CHALLENGE FOR CHESS, CHECKERS PLAYERS—Newell W. Banks, world champion, tries out a move at his chess board, preparatory to staging his chess and checkers exhibition, sponsored by the Pontiac Press, on Oct. 4 at Stevens Hall in Pontiac. Banks will take on all comers simultaneously, pitting his skill against as many Pontiac and area enthusiasts as wish to play, and carrying on three games of blindfold checkers at the same time. The exhibition will start at 7:30 p.m.

Hurricane Toll 166 in Mexico; 5 in Carolinas

Northern Coast States Spared as Ione Turns Out Over Atlantic

By THE ASSOCIATED PRESS

While Hurricane Ione whistled lonely over the Atlantic today, shattered towns in North Carolina and Mexico counted a sad toll of death and damage wrought by her sister storm, Hilda.

Mexico was left with at least 166 dead and 100 missing in the Gulf port of Tampico and surrounding area where Hilda hit. Continuing floods threatened to raise this toll.

With refugees crowded together and water supplies doubtful, authorities were fearful of epidemics.

In North Carolina, which took the brunt of Ione before she veered out to sea, five persons were dead and property damage was in the millions.

Ione turned to a northeast course yesterday and missed the northern coastal states that for two days had steeled themselves against the advancing tropical storm.

A mass of cold air from the northwest, flowing at an altitude of 10,000 to 30,000 feet, shoved Ione away from the coast.

Ione skirted New England, still busy repairing damages of the earlier Hurricane Diane, by 140 miles or more. Only rain and wind gusts up to 45 miles per hour hit the coast. No damage was reported.

STILL DANGEROUS

The Washington Weather Bureau, tracking Ione over the open sea, reported she is still a dangerous storm and advised caution for all shipping in the area. At 5 a.m she was centered 150 miles southeast of Halifax, N.S., traveling at 45 miles per hour.

Hurricane Hilda spent herself early yesterday in the north central mountains of Mexico, but rain-swelled floods still harassed stricken cities behind her.

At Tampico, an oil port of 110,000 persons, the port captain said the exact number of dead and missing may never be known, due to the "greatness of the catastrophe."

With its land communications entirely cut, the city could be reached only by plane. There were reports of damaged and sunken ships in the harbor.

Christmas Tragedy Aftermath

Bobbie Dunn Returns Home Huskier, Walking Unaided After Rail Mishap

A husky brown-haired teen-ager walked unaided up the front steps of his home at 58 Union St, yesterday. The youngster was Bobbie Dunn, the lad who lost both legs under the wheels of a freight train last Christmas Day.

Bobbie, now 14, says he had quite a time learning to use his new limbs during his nine-month stay at a special Grand Rapids hospital. "It took five or six months, but now I don't have to use crutches or a cane," he says proudly.

Bobbie's parents, Mr. and Mrs. Ben Dunn, both 34, picked him up at the hospital yesterday morning. They were so excited at the prospect of their boy returning home that they got up at 4 a.m.

His mother, Myrtle, got busy right after Bobbie got home, preparing his favorite foods. Fried chicken "and just about anything you put on the table," are his "favorite foods," Mrs. Dunn laughed.

His mom's cooking is just one of the reasons the boy is glad to be home. He likes sleeping in his own bed again and is looking forward to getting together with his old friends and schoolmates soon.

The Dunns want Bobbie to spend a few days at home with them and his two sisters, Martha, 16, and Phyllis, 11, "to get adjusted to being back" before starting school. If Eastern Junior High School authorities are willing, the parents would like Bobbie to start classes Monday.

He attended special classes at the hospital and is in the ninth grade. It was in his first semester at Eastern that tragedy struck Bobbie.

On Dec. 25, he fell under the wheels of a freight train while trying to hop a ride, near the old family home on West Pike street. His left leg was severed just below the hip and the mangled right was amputed later at Pontiac General Hospital.

Bobbie's father had just obtained work at Fisher Body Division and his medical insurance coverage had not begun when the accident occurred. The story of the legless youth and his financially strapped father caught the heartstrings of the city and the state.

A fund was set up and contributions poured in until the fund reached $12,000. The money is still banked. The state has paid all of Bobbie's hospital bills to date.

Bob's father says, "I'm mighty proud to have him home. He's quite a boy and looks a lot different from when he left here." A child when he left Pontiac, Bobbie Dunn has returned home almost as tall as his mother "and a good deal heavier," she adds.

Mrs. Dunn sums it up simply: "I'm just awful glad to have him back. The family's complete again".

Loyalists Fight With Peronistas, Hundreds Killed

Dictator Takes Asylum on Paraguay Gunboat in Capital's Harbor

BUENOS AIRES (INS)—Argentina Loyalist military leaders today accepted the surrender terms of the naval and army rebels who forced President Juan D. Peron to resign. A rebel leader will become provisional president tomorrow.

A few hours before, the Loyalist troops themselves in one of the biggest actions of the revolt killed or wounded perhaps hundreds of Peron die-hards in a flaming battle in the heart of Buenos Aires.

One messenger boy eyewitness estimated 400 were killed or wounded.

The situation still was tense this morning with unidentified radio transmitters reporting that unidentified "troops" were marching against Buenos Aires.

Loyalist troops also were searching and disarming Peronista factory workers who quit work and demonstrated for their fallen leader.

LONARDI NAMED

The official state radio announced that retired Gen. Eduardo Lonardi of the rebel junta will take over tomorrow as provisional president of Argentina.

Lonardi, an affable, unassuming person, was a former aide to Peron years ago, and succeeded Peron as military attache in Chile in 1939.

Lonardi earlier announced creation of a provisional government at his headquarters in Cordoba, 400 miles northwest of Buenos Aires.

The status of 59-year-old Peron still was undetermined. He spent the night sleeping at the Paraguayan embassy in Buenos Aires, then returned aboard the Paraguayan gunboat "Paraguay" where he sought refuge yesterday.

SHIP STILL DOCKED

The Paraguay still was at the dockside in Buenos Aires harbor.

Before the military junta in Buenos Aires accepted the rebel surrender demands it sent four American - made Sherman tanks and 400 troops equipped with machine guns to smash a main Peron stronghold.

An estimated 400 to 800 Peronistas were in the headquarters of the Nationalist alliance, the "goon squad" which had led much street fighting in the past under the Peron banner.

The battle began about 1 a.m. when the Peronistas refused a surrender ultimatum.

GM Offers Utica Water Payment

Pontiac Motor Division Plans Reimbursement for Cash Expended

Pontiac Motor Division has offered to reimburse Utica for any expenses caused the city by the recent contamination of its water supply by chromium waste.

R. M. Critchfield, Pontiac division general manager, issued the following statement today:

"Pontiac Motor Division has offered to reimburse the city of Utica for the amount of out-of-pocket expense incurred in the maintaining of a fresh water supply for residents of the city during its recent pure water shortage.

"Pontiac Motor Division has thoroughly investigated the cause of the Sept. 14 pollution of the Clinton River and facts which are now available indicate that there was no negligence involved and the loss of chromium wastes was strictly accidental. Steps have been taken to prevent any recurrence of this accident.

"Pontiac does not desire to cause

Chess, Checkers Champ to Be Sponsored by Press

Chess and checkers enthusiasts from the Pontiac area will have a chance to try their skill against a world champion next month, and it won't cost them a cent.

The occasion will be a chess and checkers exhibition sponsored by the Pontiac Press, to be held at 7:30 p.m. Oct. 4 in Stevens Hall, Pike street just east of Williams.

Newell W. Banks, holder of the world championship speed record at mixed checkers and chess, will take on any and all comers simultaneously at both checkers and chess. As an additional handicap, Banks will carry on blindfold games with three of the best checkers players, at the same time he is playing the other games.

In the past, Banks has played as many as 140 games at the same time without losing a game, at an average speed of one move per second.

Phenomenal? Well, Banks won the mixed play speed record by playing 75 checkers and 25 chess games simultaneously and, at the same time, 6 games of blindfold checkers, in four hours' time.

At that exhibition, he won 65 checkers, 4 blindfold checkers and 22 chess games, and lost only one chess game. Each of the other games was a draw.

In addition to the evening exhibition, Banks will take on players at the Pontiac Boys Club at 4 p.m. on the same afternoon.

Banks attributes his amazing ability to carry on scores of games at the same time to a photographic memory, the fact that noise and confusion does not distract him and of course, a fundamental knowledge of the basic moves of chess and checkers.

In the past 45 years, he has traveled over a million miles and played about 600,000 checkers and chess games in his exhibition matches. Taking on all comers simultaneously, he loses about one checkers game in 2,000, and possibly four chess games in a hundred.

Bulletin

DETROIT (INS) — Detroit Circuit Judge Thomas F. Maher today ruled the heirs of the late Walter O. Briggs Sr. need not sell the Detroit baseball club.

Judge Maher ruled that trustees of the estate may hold the assets of the estate, including the Tigers, for a "reasonable period of time." The jurist said one or two years would constitute a reasonable time.

The verdict set down by the court permits the Briggs family to deal with prospective buyers without the pressure of time.

Head of City's Libraries, Adah Shelly Announces Plans to Retire in October

Miss Adah Shelly, head librarian ever since Pontiac went into the book-lending business in 1924, today announced her retirement, effective at the end of October.

It was the "funny way" the library in Pontiac was run by untrained volunteers that first intrigued Miss Shelly and later brought her back to stay.

Visiting a friend here in 1921 on the way to a job in Indiana, she was taken on a brief tour of the library at Williams and W. Lawrence Streets, run by a women's organization since 1899.

"I told my friend if I ever got a chance, I'd like to take a crack at it," Miss Shelly recalled. "Three years later, when the city took over and decided to hire a professional librarian, I applied and got the job."

And, except for a brief two weeks in 1932 when an over-zealous mayor swept her out of office with other city department heads, Miss Shelly has been cheerfully reigning over the books.

In Miss Shelly's first year, circulation totaled 50,000. Last year, it totaled 220,000. The collection has grown from 5,000 to 55,000 books, a good portion of which are on the shelves of the two branches and the traveling bookmobile.

But circulation was nearly as high in 1931, when the jobless read books for entertainment. That year, circulation hit 212,000 and Miss Shelly had to meet the business with a depression-reduced staff.

MISS ADAH SHELLY

"People read because books were free," Miss Shelly said. "That compulsion doesn't exist now. People can go to movies, watch TV or do other things."

As a result, current circulation is mostly in the children's and do-it-yourself fields, with fiction taking a back seat, she said.

Miss Shelly, who is 67, will leave her post when the new librarian arrives at the end of October. Replacing Miss Shelly will be Phyllis Pope, librarian at Jamestown, N.Y.

The sprightly Miss Shelly, who doesn't seem to find it tiring to travel up and down the stairs leading to her second floor office in the old building, plans to go to Texas this winter.

Next spring, she will tour Europe, then return to Pontiac.

"I have no real plans, but I don't plan to sit still and do nothing," she said. "I will take substitute jobs in libraries in the area, if they come just right, or do other things in that line."

Though Adah Shelly will be gone from Pontiac public service, her name will remain in the daily lives of city library-goers. A new northside branch opened this year carries her name to posterity.

City Moves Toward New Sewage Plant

With the official acceptance of deeds to the property, the City Commission last night further paved the way for construction of a new sewage treatment plant to serve the northeast section of the city.

Accepting the deeds to the site near Opdyke Rd. and Auburn Ave. was the final legal action needed to complete the purchase.

City manager Walter K. Willman said preliminary studies are now under way on the plant, which will work in conjunction with the city's present sewage treatment plant. He estimated it will take 2 or 3 years before the plant is in operation.

Northeast residents have long been calling for relief from their sewage problem. Septic tanks are now generally used by home owners in the area.

Victim's Uncle Identifies Abductors

SUMNER, Miss. (AP) — Mose Wright pointed a knobby finger at J. W. Milam today and said "there he is" — identifying him as one man who abducted the sharecropper's nephew in the early morning hours Aug. 28.

Then the 64-year-old farmer pointed out 24-year-old Roy Bryant, Milam's half-brother, as the second man who roused the Wright family from bed at 2 a.m. and took Emmett Louis Till away.

Bryant and Milam are accused of murdering the Chicago Negro boy because he allegedly whistled at Mrs. Bryant. Dist. Atty. Gerald Chatham called Wright as the state's first witness.

Testimony began shortly after Chatham said he had six new witnesses who would place the defendants "with the Negro boy several hours after he was taken from Mose's (Wright's) shack." He also said the witness would place the accused men in the area where Till's body was pulled from the Tallahatchie River.

Chatham said the witnesses have "absolutely newly discovered evidence" but did not elaborate further.

* * *

Wright pushed his way firmly through the crowded courtroom and sat down in the big witness chair. The back of the chair reached almost to the top of his head. Chatham asked the neatly dressed farmer to describe the events of Aug. 28.

Wright answered questions without hesitation in a loud voice. Now and again he pounded his right fist on the table before him.

He said he was an onlooker when the body was taken from the river.

"Who was it?" asked Chatham.

"Emmett Till," Wright answered.

The witness said he watched authorities remove from the body a ring like the one young Till wore — an initialed signet ring originally worn by his father.

Defense attorney Sidney Carlton quickly moved to cut down Wright's identification of Milam and Bryant in cross-examination.

Wright still insisted he could identify the men.

Wright is reportedly the only eye witness—unless the district attorney's surprise witness as yet unidentified saw something.

Local Shooters Set for Jackson

Annual Police Tourney for Governor's Trophy Begins Tomorrow

Three pistol teams from the Pontiac Police Dept. and one from the Oakland County Sheriff's Dept. will participate in the annual Michigan police shoot tomorrow at Jackson.

The local teams will vie with other sheriff's departments, city and State Police from throughout the state for the coveted Governor's trophy at the day-long affair.

Members of the Pontiac Police teams are: Patrolmen Robert Verhine, John Justice, Robert Gaines, Leroy Hartman, Euel Flanagan, John Felts, Lon Peters, James Lafnear; Sgts. Harry Nye, Ray Meggitt; and Detectives Robert Emery and Richard Evans.

Included on the Sheriff's Department team are: Deputies Charles Rahn, Raymond Bills and Ferris Holcomb.

The Governor's trophy is awarded each year to the top team in the state. Permanent plaques, to be kept by the top-shooting department, also will be awarded.

The shoot, inaugurated 18 years ago, is sponsored by the Michigan State Police, Police Chiefs Assn. and the Sheriff's Assn.

Intensify Search for Frisco Baby

Officers of 3 Counties Hunt Kidnaped Infant, Buxom Blonde

SAN FRANCISCO (AP)—Worried officers in three counties searched intensely today for baby Robert Marcus, who was snatched from a hospital crib Monday, presumably by a buxom blonde with a craving for motherhood.

* * *

Lt. Donald Scott, chief of San Francisco's general police detail on the case, said it was "very possible" the woman had been seen at San Jose, some 50 miles south of here in Santa Clara County.

But he also pressed the hunt in San Francisco and in Marin County to the north.

Robert, just 3 days old when kidnaped from the nursery at Mt. Zion Hospital, is a son of Dr. and Mrs. Sanford Marcus.

* * *

In San Jose, Mrs. Henrietta Guerrera told police she opened her door yesterday morning to a blonde woman who wanted to heat milk for a tiny, screaming baby.

Mrs. Guerrera, who had not heard then of the kidnaping, recalled later that the strange woman generally answered the description furnished by hospital attendants.

* * *

Mrs. Hanna Marcus, the child's 29-year-old mother, was in a state of collapse.

Her husband explained, "Both her parents and her younger brother died in Hitler's gas chambers." When 13 years old she had been smuggled into Holland, then went to England. She met Dr. Marcus at Philadelphia in 1948.

Randolph in Charge of Traffic Bureau

Sgt. Clayton A. Randolph has been placed in charge of the Pontiac Traffic and Safety Bureau according to an announcement by Chief Herbert W. Straley.

Randolph, recently designated acting lieutenant in a round of promotions, will be in charge of the bureau until Lt. Joseph Koren, regular officer in charge, returns from Northwestern University in Evanston, Ill., where he is attending a 9-month traffic institute.

Koren was the only Michigan police officer among 24 selected from 16 states to win the $675 scholarship.

U.N. Kills Move to Seat China

Soviet Plea Scotched by U.S. Motion to Table Issue Until 1956

UNITED NATIONS, N.Y. (AP) — The U.N. General Assembly sidetracked for another year the perennial question of seating Red China and prepared today to chart an agenda for the current session.

Overriding demands by Russia's Foreign Minister V. M. Molotov that the Asian Reds get a seat, the Assembly adopted 42-12 a U.S. motion to shelve the question until 1956.

In its opening session yesterday, the 10th Assembly also unanimously elected Chile's Jose Maza as its president.

Molotov made his bid for Peiping 12 minutes after the session began in a mild speech contrasting sharply with the explosive utterances Soviet delegates have made on the issue in previous assemblies.

It was the sixth straight year the Russians have tried to unseat the Chinese Nationalists in favor of the mainland government.

Henry Cabot Lodge Jr., who spoke for the United States while Secretary of State Dulles listened, announced he would not debate the issue.

Molotov's resolution to seat Peiping never reached the voting stage. Lodge blocked that by proposing that the Assembly decide to vote first on his motion. He was supported 41-10.

Atom Scientist Asks Ike to Tell Stockpile Size

WHITE SULPHUR SPRINGS, W. Va. (AP)—A nuclear scientist has called upon President Eisenhower to reveal the size of this nation's atom bomb stockpile in the belief that the revelation "could be a potent force for peace."

* * *

Dr. Ralph E. Lapp, director of Nuclear Science Service in Washington and former consultant to the Atomic Energy Commission, said the stockpile already "amounts to several tons of TNT for every inhabitant of our planet."

The world's population is estimated at 2½ billion persons.

* * *

Dr. Lapp said the pile is so fantastically large that there is no longer any point in keeping it secret. He spoke yesterday at a convention of the U.S. Tea Assn.

Dr. Lapp described a hydrogen bomb which would produce the same destructive force as 18 million tons of TNT.

Ford Ups Cost of '56 Cars Five Per Cent

DETROIT (AP)—Ford Motor Co. announced suggested listed prices on its 1956 model Ford cars will be increased an average of less than five per cent.

Increases ranging from $46 to $99 on the various body types were announced. This puts the prices, exclusive of federal excise, state and local taxes, license fees and dealer handling charges, at from $1,562 for a six cylinder two-door sedan, to $2,280 for the six cylinder Country Squire station wagon.

The eight cylinder models will be priced at $93 above the six cylinder cars.

Ford announced that reductions are being made for certain optional equipment items. Among these is power steering, to be priced for 1956 models at $49.50 against the 1955 list of $85. It also announced it planned no profit on optional safety equipment items.

Head-On Crash Kills 5 in Grand Rapids Suburb

GRAND RAPIDS (AP)—Five persons died today when two cars ripped head-on into each other on a lightly traveled portion of U.S. 16 in suburban Grand Rapids.

Dead are:

Clarence H. Gilman, 48, believed to be the driver of one car; his wife; Mr. and Mrs. Jacob Rillema; and Mrs. Martin Osterink, the lone occupant of the other car. All are from the Grand Rapids area.

An estimated 700 million dollars a year is being spent on new U. S. religious structures.

Animal Thefts From Zoo Bring Warrants for Youths

Breaking and entering warrants were ordered yesterday against two Detroit teenagers included in a group accused of stealing a fawn and rabbit from the Detroit Zoo in Royal Oak last Sunday, supposedly with the idea of eating the animals.

George McDonnell, 17, of 631 W. Boston and Peter Merem, 18, of 130 W. Chicago will probably be arraigned late today or tomorrow in Huntington Woods Justice Court, said Assistant Oakland County Prosecutor Donald A. Brown.

Others involved were a 15-year old boy and three girls 14 to 16 who were referred to juvenile authorities. The group had been drinking, Huntington Woods Police said.

The group broke into the zoo grounds at 1 a.m. by knocking over a section of fence surrounding the Kiddy Korral, police explained.

The fawn was stunned by a blow on the head with a rock while one of the girls grabbed the rabbit. The fawn was put in the basement of Merem's home, but released later Sunday when it knocked over jars in the basement.

The animal was found by police Monday in the neighborhood of Chicago and Woodward. It was taken to the zoo infirmary on Belle Isle for treatment of a torn hoof.

Police are questioning the group about four lizards and two skunks missing from the zoo grounds.

GM Offers Utica Water Payment

any of its neighbors any expense, and has always and will continue its efforts to refrain from imposing upon its neighbors obligations which are properly those of the Pontiac Motor Division.

* * *

"We regret any inconvenience that may have been caused the citizens of the city of Utica."

The division's offer was disclosed last night by Utica Mayor Donald Havel at a special meeting of the Utica City Council attended by Macomb County and state health authorities.

Havel said no figure on the cost will be available until department heads submit their figures.

Pontiac division previously had acknowledged that waste from its plant last week contaminated the river, from which Utica draws its water supply. Workmen for an outside contractor installing a conveyor accidentally tripped a circuit breaker which released the chrome waste, a division spokesman said.

Maurice R. Richard, assistant state sanitary engineer, told the Utica council that GM has agreed to comply with emergency controls of waste suggested by the state and ordered by the city.

They include building pits and separate drains for the chrome waste.

New Car Thief Parades Top Secret Around Town

DETROIT (AP) — Somewhere today someone likely is gloating about his knowledge of the supposedly top secret 1956 Dodge cars.

Mercury Offers 13 New Models

1956 Cars to Be Shown Public on Sept. 29; Height Is Reduced

DETROIT (AP)—The 1956 model Mercury passenger cars, with new engines, new radiator grilles and lower silhouette, will be shown by dealers on Sept. 29.

Thirteen models will be produced in the Montclair, Monterey and Custom series. There will be a new low price two-door sedan in the Mercury custom series, called the "Medalist." Also added to the custom series will be a new six passenger four-door station wagon.

For standard and overdrive transmissions, Mercury will have an 8 to 1 compression ratio engine developing 210 horsepower. For its automatic transmission cars a 9 to 1 compression ratio engine developing 225 horsepower is provided. A third engine with 8.4 to 1 compression ratio is rated at 215 horsepower.

Dual exhausts are standard on Montclair and Monterey models and are available on custom models. All cars have 12-volt ignition systems.

Overall height of all models has been reduced by lowering the roof line. Door panels, quarter panels and seats have been restyled. More massive bumperguards and a new hood ornament featuring a bright finish block "M" with a winged effect and a Mercury head in the center have been added to the front end.

New safety features developed for the 1956 Mercury line include a new impact-absorbing steering wheel, with hub recessed six inches below the wheel rim; new door latches designed to keep doors closed in a crash and crash-resistant rear view mirrors.

As optional extra-cost equipment safety belts and padded instrument panel covers are offered. Power steering, power brakes, four-way power seats and power window lifts also are optional items.

Desert Murder Victim

PALM SPRINGS, Calif. (AP) — The body of a slaying victim found in the desert last Sunday was identified tentatively today as that of Mrs. Martha Dravage, about 45, of Santa Monica, Calif., and formerly of Detroit.

A friend, Mrs. Betty Lee of Los Angeles, a teacher at a secretarial school Mrs. Dravage had been attending, made the identification. Sheriff's Capt. Jack Kovely said **Mrs. Lee was able to identify the dress, sandals and brooch found on the woman's body in the San Jacinto mountain area, 17 miles south of Palm Springs.**

First permanent settlement in Oakland County was established on the site of Rochester Village, March 17, 1817, by Benjamin Graham and party according to information gathered by the Oakland County Planning Commission.

Order Frenchman to Remove Sultan

PARIS (AP)—The French resident general of Morocco returned today to his post with orders to put aside Sultan Mohammed Ben Moulay Arafa and set up a Regency Council.

* * *

Resident Gen. Pierre Boyer de Latour du Moulin had orders from Premier Edgar Faure to execute the first steps in a reform program which the government hopes will stop bloodshed in the rich and strategic North African protectorate.

* * *

A big question remained: Will the Sultan go?

* * *

Reports from Morocco told of demonstrations at Rabat, Meknes, Oujda and other parts of the country by European residents against the departure of Ben Moulay Arafa. French settlers mounted a guard around the Sultan's palace to "prevent" his leaving.

Buick Rushes Plant Expansion

1956 Models Displayed to Press, Radio and TV in Preview Today

FLINT (AP)—Buick Motors, third largest of the world's car makers, is speeding up its huge expansion program.

The company, which already this year has built and sold more cars than in any previous full year, expects to have a million-unit-a-year capacity within the next 12 months.

That will be just in time for what has been generally forecast as the year of the auto industry's billion dollar model changeover—the most far reaching in auto industry history.

Buick showed its 1956 models to representatives of the press, radio, television and trade publications today. The cars, restyled and with numerous engineering advancements are not yet in assembly line production.

Enough of the new models have been built however, for a two-day showing here to Buick's field organization, representatives of Buick's suppliers and employes and their families as well as the press.

PREVIEWS SLATED

On Oct. 1 Buick will start a series of dealer preview meetings throughout the country. These will be held at Los Angeles, Houston, Chicago, Atlanta, Detroit and New York. The New York showing, set for Oct. 28, will conclude the previews prior to the formal public presentation of the cars early in November.

Aly Knows Nothing About Rita's Plans

CANNES (INS) — Prince Aly Kahn, whose life as a playboy included a short term as Rita Hayworth's third husband, says he knows nothing about Rita's bringing their daughter Yasmin to Europe to visit him.

The wealthy Moslem prince said in Cannes yesterday he "naturally" looked forward to seeing his daughter "and if she comes she will be warmly welcomed wherever I am."

Aly added the opinion that 5-year-old Yasmin should have been brought to visit him "long before now."

The prince was scheduled to arrive in Paris this weekend for a month's stay.

Gotham Court Awards Damages to Injured Boy

NEW YORK (INS)—A $100,000 award was made by a New York Supreme Court jury yesterday to a 13-year-old boy injured in a city playground.

The boy, Salvatore Lavanco, was carrying a pointed stick, simulating a gun in a game of "cops and robbers" and injured his right eye when he fell. The jury held the city was negligent.

J. Waid Hood Taken by Death

Pontiac Merchant Dies Tuesday in California at Age 64

J. Waid Hood, 64, a former partner in Campbell & Hood meat market, died Tuesday morning of a heart attack while at work. He was associated with his son, Jack, in Helm's Motor Sales in San Fernando, Calif.

Born in Hart, Feb. 25, 1891, he was the son of the Elmer Ellsworth Hoods. In 1914, he was married to Frances Colpus in All Saints Episcopal Church.

Mr. Hood was a member of the Elks BPOE Lodge 810. Five years ago Mr. and Mrs. Hood moved to California and made their home at 735 Hewitt St., San Fernando.

Besides his wife and son, Jack, he is survived by two daughters, Mrs. William V. (Jane) Ferguson of Sylvan Lake, Mrs. Henry A. (Barbara) Lang of Sacramento, Calif. and seven grandchildren.

Other survivors are three brothers, Roy M. of Birmingham, Carl C. of Ypsilanti and Ernest K. of San Francisco.

Service will be held Friday in the San Fernando Funeral Home.

Frank Kline

Service will be held at 1 p.m. Thursday for Frank Kline, 91, at the home of his daughter, Mrs. Earl Turner, 221 N. Baldwin Ave., Bluffton, Ind.

Born Oct. 5, 1863, Mr. Kline was married to the former Grace Abram and lived for many years on Cass Lake Rd., Pontiac. He died yesterday in Bluffton after an illness of two years.

Surviving are two sons, Arthur and Dale Kline, both of Pontiac; his daughter, Mrs. Turner, nine grandchildren and 10 great-grandchildren.

Moore A. Peck

Services will be held at 1:30 p.m. Thursday in the Bush Funeral Home, Lansing for Moore A. Peck, 55, who died in Gila Bend, Ariz. after an illness of five years. Burial will be in South Bingham Cemetery, St. Johns.

Besides his wife, he is survived by one son, Harold Peck of Pontiac; two daughters, Virginia Rounding of Pontiac and Mrs. Harriet Cannady of Lansing.

Also surviving are two brothers and three sisters, Paul Peck of Jackson, Robert of Lansing, Lucy Gearheart, Mrs. Carrie Patterson of Wacosta, Mrs. Esther Wight and nine grandchildren.

Suggests A-Bombs in Quake Research

TOKYO (AP)—The International Geodetic and Geophysical Union wants to use atomic bombs in artificial earthquakes studies, the newspaper Asahi reported today.

Asahi said Prof. K. E. Bullen of Australia, chairman of the union's seismological section, asked Dr. Kiyoo Wadachi, director of the Tokyo Central Meteorological Observatory, for his advice on the project. Seven other experts in the United States, Russia, Britain and Switzerland were also queried.

Bullen tentatively suggested touching off four atomic bombs in the International Geophysical year, 1957, in the United States, Russia near Australia and in the Pacific Ocean.

Peace Outlook Good, Nixon Tells Firemen

OMAHA, Neb. (AP)—Prospects for peace are better than they have been at any time since World War II, but it's no occasion for relaxing vigilance, Vice President Richard Nixon said last night.

He told the International Assn. of Fire Chiefs there are three important factors leading to his conclusion. He cited the military strength of the free world, the potency of atomic weapons which confront a potential aggressor with disaster if his initial attack fails to destroy the ability of his adversary to strike back, and the fact people "desperately want peace."

But he asserted the government is not being lulled into a false sense of security by the recent conciliatory moves of Soviet leaders, adding the United States and the free world "are strong enough to meet and defeat attack by any potential aggressor."

Gerity Bares Loss, Sees Better Future

ADRIAN (AP) — The Gerity-Michigan Corp., of Adrian today reported a net loss of $705,881 for the fiscal year ending June 30, 1955, but predicted a profitable coming year.

In the corporation's annual financial report, James Gerity Jr., chairman and president, disclosed that net sales for the year were $14,645,072, as compared with $10,132,468 for the previous year.

The corporation's net loss in 1954 was $685,483.

Gerity said, however, the company is now operating profitably with a substantial backlog of orders in the automotive parts field.

The Day in Birmingham

To Build Shopping Center for East Side Residents

BIRMINGHAM — A new shopping center for Birmingham's east side will open next year, it was learned today.

To be ready for occupancy about the first part of 1956 will be four new stores, built immediately west of the Kroger store on E. Maple at the corner of Poppleton.

Plans for the buildings are still in the drawing board stage, but it was disclosed that 90 feet of West Maple avenue frontage would be developed, extending toward Hunter boulevard.

The structures will be of one-story construction, with a depth of at least 100 feet. Kroger's, for which a building permit was issued in October of 1952, is 140 feet deep.

Talk of the east-side shopping center started with construction of the Kroger building. Frontage on the north side of East Maple between Hunter and Poppleton is owned by Carl Barton.

About 195 feet of this will remain unoccupied between Hunter and the new project, with the stores to be leased by Grover C. Wolfe, Detroit leasing agency.

At a joint dinner meeting of the Recreation Board, Board of Education and City Commission at 7 p.m. tomorrow at Rotunda Inn, the commission will recommend a long-range, expanded recreation program which would include persons living within the school district.

An exception would be Springdale Park, which would keep its status of city-residents-use-only. As proposed, such a move would include financial participation by Bloomfield and Southfield Townships, parts of which are in the school district.

The commission suggestions will be the aftermath of a committee session held Saturday morning.

Bids for the Beverly Elementary School addition were received by the Board of Education last night and referred to the architect for recommendation. Base bids on all phases of construction ranged from a low of $213,624 to a high of $240,950.

Plans for Pembroke Elementary School addition received final approval with bids to be received Oct. 11. The board will also meet tomorrow morning for discussion of swimming pool revisions at the new Derby Junior High School.

Last night's meeting was adjourned until Tuesday night when bids on the $2,000,000 bond sale will be received. This is the first part of a $5,500,000 bond issue passed in June.

The suburban unit for the Metropolitan area's United Foundation Torch Drive today set a goal of nearly one and a half million dollars for this fall's campaign.

Birmingham, Bloomfield and Franklin are asked for 200 thousand dollars; South Macomb County, 176 thousand and South Oakland County, 297 thousand. The campaign begins Oct. 10 and runs through Nov. 10.

* * *

It will be a family picnic when members of the Wing Lake School PTO gather with their children at 6:30 tonight at the school. Slides and movies will follow in the all-purpose room when William McGuire, who directed this summer's first Wing Lake recreation program, gives a resume of recreational activities.

Mrs. Russell Chissus

Service for Mrs. Russell (Mary Louise) Chissus, 45, former Birmingham resident, will be at 2 p. m. Friday at the Manley Bailey Funeral Home, with burial in Southfield Cemetery. Mrs. Chissus, of 3045 Atlas, Keego Harbor, died this morning at Beaumont Hospital, Royal Oak. She had been an Oakland County resident for 28 years.

Besides her husband, she leaves a son, William, at home; two sisters and two brothers.

Dentist Maintains Mother Gave Him Legacy in Trunk

DALLAS, Tex. (AP)—Dr. Lester P. Higgins' attorneys questioned 22 witnesses yesterday in an effort to back up his claim that his mother left him $43,000 in cash in an old trunk.

* * *

The Internal Revenue Service contends the dentist earned the money in 1948 and 1949 and it is subject to income taxes.

Higgins, whose tax trial ended in a hung jury in 1954, says he got the trunk and money in the early summer of 1947 when his mother died. He said his mother put away cash gifts to him as a child and later saved the money he made as a small boy working at odd jobs.

* * *

Witnesses testified that some bank deposits Higgins made smelled musty and looked as if they had been stored for some time.

Dewey Beginning Globe Trip Saturday

NEW YORK (AP)—Former Gov. Thomas E. Dewey will leave Saturday on a plane trip around the world.

The two-time Republican presidential candidate said yesterday the four-week trip will be "entirely personal and not official in any way."

He will visit five countries for the first time — Turkey, Pakistan, India, Burma and Thailand. He also will stop in Italy, Israel, Jordan, Lebanon, Japan and Hong Kong.

He will visit government officials and look into political, social and economic conditions.

Average City Dweller Pays $64 in Local Tax

WASHINGTON (INS)—The Commerce Department says that the average city dweller paid $64 in taxes to his municipal government during the 1954 fiscal year.

This was three dollars more than in the previous year and eight dollars more than in 1952.

These figures cover the 481 U.S. cities over 25,000 in population—but do not include county governments, school districts or special authorities operated separately within the cities.

Probe Contract for $2.4 Billion

Solons Question AF's Dealings With Private Phone Companies

WASHINGTON (AP)—The House Appropriations Committee launched an investigation today of what House Democratic Leader McCormack of Massachusetts called a $2,400,000,000 "bonanza contract" between the Air Force and private telephone companies.

The Air Force replied that the contract plans had been fully reported to congressional committees earlier this year, and that Congress has already appropriated "substantial" funds for sites and construction of facilities. It said cancellation of the contract now might make the government liable for a penalty which could reach 222 million dollars.

* * *

At issue is a contract for conversion of the present air defense "semiautomatic ground environment (Sage)" system. The Air communications system to a Force contract is with a group of private companies headed by the American Telephone and Telegraph Co. and the Western Electric Co.

The companies would build the communications system and lease it to the Air Force at regular toll charges for a 10-year period. Engineering and construction work already is under way.

* * *

Chairman Cannon (D-Mo) of the Appropriations Committee ordered the inquiry after McCormack disclosed a ruling by Comptroller General Joseph Campbell that the contract lacked congressional authorization.

The Air Force confirmed this, but Asst. Secretary Lyle Garlock said Campbell had agreed to reconsider the ruling.

Name Birmingham Man Michigan Week Chief

BIRMINGHAM — Russel A. Swaney, 805 Redding Rd., has been named general chairman of 1956 Michigan Week, to be held next May 20-26. He is vice president of the Federal Reserve Bank in Detroit and served as Wayne County chairman of the observance last year.

Coney Island Fire Takes Four Lives

NEW YORK (AP) — Fire raged through four houses in Coney Island at dawn today, and casualty estimates ranged up to 7 dead and 12 injured.

Firemen made several dramatic rescues.

The fire was at Mermaid avenue and 15th street about one and a half blocks from the famed boardwalk.

One of the four houses destroyed was a rooming house.

Shades of Boot Camp! Marines Pound Stairs

ST. LOUIS (INS) — Lt. Col. John J. Jarvis, commander of the Marine recruiting office in St. Louis, has figured out a way to keep his enlisted men in trim condition.

He assigned a five-day-a-week flag-raising detail at the courthouse and said:

"Those stairs, 162 feet up—why, that's the best obstacle course downtown, and I don't want my men to get soft."

Curtice Will Address GM Executive Meeting

DETROIT (AP) — Some 600 top General Motors officials will meet in White Sulphur Springs, Va., Sept. 26-28 for a discussion of corporation policies and plans for the future.

Harlow H. Curtice, General Motors president, will preside over the conference.

Out of This World

Here's the Difference Between 'Spheres'

(This is the second of four articles on space travel by a science writer who visited secret U.S. rocket bases in New Mexico and talked to the world's foremost space scientists.)

By EDWIN DIAMOND

HOLLOMAN AIR FORCE BASE, N. M. (INS)—There will be no "Christopher Columbus" aboard the first space-bound ship if Lt. Col. John P. Stapp has his way.

* * *

Stapp is a doctor and one of the U.S. Air Force's top experts in the new space age specialty of biodynamics—measuring the effects of mechanical forces on living tissue.

Man, even the courageous Columbus type of explorer, is a fragile creature—from Stapp's point of view.

Stapp is chief of the aeromedical field laboratory at Holloman Air Development Center, a key Air Force rocket and guided missile research installation.

Last year, Stapp shot 632 miles per hour in a rocket-driven sled along a fixed steel track at Holloman. Within five seconds, he hit his peak speed and then was brought to a slam-bang, split-second halt. The result: new biodynamics knowledge, two black eyes and the title "The Fastest Man on Earth."

Stapp has participated in 26 other such "deceleration" tests, and has sustained two arm fractures, a rib fracture, a retinal hemorrhage and what is described as "moderate degrees of concussion."

He calls himself a "believer in practical space travel." Here are his views on the next step into space:

"I feel certain there is no ceiling on flight, but I am patient about how soon man actually goes on an interplanetary flight. When I say I believe in practical space travel, I mean this: It is easier, more valuable and better all around to transport instruments to the moon than it is to send up a man.

To show why he believes "man is the most expensive of beasts to send up into outer space," Stapp suggested adding a "physiological" definition of space to the old physical one.

ATMOSPHERE LEVELS

Based on present knowledge, the earth's physical atmosphere consists of four gaseous layers, one on top of the other. Starting from sea-level, they are:

TROPOSPHERE—up to about 35,000 feet: this is the densest zone, an "air ocean" surrounding the earth.

STRATOSPHERE—Extends to average altitude of 60 to 70 miles. At the top of the stratosphere is a ring called the ozonosphere, a high temperature region which absorbs ultra solar radiation.

IONOSPHERE — Between 70 and 700 miles out. Practically weightless space begins at 200 miles up.

EXOSPHERE — The "fringe area" which merges into airless, pressureless, empty, interplanetary space.

These layers provide a gradual transistion from our cluttered sea-level atmosphere to outer space.

EARTH'S LEVELS

But Stapp, basing his approach on what space scientists are learning about man's physiological construction, divides the earth's surrounding air into:

THE ATMOSPHERE— Up to 63,000 feet, or the point where "human blood would boil if a man were exposed for more than a few seconds."

THE EPISPHERE—From 63,000 feet to the 300 mile "escape ring"—or the point at which a vehicle can shoot into empty space and achieve a perpetual orbit around the earth if it has a "velocity of escape" fast enough to balance earth's gravitational pull.

To illustrate what these progressively higher layers mean to man, Stapp offers these typical human limitations:

NEED FOR OXYGEN—"After 10,000 feet, the normal breathing limit altitude, we must give man oxygen."

NEED FOR WEATHER CONDITIONING—"We also must protect man from temperatures below zero by giving him an electrically-heated suit to keep temperatures around 60 to 70 degrees Fahrenheit."

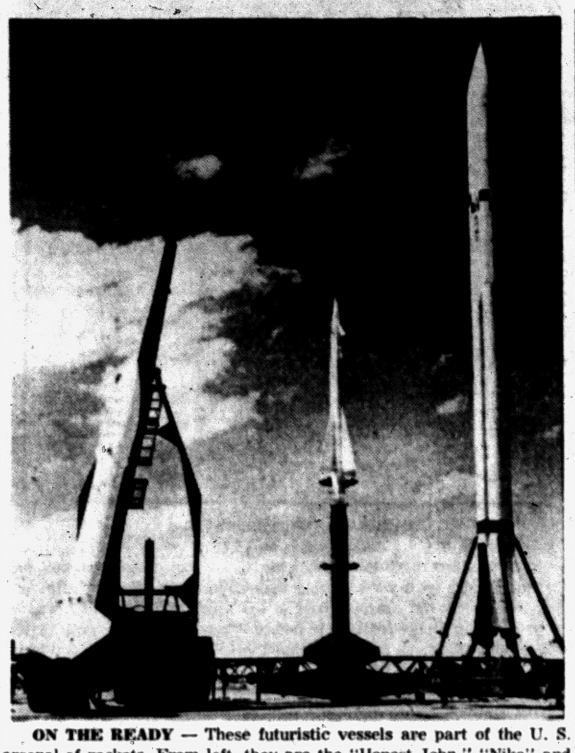

NEED FOR PRESSURIZING—"To prevent man's blood from boiling and consequent instantaneous death, we must provide a sealed cabin and design a pressurized space suit."

NEED FOR HUMIDITY CONTROL—"Humidity must be kept below 4 per cent within the sealed cabin." (To prevent suffocation.)

NEED FOR RADIATION PROTECTION—"Once we get out of the dense 'air ocean' surrounding earth, we would be exposed to the naked ultra violet and infra red rays from the sun."

NEED FOR ARTIFICIAL GRAVITY FIELD—"In order to counterbalance the effects of near-zero gravity as we leave the pull of the earth, we must give the vehicle some sort of spin."

NEED FOR ORIENTATION—"In weightless space, man will literally not know which side is up. It may be necessary to tie yourself into bed, squeeze a plastic bottle to get liquid out of it for drinking purposes and perform any number of fantastic feats in connection with the most simple human acts."

ON THE READY — These futuristic vessels are part of the U. S. arsenal of rockets. From left, they are the "Honest John," "Nike" and "Corporal." The main interest in these rockets now is military. But as U. S. government scientists study the human and mechanical problems of rocket weapons they also gain basic information for the eventual "Trip to the Moon."

Fireman Gobbles Fire for Relaxation, He Says

RICHMOND, Ind. (AP) — Most fires he goes to are too big, but fireman Harvey Noble can eat the little ones.

Noble, with the Richmond Fire Department 10 years, can put a flaming torch in his mouth without being burned, at least only rarely.

He says an old carnival man taught him the fire-eating trick 18 years ago.

When things get dull down at central fire house, the gang can always gather round and watch Noble gobble the little fires.

Sheriff's a Philosopher

OMAHA (AP)—The new city directory has an omission. It doesn't list the address of Sheriff Pat Corrigan among the county officers. But Corrigan isn't worried. He said, "most of the people we do business with know where we are. The problem is in locating them."

Records show that 6,421,233,806 tons for coa, iron ore, grain and limestone have been carried in Great Lakes ships in the last century.

OUR FRIENDS, THE BEES—3
Beeswax Has Many Uses

Bees produce more than honey for us — they make beeswax too.

This is very hard work. Young bees do it. They eat a lot of honey, cling together in the warmest part of the hive and buzz until flakes of the yellow wax exude from their bodies. These flakes are used by the bees as one might use cement to build their cells.

Bees have to have beeswax, and men are very glad to have it too. It is used to make candles strong. It is used in polishes, ointments and shaving creams. Dentists employ it in making impressions for fillings, and shoemakers to wax their thread. There are many other uses for this wonderful material.

For your collection, mount and color this picture too.

U.S. to Maintain Atom Race Lead

Military Claims Soviet Cannot Catch Up Until 1960 at Least

WASHINGTON (AP)—United States military chiefs have decided that this country holds a sound lead over Russia in the atomic arms race and can maintain it until 1960. They are not at all sure what will happen after that.

* * *

As a result, informants said today, the finding of ways to prolong this country's superiority in design and production of nuclear weapons, including long-range rocket missiles, has become a major project.

The White House, the State and Defense departments and other government agencies are at work on it.

A report recently completed for President Eisenhower by Dr. James R. Killian Jr., president of the Massachusetts Institute of Technology, is now in the hands of Eisenhower's scientific advisers. The President himself will study it later. It is concerned with "methods of mobilizing the nation's scientific resources for use in the event of an emergency."

STALEMATE EXISTS

At the present time a kind of atomic stalemate already exists between the world's two greatest powers.

What the Joint Chiefs of Staff and Eisenhower's leading scientific advisers are reported to fear most is the possibility that sometime by or after 1960, the Soviets might develop a new weapon which would give them for a time a clear advantage over the United States. This would break the stalemate and upset the balance of power.

* * *

The President and the National Security Council are understood to believe now that a spectacular Soviet gain in weapons would not necessarily be used by Russia's present leaders to start a military conflict. They could very well use it as the basis of a much tougher and more threatening foreign policy, however.

Japanese Archaeologist Unearths Ancient Cave

TOKYO (AP)—A limestone cave believed used by stone age men 10,000 years ago is being excavated by Japanese archaeology students near Otaki village in central Honshu.

Already a stone hatchet and other relics dating back 5,000 years ago have been found by students working under the direction of Prof. Nobuo Naora, archaeology instructor at Tokyo's Waseda University.

Beeswax Has Many Uses

Bees produce more than honey for us — they make beeswax too. This is very hard work. Young bees do it. They eat a lot of honey, cling together in the warmest part of the hive and buzz until flakes of the yellow wax exude from their bodies. These flakes are used by the bees as one might use cement to build their cells.

Bees have to have beeswax, and men are very glad to have it too. It is used to make candles strong. It is used in polishes, ointments and shaving creams. Dentists employ it in making impressions for fillings, and shoemakers to wax their thread. There are many other uses for this wonderful material.

For your collection, mount and color this picture too.

U.S. to Maintain Atom Race Lead

Military Claims Soviet Cannot Catch Up Until 1960 at Least

WASHINGTON (AP)—United States military chiefs have decided that this country holds a sound lead over Russia in the atomic arms race and can maintain it until 1960. They are not at all sure what will happen after that.

* * *

As a result, informants said today, the finding of ways to prolong this country's superiority in design and production of nuclear weapons, including long-range rocket missiles, has become a major project.

The White House, the State and Defense departments and other government agencies are at work on it.

A report recently completed for President Eisenhower by Dr. James R. Killian Jr., president of the Massachusetts Institute of Technology, is now in the hands of Eisenhower's scientific advisers. The President himself will study it later. It is concerned with "methods of mobilizing the nation's scientific resources for use in the event of an emergency."

STALEMATE EXISTS

At the present time a kind of atomic stalemate already exists between the world's two greatest powers.

What the Joint Chiefs of Staff and Eisenhower's leading scientific advisers are reported to fear most is the possibility that sometime by or after 1960, the Soviets might develop a new weapon which would give them for a time a clear advantage over the United States. This would break the stalemate and upset the balance of power.

* * *

The President and the National Security Council are understood to believe now that a spectacular Soviet gain in weapons would not necessarily be used by Russia's present leaders to start a military conflict. They could very well use it as the basis of a much tougher and more threatening foreign policy, however.

Peron's Ruthless Rule Cause of His Downfall

The four day revolt which brought the downfall of Argentine Dictator Juan Peron was no surprise to anyone.

The outbreak was foreshadowed not only by the revolt of mid-June, but the steady accumulation of grievances which have developed during the 10 years of his tyrannical rule.

★ ★ ★

It isn't yet clear what kind of government will replace that which collapsed with Peron's resignation and attempted flight. A military junta of 13 generals has been negotiating with the leaders of the successful revolt.

Confusion naturally is the dominant note in Buenos Aires. Yet the situation seems to promise the Argentine people the best hope they have had in a decade for a return to some form of constitutional government.

★ ★ ★

There can be little doubt that the two revolts against Peronism this year were direct results of the dictatorship's war on the Catholic Church. In his effort to force separation of church and state Peron expelled clerics from their homeland, had secret police hound individual priests and allowed mobs to destroy church property.

★ ★ ★

Public antagonism also was increased by declining trade and rising inflation. Besides these sources of revolt, there were Peron's ruthless destruction of press freedom and of civil liberties.

The full story of this uprising is yet to be told. But certainly what has happened so far is good news for all those inside or outside Argentina who believe in individual liberty and democratic government.

Saving Children's Sight

At least 5,200 children in Michigan this year will suffer accidental eye injuries which will impair their sight.

This is the timely warning to parents issued by the National Society for the Prevention of Blindness as part of its nationwide September Sight Saving program. Dr. Franklin M. Foote, the society's executive secretary, says that more than 90 per cent of eye accidents among children are preventable.

★ ★ ★

Continuing, his bulletin points out that sharp objects cause more than 25 per cent of such eye injuries. BB guns, slingshots and bows and arrows are responsible for 17 per cent of the more serious mishaps.

Among suggestions to help parents prevent injuries to their children's eyes is the very sound advice to avoid buying toys with sharp edges. Others are to make sure that toys are strongly made, nails which can work loose are dangerous.

★ ★ ★

Be sure that a child knows how to use a toy before he begins playing with it. Watch out for poorly constructed plastic that may shatter too easily and make sure that toys are suitable for a child's age.

Careful parental attention to such details might make the difference between efficient working lives and careers handicapped by impaired vision.

U.S. a Rice Exporter

Unless you are a close student of commercial geography, you probably don't realize that the United States is a large rice exporting country.

In fact, says the trade magazine *Think*, this nutritious grain is an important crop in Arkansas, California, Louisiana and Texas. Besides these states lesser amounts are grown in Mississippi, Arizona, Florida, Missouri and South Carolina.

★ ★ ★

Last year the Nation's total rice crop amounted to 58,853,000 bags. These weren't the ordinary one, two or three pound bags the housewife buys at the corner grocery or supermarket. They were the 100 pound bags which carry that traditional abbreviation cwt. Rice dealers have another name for the bags, cental, which means the same thing.

★ ★ ★

Most readers no doubt will be surprised to learn that United States ranks third as a rice exporting country. Only Thailand and Burma export more of this most easily digested and nourishing grain.

Passenger Parachutes?

From Britain has come news of a parachute leap which conceivably could pave the way for a great forward step in air safety.

According to an article in the London *Observer*, a British pilot was the hero of a dangerous experiment. Hardly had his jet plane left the ground when he pressed the button which ejected him from it.

Although his altitude was only 70 feet, the flier pulled his rip cord, his parachute opened at 30 feet from the ground and he landed uninjured. While similar experiments previously had been carried out with dummies, no flier ever before had bailed out so near the ground.

Beyond question this feat was more than noteworthy. Perhaps from it might come further tests which could point the way toward use of parachutes to save the lives of passengers on planes which crash during takeoffs or landings.

"Aw, What's the Use?"

David Lawrence Says:

Decision Not to Press for Reunification of Divided Lands Is Right Up Red Alley

WASHINGTON—This might some day be called the "new age of Noah," who took two of everything into the ark. For now there are to be two Germanys, just as there are two Chinas and two Koreas and two Indo-Chinas.

This means a continuance of the two Berlins for a long time to come. For there is, of course, to be no attempt at reunification anywhere by the use of force. This was the principle first laid down as American policy by President Eisenhower in his letter to Syngman Rhee early in 1953. It opens the way to political coercion and infiltration by the Russians, who have no further fear of military pressure.

Just as there were two Polands once and the western Allies agreed to a "coalition" by which the Communists got the upper hand, so today the Soviet aim still is unification—Russian style—for all areas that are divided.

Chancellor Adenauer felt he could do nothing else but agree to establish diplomatic relations with the Soviet Union if he were to overcome the criticisms of his political opposition. But the net result of his action is to present the world with the possibility of the same experience it has had with the Soviet Union when Poland was taken over by the Communists in Moscow with a phony setup. Two Polish governments were converted into a puppet regime.

ARMS DELAY

By establishing two Germanys, the Soviets can play one against the other and can make headway, particularly in West Germany by offering reunion to her at the price of giving up participation in the North Atlantic Treaty Organization. It means a delay in German rearmament. It means opportunities galore for political propaganda and infiltration by the Soviets.

The change which the Geneva Conference made in the world situation will become apparent sooner or later to those Western statesmen who have deluded themselves with the idea that they are dealing with a conciliatory Russia.

The Communists are pleased that any threat of the use of force in defense against aggression now has been abandoned. They are delighted that cuts in armament are being talked about by some of the Western governments.

For it means that they can conduct their subversive tactics anywhere in the world without fear of reprisals of any kind. They are confident that, by releasing group by group the citizens of other countries whom they have held as hostages, the way will be opened to a removal of the trade embargoes.

LOSE LEVERAGE

When the Western nations commit themselves never to use military force unless attacked, they have no leverage left in negotiations with the Communists except economic force. When they surrender this instrument of international policy also, they cannot prevent aggression or the use of Soviet agents to stir up rebellions in areas where the Western countries now have political strength.

Surveying the world scene, the Communists have succeeded in lulling the West into believing that tension will be relaxed and that somehow a peaceful change is cooking looking toward freedom rather than tyranny for those living in subjugation. But there is no evidence of it.

Despite the belief here in Washington that a "two Germany" setup can be utilized to the advantage of the West, the fact remains that the dismemberment or partition of Germany has become an established fact by the decision of West Germany to enter into formal diplomatic relations with Soviet Russia.

There is now no pressure upon Moscow to reunite the two because no military or economic force will be used by the West to attain that objective. Hence there is no reason for Moscow to agree to reunification. Partition means a weak Germany—and that's what the Soviet rulers want. They will have that advantage for a long time to come.

Germany's politicians now will begin to debate whether reunion at a price—no help from the West, and dependence on Russia—is better than the indefinite separation of West Germany from the East, but with continued help from America and Western Europe. It doesn't augur well for a free German republic under a single government for a long, long while.

Colleague, Brady at Odds Over Need for Iodin Ration

By WILLIAM BRADY, M.D.

It is discouraging to see a confrere called a quack, (writes a physician) and discourtesy will convince nobody, but some of us family doctors feel that, although you have done a creditable job of popularizing medical concepts, you lay yourself open to attacks like the one published when you recommend medication such as "The Iodin Ration" for lay readers.

★ ★ ★

We appreciate your desire to help people, but with harmless and almost inert medication such as "The Iodin Ration," the individual patient may think that if a little is good more is better and take enough to get into trouble . . .

Self medication of any kind, even a placebo, is not only dangerous but may lead to a loosening of the doctor-patient relationship, which I am sure you do not intend to sever.

(Signed—, M. D.)

If the iodin ration which I recommend for every man, woman and child is "inert" or a "placebo" it can hardly be dangerous.

TELLS REQUIREMENT

The physician states in his letter (not quoted) his opinion of the daily requirement of iodine, which, he says, the ordinary diet usually provides.

★ ★ ★

That is an arbitrary assumption. It is not consistent with the practice, recommended and approved by medical and health authorities, of adding iodine (potassium iodide) to table salt for general consumption.

This physician's quaint notion that an adequate daily intake of iodine constitutes "medication" is based on ignorance of nutrition—ignorance which has characterized many "statements" of eager beaver health and medical "authorities" in newspaper and magazine articles in recent years.

I have cited some of these "warning" here and challenged their authors to back the statements up with scientific evidence. No one has done so—I venture to say no one can do so, for the simple reason that there is no scientific evidence to indicate, for example, that vitamin D in any quantity I recommend, causes "calcium deposits" anywhere in the body; or that the use of borated talcum powder, or boric acid solutions, or boric acid ointment in the household is "dangerous."

★ ★ ★

Worse still, some of these half-baked guardians of the home have not seen fit to admit that they were misled by the conclusions in the original medical journal report of "poisoning" infants by absorption of boric acid from borated talcum, boric acid solutions or boric acid ointment applied to the skin of babies.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis or treatment, will be answered by Dr. William Brady if a stamped, self-addressed envelope is sent to the Pontiac Press, Pontiac, Mich.

(Copyright 1955)

Voice of the People

'Speeding More Serious Than Parking Violation'

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will not be published if the writer so requests unless the letter is critical in its nature.

Will the police department please explain why they will give a ticket for parking and not get the speeders? It isn't the cars parked by a curb or parked overtime at a meter that cause accidents.

I will say that when I needed the police they were Johnny-on-the-spot, but how about catching speeders? If you want a tip, park up by Collingwood. It's the number one race track and is also a dead end. Can't something be done?

Mrs. McDonald Voices Lake Street School View

As the school board denied the segregation charges, I want to ask why the white pupils were not put out of Crofoot School the same day the Negro children were?

Wednesday, Sept. 14, the whites were still going to Crofoot, two days after the colored were told to report to the Lake Street School. Some teachers in Lake Street School have 50 students in their classes.

That's unfair to students and teachers.

Salesman Has Key Role in Modern U.S. Economy

By MERRYLE S. RUKEYSER
INS Economic Commentator

Selling, which is the keystone of enduring prosperity, is more than a tool of commerce.

★ ★ ★

It is invested with human dignity as a major symbol of our free-choice economic society:

The salesman by act and word pays tribute to individual initiative and freedom of selection. The salesman's armor consists of the art of persuasion.

In a totalitarian, police-state setup, there is no need for genuine salesmanship. Basic decisions are not made by the customer behind the Iron Curtain, but by little commissars in big jobs who issue directives as to what should be produced and in what quantities.

Over here the function of the salesman lies in helping the customer, who is kingpin, to implement his power to choose.

★ ★ ★

In most lines, repetitive selling to the same customer is essential to success. Retaining a customer depends on delivering on all promises made.

SERVING OTHERS

Over and above legalistic technicalities, the salesman is worthy of his hire only if he concentrates on serving others by bringing to to their attention products and services which they want and need.

★ ★ ★

In the final analysis, in most enterprise, the best resource is an array of satisfied customers. The shyster salesman who pressures customers into buying unsuitable items is really wasting intangible capital.

Nicholas Kelley, general counsel for the Chrysler Corporation and a sage observer of corporate trends, regards the function of the salesman as one of fitting products to the customer's special requirements—a type of expert consultation service.

Contemporary businessmen reject the old doctrine of caveat emptor—"let the buyer beware." The new viewpoint reflects a new grasp of intelligent self-interest. Substantial profit and sizable going-concern value stem from pleasing customers—not from exploiting them.

★ ★ ★

In production goods—such as highly mechanized tools—this type of engineering-minded salesmanship has been developed to the highest degree. The vendors study a prospect's operations, and come up with equipment recommendations which are designed to more than pay for themselves in terms of efficiency-raising and cost-cutting.

SALESMEN WELCOME

Thus well-equipped salesmen are welcomed as purveyors of current economic intelligence. The placing of orders is in part an expression of a desire to have such drummers keep coming.

Incidentally, in this last generation, there has been a revolution in the treatment accorded to salesmen. Earlier in the century, drummers were treated as second-class citizens, who were as a matter of routine permitted to cool their heels for hours, waiting to see buyers.

Doctor Gives Bridegroom-to-Be Advice on How to Make His Marriage Last

Jerry is getting married, but he realizes that about 20% of other devoted couples soon enter the Divorce Courts. So he wants some surefire rules for staying happily married forever. Here they are, but you must work at them diligently, for happiness is never a destination. It is a method of daily living.

By DR. GEORGE W. CRANE

Case P-345. Jerry A., aged 25, is getting married next week.

"Dr. Crane, my sweetheart is a wonderful girl, and we love each other devotedly," he said.

"We expect to stay happily married as long as we live. But so do all those other young couples who enter wedlock, yet maybe 20% or more of them get divorces later on.

"So please give us the chief pitfalls to avoid and the formula for a permanently happy marriage."

HAPPINESS RECIPE

Happiness is not a destination. It is a method of living.

So don't look far into the future for a certain brief period of great happiness, as your two weeks' vacation next year.

★ ★ ★

Married couples should realize that every day is another "date" with your sweetheart.

All the happiness you will ever experience is today, for tomorrow never comes!

So make it a rule to mix fun and work and play and worship into the formula for each day's living.

Marriage is a complex career for both husband and wife. It requires not only devotion but hard work and patience to make a wedding endure.

Even roses have thorns, so the happiest young couple will often be short-tempered, irritable, caustic and explosive at times. Therefore, consider the following rules for a permanently happy marriage:

SPELL LOVE OUT

(1) Verbalize your love for each other every day. This means say it! Don't expect your wife to know you love her just because

you toss your weekly pay check into her lap or come home faithfully each night.

★ ★ ★

(2) Be active together in the same church and center your social as well as religious activities in it. You don't need to belong to many clubs and other organizations if you do this.

Furthermore, your children benefit far more from viewing their parents active in the life of the church than in seeing them in ritzy country clubs, lodges or other social organizations.

(3) Beware of the four dangerous hungers, for quarrels quickly arise when people are hungry for sleep or for food or for affection or for ego inflation.

APPETITES DIFFER

And, wives, please remember that husbands not only have a far greater demand than you do for meat and potatoes, as well as other table calories, but they have a far greater desire for erotic calories.

★ ★ ★

Since divorces usually start in the bedroom, be sure to feign ardor in order to make sure your husband's greater love hunger is satisfied.

Well-fed husbands are seldom tempted either by outside restaurants or sirens!

It is the hungry husbands who are most susceptible to outside temptation.

(4) Operate your home on a rigid budget and if the wife is a normally intelligent, experienced American woman, let her serve as treasurer of your family corporation.

A wife is entitled to half the cash surplus after all normal expenses are met. This doesn't mean you can give her $200 per month to run the house while you pocket the balance.

Give your wife all your pay check. Then budget it and if there is any left, you can split 50-50.

HAVE TOTS IN PAIRS

(5) Have your children in pairs, spaced 18 to 24 months apart. And, men, don't think that earning a pay check is your sole parental duty. You should play with the children and help care for them too.

For further advice, send for my 200-point "Tests for Husbands and Wives," enclosing a stamped return envelope, plus a dime.

Rate yourselves thereon each month to keep yourselves on your toes. Happy marriage demands hard work.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and a dime to cover typing and printing costs when you send for one of his psychological charts.

Super-Salesgirl Beats Drum for New York

By PHYLLIS BATTELLE

NEW YORK (INS)—Gentlemen: Should an attractive brunette approach with a gleam in her eye and try to sell you the Empire State Building—do not call a cop.

* * *

This girl may be leveling with you. She may be Eileen Durning, the official, accredited press agent for New York state. Selling you on the rocks and rills, the burgs and bars, the Empire State and its concrete country cousins is not her racket. It's her job.

"And, man what a job it is!" she says, unzipping her briefcase and pulling out multi-colored brochures. She doesn't say it in a complaining way. What she means is "I love the joint!"

It's a unique position for a woman to hold, being top public relations officer for a state, and bossing a staff of 100 men, but Gov. Averell Harriman knew what he was about when he appointed 35-year-old Miss Durning to the post.

* * *

"It's a job," she says, "that requires a minimum of nerves—the jittery kind—and a maximum of nerve—the immodest kind. You travel anywhere planes or trains can take you, and you brag and brag and brag until you think somebody's sure to slap your wrists and say, 'Now that's just about enough. Learn a little humility!' "

No one, however, slaps the gesturing extremities of Miss Durning. For one thing, she's too darn freckle-facedly cute. For another, her bragging is so obviously heartfelt and statistically correct.

KNOWS HER FACTS

For instance, when she tells folks that New York City is a nice place to visit—and a magnificent place to live—she can click off 50 reasons a minute to back up the statement.

* * *

"Why the best culture concerts architecture business opportunities chances to be happy lonely successful lucky whatever you want plus scenery magnificence talents glamor quiet subways nickel coffees great restaurants theater subways parks free symphonies everything, and a Democratic mayor."

Miss Durning is a Democrat, among many other things.

A properly brought-up young woman (Bryn Mawr and so on), she began being an active volunteer Girl Friday for the aforementioned party at age 12. Her father, Harry Durning, was collector of customs for years and, as Eileen describes it, "We were always going to daddy's con-ven-shuns."

When she finally finished a long education by getting a master's degree in economics at Columbia University, she joined the staff of "Fortune" and later "Time" magazines, flying all over the world as a researcher. "Every time I saw another country, I got homesick for the U.S.," she remembers dewily.

* * *

"And every time I saw another state, I got hungry for New York."

So her devotion to state and party won her the present job and statuesque Miss Durning has already proved that enthusiasm can win friends and influence businessmen. This summer's tourist business is bigger than ever, and business expansion has increased nearly 25 per cent since '54.

* * *

Miss D. is a kindly girl, so she refuses to take digs at the 47 other states. But she did let go the opinion that whatever other states have to offer, New York usually has more and better of.

Except some states, "which shall be nameless," in the Southwest.

"As far as I know," she said sweetly, "we have none of those gila monsters."

'White Man Crazy' Wins Essay Contest on Soil

QUEMADO, N. M. (AP) — State Sen. I. N. Curtis, came up with an essay which he said won a contest on soil conservation for an Indian:

* * *

"White man crazy. Cut down trees. Make big teepee. Plow hill. Water wash. Wind blow soil. Grass gone. Door gone. Windows gone. Whole place gone. Buck gone. Papoose gone. Squaw too. No pigs. No corn. No plow. No hay. No Pony.

* * *

"Indian no plow corn. Keep grass. Buffalo eat grass. Indian eat buffalo. Hide make teepee. Make moccasin. Indian no make terrace. No build dam. All time eat. No hunt job. No hitch hike. No ask relief. No shoot pig. Great Spirit make grass. Indian no waste anything. Indian no work. White man loco."

City Gets Letter on Annexation

Retail Merchants Urge Shopping Center Effect Undergo Study

The City Commission last night received and filed a letter from the Retail Merchants Assn. urging a complete study of annexation, including the impact of outlying shopping centers on established businesses.

Action was taken at last week's Commission meeting to have a survey made of proposed annexation needs and a plan for future annexation drawn up after the Chamber of Commerce made a suggestion similar to the merchants'.

The association had vigorously opposed annexation of a 145-acre shopping center site, which lies along Pontiac's southern boundry in Bloomfield Township, on the grounds such action would promote development of the center.

The center's developer has since "temporarily withdrawn" his annexation request and the Commission tabled action on it last week.

Contacted yesterday, the developer, Bernard Edelman, of Detroit, said he would have information on the project in a week or 10 days.

Bloomfield Supervisor David E. Anderson reaffirmed yesterday that he had received no more word from Edelman regarding the site since Edelman appeared before the township board a week ago, asking that any action be tabled.

Trials, Tribulations of Poor Cab Driver

FARMINGTON, N. M. (AP) — The troubles and tribulations of a taxicab operator, E. E. Shipley recently told the town trustees, are almost unlimited.

• • •

Appearing to talk about a new franchise, Shipley told the town fathers that it's automatic when someone loses something, it was lost in the cab he took home — but they may not tell anyone for several days.

He told of town housewives ganging up to beat a 10 cent extra charge for hauling the week's groceries home — and said he now has a practice of charging 10 cents extra per bag of groceries.

He says a customer calls to ask the fare to his home "about a mile and a half from town," winds up kicking because the fare is so high when he takes the cab seven miles from town.

But the real straw, Shipley said, was the Texan who accused him of stealing his turnip greens.

Flanking him are Lt. Cols. Frederick Hawksworth, assistant state senior Army adviser; and Lloyd A. Gabler, commanding officer of the 703rd. Maj. Grotelueschen, a veteran of World War II, recently completed an advanced course for officers at Ft. Knox, Ky. He will reside in Royal Oak. Col. Hawksworth, based in Detroit, was on hand at the regular reserve meeting Monday night to explain the recently adopted reserve act to men of the unit.

Troy Well Perils Supply, 6 Township Residents Say

Six Troy Township men allege in an Oakland County Circuit Court suit that failure to cap a flowing township well threatens to dry up their homes' water supply.

Suing the township are Carl W. Campbell, 5905 Niles Rd.; John S. Davis, 370 W. Square Lake Rd.; Charles R. Belyea, 201 Heldane St.; David V. Sprott, 207 Heldane; Sherwood E. Smith, 345 W. Square Lake and Asheal E. Smith, 55 Florence St.

They claim they each have a private flowing well furnishing their homes with water.

The township's well No. 4, they assert, is within a half mile or less of theirs. It has been allowed to flow free, they claim, and unless capped will ruin their private supplies.

The township plans, they allege, to pump water from No. 4 to other residences, businesses and industrail plants. Mechanical pumping would ruin all free flowing wells in the area, they declare.

A court hearing is set for Sept. 26 at which the township will attempt to show why it should not be ordered to cap the well and refrain from pumping it mechanically.

WE HAVE GREAT FAITH IN O-JIB-WA BITTERS SAYS DETROIT COUPLE

Mr. and Mrs. Albert Carr, 16703 Pierson St., Detroit, both used O-JIB-WA BITTERS and found the relief that they wanted.

"I suffered for about four months with a sharp pain in my right shoulder and arm. When I moved, it pained so much that I had trouble fastening my clothes. I tried massaging my arm and other treatments, but it didn't help at all. My husband too was ailing, as he was bothered with rheumatism in his legs and could hardly get around. He could walk, but every step was painful. We both had trouble sleeping nights because our aches and pains were so bad. My sister told me about O-JIB-WA BITTERS helping her rheumatism, so we both decided to try it. It took a couple of weeks before it helped us very much, but within two months, we were both well again. My arm is as good as new, and my husband isn't bothered any more either. We sleep well nights and feel better in every way. We have great faith in O-JIB-WA BITTERS because of the wonderful help it gave us, and are glad to recommend it to all who suffer as we did.

10 PAYMENT BUDGET PLAN for FUEL OIL PURCHASES!

CHURCH'S Inc.

AUBURN HEIGHTS, MICHIGAN Phone FEderal 2-0233

107 Squirrel Road

Dear Customer:

Remember how those fuel oil bills came at just the wrong time last winter . . . especially around Christmas?

Now you can avoid high fuel bills by using Church's convenient FUEL OIL BUDGET PLAN . . . at no extra cost to you.

Here's how the plan works.

Church's estimate how much fuel oil you'll use during the next heating season (based on past delivery records). Then we calculate your total fuel bill for the season and divide it into TEN EVEN MONTHLY PAYMENTS. The first payment is due in September with the same amount due each month thru May.

At the end of the heating season, we compare the ACTUAL COST of the fuel oil delivered to your tank with the total paid into your Budget Plan account. If there is a credit, you get a refund. If there is a balance, you receive a final bill.

What's more . . . there's no service charge for this convenient Budget Plan. IT DOESN'T COST A CENT to spread your fuel oil cost evenly over ten months. This is another free Church's, Inc. service designed to give you heating comfort without a care.

Cut those big fuel bills down to size the easy Budget Plan way by signing and mailing the coupon below. If you prefer, just call FE 2-0233 for details.

Yours truly,

Court Decision Talk Held Over

City Commission Plans Zone Ordinance Study at Informal Meeting

Discussion of a Circuit Court decision against the city's zoning ordinance in connection with a plating plant was referred to next week's informal meeting by the City Commission last night.

City attorney William A. Ewart reported to the commission that Circuit Judge Frank L. Doty ruled that the zoning ordinance as applied to a plating plant at 61 Short St. was "unreasonable in view of the location of the property."

The owner of the plant, Manley Young, previously received approval from the City Planning Commission on a request to rezone his property to manufacturing classification. It is presently zoned residential.

According to Ewart, Judge Doty agreed with the Plan Board that the property should be rezoned to manufacturing.

In July, 1953, Young was ordered by the city building inspector to discontinue operations. A month later his request for a zone change was rejected by the Planning Commission, which advises the City Commission. The commission concurred with the planners and turned down the request.

But later, a second request was filed and the plan board sanctioned it. The commission refused to act on the board's recommendation, however.

Before agreeing to send the matter to the informal meeting, Commissioner Floyd P. Miles (District 4) commented:

"I don't know what good the city zoning ordinance is. We might as well throw the whole thing out . . . Every case we have is thrown out (of court)."

Miles suggested that the case be appealed to a higher court.

Cause of Explosion Still Undetermined

Monday's explosion and fire at the Dynamic Manufacturers Inc. plant in Troy Township caused $50,000 damage but what triggered the blast still remained a mystery.

"We've been checking the building along with men from the state fire marshal's office, but we haven't been able to find out what caused the explosion," said personnel manager James Walz, who made the damage estimate.

Although the 300-foot sheet metal building housing the paint department will be out of operation for some time, regular production schedules will continue, Walz said.

Two employes, hospitalized after the explosion, are recovering at St. Joseph Mercy Hospital. Two other victims were treated and released for minor burns.

A national monument is being established at Harpers Ferry, famed for John Brown's raid and Civil War fighting.

Paving to Start on W. Long Lake

Job Behind Schedule, but Blacktopping Will Begin Next Week

Increasing protests from persons regularly using West Long Lake Road today brought admission from an Oakland County Road Commission spokesman that the contractor on this job is several weks behind in his work.

Lee O. Brooks, member of the commission, told the Pontiac Press that the completion date for the contractor doing the grading, widening and drainage work was Aug. 15.

However, this part of the job still is only 76 per cent finished and the Road Commission now has given him until Oct. 30 to complete this work. Max R. Frisinger of Ann Arbor is the contractor.

"Another contractor will lay the blacktop," said Brooks. "He will start work next week and, barring unfavorable weather conditions, should finish his work in 10 days except for one stretch which cannot be laid until next spring because of a drainage problem.

"This is a stretch of several hundred feet just east of Franklin road, which will be graveled and allowed to settle through the winter," Brooks explained.

Protests have been received by the Press to the effect that the contractor had not kept sufficient men on the job to meet his scheduled completion date.

Brooks said he was not sure whether the fault lay with the contractor or with the commission setting the original completion date. However, he said the contractor had moved a few men from Long Lake to another job recently.

Brooks stated that the repair resurfacing work on Orchard Lake Road between Pontiac Trail and Commerce road would be pushed so as to interfere as little as possible with traffic, since this is a major route for Pontiac traffic going to football games in Ann Arbor starting this week.

Sizzling Summer Causes Bermuda Craze for Men

BALTIMORE (AP) — The Baltimore Optimist Club, whose members sizzled through the hottest summer in the city's records this year, has taken a stand in favor of Bermuda shorts for men.

The vote was taken at a symposium in which the Optimists saw shorts-clad enthusiasts present the pros and trouser-wearing old guardsmen argue the cons.

Among those arguing in favor of shorts was a gray haired investment broker. He appeared in shorts for formal wear.

The decision was:

Unqualified approval of the shorts for sports or around the home.

Qualified approval for dressy occasions, depending on where they are held.

No for downtown business wear.

Qualified yes for suburban business.

Windstorm Injures 28 at Texas Fair

AMARILLO, Tex. (AP)—A windstorm whipped through the Tri-State Fair last night and leveled the carnival midway, injuirng at least 28 persons.

None of the injured were believed in a serious condition.

Bill Hames, midway operator, estimated damage at more than $50,000.

Property damage was extensive throughout this Panhandle city. Winds were measured at up to 45 miles per hour. Trees were uprooted and roof damage was heavy.

Hospitals Urged to Aid Long-Term Patients

ATLANTIC CITY, N.J. (AP)—Dr. Leonard A. Scheele, U.S. surgeon general, says hospitals should perk up long-term patients instead of letting them fade away.

Speaking before the American Hospital Assn.'s annual convention, Scheele declared the aim is to restore the long-term patient and maintain him "at the highest levels of health and social effectiveness."

"We must get away from the notion that the long-term patient remains most of his days in a state of slowly creeping deterioration," he said.

Ferris Dorm Begun

BIG RAPIDS (AP) — Work is under way this week on a 285-bed dormitory for women students at Ferris Institute. Low bid awards were given to the Strom Construction Co. of Grand Rapids at a cost of $900,000. The building is expected to be completed in a year.

CIO Spokesman Asserts Benson Erred in Answer

WASHINGTON (AP) — A CIO spokesman today termed "sour grapes" Secretary of Agriculture Benson's contention that wage increases have been partly responsible for the farm price-cost squeeze.

* * *

"Mr. Benson's knowledge of the economic facts of life seems to be as limited as his appreciation of the farmer's problems," the CIO spokesman said. He preferred to remain anonymous.

"The fact is that when workers get more money they pump that money right into the economic bloodstream. They don't siphon it off. They spend it primarily for food, the products of agriculture."

* * *

Benson said in a New Orleans speech yesterday that for the past 4½ years farmers have been squeezed between high operating costs and declining farm prices.

He said increased profits to industry and higher wages for labor have in large part "been siphoned from the economic bloodstream at the expense of agriculture."

Jury Eyes Threats Against Negro Boy

TAHOKA, Tex. (AP)—A grand jury today was to consider reported threats against a 16-year-old Negro admitted to Tahoka's formerly all-white high school.

The boy, Andrew Nance, recently was elected vice president of the junior class by fellow students. He told officers he was accosted by three Tahoka men who threatened him with "personal harm" if he attended school.

County and district attorneys yesterday called the grand jury into special session over the incident and said in a statement: "The issue before the grand jury will not be desegregation, but squarely whether or not mob violence can be substituted for duly constituted authority."

Blue Grotto of Capri Yields Big Naval Mine

CAPRI (AP) — The famous Blue Grotto on the Isle of Capri kept a secret from the thousands of tourists from all parts of the world who have visited it since the last war.

Smack in the middle of the grotto was a big naval mine. The Italian navy fished it out yesterday and disposed of it. Apparently the mine drifted in from wartime defenses of Naples Bay.

Colorfully Dressed Burglar Robs Store

PASADENA, Calif. (AP) — Sherman Sykes, 60, was robbed of $100 yesterday in his gift shop by a vividly-dressed gunman.

Within minutes Sykes had given police an equally vivid description of the gunman. The robber wore a gray suit, dark blue shirt and a bright, solid red necktie.

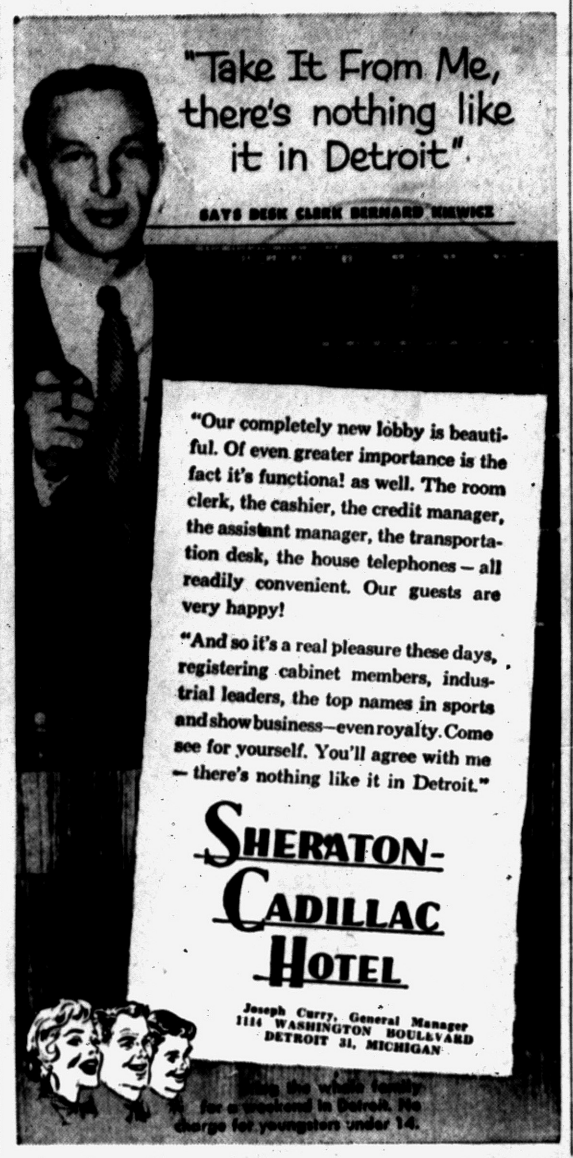

It took police no time at all to bring in a man who fitted the description perfectly.

"Oh, no! Not him!" exclaimed Sykes. "He's my best friend."

Police are looking for another guy with a flair for colorful haberdashery.

Resigns Official Chair

TRAVERSE CITY (AP) — Former Mayor Charles Round has submitted his resignation as a city commissioner after 2½ years on the commission. The move was effective Monday night. He declined to give a reason.

Little Dwight's Maternal Grandfather Enrolls in University College of Law

GAINESVILLE, Fla. (INS) — Little Dwight David Eisenhower II's granddaddy is going back to school.

That is, his maternal grandfather, retired Colonel Percy Welter Thompson—not his other grandfather, the President of the United States.

* * *

Col. Thompson has enrolled in the University of Florida's college of law.

His daughter, Barbara Jean, married Major John Eisenhower, only son of the President.

Colonel Thompson said he "has always been interested in law" and intends to get his degree although he has no plans ever to hang up his own shingle.

Mrs. Thompson, 53, thinks her husband's school plans "are just wonderful" and plans to take a few courses in music herself.

Not having attended civilian school since his graduation from Purdue in 1925 with a bachelor of science in chemical engineering, the 56-year-old colonel said he will probably "feel like a man who has had a private secretary for years and then finds himself without one.

REMARKABLE MAN

"Someone else will be giving the orders and I'll be doing the work," he said, "Whereas for the last 30 years, it's been just the other way around."

As to David's other grandfather, Colonel Thompson believes the President to be a "very remarkable man of very high principles; best president we've ever had; and a very unassuming and friendly man. He's also a good father-in-law for my daughter."

Referring to recent newspaper reports that young David was a "chip off the old Eisenhower block," the Colonel said he was "inclined to agree," but added: "We do see a lot of Barbara Jean in David too."

IN-LAW RELATIONS

Thompson, with a warm chuckle, also said that he was afraid the "President of the United States presents uneven competition with me for David's affection."

In-law relations with the number one family are just like those of any other American family, the Thompsons said.

"We see them quite often and discuss family matters and everything in general," Mrs. Thompson said.

"We seldom discuss politics," the Colonel volunteered.

The Colonel's treatment as a prospective "freshman" law student has been the same as that given any other prospective student by university authorities. While waiting for classes to begin the Thompsons were busy unpacking household goods and getting resettled in a Gainesville home they bought some years ago.

* * *

Col. Thompson, whose recent assignment was with Fifth Army Headquarters in Chicago, holds decorations which include the Legion of Merit with one Oak Leaf Cluster, Silver Star, Bronze Star with two Oak Leaf Clusters, Air Medal and the Korean Chungmu Distinguished Military Service Medal.

* * *

Besides their famous daughter, the Thompsons have three other children: Joe, Captain in the Air Force; Mary, recent graduate of Lake Forest (Illinois) College, and Richard, a West Point Cadet.

Bar Owner Must Pay

BOSTON (UP)—A tavern owner is responsible for the safety of a customer who gets in a fight resulting from a television program, Supreme Court Justice Harold P. Williams ruled yesterday. He upheld a lower court award of $3,000 to Pasquale Greco who had called upon a boisterous fellow-patron at Sumner Tavern to be quiet during a television program. The man broke Greco's leg in the ensuing battle. The jurist said the tavern owner should have exercised reasonable care for Greco's safety.

Hospital's Cornerstone Get 'Two Cents Worth'

RICHMOND, Va. (UP) — A workman stepped up just as dignitaries at a hospital cornerstone laying were about to seal a metal box to stow away for posterity.

* * *

"May I put in my two cents worth," he said. And he did.

He dropped in two pennies, soldered back to back so they always came up heads.

* * *

"For luck," he observed and went about his business.

Thou Shalt Not Steal

UPLAND, Calif. (UP)—Henry Calvin Yahn, 27, was in the habit of wearing a choir robe and carrying a Bible when he went to church. Yesterday he was arrested on suspicion of burglarizing four churches. Police accused him of taking more than $300, typewriters and movie projectors.

Ferndale got its name from the great profusion of ferns in the primeval forest that covered that area.

Many Works of Noted Sculptor Treasured at Cranbrook

ORPHEUS FOUNTAIN—The original fountain was made at Cranbrook for the square in front of the Concert Hall in Stockholm, Sweden. The eight figures shown here in front of library and galleries of Cranbrook Academy of Art are from the same casts. They are all symbolic risen dead except Beethoven on the left with arms raised and elbows bent.

JONAH AND THE WHALE FOUNTAIN—This was Milles' first major work done in America. It depicts Jonah emerging from the mouth of the whale. Scenes from the Biblical account of Jonah's life are shown in the base of the fountain. The fountain sculpture stands at the top of Cranbrook's large free form pool, which is now called "Jonah Pool."

EUROPA AND THE BULL—This sculpture stands at the head of three terraced pools in the shadow of Cranbrook Academy of Art's peristyle. According to Greek legend Europa was the daughter of a King of Phoenicia whose beauty fired the love of Zeus, the King of the Gods. He approached her in the form of a white bull and carried her away to the Island of Crete where she became the mother of three legendary heroes. On Milles' 80th birthday, this past June 23, Europa and the Bull was bedecked with a large wreath of roses.

Sculptor's Work at Cranbrook

Milles Spent 21 Years There, Left Many Fine Creations on Grounds

Carl W. Milles, world famed sculptor who died Monday at his home at Lidingo, Sweden, left his mark on Cranbrook Institutions in Bloomfield Hills in generous measure. More than 70 of his works are found on the Cranbrook grounds.

Milles was resident sculptor and head of the department of sculpture at the Cranbrook Academy of Art for 21 years, from 1929 to 1950. While there he created many of the large fountain groups now standing in major cities of Europe and the United States.

Cranbrook took special note of his 80th birthday last June 23, with ceremonies on the grounds by one of his works, and a special exhibition of his sculpture in the Cranbrook galleries.

The sculptor continued his work after leaving Cranbrook, at a studio in Rome. In 1954 he wrote from Rome: "I am working as a slave or a horse, having enormous work always over me . . . which in the same time is my happiness . . . I am going to make new things for Europe as for the U. S. A. but I start to be a bit tired now. I cannot run as before up, ladders, moving up and down."

Cranbrook's treasure of Milles' work, on its grounds and in the buildings of the six institutions, is the largest such collection except that at his home, which is now a national park in Sweden.

SVEN HEDIN ON A CAMEL—This piece which depicts Milles' friend, the famous Scandinavian explorer, Sven Hedin astride his camel gazing through a sextant, is located outside the entrance to Cranbrook Institute of Science. It is symbolic of the Institute's dedication to the natural sciences. According to Milles, "The monument was intended for Sweden, but they will never put it up. I will keep the cast and after I am dead they will order it."

Grandma Slams $32,000 Pitch

Mrs. Power Bats Back All Diamond Questions; May Take Big One

NEW YORK (AP)—Grandma Myrtle Power, the baseball sage from Dixie, has kept up her perfect batting average by hitting safely on the $32,000 question.

* * *

Drawing on her amazing diamond lore again last night, she identified six major league players who collected 3,000 or more hits in their careers.

Hal March, master of ceremonies on The $64,000 Question CBS television show, gave her Ty Cobb as one of the seven who made that mark and asked her to name the others.

SHE NAMES 'EM

Slowly but without missing a swing, she named them — Cap Anson, Tris Speaker, Honus Wagner, Eddie Collins, Napoleon Lajoie and Paul Waner.

The 70-year-old baseball fan from Buford, Ga., who has been working as a housekeeper, can keep the $32,000 or try for the grand slam $64,000 question next Tuesday night. If she goes to bat and strikes out, she'll get a Cadillac for a crying towel.

When the master of ceremonies told her she had a week to make up her mind, she inquired with a smile: "Can I answer it now?"

March threw up his hands. "You almost blew a whole program," he told her.

It was the fourth appearance on the show for Mrs. Power, a baseball fan for 60 years.

Another baseball fan went to bat for the first time last night.

Patrick J. Keough, St.Louis, got to the $2,000 mark before time ran out. Keough, 62-year-old assistant plant manager for the St.Louis coke plant of the Great Lakes Carbon Corp., can go for the $4,000 question next Tuesday night.

After last night's show, Mrs. Power told newsmen that she had a good luck penny in her shoe and wore a locket containing the Lord's Prayer.

Mrs. Power, who wore the same black dress she had worn in previous appearances, explained: "Ballplayers don't change their undershirts when they're on a winning streak."

Farmer Will Pay Interest, but Not Government Bill

CHICAGO (AP)—Though still not admitting he owes the government a cent, farmer William Howard Yearton has agreed to pay $272 principal and interest on a 20-year-old feed and seed loan.

After a conference at the district attorney's office last night, Yearton, 47, of the Virgil community, near Chicago, promised to mail the government a certified check today.

The government contends that Yearton borrowed $100 from the old Farm Credit Administration April 1, 1935.

Nettled at his refusal to pay the $100, plus interest now figured at $172, government attorneys a week ago took him into federal court.

At that time, he denied borrowing the money but said he would pay up if the district attorney could show him proof that the loan was made to him. On that condition, the case was continued.

Yearton conferred last night with Asst. U.S. Atty. Edgar B. Elder.

After studying a folder bill of documents, including an application with his name signed to it and 14 letters from government officials demanding payment, Yearton said okay, he'd pay.

But he still didn't admit liability. Neither, Elder said, did he deny it this time.

Negro Writer Counters Commie Taunts

WASHINGTON (AP) — Leon E. Wright thinks he has an answer to Communist taunts that the Negro still has no chance to advance in this country.

* * *

Why not, he asks, let the people abroad meet a native Bostonian who was orphaned at 8, who got another jolt when his beloved grandmother died when he was 12, and yet who became a language expert, preacher, author and probably the first Negro ever to teach in a white graduate school in the South?

* * *

Why not, indeed?

So Dr. Leon Wright has signed on with the U. S. Information Agency to help explain this country abroad.

* * *

"I expect to emphasize the positive," Wright said today. "Sure, I have been discriminated against. But I also have had a lot of help, or I wouldn't be here."

DOWN TO NOTHING

Wright uses as an example one dark day when he was in high school. He was completely out of money, and had decided to drop out and go to work. He checked out with each teacher until he came to the last one.

* * *

"'Why, Leon,' he told me, 'You can't do this. You're an A student.' And he took me down to the principal's office, and finally it was arranged so I could stay in school."

* * *

When he graduated from high school, he tried out for the Harry E. Burrough newsboy scholarship to Boston University.

* * *

"Most of my students are from the South," Wright said, "I think we have learned to love one another, not in the mushy sense but in the biblical meaning of the word, with mutual understanding and respect.

DO MOST GOOD

Wright doesn't know where he, his wife and two children will be sent, but he hopes it's to a spot where the Communists are hammering away on minorities. "That's where I can do the most good," he said.

As he talked, Wright kept fetching letters, books and newspaper clips — some of them dating back 25 years — from his briefcase.

"When you have no family to pat you on the back," he said, "you get into the habit of hanging on to these things. I'm a conservationist."

A reporter noted one letter was scorched in a couple of places.

* * *

"Barely got that back in time," Wright said. "My wife is not a conservationist."

Released Texan Fails to Leave Red China

HONG KONG (AP)—No Americans arrived at the Hong Kong border today aboard the daily train from Red China, border police reported.

* * *

U. S. consular officials had expected the return from Communist captivity of Dilmus T. Kanady, Houston, Tex., cotton man. He is the only one still to come of 10 American civilians whose immediate release from prison or house arrest the Reds promised at the Geneva ambassadorial talks.

* * *

The United States also is awaiting action on the Red Chinese promise to expedite the release of 19 other imprisoned civilians. The Communists also have promised exit permits to 12 other Americans detained for up to five years. Some of these latter are expected to leave Shanghai soon by ship for Hong Kong or Japan.

Beta Sigma Phi Picks Oct. 8-9 for Convention

Beta Sigma Phi International Sorority will hold its Michigan State Convention this year in Petoskey, Oct. 8 and 9.

The hostess chapters are Delta Tau and Xi Alpha Eta. The headquarters for the Water Wonderland convention will be at the Hotel Perry, overlooking Little Traverse Bay.

Diane Parker, division chairman, from International headquarters, Kansas City, will be present at the convention.

Petoskey extends a welcome to all Beta Sigma Phis to attend.

Israeli Forces Occupy Demilitarized Sector

JERUSALEM (AP) — Israel announced today that her forces have occupied the Nizama sector of the Negev Desert demilitarized zone along the Egyptian border.

A spokesman for the Israeli Foreign Ministry said the action was taken because of the "continued presence of two Egyptian military outposts in this territory inside Israel," and because the Egyptians had demolished Israeli border markers.

The Nizama sector is separate from, and south of, the Egyptian-held Gaza Strip.

Byrd's Latest Expedition to Take Iceboxes to Pole

GRAND RAPIDS (AP) — Lt. Comdr. Jack J. Bursey is going along to the Antarctic on "Operation Deep Freeze" and he says this time he's going first class.

"We'll have washing machines, refrigerators—no pun intended—plus recreation equipment and a complete library," he said when he was home visiting his family.

"Equipment-wise, this one will put past exploration to shame," said the commander.

And he ought to know. Commander Bursey was with Adm. Richard Byrd in 1928 when this country's first expedition invaded the Antarctic without benefit of even the most simple comforts.

"In those days we managed with makeshift lamps of kerosene, vapor lamps and candles," Bursey said.

* * *

Commander Bursey will leave aboard the icebreaker Glacial in October ahead of Byrd's departure. He expects to hit the great ice barrier about Dec. 15.

2ND TRIP TO SOUTH POLE

The only man in the advance party to probe the Antarctic before, the commander will lead a reconnaissance party to establish a new inland base. It will be called "Byrd's Station" and his party will mark the trail with flags for the later tractor train which will follow over the 600-mile trip.

The home base will be some 600 miles from the South Pole.

He said his eight-man party will travel by weasel, a little machine that rolls smoothly over snow.

Burglar Runs Afoul of Woman Pro Wrestler

KOSHIGAYA, Japan (AP) — A masked burglar swinging a sickle broke into the bicycle shop of Mrs. Mita Akiyama early today and shouted, "I want money."

Sakae Akiyama, 21, twisted the burglar's hand in a hammer lock. He dropped his sickle and ran away screaming.

Miss Akiyama is training for women's pro wrestling.

The United Nations Food and Agriculture Organization says that a prodigious increase in the use of cocoa has resulted in changed formulas of manufacture, in many instances, involving the use of cheaper substitutes.

Scientists sometimes deplore the fact that although the United States spends more than 3½ billion a year on research, only 10 per cent of it is basic research, the remainder being spent on applications of known facts.

MSU Offering Course Locally

'Speech for Teachers' Beginning at Waterford High School Tonight

Another Michigan State University extension course will be offered in the Pontiac area this fall term. A course in "Speech for the Classroom Teacher" has been added and will meet for the first time tonight from 7 to 9 at the Waterford Township High School. The group will meet each Wednesday at 4:30 p.m. during the fall term.

Interested area residents may register for the course when the classes convene.

Michigan State officials also point out that further registrations will be accepted for the education course, "Problems in Elementary Reading Instruction," which opened Sept. 14. This course meets from 4:30 to 7:30 each Monday at Waterford High.

Pontiac area residents also are invited to join a MSU extension class at Clarkston. Further enrollments will be accepted tonight at the Clarkston High School for the course, "Recent American Literature." Professor Adrian H. Jaffee will be the instructor, the group meeting each Wednesday from 7 to 10 p.m.

Nile Area Agriculture Depends on Annual Rise

Once a year the Nile overflows its banks, spreading over its flood plain a thin layer of alluvial soil, mostly transported from Ethiopia, at the rate of 4 inches every century.

Egyptian farmland, therefore, now stands 7 feet higher than in Cleopatra's time, and 20 to 30 feet above the level in the days when the pyramids were built, says the National Geographic Society.

French Frank Sinatra Has Mam'selles at Feet

By EARL WILSON

NEW YORK—We went over to the Plaza Persian Room to hear "the French Sinatra," Gilbert Becaud, who was supposed to excite our mademoiselles so much they'd fling certain intimate garments worn just south of their shoulder blades out on the floor at him.

'Twas going to be done, too, by a few female fans of his who'd have these extras stuffed in their pockets till the proper or improper moment arrived. Sort of prearranged, you might say.

MARIAN PAIGE

But the young man's agents, the Wm. Morris office, decided it wouldn't be dignified—how they decided that we'll never know—so the young gals never showed up to demonstrate how the French gals register excitement.

It wasn't needed, for Jeelbear Becko (French pronunciation) didn't need it. Sang beautifully, very handsome, very provocative, and spoke wonderful Texas-type English which he learned from John Henry Falk of the conservative section of Austin.

WELL SAID: "Lotta people at 20th wish Marilyn Monroe would get back to work and stop sitting on her talent"—Herb Stein, Morning Telegraph.

Dean Martin and Jerry Lewis were at a party at Songwriter Sammy Cahn's when Jerry got into a friendly argument with another famous comedian. Dean busted over to Jerry and said, "Hey, you're not supposed to be fighting with anybody but ME!"—and they've been back in love since.

DANIEL BOONE

By Russ Winterbotham and Ralph Lane

Seeking to nullify Judge Henderson's land claims in the courts, Virginia organized Kentucky as a single county.

In the face of British-inspired Indian raids, Dan'l Boone was named militia captain, and George Rogers Clark a major.

Thrice in one raid, Simon Kenton, later a famous Indian fighter, saved Boone's life.

"I'm glad you're here," Boone told Kenton. "You're a very fine fellow indeed." Kenton never forgot that praise.

Army Put Peron on Top

By INTERNATIONAL NEWS SERVICE

Strong-man Juan D. Peron, forced to relinquish his one-man rule of Argentina by army and navy rebels Monday, started his rise to dictatorial power a dozen years ago by joining a group of colonels who overthrew President Ramon Castillo's regime.

* * *

For his efforts, he was rewarded with high office. After the 1943 "Colonels' Coup," Peron rounded up workers' support as vice president and war minister.

His wife, the former Eva Duarte, an actress, helped him win popular support among the so-called "Shirtless Ones"—the Descamisados who were responsible for much of Peron's later power. She died of cancer in 1952.

In 1945, Peron was jailed briefly by army officers. But his followers forced his release, and he was riding high again after little more than a week of political eclipse.

One of Peron's most powerful weapons was the mass rally of members of the General Confederation of Labor, which claims six million members.

He has used the device numerous times to regain and keep his grip on Argentina. The last time it worked was Aug. 31 when his followers rallied in the Argentine capital to get him to withdraw one of his threats to resign.

Peron withdrew constitutional liberties from the Argentine people in 1947. They have never fully regained them. The ex-army colonel, now 59, was elected to his first six-year term as president in 1946. His second presidential election victory was scored in 1951.

That was the year a serious military rebellion broke out against his regime. It sparked numerous other plots, for which many Argentines have been jailed or exiled.

Peron's latest troubles followed attacks on the Catholic Church and attempts by his followers to separate church and state.

Last June 16, a naval revolt broke out as Peron was excommunicated.

His troubles have mounted ever since. The present rebellion exploded among army and naval leaders last Friday.

Fair Chalks Up Record

SAGINAW (AP) — Attendance at the Saginaw County Fair set a new record of "more than 350,000," a spokesman for the fair reports.

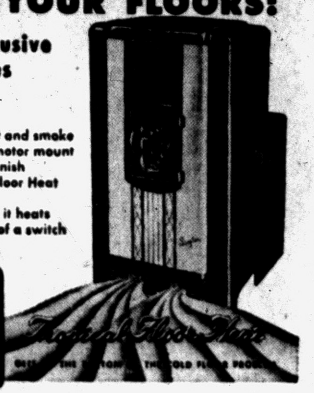

The fair, the 42nd annual, ran from Sept. 11-17. The spokesman said the $400,000 fire which destroyed an exhibition building on the fairgrounds Friday probably cut the attendance.

HOW TO GET PRIVACY FOR BATHERS

A simpe way to provide privacy for tub lingerers in a heavily-trafficted bathroom is the arrangement shown at the left. A piece of hardboard or plywood is cut to size to fit over the top of the alcove and is mounted at the sides of the alcove as shown in the detailed drawing inside the circle. A sliding drapery rod is then mounted behind the hardboard cornice, with pull cords to draw the textile or bamboo drapery across the tub.

Many other Handy Man Hints can be found in Popular Mechanics "DO IT YOURSELF" books available at this store.

More Pontiac Students Tell Plans to Attend College

Collegians Pack Bags for School

Last Calls Indicate U. of M. Rates High With City Scholars

As the last calls of collegians came in to the Women's Department of the Pontiac Press, the University of Michigan continues to top the list of Michigan schools in popularity with Pontiac students.

Entering U. of M. as freshmen are Carl Borders Jr. of East Beverly street and Zack Athanas of Beach street. Frances Seides of Ottawa drive is a returning sophomore. Judy Palmer of Dakota drive, Jackie Holda of Marion street and Goldie Stamas of South Saginaw street are also sophomores. Mavis B. Fors of Seneca street and Wally Roeser of Neome drive are juniors. Other juniors are Richard Hartman of North Genesee and LeMar McNutt of Neome drive.

There are five pages in today's Women's Section

Second in popularity has been Michigan State University. Kathie Armstrong of Wenonah drive left Sunday for MSU. Barbara Johnson of Shore View is also a "frosh" this term, as is Gary R. Montgomery of Cameron avenue. Susan Ladd of Neome drive left also. Carrying books for her second year of study will be Dorothy Bell of Hudson avenue and Jessie Huthwaite will be a junior at the university.

Four freshmen from Michigan State Normal College in Ypsilanti called in. They are Jeannie McHugh of Ottawa drive, Gloria Opie of Menominee road, Catherine Schneider of Lounsbury avenue and Sharon Janter of Ogemaw road. Margery Challis of Ottawa drive is beginning her junior year.

OTHERS LISTED

Representatives of the freshman classes of smaller Michigan colleges have also called. Jane Hoffman of Sylvan Shores entered Aquinas College this week, Lee Hathaway of Iroquois road entered Albion and Hillsdale College was the choice of Walter Poe of Rosshire court.

A U. of D. freshman this year is Jose Flores Jr. of Clarke street.

* * *

Kathryn and Richard Kramp are both returning to MSU this year. Kathryn will be a junior and Richard is a member of the sophomore class. Mary Colleen Barnett and Jim Barnett are collegians this year. Mary has left for Mary Manse College in Toledo where she will be a freshman and Jim will be a junior in the College of Commerce and Finance at U. of D. this fall.

Virginia Levely of Elizabeth Lake road has returned to Michigan State Normal College where she is a senior. Her sister Peggy is a second year student at the Harper School of Nursing in Detroit.

Among collegians traveling out-of-state this week is Judy Bassett of East Iroquois road. She will be a junior at Kansas State Teachers College, Pittsburg, Kan. Carolyn Cooper of Murray street and Dorothy Pryer of Howard McNeill street are freshmen at Butler University in Indiana.

Beginning classes at Wooster College, Wooster, Ohio, is Alice Ann Davis of Pine Lake drive. Classes began for Alice Tuesday.

Pontiac Press Photos

A lucky lad is Theron Slosson of Woodbine drive who has his own registration counselor. His sister, Maureen, served in that capacity last week at Michigan State Normal College in Ypsilanti where both are students this year. Theron is entering as a freshman and Maureen is a junior in elementary education.

"The Essentials of Psychology" and "Corporation and Manufacturing Accounting" are two of the books being toted to the waiting trunks by Kay Klinkhamer (left) of Thorpe street and Carole Buikema of Auburn road. Both are leaving this week for MSU where Kay is a junior in business education and Carole is a sophomore studying medical technology.

One of the models for the fashion show sponsored by the members of Forest Lake Country Club Tuesday was Mrs. John F. Joliet of Detroit who is a member of the club. Coming up to get a good look at the cocktail dress of peacock pure silk was one of the hostesses, Mrs. Herbert Lilley of Lancaster road.

Pontiac Press Photos

General chairman for the fashion show and luncheon held at Forest Lake Country Club Tuesday was Mrs. John Hern (center) of Bloomfield Village. Two members of the committee helping to arrange the affair, sponsored by the women of the club, were Mrs. Albert C. Yost (left) of Birmingham and Mrs. Bruce Brown, also of Birmingham.

Sweet 16 Party Held in Honor of Vivian Lewis

Vivian Lewis was honored at a Sweet Sixteen party on Saturday by her parents, the Roland Lewis' of Newberry street.

Roosevelt Temple Ballroom on State street was the setting for the party at which 150 of Vivian's high school friends and their escorts were entertained.

A pink and white color scheme was carried out with alternate colored streamers forming a curtain between the dance floor and the refreshment table.

The refreshment table was covered with a white cloth and a net overskirt. A three tiered birthday cake centered the table.

* * *

Guests enjoyed dancing to the music of a local orchestra.

Late arrivals were David O'Connell and Tom Shandeneau who traveled from Owendale to join in the celebration.

Receiving the guests along with Mr. and Mrs. Lewis were Mr. and Mrs. Allan Denham, Mr. and Mrs. Wilbur Burt, Mr. and Mrs. William Nelson and Mr. and Mrs. E. A. Reitmeyer.

St. Joseph Alumnae Slate Silver Tea

Plans were completed for the 25th Silver Tea of St. Joseph Mercy Hospital Alumnae at a meeting of the hospital alumnae Monday evening in the hospital auditorium.

A fall card party was decided upon. The date will be announced by the group in the near future.

Girl Scouts Seeking Adult Leaders

This week the Northern Oakland Girl Scout Council launches its adult recruitment drive.

With the aid of the Central Volunteer Bureau and the many troop sponsors, the organization hopes to enlist volunteers ". . .to help girls realize the ideals of womanhood as a preparation for their responsibilities in the home and as active citizens in the community and the world," the purpose of Girl Scouting.

* * *

The greatest need is for leaders of troops and patrols, but also necessary are the hobbyists and the clerical help.

For those considering volunteer work, if you feel that a program which helps a girl cultivate honor, loyalty, duty, friendship, courtesy, kindness, cheerfulness, thrift, and cleanliness is worthwhile, there is a place for you in Girl Scouting.

If your hobbies or interests are in crafts, sports, outdoor activities, music and its many fields, or if you are interested in developing any one of these, there is a place for you in this organization.

TRAINING AVAILABLE

Training will be available to all interested adults and will give you the basic understanding of Girl Scout programming.

* * *

To get acquainted with the program, attend the Rally for adults in Girl Scouting Sept. 28, in the civic room of the new home of Pontiac Federal Savings and Loan Association on West Huron Street.

Group leadership courses are being offered in Pontiac, Waterford and Rochester. Workshops for leaders of Senior Troops and an Outdoor Course will be held in September. Troop Camp License courses and a workshop on rank and badge programs will take place in October.

A basic leadership course will be held at Pontiac High School on Monday evenings beginning Sept. 26 through Oct. 31 from 7 until 10 p.m.

DAYTIME SESSION

On the same dates, in the Waterford CAI building there will be a daytime session from 10 a.m. until 2 p.m.

In Rochester at the Avon Pavilion there will be an evening course from 7 p.m. to 10 p.m. beginning Wednesday.

Contact your local leader of the office of the Northern Oakland Girl Scout Council, 310 National Building, for further information.

Coming Events

Welcome Rebekah Lodge 246 will meet Thursday at 8 p.m. in Malta Temple. 82 Perkins St. for initiation of candidates.

Corinne Sisterhood 184 Dames of Malta will meet tonight at 8 p.m. at 82 Perkins St.

The Friend's Prayer meeting will be at the home of Mrs. Mattie Jackson, 27 Miller St. Thursday at 7:30 p.m.

Frances Willard WCTU will meet Thursday at home of Mrs. James Marshall, 185 S. Jessie St. for a 12:30 p.m. cooperative luncheon and election of officers.

Can This Be Real Love -- With Four Boys?

By ELIZABETH WODWARD

"Dear Miss Woodward: My girl friend and I have met four boys we like very much. We see them all the time and up to now we thonght we liked two of them better than the others.

"They were away during the summer, and we found that we didn't miss them as much as we thought we would. When we didn't see the other two boys we found that we missed them as much as the ones we thought we liked best.

"Now we don't know what we feel nor about whom. Can you tell us whether it is infatuation, a plain old crush, or the real thing? And if it's the last-named, which of the boys do you think we really like?"

Answer: If you and your girl friend can't tell, I'm sure I couldn't.

You're supposed to quiver and glow when you're in love. You're supposed to be blind to the charms of all other boys. You're supposed to suffer tortures of loneliness when you're apart.

From my safe distance I'd say you two girls hadn't really whipped up a slight fever over any of those four boys.

When they are around you enjoy being with them. You find them fun, congenial companions. But when they're away you find other things and people to keep you busy and happy.

You don't churn for anybody. It's not infatuation, crush or the real thing. It's just fun to be friends with those boys. And that's fine.

Now do you get the same answer I do?

"Dear Miss Woodward: When a boy walks or drives you home should you invite him in? When you go to a drive-in, what time should the curfew blow? What time should a 15-year-old girl, who is just beginning to date, be in on weekends and weekdays?"

Answer: There's no reason to invite the boy in, if it's late, if you've said all there is to say, if you've already had something to eat, and if your parents aren't up.

On the other hand, if they're waiting for you, and the evening is yet young, and there's something to eat in your icebox, you could invite him in for the end of your date. And if he's not reasonable about ending it quickly, your parents will cue him by beginning to lock up.

When the movie is over at the drive-in, that's the end. You can eat while you watch, so you needn't go anywhere else. If your family is concerned about your curfew hour, check with the drive-in so you can agree on the time you should be home.

Your hours should depend on where you go to do what. Television over at your girl friend's on a week night, 10 o'clock. First show on Saturday night with a boy friend, home by 10:30. Big dances at school, midnight. And for superlative proms, stretch it to even later.

The hanging around and wandering around after you've finished what you went out to do is what makes parents cut dating hours short.

Scuffed or worn luggage can be easily brightened with an application of floor wax

"My Sal knows her stuff!"

I have to hand it to my Sal. She's just a whizz at taking the work out of housework. For instance, most gals practically kill themselves scrubbing and waxing wood floors. But not my Sal! She cleans and waxes them in one easy operation with Bruce Cleaning Wax. The job's done in half the time and with a lot less work. And you should hear all the swell compliments about our beautiful wood floors! My Sal and her Bruce Cleaning Wax sure make simple work of a tough chore. And they make me mighty proud too!

Bride Fashions Gowns for Candlelight Ceremony

A ballerina-length dress of bridal satin was worn by Doris Elizabeth McDonald for her marriage to A.2.C. Larry Gene Troxell Saturday evening at Galloway Lake Methodist Church.

One hundred and fifty guests attended the candlelight service performed by the Rev. Kenneth Stephans.

Mr. and Mrs. Trueman McDonald of Featherstone street are parents of the bride, and he is the son of Mr. and Mrs. Howard Troxell of Going street.

For her wedding, the bride designed and fashioned her princess style gown of bridal satin. A scalloped neckline and small cap sleeves accented the fitted bodice. A cap of nylon rosettes and rhinestones secured her finger tip veil and she carried a cascade arrangement of white roses, feathered carnations and stephanotis entwined with ivy.

Bridesmaid Sharon Troxell, sister of the bridegroom, wore a ballerina-length gown of blue taffeta, also designed and made by the bride. Her full skirted gown complemented the fitted bodice with its shallow scoop neckline. Her matching blue cap of nylon rosettes and rhinestones was similar to the bridal cap.

Shades of bronze button chrysanthemums with wheat and gold streamers made up her cascade bouquet.

BROTHERS ATTEND

A.3.C. Daniel McDonald served as best man. Donald and Richard McDonald, all brothers of the bride, seated the guests.

Mrs. McDonald received the guests, at the reception held in the church parlors immediately after the ceremony, in a lavendar gown with rust accessories. She wore a smoky purple glamellia corsage. Mrs. Troxell wore an aqua dress with bronze accessories. Her corsage was of bronze colored glamellias.

The bride chose a going away dress of charcoal gray accented by a turquoise bow. She carried black and gray accessories and wore the corsage of white roses from her bridal bouquet. The couple are touring Michigan and Illinois for their honeymoon trip.

MRS. C. BUD SHELTON

Central Volunteer Bureau elected Mrs. C. Bud Shelton chairman of the advisory board when the group held its first annual meeting recently at the YMCA. The bureau acts as a clearing house for volunteers who wish to offer their services and for agencies needing those services.

Alpha Omega Meets at Doris Ball Home

Officers elected last spring presided at the recent meeting of Alpha Omega Chapter of Beta Sigma Phi sorority at the South Eastway drive home of Doris Ball.

In scheduling the season's activities, the group made immediate plans for a progressive dinner to be held Sept. 28 at the homes of new members. Hostesses for the dinner will be Mrs. Robert Terry, Helena Geistl, Miss Ball and Mrs. Kenneth Miller.

Mayonnaise Makes Good Date Cake

Mrs. Hall Shares Vacation Discovery for Spicy Treat

By JANET ODELL
Pontiac Press Home Editor

We have the nicest readers! They go on vacations, find interesting new recipes and bring them back to share with all of us.

Mrs. Lewis Hall went to Minnesota and returned with a new recipe for a delicious Date Cake. This is a variation of the Mayonnaise Cake we published several weeks ago.

Mrs. Hall is a member of the McConnell Old-Timers Club. She enjoys doing all kinds of fancy work in her spare time.

DATE CAKE
By Mrs. Lewis Hall

1 cup dates, cut in halves
1 cup boiling water
1 cup salad dressing
1 cup sugar
1 teaspoon soda
1 teaspoon cinnamon
½ teaspoon nutmeg
2 cups sifted flour
½ teaspoon salt

Pour boiling water over dates and let stand until cool. Add salad dressing and sugar and mix well. Sift dry ingredients together and add to first mixture. Bake in a greased loaf pan (9x13) for 20 minutes at 350 degrees. Decrease heat to 330 and let bake another 30 minutes.

This cake is delicious served warm and needs no frosting. A caramel frosting would be good to use if desired.

Junior Women Plan 1956 Dates

Mrs. Cecil McCallum, president, entertained 20 members of her executive board of the Pontiac Junior Women's Club at her home Monday evening.

A dessert luncheon preceded the business meeting at which they formulated plans for 1955-56 club activities. Committees were also announced by the board.

The first meeting of the fall season will be a dinner meeting Oct. 10.

Prenuptial Tea Fetes Bride-Elect Joan Karner

Mrs. Charles Spangenberg and daughter, Karen, entertained at their home in St. Joseph Saturday at a prenuptial tea honoring bride-elect Joan Karner.

Joan, daughter of Mr. and Mrs. Peter F. Karner of Menominee road, and Jack C. Bush of St. Joseph will exchange nuptial vows at St. Benedict Church, Oct. 29.

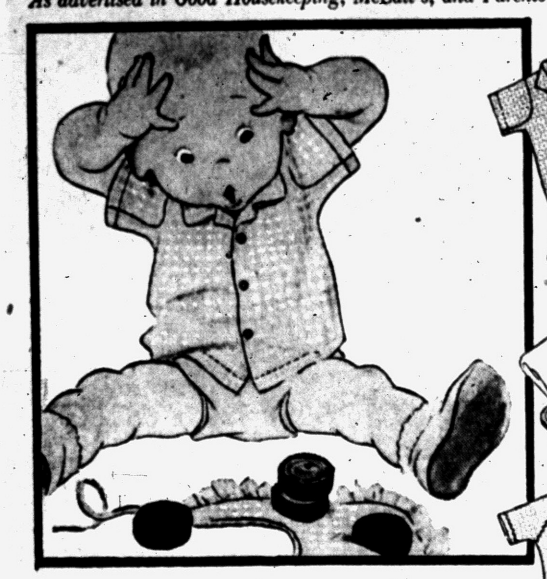

Following the tea the honoree and Mr. Bush, along with several other couples enjoyed dinner at the Spangenbergs.

Jersey cut to look like a blouse, with wool ribbing at neck, sleeves and waistband, is a nice addition to a fall wardrobe.

Mr. and Mrs. Joseph Wilson of East Mansfield avenue announce the engagement of their daughter, Wilma J. Clack, to William G. Brode. He is the son of Mr. and Mrs. George L. Brode of Seminole street. An October wedding is planned.

WILMA J. CLACK

To Junior Child Study Club

Tells U. S. Attorney Duties

George E. Woods, chief assistant U. S. district attorney, narcotics division, explained the function of the U. S. District attorneys, particularly that which is connected with the narcotic problem, when he spoke to members of the Junior Child Study Club Tuesday afternoon.

He stated that Michigan has as much control over this problem as has any place in the country due to the combination of State and Federal law.

The speaker also told of the Federal government's method of caring for juveniles who run afoul of the law. "Although this is primarily a matter for local disposition, when this is not possible, those under 22 years of age, under law, come under the custody of the U. S. attorney general.

"They are then placed in a home, trade school, reformatory, farm, college or whereever seems best in each particular case," stated Mr. Woods.

Mrs. John Nicolls Jr. opened her home on Sylvan Shores drive for the meeting.

Assisting were Mrs. Franklin Niggeman, Mrs. William McClure, Mrs. G. R. Sayers, Mrs. Harlan Boyce and Mrs. Eugene Foley.

Mrs. Richard DeWitt presided at the tea table.

Club Fetes Ex-Leaders at Luncheon

Past President's Day was observed by members of the Pontiac Women's Club when the group met for luncheon at St. Benedict Parish Hall on Monday. Mrs. Charles H. Miller was chairman of the day.

* * *

Mrs. Elmer MacLean gave the invocation and Mrs. I. M. Lewis gave an address of welcome saying, "The theme of the Federation this year is to bring together women of the world, and the time and place to start is here and now in our own group, to know each other better."

Mrs. Turris McCully, program chairman addressed the past presidents and presented each with a corsage. Mrs. M. E. Baldwin, most recent past president, gave the response. Among the guests were Mrs. Joseph Panter, Mrs. E. E. Johnston, Mrs. Forrest Brown, Mrs. E. J. Ziem, Mrs. W. E. Blynn and Mrs. Ray S. Falk.

Assisting Mrs. Miller with arrangements were Mrs. Leon McMillen, Mrs. Fred Gottschalk, Mrs. Leon Vogel, Mrs. W. H. Bedard and Mrs. N. E. Tibbitts.

* * *

Mrs. Royal Pazik, Mrs. Charles Topham and Mrs. Orrin Huntoon also assisted.

Church Youths Attend Retreat

The young people and adults of Joslyn Avenue United Presbyterian Church held their annual Fall Retreat over the past weekend at Sleeper State Park near Caseville.

The Rev. Edmond Watkins pastor of the Church and Ted Gertz were counselors for the boys. Girl's counselors were Mrs. Ralph Harrison and Lois Lenigan.

A well rounded program was planned by the Rev. Mr. Watkins Clinton Passage, Robert Nelson and Marvin Fauss

Among the activities were swimming, a bow-wow sizzle, football and other sports. A banquet followed by a candlelight devotional service was held on Saturday evening.

Chauncey Berden III

Chauncey Berdan of Sarasota street is recuperating at St. Joseph Mercy Hospital following surgery.

MARLENE SLOAN

Mr. and Mrs. Harold Sloan of Tower road announce the engagement of their daughter, Marlene Sloan, to Gene W. Woodard, son of Mr. and Mrs. Willis Woodard of Mathers street. A Sept. 24 wedding is being planned.

Church Class Decides Decor for Fall Dinner

Plans were made for decorations for the Harvest Home Banquet being given Oct. 7 at the First Methodist Church, when the Wesleyan Class met at the home of the David Livingstones on Oneida road Saturday evening.

Paul Brown opened the meeting with prayer and Mrs. Robert Murphy led devotions using "Making Decisions" as his subject.

The group voted to support Faith Travis in her work at a mission in MacAllen, Texas, and also to give a cash gift to the church to be used for improvements.

Mr. and Mrs. Merton Brummitt were named chairmen of the ways and means committee.

Assisting Mr. and Mrs. Livingstone were Mr. and Mrs. Terry Smith.

'Indispensable' Man Shuns Holiday

By ANNE HEYWOOD

The most difficult person to deal with is the one who considers herself indispensable. The housewife who won't let anybody ever help her, who thinks a thing is never clean unless she herself washed it; the mother who doesn't trust anybody, even a grandmother, to babysit; the businesswoman who just never can get away for a vacation.

* * *

Recently, I heard several women I know making these and similar complaints.

'Here's another summer gone by and I've had no vacation. It's seven years since I've had one, but my job is so demanding and there's nobody else who could really handle it."

They smile in a self-satisfied way, but they look like nervous wrecks.

* * *

And now here is a letter from a reader whose husband is the same type:

TIRED OF FOUR WALLS

"My husband has an executive job and takes his work very seriously. He always brings a briefcase home and never really relaxes on weekends.

* * *

"For the second year running, we've had no vacation. He claims there's nobody who can take over.

"He promises again that we'll have a winter vacation, but he promised that same thing last year and it never materialized.

"I'm worried about him working so hard, and frankly, I need a vacation and change myself. The children go to camp, but I never get away from the same four walls and I'm tired of it.

"What do you think I can do?"

CONSULT PHYSICIAN

This is a tough problem, but something had better be done now. If he goes another year with no vacation, he may get into a habit which will last for years.

* * *

I think this woman should have a frank talk with her husband, but that alone will probably not work. She might see the family doctor and tell him how she feels.

Chances are he will think the husband must have a vacation for his health's sake and may well needle him into it.

Also, the wife might explain to the doctor how tired and irritable she is. This appeal might get the husband to take a vacation.

No man wants to feel that he is undermining his wife's health, even if he might take changes with his own.

* * *

Too many times, it seems to me, we go on unhappily coping with a situation which could be solved easily enough if we made the effort.

And too many times we overlook the family doctor, whose guiddance and help are valuable in many more areas of life than just a stomach ache or measles!

Man Wrong to Correct Child Guest

Shouldn't Criticize Boy's Manners in Mom's Presence

By EMILY POST

"Friends of ours who have a 7-year-old son come to dinner at our house quite often. The boy has picked up some very bad table manners.

"The other evening while at the table I corrected him for something he did. For a moment there was complete silence and I could see that his mother was quite taken back at my reprimanding him, but she said nothing.

"We have a daughter near this boy's age who is capable of picking up bad habits very quickly and I thought that, as he was at our table and setting a bad example to our daughter, I was quite right in bringing this to his attention. (I corrected him in a very nice way, of course.)

"However, my wife thinks that I overstepped my authority and was wrong to say anything to the child no matter how badly he behaved. My wife has made such an issue of this that I have decided to write and ask your opinion on this matter."

* * *

Answer: If your daughter copies the example you would be right to check her at once, but it was very discourteous to reprimand your friends' child in the mother's presence. In other words, it was her right to do it, not yours.

* * *

"Dear Mrs. Post: My father and older brother both have the same name. My younger brother and his wife have just recently had a son and they named him for my father, calling him John Brown III.

"My older brother and his wife are expecting a baby and if it is a boy he'll be named for his father and grandfather. What will he be called?"

Answer: The boy who is named III is correctly II, and the little one that is coming will be III.

Pillar Club Sees Michigan Films at Dinner Party

A program with the State of Michigan as its theme was enjoyed by members of Pillar Club Tuesday evening. Mrs. T. E. Wiersma was hostess to the group at her home on West Iroquois road for a cooperative dinner.

Two films depicting Michigan's natural attractions, "Michigan Water Wonderland" and "Winter Wonderland" were shown and the Pillar Club quartet, composed of Mrs. Harold Northon, Mrs. Oscar Lundbeck, Mrs. Everett Peterson and Mrs. Wiersema sang songs of Michigan.

A memorial service was conducted by Mrs. B. J. Campbell for Mrs. J. Kirk Campbell, a former member.

Assisting the hostess were Mrs. Ray Falk, Mrs. E. K. Vanderlind, Mrs. L. L. Dunlap and Mrs. Paul Heinsohn of Birmingham.

The Oct. meeting will be at the home of Mrs. J. L. Van Wagoner on Andersonville road.

Youth Night Held by Unit

The Rev. Myron Everett spoke before members of the Anna Gordon Unit of the WCTU when the group held a "Youth Night" meeting at the Oakland Avenue United Presbyterian Church recently.

Members enjoyed a cooperative dinner following which Mrs. Mary Wood of the Mary Morton Unit gave the devotions and several musical selections were presented by Wilhelmenia Jones accompaied by Marie James, and by Mrs. Myron Everett accompanied by Mrs. George Killen.

Officers elected for the coming year are Mrs. Frank Deaver, president; Mrs. Icie D. Clemens, first vice president; Mrs. Bertha Lewis, second vice president; Mrs. Peter Niemi, recording secretary and Mrs. Lulu Halsell, treasurer.

Others elected were Mrs. Fred Lemoke, assistant treasurer and Mrs. R. E. Cole, corresponding secretary.

Mrs. Frank Deaver will be delegate to the State Convention being held in October at Flint.

Sickness and Accident Take Heavy Toll of Family Income

Omaha, Nebr. — Loss of wages because of sickness or accident works great hardship, even economic death, on the average family. But it is encouraging that so many American families are now turning to the sort of insurance that supplies ready cash to see them through such a period.

Can Save The Day

As valuable as hospital insurance is, it cannot provide money for food, rent, and other essentials needed by a family when its breadwinner is disabled. And, often the wage earner may be bedridden at home, in which case he's not eligible for hospital benefits.

At times like that, the cash benefits from an Income Replacement insurance plan can save the day.

Anyone Can Afford

Such plans were pioneered by Mutual of Omaha, and the company has developed a range of low-cost plans of Income Replacement.

Mutual of Omaha's goal has been to perfect these plans so that almost everyone can afford them.

As a result, by investing a few dollars a month in a Mutual of Omaha Income Replacement plan, the wage earner can know he'll have cash benefits . . . money to live on . . . when he can't work because he's totally disabled by a covered accident or confining sickness. And these plans pay as long as he's so disabled, even for life.

$1,400,000 a Week

The important part health insurance plays in helping to pay the direct and indirect costs of sickness and accident is seen in the dollars paid out by Mutual of Omaha. Every week, it pays out an average of more than $1,400,000 in benefits. That money goes a long way in helping policyowners come through a period of covered disability without a heavy load of debts.

ARE YOU SUFFERING FROM
HEARING NERVE DEAFNESS?
LOSS OF HEARING can be caused by faulty carbohydrate metabolism

In 1949, a world famous ear specialist connected with a large New York Hospital advanced the theory that hearing nerve deafness might be caused by an excess of pyruvic acid in the blood stream.

"To prove his theory," he examined 581 men, women and children who were hard of hearing, and he made the astonishing report that the 'vast majority' of them had one thing in common—high pyruvic acid content in the blood.

To help correct this condition, which is caused by faulty carbohydrate metabolism, this ear specialist used a preparation called "B-AMINO COMPLEX" tablets.

His findings, as reported in a medical journal and medical text book were that, "VERY SATISFACTORY RESULTS IN FUNCTIONAL HEARING AND IN THE GENERAL CLINICAL PICTURE WERE OBTAINED THROUGH SUCH USE." B-AMINO COMPLEX tablets are a valuable supplement in the treatment of perceptive deafness in which failure of the hearing nerve results from a disturbance of the carbohydrate metabolism of the body.

"B-AMINO COMPLEX" tablets are absolutely safe, and are available without a prescription. 100 tablets only $5.00

Adult dosage: 2 tablets 3 times a day after meals. Since perceptive deafness (impairment of the function of the hearing nerve) in which a disturbance in the carbohydrate metabolism results in a high pyruvic acid content in the blood, develops gradually, improvement should take place gradually in from 3 to 6 months.

Important note: "B-AMINO COMPLEX" tablets are not intended for deafness caused by physical injury to the ear, as from a blow, etc., or by bacterial infections.

Parents Unnerved by Sly Criticism

By MURIEL LAWRENCE

"Parents have been made anxious and defensive by the blame put on them for children's misbehavior . . ."

This is a quotation from a new child guidance book.

What does it mean? Is it telling us that we do not influence children's behavior? That we have no faults? That nobody must ever suggest that we have again?

Is this soothing syrup to be the new line of the child guidance "experts?"

If so, it can do more damage than the old one.

For years, the child guidance people have spent all their time hinting at our faults. With some exceptions, the general tone of their advice resembled that of a child who has got hold of a rather nasty secret about another one.

* * *

They have handled their psychological knowledge of human motive like an aggressive little boy, who, desiring to scare another one, points his finger at him, crowing, "Oh, if you only knew what I know about you!"

NOT THE ANSWER

The fear created by this attitude cannot now be corrected by soothing reassurances that we are flawless creatures without spot or blemish.

* * *

Oh, how lovely it would be if the child guidance people treated us—just for once—like self-respecting adults.

A self-respecting adult does not cringe at exposure of a mistake. He does not collapse into anxiety at the possibility that he has faults. He is glad to know what mistake he has made and what fault in him accounts for it.

He is capable of two simultaneous attitudes: Acceptance of himself as he currently is, faults included—and acceptance of the work of improving himself.

* * *

So what we want is not to be babied by assurances that we have no faults—but an end to the hinting at them.

Open and direct exposure of them is not what's upset us. For in each of us is a remarkable protective mechanism that makes us deaf to any criticism we are not ready to use.

HINTED AT FAULTS

This, alas, has not been the teaching policy of the child guidance profession. It has not exposed our faults to us openly and directly. It has just hinted that it knew naughty things about us that we didn't know.

The result is, we've come to regard ourselves suspiciously as though we were undetonated bombs of iniquity. In us, we are now all sure are ticking away such dark, dreadful, sinful, psychological mysteries as make even the "experts" hesitate to mention them.

It is the "experts'" claim to terrible secret knowledge about us that has made us anxious and defensive.

MR. and MRS. HAROLD GROH

Mr. and Mrs. Harold Groh were married Saturday evening. She is the former Jimmie Ann Williams, daughter of Mr. and Mrs. J. A. Williams of Drayton Plains, and he is the son of Mr. and Mrs. Robert Groh of First street.

Harold Groh Claims Bride in Evening Rite

Jimmie Ann Williams became the bride of Harold Groh Saturday evening. The Rev. Milton Walton officiated at the 6:30 service.

The bride is the daughter of Mr. and Mrs. J. A. Williams of Drayton Plains, and he is the son of Mr. and Mrs. Robert Groh of First street.

* * *

The bride, given in marriage by her father, wore a white dress with light blue accessories. She carried a white Bible with white roses and blue carnations.

Matron of honor, Mrs. Joane Groh, wore a navy blue dress and a corsage of yellow roses. Stanley Groh served as his brother's best man.

For the reception, held at the Old Plantation Inn immediately following the ceremony, Mrs. Williams wore a turquoise dress. Mrs. Groh's dress was blue. Both mothers wore corsages of red roses.

After a honeymoon in Canada, the couple will be at home on Clinton River drive.

PTA Activities

The first meeting of McConnell School PTA will meet Thursday at 7:30 p.m. in the school gym. Dr. Dana P. Whitmer will be guest speaker.

Mrs. E. Verne McCall, president of the Pontiac chapter was accompanied by Noreen VanCleave, Mrs. Buhl Burt, Mrs. Paul L. Hoskins, and Mrs. Bernadette Arnold.

The meetings were conducted by Mrs. Alice F. Murphy of Chicago Heights, Ill. National president, Charlotte Selmier, of Indianapolis, Ind., installed new officers for the district.

Citizenship Class Holds Park Picnic

Constitution Day Is Celebrated by 150 Newcomers to U. S.

Members and guests of Janice Antona's Citizenship Class and New Citizen's League of Pontiac gathered at Cass Dodge Park No. Four for their annual Constitution Day picnic and program Sunday.

Following a dinner of food from lands represented by the students, the program was opened by a pledge to the Flag led by John Mouradian.

Alice Hadden spoke of her trip to Washington with Miss Antona last spring, George Galstian gave the American's Creed and Joan Wharton presented a paper on the "Making of the U.S. Constitution."

Present class members gave an outline of the Constitution. Participating in the presentation were Tomoko Kent, Beppe Basirico, Kay Halloway, Florence Hansen, Ila Walters, Cecily Dubis and Nikolai Gutkin. Others were Joan Deacon, Inga Hettich, Paz Vega, Margaret Sherman, Lillie Roth, Flora Grimaldi, Jose Vega and Martha Johnson.

FLAG PRESENTED

The class program was completed by Leslie Johnson giving a talk on "What the Constitution Means to Me." Mrs. Harold Potter presented a flag to Modestina Morelly.

* * *

Other guests who were introduced by Miss Antona and who spoke briefly were Mrs. William Todd of the DAR, Mrs. Lee Hill of the American Legion Auxiliary and Mayor William Donaldson and Mrs. Donaldson.

Completing the guest list were Congressman George A. Dondero, Judge George B. Hartrick and Mrs. Hartrick, Judge H. Russel Holland and daughter, Sharon, Mr. and Mrs. E. C. Huthwaite and Mr. and Mrs. Richard Fell.

Coffee was served by Anna Novak and Florence Hansen. Games were under the direction of Vera Moshier, Alice Hadden, Clarence Chamberlain and John Noble.

Countries represented among the 150 present at the affair were Japan, Italy, Canada, Poland, England, Russia, Germany, Spain and Armenia.

Parents of Kindergartners Getting School Handbooks

The Pontiac public schools this year have distributed a specially prepared handbook for parents of children entering kindergarten, according to Superintendent Dr. Dana P. Whitmer.

Written by local personnel, the book describes the kind of kindergarten operated in Pontiac and suggests ways in which parents can help.

"Experience is making us increasingly aware that the foundations which are laid in kindergarten and in the early grades are tremendously important in the child's later school and adult life," said Whitmer.

"One of the most important considerations in providing a successful kindergarten year for a child is home-school cooperation.

"The teacher needs advice from parents. On the other hand, parents need to be well informed about the school program and about the teacher's observations if they want the best for their child.

"The booklet is designed to forward these aims by setting up an initial understanding," Whitmer said.

The book was prepared by Jerry White, coordinator of elementary education; Marietta Spring, McConnell School principal; Ruth Wait, Emerson School principal; and teachers Dorothy Peterson, of McConnell; Marjorie Smith, of Willis School and Virginia Laur, of Hawthorne School.

Eden Will Back Spying Report

Prime Minister Meets With Cabinet to Check Foreign Office Finding

LONDON (AP) — Prime Minister Eden met with his Cabinet today to put final approval on a government report on the Burgess-Maclean "runaway spies" case.

* * *

Eden, fully recovered from a recent attack of influenza, drove from his country home.

The Cabinet met in the midst of the most serious newspaper attacks made on the Foreign Office in recent years for its handling of the case of Donald Maclean and Guy Burgess, British diplomats who fled to the Communist East in 1951 after serving as Russian spies.

For four years the Foreign Office, under both Labor and Conservative governments, maintained tight secrecy over details of the men's defection. This was broken only last weekend when former Russian spy Vladimir Petrov disclosed they were Soviet agents for a long time.

* * *

The Foreign Office then confirmed Petrov's disclosures and said Burgess and Maclean were under investigation when they fled.

Spurred by angry newspaper criticism, the government promised an official White Paper this week giving full details of the case.

British newspapers continued to lash out at the Foreign Office.

The Daily Express said the two men fled from England in 1951 after they received a warning from "a British official in Washington," described by the paper as "a Russian spy."

* * *

"In his official capacity he received information that British security men were after the two diplomats," the Express declared. "In his unofficial capacity — as a Russian spy — he passed on the information to a Soviet contact in Washington," who in turn warned Burgess and Maclean.

"Who, in fact, is that third man who gave the tipoff?" the Express asked.

Few Heroes Found in Face of Danger

BALTIMORE (AP) — An inquiring photographer's poll here on the question, "What would you do if you were in a bank while it was being held up?" doesn't reveal any really Daring Dan's.

The fightingest answer came from a young man who said: "If I had a chance to get away I would. If not, I'd stand there with all the other scared people."

Another man, said he "wouldn't do a thing, the money I had wouldn't be worth fighting over."

Of the three women interviewed, one said she would "hand over my money with no fuss." But she added she thinks she'd remember to get all the identifying marks of the robbers. Another said she might try hiding her money in her blouse or a trash can, but "I certainly would not do anything foolish." The third said she would "Drop dead on the spot."

Cubs Given Awards

After Five Mishaps, Man Dies in Crash

NORWALK, Ohio (AP)—Railroads, cars and boats were hard luck for John R. Hampton, 28. War wasn't so kind to him either.

Hampton twice was shot during merchant marine service in World War II. Six years ago, he suffered a broken back while working for the railroad. Four years later, a car he was driving upset and caught fire. He was badly burned. This month a motor boat in which he was riding exploded near Port Clinton.

Carrier Holds 40,000

NEWPORT NEWS, Va. (AP)—How big is the Navy's new super carrier Forrestal?

The entire population of a city of 40,000 persons could stand on the hangar deck which the Newport News Shipyard says is the world's largest, unbroken, enclosed space. It is three and a half city blocks long and could accommodate 18 full-sized basketball courts. And the overhead sprinkling system can spray water on the deck at 18,000 gallons a minute.

City Hall Gets Garbage

NILES (AP)—An irate housewife dumped her overloaded garbage pail in the city hall after delay in awarding a trash removal contract left her with a 4-week pileup. She left without the pail.

Novel Excuse—No Good

ST. PETERSBURG, Fla. (AP)—William Harris Henson was charged by St. Petersbuug police with speeding. He said he had borrowed the unmarked patrol car of Police Chief Tom Kilpatrick of nearby Belle Vista Beach and was hurrying to get it back by the time Kilpatrick had to start patrolling.

City Judge Herbert L. Peterson said the excuse was novel, but not good enough. He fined Henson $20.

Tells of Old Chickens

EAST LANSING (AP)—The chicken is mentioned in literature as far back as 400 B.C., Mrs. Leonora C. Hering told the annual meeting of the National Poultry Science Assn. She spoke on her hobby as a collector and authority on rare poultry books.

Four-Year-Old Driver Needs More Practice

JACKSONVILLE, Fla. (AP)—Wayne Densbeer's joy ride cost $600 and he didn't even know where he was going. The 4 year old managed to start the engine on his mother's parked car and put the automatic drive lever in forward speed.

The car eased into another parked car. The Wayne tried reverse and stepped on the accelerator. The car zoomed backward into a utility pole, snapping the pole at its base.

Wayne wasn't hurt—at least not in the accident.

Indians Want Free Rides

NEW DELHI (AP)—India's railway detectives caught some 7,600,000 passengers trying to travel without tickets during the 1954-55 fiscal year. An announcement said most agreed to pay fares and penalties but that more than 200,000 were prosecuted for refusing to do so.

German Rails Reduce Fares for Shrine Site

The German railroads are granting reduced fares for pilgrims to the shrine of the "Luxembourg Mother of God" at Kevelaer on the lower Rhine River.

The annual pilgrimage takes place through October and attracts about 350,000 persons. Groups of 25 or more adults pay half fare while individuals get one-third reductions from certain stations on the Deutsche Bundesbahn.

About 70 million dollars worth of rimber was cut in the United States last year.

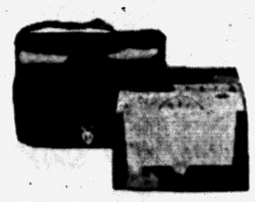

Innocent Bystander Cut by 300 Feet of Wire

DIAGONAL, Iowa (AP) — Ronald Beemer stepped out of his car to watch a small plane spraying crops. The plane's landing gear caught and broke a wire. About 300 feet of the wire whipped around and around Beemer and his car.

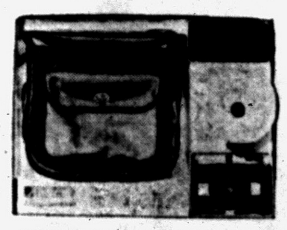

He had numerous deep cuts and welts and he estimated damage to his car at $200 to $300. The airplane apparently was not damaged. It kept on going.

Hal Boyle Says:

Did You Ever Talk With a Real Millionaire?

NEW YORK (AP)— Practically everybody alive today sooner or later will meet a millionaire—and feel worried about it.

* * *

It was feared for a time that millionaires would die out in this civilization, that they would go the way of the dodo or the extinct passenger pigeon.

Happily, it hasn't worked out that way. The millionaire class has proved a hardy breed. If millionaires aren't quite multiplying like the rabbit, they are at least increasing faster than the whooping crane.

The average person, told he is going to meet a millionaire for the first time, finds his heart suddenly beating a bit faster.

"How shall I act?" he asks. "What shall I say to him?"

Nervously, he thumbs through his wife's etiquette book. He finds no help there. Oddly, no etiquette writer ever thinks to include a chapter on "The care and Proper Treatment of Millionaires."

DON'T GO FAR

This is a strange oversight indeed. The etiquette writers seem to have the idea that you should treat a millionaire just as you would any other social equal. They are on the right track here, but they don't go far enough. Millionaires are even more equal than your other social equals.

A helpful thing to remember is that, while you are uneasy at the prospect of meeting the millionaire, he may be even more uneasy over meeting you. A millionaire always has the uneasy feeling someone is trying to get at his money, and how does he know you aren't, too? As a matter of fact, he is probably right. Whoever met a millionaire without the wild secret hope he could help the fellow share the burden of his wealth?

Here are a few time-tested tips on how to get along with a millionaire:

1. When you first shake hands with him, avoid staring at his right hand hip pocket. It will only make him more nervous if your eyes go instantly to where you think he keeps his wallet. (You'd be wrong anyway. Al veteran millionaires carry their wallet in their inside coat pocket, where they can reach in and pat it gently from time to time.)

* * *

2. If you are at a bar, insist on buying the first round of drinks yourself. This will throw him off guard, and he will begn to relax.

* * *

3. Talk about harmless topics like politics, sex and the weather. When a millionaire wants to talk about money, he likes to be the one who brings up the subject.

4. Don't make ridiculous remarks like, "Well, after all, money won't buy everything." The millionaire knows you aren't in a position to say whether this is really true or not. He is.

* * *

5. If you have an inside tip on a new stock or a horse race, pass it on to him at once. It will please him to know you are interested in seeing him get ahead.

* * *

6. Never ask him where is the safest place to keep money. He may be hiding his in the crotches of trees and become suspicous that you are trying to find out his secret.

* * *

7. If a millionaire tells you the only road to wealth is by hard work, don't laugh out loud — even though you know he inherited his own riches. Look impressed. He may be right. (If you don't think inheriting money is hard work, just sit down right now and try to inherit some yourself.)

8. It is unwise to ask him how many millions he really has. If he only has one, it will embarrass him. If he has more than one, he won't tell you anyway.

9. Should you number several millionaires among your acquaintanceship, avoid mentioning the fact. Every millionaire likes to feel he is the only millionaire in your life.

* * *

10. Many people in the presence of a millionaire feel an overwhelming urge to praise the income tax. Fight down this temptation — or you'll find yourself all alone talking to yourself.

There is one other rule worth remembering: People who really have money usually let it talk for them. If a guy at your dinner table brags he's a millionaire, be sure to count the spoons before he leaves.

U. of M. Turning Students Away—Housing Shortage

ANN ARBOR (AP) — The University of Michigan, expecting an enrollment of 20,000, is turning away some prospective students because of a critical housing shortage.

* * *

University officials have issued an urgent appeal to Ann Arbor residents to make additional rooms and apartments available to incoming students.

Arthur L. Brandon, vice president of University Relations, said "An indefinite number of Michigan students will have to be denied admittance to the University unless more housing accommodations can be found immediately in the Ann Arbor area."

Brandon said a number of out-of-state students have already been turned away.

There are still many upperclassmen and graduates who don't have a place to hang their hats, and there is an acute lack of apartments for married students.

* * *

The housing appeal was also made to residents of such outlying communities as Saline, Dexter, Whitmore Lake, Ypsilanti and Willow Run.

U. of M. Doctor Dies; Loses Leukemia Battle

DETROIT (AP)—Dr. Reynolds L. Haas, associate professor of obstetrics at the University of Michigan, and one of the state's best known gynecologists, died Tuesday after a long battle with leukemia. He was 42.

A native of Galesburg, Mich., Dr. Haas received his bachelors and medical degrees from the university.

Bob Considine Says:

Minister Exposes Television Faith Healers

NEW YORK (INS)—Television is a strange medium which frowns on such profanity as "damn Yankees" and encourages "heck's bells" and "Golly's in his heaven." Yet it accepts the obscene likes of so-called "faith healers."

* * *

One man who is trying to rid the air of heartbreak caused by these ecclesiastical quacks is the Rev. Carroll R. Stegall Jr., pastor of the Pryor Street Presbyterian Church of Atlanta.

The reverend bows to no man in his respect for the power of prayer but when it is used as a gimmick at a televised revival meeting at which the hat is passed, Stegall explodes with righteous eloquence.

"The modern claim that they (healers) have recovered the apostolic gift of miraculous healing is a fraud," Stegall writes in "The Presbyterian Outlook." They have, instead, manufactured a new cult, using the age-old tricks of suggestion and psychological cant.

* * *

So far from glorifying God with this, they cause His name to be blasphemed among the worldly by their excesses. So far from curing, they often kill. Far from blessing, their arrival in a city is rather a curse, a misery, a racket, a destruction of faith in simple people."

PASTOR NABBED

The reverend did his research the hard war. Atlanta Police arrested him for "disturbing public worship"—he was taking notes and interviewing the halt, lame and blind at one of the healing orgies.

What about the genuinely sick, the actually disabled, who appear at the meetings? Mr. Stegall writes:

"The answer is shocking. No healer will come near any really crippled or disabled person at all if he can possibly avoid it. I have seen many desperate cases at every meeting I have attended . . . night after night they are avoided like the plague.

"When pressed for an explanation, the healers profess to be able to discern those who have faith—which is never found among those really sick, it seems.

"If one of these does by mischance get into the line, the healer will say, 'Get up on the platform with me and wait until the line is over, and then I will give you special attention.' . . . Needless to say these promises are never kept."

His interest aroused by the cover of TV healer Oral Roberts' "Healing Waters," March 1952, showed "three great medical doctors congratulating Oral Roberts for his ministry of faith to suffering humanity," Mr. Stegall went to work.

He was assisted by Dr. Donald Grey Barnhouse, pastor of the Tenth Presbyterian Church in Philadelphia. The search showed:

DISCREDIT "DOCTORS"

"An inquiry to the American Medical Association brought the answer from their Bureau of Investigation that not one of the men mentioned in the caption could be identified as doctors of medicine or licensed to practice . . .

"One of the three men was found operating in Phoenix as a 'naturopathic physician.' No organization headed by 'Dr. J. H. Miller, outstanding medical doctor and president of a medical society of over 20,000 physicians,' was discovered."

* * *

Mr. Stegall has visited dozens of "healed" persons within several days of the ghastly television shows, after watching their performance at ringside.

"I have never seen a vestige of change," he writes. "I challenge any honest investigator to follow my technique and see whether his findings do not agree with mine."

He says Roberts isn't as bad as some others in the miracle business, but lays love on with a trowel. The Atlanta minister reports that while talking with the healer, backstage, "a woman came up with her thumb wrapped in a bloody handkerchief.

"She had just that moment shut the door on it, but it didn't matter since Roberts was there and could heal it. Would he? Most graciously, he would.

"Taking the thumb between his two hands he prayed over it and then with a sharp squeeze 'shot the holy spirit' through her, so to speak.

"Except for a sharp yelp of pain, nothing happened and the woman went off still nursing her bloody thumb."

Railroad Man Removes Whole Works to Home

HOLLYWOOD (AP)—Railroad man J. D. Jaqua is moving into the station house. After working for the railroad for 35 years with 15 more to go for retirement, Jaqua bought the old Holloway station and had it carted off to his own lot.

He figures to make a five room house out of the building, which was built in 1882.

Jaqua doesn't talk about the price, except that he says it was "very reasonable." The station is typical turn-of-the-cetury architecture. It measures 54 by 16 feet, has long gabled extensions at either end and a double sized freight door. Jaqua and his wife figure it will take two or three years to finish the station so they can liye in it.

The United States imports about 35½ million pounds of black pepper a year.

Farm Price Dip Blamed on Dems

Benson Says GOP Got 'Fused Bombs' Package From Truman Group

HOUSTON (AP)—Secretary of Agriculture Benson declared today the previous Democratic administration had handed the Republicans a "neat package of carefully fused bombs" in the form of the problem of declining farm prices and income.

And now, he added, the Democrats are blaming the Republicans for the explosions.

In a speech prepared for a meeting of the Texas Citrus and Vegetable Growers and Shippers Assn., Benson said the Truman administration had created the present farm problem by continuing incentive price supports for farm products far beyond war and postwar needs and had failed to invoke measures to halt buildup of surpluses.

Benson said the Eisenhower administration is not satisfied with present farm prices and income. He said it will seek to do "everything that is fair, right and economically sound to improve the situation."

The secretary insisted, however, that the answer was not to be found in higher farm price supports. He said that if that were so, "we would not now have government warehouses and storage bins bulging with a vast hoard of surplus farm commodities."

"I believe, and I am sure most farmers believe, that flexible price supports are entitled to a fair trial — an opportunity to demonstrate that they will help bring supplies into better balance with demands," he said.

6 Texans Indicted in Land Scandal

HOUSTON, Tex. (AP)—Fifteen indictments against six men have been returned here in a city land office scandal. Conspiracy and felony theft were charged.

Included were three city employes fired shortly after the scandal broke in June. All three were named in other indictments returned July 28.

The true bills returned yesterday brought to 34 the total of indictments since the probe of disappearing city-owned houses and building material started. In all eight men, including former City Treasury Director Roy Floyd, have been named.

The houses and material involved sites being cleared for expressway right of way.

Report U.S. Forces Team With Nationalists

TAIPEI, Formosa (AP)—It was reported without confirmation today that American warships and planes teamed recently with Chinese Nationalist units in large maneuvers.

Unofficial sources reported that Rear Adm. Albert R. Jarrell, commander of the U.S. Amphibious Training Command in the Pacific, and top Nationalist naval officers were observers.

Official sources declined comment.

Rezoning of Two Areas Gets Lawmaker Approval

City Commission approval was given last night for rezoning to residential classification 28 acres at Stanley and Ypsilanti avenues. The land is the proposed site of a new housing development.

* * *

Also approved was a change to commercial zoning of portions of lots in assessor's plats 147 and 103. Deeds were accepted for street right-of-way.

The Commission accepted the recommendation of City Engineer Lewis W. Wrenn to delete lot 22, Marimont Subdivision, from a combined sewer installation on Richard street.

Adopted was a resolution approving a land contract for sale of part of Lot 2, assessor's plat 7, on LeGrande avenue.

Also passed was a resolution approving an agreement executed by the Community National Bank assigning rights and liabilities in an agreement with the city to Huron-Plaza, Inc.

* * *

Petitions calling for water mains and signed by more than 60 per cent of the residents were accepted and authorization granted for preparation of cost estimates.

The petitions were signed by residents of Pearsall avenue from Bagley west to Wrenn, South boulevard from Bradford to Meadow, and Meadow avenue from South boulevard to Michigan Airline Railroad.

* * *

Bonds were approved for curb, gutter and drainage work on five projects.

In other action, the Commission held public hearings and authorized the city assessor to prepare special assessment rolls for the following projects:

Water main in Telegraph road from Orchard Lake to Golf drive.

Sanitary sewer on northside Columbia avenue from Baldwin to Hollywood.

Confirmation was deferred on a special assessment roll for curb, gutter and drainage on Sylvan court from Orchard Lake to 50 feet west of Myra, following a public hearing.

* * *

Confirmed were assessment rolls for the following:

Curb, gutter and drainage on Nebraska avenue from Bagley to Franklin.
Curb, gutter and drainage on Elm street from Marshall to 120 feet west of Going.
Sanitary sewer on Colorado avenue from trunk sewer east of Motor to Motor.
Sanitary sewer on Wyoming avenue from trunk sewer east of Motor to 80 feet west of Motor.

A resolution was passed to vacate an alley paralleling Perry street between Arlene and Madison.

Resolutions of public necessity were declared for curb, gutter, drainage and blacktop on Virginia avenue from Baldwin to Saginaw, and Luther street from Franklin to Howland.

Also declared a necessity was a sanitary sewer on Luther from Highland to Bloomfield. Engineer's estimates were presented for the three projects and public hearings were set for next Tuesday.

Public necessity also was declared for curb, gutter, drainage and blacktop on Motor street from Rapid to Alton and from Pearsall to Fildew. Cost estimates were presented and a hearing scheduled for next week.

DETROIT (AP) — Wayne University, in cooperation with Detroit Civil Defense authorities, will offer a course in radiological monitoring this fall. The non-credit course will detail fundamentals of atomic physics, and the use of radiation monitoring equipment for civil defense workers.

Negroes Get $880 in Right-to-Vote Suit

COLUMBUS, Ga. (AP) — Damages amounting to 880 dollars, $219,120 less than the total sought, have been awarded 22 Negroes in a voting rights suit against two members of the Randolph County Board of Registrars.

A Federal Court jury yesterday fixed damages at $40 each for the 22, who had sued the board and charged that the registrars had conspired to deprive them of their right to vote in the Southwest Georgia county.

* * *

The verdict directed that the damages be paid equally by Board Chairman R. S. Banks and C. C. Martin, a board member.

U. S. District Judge W. A. Bootle said he would rule later on the Negroes' request for an injunction to force the board to restore their names to the voting list.

British Say Nationalists Fired Upon Freighter

HONG KONG (AP) — The British navy announced today an unidentified Nationalist Chinese warship fired on the 2,156-ton British freighter Helikon as the vessel approached Foochow, port in Red China. No casualties or damage were reported.

The Helikon left Shanghai Sunday with a load of coal for Foochow. The ship is owned by the Wo Fat Sing Co. of Hong Kong.

Michigan Will Distribute 225,000 Salk Shots

LANSING (AP) — The State Health Department expects to complete by the end of this week the distribution of enough Salk polio vaccine to vaccinate 225,000 Michigan youngsters between 5 and 10 years of age.

Dr. Albert E. Heustis, commissioner, said the department has had no word about further supplies for the remaining 250,000 children in that age group, the second priority group for vaccination under a federal-state program.

Bloomfield Township got its name from the great profusion of wild flowers when it first was settled.

Dead Judge Hands Sentence to Convict

BOSTON (AP)—Anthony Cantilupo was sentenced to prison yesterday —to serve a 2½-to-3-year sentence prescribed by a judge who died weeks ago.

Cantilupo, 34, was convicted of slashing a woman's dress in the subway station. Before imposing sentence Superior Court Justice Frank E. Smith looked over the man's record.

He found this notation, written by the late Chief Justice John P. Higgins after Cantilupo had been arrested in connection with a similar slashing in 1954:

"If this man is brought back into court or surrendered for any reason, he is to be sentenced to State Prison for 2½ to 3 years."

Oldest Sheriff Quits

VICTORIA, Va. (AP)—Sheriff A. B. Shackleton is taking off his sheriff's badge. At 83 the oldest sheriff in the United States, Chackleton has resigned prior to the end of his term on Dec. 31, 1955, because of his health. He became sheriff in 1903 after eight years as a deputy and has been re-elected for every 4-year term since.

Tiny Novi Township Town Hums as Prosperity Nears

Big Ford Project Awakens Sleepy Wixom

(Editor's Note: In view of the building boom expected to be brought about by construction of the Lincoln Assembly Plant at the border of the little town of Wixom, a Press correspondent has spent some time there to get the feeling of the townspeople. The following story relates reactions and follows the progress of the project.

By REBA HEINTZELMAN
Press Correspondent

WIXOM—On the day of the great Chicago fire in 1871, the village of Wixom was born.

Up until today the population has increased to only 500 in the last 84 years and according to postmaster, W. R. Abrams, "That includes children and dogs."

Soon, however, all that will be changed because the Ford Motor Co. has chosen the site bordering the town to build its huge Lincoln Assembly plant.

Officials estimate that there will be over a million square feet in the building which stretches along the west side of the Wixom Road, in a mile-and-a-half area to the new Grand River Expressway.

ONE GAS-STATION TOWN

At present the town of Wixom only has one gasoline station, no drug, hardware or drygoods stores and residents have to depend on nearby Walled Lake and Milford for their physicians and dentists.

* * *

With the employment of over 5,000 employes in the new plant the way of life for Wixom people will change considerably and already reactions of the townspeople vary.

"It's the best thing that could happen to this town;" is what Abrams, former mail route carrier for three years, says. He was born and raised in Wixom and has lived all of his 75 years there. "I'm going to open a real estate office and get in on the landslide that is sure to hit soon."

John Bannerman, who runs a fix it shop has a different view. He says "When that factory moves in—I move out. They can have my property real cheap as I don't like to be fenced in." Bannerman has lived in Wixom 15 years and fixes everything from broken-down pianos, washing machines and horse trailers, to residents' eye glasses. He added however that he thought it would be a big boost for the area in general.

Already real estate dealers are purchasing land near the proposed plant. The Elmer Clark farm with three hundred acres near Beck Road has been sold to a Detroit firm and building will begin as soon as the Ford Company purchases the options.

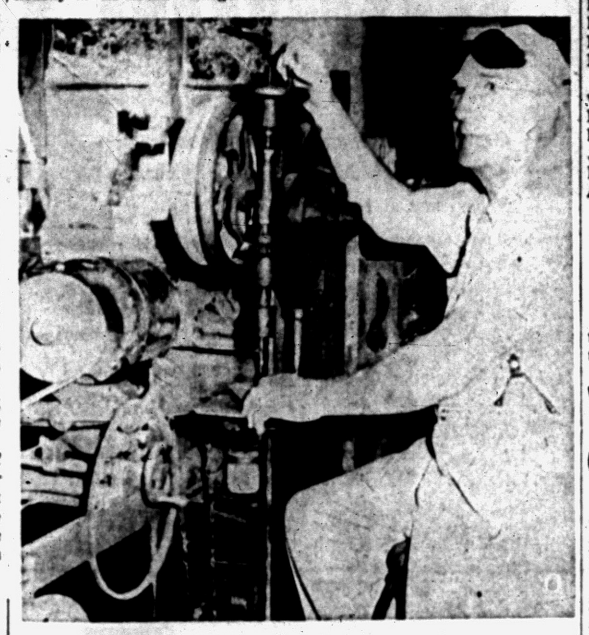

OPTION FOR RAILWAY

Ford Motor Co. official, John W. Anderson, in charge of property management, told the Pontiac Press that there are a few vital problems remaining to be solved before a definite time is set for construction work to begin. The most important factor, Anderson said, was the construction of a siding of the Chesapeake and Ohio Railroad Company on the Ford property. So far land has been optioned only half way from Kenneth Rocker for this project. However officials feel sure that this obstacle will be overcome soon.

Ground tests, the examining of optioned titles, and the search for water is going on at the present time. When these matters are complete, construction on the plant will be started, Anderson said.

PROSPERITY AHEAD—W. R. Abrams, right, talks over the new prosperity that is about to hit the town of Wixom with Charles Tippen. Tippen, owner of the 1929 Ford, delivers fresh vegetables and eggs to nearby towns in the vintage model.

FIX IT MAN—John Bannerman, who runs the only 'fix it' shop in the village, repairs everything from broken down pianos to children's ice skates. The little town of Wixom boasts one gas station.

3rd Horse Event Due at Milford

Annual All-State Show to Be Sunday at Abony Field, Milford Rd.

MILFORD — The Third Annual All State Fall Horse Show will be presented Sunday at Abony Field on South Milford road. Sponsor is the Huron Valley Saddle club.

Blind Twins, 97, Sue for $365,000

SAN ANTONIO, Tex. (AP)—Attorneys are preparing briefs in a case in which blind, 97-year-old twin sisters claim they were swindled out of land. They seek $365,000 damages.

The sisters, Mrs. Inez Garcia Ruiz and Mrs. Aniceta Garcia Barrera, testified through an interpreter yesterday in their suit against a nephew, Benigo Barrera of La Rosita.

* * *

They claimed he persuaded them in 1936 to sign a deed for 13,156 acres of Starr County land now believed to contain valuable uranium deposits. They said they thought they were signing a permit for erection of a fence on their land.

Barrera denied the charges.

Hollywood Headlines

Gail Russell Takes Role in New Wayne Production

By LOUELLA O. PARSONS

HOLLYWOOD (INS) — How wonderful that Gail Russell is so far recovered that she's able to sign a contract with John Wayne's company, Batjac Productions, to star in "Seven Men From Now" with Randy Scott.

She owes this chance to both Duke Wayne and his favorite director, Bill Wellman, who made Gail's test for the role. They are both fond of Gail, who made two of John's best pictures with him, "Angel and the Bad Men," and "Wake of the Red Witch."

This is surely a great personal victory for Gail and we'll all be waiting to see her on the screen.

DAUGHTER DEPARTS

Jane Wyman, whose daughter Maureen is tall, blonde and very lovely, had a real wrench when Maureen went East to school.

"I miss her already," Jane told me, "but I thought it would do her good to go to Marymount in Tarrytown, I'm so busy with TV. Of course, I'll see her at Christmas when I go East to spend the holidays, and I'll take Michael with me."

I asked Jane if being so busy with TV means she's giving up her motion picture career.

"Not at all," she said. "I'll spend six months making TV films, and six months making motion pictures. You can't do both at the same time."

"The Tall Men" has all the intestinal fortitude of "Gone With the Wind" plus its romance, and a Clark Gable we haven't seen on the screen in many and many a day.

His role of the hard-hitting, hard-living Texan, Ben Allison, who learned about men and their ways during the Civil War, is a performance we'll remember—He is the old, lusty Gable.

The team of Jane Russell and Clark Gable is down-to-earth, human and exciting. Jane looks good, sings well, and is at her best as an actress in "The Tall Men."

GRABLE BRUNETTE

Snaps: Betty Grable startling the diners at the Bantam Cock with her new brunette hair—and very becoming. She was with the Harry Ritzes.

Elizabeth Montgomery is so good in "The Billy Mitchell Court Martial" that she has Milton Sperling and Mervyn Le Roy both wanting her for a picture.

Marine Corps to Accept Teenage Volunteers

WASHINGTON (AP)—The Marine Corps says it's ready to accept between 461 and 661 teen-age volunteers in each of the next nine months for its six-month training course under the new reserve program.

Volunteers between the ages of 17 and 18½ must sign up before receiving a draft induction notice, and must remain in the active reserves for 7½ years after completing their training.

Delay in Title Battle Boosts Rocky's Odds Today

NEW YORK (AP) — Heavyweight champion Rocky Marciano, an old hand at postponements, became a heavier favorite than ever today for his 15-round title defense against light-heavyweight boss Archie Moore in Yankee Stadium tonight.

* * *

The odds favoring the all-conquering, 31-year-old Brockton bomber, lengthened to 19-5 following the 1-day setback caused by Hurricane Ione's hollow threat. The odds may jump another point or two by the time the contestants climb into the ring for the 9:45 p.m. (EST) showdown.

* * *

"No Moore money has showed," said one bookmaker in explaining the rise. "As a betting fight this one has fizzled out like Ione."

With the gusty gal safely away from New York, forecasters predicted a fair and cool evening, just about perfect for the battle of champions.

* * *

Three other reasons may have influenced the increased swing to Marciano. At the weigh-in ceremony Tuesday afternoon, the usually cocky and poised Moore appeared grim and tense while Marciano was his usual self, cool and relaxed.

Then Rocky has been through this agonizing waiting period before. His return bout with Ezzard Charles was postponed twice last September and when they finally got in there, Rocky bombed out old Ez in the eight round.

* * *

Weight is the other factor. The 38-year-old challenger scaled 188, about three pounds more than he had been expected to carry. Rocky tipped the beam at 188½, about a pound more than he had aimed at. There will be no further weigh-in unless the weather kicks up again and forces another postponement until Thursday.

Some observers felt that ancient Archie would have been better off if he was closer to 180 even though he toted a hefty 196½ when he whipped Cuba's Nino Valdes on May 2 in 15 rounds. But the Cuban giant's take-your-time style is in sharp contrast to the relentless pace Rocky normally sets. The pressure on Archie's legs is going to be terrific.

* * *

The opinion in this corner is that the oldtimer's legs and body will yield to Rocky's brute strength and power punching within five rounds. Archie is a better boxer and a sharper hitter but Rocky has met his type before in Jersey Joe Walcott and Ezzard Charles and his record is a gawdy 48-0. You can't fault success.

Riding a winning streak of 21, Moore has a 120-19-5 record.

* * *

Tuesday's postponement was announced at 9 a.m. (EST) and when the sun poked through the clouds after the weigh-in ceremony, second guessors had a field day. They had even more to chatter about when 9:30 p.m. (EST), the original fight time, rolled around. It was clear and cool, just about as perfect a night Promoter Jim Norris could have hoped for.

"We had to make the announcement when we did," explained Norris. "We were being bombarded by telephone calls all morning from all over the eastern seaboard by fans, railroads, airlines and the bus companies.

* * *

"If we had gone ahead with the fight and then had to postpone it, thousands would have been milling around New York with no place to stay. The hotels are jammed, out entirely rather than take a Many others would have canceled chance."

* * *

Uusually a postponment hurts a gate but this fight seems almost certain to benefit.

"We refunded about $5,900 by late evening and sold about $25,000," said Harry Markson, Norris' able aide. "We had close to $700,000 in before the postponement and I'm confident we'll do at least $750,000 and maybe $800,000."

CHAMP ARRIVES—Uniformed special policeman makes way through throng at Madison Square Garden yesterday for heavyweight champion Rocky Marciano as he arrives for weighin ceremonies. Rocky is scheduled to defend title tonight at Yankee Stadium against challenger Archie Moore, boss of the light heavyweights. Fight, originally schoduled for last night, was postponed because of bad weather caused by Hurricane Ione.

Moore and Marciano, originally scheduled to meet last night in heavyweight title bout, are slated to meet tonight at Yankee Stadium.

Yanks' Magic Number Now 3

By THE ASSOCIATED PRESS

Just a few days ago Casey Stengle said the New York Yankees had to win all of their remaining 10 games for even a tie for the American League pennant. Now they can wrap it up by winning 3-out-of-5.

* * *

It might not take even that much effort by the Yanks. Any combination of New York victories or defeats by second-place Cleveland totaling three will do it.

Still, the Yankees don't have it hands down. They've won seven straight, matching their longest success streak of the season, and have gained 3 games on the Indians in the important "lost" column—but they still have 5 games left, 1 more at Washington tonight and 4 in Boston beginning with a Friday doubleheader.

The Senators, beaten 6-3 in the afternoon half of a day-night doubleheader yesterday, gave the Yankees a fit before bowing 9-7 in the nightcap. Four New York reliefers paraded to the mound to save starter Whitey Ford's 18th victory as the Nats scored six times in the last two innings.

* * *

Cleveland, which went into a four-game tailspin after sweeping a pair from Washington, finally shook the slump with a 3-2 decision over Chicago as the White Sox officially fell out of the race.

The Indians, with 4 games left —another at Chicago tonight, then 3 at Detroit—have to win 'em all and hope.

Washington caught Ford by surprise in the eighth inning. The stubby southpaw had a four-hitter going and had retired 13 in order. Then Ford walked a man and pinch hitter Jim Lemon, just up from Chattanooga, walloped a home run and the Nats were up on their hind legs.

* * *

It took Gary Coleman, Jim Konstanty, Gerry Staley and finally Tommy Byrne to get 'em back on the leash.

Carlos Paula, Washington right fielder, pushed the Yanks into their big lead with some shabby fielding. The rookie played a routine liner into a double in a 3-run Yank third. Then he kicked a bases-loaded single into a 3-run hit and misplayed a hard liner into a triple in a 6-run seventh.

* * *

The first game was easier for the Yanks, although starter Don Larsen didn't last through the second inning. Reliefer Tom Morgan, with help from Konstanty, got the decision. The Yanks scored three in the first off Maury McDermott, then scored the clincher in the third as Hank Bauer doubled and moved across on two long flies.

Cleveland hung on as Early Wynn turned a 10-hitter into his 17th victory with some dandy clutch work. Bobby Avila tripled home two runs to break a 1-1 tie in the eighth and beat Billy Pierce.

Tigers Hit Goal of 77 Wins, Seek to Finish Over .500

DETROIT (AP) — Detroit pre-season goal of 77 victories has been reached, and now the Tigers are aiming to finish over the .500 mark for the first time since 1950.

The Tigers assured themselves of at least an even break on the season's play by whipping the Kansas City A's 7-3, yesterday to run their won-lost mark to 77-73.

The Tigers have failed in their bid for a first division finish, but the 77 victories ofer some measure of consolation to manager Bucky Harris.

"We should go in the black," Harris said. "We've got four games left to go, and I'm not planning on losing them all."

Last season, when the Tigers also finished fifth, they won only 68 games. Before this season started they set their sights on 77 or more wins, figuring that would give them a chance for fourth place.

It so happened, however, that a fellow named Ted Williams decided to play baseball again and and led the Boston Red Sox to a rather interesting season.

Harris got a look at two of his younger pitchers yesterday —Duke Maas, who started, and Jim Bunning, who relieved and got the victory.

Bunning blanked the A's on two hits in the last 4 2/3 innings for his 3rd win against five losses.

He was supported by an 11-hit attack which included two-run doubles by Ray Boone and Bill Tuttle, plus a two-run triple by Maas.

Boone's two RBI's gave him 111 for the season. Al Kaline chipped in with two singles and increased his batting mark to .341.

Detroit Frees Pair of Rookies

Lions Cut Squad to 38 as Childers, Clark Go; Must Drop Three More

DETROIT (AP) — Detroit Lions squad was down to 38 today with the cutting of a pair of rookies from Prairie View (Tex.) College.

Coach Buddy Parker yesterday asked waivers on Elijah Childers, 260-pound tackle, and William Clark, 209-pound halfback.

Childers saw considerable action during the exhibition season but the return of Gil Mains from the Canadian League swelled the list of tackles to a more-than-ample six.

Parker has decided to retain Darris McCord, 245-pounder from the University of Tennessee, who has showed well in exhibition play.

The Lions still must trim the roster by three more men by Saturday night.

Middle of Pack Spot Given MSU in Big 10 Race

This Year One of of Rebuilding; Better Outlook in '56

EAST LANSING (AP) — Michigan State should wind up in about the middle of the Big Ten football standings this year.

Which isn't bad, when you're scrapping in that pack of ten terrors.

To be more exact, let's assume the sophomores pay off per promise and assign the Spartans to No. 6 slot, at the head of the 2nd division.

This will be a building year at Michigan State after the horrible flop of last season.

MSU has a powerful backfield with good depth this fall and a solid starting line but with no depth.

The Spartans will collect a lot of touchdowns this year and could win most of their games if they only would end at the half.

But the big lines of the other conference teams will spot the weak points and start wearing them down in the later quarters.

If we were talking about next year now—a conference championship and the Rose Bowl again wouldn't be out of the question.

As for the rest of the race: Unless Lenny Dawson breaks an arm, Purdue should take the title; Badgers 2nd, and Michigan 3rd.

Senior Sluggers Aim at Personal Homer Marks

League Record Already Set; Mays Reaches 50, Banks Hits 5th Slam

NEW YORK (AP) — The homer-happy National League with a one-season record already packed away, now has opened a barrage on individual major league home run marks.

Robin Roberts, Philadelphia's 23-game winner, fell victim to the homer hammering last night at Brooklyn, giving up his 39th and 40th of the season—a record total of home runs off a pitcher. Teammate Murry Dickson held the old mark of 39, set in 1948 with St. Louis.

* * *

Willie Mays of New York poked into the picture, too, swatting two homers in a doubleheader with Pittsburgh for a record-equaling total of 7 in 6 consecutive games. Two other Giants, George Kelly (1924) and Walker Cooper (1947), already shared the mark.

Monday night, Chicago's Ernie Banks, set a record with his fifth grand-slam of the year. Ten players shared the old mark of four. Banks with 44, set a major league record for shortstops when he walloped his 40th.

* * *

Mays, who tops the majors in homers this year, now has 50. Only six others — Babe Ruth, Jimmy Foxx, Hank Greenberg, Hack Wilson, Ralph Kiner and Johnny Mize —ever have hit that many.

In all, there were 13 homers in the National yesterday—boosting the record to 1,232. The old major league mark was 1,197, set by the NL in 1953.

* * *

The American League one-season record of 973, set in 1950, seems safe. The eight junior circuit clubs have hit only 944 to date.

Linebackers Key to M's Stopping Missouri's T

Surprising Eleven Heads North for Wolverines' 1955 Season Opener

ANN ARBOR (AP) — Missouri's T-formation moves into Michigan stadium Saturday and four fast Wolverines will be the key to stopping it or letting it run rampant.

Linebackers Lou Baldacci and Jim Bates (Farmington) and ends Ron Kramer and Charlie Brooks are likely the heart of the Michigan defense against the un-orthodox Missouri "T" that almost upset highly rated Maryland last week.

With Missouri using a spread formation on occasion and also given to using drifting flankers, Michigan end coach Matt Patanelli who scouted the Tigers, expects a varied attack.

"Of course against Maryland," Patanelli said, "both of their scores came on passes—one about eight yards and the other about 20."

Patanelli said that quarterback Jimmy Hunter has a good arm and furthermore a tough, heavy, Minnesota-style line can give him plenty of time to pass.

"From tackle to tackle they average about 220," Patanelli said, "and they move well."

Kramer and Brooks, who will probably switch off and on with Mike Rotunno, will have the job of keeping the flankers in hand and cracking inside when Hunter decides to run the ball on the option.

Behind some inexperienced tackles, Baldacci and Bates will be more important than usual.

They will have to stop the short pass over the line from either Hunter or left half Dick Struder who is replacing 1st string left half Sonny Stringer. Stringer turned an ankle in the Maryland game.

Baldacci and Bates may find a lot of muscle coming their way too when fullback Gene Roli and right half Bill Rice decide to run on the inside. This, Patanelli said, they do well.

With crossing flankers and out flankers to look for regularly, the Michigan backfield may find itself starting shallow and running back deep to protect against the Tigers' deadly aerial game.

Touch Football Program Begins This Weekend

Flag touch football (pulling flag from belt) will begin Saturday at the Waterford Township High School football field.

Two leagues will be formed from junior high and high school boys and will run for six weeks.

From 9:30 to 11 a.m. boys in grades 6, 7 and 8, will play and from 11 to 12:30 p.m. boys in grades 9, 10, 11 and 12 will play. Varsity players are ineligible.

"Registrations can be made at the field at no charge. Neighborhood and school class teams will be accepted. Otherwise teams will be chosen at the field," superintendent of recreation, Thomas Belton, reports.

Old Timers Elect Officers for 1956

Selection of officers for 1956 was the chief item of business at the recent meeting of the Pontiac Old Timers Baseball Association.

Officers for the coming year are Paul Parks, president; Clell (Mutt) Morse, viec-president; Glenn Powell, treasurer; Ray Tibbits, secretary, and Glenn Smith, sergeant at arms.

Trustees elected were as follows: Roy Barbe, four-year term; Jack Ebert, three-year term; Budd Leslie, two-year term, and Ray Tibbits, one-year term.

Riley Favorite in Trans-Miss

Ann Downey Medalist at 76 but Attention Still Goes to Polly

OKLAHOMA CITY (AP) — Polly Riley shrugged off a three-over-par eight on the 16th hole in the qualifying round but headed into the first round today as the favorite in the 25th Women's Trans-Mississippi Golf Tournament.

* * *

The five-foot solid-hitting Texan from Fort Worth finished with a four over par 78 to trail medalist Mary Ann Downey of Baltimore by two strokes, but she still commanded the top attention on the basis of her consistency in major tournaments.

Miss Downey scored her medalist winning round of 76 on nines of 39-37 over the 6,370 yard par 37-37—74 course made difficult by a steady south wind ranging up to 30 miles an hour.

* * *

In the runner-up spot with a 78 was Mrs. Margaret Williford, a three-time Oklahoma champion. Then came Marjorie Lindsay of Decatur, Ill., the 1950 champion and Edean Anderson Ihlanfeldt, the 1953 winner from Seattle, Wash.

Walled Lake Harriers Beat Maple Runners

Walled Lake High School's cross country team defeated Birmingham, 22-33, Tuesday at Birmingham in the 1st meet of the 1955 season for both schools. It was the 14th consecutive victory for the Walled Lake harriers ovr a span of three seasons.

Birmingham's Douglas Wuggazer finished 1st in the time of 10:49.7, followed by Gerald Avery, Joel Bailey, Charles Wilson and Bill Hosley, all of Walled Lake. The winners' Jim Wilson came in 8th.

Walled Lake's cross country test is scheduled Friday when the Vikings will be hosts to Waterford.

Opening for Bowlers

Sunday Mixed Couples League has some openings for bowlers who wish to roll Sundays at 8 p.m. The league begins its season Sunday, Sept. 25 at Spillwood Lanes, Keego Harbor. Persons interested should call FE 5-1622 or be at the lanes Sunday night.

Boil, Bubble, Trouble!

S'west Conference Has 5-School Probe Moving

DALLAS (AP)—The Southwest Conference's athletic recruiting troubles boiled over again today with reports that five member schools are involved in the latest investigation.

Texas A&M already under 2-year probation for violation of the recruiting rules, is again on the carpet along with Texas, Southern Methodist, Baylor and Rice, these reports said. They will be "tried" at a special meeting of the conference next Sunday.

* * *

Howard Grubbs, executive secretary of the conference, would not comment on the reports other than to say that the announcement last Thursday of the special meeting contained all the information he was permitted to give.

* * *

At that time Grubbs said the meeting would be for the purpose of discussing recruiting practices in general and to receive reports of inquiries by conference officials of recruiting practices by conference coaches and friends and alumni of conference schools.

The flare-up of alleged illegal recruiting came a year ago when the conference held a special meeting and issued a warning that violations must cease. In May the conference placed Texas A&M under probation and voided its letters of intent—athletic contracts— with the statement that the coaches and alumni had violated the recruiting rules. Some of the athletes turned loose by the order were signed up by other conference schools.

* * *

The Dallas News, in announcing that five schools were involved in the latest investigation, said there were 12 cases to be considered. "Most of the cases are of a minor and highly technical nature, although one involving a track star at Texas was classified by the informant as 'more serious,'" the News said.

Texas Club Titlist 2nd Year in Row

BATTLE CREEK (AP) — Houston, Tex., reigned as American Baseball Congress champion for the 2nd straight year today after beating Seattle, 7-2, in the finals.

Righthander Jack Schultea, who won the title game for the Texans last year against Battle Creek, gave up nine hits in downing the Seattle nine yesterday. Losing pitcher Paul Farrar also allowed nine hits.

Refuses to Keep Negroes Out, Cancels Contest

FAYETTEVILLE, Ark. (AP) — Rather than leave Negro players on the bench, Fayetteville High School has canceled its football game with Fort Smith (Ark.) High School.

So far Fort Smith is the only school to object to Fayetteville's integrated football team.

The Fayetteville School Board voted yesterday to cancel the game with Fort Smith. The decision followed a statement by Fort Smith School Supt. Chris Corbin that Fort Smith's team wouldn't play Fayetteville unless the Negroes were left on the sidelines.

TUESDAY'S STARS

PITCHING—Early Wynn, Indians, won his 17th although allowing 10 hits and walking five, bearing down in the clutch to strand 11 White Sox runners and snap Tribe's four-game losing streak 3-2.

BATTING—Willie Mays, Giants, swatted his 49th and 50th home runs in 11-1, 14-8 doubleheader sweep over Pittsburgh to tie major league record of seven homers in six consecutive games.

Upsets Feature Tennis Tourney at Los Angeles

LOS ANGELES (AP)—Two upsets and two near misses in the Pacific Southwest Tennis Tournament have set the stage for others today as big shots take the center court at the Los Angeles Tennis Club.

Mike Franks, very promising sophomore from UCLA, knocked off Australia's Malcolm Anderson, seventh seeded among the foreign contingent, 6-4, 4-6, 7-5, and meets Philadelphia's Vic Seixas today. Seixas beat Bill Quillian of San Francisco, 6-4, 6-2.

* * *

Japan's Atsushi Miyagi came from behind to score an 8-10, 6-3, 6-1 upset over England's sixth-seeded Roger Becker and opposes Herbie Flam of Beverly Hills today. Flam knocked off John Lesch, another UCLA soph, 8-6, 6-4.

Neal Fraser of Australia, defeated Clif Mayne of San Francisco, 6-3, 4-6, 8-6.

Lew Hoad of Australia and Art Larsen of San Leandro, Calif., are in the featured singles match today.

New York City Jumping With Eager Fight Fans Anxious for Title Brawl of Rocky, Archie Moore

By BILL CORUM

NEW YORK (INS) — The bright light part of New York city bubbled and jumped last night.

Although all the hotels are full, there often have been more visitors in town, for big conventions and such.

But it always has been my observation that nothing stirs excitement in a big city quite like a fight for the world's heavyweight championship. A real one, that is.

And, make no mistake, ever since Archie Moore knocked out Bobo Olson, a meeting between him and champion Rocky Marciano has been a big fight in the public mind. Even before the inevitable contract between them was signed, this was true, and will remain true until a decision is reached tonight.

It may be a bad fight. Any fight may. It may be a one-punch affair, such as Marciano's 2nd meeting with Walcott, which actually was a fiasco.

But in the making, it was a bout that had the old feeling of a big fight for the big title, and interest in it never has wavered or subsided. When Bobo hit the deck, people from coast to coast, including Moore, started talking, and the hubbub won't stop until it is over, if then.

* * *

From that moment, when Olson was counted out, it was a match that stood fair to bring back, at least, talk of professinal boxing's traditional magic phrase, the million-dollar gate.

Today it is accepted fact that between the International Boxing Club box-office and 129 TNT theaters in 92 cities, close to two million, and possibly more, will be paid in all parts of the country by folks who want to see it.

Which brings me to the two loneliest men in our town last night . . . Marciano and Moore, of course.

However, much or little, according to their respective natures, they felt or recognized this fact, it had to be there. Moore, a strange character in any way you choose to take him, likely felt it most.

Hunter Steps Nearer Title Shot With Win

DETROIT (AP) — Detroit's Billy Hunter stood a step closer to a possible shot at the Michigan light heavyweight title today after whipping Calvin Butler of Cleveland at Motor City Arena.

Hunter, picking up steam all the way, scored a unanimous six-round decision over the Cleveland battler in a six-round co-feature bout last night. Hunter weighed 177¾ and Butler 179.

Hunter's victory earned him the right to an Oct. 4 meeting with Johnny Riggins, No. 1 contender for Marty Marshall's state lightweight title.

Goldham Only Wing Not Yet in Fold

SAULT STE. MARIE (AP) — Bob Goldham was the only Detroit Red Wing still unsigned today for the 1955-56 National Hockey League season.

Veteran defensemen Red Kelly and Marcel Pronovost came to terms with the club yesterday.

General manager Jack Adams said Goldham is not a holdout. He said he and Goldham have not completed contract talks.

Running Game Can Also Give Chiefs Trouble

Pontiac Keyed Up for Friday Tilt; Shooting for 1st Victory

By H. GUY MOATS

Waterford High's football coach, peppy Dave Freeman, figures that if his team can put a curb on Pontiac High's air game he'll have a good chance to make Friday's annual gridiron battle a real contest.

These area elevens collide under the lights of Wisner Memorial Stadium, and from a Pontiac-Waterford viewpoint, the game holds top interest.

Freeman recalled today that much of the Chiefs' power in last year's encounter here, was vested in an effective aerial game. So, considerable work is being done this week on perfecting a defense against the overhead attacks.

Skippers will also rely heavily upon some very good, fast backs.

If they can put the brakes on the tosses, they will give their ground game a chance to come through. Top cog in the Skipper rushing game is fast, willowy Lindy Salathiel, right halfback. Lindy is the lad who went 90 some yards for a TD after intercepting a pass in the West Bloomfield (Keego Harbor) game a week ago. Skippers won 58-0, while Chiefs were losing to Wyandotte 25-6.

Freeman has some 15 boys back, who saw action against Chiefs in the 1954 game, which Pontiac won, 39-0.

The Skipper headman isn't selling Chiefs short. He has a healthy respect for the Ed Graybiel-coached club, despite its showing against the 'Dots.'

"I feel this way about it," says Dave. "Pontiac must have had an off night. They are not that ineffective.

"We suspect that Pontiac will be 'up' for us. They will be aiming to assuage some of the sting of that first loss. But we'll be in there trying all the time. It'll be a good game, I believe."

Chiefs are still smarting from the loss of their first game and Tuesday night went through another stiff scrimmage session. PHS coaches hope to correct the weak spots that cropped out in the Wyandotte game. And the squad as a whole is fired up to turn in a winning effort Friday.

Bowling Clinic

By BILLY SIXTY

From the time the ball drops into the backswing after the push-away you've got to "feel" its weight. It's what the late Jimmy Smith, the old master and former world match champion, called "pendulum action." It's comparable to feeling the clubhead in golf—the secret of timing. You get it only by being relaxed in stride. Allow the ball to swing of its own weight, and it follows a perfect groove, as sketch (right way) shows.

Your stride to the foul line will be straight, true, effective. You'll deliver the ball consistently on a desired spot or a target line. Tighten up just a little, and you'll retard the swing; shorten it, as the dotted line (wrong) in sketch illustrates.

Instead of having a low, sweeping swing, chances are you'll dump the ball at the foul line, without follow-through or direction. Concentrate on developing pendulum action. Feel the weight of the ball all the way. It'll make bowling easy—pay scoring dividends.

Cleveland Collapse Costly

Valuable Player Award Chances Dim for Smith, Narleski as Tribe Falters

CHICAGO (AP) — Cleveland's astonishingly quick collapse in the final 10 days of the season not only put the pennant practically beyond reach, but just about ruined the chances of Al Smith and Ray Narleski for the most valuable player award.

Unfortunately for them as well as the Indians, Smith and Narleski picked the time when the club sank to its lowest ebb to exhibit their poorest performances.

* * *

In the considered opinion of those who have followed the fortunes of the Indians all year, the tremendous all-around play of the versatile Smith and the brilliant relief pitching of Narleski were the major contributions to Cleveland's near-successful defense of their American League title.

* * *

Consequently it came as a rude shock to Manager Al Lopez, along with Cleveland's disappointed fans when Narleski failed in two successive rescue jobs in key games and when Smith went hitless in 12 consecutive times at bat in three losing games to Detroit.

Smith, the Indians' only .300 hitter, extended his hitless streak to 17 times at bat last night as Cleveland finally ended a week-long victory drought with a 3-2 triumph over Chicago.

Even in victory, which incidentally eliminated the White Sox from the pennant race, the Indians lost ground as the pace-setting New York Yankees roared into a 2½ game lead with a sweep of their day-night doubleheader in Washington.

* * *

Narleski was a tower of strength all year, a most welcome relief to starters Bob Lemon, Early Wynn, Mike Garcia, Herb Score and other Indian pitchers, in times of distress. Through Sept. 13, he had made 58 mound appearances, winning nine without a defeat and saving some two dozen games for others.

* * *

A week ago last Tuesday, in relief of Score, he struck out two Washington batters with the bases loaded in the seventh inning to temporarily protect a 2-2 tie for Cleveland. In the eighth, however, the Senators clipped him for the winning run to charge him with his first defeat of the season.

That marked the beginning of Cleveland's collapse.

Relentless NY Moving Closer to AL Pennant

But Ol' Case Still Isn't Stampeded Into Predicting Title

WASHINGTON (AP)—Every day in every way the New York Yankees move closer to the American League pennant. But cautious Casey Stengel, the eternal pessimist, won't be stampeded into predicting a Yankee championship.

"We've still got five games to play," Stengel mourned today after his Yankees, bearing no resemblance to the famed Bronx Bombers of old, ran their winning streak to 7 with 2 victories over Washington, opening up a 2½ game lead in the dying American League pennant race.

* * *

The Yankees, however, can lose 2 of those 5 games and still win the pennant, even if the pursuing Cleveland Indians win their remaining 4.

* * *

Stengel wasn't settling for anything less than victory in all five, however, as he nominated his strikeout ace, Bob Turley (16-13), to oppose Washington's Chuck Stobbs (4-13) in the final meeting of the Yankees and Senators tonight.

If the Yanks take that one they will have their longest winning streak of the season. Twice before they put together strings of 7, but have yet to hit the magic eight.

Actually, the Yanks have been playing superb ball these past two weeks, winning 12 of their last 14 and opening a bigger lead over Cleveland practically every day.

Stengel, who said he will use every player on his roster in every game if necessary, played it that way last night as he sent in four relief pitchers in the final two innings in an effort to silence the suddenly awakened Washington bats.

* * *

In quick succession, he had Rip Coleman, Jim Konstanty, Gerry Staley and Tommy Byrne in there to relieve Whitey Ford as the Senators rallied for six runs. But it was too little and too late and the Yanks won, 9-7.

* * *

The first game, played in the daytime, was an easy Yankee victory, 6-3.

Shoddy fielding by Washington's rookie rightfielder, Carlos Paula, contributed to all nine Yankee runs in the night game and as it turned out, the New Yorkers needed them all.

Washington, which was absorbing its sixth straight defeat, clobbered Yankee pitching for six hits in those last two innings, leaving runners on second and third in the eighth and having the tying run at the plate when Byrne ended affairs by getting Pete Runnels on an outfield fly.

"It was close," Stengel conceded, "a lot closer than I like to see them."

'Y' Program to Help Hunters

By JACK PATTERSON

Deer hunting is a fine, vigorous sport.

Often exciting, always demanding it calls for the hunter's fullest effort. Sometimes, for the hunter over 40, it calls for more than that. You know how it is. You're

headed for that ridge a half mile away where George saw the 10-pointer the day before the season opened. You haven't gone a 3rd of the way before you regret the late hour poker party the night before.

And that hill you're working up. Didn't remember it was so steep, did you? By the time you reach the top you can taste every cigarette you've ever smoked, your head is pounding, and your feet are dragging through the forest litter.

And maybe there's the suspicion of a pain high in the center of your chest. Better sit on a stump 'til you get your breath.

About the time youre rested up enough to go on you hear a single shot over on the ridge. That 10-pointer is not for you. Or maybe you don't stop for a breather. Pretty soon that chest pain is no longer a suspicion. It's mighty real. It moves into your shoulder. You notice that your gun is getting so heavy it's making your arm numb, until you see your gun leaning against a tree. Then maybe in a little while you'll be hunting unfamiliar territory on the far side of the river.

This is an experience that happens to many hunters every year. It could largely be avoided if the hunter remembered that it's asking too much of the old ticker to make a quick shift from a sedentary job to the woods. Getting the old carcass in shape should take priority over other pre-hunt preparations.

Now, for the 1st time, this conditioning is going to be made easy for you. The Pontiac YMCA, under the able direction of Ted Slosson, announces a hunter's fitness program designed for the sole purpose of turning chair jockeys into woodsmen.

* * *

The program will begin at 7 p. m. Monday, Oct. 3, and will continue for the five following Monday evenings.

On the program will be calisthentics, conditioning exercises and provisions for self-testing for fitness. A free heart check by an M.D. is included.

* * *

In case this sounds like all work and no play, appropriate outdoor movies will be shown and there will be an opportunity to sight-in and test fire favorite weapons under the expert eye of Jerry Wooliever and Howard Shelley of the Oakland County Sportsman's Club. Lessons in gun safety will be provided for those who need them which is practically everyone.

This program is sponsored by the YMCA purely as a public service for residents of the Pontiac area and there is no charge for the service. There is no age limit but attendance is restricted to males. Interested hunters should call Ted Slosson at the "Y" to register.

* * *

This sounds like a very fine idea, and, incidentally it's another Pontiac "first." So come on, hunters, get yourselves in shape. Come to think of it a few push-ups wouldn't do us any harm either.

BUSHY TAILS, BEWARE! — When the squirrel season recently opened in Lawrence County, Ohio, Mr. and Mrs. David Walker, of Ironton, were early birds with their shotguns, being in the woods long before dawn. He is 91 and she is 70. They have hunted side by side for seven years. He has a new 16-gauge shotgun and hers is a .410, both single shots.

Bartley, Cook Lead Pontiac Horseshoers to Victory Monday

The Pontiac Horseshoe Club captured honors in a match Monday night at Oakland Park against the Waterford Horseshoe League. The event was sponsored by the Pontiac and Waterford Township recreation departments.

Floyd Bartley and Waller Cook led the Pontiac pitchers who totaled 33 points. The pair won three straight games over Waterford's George Bishop and George Gleason. Waterford finished with 15 points.

Tom Belton, recreation director of Waterford Township, said the event would be an annual affair and asked anyone interested in forming another team to call either Waterford Township or Pontiac recreation departments.

OCSC Shooters Sharpen Eyes in Skeet Tests

Heavy Pre-Hunting Season Firing Marks Weekend Activities

Post national, pre-hunting season shotgun activity got under way literally with a bang over the weekend when better than 160 rounds were fired over skeet and trap fields of Oakland County Sportsmen's Club.

Many new shooters are taking to skeet since the coming of the National Skeet Championships to Waterford. The Oct. 1 opening of the migratory waterfowl season is also bringing out its share of gunners who once a year get in a few rounds of skeet or trap to sharpen their eyes.

Homer Coss, who fired a perfect round a week ago, added another 25 straight Sunday to make it 50 in a row.

Mike Kenjalo also went 25 straight Sunday, while A. Beam, V. Jenkins and J. Cox missed but one in a round to tie for second.

Oliver Lemeaux and William Bosserman carded 23s to take 3rd place.

From the fine gun work of these veteran skeeters the scores ranged all the way down to a beginner's 3x25.

Management of this fine shooting club wishes to remind the public that it is invited to use the facilities of the organization. Fields are open at 10 a.m. every Sunday.

State Body Defines 'Artificial Flies'

LANSING—"Artificial flies" are defined as the common types of wet and dry flies used for trout fishing and this means the flies only, with no weights or other lures or equipment attached.

The Conservation Commission clarified the legal problem for anglers at a recent meeting and the ruling takes effect January 1.

Post Positions Set for Brown Jug Race

DELAWARE, Ohio (AP)—Post positions will be drawn today for starting horses in tomorrow's Little Brown Jug, the richest trotting event of its kind.

Prior to choosing positions, horse owners will vote on whether to split the race into two divisions.

The 10th annual "Jug" is for 3-year-old pacers. Each heat will be raced twice-around the half-mile track at Delaware County Fairgrounds.

Air Base Wages War Against Paperwork

COLUMBUS, Ohio (AP) — Lockbourne Air Force Base has found a way to battle that bugaboo of military operations — red tape and seemingly endless paperwork.

The AFB is getting five card handling machines to reduce the number of paper forms. Only half as many people will be needed in the base file section. And the new forms will be filed automatically in less space than now is needed.

A card fed into a machine tells what part is being requisitioned. The machine punches a new card that brings the inventory record up to date and sets three typewriters in motion. If an error is made, an error light flashes.

First Lt. William L. Stringer, property account officer, says similar equipment is planned at SAC headquarters at Offutt AFB, Omaha, Neb., and for the 15th Air Force at Castle, Calif., AFB.

Grains Scoring Small Gains

CHICAGO (AP) — Most grains scored small gains in fairly active dealings on the Board of trade today. Soybeans led the advance. Wheat lagged.

Buying in soybeans was based on such factors as wet weather, private reports of smaller than expected yields and renewed firm Feed grains were aided by light ness in soybean meal futures. receipts of cash grain.

Wheat near the end of the first hour was ¼ lower to ⅛ higher, September $1.97⅜; corn unchanged to ½ higher, September $1.31⅝; oats unchanged to ⅜ higher, September 59¾; rye unchanged to ⅜ lower, September $1.03; soybeans 1 to 1½ higher, September $2.27½; lard 2 to 7 cents a hundred pounds higher, September $9.95.

DETROIT BUTTER AND EGGS

DETROIT (AP)—Eggs, f.o.b. Detroit, cases included, federal-state grades:

Whites—grade A jumbo 71, large 63, medium 56, small 35; grade B large 57, pewees 29.

Browns—Grade A jumbo 70, large 62, medium 49, small 35; Grade B large 56, Grade C large 36; pewees 29.

Checks 29.

Commercially graded:

Whites—Grade A extra large 61, large 58-61, medium 47-48.

Market unsettled. Price changes were irregular. Light accumulation of large eggs developed in some quarters while supplies cleared closely in others. Overall demand for large was less aggressive than last week. Ample offerings of mediums were readily absorbed. Smalls ample for a fair demand.

CHICAGO POTATOES

CHICAGO (AP)—Potatoes: Arrivals 78, on track 359, total U.S. shipments 470; supplies moderate, demand fair; market for Russets slightly weaker. Round Reds steady; Washington russets $3.70-3.90; Idaho-Oregon russets 3.55-3.75; Wisconsin round red Pontiacs 1.70-1.90 Lasodas, $1.45; South Dakota Red River Valley Pontiacs, $1.75.

Poultry

DETROIT POULTRY

DETROIT, Sept. 21 (AP)—Prices paid per pound f.o.b. Detroit for No 1 quality live poultry up to 10 a.m.

Heavy hens 24-27, light hens 17-18; heavy broilers or fryers (2½-3½ lbs); gray crosses 29-30, Barred Rocks 30-31; caponettes (3½-4½ lbs) 34-35 (5 6 lbs) 38-39.

Market steady on hens, about steady on young chickens. Desirable quality hens short of a good demand, ordinary quality adequate. Moderate receipts of caponettes and broilers or fryers were ample to a fair demand. Buying of caponettes for the forthcoming Hebrew holiday has been relatively light as some live poultry retailers had carryovers from last week. Turkeys unsettled. Receipts light but ample for a limited demand. A few heavy type young hens received at 36 cents. Some young toms received yesterday afternoon at 30 cents.

CHICAGO POULTRY

CHICAGO (AP)—Live poultry steady on hens barely steady on young stock and caponettes; receipts in coops 601 (Tuesday 685 coops, 165,654 lbs.); f.o.b paying prices unchanged; heavy hens 22 5-26, light hens 18.5-19.5; broilers or fryers 27-28; old roosters 13.5-14.5; caponettes under 4½ lb. 33-34; over 4½ lb. 36-38.

DETROIT EGGS

DETROIT, Sept. 20 (AP)—Eggs, F.O.B. Detroit, cases included, federal-state grades:

Whites—Grade A, jumbo 67-71, weighted average price 67½; extra large 65; large 63-64, wtd. avg. 63½; medium 50-54, wtd. avg. 50; small 35-36, wtd. avg. 35. Grade B, large 56-57, wtd. avg. 57½; pewees 29.

Browns—Grade A, large 62; medium 49; small 35. Grade B, large 55. Grade C, large 35-38, wtd. avg. 37; pewees 29. Checks 29.

Commercially graded:

Whites—Grade A, extra large 60; large 59-60½; medium 46.

Browns—Grade A, extra large 58; large 57-58; medium 46; small 32-33. Grade B, large 46.

Market unsettled on large eggs, steady on mediums and small. Increased buyer resistence to prevailing prices on large eggs noted and offerings were ample for the less active demand. Mediums and small generally cleared closely to a good demand.

SEVEN ISLANDS, Que. (INS)—Mrs. Bruno Meier saw her three-year-old son, Harold, plunge 6,000 feet to his death when an airplane's emergency hatch with which the boy was playing, opened suddenly over Seven Islands.

Market Rally Keeps Gaining

NEW YORK (AP) — The stock market advanced in early dealings today in a continuation of the rally that pulled yesterday's session out of the hole.

Most major divisions of the market had a hand in today's early rise, but among the more favored sections were the steels, motors, distillers, aircrafts, chemicals and the railroads.

Yesterday's stock market was lower throughout most of the day, but in the final hour there was a general rally that brought the leaders up from their lows and sent enough of them ahead to produce a mixed close.

Today trading began fast with prices higher. Going up were such issues as Wheeling Steel, Bethlehem Steel, Chrysler, Distillers Corp., Boeing, Callahan Zinc (which had a block of 8,000 shares up ⅛ at 5⅞, American Viscose (which is calling its preferred), Standard Oil (NJ), Du Pont, New York Central, and Northern Pacific.

Lower were American Export lines, Goodrich, U. S. Gypsum, Allied Chemical, and American Tobacco.

Iowa Lions Clubs Support Eye Banks

IOWA CITY, Iowa (AP) — This state's first Eye Bank is being established at the State University of Iowa Medical Center with the support of Iowa Lions Clubs. The 250 plus Lions Clubs have already raised more than $10,000 to get the Eye Bank started.

It will be under the direction of Dr. Alson E. Braley, professor and head of ophthalmology at the University.

It is primarily intended to provide a clearing house for corneas removed from the eyes of persons who bequeath their eyes for medical use after their deaths. Iowa recently enacted a law permitting the willing of parts of the body for medical use.

2 Mates, No Bigamy

TAIPEI, Formosa, (AP)—A Chinese Nationalist lawmaker proposes that mainlanders in Formosa whose wives or husbands are in Red China be permitted to remarry without being liable to bigamy charges. Miao Chi-ping told the Legislative Yuan (Parliament) there are at least 100,000 such mainlanders on this island.

During World War II, as much as 29.7 per cent of the U. S. egg production was sold as dried or frozen, but the percentage has dropped to 7 or below in recent months.

Resident Challenges Building Code Law

Paul L. McLaughlin, of 3810 Dixie Highway, Waterford Township, has filed suit in Oakland County Circuit Court claiming the township's building code should be declared unconstitutional.

He states he built rental cabins on lots 48 and 49 of Covehurst Subdivision which he has rented since 1946.

McLaughlin claims the township has been attempting to penalize him for renting buildings not up to standards set in the building code. He claims the code did not take effect until after he began renting the cabins and therefore should not apply in his case.

A court hearing has been set for Sept. 26.

If cattle are slaughtered less than four days after they have been on pasture where onions are common, the beef will often have onion flavor.

New Plug Trick Fools Sponsor

Viewer Recalls Films While Backer's Product Is Forgotten

By CHARLES MERCER

NEW YORK (AP)—Let's take a break for the commercial.

Coming in with many new shows as a new television season begins are many new commercials. One of the most startling innovations is the Hollywood commercial, the plug for a new motion picture.

* * *

In this neatest trick of the season a manufacturer of almost anything pays for a program containing a couple of movie stars and a few film clips. It often ends up by being such a plug for a certain movie that you can't remember who was the original sponsor.

Both networks and agencies are keeping a sharp eye on those movie commercials. Caught at the agency level and ruled off the air before it could appeal, for example, was one 20-second spot advertising a new film. In it the male star of the picture is struggling with a girl in front of a tree and shouting, "I've kept my end of the bargain, now you're gonna keep yours!" She answers, "No! No! Not now!"

AUTO ON WAY IN

In the movie the girl was trying to prevent the man from cutting down the tree. But in an out-of-context piece of film-cutting the man's motives could have been—well, misinterpreted.

One interesting trend in commercials is that human intestinal tracts appear to be on the way out while automobile intestinal tracts are on the way in. Last year the human intestinal tract was an important commercial star, demonstrating the action of stomach settlers, diet aids, headache remedies.

* * *

In fact, one gastro-intestinal commercial last year showed TWO tracts, one containing a lot of little bubbles marked 'A" and the other a lot of little bubbles marked "B." This led Steve Allen, on one mad night, to ask his audience to stand by while the network played stomach scrabble.

Yes, sir, intestinal tracts seem to be on the way out. But what the army used to call "visual aid instruction" is still humming right along in the commercials with auto innards the big new thing.

* * *

The most popular auto innards this season apparently are piston rings — or what I think are piston rings. There are Happy Pistons and Unhappy Pistons, and if you don't know what makes a piston unhappy just turn on the set.

End Advance PMs Sept. 21.

Deserted Wife Waits 41 Years for Divorce

LOS ANGELES (AP)—After 41 years, Mrs. Emma Niccum knew that Elwood Niccum wasn't coming home.

So she divorced him yesterday. She said Niccum deserted her only three months after their wedding in 1914.

Why did she wait so long, the court asked?

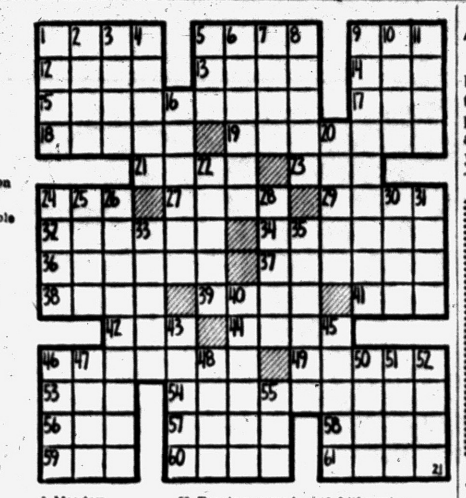

"Didn't have enough money to get a divorce," said Mrs. Niccum, 82.

Answer to Previous Puzzle

Award Godfrey Scroll at Airline Terminal Fete

NEW YORK (AP)—Arthur Godfrey finally got around to his part in the opening of the new West Side airlines terminal but he was nearly a week late and a mile away from the terminal.

* * *

It originally was planned for him to land a helicopter on the roof of the terminal at its opening last week.

The stunt was vetoed by City Marine and Aviation Commissioner Vincent A. G. O'Connor, who said the terminal, on 42nd Street near the Hudson River, was too close to the West Side Highway for safety.

* * *

So the helicopter flight was transferred to the roof of Pier 57 farther down the river at 15th Street. After Godfrey brought the aircraft down yesterday he was awarded a scroll from eight airlines praising him for "his contribution to the progress of aviation."

Pinky Lee Collapses From Work Fatigue

HOLLYWOOD (AP) — Comedian Pinky Lee, 54, is going to be invalided about one week because of the collapse that terminated his coast-to-coast TV show yesterday, but the kids who follow him will see him on film.

* * *

For a while the little comic in the checkered coat was thought to have suffered a heart attack when he grasped his throat and called for help. The TV cameras turned away from him and he was led to his dressing room as the studio took over and started a film rolling.

* * *

An examination disclosed no apparent heart damage and Lee's physician said he believed the collapse was due to overwork, exhaustion and nervousness.

Sarnoff Asks Politicians to Air TV Pay Squabble

WASHINGTON (INS) — Board Chairman David Sarnoff of the Radio Corporation of America has proposed that the issue of free-TV versus pay-TV should be taken to the people by the major political parties in the 1956 campaigns.

In a luncheon address before the Advertising Club of Washington, Sarnoff insisted that the question is as important to the public as prohibition was a generation ago and that the citizenry must decide it.

At Home Behind Bars

LONDON (AP) — Anthony Bonner began serving his 51st sentence today — six years for stealing a peddler's pushcart. Police tetified at his trial he had spent only four years out of prison since 1927.

Let Them Have Light

ATLANTIC BEACH, Fla. (AP)—Light meters are part of police equipment here now. The city council ordered that the once dimly - lit cocktail lounges be kept light enough for patrons to read newspapers. Police were given the meters and told to enforce the order.

Business Rivals Meet

KINGSVILLE, Tex. (AP)—A safety director and funeral home owner were involved in a minor traffic mishap.

Kirbys Maintain Curb on Public Street Post

DECATUR, Ill. (AP)—The Kirbys have a corner on the street commissioner's office and it's fact becoming a tradition.

Lyle Kirby, who retired last spring after 12 years in the job, turned the office over to his son, Forest L. Kirby. Another son, William D. Kirby, is assistant superintendent in the department.

The steeple on St. Vincent de Paul's church was for many years the highest point in Pontiac.

Steals Right Sermon

COLUMBIA, S.C. (AP) — A thief broke into the study of the Rev. Robert N. DuBose, Methodist minister, and stole several silver dollars and a couple of sermons. DuBose told police one sermon was titled "Good Sportsmanship" and that if he had known anyone wanted it he would have given him a copy.

Oxford got its name from a low point on the first road leading there, which frequently was overflowed with water, making it necessary for the ox teams to ford it.

Pride Precedes Fall

DALLAS, Tex. (AP)—Noil Jones, 37, spurned the offer of 5 years in prison if he pleaded guilty to murder. A jury gave him 75.
