greater New Orleans Open with a two-stroke bulge over a quartet of eager, victory - hungry youngsters.

Jack sank birdie putts on three of his last five holes Friday for a three-under-par 69 on the 7,020-yard Lakewood Country Club layout.

Coupled with his course record 65 from the first round, it gave him a 134 going into the final 36 holes.

After Nicklaus at 136 came Homero Blancas, Bill Martindale, Sam Carmichael and Ray Floyd.

Carmichael shot 67, Floyd 69, Blancas 71 and Martindale 71.

★ ★ ★

Martindale and Gene Littler had tied Nicklaus with 65s in the first round. Littler slipped to a 73 Friday and was with a dozen others — including PGA champion Bobby Nichols — at 138.

Arnold Palmer birdied two of his last three holes for a 70 and a 143, just surviving the cut.

Ohio State is tied with Michigan for first place and MSU is a game behind.

The Spartans wrapped up the game with two runs each in the second and third innings. Three singles and a walk scored the first two and a double and three singles accounted for the second pair.

FLUKE HOMER

The Spartans got 15 hits. Judy got a single in both MSU's early rallies.

Carl Cmejrek's fluke home run provided two Michigan runs in the fifth. His drive bounced over the right field fence with a man on base.

Second baseman Jerry Walker and shortstop Bruce Pettibone contributed star defensive plays for MSU.

Clay Uses Psychology Tactics

(EDITOR'S NOTE: This is the first in a series of stories on the May 25 heavyweight championship fight between Cassius Clay and challenger Sonny Liston, written for the Associated Press and The Pontiac Press by former champion Joe Louis.)

By JOE LOUIS

NEW YORK (AP) — You'll admit I've been through a few important weigh-ins — those with Primo Camera, Max Baer, Jim Braddock, Max Schmeling (twice), and Billy Conn (twice) to name some that come to mind.

And I don't think anybody learned much from watching me on those occasions. I didn't show any feelings. The writers always described me as "sleepy-eyed" "icy-nerved" and "expressionless." And the reason wasn't that I had myself under so much control . . . it was just that I was a shy boy.

★ ★ ★

But the shy boy was seeing things in the fellows he was fighting. I remember Camera grinning and showing he was a little nervous, even though he was a head taller and 50 pounds heavier. Baer, I expected would be joking all over the place. Instead, he had a serious look and I figured he was worried.

Braddock, looked me in the eye, old as he was, and I felt there was a guy I'd really have to take apart to beat.

★ ★ ★

The reason I tell you all this is to build up to what I saw over a year ago in Miami Beach when Clay and Liston were weighing in. I say Clay do things that no fighter in history ever did. For almost an hour he yelled, screamed, postled, made faces, all to one purpose: to bother Liston.

Well, he upset more than Sonny. He had the Commission in an uproar. The doctor gave out a report that he was scared of his life, "might not be able to climb up the steps" and so forth.

★ ★ ★

Some newspapermen sat down and wrote that "the fight ought to be called off to save his life." But anybody who got to the building early that night and talked to Clay, which I did, soon knew that this all had been an act.

I don't know exactly what's in his mind this time but I know he'll be working the same side of the street to disturb Sonny.

Apart from his natural ability and his size and strength, which a good many people keep on underestimating, Clay is one of the smartest strategy boxers I've ever come across. When I say strategy I mean how he works up to the fight as much as how he fights an opponent.

State 9 Wins at Ann Arbor in Big Series

ANN ARBOR (AP) —Pitcher John Krasnan and first baseman Steve Juday collaborated in leading Michigan State to a 6-3 victory over Michigan Friday in the opener of their Big Ten baseball series.

Krasnan, MSU's star lefthander, held Michigan in check on eight hits. Juday, the football quarterback from Northville had a 3-for-4 day at the plate while driving in three runs.

MSU, drawing first blood in a series that concludes with a doubleheader at East Lansing today, forced the Wolverines, league leaders since the start of the season, to accept their second loss in 10 games. MSU is now 7-3.

INJURED IN CRACK-UP — Race driver Bobby Unser of Albuquerque, N.M., is carried to an ambulance after his car collided with one driven by Ebb Rose of Houston, Tex., during practice for the Indianapolis '500' yesterday. Unser's injuries were not believed serious. Rose was not hurt.

Northern, St. Mary Keep Winning

Pontiac Northern and Orchard Lake St. Mary continued their winning streaks in Friday's prep baseball action.

Inter-Lakes League Champion Northern (9-0) scored twice in the sixth inning to overcome Waterford's bid for an upset, and remained unbeaten with a 2-1 triumph.

Orchard Lake St. Mary, loser in its first three tries, won its fourth straight, 8-4, over Royal Oak St. Mary.

Walled Lake also was a 2-1 victory in I-L action at Farmington; while Detroit St. Agatha took St. Frederick, 4-2, and Cranbrook blanked Birmingham Groves, 6-0, in other games.

An unearned run had PNH trailing for one of the few times this season until Roger Hayward knotted the score with a homer. Tom LaVerdure then scored the winning run on a fielder's choice. Larry Frye was the winning hurler.

Ken Wymer's lead-off homer in the eighth inning carried Walled Lake to its fourth loop victory. The Vikings had 10 hits but left 13 runners on base.

Ed Ignaczak blanked ROSM in four innings of relief hurling for Orchard Lake's victory. Connie Krogulecki had a single, double and triple and Bob Lacinski three singles and three rbi's for the winners.

Junior Steve Molina's first start for Cranbrook was a shutout as he permitted five hits and fanned six. John Pavloff had a double and triple and two rbi's.

'500' Drivers Battle for Pole Position

INDIANAPOLIS (AP)—The man who won the 500-mile race last year and the one who started at the pole were favorites in today's battle for the pole at the Indianapolis Motor Speedway.

★ ★ ★

The fastest qualifier in the opening day of time trials will start the race May 31 in the inside spot of the three-car front row. Only the 33 fastest cars in four days of tests will start.

★ ★ ★

A. J. Foyt of Houston, Tex., who won the race in 1961 and 1964, and Jim Clark, Duns, Scotland, who set the qualifying records in winning the pole a year ago, are the only drivers who have been above 160 miles an hour in practice this year.

Clark's records — 158.828 for the four-lap, 10-mile run and 159.377 for one lap — seemed certain to be broken.

UNSER HURT

One driver was injured slightly and three cars damaged in accidents at Friday's practice.

★ ★ ★

Bobby Unser, Albuquerque, N. M., suffered a face cut as his car and one driven by Ebb Rose of Houston collided after Rose spun coming out of the northwest turn.

★ ★ ★

Unser's STP Novi and Rose's Racing Associates rear - engine Offenhauser were damaged extensively. Unser's crew said the Novi probably would not be repaired in time to qualify for the race.

Derby Victor Races Today in Preakness

BALTIMORE, Md. (UPI) — Lucky Debonair, back at the physical peak which carried him to victory in the Kentucky Derby, shoots for the second jewel in racing's triple crown at Pimlico today in the 90th running of the $180,000 Preakness Stakes.

Eight other 3-year-olds, six of them victims of Lucky Debonai's winning run at Churchill Downs on May 1, challenged Mrs. Ada L. Rice's colt who just two days ago was a doubtful starter because of a swollen ankle.

★ ★ ★

But the swelling is gone — Lucky Debonair turned in a final impressive workout with no after effects — and he was pronounced fit and ready for the testing mile and three-sixteenths race by his trainer and his veterinarian.

Ready to face lucky Debonair again were Dapper Dan, Tom Rolfe, Native Charger, Hail to All, Swift Ruler and Flag Raiser.

Selari and Neddles Count, the newcomers to the classic, complete the field.

★ ★ ★

Willie Shoemaker takes Lucky Debonair to the post at 4:45 p.m. EST.

Tennis Crowns Won by Hills, Northern

Teammates Dave Gottlieb and Wes Schulz squared off this morning for the Wayne-Oakland League tennis singles title with Bloomfield Hills already assured of the team championship.

The Barons' Mike Righter and Rick Carrier added to the domination at Clarkston's courts by taking the doubles crown Friday, 8-6, 6-3, from teammates Greg Lau and John Liles.

The W-0 tournament saw Gottlieb beat Mike Dougherty of Clarkston, 6-0 6-0, in the semifinals and Schulz nip runner-up Northville's Jim Long, 6-4, 6-4.

In another prep tennis meeting, Pontiac Northern clinched at least a share of the Inter-Lakes League title by trimming Waterford, 4-1, Friday for the Huskies' fifth win in six tries. Only Farmington could match PNH's mark.

Vikings, Northville Win Golf Regionals

Walled Lake and Northville carved out victories yesterday in state regional high school golf action and in the process established themselves as the teams to beat in The Pontiac Press Golf Tournament slated for May 24 at Pontiac Country Club.

★ ★ ★

Walled Lake, paced by Bud Bowman with a 77, came in with 320 strokes to claim the Class A title at Burroughs Farms near Brighton, and Northville grabbed the Class B title in play at Glen Oaks Country Club near Farmington.

Trenton trailed the Vikings with 329 and Ann Arbor (331) finished third. The top three teams in the regionals qualify for the state tournament scheduled for next Saturday at Saginaw.

The hottest shooter at Burroughs was Bruce Lopucki of Belleville who started with four birdies in a row and wound up with even-par 35-36—71.

★ ★ ★

Northville's Jim St. Germain turned in a 37-37—74 to grab medalist honors at Glen Oaks.

SEAHOLM WINS

In Class A at Glen Oaks, Birmingham Seaholm walked off with the title by piling up 312 strokes. Berkley was second and Brother Rice third.

Troy Hornberger paced the Seaholm team and took Class A medalist honors with a 34-38 —72.

Flint St. John posted a team score of 306 at Pontiac Country Club to capture the Class C-D title.

At Romeo, Flushing finished on top with a 347 total in a Class B outing. Romeo's Mike High picked up medalist honors with a 77.

Different Methods Feature Rec Wins

Lakeland Pharmacy and Huron Bowl used different methods but both achieved victories last night in the Waterford Township Men's Softball League.

Lakeland made it two straight in the nightcap of the Drayton Plains double-header by breaking a 5-5 tie with two sixth inning runs for a 7-5 win over Howe's Lanes (f-1).

Tom Bryce singled home the winning run and then scored an insurance run on Paul Atkins' third single of the game. The latter had three runs batted in and scored once.

Huron Bowl evened its mark (1-1) by building up a 10-run lead in six innings for an 11-1 victory over Keg and Anchor Bar. Ray White accounted for five runs with a single and double. Jim Cuthrell pitched a four-hitter.

Speed Spoils Rally

By The Associated Press

Boy, that Willie Davis is fast.

So fast, in fact, that he spoiled a sixth-inning rally by buzzing past a teammate on the bases and helped the Chicago Cubs hold onto a 2-1 victory over his Los Angeles Dodgers Friday night.

★ ★ ★

The Cubs led 2-0 in the sixth when a couple of errors suddenly brought the Dodgers close. Maury Wills reached base with one out on a muff by Ernie Banks and raced around to third on a single by Wes Parker.

Davis, acknowledged as one of the fastest men in the majors, then lofted a shallow fly to Don Landrum, who dropped the ball. Wills sped home and Davis careened around first so fast that he dashed right past Parker and into an automatic out.

Ron Fairly then ended the threat by grounding out.

OTHER GAMES

In other National League action, San Francisco edged Houston 2-1 on Jim Hart's ninth inning homer; Dick Stuart's homer triggered Philadelphia to a 5-2 victory over Milwaukee, St. Louis outlasted Pittsburgh 8-7 and the New York Mets defeated Cincinnati 5-3.

★ ★ ★

Hart's homer, a leadoff shot in the ninth, broke up a duel between Gaylord Perry and the Astros' Ken Johnson.

Stuart triggered a three-run rally that proved enough for the Phillies, collecting the first hit off Billy O'Dell with a leadoff homer in the fifth inning. Singles by Tony Taylor, Alex Johnson, Gus Triandos and Bobby Wine produced the other two runs.

The Cardinals came from behind to beat the Pirates with two ninth-inning runs on a walk to Ken Boyer, Dick Groat's triple and Bill White's third single.

Solo homers by Johnny Lewis and Charlie Smith got the Mets by the Reds. Lewis' homer, off Joey Jay, tied the game 3-3 in the fifth, then Smith put New York ahead to stay with a sixth inning shot off Joe Nuxhall.

HAZARDOUS DUTY — Hanging around second was a little dangerous for Chicago Cubs shortstop Roberto Pena who leaped high into the air to avoid the rolling block by Los Angeles Dodgers' Al Ferrara after firing the ball to first base to complete a double play. The play ended the game with Chicago winning, 2-1.

Prep Nines Await Tourney Pairings

Pairings for this year's expanded Pontiac Invitational High School Baseball Tournament will be drawn at a meeting of the 16 participants Wednesday night.

Representatives from all schools are expected to meet with Parks and Recreation Department and Pontiac Press officials at 8 p.m. at City Hall.

The tournament, increased from eight to 16 teams as it enters its fourth year, will begin Friday, May 28.

There will be a single arc-light tilt that night pairing Pontiac Northern with a yet unnamed foe. Seven other first-round contests are slated for Saturday, May 29.

The quarter-finals of the single-elimination affair are set for Wednesday, June 1 and 2, and the championship game would be Thursday June 3, if the weather permits.

JAYCEE PARK

All games will be at Jaycee Park and there will be admission charged for each day's games. The ticket plans will be announced later.

Northville (the first year) and Royal Oak Kimball (the past two tournaments) have taken the previous three titles back to southern Oakland County.

A solid Pontiac challenger looms this year with Pontiac Northern now unbeaten in nine starts.

Kimball has a 5-3 log and Northville 8-5 to date. Kettering, which fought Kimball through a tense 10-inning title tilt last May, is (5-7).

★ ★ ★

Other usually strong teams returning include Walled Lake (7-3), Milford (6-5), Bloomfield Hills (8-3), Romeo (6-3), Clarkston (7-5) and Southfield (4-3).

Pontiac Central (5-7), Avondale (2-6), and newcomer Madison (3-4), Waterford (4-10), Hazel Park (9-5) and Lapeer (5-1) round out the 16-team field.

The last two accepted invitations this week after setting a fast pace in their respective league races. West Bloomfield, an original member of the field dropped out.

For Rams' Villanueva

Cowboys Deal McDonald

LOS ANGELES (AP)—The Los Angeles Rams have traded place kicker-punter Danny Villanueva to the Dallas Cowboys for pass receiver Tommy McDonald, a spokesman said Friday.

★ ★ ★

The 30-year-old McDonald has caught 68 touchdown passes in his eight-year National Football League career—second only to Don Hutson in professional football history.

He played for seven years with the Philadelphia Eagles and was traded to the Cowboys last season.

★ ★ ★

Villanueva holds the all-time Rams record for a 51-yard field goal kicked against the Cowboys in 1962. He also holds the club record for kicks in one season—a 45.5-yard average for 1962.

Texas Yatchtsman Wins Bermuda Race Honors

HAMILTON, Bermuda (AP) — Bob Mosbacher of Houston, Tex., finished first and second in the last two races and won the English Speaking Union Trophy for Dragon class yacht racing Friday in Bermuda's annual race week.

Mosbacher finished with 5,622 points for the five race series, followed by Kirk Cooper of Bermuda, 4,015; Godfrey Kelley of the Bahamas, 3,923; Alex Holm of Denmark, 3,765; and Hugh Masters of Bermuda, 3,191.

★ ★ ★

U. S. Air Force Capt. Dick Tillman, stationed at Wright-Patterson AFB, who had already clinched first in the Finn class for the North American championship, was second in the seventh and final race and finished with 9,412 points.

The placings in each sailor's six best races count toward the final standings in this class. Tillman had clinched the title Thursday with one race remaining.

Classic Bowler Rolls 658, 656

ST. PAUL (AP) — Willis Greenlee of Anderson, Ind., fired a 658 series to take 10th place in classic singles Friday at the American Bowling Congress Tournament.

The 42-year-old pro-shop owner also paired with Bill Johnson of Columbus, Ind., for a 1,251 total and 10th place in classic doubles.

Greenlee rolled 202, 221 and 235 in the singles on a total of 19 strikes. He had 17 strikes in the doubles as he shot 211, 198, 247 for a 656 total.

Johnson contributed 575 in the doubles.

Bob Kennicutt of Norwalk, Calif., leads classic singles with 697, while Larry Oakar and Bill Beach of Cleveland, Ohio, and Sharon, Pa., dominate the doubles with 1,355.

Don Carter's Wife Loses Queen's Title

PORTLAND, Ore. (UPI) — Betty Kucynski, a 25-year-old, 105-pounder from Chicago, won the fifth annual queens bowling tournament Friday night.

Miss Kuczynski defeated Laverne Carter of St. Louis 772-739 in the four-game finals to finish with a 7-0 record in the double-elimination tourney.

She had games of 188, 189, and 192 and 223.

Brain Surgery Fails to Save Angel Rookie

INGLEWOOD, Calif. (AP)—Dick Wantz, Los Angeles Angel relief pitcher, died Thursday night after surgery for a brain tumor at Daniel Freeman Hospital.

The 25-year-old Wantz, hospitalized last weekend for diagnosis of headaches he began experiencing in April, had appeared in only one game this season.

★ ★ ★

While the club was on the road, he was hospitalized in Detroit for a few days, then flew to Los Angeles and reported he was feeling much better.

But X-rays and a spinal tap located the tumor, and Thursday he underwent surgery to relieve pressure on his brain.

"It's a shame, just a shame," said Angel Manager Bill Gigney. "Everybody's sick about it on the club."

★ ★ ★

Wantz, who leaves his widow and young son in nearby Artesia, spent four years in the minor leagues and posted a 2-7 record in relief work last year for Hawaii of the Pacific Coast League. His best pitch was a sinking fast ball.

Wings Goal Judge Dies

DETROIT (AP) — John Miller 60, a goal judge at Detroit Red Wings hockey games for 32 years, died Friday after suffering a heart attack.

Greyhounds Lack Recommendation

LANSING, Mich. (AP) — A bill allowing eight greyhound races in Michigan each year was reported out of the House State Affairs Committee Friday.

The bill was reported out without recommendation for passage "so the entire House can decide on this question," said Rep. Victor Steeh, a Mount Clemens Democrat.

Without recommendation, the bill will be automatically tabled — requiring a majority vote even before it can be considered.

The bill is being opposed by Michigan horse race interests and temperance organizations.

Miami Coach Goes to OSU

OXFORD, Ohio (AP)—Robert Epskamp, Miami University's track and cross country coach for the past five seasons, is going to Ohio State University as track coach.

★ ★ ★

Epskamp's appointment, effective July 1, was announced Thursday in Columbus by the OSU Board of Trustees.

The 35-year-old Flint, Mich., native came to Miami in 1960 after two seasons as assistant coach at his alma mater, Western Michigan.

Eastern Michigan Unit Holding Lead in Track

WASHINGTON, Pa. (AP) — Defending champion Eastern Michigan qualified 15 men for today's finals of the seven track events in the President's Athletic Conference track and field championships.

Cincinnati Reds' Manager More Excited About Team's Hitting Than Pitching Staff

NEW YORK (AP) — Everybody raves about Cincinnati's deep pitching staff but Manager Dick Sisler is more excited about the way the Reds have been scoring runs.

"There is all the difference in the world between this year and last year," said Sisler, who was a fill-in manager in 1964 for the late Fred Hutchinson." We couldn't score enough runs and that put our pitchers under tension all the time. There is more run-scoring potential on this club than any I have seen at Cincinnati as a coach or manager.

★ ★ ★

"When we were down in Tampa in the spring, we weren't sure about two positions — third base and my other outfield job. Deron Johnson has been working out fine at third base since his switch from first base. I haven't even thought about anybody else at third. We sent Steve Boros back to San Diego. The way Tommy Harper has been hitting we have no outfield problem."

When Sisler switched Johnson, the 1964 first baseman, to third he decided to alternate Gordy Coleman and rookie Tony Perez at first. Both were among the top 10 hitters after Thursday's games.

"Our big guy (Frank Robinson) is off to a good start. He hurt his left hand a couple of weeks ago but he says he is 90 per cent okay again. The two home runs he hit in Philadelphia were as long as you ever saw. Vada Pinson is doing a fine job.

★ ★ ★

"We have good spirit on the club. Everybody is in a good frame of mind. I'm not predicting. This is a tough league. But we should be one of the top contenders if we play up to our capabilities."

"Sammy Ellis, who had to fight to escape the bullpen and become a starter, is 5-0 and Jim Maloney, who had a poor spring season, is 4-0. Joey Jay has been spotty; Jim O'Toole, a nonwinner so far, is ready to move and John Tsitouris has been doing a good job.

★ ★ ★

"The relief department has been a little spotty," Sisler continued Gerry Arrigo did an outstanding job the other day. Billy McCool has been good and bad. Roger Craig hasn't done too much, except in one game. Joe Nuxhall can come in and start if we need him. Our new boy, Jim Duffalo from the Giants, hasn't pitched much.

★ ★ ★

"I miss Ellis in the bullpen. I wish I had two of him."

By JACOBY & SON

Today's discussion will be mostly a monologue by Jacoby pere. Jim starts:

JACOBY

Jim: "What was your favorite hand of the Vanderbilt?"

Oswald: "It was one of those freak hands. I chose to overcall with three diamonds in order to crowd the bidding. My bid failed to shut East out and my partner was strong enough to show his spade suit in spite of his knowledge that my three diamond call promised nothing except a lot of diamonds."

Jim: "Naturally you raised spades."

Oswald: "Naturally. My double of six clubs requires comment. It was not a business double. Quite the contrary. We appeared to be on the defensive and my double was a convention informing Ira Rubip, my partner, that I did NOT have a defensive trick against our opponents' slam contract. With one defensive trick or more I would have passed.

"Of course, our opponents were aware of this convention and understood what my double meant. Ira was not sure if he held two defensive tricks, one defensive trick, even no defensive trick, but he bid six spades anyway. He could not afford to risk letting his opponents make a slam. He knew that he would not be hurt at six spades and, most important of all, he suspected from the bidding that I would be void of clubs in which case he would make six spades.

Jim: "That was the case. Ira ruffed the second heart and ran off the rest of the tricks. At the other table North over-called with one diamond only and eventually West played six clubs doubled and went down one. Ira's brilliant decision certainly paid off."

What do you do?

A—Bid one club. With four clubs and four spades always open a club.

TODAY'S QUESTION

Your partner responds one diamond to your club opening. What do you do now?

TAURUS (Apr. 20 to May 20): Conservative approach best today, especially where partnership, investments enter picture. Finish project. Accept responsibility, and you grow in DIGNITY.

GEMINI (May 21 to June 20): Consult mate or partner before taking impulsive action. Obtain hint from today's TAURUS message. Keep communication lines open. Be receptive to intelligent suggestions.

CANCER (June 21 to July 22): Be aware of those who depend upon you. Means pets or family may require special attention. Exercise independence, originality. Fine time for visiting one who is confined.

LEO (July 23 to Aug. 22): Good lunar aspect highlights pleasure, children. Don't argue with well-meaning friend. State position in fair but firm manner. RELAX! Key is PATIENCE.

VIRGO (Aug. 23 to Sept. 22): Give attention to home, family affairs. Good day for special occasion honoring associates . . . perhaps for entertaining boss! Check details. Be patient with loved one.

LIBRA (Sept. 23 to Oct. 22): Time to stick close to home base, if possible. Cooperate with in-laws, other relatives. Battling over minor matters will only drain emotional strength.

SCORPIO (Oct. 23 to Nov. 21): Be aware of need for repairs. Check budget. Realize some expenditures may be necessary—now. Even minor changes can give satisfaction. Examine various possibilities.

SAGITTARIUS (Nov. 22 to Dec. 21): Maintain steady pace. Don't rock the boat! Means control tendency to make sudden changes. Give attention to home, family, possessions. Highlight TACT.

CAPRICORN (Dec. 22 to Jan. 19): Take comfort by realizing conscience is reliable guide. Adhere to principles. You gain through quiet day. Read—absorb knowledge for future opportunity.

AQUARIUS (Jan. 20 to Feb. 18): Remain on familiar ground. Applies especially to friends. Stick with the tried-and-true. Avoid those who whine, complain. Be with ones who make you happy.

PISCES (Feb. 19 to Mar. 20): Your response to unusual actions important. Conservative course best now. Certain situations must be accepted . . . but don't hide head in sand. Be frank.

IF SUNDAY IS YOUR BIRTHDAY . . . you are sincere, dedicated, interested in history and you are extremely perceptive.

GENERAL TENDENCIES: Cycle high for SAGITTARIUS, CAPRICORN. Special word to GEMINI: Attitude of CO-OPERATION gains much.

For Monday

ARIES (Mar. 21 to Apr. 19): Avoid rushing. Indirect approach gets best results. Face long-standing problem. Discussion with mature individual pays dividends. Keep feet on ground!

TAURUS (Apr. 20 to May 20): Trying to hide facts may create delay. Explore the unknown. Delve deep to find the answers. Checking with special advisor helps. Be AWARE and you reap dividends.

GEMINI (May 21 to June 20): Day to take initiative . . . utilize versatile approach. Show others you can laugh at yourself. Foibles of one you admire soon become evident. But don't cast first stone!

CANCER (June 21 to July 22): Go slow. Realize those who serve you may be shy, apprehensive. Be understanding. Fine example, tolerance of limitations in others reveals your strength. Think!

LEO (July 23 to Aug. 22): Obtain hint from today's GEMINI message. Try various methods—experiment. Good lunar aspect highlights love, romance, excitement. Key is ACTION.

VIRGO (Aug. 23 to Sept. 22): Abrupt possible changes possible. Be ready with alternative methods. Don't force issues. Compromise if necessary. Bide your time. Answers will come later.

LIBRA (Sept. 23 to Oct. 22): Some ideas need more attention. May be wise to rewrite letters and reports. Your forces may be scattered. Finish one thing at a time . . . in quiet contemplation.

SCORPIO (Oct. 23 to Nov. 21): Fine time for repairs, domestic adjustment. Day to "mend fences." You gain through help, cooperation. Not time for making demands. Steady pace now means progress later.

SAGITTARIUS (Nov. 22 to Dec. 21): Look behind the scenes . . . read between the lines. Check facts. Be sure. Don't be victim of false pride. Cycle high. But SELF-RESPECT, CONFIDENCE required.

CAPRICORN (Dec. 22 to Jan. 19): Being quiet within now provides inspiration. You learn, and set pattern for accomplishment. Many want your opinions. You gain by being DISCREET, retiring and cooperative.

AQUARIUS (Jan. 20 to Feb. 18): Obtain hint from today's ARIES message. Put finishing touches on pet project. Relatives, associates need time to understand your motives. Don't argue. Be REASONABLE!

PISCES (Feb. 19 to Mar. 20): Seek quality by trading on experience. Don't be impressed with tinsel, boastful claims. Be aware of domestic problems. You move ahead if not over anxious.

IF MONDAY IS YOUR BIRTHDAY . . . you can expect many opportunities to come your way. You are person who thrives on testing, trying, experimenting.

GENERAL TENDENCIES: Cycle high for SAGITTARIUS, CAPRICORN, AQUARIUS. Special word to CANCER. Key is being perceptive. Offer aid to worried friend.

Cuban Spy Trial Ends for 2 U.S. Missionaries

HAVANA (AP) — A Cuban prosecutor has asked prison terms of 10 and 18 years for two American Baptist missionaries accused of spying for the United States.

The Rev. Herbert Caudill, 61, and the Rev. David Fite, 31, are expected to be sentenced next week. Their trial and that of 32 Cuban Baptists ended Friday night.

The prosecutor sought a 10-year prison term for the Rev. Mr. Caudill, a native of Clinchport, Va., and an 18-year term for the Rev. Mr. Fite, a native of Fort Worth, Tex., and Caudill's son-in-law.

One of the Cuban defendants, Luis Manuel Aguero Serrano, 40, testified that the Rev. Mr. Caudill headed an organization within the church whose object was to fight communism.

SMUGGLED OUT

It gathered military and economic information and helped smuggle Cubans out of the country, Aguero testified.

Both Americans have denied spying but admitted illegally trading U.S. dollars for Cuban pesos. The Rev. Mr. Caudill denied making a profit but the Rev. Mr. Fite said he made some transactions "for personal gain."

The Rev. Mr. Caudill, who is superintendent of missions in Cuba for the Southern Baptist Home Mission Board, said he exchanged about $300,000 for pesos after the United States took measures to stop the flow of dollars into Cuba.

* * *

He said he was unable to receive church funds from the home mission board for several months but that about the end of 1963 a system was worked out to get funds through Montreal and London. He has been in Cuba 35 years.

Some of the Cuban defendants said they bought household appliances and automobiles from the dollar sales.

The Rev. Mr. Caudill's wife was among the 100 spectators in the courtroom of La Cabana fortress.

The two missionaries were arrested April 8 in a roundup of 40 Baptist preachers and 13 laymen in western Cuba.

Urges Foreign Firms in Canada to Give Up Part of Interests

ALBION (AP) — Canada's minister of finance Friday night urged major foreign investors, "including such companies as General Motors," to offer Canadians a 25 per cent investment participation now and another 25 per cent "in 10 or 15 years."

★ ★ ★

"It would be a wonderful thing," said the Hon. Walter L. Gordon, if United States and European firms with large subsidiaries in Canada "were to offer Canadians a 25 per cent participation with the promise that another 25 per cent or so would be offered to them in 10 or 15 years.

"I do not suggest such offers be made at anything less than current values," he told some 60 persons attending the Regional Assembly on the United States and Canada at Albion College.

He cited examples in which "a 25 per cent interest in the Canadian subsidiary of Union Carbide was made available to Canadians last year. Similar action was taken recently by the Canadian subsidiary of Imperial Chemical Industries of Britain."

The finance minister said if a "snowballing of foreign investment led to economic union with the United States this "would be a disaster for Canada.

"We would be swallowed up," he said.

Gordon said "foreign investment can make a significant contribution to the development of our economy. But we are resolved to retain in Canadian hands control of certain key sectors of our economy.

"We cannot, for example, allow control of our banking and financial system to fall into the hands of nonresidents," he said. "We cannot allow control of our communications media to be in the hands of people who reside outside our borders."

Outstate Official Exchange Day Guest Monday

Pontiac will observe Mayors Exchange Day Monday with the visit of Edward A. Schimke, Pentwater village president.

Schimke and his wife will be met at the city limits about 10 a.m. and escorted by a police cruiser to City Hall.

Mayor Pro Tem Leslie H. Hudson will welcome Schimke at City Hall and present him with a key to the city. A motor tour of Wide Track will follow the key ceremony.

A luncheon for the Pentwater official will be hosted by Pontiac Motor Division. A tour of the plant will follow the meal.

★ ★ ★

In the afternoon a tour of the Oakland County Service Center is planned.

IN EVENING

In the evening, the Schimkes and members of the City Commission will attend a Heritage Day dinner at the Kingsley Inn in Bloomfield Hills.

★ ★ ★

Mayors Exchange Day is part of the week-long events planned for Michigan Week.

★ ★ ★

In a slight switch over last year, Mayor William H. Taylor Jr. won't have his exchange day until Friday when he will go to Pentwater.

Canada Geese Go to Florida Refuge

TALLAHASSEE, Fla. (AP) — The major wintering area for Canadian geese in Florida is the St. Marks National Wildlife Refuge 30 miles south of Tallahassee.

The refuge extends for 100,000 acres from the Aucilla River westward to the Ochlockonee River.

★ ★ ★

The birds are attracted by the manatee grass found in the bays and marshlands bordering the Gulf.

The geese begin their flight south from the Hudson Bay in October and travel an airline distance of about 1500 miles. In March, they travel north and return to Canada via the Mississippi River Valley.

Business Notes

Earl Glaspie, 10221 Elizabeth Lake, White Lake Township, recently received the Pacesetter Award for outstanding performance in the hearing aid industry and a plaque commemorating his service in the National Advisory Council of Beltone Electronics Corp.

Both awards were presented by W. Ben Wofford Sr., national field sales manager of Beltone.

Leon V. Braknis, 32863 Biddlestone Lane, Farmington, has been appointed vice president and treasurer of American Metal Products Company, according to R. Jamison Williams, president.

Braknis has been controller and treasurer of the company since 1962. He joined the firm as controller in 1955.

Harry J. Woodman, 323 S. Telegraph, treasurer of GMTC Employees Federal Credit Union, has been attending an international credit union meeting this week in San Francisco, Calif., representing Michigan credit union members.

Woodman is one of 262 directors of C.U.N.A. International Inc., the international organization serving 25 million members in some 40,000 credit unions throughout the free world.

Turning Point Recorded in Soybean Dip

CHICAGO (AP) — The long downward trend in which old crop soybeans lost more than 25 cents a bushel hit the turning point in the futures market this week. They closed with net gains of 4 cents or more, nearly all of it on a Friday rally.

★ ★ ★

The grains finished in a rather broadly mixed range with much of the activity toward swapping commitments from the expiring May contract to later months. However, active short covering at times accounted for much of the demand in nearby deliveries.

★ ★ ★

The government's report last Tuesday on condition of the winter wheat crop and probable yield had little or no effect on the trade. Brokers said the figure of 978 million bushels was only slightly less than a private estimate issued earlier and that few speculators found little reason to alter their positions.

ACTIVE SUPPORT

Commercial support of corn was active at times and on Friday the May delivery sold at its highest level of the season. However, the net gain for the week was less than 2 cents.

At the end of the week, soybeans were 4⅝ cents a bushel higher on old crop months to ⅜ lower on the new, May $2.86⅛-¼; wheat 1⅜ higher to 1 lower, May $1.47-47⅛; corn 1¾ higher to 1 lower, May $1.34⅞-¾; oats ½ higher to ⅞ lower, May 71½ cents; rye ⅞ lower to ⅞ higher, May $1.17⅜.

Ups and Downs in Bond Market During Week

NEW YORK (AP) — U. S. Treasury bond prices declined during the past week.

Municipal bond prices were stronger during the week, and corporate bond prices were mixed.

★ ★ ★

Of the 40 Treasury bond issues traded, 32 declined in price and the remainder were unchanged. None of the declines was large.

On the municipal bond market main interest during the week was in a $100 million offering of bonds by California. The issue was reported more than 80 per cent sold by the end of the week.

★ ★ ★

At the end of the week, bond yields averaged 3.14 per cent on tax-exempt issues, compared to 3.15 per cent the previous week.

On the corporate bond market the yield level for new issues averaged at 4.5 per cent, slightly higher than in recent weeks.

Seasoned corporate issue yields were largely unchanged.

Corporate bond bidders were awaiting next week when $250 million in new issues will be offered. That is the largest corporate bond total in any week since December of 1963.

★ ★ ★

Corporate bond volume last week totaled $55.284 million. Of 498 issues traded, 163 advanced in price, 200 declined and 135 were unchanged.

Prices Climb in Hog Market

CHICAGO (AP)—Prices climbed to a succession of long time highs in the butcher hog market this week and finished with the top price up $1.75 a hundredweight from a week ago.

On the first four days of the week, each peak was higher than the day before and each was the highest in almost seven years. The market held steady on Friday, however, and the top was unchanged at $22.50 compared with $20.75 a week ago. The estimated average price of $20.80 also was the highest in nearly seven years.

★ ★ ★

The supply for the week was only 1,500 less than a week earlier at 26,500.

Stronger prices for dressed beef were an influence in the slaughter steer market and they were 50 cents to $1 higher than a week ago. On Friday, a few prime grade sold at $30 a hundredweight, the highest since January, 1963. Other prime sold rather freely up to $29.75 and choice grade topped at $28.50.

★ ★ ★

Offerings in the sheep market were scant and the market for slaughter lambs was not tested after Wednesday. A few mixed choice and prime spring lambs cleared at $26.50-27.50.

Starlings Don't Like Those Flashing Lights

JACKSONVILLE, Fla. (AP) — Park Supt. John W. Rogers is trying a new technique in his 15-year struggle with Hemming Park's starling population.

This time it is a flashing light like those used on police cars. It has been wired to one of the park's oak trees — and after a month's experimentation, it is getting good results. The starlings won't come within 50 feet of it.

Cabbage Seed Price Explained in Full

LITTLE ROCK, Ark. (AP) — An item which appeared recently in the Arkansas Statesman informed the public:

"The creation of the world is told in Genesis in 40 words. The Ten Commandments have 297 words, and the Declaration of Independence has 1,821 words. But a government pamphlet required 2,500 words to announce a reduction in the price of cabbage seed."

Stocks Put on Uneven Performance

NEW YORK (AP)—The stock market put on an uneven performance this week, rising to new highs in some averages but making little progress in the over-all list.

Volume continued at an active pace — 29,435,470 shares compared with 29,638,270 the previous week.

★ ★ ★

The first two market sessions were ones of irregular and mild decline—a continued "consolidation" of record peaks made in the previous week.

The next two sessions of the week saw an assortment of blue chips make strides and give market averages substantial enough gains so that historic highs were established in some of these indicators at the close on Wednesday and Thursday.

Stocks tried to continue this rally early on Friday but support was lacking and the market backed away slightly as pre-weekend profits were taken.

The Associated Press average of 60 stocks took a minimal loss of .1 at 343.5.

As the week ended, it was seen that of 1,550 issues traded, gainers outnumbered losers by 712 to 652.

Many of the gainers, however, were secondary stocks, with smaller capitalization than the "big" stocks and representing less in the way of value.

Announce Sale of Horse Farm to Area Couple

Bruce J. Annett of Annett Inc., realtors of Pontiac, announced today the sale of the Fox Covert farm in the Metamora hunt district at a selling price in the neighborhood of $300,000.

The former owners were Mr. and Mrs. Charles D. Pierce of Bloomfield Hills.

The new owners are Dr. and Mrs. David J. Loewith, longtime residents of Metamora, and well known to thoroughbred horse breeders throughout the country.

They plan to live on the property and use it as headquarters for Dr. Loewith's veterinarian practice.

The farm-estate, consisting of over 700 acres, has over 1,000 feet of frontage on Whigville Lake as well as a small private lake. Fronting on Hosner and Johnathon Roads, it is partly in Oakland and partly in Lapeer Townships.

Clarence D. Knechtel of Annett, Inc., represented both parties in the transaction.

Cannon With Mysterious Past Hopes to Stay Around Awhile

DIXON, Ill. (AP) — Dixon's "peace cannon," which has a curious history of disappearing, has been found again.

The 109-year-old cannon, which never has been fired in anger, but which has provoked fiery words, was dug up recently from beneath four feet of earth in John Dixon Park.

★ ★ ★

It had been the object of an 18-month search by George Lamb and James Burke, members of the Lee County Historical Society, who found it covered with rust and mold accumulated during the latest and longest of several disappearances.

Bought in 1856 to signal a speech by Abraham Lincoln, then a state legislator, the cannon was fired to herald great news events. It touched off a hot political war when it first disappeared.

CANNON MISSING

The morning it was to announce a Democratic political victory, the cannon was missing from its place in the park. Democrats and Republicans exchanged angry accusations over its disappearance.

It turned up in 1860 to announce Lincoln's election as president. Its boom signaled the start of the Civil War shortly afterward and, in 1865, the South's capitulation.

★ ★ ★

Old Dixon residents said the city fathers wanted a blast from the cannon to herald the fall of Richmond to Union forces during the war. When there was not enough wadding to fire it, members of the crowd took off their coats and hats and handed them over to the cannoneer.

The boom of the cannon told Dixon residents of the assassination of Lincoln. Then the cannon disappeared again, until it was pulled out of the Rock River in 1903 by two fishermen.

IN CITY HALL

The battered firing piece was placed in the city hall for awhile and, in 1906, it was returned to John Dixon Park.

Many old-time residents remember seeing the cannon in the park but no one recalls when it disappeared for the third time or why, except that there was some disagreement over it.

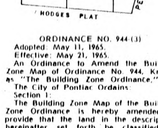
★ ★ ★

Burke and Lamb were told by various oldtimers that the cannon had been sold as junk, thrown back into the river, melted down and, finally, that it had been buried in the park.

Using a device for detecting metal underground, the two found the burial site and dug it up.

★ ★ ★

The cannon has been resurrected once more and funds are being sought to mount it permanently in the park. This time, Burke and Lamb promise it will be anchored.



ORDINANCE NO. 944-(3)
Adopted: May 11, 1965.
Effective: May 21, 1965.
An Ordinance to Amend the Building Zone Map of Ordinance No. 944, Known as "The Building Zone Ordinance."
The City of Pontiac Ordains:

Held in Death of Dominican

Detroit Paratrooper Faces Murder Count

WASHINGTON (AP) — An Army paratrooper from Detroit has been charged with first degree murder in the fatal shooting of a Dominican youth in Santo Domingo, the Defense Department said Friday.

He was identified as Pfc. Dexter M. Moore, Detachment A, 782nd Maintenance Battalion, 82nd Airborne Division.

★ ★ ★

The Pentagon said a formal pretrial investigation, prelude to a possible general court martial was under way. Moore was being held in the Dominican Republic, a spokesman said.

The Defense Department said Wednesday that an Army paratrooper shot 17-year-old Oscar Alida Perez Tuesday night after accusing the youth of poisoning him.

IN CUSTODY

Three soldiers were taken into custody.

The Defense Department said the incident occurred when the three soldiers went into a drugstore with the youth.

★ ★ ★

One soldier asked for "an Alka Seltzer, and accused Perez of poisoning him," the Pentagon said at the time.

"In an altercation that followed, Perez was fatally shot."

The Pentagon said Moore has asked for civilian counsel through his mother, Mrs. Ethel Moore, who lives in Detroit.

Names of alleged witnesses were being withheld pending completion of the pretrial investigation, the department said.

Thai Plane Crash Kills 3, Injures 9

BANGKOK, Thailand (AP) — A U.S. Air Force F105 jet fighter lost power on takeoff from central Thailand today and slammed into two houses, killing the pilot and two other persons and injuring nine.

The crash occurred at Takli Airbase in central Thailand where one squadron of the F105 fighters are stationed.

The pilot was not identified pending notification of next of kin.

'Recovered' Actress Will Return Home

HOLLYWOOD (AP) — Actress Patricia Neal, who leaves for London Monday, plans a brief news conference prior to her departure — her first meeting with the press since she was partially paralyzed by three strokes Feb. 17.

★ ★ ★

Miss Neal's husband, British writer Roald Dahl, disclosed their travel plans Friday saying: "We're going to have a short press conference so everyone can judge for himself how well she's recovered."

He said the 39-year-old Academy Award-winning actress would board the plane unassisted.

★ ★ ★

The Dahls and their three children are returning to their home in Great Missenden, Buckinghamshire, about 30 miles from London. The family will stop at Washington, D.C. en route to visit friends "and break up the journey."

MOVIE ROLE

Miss Neal came to Hollywood to play the role of a doctor in the film, "Seven Women." She was stricken when she returned home from her first big scene.

She was in critical condition for nearly a month at the UCLA Medical Center. Her right side was paralyzed and her speech was affected.

★ ★ ★

Speech and physical therapists have worked with her at the actress' rented home in nearby Pacific Palisades, and Dahl reported that his wife now is able to walk up and down stairs alone.

She wears a small brace on her right leg.

She also has made rapid progress in regaining her speech.

★ ★ ★

Miss Neal, who was pregnant when she suffered the strokes, expects a child in July.

"We think she won't have any difficulty having the baby now," said Dahl.

Detroiter Is Acquitted in Death of Capac Man

PORT HURON (AP)—A jury acquitted a 42-year-old Detroit man Thursday in the Christmas Eve slaying of Ralph Slankard of Capac.

★ ★ ★

Lawrence T. Rice had been accused of shooting the 32-year-old Slankard when the father of three ordered Rice and his brother, Elliott, 48, of Detroit, off his property. The Detroiters had been hunting rabbits.

In Memoriam 2

IN LOVING MEMORY OF DENNIS R. Brooks who passed away May 15, 1964.
The fairest lillies are the first to fall,
The sweetest first to fade;
The fondest, dearest, best of all,
At peaceful rest is laid.
But in God's garden free from pain,
Where grow his fairest flowers;
We know that we shall meet again,
This fairest bloom of ours.
Mother, Dad and sisters

IN LOVING MEMORY OF OUR daughter, Joan Miller, who passed away, May 15, 1961.
Never a day goes by,
That we do not think of her;
Her pleasant smile and gentle voice,
Was such a pleasure to have shared.
Mr. and Mrs. Ronald Stottlemyer and family.

IN LOVING MEMORY OF OUR dear son, Richard Menzel, who passed away nine years ago today, May 15, 1956.
Please, God forgive our silent tears,
Our secret wish that our son was here;
Our memories are treasures that no one can steal,
But death is a heartache that one can heal.
There are other deaths, yes, we knew,
But he was our son and we loved him so.
Sadly missed by mother and father,
Mr. and Mrs. Douglas Menzel.

Will Listen to Advisers on Pickles

EAST LANSING (AP)—Labor Secretary Willard Wirtz, under pressure to allow Mexicans to help with Michigan's pickle harvest, is to visit Detroit Monday to receive an advisory panel's recommendations.

Pickle companies fear not enough domestic workers will take on the arduous job of picking cucumbers for pickles and, as a result, farmers will cut back on cucumber acreage, cutting the supply to the companies.

"Mr. Wirtz thinks this is important enough to make a trip out here," said Michigan State University professor Charles Killingsworth, chairman of the five-member advisory group. He said Wirtz has a news conference scheduled Monday after his meeting with the panel.

Congress halted the entry of Mexican agricultural workers into the United States this year but Wirtz allowed a limited number to enter California on the basis of recommendations by an advisory panel.

"In many ways this is a more complicated situation than in California," Killingsworth said. "We're dealing with a crop that has not yet been planted here.

"We understand planting decisions will be made next week," he added. "Planting has been held up partly because of the weather and partly because of farmers waiting to see what the panel has to say."

Michigan's pickle output of five million bushels last year was picked 91 per cent by Mexican workers, the Michigan Agriculture Department reported.

Killingsworth said at the panel meetings there have been some indications cucumber acreage would be cut back if Mexicans were not allowed to help with the harvest.

One proposed substitute for the Mexicans has been recruitment of young people.

SOLEMN MOMENT — Mrs. John F. Kennedy sits beside Queen Elizabeth II during ceremony at Runneymede, England, yesterday where a memorial was dedicated to the late President Kennedy. Mrs. Kennedy's daughter, Caroline, is also pictured. A second memorial was dedicated today in London.

Britain's Memorial to JFK
Testimony of Nation's Love

RUNNYMEDE, England (UPI) — A green hillside overlooking the River Thames stands in permanent testimony to Britain's love for John F. Kennedy.

"We wept at his death," Queen Elizabeth II said yesterday as she dedicated three acres of the site where the Magna Carta was signed 750 years ago as a permanent memorial to the late President.

"This English soil is now bequeathed in perpetuity to the American people in memory of President John Fitzgerald Kennedy, who in death my people still mourn and whom in life they loved and admired."

It was a day of solemnity and sadness — and a day of warm reminiscence and praise.

★ ★ ★

Bright sunshine bathed the scene as thousands of persons gathered for the tribute.

SAT QUIETLY

John F. Kennedy Jr., 4, and his sister, Caroline, 7, sat quietly beside their mother and their uncles Sens. Robert F. and Edward M. Kennedy, during the ceremony.

Mrs. Kennedy listened fixedly, clasping her hands in her lap and staring out over the river, as the British monarch lauded her late husband.

Last night, Mrs. Kennedy had tea at Windsor Castle with the Queen and Prince Philip.

★ ★ ★

The U.S. Embassy then issued a statement expressing her thanks to those who honored her husband's memory.

"To all of you who created this memorial I can only say it is the deepest comfort to know that you share with me thoughts that lie too deep for tears," the former first lady said.

Remembering the late president's love of history and his affection for the British people, Mrs. Kennedy gave her thanks for the gift of "sacred soil . . . the birthplace of our ideals of human freedom and individual dignity in which my husband passionately believed."

★ ★ ★

"I thank you for making it possible for me to be here today with my children," the president's widow said. "One day they will realize what it means to have their father honored at Runnymede."

Enrollment in primary and secondary schools in Cambodia has increased 1300 per cent since 1945.

During the past 3½ years nearly 132,000 residents in 322 communities in 32 states have been assured of water systems through the United States Department of Agriculture's Farmers Home Administration construction loans.

The average American woman worker in 1920 was 28 years old and single, while in 1963 she was married and 41 years old.

OFFICIALS RETIRE — City Attorney William A. Ewart (left) and City Assessor Edward C. Bloe pose in front of a map of the city they have served for more than three decades. Both are leaving their City Hall posts.

Early Days Recalled

Honor Retiring Officials

"There were thrills. I've enjoyed the challenges," says City Attorney William A. Ewart, who ends a 33-year career as the city's top legal aide July 1.

City Assessor Edward C. Bloe, who wraps up 32 years of city service this week, has less to say about his tenure with the city.

The veteran city officials were honored yesterday afternoon at a three-hour open house at City Hall.

Because of their long stint at City Hall, both men have watched Pontiac grow from the dark depths of the depression in the 1930s to today's prosperity.

Ewart remembers the 1930s as crisis government. He said the city moved from crisis to crisis. At one point, the city was going to issue scrip in order to avoid payless pay days for city employes.

★ ★ ★

Bloe said property owners paid an average tax rate of $23.50 per thousand valuation for city, school and county services.

DELINQUENT TAXES

The retiring assessor said that a lot of city property was held by the state for delinquent taxes. Money was scarce everywhere, but especially at City Hall.

Ewart and Bloe credit World War II with saving Pontiac. War production and the post-war boom helped the city's growth.

Ewart became city attorney in 1932, joining the city after a political upheaval. Now 64, he says the challenges of the job have provided the interest for him.

★ ★ ★

Several court cases have been milestones for municipal governments across the state.

Controversy has been a big part of Ewart's career. He de-

Merger Plan for Forces to Congress

WASHINGTON (UPI) — Defense Secretary Robert S. McNamara, bowing to pressure, agreed today to submit to Congress his controversial plan to merge the organized Army Reserves into an expanded National Guard. The controversial merger of the Reserves into the Guard was scheduled to start July 1.

In a joint news conference with Rep. F. Edward Hebert, D-La., his chief congressional critic on this issue, McNamara announced that he would await legislation before carrying out certain aspects of ther merger.

While Congress is considering the legislation, he said, the Defense Department will delay implementing the plan.

★ ★ ★

Until now, McNamara had insisted that no specific legislation was needed in order for the Army to merge the two forces. His claim has been subject to heavy fire, particularly by Hebert and the House Armed Services subcommittee that he heads.

ASK HEARINGS

The panel has been holding hearings to question Pentagon officials on their right to carry it out.

★ ★ ★

Both Hebert and McNamara appeared friendly today and were in good spirits. Both said their common objective was to create a reserve force that was in the best interest of national security.

★ ★ ★

For his part, Hebert promised that his subcommittee would consider the legislation with an open mind and act on it within six or seven weeks.

College Aid Bill Dies in Senate Committee

A proposed bill which would have provided operation and maintenance funds for the projected Michigan College of Osteopathic Medicine to be located in Pontiac, died yesterday in the State Senate Appropriations Committee.

State Sen. Carl W. O'Brien (D-Pontiac) said the bill was killed by lobbyists for the American Medical Association.

★ ★ ★

Dr. Ben Dickinson of Pontiac, newly installed head of the Michigan Association of Osteopathic Physicians and Surgeons, said he was disappointed the bill was killed, but that the action would not delay plans for the construction of the college.

Dickinson said that the primary purpose of the bill was to have provided funds to operate the school, once it was constructed.

In addition, the bill provided for the establishment of a 10-man college authority to oversee and operate the college.

★ ★ ★

Dickinson said that no state in the nation has such an authority to regulate a medical school and resistance was anticipated.

CONTINUE WORK

"We are not downhearted," Dickinson said. "We will continue to work and hope that people in the state will see that our aim is a noble one."

O'Brien said he was greatly disturbed and disappointed over the apparant loss of the bill in committee.

"I've condemned this type of pressure activity before on other bills and I condemn the American Medical Association for their activity on this one," O'Brien said.

O'Brien said there was also some pressure for stopping the college put on by the State Board of Education because the Osteopath bill called for a separate authority of control.

11 House Bills Beat Deadline

Lawmaking Operation Halts at Midnight

LANSING (UPI) — The legislative hopper in the House of Representatives churned out 11 bills in a last-minute effort — yesterday — but many more measures were chewed up at midnight as lawmaking machinery ground to a predetermined halt.

★ ★ ★

Under House rules, all bills not reported out of committee by midnight passed into legislative limbo from which it is unlikely any will be rescued this year.

Several important bills — including proposed elimination of tolls on the Mackinac Bridge; the reorganization of the National Guard; raising the minimum wage to $1.50; establishing a legislative ethics commission for legislators, and several traffic safety measures — got caught in the jamup and didn't make it out of committee.

Those important bills that made it to the floor did include measures that would:

- Prohibit below-cost selling of milk by establishing fair trade practices for the dairy industry.
- Set up a system for greyhound racing at eight tracks around the state — including one in the Upper Peninsula and another in Wayne, Oakland or Macomb counties.
- Revoke car registration for failure to stop for school buses.
- Repeal bounties for coyotes, wolves, bobcats and red foxes.
- Provide the vehicles for tax reform.
- Set up an unsatisfied judgment fund for drivers injured by uninsured motorists.
- Permit public employes to join labor unions and to submit their disputes to compulsory arbitration.
- Permit public employes to engage in political activities and to run for local offices.

Burglar Wore a Fur Coat

The Oakland County Sheriff's Department has a case it is itching to solve.

Mr. and Mrs. Smithling Maynard, 3527 Noble, Oxford Township returned from shopping last night and found an intruder in their home.

Before deputies arrived to capture him, the interloper had pulled down the living room drapes, and begun wrecking the interior.

Anyone who lost a 15-inch high brown male monkey, with fleas, call the Sheriff's Department.

8 Hopefuls in Race for Waterford Post

A field of eight candidates has filed petitions in Waterford Township for the single four-year seat at stake on the school board in the June 14 election.

The candidates are William Beal, of 3621 Embarcadero; Donald Griffith, 4035 Meigs; Rolland Hurteau, 5966 Southward; and William Mercer, 4155 Windiate.

Others are Michael Patterson, 6329 Grace K; Mrs. M. Virginia Ross, 6101 Adamson; Dean Salley, 6229 Jameson; and Mrs. Lois Watson, 5846 Southward.

Frederick J. Poole, whose term on the board expires next month, is not seeking reelection.

Beal, 36, is married and the father of seven children. Vice president of Economy Welding and Fabricating Corp. of Pontiac, he attended Lawrence Institute of Technology.

★ ★ ★

Griffith is a self-employed communications technician. A five-year resident of the Waterford area, he is 24 and single.

Deadline Near for School Vote

Registrations Taken Until 8 P. M. Monday

Residents of the Waterford Township and Pontiac School Districts have until 8 p.m. Monday to register to vote in the June 14 school election.

★ ★ ★

Persons must register at the clerk's office in the city or township in which they live.

★ ★ ★

Persons who have not voted or registered in the past two years must register in order to be eligible to vote June 14.

★ ★ ★

The Pontiac School District includes the city of Pontiac and portions of Sylvan Lake, and Avon, Bloomfield, Orion, Pontiac, Waterford and West Bloomfield Townships.

At 1 p.m. today, Dr. Robert R. Turpin was the only candidate who had filed for a Pontiac school board post. Current board member William H. Anderson was expected to file this afternoon and a third petition was taken out late yesterday.

Resort Colony Hit by Slide

West German Police Say Scores Buried

GARMISCH - PARTENKIRCHEN, Germany (AP) — A giant avalanche roared down today from Mt. Zugspitze near here, swept over a hotel, and down on an area where skiers were practicing. Police said at least 50 persons were buried but the number of dead was unknown.

★ ★ ★

Police said some guests at the Schneefernerhaus Hotel, enjoying the sun on the terrace, were swept away and hurled down the slope beneath.

The hotel, especially reinforced, withstood the crush of the slide.

Police said rescuers searching the 17-foot high layer of snow numbered several hundred.

★ ★ ★

The snowslide started at a point below the peak of the 9,719-foot Zugspitze, Germany's highest mountain, and soon covered a great part of the Zugspitzplatt, a skiing site.

First reports said about 25 skiers had been recovered by rescue groups. They were taken to hospitals in the valley by the cog wheel train that usually takes tourists up the mountain.

★ ★ ★

West Germany army helicopters were flown to the site, carrying more rescuers, search dogs and rescue equipment.

U.S. Army crews also joined in the search for survivors.

New Proposal Places Levy on Services

$129-Million Formula OK'd by Committee Alters Business Rate

LANSING (AP) — House Democrats have proposed a $129-million tax package — including a 4 per cent tax on virtually all services — to insure Michigan's solvency in the next two years.

The House general taxation committee also reported out a "smorgasbord" of fiscal reform dishes that could be put together to form any kind of reform menu the legislature wants — if it wants one.

The Democratic members of the committee yesterday reported out bills to impose the use tax, replace the business activities tax with a 5 per cent levy on net income, to initiate a "stamp act," and cut the tax on a barrel of beer.

"This is to finance state operations for the next two years — after we find out how much it's going to cost," said Rep. George Montgomery, D-Detroit, chairman of the taxation committee.

★ ★ ★

The use tax would be imposed on such services as automobile repairs, dry cleaning bills, photography, amusement admissions, dental bills and shoe repairs — "everything but hospital bills," Montgomery said. It would raise about $84 million a year.

BUSINESS TAX

Changing the business activities tax to a 5 per cent levy on net income is more equitable and more profitable, he said, raising increasing revenues from $98 million a year to an estimated $155 million.

A tax on legal instruments involving financial transactions — $1.10 per $1,000 would raise $2 million for the state and $2 million for counties.

A reduction of the beer tax from $6.61 per barrel to $4.10 would cost the state $14 million.

★ ★ ★

Big Increase in School Aid Is Proposed

LANSING (AP) — A colossal $112 - million increase in state school aid that would eat up Bichigan's treasury surplus next year and force fiscal reform has been recommended by the House Ways and Means committee.

The recommendation was about $81 million more than the increase recommended by Gov. George Romney and about twice as much as was reported out by the Senate Appropriations Committee.

Chairman Einar Erlandsen, D-Escanaba, said the committee expects the general fund surplus on June 31 to be more than $104 million predicted by Romney, "but we've eaten up more than the surplus."

Because of the shifting of various special funds — particularly teacher retirement funds — and because of confusion after a late-night committee session, committee members were unable to estimate the exact effect the increase would have on Romney's general fund budget of $788 million.

★ ★

Because of this shifting, meaningful comparisons between the committee's recommendation and Romney's recommended $31.5 million hike—plus $14.8 million for retirement funds — and the current year's

Choice for GM President Still a Guess

DETROIT (AP) — The favorite guessing game in the auto industry these days is trying to figure out who will be the next president of General Motors.

John F. Gordon will retire May 31 from the job that paid him $740,300 in salary, fees and bonuses last year. He reached the mandatory retirement age of 65 today but served out the month.

His successor will be picked by GM's 26-man board of directors, probably at a special meeting in Detroit June 1 if present indications hold up.

Gordon, president of GM since August, 1958, will make his final report at GM's annual meeting here Friday.

★ ★ ★

He and board chairman Frederic G. Donner, who will reach retirement age in 1967, will be able to tell stockholders that they guided the big auto firm to new highs in sales, profits, dividends and wage and salary payments.

It's a virtual certainty the next GM president will be picked from among the firm's other 24 directors.

More than a dozen names have been mentioned as a possible successor to Gordon.

Most frequently mentioned is James M. Roche, 58, one of GM's four executive vice presidents. He currently heads GM's overseas and Canadian group, as well as the Allison Engine Division, Dayton and the Household and Appliance group.

With General Motors' world wide activities scattered across 24 countries, the overseas phase of GM operations has become increasingly important and Roche's experience in that field was cited by many auto industry observers as a reason why they think he is a top contender.

He has a strong sales background and formerly was general manager of Cadillac Division, as was Gordon.

Also mentioned frequently is the name of James E. Goodman, 60, executive vice presi-

Warm, Wet Is Prediction

We'll have summer temperatures, but we'll have to accept showers along with them tonight and tomorrow. The low expected this evening is 58 to 65. Tomorrow's forecast high is 75 to 82.

Partly cloudy weather will return Monday, but temperatures will also cool off a bit.

Today's lowest temperature recorded in downtown Pontiac prior to 8 a.m. was 52. At 1 p.m. the mercury measured a warm 78.

'U.S. Orders a Halt to Bombing N. Viet'

SAIGON (UPI) — Official American sources said today the United States has ordered a temporary cessation of bombing attacks against Communist North Viet Nam. There have been no raids for three days.

The vicious ground war continued, however, and Communist guerrillas ambushed and destroyed an entire 12-truck Vietnamese convoy today 50 miles northeast of Saigon.

Two Americans were killed and four wounded Vietnamese were found but there was no indication as to the fate of the others in the convoy.

The last raid against North Viet Nam was made between 3 p.m. and 6 p.m. Wednesday when planes hit five bridges within a 45-mile radius of the coastal city of Thanh Hoa.

★ ★ ★

The last three-day pause came March 16-18, apparently because of weather.

VIEW SHARED

Official sources said the decision to halt the raids temporarily was shared by Vietnamese Premier Phan Huy Quat and other interested government officials.

U.S. Ambassador Maxwell D. Taylor called on Quat early in the week to discuss plans to halt the raids, the sources said.

American Air Force and Navy officials were later informed that all planned raids against the north were to be stopped following the Navy's Wednesday strike against the Thanh Hoa bridges.

★ ★ ★

At the same time both Navy and Air Force officials were ordered to carry out extensive aerial reconnaissance in order to assess the damage so far inflicted by almost 100 days of continual bombing raids against military targets.

NO ACKNOWLEDGMENT

Official spokesman for both the U.S. military and U.S. Embassy declined comment on the report. They would not acknowledge that anything other than tactical considerations had influenced the decision not to bomb the north for the past three days.

★ ★ ★

The report sparked immediate speculation in this war-troubled capital that President Johnson had ordered the halt in order to give the North Vietnamese Communist regime an opportunity to accept his offer of unconditional discussions without appearing to do so under pressure of American bombs.

Shell Collecting Is Profitable Hobby

ST. PETERSBURG, Fla. (AP) —Conchology — shell collecting — can be an interesting, inexpensive and sometimes profitable hobby.

Such rare shells as the spirula, which is valued at $1,000, and the junonia, worth $40 to $50 for a perfect specimen, can sometimes be located along the state beaches.

★ ★ ★

The abundance of shells in Florida also accounts for a thriving industry in shell art.

Collectors often make jewelry, lamps, ash trays, pictures, and other decorative articles from their finds.

Blood Bank Monday

The Protestant Blood Bank is scheduled for Monday at the First Congregational Church, East Huron at Mill. Hours are from 2 to 5 p.m. and 6 to 8 p.m. Mrs. Wilbur Courter is chairman.

State Committee to Probe Leak in Confidential File

LANSING (AP) — A Senate committee under Democratic George Fitzgerald of Grosse Pointe will investigate the preparation of a police report on Mrs. Viola Liuzzo which was sent to Alabama, Fitzgerald announced Friday.

Declaring the compiling of the report and its forwarding to Alabama Sheriff James G. Clark "thoroughly disgraceful," Sen. Fitzgerald said it was the state's responsibility to "get to the bottom of this situation."

★ ★ ★

Fitzgerald, an attorney, referred to the report sent to the Selma, Ala., sheriff by Police Commissioner Marvin G. Lane of Warren.

The action of Commissioner Lane, a former Detroit police official, has been supported by Warren's City Council while attacked by others.

★ ★ ★

The so-called confidential report is said to include the background of Mrs. Liuzzo, 39, Detroit mother of five children who was shot to death following the Selma to Montgomery civil rights march.

Shipping Firms Both File Suits

$3.5-Millon Sought in Lake Ship Tragedy

ST. IGNACE (AP)—The owners of two ships which collided in the Straits of Mackinac with the presumed loss of 10 men filed separate suits Friday in federal courts at Cleveland and Chicago.

The U. S. Steel Corp., owner of the sunken Great Lakes freighter Cedarville, sought $3.5 million damages in its suit against the owners of the Norwegian freighter Topdalsfjord.

★ ★ ★

U.S. Steel charged in its suit the Topdalsfjord violated Great Lakes regulation by speeding in fog, not giving passing signals and violating telephone and telegraph regulations.

The suit was filed in U.S. District Court in Cleveland.

SUNKEN CARRIER

U.S. Steel was owner of the limestone carrier that sank May 7 after a collision with the Topdalsfjord in the fog-bound Straits of Mackinac.

The Norwegian - American Line, owners of the Topdalsfjord, meanwhile petitioned the federal court in Chicago to exonerate the Topdalsfjord from blame and to limit the line's liability in any civil suit for damages.

★ ★ ★

The official U.S. Coast Guard inquiry into the disaster recessed here Friday with final testimony by Walter Tulgetske, first assistant engineer of the Cedarville.

The inquiry will be resumed next Friday at Grand Rapids.

STANDARD RULES

In Friday's testimony, Tulgetske told the three - member board that standard procedures for operation in fog were being used in the Cedarville's engine room before the collision.

Divers continue to search for three missing men. The bodies of seven Cedarville crew members have been recovered.

scribes himself as "the man in the middle."

"You try to do what is right under the law," he explained. "Of course, you are going to make enemies, but you have to prove your record on the law."

"You (the city attorney) are always out in front alone and have to take the abuse and credit that comes your way."

★ ★ ★

As city assessor, Bloe sees his job in much the same way. "We try to be fair with everyone."

APPOINTMENTS

Both the city attorney and assessor are positions filled by City Commission appointment. However, Bloe points out that the state has the authority to remove the assessor.

Thus, he said that a city assessor has two masters — the state and the City Commission.

The 66-year-old Bloe plans to travel after the retirement parties end this week. A tour of the western United States is planned.

★ ★ ★

Bloe then contemplates trying the real estate business to keep busy.

Meantime, Ewart, who will leave about June 1 for a 30-day vacation, will go into the private practice of law with offices in Birmingham.

"I feel that I've got a lot of horsepower left," commented the city attorney.

Huntsman Finds 'Bunnies' Game

LANSING (UPI) — Terry Ulrich, 18, went rabbit hunting in a city park and found more game than he bargained for.

Ulrich told police there was a rustle in the bushes and out popped two nude teen-aged girls who set upon him, scartching his chest and ripping his shirt.

"I had to fight them off," the bewildered Ulrich said, explaining that he took a healthy swing at one of his attackers before they fled back into the foliage.

Police searched the area. All they could find was rabbits.

maker at Arrowsmith Tool and Die in Farmington, he has lived in Waterford Township for six years.

Mercer, 38, is assistant chief engineer for the Oakland County Road Commission. He is married and has four children and is a graduate of Michigan Technological University.

An accountant and tax consultant, Patterson, 27, is married with two children. He attended three universities.

Married with one child, Mrs. Ross, 44, is a former substitute teacher in Waterford. A resident of the township for 14 years, she attended Eastern Michigan University.

Salley, 37, is a past president of the Waterford Junior Chamber of Commerce. Married and the father of six children, he is president of Allstate Credit Bureau, Inc., of Ferndale.

Mrs. Watson, 36, is a former teacher in the Waterford Schools. A graduate of Alma College, she is married with two children.

Still a Guess on Choice for Top GM Post

(Continued From Page One)

dent in charge of automotive, body and assembly.

Goodman's career with GM began as a metal finisher in the Fisher Body plant at Norwood, Ohio. Known basically as a manufacturing man, Goodman rose from the production line to become general manager of the Fisher Body Division and went on to his present post.

A third executive vice president whose name has been mentioned frequently in the GM presidential speculation is George Russell, 60, head of the corporation's financial staff.

★ ★ ★

There is some feeling, however, that since Donner's forte is finance, the next president would be more apt to have a sales or manufacturing background.

YOUNGER MEN

Many observers feel that if GM should dip down into its younger men to pick a president, vice presidents Semon E. Knudsen and Edward N. Cole would have to be considered.

Knudsen, 52, is head of GM's bread-and-butter Chevrolet Division, and the son of the late Gen. William S. Knudsen, who was president of GM from 1937 to 1940.

Cole, 55, is group vice president in charge of car and truck group and preceded Knudsen as head of the Chevrolet Division.

★ ★ ★

GM's fourth executive vice president, Louis C. Goad, is 64 and less than a year away from retirement.

★ ★ ★

The directors also will have to name a successor to GM secretary George A. Brooks who reached retirement age this month. He had been corporate secretary for 17 years.

Water System Is Key Topic

To View Possible Waterford Expansion

Waterford Township board members Monday night will consider a proposed expansion of the township water system to include some areas excluded in the system's present plan.

Estimated cost of the expansion is $1.05 million. Original cost of the current water project, which includes about 80 per cent of the township, was $7.35 million.

To initiate action on the expansion, the township board would have to direct a request to the Oakland County Department of Public Works which is the township's agent in the water project.

In other action Monday, board members will consider a proposed amendment to the township carnival ordinance that would specify mechanicl inspection of carnival rides.

★ ★ ★

The board also will consider a dog ordinance revision that prohibits pets from being kept in an area within 15 feet of a neighbors occupied building.

MEMORANDUM

Also slated for board attention is a memorandum of understanding regarding a proposed six-county transportation and land use study.

In other business, the board will rule on a request from Robert Larson for a permit to open a pool hall at 1775 Williams Lake.

A motion picture which illustrates causes and results of traffic accidents will be shown at the meeting.

The film will be used by the township police department in proposed traffic safety classes for flagrant offenders.

Machines Take On Ditch-Digging Jobs

PEORIA, Ill. (AP) — Even ditch-digging jobs aren't available any more to school dropouts, Mrs. Mary Lou Koonce, national chairman of Youthpower in U.S.A., warned in a speech here.

Dominican Strife Worsening?

SANTO DOMINGO, Dominican Republic (AP) — The United Nations is setting up a watchdog post in the Dominican Republic as the cease-fire threatens to disintegrate into bloody new fighting in this divided city.

★ ★ ★

An advance party of four U.N. secretariat members was flying here from New York under orders from the Security Council to report on "the present situation."

★ ★ ★

Indian Maj. Gen. Indar Jit Rikhye, military adviser to U.N. Secretary-General U Thant, heads the team, which becomes a kind of third force in the Dominican Republic, alongside the United States and the Organization of American States.

★ ★ ★

Rebel-operated Radio Santo Domingo was blasted off the air again Friday by automatic weapons fire and possibly a bazooka. A rebel spokesman said a truckload of Dominican troops drove past the station, hitting an antenna and transmitting equipment with their fire.

SANTO DOMINGO, Dominican Republic (AP) —Heavy gunfire and explosions shook Santo Domingo early today in the Dominican civil war as peace talks appeared to have reached a stalemate. The heaviest firing came from the northern areas of the city, where rebels are fighting forces of the rival civilian-military junta. Fighting has been going on there for three days. American troops are not involved.

RETURN TO AIR

The station had returned to the air earlier Friday after being knocked out Thursday in an air attack by Dominican air force planes.

The rebel station has been delivering a harangue against the U.S. Marines and paratroopers here, as well as against the forces of the Dominican junta headed by Brig. Gen. Antonio Imbert.

★ ★ ★

No injuries were reported at the station Friday, but a teenage boy was killed when a shell fell in a patio where five persons were seated.

The junta's armed forces chief said the rebels would be bombed again "if the situation warrants it." Junta planes circled over the city during the day.

EXPLOSIONS

Explosions were heard in the northern part of the city at intervals during the night. There was sporadic gunfire.

U.S. Ambassador Ellsworth Bunker told a special conference of the OAS in Washington that there have been 137 violations of the cease-fire agreement arranged two weeks ago by an OAS commission.

Seventeen American servicemen have been killed and 86 wounded, largely by rebel sniper fire.

Informed sources said special U.S. emissary John Bartlow Martin has withdrawn, at least temporarily, after failing to achieve progress toward negotiations.

June 21 Opening Date for Dramatics Program

BLOOMFIELD HILLS—A new course for teachers and prospective teachers of dramatics will be offered this summer at the Cranbrook Summer Theatre School.

★ ★ ★

The new program, founded and directed by Carl G. Wonnberger, is aimed at filling the gap left by the curtailment of drama schools and colleges in the country.

The course, which starts June 21, will be conducted as a seminar.

Participants will become involved in all phases of the dramatic arts as they are taught outdoors in and around the Greek theater on Cranbrook Estate.

★ ★ ★

There will be an opportunity for directing as well as work in voice, makeup, pantomime, costuming, play selection, theater organization and production.

BOOST STAFF

Guest lecturers and visiting artists will supplement a staff of 26 faculty members.

Among the visitors will be Patricia Newhall, New York producer-director-actress and a former student at the Cranbrook Summer Theatre School.

The school's 1965 season will extend through Aug. 13.

Further information can be obtained by calling Cranbrook.

Walt Disney's color film "The Restless Sea" is one of two that will be shown next week at the Cranbrook Institute of Science.

The other film scheduled for 8:15 p.m. Thursday and Friday is "The Woodlands," which illustrates a recent archeological "dig" in Illinois.

Members of the institute will be admitted free to the program in the institute auditorium and guest tickets will be available at the door.

Stateswoman Dies at Age 83

Was Cabinet Member in FDR's New Deal

NEW YORK (AP) — Frances Perkins, first U. S. woman Cabinet member, whose three-cornered hat became a symbol that enraged New Deal opponents, is dead at the age of 83.

The colorful, controversial secretary of labor under President Franklin D. Roosevelt from 1933 to 1945 died Friday night in Midtown Hospital on Manhattan's East Side.

She had left her post as lecturer at the New York State School of Industrial Relations at Cornell University two weeks ago and was admitted to the hospital for a routine examination. She suffered a stroke in the hospital.

The vivacious little lady, who was known as Madame Perkins, was alone when death came. Her daughter and son-in-law had visited her during the day.

Miss Perkins, who was born in Boston of pre-Revolutionary stock, on April 10, 1882, spent the last years of her life as an elder stateswoman. Time had mellowed opposition to her term of office during the greatest period of labor turmoil and economic upheaval in American history.

DR. ROBERT R. TURPIN

Dentist Enters School Race

A Pontiac dentist who last year headed a citizens committee study of school needs, filed nominating petitions yesterday for the June 14th school board election.

Dr. Robert R. Turpin, 43, of 108 Franklin Blvd., will be making his second attempt for a seat on the Pontiac Board of Education.

Turpin, past president of the Pontiac Urban League, sought election last year.

The local dentist attended Oberlin College and Meharry Dental College. He has taken postgraduate studies at the University of Michigan and is a member of Omicron Kappa Upsilon, honorary dental fraternity.

★ ★ ★

Married and the father of four children, the dentist has been a member of the Pontiac Community Council and on the board of the Michigan Children's Aid Society of Oakland County.

Gambling Trial Will Be Held in Manistee Court

Proceedings in the Steren Assembly Club gambling case will be in Manistee, beginning July 22 before Circuit Judge Rupert B. Stephens.

Oakland Circuit Judge Stanton G. Dondero, who had previously granted a change of venue on the basis of publicity given to the case in the area, announced the new locale yesterday.

★ ★ ★

In the Steren Asssembly Club case, 21 personss were charged with gaming law violations and conspiracy after they were arrested in October 1963 in a State Police raid of the club in Madison Heights.

Manistee is located west of Cadillac on Lake Michigan, approximately 200 miles from Pontiac.

Big Increase in School Aid Is Proposed

$434.1 million fund could not be made.

OTHER INCREASES

Other budget increases over Romney's recommendations were modest — about $5.9 million. The Senate cut its share of the budget by about $5.5 million earlier in the week.

The school aid bill includes a 10 per cent increase in the aid formula, from $236.50 per pupil to $260. Romney recommended $242. It includes a $12 million "school aid" fund for building construction and maintenance in heavily indebted districts.

It provides for a nursery school program — reimbursing those districts that have them one-half of the normal per-pupil aid, or $130 each. It includes money for transportation, special classes for the deprived, special assistance to the distressed districts.

★ ★ ★

It also increases the deductible millage factor from 4.25 to 4.675.

OTHER ITEMS

Other budget recommendations and their approximate increase over Romney's included:

General government and debt service—$39.54 million, up $131,000.

Public safety—$36.93 million, up $4.7 million.

Welfare — $12.5 million, up $1 million.

★ ★ ★

Regulatory agencies — $13.66 million, up $18,000.

Conservation, recreation, agriculture $14 million, up $100,000.

Sharp Deal for Tire

ALBUQUERQUE, N.M. (AP) — J. F. Bish, service station operator here, felt he had made a sharp deal when he bought a tire and wheel from two young fellows who asked only $4 for the combination.

When he got home, he found his son Bob's car had been stripped. The tire and wheel were identified as from Bob's car.

Publication Records Regretful Departure

ST. CLOUD, Minn. (AP) — The Reformatory Pillar, the inmate publication of the state reformatory here, in a recent issue announced with sorrow that it was losing one of the best members of the paper's staff.

"Tom," the notice explained, "is now on parole status and is regretfully leaving the institution."

Early New Englanders began celebrating Forefather's Day in 1769 to observe the 1620 landing of Pilgrims at Plymouth Rock.

Mice Are Different Down in the Mines

DONCASTER, England (AP) — Mice in the mines of Yorkshire have smaller tails but longer bodies than their cousins above the ground.

So says Michael Clegg, a Doncaster Museum naturalist after a study of mice in various habitats of the largest county in England.

★ ★ ★

Why mines mice have larger bodies and smaller tails is something Clegg can't answer.

Maybe, he said, they had larger ancestors. And maybe conditions for mice are better down below than they are up above.

TV Viewers Prefer Animals to Singers

LONDON (AP) — London television watchers seem to prefer white rhinos to pop singers.

As an experiment, commercial ITV in the London area started showing at peak time Thursdays (7:30 to 8 p.m.) a program series on the presentation of wildlife.

The audience jumped by 80,000 homes compared with the previous screening of pop singers. The rival BBC continued showing "Top of the Pops" at that time. Its viewing, according to ratings, was 180,000 homes less.

Broken Leg Can't Keep Man From Tavern

LOUISVILLE (AP) — None of the neighbors tattled to police about the suburbanite whose broken leg failed to keep him from his favorite tavern.

The cast was so bulky the man couldn't get into an auto very easily. He solved that by straddling his power mower and driving it along on the grass on Bardstown Road from his home to the inn.

There are an estimated 16 million pipe smokers in the nation. Pipe sales at the retail level this year will total about $55 million, according to the Pipe and Tobacco Council.

Escapee's Key Tells Identity

MOBERLY, Mo. (AP)—A prison key led to the capture of Freddie Joe Fischer, 28, who fled from the state medium security prison Tuesday while on a work detail outside the compound.

Inmates at the prison all have keys to their cells or rooms, but the buildings doors are locked.

★ ★ ★

Police at Cairo, Ill., picked up an intoxicated man Thursday and found a key in his pocket. The key was stamped with the name of a firm that makes prison keys. The police became suspicious, checked the man's identity and learned he was the fugitive, Fischer.

Edward E. Haynes, prison superintendent, said Fischer was serving an eight-year term for forgery.

Advance Fund OK'd for Ferndale Renewal

WASHINGTON (AP)— $391,687 advance for planning the 34-acre Hilton industrial urban renewal project in Ferndale, Mich., was announced Friday by the Urban Renewal Administration. Preliminary estimates indicate, URA said, that when planning is completed the project will require a $697,000 federal grant.

Driver's Foot Floored by Television Set

MEMPHIS, Tenn. (AP) — Television was blamed for a traffic mishap here. John Hunter, 61, was driving home with a television set perched on the front seat alongside him. He tried to stop suddenly when a car in front of him halted. The TV set, he said, fell off the seat onto his foot, preventing him from stepping on the brakes.

Planet's Spin Slowing

Jupiter Poses Puzzles

WASHINGTON (AP) Jupiter is puzzling astronomers again. The mysterious giant planet apparently has started to spin more slowly, and no one knows why.

Jupiter normally takes 9 hours and 58 minutes to rotate on its axis, but recent calculations indicate that one full revolution is taking 1.3 seconds longer. By satronomical standards, this is a drastic change.

The slowdown is linked with two other Jovian puzzles — the planet's long-wave radio signals and its Great Red Spot, the National Geographic Society says.

In 1955, astronomers learned that Jupiter was emitting long-wave radio signals. It was a surprising discovery, because planets usually transmit only short waves generated by heat.

★ ★ ★

The source of Jupiter's long waves remains unknown, though several theories have been offered.

VIEWS VARY

Radio astronomers have variously speculated that the signals emanate from tremendous electrical storms; from electrons trapped and energized by the planet's potent magnetic field; from the sun's effect on Jupiter's ionosphere; or from powerful disturbances deep within the planet itself.

In any case, the strength of the radio waves indicates an enormous source of energy — every second. By the time the signals have completed their half-billion-mile journey to earth, they sound to monitors like surf breaking on a pebbly beach.

Curiously, the radio signals come from four different places on Jupiter.

As the planet rotates, radio beams sweep out into space like rays from a lighthouse.

ABRUPT CHANGE

Until 1961, the radio sources rotated along with the planet at a constant and compatible rate. Then Dr. Alex G. Smith of the University of Florida noted an abrupt change—1.3 seconds—in the rotational rate of the radio signals.

Since the radio signals are believed to emanate from the solid sphere of Jupiter, this could mean that the planet itself has altered its tempo.

Dr. Smith also recorded a nearly identical decline in the Great Red Spot. This may indicate the spot is a fixed entity on the planet's face.

★ ★ ★

Astronomers generally have believed that the oval-shaped spot is not connected to the surface, but able to drift like a huge raft in the sea. They have further speculated that the spot is a solid body suspended like a satellite in Jupiter's dense atmosphere.

It could be metallic hydrogen or solid helium.

BRICK RED

The reddish oval object in the southern half of the planet was first observed three centuries ago — in 1664 — by the British scientish Robert Hooke. When first seen, the spot was brick red.

Less Hair for Free Air

MINNEAPOLIS (AP) — Carl A. Olene, 22, appeared in Municipal Court Friday with a Beatle-type haircut to answer a drunkenness charge.

Judge C. William Sykora asked Olene: "Which would you rather do, go to the workhouse or get a haircut?"

Olene now has short hair.

SOME PEOPLE ARE AFRAID OF HIGH PLACES . . .
SOME ARE FRIGHTENED OF EXPLOSIONS . . .
SOME ARE EVEN FEARFUL OF GHOSTS . . .

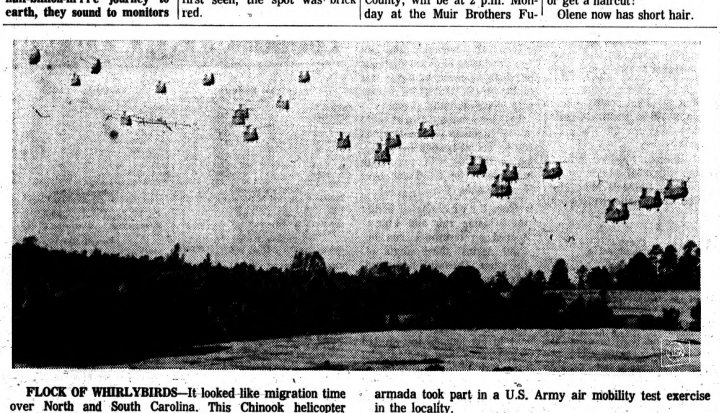
BUT—most of the same people take chances with their cars that would make a tight-rope walker turn pale! IS YOUR CAR IN ABSOLUTELY SAFE CONDITION?

The Traffic Safety Committee of the Pontiac Area Chamber of Commerce will hold its Annual Vehicle Safety Check, May 18 through 22.

Plan now to have your car checked through the Lanes. The few minutes you spend may save you money, time and grief, MAYBE EVEN YOUR LIFE.

THERE IS NO CHARGE FOR THIS SERVICE

PONTIAC AREA CHAMBER OF COMMERCE



FLOCK OF WHIRLYBIRDS—It looked like migration time over North and South Carolina. This Chinook helicopter armada took part in a U.S. Army air mobility test exercise in the locality.

Urges Foreign Firms in Canada to Give Up Part of Interests

ALBION (AP) — Canada's minister of finance Friday night urged major foreign investors, "including such companies as General Motors," to offer Canadians a 25 per cent investment participation now and another 25 per cent "in 10 or 15 years."

★ ★ ★

"It would be a wonderful thing," said the Hon. Walter L. Gordon, if United States and European firms with large subsidiaries in Canada "were to offer Canadians a 25 per cent participation with the promise that another 25 per cent or so would be offered to them in 10 or 15 years.

★ ★ ★

"I do not suggest such offers be made at anything less than current values," he told some 60 persons attending the Regional Assembly on the United States and Canada at Albion College.

He cited examples in which "a 25 per cent interest in the Canadian subsidiary of Union Carbide was made available to Canadians last year. Similar action was taken recently by the Canadian subsidiary of Imperial Chemical Industries of Britain."

The finance minister said if a "snowballing of foreign investment led to economic union with the United States this "would be a disaster for Canada.

"We would be swallowed up," he said.

Gordon said "foreign investment can make a significant contribution to the development of our economy. But we are resolved to retain in Canadian hands control of certain key sectors of our economy.

"We cannot, for example, allow control of our banking and financial system to fall into the hands of nonresidents," he said. "We cannot allow control of our communications media to be in the hands of people who reside outside our borders."

Outstate Official Exchange Day Guest Monday

Pontiac will observe Mayors Exchange Day Monday with the visit of Edward A. Schimke, Pentwater village president.

Schimke and his wife will be met at the city limits about 10 a.m. and escorted by a police cruiser to City Hall.

Mayor Pro Tem Leslie H. Hudson will welcome Schimke at City Hall and present him with a key to the city. A motor tour of Wide Track will follow the key ceremony.

A luncheon for the Pentwater official will be hosted by Pontiac Motor Division. A tour of the plant will follow the meal.

★ ★ ★

In the afternoon a tour of the Oakland County Service Center is planned.

IN EVENING

In the evening, the Schimkes and members of the City Commission will attend a Heritage Day dinner at the Kingsley Inn in Bloomfield Hills.

★ ★ ★

Mayors Exchange Day is part of the week-long events planned for Michigan Week.

In a slight switch over last year, Mayor William H. Taylor Jr. won't have his exchange day until Friday when he will go to Pentwater.

Turning Point Recorded in Soybean Dip

CHICAGO (AP) — The long downward trend in which old crop soybeans lost more than 25 cents a bushel hit the turning point in the futures market this week. They closed with net gains of 4 cents or more, nearly all of it on a Friday rally.

★ ★ ★

The grains finished in a rather broadly mixed range with much of the activity toward swapping commitments from the expiring May contract to later months. However, active short covering at times accounted for much of the demand in nearby deliveries.

★ ★ ★

The government's report last Tuesday on condition of the winter wheat crop and probable yield had little or no effect on the trade. Brokers said the figure of 978 million bushels was only slightly less than a private estimate issued earlier and that few speculators found little reason to alter their positions.

ACTIVE SUPPORT

Commercial support of corn was active at times and on Friday the May delivery sold at its highest level of the season. However, the net gain for the week was less than 2 cents.

At the end of the week, soybeans were 4⅝ cents a bushel higher on old crop months to ⅜ lower on the new, May $2.86⅛-¼; wheat 1⅜ higher to 1 lower, May $1.47-47⅛; corn 1¾ higher to 1 lower, May $1.34⅞-¾; oats ½ higher to ⅞ lower, May 71½ cents; rye ⅞ lower to ⅞ higher, May $1.17⅜.

Ups and Downs in Bond Market During Week

NEW YORK (AP) — U. S. Treasury bond prices declined during the past week.

Municipal bond prices were stronger during the week, and corporate bond prices were mixed.

★ ★ ★

Of the 40 Treasury bond issues traded, 32 declined in price and the remainder were unchanged. None of the declines was large.

On the municipal bond market main interest during the week was in a $100 million offering of bonds by California. The issue was reported more than 80 per cent sold by the end of the week.

★ ★ ★

At the end of the week, bond yields averaged 3.14 per cent on tax-exempt issues, compared to 3.15 per cent the previous week.

On the corporate bond market the yield level for new issues averaged at 4.5 per cent, slightly higher than in recent weeks.

Seasoned corporate issue yields were largely unchanged.

Corporate bond bidders were awaiting next week when $250 million in new issues will be offered. That is the largest corporate bond total in any week since December of 1963.

★ ★ ★

Corporate bond volume last week totaled $55.284 million. Of 498 issues traded, 163 advanced in price, 200 declined and 135 were unchanged.

Prices Climb in Hog Market

CHICAGO (AP)—Prices climbed to a succession of long time highs in the butcher hog market this week and finished with the top price up $1.75 a hundredweight from a week ago.

On the first four days of the week, each peak was higher than the day before and each was the highest in almost seven years. The market held steady on Friday, however, and the top was unchanged at $22.50 compared with $20.75 a week ago. The estimated average price of $20.80 also was the highest in nearly seven years.

★ ★ ★

The supply for the week was only 1,500 less than a week earlier at 26,500.

Stronger prices for dressed beef were an influence in the slaughter steer market and they were 50 cents to $1 higher than a week ago. On Friday, a few prime grade sold at $30 a hundredweight, the highest since January, 1963. Other prime sold rather freely up to $29.75 and choice grade topped at $28.50.

Offerings in the sheep market were scant and the market for slaughter lambs was not tested after Wednesday. A few mixed choice and prime spring lambs cleared at $26.50-27.50.

Starlings Don't Like Those Flashing Lights

JACKSONVILLE, Fla. (AP) — Park Supt. John W. Rogers is trying a new technique in his 15-year struggle with Hemming Park's starling population.

This time it is a flashing light like those used on police cars. It has been wired to one of the park's oak trees — and after a month's experimentation, it is getting good results. The starlings won't come within 50 feet of it.

Cabbage Seed Price Explained in Full

LITTLE ROCK, Ark. (AP) — An item which appeared recently in the Arkansas Statesman informed the public:

"The creation of the world is told in Genesis in 40 words. The Ten Commandments have 297 words, and the Declaration of Independence has 1,821 words. But a government pamphlet required 2,500 words to announce a reduction in the price of cabbage seed."

Stocks Put on Uneven Performance

NEW YORK (AP)—The stock market put on an uneven performance this week, rising to new highs in some averages but making little progress in the over-all list.

Volume continued at an active pace — 29,435,470 shares compared with 29,638,270 the previous week.

★ ★ ★

The first two market sessions were ones of irregular and mild decline—a continued "consolidation" of record peaks made in the previous week.

The next two sessions of the week saw an assortment of blue chips make strides and give market averages substantial enough gains so that historic highs were established in some of these indicators at the close on Wednesday and Thursday.

SUPPORT LACKING

Stocks tried to continue this rally early on Friday but support was lacking and the market backed away slightly as preweekend profits were taken.

The Associated Press average of 60 stocks took a minimal loss of .1 at 343.5.

As the week ended, it was seen that of 1,550 issues traded, gainers outnumbered losers by 712 to 652.

Many of the gainers, however, were secondary stocks, with smaller capitalization than the "big" stocks and representing less in the way of value.

Announce Sale of Horse Farm to Area Couple

Bruce J. Annett of Annett Inc., realtors of Pontiac, announced today the sale of the farm in the Metamora hunt district at a selling price in the neighborhood of $300,000.

The former owners were Mr. and Mrs. Charles D. Pierce of Bloomfield Hills.

The new owners are Dr. and Mrs. David J. Loewith, long-time residents of Metamora, and well known to thoroughbred horse breeders throughout the country.

They plan to live on the property and use it as headquarters for Dr. Loewith's veterinarian practice.

The farm-estate, consisting of over 700 acres, has over 1,000 feet of frontage on Whigville Lake as well as a small private lake. Fronting on Hosner and Johnathon Roads, it is partly in Oakland and partly in Lapeer Townships.

Canada Geese Go to Florida Refuge

TALLAHASSEE, Fla. (AP) — The major wintering area for Canadian geese in Florida is the St. Marks National Wildlife Refuge 30 miles south of Tallahassee.

The refuge extends for 100,000 acres from the Aucilla River westward to the Ochlockonee River.

★ ★ ★

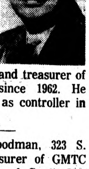
The birds are attracted by the manatee grass found in the bays and marshlands bordering the Gulf.

The geese begin their flight south from the Hudson Bay in October and travel an airline distance of about 1500 miles. In March, they travel north and return to Canada via the Mississippi River Valley.

Business Notes

Earl Glaspie, 10221 Elizabeth Lake, White Lake Township, recently received the Pacesetter Award for outstanding performance in the hearing aid industry and a plaque commemorating his service in the National Advisory Council of Beltone Electronics Corp.

Both awards were presented by W. Ben Wofford Sr., national field sales manager of Beltone.



Leon V. Braknis, 32863 Biddlestone Lane, Farmington, has been appointed vice president and treasurer of American Metal Products Company, according to R. Jamison Williams, president.

Braknis has been controller and treasurer of the company since 1962. He joined the firm as controller in 1955.

Harry J. Woodman, 323 S. Telegraph, treasurer of GMTC Employees Federal Credit Union, has been attending an international credit union meeting this week in San Francisco, Calif., representing Michigan credit union members.

Woodman is one of 262 directors of C.U.N.A. International Inc., the international organization serving 25 million members in some 40,000 credit unions throughout the free world.
